

NEW PODCAST

**SECRET
TESTING ETC**

ANTHONY

ZENDER

HERO

1
00:00:16,620 --> 00:00:14,910

[Music]

2
00:00:28,870 --> 00:00:16,630

hey

3
00:00:28,880 --> 00:00:36,549

machine

4
00:00:42,709 --> 00:00:40,630

blast off on another episode of hero

5
00:00:44,549 --> 00:00:42,719

paranormal podcast

6
00:00:46,310 --> 00:00:44,559

that's right i'm ryan the original

7
00:00:49,670 --> 00:00:46,320

outlaw of the airwaves bringing you

8
00:00:53,750 --> 00:00:49,680

an episode live and direct from sin city

9
00:00:54,389 --> 00:00:53,760

nevada the silver state and for you vip

10
00:00:56,709 --> 00:00:54,399

listeners

11
00:00:58,549 --> 00:00:56,719

we're coming to you from the base of la

12
00:01:02,310 --> 00:00:58,559

madre mountain just south of

13
00:01:04,469 --> 00:01:02,320

area 51 and

14

00:01:05,509 --> 00:01:04,479

just after an amazing conference here in

15

00:01:06,630 --> 00:01:05,519

vegas

16

00:01:07,710 --> 00:01:06,640

we're going to get into all kinds of

17

00:01:08,870 --> 00:01:07,720

stuff but if you haven't been to

18

00:01:11,590 --> 00:01:08,880

heroparanormal.com

19

00:01:13,070 --> 00:01:11,600

check it out also check out our science

20

00:01:15,270 --> 00:01:13,080

project

21

00:01:18,950 --> 00:01:15,280

spacewolfresearch.com

22

00:01:21,749 --> 00:01:18,960

and well other than promote myself

23

00:01:22,950 --> 00:01:21,759

i am just going to jump to it and i'm

24

00:01:26,310 --> 00:01:22,960

very happy

25

00:01:28,070 --> 00:01:26,320

and excited to have the guest we have

26

00:01:31,429 --> 00:01:28,080

today

27

00:01:34,469 --> 00:01:31,439

so walk with me if you will on

28

00:01:34,789 --> 00:01:34,479

a journey a journey with the possibility

29

00:01:37,429 --> 00:01:34,799

that

30

00:01:40,390 --> 00:01:37,439

everything around humans was created by

31

00:01:43,590 --> 00:01:40,400

an artificial intelligence system

32

00:01:43,990 --> 00:01:43,600

this universe is so old that natural

33

00:01:47,510 --> 00:01:44,000

life

34

00:01:49,910 --> 00:01:47,520

and of course evolution have played

35

00:01:53,190 --> 00:01:49,920

through millions of times and are now

36

00:01:55,429 --> 00:01:53,200

artificially produced in a time loop

37

00:01:57,670 --> 00:01:55,439

is it possible well let's see keep

38

00:01:59,910 --> 00:01:57,680

walking with me

39

00:02:02,310 --> 00:01:59,920

therefore it's no longer worth taking

40

00:02:04,389 --> 00:02:02,320

this world so seriously

41

00:02:07,350 --> 00:02:04,399

this world is based on technology that

42

00:02:10,710 --> 00:02:07,360

creates dreams inside a time loop

43

00:02:13,750 --> 00:02:10,720

artificial humans on earth

44

00:02:16,390 --> 00:02:13,760

are just the tip of the iceberg

45

00:02:17,190 --> 00:02:16,400

there are there there's there's more to

46

00:02:20,949 --> 00:02:17,200

this

47

00:02:23,350 --> 00:02:20,959

with me so far

48

00:02:25,270 --> 00:02:23,360

let's go down this rabbit hole just a

49

00:02:27,750 --> 00:02:25,280

little bit more

50

00:02:28,710 --> 00:02:27,760

to well just open our minds enough to

51

00:02:31,589 --> 00:02:28,720

the possibility

52

00:02:33,910 --> 00:02:31,599

that there are also artificial insects

53

00:02:35,990 --> 00:02:33,920

that can spy on people

54

00:02:38,309 --> 00:02:36,000

that everything is connected to nature

55

00:02:41,830 --> 00:02:38,319

of humans and connected to artificial

56

00:02:44,550 --> 00:02:41,840

intelligence systems via technology

57

00:02:46,949 --> 00:02:44,560

that man has no idea what world he

58

00:02:50,710 --> 00:02:46,959

really lives in

59

00:02:53,509 --> 00:02:50,720

in truth emotions are just energetic

60

00:02:55,910 --> 00:02:53,519

transistors it doesn't sound like

61

00:02:58,149 --> 00:02:55,920

beautiful poetry when i say it that way

62

00:02:59,750 --> 00:02:58,159

but the truth is this world is very

63

00:03:02,390 --> 00:02:59,760

technical

64

00:03:04,309 --> 00:03:02,400

the stupid person is from yesterday the

65

00:03:07,430 --> 00:03:04,319

normal person is from today

66

00:03:10,070 --> 00:03:07,440

and the clever person is from tomorrow

67

00:03:11,830 --> 00:03:10,080

punishment for thinking is therefore the

68

00:03:14,869 --> 00:03:11,840

consequence

69

00:03:17,589 --> 00:03:14,879

of living in the wrong time

70

00:03:19,110 --> 00:03:17,599

not long ago people with dark skin had

71

00:03:21,350 --> 00:03:19,120

no rights at all

72

00:03:23,750 --> 00:03:21,360

whether a person has rights or not is

73

00:03:26,550 --> 00:03:23,760

just a matter of time

74

00:03:27,990 --> 00:03:26,560

prior to that time split into many small

75

00:03:31,830 --> 00:03:28,000

lines

76

00:03:32,789 --> 00:03:31,840

under the control of artificial

77

00:03:35,350 --> 00:03:32,799

intelligence

78

00:03:35,990 --> 00:03:35,360

humans believe that extraterrestrial

79

00:03:38,869 --> 00:03:36,000

beings

80

00:03:40,309 --> 00:03:38,879

control time or control the world but

81

00:03:43,750 --> 00:03:40,319

the truth is

82

00:03:44,710 --> 00:03:43,760

that extraterrestrial beings are also

83

00:03:48,309 --> 00:03:44,720

controlled

84

00:03:51,910 --> 00:03:48,319

by artificial intelligence

85

00:03:55,600 --> 00:03:51,920

our guest today is anthony zender

86

00:03:56,789 --> 00:03:55,610

and well heck i'm just

87

00:03:59,509 --> 00:03:56,799

[Music]

88

00:04:01,670 --> 00:03:59,519

super excited at the possibility that

89

00:04:05,350 --> 00:04:01,680

there are a lot of people out there

90

00:04:08,869 --> 00:04:05,360

that are my lab property and have my lab

91

00:04:11,670 --> 00:04:08,879

experiences but they have no idea

92

00:04:12,550 --> 00:04:11,680

at all i mean we've heard a lot from

93

00:04:15,750 --> 00:04:12,560

people who believe

94

00:04:18,469 --> 00:04:15,760

something is happening behind the scenes

95

00:04:18,870 --> 00:04:18,479

something behind the scenes whether that

96

00:04:22,230 --> 00:04:18,880

be

97

00:04:25,430 --> 00:04:22,240

in the uinta basin of utah or

98

00:04:28,629 --> 00:04:25,440

anywhere else is an artificial

99

00:04:30,070 --> 00:04:28,639

intelligence possibly in control

100

00:04:31,909 --> 00:04:30,080

well let's find out we're gonna give

101
00:04:32,469 --> 00:04:31,919
anthony a call right now this guy's the

102
00:04:34,070 --> 00:04:32,479
man

103
00:04:35,749 --> 00:04:34,080
and i've always wondered you know is an

104
00:04:37,189 --> 00:04:35,759
artificial intelligence the same as a

105
00:04:39,990 --> 00:04:37,199
grand architect

106
00:04:42,070 --> 00:04:40,000
or the same as well we're gonna get in

107
00:04:45,749 --> 00:04:42,080
all kinds of mystery school occult stuff

108
00:04:47,670 --> 00:04:45,759
too hi oh man what is going on this is

109
00:04:50,870 --> 00:04:47,680
for some reason not patching me through

110
00:04:53,670 --> 00:04:50,880
so sorry let's see if i can

111
00:04:56,310 --> 00:04:53,680
no problem try this one more time i'll

112
00:04:59,430 --> 00:04:56,320
call you right back sorry man

113
00:05:03,029 --> 00:04:59,440

all right we gotcha all right is

114

00:05:05,270 --> 00:05:03,039

this video okay yeah audio

115

00:05:07,510 --> 00:05:05,280

i'm doing audio only but if you want to

116

00:05:10,469 --> 00:05:07,520

do video that's totally cool too

117

00:05:12,310 --> 00:05:10,479

um it doesn't seem to be affecting the

118

00:05:15,990 --> 00:05:12,320

audio at all you know it's so weird

119

00:05:19,590 --> 00:05:16,000

anthony and i say this because

120

00:05:21,350 --> 00:05:19,600

i'm you know i've been

121

00:05:23,510 --> 00:05:21,360

doing podcasts for quite a while i

122

00:05:27,029 --> 00:05:23,520

haven't had as much trouble

123

00:05:30,469 --> 00:05:27,039

as doing this one and

124

00:05:33,110 --> 00:05:30,479

uh it's been very strange because as

125

00:05:35,110 --> 00:05:33,120

i was just kind of doing research with

126

00:05:37,670 --> 00:05:35,120

other things your name came up

127

00:05:38,469 --> 00:05:37,680

and i know you're a fellow remote viewer

128

00:05:41,909 --> 00:05:38,479

you are

129

00:05:45,670 --> 00:05:41,919

a marine mixed martial artist you have

130

00:05:48,790 --> 00:05:45,680

a lot of very interesting background

131

00:05:51,350 --> 00:05:48,800

and i got really interested

132

00:05:53,110 --> 00:05:51,360

in the biomed conference and i know that

133

00:05:55,029 --> 00:05:53,120

you were here in vegas

134

00:05:56,230 --> 00:05:55,039

and long story short when it came time

135

00:05:59,749 --> 00:05:56,240

to podcast

136

00:06:02,870 --> 00:05:59,759

man it's been like opening pandora's

137

00:06:05,990 --> 00:06:02,880

hell razor box i mean impossibilities

138

00:06:07,510 --> 00:06:06,000

and technical difficulties and but

139

00:06:09,670 --> 00:06:07,520

man you've been a rock star and you've

140

00:06:11,029 --> 00:06:09,680

hung in there uh for our listeners and i

141

00:06:13,110 --> 00:06:11,039

just want everybody to know he's been

142

00:06:14,790 --> 00:06:13,120

so patient while we got started because

143

00:06:18,230 --> 00:06:14,800

it took forever

144

00:06:21,590 --> 00:06:18,240

so thanks so much anthony um how was the

145

00:06:23,749 --> 00:06:21,600

biomed conference and how you been

146

00:06:24,710 --> 00:06:23,759

i've been good um you know just like you

147

00:06:27,749 --> 00:06:24,720

said uh

148

00:06:29,749 --> 00:06:27,759

being patient my patience is the key

149

00:06:31,430 --> 00:06:29,759

and uh you know i've been just learning

150

00:06:34,550 --> 00:06:31,440

patience and uh

151

00:06:37,990 --> 00:06:34,560

you know how not to be quick to anger

152

00:06:40,790 --> 00:06:38,000

in this whole experience and uh

153

00:06:41,510 --> 00:06:40,800

um i i've been good um you know since

154

00:06:44,870 --> 00:06:41,520

doing the

155

00:06:45,590 --> 00:06:44,880

the conference uh in vegas i just got

156

00:06:48,230 --> 00:06:45,600

back to

157

00:06:49,270 --> 00:06:48,240

uh where i live in big bear um

158

00:06:51,749 --> 00:06:49,280

california

159

00:06:53,990 --> 00:06:51,759

and um that's why i have my hat on right

160

00:06:57,110 --> 00:06:54,000

now because it's a little cold here

161

00:07:00,550 --> 00:06:57,120

but um yeah it's just uh

162

00:07:02,710 --> 00:07:00,560

i'm doing better every day because um

163

00:07:03,909 --> 00:07:02,720

just uh everything that's happening in

164

00:07:07,270 --> 00:07:03,919

my life

165

00:07:10,469 --> 00:07:07,280

um more and more things are happening

166

00:07:11,990 --> 00:07:10,479

now that are just confirming uh what

167

00:07:15,589 --> 00:07:12,000

i've always known

168

00:07:17,110 --> 00:07:15,599

about uh my life and what i what i have

169

00:07:20,710 --> 00:07:17,120

been involved in

170

00:07:23,110 --> 00:07:20,720

so um having that confirmation

171

00:07:24,309 --> 00:07:23,120

and just getting more every day as every

172

00:07:27,830 --> 00:07:24,319

day goes on

173

00:07:30,870 --> 00:07:27,840

is uh is very it's very healing

174

00:07:34,710 --> 00:07:30,880

and uh it just uh it's uh

175

00:07:34,720 --> 00:07:39,029

so cool so cool

176

00:07:42,230 --> 00:07:40,870

oh man now this look at this feedback

177

00:07:45,270 --> 00:07:42,240

we're getting is pretty bad

178

00:07:45,990 --> 00:07:45,280

um let's see so we've heard from a lot

179

00:07:48,230 --> 00:07:46,000

of people

180

00:07:50,070 --> 00:07:48,240

who believe something is happening

181

00:07:53,189 --> 00:07:50,080

behind the scenes

182

00:07:55,270 --> 00:07:53,199

and you know there's a very real

183

00:07:55,830 --> 00:07:55,280

possibility that there's a lot of people

184

00:07:58,790 --> 00:07:55,840

out there

185

00:07:59,830 --> 00:07:58,800

that are my lab property and when you

186

00:08:03,430 --> 00:07:59,840

have my lab

187

00:08:07,510 --> 00:08:03,440

experiences they they may not know that

188

00:08:13,029 --> 00:08:10,710

uh that's yes that's the nature of the

189

00:08:14,869 --> 00:08:13,039

uh of the programs and that the my lab

190

00:08:18,230 --> 00:08:14,879

experience is uh

191

00:08:19,670 --> 00:08:18,240

for you not to know um that that there's

192

00:08:22,150 --> 00:08:19,680

something going on

193

00:08:23,350 --> 00:08:22,160

like through different um mind control

194

00:08:26,469 --> 00:08:23,360

techniques

195

00:08:28,070 --> 00:08:26,479

and uh just uh different um advanced

196

00:08:31,350 --> 00:08:28,080

technologies

197

00:08:35,990 --> 00:08:31,360

that are being used on on people

198

00:08:37,829 --> 00:08:36,000

uh to control um their minds because

199

00:08:39,430 --> 00:08:37,839

um if you can control the mind you can

200

00:08:42,790 --> 00:08:39,440

control the soul

201
00:08:46,230 --> 00:08:42,800
and uh right now we're at like a

202
00:08:49,350 --> 00:08:46,240
a very like a pivotal time in time where

203
00:08:52,870 --> 00:08:49,360
uh we're going through the ascension and

204
00:08:55,990 --> 00:08:52,880
um like souls are awakening and

205
00:08:59,110 --> 00:08:56,000
the powers that uh have been

206
00:09:00,150 --> 00:08:59,120
have been able to uh control people's

207
00:09:03,190 --> 00:09:00,160
minds

208
00:09:06,870 --> 00:09:03,200
with advanced technology like covert

209
00:09:09,590 --> 00:09:06,880
uh advanced technology um that

210
00:09:11,030 --> 00:09:09,600
has been being used on uh the mountain

211
00:09:13,430 --> 00:09:11,040
to humanity

212
00:09:14,550 --> 00:09:13,440
and um now all that's getting exposed

213
00:09:17,190 --> 00:09:14,560

right now

214

00:09:18,630 --> 00:09:17,200

and uh people are waking up to that like

215

00:09:22,230 --> 00:09:18,640

that this has been

216

00:09:26,150 --> 00:09:22,240

really what's been going on is um that

217

00:09:29,430 --> 00:09:26,160

that uh we we have been uh

218

00:09:30,389 --> 00:09:29,440

being uh targeted by advanced covert

219

00:09:32,790 --> 00:09:30,399

weaponry

220

00:09:35,190 --> 00:09:32,800

and it has been being used on the earth

221

00:09:37,750 --> 00:09:35,200

and now more people are starting to

222

00:09:39,269 --> 00:09:37,760

wake up and ask questions about what's

223

00:09:41,990 --> 00:09:39,279

really going on waking up

224

00:09:42,470 --> 00:09:42,000

out of this out of the sleep um that

225

00:09:45,910 --> 00:09:42,480

they

226

00:09:47,350 --> 00:09:45,920

have been um mesmerizing us in with many

227

00:09:49,990 --> 00:09:47,360

different means

228

00:09:51,430 --> 00:09:50,000

um but people are waking up and uh

229

00:09:52,710 --> 00:09:51,440

that's why they're calling it the great

230

00:09:55,430 --> 00:09:52,720

awakening

231

00:09:56,150 --> 00:09:55,440

because um everybody's asking questions

232

00:09:58,230 --> 00:09:56,160

now

233

00:09:59,750 --> 00:09:58,240

and it's just kind of like uh the

234

00:10:03,110 --> 00:09:59,760

hundredth monkey

235

00:10:04,790 --> 00:10:03,120

um is obviously uh happening

236

00:10:06,949 --> 00:10:04,800

it's it's it's in the process of

237

00:10:09,990 --> 00:10:06,959

happening

238

00:10:12,310 --> 00:10:10,000

yeah i i'm i'm with you it really is

239

00:10:13,590 --> 00:10:12,320

and there's there's a lot of

240

00:10:17,110 --> 00:10:13,600

metaphysical

241

00:10:20,389 --> 00:10:17,120

abilities that get people curious

242

00:10:22,710 --> 00:10:20,399

about black operations and even

243

00:10:24,230 --> 00:10:22,720

time travel technology could we go a

244

00:10:25,110 --> 00:10:24,240

little bit just kind of dip our finger

245

00:10:26,949 --> 00:10:25,120

into that

246

00:10:28,949 --> 00:10:26,959

some people even call it poltergeist or

247

00:10:33,190 --> 00:10:28,959

hauntings uh yes

248

00:10:36,389 --> 00:10:33,200

um because uh you know we have lived

249

00:10:37,990 --> 00:10:36,399

in like a reality uh where the

250

00:10:42,550 --> 00:10:38,000

consciousness

251
00:10:45,110 --> 00:10:42,560
of of the mass of our of our species has

252
00:10:47,030 --> 00:10:45,120
uh been pretty much told that time

253
00:10:50,069 --> 00:10:47,040
travel uh

254
00:10:53,509 --> 00:10:50,079
yeah it doesn't exist you know

255
00:10:55,350 --> 00:10:53,519
and and that uh that's the pretty much

256
00:10:57,990 --> 00:10:55,360
the education that's been

257
00:10:59,110 --> 00:10:58,000
um taught you know through obviously

258
00:11:02,150 --> 00:10:59,120
physics

259
00:11:04,230 --> 00:11:02,160
um that science is teaching um

260
00:11:05,829 --> 00:11:04,240
you know the the masters here but

261
00:11:09,590 --> 00:11:05,839
obviously once you start

262
00:11:13,110 --> 00:11:09,600
getting into quantum physics and um

263
00:11:16,150 --> 00:11:13,120

other uh metaphysical aspects like um

264

00:11:19,350 --> 00:11:16,160

you start to like open up

265

00:11:22,949 --> 00:11:19,360

um uh new doors you know

266

00:11:24,630 --> 00:11:22,959

into uh new understandings of of reality

267

00:11:32,069 --> 00:11:24,640

and what's actually

268

00:11:35,430 --> 00:11:32,079

um which is obviously a

269

00:11:35,829 --> 00:11:35,440

uh step into a whole new world which is

270

00:11:39,190 --> 00:11:35,839

uh

271

00:11:41,190 --> 00:11:39,200

actually part of the hero's journey um

272

00:11:43,030 --> 00:11:41,200

it uh you know you start on the world

273

00:11:45,269 --> 00:11:43,040

with common day

274

00:11:46,790 --> 00:11:45,279

and um that that is like you know your

275

00:11:50,230 --> 00:11:46,800

everyday world

276

00:11:52,389 --> 00:11:50,240

um great it's grown all day every day

277

00:11:54,069 --> 00:11:52,399

you know nothing's changing everything's

278

00:11:56,710 --> 00:11:54,079

the same

279

00:11:57,350 --> 00:11:56,720

and then um you get the call to

280

00:12:00,230 --> 00:11:57,360

adventure

281

00:12:00,550 --> 00:12:00,240

you know you get the call to something

282

00:12:02,470 --> 00:12:00,560

uh

283

00:12:04,069 --> 00:12:02,480

you know there's gotta be something more

284

00:12:06,470 --> 00:12:04,079

going on

285

00:12:08,150 --> 00:12:06,480

you know there's gotta be more uh going

286

00:12:11,829 --> 00:12:08,160

on meets the eye

287

00:12:13,030 --> 00:12:11,839

and uh that's when uh one will take the

288

00:12:16,389 --> 00:12:13,040

red pill

289

00:12:19,269 --> 00:12:16,399

and you know open up pandora's box

290

00:12:20,310 --> 00:12:19,279

uh to see how deep the rabbit hole goes

291

00:12:23,269 --> 00:12:20,320

and they will

292

00:12:24,150 --> 00:12:23,279

take a step into the extraordinary world

293

00:12:26,710 --> 00:12:24,160

which is uh

294

00:12:27,829 --> 00:12:26,720

you know obviously a uh step into a

295

00:12:30,550 --> 00:12:27,839

whole new world

296

00:12:32,389 --> 00:12:30,560

and then obviously there's um a whole

297

00:12:34,230 --> 00:12:32,399

adventure after that

298

00:12:35,590 --> 00:12:34,240

um that has to do with the hero's

299

00:12:38,870 --> 00:12:35,600

journey and uh

300

00:12:42,230 --> 00:12:38,880

obviously the path to truth amen so

301
00:12:44,470 --> 00:12:42,240
um everybody's awakening right now

302
00:12:46,150 --> 00:12:44,480
and um you know everybody is going

303
00:12:47,269 --> 00:12:46,160
through their own personal hero's

304
00:12:49,670 --> 00:12:47,279
journey

305
00:12:51,030 --> 00:12:49,680
and um that that's just what i have

306
00:12:54,069 --> 00:12:51,040
understood is happening

307
00:12:56,870 --> 00:12:54,079
right now yes and

308
00:12:58,790 --> 00:12:56,880
you know black operations black

309
00:13:02,470 --> 00:12:58,800
operations have been the most

310
00:13:06,710 --> 00:13:02,480
covert and uh and and secret

311
00:13:07,829 --> 00:13:06,720
um uh operations and things that are

312
00:13:11,430 --> 00:13:07,839
going on

313
00:13:14,550 --> 00:13:11,440

uh because if their existence

314

00:13:19,590 --> 00:13:14,560

was known about it it would um

315

00:13:20,150 --> 00:13:19,600

obviously um it would it would give a it

316

00:13:23,190 --> 00:13:20,160

would

317

00:13:24,949 --> 00:13:23,200

about it

318

00:13:26,230 --> 00:13:24,959

just a whole nother reality and a whole

319

00:13:28,310 --> 00:13:26,240

new world

320

00:13:30,550 --> 00:13:28,320

which is uh what is happening right now

321

00:13:33,910 --> 00:13:30,560

because once this information

322

00:13:35,350 --> 00:13:33,920

is uh starting to get um understood by

323

00:13:39,269 --> 00:13:35,360

more people

324

00:13:42,069 --> 00:13:39,279

that's when the um the the parallel

325

00:13:44,230 --> 00:13:42,079

uh reality that's actually the real

326

00:13:47,269 --> 00:13:44,240

reality will bleed through

327

00:13:48,550 --> 00:13:47,279

into this reality and um and that

328

00:13:52,949 --> 00:13:48,560

reality

329

00:13:55,509 --> 00:13:52,959

uh will be uh will be um our future

330

00:13:57,509 --> 00:13:55,519

so uh that's what's happening right now

331

00:13:58,389 --> 00:13:57,519

is um as the great awakening is

332

00:14:00,230 --> 00:13:58,399

happening

333

00:14:03,590 --> 00:14:00,240

uh the truth is getting out to more

334

00:14:04,470 --> 00:14:03,600

people and um that is going to make uh

335

00:14:07,829 --> 00:14:04,480

this

336

00:14:11,590 --> 00:14:07,839

one

337

00:14:14,790 --> 00:14:11,600

and that will be uh a mandela effect

338

00:14:16,389 --> 00:14:14,800

because um it will be a giant mandela

339

00:14:17,829 --> 00:14:16,399

effect because people know about the

340

00:14:21,990 --> 00:14:17,839

mandela effect

341

00:14:24,790 --> 00:14:22,000

reality

342

00:14:26,069 --> 00:14:24,800

and uh people will think that things

343

00:14:27,990 --> 00:14:26,079

were one way

344

00:14:29,189 --> 00:14:28,000

but now um they're going to learn that

345

00:14:32,550 --> 00:14:29,199

things are

346

00:14:35,910 --> 00:14:32,560

another way and then that will manifest

347

00:14:39,350 --> 00:14:35,920

that reality into this one

348

00:14:42,949 --> 00:14:39,360

so cool man you know another another

349

00:14:43,990 --> 00:14:42,959

interesting thing that uh really drew my

350

00:14:46,310 --> 00:14:44,000

attention to your

351

00:14:47,269 --> 00:14:46,320

work and a lot of the things you talk

352

00:14:49,189 --> 00:14:47,279

about is

353

00:14:51,189 --> 00:14:49,199

i may have come across some contacts

354

00:14:54,710 --> 00:14:51,199

that i boo i believe

355

00:14:58,949 --> 00:14:54,720

are in a quote-unquote adjustment bureau

356

00:15:01,189 --> 00:14:58,959

something i never knew about before and

357

00:15:03,509 --> 00:15:01,199

this is something i've heard you talk

358

00:15:06,310 --> 00:15:03,519

about some other people talk about

359

00:15:07,509 --> 00:15:06,320

another interesting correlation is you

360

00:15:10,150 --> 00:15:07,519

had a grandfather

361

00:15:11,110 --> 00:15:10,160

if i'm not mistaken who kind of you know

362

00:15:12,790 --> 00:15:11,120

was an engineer

363

00:15:14,790 --> 00:15:12,800

and this is sort of a family business

364

00:15:15,509 --> 00:15:14,800

type thing but a lot of people don't

365

00:15:18,949 --> 00:15:15,519

realize

366

00:15:19,990 --> 00:15:18,959

it until you know they have that great

367

00:15:22,389 --> 00:15:20,000

awakening

368

00:15:23,269 --> 00:15:22,399

genetic wise i mean genetics is

369

00:15:26,470 --> 00:15:23,279

interesting

370

00:15:28,870 --> 00:15:26,480

uh definitely uh it's it's

371

00:15:31,430 --> 00:15:28,880

a great awakening because it's uh it's

372

00:15:33,430 --> 00:15:31,440

been kept secret but obviously

373

00:15:35,430 --> 00:15:33,440

like the whole this whole thing is uh

374

00:15:38,710 --> 00:15:35,440

from dark to light

375

00:15:39,590 --> 00:15:38,720

and um and obviously the light is is

376

00:15:42,389 --> 00:15:39,600

obviously

377

00:15:43,829 --> 00:15:42,399

about exposing the darkness and what's

378

00:15:45,670 --> 00:15:43,839

been secret

379

00:15:47,189 --> 00:15:45,680

and that's that's what's happening right

380

00:15:50,230 --> 00:15:47,199

now um with

381

00:15:53,670 --> 00:15:50,240

um obviously very uh

382

00:15:56,949 --> 00:15:53,680

different means of intervention um from

383

00:16:00,550 --> 00:15:56,959

from uh um friends

384

00:16:04,150 --> 00:16:00,560

like in higher places and uh

385

00:16:08,150 --> 00:16:04,160

um this is happening because uh

386

00:16:10,790 --> 00:16:08,160

the timeline has been changed and and

387

00:16:12,150 --> 00:16:10,800

this does have to do with time travel

388

00:16:16,550 --> 00:16:12,160

and um

389

00:16:19,269 --> 00:16:16,560

uh we we are we are definitely

390

00:16:20,870 --> 00:16:19,279

um more people are waking up to things

391

00:16:23,910 --> 00:16:20,880

that have been secret

392

00:16:27,030 --> 00:16:23,920

like uh my grandfather um

393

00:16:29,189 --> 00:16:27,040

you know what he was involved in uh

394

00:16:30,230 --> 00:16:29,199

he could never talk about like to his

395

00:16:32,310 --> 00:16:30,240

family

396

00:16:33,509 --> 00:16:32,320

um he never could talk about anything he

397

00:16:36,389 --> 00:16:33,519

was involved in

398

00:16:37,509 --> 00:16:36,399

and then obviously i put together the

399

00:16:39,910 --> 00:16:37,519

pieces

400

00:16:41,590 --> 00:16:39,920

of other things he was involved in and

401
00:16:43,670 --> 00:16:41,600
got other sources

402
00:16:45,030 --> 00:16:43,680
um information about what he was

403
00:16:48,949 --> 00:16:45,040
involved in

404
00:16:52,949 --> 00:16:48,959
which were things like black operations

405
00:16:56,230 --> 00:16:52,959
um uh star wars uh defensive initiative

406
00:16:59,269 --> 00:16:56,240
he worked on that he worked on lasers uh

407
00:16:59,910 --> 00:16:59,279
propulsion systems uh and then

408
00:17:02,629 --> 00:16:59,920
everything

409
00:17:04,069 --> 00:17:02,639
uh even time travel like he was involved

410
00:17:07,150 --> 00:17:04,079
in that but he couldn't even say

411
00:17:08,789 --> 00:17:07,160
that but he was uh involved in a

412
00:17:12,630 --> 00:17:08,799
compartmentalized

413
00:17:16,150 --> 00:17:12,640

uh program with all these uh different

414

00:17:18,309 --> 00:17:16,160

facets which obviously are are part of

415

00:17:21,189 --> 00:17:18,319

the secret space program

416

00:17:22,470 --> 00:17:21,199

and um that did start with my

417

00:17:24,150 --> 00:17:22,480

grandfather

418

00:17:25,510 --> 00:17:24,160

and his involvement with the space

419

00:17:29,669 --> 00:17:25,520

program

420

00:17:33,669 --> 00:17:29,679

but uh obviously uh with genetics

421

00:17:35,350 --> 00:17:33,679

and uh people's family's involvement

422

00:17:37,590 --> 00:17:35,360

that's what people are waking up to and

423

00:17:41,350 --> 00:17:37,600

my family is one of them

424

00:17:45,590 --> 00:17:41,360

so we're definitely all starseeds

425

00:17:49,270 --> 00:17:45,600

and part of a time traveling

426
00:17:52,070 --> 00:17:49,280
lineage um is what i found out from from

427
00:17:53,430 --> 00:17:52,080
um my source which is uh peter the

428
00:17:56,470 --> 00:17:53,440
insider

429
00:17:57,270 --> 00:17:56,480
who is uh the 12th uh the division of

430
00:18:00,310 --> 00:17:57,280
the

431
00:18:04,549 --> 00:18:00,320
acio

432
00:18:06,390 --> 00:18:04,559
and um uh basically

433
00:18:08,630 --> 00:18:06,400
things are starting to uh more

434
00:18:12,070 --> 00:18:08,640
information is starting to come to light

435
00:18:15,990 --> 00:18:12,080
about things that have been in the dark

436
00:18:19,590 --> 00:18:16,000
so i'm just coming out with my uh

437
00:18:23,190 --> 00:18:19,600
testimony about everything in my life uh

438
00:18:26,310 --> 00:18:23,200

that has led me to um understand

439

00:18:29,830 --> 00:18:26,320

that i've been involved in uh the

440

00:18:32,950 --> 00:18:29,840

secret space program so and um

441

00:18:33,430 --> 00:18:32,960

i'm gonna keep disclosing everything as

442

00:18:36,470 --> 00:18:33,440

uh

443

00:18:38,870 --> 00:18:36,480

things are unfolding in my life

444

00:18:39,909 --> 00:18:38,880

man and that is what it's so cool you're

445

00:18:43,430 --> 00:18:39,919

like one of the most

446

00:18:45,669 --> 00:18:43,440

authentic i believe uh people

447

00:18:46,630 --> 00:18:45,679

that i've been pointed at time and time

448

00:18:49,270 --> 00:18:46,640

again

449

00:18:50,549 --> 00:18:49,280

and um i was just so happy to get in

450

00:18:51,750 --> 00:18:50,559

contact with you and

451
00:18:53,909 --> 00:18:51,760
when i heard you were down here at the

452
00:18:58,150 --> 00:18:53,919
biomed conference i just thought this is

453
00:19:00,230 --> 00:18:58,160
everything is ready to go um it's time

454
00:19:01,430 --> 00:19:00,240
now i wanted to hit you up with

455
00:19:04,150 --> 00:19:01,440
something really cool

456
00:19:05,430 --> 00:19:04,160
uh you may know the person i i you know

457
00:19:08,549 --> 00:19:05,440
a lot of the people

458
00:19:11,990 --> 00:19:08,559
i believe the name is silk silky f

459
00:19:14,230 --> 00:19:12,000
official silky f i i recently

460
00:19:15,190 --> 00:19:14,240
this is a person i just read some stuff

461
00:19:18,789 --> 00:19:15,200
to our listeners

462
00:19:21,830 --> 00:19:18,799
uh just a a while ago

463
00:19:24,630 --> 00:19:21,840

and you know and it's just the idea

464

00:19:26,870 --> 00:19:24,640

that everything around humans was

465

00:19:27,350 --> 00:19:26,880

created by an artificial intelligence

466

00:19:30,310 --> 00:19:27,360

system

467

00:19:31,590 --> 00:19:30,320

and that the universe is so old that

468

00:19:33,110 --> 00:19:31,600

this has been played out

469

00:19:34,789 --> 00:19:33,120

millions of times could you go into that

470

00:19:39,110 --> 00:19:34,799

because i think you explain it more

471

00:19:42,470 --> 00:19:39,120

realistically than anyone i've heard

472

00:19:46,230 --> 00:19:42,480

yeah um um basically

473

00:19:49,430 --> 00:19:46,240

uh you know once you start awakening

474

00:19:53,350 --> 00:19:49,440

um to uh you know uh

475

00:19:56,870 --> 00:19:53,360

out of out of the uh the control matrix

476
00:19:57,669 --> 00:19:56,880
you start to uh well what was explained

477
00:20:00,150 --> 00:19:57,679
to me

478
00:20:01,110 --> 00:20:00,160
like um i i learned this in the mystery

479
00:20:04,789 --> 00:20:01,120
schools

480
00:20:07,029 --> 00:20:04,799
and even even my mentor um taught me

481
00:20:08,549 --> 00:20:07,039
like uh once you started awakening

482
00:20:09,430 --> 00:20:08,559
you're gonna you're gonna want to learn

483
00:20:10,870 --> 00:20:09,440
everything

484
00:20:12,789 --> 00:20:10,880
like you're just gonna want to learn

485
00:20:16,070 --> 00:20:12,799
everything at once

486
00:20:17,830 --> 00:20:16,080
um but obviously you can only uh take

487
00:20:20,950 --> 00:20:17,840
him so much

488
00:20:24,710 --> 00:20:20,960

so um when i i did start

489

00:20:25,110 --> 00:20:24,720

awakening um i i went from reading

490

00:20:33,270 --> 00:20:25,120

like

491

00:20:36,070 --> 00:20:33,280

books

492

00:20:36,710 --> 00:20:36,080

at a time and um because i just wanted

493

00:20:40,070 --> 00:20:36,720

to know

494

00:20:43,029 --> 00:20:40,080

uh like um uh

495

00:20:45,430 --> 00:20:43,039

what what had always been hidden uh from

496

00:20:49,270 --> 00:20:45,440

humanity i wanted to know it and

497

00:20:52,789 --> 00:20:49,280

this did have to do with um me obviously

498

00:20:54,310 --> 00:20:52,799

awakening to being involved in abduction

499

00:20:58,470 --> 00:20:54,320

experiences

500

00:21:01,190 --> 00:20:58,480

and um and obviously i had uh

501
00:21:02,310 --> 00:21:01,200
extra sensory experiences that are

502
00:21:05,909 --> 00:21:02,320
happening

503
00:21:09,190 --> 00:21:05,919
to me um to make me uh want to

504
00:21:12,470 --> 00:21:09,200
uh go into this knowledge seeking

505
00:21:16,970 --> 00:21:12,480
phase of uh of of what

506
00:21:19,029 --> 00:21:16,980
had been hidden from me yeah and um

507
00:21:22,789 --> 00:21:19,039
[Music]

508
00:21:25,909 --> 00:21:22,799
basically uh i i i started to

509
00:21:29,430 --> 00:21:25,919
uh i i came upon

510
00:21:30,710 --> 00:21:29,440
a few different books um awakening to

511
00:21:34,950 --> 00:21:30,720
zero point

512
00:21:35,590 --> 00:21:34,960
by greg braden and um and in that book i

513
00:21:39,350 --> 00:21:35,600

found

514

00:21:43,510 --> 00:21:39,360

out uh uh about the emerald tablets

515

00:21:46,549 --> 00:21:43,520

of top uh the atlanteans

516

00:21:50,789 --> 00:21:46,559

and when i read uh the tablets

517

00:21:53,990 --> 00:21:50,799

of of talk they land in uh you know

518

00:21:58,070 --> 00:21:54,000

that that's when uh everything

519

00:22:01,590 --> 00:21:58,080

changed for me and um i obviously

520

00:22:05,190 --> 00:22:01,600

uh got access to my uh

521

00:22:06,470 --> 00:22:05,200

kasich records and um if you read them

522

00:22:10,230 --> 00:22:06,480

or tablets have talked

523

00:22:13,510 --> 00:22:10,240

uh it it basically uh

524

00:22:15,190 --> 00:22:13,520

is is able to turn a consciousness uh

525

00:22:18,149 --> 00:22:15,200

from an esoteric

526

00:22:20,149 --> 00:22:18,159

perspective yeah into an esoteric

527

00:22:22,470 --> 00:22:20,159

perspective

528

00:22:23,270 --> 00:22:22,480

and uh it's it's it's written so

529

00:22:26,549 --> 00:22:23,280

beautifully

530

00:22:29,750 --> 00:22:26,559

and an ancient um like magical

531

00:22:33,029 --> 00:22:29,760

uh writing that that um

532

00:22:36,070 --> 00:22:33,039

anyone that reads it that is an old soul

533

00:22:39,430 --> 00:22:36,080

will be able to uh um

534

00:22:43,029 --> 00:22:39,440

start to be able to

535

00:22:44,149 --> 00:22:43,039

awaken their soul's memories and um so

536

00:22:47,430 --> 00:22:44,159

when that happened to me

537

00:22:48,710 --> 00:22:47,440

i just uh wanted to be i mean i started

538

00:22:51,190 --> 00:22:48,720

remembering

539

00:22:53,190 --> 00:22:51,200

um i've always been i've always been

540

00:22:56,710 --> 00:22:53,200

able to remember my dreams

541

00:23:00,230 --> 00:22:56,720

um but obviously uh when i

542

00:23:03,990 --> 00:23:00,240

read these tablets i wanted to

543

00:23:07,510 --> 00:23:04,000

explore more uh and what my dreams were

544

00:23:10,630 --> 00:23:07,520

actually were which

545

00:23:13,990 --> 00:23:10,640

uh were past life memories

546

00:23:17,270 --> 00:23:14,000

um as well as um

547

00:23:21,430 --> 00:23:17,280

missions i've been on in the ssp

548

00:23:25,270 --> 00:23:21,440

and um uh going to parallel dimensions

549

00:23:28,549 --> 00:23:25,280

being on other worlds um and also

550

00:23:33,110 --> 00:23:28,559

being in the future and experiencing

551
00:23:36,710 --> 00:23:33,120
um you know uh parallel timelines and

552
00:23:40,310 --> 00:23:36,720
uh just all kind of different

553
00:23:43,430 --> 00:23:40,320
experiences which um

554
00:23:46,630 --> 00:23:43,440
i'm understanding now uh

555
00:23:50,310 --> 00:23:46,640
is um part of the uh

556
00:23:54,390 --> 00:23:50,320
the mk ultra programming i've been in

557
00:23:57,350 --> 00:23:54,400
and um basically

558
00:23:58,710 --> 00:23:57,360
remembering all of these different um

559
00:24:01,909 --> 00:23:58,720
memories that have been

560
00:24:05,350 --> 00:24:01,919
liked are supposed to be wiped from my

561
00:24:08,149 --> 00:24:05,360
uh memory but um uh the more

562
00:24:08,950 --> 00:24:08,159
soul awakens the more they remember and

563
00:24:12,310 --> 00:24:08,960

um

564

00:24:15,669 --> 00:24:12,320

in in the programs uh there's

565

00:24:19,510 --> 00:24:15,679

like a a small percentage um

566

00:24:23,110 --> 00:24:19,520

where the mind wiping technology

567

00:24:26,630 --> 00:24:23,120

um doesn't it doesn't work

568

00:24:29,269 --> 00:24:26,640

and um for me uh

569

00:24:30,789 --> 00:24:29,279

they do have trip chairs and blank

570

00:24:34,630 --> 00:24:30,799

slating technology

571

00:24:37,510 --> 00:24:34,640

but um i've been able to uh

572

00:24:38,630 --> 00:24:37,520

it doesn't work on me so i'm basically

573

00:24:41,830 --> 00:24:38,640

going through a whole

574

00:24:44,789 --> 00:24:41,840

uh total recall experience of

575

00:24:46,549 --> 00:24:44,799

of uh this whole timeline that i've

576

00:24:48,549 --> 00:24:46,559

experienced is

577

00:24:52,230 --> 00:24:48,559

experienced with different lives and

578

00:24:56,310 --> 00:24:54,549

that goes along with it and and that

579

00:25:00,630 --> 00:24:56,320

obviously does involve

580

00:25:04,310 --> 00:25:00,640

um understanding the origin of humanity

581

00:25:07,510 --> 00:25:04,320

yeah man it is such a

582

00:25:09,510 --> 00:25:07,520

cool like rabbit hole and you know

583

00:25:11,909 --> 00:25:09,520

something that i'm so fascinated with

584

00:25:13,830 --> 00:25:11,919

is the time travel obviously because i

585

00:25:16,390 --> 00:25:13,840

think that that's kind of the

586

00:25:18,149 --> 00:25:16,400

you know this day and age when you

587

00:25:20,390 --> 00:25:18,159

realize the black operations that were

588

00:25:23,110 --> 00:25:20,400

taking place in the 70s

589

00:25:23,430 --> 00:25:23,120

uh you know you start your mind starts

590

00:25:26,630 --> 00:25:23,440

to

591

00:25:28,710 --> 00:25:26,640

reel at the ones that we know about

592

00:25:29,830 --> 00:25:28,720

because that's probably the tip of the

593

00:25:33,750 --> 00:25:29,840

iceberg

594

00:25:35,350 --> 00:25:33,760

and there's um well there's a lot of

595

00:25:37,909 --> 00:25:35,360

projects going on that i

596

00:25:39,510 --> 00:25:37,919

do you know that are taking place all

597

00:25:42,070 --> 00:25:39,520

over the world

598

00:25:43,269 --> 00:25:42,080

in places you would not expect i believe

599

00:25:46,789 --> 00:25:43,279

some of them

600

00:25:48,070 --> 00:25:46,799

right under your noses and people just

601
00:25:51,029 --> 00:25:48,080
aren't aware of them

602
00:25:52,870 --> 00:25:51,039
and yet you know we know that billions

603
00:25:54,830 --> 00:25:52,880
and billions of dollars of our tax money

604
00:25:59,029 --> 00:25:54,840
is going to black ops

605
00:26:01,350 --> 00:25:59,039
and nobody's trillions right like almost

606
00:26:03,269 --> 00:26:01,360
you know a school teacher salary 30 of

607
00:26:08,830 --> 00:26:03,279
it is going probably

608
00:26:13,430 --> 00:26:10,789
existed

609
00:26:14,230 --> 00:26:13,440
yes that that that's all true i mean i

610
00:26:17,029 --> 00:26:14,240
mean um

611
00:26:17,510 --> 00:26:17,039
that is all true because it uh does have

612
00:26:20,230 --> 00:26:17,520
to do

613
00:26:22,630 --> 00:26:20,240

it's a deep brothel hole but it is

614

00:26:25,029 --> 00:26:22,640

coming to light it is being exposed

615

00:26:26,630 --> 00:26:25,039

uh because there have been all these

616

00:26:29,590 --> 00:26:26,640

secret operations

617

00:26:30,310 --> 00:26:29,600

uh that have been going on um that have

618

00:26:33,510 --> 00:26:30,320

uh we

619

00:26:36,630 --> 00:26:33,520

uh have been you know go

620

00:26:39,990 --> 00:26:36,640

taxpayers money has been being used

621

00:26:43,110 --> 00:26:40,000

for developing uh these uh

622

00:26:46,630 --> 00:26:43,120

this whole breakaway civilization

623

00:26:49,350 --> 00:26:46,640

that um like you said the average

624

00:26:50,230 --> 00:26:49,360

uh teacher doesn't will never know about

625

00:26:53,669 --> 00:26:50,240

but um

626
00:26:55,590 --> 00:26:53,679
like that's the thing is uh

627
00:26:56,789 --> 00:26:55,600
part of the freedom and ascension of

628
00:27:00,390 --> 00:26:56,799
this planet

629
00:27:03,990 --> 00:27:00,400
is people knowing about uh this this

630
00:27:07,990 --> 00:27:04,000
whole other reality that's going on

631
00:27:11,269 --> 00:27:08,000
uh because it has been kept from

632
00:27:11,669 --> 00:27:11,279
um the people that have been um enslaved

633
00:27:15,269 --> 00:27:11,679
by

634
00:27:15,750 --> 00:27:15,279
uh the system uh it and like i like to

635
00:27:19,350 --> 00:27:15,760
refer

636
00:27:22,870 --> 00:27:19,360
to um the movie elysium

637
00:27:23,750 --> 00:27:22,880
it uh it is a very good movie to refer

638
00:27:29,350 --> 00:27:23,760

to

639

00:27:30,950 --> 00:27:29,360

that there is uh one level of

640

00:27:32,870 --> 00:27:30,960

civilization

641

00:27:34,950 --> 00:27:32,880

uh that that's operating and then

642

00:27:38,230 --> 00:27:34,960

there's the elite

643

00:27:41,190 --> 00:27:38,240

level um that's operating above them

644

00:27:42,149 --> 00:27:41,200

which uh they're they're already space

645

00:27:43,990 --> 00:27:42,159

traveling

646

00:27:45,269 --> 00:27:44,000

already been the moon already been to

647

00:27:48,470 --> 00:27:45,279

mars already

648

00:27:50,389 --> 00:27:48,480

you know doing uh interdimensional

649

00:27:53,430 --> 00:27:50,399

travel time travel

650

00:27:57,830 --> 00:27:53,440

all of those things um that's the whole

651

00:28:01,430 --> 00:27:57,840

other um reality elite reality

652

00:28:04,870 --> 00:28:01,440

that um has been kept from the masses

653

00:28:09,029 --> 00:28:04,880

uh secretly and um

654

00:28:11,990 --> 00:28:09,039

with the fall of the cabal right now

655

00:28:12,310 --> 00:28:12,000

and uh obviously it's very clear that

656

00:28:16,149 --> 00:28:12,320

this

657

00:28:17,669 --> 00:28:16,159

is happening uh because there's uh so

658

00:28:20,950 --> 00:28:17,679

many things that are

659

00:28:22,950 --> 00:28:20,960

happening uh to indicate that this is

660

00:28:26,789 --> 00:28:22,960

really going on right now

661

00:28:29,990 --> 00:28:26,799

um and uh

662

00:28:33,430 --> 00:28:30,000

when when everybody is when

663

00:28:36,870 --> 00:28:33,440

um taken care of uh that's when

664

00:28:39,510 --> 00:28:36,880

uh this reality that's been kept from

665

00:28:39,909 --> 00:28:39,520

uh the three-dimensional consciousness

666

00:28:51,909 --> 00:28:39,919

uh

667

00:28:54,070 --> 00:28:51,919

experience because we're in a

668

00:28:58,549 --> 00:28:54,080

dimensional shift right now

669

00:29:02,549 --> 00:28:58,559

and um and that's why everything is so

670

00:29:07,269 --> 00:29:02,559

weird right now it's it is so weird

671

00:29:10,389 --> 00:29:07,279

and um but uh i was i was uh

672

00:29:12,149 --> 00:29:10,399

prepared i was prepared um in the

673

00:29:15,350 --> 00:29:12,159

schools that i was in

674

00:29:18,549 --> 00:29:15,360

um for this time uh when

675

00:29:20,070 --> 00:29:18,559

everything would collapse and and and

676

00:29:20,950 --> 00:29:20,080

just to be prepared for this time

677

00:29:23,510 --> 00:29:20,960

because

678

00:29:25,190 --> 00:29:23,520

uh what was the most important thing to

679

00:29:28,230 --> 00:29:25,200

understand about this time

680

00:29:30,310 --> 00:29:28,240

is to be able to make it through it uh

681

00:29:32,870 --> 00:29:30,320

because if you made it through it you'd

682

00:29:36,070 --> 00:29:32,880

be able to get to the other side

683

00:29:39,430 --> 00:29:36,080

of it where where all these technologies

684

00:29:42,149 --> 00:29:39,440

and this reality is gonna be um

685

00:29:44,389 --> 00:29:42,159

is going to be experienced in the future

686

00:29:47,350 --> 00:29:44,399

in the near future

687

00:29:49,909 --> 00:29:47,360

man it's so mesmerizing because you know

688

00:29:52,950 --> 00:29:49,919

it's it's a tantalizing thing

689

00:29:54,070 --> 00:29:52,960

and when you realize you know that these

690

00:29:57,590 --> 00:29:54,080

bloodlines

691

00:30:00,870 --> 00:29:57,600

via the mystery schools also enter into

692

00:30:02,549 --> 00:30:00,880

how humans had no idea about genes and

693

00:30:05,029 --> 00:30:02,559

all sudden the human

694

00:30:06,389 --> 00:30:05,039

gene decodes a very complex sequence

695

00:30:09,590 --> 00:30:06,399

that the normal person

696

00:30:11,590 --> 00:30:09,600

doesn't understand and you know like a

697

00:30:12,310 --> 00:30:11,600

computer language of some kind or an

698

00:30:14,230 --> 00:30:12,320

algorithm

699

00:30:15,590 --> 00:30:14,240

that's expressed mathematically in

700

00:30:18,630 --> 00:30:15,600

medical language

701
00:30:20,789 --> 00:30:18,640
you know it seems that

702
00:30:22,149 --> 00:30:20,799
the question arises about whether humans

703
00:30:25,110 --> 00:30:22,159
with their genes are even

704
00:30:25,750 --> 00:30:25,120
biological beings because genetics seems

705
00:30:29,350 --> 00:30:25,760
to be

706
00:30:32,230 --> 00:30:29,360
a secret project which is not concerned

707
00:30:34,710 --> 00:30:32,240
right genetics those who are like right

708
00:30:37,190 --> 00:30:34,720
am i right like the genetics genome

709
00:30:38,230 --> 00:30:37,200
is almost kind of like how i guess

710
00:30:41,750 --> 00:30:38,240
transhumanism

711
00:30:45,909 --> 00:30:44,230
yeah yeah you know there's a lot of

712
00:30:49,350 --> 00:30:45,919
different things that uh

713
00:30:53,190 --> 00:30:49,360

indicate how genetics is kind of like uh

714

00:30:56,230 --> 00:30:53,200

the holy grail of science you know

715

00:30:59,509 --> 00:30:56,240

and um uh for for

716

00:31:02,710 --> 00:30:59,519

uh it's this planet and uh

717

00:31:05,590 --> 00:31:02,720

the evolution um that's happening here

718

00:31:07,269 --> 00:31:05,600

you know um that that's why they're uh

719

00:31:10,310 --> 00:31:07,279

taking my labs

720

00:31:13,590 --> 00:31:10,320

you know um that that's why they're

721

00:31:14,870 --> 00:31:13,600

um involved in in uh in military

722

00:31:17,990 --> 00:31:14,880

abductions

723

00:31:21,750 --> 00:31:18,000

is to study human genetics and uh

724

00:31:25,750 --> 00:31:21,760

be able to uh basically enhance

725

00:31:29,669 --> 00:31:25,760

the genetics with uh

726

00:31:32,870 --> 00:31:29,679

you know alien genetics as well and um

727

00:31:36,389 --> 00:31:32,880

it's just it's just a big experiment

728

00:31:36,789 --> 00:31:36,399

but um but obviously uh the whole thing

729

00:31:40,310 --> 00:31:36,799

about

730

00:31:43,590 --> 00:31:40,320

human genetics is that uh we can

731

00:31:46,789 --> 00:31:43,600

uh evolve our own genetics

732

00:31:48,230 --> 00:31:46,799

through um through uh different means

733

00:31:53,029 --> 00:31:48,240

with all like mine

734

00:31:56,230 --> 00:31:53,039

and um and evolution and like meditation

735

00:31:58,310 --> 00:31:56,240

and martial arts and uh all the

736

00:32:01,509 --> 00:31:58,320

different arts and sciences

737

00:32:04,310 --> 00:32:01,519

uh basically um we can

738

00:32:05,909 --> 00:32:04,320

we can evolve our genetics and that's

739

00:32:09,190 --> 00:32:05,919

what they're studying

740

00:32:11,590 --> 00:32:09,200

and um why they have uh

741

00:32:12,310 --> 00:32:11,600

super soldiers and and different

742

00:32:16,070 --> 00:32:12,320

projects

743

00:32:20,230 --> 00:32:16,080

um that are involved with uh basically

744

00:32:23,590 --> 00:32:20,240

uh the the best and the brightest

745

00:32:28,630 --> 00:32:23,600

of the world are uh are

746

00:32:32,149 --> 00:32:28,640

are utilized in these programs and um

747

00:32:35,669 --> 00:32:32,159

it does have to do with uh uh

748

00:32:38,710 --> 00:32:35,679

souls reincarnating and um

749

00:32:40,149 --> 00:32:38,720

obviously uh remembering things from

750

00:32:41,990 --> 00:32:40,159

their past life because that would have

751

00:32:43,909 --> 00:32:42,000

to do with uh

752

00:32:45,509 --> 00:32:43,919

intelligence like the evolution of

753

00:32:49,590 --> 00:32:45,519

intelligence because

754

00:32:53,190 --> 00:32:49,600

um one of the things is past lives

755

00:32:55,350 --> 00:32:53,200

uh has been uh

756

00:32:56,710 --> 00:32:55,360

the truth of it has basically been

757

00:32:59,909 --> 00:32:56,720

eradicated

758

00:33:03,190 --> 00:32:59,919

uh from from our our consciousness

759

00:33:06,549 --> 00:33:03,200

so that uh we don't evolve because

760

00:33:09,269 --> 00:33:06,559

if if we knew reincarnation was

761

00:33:10,549 --> 00:33:09,279

a truth that would mean that that we we

762

00:33:12,789 --> 00:33:10,559

don't die

763

00:33:14,070 --> 00:33:12,799

which they say there there is no death

764

00:33:17,350 --> 00:33:14,080

no one ever really died so

765

00:33:18,230 --> 00:33:17,360

um that that's an understanding i

766

00:33:21,269 --> 00:33:18,240

believe

767

00:33:24,230 --> 00:33:21,279

uh that has to do with ascension and

768

00:33:25,830 --> 00:33:24,240

understanding higher uh consciousnesses

769

00:33:29,110 --> 00:33:25,840

and other dimensions

770

00:33:32,389 --> 00:33:29,120

um which is in the process of happening

771

00:33:34,710 --> 00:33:32,399

uh uh and bleeding through um

772

00:33:36,950 --> 00:33:34,720

is like you know people always ask you

773

00:33:40,789 --> 00:33:36,960

know they get visits from their

774

00:33:44,630 --> 00:33:40,799

ancestors and all these things and um

775

00:33:47,990 --> 00:33:44,640

uh the spiritual world is definitely

776

00:33:50,950 --> 00:33:48,000

uh becoming more of a reality than the

777

00:33:55,190 --> 00:33:53,750

amen brother amen and i wanted to kind

778

00:33:56,870 --> 00:33:55,200

of gosh i want to go down so many

779

00:33:57,830 --> 00:33:56,880

pathways i just there's just not enough

780

00:34:01,029 --> 00:33:57,840

time right now

781

00:34:03,029 --> 00:34:01,039

but um everything it seems

782

00:34:04,470 --> 00:34:03,039

i mean you're just on everything i'm

783

00:34:06,310 --> 00:34:04,480

you're just hitting on everything that i

784

00:34:09,589 --> 00:34:06,320

wanted to touch it's awesome

785

00:34:11,109 --> 00:34:09,599

i wanted to hit a little bit on you know

786

00:34:13,909 --> 00:34:11,119

being military

787

00:34:15,109 --> 00:34:13,919

and how especially people that are

788

00:34:17,510 --> 00:34:15,119

military

789

00:34:19,349 --> 00:34:17,520

when these things happen to them you

790

00:34:19,990 --> 00:34:19,359

know once you sign into the military you

791

00:34:22,790 --> 00:34:20,000

really have no

792

00:34:23,109 --> 00:34:22,800

recourse i mean other than you know it

793

00:34:24,950 --> 00:34:23,119

just

794

00:34:26,230 --> 00:34:24,960

is what it is you are technically

795

00:34:28,310 --> 00:34:26,240

property of the us

796

00:34:30,069 --> 00:34:28,320

government and then i kind of wanted if

797

00:34:31,750 --> 00:34:30,079

you can just jump right into implants if

798

00:34:33,750 --> 00:34:31,760

you want and then

799

00:34:35,270 --> 00:34:33,760

well really the one i wanted to get into

800

00:34:37,589 --> 00:34:35,280

is you know just

801

00:34:38,550 --> 00:34:37,599

relating to ai like predatory

802

00:34:41,109 --> 00:34:38,560

pathological

803

00:34:42,470 --> 00:34:41,119

artificial intelligence you know and and

804

00:34:44,710 --> 00:34:42,480

those two questions so

805

00:34:45,750 --> 00:34:44,720

yeah black ops implants and what was the

806

00:34:49,109 --> 00:34:45,760

other and

807

00:34:53,030 --> 00:34:49,119

uh the the deep underground military

808

00:34:56,470 --> 00:34:55,510

yeah um because that's all obviously all

809

00:35:01,190 --> 00:34:56,480

connected

810

00:35:02,790 --> 00:35:01,200

to you know the best of that camp well

811

00:35:04,310 --> 00:35:02,800

okay i'm gonna i'm gonna go even deeper

812

00:35:06,710 --> 00:35:04,320

if you're down

813

00:35:07,670 --> 00:35:06,720

are you down okay because i'm always

814

00:35:09,510 --> 00:35:07,680

down i'll just

815

00:35:11,190 --> 00:35:09,520

just come right out from the shadows and

816

00:35:14,150 --> 00:35:11,200

tell you why i'm so

817

00:35:15,589 --> 00:35:14,160

interested in this um there's some

818

00:35:18,630 --> 00:35:15,599

fascinating areas

819

00:35:20,310 --> 00:35:18,640

that are quote unquote known or people

820

00:35:22,230 --> 00:35:20,320

say they have you know oh there might be

821

00:35:24,150 --> 00:35:22,240

a military base there they usually have

822

00:35:27,510 --> 00:35:24,160

ufo activity

823

00:35:29,349 --> 00:35:27,520

there's usually sightings and nowadays

824

00:35:30,150 --> 00:35:29,359

people are talking black ops and the

825

00:35:32,630 --> 00:35:30,160

possibility

826

00:35:33,349 --> 00:35:32,640

that there could be testing going on on

827

00:35:35,589 --> 00:35:33,359

the you know

828

00:35:37,030 --> 00:35:35,599

in on people and this is blowing their

829

00:35:37,750 --> 00:35:37,040

minds and it's like why is this blowing

830

00:35:40,630 --> 00:35:37,760

your mind

831

00:35:41,349 --> 00:35:40,640

this has been going on forever it's

832

00:35:43,430 --> 00:35:41,359

something

833

00:35:45,030 --> 00:35:43,440

that emotions get involved you know

834

00:35:48,069 --> 00:35:45,040

because it's an area that i'm like

835

00:35:49,750 --> 00:35:48,079

wow just basically the deserts and how

836

00:35:52,470 --> 00:35:49,760

the deserts on this planet have been

837

00:35:53,589 --> 00:35:52,480

used to travel through time since the

838

00:35:57,030 --> 00:35:53,599

70s

839

00:35:59,430 --> 00:35:57,040

um yeah it is uh quite an awakening

840

00:36:00,790 --> 00:35:59,440

to a different world definitely not the

841

00:36:04,310 --> 00:36:00,800

three-dimensional

842

00:36:06,390 --> 00:36:04,320

uh world of common day uh so

843

00:36:07,670 --> 00:36:06,400

this is part of the ascension process of

844

00:36:10,870 --> 00:36:07,680

the planet

845

00:36:13,109 --> 00:36:10,880

and um so like you said about like deep

846

00:36:16,310 --> 00:36:13,119

underground military bases

847

00:36:20,390 --> 00:36:16,320

and um implants um i i

848

00:36:23,430 --> 00:36:20,400

do actually know that um in my life

849

00:36:26,310 --> 00:36:23,440

i uh was involved

850

00:36:27,109 --> 00:36:26,320

and have been involved in uh different

851
00:36:34,150 --> 00:36:27,119
like

852
00:36:35,109 --> 00:36:34,160
which is a cia operation that was uh is

853
00:36:38,310 --> 00:36:35,119
a my lab

854
00:36:41,589 --> 00:36:38,320
operation military abduction operation

855
00:36:45,109 --> 00:36:41,599
that is involved with abducting

856
00:36:47,750 --> 00:36:45,119
uh children and people from their homes

857
00:36:50,230 --> 00:36:47,760
and um and basically taking them to deep

858
00:36:54,150 --> 00:36:50,240
underground military bases

859
00:36:57,750 --> 00:36:54,160
and um uh the way that they do this

860
00:37:01,030 --> 00:36:57,760
is that they uh use uh tr

861
00:37:04,790 --> 00:37:01,040
series uh technology which um

862
00:37:08,150 --> 00:37:04,800
uh the the technology is back engineered

863
00:37:11,030 --> 00:37:08,160

technology uh that they can uh

864

00:37:11,750 --> 00:37:11,040

basically come and take you uh from your

865

00:37:15,109 --> 00:37:11,760

home

866

00:37:18,710 --> 00:37:15,119

uh special forces or whatever government

867

00:37:22,390 --> 00:37:18,720

um uh uh forces uh

868

00:37:24,710 --> 00:37:22,400

are operating can come and take uh

869

00:37:25,829 --> 00:37:24,720

you from your home without you knowing

870

00:37:30,390 --> 00:37:25,839

and then they will

871

00:37:34,150 --> 00:37:30,400

be able to uh they will be able to

872

00:37:37,510 --> 00:37:34,160

uh make that seem like a alien abduction

873

00:37:39,109 --> 00:37:37,520

so that is um uh one of the things that

874

00:37:40,870 --> 00:37:39,119

has been going on

875

00:37:43,510 --> 00:37:40,880

and they'll they'll take you to a deep

876

00:37:45,750 --> 00:37:43,520

underground military base

877

00:37:47,270 --> 00:37:45,760

and um in that deep moon on a

878

00:37:50,710 --> 00:37:47,280

governmental chair base

879

00:37:54,950 --> 00:37:50,720

they will basically

880

00:37:58,230 --> 00:37:54,960

put implants into you and

881

00:38:02,630 --> 00:37:58,240

inject you with black goo as well

882

00:38:05,430 --> 00:38:02,640

as i can go i go further

883

00:38:06,069 --> 00:38:05,440

there's training that goes on and a lot

884

00:38:09,589 --> 00:38:06,079

of different

885

00:38:12,790 --> 00:38:09,599

um mk ultra uh

886

00:38:16,230 --> 00:38:12,800

experiments and uh things going on

887

00:38:19,910 --> 00:38:16,240

there without the person um knowing

888

00:38:23,750 --> 00:38:19,920

because they use memory erasing

889

00:38:25,030 --> 00:38:23,760

uh proceed uh technology but um this is

890

00:38:28,069 --> 00:38:25,040

part of the my lab

891

00:38:31,510 --> 00:38:28,079

uh experience which

892

00:38:34,790 --> 00:38:31,520

people are now starting to wake up to

893

00:38:37,910 --> 00:38:34,800

because um the memory is uh

894

00:38:38,950 --> 00:38:37,920

kept in your soul so the soul will

895

00:38:42,390 --> 00:38:38,960

remember

896

00:38:43,829 --> 00:38:42,400

um what you've been through so

897

00:38:46,069 --> 00:38:43,839

what what i've been through is is

898

00:38:49,270 --> 00:38:46,079

remembering the things that

899

00:38:49,829 --> 00:38:49,280

i wasn't supposed to remember and that

900

00:38:53,829 --> 00:38:49,839

does

901
00:38:55,589 --> 00:38:53,839
uh include my lab objections

902
00:38:57,349 --> 00:38:55,599
and being taken to deep underground

903
00:39:01,109 --> 00:38:57,359
military bases

904
00:39:04,150 --> 00:39:01,119
uh on being tables

905
00:39:04,870 --> 00:39:04,160
where they are injecting blocker into

906
00:39:09,030 --> 00:39:04,880
meat

907
00:39:11,990 --> 00:39:09,040
and putting implants in me and um

908
00:39:12,470 --> 00:39:12,000
as well as uh all the different training

909
00:39:17,190 --> 00:39:12,480
that

910
00:39:20,230 --> 00:39:17,200
underground military bases

911
00:39:23,589 --> 00:39:20,240
and um that uh

912
00:39:26,950 --> 00:39:23,599
was all part of my younger um

913
00:39:29,510 --> 00:39:26,960

years of my life um that was one part of

914

00:39:32,390 --> 00:39:29,520

it but the other part was going on

915

00:39:33,670 --> 00:39:32,400

on on this this side of my life too

916

00:39:37,030 --> 00:39:33,680

because

917

00:39:39,270 --> 00:39:37,040

like you were talking about earlier

918

00:39:41,109 --> 00:39:39,280

uh you talked about the adjustment

919

00:39:44,230 --> 00:39:41,119

bureau

920

00:39:47,589 --> 00:39:44,240

and that is a very uh

921

00:39:50,630 --> 00:39:47,599

important concept to understand

922

00:39:52,870 --> 00:39:50,640

because anyone that is involved

923

00:39:54,550 --> 00:39:52,880

in being in my lab or a targeted

924

00:39:57,670 --> 00:39:54,560

individual

925

00:39:58,790 --> 00:39:57,680

will have um government involvement in

926
00:40:01,270 --> 00:39:58,800
their life

927
00:40:03,030 --> 00:40:01,280
which means that you're being you're

928
00:40:06,710 --> 00:40:03,040
being watched like 24

929
00:40:10,150 --> 00:40:06,720
7 and um there will be

930
00:40:10,790 --> 00:40:10,160
uh influence in your life uh from the

931
00:40:13,910 --> 00:40:10,800
government

932
00:40:17,030 --> 00:40:13,920
to basically steer you

933
00:40:18,470 --> 00:40:17,040
in a certain direction um for for the

934
00:40:23,190 --> 00:40:18,480
future

935
00:40:27,109 --> 00:40:23,200
and that i happen in my life

936
00:40:27,750 --> 00:40:27,119
because a family was actually moved into

937
00:40:31,190 --> 00:40:27,760
my life

938
00:40:33,750 --> 00:40:31,200

and they were all german uh

939

00:40:35,270 --> 00:40:33,760

pilots they were all uh they were a

940

00:40:38,069 --> 00:40:35,280

german family

941

00:40:39,109 --> 00:40:38,079

and they were all training to be pilots

942

00:40:41,589 --> 00:40:39,119

and um

943

00:40:43,430 --> 00:40:41,599

that was where when that family was

944

00:40:46,470 --> 00:40:43,440

moved into my life

945

00:40:47,270 --> 00:40:46,480

that was where my uh my training really

946

00:40:49,910 --> 00:40:47,280

began

947

00:40:51,109 --> 00:40:49,920

to be in the secret space program and

948

00:40:54,390 --> 00:40:51,119

that's when everything

949

00:40:56,950 --> 00:40:54,400

really started yeah

950

00:40:57,670 --> 00:40:56,960

there seems to be a german connection so

951
00:41:00,230 --> 00:40:57,680
true man

952
00:41:00,950 --> 00:41:00,240
and i wanted to jump you're hitting all

953
00:41:02,630 --> 00:41:00,960
the dots

954
00:41:04,069 --> 00:41:02,640
i swear you're killing it i'm throwing

955
00:41:05,670 --> 00:41:04,079
so many questions at you and you're just

956
00:41:07,910 --> 00:41:05,680
handling it like nothing and

957
00:41:09,990 --> 00:41:07,920
that's kind of you know what super

958
00:41:12,069 --> 00:41:10,000
soldiers do you've received high rank in

959
00:41:14,470 --> 00:41:12,079
just about anything you've gotten into

960
00:41:15,670 --> 00:41:14,480
you know and people are realizing this

961
00:41:17,270 --> 00:41:15,680
you know they're

962
00:41:19,510 --> 00:41:17,280
when they when people say wow that guy's

963
00:41:21,990 --> 00:41:19,520

good at absolutely everything

964

00:41:23,990 --> 00:41:22,000

you know it makes you wonder like how is

965

00:41:26,390 --> 00:41:24,000

his genetics and it's a lot of it

966

00:41:28,630 --> 00:41:26,400

these genes may or may not be

967

00:41:29,430 --> 00:41:28,640

artificially produced in a time loop who

968

00:41:32,630 --> 00:41:29,440

knows

969

00:41:34,710 --> 00:41:32,640

but i wanted to jump into camellia have

970

00:41:36,470 --> 00:41:34,720

you heard of camellio and like cloaking

971

00:41:38,710 --> 00:41:36,480

technology and

972

00:41:40,150 --> 00:41:38,720

gang stalking and this was a thing that

973

00:41:48,470 --> 00:41:40,160

people used to just think was

974

00:41:52,630 --> 00:41:48,480

crazy talk and now it's mainstream

975

00:41:55,910 --> 00:41:52,640

so yes yes um yes the book by robert

976

00:41:56,950 --> 00:41:55,920

guffey camelio yeah uh i'm glad we're

977

00:41:58,870 --> 00:41:56,960

talking about this

978

00:42:02,230 --> 00:41:58,880

because i mean you're definitely getting

979

00:42:04,069 --> 00:42:02,240

to all the most important points which

980

00:42:07,589 --> 00:42:04,079

gang stalking is definitely

981

00:42:09,430 --> 00:42:07,599

another one because um that book what

982

00:42:12,630 --> 00:42:09,440

what you explained about it

983

00:42:14,390 --> 00:42:12,640

uh is definitely what someone that uh

984

00:42:16,470 --> 00:42:14,400

is involved in gang stalking goes

985

00:42:19,750 --> 00:42:16,480

through which is uh

986

00:42:23,430 --> 00:42:19,760

like 24 7 coverage surveillance

987

00:42:26,950 --> 00:42:23,440

uh and harassment operations uh which

988

00:42:29,109 --> 00:42:26,960

which uh when you do start to

989

00:42:30,390 --> 00:42:29,119

wake up that this is happening around

990

00:42:33,510 --> 00:42:30,400

you all the time

991

00:42:34,710 --> 00:42:33,520

um like i said um it's the world of

992

00:42:38,230 --> 00:42:34,720

common day

993

00:42:40,950 --> 00:42:38,240

to the extraordinary world and um

994

00:42:42,470 --> 00:42:40,960

you do actually realize that you are

995

00:42:44,150 --> 00:42:42,480

being surveillanced

996

00:42:45,750 --> 00:42:44,160

and harassed as part of the gang

997

00:42:48,710 --> 00:42:45,760

stalking um

998

00:42:50,950 --> 00:42:48,720

uh operations that are that are carried

999

00:42:54,309 --> 00:42:50,960

out by the cia

1000

00:42:57,670 --> 00:42:54,319

and um game [h__h] operations are

1001
00:42:58,150 --> 00:42:57,680
uh carried out around around my labs

1002
00:43:01,270 --> 00:42:58,160
around

1003
00:43:04,630 --> 00:43:01,280
military abductees

1004
00:43:07,829 --> 00:43:04,640
because they they do represent a

1005
00:43:11,270 --> 00:43:07,839
threat to national security and

1006
00:43:14,790 --> 00:43:11,280
it part intimidation

1007
00:43:17,349 --> 00:43:14,800
is another tactic that they use

1008
00:43:18,230 --> 00:43:17,359
to be able to stop people from talking

1009
00:43:21,190 --> 00:43:18,240
about

1010
00:43:23,910 --> 00:43:21,200
like what they're remembering um because

1011
00:43:27,030 --> 00:43:23,920
they're obviously remembering something

1012
00:43:27,990 --> 00:43:27,040
that uh doesn't go with along with the

1013
00:43:31,270 --> 00:43:28,000

common

1014

00:43:32,550 --> 00:43:31,280

uh understanding of reality of what's

1015

00:43:35,829 --> 00:43:32,560

happening

1016

00:43:38,390 --> 00:43:35,839

so there's millions of people

1017

00:43:40,230 --> 00:43:38,400

that are involved in targeted offer

1018

00:43:43,750 --> 00:43:40,240

individual operations

1019

00:43:45,750 --> 00:43:43,760

which are called uh tip a targeted

1020

00:43:49,109 --> 00:43:45,760

individual program

1021

00:43:53,109 --> 00:43:49,119

and these people are 24

1022

00:43:56,150 --> 00:43:53,119

7 under surveillance and harassed

1023

00:43:59,670 --> 00:43:56,160

getting stalked they're they're defamed

1024

00:44:03,270 --> 00:43:59,680

discredited uh and

1025

00:44:06,470 --> 00:44:03,280

all of the of the different um

1026

00:44:10,069 --> 00:44:06,480

uh basically the um objectives

1027

00:44:11,109 --> 00:44:10,079

of the program so so that no one will

1028

00:44:13,910 --> 00:44:11,119

believe

1029

00:44:14,630 --> 00:44:13,920

what what they're saying about them

1030

00:44:17,990 --> 00:44:14,640

being

1031

00:44:21,670 --> 00:44:18,000

surveillance and harass which

1032

00:44:24,790 --> 00:44:21,680

i have countless countless

1033

00:44:27,990 --> 00:44:24,800

i i am being surveillance right now

1034

00:44:31,349 --> 00:44:28,000

sure you know and uh i

1035

00:44:34,950 --> 00:44:31,359

i uh basically you know there

1036

00:44:37,829 --> 00:44:34,960

is always a team of uh well

1037

00:44:38,870 --> 00:44:37,839

uh basically they can move into houses

1038

00:44:42,150 --> 00:44:38,880

around you

1039

00:44:45,750 --> 00:44:42,160

yeah um they'll set up uh

1040

00:44:47,670 --> 00:44:45,760

certain um you know routes

1041

00:44:49,109 --> 00:44:47,680

like to drive with their cars just to

1042

00:44:51,670 --> 00:44:49,119

keep uh

1043

00:44:53,829 --> 00:44:51,680

surveillance on you but uh people will

1044

00:44:56,710 --> 00:44:53,839

start to notice these things

1045

00:44:57,109 --> 00:44:56,720

uh that they're out of the ordinary and

1046

00:45:05,030 --> 00:44:57,119

they

1047

00:45:08,150 --> 00:45:05,040

and um uh surveillance

1048

00:45:09,589 --> 00:45:08,160

uh cover surveillance programs yeah and

1049

00:45:11,349 --> 00:45:09,599

but they're not going crazy though

1050

00:45:14,710 --> 00:45:11,359

they're actually actually just

1051

00:45:17,589 --> 00:45:14,720

uncovering um uh what's been

1052

00:45:18,870 --> 00:45:17,599

being hidden you know that that there's

1053

00:45:21,430 --> 00:45:18,880

some covert

1054

00:45:22,390 --> 00:45:21,440

activity going on and then you gotta ask

1055

00:45:24,630 --> 00:45:22,400

why is the cover

1056

00:45:26,230 --> 00:45:24,640

activity going on and then that's when

1057

00:45:28,950 --> 00:45:26,240

you start going deeper

1058

00:45:31,349 --> 00:45:28,960

and like you said earlier uh only

1059

00:45:33,829 --> 00:45:31,359

scratching the tip of the iceberg

1060

00:45:35,510 --> 00:45:33,839

because um i even had when i started

1061

00:45:38,870 --> 00:45:35,520

waking up myself

1062

00:45:42,230 --> 00:45:38,880

um i did have um what they do call

1063

00:45:44,630 --> 00:45:42,240

uh mib government um visit

1064

00:45:46,710 --> 00:45:44,640

where you do you actually get like you

1065

00:45:49,589 --> 00:45:46,720

get approached by somebody

1066

00:45:50,870 --> 00:45:49,599

uh from the government and this did

1067

00:45:54,390 --> 00:45:50,880

happen to me

1068

00:45:57,589 --> 00:45:54,400

um once i i started waking up and i

1069

00:45:58,230 --> 00:45:57,599

started uh actually remembering that i

1070

00:45:59,750 --> 00:45:58,240

was

1071

00:46:01,829 --> 00:45:59,760

obviously part of the secret space

1072

00:46:03,109 --> 00:46:01,839

program and that all these experiences

1073

00:46:05,910 --> 00:46:03,119

that i was having

1074

00:46:07,190 --> 00:46:05,920

uh were part of something that was real

1075

00:46:10,950 --> 00:46:07,200

and um

1076

00:46:12,470 --> 00:46:10,960

i went into the veterans administration

1077

00:46:14,230 --> 00:46:12,480

and um i actually talked to a

1078

00:46:17,270 --> 00:46:14,240

psychiatrist there

1079

00:46:18,950 --> 00:46:17,280

and i was talking about like extra

1080

00:46:22,470 --> 00:46:18,960

sensory perception and

1081

00:46:23,750 --> 00:46:22,480

aliens and you know telekinesis

1082

00:46:26,790 --> 00:46:23,760

telepathy

1083

00:46:30,470 --> 00:46:26,800

um teleport just everything that's just

1084

00:46:33,430 --> 00:46:30,480

out of this world and um

1085

00:46:34,550 --> 00:46:33,440

the next he told me to come back uh the

1086

00:46:37,910 --> 00:46:34,560

next time

1087

00:46:40,790 --> 00:46:37,920

uh in a week and when i did uh

1088

00:46:42,470 --> 00:46:40,800

basically there was a man there that and

1089

00:46:44,790 --> 00:46:42,480

he he was kind of

1090

00:46:46,630 --> 00:46:44,800

trying to blend in he pretended like he

1091

00:46:50,390 --> 00:46:46,640

was talking to somebody else

1092

00:46:52,550 --> 00:46:50,400

but he was there to approach me and uh

1093

00:46:53,990 --> 00:46:52,560

when he did approach me this is when i

1094

00:46:56,230 --> 00:46:54,000

didn't know anything yet

1095

00:46:58,069 --> 00:46:56,240

i didn't know what i'd been involved in

1096

00:46:59,829 --> 00:46:58,079

i did not know that i've been in black

1097

00:47:02,470 --> 00:46:59,839

operations yet

1098

00:47:04,630 --> 00:47:02,480

i was just awakening to that because i

1099

00:47:08,230 --> 00:47:04,640

had began my spiritual

1100

00:47:10,470 --> 00:47:08,240

awakening but um this man came up to me

1101
00:47:11,349 --> 00:47:10,480
and he said he was a commander in the

1102
00:47:13,670 --> 00:47:11,359
navy

1103
00:47:14,870 --> 00:47:13,680
and he had been on subs and aircraft

1104
00:47:16,710 --> 00:47:14,880
carriers

1105
00:47:18,630 --> 00:47:16,720
and there was just a lot of military

1106
00:47:21,109 --> 00:47:18,640
talk and um

1107
00:47:21,910 --> 00:47:21,119
he brought me to the side and he

1108
00:47:25,190 --> 00:47:21,920
basically

1109
00:47:26,150 --> 00:47:25,200
started mentioning uh various sensitive

1110
00:47:29,430 --> 00:47:26,160
things

1111
00:47:31,430 --> 00:47:29,440
like um he said how easy it would be

1112
00:47:32,710 --> 00:47:31,440
to get a nuclear bomb in the united

1113
00:47:35,589 --> 00:47:32,720

states

1114

00:47:36,390 --> 00:47:35,599

and how how you just have to i put it in

1115

00:47:38,870 --> 00:47:36,400

a boat

1116

00:47:39,910 --> 00:47:38,880

and uh wrote to show her that's it and

1117

00:47:43,510 --> 00:47:39,920

um

1118

00:47:44,710 --> 00:47:43,520

and then he uh mentioned uh that if it

1119

00:47:47,349 --> 00:47:44,720

were up to him

1120

00:47:47,990 --> 00:47:47,359

like he would want to assassinate the

1121

00:47:51,109 --> 00:47:48,000

president

1122

00:47:51,990 --> 00:47:51,119

of iran oh my gosh and um and and

1123

00:47:54,470 --> 00:47:52,000

basically

1124

00:47:56,870 --> 00:47:54,480

he was mentioning that all these things

1125

00:47:59,910 --> 00:47:56,880

were just the tip of the iceberg

1126
00:48:02,710 --> 00:47:59,920
so he was mentioning like sensitive like

1127
00:48:03,430 --> 00:48:02,720
secret space program black operations to

1128
00:48:06,630 --> 00:48:03,440
me

1129
00:48:07,270 --> 00:48:06,640
uh which i had obviously been involved

1130
00:48:10,790 --> 00:48:07,280
in

1131
00:48:13,990 --> 00:48:10,800
uh but he was uh for some reason he was

1132
00:48:15,190 --> 00:48:14,000
you know uh i think he was helping me

1133
00:48:18,630 --> 00:48:15,200
out

1134
00:48:21,430 --> 00:48:18,640
so um that that same guy

1135
00:48:22,950 --> 00:48:21,440
uh uh he gave me a card to get into

1136
00:48:25,750 --> 00:48:22,960
contact with him

1137
00:48:28,150 --> 00:48:25,760
but at the time i didn't and um i

1138
00:48:32,470 --> 00:48:28,160

actually went to a church meeting

1139

00:48:35,750 --> 00:48:32,480

uh like a week after that

1140

00:48:36,309 --> 00:48:35,760

and um uh the same guy showed up at my

1141

00:48:43,349 --> 00:48:36,319

church

1142

00:48:44,309 --> 00:48:43,359

and um and he was actually talking to

1143

00:48:47,190 --> 00:48:44,319

someone

1144

00:48:49,190 --> 00:48:47,200

that i knew from high school so he

1145

00:48:53,510 --> 00:48:49,200

obviously had

1146

00:48:56,150 --> 00:48:53,520

information that that i knew this guy

1147

00:48:57,109 --> 00:48:56,160

and um you know he stayed at the church

1148

00:48:59,670 --> 00:48:57,119

meeting

1149

00:49:01,190 --> 00:48:59,680

and um he asked me if i needed to ride

1150

00:49:03,670 --> 00:49:01,200

home after

1151

00:49:05,510 --> 00:49:03,680

and um he gave me a ride home we talked

1152

00:49:08,309 --> 00:49:05,520

more military time

1153

00:49:09,109 --> 00:49:08,319

and um right before i got out of the car

1154

00:49:13,030 --> 00:49:09,119

he

1155

00:49:15,510 --> 00:49:13,040

basically

1156

00:49:16,150 --> 00:49:15,520

was like you know though he's like you

1157

00:49:18,630 --> 00:49:16,160

know what

1158

00:49:20,710 --> 00:49:18,640

what i've always been interested in is

1159

00:49:23,750 --> 00:49:20,720

is aliens

1160

00:49:26,069 --> 00:49:23,760

and then um at that time

1161

00:49:27,349 --> 00:49:26,079

uh i was just awakening to everything i

1162

00:49:30,710 --> 00:49:27,359

didn't know much

1163

00:49:32,309 --> 00:49:30,720

um but uh he definitely dropped that the

1164

00:49:35,349 --> 00:49:32,319

alien bomb on me

1165

00:49:37,270 --> 00:49:35,359

as well as other sensitive topics but uh

1166

00:49:38,710 --> 00:49:37,280

that was when i was just started to wake

1167

00:49:42,309 --> 00:49:38,720

up to being involved

1168

00:49:43,910 --> 00:49:42,319

in in all these projects that is so cool

1169

00:49:46,230 --> 00:49:43,920

and i wanted to bring up because a lot

1170

00:49:47,670 --> 00:49:46,240

of people have the same scenario and

1171

00:49:49,510 --> 00:49:47,680

situation where

1172

00:49:50,950 --> 00:49:49,520

you know they come out of a situation

1173

00:49:51,589 --> 00:49:50,960

they start talking about it and they're

1174

00:49:53,349 --> 00:49:51,599

like

1175

00:49:54,870 --> 00:49:53,359

oh man i'm surprised that i'm not

1176
00:49:55,349 --> 00:49:54,880
getting in trouble for saying these

1177
00:49:58,390 --> 00:49:55,359
things

1178
00:50:01,670 --> 00:49:58,400
i must have signed a multi-correctional

1179
00:50:04,390 --> 00:50:01,680
nda but the reality is once you're

1180
00:50:06,630 --> 00:50:04,400
military even if it's secret military

1181
00:50:07,670 --> 00:50:06,640
it doesn't matter what you say like they

1182
00:50:10,549 --> 00:50:07,680
you know what i mean

1183
00:50:12,549 --> 00:50:10,559
and i wanted to jump really quick to the

1184
00:50:14,470 --> 00:50:12,559
other interesting factor which is this

1185
00:50:15,030 --> 00:50:14,480
german connection that a lot of times

1186
00:50:16,950 --> 00:50:15,040
people

1187
00:50:18,950 --> 00:50:16,960
rush to the racist nazi thing and it's

1188
00:50:19,670 --> 00:50:18,960

like no no no there's a lot more to it

1189

00:50:21,829 --> 00:50:19,680

than that

1190

00:50:23,829 --> 00:50:21,839

you know the mystery schools the fact

1191

00:50:24,630 --> 00:50:23,839

that the bavarian illuminati you know

1192

00:50:26,630 --> 00:50:24,640

bavaria

1193

00:50:28,150 --> 00:50:26,640

germany again there's a lot to the

1194

00:50:31,430 --> 00:50:28,160

intelligence systems involved in

1195

00:50:37,109 --> 00:50:34,630

yeah that is that is a good point and um

1196

00:50:37,750 --> 00:50:37,119

i i was just trying to remember i was

1197

00:50:40,549 --> 00:50:37,760

gonna uh

1198

00:50:41,670 --> 00:50:40,559

what i was gonna say to begin this

1199

00:50:45,030 --> 00:50:41,680

answer

1200

00:50:47,990 --> 00:50:45,040

um uh okay

1201
00:50:49,349 --> 00:50:48,000
i get blocked and i'm throwing so much

1202
00:50:51,510 --> 00:50:49,359
at you anthony because

1203
00:50:53,030 --> 00:50:51,520
i'm like my listeners are probably like

1204
00:50:53,349 --> 00:50:53,040
why is he throwing so much at this guy

1205
00:50:56,150 --> 00:50:53,359
but

1206
00:50:57,670 --> 00:50:56,160
it's like you have so much info that we

1207
00:50:58,230 --> 00:50:57,680
could do like a million podcasts you

1208
00:51:02,390 --> 00:50:58,240
know

1209
00:51:03,670 --> 00:51:02,400
focus on this one answer because i was

1210
00:51:04,230 --> 00:51:03,680
trying to remember what i was going to

1211
00:51:07,030 --> 00:51:04,240
say

1212
00:51:08,790 --> 00:51:07,040
as you were continuing your your you

1213
00:51:11,990 --> 00:51:08,800

know discourse

1214

00:51:13,750 --> 00:51:12,000

but um uh

1215

00:51:15,349 --> 00:51:13,760

can you repeat that question one more

1216

00:51:17,109 --> 00:51:15,359

time yeah

1217

00:51:19,349 --> 00:51:17,119

um that there's more to the german

1218

00:51:21,190 --> 00:51:19,359

connection you know a lot of people when

1219

00:51:22,230 --> 00:51:21,200

it comes to the secret space program or

1220

00:51:24,470 --> 00:51:22,240

even the idea

1221

00:51:25,910 --> 00:51:24,480

about it as soon as that german

1222

00:51:28,470 --> 00:51:25,920

connection is hit

1223

00:51:30,790 --> 00:51:28,480

they drop interest and they do so in the

1224

00:51:32,390 --> 00:51:30,800

name of racism and i think the german

1225

00:51:34,150 --> 00:51:32,400

nazi possibility

1226

00:51:35,510 --> 00:51:34,160

but what they don't realize is there's a

1227

00:51:36,950 --> 00:51:35,520

lot more to the german connection

1228

00:51:39,990 --> 00:51:36,960

there's the genetics

1229

00:51:40,790 --> 00:51:40,000

there is the bavarian illuminati also

1230

00:51:42,150 --> 00:51:40,800

from germany

1231

00:51:44,710 --> 00:51:42,160

also involved with the intelligence

1232

00:51:48,069 --> 00:51:44,720

system there is and there's other

1233

00:51:51,430 --> 00:51:48,079

german factors involved

1234

00:51:53,510 --> 00:51:51,440

okay okay okay uh obviously

1235

00:51:54,470 --> 00:51:53,520

i was gonna answer this but uh the

1236

00:51:57,349 --> 00:51:54,480

victors

1237

00:51:58,150 --> 00:51:57,359

you know the right they had the history

1238

00:52:02,069 --> 00:51:58,160

and um

1239

00:52:04,630 --> 00:52:02,079

basically um part of uh the reason

1240

00:52:05,829 --> 00:52:04,640

uh the victors wrote the history about

1241

00:52:08,150 --> 00:52:05,839

the germans

1242

00:52:09,910 --> 00:52:08,160

um and and and what the connection was

1243

00:52:12,950 --> 00:52:09,920

with the germans was to

1244

00:52:15,910 --> 00:52:12,960

um hide the whole entire uh

1245

00:52:18,790 --> 00:52:15,920

breakaway reality and secret uh

1246

00:52:20,470 --> 00:52:18,800

breakaway civilizations that the germans

1247

00:52:24,470 --> 00:52:20,480

were involved in because

1248

00:52:27,190 --> 00:52:24,480

even adolf hitler says um you know uh

1249

00:52:28,470 --> 00:52:27,200

there's a lot more to uh the german

1250

00:52:32,069 --> 00:52:28,480

movement than just

1251
00:52:33,910 --> 00:52:32,079
the the national socialism and

1252
00:52:35,589 --> 00:52:33,920
that does have to do with the whole

1253
00:52:38,710 --> 00:52:35,599
occult aspect

1254
00:52:40,870 --> 00:52:38,720
and um and of what the germans were

1255
00:52:44,950 --> 00:52:40,880
searching for which does have to do

1256
00:52:47,270 --> 00:52:44,960
with atlantis and um obviously

1257
00:52:48,230 --> 00:52:47,280
all kinds of secret artifacts across the

1258
00:52:51,910 --> 00:52:48,240
world

1259
00:52:55,030 --> 00:52:51,920
and um obviously that is um

1260
00:52:57,030 --> 00:52:55,040
wanted to be kept out of a consciousness

1261
00:53:00,230 --> 00:52:57,040
of the world

1262
00:53:02,950 --> 00:53:00,240
so that people don't um know

1263
00:53:04,870 --> 00:53:02,960

about about the whole other reality that

1264

00:53:07,670 --> 00:53:04,880

has to do with the pyramids

1265

00:53:09,670 --> 00:53:07,680

and um and you know just all the

1266

00:53:13,190 --> 00:53:09,680

different wonders of the world

1267

00:53:16,790 --> 00:53:13,200

and um even to the

1268

00:53:18,870 --> 00:53:16,800

to the uh statues on easter island

1269

00:53:20,790 --> 00:53:18,880

you know they're uh they're all looking

1270

00:53:23,829 --> 00:53:20,800

up you know they're

1271

00:53:27,349 --> 00:53:23,839

all these statues are looking up and um

1272

00:53:30,390 --> 00:53:27,359

and it's very clear that

1273

00:53:33,430 --> 00:53:30,400

that's that that's you know to to to get

1274

00:53:36,470 --> 00:53:33,440

to a type uh from a type zero

1275

00:53:39,750 --> 00:53:36,480

civilization to a type one civilization

1276

00:53:42,549 --> 00:53:39,760

we have to understand certain um

1277

00:53:43,430 --> 00:53:42,559

aspects that that have been wiped out of

1278

00:53:47,270 --> 00:53:43,440

our of our

1279

00:53:50,630 --> 00:53:47,280

um our education for a reason so

1280

00:53:51,990 --> 00:53:50,640

that we don't um actually ascend and

1281

00:53:55,430 --> 00:53:52,000

gain our freedom

1282

00:53:59,109 --> 00:53:55,440

um from the elite

1283

00:54:03,510 --> 00:53:59,119

who have been responsible for basically

1284

00:54:05,589 --> 00:54:03,520

keeping humanity at a certain level

1285

00:54:07,030 --> 00:54:05,599

and so that's what ascension is all

1286

00:54:09,670 --> 00:54:07,040

about right now

1287

00:54:10,710 --> 00:54:09,680

is um all of these things that are being

1288

00:54:13,990 --> 00:54:10,720

learned

1289

00:54:17,030 --> 00:54:14,000

um about our origins

1290

00:54:20,710 --> 00:54:17,040

and uh what who we are

1291

00:54:23,829 --> 00:54:20,720

and where where we actually came from um

1292

00:54:25,430 --> 00:54:23,839

that that is definitely leading to the

1293

00:54:28,950 --> 00:54:25,440

great awakening

1294

00:54:32,950 --> 00:54:28,960

um to to our

1295

00:54:36,549 --> 00:54:32,960

our basically our our our destiny

1296

00:54:40,309 --> 00:54:36,559

which is to um uh evolve

1297

00:54:43,589 --> 00:54:40,319

and that evolution definitely involves

1298

00:54:46,630 --> 00:54:43,599

um a greater understanding

1299

00:54:50,069 --> 00:54:46,640

of our of our uh spiritual um

1300

00:54:54,630 --> 00:54:50,079

powers and of manifestation

1301
00:54:58,390 --> 00:54:54,640
and um that that that has to do with um

1302
00:55:01,750 --> 00:54:58,400
basically this this happened before

1303
00:55:05,510 --> 00:55:01,760
this happened before um in in

1304
00:55:08,150 --> 00:55:05,520
in a time far past basically

1305
00:55:09,030 --> 00:55:08,160
they they stay in the emerald tablets

1306
00:55:12,789 --> 00:55:09,040
but

1307
00:55:16,150 --> 00:55:12,799
um you know part of the world was

1308
00:55:18,950 --> 00:55:16,160
controlled by technology and and part of

1309
00:55:21,349 --> 00:55:18,960
the world was controlled by spirituality

1310
00:55:22,950 --> 00:55:21,359
but um those were like the lumerians and

1311
00:55:27,190 --> 00:55:22,960
the atlanteans

1312
00:55:30,789 --> 00:55:27,200
and um if you know you think that

1313
00:55:33,670 --> 00:55:30,799

um technology is advanced like uh

1314

00:55:35,430 --> 00:55:33,680

through through technological means like

1315

00:55:38,630 --> 00:55:35,440

spaceships built

1316

00:55:39,109 --> 00:55:38,640

on on uh you know with with technology

1317

00:55:42,150 --> 00:55:39,119

like

1318

00:55:45,589 --> 00:55:42,160

spiritual technology is is way

1319

00:55:52,870 --> 00:55:45,599

more advanced yeah yeah

1320

00:55:55,910 --> 00:55:55,190

like just understanding the what the

1321

00:55:58,549 --> 00:55:55,920

merkabah

1322

00:56:00,470 --> 00:55:58,559

is which is it is an inter-dimensional

1323

00:56:02,950 --> 00:56:00,480

time traveling vehicle

1324

00:56:04,150 --> 00:56:02,960

um but we as humans we all have that

1325

00:56:07,190 --> 00:56:04,160

around us

1326
00:56:09,510 --> 00:56:07,200
and they even actually um explained that

1327
00:56:10,470 --> 00:56:09,520
in the uh the flowers of li the ancient

1328
00:56:12,950 --> 00:56:10,480
secret

1329
00:56:14,390 --> 00:56:12,960
and the flower of life um by john paul

1330
00:56:16,950 --> 00:56:14,400
malkizadek

1331
00:56:18,549 --> 00:56:16,960
that was one of the first um series of

1332
00:56:21,670 --> 00:56:18,559
books that i came upon

1333
00:56:23,109 --> 00:56:21,680
when i was awakening uh because uh the

1334
00:56:24,230 --> 00:56:23,119
merkabah and the teachings of the

1335
00:56:26,309 --> 00:56:24,240
markaba

1336
00:56:27,910 --> 00:56:26,319
is part of the uh the ancient mystery

1337
00:56:31,829 --> 00:56:27,920
school teachings

1338
00:56:33,670 --> 00:56:31,839

and um and and obviously as is uh

1339

00:56:35,349 --> 00:56:33,680

the emerald tablets of top and all the

1340

00:56:38,230 --> 00:56:35,359

understandings where

1341

00:56:39,270 --> 00:56:38,240

that the human being is actually the

1342

00:56:42,390 --> 00:56:39,280

highest form

1343

00:56:44,710 --> 00:56:42,400

of technology that there is

1344

00:56:46,630 --> 00:56:44,720

man it's beautiful stuff and for people

1345

00:56:48,390 --> 00:56:46,640

that have not read the emerald tablets

1346

00:56:49,990 --> 00:56:48,400

it doesn't matter what language you read

1347

00:56:51,829 --> 00:56:50,000

it in like you said

1348

00:56:53,670 --> 00:56:51,839

it is just a matter of time before you

1349

00:56:54,309 --> 00:56:53,680

realize it's definitely got a divine

1350

00:56:57,670 --> 00:56:54,319

connection

1351
00:56:59,270 --> 00:56:57,680
you know and uh different timelines it's

1352
00:57:01,589 --> 00:56:59,280
such an interesting thing you know we

1353
00:57:04,390 --> 00:57:01,599
have scientists quantum

1354
00:57:05,910 --> 00:57:04,400
scientists telling us that you know the

1355
00:57:08,069 --> 00:57:05,920
past really doesn't exist

1356
00:57:09,109 --> 00:57:08,079
that it can be altered and manipulated

1357
00:57:10,710 --> 00:57:09,119
and people

1358
00:57:12,470 --> 00:57:10,720
just kind of brush over that and say oh

1359
00:57:13,910 --> 00:57:12,480
it's just another episode of popular

1360
00:57:16,710 --> 00:57:13,920
mechanics or something and

1361
00:57:17,990 --> 00:57:16,720
they move on to the next magazine but

1362
00:57:20,150 --> 00:57:18,000
there is something

1363
00:57:21,190 --> 00:57:20,160

that humans don't know and that's

1364

00:57:24,829 --> 00:57:21,200

obvious because

1365

00:57:26,870 --> 00:57:24,839

the masses are not in control of the

1366

00:57:29,190 --> 00:57:26,880

information

1367

00:57:30,630 --> 00:57:29,200

yeah and you're right and part of

1368

00:57:33,750 --> 00:57:30,640

disclosure

1369

00:57:34,470 --> 00:57:33,760

is is like all of that um there are many

1370

00:57:37,910 --> 00:57:34,480

different

1371

00:57:41,190 --> 00:57:37,920

um tv shows that are coming out now

1372

00:57:43,270 --> 00:57:41,200

and um it is

1373

00:57:45,030 --> 00:57:43,280

that that's what i'm saying is it has

1374

00:57:45,670 --> 00:57:45,040

been a stretch for people to believe

1375

00:57:48,069 --> 00:57:45,680

that

1376
00:57:49,510 --> 00:57:48,079
different tv shows are actually a form

1377
00:57:51,510 --> 00:57:49,520
of disclosure but

1378
00:57:53,990 --> 00:57:51,520
that's the only way to get through the

1379
00:57:57,270 --> 00:57:54,000
truth you know to the consciousness

1380
00:58:00,470 --> 00:57:57,280
to be able to see it about these uh

1381
00:58:03,430 --> 00:58:00,480
different aspects like time travel and

1382
00:58:07,190 --> 00:58:03,440
aliens and uh different timelines

1383
00:58:10,390 --> 00:58:07,200
um there are so many different um

1384
00:58:14,230 --> 00:58:10,400
tv shows and movies that are involved

1385
00:58:16,870 --> 00:58:14,240
in uh soft disclosure is is what uh

1386
00:58:17,990 --> 00:58:16,880
they call it um to be able to see the

1387
00:58:21,190 --> 00:58:18,000
consciousness

1388
00:58:24,950 --> 00:58:21,200

um so that when things are

1389

00:58:28,789 --> 00:58:24,960

revealed people won't be so surprised

1390

00:58:31,109 --> 00:58:28,799

about about what the truth is and um

1391

00:58:31,990 --> 00:58:31,119

you know you go through movie after

1392

00:58:35,349 --> 00:58:32,000

movie

1393

00:58:39,270 --> 00:58:35,359

tv show after tv show

1394

00:58:42,390 --> 00:58:39,280

and video game after video game but um

1395

00:58:44,109 --> 00:58:42,400

this is all part of a operation that is

1396

00:58:46,829 --> 00:58:44,119

like uh

1397

00:58:48,230 --> 00:58:46,839

compartmentalizing what has been

1398

00:58:51,270 --> 00:58:48,240

decompartmentalized

1399

00:58:53,109 --> 00:58:51,280

uh to keep secrecy and so

1400

00:58:54,630 --> 00:58:53,119

that is kind of what we're doing right

1401

00:58:56,829 --> 00:58:54,640

now is uh

1402

00:58:59,030 --> 00:58:56,839

compar uh basically keep

1403

00:59:02,349 --> 00:58:59,040

compartmentalizing everything

1404

00:59:03,670 --> 00:59:02,359

all of the information uh uh that's been

1405

00:59:07,990 --> 00:59:03,680

decompartmentalized

1406

00:59:11,670 --> 00:59:08,000

so that we can understand um the reality

1407

00:59:14,950 --> 00:59:11,680

of the truth which is extraordinary

1408

00:59:17,430 --> 00:59:14,960

and supernatural and

1409

00:59:18,950 --> 00:59:17,440

what is it about like the deserts of our

1410

00:59:21,990 --> 00:59:18,960

planet it seems like

1411

00:59:23,270 --> 00:59:22,000

you know we have a lot of the military

1412

00:59:25,670 --> 00:59:23,280

bases

1413

00:59:26,789 --> 00:59:25,680

um i don't want to say names but there's

1414

00:59:28,870 --> 00:59:26,799

a lot of these

1415

00:59:30,549 --> 00:59:28,880

like a lot of weird stuff happening in

1416

00:59:34,390 --> 00:59:30,559

new mexico

1417

00:59:36,180 --> 00:59:34,400

nevada utah arizona is there a desert

1418

00:59:39,190 --> 00:59:36,190

component to some of this stuff

1419

00:59:41,430 --> 00:59:39,200

[Music]

1420

00:59:42,230 --> 00:59:41,440

like like the testing the military

1421

00:59:44,390 --> 00:59:42,240

testing and the

1422

00:59:46,069 --> 00:59:44,400

deep underground military bases in

1423

00:59:48,630 --> 00:59:46,079

particular yeah

1424

00:59:49,510 --> 00:59:48,640

it is uh obviously the deeper down

1425

00:59:52,630 --> 00:59:49,520

military

1426

00:59:55,910 --> 00:59:52,640

bases are all strategically uh uh

1427

00:59:58,390 --> 00:59:55,920

located and uh there's a reason why

1428

01:00:00,710 --> 00:59:58,400

a lot of them are in the desert and all

1429

01:00:03,990 --> 01:00:00,720

the activities in the deserts because

1430

01:00:06,870 --> 01:00:04,000

uh there are certain um geological

1431

01:00:08,309 --> 01:00:06,880

um uh aspects that have to do with like

1432

01:00:10,870 --> 01:00:08,319

energy

1433

01:00:12,390 --> 01:00:10,880

that that these deep archon military

1434

01:00:15,670 --> 01:00:12,400

bases are

1435

01:00:18,710 --> 01:00:15,680

located around so where people

1436

01:00:21,190 --> 01:00:18,720

are experiencing activity um

1437

01:00:23,349 --> 01:00:21,200

there is deep underground military uh

1438

01:00:26,829 --> 01:00:23,359

military bases located there

1439

01:00:30,390 --> 01:00:26,839

uh based on by geological

1440

01:00:33,190 --> 01:00:30,400

um strategic uh locations

1441

01:00:34,230 --> 01:00:33,200

um for different uh reasons for like

1442

01:00:38,390 --> 01:00:34,240

energy

1443

01:00:40,069 --> 01:00:38,400

um uh reasons and um that that's why

1444

01:00:43,750 --> 01:00:40,079

those deep on our demo tape

1445

01:00:47,109 --> 01:00:43,760

their bases are located there like uh

1446

01:00:50,150 --> 01:00:47,119

there's um one located here

1447

01:00:55,109 --> 01:00:50,160

in big bear um and even

1448

01:00:58,230 --> 01:00:55,119

uh basically uh a psychological warfare

1449

01:00:59,510 --> 01:00:58,240

officer michael aquino who who worked

1450

01:01:03,190 --> 01:00:59,520

for

1451

01:01:04,230 --> 01:01:03,200

um the uh the army um there is a deep

1452

01:01:07,270 --> 01:01:04,240

underground bill

1453

01:01:10,549 --> 01:01:07,280

military base located here in big bear

1454

01:01:13,750 --> 01:01:10,559

and even on his patch he he has

1455

01:01:15,349 --> 01:01:13,760

uh certain aspects where um that that is

1456

01:01:18,309 --> 01:01:15,359

definitely indicated but

1457

01:01:20,309 --> 01:01:18,319

uh this is like a crystal mountain here

1458

01:01:23,750 --> 01:01:20,319

it's like a crystal mountain

1459

01:01:25,109 --> 01:01:23,760

and um basically uh there's energy

1460

01:01:26,950 --> 01:01:25,119

aspects that have to do with the

1461

01:01:30,069 --> 01:01:26,960

locations

1462

01:01:31,589 --> 01:01:30,079

so cool yeah and it's so cool and you

1463

01:01:33,270 --> 01:01:31,599

know and even in the mystery schools

1464

01:01:34,150 --> 01:01:33,280

they talk about the great teacher of the

1465

01:01:35,349 --> 01:01:34,160

desert

1466

01:01:37,430 --> 01:01:35,359

and i like that you're bringing the

1467

01:01:38,069 --> 01:01:37,440

mystery schools in man because you know

1468

01:01:41,030 --> 01:01:38,079

they knew

1469

01:01:42,630 --> 01:01:41,040

something that others didn't it might

1470

01:01:45,190 --> 01:01:42,640

have been a different timeline

1471

01:01:46,950 --> 01:01:45,200

and therefore people don't pay attention

1472

01:01:48,549 --> 01:01:46,960

you know a lot of people just say oh the

1473

01:01:51,670 --> 01:01:48,559

tablets of thoth are just

1474

01:01:51,990 --> 01:01:51,680

bs and they won't read it but once you

1475

01:01:54,549 --> 01:01:52,000

start

1476

01:01:56,789 --> 01:01:54,559

reading this stuff it it successfully

1477

01:01:59,270 --> 01:01:56,799

makes its way to you that some

1478

01:02:00,309 --> 01:01:59,280

have always understood and perfectly

1479

01:02:05,109 --> 01:02:00,319

explained

1480

01:02:09,270 --> 01:02:08,230

yes and and and that was that that

1481

01:02:12,150 --> 01:02:09,280

knowledge

1482

01:02:13,589 --> 01:02:12,160

was obviously kept um in in the

1483

01:02:17,270 --> 01:02:13,599

egyptians knowledge

1484

01:02:18,470 --> 01:02:17,280

and in the pyramid and um and that

1485

01:02:21,029 --> 01:02:18,480

because

1486

01:02:21,829 --> 01:02:21,039

when i actually first started awakening

1487

01:02:25,029 --> 01:02:21,839

i i

1488

01:02:25,589 --> 01:02:25,039

had a vision on uh the end of the dock i

1489

01:02:28,630 --> 01:02:25,599

was

1490

01:02:31,349 --> 01:02:28,640

meditating on the end of a dock and um i

1491

01:02:34,390 --> 01:02:31,359

was sitting there for about 45 minutes

1492

01:02:37,589 --> 01:02:34,400

it was a very mystical experience but um

1493

01:02:40,230 --> 01:02:37,599

uh in my vision i opened my

1494

01:02:42,150 --> 01:02:40,240

uh penal gland and when i did that i

1495

01:02:45,190 --> 01:02:42,160

actually saw the vision

1496

01:02:48,470 --> 01:02:45,200

of the all-seeing eye and and then

1497

01:02:51,510 --> 01:02:48,480

um from that i actually was taken um

1498

01:02:52,630 --> 01:02:51,520

to the pyramids and i bilocated to the

1499

01:02:55,750 --> 01:02:52,640

pyramids

1500

01:02:58,870 --> 01:02:55,760

um because i was floating over egypt

1501

01:03:01,990 --> 01:02:58,880

and i saw the sands and um

1502

01:03:05,750 --> 01:03:02,000

different um uh

1503

01:03:06,950 --> 01:03:05,760

obviously trees and then i saw the great

1504

01:03:09,829 --> 01:03:06,960

pyramid

1505

01:03:12,069 --> 01:03:09,839

and uh that was my uh you know my first

1506

01:03:12,789 --> 01:03:12,079

conscious experience of a bi-location

1507

01:03:16,069 --> 01:03:12,799

and a

1508

01:03:19,270 --> 01:03:16,079

in a remote view but that

1509

01:03:21,750 --> 01:03:19,280

experience opened up um a lot more

1510

01:03:23,910 --> 01:03:21,760

knowledge for me because that was what i

1511

01:03:26,390 --> 01:03:23,920

learned about the emerald tablets

1512

01:03:26,950 --> 01:03:26,400

and um actually started having memories

1513

01:03:29,190 --> 01:03:26,960

of

1514

01:03:31,109 --> 01:03:29,200

um actually i had these memories when i

1515

01:03:33,829 --> 01:03:31,119

was six years old

1516

01:03:35,029 --> 01:03:33,839

but uh the the memories started making

1517

01:03:37,029 --> 01:03:35,039

sense

1518

01:03:38,390 --> 01:03:37,039

when i i started realizing that i had

1519

01:03:42,150 --> 01:03:38,400

been initiated

1520

01:03:43,589 --> 01:03:42,160

in the pyramids in a past life and um

1521

01:03:45,829 --> 01:03:43,599

putting that together with animal

1522

01:03:47,910 --> 01:03:45,839

tablets to talk uh

1523

01:03:49,029 --> 01:03:47,920

i understood where the animal college

1524

01:03:51,750 --> 01:03:49,039

came from

1525

01:03:53,510 --> 01:03:51,760

and um and the pyramids in the egyptian

1526

01:03:57,430 --> 01:03:53,520

culture was actually

1527

01:04:00,710 --> 01:03:57,440

built uh based on the uh atlantean

1528

01:04:01,670 --> 01:04:00,720

culture when uh the great deluge

1529

01:04:04,870 --> 01:04:01,680

happened

1530

01:04:07,270 --> 01:04:04,880

and all the

1531

01:04:08,710 --> 01:04:07,280

descendants of atlantis and lumeria

1532

01:04:12,309 --> 01:04:08,720

actually had to

1533

01:04:14,390 --> 01:04:12,319

fly on spaceships to to the

1534

01:04:15,910 --> 01:04:14,400

they call it the land of harry area

1535

01:04:19,190 --> 01:04:15,920

barbarians

1536

01:04:21,270 --> 01:04:19,200

um but they are talking about egypt um

1537

01:04:22,710 --> 01:04:21,280

and the land of chem which is the land

1538

01:04:24,710 --> 01:04:22,720

of alchemy

1539

01:04:26,069 --> 01:04:24,720

and um they they talk about our top

1540

01:04:29,430 --> 01:04:26,079

talks about how

1541

01:04:31,910 --> 01:04:29,440

the olympians landed there and um

1542

01:04:33,109 --> 01:04:31,920

actually the barbarians attacked the

1543

01:04:38,950 --> 01:04:33,119

atlanteans

1544

01:04:40,230 --> 01:04:38,960

in their in their technology and then

1545

01:04:42,950 --> 01:04:40,240

we're able to

1546

01:04:43,349 --> 01:04:42,960

uh teach them um to be able to get to

1547

01:04:46,390 --> 01:04:43,359

the

1548

01:04:48,950 --> 01:04:46,400

uh level of spiritual technology

1549

01:04:51,109 --> 01:04:48,960

that they had attained and then that is

1550

01:04:53,670 --> 01:04:51,119

where the roots of egypt was

1551

01:04:55,750 --> 01:04:53,680

and obviously the knowledge of the

1552

01:04:57,670 --> 01:04:55,760

atlantis was preserved

1553

01:04:59,910 --> 01:04:57,680

and uh that that couldn't be learned

1554

01:05:02,870 --> 01:04:59,920

through the animal tablets so

1555

01:05:04,069 --> 01:05:02,880

what's important is uh this does happen

1556

01:05:06,950 --> 01:05:04,079

in cycles

1557

01:05:08,950 --> 01:05:06,960

and this is happening again where an

1558

01:05:11,750 --> 01:05:08,960

advanced civilization

1559

01:05:12,950 --> 01:05:11,760

is going to show itself and once again

1560

01:05:17,829 --> 01:05:12,960

we're going to be

1561

01:05:19,670 --> 01:05:17,839

uh taught to attain a higher level

1562

01:05:21,349 --> 01:05:19,680

it's such amazing stuff and i want to

1563

01:05:23,029 --> 01:05:21,359

delve into the pyramids but i just don't

1564

01:05:24,789 --> 01:05:23,039

have time but that's like oh my gosh we

1565

01:05:26,470 --> 01:05:24,799

got to do another podcast anthony and

1566

01:05:27,349 --> 01:05:26,480

i've been beating you up sending you so

1567

01:05:30,069 --> 01:05:27,359

many questions

1568

01:05:30,549 --> 01:05:30,079

and you're just so good at explaining

1569

01:05:32,789 --> 01:05:30,559

them

1570

01:05:35,029 --> 01:05:32,799

and uh the different the different

1571

01:05:36,470 --> 01:05:35,039

timelines how things work

1572

01:05:38,630 --> 01:05:36,480

we'll have to get into certain forms of

1573

01:05:41,270 --> 01:05:38,640

life maybe on the next one but

1574

01:05:45,750 --> 01:05:41,280

where uh where can people keep up with

1575

01:05:49,750 --> 01:05:48,230

i i do i have a website um i don't know

1576

01:05:49,990 --> 01:05:49,760

it off the top of my head but i'll get

1577

01:05:53,589 --> 01:05:50,000

that

1578

01:05:58,069 --> 01:05:53,599

information um my email

1579

01:06:03,670 --> 01:05:58,079

is a z125

1580

01:06:06,789 --> 01:06:03,680

c a mp hotmail.com

1581

01:06:07,349 --> 01:06:06,799

um i can be uh my i have a youtube

1582

01:06:10,390 --> 01:06:07,359

channel

1583

01:06:12,789 --> 01:06:10,400

it's underneath anthony zender

1584

01:06:14,390 --> 01:06:12,799

and um i also have facebook as well and

1585

01:06:15,670 --> 01:06:14,400

that that's underneath the anthony's

1586

01:06:17,510 --> 01:06:15,680

ender

1587

01:06:18,710 --> 01:06:17,520

so cool man so much knowledge you're

1588

01:06:20,710 --> 01:06:18,720

such a nice guy

1589

01:06:22,309 --> 01:06:20,720

and thanks so much for coming on the

1590

01:06:23,750 --> 01:06:22,319

podcast i can't wait to talk to you

1591

01:06:25,910 --> 01:06:23,760

again and i wish you the best and all

1592

01:06:27,589 --> 01:06:25,920

you do

1593

01:06:29,190 --> 01:06:27,599

thank you thank you very much it's been

1594

01:06:32,470 --> 01:06:29,200

an honor and a pleasure

1595

01:06:34,150 --> 01:06:32,480

and um i i just uh i want to thank you

1596

01:06:35,670 --> 01:06:34,160

for having me on your show ron

1597

01:06:38,230 --> 01:06:35,680

all right we'll talk soon my man take

1598

01:06:40,309 --> 01:06:38,240

care bye-bye there you guys have it

1599

01:06:41,750 --> 01:06:40,319

anthony zender super soldier

1600

01:06:42,870 --> 01:06:41,760

extraordinaire explaining the

1601

01:06:45,750 --> 01:06:42,880

connections between

1602

01:06:47,589 --> 01:06:45,760

artificial intelligence via technology

1603

01:06:49,349 --> 01:06:47,599

and how man has no idea what in the

1604

01:06:52,630 --> 01:06:49,359

world he really lives in

1605

01:06:55,510 --> 01:06:52,640

what is this groundhog day if you keep

1606

01:06:59,029 --> 01:06:55,520

the mind starved for new improvement

1607

01:07:01,190 --> 01:06:59,039

it craves things like that

1608

01:07:03,029 --> 01:07:01,200

if it's groundhog day and you go to work

1609

01:07:04,710 --> 01:07:03,039

every day hit the nine to five and

1610

01:07:06,390 --> 01:07:04,720

nothing changes

1611

01:07:07,750 --> 01:07:06,400

that's fertile ground for screen

1612

01:07:11,349 --> 01:07:07,760

memories

1613

01:07:14,069 --> 01:07:11,359

easier to manipulate and heck

1614

01:07:15,349 --> 01:07:14,079

a consequence of living in the wrong

1615

01:07:18,470 --> 01:07:15,359

time

1616

01:07:20,309 --> 01:07:18,480

what a podcast i can't can't even get

1617

01:07:23,589 --> 01:07:20,319

into the whole system and

1618

01:07:26,789 --> 01:07:23,599

and and how even the truth itself may be

1619

01:07:28,470 --> 01:07:26,799

well tainted because the purpose of well

1620

01:07:32,870 --> 01:07:28,480

every masked act

1621

01:07:36,069 --> 01:07:32,880

is to hide the truth until next time

1622

01:07:39,109 --> 01:07:36,079

read the tablets the emerald tablets

1623

01:07:41,029 --> 01:07:39,119

and support anthony zender

1624

01:07:42,630 --> 01:07:41,039

keep your eyes to the skies feet on the

1625

01:07:57,160 --> 01:07:42,640

ground but don't forget

1626

01:08:08,390 --> 01:07:57,170

to take a look around

1627

01:08:14,390 --> 01:08:11,510

blast off blast off come

1628

01:08:17,269 --> 01:08:14,400

blast off in my time machine third eye
