author lecturer and investigator of

10  
00:01:09,080 --> 00:01:06,150  
ancient civilizations past catastrophes

11  
00:01:13,520 --> 00:01:09,090  
and the paranormal James Keenan and I

12  
00:01:15,950 --> 00:01:13,530  
hope to also discuss his new book which

13  
00:01:17,929 --> 00:01:15,960

is available on Amazon I believe today I

14

00:01:20,510 --> 00:01:17,939

purchased an e-book copy

15

00:01:22,730 --> 00:01:20,520

I believe the hardcover copy is coming

16

00:01:24,530 --> 00:01:22,740

soon I'll probably get both because it's

17

00:01:28,490 --> 00:01:24,540

pretty awesome I will definitely give it

18

00:01:32,420 --> 00:01:28,500

to my kids and we'll try to touch base

19

00:01:35,109 --> 00:01:32,430

on that but he is very passionate and I

20

00:01:37,609 --> 00:01:35,119

just love talking with him about

21

00:01:40,760 --> 00:01:37,619

everything going on and the belief

22

00:01:42,410 --> 00:01:40,770

systems around the cultures that tend to

23

00:01:44,719 --> 00:01:42,420

congregate in these areas of high

24

00:01:47,960 --> 00:01:44,729

strangeness if you haven't checked out

25

00:01:50,539 --> 00:01:47,970

hero paranormal dot-com please do also

26  
00:01:53,710 --> 00:01:50,549  
you can download quickly and easily at

27  
00:01:57,230 --> 00:01:53,720  
hero paranormal pod being calm and

28  
00:02:00,109 --> 00:01:57,240  
without further ado mr. James Keenan

29  
00:02:03,469 --> 00:02:00,119  
words don't describe the passion mr.

30  
00:02:05,649 --> 00:02:03,479  
Keenan has for the scientific aspects

31  
00:02:09,169 --> 00:02:05,659  
surrounding the high strangeness

32  
00:02:10,850 --> 00:02:09,179  
encountered in northeastern Utah and

33  
00:02:14,179 --> 00:02:10,860  
shapeshifter territory that you win a

34  
00:02:18,080 --> 00:02:14,189  
basin and it comes as no surprise

35  
00:02:20,990 --> 00:02:18,090  
to season listeners and patrons and

36  
00:02:24,289 --> 00:02:21,000  
other aficionados that mr. Kenan decided

37  
00:02:27,470 --> 00:02:24,299  
to incorporate Roosevelt Utah in the UN

38  
00:02:30,350 --> 00:02:27,480

a basin of North Eastern Utah as the

39

00:02:33,800 --> 00:02:30,360

setting for well his new phenomenal book

40

00:02:38,210 --> 00:02:33,810

in his series the UFO and an alien

41

00:02:41,330 --> 00:02:38,220

series James Keenan welcome to hero so

42

00:02:44,210 --> 00:02:41,340

I've got to ask a question because your

43

00:02:46,490 --> 00:02:44,220

passion is hard to ignore you are very

44

00:02:49,610 --> 00:02:46,500

interested in the hard facts and the

45

00:02:51,559 --> 00:02:49,620

science around the high strangeness and

46

00:02:54,589 --> 00:02:51,569

phenomena encountered in this area of

47

00:02:59,360 --> 00:02:54,599

the state what led you down this path

48

00:03:03,430 --> 00:02:59,370

and kind of got you interested well in

49

00:03:07,339 --> 00:03:03,440

the world and few and far between where

50

00:03:11,259 --> 00:03:07,349

there seems to be and I'm gonna call

51  
00:03:14,990 --> 00:03:11,269  
activity or phenomena that takes place

52  
00:03:18,670 --> 00:03:15,000  
highly unusual unable to be documented

53  
00:03:22,819 --> 00:03:18,680  
most of the time difficult to categorize

54  
00:03:24,650 --> 00:03:22,829  
there's always a crossover between what

55  
00:03:28,659 --> 00:03:24,660  
people would consider paranormal and

56  
00:03:32,180 --> 00:03:28,669  
supernatural versus scientific study

57  
00:03:35,539 --> 00:03:32,190  
meaning that like for somebody like me

58  
00:03:39,199 --> 00:03:35,549  
that has a background heavily on

59  
00:03:42,349 --> 00:03:39,209  
archaeology and anthropology it gives me

60  
00:03:47,780 --> 00:03:42,359  
the opportunity not just follow the

61  
00:03:50,330 --> 00:03:47,790  
science but also to follow you know an

62  
00:03:54,589 --> 00:03:50,340  
atypical type of science or a fringe

63  
00:03:56,569 --> 00:03:54,599

type that goes more into the

64

00:04:01,939 --> 00:03:56,579

anthropological study of things like

65

00:04:05,420 --> 00:04:01,949

folklore and the myth so northeastern

66

00:04:07,729 --> 00:04:05,430

Utah do you win top bass and is really

67

00:04:12,710 --> 00:04:07,739

one of four or five places in the world

68

00:04:18,310 --> 00:04:12,720

where you have just this crossover of us

69

00:04:21,469 --> 00:04:18,320

ology cryptozoology paranormal activity

70

00:04:25,220 --> 00:04:21,479

possibilities even of ancient lost

71

00:04:27,920 --> 00:04:25,230

civilization or cultures having

72

00:04:32,900 --> 00:04:27,930

listed in the area and then also you

73

00:04:36,070 --> 00:04:32,910

know the possibilities of scientific

74

00:04:39,020 --> 00:04:36,080

issues like maybe a meteor strike at a

75

00:04:41,150 --> 00:04:39,030

larger level that affected you know that

76

00:04:43,760 --> 00:04:41,160

part of the Colorado Plateau so it's

77

00:04:47,990 --> 00:04:43,770

just a pleasure to have that opportunity

78

00:04:49,820 --> 00:04:48,000

to be able to study all the phenomena

79

00:04:52,940 --> 00:04:49,830

and the science at one time in a

80

00:04:55,100 --> 00:04:52,950

location such as the UN top base and

81

00:04:59,090 --> 00:04:55,110

space wolf Research Center in the

82

00:05:01,300 --> 00:04:59,100

skinwalker ranch area I I couldn't agree

83

00:05:04,090 --> 00:05:01,310

more with you about like the

84

00:05:06,380 --> 00:05:04,100

Anthropology the culture behind it and

85

00:05:09,800 --> 00:05:06,390

you know you mentioned there were four

86

00:05:11,180 --> 00:05:09,810

or five areas that do this kind of thing

87

00:05:13,670 --> 00:05:11,190

I know I don't want to jump to

88

00:05:17,870 --> 00:05:13,680

conclusions but I would expect one to be

89

00:05:21,230 --> 00:05:17,880

in Arizona if not two what areas are you

90

00:05:22,520 --> 00:05:21,240

know those four or five if you had you

91

00:05:23,990 --> 00:05:22,530

don't have to mention them if you don't

92

00:05:26,630 --> 00:05:24,000

want to because I know how some of these

93

00:05:29,270 --> 00:05:26,640

magical areas are but what what areas

94

00:05:35,750 --> 00:05:29,280

are what states are these usually and do

95

00:05:37,100 --> 00:05:35,760

you find these in whenever you talk

96

00:05:38,780 --> 00:05:37,110

about something like that most people

97

00:05:41,060 --> 00:05:38,790

jump to the state that I live in which

98

00:05:46,660 --> 00:05:41,070

is Arizona which is absolutely true you

99

00:05:49,160 --> 00:05:46,670

have this high unusual amount of energy

100

00:05:52,580 --> 00:05:49,170

and you know people throw out that

101  
00:05:54,440 --> 00:05:52,590  
electromagnetic energy but who knows

102  
00:05:58,360 --> 00:05:54,450  
really what it is that it's in the

103  
00:06:00,920 --> 00:05:58,370  
Sedona area and Bradshaw Mountains area

104  
00:06:04,460 --> 00:06:00,930  
you have a lot of sightings of unusual

105  
00:06:09,400 --> 00:06:04,470  
activity that feels with cryptozoology

106  
00:06:12,950 --> 00:06:09,410  
and then my probably my biggest or most

107  
00:06:16,130 --> 00:06:12,960  
important thing that I like to track or

108  
00:06:18,740 --> 00:06:16,140  
follow up on is portals and in the sense

109  
00:06:20,570 --> 00:06:18,750  
you know what those could be there we

110  
00:06:23,150 --> 00:06:20,580  
could spend hours talking about it but

111  
00:06:26,810 --> 00:06:23,160  
Sedona is obviously one of those areas

112  
00:06:30,430 --> 00:06:26,820  
just like Fort Dushane Roosevelt might

113  
00:06:35,560 --> 00:06:30,440

an area in northeastern Utah you also

114

00:06:36,730 --> 00:06:35,570

have several locations in Mexico she

115

00:06:39,820 --> 00:06:36,740

look

116

00:06:43,030 --> 00:06:39,830

on Mexico which is just south of zero

117

00:06:45,310 --> 00:06:43,040

once in a hoe which is just incredible

118

00:06:48,810 --> 00:06:45,320

very few people know about it it's on

119

00:06:52,300 --> 00:06:48,820

the west coast they're just now

120

00:06:55,450 --> 00:06:52,310

unearthing a city that's ten square

121

00:06:58,150 --> 00:06:55,460

miles and size does not affect only 1% a

122

00:07:00,760 --> 00:06:58,160

single pyramid has been unearthed and

123

00:07:03,550 --> 00:07:00,770

it's being excavated then you have

124

00:07:05,770 --> 00:07:03,560

another area location which is the

125

00:07:09,060 --> 00:07:05,780

northern United Kingdom in the Scotland

126

00:07:15,670 --> 00:07:09,070

there yet there are several areas there

127

00:07:18,370 --> 00:07:15,680

but for me you know the opportunity to

128

00:07:23,620 --> 00:07:18,380

be able to continuously go back and

129

00:07:27,760 --> 00:07:23,630

investigate research both from a I guess

130

00:07:29,830 --> 00:07:27,770

a pseudo archaeological standpoint and a

131

00:07:33,010 --> 00:07:29,840

scientific standpoint the easiest for me

132

00:07:38,230 --> 00:07:33,020

or nephews in Utah and here in the

133

00:07:42,370 --> 00:07:38,240

Arizona area and Arizona is so magical

134

00:07:45,460 --> 00:07:42,380

that Bradshaw ranch Sedona area it's a

135

00:07:50,070 --> 00:07:45,470

magical area it's I describe the energy

136

00:07:54,040 --> 00:07:50,080

is different but equal in potency but

137

00:07:56,920 --> 00:07:54,050

what are your thoughts from like a

138

00:07:59,500 --> 00:07:56,930

cultural we have similar similar things

139

00:08:01,300 --> 00:07:59,510

going on in both both states I know as

140

00:08:03,730 --> 00:08:01,310

human beings we always try to find

141

00:08:05,770 --> 00:08:03,740

similarities and correlate but there

142

00:08:08,740 --> 00:08:05,780

could be a lot more to it to that have

143

00:08:13,270 --> 00:08:08,750

you talked to the local culture there

144

00:08:16,360 --> 00:08:13,280

and what they believe the history is yes

145

00:08:19,750 --> 00:08:16,370

you know both in Utah in Arizona you

146

00:08:23,200 --> 00:08:19,760

have a high indigenous population Native

147

00:08:25,720 --> 00:08:23,210

American where their culture their

148

00:08:29,140 --> 00:08:25,730

belief system is completely different

149

00:08:31,870 --> 00:08:29,150

than what you know we are used to from

150

00:08:38,080 --> 00:08:31,880

Western Europe you know Western

151

00:08:39,330 --> 00:08:38,090

civilization they're more open to the

152

00:08:41,860 --> 00:08:39,340

supernatural and paranormal

153

00:08:44,080 --> 00:08:41,870

matter-of-fact to them it's not even

154

00:08:47,350 --> 00:08:44,090

considered that a lot of the time just

155

00:08:50,800 --> 00:08:47,360

normal belief system so when you talk to

156

00:08:55,610 --> 00:08:50,810

the Navajo or the ute

157

00:08:59,330 --> 00:08:55,620

Navajo up in the northeast portion of

158

00:09:02,000 --> 00:08:59,340

Arizona they're very open to letting you

159

00:09:04,270 --> 00:09:02,010

know that you know they fully believe

160

00:09:06,710 --> 00:09:04,280

that there was such things as Giants

161

00:09:10,130 --> 00:09:06,720

red-headed giants that were cannibals

162

00:09:13,670 --> 00:09:10,140

that used to roam the southwest they're

163

00:09:15,890 --> 00:09:13,680

documented in their folklore which is

164

00:09:19,340 --> 00:09:15,900

there are world traditions and they're

165

00:09:22,220 --> 00:09:19,350

documented in petroglyphs through Utah

166

00:09:24,140 --> 00:09:22,230

through Nevada through Arizona even

167

00:09:32,420 --> 00:09:24,150

through small portion maybe of the

168

00:09:34,670 --> 00:09:32,430

Chumash Indian area in California and in

169

00:09:37,880 --> 00:09:34,680

order to get a better understanding of

170

00:09:40,250 --> 00:09:37,890

what I'm looking for you have to follow

171

00:09:42,950 --> 00:09:40,260

and you aware that you've done it too

172

00:09:45,550 --> 00:09:42,960

you have to follow that Native American

173

00:09:48,740 --> 00:09:45,560

aspect of it because it's embedded and

174

00:09:50,990 --> 00:09:48,750

really what seems to be happening and

175

00:09:53,150 --> 00:09:51,000

going on or at least embedded in a

176

00:10:00,020 --> 00:09:53,160

portion of the phenomena because I don't

177

00:10:02,360 --> 00:10:00,030

believe all the phenomena is one thing I

178

00:10:06,380 --> 00:10:02,370

believe they're separate issues taking

179

00:10:10,790 --> 00:10:06,390

place at one time and whether that draws

180

00:10:12,980 --> 00:10:10,800

from energy or you know something in the

181

00:10:15,320 --> 00:10:12,990

ground that we're just not quite aware

182

00:10:18,350 --> 00:10:15,330

of it allows for all of this to take

183

00:10:20,120 --> 00:10:18,360

place that one the the interesting thing

184

00:10:24,650 --> 00:10:20,130

that the belief systems that you

185

00:10:27,590 --> 00:10:24,660

mentioned are so important because I was

186

00:10:30,470 --> 00:10:27,600

having the thought today how how

187

00:10:33,290 --> 00:10:30,480

difficult it's becoming when you're

188

00:10:35,960 --> 00:10:33,300

searching for those members of

189

00:10:39,560 --> 00:10:35,970

particular tribes with ancestral

190

00:10:41,540 --> 00:10:39,570

heritage there and what the volkl

191

00:10:43,070 --> 00:10:41,550

tradition is and it usually corresponds

192

00:10:45,950 --> 00:10:43,080

with like you said the petroglyphs thank

193

00:10:47,750 --> 00:10:45,960

goodness for the McConkey ranch and the

194

00:10:51,590 --> 00:10:47,760

the fact that they share that with the

195

00:10:56,180 --> 00:10:51,600

public it's it's very real that that

196

00:10:59,870 --> 00:10:56,190

redheaded giant issue and following the

197

00:11:02,870 --> 00:10:59,880

Native American aspect what what did you

198

00:11:04,460 --> 00:11:02,880

encounter if anything mr. Kenan in

199

00:11:08,990 --> 00:11:04,470

Arizona in the cyd

200

00:11:11,150 --> 00:11:09,000

area absolutely so what we have to first

201  
00:11:15,020 --> 00:11:11,160  
remember is that most of the petroglyphs

202  
00:11:19,730 --> 00:11:15,030  
that are in and around the Arizona Utah

203  
00:11:23,450 --> 00:11:19,740  
area are from cultures and civilizations

204  
00:11:25,990 --> 00:11:23,460  
that we've named them only based upon

205  
00:11:30,230 --> 00:11:26,000  
sites that they've lived at we're not

206  
00:11:31,670 --> 00:11:30,240  
really sure who they are and where they

207  
00:11:35,600 --> 00:11:31,680  
went

208  
00:11:38,690 --> 00:11:35,610  
you know and you look at the Navajo the

209  
00:11:42,410 --> 00:11:38,700  
more recent excuse me there's a Navajo

210  
00:11:44,630 --> 00:11:42,420  
over here but there's other Native

211  
00:11:46,550 --> 00:11:44,640  
American tribes that are more recent to

212  
00:11:51,140 --> 00:11:46,560  
the area that hasn't been here for too

213  
00:11:54,950 --> 00:11:51,150

long you have these cultures like the

214

00:11:57,050 --> 00:11:54,960

Hohokam here in Arizona where they were

215

00:12:00,410 --> 00:11:57,060

responsible for a large part of the

216

00:12:03,880 --> 00:12:00,420

petroglyphs and up in Utah the Fremont

217

00:12:06,890 --> 00:12:03,890

culture and we're just not quite sure

218

00:12:07,520 --> 00:12:06,900

who they were where they came from where

219

00:12:12,470 --> 00:12:07,530

they went

220

00:12:16,520 --> 00:12:12,480

so these written talking to the Native

221

00:12:20,780 --> 00:12:16,530

Americans that are currently here still

222

00:12:24,220 --> 00:12:20,790

some of what is meant in the petroglyphs

223

00:12:30,560 --> 00:12:24,230

or the pictograph isn't quite understood

224

00:12:33,350 --> 00:12:30,570

by the current indigenous people and you

225

00:12:38,030 --> 00:12:33,360

know all the time anthropology is a

226

00:12:40,580 --> 00:12:38,040

social science so a lot of what

227

00:12:43,700 --> 00:12:40,590

scientists want you to believe it would

228

00:12:47,420 --> 00:12:43,710

be the you know concrete and it has to

229

00:12:50,150 --> 00:12:47,430

be real it's not a subjective it's you

230

00:12:52,850 --> 00:12:50,160

know a subjective feel based upon what

231

00:12:54,620 --> 00:12:52,860

they they research what most likely

232

00:12:56,840 --> 00:12:54,630

could be an answer as to what a

233

00:12:59,750 --> 00:12:56,850

petroglyph wrote pictographs represents

234

00:13:02,000 --> 00:12:59,760

but when you do speak to the Native

235

00:13:05,120 --> 00:13:02,010

Americans at least you're getting a

236

00:13:07,640 --> 00:13:05,130

better understanding because obviously

237

00:13:11,180 --> 00:13:07,650

those lineages may very well have been

238

00:13:14,210 --> 00:13:11,190

affected or has crossed at some point

239

00:13:18,949 --> 00:13:14,220

together so portions of what are still

240

00:13:21,879 --> 00:13:18,959

on the rock art are under six

241

00:13:24,920 --> 00:13:21,889

it's just a matter of piecing together

242

00:13:29,030 --> 00:13:24,930

the rock art as a half a whole like you

243

00:13:33,889 --> 00:13:29,040

said at McCarthy ranch it's incredible

244

00:13:35,960 --> 00:13:33,899

when you traverse the area because it's

245

00:13:38,629 --> 00:13:35,970

not just in one location as you vary

246

00:13:41,350 --> 00:13:38,639

well know it's all over the place some

247

00:13:44,240 --> 00:13:41,360

are located 30 50 feet up on a on a

248

00:13:50,300 --> 00:13:44,250

hillside some of the best is all the way

249

00:13:52,220 --> 00:13:50,310

up at the top and it's incredible to

250

00:13:56,170 --> 00:13:52,230

hear what the Native Americans believe

251

00:13:58,100 --> 00:13:56,180

it is versus that some anthropologists

252

00:14:00,889 --> 00:13:58,110

archaeologists is going to tell you from

253

00:14:02,629 --> 00:14:00,899

the University very important in my

254

00:14:06,949 --> 00:14:02,639

opinion to because these belief systems

255

00:14:10,009 --> 00:14:06,959

are open to things that our current

256

00:14:14,000 --> 00:14:10,019

scientific community might be closed off

257

00:14:16,129 --> 00:14:14,010

to and the Hohokam and the Fremont and

258

00:14:18,829 --> 00:14:16,139

like I mean there's other cultures like

259

00:14:21,199 --> 00:14:18,839

in Chaco Canyon there was disappearances

260

00:14:24,560 --> 00:14:21,209

of cultures there as well

261

00:14:26,500 --> 00:14:24,570

is this somewhat incorporated with you

262

00:14:37,449 --> 00:14:26,510

know these lights in the sky and these

263

00:14:39,259 --> 00:14:37,459

shapeshifters on the ground yeah

264

00:14:42,079 --> 00:14:39,269

definitely

265

00:14:45,829 --> 00:14:42,089

what they would call it they call or

266

00:14:48,259 --> 00:14:45,839

consider star people we're staying with

267

00:14:51,079 --> 00:14:48,269

consider ancestors or say all their

268

00:14:54,920 --> 00:14:51,089

ancestors where they come from so yeah

269

00:14:57,769 --> 00:14:54,930

there is a direct connection according

270

00:15:00,110 --> 00:14:57,779

to them and like you said and not just

271

00:15:03,769 --> 00:15:00,120

here in the southwest but in Mexico as

272

00:15:07,699 --> 00:15:03,779

well that these star people whoever they

273

00:15:13,090 --> 00:15:07,709

were have a connection in the lineage or

274

00:15:17,590 --> 00:15:13,100

their ancestry by faithfully and also

275

00:15:20,360 --> 00:15:17,600

very that we in Western culture with

276

00:15:24,680 --> 00:15:20,370

paranormal supernatural like you said

277

00:15:26,630 --> 00:15:24,690

shape-shifting they're not considered

278

00:15:29,500 --> 00:15:26,640

paranormal supernatural to them is

279

00:15:32,420 --> 00:15:29,510

considered a part of their daily

280

00:15:35,510 --> 00:15:32,430

cultural beliefs

281

00:15:40,220 --> 00:15:35,520

something that you know that made fun of

282

00:15:42,020 --> 00:15:40,230

like a lot of people do in Western

283

00:15:46,400 --> 00:15:42,030

culture or especially in the United

284

00:15:50,120 --> 00:15:46,410

States and you have to consider the fact

285

00:15:52,220 --> 00:15:50,130

too that these indigenous cultures in

286

00:15:55,820 --> 00:15:52,230

some way shape or form had a connection

287

00:16:00,170 --> 00:15:55,830

together whether it's for DNA and

288

00:16:03,610 --> 00:16:00,180

lineage we're just having traded we're

289

00:16:06,440 --> 00:16:03,620

now finding that this trade system

290

00:16:09,250 --> 00:16:06,450

traversed thousands of miles in between

291

00:16:17,500 --> 00:16:09,260

lips currently the United States and

292

00:16:21,590 --> 00:16:17,510

Central America and we look at the Maya

293

00:16:23,660 --> 00:16:21,600

you know in Mexico but you know you got

294

00:16:26,450 --> 00:16:23,670

to look even further than that we've

295

00:16:30,140 --> 00:16:26,460

only known about the Olmec for thirty

296

00:16:32,480 --> 00:16:30,150

thirty-five years before a venom they

297

00:16:35,900 --> 00:16:32,490

didn't exist now we're starting to come

298

00:16:40,010 --> 00:16:35,910

across this provel Olmec society that

299

00:16:43,910 --> 00:16:40,020

out dates the Olmec and I always tell

300

00:16:46,640 --> 00:16:43,920

people wearing them 5% or less of the

301

00:16:48,790 --> 00:16:46,650

past of these civilizations everything

302

00:16:55,970 --> 00:16:48,800

else was still buried under our feet and

303

00:16:58,550 --> 00:16:55,980

a great example is Sumerian clearly you

304

00:17:00,470 --> 00:16:58,560

know we don't realize it seems like it's

305

00:17:03,050 --> 00:17:00,480

not sure that we've known about Sumerian

306

00:17:05,390 --> 00:17:03,060

the Sumerian culture forever but before

307

00:17:07,900 --> 00:17:05,400

1850 they didn't exist we didn't know

308

00:17:10,130 --> 00:17:07,910

anything about them and now it's just

309

00:17:12,800 --> 00:17:10,140

they really thought that yeah that's

310

00:17:16,550 --> 00:17:12,810

where we originated from so going

311

00:17:19,760 --> 00:17:16,560

forward whether we going to uncover and

312

00:17:23,180 --> 00:17:19,770

are we going to find out or uncover that

313

00:17:25,250 --> 00:17:23,190

these newer ancient societies and

314

00:17:28,240 --> 00:17:25,260

cultures and civilizations that more

315

00:17:31,280 --> 00:17:28,250

than likely were far more advanced and

316

00:17:33,230 --> 00:17:31,290

possibly might have had a connection

317

00:17:37,910 --> 00:17:33,240

that's extraterrestrial or

318

00:17:41,840 --> 00:17:37,920

interdimensional you you know you you

319

00:17:44,360 --> 00:17:41,850

can mean it and what are we going to

320

00:17:46,220 --> 00:17:44,370

find here in the near future and load it

321

00:17:49,100 --> 00:17:46,230

down the line so

322

00:17:51,860 --> 00:17:49,110

we believe today or think is hogwash you

323

00:17:55,039 --> 00:17:51,870

know could turn out to be legitimate

324

00:17:58,970 --> 00:17:55,049

policemen a daily part of science in 50

325

00:18:01,100 --> 00:17:58,980

years exactly and it kind of correlates

326

00:18:03,409 --> 00:18:01,110

with that Chaco Canyon stuff that I

327

00:18:05,659 --> 00:18:03,419

mentioned as well where you know they

328

00:18:08,080 --> 00:18:05,669

find this place the people are missing

329

00:18:10,940 --> 00:18:08,090

this culture is gone they have these

330

00:18:12,680 --> 00:18:10,950

interesting caverns that seemingly have

331

00:18:15,470 --> 00:18:12,690

information that could be a value and

332

00:18:19,450 --> 00:18:15,480

sure as heck the whole area is shut down

333

00:18:22,850 --> 00:18:19,460

by government archaeologists but the

334

00:18:25,130 --> 00:18:22,860

interesting value is that there was some

335

00:18:26,150 --> 00:18:25,140

mention of winged I believe it was the

336

00:18:29,380 --> 00:18:26,160

WingMakers

337

00:18:33,500 --> 00:18:29,390

inside the caverns and lo and behold

338

00:18:35,419 --> 00:18:33,510

there was an organization and when this

339

00:18:38,450 --> 00:18:35,429

government organization called and said

340

00:18:39,830 --> 00:18:38,460

you know what is this is this you know

341

00:18:41,299 --> 00:18:39,840

anything about this I said yeah it's

342

00:18:44,810 --> 00:18:41,309

probably us you know like in a different

343

00:18:47,539 --> 00:18:44,820

dimension or current incarnation and you

344

00:18:49,610 --> 00:18:47,549

know these religious aspects could in a

345

00:18:51,080 --> 00:18:49,620

way be technology that we have

346

00:18:53,870 --> 00:18:51,090

completely ignored

347

00:18:56,539 --> 00:18:53,880

I think these belief systems without

348

00:18:59,780 --> 00:18:56,549

stigma you know like the Native American

349

00:19:02,210 --> 00:18:59,790

system a connection to the earth and

350

00:19:05,320 --> 00:19:02,220

these tricksters encountered which are

351  
00:19:08,720 --> 00:19:05,330  
here one second and gone the next are

352  
00:19:11,570 --> 00:19:08,730  
fairly elemental I would guess in nature

353  
00:19:15,409 --> 00:19:11,580  
at least in my opinion or my encounters

354  
00:19:18,500 --> 00:19:15,419  
but however brief do you think that this

355  
00:19:21,890 --> 00:19:18,510  
Native American culture typically is

356  
00:19:24,470 --> 00:19:21,900  
more open and they have a connection

357  
00:19:26,150 --> 00:19:24,480  
with the earth and a lot of the things

358  
00:19:28,460 --> 00:19:26,160  
that are being encountered which are

359  
00:19:30,799 --> 00:19:28,470  
here one second and gone the next these

360  
00:19:36,140 --> 00:19:30,809  
tricksters if you will especially on the

361  
00:19:37,730 --> 00:19:36,150  
ground are elemental in nature and have

362  
00:19:40,340 --> 00:19:37,740  
a connection to the earth as well is

363  
00:19:43,039 --> 00:19:40,350

this possibly where the some of the keys

364

00:19:52,120 --> 00:19:43,049

to unlocking this mystery are held in

365

00:19:55,039 --> 00:19:52,130

your opinion Native Americans an

366

00:19:58,549 --> 00:19:55,049

understanding that goes in a different

367

00:20:02,239 --> 00:19:58,559

direction and what Western science

368

00:20:04,220 --> 00:20:02,249

and there's obviously something in play

369

00:20:07,310 --> 00:20:04,230

you know when we're discussing like

370

00:20:10,700 --> 00:20:07,320

northeastern Utah and these tricksters

371

00:20:16,220 --> 00:20:10,710

or whatever it is and whoever whatever

372

00:20:21,409 --> 00:20:16,230

they are wherever they come from there's

373

00:20:24,830 --> 00:20:21,419

a possibility yes absolutely of learning

374

00:20:30,019 --> 00:20:24,840

and finding out maybe through a course

375

00:20:34,249 --> 00:20:30,029

of scientific data you know collecting

376

00:20:38,409 --> 00:20:34,259

data points and being more open and more

377

00:20:41,019 --> 00:20:38,419

focused to other possibilities like

378

00:20:43,909 --> 00:20:41,029

elemental possibilities or

379

00:20:46,129 --> 00:20:43,919

extraterrestrial and you know remember

380

00:20:50,149 --> 00:20:46,139

too when I'm talkin extraterrestrial it

381

00:20:52,279 --> 00:20:50,159

doesn't have to be aliens or something

382

00:20:56,080 --> 00:20:52,289

of that nature it could be technology

383

00:21:01,009 --> 00:20:56,090

that's still out there from lost

384

00:21:03,529 --> 00:21:01,019

civilizations or ancient cultures I in

385

00:21:05,539 --> 00:21:03,539

my lectures continuously tell people

386

00:21:07,940 --> 00:21:05,549

that there were civilizations on this

387

00:21:10,190 --> 00:21:07,950

planet a hundred and thirty thousand

388

00:21:14,570 --> 00:21:10,200

years ago maybe even several hundred

389

00:21:16,999 --> 00:21:14,580

million years ago that had far more

390

00:21:19,639 --> 00:21:17,009

advanced technology than we have were

391

00:21:24,080 --> 00:21:19,649

they human possible were they other

392

00:21:27,789 --> 00:21:24,090

possible as well but there's technology

393

00:21:31,220 --> 00:21:27,799

I mean we're so young at this course we

394

00:21:33,379 --> 00:21:31,230

currently only have an understanding and

395

00:21:39,669 --> 00:21:33,389

historical data going back several

396

00:21:42,619 --> 00:21:39,679

thousand years so what have we lost and

397

00:21:45,879 --> 00:21:42,629

where have those people gone if any of

398

00:21:48,440 --> 00:21:45,889

them survived is an absolute possibility

399

00:21:51,350 --> 00:21:48,450

and then you know you have to get into

400

00:21:53,320 --> 00:21:51,360

what we're not quite aware of yet and

401  
00:21:57,409 --> 00:21:53,330  
we're only getting little glimmers of

402  
00:22:00,889 --> 00:21:57,419  
like inner dimension ality you know

403  
00:22:04,430 --> 00:22:00,899  
through possibility of portal use we saw

404  
00:22:07,399 --> 00:22:04,440  
recently on a television show that this

405  
00:22:10,700 --> 00:22:07,409  
aerial phenomenon that's taking place

406  
00:22:11,409 --> 00:22:10,710  
but for duchesne and might'n has this

407  
00:22:15,849 --> 00:22:11,419  
ability

408  
00:22:19,629 --> 00:22:15,859  
to go in and out somewhere other than

409  
00:22:25,629 --> 00:22:19,639  
our third dimension instantly and it was

410  
00:22:29,489 --> 00:22:25,639  
captured on our video so in my lectures

411  
00:22:34,539 --> 00:22:29,499  
that I've been giving since last June i

412  
00:22:38,169 --> 00:22:34,549  
heavily spoke about the point that there

413  
00:22:40,749 --> 00:22:38,179

are certain petroglyphs in dinosaur

414

00:22:43,449 --> 00:22:40,759

national monument that showed this

415

00:22:46,779 --> 00:22:43,459

aerial phenomenon taking place and that

416

00:22:49,239 --> 00:22:46,789

it was transmitting outward out of the

417

00:22:51,669 --> 00:22:49,249

planet and it's there captured by the

418

00:22:58,719 --> 00:22:51,679

indigenous people which are labeled as

419

00:23:03,699 --> 00:22:58,729

Fremont or barrier Canyon and those you

420

00:23:07,359 --> 00:23:03,709

know what they saw is being seen now so

421

00:23:12,430 --> 00:23:07,369

it's just a matter I believe of us

422

00:23:14,829 --> 00:23:12,440

learning more in regards to is what we

423

00:23:17,349 --> 00:23:14,839

are seeing now is it technology is it

424

00:23:19,539 --> 00:23:17,359

artificial intelligent there's an

425

00:23:22,690 --> 00:23:19,549

absolute possibility right we're just

426

00:23:29,349 --> 00:23:22,700

we're just in our infancy of learning

427

00:23:32,310 --> 00:23:29,359

about you know nano technology and other

428

00:23:34,599 --> 00:23:32,320

types of energy that are not

429

00:23:38,609 --> 00:23:34,609

hydrocarbons you know based upon fossil

430

00:23:42,849 --> 00:23:38,619

fuels of that nature so so hopefully

431

00:23:45,039 --> 00:23:42,859

within your lifetime in mind we get to

432

00:23:46,599 --> 00:23:45,049

advanced a little bit more as to the

433

00:23:49,889 --> 00:23:46,609

understanding as to what's taking place

434

00:23:53,199 --> 00:23:49,899

in the southwest of the United State I

435

00:23:57,879 --> 00:23:53,209

am so glad that you brought up the

436

00:24:00,099 --> 00:23:57,889

nanotechnology because one of my most

437

00:24:03,789 --> 00:24:00,109

intriguing sightings I'll just come out

438

00:24:08,799 --> 00:24:03,799

and say it was it took place where

439

00:24:10,749 --> 00:24:08,809

something it seemed was coming forming

440

00:24:16,209 --> 00:24:10,759

it's gonna sound crazy but forming out

441

00:24:19,509 --> 00:24:16,219

of this dark particulate or like like a

442

00:24:22,659 --> 00:24:19,519

swarm of nanotechnology or a swarm of

443

00:24:24,880 --> 00:24:22,669

what you would consider nets or a dark

444

00:24:27,640 --> 00:24:24,890

mist and it became

445

00:24:29,560 --> 00:24:27,650

something very real in perception to

446

00:24:33,460 --> 00:24:29,570

myself and another researcher who's also

447

00:24:36,040 --> 00:24:33,470

named Orion and you know the interesting

448

00:24:37,750 --> 00:24:36,050

thing is you're you're sitting there

449

00:24:40,000 --> 00:24:37,760

wondering okay are we both seeing

450

00:24:42,790 --> 00:24:40,010

something that's not real are we seeing

451  
00:24:45,640 --> 00:24:42,800  
something that is real and you know it

452  
00:24:47,560 --> 00:24:45,650  
did whatever it did and D materialized

453  
00:24:51,460 --> 00:24:47,570  
in the same way I think nanotechnology

454  
00:24:54,970 --> 00:24:51,470  
may be a possible explanation for what

455  
00:24:59,110 --> 00:24:54,980  
we are otherwise considering paranormal

456  
00:25:02,970 --> 00:24:59,120  
magic or I mean like you said that the

457  
00:25:06,450 --> 00:25:02,980  
line between ritual magic cultural

458  
00:25:08,590 --> 00:25:06,460  
inherent connection to the earth and

459  
00:25:15,700 --> 00:25:08,600  
science and technology can be very

460  
00:25:20,920 --> 00:25:15,710  
blurred and gray things that have been

461  
00:25:21,340 --> 00:25:20,930  
written in in in books based upon you

462  
00:25:24,100 --> 00:25:21,350  
know

463  
00:25:26,500 --> 00:25:24,110

skinwalkers and the UN pot basin think

464

00:25:28,810 --> 00:25:26,510

about that people have shot at these

465

00:25:31,960 --> 00:25:28,820

creatures that suddenly appeared out of

466

00:25:34,420 --> 00:25:31,970

nowhere and they just look at them like

467

00:25:36,310 --> 00:25:34,430

nothing happened well what does that

468

00:25:38,920 --> 00:25:36,320

sound like to you and me that sounds

469

00:25:43,840 --> 00:25:38,930

like artificial intelligence artificial

470

00:25:46,510 --> 00:25:43,850

Technology robotics the same system if

471

00:25:50,140 --> 00:25:46,520

you think of shape-shifting from an

472

00:25:53,410 --> 00:25:50,150

engineer's aspect what we're talking

473

00:25:58,050 --> 00:25:53,420

about the ability to cloak we're talking

474

00:25:59,920 --> 00:25:58,060

about maybe the ability to instead of

475

00:26:04,990 --> 00:25:59,930

physically shipped

476

00:26:10,590 --> 00:26:05,000

maybe it's the ability to warp or cause

477

00:26:15,100 --> 00:26:10,600

a change in what others visually see so

478

00:26:18,670 --> 00:26:15,110

like like you said with ritual magic you

479

00:26:20,920 --> 00:26:18,680

know what we considered magic 200 years

480

00:26:23,560 --> 00:26:20,930

we now understand this technology and we

481

00:26:29,170 --> 00:26:23,570

now for us it's just normal basic

482

00:26:33,550 --> 00:26:29,180

science so we're we're going to go in

483

00:26:38,810 --> 00:26:33,560

the future and what we're going to see

484

00:26:42,409 --> 00:26:38,820

in the next 20 30 40 50 years may be

485

00:26:44,539 --> 00:26:42,419

something of a lost advanced culture or

486

00:26:47,409 --> 00:26:44,549

civilization that somebody or something

487

00:26:54,230 --> 00:26:47,419

found I always tell people think about

488

00:26:57,110 --> 00:26:54,240

the priests task in the Maya or in

489

00:27:00,620 --> 00:26:57,120

ancient Egypt maybe they were aware of

490

00:27:03,680 --> 00:27:00,630

or found ancient technology that was

491

00:27:09,440 --> 00:27:03,690

kept within a certain caste group in

492

00:27:11,779 --> 00:27:09,450

order to have power and authority over

493

00:27:14,690 --> 00:27:11,789

the rest of the population so there's

494

00:27:16,999 --> 00:27:14,700

always these possibilities like you said

495

00:27:21,289 --> 00:27:17,009

what's paranormal today may just be

496

00:27:23,869 --> 00:27:21,299

science or be no knowledge tomorrow yeah

497

00:27:26,450 --> 00:27:23,879

and you said something very important

498

00:27:29,419 --> 00:27:26,460

mr. Kenan about these glimmers or

499

00:27:31,970 --> 00:27:29,429

they're like glimpses which is really

500

00:27:35,119 --> 00:27:31,980

these encounters a lot of times or

501  
00:27:38,419 --> 00:27:35,129  
spectacles that seem to just be almost

502  
00:27:41,169 --> 00:27:38,429  
like a pure you're peering into another

503  
00:27:44,119 --> 00:27:41,179  
world for just a matter of moments and

504  
00:27:47,810 --> 00:27:44,129  
you wonder what it is

505  
00:27:51,860 --> 00:27:47,820  
that makes that possible is that this is

506  
00:27:55,990 --> 00:27:51,870  
this earth cursed is it magical is it

507  
00:27:59,149 --> 00:27:56,000  
both it could it be I heard a wonderful

508  
00:28:02,509 --> 00:27:59,159  
recently without giving too much into it

509  
00:28:04,389 --> 00:28:02,519  
a wonderful idea that this this is all

510  
00:28:07,430 --> 00:28:04,399  
subterranean as well from another

511  
00:28:17,299 --> 00:28:07,440  
investigator and there seems to be a lot

512  
00:28:19,810 --> 00:28:17,309  
more validity going in that direction so

513  
00:28:21,999 --> 00:28:19,820

that there's something underground

514

00:28:24,379 --> 00:28:22,009

communicating with something

515

00:28:29,570 --> 00:28:24,389

above-ground especially more than likely

516

00:28:32,720 --> 00:28:29,580

above the Mesa that's just south fort do

517

00:28:37,730 --> 00:28:32,730

saying and then whatever is in the air

518

00:28:42,350 --> 00:28:37,740

aerial is then transmitting outward it's

519

00:28:44,960 --> 00:28:42,360

in the rock art and let's underground or

520

00:28:48,110 --> 00:28:44,970

underneath is a good question but think

521

00:28:50,330 --> 00:28:48,120

about the fact that there was a lot of

522

00:28:52,419 --> 00:28:50,340

gilsu night mining that's been going on

523

00:28:55,730 --> 00:28:52,429

since around the

524

00:28:57,740 --> 00:28:55,740

1800s in these girls tonight minds

525

00:29:02,539 --> 00:28:57,750

well guess and I didn't have it self ISM

526

00:29:04,400 --> 00:29:02,549

this very unique product and it can only

527

00:29:06,440 --> 00:29:04,410

be found in several places in the whole

528

00:29:08,029 --> 00:29:06,450

world and the best deals tonight is

529

00:29:11,930 --> 00:29:08,039

there on the Uintah Basin

530

00:29:14,840 --> 00:29:11,940

but as we were mining and do it creating

531

00:29:18,380 --> 00:29:14,850

all this devastation what did we come

532

00:29:20,779 --> 00:29:18,390

across or come upon and could we have

533

00:29:25,760 --> 00:29:20,789

accidentally activated something again

534

00:29:29,870 --> 00:29:25,770

they will have woken something there are

535

00:29:33,890 --> 00:29:29,880

other ranches in the area north of

536

00:29:36,710 --> 00:29:33,900

skinwalker ranch that look to have what

537

00:29:40,899 --> 00:29:36,720

may very well be ancient mine that

538

00:29:45,620 --> 00:29:40,909

somebody a long time ago was mining and

539

00:29:48,680 --> 00:29:45,630

it's incredible to think that maybe we

540

00:29:52,430 --> 00:29:48,690

aren't the first technologically

541

00:29:57,350 --> 00:29:52,440

advanced civilization here especially in

542

00:30:00,919 --> 00:29:57,360

that area and to find anomalies of this

543

00:30:04,460 --> 00:30:00,929

nature makes you really stop and you

544

00:30:08,659 --> 00:30:04,470

know scratch your head and wonder what's

545

00:30:13,190 --> 00:30:08,669

underground and if we're talking about

546

00:30:15,830 --> 00:30:13,200

maybe you know past catastrophic events

547

00:30:18,830 --> 00:30:15,840

what could have been in that location

548

00:30:23,440 --> 00:30:18,840

you know there was a huge the Utah Lake

549

00:30:28,460 --> 00:30:26,390

what you know what was in it what was

550

00:30:32,600 --> 00:30:28,470

around it who was around it who was

551  
00:30:36,730 --> 00:30:32,610  
living there you know so there are many

552  
00:30:40,640 --> 00:30:36,740  
many possibilities and subterranean is

553  
00:30:43,159 --> 00:30:40,650  
absolutely a possibility and even on a

554  
00:30:49,880 --> 00:30:43,169  
recent television show they came up with

555  
00:30:53,510 --> 00:30:49,890  
GPR anomalies underground that showed

556  
00:30:55,190 --> 00:30:53,520  
the possibility of something below their

557  
00:30:58,700 --> 00:30:55,200  
feet and like I said earlier you know

558  
00:31:02,090 --> 00:30:58,710  
we've only uncovered 5% or less of

559  
00:31:03,470 --> 00:31:02,100  
what's here and that other 95% of stone

560  
00:31:04,100 --> 00:31:03,480  
and these are feet waiting to be

561  
00:31:06,409 --> 00:31:04,110  
discovered

562  
00:31:09,499 --> 00:31:06,419  
it would make sense

563  
00:31:11,419 --> 00:31:09,509

from a let's think about it like where

564

00:31:13,909 --> 00:31:11,429

would we go if there was a catastrophic

565

00:31:16,129 --> 00:31:13,919

event in our time that is where we would

566

00:31:19,909 --> 00:31:16,139

head is underground into bunkers into

567

00:31:22,849 --> 00:31:19,919

caves and tunnel systems and it it it

568

00:31:25,970 --> 00:31:22,859

would be possible I don't know why it

569

00:31:30,080 --> 00:31:25,980

wouldn't I do think that a lot of the

570

00:31:32,930 --> 00:31:30,090

verbage in these ancient cultures it's

571

00:31:35,690 --> 00:31:32,940

hard to ignore it isn't like it could be

572

00:31:38,599 --> 00:31:35,700

underground or it might be no it's under

573

00:31:41,210 --> 00:31:38,609

there it's under there and I want to

574

00:31:42,590 --> 00:31:41,220

bring up your book just so everybody is

575

00:31:45,619 --> 00:31:42,600

sure to get it it's called the

576

00:31:47,899 --> 00:31:45,629

shapeshifter scare the UFO and an alien

577

00:31:49,970 --> 00:31:47,909

series by James Keenan what I liked

578

00:31:52,099 --> 00:31:49,980

about this book is in northeastern Utah

579

00:31:54,169 --> 00:31:52,109

which is really cool and it brings up a

580

00:31:56,239 --> 00:31:54,179

lot of the topics we're mentioning but

581

00:31:59,389 --> 00:31:56,249

it's aimed at a younger crowd which is

582

00:32:01,549 --> 00:31:59,399

really tough to do nowadays I know Tom

583

00:32:04,690 --> 00:32:01,559

DeLonge is trying I think he kind of

584

00:32:07,999 --> 00:32:04,700

nailed it though in that same way these

585

00:32:10,849 --> 00:32:08,009

elemental aspects you know and this

586

00:32:14,029 --> 00:32:10,859

giant lake that you're mentioning a very

587

00:32:17,659 --> 00:32:14,039

strange thing happened recently at a

588

00:32:19,779 --> 00:32:17,669

property I own in this area some

589

00:32:24,560 --> 00:32:19,789

lightning struck there was some loss of

590

00:32:25,999 --> 00:32:24,570

material an RV other other things not to

591

00:32:29,509 --> 00:32:26,009

get into that but the interesting thing

592

00:32:32,149 --> 00:32:29,519

is the ground underneath as debris was

593

00:32:35,060 --> 00:32:32,159

being cleared in that you realize that a

594

00:32:37,369 --> 00:32:35,070

lot of it is made up of their shells

595

00:32:40,430 --> 00:32:37,379

galore there are arrow heads everywhere

596

00:32:46,430 --> 00:32:40,440

shells galore so this this could have

597

00:32:49,879 --> 00:32:46,440

been a very interesting area definitely

598

00:32:53,269 --> 00:32:49,889

with you know the children my first book

599

00:32:56,869 --> 00:32:53,279

is UFO and alien went into you ology now

600

00:32:59,060 --> 00:32:56,879

it goes into shape-shifting and Native

601  
00:33:01,580 --> 00:32:59,070  
American culture and then the third

602  
00:33:06,070 --> 00:33:01,590  
final series will be with cryptozoology

603  
00:33:11,090 --> 00:33:06,080  
and Bigfoot but that was to introduce

604  
00:33:13,759 --> 00:33:11,100  
those ages 9 to 13 into that belief

605  
00:33:17,269 --> 00:33:13,769  
system be it us ology paranormal

606  
00:33:18,690 --> 00:33:17,279  
supernatural and to give them not just

607  
00:33:20,729 --> 00:33:18,700  
the terminology

608  
00:33:25,109 --> 00:33:20,739  
the understanding of the possibilities

609  
00:33:28,859 --> 00:33:25,119  
and to you know open up their

610  
00:33:31,889 --> 00:33:28,869  
imagination to hopefully discovering

611  
00:33:34,499 --> 00:33:31,899  
that science and paranormal which is

612  
00:33:36,389 --> 00:33:34,509  
just what we don't understand yet is

613  
00:33:39,539 --> 00:33:36,399

really one in the same at some point

614

00:33:41,609 --> 00:33:39,549

paranormal maybe our science and then to

615

00:33:45,090 --> 00:33:41,619

also introduce you know the kids to

616

00:33:49,320 --> 00:33:45,100

moral dilemmas and how to overcome them

617

00:33:50,879 --> 00:33:49,330

and then to go to the second part of

618

00:33:55,830 --> 00:33:50,889

what you were discussing yeah absolutely

619

00:34:00,239 --> 00:33:55,840

so there was this fire unfortunately and

620

00:34:02,999 --> 00:34:00,249

at the research center you know the

621

00:34:06,599 --> 00:34:03,009

whole building was lost and I happen to

622

00:34:11,700 --> 00:34:06,609

be out there five or six weeks earlier

623

00:34:15,720 --> 00:34:11,710

and I discovered magnetic differential

624

00:34:19,829 --> 00:34:15,730

anomalies feet from where that fire was

625

00:34:22,470 --> 00:34:19,839

and we were talking you know we're

626

00:34:24,899 --> 00:34:22,480

talking about these incredible

627

00:34:31,200 --> 00:34:24,909

differences in the magnetic field of the

628

00:34:34,770 --> 00:34:31,210

earth and I went over 80 data point and

629

00:34:38,569 --> 00:34:34,780

there was only three of these on the

630

00:34:41,460 --> 00:34:38,579

Uintah Basin and crazy there in a row

631

00:34:44,460 --> 00:34:41,470

one happens to be there at the research

632

00:34:47,990 --> 00:34:44,470

center and it's only a six inch in

633

00:34:51,210 --> 00:34:48,000

diameter area and then the other two are

634

00:34:51,690 --> 00:34:51,220

approximately two miles away straight as

635

00:34:57,150 --> 00:34:51,700

an arrow

636

00:35:00,059 --> 00:34:57,160

and then we have this show on one of the

637

00:35:03,740 --> 00:35:00,069

channels recently that say that had this

638

00:35:06,180 --> 00:35:03,750

model done by a physicist showing these

639

00:35:09,359 --> 00:35:06,190

light anomalies coming up out of the

640

00:35:11,160 --> 00:35:09,369

ground of energy well that would match

641

00:35:14,039 --> 00:35:11,170

perfectly with what I found with this

642

00:35:15,930 --> 00:35:14,049

proton magnetometer and these magnetic

643

00:35:20,339 --> 00:35:15,940

differences and we're talking about huge

644

00:35:21,990 --> 00:35:20,349

changes in Miller God's reading so you

645

00:35:24,870 --> 00:35:22,000

can ask yourself what the hell is going

646

00:35:27,640 --> 00:35:24,880

on what is the cause of this magnetic

647

00:35:29,590 --> 00:35:27,650

difference and it is obviously a magma

648

00:35:31,450 --> 00:35:29,600

big difference there could be electrical

649

00:35:34,680 --> 00:35:31,460

and then you know together an

650

00:35:39,640 --> 00:35:34,690

electromagnetic and and shift and with

651  
00:35:41,410 --> 00:35:39,650  
the lakes having been there and who

652  
00:35:44,680 --> 00:35:41,420  
knows about past cultures and

653  
00:35:48,760 --> 00:35:44,690  
civilization something subterranean

654  
00:35:52,620 --> 00:35:48,770  
underground is a good possibility as to

655  
00:35:56,290 --> 00:35:52,630  
at least what the energy source is or

656  
00:36:01,150 --> 00:35:56,300  
this unknown phenomena taking place in

657  
00:36:03,190 --> 00:36:01,160  
and around skinwalker ranch around might

658  
00:36:07,960 --> 00:36:03,200  
and around Roosevelt and around Fort

659  
00:36:10,630 --> 00:36:07,970  
Dechaine and youth reservation you you

660  
00:36:13,780 --> 00:36:10,640  
brought up these in interesting and I

661  
00:36:16,840 --> 00:36:13,790  
believe somewhat important sandstone

662  
00:36:19,390 --> 00:36:16,850  
ridge lines I think they are very

663  
00:36:22,510 --> 00:36:19,400

important some of the most amazing

664

00:36:25,570 --> 00:36:22,520

things I've seen are in proximity if not

665

00:36:27,820 --> 00:36:25,580

on ridges I mean the things I've seen

666

00:36:30,670 --> 00:36:27,830

I've seen to get not go too crazy and

667

00:36:32,620 --> 00:36:30,680

wild but I've seen what and I was with

668

00:36:35,830 --> 00:36:32,630

another researcher who's very respected

669

00:36:40,600 --> 00:36:35,840

what can only be described as almost

670

00:36:43,270 --> 00:36:40,610

like a screen of green light coming down

671

00:36:46,780 --> 00:36:43,280

and I hate to say from the heavens but

672

00:36:48,670 --> 00:36:46,790

there was no point of origin so there

673

00:36:51,160 --> 00:36:48,680

was no like you weren't looking at like

674

00:36:52,990 --> 00:36:51,170

a helicopter projecting a hologram onto

675

00:36:54,730 --> 00:36:53,000

the ground with laser beams or you know

676  
00:36:57,450 --> 00:36:54,740  
what I mean you as a human being you

677  
00:37:00,580 --> 00:36:57,460  
would think that we would be able to

678  
00:37:03,220 --> 00:37:00,590  
distinguish between something like that

679  
00:37:06,400 --> 00:37:03,230  
but it seemed like kind of a Skynet

680  
00:37:09,670 --> 00:37:06,410  
coming down on part of this sandstone

681  
00:37:11,920 --> 00:37:09,680  
and it's a very long Ridgeline spans

682  
00:37:15,550 --> 00:37:11,930  
miles and miles and miles and miles

683  
00:37:18,370 --> 00:37:15,560  
the interesting thing from a Native

684  
00:37:21,190 --> 00:37:18,380  
American aspect is that this is also

685  
00:37:25,270 --> 00:37:21,200  
very fertile ground the water tends to

686  
00:37:28,120 --> 00:37:25,280  
follow this area and do you think the

687  
00:37:30,870 --> 00:37:28,130  
water today has something to do with it

688  
00:37:36,270 --> 00:37:30,880

with the water baby phenomenon and other

689

00:37:42,900 --> 00:37:38,880

I have not investigated anything having

690

00:37:46,250 --> 00:37:42,910

to do with the water now I've done I've

691

00:37:49,200 --> 00:37:46,260

done an extensive deep dive into

692

00:37:52,860 --> 00:37:49,210

historical nature and details of the

693

00:37:56,190 --> 00:37:52,870

area and I have found some very

694

00:37:57,450 --> 00:37:56,200

interesting phenomena taking place with

695

00:38:00,450 --> 00:37:57,460

the water in and around the area

696

00:38:04,410 --> 00:38:00,460

unfortunately because of an MVA that I

697

00:38:12,560 --> 00:38:04,420

have I'm unable to go into more detail

698

00:38:18,690 --> 00:38:12,570

but there are definitely aspects of

699

00:38:24,300 --> 00:38:18,700

certain physical areas in that area that

700

00:38:27,990 --> 00:38:24,310

are doing something and if we're talking

701  
00:38:30,480 --> 00:38:28,000  
about energy you know we got a look at

702  
00:38:32,700 --> 00:38:30,490  
what our good conductors and you're

703  
00:38:34,410 --> 00:38:32,710  
talking about things like water you're

704  
00:38:41,310 --> 00:38:34,420  
talking about a product Gill tonight

705  
00:38:46,800 --> 00:38:41,320  
which is incredible at moving energy

706  
00:38:50,220 --> 00:38:46,810  
along you're talking about the makeup of

707  
00:38:54,990 --> 00:38:50,230  
that area is sandstone that is very high

708  
00:38:57,660 --> 00:38:55,000  
in quartz it's not exact it's about 40

709  
00:39:00,890 --> 00:38:57,670  
to 60 percent quartz so your faith you

710  
00:39:03,630 --> 00:39:00,900  
have to also consider this piezoelectric

711  
00:39:06,930 --> 00:39:03,640  
possibility of energizing an area with

712  
00:39:09,140 --> 00:39:06,940  
that much port and Gilson ice together

713  
00:39:11,970 --> 00:39:09,150

there's hydro coordinate hydrocarbon

714

00:39:15,620 --> 00:39:11,980

massive amounts underground as a matter

715

00:39:19,860 --> 00:39:15,630

of fact were they working well Jeff

716

00:39:23,490 --> 00:39:19,870

South rest of skinwalker ranch on

717

00:39:27,090 --> 00:39:23,500

another ranchers property so you've got

718

00:39:30,360 --> 00:39:27,100

to look at what's under the bear and

719

00:39:33,750 --> 00:39:30,370

then you've got to also look at this

720

00:39:36,150 --> 00:39:33,760

Mesa it seems that the may said that is

721

00:39:41,550 --> 00:39:36,160

south of Fort de Shane north of

722

00:39:44,220 --> 00:39:41,560

skinwalker ranch has a lot of energy and

723

00:39:46,830 --> 00:39:44,230

seems to many times be the focal point

724

00:39:49,160 --> 00:39:46,840

of what's going on then you have to

725

00:39:54,440 --> 00:39:49,170

consider that you have these huge

726

00:40:00,170 --> 00:39:54,450

massive 500,000 plus kilowatt lines go

727

00:40:02,930 --> 00:40:00,180

up across that area and those lines

728

00:40:06,260 --> 00:40:02,940

aren't always clean so they're

729

00:40:10,099 --> 00:40:06,270

constantly tracking and they're putting

730

00:40:14,089 --> 00:40:10,109

more energy out more output into that

731

00:40:15,680 --> 00:40:14,099

area so what are we charging like you

732

00:40:17,539 --> 00:40:15,690

said maybe through the water

733

00:40:20,510 --> 00:40:17,549

maybe it's carrying through there we

734

00:40:24,589 --> 00:40:20,520

have this highly energized area with a

735

00:40:26,990 --> 00:40:24,599

lot of strange happening and people tell

736

00:40:29,750 --> 00:40:27,000

me they're like come on you're saying

737

00:40:33,770 --> 00:40:29,760

that all this was happening until you go

738

00:40:35,329 --> 00:40:33,780

there and experience it you just really

739

00:40:38,270 --> 00:40:35,339

want to understand you can talk to a lot

740

00:40:40,130 --> 00:40:38,280

of people in the area and they all seem

741

00:40:42,980 --> 00:40:40,140

to have some type of story

742

00:40:45,710 --> 00:40:42,990

they may not want to pull it in public

743

00:40:49,430 --> 00:40:45,720

but a lot of life to tell me you know

744

00:40:51,910 --> 00:40:49,440

privately what their experiences were

745

00:40:54,740 --> 00:40:51,920

and then you get a lot of people that

746

00:40:56,809 --> 00:40:54,750

refuse to tell you or they say no

747

00:40:59,569 --> 00:40:56,819

there's nothing going on but then you

748

00:41:02,720 --> 00:40:59,579

dive deeper into their personal history

749

00:41:05,390 --> 00:41:02,730

and you find out that it's possible

750

00:41:08,000 --> 00:41:05,400

because of what religion they belong to

751

00:41:14,780 --> 00:41:08,010

and how strong this religion is in that

752

00:41:19,010 --> 00:41:14,790

area that it may be them trying to stick

753

00:41:20,720 --> 00:41:19,020

to that religious belief and they don't

754

00:41:22,430 --> 00:41:20,730

want to let people know what has

755

00:41:27,079 --> 00:41:22,440

happened or what they've seen take place

756

00:41:31,910 --> 00:41:27,089

so there's a lot going on there seems to

757

00:41:34,039 --> 00:41:31,920

be a lot of different data points coming

758

00:41:36,770 --> 00:41:34,049

together that are helping create the

759

00:41:39,410 --> 00:41:36,780

phenomena and again I always tell people

760

00:41:42,530 --> 00:41:39,420

it's not a single phenomena there seems

761

00:41:44,990 --> 00:41:42,540

to be multiple things that may very well

762

00:41:48,650 --> 00:41:45,000

not have anything to do with one or the

763

00:41:55,180 --> 00:41:48,660

other but they're taking place at the

764

00:41:58,579 --> 00:41:55,190

same time because of what is in or below

765

00:42:01,510 --> 00:41:58,589

the ground there or maybe it's a

766

00:42:02,900 --> 00:42:01,520

combination of what's available

767

00:42:05,450 --> 00:42:02,910

underground

768

00:42:07,910 --> 00:42:05,460

and above ground I think there is a

769

00:42:13,730 --> 00:42:07,920

little bit of both the fact that this

770

00:42:16,910 --> 00:42:13,740

huge power line is scarring this magical

771

00:42:19,490 --> 00:42:16,920

area in and of itself in in my personal

772

00:42:23,000 --> 00:42:19,500

opinion I can't agree enough with you I

773

00:42:27,109 --> 00:42:23,010

see I see billions of dollars being

774

00:42:30,589 --> 00:42:27,119

spent in Europe on this super collider

775

00:42:33,049 --> 00:42:30,599

and to be honest with you I think we

776

00:42:36,049 --> 00:42:33,059

just have a naturally possibly occurring

777

00:42:38,210 --> 00:42:36,059

one of one shape or another taking place

778

00:42:42,400 --> 00:42:38,220

I don't want to call it dark matter but

779

00:42:46,130 --> 00:42:42,410

what we're seeing are things that are

780

00:42:48,020 --> 00:42:46,140

godly with a small G in your encounters

781

00:42:49,490 --> 00:42:48,030

are just like you said magic in the area

782

00:42:52,460 --> 00:42:49,500

when you've encountered the area or

783

00:42:53,839 --> 00:42:52,470

entered the area what are the feelings

784

00:42:58,430 --> 00:42:53,849

you get and what are the thoughts you

785

00:43:01,370 --> 00:42:58,440

have about that I try to do a bit of

786

00:43:04,490 --> 00:43:01,380

both I like to go in and collect a lot

787

00:43:07,519 --> 00:43:04,500

of science hard science data points that

788

00:43:10,339 --> 00:43:07,529

I can present so the technology that I

789

00:43:12,829 --> 00:43:10,349

use or things like a proton magnetometer

790

00:43:18,460 --> 00:43:12,839

ground-penetrating radar long distance

791

00:43:21,559 --> 00:43:18,470

sensing radar things of that nature and

792

00:43:24,109 --> 00:43:21,569

it's interesting because sometimes a

793

00:43:26,450 --> 00:43:24,119

perfectly good piece of equipment now

794

00:43:28,880 --> 00:43:26,460

function and there should be no reason

795

00:43:31,700 --> 00:43:28,890

for it it's never malfunctioned before

796

00:43:33,710 --> 00:43:31,710

and I know people hear this time and

797

00:43:36,380 --> 00:43:33,720

time again on television and they're

798

00:43:39,740 --> 00:43:36,390

like come on the you know the cameras

799

00:43:42,260 --> 00:43:39,750

are rolling so why is it just that piece

800

00:43:45,710 --> 00:43:42,270

of equipment I don't know how to explain

801

00:43:47,569 --> 00:43:45,720

it I don't know but is there a

802

00:43:51,430 --> 00:43:47,579

possibility like you're saying that

803

00:43:58,700 --> 00:43:51,440

there's some type of intelligence there

804

00:44:02,930 --> 00:43:58,710

that manipulating technology that can

805

00:44:07,039 --> 00:44:02,940

understand and maybe even foresee future

806

00:44:11,390 --> 00:44:07,049

events or understand or hear what people

807

00:44:12,859 --> 00:44:11,400

are thinking I don't know I mean you got

808

00:44:14,900 --> 00:44:12,869

to think that there may be other

809

00:44:16,020 --> 00:44:14,910

possibilities if we're talking about a

810

00:44:19,630 --> 00:44:16,030

location that

811

00:44:21,550 --> 00:44:19,640

interdimensional capability will rise

812

00:44:24,430 --> 00:44:21,560

does that not also include space and

813

00:44:28,330 --> 00:44:24,440

time so maybe we're looking at something

814

00:44:31,600 --> 00:44:28,340

that's capable of traversing all time at

815

00:44:33,940 --> 00:44:31,610

once so it already knows what is going

816

00:44:37,600 --> 00:44:33,950

to happen or what happened or what's

817

00:44:39,820 --> 00:44:37,610

happening at the moment these portals

818

00:44:41,550 --> 00:44:39,830

when you talk about a portal what are we

819

00:44:45,760 --> 00:44:41,560

discussing and we talking about

820

00:44:49,390 --> 00:44:45,770

something that's capable of taking us

821

00:44:50,920 --> 00:44:49,400

from point A to point B based on an area

822

00:44:53,470 --> 00:44:50,930

of latitude

823

00:44:56,980 --> 00:44:53,480

that's very capable or is it inner

824

00:44:59,100 --> 00:44:56,990

planetary planetary are we traveling

825

00:45:03,000 --> 00:44:59,110

from one planet to another or is

826

00:45:06,430 --> 00:45:03,010

interdimensional or is it concept of

827

00:45:10,090 --> 00:45:06,440

changing space and time if you're

828

00:45:15,000 --> 00:45:10,100

talking about a ether you know dark

829

00:45:21,190 --> 00:45:15,010

matter what is it what are its

830

00:45:25,660 --> 00:45:21,200

capabilities and if there is some other

831

00:45:32,800 --> 00:45:25,670

type of being or technology that has the

832

00:45:34,660 --> 00:45:32,810

ability to kind of already use the

833

00:45:36,910 --> 00:45:34,670

technology we're just not aware of that

834

00:45:40,150 --> 00:45:36,920

there may be it's capable of

835

00:45:42,910 --> 00:45:40,160

manipulating matter maybe it already is

836

00:45:44,440 --> 00:45:42,920

embedded in this timeline to the point

837

00:45:47,650 --> 00:45:44,450

where it knows what you're going to do

838

00:45:49,420 --> 00:45:47,660

or it just wants to mess with you so

839

00:45:51,400 --> 00:45:49,430

yeah so the cameras are still rolling

840

00:45:53,770 --> 00:45:51,410

the cameras are able to film a person

841

00:45:56,740 --> 00:45:53,780

but the person can't use a drone that

842

00:46:01,000 --> 00:45:56,750

they're trying to fly or turn on the GPR

843

00:46:02,770 --> 00:46:01,010

and it gets frustrating you know you go

844

00:46:04,410 --> 00:46:02,780

out there with fresh batteries or

845

00:46:06,940 --> 00:46:04,420

something you just call a charge in it

846

00:46:08,440 --> 00:46:06,950

completely dead but then you turn on

847

00:46:11,050 --> 00:46:08,450

your cell phone and it's fine

848

00:46:13,690 --> 00:46:11,060

but you know two seconds later you want

849

00:46:15,430 --> 00:46:13,700

a videotape something and your your

850

00:46:19,990 --> 00:46:15,440

phone starts acting up and starts

851  
00:46:22,240 --> 00:46:20,000  
calling random people so there's many

852  
00:46:26,500 --> 00:46:22,250  
possibilities have I experienced it

853  
00:46:29,210 --> 00:46:26,510  
personally yes experienced my technology

854  
00:46:32,359 --> 00:46:29,220  
going haywire for no good

855  
00:46:35,240 --> 00:46:32,369  
and I had even experienced to where I'm

856  
00:46:36,289 --> 00:46:35,250  
standing on a specific data point that

857  
00:46:38,960 --> 00:46:36,299  
I've collected whether there's a

858  
00:46:42,500 --> 00:46:38,970  
magnetic anomaly I walk 10 feet away and

859  
00:46:45,500 --> 00:46:42,510  
my GPS suddenly starts working fine

860  
00:46:50,150 --> 00:46:45,510  
again all the systems come back online I

861  
00:46:52,069 --> 00:46:50,160  
walk back to that area and you and I

862  
00:46:55,069 --> 00:46:52,079  
know I flagged these areas there are

863  
00:46:56,870 --> 00:46:55,079

flags in the ground to where the

864

00:47:00,049 --> 00:46:56,880

anomalies were located and everything

865

00:47:01,519 --> 00:47:00,059

starts acting up again so it's just it's

866

00:47:05,359 --> 00:47:01,529

very interesting it's an interesting

867

00:47:07,339 --> 00:47:05,369

area I think it's so neat that I'd water

868

00:47:10,130 --> 00:47:07,349

may be involved in some way shape or

869

00:47:11,990 --> 00:47:10,140

form you find that all the time even

870

00:47:13,430 --> 00:47:12,000

back east with the native cultures in

871

00:47:15,829 --> 00:47:13,440

the Susquehanna River Valley of

872

00:47:17,839 --> 00:47:15,839

Pennsylvania and other areas where this

873

00:47:20,980 --> 00:47:17,849

magic is explained through these river

874

00:47:23,750 --> 00:47:20,990

valleys and and belief systems but

875

00:47:26,510 --> 00:47:23,760

interdimensional poltergeists traveling

876

00:47:29,240 --> 00:47:26,520

through wormholes into our reality and

877

00:47:32,630 --> 00:47:29,250

and the culture though does a good job

878

00:47:36,079 --> 00:47:32,640

like you mentioned of these open-minded

879

00:47:38,000 --> 00:47:36,089

and I'm blessed or cursed that I'm very

880

00:47:40,519 --> 00:47:38,010

Omni theistic the way I was I was

881

00:47:42,410 --> 00:47:40,529

brought up so when you witness them it

882

00:47:45,410 --> 00:47:42,420

doesn't come as a shocker it doesn't

883

00:47:49,120 --> 00:47:45,420

come as a and I think it's interesting

884

00:47:52,519 --> 00:47:49,130

the way you've aimed this at kids you're

885

00:47:54,650 --> 00:47:52,529

possibly leaving the seeds for the

886

00:47:58,390 --> 00:47:54,660

younger generation to think in a way

887

00:48:01,609 --> 00:47:58,400

that is more open very necessary to the

888

00:48:04,309 --> 00:48:01,619

huge occurrences both scientific and

889

00:48:07,400 --> 00:48:04,319

otherwise that we may be facing and I I

890

00:48:10,160 --> 00:48:07,410

think that's very noble James where can

891

00:48:11,750 --> 00:48:10,170

listeners and others kind of keep up

892

00:48:13,730 --> 00:48:11,760

with what you're doing

893

00:48:20,589 --> 00:48:13,740

what you got going on I'm fascinated by

894

00:48:27,799 --> 00:48:25,309

under James Keenan also under my

895

00:48:31,430 --> 00:48:27,809

original book I have dark shadows and

896

00:48:33,200 --> 00:48:31,440

catastrophe on Facebook and also it's

897

00:48:36,680 --> 00:48:33,210

under dark shadows and catastrophe on

898

00:48:39,980 --> 00:48:36,690

Instagram on Amazon you

899

00:48:42,980 --> 00:48:39,990

you can purchase my books and I also

900

00:48:46,640 --> 00:48:42,990

have an author page that I update every

901

00:48:49,910 --> 00:48:46,650

now and then and my books can be

902
