1
00:00:17,680 --> 00:00:14,910
[Music]

2
00:00:31,060 --> 00:00:17,690
hey

3
00:00:31,070 --> 00:00:39,750
[Music]

4
00:00:48,069 --> 00:00:44,310
blast off on another vip episode of hero

5
00:00:51,590 --> 00:00:48,079
paranormal podcast broadcasting south

6
00:00:54,310 --> 00:00:51,600
of the uinta basin and uh

7
00:00:55,590 --> 00:00:54,320
just south of area 51 my name is ryan

8
00:00:58,150 --> 00:00:55,600
the original outlaw

9
00:01:00,150 --> 00:00:58,160
of the airwaves bringing you well a

10
00:01:02,389 --> 00:01:00,160
humdinger of an episode today

11
00:01:04,789 --> 00:01:02,399
epic really been wanting to talk to

12
00:01:06,550 --> 00:01:04,799
curry for quite some time

13
00:01:08,550 --> 00:01:06,560

and apparently i talked to him once

14

00:01:11,510 --> 00:01:08,560

before i wasn't aware of that

15

00:01:11,990 --> 00:01:11,520

because it goes to show i do so many

16

00:01:13,750 --> 00:01:12,000

podcasts

17

00:01:15,270 --> 00:01:13,760

sometimes i forget which ones i have

18

00:01:18,310 --> 00:01:15,280

done but uh

19

00:01:20,390 --> 00:01:18,320

curry didn't pop onto the map so to

20

00:01:22,789 --> 00:01:20,400

speak until apparently after i was

21

00:01:25,270 --> 00:01:22,799

on his show already he's got a great

22

00:01:26,630 --> 00:01:25,280

show passion for the paranormal is the

23

00:01:28,950 --> 00:01:26,640

name of it definitely

24

00:01:30,550 --> 00:01:28,960

like and subscribe that show as it goes

25

00:01:33,670 --> 00:01:30,560

into the fringe

26

00:01:36,069 --> 00:01:33,680

areas that i am so eloquently

27

00:01:38,390 --> 00:01:36,079

stuck in i love it i just love the kind

28

00:01:41,510 --> 00:01:38,400

of stuff that curry

29

00:01:43,830 --> 00:01:41,520

digs into so when he and i

30

00:01:45,429 --> 00:01:43,840

discussed possibly doing a podcast it

31

00:01:48,310 --> 00:01:45,439

was a no-brainer

32

00:01:51,109 --> 00:01:48,320

curry is well hurst in everything uh

33

00:01:54,550 --> 00:01:51,119

northeastern utah shapeshifter territory

34

00:01:57,990 --> 00:01:54,560

related he is a

35

00:01:58,709 --> 00:01:58,000

evp uh aficionado has done it himself

36

00:02:00,230 --> 00:01:58,719

he's done on

37

00:02:02,469 --> 00:02:00,240

he's gone on ghost hunts he's done

38

00:02:03,749 --> 00:02:02,479

research himself he's not just an

39

00:02:07,030 --> 00:02:03,759

armchair researcher

40

00:02:08,550 --> 00:02:07,040

he's gone to back woods areas

41

00:02:10,550 --> 00:02:08,560

some of which only the hardcore

42

00:02:12,390 --> 00:02:10,560

researchers know of he throws a few of

43

00:02:16,550 --> 00:02:12,400

them in this podcasts

44

00:02:19,589 --> 00:02:16,560

and you know i am not well

45

00:02:22,150 --> 00:02:19,599

heard in everything northern utah he's

46

00:02:24,229 --> 00:02:22,160

broadcasting out of ogden but amazingly

47

00:02:26,710 --> 00:02:24,239

most of the things he mentioned i have

48

00:02:29,110 --> 00:02:26,720

come into contact with it's hard

49

00:02:31,110 --> 00:02:29,120

living in utah or visiting it monthly

50

00:02:32,869 --> 00:02:31,120

and not coming into contact in the same

51
00:02:36,470 --> 00:02:32,879
circles

52
00:02:38,710 --> 00:02:36,480
so with that said he mentions

53
00:02:40,470 --> 00:02:38,720
kay's cross which is a very interesting

54
00:02:43,509 --> 00:02:40,480
and haunted location

55
00:02:46,550 --> 00:02:43,519
in kayesville utah i believe anyway

56
00:02:49,509 --> 00:02:46,560
k's cross is a

57
00:02:51,670 --> 00:02:49,519
private property and much like some of

58
00:02:52,869 --> 00:02:51,680
the paranormal locations we're going to

59
00:02:55,190 --> 00:02:52,879
discuss

60
00:02:56,790 --> 00:02:55,200
you have to respect private property now

61
00:02:58,390 --> 00:02:56,800
if this is something that you want to

62
00:03:00,949 --> 00:02:58,400
look into and do

63
00:03:02,309 --> 00:03:00,959

definitely look up vincent lourdes he's

64

00:03:03,990 --> 00:03:02,319

the guy you want to go with he has

65

00:03:05,750 --> 00:03:04,000

permission to go on the property and

66

00:03:08,869 --> 00:03:05,760

does events there

67

00:03:11,750 --> 00:03:08,879

and uh yeah case cross

68

00:03:12,790 --> 00:03:11,760

uh investigations as seen on ghost

69

00:03:14,470 --> 00:03:12,800

adventures

70

00:03:16,070 --> 00:03:14,480

that's the guy you want to look at is

71

00:03:19,509 --> 00:03:16,080

vincent lourdes

72

00:03:20,790 --> 00:03:19,519

and uh he can help you do kay's cross

73

00:03:23,430 --> 00:03:20,800

the right way

74

00:03:26,229 --> 00:03:23,440

now kay's crosses was a large stone

75

00:03:27,830 --> 00:03:26,239

cross roughly 20 feet by 13 feet located

76

00:03:30,949 --> 00:03:27,840

at the base of a hollow

77

00:03:33,430 --> 00:03:30,959

in northeastern caysville utah all kinds

78

00:03:34,869 --> 00:03:33,440

of ghostly activity and reasons

79

00:03:37,030 --> 00:03:34,879

we are going to get into all of that

80

00:03:39,670 --> 00:03:37,040

with curry stegen he is

81

00:03:40,949 --> 00:03:39,680

much more uh aware of everything that

82

00:03:42,309 --> 00:03:40,959

took place there including the

83

00:03:45,589 --> 00:03:42,319

demolition

84

00:03:48,630 --> 00:03:45,599

on the 15th of february 1992 the

85

00:03:49,910 --> 00:03:48,640

the cross was destroyed by an explosion

86

00:03:52,949 --> 00:03:49,920

apparently

87

00:03:54,869 --> 00:03:52,959

police made no immediate arrests and in

88

00:03:56,789 --> 00:03:54,879

2013 a haunted tour

89

00:03:58,869 --> 00:03:56,799

of uh k's crossed in the surrounding

90

00:04:00,470 --> 00:03:58,879

forest was started

91

00:04:02,470 --> 00:04:00,480

stirring interest again in the

92

00:04:04,710 --> 00:04:02,480

decades-old legend so

93

00:04:06,070 --> 00:04:04,720

it's real it's there and now you know

94

00:04:07,350 --> 00:04:06,080

who to contact if you want to do it the

95

00:04:09,509 --> 00:04:07,360

right way

96

00:04:10,390 --> 00:04:09,519

there's plenty to see in utah guys and

97

00:04:13,190 --> 00:04:10,400

curry knows

98

00:04:14,550 --> 00:04:13,200

all about it so we are going to get into

99

00:04:16,789 --> 00:04:14,560

it curry's

100

00:04:18,390 --> 00:04:16,799

amazing podcast is one to be listened to

101
00:04:18,949 --> 00:04:18,400
i can't stress that enough he's a great

102
00:04:21,270 --> 00:04:18,959
guy

103
00:04:22,390 --> 00:04:21,280
and with that let's get to it curry

104
00:04:25,350 --> 00:04:22,400
stieg and welcome

105
00:04:27,030 --> 00:04:25,360
to the hero paranormal podcast if you

106
00:04:28,629 --> 00:04:27,040
remember when we did that recording that

107
00:04:32,629 --> 00:04:28,639
was about a year ago

108
00:04:35,749 --> 00:04:32,639
um i know i don't remember

109
00:04:37,270 --> 00:04:35,759
but i'm sure we did yeah you were on the

110
00:04:39,590 --> 00:04:37,280
show about a year ago we just did an

111
00:04:40,150 --> 00:04:39,600
audio only recording via skype oh cool

112
00:04:42,390 --> 00:04:40,160
and so

113
00:04:43,189 --> 00:04:42,400

uh you probably do a lot of interviews

114

00:04:44,629 --> 00:04:43,199

and stuff so

115

00:04:47,270 --> 00:04:44,639

you probably don't remember but yeah we

116

00:04:51,510 --> 00:04:47,280

talked about skin walker ranch and

117

00:04:53,270 --> 00:04:51,520

um and in fact i was gonna mention that

118

00:04:54,790 --> 00:04:53,280

and i don't remember that was about a

119

00:04:56,629 --> 00:04:54,800

year ago

120

00:04:57,830 --> 00:04:56,639

um and we talked about you know some of

121

00:04:59,670 --> 00:04:57,840

your

122

00:05:01,590 --> 00:04:59,680

investigating in the surrounding uinta

123

00:05:03,110 --> 00:05:01,600

basin a little bit about the history of

124

00:05:06,230 --> 00:05:03,120

skinwalker

125

00:05:08,629 --> 00:05:06,240

um i know that you don't really want to

126

00:05:10,230 --> 00:05:08,639

get into specifics about certain things

127

00:05:13,670 --> 00:05:10,240

about skinwalker ranch

128

00:05:15,189 --> 00:05:13,680

right um you know for obvious reasons

129

00:05:18,790 --> 00:05:15,199

there's some sensitive stuff

130

00:05:21,110 --> 00:05:18,800

i get that uh i don't know if you want

131

00:05:23,270 --> 00:05:21,120

to comment about the new show

132

00:05:24,550 --> 00:05:23,280

i i've actually enjoyed the new show i

133

00:05:26,310 --> 00:05:24,560

think it's pretty good

134

00:05:27,830 --> 00:05:26,320

personally i i don't know what you think

135

00:05:29,749 --> 00:05:27,840

of it um

136

00:05:31,670 --> 00:05:29,759

i was hoping maybe you might comment or

137

00:05:32,790 --> 00:05:31,680

kind of offer your thoughts on the new

138

00:05:37,590 --> 00:05:32,800

show and

139

00:05:44,550 --> 00:05:41,029

yeah i could uh i you know to be

140

00:05:47,830 --> 00:05:44,560

honest i know i can't comment on it but

141

00:05:50,469 --> 00:05:47,840

i'm willing to discuss the ideas and

142

00:05:51,350 --> 00:05:50,479

and things like that i personally have

143

00:05:53,110 --> 00:05:51,360

viewed the show

144

00:05:55,110 --> 00:05:53,120

i think it's very entertaining and very

145

00:05:57,510 --> 00:05:55,120

great um

146

00:05:58,390 --> 00:05:57,520

you know bought the history channel just

147

00:06:02,469 --> 00:05:58,400

for the show

148

00:06:06,390 --> 00:06:02,479

so yeah but i'm uh you know what

149

00:06:09,430 --> 00:06:06,400

sadly i'm what people would call uh

150

00:06:11,189 --> 00:06:09,440

i guess you know like oh yeah well

151
00:06:13,510 --> 00:06:11,199
that's expected he you know we expected

152
00:06:16,070 --> 00:06:13,520
him to watch every episode but

153
00:06:17,990 --> 00:06:16,080
you know it is it i think it's important

154
00:06:19,110 --> 00:06:18,000
to me for whatever reason i'm drawn to

155
00:06:22,390 --> 00:06:19,120
it

156
00:06:25,029 --> 00:06:22,400
and yeah kind of like i'm sure you are

157
00:06:25,590 --> 00:06:25,039
oh absolutely i mean i i've enjoyed it i

158
00:06:28,390 --> 00:06:25,600
you know i

159
00:06:30,070 --> 00:06:28,400
i like that uh you know the kind of the

160
00:06:32,469 --> 00:06:30,080
scientific approach that they're

161
00:06:33,990 --> 00:06:32,479
using there and you know they're they're

162
00:06:36,790 --> 00:06:34,000
using instrumentation

163
00:06:38,070 --> 00:06:36,800

and you know travis trailer i think his

164

00:06:41,110 --> 00:06:38,080

name is travis taylor

165

00:06:44,629 --> 00:06:41,120

the uh the

166

00:06:47,029 --> 00:06:44,639

i want to say an aerospace engineer uh

167

00:06:48,390 --> 00:06:47,039

he's been pretty interesting i like his

168

00:06:53,589 --> 00:06:48,400

approach

169

00:06:57,029 --> 00:06:53,599

things he's been very

170

00:07:01,029 --> 00:06:57,039

kind of objective and you know let's uh

171

00:07:03,430 --> 00:07:01,039

let's see where the evidence takes us uh

172

00:07:05,830 --> 00:07:03,440

so i don't know so you really don't even

173

00:07:07,749 --> 00:07:05,840

want to comment about the show itself or

174

00:07:08,950 --> 00:07:07,759

kind of give me an idea of what you even

175

00:07:10,309 --> 00:07:08,960

want to talk about

176

00:07:12,790 --> 00:07:10,319

when it comes to that i know you can

177

00:07:16,070 --> 00:07:12,800

talk about the overarching kind of

178

00:07:18,790 --> 00:07:16,080

hey uh here's the history here we talked

179

00:07:21,909 --> 00:07:18,800

about that on the other episode already

180

00:07:25,029 --> 00:07:21,919

um you know just kind of the

181

00:07:27,270 --> 00:07:25,039

you know that there's the sherman um

182

00:07:29,350 --> 00:07:27,280

you know stories that happened when the

183

00:07:30,950 --> 00:07:29,360

shermans were the ranchers there

184

00:07:33,350 --> 00:07:30,960

i mean i'm assuming we can at least talk

185

00:07:33,749 --> 00:07:33,360

about that you know that's all public

186

00:07:36,390 --> 00:07:33,759

knowledge

187

00:07:38,390 --> 00:07:36,400

anything that's public already and has

188

00:07:41,029 --> 00:07:38,400

already been well covered i'm assuming

189

00:07:42,790 --> 00:07:41,039

that's going to be okay with you

190

00:07:44,309 --> 00:07:42,800

okay all right cool i just i want to

191

00:07:46,230 --> 00:07:44,319

make sure i don't catch you off guard

192

00:07:47,909 --> 00:07:46,240

here as we're talking to me like

193

00:07:49,430 --> 00:07:47,919

or i guess you can always either talk

194

00:07:51,110 --> 00:07:49,440

around it or say yeah i don't really

195

00:07:53,909 --> 00:07:51,120

care to comment on that

196

00:07:55,430 --> 00:07:53,919

um i i understand the sensitive nature

197

00:07:57,110 --> 00:07:55,440

of it i mean you've you've had some

198

00:08:00,869 --> 00:07:57,120

dealings with

199

00:08:03,110 --> 00:08:00,879

uh you know some some high up people

200

00:08:05,430 --> 00:08:03,120

george knapp and some of those other

201
00:08:08,469 --> 00:08:05,440
people there with that i haven't

202
00:08:10,070 --> 00:08:08,479
had the luxury of having any contact

203
00:08:12,469 --> 00:08:10,080
with or anything so

204
00:08:14,309 --> 00:08:12,479
um you've got some insider knowledge

205
00:08:16,070 --> 00:08:14,319
that i don't have and i know you can't

206
00:08:18,629 --> 00:08:16,080
talk about that kind of stuff

207
00:08:20,550 --> 00:08:18,639
um but maybe just kind of the general i

208
00:08:21,909 --> 00:08:20,560
and the surrounding area the unm basin

209
00:08:23,990 --> 00:08:21,919
and kind of the strangeness

210
00:08:26,150 --> 00:08:24,000
i know that you've you've talked before

211
00:08:28,230 --> 00:08:26,160
about frank salisbury and his book and

212
00:08:30,150 --> 00:08:28,240
his research he's done in ufo sightings

213
00:08:31,830 --> 00:08:30,160

i think that's interesting

214

00:08:34,070 --> 00:08:31,840

we can talk a little bit about that i

215

00:08:36,070 --> 00:08:34,080

guess um

216

00:08:37,670 --> 00:08:36,080

and then there is a ufo sighting on the

217

00:08:39,670 --> 00:08:37,680

show they actually

218

00:08:42,149 --> 00:08:39,680

had one while they were doing some tests

219

00:08:45,269 --> 00:08:42,159

so i captured a clip of that

220

00:08:47,190 --> 00:08:45,279

um but again you know we can talk but we

221

00:08:48,870 --> 00:08:47,200

don't have to talk in detail just that

222

00:08:50,630 --> 00:08:48,880

you know it's interesting and you know

223

00:08:53,990 --> 00:08:50,640

just more about the

224

00:08:56,949 --> 00:08:54,000

general ufo activity that's happened

225

00:08:58,310 --> 00:08:56,959

around the area in the uh basin so i

226

00:08:59,990 --> 00:08:58,320

don't want to pin you down and make you

227

00:09:01,829 --> 00:09:00,000

feel like you got to talk about anything

228

00:09:03,829 --> 00:09:01,839

you don't want to talk about i'll try

229

00:09:06,310 --> 00:09:03,839

and be careful about that

230

00:09:08,150 --> 00:09:06,320

um because i do i do get the sensitive

231

00:09:08,949 --> 00:09:08,160

nature of some of what's going on there

232

00:09:10,790 --> 00:09:08,959

and

233

00:09:12,790 --> 00:09:10,800

you know some of the contacts you have

234

00:09:15,350 --> 00:09:12,800

and people you've dealt with and

235

00:09:16,070 --> 00:09:15,360

um whatever you know investigating

236

00:09:19,509 --> 00:09:16,080

you've done

237

00:09:22,070 --> 00:09:19,519

actually on the on the grounds itself so

238

00:09:23,990 --> 00:09:22,080

um i think the show is opening up to the

239

00:09:27,590 --> 00:09:24,000

conversation and i like that

240

00:09:28,389 --> 00:09:27,600

um you know that that you know brandon

241

00:09:30,470 --> 00:09:28,399

frugel's

242

00:09:31,829 --> 00:09:30,480

least opened up the conversation about

243

00:09:35,829 --> 00:09:31,839

it okay

244

00:09:37,990 --> 00:09:35,839

so i'm here with uh ryan burns and uh

245

00:09:41,269 --> 00:09:38,000

ryan and i are going to be talking about

246

00:09:44,630 --> 00:09:41,279

all things strange in utah so

247

00:09:46,790 --> 00:09:44,640

uh ryan uh glad to have you joining me

248

00:09:48,949 --> 00:09:46,800

do you want to do a quick intro

249

00:09:49,990 --> 00:09:48,959

uh let everybody know kind of a little

250

00:09:52,949 --> 00:09:50,000

bit about yourself

251
00:09:53,670 --> 00:09:52,959
and how you got involved in paranormal

252
00:09:58,710 --> 00:09:53,680
and

253
00:10:01,750 --> 00:09:58,720
ryan burns i'm

254
00:10:03,509 --> 00:10:01,760
you know just uh a guy really

255
00:10:05,030 --> 00:10:03,519
don't consider myself an expert at all

256
00:10:08,150 --> 00:10:05,040
i'm just a guy that is

257
00:10:10,230 --> 00:10:08,160
interested in something that

258
00:10:12,150 --> 00:10:10,240
really drew my attention and continued

259
00:10:13,269 --> 00:10:12,160
to draw my attention no matter how much

260
00:10:17,110 --> 00:10:13,279
i tried to put it

261
00:10:19,670 --> 00:10:17,120
out of my life and

262
00:10:20,470 --> 00:10:19,680
i noticed that you know when i embraced

263
00:10:31,110 --> 00:10:20,480

it

264

00:10:35,190 --> 00:10:31,120

rather than what i expected but yeah

265

00:10:37,269 --> 00:10:35,200

um i i think there's a lot of paranormal

266

00:10:39,509 --> 00:10:37,279

things taking place in utah i think it's

267

00:10:42,230 --> 00:10:39,519

highly documented

268

00:10:44,790 --> 00:10:42,240

the recent monolith is a good example i

269

00:10:46,949 --> 00:10:44,800

mean everything strange always kind

270

00:10:48,550 --> 00:10:46,959

you know utah is just a hotbed for

271

00:10:51,030 --> 00:10:48,560

strangeness whether it be high

272

00:10:54,150 --> 00:10:51,040

strangeness or strangeness in general

273

00:10:56,470 --> 00:10:54,160

coincidences the uinta mountain range

274

00:10:57,590 --> 00:10:56,480

just coincidentally happens to run the

275

00:10:59,110 --> 00:10:57,600

opposite direction of

276

00:11:01,190 --> 00:10:59,120

every other mountain range in north

277

00:11:03,110 --> 00:11:01,200

america and

278

00:11:04,389 --> 00:11:03,120

there's other coincidences that take

279

00:11:07,750 --> 00:11:04,399

place in the basin

280

00:11:11,190 --> 00:11:07,760

it's a place of magic where

281

00:11:13,750 --> 00:11:11,200

just the unexpected is expected yeah

282

00:11:15,590 --> 00:11:13,760

uh you know i just a quick intro let me

283

00:11:19,030 --> 00:11:15,600

know uh before i do that

284

00:11:21,030 --> 00:11:19,040

ryan you also host the hero paranormal

285

00:11:22,630 --> 00:11:21,040

podcast show do you want you just give a

286

00:11:24,470 --> 00:11:22,640

plug for that real fast

287

00:11:26,710 --> 00:11:24,480

yeah man you just did that's pretty much

288

00:11:29,030 --> 00:11:26,720

it hero paranormal

289

00:11:30,710 --> 00:11:29,040

uh dot com you can go there and listen

290

00:11:31,910 --> 00:11:30,720

to the archives it's free if you want it

291

00:11:32,630 --> 00:11:31,920

to be if you want to throw a book you

292

00:11:34,389 --> 00:11:32,640

can

293

00:11:35,990 --> 00:11:34,399

and it's just you know like you know

294

00:11:37,990 --> 00:11:36,000

podcasting is just

295

00:11:40,829 --> 00:11:38,000

i have found that it is almost like a

296

00:11:43,030 --> 00:11:40,839

new revolution it is a way of getting

297

00:11:43,910 --> 00:11:43,040

information that you may otherwise

298

00:11:50,150 --> 00:11:43,920

forget

299

00:11:51,509 --> 00:11:50,160

if you're able to uh document it over

300

00:11:53,190 --> 00:11:51,519

and over again through different means

301
00:11:55,990 --> 00:11:53,200
methods interviewers etc

302
00:11:56,949 --> 00:11:56,000
you really have cast a really broad

303
00:11:59,670 --> 00:11:56,959
archive

304
00:12:01,750 --> 00:11:59,680
into some of this high strangeness that

305
00:12:03,990 --> 00:12:01,760
we're discussing

306
00:12:05,509 --> 00:12:04,000
now you've also written some books uh

307
00:12:08,949 --> 00:12:05,519
utah ufo

308
00:12:10,790 --> 00:12:08,959
ranch about you know your investigation

309
00:12:13,430 --> 00:12:10,800
of the uanna basin you know kind of the

310
00:12:16,870 --> 00:12:13,440
area surrounding skid walker ranch

311
00:12:19,590 --> 00:12:16,880
uh and a couple other books as well um

312
00:12:20,710 --> 00:12:19,600
i'm intimately familiar with the utah

313
00:12:22,629 --> 00:12:20,720

ufo ranch

314

00:12:24,069 --> 00:12:22,639

because uh you know you were on the show

315

00:12:25,509 --> 00:12:24,079

about a year ago

316

00:12:27,269 --> 00:12:25,519

you and i had talked a little bit about

317

00:12:28,230 --> 00:12:27,279

skinwalker ranch and some of your

318

00:12:30,310 --> 00:12:28,240

experiences

319

00:12:31,829 --> 00:12:30,320

you know investigating around the

320

00:12:33,430 --> 00:12:31,839

surrounding basin and

321

00:12:35,430 --> 00:12:33,440

that was an interesting discussion i

322

00:12:37,750 --> 00:12:35,440

really enjoyed that um

323

00:12:38,870 --> 00:12:37,760

so you know most listener you'll know

324

00:12:40,470 --> 00:12:38,880

who i am uh

325

00:12:42,710 --> 00:12:40,480

i'm curry stegen i'm the host of the

326

00:12:44,790 --> 00:12:42,720

passion for the paranormal podcast so

327

00:12:46,629 --> 00:12:44,800

ryan you and i kind of agreed to do this

328

00:12:48,470 --> 00:12:46,639

on fairly short notice and

329

00:12:50,310 --> 00:12:48,480

we wanted to talk about all things

330

00:12:52,230 --> 00:12:50,320

strange here in utah

331

00:12:55,350 --> 00:12:52,240

um and and i think this is going to be a

332

00:12:57,110 --> 00:12:55,360

lot of fun talking about some of the

333

00:12:58,870 --> 00:12:57,120

strange and unusual things because as

334

00:13:00,949 --> 00:12:58,880

you said before there's plenty of it to

335

00:13:03,430 --> 00:13:00,959

go around here in utah i think

336

00:13:05,269 --> 00:13:03,440

um i've experienced it i've been doing

337

00:13:06,550 --> 00:13:05,279

paranormal investigating for over six

338

00:13:09,670 --> 00:13:06,560

years now

339

00:13:12,150 --> 00:13:09,680

um i cover all the high strangeness uh

340

00:13:13,190 --> 00:13:12,160

on my podcast show just about anything

341

00:13:16,150 --> 00:13:13,200

from ufos

342

00:13:18,230 --> 00:13:16,160

bigfoot encrypted haunted activity

343

00:13:20,069 --> 00:13:18,240

near-death experiences i like to cover

344

00:13:22,389 --> 00:13:20,079

and talk about it all so

345

00:13:23,829 --> 00:13:22,399

um you know there's a lot for us to talk

346

00:13:25,430 --> 00:13:23,839

about here and kind of

347

00:13:29,750 --> 00:13:25,440

we're probably going to go about an hour

348

00:13:32,629 --> 00:13:29,760

i think here we'll see how it goes

349

00:13:33,190 --> 00:13:32,639

but ryan we cannot talk about utah and

350

00:13:35,829 --> 00:13:33,200

at least

351

00:13:37,030 --> 00:13:35,839

not talk about it some level the

352

00:13:40,150 --> 00:13:37,040

strangeness

353

00:13:41,269 --> 00:13:40,160

and the mystery surrounding skinwalker

354

00:13:43,269 --> 00:13:41,279

ranch

355

00:13:45,509 --> 00:13:43,279

now uh we've got the new show out

356

00:13:47,110 --> 00:13:45,519

brandon foogle's new show the secret of

357

00:13:48,790 --> 00:13:47,120

skinwalker

358

00:13:50,790 --> 00:13:48,800

i really enjoyed the show i've liked it

359

00:13:53,110 --> 00:13:50,800

a lot any comments you have about the

360

00:13:56,230 --> 00:13:53,120

new show and what you think about it

361

00:13:59,829 --> 00:13:56,240

you know i can't comment well

362

00:14:01,189 --> 00:13:59,839

not no no uh no comments about the new

363

00:14:05,430 --> 00:14:01,199

show

364

00:14:08,550 --> 00:14:05,440

it is um i think the area

365

00:14:11,189 --> 00:14:08,560

is an area of high strangeness uh in

366

00:14:15,509 --> 00:14:11,199

utah the uintah basin in general

367

00:14:19,430 --> 00:14:15,519

and you know it is

368

00:14:22,470 --> 00:14:19,440

you know i think it is it's a place

369

00:14:24,710 --> 00:14:22,480

that is dear to a lot of people for a

370

00:14:27,910 --> 00:14:24,720

lot of different reasons

371

00:14:29,670 --> 00:14:27,920

yes absolutely now you um and i think

372

00:14:32,230 --> 00:14:29,680

you even talk about it in your book

373

00:14:34,629 --> 00:14:32,240

frank salisbury did the uh

374

00:14:35,590 --> 00:14:34,639

the i think it's the utah ufo display

375

00:14:38,310 --> 00:14:35,600

book

376

00:14:40,550 --> 00:14:38,320

um and he talked a lot about the ufo

377

00:14:42,150 --> 00:14:40,560

activity and the ufo buzz around the

378

00:14:45,590 --> 00:14:42,160

uena basin

379

00:14:49,350 --> 00:14:45,600

uh how much did that kind of influence

380

00:14:53,030 --> 00:14:49,360

you and your desire perhaps to

381

00:14:54,949 --> 00:14:53,040

research um and investigate in the uh

382

00:14:59,030 --> 00:14:54,959

basin

383

00:14:59,590 --> 00:14:59,040

a ton uh it was a series of coincidental

384

00:15:01,829 --> 00:14:59,600

events

385

00:15:03,189 --> 00:15:01,839

that kind of brought frank and i

386

00:15:05,910 --> 00:15:03,199

together

387

00:15:06,230 --> 00:15:05,920

and he was in my mind he was just you

388

00:15:10,829 --> 00:15:06,240

know

389

00:15:13,350 --> 00:15:10,839

is was will forever be this amazing mind

390

00:15:14,710 --> 00:15:13,360

who was questioning the nature of

391

00:15:17,750 --> 00:15:14,720

reality

392

00:15:21,110 --> 00:15:17,760

and you know this is a dance between

393

00:15:24,949 --> 00:15:21,120

ourselves and something mostly unseen

394

00:15:29,030 --> 00:15:24,959

and when it does reveal itself for

395

00:15:31,110 --> 00:15:29,040

a display of sorts uh it's for a reason

396

00:15:33,110 --> 00:15:31,120

and probably for a reason that's

397

00:15:36,629 --> 00:15:33,120

different for each observer

398

00:15:38,870 --> 00:15:36,639

still unknown though yeah

399

00:15:39,990 --> 00:15:38,880

and i i know again you don't really want

400

00:15:41,509 --> 00:15:40,000

to comment too much about

401
00:15:44,230 --> 00:15:41,519
skinwalker ranch and i understand

402
00:15:46,550 --> 00:15:44,240
there's some sensitivity with that

403
00:15:48,389 --> 00:15:46,560
uh i'm going to talk i want to drag an

404
00:15:49,990 --> 00:15:48,399
image over here and talk about this this

405
00:15:52,949 --> 00:15:50,000
was actually

406
00:15:53,990 --> 00:15:52,959
a a video capture well this was captured

407
00:15:56,389 --> 00:15:54,000
on the show

408
00:15:58,310 --> 00:15:56,399
while they were doing some testing uh

409
00:16:01,430 --> 00:15:58,320
travis taylor who was

410
00:16:03,269 --> 00:16:01,440
he's kind of the you know

411
00:16:04,790 --> 00:16:03,279
kind of the technical brains behind a

412
00:16:06,629 --> 00:16:04,800
lot of the tests and stuff they're doing

413
00:16:07,430 --> 00:16:06,639

on the show and this was an interesting

414

00:16:09,990 --> 00:16:07,440

one

415

00:16:11,030 --> 00:16:10,000

anyway the uh the gist of it is they

416

00:16:13,829 --> 00:16:11,040

were doing some

417

00:16:15,350 --> 00:16:13,839

testing uh on the show they were

418

00:16:16,550 --> 00:16:15,360

shooting some rockets up with some

419

00:16:17,749 --> 00:16:16,560

sensors

420

00:16:19,590 --> 00:16:17,759

and i don't know if we're gonna be able

421

00:16:22,710 --> 00:16:19,600

to get that that actual

422

00:16:25,910 --> 00:16:22,720

image to display um

423

00:16:28,870 --> 00:16:25,920

and uh they actually had a sighting

424

00:16:30,550 --> 00:16:28,880

while they were uh doing these tests and

425

00:16:32,470 --> 00:16:30,560

uh it was interesting because it was

426

00:16:34,230 --> 00:16:32,480

almost as if it was reacting while they

427

00:16:37,030 --> 00:16:34,240

were doing these tests

428

00:16:38,949 --> 00:16:37,040

um but i think it kind of speaks to you

429

00:16:41,829 --> 00:16:38,959

know the greater ufo activity that's

430

00:16:43,990 --> 00:16:41,839

been witnessed around the uena basin and

431

00:16:45,749 --> 00:16:44,000

and uh from your perspective ryan do you

432

00:16:49,829 --> 00:16:45,759

think this is really one of the biggest

433

00:16:54,230 --> 00:16:53,350

in my opinion which like i said i'm not

434

00:16:58,150 --> 00:16:54,240

an expert

435

00:17:02,069 --> 00:16:58,160

i and from my

436

00:17:04,230 --> 00:17:02,079

excuse me i i think that it is an

437

00:17:05,270 --> 00:17:04,240

area of interest it's an area of

438

00:17:08,870 --> 00:17:05,280

interest

439

00:17:11,909 --> 00:17:08,880

and i so much so

440

00:17:15,429 --> 00:17:11,919

that it's important to me

441

00:17:20,309 --> 00:17:15,439

and it is

442

00:17:23,029 --> 00:17:20,319

more than it appears to be just because

443

00:17:24,549 --> 00:17:23,039

if observation is such a critical

444

00:17:28,470 --> 00:17:24,559

element

445

00:17:32,070 --> 00:17:28,480

uh to the phenomena then

446

00:17:35,190 --> 00:17:32,080

it has been at least in recent years

447

00:17:38,070 --> 00:17:35,200

highly lowered in my opinion

448

00:17:41,029 --> 00:17:38,080

the observation from a outside

449

00:17:45,190 --> 00:17:43,669

just speaking speaking of a totally

450

00:17:50,070 --> 00:17:45,200

separate issue

451

00:17:52,549 --> 00:17:50,080

uh i think a particular property

452

00:17:53,830 --> 00:17:52,559

that is in the basin that was kind of a

453

00:17:57,110 --> 00:17:53,840

lovers lane

454

00:17:58,630 --> 00:17:57,120

place to go and um

455

00:18:00,950 --> 00:17:58,640

it used to be called the southern

456

00:18:03,590 --> 00:18:00,960

vantage point

457

00:18:04,470 --> 00:18:03,600

which looks north towards the uintah

458

00:18:07,190 --> 00:18:04,480

mountain range

459

00:18:08,230 --> 00:18:07,200

and of varying degrees of different

460

00:18:12,230 --> 00:18:08,240

mesas

461

00:18:15,110 --> 00:18:12,240

and it is

462

00:18:16,909 --> 00:18:15,120

i would say that it is diff it's now

463

00:18:18,390 --> 00:18:16,919

called space wolf research but it's

464

00:18:21,110 --> 00:18:18,400
disinformation

465

00:18:23,430 --> 00:18:21,120
that it's somehow a place where people

466

00:18:27,110 --> 00:18:23,440
go to witness the phenomenon

467

00:18:30,390 --> 00:18:27,120
it is by far more of a place

468

00:18:33,590 --> 00:18:30,400
that has had uh

469

00:18:36,630 --> 00:18:33,600
the active observation

470

00:18:39,270 --> 00:18:36,640
and which made it appealing to me

471

00:18:40,870 --> 00:18:39,280
having brought up frank salisbury and

472

00:18:43,350 --> 00:18:40,880
you know the observer is key

473

00:18:43,990 --> 00:18:43,360
you know where it is observed the most

474

00:18:47,990 --> 00:18:44,000
may be

475

00:18:50,150 --> 00:18:48,000
a key element and however it went from

476
00:18:51,029 --> 00:18:50,160
observation which made it appealing to

477
00:18:56,150 --> 00:18:51,039
me

478
00:18:58,150 --> 00:18:56,160
you know it was more than a lover's lane

479
00:18:58,870 --> 00:18:58,160
type hangout that saw several cars a

480
00:19:01,590 --> 00:18:58,880
weekend

481
00:19:03,590 --> 00:19:01,600
now it's private ownership which has

482
00:19:05,350 --> 00:19:03,600
maybe allowed eight people total on it

483
00:19:08,830 --> 00:19:05,360
since it's changed hands

484
00:19:11,270 --> 00:19:08,840
and so that's just talking about a small

485
00:19:13,510 --> 00:19:11,280
percentage of the basin but i

486
00:19:14,470 --> 00:19:13,520
see this happening across the basin

487
00:19:17,110 --> 00:19:14,480
where

488
00:19:17,830 --> 00:19:17,120

landowners are realizing there's more to

489

00:19:21,990 --> 00:19:17,840

this

490

00:19:26,310 --> 00:19:24,950

yeah it looks like i got the uh image to

491

00:19:29,750 --> 00:19:26,320

display here and just

492

00:19:31,510 --> 00:19:29,760

you know kind of a cool image this is uh

493

00:19:33,190 --> 00:19:31,520

and i think the background there's been

494

00:19:35,909 --> 00:19:33,200

highlighted for effect there

495

00:19:36,230 --> 00:19:35,919

but uh this this happened actually on

496

00:19:39,830 --> 00:19:36,240

the

497

00:19:43,029 --> 00:19:39,840

testing with rockets

498

00:19:45,909 --> 00:19:43,039

and uh you don't remember if it

499

00:19:46,549 --> 00:19:45,919

happened i think just about uh the time

500

00:19:48,390 --> 00:19:46,559

they had

501
00:19:50,870 --> 00:19:48,400
finished doing one of the tests this

502
00:19:53,110 --> 00:19:50,880
thing this craft uh

503
00:19:54,150 --> 00:19:53,120
you know just appeared and it's kind of

504
00:19:57,669 --> 00:19:54,160
a distinct

505
00:19:59,990 --> 00:19:57,679
looking craft and uh

506
00:20:01,750 --> 00:20:00,000
you know it maybe for a minute or so it

507
00:20:04,230 --> 00:20:01,760
was there and they were all looking up

508
00:20:07,350 --> 00:20:04,240
at the sky and commenting on it but

509
00:20:08,950 --> 00:20:07,360
maybe ryan what's you know as far as the

510
00:20:10,950 --> 00:20:08,960
parents of craft

511
00:20:12,950 --> 00:20:10,960
do you use do you have you heard of a

512
00:20:14,710 --> 00:20:12,960
lot of stories about this shape type

513
00:20:18,789 --> 00:20:14,720

craft appearing

514

00:20:21,270 --> 00:20:18,799

uh in and around the un basin area

515

00:20:22,630 --> 00:20:21,280

yeah the unit basin has a rich long

516

00:20:26,710 --> 00:20:22,640

history in general

517

00:20:28,950 --> 00:20:26,720

of ufos in the area and um

518

00:20:29,909 --> 00:20:28,960

to you know bringing up i i can't really

519

00:20:33,110 --> 00:20:29,919

see the image

520

00:20:35,990 --> 00:20:33,120

so i can't speak to it and um

521

00:20:36,549 --> 00:20:36,000

bringing up the tv show uh all i can say

522

00:20:39,830 --> 00:20:36,559

is i like

523

00:20:44,870 --> 00:20:39,840

everybody in it um but

524

00:20:53,590 --> 00:20:49,990

the utah ufo display really

525

00:20:56,630 --> 00:20:53,600

made it obvious to me that

526
00:20:58,630 --> 00:20:56,640
the uintah basin and

527
00:21:00,830 --> 00:20:58,640
the more of it that can be carved out

528
00:21:04,870 --> 00:21:00,840
for the right reasons

529
00:21:05,750 --> 00:21:04,880
uh is really a spiritual retreat for

530
00:21:09,270 --> 00:21:05,760
some

531
00:21:11,830 --> 00:21:09,280
a nightmare for others uh a place

532
00:21:14,390 --> 00:21:11,840
where you're able to commune with things

533
00:21:17,430 --> 00:21:14,400
that aren't supposed to exist

534
00:21:20,470 --> 00:21:17,440
and depending on your personal journey

535
00:21:23,590 --> 00:21:20,480
this is definitely a place to be avoided

536
00:21:24,310 --> 00:21:23,600
um if you're looking out for self but if

537
00:21:26,710 --> 00:21:24,320
you're looking

538
00:21:27,510 --> 00:21:26,720

into self it might be a place you want

539

00:21:29,990 --> 00:21:27,520

to

540

00:21:30,789 --> 00:21:30,000

head out a weekend camp at a designated

541

00:21:32,789 --> 00:21:30,799

camp spot

542

00:21:33,830 --> 00:21:32,799

look at the sky whatever you know give

543

00:21:37,270 --> 00:21:33,840

it a fair shake

544

00:21:39,270 --> 00:21:37,280

compared to sedona

545

00:21:40,870 --> 00:21:39,280

arches you know there's so many areas

546

00:21:41,510 --> 00:21:40,880

southern utah which brings up the

547

00:21:45,270 --> 00:21:41,520

monolith

548

00:21:47,510 --> 00:21:45,280

and ley lines and other things and

549

00:21:48,630 --> 00:21:47,520

you know the monolith lined up in my

550

00:21:50,870 --> 00:21:48,640

opinion

551
00:21:51,909 --> 00:21:50,880
quite significantly with thompson

552
00:21:54,070 --> 00:21:51,919
springs and

553
00:21:55,110 --> 00:21:54,080
uh the general area of interest we're

554
00:21:58,230 --> 00:21:55,120
discussing

555
00:22:00,549 --> 00:21:58,240
and not only that it

556
00:22:01,350 --> 00:22:00,559
is an i don't think that monolith was

557
00:22:04,149 --> 00:22:01,360
made to

558
00:22:05,190 --> 00:22:04,159
be found in fact uh i think more

559
00:22:08,630 --> 00:22:05,200
information has been

560
00:22:10,549 --> 00:22:08,640
gathered since the

561
00:22:12,390 --> 00:22:10,559
whatever your opinion of the people that

562
00:22:15,669 --> 00:22:12,400
dismantled and took it out

563
00:22:17,350 --> 00:22:15,679

since they took it out i believe that

564

00:22:18,310 --> 00:22:17,360

more information has been gathered about

565

00:22:21,350 --> 00:22:18,320

the site

566

00:22:23,990 --> 00:22:21,360

uh it's pretty significant that

567

00:22:25,510 --> 00:22:24,000

uh let me see the youtuber here that i

568

00:22:27,909 --> 00:22:25,520

followed so everybody can check it out

569

00:22:31,430 --> 00:22:27,919

because it's actually worth checking out

570

00:22:34,470 --> 00:22:31,440

it is jailbreak

571

00:22:36,070 --> 00:22:34,480

outlander um and

572

00:22:37,830 --> 00:22:36,080

if you go to his site he did a pretty

573

00:22:39,110 --> 00:22:37,840

detailed thing after

574

00:22:41,350 --> 00:22:39,120

they had taken it out which i thought

575

00:22:43,110 --> 00:22:41,360

was really interesting because

576

00:22:44,789 --> 00:22:43,120

uh he had friends who had just been

577

00:22:47,590 --> 00:22:44,799

there before it was taken out

578

00:22:49,510 --> 00:22:47,600

and it was very level after five years

579

00:22:53,029 --> 00:22:49,520

that we know of may have been more

580

00:22:55,750 --> 00:22:53,039

it was completely level completely true

581

00:22:57,110 --> 00:22:55,760

significantly placed in a in

582

00:22:59,909 --> 00:22:57,120

directionality north

583

00:23:01,029 --> 00:22:59,919

south and also where there was a

584

00:23:04,789 --> 00:23:01,039

naturally forming

585

00:23:06,470 --> 00:23:04,799

waterfall it seemed to split the water

586

00:23:08,710 --> 00:23:06,480

in two streams

587

00:23:09,669 --> 00:23:08,720

around the amphitheater so quite

588

00:23:12,149 --> 00:23:09,679

literally

589

00:23:13,029 --> 00:23:12,159

if there was a rain you could sit there

590

00:23:15,990 --> 00:23:13,039

and talk

591

00:23:17,990 --> 00:23:16,000

with the water going around the audience

592

00:23:20,710 --> 00:23:18,000

and the echo going out

593

00:23:22,710 --> 00:23:20,720

and this is all very occult i know and

594

00:23:25,990 --> 00:23:22,720

it seems silly but

595

00:23:28,310 --> 00:23:26,000

but it it i don't think so um you know

596

00:23:29,830 --> 00:23:28,320

with cults like nexium uh i mean this

597

00:23:31,270 --> 00:23:29,840

has like nexium written all over it in

598

00:23:34,310 --> 00:23:31,280

my opinion or something

599

00:23:36,950 --> 00:23:34,320

nexium-ish um built

600

00:23:38,149 --> 00:23:36,960

used forgotten about found who knows how

601
00:23:41,350 --> 00:23:38,159
many years later

602
00:23:43,830 --> 00:23:41,360
but it was maybe not maybe it's just

603
00:23:44,870 --> 00:23:43,840
an art piece but still the significance

604
00:23:46,870 --> 00:23:44,880
of the placement

605
00:23:48,470 --> 00:23:46,880
the person who put it in was

606
00:23:51,669 --> 00:23:48,480
knowledgeable of

607
00:23:53,590 --> 00:23:51,679
semi-quasi semi-quasi-occult things

608
00:23:57,190 --> 00:23:53,600
because of how it was put in

609
00:23:59,750 --> 00:23:57,200
um it had other interesting

610
00:24:02,149 --> 00:23:59,760
aspects as well but what are your

611
00:24:04,310 --> 00:24:02,159
thoughts on it curry

612
00:24:06,870 --> 00:24:04,320
well i'm going to try and drag an image

613
00:24:09,909 --> 00:24:06,880

over and see if we can get that to work

614

00:24:13,190 --> 00:24:09,919

of the actual monolith um

615

00:24:15,029 --> 00:24:13,200

this is kind of uh

616

00:24:16,710 --> 00:24:15,039

we're on skype here and we're trying to

617

00:24:19,269 --> 00:24:16,720

do some

618

00:24:20,630 --> 00:24:19,279

some photo sharing and i'm still trying

619

00:24:22,549 --> 00:24:20,640

to get the

620

00:24:24,390 --> 00:24:22,559

the bugs worked out on this i finally

621

00:24:25,750 --> 00:24:24,400

got the last image to display i don't

622

00:24:28,149 --> 00:24:25,760

know if it's going to allow me to

623

00:24:30,070 --> 00:24:28,159

actually display this or not

624

00:24:33,750 --> 00:24:30,080

i've got an overview image that i'm

625

00:24:36,070 --> 00:24:33,760

looking at

626

00:24:37,590 --> 00:24:36,080

and i don't think it's going to

627

00:24:39,029 --> 00:24:37,600

unfortunately doesn't look like it's

628

00:24:40,310 --> 00:24:39,039

going to allow me to do it for some

629

00:24:43,350 --> 00:24:40,320

reason

630

00:24:46,070 --> 00:24:43,360

let me see um i

631

00:24:48,470 --> 00:24:46,080

find it interesting in the fact that uh

632

00:24:51,590 --> 00:24:48,480

it's a very remote location

633

00:24:52,149 --> 00:24:51,600

uh it's a slot canyon um there was

634

00:24:55,510 --> 00:24:52,159

mention

635

00:24:56,470 --> 00:24:55,520

when these uh uh i i don't know if there

636

00:24:59,110 --> 00:24:56,480

were blm

637

00:25:00,390 --> 00:24:59,120

workers they were out there actually

638

00:25:03,029 --> 00:25:00,400

counting

639

00:25:03,750 --> 00:25:03,039

uh i don't know if it was shaped out i'm

640

00:25:05,510 --> 00:25:03,760

not sure

641

00:25:07,750 --> 00:25:05,520

what the animal was that they were

642

00:25:08,070 --> 00:25:07,760

actually counting and they discovered

643

00:25:10,630 --> 00:25:08,080

this

644

00:25:11,830 --> 00:25:10,640

object but one of the things that i find

645

00:25:15,190 --> 00:25:11,840

interesting about it

646

00:25:17,110 --> 00:25:15,200

is um they

647

00:25:19,110 --> 00:25:17,120

one again i mentioned at the remote

648

00:25:20,950 --> 00:25:19,120

location and how they drove this thing

649

00:25:22,710 --> 00:25:20,960

out here it was obviously well thought

650

00:25:25,029 --> 00:25:22,720

out and well placed

651
00:25:26,070 --> 00:25:25,039
and uh people have actually done some

652
00:25:30,149 --> 00:25:26,080
google

653
00:25:30,870 --> 00:25:30,159
appears that this thing was located

654
00:25:34,549 --> 00:25:30,880
there

655
00:25:36,549 --> 00:25:34,559
at least since 2015 2016 time frame

656
00:25:38,470 --> 00:25:36,559
some are saying there's rivets located

657
00:25:39,190 --> 00:25:38,480
on it so yeah very well could have been

658
00:25:41,590 --> 00:25:39,200
just a

659
00:25:43,110 --> 00:25:41,600
you know an artist's design there was

660
00:25:45,990 --> 00:25:43,120
even an artist's

661
00:25:48,870 --> 00:25:46,000
name specifically mentioned who had the

662
00:25:51,909 --> 00:25:48,880
vision of doing this

663
00:25:52,789 --> 00:25:51,919

you know we saw one pop up in romania we

664

00:25:54,830 --> 00:25:52,799

saw one pop

665

00:25:57,029 --> 00:25:54,840

up in northern california up on a

666

00:25:59,669 --> 00:25:57,039

mountaintop and they've all seemed to

667

00:26:02,230 --> 00:25:59,679

disappear now which is kind of strange

668

00:26:03,990 --> 00:26:02,240

uh you know which kind of just plays to

669

00:26:08,070 --> 00:26:04,000

the mystery of all this

670

00:26:10,789 --> 00:26:08,080

um but it was also removed and uh

671

00:26:12,070 --> 00:26:10,799

you know there's been funny commentary

672

00:26:13,190 --> 00:26:12,080

you know people have said this looks

673

00:26:17,029 --> 00:26:13,200

like the southwest

674

00:26:19,750 --> 00:26:17,039

gate sign you know that sort of thing

675

00:26:21,269 --> 00:26:19,760

but uh it's yeah it's interesting about

676

00:26:23,430 --> 00:26:21,279

the placement and that

677

00:26:25,350 --> 00:26:23,440

it went it was there for such a long

678

00:26:26,630 --> 00:26:25,360

period of time before it was ever

679

00:26:29,110 --> 00:26:26,640

discovered

680

00:26:31,110 --> 00:26:29,120

um dimensions wise we're talking about

681

00:26:32,230 --> 00:26:31,120

ten feet tall and i think about two feet

682

00:26:35,269 --> 00:26:32,240

wide

683

00:26:36,950 --> 00:26:35,279

uh and again there was another guy that

684

00:26:37,990 --> 00:26:36,960

somehow finally managed to find a

685

00:26:41,190 --> 00:26:38,000

location because i don't think

686

00:26:43,269 --> 00:26:41,200

they broadcast the exact location uh

687

00:26:45,350 --> 00:26:43,279

and he said there was more than one

688

00:26:46,549 --> 00:26:45,360

surface in other words like it had kind

689

00:26:48,870 --> 00:26:46,559

of been

690

00:26:50,310 --> 00:26:48,880

put together wasn't all one solid

691

00:26:51,430 --> 00:26:50,320

surface and that's one of the things he

692

00:26:53,269 --> 00:26:51,440

pointed out

693

00:26:55,110 --> 00:26:53,279

so i think it's probably prosaic

694

00:26:57,830 --> 00:26:55,120

explanations for this

695

00:26:58,470 --> 00:26:57,840

um although there is some kind of

696

00:27:00,549 --> 00:26:58,480

interesting

697

00:27:01,909 --> 00:27:00,559

elements to this and whoever did

698

00:27:04,470 --> 00:27:01,919

possibly

699

00:27:05,830 --> 00:27:04,480

you know do this it was very well

700

00:27:09,269 --> 00:27:05,840

thought out as you kind of already

701

00:27:15,830 --> 00:27:12,630

yeah there the other odd thing

702

00:27:18,870 --> 00:27:15,840

just uh not that it's that important is

703

00:27:21,269 --> 00:27:18,880

that the acoustics apparently if you

704

00:27:23,909 --> 00:27:21,279

were within a foot of this thing

705

00:27:25,669 --> 00:27:23,919

your voice would echo or amplify

706

00:27:27,909 --> 00:27:25,679

throughout the amphitheater

707

00:27:29,190 --> 00:27:27,919

and if you were more than a foot or a

708

00:27:30,710 --> 00:27:29,200

couple feet away from this

709

00:27:32,470 --> 00:27:30,720

there was you know your voice would

710

00:27:35,510 --> 00:27:32,480

reduce down to

711

00:27:38,950 --> 00:27:35,520

uh normal normal sound

712

00:27:39,430 --> 00:27:38,960

so the placement again but yeah man i

713

00:27:43,909 --> 00:27:39,440

think

714

00:27:46,070 --> 00:27:43,919

thought obviously westworld because they

715

00:27:50,230 --> 00:27:46,080

filmed in the general areas of some

716

00:27:52,070 --> 00:27:50,240

occult way of like bringing worst worlds

717

00:27:53,750 --> 00:27:52,080

you know overall popularity into

718

00:27:55,830 --> 00:27:53,760

fruition i doubt it i don't think

719

00:27:58,549 --> 00:27:55,840

westworld's going to

720

00:27:59,190 --> 00:27:58,559

go to the lengths of securing those

721

00:28:02,310 --> 00:27:59,200

permits

722

00:28:03,190 --> 00:28:02,320

and uh you know not do things by the

723

00:28:05,750 --> 00:28:03,200

book

724

00:28:07,269 --> 00:28:05,760

um the other thing is you know is it a

725

00:28:10,549 --> 00:28:07,279

possible eccentric

726

00:28:12,549 --> 00:28:10,559

occult group possibly um

727

00:28:14,630 --> 00:28:12,559

you know a lot of these are starting to

728

00:28:18,389 --> 00:28:14,640

kind of bubble to the surface

729

00:28:22,470 --> 00:28:18,399

with the epstein saga

730

00:28:23,990 --> 00:28:22,480

we have members in general southeastern

731

00:28:27,350 --> 00:28:24,000

utah arizona

732

00:28:30,549 --> 00:28:27,360

and parts of mexico that were

733

00:28:33,669 --> 00:28:30,559

members of multiple families nexium

734

00:28:36,070 --> 00:28:33,679

and other organizations and

735

00:28:36,710 --> 00:28:36,080

um i'm not saying that it was them but

736

00:28:39,590 --> 00:28:36,720

if they

737

00:28:40,870 --> 00:28:39,600

are there you know it's it's usually you

738

00:28:41,510 --> 00:28:40,880

know where you see one dog there's a

739

00:28:44,710 --> 00:28:41,520

pack

740

00:28:46,950 --> 00:28:44,720

and it makes me wonder you know

741

00:28:48,710 --> 00:28:46,960

it we'll never know maybe but the

742

00:28:50,149 --> 00:28:48,720

reasons definitely man-made in my

743

00:28:50,630 --> 00:28:50,159

opinion but the reasons that it was

744

00:28:53,350 --> 00:28:50,640

there

745

00:28:54,149 --> 00:28:53,360

unknown kind of cool and now you know

746

00:28:58,310 --> 00:28:54,159

the

747

00:29:01,510 --> 00:28:58,320

jokingly at this point

748

00:29:02,149 --> 00:29:01,520

almost um makes me want to look at the

749

00:29:05,510 --> 00:29:02,159

first

750

00:29:08,310 --> 00:29:05,520

site more because if you didn't

751
00:29:10,310 --> 00:29:08,320
it almost seems like a distractionary

752
00:29:12,549 --> 00:29:10,320
joke

753
00:29:14,149 --> 00:29:12,559
some kooky quack put it out there let's

754
00:29:16,389 --> 00:29:14,159
forget about it the diesel brothers

755
00:29:20,389 --> 00:29:16,399
found it and the rest is history

756
00:29:23,909 --> 00:29:22,710
yeah it's interesting and uh it kind of

757
00:29:27,110 --> 00:29:23,919
harkens back to

758
00:29:28,549 --> 00:29:27,120
2001 space odyssey

759
00:29:30,389 --> 00:29:28,559
a lot of people mentioned that it

760
00:29:31,830 --> 00:29:30,399
certainly looks like that monolith

761
00:29:33,750 --> 00:29:31,840
structure they had in there

762
00:29:35,029 --> 00:29:33,760
maybe that's what's kind of captivated

763
00:29:38,389 --> 00:29:35,039

so many people and

764

00:29:39,510 --> 00:29:38,399

um you know drawn so many people's

765

00:29:43,029 --> 00:29:39,520

interest

766

00:29:45,110 --> 00:29:43,039

is it it really really looks a lot like

767

00:29:47,190 --> 00:29:45,120

that monolithic structure they had on

768

00:29:48,710 --> 00:29:47,200

2001 space odyssey but

769

00:29:50,630 --> 00:29:48,720

yeah i think there's prosaic

770

00:29:53,830 --> 00:29:50,640

explanations here but um

771

00:29:55,269 --> 00:29:53,840

again very well thought out and planned

772

00:29:57,510 --> 00:29:55,279

the way it's happened and maybe the

773

00:30:00,549 --> 00:29:57,520

other two sites were just copycats

774

00:30:02,070 --> 00:30:00,559

as some some people have said um

775

00:30:03,909 --> 00:30:02,080

and i really wish we could get the image

776

00:30:06,470 --> 00:30:03,919

to display on here but i don't seem to

777

00:30:09,029 --> 00:30:06,480

be having any luck doing that

778

00:30:11,590 --> 00:30:09,039

um i popped up another image and for

779

00:30:14,789 --> 00:30:11,600

some reason that displayed

780

00:30:16,710 --> 00:30:14,799

and this one is not but uh you know

781

00:30:19,190 --> 00:30:16,720

this is kind of a new thing for me i've

782

00:30:21,510 --> 00:30:19,200

never really displayed images on here so

783

00:30:23,029 --> 00:30:21,520

uh unfortunately i was not able to get

784

00:30:24,950 --> 00:30:23,039

it to display

785

00:30:26,950 --> 00:30:24,960

i i wanted to get back to kind of the

786

00:30:29,669 --> 00:30:26,960

discussion on the ufos

787

00:30:30,950 --> 00:30:29,679

uh ufo sightings in utah we've had

788

00:30:34,710 --> 00:30:30,960

several

789

00:30:37,269 --> 00:30:34,720

um just over recent years oh yeah uh

790

00:30:38,389 --> 00:30:37,279

and uh one of them and you know again i

791

00:30:40,549 --> 00:30:38,399

hope i can get this

792

00:30:42,310 --> 00:30:40,559

image to work and display here and i may

793

00:30:44,549 --> 00:30:42,320

not be able to

794

00:30:46,870 --> 00:30:44,559

we'll give it a try oh there we go okay

795

00:30:49,990 --> 00:30:46,880

i think i figured it out here ryan

796

00:30:51,990 --> 00:30:50,000

uh this was a you know this was

797

00:30:53,269 --> 00:30:52,000

a and i'm not sure what kind of aircraft

798

00:30:55,029 --> 00:30:53,279

this was i don't know if it was a

799

00:30:58,230 --> 00:30:55,039

regular airliner

800

00:30:59,190 --> 00:30:58,240

or more of a private plane that captured

801
00:31:02,149 --> 00:30:59,200
this

802
00:31:04,549 --> 00:31:02,159
but the pilot actually took a picture as

803
00:31:07,590 --> 00:31:04,559
i understand it with his cell phone

804
00:31:11,029 --> 00:31:07,600
of this cigar-shaped object

805
00:31:13,669 --> 00:31:11,039
uh that uh was flying below them

806
00:31:14,070 --> 00:31:13,679
uh and you know there's been other

807
00:31:16,149 --> 00:31:14,080
people

808
00:31:18,950 --> 00:31:16,159
make comments that there's probably a

809
00:31:21,830 --> 00:31:18,960
prosaic explanation here for this

810
00:31:23,350 --> 00:31:21,840
uh you know maybe it's another aircraft

811
00:31:26,230 --> 00:31:23,360
i don't see any surfaces

812
00:31:26,950 --> 00:31:26,240
i don't see any flight surfaces wings

813
00:31:30,870 --> 00:31:26,960

you know

814

00:31:33,590 --> 00:31:30,880

um horizontal or vertical stabilizer

815

00:31:35,350 --> 00:31:33,600

i don't see any of that and i think it

816

00:31:36,710 --> 00:31:35,360

was mentioned that there was no signs of

817

00:31:38,549 --> 00:31:36,720

propulsion

818

00:31:39,909 --> 00:31:38,559

uh the other thing interesting about

819

00:31:43,269 --> 00:31:39,919

this sighting

820

00:31:44,230 --> 00:31:43,279

is um it kind of looks similar to the

821

00:31:47,190 --> 00:31:44,240

tic-tac-toe

822

00:31:48,149 --> 00:31:47,200

the tic-tac ufo i almost said tic tac

823

00:31:51,750 --> 00:31:48,159

toe

824

00:31:54,389 --> 00:31:51,760

but the tic tac um navy video

825

00:31:54,789 --> 00:31:54,399

uh it it's very similar in appearance

826

00:31:57,590 --> 00:31:54,799

and

827

00:31:59,590 --> 00:31:57,600

uh you know interesting they captured

828

00:32:02,070 --> 00:31:59,600

this thing this is a mufon case

829

00:32:02,630 --> 00:32:02,080

uh this was the the pilot was actually

830

00:32:05,430 --> 00:32:02,640

flying

831

00:32:07,750 --> 00:32:05,440

over zion national park and this thing

832

00:32:09,430 --> 00:32:07,760

kind of seemed to be following them

833

00:32:11,509 --> 00:32:09,440

and i don't know if have you seen the

834

00:32:13,669 --> 00:32:11,519

video from this before ryan have you saw

835

00:32:15,669 --> 00:32:13,679

this one before

836

00:32:17,990 --> 00:32:15,679

this is new to me this this is actually

837

00:32:21,909 --> 00:32:18,000

really cool yeah no this is new to me

838

00:32:25,029 --> 00:32:21,919

um but yeah it looks like and and often

839

00:32:26,549 --> 00:32:25,039

with these authoritative sightings and

840

00:32:27,830 --> 00:32:26,559

when you have video if it was somebody

841

00:32:29,269 --> 00:32:27,840

else it would just be you know this

842

00:32:32,870 --> 00:32:29,279

guy's a hoaxer

843

00:32:36,310 --> 00:32:32,880

but when it's a a pilot a

844

00:32:39,190 --> 00:32:36,320

you know an officer of military types

845

00:32:40,149 --> 00:32:39,200

or law enforcement it's taken more

846

00:32:43,029 --> 00:32:40,159

seriously but

847

00:32:43,430 --> 00:32:43,039

it seems like more often than not a lot

848

00:32:46,070 --> 00:32:43,440

of these

849

00:32:47,110 --> 00:32:46,080

just look like pure energy which is very

850

00:32:50,389 --> 00:32:47,120

reminiscent of

851
00:32:52,630 --> 00:32:50,399
biblical and uh middle eastern

852
00:32:54,149 --> 00:32:52,640
and all kinds of you know indian vimanas

853
00:32:56,230 --> 00:32:54,159
and you know that you name it when

854
00:32:58,630 --> 00:32:56,240
you're just talking pure energy and

855
00:33:01,110 --> 00:32:58,640
if if this is a reversed engineered

856
00:33:02,870 --> 00:33:01,120
craft or some black project where

857
00:33:04,549 --> 00:33:02,880
anti-gravity is being used i'm not

858
00:33:06,070 --> 00:33:04,559
saying that doesn't exist

859
00:33:08,950 --> 00:33:06,080
it's likely that it would look very

860
00:33:12,710 --> 00:33:11,350
yeah that's interesting because uh it's

861
00:33:16,389 --> 00:33:12,720
funny you you mentioned

862
00:33:18,230 --> 00:33:16,399
energy because uh there's another uh ufo

863
00:33:19,990 --> 00:33:18,240

sighting and this just happened back in

864

00:33:22,389 --> 00:33:20,000

july here in utah

865

00:33:23,990 --> 00:33:22,399

uh a guy in draper captured this and let

866

00:33:27,269 --> 00:33:24,000

me see if i can get the image

867

00:33:29,110 --> 00:33:27,279

over to display it and hopefully those

868

00:33:31,669 --> 00:33:29,120

who are going to be watching this

869

00:33:33,190 --> 00:33:31,679

on the youtube uh as a youtube video

870

00:33:37,190 --> 00:33:33,200

will be able to see these

871

00:33:40,389 --> 00:33:37,200

display and it was basically an

872

00:33:42,549 --> 00:33:40,399

orb type object that appeared in the sky

873

00:33:44,710 --> 00:33:42,559

and was kind of dancing around and let

874

00:33:46,789 --> 00:33:44,720

me see if i can actually find the image

875

00:33:50,149 --> 00:33:46,799

of this

876

00:33:52,789 --> 00:33:50,159

and it was interesting because it was

877

00:33:53,350 --> 00:33:52,799

it was out west i think the the the guy

878

00:33:57,029 --> 00:33:53,360

who took

879

00:34:00,710 --> 00:33:57,039

the the video of this it was out west

880

00:34:03,830 --> 00:34:00,720

kind of facing out towards the the west

881

00:34:07,269 --> 00:34:03,840

mountain range and

882

00:34:08,790 --> 00:34:07,279

again it had this orb-like appearance to

883

00:34:12,149 --> 00:34:08,800

it

884

00:34:14,069 --> 00:34:12,159

um i don't

885

00:34:15,430 --> 00:34:14,079

know that i have the image here okay

886

00:34:17,589 --> 00:34:15,440

well anyways

887

00:34:18,950 --> 00:34:17,599

that happened back in july i'm wondering

888

00:34:22,230 --> 00:34:18,960

if have you seen

889

00:34:25,430 --> 00:34:22,240

um video or photographic

890

00:34:31,669 --> 00:34:25,440

evidence of these types of um sightings

891

00:34:39,109 --> 00:34:35,030

yeah as is uh as early as last

892

00:34:42,069 --> 00:34:39,119

night i have video sent to me from

893

00:34:44,149 --> 00:34:42,079

um a very close friend of mine one of my

894

00:34:46,869 --> 00:34:44,159

best friends he's actually

895

00:34:47,589 --> 00:34:46,879

uh does head of security for stuff but

896

00:34:49,829 --> 00:34:47,599

he

897

00:34:51,109 --> 00:34:49,839

has some friends that anyway yes i'll

898

00:34:54,069 --> 00:34:51,119

send you the videos just

899

00:34:54,389 --> 00:34:54,079

from the uinta basin three of them um

900

00:34:57,990 --> 00:34:54,399

it's

901
00:34:58,710 --> 00:34:58,000
different in this is different people he

902
00:35:01,910 --> 00:34:58,720
didn't get a

903
00:35:02,470 --> 00:35:01,920
gather them but yeah constantly this is

904
00:35:04,230 --> 00:35:02,480
happening

905
00:35:06,630 --> 00:35:04,240
yeah it could be you know a lot of times

906
00:35:09,430 --> 00:35:06,640
this one of them is a line

907
00:35:11,190 --> 00:35:09,440
you know reminds reminiscent of starlink

908
00:35:14,550 --> 00:35:11,200
and

909
00:35:18,950 --> 00:35:14,560
but you know others are not so it's it's

910
00:35:23,829 --> 00:35:21,349
yeah and i've seen other uh video

911
00:35:26,230 --> 00:35:23,839
footage of them as well and it just begs

912
00:35:29,190 --> 00:35:26,240
the question what are you seeing there

913
00:35:30,550 --> 00:35:29,200

um you know it's it kind of harkens back

914

00:35:32,630 --> 00:35:30,560

to what you already said

915

00:35:34,710 --> 00:35:32,640

and that is you know they kind of just

916

00:35:38,950 --> 00:35:34,720

look like free-floating kind of

917

00:35:42,829 --> 00:35:38,960

energy um balls of energy and and uh

918

00:35:45,109 --> 00:35:42,839

you know it's not your typical disc like

919

00:35:47,589 --> 00:35:45,119

object um but it's

920

00:35:49,750 --> 00:35:47,599

very interesting i wanted to see if we

921

00:35:51,190 --> 00:35:49,760

could display going back to the monolith

922

00:35:53,270 --> 00:35:51,200

i'm going to see if i can get this to

923

00:35:57,349 --> 00:35:53,280

come up there's the monolith

924

00:35:59,990 --> 00:35:57,359

hopefully uh you can see that

925

00:36:01,990 --> 00:36:00,000

you know if you looked at this uh you

926

00:36:03,270 --> 00:36:02,000

know if you look at this just from the

927

00:36:06,630 --> 00:36:03,280

picture

928

00:36:09,030 --> 00:36:06,640

uh it looks you know just kind of like a

929

00:36:10,069 --> 00:36:09,040

you know maybe stainless steel object

930

00:36:12,870 --> 00:36:10,079

all one

931

00:36:13,910 --> 00:36:12,880

piece uh and i just wanted to throw this

932

00:36:15,589 --> 00:36:13,920

up there because i know we were trying

933

00:36:18,950 --> 00:36:15,599

to throw it up before

934

00:36:22,790 --> 00:36:18,960

i but other observers seem to

935

00:36:25,190 --> 00:36:22,800

say that there was rivets present and

936

00:36:27,190 --> 00:36:25,200

you know kind of like it was uh put

937

00:36:28,550 --> 00:36:27,200

together with more than one surface so i

938

00:36:29,589 --> 00:36:28,560

just wanted to throw that up there

939

00:36:30,950 --> 00:36:29,599

because

940

00:36:33,109 --> 00:36:30,960

i was having a little technical

941

00:36:35,589 --> 00:36:33,119

difficulty doing that before

942

00:36:37,670 --> 00:36:35,599

um i unfortunately i can't get the

943

00:36:40,950 --> 00:36:37,680

draper image to display

944

00:36:44,630 --> 00:36:40,960

um and we'll see i have another

945

00:36:46,470 --> 00:36:44,640

interesting uh interesting it's actually

946

00:36:49,750 --> 00:36:46,480

from a youtube video

947

00:36:51,430 --> 00:36:49,760

of a perhaps a cryptid sighting

948

00:36:53,190 --> 00:36:51,440

uh i don't know if you've seen this one

949

00:36:54,150 --> 00:36:53,200

or not ryan or if you even want to

950

00:36:55,750 --> 00:36:54,160

comment

951
00:36:58,230 --> 00:36:55,760
i i think it was captured somewhere in

952
00:36:59,990 --> 00:36:58,240
the united basin near skinwalker

953
00:37:01,990 --> 00:37:00,000
uh i'll see if i can get this thing to

954
00:37:05,109 --> 00:37:02,000
come up or not there it is

955
00:37:08,069 --> 00:37:05,119
whoa let me back out here

956
00:37:09,190 --> 00:37:08,079
that uh zoomed in a little bit too much

957
00:37:12,470 --> 00:37:09,200
there you go

958
00:37:13,750 --> 00:37:12,480
ryan have you seen this one oh can you

959
00:37:17,030 --> 00:37:13,760
see that on the screen

960
00:37:19,670 --> 00:37:17,040
yeah i've seen it yep

961
00:37:21,270 --> 00:37:19,680
okay um i thought this was kind of

962
00:37:23,510 --> 00:37:21,280
interesting some people could say this

963
00:37:28,230 --> 00:37:23,520

is uh just some sort of dog

964

00:37:30,069 --> 00:37:28,240

uh when i looked at it i can't find it

965

00:37:32,310 --> 00:37:30,079

i certainly don't see any explanation

966

00:37:33,030 --> 00:37:32,320

for what uh what kind of animal this

967

00:37:35,349 --> 00:37:33,040

could be

968

00:37:37,270 --> 00:37:35,359

um you know unless it's just i mean it's

969

00:37:40,550 --> 00:37:37,280

not a coyote

970

00:37:41,430 --> 00:37:40,560

uh it doesn't look like a wolf could it

971

00:37:43,670 --> 00:37:41,440

be some sort of

972

00:37:46,630 --> 00:37:43,680

cat i suppose i don't know what it

973

00:37:49,750 --> 00:37:46,640

what's your thoughts on this one

974

00:37:51,670 --> 00:37:49,760

i'm not i'm very familiar with i'm very

975

00:37:55,750 --> 00:37:51,680

familiar with this video i think it's

976

00:37:57,990 --> 00:37:55,760

one of the most encouraging videos

977

00:38:00,310 --> 00:37:58,000

from you know people have commented that

978

00:38:01,109 --> 00:38:00,320

it was oh why is it so shaky why how did

979

00:38:03,190 --> 00:38:01,119

he have

980

00:38:04,950 --> 00:38:03,200

i think it's epic video yeah i know the

981

00:38:05,829 --> 00:38:04,960

person that caught it his name is cody

982

00:38:07,990 --> 00:38:05,839

to be

983

00:38:09,270 --> 00:38:08,000

and he was working in a professional

984

00:38:12,630 --> 00:38:09,280

capacity at the time

985

00:38:14,790 --> 00:38:12,640

as a uh wildlife i believe wildlife

986

00:38:16,230 --> 00:38:14,800

uh for the tribe officer i'm not sure i

987

00:38:18,310 --> 00:38:16,240

could be wrong on the

988

00:38:19,829 --> 00:38:18,320

the professional capacity but he was he

989

00:38:21,910 --> 00:38:19,839

was working professionally and looking

990

00:38:23,589 --> 00:38:21,920

for things of this nature and

991

00:38:25,430 --> 00:38:23,599

these things are so fast which you can

992

00:38:26,710 --> 00:38:25,440

tell in the video it's either moving or

993

00:38:30,870 --> 00:38:26,720

it's not moving

994

00:38:33,910 --> 00:38:30,880

and um it in my opinion

995

00:38:36,870 --> 00:38:33,920

i don't know cody's personal opinion

996

00:38:39,030 --> 00:38:36,880

but i would i would love to know it in

997

00:38:43,270 --> 00:38:39,040

my personal opinion

998

00:38:47,670 --> 00:38:43,280

what we have here is a feral

999

00:38:50,069 --> 00:38:47,680

natural animal which has

1000

00:38:51,190 --> 00:38:50,079

um taken the place of something that

1001
00:38:53,510 --> 00:38:51,200
used to be there

1002
00:38:54,950 --> 00:38:53,520
and what i mean by that is this is a

1003
00:38:57,750 --> 00:38:54,960
phenomenal creature

1004
00:38:58,470 --> 00:38:57,760
i would guess that this is some kind of

1005
00:39:02,390 --> 00:38:58,480
mastiff

1006
00:39:06,230 --> 00:39:02,400
mix which has probably lived in the wild

1007
00:39:09,510 --> 00:39:06,240
and by wild i mean the mesas

1008
00:39:11,109 --> 00:39:09,520
and the ridgelines that are purportedly

1009
00:39:14,470 --> 00:39:11,119
haunted in the basin

1010
00:39:15,750 --> 00:39:14,480
and they're purportedly haunted for a

1011
00:39:19,349 --> 00:39:15,760
reason because

1012
00:39:22,710 --> 00:39:19,359
of animals like this so it is

1013
00:39:24,710 --> 00:39:22,720

um kind of a self-perpetuating truth

1014

00:39:25,910 --> 00:39:24,720

if you have a harsh environment where

1015

00:39:27,910 --> 00:39:25,920

only the toughest

1016

00:39:29,510 --> 00:39:27,920

things can survive you're going to end

1017

00:39:31,589 --> 00:39:29,520

up with just the toughest things whether

1018

00:39:35,030 --> 00:39:31,599

they're paranormal in nature or not

1019

00:39:38,150 --> 00:39:35,040

this is i believe rational depicted

1020

00:39:40,390 --> 00:39:38,160

feral wild what they call res dog

1021

00:39:41,510 --> 00:39:40,400

in the area which is not something you

1022

00:39:43,910 --> 00:39:41,520

want to mess with and

1023

00:39:44,710 --> 00:39:43,920

often times you'll come across a pack of

1024

00:39:47,030 --> 00:39:44,720

these things

1025

00:39:48,710 --> 00:39:47,040

not necessarily this large but there's

1026
00:39:50,470 --> 00:39:48,720
packs of these and trust me when i say

1027
00:39:52,550 --> 00:39:50,480
you'd probably have a better chance with

1028
00:39:57,030 --> 00:39:52,560
a pack of wolves because these things

1029
00:40:01,510 --> 00:39:57,040
are brutal and these res dogs

1030
00:40:04,309 --> 00:40:01,520
are for all intents and purposes just

1031
00:40:05,589 --> 00:40:04,319
predators an alpha predator which has

1032
00:40:08,630 --> 00:40:05,599
taken the spot of an

1033
00:40:10,630 --> 00:40:08,640
alpha predator and in my opinion

1034
00:40:11,829 --> 00:40:10,640
the alpha predator that it's taken the

1035
00:40:14,710 --> 00:40:11,839
spot of

1036
00:40:17,030 --> 00:40:14,720
is uh quite possibly the paranormal

1037
00:40:20,309 --> 00:40:17,040
aspect we're discussing but because of

1038
00:40:23,910 --> 00:40:20,319

heightened interest in it it

1039

00:40:26,309 --> 00:40:23,920

um tends to back down a little bit in

1040

00:40:27,270 --> 00:40:26,319

into the recesses of the actual

1041

00:40:29,349 --> 00:40:27,280

environment

1042

00:40:30,550 --> 00:40:29,359

if you believe in that sort of thing and

1043

00:40:34,069 --> 00:40:30,560

a natural

1044

00:40:36,710 --> 00:40:34,079

component fills the gap in addition

1045

00:40:38,309 --> 00:40:36,720

wolves used to go through this area it

1046

00:40:41,349 --> 00:40:38,319

got gray wolves

1047

00:40:42,390 --> 00:40:41,359

and if you go further back a lot of

1048

00:40:45,670 --> 00:40:42,400

other creatures

1049

00:40:48,950 --> 00:40:45,680

that are even scarier and

1050

00:40:49,589 --> 00:40:48,960

this area is still more or less if you

1051
00:40:52,069 --> 00:40:49,599
if you take an

1052
00:40:53,109 --> 00:40:52,079
80 mile radius of the basin and

1053
00:40:56,309 --> 00:40:53,119
incorporate that

1054
00:40:57,349 --> 00:40:56,319
into uh the wolf population and their

1055
00:40:59,270 --> 00:40:57,359
routes

1056
00:41:01,750 --> 00:40:59,280
it is through there they go up through

1057
00:41:03,349 --> 00:41:01,760
the uintas

1058
00:41:05,030 --> 00:41:03,359
into yellowstone and such and they come

1059
00:41:08,069 --> 00:41:05,040
back down through

1060
00:41:09,270 --> 00:41:08,079
parts of utah into northeastern utah

1061
00:41:12,630 --> 00:41:09,280
into colorado

1062
00:41:13,670 --> 00:41:12,640
so with a recent proposition that was

1063
00:41:17,190 --> 00:41:13,680

passed

1064

00:41:20,069 --> 00:41:17,200

they are going to actually put

1065

00:41:21,270 --> 00:41:20,079

gray wolves into the wild in colorado

1066

00:41:24,550 --> 00:41:21,280

and we will very

1067

00:41:25,430 --> 00:41:24,560

likely see more of the natural component

1068

00:41:28,390 --> 00:41:25,440

come through this

1069

00:41:29,190 --> 00:41:28,400

area uh migrate through this area first

1070

00:41:31,430 --> 00:41:29,200

it a little bit

1071

00:41:33,270 --> 00:41:31,440

maybe then a little more and i don't

1072

00:41:33,990 --> 00:41:33,280

know how it's going to we'll have to see

1073

00:41:35,910 --> 00:41:34,000

how the dance

1074

00:41:37,190 --> 00:41:35,920

between the res dogs and the actual

1075

00:41:38,550 --> 00:41:37,200

packs of actual

1076

00:41:41,109 --> 00:41:38,560

predators is going to work out i know

1077

00:41:42,870 --> 00:41:41,119

the ranchers aren't happy but

1078

00:41:44,870 --> 00:41:42,880

i think it's important to try to protect

1079

00:41:47,430 --> 00:41:44,880

some of these animals

1080

00:41:49,670 --> 00:41:47,440

even the res dogs i believe have kind of

1081

00:41:53,030 --> 00:41:49,680

a place i mean they've really carved out

1082

00:41:57,190 --> 00:41:53,040

a niche for themselves which is you know

1083

00:41:58,470 --> 00:41:57,200

wild interesting now have you actually

1084

00:42:00,950 --> 00:41:58,480

experienced these things

1085

00:42:03,990 --> 00:42:00,960

uh when you've been investigating out in

1086

00:42:06,950 --> 00:42:04,000

areas in the united basin

1087

00:42:08,230 --> 00:42:06,960

yeah and um that's why i say the res

1088

00:42:10,710 --> 00:42:08,240

dogs are unpredictable

1089

00:42:11,990 --> 00:42:10,720

i've experienced them with other people

1090

00:42:17,829 --> 00:42:12,000

and

1091

00:42:19,270 --> 00:42:17,839

component is almost more approachable

1092

00:42:20,309 --> 00:42:19,280

than this because this is so

1093

00:42:22,309 --> 00:42:20,319

unpredictable these

1094

00:42:26,230 --> 00:42:22,319

dogs are going to do one of two things

1095

00:42:31,510 --> 00:42:29,349

and when they're in a pack

1096

00:42:33,750 --> 00:42:31,520

you know that so whatever the alpha does

1097

00:42:36,870 --> 00:42:33,760

the rest are just gonna blindly do

1098

00:42:39,030 --> 00:42:36,880

and it's it's it's spooky because

1099

00:42:40,790 --> 00:42:39,040

uh i haven't had them charged yet but

1100

00:42:43,990 --> 00:42:40,800

i've heard stories so

1101

00:42:45,270 --> 00:42:44,000

it it's very likely impossible that

1102

00:42:46,950 --> 00:42:45,280

they do this because they

1103

00:42:49,589 --> 00:42:46,960

take down huge animals that's what they

1104

00:42:52,630 --> 00:42:51,589

now ryan i want to talk a little bit you

1105

00:42:54,950 --> 00:42:52,640

you've

1106

00:42:57,030 --> 00:42:54,960

spent a lot of time in utah you you used

1107

00:42:57,589 --> 00:42:57,040

to actually reside here you now make i

1108

00:43:01,109 --> 00:42:57,599

think las

1109

00:43:02,630 --> 00:43:01,119

vegas your home uh now do you come back

1110

00:43:05,349 --> 00:43:02,640

to utah a lot are you still

1111

00:43:06,230 --> 00:43:05,359

investigating uh around the uinta basin

1112

00:43:07,750 --> 00:43:06,240

uh

1113

00:43:09,750 --> 00:43:07,760

are you are you coming back here

1114

00:43:10,069 --> 00:43:09,760

frequently i thought i lost yeah i heard

1115

00:43:17,910 --> 00:43:10,079

you

1116

00:43:20,950 --> 00:43:17,920

more of a yes i come back often um

1117

00:43:25,109 --> 00:43:20,960

monthly and it's it's

1118

00:43:28,790 --> 00:43:25,119

a it's just an area that's special to me

1119

00:43:34,150 --> 00:43:28,800

but it is fascinating just fascinating

1120

00:43:37,670 --> 00:43:34,160

um i i feel drawn to the area but

1121

00:43:40,390 --> 00:43:37,680

it's not for the you know reasons that

1122

00:43:41,109 --> 00:43:40,400

a lot would expect there's a lot of

1123

00:43:46,069 --> 00:43:41,119

peace

1124

00:43:48,230 --> 00:43:46,079

that comes from the area there is

1125

00:43:50,069 --> 00:43:48,240

there's other things that come with with

1126

00:43:53,349 --> 00:43:50,079

it a ruggedness

1127

00:43:56,390 --> 00:43:53,359

in the landscape it's a different kind

1128

00:43:58,710 --> 00:43:56,400

of beauty you know i've i've

1129

00:44:00,150 --> 00:43:58,720

it's hard to explain but yeah it's a

1130

00:44:02,150 --> 00:44:00,160

place i go back too often

1131

00:44:04,390 --> 00:44:02,160

and uh it holds a special place in my

1132

00:44:06,390 --> 00:44:04,400

heart

1133

00:44:08,150 --> 00:44:06,400

yeah i'm wondering if you could just

1134

00:44:12,150 --> 00:44:08,160

comment quickly you cover this

1135

00:44:14,870 --> 00:44:12,160

in your book so uh in utah ufo ranch

1136

00:44:15,750 --> 00:44:14,880

these lights are drones that you've

1137

00:44:18,790 --> 00:44:15,760

experienced

1138

00:44:19,990 --> 00:44:18,800

out there uh and they seem to be you

1139

00:44:23,829 --> 00:44:20,000

know intelligent

1140

00:44:25,670 --> 00:44:23,839

they seem to follow people

1141

00:44:27,430 --> 00:44:25,680

i think you've experienced it can you

1142

00:44:29,030 --> 00:44:27,440

offer a comment kind of what you've

1143

00:44:32,309 --> 00:44:29,040

experienced with those

1144

00:44:33,990 --> 00:44:32,319

drones or strange orb type lights of

1145

00:44:35,829 --> 00:44:34,000

energy

1146

00:44:37,510 --> 00:44:35,839

yeah i would say that they are very

1147

00:44:38,550 --> 00:44:37,520

similar to what you're describing they

1148

00:44:41,910 --> 00:44:38,560

are just uh

1149

00:44:45,030 --> 00:44:41,920

orbs of energy that are

1150

00:44:46,550 --> 00:44:45,040

roaming the landscape so to speak at odd

1151
00:44:50,550 --> 00:44:46,560
heights

1152
00:44:54,069 --> 00:44:50,560
human

1153
00:44:54,710 --> 00:44:54,079
and they are they seem under intelligent

1154
00:44:58,230 --> 00:44:54,720
control

1155
00:44:59,190 --> 00:44:58,240
so it's fascinating i'm always drawn to

1156
00:45:02,390 --> 00:44:59,200
them

1157
00:45:04,790 --> 00:45:02,400
uh but they are sometimes drawn to you

1158
00:45:06,390 --> 00:45:04,800
so it's it's there's instances where

1159
00:45:09,910 --> 00:45:06,400
they actually follow people

1160
00:45:12,390 --> 00:45:09,920
chase people and itself

1161
00:45:15,270 --> 00:45:12,400
could become more than a display at that

1162
00:45:18,870 --> 00:45:17,190
yeah thanks for commenting on that yeah

1163
00:45:21,910 --> 00:45:18,880

i thought that was interesting

1164

00:45:23,030 --> 00:45:21,920

aspect of uh your experiences out there

1165

00:45:25,910 --> 00:45:23,040

were these um

1166

00:45:27,589 --> 00:45:25,920

strange balls of energy or lights and

1167

00:45:29,750 --> 00:45:27,599

there was also a

1168

00:45:30,790 --> 00:45:29,760

a story about when the sherman ranchers

1169

00:45:34,309 --> 00:45:30,800

were on the

1170

00:45:35,510 --> 00:45:34,319

the property which is now skin walker

1171

00:45:37,349 --> 00:45:35,520

ranch

1172

00:45:38,870 --> 00:45:37,359

that they witnessed these as well and

1173

00:45:41,190 --> 00:45:38,880

there was a story about

1174

00:45:42,069 --> 00:45:41,200

and i want to say it was their two dogs

1175

00:45:45,670 --> 00:45:42,079

actually

1176

00:45:48,390 --> 00:45:45,680

were chasing a couple of these objects

1177

00:45:48,790 --> 00:45:48,400

and uh i don't think they ever came back

1178

00:45:50,790 --> 00:45:48,800

uh

1179

00:45:52,870 --> 00:45:50,800

do you are you aware of that particular

1180

00:45:57,030 --> 00:45:52,880

story

1181

00:45:59,670 --> 00:45:57,040

yeah it is it is a it is a actual event

1182

00:46:01,030 --> 00:45:59,680

i know that they're well getting to the

1183

00:46:04,069 --> 00:46:01,040

story

1184

00:46:05,270 --> 00:46:04,079

it is it's interesting that canines in

1185

00:46:08,550 --> 00:46:05,280

particular

1186

00:46:11,990 --> 00:46:08,560

seem to be the best bio

1187

00:46:14,309 --> 00:46:12,000

sensors or sensors in general to

1188

00:46:16,390 --> 00:46:14,319

this high strangeness that sometimes

1189

00:46:21,109 --> 00:46:16,400

manifests as a canine

1190

00:46:24,470 --> 00:46:21,119

but the the history and the evidence

1191

00:46:25,190 --> 00:46:24,480

not only in the general you in a basin

1192

00:46:29,430 --> 00:46:25,200

and

1193

00:46:32,950 --> 00:46:29,440

countries this goes back

1194

00:46:37,430 --> 00:46:32,960

millennia where dogs

1195

00:46:40,309 --> 00:46:37,440

have been attributed as being the first

1196

00:46:41,910 --> 00:46:40,319

on a property to be aware of a

1197

00:46:43,109 --> 00:46:41,920

quote-unquote gin if you're in the

1198

00:46:46,630 --> 00:46:43,119

middle east

1199

00:46:49,670 --> 00:46:46,640

or possibly the fey if you're in europe

1200

00:46:53,750 --> 00:46:49,680

and i think that the energy

1201

00:46:57,510 --> 00:46:53,760

is most likely similar if not

1202

00:46:59,589 --> 00:46:57,520

possibly the same

1203

00:47:02,710 --> 00:46:59,599

interesting yeah i think it's kind of a

1204

00:47:05,589 --> 00:47:02,720

good segue into another thing people

1205

00:47:07,349 --> 00:47:05,599

experience here in utah many people have

1206

00:47:09,829 --> 00:47:07,359

experienced and that is

1207

00:47:10,790 --> 00:47:09,839

uh bigfoot sightings we've had a lot of

1208

00:47:12,630 --> 00:47:10,800

them here in utah

1209

00:47:14,309 --> 00:47:12,640

yeah all right we were talking just a

1210

00:47:16,150 --> 00:47:14,319

little bit before we started recording

1211

00:47:17,190 --> 00:47:16,160

here a little bit about the the bigfoot

1212

00:47:20,230 --> 00:47:17,200

sightings

1213

00:47:21,190 --> 00:47:20,240

um i've got one i want to talk about in

1214

00:47:24,150 --> 00:47:21,200

particular

1215

00:47:25,670 --> 00:47:24,160

for starters uh and this is one that

1216

00:47:29,270 --> 00:47:25,680

happened

1217

00:47:32,230 --> 00:47:29,280

uh just in october and uh hopefully uh

1218

00:47:33,349 --> 00:47:32,240

you can see that on the screen there uh

1219

00:47:35,990 --> 00:47:33,359

you know i've got it

1220

00:47:36,950 --> 00:47:36,000

encircled in red there but this was a a

1221

00:47:40,069 --> 00:47:36,960

deer hunter

1222

00:47:44,630 --> 00:47:40,079

uh and his son up here in logan canyon

1223

00:47:46,870 --> 00:47:44,640

spotted this uh creature and this is um

1224

00:47:49,030 --> 00:47:46,880

rmso is the one that is investigating

1225

00:47:50,390 --> 00:47:49,040

this the rocky mountain sasquatch

1226
00:47:53,510 --> 00:47:50,400
organization

1227
00:47:56,870 --> 00:47:53,520
and uh they were about 300 yards away

1228
00:47:59,910 --> 00:47:56,880
uh filming this um filming this

1229
00:48:02,549 --> 00:47:59,920
uh bigfoot what appears to be a bigfoot

1230
00:48:04,870 --> 00:48:02,559
with their cell phone i think you know

1231
00:48:06,790 --> 00:48:04,880
they zoomed in on it a little bit

1232
00:48:08,950 --> 00:48:06,800
uh the comments from rocky mountain

1233
00:48:11,750 --> 00:48:08,960
sasquatch organization is

1234
00:48:12,790 --> 00:48:11,760
one this is deer hunting season uh so

1235
00:48:16,549 --> 00:48:12,800
why is a

1236
00:48:18,470 --> 00:48:16,559
person

1237
00:48:20,390 --> 00:48:18,480
you know dressed in dark clothing be

1238
00:48:23,030 --> 00:48:20,400

wandering around out there during deer

1239

00:48:25,109 --> 00:48:23,040

hunting season without any orange on

1240

00:48:26,470 --> 00:48:25,119

first of all would not be smart to do

1241

00:48:29,270 --> 00:48:26,480

that at all

1242

00:48:31,430 --> 00:48:29,280

um second of all they commented that uh

1243

00:48:34,710 --> 00:48:31,440

you know very very broad shoulders

1244

00:48:38,230 --> 00:48:34,720

like other sasquatch sightings

1245

00:48:40,470 --> 00:48:38,240

very very long arms and natural movement

1246

00:48:42,790 --> 00:48:40,480

that has been attributed to other

1247

00:48:44,870 --> 00:48:42,800

bigfoot or sasquatch sightings

1248

00:48:46,870 --> 00:48:44,880

so they actually watched this thing for

1249

00:48:50,630 --> 00:48:46,880

about 10 minutes

1250

00:48:53,030 --> 00:48:50,640

wandering along that trail and

1251
00:48:54,230 --> 00:48:53,040
and then they they simply left they

1252
00:48:56,870 --> 00:48:54,240
departed

1253
00:48:58,470 --> 00:48:56,880
the thing i find strange ryan is i've

1254
00:48:59,270 --> 00:48:58,480
noticed in a lot of these bigfoot

1255
00:49:01,829 --> 00:48:59,280
sightings and

1256
00:49:03,510 --> 00:49:01,839
i've got a few more here if we do um

1257
00:49:06,630 --> 00:49:03,520
happen to have time to

1258
00:49:08,549 --> 00:49:06,640
to get further into these other cases is

1259
00:49:11,349 --> 00:49:08,559
people will go back to where they

1260
00:49:12,390 --> 00:49:11,359
saw these where they cited these these

1261
00:49:14,390 --> 00:49:12,400
creatures

1262
00:49:16,150 --> 00:49:14,400
and they if you will and you go back and

1263
00:49:19,589 --> 00:49:16,160

there's no footprints or any

1264

00:49:20,309 --> 00:49:19,599

signs that they were there wondering

1265

00:49:22,390 --> 00:49:20,319

what's your

1266

00:49:24,069 --> 00:49:22,400

thoughts are if you have any comments

1267

00:49:26,710 --> 00:49:24,079

about that

1268

00:49:27,990 --> 00:49:26,720

i you know it's it's hard to say it

1269

00:49:31,430 --> 00:49:28,000

looks like a really

1270

00:49:34,870 --> 00:49:31,440

good video different from the majority

1271

00:49:36,309 --> 00:49:34,880

and uh i i've dealt with this group

1272

00:49:38,630 --> 00:49:36,319

before and they

1273

00:49:39,670 --> 00:49:38,640

seem to be an up and up group on er er

1274

00:49:42,230 --> 00:49:39,680

you know

1275

00:49:44,870 --> 00:49:42,240

honestly report everything that they see

1276

00:49:48,150 --> 00:49:44,880

that being said uh

1277

00:49:50,470 --> 00:49:48,160

it's it's uh it's unknown the

1278

00:49:51,589 --> 00:49:50,480

i think the sasquatch phenomenon is

1279

00:49:53,750 --> 00:49:51,599

another

1280

00:49:55,270 --> 00:49:53,760

and i hate to be i sound like the crazy

1281

00:49:56,790 --> 00:49:55,280

man in the room but in a way i think i'm

1282

00:49:58,230 --> 00:49:56,800

the rational voice in the room because

1283

00:49:59,910 --> 00:49:58,240

the sasquatch is another thing that

1284

00:50:02,309 --> 00:49:59,920

really should be there

1285

00:50:03,910 --> 00:50:02,319

in our environment um these massive

1286

00:50:06,950 --> 00:50:03,920

cities like you see behind me

1287

00:50:10,309 --> 00:50:06,960

really shouldn't but um you know

1288

00:50:13,270 --> 00:50:10,319

a creature like the sasquatch there's

1289

00:50:15,349 --> 00:50:13,280

that the historic evidence of this or

1290

00:50:18,150 --> 00:50:15,359

similar creatures like gigantopithecus

1291

00:50:19,430 --> 00:50:18,160

actually filling this niche that

1292

00:50:21,589 --> 00:50:19,440

apparently

1293

00:50:23,670 --> 00:50:21,599

is either being filled on a dimensional

1294

00:50:26,390 --> 00:50:23,680

basis according to some

1295

00:50:27,829 --> 00:50:26,400

or on a real level real time basis

1296

00:50:30,950 --> 00:50:27,839

according to others

1297

00:50:33,030 --> 00:50:30,960

and uh maybe both

1298

00:50:34,309 --> 00:50:33,040

yeah that's interesting so i had ron

1299

00:50:36,950 --> 00:50:34,319

moorhead on the show

1300

00:50:38,470 --> 00:50:36,960

a while back uh his latest book is

1301

00:50:41,190 --> 00:50:38,480

quantum bigfoot

1302

00:50:41,829 --> 00:50:41,200

and of course he along with a few other

1303

00:50:44,950 --> 00:50:41,839

of his

1304

00:50:48,549 --> 00:50:44,960

um hunters

1305

00:50:51,349 --> 00:50:48,559

uh slash maybe even researchers

1306

00:50:53,109 --> 00:50:51,359

uh were responsible for capturing back

1307

00:50:55,750 --> 00:50:53,119

in the 70s the famous

1308

00:50:57,990 --> 00:50:55,760

samurai i think they refer to him as the

1309

00:50:59,750 --> 00:50:58,000

samurai recordings where there was

1310

00:51:01,190 --> 00:50:59,760

and i'm not sure if you're familiar with

1311

00:51:02,950 --> 00:51:01,200

those but

1312

00:51:04,589 --> 00:51:02,960

you know one really believes that there

1313

00:51:07,990 --> 00:51:04,599

may be a

1314

00:51:09,670 --> 00:51:08,000

inter-dimensional or a some sort of

1315

00:51:12,710 --> 00:51:09,680

supernatural

1316

00:51:15,190 --> 00:51:12,720

explanation for these sightings and

1317

00:51:17,990 --> 00:51:15,200

again uh if you hearken back to

1318

00:51:19,030 --> 00:51:18,000

you know the native americans and you

1319

00:51:20,950 --> 00:51:19,040

know they

1320

00:51:22,549 --> 00:51:20,960

some of the native americans actually

1321

00:51:25,430 --> 00:51:22,559

believed there was a

1322

00:51:26,390 --> 00:51:25,440

supernatural component to these bigfoot

1323

00:51:28,390 --> 00:51:26,400

sightings

1324

00:51:30,390 --> 00:51:28,400

so it does beg the question why are

1325

00:51:31,829 --> 00:51:30,400

people seeing these things and

1326
00:51:33,670 --> 00:51:31,839
you know there have even been cases

1327
00:51:34,790 --> 00:51:33,680
where they disappear right before their

1328
00:51:37,910 --> 00:51:34,800
eyes

1329
00:51:38,390 --> 00:51:37,920
uh and there's oftentimes no tracks

1330
00:51:41,589 --> 00:51:38,400
found

1331
00:51:43,510 --> 00:51:41,599
other times they do find what appear to

1332
00:51:45,510 --> 00:51:43,520
be perhaps tracks

1333
00:51:47,349 --> 00:51:45,520
maybe there's a couple of different

1334
00:51:48,069 --> 00:51:47,359
explanations for what may be going on

1335
00:51:51,349 --> 00:51:48,079
here

1336
00:51:54,630 --> 00:51:51,359
creature

1337
00:51:57,430 --> 00:51:54,640
uh maybe there's also some that

1338
00:51:58,549 --> 00:51:57,440

are have an inter-dimensional aspect to

1339

00:52:00,470 --> 00:51:58,559

them i don't know

1340

00:52:02,390 --> 00:52:00,480

i'm just throwing it out there and ron

1341

00:52:04,470 --> 00:52:02,400

moorhead certainly thinks that

1342

00:52:06,710 --> 00:52:04,480

there may be an inter-dimensional aspect

1343

00:52:10,630 --> 00:52:06,720

to this i wanted to throw one more

1344

00:52:12,710 --> 00:52:10,640

up here i know this is kind of blurry

1345

00:52:15,510 --> 00:52:12,720

this image but this is a video

1346

00:52:16,390 --> 00:52:15,520

um somebody captured this from their

1347

00:52:19,990 --> 00:52:16,400

backyard

1348

00:52:22,630 --> 00:52:20,000

using it very very high powered scope

1349

00:52:23,670 --> 00:52:22,640

and uh actually recorded video of it as

1350

00:52:25,829 --> 00:52:23,680

well

1351
00:52:27,829 --> 00:52:25,839
as you can see pretty rough weather

1352
00:52:31,670 --> 00:52:27,839
conditions and this is uh

1353
00:52:34,950 --> 00:52:31,680
up on i want to say wasatch

1354
00:52:37,510 --> 00:52:34,960
uh and there's been reportedly based on

1355
00:52:39,510 --> 00:52:37,520
what rmso has said there's been other

1356
00:52:42,870 --> 00:52:39,520
sightings in this location

1357
00:52:45,750 --> 00:52:42,880
but uh it looks fairly large

1358
00:52:47,030 --> 00:52:45,760
if you watch the video it's kind of just

1359
00:52:50,309 --> 00:52:47,040
walking slowly

1360
00:52:51,829 --> 00:52:50,319
up this hill uh and

1361
00:52:54,309 --> 00:52:51,839
you know it's almost like blizzard

1362
00:52:57,510 --> 00:52:54,319
conditions so why a person would be

1363
00:52:59,190 --> 00:52:57,520

up there you know walking around

1364

00:53:01,190 --> 00:52:59,200

up on that peak in those kind of

1365

00:53:03,030 --> 00:53:01,200

conditions

1366

00:53:04,390 --> 00:53:03,040

you know it takes the question why would

1367

00:53:05,990 --> 00:53:04,400

somebody be doing that

1368

00:53:07,910 --> 00:53:06,000

i just throw this up here this was in

1369

00:53:11,109 --> 00:53:07,920

march of 2019

1370

00:53:12,790 --> 00:53:11,119

another case um there's been a lot of

1371

00:53:15,430 --> 00:53:12,800

fairly recent cases

1372

00:53:17,030 --> 00:53:15,440

of bigfoot sightings even here i'm in

1373

00:53:20,150 --> 00:53:17,040

ogden utah

1374

00:53:21,910 --> 00:53:20,160

and uh we had the rmso also investigated

1375

00:53:24,150 --> 00:53:21,920

this case that somebody spotted what

1376

00:53:27,510 --> 00:53:24,160

they believed was a bigfoot

1377

00:53:27,990 --> 00:53:27,520

right above uh the right above uh the

1378

00:53:30,549 --> 00:53:28,000

oaks

1379

00:53:32,230 --> 00:53:30,559

restaurant in oregon canyon there

1380

00:53:34,309 --> 00:53:32,240

walking along the trail now i don't

1381

00:53:36,069 --> 00:53:34,319

think there was any video or any any

1382

00:53:38,390 --> 00:53:36,079

photo evidence of that

1383

00:53:40,150 --> 00:53:38,400

but we've had a lot of bigfoot sightings

1384

00:53:41,589 --> 00:53:40,160

just over recent years

1385

00:53:45,109 --> 00:53:41,599

and uh that's just a couple of them

1386

00:53:48,230 --> 00:53:47,349

you're in a proverbial hot spot up there

1387

00:53:51,829 --> 00:53:48,240

in ogden

1388

00:53:53,589 --> 00:53:51,839

there's a number of uh sasquatch slash

1389

00:53:54,950 --> 00:53:53,599

bigfoot wild man

1390

00:53:57,190 --> 00:53:54,960

wendigo whatever you want to call it

1391

00:53:59,670 --> 00:53:57,200

sightings mostly

1392

00:54:00,309 --> 00:53:59,680

attributed to bigfoot however in that

1393

00:54:04,150 --> 00:54:00,319

area

1394

00:54:06,870 --> 00:54:04,160

uh up by where the trappist monks were

1395

00:54:07,510 --> 00:54:06,880

in new heart sorry eden then there was

1396

00:54:11,430 --> 00:54:07,520

the

1397

00:54:14,150 --> 00:54:11,440

just north

1398

00:54:16,069 --> 00:54:14,160

east of og or i'm sorry east of ogden in

1399

00:54:19,270 --> 00:54:16,079

ogden canyon where

1400

00:54:21,829 --> 00:54:19,280

a bigfoot was spotted and

1401
00:54:23,430 --> 00:54:21,839
if i'm not mistaken curry there was even

1402
00:54:28,710 --> 00:54:23,440
some lagoon

1403
00:54:31,750 --> 00:54:30,950
oh wow interesting yeah there's

1404
00:54:34,870 --> 00:54:31,760
certainly been

1405
00:54:37,190 --> 00:54:34,880
many many cases reported i

1406
00:54:38,950 --> 00:54:37,200
i wanted to kind of switch gears a

1407
00:54:40,870 --> 00:54:38,960
little bit here

1408
00:54:42,710 --> 00:54:40,880
we are talking about all things strange

1409
00:54:44,789 --> 00:54:42,720
in utah and uh

1410
00:54:47,990 --> 00:54:44,799
i think i'd be remiss if we didn't at

1411
00:54:50,150 --> 00:54:48,000
least talk about some of the um

1412
00:54:52,710 --> 00:54:50,160
reported haunted activity i've been

1413
00:54:55,670 --> 00:54:52,720

investigating it for a number of years

1414

00:54:56,630 --> 00:54:55,680

and uh one particular place that i find

1415

00:54:59,750 --> 00:54:56,640

interesting is

1416

00:55:03,030 --> 00:54:59,760

uh historic 25th street in ogden

1417

00:55:03,270 --> 00:55:03,040

and uh i'll see if i can get a display

1418

00:55:07,829 --> 00:55:03,280

an

1419

00:55:11,109 --> 00:55:07,839

image here um

1420

00:55:12,309 --> 00:55:11,119

but a lot of a lot of locations there

1421

00:55:15,589 --> 00:55:12,319

there have been repo

1422

00:55:18,069 --> 00:55:15,599

reported haunted activity going on

1423

00:55:19,670 --> 00:55:18,079

uh four different locations that i've

1424

00:55:23,349 --> 00:55:19,680

actually investigated

1425

00:55:25,910 --> 00:55:23,359

in a long historic 25th street

1426

00:55:27,430 --> 00:55:25,920

uh and one of them is union station i

1427

00:55:28,230 --> 00:55:27,440

don't know if you're familiar with some

1428

00:55:31,270 --> 00:55:28,240

of the

1429

00:55:34,870 --> 00:55:31,280

reported activity on 25th street

1430

00:55:36,870 --> 00:55:34,880

union station is an interesting one um

1431

00:55:38,230 --> 00:55:36,880

and in just a minute i'll see if i can

1432

00:55:41,589 --> 00:55:38,240

actually display an

1433

00:55:43,430 --> 00:55:41,599

image of 25th street but uh there's been

1434

00:55:44,870 --> 00:55:43,440

a couple of them that i've investigated

1435

00:55:47,190 --> 00:55:44,880

actually i've investigated four

1436

00:55:50,549 --> 00:55:47,200

different locations there

1437

00:55:51,030 --> 00:55:50,559

and there's so much history behind 25th

1438

00:55:53,910 --> 00:55:51,040

street

1439

00:55:54,870 --> 00:55:53,920

it was a you know union station was a

1440

00:55:59,670 --> 00:55:54,880

rail hub

1441

00:56:01,510 --> 00:55:59,680

east to west and west and east across

1442

00:56:04,789 --> 00:56:01,520

the continental

1443

00:56:08,069 --> 00:56:04,799

a lot of people stopped over there

1444

00:56:11,589 --> 00:56:08,079

in the early 1900s there was a lot of

1445

00:56:13,990 --> 00:56:11,599

underground gambling going on

1446

00:56:15,270 --> 00:56:14,000

during prohibition there was bootlegging

1447

00:56:18,710 --> 00:56:15,280

going on

1448

00:56:19,750 --> 00:56:18,720

uh and just a lot of um you know just a

1449

00:56:23,109 --> 00:56:19,760

lot of uh there

1450

00:56:27,430 --> 00:56:23,119

there were uh there were also

1451

00:56:30,870 --> 00:56:27,440

um prostitution rings going on

1452

00:56:33,270 --> 00:56:30,880

uh along electric avenue uh just a lot

1453

00:56:36,069 --> 00:56:33,280

of interesting stuff going on

1454

00:56:38,549 --> 00:56:36,079

and a lot of interesting locations along

1455

00:56:41,030 --> 00:56:38,559

25th street that i've investigated any

1456

00:56:42,870 --> 00:56:41,040

any uh any stories that you've heard or

1457

00:56:45,990 --> 00:56:42,880

any experience with that ryan

1458

00:56:48,230 --> 00:56:46,000

with 25th street not too

1459

00:56:49,349 --> 00:56:48,240

much i'm not an expert on that at all i

1460

00:56:53,109 --> 00:56:49,359

did stay at a

1461

00:56:56,829 --> 00:56:53,119

um hotel there i want to say it was

1462

00:57:00,549 --> 00:56:56,839

the uh it was quite haunted actually

1463

00:57:03,750 --> 00:57:00,559

um it was on the east side of the street

1464

00:57:07,430 --> 00:57:03,760

i want to say it was on ben lomond

1465

00:57:09,829 --> 00:57:07,440

yep ben lomond hotel okay

1466

00:57:10,950 --> 00:57:09,839

okay yeah so uh ben lomond is an

1467

00:57:13,910 --> 00:57:10,960

interesting

1468

00:57:15,510 --> 00:57:13,920

location as well there's a lot of uh you

1469

00:57:18,069 --> 00:57:15,520

know reported

1470

00:57:20,390 --> 00:57:18,079

you know haunted even people that have

1471

00:57:22,470 --> 00:57:20,400

saw operations there i've actually had

1472

00:57:24,630 --> 00:57:22,480

the opportunity at one time

1473

00:57:26,789 --> 00:57:24,640

a couple of years back to do a little

1474

00:57:28,789 --> 00:57:26,799

bit of investigating there and

1475

00:57:31,030 --> 00:57:28,799

at this point it's absolute absolutely

1476

00:57:32,710 --> 00:57:31,040

off limits to anybody

1477

00:57:34,230 --> 00:57:32,720

wanting to go investigate as i

1478

00:57:36,789 --> 00:57:34,240

understand it they're turning a lot of

1479

00:57:39,510 --> 00:57:36,799

the rooms into private residences

1480

00:57:40,870 --> 00:57:39,520

so um it's even going to be more off

1481

00:57:44,470 --> 00:57:40,880

limits

1482

00:57:47,589 --> 00:57:44,480

but we did capture some interesting evps

1483

00:57:49,270 --> 00:57:47,599

and all relay one interesting story one

1484

00:57:50,710 --> 00:57:49,280

of my experiences

1485

00:57:52,390 --> 00:57:50,720

it was just me and one other

1486

00:57:53,670 --> 00:57:52,400

investigator we were

1487

00:57:56,549 --> 00:57:53,680

you know of course you probably heard

1488

00:57:59,910 --> 00:57:56,559

the stories about the tunnel system

1489

00:58:02,470 --> 00:57:59,920

under 25th street uh there were

1490

00:58:03,750 --> 00:58:02,480

reportedly tunnels running all the way

1491

00:58:05,670 --> 00:58:03,760

from union station

1492

00:58:08,710 --> 00:58:05,680

all the way up to ben lomond i can't

1493

00:58:11,190 --> 00:58:08,720

confirm that what i can confirm is there

1494

00:58:14,710 --> 00:58:11,200

were at least some tunnels

1495

00:58:17,910 --> 00:58:14,720

underneath uh 25th street

1496

00:58:18,870 --> 00:58:17,920

in certain points and one was another

1497

00:58:20,470 --> 00:58:18,880

location that i

1498

00:58:22,069 --> 00:58:20,480

investigated i'll get back to the story

1499

00:58:23,750 --> 00:58:22,079

in just a minute i know i jumped off the

1500

00:58:26,549 --> 00:58:23,760

story i was talking about

1501

00:58:27,589 --> 00:58:26,559

uh a place called making sense

1502

00:58:30,870 --> 00:58:27,599

employment i believe

1503

00:58:33,750 --> 00:58:30,880

uh uh it's a guy larry um

1504

00:58:36,150 --> 00:58:33,760

that uh i know and as i have actually

1505

00:58:38,069 --> 00:58:36,160

investigated at that location in the

1506

00:58:39,109 --> 00:58:38,079

basement there there's a couple of sill

1507

00:58:42,470 --> 00:58:39,119

doors

1508

00:58:45,670 --> 00:58:42,480

what was the

1509

00:58:47,109 --> 00:58:45,680

tunnel system under there and uh

1510

00:58:49,270 --> 00:58:47,119

larry's place has had a lot of

1511

00:58:51,589 --> 00:58:49,280

interesting activity he reported a lot

1512

00:58:54,390 --> 00:58:51,599

especially when he moved into the place

1513

00:58:55,990 --> 00:58:54,400

uh he was renovating he experienced a

1514

00:58:57,670 --> 00:58:56,000

lot of activity

1515

00:59:00,309 --> 00:58:57,680

i'd been there and investigated on a

1516

00:59:03,990 --> 00:59:00,319

couple of the different occasions and

1517

00:59:07,109 --> 00:59:04,000

have experienced unusual stuff uh

1518

00:59:09,270 --> 00:59:07,119

we've we've captured evps phantom noises

1519

00:59:11,589 --> 00:59:09,280

footsteps going on upstairs when we've

1520

00:59:14,230 --> 00:59:11,599

been downstairs and nobody's up there

1521

00:59:15,910 --> 00:59:14,240

uh interesting place getting back to the

1522

00:59:16,870 --> 00:59:15,920

ben lomond story me and another

1523

00:59:19,510 --> 00:59:16,880

investigator

1524

00:59:21,030 --> 00:59:19,520

were walking along what i think was part

1525

00:59:23,910 --> 00:59:21,040

of that tunnel network

1526

00:59:26,549 --> 00:59:23,920

which partially goes under 25th street

1527

00:59:30,549 --> 00:59:26,559

and i can only describe what i felt like

1528

00:59:32,789 --> 00:59:30,559

was a wall of energy i ran into

1529

00:59:35,030 --> 00:59:32,799

interestingly enough i had a voice

1530

00:59:37,510 --> 00:59:35,040

recorder i was holding

1531

00:59:39,670 --> 00:59:37,520

and uh as i went back a couple weeks

1532

00:59:40,710 --> 00:59:39,680

later and was reviewing the audio from

1533

00:59:43,349 --> 00:59:40,720

that

1534

00:59:45,430 --> 00:59:43,359

incident i and it was right when i had

1535

00:59:47,430 --> 00:59:45,440

told the other investigator i had just

1536

00:59:50,309 --> 00:59:47,440

experienced some weird energy

1537

00:59:52,069 --> 00:59:50,319

i captured this male guttural voice that

1538

00:59:53,430 --> 00:59:52,079

sounded like it was right next to the

1539

00:59:55,750 --> 00:59:53,440

recorder

1540

00:59:57,829 --> 00:59:55,760

um you know when i had had that

1541

01:00:01,030 --> 00:59:57,839

experience so kind of confirms

1542

01:00:03,510 --> 01:00:01,040

or you know helps to uh

1543

01:00:04,309 --> 01:00:03,520

verify that i actually did experience

1544

01:00:05,990 --> 01:00:04,319

something there

1545

01:00:07,670 --> 01:00:06,000

now the other investigator didn't feel

1546

01:00:10,789 --> 01:00:07,680

the energy i did but

1547

01:00:11,589 --> 01:00:10,799

you know the evp i captured there um you

1548

01:00:13,510 --> 01:00:11,599

know

1549

01:00:14,710 --> 01:00:13,520

in concert with the experience i had

1550

01:00:17,670 --> 01:00:14,720

there was was pretty

1551

01:00:19,510 --> 01:00:17,680

uh pretty significant i'll relay another

1552

01:00:21,270 --> 01:00:19,520

story and this is actually a union

1553

01:00:23,990 --> 01:00:21,280

station story

1554

01:00:25,510 --> 01:00:24,000

uh we were actually doing an event there

1555

01:00:28,230 --> 01:00:25,520

me and the paranormal group that i was

1556

01:00:31,270 --> 01:00:28,240

working with were uh

1557

01:00:33,349 --> 01:00:31,280

working the um uh i don't remember the

1558

01:00:35,030 --> 01:00:33,359

the actual name it was over halloween

1559

01:00:37,910 --> 01:00:35,040

time frame we were actually

1560

01:00:39,589 --> 01:00:37,920

helping run tours at union station and

1561

01:00:42,710 --> 01:00:39,599

this is back when they still allow

1562

01:00:44,309 --> 01:00:42,720

people to go down into the balls uh

1563

01:00:46,309 --> 01:00:44,319

you know we were able to take people

1564

01:00:49,109 --> 01:00:46,319

down into the vaults um

1565

01:00:50,470 --> 01:00:49,119

down in the basement of ben of uh union

1566

01:00:52,470 --> 01:00:50,480

station

1567

01:00:54,069 --> 01:00:52,480

uh we had another person that was

1568

01:00:56,230 --> 01:00:54,079

actually volunteered to work with our

1569

01:00:58,390 --> 01:00:56,240

group she wasn't part of the group

1570

01:01:00,069 --> 01:00:58,400

but upstairs she was taking some photos

1571

01:01:01,750 --> 01:01:00,079

and it's kind of like a

1572

01:01:04,309 --> 01:01:01,760

almost like a ballroom there's a big

1573

01:01:05,109 --> 01:01:04,319

chandelier and it was one of the places

1574

01:01:06,789 --> 01:01:05,119

where we

1575

01:01:08,309 --> 01:01:06,799

one of the stops when we were doing

1576

01:01:10,710 --> 01:01:08,319

tours with people

1577

01:01:12,870 --> 01:01:10,720

she was taking photos up there and

1578

01:01:14,710 --> 01:01:12,880

actually one of the photos she captured

1579

01:01:16,549 --> 01:01:14,720

was quite interesting and she came

1580

01:01:18,309 --> 01:01:16,559

when she came back downstairs after

1581

01:01:20,150 --> 01:01:18,319

doing the tour

1582

01:01:21,990 --> 01:01:20,160

she shared the photo with me on her

1583

01:01:24,230 --> 01:01:22,000

phone and it was quite interesting

1584

01:01:28,390 --> 01:01:24,240

because it looked like an

1585

01:01:30,390 --> 01:01:28,400

actual a female wearing kind of period

1586

01:01:34,150 --> 01:01:30,400

clothing like a dress

1587

01:01:37,190 --> 01:01:34,160

there was no head uh just kind of a

1588

01:01:39,670 --> 01:01:37,200

an image of a neck and a torso

1589

01:01:40,390 --> 01:01:39,680

waist maybe a little bit of legs and

1590

01:01:43,430 --> 01:01:40,400

that was it

1591

01:01:44,870 --> 01:01:43,440

the interesting thing is she showed me

1592

01:01:45,670 --> 01:01:44,880

the picture and then she showed a

1593

01:01:47,190 --> 01:01:45,680

picture she took

1594

01:01:49,430 --> 01:01:47,200

after it and there was absolutely

1595

01:01:51,589 --> 01:01:49,440

nothing there like just a few seconds

1596

01:01:54,150 --> 01:01:51,599

after she took another photo

1597

01:01:55,910 --> 01:01:54,160

nothing was there so um i've

1598

01:01:57,349 --> 01:01:55,920

investigated that location a couple of

1599

01:01:59,349 --> 01:01:57,359

times as well

1600

01:02:01,750 --> 01:01:59,359

we've captured some interesting evps

1601

01:02:05,029 --> 01:02:01,760

there's a lot of stories

1602

01:02:06,950 --> 01:02:05,039

behind union station a lot of

1603

01:02:08,390 --> 01:02:06,960

groups that have investigated there and

1604

01:02:09,589 --> 01:02:08,400

some interesting activity that's

1605

01:02:11,510 --> 01:02:09,599

happened there so

1606

01:02:13,589 --> 01:02:11,520

you know like i said i'd be remiss if i

1607

01:02:14,870 --> 01:02:13,599

didn't mention historic 25th street and

1608

01:02:16,549 --> 01:02:14,880

some of the things that have happened

1609

01:02:18,950 --> 01:02:16,559

there

1610

01:02:21,270 --> 01:02:18,960

uh another location that i wanted to

1611

01:02:22,789 --> 01:02:21,280

talk about you may be familiar with this

1612

01:02:27,750 --> 01:02:22,799

as well ryan and that is

1613

01:02:30,870 --> 01:02:27,760

of the um the mountain meadows massacre

1614

01:02:34,069 --> 01:02:30,880

uh now that is near st george

1615

01:02:36,470 --> 01:02:34,079

utah uh southern utah are you familiar

1616

01:02:39,829 --> 01:02:36,480

with that location

1617

01:02:42,150 --> 01:02:39,839

i am familiar with uh the area and the

1618

01:02:43,990 --> 01:02:42,160

story it's an interesting location i

1619

01:02:47,589 --> 01:02:44,000

haven't seen anything there myself but

1620

01:02:51,270 --> 01:02:49,750

yeah and i'm going to uh pull up an

1621

01:02:53,510 --> 01:02:51,280

image here

1622

01:02:54,789 --> 01:02:53,520

um hopefully we can get that display

1623

01:02:58,150 --> 01:02:54,799

there we go

1624

01:03:00,950 --> 01:02:58,160

um and that keeps disappearing

1625

01:03:03,510 --> 01:03:00,960

yeah so this is uh near southern utah i

1626

01:03:07,349 --> 01:03:03,520

have not visited this location myself

1627

01:03:08,390 --> 01:03:07,359

um and uh there was 140 people killed

1628

01:03:11,190 --> 01:03:08,400

and i you know i'm not

1629

01:03:12,789 --> 01:03:11,200

real knowledgeable about the history of

1630

01:03:16,470 --> 01:03:12,799

what happened uh this

1631

01:03:20,150 --> 01:03:16,480

this happened in i believe 1857

1632

01:03:23,589 --> 01:03:20,160

between some mormon settlers

1633

01:03:25,670 --> 01:03:23,599

and some other passerbys uh pioneers

1634

01:03:26,710 --> 01:03:25,680

that were traveling through the area

1635

01:03:29,109 --> 01:03:26,720

i think it was somewhere in the

1636

01:03:32,150 --> 01:03:29,119

neighborhood 140 people were killed

1637

01:03:34,390 --> 01:03:32,160

in this massacre uh and uh

1638

01:03:35,510 --> 01:03:34,400

there's a it's interesting because

1639

01:03:37,510 --> 01:03:35,520

there's been a lot of

1640

01:03:38,630 --> 01:03:37,520

reported haunted activity at this

1641

01:03:41,829 --> 01:03:38,640

location

1642

01:03:45,109 --> 01:03:41,839

um some of it has been people seeing

1643

01:03:46,630 --> 01:03:45,119

strange apparitions uh other people

1644

01:03:50,549 --> 01:03:46,640

reported hearing

1645

01:03:54,470 --> 01:03:50,559

the cries of children women and children

1646

01:03:57,589 --> 01:03:54,480

screams and cries so kind of these

1647

01:04:00,230 --> 01:03:57,599

disembodied voices

1648

01:04:01,190 --> 01:04:00,240

there at the location many paranormal

1649

01:04:04,549 --> 01:04:01,200

groups have of course

1650

01:04:07,750 --> 01:04:04,559

visited this location uh interesting and

1651

01:04:10,069 --> 01:04:07,760

sad history behind this but uh

1652

01:04:12,630 --> 01:04:10,079

there does seem to be a paranormal uh

1653

01:04:13,910 --> 01:04:12,640

component behind this story as well

1654

01:04:16,230 --> 01:04:13,920

ryan what have you heard about this

1655

01:04:18,069 --> 01:04:16,240

location

1656

01:04:19,190 --> 01:04:18,079

it's interesting that you say yeah it's

1657

01:04:21,190 --> 01:04:19,200

interesting that there might be a

1658

01:04:24,309 --> 01:04:21,200

paranormal component because

1659

01:04:25,349 --> 01:04:24,319

it's i've heard various theories and of

1660

01:04:28,789 --> 01:04:25,359

the history

1661

01:04:31,670 --> 01:04:28,799

and uh the bottom line is

1662

01:04:33,349 --> 01:04:31,680

um it's just a horrible tragedy tragedy

1663

01:04:36,470 --> 01:04:33,359

no matter what happened

1664

01:04:38,870 --> 01:04:36,480

and um it does bring about

1665

01:04:39,990 --> 01:04:38,880

other reminiscent stories that are

1666

01:04:43,510 --> 01:04:40,000

attributed to quote

1667

01:04:46,870 --> 01:04:43,520

unquote skin walkers or shape shifters

1668

01:04:50,150 --> 01:04:46,880

at least in the same general time period

1669

01:04:52,630 --> 01:04:50,160

um because you would get these reports

1670

01:04:57,109 --> 01:04:52,640

of massive amounts or groups

1671

01:04:59,109 --> 01:04:57,119

just decimated uh and massacred

1672

01:05:00,710 --> 01:04:59,119

for lack of a better word without any

1673

01:05:02,870 --> 01:05:00,720

rhyme or reason sometimes

1674

01:05:03,990 --> 01:05:02,880

in the middle of the night and i don't

1675

01:05:06,309 --> 01:05:04,000

know like this

1676

01:05:08,309 --> 01:05:06,319

is just an eerie sight i don't know if

1677

01:05:10,150 --> 01:05:08,319

it was a miscommunication if it was a

1678

01:05:11,190 --> 01:05:10,160

couple of groups that just ran into each

1679

01:05:12,150 --> 01:05:11,200

other in the middle of the night and

1680

01:05:15,349 --> 01:05:12,160

overreacted

1681

01:05:16,870 --> 01:05:15,359

it's so hard to tell but um there's all

1682

01:05:18,309 --> 01:05:16,880

kinds of theories about it and it's

1683

01:05:22,549 --> 01:05:18,319

really something that if you haven't

1684

01:05:26,309 --> 01:05:22,559

looked into it's worth looking into

1685

01:05:27,670 --> 01:05:26,319

yeah it certainly is a an interesting um

1686

01:05:29,670 --> 01:05:27,680

you know there's interesting stories

1687

01:05:31,990 --> 01:05:29,680

behind the location how much of it is

1688

01:05:35,430 --> 01:05:32,000

legend uh in terms of

1689

01:05:38,069 --> 01:05:35,440

you know the paranormal experiences or

1690

01:05:38,470 --> 01:05:38,079

you know it's hard to tell i certainly

1691

01:05:40,470 --> 01:05:38,480

would

1692

01:05:42,150 --> 01:05:40,480

be interested at some point visiting the

1693

01:05:43,270 --> 01:05:42,160

location i haven't had the opportunity

1694

01:05:45,190 --> 01:05:43,280

to yet

1695

01:05:46,789 --> 01:05:45,200

another interesting location i want to

1696

01:05:48,630 --> 01:05:46,799

talk about real quickly and

1697

01:05:50,230 --> 01:05:48,640

uh one of the reasons why this is

1698

01:05:52,069 --> 01:05:50,240

interesting is there's also a lot of

1699

01:05:52,870 --> 01:05:52,079

legend behind it and i'll throw up a

1700

01:05:56,549 --> 01:05:52,880

picture here

1701

01:06:03,029 --> 01:06:00,710

let's see looks like a cross

1702

01:06:03,990 --> 01:06:03,039

yeah just in terms of the location

1703

01:06:08,069 --> 01:06:04,000

um this is

1704

01:06:11,829 --> 01:06:08,079

this is also a very very very um

1705

01:06:13,430 --> 01:06:11,839

popular uh desk location in utah up here

1706

01:06:15,430 --> 01:06:13,440

in northern utah and it's actually

1707

01:06:17,589 --> 01:06:15,440

called case cross

1708

01:06:19,430 --> 01:06:17,599

and uh the reason why i bring up this

1709

01:06:21,829 --> 01:06:19,440

location is because

1710

01:06:23,750 --> 01:06:21,839

uh one there's an interesting story

1711

01:06:27,029 --> 01:06:23,760

behind this location

1712

01:06:27,990 --> 01:06:27,039

uh that now this is a known polygamist

1713

01:06:31,029 --> 01:06:28,000

family that

1714

01:06:34,549 --> 01:06:31,039

um owned the property here

1715

01:06:37,270 --> 01:06:34,559

and uh the

1716

01:06:38,470 --> 01:06:37,280

the uh reason for the cross being

1717

01:06:40,630 --> 01:06:38,480

erected

1718

01:06:42,309 --> 01:06:40,640

uh there's some story behind that as

1719

01:06:44,150 --> 01:06:42,319

well now there was a

1720

01:06:45,430 --> 01:06:44,160

a cult some people call it cold

1721

01:06:48,950 --> 01:06:45,440

practitioner

1722

01:06:50,710 --> 01:06:48,960

krishna venta was his name and uh

1723

01:06:52,309 --> 01:06:50,720

you know the the name of the family who

1724

01:06:55,349 --> 01:06:52,319

owned this land um

1725

01:06:57,670 --> 01:06:55,359

right now is escaping me but the

1726

01:07:00,789 --> 01:06:57,680

the guy who actually owned this land had

1727

01:07:04,150 --> 01:07:00,799

a connection to krishna venta

1728

01:07:05,510 --> 01:07:04,160

and some of his teachings and uh he

1729

01:07:08,710 --> 01:07:05,520

actually erected this

1730

01:07:10,470 --> 01:07:08,720

cross uh supposedly in honor of uh

1731

01:07:12,630 --> 01:07:10,480

christian aventa who was killed

1732

01:07:15,109 --> 01:07:12,640

by the way by some of his own followers

1733

01:07:17,589 --> 01:07:15,119

back in 1958

1734

01:07:18,230 --> 01:07:17,599

and uh you know again this location has

1735

01:07:20,309 --> 01:07:18,240

a

1736

01:07:21,510 --> 01:07:20,319

cult following if you will there's been

1737

01:07:23,430 --> 01:07:21,520

a lot of

1738

01:07:27,029 --> 01:07:23,440

teenagers that have went to this site a

1739

01:07:30,470 --> 01:07:27,039

lot of uh stories of haunted activity

1740

01:07:32,470 --> 01:07:30,480

even some supposed dark kind of activity

1741

01:07:35,270 --> 01:07:32,480

going on there there's other

1742

01:07:36,230 --> 01:07:35,280

i think more urban legends associated

1743

01:07:39,430 --> 01:07:36,240

with this site

1744

01:07:42,069 --> 01:07:39,440

um this is of course in kaysville utah

1745

01:07:45,349 --> 01:07:42,079

ghost adventures went here and uh

1746

01:07:47,109 --> 01:07:45,359

actually did an episode at this location

1747

01:07:49,190 --> 01:07:47,119

now uh the interesting thing about this

1748

01:07:51,589 --> 01:07:49,200

location as well is the cross was

1749

01:07:56,309 --> 01:07:51,599

eventually destroyed

1750

01:07:59,750 --> 01:07:56,319

in 1992 nobody seems to know exactly why

1751

01:08:02,789 --> 01:07:59,760

um there's some speculation if you will

1752

01:08:05,029 --> 01:08:02,799

about why it was destroyed some believe

1753

01:08:06,069 --> 01:08:05,039

possibly it was the property owner the

1754

01:08:07,990 --> 01:08:06,079

guy who owned the prop

1755

01:08:10,230 --> 01:08:08,000

that owns the property you know i don't

1756

01:08:12,630 --> 01:08:10,240

even know if he's still there or even

1757

01:08:13,670 --> 01:08:12,640

alive today may have destroyed the cross

1758

01:08:16,550 --> 01:08:13,680

to discourage

1759

01:08:17,430 --> 01:08:16,560

vandals or teenagers from going and

1760

01:08:20,070 --> 01:08:17,440

doing

1761

01:08:21,910 --> 01:08:20,080

whatever they would do at this site

1762

01:08:25,430 --> 01:08:21,920

there was stories of satanic

1763

01:08:25,829 --> 01:08:25,440

satanic rituals going on uh i've got a

1764

01:08:27,910 --> 01:08:25,839

friend

1765

01:08:29,189 --> 01:08:27,920

uh jennifer jones who does the dead

1766

01:08:31,510 --> 01:08:29,199

history

1767

01:08:33,669 --> 01:08:31,520

dot com website she she delves into

1768

01:08:34,709 --> 01:08:33,679

these stories a lot and she also helps

1769

01:08:38,550 --> 01:08:34,719

kind of

1770

01:08:40,950 --> 01:08:38,560

um put some some truth to a lot of

1771

01:08:42,390 --> 01:08:40,960

these urban legends if you will and she

1772

01:08:44,149 --> 01:08:42,400

does a lot of them

1773

01:08:45,510 --> 01:08:44,159

she discovers a lot of these in and

1774

01:08:48,070 --> 01:08:45,520

around uh

1775

01:08:49,829 --> 01:08:48,080

you know ogden and northern utah as well

1776

01:08:52,550 --> 01:08:49,839

and this is one of them

1777

01:08:54,709 --> 01:08:52,560

uh whether or not there was any truth to

1778

01:08:56,550 --> 01:08:54,719

some of the paranormal activity that was

1779

01:08:58,789 --> 01:08:56,560

going on at this location

1780

01:09:00,630 --> 01:08:58,799

it certainly got a lot of attention

1781

01:09:01,990 --> 01:09:00,640

especially after ghost hunters had

1782

01:09:04,229 --> 01:09:02,000

visited there

1783

01:09:06,950 --> 01:09:04,239

um in fact they did an episode i just i

1784

01:09:09,990 --> 01:09:06,960

think just two or three years ago there

1785

01:09:13,910 --> 01:09:10,000

and uh one of the comments that uh

1786

01:09:16,390 --> 01:09:13,920

aaron made during the the episode is

1787

01:09:17,990 --> 01:09:16,400

what's going on with utah what the heck

1788

01:09:19,990 --> 01:09:18,000

is going on with utah

1789

01:09:22,550 --> 01:09:20,000

he tells zach you know there's just

1790

01:09:25,030 --> 01:09:22,560

trained stuff going on in utah

1791

01:09:27,189 --> 01:09:25,040

so uh kind of funny uh it's an

1792

01:09:29,189 --> 01:09:27,199

interesting location just uh

1793

01:09:30,550 --> 01:09:29,199

just based on kind of the history there

1794

01:09:32,789 --> 01:09:30,560

and um

1795

01:09:34,789 --> 01:09:32,799

some of the purported activity that's

1796

01:09:37,030 --> 01:09:34,799

happened there i've never visited it

1797

01:09:38,070 --> 01:09:37,040

myself it's private property you can't

1798

01:09:41,829 --> 01:09:38,080

go there

1799

01:09:44,950 --> 01:09:41,839

they actually do a a haunted event now

1800

01:09:46,070 --> 01:09:44,960

over halloween there i think so um i

1801

01:09:47,430 --> 01:09:46,080

don't know if you've heard anything

1802

01:09:49,669 --> 01:09:47,440

about this location

1803

01:09:51,110 --> 01:09:49,679

uh ryan but you know kind of some

1804

01:09:54,390 --> 01:09:51,120

interesting history and

1805

01:09:57,669 --> 01:09:57,030

yeah i heard a little bit about it uh i

1806

01:10:00,950 --> 01:09:57,679

did

1807

01:10:02,470 --> 01:10:00,960

um i have not been to the location but i

1808

01:10:04,310 --> 01:10:02,480

did hear a little bit about it

1809

01:10:06,070 --> 01:10:04,320

and some of the events and things of

1810

01:10:07,669 --> 01:10:06,080

that nature from i think some of the

1811

01:10:09,750 --> 01:10:07,679

people that were doing them

1812

01:10:11,270 --> 01:10:09,760

but it does look interesting it

1813

01:10:13,030 --> 01:10:11,280

definitely is look

1814

01:10:15,110 --> 01:10:13,040

i mean it's a shame that the cross is no

1815

01:10:18,709 --> 01:10:15,120

longer there but i'm just a sucker for

1816

01:10:23,030 --> 01:10:21,510

yeah and uh again the story behind it is

1817

01:10:25,430 --> 01:10:23,040

it's still kind of a mystery nobody

1818

01:10:28,229 --> 01:10:25,440

knows exactly who destroyed it

1819

01:10:28,950 --> 01:10:28,239

um but again a speculation that it was

1820

01:10:31,990 --> 01:10:28,960

the

1821

01:10:34,149 --> 01:10:32,000

eventually destroyed it

1822

01:10:36,070 --> 01:10:34,159

because they got tired of teenagers

1823

01:10:37,910 --> 01:10:36,080

coming in at night

1824

01:10:39,110 --> 01:10:37,920

now whether or not that's discouraged

1825

01:10:41,510 --> 01:10:39,120

teenagers from

1826

01:10:43,350 --> 01:10:41,520

visiting the site or not i don't know

1827

01:10:45,750 --> 01:10:43,360

that's one of the speculations

1828

01:10:46,870 --> 01:10:45,760

i want to talk about one other location

1829

01:10:49,910 --> 01:10:46,880

that i found to be

1830

01:10:51,830 --> 01:10:49,920

interesting um and you

1831

01:10:53,110 --> 01:10:51,840

ryan you may have heard of this location

1832

01:10:56,470 --> 01:10:53,120

and that is uh

1833

01:10:59,750 --> 01:10:59,350

yeah it is a location that's uh a little

1834

01:11:02,870 --> 01:10:59,760

bit

1835

01:11:04,550 --> 01:11:02,880

south east of tooele

1836

01:11:06,390 --> 01:11:04,560

and uh the reason why i want to talk

1837

01:11:08,630 --> 01:11:06,400

about this location i've actually been

1838

01:11:11,669 --> 01:11:08,640

there on several occasions

1839

01:11:15,110 --> 01:11:11,679

uh marker utah was uh was in

1840

01:11:17,990 --> 01:11:15,120

old um late 1800s it was a famous

1841

01:11:19,669 --> 01:11:18,000

mining town uh at one point it had i

1842

01:11:22,070 --> 01:11:19,679

think anywhere from about four to five

1843

01:11:24,709 --> 01:11:22,080

thousand people that lived in the town

1844

01:11:26,550 --> 01:11:24,719

in the late 1800s and uh you know there

1845

01:11:29,110 --> 01:11:26,560

was a lot of silver mining and gold

1846

01:11:32,229 --> 01:11:29,120

mining i think going on at the time

1847

01:11:35,030 --> 01:11:32,239

um eventually the town was just

1848

01:11:37,750 --> 01:11:35,040

vacated um more or less i mean it just

1849

01:11:41,510 --> 01:11:37,760

eventually became a ghost town

1850

01:11:44,149 --> 01:11:41,520

and uh you know the town stood

1851
01:11:46,950 --> 01:11:44,159
for many many years going all the way i

1852
01:11:49,669 --> 01:11:46,960
think up until the 80s or early 90s

1853
01:11:50,390 --> 01:11:49,679
i don't know this exact time frame and

1854
01:11:52,550 --> 01:11:50,400
then a

1855
01:11:53,669 --> 01:11:52,560
mining company came in and actually

1856
01:11:55,110 --> 01:11:53,679
leveled the town

1857
01:11:57,910 --> 01:11:55,120
and i think it was the barrick gold

1858
01:12:01,270 --> 01:12:00,149
what's left the only thing left of this

1859
01:12:03,910 --> 01:12:01,280
mining town

1860
01:12:04,950 --> 01:12:03,920
is an old cemetery that stands up on a

1861
01:12:07,590 --> 01:12:04,960
hill

1862
01:12:09,990 --> 01:12:07,600
just down from the old mining town and

1863
01:12:11,910 --> 01:12:10,000

that's the old marker cemetery

1864

01:12:14,390 --> 01:12:11,920

uh the interesting thing is as an

1865

01:12:17,750 --> 01:12:14,400

investigator i don't typically go out to

1866

01:12:21,350 --> 01:12:17,760

um investigate any sorts of of

1867

01:12:24,390 --> 01:12:21,360

of uh cemeteries anything like this but

1868

01:12:27,990 --> 01:12:24,400

this particular location has

1869

01:12:29,189 --> 01:12:28,000

kind of a it just kind of drew me in i

1870

01:12:30,790 --> 01:12:29,199

had heard about it

1871

01:12:32,229 --> 01:12:30,800

i heard about people that had visited

1872

01:12:34,229 --> 01:12:32,239

the location

1873

01:12:35,990 --> 01:12:34,239

and about some strange going ons there

1874

01:12:37,430 --> 01:12:36,000

i'll see if i can get a picture to

1875

01:12:40,310 --> 01:12:37,440

display here

1876

01:12:41,270 --> 01:12:40,320

there we go uh it's really interesting

1877

01:12:43,990 --> 01:12:41,280

because

1878

01:12:45,030 --> 01:12:44,000

you know one it's a very very old

1879

01:12:49,110 --> 01:12:45,040

cemetery

1880

01:12:53,430 --> 01:12:49,120

i think the last year that anybody was

1881

01:12:56,470 --> 01:12:53,440

laid to rest at this location was 1915.

1882

01:12:57,750 --> 01:12:56,480

a lot of the miners who were living in

1883

01:13:00,790 --> 01:12:57,760

the town of merker

1884

01:13:03,030 --> 01:13:00,800

were laid to rest here uh as you can see

1885

01:13:04,790 --> 01:13:03,040

there's wooden slots hopefully uh you

1886

01:13:07,110 --> 01:13:04,800

know viewers will be able to see this

1887

01:13:10,149 --> 01:13:07,120

this this image here there's wooden

1888

01:13:12,709 --> 01:13:10,159

slats marking a lot of the gray sites

1889

01:13:14,630 --> 01:13:12,719

some of the gray sites are simply um

1890

01:13:17,350 --> 01:13:14,640

rock piles

1891

01:13:17,990 --> 01:13:17,360

that's all that there is there's a

1892

01:13:20,790 --> 01:13:18,000

couple of things

1893

01:13:21,030 --> 01:13:20,800

that drew me in about this location one

1894

01:13:24,790 --> 01:13:21,040

it's

1895

01:13:27,669 --> 01:13:24,800

hill

1896

01:13:28,790 --> 01:13:27,679

um you're overlooking the entire valley

1897

01:13:31,350 --> 01:13:28,800

you can see

1898

01:13:32,470 --> 01:13:31,360

the south side of tuition tooele army

1899

01:13:35,030 --> 01:13:32,480

depot

1900

01:13:36,390 --> 01:13:35,040

um you can see the you know western

1901

01:13:38,470 --> 01:13:36,400

mountain range

1902

01:13:40,950 --> 01:13:38,480

out beyond it you you can catch some

1903

01:13:41,350 --> 01:13:40,960

beautiful sunsets but there's also been

1904

01:13:43,189 --> 01:13:41,360

some

1905

01:13:45,189 --> 01:13:43,199

interesting things i've experienced

1906

01:13:47,430 --> 01:13:45,199

there um

1907

01:13:48,550 --> 01:13:47,440

a couple of interesting evps i've

1908

01:13:51,430 --> 01:13:48,560

captured there

1909

01:13:52,790 --> 01:13:51,440

we've had motion lights go off on

1910

01:13:55,510 --> 01:13:52,800

command there

1911

01:13:57,270 --> 01:13:55,520

uh which i've hardly ever had happen at

1912

01:14:00,630 --> 01:13:57,280

other locations

1913

01:14:02,630 --> 01:14:00,640

uh we've we captured a shadow um

1914

01:14:04,149 --> 01:14:02,640

towards the back of where you saw those

1915

01:14:08,390 --> 01:14:04,159

wooden slats

1916

01:14:11,590 --> 01:14:08,400

walking across um and we tried to debunk

1917

01:14:14,229 --> 01:14:11,600

that um video footage it was one of uh

1918

01:14:16,229 --> 01:14:14,239

our investigators had an ir trap camera

1919

01:14:18,870 --> 01:14:16,239

set up and captured

1920

01:14:20,149 --> 01:14:18,880

a shadow walking behind there about an

1921

01:14:21,669 --> 01:14:20,159

hour before that one of our

1922

01:14:24,709 --> 01:14:21,679

investigators

1923

01:14:25,830 --> 01:14:24,719

um and it was dark you could see with

1924

01:14:31,510 --> 01:14:25,840

the

1925

01:14:33,750 --> 01:14:31,520

it was a person

1926

01:14:35,750 --> 01:14:33,760

almost an hour later we captured that

1927

01:14:38,070 --> 01:14:35,760

shadow walking back there

1928

01:14:39,669 --> 01:14:38,080

and to this day we we we have not been

1929

01:14:42,149 --> 01:14:39,679

able to debunk that

1930

01:14:44,630 --> 01:14:42,159

uh so it's quite interesting um many

1931

01:14:46,709 --> 01:14:44,640

many cool experiences i've had here

1932

01:14:48,390 --> 01:14:46,719

uh and a lot of other people have

1933

01:14:50,310 --> 01:14:48,400

claimed to have had and again i don't go

1934

01:14:51,350 --> 01:14:50,320

out and visit other cemeteries to try

1935

01:14:53,510 --> 01:14:51,360

and investigate

1936

01:14:55,189 --> 01:14:53,520

this is the one exception to the rule

1937

01:14:57,430 --> 01:14:55,199

but you know ryan you talked about this

1938

01:14:58,390 --> 01:14:57,440

kind of spiritual feeling you get or

1939

01:15:00,790 --> 01:14:58,400

this

1940

01:15:02,470 --> 01:15:00,800

kind of certain energy you feel the

1941

01:15:04,229 --> 01:15:02,480

strange thing about marker is there's

1942

01:15:05,910 --> 01:15:04,239

kind of this peaceful calm when i go up

1943

01:15:08,790 --> 01:15:05,920

there and visit too so i guess that's

1944

01:15:10,229 --> 01:15:08,800

maybe the other reason i like to visit

1945

01:15:13,030 --> 01:15:10,239

the location um

1946

01:15:15,270 --> 01:15:13,040

it's been a while maybe uh a year or so

1947

01:15:17,669 --> 01:15:15,280

since i've visited there but

1948

01:15:19,430 --> 01:15:17,679

i've always enjoyed visiting there and

1949

01:15:20,870 --> 01:15:19,440

had some interesting things happen so i

1950

01:15:23,510 --> 01:15:20,880

thought that would be a cool place to

1951

01:15:26,390 --> 01:15:25,110

we're kind of getting short on time here

1952

01:15:27,270 --> 01:15:26,400

right we've been running a little over

1953

01:15:29,669 --> 01:15:27,280

an hour uh

1954

01:15:32,229 --> 01:15:29,679

anything else uh cool about utah you

1955

01:15:35,590 --> 01:15:32,239

want to mention for listeners

1956

01:15:37,910 --> 01:15:35,600

yeah i think the merker area is

1957

01:15:39,990 --> 01:15:37,920

it's a treasure from a paranormal

1958

01:15:41,030 --> 01:15:40,000

perspective and large shadow creatures

1959

01:15:43,110 --> 01:15:41,040

are quite common

1960

01:15:44,550 --> 01:15:43,120

sightings there's a multitude of people

1961

01:15:46,149 --> 01:15:44,560

that have seen that

1962

01:15:48,550 --> 01:15:46,159

i haven't been there for quite a number

1963

01:15:49,350 --> 01:15:48,560

of years either but it is one of those

1964

01:15:51,830 --> 01:15:49,360

places

1965

01:15:52,390 --> 01:15:51,840

that whether anything happens or not

1966

01:15:54,709 --> 01:15:52,400

it's just

1967

01:15:55,990 --> 01:15:54,719

it's worth the trip and if you're into

1968

01:15:59,590 --> 01:15:56,000

that sort of thing

1969

01:16:02,870 --> 01:15:59,600

um and uh yeah utah has

1970

01:16:03,830 --> 01:16:02,880

so many of these so many of these that

1971

01:16:05,910 --> 01:16:03,840

it's really

1972

01:16:08,070 --> 01:16:05,920

a shame to just say oh it's here here

1973

01:16:10,470 --> 01:16:08,080

here here and here because

1974

01:16:12,550 --> 01:16:10,480

they're really just all over the state

1975

01:16:16,870 --> 01:16:12,560

utah really is kind of a magnificent

1976

01:16:22,149 --> 01:16:19,590

yeah absolutely and plenty of beauty to

1977

01:16:25,350 --> 01:16:22,159

go around in utah scenic beauty as well

1978

01:16:27,110 --> 01:16:25,360

it's uh i love living here if you're an

1979

01:16:27,830 --> 01:16:27,120

outdoor enthusiast there's so much of

1980

01:16:29,750 --> 01:16:27,840

that as well

1981

01:16:32,390 --> 01:16:29,760

and so much strangeness as you said as

1982

01:16:35,030 --> 01:16:32,400

well um that we've already talked about

1983

01:16:37,270 --> 01:16:35,040

a lot of that but ryan hey uh

1984

01:16:38,470 --> 01:16:37,280

uh it's been a pleasure talking with you

1985

01:16:40,390 --> 01:16:38,480

about this stuff uh

1986

01:16:41,750 --> 01:16:40,400

i love talking about i could go on for

1987

01:16:43,750 --> 01:16:41,760

hours talking about

1988

01:16:45,430 --> 01:16:43,760

you know some of the strange stuff going

1989

01:16:48,870 --> 01:16:45,440

on in utah

1990

01:16:49,990 --> 01:16:48,880

um for those who are not uh in utah

1991

01:16:52,149 --> 01:16:50,000

maybe that'll uh

1992

01:16:53,590 --> 01:16:52,159

encourage you to come out and visit and

1993

01:16:54,870 --> 01:16:53,600

uh check out some of these cool

1994

01:16:56,790 --> 01:16:54,880

locations

1995

01:16:59,590 --> 01:16:56,800

or people that are in utah in some of

1996

01:17:01,430 --> 01:16:59,600

these uh areas obviously skinwalker

1997

01:17:04,070 --> 01:17:01,440

ranch is off limits

1998

01:17:05,669 --> 01:17:04,080

it's very heavily guarded you're not

1999

01:17:08,550 --> 01:17:05,679

going to be able to go there and visit

2000

01:17:09,669 --> 01:17:08,560

brandon you mentioned i'm sorry ryan uh

2001

01:17:12,229 --> 01:17:09,679

you mentioned that

2002

01:17:14,310 --> 01:17:12,239

there are places you can go around the

2003

01:17:16,709 --> 01:17:14,320

area maybe to camp

2004

01:17:19,110 --> 01:17:16,719

and kind of just check out and explore

2005

01:17:20,310 --> 01:17:19,120

the una basin and areas close to

2006

01:17:22,790 --> 01:17:20,320

skinwalker

2007

01:17:24,229 --> 01:17:22,800

branch so um you know there are still

2008

01:17:26,229 --> 01:17:24,239

some places that you can go

2009

01:17:28,229 --> 01:17:26,239

and you know there's also some cool

2010

01:17:30,070 --> 01:17:28,239

scenery utah's got its fair share of

2011

01:17:31,189 --> 01:17:30,080

cool scenery and uh fair share of

2012

01:17:34,070 --> 01:17:31,199

strange stuff

2013

01:17:35,750 --> 01:17:34,080

so hey it's been a lot of fun talking uh

2014

01:17:36,310 --> 01:17:35,760

talking about this ryan i thank you so

2015

01:17:38,870 --> 01:17:36,320

much for

2016

01:17:40,229 --> 01:17:38,880

uh joining me and talking with me today

2017

01:17:42,709 --> 01:17:40,239

and uh

2018

01:17:43,990 --> 01:17:42,719

have a wonderful rest of your day unless

2019

01:17:48,149 --> 01:17:44,000

you have any parting

2020

01:17:48,870 --> 01:17:48,159

comments no uh no parting comments just

2021

01:17:50,950 --> 01:17:48,880

that yeah

2022

01:17:53,350 --> 01:17:50,960

it is private property and and uh

2023

01:17:53,590 --> 01:17:53,360

surrounding ranch owners also don't kind

2024

01:17:56,709 --> 01:17:53,600

of

2025

01:17:58,229 --> 01:17:56,719

don't don't don't like that so um if you

2026

01:17:58,950 --> 01:17:58,239

are going up to the area i would

2027

01:18:01,669 --> 01:17:58,960

recommend

2028

01:18:02,310 --> 01:18:01,679

one of the designated camp spots uh

2029

01:18:05,669 --> 01:18:02,320

there's

2030

01:18:09,270 --> 01:18:05,679

some down by uh uray which is amazing

2031

01:18:11,510 --> 01:18:09,280

um pelican lake bottle hollow i believe

2032

01:18:14,870 --> 01:18:11,520

is closed for the season but

2033

01:18:17,910 --> 01:18:14,880

uh all there's there's plenty plenty

2034

01:18:20,870 --> 01:18:17,920

of high strangeness to go around and

2035

01:18:21,189 --> 01:18:20,880

uh utah is if you live in utah just get

2036

01:18:22,470 --> 01:18:21,199

it

2037

01:18:23,590 --> 01:18:22,480

you don't have to you don't have to go

2038

01:18:24,709 --> 01:18:23,600

very far you probably just have to go

2039

01:18:28,630 --> 01:18:24,719

into your backyard

2040

01:18:31,910 --> 01:18:30,390

yeah absolutely all right well thanks

2041

01:18:34,709 --> 01:18:31,920

again ryan uh

2042

01:18:35,030 --> 01:18:34,719

have a great rest of your day and uh

2043
