steiger prolific writer

15

00:01:28,390 --> 00:01:25,119

of the ufo trilogy dramas for the stage

16

00:01:31,270 --> 00:01:28,400

talk about a barn burner

17

00:01:31,749 --> 00:01:31,280

john really put a ton of research into

18

00:01:35,270 --> 00:01:31,759

this

19

00:01:38,069 --> 00:01:35,280

since 2010 and he mentions

20

00:01:39,030 --> 00:01:38,079

there may be a cover-up but we're gonna

21

00:01:42,310 --> 00:01:39,040

get into

22

00:01:45,590 --> 00:01:42,320

that and so much more following up with

23

00:01:47,670 --> 00:01:45,600

what seems like an unfathomable

24

00:01:49,030 --> 00:01:47,680

amount of research john has put into

25

00:01:50,469 --> 00:01:49,040

these ufo cases

26  
00:01:52,789 --> 00:01:50,479  
the three that we are going to talk

27  
00:01:55,429 --> 00:01:52,799  
about today

28  
00:01:58,270 --> 00:01:55,439  
but before we do have you been over to

this ufo trilogy dramas for the stage

38  
00:02:34,869 --> 00:02:31,440

john became inspired by the idea

39

00:02:36,710 --> 00:02:34,879

of a jury trial drama and

40

00:02:39,670 --> 00:02:36,720

i think that's the best way to go about

41

00:02:43,110 --> 00:02:39,680

it getting to the truth

42

00:02:45,190 --> 00:02:43,120

with the audience as a jury examining

43

00:02:47,430 --> 00:02:45,200

all the research that he's done since

44

00:02:50,949 --> 00:02:47,440

2010 to get to the truth between

45

00:02:54,790 --> 00:02:50,959

the arguments what an amazing way

46

00:02:58,229 --> 00:02:54,800

to guide prolific research

47

00:03:05,350 --> 00:02:58,239

into extensive theories

48

00:03:08,869 --> 00:03:05,360

taking in the skeptics weighing in all

49

00:03:11,110 --> 00:03:08,879

and you know you just have to buy this

things that are hard to dispute in these

92

00:04:56,870 --> 00:04:53,680

cases are many

93

00:04:58,390 --> 00:04:56,880

whether it's the brooklyn bridge ufo

94

00:05:01,590 --> 00:04:58,400

investigation

95

00:05:03,029 --> 00:05:01,600

whether it is the rendelsome forest

96

00:05:05,830 --> 00:05:03,039

investigation which is

97

00:05:06,629 --> 00:05:05,840

british version of roswell with distinct

98

00:05:09,270 --> 00:05:06,639

differences

99

00:05:11,430 --> 00:05:09,280

or whether it's the mother lode the

100

00:05:14,950 --> 00:05:11,440

roswell investigation

101  
00:05:16,390 --> 00:05:14,960  
with no further ado the only guy you can

102  
00:05:19,430 --> 00:05:16,400  
ask about the three

103  
00:05:23,430 --> 00:05:19,440  
and get the most information

104  
00:05:26,230 --> 00:05:23,440  
prolific writer inspired researcher

105  
00:05:27,270 --> 00:05:26,240  
but most importantly overall good guy

106  
00:05:29,990 --> 00:05:27,280  
john steiger

107  
00:05:30,390 --> 00:05:30,000  
welcome to the hero paranormal podcast

108  
00:05:33,029 --> 00:05:30,400

109  
00:05:33,909 --> 00:05:33,039  
good how are you doing great doing great

110  
00:05:36,070 --> 00:05:33,919  
it's great to

111  
00:05:37,270 --> 00:05:36,080  
finally talk to you i've been just

112  
00:05:39,909 --> 00:05:37,280  
fascinated by

113  
00:05:41,189 --> 00:05:39,919

your book i love everything about it the

114

00:05:43,909 --> 00:05:41,199

um

115

00:05:44,310 --> 00:05:43,919

the research that you have put into this

116

00:05:47,590 --> 00:05:44,320

since

117

00:05:50,230 --> 00:05:47,600

2010 is staggering and the prolific

118

00:05:50,870 --> 00:05:50,240

writing is well it's just so amusing and

119

00:05:53,670 --> 00:05:50,880

great i

120

00:05:54,230 --> 00:05:53,680

i love it everything and i wanted to ask

121

00:05:56,629 --> 00:05:54,240

uh

122

00:05:58,790 --> 00:05:56,639

let's see what i had a ton of questions

123

00:06:01,189 --> 00:05:58,800

john well let's start at the beginning

124

00:06:04,830 --> 00:06:01,199

how did you first become interested in

125

00:06:12,710 --> 00:06:09,510

well it's a bit of a long story but

126

00:06:15,749 --> 00:06:12,720

i blame my mother-in-law for that uh

127

00:06:18,390 --> 00:06:15,759

she was an insomniac uh

128

00:06:20,390 --> 00:06:18,400

but she didn't watch tv at night instead

129

00:06:22,469 --> 00:06:20,400

she listened to the radio

130

00:06:23,510 --> 00:06:22,479

and she started out listening to larry

131

00:06:26,550 --> 00:06:23,520

king who

132

00:06:27,830 --> 00:06:26,560

i i wasn't so much interested in him and

133

00:06:30,550 --> 00:06:27,840

then uh

134

00:06:31,830 --> 00:06:30,560

she he went to tv you know so then she

135

00:06:35,430 --> 00:06:31,840

switched over to art

136

00:06:37,909 --> 00:06:35,440

bell and his ufos and paranormal

137

00:06:39,749 --> 00:06:37,919

and then she would uh regale me with

138

00:06:40,230 --> 00:06:39,759

tales of what was going on in the art

139

00:06:43,350 --> 00:06:40,240

bell

140

00:06:46,230 --> 00:06:43,360

show and then uh also uh inform me

141

00:06:47,749 --> 00:06:46,240

uh how sad she was that i had to work

142

00:06:50,070 --> 00:06:47,759

during the day and so i couldn't

143

00:06:53,350 --> 00:06:50,080

possibly stay up and listen to

144

00:06:54,309 --> 00:06:53,360

art bell at night but i just had to show

145

00:06:56,629 --> 00:06:54,319

her up

146

00:06:58,469 --> 00:06:56,639

and i went to sleep with the radio on

147

00:06:59,350 --> 00:06:58,479

and at times you know you wake up in the

148

00:07:01,350 --> 00:06:59,360

middle of the night

149

00:07:03,749 --> 00:07:01,360

and i would be listening to art bell and

150

00:07:06,870 --> 00:07:03,759

i got snippets here and there

151  
00:07:08,790 --> 00:07:06,880  
uh all through the years of art bell and

152  
00:07:09,990 --> 00:07:08,800  
and linda moulton howe richard c

153  
00:07:13,510 --> 00:07:10,000  
hoagland and all his

154  
00:07:15,749 --> 00:07:13,520  
uh famous people he had on there

155  
00:07:17,589 --> 00:07:15,759  
so anyway that that was an introduction

156  
00:07:19,830 --> 00:07:17,599  
to ufos

157  
00:07:21,990 --> 00:07:19,840  
um i was doing other things though at

158  
00:07:25,110 --> 00:07:22,000  
the time like writing fiction and and

159  
00:07:28,230 --> 00:07:25,120  
uh actually directed to movies

160  
00:07:28,710 --> 00:07:28,240  
of very low budget movies and so that

161  
00:07:31,830 --> 00:07:28,720  
took up

162  
00:07:35,110 --> 00:07:31,840  
quite a bit of time but eventually

163  
00:07:38,390 --> 00:07:35,120

i got out of all that and um

164

00:07:39,830 --> 00:07:38,400

i started i went to uh two conferences

165

00:07:42,309 --> 00:07:39,840

in washington dc

166

00:07:44,150 --> 00:07:42,319

one in 2010 and then the citizens

167

00:07:47,830 --> 00:07:44,160

hearing in 2013

168

00:07:48,390 --> 00:07:47,840

and and then eventually i went out of

169

00:07:51,430 --> 00:07:48,400

town

170

00:07:52,150 --> 00:07:51,440

and went to the roswell ufo conference

171

00:07:55,110 --> 00:07:52,160

which is

172

00:07:57,430 --> 00:07:55,120

uh held annually around the 4th of july

173

00:07:59,749 --> 00:07:57,440

in roswell new mexico

174

00:08:02,230 --> 00:07:59,759

and i really had a good time out there

175

00:08:05,189 --> 00:08:02,240

that was in 2015

176

00:08:05,749 --> 00:08:05,199

and on driving i drove out and on the

177

00:08:08,390 --> 00:08:05,759

drive

178

00:08:10,230 --> 00:08:08,400

back i got the idea that wouldn't it be

179

00:08:13,909 --> 00:08:10,240

interesting to um

180

00:08:17,909 --> 00:08:13,919

put the pro us uh pro ufo

181

00:08:21,430 --> 00:08:17,919

roswell witnesses up against the anti

182

00:08:23,029 --> 00:08:21,440

uh ufo roswell witnesses and so i came

183

00:08:26,469 --> 00:08:23,039

up with the idea of a

184

00:08:29,510 --> 00:08:26,479

uh of a jury trial

185

00:08:31,830 --> 00:08:29,520

um and in fact the audience

186

00:08:34,149 --> 00:08:31,840

acts as the jury and i think that's an

187

00:08:36,630 --> 00:08:34,159

and a very interesting passage

188

00:08:37,670 --> 00:08:36,640

uh when you attend the play you would

189

00:08:39,990 --> 00:08:37,680

get with your

190

00:08:40,709 --> 00:08:40,000

um play bill you would get a juror

191

00:08:42,709 --> 00:08:40,719

ballot

192

00:08:44,470 --> 00:08:42,719

and actually get to fill it out at the

193

00:08:47,190 --> 00:08:44,480

conclusion of the uh

194

00:08:50,870 --> 00:08:47,200

play and then the ushers would take it

195

00:08:53,430 --> 00:08:50,880

and it'd be tabulated during the uh

196

00:08:54,790 --> 00:08:53,440

accolades and you know uh closing with

197

00:08:56,550 --> 00:08:54,800

the with the actors

198

00:08:59,030 --> 00:08:56,560

and then finally the judge would come

199

00:09:02,870 --> 00:08:59,040

out and he would render the verdict

200

00:09:03,190 --> 00:09:02,880

well the two sides were the plaintiff

201  
00:09:06,310 --> 00:09:03,200  
was

202  
00:09:09,350 --> 00:09:06,320  
citizens for ufo disclosure now

203  
00:09:11,910 --> 00:09:09,360  
that's a fictional name for a group but

204  
00:09:14,150 --> 00:09:11,920  
there's a lot of ufo groups with with

205  
00:09:18,389 --> 00:09:14,160  
similar names to that so it

206  
00:09:22,070 --> 00:09:18,399  
it it you know lends a a

207  
00:09:25,350 --> 00:09:22,080  
a great uh aura of authenticity to it

208  
00:09:28,710 --> 00:09:25,360  
and so anyway they present

209  
00:09:31,430 --> 00:09:28,720  
10 first-hand

210  
00:09:33,750 --> 00:09:31,440  
witnesses not witnesses with first-hand

211  
00:09:35,670 --> 00:09:33,760  
knowledge of what went on at roswell now

212  
00:09:37,829 --> 00:09:35,680  
none of these witnesses has the full

213  
00:09:38,710 --> 00:09:37,839

picture because roswell was such a big

214

00:09:41,990 --> 00:09:38,720

case

215

00:09:44,230 --> 00:09:42,000

but if you put together what those 10

216

00:09:47,190 --> 00:09:44,240

witnesses

217

00:09:48,710 --> 00:09:47,200

can testify to it'll provide you with a

218

00:09:52,550 --> 00:09:48,720

pretty full picture

219

00:09:57,829 --> 00:09:55,350

there's belief that roswell was a ufo

220

00:10:00,310 --> 00:09:57,839

crash a legitimate ufo crash

221

00:10:01,509 --> 00:10:00,320

on the other hand the united states air

222

00:10:05,750 --> 00:10:01,519

force

223

00:10:09,910 --> 00:10:05,760

has done its best to try to

224

00:10:13,190 --> 00:10:09,920

deny that any uh actual ufo crash

225

00:10:14,870 --> 00:10:13,200

occurred and they put out two reports in

226  
00:10:17,269 --> 00:10:14,880  
the 1990s

227  
00:10:18,710 --> 00:10:17,279  
these were both reports were hundreds of

228  
00:10:21,829 --> 00:10:18,720  
pages long

229  
00:10:24,710 --> 00:10:21,839  
now they it boils down to

230  
00:10:26,470 --> 00:10:24,720  
about five witnesses and but two of them

231  
00:10:29,910 --> 00:10:26,480  
are kind of redundant to it

232  
00:10:32,389 --> 00:10:29,920  
to one of the others so i really

233  
00:10:34,310 --> 00:10:32,399  
let them have three primary witnesses

234  
00:10:34,870 --> 00:10:34,320  
which is all that their reports really

235  
00:10:37,430 --> 00:10:34,880  
rely

236  
00:10:39,030 --> 00:10:37,440  
upon and then you know there's a lot of

237  
00:10:40,150 --> 00:10:39,040  
evidence that they've drum up in the

238  
00:10:43,269 --> 00:10:40,160

report

239

00:10:46,550 --> 00:10:43,279

for their uh uh

240

00:10:48,550 --> 00:10:46,560

stance that there was no ufo crash

241

00:10:50,710 --> 00:10:48,560

so anyway and there's you know there's

242

00:10:51,829 --> 00:10:50,720

attorneys for both sides and they put up

243

00:10:54,870 --> 00:10:51,839

objections

244

00:10:56,389 --> 00:10:54,880

uh throughout and they have uh opening

245

00:10:59,829 --> 00:10:56,399

statements and closing

246

00:11:03,509 --> 00:10:59,839

arguments and once that is done

247

00:11:06,550 --> 00:11:03,519

then they um the judge reads

248

00:11:08,150 --> 00:11:06,560

jury instructions to the audience or you

249

00:11:09,110 --> 00:11:08,160

know would be to the reader you would

250

00:11:11,190 --> 00:11:09,120

read that

251  
00:11:12,949 --> 00:11:11,200  
and then you can render your verdict on

252  
00:11:14,069 --> 00:11:12,959  
what you think happened at roswell but

253  
00:11:17,509 --> 00:11:14,079  
the idea is

254  
00:11:19,990 --> 00:11:17,519  
this play puts the entire roswell case

255  
00:11:21,829 --> 00:11:20,000  
into a nutshell now it's not totally

256  
00:11:25,269 --> 00:11:21,839  
comprehensive because

257  
00:11:26,069 --> 00:11:25,279  
a play of this this sort is meant to be

258  
00:11:28,470 --> 00:11:26,079  
taken

259  
00:11:29,269 --> 00:11:28,480  
uh over the course of one experience to

260  
00:11:32,630 --> 00:11:29,279  
over the course of

261  
00:11:33,030 --> 00:11:32,640  
one afternoon or one evening and if you

262  
00:11:35,110 --> 00:11:33,040  
did

263  
00:11:37,590 --> 00:11:35,120

the entirety and all the evidence of

264

00:11:38,150 --> 00:11:37,600

roswell you're talking days if not weeks

265

00:11:40,630 --> 00:11:38,160

and may

266

00:11:42,069 --> 00:11:40,640

you know like an oj trial or something

267

00:11:45,110 --> 00:11:42,079

to that effect

268

00:11:48,389 --> 00:11:45,120

so um anyway this

269

00:11:51,110 --> 00:11:48,399

this this puts roswell into a nutshell

270

00:11:52,790 --> 00:11:51,120

for those who want a good introduction

271

00:11:55,110 --> 00:11:52,800

to what happened there you'll have an

272

00:11:58,150 --> 00:11:55,120

understanding once you reach the

273

00:12:00,790 --> 00:11:58,160

read this play and uh

274

00:12:01,670 --> 00:12:00,800

so that's that's what i did uh once i

275

00:12:04,870 --> 00:12:01,680

got home

276

00:12:07,910 --> 00:12:04,880

now it took me um nine or ten

277

00:12:09,990 --> 00:12:07,920

months to review of the literature i had

278

00:12:13,030 --> 00:12:10,000

to buy a lot of it and whatever and make

279

00:12:13,910 --> 00:12:13,040

notes made extensive notes and then two

280

00:12:17,269 --> 00:12:13,920

or three months

281

00:12:20,870 --> 00:12:17,279

to write the play now each of these

282

00:12:23,269 --> 00:12:20,880

plays of the three in my trilogy

283

00:12:23,990 --> 00:12:23,279

has a bibliography so that all my

284

00:12:27,269 --> 00:12:24,000

sources

285

00:12:30,389 --> 00:12:27,279

are there and you can reference them

286

00:12:33,590 --> 00:12:30,399

uh if if you want for further reading

287

00:12:37,910 --> 00:12:33,600

uh there's also an extensive series of

288

00:12:40,069 --> 00:12:37,920

endnotes and i mean there's uh over 850

289

00:12:42,550 --> 00:12:40,079

endnotes in all three plays

290

00:12:45,590 --> 00:12:42,560

so that this these plays are all very

291

00:12:48,629 --> 00:12:45,600

well referenced with factual references

292

00:12:49,590 --> 00:12:48,639

and uh you can see where everything has

293

00:12:53,030 --> 00:12:49,600

been

294

00:12:53,910 --> 00:12:53,040

uh comes from that's uh being presented

295

00:12:56,629 --> 00:12:53,920

to you

296

00:12:57,670 --> 00:12:56,639

and lastly there's also an index for

297

00:13:01,190 --> 00:12:57,680

each play so

298

00:13:04,790 --> 00:13:01,200

if there was some uh uh

299

00:13:05,829 --> 00:13:04,800

tidbit or trivia or or even an important

300

00:13:08,550 --> 00:13:05,839

item that you were

301  
00:13:10,870 --> 00:13:08,560  
interested in and you had gone through

302  
00:13:13,990 --> 00:13:10,880  
the play and weren't sure where it was

303  
00:13:16,310 --> 00:13:14,000  
was you can use the index for a

304  
00:13:17,670 --> 00:13:16,320  
handy reference and get right to the

305  
00:13:23,350 --> 00:13:17,680  
page where

306  
00:13:29,590 --> 00:13:26,550  
yes i you know what an amazing

307  
00:13:30,550 --> 00:13:29,600  
way that you've chosen to guide your

308  
00:13:33,870 --> 00:13:30,560  
research

309  
00:13:37,350 --> 00:13:33,880  
and as you mentioned john over

310  
00:13:40,710 --> 00:13:37,360  
850 uh endnotes

311  
00:13:43,030 --> 00:13:40,720  
and talk about the sources

312  
00:13:44,470 --> 00:13:43,040  
the images and the way that you just

313  
00:13:47,910 --> 00:13:44,480

kind of put the person

314

00:13:50,550 --> 00:13:47,920

there um i love the images i love

315

00:13:51,269 --> 00:13:50,560

everything you've done here and our

316

00:13:54,949 --> 00:13:51,279

guest today

317

00:13:55,750 --> 00:13:54,959

john steiger prolific writer of the ufo

318

00:13:58,949 --> 00:13:55,760

trilogy

319

00:14:02,230 --> 00:13:58,959

dramas for the stage john

320

00:14:04,470 --> 00:14:02,240

i wanted to kind of focus back and

321

00:14:06,310 --> 00:14:04,480

go into some of that research because it

322

00:14:09,829 --> 00:14:06,320

really is detailed

323

00:14:11,269 --> 00:14:09,839

and i like how you delved into even the

324

00:14:14,470 --> 00:14:11,279

characters that are

325

00:14:16,230 --> 00:14:14,480

in the courtroom drama and real

326

00:14:19,189 --> 00:14:16,240

characters that had real

327

00:14:19,670 --> 00:14:19,199

experiences said real things under oath

328

00:14:21,350 --> 00:14:19,680

whether

329

00:14:23,189 --> 00:14:21,360

that we'll get into that and that's kind

330

00:14:27,030 --> 00:14:23,199

of what i wanted to discuss

331

00:14:29,350 --> 00:14:27,040

is where how you got your inspiration

332

00:14:30,790 --> 00:14:29,360

obviously the the roswell trial the

333

00:14:33,910 --> 00:14:30,800

courtroom drama

334

00:14:37,750 --> 00:14:33,920

and i also wanted to

335

00:14:41,829 --> 00:14:37,760

ask you know the play in general um

336

00:14:48,629 --> 00:14:45,110

sure um i mean i

337

00:14:51,509 --> 00:14:48,639

what i did was i took every

338

00:14:53,350 --> 00:14:51,519

book and i did books pretty much is

339

00:14:53,750 --> 00:14:53,360

limited on roswell because there's so

340

00:14:57,430 --> 00:14:53,760

much

341

00:15:00,069 --> 00:14:57,440

literature on it um i did

342

00:15:00,710 --> 00:15:00,079

books you know by like kevin randall don

343

00:15:03,990 --> 00:15:00,720

schmidt

344

00:15:07,189 --> 00:15:04,000

tom carey um john price

345

00:15:07,990 --> 00:15:07,199

wrote a book on uh on it um and then

346

00:15:12,389 --> 00:15:08,000

there's a lot of

347

00:15:18,069 --> 00:15:12,399

other um you know like kind of one-offs

348

00:15:20,870 --> 00:15:18,079

um i i let me look at the uh

349

00:15:21,700 --> 00:15:20,880

bibliography a second so i can it's

350

00:15:24,230 --> 00:15:21,710

amazing um

351

00:15:28,470 --> 00:15:24,240

[Music]

352

00:15:29,509 --> 00:15:28,480

yeah okay uh don berliner and stanton

353

00:15:32,949 --> 00:15:29,519

friedman wrote

354

00:15:35,350 --> 00:15:32,959

uh an early book on it um

355

00:15:35,990 --> 00:15:35,360

charles berlitz and william moore wrote

356

00:15:39,430 --> 00:15:36,000

the first

357

00:15:42,069 --> 00:15:39,440

book on it um there's um

358

00:15:43,350 --> 00:15:42,079

a book about uh intimate interviews with

359

00:15:47,269 --> 00:15:43,360

jesse marcel

360

00:15:49,910 --> 00:15:47,279

by linda corley um and then

361

00:15:50,790 --> 00:15:49,920

not only did i do that side i also did

362

00:15:53,430 --> 00:15:50,800

not just the

363

00:15:54,069 --> 00:15:53,440

the two air force reports one one of

364

00:15:57,189 --> 00:15:54,079

them is

365

00:16:01,509 --> 00:15:59,509

colonel richard weaver and first

366

00:16:02,949 --> 00:16:01,519

lieutenant james mcandrew called the

367

00:16:05,509 --> 00:16:02,959

roswell report back

368

00:16:06,310 --> 00:16:05,519

versus fiction in the new mexico desert

369

00:16:10,150 --> 00:16:06,320

and then two

370

00:16:12,710 --> 00:16:10,160

two years later mcandrew alone did a

371

00:16:14,069 --> 00:16:12,720

follow-up report the roswell report case

372

00:16:17,670 --> 00:16:14,079

closed now these were both

373

00:16:21,189 --> 00:16:17,680

done uh right before

374

00:16:22,310 --> 00:16:21,199

the 50th anniversary of roswell because

375

00:16:24,870 --> 00:16:22,320

roswell was

376

00:16:25,509 --> 00:16:24,880

big in the news and the air force was

377

00:16:28,710 --> 00:16:25,519

trying to

378

00:16:32,389 --> 00:16:28,720

to quash it um but

379

00:16:37,030 --> 00:16:32,399

anyway then there's also philip class

380

00:16:40,470 --> 00:16:37,040

calcore and um uh

381

00:16:44,629 --> 00:16:40,480

uh flock uh carl flock

382

00:16:47,749 --> 00:16:44,639

were three skeptics who uh on at least

383

00:16:50,150 --> 00:16:47,759

flock is not always a skeptic but he's a

384

00:16:52,470 --> 00:16:50,160

skeptic towards roswell it turned out

385

00:16:53,509 --> 00:16:52,480

they they wrote important skeptical

386

00:16:57,509 --> 00:16:53,519

books

387

00:16:58,790 --> 00:16:57,519

uh which support the air force's

388

00:17:02,710 --> 00:16:58,800

position

389

00:17:06,549 --> 00:17:02,720

so and the the play is dedicated to the

390

00:17:10,150 --> 00:17:06,559

uh investigators of of the roswell

391

00:17:15,390 --> 00:17:10,160

crash both sides both the pro

392

00:17:20,949 --> 00:17:18,549

anti-ufo side the the the two air force

393

00:17:22,470 --> 00:17:20,959

gentlemen and also those uh three

394

00:17:25,750 --> 00:17:22,480

skeptics i mentioned

395

00:17:27,189 --> 00:17:25,760

i'm trying to give equal time to to both

396

00:17:30,390 --> 00:17:27,199

sides here

397

00:17:30,870 --> 00:17:30,400

um so because it's it's it's important

398

00:17:33,990 --> 00:17:30,880

that

399

00:17:38,470 --> 00:17:34,000

you know we we examine the evidence

400

00:17:39,350 --> 00:17:38,480

uh and fairly in order to get to the

401

00:17:40,950 --> 00:17:39,360

truth

402

00:17:43,510 --> 00:17:40,960

because that's what we're really trying

403

00:17:44,070 --> 00:17:43,520

to get to here what was the truth that

404

00:17:47,669 --> 00:17:44,080

happened

405

00:17:51,110 --> 00:17:47,679

at roswell yes

406

00:17:54,789 --> 00:17:51,120

i agree there's a lot of truth

407

00:17:57,909 --> 00:17:54,799

in um i think mixed into your research

408

00:17:59,669 --> 00:17:57,919

john and uh the

409

00:18:01,510 --> 00:17:59,679

you mentioned the three skeptics wrote

410

00:18:04,549 --> 00:18:01,520

very important books

411

00:18:07,590 --> 00:18:04,559

uh as far as the air force perspective

412

00:18:09,909 --> 00:18:07,600

and you know these these people uh

413

00:18:11,190 --> 00:18:09,919

that were working for the air force and

414

00:18:13,750 --> 00:18:11,200

the skeptics

415

00:18:14,230 --> 00:18:13,760

uh there's there's a lot of cases where

416

00:18:15,909 --> 00:18:14,240

i think

417

00:18:17,750 --> 00:18:15,919

people brought a lot of baggage in

418

00:18:18,710 --> 00:18:17,760

possibly with them whether it's their

419

00:18:21,990 --> 00:18:18,720

job

420

00:18:23,430 --> 00:18:22,000

and uh you know that that not not not

421

00:18:25,029 --> 00:18:23,440

that that would affect the truth but it

422

00:18:28,070 --> 00:18:25,039

may affect the way they filter the truth

423

00:18:28,710 --> 00:18:28,080

when speaking to others is that true i

424

00:18:32,549 --> 00:18:28,720

think that

425

00:18:36,390 --> 00:18:32,559

air force reports are definitely slanted

426

00:18:39,430 --> 00:18:36,400

i think the air force had a pre-ordained

427

00:18:42,070 --> 00:18:39,440

um outcome

428

00:18:43,750 --> 00:18:42,080

that they wanted to present i the air

429

00:18:46,070 --> 00:18:43,760

force claims they looked at

430

00:18:47,190 --> 00:18:46,080

and did an investigation and came up

431

00:18:50,230 --> 00:18:47,200

with the truth

432

00:18:53,270 --> 00:18:50,240

uh i don't i reject that personally

433

00:18:53,990 --> 00:18:53,280

i i believe they had it um i mean this

434

00:18:56,630 --> 00:18:54,000

happened

435

00:18:58,870 --> 00:18:56,640

at the time of the event you know they

436

00:19:00,070 --> 00:18:58,880

they put out the press release stating

437

00:19:02,390 --> 00:19:00,080

that they had a a

438

00:19:03,990 --> 00:19:02,400

saucer and then they took it back a day

439

00:19:06,870 --> 00:19:04,000

later with their cover-up

440

00:19:08,070 --> 00:19:06,880

done by uh general raymie out of fort

441

00:19:09,909 --> 00:19:08,080

worth

442

00:19:12,710 --> 00:19:09,919

i mean he came up with a very

443

00:19:16,150 --> 00:19:12,720

brilliantly uh clever cover-up

444

00:19:18,470 --> 00:19:16,160

uh but i we believe those were on orders

445

00:19:21,830 --> 00:19:18,480

from the pentagon itself

446

00:19:25,029 --> 00:19:21,840

um and so this has been their stance

447

00:19:27,510 --> 00:19:25,039

all along to deny that

448

00:19:28,549 --> 00:19:27,520

anything important happened even though

449

00:19:33,350 --> 00:19:28,559

there's

450

00:19:37,430 --> 00:19:36,710

be uh against the air force's position

451  
00:19:39,590 --> 00:19:37,440  
and that's

452  
00:19:42,870 --> 00:19:39,600  
what i try to portray on the plaintiff

453  
00:19:46,230 --> 00:19:45,830  
and i think you do a good job of that

454  
00:19:49,990 --> 00:19:46,240  
and

455  
00:19:50,630 --> 00:19:50,000  
wanted to double check the air force

456  
00:19:53,830 --> 00:19:50,640  
witnesses

457  
00:19:55,190 --> 00:19:53,840  
it was that was sheridan cavett i hope

458  
00:19:58,310 --> 00:19:55,200  
i'm saying that right

459  
00:20:01,430 --> 00:19:58,320  
that's correct irving newton and dr

460  
00:20:05,430 --> 00:20:01,440  
charles moore for our listeners that um

461  
00:20:10,470 --> 00:20:05,440  
aren't familiar and i you know

462  
00:20:13,990 --> 00:20:10,480  
talk about a barn burner the ufo trilogy

463  
00:20:17,830 --> 00:20:14,000

is john this is your first publication

464

00:20:22,870 --> 00:20:17,840

and you've put a ton of research

465

00:20:24,549 --> 00:20:22,880

into this you uh since 2010

466

00:20:26,230 --> 00:20:24,559

and you mentioned that there may have

467

00:20:27,669 --> 00:20:26,240

been a cover-up of sorts

468

00:20:30,149 --> 00:20:27,679

could could be going a little bit into

469

00:20:31,750 --> 00:20:30,159

detail not taking away from i i want to

470

00:20:33,270 --> 00:20:31,760

move on and get into the renal shrimp

471

00:20:34,789 --> 00:20:33,280

stuff as well but

472

00:20:36,710 --> 00:20:34,799

could we go into that a little bit maybe

473

00:20:39,270 --> 00:20:36,720

that there is a cover-up

474

00:20:40,630 --> 00:20:39,280

yeah this is there's an overall general

475

00:20:43,990 --> 00:20:40,640

cover-up by the

476

00:20:48,470 --> 00:20:44,000

military um against the

477

00:20:50,870 --> 00:20:48,480

ufos i mean that's i don't know if

478

00:20:51,590 --> 00:20:50,880

you want to consider you know this news

479

00:20:53,830 --> 00:20:51,600

that's

480

00:20:55,830 --> 00:20:53,840

been breaking lately you know about the

481

00:20:58,630 --> 00:20:55,840

the air force carriers and all that

482

00:20:59,350 --> 00:20:58,640

is somewhat breaking it up i i really

483

00:21:02,070 --> 00:20:59,360

haven't

484

00:21:04,070 --> 00:21:02,080

studied that extensively and and not

485

00:21:04,870 --> 00:21:04,080

really in a position to testify to that

486

00:21:07,430 --> 00:21:04,880

but

487

00:21:08,549 --> 00:21:07,440

historically going back to 47 with

488

00:21:12,710 --> 00:21:08,559

roswell

489

00:21:15,430 --> 00:21:12,720

there's been denial of of ufo activity

490

00:21:17,510 --> 00:21:15,440

on the military's part and in particular

491

00:21:20,710 --> 00:21:17,520

the air force the air force is the lead

492

00:21:21,990 --> 00:21:20,720

service uh with this over the army navy

493

00:21:24,630 --> 00:21:22,000

or marines

494

00:21:25,830 --> 00:21:24,640

um just because you know they're dealing

495

00:21:28,149 --> 00:21:25,840

with the

496

00:21:29,350 --> 00:21:28,159

flying and most of the ufos are up in

497

00:21:35,750 --> 00:21:29,360

the sky

498

00:21:38,789 --> 00:21:35,760

so anyway yeah that there there's this

499

00:21:39,350 --> 00:21:38,799

but the cover-up at roswell is they put

500

00:21:41,430 --> 00:21:39,360

out the

501  
00:21:43,270 --> 00:21:41,440  
press release and it's arguable that the

502  
00:21:45,430 --> 00:21:43,280  
press release should never have been put

503  
00:21:49,190 --> 00:21:45,440  
out that it was a big mistake

504  
00:21:52,230 --> 00:21:49,200  
but the base see the roswell base

505  
00:21:55,909 --> 00:21:52,240  
was kind of like a satellite

506  
00:21:58,470 --> 00:21:55,919  
or it's not the the

507  
00:21:59,190 --> 00:21:58,480  
larger base was at fort worth army

508  
00:22:02,870 --> 00:21:59,200  
airfield

509  
00:22:04,870 --> 00:22:02,880  
which is you know a town next to dallas

510  
00:22:06,549 --> 00:22:04,880  
and ross well morocco is extremely

511  
00:22:08,500 --> 00:22:06,559  
important though because the

512  
00:22:09,909 --> 00:22:08,510  
the nuclear bomb uh

513  
00:22:13,669 --> 00:22:09,919

[Music]

514

00:22:16,789 --> 00:22:13,679

bombers were based there uh when we uh

515

00:22:18,390 --> 00:22:16,799

bombed uh you know hiroshima and

516

00:22:21,590 --> 00:22:18,400

nagasaki

517

00:22:24,870 --> 00:22:21,600

um they did you know the

518

00:22:28,470 --> 00:22:24,880

trinity site in new mexico is where they

519

00:22:29,430 --> 00:22:28,480

did testing uh out of roswell and and

520

00:22:32,710 --> 00:22:29,440

whatnot

521

00:22:35,830 --> 00:22:32,720

but anyway the headquarters uh

522

00:22:38,230 --> 00:22:35,840

for that branch of the air force was out

523

00:22:41,270 --> 00:22:38,240

of fort worth army airfield

524

00:22:43,430 --> 00:22:41,280

and texas and so then they took over

525

00:22:45,510 --> 00:22:43,440

because the roswell people put out the

526

00:22:46,870 --> 00:22:45,520

press release the pentagon saw this they

527

00:22:50,230 --> 00:22:46,880

said no you can't

528

00:22:53,270 --> 00:22:50,240

this can't be that we can't have this

529

00:22:55,590 --> 00:22:53,280

um and so then the

530

00:22:56,310 --> 00:22:55,600

general raymie there and this is all

531

00:22:59,029 --> 00:22:56,320

detailed

532

00:22:59,830 --> 00:22:59,039

there's a there's a general raymond was

533

00:23:01,909 --> 00:22:59,840

deceased

534

00:23:04,549 --> 00:23:01,919

and he never he probably would have

535

00:23:07,190 --> 00:23:04,559

never come forth anyway because he was

536

00:23:09,750 --> 00:23:07,200

you know very much on the air force side

537

00:23:13,510 --> 00:23:09,760

but there is a

538

00:23:16,310 --> 00:23:13,520

very good uh witness um

539

00:23:17,190 --> 00:23:16,320

who was the uh kind of like the

540

00:23:19,750 --> 00:23:17,200

lieutenant

541

00:23:20,870 --> 00:23:19,760

here brigadier general thomas jefferson

542

00:23:24,310 --> 00:23:20,880

dubose

543

00:23:25,270 --> 00:23:24,320

he was right below raymie and there on

544

00:23:27,750 --> 00:23:25,280

the scene

545

00:23:28,870 --> 00:23:27,760

and he actually came forth in his old

546

00:23:33,510 --> 00:23:28,880

age

547

00:23:35,669 --> 00:23:33,520

and admitted that it was cover-up

548

00:23:37,669 --> 00:23:35,679

now the one thing he never admitted was

549

00:23:38,070 --> 00:23:37,679

that there were it was ufos because he

550

00:23:40,710 --> 00:23:38,080

claimed

551  
00:23:42,870 --> 00:23:40,720  
he never saw the material itself and

552  
00:23:46,070 --> 00:23:42,880  
that could very well be true i mean

553  
00:23:48,950 --> 00:23:46,080  
the ufo material was uh

554  
00:23:50,470 --> 00:23:48,960  
kept to you know the fewest and smallest

555  
00:23:53,990 --> 00:23:50,480  
amount of people

556  
00:23:54,470 --> 00:23:54,000  
but he said that that uh weather balloon

557  
00:23:58,070 --> 00:23:54,480  
that

558  
00:24:01,110 --> 00:23:58,080  
or so after

559  
00:24:07,190 --> 00:24:01,120  
the uh press release was

560  
00:24:13,990 --> 00:24:10,950  
wow wow

561  
00:24:15,909 --> 00:24:14,000  
big big stuff that's that

562  
00:24:17,110 --> 00:24:15,919  
that could you know that that's really

563  
00:24:23,190 --> 00:24:17,120

big

564

00:24:23,990 --> 00:24:23,200

it's it's interesting i wanted to ask

565

00:24:26,950 --> 00:24:24,000

you a bit

566

00:24:28,549 --> 00:24:26,960

john and this is about your trip to

567

00:24:31,190 --> 00:24:28,559

roswell

568

00:24:31,990 --> 00:24:31,200

and you know not that the average

569

00:24:33,430 --> 00:24:32,000

question

570

00:24:35,990 --> 00:24:33,440

i'm not going to ask the average

571

00:24:38,230 --> 00:24:36,000

question you may have seen

572

00:24:39,350 --> 00:24:38,240

something john possibly or witnessed

573

00:24:43,190 --> 00:24:39,360

something

574

00:24:45,590 --> 00:24:43,200

that changed your perceptions on things

575

00:24:47,430 --> 00:24:45,600

can we go a little bit into that you

576

00:24:50,710 --> 00:24:47,440

mean the shadow being exciting

577

00:24:53,269 --> 00:24:50,720

yes sir the the hump free bogart type

578

00:24:56,310 --> 00:24:53,279

shadowy figure please yes

579

00:24:57,029 --> 00:24:56,320

the chef okay that that occurred after

580

00:24:59,590 --> 00:24:57,039

my first

581

00:25:01,430 --> 00:24:59,600

trip to roswell on the first night out

582

00:25:04,549 --> 00:25:01,440

of roswell

583

00:25:04,950 --> 00:25:04,559

actually the morning that roswell ended

584

00:25:11,750 --> 00:25:04,960

on

585

00:25:13,909 --> 00:25:11,760

in roswell at the hotel and then left

586

00:25:17,190 --> 00:25:13,919

early in the morning

587

00:25:19,590 --> 00:25:17,200

beginning my journey back home

588

00:25:21,269 --> 00:25:19,600

i decided to go a different way than the

589

00:25:25,430 --> 00:25:21,279

way i had come into town

590

00:25:27,750 --> 00:25:25,440

i went a less direct way

591

00:25:28,630 --> 00:25:27,760

but i wanted i don't know i just felt

592

00:25:30,789 --> 00:25:28,640

like

593

00:25:31,830 --> 00:25:30,799

doing something you know seeing not that

594

00:25:34,549 --> 00:25:31,840

you could see much

595

00:25:34,950 --> 00:25:34,559

it went in the darkness but just going a

596

00:25:37,909 --> 00:25:34,960

different

597

00:25:38,230 --> 00:25:37,919

route through new mexico you know it you

598

00:25:40,870 --> 00:25:38,240

know

599

00:25:42,710 --> 00:25:40,880

mexico is called the land of enchantment

600

00:25:44,870 --> 00:25:42,720

and it's called that for good reason it

601  
00:25:47,190 --> 00:25:44,880  
has so many ufo sightings

602  
00:25:48,789 --> 00:25:47,200  
but not only does it have a ufo sighting

603  
00:25:51,590 --> 00:25:48,799  
for me it had

604  
00:25:52,870 --> 00:25:51,600  
and i've never seen a ufo myself i've

605  
00:25:55,669 --> 00:25:52,880  
never seen that

606  
00:25:57,830 --> 00:25:55,679  
anywhere in my life a very bad vision so

607  
00:26:01,190 --> 00:25:57,840  
it's not surprising i can't

608  
00:26:03,590 --> 00:26:01,200  
i stargaze very well either but i happen

609  
00:26:08,149 --> 00:26:03,600  
to see this shadow being

610  
00:26:10,270 --> 00:26:08,159  
um this was on monday july 6 2015.

611  
00:26:11,430 --> 00:26:10,280  
i believe it was between the

612  
00:26:14,470 --> 00:26:11,440  
[Music]

613  
00:26:17,830 --> 00:26:14,480

these are small towns or small cities

614

00:26:18,549 --> 00:26:17,840

capitan new mexico and karazozo new

615

00:26:21,750 --> 00:26:18,559

mexico

616

00:26:24,549 --> 00:26:21,760

on the on u.s route 380

617

00:26:25,510 --> 00:26:24,559

and this occurred approximately 4 30 in

618

00:26:28,710 --> 00:26:25,520

the morning

619

00:26:29,110 --> 00:26:28,720

now i had gotten up at 3 00 a.m as was

620

00:26:32,789 --> 00:26:29,120

my

621

00:26:35,190 --> 00:26:32,799

um practice on a travel day

622

00:26:35,909 --> 00:26:35,200

because if you i'm sorry i got up at 2

623

00:26:38,710 --> 00:26:35,919

am

624

00:26:40,950 --> 00:26:38,720

and i'm out you know in my car you know

625

00:26:44,070 --> 00:26:40,960

having done the dogs and everything and

626

00:26:46,630 --> 00:26:44,080

and and had my hotel room coffee

627

00:26:49,510 --> 00:26:46,640

i made the hotel room coffee that foul

628

00:26:52,470 --> 00:26:49,520

tasting stuff but it has caffeine in it

629

00:26:53,590 --> 00:26:52,480

so that's my first coffee of the day i

630

00:26:56,710 --> 00:26:53,600

get on the road

631

00:26:58,789 --> 00:26:56,720

at three o'clock and you know

632

00:27:00,470 --> 00:26:58,799

between three and seven you can make

633

00:27:04,470 --> 00:27:00,480

incredible time

634

00:27:05,669 --> 00:27:04,480

uh you know before morning traffic gets

635

00:27:09,110 --> 00:27:05,679

on the road

636

00:27:12,149 --> 00:27:09,120

so anyway i was driving um

637

00:27:14,789 --> 00:27:12,159

i was driving from roswell up to denver

638

00:27:18,310 --> 00:27:14,799

but i went across the state of new

639

00:27:21,909 --> 00:27:18,320

mexico over to interstate 25 and that

640

00:27:24,389 --> 00:27:21,919

i would hit 25 a little bit below

641

00:27:26,070 --> 00:27:24,399

socorro new mexico where there was

642

00:27:29,430 --> 00:27:26,080

another ufo incident

643

00:27:33,510 --> 00:27:29,440

in the 60s but but anyway and then take

644

00:27:34,230 --> 00:27:33,520

25 up to denver um okay so it's 3 a.m

645

00:27:37,590 --> 00:27:34,240

i'm i'm

646

00:27:41,110 --> 00:27:37,600

out and by 4 30 i was

647

00:27:42,310 --> 00:27:41,120

and i was going about 60 to 65 miles per

648

00:27:45,350 --> 00:27:42,320

hour

649

00:27:46,710 --> 00:27:45,360

um and i and i'm out in the middle of

650

00:27:49,990 --> 00:27:46,720

nowhere literally

651  
00:27:51,750 --> 00:27:50,000  
it's it's it's it's ranch land but it's

652  
00:27:55,190 --> 00:27:51,760  
not

653  
00:27:58,310 --> 00:27:55,200  
know like

654  
00:28:00,710 --> 00:27:58,320  
kansas or or or nebraska or the

655  
00:28:01,510 --> 00:28:00,720  
you know the really good prairie land

656  
00:28:04,470 --> 00:28:01,520  
new

657  
00:28:04,789 --> 00:28:04,480  
will scrub land now you they have they

658  
00:28:08,389 --> 00:28:04,799  
have

659  
00:28:11,029 --> 00:28:08,399  
sheep and and and whatnot but it's just

660  
00:28:12,549 --> 00:28:11,039  
it's not as it's not as good because it

661  
00:28:17,110 --> 00:28:12,559  
just simply doesn't get us

662  
00:28:19,430 --> 00:28:17,120  
as enough moisture to be uh as fertile

663  
00:28:21,190 --> 00:28:19,440

so anyway i'm driving through this type

664

00:28:24,230 --> 00:28:21,200

area it's a two-lane

665

00:28:27,430 --> 00:28:24,240

road and uh

666

00:28:29,430 --> 00:28:27,440

as i said i was going 60 to 65 in in the

667

00:28:30,470 --> 00:28:29,440

car but i was wide awake having had the

668

00:28:34,149 --> 00:28:30,480

coffee

669

00:28:35,909 --> 00:28:34,159

okay i happened as i coming up to uh

670

00:28:38,230 --> 00:28:35,919

driving along the road i have to see on

671

00:28:41,990 --> 00:28:38,240

the left side of the road

672

00:28:45,510 --> 00:28:42,000

a figure that was entirely in black

673

00:28:49,350 --> 00:28:45,520

i mean black as coal you know how the

674

00:28:49,990 --> 00:28:49,360

night is is a gloom and it's a gloom

675

00:28:53,190 --> 00:28:50,000

that the

676

00:28:56,149 --> 00:28:53,200

headlights can penetrate this figure

677

00:28:57,350 --> 00:28:56,159

this cold black figure the light of the

678

00:29:00,389 --> 00:28:57,360

headlights did not

679

00:29:02,710 --> 00:29:00,399

penetrate it it went around it

680

00:29:03,590 --> 00:29:02,720

so that you saw it was distinctive

681

00:29:05,750 --> 00:29:03,600

figure

682

00:29:07,830 --> 00:29:05,760

now there were only three things that i

683

00:29:11,110 --> 00:29:07,840

made out on that figure

684

00:29:12,310 --> 00:29:11,120

and that was it had a hat shaped like a

685

00:29:14,549 --> 00:29:12,320

fedora

686

00:29:15,590 --> 00:29:14,559

think i immediately thought of humphrey

687

00:29:18,149 --> 00:29:15,600

bogart

688

00:29:19,669 --> 00:29:18,159

in like the big sleep of the maltese

689

00:29:22,149 --> 00:29:19,679

falcon when he would

690

00:29:23,350 --> 00:29:22,159

you know he'd dress in his hat and his

691

00:29:27,590 --> 00:29:23,360

trench coat

692

00:29:31,110 --> 00:29:27,600

other component

693

00:29:33,750 --> 00:29:31,120

um that uh

694

00:29:34,389 --> 00:29:33,760

it just it seemed like it was a trench

695

00:29:36,870 --> 00:29:34,399

coat i

696

00:29:38,149 --> 00:29:36,880

i suppose it could possibly have been a

697

00:29:41,430 --> 00:29:38,159

shroud

698

00:29:44,470 --> 00:29:41,440

but that's i i got that

699

00:29:46,630 --> 00:29:44,480

and then i had the head uh which was

700

00:29:49,669 --> 00:29:46,640

between the trench coat of course

701  
00:29:52,149 --> 00:29:49,679  
and the hat and the only thing

702  
00:29:54,389 --> 00:29:52,159  
you could make out on the head was there

703  
00:29:56,310 --> 00:29:54,399  
was a

704  
00:29:57,430 --> 00:29:56,320  
place for the notes you could make out

705  
00:30:00,470 --> 00:29:57,440  
the nose

706  
00:30:03,830 --> 00:30:00,480  
you could not make out eyes ears

707  
00:30:05,350 --> 00:30:03,840  
uh no distinctive characteristics like

708  
00:30:08,710 --> 00:30:05,360  
race ethnicity

709  
00:30:11,750 --> 00:30:08,720  
sex even were uh or hair

710  
00:30:15,350 --> 00:30:11,760  
were um you just couldn't see that

711  
00:30:18,630 --> 00:30:15,360  
uh it was all black so anyway

712  
00:30:22,789 --> 00:30:18,640  
i'm i saw it i was about 20 to 30

713  
00:30:26,870 --> 00:30:22,799

yards from it when i first noticed it

714

00:30:30,470 --> 00:30:26,880

it immediately dematerialized

715

00:30:33,590 --> 00:30:30,480

into like a light energy beam

716

00:30:36,870 --> 00:30:33,600

and zipped across the highway

717

00:30:40,630 --> 00:30:36,880

both oak traveling from the

718

00:30:43,310 --> 00:30:40,640

sho the left shoulder across both

719

00:30:45,190 --> 00:30:43,320

lanes of the highway and then

720

00:30:48,310 --> 00:30:45,200

re-materialized immediately

721

00:30:49,430 --> 00:30:48,320

in the exact same shape and form um and

722

00:30:52,710 --> 00:30:49,440

you know the the

723

00:30:54,710 --> 00:30:52,720

detective shape and cold black figure

724

00:30:57,029 --> 00:30:54,720

on the other side of the highway and

725

00:31:00,470 --> 00:30:57,039

then i went zipping past

726  
00:31:03,430 --> 00:31:00,480  
that took my estimation

727  
00:31:04,070 --> 00:31:03,440  
less than two seconds i would say that

728  
00:31:07,430 --> 00:31:04,080  
this

729  
00:31:10,710 --> 00:31:07,440  
some dairy i'm i'm in a

730  
00:31:11,350 --> 00:31:10,720  
car going 60 to 65. if that's a solid

731  
00:31:14,310 --> 00:31:11,360  
thing

732  
00:31:15,029 --> 00:31:14,320  
you know i could smack into it pretty

733  
00:31:18,389 --> 00:31:15,039  
well

734  
00:31:18,950 --> 00:31:18,399  
but i was 20 to 30 yards when it first

735  
00:31:22,149 --> 00:31:18,960  
happened

736  
00:31:22,549 --> 00:31:22,159  
and by the time uh it was on the other

737  
00:31:24,950 --> 00:31:22,559  
side

738  
00:31:25,750 --> 00:31:24,960

i was 10 to 20 yards from it so in the

739

00:31:29,110 --> 00:31:25,760

time i went

740

00:31:29,669 --> 00:31:29,120

10 yards it de-materialized streaked

741

00:31:31,509 --> 00:31:29,679

across

742

00:31:33,350 --> 00:31:31,519

and re-materialized on the other side of

743

00:31:37,029 --> 00:31:33,360

the road and then i went

744

00:31:40,789 --> 00:31:37,039

on pass now it took me about 10

745

00:31:41,669 --> 00:31:40,799

minutes i estimate or say 10 miles down

746

00:31:44,870 --> 00:31:41,679

the road

747

00:31:46,870 --> 00:31:44,880

to process what happened because this

748

00:31:49,269 --> 00:31:46,880

i mean you're not expecting this

749

00:31:49,830 --> 00:31:49,279

especially at 4 30 in the morning out in

750

00:31:53,110 --> 00:31:49,840

the

751  
00:31:55,350 --> 00:31:53,120  
middle of nowhere and but i know what i

752  
00:31:58,630 --> 00:31:55,360  
saw i know what happened

753  
00:32:00,070 --> 00:31:58,640  
um i was wide awake and i thought about

754  
00:32:03,750 --> 00:32:00,080  
turning around

755  
00:32:08,230 --> 00:32:05,029  
i'm not going to be able to find the

756  
00:32:11,029 --> 00:32:08,240  
spot if if it's not there

757  
00:32:12,789 --> 00:32:11,039  
i'm you know because i just it's not

758  
00:32:15,190 --> 00:32:12,799  
there's nothing distinctive

759  
00:32:16,870 --> 00:32:15,200  
you know about this this landscape there

760  
00:32:20,310 --> 00:32:16,880  
really isn't and it's

761  
00:32:23,830 --> 00:32:20,320  
dark it's out of my way and

762  
00:32:25,509 --> 00:32:23,840  
thirdly i don't if what if it's there

763  
00:32:27,990 --> 00:32:25,519

i don't want to mess with the shadow

764

00:32:30,870 --> 00:32:28,000

being i'm not you know what what do i

765

00:32:33,029 --> 00:32:30,880

well with it if it got across the road

766

00:32:33,990 --> 00:32:33,039

in front of me there was no accident or

767

00:32:37,029 --> 00:32:34,000

anything

768

00:32:40,149 --> 00:32:37,039

it went its way i'm going my way i'm not

769

00:32:43,430 --> 00:32:40,159

bothering it it's not bothering me

770

00:32:46,630 --> 00:32:43,440

but by gods we buy guns and i kept going

771

00:32:49,750 --> 00:32:46,640

yeah i i would have done the same thing

772

00:32:51,990 --> 00:32:49,760

amazing experience though um

773

00:32:53,509 --> 00:32:52,000

i i can't function without two seconds

774

00:32:55,750 --> 00:32:53,519

out of my entire life

775

00:32:56,789 --> 00:32:55,760

i've had paranormal experience two whole

776

00:32:59,909 --> 00:32:56,799

seconds

777

00:33:02,630 --> 00:32:59,919

wow well

778

00:33:05,029 --> 00:33:02,640

you know i can't function without that

779

00:33:06,630 --> 00:33:05,039

cheap hotel coffee either so it's a good

780

00:33:08,950 --> 00:33:06,640

thing you had that

781

00:33:10,870 --> 00:33:08,960

maybe you would have missed it this is

782

00:33:14,389 --> 00:33:10,880

socorro new mexico and

783

00:33:15,029 --> 00:33:14,399

interstate 25 4 30 in the morning middle

784

00:33:18,389 --> 00:33:15,039

and no no

785

00:33:20,630 --> 00:33:18,399

no no no no no no i hadn't gotten to

786

00:33:21,590 --> 00:33:20,640

socorro i hadn't gotten to 25 it's not

787

00:33:25,430 --> 00:33:21,600

the interstate

788

00:33:28,549 --> 00:33:25,440

it's us 380.

789

00:33:31,830 --> 00:33:28,559

one lane one way one lane the other way

790

00:33:35,110 --> 00:33:31,840

i mean it's it's not it's not a big road

791

00:33:39,350 --> 00:33:35,120

it it was i was oh god

792

00:33:41,190 --> 00:33:39,360

i'm i mean i was i met maybe

793

00:33:42,789 --> 00:33:41,200

probably within a hundred miles of the

794

00:33:45,750 --> 00:33:42,799

interstate but probably

795

00:33:47,750 --> 00:33:45,760

somewhere maybe more than 50 miles i bet

796

00:33:50,789 --> 00:33:47,760

from the interstate i mean i was

797

00:33:52,389 --> 00:33:50,799

you know this is this is really in the i

798

00:33:55,029 --> 00:33:52,399

was going

799

00:33:55,509 --> 00:33:55,039

west okay the interstate goes north

800

00:33:58,710 --> 00:33:55,519

south

801  
00:34:01,190 --> 00:33:58,720  
i was going general direction west

802  
00:34:02,389 --> 00:34:01,200  
when the um shadow being was on the

803  
00:34:05,509 --> 00:34:02,399  
south side of the

804  
00:34:07,590 --> 00:34:05,519  
of the road and it went north across the

805  
00:34:10,710 --> 00:34:07,600  
road i was going east to west

806  
00:34:11,190 --> 00:34:10,720  
so it crossed my path wow it reminds me

807  
00:34:13,190 --> 00:34:11,200  
a lot

808  
00:34:15,589 --> 00:34:13,200  
of the shadow i think was the name of

809  
00:34:19,270 --> 00:34:15,599  
the radio show

810  
00:34:21,990 --> 00:34:19,280  
yes yes i i i'm not familiar

811  
00:34:23,750 --> 00:34:22,000  
with the shadow i haven't seen them as

812  
00:34:26,790 --> 00:34:23,760  
it was a movie i think and

813  
00:34:30,550 --> 00:34:26,800

i haven't heard the radio show but

814

00:34:33,750 --> 00:34:30,560

essentially it was a shadow um but

815

00:34:35,430 --> 00:34:33,760

the headlights did not penetrate

816

00:34:37,190 --> 00:34:35,440

it was different oh and the other thing

817

00:34:41,589 --> 00:34:37,200

is um there were no

818

00:34:44,470 --> 00:34:41,599

legs and it seemed to be

819

00:34:45,510 --> 00:34:44,480

higher like it was off the ground

820

00:34:47,589 --> 00:34:45,520

already

821

00:34:50,069 --> 00:34:47,599

like i didn't have the sense that it was

822

00:34:53,589 --> 00:34:50,079

standing on the ground i had the

823

00:34:56,710 --> 00:34:53,599

sense that it was floating okay and so

824

00:34:58,069 --> 00:34:56,720

it was you know higher than the average

825

00:35:00,390 --> 00:34:58,079

human being

826

00:35:02,710 --> 00:35:00,400

i mean if it if it had legs and whatever

827

00:35:06,470 --> 00:35:02,720

and was on the ground then it would be

828

00:35:09,910 --> 00:35:06,480

say man size or you know tall woman

829

00:35:10,950 --> 00:35:09,920

size but um it seemed to me to be a

830

00:35:13,589 --> 00:35:10,960

little higher

831

00:35:15,190 --> 00:35:13,599

off the ground because it went straight

832

00:35:19,670 --> 00:35:15,200

across

833

00:35:21,510 --> 00:35:19,680

you see it didn't it it was uh

834

00:35:23,349 --> 00:35:21,520

anyway i just it just seemed to be like

835

00:35:26,470 --> 00:35:23,359

hovering there

836

00:35:27,430 --> 00:35:26,480

fascinating exactly like that radio show

837

00:35:29,589 --> 00:35:27,440

yeah that is

838

00:35:31,589 --> 00:35:29,599

that is something that you know with any

839

00:35:32,230 --> 00:35:31,599

luck i think anybody that sees something

840

00:35:35,750 --> 00:35:32,240

like that

841

00:35:37,270 --> 00:35:35,760

is going to be even more uh inspired

842

00:35:38,470 --> 00:35:37,280

which makes sense because this is such

843

00:35:40,790 --> 00:35:38,480

an amazing

844

00:35:43,030 --> 00:35:40,800

um and that that's why i hate to move on

845

00:35:44,710 --> 00:35:43,040

from the roswell but let's go

846

00:35:46,390 --> 00:35:44,720

yeah it's astonishing it was an

847

00:35:49,109 --> 00:35:46,400

astonishing experience so

848

00:35:51,349 --> 00:35:49,119

anyway oh completely and i think i think

849

00:36:01,430 --> 00:35:51,359

i found the shadow let me see if this is

850

00:36:05,750 --> 00:36:03,109

yeah that's the one i remember hearing

851

00:36:08,870 --> 00:36:05,760

that with my great grandfather i mean

852

00:36:09,190 --> 00:36:08,880

but yeah very interesting the um moving

853

00:36:11,670 --> 00:36:09,200

on

854

00:36:14,069 --> 00:36:11,680

i hate to i hate to leave it but

855

00:36:17,990 --> 00:36:14,079

rendulsham forest is so amazing too

856

00:36:20,870 --> 00:36:18,000

can't leave peniston and uh

857

00:36:22,550 --> 00:36:20,880

burrows out of this because this is such

858

00:36:24,870 --> 00:36:22,560

a supporting ufo

859

00:36:27,109 --> 00:36:24,880

let's let's can we go into that case a

860

00:36:30,630 --> 00:36:27,119

little bit uh john

861

00:36:33,910 --> 00:36:30,640

yes of course uh randallson forrest is

862

00:36:35,349 --> 00:36:33,920

like the english or british version of

863

00:36:38,390 --> 00:36:35,359

roswell

864

00:36:41,030 --> 00:36:38,400

um now it's it's uh

865

00:36:43,109 --> 00:36:41,040

it's it's better documented than roswell

866

00:36:43,430 --> 00:36:43,119

because roswell was a hidden case it did

867

00:36:48,870 --> 00:36:43,440

it

868

00:36:50,790 --> 00:36:48,880

30 years roswell

869

00:36:52,390 --> 00:36:50,800

i mean sorry but reynolds forest has

870

00:36:55,030 --> 00:36:52,400

been there um

871

00:36:55,829 --> 00:36:55,040

pretty much from the beginning um it

872

00:36:59,349 --> 00:36:55,839

came out

873

00:37:03,349 --> 00:36:59,359

that there was a um there were

874

00:37:06,710 --> 00:37:03,359

twin u.s air force bases

875

00:37:09,910 --> 00:37:06,720

in england these this is in southeast

876

00:37:12,470 --> 00:37:09,920

england not far off the coast

877

00:37:13,589 --> 00:37:12,480

the idea was this was part of nato and

878

00:37:17,990 --> 00:37:13,599

our defense

879

00:37:20,630 --> 00:37:18,000

against um eastern europe and russia

880

00:37:22,310 --> 00:37:20,640

trying to come in you know and like

881

00:37:24,950 --> 00:37:22,320

blitzkrieg or something over

882

00:37:26,069 --> 00:37:24,960

western europe and so but we had our we

883

00:37:29,109 --> 00:37:26,079

didn't have our

884

00:37:31,430 --> 00:37:29,119

you know planes and stuff right on the

885

00:37:32,790 --> 00:37:31,440

border where russia was we had them back

886

00:37:34,550 --> 00:37:32,800

in england but those things

887

00:37:37,510 --> 00:37:34,560

you know they're fast moving and we can

888

00:37:41,430 --> 00:37:37,520

get there uh in a relatively quick

889

00:37:43,589 --> 00:37:41,440

amount of time so anyway

890

00:37:45,750 --> 00:37:43,599

we have these two bases and this

891

00:37:48,950 --> 00:37:45,760

occurred on

892

00:37:51,990 --> 00:37:48,960

three successive nights

893

00:37:53,829 --> 00:37:52,000

it was christmas night boxing day

894

00:37:54,470 --> 00:37:53,839

morning boxing day is the day after

895

00:37:57,349 --> 00:37:54,480

christmas in

896

00:37:58,950 --> 00:37:57,359

england it's also a holiday and then uh

897

00:38:01,990 --> 00:37:58,960

boxing day night

898

00:38:05,030 --> 00:38:02,000

and and the 20 and the 27th morning

899

00:38:08,030 --> 00:38:05,040

and then 27th december 27th

900

00:38:09,589 --> 00:38:08,040

night and the morning of the 28th all in

901  
00:38:12,580 --> 00:38:09,599  
1980.

902  
00:38:14,870 --> 00:38:12,590  
on the first night um

903  
00:38:19,990 --> 00:38:14,880  
[Music]

904  
00:38:23,190 --> 00:38:20,000  
burrows and another uh air force

905  
00:38:25,670 --> 00:38:23,200  
i believe it was a sergeant stephens

906  
00:38:27,030 --> 00:38:25,680  
were they they were touring the base

907  
00:38:30,550 --> 00:38:27,040  
they didn't have

908  
00:38:33,670 --> 00:38:30,560  
um um you know like guys

909  
00:38:35,750 --> 00:38:33,680  
guarding the guard post uh they toured

910  
00:38:37,510 --> 00:38:35,760  
around it because they didn't feel like

911  
00:38:38,950 --> 00:38:37,520  
they were going to be under attack you

912  
00:38:41,510 --> 00:38:38,960  
know because we're right in

913  
00:38:42,150 --> 00:38:41,520

england and whatever you know so so

914

00:38:44,710 --> 00:38:42,160

anyway

915

00:38:46,069 --> 00:38:44,720

this is how they did security and they

916

00:38:49,349 --> 00:38:46,079

patrolled it in

917

00:38:51,270 --> 00:38:49,359

uh vehicles and so they

918

00:38:52,470 --> 00:38:51,280

but they happened as they were at this

919

00:38:55,270 --> 00:38:52,480

they had checkpoints

920

00:38:56,630 --> 00:38:55,280

and they came to it's called eastgate is

921

00:38:58,710 --> 00:38:56,640

the checkpoint one of the

922

00:39:00,470 --> 00:38:58,720

famous books about it is called left at

923

00:39:03,829 --> 00:39:00,480

eastgate although that's

924

00:39:06,790 --> 00:39:03,839

um been very much

925

00:39:09,510 --> 00:39:06,800

debunked even even the pro-ufo community

926  
00:39:12,710 --> 00:39:09,520  
has debunked left at eastgate book

927  
00:39:16,150 --> 00:39:12,720  
so anyway they they saw uh

928  
00:39:20,069 --> 00:39:16,160  
something go down a light go down

929  
00:39:21,270 --> 00:39:20,079  
at a at a measured pace into rendelsham

930  
00:39:24,150 --> 00:39:21,280  
forest

931  
00:39:26,790 --> 00:39:24,160  
they went off base and this is a highly

932  
00:39:27,990 --> 00:39:26,800  
unusual procedure normally they don't go

933  
00:39:32,390 --> 00:39:28,000  
off base

934  
00:39:36,630 --> 00:39:32,400  
investigate it

935  
00:39:38,150 --> 00:39:36,640  
and they um they saw lights there

936  
00:39:39,910 --> 00:39:38,160  
and the lights seemed to be coming

937  
00:39:41,270 --> 00:39:39,920  
towards them so then they said you know

938  
00:39:44,390 --> 00:39:41,280

what we need backup

939

00:39:44,710 --> 00:39:44,400

so they uh they literally backed up in

940

00:39:48,150 --> 00:39:44,720

their

941

00:39:50,790 --> 00:39:48,160

uh vehicle and then went back to the

942

00:39:51,750 --> 00:39:50,800

east gate and then they phoned in you

943

00:39:54,870 --> 00:39:51,760

know to get

944

00:39:57,349 --> 00:39:54,880

uh reinforcements and and a

945

00:39:58,950 --> 00:39:57,359

higher ranking security and that was in

946

00:40:02,550 --> 00:39:58,960

the form of jim peniston

947

00:40:03,750 --> 00:40:02,560

he was the main security person on duty

948

00:40:09,109 --> 00:40:03,760

that night

949

00:40:16,790 --> 00:40:12,550

eastgate uh along with uh another

950

00:40:19,829 --> 00:40:16,800

uh guy who uh kabanzig at kovansic

951  
00:40:23,270 --> 00:40:19,839  
and so stefan stayed at the gate

952  
00:40:26,309 --> 00:40:23,280  
peniston burroughs and kvancic went off

953  
00:40:27,510 --> 00:40:26,319  
to investigate and they all went off in

954  
00:40:30,470 --> 00:40:27,520  
one vehicle

955  
00:40:33,030 --> 00:40:30,480  
they also checked their weapons because

956  
00:40:35,270 --> 00:40:33,040  
you're not allowed to take

957  
00:40:37,589 --> 00:40:35,280  
weapons onto english soil that's part of

958  
00:40:40,630 --> 00:40:37,599  
the basis agreement

959  
00:40:43,430 --> 00:40:40,640  
okay they they go in and they

960  
00:40:45,430 --> 00:40:43,440  
they went they left quebec back for

961  
00:40:47,750 --> 00:40:45,440  
radio relay because they had

962  
00:40:48,630 --> 00:40:47,760  
they wanted to be in touch with the main

963  
00:40:51,589 --> 00:40:48,640

base

964

00:40:51,990 --> 00:40:51,599

and radio relay communications were

965

00:40:54,390 --> 00:40:52,000

being

966

00:40:56,550 --> 00:40:54,400

interfered with this is one of the first

967

00:40:57,349 --> 00:40:56,560

indications that you may have a ufo

968

00:41:00,309 --> 00:40:57,359

event

969

00:41:01,270 --> 00:41:00,319

because uh you know communications and

970

00:41:05,030 --> 00:41:01,280

and

971

00:41:08,390 --> 00:41:05,040

disrupted by

972

00:41:11,510 --> 00:41:08,400

ufo activity right so anyway

973

00:41:13,670 --> 00:41:11,520

then burroughs and peniston go go uh

974

00:41:14,550 --> 00:41:13,680

come up and they're within about 50

975

00:41:17,829 --> 00:41:14,560

meters

976

00:41:21,349 --> 00:41:17,839

of the uh of of the light

977

00:41:24,390 --> 00:41:21,359

and the light is incredibly intense

978

00:41:24,710 --> 00:41:24,400

and anyway peniston manages to approach

979

00:41:26,630 --> 00:41:24,720

it

980

00:41:28,150 --> 00:41:26,640

there was there was an explosion at one

981

00:41:31,190 --> 00:41:28,160

point they hit the

982

00:41:34,230 --> 00:41:31,200

dirt um when they got up

983

00:41:36,710 --> 00:41:34,240

uh burrows ended up being

984

00:41:37,670 --> 00:41:36,720

engulfed in light and in kind of a

985

00:41:40,470 --> 00:41:37,680

catatonic

986

00:41:41,349 --> 00:41:40,480

state uh he couldn't move and he was

987

00:41:43,670 --> 00:41:41,359

just

988

00:41:44,710 --> 00:41:43,680

kind of like at a standstill and he

989

00:41:48,069 --> 00:41:44,720

doesn't have

990

00:41:51,190 --> 00:41:48,079

great recall as to what happened uh

991

00:41:54,230 --> 00:41:51,200

on that that night from that point on

992

00:41:55,990 --> 00:41:54,240

until they came out of it um but

993

00:42:00,470 --> 00:41:56,000

peniston went up

994

00:42:03,349 --> 00:42:00,480

and he um tried to take photos

995

00:42:03,990 --> 00:42:03,359

but they the military claims they were

996

00:42:05,670 --> 00:42:04,000

all fog

997

00:42:08,150 --> 00:42:05,680

that is possible if there was any

998

00:42:08,630 --> 00:42:08,160

radiation there was traces of radiation

999

00:42:11,829 --> 00:42:08,640

found

1000

00:42:15,510 --> 00:42:11,839

afterwards so that they might not be uh

1001  
00:42:16,230 --> 00:42:15,520  
fibbing about that um but then he also

1002  
00:42:21,349 --> 00:42:16,240  
uh

1003  
00:42:24,470 --> 00:42:21,359  
symbols

1004  
00:42:27,270 --> 00:42:24,480  
that was on the craft and then he uh

1005  
00:42:29,270 --> 00:42:27,280  
actually touched the craft and the craft

1006  
00:42:31,030 --> 00:42:29,280  
was incredibly smooth except for the

1007  
00:42:34,870 --> 00:42:31,040  
symbols that nate felt like

1008  
00:42:36,069 --> 00:42:34,880  
sandpaper rough and then he went to the

1009  
00:42:38,390 --> 00:42:36,079  
biggest symbol it was

1010  
00:42:39,349 --> 00:42:38,400  
one row of symbols like four symbols and

1011  
00:42:42,150 --> 00:42:39,359  
then there was a big

1012  
00:42:43,349 --> 00:42:42,160  
symbol above it he touched the big

1013  
00:42:46,710 --> 00:42:43,359

symbol

1014

00:42:49,750 --> 00:42:46,720

and had a download

1015

00:42:53,510 --> 00:42:49,760

into his mind suddenly of a

1016

00:42:57,670 --> 00:42:53,520

binary code of zeros and ones

1017

00:43:00,870 --> 00:42:57,680

just a stream of zeros and ones

1018

00:43:03,750 --> 00:43:00,880

and this is what okay this

1019

00:43:04,950 --> 00:43:03,760

is his allegation this is his claim as

1020

00:43:08,630 --> 00:43:04,960

to what happened

1021

00:43:11,990 --> 00:43:08,640

i'm just reporting on that um okay

1022

00:43:15,589 --> 00:43:12,000

so then a day or two later

1023

00:43:19,270 --> 00:43:15,599

bur peniston wrote down this binary code

1024

00:43:21,430 --> 00:43:19,280

in in his uh notebook it was a small

1025

00:43:24,870 --> 00:43:21,440

notebook that he used it's an official

1026

00:43:29,910 --> 00:43:24,880

notebook that he had uh it filled up

1027

00:43:33,030 --> 00:43:29,920

15 pages with zeros and ones

1028

00:43:33,750 --> 00:43:33,040

and this has been translated as a

1029

00:43:38,790 --> 00:43:33,760

message

1030

00:43:42,950 --> 00:43:38,800

from humans in the year 8100

1031

00:43:45,190 --> 00:43:42,960

and it uh gives some

1032

00:43:47,670 --> 00:43:45,200

the main part of the message is it lists

1033

00:43:49,990 --> 00:43:47,680

coordinates on earth

1034

00:43:51,990 --> 00:43:50,000

to various places one of them is a

1035

00:43:52,950 --> 00:43:52,000

mythical island or an island that

1036

00:43:55,589 --> 00:43:52,960

doesn't exist

1037

00:43:57,510 --> 00:43:55,599

now off the cut well off the coast of

1038

00:44:00,150 --> 00:43:57,520

ireland called high brazil

1039

00:44:01,510 --> 00:44:00,160

there were a bunch of other ones uh i i

1040

00:44:04,150 --> 00:44:01,520

don't know them

1041

00:44:05,430 --> 00:44:04,160

um you know from memory there's one in

1042

00:44:09,109 --> 00:44:05,440

china there's one at

1043

00:44:12,309 --> 00:44:09,119

a sakura um

1044

00:44:13,750 --> 00:44:12,319

it's the place in sedona arizona there's

1045

00:44:16,069 --> 00:44:13,760

one i think in

1046

00:44:18,069 --> 00:44:16,079

central america there's one around the

1047

00:44:21,589 --> 00:44:18,079

egypt pyramids

1048

00:44:24,470 --> 00:44:21,599

etc um the thing

1049

00:44:25,990 --> 00:44:24,480

that i have a problem with in that is

1050

00:44:29,270 --> 00:44:26,000

that

1051  
00:44:30,230 --> 00:44:29,280  
this message was translated from a bunch

1052  
00:44:33,510 --> 00:44:30,240  
of zeros

1053  
00:44:35,910 --> 00:44:33,520  
and ones you look at that there's

1054  
00:44:38,309 --> 00:44:35,920  
you can find the zeros and ones and the

1055  
00:44:41,750 --> 00:44:38,319  
notebook pages they're on the internet

1056  
00:44:42,870 --> 00:44:41,760  
they're in the literature and how they

1057  
00:44:47,270 --> 00:44:42,880  
translate this

1058  
00:44:50,550 --> 00:44:47,280  
into this message i just i

1059  
00:44:53,670 --> 00:44:50,560  
well i that's a little beyond me and

1060  
00:44:54,470 --> 00:44:53,680  
also it's i don't dwell on it with the

1061  
00:44:57,750 --> 00:44:54,480  
play

1062  
00:44:58,309 --> 00:44:57,760  
um so i don't focus on the binary code

1063  
00:45:01,829 --> 00:44:58,319

but

1064

00:45:04,470 --> 00:45:01,839

i do focus on him uh

1065

00:45:05,030 --> 00:45:04,480

encountering the ship and then they

1066

00:45:10,309 --> 00:45:05,040

found

1067

00:45:12,230 --> 00:45:10,319

the uh the landing because they had gone

1068

00:45:14,870 --> 00:45:12,240

past it because when it flew off

1069

00:45:15,990 --> 00:45:14,880

at incredible speed they attempted to

1070

00:45:17,829 --> 00:45:16,000

follow it but they

1071

00:45:20,309 --> 00:45:17,839

they weren't successful in that and then

1072

00:45:23,109 --> 00:45:20,319

they came back and then they saw

1073

00:45:24,630 --> 00:45:23,119

uh burroughs found the uh the the

1074

00:45:27,829 --> 00:45:24,640

impressions

1075

00:45:31,030 --> 00:45:27,839

where the uh craft had been and

1076

00:45:34,230 --> 00:45:31,040

also the uh you know

1077

00:45:37,349 --> 00:45:34,240

broken tree branches and and where it

1078

00:45:40,630 --> 00:45:37,359

had gone off and come in and whatnot

1079

00:45:41,990 --> 00:45:40,640

and so then that that's pretty much sums

1080

00:45:44,069 --> 00:45:42,000

up the first night

1081

00:45:45,589 --> 00:45:44,079

the second night is not well known

1082

00:45:49,829 --> 00:45:45,599

because again

1083

00:45:53,510 --> 00:45:49,839

they saw a craft go into the forest

1084

00:45:57,030 --> 00:45:53,520

two uh airmen uh

1085

00:45:59,750 --> 00:45:57,040

left the base one of them was a a

1086

00:46:01,910 --> 00:45:59,760

female lieutenant and and then there was

1087

00:46:03,910 --> 00:46:01,920

a sergeant who also went

1088

00:46:05,030 --> 00:46:03,920

um it's not even known for sure that

1089

00:46:06,870 --> 00:46:05,040

they went together

1090

00:46:09,670 --> 00:46:06,880

they may well have come off separately

1091

00:46:12,550 --> 00:46:09,680

it's also been speculated that the

1092

00:46:12,950 --> 00:46:12,560

female lieutenant took her weapon off

1093

00:46:15,349 --> 00:46:12,960

base

1094

00:46:16,630 --> 00:46:15,359

and may have shot it may have lost it

1095

00:46:21,750 --> 00:46:16,640

off base

1096

00:46:24,470 --> 00:46:21,760

in any event she purportedly had a

1097

00:46:25,829 --> 00:46:24,480

breakdown a mental breakdown and had to

1098

00:46:28,550 --> 00:46:25,839

leave the service

1099

00:46:29,430 --> 00:46:28,560

but again all of this is second hand

1100

00:46:32,230 --> 00:46:29,440

testimony

1101  
00:46:33,190 --> 00:46:32,240  
neither her nor the other gentle the

1102  
00:46:35,349 --> 00:46:33,200  
sergeant

1103  
00:46:36,230 --> 00:46:35,359  
have come forward and given firsthand

1104  
00:46:40,630 --> 00:46:36,240  
testimony

1105  
00:46:43,750 --> 00:46:40,640  
to my knowledge and so i did not include

1106  
00:46:47,190 --> 00:46:43,760  
an act on that uh it's a three-act

1107  
00:46:49,910 --> 00:46:47,200  
play that i have the first is uh

1108  
00:46:51,190 --> 00:46:49,920  
penniston the second is what burroughs

1109  
00:46:53,349 --> 00:46:51,200  
said which

1110  
00:46:55,190 --> 00:46:53,359  
you know he fills in what peniston said

1111  
00:46:56,069 --> 00:46:55,200  
and then he also was out on the third

1112  
00:46:58,390 --> 00:46:56,079  
night

1113  
00:46:59,430 --> 00:46:58,400

so he's a good introduction to colonel

1114

00:47:01,910 --> 00:46:59,440

holt's

1115

00:47:03,109 --> 00:47:01,920

um investigation colonel hall's on the

1116

00:47:04,550 --> 00:47:03,119

third night

1117

00:47:07,270 --> 00:47:04,560

they'd have two nights of this and

1118

00:47:08,390 --> 00:47:07,280

there's an airman breaking down and

1119

00:47:11,510 --> 00:47:08,400

whatnot

1120

00:47:13,589 --> 00:47:11,520

and he's and he was the deputy commander

1121

00:47:15,750 --> 00:47:13,599

of the base second in charge

1122

00:47:17,589 --> 00:47:15,760

well what happens when you're second in

1123

00:47:19,829 --> 00:47:17,599

charge well the first in charge orders

1124

00:47:20,630 --> 00:47:19,839

you to go do the dirty work so he had to

1125

00:47:24,150 --> 00:47:20,640

go out

1126

00:47:26,950 --> 00:47:24,160

and in a patrol in the middle of the

1127

00:47:29,109 --> 00:47:26,960

night when it's quite cold um this was

1128

00:47:32,309 --> 00:47:29,119

you know december in britain

1129

00:47:35,030 --> 00:47:32,319

and uh he led uh

1130

00:47:36,470 --> 00:47:35,040

four four other uh patrolmen i mean

1131

00:47:39,670 --> 00:47:36,480

there were a bunch of others

1132

00:47:41,670 --> 00:47:39,680

uh at a staging area off base but

1133

00:47:42,950 --> 00:47:41,680

they were kept to the staging area for

1134

00:47:45,510 --> 00:47:42,960

the most part

1135

00:47:47,270 --> 00:47:45,520

and they went up and and they they the

1136

00:47:49,829 --> 00:47:47,280

first place they went was they

1137

00:47:51,589 --> 00:47:49,839

measured did radiation measurements at

1138

00:47:53,270 --> 00:47:51,599

the site where

1139

00:47:54,710 --> 00:47:53,280

peniston and burroughs had their

1140

00:47:57,910 --> 00:47:54,720

encounter

1141

00:48:01,589 --> 00:47:57,920

then a ufo

1142

00:48:05,030 --> 00:48:01,599

a red blinking ufo with a black

1143

00:48:06,470 --> 00:48:05,040

pupil came from the field which is next

1144

00:48:09,829 --> 00:48:06,480

to rendelsham forest the

1145

00:48:10,470 --> 00:48:09,839

rendelsham forest is a relatively rural

1146

00:48:13,270 --> 00:48:10,480

area of

1147

00:48:15,349 --> 00:48:13,280

england and there's actual farming uh

1148

00:48:16,470 --> 00:48:15,359

adjacent to it and there was a field

1149

00:48:18,870 --> 00:48:16,480

next to there

1150

00:48:21,349 --> 00:48:18,880

and the ufo came out of the field into

1151  
00:48:23,910 --> 00:48:21,359  
the forest and was zig-zagging through

1152  
00:48:24,850 --> 00:48:23,920  
the trees in other words it was

1153  
00:48:27,270 --> 00:48:24,860  
under um

1154  
00:48:31,109 --> 00:48:27,280  
[Music]

1155  
00:48:34,549 --> 00:48:31,119  
you know very knowledgeable uh

1156  
00:48:36,470 --> 00:48:34,559  
power um i'm not explaining that exactly

1157  
00:48:39,109 --> 00:48:36,480  
right but intelligent concerns

1158  
00:48:40,870 --> 00:48:39,119  
it was directed it wasn't it wasn't like

1159  
00:48:44,069 --> 00:48:40,880  
just a probe or whatever

1160  
00:48:47,109 --> 00:48:44,079  
right so anyway it was um

1161  
00:48:48,069 --> 00:48:47,119  
it came and they they saw this ufo they

1162  
00:48:51,910 --> 00:48:48,079  
followed it back

1163  
00:48:52,790 --> 00:48:51,920

out into the field it it it silently

1164

00:48:56,150 --> 00:48:52,800

exploded

1165

00:49:00,230 --> 00:48:56,160

into small white

1166

00:49:02,150 --> 00:49:00,240

orbs and they flew off up into the sky

1167

00:49:03,750 --> 00:49:02,160

and the next thing they know they would

1168

00:49:06,150 --> 00:49:03,760

they decided that

1169

00:49:08,549 --> 00:49:06,160

to continue going they went around the

1170

00:49:09,910 --> 00:49:08,559

farmhouse into a field on the other side

1171

00:49:12,470 --> 00:49:09,920

of the farm

1172

00:49:14,150 --> 00:49:12,480

um in fact it could have been that they

1173

00:49:17,109 --> 00:49:14,160

went into a third field and that could

1174

00:49:20,309 --> 00:49:17,119

have been a different farm

1175

00:49:28,150 --> 00:49:24,230

they saw up there a uh an object

1176

00:49:31,829 --> 00:49:28,160

way up in the sky came toward them

1177

00:49:35,030 --> 00:49:31,839

and beam down a beam

1178

00:49:38,150 --> 00:49:35,040

at their feet not

1179

00:49:39,430 --> 00:49:38,160

at them because it could it probably

1180

00:49:42,710 --> 00:49:39,440

could have

1181

00:49:46,150 --> 00:49:42,720

hit them and maybe uh you know

1182

00:49:48,069 --> 00:49:46,160

injured them but uh it came down at

1183

00:49:50,870 --> 00:49:48,079

their feet they're not sure if this

1184

00:49:53,349 --> 00:49:50,880

what this was a warning a sign or or

1185

00:49:55,589 --> 00:49:53,359

what exactly how to interpret that

1186

00:49:56,549 --> 00:49:55,599

then it and that lasted for about five

1187

00:49:59,670 --> 00:49:56,559

seconds

1188

00:50:03,589 --> 00:49:59,680

and it was a a very pencil thin

1189

00:50:05,910 --> 00:50:03,599

beam very thin beam and then

1190

00:50:06,790 --> 00:50:05,920

the object went over and started

1191

00:50:09,270 --> 00:50:06,800

shooting down

1192

00:50:10,069 --> 00:50:09,280

beams now you have to understand they

1193

00:50:12,630 --> 00:50:10,079

were

1194

00:50:13,510 --> 00:50:12,640

out in the country and this is a you

1195

00:50:16,630 --> 00:50:13,520

know a big

1196

00:50:19,349 --> 00:50:16,640

a big area so they were some miles

1197

00:50:21,510 --> 00:50:19,359

from the other base which is called bent

1198

00:50:24,069 --> 00:50:21,520

waters they were by wood bridge

1199

00:50:25,030 --> 00:50:24,079

base and they the bent waters is the

1200

00:50:28,710 --> 00:50:25,040

other base

1201  
00:50:32,069 --> 00:50:28,720  
and bentwaters was a base that had

1202  
00:50:35,109 --> 00:50:32,079  
nuclear weapons stored on it

1203  
00:50:35,990 --> 00:50:35,119  
and these nuclear weapons were they

1204  
00:50:39,670 --> 00:50:36,000  
thought

1205  
00:50:42,549 --> 00:50:39,680  
the object was beaming down beams

1206  
00:50:43,510 --> 00:50:42,559  
at the nuclear weapon facility on the

1207  
00:50:46,230 --> 00:50:43,520  
base

1208  
00:50:48,309 --> 00:50:46,240  
not setting off the nuclear weapons no

1209  
00:50:52,150 --> 00:50:48,319  
nuclear weapons went off

1210  
00:50:52,950 --> 00:50:52,160  
but checking them out for some reason i

1211  
00:50:56,309 --> 00:50:52,960  
mean

1212  
00:50:57,510 --> 00:50:56,319  
there's you know the reason why roswell

1213  
00:50:59,910 --> 00:50:57,520

i think roswell

1214

00:51:00,630 --> 00:50:59,920

happens so soon after world war ii is

1215

00:51:05,349 --> 00:51:00,640

that

1216

00:51:07,030 --> 00:51:05,359

the hiroshima and nagasaki those nuclear

1217

00:51:10,630 --> 00:51:07,040

explosions

1218

00:51:13,270 --> 00:51:10,640

were observed from far distances

1219

00:51:14,870 --> 00:51:13,280

and that brought earth to the attention

1220

00:51:16,790 --> 00:51:14,880

of the aliens

1221

00:51:18,150 --> 00:51:16,800

and so then they came here and they've

1222

00:51:21,270 --> 00:51:18,160

been uh there's

1223

00:51:23,349 --> 00:51:21,280

there's a great book uh about uh nukes

1224

00:51:26,630 --> 00:51:23,359

and uh

1225

00:51:29,589 --> 00:51:26,640

ufos uh out there uh and

1226

00:51:31,349 --> 00:51:29,599

the aliens have had a lot of encounters

1227

00:51:34,950 --> 00:51:31,359

at

1228

00:51:37,750 --> 00:51:34,960

nuclear bases throughout the world yeah

1229

00:51:39,109 --> 00:51:37,760

i i believe that there is a lot of truth

1230

00:51:41,910 --> 00:51:39,119

to that

1231

00:51:42,470 --> 00:51:41,920

and uh you know another interesting

1232

00:51:45,109 --> 00:51:42,480

thing

1233

00:51:47,750 --> 00:51:45,119

is it's like you said they're miles from

1234

00:51:50,309 --> 00:51:47,760

bentwater it's the 1980s

1235

00:51:51,990 --> 00:51:50,319

these twin air force bases we've had two

1236

00:51:55,829 --> 00:51:52,000

people break down a female

1237

00:51:58,630 --> 00:51:55,839

and i believe holt and um

1238

00:52:00,470 --> 00:51:58,640

three nights you know even first night

1239

00:52:02,309 --> 00:52:00,480

you know broken tree branches

1240

00:52:04,150 --> 00:52:02,319

second night i mean by the time the

1241

00:52:06,950 --> 00:52:04,160

third night happened

1242

00:52:07,990 --> 00:52:06,960

this gets really intense and i wanted to

1243

00:52:10,470 --> 00:52:08,000

ask you john

1244

00:52:13,270 --> 00:52:10,480

uh the the light being incredibly

1245

00:52:15,270 --> 00:52:13,280

intense and these orbs into the sky

1246

00:52:17,589 --> 00:52:15,280

these things really remind me of you

1247

00:52:19,030 --> 00:52:17,599

into basin utah type things that we see

1248

00:52:22,309 --> 00:52:19,040

and i'll go into that with you

1249

00:52:24,950 --> 00:52:22,319

did you say something about utah yes

1250

00:52:25,750 --> 00:52:24,960

um the the lights that they reported

1251  
00:52:30,870 --> 00:52:25,760  
sound

1252  
00:52:31,430 --> 00:52:30,880  
those orbs into the sky the tiny white

1253  
00:52:33,750 --> 00:52:31,440  
ones

1254  
00:52:35,190 --> 00:52:33,760  
and i'll go into detail about that with

1255  
00:52:37,589 --> 00:52:35,200  
you okay

1256  
00:52:38,470 --> 00:52:37,599  
but the first question i wanted to ask

1257  
00:52:40,630 --> 00:52:38,480  
is

1258  
00:52:43,670 --> 00:52:40,640  
i've gone i'm with you on the binary

1259  
00:52:47,109 --> 00:52:43,680  
code and i've gone to their purported

1260  
00:52:49,510 --> 00:52:47,119  
gps coordinates um some

1261  
00:52:50,950 --> 00:52:49,520  
you know like what's up with the message

1262  
00:52:51,829 --> 00:52:50,960  
in some way i went to the one near

1263  
00:52:55,030 --> 00:52:51,839

sedona

1264

00:52:58,309 --> 00:52:55,040

arizona and you know

1265

00:53:01,589 --> 00:52:58,319

it was private property um

1266

00:53:04,470 --> 00:53:01,599

jumping forward to those lights do

1267

00:53:05,190 --> 00:53:04,480

in your research did they experience any

1268

00:53:07,010 --> 00:53:05,200

emotions

1269

00:53:08,790 --> 00:53:07,020

with these lights

1270

00:53:13,190 --> 00:53:08,800

[Music]

1271

00:53:16,309 --> 00:53:13,200

emotions with the light um

1272

00:53:22,549 --> 00:53:20,230

i i honestly can't

1273

00:53:23,430 --> 00:53:22,559

can't think of an emotional tie to the

1274

00:53:26,630 --> 00:53:23,440

lights

1275

00:53:29,829 --> 00:53:26,640

right at the moment um okay

1276

00:53:32,230 --> 00:53:29,839

there were let me say a couple

1277

00:53:33,109 --> 00:53:32,240

a couple things just about the binary

1278

00:53:36,950 --> 00:53:33,119

code yeah

1279

00:53:39,990 --> 00:53:36,960

i'm not saying that the the uh

1280

00:53:43,270 --> 00:53:40,000

the tr that the message

1281

00:53:45,510 --> 00:53:43,280

is not true i'm not saying that

1282

00:53:46,390 --> 00:53:45,520

it well maybe that's what the binary

1283

00:53:49,750 --> 00:53:46,400

code means

1284

00:53:52,630 --> 00:53:49,760

i just have trouble with how

1285

00:53:55,349 --> 00:53:52,640

zeros and ones translate to that message

1286

00:53:58,150 --> 00:53:55,359

it's the translation that i question

1287

00:53:59,349 --> 00:53:58,160

and i'm not saying it it doesn't have

1288

00:54:02,470 --> 00:53:59,359

any meaning

1289

00:54:04,870 --> 00:54:02,480

it probably does but it just seems it

1290

00:54:06,790 --> 00:54:04,880

seems like an amazing translation

1291

00:54:08,470 --> 00:54:06,800

that's all and the other thing i just

1292

00:54:10,710 --> 00:54:08,480

want to point out is that book that i

1293

00:54:13,990 --> 00:54:10,720

was referenced about ufo and nukes

1294

00:54:15,990 --> 00:54:14,000

um i did i did research that for

1295

00:54:18,390 --> 00:54:16,000

the reynolds from forest play it's by

1296

00:54:20,230 --> 00:54:18,400

robert hastings ufo and nukes

1297

00:54:22,230 --> 00:54:20,240

extraordinary counters at nuclear

1298

00:54:25,270 --> 00:54:22,240

weapons sites

1299

00:54:27,670 --> 00:54:25,280

it's a great book um it's not

1300

00:54:28,390 --> 00:54:27,680

the mainstay of randalsham forest but

1301

00:54:30,390 --> 00:54:28,400

there's a

1302

00:54:31,829 --> 00:54:30,400

chapter on reynolds and forest and

1303

00:54:34,950 --> 00:54:31,839

there's a lot of other

1304

00:54:36,829 --> 00:54:34,960

uh great information there about uh ufos

1305

00:54:40,309 --> 00:54:36,839

and nukes

1306

00:54:43,270 --> 00:54:40,319

i can't agree more a good friend of mine

1307

00:54:44,630 --> 00:54:43,280

dave rosenfeld uh has talked to me about

1308

00:54:47,829 --> 00:54:44,640

the coincidences

1309

00:54:50,789 --> 00:54:47,839

quote unquote with these ufos and nukes

1310

00:54:51,589 --> 00:54:50,799

and that book by robert hastings is a

1311

00:54:54,069 --> 00:54:51,599

good one

1312

00:54:54,870 --> 00:54:54,079

and i have been i've become a believer

1313

00:54:57,589 --> 00:54:54,880

john

1314

00:54:58,069 --> 00:54:57,599

the um another quick question before we

1315

00:55:01,109 --> 00:54:58,079

jump

1316

00:55:02,950 --> 00:55:01,119

uh to the next case was you you

1317

00:55:05,990 --> 00:55:02,960

mentioned peniston tried to take

1318

00:55:08,950 --> 00:55:06,000

photos and they all came down

1319

00:55:09,670 --> 00:55:08,960

foggy was what were you what you didn't

1320

00:55:14,150 --> 00:55:09,680

see them

1321

00:55:16,549 --> 00:55:14,160

that's what the photo lab told him ah

1322

00:55:19,190 --> 00:55:16,559

that answers my question photo lab said

1323

00:55:23,030 --> 00:55:19,200

they came out fogged

1324

00:55:27,910 --> 00:55:23,040

um now there was radiation readings

1325

00:55:30,789 --> 00:55:27,920

at the uh site where he took the photos

1326

00:55:31,270 --> 00:55:30,799

it's my understanding that radiation can

1327

00:55:35,030 --> 00:55:31,280

fog

1328

00:55:37,670 --> 00:55:35,040

photos so it might be accurate

1329

00:55:39,589 --> 00:55:37,680

it also might be by the cover-up it's

1330

00:55:39,790 --> 00:55:39,599

unknown but the photos have never come

1331

00:55:41,270 --> 00:55:39,800

out

1332

00:55:44,309 --> 00:55:41,280

[Music]

1333

00:55:47,430 --> 00:55:44,319

okay and the last question

1334

00:55:49,829 --> 00:55:47,440

uh colonel halt i believe wrote

1335

00:55:50,630 --> 00:55:49,839

sanitized memorandum for the official

1336

00:55:53,190 --> 00:55:50,640

record

1337

00:55:54,230 --> 00:55:53,200

but i believe he also made a tape

1338

00:55:56,150 --> 00:55:54,240

recording

1339

00:55:57,829 --> 00:55:56,160

of the third night's events did anything

1340

00:55:58,549 --> 00:55:57,839

come out on that or were you able to

1341

00:56:01,670 --> 00:55:58,559

witness that

1342

00:56:05,109 --> 00:56:01,680

vital the tape is vital evidence

1343

00:56:07,990 --> 00:56:05,119

it's direct involvement the the

1344

00:56:09,270 --> 00:56:08,000

the shoot down of the beam is on the

1345

00:56:12,309 --> 00:56:09,280

tape

1346

00:56:14,630 --> 00:56:12,319

it can't be denied wow it happened

1347

00:56:15,430 --> 00:56:14,640

on the tape unless you're saying that

1348

00:56:18,390 --> 00:56:15,440

those guys

1349

00:56:19,349 --> 00:56:18,400

on that tape are liars and this is a

1350

00:56:22,710 --> 00:56:19,359

colonel

1351  
00:56:25,990 --> 00:56:22,720  
the time

1352  
00:56:27,190 --> 00:56:26,000  
but became a colonel and became base

1353  
00:56:29,589 --> 00:56:27,200  
commander

1354  
00:56:31,030 --> 00:56:29,599  
of the of those two bases and then had

1355  
00:56:31,829 --> 00:56:31,040  
another important position at the

1356  
00:56:35,349 --> 00:56:31,839  
pentagon

1357  
00:56:38,630 --> 00:56:35,359  
after that and also you know

1358  
00:56:40,470 --> 00:56:38,640  
it's not just him the sergeant uh

1359  
00:56:43,109 --> 00:56:40,480  
it's the same sergeant who was out the

1360  
00:56:43,829 --> 00:56:43,119  
second night that sergeant is on the

1361  
00:56:46,470 --> 00:56:43,839  
tape

1362  
00:56:47,990 --> 00:56:46,480  
he's he actually muttered an expletive

1363  
00:56:51,109 --> 00:56:48,000

because he couldn't believe

1364

00:56:54,230 --> 00:56:51,119

um what he was seeing

1365

00:56:56,309 --> 00:56:54,240

and so it's not

1366

00:56:58,150 --> 00:56:56,319

yet there's it's one thing to say

1367

00:57:01,270 --> 00:56:58,160

witnesses but it's also witnesses

1368

00:57:03,270 --> 00:57:01,280

on tape so the the

1369

00:57:04,950 --> 00:57:03,280

encounter and also the encounter with

1370

00:57:08,630 --> 00:57:04,960

the um

1371

00:57:12,630 --> 00:57:08,640

the red object with the black pupil

1372

00:57:15,910 --> 00:57:12,640

that encounter is on tape

1373

00:57:19,670 --> 00:57:15,920

yeah so i mean this the tape is by

1374

00:57:22,950 --> 00:57:19,680

the memorandum to be quite honest it

1375

00:57:25,270 --> 00:57:22,960

it it's demonstrates something

1376

00:57:26,150 --> 00:57:25,280

happened but the thing is it's a

1377

00:57:28,950 --> 00:57:26,160

sanitized

1378

00:57:30,870 --> 00:57:28,960

cleaned up version there's also were

1379

00:57:34,710 --> 00:57:30,880

affidavits given by

1380

00:57:36,950 --> 00:57:34,720

uh peniston burrows and three other

1381

00:57:37,910 --> 00:57:36,960

guys who were there out there on the

1382

00:57:40,390 --> 00:57:37,920

first night

1383

00:57:42,390 --> 00:57:40,400

the problem with those is again they

1384

00:57:44,870 --> 00:57:42,400

were afraid for their careers

1385

00:57:45,510 --> 00:57:44,880

they're afraid you know they can't tell

1386

00:57:48,710 --> 00:57:45,520

the whole

1387

00:57:50,230 --> 00:57:48,720

truth because if they do they you know

1388

00:57:52,470 --> 00:57:50,240

they might say well you know what

1389

00:57:53,589 --> 00:57:52,480

you're going to wash out for this or

1390

00:57:56,390 --> 00:57:53,599

you're going to

1391

00:57:57,829 --> 00:57:56,400

you know have to go to the crazy house

1392

00:57:59,270 --> 00:57:57,839

for a little bit of you know need

1393

00:58:02,069 --> 00:57:59,280

psychology

1394

00:58:04,230 --> 00:58:02,079

you know what i'm saying that that it

1395

00:58:05,109 --> 00:58:04,240

they just can't take it at face value

1396

00:58:08,150 --> 00:58:05,119

the full truth

1397

00:58:10,710 --> 00:58:08,160

the whole truth so um

1398

00:58:11,349 --> 00:58:10,720

the writings are one thing but the tape

1399

00:58:13,829 --> 00:58:11,359

is just

1400

00:58:15,750 --> 00:58:13,839

it's it's pretty vital evidence it's one

1401  
00:58:17,589 --> 00:58:15,760  
of the best pieces of ufo evidence out

1402  
00:58:20,470 --> 00:58:17,599  
there

1403  
00:58:22,390 --> 00:58:20,480  
i agree and i think that you know the

1404  
00:58:23,829 --> 00:58:22,400  
skeptics on this one just missed the

1405  
00:58:26,470 --> 00:58:23,839  
boat i mean they're alleging it's a

1406  
00:58:28,870 --> 00:58:26,480  
meteor rabbit holes the odds effect

1407  
00:58:29,589 --> 00:58:28,880  
autokinesis and above all a lighthouse

1408  
00:58:31,510 --> 00:58:29,599  
this is

1409  
00:58:32,630 --> 00:58:31,520  
an obvious win i think for colonel holt

1410  
00:58:34,789 --> 00:58:32,640  
and

1411  
00:58:36,150 --> 00:58:34,799  
it's amazing i just in for the sake of

1412  
00:58:38,309 --> 00:58:36,160  
time john i'm going to move on to the

1413  
00:58:40,630 --> 00:58:38,319

brooklyn bridge ufo investigation it's

1414

00:58:41,510 --> 00:58:40,640

so fascinating another important case so

1415

00:58:44,470 --> 00:58:41,520

we need to cover

1416

00:58:46,230 --> 00:58:44,480

it yeah could you um give our listeners

1417

00:58:49,030 --> 00:58:46,240

kind of some background about that

1418

00:58:49,510 --> 00:58:49,040

and uh it is got some of the neatest

1419

00:58:51,910 --> 00:58:49,520

right

1420

00:58:52,950 --> 00:58:51,920

i believe amazing writing uh just

1421

00:58:55,030 --> 00:58:52,960

because thank you

1422

00:58:56,150 --> 00:58:55,040

yeah could we go into detail about that

1423

00:58:59,829 --> 00:58:56,160

second act

1424

00:59:03,030 --> 00:58:59,839

okay the thing okay

1425

00:59:05,510 --> 00:59:03,040

a woman claims she was abducted by

1426

00:59:06,789 --> 00:59:05,520

aliens out of her apartment right

1427

00:59:09,670 --> 00:59:06,799

through the closed

1428

00:59:11,430 --> 00:59:09,680

window floated out the aliens came into

1429

00:59:11,990 --> 00:59:11,440

her apartment and this was on november

1430

00:59:15,190 --> 00:59:12,000

30th

1431

00:59:18,789 --> 00:59:15,200

1989. she ended up

1432

00:59:22,390 --> 00:59:18,799

in the company of um who is later

1433

00:59:23,430 --> 00:59:22,400

claimed is the united nations secretary

1434

00:59:25,910 --> 00:59:23,440

general who's the

1435

00:59:26,870 --> 00:59:25,920

highest political position in the entire

1436

00:59:29,589 --> 00:59:26,880

world and

1437

00:59:30,150 --> 00:59:29,599

his two bodyguards the two bodyguards

1438

00:59:32,390 --> 00:59:30,160

are the

1439

00:59:33,670 --> 00:59:32,400

first two men and the third man is how

1440

00:59:35,829 --> 00:59:33,680

they refer to

1441

00:59:38,630 --> 00:59:35,839

the secretary general that's secretary

1442

00:59:41,349 --> 00:59:38,640

general's javier perez de cuellar

1443

00:59:43,430 --> 00:59:41,359

perez de claire officially denies that

1444

00:59:45,109 --> 00:59:43,440

anything happened he says i was in bed

1445

00:59:48,390 --> 00:59:45,119

asleep that night

1446

00:59:52,630 --> 00:59:48,400

but he also sent a letter

1447

00:59:55,109 --> 00:59:52,640

on un stationary and it looks exactly

1448

00:59:56,870 --> 00:59:55,119

i shouldn't say he sent a letter but

1449

01:00:00,309 --> 00:59:56,880

hopkins has a letter

1450

01:00:02,630 --> 01:00:00,319

which is on un stationary in the form of

1451

01:00:05,910 --> 01:00:02,640

a known letter of de cuellar

1452

01:00:08,150 --> 01:00:05,920

and signed by um

1453

01:00:09,109 --> 01:00:08,160

what looks to be a de quay our signature

1454

01:00:11,589 --> 01:00:09,119

saying that

1455

01:00:13,510 --> 01:00:11,599

yes it's true we were abducted by aliens

1456

01:00:16,309 --> 01:00:13,520

but i have to officially deny it and i

1457

01:00:19,589 --> 01:00:16,319

will continue to officially deny it

1458

01:00:21,750 --> 01:00:19,599

okay so that's just one of the many

1459

01:00:24,710 --> 01:00:21,760

contradictions in this case

1460

01:00:25,990 --> 01:00:24,720

there's there's a there's there's

1461

01:00:27,829 --> 01:00:26,000

problems with the

1462

01:00:29,750 --> 01:00:27,839

main witness she's made some claims it

1463

01:00:33,190 --> 01:00:29,760

seems like they're embellished

1464

01:00:36,870 --> 01:00:33,200

um there's also some

1465

01:00:40,549 --> 01:00:36,880

things that are hard to disprove too

1466

01:00:41,349 --> 01:00:40,559

so it looks like we have a real mix here

1467

01:00:44,390 --> 01:00:41,359

of

1468

01:00:46,710 --> 01:00:44,400

truth and fantasy shall we say

1469

01:00:49,589 --> 01:00:46,720

now bud hopkins was a famous ufo

1470

01:00:53,990 --> 01:00:49,599

investigator he investigated the case

1471

01:00:56,630 --> 01:00:54,000

uh linda cortille is the main civilian

1472

01:00:58,150 --> 01:00:56,640

who and she is uh her hypnotic

1473

01:01:00,630 --> 01:00:58,160

regressions which is a

1474

01:01:02,549 --> 01:01:00,640

a technique used by bud hopkins to get

1475

01:01:05,589 --> 01:01:02,559

the truth of alien abduction

1476

01:01:08,230 --> 01:01:05,599

that's the first act of the of the uh

1477

01:01:10,230 --> 01:01:08,240

play you have them acted out in the

1478

01:01:14,150 --> 01:01:10,240

second act of the play

1479

01:01:17,270 --> 01:01:14,160

um bud hopkins um

1480

01:01:21,430 --> 01:01:17,280

an independent filmmaker who who uh

1481

01:01:24,549 --> 01:01:21,440

took the film of these regressions

1482

01:01:28,470 --> 01:01:24,559

were hypnotic regressions were um filmed

1483

01:01:30,150 --> 01:01:28,480

for um you know later uh later use and

1484

01:01:31,750 --> 01:01:30,160

reference and whatnot

1485

01:01:33,910 --> 01:01:31,760

just like you know halls had his tape

1486

01:01:37,109 --> 01:01:33,920

these have these are on videos

1487

01:01:39,349 --> 01:01:37,119

so that person in the

1488

01:01:42,470 --> 01:01:39,359

play is called carla roberts it's a

1489

01:01:45,510 --> 01:01:42,480

fictional name i'm not

1490

01:01:49,190 --> 01:01:45,520

naming the real person at this time and

1491

01:01:52,630 --> 01:01:49,200

but they took great offense

1492

01:01:53,589 --> 01:01:52,640

over time they came to to not believe in

1493

01:01:57,029 --> 01:01:53,599

this case and

1494

01:01:58,150 --> 01:01:57,039

and have real doubts about alien

1495

01:02:00,789 --> 01:01:58,160

abduction

1496

01:02:03,190 --> 01:02:00,799

so anyway there's a tremendous debate

1497

01:02:05,510 --> 01:02:03,200

among these three principles

1498

01:02:06,789 --> 01:02:05,520

in the second act particularly the two

1499

01:02:10,549 --> 01:02:06,799

women these are

1500

01:02:12,950 --> 01:02:10,559

two great roles for uh if there's any

1501

01:02:15,029 --> 01:02:12,960

uh actresses out there who would be

1502

01:02:18,309 --> 01:02:15,039

interested in a great role

1503

01:02:21,510 --> 01:02:18,319

either carla roberts or linda cortelli

1504

01:02:22,470 --> 01:02:21,520

is the role for you you need to uh check

1505

01:02:25,910 --> 01:02:22,480

out this play

1506

01:02:27,990 --> 01:02:25,920

will to believe um the brooklyn bridge

1507

01:02:31,029 --> 01:02:28,000

ufo investigation

1508

01:02:34,230 --> 01:02:31,039

it's it's all takes place on a stage

1509

01:02:37,750 --> 01:02:34,240

and it's very actor-centric

1510

01:02:40,390 --> 01:02:37,760

this this play um

1511

01:02:41,190 --> 01:02:40,400

and then the the u.n secretary general

1512

01:02:43,829 --> 01:02:41,200

appears

1513

01:02:44,789 --> 01:02:43,839

as a kind of a background character but

1514

01:02:48,150 --> 01:02:44,799

mainly

1515

01:02:49,029 --> 01:02:48,160

uh the play revolves around what

1516

01:02:51,270 --> 01:02:49,039

happened

1517

01:02:52,390 --> 01:02:51,280

allegedly i'm going to say allegedly

1518

01:02:56,150 --> 01:02:52,400

happened with the

1519

01:02:57,270 --> 01:02:56,160

brooklyn bridge ufo uh investigation by

1520

01:02:59,829 --> 01:02:57,280

bud hopkins and

1521

01:03:00,789 --> 01:02:59,839

of these alien abductions but what it

1522

01:03:04,549 --> 01:03:00,799

comes down to

1523

01:03:08,230 --> 01:03:04,559

what i use this for is a probe of the

1524

01:03:11,029 --> 01:03:08,240

ultimate question of the ufo experience

1525

01:03:12,069 --> 01:03:11,039

and that is is your mind open to the

1526

01:03:15,109 --> 01:03:12,079

possibility

1527

01:03:18,870 --> 01:03:15,119

or is it closed in other words do you

1528

01:03:21,510 --> 01:03:18,880

have the will to believe in ufos

1529

01:03:22,069 --> 01:03:21,520

do you have that will to believe if you

1530

01:03:24,950 --> 01:03:22,079

do

1531

01:03:25,910 --> 01:03:24,960

then you can get to it's prerequisite to

1532

01:03:28,870 --> 01:03:25,920

getting to

1533

01:03:30,230 --> 01:03:28,880

belief in ufos if you don't if your mind

1534

01:03:33,109 --> 01:03:30,240

is closed

1535

01:03:35,029 --> 01:03:33,119

then as far as i'm concerned you are not

1536

01:03:36,390 --> 01:03:35,039

going to be able to get to belief in

1537

01:03:39,750 --> 01:03:36,400

ufos

1538

01:03:43,190 --> 01:03:39,760

and you may be closing off

1539

01:03:45,829 --> 01:03:43,200

the truth amen what

1540

01:03:46,309 --> 01:03:45,839

when you the will to believe fails you

1541

01:03:49,910 --> 01:03:46,319

are

1542

01:03:53,510 --> 01:03:49,920

closing off the truth wow

1543

01:03:57,029 --> 01:03:53,520

amen that's what i am trying to get at

1544

01:04:00,069 --> 01:03:57,039

uh with the writing of this play

1545

01:04:01,910 --> 01:04:00,079

and wow this is amazing i mean the un

1546

01:04:05,029 --> 01:04:01,920

secretary general

1547

01:04:07,430 --> 01:04:05,039

bud hopkins we have javier denying

1548

01:04:09,670 --> 01:04:07,440

anything happen but yet the admitted

1549

01:04:11,510 --> 01:04:09,680

possible alien abduction through another

1550

01:04:13,670 --> 01:04:11,520

letter that bud has this

1551

01:04:14,630 --> 01:04:13,680

things that are hard to dispute in the

1552

01:04:18,309 --> 01:04:14,640

case

1553

01:04:20,549 --> 01:04:18,319

it is amazing john and i think that your

1554

01:04:23,029 --> 01:04:20,559

your last two ending scenes and the

1555

01:04:26,549 --> 01:04:23,039

summations of the experience are amazing

1556

01:04:29,270 --> 01:04:26,559

to me this this your ultimate question

1557

01:04:30,230 --> 01:04:29,280

perfectly kind of sums up the podcast

1558

01:04:32,069 --> 01:04:30,240

it's so

1559

01:04:34,230 --> 01:04:32,079

true is your mind open to the

1560

01:04:36,470 --> 01:04:34,240

possibility or is it closed

1561

01:04:37,750 --> 01:04:36,480

where can our listeners keep up with you

1562

01:04:40,470 --> 01:04:37,760

thanks very much i've enjoyed it i

appreciate you having me on

1586

01:05:42,309 --> 01:05:39,200

thank you bye-bye wow what a barn burner

1587

01:05:43,109 --> 01:05:42,319

john steiger bring in the heat and i'll

1588

01:05:46,549 --> 01:05:43,119

tell you what

1589

01:05:47,910 --> 01:05:46,559

it's it's in my opinion a defeat to

1590

01:05:52,230 --> 01:05:47,920

those who don't believe

1591

01:05:54,950 --> 01:05:52,240

three amazing cases amazing cases

1592

01:05:56,470 --> 01:05:54,960

and the research that john's gone to is

1593

01:05:59,510 --> 01:05:56,480

just

1594

01:06:02,309 --> 01:05:59,520

unbelievable you know

1595

01:06:03,190 --> 01:06:02,319

there is so much real life drama that is

1596

01:06:06,549 --> 01:06:03,200

detailed

1597

01:06:09,029 --> 01:06:06,559

in the research that i think

1598

01:06:10,710 --> 01:06:09,039

it really becomes the will to believe

1599

01:06:12,710 --> 01:06:10,720

and

1600

01:06:14,309 --> 01:06:12,720

his ultimate question of whether your

1601

01:06:17,430 --> 01:06:14,319

mind is open

1602

01:06:19,349 --> 01:06:17,440

or not to the possibility

1603

01:06:21,190 --> 01:06:19,359

until next time keep your eyes to the

1604

01:06:21,829 --> 01:06:21,200

skies feet on the ground but don't

1605

01:06:35,180 --> 01:06:21,839

forget
