

# HERO

PARANORMAL

**Demons, Voodoo, Exorcisms, Ghosts,  
and Aliens**

**SHAUN BURRIS**

1  
00:00:10,020 --> 00:00:14,910  
[Music]

2  
00:00:29,890 --> 00:00:16,190  
hey

3  
00:00:29,900 --> 00:00:37,910  
[Music]

4  
00:00:44,389 --> 00:00:41,110  
blast off on another episode

5  
00:00:47,190 --> 00:00:44,399  
of hero paranormal broadcasting

6  
00:00:47,830 --> 00:00:47,200  
from the base at la madre mountain just

7  
00:00:51,590 --> 00:00:47,840  
south of

8  
00:00:54,869 --> 00:00:51,600  
area 51 my name is ryan the original

9  
00:00:58,150 --> 00:00:54,879  
outlaw of the airwaves bringing you

10  
00:01:02,069 --> 00:00:58,160  
a dark eerie and shadowy

11  
00:01:02,950 --> 00:01:02,079  
episode today today's episode is a very

12  
00:01:06,310 --> 00:01:02,960  
special one

13  
00:01:09,750 --> 00:01:06,320

the very first podcast i was ever on

14

00:01:12,870 --> 00:01:09,760

was the shadow nation podcast

15

00:01:16,070 --> 00:01:12,880

this was many years ago but it still

16

00:01:17,030 --> 00:01:16,080

feels like yesterday sean burris is our

17

00:01:20,630 --> 00:01:17,040

guest today

18

00:01:22,070 --> 00:01:20,640

the king of shadow nation sean burris is

19

00:01:25,429 --> 00:01:22,080

producer co-host

20

00:01:28,310 --> 00:01:25,439

of award-winning shadow nation podcast

21

00:01:29,190 --> 00:01:28,320

also star and co-host of a e's extreme

22

00:01:32,469 --> 00:01:29,200

pera

23

00:01:35,350 --> 00:01:32,479

shadow nation podcast is a blast

24

00:01:36,310 --> 00:01:35,360

and sean delves into some pretty cool

25

00:01:38,390 --> 00:01:36,320

stuff

26

00:01:40,230 --> 00:01:38,400

much of which we are going to try to

27

00:01:43,429 --> 00:01:40,240

discuss today

28

00:01:45,190 --> 00:01:43,439

sean gets the very best guests

29

00:01:46,550 --> 00:01:45,200

in the business whether that's

30

00:01:50,069 --> 00:01:46,560

researchers

31

00:01:51,109 --> 00:01:50,079

hollywood or experiencers secretly i'm

32

00:01:54,149 --> 00:01:51,119

super jealous

33

00:01:56,389 --> 00:01:54,159

of the lineup any given month or two

34

00:01:58,310 --> 00:01:56,399

truly great stuff a few of shadow

35

00:02:00,709 --> 00:01:58,320

nation's podcasts that have stuck in my

36

00:02:03,590 --> 00:02:00,719

mind over the years are the dybbic bach

37

00:02:06,230 --> 00:02:03,600

episode uh a few of the halloween

38

00:02:07,749 --> 00:02:06,240

episodes the exorcist podcast and that's

39

00:02:11,430 --> 00:02:07,759

just to name a few

40

00:02:12,309 --> 00:02:11,440

the master podcaster magician of his

41

00:02:15,589 --> 00:02:12,319

craft

42

00:02:16,470 --> 00:02:15,599

tackling ghosts and demons one episode

43

00:02:18,390 --> 00:02:16,480

at a time

44

00:02:20,510 --> 00:02:18,400

sean burris welcome to the hero

45

00:02:22,869 --> 00:02:20,520

paranormal podcast

46

00:02:24,949 --> 00:02:22,879

abracadabra brother what a good intro

47

00:02:27,910 --> 00:02:24,959

i'm not sure i deserve it but uh i'll

48

00:02:31,350 --> 00:02:30,070

you totally deserve it oh my gosh you

49

00:02:34,070 --> 00:02:31,360

totally deserve it you

50

00:02:36,150 --> 00:02:34,080

uh i was you know i was thinking back i

51  
00:02:38,550 --> 00:02:36,160  
don't know how many years it's been

52  
00:02:40,470 --> 00:02:38,560  
it was about uh the uintah basin high

53  
00:02:43,110 --> 00:02:40,480  
strangeness and i remember

54  
00:02:44,070 --> 00:02:43,120  
um us talking and it was it was a pretty

55  
00:02:46,150 --> 00:02:44,080  
fun time

56  
00:02:47,190 --> 00:02:46,160  
since then i've kind of secretly been

57  
00:02:48,869 --> 00:02:47,200  
hiding in the

58  
00:02:50,869 --> 00:02:48,879  
recesses and listening to all your

59  
00:02:52,630 --> 00:02:50,879  
podcasts and it's pretty good stuff

60  
00:02:54,949 --> 00:02:52,640  
i was hoping we could discuss a few of

61  
00:02:57,270 --> 00:02:54,959  
them absolutely ryan

62  
00:02:58,869 --> 00:02:57,280  
we go way back brother if you remember

63  
00:03:02,149 --> 00:02:58,879

it's probably been six or seven

64

00:03:03,830 --> 00:03:02,159  
years ago uh maybe further that i first

65

00:03:05,190 --> 00:03:03,840  
had you on the shadow nation it was way

66

00:03:06,869 --> 00:03:05,200  
back when it was called the ghost men

67

00:03:10,149 --> 00:03:06,879  
and demon hunter show

68

00:03:12,149 --> 00:03:10,159  
and uh we had you on i was

69

00:03:13,509 --> 00:03:12,159  
always been fascinated by skinwalker

70

00:03:15,030 --> 00:03:13,519  
ranch and you came out with the book

71

00:03:16,869 --> 00:03:15,040  
skimwalker and beyond

72

00:03:18,550 --> 00:03:16,879  
i was fascinated i read it what an

73

00:03:20,390 --> 00:03:18,560  
amazing author you are

74

00:03:22,390 --> 00:03:20,400  
and i had you on the show and you've

75

00:03:24,789 --> 00:03:22,400  
been a fan favorite ever since

76

00:03:26,630 --> 00:03:24,799

for all our up-to-date men in black

77

00:03:28,470 --> 00:03:26,640

behind the scenes stuff so it's always

78

00:03:29,990 --> 00:03:28,480

it's always worked out it always crashes

79

00:03:32,390 --> 00:03:30,000

the servers when you come on

80

00:03:33,830 --> 00:03:32,400

so definitely a partnership made in

81

00:03:35,509 --> 00:03:33,840

heaven

82

00:03:37,430 --> 00:03:35,519

oh i know i don't deserve that but it

83

00:03:37,830 --> 00:03:37,440

was definitely it's so true that it's

84

00:03:39,910 --> 00:03:37,840

like

85

00:03:41,990 --> 00:03:39,920

uh a lot of the same topics that you

86

00:03:45,190 --> 00:03:42,000

discuss in your podcast

87

00:03:48,229 --> 00:03:45,200

are things that i just i i'm just i'm

88

00:03:52,309 --> 00:03:50,390

yeah absolutely and you know it's been

89

00:03:56,070 --> 00:03:52,319

such a long ride i've been on the air

90

00:04:00,149 --> 00:03:56,080

14 years now with the shadow nation

91

00:04:03,750 --> 00:04:00,159

it's been 14 years i'm doing my own uh

92

00:04:05,350 --> 00:04:03,760

solo episodes now uh so each week we

93

00:04:07,190 --> 00:04:05,360

have a guest it's been a while i've been

94

00:04:08,229 --> 00:04:07,200

revamping the system getting everything

95

00:04:10,550 --> 00:04:08,239

ready for the new

96

00:04:11,910 --> 00:04:10,560

year which uh had some things come up so

97

00:04:12,710 --> 00:04:11,920

it's getting pushed back a little bit

98

00:04:15,270 --> 00:04:12,720

more but

99

00:04:17,270 --> 00:04:15,280

rest assured we'll be back with uh all

100

00:04:18,469 --> 00:04:17,280

new hollywood horror stars

101

00:04:21,030 --> 00:04:18,479

and the best in the field of the

102

00:04:21,830 --> 00:04:21,040

paranormal and i can't stay away man

103

00:04:24,870 --> 00:04:21,840

it's like

104

00:04:26,629 --> 00:04:24,880

a drug addiction you gotta have it and

105

00:04:28,629 --> 00:04:26,639

uh just being here talking with you gets

106

00:04:30,150 --> 00:04:28,639

me going again i love being in front of

107

00:04:32,150 --> 00:04:30,160

this is my sanctuary

108

00:04:33,270 --> 00:04:32,160

in front of the microphone talking to

109

00:04:36,390 --> 00:04:33,280

you this is it

110

00:04:39,189 --> 00:04:36,400

this is my sanctuary yeah man and

111

00:04:39,830 --> 00:04:39,199

you know what i i you're so good at what

112

00:04:43,030 --> 00:04:39,840

you do

113

00:04:45,909 --> 00:04:43,040

and um you're you're a great guy and

114

00:04:47,590 --> 00:04:45,919

the the episodes my gosh some of your

115

00:04:48,070 --> 00:04:47,600

halloween episodes from the past i was

116

00:04:51,189 --> 00:04:48,080

going

117

00:04:51,990 --> 00:04:51,199

through them this past october and they

118

00:04:54,790 --> 00:04:52,000

are just

119

00:04:56,070 --> 00:04:54,800

epic i i have to bring up i just have to

120

00:04:59,350 --> 00:04:56,080

bring up uh

121

00:05:01,430 --> 00:04:59,360

the dybbuk box oh yeah

122

00:05:03,029 --> 00:05:01,440

yeah you know ryan that's funny until

123

00:05:06,390 --> 00:05:03,039

the dybbuk box i never

124

00:05:08,469 --> 00:05:06,400

knew that the paranormal could affect us

125

00:05:09,990 --> 00:05:08,479

i mean i had heard stories but i never

126

00:05:12,390 --> 00:05:10,000

knew that the paranormal could affect us

127

00:05:15,510 --> 00:05:12,400

through airwaves through electronics

128

00:05:17,749 --> 00:05:15,520

um i never felt the impact of that i had

129

00:05:19,909 --> 00:05:17,759

heard the stories yada yada yada people

130

00:05:20,230 --> 00:05:19,919

say yeah man the phone interferes with

131

00:05:22,150 --> 00:05:20,240

us

132

00:05:26,390 --> 00:05:22,160

and you know things have even happened

133

00:05:28,150 --> 00:05:26,400

to me but i got a hold of i was watching

134

00:05:30,150 --> 00:05:28,160

you know the divik box i mean you'd

135

00:05:31,590 --> 00:05:30,160

heard about that if you're american

136

00:05:33,670 --> 00:05:31,600

you'd heard about it

137

00:05:34,790 --> 00:05:33,680

and if you're into this occult stuff and

138

00:05:38,230 --> 00:05:34,800

everything

139

00:05:39,110 --> 00:05:38,240

uh it'd been talked about on uh unsolved

140

00:05:41,909 --> 00:05:39,120

mysteries

141

00:05:42,390 --> 00:05:41,919

the haunting series and stuff like that

142

00:05:45,749 --> 00:05:42,400

and

143

00:05:49,110 --> 00:05:45,759

artifact or it

144

00:05:51,189 --> 00:05:49,120

is supposedly and

145

00:05:53,510 --> 00:05:51,199

well i'd say supposedly but definitely

146

00:05:54,469 --> 00:05:53,520

is i tracked down the owner which was

147

00:05:56,550 --> 00:05:54,479

hard as heck

148

00:05:59,270 --> 00:05:56,560

to get him on the show finally got a

149

00:06:01,990 --> 00:05:59,280

hold of him and i had him come on

150

00:06:02,390 --> 00:06:02,000

and in the green room right before the

151  
00:06:04,550 --> 00:06:02,400  
show

152  
00:06:05,990 --> 00:06:04,560  
he was talking to me and i'm having him

153  
00:06:07,749 --> 00:06:06,000  
you know going over

154  
00:06:09,350 --> 00:06:07,759  
you know how it is with the pog you go

155  
00:06:10,790 --> 00:06:09,360  
over some of the questions did you talk

156  
00:06:12,629 --> 00:06:10,800  
about what's going to come up on the

157  
00:06:14,870 --> 00:06:12,639  
show and what's slated for

158  
00:06:16,550 --> 00:06:14,880  
for the segment so i was going over that

159  
00:06:17,590 --> 00:06:16,560  
with him and he kept saying now i got to

160  
00:06:20,950 --> 00:06:17,600  
tell you

161  
00:06:23,510 --> 00:06:20,960  
i've been on several shows where things

162  
00:06:25,270 --> 00:06:23,520  
happen i bring the divic box and things

163  
00:06:28,550 --> 00:06:25,280

happen especially with

164

00:06:30,390 --> 00:06:28,560

electronics so you know he said get

165

00:06:32,469 --> 00:06:30,400

ready you have a backup computer

166

00:06:34,950 --> 00:06:32,479

you have it yeah yeah yeah yeah we got

167

00:06:37,029 --> 00:06:34,960

it man it's all good we'll be fine you

168

00:06:38,629 --> 00:06:37,039

know i done test on the sound it was

169

00:06:42,710 --> 00:06:38,639

doing terrific

170

00:06:45,270 --> 00:06:42,720

and i would say within 20 minutes

171

00:06:46,070 --> 00:06:45,280

we went from a perfect sounding show to

172

00:06:49,029 --> 00:06:46,080

just

173

00:06:50,070 --> 00:06:49,039

chaos i mean it collapsed man static on

174

00:06:52,870 --> 00:06:50,080

the air

175

00:06:54,710 --> 00:06:52,880

only when he would respond to questions

176  
00:06:55,270 --> 00:06:54,720  
that i was asking him about the divot

177  
00:06:57,510 --> 00:06:55,280  
box

178  
00:06:59,350 --> 00:06:57,520  
ryan i could ask him about how's the

179  
00:07:00,390 --> 00:06:59,360  
weather where you're at and it would be

180  
00:07:02,469 --> 00:07:00,400  
crystal clear

181  
00:07:04,230 --> 00:07:02,479  
and then i brought up a question about

182  
00:07:06,710 --> 00:07:04,240  
the holocaust and the link

183  
00:07:08,150 --> 00:07:06,720  
between that and the dybbuk box the

184  
00:07:09,830 --> 00:07:08,160  
history of it

185  
00:07:11,749 --> 00:07:09,840  
and when he went to respond it was

186  
00:07:13,589 --> 00:07:11,759  
nothing but static 100

187  
00:07:15,589 --> 00:07:13,599  
then the moment he said his last word it

188  
00:07:18,230 --> 00:07:15,599

would be crystal clear again

189

00:07:20,469 --> 00:07:18,240

and that was just to start the night so

190

00:07:23,990 --> 00:07:20,479

i never really knew

191

00:07:26,870 --> 00:07:24,000

uh that this stuff we podcasting's

192

00:07:30,870 --> 00:07:29,909

oh yeah yeah it's very real it's very

193

00:07:35,990 --> 00:07:30,880

very real

194

00:07:37,350 --> 00:07:36,000

you i mean you tracked down the owner of

195

00:07:40,309 --> 00:07:37,360

the dybbuk box

196

00:07:41,110 --> 00:07:40,319

he dealt you delved deeply my man and

197

00:07:43,110 --> 00:07:41,120

i'm super

198

00:07:45,110 --> 00:07:43,120

gr glad that you brought up the ghost in

199

00:07:45,589 --> 00:07:45,120

the machine type paranormal activity

200

00:07:49,110 --> 00:07:45,599

because

201

00:07:51,990 --> 00:07:49,120

you got hit pretty hard at home

202

00:07:55,189 --> 00:07:52,000

yes i did and the uh the static on the

203

00:07:57,510 --> 00:07:55,199

air was just the tip of the iceberg man

204

00:07:59,430 --> 00:07:57,520

by the time we went to our first break

205

00:08:00,710 --> 00:07:59,440

because at that time i was doing shows

206

00:08:03,749 --> 00:08:00,720

with nathan schoonover

207

00:08:05,589 --> 00:08:03,759

that was my co-host and we went to break

208

00:08:07,670 --> 00:08:05,599

we're scrambling to try to fix this

209

00:08:10,950 --> 00:08:07,680

switching channels everything else

210

00:08:12,950 --> 00:08:10,960

and it's clear we're doing this we tried

211

00:08:15,749 --> 00:08:12,960

to do commercial breaks for a while so

212

00:08:16,710 --> 00:08:15,759

we would have a bumper to go to

213

00:08:18,309 --> 00:08:16,720

something if

214

00:08:20,550 --> 00:08:18,319

you know something happened during the

215

00:08:22,150 --> 00:08:20,560

show to go away from so

216

00:08:24,070 --> 00:08:22,160

we were doing that trying to fix it

217

00:08:24,550 --> 00:08:24,080

there was no problem everything was

218

00:08:27,029 --> 00:08:24,560

clear

219

00:08:29,589 --> 00:08:27,039

when we were on pause and we were

220

00:08:33,029 --> 00:08:29,599

waiting for the commercial to play

221

00:08:35,509 --> 00:08:33,039

and then right after that we come back

222

00:08:37,589 --> 00:08:35,519

on everything's fine i started asking

223

00:08:39,029 --> 00:08:37,599

jason haxton which was the owner of the

224

00:08:41,029 --> 00:08:39,039

divik box

225

00:08:42,630 --> 00:08:41,039

so jason you know you're in the medical

226

00:08:44,070 --> 00:08:42,640

field you're a curator at a medical

227

00:08:47,030 --> 00:08:44,080

museum in missouri

228

00:08:48,150 --> 00:08:47,040

uh how did you come by the dybbuk box

229

00:08:50,070 --> 00:08:48,160

how did how did you come

230

00:08:52,630 --> 00:08:50,080

stumble upon it and and he'll start

231

00:08:55,190 --> 00:08:52,640

answering and as soon as he did

232

00:08:56,790 --> 00:08:55,200

the the chaos ensued again man it was

233

00:08:58,230 --> 00:08:56,800

crazy you couldn't hear anything and

234

00:09:03,190 --> 00:08:58,240

then

235

00:09:05,430 --> 00:09:03,200

start hearing a knock

236

00:09:07,110 --> 00:09:05,440

now downstairs in the studio used to be

237

00:09:09,670 --> 00:09:07,120

at this old

238

00:09:12,150 --> 00:09:09,680

building that we used and there was two

239

00:09:15,430 --> 00:09:12,160

rooms two studios side by side

240

00:09:17,670 --> 00:09:15,440

the studio next to ours always set

241

00:09:18,710 --> 00:09:17,680

empty there was nothing in it nobody had

242

00:09:22,150 --> 00:09:18,720

rented the space

243

00:09:22,710 --> 00:09:22,160

it always said empty and we started

244

00:09:26,150 --> 00:09:22,720

hearing

245

00:09:27,910 --> 00:09:26,160

a knocking on the wall behind us

246

00:09:30,310 --> 00:09:27,920

nothing big just sounded like but there

247

00:09:32,630 --> 00:09:30,320

was nobody else in the building

248

00:09:34,630 --> 00:09:32,640

so it was like a little peck and then it

249

00:09:36,550 --> 00:09:34,640

became a full-fledged somebody knocking

250

00:09:38,310 --> 00:09:36,560

on the wall with their fist

251

00:09:40,070 --> 00:09:38,320

so we went to another commercial break i

252

00:09:40,870 --> 00:09:40,080

got up went check the room when i opened

253

00:09:43,030 --> 00:09:40,880

the door

254

00:09:43,990 --> 00:09:43,040

nothing shadows there was nothing in

255

00:09:45,829 --> 00:09:44,000

there

256

00:09:47,110 --> 00:09:45,839

now that's a huge problem you know if

257

00:09:48,550 --> 00:09:47,120

somebody's banging on the door and

258

00:09:50,230 --> 00:09:48,560

you're broadcasting

259

00:09:52,310 --> 00:09:50,240

how are you supposed and you can even

260

00:09:55,269 --> 00:09:52,320

hear that if you go back and you listen

261

00:09:57,590 --> 00:09:55,279

to the archives you can hear the banging

262

00:09:59,829 --> 00:09:57,600

coming from the other room while i'm

263

00:10:01,430 --> 00:09:59,839

interviewing this cat

264

00:10:03,509 --> 00:10:01,440

and that was just that was just the

265

00:10:06,310 --> 00:10:03,519

beginning after that

266

00:10:08,150 --> 00:10:06,320

i was going upstairs i seen a shadow

267

00:10:10,630 --> 00:10:08,160

pass me on the stairs

268

00:10:12,230 --> 00:10:10,640

it wasn't like some big you know ghost

269

00:10:14,150 --> 00:10:12,240

guy pushed me down the stairs i just

270

00:10:16,389 --> 00:10:14,160

seen a shadow pass me in the hall

271

00:10:19,030 --> 00:10:16,399

i rubbed my eyes and said that you know

272

00:10:21,750 --> 00:10:19,040

maybe too much podcasting for the night

273

00:10:22,550 --> 00:10:21,760

but we ended up having to end that

274

00:10:24,389 --> 00:10:22,560

interview

275

00:10:26,150 --> 00:10:24,399

and he apologized said you know what

276

00:10:27,030 --> 00:10:26,160

sean i'm sorry i told you this kind of

277

00:10:28,790 --> 00:10:27,040

stuff happens

278

00:10:30,550 --> 00:10:28,800

and and i said that's okay jason you

279

00:10:33,990 --> 00:10:30,560

know we'll get you back on

280

00:10:36,230 --> 00:10:34,000

uh whatever well while i'm doing this

281

00:10:38,150 --> 00:10:36,240

nathan the co-host at the time was

282

00:10:39,750 --> 00:10:38,160

telling me bro i gotta go he's sending

283

00:10:42,470 --> 00:10:39,760

me messages i gotta go

284

00:10:44,389 --> 00:10:42,480

i gotta get off the air so i went ahead

285

00:10:45,990 --> 00:10:44,399

and i wrapped it up well afterwards i'm

286

00:10:48,069 --> 00:10:46,000

talking to nathan he pulls up

287

00:10:49,190 --> 00:10:48,079

his shirt and he has black and blue

288

00:10:52,310 --> 00:10:49,200

marks that just

289

00:10:54,790 --> 00:10:52,320

formed all over his back like

290

00:10:56,389 --> 00:10:54,800

like in the size of little fist that had

291

00:10:57,350 --> 00:10:56,399

been punched him all over his back he

292

00:10:59,670 --> 00:10:57,360

must have had

293

00:11:01,190 --> 00:10:59,680

eight of them now these things just

294

00:11:04,389 --> 00:11:01,200

appeared ryan

295

00:11:07,670 --> 00:11:04,399

during the show and that's

296

00:11:09,990 --> 00:11:07,680

when it all went to hell

297

00:11:11,670 --> 00:11:10,000

i told him right away i said hey nate

298

00:11:13,750 --> 00:11:11,680

take pictures of it

299

00:11:15,110 --> 00:11:13,760

let's not say it's paranormal i mean at

300

00:11:16,069 --> 00:11:15,120

that time i thought maybe he had a

301  
00:11:17,750 --> 00:11:16,079  
reaction to

302  
00:11:19,750 --> 00:11:17,760  
a laundry detergent or something you

303  
00:11:22,470 --> 00:11:19,760  
know what i mean

304  
00:11:24,790 --> 00:11:22,480  
so i told him to take pictures of it

305  
00:11:25,829 --> 00:11:24,800  
let's post it on the website and let the

306  
00:11:29,430 --> 00:11:25,839  
fans

307  
00:11:32,310 --> 00:11:29,440  
decide what they want to decide

308  
00:11:33,509 --> 00:11:32,320  
so about a day day and a half passed and

309  
00:11:36,630 --> 00:11:33,519  
all of a sudden in the mail

310  
00:11:39,829 --> 00:11:36,640  
i come home from work and at my home

311  
00:11:42,150 --> 00:11:39,839  
i get the book the dybbuk box that jason

312  
00:11:44,150 --> 00:11:42,160  
haxton the author had sent me and i

313  
00:11:46,550 --> 00:11:44,160

opened it up

314

00:11:48,150 --> 00:11:46,560

i came in i laid my stuff down from work

315

00:11:50,389 --> 00:11:48,160

and i sat down in my recliner and i

316

00:11:52,790 --> 00:11:50,399

opened it up and inside the book it says

317

00:11:53,430 --> 00:11:52,800

sean sorry for the interference i told

318

00:11:55,030 --> 00:11:53,440

you

319

00:11:57,670 --> 00:11:55,040

i would love to come back on the show

320

00:12:00,150 --> 00:11:57,680

what a great epi what a great show it is

321

00:12:01,350 --> 00:12:00,160

no sooner that i put that book down the

322

00:12:03,990 --> 00:12:01,360

loudest

323

00:12:05,670 --> 00:12:04,000

boom i've ever heard i mean it shook the

324

00:12:09,430 --> 00:12:05,680

roof it shook the windows

325

00:12:11,750 --> 00:12:09,440

it shook my feet uh it just

326

00:12:13,670 --> 00:12:11,760

echoed through the house all the lights

327

00:12:14,550 --> 00:12:13,680

went off everything now this is a clear

328

00:12:16,870 --> 00:12:14,560

night ryan

329

00:12:19,509 --> 00:12:16,880

there's not a sound outside there's not

330

00:12:23,110 --> 00:12:19,519

thunder cloud there's nothing

331

00:12:27,110 --> 00:12:23,120

and i just got home it's a summer night

332

00:12:30,550 --> 00:12:27,120

so i go outside

333

00:12:33,190 --> 00:12:30,560

i look around my wife my daughter in bed

334

00:12:34,550 --> 00:12:33,200

and i notice everyone's lights are on

335

00:12:36,470 --> 00:12:34,560

but mine

336

00:12:38,069 --> 00:12:36,480

my house is the only house that has the

337

00:12:39,910 --> 00:12:38,079

lights off in it

338

00:12:42,629 --> 00:12:39,920

so i come back in my wife's standing

339

00:12:44,550 --> 00:12:42,639

there and she's like what's going on

340

00:12:45,829 --> 00:12:44,560

and i told her i said honey i don't know

341

00:12:47,110 --> 00:12:45,839

i'm going to call power and light and

342

00:12:48,710 --> 00:12:47,120

see what's going on

343

00:12:50,550 --> 00:12:48,720

so i called the power company they said

344

00:12:51,430 --> 00:12:50,560

sir we've had no problems reported in

345

00:12:54,310 --> 00:12:51,440

the area

346

00:12:54,870 --> 00:12:54,320

but we'll look into it so i go back and

347

00:12:57,269 --> 00:12:54,880

i'm

348

00:12:58,790 --> 00:12:57,279

i go downstairs and i notice the fuse

349

00:13:02,150 --> 00:12:58,800

box has those little

350

00:13:02,790 --> 00:13:02,160

burnt marks beside the the circuit

351  
00:13:06,949 --> 00:13:02,800  
switches

352  
00:13:08,389 --> 00:13:06,959  
yep yep i noticed those are on the box

353  
00:13:10,230 --> 00:13:08,399  
so i went ahead and i flipped the

354  
00:13:14,069 --> 00:13:10,240  
circuit breakers and

355  
00:13:15,750 --> 00:13:14,079  
a few of the lights come back on all

356  
00:13:17,829 --> 00:13:15,760  
all the lights except for in the

357  
00:13:20,870 --> 00:13:17,839  
basement come back on

358  
00:13:21,350 --> 00:13:20,880  
so i go back upstairs and i'm waiting on

359  
00:13:23,670 --> 00:13:21,360  
the

360  
00:13:26,069 --> 00:13:23,680  
power and light people to come out my

361  
00:13:29,190 --> 00:13:26,079  
wife and kid goes back to bed

362  
00:13:32,790 --> 00:13:29,200  
and i start smelling

363  
00:13:35,030 --> 00:13:32,800

the worst odor of gas i mean it was

364

00:13:36,150 --> 00:13:35,040

overwhelming my eyes start watering just

365

00:13:38,389 --> 00:13:36,160

out of nowhere

366

00:13:39,670 --> 00:13:38,399

it it comes through the house and hit me

367

00:13:40,790 --> 00:13:39,680

right in the face where i couldn't

368

00:13:41,670 --> 00:13:40,800

breathe i'm not talking about a little

369

00:13:43,110 --> 00:13:41,680

hint of gas

370

00:13:45,110 --> 00:13:43,120

i'm talking like i'm standing in front

371

00:13:46,389 --> 00:13:45,120

of the gas line and it's pumping in my

372

00:13:48,550 --> 00:13:46,399

face kind of thing

373

00:13:50,550 --> 00:13:48,560

that's what it smelled like so i

374

00:13:52,470 --> 00:13:50,560

panicked i didn't know what to do so i

375

00:13:53,670 --> 00:13:52,480

run instead of getting my family i run

376

00:13:56,150 --> 00:13:53,680

out front and i call the

377

00:13:58,710 --> 00:13:56,160

gas company i said we got a problem here

378

00:14:00,790 --> 00:13:58,720

man i'm smelling gas in my house

379

00:14:02,790 --> 00:14:00,800

uh you know and i didn't have a pilot

380

00:14:06,550 --> 00:14:02,800

light it was electronic light

381

00:14:09,430 --> 00:14:06,560

on the uh on the

382

00:14:11,030 --> 00:14:09,440

water heater so it wasn't like the pilot

383

00:14:11,829 --> 00:14:11,040

light just burn out and you're smelling

384

00:14:13,670 --> 00:14:11,839

gas this

385

00:14:15,030 --> 00:14:13,680

had to be some kind of internal you know

386

00:14:17,670 --> 00:14:15,040

failure

387

00:14:19,430 --> 00:14:17,680

so i'm figuring it's that so i go

388

00:14:20,870 --> 00:14:19,440

upstairs i get the family and i say come

389

00:14:22,470 --> 00:14:20,880

on let's go stay on the court so me and

390

00:14:24,470 --> 00:14:22,480

my wife my kid are standing on the porch

391

00:14:27,509 --> 00:14:24,480

for 45 minutes

392

00:14:29,269 --> 00:14:27,519

finally the uh gas company shows up the

393

00:14:31,189 --> 00:14:29,279

guy takes his meter takes about 10

394

00:14:32,069 --> 00:14:31,199

seconds for him to say get your family

395

00:14:36,310 --> 00:14:32,079

out

396

00:14:39,590 --> 00:14:36,320

now so we grab everything we can

397

00:14:41,110 --> 00:14:39,600

i go to get in my car and i turn the key

398

00:14:44,150 --> 00:14:41,120

and as i turn the key to the car the

399

00:14:45,030 --> 00:14:44,160

dome light comes on it goes and goes

400

00:14:47,030 --> 00:14:45,040

right back out

401  
00:14:48,710 --> 00:14:47,040  
what a perfect time for a dead battery

402  
00:14:51,110 --> 00:14:48,720  
i'm thinking this is great

403  
00:14:52,710 --> 00:14:51,120  
so we all pack up into my wife's car we

404  
00:14:53,829 --> 00:14:52,720  
end up going to a hotel room for the

405  
00:14:56,870 --> 00:14:53,839  
night

406  
00:14:57,990 --> 00:14:56,880  
so the next day we get up we go home the

407  
00:15:01,350 --> 00:14:58,000  
entire

408  
00:15:04,310 --> 00:15:01,360  
street in front of my house is dug up

409  
00:15:06,470 --> 00:15:04,320  
all the way leading into the basement

410  
00:15:07,590 --> 00:15:06,480  
the gas company met me out there the guy

411  
00:15:10,069 --> 00:15:07,600  
said you

412  
00:15:11,030 --> 00:15:10,079  
people are so lucky you should have been

413  
00:15:13,269 --> 00:15:11,040

dead

414

00:15:14,710 --> 00:15:13,279

i said what do you mean he said the gas

415

00:15:17,910 --> 00:15:14,720

line in the street

416

00:15:19,350 --> 00:15:17,920

cracked in such a way that every house

417

00:15:20,230 --> 00:15:19,360

on this block should have filled with

418

00:15:22,790 --> 00:15:20,240

gas

419

00:15:23,990 --> 00:15:22,800

and bit dangerously close to exploding

420

00:15:27,590 --> 00:15:24,000

but for some reason

421

00:15:30,150 --> 00:15:27,600

only your house filled with gas

422

00:15:31,590 --> 00:15:30,160

and the levels were so deadly he said

423

00:15:33,430 --> 00:15:31,600

they had to have us leave in the middle

424

00:15:35,509 --> 00:15:33,440

of the night like they did

425

00:15:36,470 --> 00:15:35,519

so they dug all that up they fixed it up

426  
00:15:38,550 --> 00:15:36,480  
and just as

427  
00:15:41,269 --> 00:15:38,560  
he was leaving i happened to walk past

428  
00:15:44,389 --> 00:15:41,279  
my car

429  
00:15:48,470 --> 00:15:44,399  
i noticed wow

430  
00:15:50,870 --> 00:15:48,480  
the front quarter panel is all bowed out

431  
00:15:52,069 --> 00:15:50,880  
it's bent like a giant had grabbed it

432  
00:15:55,030 --> 00:15:52,079  
and just crushed it

433  
00:15:55,749 --> 00:15:55,040  
there's a big bow in it i get inside the

434  
00:15:58,949 --> 00:15:55,759  
car

435  
00:16:00,230 --> 00:15:58,959  
and the seat is melted where it had

436  
00:16:02,230 --> 00:16:00,240  
caught fire

437  
00:16:04,629 --> 00:16:02,240  
in the middle console where you put your

438  
00:16:06,710 --> 00:16:04,639

arm it had blown off and the underside

439

00:16:08,710 --> 00:16:06,720

was burnt to a crisp and it was in the

440

00:16:12,150 --> 00:16:08,720

back seat

441

00:16:15,430 --> 00:16:12,160

a lightning bolt had directly struck

442

00:16:17,749 --> 00:16:15,440

my vehicle and only

443

00:16:19,430 --> 00:16:17,759

caught fire which the insurance company

444

00:16:20,629 --> 00:16:19,440

had a field day with that they would not

445

00:16:22,310 --> 00:16:20,639

believe

446

00:16:24,230 --> 00:16:22,320

that because of the rubber tires this

447

00:16:26,470 --> 00:16:24,240

lightning bolt cracked my car

448

00:16:29,110 --> 00:16:26,480

and did the damage that i said that i

449

00:16:32,470 --> 00:16:29,120

showed through pictures that it did

450

00:16:34,069 --> 00:16:32,480

and it only burnt the car seat

451  
00:16:35,990 --> 00:16:34,079  
and the middle console now i'm the only

452  
00:16:38,470 --> 00:16:36,000  
one that drives that car

453  
00:16:40,150 --> 00:16:38,480  
that car at the time it got totaled i

454  
00:16:42,389 --> 00:16:40,160  
was the only one drive that car

455  
00:16:44,470 --> 00:16:42,399  
ever and i almost took that with

456  
00:16:46,470 --> 00:16:44,480  
everything else that this is a message

457  
00:16:48,069 --> 00:16:46,480  
that this is for you

458  
00:16:50,150 --> 00:16:48,079  
if you want to play around with this

459  
00:16:51,829 --> 00:16:50,160  
stuff and you want to call me out

460  
00:16:55,430 --> 00:16:51,839  
i'm going to do this to you and your

461  
00:16:57,509 --> 00:16:55,440  
family and that was the first time

462  
00:16:59,350 --> 00:16:57,519  
one of the first yeah it was the first

463  
00:17:01,269 --> 00:16:59,360

time that my family had ever been

464

00:17:03,110 --> 00:17:01,279

affected outside of me running around

465

00:17:04,710 --> 00:17:03,120

looking for the paranormal and

466

00:17:07,189 --> 00:17:04,720

interviewing people that was the very

467

00:17:10,470 --> 00:17:07,199

first time

468

00:17:10,949 --> 00:17:10,480

man and what what a time that was that's

469

00:17:12,949 --> 00:17:10,959

like

470

00:17:14,710 --> 00:17:12,959

in the lightning bolt i can kind of

471

00:17:18,390 --> 00:17:14,720

relate to the craziness

472

00:17:20,309 --> 00:17:18,400

of some i want to get into uh

473

00:17:22,390 --> 00:17:20,319

you know i mean we got nathan black and

474

00:17:25,029 --> 00:17:22,400

blue marks on his back

475

00:17:27,429 --> 00:17:25,039

we ha i love how you let the fans decide

476

00:17:29,190 --> 00:17:27,439

uh on how to move on so classic man

477

00:17:30,950 --> 00:17:29,200

and i know that you're an expert at this

478

00:17:33,029 --> 00:17:30,960

stuff so you've come across some pretty

479

00:17:34,310 --> 00:17:33,039

amazing stuff and you'd know it if you

480

00:17:36,070 --> 00:17:34,320

saw it and

481

00:17:38,150 --> 00:17:36,080

kind of leads me into some of the

482

00:17:40,310 --> 00:17:38,160

photographs that you've captured in

483

00:17:43,270 --> 00:17:40,320

cemeteries and other haunted places

484

00:17:46,150 --> 00:17:43,280

could we go into that

485

00:17:48,070 --> 00:17:46,160

yeah i mean first off i don't know if

486

00:17:50,230 --> 00:17:48,080

there's any experts i know i certainly

487

00:17:52,230 --> 00:17:50,240

am not one i just i've loved this stuff

488

00:17:53,590 --> 00:17:52,240

for so long ryan i grew up in a haunted

489

00:17:56,549 --> 00:17:53,600

house

490

00:17:57,669 --> 00:17:56,559

so i never had a chance not to believe

491

00:17:59,669 --> 00:17:57,679

in the supernatural

492

00:18:01,190 --> 00:17:59,679

the paranormal people always ask how do

493

00:18:01,669 --> 00:18:01,200

you believe it i never had a chance not

494

00:18:04,070 --> 00:18:01,679

to

495

00:18:05,430 --> 00:18:04,080

i grew up with it there was a ghost of a

496

00:18:07,110 --> 00:18:05,440

lady in our house

497

00:18:09,350 --> 00:18:07,120

and we believe it was from the lady that

498

00:18:11,110 --> 00:18:09,360

hung herself in the 50s in our home

499

00:18:13,029 --> 00:18:11,120

there was a lady it was documented it

500

00:18:14,630 --> 00:18:13,039

was in the news she had hung herself and

501  
00:18:15,750 --> 00:18:14,640  
you would see this lady in the house not

502  
00:18:18,070 --> 00:18:15,760  
just me

503  
00:18:19,909 --> 00:18:18,080  
my father my mother people that would

504  
00:18:21,029 --> 00:18:19,919  
come my cousins stayed the night you

505  
00:18:22,950 --> 00:18:21,039  
would see her

506  
00:18:25,270 --> 00:18:22,960  
she never bothered anybody never did

507  
00:18:28,150 --> 00:18:25,280  
anything she had black eyes

508  
00:18:30,150 --> 00:18:28,160  
i'll never forget not like glossy black

509  
00:18:33,190 --> 00:18:30,160  
eyes that were popping out of her head

510  
00:18:34,789 --> 00:18:33,200  
just where her eyes were at were black

511  
00:18:36,630 --> 00:18:34,799  
they were dark

512  
00:18:38,870 --> 00:18:36,640  
you could never see a pupil or anything

513  
00:18:41,029 --> 00:18:38,880

like that and she would just

514

00:18:41,990 --> 00:18:41,039

walk around the corner you would see her

515

00:18:44,150 --> 00:18:42,000

and then she wasn't there

516

00:18:46,150 --> 00:18:44,160

anymore you would hear whispers on the

517

00:18:47,430 --> 00:18:46,160

staircase at night

518

00:18:49,270 --> 00:18:47,440

or in the middle of the day i'd be

519

00:18:50,230 --> 00:18:49,280

sitting there playing nintendo i was

520

00:18:52,070 --> 00:18:50,240

probably about

521

00:18:54,310 --> 00:18:52,080

seven and you would just hear these

522

00:18:55,590 --> 00:18:54,320

faint whispers from the staircase and

523

00:18:56,789 --> 00:18:55,600

you would walk around there and there

524

00:18:59,909 --> 00:18:56,799

was nothing there

525

00:19:00,630 --> 00:18:59,919

so i lived with a ghost until i was i

526  
00:19:03,590 --> 00:19:00,640  
don't know

527  
00:19:04,630 --> 00:19:03,600  
14 15 and then we moved out of that

528  
00:19:07,190 --> 00:19:04,640  
house

529  
00:19:07,830 --> 00:19:07,200  
but ever since then it's created a

530  
00:19:09,350 --> 00:19:07,840  
passion

531  
00:19:11,270 --> 00:19:09,360  
even when i went to college and

532  
00:19:15,190 --> 00:19:11,280  
everything it started this

533  
00:19:17,270 --> 00:19:15,200  
this hunger this quest for knowledge

534  
00:19:19,909 --> 00:19:17,280  
into the paranormal to find out

535  
00:19:21,830 --> 00:19:19,919  
what did i experience when i was a kid

536  
00:19:23,190 --> 00:19:21,840  
so over the years i've got to go to some

537  
00:19:25,750 --> 00:19:23,200  
amazing places

538  
00:19:27,669 --> 00:19:25,760

i've set them up i've spent the night at

539

00:19:29,750 --> 00:19:27,679

places people have said or the

540

00:19:31,750 --> 00:19:29,760

gateway to hell you know i had i went to

541

00:19:34,870 --> 00:19:31,760

the sally house where they said that the

542

00:19:36,830 --> 00:19:34,880

basement was the doorway to hell and i

543

00:19:39,590 --> 00:19:36,840

had my feet hanging off of it all night

544

00:19:40,630 --> 00:19:39,600

so i didn't get anything there i did

545

00:19:42,950 --> 00:19:40,640

have some

546

00:19:44,950 --> 00:19:42,960

white lights that would kind of dance

547

00:19:46,789 --> 00:19:44,960

around in one of the rooms

548

00:19:48,310 --> 00:19:46,799

uh that happened so there was something

549

00:19:49,990 --> 00:19:48,320

in that house the sally house in

550

00:19:52,710 --> 00:19:50,000

atchison kansas

551  
00:19:54,230 --> 00:19:52,720  
but i didn't hear the little girl voice

552  
00:19:55,669 --> 00:19:54,240  
it's a great story for your listeners if

553  
00:19:56,870 --> 00:19:55,679  
they ever want to check it out uh there

554  
00:19:58,710 --> 00:19:56,880  
was a little girl

555  
00:20:00,630 --> 00:19:58,720  
supposedly haunted that house in

556  
00:20:03,909 --> 00:20:00,640  
atchison kansas sally house

557  
00:20:05,590 --> 00:20:03,919  
that was just one of them um of course

558  
00:20:07,909 --> 00:20:05,600  
i think what you're talking about with

559  
00:20:08,870 --> 00:20:07,919  
my pictures was another great one the

560  
00:20:13,190 --> 00:20:08,880  
nut

561  
00:20:16,870 --> 00:20:13,200  
cemetery in connecticut i

562  
00:20:18,390 --> 00:20:16,880  
just went to film a tv pilot

563  
00:20:19,990 --> 00:20:18,400

for another show that didn't make it you

564

00:20:23,270 --> 00:20:20,000

know how that goes oh yeah

565

00:20:24,310 --> 00:20:23,280

so i was in new york we filmed this

566

00:20:27,590 --> 00:20:24,320

pilot

567

00:20:30,950 --> 00:20:27,600

in sleepy hollow amazing place

568

00:20:33,590 --> 00:20:30,960

and the next day i wanted to go

569

00:20:35,350 --> 00:20:33,600

see where ed and melane warren lives

570

00:20:36,070 --> 00:20:35,360

where they lived at the time ed was

571

00:20:38,310 --> 00:20:36,080

already dead

572

00:20:39,669 --> 00:20:38,320

but of course the famed demonologist ed

573

00:20:41,510 --> 00:20:39,679

lorraine warren

574

00:20:42,789 --> 00:20:41,520

this cemetery was right down the street

575

00:20:45,750 --> 00:20:42,799

from their house

576  
00:20:46,710 --> 00:20:45,760  
and we were looking for ed's great ed

577  
00:20:50,310 --> 00:20:46,720  
warren

578  
00:20:52,710 --> 00:20:50,320  
and we knew it was a big black tombstone

579  
00:20:54,630 --> 00:20:52,720  
but that's all we knew so this cemetery

580  
00:20:56,070 --> 00:20:54,640  
was huge and we were driving through it

581  
00:20:56,549 --> 00:20:56,080  
and i was snapping pictures out the

582  
00:20:58,310 --> 00:20:56,559  
window

583  
00:21:00,070 --> 00:20:58,320  
drive a little bit snap a picture drive

584  
00:21:02,070 --> 00:21:00,080  
a little bit snap a picture

585  
00:21:04,390 --> 00:21:02,080  
so i snapped a picture with my digital

586  
00:21:05,909 --> 00:21:04,400  
camera i looked down at it because i

587  
00:21:08,149 --> 00:21:05,919  
thought i'd seen ed's grave

588  
00:21:09,430 --> 00:21:08,159

big black tombstone and right there in

589

00:21:13,430 --> 00:21:09,440

the picture

590

00:21:16,310 --> 00:21:13,440

is a woman with a white gown on

591

00:21:18,310 --> 00:21:16,320

and it looks like she's wearing the

592

00:21:22,470 --> 00:21:18,320

habit that nuns would wear

593

00:21:26,789 --> 00:21:22,480

to me it looks like it anyway and

594

00:21:30,230 --> 00:21:26,799

i look up there's no one there

595

00:21:32,230 --> 00:21:30,240

so i immediately race out to that spot

596

00:21:33,510 --> 00:21:32,240

i just so happen to have my emf meter in

597

00:21:35,909 --> 00:21:33,520

the back of the car because we just

598

00:21:38,149 --> 00:21:35,919

filmed that tv pilot

599

00:21:39,430 --> 00:21:38,159

and i got nothing on the emf meter i did

600

00:21:43,990 --> 00:21:39,440

some evp

601  
00:21:46,630 --> 00:21:44,000  
i got nothing on the evp but i felt

602  
00:21:49,110 --> 00:21:46,640  
cold when i was there i felt like

603  
00:21:51,909 --> 00:21:49,120  
something was there with me

604  
00:21:54,390 --> 00:21:51,919  
and uh i don't know i don't know to this

605  
00:21:56,549 --> 00:21:54,400  
very day if it was a human

606  
00:21:58,390 --> 00:21:56,559  
dressed as a nun or whatever she had to

607  
00:22:00,149 --> 00:21:58,400  
be the flying nun because she must have

608  
00:22:00,950 --> 00:22:00,159  
got out of their record time i mean i'm

609  
00:22:03,669 --> 00:22:00,960  
talking about a

610  
00:22:04,470 --> 00:22:03,679  
second difference here but plain as day

611  
00:22:07,110 --> 00:22:04,480  
brother

612  
00:22:07,750 --> 00:22:07,120  
she showed up on camera i don't know who

613  
00:22:11,750 --> 00:22:07,760

she was

614

00:22:12,950 --> 00:22:11,760

else in that cemetery when i took that

615

00:22:16,149 --> 00:22:12,960

picture

616

00:22:18,070 --> 00:22:16,159

uh that was one of my great i think

617

00:22:19,430 --> 00:22:18,080

photographs i've ever got of what i

618

00:22:23,430 --> 00:22:19,440

believe to be

619

00:22:25,990 --> 00:22:23,440

an apparition amazing man

620

00:22:26,950 --> 00:22:26,000

absolutely amazing photographed you

621

00:22:30,230 --> 00:22:26,960

mentioned

622

00:22:32,630 --> 00:22:30,240

uh the ghost at your house as a kid

623

00:22:33,590 --> 00:22:32,640

had black black eyes and i know that

624

00:22:37,430 --> 00:22:33,600

you're a fan of

625

00:22:39,750 --> 00:22:37,440

aliens and lore of the like as myself

626  
00:22:43,830 --> 00:22:39,760  
have you come across anything strange

627  
00:22:47,190 --> 00:22:43,840  
that's of the extraterrestrial type

628  
00:22:49,909 --> 00:22:47,200  
you know i i want to so bad i

629  
00:22:51,669 --> 00:22:49,919  
remember when i was on vacation we were

630  
00:22:53,590 --> 00:22:51,679  
in florida and i was out

631  
00:22:55,029 --> 00:22:53,600  
at night and i'm looking over the ocean

632  
00:22:56,549 --> 00:22:55,039  
you see a lot of

633  
00:22:59,830 --> 00:22:56,559  
you know you got a clear view of the

634  
00:23:04,870 --> 00:22:59,840  
cosmos at night usually over the ocean

635  
00:23:08,390 --> 00:23:04,880  
and i seen i watch the ball of light

636  
00:23:11,430 --> 00:23:08,400  
move and do course direction changes

637  
00:23:12,950 --> 00:23:11,440  
at an ungodly speed that it could have

638  
00:23:14,230 --> 00:23:12,960

been a satellite it could have been a

639

00:23:17,909 --> 00:23:14,240

plane

640

00:23:21,830 --> 00:23:17,919

um so i think that was

641

00:23:22,390 --> 00:23:21,840

probably a ufo i mean to me it was a ufo

642

00:23:26,070 --> 00:23:22,400

it did

643

00:23:28,870 --> 00:23:26,080

three or four course direction changes

644

00:23:30,710 --> 00:23:28,880

and it kind of bobbed and weaved and

645

00:23:33,990 --> 00:23:30,720

then it went straight up

646

00:23:35,590 --> 00:23:34,000

and that was it and i thought my god it

647

00:23:37,669 --> 00:23:35,600

happened so fast

648

00:23:38,630 --> 00:23:37,679

i see what you mean but we're talking

649

00:23:40,230 --> 00:23:38,640

about when you see the

650

00:23:42,470 --> 00:23:40,240

like you see them all the time out where

651  
00:23:43,750 --> 00:23:42,480  
you're at here in indiana i don't get to

652  
00:23:45,590 --> 00:23:43,760  
see him as much

653  
00:23:47,110 --> 00:23:45,600  
because i live close to the city so the

654  
00:23:50,390 --> 00:23:47,120  
skies are usually so lit

655  
00:23:51,990 --> 00:23:50,400  
up you know what i mean but i

656  
00:23:53,510 --> 00:23:52,000  
seen this and at first i thought it was

657  
00:23:56,950 --> 00:23:53,520  
a japanese lanyard

658  
00:24:00,070 --> 00:23:56,960  
or chinese japanese chinese lana sure

659  
00:24:02,830 --> 00:24:00,080  
and there's no way it just it couldn't

660  
00:24:05,909 --> 00:24:02,840  
have been but it was that close

661  
00:24:07,510 --> 00:24:05,919  
and i don't know i don't know to this

662  
00:24:09,830 --> 00:24:07,520  
day but i tell you what that's another

663  
00:24:11,909 --> 00:24:09,840

thing that drives me nuts the more

664

00:24:13,110 --> 00:24:11,919

the thing about this field is the more

665

00:24:19,830 --> 00:24:13,120

you see

666

00:24:25,750 --> 00:24:23,430

you know yeah you want to see more you

667

00:24:27,350 --> 00:24:25,760

got to know what it is like with evp

668

00:24:28,549 --> 00:24:27,360

that's my specialty electronic voice

669

00:24:31,269 --> 00:24:28,559

phenomena

670

00:24:33,269 --> 00:24:31,279

when i get that ghost voice on tape and

671

00:24:33,750 --> 00:24:33,279

i know there was nobody else in the room

672

00:24:37,110 --> 00:24:33,760

but me

673

00:24:40,230 --> 00:24:37,120

or me and a partner i gotta know

674

00:24:42,390 --> 00:24:40,240

where did it come from who was it

675

00:24:43,990 --> 00:24:42,400

you know how is this working sometimes i

676

00:24:46,630 --> 00:24:44,000

lay in bed at night thinking about the

677

00:24:48,310 --> 00:24:46,640

possibilities of extraterrestrials and

678

00:24:50,149 --> 00:24:48,320

and ghosts themselves and wonder if

679

00:24:51,190 --> 00:24:50,159

they're both the same wonder if they're

680

00:24:53,669 --> 00:24:51,200

linked

681

00:24:55,830 --> 00:24:53,679

what if we die we know because

682

00:24:58,710 --> 00:24:55,840

einstein's theory we become energy

683

00:25:00,870 --> 00:24:58,720

cannot be created nor destroyed so

684

00:25:02,549 --> 00:25:00,880

when we die we become one big energy

685

00:25:06,310 --> 00:25:02,559

force

686

00:25:09,750 --> 00:25:06,320

what if we're all of the same

687

00:25:12,870 --> 00:25:09,760

fiber i don't know and somehow it's uh

688

00:25:13,590 --> 00:25:12,880

controlled by extraterrestrials i i

689

00:25:17,269 --> 00:25:13,600

don't know

690

00:25:20,549 --> 00:25:17,279

extraterrestrials

691

00:25:22,549 --> 00:25:20,559

we just look different people see us in

692

00:25:24,310 --> 00:25:22,559

different form of spirits

693

00:25:25,750 --> 00:25:24,320

it's it's never ending like i said here

694

00:25:27,830 --> 00:25:25,760

we go down crazy train

695

00:25:29,909 --> 00:25:27,840

street because you could go all day with

696

00:25:32,549 --> 00:25:29,919

these theories

697

00:25:33,909 --> 00:25:32,559

i love them i i love the theories i love

698

00:25:36,630 --> 00:25:33,919

the theories you mentioned

699

00:25:37,990 --> 00:25:36,640

and you know absolutely it could there's

700

00:25:41,430 --> 00:25:38,000

there's so much value

701  
00:25:44,310 --> 00:25:41,440  
to theories and i'm glad you mentioned

702  
00:25:44,549 --> 00:25:44,320  
ed and lorraine warren uh sean did you

703  
00:25:46,630 --> 00:25:44,559  
have

704  
00:25:48,070 --> 00:25:46,640  
any contact with the warrens or did you

705  
00:25:49,430 --> 00:25:48,080  
ever come in contact with

706  
00:25:51,110 --> 00:25:49,440  
any of the stuff they've mentioned in

707  
00:25:55,269 --> 00:25:51,120  
the past

708  
00:25:58,630 --> 00:25:55,279  
i met ed lorraine warren uh back in the

709  
00:26:01,269 --> 00:25:58,640  
early 90s and it was brief

710  
00:26:03,110 --> 00:26:01,279  
i never got to go work cases with them

711  
00:26:06,310 --> 00:26:03,120  
or anything like that

712  
00:26:08,149 --> 00:26:06,320  
i did go to a couple places

713  
00:26:09,909 --> 00:26:08,159

that they had investigated but no i

714

00:26:11,029 --> 00:26:09,919

never had a close connection with edmond

715

00:26:14,549 --> 00:26:11,039

lorraine warren

716

00:26:15,830 --> 00:26:14,559

john zaff is their grandson uh or their

717

00:26:20,149 --> 00:26:15,840

nephew

718

00:26:21,990 --> 00:26:20,159

contact with john i did get to go

719

00:26:24,310 --> 00:26:22,000

to some places with him i had some

720

00:26:27,510 --> 00:26:24,320

buddies set in on an exorcism

721

00:26:29,510 --> 00:26:27,520

that he helped perform but no

722

00:26:31,269 --> 00:26:29,520

no never really i've always kind of did

723

00:26:34,390 --> 00:26:31,279

my own man i kind of went rogue

724

00:26:36,310 --> 00:26:34,400

i started out after college i found out

725

00:26:38,390 --> 00:26:36,320

there was groups of people

726

00:26:39,470 --> 00:26:38,400

ghost hunters that would go out and look

727

00:26:42,070 --> 00:26:39,480

for these

728

00:26:43,350 --> 00:26:42,080

apparitions and go to people's homes and

729

00:26:45,029 --> 00:26:43,360

stuff like that so i thought it'd be a

730

00:26:47,350 --> 00:26:45,039

good idea to join

731

00:26:49,269 --> 00:26:47,360

it didn't take me long to figure out i'm

732

00:26:50,470 --> 00:26:49,279

kind of a loner i like to do things my

733

00:26:53,750 --> 00:26:50,480

own way

734

00:26:57,029 --> 00:26:53,760

and i kind of went off on my own

735

00:26:58,630 --> 00:26:57,039

so ever since then i've really

736

00:27:00,149 --> 00:26:58,640

went out with a small group of people

737

00:27:02,310 --> 00:27:00,159

it's it's me and

738

00:27:04,230 --> 00:27:02,320

usually a couple other uh buddies or

739

00:27:05,029 --> 00:27:04,240

something and we'll go spend the night

740

00:27:07,110 --> 00:27:05,039

somewhere and

741

00:27:09,269 --> 00:27:07,120

when i go out and investigate it's not

742

00:27:10,470 --> 00:27:09,279

all serious scientific

743

00:27:11,750 --> 00:27:10,480

because think about it when you're

744

00:27:13,350 --> 00:27:11,760

investigating a paranormal when

745

00:27:15,269 --> 00:27:13,360

paranormal activity happens

746

00:27:16,390 --> 00:27:15,279

what are people usually doing they're

747

00:27:18,549 --> 00:27:16,400

living their lives

748

00:27:20,230 --> 00:27:18,559

they're playing xbox they're making love

749

00:27:21,750 --> 00:27:20,240

they're in the shower

750

00:27:23,590 --> 00:27:21,760

they're just doing they're not holding

751  
00:27:25,590 --> 00:27:23,600  
the emf detector walking around the

752  
00:27:26,230 --> 00:27:25,600  
house going oh i don't build nothing

753  
00:27:30,549 --> 00:27:26,240  
here

754  
00:27:31,750 --> 00:27:30,559  
into a place it's not uncommon for me to

755  
00:27:34,070 --> 00:27:31,760  
put a six-pack on

756  
00:27:35,190 --> 00:27:34,080  
ice and make it a vacations day for me

757  
00:27:38,230 --> 00:27:35,200  
for the weekend

758  
00:27:42,149 --> 00:27:38,240  
and uh that's how i get results

759  
00:27:42,549 --> 00:27:42,159  
amen um just by being there the ghosts

760  
00:27:44,950 --> 00:27:42,559  
are

761  
00:27:45,830 --> 00:27:44,960  
they'll come to you if the place is

762  
00:27:49,350 --> 00:27:45,840  
haunted

763  
00:27:51,909 --> 00:27:49,360

it'll show itself to you so or it won't

764

00:27:53,590 --> 00:27:51,919

one or two but there's no reason i don't

765

00:27:56,870 --> 00:27:53,600

set up grids and

766

00:27:59,110 --> 00:27:56,880

do every room base readings every five

767

00:28:02,149 --> 00:27:59,120

minutes and stuff like that i just

768

00:28:02,549 --> 00:28:02,159

i'm kind of a lazy boy investigation i

769

00:28:05,029 --> 00:28:02,559

guess

770

00:28:05,750 --> 00:28:05,039

because i don't even really i'm more of

771

00:28:08,710 --> 00:28:05,760

an

772

00:28:10,070 --> 00:28:08,720

experencer now i love to experience it

773

00:28:12,470 --> 00:28:10,080

i don't even try to prove it to other

774

00:28:14,870 --> 00:28:12,480

people because i know it's real

775

00:28:16,470 --> 00:28:14,880

so i remember when i started out i had

776

00:28:19,029 --> 00:28:16,480

to prove it to everybody this is the

777

00:28:20,950 --> 00:28:19,039

truth guys it's happening here it is

778

00:28:22,389 --> 00:28:20,960

and now i just get everything i can and

779

00:28:22,630 --> 00:28:22,399

i'll play it for you if you want to hear

780

00:28:26,710 --> 00:28:22,640

it

781

00:28:29,510 --> 00:28:26,720

more power to you

782

00:28:30,070 --> 00:28:29,520

but i know it's real so i do it for me

783

00:28:33,029 --> 00:28:30,080

nowadays

784

00:28:34,789 --> 00:28:33,039

more than anything isn't that the truth

785

00:28:36,230 --> 00:28:34,799

like that that need to have to like

786

00:28:39,350 --> 00:28:36,240

prove it to people just

787

00:28:41,990 --> 00:28:39,360

melts away and i wanted to ask you

788

00:28:42,830 --> 00:28:42,000

uh something pretty cool that uh you had

789

00:29:08,149 --> 00:28:42,840

a

790

00:29:10,950 --> 00:29:08,159

since then

791

00:29:12,789 --> 00:29:10,960

uh solo which has been cool man i know

792

00:29:13,669 --> 00:29:12,799

some of the guys at the uh production

793

00:29:16,710 --> 00:29:13,679

companies

794

00:29:19,029 --> 00:29:16,720

down in uh santa monica and uh

795

00:29:19,990 --> 00:29:19,039

painless production is the one that did

796

00:29:21,830 --> 00:29:20,000

extreme paranormal

797

00:29:23,990 --> 00:29:21,840

and they're the ones that call me back a

798

00:29:25,750 --> 00:29:24,000

lot to do like i just did last year

799

00:29:27,510 --> 00:29:25,760

a thing called evil things which was on

800

00:29:29,830 --> 00:29:27,520

the dippik box

801  
00:29:31,430 --> 00:29:29,840  
um that was my last piece of work i did

802  
00:29:33,909 --> 00:29:31,440  
for television

803  
00:29:35,909 --> 00:29:33,919  
i love tv i love being on there when

804  
00:29:38,870 --> 00:29:35,919  
they let me tell my story

805  
00:29:39,350 --> 00:29:38,880  
and uh with extreme paranormal it was a

806  
00:29:42,710 --> 00:29:39,360  
little

807  
00:29:45,830 --> 00:29:42,720  
different it was uh tv

808  
00:29:46,630 --> 00:29:45,840  
is reaction reactionary so you have to

809  
00:29:49,510 --> 00:29:46,640  
react to

810  
00:29:50,230 --> 00:29:49,520  
everything i remember we got a lot of

811  
00:29:52,389 --> 00:29:50,240  
great stuff

812  
00:29:54,310 --> 00:29:52,399  
we can talk about that in a minute but

813  
00:29:57,190 --> 00:29:54,320

when i was on set

814

00:29:58,870 --> 00:29:57,200

the weirdest thing is you got two people

815

00:30:01,190 --> 00:29:58,880

carrying cameras around and you got a

816

00:30:02,870 --> 00:30:01,200

director

817

00:30:04,950 --> 00:30:02,880

that's there watching everything that

818

00:30:06,710 --> 00:30:04,960

happens and you

819

00:30:08,389 --> 00:30:06,720

basically they want to see a reaction

820

00:30:09,830 --> 00:30:08,399

because when you're on tv

821

00:30:12,549 --> 00:30:09,840

i mean look if you look at ghost

822

00:30:16,070 --> 00:30:12,559

adventures my god that's the definition

823

00:30:19,669 --> 00:30:17,909

and i'm not putting down zach and his

824

00:30:22,070 --> 00:30:19,679

fellas but i'm just saying

825

00:30:24,470 --> 00:30:22,080

that is the definition oh my god oh my

826

00:30:26,950 --> 00:30:24,480

god because you have to tell

827

00:30:28,310 --> 00:30:26,960

the viewer this is a big deal because

828

00:30:30,230 --> 00:30:28,320

they're not there with you they can't

829

00:30:31,990 --> 00:30:30,240

see it and usually ghost hunting a lot

830

00:30:32,789 --> 00:30:32,000

of the times it's as boring as watching

831

00:30:34,470 --> 00:30:32,799

paint dry

832

00:30:36,470 --> 00:30:34,480

that's why you gotta have your friends

833

00:30:37,510 --> 00:30:36,480

you gotta have the six-pack on ice man

834

00:30:39,350 --> 00:30:37,520

because uh

835

00:30:40,789 --> 00:30:39,360

if you don't love being in the

836

00:30:42,470 --> 00:30:40,799

historical area

837

00:30:43,830 --> 00:30:42,480

or being with the people you're with

838

00:30:45,590 --> 00:30:43,840

you're not gonna do this long

839

00:30:47,430 --> 00:30:45,600

because you could go to a hundred places

840

00:30:49,430 --> 00:30:47,440

and out of those hundred places two of

841

00:30:53,269 --> 00:30:49,440

them could be on it

842

00:30:56,310 --> 00:30:53,279

so but with extreme paranormal

843

00:30:59,430 --> 00:30:56,320

the first episode was manchester

844

00:31:01,669 --> 00:30:59,440

so it's the middle of june

845

00:31:03,110 --> 00:31:01,679

hottest time of the year we're down in

846

00:31:04,710 --> 00:31:03,120

louisiana

847

00:31:06,710 --> 00:31:04,720

right outside of new orleans at a place

848

00:31:10,149 --> 00:31:06,720

called manchester swamp

849

00:31:11,509 --> 00:31:10,159

and it's a swamp it really was a swamp

850

00:31:14,470 --> 00:31:11,519

they took us down to this

851

00:31:15,269 --> 00:31:14,480

gator infested snakes curled up

852

00:31:17,909 --> 00:31:15,279

everywhere

853

00:31:20,070 --> 00:31:17,919

grasshoppers six inches long and black

854

00:31:22,230 --> 00:31:20,080

as night i'd never seen things like this

855

00:31:23,590 --> 00:31:22,240

it was like being in the jungle brother

856

00:31:27,110 --> 00:31:23,600

and they took us out there

857

00:31:28,950 --> 00:31:27,120

probably i think uh casa call was at two

858

00:31:30,549 --> 00:31:28,960

o'clock in the morning so we would start

859

00:31:33,750 --> 00:31:30,559

at two a.m

860

00:31:34,549 --> 00:31:33,760

and they took us to the cemetery where

861

00:31:38,789 --> 00:31:34,559

during the day

862

00:31:40,549 --> 00:31:38,799

the swamp would be up almost covering

863

00:31:43,590 --> 00:31:40,559

a good part of the cemetery and then at

864

00:31:45,990 --> 00:31:43,600

night the water would settle

865

00:31:47,669 --> 00:31:46,000

or the tide would go out or whatever and

866

00:31:50,230 --> 00:31:47,679

you would be able to step foot on the

867

00:31:52,389 --> 00:31:50,240

cemetery and walk around a little bit

868

00:31:53,990 --> 00:31:52,399

so this old cemetery was from a town

869

00:31:56,789 --> 00:31:54,000

that had long been forgotten

870

00:31:57,350 --> 00:31:56,799

the swamp swallowed it whole years ago

871

00:31:58,630 --> 00:31:57,360

and a

872

00:32:00,870 --> 00:31:58,640

bunch of those people that were in the

873

00:32:03,269 --> 00:32:00,880

cemetery died from the hurricane

874

00:32:04,710 --> 00:32:03,279

well while we were there it was probably

875

00:32:06,070 --> 00:32:04,720

the well it was definitely the first

876

00:32:08,310 --> 00:32:06,080

week of filming

877

00:32:10,470 --> 00:32:08,320

maybe the third night i was excited

878

00:32:13,430 --> 00:32:10,480

nervous i'm learning my lines

879

00:32:15,029 --> 00:32:13,440

yes you have lines in reality tv show

880

00:32:17,590 --> 00:32:15,039

and i'm learning

881

00:32:19,029 --> 00:32:17,600

like just intro lines stuff like that

882

00:32:20,710 --> 00:32:19,039

you know this is sean burst and tonight

883

00:32:25,669 --> 00:32:20,720

we're going in manchester

884

00:32:29,269 --> 00:32:25,679

united so i'm standing there in the fog

885

00:32:31,830 --> 00:32:29,279

you can watch it it starts coming down

886

00:32:33,669 --> 00:32:31,840

the waterway there in the swamp and i

887

00:32:35,830 --> 00:32:33,679

mean you can see the alligator eyes

888

00:32:37,110 --> 00:32:35,840

all around you big yellow eyeballs just

889

00:32:38,630 --> 00:32:37,120

poking out of the water

890

00:32:40,070 --> 00:32:38,640

and they got a guy with the cattle rod

891

00:32:40,870 --> 00:32:40,080

that was standing on the edge of the

892

00:32:42,310 --> 00:32:40,880

cemetery

893

00:32:44,070 --> 00:32:42,320

and you would hear them zap them every

894

00:32:46,149 --> 00:32:44,080

once in a while to get them because they

895

00:32:48,070 --> 00:32:46,159

that's a nesting ground they would come

896

00:32:49,830 --> 00:32:48,080

up while we were filming

897

00:32:51,430 --> 00:32:49,840

and they would have to zap them back off

898

00:32:55,750 --> 00:32:51,440

the

899

00:32:58,389 --> 00:32:55,760

been eaten alive right

900

00:32:59,509 --> 00:32:58,399

or had an alligator problem anyway i'm

901  
00:33:03,830 --> 00:32:59,519  
watching this fog

902  
00:33:06,630 --> 00:33:03,840  
and we're sitting on this boat and me

903  
00:33:07,590 --> 00:33:06,640  
jason and a couple of production people

904  
00:33:09,990 --> 00:33:07,600  
we're just sitting there and we're

905  
00:33:14,230 --> 00:33:10,000  
drinking some water and hanging out

906  
00:33:16,389 --> 00:33:14,240  
and we seem what look like a man

907  
00:33:17,669 --> 00:33:16,399  
walking towards us and we thought what

908  
00:33:19,430 --> 00:33:17,679  
in the hell

909  
00:33:20,710 --> 00:33:19,440  
is a dude out in the middle of the swamp

910  
00:33:22,710 --> 00:33:20,720  
because you could only get to this part

911  
00:33:24,630 --> 00:33:22,720  
of the swamp by boat

912  
00:33:26,070 --> 00:33:24,640  
and it's creepy as hell out there anyway

913  
00:33:28,070 --> 00:33:26,080

and those people live down there on the

914

00:33:31,190 --> 00:33:28,080

swamp some of them are kind of

915

00:33:34,310 --> 00:33:31,200

you know a little uh

916

00:33:36,310 --> 00:33:34,320

crazy so

917

00:33:38,630 --> 00:33:36,320

we're kind of watching this guy and he's

918

00:33:39,750 --> 00:33:38,640

walking and walking and he's wearing

919

00:33:41,750 --> 00:33:39,760

i'll never forget looks like he's

920

00:33:45,430 --> 00:33:41,760

wearing blue jeans and a white t-shirt

921

00:33:48,789 --> 00:33:45,440

and he kept walking and then he was gone

922

00:33:50,389 --> 00:33:48,799

right in front of us um no sooner that

923

00:33:52,789 --> 00:33:50,399

he came out of the fog

924

00:33:54,789 --> 00:33:52,799

the guy was gone and we were just

925

00:33:58,310 --> 00:33:54,799

sitting there with our mouths open going

926

00:34:00,310 --> 00:33:58,320

oh my god what'd we just see

927

00:34:01,509 --> 00:34:00,320

and the guy had told us to own that part

928

00:34:03,750 --> 00:34:01,519

of manchester swamp

929

00:34:05,990 --> 00:34:03,760

that there was ghost out there in the

930

00:34:07,750 --> 00:34:06,000

swamp that he would see him on the banks

931

00:34:11,030 --> 00:34:07,760

of the swamp

932

00:34:12,550 --> 00:34:11,040

almost weekly um it's a different place

933

00:34:15,829 --> 00:34:12,560

down there in new orleans man

934

00:34:18,710 --> 00:34:15,839

the guru the the werewolf that they

935

00:34:20,550 --> 00:34:18,720

these people believe in this stuff and

936

00:34:21,669 --> 00:34:20,560

rightful so they believe in voodoo they

937

00:34:25,270 --> 00:34:21,679

believe in

938

00:34:25,909 --> 00:34:25,280

uh ghosts and werewolves and you name it

939

00:34:27,750 --> 00:34:25,919

man

940

00:34:29,349 --> 00:34:27,760

and uh i'll tell you what i was a

941

00:34:30,869 --> 00:34:29,359

believer after i left that place that

942

00:34:33,349 --> 00:34:30,879

was one of them

943

00:34:34,710 --> 00:34:33,359

and then after we got done there they

944

00:34:39,109 --> 00:34:34,720

took us to a place called

945

00:34:41,109 --> 00:34:39,119

called the new mexico state penitentiary

946

00:34:43,990 --> 00:34:41,119

one of the most haunted places i think

947

00:34:46,149 --> 00:34:44,000

i've ever been to in my entire life

948

00:34:47,510 --> 00:34:46,159

and that was the second episode of

949

00:34:50,629 --> 00:34:47,520

extreme paranormal

950

00:34:51,589 --> 00:34:50,639

and at this prison it's where they uh

951  
00:34:53,270 --> 00:34:51,599  
here you go ryan

952  
00:34:54,950 --> 00:34:53,280  
this prison is where they filmed the

953  
00:34:58,710 --> 00:34:54,960  
longest yard with adam sandler

954  
00:34:59,829 --> 00:34:58,720  
you seen it okay so that prison that he

955  
00:35:01,589 --> 00:34:59,839  
was at

956  
00:35:03,430 --> 00:35:01,599  
it was the worst prison right in

957  
00:35:05,990 --> 00:35:03,440  
american history happened back in the

958  
00:35:08,950 --> 00:35:06,000  
80s early 80s late 70s

959  
00:35:10,870 --> 00:35:08,960  
um i mean just disgusting it was one

960  
00:35:13,270 --> 00:35:10,880  
rival gang against another

961  
00:35:15,270 --> 00:35:13,280  
people's intestines were pulled out they

962  
00:35:15,750 --> 00:35:15,280  
were hung by him from the walls the

963  
00:35:18,069 --> 00:35:15,760

blood

964

00:35:19,910 --> 00:35:18,079

still in some of the places you can

965

00:35:21,750 --> 00:35:19,920

still see the blood marks

966

00:35:23,430 --> 00:35:21,760

and up in the cell blocks on the top

967

00:35:25,750 --> 00:35:23,440

floor there's even

968

00:35:28,150 --> 00:35:25,760

on the floor it looks like an outline of

969

00:35:31,750 --> 00:35:28,160

somebody in a fetal position

970

00:35:32,310 --> 00:35:31,760

well that was from a guy being burnt

971

00:35:35,030 --> 00:35:32,320

alive

972

00:35:35,670 --> 00:35:35,040

his oil and his skin had seared into the

973

00:35:38,950 --> 00:35:35,680

cement

974

00:35:41,270 --> 00:35:38,960

leaving that uh him

975

00:35:43,270 --> 00:35:41,280

in that position that fetal position on

976  
00:35:44,230 --> 00:35:43,280  
the floor because they pulled he was the

977  
00:35:47,750 --> 00:35:44,240  
snitch

978  
00:35:48,310 --> 00:35:47,760  
murder that happened that's what started

979  
00:35:50,550 --> 00:35:48,320  
the uh

980  
00:35:52,069 --> 00:35:50,560  
the riots and they pulled this cat out

981  
00:35:54,870 --> 00:35:52,079  
and they burned him alive

982  
00:35:57,430 --> 00:35:54,880  
and his grease from his body still has

983  
00:36:00,550 --> 00:35:57,440  
his imprint there today

984  
00:36:02,630 --> 00:36:00,560  
so we took some uh lighter fluid and we

985  
00:36:05,670 --> 00:36:02,640  
outlined the fetal position of the

986  
00:36:07,430 --> 00:36:05,680  
deceased inmate and nathan did like a

987  
00:36:09,750 --> 00:36:07,440  
ritual thing to try to

988  
00:36:10,870 --> 00:36:09,760

get the dead going while he was doing

989

00:36:13,589 --> 00:36:10,880

that

990

00:36:14,950 --> 00:36:13,599

in the farthest farthest part of the

991

00:36:16,630 --> 00:36:14,960

cell blocks

992

00:36:18,470 --> 00:36:16,640

nobody was down there there was only

993

00:36:22,470 --> 00:36:18,480

four of us in this entire prison

994

00:36:24,470 --> 00:36:22,480

we heard the door slam one of the uh

995

00:36:26,069 --> 00:36:24,480

cell doors slam and you know what that

996

00:36:27,589 --> 00:36:26,079

sounds like

997

00:36:29,270 --> 00:36:27,599

not that you've been in prison but you

998

00:36:32,790 --> 00:36:29,280

know what

999

00:36:34,870 --> 00:36:32,800

big door sounds like so that slammed and

1000

00:36:38,630 --> 00:36:34,880

you heard a man's voice

1001

00:36:41,030 --> 00:36:38,640

just scream let me just

1002

00:36:43,349 --> 00:36:41,040

start it low and it picked up and i mean

1003

00:36:44,870 --> 00:36:43,359

eat all of us man the hair just shot up

1004

00:36:48,710 --> 00:36:44,880

on the back of your neck your

1005

00:36:51,270 --> 00:36:48,720

your skin's ice cold we even had to get

1006

00:36:52,230 --> 00:36:51,280

two more camera people because we had

1007

00:36:54,630 --> 00:36:52,240

two of them

1008

00:36:57,030 --> 00:36:54,640

quit and refused to go back on set after

1009

00:37:00,230 --> 00:36:57,040

that happened that night

1010

00:37:02,150 --> 00:37:00,240

um i went to the restroom

1011

00:37:05,030 --> 00:37:02,160

they had there was no power in there so

1012

00:37:07,670 --> 00:37:05,040

they had lanterns all through the prison

1013

00:37:09,510 --> 00:37:07,680

and i had to go to the restroom this was

1014

00:37:11,190 --> 00:37:09,520

later on through the night so i walked

1015

00:37:12,710 --> 00:37:11,200

down the cell block and i would get lost

1016

00:37:13,349 --> 00:37:12,720

every five minutes around that place

1017

00:37:16,550 --> 00:37:13,359

because it was

1018

00:37:18,230 --> 00:37:16,560

it was crazy it was like catacombs i was

1019

00:37:22,710 --> 00:37:18,240

in the bathroom

1020

00:37:25,829 --> 00:37:22,720

i had the stall door shut and i heard

1021

00:37:28,550 --> 00:37:25,839

footsteps and i heard the door open

1022

00:37:30,470 --> 00:37:28,560

to the bathroom and i heard the water

1023

00:37:32,069 --> 00:37:30,480

come on

1024

00:37:34,310 --> 00:37:32,079

so i was playing around going what are

1025

00:37:36,150 --> 00:37:34,320

you doing who's in here

1026  
00:37:37,750 --> 00:37:36,160  
laughing and cutting up and everything

1027  
00:37:40,710 --> 00:37:37,760  
else

1028  
00:37:41,510 --> 00:37:40,720  
well i heard the door open again and i

1029  
00:37:44,550 --> 00:37:41,520  
had just

1030  
00:37:47,030 --> 00:37:44,560  
walked out of the stall and i went down

1031  
00:37:49,990 --> 00:37:47,040  
the hall there was nobody there

1032  
00:37:51,349 --> 00:37:50,000  
nobody there's no way nobody could have

1033  
00:37:53,270 --> 00:37:51,359  
been there they would have to took off

1034  
00:37:55,430 --> 00:37:53,280  
take off running because it's a straight

1035  
00:37:57,430 --> 00:37:55,440  
corridor there there's nowhere to cut or

1036  
00:37:59,510 --> 00:37:57,440  
turn and you know the prison corridors

1037  
00:38:02,950 --> 00:37:59,520  
man they last forever

1038  
00:38:05,510 --> 00:38:02,960

so that the man screaming

1039

00:38:07,829 --> 00:38:05,520

the shadows at manchester swamp all

1040

00:38:10,310 --> 00:38:07,839

those those three things were

1041

00:38:11,109 --> 00:38:10,320

were really amazing uh things that we

1042

00:38:13,589 --> 00:38:11,119

had happen

1043

00:38:14,710 --> 00:38:13,599

i was at penn hirsch state school in

1044

00:38:18,710 --> 00:38:14,720

asylum

1045

00:38:19,349 --> 00:38:18,720

in philadelphia and we were walking up

1046

00:38:22,069 --> 00:38:19,359

to this

1047

00:38:23,990 --> 00:38:22,079

out building and they used to beat and

1048

00:38:27,510 --> 00:38:24,000

abuse these kids there was a

1049

00:38:30,310 --> 00:38:27,520

hospital for uh the epilep epileptic

1050

00:38:32,150 --> 00:38:30,320

and the clinically insane yeah how do

1051

00:38:34,150 --> 00:38:32,160

those two go together right

1052

00:38:37,190 --> 00:38:34,160

but it was it was it they had a child

1053

00:38:38,950 --> 00:38:37,200

wing a woman's wing and a men's wing

1054

00:38:41,030 --> 00:38:38,960

and we were in the children's fluid at

1055

00:38:41,589 --> 00:38:41,040

this hospital and right before we walked

1056

00:38:43,670 --> 00:38:41,599

in

1057

00:38:45,589 --> 00:38:43,680

i seen and so did three other people

1058

00:38:46,230 --> 00:38:45,599

with me a man standing on the second

1059

00:38:49,109 --> 00:38:46,240

floor

1060

00:38:50,470 --> 00:38:49,119

they had a sheriff to brief us before we

1061

00:38:52,390 --> 00:38:50,480

started filming that night and the

1062

00:38:53,910 --> 00:38:52,400

sheriff said watch out because there's a

1063

00:38:55,589 --> 00:38:53,920

lot of homeless people

1064

00:38:58,230 --> 00:38:55,599

and we can't get them all out all the

1065

00:38:59,990 --> 00:38:58,240

time and you just never know

1066

00:39:01,349 --> 00:39:00,000

so be careful you know going around

1067

00:39:01,750 --> 00:39:01,359

corners and stuff what you might run

1068

00:39:05,270 --> 00:39:01,760

into

1069

00:39:06,870 --> 00:39:05,280

just be cool and call us if you need us

1070

00:39:08,630 --> 00:39:06,880

so we're getting ready to walk into this

1071

00:39:10,230 --> 00:39:08,640

place and i tell them you see that man

1072

00:39:12,470 --> 00:39:10,240

standing up there

1073

00:39:13,510 --> 00:39:12,480

and they look up and they say yep we

1074

00:39:15,349 --> 00:39:13,520

better call the sheriff

1075

00:39:17,270 --> 00:39:15,359

so they called the sheriff we went

1076

00:39:19,430 --> 00:39:17,280

inside guess what

1077

00:39:20,790 --> 00:39:19,440

there is no second floor the floor was

1078

00:39:22,230 --> 00:39:20,800

collapsed

1079

00:39:24,390 --> 00:39:22,240

there was no way nobody could have been

1080

00:39:28,710 --> 00:39:24,400

standing up there there was no floor

1081

00:39:30,870 --> 00:39:28,720

what so i i thought that was an amazing

1082

00:39:33,030 --> 00:39:30,880

one of the amazing things my tails from

1083

00:39:33,589 --> 00:39:33,040

the road man from filming the tv show

1084

00:39:35,990 --> 00:39:33,599

but

1085

00:39:37,750 --> 00:39:36,000

that stuff happens when you're on the

1086

00:39:39,430 --> 00:39:37,760

set usually you don't catch it with

1087

00:39:40,710 --> 00:39:39,440

camera though because the camera's not

1088

00:39:43,349 --> 00:39:40,720

rolling

1089

00:39:45,030 --> 00:39:43,359

that was when i seen that guy they told

1090

00:39:47,510 --> 00:39:45,040

me they said okay

1091

00:39:48,390 --> 00:39:47,520

uh they they seen it and they go well

1092

00:39:49,910 --> 00:39:48,400

we're going to start

1093

00:39:52,230 --> 00:39:49,920

rolling now because we weren't filming

1094

00:39:54,870 --> 00:39:52,240

we were just walking up to the place

1095

00:39:57,109 --> 00:39:54,880

and they go we're going to start rolling

1096

00:40:00,550 --> 00:39:57,119

so i had to replay

1097

00:40:02,310 --> 00:40:00,560

how i how i acted when i seen the guy

1098

00:40:02,870 --> 00:40:02,320

for the first time so i was like oh my

1099

00:40:05,430 --> 00:40:02,880

god

1100

00:40:06,870 --> 00:40:05,440

did you guys see the the dude up there

1101

00:40:09,190 --> 00:40:06,880

in the window or whatever

1102

00:40:10,390 --> 00:40:09,200

and you know that's tv magic that's how

1103

00:40:11,750 --> 00:40:10,400

they got to do that because you can't

1104

00:40:13,030 --> 00:40:11,760

you're not going to catch everything on

1105

00:40:15,270 --> 00:40:13,040

tape but

1106

00:40:16,309 --> 00:40:15,280

it uh man it was cool i wouldn't change

1107

00:40:18,550 --> 00:40:16,319

it for the world

1108

00:40:19,430 --> 00:40:18,560

it was kind of hard losing it though

1109

00:40:22,230 --> 00:40:19,440

because i thought

1110

00:40:24,150 --> 00:40:22,240

here we go i thought we did well i

1111

00:40:26,150 --> 00:40:24,160

thought we could compete with um

1112

00:40:27,430 --> 00:40:26,160

ghost adventures and all that we were

1113

00:40:30,870 --> 00:40:27,440

the first one

1114

00:40:32,710 --> 00:40:30,880

ghost investigation

1115

00:40:34,069 --> 00:40:32,720

we actually dove to the bottom of lake

1116

00:40:35,910 --> 00:40:34,079

rodo

1117

00:40:37,589 --> 00:40:35,920

uh looking for the ghost of martin

1118

00:40:40,470 --> 00:40:37,599

nelson

1119

00:40:42,230 --> 00:40:40,480

and uh i thought it was a good show but

1120

00:40:43,430 --> 00:40:42,240

they said we were too extreme and they

1121

00:40:46,710 --> 00:40:43,440

canceled us

1122

00:40:48,870 --> 00:40:46,720

wow and that's the way it is hollywood's

1123

00:40:53,190 --> 00:40:48,880

that way and tv is that way

1124

00:40:53,829 --> 00:40:53,200

and man i'm it's so true i'm glad that

1125

00:40:57,349 --> 00:40:53,839

you mentioned

1126

00:41:00,309 --> 00:40:57,359

how it really is because i've had those

1127

00:41:01,190 --> 00:41:00,319

situations too where at least you know

1128

00:41:03,270 --> 00:41:01,200

in your case they

1129

00:41:04,950 --> 00:41:03,280

they said hey let's reenact it and in my

1130

00:41:07,349 --> 00:41:04,960

case like we were done

1131

00:41:08,870 --> 00:41:07,359

filming i can't mention what it was but

1132

00:41:10,309 --> 00:41:08,880

we were done filming

1133

00:41:11,910 --> 00:41:10,319

and we're all just sitting there kind of

1134

00:41:12,710 --> 00:41:11,920

like you said you know hanging out

1135

00:41:16,069 --> 00:41:12,720

having a beer

1136

00:41:18,390 --> 00:41:16,079

and a taco i think and there and

1137

00:41:20,230 --> 00:41:18,400

all sudden you know the craziest light

1138

00:41:23,030 --> 00:41:20,240

you've ever seen

1139

00:41:23,829 --> 00:41:23,040

is in the you know back by a ridge and

1140

00:41:25,109 --> 00:41:23,839

anyway

1141

00:41:26,950 --> 00:41:25,119

there's nothing you can do it's like

1142

00:41:30,390 --> 00:41:26,960

okay well that was a wrap we're done

1143

00:41:33,349 --> 00:41:30,400

um but what are you gonna do about it

1144

00:41:33,990 --> 00:41:33,359

exactly there's nothing you can do yeah

1145

00:41:36,069 --> 00:41:34,000

you're always

1146

00:41:37,670 --> 00:41:36,079

out there see i love these stories about

1147

00:41:39,589 --> 00:41:37,680

it you love the stories i got i love

1148

00:41:41,109 --> 00:41:39,599

your stories man so we should interview

1149

00:41:41,670 --> 00:41:41,119

each other all day long just back and

1150

00:41:44,069 --> 00:41:41,680

forth

1151  
00:41:44,870 --> 00:41:44,079  
hey we could go on for hours before you

1152  
00:41:47,589 --> 00:41:44,880  
could but

1153  
00:41:48,870 --> 00:41:47,599  
they uh out where you're at out where

1154  
00:41:50,790 --> 00:41:48,880  
the studios is

1155  
00:41:52,069 --> 00:41:50,800  
and your home and everything you're

1156  
00:41:54,230 --> 00:41:52,079  
right there

1157  
00:41:55,910 --> 00:41:54,240  
you now have your own little piece of

1158  
00:41:58,550 --> 00:41:55,920  
god's country you have your own little

1159  
00:41:59,829 --> 00:41:58,560  
ranch out there right oh it's just just

1160  
00:42:00,790 --> 00:41:59,839  
a little something just a little

1161  
00:42:03,190 --> 00:42:00,800  
something where i can

1162  
00:42:05,030 --> 00:42:03,200  
you know park legally and and not get

1163  
00:42:05,990 --> 00:42:05,040

chased off but yeah it's it's a nice

1164

00:42:08,950 --> 00:42:06,000

place to kind of

1165

00:42:10,470 --> 00:42:08,960

unwind and and do whatever but getting

1166

00:42:13,910 --> 00:42:10,480

back to your

1167

00:42:17,750 --> 00:42:13,920

research style sean i gotta ask whether

1168

00:42:20,069 --> 00:42:17,760

it's diving to the bottom of a lake or

1169

00:42:21,910 --> 00:42:20,079

gator infested swamps at 2 am or a

1170

00:42:24,470 --> 00:42:21,920

historic haunted building

1171

00:42:25,430 --> 00:42:24,480

with your experience in oddness and high

1172

00:42:27,109 --> 00:42:25,440

strangeness

1173

00:42:28,550 --> 00:42:27,119

what are your thoughts on the recent

1174

00:42:32,630 --> 00:42:28,560

utah monolith

1175

00:42:36,069 --> 00:42:32,640

2020 in general and this darn virus

1176

00:42:39,270 --> 00:42:36,079

yeah my god first off

1177

00:42:41,109 --> 00:42:39,280

2020 what is it good for

1178

00:42:42,790 --> 00:42:41,119

you know what i mean we don't need it

1179

00:42:45,670 --> 00:42:42,800

man we got to get done with this year

1180

00:42:48,950 --> 00:42:45,680

it's killing us i i've had the worst

1181

00:42:52,870 --> 00:42:48,960

worst luck this year uh

1182

00:42:55,030 --> 00:42:52,880

it's just been like a bad dream man and

1183

00:42:56,710 --> 00:42:55,040

you know the monolith when i seen that i

1184

00:42:58,790 --> 00:42:56,720

kind of got excited because that's up

1185

00:43:01,190 --> 00:42:58,800

our alley i thought oh no this is cool

1186

00:43:04,550 --> 00:43:01,200

man straight out of space odyssey right

1187

00:43:07,030 --> 00:43:04,560

yeah the movie but i have

1188

00:43:08,550 --> 00:43:07,040

no idea then they had some people come

1189

00:43:09,670 --> 00:43:08,560

forward that's been doing it but there's

1190

00:43:11,190 --> 00:43:09,680

no way they could have

1191

00:43:13,349 --> 00:43:11,200

gotten them to the places that they've

1192

00:43:15,190 --> 00:43:13,359

been got it's it's like our modern day

1193

00:43:18,230 --> 00:43:15,200

crop circles

1194

00:43:19,270 --> 00:43:18,240

you know is it is it real is someone

1195

00:43:21,190 --> 00:43:19,280

staging these

1196

00:43:23,510 --> 00:43:21,200

and why would they go through the

1197

00:43:25,589 --> 00:43:23,520

trouble of making these things and and

1198

00:43:29,430 --> 00:43:25,599

placing them out there

1199

00:43:30,829 --> 00:43:29,440

um i don't know if you want to look at

1200

00:43:35,750 --> 00:43:30,839

it from a side of

1201

00:43:44,230 --> 00:43:40,790

kind of science maybe it's a sign

1202

00:43:45,990 --> 00:43:44,240

um i mean this has been crazy a year

1203

00:43:49,510 --> 00:43:46,000

it's been a good year

1204

00:43:51,430 --> 00:43:49,520

for ufology you can't you can't say uh

1205

00:43:53,349 --> 00:43:51,440

that it hasn't been because with the us

1206

00:43:57,349 --> 00:43:53,359

military admitting the existence of

1207

00:44:01,670 --> 00:44:00,230

it's it's been groundbreaking and now

1208

00:44:03,589 --> 00:44:01,680

this stuff happening

1209

00:44:06,390 --> 00:44:03,599

it's uh i don't know what do you think

1210

00:44:08,470 --> 00:44:06,400

it is i'm kind of the loss for it i have

1211

00:44:10,550 --> 00:44:08,480

no idea

1212

00:44:13,109 --> 00:44:10,560

i'm with you my man i don't think that

1213

00:44:14,790 --> 00:44:13,119

these i'm just gonna say it my opinion

1214

00:44:16,630 --> 00:44:14,800

i'm just gonna say it i don't think that

1215

00:44:18,630 --> 00:44:16,640

the people that are claiming

1216

00:44:20,710 --> 00:44:18,640

you know uh trying to sell these things

1217

00:44:22,950 --> 00:44:20,720

for 45 000 a pop

1218

00:44:24,630 --> 00:44:22,960

i don't think that that's necessarily

1219

00:44:25,510 --> 00:44:24,640

the way somebody who has hidden

1220

00:44:27,910 --> 00:44:25,520

something for

1221

00:44:29,670 --> 00:44:27,920

at least six years that we know of would

1222

00:44:33,750 --> 00:44:29,680

react to something like this

1223

00:44:36,390 --> 00:44:33,760

and i think you know i i watched a

1224

00:44:37,670 --> 00:44:36,400

a very good analysis on uh the youtube

1225

00:44:40,790 --> 00:44:37,680

channel was jailbreak

1226

00:44:42,470 --> 00:44:40,800

overlanders jailbreak overland and

1227

00:44:44,790 --> 00:44:42,480

the gentleman goes out there and he

1228

00:44:47,589 --> 00:44:44,800

can't he's like an overlander hardcore

1229

00:44:49,190 --> 00:44:47,599

guy for buying he can't find the thing

1230

00:44:51,510 --> 00:44:49,200

and he has a drone and he's like it's

1231

00:44:55,030 --> 00:44:51,520

not as easy to find as people are saying

1232

00:44:58,150 --> 00:44:55,040

well by the next day it's gone and

1233

00:44:59,910 --> 00:44:58,160

uh his moab buddies who have been to the

1234

00:45:02,230 --> 00:44:59,920

location and tested it

1235

00:45:02,950 --> 00:45:02,240

they found that it was super true you

1236

00:45:05,349 --> 00:45:02,960

know like

1237

00:45:07,510 --> 00:45:05,359

after five six years that we know of

1238

00:45:07,910 --> 00:45:07,520

barely being into the sandstone with

1239

00:45:11,190 --> 00:45:07,920

just

1240

00:45:11,990 --> 00:45:11,200

epoxy it was still totally true and the

1241

00:45:14,870 --> 00:45:12,000

placement

1242

00:45:16,470 --> 00:45:14,880

was strange in the amphitheater so like

1243

00:45:17,030 --> 00:45:16,480

if you were within a foot or two of this

1244

00:45:19,589 --> 00:45:17,040

thing

1245

00:45:20,309 --> 00:45:19,599

your voice sounded like you were on a pa

1246

00:45:21,910 --> 00:45:20,319

system

1247

00:45:24,150 --> 00:45:21,920

and if you were yeah and if you were

1248

00:45:24,710 --> 00:45:24,160

away from it like they could barely hear

1249

00:45:26,630 --> 00:45:24,720

you

1250

00:45:28,309 --> 00:45:26,640

and then the other odd thing is kind of

1251  
00:45:29,190 --> 00:45:28,319  
like it was sort of like a triangle

1252  
00:45:31,829 --> 00:45:29,200  
right

1253  
00:45:33,349 --> 00:45:31,839  
and the triangle aligned perfectly with

1254  
00:45:35,990 --> 00:45:33,359  
a waterfall that came

1255  
00:45:37,910 --> 00:45:36,000  
into the amphitheater so the belief is

1256  
00:45:39,589 --> 00:45:37,920  
that this would split the water as it

1257  
00:45:41,270 --> 00:45:39,599  
came in so it would go around you and

1258  
00:45:42,550 --> 00:45:41,280  
then your voice would be magnified and

1259  
00:45:44,230 --> 00:45:42,560  
it would just be like this surreal

1260  
00:45:47,109 --> 00:45:44,240  
experience if it was used in

1261  
00:45:49,430 --> 00:45:47,119  
an occult way but nobody's you know who

1262  
00:45:51,829 --> 00:45:49,440  
know we may never know

1263  
00:45:53,030 --> 00:45:51,839

so like a communication device possibly

1264

00:46:00,550 --> 00:45:53,040

if

1265

00:46:01,990 --> 00:46:00,560

gems here on earth i wish they would

1266

00:46:04,150 --> 00:46:02,000

give some instruction with them because

1267

00:46:06,950 --> 00:46:04,160

we need it

1268

00:46:08,950 --> 00:46:06,960

i mean my god it is as far you know how

1269

00:46:09,910 --> 00:46:08,960

dumb i sound i'm like well it's space

1270

00:46:11,349 --> 00:46:09,920

odyssey and

1271

00:46:15,030 --> 00:46:11,359

it's kind of like from the land of the

1272

00:46:18,710 --> 00:46:15,040

lost do you believe in life after love

1273

00:46:20,630 --> 00:46:18,720

remember yeah oh god what was the

1274

00:46:23,750 --> 00:46:20,640

monsters what was the reptiles names

1275

00:46:25,349 --> 00:46:23,760

the sleep bags they're so cool yeah they

1276

00:46:27,270 --> 00:46:25,359

had the crystals and

1277

00:46:29,270 --> 00:46:27,280

everything and they would talk into them

1278

00:46:31,349 --> 00:46:29,280

that's what it reminded me of

1279

00:46:33,270 --> 00:46:31,359

and the first thing that comes to mind

1280

00:46:37,270 --> 00:46:33,280

if it's a real deal

1281

00:46:44,309 --> 00:46:40,829

some way is this a modern day

1282

00:46:46,230 --> 00:46:44,319

uh communication

1283

00:46:47,829 --> 00:46:46,240

type of thing that we just don't know

1284

00:46:49,910 --> 00:46:47,839

how to use

1285

00:46:51,589 --> 00:46:49,920

and why would aliens drop technology

1286

00:46:53,330 --> 00:46:51,599

that they know

1287

00:46:54,710 --> 00:46:53,340

we can't use

1288

00:46:57,670 --> 00:46:54,720

[Music]

1289

00:46:59,750 --> 00:46:57,680

i don't know man it's strange and it is

1290

00:47:01,589 --> 00:46:59,760

i i think it's probably man-made

1291

00:47:02,790 --> 00:47:01,599

and i'm actually a hundred percent sure

1292

00:47:04,790 --> 00:47:02,800

i think it's man-made

1293

00:47:07,030 --> 00:47:04,800

and the weird thing is though why would

1294

00:47:09,829 --> 00:47:07,040

somebody go to all that expense and

1295

00:47:11,589 --> 00:47:09,839

it really is like you know 2001 a space

1296

00:47:12,630 --> 00:47:11,599

odyssey i think somebody did something

1297

00:47:15,910 --> 00:47:12,640

with this

1298

00:47:17,750 --> 00:47:15,920

six years or later and they had a riot

1299

00:47:19,109 --> 00:47:17,760

or a blast doing whatever they did and

1300

00:47:21,030 --> 00:47:19,119

since then it's hush hush but that's

1301

00:47:23,990 --> 00:47:21,040

just my personal opinion

1302

00:47:25,589 --> 00:47:24,000

but i don't know man i have to ask you

1303

00:47:27,670 --> 00:47:25,599

something that you mentioned that i have

1304

00:47:28,309 --> 00:47:27,680

not heard for a long time so i have to

1305

00:47:31,349 --> 00:47:28,319

do it

1306

00:47:32,309 --> 00:47:31,359

you mentioned the rugaroo and voodoo did

1307

00:47:35,349 --> 00:47:32,319

you have you come across

1308

00:47:38,630 --> 00:47:35,359

anything with the ruggeroo or voodoo

1309

00:47:42,549 --> 00:47:38,640

unfortunately i have yet to see

1310

00:47:45,990 --> 00:47:42,559

a werewolf i think

1311

00:47:49,270 --> 00:47:46,000

what they see down there is not a

1312

00:47:54,630 --> 00:47:49,280

werewolf but i think it's actually

1313

00:47:59,109 --> 00:47:57,109

because that's you hear that story down

1314

00:48:02,230 --> 00:47:59,119

there too but not as much as the

1315

00:48:08,390 --> 00:48:06,470

but we all know down in the swamps uh

1316

00:48:10,150 --> 00:48:08,400

you know boggy creek stuff like that

1317

00:48:11,510 --> 00:48:10,160

you've always heard the legends of the

1318

00:48:13,670 --> 00:48:11,520

big feet that are down there

1319

00:48:15,109 --> 00:48:13,680

but down in louisiana down in that part

1320

00:48:17,510 --> 00:48:15,119

of manchester swamp

1321

00:48:18,710 --> 00:48:17,520

you just never hear about the bigfoot

1322

00:48:20,710 --> 00:48:18,720

you always hear about the

1323

00:48:22,549 --> 00:48:20,720

wolfman but it's the same thing it

1324

00:48:25,750 --> 00:48:22,559

leaves prince it leaves hair

1325

00:48:29,750 --> 00:48:25,760

on trees it snaps the trees it throws

1326

00:48:32,150 --> 00:48:29,760

rocks things like that so it sounds

1327

00:48:33,910 --> 00:48:32,160

very similar to what the bigfoot

1328

00:48:35,430 --> 00:48:33,920

researchers when they go out what they

1329

00:48:38,470 --> 00:48:35,440

look for

1330

00:48:43,190 --> 00:48:38,480

and i tell you what the man that i

1331

00:48:45,190 --> 00:48:43,200

he was a frenchman and uh well he was

1332

00:48:46,790 --> 00:48:45,200

cajun i guess right they're all kind of

1333

00:48:50,710 --> 00:48:46,800

little french down there in the swamps

1334

00:48:54,069 --> 00:48:50,720

and um he swore by it

1335

00:48:57,270 --> 00:48:54,079

ryan he swears that he had seen

1336

00:49:01,589 --> 00:48:57,280

through guru uh

1337

00:49:03,910 --> 00:49:01,599

monthly that it walks his

1338

00:49:05,589 --> 00:49:03,920

walks the swamp up and down back and

1339

00:49:07,030 --> 00:49:05,599

forth he even had trail cameras out

1340

00:49:08,790 --> 00:49:07,040

there to catch things and he had

1341

00:49:11,109 --> 00:49:08,800

pictures of shadows and

1342

00:49:13,349 --> 00:49:11,119

you know the stuff like that but i think

1343

00:49:16,309 --> 00:49:13,359

that's what it is i think it's a bigfoot

1344

00:49:17,750 --> 00:49:16,319

i'm not i've i don't know i'm not saying

1345

00:49:19,990 --> 00:49:17,760

that

1346

00:49:22,870 --> 00:49:20,000

lycanthrope can't exist or whatever

1347

00:49:25,589 --> 00:49:22,880

maybe that there's a possibility

1348

00:49:26,950 --> 00:49:25,599

something like that is a crypto type

1349

00:49:28,950 --> 00:49:26,960

thing

1350

00:49:31,109 --> 00:49:28,960

but that's what i think it is i think

1351

00:49:33,910 --> 00:49:31,119

it's bigfoot

1352

00:49:34,390 --> 00:49:33,920

yeah man because this stuff happens i i

1353

00:49:36,309 --> 00:49:34,400

was just

1354

00:49:37,990 --> 00:49:36,319

uh there's a gentleman in the four

1355

00:49:41,270 --> 00:49:38,000

corners area

1356

00:49:43,109 --> 00:49:41,280

and he swears like you said that these

1357

00:49:45,750 --> 00:49:43,119

lichens is what he calls them but yeah i

1358

00:49:47,990 --> 00:49:45,760

think werewolf or or skinwalker

1359

00:49:48,790 --> 00:49:48,000

and shapeshifter but he says that these

1360

00:49:50,950 --> 00:49:48,800

things

1361

00:49:52,790 --> 00:49:50,960

have like infested one side of his

1362

00:49:53,670 --> 00:49:52,800

property and that on the other side of

1363

00:49:56,390 --> 00:49:53,680

the property

1364

00:49:57,510 --> 00:49:56,400

he has these more sasquatchy things and

1365

00:49:58,470 --> 00:49:57,520

that they actually get into it

1366

00:50:00,309 --> 00:49:58,480

occasionally

1367

00:50:01,750 --> 00:50:00,319

and i mean it's just so hard to believe

1368

00:50:02,470 --> 00:50:01,760

but there's got to be something to it

1369

00:50:05,670 --> 00:50:02,480

because there's

1370

00:50:07,670 --> 00:50:05,680

well anyway let's get back to uh

1371

00:50:09,349 --> 00:50:07,680

another quick question before we kind of

1372

00:50:11,190 --> 00:50:09,359

wrap it up since we're getting there

1373

00:50:13,030 --> 00:50:11,200

how about voodoo did you ever come

1374

00:50:16,309 --> 00:50:13,040

across any voodoo strange

1375

00:50:18,390 --> 00:50:16,319

belongings or artifacts you know down

1376

00:50:20,390 --> 00:50:18,400

here when we went to manchester swamp

1377

00:50:23,430 --> 00:50:20,400

they took us to this old part

1378

00:50:26,230 --> 00:50:23,440

of town and

1379

00:50:27,109 --> 00:50:26,240

we were supposed to meet the lady named

1380

00:50:30,150 --> 00:50:27,119

priestess

1381

00:50:30,549 --> 00:50:30,160

miriam and she is the direct descendant

1382

00:50:34,630 --> 00:50:30,559

of

1383

00:50:37,589 --> 00:50:34,640

the voodoo queen marie laveau

1384

00:50:39,190 --> 00:50:37,599

and she we walked into this old house

1385

00:50:41,190 --> 00:50:39,200

and it had a shop that sold

1386

00:50:42,790 --> 00:50:41,200

artifacts and stuff like that out front

1387

00:50:46,230 --> 00:50:42,800

and in the back

1388

00:50:46,710 --> 00:50:46,240

it was this little room when we went in

1389

00:50:49,030 --> 00:50:46,720

it was

1390

00:50:50,710 --> 00:50:49,040

burning hot and she was sitting there in

1391

00:50:54,630 --> 00:50:50,720

full headdress

1392

00:50:56,950 --> 00:50:54,640

uh almost like native american and

1393

00:50:59,190 --> 00:50:56,960

there were statues of the pope with the

1394

00:50:59,750 --> 00:50:59,200

face painted black and money rolled up

1395

00:51:02,790 --> 00:50:59,760

and like

1396

00:51:04,230 --> 00:51:02,800

subbed in his hand uh there was voodoo

1397

00:51:05,750 --> 00:51:04,240

statues

1398

00:51:07,430 --> 00:51:05,760

that you would see like in the movies

1399

00:51:09,430 --> 00:51:07,440

and stuff like that you would think of

1400

00:51:11,510 --> 00:51:09,440

a lot of you know because that's what it

1401  
00:51:14,710 --> 00:51:11,520  
is it's haitian catholicism

1402  
00:51:15,910 --> 00:51:14,720  
if you will and i learned a lot about it

1403  
00:51:19,349 --> 00:51:15,920  
while i was there

1404  
00:51:19,990 --> 00:51:19,359  
and we had a chance to uh interview the

1405  
00:51:22,549 --> 00:51:20,000  
priestess

1406  
00:51:24,390 --> 00:51:22,559  
and they kept they got to a point where

1407  
00:51:24,870 --> 00:51:24,400  
they wanted to get a clip of her saying

1408  
00:51:27,030 --> 00:51:24,880  
yes

1409  
00:51:29,349 --> 00:51:27,040  
ghost can kill you right for the

1410  
00:51:32,790 --> 00:51:29,359  
production value

1411  
00:51:34,390 --> 00:51:32,800  
so she would not say that she would not

1412  
00:51:35,990 --> 00:51:34,400  
say a ghost can kill you because she

1413  
00:51:37,430 --> 00:51:36,000

kept saying if you're protected you

1414

00:51:39,829 --> 00:51:37,440

believe in god

1415

00:51:41,030 --> 00:51:39,839

this and this and that they cannot harm

1416

00:51:44,470 --> 00:51:41,040

you in that way

1417

00:51:47,510 --> 00:51:44,480

but what she did say is they can

1418

00:51:49,430 --> 00:51:47,520

cause you to harm yourself through

1419

00:51:51,109 --> 00:51:49,440

fear through possession through things

1420

00:51:52,710 --> 00:51:51,119

of that nature

1421

00:51:54,309 --> 00:51:52,720

so of course they got her all the way

1422

00:51:56,069 --> 00:51:54,319

down to her going through that

1423

00:51:58,069 --> 00:51:56,079

explanation and then finally she said

1424

00:51:59,750 --> 00:51:58,079

if all that happens yes the ghost can

1425

00:52:01,510 --> 00:51:59,760

kill you so they took that

1426

00:52:02,870 --> 00:52:01,520

last little part yes the ghost could

1427

00:52:06,309 --> 00:52:02,880

kill you and they use

1428

00:52:09,190 --> 00:52:06,319

that uh during the episode

1429

00:52:10,390 --> 00:52:09,200

the only time that i was down there that

1430

00:52:14,069 --> 00:52:10,400

i came into

1431

00:52:15,829 --> 00:52:14,079

close contact was she was doing a

1432

00:52:20,549 --> 00:52:15,839

ceremony

1433

00:52:24,309 --> 00:52:20,559

um papa lugma and mama

1434

00:52:26,230 --> 00:52:24,319

is two of the daddies that they pray to

1435

00:52:27,829 --> 00:52:26,240

and we were out in the middle of swamp

1436

00:52:29,510 --> 00:52:27,839

and if you go back and you watch it on

1437

00:52:31,270 --> 00:52:29,520

youtube guys or whatever extreme

1438

00:52:34,470 --> 00:52:31,280

paranormal

1439

00:52:36,309 --> 00:52:34,480

you'll see that they made us

1440

00:52:38,150 --> 00:52:36,319

this nathan would always be the occult

1441

00:52:41,589 --> 00:52:38,160

guy he would do these

1442

00:52:45,190 --> 00:52:41,599

uh these uh

1443

00:52:47,589 --> 00:52:45,200

seances or rituals or whatever and

1444

00:52:50,390 --> 00:52:47,599

we would rush in and try to find out the

1445

00:52:52,069 --> 00:52:50,400

whole basis of the show was show me

1446

00:52:53,750 --> 00:52:52,079

if satan is in the other room and

1447

00:52:55,190 --> 00:52:53,760

knocking on this piece of wood three

1448

00:52:57,430 --> 00:52:55,200

times makes him appear

1449

00:52:59,349 --> 00:52:57,440

let's why not knock on the wood three

1450

00:53:00,549 --> 00:52:59,359

times this is what we're here for

1451

00:53:02,470 --> 00:53:00,559

you know because a lot of the ghost

1452

00:53:04,710 --> 00:53:02,480

shows are like oh don't say that name

1453

00:53:05,829 --> 00:53:04,720

or don't do it why that's why you're

1454

00:53:08,870 --> 00:53:05,839

here

1455

00:53:10,630 --> 00:53:08,880

to make this stuff happen you know if

1456

00:53:12,470 --> 00:53:10,640

they always say don't say that devil's

1457

00:53:13,990 --> 00:53:12,480

name don't say that demon's name but

1458

00:53:15,990 --> 00:53:14,000

that's why you're there

1459

00:53:18,230 --> 00:53:16,000

to say the name and see what happens i

1460

00:53:19,190 --> 00:53:18,240

mean i'm sorry but this is a risky field

1461

00:53:21,750 --> 00:53:19,200

we're in

1462

00:53:22,630 --> 00:53:21,760

and uh sometimes you have to go for the

1463

00:53:24,069 --> 00:53:22,640

gold man

1464

00:53:26,069 --> 00:53:24,079

you know and just hope you said your

1465

00:53:28,710 --> 00:53:26,079

prayers i guess but

1466

00:53:30,710 --> 00:53:28,720

it's a dangerous field but we were down

1467

00:53:34,549 --> 00:53:30,720

there in the swamp

1468

00:53:37,190 --> 00:53:34,559

we're doing this ritual and nathan's

1469

00:53:39,589 --> 00:53:37,200

he he's barely knows what he's doing

1470

00:53:41,510 --> 00:53:39,599

they kind of rehearsed it with him

1471

00:53:43,670 --> 00:53:41,520

and he had done his studies but he's not

1472

00:53:46,230 --> 00:53:43,680

a voodoo practitioner

1473

00:53:47,349 --> 00:53:46,240

but for the episode he was doing this

1474

00:53:49,670 --> 00:53:47,359

ritual

1475

00:53:51,670 --> 00:53:49,680

so i'm sitting there listening and he's

1476  
00:53:53,430 --> 00:53:51,680  
smoking his cigar and blowing the smoke

1477  
00:53:54,390 --> 00:53:53,440  
and he's got his rum out making this

1478  
00:53:56,230 --> 00:53:54,400  
offering

1479  
00:53:57,589 --> 00:53:56,240  
and me and jason the other guy that was

1480  
00:53:59,270 --> 00:53:57,599  
on the show with me were sitting there

1481  
00:54:01,829 --> 00:53:59,280  
in this circle watching

1482  
00:54:04,150 --> 00:54:01,839  
and waiting on something to happen and

1483  
00:54:07,109 --> 00:54:04,160  
all of a sudden

1484  
00:54:09,190 --> 00:54:07,119  
our ears popped like a pressure had

1485  
00:54:11,109 --> 00:54:09,200  
changed in the atmosphere like

1486  
00:54:13,589 --> 00:54:11,119  
you know how when the pressure changes

1487  
00:54:17,109 --> 00:54:13,599  
your ears will pop right

1488  
00:54:19,829 --> 00:54:17,119

so my ears popped

1489

00:54:20,870 --> 00:54:19,839

and no sooner they pop nathan's eyes

1490

00:54:25,109 --> 00:54:20,880

roll back white

1491

00:54:26,230 --> 00:54:25,119

you can't see pupil at all you can't see

1492

00:54:28,069 --> 00:54:26,240

anything

1493

00:54:29,589 --> 00:54:28,079

his eyes are totally white like in a

1494

00:54:32,150 --> 00:54:29,599

horror movie

1495

00:54:34,630 --> 00:54:32,160

and i think my god if he's if he's

1496

00:54:36,390 --> 00:54:34,640

faking this he's doing a great job right

1497

00:54:37,990 --> 00:54:36,400

so and we didn't fake anything on the

1498

00:54:41,030 --> 00:54:38,000

show and if people like to say

1499

00:54:42,230 --> 00:54:41,040

you know that the show we faked stuff

1500

00:54:44,150 --> 00:54:42,240

and everything else that was all

1501  
00:54:45,750 --> 00:54:44,160  
[h\_\_h] that never happened not once i

1502  
00:54:49,109 --> 00:54:45,760  
wouldn't do it

1503  
00:54:53,190 --> 00:54:49,119  
so his eyes rolled back

1504  
00:54:57,109 --> 00:54:53,200  
and he was speaking like a garbled

1505  
00:54:58,789 --> 00:54:57,119  
whatever he would say a word of the

1506  
00:55:01,510 --> 00:54:58,799  
ritual he was doing and then he would

1507  
00:55:06,069 --> 00:55:04,950  
and then he collapsed and i know he

1508  
00:55:08,230 --> 00:55:06,079  
wasn't pretending because

1509  
00:55:10,950 --> 00:55:08,240  
he collapsed face first into an ant hill

1510  
00:55:13,109 --> 00:55:10,960  
of red ants in the middle of the swamp

1511  
00:55:14,870 --> 00:55:13,119  
so he was laying on the ground shaking

1512  
00:55:16,789 --> 00:55:14,880  
like he was going into seizures

1513  
00:55:18,870 --> 00:55:16,799

and we grabbed both of well when we

1514

00:55:21,750 --> 00:55:18,880

figured out what was going on

1515

00:55:23,270 --> 00:55:21,760

and they yelled cut we grabbed both of

1516

00:55:24,710 --> 00:55:23,280

his arms took him back to the boat and

1517

00:55:25,430 --> 00:55:24,720

started dousing him with cold water

1518

00:55:27,349 --> 00:55:25,440

because we figured

1519

00:55:28,710 --> 00:55:27,359

it must have been 110 degrees out there

1520

00:55:31,030 --> 00:55:28,720

in the swamp that night

1521

00:55:33,109 --> 00:55:31,040

thought maybe heat stroke or something

1522

00:55:34,390 --> 00:55:33,119

but he swears up and down that he became

1523

00:55:36,870 --> 00:55:34,400

possessed

1524

00:55:38,309 --> 00:55:36,880

by doing that ritual and the ritual was

1525

00:55:40,789 --> 00:55:38,319

to open

1526

00:55:42,309 --> 00:55:40,799

the gateway to the other side that's

1527

00:55:44,710 --> 00:55:42,319

when we lowered

1528

00:55:46,069 --> 00:55:44,720

one of the cast mates into the ground

1529

00:55:48,230 --> 00:55:46,079

into a coffin

1530

00:55:50,870 --> 00:55:48,240

so he could be in the world of the dead

1531

00:55:54,390 --> 00:55:50,880

and we could better communicate with him

1532

00:55:57,030 --> 00:55:54,400

and i think for that moment

1533

00:55:59,990 --> 00:55:57,040

that by nathan doing that ritual by not

1534

00:56:03,910 --> 00:56:00,000

knowing what the hell we were doing

1535

00:56:06,069 --> 00:56:03,920

and by going 100 balls to the wall

1536

00:56:07,510 --> 00:56:06,079

that we unlocked something that

1537

00:56:10,309 --> 00:56:07,520

shouldn't have been unlocked by people

1538

00:56:12,150 --> 00:56:10,319

who didn't know what was going on

1539

00:56:14,630 --> 00:56:12,160

that was my first very real experience

1540

00:56:18,789 --> 00:56:14,640

with voodoo

1541

00:56:21,829 --> 00:56:18,799

wow man so so spooky

1542

00:56:24,710 --> 00:56:21,839

and you know in my opinion sean

1543

00:56:26,950 --> 00:56:24,720

nobody really takes the listeners to the

1544

00:56:28,390 --> 00:56:26,960

creepiness like yourself my man i'm a

1545

00:56:31,510 --> 00:56:28,400

fan for life

1546

00:56:33,829 --> 00:56:31,520

and before we get done where can

1547

00:56:35,190 --> 00:56:33,839

listeners follow your archive of shows

1548

00:56:36,950 --> 00:56:35,200

keep up with your work

1549

00:56:38,549 --> 00:56:36,960

and just support all the awesome stuff

1550

00:56:41,910 --> 00:56:38,559

you've done do and will do

1551  
00:56:44,069 --> 00:56:41,920  
youtube etc absolutely brother

1552  
00:56:46,150 --> 00:56:44,079  
guys i am the ghost man sean burris and

1553  
00:56:50,510 --> 00:56:46,160  
you can catch all the archives

1554  
00:56:51,829 --> 00:56:50,520  
14 years plus at shadownation.com that's

1555  
00:56:53,670 --> 00:56:51,839  
shadownation.com

1556  
00:56:55,190 --> 00:56:53,680  
you can follow us on instagram that's

1557  
00:57:00,470 --> 00:56:55,200  
shadownat

1558  
00:57:05,829 --> 00:57:03,829  
and facebook shadow nation podcast

1559  
00:57:07,750 --> 00:57:05,839  
um you can follow see what's going on

1560  
00:57:09,270 --> 00:57:07,760  
new see where we're going to be at next

1561  
00:57:11,109 --> 00:57:09,280  
and what we got going on i've been kind

1562  
00:57:12,950 --> 00:57:11,119  
of taking a revamp period

1563  
00:57:14,630 --> 00:57:12,960

getting everything back but you got 14

1564

00:57:16,549 --> 00:57:14,640

years of stuff to listen to to catch up

1565

00:57:19,069 --> 00:57:16,559

before i start new episodes anyway

1566

00:57:21,030 --> 00:57:19,079

so that should keep you busy but

1567

00:57:21,990 --> 00:57:21,040

shadownation.com is definitely the best

1568

00:57:23,510 --> 00:57:22,000

place to get

1569

00:57:25,270 --> 00:57:23,520

everything you can shoot me an email

1570

00:57:27,670 --> 00:57:25,280

tell me what you'd like to hear

1571

00:57:28,950 --> 00:57:27,680

or send me any questions you might have

1572

00:57:29,750 --> 00:57:28,960

and of course you can listen to our

1573

00:57:31,990 --> 00:57:29,760

buddy ryan

1574

00:57:33,910 --> 00:57:32,000

ryan burns skinwalker and beyond and so

1575

00:57:35,430 --> 00:57:33,920

much more because his episode's up in

1576

00:57:38,470 --> 00:57:35,440

the archives too guys so

1577

00:57:39,990 --> 00:57:38,480

that's that's where it's at ryan so cool

1578

00:57:41,829 --> 00:57:40,000

man and the episodes are so

1579

00:57:43,750 --> 00:57:41,839

good you guys out of the episodes that

1580

00:57:45,589 --> 00:57:43,760

hit me the hardest i mean i've mentioned

1581

00:57:47,030 --> 00:57:45,599

some of them just to you personally but

1582

00:57:49,670 --> 00:57:47,040

your halloween episodes

1583

00:57:51,109 --> 00:57:49,680

wow you love halloween like myself and

1584

00:57:52,789 --> 00:57:51,119

my neighbors know

1585

00:57:54,870 --> 00:57:52,799

that the only season i decorate more

1586

00:57:56,950 --> 00:57:54,880

than christmas is halloween and i know

1587

00:57:58,950 --> 00:57:56,960

that you also enjoy a good uh

1588

00:58:01,109 --> 00:57:58,960

beer and even go seasonal with some of

1589

00:58:02,309 --> 00:58:01,119

the uh halloween seasonal beers so good

1590

00:58:04,230 --> 00:58:02,319

man

1591

00:58:06,950 --> 00:58:04,240

absolutely hey you know you mentioned

1592

00:58:09,670 --> 00:58:06,960

briefly before about that exorcism uh

1593

00:58:11,270 --> 00:58:09,680

dr richard gallagher he came on the show

1594

00:58:12,470 --> 00:58:11,280

that was a good one man that was my

1595

00:58:15,829 --> 00:58:12,480

latest

1596

00:58:17,589 --> 00:58:15,839

uh crazy experience with the crucifix

1597

00:58:20,710 --> 00:58:17,599

being torn and everything

1598

00:58:22,150 --> 00:58:20,720

if you if if

1599

00:58:23,910 --> 00:58:22,160

if you have a couple extra minutes can

1600

00:58:28,150 --> 00:58:23,920

we go into that one

1601

00:58:31,270 --> 00:58:28,160

sure sure absolutely oh my man

1602

00:58:32,950 --> 00:58:31,280

how did it how did it all go down well

1603

00:58:35,910 --> 00:58:32,960

it was dr richard gallagher

1604

00:58:38,069 --> 00:58:35,920

and he is the board certified clinical

1605

00:58:38,630 --> 00:58:38,079

psychologist for the entire catholic

1606

00:58:41,109 --> 00:58:38,640

church

1607

00:58:42,150 --> 00:58:41,119

in the united states which means every

1608

00:58:44,950 --> 00:58:42,160

exorcist

1609

00:58:47,430 --> 00:58:44,960

has to be done in the united states has

1610

00:58:49,190 --> 00:58:47,440

to the case file has to be evaluated by

1611

00:58:51,829 --> 00:58:49,200

this guy

1612

00:58:53,670 --> 00:58:51,839

and i thought it was fascinating i was

1613

00:58:54,390 --> 00:58:53,680

researching i finally found this guy and

1614

00:58:57,910 --> 00:58:54,400

he's a

1615

00:59:00,470 --> 00:58:57,920

board-certified psychologist a big one

1616

00:59:02,069 --> 00:59:00,480

that had been to uh harvard in yale and

1617

00:59:03,190 --> 00:59:02,079

in places like this so he knows his

1618

00:59:05,670 --> 00:59:03,200

stuff

1619

00:59:07,750 --> 00:59:05,680

and he will tell you 100 that demons

1620

00:59:09,910 --> 00:59:07,760

exist in their room

1621

00:59:12,309 --> 00:59:09,920

and he came on that he just dropped the

1622

00:59:14,950 --> 00:59:12,319

book i forget the name of it ryan

1623

00:59:16,950 --> 00:59:14,960

um i'll have to give it to you later but

1624

00:59:17,510 --> 00:59:16,960

he just dropped the book guys demonic

1625

00:59:21,750 --> 00:59:17,520

foes

1626  
00:59:23,270 --> 00:59:21,760  
a damn good book your listeners need to

1627  
00:59:26,549 --> 00:59:23,280  
check it out

1628  
00:59:28,470 --> 00:59:26,559  
anyway i got this gentleman on the show

1629  
00:59:30,789 --> 00:59:28,480  
and you guys can check this episode out

1630  
00:59:32,230 --> 00:59:30,799  
it was just last year

1631  
00:59:34,870 --> 00:59:32,240  
and it's towards the very top in the

1632  
00:59:36,950 --> 00:59:34,880  
archives and he starts talking about the

1633  
00:59:38,309 --> 00:59:36,960  
case of julia

1634  
00:59:40,630 --> 00:59:38,319  
and that's a fake name that he used

1635  
00:59:42,309 --> 00:59:40,640  
because you couldn't use her real name

1636  
00:59:43,910 --> 00:59:42,319  
julia was a young lady that was

1637  
00:59:45,990 --> 00:59:43,920  
possessed by demons

1638  
00:59:46,950 --> 00:59:46,000

and she called a priest out and the

1639

00:59:50,390 --> 00:59:46,960

priest called dr

1640

00:59:51,190 --> 00:59:50,400

gallagher for help and dr gallagher goes

1641

00:59:55,270 --> 00:59:51,200

on through this

1642

00:59:56,950 --> 00:59:55,280

um phone call with me telling me how

1643

00:59:58,950 --> 00:59:56,960

the priest had called him one night the

1644

01:00:00,150 --> 00:59:58,960

priest was this case was probably 50

1645

01:00:01,910 --> 01:00:00,160

miles away

1646

01:00:04,789 --> 01:00:01,920

and he was at home with his wife dr

1647

01:00:06,870 --> 01:00:04,799

gallagher and the priest had called

1648

01:00:08,390 --> 01:00:06,880

dr gallagher he wasn't even the priest

1649

01:00:10,309 --> 01:00:08,400

wasn't even in the girl's house he

1650

01:00:13,349 --> 01:00:10,319

wasn't even around the possessed girl

1651

01:00:15,829 --> 01:00:13,359

but while they're talking

1652

01:00:17,589 --> 01:00:15,839

while they're having this conversation

1653

01:00:20,390 --> 01:00:17,599

they start hearing

1654

01:00:21,910 --> 01:00:20,400

interference on the line and then they

1655

01:00:25,430 --> 01:00:21,920

hear a voice say

1656

01:00:27,510 --> 01:00:25,440

i said leave her alone like that

1657

01:00:28,549 --> 01:00:27,520

and dr gallagher told the priest did you

1658

01:00:30,549 --> 01:00:28,559

just hear that

1659

01:00:33,030 --> 01:00:30,559

and the priest says yeah this stuff

1660

01:00:35,430 --> 01:00:33,040

happens yada yada when we're doing

1661

01:00:37,270 --> 01:00:35,440

involved in cases sometimes you'll get

1662

01:00:40,549 --> 01:00:37,280

voices on the phone

1663

01:00:41,270 --> 01:00:40,559

things of that nature dr gallagher said

1664

01:00:42,630 --> 01:00:41,280

okay they

1665

01:00:44,870 --> 01:00:42,640

discussed their business they hung up

1666

01:00:46,230 --> 01:00:44,880

the phone later that night dr gallagher

1667

01:00:48,309 --> 01:00:46,240

has three cats

1668

01:00:49,990 --> 01:00:48,319

they all got in this huge fight where

1669

01:00:51,829 --> 01:00:50,000

there was blood i mean these cats have

1670

01:00:52,710 --> 01:00:51,839

been together since kittens they never

1671

01:00:54,150 --> 01:00:52,720

fought

1672

01:00:55,750 --> 01:00:54,160

and all of a sudden there's blood

1673

01:00:57,349 --> 01:00:55,760

flowing they're scratching each other

1674

01:00:59,670 --> 01:00:57,359

they're ripping each other's hairs out

1675

01:01:01,990 --> 01:00:59,680

and everything else well the next day

1676

01:01:03,750 --> 01:01:02,000

dr gallagher gets up he went to work and

1677

01:01:04,870 --> 01:01:03,760

then he was supposed to go see julia

1678

01:01:08,069 --> 01:01:04,880

this possessed lady

1679

01:01:10,950 --> 01:01:08,079

to set in on this exorcism

1680

01:01:12,309 --> 01:01:10,960

this lady when he gets there sets up in

1681

01:01:16,390 --> 01:01:12,319

bed

1682

01:01:19,910 --> 01:01:16,400

and asked him if he enjoyed the cats

1683

01:01:23,109 --> 01:01:19,920

there's no way that she could have known

1684

01:01:26,950 --> 01:01:23,119

he said that he had owned cats

1685

01:01:29,430 --> 01:01:26,960

that he was even coming over that day

1686

01:01:31,589 --> 01:01:29,440

gives me that show somehow she did and

1687

01:01:32,549 --> 01:01:31,599

right when he gets to that part of the

1688

01:01:35,750 --> 01:01:32,559

story

1689

01:01:38,950 --> 01:01:35,760

you guys can hear it for yourself during

1690

01:01:39,430 --> 01:01:38,960

the episode that i'm doing with him you

1691

01:01:42,470 --> 01:01:39,440

start

1692

01:01:43,990 --> 01:01:42,480

hearing voices in the background i'm not

1693

01:01:46,710 --> 01:01:44,000

talking about it me me me

1694

01:01:48,950 --> 01:01:46,720

i'm talking about voices whispering and

1695

01:01:51,990 --> 01:01:48,960

it starts and it doesn't stop

1696

01:01:54,470 --> 01:01:52,000

it goes in and out i could

1697

01:01:56,230 --> 01:01:54,480

barely hear it during the interview i

1698

01:01:57,430 --> 01:01:56,240

thought maybe it was a tv on in the

1699

01:01:59,910 --> 01:01:57,440

background

1700

01:02:01,750 --> 01:01:59,920

uh on his end that's how low it was but

1701

01:02:02,549 --> 01:02:01,760

when i played it back and i was editing

1702

01:02:07,589 --> 01:02:02,559

it

1703

01:02:09,750 --> 01:02:07,599

young woman's voice and she's whispering

1704

01:02:10,710 --> 01:02:09,760

the whole time i'm talking to him i

1705

01:02:13,829 --> 01:02:10,720

would say a good

1706

01:02:15,750 --> 01:02:13,839

10 minutes of the interview uh i catch

1707

01:02:18,069 --> 01:02:15,760

this woman whispering

1708

01:02:18,950 --> 01:02:18,079

on the interview now similar to the

1709

01:02:20,630 --> 01:02:18,960

dybbuk box

1710

01:02:22,069 --> 01:02:20,640

when i got off the phone with dr

1711

01:02:24,069 --> 01:02:22,079

gallagher

1712

01:02:26,470 --> 01:02:24,079

i had knocking in the studio because now

1713

01:02:28,069 --> 01:02:26,480

my studio is in my home

1714

01:02:30,309 --> 01:02:28,079

when i was downstairs i'm watching

1715

01:02:33,589 --> 01:02:30,319

football sunday night football

1716

01:02:36,230 --> 01:02:33,599

i hear knocking up in the studio

1717

01:02:38,150 --> 01:02:36,240

my wife my daughter in bed the dog and

1718

01:02:40,069 --> 01:02:38,160

the cat are in bed with them

1719

01:02:41,270 --> 01:02:40,079

i run upstairs there's nothing in the

1720

01:02:44,390 --> 01:02:41,280

studio

1721

01:02:48,150 --> 01:02:44,400

knock

1722

01:02:50,870 --> 01:02:48,160

down stairs so i went downstairs just

1723

01:02:52,549 --> 01:02:50,880

like demons or cowards because they are

1724

01:02:54,309 --> 01:02:52,559

they'll do little things like that to

1725

01:02:55,349 --> 01:02:54,319

kind of get you startled and get the

1726

01:02:57,829 --> 01:02:55,359

fear going

1727

01:02:59,349 --> 01:02:57,839

at least that's what dr gallagher says

1728

01:03:01,750 --> 01:02:59,359

so i couldn't find where these knocks

1729

01:03:04,950 --> 01:03:01,760

were coming from

1730

01:03:06,789 --> 01:03:04,960

the next day i

1731

01:03:09,270 --> 01:03:06,799

had been off work i hadn't gotten in my

1732

01:03:11,029 --> 01:03:09,280

car for three days

1733

01:03:12,710 --> 01:03:11,039

the next day i went to get in my car to

1734

01:03:14,789 --> 01:03:12,720

go to work and i had

1735

01:03:16,470 --> 01:03:14,799

a rosary hanging from the rearview

1736

01:03:19,670 --> 01:03:16,480

mirror yeah

1737

01:03:21,910 --> 01:03:19,680

just the crucifix had been ripped off

1738

01:03:22,789 --> 01:03:21,920

and it was thrown in the passenger side

1739

01:03:26,710 --> 01:03:22,799

seat

1740

01:03:28,470 --> 01:03:26,720

nobody had been in my car for three days

1741

01:03:29,990 --> 01:03:28,480

i and i don't know what to think about

1742

01:03:33,029 --> 01:03:30,000

that but

1743

01:03:35,510 --> 01:03:33,039

uh that was one of my last experiences

1744

01:03:37,430 --> 01:03:35,520

uh doing the podcast i call it win

1745

01:03:39,190 --> 01:03:37,440

podcast attack

1746

01:03:41,029 --> 01:03:39,200

the life and life and times of a

1747

01:03:44,630 --> 01:03:41,039

paranormal podcaster because

1748

01:03:47,670 --> 01:03:44,640

this stuff is real and it does affect us

1749

01:03:49,510 --> 01:03:47,680

ryan uh in strange ways and if you're

1750

01:03:51,029 --> 01:03:49,520

doing this type of stuff man it puts us

1751

01:03:53,270 --> 01:03:51,039

right on the railroad tracks

1752

01:03:54,309 --> 01:03:53,280

and the train's coming baby you got to

1753

01:03:56,150 --> 01:03:54,319

be ready

1754

01:03:57,990 --> 01:03:56,160

but your listeners can look check that

1755

01:04:00,870 --> 01:03:58,000

one out too at shadownation.com it's

1756

01:04:02,470 --> 01:04:00,880

under dr richard gallagher

1757

01:04:04,150 --> 01:04:02,480

you won't miss it it's like three or

1758

01:04:07,029 --> 01:04:04,160

four episodes down and it says

1759

01:04:08,549 --> 01:04:07,039

the demon exorcist interview or

1760

01:04:11,829 --> 01:04:08,559

something

1761

01:04:13,910 --> 01:04:11,839

but yeah that was a scary one for me

1762

01:04:15,750 --> 01:04:13,920

such a scary tale the part about the

1763

01:04:17,589 --> 01:04:15,760

cats just gives me the chills because

1764

01:04:19,029 --> 01:04:17,599

i've heard that in so many other cases

1765

01:04:22,150 --> 01:04:19,039

involving exorcisms

1766

01:04:23,190 --> 01:04:22,160

demons anyway man you do it all aliens

1767

01:04:25,990 --> 01:04:23,200

swamp gators

1768

01:04:26,549 --> 01:04:26,000

and diving for ghosts i can't thank you

1769

01:04:28,390 --> 01:04:26,559

enough

1770

01:04:31,829 --> 01:04:28,400

for coming on sean you're the man and i

1771

01:04:34,069 --> 01:04:31,839

hope we we chat more often in chat soon

1772

01:04:35,349 --> 01:04:34,079

anytime ryan anytime you need me i'm

1773

01:04:37,510 --> 01:04:35,359

there you know that brother

1774

01:04:39,190 --> 01:04:37,520

and thank you to you and your listeners

1775

01:04:40,870 --> 01:04:39,200

for listening in man and i can't wait to

1776

01:04:42,549 --> 01:04:40,880

come back on sometime

1777

01:04:44,630 --> 01:04:42,559

that would be great well have a very

1778

01:04:47,589 --> 01:04:44,640

merry christmas and happy new year and i

1779

01:04:48,789 --> 01:04:47,599

i will talk after that all right merry

1780

01:04:51,109 --> 01:04:48,799

christmas brother

1781

01:04:52,710 --> 01:04:51,119

man oh man i don't know what i can

1782

01:04:56,150 --> 01:04:52,720

really say after all that

1783

01:04:56,630 --> 01:04:56,160

i am a fan of everything sean burris

1784

01:05:00,470 --> 01:04:56,640

talk

1785

01:05:02,549 --> 01:05:00,480

about the man his episodes hit me

1786

01:05:03,670 --> 01:05:02,559

so hard his halloween episodes in

1787

01:05:06,150 --> 01:05:03,680

particular

1788

01:05:07,029 --> 01:05:06,160

and that exorcism episode that he

1789

01:05:09,990 --> 01:05:07,039

mentioned

1790

01:05:12,150 --> 01:05:10,000

please check it out when i heard that

1791

01:05:15,029 --> 01:05:12,160

episode it really took me there

1792

01:05:17,029 --> 01:05:15,039

really amazing the things that took

1793

01:05:20,309 --> 01:05:17,039

place with the contact

1794

01:05:23,670 --> 01:05:20,319

with these demonic entities and

1795

01:05:25,750 --> 01:05:23,680

um it is uh it's a thing that

1796

01:05:27,109 --> 01:05:25,760

must be listened to if it's something

1797

01:05:29,430 --> 01:05:27,119

that you are

1798

01:05:31,829 --> 01:05:29,440

looking into and i know we're going into

1799

01:05:34,829 --> 01:05:31,839

a season with a lot of dark

1800

01:05:37,510 --> 01:05:34,839

uh things hanging over us we have a

1801  
01:05:39,270 --> 01:05:37,520  
virus behind us

1802  
01:05:41,029 --> 01:05:39,280  
it's been a tough season for a lot of

1803  
01:05:44,150 --> 01:05:41,039  
people and

1804  
01:05:44,950 --> 01:05:44,160  
um i just you know it there's light on

1805  
01:05:48,309 --> 01:05:44,960  
the other side

1806  
01:05:50,710 --> 01:05:48,319  
and uh the new year is almost here so

1807  
01:05:51,990 --> 01:05:50,720  
let's do this until next time keep your

1808  
01:05:54,230 --> 01:05:52,000  
eyes to the skies

1809  
01:06:04,930 --> 01:05:54,240  
feet on the ground but don't forget to

1810  
01:06:12,710 --> 01:06:04,940  
take a look around

1811  
01:06:15,589 --> 01:06:12,720  
[Music]

1812  
01:06:18,710 --> 01:06:15,599  
come blast off in my time machine third

1813  
01:06:22,789 --> 01:06:18,720

eye feeling like an evil zone blast off

1814

01:06:25,750 --> 01:06:22,799

blast off blast off glassed off

1815

01:06:28,870 --> 01:06:25,760

come blast off in my time machine dirt

1816

01:06:32,050 --> 01:06:28,880

eye feeling like an e5 scene passed on

1817

01:06:55,550 --> 01:06:32,060

last off

1818

01:07:01,730 --> 01:06:58,829

[Music]

1819

01:07:05,589 --> 01:07:01,740

so
