broadcasting from the base at la madre

5
00:00:47,510 --> 00:00:44,079
mountain

6
00:00:50,069 --> 00:00:47,520
just south of area 51 my name

7
00:00:50,869 --> 00:00:50,079
is ryan the original outlaw of the

8
00:00:53,990 --> 00:00:50,879

9
00:00:57,029 --> 00:00:54,000
bringing you a hum dinger of an

10
00:00:59,830 --> 00:00:57,039
epic episode tonight

11
00:01:01,510 --> 00:00:59,840
firstly i'd like to say what an honor it

12
00:01:04,710 --> 00:01:01,520
was to finally talk to

13
00:01:07,590 --> 00:01:04,720

my guest and uh secondly

14

00:01:09,750 --> 00:01:07,600

that he was well he wins the award so

15

00:01:13,030 --> 00:01:09,760

far for the most accommodating guest

16

00:01:14,950 --> 00:01:13,040

uh that's been on ever so you'll see

17

00:01:17,030 --> 00:01:14,960

um as soon as we get to talk to him so

18

00:01:19,670 --> 00:01:17,040

helpful everything went so well

19

00:01:20,950 --> 00:01:19,680

thank him in advance for that thank you

20

00:01:24,789 --> 00:01:20,960

terry

21

00:01:29,030 --> 00:01:24,799

he's grateful to have survived

22

00:01:31,990 --> 00:01:29,040

devil's den and he's not on a mission to

23

00:01:32,789 --> 00:01:32,000

change people's minds about ufos or the

24

00:01:35,910 --> 00:01:32,799

existence

25

00:01:38,550 --> 00:01:35,920

of alien life but it's a story that has

26

00:01:41,749 --> 00:01:38,560

to be heard

27

00:01:43,429 --> 00:01:41,759

he's going to explain why that is and go

28

00:01:46,789 --> 00:01:43,439

into the detail

29

00:01:47,429 --> 00:01:46,799

about the incident at devil's den one of

30

00:01:50,870 --> 00:01:47,439

the

31

00:01:53,590 --> 00:01:50,880

freakiest and

32

00:01:54,469 --> 00:01:53,600

well in my opinion you just have to get

33

00:01:57,749 --> 00:01:54,479

the book

34

00:01:58,469 --> 00:01:57,759

but we're going to discuss the ins and

35

00:02:01,109 --> 00:01:58,479

outs

36

00:02:01,990 --> 00:02:01,119

of the incident at devil's den

37

00:02:03,749 --> 00:02:02,000

definitely

38

00:02:06,149 --> 00:02:03,759

look on amazon pick the book up because

39

00:02:12,550 --> 00:02:09,350

it was 1977 and he is going to paint

40

00:02:13,270 --> 00:02:12,560

us a picture of what was happening over

41

00:02:21,270 --> 00:02:13,280

that

42

00:02:22,869 --> 00:02:21,280

may just have to get the book there's so

43

00:02:24,869 --> 00:02:22,879

much that he can't

44

00:02:27,670 --> 00:02:24,879

i mean he could talk for days and not

45

00:02:28,309 --> 00:02:27,680

cover what the book has so please go to

46

00:02:30,949 --> 00:02:28,319

anchor to

65

00:03:06,309 --> 00:03:04,800

absolutely anyone thinking about

66

00:03:07,910 --> 00:03:06,319

podcasting it is

67

00:03:09,670 --> 00:03:07,920

if i would have known about anchor when

68

00:03:12,949 --> 00:03:09,680

i started my life would have been

69

00:03:16,229 --> 00:03:12,959

so much easier podbean is

70

00:03:19,190 --> 00:03:16,239

also another great great

71

00:03:19,670 --> 00:03:19,200

tool that can be used so check those out

72

00:03:24,229 --> 00:03:19,680

and

73

00:03:27,670 --> 00:03:24,239

uh check out heroparanormal.com

74

00:03:28,750 --> 00:03:27,680

we have the president of the united

75

00:03:31,990 --> 00:03:28,760

states with

76

00:03:35,430 --> 00:03:32,000

covid19 and the first lady a lot going

77

00:03:37,990 --> 00:03:35,440

on uh and i think

78

00:03:39,509 --> 00:03:38,000

we're going to have someone that well

79

00:03:42,390 --> 00:03:39,519

our audience our

80

00:03:44,070 --> 00:03:42,400

our hardcore patron listeners are very

81

00:03:45,350 --> 00:03:44,080

familiar with i'm not going to spill the

82

00:03:46,869 --> 00:03:45,360

name yet but

83

00:03:49,750 --> 00:03:46,879

we're gonna have a guest that is going

84

00:03:52,869 --> 00:03:49,760

to dissect the political arena

85

00:03:55,190 --> 00:03:52,879

and maybe uh

86

00:03:55,990 --> 00:03:55,200

give us something to look forward to

87

00:03:58,390 --> 00:03:56,000

because it's

88

00:03:59,429 --> 00:03:58,400

2020 is just really handing it to us so

89

00:04:01,670 --> 00:03:59,439

far

90

00:04:03,670 --> 00:04:01,680

a lot of the stuff that's in the book

91

00:04:06,390 --> 00:04:03,680

the incident at the devil's den

92

00:04:08,070 --> 00:04:06,400

sounds eerily familiar to incidents in

93

00:04:10,710 --> 00:04:08,080

the uintah basin of utah

94

00:04:12,070 --> 00:04:10,720

and other areas worldwide that people

95

00:04:14,630 --> 00:04:12,080

just kind of seem to

96

00:04:15,589 --> 00:04:14,640

skim over and not really give attention

97

00:04:17,990 --> 00:04:15,599

to so

98

00:04:19,990 --> 00:04:18,000

pay attention to what terry is going to

99

00:04:23,030 --> 00:04:20,000

go into detail about

100

00:04:26,150 --> 00:04:23,040

he is beyond a doubt

101

00:04:29,270 --> 00:04:26,160

uh gosh such a good

102

00:04:29,670 --> 00:04:29,280

author in how he paints the picture of

103

00:04:33,030 --> 00:04:29,680

what

104

00:04:33,830 --> 00:04:33,040

happened back in 1977 i can't stress

105

00:04:36,710 --> 00:04:33,840

enough

106

00:04:37,990 --> 00:04:36,720

um what a good author is what quality

107

00:04:42,710 --> 00:04:38,000

writing it is

108

00:04:45,430 --> 00:04:42,720

and it really puts you in the moment

109

00:04:46,710 --> 00:04:45,440

before we speak with terry i want to go

110

00:04:50,710 --> 00:04:46,720

into a little bit about

111

00:04:53,990 --> 00:04:50,720

the area which native american tribes

112

00:04:57,189 --> 00:04:54,000

have well they've measured the area

113

00:04:59,030 --> 00:04:57,199

as far as being a little bit strange

114

00:05:00,710 --> 00:04:59,040

uh there's a reason it's got its name

115

00:05:03,189 --> 00:05:00,720

devil's den

116

00:05:04,310 --> 00:05:03,199

but more than that terry sent me a ton

117

00:05:07,350 --> 00:05:04,320

of photographs

118

00:05:10,629 --> 00:05:07,360

and he's really gone back

119

00:05:14,550 --> 00:05:10,639

and looked into the written record uh

120

00:05:17,430 --> 00:05:14,560

significant battles fought and

121

00:05:18,550 --> 00:05:17,440

you know it's not just documenting his

122

00:05:22,150 --> 00:05:18,560

experience

123

00:05:26,110 --> 00:05:22,160

his book really goes into detail about

124

00:05:30,469 --> 00:05:26,120

all aspects about this

125

00:05:38,150 --> 00:05:34,550

amazing experience it's that bad dream

126

00:05:40,230 --> 00:05:38,160

you wish you never had and uh and terry

127

00:05:43,670 --> 00:05:40,240

does such a good job of explaining it

128

00:05:46,150 --> 00:05:43,680

i just can't wait to have him on

129

00:05:46,790 --> 00:05:46,160

if you didn't check out our last patron

130

00:05:49,830 --> 00:05:46,800

episode

131

00:05:51,749 --> 00:05:49,840

oh my gosh it is epic i can't stress

132

00:05:52,230 --> 00:05:51,759

enough some of these patron episodes go

133

00:05:54,070 --> 00:05:52,240

into

134

00:05:55,909 --> 00:05:54,080

deep deep details so thanks to the

135

00:05:58,870 --> 00:05:55,919

patrons you guys are getting

136

00:05:59,670 --> 00:05:58,880

some seriously awesome stuff i'll try to

137

00:06:02,469 --> 00:05:59,680

keep it coming

138

00:06:03,350 --> 00:06:02,479

as fast and as consistently as possible

139

00:06:05,110 --> 00:06:03,360

thanks for

140

00:06:07,029 --> 00:06:05,120

your patience when i'm on the road over

141

00:06:08,790 --> 00:06:07,039

landing and jumping from one paranormal

142

00:06:09,909 --> 00:06:08,800

hotspot to another as i have been it's

143

00:06:13,110 --> 00:06:09,919

been

144

00:06:16,469 --> 00:06:13,120

very difficult to record be on the road

145

00:06:17,830 --> 00:06:16,479

be in the truck i mean it's tough and

146

00:06:20,710 --> 00:06:17,840

they're not small drives

147

00:06:22,790 --> 00:06:20,720

a lot of these places are you know the

148

00:06:23,990 --> 00:06:22,800

uinta basin of utah is very far from

149

00:06:27,350 --> 00:06:24,000

nevada

150

00:06:29,990 --> 00:06:27,360

uh from where i'm at and

151
00:06:30,710 --> 00:06:30,000
it is uh also very far from some of the

152
00:06:33,110 --> 00:06:30,720
other areas

153
00:06:35,270 --> 00:06:33,120
that i'm going to and but i'll keep

154
00:06:38,550 --> 00:06:35,280
those coming i try to update

155
00:06:41,670 --> 00:06:38,560
social media as possible and

156
00:06:43,590 --> 00:06:41,680
um yeah i can't keep c steady content

157
00:06:44,469 --> 00:06:43,600
stream non-stop like some people can

158
00:06:46,870 --> 00:06:44,479
because i'm not

159
00:06:48,710 --> 00:06:46,880
tied to my desk i'm actually out doing

160
00:06:49,510 --> 00:06:48,720
stuff and i've got a family too so

161
00:06:50,870 --> 00:06:49,520
that's tough and

162
00:06:52,629 --> 00:06:50,880
everybody's got to make a living and

163
00:06:55,029 --> 00:06:52,639

this is not my

164

00:06:55,749 --> 00:06:55,039

primary source of income so that's

165

00:06:58,150 --> 00:06:55,759

difficult

166

00:06:59,670 --> 00:06:58,160

it's more of a passion project i guess

167

00:07:02,150 --> 00:06:59,680

and that's that's a good thing

168

00:07:02,870 --> 00:07:02,160

so um i want to keep it that way let's

169

00:07:04,870 --> 00:07:02,880

keep it

170

00:07:06,710 --> 00:07:04,880

rocking we're going to bring the heat

171

00:07:09,110 --> 00:07:06,720

tonight take a seat

172

00:07:10,230 --> 00:07:09,120

pour a cup of your good good beverage

173

00:07:12,550 --> 00:07:10,240

whatever that is

174

00:07:13,589 --> 00:07:12,560

and get ready for terry levelace to

175

00:07:18,469 --> 00:07:13,599

176

00:07:20,550 --> 00:07:18,479

of 1977. the incident at devil's den

177

00:07:33,909 --> 00:07:32,800

all the cases i come across a lot of the

183

00:07:35,670 --> 00:07:33,919

cases

184

00:07:37,510 --> 00:07:35,680

that i come across you know they leave

185

00:07:40,469 --> 00:07:37,520

impressions on me but

186

00:07:43,270 --> 00:07:40,479

of all the cases and and first kudos on

187

00:07:46,629 --> 00:07:43,280

189

00:07:52,950 --> 00:07:49,840

and you know it it takes you there for

190

00:07:55,830 --> 00:07:52,960

all of our audience um and

191

00:07:56,390 --> 00:07:55,840

we really appreciate that thank you yeah

192

00:08:02,790 --> 00:07:56,400

it is

193

00:08:03,909 --> 00:08:02,800

i wanted to ask you so it's it's i don't

194

00:08:05,990 --> 00:08:03,919

know where to start i have

195

00:08:08,710 --> 00:08:06,000

so many questions and that's that's the

196

00:08:11,350 --> 00:08:08,720

problem here this has

197

00:08:13,270 --> 00:08:11,360

the fingerprints of so many different

198

00:08:14,710 --> 00:08:13,280

things all over it i mean you could go

199

00:08:17,990 --> 00:08:14,720

in the 4-1-1

200

00:08:18,790 --> 00:08:18,000

you know like missing 4-1-1 direction uh

201
00:08:22,189 --> 00:08:18,800
you could go

202
00:08:23,990 --> 00:08:22,199
in a lot of different directions it's

203
00:08:27,510 --> 00:08:24,000
1977.

204
00:08:29,510 --> 00:08:27,520
put us there in that state park with you

205
00:08:30,950 --> 00:08:29,520
and kind of let's let's go into detail

206
00:08:34,550 --> 00:08:30,960
about the incident

207
00:08:38,310 --> 00:08:34,560
at devil's den sure

208
00:08:39,029 --> 00:08:38,320
i'm happy to um just a little bit of

209
00:08:41,350 --> 00:08:39,039
background

210
00:08:42,949 --> 00:08:41,360
i i was working with a guy i know we

211
00:08:45,590 --> 00:08:42,959
have 45 minutes and that's

212
00:08:46,790 --> 00:08:45,600
that's a little light so i'll cut to the

213
00:08:48,630 --> 00:08:46,800

chase

214

00:08:50,470 --> 00:08:48,640

a friend of mine named toby we worked

215

00:08:52,150 --> 00:08:50,480

together we were both first responders

216

00:08:54,470 --> 00:08:52,160

we were medics and emts

217

00:08:57,110 --> 00:08:54,480

in the air force stationed at whiteman

218

00:09:01,190 --> 00:08:57,120

air force base about 80 miles or so

219

00:09:07,750 --> 00:09:04,870

kansas city near sedalia missouri

220

00:09:08,470 --> 00:09:07,760

but in the middle of nowhere was just

221

00:09:11,670 --> 00:09:08,480

nothing

222

00:09:12,790 --> 00:09:11,680

uh attacked base with nuclear-armed

223

00:09:16,790 --> 00:09:12,800

b-52s

224

00:09:19,110 --> 00:09:16,800

and then there were minutemen two icbm

225

00:09:20,829 --> 00:09:19,120

missile silos scattered all over the all

226

00:09:22,150 --> 00:09:20,839

over the countryside all over the

227

00:09:26,230 --> 00:09:22,160

farmland

228

00:09:28,150 --> 00:09:26,240

so i um i was an amateur photographer i

229

00:09:29,110 --> 00:09:28,160

had a new camera i wanted to use my

230

00:09:31,509 --> 00:09:29,120

friend toby

231

00:09:33,030 --> 00:09:31,519

was a sky watcher he wanted to see the

232

00:09:36,230 --> 00:09:33,040

night stars without any

233

00:09:37,430 --> 00:09:36,240

light pollution and so so my my friend

234

00:09:40,470 --> 00:09:37,440

says one night to me

235

00:09:41,590 --> 00:09:40,480

we work the night shift 11 p.m to uh 8

236

00:09:43,430 --> 00:09:41,600

a.m

237

00:09:45,030 --> 00:09:43,440

and he says hey man i got an idea let's

238

00:09:47,670 --> 00:09:45,040

go camping

239

00:09:48,470 --> 00:09:47,680

and i'm like toby ann are you nuts i

240

00:09:50,870 --> 00:09:48,480

mean i

241

00:09:52,310 --> 00:09:50,880

grew up in st louis city he grew up in

242

00:09:53,670 --> 00:09:52,320

flint michigan

243

00:09:56,470 --> 00:09:53,680

i'm like you know what do we know about

244

00:09:58,710 --> 00:09:56,480

camping he's just like hey man it ain't

245

00:09:59,910 --> 00:09:58,720

rocket science let's just uh let's just

246

00:10:02,069 --> 00:09:59,920

go

247

00:10:03,110 --> 00:10:02,079

and i was against the idea initially and

248

00:10:06,630 --> 00:10:03,120

then it uh

249

00:10:09,750 --> 00:10:06,640

within 48 hours it grew on me and became

250

00:10:12,870 --> 00:10:09,760

almost obsessive uh

251
00:10:13,829 --> 00:10:12,880
so we we planned a long weekend uh in

252
00:10:16,630 --> 00:10:13,839
june

253
00:10:18,310 --> 00:10:16,640
of 1977 i believe the day was saturday

254
00:10:20,870 --> 00:10:18,320
june 11.

255
00:10:22,310 --> 00:10:20,880
and we packed my car got full tank of

256
00:10:25,750 --> 00:10:22,320
gas in my own 66

257
00:10:28,150 --> 00:10:25,760
chevy and we had it south

258
00:10:30,470 --> 00:10:28,160
and the uh there were a whole bunch of

259
00:10:31,829 --> 00:10:30,480
missteps i won't take time to go into

260
00:10:32,790 --> 00:10:31,839
them but i'll just give you a couple

261
00:10:37,350 --> 00:10:32,800
examples

262
00:10:40,550 --> 00:10:39,910
my camera bag with my camera equipment

263
00:10:55,990 --> 00:10:40,560

and

264

00:10:58,150 --> 00:10:56,000

inept i left the camera on the kitchen

265

00:11:00,310 --> 00:10:58,160

counter

266

00:11:01,990 --> 00:11:00,320

which i mean toby brought his camera so

267

00:11:03,430 --> 00:11:02,000

it wasn't like we didn't have one it's

268

00:11:04,790 --> 00:11:03,440

just i didn't have mine

269

00:11:08,550 --> 00:11:04,800

and that was kind of the purpose of the

270

00:11:10,069 --> 00:11:08,560

exercise i wanted to photograph eagles

271

00:11:10,949 --> 00:11:10,079

so on the way down toby says you know

272

00:11:12,310 --> 00:11:10,959

we're not going to stay in the

273

00:11:14,790 --> 00:11:12,320

campground

274

00:11:15,590 --> 00:11:14,800

and i said well why would we not stay in

275

00:11:17,350 --> 00:11:15,600

the campground

276

00:11:20,069 --> 00:11:17,360

you know why we why would we not want

277

00:11:21,910 --> 00:11:20,079

hot showers and running electricity

278

00:11:23,269 --> 00:11:21,920

and he's like no think about it man if

279

00:11:25,030 --> 00:11:23,279

if if we're there

280

00:11:26,710 --> 00:11:25,040

in a campsite we're gonna have campers

281

00:11:27,430 --> 00:11:26,720

to the right of us campers to the left

282

00:11:28,870 --> 00:11:27,440

of us

283

00:11:30,550 --> 00:11:28,880

we're gonna have our little tent they're

284

00:11:33,190 --> 00:11:30,560

gonna have their you know demon

285

00:11:34,790 --> 00:11:33,200

sea children running all over the place

286

00:11:37,350 --> 00:11:34,800

and um

287

00:11:38,949 --> 00:11:37,360

you know i the light pollution is gonna

288

00:11:40,310 --> 00:11:38,959

prevent me from getting a decent view of

289

00:11:41,590 --> 00:11:40,320

the night sky

290

00:11:43,590 --> 00:11:41,600

and he says what are you going to take

291

00:11:46,710 --> 00:11:43,600

pictures of you know and

292

00:11:49,190 --> 00:11:46,720

i said yeah i guess you're right

293

00:11:49,990 --> 00:11:49,200

so we made a decision there's a area

294

00:11:53,590 --> 00:11:50,000

that that's

295

00:11:56,150 --> 00:11:53,600

um kind of uh

296

00:11:57,670 --> 00:11:56,160

segregated from the park we thought it

297

00:11:59,509 --> 00:11:57,680

was a nature preserve

298

00:12:00,870 --> 00:11:59,519

uh because there was a sign across the

299

00:12:03,269 --> 00:12:00,880

road that says you know

300

00:12:05,190 --> 00:12:03,279

very sternly worded sign across the road

301
00:12:07,030 --> 00:12:05,200
that says keep out do not enter

302
00:12:08,230 --> 00:12:07,040
no hunting hiking fishing shooting

303
00:12:11,910 --> 00:12:08,240
whatever

304
00:12:14,550 --> 00:12:11,920
and um we pulled up to that chain

305
00:12:16,150 --> 00:12:14,560
uh we've been on pavement then degraded

306
00:12:17,350 --> 00:12:16,160
to gravel and finally we're on a dirt

307
00:12:20,389 --> 00:12:17,360
road

308
00:12:21,269 --> 00:12:20,399
and uh i said i guess we'll turn around

309
00:12:23,509 --> 00:12:21,279
my buddy says no

310
00:12:25,190 --> 00:12:23,519
hang on he hopped out of the car and

311
00:12:26,710 --> 00:12:25,200
what the rangers had done is i guess we

312
00:12:28,069 --> 00:12:26,720
were too lazy to use the lock and key

313
00:12:31,750 --> 00:12:28,079

they'd taken a padlock

314

00:12:34,310 --> 00:12:31,760

and locked the uh the chain

315

00:12:35,910 --> 00:12:34,320

around itself to form a loop and then

316

00:12:37,590 --> 00:12:35,920

just draped it over a nail on the

317

00:12:39,430 --> 00:12:37,600

opposite post

318

00:12:41,110 --> 00:12:39,440

so all toby had to do is get up and lift

319

00:12:41,670 --> 00:12:41,120

up the chain drop it just out of the

320

00:12:44,949 --> 00:12:41,680

ground

321

00:12:48,150 --> 00:12:44,959

and we're like cool and uh

322

00:12:50,069 --> 00:12:48,160

and we and we rolled in and we uh

323

00:12:50,949 --> 00:12:50,079

i mean i knew we were trespassing but i

324

00:12:51,509 --> 00:12:50,959

thought you know what's the worst

325

00:12:53,670 --> 00:12:51,519

they're going to do

326

00:12:55,829 --> 00:12:53,680

is throw us out i mean it's not not the

327

00:12:57,750 --> 00:12:55,839

crime of the century

328

00:12:58,949 --> 00:12:57,760

what we didn't know was the land that we

329

00:13:03,670 --> 00:12:58,959

were on uh

330

00:13:07,750 --> 00:13:05,990

and i can't find out who manages the the

331

00:13:09,829 --> 00:13:07,760

best answer i get is the bureau of land

332

00:13:13,350 --> 00:13:09,839

management but that's kind of

333

00:13:16,230 --> 00:13:13,360

not really clear um

334

00:13:17,750 --> 00:13:16,240

the there's a high plateau i think it

335

00:13:22,629 --> 00:13:17,760

sent you a photograph of it

336

00:13:25,750 --> 00:13:22,639

yes there's a high plateau um

337

00:13:27,910 --> 00:13:25,760

out in the middle of nowhere remote area

338

00:13:29,350 --> 00:13:27,920

uh you can see some like farm buildings

339

00:13:30,870 --> 00:13:29,360

are

340

00:13:33,829 --> 00:13:30,880

you know like maybe where they keep

341

00:13:36,629 --> 00:13:33,839

tractors and stuff

342

00:13:38,150 --> 00:13:36,639

but it's still back in 77 it was much

343

00:13:41,350 --> 00:13:38,160

very very remote

344

00:13:43,990 --> 00:13:41,360

and uh we drove in and

345

00:13:45,430 --> 00:13:44,000

uh you know through some lucky

346

00:13:48,470 --> 00:13:45,440

navigating found

347

00:13:50,389 --> 00:13:48,480

a way up this uh plateau and it was a

348

00:13:53,030 --> 00:13:50,399

steep plateau

349

00:13:54,629 --> 00:13:53,040

and we went up the hill and now we

350

00:13:57,670 --> 00:13:54,639

crested the hill

351

00:14:00,150 --> 00:13:57,680

and there was this beautiful metal uh

352

00:14:01,750 --> 00:14:00,160

full of like great blooming wildflowers

353

00:14:05,750 --> 00:14:01,760

and

354

00:14:08,790 --> 00:14:05,760

high enough

355

00:14:10,470 --> 00:14:08,800

that we had a view of the treetops

356

00:14:12,389 --> 00:14:10,480

which i thought you know i used toby's

357

00:14:14,389 --> 00:14:12,399

camera but uh you know maybe i get some

358

00:14:17,509 --> 00:14:14,399

nice photographs of eagles

359

00:14:18,949 --> 00:14:17,519

so uh yeah we were on top of the world

360

00:14:21,670 --> 00:14:18,959

we uh we

361

00:14:22,870 --> 00:14:21,680

thought this was great and uh we set up

362

00:14:24,629 --> 00:14:22,880

our camp

363

00:14:26,150 --> 00:14:24,639

and we did uh even though we were

364

00:14:28,629 --> 00:14:26,160

novices we did all the

365

00:14:29,189 --> 00:14:28,639

the fun stuff you do when you camp you

366

00:14:32,870 --> 00:14:29,199

know

367

00:14:36,550 --> 00:14:32,880

made a bonfire and cooked hot dogs and

368

00:14:37,430 --> 00:14:36,560

uh after we we were kicked back on these

369

00:14:39,910 --> 00:14:37,440

we had our tent

370

00:14:41,110 --> 00:14:39,920

set up in back of us we were off set we

371

00:14:41,750 --> 00:14:41,120

weren't in the middle of the meadow we

372

00:14:44,790 --> 00:14:41,760

were near

373

00:14:46,550 --> 00:14:44,800

the tree line and uh

374

00:14:48,790 --> 00:14:46,560

tent was in back of us and then we had

375

00:14:50,870 --> 00:14:48,800

our campfire that separated we had two

376

00:14:52,870 --> 00:14:50,880

air mattresses one each one a piece

377

00:14:54,870 --> 00:14:52,880

and we were separated by about eight

378

00:14:57,590 --> 00:14:54,880

feet maybe

379

00:14:58,069 --> 00:14:57,600

put the fire in the middle uh and it was

380

00:14:59,670 --> 00:14:58,079

pleasant

381

00:15:01,990 --> 00:14:59,680

it was night time it had cooled down

382

00:15:04,949 --> 00:15:02,000

some there was a nice breeze

383

00:15:06,310 --> 00:15:04,959

and um there came a roll in our

384

00:15:09,430 --> 00:15:06,320

conversation

385

00:15:11,189 --> 00:15:09,440

and it got quiet and i

386

00:15:12,949 --> 00:15:11,199

and it sounds cliché i mean i almost

387

00:15:14,069 --> 00:15:12,959

want to apologize for saying it but it's

388

00:15:17,110 --> 00:15:14,079

true

389

00:15:19,030 --> 00:15:17,120

um all the all the noises

390

00:15:21,509 --> 00:15:19,040

of the forest the crickets the tree

391

00:15:25,509 --> 00:15:21,519

frogs all the stuff out there that

392

00:15:27,910 --> 00:15:25,519

chirps at night went silent

393

00:15:29,670 --> 00:15:27,920

and not only that but the breeze stopped

394

00:15:30,389 --> 00:15:29,680

i thought that was odd that those two

395

00:15:32,870 --> 00:15:30,399

events

396

00:15:35,509 --> 00:15:32,880

happened in concert the breeze stopped

397

00:15:37,189 --> 00:15:35,519

and the insects stopped

398

00:15:38,949 --> 00:15:37,199

and you know i asked my friend is toby

399

00:15:39,590 --> 00:15:38,959

is this normal man you know like he's

400

00:15:42,949 --> 00:15:39,600

gonna know

401
00:15:44,310 --> 00:15:42,959
you know and uh he says yeah he says

402
00:15:45,910 --> 00:15:44,320
listen you know we've been laughing and

403
00:15:48,310 --> 00:15:45,920
cutting up they'll be back you just wait

404
00:15:51,110 --> 00:15:48,320
they'll be back

405
00:15:52,470 --> 00:15:51,120
and uh i was unnerved and honestly had i

406
00:15:55,590 --> 00:15:52,480
been there by myself

407
00:15:57,749 --> 00:15:55,600
i'd have left the place

408
00:16:00,150 --> 00:15:57,759
but i didn't i i tried to put it out of

409
00:16:03,350 --> 00:16:00,160
my mind

410
00:16:04,949 --> 00:16:03,360
and we're chatting again and toby has

411
00:16:08,389 --> 00:16:04,959
his head turned to the left

412
00:16:10,550 --> 00:16:08,399
looking at and something about to ask

413
00:16:13,829 --> 00:16:10,560

him hey man what are you looking at

414

00:16:15,829 --> 00:16:13,839

when uh he asked me hey terry were those

415

00:16:17,110 --> 00:16:15,839

lights there before

416

00:16:18,870 --> 00:16:17,120

and i'm like what lines what are you

417

00:16:21,670 --> 00:16:18,880

talking i can't see them because his

418

00:16:24,470 --> 00:16:21,680

torso is in the way

419

00:16:25,829 --> 00:16:24,480

so i kind of stand up and take a step

420

00:16:27,350 --> 00:16:25,839

back and then i can see them they're

421

00:16:28,550 --> 00:16:27,360

right on the horizon

422

00:16:30,470 --> 00:16:28,560

but they're they're kind of off the

423

00:16:32,069 --> 00:16:30,480

horizon above the horizon they're too

424

00:16:33,350 --> 00:16:32,079

high up in the air to be like lights

425

00:16:35,670 --> 00:16:33,360

from a train or a

426

00:16:38,230 --> 00:16:35,680

parking lot or something i mean plus we

427

00:16:42,069 --> 00:16:38,240

were in the middle of nowhere

428

00:16:43,670 --> 00:16:42,079

and um these three

429

00:16:45,350 --> 00:16:43,680

these three points of light were in a

430

00:16:47,749 --> 00:16:45,360

tight little triangle

431

00:16:48,550 --> 00:16:47,759

each point being about as bright as the

432

00:16:50,310 --> 00:16:48,560

uh knight

433

00:16:52,870 --> 00:16:50,320

as the north star so they were very

434

00:16:53,910 --> 00:16:52,880

bright and they just looked unnatural

435

00:16:55,509 --> 00:16:53,920

there

436

00:16:57,269 --> 00:16:55,519

and i asked toby i said man you're the

437

00:16:59,670 --> 00:16:57,279

amateur astronomer you know i mean he

438

00:17:02,150 --> 00:16:59,680

could point out constellations

439

00:17:03,189 --> 00:17:02,160

and uh you know that that was that was

440

00:17:05,590 --> 00:17:03,199

going to be

441

00:17:07,669 --> 00:17:05,600

his occupation he wanted to be a an

442

00:17:09,429 --> 00:17:07,679

astronomer

443

00:17:11,110 --> 00:17:09,439

he says i don't know he says that that's

444

00:17:13,990 --> 00:17:11,120

artificial

445

00:17:15,750 --> 00:17:14,000

i said well you think that's in our

446

00:17:17,750 --> 00:17:15,760

atmosphere or do you think that's out in

447

00:17:19,510 --> 00:17:17,760

space

448

00:17:22,949 --> 00:17:19,520

and he says i don't know i got no way to

449

00:17:26,150 --> 00:17:22,959

tell if it's out of space it's big

450

00:17:28,390 --> 00:17:26,160

so since he said that um

451

00:17:31,430 --> 00:17:28,400

these things moved and what they did was

452

00:17:34,470 --> 00:17:31,440

they rotated about 320 degrees

453

00:17:36,070 --> 00:17:34,480

almost almost a full circle and it

454

00:17:39,510 --> 00:17:36,080

aligned itself with the base

455

00:17:42,789 --> 00:17:39,520

of the triangle parallel with the

456

00:17:45,029 --> 00:17:42,799

horizon with the apex with triangle then

457

00:17:47,029 --> 00:17:45,039

pointing up

458

00:17:48,150 --> 00:17:47,039

and uh we were pretty impressed with

459

00:17:51,430 --> 00:17:48,160

that

460

00:17:53,909 --> 00:17:51,440

and um but then um

461

00:17:55,990 --> 00:17:53,919

things felt weird you know uh there was

462

00:17:58,070 --> 00:17:56,000

very little conversation between the two

463

00:18:01,669 --> 00:17:58,080

of us

464

00:18:03,990 --> 00:18:01,679

and as we watched this thing

465

00:18:06,870 --> 00:18:04,000

started to ascend and started to go

466

00:18:08,549 --> 00:18:06,880

straight up into the air

467

00:18:09,750 --> 00:18:08,559

and we didn't think it was coming in our

468

00:18:10,630 --> 00:18:09,760

direction it just looked like it was

469

00:18:13,190 --> 00:18:10,640

going

470

00:18:14,390 --> 00:18:13,200

up and it rose till it reached an

471

00:18:16,150 --> 00:18:14,400

altitude

472

00:18:18,310 --> 00:18:16,160

i don't you know at the time i couldn't

473

00:18:19,510 --> 00:18:18,320

tell you how high it was i didn't know

474

00:18:22,870 --> 00:18:19,520

the size of the craft

475

00:18:25,909 --> 00:18:22,880

uh you know it's dark i don't know

476
00:18:27,590 --> 00:18:25,919
um but i'll say this that night there

477
00:18:27,990 --> 00:18:27,600
were a trillion stars out there really

478
00:18:30,230 --> 00:18:28,000
were

479
00:18:33,990 --> 00:18:30,240
and there was ambient starlight the sky

480
00:18:37,270 --> 00:18:34,000
was was actually blue it wasn't black

481
00:18:37,669 --> 00:18:37,280
and as this thing rose we could see that

482
00:18:43,510 --> 00:18:37,679
the

483
00:18:45,830 --> 00:18:43,520
and also did some

484
00:18:47,830 --> 00:18:45,840
odd maneuvers it did this tumbling light

485
00:18:51,029 --> 00:18:47,840
thing where it would turn

486
00:18:51,830 --> 00:18:51,039
uh you know point over the base point

487
00:18:55,029 --> 00:18:51,840
over the base

488
00:18:57,029 --> 00:18:55,039

and kind of like in this tumbling motion

489

00:18:59,590 --> 00:18:57,039

and i remember i had the thought that

490

00:19:01,190 --> 00:18:59,600

this thing's moving with purpose

491

00:19:02,549 --> 00:19:01,200

it's not just out of control i don't

492

00:19:03,029 --> 00:19:02,559

know where that thought came from but

493

00:19:06,549 --> 00:19:03,039

that's

494

00:19:13,110 --> 00:19:09,990

and as we're watching on its

495

00:19:14,630 --> 00:19:13,120

descent starts to get bigger and the

496

00:19:16,789 --> 00:19:14,640

points of light

497

00:19:17,750 --> 00:19:16,799

expand i mean they're always equidistant

498

00:19:20,310 --> 00:19:17,760

to one another

499

00:19:21,110 --> 00:19:20,320

uh this thing is you know it's not three

500

00:19:23,350 --> 00:19:21,120

independent

501
00:19:24,870 --> 00:19:23,360
lights operating in concert it's one

502
00:19:26,549 --> 00:19:24,880
solid object

503
00:19:28,230 --> 00:19:26,559
i mean when it passed over a field of

504
00:19:30,390 --> 00:19:28,240
stars they would black out

505
00:19:33,430 --> 00:19:30,400
until they had until it had moved past

506
00:19:38,230 --> 00:19:33,440
and they would link back on

507
00:19:41,590 --> 00:19:38,240
so i felt this weird um

508
00:19:43,990 --> 00:19:41,600
sense of calm washed over me and again i

509
00:19:46,070 --> 00:19:44,000
had no idea where that came from

510
00:19:47,909 --> 00:19:46,080
uh but my my buddy must have been saying

511
00:19:50,710 --> 00:19:47,919
the same thing i think the only

512
00:19:52,230 --> 00:19:50,720
the only words said between us during

513
00:19:52,870 --> 00:19:52,240

this whole thing that we were watching

514

00:19:56,230 --> 00:19:52,880

was

515

00:19:57,750 --> 00:19:56,240

toby said it's really moving now

516

00:20:00,150 --> 00:19:57,760

uh and that's the only thing i remember

517

00:20:03,750 --> 00:20:00,160

and i don't think i answered them

518

00:20:07,430 --> 00:20:03,760

so we're watching and um

519

00:20:11,990 --> 00:20:07,440

we i was in a weird place it was um

520

00:20:14,710 --> 00:20:12,000

i i felt almost disinterested

521

00:20:16,310 --> 00:20:14,720

i mean not apathetic but i felt kind of

522

00:20:18,830 --> 00:20:16,320

removed from the situation

523

00:20:21,029 --> 00:20:18,840

more like i was an observer than a

524

00:20:25,190 --> 00:20:21,039

participant it was it was weird

525

00:20:27,190 --> 00:20:25,200

i don't know but somehow

526

00:20:29,669 --> 00:20:27,200

i believe that these things had control

527

00:20:31,669 --> 00:20:29,679

over us um

528

00:20:34,950 --> 00:20:31,679

you know toby's got a camera inside a

529

00:20:36,789 --> 00:20:34,960

bag a foot away from him you know i'm an

530

00:20:39,190 --> 00:20:36,799

amateur photographer at the time

531

00:20:41,110 --> 00:20:39,200

i photograph everything i should have

532

00:20:43,590 --> 00:20:41,120

been screaming atop my lungs get your

533

00:20:45,270 --> 00:20:43,600

camera out man take a picture of this

534

00:20:46,950 --> 00:20:45,280

and he did the thought of taking a

535

00:20:50,789 --> 00:20:46,960

picture of this thing never crossed

536

00:20:52,870 --> 00:20:50,799

our minds and that makes no sense

537

00:20:56,230 --> 00:20:52,880

and that shows that something was

538

00:21:01,350 --> 00:20:59,350

and this this sense of calm

539

00:21:04,549 --> 00:21:01,360

the sensation would rush over me and

540

00:21:10,310 --> 00:21:08,070

and finally this thing uh we saw it move

541

00:21:12,149 --> 00:21:10,320

across the tree line

542

00:21:14,390 --> 00:21:12,159

and it was at an altitude of just about

543

00:21:17,830 --> 00:21:14,400

three thousand feet

544

00:21:21,270 --> 00:21:17,840

and it stopped directly over

545

00:21:21,590 --> 00:21:21,280

the uh metal and it wasn't directly over

546

00:21:26,470 --> 00:21:21,600

us

547

00:21:28,470 --> 00:21:26,480

by the tree line

548

00:21:30,149 --> 00:21:28,480

and this thing was huge and we could see

549

00:21:31,669 --> 00:21:30,159

well we could only see two sides we

550

00:21:35,270 --> 00:21:31,679

could see the two points

551

00:21:37,750 --> 00:21:35,280

points on two sides um

552

00:21:39,270 --> 00:21:37,760

but this thing was five stories tall i

553

00:21:39,909 --> 00:21:39,280

mean it was like it was like a super

554

00:21:42,870 --> 00:21:39,919

walmart

555

00:21:43,990 --> 00:21:42,880

it was just absolutely enormous and to

556

00:21:45,590 --> 00:21:44,000

this day i don't understand

557

00:21:47,830 --> 00:21:45,600

why this thing wasn't seen in five

558

00:21:49,270 --> 00:21:47,840

counties i mean yeah i mean we were way

559

00:21:50,710 --> 00:21:49,280

out in the middle of the woods and there

560

00:21:53,909 --> 00:21:50,720

was nothing

561

00:21:54,870 --> 00:21:53,919

back in the day there but uh it just

562

00:21:56,630 --> 00:21:54,880

seems like

563

00:21:57,990 --> 00:21:56,640

you know the campers at the campsite a

564

00:21:59,909 --> 00:21:58,000

couple miles away couldn't see

565

00:22:01,909 --> 00:21:59,919

this or didn't see this or if they did

566

00:22:05,590 --> 00:22:01,919

see it they disregarded it i don't know

567

00:22:10,149 --> 00:22:05,600

i don't know what the answer is so

568

00:22:11,669 --> 00:22:10,159

while we're uh while we're waiting

569

00:22:13,029 --> 00:22:11,679

we're just laying back on this thing it

570

00:22:14,230 --> 00:22:13,039

was kind of cool who was kind of

571

00:22:18,149 --> 00:22:14,240

watching this thing

572

00:22:19,590 --> 00:22:18,159

um waiting to see what's going to happen

573

00:22:22,310 --> 00:22:19,600

and from the center of this thing there

574

00:22:25,990 --> 00:22:22,320

came a light um

575

00:22:27,909 --> 00:22:26,000

and it was a white light it was about

576

00:22:29,590 --> 00:22:27,919

you know what a search fight is like

577

00:22:32,390 --> 00:22:29,600

when it cuts through heavy fog

578

00:22:33,750 --> 00:22:32,400

you can see a column of white light

579

00:22:37,350 --> 00:22:33,760

that's what this was like

580

00:22:39,110 --> 00:22:37,360

but there was no fog and this uh

581

00:22:40,870 --> 00:22:39,120

this white light was about the diameter

582

00:22:43,270 --> 00:22:40,880

of a football

583

00:22:44,950 --> 00:22:43,280

and it just boom like someone hit a

584

00:22:46,549 --> 00:22:44,960

switch turned on

585

00:22:48,950 --> 00:22:46,559

and landed right square in the middle of

586

00:22:51,669 --> 00:22:48,960

our campfire

587

00:22:52,149 --> 00:22:51,679

and stayed lit there for maybe 60

588

00:22:55,270 --> 00:22:52,159

seconds

589

00:22:58,870 --> 00:22:55,280

probably less and as soon as

590

00:23:00,070 --> 00:22:58,880

it turned off then from the same spot

591

00:23:02,549 --> 00:23:00,080

in the middle of the craft and

592

00:23:03,110 --> 00:23:02,559

underneath there came a laser beam and i

593

00:23:06,549 --> 00:23:03,120

had no

594

00:23:11,909 --> 00:23:06,559

this was 1977 i had only seen lasers

595

00:23:17,590 --> 00:23:15,590

kind of uh should have been exciting

596

00:23:19,110 --> 00:23:17,600

but again i was just kind of in observer

597

00:23:21,830 --> 00:23:19,120

mode

598

00:23:22,549 --> 00:23:21,840

and it would land in our this purplish

599

00:23:25,510 --> 00:23:22,559

blue light

600

00:23:27,430 --> 00:23:25,520

buff diameter of a pencil would land in

601
00:23:29,909 --> 00:23:27,440
a spot for a second

602
00:23:32,070 --> 00:23:29,919
and then reappear in another spot and

603
00:23:34,470 --> 00:23:32,080
then reappear in another spot

604
00:23:35,110 --> 00:23:34,480
so it gave the illusion that this this

605
00:23:37,669 --> 00:23:35,120
blue

606
00:23:40,149 --> 00:23:37,679
bluish purple light was dancing all over

607
00:23:41,750 --> 00:23:40,159
our campsite

608
00:23:43,590 --> 00:23:41,760
and it you know it struck me in the

609
00:23:45,029 --> 00:23:43,600
chest a couple times i didn't feel a

610
00:23:48,070 --> 00:23:45,039
thing

611
00:23:50,390 --> 00:23:48,080
um and i had the thought

612
00:23:51,350 --> 00:23:50,400
this thing's checking us out i mean it's

613
00:23:55,510 --> 00:23:51,360

scanning us

614

00:23:56,789 --> 00:23:55,520

it's checking us out um

615

00:23:59,269 --> 00:23:56,799

and i don't know where that came from

616

00:24:00,070 --> 00:23:59,279

but i think that's true so that lasted

617

00:24:02,830 --> 00:24:00,080

just a bit

618

00:24:05,669 --> 00:24:02,840

maybe three minutes and then that turned

619

00:24:08,789 --> 00:24:05,679

off and as soon as that turned off

620

00:24:13,269 --> 00:24:08,799

um this calm sensation that i had

621

00:24:16,710 --> 00:24:13,279

morphed into a flat out sedation

622

00:24:17,909 --> 00:24:16,720

all i wanted to do was go to bed i just

623

00:24:18,549 --> 00:24:17,919

wanted to get in the tent and go to

624

00:24:21,190 --> 00:24:18,559

sleep

625

00:24:22,310 --> 00:24:21,200

and my my buddy stood up and he said

626

00:24:24,230 --> 00:24:22,320

show's over

627

00:24:26,310 --> 00:24:24,240

and that's all he said he grabbed his

628

00:24:26,710 --> 00:24:26,320

air mattress and he walked over to the

629

00:24:30,070 --> 00:24:26,720

tent

630

00:24:33,029 --> 00:24:30,080

and kind of tossed it in and i followed

631

00:24:35,190 --> 00:24:33,039

suit and i tossed it in

632

00:24:37,510 --> 00:24:35,200

and uh the last thing that i remember

633

00:24:39,350 --> 00:24:37,520

was that it was still silent that the

634

00:24:40,950 --> 00:24:39,360

crickets and tree frogs never did come

635

00:24:43,830 --> 00:24:40,960

back

636

00:24:45,590 --> 00:24:43,840

and i laid down on that pillow and i was

637

00:24:46,470 --> 00:24:45,600

out i didn't undress didn't take my

638

00:24:48,630 --> 00:24:46,480

boots off

639

00:24:50,390 --> 00:24:48,640

nothing i just kicked back on the

640

00:24:53,430 --> 00:24:50,400

ceiling mattress and i was asleep the

641

00:24:56,390 --> 00:24:53,440

second my head hit that pillow

642

00:24:58,070 --> 00:24:56,400

and uh you know i don't know how long we

643

00:25:01,669 --> 00:24:58,080

were out we can't tell

644

00:25:04,710 --> 00:25:01,679

both of our watches we uh as emts

645

00:25:07,110 --> 00:25:04,720

you know a watch is kind of

646

00:25:09,830 --> 00:25:07,120

part of the uh of the equipment it's

647

00:25:12,149 --> 00:25:09,840

it's a necessary object

648

00:25:13,990 --> 00:25:12,159

and we both wore good wind-up mechanical

649

00:25:16,470 --> 00:25:14,000

watches which

650

00:25:17,750 --> 00:25:16,480

was common in 1977 you know there were

651
00:25:21,909 --> 00:25:17,760
no batteries

652
00:25:23,990 --> 00:25:21,919
very few at least if any um

653
00:25:26,830 --> 00:25:24,000
both of our watches stopped mine stopped

654
00:25:28,950 --> 00:25:26,840
at 2 40 on the nose totally stopped at 2

655
00:25:32,230 --> 00:25:28,960
42.

656
00:25:35,510 --> 00:25:32,240
both of those watches never ran again

657
00:25:38,149 --> 00:25:35,520
i had an elgin that was less than a year

658
00:25:40,830 --> 00:25:38,159
old i sent it back to the manufacturer

659
00:25:43,190 --> 00:25:40,840
they sent it back to me and said that

660
00:25:46,230 --> 00:25:43,200
the [h__\h] saved that letter

661
00:25:49,110 --> 00:25:46,240
i they sent me a letter back and said

662
00:25:49,510 --> 00:25:49,120
you avoided the warranty by subjecting

663
00:25:52,950 --> 00:25:49,520

the

664

00:25:56,310 --> 00:25:52,960

watch to a strong

665

00:25:59,590 --> 00:25:56,320

magnetic field

666

00:26:01,909 --> 00:25:59,600

wow and i'm like what well i guess i

667

00:26:04,549 --> 00:26:01,919

know where that came from but

668

00:26:05,990 --> 00:26:04,559

yeah uh and just as a side note i

669

00:26:08,470 --> 00:26:06,000

couldn't wear a watch

670

00:26:10,549 --> 00:26:08,480

for a year you know the tobacco i mean

671

00:26:12,390 --> 00:26:10,559

if i bought i bought another wristwatch

672

00:26:13,990 --> 00:26:12,400

it ran for less than 30 days then it

673

00:26:17,110 --> 00:26:14,000

stopped

674

00:26:20,470 --> 00:26:17,120

um so we had trouble

675

00:26:22,950 --> 00:26:20,480

trouble with our watches for a year

676

00:26:23,510 --> 00:26:22,960

i ended up buying a three dollar pocket

677

00:26:27,909 --> 00:26:23,520

watch

678

00:26:32,070 --> 00:26:30,630

so we were out i mean we were out cold i

679

00:26:35,909 --> 00:26:32,080

don't know how long we were out

680

00:26:37,350 --> 00:26:35,919

we estimate about five to six hours

681

00:26:39,430 --> 00:26:37,360

based on the time that we saw the

682

00:26:42,390 --> 00:26:39,440

sunlight

683

00:26:44,310 --> 00:26:42,400

i woke up because there were lights

684

00:26:48,630 --> 00:26:44,320

flashing through the tent

685

00:26:50,549 --> 00:26:48,640

and they were yellow and white um

686

00:26:51,990 --> 00:26:50,559

and these lights were so bright they

687

00:26:54,549 --> 00:26:52,000

would light up the inside of that

688

00:26:55,590 --> 00:26:54,559

tent i mean like a ballpark at night you

689

00:26:57,750 --> 00:26:55,600

know it's like

690

00:27:00,630 --> 00:26:57,760

a light bulb look like a flash bulb from

691

00:27:02,070 --> 00:27:00,640

the 60s going off you know the kind that

692

00:27:03,669 --> 00:27:02,080

would make you see a blue dot in front

693

00:27:04,070 --> 00:27:03,679

of your eyes every time you blink for an

694

00:27:07,190 --> 00:27:04,080

hour

695

00:27:09,110 --> 00:27:07,200

i mean it was just incredibly bright

696

00:27:11,269 --> 00:27:09,120

and i'm kind of out of it you know i

697

00:27:13,430 --> 00:27:11,279

don't have my wits about me and i'm like

698

00:27:16,470 --> 00:27:13,440

where am i oh yeah we're camping i'm

699

00:27:19,110 --> 00:27:16,480

here with toby and we're camping

700

00:27:19,990 --> 00:27:19,120

and i thought these lights i reasoned

701
00:27:22,310 --> 00:27:20,000
that they must be

702
00:27:23,510 --> 00:27:22,320
the overhead flashing lights of like a

703
00:27:26,549 --> 00:27:23,520
park rangers truck

704
00:27:28,310 --> 00:27:26,559
there to kick us out uh that was the

705
00:27:29,029 --> 00:27:28,320
only logical explanation i could think

706
00:27:31,909 --> 00:27:29,039
of

707
00:27:32,710 --> 00:27:31,919
yeah and i sat up as soon as i set up i

708
00:27:35,909 --> 00:27:32,720
realized i

709
00:27:39,110 --> 00:27:35,919
i was in pain i had joint pain

710
00:27:41,269 --> 00:27:39,120
and i looked down at my boots

711
00:27:43,269 --> 00:27:41,279
and my boots were undone almost all the

712
00:27:45,430 --> 00:27:43,279
way down

713
00:27:46,470 --> 00:27:45,440

and i thought what the heck because i

714

00:27:48,389 --> 00:27:46,480

knew they were i knew

715

00:27:50,470 --> 00:27:48,399

they were fully laced when i when i went

716

00:27:53,510 --> 00:27:50,480

to sleep

717

00:27:55,110 --> 00:27:53,520

and i took off a boot and my sock was on

718

00:27:56,310 --> 00:27:55,120

sideways

719

00:27:57,510 --> 00:27:56,320

now you know one of the things they

720

00:27:58,549 --> 00:27:57,520

teach you in the military is to take

721

00:28:01,110 --> 00:27:58,559

care of your feet

722

00:28:01,990 --> 00:28:01,120

i mean if you can't walk somebody's got

723

00:28:04,789 --> 00:28:02,000

to carry you

724

00:28:05,669 --> 00:28:04,799

and that takes two people you know out

725

00:28:07,750 --> 00:28:05,679

of action

726

00:28:09,510 --> 00:28:07,760

so you got to take care of your feet and

727

00:28:12,149 --> 00:28:09,520

i do to this day

728

00:28:13,990 --> 00:28:12,159

so i would never do that so that that

729

00:28:16,230 --> 00:28:14,000

confused me

730

00:28:17,590 --> 00:28:16,240

but i'm still not scared i'm still

731

00:28:18,630 --> 00:28:17,600

thinking they're park rangers out there

732

00:28:20,470 --> 00:28:18,640

so i put on my

733

00:28:22,549 --> 00:28:20,480

time i put my socks and boots back on

734

00:28:24,470 --> 00:28:22,559

lace them up turned my attention to the

735

00:28:25,190 --> 00:28:24,480

left and his toe be peering out of the

736

00:28:27,269 --> 00:28:25,200

tent

737

00:28:29,669 --> 00:28:27,279

of the flat his flat the flap on his

738

00:28:32,710 --> 00:28:29,679

side of the tent

739

00:28:36,230 --> 00:28:32,720

um toby was african-american he

740

00:28:38,630 --> 00:28:36,240

had dark skin and there were two tracks

741

00:28:41,190 --> 00:28:38,640

down the right side of his face

742

00:28:42,070 --> 00:28:41,200

and in contrast with that bright white

743

00:28:45,590 --> 00:28:42,080

light

744

00:28:48,710 --> 00:28:45,600

um that tear truck kind of lit up

745

00:28:52,870 --> 00:28:48,720

so i could see he was crying or at least

746

00:28:54,630 --> 00:28:52,880

had been crying and that scared me

747

00:28:58,070 --> 00:28:54,640

and i'm like toby what's out there man

748

00:28:59,830 --> 00:28:58,080

it's park rangers who's out there

749

00:29:01,430 --> 00:28:59,840

and he puts his finger up to his lips

750

00:29:05,430 --> 00:29:01,440

kind of in the universal

751
00:29:08,149 --> 00:29:05,440
you know be quiet thing and uh

752
00:29:09,510 --> 00:29:08,159
he says be quiet i think they're still

753
00:29:11,029 --> 00:29:09,520
out there

754
00:29:12,310 --> 00:29:11,039
and you know i could tell from i could

755
00:29:14,149 --> 00:29:12,320
tell from the look on his face i've

756
00:29:15,590 --> 00:29:14,159
worked with this man for three years

757
00:29:18,470 --> 00:29:15,600
and i could tell if you look on his face

758
00:29:22,310 --> 00:29:21,350
so i opened the flap of my tent and i

759
00:29:25,830 --> 00:29:22,320
looked out

760
00:29:27,110 --> 00:29:25,840
and i saw two things that this craft

761
00:29:30,389 --> 00:29:27,120
that had been

762
00:29:33,990 --> 00:29:30,399
3 000 feet above us when we went to bed

763
00:29:37,029 --> 00:29:34,000

had descended and it's now just 30 feet

764

00:29:39,269 --> 00:29:37,039

over that metal um very close

765

00:29:41,029 --> 00:29:39,279

i'm so glad we were offset from it not

766

00:29:42,470 --> 00:29:41,039

underneath it

767

00:29:45,669 --> 00:29:42,480

but it was it was incredibly

768

00:29:47,190 --> 00:29:45,679

intimidating because of its signs

769

00:29:49,190 --> 00:29:47,200

and the mere fact that it was just

770

00:29:52,710 --> 00:29:49,200

levitated off the ground

771

00:29:55,750 --> 00:29:52,720

was spooky the second thing i noticed

772

00:29:58,310 --> 00:29:55,760

was um the lights

773

00:29:59,430 --> 00:29:58,320

on the points of the triangle had dimmed

774

00:30:00,789 --> 00:29:59,440

somewhat

775

00:30:04,149 --> 00:30:00,799

but they were still flashing

776

00:30:09,110 --> 00:30:07,269

and they gave us enough light between

777

00:30:11,909 --> 00:30:09,120

that the end of starlight we could kind

778

00:30:14,710 --> 00:30:11,919

of see what was going on in the meadow

779

00:30:15,590 --> 00:30:14,720

and we were a bit of a distance away but

780

00:30:17,590 --> 00:30:15,600

i saw

781

00:30:20,070 --> 00:30:17,600

12 to 15 of what i thought to be

782

00:30:23,190 --> 00:30:21,830

and i said totally man what are these

783

00:30:24,230 --> 00:30:23,200

kids doing out there in the middle of

784

00:30:27,990 --> 00:30:24,240

the night

785

00:30:30,389 --> 00:30:28,000

in the middle of nowhere and he said and

786

00:30:32,950 --> 00:30:30,399

i'll never forget this

787

00:30:33,590 --> 00:30:32,960

he said terry man those ain't no little

788

00:30:36,310 --> 00:30:33,600

kids

789

00:30:37,269 --> 00:30:36,320

look at them they're not human beings

790

00:30:39,990 --> 00:30:37,279

don't you remember

791

00:30:41,190 --> 00:30:40,000

they took us and they heard us and as

792

00:30:44,789 --> 00:30:41,200

soon as he said that

793

00:30:48,149 --> 00:30:44,799

i snapped out of whatever kind of uh

794

00:30:48,710 --> 00:30:48,159

sedation or influence i was under and i

795

00:30:53,830 --> 00:30:48,720

was just

796

00:30:58,310 --> 00:30:55,990

also when he said that as soon as he

797

00:31:01,590 --> 00:30:58,320

said that i had mental images

798

00:31:03,269 --> 00:31:01,600

of being inside that thing

799

00:31:05,110 --> 00:31:03,279

i want to be clear i don't never have

800

00:31:06,870 --> 00:31:05,120

had a clear linear memory

801
00:31:09,509 --> 00:31:06,880
of being inside the ship and everything

802
00:31:12,950 --> 00:31:09,519
that happened but i had this just these

803
00:31:14,389 --> 00:31:12,960
tiny vignettes of events um inside the

804
00:31:16,950 --> 00:31:14,399
thing

805
00:31:18,710 --> 00:31:16,960
um and those have been boasting yes

806
00:31:20,389 --> 00:31:18,720
those those

807
00:31:23,110 --> 00:31:20,399
have been the uh subject of my

808
00:31:26,470 --> 00:31:23,120
nightmares for 40 plus years

809
00:31:29,990 --> 00:31:26,480
and uh i only have you know two a year

810
00:31:31,909 --> 00:31:30,000
maybe three um you know we have we

811
00:31:33,590 --> 00:31:31,919
our children are adults now they're 40

812
00:31:35,350 --> 00:31:33,600
and 36

813
00:31:37,909 --> 00:31:35,360

you know and all they knew we never told

814

00:31:39,190 --> 00:31:37,919

our kids about this

815

00:31:40,950 --> 00:31:39,200

all they knew is that dad would have

816

00:31:42,950 --> 00:31:40,960

screaming nightmares you know once or

817

00:31:45,029 --> 00:31:42,960

twice a year

818

00:31:46,950 --> 00:31:45,039

and i'd have to get up and go and check

819

00:31:52,549 --> 00:31:46,960

the windows check the alarms

820

00:31:55,830 --> 00:31:54,310

so we're watching these little guys walk

821

00:31:57,669 --> 00:31:55,840

around this metal

822

00:31:59,190 --> 00:31:57,679

and we can tell they're not they're not

823

00:32:00,389 --> 00:31:59,200

like looking at the ground they're not

824

00:32:02,389 --> 00:32:00,399

looking for something they're just

825

00:32:05,190 --> 00:32:02,399

walking around like tourists

826
00:32:05,909 --> 00:32:05,200
and they had a bizarre gate they walked

827
00:32:10,630 --> 00:32:05,919
like they're

828
00:32:12,789 --> 00:32:10,640
hinged almost somewhat backward

829
00:32:14,630 --> 00:32:12,799
because when they walked their knee

830
00:32:15,750 --> 00:32:14,640
would move back and it gave them a real

831
00:32:18,789 --> 00:32:15,760
peculiar gait

832
00:32:22,470 --> 00:32:20,870
and i also when i look close could see

833
00:32:23,990 --> 00:32:22,480
that yeah they weren't human beings

834
00:32:25,509 --> 00:32:24,000
whatever they were they had large

835
00:32:28,549 --> 00:32:25,519
oversized heads

836
00:32:32,310 --> 00:32:28,559
um you know spindly and torsos

837
00:32:37,990 --> 00:32:35,430
so while we're watching them

838
00:32:40,310 --> 00:32:38,000

uh this lot another light came on from

839

00:32:42,470 --> 00:32:40,320

underneath this thing

840

00:32:44,149 --> 00:32:42,480

and it was about it was about i'm gonna

841

00:32:46,950 --> 00:32:44,159

say it's 30 feet in diameter

842

00:32:49,110 --> 00:32:46,960

because it's it's about the beam of

843

00:32:53,029 --> 00:32:49,120

light is about as wide

844

00:32:55,990 --> 00:32:53,039

as this thing is tall off of metal so

845

00:32:56,870 --> 00:32:56,000

30 feet up in the air and on a column of

846

00:33:01,750 --> 00:32:56,880

white light

847

00:33:04,950 --> 00:33:01,760

center of the thing

848

00:33:05,669 --> 00:33:04,960

and as soon as that does these little

849

00:33:10,549 --> 00:33:05,679

guys

850

00:33:12,870 --> 00:33:10,559

turn and start to walk toward the light

851
00:33:14,549 --> 00:33:12,880
so we're terrified we're absolutely

852
00:33:16,149 --> 00:33:14,559
scared out of our wits because we're not

853
00:33:18,070 --> 00:33:16,159
sure

854
00:33:19,430 --> 00:33:18,080
if if we sneeze are we going to draw

855
00:33:21,029 --> 00:33:19,440
their attention you know

856
00:33:23,990 --> 00:33:21,039
we're we're afraid of that we're afraid

857
00:33:25,909 --> 00:33:24,000
of these cats

858
00:33:28,149 --> 00:33:25,919
and they would walk into this light in

859
00:33:31,430 --> 00:33:28,159
twos and threes

860
00:33:34,230 --> 00:33:31,440
and just bash i mean

861
00:33:36,389 --> 00:33:34,240
like that like that 1960 star trek thing

862
00:33:37,110 --> 00:33:36,399
where they had a transponder transporter

863
00:33:38,950 --> 00:33:37,120

or something

864

00:33:40,710 --> 00:33:38,960

yeah or killed people standing up and

865

00:33:44,470 --> 00:33:40,720

then they would just dissolve in the

866

00:33:46,950 --> 00:33:44,480

pixelation that's what this was like

867

00:33:47,830 --> 00:33:46,960

and when the last two guys uh stepped

868

00:33:51,110 --> 00:33:47,840

into that light

869

00:33:52,950 --> 00:33:51,120

and dissolved that light

870

00:33:54,149 --> 00:33:52,960

off i mean like so again like someone

871

00:33:57,190 --> 00:33:54,159

put the switch it turned

872

00:34:01,110 --> 00:33:57,200

off and then immediately

873

00:34:04,070 --> 00:34:01,120

the um there had been a droning noise

874

00:34:06,870 --> 00:34:04,080

um that i forgot to mention that i

875

00:34:08,550 --> 00:34:06,880

noticed when i woke up matter of fact i

876

00:34:10,149 --> 00:34:08,560

i thought maybe this park range was

877

00:34:12,869 --> 00:34:10,159

running a generator in back of this

878

00:34:15,829 --> 00:34:12,879

truck which of course makes no sense

879

00:34:16,470 --> 00:34:15,839

um but by this time we had been come

880

00:34:19,510 --> 00:34:16,480

we've become

881

00:34:23,909 --> 00:34:19,520

accustomed to that noise i think

882

00:34:27,829 --> 00:34:23,919

and uh and that noise stopped

883

00:34:30,629 --> 00:34:27,839

and the uh as i said the lights

884

00:34:31,669 --> 00:34:30,639

on the point of the triangle change from

885

00:34:35,750 --> 00:34:31,679

multi-color

886

00:34:38,950 --> 00:34:35,760

and flashing to just all white

887

00:34:40,710 --> 00:34:38,960

and there was a um

888

00:34:43,589 --> 00:34:40,720

if you go to my website i have a hand

889

00:34:45,909 --> 00:34:43,599

drawing that i made of the thing

890

00:34:47,510 --> 00:34:45,919

there's what i call a light panel and it

891

00:34:50,069 --> 00:34:47,520

goes all the way up

892

00:34:52,149 --> 00:34:50,079

all the way up the apex all the way at

893

00:34:54,230 --> 00:34:52,159

the points of the triangle

894

00:34:55,270 --> 00:34:54,240

and there was a beam a bright light that

895

00:34:59,829 --> 00:34:55,280

would run up

896

00:35:01,270 --> 00:34:59,839

and down that uh that light bar

897

00:35:03,190 --> 00:35:01,280

and i thought yeah that's what makes it

898

00:35:05,190 --> 00:35:03,200

look like a twinkling star

899

00:35:06,950 --> 00:35:05,200

in the sky instead it's steady bright

900

00:35:11,430 --> 00:35:06,960

light it makes it look like a star

901
00:35:13,270 --> 00:35:11,440
it's a disguise and

902
00:35:15,270 --> 00:35:13,280
we watched this thing take off and it

903
00:35:17,430 --> 00:35:15,280
did not take off like a rocket ship it

904
00:35:20,550 --> 00:35:17,440
lifted off like a hot air balloon

905
00:35:22,470 --> 00:35:20,560
and it went straight up

906
00:35:23,589 --> 00:35:22,480
and we watched it until it was a single

907
00:35:26,390 --> 00:35:23,599
point of light

908
00:35:29,910 --> 00:35:26,400
and then you know three points of light

909
00:35:31,510 --> 00:35:29,920
and yeah it did twinkle in the sky

910
00:35:33,750 --> 00:35:31,520
and like i say one point a light and

911
00:35:36,870 --> 00:35:33,760
then it was gone further

912
00:35:37,589 --> 00:35:36,880
the higher it got the faster it moved so

913
00:35:39,829 --> 00:35:37,599

it's gone

914

00:35:42,150 --> 00:35:39,839

and toby and i are sitting there uh and

915

00:35:44,790 --> 00:35:42,160

we're still scared out of our wits

916

00:35:46,069 --> 00:35:44,800

and i know this sounds odd but you know

917

00:35:49,030 --> 00:35:46,079

i knew we had to

918

00:35:51,349 --> 00:35:49,040

get out of there um and all i had over

919

00:35:53,190 --> 00:35:51,359

my head was a piece of canvas

920

00:35:55,270 --> 00:35:53,200

but i felt that piece of canvas gave me

921

00:35:58,390 --> 00:35:55,280

cover you know i wasn't

922

00:35:59,990 --> 00:35:58,400

vulnerable i wasn't out in the open and

923

00:36:01,109 --> 00:36:00,000

the darts of the car we're gonna have to

924

00:36:03,670 --> 00:36:01,119

be in the open

925

00:36:05,670 --> 00:36:03,680

you know for the 20 yards or so to the

926

00:36:08,069 --> 00:36:05,680

car

927

00:36:09,270 --> 00:36:08,079

and uh toby's like man we just got to do

928

00:36:12,069 --> 00:36:09,280

this

929

00:36:13,670 --> 00:36:12,079

and i grabbed my wallet he grabbed his

930

00:36:17,829 --> 00:36:13,680

flashlight

931

00:36:19,750 --> 00:36:17,839

and uh we ran to the car knocked in

932

00:36:21,349 --> 00:36:19,760

hit the locks turned on the dome light

933

00:36:24,550 --> 00:36:21,359

checked under the seats

934

00:36:27,990 --> 00:36:24,560

make sure we were alone

935

00:36:30,069 --> 00:36:28,000

and uh i gotta tell you to this day uh

936

00:36:32,870 --> 00:36:30,079

i will not walk across an open space

937

00:36:34,950 --> 00:36:32,880

i'll walk a mile and a half around

938

00:36:38,950 --> 00:36:34,960

rather than cut across an open field

939

00:36:43,030 --> 00:36:42,550

and uh we drove as fast as we could

940

00:36:46,390 --> 00:36:43,040

north

941

00:36:47,589 --> 00:36:46,400

we got back to the base um

942

00:36:49,750 --> 00:36:47,599

something that's important i should

943

00:36:52,829 --> 00:36:49,760

mention too is uh

944

00:36:54,230 --> 00:36:52,839

this event changed us we were different

945

00:36:55,910 --> 00:36:54,240

people

946

00:36:57,510 --> 00:36:55,920

my wife would tell you we were different

947

00:36:59,670 --> 00:36:57,520

people than we were when we went down

948

00:37:03,589 --> 00:36:59,680

there we went down there as kids i think

949

00:37:05,349 --> 00:37:03,599

and we left there as as adults

950

00:37:10,390 --> 00:37:05,359

we were a lot more serious and a lot

951
00:37:14,710 --> 00:37:10,400
more um well we were just adults

952
00:37:17,510 --> 00:37:14,720
um but the weirdest thing was

953
00:37:19,270 --> 00:37:17,520
mike who this guy was he's my best

954
00:37:21,829 --> 00:37:19,280
friend my co-worker

955
00:37:22,470 --> 00:37:21,839
you know on our days off we play cards

956
00:37:25,349 --> 00:37:22,480
together

957
00:37:26,310 --> 00:37:25,359
we you know have a beer and barbecue and

958
00:37:28,790 --> 00:37:26,320
uh

959
00:37:30,230 --> 00:37:28,800
um we just had fun together we were just

960
00:37:33,190 --> 00:37:30,240
friends

961
00:37:35,030 --> 00:37:33,200
and suddenly i wanted nothing to do with

962
00:37:37,270 --> 00:37:35,040
the guy

963
00:37:39,910 --> 00:37:37,280

and i could not reconcile that emotion

964

00:37:41,829 --> 00:37:39,920

and i can't to this day

965

00:37:45,349 --> 00:37:41,839

but that's what i felt i felt like i did

966

00:37:47,750 --> 00:37:45,359

not want anything to do with this guy

967

00:37:49,430 --> 00:37:47,760

and i found out that that's not that

968

00:37:52,310 --> 00:37:49,440

uncommon

969

00:37:53,910 --> 00:37:52,320

i had uh since i put my my book out

970

00:37:57,030 --> 00:37:53,920

devil's thin

971

00:37:58,870 --> 00:37:57,040

uh i put an email address in the

972

00:38:00,710 --> 00:37:58,880

back of the book and said email if

973

00:38:03,349 --> 00:38:00,720

you've had an experience

974

00:38:07,030 --> 00:38:03,359

and i got over as a few days ago i

975

00:38:08,790 --> 00:38:07,040

cracked 1400 emails from people

976

00:38:10,470 --> 00:38:08,800

i get up every morning and return a

977

00:38:13,109 --> 00:38:10,480

couple emails from people i return

978

00:38:16,310 --> 00:38:13,119

everybody's email

979

00:38:17,430 --> 00:38:16,320

but i've got a core of about 600 maybe

980

00:38:20,230 --> 00:38:17,440

700

981

00:38:22,150 --> 00:38:20,240

stories they had this incredible threat

982

00:38:25,030 --> 00:38:22,160

of commonality through them

983

00:38:25,750 --> 00:38:25,040

uh you know two people witnessed

984

00:38:28,630 --> 00:38:25,760

something

985

00:38:30,150 --> 00:38:28,640

and they drift apart family members

986

00:38:32,710 --> 00:38:30,160

witness something

987

00:38:33,510 --> 00:38:32,720

and they don't talk about it won't talk

988

00:38:35,190 --> 00:38:33,520

about it

989

00:38:37,589 --> 00:38:35,200

years later somebody brings it up at a

990

00:38:39,750 --> 00:38:37,599

thanksgiving dinner and

991

00:38:41,910 --> 00:38:39,760

that was it then it was over everybody

992

00:38:44,470 --> 00:38:41,920

went home

993

00:38:47,270 --> 00:38:44,480

so it's not that it's not that unusual

994

00:38:49,670 --> 00:38:47,280

uh to have that emotion

995

00:38:52,310 --> 00:38:49,680

so we got back to the base our live six

996

00:38:55,750 --> 00:38:52,320

to the hospital

997

00:38:56,710 --> 00:38:55,760

i had like 103 fever i was extremely

998

00:39:01,750 --> 00:38:56,720

dehydrated

999

00:39:04,069 --> 00:39:01,760

burns to my eyes

1000

00:39:04,950 --> 00:39:04,079

uh flashburns are what like an off

1001

00:39:08,390 --> 00:39:04,960

boulder would get

1002

00:39:10,710 --> 00:39:08,400

if they didn't wear that hood and it's

1003

00:39:12,790 --> 00:39:10,720

uh it's a sunburn to the cornea of your

1004

00:39:16,870 --> 00:39:12,800

eye and i can tell you it's painful

1005

00:39:19,670 --> 00:39:16,880

it feels like you have sand in your eyes

1006

00:39:20,630 --> 00:39:19,680

so on the way back i'm trying to deal

1007

00:39:22,630 --> 00:39:20,640

with that

1008

00:39:24,710 --> 00:39:22,640

because as soon as the sun comes up man

1009

00:39:27,990 --> 00:39:24,720

you know pain in my eyes

1010

00:39:29,829 --> 00:39:28,000

terrible toby whatever they did to me i

1011

00:39:31,670 --> 00:39:29,839

think they gave him a double dose

1012

00:39:34,790 --> 00:39:31,680

because he is just curled up in a ball

1013

00:39:37,990 --> 00:39:34,800

in the big bench seat of my old chevy

1014

00:39:41,510 --> 00:39:38,000

um and uh

1015

00:39:41,990 --> 00:39:41,520

he's just out of it so i went to the

1016

00:39:43,990 --> 00:39:42,000

hospital

1017

00:39:46,150 --> 00:39:44,000

they gave us separate rooms they kept us

1018

00:39:46,870 --> 00:39:46,160

apart toby got one exam room i got the

1019

00:39:48,310 --> 00:39:46,880

other

1020

00:39:49,910 --> 00:39:48,320

and remember you know i'm a member of

1021

00:39:50,710 --> 00:39:49,920

the hospital squadron these people are

1022

00:39:52,790 --> 00:39:50,720

all my friends

1023

00:39:54,829 --> 00:39:52,800

i know them all i work with them and you

1024

00:39:56,150 --> 00:39:54,839

know medical people take care of their

1025

00:39:58,150 --> 00:39:56,160

own

1026
00:40:00,710 --> 00:39:58,160
so i had the most thorough medical exam

1027
00:40:02,550 --> 00:40:00,720
of my life

1028
00:40:03,829 --> 00:40:02,560
but i had to keep my eyes closed because

1029
00:40:08,470 --> 00:40:03,839
i was so photophobic

1030
00:40:10,950 --> 00:40:08,480
from this from this burn to my eyes

1031
00:40:12,550 --> 00:40:10,960
but i do remember i do recall the growl

1032
00:40:15,670 --> 00:40:12,560
of a geiger counter

1033
00:40:17,510 --> 00:40:15,680
uh and then it growled and i knew that

1034
00:40:20,230 --> 00:40:17,520
it shouldn't be

1035
00:40:22,309 --> 00:40:20,240
and um you know i'm on a base with

1036
00:40:24,790 --> 00:40:22,319
enough plutonium to destroy europe

1037
00:40:27,430 --> 00:40:24,800
so you know plutonium radiation is an

1038
00:40:32,390 --> 00:40:30,630

and uh they never mentioned that

1039

00:40:34,069 --> 00:40:32,400

they diagnosed me as being acutely

1040

00:40:37,109 --> 00:40:34,079

dehydrated

1041

00:40:39,750 --> 00:40:37,119

uh and i had

1042

00:40:41,990 --> 00:40:39,760

uh sunburn i had the worst sunburn i'd

1043

00:40:43,750 --> 00:40:42,000

ever had in life i was burned under my

1044

00:40:47,589 --> 00:40:43,760

arms the soles of my feet

1045

00:40:50,390 --> 00:40:47,599

my scalp um i mean everywhere

1046

00:40:51,990 --> 00:40:50,400

was burned and the doctors could not

1047

00:40:53,910 --> 00:40:52,000

understand that

1048

00:40:56,230 --> 00:40:53,920

and uh one of them showed would you take

1049

00:40:57,349 --> 00:40:56,240

off your clothes and get on a rotisserie

1050

00:40:59,109 --> 00:40:57,359

and uh

1051
00:41:01,510 --> 00:40:59,119
you know sit in the sun for a couple

1052
00:41:03,190 --> 00:41:01,520
hours and uh nobody else thought it was

1053
00:41:05,270 --> 00:41:03,200
funny i sure didn't

1054
00:41:06,630 --> 00:41:05,280
um but that's that's how badly we will

1055
00:41:09,109 --> 00:41:06,640
burn never peel

1056
00:41:11,109 --> 00:41:09,119
never blistered though it was just that

1057
00:41:13,750 --> 00:41:11,119
it was painful

1058
00:41:15,670 --> 00:41:13,760
so i get into my private room to keep

1059
00:41:19,030 --> 00:41:15,680
the lights off for my comfort

1060
00:41:21,430 --> 00:41:19,040
and they treat me well of course

1061
00:41:24,150 --> 00:41:21,440
and uh one night i was there three days

1062
00:41:27,190 --> 00:41:24,160
and two nights on the second night there

1063
00:41:29,910 --> 00:41:27,200

my night nurse came in with a

1064

00:41:31,750 --> 00:41:29,920

a sedative for me to help me sleep it's

1065

00:41:34,069 --> 00:41:31,760

like 9 00 pm

1066

00:41:34,790 --> 00:41:34,079

and two guys in blue business suits

1067

00:41:38,230 --> 00:41:34,800

followed her

1068

00:41:40,870 --> 00:41:38,240

into the exam room

1069

00:41:41,670 --> 00:41:40,880

and the one there was one guy about 50

1070

00:41:43,510 --> 00:41:41,680

ish

1071

00:41:45,190 --> 00:41:43,520

with a flat top haircut like they had in

1072

00:41:45,670 --> 00:41:45,200

the 60s i mean it was either out of

1073

00:41:49,190 --> 00:41:45,680

style

1074

00:41:50,309 --> 00:41:49,200

back in 77. and then the other guy was

1075

00:41:53,349 --> 00:41:50,319

about

1076

00:41:54,950 --> 00:41:53,359

30 years old much taller

1077

00:41:57,270 --> 00:41:54,960

but the older guy was obviously in

1078

00:41:57,910 --> 00:41:57,280

charge and they carried themselves like

1079

00:42:02,309 --> 00:41:57,920

cops

1080

00:42:03,750 --> 00:42:02,319

i mean they just they were police and uh

1081

00:42:05,430 --> 00:42:03,760

you know they made no effort to hide

1082

00:42:08,150 --> 00:42:05,440

their shoulder holsters with them

1083

00:42:10,470 --> 00:42:08,160

you know they were hours visible and

1084

00:42:11,670 --> 00:42:10,480

they uh

1085

00:42:13,190 --> 00:42:11,680

yeah they told them there you look i

1086

00:42:14,550 --> 00:42:13,200

told them i said that's gonna sedate and

1087

00:42:17,430 --> 00:42:14,560

it's gonna have to wait we have to ask

1088

00:42:19,589 --> 00:42:17,440

some questions to sergeant lovelace

1089

00:42:21,030 --> 00:42:19,599

and then for no reason he said in a

1090

00:42:24,309 --> 00:42:21,040

really mean voice

1091

00:42:24,870 --> 00:42:24,319

and shut the door on your way out and i

1092

00:42:27,190 --> 00:42:24,880

thought

1093

00:42:29,430 --> 00:42:27,200

my god that's uncalled for you know he

1094

00:42:30,950 --> 00:42:29,440

has a little civility here

1095

00:42:32,230 --> 00:42:30,960

that scared out of my wits i mean i'd

1096

00:42:32,630 --> 00:42:32,240

always been a straight kid i've never

1097

00:42:34,870 --> 00:42:32,640

had an

1098

00:42:35,910 --> 00:42:34,880

interaction with the police in my life i

1099

00:42:39,190 --> 00:42:35,920

didn't

1100

00:42:40,790 --> 00:42:39,200

of an education

1101
00:42:42,309 --> 00:42:40,800
life experience i certainly didn't have

1102
00:42:45,510 --> 00:42:42,319
a law degree

1103
00:42:48,150 --> 00:42:45,520
and uh

1104
00:42:48,790 --> 00:42:48,160
he pulled up a chair next to me and his

1105
00:42:50,230 --> 00:42:48,800
his uh

1106
00:42:52,390 --> 00:42:50,240
second pulled up a chair on the other

1107
00:42:54,309 --> 00:42:52,400
side of me and

1108
00:42:56,069 --> 00:42:54,319
they started first they read me my

1109
00:42:57,589 --> 00:42:56,079
rights under uniform code of military

1110
00:43:01,030 --> 00:42:57,599
justice

1111
00:43:03,270 --> 00:43:01,040
and then they put on their

1112
00:43:05,829 --> 00:43:03,280
the guy in charge put on his little you

1113
00:43:09,510 --> 00:43:05,839

know drugstore eyeglasses to read

1114

00:43:12,710 --> 00:43:09,520

and uh like i said redmi no lights

1115

00:43:14,710 --> 00:43:12,720

and he starts off with uh the park

1116

00:43:15,190 --> 00:43:14,720

rangers found your little campsite down

1117

00:43:19,030 --> 00:43:15,200

there

1118

00:43:21,030 --> 00:43:19,040

we left our tent we got our cooler we

1119

00:43:22,390 --> 00:43:21,040

left toby's backpack

1120

00:43:25,030 --> 00:43:22,400

and that's how they found us tony's

1121

00:43:27,910 --> 00:43:25,040

backpack had his name and address on it

1122

00:43:29,109 --> 00:43:27,920

and both toby and i lived on the base

1123

00:43:32,790 --> 00:43:29,119

and family housing

1124

00:43:36,470 --> 00:43:32,800

mco housing on base

1125

00:43:38,870 --> 00:43:36,480

so my guess is the park rangers

1126

00:43:41,109 --> 00:43:38,880

found that chain we can put that chain

1127

00:43:43,270 --> 00:43:41,119

back up when we left

1128

00:43:44,710 --> 00:43:43,280

uh found that chain down and probably

1129

00:43:48,550 --> 00:43:44,720

drove in to investigate

1130

00:43:51,829 --> 00:43:48,560

and found a campsite so this guy's

1131

00:43:54,870 --> 00:43:51,839

this guy's grilled me and he's he's uh

1132

00:43:57,910 --> 00:43:54,880

using techniques were i mean i i've seen

1133

00:43:59,109 --> 00:43:57,920

in law enforcement from my days as being

1134

00:44:01,829 --> 00:43:59,119

a district attorney i

1135

00:44:04,630 --> 00:44:01,839

i know a little bit about this police

1136

00:44:08,069 --> 00:44:04,640

interrogation methods and uh

1137

00:44:13,270 --> 00:44:08,079

and uh you know in retrospect

1138

00:44:15,589 --> 00:44:13,280

it was mostly drama and um

1139

00:44:17,349 --> 00:44:15,599

you know i said toby and i had made the

1140

00:44:20,829 --> 00:44:17,359

path that we weren't going to tell

1141

00:44:22,390 --> 00:44:20,839

anybody we saw a flying saucer this was

1142

00:44:23,829 --> 00:44:22,400

1977. uh

1143

00:44:25,589 --> 00:44:23,839

i think they'd have put us on a psych

1144

00:44:27,349 --> 00:44:25,599

ward and we'd have been discharged from

1145

00:44:29,430 --> 00:44:27,359

the military

1146

00:44:31,270 --> 00:44:29,440

uh and i did i didn't i didn't want a

1147

00:44:31,829 --> 00:44:31,280

medical discharge i wanted to finish my

1148

00:44:35,990 --> 00:44:31,839

list

1149

00:44:38,790 --> 00:44:36,000

and finish school so um

1150

00:44:40,470 --> 00:44:38,800

all we told the doctors was we were

1151
00:44:43,109 --> 00:44:40,480
feeling funny

1152
00:44:43,750 --> 00:44:43,119
we went to bed and we woke up sick as

1153
00:44:47,349 --> 00:44:43,760
dogs

1154
00:44:49,190 --> 00:44:47,359
and here we are so i told the same story

1155
00:44:53,510 --> 00:44:49,200
to this osi agent

1156
00:44:55,109 --> 00:44:53,520
and um you know he insinuates well

1157
00:44:56,950 --> 00:44:55,119
i think you're planning on going back

1158
00:44:58,390 --> 00:44:56,960
you guys are you guys cool on marijuana

1159
00:44:59,270 --> 00:44:58,400
down there is that what this is all

1160
00:45:01,510 --> 00:44:59,280
about is there a

1161
00:45:03,190 --> 00:45:01,520
little marijuana plot down there and of

1162
00:45:05,190 --> 00:45:03,200
course that scared me to that because in

1163
00:45:07,349 --> 00:45:05,200

1977 that would have been a very big

1164

00:45:10,630 --> 00:45:07,359

deal

1165

00:45:14,390 --> 00:45:10,640

and uh he

1166

00:45:16,309 --> 00:45:14,400

he kind of wraps things up and um

1167

00:45:18,309 --> 00:45:16,319

he laid out some forms for me to sign

1168

00:45:20,790 --> 00:45:18,319

and i said sir what are these

1169

00:45:22,550 --> 00:45:20,800

i understand i can't read i've got you

1170

00:45:24,790 --> 00:45:22,560

know burns to my eyes

1171

00:45:27,510 --> 00:45:24,800

that they treat with sad in my eyes so

1172

00:45:30,230 --> 00:45:27,520

everything is blurry

1173

00:45:32,870 --> 00:45:30,240

and he flips the overhead lights on that

1174

00:45:37,190 --> 00:45:32,880

they had kept off for my comfort

1175

00:45:38,790 --> 00:45:37,200

and i'm like you know that's painful

1176
00:45:40,550 --> 00:45:38,800
i said so what are these forms and he

1177
00:45:41,349 --> 00:45:40,560
said son these are weaver and consent

1178
00:45:43,910 --> 00:45:41,359
forms

1179
00:45:46,230 --> 00:45:43,920
uh he had this weird this weird alabama

1180
00:45:48,309 --> 00:45:46,240
or mississippi accent i'm not sure which

1181
00:45:50,309 --> 00:45:48,319
and like you talk kind of like the

1182
00:45:52,710 --> 00:45:50,319
accent that calvin parker has if you've

1183
00:45:56,710 --> 00:45:52,720
ever heard calvin speak

1184
00:45:57,910 --> 00:45:56,720
and he added me a pen and i signed

1185
00:46:01,109 --> 00:45:57,920
everything i never never

1186
00:46:03,910 --> 00:46:01,119
never read a word of it and i wasn't

1187
00:46:06,390 --> 00:46:03,920
about to ask him to read it to me

1188
00:46:08,550 --> 00:46:06,400

right so he scooped up those forms put

1189

00:46:11,030 --> 00:46:08,560

him in his briefcase

1190

00:46:12,630 --> 00:46:11,040

uh as i said the captain left and it was

1191

00:46:16,069 --> 00:46:12,640

just me and the major

1192

00:46:18,230 --> 00:46:16,079

the guy in charge alone in the room

1193

00:46:20,550 --> 00:46:18,240

and he packed his little briefcase thing

1194

00:46:21,990 --> 00:46:20,560

and my the head of my bed was right near

1195

00:46:27,349 --> 00:46:22,000

the door

1196

00:46:28,710 --> 00:46:27,359

no one could come in without him knowing

1197

00:46:30,950 --> 00:46:28,720

it

1198

00:46:32,550 --> 00:46:30,960

and he got down next to my ear and he

1199

00:46:36,630 --> 00:46:32,560

whispered

1200

00:46:38,950 --> 00:46:36,640

so i know and you know

1201
00:46:42,309 --> 00:46:38,960
you two knuckleheads stumbled onto

1202
00:46:45,510 --> 00:46:42,319
something out there didn't you

1203
00:46:48,790 --> 00:46:46,550
i certainly wasn't going to tell them

1204
00:46:50,630 --> 00:46:48,800
the truth you know

1205
00:46:51,990 --> 00:46:50,640
i mean the truth is important that's why

1206
00:46:53,510 --> 00:46:52,000
i thought you know

1207
00:46:58,470 --> 00:46:53,520
we were sick in the morning we woke up

1208
00:47:02,390 --> 00:47:00,390
and he said i didn't answer him and he

1209
00:47:05,670 --> 00:47:02,400
said oh i think you know what i mean

1210
00:47:08,710 --> 00:47:05,680
i know you know what i mean and he says

1211
00:47:11,750 --> 00:47:08,720
all i want is your camera and your film

1212
00:47:15,109 --> 00:47:11,760
and this can all go away whoa

1213
00:47:17,910 --> 00:47:15,119

and without thinking i blurted out sir i

1214

00:47:21,270 --> 00:47:17,920

never took a single picture of it

1215

00:47:23,589 --> 00:47:21,280

and he just smiled and that was

1216

00:47:25,670 --> 00:47:23,599

confirmation

1217

00:47:27,510 --> 00:47:25,680

i don't know how they knew i really

1218

00:47:31,510 --> 00:47:27,520

don't i wish i knew how they knew

1219

00:47:35,670 --> 00:47:31,520

but they knew uh they absolutely knew

1220

00:47:36,390 --> 00:47:35,680

and um like i said i had this reputation

1221

00:47:39,030 --> 00:47:36,400

for being

1222

00:47:41,349 --> 00:47:39,040

an amateur photographer and i think they

1223

00:47:44,230 --> 00:47:41,359

were very concerned that i had a 36

1224

00:47:45,589 --> 00:47:44,240

black-and-white exposure role of film uh

1225

00:47:49,510 --> 00:47:45,599

with images of this thing

1226

00:47:51,750 --> 00:47:49,520

god i wish i had you know

1227

00:47:52,870 --> 00:47:51,760

but again weird enough the thought of

1228

00:47:56,069 --> 00:47:52,880

taking a picture of the thing never

1229

00:48:03,349 --> 00:47:59,910

and there was a second osi investigation

1230

00:48:04,549 --> 00:48:03,359

um i should mention toby uh let me back

1231

00:48:09,829 --> 00:48:04,559

up real quick i'll make this

1232

00:48:13,990 --> 00:48:09,839

quick yeah when we were in the exam room

1233

00:48:15,109 --> 00:48:14,000

the um the doctor was just finishing up

1234

00:48:18,150 --> 00:48:15,119

my exam

1235

00:48:20,630 --> 00:48:18,160

and four guys came into the room it was

1236

00:48:22,390 --> 00:48:20,640

the base commander the uniform of course

1237

00:48:24,549 --> 00:48:22,400

the hospital commander who i knew very

1238

00:48:26,069 --> 00:48:24,559

well in uniform

1239

00:48:28,549 --> 00:48:26,079

and then there were two guys in civilian

1240

00:48:31,030 --> 00:48:28,559

clothes i didn't recognize

1241

00:48:34,150 --> 00:48:31,040

and the only one that spoke was my boss

1242

00:48:36,870 --> 00:48:34,160

the hospital commander

1243

00:48:38,549 --> 00:48:36,880

uh it wasn't the usual friendly

1244

00:48:40,470 --> 00:48:38,559

conversational tone yeah there's

1245

00:48:41,589 --> 00:48:40,480

difference between an enlisted man and

1246

00:48:43,750 --> 00:48:41,599

an officer

1247

00:48:45,510 --> 00:48:43,760

you know but we usually have a

1248

00:48:47,430 --> 00:48:45,520

conversation

1249

00:48:50,150 --> 00:48:47,440

uh he walks in and he says sergeant

1250

00:48:52,309 --> 00:48:50,160

lovelace you're to have no contact

1251
00:48:53,270 --> 00:48:52,319
for sergeant tobias in any way she

1252
00:48:56,549 --> 00:48:53,280
performed

1253
00:48:58,790 --> 00:48:56,559
that means no talking no telephone calls

1254
00:49:00,549 --> 00:48:58,800
no messages to any third parties you're

1255
00:49:02,230 --> 00:49:00,559
not to give him anything he's not to

1256
00:49:05,349 --> 00:49:02,240
give you anything

1257
00:49:06,230 --> 00:49:05,359
uh and on and on and on he would as far

1258
00:49:07,589 --> 00:49:06,240
as say you know

1259
00:49:09,430 --> 00:49:07,599
if you're at the base exchange and

1260
00:49:11,829 --> 00:49:09,440
you're shopping and you turn around

1261
00:49:14,069 --> 00:49:11,839
into the frozen food aisle and he's

1262
00:49:16,309 --> 00:49:14,079
there you'll immediately turn around and

1263
00:49:17,750 --> 00:49:16,319

walk in the opposite direction

1264

00:49:20,950 --> 00:49:17,760

so he goes through this whole bit do you

1265

00:49:23,670 --> 00:49:20,960

think and then re-emphasizes

1266

00:49:24,230 --> 00:49:23,680

this is an order sergeant if you disobey

1267

00:49:25,829 --> 00:49:24,240

it

1268

00:49:28,230 --> 00:49:25,839

there will be consequences do you

1269

00:49:31,910 --> 00:49:28,240

understand

1270

00:49:34,549 --> 00:49:31,920

i understood what consequences meant so

1271

00:49:37,030 --> 00:49:34,559

i said yes sir

1272

00:49:39,349 --> 00:49:37,040

uh and they left and that's that's why

1273

00:49:41,910 --> 00:49:39,359

they didn't put us in the same room

1274

00:49:43,750 --> 00:49:41,920

and they they separated us they put me

1275

00:49:46,309 --> 00:49:43,760

in a supply squadron

1276

00:49:46,870 --> 00:49:46,319

and they cut toby orders for for uh

1277

00:49:50,230 --> 00:49:46,880

japan

1278

00:49:52,069 --> 00:49:50,240

at like light speed so he he was gone in

1279

00:49:55,589 --> 00:49:52,079

a couple of weeks

1280

00:49:56,630 --> 00:49:55,599

and i wanted to see the guy one last

1281

00:49:58,470 --> 00:49:56,640

time

1282

00:50:01,910 --> 00:49:58,480

and i can't explain the emotion or the

1283

00:50:05,910 --> 00:50:01,920

reason why because it doesn't make sense

1284

00:50:10,470 --> 00:50:05,920

but i felt like i owed them a goodbye

1285

00:50:13,430 --> 00:50:10,480

so despite the order um

1286

00:50:14,710 --> 00:50:13,440

my wife stopped by his house we were

1287

00:50:15,670 --> 00:50:14,720

actually coming home from the grocery

1288

00:50:17,589 --> 00:50:15,680

store

1289

00:50:19,030 --> 00:50:17,599

and he lived just what three blocks from

1290

00:50:22,309 --> 00:50:19,040

us

1291

00:50:23,990 --> 00:50:22,319

and uh there was a moving truck parked

1292

00:50:27,030 --> 00:50:24,000

in the uh

1293

00:50:28,309 --> 00:50:27,040

in the driveway and my wife just don't

1294

00:50:30,630 --> 00:50:28,319

do this jerry you know

1295

00:50:31,910 --> 00:50:30,640

these osi people scare me and i said

1296

00:50:34,230 --> 00:50:31,920

look i'll be real quick

1297

00:50:37,750 --> 00:50:34,240

i'm gonna shake his hand wish him well

1298

00:50:40,309 --> 00:50:37,760

he's been my friend i own that at least

1299

00:50:42,470 --> 00:50:40,319

and i hopped out of the car she was

1300

00:50:45,030 --> 00:50:42,480

driving this her little karman gear

1301

00:50:46,790 --> 00:50:45,040

and i ran up to the door same same

1302

00:50:48,549 --> 00:50:46,800

doorway i've walked through a hundred

1303

00:50:51,750 --> 00:50:48,559

times before

1304

00:50:54,230 --> 00:50:51,760

um but this time when i opened the door

1305

00:50:54,630 --> 00:50:54,240

i announced myself and i said oh anybody

1306

00:50:58,470 --> 00:50:54,640

home

1307

00:51:00,950 --> 00:50:58,480

it's me and tony's wife

1308

00:51:01,510 --> 00:51:00,960

walked by and she had something in her

1309

00:51:03,190 --> 00:51:01,520

hand

1310

00:51:05,510 --> 00:51:03,200

so it was either a lamp or a box or

1311

00:51:07,750 --> 00:51:05,520

something but they were moving

1312

00:51:08,950 --> 00:51:07,760

and she just glared at me and gave me

1313

00:51:10,549 --> 00:51:08,960

the the

1314

00:51:12,230 --> 00:51:10,559

venus look and said you're not supposed

1315

00:51:14,309 --> 00:51:12,240

to be here

1316

00:51:16,150 --> 00:51:14,319

and i said no i know that i'm not here

1317

00:51:17,349 --> 00:51:16,160

for confrontation i just want to wish

1318

00:51:19,589 --> 00:51:17,359

you guys well

1319

00:51:20,950 --> 00:51:19,599

and uh i know you're i know you're

1320

00:51:23,030 --> 00:51:20,960

moving

1321

00:51:24,470 --> 00:51:23,040

and i think in retrospect she probably

1322

00:51:27,750 --> 00:51:24,480

blamed me

1323

00:51:30,870 --> 00:51:27,760

uh for her husband's um

1324

00:51:32,150 --> 00:51:30,880

illness and for uh them having to pull

1325

00:51:36,230 --> 00:51:32,160

up roots

1326

00:51:39,030 --> 00:51:36,240

and move so abruptly and toby heard this

1327

00:51:41,270 --> 00:51:39,040

exchange and came out of the bedroom and

1328

00:51:46,470 --> 00:51:41,280

around the hallway

1329

00:51:49,430 --> 00:51:46,480

and um and he was a wreck it was a mess

1330

00:51:50,230 --> 00:51:49,440

i mean i knew this guy always to be uh

1331

00:51:53,270 --> 00:51:50,240

meticulous

1332

00:51:56,470 --> 00:51:53,280

about his appearance you know he was

1333

00:51:57,109 --> 00:51:56,480

um always had a haircut always had shoes

1334

00:52:01,190 --> 00:51:57,119

shined

1335

00:52:04,790 --> 00:52:01,200

always had freshly crisp creased uniform

1336

00:52:07,829 --> 00:52:04,800

unlike me and i'm a slob but he was uh

1337

00:52:09,030 --> 00:52:07,839

he was not when he came out of the

1338

00:52:10,950 --> 00:52:09,040

bedroom

1339

00:52:12,390 --> 00:52:10,960

he's wearing a dirty t-shirt his hair is

1340

00:52:15,030 --> 00:52:12,400

like sideways

1341

00:52:17,430 --> 00:52:15,040

he hasn't shaved he's got on blue jeans

1342

00:52:20,549 --> 00:52:17,440

and he's barefoot

1343

00:52:22,549 --> 00:52:20,559

uh it just looks terrible

1344

00:52:25,670 --> 00:52:22,559

and he walks up to me and it was awkward

1345

00:52:27,510 --> 00:52:25,680

it was awkward for both of us

1346

00:52:29,750 --> 00:52:27,520

you know and i i thought it would be

1347

00:52:33,349 --> 00:52:29,760

appropriate to hug the guy

1348

00:52:34,150 --> 00:52:33,359

and say you know i i wish the best will

1349

00:52:37,829 --> 00:52:34,160

miss you

1350

00:52:39,190 --> 00:52:37,839

um but he didn't do that and we did this

1351
00:52:42,470 --> 00:52:39,200
um

1352
00:52:46,069 --> 00:52:42,480
inelegant kind of handshake thing where

1353
00:52:48,309 --> 00:52:46,079
you know we finally finally

1354
00:52:49,589 --> 00:52:48,319
made connections and shook hands and i

1355
00:52:52,390 --> 00:52:49,599
said

1356
00:52:53,030 --> 00:52:52,400
i just want to wish you well and i could

1357
00:52:55,589 --> 00:52:53,040
smell

1358
00:52:56,790 --> 00:52:55,599
he had liquor on his breath and he

1359
00:52:59,430 --> 00:52:56,800
wasn't a drinker

1360
00:53:01,589 --> 00:52:59,440
you know he was maybe a can of beer beer

1361
00:53:05,270 --> 00:53:01,599
and a half at a barbecue that's it

1362
00:53:06,870 --> 00:53:05,280
uh but he had liquor on his butt breath

1363
00:53:09,510 --> 00:53:06,880

and may have been under the influence of

1364

00:53:10,790 --> 00:53:09,520

liquor and toby was a little short i'm

1365

00:53:14,069 --> 00:53:10,800

six foot toby was

1366

00:53:16,950 --> 00:53:14,079

a couple inches shorter than i am

1367

00:53:18,630 --> 00:53:16,960

and he just he looked up at me and his

1368

00:53:22,230 --> 00:53:18,640

eyes were bloodshot

1369

00:53:25,750 --> 00:53:22,240

and he asked me he said

1370

00:53:31,670 --> 00:53:27,910

and i said yes my brother it really

1371

00:53:35,750 --> 00:53:31,680

happened and you're not losing your mind

1372

00:53:41,190 --> 00:53:39,190

and i said man i don't have a clue

1373

00:53:43,670 --> 00:53:41,200

and i broke eye contact i looked at my

1374

00:53:45,750 --> 00:53:43,680

boots and

1375

00:53:47,349 --> 00:53:45,760

it was an awkward moment of silence and

1376

00:53:50,390 --> 00:53:47,359

i didn't say goodbye i just turned and

1377

00:53:54,950 --> 00:53:54,069

it was a weird exchange got back in the

1378

00:53:56,870 --> 00:53:54,960

car

1379

00:53:58,150 --> 00:53:56,880

i really thought i would feel better

1380

00:54:00,870 --> 00:53:58,160

seeing him again

1381

00:54:02,549 --> 00:54:00,880

wishing him well saying goodbye but that

1382

00:54:06,230 --> 00:54:02,559

it didn't turn out that way

1383

00:54:12,790 --> 00:54:09,670

so toby left and uh

1384

00:54:15,910 --> 00:54:12,800

i stayed i had one final interrogation

1385

00:54:19,990 --> 00:54:15,920

with the osi at their headquarters

1386

00:54:22,069 --> 00:54:20,000

at a uh an interrogation room

1387

00:54:25,589 --> 00:54:22,079

under the influence of sodium amital

1388

00:54:27,430 --> 00:54:25,599

which is a short acting hypnotic drug

1389

00:54:29,270 --> 00:54:27,440

one of the one of the forms that i had

1390

00:54:32,950 --> 00:54:29,280

signed while i was in the hospital

1391

00:54:36,309 --> 00:54:32,960

was consent to hypnotic regression

1392

00:54:37,349 --> 00:54:36,319

and that's part of the process so i was

1393

00:54:40,470 --> 00:54:37,359

hypnotized

1394

00:54:42,789 --> 00:54:40,480

and uh asked to relay everything that

1395

00:54:44,950 --> 00:54:42,799

happened to us

1396

00:54:46,390 --> 00:54:44,960

uh math had to start it off with after

1397

00:54:48,549 --> 00:54:46,400

the guy thought that i was under

1398

00:54:51,589 --> 00:54:48,559

i was trying to resist the hypnosis i

1399

00:54:54,230 --> 00:54:51,599

thought i could research the hypnosis

1400

00:54:56,069 --> 00:54:54,240

mentally i think the opposite of what

1401
00:54:58,630 --> 00:54:56,079
he's saying you know go down the stairs

1402
00:54:59,750 --> 00:54:58,640
feeling relaxed i'm going up the stairs

1403
00:55:01,750 --> 00:54:59,760
you know i'm

1404
00:55:03,510 --> 00:55:01,760
doing multiplication tables in my head

1405
00:55:04,710 --> 00:55:03,520
i'm trying to do everything i can not to

1406
00:55:07,589 --> 00:55:04,720
surrender my full

1407
00:55:09,030 --> 00:55:07,599
brain and my full attention to this guy

1408
00:55:09,349 --> 00:55:09,040
but when he gave me that drug it was

1409
00:55:14,150 --> 00:55:09,359
like

1410
00:55:16,789 --> 00:55:14,160
bam it was i was in twilight zone

1411
00:55:18,470 --> 00:55:16,799
and he said uh terry you and toby went

1412
00:55:21,910 --> 00:55:18,480
camping is that right

1413
00:55:23,589 --> 00:55:21,920

and i said yes that's right

1414

00:55:25,349 --> 00:55:23,599

and he says my that must have been

1415

00:55:28,630 --> 00:55:25,359

exciting

1416

00:55:31,589 --> 00:55:28,640

i just said yes and he said and you saw

1417

00:55:34,950 --> 00:55:31,599

some funny lights in this guy didn't you

1418

00:55:37,670 --> 00:55:34,960

and i said yes and he says but they

1419

00:55:40,390 --> 00:55:37,680

weren't funny lights were they tearing

1420

00:55:41,829 --> 00:55:40,400

he said no they weren't he says who were

1421

00:55:44,950 --> 00:55:41,839

they

1422

00:55:46,870 --> 00:55:44,960

and i said there were the space people

1423

00:55:48,630 --> 00:55:46,880

and i could not believe i could not

1424

00:55:53,190 --> 00:55:48,640

believe those words came out of my mouth

1425

00:55:53,200 --> 00:55:58,470

and this

1426
00:56:03,910 --> 00:56:00,549
hypnotic regression interrogation thing

1427
00:56:07,190 --> 00:56:06,069
the point of the exercise was they

1428
00:56:10,309 --> 00:56:07,200
wanted to find out

1429
00:56:11,829 --> 00:56:10,319
was i truthful with these agents and did

1430
00:56:13,670 --> 00:56:11,839
i have any film

1431
00:56:15,589 --> 00:56:13,680
they were concerned i had a photograph

1432
00:56:15,990 --> 00:56:15,599
of this thing that was the whole purpose

1433
00:56:19,990 --> 00:56:16,000
of this

1434
00:56:22,069 --> 00:56:20,000
exercise and uh

1435
00:56:23,910 --> 00:56:22,079
you know since i didn't i told them the

1436
00:56:27,829 --> 00:56:23,920
truth no i don't

1437
00:56:30,549 --> 00:56:27,839
no i don't and uh they believed me

1438
00:56:32,150 --> 00:56:30,559

and uh brought me out of hypnosis and

1439

00:56:33,750 --> 00:56:32,160

caught me loose and that was kind of the

1440

00:56:37,990 --> 00:56:33,760

end of that adventure

1441

00:56:40,950 --> 00:56:38,000

and i got out of the air force in 79

1442

00:56:43,670 --> 00:56:40,960

and that that was the end of my

1443

00:56:48,390 --> 00:56:45,270

so there's a lot more that happened

1444

00:56:51,430 --> 00:56:49,910

i just briefly mentioned because it

1445

00:56:53,750 --> 00:56:51,440

makes sense

1446

00:56:54,950 --> 00:56:53,760

i had never had an intention of telling

1447

00:56:57,109 --> 00:56:54,960

this story to anyone

1448

00:56:58,710 --> 00:56:57,119

we didn't tell our kids it was a secret

1449

00:56:59,829 --> 00:56:58,720

my wife and i shared as a matter of fact

1450

00:57:01,990 --> 00:56:59,839

every time

1451
00:57:04,309 --> 00:57:02,000
a few a few occasions we talked about it

1452
00:57:04,789 --> 00:57:04,319
over 40 some years of our marriage every

1453
00:57:07,430 --> 00:57:04,799
time

1454
00:57:09,030 --> 00:57:07,440
if we if we brought it up i felt guilty

1455
00:57:10,950 --> 00:57:09,040
for some reason

1456
00:57:14,150 --> 00:57:10,960
and i think they wired my brain for that

1457
00:57:17,589 --> 00:57:14,160
i really believe that

1458
00:57:20,470 --> 00:57:17,599
so in 2012

1459
00:57:21,670 --> 00:57:20,480
i have retired uh from the state of

1460
00:57:27,990 --> 00:57:21,680
vermont

1461
00:57:30,069 --> 00:57:28,000
where our adult children and

1462
00:57:33,510 --> 00:57:30,079
grandchildren are

1463
00:57:34,390 --> 00:57:33,520

and um about eight months later in

1464

00:57:36,069 --> 00:57:34,400

october

1465

00:57:38,950 --> 00:57:36,079

of that year i woke up and i couldn't

1466

00:57:40,630 --> 00:57:38,960

support weight on my right leg

1467

00:57:42,630 --> 00:57:40,640

and told my wife you got to take me got

1468

00:57:45,270 --> 00:57:42,640

to take me to the hospital

1469

00:57:46,950 --> 00:57:45,280

the only medical care i had was i had

1470

00:57:50,390 --> 00:57:46,960

free medical care from the va

1471

00:57:52,150 --> 00:57:50,400

so take me to the va went to the va

1472

00:57:55,670 --> 00:57:52,160

emergency room and they

1473

00:57:57,829 --> 00:57:55,680

built me into x-ray and x-ray technician

1474

00:58:00,150 --> 00:57:57,839

took um

1475

00:58:01,750 --> 00:58:00,160

a lot of shots took a lot of shots on my

1476

00:58:03,109 --> 00:58:01,760

of my um

1477

00:58:05,030 --> 00:58:03,119

and asked me have you been in an

1478

00:58:06,390 --> 00:58:05,040

accident or had a shrapnel wound or

1479

00:58:08,390 --> 00:58:06,400

something that would account for a piece

1480

00:58:09,990 --> 00:58:08,400

of metal in your leg

1481

00:58:11,589 --> 00:58:10,000

and i said no like i never left the

1482

00:58:13,430 --> 00:58:11,599

states um

1483

00:58:15,349 --> 00:58:13,440

and i've never i've never done anything

1484

00:58:17,750 --> 00:58:15,359

to that other than maybe ever skinned me

1485

00:58:20,069 --> 00:58:17,760

as a kid

1486

00:58:21,670 --> 00:58:20,079

and uh she looked confused and she said

1487

00:58:24,870 --> 00:58:21,680

well the radiologist is going to come

1488

00:58:28,470 --> 00:58:24,880

down take a look at your films

1489

00:58:31,990 --> 00:58:28,480

i said okay so radiologist comes down

1490

00:58:36,309 --> 00:58:32,000

looking very annoyed and he walks in

1491

00:58:38,710 --> 00:58:36,319

and he pops up the films on a light box

1492

00:58:40,470 --> 00:58:38,720

and he says well i can i can tell this

1493

00:58:41,750 --> 00:58:40,480

and he walks over to me and he pokes me

1494

00:58:42,549 --> 00:58:41,760

in my knee and says you're going to have

1495

00:58:45,670 --> 00:58:42,559

a scar

1496

00:58:47,510 --> 00:58:45,680

right about here i said doctor i don't

1497

00:58:49,030 --> 00:58:47,520

have a stomach right there

1498

00:58:50,630 --> 00:58:49,040

and he says you got to have scar here

1499

00:58:52,230 --> 00:58:50,640

because i

1500

00:58:53,750 --> 00:58:52,240

pointed out the image you know it's like

1501

00:58:55,829 --> 00:58:53,760

a little transistor or something about

1502

00:58:57,190 --> 00:58:55,839

the size of a fingernail with two wires

1503

00:58:59,829 --> 00:58:57,200

attached to it

1504

00:59:01,349 --> 00:58:59,839

he said for this object to be as deeply

1505

00:59:01,990 --> 00:59:01,359

embedded in your tissue through your

1506

00:59:04,630 --> 00:59:02,000

fascia

1507

00:59:06,470 --> 00:59:04,640

uh it can't it can't violate the

1508

00:59:06,870 --> 00:59:06,480

integrity of your skin without leaving a

1509

00:59:12,549 --> 00:59:06,880

scar

1510

00:59:13,910 --> 00:59:12,559

we argued about it and you know he

1511

00:59:16,950 --> 00:59:13,920

finally i

1512

00:59:18,870 --> 00:59:16,960

took my pants off again and uh

1513

00:59:20,069 --> 00:59:18,880

he examined my leg for 10 minutes and

1514

00:59:23,589 --> 00:59:20,079

looked uh

1515

00:59:24,710 --> 00:59:23,599

disturbed and he said no i don't find a

1516

00:59:27,109 --> 00:59:24,720

scar

1517

00:59:29,109 --> 00:59:27,119

and i said well doctor let me ask you

1518

00:59:30,710 --> 00:59:29,119

how often is it that you find a foreign

1519

00:59:33,750 --> 00:59:30,720

object in the body and there not

1520

00:59:35,349 --> 00:59:33,760

be a corresponding scar

1521

00:59:36,870 --> 00:59:35,359

and he said never he said i've been a

1522

00:59:39,829 --> 00:59:36,880

radiologist 23 years

1523

00:59:41,030 --> 00:59:39,839

i've never seen that before and he says

1524

00:59:41,349 --> 00:59:41,040

there's something else i want to show

1525

00:59:44,710 --> 00:59:41,359

you

1526

00:59:45,750 --> 00:59:44,720

the guy was almost empathetic he popped

1527

00:59:48,549 --> 00:59:45,760

up the second view

1528

00:59:50,150 --> 00:59:48,559

which was the side view of my leg and in

1529

00:59:52,789 --> 00:59:50,160

my calf muscle

1530

00:59:54,069 --> 00:59:52,799

there's a collection of um like tic

1531

00:59:56,630 --> 00:59:54,079

tac-like objects

1532

00:59:58,950 --> 00:59:56,640

that form like a flower or make a floret

1533

01:00:02,630 --> 00:59:58,960

pattern

1534

01:00:04,309 --> 01:00:02,640

and uh a little thought in the middle uh

1535

01:00:06,150 --> 01:00:04,319

and he says you got these bones in your

1536

01:00:07,510 --> 01:00:06,160

leg and before i saw the x-ray i said

1537

01:00:08,870 --> 01:00:07,520

well hell what's wrong with that doc i'm

1538

01:00:10,309 --> 01:00:08,880

supposed to have bullets in my leg he

1539

01:00:12,789 --> 01:00:10,319

says no no no

1540

01:00:13,510 --> 01:00:12,799

and he showed me and it was weird i mean

1541

01:00:15,910 --> 01:00:13,520

uh

1542

01:00:17,670 --> 01:00:15,920

as an emt i knew a little bit paramedic

1543

01:00:19,589 --> 01:00:17,680

i knew a little bit about human anatomy

1544

01:00:22,309 --> 01:00:19,599

physiology and i knew

1545

01:00:25,349 --> 01:00:22,319

uh that there that there were no bones

1546

01:00:28,870 --> 01:00:25,359

inside the cat muscle

1547

01:00:30,710 --> 01:00:28,880

and it was shocking and i'll tell you

1548

01:00:32,230 --> 01:00:30,720

it was like a slap in the face to see it

1549

01:00:34,549 --> 01:00:32,240

because it brought back these memories

1550

01:00:35,910 --> 01:00:34,559

from 1977.

1551
01:00:37,750 --> 01:00:35,920
and i knew these things had put their

1552
01:00:40,829 --> 01:00:37,760
hands on me and

1553
01:00:43,750 --> 01:00:40,839
that was just creepy that was just awful

1554
01:00:44,470 --> 01:00:43,760
and he said you know muscle doesn't

1555
01:00:46,710 --> 01:00:44,480
autumn

1556
01:00:47,990 --> 01:00:46,720
muscle doesn't or pardon me bone tissue

1557
01:00:49,750 --> 01:00:48,000
doesn't just sprout

1558
01:00:51,910 --> 01:00:49,760
in the middle of a muscle that doesn't

1559
01:00:54,230 --> 01:00:51,920
happen much less

1560
01:00:56,390 --> 01:00:54,240
do they arrange themselves in a

1561
01:00:59,829 --> 01:00:56,400
symmetrical pattern like this

1562
01:01:05,109 --> 01:01:03,190
and uh he said i don't know

1563
01:01:06,309 --> 01:01:05,119

but they did find i had a what's called

1564

01:01:08,789 --> 01:01:06,319

a bakery cyst

1565

01:01:10,309 --> 01:01:08,799

just it's common it's a benign system

1566

01:01:13,349 --> 01:01:10,319

and they my kneecap

1567

01:01:15,349 --> 01:01:13,359

uh and and these these things in my body

1568

01:01:15,750 --> 01:01:15,359

were just found by happenstance because

1569

01:01:39,510 --> 01:01:15,760

i

1570

01:01:44,630 --> 01:01:39,520

became a lot more frequent

1571

01:01:45,990 --> 01:01:44,640

and uh 2016

1572

01:01:47,270 --> 01:01:46,000

i was determined i'm going to write a

1573

01:01:48,390 --> 01:01:47,280

book and i'm going to tell the world

1574

01:01:52,069 --> 01:01:48,400

about this

1575

01:01:55,510 --> 01:01:52,079

and uh and i did and it feels good to

1576

01:01:56,630 --> 01:01:55,520

to do that and i i enjoy telling the

1577

01:01:58,230 --> 01:01:56,640

story it's a little bit

1578

01:02:00,710 --> 01:01:58,240

uncomfortable to tell but i enjoy

1579

01:02:02,549 --> 01:02:00,720

telling the story uh i think the message

1580

01:02:03,910 --> 01:02:02,559

is important

1581

01:02:06,470 --> 01:02:03,920

you know and the message is is that

1582

01:02:10,069 --> 01:02:06,480

we're not we're not topped off we're not

1583

01:02:18,069 --> 01:02:14,710

you know we are they are so far above us

1584

01:02:21,349 --> 01:02:18,079

uh in all regard that

1585

01:02:22,069 --> 01:02:21,359

um if people don't believe this stuff is

1586

01:02:24,230 --> 01:02:22,079

real

1587

01:02:26,470 --> 01:02:24,240

that's fine everybody is entitled to

1588

01:02:29,029 --> 01:02:26,480

their to their opinion and i'm not here

1589

01:02:32,950 --> 01:02:29,039

to change anyone's mind

1590

01:02:36,150 --> 01:02:32,960

but um i would just say

1591

01:02:37,829 --> 01:02:36,160

listen to people look at the evidence

1592

01:02:39,589 --> 01:02:37,839

yeah sure there's a lot of stuff out

1593

01:02:41,349 --> 01:02:39,599

there done with photoshop by people

1594

01:02:43,910 --> 01:02:41,359

trying to deceive you

1595

01:02:45,029 --> 01:02:43,920

but there are a lot of legitimate uh

1596

01:02:47,589 --> 01:02:45,039

people out there

1597

01:02:48,549 --> 01:02:47,599

like myself that you know have a

1598

01:02:52,069 --> 01:02:48,559

reputation

1599

01:02:53,990 --> 01:02:52,079

uh you know i lost all of my respect

1600

01:02:56,230 --> 01:02:54,000

and the respect of all my peers in the

1601

01:02:58,870 --> 01:02:56,240

legal community when i did this

1602

01:03:00,470 --> 01:02:58,880

uh but i don't care i made more more

1603

01:03:04,230 --> 01:03:00,480

friends in the uh

1604

01:03:07,990 --> 01:03:04,240

ufo community uh i find out who found

1605

01:03:12,950 --> 01:03:10,390

so that's that's pretty much where it

1606

01:03:18,309 --> 01:03:16,549

such an amazing story and i love that

1607

01:03:20,630 --> 01:03:18,319

you're not out to change people's

1608

01:03:21,670 --> 01:03:20,640

minds about ufo or the existence of

1609

01:03:23,430 --> 01:03:21,680

alien life and

1610

01:03:25,270 --> 01:03:23,440

and you're grateful to have survived the

1611

01:03:27,109 --> 01:03:25,280

devil's den i think it's something

1612

01:03:28,470 --> 01:03:27,119

everybody should read and i'm honored

1613

01:03:30,150 --> 01:03:28,480

that you've come on the show

1614

01:03:31,990 --> 01:03:30,160

where can our listeners go to support

1615

01:03:34,230 --> 01:03:32,000

you and keep up with everything you have

1616

01:03:36,390 --> 01:03:34,240

going on

1617

01:03:37,990 --> 01:03:36,400

yeah i have a website it's terry

1618

01:03:42,150 --> 01:03:38,000

1619

01:03:43,910 --> 01:03:42,160

you know one word terry publix dot com

1620

01:03:45,750 --> 01:03:43,920

i don't keep the website up to date

1621

01:03:47,910 --> 01:03:45,760

unfortunately i'm lazy but

1622

01:03:51,349 --> 01:03:47,920

but there's some amazing photographs on

1623

01:03:54,150 --> 01:03:51,359

there for people to look at

1624

01:03:57,270 --> 01:03:54,160

and my book is available in kindle and

1625

01:03:59,109 --> 01:03:57,280

paperback with photographs in the back

1626

01:04:01,430 --> 01:03:59,119

and i made an audio book that i recorded

1627

01:04:03,190 --> 01:04:01,440

my own voice so

1628

01:04:05,829 --> 01:04:03,200

and they're all on amazon and only on

1629

01:04:05,839 --> 01:04:10,870

so i also have a second book

1630

01:04:15,589 --> 01:04:14,309

that needs to be out there and i hope to

1631

01:04:19,430 --> 01:04:15,599

have that out soon

1632

01:04:20,710 --> 01:04:19,440

1634

01:04:26,789 --> 01:04:22,960

topic read the book

1635

01:04:28,549 --> 01:04:26,799

and decide for yourself

1636

01:04:30,870 --> 01:04:28,559

and i appreciate the opportunity to be

1637

01:04:32,630 --> 01:04:30,880

the attention to detail and the

1648

01:04:57,270 --> 01:04:54,319

01:05:05,430 --> 01:05:02,400
has this has bled

1653
01:05:08,470 --> 01:05:05,440
over into him explaining this

1654
01:05:09,349 --> 01:05:08,480
experience and what what a quality

01:05:25,349 --> 01:05:24,480

paranormal so i want bulletproof stuff

1665

01:05:27,029 --> 01:05:25,359

that i can uh

1666

01:05:28,549 --> 01:05:27,039

i can do what i need to do with the baby

1667

and still you know

1668

01:05:35,270 --> 01:05:31,680

rely on quality that i expect

1669

01:05:35,990 --> 01:05:35,280

1670

01:05:37,589 --> 01:05:36,000

listeners

1671

01:05:39,750 --> 01:05:37,599

and our fan base because this stuff's

1672

01:05:42,549 --> 01:05:39,760

good stuff and i back it

1673

01:05:43,670 --> 01:05:42,559

it's good anyway um until next time keep

1674

01:05:45,349 --> 01:05:43,680

your eyes to the skies

1675

01:06:45,190 --> 01:05:45,359

feet on the ground but don't forget to

1676

01:06:48,230 --> 01:06:47,270

we partying back to the future like

1677
