15

00:01:05,750 --> 00:01:04,879

further ado let me get into what's going

16

00:01:07,670 --> 00:01:05,760

on with rick

17

00:01:09,350 --> 00:01:07,680

we're gonna give him a call here hey

18

00:01:10,390 --> 00:01:09,360

rick how you doing can you still hear us

19

00:01:13,030 --> 00:01:10,400

okay

20

00:01:13,830 --> 00:01:13,040

hey hey everyone what's up buddy hey

21

00:01:15,270 --> 00:01:13,840

it's good to be

22

00:01:17,350 --> 00:01:15,280

talking to you tonight i know that

23

00:01:19,190 --> 00:01:17,360

there's there's a lot going

24

00:01:21,030 --> 00:01:19,200

on in the area that we're probably going

25

00:01:24,469 --> 00:01:21,040

to be discussing

26

00:01:26,950 --> 00:01:24,479

and words i know like words kind of

27

00:01:27,590 --> 00:01:26,960

don't describe the passion that you have

28

00:01:29,429 --> 00:01:27,600

and

29

00:01:31,030 --> 00:01:29,439

a lot of people talk about going up

30

00:01:31,830 --> 00:01:31,040

there and this that and the other thing

31

00:01:33,429 --> 00:01:31,840

but

32

00:01:35,429 --> 00:01:33,439

i'll be honest when i'm up there i only

33

00:01:37,109 --> 00:01:35,439

see yourself and maybe a few others

34

00:01:38,789 --> 00:01:37,119

and you're there often in the hot spots

35

00:01:40,469 --> 00:01:38,799

so when you go up there

36

00:01:43,190 --> 00:01:40,479

what have you seen that keeps you going

37

00:01:49,270 --> 00:01:46,550

oh ryan uh

38

00:01:51,670 --> 00:01:49,280

i i'm addicted to the place first off

39

00:01:55,109 --> 00:01:54,310

from the first time i went out there we

40

00:01:57,830 --> 00:01:55,119

were

41

00:01:58,469 --> 00:01:57,840

seeing lights and we would stay up out

42

00:02:00,950 --> 00:01:58,479

of halls

43

00:02:02,709 --> 00:02:00,960

well so the beginning we didn't even

44

00:02:03,429 --> 00:02:02,719

know where it was at we we just took

45

00:02:06,469 --> 00:02:03,439

some

46

00:02:07,109 --> 00:02:06,479

gps coordinates and a map and we we

47

00:02:10,869 --> 00:02:07,119

found it

48

00:02:11,589 --> 00:02:10,879

and it was just like oh my gosh it's

49

00:02:15,830 --> 00:02:11,599

real so

50

00:02:16,550 --> 00:02:15,840

anyway we we ended up staying a ball

51
00:02:19,270 --> 00:02:16,560
hollow

52
00:02:20,830 --> 00:02:19,280
and we've that's where that's where we

53
00:02:23,430 --> 00:02:20,840
go it's bottle hollow

54
00:02:26,630 --> 00:02:23,440
i it will stay out all night and

55
00:02:30,470 --> 00:02:26,640
skywatch and i haven't seen any features

56
00:02:30,710 --> 00:02:30,480
but we've seen so many different lights

57
00:02:33,430 --> 00:02:30,720
and

58
00:02:33,750 --> 00:02:33,440
things that we cannot explain that it's

59
00:02:36,390 --> 00:02:33,760
just

60
00:02:37,750 --> 00:02:36,400
weird whether it is a man-made vehicle

61
00:02:40,309 --> 00:02:37,760
in the sky or not

62
00:02:42,390 --> 00:02:40,319
it's just nothing i've ever seen before

63
00:02:45,509 --> 00:02:42,400

and every time i go out i

64

00:02:48,070 --> 00:02:45,519

we experience something and

65

00:02:49,589 --> 00:02:48,080

that's why i go back i had a couple

66

00:02:51,589 --> 00:02:49,599

experiences

67

00:02:53,670 --> 00:02:51,599

in my counties i live in utah county

68

00:02:57,190 --> 00:02:53,680

which is probably 20

69

00:03:00,390 --> 00:02:57,200

and i've had experiences there and

70

00:03:03,830 --> 00:03:00,400

i've just been hooked and

71

00:03:06,070 --> 00:03:03,840

i've never seen a consistent up to the

72

00:03:08,149 --> 00:03:06,080

bottle hollow and seeing things in the

73

00:03:09,509 --> 00:03:08,159

sky that i

74

00:03:11,509 --> 00:03:09,519

that's why i go back because i'm never

75

00:03:17,030 --> 00:03:11,519

disappointed

76

00:03:20,229 --> 00:03:17,040

yeah i go with my wife a lot well

77

00:03:21,190 --> 00:03:20,239

and we would go out and the first night

78

00:03:24,309 --> 00:03:21,200

we were there

79

00:03:25,270 --> 00:03:24,319

we were sitting out on the dock at

80

00:03:27,830 --> 00:03:25,280

bottle hollow

81

00:03:29,430 --> 00:03:27,840

right by where the boats launched into

82

00:03:31,750 --> 00:03:29,440

the reservoir

83

00:03:32,869 --> 00:03:31,760

and it's dark outside and we're watching

84

00:03:36,309 --> 00:03:32,879

the sky and it's

85

00:03:40,149 --> 00:03:36,319

nothing going on well we look over and

86

00:03:41,430 --> 00:03:40,159

we see what we think of the airplane

87

00:03:44,830 --> 00:03:41,440

i'm pretty sure it's the airplane i'm

88

00:03:47,270 --> 00:03:44,840

thinking that's an airplane but it has a

89

00:03:47,509 --> 00:03:47,280

spotlight shining from the rear end of

90

00:03:52,789 --> 00:03:47,519

it

91

00:03:54,710 --> 00:03:52,799

that the spotlight stops midair

92

00:03:55,910 --> 00:03:54,720

and i've never never seen that in my

93

00:03:57,990 --> 00:03:55,920

life i don't know

94

00:03:59,429 --> 00:03:58,000

if it's man-made probably is but i've

95

00:04:02,390 --> 00:03:59,439

never seen any

96

00:04:04,550 --> 00:04:02,400

financing do that well it curves and it

97

00:04:07,030 --> 00:04:04,560

ends up flying right

98

00:04:09,030 --> 00:04:07,040

it flies right over our head and it's

99

00:04:11,030 --> 00:04:09,040

got nothing but blue lights

100

00:04:13,030 --> 00:04:11,040

not blinking lights no red lights no

101
00:04:14,789 --> 00:04:13,040
green lights but a bunch of blue lights

102
00:04:16,949 --> 00:04:14,799
and i can't make out the shape of this

103
00:04:19,749 --> 00:04:16,959
thing when it flies over our head

104
00:04:20,949 --> 00:04:19,759
and my wife looks at me and says that's

105
00:04:24,230 --> 00:04:20,959
not an airplane

106
00:04:28,230 --> 00:04:24,240
and it made no noise and i just

107
00:04:31,270 --> 00:04:28,240
i i was dumbfounded and it

108
00:04:32,950 --> 00:04:31,280
we just watched it go off and never

109
00:04:35,350 --> 00:04:32,960
and we just looked at each other and

110
00:04:39,749 --> 00:04:35,360
that's about all what happened with that

111
00:04:42,150 --> 00:04:39,759
and i was like we got to keep coming so

112
00:04:43,990 --> 00:04:42,160
the next time we go out i'm sitting out

113
00:04:47,030 --> 00:04:44,000

there all night and

114

00:04:49,990 --> 00:04:47,040

i see some blinking lights and up

115

00:04:52,150 --> 00:04:50,000

toward looks like they're up by the

116

00:04:55,749 --> 00:04:52,160

stars they're blinking and

117

00:04:57,110 --> 00:04:55,759

uh you

118

00:04:59,350 --> 00:04:57,120

they'll blink and then you won't see

119

00:05:02,310 --> 00:04:59,360

them and then they'll blink again

120

00:05:04,070 --> 00:05:02,320

and i'm waiting i'm i'm kind of trying

121

00:05:07,510 --> 00:05:04,080

to predict its direction

122

00:05:08,710 --> 00:05:07,520

in which this thing's flying and it

123

00:05:10,790 --> 00:05:08,720

should be about right here

124

00:05:12,790 --> 00:05:10,800

well it's not even next time it blinks

125

00:05:14,310 --> 00:05:12,800

it's nowhere even near

126

00:05:16,230 --> 00:05:14,320

way's way and i just blow it off and

127

00:05:16,629 --> 00:05:16,240

don't and and i don't think nothing of

128

00:05:18,070 --> 00:05:16,639

it that

129

00:05:19,670 --> 00:05:18,080

it's probably a satellite and i just

130

00:05:21,909 --> 00:05:19,680

blow it off

131

00:05:23,749 --> 00:05:21,919

well that was that night and the same

132

00:05:25,270 --> 00:05:23,759

night that's all i saw and i was like ah

133

00:05:27,189 --> 00:05:25,280

i'm kind of disappointed

134

00:05:29,189 --> 00:05:27,199

maybe i'm gonna see nothing cool again

135

00:05:29,749 --> 00:05:29,199

well six o'clock in the morning i wake

136

00:05:33,350 --> 00:05:29,759

up

137

00:05:35,029 --> 00:05:33,360

and i look out the window

138

00:05:37,110 --> 00:05:35,039

and i'm looking towards the ranch and

139

00:05:38,390 --> 00:05:37,120

there's a road from the campground that

140

00:05:40,950 --> 00:05:38,400

you can see

141

00:05:42,710 --> 00:05:40,960

it goes around the reservoir well i can

142

00:05:44,790 --> 00:05:42,720

tell it's still dark outside

143

00:05:46,550 --> 00:05:44,800

the sun hasn't come up yet and i can see

144

00:05:48,550 --> 00:05:46,560

this light and it's just one light

145

00:05:51,350 --> 00:05:48,560

and at first i'm like is that like a

146

00:05:53,510 --> 00:05:51,360

motorcycle headlight pointing at us

147

00:05:55,430 --> 00:05:53,520

well i get my binoculars out and i see

148

00:05:57,189 --> 00:05:55,440

the same light and then right next to i

149

00:06:00,950 --> 00:05:57,199

see the little red one

150

00:06:02,790 --> 00:06:00,960

smaller and they're both kind of bobbing

151
00:06:04,230 --> 00:06:02,800
well i can't get focused in to tell what

152
00:06:07,830 --> 00:06:04,240
they are

153
00:06:10,870 --> 00:06:07,840
and so i get out my field scope and

154
00:06:12,790 --> 00:06:10,880
i get it set up and it's wobbling and i

155
00:06:14,629 --> 00:06:12,800
get it and i find and then i got to find

156
00:06:16,469 --> 00:06:14,639
the light again and i focus and i get

157
00:06:17,590 --> 00:06:16,479
focused down by the time i do all this

158
00:06:19,189 --> 00:06:17,600
i'm on the

159
00:06:20,790 --> 00:06:19,199
you probably should have seen me i was

160
00:06:22,629 --> 00:06:20,800
on top of the car laying on the

161
00:06:24,309 --> 00:06:22,639
windshield with my feet on the hood i

162
00:06:27,029 --> 00:06:24,319
looked i probably look really

163
00:06:29,430 --> 00:06:27,039

good to the natives but anyways i'm

164

00:06:32,830 --> 00:06:29,440

watching it by the time i find it again

165

00:06:34,150 --> 00:06:32,840

there's eight lights and they're all

166

00:06:37,350 --> 00:06:34,160

parallel

167

00:06:39,189 --> 00:06:37,360

and from left to right and they're all

168

00:06:41,270 --> 00:06:39,199

equal distance apart and they're all

169

00:06:42,870 --> 00:06:41,280

kind of bobbing up and down slightly

170

00:06:46,390 --> 00:06:42,880

from each other

171

00:06:46,950 --> 00:06:46,400

and well i'm trying to get my wife out

172

00:06:48,550 --> 00:06:46,960

of the car

173

00:06:50,390 --> 00:06:48,560

and she don't want to get up so she

174

00:06:50,710 --> 00:06:50,400

don't even witness it she won't even get

175

00:06:55,430 --> 00:06:50,720

out

176

00:06:57,189 --> 00:06:55,440

we've left we've left

177

00:06:58,550 --> 00:06:57,199

because she just get we'll get a heap of

178

00:06:59,749 --> 00:06:58,560

jebbies sometimes we'll leave it like

179

00:07:01,510 --> 00:06:59,759

two in the morning when we're planning

180

00:07:03,110 --> 00:07:01,520

on staying all weekend we've done that

181

00:07:04,070 --> 00:07:03,120

once and she got heeby jibby's when we

182

00:07:06,710 --> 00:07:04,080

left and

183

00:07:08,150 --> 00:07:06,720

it was kind of a weird night but anyways

184

00:07:09,510 --> 00:07:08,160

watching these eight lights i'm

185

00:07:11,510 --> 00:07:09,520

trying to get her up she won't get up

186

00:07:14,309 --> 00:07:11,520

and i

187

00:07:15,110 --> 00:07:14,319

all of a sudden they all start moving to

188

00:07:16,629 --> 00:07:15,120

the left

189

00:07:18,790 --> 00:07:16,639

i'm not sure what direction that is but

190

00:07:20,150 --> 00:07:18,800

i want to fit to the east

191

00:07:22,070 --> 00:07:20,160

they all start moving to the east i

192

00:07:23,270 --> 00:07:22,080

believe it is i get out there and i

193

00:07:25,270 --> 00:07:23,280

don't have my mountain so i

194

00:07:26,710 --> 00:07:25,280

kind of lose my directions out there but

195

00:07:28,230 --> 00:07:26,720

anyways they all start moving at the

196

00:07:30,150 --> 00:07:28,240

same time like a train

197

00:07:31,350 --> 00:07:30,160

and i had they're going left from my

198

00:07:33,510 --> 00:07:31,360

point of view

199

00:07:35,510 --> 00:07:33,520

and then the front one stops and then

200

00:07:35,909 --> 00:07:35,520

they all collide into each other one at

201
00:07:39,029 --> 00:07:35,919
a time

202
00:07:39,430 --> 00:07:39,039
don't turn into one and and and then it

203
00:07:46,629 --> 00:07:39,440
just

204
00:07:47,270 --> 00:07:46,639
and i've looked in that area in the

205
00:07:49,029 --> 00:07:47,280
daylight

206
00:07:50,390 --> 00:07:49,039
and i've i can't figure out what that

207
00:07:52,070 --> 00:07:50,400
was that that was probably

208
00:07:54,070 --> 00:07:52,080
the one of the weirdest things we've

209
00:07:57,510 --> 00:07:54,080
seen out there besides my recent

210
00:07:59,749 --> 00:07:57,520
sighting but i can't it's

211
00:08:01,189 --> 00:07:59,759
that road is higher than the ground

212
00:08:03,670 --> 00:08:01,199
behind it in the maze

213
00:08:05,749 --> 00:08:03,680

but there's nothing out in between that

214

00:08:08,390 --> 00:08:05,759

and i don't there's power lines but

215

00:08:09,510 --> 00:08:08,400

there's no there's no roads out that way

216

00:08:10,790 --> 00:08:09,520

and nothing

217

00:08:12,230 --> 00:08:10,800

you could tell these lights were higher

218

00:08:13,110 --> 00:08:12,240

than the road you could see the

219

00:08:14,550 --> 00:08:13,120

silhouette of the

220

00:08:17,749 --> 00:08:14,560

where the road was and then you can see

221

00:08:19,270 --> 00:08:17,759

the lights above it so i know it wasn't

222

00:08:20,790 --> 00:08:19,280

it wasn't on the road it was above the

223

00:08:23,830 --> 00:08:20,800

road and i

224

00:08:27,830 --> 00:08:23,840

i don't know what it was and that

225

00:08:31,029 --> 00:08:27,840

i'm still mystified about that one

226

00:08:34,149 --> 00:08:31,039

so we'll see fast forward

227

00:08:35,430 --> 00:08:34,159

a little bit and this last this last

228

00:08:37,269 --> 00:08:35,440

time we went out

229

00:08:39,269 --> 00:08:37,279

my wife wasn't with me i took a friend

230

00:08:40,550 --> 00:08:39,279

that's been itching to go out there he's

231

00:08:41,750 --> 00:08:40,560

never been out there and i thought i'd

232

00:08:44,790 --> 00:08:41,760

take him out there and

233

00:08:48,070 --> 00:08:44,800

i took him out and he he

234

00:08:51,030 --> 00:08:48,080

he didn't seem to like

235

00:08:51,269 --> 00:08:51,040

be as confused as i was like i don't i

236

00:08:54,230 --> 00:08:51,279

don't

237

00:08:54,949 --> 00:08:54,240

think he really was into it as much as i

238

00:08:56,550 --> 00:08:54,959

was but

239

00:08:57,990 --> 00:08:56,560

i'm sitting there and earlier i was

240

00:08:58,790 --> 00:08:58,000

telling you about this light that i seen

241

00:09:00,230 --> 00:08:58,800

blinking around

242

00:09:02,710 --> 00:09:00,240

and it should have been going in a

243

00:09:04,150 --> 00:09:02,720

straight line and but it was

244

00:09:05,430 --> 00:09:04,160

way off from where it should have been

245

00:09:06,389 --> 00:09:05,440

and i blew it off and didn't think

246

00:09:10,150 --> 00:09:06,399

nothing of it

247

00:09:13,990 --> 00:09:10,160

i see the same light and a strobe

248

00:09:16,310 --> 00:09:14,000

it would strobe in the sky and i counted

249

00:09:17,829 --> 00:09:16,320

five seconds in between it before it

250

00:09:20,870 --> 00:09:17,839

would blink again and when it would

251
00:09:22,310 --> 00:09:20,880
not blink and there was no lights you

252
00:09:24,310 --> 00:09:22,320
couldn't see it you would

253
00:09:25,829 --> 00:09:24,320
you wouldn't even know it was there and

254
00:09:27,030 --> 00:09:25,839
it would blink again every five seconds

255
00:09:31,190 --> 00:09:27,040
and it did this probably

256
00:09:33,190 --> 00:09:31,200
20 times ryan and then it just stopped

257
00:09:35,350 --> 00:09:33,200
and it was a there was no clouds in the

258
00:09:38,310 --> 00:09:35,360
sky all stars

259
00:09:40,150 --> 00:09:38,320
and um it just stopped blinking and

260
00:09:42,310 --> 00:09:40,160
never blinked again

261
00:09:43,269 --> 00:09:42,320
it never kept going i don't know where

262
00:09:45,590 --> 00:09:43,279
it went it just

263
00:09:47,430 --> 00:09:45,600

stopped i don't know i'm not saying it's

264

00:09:51,190 --> 00:09:47,440

aliens i'm not saying anything but

265

00:09:54,550 --> 00:09:51,200

it's kind of weird in my eyes

266

00:09:56,389 --> 00:09:54,560

it stops and i it never blinks again

267

00:09:57,670 --> 00:09:56,399

we have to have vehicles in the sky our

268

00:09:58,070 --> 00:09:57,680

planes have to have lights on them for a

269

00:09:59,750 --> 00:09:58,080

reason

270

00:10:01,829 --> 00:09:59,760

so there's not add on collisions you

271

00:10:03,190 --> 00:10:01,839

know you got your left and right and if

272

00:10:05,110 --> 00:10:03,200

it's coming out you're away from me

273

00:10:06,470 --> 00:10:05,120

all that stuff i'm not a pilot i don't

274

00:10:08,069 --> 00:10:06,480

know all the intrica

275

00:10:10,310 --> 00:10:08,079

all the details of that but i know we

276

00:10:12,069 --> 00:10:10,320

have to have lights even the military

277

00:10:13,990 --> 00:10:12,079

and we're not in a war zone you have to

278

00:10:15,269 --> 00:10:14,000

have lives

279

00:10:18,150 --> 00:10:15,279

[Music]

280

00:10:19,829 --> 00:10:18,160

that was pretty trippy well not even a

281

00:10:24,550 --> 00:10:19,839

half hour later i'm sitting at the

282

00:10:26,630 --> 00:10:24,560

picnic table and this is right before

283

00:10:27,590 --> 00:10:26,640

i right after i got in trouble by the

284

00:10:30,310 --> 00:10:27,600

host of the camp

285

00:10:31,829 --> 00:10:30,320

because i was venturing off over to over

286

00:10:32,470 --> 00:10:31,839

to the docks well you're not supposed to

287

00:10:34,630 --> 00:10:32,480

leave

288

00:10:35,590 --> 00:10:34,640

the air your your camping area i guess

289

00:10:36,310 --> 00:10:35,600

they don't you're not even supposed to

290

00:10:38,470 --> 00:10:36,320

go around like

291

00:10:39,430 --> 00:10:38,480

once it's 10 o'clock you can go to store

292

00:10:41,829 --> 00:10:39,440

or whatever but

293

00:10:43,030 --> 00:10:41,839

just you know to go walk around the lake

294

00:10:44,949 --> 00:10:43,040

and stuff they don't i don't know why

295

00:10:47,269 --> 00:10:44,959

they don't want you to but you're not

296

00:10:48,710 --> 00:10:47,279

supposed to i don't want to mess with

297

00:10:50,710 --> 00:10:48,720

tribal so i

298

00:10:52,550 --> 00:10:50,720

i i try to obey but i didn't know i

299

00:10:54,470 --> 00:10:52,560

couldn't go over to the dogs

300

00:10:55,670 --> 00:10:54,480

where where there was less light and i

301
00:10:58,470 --> 00:10:55,680
could see this guy better well i'm

302
00:11:01,030 --> 00:10:58,480
sitting there and

303
00:11:02,310 --> 00:11:01,040
i see this shooting star what i think is

304
00:11:04,310 --> 00:11:02,320
a shooting star

305
00:11:06,069 --> 00:11:04,320
it's already low but it comes in like a

306
00:11:06,949 --> 00:11:06,079
shooting star and it has a tell and it

307
00:11:09,990 --> 00:11:06,959
slows down

308
00:11:13,590 --> 00:11:10,000
right above us and

309
00:11:16,550 --> 00:11:13,600
this tail starts catching up to it right

310
00:11:17,990 --> 00:11:16,560
and i don't know what distance it was

311
00:11:21,430 --> 00:11:18,000
but

312
00:11:21,990 --> 00:11:21,440
maybe two inches of tail from my point

313
00:11:23,990 --> 00:11:22,000

of view

314

00:11:26,470 --> 00:11:24,000

when the towel was about to catch up to

315

00:11:29,110 --> 00:11:26,480

whatever whatever was slowing down

316

00:11:30,069 --> 00:11:29,120

right before it caught up to it this

317

00:11:33,190 --> 00:11:30,079

thing

318

00:11:34,870 --> 00:11:33,200

zoomed off again and

319

00:11:36,230 --> 00:11:34,880

i don't know if you've seen anything

320

00:11:39,030 --> 00:11:36,240

like that

321

00:11:40,550 --> 00:11:39,040

but i'm just seeing weird stuff out

322

00:11:40,790 --> 00:11:40,560

there and that's why i keep going back

323

00:11:48,310 --> 00:11:40,800

and

324

00:11:51,829 --> 00:11:48,320

can't wait i want to spend the night at

325

00:11:55,269 --> 00:11:51,839

your place that's what i need to do

326

00:11:58,069 --> 00:11:55,279

does there does seem to be a lot of

327

00:11:59,110 --> 00:11:58,079

similarities to a lot of the sightings

328

00:12:01,590 --> 00:11:59,120

those spotlight

329

00:12:03,190 --> 00:12:01,600

sightings you were just discussing man

330

00:12:05,030 --> 00:12:03,200

those though that sounds like some

331

00:12:07,509 --> 00:12:05,040

really interesting information

332

00:12:08,710 --> 00:12:07,519

and honestly rick i see yourself and

333

00:12:10,870 --> 00:12:08,720

amanda right

334

00:12:11,829 --> 00:12:10,880

all the time up there i mean we it's

335

00:12:16,629 --> 00:12:11,839

it's

336

00:12:18,069 --> 00:12:16,639

in northeastern utah

337

00:12:20,150 --> 00:12:18,079

you're in a basin there's something

338

00:12:21,990 --> 00:12:20,160

about it um have you

339

00:12:23,750 --> 00:12:22,000

had any opportunities to speak with

340

00:12:27,190 --> 00:12:23,760

locals rick and if they told you any

341

00:12:30,629 --> 00:12:30,069

um i i've talked to one person that's

342

00:12:32,870 --> 00:12:30,639

local

343

00:12:34,710 --> 00:12:32,880

and she says she wasn't allowed to say

344

00:12:36,069 --> 00:12:34,720

much and she didn't really go into a lot

345

00:12:38,230 --> 00:12:36,079

of detail but

346

00:12:39,829 --> 00:12:38,240

she was at the reservoir she showed up

347

00:12:43,750 --> 00:12:39,839

in the morning and

348

00:12:48,949 --> 00:12:47,190

three feet she says of foam covering it

349

00:12:50,310 --> 00:12:48,959

there was like three feet of foam

350

00:12:53,509 --> 00:12:50,320

covering the lake

351

00:12:56,870 --> 00:12:53,519

well i find that really odd because if

352

00:12:58,230 --> 00:12:56,880

you ever heard of the this i won't say

353

00:12:59,190 --> 00:12:58,240

story because i don't like word story

354

00:13:04,470 --> 00:12:59,200

but

355

00:13:10,230 --> 00:13:07,910

shadow harbor yeah where the the ufo

356

00:13:12,949 --> 00:13:10,240

flew in and went into the water

357

00:13:14,230 --> 00:13:12,959

and the sailors and locals went out

358

00:13:17,269 --> 00:13:14,240

there thinking it was a plane

359

00:13:18,790 --> 00:13:17,279

that crashed and they got out and there

360

00:13:20,790 --> 00:13:18,800

was all this foam

361

00:13:22,629 --> 00:13:20,800

i think they said it was green she

362

00:13:24,069 --> 00:13:22,639

didn't describe what color the foam was

363

00:13:26,790 --> 00:13:24,079

at the reservoir

364

00:13:27,829 --> 00:13:26,800

but as soon as she told me the foam i i

365

00:13:30,069 --> 00:13:27,839

automatically

366

00:13:32,829 --> 00:13:30,079

saw up shocked because the foam from

367

00:13:35,990 --> 00:13:32,839

when it went into the water

368

00:13:36,710 --> 00:13:36,000

right as far as natives go i haven't

369

00:13:39,750 --> 00:13:36,720

really

370

00:13:42,150 --> 00:13:39,760

talked to any and

371

00:13:44,069 --> 00:13:42,160

i've i've i've talked to two of them at

372

00:13:46,870 --> 00:13:44,079

the gas stations but they don't want to

373

00:13:47,990 --> 00:13:46,880

they don't they act like they don't want

374

00:13:50,069 --> 00:13:48,000

to talk about

375

00:13:51,590 --> 00:13:50,079

skinwalkers and stuff so i try to

376

00:13:52,629 --> 00:13:51,600

respect them not really bother them

377

00:13:54,870 --> 00:13:52,639

about it they don't

378

00:13:56,389 --> 00:13:54,880

they they take the stuff a lot serious

379

00:13:58,550 --> 00:13:56,399

seriously than we do

380

00:13:59,509 --> 00:13:58,560

and i don't want to encroach so i kind

381

00:14:02,870 --> 00:13:59,519

of

382

00:14:06,150 --> 00:14:02,880

try to keep boundary with them

383

00:14:09,430 --> 00:14:06,160

yeah um

384

00:14:11,670 --> 00:14:09,440

yeah uh there was another time we were

385

00:14:13,430 --> 00:14:11,680

passing the ranch

386

00:14:15,350 --> 00:14:13,440

we were the road you turned to go the

387

00:14:18,949 --> 00:14:15,360

ranch and i was looking up

388

00:14:21,910 --> 00:14:18,959

and i seen a silver a silver

389

00:14:22,790 --> 00:14:21,920

spit in the sky like a silver little dog

390

00:14:25,990 --> 00:14:22,800

and

391

00:14:27,829 --> 00:14:26,000

looked at my wife ever

392

00:14:30,230 --> 00:14:27,839

to tell her about it i looked back and

393

00:14:32,069 --> 00:14:30,240

there was nothing i don't if

394

00:14:33,910 --> 00:14:32,079

maybe it was from the window i don't

395

00:14:36,069 --> 00:14:33,920

know but though i seen a silver

396

00:14:37,910 --> 00:14:36,079

dot a little tiny dot when i looked back

397

00:14:39,509 --> 00:14:37,920

it was gone so i don't even really bring

398

00:14:42,710 --> 00:14:39,519

that up much because

399

00:14:45,829 --> 00:14:42,720

that's nothing to i don't i can't really

400

00:14:46,629 --> 00:14:45,839

in my own head i can't just give it much

401
00:14:48,629 --> 00:14:46,639
valid

402
00:14:50,310 --> 00:14:48,639
much credit because it was you know what

403
00:14:51,750 --> 00:14:50,320
i mean i don't know if it was

404
00:14:53,269 --> 00:14:51,760
a reflection of maybe it was a

405
00:14:55,269 --> 00:14:53,279
reflection of window i try to keep an

406
00:14:57,590 --> 00:14:55,279
open mind about this kind of stuff

407
00:15:01,189 --> 00:14:57,600
but there's just some things that i

408
00:15:06,069 --> 00:15:01,199
can't i can't explain away to myself

409
00:15:09,590 --> 00:15:06,079
so it's an amazing place and

410
00:15:11,189 --> 00:15:09,600
uh i can't get enough of it i actually

411
00:15:12,870 --> 00:15:11,199
wanna i wanna get a couple people

412
00:15:17,590 --> 00:15:12,880
together and

413
00:15:19,189 --> 00:15:17,600

and copycat rich oliver story

414

00:15:21,189 --> 00:15:19,199

that's another really good story that

415

00:15:24,069 --> 00:15:21,199

that happens not on

416

00:15:25,990 --> 00:15:24,079

the main property but it's happened

417

00:15:28,710 --> 00:15:26,000

around in the uintah basin itself

418

00:15:29,749 --> 00:15:28,720

near the near there you know and that's

419

00:15:35,670 --> 00:15:29,759

my favorite

420

00:15:37,829 --> 00:15:35,680

i hate use this word story again but

421

00:15:41,030 --> 00:15:37,839

this

422

00:15:43,749 --> 00:15:41,040

the uh experience that they had and

423

00:15:44,790 --> 00:15:43,759

and how it ended for him it that just

424

00:15:48,150 --> 00:15:44,800

blows me away

425

00:15:51,670 --> 00:15:48,160

where they this guy has an abduction

426

00:15:53,509 --> 00:15:51,680

experience has has uh

427

00:15:55,910 --> 00:15:53,519

something stuffed up his nose a tracking

428

00:15:59,509 --> 00:15:55,920

device who knows what it is

429

00:16:03,350 --> 00:15:59,519

that he gets from his uh

430

00:16:06,389 --> 00:16:03,360

hypnotized session to redress his memory

431

00:16:09,670 --> 00:16:06,399

well then he gets brain cancer and

432

00:16:12,470 --> 00:16:09,680

passes away it's just

433

00:16:14,629 --> 00:16:12,480

it's it's a lot of odd things that don't

434

00:16:16,550 --> 00:16:14,639

add up that go together

435

00:16:18,550 --> 00:16:16,560

with this story i mean it goes together

436

00:16:23,189 --> 00:16:18,560

i'm not taking any credit but it

437

00:16:27,189 --> 00:16:25,749

brain cancer stuff my wife was healthy

438

00:16:28,470 --> 00:16:27,199

before we started going out and she

439

00:16:32,230 --> 00:16:28,480

ended up getting

440

00:16:33,350 --> 00:16:32,240

breast cancer it's one of those things

441

00:16:35,350 --> 00:16:33,360

that we don't what did

442

00:16:37,269 --> 00:16:35,360

she which if i never would have put

443

00:16:39,829 --> 00:16:37,279

taken her out there would she have

444

00:16:41,670 --> 00:16:39,839

had that so i have a hard time wanting

445

00:16:43,590 --> 00:16:41,680

to take her out there

446

00:16:45,030 --> 00:16:43,600

things can happen to people there's

447

00:16:48,310 --> 00:16:45,040

stuff going on out there that

448

00:16:49,670 --> 00:16:48,320

can't harm people and i i'm thinking

449

00:16:52,949 --> 00:16:49,680

maybe my life could have been

450

00:16:55,749 --> 00:16:52,959

one of them you know but i'll continue

451

00:16:57,590 --> 00:16:55,759

to go out there and

452

00:16:59,590 --> 00:16:57,600

i need to get i don't have a video

453

00:17:01,670 --> 00:16:59,600

camera i'm not serious i'm not like

454

00:17:03,990 --> 00:17:01,680

a guy that makes my own paranormal

455

00:17:07,350 --> 00:17:04,000

appointment and has a radio show

456

00:17:10,949 --> 00:17:07,360

and blah blah blah blah blah

457

00:17:12,630 --> 00:17:10,959

so i got a few things to to watch the

458

00:17:13,189 --> 00:17:12,640

sky and stuff but i don't have all the

459

00:17:16,470 --> 00:17:13,199

equipment

460

00:17:18,470 --> 00:17:16,480

some of these guys that do this for a

461

00:17:20,309 --> 00:17:18,480

huge hobby it's a holiday morning but

462

00:17:22,549 --> 00:17:20,319

i'm i haven't got that far into where i

463

00:17:24,630 --> 00:17:22,559

got all this equipment for film [\h__\h]

464

00:17:26,309 --> 00:17:24,640

and all this stuff but i'm getting there

465

00:17:29,190 --> 00:17:26,319

and i will hopefully

466

00:17:29,590 --> 00:17:29,200

get something on footage even though but

467

00:17:31,029 --> 00:17:29,600

yeah

468

00:17:32,950 --> 00:17:31,039

to this day i haven't got nothing else

469

00:17:35,990 --> 00:17:32,960

but everything happens so fast

470

00:17:37,750 --> 00:17:36,000

if you don't have on a tripod ready and

471

00:17:39,190 --> 00:17:37,760

you could even have it on a tripod

472

00:17:40,549 --> 00:17:39,200

already right now and you might not

473

00:17:42,150 --> 00:17:40,559

catch it because

474

00:17:43,510 --> 00:17:42,160

some of this stuff happens pretty quick

475

00:17:45,190 --> 00:17:43,520

right and i don't know why i plan out

476
00:17:48,310 --> 00:17:45,200
that with nothing but blue lights

477
00:17:50,070 --> 00:17:48,320
that it has a spotlight

478
00:17:51,990 --> 00:17:50,080
on it why does it have it shine into the

479
00:17:53,669 --> 00:17:52,000
ground and then the spotlight don't just

480
00:17:56,870 --> 00:17:53,679
fade away it stops

481
00:17:58,950 --> 00:17:56,880
there's a you can tell it just stops

482
00:18:01,350 --> 00:17:58,960
from the spotlight this stops mid-air

483
00:18:03,190 --> 00:18:01,360
and it's just weird stuff and i don't

484
00:18:06,390 --> 00:18:03,200
even know what that could even be

485
00:18:09,990 --> 00:18:09,029
but cool there's a rich story if you if

486
00:18:13,750 --> 00:18:10,000
if

487
00:18:15,990 --> 00:18:13,760
your listeners haven't heard this

488
00:18:17,510 --> 00:18:16,000

guy's experience out there they can

489

00:18:19,270 --> 00:18:17,520

really listen to it but what i was

490

00:18:21,029 --> 00:18:19,280

getting at i would like to

491

00:18:23,029 --> 00:18:21,039

duplicate it i know that sounds kind of

492

00:18:24,789 --> 00:18:23,039

weird and it might i've stopped at that

493

00:18:27,190 --> 00:18:24,799

place and already camped

494

00:18:28,710 --> 00:18:27,200

and then i'm i'm getting more closer to

495

00:18:31,029 --> 00:18:28,720

the details with

496

00:18:33,029 --> 00:18:31,039

to the to what time because i want to

497

00:18:36,549 --> 00:18:33,039

duplicate the same day at the same

498

00:18:40,789 --> 00:18:36,559

time there's only three people

499

00:18:43,350 --> 00:18:40,799

and response to edoc and his friends

500

00:18:44,789 --> 00:18:43,360

i don't want to pass away but i i do

501
00:18:47,190 --> 00:18:44,799
want to see if i can duplicate that

502
00:18:51,270 --> 00:18:47,200
because his story is so amazing that

503
00:18:54,549 --> 00:18:54,150
it's a it's an interesting story and and

504
00:18:57,270 --> 00:18:54,559
yeah

505
00:18:58,549 --> 00:18:57,280
they it was basically um and i've heard

506
00:19:00,150 --> 00:18:58,559
that the number has something to do with

507
00:19:01,350 --> 00:19:00,160
it the powers of three six and nine

508
00:19:04,070 --> 00:19:01,360
depending on the groups and

509
00:19:05,909 --> 00:19:04,080
the ritual but yeah it was a group of uh

510
00:19:08,390 --> 00:19:05,919
medical practitioners they were in the

511
00:19:10,710 --> 00:19:08,400
medical field they went out they

512
00:19:11,669 --> 00:19:10,720
had some animal blood they practiced a

513
00:19:14,789 --> 00:19:11,679

ritual

514

00:19:15,669 --> 00:19:14,799

and um i i know that you know there have

515

00:19:18,789 --> 00:19:15,679

been a lot of

516

00:19:20,470 --> 00:19:18,799

out-of-the-box rituals and summoning and

517

00:19:21,510 --> 00:19:20,480

invocations and stuff practiced in

518

00:19:25,510 --> 00:19:21,520

different areas

519

00:19:28,070 --> 00:19:25,520

this particular time though there was a

520

00:19:29,669 --> 00:19:28,080

pretty wild story that ensued afterwards

521

00:19:30,950 --> 00:19:29,679

do you kind of want to go into it rick

522

00:19:33,510 --> 00:19:30,960

and explain to the listeners what

523

00:19:36,230 --> 00:19:33,520

happened more or less

524

00:19:37,270 --> 00:19:36,240

yeah from the best of my knowledge i

525

00:19:40,390 --> 00:19:37,280

sure will they

526

00:19:43,830 --> 00:19:40,400

they so these three people uh

527

00:19:46,070 --> 00:19:43,840

two buddies and rich's wife or

528

00:19:47,270 --> 00:19:46,080

fiance i believe they went out there

529

00:19:49,190 --> 00:19:47,280

they were supposed to go with a big

530

00:19:52,470 --> 00:19:49,200

group of people the other people

531

00:19:55,830 --> 00:19:52,480

freaked out backed out didn't make it

532

00:19:58,230 --> 00:19:55,840

and they i believe it

533

00:19:59,430 --> 00:19:58,240

me and my wife our first time there we

534

00:20:01,190 --> 00:19:59,440

finally stumbled upon it but i don't

535

00:20:04,870 --> 00:20:01,200

think they did and they end up in this

536

00:20:05,490 --> 00:20:04,880

uh field upside the road

537

00:20:18,830 --> 00:20:05,500

this

538

00:20:22,230 --> 00:20:21,590

and they say they feel like they were

539

00:20:23,430 --> 00:20:22,240

dumbed down

540

00:20:25,590 --> 00:20:23,440

[Music]

541

00:20:26,549 --> 00:20:25,600

felt like they were given something to

542

00:20:28,310 --> 00:20:26,559

kind of just

543

00:20:30,549 --> 00:20:28,320

mellow them out and they felt stupid

544

00:20:33,190 --> 00:20:30,559

like they were all giddy and

545

00:20:34,470 --> 00:20:33,200

they just felt like something entered

546

00:20:37,510 --> 00:20:34,480

their system i guess

547

00:20:39,029 --> 00:20:37,520

and they were having experiences and

548

00:20:40,549 --> 00:20:39,039

they didn't even think they were

549

00:20:43,270 --> 00:20:40,559

they just thought they were mundane that

550

00:20:46,549 --> 00:20:43,280

was the word they used was mundane

551
00:20:49,510 --> 00:20:46,559
and they have they had the tents and

552
00:20:52,630 --> 00:20:49,520
stuff set up

553
00:20:53,590 --> 00:20:52,640
they were the coyote circles would be

554
00:20:57,990 --> 00:20:53,600
nice

555
00:21:00,710 --> 00:20:58,000
that's not really but they started

556
00:21:02,149 --> 00:21:00,720
guy cough seemed like he was walking

557
00:21:04,310 --> 00:21:02,159
around and coughing every once in a

558
00:21:06,470 --> 00:21:04,320
while

559
00:21:07,669 --> 00:21:06,480
and i believe they even had an indian

560
00:21:09,190 --> 00:21:07,679
they seen an indian man

561
00:21:11,909 --> 00:21:09,200
i believe and that that's part of the

562
00:21:14,870 --> 00:21:11,919
story that has a has a

563
00:21:16,630 --> 00:21:14,880

a link to your story the indian that

564

00:21:18,390 --> 00:21:16,640

picked you up that you picked up

565

00:21:20,310 --> 00:21:18,400

and gave a ride and woke up at bottle

566

00:21:22,149 --> 00:21:20,320

hollow mm-hmm i'm wondering if it's the

567

00:21:24,149 --> 00:21:22,159

same guy actually

568

00:21:25,510 --> 00:21:24,159

but i i want to say they had in they've

569

00:21:27,029 --> 00:21:25,520

seen the indian guy they're wearing a

570

00:21:30,230 --> 00:21:27,039

final shirt or something but

571

00:21:32,070 --> 00:21:30,240

yep um they ended up

572

00:21:33,350 --> 00:21:32,080

uh they didn't know everything they had

573

00:21:36,470 --> 00:21:33,360

to go into

574

00:21:39,510 --> 00:21:36,480

yeah uh what's it called when you

575

00:21:40,789 --> 00:21:39,520

you get put under by someone they

576

00:21:44,149 --> 00:21:40,799

i can't think of the word off top of my

577

00:21:44,789 --> 00:21:44,159

head sorry guys like hypnosis like a

578

00:21:46,870 --> 00:21:44,799

regression

579

00:21:48,549 --> 00:21:46,880

you get lost the memory that well yeah

580

00:21:50,950 --> 00:21:48,559

yeah yeah so they

581

00:21:51,990 --> 00:21:50,960

they had the one guy i think his name

582

00:21:55,830 --> 00:21:52,000

was matt groan

583

00:21:58,149 --> 00:21:55,840

yeah well he he gets bit unlaid by some

584

00:21:59,590 --> 00:21:58,159

creature he describes that in my brain i

585

00:22:01,190 --> 00:21:59,600

picture as like a

586

00:22:03,350 --> 00:22:01,200

horseshoe crab that's what it sounds

587

00:22:04,870 --> 00:22:03,360

like to me well it comes out

588

00:22:06,549 --> 00:22:04,880

takes a chunk and i guess he even has

589

00:22:08,149 --> 00:22:06,559

the wound i haven't seen

590

00:22:10,070 --> 00:22:08,159

pictures but when you're there on this

591

00:22:11,669 --> 00:22:10,080

radio show he i guess that he even had

592

00:22:14,789 --> 00:22:11,679

wound from where it bit him

593

00:22:17,590 --> 00:22:14,799

yeah so there's proof right there well

594

00:22:19,750 --> 00:22:17,600

uh rich oliver goes out to use the

595

00:22:22,390 --> 00:22:19,760

bathroom a couple times and

596

00:22:23,990 --> 00:22:22,400

he's out there you're urinating next to

597

00:22:25,430 --> 00:22:24,000

his truck and he looks over and he sees

598

00:22:26,710 --> 00:22:25,440

the outline of a human and says hey

599

00:22:28,549 --> 00:22:26,720

there's someone

600

00:22:30,230 --> 00:22:28,559

the next thing you know he's getting

601
00:22:32,470 --> 00:22:30,240
picked up by the head

602
00:22:33,990 --> 00:22:32,480
and he's dangling and he's like he says

603
00:22:36,310 --> 00:22:34,000
i remember

604
00:22:37,750 --> 00:22:36,320
uh feeling like i was too far off ground

605
00:22:38,390 --> 00:22:37,760
because i remember kicking my leg and i

606
00:22:40,630 --> 00:22:38,400
could

607
00:22:42,549 --> 00:22:40,640
hit the hood of my truck so i knew it

608
00:22:43,669 --> 00:22:42,559
wasn't too fast ground but he says i'm

609
00:22:47,510 --> 00:22:43,679
looking into this

610
00:22:50,070 --> 00:22:47,520
this thing's eyes and it's nothing but

611
00:22:50,710 --> 00:22:50,080
space it's like looking in the space of

612
00:22:54,470 --> 00:22:50,720
fastness

613
00:22:57,830 --> 00:22:54,480

dark black space and

614

00:22:59,029 --> 00:22:57,840

he and he didn't remember this the next

615

00:22:59,750 --> 00:22:59,039

morning when they woke up the next

616

00:23:02,070 --> 00:22:59,760

morning they had

617

00:23:03,430 --> 00:23:02,080

sore throats they had headaches they

618

00:23:05,830 --> 00:23:03,440

were ornery

619

00:23:07,029 --> 00:23:05,840

they they were like really irritated

620

00:23:10,549 --> 00:23:07,039

with each other for no reason

621

00:23:12,630 --> 00:23:10,559

well they i might jump around

622

00:23:14,390 --> 00:23:12,640

this story so exciting i just want to

623

00:23:17,510 --> 00:23:14,400

keep talking about it but it's awesome

624

00:23:17,990 --> 00:23:17,520

in the morning they blow up all their

625

00:23:20,950 --> 00:23:18,000

stuff

626

00:23:22,870 --> 00:23:20,960

there's these black burns under their

627

00:23:26,549 --> 00:23:22,880

tents

628

00:23:27,350 --> 00:23:26,559

and it uh was a black spot under their

629

00:23:28,630 --> 00:23:27,360

tent

630

00:23:30,630 --> 00:23:28,640

but it wasn't under the whole town it

631

00:23:32,870 --> 00:23:30,640

was just where they were laying but when

632

00:23:35,110 --> 00:23:32,880

they first wake up

633

00:23:36,149 --> 00:23:35,120

rich oliver's buddies like i'm sorry i

634

00:23:40,789 --> 00:23:36,159

couldn't stop him

635

00:23:41,990 --> 00:23:40,799

probably thinking like what are you

636

00:23:43,269 --> 00:23:42,000

talking about

637

00:23:45,190 --> 00:23:43,279

he don't remember he didn't remember

638

00:23:47,669 --> 00:23:45,200

half the stuff by the way

639

00:23:48,630 --> 00:23:47,679

it came to him and then he had the

640

00:23:50,870 --> 00:23:48,640

therapy where

641

00:23:51,669 --> 00:23:50,880

they brought back his memory and they

642

00:23:54,549 --> 00:23:51,679

all three had

643

00:23:55,669 --> 00:23:54,559

similar experiences under hip hip

644

00:23:57,990 --> 00:23:55,679

hypnotherapy

645

00:23:59,830 --> 00:23:58,000

there was this word i was looking for

646

00:24:01,269 --> 00:23:59,840

and

647

00:24:05,909 --> 00:24:01,279

how do you get three people to have the

648

00:24:11,269 --> 00:24:09,350

and not have it be real well even before

649

00:24:12,870 --> 00:24:11,279

and once the therapy they have two

650

00:24:16,390 --> 00:24:12,880

humans that show up in in

651
00:24:17,510 --> 00:24:16,400
in the in the radio show that they're on

652
00:24:19,029 --> 00:24:17,520
talking about this

653
00:24:21,110 --> 00:24:19,039
i don't even know the name of radio show

654
00:24:22,549 --> 00:24:21,120
i just look up you guys want to hear it

655
00:24:23,830 --> 00:24:22,559
just look up rich oliver

656
00:24:25,990 --> 00:24:23,840
and i'll pop up and there will be a

657
00:24:27,190 --> 00:24:26,000
drawing of this creature yeah

658
00:24:28,710 --> 00:24:27,200
and it's one of the creatures that he's

659
00:24:30,950 --> 00:24:28,720
seen that he drew he was an artist he

660
00:24:35,430 --> 00:24:30,960
was a musician

661
00:24:38,149 --> 00:24:35,440
and he uh where was that he

662
00:24:39,909 --> 00:24:38,159
oh man i forgot where i was at they this

663
00:24:41,350 --> 00:24:39,919

is my first time

664

00:24:42,950 --> 00:24:41,360

talking about all this stuff and then

665

00:24:43,669 --> 00:24:42,960

having other people here i'm a little

666

00:24:48,230 --> 00:24:43,679

nervous

667

00:24:53,190 --> 00:24:52,390

uh where was i at they all three had the

668

00:24:56,470 --> 00:24:53,200

same

669

00:24:58,310 --> 00:24:56,480

experiment experience pretty much and

670

00:25:00,390 --> 00:24:58,320

one of the things that he got out of it

671

00:25:02,950 --> 00:25:00,400

is that he's supposed to bring people

672

00:25:03,669 --> 00:25:02,960

keep bringing people to their keep

673

00:25:06,710 --> 00:25:03,679

bringing them

674

00:25:08,390 --> 00:25:06,720

like he's that was the message that they

675

00:25:11,110 --> 00:25:08,400

wanted him to keep bringing people

676

00:25:11,909 --> 00:25:11,120

well one of the one of the memories is

677

00:25:14,230 --> 00:25:11,919

these

678

00:25:15,830 --> 00:25:14,240

two guys and then the radio show they

679

00:25:16,870 --> 00:25:15,840

were talking they were saying they were

680

00:25:20,149 --> 00:25:16,880

like in doughboy

681

00:25:23,830 --> 00:25:20,159

outfits like like uh adult

682

00:25:26,070 --> 00:25:23,840

doughboy sailor outfit well i heard from

683

00:25:27,430 --> 00:25:26,080

incredible people that that's really not

684

00:25:30,870 --> 00:25:27,440

what they were learning and they were

685

00:25:34,470 --> 00:25:33,350

toxic outfits that you would wear if you

686

00:25:37,590 --> 00:25:34,480

were to go into

687

00:25:41,430 --> 00:25:37,600

uh you didn't have a whole head

688

00:25:42,789 --> 00:25:41,440

body suit on like like if it was a big

689

00:25:45,750 --> 00:25:42,799

disease or something

690

00:25:46,149 --> 00:25:45,760

i don't know like like like a biohazard

691

00:25:48,630 --> 00:25:46,159

type

692

00:25:50,070 --> 00:25:48,640

and has mass suits yeah man they were

693

00:25:52,310 --> 00:25:50,080

wearing hazmat shoes

694

00:25:53,590 --> 00:25:52,320

when i heard them this was someone that

695

00:25:56,630 --> 00:25:53,600

got told by

696

00:25:57,669 --> 00:25:56,640

the son of one of them so sounds pretty

697

00:25:59,750 --> 00:25:57,679

credible to me

698

00:26:01,830 --> 00:25:59,760

but anyway these two guys come up and

699

00:26:04,950 --> 00:26:01,840

they're they they got with them

700

00:26:06,470 --> 00:26:04,960

and to me in my i see it as a floating

701

00:26:07,830 --> 00:26:06,480

blue orb a blue meaning

702

00:26:09,669 --> 00:26:07,840

just floating right between the two of

703

00:26:10,310 --> 00:26:09,679

the guys that walks up to seems like to

704

00:26:11,669 --> 00:26:10,320

me

705

00:26:12,870 --> 00:26:11,679

i don't think they're carrying it they

706

00:26:13,750 --> 00:26:12,880

just make it sound like it's floating

707

00:26:17,110 --> 00:26:13,760

along with

708

00:26:18,950 --> 00:26:17,120

but they have a meeting with and that

709

00:26:21,830 --> 00:26:18,960

ties into their answer

710

00:26:22,630 --> 00:26:21,840

and it's i just want to go duplicate it

711

00:26:24,870 --> 00:26:22,640

and see if

712

00:26:28,230 --> 00:26:24,880

i can experience anything wilder than

713

00:26:32,230 --> 00:26:30,310

i think there's something to it indian

714

00:26:35,510 --> 00:26:32,240

that they've seen is

715

00:26:37,110 --> 00:26:35,520

probably the same indian that nabbed you

716

00:26:39,029 --> 00:26:37,120

and i think i've heard someone else say

717

00:26:41,110 --> 00:26:39,039

they've seen an indian so it

718

00:26:43,430 --> 00:26:41,120

kind of ties everything together that

719

00:26:46,630 --> 00:26:43,440

way to me for for me

720

00:26:46,950 --> 00:26:46,640

anyways but amazing and i'll shut up

721

00:26:51,269 --> 00:26:46,960

about

722

00:26:53,350 --> 00:26:51,279

this story this guy's experience

723

00:26:54,630 --> 00:26:53,360

it's a really good one it's my favorite

724

00:26:57,110 --> 00:26:54,640

of all

725

00:26:59,029 --> 00:26:57,120

out of gwen and terry's stories but they

726

00:27:00,870 --> 00:26:59,039

they all got good stories but

727

00:27:02,230 --> 00:27:00,880

that's my favorite one for some reason

728

00:27:04,310 --> 00:27:02,240

yeah and

729

00:27:05,269 --> 00:27:04,320

there's one other one that's pretty good

730

00:27:06,789 --> 00:27:05,279

that i don't

731

00:27:08,950 --> 00:27:06,799

i know you've heard of it i don't know

732

00:27:11,190 --> 00:27:08,960

if your listeners have but

733

00:27:13,110 --> 00:27:11,200

i don't know the guy's name but he's uh

734

00:27:14,310 --> 00:27:13,120

neighbor to the ranch

735

00:27:16,149 --> 00:27:14,320

and i don't know if i should say his

736

00:27:17,909 --> 00:27:16,159

name i don't know how if he would be

737

00:27:21,029 --> 00:27:17,919

happy about that or not even if i knew

738

00:27:24,870 --> 00:27:21,039

it i think i do but i won't say it

739

00:27:28,789 --> 00:27:24,880

he he's been there a long time

740

00:27:31,510 --> 00:27:28,799

he owns property there and he he had a

741

00:27:33,269 --> 00:27:31,520

experience outside one night where and i

742

00:27:35,350 --> 00:27:33,279

think it went on for a couple days

743

00:27:36,389 --> 00:27:35,360

a week or something before it all boiled

744

00:27:40,950 --> 00:27:36,399

down to the

745

00:27:44,470 --> 00:27:40,960

to what happened but this neighbor

746

00:27:47,590 --> 00:27:44,480

was having problems with uh

747

00:27:50,389 --> 00:27:47,600

i'll say i won't say a skinwalker

748

00:27:50,710 --> 00:27:50,399

but in my i picture it in my brain again

749

00:27:53,510 --> 00:27:50,720

as

750

00:27:55,029 --> 00:27:53,520

a werewolf to me is what when i

751
00:27:55,590 --> 00:27:55,039
visualized when i got told the story it

752
00:27:57,750 --> 00:27:55,600
was

753
00:27:58,630 --> 00:27:57,760
a werewolf you kept coming on his

754
00:28:02,149 --> 00:27:58,640
property

755
00:28:06,789 --> 00:28:02,159
messing with his livestock and dogs

756
00:28:10,789 --> 00:28:06,799
and he and this guy shot

757
00:28:15,590 --> 00:28:10,799
shot in his backyard and um ran off

758
00:28:18,470 --> 00:28:15,600
well the next morning this guy has

759
00:28:19,029 --> 00:28:18,480
in black fbi cia i don't know who they

760
00:28:24,470 --> 00:28:19,039
were

761
00:28:25,669 --> 00:28:24,480
i don't know how they even knew what

762
00:28:28,710 --> 00:28:25,679
happened

763
00:28:31,750 --> 00:28:28,720

but they knew and they were

764

00:28:33,990 --> 00:28:31,760

they'd i wanted not to do it again

765

00:28:36,070 --> 00:28:34,000

and i i'd like to hear more of that if

766

00:28:38,789 --> 00:28:36,080

you know more than i do

767

00:28:40,310 --> 00:28:38,799

that's a really good story uh uh

768

00:28:41,350 --> 00:28:40,320

experience from out there from another

769

00:28:44,549 --> 00:28:41,360

credible person

770

00:28:47,029 --> 00:28:44,559

just like terry my dad my grandpa was a

771

00:28:47,990 --> 00:28:47,039

rancher and i never met a rancher that

772

00:28:51,190 --> 00:28:48,000

was

773

00:28:53,430 --> 00:28:51,200

full of [h__h] i don't know if i can

774

00:28:54,549 --> 00:28:53,440

use that on your show but i've never met

775

00:28:56,630 --> 00:28:54,559

one that was

776

00:28:58,310 --> 00:28:56,640

and they were always pretty good people

777

00:28:59,430 --> 00:28:58,320

and they didn't blow

778

00:29:01,350 --> 00:28:59,440

you know they didn't blow their stories

779

00:29:04,389 --> 00:29:01,360

out of proportion enough right

780

00:29:07,110 --> 00:29:04,399

and my grandpa was a straight-up guy he

781

00:29:08,789 --> 00:29:07,120

he i that's the feeling with terry terry

782

00:29:10,470 --> 00:29:08,799

terry was there to

783

00:29:13,029 --> 00:29:10,480

make a living for his wife and his

784

00:29:14,389 --> 00:29:13,039

family you he wasn't there to get famous

785

00:29:15,990 --> 00:29:14,399

he's still not famous

786

00:29:17,909 --> 00:29:16,000

i guess he is in a way but he's not

787

00:29:18,389 --> 00:29:17,919

famous you know he never made a dollar

788

00:29:20,070 --> 00:29:18,399

off it

789

00:29:21,990 --> 00:29:20,080

and none of the people around the ramps

790

00:29:23,909 --> 00:29:22,000

have had experiences and i'm sure every

791

00:29:26,230 --> 00:29:23,919

every neighbor has had experiences that

792

00:29:27,029 --> 00:29:26,240

hasn't even talked about it and that

793

00:29:28,950 --> 00:29:27,039

would be really

794

00:29:30,230 --> 00:29:28,960

interesting to get into more of that

795

00:29:33,590 --> 00:29:30,240

yeah

796

00:29:35,110 --> 00:29:33,600

you know because there's people that

797

00:29:37,750 --> 00:29:35,120

have been there since the sermon

798

00:29:41,590 --> 00:29:37,760

and then after the sherman and i bet

799

00:29:44,389 --> 00:29:41,600

they got something i want to know

800

00:29:44,710 --> 00:29:44,399

yeah the just the just the the fact that

801
00:29:47,510 --> 00:29:44,720
the

802
00:29:48,070 --> 00:29:47,520
ball lightning is so prevalent you know

803
00:29:50,549 --> 00:29:48,080
and

804
00:29:52,070 --> 00:29:50,559
it looks so crazy in the area when you

805
00:29:53,590 --> 00:29:52,080
have these storms come in

806
00:29:55,830 --> 00:29:53,600
i know a lot of people say oh it's

807
00:29:57,990 --> 00:29:55,840
scientifically explained but wait

808
00:30:00,389 --> 00:29:58,000
until you see ball lightning in real

809
00:30:01,990 --> 00:30:00,399
life it just looks out of this world you

810
00:30:05,190 --> 00:30:02,000
know

811
00:30:08,710 --> 00:30:05,200
yeah um

812
00:30:11,029 --> 00:30:08,720
yeah it's that's crazy i i want to

813
00:30:12,950 --> 00:30:11,039

can i talk about my experience some of

814

00:30:14,950 --> 00:30:12,960

my sightings i had that

815

00:30:17,590 --> 00:30:14,960

wasn't in the union basin that even got

816

00:30:20,950 --> 00:30:17,600

me interested in

817

00:30:23,110 --> 00:30:20,960

the unknown for sure for sure

818

00:30:24,789 --> 00:30:23,120

i was like yeah it happened in utah

819

00:30:25,909 --> 00:30:24,799

about two and a half hours away from

820

00:30:29,430 --> 00:30:25,919

there

821

00:30:32,950 --> 00:30:29,440

and you know utah was kind of

822

00:30:34,310 --> 00:30:32,960

a hospital i think not not just the uh

823

00:30:35,590 --> 00:30:34,320

basement but a little bit of everything

824

00:30:40,549 --> 00:30:35,600

because we have

825

00:30:43,750 --> 00:30:40,559

dogway which is pretty much area 52.

826

00:30:45,430 --> 00:30:43,760

and we have sorry i'm outside and

827

00:30:47,590 --> 00:30:45,440

my boss just drove by and there's people

828

00:30:51,269 --> 00:30:47,600

off sorry no worries anyway

829

00:30:54,950 --> 00:30:51,279

uh there's we got area 52

830

00:30:55,430 --> 00:30:54,960

we got we got all the radiation downpour

831

00:30:57,110 --> 00:30:55,440

from

832

00:30:58,549 --> 00:30:57,120

nevada that came this way and blew

833

00:31:03,029 --> 00:30:58,559

through

834

00:31:05,110 --> 00:31:03,039

and we you tell us got quite a few ufo

835

00:31:06,230 --> 00:31:05,120

events that have happened here not just

836

00:31:10,470 --> 00:31:06,240

out there but

837

00:31:14,389 --> 00:31:10,480

so i was uh in springville utah

838

00:31:17,430 --> 00:31:14,399

where i was living and it was about

839

00:31:19,110 --> 00:31:17,440

12 o'clock at night and i had just

840

00:31:20,789 --> 00:31:19,120

finished eating dinner

841

00:31:22,149 --> 00:31:20,799

and i was sitting out at my porch

842

00:31:24,470 --> 00:31:22,159

smoking cigarette

843

00:31:25,830 --> 00:31:24,480

on the porch in the doorway i was

844

00:31:29,750 --> 00:31:25,840

leaning against door jamb

845

00:31:30,950 --> 00:31:29,760

and i caught movement in my eye but

846

00:31:32,549 --> 00:31:30,960

well first i just thought it was my

847

00:31:33,269 --> 00:31:32,559

smoke and i didn't really pay attention

848

00:31:35,909 --> 00:31:33,279

when i played

849

00:31:36,389 --> 00:31:35,919

well i stopped seeing this movement so i

850

00:31:39,750 --> 00:31:36,399

look

851
00:31:39,990 --> 00:31:39,760
and it's flying it's right above me when

852
00:31:49,669 --> 00:31:40,000
i

853
00:31:52,470 --> 00:31:49,679
of two school buses

854
00:31:52,870 --> 00:31:52,480
side by side and then two more side by

855
00:31:54,549 --> 00:31:52,880
side

856
00:31:56,310 --> 00:31:54,559
bumper to bumper with the other two just

857
00:31:58,310 --> 00:31:56,320
one wing

858
00:31:59,669 --> 00:31:58,320
and then the other week so and a total

859
00:32:02,630 --> 00:31:59,679
of

860
00:32:03,669 --> 00:32:02,640
eight school buses parked in a v-shape

861
00:32:06,389 --> 00:32:03,679
formation

862
00:32:06,870 --> 00:32:06,399
it was about as big as it was well it

863
00:32:16,230 --> 00:32:06,880

was

864

00:32:18,630 --> 00:32:16,240

feet in the air

865

00:32:20,549 --> 00:32:18,640

i know i was lower than the mountains

866

00:32:21,350 --> 00:32:20,559

where what were behind me where i was

867

00:32:24,070 --> 00:32:21,360

standing

868

00:32:25,430 --> 00:32:24,080

it was already low and it flew i flew

869

00:32:26,789 --> 00:32:25,440

over

870

00:32:29,110 --> 00:32:26,799

i'm looking at the scene i'm like that's

871

00:32:31,269 --> 00:32:29,120

a big hang glider and i'm just looking

872

00:32:33,750 --> 00:32:31,279

at him like that's no hang glider

873

00:32:35,350 --> 00:32:33,760

well it was a perfect v people out it

874

00:32:36,950 --> 00:32:35,360

was a stealth or something it was no

875

00:32:39,590 --> 00:32:36,960

stealth i know what a stuff looks like

876

00:32:41,269 --> 00:32:39,600

it is it does have a triangle shape to

877

00:32:42,870 --> 00:32:41,279

it but it has a middle this thing was

878

00:32:45,430 --> 00:32:42,880

just two wings

879

00:32:46,230 --> 00:32:45,440

into a point it was a v v that's all it

880

00:32:48,230 --> 00:32:46,240

was

881

00:32:49,590 --> 00:32:48,240

nothing in the center for a cockpit it

882

00:32:51,509 --> 00:32:49,600

was just two wings

883

00:32:53,750 --> 00:32:51,519

that were in a v-shape and as it flew

884

00:32:54,870 --> 00:32:53,760

over ryan it blocked out i could see the

885

00:32:57,190 --> 00:32:54,880

outline of it

886

00:32:59,430 --> 00:32:57,200

like make out a perfect outline and i

887

00:33:02,789 --> 00:32:59,440

could tell it was darker than the sky

888

00:33:03,909 --> 00:33:02,799

whatever was solid it was blocking out

889

00:33:05,509 --> 00:33:03,919

the stars and the stars were

890

00:33:06,870 --> 00:33:05,519

disappearing and reappearing as it flew

891

00:33:09,190 --> 00:33:06,880

over me

892

00:33:10,310 --> 00:33:09,200

and it didn't make a sound didn't have a

893

00:33:13,590 --> 00:33:10,320

light nothing

894

00:33:16,789 --> 00:33:13,600

and i just thought what the

895

00:33:19,350 --> 00:33:16,799

heck is that and and as it passed over

896

00:33:20,710 --> 00:33:19,360

passed over this tree in the driveway

897

00:33:22,230 --> 00:33:20,720

and i lost sight of it and i

898

00:33:23,590 --> 00:33:22,240

immediately ran out of the road and

899

00:33:24,149 --> 00:33:23,600

there was nothing there i couldn't see

900

00:33:28,710 --> 00:33:24,159

nothing

901
00:33:29,990 --> 00:33:28,720
was the direction was going it was going

902
00:33:32,789 --> 00:33:30,000
south

903
00:33:33,190 --> 00:33:32,799
toward vegas yep and it was going pretty

904
00:33:36,070 --> 00:33:33,200
quick

905
00:33:37,750 --> 00:33:36,080
it last probably 10 seconds all together

906
00:33:39,110 --> 00:33:37,760
maybe a little less but it just happened

907
00:33:40,389 --> 00:33:39,120
so quick and

908
00:33:43,430 --> 00:33:40,399
it didn't make a noise and i think

909
00:33:46,549 --> 00:33:43,440
that's what disturbed me the most

910
00:33:50,070 --> 00:33:46,559
but it had no lights no no

911
00:33:53,029 --> 00:33:50,080
sound no nothing in it it just seemed

912
00:33:54,070 --> 00:33:53,039
like however by real fast it was you

913
00:33:55,909 --> 00:33:54,080

know it

914

00:33:57,190 --> 00:33:55,919

and as big as it was it should have made

915

00:34:00,950 --> 00:33:57,200

a noise i didn't hear a

916

00:34:04,310 --> 00:34:00,960

slight hum i didn't hear nothing so

917

00:34:07,830 --> 00:34:04,320

i went out for like two weeks

918

00:34:08,230 --> 00:34:07,840

same bat time same bat channel and i sat

919

00:34:09,829 --> 00:34:08,240

there

920

00:34:12,790 --> 00:34:09,839

night after night i've never seen it

921

00:34:15,109 --> 00:34:12,800

again it never came and then

922

00:34:16,869 --> 00:34:15,119

months after month year goes by two

923

00:34:18,790 --> 00:34:16,879

years go by three years go by

924

00:34:21,109 --> 00:34:18,800

and i've moved around the corner i live

925

00:34:22,389 --> 00:34:21,119

in the same on the same block i've just

926
00:34:24,310 --> 00:34:22,399
moved around the corner

927
00:34:25,829 --> 00:34:24,320
i've told my story and my close friends

928
00:34:28,950 --> 00:34:25,839
know my story and

929
00:34:30,389 --> 00:34:28,960
they say they believe me and i don't

930
00:34:32,790 --> 00:34:30,399
know if they say that just make me feel

931
00:34:36,230 --> 00:34:32,800
good or what but a lot of people

932
00:34:37,589 --> 00:34:36,240
well anyways we're sitting there and

933
00:34:39,750 --> 00:34:37,599
i'm watching this guy ever since that

934
00:34:40,790 --> 00:34:39,760
first vic and i always watch this guy i

935
00:34:42,869 --> 00:34:40,800
don't care where i'm at i'm always

936
00:34:44,869 --> 00:34:42,879
looking up this guy from wherever i'm at

937
00:34:46,869 --> 00:34:44,879
and i'll watch i'll i'll catch it

938
00:34:50,550 --> 00:34:46,879

because i'm always watching

939

00:34:53,030 --> 00:34:50,560

if i'm outside i'm watching well

940

00:34:54,230 --> 00:34:53,040

we're sitting there and i can see she's

941

00:34:56,310 --> 00:34:54,240

sitting right next to me and she's

942

00:34:57,430 --> 00:34:56,320

i can see the glow over her phone and

943

00:34:59,430 --> 00:34:57,440

select my face and

944

00:35:00,950 --> 00:34:59,440

so she's looking down on her phone i see

945

00:35:02,790 --> 00:35:00,960

this v

946

00:35:04,390 --> 00:35:02,800

well this time it's a lot smaller and it

947

00:35:05,670 --> 00:35:04,400

looks like it's far off and it's not as

948

00:35:08,150 --> 00:35:05,680

dark outside

949

00:35:10,150 --> 00:35:08,160

i can't see the stars it's not bright

950

00:35:12,310 --> 00:35:10,160

outside but it's not dark either it's in

951
00:35:15,349 --> 00:35:12,320
between

952
00:35:18,550 --> 00:35:15,359
well this v happens to be white

953
00:35:21,670 --> 00:35:18,560
it looks like a v-shaped cloud ryan and

954
00:35:23,510 --> 00:35:21,680
it flies it flys off too and but it's

955
00:35:25,750 --> 00:35:23,520
flying over utah lake more

956
00:35:26,950 --> 00:35:25,760
it's over by utah lake and it gets over

957
00:35:28,950 --> 00:35:26,960
by

958
00:35:30,390 --> 00:35:28,960
probably sandy beach making beach over

959
00:35:33,990 --> 00:35:30,400
by west mountain

960
00:35:36,790 --> 00:35:34,000
and it it banks and goes to the west

961
00:35:37,990 --> 00:35:36,800
out towards the dugway area and i and i

962
00:35:39,349 --> 00:35:38,000
elbow and i'm like look

963
00:35:41,349 --> 00:35:39,359

do you see it you see it and she's like

964

00:35:42,829 --> 00:35:41,359

yeah i see her and i didn't leave her

965

00:35:44,550 --> 00:35:42,839

i don't think she thought well i look

966

00:35:46,310 --> 00:35:44,560

down at my phone

967

00:35:47,750 --> 00:35:46,320

and as soon as i got my phone she's all

968

00:35:50,230 --> 00:35:47,760

blowing me back look at that

969

00:35:52,069 --> 00:35:50,240

and a second one flies by ryan and it's

970

00:35:53,750 --> 00:35:52,079

it looks the same exact as the first one

971

00:35:54,630 --> 00:35:53,760

i don't know if maybe it did a circle i

972

00:35:56,710 --> 00:35:54,640

don't know

973

00:35:57,990 --> 00:35:56,720

but the first one banked to the right

974

00:36:01,349 --> 00:35:58,000

went left and i didn't

975

00:36:02,390 --> 00:36:01,359

and it was just gone and another one i

976

00:36:03,670 --> 00:36:02,400

don't know if there were two of them or

977

00:36:05,670 --> 00:36:03,680

one of them and it just did a big

978

00:36:07,349 --> 00:36:05,680

giant circle real quick i don't know but

979

00:36:09,030 --> 00:36:07,359

it flew in the same

980

00:36:11,109 --> 00:36:09,040

it was in the they would hit each other

981

00:36:13,910 --> 00:36:11,119

if they were at the same time right

982

00:36:15,510 --> 00:36:13,920

through the same altitude it wasn't the

983

00:36:16,470 --> 00:36:15,520

same and banked about the same place and

984

00:36:18,710 --> 00:36:16,480

went the same way

985

00:36:20,550 --> 00:36:18,720

on the same speed everything amazing and

986

00:36:23,589 --> 00:36:20,560

i know she's seen that one i've seen

987

00:36:27,190 --> 00:36:23,599

and i got this feeling that it was quote

988

00:36:29,030 --> 00:36:27,200

like cloud i think they have technology

989

00:36:30,230 --> 00:36:29,040

whether it's ours or those i don't know

990

00:36:32,390 --> 00:36:30,240

but they can

991

00:36:34,790 --> 00:36:32,400

make it look like a cloud yeah they look

992

00:36:37,990 --> 00:36:34,800

like a cloud and there were two of them

993

00:36:40,470 --> 00:36:38,000

amazing and spring rolls so i've seen

994

00:36:43,829 --> 00:36:40,480

three v's

995

00:36:46,790 --> 00:36:43,839

i've years ago by i'm with a

996

00:36:48,550 --> 00:36:46,800

new woman my who i end up marrying and

997

00:36:52,230 --> 00:36:48,560

loves with all my heart

998

00:36:52,870 --> 00:36:52,240

well i we're sitting in our backyard

999

00:36:56,069 --> 00:36:52,880

smoking

1000

00:36:59,589 --> 00:36:56,079

same scenario we're in spanish fork now

1001
00:37:00,630 --> 00:36:59,599
and we are living in our own place not

1002
00:37:01,430 --> 00:37:00,640
staying under friends anymore or

1003
00:37:05,510 --> 00:37:01,440
whatever

1004
00:37:08,710 --> 00:37:07,589
i'll never forget the day when it

1005
00:37:10,470 --> 00:37:08,720
happened because

1006
00:37:12,710 --> 00:37:10,480
the night it happened was the same night

1007
00:37:15,030 --> 00:37:12,720
this guy

1008
00:37:16,390 --> 00:37:15,040
went down to the spanish ford airport

1009
00:37:18,390 --> 00:37:16,400
got in his boss's

1010
00:37:20,470 --> 00:37:18,400
airplane cessna or whatever and he flew

1011
00:37:21,430 --> 00:37:20,480
it down the pace and i believe it was

1012
00:37:23,510 --> 00:37:21,440
and

1013
00:37:25,750 --> 00:37:23,520

crashed into his house trying to kill

1014

00:37:28,069 --> 00:37:25,760

his wife yeah the news the next morning

1015

00:37:29,589 --> 00:37:28,079

i remember that what night what like the

1016

00:37:32,230 --> 00:37:29,599

date this happened

1017

00:37:32,790 --> 00:37:32,240

i didn't keep track of the dates or

1018

00:37:34,470 --> 00:37:32,800

really

1019

00:37:37,030 --> 00:37:34,480

all i could tell you when i seen those

1020

00:37:38,470 --> 00:37:37,040

other views exactly what day it was

1021

00:37:39,910 --> 00:37:38,480

well i remember we're stepping back

1022

00:37:40,790 --> 00:37:39,920

there and i have no idea this guy

1023

00:37:44,230 --> 00:37:40,800

crashed playing

1024

00:37:44,870 --> 00:37:44,240

that earlier that night or even later

1025

00:37:47,430 --> 00:37:44,880

that night

1026

00:37:49,270 --> 00:37:47,440

i don't know when if when mike when

1027

00:37:50,069 --> 00:37:49,280

we've seen this craft if it was before

1028

00:37:51,829 --> 00:37:50,079

after i just know

1029

00:37:54,150 --> 00:37:51,839

that the next morning that was on that's

1030

00:37:56,230 --> 00:37:54,160

why i know the date of the

1031

00:37:57,589 --> 00:37:56,240

our experience well this one the vs i'll

1032

00:38:01,510 --> 00:37:57,599

give you credit maybe they were

1033

00:38:03,670 --> 00:38:01,520

bolt and gears and it was man-made

1034

00:38:05,589 --> 00:38:03,680

we have some technology i'll give you

1035

00:38:08,069 --> 00:38:05,599

maybe maybe those views

1036

00:38:08,950 --> 00:38:08,079

are ours with technology we don't that

1037

00:38:11,990 --> 00:38:08,960

we don't know about

1038

00:38:13,270 --> 00:38:12,000

yeah uh

1039

00:38:15,270 --> 00:38:13,280

i don't know because they're so big

1040

00:38:17,349 --> 00:38:15,280

they're so quiet i don't think they were

1041

00:38:19,270 --> 00:38:17,359

i'm not saying they i i think they were

1042

00:38:23,190 --> 00:38:19,280

some they were

1043

00:38:24,870 --> 00:38:23,200

of another species

1044

00:38:26,550 --> 00:38:24,880

there's a lot of delta but i think they

1045

00:38:29,829 --> 00:38:26,560

were well yeah

1046

00:38:33,270 --> 00:38:29,839

anyway this thing comes at us

1047

00:38:37,270 --> 00:38:33,280

in its oval shape it's blue it's

1048

00:38:39,109 --> 00:38:37,280

like a translucent blue you know

1049

00:38:40,310 --> 00:38:39,119

i felt like you could see into it i

1050

00:38:43,190 --> 00:38:40,320

couldn't really tell

1051
00:38:43,510 --> 00:38:43,200
and it was a it was maybe six seconds of

1052
00:38:45,910 --> 00:38:43,520
of

1053
00:38:47,670 --> 00:38:45,920
seeing it but this thing flew straight

1054
00:38:52,470 --> 00:38:47,680
out as it was coming north

1055
00:38:55,430 --> 00:38:52,480
was a oval shape looking blue glowing

1056
00:38:56,710 --> 00:38:55,440
quiet no not making a noise orb it was

1057
00:38:59,990 --> 00:38:56,720
orb but it was

1058
00:39:01,990 --> 00:39:00,000
oval shaped blue plasma looking

1059
00:39:03,990 --> 00:39:02,000
thing but i can't i can't even describe

1060
00:39:07,109 --> 00:39:04,000
it really ryan it's hard to explain

1061
00:39:08,870 --> 00:39:07,119
unreal but it's flying at us the flu

1062
00:39:10,310 --> 00:39:08,880
flies right ass i'm seeing it and i uh

1063
00:39:11,510 --> 00:39:10,320

well my wife i'm like look because i've

1064

00:39:14,230 --> 00:39:11,520

told her my stories and

1065

00:39:15,430 --> 00:39:14,240

yeah i believe i believe it but she

1066

00:39:19,109 --> 00:39:15,440

believes me now

1067

00:39:20,470 --> 00:39:19,119

well she looks up and i can see her

1068

00:39:21,829 --> 00:39:20,480

looking up out of the corner of my eye

1069

00:39:25,270 --> 00:39:21,839

and as soon as she looks up and

1070

00:39:27,670 --> 00:39:25,280

sees it this thing stops on a dime and

1071

00:39:28,790 --> 00:39:27,680

goes east takes a right-hand turn right

1072

00:39:31,430 --> 00:39:28,800

angle turn like

1073

00:39:32,790 --> 00:39:31,440

automatic phone phone and it was gone

1074

00:39:34,069 --> 00:39:32,800

and i looked there i said nah do you

1075

00:39:35,589 --> 00:39:34,079

believe me

1076

00:39:37,510 --> 00:39:35,599

so it was kind of cool to have witnesses

1077

00:39:40,230 --> 00:39:37,520

for some of these but

1078

00:39:41,430 --> 00:39:40,240

i tell you what that thing made me lose

1079

00:39:44,550 --> 00:39:41,440

a lot of sleep

1080

00:39:45,750 --> 00:39:44,560

and i know it wasn't man-made maybe the

1081

00:39:49,349 --> 00:39:45,760

bees could have been

1082

00:39:50,550 --> 00:39:49,359

i doubt it but we cannot make a blue

1083

00:39:52,870 --> 00:39:50,560

plasma looking

1084

00:39:53,589 --> 00:39:52,880

it looks it's like an energy ball or

1085

00:39:56,710 --> 00:39:53,599

something

1086

00:39:58,230 --> 00:39:56,720

but it's it's being it's intelligently

1087

00:40:01,270 --> 00:39:58,240

being

1088

00:40:03,829 --> 00:40:01,280

operated maybe i kind of

1089

00:40:05,510 --> 00:40:03,839

have a theory maybe it's it's a life

1090

00:40:07,670 --> 00:40:05,520

form it is a life form

1091

00:40:09,270 --> 00:40:07,680

maybe it's not a ship maybe it's a life

1092

00:40:12,390 --> 00:40:09,280

form i don't know yet

1093

00:40:14,870 --> 00:40:12,400

but i hope one day i all know

1094

00:40:15,990 --> 00:40:14,880

but that that the views are cool all the

1095

00:40:18,309 --> 00:40:16,000

lights i've seen out

1096

00:40:20,309 --> 00:40:18,319

i skin walk around and all the

1097

00:40:21,190 --> 00:40:20,319

unexplained stuff out there that i've

1098

00:40:23,510 --> 00:40:21,200

seen

1099

00:40:25,510 --> 00:40:23,520

that blue being that close to that blue

1100

00:40:29,910 --> 00:40:25,520

orb oval orb

1101
00:40:31,829 --> 00:40:29,920
was amazing and i i want to see it again

1102
00:40:33,349 --> 00:40:31,839
so cool man so i'm hoping to see it out

1103
00:40:33,750 --> 00:40:33,359
of ranch maybe that's why i go out there

1104
00:40:36,150 --> 00:40:33,760
because

1105
00:40:36,870 --> 00:40:36,160
i don't get disappointed out there so

1106
00:40:39,990 --> 00:40:36,880
cool

1107
00:40:41,030 --> 00:40:40,000
sharing all these experiences and i'm

1108
00:40:43,190 --> 00:40:41,040
with you i think they're

1109
00:40:45,589 --> 00:40:43,200
there there's a percentage of them that

1110
00:40:46,630 --> 00:40:45,599
there is a biological aspect to some of

1111
