

BEN HANSEN

Uintah Basin News

COVID-19

HEROparanormal.com

1
00:00:17,109 --> 00:00:16,790

[Music]

2
00:00:19,910 --> 00:00:17,119

come

3
00:00:22,710 --> 00:00:19,920

blast off in my time machine third eye

4
00:00:26,870 --> 00:00:22,720

feeling like a knee vision blast off

5
00:00:36,490 --> 00:00:26,880

blast off blast off blast off

6
00:00:41,270 --> 00:00:38,310

[Music]

7
00:00:42,150 --> 00:00:41,280

couldn't be more excited about our guest

8
00:00:46,229 --> 00:00:42,160

today

9
00:00:48,709 --> 00:00:46,239

it is the amazing ben hansen

10
00:00:49,590 --> 00:00:48,719

big ben as they call him over in the uk

11
00:00:51,990 --> 00:00:49,600

worldwide

12
00:00:54,150 --> 00:00:52,000

he is recognized as one of the

13
00:00:57,750 --> 00:00:54,160

paranormal experts ever since

14

00:00:59,430 --> 00:00:57,760

he debuted in factor faked great show

15

00:01:03,510 --> 00:00:59,440

wish it was still around

16

00:01:05,429 --> 00:01:03,520

and um ben kind of made his way into

17

00:01:07,750 --> 00:01:05,439

other realms as well

18

00:01:09,990 --> 00:01:07,760

he's currently working with ghost stuff

19

00:01:12,710 --> 00:01:10,000

with tv i can't go into that

20

00:01:13,109 --> 00:01:12,720

he's still investigating amber lights

21

00:01:16,310 --> 00:01:13,119

over

22

00:01:17,429 --> 00:01:16,320

utah an amazing phenomenon that has

23

00:01:20,469 --> 00:01:17,439

taken place for

24

00:01:22,469 --> 00:01:20,479

some time there in utah and he's always

25

00:01:27,030 --> 00:01:22,479

been a fan of the uintah basin

26

00:01:30,950 --> 00:01:27,040

and the odd goings on there

27

00:01:34,149 --> 00:01:30,960

he recently met the owner and

28

00:01:37,910 --> 00:01:34,159

had a lot of interesting and good things

29

00:01:42,230 --> 00:01:39,910

these are interesting times and we're

30

00:01:45,350 --> 00:01:42,240

going to discuss everything from

31

00:01:48,710 --> 00:01:45,360

tv portals to hell the

32

00:01:52,630 --> 00:01:48,720

um vice article that came out

33

00:01:55,510 --> 00:01:52,640

possibly uh talking about the owner

34

00:01:56,230 --> 00:01:55,520

that was also by one of our uh show

35

00:01:59,670 --> 00:01:56,240

favorites

36

00:02:00,950 --> 00:01:59,680

mj and we hope to have mj back here in a

37

00:02:02,389 --> 00:02:00,960

minute if you haven't checked out the

38

00:02:05,990 --> 00:02:02,399

article definitely go to

39

00:02:09,190 --> 00:02:06,000

vice motherboard and check that out

40

00:02:09,990 --> 00:02:09,200

so um yeah ben is involved with all

41

00:02:13,110 --> 00:02:10,000

kinds of stuff

42

00:02:15,270 --> 00:02:13,120

whether it is night vision optics uh

43

00:02:16,790 --> 00:02:15,280

showing people what to do correctly what

44

00:02:18,390 --> 00:02:16,800

not to do he's involved with

45

00:02:20,790 --> 00:02:18,400

prepping he's involved with getting

46

00:02:24,070 --> 00:02:20,800

people certifications for

47

00:02:26,550 --> 00:02:24,080

things that you might need he's also

48

00:02:27,510 --> 00:02:26,560

uh getting certified himself if not

49

00:02:30,949 --> 00:02:27,520

already as

50

00:02:33,350 --> 00:02:30,959

a pilot in various forms of aircraft so

51
00:02:34,710 --> 00:02:33,360
ben's kind of a jack of all trades and

52
00:02:36,309 --> 00:02:34,720
master at most

53
00:02:37,589 --> 00:02:36,319
he's really good at what he does and i

54
00:02:39,190 --> 00:02:37,599
can't wait to talk to him in these

55
00:02:41,270 --> 00:02:39,200
strange and interesting times of

56
00:02:43,589 --> 00:02:41,280
coronavirus so

57
00:02:46,229 --> 00:02:43,599
ben hansen welcome to the hero

58
00:02:48,470 --> 00:02:46,239
paranormal podcast

59
00:02:49,350 --> 00:02:48,480
thank you thank you thank you how you

60
00:02:54,150 --> 00:02:49,360
doing

61
00:02:57,270 --> 00:02:54,160
it's wild it's hard not to be

62
00:02:58,470 --> 00:02:57,280
like giddy at this time there's so much

63
00:02:59,990 --> 00:02:58,480

going on like

64

00:03:02,149 --> 00:03:00,000

everywhere whether whether you're a

65

00:03:05,430 --> 00:03:02,159

conspiracy theorist or not

66

00:03:08,390 --> 00:03:05,440

and i mean just a lot going on

67

00:03:10,149 --> 00:03:08,400

in the uintah basin and you've been

68

00:03:11,350 --> 00:03:10,159

involved in the basin for quite some

69

00:03:13,190 --> 00:03:11,360

time and

70

00:03:15,110 --> 00:03:13,200

i i wanted to ask you i've got so many

71

00:03:17,030 --> 00:03:15,120

questions i know you've got a lot

72

00:03:19,030 --> 00:03:17,040

a lot going on what's going on with you

73

00:03:21,589 --> 00:03:19,040

what's new

74

00:03:23,190 --> 00:03:21,599

well like you said i think um it's just

75

00:03:24,070 --> 00:03:23,200

the strangest times that we're in right

76

00:03:27,270 --> 00:03:24,080

now because

77

00:03:30,949 --> 00:03:27,280

um it seems like

78

00:03:33,670 --> 00:03:30,959

you know there's there's news breaking

79

00:03:35,430 --> 00:03:33,680

you know like every hour and something

80

00:03:38,470 --> 00:03:35,440

new and people are trying to keep up

81

00:03:40,710 --> 00:03:38,480

and um the the tv industry is

82

00:03:42,550 --> 00:03:40,720

turned upside down every industry you

83

00:03:44,070 --> 00:03:42,560

know they're trying to figure out

84

00:03:46,149 --> 00:03:44,080

what they're going to do to kind of

85

00:03:47,910 --> 00:03:46,159

pivot and change things

86

00:03:49,830 --> 00:03:47,920

and so at the same time you have all

87

00:03:52,309 --> 00:03:49,840

this really cool

88

00:03:53,990 --> 00:03:52,319

um stuff happening in the the paranormal

89

00:03:57,030 --> 00:03:54,000

like kind of a

90

00:03:59,750 --> 00:03:57,040

you know mystery genre

91

00:04:02,470 --> 00:03:59,760

i guess you could call it and so there's

92

00:04:05,110 --> 00:04:02,480

there's plenty of content to cover

93

00:04:06,470 --> 00:04:05,120

but um i'm kind of splitting my world

94

00:04:09,589 --> 00:04:06,480

between

95

00:04:11,429 --> 00:04:09,599

you know the so-called day job

96

00:04:13,350 --> 00:04:11,439

and what i'm what i'm doing there and

97

00:04:14,149 --> 00:04:13,360

then and i'm talking to networks that i

98

00:04:16,390 --> 00:04:14,159

had

99

00:04:17,349 --> 00:04:16,400

um as you probably know too i'm kind of

100

00:04:19,030 --> 00:04:17,359

heavily involved

101
00:04:20,390 --> 00:04:19,040
in well i guess you could say i'm a

102
00:04:23,270 --> 00:04:20,400
prepper yeah so

103
00:04:24,070 --> 00:04:23,280
you probably know like my um i consider

104
00:04:26,469 --> 00:04:24,080
myself

105
00:04:28,710 --> 00:04:26,479
sort of a prepper you know and my my

106
00:04:29,749 --> 00:04:28,720
family they have a disaster preparedness

107
00:04:31,670 --> 00:04:29,759
expo

108
00:04:33,670 --> 00:04:31,680
that we run and and so i've been getting

109
00:04:35,350 --> 00:04:33,680
all these phone calls from like

110
00:04:37,430 --> 00:04:35,360
um the new york times interviewed me a

111
00:04:38,790 --> 00:04:37,440
couple weeks ago and they're wondering

112
00:04:40,790 --> 00:04:38,800
like what are preppers thinking about

113
00:04:42,310 --> 00:04:40,800

this and you know what's

114

00:04:43,830 --> 00:04:42,320

what do you think about the the toilet

115

00:04:46,230 --> 00:04:43,840

paper buying and

116

00:04:47,189 --> 00:04:46,240

and then dr phil's show reached out to

117

00:04:49,670 --> 00:04:47,199

me and they

118

00:04:51,909 --> 00:04:49,680

said you know we're thinking of maybe

119

00:04:53,270 --> 00:04:51,919

doing a show on this and then having you

120

00:04:54,870 --> 00:04:53,280

on and

121

00:04:56,629 --> 00:04:54,880

we went back and forth i didn't hear

122

00:04:57,909 --> 00:04:56,639

from him again but it's kind of like

123

00:04:59,270 --> 00:04:57,919

people are

124

00:05:02,469 --> 00:04:59,280

they're kind of off in a thousand

125

00:05:04,550 --> 00:05:02,479

different directions um

126
00:05:05,590 --> 00:05:04,560
knowing that i mean especially people

127
00:05:07,909 --> 00:05:05,600
the news and media

128
00:05:08,950 --> 00:05:07,919
there's stories everywhere but it's

129
00:05:11,029 --> 00:05:08,960
happening like so

130
00:05:12,950 --> 00:05:11,039
fast no one really knows you know where

131
00:05:17,110 --> 00:05:12,960
to stop and focus

132
00:05:21,029 --> 00:05:17,120
it's uh it's very interesting times

133
00:05:23,110 --> 00:05:21,039
yeah it is it's not so crazy anymore

134
00:05:24,230 --> 00:05:23,120
you know there was a time that prepping

135
00:05:27,749 --> 00:05:24,240
seemed pretty crazy

136
00:05:31,270 --> 00:05:27,759
and it's not so crazy anymore

137
00:05:33,830 --> 00:05:31,280
yeah yeah people um i think

138
00:05:35,350 --> 00:05:33,840

you know the ones that your neighbors

139

00:05:37,189 --> 00:05:35,360

that would get made fun of you know

140

00:05:40,550 --> 00:05:37,199

because they had

141

00:05:43,670 --> 00:05:40,560

you know food water guns people are so

142

00:05:47,749 --> 00:05:43,680

like running to the gun stores right now

143

00:05:50,710 --> 00:05:47,759

you know and it's it's just kind of

144

00:05:52,150 --> 00:05:50,720

people waking up to see things that they

145

00:05:54,469 --> 00:05:52,160

never thought they would need

146

00:05:55,430 --> 00:05:54,479

they never thought you know i should

147

00:05:57,909 --> 00:05:55,440

probably get

148

00:06:00,150 --> 00:05:57,919

you know several months worth of food

149

00:06:02,150 --> 00:06:00,160

and toilet paper or whatever

150

00:06:03,749 --> 00:06:02,160

and and so i think this is going to be a

151
00:06:04,950 --> 00:06:03,759
big wake up i think we're going to get

152
00:06:07,350 --> 00:06:04,960
through it

153
00:06:08,070 --> 00:06:07,360
just fine and i think the economy is

154
00:06:12,390 --> 00:06:08,080
going to come back

155
00:06:13,430 --> 00:06:12,400
really strong um because

156
00:06:15,270 --> 00:06:13,440
you know i guess we could talk about

157
00:06:18,629 --> 00:06:15,280
this a little bit but but basically i

158
00:06:25,189 --> 00:06:21,670
i talked to uh uh cousin

159
00:06:27,029 --> 00:06:25,199
who works for um one of the the he used

160
00:06:27,590 --> 00:06:27,039
to work for allied foods right that owns

161
00:06:30,870 --> 00:06:27,600
a lot of

162
00:06:31,189 --> 00:06:30,880
grocery retailers and he explained it to

163
00:06:33,749 --> 00:06:31,199

me

164

00:06:35,830 --> 00:06:33,759

in a pretty simple analogy which which

165

00:06:37,749 --> 00:06:35,840

is the same way i think

166

00:06:39,029 --> 00:06:37,759

you know my optimism for the economy is

167

00:06:41,909 --> 00:06:39,039

that uh

168

00:06:43,990 --> 00:06:41,919

when you have these big distributors

169

00:06:47,189 --> 00:06:44,000

like kroger for example

170

00:06:49,189 --> 00:06:47,199

kroger owns ralph's food for less a ton

171

00:06:51,670 --> 00:06:49,199

of retailer stores

172

00:06:52,790 --> 00:06:51,680

they um they don't have a supply chain

173

00:06:54,790 --> 00:06:52,800

problem with food

174

00:06:55,830 --> 00:06:54,800

the toilet paper and everything this is

175

00:07:00,790 --> 00:06:55,840

a very different

176
00:07:03,830 --> 00:07:02,309
let's say if it was an earthquake a

177
00:07:07,350 --> 00:07:03,840
hurricane

178
00:07:08,390 --> 00:07:07,360
right um that would be something that

179
00:07:12,790 --> 00:07:08,400
might take out

180
00:07:15,189 --> 00:07:12,800
roads electricity

181
00:07:16,070 --> 00:07:15,199
um you know the factories that make this

182
00:07:19,430 --> 00:07:16,080
stuff

183
00:07:21,029 --> 00:07:19,440
all of that's intact and the only reason

184
00:07:24,390 --> 00:07:21,039
we had a shortage is

185
00:07:27,589 --> 00:07:24,400
because of psychological panic buying

186
00:07:30,150 --> 00:07:27,599
right and so people are going out

187
00:07:31,589 --> 00:07:30,160
and buying stuff not to to feed

188
00:07:32,870 --> 00:07:31,599

themselves right now but they're

189

00:07:35,749 --> 00:07:32,880

hoarding

190

00:07:37,749 --> 00:07:35,759

um to fill their pantries and so the

191

00:07:39,189 --> 00:07:37,759

retailers know this and the retailers

192

00:07:39,990 --> 00:07:39,199

could come by and say okay well we're

193

00:07:41,990 --> 00:07:40,000

gonna buy

194

00:07:43,990 --> 00:07:42,000

three times as much toilet paper because

195

00:07:45,430 --> 00:07:44,000

this is what it is selling well

196

00:07:47,589 --> 00:07:45,440

they know that people don't need that

197

00:07:51,029 --> 00:07:47,599

much toilet paper

198

00:07:51,990 --> 00:07:51,039

you know and and uh come a couple weeks

199

00:07:53,589 --> 00:07:52,000

and you've already

200

00:07:55,110 --> 00:07:53,599

probably started to see the shelves fill

201
00:07:57,589 --> 00:07:55,120
up again

202
00:07:59,270 --> 00:07:57,599
you know they're gonna know that um the

203
00:07:59,990 --> 00:07:59,280
demand isn't going to be there and then

204
00:08:03,270 --> 00:08:00,000
they're going to have

205
00:08:05,270 --> 00:08:03,280
all this extra product and they

206
00:08:06,869 --> 00:08:05,280
they can call it shrink you know so that

207
00:08:08,950 --> 00:08:06,879
they're not going to

208
00:08:10,869 --> 00:08:08,960
um they're going to be at a loss so

209
00:08:13,990 --> 00:08:10,879
instead of supplying the

210
00:08:15,510 --> 00:08:14,000
the peak they want to supply the average

211
00:08:17,350 --> 00:08:15,520
and so that's where they're kind of

212
00:08:19,110 --> 00:08:17,360
throttling down customers and saying you

213
00:08:21,749 --> 00:08:19,120

only get one rule

214

00:08:22,710 --> 00:08:21,759

um or whatever one package of toilet

215

00:08:24,629 --> 00:08:22,720

paper

216

00:08:26,309 --> 00:08:24,639

and it's just kind of interesting

217

00:08:28,150 --> 00:08:26,319

because that's like

218

00:08:29,990 --> 00:08:28,160

right now we have a healthy tree we have

219

00:08:33,589 --> 00:08:30,000

the trunk we have the

220

00:08:34,469 --> 00:08:33,599

um the the uh the branches and then the

221

00:08:36,070 --> 00:08:34,479

leaves

222

00:08:37,829 --> 00:08:36,080

which should be the distributors

223

00:08:39,829 --> 00:08:37,839

everything's healthy with this tree

224

00:08:41,509 --> 00:08:39,839

it's not like we suddenly had you know

225

00:08:42,949 --> 00:08:41,519

hundreds of thousands more mouths to

226

00:08:45,670 --> 00:08:42,959

feed in the country

227

00:08:47,269 --> 00:08:45,680

so that's the positive thing um and i

228

00:08:49,190 --> 00:08:47,279

think the economy is the same way

229

00:08:51,430 --> 00:08:49,200

it was it was very healthy right before

230

00:08:54,070 --> 00:08:51,440

this happened but people just decided

231

00:08:56,230 --> 00:08:54,080

not to participate in it right now

232

00:08:58,150 --> 00:08:56,240

you know so i'm not really worried about

233

00:09:01,269 --> 00:08:58,160

that i'm more worried about

234

00:09:04,790 --> 00:09:01,279

when we get in these conspiracy theories

235

00:09:07,269 --> 00:09:04,800

like whoa what did we just do

236

00:09:10,310 --> 00:09:07,279

you know i'm not downplaying this is

237

00:09:12,070 --> 00:09:10,320

just being a flu it's a horrible flu

238

00:09:14,470 --> 00:09:12,080

you know it's a virus that's very

239

00:09:17,110 --> 00:09:14,480

contagious but

240

00:09:18,630 --> 00:09:17,120

um we do know that it really is only

241

00:09:21,190 --> 00:09:18,640

affecting

242

00:09:22,630 --> 00:09:21,200

um statistically the most feeble and

243

00:09:24,150 --> 00:09:22,640

weak and old

244

00:09:25,910 --> 00:09:24,160

you know people that we can take

245

00:09:28,389 --> 00:09:25,920

precautions with

246

00:09:30,790 --> 00:09:28,399

but at the cost of literally gutting our

247

00:09:32,710 --> 00:09:30,800

whole economy the world economy

248

00:09:34,230 --> 00:09:32,720

i think that's going to have far greater

249

00:09:37,190 --> 00:09:34,240

impacts

250

00:09:38,870 --> 00:09:37,200

so it's like okay we learned a lesson

251
00:09:39,350 --> 00:09:38,880
here but what happens when the next one

252
00:09:40,949 --> 00:09:39,360
happens

253
00:09:43,350 --> 00:09:40,959
are we gonna shut down everything like

254
00:09:46,310 --> 00:09:43,360
that again are we gonna try and bail

255
00:09:48,310 --> 00:09:46,320
everybody out again because this we've

256
00:09:50,230 --> 00:09:48,320
never seen this before

257
00:09:52,550 --> 00:09:50,240
you know and so i was thinking about

258
00:09:54,310 --> 00:09:52,560
this when it first started

259
00:09:56,389 --> 00:09:54,320
let's put this in the the perspective of

260
00:09:59,509 --> 00:09:56,399
the alien disclosure

261
00:10:00,470 --> 00:09:59,519
movement right um the brookings

262
00:10:03,509 --> 00:10:00,480
institute

263
00:10:05,190 --> 00:10:03,519

in 1952 commissioned uh

264

00:10:07,269 --> 00:10:05,200

well the cia commissioned the study

265

00:10:08,550 --> 00:10:07,279

through the brookings institute right

266

00:10:10,310 --> 00:10:08,560

and they they come out and they're like

267

00:10:14,150 --> 00:10:10,320

okay well supposedly

268

00:10:16,710 --> 00:10:14,160

let's say we had information that um

269

00:10:18,230 --> 00:10:16,720

that we've been visited by et's okay

270

00:10:19,509 --> 00:10:18,240

what's the best way to handle this and

271

00:10:21,110 --> 00:10:19,519

they did their studies and they come

272

00:10:24,790 --> 00:10:21,120

back and they say

273

00:10:27,590 --> 00:10:24,800

um don't tell the public because

274

00:10:29,509 --> 00:10:27,600

it'll decimate society as we know it

275

00:10:32,470 --> 00:10:29,519

institutions of religion

276

00:10:33,110 --> 00:10:32,480

the economy and and we can't handle it

277

00:10:36,310 --> 00:10:33,120

and so

278

00:10:39,829 --> 00:10:36,320

based on that for the the several

279

00:10:42,389 --> 00:10:39,839

you know or we're going on 70 years now

280

00:10:43,269 --> 00:10:42,399

of that policy being in place that's

281

00:10:46,150 --> 00:10:43,279

what they they

282

00:10:47,750 --> 00:10:46,160

implemented and i thought you know we're

283

00:10:49,910 --> 00:10:47,760

grown up now we're

284

00:10:51,350 --> 00:10:49,920

we've experienced a lot you know we

285

00:10:54,630 --> 00:10:51,360

we've gone through several

286

00:10:56,550 --> 00:10:54,640

you know wars and um we're different

287

00:10:58,230 --> 00:10:56,560

people we can handle it

288

00:11:00,150 --> 00:10:58,240

and then i saw the first week where

289

00:11:01,670 --> 00:11:00,160

people were freaking out with the toilet

290

00:11:04,150 --> 00:11:01,680

paper and stuff

291

00:11:06,230 --> 00:11:04,160

i was like no i don't know that we can i

292

00:11:10,069 --> 00:11:06,240

mean this is a flu that

293

00:11:11,990 --> 00:11:10,079

that like there's people still it's not

294

00:11:13,509 --> 00:11:12,000

like you you just got told that we were

295

00:11:15,350 --> 00:11:13,519

being visited by you know

296

00:11:17,750 --> 00:11:15,360

a dozen alien races and we don't know

297

00:11:21,430 --> 00:11:17,760

what they want

298

00:11:24,310 --> 00:11:21,440

so i i really do worry

299

00:11:26,829 --> 00:11:24,320

for people because i i don't know that

300

00:11:31,670 --> 00:11:26,839

disclosure's ever going to happen

301
00:11:36,310 --> 00:11:35,110
yeah my gosh my i had an interesting

302
00:11:39,110 --> 00:11:36,320
conversation

303
00:11:40,550 --> 00:11:39,120
with some family members and they

304
00:11:43,750 --> 00:11:40,560
basically said

305
00:11:46,710 --> 00:11:43,760
is it obvious that we lived in utah and

306
00:11:47,430 --> 00:11:46,720
maybe it's just by affiliation i we

307
00:11:50,790 --> 00:11:47,440
always had

308
00:11:52,310 --> 00:11:50,800
super full pantries and you know canning

309
00:11:54,470 --> 00:11:52,320
is just kind of a thing it's like

310
00:11:57,110 --> 00:11:54,480
something people do for fun and

311
00:11:58,629 --> 00:11:57,120
you have like you know you just have you

312
00:12:01,910 --> 00:11:58,639
have more

313
00:12:03,509 --> 00:12:01,920

in reserve than usual and and the homes

314

00:12:05,190 --> 00:12:03,519

are built that way they all have like

315

00:12:08,870 --> 00:12:05,200

cold storages

316

00:12:09,110 --> 00:12:08,880

and basements and and you know part of

317

00:12:11,990 --> 00:12:09,120

it

318

00:12:13,430 --> 00:12:12,000

is usually dedicated to food storage and

319

00:12:14,230 --> 00:12:13,440

you just don't know why it's just kind

320

00:12:17,110 --> 00:12:14,240

of the way it is

321

00:12:17,829 --> 00:12:17,120

your neighbor does it so you do it you

322

00:12:20,629 --> 00:12:17,839

know

323

00:12:21,350 --> 00:12:20,639

my dad was lds and my mom wasn't but she

324

00:12:23,590 --> 00:12:21,360

was all

325

00:12:25,110 --> 00:12:23,600

with that plan that made perfect sense

326

00:12:28,870 --> 00:12:25,120

to anybody really

327

00:12:31,190 --> 00:12:28,880

but yeah like living in nevada now

328

00:12:33,509 --> 00:12:31,200

that is to a lot of neighbors that are

329

00:12:35,190 --> 00:12:33,519

just like oh postmates is taking so much

330

00:12:36,949 --> 00:12:35,200

longer than usual

331

00:12:38,710 --> 00:12:36,959

you know they don't have a pantry that's

332

00:12:42,389 --> 00:12:38,720

full and

333

00:12:42,949 --> 00:12:42,399

um but it's it's it's different than

334

00:12:46,310 --> 00:12:42,959

anything

335

00:12:48,710 --> 00:12:46,320

we've seen and i i i think that

336

00:12:50,230 --> 00:12:48,720

like the reality of what our great

337

00:12:52,550 --> 00:12:50,240

grandparents saw

338

00:12:53,350 --> 00:12:52,560

in the great depression complaints are

339

00:12:55,750 --> 00:12:53,360

like you know

340

00:12:57,350 --> 00:12:55,760

netflix you know the bandwidth isn't

341

00:13:00,790 --> 00:12:57,360

really killing it

342

00:13:02,470 --> 00:13:00,800

or postmates is taking right luxury

343

00:13:05,430 --> 00:13:02,480

problems right

344

00:13:05,990 --> 00:13:05,440

and and this is i don't know man this

345

00:13:07,990 --> 00:13:06,000

looks

346

00:13:09,430 --> 00:13:08,000

i it seems like this might take a little

347

00:13:12,550 --> 00:13:09,440

longer than most people would

348

00:13:15,269 --> 00:13:12,560

like it to it already has i think

349

00:13:16,310 --> 00:13:15,279

and i think we're just most people are

350

00:13:18,550 --> 00:13:16,320

just kind of

351

00:13:20,310 --> 00:13:18,560

tired of it you know already and we're

352

00:13:22,069 --> 00:13:20,320

worn down we're just like okay let's get

353

00:13:25,829 --> 00:13:22,079

on with it because

354

00:13:26,150 --> 00:13:25,839

um it's always i think though it's it's

355

00:13:29,509 --> 00:13:26,160

gonna

356

00:13:31,269 --> 00:13:29,519

that intrepidation now though

357

00:13:33,110 --> 00:13:31,279

it's kind of like you've given everyone

358

00:13:35,910 --> 00:13:33,120

a little ptsd

359

00:13:36,629 --> 00:13:35,920

because when when you had katrina and

360

00:13:39,829 --> 00:13:36,639

you have

361

00:13:41,670 --> 00:13:39,839

earthquakes in different cities and

362

00:13:43,670 --> 00:13:41,680

you know it's kind of regional to where

363

00:13:46,470 --> 00:13:43,680

those people remember it for

364

00:13:47,430 --> 00:13:46,480

you know several years to come but this

365

00:13:50,629 --> 00:13:47,440

is the first

366

00:13:53,509 --> 00:13:50,639

global or national um

367

00:13:55,110 --> 00:13:53,519

emergency that most most people have

368

00:13:57,829 --> 00:13:55,120

ever lived through

369

00:13:59,750 --> 00:13:57,839

you know the depression even it was was

370

00:14:02,790 --> 00:13:59,760

really global but

371

00:14:06,790 --> 00:14:02,800

but it's like this this uh

372

00:14:09,910 --> 00:14:06,800

is is just so in your face everywhere

373

00:14:12,310 --> 00:14:09,920

that i think it's going to uh

374

00:14:14,150 --> 00:14:12,320

hopefully be a big eye-opener too like

375

00:14:16,150 --> 00:14:14,160

you said so your neighbor

376

00:14:18,150 --> 00:14:16,160

isn't kind of making fun of and looking

377

00:14:19,509 --> 00:14:18,160

you know with weird glances of the

378

00:14:21,430 --> 00:14:19,519

person who

379

00:14:22,710 --> 00:14:21,440

who has a couple months of food i mean

380

00:14:25,750 --> 00:14:22,720

that's it's so

381

00:14:27,509 --> 00:14:25,760

foreign to so so many people because

382

00:14:29,350 --> 00:14:27,519

they just expect to turn the water on

383

00:14:30,790 --> 00:14:29,360

the water is going to come out or

384

00:14:32,470 --> 00:14:30,800

go to the store there's always going to

385

00:14:33,750 --> 00:14:32,480

be food like someone's there to take

386

00:14:36,550 --> 00:14:33,760

care of me

387

00:14:38,629 --> 00:14:36,560

you know and so they they think it's

388

00:14:39,670 --> 00:14:38,639

funny that other people don't believe

389

00:14:42,949 --> 00:14:39,680

that

390

00:14:44,710 --> 00:14:42,959

and and so i think this is an eye-opener

391

00:14:46,470 --> 00:14:44,720

that industry is going to be booming i

392

00:14:48,069 --> 00:14:46,480

think all industries going to be booming

393

00:14:49,829 --> 00:14:48,079

people are going to be

394

00:14:51,430 --> 00:14:49,839

tired of being cooped up in their house

395

00:14:52,230 --> 00:14:51,440

they're going to walk vacations and all

396

00:14:53,590 --> 00:14:52,240

that but

397

00:14:55,670 --> 00:14:53,600

but first they got to get back to their

398

00:14:58,310 --> 00:14:55,680

jobs you know so

399

00:14:59,590 --> 00:14:58,320

in the midst of all that um you have

400

00:15:01,590 --> 00:14:59,600

some great

401
00:15:04,550 --> 00:15:01,600
news and stuff happening you know in the

402
00:15:07,269 --> 00:15:04,560
ufo world and all that but

403
00:15:09,509 --> 00:15:07,279
it's it's kind of like if let's say the

404
00:15:12,629 --> 00:15:09,519
secret keepers did have

405
00:15:14,629 --> 00:15:12,639
a timeline you know and maybe they were

406
00:15:18,949 --> 00:15:14,639
going to come out and say something like

407
00:15:20,790 --> 00:15:18,959
now is probably not the time to do it

408
00:15:22,710 --> 00:15:20,800
it's like i don't know that that our

409
00:15:24,069 --> 00:15:22,720
economy or the people could handle any

410
00:15:27,110 --> 00:15:24,079
more than they're taking right now

411
00:15:30,150 --> 00:15:27,120
that's exactly right because

412
00:15:33,590 --> 00:15:30,160
it is like wild with

413
00:15:36,550 --> 00:15:33,600

everything coming out that is and

414

00:15:37,509 --> 00:15:36,560

at least in our little neck of the woods

415

00:15:40,870 --> 00:15:37,519

you know there's

416

00:15:43,350 --> 00:15:40,880

a lot of big news and it's

417

00:15:43,990 --> 00:15:43,360

kind of seems like oh my gosh this is

418

00:15:47,509 --> 00:15:44,000

too much

419

00:15:49,269 --> 00:15:47,519

like i i can't i've waited forever for

420

00:15:51,350 --> 00:15:49,279

a lot of this stuff to come out as i

421

00:15:53,110 --> 00:15:51,360

know you have and probably tons of

422

00:15:54,150 --> 00:15:53,120

people have even though there's a few of

423

00:15:57,590 --> 00:15:54,160

us

424

00:15:57,990 --> 00:15:57,600

and it's kind of overshadowed by the

425

00:16:01,590 --> 00:15:58,000

well

426

00:16:03,910 --> 00:16:01,600

it's classified as a pandemic

427

00:16:05,990 --> 00:16:03,920

i think you know like international this

428

00:16:08,550 --> 00:16:06,000

is a kind of a big deal i think a

429

00:16:12,069 --> 00:16:08,560

quarter of the globe is on lockdown

430

00:16:13,350 --> 00:16:12,079

it's a big deal it is

431

00:16:16,069 --> 00:16:13,360

and a lot of people are using this

432

00:16:17,990 --> 00:16:16,079

escape um so we have you know the the

433

00:16:19,910 --> 00:16:18,000

history channel premiere of the the

434

00:16:22,710 --> 00:16:19,920

skinwalker show and

435

00:16:24,230 --> 00:16:22,720

that's tomorrow night i believe and a

436

00:16:26,470 --> 00:16:24,240

lot of them are using this

437

00:16:28,949 --> 00:16:26,480

you know kind of as a time to sit down

438

00:16:31,509 --> 00:16:28,959

and watch their favorite tv shows

439

00:16:32,470 --> 00:16:31,519

kind of have it as an escape in fact in

440

00:16:35,269 --> 00:16:32,480

italy

441

00:16:35,990 --> 00:16:35,279

when they locked down tv numbers were

442

00:16:38,389 --> 00:16:36,000

incredible

443

00:16:39,030 --> 00:16:38,399

they were the ratings were insane

444

00:16:41,910 --> 00:16:39,040

because

445

00:16:44,550 --> 00:16:41,920

people um typically even like in

446

00:16:45,829 --> 00:16:44,560

depressions and stuff the movies do well

447

00:16:48,389 --> 00:16:45,839

you know they can't do anything with

448

00:16:49,990 --> 00:16:48,399

movies so what are they going to do well

449

00:16:53,189 --> 00:16:50,000

you and i probably aren't watching much

450

00:16:55,430 --> 00:16:53,199

tv we're probably busy at work

451
00:16:56,470 --> 00:16:55,440
and doing doing a bunch of other things

452
00:16:59,990 --> 00:16:56,480
but

453
00:17:02,870 --> 00:17:00,000
um that sounds an error to me um

454
00:17:04,390 --> 00:17:02,880
but i'm saying that the average person

455
00:17:06,470 --> 00:17:04,400
let's say who clocks in

456
00:17:08,069 --> 00:17:06,480
let's put it that way the average person

457
00:17:10,470 --> 00:17:08,079
who clocks in

458
00:17:13,429 --> 00:17:10,480
you know and goes to a job and nine to

459
00:17:15,189 --> 00:17:13,439
five and comes home

460
00:17:16,549 --> 00:17:15,199
if they're not working remotely right

461
00:17:17,510 --> 00:17:16,559
now they've got a lot of time on their

462
00:17:19,909 --> 00:17:17,520
hands

463
00:17:22,549 --> 00:17:19,919

those who are self-employed i guess is a

464

00:17:25,110 --> 00:17:22,559

better way to say it

465

00:17:25,990 --> 00:17:25,120

we're using this time to to figure out

466

00:17:28,710 --> 00:17:26,000

our next move

467

00:17:29,830 --> 00:17:28,720

you know and we're probably incredibly

468

00:17:32,870 --> 00:17:29,840

busy

469

00:17:35,590 --> 00:17:32,880

doing that and so it's uh

470

00:17:36,070 --> 00:17:35,600

um it's it's a new world we're living in

471

00:17:38,150 --> 00:17:36,080

i mean

472

00:17:39,990 --> 00:17:38,160

one thing i guess is great is that this

473

00:17:43,110 --> 00:17:40,000

will probably push a lot of

474

00:17:45,430 --> 00:17:43,120

companies to see that their their

475

00:17:47,029 --> 00:17:45,440

employees can work from home there's

476

00:17:49,350 --> 00:17:47,039

like

477

00:17:51,110 --> 00:17:49,360

you know a lot of jobs that can be done

478

00:17:52,789 --> 00:17:51,120

remotely where they thought you had to

479

00:17:55,590 --> 00:17:52,799

have that facetime and

480

00:17:57,510 --> 00:17:55,600

actually be in the office all the time

481

00:18:01,110 --> 00:17:57,520

and i think we're saying

482

00:18:01,990 --> 00:18:01,120

we've got zoom we check in you trust me

483

00:18:03,830 --> 00:18:02,000

i'll do my work

484

00:18:05,990 --> 00:18:03,840

you know it's kind of like things are

485

00:18:09,110 --> 00:18:06,000

changing there too

486

00:18:11,590 --> 00:18:09,120

zoom is amazing i you know that's

487

00:18:14,390 --> 00:18:11,600

it's it's like what my wife is doing in

488

00:18:17,110 --> 00:18:14,400

the kitchen right now and

489

00:18:17,510 --> 00:18:17,120

it's pretty impressive i'm like holy cow

490

00:18:21,350 --> 00:18:17,520

this

491

00:18:24,870 --> 00:18:21,360

is easy and i think like you said

492

00:18:27,430 --> 00:18:24,880

completely realizing that

493

00:18:28,070 --> 00:18:27,440

very much if not more can be done from

494

00:18:29,430 --> 00:18:28,080

home

495

00:18:31,110 --> 00:18:29,440

just because they're everybody's cutting

496

00:18:33,750 --> 00:18:31,120

to the chase

497

00:18:35,270 --> 00:18:33,760

you know yeah the formalities the water

498

00:18:35,909 --> 00:18:35,280

coolers out the window you know what i

499

00:18:38,630 --> 00:18:35,919

mean

500

00:18:39,590 --> 00:18:38,640

the formal yeah and and work is just

501
00:18:41,830 --> 00:18:39,600
getting done

502
00:18:44,070 --> 00:18:41,840
at a quick rate and like the essential

503
00:18:47,830 --> 00:18:44,080
employees are

504
00:18:50,390 --> 00:18:47,840
being utilized i agree and

505
00:18:51,990 --> 00:18:50,400
self-employed is already like whoa like

506
00:18:53,750 --> 00:18:52,000
holy cow you realize it's like you

507
00:18:56,549 --> 00:18:53,760
against the world all of a sudden

508
00:18:58,470 --> 00:18:56,559
and um it's good stuff though i'm sure

509
00:19:01,669 --> 00:18:58,480
it's gonna get better

510
00:19:03,350 --> 00:19:01,679
but on the paranormal front the you know

511
00:19:06,870 --> 00:19:03,360
there's a lot going on you've been

512
00:19:10,070 --> 00:19:06,880
uh doing a lot as well as i

513
00:19:11,990 --> 00:19:10,080

portals to hell is killing it um

514

00:19:14,470 --> 00:19:12,000

vice just came out with an interesting

515

00:19:16,710 --> 00:19:14,480

article about the united basin

516

00:19:18,070 --> 00:19:16,720

there's a lot a lot going on right they

517

00:19:21,110 --> 00:19:18,080

did they did i do that

518

00:19:23,510 --> 00:19:21,120

yeah yeah um i

519

00:19:24,470 --> 00:19:23,520

i thought that was a great article and

520

00:19:26,549 --> 00:19:24,480

uh

521

00:19:27,750 --> 00:19:26,559

and everybody forgot about epstein but i

522

00:19:30,950 --> 00:19:27,760

mean who can blame him

523

00:19:34,750 --> 00:19:30,960

you know it's like the

524

00:19:36,470 --> 00:19:34,760

uh but like the the amount of

525

00:19:40,390 --> 00:19:36,480

conspiracies it's like a

526

00:19:42,070 --> 00:19:40,400

tidal wave of and the scary thing is

527

00:19:43,669 --> 00:19:42,080

some of them check out which you're like

528

00:19:47,270 --> 00:19:43,679

oh no back away

529

00:19:48,710 --> 00:19:47,280

and um at least initially and then you

530

00:19:49,190 --> 00:19:48,720

look into them and a lot of them fall

531

00:19:52,230 --> 00:19:49,200

apart

532

00:19:53,110 --> 00:19:52,240

but there's there's a lot going on as

533

00:19:55,830 --> 00:19:53,120

far as that

534

00:19:57,190 --> 00:19:55,840

in the conspiracy world what's going on

535

00:20:00,950 --> 00:19:57,200

i don't i know you can't talk

536

00:20:04,870 --> 00:20:00,960

much about tv in that however

537

00:20:07,909 --> 00:20:04,880

um you had a little bit to do

538

00:20:11,029 --> 00:20:07,919

with at least the idea of

539

00:20:13,590 --> 00:20:11,039

possibly having if i'm not mistaken that

540

00:20:15,350 --> 00:20:13,600

i could be way off base or a tv show

541

00:20:18,630 --> 00:20:15,360

about skinwalker

542

00:20:20,230 --> 00:20:18,640

or at least the area yeah so it's kind

543

00:20:23,669 --> 00:20:20,240

of an interesting thing that

544

00:20:25,750 --> 00:20:23,679

how that came about um my own tv

545

00:20:27,990 --> 00:20:25,760

projects i can say i'm involved in some

546

00:20:30,630 --> 00:20:28,000

things right now that um

547

00:20:32,710 --> 00:20:30,640

that we hope soon to be able to announce

548

00:20:36,070 --> 00:20:32,720

really exciting stuff

549

00:20:38,470 --> 00:20:36,080

um i can't say for who or what but um

550

00:20:40,070 --> 00:20:38,480

we're we're currently you know filming

551
00:20:40,630 --> 00:20:40,080
and doing some things and so that will

552
00:20:44,470 --> 00:20:40,640
be really

553
00:20:48,070 --> 00:20:44,480
fun but um what happened with this

554
00:20:50,070 --> 00:20:48,080
um skinwalker ranch show that's i keep

555
00:20:52,310 --> 00:20:50,080
forgetting the exact title on history

556
00:20:54,870 --> 00:20:52,320
why do i keep forgetting it

557
00:20:56,870 --> 00:20:54,880
um it's not called the history of

558
00:20:58,630 --> 00:20:56,880
skinwalker it's the mystery mystery skin

559
00:21:02,630 --> 00:20:58,640
walk ranch okay

560
00:21:03,990 --> 00:21:02,640
so um way back it's probably been about

561
00:21:07,350 --> 00:21:04,000
two years ago

562
00:21:10,630 --> 00:21:07,360
um there was there were a couple of

563
00:21:12,310 --> 00:21:10,640

producers had reached out to me i didn't

564

00:21:14,630 --> 00:21:12,320

really

565

00:21:15,990 --> 00:21:14,640

i don't believe i'd ever talk to them

566

00:21:17,830 --> 00:21:16,000

maybe we had some

567

00:21:20,149 --> 00:21:17,840

some connections here there somewhere

568

00:21:20,950 --> 00:21:20,159

but you know they said hey we love your

569

00:21:23,590 --> 00:21:20,960

work

570

00:21:25,270 --> 00:21:23,600

just wanted to chat with you and see if

571

00:21:27,510 --> 00:21:25,280

you had any ideas of

572

00:21:28,710 --> 00:21:27,520

we're looking at doing a new sort of a

573

00:21:31,110 --> 00:21:28,720

paranormal show

574

00:21:33,190 --> 00:21:31,120

and they wanted to do something that was

575

00:21:36,549 --> 00:21:33,200

similar to oak island

576

00:21:38,390 --> 00:21:36,559

you know where um the the whole

577

00:21:39,750 --> 00:21:38,400

the show series revolves around a

578

00:21:41,750 --> 00:21:39,760

specific location and

579

00:21:42,870 --> 00:21:41,760

they can stay in and all sorts of things

580

00:21:44,549 --> 00:21:42,880

are happening

581

00:21:46,630 --> 00:21:44,559

i said oh so you want like a hot spot

582

00:21:49,830 --> 00:21:46,640

area like yeah

583

00:21:52,149 --> 00:21:49,840

so i and they're like you know we maybe

584

00:21:54,789 --> 00:21:52,159

want to produce with you and

585

00:21:57,510 --> 00:21:54,799

consult or have you you know be um host

586

00:22:01,350 --> 00:21:57,520

on the show and toss around ideas and so

587

00:22:04,549 --> 00:22:01,360

you know i get a lot of these calls and

588

00:22:06,230 --> 00:22:04,559

um i i looked up you know what these

589

00:22:09,190 --> 00:22:06,240

guys credentials were and they

590

00:22:11,750 --> 00:22:09,200

did a lot of good tv and i said okay

591

00:22:14,710 --> 00:22:11,760

well let's toss around some ideas

592

00:22:15,029 --> 00:22:14,720

and i i gave them probably about i don't

593

00:22:18,310 --> 00:22:15,039

know

594

00:22:19,750 --> 00:22:18,320

five or six different hot spot locations

595

00:22:20,789 --> 00:22:19,760

and i said you know guys but the number

596

00:22:23,990 --> 00:22:20,799

one

597

00:22:26,549 --> 00:22:24,000

is skinwalker ranch i said but you're

598

00:22:28,710 --> 00:22:26,559

you're not gonna get there i said i have

599

00:22:30,549 --> 00:22:28,720

a buddy of mine

600

00:22:31,830 --> 00:22:30,559

i said he this is before you bought the

601
00:22:35,430 --> 00:22:31,840
property

602
00:22:37,830 --> 00:22:35,440
and i said i have a buddy who has um

603
00:22:39,990 --> 00:22:37,840
a bed and breakfast and some some stuff

604
00:22:41,669 --> 00:22:40,000
some land out nearby there and i tried

605
00:22:43,510 --> 00:22:41,679
to explain to them that it is the whole

606
00:22:46,230 --> 00:22:43,520
uh basin

607
00:22:47,110 --> 00:22:46,240
that has activity i said but the actual

608
00:22:50,470 --> 00:22:47,120
ranch was

609
00:22:52,390 --> 00:22:50,480
purchased by some new owners

610
00:22:54,870 --> 00:22:52,400
and i said they they want to remain

611
00:22:58,310 --> 00:22:54,880
anonymous they have um

612
00:23:02,070 --> 00:22:58,320
an llc name you know protecting them

613
00:23:03,830 --> 00:23:02,080

but no contact info and i said you're

614

00:23:05,590 --> 00:23:03,840

you're really not gonna be able to get

615

00:23:07,270 --> 00:23:05,600

all these guys

616

00:23:08,549 --> 00:23:07,280

and i said oh that's too bad because

617

00:23:10,789 --> 00:23:08,559

that would be really cool i said well

618

00:23:13,029 --> 00:23:10,799

look i can reach out to george knapp

619

00:23:15,669 --> 00:23:13,039

i said because i know he knows them i

620

00:23:18,870 --> 00:23:15,679

know he's doing a documentary on it

621

00:23:21,029 --> 00:23:18,880

and we'll see so i

622

00:23:22,310 --> 00:23:21,039

emailed george and he got back to me and

623

00:23:25,110 --> 00:23:22,320

he's like

624

00:23:26,070 --> 00:23:25,120

he said yeah um the new owners aren't

625

00:23:28,070 --> 00:23:26,080

interested

626
00:23:29,110 --> 00:23:28,080
in in doing anything with that i said

627
00:23:32,310 --> 00:23:29,120
work he said i'm

628
00:23:32,789 --> 00:23:32,320
finishing up my documentary so he said

629
00:23:36,630 --> 00:23:32,799
i'm not

630
00:23:39,830 --> 00:23:36,640
to be doing anything more

631
00:23:40,950 --> 00:23:39,840
with skinwalker rants and so i said okay

632
00:23:43,990 --> 00:23:40,960
and i told them

633
00:23:46,470 --> 00:23:44,000
so whatever so i i kind of take some

634
00:23:47,669 --> 00:23:46,480
credit for planting the seed there

635
00:23:50,789 --> 00:23:47,679
they get all the credit for the

636
00:23:52,630 --> 00:23:50,799
dedication because what they did

637
00:23:53,830 --> 00:23:52,640
i don't know like they must have just

638
00:23:56,870 --> 00:23:53,840

gone through

639

00:23:58,789 --> 00:23:56,880

llc paperwork and stuff and and found

640

00:24:02,070 --> 00:23:58,799

some contact information

641

00:24:03,350 --> 00:24:02,080

they got a hold of who we we know now is

642

00:24:07,029 --> 00:24:03,360

really the owner

643

00:24:09,190 --> 00:24:07,039

not a group owner and

644

00:24:12,789 --> 00:24:09,200

they kept bugging him and bugging him

645

00:24:15,750 --> 00:24:12,799

and so now fast forward

646

00:24:17,510 --> 00:24:15,760

to last summer and i had a mutual have a

647

00:24:20,310 --> 00:24:17,520

mutual friend

648

00:24:21,510 --> 00:24:20,320

um who who runs the salt lake comic con

649

00:24:24,630 --> 00:24:21,520

dan far

650

00:24:27,830 --> 00:24:24,640

and dan calls me up and

651

00:24:31,029 --> 00:24:27,840

i i remember i was i was out at

652

00:24:32,710 --> 00:24:31,039

dinner with my family he says hey

653

00:24:34,789 --> 00:24:32,720

are you still interested in skinwalker

654

00:24:36,070 --> 00:24:34,799

manchester yeah and he goes i might have

655

00:24:38,470 --> 00:24:36,080

something for you

656

00:24:39,909 --> 00:24:38,480

he said what he goes well i know

657

00:24:43,190 --> 00:24:39,919

somebody who represents

658

00:24:44,710 --> 00:24:43,200

has connections with them and um

659

00:24:46,149 --> 00:24:44,720

he might want to meet you i mentioned

660

00:24:47,669 --> 00:24:46,159

your name and all this stuff and he's

661

00:24:49,350 --> 00:24:47,679

heard of you and

662

00:24:51,350 --> 00:24:49,360

he said really and he says yeah give me

663

00:24:54,070 --> 00:24:51,360

a call when you get into town next

664

00:24:55,190 --> 00:24:54,080

so that's how it started so next time i

665

00:24:58,310 --> 00:24:55,200

was in town

666

00:25:01,669 --> 00:24:58,320

up in utah i i met with dan

667

00:25:02,470 --> 00:25:01,679

and we went up to we now know is the

668

00:25:06,470 --> 00:25:02,480

office of

669

00:25:09,510 --> 00:25:06,480

brandon fogle you know with um

670

00:25:12,390 --> 00:25:09,520

the uh the real estate coldwell um

671

00:25:14,310 --> 00:25:12,400

investors uh a commercial real estate

672

00:25:16,070 --> 00:25:14,320

firm and

673

00:25:17,669 --> 00:25:16,080

uh went up to the high rise building

674

00:25:20,789 --> 00:25:17,679

downtown

675

00:25:22,230 --> 00:25:20,799

and so he didn't tell me at first how he

676
00:25:24,230 --> 00:25:22,240
was involved

677
00:25:25,890 --> 00:25:24,240
but it was really funny because brandon

678
00:25:27,029 --> 00:25:25,900
is a really nice guy

679
00:25:30,149 --> 00:25:27,039
[Music]

680
00:25:32,310 --> 00:25:30,159
he very generous with his time

681
00:25:34,789 --> 00:25:32,320
he's very very busy but he sat down and

682
00:25:37,750 --> 00:25:34,799
spent like three hours

683
00:25:38,630 --> 00:25:37,760
with me you know dan had to leave but

684
00:25:40,870 --> 00:25:38,640
three hours

685
00:25:41,990 --> 00:25:40,880
bringing me up to speed on everything

686
00:25:44,950 --> 00:25:42,000
that has taken place

687
00:25:47,750 --> 00:25:44,960
with the ranch with them giving

688
00:25:50,070 --> 00:25:47,760

presentations to the government on it

689

00:25:51,350 --> 00:25:50,080

um all these different things and and he

690

00:25:53,750 --> 00:25:51,360

said

691

00:25:55,190 --> 00:25:53,760

before this all that happened though

692

00:25:56,870 --> 00:25:55,200

we're in the board meeting room and he

693

00:25:59,590 --> 00:25:56,880

says to me

694

00:26:01,269 --> 00:25:59,600

so yeah um you know what's we're just

695

00:26:02,230 --> 00:26:01,279

talking about my interest in it and

696

00:26:06,070 --> 00:26:02,240

everything

697

00:26:09,350 --> 00:26:06,080

i said hold on a second and by this time

698

00:26:10,549 --> 00:26:09,360

the um the jeremy corbell documentary

699

00:26:12,549 --> 00:26:10,559

come out

700

00:26:13,909 --> 00:26:12,559

and i watched it and you know the part

701
00:26:16,230 --> 00:26:13,919
where they're interviewing the owner

702
00:26:17,990 --> 00:26:16,240
using silhouette right

703
00:26:19,350 --> 00:26:18,000
and if you went online there's all these

704
00:26:21,750 --> 00:26:19,360
conspiracies

705
00:26:23,590 --> 00:26:21,760
like people trying to figure out his

706
00:26:26,390 --> 00:26:23,600
watch you know who's watched

707
00:26:29,510 --> 00:26:26,400
who who wears this and is it is it tony

708
00:26:33,830 --> 00:26:29,520
robbins is it this is the guy who loves

709
00:26:35,990 --> 00:26:33,840
rant and it was like

710
00:26:37,350 --> 00:26:36,000
um i looked at him though and i kind of

711
00:26:39,350 --> 00:26:37,360
remember the silhouette everything that

712
00:26:41,990 --> 00:26:39,360
was talking i said hold on a second

713
00:26:42,950 --> 00:26:42,000

you're the guy aren't you and he's like

714

00:26:45,510 --> 00:26:42,960

what i said you're

715

00:26:46,870 --> 00:26:45,520

you own the ranch you're gonna tell me

716

00:26:47,909 --> 00:26:46,880

you have a connection if you own it it's

717

00:26:51,350 --> 00:26:47,919

like

718

00:26:53,990 --> 00:26:51,360

here's yep and he goes so there's only a

719

00:26:56,149 --> 00:26:54,000

small circle people who

720

00:26:57,750 --> 00:26:56,159

by this time you probably even knew who

721

00:26:59,029 --> 00:26:57,760

he was so i found out the circle wasn't

722

00:27:02,789 --> 00:26:59,039

that small

723

00:27:06,390 --> 00:27:02,799

but um he said you know like

724

00:27:08,950 --> 00:27:06,400

please you know keep it in confidence

725

00:27:10,149 --> 00:27:08,960

and um i don't want my name to be out

726
00:27:12,789 --> 00:27:10,159
there because

727
00:27:14,149 --> 00:27:12,799
the connection he was afraid of you know

728
00:27:16,470 --> 00:27:14,159
with his commercial

729
00:27:17,190 --> 00:27:16,480
real estate and that people may not

730
00:27:20,070 --> 00:27:17,200
understand

731
00:27:20,549 --> 00:27:20,080
his obsession with all this stuff and so

732
00:27:24,230 --> 00:27:20,559
he

733
00:27:26,149 --> 00:27:24,240
[Music]

734
00:27:27,830 --> 00:27:26,159
i couldn't even i felt like i'm really

735
00:27:29,110 --> 00:27:27,840
loyal when people tell me things like

736
00:27:32,710 --> 00:27:29,120
that

737
00:27:34,710 --> 00:27:32,720
and um so he had

738
00:27:36,549 --> 00:27:34,720

he told me some people though that he

739

00:27:38,870 --> 00:27:36,559
was working with and he kind of

740

00:27:39,909 --> 00:27:38,880
gave me a list of his consultants you

741

00:27:43,269 --> 00:27:39,919
know and

742

00:27:45,110 --> 00:27:43,279
you and i know like 80 90 of the people

743

00:27:47,669 --> 00:27:45,120
on that list

744

00:27:49,430 --> 00:27:47,679
but i couldn't call them up and say hey

745

00:27:51,029 --> 00:27:49,440
guess who i met with

746

00:27:52,470 --> 00:27:51,039
because i didn't even want them to know

747

00:27:56,389 --> 00:27:52,480
that i knew that i knew

748

00:27:58,549 --> 00:27:56,399
and you know like and and so it was like

749

00:27:59,990 --> 00:27:58,559
just kind of held on to that for quite a

750

00:28:03,029 --> 00:28:00,000
while

751
00:28:05,750 --> 00:28:03,039
and um then uh

752
00:28:06,389 --> 00:28:05,760
he showed me the sizzle reel that he

753
00:28:08,710 --> 00:28:06,399
says well

754
00:28:10,549 --> 00:28:08,720
i said look i've never thought about

755
00:28:12,870 --> 00:28:10,559
doing a tv show with this i said because

756
00:28:15,190 --> 00:28:12,880
you know that i work in gp and he's like

757
00:28:17,830 --> 00:28:15,200
well actually we've been working with

758
00:28:20,149 --> 00:28:17,840
these guys with a history channel

759
00:28:21,990 --> 00:28:20,159
i said what are their names and he told

760
00:28:22,630 --> 00:28:22,000
me that the names of the two producers i

761
00:28:25,750 --> 00:28:22,640
said

762
00:28:28,230 --> 00:28:25,760
whoa are you serious they found you

763
00:28:29,830 --> 00:28:28,240

these are the guys and it was the same

764

00:28:32,870 --> 00:28:29,840

people that

765

00:28:34,070 --> 00:28:32,880

had spoken to me months earlier so they

766

00:28:37,669 --> 00:28:34,080

found him

767

00:28:40,549 --> 00:28:37,679

they were um you know very diligent and

768

00:28:45,029 --> 00:28:40,559

seeking him out and so long story short

769

00:28:45,430 --> 00:28:45,039

um i i could say that the sizzle reel

770

00:28:53,990 --> 00:28:45,440

was

771

00:28:55,590 --> 00:28:54,000

you know like uh brandon fugle for

772

00:28:57,510 --> 00:28:55,600

we i don't know if we said his name but

773

00:28:59,909 --> 00:28:57,520

of course it's out now

774

00:29:01,190 --> 00:28:59,919

he wanted it to be a little more creepy

775

00:29:03,269 --> 00:29:01,200

and represent

776

00:29:04,950 --> 00:29:03,279

exactly this type of things that have

777

00:29:07,590 --> 00:29:04,960

been happening out there

778

00:29:09,750 --> 00:29:07,600

because it is there's so many kind of

779

00:29:11,669 --> 00:29:09,760

weird and freaky things

780

00:29:13,750 --> 00:29:11,679

the sizzle reel was a little bit maybe

781

00:29:15,269 --> 00:29:13,760

too happy and to kind of like

782

00:29:17,909 --> 00:29:15,279

you know don't don't know where out here

783

00:29:20,149 --> 00:29:17,919

on the ranch sort of thing

784

00:29:21,350 --> 00:29:20,159

and i said well these guys make great tv

785

00:29:22,789 --> 00:29:21,360

i'm sure they'll tweak it and do

786

00:29:26,070 --> 00:29:22,799

whatever

787

00:29:27,510 --> 00:29:26,080

but i'm kind of bummed that i didn't

788

00:29:30,389 --> 00:29:27,520

have

789

00:29:32,310 --> 00:29:30,399

the diligence at the time to seek him

790

00:29:35,830 --> 00:29:32,320

out myself

791

00:29:37,110 --> 00:29:35,840

but also that um these guys now had it

792

00:29:39,750 --> 00:29:37,120

figured out and

793

00:29:41,350 --> 00:29:39,760

you know it kind of wasn't part of the

794

00:29:43,669 --> 00:29:41,360

party anymore because i think it would

795

00:29:46,470 --> 00:29:43,679

have been a great show to work on

796

00:29:47,990 --> 00:29:46,480

but even they as they started into it

797

00:29:50,950 --> 00:29:48,000

history channel realized

798

00:29:51,909 --> 00:29:50,960

they wanted um and not to put them down

799

00:29:53,590 --> 00:29:51,919

at all

800

00:29:55,269 --> 00:29:53,600

because they've made some some good

801
00:29:57,430 --> 00:29:55,279
shows on their own but

802
00:29:59,590 --> 00:29:57,440
they wanted the backing of even a bigger

803
00:30:03,590 --> 00:29:59,600
company that does this stuff

804
00:30:05,510 --> 00:30:03,600
and so um they had them go back to

805
00:30:08,149 --> 00:30:05,520
someone else that this producer had

806
00:30:10,710 --> 00:30:08,159
worked for which is prometheus and

807
00:30:13,110 --> 00:30:10,720
prometheus is owned by kevin burns

808
00:30:15,110 --> 00:30:13,120
and he's like old school hollywood and

809
00:30:18,630 --> 00:30:15,120
the time i met with him in his office

810
00:30:21,269 --> 00:30:18,640
he said he's such a character and

811
00:30:22,630 --> 00:30:21,279
um so this happened after my meeting

812
00:30:23,990 --> 00:30:22,640
with brandon

813
00:30:28,149 --> 00:30:24,000

anyways i don't think it's interesting

814

00:30:32,070 --> 00:30:28,159

people but the way it comes about

815

00:30:33,990 --> 00:30:32,080

is that um they now have this other

816

00:30:37,190 --> 00:30:34,000

company producing it

817

00:30:39,350 --> 00:30:37,200

and they come in and and

818

00:30:40,870 --> 00:30:39,360

really big budgets history's totally

819

00:30:43,830 --> 00:30:40,880

behind it now

820

00:30:45,350 --> 00:30:43,840

i think their whole goal is to get

821

00:30:46,230 --> 00:30:45,360

people who've never heard of this

822

00:30:48,870 --> 00:30:46,240

because you and i

823

00:30:51,909 --> 00:30:48,880

especially you just have property there

824

00:30:53,669 --> 00:30:51,919

but we are nerds right we're real geeks

825

00:30:56,230 --> 00:30:53,679

and we've known about

826
00:30:56,710 --> 00:30:56,240
the skinwalker ranch and about that area

827
00:31:00,310 --> 00:30:56,720
for

828
00:31:02,630 --> 00:31:00,320
decades um the general public

829
00:31:04,070 --> 00:31:02,640
is only barely starting to hear about it

830
00:31:07,830 --> 00:31:04,080
this is like

831
00:31:09,990 --> 00:31:07,840
when area 51 was not a household name

832
00:31:12,710 --> 00:31:10,000
you know and and i think this could be a

833
00:31:15,830 --> 00:31:12,720
household name pretty soon

834
00:31:18,549 --> 00:31:15,840
so it's kind of only within our circles

835
00:31:20,230 --> 00:31:18,559
but when area 51 broke out and everyone

836
00:31:23,190 --> 00:31:20,240
knows what it is

837
00:31:23,990 --> 00:31:23,200
i think that has this potential and that

838
00:31:27,350 --> 00:31:24,000

could be good

839

00:31:30,389 --> 00:31:27,360

it could be bad you know good

840

00:31:31,350 --> 00:31:30,399

because i think whatever's happening

841

00:31:33,830 --> 00:31:31,360

there

842

00:31:35,669 --> 00:31:33,840

the more eyes we have the more theories

843

00:31:37,590 --> 00:31:35,679

we have

844

00:31:39,269 --> 00:31:37,600

there's going to be similar hot spot

845

00:31:40,230 --> 00:31:39,279

areas in the world that we can compare

846

00:31:42,950 --> 00:31:40,240

to

847

00:31:44,149 --> 00:31:42,960

and we can learn from it bad of course

848

00:31:45,990 --> 00:31:44,159

because

849

00:31:47,430 --> 00:31:46,000

we don't want it to be a total tourist

850

00:31:49,350 --> 00:31:47,440

attraction

851
00:31:50,950 --> 00:31:49,360
we don't want people trespassing and

852
00:31:52,870 --> 00:31:50,960
interfering

853
00:31:53,990 --> 00:31:52,880
um you know and it's like your

854
00:31:57,830 --> 00:31:54,000
property's right there

855
00:32:02,070 --> 00:31:57,840
yours is gonna get overrun as well

856
00:32:04,549 --> 00:32:02,080
so you know i don't that's

857
00:32:05,590 --> 00:32:04,559
i i think though the genre and that

858
00:32:10,549 --> 00:32:05,600
subject matter

859
00:32:13,430 --> 00:32:10,559
is just barely getting into the uh

860
00:32:14,630 --> 00:32:13,440
the the public now and so it's gonna be

861
00:32:17,990 --> 00:32:14,640
pretty big

862
00:32:21,350 --> 00:32:18,000
it's huge news very huge news

863
00:32:24,149 --> 00:32:21,360

it's it's a big deal and

864

00:32:26,549 --> 00:32:24,159

it's not just that the owner came out

865

00:32:29,990 --> 00:32:26,559

who just happens to be kind of like

866

00:32:33,190 --> 00:32:30,000

bruce wayne and but

867

00:32:34,950 --> 00:32:33,200

you know there is you know it gets

868

00:32:36,710 --> 00:32:34,960

better than that there's there's all

869

00:32:40,630 --> 00:32:36,720

kinds of stuff going on

870

00:32:43,190 --> 00:32:40,640

and um the timing is just wild

871

00:32:43,990 --> 00:32:43,200

so i i can't wait to see it when it

872

00:32:47,029 --> 00:32:44,000

comes out

873

00:32:48,549 --> 00:32:47,039

and it's going to be interesting

874

00:32:50,789 --> 00:32:48,559

what what do you think about all the

875

00:32:54,630 --> 00:32:50,799

conspiracies going on right now

876

00:32:57,430 --> 00:32:54,640

with this virus and

877

00:32:58,310 --> 00:32:57,440

uh oh they're really just all over the

878

00:33:01,430 --> 00:32:58,320

map

879

00:33:03,430 --> 00:33:01,440

well and that's the problem because the

880

00:33:05,430 --> 00:33:03,440

news is coming out and changing so

881

00:33:09,190 --> 00:33:05,440

rapidly it's kind of hard to

882

00:33:12,389 --> 00:33:09,200

stop and have the time to

883

00:33:13,269 --> 00:33:12,399

to research each conspiracy i could say

884

00:33:15,750 --> 00:33:13,279

nothing really

885

00:33:18,470 --> 00:33:15,760

surprises me anymore i wouldn't be

886

00:33:19,110 --> 00:33:18,480

surprised if this was a weaponized virus

887

00:33:23,750 --> 00:33:19,120

that was

888

00:33:25,669 --> 00:33:23,760

man-made that you know maybe had escaped

889

00:33:27,269 --> 00:33:25,679

their trying out purposely

890

00:33:28,870 --> 00:33:27,279

i don't i find that a little hard to

891

00:33:31,990 --> 00:33:28,880

believe though

892

00:33:34,789 --> 00:33:32,000

that they would unleash this to destroy

893

00:33:36,630 --> 00:33:34,799

our economy as well because they they

894

00:33:39,509 --> 00:33:36,640

rely on our economy

895

00:33:40,950 --> 00:33:39,519

yeah we owe them billions of dollars but

896

00:33:42,870 --> 00:33:40,960

if we're not producing

897

00:33:45,110 --> 00:33:42,880

they're not getting paid back you know

898

00:33:48,630 --> 00:33:45,120

so some of these

899

00:33:51,350 --> 00:33:48,640

conspiracies make no sense um

900

00:33:52,310 --> 00:33:51,360

you know a new world order okay we're

901
00:33:54,710 --> 00:33:52,320
going to

902
00:33:57,110 --> 00:33:54,720
reset everything so that the the

903
00:33:57,350 --> 00:33:57,120
government has to provide our security

904
00:34:04,149 --> 00:33:57,360
and

905
00:34:06,870 --> 00:34:04,159
the way i see this happening though

906
00:34:07,509 --> 00:34:06,880
is that it kind of whatever however it

907
00:34:09,750 --> 00:34:07,519
started

908
00:34:11,109 --> 00:34:09,760
it got out of control surprised so many

909
00:34:14,629 --> 00:34:11,119
people

910
00:34:17,510 --> 00:34:14,639
about um not just the actual

911
00:34:19,030 --> 00:34:17,520
physical threat but the psychological

912
00:34:22,069 --> 00:34:19,040
threat

913
00:34:26,710 --> 00:34:22,079

the the instability because i think

914

00:34:31,190 --> 00:34:26,720

um we live in a world of fragile people

915

00:34:33,829 --> 00:34:31,200

i guess you could call it people who

916

00:34:34,950 --> 00:34:33,839

that haven't honestly seen many hard

917

00:34:36,310 --> 00:34:34,960

times

918

00:34:38,869 --> 00:34:36,320

compared to like you mentioned the

919

00:34:42,310 --> 00:34:38,879

depression and the war and everything

920

00:34:45,030 --> 00:34:42,320

and they they've kind of been coddled

921

00:34:46,069 --> 00:34:45,040

and you know lived in this world where

922

00:34:47,990 --> 00:34:46,079

they just

923

00:34:50,069 --> 00:34:48,000

really become entitled and think things

924

00:34:52,389 --> 00:34:50,079

are just going to be there and that

925

00:34:54,550 --> 00:34:52,399

um you know the government especially

926
00:34:55,829 --> 00:34:54,560
has grown so big now

927
00:34:57,510 --> 00:34:55,839
so they think the government's just

928
00:34:58,550 --> 00:34:57,520
going to come and swoop in and save

929
00:35:00,150 --> 00:34:58,560
everything

930
00:35:02,230 --> 00:35:00,160
so this is kind of like one of the first

931
00:35:05,270 --> 00:35:02,240
times where um

932
00:35:07,030 --> 00:35:05,280
that uncertainty has really hit him

933
00:35:10,950 --> 00:35:07,040
between the eyes

934
00:35:13,349 --> 00:35:10,960
and so this psychological part of how

935
00:35:15,510 --> 00:35:13,359
society has sort of fallen apart is the

936
00:35:18,630 --> 00:35:15,520
scary thing to me

937
00:35:21,109 --> 00:35:18,640
and so i keep going back to that

938
00:35:23,990 --> 00:35:21,119

and relating it to you know et

939

00:35:27,190 --> 00:35:24,000

disclosure and whatnot but

940

00:35:29,750 --> 00:35:27,200

it's it's ripe for manipulation so if

941

00:35:32,310 --> 00:35:29,760

you don't have good government leaders

942

00:35:33,829 --> 00:35:32,320

on both sides it's not a republican or

943

00:35:36,790 --> 00:35:33,839

democrat thing

944

00:35:38,069 --> 00:35:36,800

if you don't have good leaders who are

945

00:35:41,030 --> 00:35:38,079

not corrupt

946

00:35:41,990 --> 00:35:41,040

this is the time for power hungry people

947

00:35:45,030 --> 00:35:42,000

to step in

948

00:35:47,349 --> 00:35:45,040

and see how far they can push it this is

949

00:35:49,670 --> 00:35:47,359

where you're starting to see

950

00:35:50,710 --> 00:35:49,680

you know constitutional rights trampled

951
00:35:53,990 --> 00:35:50,720
on

952
00:35:57,589 --> 00:35:54,000
of the people

953
00:36:00,710 --> 00:35:57,599
and you know i i'm not too big into a

954
00:36:02,630 --> 00:36:00,720
master plan that i think is taking place

955
00:36:04,390 --> 00:36:02,640
but i think they're kind of figuring it

956
00:36:06,310 --> 00:36:04,400
out as they go

957
00:36:08,230 --> 00:36:06,320
you know like look at boris yeltsin who

958
00:36:10,829 --> 00:36:08,240
basically changed their constitution not

959
00:36:14,310 --> 00:36:10,839
boris i'm sorry um

960
00:36:17,510 --> 00:36:14,320
uh well what can i think of his name

961
00:36:19,910 --> 00:36:17,520
what did they say putin yeah yeah

962
00:36:22,390 --> 00:36:19,920
putin thank you yeah basically change

963
00:36:26,150 --> 00:36:22,400

the russia's constitution

964

00:36:28,470 --> 00:36:26,160

so that he could be um basically the

965

00:36:30,630 --> 00:36:28,480

their uh prime minister the president

966

00:36:34,470 --> 00:36:30,640

for the rest of his life

967

00:36:35,190 --> 00:36:34,480

you know and um i i know that there are

968

00:36:36,630 --> 00:36:35,200

people who

969

00:36:38,829 --> 00:36:36,640

here who would do that if they could

970

00:36:39,990 --> 00:36:38,839

change the us constitution to make the

971

00:36:42,150 --> 00:36:40,000

king

972

00:36:44,150 --> 00:36:42,160

you know to make a president that would

973

00:36:46,470 --> 00:36:44,160

to make senators presidents and congress

974

00:36:50,069 --> 00:36:46,480

people who could be there forever

975

00:36:50,310 --> 00:36:50,079

you know so it's it's something to keep

976

00:36:53,430 --> 00:36:50,320

an

977

00:36:55,990 --> 00:36:53,440

eye on um you know

978

00:36:56,550 --> 00:36:56,000

and and having worked for the federal

979

00:37:00,390 --> 00:36:56,560

government

980

00:37:02,950 --> 00:37:00,400

i can say 95 of those people

981

00:37:05,510 --> 00:37:02,960

are patriotic good hard-working men and

982

00:37:08,310 --> 00:37:05,520

women who love our country

983

00:37:09,990 --> 00:37:08,320

but there's another small percentage

984

00:37:13,670 --> 00:37:10,000

that's growing

985

00:37:15,430 --> 00:37:13,680

that would love to see a totalitarian

986

00:37:17,510 --> 00:37:15,440

sort of a state where

987

00:37:19,510 --> 00:37:17,520

you promise the people security but you

988

00:37:22,150 --> 00:37:19,520

take everything from them

989

00:37:24,790 --> 00:37:22,160

you know don't let them make any choices

990

00:37:28,069 --> 00:37:24,800

and basically control their lives

991

00:37:30,790 --> 00:37:28,079

and i'm not saying that this

992

00:37:32,150 --> 00:37:30,800

virus wasn't necessary to do some of

993

00:37:35,589 --> 00:37:32,160

this

994

00:37:38,790 --> 00:37:35,599

you know to tell people not to leave and

995

00:37:41,910 --> 00:37:38,800

to kind of lock them in place in a sense

996

00:37:43,430 --> 00:37:41,920

it's probably what we needed to do you

997

00:37:47,030 --> 00:37:43,440

know to stop this thing

998

00:37:50,150 --> 00:37:47,040

however if we become accustomed to this

999

00:37:51,349 --> 00:37:50,160

and there's no checks in place little by

1000

00:37:54,150 --> 00:37:51,359

little

1001
00:37:56,390 --> 00:37:54,160
um you know people just start taking

1002
00:37:58,950 --> 00:37:56,400
taking orders and it's

1003
00:37:59,829 --> 00:37:58,960
um it's it's gonna be a world that's

1004
00:38:03,190 --> 00:37:59,839
very different

1005
00:38:07,109 --> 00:38:06,470
yeah all sudden rights can be something

1006
00:38:09,510 --> 00:38:07,119
that you

1007
00:38:10,630 --> 00:38:09,520
used to have instead of something you

1008
00:38:14,630 --> 00:38:10,640
still have

1009
00:38:16,470 --> 00:38:14,640
and it's um it's interesting because

1010
00:38:18,069 --> 00:38:16,480
we're seeing that in other countries i

1011
00:38:19,750 --> 00:38:18,079
don't think we'll see that here but

1012
00:38:21,190 --> 00:38:19,760
you just never know i mean you just

1013
00:38:23,430 --> 00:38:21,200

never know

1014

00:38:24,390 --> 00:38:23,440

it hopefully it doesn't get to that

1015

00:38:26,390 --> 00:38:24,400

point

1016

00:38:27,589 --> 00:38:26,400

um i wanted to ask you something a

1017

00:38:30,870 --> 00:38:27,599

little off topic

1018

00:38:32,550 --> 00:38:30,880

really quick is are you still following

1019

00:38:34,310 --> 00:38:32,560

the amber lights there

1020

00:38:36,069 --> 00:38:34,320

over the great salt lake i know you were

1021

00:38:38,390 --> 00:38:36,079

doing a lot of work

1022

00:38:40,710 --> 00:38:38,400

into that you still keeping up on that

1023

00:38:44,630 --> 00:38:40,720

at all ben

1024

00:38:47,670 --> 00:38:44,640

yeah so um

1025

00:38:48,870 --> 00:38:47,680

i i met recently with dave rosenfeld

1026

00:38:50,390 --> 00:38:48,880

alien dave and

1027

00:38:52,470 --> 00:38:50,400

and talked to him about some of the

1028

00:38:55,589 --> 00:38:52,480

recent things out there

1029

00:38:58,550 --> 00:38:55,599

and um it's kind of cool

1030

00:38:59,109 --> 00:38:58,560

i think that there's there's enough

1031

00:39:02,310 --> 00:38:59,119

people

1032

00:39:04,790 --> 00:39:02,320

who have seen i would say with

1033

00:39:05,349 --> 00:39:04,800

with a pretty high degree of certainty

1034

00:39:08,150 --> 00:39:05,359

that we

1035

00:39:10,390 --> 00:39:08,160

we know of certain things that are being

1036

00:39:12,390 --> 00:39:10,400

tested that's ours

1037

00:39:15,030 --> 00:39:12,400

and then we have these other things that

1038

00:39:16,950 --> 00:39:15,040

seem to show up

1039

00:39:18,230 --> 00:39:16,960

because they're curious about what is

1040

00:39:21,990 --> 00:39:18,240

ours

1041

00:39:24,390 --> 00:39:22,000

and my my dad has a friend

1042

00:39:25,910 --> 00:39:24,400

who works out there at dugway on the

1043

00:39:27,750 --> 00:39:25,920

base and

1044

00:39:29,430 --> 00:39:27,760

you know i think he's keeping the

1045

00:39:31,349 --> 00:39:29,440

security clearances

1046

00:39:32,470 --> 00:39:31,359

his his oath and all that like he needs

1047

00:39:34,230 --> 00:39:32,480

to but

1048

00:39:36,069 --> 00:39:34,240

he knew that we had an interest in this

1049

00:39:38,390 --> 00:39:36,079

and he asked him

1050

00:39:40,069 --> 00:39:38,400

he said hey ask your brother about this

1051
00:39:43,510 --> 00:39:40,079
stuff we're seeing there

1052
00:39:46,870 --> 00:39:43,520
and the guy who works out there said

1053
00:39:50,069 --> 00:39:46,880
let's just say that we test

1054
00:39:52,310 --> 00:39:50,079
a lot of exotic i think

1055
00:39:54,069 --> 00:39:52,320
i don't know the exact word to use but a

1056
00:39:57,510 --> 00:39:54,079
lot of exotic technology that

1057
00:39:59,190 --> 00:39:57,520
many different parties are interested in

1058
00:40:01,270 --> 00:39:59,200
now you someone could think okay well

1059
00:40:02,150 --> 00:40:01,280
that means what the russians the chinese

1060
00:40:03,990 --> 00:40:02,160
and

1061
00:40:06,790 --> 00:40:04,000
they're flying over new stuff well this

1062
00:40:08,630 --> 00:40:06,800
was in direct conversation to

1063
00:40:11,109 --> 00:40:08,640

the fact that these lights are showing

1064

00:40:12,630 --> 00:40:11,119

up around

1065

00:40:14,230 --> 00:40:12,640

for example what people are calling this

1066

00:40:17,190 --> 00:40:14,240

laser cannon

1067

00:40:18,950 --> 00:40:17,200

you know this thing that huge huge laser

1068

00:40:20,950 --> 00:40:18,960

beam that shoots straight up into the

1069

00:40:22,550 --> 00:40:20,960

sky or down from the sky we don't really

1070

00:40:24,390 --> 00:40:22,560

know which

1071

00:40:26,230 --> 00:40:24,400

and all of a sudden you get these lights

1072

00:40:28,470 --> 00:40:26,240

that are dancing

1073

00:40:29,750 --> 00:40:28,480

they appear they're kind of dancing

1074

00:40:31,589 --> 00:40:29,760

around the cannon

1075

00:40:32,950 --> 00:40:31,599

i mean the laser that's going off and

1076
00:40:34,710 --> 00:40:32,960
hang around for a little bit and then

1077
00:40:37,990 --> 00:40:34,720
disappear

1078
00:40:40,069 --> 00:40:38,000
right and so if i had to put money on

1079
00:40:42,150 --> 00:40:40,079
it i would say that a lot of what's

1080
00:40:45,190 --> 00:40:42,160
going on is ours

1081
00:40:47,510 --> 00:40:45,200
but there's there's lights

1082
00:40:48,390 --> 00:40:47,520
there's like like you said amber the one

1083
00:40:52,390 --> 00:40:48,400
i saw was

1084
00:40:55,109 --> 00:40:52,400
red colored um they're sort of like orbs

1085
00:40:57,349 --> 00:40:55,119
and triangles still seeing some

1086
00:41:00,550 --> 00:40:57,359
triangles and stuff out there

1087
00:41:01,510 --> 00:41:00,560
that quite possibly could not and quite

1088
00:41:04,550 --> 00:41:01,520

possibly are not

1089

00:41:06,470 --> 00:41:04,560

ours at all they're um

1090

00:41:08,069 --> 00:41:06,480

just from the back porch of my my

1091

00:41:11,190 --> 00:41:08,079

parents place

1092

00:41:14,550 --> 00:41:11,200

in bountiful they've seen these lights

1093

00:41:16,870 --> 00:41:14,560

flying over from across the west desert

1094

00:41:18,870 --> 00:41:16,880

like the ones i saw disappearing

1095

00:41:21,190 --> 00:41:18,880

reappearing to the right and shooting

1096

00:41:22,870 --> 00:41:21,200

over our house hundreds if not thousands

1097

00:41:25,270 --> 00:41:22,880

of miles an hour

1098

00:41:27,109 --> 00:41:25,280

yeah i'd say thousands as fast as going

1099

00:41:29,589 --> 00:41:27,119

but completely silent

1100

00:41:31,190 --> 00:41:29,599

and sometimes they've actually seen jets

1101
00:41:32,829 --> 00:41:31,200
chasing these things from hill air force

1102
00:41:35,910 --> 00:41:32,839
base

1103
00:41:37,270 --> 00:41:35,920
so um it always brings you back to the

1104
00:41:39,349 --> 00:41:37,280
question i always ask

1105
00:41:41,270 --> 00:41:39,359
same with area 51 same with what i've

1106
00:41:44,230 --> 00:41:41,280
seen like why would you do that

1107
00:41:46,069 --> 00:41:44,240
over populated area if it was ours you

1108
00:41:47,750 --> 00:41:46,079
didn't want it to be seen

1109
00:41:49,510 --> 00:41:47,760
you have all that testing area you could

1110
00:41:53,109 --> 00:41:49,520
have done it in so

1111
00:41:55,430 --> 00:41:53,119
i don't know that it is ours and um

1112
00:41:57,109 --> 00:41:55,440
so i try to keep tabs on it i know

1113
00:41:59,030 --> 00:41:57,119

there's there's several people

1114

00:42:01,589 --> 00:41:59,040

up there in utah that kind of you know

1115

00:42:03,670 --> 00:42:01,599

dedicate themselves to doing this

1116

00:42:05,670 --> 00:42:03,680

every now and then you'll see it pop up

1117

00:42:07,430 --> 00:42:05,680

you know in the news but

1118

00:42:09,589 --> 00:42:07,440

i think people be astounded how

1119

00:42:11,910 --> 00:42:09,599

frequently this happens

1120

00:42:13,829 --> 00:42:11,920

and it's just not reported in the news

1121

00:42:17,349 --> 00:42:13,839

or other people

1122

00:42:20,309 --> 00:42:17,359

aren't talking about it

1123

00:42:21,109 --> 00:42:20,319

it's pretty cool stuff it's it's neat

1124

00:42:23,430 --> 00:42:21,119

and

1125

00:42:25,349 --> 00:42:23,440

um what else do you have going on i know

1126
00:42:27,349 --> 00:42:25,359
you have a lot going on and i appreciate

1127
00:42:29,589 --> 00:42:27,359
you coming on the podcast

1128
00:42:31,270 --> 00:42:29,599
where can people keep up with what you

1129
00:42:33,030 --> 00:42:31,280
have going on and

1130
00:42:34,550 --> 00:42:33,040
and watch you and and things of that

1131
00:42:37,670 --> 00:42:34,560
nature

1132
00:42:40,950 --> 00:42:37,680
so when i'm able to

1133
00:42:42,710 --> 00:42:40,960
make announcements and things with the

1134
00:42:44,230 --> 00:42:42,720
different parties involved here the

1135
00:42:47,510 --> 00:42:44,240
projects i'm doing

1136
00:42:50,230 --> 00:42:47,520
um i will tweet it you know

1137
00:42:50,950 --> 00:42:50,240
it's just my twitter's just ben hanson h

1138
00:42:54,309 --> 00:42:50,960

s

1139

00:42:57,230 --> 00:42:54,319

zero

1140

00:42:59,349 --> 00:42:57,240

and uh my website's ben hanson got

1141

00:43:03,910 --> 00:42:59,359

benhansongot.com

1142

00:43:07,190 --> 00:43:03,920

so i did have events up there i mean

1143

00:43:09,910 --> 00:43:07,200

i was going to the the texas

1144

00:43:11,109 --> 00:43:09,920

edinburgh texas ufo festival uh that got

1145

00:43:12,790 --> 00:43:11,119

canceled

1146

00:43:14,470 --> 00:43:12,800

it's supposed to be happening uh this

1147

00:43:17,349 --> 00:43:14,480

coming weekend

1148

00:43:18,230 --> 00:43:17,359

and the next thing if it doesn't get

1149

00:43:20,309 --> 00:43:18,240

canceled

1150

00:43:23,030 --> 00:43:20,319

it'll be close it's going to be close is

1151

00:43:26,550 --> 00:43:23,040

um contact in the desert

1152

00:43:28,790 --> 00:43:26,560

out in indian wells um near palm springs

1153

00:43:31,589 --> 00:43:28,800

in california

1154

00:43:33,589 --> 00:43:31,599

and uh you know they're there tends to

1155

00:43:35,910 --> 00:43:33,599

be a little bit older clientele a little

1156

00:43:37,510 --> 00:43:35,920

bit older people who go to like ufo

1157

00:43:38,470 --> 00:43:37,520

conferences and what i'm worried about

1158

00:43:40,150 --> 00:43:38,480

is that

1159

00:43:41,430 --> 00:43:40,160

they're going to be afraid this isn't

1160

00:43:42,790 --> 00:43:41,440

going to be over and they're going to

1161

00:43:46,390 --> 00:43:42,800

cancel their

1162

00:43:49,589 --> 00:43:46,400

conference and hotel rooms and you know

1163

00:43:51,829 --> 00:43:49,599

trump has just extended the

1164

00:43:53,190 --> 00:43:51,839

the projected date for all this

1165

00:43:57,510 --> 00:43:53,200

quarantine to the end of

1166

00:44:00,069 --> 00:43:57,520

april so that gives basically a month

1167

00:44:01,589 --> 00:44:00,079

where where people like to plan ahead

1168

00:44:04,150 --> 00:44:01,599

and and a lot of them are going to be

1169

00:44:07,510 --> 00:44:04,160

uncomfortable still i think

1170

00:44:07,990 --> 00:44:07,520

you know going out into such huge areas

1171

00:44:10,950 --> 00:44:08,000

of people

1172

00:44:14,390 --> 00:44:10,960

congregating so don't know if that one's

1173

00:44:17,430 --> 00:44:14,400

going to be happening or not

1174

00:44:19,430 --> 00:44:17,440

i would i would go on to their website

1175

00:44:20,470 --> 00:44:19,440

if you're interested though and keep

1176

00:44:23,750 --> 00:44:20,480

updated and sign

1177

00:44:25,109 --> 00:44:23,760

up because i think it will any couple

1178

00:44:27,990 --> 00:44:25,119

other conferences throughout the

1179

00:44:29,109 --> 00:44:28,000

throughout the year but um all of it i

1180

00:44:32,470 --> 00:44:29,119

announce on twitter

1181

00:44:33,990 --> 00:44:32,480

facebook and i'm pretty much on all

1182

00:44:37,829 --> 00:44:34,000

those things if people know how to use

1183

00:44:40,069 --> 00:44:37,839

the computer so yeah

1184

00:44:42,390 --> 00:44:40,079

well i i hope they don't all get

1185

00:44:46,550 --> 00:44:42,400

cancelled i hope this just goes away

1186

00:44:48,710 --> 00:44:46,560

and um i appreciate you coming on

1187

00:44:50,150 --> 00:44:48,720

i if we were all so lucky i don't know

1188

00:44:52,950 --> 00:44:50,160

i'm i'm thinking

1189

00:44:53,430 --> 00:44:52,960

gosh a month yeah a month guaranteed is

1190

00:44:56,470 --> 00:44:53,440

kind of

1191

00:44:59,910 --> 00:44:56,480

brings it down a little

1192

00:45:01,109 --> 00:44:59,920

but let's do this like i um

1193

00:45:03,430 --> 00:45:01,119

we've been talking about doing this

1194

00:45:06,950 --> 00:45:03,440

forever the weather's looking good

1195

00:45:08,790 --> 00:45:06,960

you know we got some 70s down here

1196

00:45:10,309 --> 00:45:08,800

it's been snowing up in utah that's

1197

00:45:11,670 --> 00:45:10,319

going to get pushed out now it's going

1198

00:45:13,349 --> 00:45:11,680

to warm up

1199

00:45:15,030 --> 00:45:13,359

we're going to get really bored here so

1200

00:45:16,550 --> 00:45:15,040

i have to buckle down for the next

1201

00:45:19,270 --> 00:45:16,560

couple weeks

1202

00:45:20,390 --> 00:45:19,280

get my my business and everything you

1203

00:45:23,030 --> 00:45:20,400

know in order but

1204

00:45:25,190 --> 00:45:23,040

um i do want to come up there and

1205

00:45:27,589 --> 00:45:25,200

whenever you're there we should

1206

00:45:28,470 --> 00:45:27,599

um i know brandon fugo really wants to

1207

00:45:31,190 --> 00:45:28,480

meet you

1208

00:45:33,030 --> 00:45:31,200

um i'd love to see you guys get together

1209

00:45:36,150 --> 00:45:33,040

since you guys are neighbors

1210

00:45:37,349 --> 00:45:36,160

you know and uh let's let's get you guys

1211

00:45:39,430 --> 00:45:37,359

together and i want to go

1212

00:45:42,230 --> 00:45:39,440

go up there and check out your property

1213

00:45:43,510 --> 00:45:42,240

and we don't have to wait for the

1214

00:45:47,829 --> 00:45:43,520

rest of the world to get back to

1215

00:45:50,790 --> 00:45:47,839

business if we're free we should do it

1216

00:45:51,990 --> 00:45:50,800

yeah yeah i was it's it's so tough

1217

00:45:55,510 --> 00:45:52,000

traveling right now but

1218

00:45:57,109 --> 00:45:55,520

yeah i'm i'm i'll stay in touch and

1219

00:45:59,349 --> 00:45:57,119

can't thank you enough for coming on

1220

00:46:01,510 --> 00:45:59,359

hope to talk to you soon

1221

00:46:03,510 --> 00:46:01,520

all right sounds good thanks ryan there

1222

00:46:07,030 --> 00:46:03,520

he is the man with the plan

1223

00:46:08,870 --> 00:46:07,040

it is ben hansen he is uh

1224

00:46:10,950 --> 00:46:08,880

always interesting to talk to always has

1225

00:46:13,109 --> 00:46:10,960

a pretty clear view and aspect of what's

1226

00:46:15,829 --> 00:46:13,119

going on

1227

00:46:16,950 --> 00:46:15,839

great to have him on and i hope to have

1228

00:46:18,470 --> 00:46:16,960

him on in the future

1229

00:46:20,390 --> 00:46:18,480

if you haven't checked it out yet

1230

00:46:22,069 --> 00:46:20,400

definitely check out ben hansen on

1231

00:46:25,270 --> 00:46:22,079

social media

1232

00:46:28,710 --> 00:46:25,280

check out his night optics line um of

1233

00:46:31,589 --> 00:46:28,720

night vision and uh also watch him

1234

00:46:34,710 --> 00:46:31,599

on all the shows that he's on in the

1235

00:46:36,390 --> 00:46:34,720

meantime check out heroparanormal.com

1236

00:46:38,069 --> 00:46:36,400

if you're not a patron become one we

1237

00:46:40,230 --> 00:46:38,079

have all kinds of cool shows that

1238

00:46:41,190 --> 00:46:40,240

aren't available to everybody they are

1239

00:46:43,750 --> 00:46:41,200

there

1240

00:46:45,109 --> 00:46:43,760

and our patron ship is very inexpensive

1241

00:46:48,150 --> 00:46:45,119

for as little as a dollar

1242

00:46:50,630 --> 00:46:48,160

you're in that's it um

1243

00:46:51,829 --> 00:46:50,640

stay strong people during this corona

1244

00:46:55,030 --> 00:46:51,839

quarantine

1245

00:46:56,870 --> 00:46:55,040

and keep your eyes to the skies feet on

1246

00:47:10,900 --> 00:46:56,880

the ground but don't forget to take a

1247

00:47:14,870 --> 00:47:10,910

look around

1248

00:47:20,870 --> 00:47:17,750

come blast off in my time machine third

1249

00:47:31,750 --> 00:47:20,880

eye feeling like a knee vision blast off

1250

00:47:40,870 --> 00:47:37,030

[Music]

1251

00:47:43,990 --> 00:47:40,880

like a knee vision blast off blast off

1252

00:47:46,870 --> 00:47:44,000

blast off blast off come

1253

00:47:48,150 --> 00:47:46,880

blast off in my time machine third eye

1254

00:47:52,030 --> 00:47:48,160

feeling like an e5

1255

00:48:14,710 --> 00:47:52,040

scene blast out blast off master

1256

00:48:17,750 --> 00:48:16,710

we partying back to the future like

1257

00:48:30,420 --> 00:48:17,760

michael j

1258

00:48:49,420 --> 00:48:32,390

[Music]

1259

00:48:59,970 --> 00:48:49,430

scene
