

**H.E.R.O**

# Jonny Enoch

**Beverly Randolph  
UFOs, Masonry, Tricksters, Thoth  
and the Blue chicken cult.**

**Don't Miss it!**

1  
00:00:16,900 --> 00:00:04,950  
another episode of hero

2  
00:00:23,509 --> 00:00:16,910  
in three two one

3  
00:00:29,509 --> 00:00:26,390  
come blast off in my time machine third

4  
00:00:33,590 --> 00:00:29,519  
eye feeling like a knee vision blast off

5  
00:00:36,549 --> 00:00:33,600  
blast off blast off blast off

6  
00:00:44,229 --> 00:00:36,559  
come blast off in my time machine third

7  
00:00:47,430 --> 00:00:44,239  
eye feeling like

8  
00:00:50,110 --> 00:00:47,440  
blast off on another episode of hero

9  
00:00:52,950 --> 00:00:50,120  
paranormal podcast

10  
00:00:53,830 --> 00:00:52,960  
broadcasting from the base of la madre

11  
00:00:58,150 --> 00:00:53,840  
mountain

12  
00:01:01,990 --> 00:00:58,160  
south of area 51 bringing the most

13  
00:01:05,830 --> 00:01:02,000

rip roaringest never boringest

14

00:01:09,109 --> 00:01:05,840

esoteric podcast deep dive

15

00:01:12,469 --> 00:01:09,119

today's guest exemplifies

16

00:01:13,750 --> 00:01:12,479

the study of esoterica much like past

17

00:01:17,429 --> 00:01:13,760

masters

18

00:01:20,429 --> 00:01:17,439

yes our guest is none other than johnny

19

00:01:21,910 --> 00:01:20,439

enoch serving as a clinical

20

00:01:25,190 --> 00:01:21,920

hypnotherapist

21

00:01:27,270 --> 00:01:25,200

esoteric researcher and writer

22

00:01:28,469 --> 00:01:27,280

he has an unquenchable thirst for

23

00:01:31,749 --> 00:01:28,479

knowledge which is

24

00:01:34,950 --> 00:01:31,759

great for a podcast like this

25

00:01:35,990 --> 00:01:34,960

because any direction we choose stand

26

00:01:38,469 --> 00:01:36,000

assured

27

00:01:39,030 --> 00:01:38,479

johnny is going to be sure to hit it

28

00:01:42,389 --> 00:01:39,040

home

29

00:01:47,109 --> 00:01:42,399

and get us there not only

30

00:01:50,149 --> 00:01:47,119

has he been researching ancient history

31

00:01:54,149 --> 00:01:50,159

hidden symbolism and occult subjects

32

00:01:56,709 --> 00:01:54,159

with tenacity for over 20 years

33

00:01:57,510 --> 00:01:56,719

but his quest for answers about the

34

00:02:00,709 --> 00:01:57,520

unknown

35

00:02:04,230 --> 00:02:00,719

has led him on travel adventures all

36

00:02:07,350 --> 00:02:04,240

over the world he nailed

37

00:02:07,990 --> 00:02:07,360

the pre-covid crisis and was able to

38

00:02:10,229 --> 00:02:08,000

travel when

39  
00:02:11,990 --> 00:02:10,239  
everybody else was hunkered down before

40  
00:02:14,869 --> 00:02:12,000  
it even hit

41  
00:02:15,910 --> 00:02:14,879  
and he did so with such ninja travel

42  
00:02:18,550 --> 00:02:15,920  
accuracy

43  
00:02:19,830 --> 00:02:18,560  
i was wondering where's the crystal ball

44  
00:02:22,869 --> 00:02:19,840  
man

45  
00:02:23,670 --> 00:02:22,879  
i'm very jealous he is currently writing

46  
00:02:26,869 --> 00:02:23,680  
a book

47  
00:02:29,589 --> 00:02:26,879  
on ancient consciousness technologies

48  
00:02:33,190 --> 00:02:29,599  
and lost civilizations and trust me i

49  
00:02:38,229 --> 00:02:36,390  
johnny enoch welcome to the hero

50  
00:02:39,990 --> 00:02:38,239  
paranormal podcast

51  
00:02:42,869 --> 00:02:40,000  
i'm doing great ryan thanks so much

52  
00:02:46,630 --> 00:02:45,110  
great great this is this is sort of your

53  
00:02:49,589 --> 00:02:46,640  
specialty so this is just

54  
00:02:51,750 --> 00:02:49,599  
amazing for me to to touch base with you

55  
00:02:52,630 --> 00:02:51,760  
i wanted to kind of start off because we

56  
00:02:55,589 --> 00:02:52,640  
have

57  
00:02:56,229 --> 00:02:55,599  
all these issues with protests and blm

58  
00:02:59,270 --> 00:02:56,239  
and

59  
00:03:01,110 --> 00:02:59,280  
you know history not recognizing african

60  
00:03:04,070 --> 00:03:01,120  
americans the way it should

61  
00:03:05,509 --> 00:03:04,080  
and i i just wanted to throw something

62  
00:03:06,149 --> 00:03:05,519  
at you i'm sure you're knowledgeable of

63  
00:03:09,589 --> 00:03:06,159

it

64

00:03:11,270 --> 00:03:09,599

and that is uh beverly randolph

65

00:03:13,750 --> 00:03:11,280

what is your knowledge of him and do you

66

00:03:16,149 --> 00:03:13,760

believe that he is an african-american

67

00:03:17,990 --> 00:03:16,159

character in your studies and kind of

68

00:03:19,350 --> 00:03:18,000

all the esoteric that

69

00:03:21,990 --> 00:03:19,360

like many has just kind of been

70

00:03:23,350 --> 00:03:22,000

overlooked yeah well you know pascal

71

00:03:26,229 --> 00:03:23,360

beverly randolph

72

00:03:28,229 --> 00:03:26,239

was a very important figure to not only

73

00:03:32,470 --> 00:03:28,239

the spiritualist movement

74

00:03:34,550 --> 00:03:32,480

but i mean he was a an esoteric

75

00:03:36,470 --> 00:03:34,560

genius of sorts and he was also involved

76

00:03:39,190 --> 00:03:36,480

with sex magic and all kind of

77

00:03:41,110 --> 00:03:39,200

all kinds of experimental mysticism uh

78

00:03:44,229 --> 00:03:41,120

he made a great contribution

79

00:03:46,710 --> 00:03:44,239

into these areas uh as an occultist

80

00:03:48,630 --> 00:03:46,720

and uh when you look at how he was

81

00:03:50,869 --> 00:03:48,640

coming up with his ideas

82

00:03:52,630 --> 00:03:50,879

uh i have a a friend out in vancouver

83

00:03:54,550 --> 00:03:52,640

his name is chris bennett

84

00:03:56,390 --> 00:03:54,560

and uh he's written some great books

85

00:03:59,350 --> 00:03:56,400

like libra 420

86

00:04:01,670 --> 00:03:59,360

and uh sex drugs in the bible where he's

87

00:04:03,030 --> 00:04:01,680

actually explored the ideas of pascal

88

00:04:06,470 --> 00:04:03,040

beverly randolph

89

00:04:09,910 --> 00:04:06,480

entering into these states of mysticism

90

00:04:12,630 --> 00:04:09,920

using cannabis hashish and

91

00:04:14,949 --> 00:04:12,640

other sorts of entheogenic spiritual

92

00:04:18,069 --> 00:04:14,959

mechanisms which is very interesting

93

00:04:21,110 --> 00:04:18,079

but with with randolph i

94

00:04:22,950 --> 00:04:21,120

i suppose that you could say that uh

95

00:04:24,550 --> 00:04:22,960

not only was it a brave territory for

96

00:04:26,870 --> 00:04:24,560

him to enter but

97

00:04:27,590 --> 00:04:26,880

i i just think that he's one of those

98

00:04:30,550 --> 00:04:27,600

people

99

00:04:31,990 --> 00:04:30,560

sometimes it gets overlooked in our

100

00:04:34,790 --> 00:04:32,000

ideas of western

101  
00:04:37,189 --> 00:04:34,800  
mysticism and uh he's he's done some

102  
00:04:39,909 --> 00:04:37,199  
very important work in that area

103  
00:04:41,749 --> 00:04:39,919  
yes i agree i agree it's one of those

104  
00:04:42,150 --> 00:04:41,759  
those strange cases which there's so

105  
00:04:43,670 --> 00:04:42,160  
many

106  
00:04:44,950 --> 00:04:43,680  
of so i mean there is some grounding

107  
00:04:46,629 --> 00:04:44,960  
there and i don't want to get political

108  
00:04:47,830 --> 00:04:46,639  
and go into the blm movement or any of

109  
00:04:48,710 --> 00:04:47,840  
that and i'm sure you don't either

110  
00:04:51,749 --> 00:04:48,720  
johnny

111  
00:04:53,990 --> 00:04:51,759  
but i'm going to just delve

112  
00:04:55,270 --> 00:04:54,000  
deeply as at least as deeply as i can

113  
00:04:57,110 --> 00:04:55,280

and kind of kind of

114

00:04:59,270 --> 00:04:57,120

use your genius in your brain to my

115

00:05:01,909 --> 00:04:59,280

advantage while i've got you on the line

116

00:05:03,990 --> 00:05:01,919

um you're you're too kind you got you

117

00:05:05,670 --> 00:05:04,000

got the same genius brian it takes one

118

00:05:08,310 --> 00:05:05,680

to know one you know i love this it's

119

00:05:10,790 --> 00:05:08,320

like mine's coming together

120

00:05:12,469 --> 00:05:10,800

oh thank you these these ancient

121

00:05:15,350 --> 00:05:12,479

intelligences which are

122

00:05:15,749 --> 00:05:15,360

sort of a specialty of yours in the form

123

00:05:19,830 --> 00:05:15,759

of

124

00:05:22,790 --> 00:05:19,840

united states

125

00:05:24,150 --> 00:05:22,800

what if anything will the future hold

126

00:05:26,469 --> 00:05:24,160

for these small groups

127

00:05:30,550 --> 00:05:26,479

of like dark practicing magical entities

128

00:05:36,950 --> 00:05:33,909

okay so when you see groups of

129

00:05:37,510 --> 00:05:36,960

dark practicing magical entities are we

130

00:05:41,830 --> 00:05:37,520

talking

131

00:05:42,710 --> 00:05:41,840

about group types of magic are we

132

00:05:45,909 --> 00:05:42,720

talking about

133

00:05:47,990 --> 00:05:45,919

multi-dimensional entities or um how do

134

00:05:49,909 --> 00:05:48,000

you want to look at that

135

00:05:51,590 --> 00:05:49,919

you're absolutely right i guess i'm just

136

00:05:52,230 --> 00:05:51,600

kind of throwing them all in the laundry

137

00:05:53,590 --> 00:05:52,240

basket

138

00:05:55,670 --> 00:05:53,600

and handing them to you and that's kind

139

00:05:56,469 --> 00:05:55,680

of not really the easiest way to answer

140

00:05:59,830 --> 00:05:56,479

a question

141

00:06:03,350 --> 00:05:59,840

so the i guess both the observers

142

00:06:04,710 --> 00:06:03,360

that worship uh witness and follow these

143

00:06:08,629 --> 00:06:04,720

entities and then i guess the

144

00:06:13,029 --> 00:06:10,870

well there are many groups out there

145

00:06:15,670 --> 00:06:13,039

that have many different intentions

146

00:06:17,990 --> 00:06:15,680

and these groups are held together

147

00:06:20,230 --> 00:06:18,000

through something called an aggregory

148

00:06:21,909 --> 00:06:20,240

so what an aggregatory is for those of

149

00:06:23,909 --> 00:06:21,919

you out there who are new to these

150

00:06:26,070 --> 00:06:23,919

subjects and agrigory is sort of like an

151  
00:06:28,150 --> 00:06:26,080  
algorithm and it's sort of like an

152  
00:06:30,950 --> 00:06:28,160  
encryption protocol so let's say

153  
00:06:32,469 --> 00:06:30,960  
you wanted to send a message to somebody

154  
00:06:34,469 --> 00:06:32,479  
like even whatsapp and you have

155  
00:06:35,990 --> 00:06:34,479  
encrypted messages or

156  
00:06:37,749 --> 00:06:36,000  
back in the day people talked about a

157  
00:06:39,590 --> 00:06:37,759  
lot about pgp

158  
00:06:41,350 --> 00:06:39,600  
and you have this encryption key well

159  
00:06:45,029 --> 00:06:41,360  
certain groups work under these

160  
00:06:47,670 --> 00:06:45,039  
aggregators energies and ideas

161  
00:06:48,870 --> 00:06:47,680  
and thought forms that surround them and

162  
00:06:51,430 --> 00:06:48,880  
no doubt there

163  
00:06:53,189 --> 00:06:51,440

there are very powerful currents in the

164

00:06:57,110 --> 00:06:53,199

world right now but these

165

00:06:58,469 --> 00:06:57,120

these sort of systems and esoteric ideas

166

00:07:01,270 --> 00:06:58,479

and teachings go back

167

00:07:02,550 --> 00:07:01,280

a long way ryan they go back way into

168

00:07:04,070 --> 00:07:02,560

the ancient world

169

00:07:06,230 --> 00:07:04,080

and there's always been two types of

170

00:07:07,670 --> 00:07:06,240

ideas and two types of thought out there

171

00:07:10,390 --> 00:07:07,680

things that are things that are

172

00:07:12,550 --> 00:07:10,400

practiced you have the esoteric

173

00:07:14,309 --> 00:07:12,560

which of course you know means secret

174

00:07:16,629 --> 00:07:14,319

teachings and ideas

175

00:07:17,510 --> 00:07:16,639

the same as the word occult for example

176

00:07:20,230 --> 00:07:17,520

which just means

177

00:07:21,589 --> 00:07:20,240

hidden or clandestine you know uh the

178

00:07:24,230 --> 00:07:21,599

the hidden teachings

179

00:07:26,070 --> 00:07:24,240

doesn't mean cult it's it's not somebody

180

00:07:28,070 --> 00:07:26,080

that's got a big property with a yellow

181

00:07:30,150 --> 00:07:28,080

school bus where they're singing kumbaya

182

00:07:32,309 --> 00:07:30,160

and passing around the offering plate

183

00:07:33,990 --> 00:07:32,319

uh you know this that's it's got this

184

00:07:35,270 --> 00:07:34,000

idea that people have lumped it in as

185

00:07:38,150 --> 00:07:35,280

something negative

186

00:07:39,909 --> 00:07:38,160

negative but uh occult can something can

187

00:07:42,629 --> 00:07:39,919

be occult for a good reason

188

00:07:44,230 --> 00:07:42,639

uh if it's not appreciated or uh people

189

00:07:44,869 --> 00:07:44,240

don't understand a sort of sacred

190

00:07:51,830 --> 00:07:44,879

knowledge

191

00:07:53,110 --> 00:07:51,840

something that's out and about for

192

00:07:56,390 --> 00:07:53,120

everybody

193

00:07:57,430 --> 00:07:56,400

uh so the idea is is that they're

194

00:08:00,629 --> 00:07:57,440

they're all there are

195

00:08:03,110 --> 00:08:00,639

all kinds of secret teachings

196

00:08:05,270 --> 00:08:03,120

and ways of unlocking abilities and

197

00:08:07,350 --> 00:08:05,280

understanding how the universe works and

198

00:08:09,350 --> 00:08:07,360

peeking behind the curtains

199

00:08:10,550 --> 00:08:09,360

uh that have been reserved for a very

200

00:08:13,670 --> 00:08:10,560

long time

201  
00:08:16,150 --> 00:08:13,680  
for initiates and people who

202  
00:08:17,830 --> 00:08:16,160  
are of a specific caliber so before we

203  
00:08:19,990 --> 00:08:17,840  
go into what is light

204  
00:08:21,749 --> 00:08:20,000  
or what is dark or you know going in

205  
00:08:23,270 --> 00:08:21,759  
between these two ideas

206  
00:08:26,309 --> 00:08:23,280  
uh let me ask you something have you

207  
00:08:28,710 --> 00:08:26,319  
ever heard of the term mystic

208  
00:08:29,510 --> 00:08:28,720  
sure sure it's kind of thrown around

209  
00:08:33,589 --> 00:08:29,520  
often

210  
00:08:35,829 --> 00:08:33,599  
in areas like sedona but yeah you bet

211  
00:08:37,509 --> 00:08:35,839  
okay so when you get the word mystic

212  
00:08:39,990 --> 00:08:37,519  
that actually comes back to one of the

213  
00:08:41,909 --> 00:08:40,000

oldest mystery schools that we have that

214

00:08:43,670 --> 00:08:41,919

was the greatest

215

00:08:46,070 --> 00:08:43,680

of all of antiquity it was the

216

00:08:46,710 --> 00:08:46,080

illusionians uh the illusionian mystery

217

00:08:49,990 --> 00:08:46,720

schools

218

00:08:51,269 --> 00:08:50,000

uh or the dionysian artificers and to

219

00:08:53,910 --> 00:08:51,279

become a mystic

220

00:08:55,030 --> 00:08:53,920

that was associated with being a misty

221

00:08:57,750 --> 00:08:55,040

you would have these uh

222

00:08:58,470 --> 00:08:57,760

inner and outer circles like the epotis

223

00:09:00,389 --> 00:08:58,480

but to come

224

00:09:02,310 --> 00:09:00,399

into your inner the inner circle and the

225

00:09:03,269 --> 00:09:02,320

misty was someone who could see through

226

00:09:05,030 --> 00:09:03,279

the mist

227

00:09:07,269 --> 00:09:05,040

so that's what it be that's what

228

00:09:10,310 --> 00:09:07,279

becoming a mystic was like

229

00:09:11,509 --> 00:09:10,320

so you might say that all around us at

230

00:09:14,150 --> 00:09:11,519

all times

231

00:09:15,350 --> 00:09:14,160

we are surrounded by these different

232

00:09:18,310 --> 00:09:15,360

realities

233

00:09:18,630 --> 00:09:18,320

um and atoms vibrating in different ways

234

00:09:22,550 --> 00:09:18,640

and

235

00:09:26,550 --> 00:09:22,560

idea of relativity from

236

00:09:30,070 --> 00:09:26,560

i mean what your reality is relative to

237

00:09:32,949 --> 00:09:30,080

and so each of us has an ability

238

00:09:34,230 --> 00:09:32,959

to perceive reality a little differently

239

00:09:36,550 --> 00:09:34,240

and you might say

240

00:09:37,990 --> 00:09:36,560

that we have this sort of a gatekeeper

241

00:09:40,470 --> 00:09:38,000

the gatekeeper

242

00:09:41,509 --> 00:09:40,480

is you know allowing us through what we

243

00:09:43,030 --> 00:09:41,519

perceive

244

00:09:45,030 --> 00:09:43,040

through our optic nerve through the

245

00:09:47,670 --> 00:09:45,040

video visual cortices

246

00:09:48,470 --> 00:09:47,680

through how reality is decoded we have a

247

00:09:52,230 --> 00:09:48,480

certain

248

00:09:55,509 --> 00:09:52,240

gatekeeper that keeps us sane now if

249

00:09:56,949 --> 00:09:55,519

that gatekeeper too rapidly if it starts

250

00:09:58,710 --> 00:09:56,959

to come undone it's like

251

00:10:00,310 --> 00:09:58,720

to not to get too graphic here but it's

252

00:10:01,670 --> 00:10:00,320

like a sphincter it kind of keeps

253

00:10:04,790 --> 00:10:01,680

everything in but if too much

254

00:10:05,590 --> 00:10:04,800

comes and and floods this will change

255

00:10:07,350 --> 00:10:05,600

your ego

256

00:10:09,670 --> 00:10:07,360

it will change your your personality

257

00:10:13,030 --> 00:10:09,680

everything will change around you

258

00:10:15,350 --> 00:10:13,040

so it is absolutely necessary that

259

00:10:17,430 --> 00:10:15,360

sometimes these things are taken from

260

00:10:18,630 --> 00:10:17,440

different perceptions because reality is

261

00:10:21,110 --> 00:10:18,640

subjective

262

00:10:21,910 --> 00:10:21,120

reality is decoded differently for every

263

00:10:24,310 --> 00:10:21,920

person

264

00:10:25,269 --> 00:10:24,320

so a lot of these teachings which have

265

00:10:28,470 --> 00:10:25,279

been kept

266

00:10:30,470 --> 00:10:28,480

um kept away uh it is for those

267

00:10:32,389 --> 00:10:30,480

who are ready for it it's it's been put

268

00:10:33,430 --> 00:10:32,399

there it's been hidden in allegory it's

269

00:10:36,069 --> 00:10:33,440

been hidden there

270

00:10:37,350 --> 00:10:36,079

for a certain reason because you know

271

00:10:39,670 --> 00:10:37,360

once these things

272

00:10:41,910 --> 00:10:39,680

and these truths come to people if a

273

00:10:43,590 --> 00:10:41,920

person has a very fragile understanding

274

00:10:46,790 --> 00:10:43,600

or they don't have the correct

275

00:10:47,750 --> 00:10:46,800

intellectual uh capacity uh or

276

00:10:50,949 --> 00:10:47,760

proclivities

277

00:10:51,509 --> 00:10:50,959

that it can start to you know take a

278

00:10:54,150 --> 00:10:51,519

person

279

00:10:55,190 --> 00:10:54,160

and challenge their psyche so needless

280

00:10:57,110 --> 00:10:55,200

to say

281

00:10:58,829 --> 00:10:57,120

for a very very long time we've had a

282

00:11:00,389 --> 00:10:58,839

great understanding on this planet of

283

00:11:03,030 --> 00:11:00,399

multi-dimensional realities

284

00:11:03,990 --> 00:11:03,040

and how to understand this reality and a

285

00:11:06,790 --> 00:11:04,000

science of it

286

00:11:07,829 --> 00:11:06,800

so these schools of thought they do work

287

00:11:11,110 --> 00:11:07,839

with various

288

00:11:13,590 --> 00:11:11,120

um groups and beings and intelligences

289

00:11:14,790 --> 00:11:13,600

uh so a lot more knowledge that you know

290

00:11:16,710 --> 00:11:14,800

in the past

291

00:11:18,389 --> 00:11:16,720

has been off limits will become

292

00:11:20,310 --> 00:11:18,399

available on

293

00:11:21,990 --> 00:11:20,320

you know the bigger stories you know

294

00:11:23,590 --> 00:11:22,000

people will start talking more about

295

00:11:24,710 --> 00:11:23,600

extraterrestrials they will start

296

00:11:28,069 --> 00:11:24,720

talking about

297

00:11:29,829 --> 00:11:28,079

uh the norm of certain um

298

00:11:31,430 --> 00:11:29,839

technologies that allow us to access

299

00:11:35,110 --> 00:11:31,440

different states of consciousness

300

00:11:37,750 --> 00:11:35,120

and mind but the the the finer tuned

301

00:11:39,350 --> 00:11:37,760

instruments of of these things might

302

00:11:42,870 --> 00:11:39,360

become more obscure

303

00:11:45,990 --> 00:11:42,880

as we enter into this world of uh

304

00:11:48,310 --> 00:11:46,000

you know the cancel culture for example

305

00:11:50,069 --> 00:11:48,320

people uh people might be moving into

306

00:11:53,190 --> 00:11:50,079

this area where they might say

307

00:11:55,190 --> 00:11:53,200

um why has certain uh knowledge

308

00:11:57,030 --> 00:11:55,200

you know be hidden into this group or

309

00:11:58,710 --> 00:11:57,040

that group so it might actually go more

310

00:12:00,870 --> 00:11:58,720

obscure into the background

311

00:12:02,629 --> 00:12:00,880

so again the bigger the bigger items of

312

00:12:05,670 --> 00:12:02,639

the news stories will come forward

313

00:12:06,470 --> 00:12:05,680

but the uh smaller details will move

314

00:12:09,590 --> 00:12:06,480

back if that

315

00:12:10,069 --> 00:12:09,600

makes sense yes and i think we've all

316

00:12:12,470 --> 00:12:10,079

sort of

317

00:12:13,430 --> 00:12:12,480

noticed that there has been a shift and

318

00:12:15,509 --> 00:12:13,440

this is

319

00:12:17,110 --> 00:12:15,519

it's been going on for quite a while and

320

00:12:19,190 --> 00:12:17,120

it it's so cliché

321

00:12:21,110 --> 00:12:19,200

talking about the secret and oprah

322

00:12:23,670 --> 00:12:21,120

winfrey but in reality

323

00:12:25,350 --> 00:12:23,680

the new age has kind of embraced this

324

00:12:27,590 --> 00:12:25,360

yeah absolutely but you know you were

325

00:12:31,269 --> 00:12:27,600

talking about statues earlier

326

00:12:33,670 --> 00:12:31,279

and it's it's very interesting because

327

00:12:34,790 --> 00:12:33,680

all of our ancient cultures and

328

00:12:36,829 --> 00:12:34,800

civilizations

329

00:12:38,629 --> 00:12:36,839

they all had statues they had

330

00:12:42,550 --> 00:12:38,639

controversial players they had

331

00:12:45,910 --> 00:12:42,560

gods and goddesses and for the most part

332

00:12:47,509 --> 00:12:45,920

what would what the wise would do is the

333

00:12:47,910 --> 00:12:47,519

wise when they would notice all these

334

00:12:50,230 --> 00:12:47,920

people

335

00:12:51,269 --> 00:12:50,240

bowing before the pre-episode and

336

00:12:54,069 --> 00:12:51,279

worshiping

337

00:12:55,430 --> 00:12:54,079

let's say a statue of even if you go to

338

00:12:57,030 --> 00:12:55,440

the vatican ryan

339

00:12:59,910 --> 00:12:57,040

you'll notice that the vatican people

340

00:13:02,470 --> 00:12:59,920

are kissing the feet off of saint peter

341

00:13:04,389 --> 00:13:02,480

and saint peter it says in the inside

342

00:13:07,509 --> 00:13:04,399

the catholic encyclopedia is

343

00:13:08,470 --> 00:13:07,519

just zeus is jupiter the the ruler of

344

00:13:11,350 --> 00:13:08,480

cassiopeia

345

00:13:12,870 --> 00:13:11,360

so the the wise have always said that

346

00:13:13,670 --> 00:13:12,880

when people were bowing before these

347

00:13:14,829 --> 00:13:13,680

statues

348

00:13:16,949 --> 00:13:14,839

they understood that they were the

349

00:13:19,670 --> 00:13:16,959

personification of great truths

350

00:13:21,030 --> 00:13:19,680

they were the personification of this

351

00:13:24,069 --> 00:13:21,040

theology

352

00:13:26,389 --> 00:13:24,079

um for example saint peter as zeus

353

00:13:28,389 --> 00:13:26,399

is really jupiter in the pageantry in

354

00:13:31,350 --> 00:13:28,399

his life between the gods and goddesses

355

00:13:33,350 --> 00:13:31,360

there was an encoded story there also

356

00:13:36,069 --> 00:13:33,360

about the movement of the stars and

357

00:13:37,430 --> 00:13:36,079

celestial mechanics and this also uh

358

00:13:38,710 --> 00:13:37,440

allowed them to understand a greater

359

00:13:40,470 --> 00:13:38,720

science of life

360

00:13:42,069 --> 00:13:40,480

one day we will understand that our

361

00:13:44,150 --> 00:13:42,079

sciences of today

362

00:13:45,670 --> 00:13:44,160

just like what we have with oppenheimer

363

00:13:47,910 --> 00:13:45,680

who uh looked at

364

00:13:49,030 --> 00:13:47,920

the ancient vedas to learn about the

365

00:13:51,269 --> 00:13:49,040

atomic bomb

366

00:13:53,269 --> 00:13:51,279

or niels bohr and erwin schroeder looked

367

00:13:56,310 --> 00:13:53,279

into the the hindu scriptures

368

00:13:57,990 --> 00:13:56,320

of the bodhida and they they discovered

369

00:14:01,189 --> 00:13:58,000

that here we had

370

00:14:03,030 --> 00:14:01,199

to mechanics discovered that all of our

371

00:14:04,470 --> 00:14:03,040

sciences come from the esoteric they

372

00:14:06,550 --> 00:14:04,480

come from the occult sciences

373

00:14:08,310 --> 00:14:06,560

that's where they derive from and you

374

00:14:11,189 --> 00:14:08,320

know when it comes to these statues

375

00:14:12,870 --> 00:14:11,199

we have to look at these as symbols of

376

00:14:15,430 --> 00:14:12,880

our growth and evolution

377

00:14:16,710 --> 00:14:15,440

and in you know instead of tearing them

378

00:14:18,230 --> 00:14:16,720

down we could put

379

00:14:19,910 --> 00:14:18,240

a plot near them giving them more

380

00:14:22,310 --> 00:14:19,920

context or we could put um

381

00:14:24,230 --> 00:14:22,320

if we have a controversial figure put a

382

00:14:26,069 --> 00:14:24,240

statue up next to it that shows our

383

00:14:28,069 --> 00:14:26,079

diversity and our strength

384

00:14:29,750 --> 00:14:28,079

um you know if there's george george

385

00:14:30,550 --> 00:14:29,760

washington let's say if you if you had

386

00:14:33,030 --> 00:14:30,560

an issue with

387

00:14:35,350 --> 00:14:33,040

those times we could put up next to it

388

00:14:36,790 --> 00:14:35,360

martin luther martin luther king jr or

389

00:14:37,910 --> 00:14:36,800

bruce lee or some of these other great

390

00:14:40,470 --> 00:14:37,920

american figures

391

00:14:42,790 --> 00:14:40,480

i don't know if you're aware of in japan

392

00:14:45,990 --> 00:14:42,800

they have a process called kinsekuro

393

00:14:47,590 --> 00:14:46,000

where they see an imperfect statue or a

394

00:14:49,430 --> 00:14:47,600

sculpture or a bowl

395

00:14:51,269 --> 00:14:49,440

and if it has cracks in it it's seen as

396

00:14:51,590 --> 00:14:51,279

a thing of beauty because they repair it

397

00:14:54,550 --> 00:14:51,600

with

398

00:14:56,389 --> 00:14:54,560

gold in the cracks and the more

399

00:14:57,030 --> 00:14:56,399

imperfections that it comes at the more

400

00:15:02,949 --> 00:14:57,040

beautiful

401  
00:15:03,430 --> 00:15:02,959  
and so true it it seems like there's a

402  
00:15:05,509 --> 00:15:03,440  
lot

403  
00:15:08,150 --> 00:15:05,519  
of people are very polarized and they

404  
00:15:10,790 --> 00:15:08,160  
have a hard time accepting others

405  
00:15:11,509 --> 00:15:10,800  
and unfortunately they don't realize

406  
00:15:14,949 --> 00:15:11,519  
that

407  
00:15:18,150 --> 00:15:14,959  
the omnitheism is not a negative thing

408  
00:15:21,030 --> 00:15:18,160  
it's not a bad thing no uh that's

409  
00:15:23,550 --> 00:15:21,040  
that's the thing i mean once you take a

410  
00:15:26,710 --> 00:15:23,560  
step back if you talk about

411  
00:15:29,269 --> 00:15:26,720  
omnideism or polytheism or any of these

412  
00:15:31,829 --> 00:15:29,279  
concepts once you take a step back

413  
00:15:33,269 --> 00:15:31,839

you will realize that all of our

414

00:15:35,110 --> 00:15:33,279

religions

415

00:15:37,509 --> 00:15:35,120

and all of our traditions come from a

416

00:15:40,470 --> 00:15:37,519

divine spark they all have

417

00:15:41,189 --> 00:15:40,480

a source that leads back into a great

418

00:15:44,230 --> 00:15:41,199

pattern

419

00:15:44,710 --> 00:15:44,240

uh once we detach our uh opinions and

420

00:15:47,910 --> 00:15:44,720

our

421

00:15:49,509 --> 00:15:47,920

them

422

00:15:50,870 --> 00:15:49,519

and you know to bring it back to the

423

00:15:52,069 --> 00:15:50,880

concept that you talked about at the

424

00:15:54,470 --> 00:15:52,079

very beginning

425

00:15:55,430 --> 00:15:54,480

when we talk about ancient intelligences

426

00:15:57,749 --> 00:15:55,440

and we talk about

427

00:15:59,110 --> 00:15:57,759

groups and mystical traditions and

428

00:16:01,910 --> 00:15:59,120

magical orders

429

00:16:03,350 --> 00:16:01,920

let's look at freemasonry for example

430

00:16:05,430 --> 00:16:03,360

freemasonry

431

00:16:06,710 --> 00:16:05,440

and uh i'll go on record saying this

432

00:16:07,990 --> 00:16:06,720

even though a lot of masons will say

433

00:16:11,030 --> 00:16:08,000

it's not a religion

434

00:16:13,670 --> 00:16:11,040

um the freemasonry is

435

00:16:15,110 --> 00:16:13,680

based on the most ancient religion in

436

00:16:17,990 --> 00:16:15,120

the world

437

00:16:19,269 --> 00:16:18,000

if you look at the where the concepts of

438

00:16:21,350 --> 00:16:19,279

it come from and its

439

00:16:22,550 --> 00:16:21,360

its traditions it is the last great

440

00:16:25,110 --> 00:16:22,560

keeper of the mysteries

441

00:16:26,310 --> 00:16:25,120

it's not the only group that has these

442

00:16:30,310 --> 00:16:26,320

sort of keys

443

00:16:31,590 --> 00:16:30,320

and it teaches its initiates

444

00:16:33,749 --> 00:16:31,600

you see this is this is what a lot of

445

00:16:34,389 --> 00:16:33,759

people get lost and they get confused

446

00:16:36,310 --> 00:16:34,399

with

447

00:16:37,509 --> 00:16:36,320

when they start looking at the masonic

448

00:16:39,189 --> 00:16:37,519

orders or

449

00:16:40,790 --> 00:16:39,199

on any of these sort of offsprings like

450

00:16:42,470 --> 00:16:40,800

the golden dawn um

451  
00:16:44,389 --> 00:16:42,480  
or even people looked over at the ordo

452  
00:16:45,269 --> 00:16:44,399  
templi orients or oto or one of those

453  
00:16:48,310 --> 00:16:45,279  
sort of groups

454  
00:16:48,949 --> 00:16:48,320  
um the the keys and the system that they

455  
00:16:54,150 --> 00:16:48,959  
use

456  
00:16:56,389 --> 00:16:54,160  
and symbols and whatnot that you get as

457  
00:16:58,710 --> 00:16:56,399  
a classical education

458  
00:17:00,629 --> 00:16:58,720  
and the classical education is like the

459  
00:17:01,509 --> 00:17:00,639  
trivium and the seven liberal arts and

460  
00:17:03,430 --> 00:17:01,519  
sciences

461  
00:17:04,710 --> 00:17:03,440  
to look at these sort of things and to

462  
00:17:07,669 --> 00:17:04,720  
look at the universe

463  
00:17:09,270 --> 00:17:07,679

um but as you look at these ancient

464

00:17:11,189 --> 00:17:09,280

systems like the kabbalah

465

00:17:12,789 --> 00:17:11,199

uh or any of these practices that came

466

00:17:15,669 --> 00:17:12,799

back these are

467

00:17:17,189 --> 00:17:15,679

some of many of our groups that broke

468

00:17:19,189 --> 00:17:17,199

off and branched out from these

469

00:17:20,230 --> 00:17:19,199

they seeded all the major religions on

470

00:17:22,390 --> 00:17:20,240

our planet

471

00:17:23,990 --> 00:17:22,400

uh and really quickly not to get off too

472

00:17:24,470 --> 00:17:24,000

much in a tangent because i know we

473

00:17:26,309 --> 00:17:24,480

don't

474

00:17:27,669 --> 00:17:26,319

have a whole lot of time to explore all

475

00:17:30,789 --> 00:17:27,679

those things today

476

00:17:34,470 --> 00:17:30,799

but you know uh you know who founded

477

00:17:38,470 --> 00:17:37,430

of course yeah of course when

478

00:17:40,310 --> 00:17:38,480

constantine

479

00:17:41,510 --> 00:17:40,320

founded christianity he talks about

480

00:17:44,230 --> 00:17:41,520

seeing something called the

481

00:17:45,669 --> 00:17:44,240

chiro or the cairo cross and i don't

482

00:17:47,510 --> 00:17:45,679

know if you've ever seen this rhyme but

483

00:17:48,150 --> 00:17:47,520

on the side of a church an orthodox

484

00:17:50,710 --> 00:17:48,160

church

485

00:17:53,029 --> 00:17:50,720

you may have seen like a p with an x in

486

00:17:54,870 --> 00:17:53,039

it it's a special type of cross

487

00:17:56,310 --> 00:17:54,880

and we're told this comes from the

488

00:17:58,710 --> 00:17:56,320

creatures

489

00:17:59,750 --> 00:17:58,720

but actually this is a 2500 year old

490

00:18:03,430 --> 00:17:59,760

symbol

491

00:18:05,430 --> 00:18:03,440

that was used by the secret societies

492

00:18:06,789 --> 00:18:05,440

of the holy roman empire and

493

00:18:09,270 --> 00:18:06,799

constantine's father

494

00:18:10,070 --> 00:18:09,280

chloros who he knows buried in york

495

00:18:12,070 --> 00:18:10,080

england

496

00:18:13,990 --> 00:18:12,080

uh with an alchemical ever burning

497

00:18:15,029 --> 00:18:14,000

mercury lamp that can burn for like two

498

00:18:16,870 --> 00:18:15,039

thousand years

499

00:18:18,150 --> 00:18:16,880

uh as a symbol of this the secret

500

00:18:22,950 --> 00:18:18,160

society he belonged

501  
00:18:24,789 --> 00:18:22,960  
in rome

502  
00:18:26,470 --> 00:18:24,799  
was called the collegium artificament

503  
00:18:29,110 --> 00:18:26,480  
the college of artificers

504  
00:18:30,230 --> 00:18:29,120  
the college of masons the college of

505  
00:18:33,270 --> 00:18:30,240  
craftsmen

506  
00:18:35,990 --> 00:18:33,280  
uh and so when you look at that

507  
00:18:37,190 --> 00:18:36,000  
uh this this secret society is the same

508  
00:18:39,669 --> 00:18:37,200  
as the dionysian

509  
00:18:40,870 --> 00:18:39,679  
art officers this is the group that the

510  
00:18:43,350 --> 00:18:40,880  
knights templars

511  
00:18:45,029 --> 00:18:43,360  
came in contact with and the the templar

512  
00:18:47,270 --> 00:18:45,039  
traditions that were passed down

513  
00:18:49,110 --> 00:18:47,280

uh the all the early egyptian kings were

514

00:18:50,070 --> 00:18:49,120

called the artificers they wore the

515

00:18:51,830 --> 00:18:50,080

apron they

516

00:18:53,590 --> 00:18:51,840

they they were part of the priest craft

517

00:18:56,390 --> 00:18:53,600

they held the mysteries for

518

00:18:56,870 --> 00:18:56,400

thousands of years on this planet uh and

519

00:18:59,190 --> 00:18:56,880

you know in

520

00:19:01,110 --> 00:18:59,200

every cycle that comes along there's

521

00:19:03,510 --> 00:19:01,120

great changes there's great

522

00:19:04,870 --> 00:19:03,520

um knowledge that is preserved behind

523

00:19:06,789 --> 00:19:04,880

the scenes and great

524

00:19:07,990 --> 00:19:06,799

concepts according to the cycles and

525

00:19:10,390 --> 00:19:08,000

ages that we're in

526

00:19:12,310 --> 00:19:10,400

that are there so these these keys these

527

00:19:14,789 --> 00:19:12,320

practices these principles these

528

00:19:15,909 --> 00:19:14,799

concepts that have been seated by the

529

00:19:18,310 --> 00:19:15,919

mystery schools

530

00:19:19,430 --> 00:19:18,320

into our religions and practices they're

531

00:19:21,830 --> 00:19:19,440

they're all around us and it's

532

00:19:23,669 --> 00:19:21,840

fine-tuned into uh an ancient science

533

00:19:26,710 --> 00:19:23,679

and system in our universe

534

00:19:30,070 --> 00:19:26,720

i i think it's so amazing that

535

00:19:32,310 --> 00:19:30,080

the the wealth of knowledge that many

536

00:19:33,750 --> 00:19:32,320

are letting just go right through their

537

00:19:36,549 --> 00:19:33,760

fingertips

538

00:19:38,789 --> 00:19:36,559

is is is phenomenal especially in these

539

00:19:40,070 --> 00:19:38,799

times where we have it at our fingertips

540

00:19:41,909 --> 00:19:40,080

with the internet

541

00:19:43,510 --> 00:19:41,919

an interesting thing johnny you're doing

542

00:19:46,870 --> 00:19:43,520

such a great job in following

543

00:19:47,590 --> 00:19:46,880

in the steps of the masters and i think

544

00:19:49,830 --> 00:19:47,600

you know

545

00:19:51,350 --> 00:19:49,840

it in your opinion i'm gonna i'm gonna

546

00:19:52,230 --> 00:19:51,360

hit you with some questions i think that

547

00:19:55,350 --> 00:19:52,240

are you know are

548

00:19:58,470 --> 00:19:55,360

somewhat telling maybe i could in in my

549

00:19:59,190 --> 00:19:58,480

humble knowledge but interestingly we

550

00:20:06,710 --> 00:19:59,200

have

551  
00:20:09,830 --> 00:20:06,720  
aleister crowley

552  
00:20:10,789 --> 00:20:09,840  
and his pocket swiss tarot deck also

553  
00:20:14,390 --> 00:20:10,799  
based on

554  
00:20:17,669 --> 00:20:14,400  
the same figure historically

555  
00:20:21,430 --> 00:20:17,679  
we have uh blue avians

556  
00:20:22,870 --> 00:20:21,440  
which appear to be somewhat similar

557  
00:20:24,470 --> 00:20:22,880  
are there connections that you found

558  
00:20:25,669 --> 00:20:24,480  
through your research or is this just

559  
00:20:29,110 --> 00:20:25,679  
random

560  
00:20:32,390 --> 00:20:29,120  
possibility okay well

561  
00:20:35,110 --> 00:20:32,400  
let's explore the idea of uh thoth

562  
00:20:36,549 --> 00:20:35,120  
our totes and uh let's let's talk about

563  
00:20:39,510 --> 00:20:36,559

that for a moment

564

00:20:40,070 --> 00:20:39,520

so when you go back to what plutarch

565

00:20:42,630 --> 00:20:40,080

said

566

00:20:43,990 --> 00:20:42,640

and uh i won't go into some long

567

00:20:45,990 --> 00:20:44,000

historical lecture

568

00:20:48,149 --> 00:20:46,000

and borrow your listeners but when you

569

00:20:48,870 --> 00:20:48,159

go back to plutarch he said all the gods

570

00:20:52,149 --> 00:20:48,880

of ancient

571

00:20:54,549 --> 00:20:52,159

egypt were the anti-diluvian which means

572

00:20:57,029 --> 00:20:54,559

pre-flood pre-cataclysmic

573

00:20:58,070 --> 00:20:57,039

kings who are deified or made into gods

574

00:20:59,909 --> 00:20:58,080

after death

575

00:21:01,990 --> 00:20:59,919

so what that means is we have this giant

576

00:21:04,149 --> 00:21:02,000

cataclysmic destruction on the earth

577

00:21:05,029 --> 00:21:04,159

around 12 000 years ago wasn't the first

578

00:21:08,470 --> 00:21:05,039

one

579

00:21:10,549 --> 00:21:08,480

and you might say that there was

580

00:21:13,190 --> 00:21:10,559

sort of an ancient technology on our

581

00:21:15,830 --> 00:21:13,200

planet they used the geomagnetic grids

582

00:21:18,390 --> 00:21:15,840

uh things like pyramids and obelisks to

583

00:21:21,350 --> 00:21:18,400

experiment with energy much like we

584

00:21:22,630 --> 00:21:21,360

might see with haarp and other means of

585

00:21:26,070 --> 00:21:22,640

manipulating these

586

00:21:28,310 --> 00:21:26,080

uh areas so this this could have

587

00:21:30,549 --> 00:21:28,320

very much caused a lot of consequences

588

00:21:32,230 --> 00:21:30,559

by experimenting with electromagnetic

589

00:21:34,870 --> 00:21:32,240

energy and gravity

590

00:21:35,669 --> 00:21:34,880

uh a lot of knowledge was lost a lot of

591

00:21:38,149 --> 00:21:35,679

knowledge was

592

00:21:39,110 --> 00:21:38,159

uh rediscovered by the dynastic

593

00:21:42,870 --> 00:21:39,120

egyptians

594

00:21:45,909 --> 00:21:42,880

so they did personify various symbolism

595

00:21:48,950 --> 00:21:45,919

into these gods and ideas and now

596

00:21:49,909 --> 00:21:48,960

when you talk about uh toast

597

00:21:51,990 --> 00:21:49,919

one of the things that's very

598

00:21:53,669 --> 00:21:52,000

interesting about toth is you'll see

599

00:21:55,350 --> 00:21:53,679

that he's a god portrayed with the head

600

00:21:58,390 --> 00:21:55,360

of an ibis bird

601  
00:21:59,590 --> 00:21:58,400  
and there's a very important king now

602  
00:22:00,390 --> 00:21:59,600  
i'm going to tell you right now this is

603  
00:22:03,190 --> 00:22:00,400  
the most

604  
00:22:04,310 --> 00:22:03,200  
important king in egyptian history to

605  
00:22:06,549 --> 00:22:04,320  
most people

606  
00:22:08,950 --> 00:22:06,559  
uh that look in the mystery traditions

607  
00:22:11,430 --> 00:22:08,960  
and his name is tut moyses iii

608  
00:22:11,990 --> 00:22:11,440  
and top moyses iii he was around the 18th

609  
00:22:13,909 --> 00:22:12,000  
dynasty

610  
00:22:15,350 --> 00:22:13,919  
and he's very important to freemasonry

611  
00:22:16,549 --> 00:22:15,360  
he's extremely important to the

612  
00:22:18,710 --> 00:22:16,559  
rosicrucians

613  
00:22:20,470 --> 00:22:18,720

the rosary christians consider him to be

614

00:22:22,310 --> 00:22:20,480

their deputy grand master

615

00:22:23,510 --> 00:22:22,320

who's an immortal who's still alive

616

00:22:26,310 --> 00:22:23,520

today running the show

617

00:22:27,590 --> 00:22:26,320

from sort of a celestial or astral

618

00:22:29,430 --> 00:22:27,600

astral lodge

619

00:22:31,750 --> 00:22:29,440

uh in fact if you go to amorick you'll

620

00:22:32,789 --> 00:22:31,760

see that his statue in california is in

621

00:22:35,430 --> 00:22:32,799

front of there

622

00:22:36,310 --> 00:22:35,440

now the thing with top moises the third

623

00:22:41,270 --> 00:22:36,320

if you go

624

00:22:42,549 --> 00:22:41,280

into egypt you'll find a place called

625

00:22:45,029 --> 00:22:42,559

herniapolis

626  
00:22:47,350 --> 00:22:45,039  
which is associated with hermes or toth

627  
00:22:50,310 --> 00:22:47,360  
uh today you'll see these two giant

628  
00:22:51,590 --> 00:22:50,320  
statues of jehotti who is sort of this

629  
00:22:53,430 --> 00:22:51,600  
uh do you want to look over

630  
00:22:55,750 --> 00:22:53,440  
at like an eight sort of a figure that

631  
00:22:58,230 --> 00:22:55,760  
means to learn they did

632  
00:22:59,430 --> 00:22:58,240  
symbolizes to learn something but the

633  
00:23:00,630 --> 00:22:59,440  
ibis bird

634  
00:23:03,830 --> 00:23:00,640  
which you have to understand about the

635  
00:23:06,950 --> 00:23:03,840  
ibis and i'm bringing this up because

636  
00:23:07,669 --> 00:23:06,960  
top moses is he's got the name toth in

637  
00:23:10,310 --> 00:23:07,679  
his name

638  
00:23:10,950 --> 00:23:10,320

it's in his cartouche uh of why why

639

00:23:12,470 --> 00:23:10,960

that's there

640

00:23:14,870 --> 00:23:12,480

toth is also where you get the english

641

00:23:17,430 --> 00:23:14,880

word thought from which is associated

642

00:23:19,510 --> 00:23:17,440

with thinking and intellectual ideas

643

00:23:22,070 --> 00:23:19,520

and mercury and all those sort of ideas

644

00:23:25,350 --> 00:23:22,080

so the ibis bird

645

00:23:27,830 --> 00:23:25,360

is a very wise bird it means to be born

646

00:23:29,669 --> 00:23:27,840

wise because the ibis knows how to avoid

647

00:23:32,149 --> 00:23:29,679

storms it knows the perfect place to

648

00:23:34,950 --> 00:23:32,159

land to get the worm in the ground it is

649

00:23:36,149 --> 00:23:34,960

it knows how to avoid danger it's it's a

650

00:23:38,870 --> 00:23:36,159

associated with these

651  
00:23:40,390 --> 00:23:38,880  
these sorts of um intelligences just to

652  
00:23:42,950 --> 00:23:40,400  
have them naturally so

653  
00:23:43,909 --> 00:23:42,960  
moses was a very very interesting title

654  
00:23:46,070 --> 00:23:43,919  
for him to have

655  
00:23:47,350 --> 00:23:46,080  
and that's a long story about who he was

656  
00:23:49,669 --> 00:23:47,360  
we could do a whole show

657  
00:23:52,390 --> 00:23:49,679  
about all the secrets and and things he

658  
00:23:54,149 --> 00:23:52,400  
knew uh in his aunt hatship suit

659  
00:23:56,070 --> 00:23:54,159  
uh because at that time when he was

660  
00:23:59,430 --> 00:23:56,080  
there was the asia all moon

661  
00:24:00,310 --> 00:23:59,440  
and uh it to not have that as a part of

662  
00:24:03,190 --> 00:24:00,320  
his title

663  
00:24:04,789 --> 00:24:03,200

like almond hotep uh it tells you it's

664

00:24:07,190 --> 00:24:04,799

fitting that he was a very

665

00:24:08,470 --> 00:24:07,200

uh important initiate of a special class

666

00:24:11,909 --> 00:24:08,480

of the mystery schools

667

00:24:13,990 --> 00:24:11,919

so tut mozes uh with him

668

00:24:15,110 --> 00:24:14,000

having that connection to toth and the

669

00:24:18,310 --> 00:24:15,120

ivis bird

670

00:24:20,789 --> 00:24:18,320

the ivisberg's colors are really white

671

00:24:21,590 --> 00:24:20,799

black and red okay so there's something

672

00:24:24,710 --> 00:24:21,600

very important

673

00:24:26,149 --> 00:24:24,720

that you have to know because the color

674

00:24:28,549 --> 00:24:26,159

that the mystery school

675

00:24:30,470 --> 00:24:28,559

initiates would uh would write in if he

676  
00:24:30,870 --> 00:24:30,480  
was writing to another initiate he would

677  
00:24:33,909 --> 00:24:30,880  
write

678  
00:24:34,630 --> 00:24:33,919  
in black and this was only reserved for

679  
00:24:37,190 --> 00:24:34,640  
those who'd

680  
00:24:38,070 --> 00:24:37,200  
understood the mysteries it's just like

681  
00:24:40,390 --> 00:24:38,080  
ryan

682  
00:24:41,909 --> 00:24:40,400  
that if you look over where israel or

683  
00:24:44,710 --> 00:24:41,919  
jerusalem is

684  
00:24:45,590 --> 00:24:44,720  
which there's all sorts of secrets in

685  
00:24:47,750 --> 00:24:45,600  
that place

686  
00:24:49,269 --> 00:24:47,760  
uh that's why it's very controversial

687  
00:24:52,710 --> 00:24:49,279  
why it's fought over

688  
00:24:54,870 --> 00:24:52,720

uh that when you look at where israel is

689

00:24:55,950 --> 00:24:54,880

uh it's it's smack dab in the middle of

690

00:25:09,269 --> 00:24:55,960

a

691

00:25:11,350 --> 00:25:09,279

they're written right to left

692

00:25:12,870 --> 00:25:11,360

towards the heart and according to the

693

00:25:14,630 --> 00:25:12,880

mystery traditions any

694

00:25:16,789 --> 00:25:14,640

esoteric knowledge or secret knowledge

695

00:25:18,310 --> 00:25:16,799

was always written towards the heart

696

00:25:20,549 --> 00:25:18,320

and if you look over the left all the

697

00:25:22,310 --> 00:25:20,559

languages west of jerusalem look

698

00:25:23,750 --> 00:25:22,320

look at the languages they're written

699

00:25:26,549 --> 00:25:23,760

left to right

700

00:25:27,029 --> 00:25:26,559

and all the knowledge that you would see

701  
00:25:28,870 --> 00:25:27,039  
that was

702  
00:25:31,350 --> 00:25:28,880  
exoteric or for everyone else the

703  
00:25:33,830 --> 00:25:31,360  
profane was written away from the heart

704  
00:25:35,590 --> 00:25:33,840  
so just like the mystery traditions uh

705  
00:25:38,630 --> 00:25:35,600  
taught moses

706  
00:25:39,590 --> 00:25:38,640  
he would write uh red uh and this comes

707  
00:25:41,750 --> 00:25:39,600  
from the ibisburg

708  
00:25:43,350 --> 00:25:41,760  
for the initiates are sorry black for

709  
00:25:44,630 --> 00:25:43,360  
the initiates but write red for

710  
00:25:46,950 --> 00:25:44,640  
everybody else

711  
00:25:48,470 --> 00:25:46,960  
um which again look at our traditions

712  
00:25:49,750 --> 00:25:48,480  
even if you go to school you use a black

713  
00:25:52,950 --> 00:25:49,760

pen and a red pen

714

00:25:54,230 --> 00:25:52,960

uh etc etc but the color black is also

715

00:25:57,190 --> 00:25:54,240

very important there

716

00:25:58,149 --> 00:25:57,200

because um this also is associated with

717

00:26:00,630 --> 00:25:58,159

alchemy

718

00:26:01,669 --> 00:26:00,640

if the ancient name for egypt was never

719

00:26:03,590 --> 00:26:01,679

egypt

720

00:26:05,269 --> 00:26:03,600

that comes from the greeks uh they

721

00:26:07,430 --> 00:26:05,279

called it egyptos

722

00:26:08,549 --> 00:26:07,440

and it came from a little stele in an

723

00:26:11,830 --> 00:26:08,559

area called memphis

724

00:26:15,190 --> 00:26:11,840

the ancient name from for egypt was

725

00:26:15,909 --> 00:26:15,200

uh chem or kemet which meant the black

726

00:26:18,230 --> 00:26:15,919

land

727

00:26:19,669 --> 00:26:18,240

and it's where we get the word chemistry

728

00:26:22,789 --> 00:26:19,679

and alchemy from

729

00:26:25,110 --> 00:26:22,799

and that's a whole story in itself but

730

00:26:27,190 --> 00:26:25,120

with alchemy there is a process where

731

00:26:29,909 --> 00:26:27,200

you take these black materials

732

00:26:31,269 --> 00:26:29,919

that would flood up from the Nile and

733

00:26:34,149 --> 00:26:31,279

you would turn them into a

734

00:26:35,669 --> 00:26:34,159

sort of a white gold and again this is

735

00:26:38,149 --> 00:26:35,679

where you get the idea of Nicholas

736

00:26:39,990 --> 00:26:38,159

Flamel's philosopher's stone and all the

737

00:26:42,070 --> 00:26:40,000

alchemy in Europe that came down from

738

00:26:43,830 --> 00:26:42,080

the the arabs from el chemia

739

00:26:45,430 --> 00:26:43,840

that they were doing this practice to

740

00:26:47,430 --> 00:26:45,440

get immortality and

741

00:26:49,430 --> 00:26:47,440

you get the legends of saint germain and

742

00:26:51,830 --> 00:26:49,440

paracelsus and everyone else

743

00:26:53,350 --> 00:26:51,840

well there is also a practice in europe

744

00:26:55,269 --> 00:26:53,360

when you see these statues

745

00:26:56,950 --> 00:26:55,279

if you see statues in europe that are

746

00:26:59,590 --> 00:26:56,960

black statues of madonna

747

00:27:01,510 --> 00:26:59,600

or jesus or any of these um holy people

748

00:27:04,710 --> 00:27:01,520

this is an alchemical secret

749

00:27:06,310 --> 00:27:04,720

of turning these materials and the crazy

750

00:27:07,350 --> 00:27:06,320

part about this is that the materials

751

00:27:10,710 --> 00:27:07,360

turn from black

752

00:27:12,230 --> 00:27:10,720

to red then to white when the process of

753

00:27:15,669 --> 00:27:12,240

alchemy takes place

754

00:27:18,310 --> 00:27:15,679

so this pers this this these colors

755

00:27:20,630 --> 00:27:18,320

are very important uh also pay attention

756

00:27:23,029 --> 00:27:20,640

to the colors of the egyptian flag today

757

00:27:24,630 --> 00:27:23,039

uh however when we come to these avian

758

00:27:27,510 --> 00:27:24,640

beings that you talk about

759

00:27:29,190 --> 00:27:27,520

most certainly we get the idea of horus

760

00:27:32,230 --> 00:27:29,200

uh where we also get the name

761

00:27:34,789 --> 00:27:32,240

horizon from the sun rises on the horus

762

00:27:37,510 --> 00:27:34,799

has risen the horizon or that's how many

763

00:27:40,630 --> 00:27:37,520

horuses how many hours you have in a day

764

00:27:43,669 --> 00:27:40,640

uh these messengers these falcons

765

00:27:45,269 --> 00:27:43,679

were also seen as these um

766

00:27:47,190 --> 00:27:45,279

be these sort of creatures that could

767

00:27:50,070 --> 00:27:47,200

bring messages back and forth

768

00:27:51,669 --> 00:27:50,080

between these two worlds uh when we look

769

00:27:54,870 --> 00:27:51,679

at the egyptian underworld

770

00:27:56,789 --> 00:27:54,880

and everything else the duet however

771

00:27:59,110 --> 00:27:56,799

when you talk about what you said with

772

00:28:02,310 --> 00:27:59,120

blue avians i understand there has been

773

00:28:02,870 --> 00:28:02,320

a lot of talk about that and there have

774

00:28:05,909 --> 00:28:02,880

been

775

00:28:07,830 --> 00:28:05,919

many authors used before some of the

776

00:28:08,230 --> 00:28:07,840

popular people today were talking about

777

00:28:11,190 --> 00:28:08,240

it

778

00:28:11,909 --> 00:28:11,200

uh that talked about uh extraterrestrial

779

00:28:14,950 --> 00:28:11,919

contact

780

00:28:15,590 --> 00:28:14,960

experiences with beings that they would

781

00:28:18,070 --> 00:28:15,600

call

782

00:28:19,029 --> 00:28:18,080

blue avians uh one of them i believe was

783

00:28:21,669 --> 00:28:19,039

bonnie meyer

784

00:28:23,909 --> 00:28:21,679

another was asiana dean astiana dean was

785

00:28:26,230 --> 00:28:23,919

a contactee that wrote many many books

786

00:28:27,750 --> 00:28:26,240

from what i have seen from people

787

00:28:29,430 --> 00:28:27,760

discussing this online

788

00:28:31,430 --> 00:28:29,440

that i don't know if people are

789

00:28:32,389 --> 00:28:31,440

recycling that those old stories and

790

00:28:35,669 --> 00:28:32,399

information

791

00:28:36,389 --> 00:28:35,679

um they seem similar in context and

792

00:28:38,389 --> 00:28:36,399

ideas

793

00:28:39,750 --> 00:28:38,399

but are there so many different types of

794

00:28:41,389 --> 00:28:39,760

beings that people

795

00:28:43,510 --> 00:28:41,399

uh have talked about with

796

00:28:45,029 --> 00:28:43,520

extraterrestrials if you look at the

797

00:28:47,110 --> 00:28:45,039

context of all these

798

00:28:48,549 --> 00:28:47,120

experiences over the years it is really

799

00:28:49,830 --> 00:28:48,559

interesting do i think they could be the

800

00:28:52,149 --> 00:28:49,840

same as the

801  
00:28:53,350 --> 00:28:52,159  
ones mentioned in ancient egypt i can't

802  
00:28:55,830 --> 00:28:53,360  
tell you that for sure

803  
00:28:57,190 --> 00:28:55,840  
because uh obviously i don't know the

804  
00:28:59,430 --> 00:28:57,200  
full context of their

805  
00:29:01,269 --> 00:28:59,440  
contact he experiences i do know one

806  
00:29:05,590 --> 00:29:01,279  
thing that there is a lot

807  
00:29:07,110 --> 00:29:05,600  
of symbolism and truth personified

808  
00:29:08,710 --> 00:29:07,120  
into the characteristics of something

809  
00:29:09,430 --> 00:29:08,720  
like the ibis and then applied to a

810  
00:29:11,269 --> 00:29:09,440  
person

811  
00:29:13,350 --> 00:29:11,279  
uh one last thing i want to say about

812  
00:29:15,590 --> 00:29:13,360  
this this is very similar

813  
00:29:16,870 --> 00:29:15,600

to you get a story like someone like

814

00:29:19,990 --> 00:29:16,880

jesus or

815

00:29:23,029 --> 00:29:20,000

uh mithra or zoroaster or

816

00:29:26,470 --> 00:29:23,039

uh dionysus you

817

00:29:29,350 --> 00:29:26,480

did these people did these people exist

818

00:29:31,029 --> 00:29:29,360

uh some will argue well in their legends

819

00:29:33,269 --> 00:29:31,039

like even the legend of samson with

820

00:29:35,830 --> 00:29:33,279

cutting off his heroic locks this is

821

00:29:37,029 --> 00:29:35,840

personified into the coronas of the sun

822

00:29:38,870 --> 00:29:37,039

cutting off the locks

823

00:29:40,470 --> 00:29:38,880

um in the mysteries it's always viewed

824

00:29:42,789 --> 00:29:40,480

that if somebody was a very important

825

00:29:44,230 --> 00:29:42,799

person you would personify or symbolize

826

00:29:45,830 --> 00:29:44,240

something into their story

827

00:29:47,430 --> 00:29:45,840

or their legend it doesn't mean that

828

00:29:49,830 --> 00:29:47,440

they didn't exist because their

829

00:29:51,190 --> 00:29:49,840

their life events are symbolized by the

830

00:29:54,070 --> 00:29:51,200

cycles of the sun

831

00:29:55,269 --> 00:29:54,080

and astrology it just means that this

832

00:29:57,190 --> 00:29:55,279

was a great compliment

833

00:29:58,630 --> 00:29:57,200

so that sort of differentiates the two

834

00:30:01,350 --> 00:29:58,640

if that makes sense

835

00:30:01,750 --> 00:30:01,360

i i think it does at least they they

836

00:30:04,470 --> 00:30:01,760

both

837

00:30:05,510 --> 00:30:04,480

seem to have similarities and like i'm

838

00:30:08,230 --> 00:30:05,520

glad that you brought

839

00:30:09,269 --> 00:30:08,240

uh other other theologies in to kind of

840

00:30:11,830 --> 00:30:09,279

explain that

841

00:30:14,070 --> 00:30:11,840

johnny where do you think this is headed

842

00:30:17,909 --> 00:30:14,080

as far as the esoteric

843

00:30:19,029 --> 00:30:17,919

and the ufo or seeming ufo disclosure

844

00:30:22,630 --> 00:30:19,039

that we've seen so

845

00:30:25,350 --> 00:30:22,640

prevalent in the media well

846

00:30:27,430 --> 00:30:25,360

i would say that if you see more ufo

847

00:30:29,430 --> 00:30:27,440

disclosure in the media

848

00:30:31,110 --> 00:30:29,440

that it is a good sign that people are

849

00:30:32,389 --> 00:30:31,120

at least opening their minds to the

850

00:30:34,630 --> 00:30:32,399

subject matter

851

00:30:36,549 --> 00:30:34,640

i see it as the fast food of disclosure

852

00:30:38,950 --> 00:30:36,559

the things that we see they're

853

00:30:40,389 --> 00:30:38,960

it's like the mcdonald's of disclosure

854

00:30:42,230 --> 00:30:40,399

so there's a lot of people talking about

855

00:30:43,990 --> 00:30:42,240

the tic tac video or they're

856

00:30:45,750 --> 00:30:44,000

they're they're on the fence they're not

857

00:30:48,149 --> 00:30:45,760

sure whether

858

00:30:49,669 --> 00:30:48,159

whether oh my god could somebody have

859

00:30:51,350 --> 00:30:49,679

said something in the new york times

860

00:30:52,230 --> 00:30:51,360

that we've had awkward the off-road

861

00:30:54,870 --> 00:30:52,240

vehicles

862

00:30:55,909 --> 00:30:54,880

and we've been working on them of course

863

00:30:58,230 --> 00:30:55,919

we've been working on

864

00:30:59,190 --> 00:30:58,240

off-world vehicles you had guys like bob

865

00:31:02,950 --> 00:30:59,200

lazar gene

866

00:31:04,549 --> 00:31:02,960

huff uh and uh john lear and all them

867

00:31:06,789 --> 00:31:04,559

talking about s4

868

00:31:08,070 --> 00:31:06,799

dreamland area 51 where he talks about

869

00:31:10,630 --> 00:31:08,080

these nine hangers

870

00:31:12,870 --> 00:31:10,640

and in one of the hangars there was one

871

00:31:13,990 --> 00:31:12,880

that was like a vimana an hp mono then

872

00:31:17,190 --> 00:31:14,000

another that was

873

00:31:18,310 --> 00:31:17,200

like a perfect saucer style ufo with no

874

00:31:21,509 --> 00:31:18,320

right angles

875

00:31:23,669 --> 00:31:21,519

and you had all sorts of disclosure over

876

00:31:26,549 --> 00:31:23,679

the years come up from ben rich from

877

00:31:27,350 --> 00:31:26,559

lockheed skunk works saying that you

878

00:31:29,830 --> 00:31:27,360

know

879

00:31:31,590 --> 00:31:29,840

when we talk about technology we already

880

00:31:34,549 --> 00:31:31,600

have enough technology to take e.t

881

00:31:36,549 --> 00:31:34,559

home i mean how many serious credible

882

00:31:37,029 --> 00:31:36,559

people do you need to come out to tell

883

00:31:39,029 --> 00:31:37,039

us

884

00:31:41,190 --> 00:31:39,039

that this stuff is real uh it's not

885

00:31:42,230 --> 00:31:41,200

until like the mainstream media gives us

886

00:31:45,029 --> 00:31:42,240

a stamp

887

00:31:46,470 --> 00:31:45,039

i i'm not one of those people that is

888

00:31:48,710 --> 00:31:46,480

holding my breath

889

00:31:50,630 --> 00:31:48,720

over the the big time disclosure i think

890

00:31:52,789 --> 00:31:50,640

that a lot of politicians

891

00:31:55,509 --> 00:31:52,799

come out in the news whether you know

892

00:31:59,909 --> 00:31:55,519

it's john podesta talking about ufos

893

00:32:01,830 --> 00:31:59,919

or um a clinton or trump or rubio or one

894

00:32:03,669 --> 00:32:01,840

of them mentioning ufos i think a lot of

895

00:32:05,669 --> 00:32:03,679

them have campaign managers that will

896

00:32:07,029 --> 00:32:05,679

come out and they will say

897

00:32:08,630 --> 00:32:07,039

this is a good way to get yourself on

898

00:32:09,750 --> 00:32:08,640

the news to say that if you get elected

899

00:32:11,750 --> 00:32:09,760

you'll look into this

900

00:32:12,950 --> 00:32:11,760

it's harmless to your campaign and you

901  
00:32:14,950 --> 00:32:12,960  
might as well say it

902  
00:32:16,950 --> 00:32:14,960  
do they actually believe in ufos at the

903  
00:32:18,389 --> 00:32:16,960  
end of the day i don't know

904  
00:32:20,630 --> 00:32:18,399  
uh most certainly you could ask someone

905  
00:32:22,549 --> 00:32:20,640  
like grant cameron about that or

906  
00:32:23,830 --> 00:32:22,559  
um you know like a steep asset or

907  
00:32:25,430 --> 00:32:23,840  
something like that who are out there

908  
00:32:26,389 --> 00:32:25,440  
looking at politicians and taking what

909  
00:32:29,509 --> 00:32:26,399  
they say

910  
00:32:31,669 --> 00:32:29,519  
um to heart and and following up on it

911  
00:32:32,710 --> 00:32:31,679  
for me i personally think what's going

912  
00:32:37,669 --> 00:32:32,720  
to happen

913  
00:32:38,389 --> 00:32:37,679

during this decade is that you're slowly

914

00:32:42,070 --> 00:32:38,399

going to get more

915

00:32:43,909 --> 00:32:42,080

drip drop you will get an idea when we

916

00:32:45,669 --> 00:32:43,919

put up the james webb telescope

917

00:32:47,350 --> 00:32:45,679

when it replaces the hubble you'll start

918

00:32:50,389 --> 00:32:47,360

getting confirmation

919

00:32:53,430 --> 00:32:50,399

that nearby that we have

920

00:32:55,350 --> 00:32:53,440

uh life on other planets and

921

00:32:56,710 --> 00:32:55,360

other solar systems that act like ours

922

00:32:58,230 --> 00:32:56,720

it's going to be like when you

923

00:32:59,830 --> 00:32:58,240

get when you replace the hubble

924

00:33:01,029 --> 00:32:59,840

telescope altogether and when we look at

925

00:33:01,750 --> 00:33:01,039

james webb it's going to be like

926  
00:33:03,669 --> 00:33:01,760  
somebody

927  
00:33:05,029 --> 00:33:03,679  
who needs glasses we all know someone

928  
00:33:07,590 --> 00:33:05,039  
like that that walks around

929  
00:33:08,710 --> 00:33:07,600  
that is seeing everything blurry and

930  
00:33:09,990 --> 00:33:08,720  
they don't see anything then all of a

931  
00:33:11,669 --> 00:33:10,000  
sudden they go get their eyes

932  
00:33:13,110 --> 00:33:11,679  
fixed and they put on a new pair of

933  
00:33:14,870 --> 00:33:13,120  
glasses and they're like oh my god that

934  
00:33:16,149 --> 00:33:14,880  
blurry picture and now has somebody in

935  
00:33:17,509 --> 00:33:16,159  
it waving at me

936  
00:33:19,269 --> 00:33:17,519  
and what you'll find is that you're

937  
00:33:21,029 --> 00:33:19,279  
going to find private companies

938  
00:33:22,870 --> 00:33:21,039

out there like even right now where you

939

00:33:25,110 --> 00:33:22,880

have elon musk

940

00:33:26,950 --> 00:33:25,120

who's very he's very protected and what

941

00:33:29,029 --> 00:33:26,960

he does and very directed in the

942

00:33:30,789 --> 00:33:29,039

uh as far as his efforts and you have

943

00:33:32,710 --> 00:33:30,799

guys like jeff bezos and others

944

00:33:33,990 --> 00:33:32,720

that are in a race right now these these

945

00:33:36,070 --> 00:33:34,000

private corps that

946

00:33:37,669 --> 00:33:36,080

are putting their bids in and that will

947

00:33:38,310 --> 00:33:37,679

give us the tech to go explore these

948

00:33:41,110 --> 00:33:38,320

places

949

00:33:42,630 --> 00:33:41,120

i think it's going to be very much like

950

00:33:43,830 --> 00:33:42,640

they're going to put it into our hands

951  
00:33:45,590 --> 00:33:43,840  
so we have this christopher

952  
00:33:46,470 --> 00:33:45,600  
columbus-like experience where we're

953  
00:33:48,710 --> 00:33:46,480  
going out there

954  
00:33:49,830 --> 00:33:48,720  
we're discovering them but i can tell

955  
00:33:51,509 --> 00:33:49,840  
you right now ryan

956  
00:33:53,350 --> 00:33:51,519  
i don't care what people think right now

957  
00:33:55,990 --> 00:33:53,360  
of me saying this but

958  
00:33:56,870 --> 00:33:56,000  
not only have we been visited for a very

959  
00:33:59,110 --> 00:33:56,880  
long time

960  
00:34:00,710 --> 00:33:59,120  
i know that for a fact every one of our

961  
00:34:02,549 --> 00:34:00,720  
ancient religions every one of our

962  
00:34:05,029 --> 00:34:02,559  
cultures is indicative of that

963  
00:34:07,269 --> 00:34:05,039

but a lot of what happens on our planet

964

00:34:09,349 --> 00:34:07,279

today is being dictated from

965

00:34:10,550 --> 00:34:09,359

uh what's going on about 3 000 light

966

00:34:12,950 --> 00:34:10,560

years away from here

967

00:34:14,069 --> 00:34:12,960

and in fact our visitors that come here

968

00:34:17,589 --> 00:34:14,079

that are watching us

969

00:34:19,669 --> 00:34:17,599

like a great zoological experiment they

970

00:34:21,349 --> 00:34:19,679

have all sorts of different intentions

971

00:34:22,790 --> 00:34:21,359

there's different groups here

972

00:34:24,790 --> 00:34:22,800

working with different areas of the

973

00:34:25,349 --> 00:34:24,800

planet for different reasons but they

974

00:34:27,669 --> 00:34:25,359

also

975

00:34:28,389 --> 00:34:27,679

watch things on earth they watch earth

976

00:34:29,990 --> 00:34:28,399

tv

977

00:34:31,669 --> 00:34:30,000

i happen to know for a fact that they

978

00:34:33,510 --> 00:34:31,679

watch the super bowl

979

00:34:34,950 --> 00:34:33,520

and they watch other things uh and

980

00:34:36,629 --> 00:34:34,960

they're fascinated by our music and

981

00:34:38,470 --> 00:34:36,639

they're fascinated by us

982

00:34:40,149 --> 00:34:38,480

i'm really glad that you bring up the

983

00:34:42,950 --> 00:34:40,159

super bowl because

984

00:34:44,230 --> 00:34:42,960

it has become a bit of a ritual in it of

985

00:34:47,589 --> 00:34:44,240

itself

986

00:34:50,230 --> 00:34:47,599

but um it it it does seem that that

987

00:34:52,790 --> 00:34:50,240

these sports arenas ever since the

988

00:34:55,430 --> 00:34:52,800

coliseum have been areas of interest

989

00:34:57,030 --> 00:34:55,440

not going down that path necessarily i

990

00:34:58,790 --> 00:34:57,040

wanted to get back to how

991

00:35:00,470 --> 00:34:58,800

funny it is that the people like you

992

00:35:03,829 --> 00:35:00,480

said elon musk

993

00:35:06,310 --> 00:35:03,839

this this recent project and the

994

00:35:06,950 --> 00:35:06,320

anticipation i have friends at nasa i

995

00:35:10,230 --> 00:35:06,960

get it i

996

00:35:13,109 --> 00:35:10,240

love it it's very it's a proud moment

997

00:35:14,790 --> 00:35:13,119

but at the same time the populace has no

998

00:35:18,069 --> 00:35:14,800

idea what we're doing

999

00:35:18,870 --> 00:35:18,079

yeah it's it's a crazy world at the

1000

00:35:21,349 --> 00:35:18,880

moment this

1001  
00:35:22,710 --> 00:35:21,359  
we're going through some changes uh we

1002  
00:35:24,950 --> 00:35:22,720  
we got to look at it as

1003  
00:35:26,230 --> 00:35:24,960  
we're going through a growth and an

1004  
00:35:28,550 --> 00:35:26,240  
evolution

1005  
00:35:30,230 --> 00:35:28,560  
and i know that it's going to be scary

1006  
00:35:32,230 --> 00:35:30,240  
for people at times

1007  
00:35:34,069 --> 00:35:32,240  
uh on this great shift that we're going

1008  
00:35:35,829 --> 00:35:34,079  
through but we have to go

1009  
00:35:38,150 --> 00:35:35,839  
into our hearts we have to go into our

1010  
00:35:38,870 --> 00:35:38,160  
minds and and realize that we chose to

1011  
00:35:40,870 --> 00:35:38,880  
be here

1012  
00:35:42,630 --> 00:35:40,880  
at this particular time you can say

1013  
00:35:44,870 --> 00:35:42,640

we're going to be sped up

1014

00:35:46,390 --> 00:35:44,880

we're going to be going through some

1015

00:35:49,670 --> 00:35:46,400

massive changes

1016

00:35:52,550 --> 00:35:49,680

uh especially after the fall and uh

1017

00:35:53,589 --> 00:35:52,560

it is very amazing that a lot of what we

1018

00:35:55,510 --> 00:35:53,599

see even with these

1019

00:35:57,430 --> 00:35:55,520

different sports arenas and and people

1020

00:36:00,150 --> 00:35:57,440

getting very emotional about that

1021

00:36:01,750 --> 00:36:00,160

is it just goes to show that thinking is

1022

00:36:03,589 --> 00:36:01,760

hard work a lot of people

1023

00:36:05,030 --> 00:36:03,599

uh we've come to this point where we've

1024

00:36:06,630 --> 00:36:05,040

realized a lot of people

1025

00:36:08,790 --> 00:36:06,640

don't like to do their own thinking they

1026

00:36:10,230 --> 00:36:08,800

like the media or another group to think

1027

00:36:11,190 --> 00:36:10,240

for them and tell them what to think and

1028

00:36:14,310 --> 00:36:11,200

what to do

1029

00:36:16,150 --> 00:36:14,320

i think even more so than ever

1030

00:36:17,990 --> 00:36:16,160

at this time it's a good it's a good

1031

00:36:18,790 --> 00:36:18,000

lesson for us to remember that we should

1032

00:36:22,150 --> 00:36:18,800

think at least

1033

00:36:25,510 --> 00:36:22,160

one original thought a day and uh

1034

00:36:28,390 --> 00:36:25,520

maybe it is a good time for us to

1035

00:36:29,270 --> 00:36:28,400

realize that the only way out is in uh

1036

00:36:31,670 --> 00:36:29,280

that

1037

00:36:32,870 --> 00:36:31,680

when you want answers you get them in

1038

00:36:36,550 --> 00:36:32,880

quietude

1039

00:36:41,030 --> 00:36:36,560

word

1040

00:36:43,510 --> 00:36:41,040

ron there's an old saying

1041

00:36:44,390 --> 00:36:43,520

it's old wisdom that says be still and

1042

00:36:46,390 --> 00:36:44,400

no

1043

00:36:47,589 --> 00:36:46,400

and i i believe that whether you're an

1044

00:36:50,150 --> 00:36:47,599

esoteric

1045

00:36:51,510 --> 00:36:50,160

or you're a skeptic or whoever you are

1046

00:36:52,230 --> 00:36:51,520

no matter what you're going through in

1047

00:36:53,829 --> 00:36:52,240

your life

1048

00:36:56,470 --> 00:36:53,839

you can get a lot of healing by going

1049

00:36:57,270 --> 00:36:56,480

into nature or just by quieting your

1050

00:37:00,550 --> 00:36:57,280

mind

1051  
00:37:04,069 --> 00:37:00,560  
by going into your heart by just really

1052  
00:37:06,150 --> 00:37:04,079  
um moving into that place of this center

1053  
00:37:09,190 --> 00:37:06,160  
within yourself and within the universe

1054  
00:37:12,069 --> 00:37:09,200  
and a lot of the shirts will come to you

1055  
00:37:13,190 --> 00:37:12,079  
that is great it's johnny it's so rare

1056  
00:37:16,230 --> 00:37:13,200  
to have someone

1057  
00:37:18,630 --> 00:37:16,240  
so genuine and so genuinely dedicated

1058  
00:37:19,430 --> 00:37:18,640  
to the craft of researching esoteric

1059  
00:37:22,230 --> 00:37:19,440  
history

1060  
00:37:22,470 --> 00:37:22,240  
of humanity thanks so much for coming

1061  
00:37:25,589 --> 00:37:22,480  
and

1062  
00:37:26,790 --> 00:37:25,599  
chatting what johnny where can listeners

1063  
00:37:29,109 --> 00:37:26,800

support you

1064

00:37:31,030 --> 00:37:29,119

your efforts and keep up with your

1065

00:37:32,870 --> 00:37:31,040

projects

1066

00:37:34,870 --> 00:37:32,880

well thanks so much for having me on and

1067

00:37:38,470 --> 00:37:34,880

for the kind words ryan

1068

00:37:41,510 --> 00:37:38,480

and uh again it's it's a real pleasure

1069

00:37:43,190 --> 00:37:41,520

and it takes one to no one uh for people

1070

00:37:45,710 --> 00:37:43,200

who want to find out about my work they

1071

00:37:47,750 --> 00:37:45,720

can go to my website at

1072

00:37:48,550 --> 00:37:47,760

[www.metaphysicalsource.com](http://www.metaphysicalsource.com) they can

1073

00:37:51,510 --> 00:37:48,560

follow me

1074

00:37:53,910 --> 00:37:51,520

on instagram at esotericiani or of

1075

00:37:56,150 --> 00:37:53,920

course on facebook at johnny enoch

1076

00:37:58,710 --> 00:37:56,160

and with that being said i think

1077

00:38:01,030 --> 00:37:58,720

everyone listening to this podcast today

1078

00:38:03,030 --> 00:38:01,040

should like it subscribe share it with

1079

00:38:04,870 --> 00:38:03,040

your friends and keep listening to ryan

1080

00:38:07,430 --> 00:38:04,880

he's doing great work

1081

00:38:09,430 --> 00:38:07,440

oh thank you johnny in humble servitude

1082

00:38:10,950 --> 00:38:09,440

thanks again my man all the best until

1083

00:38:14,069 --> 00:38:10,960

we speak again

1084

00:38:18,230 --> 00:38:14,079

i thank you right back at you johnny

1085

00:38:21,950 --> 00:38:18,240

enoch whether it's on gaia

1086

00:38:26,470 --> 00:38:24,550

metaphysicalsource.com

1087

00:38:29,190 --> 00:38:26,480

talk about wishing we could spend the

1088

00:38:30,550 --> 00:38:29,200

rest of the weekend talking about this

1089

00:38:33,910 --> 00:38:30,560

stuff

1090

00:38:36,069 --> 00:38:33,920

was such a great guy extremely helpful

1091

00:38:39,270 --> 00:38:36,079

knowledge

1092

00:38:41,990 --> 00:38:39,280

johnny enoch please support him

1093

00:38:42,470 --> 00:38:42,000

jump on over to metaphysical source dot

1094

00:38:46,390 --> 00:38:42,480

com

1095

00:38:47,589 --> 00:38:46,400

and help a brother out his research is

1096

00:38:52,870 --> 00:38:47,599

for all of us

1097

00:38:57,190 --> 00:38:55,150

if you haven't hopped on over to

1098

00:38:59,910 --> 00:38:57,200

heroparanormal.com

1099

00:39:00,470 --> 00:38:59,920

please do i'll be grateful for that too

1100

00:39:03,030 --> 00:39:00,480

we have

1101  
00:39:04,710 --> 00:39:03,040  
all kinds of fun merchandise and we're

1102  
00:39:06,710 --> 00:39:04,720  
adding new stuff all the time

1103  
00:39:08,950 --> 00:39:06,720  
like i said we have all kinds of uh

1104  
00:39:10,870 --> 00:39:08,960  
stuff there all the archives there for

1105  
00:39:13,349 --> 00:39:10,880  
you to listen to

1106  
00:39:14,790 --> 00:39:13,359  
in fact i'm going to be putting on my

1107  
00:39:17,829 --> 00:39:14,800  
wife's product

1108  
00:39:21,030 --> 00:39:17,839  
known as spice s-p-y-c-e

1109  
00:39:22,230 --> 00:39:21,040  
it is a all-natural organic bronzer the

1110  
00:39:27,510 --> 00:39:22,240  
only

1111  
00:39:29,829 --> 00:39:27,520  
built to win you'll look like you'll be

1112  
00:39:30,470 --> 00:39:29,839  
tanning all day but the truth is you've

1113  
00:39:33,589 --> 00:39:30,480

been

1114

00:39:36,870 --> 00:39:33,599

working hard reading your library and

1115

00:39:38,870 --> 00:39:36,880

finding the secrets of reality

1116

00:39:39,990 --> 00:39:38,880

we'll be sure to put more products on

1117

00:39:43,510 --> 00:39:40,000

there if they

1118

00:39:45,670 --> 00:39:43,520

pass the smell test until next time

1119

00:39:47,829 --> 00:39:45,680

keep your eyes to the skies feet on the

1120

00:39:57,910 --> 00:39:47,839

ground but don't forget

1121

00:39:57,920 --> 00:40:05,829

[Music]

1122

00:40:05,839 --> 00:40:21,670

come blast off in my time machine sir i

1123

00:40:21,680 --> 00:41:02,340

blast off

1124

00:41:08,550 --> 00:41:05,349

[Music]

1125

00:41:09,510 --> 00:41:08,560

blast off come blast off in my time

1126

00:41:20,490 --> 00:41:09,520

machine
