

HERO

**Isaac
Weishaupt**

Aliens, UFOs, & The Occult

1
00:00:28,550 --> 00:00:14,910

[Music]

2
00:00:37,790 --> 00:00:28,960

machine

3
00:00:44,069 --> 00:00:41,030

blast off on another episode

4
00:00:46,709 --> 00:00:44,079

of hero paranormal broadcasting

5
00:00:49,029 --> 00:00:46,719

from the base at la madre mountain just

6
00:00:51,430 --> 00:00:49,039

south of area 51

7
00:00:52,470 --> 00:00:51,440

my name is ryan the original outlaw of

8
00:00:55,590 --> 00:00:52,480

the airwaves

9
00:00:58,869 --> 00:00:55,600

bringing you a ridiculously

10
00:01:01,430 --> 00:00:58,879

epic episode tonight oh man

11
00:01:02,549 --> 00:01:01,440

if you're into conspiracy we have it

12
00:01:06,070 --> 00:01:02,559

tonight for you

13
00:01:09,109 --> 00:01:06,080

everything you can imagine isaac

14

00:01:12,310 --> 00:01:09,119

weisop i will be discussing his new book

15

00:01:13,350 --> 00:01:12,320

that made quite the impression on the

16

00:01:16,469 --> 00:01:13,360

ufo community

17

00:01:17,270 --> 00:01:16,479

aliens ufos and the occult use your

18

00:01:20,469 --> 00:01:17,280

illusion

19

00:01:22,950 --> 00:01:20,479

one and this book is

20

00:01:23,510 --> 00:01:22,960

uh well it made an impression for a good

21

00:01:26,789 --> 00:01:23,520

reason

22

00:01:28,630 --> 00:01:26,799

it it made a best-sellers list on amazon

23

00:01:32,069 --> 00:01:28,640

i believe it's number one

24

00:01:32,630 --> 00:01:32,079

and uh in its category and if you don't

25

00:01:36,550 --> 00:01:32,640

know who

26

00:01:37,109 --> 00:01:36,560

isaac is he hosts the conspiracy

27

00:01:40,149 --> 00:01:37,119

theories

28

00:01:42,710 --> 00:01:40,159

an unpopular culture podcast

29

00:01:44,389 --> 00:01:42,720

he's been a featured guest on dave

30

00:01:47,510 --> 00:01:44,399

navarro's dark matter radio

31

00:01:49,590 --> 00:01:47,520

tinfoil hat podcast blackout radio

32

00:01:50,710 --> 00:01:49,600

richard c hoagland's other side of

33

00:01:54,230 --> 00:01:50,720

midnight

34

00:01:56,550 --> 00:01:54,240

and the list goes on and on and

35

00:01:59,350 --> 00:01:56,560

he knows that aliens and ufos are part

36

00:02:02,389 --> 00:01:59,360

of the hidden agenda

37

00:02:04,789 --> 00:02:02,399

i met isaac back in 2012

38

00:02:08,070 --> 00:02:04,799

at a convention if i'm not mistaken in

39

00:02:09,830 --> 00:02:08,080

salt lake city utah we kinda

40

00:02:11,350 --> 00:02:09,840

touched on some topics that we were both

41

00:02:12,550 --> 00:02:11,360

interested in and i'll just be honest

42

00:02:15,670 --> 00:02:12,560

he's the real deal

43

00:02:18,949 --> 00:02:15,680

as cool a cat as they come his

44

00:02:21,670 --> 00:02:18,959

research is bar none

45

00:02:23,110 --> 00:02:21,680

you know ridiculous he he he goes into

46

00:02:25,750 --> 00:02:23,120

extreme depth

47

00:02:26,710 --> 00:02:25,760

and doesn't come forth with a theory

48

00:02:29,270 --> 00:02:26,720

until

49

00:02:30,390 --> 00:02:29,280

he's pretty darn sure that he's not on

50

00:02:33,830 --> 00:02:30,400

thin ice

51
00:02:36,869 --> 00:02:33,840
and that's what i like about isaac he's

52
00:02:40,229 --> 00:02:36,879
to the point he's

53
00:02:43,350 --> 00:02:40,239
ridiculously smart and his books

54
00:02:45,750 --> 00:02:43,360
have so much information man

55
00:02:46,470 --> 00:02:45,760
it just puts me to shame being an author

56
00:02:49,589 --> 00:02:46,480
myself

57
00:02:53,110 --> 00:02:49,599
the quality and caliber of his footnotes

58
00:02:55,110 --> 00:02:53,120
his books uh and how they tie one into

59
00:02:56,710 --> 00:02:55,120
the other i'm i'm very impressed that

60
00:02:57,589 --> 00:02:56,720
use your illusion one i'm hoping that

61
00:02:59,910 --> 00:02:57,599
there's a use

62
00:03:00,790 --> 00:02:59,920
your illusion too i will ask him about

63
00:03:03,910 --> 00:03:00,800

that

64

00:03:04,710 --> 00:03:03,920

and anyway the painstaking attention to

65

00:03:06,630 --> 00:03:04,720

detail

66

00:03:08,710 --> 00:03:06,640

being an author i can i can say that

67

00:03:12,229 --> 00:03:08,720

this guy is the real deal

68

00:03:14,550 --> 00:03:12,239

goes above and beyond uh what most do

69

00:03:16,550 --> 00:03:14,560

and backs it up backs it up not only

70

00:03:17,190 --> 00:03:16,560

does he back it up but his books back

71

00:03:20,630 --> 00:03:17,200

each other

72

00:03:23,750 --> 00:03:20,640

up which is super cool and uh if you

73

00:03:26,229 --> 00:03:23,760

i'm i'm a patreon supporter

74

00:03:27,509 --> 00:03:26,239

of isaacs and i recommend that you

75

00:03:29,350 --> 00:03:27,519

become one too so

76

00:03:32,070 --> 00:03:29,360

yeah let's get this show on the road i'm

77

00:03:34,949 --> 00:03:32,080

super excited as usual to talk to isaac

78

00:03:36,550 --> 00:03:34,959

we'll give him a call here and uh see

79

00:03:39,190 --> 00:03:36,560

what's going on

80

00:03:40,149 --> 00:03:39,200

isaac welcome to the hero paranormal

81

00:03:43,110 --> 00:03:40,159

podcast

82

00:03:45,110 --> 00:03:43,120

what's going on ryan hey how's it going

83

00:03:48,149 --> 00:03:45,120

my man how you been

84

00:03:50,229 --> 00:03:48,159

good good how you been man you know

85

00:03:52,630 --> 00:03:50,239

can't complain just enjoying this uh

86

00:03:54,149 --> 00:03:52,640

slow burn apocalypse i guess it's uh

87

00:03:56,710 --> 00:03:54,159

it's a thing

88

00:03:57,509 --> 00:03:56,720

yeah that's all you can do really i mean

89

00:04:00,390 --> 00:03:57,519

why uh

90

00:04:01,589 --> 00:04:00,400

what's the i think the quote might come

91

00:04:04,070 --> 00:04:01,599

from point break but

92

00:04:07,350 --> 00:04:04,080

something about either learn to surf or

93

00:04:07,360 --> 00:04:11,589

perfect perfect quote man

94

00:04:17,509 --> 00:04:15,270

so i i'm man um so we're recording here

95

00:04:19,909 --> 00:04:17,519

and i wanted to first of all say

96

00:04:22,230 --> 00:04:19,919

congratulations isaac on your new book

97

00:04:23,430 --> 00:04:22,240

aliens ufos and the occult use your

98

00:04:25,270 --> 00:04:23,440

illusion one

99

00:04:27,350 --> 00:04:25,280

i'm hoping there's a two because i'm

100

00:04:30,629 --> 00:04:27,360

already hooked dude you

101
00:04:31,350 --> 00:04:30,639
this is i mean being an author myself i

102
00:04:32,790 --> 00:04:31,360
kind of

103
00:04:34,469 --> 00:04:32,800
said a little bit of this in the intro

104
00:04:36,310 --> 00:04:34,479
but the

105
00:04:37,990 --> 00:04:36,320
extent that you go to do the research

106
00:04:40,870 --> 00:04:38,000
and the way that you pile it up

107
00:04:42,469 --> 00:04:40,880
and create this kind of road map

108
00:04:43,030 --> 00:04:42,479
explaining how these things are

109
00:04:45,830 --> 00:04:43,040
connected

110
00:04:47,350 --> 00:04:45,840
is pretty mind-boggling wow thank you

111
00:04:49,270 --> 00:04:47,360
that's a that's quite the compliment

112
00:04:52,350 --> 00:04:49,280
coming from a guy like you i know you're

113
00:04:54,710 --> 00:04:52,360

you're no newbie to this realm of

114

00:04:56,070 --> 00:04:54,720

extraterrestrial investigation so that

115

00:04:57,749 --> 00:04:56,080

that holds a lot of weight with me thank

116

00:05:00,469 --> 00:04:57,759

you

117

00:05:01,909 --> 00:05:00,479

it's it's a killer book man it deserves

118

00:05:05,029 --> 00:05:01,919

uh the accolades

119

00:05:07,830 --> 00:05:05,039

it's got and it it goes

120

00:05:09,430 --> 00:05:07,840

into how aliens and ufos are part of a

121

00:05:12,070 --> 00:05:09,440

hidden agenda

122

00:05:12,629 --> 00:05:12,080

and kind of the occult method to bring

123

00:05:15,510 --> 00:05:12,639

about

124

00:05:17,830 --> 00:05:15,520

a new age of mankind and it hit the

125

00:05:19,110 --> 00:05:17,840

number one spot on amazon and ufologists

126
00:05:22,070 --> 00:05:19,120
are finally eating

127
00:05:24,390 --> 00:05:22,080
up your impressive knowledge how is that

128
00:05:26,390 --> 00:05:24,400
going are you getting

129
00:05:29,510 --> 00:05:26,400
reached out to by probably people you

130
00:05:32,629 --> 00:05:31,270
well you know i didn't even think about

131
00:05:34,629 --> 00:05:32,639
that until you said that uh

132
00:05:36,790 --> 00:05:34,639
interestingly enough

133
00:05:38,629 --> 00:05:36,800
i've had a couple people that weren't

134
00:05:42,390 --> 00:05:38,639
typically in my circle

135
00:05:44,950 --> 00:05:42,400
contacting me uh no no huge names yet

136
00:05:47,029 --> 00:05:44,960
i actually reached out to the you know

137
00:05:50,070 --> 00:05:47,039
the big names like coast to coast

138
00:05:53,270 --> 00:05:50,080

and i haven't got a response yet maybe

139

00:05:56,790 --> 00:05:53,280

maybe it was a little premature but the

140

00:05:58,710 --> 00:05:56,800

the uh i'm actually like i'm not sure

141

00:06:00,390 --> 00:05:58,720

how do i say this without sounding

142

00:06:04,309 --> 00:06:00,400

either too modest or

143

00:06:06,150 --> 00:06:04,319

too narcissistic i'm i'm half surprised

144

00:06:08,230 --> 00:06:06,160

by the great reviews that it's getting

145

00:06:11,270 --> 00:06:08,240

and the feedback that i've gotten

146

00:06:13,189 --> 00:06:11,280

um because what happened

147

00:06:15,110 --> 00:06:13,199

let me let me try to explain myself here

148

00:06:16,469 --> 00:06:15,120

what happened

149

00:06:18,870 --> 00:06:16,479

i was i've been trying to write this

150

00:06:20,870 --> 00:06:18,880

book for a couple years and i just never

151
00:06:21,909 --> 00:06:20,880
had the momentum the inertia going to

152
00:06:25,350 --> 00:06:21,919
like

153
00:06:27,189 --> 00:06:25,360
you'll go through these long periods of

154
00:06:28,950 --> 00:06:27,199
not necessarily writer's block but it's

155
00:06:31,029 --> 00:06:28,960
just so far on the back burner and i

156
00:06:32,950 --> 00:06:31,039
don't i don't have the time to be like

157
00:06:34,070 --> 00:06:32,960
okay let me really sit here and focus

158
00:06:37,430 --> 00:06:34,080
and crank out some

159
00:06:39,670 --> 00:06:37,440
some work on this book and with with

160
00:06:41,430 --> 00:06:39,680
2020 in the events that we were all

161
00:06:44,550 --> 00:06:41,440
familiar with

162
00:06:46,710 --> 00:06:44,560
uh it seemed that something was afoot

163
00:06:49,029 --> 00:06:46,720

right and i thought if i'm going to

164

00:06:52,870 --> 00:06:49,039

write this book i got to do it now

165

00:06:55,029 --> 00:06:52,880

and originally i wanted to drop both

166

00:06:56,150 --> 00:06:55,039

user illusion 1 and user illusion 2 at

167

00:06:58,390 --> 00:06:56,160

the same time

168

00:06:59,830 --> 00:06:58,400

you know as a bit of an homage to guns

169

00:07:02,550 --> 00:06:59,840

and roses

170

00:07:04,469 --> 00:07:02,560

as a bit of a reference to the ideas i'm

171

00:07:07,830 --> 00:07:04,479

presenting in the book

172

00:07:10,390 --> 00:07:07,840

which i'm sure we'll get into today but

173

00:07:11,189 --> 00:07:10,400

what happened was that i saw things

174

00:07:13,430 --> 00:07:11,199

heating up

175

00:07:15,270 --> 00:07:13,440

so quickly that i thought i'm just going

176
00:07:17,189 --> 00:07:15,280
to push the first book out and i'll work

177
00:07:18,790 --> 00:07:17,199
on the second one and push that out in

178
00:07:21,990 --> 00:07:18,800
2021

179
00:07:24,150 --> 00:07:22,000
um and and i feel like it was a

180
00:07:25,430 --> 00:07:24,160
good move it was a good call because

181
00:07:27,589 --> 00:07:25,440
there's been

182
00:07:28,870 --> 00:07:27,599
as i sort of and i'm not like some

183
00:07:31,189 --> 00:07:28,880
nostradamus but as

184
00:07:32,309 --> 00:07:31,199
the writing on the wall was was showing

185
00:07:33,830 --> 00:07:32,319
me is that

186
00:07:37,189 --> 00:07:33,840
they were going to heat this agenda up

187
00:07:40,309 --> 00:07:37,199
to do disclosure on the masses

188
00:07:42,150 --> 00:07:40,319

and we see evidence of that with just

189

00:07:45,029 --> 00:07:42,160

various ideas and themes that are being

190

00:07:47,909 --> 00:07:45,039

floated by the mainstream media

191

00:07:49,370 --> 00:07:47,919

and of course we'll get into that but

192

00:07:50,550 --> 00:07:49,380

usually illusion 2 is going to be

193

00:07:53,670 --> 00:07:50,560

[Music]

194

00:07:54,550 --> 00:07:53,680

basically sort of just a book of film

195

00:07:56,629 --> 00:07:54,560

analysis

196

00:07:57,670 --> 00:07:56,639

analyses where i go through different

197

00:07:59,909 --> 00:07:57,680

films

198

00:08:01,350 --> 00:07:59,919

and sort of support the ideas i'm

199

00:08:03,830 --> 00:08:01,360

presenting in the first book

200

00:08:06,309 --> 00:08:03,840

of this idea of like well they planted

201
00:08:08,710 --> 00:08:06,319
the symbolism and the themes

202
00:08:09,909 --> 00:08:08,720
into all these films and here's where

203
00:08:12,150 --> 00:08:09,919
the ideas

204
00:08:14,309 --> 00:08:12,160
you know sort of revealed themselves

205
00:08:16,950 --> 00:08:14,319
years and years ago and they've been

206
00:08:19,350 --> 00:08:16,960
sort of going down this path to slowly

207
00:08:20,710 --> 00:08:19,360
indoctrinate and persuade the masses

208
00:08:21,270 --> 00:08:20,720
through entertainment which is kind of

209
00:08:25,510 --> 00:08:21,280
my

210
00:08:26,550 --> 00:08:25,520
of the background on the on the on the

211
00:08:29,189 --> 00:08:26,560
books and

212
00:08:30,629 --> 00:08:29,199
uh yeah the the reviews man i'm blown

213
00:08:32,709 --> 00:08:30,639

away i really appreciate because i was

214

00:08:34,310 --> 00:08:32,719

worried that a lot of people would think

215

00:08:36,389 --> 00:08:34,320

maybe i was reaching too far with some

216

00:08:38,870 --> 00:08:36,399

of my ideas because

217

00:08:41,029 --> 00:08:38,880

this isn't i'd like to think it's not a

218

00:08:43,350 --> 00:08:41,039

typical alien ufo book

219

00:08:45,110 --> 00:08:43,360

um but yeah i'm actually surprised at

220

00:08:48,150 --> 00:08:45,120

how many people really enjoyed it so

221

00:08:49,269 --> 00:08:48,160

yeah thank you yeah i'd say it's far

222

00:08:51,190 --> 00:08:49,279

from typical

223

00:08:52,790 --> 00:08:51,200

and you always kind of push the limits

224

00:08:54,790 --> 00:08:52,800

but you have been

225

00:08:56,550 --> 00:08:54,800

in this game for years and when it comes

226

00:08:58,630 --> 00:08:56,560

to the occult and

227

00:09:01,030 --> 00:08:58,640

i love the titles of so many of your

228

00:09:01,990 --> 00:09:01,040

chapters like the occult paths to alien

229

00:09:05,110 --> 00:09:02,000

gods

230

00:09:07,750 --> 00:09:05,120

i mean you you tie in so seamlessly that

231

00:09:09,670 --> 00:09:07,760

it's hard not to just appreciate it

232

00:09:11,509 --> 00:09:09,680

and i'm glad that you pushed the first

233

00:09:13,030 --> 00:09:11,519

book out and i'm glad

234

00:09:15,269 --> 00:09:13,040

that you're you are kind of a

235

00:09:16,070 --> 00:09:15,279

nostradamus because i want to get to the

236

00:09:19,829 --> 00:09:16,080

klaus

237

00:09:21,910 --> 00:09:19,839

schwab uh and the

238

00:09:23,990 --> 00:09:21,920

and that whole great reset and the

239

00:09:27,190 --> 00:09:24,000

writing on the wall there but

240

00:09:30,550 --> 00:09:27,200

um back to your book and how it just

241

00:09:33,190 --> 00:09:30,560

gets to the point i mean damn um

242

00:09:33,750 --> 00:09:33,200

it really does yeah that was my goal

243

00:09:35,990 --> 00:09:33,760

yeah

244

00:09:37,430 --> 00:09:36,000

because i'm and like that's the approach

245

00:09:39,350 --> 00:09:37,440

i take with the show too with the

246

00:09:42,310 --> 00:09:39,360

podcast where

247

00:09:42,630 --> 00:09:42,320

i try not to be too flowery i myself am

248

00:09:45,750 --> 00:09:42,640

a

249

00:09:47,670 --> 00:09:45,760

i'm

250

00:09:50,630 --> 00:09:47,680

reading books watching movies and so on

251

00:09:52,070 --> 00:09:50,640

and uh you know what i

252

00:09:53,670 --> 00:09:52,080

always joke about if it's over 90

253

00:09:54,150 --> 00:09:53,680

minutes like you should have cut more

254

00:09:56,070 --> 00:09:54,160

out

255

00:09:57,269 --> 00:09:56,080

as far as the film goes and i like my

256

00:09:58,949 --> 00:09:57,279

books shorter too like

257

00:10:00,630 --> 00:09:58,959

like some some of these books i've had

258

00:10:02,230 --> 00:10:00,640

to comb through it's like you know 500

259

00:10:03,670 --> 00:10:02,240

pages i'm like dude you could have cut

260

00:10:05,750 --> 00:10:03,680

half of this out like i don't need all

261

00:10:06,949 --> 00:10:05,760

this and that was kind of the approach

262

00:10:07,670 --> 00:10:06,959

so i appreciate that you were able to

263

00:10:11,350 --> 00:10:07,680

sort of

264

00:10:14,389 --> 00:10:11,360

keep it 200 250 pages

265

00:10:17,269 --> 00:10:14,399

somewhere in that ballpark and just

266

00:10:19,750 --> 00:10:17,279

get the information out without too much

267

00:10:21,990 --> 00:10:19,760

uh flowery hypothesizing

268

00:10:23,110 --> 00:10:22,000

or or a lot of these ufo books that i

269

00:10:25,670 --> 00:10:23,120

had to read through was like

270

00:10:26,949 --> 00:10:25,680

half of it was like spooky campfire

271

00:10:28,949 --> 00:10:26,959

stories and it's like

272

00:10:30,870 --> 00:10:28,959

all right are we ready to move past the

273

00:10:33,430 --> 00:10:30,880

spooky campfire stories and just

274

00:10:34,310 --> 00:10:33,440

talk about what this could be because uh

275

00:10:36,150 --> 00:10:34,320

as i

276

00:10:37,430 --> 00:10:36,160

assume that maybe maybe you're in maybe

277

00:10:39,110 --> 00:10:37,440

you can you can tell me what your

278

00:10:42,310 --> 00:10:39,120

thoughts on this but like

279

00:10:44,630 --> 00:10:42,320

i i myself am past the point of saying

280

00:10:46,630 --> 00:10:44,640

um are these is this a real phenomenon

281

00:10:48,790 --> 00:10:46,640

or not and i'm to the point of saying

282

00:10:49,990 --> 00:10:48,800

there's elements of truth to this that

283

00:10:51,670 --> 00:10:50,000

are unexplainable

284

00:10:54,790 --> 00:10:51,680

what could it possibly be that's kind of

285

00:10:58,310 --> 00:10:57,269

i i think that's good place to be that's

286

00:11:00,870 --> 00:10:58,320

a good place to be

287

00:11:02,790 --> 00:11:00,880

on it and and you do i mean this the way

288

00:11:05,269 --> 00:11:02,800

that this is written this book

289

00:11:07,509 --> 00:11:05,279

not to fluff too much and you know blow

290

00:11:10,630 --> 00:11:07,519

too much smoke up your butt but

291

00:11:11,350 --> 00:11:10,640

man you like seriously the the aliens

292

00:11:13,350 --> 00:11:11,360

ufos and

293

00:11:15,430 --> 00:11:13,360

and the occult use your illusion one in

294

00:11:17,829 --> 00:11:15,440

the chapter occult pass to alien gods

295

00:11:18,550 --> 00:11:17,839

i'm going to read a quick passage just

296

00:11:22,069 --> 00:11:18,560

to

297

00:11:24,230 --> 00:11:22,079

tantalize our listeners this discussion

298

00:11:25,190 --> 00:11:24,240

on symbolism and making contact with

299

00:11:27,590 --> 00:11:25,200

other dimensions

300

00:11:29,590 --> 00:11:27,600

or entities through the subconscious is

301

00:11:32,230 --> 00:11:29,600

an idea that seems crucial to our

302

00:11:34,150 --> 00:11:32,240

understanding of the alien ufo movement

303

00:11:36,069 --> 00:11:34,160

if we consider the argument that occult

304

00:11:37,750 --> 00:11:36,079

forces are seeking to create a new

305

00:11:38,550 --> 00:11:37,760

reality devoid of religion by

306

00:11:41,269 --> 00:11:38,560

manifesting

307

00:11:43,430 --> 00:11:41,279

entities through symbolism and contact

308

00:11:44,790 --> 00:11:43,440

via the subconscious then we may be able

309

00:11:48,710 --> 00:11:44,800

to define one tactic

310

00:11:53,670 --> 00:11:52,150

yeah that's and that's what um that's uh

311

00:12:04,470 --> 00:11:53,680

and by the way like i'll take all the

312

00:12:07,509 --> 00:12:06,150

we'll talk about that i guess but like

313

00:12:09,670 --> 00:12:07,519

to me

314

00:12:11,430 --> 00:12:09,680

doing doing this research and you know

315

00:12:13,910 --> 00:12:11,440

i've been blogging and youtubing and

316

00:12:16,870 --> 00:12:13,920

podcasting for 10 years now

317

00:12:17,910 --> 00:12:16,880

and my focus has always been learning

318

00:12:20,470 --> 00:12:17,920

about the occult

319

00:12:23,750 --> 00:12:20,480

learning about symbolism and it's all

320

00:12:26,310 --> 00:12:23,760

very fascinating stuff but to me i see

321

00:12:27,269 --> 00:12:26,320

the elements tying together with

322

00:12:30,230 --> 00:12:27,279

entertainment

323

00:12:31,190 --> 00:12:30,240

and i think the alien ufo agenda is no

324

00:12:34,310 --> 00:12:31,200

different

325

00:12:37,350 --> 00:12:34,320

in that the same sort of patterns

326

00:12:39,350 --> 00:12:37,360

that i see in entertainment

327

00:12:41,910 --> 00:12:39,360

with the occult symbolism appear when

328

00:12:45,829 --> 00:12:41,920

you look at the alien agenda

329

00:12:48,069 --> 00:12:45,839

over history and uh where how we got to

330

00:12:49,750 --> 00:12:48,079

the point we are today through all of

331

00:12:51,190 --> 00:12:49,760

these occultists of the past and their

332

00:12:54,790 --> 00:12:51,200

attempts to

333

00:12:56,310 --> 00:12:54,800

make contact with the divine or the gods

334

00:12:59,350 --> 00:12:56,320

or whatever we want to call this

335

00:13:01,030 --> 00:12:59,360

thing they uh they do it

336

00:13:03,750 --> 00:13:01,040

through a prescribed sort of method i

337

00:13:05,910 --> 00:13:03,760

would argue of

338

00:13:07,590 --> 00:13:05,920

occult techniques going through the

339

00:13:11,269 --> 00:13:07,600

creative side of the mind

340

00:13:11,910 --> 00:13:11,279

subconscious sort of weird wacky ideas

341

00:13:13,269 --> 00:13:11,920

that like

342

00:13:15,110 --> 00:13:13,279

you know i don't profess to understand

343

00:13:17,350 --> 00:13:15,120

how this works exactly i just

344

00:13:18,829 --> 00:13:17,360

i'm reading what these guys are writing

345

00:13:21,829 --> 00:13:18,839

and saying and

346

00:13:23,670 --> 00:13:21,839

doing and just sort of reporting it and

347

00:13:26,550 --> 00:13:23,680

saying look look this is this is kind of

348

00:13:29,509 --> 00:13:26,560

what i what i see and how i see it and

349

00:13:31,430 --> 00:13:29,519

it's funny because since i wrote the

350

00:13:34,870 --> 00:13:31,440

first book here

351

00:13:37,430 --> 00:13:34,880

i i recently as you know i recently

352

00:13:39,670 --> 00:13:37,440

was reading class schwab's books uh

353

00:13:43,350 --> 00:13:39,680

covet 19 the great reset

354

00:13:46,310 --> 00:13:43,360

and the fourth industrial revolution

355

00:13:47,910 --> 00:13:46,320

uh because so many truthers they have

356

00:13:49,030 --> 00:13:47,920

been talking about the great reset and

357

00:13:50,790 --> 00:13:49,040

the new normal

358

00:13:53,910 --> 00:13:50,800

and i thought and i'm not the guy who

359

00:13:55,350 --> 00:13:53,920

like i'm i'm sort of redefining myself

360

00:13:57,910 --> 00:13:55,360

like i don't really want to define

361

00:14:00,550 --> 00:13:57,920

myself as a truther so much because

362

00:14:02,710 --> 00:14:00,560

i more or less report on what truthers

363

00:14:04,389 --> 00:14:02,720

are saying and doing and give my spin

364

00:14:05,910 --> 00:14:04,399

on it because i don't always agree with

365

00:14:07,990 --> 00:14:05,920

all the truthers

366

00:14:10,069 --> 00:14:08,000

and with the great reset there's a lot

367

00:14:10,710 --> 00:14:10,079

of fear-mongering about like oh this is

368

00:14:22,870 --> 00:14:10,720

a

369

00:14:24,790 --> 00:14:22,880

to my

370

00:14:26,069 --> 00:14:24,800

surprise that that's kind of what

371

00:14:28,949 --> 00:14:26,079

they're saying

372

00:14:29,590 --> 00:14:28,959

and i and in hindsight i'm thinking

373

00:14:31,750 --> 00:14:29,600

about

374

00:14:32,710 --> 00:14:31,760

the concepts of this first alien book

375

00:14:35,990 --> 00:14:32,720

and this

376

00:14:39,189 --> 00:14:36,000

idea of mass disclosure

377

00:14:41,110 --> 00:14:39,199

and i think man this is this could very

378

00:14:42,470 --> 00:14:41,120

well tie into the great reset because

379

00:14:46,310 --> 00:14:42,480

they're

380

00:14:48,310 --> 00:14:46,320

environment like when you when you

381

00:14:50,790 --> 00:14:48,320

when you get into the idea of making

382

00:14:52,310 --> 00:14:50,800

contact with the gods or the divine or

383

00:14:55,509 --> 00:14:52,320

the aliens

384

00:14:58,710 --> 00:14:55,519

there's a bit of a

385

00:15:00,389 --> 00:14:58,720

hallucinogenic experience almost when

386

00:15:01,750 --> 00:15:00,399

there's a section in the book on drugs

387

00:15:02,150 --> 00:15:01,760

and making contact with the divine

388

00:15:07,430 --> 00:15:02,160

through

389

00:15:07,990 --> 00:15:07,440

or dmt or something where they say oh

390

00:15:10,470 --> 00:15:08,000

you know

391

00:15:11,670 --> 00:15:10,480

you do this in it it opens up gateways

392

00:15:13,910 --> 00:15:11,680

it opens up

393

00:15:14,949 --> 00:15:13,920

one's understanding of the world and

394

00:15:16,710 --> 00:15:14,959

unlocks

395

00:15:18,629 --> 00:15:16,720

you know higher dimensions and i i've

396

00:15:20,470 --> 00:15:18,639

never done them and i'm not opposed to

397

00:15:23,590 --> 00:15:20,480

doing them i just haven't done them

398

00:15:25,590 --> 00:15:23,600

and so i can't speak from experience but

399

00:15:27,189 --> 00:15:25,600

listening to others

400

00:15:29,829 --> 00:15:27,199

like you read michael pollan's book on

401
00:15:31,590 --> 00:15:29,839
this subject of hallucinogens and and he

402
00:15:33,509 --> 00:15:31,600
talks about how

403
00:15:34,949 --> 00:15:33,519
it's all about the set and setting

404
00:15:38,150 --> 00:15:34,959
what's your intention

405
00:15:39,350 --> 00:15:38,160
before taking this trip and i would

406
00:15:41,350 --> 00:15:39,360
argue that

407
00:15:42,550 --> 00:15:41,360
maybe the alien agenda fits into the

408
00:15:46,310 --> 00:15:42,560
great reset

409
00:15:49,189 --> 00:15:46,320
under the idea that whether or not

410
00:15:49,509 --> 00:15:49,199
it's justified we are in fact going

411
00:15:52,790 --> 00:15:49,519
through

412
00:15:54,629 --> 00:15:52,800
a ritual on a massive scale on a global

413
00:15:57,030 --> 00:15:54,639

scale we're going through a ritual

414

00:15:58,629 --> 00:15:57,040
with this virus you've got all the

415

00:16:01,990 --> 00:15:58,639
elements there

416

00:16:04,470 --> 00:16:02,000
of an occult ritual you've got facing

417

00:16:06,389 --> 00:16:04,480
and confronting death which is always

418

00:16:09,030 --> 00:16:06,399
like you know 101 and

419

00:16:10,550 --> 00:16:09,040
free masonic or skull and bones type

420

00:16:12,389 --> 00:16:10,560
stuff that's what all that symbolism of

421

00:16:14,470 --> 00:16:12,399
the skull represents is

422

00:16:15,749 --> 00:16:14,480
uh facing one's death facing one's own

423

00:16:19,030 --> 00:16:15,759
mortality

424

00:16:20,389 --> 00:16:19,040
and trying to overcome that then

425

00:16:21,509 --> 00:16:20,399
you know so obviously the whole world is

426

00:16:22,310 --> 00:16:21,519

like oh my god am i going to die from

427

00:16:25,590 --> 00:16:22,320

this thing

428

00:16:28,629 --> 00:16:25,600

then you've got the the face masks right

429

00:16:30,069 --> 00:16:28,639

and like i said put put the idea of

430

00:16:32,310 --> 00:16:30,079

does this work or doesn't work

431

00:16:33,749 --> 00:16:32,320

scientific studies not agendas

432

00:16:36,310 --> 00:16:33,759

put that aside and just look at the

433

00:16:37,749 --> 00:16:36,320

facts of the matter and we see

434

00:16:39,829 --> 00:16:37,759

you know everyone's being told to wear

435

00:16:42,470 --> 00:16:39,839

masks and masks are again

436

00:16:43,829 --> 00:16:42,480

part of an occult ritual where you it's

437

00:16:45,670 --> 00:16:43,839

meant to suppress the ego

438

00:16:47,269 --> 00:16:45,680

right and we see this in the free

439

00:16:49,350 --> 00:16:47,279

masonic

440

00:16:50,710 --> 00:16:49,360

traditions where they wear a hood wink

441

00:16:52,550 --> 00:16:50,720

over their eyes

442

00:16:54,470 --> 00:16:52,560

uh so it's a little different right i

443

00:16:55,749 --> 00:16:54,480

mean we're talking about a mask over the

444

00:16:57,269 --> 00:16:55,759

face

445

00:16:59,269 --> 00:16:57,279

in fact some people say well you know

446

00:17:01,350 --> 00:16:59,279

fauci said we're supposed to wear

447

00:17:03,269 --> 00:17:01,360

goggles over our eyes too and like okay

448

00:17:04,630 --> 00:17:03,279

yeah that's true let's add more fuel to

449

00:17:07,350 --> 00:17:04,640

that idea that

450

00:17:07,829 --> 00:17:07,360

they're they're suppressing the ego

451
00:17:10,470 --> 00:17:07,839
they're

452
00:17:12,230 --> 00:17:10,480
making us confront death and fear

453
00:17:14,870 --> 00:17:12,240
they're also

454
00:17:16,150 --> 00:17:14,880
creating a new environment and that's

455
00:17:19,590 --> 00:17:16,160
that's part of

456
00:17:21,029 --> 00:17:19,600
the set and setting and the idea of

457
00:17:22,789 --> 00:17:21,039
like because michael pollan says when

458
00:17:24,069 --> 00:17:22,799
you do these hallucinogens to have the

459
00:17:25,429 --> 00:17:24,079
right effect

460
00:17:26,549 --> 00:17:25,439
uh you've got to be in the right frame

461
00:17:28,309 --> 00:17:26,559
of mind you got to be in the right

462
00:17:29,990 --> 00:17:28,319
location you got to you know that's why

463
00:17:33,270 --> 00:17:30,000

you see a lot of these folks

464

00:17:35,430 --> 00:17:33,280

going to these sort of like shamanic

465

00:17:36,710 --> 00:17:35,440

villages in costa rica or wherever

466

00:17:38,070 --> 00:17:36,720

they're at you know and they're doing

467

00:17:39,430 --> 00:17:38,080

this stuff

468

00:17:42,230 --> 00:17:39,440

because you got to have the right

469

00:17:44,950 --> 00:17:42,240

setting and intentions beforehand

470

00:17:45,669 --> 00:17:44,960

so i would argue that the great reset

471

00:17:48,870 --> 00:17:45,679

and

472

00:17:50,470 --> 00:17:48,880

the events of 2020 have

473

00:17:52,549 --> 00:17:50,480

fundamentally changed everyone's

474

00:17:54,710 --> 00:17:52,559

environment um so like all these

475

00:17:55,830 --> 00:17:54,720

all these elements do fit into the idea

476

00:17:58,070 --> 00:17:55,840

of

477

00:18:00,310 --> 00:17:58,080

and then and then add in all the mantras

478

00:18:01,270 --> 00:18:00,320

of you know from day one they said okay

479

00:18:03,190 --> 00:18:01,280

we're never going back

480

00:18:04,789 --> 00:18:03,200

it's a new normal it's the great reset

481

00:18:07,669 --> 00:18:04,799

and i remember

482

00:18:09,190 --> 00:18:07,679

back at the beginning of this saying why

483

00:18:11,029 --> 00:18:09,200

why does anything have to change what

484

00:18:13,590 --> 00:18:11,039

are you talking about and like

485

00:18:14,390 --> 00:18:13,600

you know like i said i'm i'm not i'm not

486

00:18:17,669 --> 00:18:14,400

the

487

00:18:19,669 --> 00:18:17,679

of saying

488

00:18:21,270 --> 00:18:19,679

yeah viruses exist okay this happens

489

00:18:23,190 --> 00:18:21,280

we've had pandemics before

490

00:18:24,470 --> 00:18:23,200

so like i'm i'm on board with like you

491

00:18:26,070 --> 00:18:24,480

know maybe this is real

492

00:18:28,150 --> 00:18:26,080

and then you know i see hospitals that

493

00:18:29,190 --> 00:18:28,160

are overflowing and i talk to people in

494

00:18:30,950 --> 00:18:29,200

the medical field

495

00:18:33,110 --> 00:18:30,960

that do this for a living and and

496

00:18:35,029 --> 00:18:33,120

they've i'm kind of on board with like

497

00:18:37,029 --> 00:18:35,039

okay this is a real thing and

498

00:18:38,630 --> 00:18:37,039

this is something we got to deal with

499

00:18:41,669 --> 00:18:38,640

and of course you know

500

00:18:43,029 --> 00:18:41,679

to what extent is arguable how far

501
00:18:45,909 --> 00:18:43,039
should we be

502
00:18:46,470 --> 00:18:45,919
invested into this thing of being scared

503
00:18:50,310 --> 00:18:46,480
but

504
00:18:52,150 --> 00:18:50,320
the point is is that the um

505
00:18:53,350 --> 00:18:52,160
the the new normal and the great reset

506
00:18:56,870 --> 00:18:53,360
mantras have been

507
00:18:58,310 --> 00:18:56,880
placed upon us and they are in fact

508
00:19:00,390 --> 00:18:58,320
changing the environment for the new

509
00:19:02,549 --> 00:19:00,400
normal which i would argue

510
00:19:04,710 --> 00:19:02,559
could very well fit into this alien you

511
00:19:07,750 --> 00:19:04,720
know this theory i'm laying out that

512
00:19:08,950 --> 00:19:07,760
they're paving the foundation for the

513
00:19:14,630 --> 00:19:08,960

new

514

00:19:15,590 --> 00:19:14,640

scarily enough i i would argue that

515

00:19:18,870 --> 00:19:15,600

furthermore

516

00:19:20,390 --> 00:19:18,880

it's the globalization stuff it's also

517

00:19:23,590 --> 00:19:20,400

the new world order stuff

518

00:19:26,630 --> 00:19:23,600

it's also part of you know

519

00:19:27,270 --> 00:19:26,640

ultimately supporting a trans human

520

00:19:32,630 --> 00:19:27,280

religion

521

00:19:34,390 --> 00:19:32,640

and all these sort of ideas that you

522

00:19:35,990 --> 00:19:34,400

know you go from the facts to a little

523

00:19:37,830 --> 00:19:36,000

more down the line of

524

00:19:39,190 --> 00:19:37,840

these are just my philosophies and and

525

00:19:42,230 --> 00:19:39,200

ideas of what this

526
00:19:44,789 --> 00:19:42,240
could turn into based upon the teachings

527
00:19:46,150 --> 00:19:44,799
of the occultists from the past who have

528
00:19:48,230 --> 00:19:46,160
laid the foundations for our

529
00:19:51,430 --> 00:19:48,240
understanding of reality and

530
00:19:54,710 --> 00:19:51,440
and extraterrestrials today so

531
00:19:55,830 --> 00:19:54,720
so yeah long long answer short i think

532
00:19:59,190 --> 00:19:55,840
that

533
00:20:02,149 --> 00:19:59,200
the architects of this globalist

534
00:20:02,950 --> 00:20:02,159
great reset thing might very well be

535
00:20:07,270 --> 00:20:02,960
tied into

536
00:20:10,710 --> 00:20:07,280
this alien agenda

537
00:20:13,750 --> 00:20:10,720
yeah it has sort of a grand architect

538
00:20:17,190 --> 00:20:13,760

type to what extent is crazy because

539

00:20:18,950 --> 00:20:17,200

it seems it just seems so far-fetched

540

00:20:21,110 --> 00:20:18,960

you know that all this information is

541

00:20:23,110 --> 00:20:21,120

suppressed yet blatantly

542

00:20:24,390 --> 00:20:23,120

exposed through hollywood and i'm glad

543

00:20:26,149 --> 00:20:24,400

that you mentioned

544

00:20:27,909 --> 00:20:26,159

the disclosure through hollywood and

545

00:20:31,029 --> 00:20:27,919

it's not just science fiction is it i

546

00:20:34,310 --> 00:20:31,039

mean it's everywhere right isaac

547

00:20:34,630 --> 00:20:34,320

yeah that's right um it's it's when you

548

00:20:38,149 --> 00:20:34,640

look

549

00:20:40,230 --> 00:20:38,159

of the audience

550

00:20:41,909 --> 00:20:40,240

maybe they're not familiar with some of

551
00:20:45,350 --> 00:20:41,919
the more sort of

552
00:20:48,710 --> 00:20:45,360
basics of the uh you know the idea that

553
00:20:51,270 --> 00:20:48,720
propaganda exists you look at the

554
00:20:52,070 --> 00:20:51,280
you know the abc organizations in our

555
00:20:54,470 --> 00:20:52,080
own country

556
00:20:55,990 --> 00:20:54,480
in the cia for example and you have

557
00:20:58,390 --> 00:20:56,000
these operation

558
00:21:00,630 --> 00:20:58,400
mockingbird where they've infiltrated

559
00:21:03,350 --> 00:21:00,640
the hollywood to

560
00:21:05,590 --> 00:21:03,360
sort of sell the masses on the idea that

561
00:21:08,710 --> 00:21:05,600
communism is the real enemy here and

562
00:21:10,149 --> 00:21:08,720
be scared of it at all costs which

563
00:21:11,510 --> 00:21:10,159

again that could take us into a

564

00:21:12,390 --> 00:21:11,520

different argument that i've been trying

565

00:21:14,310 --> 00:21:12,400

to

566

00:21:15,990 --> 00:21:14,320

further research and understand because

567

00:21:18,789 --> 00:21:16,000

like as a truth

568

00:21:20,710 --> 00:21:18,799

or community here we kind of say okay

569

00:21:22,310 --> 00:21:20,720

yeah the cia was bad

570

00:21:23,750 --> 00:21:22,320

these organizations are bad because

571

00:21:25,750 --> 00:21:23,760

they've lied to us and they've deceived

572

00:21:28,950 --> 00:21:25,760

us through propaganda

573

00:21:30,310 --> 00:21:28,960

but that propaganda says communism is

574

00:21:32,470 --> 00:21:30,320

the worst thing ever

575

00:21:33,830 --> 00:21:32,480

so that makes me wonder well if they're

576

00:21:35,270 --> 00:21:33,840

if they're the bad guy and they're the

577

00:21:37,510 --> 00:21:35,280

enemy and they're saying communism is

578

00:21:39,430 --> 00:21:37,520

bad does that mean communism is good

579

00:21:42,470 --> 00:21:39,440

and i don't agree with that i i do think

580

00:21:45,590 --> 00:21:42,480

that the globalist communist sort of

581

00:21:48,950 --> 00:21:45,600

concept is not a good one i'm more of a

582

00:21:52,390 --> 00:21:48,960

uh i like the freedoms that we

583

00:21:54,230 --> 00:21:52,400

we get here in america uh although

584

00:21:55,430 --> 00:21:54,240

albeit some of them some of these ideas

585

00:21:57,430 --> 00:21:55,440

are flawed some of

586

00:21:58,950 --> 00:21:57,440

sometimes capitalism left unchecked can

587

00:22:01,430 --> 00:21:58,960

go too far

588

00:22:03,029 --> 00:22:01,440

like i said that's a that's a longer

589

00:22:06,470 --> 00:22:03,039

argument for another show

590

00:22:07,669 --> 00:22:06,480

um but um

591

00:22:09,750 --> 00:22:07,679

but yeah oh yeah so we're talking about

592

00:22:12,789 --> 00:22:09,760

hollywood so project so yeah you have

593

00:22:14,390 --> 00:22:12,799

this like project mockingbird cia is

594

00:22:16,470 --> 00:22:14,400

you know manipulating us through that

595

00:22:18,390 --> 00:22:16,480

kind of stuff then you've got

596

00:22:20,470 --> 00:22:18,400

the uh in the book we talked about the

597

00:22:24,230 --> 00:22:20,480

robertson panel

598

00:22:26,230 --> 00:22:24,240

and this was like in 1953 where

599

00:22:27,750 --> 00:22:26,240

basically there was this study and this

600

00:22:31,110 --> 00:22:27,760

coordinated agenda

601
00:22:31,750 --> 00:22:31,120
to persuade the masses that like hey

602
00:22:34,789 --> 00:22:31,760
this

603
00:22:36,870 --> 00:22:34,799
looking into it

604
00:22:39,669 --> 00:22:36,880
and you know everything's fine and turns

605
00:22:40,710 --> 00:22:39,679
out this is all swamp gas you know as

606
00:22:43,750 --> 00:22:40,720
they say

607
00:22:46,630 --> 00:22:43,760
from uh it was a j

608
00:22:49,350 --> 00:22:46,640
allen heineck sort of sort of debunked

609
00:22:52,710 --> 00:22:49,360
one of these things with swamp gas

610
00:22:54,630 --> 00:22:52,720
but now it seems that they've

611
00:22:56,149 --> 00:22:54,640
i would argue they've had another sort

612
00:22:57,750 --> 00:22:56,159
of robertson panel that we don't know

613
00:23:00,470 --> 00:22:57,760

about yet

614

00:23:00,870 --> 00:23:00,480

and that probably happened i was the

615

00:23:04,149 --> 00:23:00,880

guest

616

00:23:06,549 --> 00:23:04,159

maybe 90s 2000 somewhere in there

617

00:23:08,470 --> 00:23:06,559

where they've decided that well let's

618

00:23:11,510 --> 00:23:08,480

flip this around now let's

619

00:23:13,830 --> 00:23:11,520

make them believe in ufos because

620

00:23:14,870 --> 00:23:13,840

the masses are easily swayed right they

621

00:23:18,070 --> 00:23:14,880

kind of just

622

00:23:21,270 --> 00:23:18,080

digest whatever's fed to them

623

00:23:23,430 --> 00:23:21,280

but you've got these

624

00:23:25,590 --> 00:23:23,440

organizations like disney who were part

625

00:23:29,110 --> 00:23:25,600

of the robertson panel

626

00:23:31,590 --> 00:23:29,120

propaganda you know from the 50s onward

627

00:23:32,710 --> 00:23:31,600

who you know they were part of showing

628

00:23:36,230 --> 00:23:32,720

us an idea

629

00:23:38,789 --> 00:23:36,240

and theme within these movies

630

00:23:40,070 --> 00:23:38,799

and they were part of that but now

631

00:23:43,750 --> 00:23:40,080

they're part of the

632

00:23:45,590 --> 00:23:43,760

disclosure which is

633

00:23:47,029 --> 00:23:45,600

which is propaganda right they change

634

00:23:48,950 --> 00:23:47,039

the terms that's

635

00:23:50,630 --> 00:23:48,960

one of the essential elements of

636

00:23:53,990 --> 00:23:50,640

propaganda you change the term

637

00:23:55,909 --> 00:23:54,000

from from ufo to uap because

638

00:23:58,310 --> 00:23:55,919

ufo's got a stigma because of what they

639

00:23:59,830 --> 00:23:58,320

pre you know from 50 years of propaganda

640

00:24:02,710 --> 00:23:59,840

telling people like

641

00:24:03,350 --> 00:24:02,720

oh this is this is what the silly you

642

00:24:05,990 --> 00:24:03,360

know

643

00:24:06,470 --> 00:24:06,000

tin foil hat wearing conspiracy losers

644

00:24:07,909 --> 00:24:06,480

or

645

00:24:09,909 --> 00:24:07,919

they believe in ufos and aren't they

646

00:24:11,350 --> 00:24:09,919

weird and wacky but now they got to flip

647

00:24:15,110 --> 00:24:11,360

that around

648

00:24:18,630 --> 00:24:15,120

which um which by the way

649

00:24:22,230 --> 00:24:18,640

the uh the the tin foil hat

650

00:24:24,390 --> 00:24:22,240

that was a term um invented by

651
00:24:26,390 --> 00:24:24,400
julian huxley albus huxley's older

652
00:24:28,470 --> 00:24:26,400
brother i think it was her cousin

653
00:24:30,470 --> 00:24:28,480
and he wrote about this science fiction

654
00:24:33,590 --> 00:24:30,480
story about

655
00:24:35,269 --> 00:24:33,600
brain waves or about um

656
00:24:36,630 --> 00:24:35,279
about uh what was it some kind of like

657
00:24:38,470 --> 00:24:36,640
radio waves

658
00:24:41,350 --> 00:24:38,480
infecting people's brains so people

659
00:24:44,149 --> 00:24:41,360
would wear tin foil hats to block the

660
00:24:46,070 --> 00:24:44,159
the frequencies and and that's where the

661
00:24:48,870 --> 00:24:46,080
idea of a tinfoil hat came in

662
00:24:50,149 --> 00:24:48,880
to existence but they actually found in

663
00:24:51,830 --> 00:24:50,159

studies that

664

00:24:53,669 --> 00:24:51,840

wearing tinfoil on your hat actually

665

00:24:56,710 --> 00:24:53,679

amplifies signals

666

00:24:58,630 --> 00:24:56,720

so like you talk about disinformation

667

00:25:02,070 --> 00:24:58,640

and propaganda like

668

00:25:03,510 --> 00:25:02,080

was huxley using propaganda suggesting

669

00:25:05,110 --> 00:25:03,520

you should wear tinfoil have the block

670

00:25:07,269 --> 00:25:05,120

frequencies when in reality

671

00:25:08,870 --> 00:25:07,279

it actually amplifies it you know so

672

00:25:10,950 --> 00:25:08,880

you've got all these like

673

00:25:12,470 --> 00:25:10,960

spy counter spy ideas in the ufo

674

00:25:15,669 --> 00:25:12,480

community

675

00:25:16,710 --> 00:25:15,679

and it's argued that disney who was part

676
00:25:19,750 --> 00:25:16,720
of this

677
00:25:21,269 --> 00:25:19,760
previous uh propaganda swing they're now

678
00:25:23,909 --> 00:25:21,279
on the other side of it

679
00:25:24,630 --> 00:25:23,919
and they own you know say like 90

680
00:25:27,830 --> 00:25:24,640
percent of

681
00:25:29,110 --> 00:25:27,840
media is owned by just six companies so

682
00:25:32,310 --> 00:25:29,120
every piece of media

683
00:25:35,510 --> 00:25:32,320
news film tv everything

684
00:25:38,789 --> 00:25:35,520
comes from basically six voices

685
00:25:41,590 --> 00:25:38,799
six handlers and disney

686
00:25:42,310 --> 00:25:41,600
they own a history channel and a e and

687
00:25:44,870 --> 00:25:42,320
all that stuff

688
00:25:46,310 --> 00:25:44,880

and that's where you get all these shows

689

00:25:48,390 --> 00:25:46,320

that i'm

690

00:25:50,789 --> 00:25:48,400

i enjoy yet at the same time and very

691

00:25:52,950 --> 00:25:50,799

critical of like ancient aliens

692

00:25:54,549 --> 00:25:52,960

and uh what else they got they had they

693

00:25:55,990 --> 00:25:54,559

have a bunch they got the skinwalker

694

00:25:57,110 --> 00:25:56,000

ranch stuff which is your sort of

695

00:26:00,149 --> 00:25:57,120

expertise there

696

00:26:02,149 --> 00:26:00,159

you have the skinwalker ranch shows um

697

00:26:04,310 --> 00:26:02,159

and all this stuff that are they're

698

00:26:07,510 --> 00:26:04,320

basically presenting us

699

00:26:08,470 --> 00:26:07,520

with the fact that excuse me they're

700

00:26:13,029 --> 00:26:08,480

basically

701
00:26:15,110 --> 00:26:13,039
bombarding us with

702
00:26:16,710 --> 00:26:15,120
the uh questioning reality questioning

703
00:26:19,430 --> 00:26:16,720
our previous ideas

704
00:26:20,950 --> 00:26:19,440
of what ufos and aliens are and were and

705
00:26:22,870 --> 00:26:20,960
suggesting to us that they're real and

706
00:26:24,470 --> 00:26:22,880
i'd argue they're doing this

707
00:26:26,710 --> 00:26:24,480
through disney through tv through

708
00:26:28,870 --> 00:26:26,720
entertainment because

709
00:26:30,630 --> 00:26:28,880
there's a lot of distrust for the uh the

710
00:26:32,549 --> 00:26:30,640
government the official

711
00:26:33,669 --> 00:26:32,559
uh you know the mainstream sources i

712
00:26:35,830 --> 00:26:33,679
should say

713
00:26:36,870 --> 00:26:35,840

as is evidenced by 2020. i mean look at

714

00:26:39,590 --> 00:26:36,880

how many people

715

00:26:41,669 --> 00:26:39,600

don't trust you know the i don't want to

716

00:26:43,830 --> 00:26:41,679

use the terms but the stabbies

717

00:26:45,190 --> 00:26:43,840

they don't trust a lot of the official

718

00:26:47,269 --> 00:26:45,200

narratives about what's actually

719

00:26:49,669 --> 00:26:47,279

happening in our world so

720

00:26:51,110 --> 00:26:49,679

it's a very it's a very sort of sly idea

721

00:26:53,269 --> 00:26:51,120

but they've been doing this since

722

00:26:56,710 --> 00:26:53,279

the uh since the 40s and 50s cia

723

00:27:00,310 --> 00:26:59,110

yeah this is um these these guys have

724

00:27:03,029 --> 00:27:00,320

been added a while

725

00:27:05,909 --> 00:27:03,039

and i'm so glad that your book goes into

726
00:27:06,470 --> 00:27:05,919
topics like manifesting aliens and magic

727
00:27:08,310 --> 00:27:06,480
and

728
00:27:10,549 --> 00:27:08,320
the the concept of making mental

729
00:27:13,830 --> 00:27:10,559
connections to extraterrestrials

730
00:27:15,430 --> 00:27:13,840
stuff that is so off you know most

731
00:27:16,070 --> 00:27:15,440
people won't touch that with a 10-foot

732
00:27:19,029 --> 00:27:16,080
pole

733
00:27:21,190 --> 00:27:19,039
how and you just go into it and just

734
00:27:23,909 --> 00:27:21,200
chop it up man it's killer

735
00:27:25,750 --> 00:27:23,919
yeah thanks man yeah that's uh that

736
00:27:26,070 --> 00:27:25,760
that's a that's a fascinating element to

737
00:27:28,149 --> 00:27:26,080
me

738
00:27:29,190 --> 00:27:28,159

uh learning about ritual magic and what

739

00:27:31,750 --> 00:27:29,200

these occultists do

740

00:27:33,590 --> 00:27:31,760

and to me i i just think there's such a

741

00:27:35,990 --> 00:27:33,600

clear connection between what

742

00:27:37,190 --> 00:27:36,000

what people like you know aleister

743

00:27:39,909 --> 00:27:37,200

crowley and carl

744

00:27:41,190 --> 00:27:39,919

young and marina abramovic and all these

745

00:27:42,870 --> 00:27:41,200

figures that

746

00:27:45,669 --> 00:27:42,880

when you when you hang out long enough

747

00:27:47,029 --> 00:27:45,679

in these conspiracy circles you hear all

748

00:27:49,190 --> 00:27:47,039

these names

749

00:27:50,950 --> 00:27:49,200

but when you look at all the things that

750

00:27:53,190 --> 00:27:50,960

they've been saying and doing i mean

751
00:27:56,149 --> 00:27:53,200
aleister crowley himself of course

752
00:27:59,990 --> 00:27:56,159
infamously used the ritual of magic to

753
00:28:02,870 --> 00:28:00,000
to summon the first gray alien lamb

754
00:28:04,310 --> 00:28:02,880
but but all these things connect to the

755
00:28:07,269 --> 00:28:04,320
world of hollywood and

756
00:28:09,669 --> 00:28:07,279
and these artists and these celebrities

757
00:28:12,950 --> 00:28:09,679
it was crowley who said that

758
00:28:15,909 --> 00:28:12,960
he he said that art was

759
00:28:16,789 --> 00:28:15,919
the key to transmutation of inner

760
00:28:18,950 --> 00:28:16,799
psychic visions

761
00:28:20,710 --> 00:28:18,960
and what's he saying then well he's

762
00:28:23,990 --> 00:28:20,720
basically saying

763
00:28:24,630 --> 00:28:24,000

that the subconscious the ideas the

764

00:28:27,909 --> 00:28:24,640

thoughts

765

00:28:31,110 --> 00:28:27,919

that that one thinks can

766

00:28:33,110 --> 00:28:31,120

be projected out into the universe

767

00:28:34,149 --> 00:28:33,120

and therefore create a reality which

768

00:28:37,029 --> 00:28:34,159

sounds like

769

00:28:38,230 --> 00:28:37,039

super bizarro but that's what ritual

770

00:28:40,870 --> 00:28:38,240

magic is all about

771

00:28:42,549 --> 00:28:40,880

and that's what carl young was talking

772

00:28:46,549 --> 00:28:42,559

about with this

773

00:28:48,630 --> 00:28:46,559

this collective unconscious with um

774

00:28:50,389 --> 00:28:48,640

archetypes like we're all sort of

775

00:28:51,990 --> 00:28:50,399

channeling these thoughts together we

776

00:28:53,350 --> 00:28:52,000

have this collective unconscious that

777

00:28:55,110 --> 00:28:53,360

we're all connected

778

00:28:56,789 --> 00:28:55,120

and we all kind of know it we just can't

779

00:28:59,669 --> 00:28:56,799

put our finger on it

780

00:29:00,870 --> 00:28:59,679

and that's what i think the the tv shows

781

00:29:03,110 --> 00:29:00,880

and the movies

782

00:29:04,149 --> 00:29:03,120

they kind of they kind of poke at this

783

00:29:06,549 --> 00:29:04,159

thing that we all

784

00:29:08,149 --> 00:29:06,559

we all kind of think well maybe there's

785

00:29:11,430 --> 00:29:08,159

there's life beyond

786

00:29:13,590 --> 00:29:11,440

this this existence that we can sense

787

00:29:15,190 --> 00:29:13,600

with our five senses

788

00:29:17,190 --> 00:29:15,200

and and i don't and i don't disagree

789

00:29:18,630 --> 00:29:17,200

with any of that like i i do believe

790

00:29:25,510 --> 00:29:18,640

there's

791

00:29:28,149 --> 00:29:25,520

um so like on some levels i agree

792

00:29:29,269 --> 00:29:28,159

that this is possible that there these

793

00:29:33,110 --> 00:29:29,279

these

794

00:29:35,830 --> 00:29:33,120

dimension but to me i think

795

00:29:37,269 --> 00:29:35,840

when you look at the occult arts it's

796

00:29:39,269 --> 00:29:37,279

all about trying to

797

00:29:40,870 --> 00:29:39,279

channel and bring these entities into

798

00:29:42,310 --> 00:29:40,880

our world you you give them enough

799

00:29:45,669 --> 00:29:42,320

energy

800

00:29:47,110 --> 00:29:45,679

that they can be pulled in much like

801
00:29:48,870 --> 00:29:47,120
very basically you see on the ghost

802
00:29:52,310 --> 00:29:48,880
hunting shows they're they

803
00:29:55,190 --> 00:29:52,320
they use the energy of the the uh

804
00:29:56,710 --> 00:29:55,200
the ghost hunter and they sort of pull

805
00:29:59,909 --> 00:29:56,720
themselves into existence

806
00:30:02,630 --> 00:29:59,919
albeit for you know maybe an evp or an

807
00:30:03,190 --> 00:30:02,640
apparition or an orb or something like

808
00:30:05,510 --> 00:30:03,200
that

809
00:30:06,389 --> 00:30:05,520
i think there's i think there's a lot to

810
00:30:07,990 --> 00:30:06,399
this idea

811
00:30:10,149 --> 00:30:08,000
i obviously don't profess to understand

812
00:30:13,269 --> 00:30:10,159
how it works i don't know

813
00:30:14,870 --> 00:30:13,279

the powers of b know how it works but i

814

00:30:15,190 --> 00:30:14,880

think that they're exploring this idea

815

00:30:17,909 --> 00:30:15,200

through

816

00:30:18,870 --> 00:30:17,919

mass disclosure and changing the

817

00:30:22,710 --> 00:30:18,880

perceptions

818

00:30:24,789 --> 00:30:22,720

of you know millions and billions

819

00:30:26,950 --> 00:30:24,799

of human beings so that you've got

820

00:30:30,149 --> 00:30:26,960

millions of thoughts

821

00:30:31,190 --> 00:30:30,159

being energized towards this same common

822

00:30:33,909 --> 00:30:31,200

end goal

823

00:30:35,029 --> 00:30:33,919

and as i argue thoughts become beliefs

824

00:30:37,190 --> 00:30:35,039

become reality

825

00:30:41,350 --> 00:30:37,200

and that's ultimately what they want is

826

00:30:46,230 --> 00:30:44,310

absolutely i think that there's so much

827

00:30:48,870 --> 00:30:46,240

good stuff in your book about that

828

00:30:50,710 --> 00:30:48,880

and i'm glad that you went into the the

829

00:30:52,630 --> 00:30:50,720

drugs and ritual

830

00:30:54,549 --> 00:30:52,640

magic practices that have been used to

831

00:30:57,029 --> 00:30:54,559

alter the mind in preparation for

832

00:31:00,710 --> 00:30:57,039

contact with the divine as you put it

833

00:31:03,110 --> 00:31:00,720

and through occult practice of ritual

834

00:31:06,549 --> 00:31:03,120

magic

835

00:31:09,430 --> 00:31:06,559

manifesting aliens into our world

836

00:31:11,110 --> 00:31:09,440

it's it's one of these things that

837

00:31:14,230 --> 00:31:11,120

hollywood's hard at work as well

838

00:31:16,789 --> 00:31:14,240

as ritual magicians and

839

00:31:18,870 --> 00:31:16,799

it may be that some of these are these

840

00:31:20,149 --> 00:31:18,880

lines are blurred and it goes one in

841

00:31:23,269 --> 00:31:20,159

into the other and

842

00:31:24,549 --> 00:31:23,279

kind of not not to lead into the whole

843

00:31:27,430 --> 00:31:24,559

drug thing but

844

00:31:31,590 --> 00:31:27,440

i cannot let you get off without talking

845

00:31:35,430 --> 00:31:35,029

yeah yeah i have i i i almost didn't put

846

00:31:38,230 --> 00:31:35,440

that

847

00:31:39,509 --> 00:31:38,240

in this bug because right as you know

848

00:31:53,190 --> 00:31:39,519

the

849

00:31:54,149 --> 00:31:53,200

this conspiracy community seem very

850

00:31:58,230 --> 00:31:54,159

subversive

851
00:32:02,950 --> 00:31:58,240
and you know i i get it right like

852
00:32:09,190 --> 00:32:05,750
these ideas are very controversial and

853
00:32:11,029 --> 00:32:09,200
some people can take this stuff too far

854
00:32:12,549 --> 00:32:11,039
you see this kind of thing i mean the

855
00:32:14,710 --> 00:32:12,559
example

856
00:32:16,470 --> 00:32:14,720
you know adolf hitler right i mean this

857
00:32:18,710 --> 00:32:16,480
is a guy who believed in

858
00:32:20,870 --> 00:32:18,720
a conspiracy theory but the elders of

859
00:32:22,470 --> 00:32:20,880
the protocols of zion and look how far

860
00:32:25,509 --> 00:32:22,480
he took it so like

861
00:32:27,350 --> 00:32:25,519
to to kid ourselves and say well these

862
00:32:28,070 --> 00:32:27,360
are totally safe ideas like they're just

863
00:32:29,750 --> 00:32:28,080

not

864

00:32:31,750 --> 00:32:29,760

like this is a subversive community and

865

00:32:33,269 --> 00:32:31,760

that's what draws me into it i love it i

866

00:32:36,389 --> 00:32:33,279

love this kind of like

867

00:32:38,070 --> 00:32:36,399

real extreme sort of uh dangerous

868

00:32:41,029 --> 00:32:38,080

thinking

869

00:32:42,149 --> 00:32:41,039

so like on one hand they're not wrong in

870

00:32:43,590 --> 00:32:42,159

the sense that

871

00:32:45,990 --> 00:32:43,600

they need to be careful with this sort

872

00:32:46,630 --> 00:32:46,000

of priest level of free speech but on

873

00:32:48,789 --> 00:32:46,640

the other hand

874

00:32:50,470 --> 00:32:48,799

i'm like a free speech guy like i'm like

875

00:32:51,750 --> 00:32:50,480

whatever dude let the even people i

876

00:32:53,990 --> 00:32:51,760

disagree with i'm like

877

00:32:55,669 --> 00:32:54,000

who cares let him joe rogan said it you

878

00:32:56,549 --> 00:32:55,679

know the great joe rogan he said it best

879

00:32:58,149 --> 00:32:56,559

he said

880

00:33:00,310 --> 00:32:58,159

uh and i'm gonna paraphrase throne but

881

00:33:02,389 --> 00:33:00,320

he said the only way to

882

00:33:03,750 --> 00:33:02,399

combat bad speech is with better speech

883

00:33:06,870 --> 00:33:03,760

so if you got

884

00:33:08,870 --> 00:33:06,880

people saying that there's there's a

885

00:33:10,389 --> 00:33:08,880

you know i don't know how much you want

886

00:33:11,430 --> 00:33:10,399

me to say on your show i'll try to keep

887

00:33:14,149 --> 00:33:11,440

it somewhat

888

00:33:15,590 --> 00:33:14,159

uh so you don't get dinged too hard from

889

00:33:16,870 --> 00:33:15,600

from the powers to be but

890

00:33:18,630 --> 00:33:16,880

you know if you got people saying that

891

00:33:21,269 --> 00:33:18,640

there's a draenor chrome and a certain

892

00:33:21,750 --> 00:33:21,279

uh you know political parties drinking

893

00:33:25,669 --> 00:33:21,760

uh

894

00:33:28,870 --> 00:33:25,679

baby blood i don't know let him say that

895

00:33:31,029 --> 00:33:28,880

and that's and let's try to

896

00:33:33,430 --> 00:33:31,039

dissuade people from believing that if

897

00:33:35,830 --> 00:33:33,440

if that be the case right

898

00:33:37,509 --> 00:33:35,840

so that all that to say that i almost

899

00:33:39,669 --> 00:33:37,519

didn't put this in the book because

900

00:33:41,590 --> 00:33:39,679

i'm aware that there's a massive

901
00:33:44,149 --> 00:33:41,600
censorship agenda at play i

902
00:33:46,230 --> 00:33:44,159
myself am a victim of this four years

903
00:33:50,149 --> 00:33:46,240
running so far

904
00:33:55,430 --> 00:33:50,159
um but the idea that

905
00:34:01,669 --> 00:33:59,110
the idea here is that

906
00:34:02,630 --> 00:34:01,679
there's some people that believe that

907
00:34:07,269 --> 00:34:02,640
the blood

908
00:34:10,710 --> 00:34:07,279
of a person a child specifically

909
00:34:13,829 --> 00:34:10,720
or the the fear emitted from a child

910
00:34:15,430 --> 00:34:13,839
this could be harvested and used

911
00:34:17,750 --> 00:34:15,440
that's the idea and it sounds

912
00:34:22,069 --> 00:34:17,760
preposterous but if you look

913
00:34:24,230 --> 00:34:22,079

at secret machines which is a book

914

00:34:26,629 --> 00:34:24,240

actually a series of books written by

915

00:34:28,790 --> 00:34:26,639

tom delonger and peter lavender

916

00:34:29,829 --> 00:34:28,800

who are behind a lot of this disclosure

917

00:34:32,470 --> 00:34:29,839

movement

918

00:34:33,750 --> 00:34:32,480

through to the stars academy run by tom

919

00:34:35,750 --> 00:34:33,760

de long

920

00:34:37,750 --> 00:34:35,760

and and i go through this in the book we

921

00:34:39,510 --> 00:34:37,760

we won't belabor the point too hard but

922

00:34:41,510 --> 00:34:39,520

tom de long has a very

923

00:34:42,869 --> 00:34:41,520

strange and questionable history and

924

00:34:45,109 --> 00:34:42,879

story about how

925

00:34:46,950 --> 00:34:45,119

he was brought in to be the voice of

926
00:34:49,430 --> 00:34:46,960
disclosure

927
00:34:51,510 --> 00:34:49,440
so that i don't believe i i just don't

928
00:34:54,069 --> 00:34:51,520
believe it it sounds crazy to me

929
00:34:55,190 --> 00:34:54,079
and you got a guy like peter lavender

930
00:34:58,230 --> 00:34:55,200
who

931
00:34:59,910 --> 00:34:58,240
is allegedly an actual occultist and

932
00:35:02,870 --> 00:34:59,920
whether or not that's true again

933
00:35:03,829 --> 00:35:02,880
no clue but to me i've read several of

934
00:35:06,550 --> 00:35:03,839
his books and

935
00:35:07,829 --> 00:35:06,560
the man's extremely intelligent he's

936
00:35:10,390 --> 00:35:07,839
extremely

937
00:35:11,670 --> 00:35:10,400
well versed in these ideas he knows what

938
00:35:13,190 --> 00:35:11,680

he's talking about like

939

00:35:14,790 --> 00:35:13,200

i've been trying to get a hold of peter

940

00:35:16,630 --> 00:35:14,800

levine to come do my show

941

00:35:18,790 --> 00:35:16,640

for years i hit him up every so often

942

00:35:20,470 --> 00:35:18,800

but no response

943

00:35:22,150 --> 00:35:20,480

because i think this guy knows he knows

944

00:35:24,230 --> 00:35:22,160

the whole deal

945

00:35:25,430 --> 00:35:24,240

and in the book secret machines gods the

946

00:35:27,510 --> 00:35:25,440

first book

947

00:35:28,630 --> 00:35:27,520

because they're they're rolling out

948

00:35:31,750 --> 00:35:28,640

disclosure

949

00:35:35,430 --> 00:35:31,760

in their own method through the books

950

00:35:38,630 --> 00:35:35,440

see any and you've seen

951
00:35:40,550 --> 00:35:38,640
i mean even kobe bryant was attempting

952
00:35:42,950 --> 00:35:40,560
this through his uh

953
00:35:44,550 --> 00:35:42,960
multimedia organization he was running

954
00:35:46,870 --> 00:35:44,560
called gravity

955
00:35:48,870 --> 00:35:46,880
which means magic by the way but anyway

956
00:35:50,950 --> 00:35:48,880
yeah and i did a whole series of shows

957
00:35:53,430 --> 00:35:50,960
on kobe when he died back in january

958
00:35:55,430 --> 00:35:53,440
which was killer but the uh the

959
00:35:56,790 --> 00:35:55,440
multimedia approach that's what to the

960
00:35:59,829 --> 00:35:56,800
stars academy is all about

961
00:36:01,270 --> 00:35:59,839
and part of that is these books which oh

962
00:36:03,190 --> 00:36:01,280
by the way they've also got fictional

963
00:36:05,670 --> 00:36:03,200

books relaying the same message

964

00:36:06,630 --> 00:36:05,680

and oh by the way they've got fictional

965

00:36:09,510 --> 00:36:06,640

movies coming out

966

00:36:10,230 --> 00:36:09,520

to relate relay the message again the

967

00:36:12,310 --> 00:36:10,240

idea that

968

00:36:13,349 --> 00:36:12,320

propaganda consumed his entertainment

969

00:36:15,030 --> 00:36:13,359

allah

970

00:36:17,349 --> 00:36:15,040

francis bacon right he was the guy who

971

00:36:20,950 --> 00:36:17,359

invented that technique amen

972

00:36:21,510 --> 00:36:20,960

but but in this book secret machine's

973

00:36:23,790 --> 00:36:21,520

god

974

00:36:25,589 --> 00:36:23,800

the first book they go through

975

00:36:29,430 --> 00:36:25,599

painstakingly

976

00:36:31,030 --> 00:36:29,440

the i don't know it must 30 pages 40

977

00:36:32,870 --> 00:36:31,040

pages it's a good chunk near the

978

00:36:35,589 --> 00:36:32,880

beginning of the book they go through

979

00:36:37,349 --> 00:36:35,599

great effort to explain to the reader

980

00:36:40,870 --> 00:36:37,359

about this theory of

981

00:36:42,550 --> 00:36:40,880

blood sacrifice to the gods and i

982

00:36:44,870 --> 00:36:42,560

i don't know that you know i put it

983

00:36:46,870 --> 00:36:44,880

pretty bluntly and i don't know that

984

00:36:48,550 --> 00:36:46,880

the masses would pick up on this if they

985

00:36:50,150 --> 00:36:48,560

were just reading their book

986

00:36:52,150 --> 00:36:50,160

because like it reads like oh this is

987

00:36:54,069 --> 00:36:52,160

just a history lesson right

988

00:36:56,310 --> 00:36:54,079

and what they're talking about they're

989

00:36:58,550 --> 00:36:56,320

like oh you know the aztecs

990

00:37:00,310 --> 00:36:58,560

they uh they revered the blood of

991

00:37:03,750 --> 00:37:00,320

children because it was considered

992

00:37:06,069 --> 00:37:03,760

you know the the untainted uh

993

00:37:06,950 --> 00:37:06,079

unripe blood that's why that's why they

994

00:37:09,430 --> 00:37:06,960

use jade

995

00:37:10,390 --> 00:37:09,440

as the symbol for it it was it was green

996

00:37:13,349 --> 00:37:10,400

the david's a

997

00:37:14,790 --> 00:37:13,359

green gem and that symbolized the blood

998

00:37:16,790 --> 00:37:14,800

of the unripe

999

00:37:19,589 --> 00:37:16,800

and because they thought you know as

1000

00:37:23,109 --> 00:37:19,599

human beings get older

1001
00:37:25,829 --> 00:37:23,119
the the the body is

1002
00:37:26,630 --> 00:37:25,839
sort of deteriorating and the original

1003
00:37:29,910 --> 00:37:26,640
essence the

1004
00:37:33,589 --> 00:37:29,920
original divine energy the spark of god

1005
00:37:36,790 --> 00:37:33,599
the soul whatever it sort of

1006
00:37:40,310 --> 00:37:36,800
gets messier and dirtier as time goes by

1007
00:37:43,349 --> 00:37:40,320
because the aztecs they thought that our

1008
00:37:46,150 --> 00:37:43,359
we came from the stars and our blood is

1009
00:37:48,630 --> 00:37:46,160
infused with the divine essence of god

1010
00:37:51,349 --> 00:37:48,640
so the blood holds a measure of

1011
00:37:53,030 --> 00:37:51,359
consciousness to it

1012
00:37:54,550 --> 00:37:53,040
which is why they would you know they

1013
00:37:56,870 --> 00:37:54,560

were selective on the on the human

1014

00:37:58,310 --> 00:37:56,880

sacrifices they would perform

1015

00:38:00,230 --> 00:37:58,320

the better the blood the better the

1016

00:38:03,990 --> 00:38:00,240

sacrifice if you had

1017

00:38:06,230 --> 00:38:04,000

high levels of intelligence royalty

1018

00:38:07,589 --> 00:38:06,240

you know you were great at sports

1019

00:38:10,550 --> 00:38:07,599

whatever

1020

00:38:11,910 --> 00:38:10,560

then you were considered a higher value

1021

00:38:13,430 --> 00:38:11,920

sacrifice to the gods

1022

00:38:14,950 --> 00:38:13,440

and the same goes for children right

1023

00:38:18,550 --> 00:38:14,960

they were up there with

1024

00:38:21,349 --> 00:38:18,560

all these other high profile folks

1025

00:38:22,630 --> 00:38:21,359

and they would do the sacrifice and and

1026

00:38:23,829 --> 00:38:22,640

they talk about all this in the book

1027

00:38:26,710 --> 00:38:23,839

right they say

1028

00:38:27,030 --> 00:38:26,720

well the best way to do this is through

1029

00:38:31,430 --> 00:38:27,040

a

1030

00:38:33,270 --> 00:38:31,440

remove the limbs

1031

00:38:35,270 --> 00:38:33,280

they would they would rip the heart out

1032

00:38:38,470 --> 00:38:35,280

they would sever the head

1033

00:38:38,870 --> 00:38:38,480

um you know it was all supposed to be

1034

00:38:40,870 --> 00:38:38,880

very

1035

00:38:44,310 --> 00:38:40,880

violent because they were trying to

1036

00:38:46,310 --> 00:38:44,320

unleash this energy from within the body

1037

00:38:47,750 --> 00:38:46,320

this divine you know measure of

1038

00:38:49,270 --> 00:38:47,760

consciousness so it could make it all

1039

00:38:51,670 --> 00:38:49,280

the way back up to the gods

1040

00:38:53,750 --> 00:38:51,680

so the gods would have favor upon the

1041

00:38:57,109 --> 00:38:53,760

civilization

1042

00:39:00,150 --> 00:38:57,119

well they also in that book go through

1043

00:39:01,589 --> 00:39:00,160

this whole connection to gnosticism and

1044

00:39:04,710 --> 00:39:01,599

the idea that

1045

00:39:05,349 --> 00:39:04,720

this is a prison planet and that the

1046

00:39:08,710 --> 00:39:05,359

body

1047

00:39:11,030 --> 00:39:08,720

is actually just matter trapping our

1048

00:39:13,030 --> 00:39:11,040

souls within it the the sort of

1049

00:39:13,750 --> 00:39:13,040

unlimited potential we have inside of us

1050

00:39:16,790 --> 00:39:13,760

which

1051
00:39:19,910 --> 00:39:16,800
you hear a lot of david ike's lectures

1052
00:39:23,670 --> 00:39:19,920
he talks about this kind of idea

1053
00:39:24,390 --> 00:39:23,680
and that that it ties into this whole

1054
00:39:27,349 --> 00:39:24,400
concept

1055
00:39:28,150 --> 00:39:27,359
of the blood has a measure of

1056
00:39:32,069 --> 00:39:28,160
consciousness

1057
00:39:34,950 --> 00:39:32,079
of divinity of the gods within it

1058
00:39:35,430 --> 00:39:34,960
and the gods are the aliens by the way

1059
00:39:38,069 --> 00:39:35,440
and

1060
00:39:40,790 --> 00:39:38,079
we need to i argue they're going to go

1061
00:39:43,750 --> 00:39:40,800
back to this idea that the aztecs

1062
00:39:44,470 --> 00:39:43,760
who were sacrificing because they wanted

1063
00:39:57,750 --> 00:39:44,480

the

1064

00:40:00,230 --> 00:39:57,760

because this this blood of ours it's not

1065

00:40:03,670 --> 00:40:00,240

really ours we're borrowing it

1066

00:40:06,550 --> 00:40:03,680

to experience this you know simulation

1067

00:40:07,670 --> 00:40:06,560

this prison planet and it needs to go

1068

00:40:09,910 --> 00:40:07,680

back to god

1069

00:40:11,430 --> 00:40:09,920

which i'd argue they're gonna make the

1070

00:40:13,109 --> 00:40:11,440

aliens which is

1071

00:40:14,710 --> 00:40:13,119

much further down the line like we gotta

1072

00:40:15,589 --> 00:40:14,720

we gotta take little baby steps to get

1073

00:40:17,349 --> 00:40:15,599

to there but

1074

00:40:19,589 --> 00:40:17,359

much further down the line it's gonna be

1075

00:40:22,790 --> 00:40:19,599

this idea that

1076

00:40:23,670 --> 00:40:22,800

the uh the material realm is the real

1077

00:40:27,190 --> 00:40:23,680

evil

1078

00:40:30,150 --> 00:40:27,200

right because it's trapping the real

1079

00:40:30,870 --> 00:40:30,160

divine essence of the blood and that's

1080

00:40:32,950 --> 00:40:30,880

the gnostic

1081

00:40:35,030 --> 00:40:32,960

idea of that's a gnostic outlook of our

1082

00:40:37,829 --> 00:40:35,040

world and it's the inversion

1083

00:40:39,589 --> 00:40:37,839

concept that well really god the father

1084

00:40:41,430 --> 00:40:39,599

who created mankind

1085

00:40:43,030 --> 00:40:41,440

that's actually the bad guy the good guy

1086

00:40:45,430 --> 00:40:43,040

was the serpent the serpent

1087

00:40:46,390 --> 00:40:45,440

come along and was trying to free man

1088

00:40:50,470 --> 00:40:46,400

from this

1089

00:40:51,829 --> 00:40:50,480

that we exist because every and

1090

00:40:52,630 --> 00:40:51,839

everything is inverted right

1091

00:40:55,750 --> 00:40:52,640

everything's

1092

00:40:56,870 --> 00:40:55,760

complete the opposite so um i got in

1093

00:41:00,630 --> 00:40:56,880

trouble because i

1094

00:41:02,390 --> 00:41:00,640

i did a whole video on um

1095

00:41:03,670 --> 00:41:02,400

on the baffin mat right the goat with

1096

00:41:06,390 --> 00:41:03,680

the boobies

1097

00:41:07,349 --> 00:41:06,400

and that we see on the on the uh church

1098

00:41:10,470 --> 00:41:07,359

of satan logo

1099

00:41:12,470 --> 00:41:10,480

and all this stuff because because on

1100

00:41:13,589 --> 00:41:12,480

tick tock it's gone viral that these

1101

00:41:15,990 --> 00:41:13,599

kids

1102

00:41:18,069 --> 00:41:16,000

are defending the idea but they're like

1103

00:41:19,990 --> 00:41:18,079

you know this isn't satanic i mean

1104

00:41:21,829 --> 00:41:20,000

this is a this is about balance and

1105

00:41:25,109 --> 00:41:21,839

harmony and stuff and

1106

00:41:26,630 --> 00:41:25,119

and while on some levels like yes that's

1107

00:41:27,670 --> 00:41:26,640

kind of what it symbolizes but on the

1108

00:41:29,510 --> 00:41:27,680

other

1109

00:41:31,349 --> 00:41:29,520

they don't understand that satanic

1110

00:41:33,589 --> 00:41:31,359

doesn't necessarily mean that

1111

00:41:35,270 --> 00:41:33,599

oh we worship the devil with the horn

1112

00:41:38,470 --> 00:41:35,280

and the pitchfork no they

1113

00:41:39,510 --> 00:41:38,480

they worship the idea of the inverted

1114

00:41:41,750 --> 00:41:39,520

reality

1115

00:41:43,750 --> 00:41:41,760

that everything that's good is bad and

1116

00:41:46,390 --> 00:41:43,760

everything's bad is good that's why

1117

00:41:47,670 --> 00:41:46,400

anton levay talks about this stuff and

1118

00:41:51,109 --> 00:41:47,680

he talks about

1119

00:41:53,190 --> 00:41:51,119

embracing the carnal desires of man

1120

00:41:54,870 --> 00:41:53,200

it's it's all the everything gets

1121

00:41:57,430 --> 00:41:54,880

inverted basically

1122

00:41:59,670 --> 00:41:57,440

and yeah the argument i lay on the book

1123

00:42:02,390 --> 00:41:59,680

is that

1124

00:42:02,790 --> 00:42:02,400

we're we're attempting contact with

1125

00:42:05,750 --> 00:42:02,800

these

1126

00:42:07,990 --> 00:42:05,760

entities from another dimension this

1127

00:42:08,390 --> 00:42:08,000

follows a long line of occultists going

1128

00:42:11,190 --> 00:42:08,400

back

1129

00:42:12,309 --> 00:42:11,200

hundreds of years to people who were the

1130

00:42:14,390 --> 00:42:12,319

pagans that were

1131

00:42:15,750 --> 00:42:14,400

sacrificing people to these invisible

1132

00:42:18,470 --> 00:42:15,760

gods of the air

1133

00:42:19,750 --> 00:42:18,480

and i'd argue that they are trying to

1134

00:42:23,349 --> 00:42:19,760

reincorporate this

1135

00:42:28,550 --> 00:42:26,710

absolutely and i love how

1136

00:42:30,950 --> 00:42:28,560

the the concept of alchemy and the great

1137

00:42:31,270 --> 00:42:30,960

work which is like historically pursues

1138

00:42:35,190 --> 00:42:31,280

the

1139

00:42:37,910 --> 00:42:35,200
order which has been discussed

1140

00:42:38,230 --> 00:42:37,920
man you just nail it in the book and i

1141

00:42:41,030 --> 00:42:38,240
with

1142

00:42:42,150 --> 00:42:41,040
what you mentioned about materialism and

1143

00:42:44,230 --> 00:42:42,160
how that is the new

1144

00:42:45,589 --> 00:42:44,240
evil could we use that as a segue into

1145

00:42:48,630 --> 00:42:45,599
going into santa claus

1146

00:42:52,230 --> 00:42:48,640
into into talking about klaus

1147

00:42:54,630 --> 00:42:52,240
oh yeah these santa claus yeah that

1148

00:42:57,349 --> 00:42:54,640
and that's kind of what he's presenting

1149

00:42:59,589 --> 00:42:57,359
right he's kind of saying that

1150

00:43:01,910 --> 00:42:59,599
and and boy oh boy how much do we want

1151
00:43:05,829 --> 00:43:01,920
to get into on the great reset he's

1152
00:43:07,349 --> 00:43:05,839
the um the short version

1153
00:43:09,589 --> 00:43:07,359
that if you look at the world economic

1154
00:43:11,030 --> 00:43:09,599
forums eight eight points to a better

1155
00:43:13,670 --> 00:43:11,040
future or whatever it's called

1156
00:43:14,790 --> 00:43:13,680
if you look at his books he's saying

1157
00:43:16,870 --> 00:43:14,800
that

1158
00:43:18,710 --> 00:43:16,880
well we've got this confluence of things

1159
00:43:20,790 --> 00:43:18,720
going on if you look at his books uh the

1160
00:43:22,870 --> 00:43:20,800
fourth industrial revolution

1161
00:43:25,349 --> 00:43:22,880
the great reset the world economic forum

1162
00:43:28,390 --> 00:43:25,359
points all these point to the same thing

1163
00:43:31,990 --> 00:43:28,400

it's this new age and

1164

00:43:35,349 --> 00:43:32,000

with technology and

1165

00:43:38,710 --> 00:43:35,359

um you know increased sensors through 5g

1166

00:43:40,710 --> 00:43:38,720

internet of things increased data

1167

00:43:42,470 --> 00:43:40,720

because they're these to these

1168

00:43:45,030 --> 00:43:42,480

technocrats so it's like

1169

00:43:47,190 --> 00:43:45,040

the more data the better things will be

1170

00:43:47,990 --> 00:43:47,200

the more we can rely on technology the

1171

00:43:50,550 --> 00:43:48,000

better

1172

00:43:51,349 --> 00:43:50,560

life will be for everyone which again

1173

00:43:53,349 --> 00:43:51,359

you know

1174

00:43:55,349 --> 00:43:53,359

technology is what enabling you and i to

1175

00:43:58,550 --> 00:43:55,359

talk right now and share these ideas

1176

00:44:01,670 --> 00:43:58,560

so like not entirely wrong

1177

00:44:03,030 --> 00:44:01,680

but the um the technology

1178

00:44:04,790 --> 00:44:03,040

he said in the fourth industrial

1179

00:44:06,309 --> 00:44:04,800

revolution written you know five years

1180

00:44:09,670 --> 00:44:06,319

ago four years ago

1181

00:44:13,190 --> 00:44:09,680

he was saying like we're going to

1182

00:44:16,230 --> 00:44:13,200

approach a point where the amount of

1183

00:44:17,829 --> 00:44:16,240

data processing that we can we can do

1184

00:44:19,589 --> 00:44:17,839

will be able to fundamentally change the

1185

00:44:23,030 --> 00:44:19,599

nature of what it means

1186

00:44:24,069 --> 00:44:23,040

to be human of what our reality looks

1187

00:44:25,670 --> 00:44:24,079

like

1188

00:44:27,109 --> 00:44:25,680

and oh by the way it's going to happen

1189

00:44:28,309 --> 00:44:27,119

at an exponential rate it's going to

1190

00:44:31,109 --> 00:44:28,319

happen

1191

00:44:31,990 --> 00:44:31,119

much faster than the humans are ready

1192

00:44:34,550 --> 00:44:32,000

for

1193

00:44:35,589 --> 00:44:34,560

because because old santa claus there

1194

00:44:37,670 --> 00:44:35,599

he's he's really

1195

00:44:39,030 --> 00:44:37,680

into globalist ideas because he's a

1196

00:44:42,230 --> 00:44:39,040

globalist right and

1197

00:44:44,150 --> 00:44:42,240

like i explained on my shows about this

1198

00:44:46,230 --> 00:44:44,160

um you know you gotta understand that

1199

00:44:48,230 --> 00:44:46,240

like this is from his perspective and

1200

00:44:49,589 --> 00:44:48,240

he looks at things from the higher level

1201

00:44:52,309 --> 00:44:49,599

of abstraction and i

1202

00:44:52,710 --> 00:44:52,319

and i get where he's coming from uh

1203

00:44:54,309 --> 00:44:52,720

because

1204

00:44:56,230 --> 00:44:54,319

i went to graduate school for systems

1205

00:44:58,390 --> 00:44:56,240

engineering and that was all about

1206

00:45:00,230 --> 00:44:58,400

taking systems from a higher level of

1207

00:45:02,390 --> 00:45:00,240

abstraction and managing

1208

00:45:03,670 --> 00:45:02,400

uh you know big picture real big picture

1209

00:45:05,510 --> 00:45:03,680

stuff and that's

1210

00:45:06,870 --> 00:45:05,520

what his world view is and he's just

1211

00:45:10,950 --> 00:45:06,880

offering up his advice

1212

00:45:13,829 --> 00:45:10,960

on what this should look like now

1213

00:45:15,270 --> 00:45:13,839

the the ideas he's presenting are that

1214

00:45:16,630 --> 00:45:15,280

through technology

1215

00:45:18,790 --> 00:45:16,640

fundamental shifts are going to happen

1216

00:45:19,829 --> 00:45:18,800

then you know four years later we get

1217

00:45:22,870 --> 00:45:19,839

the virus

1218

00:45:25,190 --> 00:45:22,880

and and everything changes

1219

00:45:26,790 --> 00:45:25,200

like i said before right or wrong true

1220

00:45:30,309 --> 00:45:26,800

or not true whatever you want to believe

1221

00:45:30,790 --> 00:45:30,319

the reality is they said this is the

1222

00:45:34,710 --> 00:45:30,800

thing

1223

00:45:37,829 --> 00:45:34,720

reset this will

1224

00:45:39,109 --> 00:45:37,839

enable us to pursue this new way of

1225

00:45:41,990 --> 00:45:39,119

being

1226

00:45:43,910 --> 00:45:42,000

because now's the time to sort of

1227

00:45:46,390 --> 00:45:43,920

rewrite the whole thing since

1228

00:45:46,950 --> 00:45:46,400

since it's sort of been all blown out

1229

00:45:49,750 --> 00:45:46,960

let's just

1230

00:45:51,270 --> 00:45:49,760

start over right now and part of that

1231

00:45:54,390 --> 00:45:51,280

plan

1232

00:45:56,470 --> 00:45:54,400

is to he he says and these all sound

1233

00:45:57,829 --> 00:45:56,480

like very altruistic ideas like i'm the

1234

00:46:00,150 --> 00:45:57,839

first one to get behind some of these

1235

00:46:02,069 --> 00:46:00,160

ideas he says stuff like

1236

00:46:04,630 --> 00:46:02,079

we're going to be focused less on

1237

00:46:07,349 --> 00:46:04,640

materialism and more on

1238

00:46:09,349 --> 00:46:07,359

contemplating what do i really want in

1239

00:46:12,470 --> 00:46:09,359

life what makes me happy and that's what

1240

00:46:14,309 --> 00:46:12,480

this whole year of 2020 has been is

1241

00:46:15,750 --> 00:46:14,319

everyone's got more time on their hands

1242

00:46:19,109 --> 00:46:15,760

than they wanted

1243

00:46:20,390 --> 00:46:19,119

nothing to do and that either made or

1244

00:46:22,390 --> 00:46:20,400

break some people

1245

00:46:24,390 --> 00:46:22,400

and for some people this has been a very

1246

00:46:28,309 --> 00:46:24,400

difficult year because

1247

00:46:31,430 --> 00:46:28,319

they've used work or

1248

00:46:32,390 --> 00:46:31,440

whatever you know the exercising the gym

1249

00:46:34,069 --> 00:46:32,400

whatever

1250

00:46:35,910 --> 00:46:34,079

they've used things to distract

1251

00:46:36,950 --> 00:46:35,920

themselves from facing their real

1252

00:46:39,829 --> 00:46:36,960

problems which is

1253

00:46:41,270 --> 00:46:39,839

a general idea that human beings that we

1254

00:46:44,150 --> 00:46:41,280

do

1255

00:46:44,470 --> 00:46:44,160

i i go to a i go to a therapist right

1256

00:46:47,190 --> 00:46:44,480

like

1257

00:46:47,589 --> 00:46:47,200

very frequently a couple times a month

1258

00:46:52,390 --> 00:46:47,599

and

1259

00:46:54,069 --> 00:46:52,400

want to come in here man

1260

00:46:55,589 --> 00:46:54,079

like i don't i don't want to come in

1261

00:46:56,550 --> 00:46:55,599

here and but then when i leave here i

1262

00:46:58,069 --> 00:46:56,560

feel better

1263

00:46:59,670 --> 00:46:58,079

and he's like yeah nobody wants to take

1264

00:47:00,870 --> 00:46:59,680

their medicine i get people like that

1265

00:47:01,750 --> 00:47:00,880

all the time nobody wants to come in

1266

00:47:04,309 --> 00:47:01,760

here

1267

00:47:05,670 --> 00:47:04,319

and and and that's just the na the human

1268

00:47:07,990 --> 00:47:05,680

nature right

1269

00:47:09,589 --> 00:47:08,000

and he's and and karl schwab and these

1270

00:47:11,030 --> 00:47:09,599

globalists they say

1271

00:47:12,550 --> 00:47:11,040

well you know people have had a whole

1272

00:47:14,230 --> 00:47:12,560

year they're going to re-contemplate

1273

00:47:16,790 --> 00:47:14,240

their whole lives they've been

1274

00:47:19,030 --> 00:47:16,800

running around running you know focused

1275

00:47:22,790 --> 00:47:19,040

on materialism and working hard to

1276
00:47:26,309 --> 00:47:22,800
buy some other thing for whatever and

1277
00:47:29,030 --> 00:47:26,319
he thinks that this will change now and

1278
00:47:30,230 --> 00:47:29,040
we'd be kidding ourselves if we didn't

1279
00:47:31,829 --> 00:47:30,240
sort of

1280
00:47:33,430 --> 00:47:31,839
buy into some of those ideas some of

1281
00:47:35,109 --> 00:47:33,440
those ideas that

1282
00:47:36,470 --> 00:47:35,119
we've reassessed our lives whether we

1283
00:47:39,270 --> 00:47:36,480
know it or not

1284
00:47:41,349 --> 00:47:39,280
um and and and i don't know that i don't

1285
00:47:42,950 --> 00:47:41,359
know that he's entirely right but like

1286
00:47:44,790 --> 00:47:42,960
the fact of the matter is we've at least

1287
00:47:45,670 --> 00:47:44,800
contemplated some of these ideas and he

1288
00:47:47,510 --> 00:47:45,680

thinks

1289

00:47:49,510 --> 00:47:47,520

that this is going to be the opportunity

1290

00:47:50,549 --> 00:47:49,520

to create the new world the global reset

1291

00:47:52,150 --> 00:47:50,559

where

1292

00:47:53,750 --> 00:47:52,160

we're going to use all this data

1293

00:47:58,230 --> 00:47:53,760

processing from 5g

1294

00:48:00,950 --> 00:47:58,240

and the internet of things to to monitor

1295

00:48:02,549 --> 00:48:00,960

everyone's usage of energy we're going

1296

00:48:05,990 --> 00:48:02,559

to monitor

1297

00:48:09,349 --> 00:48:06,000

wealth inequality we're going to

1298

00:48:10,790 --> 00:48:09,359

improve the life cycle of uh and this is

1299

00:48:12,710 --> 00:48:10,800

one that i get behind this

1300

00:48:13,829 --> 00:48:12,720

he says in his book he talks about we're

1301
00:48:16,870 --> 00:48:13,839
going to

1302
00:48:17,910 --> 00:48:16,880
improve the life cycle of uh household

1303
00:48:19,030 --> 00:48:17,920
appliances right

1304
00:48:21,990 --> 00:48:19,040
because like there's no reason you

1305
00:48:24,150 --> 00:48:22,000
should buy a new washer every five years

1306
00:48:25,990 --> 00:48:24,160
a new tv every five years and all this

1307
00:48:27,829 --> 00:48:26,000
stuff and i'm like

1308
00:48:29,750 --> 00:48:27,839
i'm on board with that man like bring it

1309
00:48:31,349 --> 00:48:29,760
on like i'll gladly pay

1310
00:48:34,230 --> 00:48:31,359
two three times as much for a product

1311
00:48:35,510 --> 00:48:34,240
that i never need to replace

1312
00:48:37,349 --> 00:48:35,520
but like i said i think it's more

1313
00:48:39,430 --> 00:48:37,359

insidious i think that

1314

00:48:41,670 --> 00:48:39,440

the truthers got it right in the sense

1315

00:48:42,549 --> 00:48:41,680

that he's going to pitch us this idea

1316

00:48:46,230 --> 00:48:42,559

that

1317

00:48:48,549 --> 00:48:46,240

through surveillance and data collection

1318

00:48:49,990 --> 00:48:48,559

we're going to make it an even playing

1319

00:48:51,990 --> 00:48:50,000

field for everyone

1320

00:48:53,030 --> 00:48:52,000

no longer will the richest corporations

1321

00:48:55,670 --> 00:48:53,040

on earth be

1322

00:48:57,510 --> 00:48:55,680

be uh you know taking all your taking

1323

00:48:59,109 --> 00:48:57,520

all the money from the poor people

1324

00:49:01,190 --> 00:48:59,119

we're gonna we're gonna make sure things

1325

00:49:03,349 --> 00:49:01,200

get distributed properly

1326
00:49:05,190 --> 00:49:03,359
for the benefit of mother earth for the

1327
00:49:08,309 --> 00:49:05,200
benefit of the poor people

1328
00:49:10,950 --> 00:49:08,319
social equality for everyone uh

1329
00:49:12,390 --> 00:49:10,960
so on and so forth but the problem the

1330
00:49:13,910 --> 00:49:12,400
problem is

1331
00:49:15,750 --> 00:49:13,920
the world economic forum is comprised of

1332
00:49:16,549 --> 00:49:15,760
like the thousands biggest corporations

1333
00:49:19,190 --> 00:49:16,559
and it's like

1334
00:49:20,870 --> 00:49:19,200
uh no dude like you guys are the ones

1335
00:49:22,549 --> 00:49:20,880
that started this problem you're the

1336
00:49:23,270 --> 00:49:22,559
ones that funneled all the wealth to the

1337
00:49:25,750 --> 00:49:23,280
top

1338
00:49:27,190 --> 00:49:25,760

and left all the all everyone left

1339

00:49:29,349 --> 00:49:27,200

holding the bag trying to figure out how

1340

00:49:31,349 --> 00:49:29,359

to make ends meet

1341

00:49:33,190 --> 00:49:31,359

but now they want us to look to them

1342

00:49:36,390 --> 00:49:33,200

again for the solution

1343

00:49:38,230 --> 00:49:36,400

right and and it's funny it's like you

1344

00:49:39,109 --> 00:49:38,240

you know these these globalists are not

1345

00:49:45,349 --> 00:49:39,119

going to be

1346

00:49:46,790 --> 00:49:45,359

you already used up all your carbon

1347

00:49:48,390 --> 00:49:46,800

credits for one flight

1348

00:49:50,069 --> 00:49:48,400

this year you have to wait until next

1349

00:49:51,589 --> 00:49:50,079

year to go on that other trip

1350

00:49:52,950 --> 00:49:51,599

and and meanwhile they're going to be

1351
00:49:53,750 --> 00:49:52,960
private jets setting all around the

1352
00:49:55,190 --> 00:49:53,760
world because

1353
00:49:58,710 --> 00:49:55,200
they think that they have this higher

1354
00:50:02,150 --> 00:49:58,720
place this is this is a reinstatement

1355
00:50:05,190 --> 00:50:02,160
of a sort of royal royal bloodline

1356
00:50:06,790 --> 00:50:05,200
uh the right to rule by the kings uh

1357
00:50:09,270 --> 00:50:06,800
because by the way prince charles was in

1358
00:50:11,270 --> 00:50:09,280
on this with with old santa claus too

1359
00:50:12,630 --> 00:50:11,280
he's in on this because they love this

1360
00:50:16,150 --> 00:50:12,640
idea that you know

1361
00:50:18,150 --> 00:50:16,160
the royalty folks the elitists they're

1362
00:50:19,670 --> 00:50:18,160
they're the smart people they need to

1363
00:50:21,430 --> 00:50:19,680

control us because all of us

1364

00:50:23,430 --> 00:50:21,440

peasants on the bottom we're just

1365

00:50:26,230 --> 00:50:23,440

irresponsible and stupid

1366

00:50:26,950 --> 00:50:26,240

and and like on some levels like i get

1367

00:50:29,430 --> 00:50:26,960

that like

1368

00:50:30,470 --> 00:50:29,440

them as a mass as a whole like people

1369

00:50:32,790 --> 00:50:30,480

are pretty dumb

1370

00:50:34,309 --> 00:50:32,800

like i get it but like i don't think

1371

00:50:35,990 --> 00:50:34,319

that's the right answer is where i'm at

1372

00:50:39,030 --> 00:50:36,000

with it i'm like

1373

00:50:40,549 --> 00:50:39,040

i don't want you to tell me how to live

1374

00:50:41,270 --> 00:50:40,559

which is to send them in from almost

1375

00:50:43,829 --> 00:50:41,280

everyone

1376

00:50:44,470 --> 00:50:43,839

and i think you know if people if people

1377

00:50:46,069 --> 00:50:44,480

um

1378

00:50:47,349 --> 00:50:46,079

even if they want to make bad decisions

1379

00:50:48,950 --> 00:50:47,359

and make their lives harder than they

1380

00:50:50,950 --> 00:50:48,960

need to be like i mean that's the

1381

00:50:53,829 --> 00:50:50,960

freedom that's the free will that

1382

00:50:55,750 --> 00:50:53,839

we get in america and america is the big

1383

00:50:58,630 --> 00:50:55,760

problem with these globalists because

1384

00:50:59,829 --> 00:50:58,640

we're we're uh we're the embodiment of

1385

00:51:01,190 --> 00:50:59,839

the uh

1386

00:51:03,109 --> 00:51:01,200

you know the freedoms and the liberties

1387

00:51:04,870 --> 00:51:03,119

that we get and that's why in the world

1388

00:51:06,390 --> 00:51:04,880

economic forum eight points he says i

1389

00:51:07,030 --> 00:51:06,400

think it's like point number three he

1390

00:51:09,109 --> 00:51:07,040

says

1391

00:51:10,790 --> 00:51:09,119

the u.s will no longer be a superpower

1392

00:51:11,990 --> 00:51:10,800

and the us dollar will be

1393

00:51:13,990 --> 00:51:12,000

sort of crushed and we're going to

1394

00:51:15,190 --> 00:51:14,000

replace it with a cryptocurrency and all

1395

00:51:18,069 --> 00:51:15,200

this stuff

1396

00:51:20,069 --> 00:51:18,079

uh because the cryptocurrency as i as i

1397

00:51:23,589 --> 00:51:20,079

argued two years ago

1398

00:51:27,270 --> 00:51:23,599

is is a uh attract and trace

1399

00:51:28,950 --> 00:51:27,280

method and and you know but back then

1400

00:51:30,390 --> 00:51:28,960

when i when i wrote about it it was the

1401

00:51:32,309 --> 00:51:30,400

whole truth community was like oh my god

1402

00:51:36,150 --> 00:51:32,319

cryptocurrency is the way to go

1403

00:51:36,710 --> 00:51:36,160

and i said why i mean hard cash dollar

1404

00:51:38,549 --> 00:51:36,720

bills

1405

00:51:40,230 --> 00:51:38,559

like no one's tracking that no one's

1406

00:51:43,349 --> 00:51:40,240

tracing that and

1407

00:51:44,230 --> 00:51:43,359

and maybe i am nostradamus ryan maybe

1408

00:51:46,710 --> 00:51:44,240

you're right man

1409

00:51:47,589 --> 00:51:46,720

yeah but i said it a couple years ago

1410

00:51:49,270 --> 00:51:47,599

and i said

1411

00:51:51,270 --> 00:51:49,280

on the podcast and i wrote a little book

1412

00:51:51,829 --> 00:51:51,280

where i've put that topic in there i

1413

00:51:53,829 --> 00:51:51,839

said

1414

00:51:56,150 --> 00:51:53,839

i think cryptos are the tool of the

1415

00:51:58,630 --> 00:51:56,160

illuminati here and sure enough

1416

00:52:00,309 --> 00:51:58,640

klaus says it and sure enough that's

1417

00:52:01,829 --> 00:52:00,319

what we're looking down the barrel of a

1418

00:52:03,750 --> 00:52:01,839

cryptocurrency

1419

00:52:05,510 --> 00:52:03,760

in uh in america even they they try to

1420

00:52:07,510 --> 00:52:05,520

push legislation to make that happen for

1421

00:52:08,870 --> 00:52:07,520

the first round of stimulus checks and

1422

00:52:10,230 --> 00:52:08,880

and i'll be down if they're not going to

1423

00:52:11,910 --> 00:52:10,240

push that through at some point here in

1424

00:52:15,510 --> 00:52:11,920

the future

1425

00:52:17,109 --> 00:52:15,520

yeah man i agree 100 that the crypto

1426

00:52:18,870 --> 00:52:17,119

i was on board at first and then you

1427

00:52:22,390 --> 00:52:18,880

realize now they're tracking

1428

00:52:25,510 --> 00:52:22,400

every little micro movement and

1429

00:52:26,870 --> 00:52:25,520

the bottom line is this is as many

1430

00:52:29,270 --> 00:52:26,880

conspiracists

1431

00:52:31,430 --> 00:52:29,280

believed a way to just tackle the dollar

1432

00:52:32,630 --> 00:52:31,440

and yeah you are kind of not nostradamus

1433

00:52:34,710 --> 00:52:32,640

because

1434

00:52:36,630 --> 00:52:34,720

man you you go into this stuff and you

1435

00:52:37,670 --> 00:52:36,640

do kind of connect the dots and it's not

1436

00:52:40,230 --> 00:52:37,680

that hard

1437

00:52:42,470 --> 00:52:40,240

to see how some of the dots connect um

1438

00:52:45,270 --> 00:52:42,480

last question i wanted to ask you was

1439

00:52:47,109 --> 00:52:45,280

a quick quick one if we could just

1440

00:52:49,190 --> 00:52:47,119

diving into the collins elite and

1441

00:52:50,870 --> 00:52:49,200

satan's army

1442

00:52:52,790 --> 00:52:50,880

oh yeah yeah this is this is a

1443

00:52:55,109 --> 00:52:52,800

fascinating subject and

1444

00:52:56,150 --> 00:52:55,119

and um there's definitely a lot more for

1445

00:52:59,430 --> 00:52:56,160

me to learn

1446

00:53:00,150 --> 00:52:59,440

about this this concept this idea but i

1447

00:53:05,430 --> 00:53:00,160

did

1448

00:53:07,270 --> 00:53:05,440

and that's kind of what i think the

1449

00:53:10,470 --> 00:53:07,280

whole book is is it's

1450

00:53:13,190 --> 00:53:10,480

it's a high level view because

1451

00:53:13,589 --> 00:53:13,200

you know you can make this a 3 000 page

1452

00:53:15,190 --> 00:53:13,599

book

1453

00:53:17,190 --> 00:53:15,200

i mean if you went deep dive on all

1454

00:53:18,790 --> 00:53:17,200

these subjects and uh to me

1455

00:53:20,870 --> 00:53:18,800

i kind of feel like not everyone's ready

1456

00:53:23,349 --> 00:53:20,880

for that level um

1457

00:53:24,630 --> 00:53:23,359

because you know on some in some ways i

1458

00:53:26,790 --> 00:53:24,640

i do want to be

1459

00:53:28,470 --> 00:53:26,800

part of the truth or movement of waking

1460

00:53:30,230 --> 00:53:28,480

up the masses of some of these ideas

1461

00:53:32,549 --> 00:53:30,240

because

1462

00:53:34,390 --> 00:53:32,559

some of these ideas are so there's just

1463

00:53:36,230 --> 00:53:34,400

so much you've got to know

1464

00:53:37,829 --> 00:53:36,240

that most people don't have the time or

1465

00:53:41,990 --> 00:53:37,839

energy for that level

1466

00:53:44,230 --> 00:53:42,000

um but the collins elite

1467

00:53:46,549 --> 00:53:44,240

have to uh oh boy how do we how do we

1468

00:53:48,710 --> 00:53:46,559

start this so you go back in time right

1469

00:53:50,150 --> 00:53:48,720

go back to the 40s where you had all of

1470

00:53:53,270 --> 00:53:50,160

these

1471

00:53:54,870 --> 00:53:53,280

parsons

1472

00:53:56,630 --> 00:53:54,880

and I ron hubbard they were doing these

1473

00:53:59,109 --> 00:53:56,640

rituals out in the desert to

1474

00:54:01,190 --> 00:53:59,119

channel an entity through right the the

1475

00:54:03,030 --> 00:54:01,200

scarlet woman the [h__h] of babylon

1476
00:54:04,309 --> 00:54:03,040
well they were consulting with aleister

1477
00:54:06,150 --> 00:54:04,319
crowley

1478
00:54:07,750 --> 00:54:06,160
for his amalantra working which he was

1479
00:54:09,510 --> 00:54:07,760
the you know he

1480
00:54:11,589 --> 00:54:09,520
pulled lamb the grey alien through with

1481
00:54:13,190 --> 00:54:11,599
this ritual and they said

1482
00:54:14,790 --> 00:54:13,200
you know we're going to use that ritual

1483
00:54:17,190 --> 00:54:14,800
out in the desert

1484
00:54:18,390 --> 00:54:17,200
in 47 they're doing the babylon working

1485
00:54:21,589 --> 00:54:18,400
ritual

1486
00:54:24,470 --> 00:54:21,599
and then boom july roswell

1487
00:54:26,390 --> 00:54:24,480
crash happens and the argument presented

1488
00:54:28,230 --> 00:54:26,400

is that well jack parsons who was the

1489

00:54:31,270 --> 00:54:28,240

sort of prolific

1490

00:54:32,790 --> 00:54:31,280

scientist occultist was opening up

1491

00:54:33,589 --> 00:54:32,800

portals everywhere and even aleister

1492

00:54:36,230 --> 00:54:33,599

crowley

1493

00:54:38,150 --> 00:54:36,240

he didn't like jack parsons that much

1494

00:54:40,630 --> 00:54:38,160

even though parsons was running

1495

00:54:41,430 --> 00:54:40,640

agape lodges for his religion felima and

1496

00:54:43,349 --> 00:54:41,440

all this stuff

1497

00:54:45,349 --> 00:54:43,359

but he kind of thought he was an idiot

1498

00:54:46,870 --> 00:54:45,359

and as per the letters going back and

1499

00:54:50,150 --> 00:54:46,880

forth

1500

00:54:50,950 --> 00:54:50,160

and um jack parsons he was opening up

1501
00:54:52,549 --> 00:54:50,960
portals

1502
00:54:54,150 --> 00:54:52,559
crowley was like this idiot doesn't know

1503
00:54:56,309 --> 00:54:54,160
what he's doing he's not even shutting

1504
00:54:59,030 --> 00:54:56,319
the portals down

1505
00:55:01,510 --> 00:54:59,040
and you've got the u.s government who

1506
00:55:03,750 --> 00:55:01,520
gets involved obviously with roswell

1507
00:55:04,870 --> 00:55:03,760
and then they get project blue book

1508
00:55:07,910 --> 00:55:04,880
where they start officially

1509
00:55:09,270 --> 00:55:07,920
investigating ufos right after roswell

1510
00:55:10,309 --> 00:55:09,280
even though they told everyone like oh

1511
00:55:11,910 --> 00:55:10,319
no it's just the weather balloon

1512
00:55:14,390 --> 00:55:11,920
everything's fine

1513
00:55:15,510 --> 00:55:14,400

so so this all happens in the late 40s

1514

00:55:18,950 --> 00:55:15,520

right

1515

00:55:20,309 --> 00:55:18,960

well the the the pentagon or

1516

00:55:21,910 --> 00:55:20,319

i'm going to say the pentagon is an

1517

00:55:24,150 --> 00:55:21,920

umbrella term i don't know the specific

1518

00:55:27,589 --> 00:55:24,160

unit but we'll just call the pentagon

1519

00:55:31,109 --> 00:55:27,599

they um they had a group of u.s

1520

00:55:33,990 --> 00:55:31,119

intelligence sort of insiders grouped up

1521

00:55:34,710 --> 00:55:34,000

and and by the way this comes from i

1522

00:55:36,630 --> 00:55:34,720

don't want to claim

1523

00:55:38,309 --> 00:55:36,640

ownership of this idea nick redfern

1524

00:55:39,670 --> 00:55:38,319

wrote about this in his book called

1525

00:55:42,230 --> 00:55:39,680

final events

1526
00:55:43,510 --> 00:55:42,240
about ten years ago uh but depending on

1527
00:55:44,710 --> 00:55:43,520
the they assembled this group to

1528
00:55:46,230 --> 00:55:44,720
research

1529
00:55:49,430 --> 00:55:46,240
what was parsons doing out there in the

1530
00:55:51,190 --> 00:55:49,440
desert how was crowley talking to aliens

1531
00:55:53,190 --> 00:55:51,200
all this ufo called stuff which makes

1532
00:55:56,390 --> 00:55:53,200
sense to me i i agree with this

1533
00:55:59,510 --> 00:55:56,400
this concept because at the same time

1534
00:56:01,109 --> 00:55:59,520
they were doing you know project uh mk

1535
00:56:04,549 --> 00:56:01,119
ultra

1536
00:56:06,870 --> 00:56:04,559
looking at um through stanford research

1537
00:56:08,069 --> 00:56:06,880
institute sri they had like project

1538
00:56:10,309 --> 00:56:08,079

stargate with their

1539

00:56:11,670 --> 00:56:10,319

remote viewing and channeling and the

1540

00:56:13,270 --> 00:56:11,680

men who stare at goats they had all

1541

00:56:14,309 --> 00:56:13,280

these paranormal investigations

1542

00:56:16,870 --> 00:56:14,319

happening so

1543

00:56:18,870 --> 00:56:16,880

to think that the pentagon put together

1544

00:56:21,109 --> 00:56:18,880

a group of folks to investigate

1545

00:56:22,390 --> 00:56:21,119

the paranormal elements of jack parsons

1546

00:56:25,349 --> 00:56:22,400

and crowley like that

1547

00:56:26,069 --> 00:56:25,359

doesn't seem too far off the truth yeah

1548

00:56:29,109 --> 00:56:26,079

well

1549

00:56:31,750 --> 00:56:29,119

they this uh this group

1550

00:56:32,789 --> 00:56:31,760

they were researching the feasibility of

1551
00:56:34,789 --> 00:56:32,799
this like

1552
00:56:35,910 --> 00:56:34,799
is this possible is this real i call

1553
00:56:38,470 --> 00:56:35,920
rituals to

1554
00:56:41,030 --> 00:56:38,480
open up portals to bring demons into our

1555
00:56:44,069 --> 00:56:41,040
world like is that happening right now

1556
00:56:46,950 --> 00:56:44,079
and then the next thing you know in 1952

1557
00:56:47,349 --> 00:56:46,960
jack parsons dies he as the story goes

1558
00:56:52,309 --> 00:56:47,359
he

1559
00:56:53,910 --> 00:56:52,319
i don't know building a some kind of

1560
00:56:58,150 --> 00:56:53,920
chemical thing and it went

1561
00:56:59,829 --> 00:56:58,160
went orion and he died unexpectedly

1562
00:57:01,990 --> 00:56:59,839
some people say he was trying to infuse

1563
00:57:05,109 --> 00:57:02,000

a spirit into a golem

1564

00:57:05,510 --> 00:57:05,119

which is curious because some people say

1565

00:57:09,109 --> 00:57:05,520

that

1566

00:57:12,230 --> 00:57:09,119

aliens are in fact just empty vessels

1567

00:57:15,430 --> 00:57:12,240

that need our souls to uh

1568

00:57:17,589 --> 00:57:15,440

you know exist or whatever so there's

1569

00:57:19,030 --> 00:57:17,599

elements of a spiritual battle

1570

00:57:21,829 --> 00:57:19,040

uh which i get into in the book with

1571

00:57:23,910 --> 00:57:21,839

some some theories and ideas

1572

00:57:24,950 --> 00:57:23,920

really good but the columns elite they

1573

00:57:28,870 --> 00:57:24,960

were

1574

00:57:31,270 --> 00:57:28,880

because they said oh crap

1575

00:57:33,030 --> 00:57:31,280

you know we we think there's some some

1576

00:57:34,710 --> 00:57:33,040

tangibility some some feasibility of

1577

00:57:36,710 --> 00:57:34,720

these ideas that these

1578

00:57:38,150 --> 00:57:36,720

occultist devil worshipers you know

1579

00:57:39,510 --> 00:57:38,160

because jack parsons called himself the

1580

00:57:42,230 --> 00:57:39,520

antichrist

1581

00:57:44,150 --> 00:57:42,240

the the the collins elite said oh man

1582

00:57:44,630 --> 00:57:44,160

these these devil worshipping occultists

1583

00:57:48,150 --> 00:57:44,640

they

1584

00:57:49,510 --> 00:57:48,160

know this guy died before he could close

1585

00:57:51,030 --> 00:57:49,520

anything off

1586

00:57:52,630 --> 00:57:51,040

uh what are we gonna do this is a real

1587

00:57:55,349 --> 00:57:52,640

problem and

1588

00:57:56,950 --> 00:57:55,359

back then they had a very christian

1589

00:57:57,349 --> 00:57:56,960

footing because you know back then there

1590

00:58:00,950 --> 00:57:57,359

was

1591

00:58:04,150 --> 00:58:00,960

masses

1592

00:58:07,109 --> 00:58:04,160

well as the story goes for

1593

00:58:09,030 --> 00:58:07,119

over the the last you know 50 60 years

1594

00:58:11,270 --> 00:58:09,040

this collins elite

1595

00:58:13,829 --> 00:58:11,280

has been the influence and the sort of

1596

00:58:15,750 --> 00:58:13,839

voice of reason in the pentagon about

1597

00:58:17,190 --> 00:58:15,760

how we shouldn't really be dabbling with

1598

00:58:18,870 --> 00:58:17,200

these things because there's some

1599

00:58:21,430 --> 00:58:18,880

there's some truth to this idea that

1600

00:58:21,990 --> 00:58:21,440

we might open up portals to satan and

1601
00:58:24,230 --> 00:58:22,000
the devil

1602
00:58:25,030 --> 00:58:24,240
and demons messing around with this

1603
00:58:26,150 --> 00:58:25,040
stuff

1604
00:58:28,549 --> 00:58:26,160
and they've always sort of been the

1605
00:58:30,789 --> 00:58:28,559
voice of of reason behind

1606
00:58:31,589 --> 00:58:30,799
you know because because the you know

1607
00:58:34,069 --> 00:58:31,599
the pentagon

1608
00:58:34,789 --> 00:58:34,079
department of defense they they would

1609
00:58:36,630 --> 00:58:34,799
want

1610
00:58:39,349 --> 00:58:36,640
any kind of weapon they could use right

1611
00:58:41,030 --> 00:58:39,359
to you know to protect america

1612
00:58:42,950 --> 00:58:41,040
they would they would want to know you

1613
00:58:45,270 --> 00:58:42,960

know can enemy countries

1614

00:58:46,150 --> 00:58:45,280

unlock the you know bring demons through

1615

00:58:49,349 --> 00:58:46,160

portals can

1616

00:58:51,589 --> 00:58:49,359

can we do that to you know i don't know

1617

00:58:53,349 --> 00:58:51,599

maybe maybe time slip over to another

1618

00:58:54,390 --> 00:58:53,359

country unannounced you know all these

1619

00:58:57,109 --> 00:58:54,400

ideas

1620

00:58:58,630 --> 00:58:57,119

could we weaponize this basically and

1621

00:58:59,270 --> 00:58:58,640

the kansas league's like no no don't do

1622

00:59:00,470 --> 00:58:59,280

that this

1623

00:59:02,950 --> 00:59:00,480

is bad you got demons and they're going

1624

00:59:06,390 --> 00:59:02,960

to come through well

1625

00:59:09,430 --> 00:59:06,400

as per the actual interviews from

1626

00:59:11,589 --> 00:59:09,440

like luis elizondo the guy who is you

1627

00:59:13,829 --> 00:59:11,599

know working with to the stars academy

1628

00:59:15,670 --> 00:59:13,839

he says oh i was working at you know

1629

00:59:18,150 --> 00:59:15,680

this program where we were researching

1630

00:59:19,589 --> 00:59:18,160

ufos in the pentagon i was the program

1631

00:59:23,589 --> 00:59:19,599

director for that

1632

00:59:25,990 --> 00:59:23,599

he he said in interviews that well

1633

00:59:26,630 --> 00:59:26,000

because people ask him all the time why

1634

00:59:29,109 --> 00:59:26,640

why now

1635

00:59:31,190 --> 00:59:29,119

why are is the navy acknowledging these

1636

00:59:33,190 --> 00:59:31,200

ufos are real why is the pentagon

1637

00:59:34,549 --> 00:59:33,200

coming out and saying basically ufos are

1638

00:59:36,150 --> 00:59:34,559

real and we've got these materials and

1639

00:59:39,270 --> 00:59:36,160

we don't know anything about it

1640

00:59:40,309 --> 00:59:39,280

and he said that well you see what

1641

00:59:43,349 --> 00:59:40,319

happened was

1642

00:59:46,549 --> 00:59:43,359

we used to have these these christians

1643

00:59:47,589 --> 00:59:46,559

in the pentagon and they've uh they've

1644

00:59:49,670 --> 00:59:47,599

been ones

1645

00:59:51,109 --> 00:59:49,680

they've been holding back progress

1646

00:59:52,230 --> 00:59:51,119

because they think that they're gonna

1647

00:59:54,710 --> 00:59:52,240

let the devil in

1648

00:59:56,309 --> 00:59:54,720

by messing with this stuff and he

1649

00:59:59,109 --> 00:59:56,319

implies that

1650

00:59:59,510 --> 00:59:59,119

they've been sort of dying off almost um

1651
01:00:01,750 --> 00:59:59,520
yeah

1652
01:00:03,990 --> 01:00:01,760
or their opinions have mattered less and

1653
01:00:06,789 --> 01:00:04,000
less something to that effect

1654
01:00:08,789 --> 01:00:06,799
and their influence is has decreased

1655
01:00:11,270 --> 01:00:08,799
over the years and now

1656
01:00:13,109 --> 01:00:11,280
we have decided we're gonna we're gonna

1657
01:00:15,670 --> 01:00:13,119
go all in on this thing

1658
01:00:17,750 --> 01:00:15,680
and you know that's that's the that's

1659
01:00:19,270 --> 01:00:17,760
the pervasive attitude among the masses

1660
01:00:19,990 --> 01:00:19,280
right now because we've been influenced

1661
01:00:22,549 --> 01:00:20,000
by

1662
01:00:23,589 --> 01:00:22,559
entertainment to think that the occult

1663
01:00:26,390 --> 01:00:23,599

is something

1664

01:00:26,950 --> 01:00:26,400

cool or revered or the actual proper

1665

01:00:30,309 --> 01:00:26,960

truth

1666

01:00:33,829 --> 01:00:32,230

yeah man what happened like jesus is

1667

01:00:34,549 --> 01:00:33,839

just all right with me that's all

1668

01:00:37,829 --> 01:00:34,559

changed

1669

01:00:39,349 --> 01:00:37,839

but i want to get into um i

1670

01:00:41,910 --> 01:00:39,359

first of all thank you because you're

1671

01:00:44,630 --> 01:00:41,920

like the oracle on demand my go-to

1672

01:00:47,670 --> 01:00:44,640

nostradamus giving a serious

1673

01:00:50,069 --> 01:00:47,680

genius on the occult adrenochrome death

1674

01:00:51,750 --> 01:00:50,079

cults the new age agenda and disclosure

1675

01:00:54,870 --> 01:00:51,760

through hollywood symbolism

1676

01:00:56,630 --> 01:00:54,880

it's it's fans it's just fantastic stuff

1677

01:00:57,270 --> 01:00:56,640

and i'm all signed up and i'm ready to

1678

01:00:59,829 --> 01:00:57,280

tear up

1679

01:01:01,670 --> 01:00:59,839

where can our listeners sign up and uh

1680

01:01:03,990 --> 01:01:01,680

learn more about klaus and your series

1681

01:01:06,710 --> 01:01:04,000

on the great reset and so much more

1682

01:01:08,470 --> 01:01:06,720

oh definitely yeah thank you um so i

1683

01:01:10,950 --> 01:01:08,480

i've kind of got different

1684

01:01:12,549 --> 01:01:10,960

avenues set up for based upon how much

1685

01:01:13,990 --> 01:01:12,559

commitment the listener wants to get

1686

01:01:16,630 --> 01:01:14,000

into if they want to

1687

01:01:18,870 --> 01:01:16,640

uh you know dabble at first you can go

1688

01:01:21,109 --> 01:01:18,880

to illuminatiwatcher.com

1689

01:01:21,910 --> 01:01:21,119

and you can sign up for my email

1690

01:01:23,829 --> 01:01:21,920

newsletter

1691

01:01:25,510 --> 01:01:23,839

and that'll give you i'll give you my

1692

01:01:27,589 --> 01:01:25,520

first book for free

1693

01:01:29,750 --> 01:01:27,599

uh just sign up for the email on the

1694

01:01:32,069 --> 01:01:29,760

start here tab

1695

01:01:32,789 --> 01:01:32,079

then if they're ready to go a little

1696

01:01:34,829 --> 01:01:32,799

deeper

1697

01:01:36,230 --> 01:01:34,839

they can go sign up at patreon go to

1698

01:01:38,390 --> 01:01:36,240

patreon.com

1699

01:01:40,549 --> 01:01:38,400

illuminati watcher where you'll get all

1700

01:01:41,510 --> 01:01:40,559

the bonus episodes of the podcast you'll

1701

01:01:44,950 --> 01:01:41,520

get

1702

01:01:46,470 --> 01:01:44,960

kubrick's code where we talk about

1703

01:01:49,430 --> 01:01:46,480

stanley kubrick movies

1704

01:01:50,870 --> 01:01:49,440

you'll get the dark path which is sort

1705

01:01:51,990 --> 01:01:50,880

of a comprehensive understanding that's

1706

01:01:53,750 --> 01:01:52,000

like my best seller

1707

01:01:55,829 --> 01:01:53,760

that explains the whole thing from start

1708

01:01:57,510 --> 01:01:55,839

to finish and

1709

01:01:59,190 --> 01:01:57,520

um yeah you'll get all the bonus shows

1710

01:02:02,309 --> 01:01:59,200

there and then i've also got

1711

01:02:05,349 --> 01:02:02,319

a second podcast i do on rockfin

1712

01:02:08,789 --> 01:02:05,359

to go to rockfin.com creator

1713

01:02:09,990 --> 01:02:08,799

slash isaac you get all the conspiracies

1714

01:02:12,309 --> 01:02:10,000

podcast stuff

1715

01:02:13,910 --> 01:02:12,319

and then you get access to my second

1716

01:02:15,589 --> 01:02:13,920

podcast i do

1717

01:02:16,870 --> 01:02:15,599

called inside the mind of a conspiracy

1718

01:02:17,910 --> 01:02:16,880

theorist where we go kind of behind the

1719

01:02:20,789 --> 01:02:17,920

scenes on

1720

01:02:22,630 --> 01:02:20,799

on what it is to run this sort of

1721

01:02:25,029 --> 01:02:22,640

venture of podcasting or writing books

1722

01:02:27,829 --> 01:02:25,039

and all that stuff

1723

01:02:28,230 --> 01:02:27,839

so cool it's great it's such a great

1724

01:02:30,549 --> 01:02:28,240

thing

1725

01:02:31,750 --> 01:02:30,559

and congratulations on your new book i

1726

01:02:34,230 --> 01:02:31,760

have a feeling that

1727

01:02:35,910 --> 01:02:34,240

uh the second book will also be in the

1728

01:02:38,470 --> 01:02:35,920

number one spot man and

1729

01:02:39,190 --> 01:02:38,480

i can't wait to talk again and talk more

1730

01:02:40,870 --> 01:02:39,200

uh

1731

01:02:44,309 --> 01:02:40,880

good luck through the holidays and i i

1732

01:02:46,150 --> 01:02:44,319

hope the apocalypse treats you well

1733

01:02:47,589 --> 01:02:46,160

right on thank you man i appreciate it

1734

01:02:49,029 --> 01:02:47,599

good good talking to you and uh

1735

01:02:50,069 --> 01:02:49,039

i'm sure i'll i'm sure i'll be talking

1736

01:02:51,430 --> 01:02:50,079

to you next year when the other book

1737

01:02:54,710 --> 01:02:51,440

comes out

1738

01:02:57,270 --> 01:02:54,720

there it is the amazing isaac

1739

01:02:58,950 --> 01:02:57,280

weissop illuminati watcher for those who

1740

01:03:00,069 --> 01:02:58,960

want to sign up and it's definitely

1741

01:03:03,190 --> 01:03:00,079

worth it

1742

01:03:05,829 --> 01:03:03,200

he uh goes into just about everything

1743

01:03:07,990 --> 01:03:05,839

more than entertainment right there got

1744

01:03:11,270 --> 01:03:08,000

more than your money's worth didn't you

1745

01:03:12,549 --> 01:03:11,280

eh if you didn't think so keep listening

1746

01:03:14,870 --> 01:03:12,559

to the free versions

1747

01:03:16,789 --> 01:03:14,880

they will still rock the socks off a

1748

01:03:20,390 --> 01:03:16,799

cheeto eating cheetah

1749

01:03:23,430 --> 01:03:20,400

but for the rest of you sign up for

1750

01:03:25,029 --> 01:03:23,440

eight bucks a month the cost of a large

1751

01:03:27,390 --> 01:03:25,039

cup of coffee

1752

01:03:28,870 --> 01:03:27,400

and you just do that at

1753

01:03:31,510 --> 01:03:28,880

heroparanormal.com

1754

01:03:33,510 --> 01:03:31,520

and you can cancel at any time you get a

1755

01:03:36,870 --> 01:03:33,520

hum dinger of a wheelbarrow full

1756

01:03:39,109 --> 01:03:36,880

of conspiracy goodness ufo occult crypto

1757

01:03:41,109 --> 01:03:39,119

and paranormal tastiness

1758

01:03:42,309 --> 01:03:41,119

just do it you won't regret it until

1759

01:03:44,309 --> 01:03:42,319

next time

1760

01:03:45,750 --> 01:03:44,319

keep your eyes to the skies feet on the

1761

01:03:58,010 --> 01:03:45,760

ground but don't forget

1762

01:04:04,309 --> 01:03:58,020

to take a look around

1763

01:04:07,190 --> 01:04:04,319

[Music]

1764

01:04:10,309 --> 01:04:07,200

come blast off in my time machine third

1765

01:04:14,390 --> 01:04:10,319

eye feeling like an evil zoom blast off

1766

01:04:17,349 --> 01:04:14,400

blast off blast off glassed off

1767

01:04:17,589 --> 01:04:17,359

come blast off in my time machine third

1768

01:04:20,230 --> 01:04:17,599

eye

1769

01:04:21,430 --> 01:04:20,240

feeling like an eviction passed out

1770

01:04:26,870 --> 01:04:21,440

blast off

1771

01:04:40,610 --> 01:04:26,880

time machine

1772

01:05:07,829 --> 01:04:40,620

third eye feeling passed off
