TERRY LOVELACE, ESQ

1
00:00:06,309 --> 00:00:03,590
our government's official policy

2
00:00:07,110 --> 00:00:06,319
is one of disinterest when it comes to

3
00:00:10,790 --> 00:00:07,120
civilian

4
00:00:14,310 --> 00:00:10,800
sightings of ufos then why

5
00:00:16,870 --> 00:00:14,320
does it devote taxpayer dollars to fund

6
00:00:18,510 --> 00:00:16,880
the world's biggest search for

7
00:00:22,710 --> 00:00:18,520
intelligent

8
00:00:25,429 --> 00:00:22,720
extraterrestrial life on today's show

9
00:00:26,470 --> 00:00:25,439
we are going to delve deeply into the

10
00:00:29,750 --> 00:00:26,480
book

11
00:00:31,910 --> 00:00:29,760
from

12
00:00:33,910 --> 00:00:31,920
if you don't know terry lovelace you

13
00:00:37,910 --> 00:00:33,920

must be living under a rock

14

00:00:47,970 --> 00:00:37,920

because wow have we got an amazing

15

00:00:58,549 --> 00:00:55,750

[Music]

23

00:01:23,990 --> 00:01:21,520

on another vip episode of hero

24

00:01:25,510 --> 00:01:24,000

paranormal podcast thanks to all the

25

00:01:29,190 --> 00:01:25,520

patrons

26

00:01:32,069 --> 00:01:29,200

tonight broadcasting from

27

00:01:33,749 --> 00:01:32,079

somewhere in the uintah basin of utah my

28

00:01:37,670 --> 00:01:33,759

name is ryan the original

29

00:01:40,310 --> 00:01:37,680

outlaw of the airwaves bringing you well

30

00:01:42,069 --> 00:01:40,320

as crazy and as good of an episode as

31

00:01:45,429 --> 00:01:42,079

you can imagine

32

00:01:48,550 --> 00:01:45,439

and terry lovelace is

33

00:01:51,990 --> 00:01:48,560

one of my favorite guests we

34

00:01:54,069 --> 00:01:52,000

have had him on before a lot of people

35

00:01:55,670 --> 00:01:54,079

well we have one of ufology's most

36

00:01:57,270 --> 00:01:55,680

amazing cases here

37

00:02:00,709 --> 00:01:57,280

and that's what we're going to focus on

38

00:02:03,590 --> 00:02:00,719

today he's been on before with any luck

39

00:02:04,230 --> 00:02:03,600

he will be on again terry lovelace is

40

00:02:09,270 --> 00:02:04,240

going

41

00:02:11,750 --> 00:02:09,280

reckoning

42

00:02:12,470 --> 00:02:11,760

a second part to devil's den the book

43

00:02:14,630 --> 00:02:12,480

series

44

00:02:16,630 --> 00:02:14,640

if you haven't looked into this or

45

00:02:19,750 --> 00:02:16,640

purchased it

46

00:02:22,869 --> 00:02:19,760

come on just do it i

47

00:02:24,630 --> 00:02:22,879

love love the book series and terry has

48

00:02:26,869 --> 00:02:24,640

such a good writing style

49

00:02:27,750 --> 00:02:26,879

terry's most recently been on a number

50

00:02:29,830 --> 00:02:27,760

of recent

51
00:02:32,470 --> 00:02:29,840
amazing radio shows including coast to

52
00:02:34,710 --> 00:02:32,480
coast one of my personal favorites

53
00:02:35,990 --> 00:02:34,720
a true story of his with compelling

54
00:02:38,630 --> 00:02:36,000
proof of alien

55
00:02:39,910 --> 00:02:38,640
visitation alleged government

56
00:02:42,550 --> 00:02:39,920
involvement

57
00:02:44,150 --> 00:02:42,560
well and an alien implant discovered on

58
00:02:46,710 --> 00:02:44,160
a routine x-ray

59
00:02:49,589 --> 00:02:46,720
it's that cool if you haven't been over

60
00:02:50,309 --> 00:02:49,599
to heroparanormal.com definitely check

61
00:02:53,670 --> 00:02:50,319
out uh

62
00:02:55,830 --> 00:02:53,680
the last show terry was on and

63
00:02:56,869 --> 00:02:55,840

it was a very good show i think this

64

00:03:00,869 --> 00:02:56,879

one's going to be

65

00:03:02,149 --> 00:03:00,879

even better terry is a six-year veteran

66

00:03:04,630 --> 00:03:02,159

of the united states

67

00:03:06,949 --> 00:03:04,640

air force he has a bachelor's degree in

68

00:03:07,830 --> 00:03:06,959

psychology and a law degree from western

69

00:03:10,070 --> 00:03:07,840

michigan

70

00:03:12,149 --> 00:03:10,080

his legal career began in private

71

00:03:14,550 --> 00:03:12,159

practice until his appointment as an

72

00:03:17,430 --> 00:03:14,560

assistant attorney general for the u.s

73

00:03:17,990 --> 00:03:17,440

territory of american samoa he also

74

00:03:20,390 --> 00:03:18,000

served

75

00:03:22,229 --> 00:03:20,400

as an assistant attorney general for the

76

00:03:23,350 --> 00:03:22,239

state of vermont until his 2012

77

00:03:26,550 --> 00:03:23,360

retirement

78

00:03:29,910 --> 00:03:26,560

he and a friend were abducted

79

00:03:33,589 --> 00:03:29,920

from devil's den state park in northwest

80

00:03:36,710 --> 00:03:33,599

arkansas in june 1977

81

00:03:38,229 --> 00:03:36,720

while they were both on active duty for

82

00:03:40,470 --> 00:03:38,239

fear of losing his job

83

00:03:42,710 --> 00:03:40,480

and the respect of his peers in the

84

00:03:45,750 --> 00:03:42,720

legal community especially

85

00:03:45,990 --> 00:03:45,760

he waited until 2018 to publish incident

86

00:03:48,309 --> 00:03:46,000

at

87

00:03:49,550 --> 00:03:48,319

devil's den a number one best seller on

88

00:03:52,309 --> 00:03:49,560

amazon with

89

00:03:54,789 --> 00:03:52,319

460 plus reviews

90

00:03:55,589 --> 00:03:54,799

his second book devil's then the

91

00:03:57,589 --> 00:03:55,599

reckoning

92

00:04:00,789 --> 00:03:57,599

was just published the week of christmas

93

00:04:03,270 --> 00:04:00,799

2020 so here we go it was

94

00:04:04,550 --> 00:04:03,280

number one in new releases and is

95

00:04:07,589 --> 00:04:04,560

selling well at the moment

96

00:04:11,030 --> 00:04:07,599

since march 2018 he's been a guest

97

00:04:14,309 --> 00:04:11,040

with myself george knapp george nori

98

00:04:16,789 --> 00:04:14,319

linda moulton howe etc he's spoken at

99

00:04:19,670 --> 00:04:16,799

ufo congress contact in the desert

100

00:04:21,909 --> 00:04:19,680

roswell and is a speaker at the ozark

101
00:04:25,270 --> 00:04:21,919
digital conference

102
00:04:27,270 --> 00:04:25,280
that is set for april 2021. his story

103
00:04:28,950 --> 00:04:27,280
was featured on a travel channel episode

104
00:04:32,469 --> 00:04:28,960
of my horror story

105
00:04:33,749 --> 00:04:32,479
which was originally aired november 2019

106
00:04:35,990 --> 00:04:33,759
so these are all recent

107
00:04:37,189 --> 00:04:36,000
dates big things happening with devil's

108
00:04:39,590 --> 00:04:37,199
den the reckoning

109
00:04:41,030 --> 00:04:39,600
and terry lovelace i can't be more

110
00:04:43,830 --> 00:04:41,040
excited to have him on again and i'm

111
00:04:46,950 --> 00:04:43,840
stoked and very honored

112
00:04:47,670 --> 00:04:46,960
mr terry lovelace one of my heroes it's

113
00:04:50,950 --> 00:04:47,680

been just

114

00:04:53,590 --> 00:04:50,960

four months since we've spoken and

115

00:04:55,350 --> 00:04:53,600

uh i can't wait to speak again how have

116

00:04:55,990 --> 00:04:55,360

you been and welcome to the hero

117

00:04:59,270 --> 00:04:56,000

paranormal

118

00:05:01,510 --> 00:04:59,280

podcast my man seven zero nine

119

00:05:02,710 --> 00:05:01,520

five terry are you there terry your

120

00:05:07,909 --> 00:05:02,720

keychain

121

00:05:09,830 --> 00:05:07,919

uh i got a mac are you mac user

122

00:05:11,510 --> 00:05:09,840

yeah i'm a mac user and it's interesting

123

00:05:12,070 --> 00:05:11,520

you mentioned that because i got a

124

00:05:15,270 --> 00:05:12,080

strange

125

00:05:18,070 --> 00:05:15,280

error message that was kind of trying to

126
00:05:19,510 --> 00:05:18,080
import something that started with live

127
00:05:22,830 --> 00:05:19,520
and i'd said oh heck no

128
00:05:24,469 --> 00:05:22,840
so that's weird man serious technical

129
00:05:26,790 --> 00:05:24,479
issues crazy

130
00:05:27,510 --> 00:05:26,800
yeah crazy i was on dig this i was on

131
00:05:30,950 --> 00:05:27,520
with uh

132
00:05:33,749 --> 00:05:30,960
whitley strieger uh last

133
00:05:34,550 --> 00:05:33,759
last tuesday a week ago today i think

134
00:05:37,670 --> 00:05:34,560
yeah

135
00:05:40,390 --> 00:05:37,680
and uh he was doing a i did a podcast

136
00:05:43,510 --> 00:05:40,400
for him it's going to air like the 29th

137
00:05:46,710 --> 00:05:43,520
and uh we had this bizarre

138
00:05:49,029 --> 00:05:46,720

uh whining noise

139

00:05:50,950 --> 00:05:49,039

that just uh really screwed it was bad

140

00:05:52,469 --> 00:05:50,960

and i thought you know maybe my uh maybe

141

00:05:53,029 --> 00:05:52,479

i got a problem with my microphone or

142

00:05:55,670 --> 00:05:53,039

something

143

00:05:57,590 --> 00:05:55,680

so we ended up switching from uh my mac

144

00:06:00,230 --> 00:05:57,600

over to my iphone

145

00:06:01,670 --> 00:06:00,240

and uh we went things went fine for

146

00:06:02,629 --> 00:06:01,680

about five minutes and then the noise

147

00:06:05,909 --> 00:06:02,639

came back

148

00:06:07,350 --> 00:06:05,919

so uh we just kind of pushed through and

149

00:06:10,309 --> 00:06:07,360

did the best we could do

150

00:06:11,110 --> 00:06:10,319

you know and did an extra half an hour

151
00:06:13,510 --> 00:06:11,120
so we try to

152
00:06:15,029 --> 00:06:13,520
pass something together yeah and he sent

153
00:06:17,270 --> 00:06:15,039
it to a sound engineer

154
00:06:18,710 --> 00:06:17,280
i could show you this text message his

155
00:06:24,390 --> 00:06:18,720
sound engineer

156
00:06:26,870 --> 00:06:24,400
said

157
00:06:28,710 --> 00:06:26,880
that he didn't think the problem was a

158
00:06:30,790 --> 00:06:28,720
connectivity problem or

159
00:06:32,390 --> 00:06:30,800
you know he didn't think the problem was

160
00:06:35,990 --> 00:06:32,400
on our end

161
00:06:37,270 --> 00:06:36,000
uh and then he said i'm not kidding in

162
00:06:40,230 --> 00:06:37,280
all caps

163
00:06:44,629 --> 00:06:40,240

he said i plugged your file into into

164

00:06:49,749 --> 00:06:46,790

are you still there yeah i'm here oh

165

00:06:53,110 --> 00:06:49,759

yeah i'm here hello

166

00:06:56,230 --> 00:06:53,120

okay yeah i'm here too

167

00:06:57,270 --> 00:06:56,240

um anyway sound technician said that he

168

00:07:01,510 --> 00:06:57,280

took readings

169

00:07:04,790 --> 00:07:01,520

off of our uh of our file

170

00:07:06,790 --> 00:07:04,800

our digital file and uh the machine was

171

00:07:09,350 --> 00:07:06,800

turned off

172

00:07:10,629 --> 00:07:09,360

whoa when he when he went back to run it

173

00:07:12,309 --> 00:07:10,639

a second time

174

00:07:14,309 --> 00:07:12,319

you notice this machine's never been

175

00:07:16,950 --> 00:07:14,319

turned on

176

00:07:19,670 --> 00:07:16,960

whoa that's about as poltergeist-like as

177

00:07:23,270 --> 00:07:22,629

and these weird synchronicities i mean

178

00:07:26,390 --> 00:07:23,280

terry

179

00:07:27,430 --> 00:07:26,400

you've most recently been on a number of

180

00:07:29,350 --> 00:07:27,440

amazing

181

00:07:30,870 --> 00:07:29,360

shows like coast to coast one of my

182

00:07:33,510 --> 00:07:30,880

personal favorites

183

00:07:34,230 --> 00:07:33,520

linda moulton howe you have compelling

184

00:07:37,830 --> 00:07:34,240

proof of

185

00:07:38,629 --> 00:07:37,840

alien visitation um alleged government

186

00:07:41,830 --> 00:07:38,639

involvement

187

00:07:44,950 --> 00:07:41,840

and you know these things sort of

188

00:07:46,550 --> 00:07:44,960

uh follow when when when you you get

189

00:07:49,749 --> 00:07:46,560

these true stories

190

00:07:50,150 --> 00:07:49,759

and uh and an alien impact implant to

191

00:07:53,990 --> 00:07:50,160

boot

192

00:07:55,589 --> 00:07:54,000

discovered on a routine x-ray

193

00:07:57,909 --> 00:07:55,599

well you know when i was on george

194

00:07:59,510 --> 00:07:57,919

george insisted that i use a landline

195

00:08:01,189 --> 00:07:59,520

well you know who's got a landline these

196

00:08:04,390 --> 00:08:01,199

days nobody's got a landline

197

00:08:06,869 --> 00:08:04,400

right uh so his uh producer said hey why

198

00:08:08,629 --> 00:08:06,879

don't you just go get a cheap hotel room

199

00:08:10,629 --> 00:08:08,639

but i'm not sure i can do that so i went

200

00:08:14,230 --> 00:08:10,639

to some three bag hotel

201
00:08:16,469 --> 00:08:14,240
and got on the line made sure that they

202
00:08:17,990 --> 00:08:16,479
had a landline

203
00:08:19,749 --> 00:08:18,000
and i told the guy at the desk i'm

204
00:08:24,150 --> 00:08:19,759
expecting an important call

205
00:08:26,950 --> 00:08:24,160
uh at midnight uh or two am rather

206
00:08:27,830 --> 00:08:26,960
and it you know please pass them through

207
00:08:29,189 --> 00:08:27,840
right away

208
00:08:31,510 --> 00:08:29,199
because the calls go through the front

209
00:08:34,230 --> 00:08:31,520
desk and

210
00:08:36,230 --> 00:08:34,240
phones went down phone lines computer

211
00:08:39,430 --> 00:08:36,240
lines everything went down

212
00:08:40,790 --> 00:08:39,440
uh i i was left i did the show on my

213
00:08:43,909 --> 00:08:40,800

cell phone

214

00:08:45,269 --> 00:08:43,919

with uh george nori

215

00:08:47,030 --> 00:08:45,279

hey there's nothing wrong it's just

216

00:08:49,910 --> 00:08:47,040

crazy stuff

217

00:08:51,269 --> 00:08:49,920

it really is and that's kind of you know

218

00:08:52,949 --> 00:08:51,279

that's where we ended up

219

00:08:55,190 --> 00:08:52,959

for our listeners that are listening in

220

00:08:55,750 --> 00:08:55,200

we had all kinds of problems with skype

221

00:08:57,910 --> 00:08:55,760

and

222

00:08:59,190 --> 00:08:57,920

everything else so here we are on you

223

00:09:01,509 --> 00:08:59,200

know basically

224

00:09:02,790 --> 00:09:01,519

is primitive technology which you know

225

00:09:05,990 --> 00:09:02,800

sometimes in my opinion

226

00:09:08,150 --> 00:09:06,000

is the very best and this

227

00:09:10,630 --> 00:09:08,160

kind of brings up you know the fact that

228

00:09:11,190 --> 00:09:10,640

we have one of ufology's most amazing

229

00:09:14,230 --> 00:09:11,200

cases

230

00:09:17,269 --> 00:09:14,240

as a focus today terry you've

231

00:09:18,310 --> 00:09:17,279

been on before but with any luck you'll

232

00:09:21,030 --> 00:09:18,320

be on again

233

00:09:23,590 --> 00:09:21,040

you are going to dive you're going to

234

00:09:25,750 --> 00:09:23,600

dive into devil's den the reckoning

235

00:09:27,990 --> 00:09:25,760

a second part to the devil's den book

236

00:09:31,190 --> 00:09:28,000

series

237

00:09:32,870 --> 00:09:31,200

i am i am i'm glad it took me a year to

238

00:09:34,070 --> 00:09:32,880

get it done but i'm glad it's done i'm

239

00:09:35,990 --> 00:09:34,080

glad it's out

240

00:09:37,670 --> 00:09:36,000

uh it's been well received it was uh

241

00:09:39,509 --> 00:09:37,680

number one in new releases

242

00:09:41,829 --> 00:09:39,519

i think i knocked down the number 14

243

00:09:43,269 --> 00:09:41,839

today um

244

00:09:45,910 --> 00:09:43,279

i'm very satisfied it's been well

245

00:09:47,430 --> 00:09:45,920

received and uh

246

00:09:49,430 --> 00:09:47,440

yeah you know what i tried to do is i

247

00:09:52,389 --> 00:09:49,440

tried to take double stint left so many

248

00:09:56,070 --> 00:09:52,399

questions unanswered i i want to try to

249

00:09:57,829 --> 00:09:56,080

answer uh those questions so i'll just

250

00:09:59,269 --> 00:09:57,839

if you're if you're good to go i'll just

251
00:10:01,750 --> 00:09:59,279
dive into it

252
00:10:03,430 --> 00:10:01,760
let's do it it's such an amazing case i

253
00:10:05,509 --> 00:10:03,440
mean you've got this thing hovering i

254
00:10:06,949 --> 00:10:05,519
don't want to jump you know the best way

255
00:10:08,870 --> 00:10:06,959
to ease our listeners

256
00:10:11,110 --> 00:10:08,880
this is a progressive story with

257
00:10:12,550 --> 00:10:11,120
important stuff enclosed

258
00:10:14,710 --> 00:10:12,560
so i'm going to let you just take the

259
00:10:16,230 --> 00:10:14,720
rain you you know best terry and

260
00:10:18,949 --> 00:10:16,240
and i'll hang in there and ask my

261
00:10:22,069 --> 00:10:18,959
questions when you have a moment

262
00:10:22,949 --> 00:10:22,079
sure sure interrupt anytime okay uh i'm

263
00:10:24,630 --> 00:10:22,959

going to uh

264

00:10:26,949 --> 00:10:24,640

postpone telling the whole story of the

265

00:10:29,829 --> 00:10:26,959

abduction i do tell it in the beginning

266

00:10:30,710 --> 00:10:29,839

of uh my retelling i should say in the

267

00:10:33,269 --> 00:10:30,720

beginning

268

00:10:34,470 --> 00:10:33,279

of the reckoning um but i'm going to

269

00:10:35,990 --> 00:10:34,480

postpone that for a while because i want

270

00:10:37,030 --> 00:10:36,000

to touch on a couple things that people

271

00:10:39,430 --> 00:10:37,040

who've read

272

00:10:41,430 --> 00:10:39,440

incident at devil's den probably want

273

00:10:43,509 --> 00:10:41,440

the updates i promised

274

00:10:44,710 --> 00:10:43,519

and uh when i was writing this

275

00:10:48,710 --> 00:10:44,720

incidental devil's den

276

00:10:51,590 --> 00:10:48,720

in 2017 i uh checked the arkansas

277

00:10:52,870 --> 00:10:51,600

newspapers looking for stories involving

278

00:10:54,550 --> 00:10:52,880

devil's den

279

00:10:57,350 --> 00:10:54,560

because i went into the same problem

280

00:11:00,710 --> 00:10:57,360

that david politis ran into and that is

281

00:11:03,030 --> 00:11:00,720

the arkansas parks and recreation

282

00:11:04,790 --> 00:11:03,040

department out a little while

283

00:11:06,470 --> 00:11:04,800

responded with well we don't keep those

284

00:11:08,310 --> 00:11:06,480

records you know

285

00:11:10,230 --> 00:11:08,320

right they they they don't keep a record

286

00:11:11,110 --> 00:11:10,240

of who goes missing you know that makes

287

00:11:12,870 --> 00:11:11,120

no sense

288

00:11:14,470 --> 00:11:12,880

like david politis said you walk into

289

00:11:16,790 --> 00:11:14,480

any small town sheriff's office

290

00:11:18,630 --> 00:11:16,800

in this country and say uh how many

291

00:11:20,470 --> 00:11:18,640

people you got missing and he'll he'll

292

00:11:21,509 --> 00:11:20,480

name he or she will name them off the

293

00:11:24,550 --> 00:11:21,519

top of their head

294

00:11:28,069 --> 00:11:24,560

i mean it just makes no sense

295

00:11:30,150 --> 00:11:28,079

uh so i did some research

296

00:11:32,069 --> 00:11:30,160

when uh on devil's den because i was

297

00:11:34,630 --> 00:11:32,079

curious as i'm writing the book

298

00:11:36,150 --> 00:11:34,640

um i asked myself you know how did this

299

00:11:38,790 --> 00:11:36,160

place

300

00:11:39,350 --> 00:11:38,800

how did it get the name devil in its

301
00:11:40,949 --> 00:11:39,360
name

302
00:11:43,590 --> 00:11:40,959
how did what happened to deserve the

303
00:11:46,870 --> 00:11:43,600
name devil in the title

304
00:11:47,750 --> 00:11:46,880
and uh i did some research and the first

305
00:11:50,230 --> 00:11:47,760
thing i found

306
00:11:50,870 --> 00:11:50,240
was a newspaper article from the

307
00:11:54,710 --> 00:11:50,880
pittsburgh

308
00:11:57,910 --> 00:11:54,720
press dated 1946

309
00:11:59,910 --> 00:11:57,920
and it's the story of um a little girl

310
00:12:02,870 --> 00:11:59,920
named katherine van oss

311
00:12:04,629 --> 00:12:02,880
and she and her family mom dad and her

312
00:12:07,269 --> 00:12:04,639
two younger siblings

313
00:12:09,750 --> 00:12:07,279

uh were on their way from pittsburgh to

314

00:12:13,030 --> 00:12:09,760

el paso texas

315

00:12:15,350 --> 00:12:13,040

had relatives uh for a visit and

316

00:12:19,670 --> 00:12:15,360

the plan was they drove and they spent

317

00:12:24,790 --> 00:12:22,949

and at the campsite in 1946 he

318

00:12:27,670 --> 00:12:24,800

explain after the war there was kind of

319

00:12:30,389 --> 00:12:27,680

like a camping a resurgence in camping

320

00:12:32,150 --> 00:12:30,399

uh and there was like a camping craze

321

00:12:33,670 --> 00:12:32,160

and i guess that's a backlash from you

322

00:12:36,790 --> 00:12:33,680

know four years of uh

323

00:12:37,350 --> 00:12:36,800

gasoline rationing and and prohibited

324

00:12:40,150 --> 00:12:37,360

travel

325

00:12:42,710 --> 00:12:40,160

and uh people just wanted to get out um

326

00:12:43,590 --> 00:12:42,720

so camper sales sword and uh the van als

327

00:12:45,990 --> 00:12:43,600

family had

328

00:12:47,670 --> 00:12:46,000

a new camper and they uh looked at the

329

00:12:50,550 --> 00:12:47,680

devil's dead and uh

330

00:12:52,150 --> 00:12:50,560

spent the night so uneventful first

331

00:12:53,829 --> 00:12:52,160

night they get up the next morning mom's

332

00:12:55,670 --> 00:12:53,839

putting breakfast on the table

333

00:12:57,750 --> 00:12:55,680

kids are running around the camper like

334

00:13:00,550 --> 00:12:57,760

you know like little kids will do

335

00:13:02,069 --> 00:13:00,560

um and then the two little moms putting

336

00:13:03,509 --> 00:13:02,079

breakfast on the table she sees the two

337

00:13:07,430 --> 00:13:03,519

boys pop out but no

338

00:13:08,870 --> 00:13:07,440

uh catherine so she's annoying she said

339

00:13:11,829 --> 00:13:08,880

boys where's your sister

340

00:13:13,670 --> 00:13:11,839

and they're like well she was right here

341

00:13:14,310 --> 00:13:13,680

and then you know mom says well go find

342

00:13:16,550 --> 00:13:14,320

her

343

00:13:19,030 --> 00:13:16,560

so boys take off and they run you know

344

00:13:20,150 --> 00:13:19,040

to the bathrooms to the kiosk to all the

345

00:13:23,110 --> 00:13:20,160

places you think she

346

00:13:23,829 --> 00:13:23,120

might have wandered off to and uh no

347

00:13:28,230 --> 00:13:23,839

catherine

348

00:13:29,750 --> 00:13:28,240

anywhere so mom gets concerned wakes up

349

00:13:31,750 --> 00:13:29,760

the old man he gets up

350

00:13:34,069 --> 00:13:31,760

uh now they're thinking you know this

351

00:13:35,350 --> 00:13:34,079

little girl can't have gone far she's

352

00:13:37,829 --> 00:13:35,360

seven years old

353

00:13:39,189 --> 00:13:37,839

she's wearing flip-flops and a bathing

354

00:13:40,870 --> 00:13:39,199

suit

355

00:13:42,389 --> 00:13:40,880

and if you step foot offside the

356

00:13:45,670 --> 00:13:42,399

campground into the forest

357

00:13:48,550 --> 00:13:45,680

it's thick brush and rocky terrain

358

00:13:49,269 --> 00:13:48,560

it's difficult going you know with boots

359

00:13:52,389 --> 00:13:49,279

much less

360

00:13:54,790 --> 00:13:52,399

flip-flops so

361

00:13:56,230 --> 00:13:54,800

they uh they get other campers involved

362

00:13:57,910 --> 00:13:56,240

and by noon

363

00:13:59,269 --> 00:13:57,920

they're worried and they get the park

364

00:14:00,790 --> 00:13:59,279

rangers involved

365

00:14:02,629 --> 00:14:00,800

and the park rangers take it very

366

00:14:05,110 --> 00:14:02,639

seriously and they ordered a

367

00:14:06,470 --> 00:14:05,120

full-scale search and there's an

368

00:14:09,590 --> 00:14:06,480

adjacent park

369

00:14:12,470 --> 00:14:09,600

uh to the east of devil's den

370

00:14:13,269 --> 00:14:12,480

called the ozark national forest and

371

00:14:18,470 --> 00:14:13,279

they have

372

00:14:19,430 --> 00:14:18,480

more equipment you know just more more

373

00:14:22,550 --> 00:14:19,440

people

374

00:14:25,509 --> 00:14:22,560

uh to help hunt so they got involved

375

00:14:27,590 --> 00:14:25,519

and what followed was a seven day hunt

376

00:14:29,590 --> 00:14:27,600

for catherine van alst

377

00:14:31,110 --> 00:14:29,600

that was supposed to last seven days and

378

00:14:35,910 --> 00:14:31,120

then transition from a

379

00:14:39,030 --> 00:14:35,920

rescue to a recovery and uh they got uh

380

00:14:40,790 --> 00:14:39,040

oh they had like 2500 people looking for

381

00:14:42,310 --> 00:14:40,800

her

382

00:14:44,710 --> 00:14:42,320

they didn't have the forward-looking

383

00:14:46,310 --> 00:14:44,720

infrared radar for a heat signature like

384

00:14:47,990 --> 00:14:46,320

they have today

385

00:14:49,829 --> 00:14:48,000

but what they did have they had planes

386

00:14:51,110 --> 00:14:49,839

volunteers planes from the civil air

387

00:14:54,310 --> 00:14:51,120

patrol a lot of little rock

388

00:14:56,870 --> 00:14:54,320

fly over every inch of the uh of the

389

00:14:59,509 --> 00:14:56,880

park looking for this little girl and i

390

00:15:01,990 --> 00:14:59,519

mean no no sign of her anywhere

391

00:15:03,670 --> 00:15:02,000

and on the seventh day there's a young

392

00:15:05,269 --> 00:15:03,680

man who's a volunteer from the

393

00:15:07,670 --> 00:15:05,279

university arkansas named

394

00:15:09,189 --> 00:15:07,680

chadwick now you know who knows if

395

00:15:09,670 --> 00:15:09,199

that's a first name or a last name i

396

00:15:12,870 --> 00:15:09,680

don't know

397

00:15:14,629 --> 00:15:12,880

i'd like to know um and by the way

398

00:15:18,230 --> 00:15:14,639

you can also find an excellent story

399

00:15:21,670 --> 00:15:18,240

about it in the kansas city star

400

00:15:24,310 --> 00:15:21,680

okay and uh chadwick had climbed

401
00:15:26,069 --> 00:15:24,320
up to the top of this precipice you know

402
00:15:27,590 --> 00:15:26,079
it's the ozark mountains it's kind of a

403
00:15:29,350 --> 00:15:27,600
mountainous area but

404
00:15:31,670 --> 00:15:29,360
you know not like the rockies it's kind

405
00:15:35,430 --> 00:15:31,680
of like more like appalachia kind of uh

406
00:15:40,230 --> 00:15:35,440
mountains and um there's a zigzag

407
00:15:42,389 --> 00:15:40,240
path that goes up this uh uh

408
00:15:44,470 --> 00:15:42,399
mini mountain that's like 600 feet

409
00:15:47,430 --> 00:15:44,480
elevation

410
00:15:50,310 --> 00:15:47,440
and you take a zigzag trail up a really

411
00:15:52,949 --> 00:15:50,320
treacherous path to get to the top

412
00:15:53,990 --> 00:15:52,959
now the top of this of this precipice

413
00:15:57,670 --> 00:15:54,000

has been searched

414

00:15:59,430 --> 00:15:57,680

at least twice before but he decides

415

00:16:01,110 --> 00:15:59,440

you know i got not i got no place else

416

00:16:01,749 --> 00:16:01,120

every place i go i've searched before so

417

00:16:04,550 --> 00:16:01,759

he goes back

418

00:16:05,910 --> 00:16:04,560

up and he's walking around calling

419

00:16:08,389 --> 00:16:05,920

catherine

420

00:16:11,430 --> 00:16:08,399

and sure enough little girl pops out

421

00:16:15,110 --> 00:16:11,440

from underneath this limestone overhang

422

00:16:15,670 --> 00:16:15,120

and says here i am and he's like oh my

423

00:16:19,189 --> 00:16:15,680

god

424

00:16:20,150 --> 00:16:19,199

you know i found her so you know he

425

00:16:23,030 --> 00:16:20,160

scoops her up

426

00:16:24,150 --> 00:16:23,040

and uh looks her over and i go oh my god

427

00:16:26,389 --> 00:16:24,160

are you okay

428

00:16:28,389 --> 00:16:26,399

and she's like yeah i'm fine they said

429

00:16:30,389 --> 00:16:28,399

where have you been

430

00:16:31,829 --> 00:16:30,399

and she says i don't know i i woke up

431

00:16:33,430 --> 00:16:31,839

here this morning and i thought you'd be

432

00:16:35,189 --> 00:16:33,440

coming for me or somebody'd be coming

433

00:16:37,509 --> 00:16:35,199

for me

434

00:16:39,910 --> 00:16:37,519

so you know he carefully carries her

435

00:16:42,310 --> 00:16:39,920

down the trail and back to camp and

436

00:16:44,949 --> 00:16:42,320

everybody has a celebration and thank

437

00:16:47,749 --> 00:16:44,959

god a little girl's alive and well

438

00:16:49,189 --> 00:16:47,759

so then they started talking to her and

439

00:16:51,670 --> 00:16:49,199

they discovered that

440

00:16:53,350 --> 00:16:51,680

according to her mother her hair was

441

00:16:56,629 --> 00:16:53,360

clean

442

00:16:59,829 --> 00:16:56,639

she had a few bug bites but

443

00:17:02,150 --> 00:16:59,839

and verified by a she had a doctor

444

00:17:02,870 --> 00:17:02,160

look her over too hadn't lost an ounce

445

00:17:04,870 --> 00:17:02,880

of weight

446

00:17:06,549 --> 00:17:04,880

was well hydrated despite the fact that

447

00:17:08,069 --> 00:17:06,559

on top of this

448

00:17:10,069 --> 00:17:08,079

precipice where she was found there was

449

00:17:13,350 --> 00:17:10,079

no portable water anywhere

450

00:17:14,710 --> 00:17:13,360

so she had nothing to drink um

451
00:17:17,429 --> 00:17:14,720
and she has no memory of what happened

452
00:17:19,189 --> 00:17:17,439
to her and

453
00:17:21,429 --> 00:17:19,199
that's featured also talk the story is

454
00:17:24,630 --> 00:17:21,439
also featured in david pilate's book

455
00:17:26,549 --> 00:17:24,640
um missing 4-1-1

456
00:17:28,549 --> 00:17:26,559
it's the fourth volume in his missing

457
00:17:30,390 --> 00:17:28,559
4-1-1 series

458
00:17:32,310 --> 00:17:30,400
and he talks about all the strange

459
00:17:35,270 --> 00:17:32,320
occurrences that happen

460
00:17:37,190 --> 00:17:35,280
in places that have the name double or

461
00:17:38,630 --> 00:17:37,200
diablo in them you know devil slaves

462
00:17:40,390 --> 00:17:38,640
devils glenn devil's tower there's

463
00:17:43,029 --> 00:17:40,400

there's slew of them

464

00:17:44,630 --> 00:17:43,039
and uh statistically he's a good

465

00:17:46,230 --> 00:17:44,640
statistician he's a former law

466

00:17:48,070 --> 00:17:46,240
enforcement guy you know he doesn't draw

467

00:17:49,990 --> 00:17:48,080
any conclusions he just gathers facts

468

00:17:52,630 --> 00:17:50,000
and presents them

469

00:17:53,750 --> 00:17:52,640
um but there is a disproportionate

470

00:17:56,630 --> 00:17:53,760
amount of people that go

471

00:17:58,150 --> 00:17:56,640
missing hunters hikers campers fishermen

472

00:18:00,870 --> 00:17:58,160
just vanish

473

00:18:03,270 --> 00:18:00,880
under weird circumstances if they're

474

00:18:07,350 --> 00:18:03,280
staying in a place with the word devil

475

00:18:09,430 --> 00:18:07,360
so make it out what she may um

476

00:18:10,870 --> 00:18:09,440

but will catherine van als i tried to

477

00:18:12,150 --> 00:18:10,880

find her as an adult

478

00:18:14,310 --> 00:18:12,160

i mean she would have been up in years

479

00:18:15,990 --> 00:18:14,320

but i'd like to found her anyway because

480

00:18:17,350 --> 00:18:16,000

and that's an opportunity lost because

481

00:18:18,950 --> 00:18:17,360

i'd sure like to know

482

00:18:20,470 --> 00:18:18,960

what her nightmares had been like for

483

00:18:24,230 --> 00:18:20,480

the last 40 years

484

00:18:28,070 --> 00:18:24,240

you know yeah so and then uh

485

00:18:31,990 --> 00:18:28,080

when i was writing devil's den um

486

00:18:33,590 --> 00:18:32,000

in 2017 in early 2017 and i forget the

487

00:18:36,789 --> 00:18:33,600

month

488

00:18:39,669 --> 00:18:36,799

i included the arkansas gazette links

489

00:18:41,750 --> 00:18:39,679

are in my book a young lady named monica

490

00:18:44,950 --> 00:18:41,760

murphy 28 years old

491

00:18:45,909 --> 00:18:44,960

with children visited the park by

492

00:18:48,470 --> 00:18:45,919

herself

493

00:18:51,990 --> 00:18:48,480

and fell or jumped to her death from

494

00:18:55,190 --> 00:18:52,000

like a 100 foot limestone cliff

495

00:18:57,590 --> 00:18:55,200

and they ruled it as a homicide the

496

00:18:59,990 --> 00:18:57,600

medical examiner ruled it as a homicide

497

00:19:04,070 --> 00:19:00,000

and it got very little press

498

00:19:08,230 --> 00:19:06,230

that was in uh like i said it was

499

00:19:11,350 --> 00:19:08,240

earlier in 2017

500

00:19:13,590 --> 00:19:11,360

then in august of 2017 there was a young

501
00:19:15,110 --> 00:19:13,600
man 32 year old guy from bartlesville

502
00:19:17,990 --> 00:19:15,120
oklahoma

503
00:19:20,150 --> 00:19:18,000
who's visiting devil's den uh with a

504
00:19:22,549 --> 00:19:20,160
friend they're there they're walking uh

505
00:19:23,990 --> 00:19:22,559
he and his friend are walking the uh

506
00:19:26,950 --> 00:19:24,000
butterfield trail

507
00:19:28,310 --> 00:19:26,960
uh which cuts across devil's stint it's

508
00:19:30,950 --> 00:19:28,320
named butterfield trail

509
00:19:32,150 --> 00:19:30,960
after the uh the old stagecoach line it

510
00:19:34,310 --> 00:19:32,160
was the first intercontinental

511
00:19:35,830 --> 00:19:34,320
stagecoach line

512
00:19:39,590 --> 00:19:35,840
uh ran right through the middle of the

513
00:19:41,110 --> 00:19:39,600

park a name butterfield stuck

514

00:19:42,789 --> 00:19:41,120

so they're not walking this like a

515

00:19:44,789 --> 00:19:42,799

saturday afternoon there's other people

516

00:19:47,590 --> 00:19:44,799

on the trail the trail is paved it's

517

00:19:49,669 --> 00:19:47,600

it's very it's a very easy walk

518

00:19:51,270 --> 00:19:49,679

and the two are walking along and there

519

00:19:54,230 --> 00:19:51,280

are you know maybe a mile

520

00:19:55,990 --> 00:19:54,240

down the road and uh suddenly rodney

521

00:19:58,230 --> 00:19:56,000

letterman has um

522

00:19:59,830 --> 00:19:58,240

like an asthma attack and he asks his

523

00:20:02,390 --> 00:19:59,840

friend will you run back and grab my

524

00:20:04,630 --> 00:20:02,400

inhaler i left it back to truck

525

00:20:07,029 --> 00:20:04,640

suspended said yeah sure no worries so

526

00:20:10,149 --> 00:20:07,039

friend runs back grabs an inhaler

527

00:20:11,430 --> 00:20:10,159

uh makes the run back uh 20 25 minutes

528

00:20:14,230 --> 00:20:11,440

he's gone

529

00:20:15,270 --> 00:20:14,240

gets back and there's no rodney letter

530

00:20:17,510 --> 00:20:15,280

anywhere

531

00:20:19,190 --> 00:20:17,520

uh but there is a cell phone on us on

532

00:20:20,549 --> 00:20:19,200

the ground

533

00:20:22,070 --> 00:20:20,559

and i don't know about you but my cell

534

00:20:22,549 --> 00:20:22,080

phone doesn't leave my pocket or my

535

00:20:25,270 --> 00:20:22,559

hands

536

00:20:27,909 --> 00:20:25,280

never you know i'd never set it down

537

00:20:30,149 --> 00:20:27,919

anywhere and walk away not intentionally

538

00:20:31,430 --> 00:20:30,159

nope stay thinking well maybe maybe he

539

00:20:33,190 --> 00:20:31,440

just you know went in the woods to

540

00:20:35,590 --> 00:20:33,200

relieve himself or something

541

00:20:37,270 --> 00:20:35,600

uh and he's calling out his name and

542

00:20:39,110 --> 00:20:37,280

he's kind of does a little search for

543

00:20:42,549 --> 00:20:39,120

about 15 minutes and

544

00:20:44,470 --> 00:20:42,559

no rodney letterman and he gets

545

00:20:46,950 --> 00:20:44,480

a little freaked out gets a hold of the

546

00:20:48,149 --> 00:20:46,960

sheriff pardon me the park rangers and

547

00:20:49,750 --> 00:20:48,159

said my friend

548

00:20:51,830 --> 00:20:49,760

he was having an asthma attack i don't

549

00:20:55,270 --> 00:20:51,840

think he could have gone very far

550

00:20:58,789 --> 00:20:55,280

um and he just disappeared

551
00:21:00,310 --> 00:20:58,799
so what followed was the biggest manhunt

552
00:21:04,549 --> 00:21:00,320
down in devil's den

553
00:21:06,470 --> 00:21:04,559
of 2017. 2500 searchers estimated

554
00:21:08,230 --> 00:21:06,480
now this time they had uh helicopters

555
00:21:10,310 --> 00:21:08,240
but paul was looking in for red radar

556
00:21:14,230 --> 00:21:10,320
looking for a heat signature

557
00:21:16,950 --> 00:21:14,240
um and the same you know people from

558
00:21:18,870 --> 00:21:16,960
both parks departments uh aided in the

559
00:21:20,470 --> 00:21:18,880
aiding in the search

560
00:21:22,950 --> 00:21:20,480
and they looked for seven days and no

561
00:21:25,270 --> 00:21:22,960
lobby letterman and it transitioned from

562
00:21:26,950 --> 00:21:25,280
the rescue to a recovery

563
00:21:28,470 --> 00:21:26,960

and the search was scaled back to

564

00:21:31,590 --> 00:21:28,480

minimal

565

00:21:34,950 --> 00:21:31,600

now the uh uh

566

00:21:38,070 --> 00:21:34,960

the letterman family hired uh trackers

567

00:21:39,990 --> 00:21:38,080

and and uh hired uh searchers to

568

00:21:43,029 --> 00:21:40,000

continue with the hunt

569

00:21:44,630 --> 00:21:43,039

for rodney um and that went on until

570

00:21:47,270 --> 00:21:44,640

october

571

00:21:49,190 --> 00:21:47,280

and i mean nothing they found nothing

572

00:21:51,590 --> 00:21:49,200

not a shred of clothing not a trap

573

00:21:52,470 --> 00:21:51,600

not anything as a matter of fact i

574

00:21:55,190 --> 00:21:52,480

talked to

575

00:21:56,390 --> 00:21:55,200

a deputy sheriff from the russellville

576

00:21:59,110 --> 00:21:56,400

police department

577

00:22:00,870 --> 00:21:59,120

who was there uh and he spoke to me

578

00:22:01,909 --> 00:22:00,880

under the condition of anonymity and

579

00:22:04,630 --> 00:22:01,919

said yeah we have

580

00:22:06,710 --> 00:22:04,640

trackers we attract dogs we have uh you

581

00:22:08,070 --> 00:22:06,720

know bloodhounds that uh

582

00:22:09,909 --> 00:22:08,080

are trained for this kind of thing and

583

00:22:12,149 --> 00:22:09,919

we use them all the time

584

00:22:13,590 --> 00:22:12,159

so they brought the dogs in the dogs got

585

00:22:17,029 --> 00:22:13,600

a sense off the phone

586

00:22:18,789 --> 00:22:17,039

and according to him they just sat down

587

00:22:20,149 --> 00:22:18,799

and i said well you know i don't know

588

00:22:21,510 --> 00:22:20,159

anything about tracking jobs what does

589

00:22:24,070 --> 00:22:21,520

that mean

590

00:22:26,149 --> 00:22:24,080

and he says that the the scent that was

591

00:22:30,070 --> 00:22:26,159

on the phone

592

00:22:32,230 --> 00:22:30,080

wasn't anywhere around it wasn't

593

00:22:33,190 --> 00:22:32,240

you know there was no sense of him

594

00:22:36,470 --> 00:22:33,200

walking away

595

00:22:38,070 --> 00:22:36,480

it was just the phone

596

00:22:40,070 --> 00:22:38,080

and i said again well what does that

597

00:22:42,630 --> 00:22:40,080

mean to you he says well

598

00:22:45,029 --> 00:22:42,640

he he sure didn't go down he sure didn't

599

00:22:46,549 --> 00:22:45,039

leave the area 360 degrees around where

600

00:22:49,830 --> 00:22:46,559

the phone was found

601
00:22:53,270 --> 00:22:49,840
so that really kind of only leaves up

602
00:22:57,430 --> 00:22:53,280
wow and uh that's his opinion

603
00:22:59,270 --> 00:22:57,440
the bradley went up and uh

604
00:23:01,270 --> 00:22:59,280
at the time i published my book in march

605
00:23:03,110 --> 00:23:01,280
of 2018 i promised that

606
00:23:04,950 --> 00:23:03,120
if i get any updates regarding randy

607
00:23:08,310 --> 00:23:04,960
letterman i would let the readers know

608
00:23:11,750 --> 00:23:08,320
so um i did what happened was

609
00:23:14,390 --> 00:23:11,760
in march of 2019 there was a young

610
00:23:18,070 --> 00:23:14,400
couple walking to butterfield trail

611
00:23:20,230 --> 00:23:18,080
and the the woman um

612
00:23:21,190 --> 00:23:20,240
saw this sitting on top of a log right

613
00:23:23,990 --> 00:23:21,200

off the trail

614

00:23:25,510 --> 00:23:24,000

in plain sight i mean anybody could see

615

00:23:27,270 --> 00:23:25,520

it it wasn't hidden

616

00:23:28,630 --> 00:23:27,280

uh which means to me it was placed there

617

00:23:31,750 --> 00:23:28,640

intentionally by

618

00:23:34,070 --> 00:23:31,760

someone sure she saw

619

00:23:35,270 --> 00:23:34,080

what she thought was an albino turtle

620

00:23:37,669 --> 00:23:35,280

she says is that

621

00:23:38,310 --> 00:23:37,679

an albino turtle and her and her

622

00:23:39,990 --> 00:23:38,320

friend's like

623

00:23:41,430 --> 00:23:40,000

i don't know what that is they walk over

624

00:23:43,269 --> 00:23:41,440

to it

625

00:23:45,029 --> 00:23:43,279

he picks it up and then once he's got in

626
00:23:46,070 --> 00:23:45,039
his hand he realizes what it is and he

627
00:23:49,669 --> 00:23:46,080
drops it

628
00:23:49,990 --> 00:23:49,679
and uh it's a human skull it's the top

629
00:23:52,549 --> 00:23:50,000
just

630
00:23:54,070 --> 00:23:52,559
the top part of a human skull and it's

631
00:23:57,350 --> 00:23:54,080
been bleached white by

632
00:23:59,909 --> 00:23:57,360
sunlight and it was

633
00:24:01,510 --> 00:23:59,919
collected as evidence and sent to the

634
00:24:03,669 --> 00:24:01,520
medical examiner in bartlesville

635
00:24:04,630 --> 00:24:03,679
oklahoma who positively identified it

636
00:24:07,590 --> 00:24:04,640
through

637
00:24:09,750 --> 00:24:07,600
dna evidence that it was indeed the top

638
00:24:11,110 --> 00:24:09,760

of rodney letterman's skull

639

00:24:13,190 --> 00:24:11,120

and that's all they ever found to the

640

00:24:15,510 --> 00:24:13,200

guy

641

00:24:17,669 --> 00:24:15,520

you know i think i mentioned this in

642

00:24:21,750 --> 00:24:17,679

devil's den

643

00:24:25,190 --> 00:24:21,760

but it it's worth noting that uh

644

00:24:27,110 --> 00:24:25,200

i i made contact with um i did put this

645

00:24:28,870 --> 00:24:27,120

in double stand i made contact

646

00:24:30,630 --> 00:24:28,880

there are two native american tribes

647

00:24:33,190 --> 00:24:30,640

that lay claim to that land

648

00:24:34,470 --> 00:24:33,200

the kahino and the cato or kato for

649

00:24:39,830 --> 00:24:34,480

crowns both way

650

00:24:42,390 --> 00:24:39,840

tribe and um there's a medicine woman

651
00:24:43,830 --> 00:24:42,400
in a small town it's near russell though

652
00:24:45,430 --> 00:24:43,840
i can't think of the names off top of my

653
00:24:47,990 --> 00:24:45,440
head but anyway i

654
00:24:49,590 --> 00:24:48,000
i got a hold of her uh by telephone and

655
00:24:51,029 --> 00:24:49,600
i said you don't know me but i'm writing

656
00:24:53,269 --> 00:24:51,039
a book about devil's den

657
00:24:54,549 --> 00:24:53,279
and i'm wondering if you could share i

658
00:24:56,950 --> 00:24:54,559
know that your people

659
00:24:58,390 --> 00:24:56,960
uh have a claim to some of that land and

660
00:24:59,830 --> 00:24:58,400
i was wondering if you could share with

661
00:25:03,350 --> 00:24:59,840
me your thoughts about uh

662
00:25:04,230 --> 00:25:03,360
devil's den and you know kind of uh your

663
00:25:07,350 --> 00:25:04,240

experiences

664

00:25:10,310 --> 00:25:07,360

and and the tribe's attitude towards

665

00:25:13,669 --> 00:25:10,320

double stand she said sure

666

00:25:16,070 --> 00:25:13,679

she said this uh it's cursed ground

667

00:25:18,710 --> 00:25:16,080

so we don't we don't uh go there we

668

00:25:20,950 --> 00:25:18,720

don't hunt there we don't fish there

669

00:25:22,789 --> 00:25:20,960

it's a place to transit through we'll

670

00:25:23,990 --> 00:25:22,799

walk across there to get from point a to

671

00:25:27,110 --> 00:25:24,000

point b

672

00:25:30,470 --> 00:25:27,120

uh but nobody's spending the night there

673

00:25:33,190 --> 00:25:30,480

and i said yeah i can understand that

674

00:25:34,070 --> 00:25:33,200

and uh so then i was curious to go one

675

00:25:36,149 --> 00:25:34,080

step further

676

00:25:37,669 --> 00:25:36,159

and i got a hold of a friend from

677

00:25:40,630 --> 00:25:37,679

michigan state university

678

00:25:42,630 --> 00:25:40,640

who found an anthropologist and i got a

679

00:25:45,750 --> 00:25:42,640

hold of a archaeologist

680

00:25:49,350 --> 00:25:45,760

uh who specialized

681

00:25:51,029 --> 00:25:49,360

in in the ozark area

682

00:25:53,909 --> 00:25:51,039

where we were near the ozark mountains

683

00:25:58,070 --> 00:25:53,919

southern missouri northern arkansas

684

00:25:59,510 --> 00:25:58,080

um and uh i asked him i said you know

685

00:26:01,110 --> 00:25:59,520

can you tell me a little bit about

686

00:26:02,549 --> 00:26:01,120

you know this double stem state park

687

00:26:03,990 --> 00:26:02,559

he's uh are you familiar and he's like

688

00:26:05,110 --> 00:26:04,000

oh yeah absolutely i'm familiar with

689

00:26:08,630 --> 00:26:05,120

that

690

00:26:09,590 --> 00:26:08,640

and i said i'd like to know um what kind

691

00:26:14,070 --> 00:26:09,600

of

692

00:26:15,669 --> 00:26:14,080

native american or artifacts you found

693

00:26:18,230 --> 00:26:15,679

and he says well it's it's curious that

694

00:26:22,070 --> 00:26:18,240

you asked that because

695

00:26:23,990 --> 00:26:22,080

we found uh native american stone tools

696

00:26:27,590 --> 00:26:24,000

flake tools

697

00:26:30,630 --> 00:26:27,600

going back to neolithic people

698

00:26:33,029 --> 00:26:30,640

all around devil's den state park

699

00:26:33,750 --> 00:26:33,039

but we've never found evidence of an

700

00:26:36,789 --> 00:26:33,760

encampment

701
00:26:37,669 --> 00:26:36,799
or evidence of a single arrowhead

702
00:26:40,789 --> 00:26:37,679
spearhead

703
00:26:44,070 --> 00:26:40,799
nothing of the sort anywhere within the

704
00:26:45,430 --> 00:26:44,080
confines of the park so i thought well

705
00:26:48,950 --> 00:26:45,440
that's

706
00:26:53,590 --> 00:26:48,960
maybe now i understand why it had the

707
00:26:56,870 --> 00:26:55,190
yeah that's that's the update from

708
00:27:00,870 --> 00:26:56,880
devil's den

709
00:27:04,230 --> 00:27:00,880
that's very important yeah

710
00:27:05,269 --> 00:27:04,240
very interesting that march 2019 this

711
00:27:07,430 --> 00:27:05,279
couple sees

712
00:27:08,950 --> 00:27:07,440
an albino turtle quote-unquote instead

713
00:27:11,590 --> 00:27:08,960

of it's a human skull

714

00:27:13,029 --> 00:27:11,600

it seems like a peaceful transition or i

715

00:27:13,830 --> 00:27:13,039

mean there's no way to positively know

716

00:27:16,310 --> 00:27:13,840

but

717

00:27:18,389 --> 00:27:16,320

it is identified as rodney letterman you

718

00:27:19,510 --> 00:27:18,399

know terry the very interesting thing

719

00:27:20,870 --> 00:27:19,520

here

720

00:27:23,590 --> 00:27:20,880

a lot of the things that you've

721

00:27:25,669 --> 00:27:23,600

mentioned the two native tribes involved

722

00:27:28,070 --> 00:27:25,679

so many similarities to properties in

723

00:27:28,710 --> 00:27:28,080

the united basin of utah is why i piped

724

00:27:30,389 --> 00:27:28,720

up

725

00:27:31,750 --> 00:27:30,399

and it's interesting that you mentioned

726

00:27:34,630 --> 00:27:31,760

that areas with the name

727

00:27:35,750 --> 00:27:34,640

devil have a disproportionate amount of

728

00:27:38,470 --> 00:27:35,760

odd activity

729

00:27:39,590 --> 00:27:38,480

a location that i'm very familiar with

730

00:27:42,870 --> 00:27:39,600

behind

731

00:27:45,350 --> 00:27:42,880

the strawberry river in duchesne utah

732

00:27:46,470 --> 00:27:45,360

featured on portals to hell tv show

733

00:27:49,669 --> 00:27:46,480

anyway

734

00:27:51,029 --> 00:27:49,679

is a place called the devil soup bowl

735

00:27:53,350 --> 00:27:51,039

and i think it's interesting how you

736

00:27:56,310 --> 00:27:53,360

mentioned the way the place devil's den

737

00:27:59,029 --> 00:27:56,320

got its name and it's eerily similar as

738

00:28:02,070 --> 00:27:59,039

far as little kids getting

739

00:28:04,070 --> 00:28:02,080

well strange uh

740

00:28:05,830 --> 00:28:04,080

i don't know if you know by now you

741

00:28:07,350 --> 00:28:05,840

would think that strange disappearances

742

00:28:08,710 --> 00:28:07,360

with folks dealing with strange

743

00:28:11,510 --> 00:28:08,720

circumstances

744

00:28:12,389 --> 00:28:11,520

would gather more attention like david

745

00:28:15,669 --> 00:28:12,399

pilates has

746

00:28:16,470 --> 00:28:15,679

has uh kind of focused in what does it

747

00:28:18,630 --> 00:28:16,480

all mean

748

00:28:20,230 --> 00:28:18,640

it i mean there's so much to it i know i

749

00:28:25,190 --> 00:28:20,240

that's a big question

750

00:28:31,510 --> 00:28:29,669

well you know i uh i have a theory

751
00:28:33,350 --> 00:28:31,520
awesome

752
00:28:34,950 --> 00:28:33,360
and that is that you know in devil's den

753
00:28:37,830 --> 00:28:34,960
i i made a statement that

754
00:28:39,269 --> 00:28:37,840
um in the very last chapter that i was

755
00:28:41,110 --> 00:28:39,279
visited by

756
00:28:43,110 --> 00:28:41,120
an alien entity and i know that's hard

757
00:28:45,750 --> 00:28:43,120
to believe and i know that uh

758
00:28:46,230 --> 00:28:45,760
my editor uh i wanted to keep that

759
00:28:49,669 --> 00:28:46,240
chapter

760
00:28:51,830 --> 00:28:49,679
out of the book just because it

761
00:28:53,190 --> 00:28:51,840
it does make the story hard to believe

762
00:28:55,029 --> 00:28:53,200
you know people roll their eyes

763
00:28:57,029 --> 00:28:55,039

and like oh yeah yeah an alien came to

764

00:28:59,830 --> 00:28:57,039

visit you right here we go

765

00:29:01,029 --> 00:28:59,840

well that's that's fact um you know

766

00:29:03,990 --> 00:29:01,039

that's this conversation

767

00:29:05,350 --> 00:29:04,000

i had this conversation a week ago with

768

00:29:08,549 --> 00:29:05,360

uh whitley strieber

769

00:29:10,830 --> 00:29:08,559

uh who's been visited and uh

770

00:29:13,590 --> 00:29:10,840

you know there are people out there that

771

00:29:15,990 --> 00:29:13,600

uh getting in contact with uh

772

00:29:17,750 --> 00:29:16,000

who had been contacted by alien beings

773

00:29:18,630 --> 00:29:17,760

and i could i could name a slew of them

774

00:29:21,750 --> 00:29:18,640

and

775

00:29:26,230 --> 00:29:21,760

a lot of them are well respected people

776

00:29:30,789 --> 00:29:26,240

so in october of 2017

777

00:29:32,710 --> 00:29:30,799

uh i woke up in my living room

778

00:29:36,389 --> 00:29:32,720

now i've never sleep walked one day in

779

00:29:39,190 --> 00:29:36,399

my life and i woke up in my living room

780

00:29:40,070 --> 00:29:39,200

and i'm in my chair and i opened my eyes

781

00:29:43,750 --> 00:29:40,080

and i'm like

782

00:29:46,630 --> 00:29:43,760

how did i get here and i glanced over to

783

00:29:48,789 --> 00:29:46,640

my left and the alarm is set

784

00:29:49,830 --> 00:29:48,799

and then i see the cat and the cat's

785

00:29:52,950 --> 00:29:49,840

just kind of

786

00:29:54,710 --> 00:29:52,960

chilling like cats do

787

00:29:56,549 --> 00:29:54,720

but seated directly across from me there

788

00:29:59,750 --> 00:29:56,559

was what i first took to be

789

00:30:02,950 --> 00:29:59,760

a petite asian woman

790

00:30:05,190 --> 00:30:02,960

and she was dressed in black

791

00:30:07,350 --> 00:30:05,200

she had on like sturdy black nursing

792

00:30:11,110 --> 00:30:07,360

shoes with a high heel

793

00:30:13,029 --> 00:30:11,120

uh sturdy kind of heel to compensate for

794

00:30:15,590 --> 00:30:13,039

her short stature

795

00:30:17,350 --> 00:30:15,600

um the blouse that she was wearing had

796

00:30:19,350 --> 00:30:17,360

extra long sleeves

797

00:30:21,750 --> 00:30:19,360

and with you know four kind of ugly

798

00:30:25,110 --> 00:30:21,760

fingers sticking out

799

00:30:26,149 --> 00:30:25,120

um like i said you know what it she had

800

00:30:28,230 --> 00:30:26,159

on a black wig

801
00:30:29,269 --> 00:30:28,240
and black glasses oversized black

802
00:30:30,710 --> 00:30:29,279
glasses

803
00:30:32,310 --> 00:30:30,720
you know at first glance she could

804
00:30:34,830 --> 00:30:32,320
probably walk down the streets of dallas

805
00:30:37,909 --> 00:30:34,840
and not draw a second book

806
00:30:39,669 --> 00:30:37,919
um but you know when you looked at when

807
00:30:41,430 --> 00:30:39,679
i looked at her closely she did not look

808
00:30:45,029 --> 00:30:41,440
like a human being

809
00:30:49,669 --> 00:30:45,039
and what was crazy was i i

810
00:30:54,710 --> 00:30:52,789
so i i won't i won't we don't have time

811
00:30:57,750 --> 00:30:54,720
for me to go into that whole story

812
00:31:00,389 --> 00:30:57,760
uh other than to say that uh

813
00:31:01,909 --> 00:31:00,399

uh i call her betty when i wrote this

814

00:31:04,950 --> 00:31:01,919

incident at devil's den

815

00:31:07,350 --> 00:31:04,960

yup on my notes that night because

816

00:31:08,870 --> 00:31:07,360

when i first saw her i know this sounds

817

00:31:13,830 --> 00:31:08,880

goofy but

818

00:31:20,470 --> 00:31:18,230

but from a profile she reminded me of

819

00:31:22,549 --> 00:31:20,480

betty rubble from the flintstones you're

820

00:31:23,909 --> 00:31:22,559

not going to you're not going to be

821

00:31:27,110 --> 00:31:23,919

you're not going to believe this terry

822

00:31:29,509 --> 00:31:27,120

but it's it it seemed as if somebody

823

00:31:30,870 --> 00:31:29,519

gurgled everything that you said is

824

00:31:32,389 --> 00:31:30,880

there any way that we could try to say

825

00:31:35,509 --> 00:31:32,399

that again i apologize

826

00:31:37,590 --> 00:31:35,519

what what she appeared to be like

827

00:31:38,950 --> 00:31:37,600

i sure can and that's not the first time

828

00:31:42,149 --> 00:31:38,960

that's happened either

829

00:31:43,669 --> 00:31:42,159

um yeah i saw and interrupt me if my if

830

00:31:47,350 --> 00:31:43,679

i go garbled again you bet

831

00:31:48,470 --> 00:31:47,360

and i saw seated directly across from me

832

00:31:51,509 --> 00:31:48,480

what i first took to be

833

00:31:54,470 --> 00:31:51,519

a petite asian woman dressed in black

834

00:31:55,190 --> 00:31:54,480

uh she had on my black long you know the

835

00:32:00,950 --> 00:31:55,200

black

836

00:32:02,789 --> 00:32:00,960

uh nursing shoes with a high heel to

837

00:32:06,630 --> 00:32:02,799

kind of compensate for her

838

00:32:09,509 --> 00:32:06,640

short stasher uh and she had on uh

839

00:32:11,509 --> 00:32:09,519

and she had a red scarf around tied

840

00:32:15,110 --> 00:32:11,519

around her neck to hide her pencil thin

841

00:32:17,110 --> 00:32:15,120

neck and black wig and oversized black

842

00:32:19,909 --> 00:32:17,120

sunglasses

843

00:32:21,509 --> 00:32:19,919

and uh i i also mentioned that you know

844

00:32:25,110 --> 00:32:21,519

if she walked down the streets of dallas

845

00:32:28,149 --> 00:32:25,120

i doubted she'd draw a second look

846

00:32:29,990 --> 00:32:28,159

but when i looked closely at her uh and

847

00:32:33,350 --> 00:32:30,000

first of all i want to mention too that

848

00:32:37,269 --> 00:32:33,360

you know i'm not freaked out i'm in that

849

00:32:38,710 --> 00:32:37,279

calm kind of weird zone uh

850

00:32:40,389 --> 00:32:38,720

and you know normally if you wake up and

851
00:32:41,590 --> 00:32:40,399
you find a stranger in your house male

852
00:32:45,110 --> 00:32:41,600
or female there's

853
00:32:46,149 --> 00:32:45,120
you know there's a normal reaction i

854
00:32:49,430 --> 00:32:46,159
didn't have a normal

855
00:32:52,149 --> 00:32:49,440
reaction um

856
00:32:53,750 --> 00:32:52,159
and this woman looked familiar to me and

857
00:32:55,669 --> 00:32:53,760
i thought about falling from my wife it

858
00:32:57,029 --> 00:32:55,679
was just down the hall

859
00:32:58,950 --> 00:32:57,039
and i thought you know what no they got

860
00:33:00,389 --> 00:32:58,960
that covered too you know she's not

861
00:33:03,669 --> 00:33:00,399
going to hear me

862
00:33:05,430 --> 00:33:03,679
uh why waste the effort but i can see

863
00:33:07,029 --> 00:33:05,440

the alarm panel the alarm set in the

864

00:33:08,830 --> 00:33:07,039

house i have no idea how she got in the

865

00:33:12,630 --> 00:33:08,840

house

866

00:33:14,149 --> 00:33:12,640

wow and um

867

00:33:16,310 --> 00:33:14,159

we had a we had a telepathic

868

00:33:19,350 --> 00:33:16,320

conversation

869

00:33:21,350 --> 00:33:19,360

and strange as that sounds

870

00:33:22,789 --> 00:33:21,360

i recognized this woman i called her

871

00:33:24,630 --> 00:33:22,799

betty because she

872

00:33:26,950 --> 00:33:24,640

hit with this black wig she reminded me

873

00:33:31,750 --> 00:33:26,960

the old flintstone cartoons

874

00:33:35,509 --> 00:33:31,760

uh version of betty rubble and uh

875

00:33:36,870 --> 00:33:35,519

but my thought was and she read my

876

00:33:38,230 --> 00:33:36,880

thoughts and my thought well first

877

00:33:39,909 --> 00:33:38,240

thought was i wish you'd take those

878

00:33:41,350 --> 00:33:39,919

glasses off because i wanted to see her

879

00:33:43,430 --> 00:33:41,360

face

880

00:33:46,549 --> 00:33:43,440

and she took the glasses off and as soon

881

00:33:50,230 --> 00:33:46,559

as she did that i recognized her

882

00:33:52,230 --> 00:33:50,240

and this is the same entity

883

00:33:53,750 --> 00:33:52,240

that i saw when i was a little kid i

884

00:33:55,190 --> 00:33:53,760

mean i'm talking like four to seven

885

00:33:57,509 --> 00:33:55,200

years of age

886

00:33:58,389 --> 00:33:57,519

when they would take me when i was a kid

887

00:34:01,190 --> 00:33:58,399

um

888

00:34:02,870 --> 00:34:01,200

and we would go to this like playroom

889

00:34:04,870 --> 00:34:02,880

and there were other children there

890

00:34:07,269 --> 00:34:04,880

that i didn't i knew them in this

891

00:34:08,869 --> 00:34:07,279

playroom setting

892

00:34:10,470 --> 00:34:08,879

but i didn't know them from school or

893

00:34:12,069 --> 00:34:10,480

recognized them from the neighborhood i

894

00:34:13,190 --> 00:34:12,079

don't know who they were but when we

895

00:34:16,790 --> 00:34:13,200

were there

896

00:34:19,430 --> 00:34:16,800

we were we were friends and there was

897

00:34:23,589 --> 00:34:19,440

probably a dozen of us

898

00:34:26,950 --> 00:34:23,599

and i had called this woman

899

00:34:27,750 --> 00:34:26,960

sue back then when i was age four and i

900

00:34:30,869 --> 00:34:27,760

called her sue

901
00:34:32,149 --> 00:34:30,879
because we had a neighbor behind us who

902
00:34:35,190 --> 00:34:32,159
was japanese

903
00:34:36,149 --> 00:34:35,200
she had married an american gi uh right

904
00:34:38,470 --> 00:34:36,159
post world war

905
00:34:39,430 --> 00:34:38,480
ii uh moved to the states and he was

906
00:34:42,629 --> 00:34:39,440
deceased

907
00:34:46,069 --> 00:34:42,639
um so she was living by herself

908
00:34:49,750 --> 00:34:46,079
she's a nice very kind woman

909
00:34:53,510 --> 00:34:49,760
but she kind of looked like sue

910
00:34:57,270 --> 00:34:53,520
who had kind of uh kind of almond eyes

911
00:34:58,710 --> 00:34:57,280
um you know she looked the entity that i

912
00:35:00,950 --> 00:34:58,720
saw left asian but you know what she

913
00:35:03,990 --> 00:35:00,960

didn't look human either

914

00:35:07,030 --> 00:35:04,000

um she had a bulbous back to her head

915

00:35:08,870 --> 00:35:07,040

that's why in 2017 when i saw her this

916

00:35:11,270 --> 00:35:08,880

wig was all set sideways

917

00:35:12,790 --> 00:35:11,280

because it was meant for a human head it

918

00:35:14,870 --> 00:35:12,800

wasn't big enough

919

00:35:17,190 --> 00:35:14,880

to cover the bulbous back part of her

920

00:35:21,430 --> 00:35:17,200

head it was uh

921

00:35:24,630 --> 00:35:23,589

and we you know we carried on this

922

00:35:28,710 --> 00:35:24,640

mental

923

00:35:32,390 --> 00:35:28,720

telepathic uh communication that

924

00:35:33,990 --> 00:35:32,400

felt normal it felt uh

925

00:35:35,829 --> 00:35:34,000

you know well that's the way we talked

926

00:35:37,190 --> 00:35:35,839

when i was a little kid and and i knew

927

00:35:40,470 --> 00:35:37,200

her

928

00:35:41,510 --> 00:35:40,480

um and i actually said it's good to see

929

00:35:43,270 --> 00:35:41,520

you again

930

00:35:46,390 --> 00:35:43,280

and she said it's good to see you too

931

00:35:51,030 --> 00:35:47,910

and i was a little i was a little

932

00:35:55,109 --> 00:35:51,040

concerned because i mean and

933

00:35:57,430 --> 00:35:55,119

on one hand i am i am scared to death um

934

00:35:58,630 --> 00:35:57,440

but i'm under their influence so i feel

935

00:36:01,750 --> 00:35:58,640

i'm feeling calm

936

00:36:04,950 --> 00:36:01,760

but part of me knows that this could be

937

00:36:06,550 --> 00:36:04,960

potential danger and i'm thinking to

938

00:36:07,190 --> 00:36:06,560

myself what if she's here to take me

939

00:36:10,230 --> 00:36:07,200

away

940

00:36:10,630 --> 00:36:10,240

you know what if uh and my first thought

941

00:36:13,270 --> 00:36:10,640

was

942

00:36:14,710 --> 00:36:13,280

you know my mind's an open book to her

943

00:36:17,349 --> 00:36:14,720

what if i think of something

944

00:36:18,550 --> 00:36:17,359

uh that angers her or what if i think of

945

00:36:21,990 --> 00:36:18,560

something inappropriate

946

00:36:24,710 --> 00:36:22,000

right i forbid and uh

947

00:36:26,550 --> 00:36:24,720

you know it's it's like if you had a

948

00:36:26,950 --> 00:36:26,560

classroom of fourth graders and you told

949

00:36:28,950 --> 00:36:26,960

them

950

00:36:30,710 --> 00:36:28,960

okay for the next five minutes don't

951
00:36:32,470 --> 00:36:30,720
think about elephants whatever you do do

952
00:36:33,589 --> 00:36:32,480
not think of an elephant

953
00:36:35,670 --> 00:36:33,599
well you know these kids are going to be

954
00:36:37,349 --> 00:36:35,680
thinking of every kind of

955
00:36:39,190 --> 00:36:37,359
you know image of an elephant you can

956
00:36:42,310 --> 00:36:39,200
think of right

957
00:36:45,109 --> 00:36:42,320
uh so i'm embarrassed to admit that

958
00:36:46,870 --> 00:36:45,119
you know i had this flash of

959
00:36:50,470 --> 00:36:46,880
inappropriate fun and i'm thinking no

960
00:36:55,190 --> 00:36:50,480
don't think that no don't go there

961
00:36:58,550 --> 00:36:55,200
and i think i embarrassed her um

962
00:36:59,670 --> 00:36:58,560
and she gave me a strong message

963
00:37:02,790 --> 00:36:59,680

politely

964

00:37:03,829 --> 00:37:02,800
saying terry you can control your

965

00:37:06,150 --> 00:37:03,839
thoughts

966

00:37:07,990 --> 00:37:06,160
uh you can keep or no she said terry you

967

00:37:11,589 --> 00:37:08,000
can keep some of your thoughts secret

968

00:37:12,950 --> 00:37:11,599
if you just try now who knows i

969

00:37:15,190 --> 00:37:12,960
mean i don't know if she said that to

970

00:37:18,710 --> 00:37:15,200
placate me uh

971

00:37:21,589 --> 00:37:18,720
or if it's true um it did it did help me

972

00:37:25,430 --> 00:37:21,599
to relax and and focus

973

00:37:27,750 --> 00:37:25,440
and and we had a conversation and

974

00:37:30,550 --> 00:37:27,760
i described in an incident at devil's

975

00:37:32,069 --> 00:37:30,560
then the content of those conversations

976
00:37:33,910 --> 00:37:32,079
and i said there were a couple things

977
00:37:35,829 --> 00:37:33,920
that i

978
00:37:37,349 --> 00:37:35,839
i didn't want to discuss i didn't think

979
00:37:38,390 --> 00:37:37,359
it was appropriate to discuss at the

980
00:37:40,870 --> 00:37:38,400
time

981
00:37:42,230 --> 00:37:40,880
and and the reason for that is i mean

982
00:37:48,069 --> 00:37:42,240
there's just

983
00:37:48,710 --> 00:37:48,079
the public before you know you reach a

984
00:37:50,870 --> 00:37:48,720
point that

985
00:37:52,310 --> 00:37:50,880
the lies credulity and they scratch

986
00:37:55,910 --> 00:37:52,320
their heads and say this

987
00:37:57,910 --> 00:37:55,920
can't be true um

988
00:38:00,390 --> 00:37:57,920

and i want people to know this stuff is

989

00:38:04,150 --> 00:38:00,400

real that's important to me

990

00:38:07,510 --> 00:38:04,160

so one of the things she said to me

991

00:38:08,550 --> 00:38:07,520

was i mentally telepathically asked the

992

00:38:10,230 --> 00:38:08,560

question

993

00:38:14,069 --> 00:38:10,240

is this about the thing in my legs and

994

00:38:20,150 --> 00:38:17,190

and i said is my government involved in

995

00:38:23,190 --> 00:38:20,160

this and she said yes

996

00:38:27,990 --> 00:38:26,550

she told me that somewhere sometime

997

00:38:29,510 --> 00:38:28,000

before my birth

998

00:38:31,270 --> 00:38:29,520

now that's kind of vague i was born in

999

00:38:34,390 --> 00:38:31,280

1955 so that

1000

00:38:34,870 --> 00:38:34,400

that could have been any time but she

1001

00:38:38,550 --> 00:38:34,880

said

1002

00:38:41,750 --> 00:38:38,560

shortly before your birth um

1003

00:38:45,109 --> 00:38:41,760

your president dwight d eisenhower

1004

00:38:49,430 --> 00:38:45,119

entered into an agreement with

1005

00:38:51,750 --> 00:38:49,440

uh a group of entities

1006

00:38:53,109 --> 00:38:51,760

from from different uh regions of the

1007

00:38:55,670 --> 00:38:53,119

universe

1008

00:38:58,470 --> 00:38:55,680

that are in like a coalition they're all

1009

00:39:06,069 --> 00:39:02,470

and we signed an agreement with them

1010

00:39:09,190 --> 00:39:06,079

and she told me that um

1011

00:39:13,030 --> 00:39:09,200

that we had two space programs

1012

00:39:16,150 --> 00:39:13,040

we had the shuttle program at the time

1013

00:39:18,150 --> 00:39:16,160

that she said was the public face

1014

00:39:20,310 --> 00:39:18,160

of the space program but there was a

1015

00:39:22,310 --> 00:39:20,320

second one that the public didn't know

1016

00:39:25,190 --> 00:39:22,320

about

1017

00:39:27,910 --> 00:39:25,200

so you know i just she confirmed for me

1018

00:39:29,030 --> 00:39:27,920

that there was a secret space program

1019

00:39:30,950 --> 00:39:29,040

and uh

1020

00:39:32,630 --> 00:39:30,960

she confirmed for me that you know like

1021

00:39:34,150 --> 00:39:32,640

i needed confirmation of that but she

1022

00:39:35,270 --> 00:39:34,160

confirmed for me that the united states

1023

00:39:38,710 --> 00:39:35,280

government

1024

00:39:41,750 --> 00:39:38,720

knew about this about these entities

1025

00:39:44,310 --> 00:39:41,760

and was actually in a treaty and a

1026

00:39:47,510 --> 00:39:44,320

signed agreement with them

1027

00:39:51,829 --> 00:39:47,520

right and she said that the the

1028

00:39:55,030 --> 00:39:51,839

aliens um did not keep their agreement

1029

00:39:57,430 --> 00:39:55,040

and their agreement was that according

1030

00:39:58,630 --> 00:39:57,440

to her that they could take x number of

1031

00:40:00,710 --> 00:39:58,640

people

1032

00:40:02,230 --> 00:40:00,720

from state national forest and other

1033

00:40:05,510 --> 00:40:02,240

places

1034

00:40:06,069 --> 00:40:05,520

um but they demanded that uh they'd be

1035

00:40:10,950 --> 00:40:06,079

given

1036

00:40:12,390 --> 00:40:10,960

list of those people that go missing

1037

00:40:16,309 --> 00:40:12,400

because of their intervention that are

1038

00:40:19,990 --> 00:40:18,790

but they had a limit on how many people

1039

00:40:23,109 --> 00:40:20,000

they could take

1040

00:40:25,349 --> 00:40:23,119

and she says that in the 60s they

1041

00:40:26,870 --> 00:40:25,359

put that aside and just act as they want

1042

00:40:28,390 --> 00:40:26,880

to act and they take

1043

00:40:30,550 --> 00:40:28,400

who they want to take whenever they want

1044

00:40:31,829 --> 00:40:30,560

to take it and the united states

1045

00:40:35,030 --> 00:40:31,839

government or any form

1046

00:40:38,950 --> 00:40:35,040

any other foreign government has no

1047

00:40:42,710 --> 00:40:38,960

capacity no ability to uh

1048

00:40:44,390 --> 00:40:42,720

to fight them and that matches you know

1049

00:40:45,589 --> 00:40:44,400

david politis when he did this missing

1050

00:40:48,150 --> 00:40:45,599

4-1-1 book

1051
00:40:48,870 --> 00:40:48,160
yeah talked about the same effect the

1052
00:40:52,069 --> 00:40:48,880
same

1053
00:40:55,510 --> 00:40:52,079
phenomena happening in canada

1054
00:40:57,109 --> 00:40:55,520
and in australia and in europe uh

1055
00:40:59,510 --> 00:40:57,119
people who are missing in amazing

1056
00:41:00,550 --> 00:40:59,520
numbers and under just incredible

1057
00:41:03,270 --> 00:41:00,560
circumstances

1058
00:41:04,069 --> 00:41:03,280
you know a string of people all walking

1059
00:41:06,870 --> 00:41:04,079
together

1060
00:41:08,309 --> 00:41:06,880
and it's it's typically you know not

1061
00:41:09,109 --> 00:41:08,319
it's typically not somebody in the

1062
00:41:11,510 --> 00:41:09,119
middle

1063
00:41:12,550 --> 00:41:11,520

uh but it's typically someone lagging

1064

00:41:15,510 --> 00:41:12,560

behind

1065

00:41:17,990 --> 00:41:15,520

or someone who is uh enthusiastic and

1066

00:41:19,589 --> 00:41:18,000

maybe a little bit ahead of the group

1067

00:41:21,109 --> 00:41:19,599

those are the people that tend to just

1068

00:41:24,230 --> 00:41:21,119

banishing them into thin

1069

00:41:26,710 --> 00:41:24,240

air which is a

1070

00:41:27,589 --> 00:41:26,720

lesson for me you know if you watch the

1071

00:41:29,430 --> 00:41:27,599

uh

1072

00:41:31,430 --> 00:41:29,440

the nature shows you see though the

1073

00:41:35,109 --> 00:41:31,440

wildebeest on the african plains

1074

00:41:36,790 --> 00:41:35,119

and uh who gets picked off by the hyenas

1075

00:41:38,470 --> 00:41:36,800

and the lions it's the it's the

1076

00:41:40,950 --> 00:41:38,480

stragglers and the outliers

1077

00:41:43,349 --> 00:41:40,960

that's right you know be in the middle

1078

00:41:47,270 --> 00:41:43,359

of the pack there's safety there

1079

00:41:47,990 --> 00:41:47,280

and um so those those are amazing

1080

00:41:51,829 --> 00:41:48,000

revelations

1081

00:41:55,430 --> 00:41:51,839

to me they're very amazing then i saw

1082

00:41:57,829 --> 00:41:55,440

yeah and december 8th december 8th i'm

1083

00:42:00,630 --> 00:41:57,839

reading the jerusalem post online

1084

00:42:02,069 --> 00:42:00,640

um i've got some friends in tel aviv and

1085

00:42:05,349 --> 00:42:02,079

i like to catch up on what's happening

1086

00:42:08,309 --> 00:42:05,359

there so i mean i and it's a

1087

00:42:09,430 --> 00:42:08,319

reputable newspaper and i see this

1088

00:42:13,109 --> 00:42:09,440

article

1089

00:42:17,910 --> 00:42:13,119

where um i am a shed

1090

00:42:22,309 --> 00:42:17,920

uh h-a-i-m last name e-s-h-e-d

1091

00:42:26,550 --> 00:42:22,319

i am a shed is uh by israel's brazal

1092

00:42:27,270 --> 00:42:26,560

he's famous he uh he did all of uh

1093

00:42:30,950 --> 00:42:27,280

israel's

1094

00:42:31,670 --> 00:42:30,960

space defense and um had a hand in

1095

00:42:36,069 --> 00:42:31,680

everything

1096

00:42:39,750 --> 00:42:36,079

that that israel does in space

1097

00:42:43,349 --> 00:42:39,760

and uh he's a uh high ranked general

1098

00:42:45,910 --> 00:42:43,359

who retired you know 10 years ago and

1099

00:42:47,910 --> 00:42:45,920

began a career in academia and he taught

1100

00:42:50,950 --> 00:42:47,920

at university level for 10 years

1101
00:42:53,430 --> 00:42:50,960
teaching you know physics and aerospace

1102
00:42:56,829 --> 00:42:53,440
engineering and the like

1103
00:42:59,990 --> 00:42:56,839
and he came and came out and said

1104
00:43:03,190 --> 00:43:00,000
that the united states

1105
00:43:04,390 --> 00:43:03,200
and israel have entered into a peace

1106
00:43:05,990 --> 00:43:04,400
agreement

1107
00:43:07,829 --> 00:43:06,000
with and i think this is kind of an

1108
00:43:09,589 --> 00:43:07,839
unfortunate choice of words but maybe

1109
00:43:11,589 --> 00:43:09,599
it's an app description i don't like it

1110
00:43:14,710 --> 00:43:11,599
because

1111
00:43:16,550 --> 00:43:14,720
it sounds too sci-fi-ish to me right

1112
00:43:19,589 --> 00:43:16,560
but he said that there is quote a

1113
00:43:21,109 --> 00:43:19,599

galactic federation

1114

00:43:23,190 --> 00:43:21,119

and i guess that would be the right word

1115

00:43:26,390 --> 00:43:23,200

you know a group of

1116

00:43:28,710 --> 00:43:26,400

entities from different federations

1117

00:43:30,630 --> 00:43:28,720

in the universe that have come together

1118

00:43:32,630 --> 00:43:30,640

and formed this uh

1119

00:43:34,069 --> 00:43:32,640

this coalition federation whatever you

1120

00:43:35,589 --> 00:43:34,079

want to call it yup

1121

00:43:37,190 --> 00:43:35,599

and they've been in contact with the

1122

00:43:39,349 --> 00:43:37,200

united states and israel

1123

00:43:41,430 --> 00:43:39,359

he didn't say for how long but it sure

1124

00:43:43,430 --> 00:43:41,440

could sure could be that

1125

00:43:44,790 --> 00:43:43,440

you know that eisenhower attacked that

1126

00:43:48,390 --> 00:43:44,800

ice power agreement

1127

00:43:51,510 --> 00:43:48,400

um but who knows who knows for sure

1128

00:43:54,710 --> 00:43:51,520

and he said that um that president

1129

00:43:58,230 --> 00:43:54,720

donald trump has made plans

1130

00:44:00,630 --> 00:43:58,240

uh to disclose to the american people

1131

00:44:02,230 --> 00:44:00,640

that we've been in contact with et

1132

00:44:03,030 --> 00:44:02,240

that's correct and had entered into a

1133

00:44:08,390 --> 00:44:03,040

treaty

1134

00:44:10,790 --> 00:44:08,400

with e.t and the

1135

00:44:11,589 --> 00:44:10,800

galactic federation was not happy with

1136

00:44:16,230 --> 00:44:11,599

that idea

1137

00:44:20,829 --> 00:44:16,240

no and uh they told the president

1138

00:44:23,510 --> 00:44:20,839

you can't do this and you won't do this

1139

00:44:26,630 --> 00:44:23,520

um they said that

1140

00:44:29,670 --> 00:44:26,640

the reason is is that

1141

00:44:32,309 --> 00:44:29,680

people here aren't ready uh

1142

00:44:33,750 --> 00:44:32,319

for this [h__h] it'll be a mistake if you

1143

00:44:36,630 --> 00:44:33,760

do this

1144

00:44:39,510 --> 00:44:36,640

uh and he said and i thought these were

1145

00:44:43,750 --> 00:44:39,520

five interesting words he said not until

1146

00:44:47,990 --> 00:44:43,760

uh the general public understands uh

1147

00:44:49,670 --> 00:44:48,000

the nature of space and spaceships

1148

00:44:51,670 --> 00:44:49,680

now i scratched my head when i when i

1149

00:44:53,510 --> 00:44:51,680

read that and everybody else seems to

1150

00:44:55,109 --> 00:44:53,520

kind of gloss over it but that seems to

1151

00:45:00,069 --> 00:44:55,119

be the threshold

1152

00:45:02,230 --> 00:45:00,079

is the um the populace of the world

1153

00:45:03,990 --> 00:45:02,240

has to have some type of knowledge of

1154

00:45:07,109 --> 00:45:04,000

the nature of space and

1155

00:45:10,870 --> 00:45:07,119

spaceships whatever that means

1156

00:45:13,589 --> 00:45:10,880

um before we'll be able to accept uh

1157

00:45:15,430 --> 00:45:13,599

the truth i mean about about 18 and part

1158

00:45:16,790 --> 00:45:15,440

of my part of me wants to rebel against

1159

00:45:19,990 --> 00:45:16,800

that i think you know

1160

00:45:22,150 --> 00:45:20,000

well what you know what what

1161

00:45:24,390 --> 00:45:22,160

is it that they don't want to tell us

1162

00:45:26,309 --> 00:45:24,400

that you know we cause rioting in hong

1163

00:45:27,270 --> 00:45:26,319

kong or abundant i mean i just don't

1164

00:45:30,870 --> 00:45:27,280

understand right

1165

00:45:31,670 --> 00:45:30,880

right and it it like it it kind of

1166

00:45:34,309 --> 00:45:31,680

undermines

1167

00:45:35,349 --> 00:45:34,319

the public's which i get i think they

1168

00:45:38,470 --> 00:45:35,359

say the average

1169

00:45:39,190 --> 00:45:38,480

you know tv watcher is 12 years but you

1170

00:45:41,430 --> 00:45:39,200

know the

1171

00:45:43,190 --> 00:45:41,440

the age would be comparable to 12 years

1172

00:45:45,270 --> 00:45:43,200

when you're off work and zoning out with

1173

00:45:47,430 --> 00:45:45,280

a beer in your hand yeah maybe but

1174

00:45:49,589 --> 00:45:47,440

you know i think the key words like you

1175

00:45:51,829 --> 00:45:49,599

said not until the general public

1176
00:45:53,270 --> 00:45:51,839
understands space and spaceships is

1177
00:45:54,710 --> 00:45:53,280
that's a huge

1178
00:45:56,710 --> 00:45:54,720
i think you're on to something terry

1179
00:45:59,510 --> 00:45:56,720
because you know

1180
00:46:00,069 --> 00:45:59,520
presidents entering agreements this is

1181
00:46:02,790 --> 00:46:00,079
this is

1182
00:46:05,510 --> 00:46:02,800
big stuff huge stuff delving into space

1183
00:46:08,309 --> 00:46:05,520
programs and this mental telepathic

1184
00:46:10,069 --> 00:46:08,319
communication that you mentioned is also

1185
00:46:12,309 --> 00:46:10,079
a big deal because

1186
00:46:13,270 --> 00:46:12,319
i find it provocative and intriguing

1187
00:46:16,870 --> 00:46:13,280
that bigelow

1188
00:46:19,910 --> 00:46:16,880

aerospace now 100 percent

1189

00:46:22,470 --> 00:46:19,920

is switching its focus from space into

1190

00:46:26,790 --> 00:46:22,480

consciousness studies so the telepathic

1191

00:46:31,670 --> 00:46:29,510

it's funny that you mentioned that uh i

1192

00:46:35,030 --> 00:46:31,680

read that new york post

1193

00:46:37,750 --> 00:46:35,040

uh january 23rd article uh

1194

00:46:39,510 --> 00:46:37,760

about bigelow and about his switch and

1195

00:46:41,030 --> 00:46:39,520

his million dollar prize

1196

00:46:43,190 --> 00:46:41,040

you know he's offered a million dollars

1197

00:46:46,230 --> 00:46:43,200

to anyone who can uh

1198

00:46:49,750 --> 00:46:46,240

give him conclusive proof

1199

00:46:51,829 --> 00:46:49,760

of an afterlife and uh

1200

00:46:52,790 --> 00:46:51,839

you know that's it's not really the kind

1201
00:46:55,750 --> 00:46:52,800
of subject that

1202
00:46:56,950 --> 00:46:55,760
you know works with peer review i mean

1203
00:46:59,190 --> 00:46:56,960
there's no way to

1204
00:47:01,270 --> 00:46:59,200
you can't publish a scientific paper for

1205
00:47:01,750 --> 00:47:01,280
peer review and have somebody recreate

1206
00:47:08,550 --> 00:47:01,760
your

1207
00:47:10,470 --> 00:47:08,560
to validate it it just it's just

1208
00:47:12,470 --> 00:47:10,480
i don't know how someone's gonna make

1209
00:47:14,470 --> 00:47:12,480
the claim for that prize but

1210
00:47:15,910 --> 00:47:14,480
you know i i read that article and noted

1211
00:47:17,750 --> 00:47:15,920
a couple of things was it you know big

1212
00:47:20,069 --> 00:47:17,760
old 76 years of age

1213
00:47:21,190 --> 00:47:20,079

so you know he's getting up in years and

1214

00:47:23,270 --> 00:47:21,200

also his wife

1215

00:47:24,790 --> 00:47:23,280

just recently passed away yeah and he's

1216

00:47:27,109 --> 00:47:24,800

been married many years since

1217

00:47:29,190 --> 00:47:27,119

it was a good marriage and a great woman

1218

00:47:31,030 --> 00:47:29,200

sure so he's missing her he's facing his

1219

00:47:33,829 --> 00:47:31,040

own mortality

1220

00:47:35,430 --> 00:47:33,839

uh but curiously he said in the article

1221

00:47:38,950 --> 00:47:35,440

um

1222

00:47:42,950 --> 00:47:38,960

in the article

1223

00:47:47,190 --> 00:47:42,960

um i'm absolutely 100

1224

00:47:51,109 --> 00:47:49,510

but i want to be able to prove it i want

1225

00:47:54,470 --> 00:47:51,119

to be able to prove it

1226

00:47:56,630 --> 00:47:54,480

not only for myself but for humanity

1227

00:47:58,950 --> 00:47:56,640

because if you think about it proof of

1228

00:48:01,430 --> 00:47:58,960

that would be different than

1229

00:48:02,790 --> 00:48:01,440

the faith-based religion i mean

1230

00:48:06,230 --> 00:48:02,800

empirical proof

1231

00:48:08,950 --> 00:48:06,240

of something um

1232

00:48:10,150 --> 00:48:08,960

we changed the whole dynamics i mean it

1233

00:48:14,230 --> 00:48:10,160

would be

1234

00:48:16,230 --> 00:48:14,240

revolutionary and uh

1235

00:48:17,349 --> 00:48:16,240

it's going to be interesting to see

1236

00:48:18,309 --> 00:48:17,359

somebody's going to want to make a

1237

00:48:24,710 --> 00:48:18,319

million dollars

1238

00:48:28,950 --> 00:48:27,990

i just lost you there i'm here and i i

1239

00:48:31,190 --> 00:48:28,960

do think you're right

1240

00:48:34,630 --> 00:48:31,200

i think the money aspect is definitely a

1241

00:48:36,069 --> 00:48:34,640

weight it's it's an intriguing way to uh

1242

00:48:38,390 --> 00:48:36,079

light the fire under some of the

1243

00:48:43,030 --> 00:48:38,400

greatest minds and i think that this

1244

00:48:46,309 --> 00:48:43,040

recent um leslie keane

1245

00:48:47,990 --> 00:48:46,319

uh studies into the afterlife you know

1246

00:48:51,270 --> 00:48:48,000

it is strange activity

1247

00:48:51,990 --> 00:48:51,280

and it appears that a multitude of

1248

00:48:55,109 --> 00:48:52,000

studies

1249

00:48:56,710 --> 00:48:55,119

are are are kind of showing that there's

1250

00:48:58,390 --> 00:48:56,720

certain people who have a greater

1251

00:49:02,150 --> 00:48:58,400

ability to connect to these

1252

00:49:05,589 --> 00:49:02,160

others who may have keys and tidbits

1253

00:49:09,109 --> 00:49:05,599

and breadcrumbs so to speak

1254

00:49:10,950 --> 00:49:09,119

about the afterlife and i mean wow

1255

00:49:12,950 --> 00:49:10,960

your experience with a thousand of you

1256

00:49:16,230 --> 00:49:12,960

back when you were four years old

1257

00:49:18,150 --> 00:49:16,240

i find it so amazing that there is some

1258

00:49:20,470 --> 00:49:18,160

entity that would take you when you were

1259

00:49:21,190 --> 00:49:20,480

a kid and these almond eyes are very

1260

00:49:27,670 --> 00:49:21,200

telling

1261

00:49:30,870 --> 00:49:27,680

as to the strange activity and and

1262

00:49:34,230 --> 00:49:30,880

they're reported quite often

1263

00:49:34,870 --> 00:49:34,240

yes yes i'm glad you mentioned leslie's

1264

00:49:38,069 --> 00:49:34,880

book

1265

00:49:39,510 --> 00:49:38,079

uh her her current uh netflix series

1266

00:49:41,270 --> 00:49:39,520

berkeley's a friend of mine

1267

00:49:47,270 --> 00:49:41,280

she pronounces her name kane for some

1268

00:49:53,670 --> 00:49:50,470

she wrote a book called uh

1269

00:49:55,030 --> 00:49:53,680

surviving death and it is about the most

1270

00:49:58,870 --> 00:49:55,040

comprehensive book

1271

00:50:00,549 --> 00:49:58,880

i've ever read anybody over 60 should

1272

00:50:03,349 --> 00:50:00,559

read it because it's kind of a

1273

00:50:04,630 --> 00:50:03,359

kind of a hopeful message and that on

1274

00:50:07,750 --> 00:50:04,640

all these different levels

1275

00:50:09,349 --> 00:50:07,760

you know there there is uh proof uh

1276
00:50:11,510 --> 00:50:09,359
some of the most compelling stuff she

1277
00:50:13,109 --> 00:50:11,520
has to say by the near death ex

1278
00:50:14,630 --> 00:50:13,119
talk about us are the near-death

1279
00:50:18,150 --> 00:50:14,640
experiences

1280
00:50:20,870 --> 00:50:18,160
and um a doctor named jeffrey long

1281
00:50:23,589 --> 00:50:20,880
who is an oncologist you know a cancer

1282
00:50:26,549 --> 00:50:23,599
doctor who's witnessed a lot of debt

1283
00:50:27,430 --> 00:50:26,559
and he started uh you know 20 30 years

1284
00:50:32,470 --> 00:50:27,440
ago

1285
00:50:35,589 --> 00:50:32,480
um keeping a journal and logging uh

1286
00:50:38,230 --> 00:50:35,599
near death experiencers um you know

1287
00:50:39,190 --> 00:50:38,240
what what they saw what they heard what

1288
00:50:42,230 --> 00:50:39,200

you know what

1289

00:50:44,470 --> 00:50:42,240

their whole experience was and uh he's

1290

00:50:47,589 --> 00:50:44,480

written two books i've read them both

1291

00:50:50,710 --> 00:50:47,599

fascinating um

1292

00:50:51,910 --> 00:50:50,720

and uh like um there's another another

1293

00:50:55,990 --> 00:50:51,920

great guy

1294

00:51:00,230 --> 00:50:56,000

who is a neurosurgeon uh

1295

00:51:03,589 --> 00:51:00,240

named alexander even alexander eben

1296

00:51:05,270 --> 00:51:03,599

alexander is her last name and

1297

00:51:07,109 --> 00:51:05,280

he has one of the most incredible

1298

00:51:07,910 --> 00:51:07,119

near-death experience stories you'd ever

1299

00:51:13,750 --> 00:51:07,920

want to

1300

00:51:14,790 --> 00:51:13,760

is that in the back of incident at

1301
00:51:18,069 --> 00:51:14,800
devil's den

1302
00:51:18,790 --> 00:51:18,079
i gave a an email address and i said

1303
00:51:21,430 --> 00:51:18,800
look

1304
00:51:22,390 --> 00:51:21,440
uh i'm not you know an official

1305
00:51:24,309 --> 00:51:22,400
researcher

1306
00:51:26,309 --> 00:51:24,319
and i'm not you know a doctor or a

1307
00:51:29,349 --> 00:51:26,319
therapist of any kind but

1308
00:51:31,430 --> 00:51:29,359
you know if you've had an experience

1309
00:51:32,390 --> 00:51:31,440
and you want to share it with me you

1310
00:51:34,109 --> 00:51:32,400
know email me

1311
00:51:35,910 --> 00:51:34,119
i'll respect your content

1312
00:51:37,990 --> 00:51:35,920
confidentiality and i promise i'll

1313
00:51:40,950 --> 00:51:38,000

return every email

1314

00:51:42,470 --> 00:51:40,960

well that was march 10th of 2018 and

1315

00:51:46,309 --> 00:51:42,480

since then i've received

1316

00:51:48,470 --> 00:51:46,319

1400 as of this morning 1463 emails from

1317

00:51:51,510 --> 00:51:48,480

people

1318

00:51:54,630 --> 00:51:51,520

so big response yeah

1319

00:51:58,870 --> 00:51:54,640

and you know what i did was i um

1320

00:52:01,190 --> 00:51:58,880

i took a you know a play out of uh

1321

00:52:03,430 --> 00:52:01,200

david polite's playbook what i tried to

1322

00:52:06,470 --> 00:52:03,440

do was organize these

1323

00:52:07,910 --> 00:52:06,480

and categorize these

1324

00:52:11,190 --> 00:52:07,920

and see if i could pull some kind of

1325

00:52:14,069 --> 00:52:11,200

statistical um

1326
00:52:15,670 --> 00:52:14,079
something of value something uh there

1327
00:52:16,950 --> 00:52:15,680
had to be a threat of commonality that

1328
00:52:19,510 --> 00:52:16,960
runs through

1329
00:52:21,430 --> 00:52:19,520
some of these and what i found was out

1330
00:52:24,950 --> 00:52:21,440
of 1400

1331
00:52:27,109 --> 00:52:24,960
i had a group of about 400 that really

1332
00:52:28,790 --> 00:52:27,119
really sounded very credible

1333
00:52:31,109 --> 00:52:28,800
and it was kind of an interesting

1334
00:52:34,870 --> 00:52:31,119
dynamic uh

1335
00:52:37,190 --> 00:52:34,880
most of the people were over age 50.

1336
00:52:38,870 --> 00:52:37,200
and what i did was i took those 400 and

1337
00:52:41,270 --> 00:52:38,880
i studied them and i looked for things

1338
00:52:44,950 --> 00:52:41,280

that they shared in common

1339

00:52:47,589 --> 00:52:44,960

uh and i'll discuss that in a second i i

1340

00:52:48,950 --> 00:52:47,599

distilled that 400 down to 50 of the

1341

00:52:51,430 --> 00:52:48,960

best

1342

00:52:53,270 --> 00:52:51,440

and then i emailed all those people and

1343

00:52:54,870 --> 00:52:53,280

said i'd like to use your story my book

1344

00:52:56,950 --> 00:52:54,880

may i do you want me to use your real

1345

00:53:00,150 --> 00:52:56,960

name or change your name and

1346

00:53:03,030 --> 00:53:00,160

um tried to do both well we did

1347

00:53:05,589 --> 00:53:03,040

well we did both we did uh uh internet

1348

00:53:07,910 --> 00:53:05,599

conversation by email and then uh

1349

00:53:09,670 --> 00:53:07,920

i i like to follow up and speak with

1350

00:53:12,309 --> 00:53:09,680

them all by phone

1351
00:53:13,109 --> 00:53:12,319
um because i it's a better way to assess

1352
00:53:15,670 --> 00:53:13,119
someone's

1353
00:53:18,710 --> 00:53:15,680
credibility i like to listen to the tone

1354
00:53:20,870 --> 00:53:18,720
and tenor of their voice and

1355
00:53:23,030 --> 00:53:20,880
um you know it's not up to me to judge

1356
00:53:24,790 --> 00:53:23,040
anybody's veracity but uh

1357
00:53:26,790 --> 00:53:24,800
you know i think i'm a fairly good judge

1358
00:53:28,950 --> 00:53:26,800
of people

1359
00:53:31,030 --> 00:53:28,960
so i distilled it down to 30 of the best

1360
00:53:32,549 --> 00:53:31,040
stories that these people sent me

1361
00:53:35,270 --> 00:53:32,559
and they're short stories they're only a

1362
00:53:36,950 --> 00:53:35,280
five minute read a piece

1363
00:53:38,309 --> 00:53:36,960

uh and they're in the back of this book

1364

00:53:41,990 --> 00:53:38,319

uh the reckoning

1365

00:53:45,109 --> 00:53:42,000

and uh they're amazing and

1366

00:53:48,069 --> 00:53:45,119

and they cover all different uh

1367

00:53:49,430 --> 00:53:48,079

facets of the phenomena including you

1368

00:53:50,069 --> 00:53:49,440

know a woman wrote to me and said have

1369

00:53:53,270 --> 00:53:50,079

you ever

1370

00:53:56,309 --> 00:53:53,280

the

1371

00:53:59,750 --> 00:53:56,319

experience

1372

00:54:03,670 --> 00:53:59,760

and abductees and ufo

1373

00:54:05,829 --> 00:54:03,680

people and i said no

1374

00:54:09,190 --> 00:54:05,839

and she says well think about it what

1375

00:54:11,510 --> 00:54:09,200

happens to people after they have an nde

1376

00:54:13,670 --> 00:54:11,520

and i knew the answer to that having

1377

00:54:16,230 --> 00:54:13,680

read leslie's book and a few others

1378

00:54:16,870 --> 00:54:16,240

you know common reaction is that they're

1379

00:54:22,790 --> 00:54:16,880

changed

1380

00:54:25,190 --> 00:54:22,800

and you know they're more

1381

00:54:25,990 --> 00:54:25,200

they're more in harmony with their life

1382

00:54:29,030 --> 00:54:26,000

they're more

1383

00:54:31,349 --> 00:54:29,040

uh they're less materialistic

1384

00:54:33,109 --> 00:54:31,359

um you know they're they're not afraid

1385

00:54:35,430 --> 00:54:33,119

of death

1386

00:54:36,309 --> 00:54:35,440

and they uh they come away from it with

1387

00:54:39,670 --> 00:54:36,319

a new kind of

1388

00:54:42,470 --> 00:54:39,680

spiritual awakening and

1389

00:54:43,670 --> 00:54:42,480

you know kind of works that way for some

1390

00:54:47,349 --> 00:54:43,680

uh abductees

1391

00:54:49,109 --> 00:54:47,359

too and that they can uh

1392

00:54:50,630 --> 00:54:49,119

well they'll come back changed i mean if

1393

00:54:53,510 --> 00:54:50,640

you're if you're a genuine abductee

1394

00:54:55,109 --> 00:54:53,520

and you can you you have a memory of it

1395

00:54:57,190 --> 00:54:55,119

you are a changed person you're not the

1396

00:55:00,950 --> 00:54:57,200

same person that you were

1397

00:55:04,230 --> 00:55:00,960

um and just like the nde survivor

1398

00:55:05,430 --> 00:55:04,240

you know there's no doubt in your mind

1399

00:55:08,870 --> 00:55:05,440

you know

1400

00:55:11,829 --> 00:55:08,880

that we're not top dog that

1401

00:55:13,510 --> 00:55:11,839

you know in the nde experiences mind you

1402

00:55:16,789 --> 00:55:13,520

know they experience

1403

00:55:20,069 --> 00:55:16,799

um spiritual beings angels

1404

00:55:23,510 --> 00:55:20,079

god perhaps uh and in in the form

1405

00:55:24,950 --> 00:55:23,520

that's that's you know consistent with

1406

00:55:27,670 --> 00:55:24,960

their beliefs

1407

00:55:28,549 --> 00:55:27,680

you know this non-judgmental loving

1408

00:55:32,390 --> 00:55:28,559

person

1409

00:55:34,789 --> 00:55:32,400

entity um and you know a lot of times

1410

00:55:37,829 --> 00:55:34,799

people have um

1411

00:55:40,789 --> 00:55:37,839

ufo other abduction experiences and come

1412

00:55:44,470 --> 00:55:40,799

out of it with a very positive

1413

00:55:47,750 --> 00:55:44,480

um perspective the changes there a lot

1414

00:55:51,750 --> 00:55:47,760

that's right great example is

1415

00:55:54,870 --> 00:55:51,760

young woman by the name of sev tak sev

1416

00:55:56,470 --> 00:55:54,880

uh and her last name is t-o-k

1417

00:55:58,870 --> 00:55:56,480

and that's not a pen name it's her real

1418

00:56:02,950 --> 00:55:58,880

name she's

1419

00:56:06,630 --> 00:56:02,960

turkish and uh

1420

00:56:10,230 --> 00:56:06,640

she wrote uh she wrote an

1421

00:56:14,150 --> 00:56:10,240

excellent book i got it right here

1422

00:56:17,109 --> 00:56:14,160

and she like me had actual physical um

1423

00:56:17,829 --> 00:56:17,119

evidence in the form of some strange

1424

00:56:19,829 --> 00:56:17,839

injuries

1425

00:56:23,109 --> 00:56:19,839

her book is called you have the right to

1426

00:56:26,870 --> 00:56:25,670

which is kind of funny but great book

1427

00:56:30,230 --> 00:56:26,880

title

1428

00:56:31,349 --> 00:56:30,240

the her experience with et was a very

1429

00:56:35,109 --> 00:56:31,359

positive one

1430

00:56:38,390 --> 00:56:35,119

and changed her life for the better

1431

00:56:41,030 --> 00:56:38,400

and it's kind of um

1432

00:56:43,349 --> 00:56:41,040

a paradox and that some people have an

1433

00:56:45,430 --> 00:56:43,359

experience with et

1434

00:56:47,589 --> 00:56:45,440

and come out of it for the better and

1435

00:56:50,069 --> 00:56:47,599

some people have an experience with et

1436

00:56:50,870 --> 00:56:50,079

and their life falls apart you know my

1437

00:56:53,750 --> 00:56:50,880

friend toby

1438

00:56:54,390 --> 00:56:53,760

uh slid into alcoholism and uh that's

1439

00:56:57,030 --> 00:56:54,400

right

1440

00:56:58,549 --> 00:56:57,040

you know he went from being a very

1441

00:57:00,390 --> 00:56:58,559

bright kid to you know

1442

00:57:01,750 --> 00:57:00,400

to not having such a good life very

1443

00:57:04,789 --> 00:57:01,760

common in this field

1444

00:57:09,190 --> 00:57:04,799

i found that to be kind of common

1445

00:57:10,950 --> 00:57:09,200

and i wonder why um

1446

00:57:12,470 --> 00:57:10,960

let me if we have time i'd like to tell

1447

00:57:13,750 --> 00:57:12,480

you just a couple of share a couple of

1448

00:57:15,270 --> 00:57:13,760

those stories with you

1449

00:57:17,030 --> 00:57:15,280

i would love that i was going to ask you

1450

00:57:19,670 --> 00:57:17,040

the same thing yeah let's do for sure

1451

00:57:22,230 --> 00:57:19,680

that'd be great terry

1452

00:57:22,870 --> 00:57:22,240

the uh the first one i the first one i

1453

00:57:25,510 --> 00:57:22,880

did

1454

00:57:25,990 --> 00:57:25,520

uh was a 76 year old woman from

1455

00:57:29,109 --> 00:57:26,000

henderson

1456

00:57:31,030 --> 00:57:29,119

nevada now you know i

1457

00:57:32,309 --> 00:57:31,040

76 year old women don't wake up one

1458

00:57:34,069 --> 00:57:32,319

morning and say you know what i think

1459

00:57:36,549 --> 00:57:34,079

i'm going to make up a fairy tale

1460

00:57:38,309 --> 00:57:36,559

you know you know i read this book i

1461

00:57:41,510 --> 00:57:38,319

think i'm going to pull this guy's leg

1462

00:57:44,390 --> 00:57:41,520

you know i i don't think that happens or

1463

00:57:45,910 --> 00:57:44,400

it didn't happen in this case

1464

00:57:47,670 --> 00:57:45,920

she sent me an email and said look i'm

1465

00:57:50,789 --> 00:57:47,680

76 years old

1466

00:57:55,670 --> 00:57:50,799

my husband and i had an experience

1467

00:57:59,030 --> 00:57:55,680

in 1968 that i just can't reconcile

1468

00:58:02,230 --> 00:57:59,040

and her husband passed away in 1983

1469

00:58:03,750 --> 00:58:02,240

so she's the only surviving witness and

1470

00:58:04,230 --> 00:58:03,760

she says i really want to share this

1471

00:58:07,750 --> 00:58:04,240

with you

1472

00:58:10,069 --> 00:58:07,760

the world so

1473

00:58:11,589 --> 00:58:10,079

people know that this stuff is real and

1474

00:58:12,549 --> 00:58:11,599

that people who may have had a similar

1475

00:58:15,510 --> 00:58:12,559

experience

1476

00:58:16,630 --> 00:58:15,520

will know hey you're not alone what

1477

00:58:19,670 --> 00:58:16,640

happened was

1478

00:58:21,829 --> 00:58:19,680

they lived in uh las vegas at the time

1479

00:58:22,950 --> 00:58:21,839

and her husband was a nephrologist a

1480

00:58:24,549 --> 00:58:22,960

kidney doctor

1481

00:58:27,349 --> 00:58:24,559

who worked at the hospital there in las

1482

00:58:30,789 --> 00:58:27,359

vegas and they had friends in reno

1483

00:58:32,150 --> 00:58:30,799

and family in reno so you know

1484

00:58:34,630 --> 00:58:32,160

you know how doctors are i mean they

1485

00:58:36,069 --> 00:58:34,640

work 60 70 hours a week

1486

00:58:38,230 --> 00:58:36,079

but every month he had a four day

1487

00:58:41,910 --> 00:58:38,240

weekend once a month

1488

00:58:43,750 --> 00:58:41,920

and during that four day weekend uh

1489

00:58:45,190 --> 00:58:43,760

every every month they would make the

1490

00:58:48,230 --> 00:58:45,200

drive from las vegas

1491

00:58:51,589 --> 00:58:48,240

to reno spend time with their friends

1492

00:58:55,270 --> 00:58:51,599

and turn around come home wow and

1493

00:58:57,670 --> 00:58:55,280

you know the ride uh up there and back

1494

00:58:59,990 --> 00:58:57,680

gave them an opportunity to talk and

1495

00:59:03,270 --> 00:59:00,000

have a dialogue catch up on things that

1496

00:59:04,870 --> 00:59:03,280

uh you know then a little young they

1497

00:59:05,910 --> 00:59:04,880

weren't married that long young couple

1498

00:59:08,789 --> 00:59:05,920

needs

1499

00:59:10,069 --> 00:59:08,799

they need to talk and uh and that gave

1500

00:59:12,630 --> 00:59:10,079

them an opportunity

1501

00:59:14,549 --> 00:59:12,640

so it was kind of a road trip exactly

1502

00:59:17,589 --> 00:59:14,559

they always stopped at the little town

1503

00:59:19,510 --> 00:59:17,599

of tunipa and she said that tunipa is

1504

00:59:20,470 --> 00:59:19,520

about the halfway mark marked about the

1505

00:59:24,470 --> 00:59:20,480

halfway mark

1506

00:59:27,349 --> 00:59:24,480

to um to reno she said there was a

1507

00:59:28,230 --> 00:59:27,359

restaurant there called the stagecoach

1508

00:59:30,470 --> 00:59:28,240

uh

1509

00:59:31,910 --> 00:59:30,480

i talked to lorient fenton last night

1510

00:59:33,829 --> 00:59:31,920

who told me that she used to make that

1511

00:59:34,710 --> 00:59:33,839

drive off time and there used to be a

1512

00:59:37,030 --> 00:59:34,720

stagecoach

1513

00:59:38,710 --> 00:59:37,040

uh like a restaurant truck stop place

1514

00:59:39,349 --> 00:59:38,720

but she said she's pretty sure it's out

1515

00:59:41,190 --> 00:59:39,359

of business

1516

00:59:43,430 --> 00:59:41,200

that's right uh but that's where they

1517

00:59:44,549 --> 00:59:43,440

stop uh every trip that they made they

1518

00:59:47,349 --> 00:59:44,559

would stop there and eat

1519

00:59:49,030 --> 00:59:47,359

and you know fill the car up with gas

1520

00:59:51,670 --> 00:59:49,040

and um

1521

00:59:53,589 --> 00:59:51,680

she said that they made their stop they

1522

00:59:55,829 --> 00:59:53,599

had a wonderful dinner

1523

00:59:57,510 --> 00:59:55,839

with gas in the car and then they hopped

1524

00:59:59,109 --> 00:59:57,520

back on the highway it's about nine

1525

01:00:02,710 --> 00:59:59,119

o'clock p.m

1526

01:00:05,270 --> 01:00:02,720

uh it's dark outside it's march

1527

01:00:07,109 --> 01:00:05,280

um and they're they're headed to uh

1528

01:00:10,309 --> 01:00:07,119

headed to reno

1529

01:00:13,670 --> 01:00:10,319

and she said that while on the way

1530

01:00:16,870 --> 01:00:13,680

um about 10 miles outside of

1531

01:00:19,109 --> 01:00:16,880

tunipa they saw

1532

01:00:20,710 --> 01:00:19,119

a glow in the distance on the right on

1533

01:00:24,789 --> 01:00:20,720

the passenger side

1534

01:00:26,630 --> 01:00:24,799

where olivia was sitting and uh

1535

01:00:28,150 --> 01:00:26,640

they were curious and as they got closer

1536

01:00:30,789 --> 01:00:28,160

they could see

1537

01:00:31,990 --> 01:00:30,799

it was this and she said it's the first

1538

01:00:34,710 --> 01:00:32,000

time she ever saw

1539

01:00:35,910 --> 01:00:34,720

a store devoted to the holiday it was a

1540

01:00:39,349 --> 01:00:35,920

store

1541

01:00:42,789 --> 01:00:40,549

and she thought who would go to

1542

01:00:43,589 --> 01:00:42,799

christmas store you know 10 miles north

1543

01:00:44,870 --> 01:00:43,599

of tunisia

1544

01:00:46,950 --> 01:00:44,880

where there's nothing but sand and

1545

01:00:49,990 --> 01:00:46,960

sagebrush and

1546

01:00:51,670 --> 01:00:50,000

have it opened in the middle of march

1547

01:00:54,870 --> 01:00:51,680

you know there's this big neon light

1548

01:00:58,470 --> 01:00:54,880

above the store that says christmas

1549

01:00:59,990 --> 01:00:58,480

and there is uh you know a panel window

1550

01:01:03,190 --> 01:01:00,000

that runs the whole front of the

1551

01:01:04,630 --> 01:01:03,200

store and uh like a front porch

1552

01:01:06,230 --> 01:01:04,640

uh but it's sitting back from the

1553

01:01:07,990 --> 01:01:06,240

roadways

1554

01:01:09,910 --> 01:01:08,000

and she said that there was just an

1555

01:01:11,990 --> 01:01:09,920

insane amount of light flowing out of

1556

01:01:15,109 --> 01:01:12,000

the window

1557

01:01:16,710 --> 01:01:15,119

and that they could see they couldn't

1558

01:01:21,270 --> 01:01:16,720

make out figures but they could see

1559

01:01:23,030 --> 01:01:21,280

movement behind the uh behind the light

1560

01:01:24,309 --> 01:01:23,040

and she thought you know maybe maybe

1561

01:01:25,829 --> 01:01:24,319

they're open or maybe you know maybe

1562

01:01:26,789 --> 01:01:25,839

that's workers they're working on the

1563

01:01:30,230 --> 01:01:26,799

store

1564

01:01:32,150 --> 01:01:30,240

and she asked her husband to pull in and

1565

01:01:34,069 --> 01:01:32,160

he pulled over to the side of the road

1566

01:01:35,190 --> 01:01:34,079

the recreation directly in front of the

1567

01:01:36,950 --> 01:01:35,200

place

1568

01:01:38,470 --> 01:01:36,960

and he says well i'd be happy to pull in

1569

01:01:39,990 --> 01:01:38,480

if you could show me where the driveway

1570

01:01:41,510 --> 01:01:40,000

is

1571

01:01:43,030 --> 01:01:41,520

and then they noticed there was no

1572

01:01:46,230 --> 01:01:43,040

parking lot

1573

01:01:48,069 --> 01:01:46,240

and there were no cars there anywhere

1574

01:01:49,349 --> 01:01:48,079

and there was no road in back of the

1575

01:01:53,030 --> 01:01:49,359

place

1576

01:01:56,710 --> 01:01:53,040

it was just the store

1577

01:01:59,270 --> 01:01:56,720

and they pulled over and uh

1578

01:02:00,549 --> 01:01:59,280

he put the car in park and they sat

1579

01:02:02,230 --> 01:02:00,559

there and didn't say a word

1580

01:02:04,309 --> 01:02:02,240

and just stared at the thing and she

1581

01:02:07,589 --> 01:02:04,319

said that that memory is kind of fuzzy

1582

01:02:08,950 --> 01:02:07,599

uh that you know when i talked to her on

1583

01:02:10,230 --> 01:02:08,960

the phone i asked her do you think

1584

01:02:11,510 --> 01:02:10,240

anything could have happened to you do

1585

01:02:13,670 --> 01:02:11,520

you think you could have suffered from

1586

01:02:15,349 --> 01:02:13,680

missing time

1587

01:02:17,190 --> 01:02:15,359

and you know she made a good point she

1588

01:02:20,309 --> 01:02:17,200

said well if i did how would i know

1589

01:02:20,870 --> 01:02:20,319

how the heck you know uh but she says i

1590

01:02:25,910 --> 01:02:20,880

i

1591

01:02:29,670 --> 01:02:25,920

on

1592

01:02:31,990 --> 01:02:29,680

was

1593

01:02:34,069 --> 01:02:32,000

uh but it made a huge impression on that

1594

01:02:35,109 --> 01:02:34,079

interestingly her husband remembers it

1595

01:02:37,029 --> 01:02:35,119

being

1596

01:02:38,390 --> 01:02:37,039

uh the building was made out of like

1597

01:02:40,549 --> 01:02:38,400

barn wood

1598

01:02:42,789 --> 01:02:40,559

but she recalls clearly being made out

1599

01:02:45,910 --> 01:02:42,799

of brick

1600

01:02:48,150 --> 01:02:45,920

but other than that their memories match

1601

01:02:50,710 --> 01:02:48,160

and there were twinkling christmas

1602

01:02:52,470 --> 01:02:50,720

lights wrapped all around the building

1603

01:02:54,549 --> 01:02:52,480

you know so there's like thousands of

1604

01:02:56,230 --> 01:02:54,559

them and they're all different colors

1605

01:02:59,270 --> 01:02:56,240

some are twinkling some are blinking on

1606

01:03:00,829 --> 01:02:59,280

and off some are just static

1607

01:03:02,390 --> 01:03:00,839

and she said the lights were just

1608

01:03:04,950 --> 01:03:02,400

amazing and

1609

01:03:06,069 --> 01:03:04,960

uh they scared it and then they kind of

1610

01:03:07,990 --> 01:03:06,079

snap out of it

1611

01:03:10,470 --> 01:03:08,000

and uh paul says well we're gonna hit

1612

01:03:11,190 --> 01:03:10,480

the road and uh he got back on the

1613

01:03:15,430 --> 01:03:11,200

highway

1614

01:03:17,270 --> 01:03:15,440

and they made their trip to uh reno

1615

01:03:19,029 --> 01:03:17,280

and i asked her did anything unusual

1616

01:03:20,150 --> 01:03:19,039

happen on your trip to reno and she said

1617

01:03:21,990 --> 01:03:20,160

yeah as a matter of fact

1618

01:03:23,190 --> 01:03:22,000

there was something kind of odd and she

1619

01:03:26,390 --> 01:03:23,200

says you know this

1620

01:03:26,950 --> 01:03:26,400

this was all the time paul and my this

1621

01:03:29,270 --> 01:03:26,960

is

1622

01:03:30,789 --> 01:03:29,280

our time to talk and catch up on things

1623

01:03:32,950 --> 01:03:30,799

during this trip

1624

01:03:35,109 --> 01:03:32,960

and she said i fell sound asleep she

1625

01:03:38,870 --> 01:03:35,119

said you know i had a heavy meal

1626

01:03:41,990 --> 01:03:38,880

uh neither one of them had any alcohol

1627

01:03:44,710 --> 01:03:42,000

but she saw she fell fast asleep and

1628

01:03:47,829 --> 01:03:44,720

uh slept until they were at the reno

1629

01:03:50,470 --> 01:03:47,839

city limits and her husband woke her up

1630

01:03:52,950 --> 01:03:50,480

now she said that when they got there

1631

01:03:56,069 --> 01:03:52,960

they felt kind of out of sorts

1632

01:03:57,190 --> 01:03:56,079

um and they got there late but but it

1633

01:03:58,870 --> 01:03:57,200

was because

1634

01:04:00,309 --> 01:03:58,880

her husband got tied up at the hospital

1635

01:04:01,349 --> 01:04:00,319

he usually left like a three in the

1636

01:04:03,510 --> 01:04:01,359

afternoon to dodge

1637

01:04:06,069 --> 01:04:03,520

traffic but this time he got tied up at

1638

01:04:08,309 --> 01:04:06,079

the hospital till six o'clock

1639

01:04:09,829 --> 01:04:08,319

so they were late getting on the road so

1640

01:04:11,270 --> 01:04:09,839

they got to the hotel later than they

1641

01:04:12,630 --> 01:04:11,280

usually do

1642

01:04:14,470 --> 01:04:12,640

but she said you know we didn't hang up

1643

01:04:16,230 --> 01:04:14,480

our clothes we didn't do

1644

01:04:18,630 --> 01:04:16,240

any of the normal routine that we do

1645

01:04:19,750 --> 01:04:18,640

every month she said we just crashed and

1646

01:04:24,829 --> 01:04:19,760

uh

1647

01:04:26,630 --> 01:04:24,839

woke them up with a phone call following

1648

01:04:28,470 --> 01:04:26,640

morning

1649

01:04:30,230 --> 01:04:28,480

and she said you know yeah we both felt

1650

01:04:31,510 --> 01:04:30,240

like we had a mild case of the flu and

1651

01:04:34,549 --> 01:04:31,520

just kind of mentally fell

1652

01:04:36,069 --> 01:04:34,559

out of it for a day um but she said you

1653

01:04:39,270 --> 01:04:36,079

know

1654

01:04:41,910 --> 01:04:39,280

next day we were fine and

1655

01:04:43,510 --> 01:04:41,920

they they turned around and came back uh

1656

01:04:46,710 --> 01:04:43,520

on monday she said

1657

01:04:48,309 --> 01:04:46,720

and uh neither one of them talked about

1658

01:04:51,190 --> 01:04:48,319

this christmas story

1659

01:04:52,630 --> 01:04:51,200

you know uh you know again two people

1660

01:04:55,190 --> 01:04:52,640

witnessed something

1661

01:04:57,109 --> 01:04:55,200

uh dramatic and there's no discussion of

1662

01:04:58,230 --> 01:04:57,119

it and i found that to be one of the

1663

01:05:00,470 --> 01:04:58,240

commonalities

1664

01:05:02,549 --> 01:05:00,480

when people have a shared sighting you

1665

01:05:05,510 --> 01:05:02,559

know just like my friend toby and i

1666

01:05:07,349 --> 01:05:05,520

you know we here we are we witness this

1667

01:05:08,950 --> 01:05:07,359

insane event

1668

01:05:10,789 --> 01:05:08,960

and normally when two people go through

1669

01:05:12,950 --> 01:05:10,799

a traumatic insane event

1670

01:05:13,829 --> 01:05:12,960

they can't wait to get together and

1671

01:05:16,710 --> 01:05:13,839

debrief

1672

01:05:18,630 --> 01:05:16,720

i mean you know yeah you know you want

1673

01:05:20,870 --> 01:05:18,640

to search for validation did you see

1674

01:05:22,230 --> 01:05:20,880

what i saw and uh can you believe that

1675

01:05:24,309 --> 01:05:22,240

this happened then

1676

01:05:25,910 --> 01:05:24,319

but no there was none of that with toby

1677

01:05:27,349 --> 01:05:25,920

and i we

1678

01:05:28,950 --> 01:05:27,359

the only thing that we really talked

1679

01:05:30,789 --> 01:05:28,960

about was uh

1680

01:05:32,390 --> 01:05:30,799

we made a pact that we would not admit

1681

01:05:34,470 --> 01:05:32,400

that we saw a flying saucer

1682

01:05:35,510 --> 01:05:34,480

or pardon me saw a ufo the size of

1683

01:05:38,309 --> 01:05:35,520

walmart

1684

01:05:40,549 --> 01:05:38,319

um because we knew the consequences in

1685

01:05:42,069 --> 01:05:40,559

1977 when you're on active duty we were

1686

01:05:44,230 --> 01:05:42,079

afraid that we'd be you know sent off

1687

01:05:45,990 --> 01:05:44,240

for a psych evaluation and

1688

01:05:47,910 --> 01:05:46,000

you know maybe discharge from medical

1689

01:05:49,430 --> 01:05:47,920

reasons uh you know bad things could

1690

01:05:52,950 --> 01:05:49,440

happen

1691

01:05:54,549 --> 01:05:52,960

um so we agreed and but we wanted to

1692

01:05:55,829 --> 01:05:54,559

tell the truth the truth was important

1693

01:05:57,589 --> 01:05:55,839

to us so

1694

01:05:59,190 --> 01:05:57,599

we decided that what we would tell them

1695

01:05:59,990 --> 01:05:59,200

is that we went to bed feeling kind of

1696

01:06:01,589 --> 01:06:00,000

out of sorts

1697

01:06:04,150 --> 01:06:01,599

and woke up the next morning's sickest

1698

01:06:05,750 --> 01:06:04,160

dogs you know that's true

1699

01:06:07,589 --> 01:06:05,760

uh we just kind of left out the part

1700

01:06:10,870 --> 01:06:07,599

about uh you know

1701

01:06:15,750 --> 01:06:10,880

seeing a ufo the size of a

1702

01:06:24,309 --> 01:06:15,760

walmart you know and being taken into it

1703

01:06:29,029 --> 01:06:27,190

well i lost you oh i'm here i'm here

1704

01:06:31,349 --> 01:06:29,039

yeah it's just so wild please go ahead

1705

01:06:35,670 --> 01:06:31,359

please go ahead

1706

01:06:37,349 --> 01:06:35,680

okay yeah i asked olivia i said um

1707

01:06:39,750 --> 01:06:37,359

so what did you guys do she said well we

1708

01:06:41,270 --> 01:06:39,760

went home uh but we didn't really talk

1709

01:06:43,510 --> 01:06:41,280

about it

1710

01:06:44,870 --> 01:06:43,520

and um like in the middle of the week

1711

01:06:47,990 --> 01:06:44,880

she says you know

1712

01:06:49,270 --> 01:06:48,000

this weekend uh it's not a long weekend

1713

01:06:50,950 --> 01:06:49,280

but we got a saturday

1714

01:06:52,710 --> 01:06:50,960

let's make the drive i don't want to go

1715

01:06:54,150 --> 01:06:52,720

to reno she said but let's just make the

1716

01:06:55,430 --> 01:06:54,160

drive up to tunipa

1717

01:06:59,270 --> 01:06:55,440

because i want to see that christmas

1718

01:07:02,710 --> 01:06:59,280

store because when they drove home

1719

01:07:06,069 --> 01:07:02,720

from reno it wasn't there

1720

01:07:08,390 --> 01:07:06,079

holy moly and they were they didn't take

1721

01:07:08,789 --> 01:07:08,400

the time to stop and go back and retrace

1722

01:07:11,990 --> 01:07:08,799

their

1723

01:07:13,589 --> 01:07:12,000

it

1724

01:07:15,109 --> 01:07:13,599

but they were pretty sure they knew

1725

01:07:18,230 --> 01:07:15,119

where it was and

1726

01:07:19,670 --> 01:07:18,240

there wasn't anything there so

1727

01:07:21,829 --> 01:07:19,680

she said you know that christmas store

1728

01:07:24,150 --> 01:07:21,839

thing bugs me you know her husband

1729

01:07:25,510 --> 01:07:24,160

admitted yet bugged him too

1730

01:07:27,029 --> 01:07:25,520

and she says well let's go up there

1731

01:07:29,349 --> 01:07:27,039

let's just go up to tunipa and we'll

1732

01:07:30,870 --> 01:07:29,359

find it we put our minds at rest

1733

01:07:32,470 --> 01:07:30,880

and we can have a nice lunch there and

1734

01:07:35,510 --> 01:07:32,480

turn around come home he's like sure

1735

01:07:37,270 --> 01:07:35,520

great good idea so they did that and

1736

01:07:39,829 --> 01:07:37,280

they drove all the way to tunipa

1737

01:07:41,430 --> 01:07:39,839

and they thought they knew where it was

1738

01:07:42,069 --> 01:07:41,440

and they passed it and there's nothing

1739

01:07:44,069 --> 01:07:42,079

there

1740

01:07:45,750 --> 01:07:44,079

and they turned around and came back and

1741

01:07:48,470 --> 01:07:45,760

then went back a second time

1742

01:07:49,190 --> 01:07:48,480

and they went back three times expanding

1743

01:07:50,950 --> 01:07:49,200

their uh

1744

01:07:53,750 --> 01:07:50,960

search a little further each time to

1745

01:07:56,390 --> 01:07:53,760

make sure they didn't miss it

1746

01:07:57,670 --> 01:07:56,400

and they were sure it's not there so and

1747

01:08:00,710 --> 01:07:57,680

that

1748

01:08:02,710 --> 01:08:00,720

process

1749

01:08:03,990 --> 01:08:02,720

and uh so they went to the stagecoach

1750

01:08:06,470 --> 01:08:04,000

restaurant

1751

01:08:07,670 --> 01:08:06,480

and they asked the hostess there they

1752

01:08:10,069 --> 01:08:07,680

said well when did when did

1753

01:08:12,309 --> 01:08:10,079

uh when did the city get get a a

1754

01:08:14,470 --> 01:08:12,319

christmas store

1755

01:08:17,590 --> 01:08:14,480

and the way the hostess said i don't

1756

01:08:20,309 --> 01:08:17,600

know anything about a christmas store

1757

01:08:22,229 --> 01:08:20,319

and uh you know lydia says well we saw

1758

01:08:25,030 --> 01:08:22,239

one we're sure we saw one

1759

01:08:27,030 --> 01:08:25,040

uh north of town and she says i don't

1760

01:08:29,430 --> 01:08:27,040

know anything about that but you know

1761

01:08:31,669 --> 01:08:29,440

uh the guy that owns the business his

1762

01:08:33,990 --> 01:08:31,679

name is mr yang and he is here

1763

01:08:35,110 --> 01:08:34,000

he happens to be the president of the

1764

01:08:36,789 --> 01:08:35,120

chamber of commerce

1765

01:08:38,390 --> 01:08:36,799

why don't i have him talk to you if

1766

01:08:40,870 --> 01:08:38,400

there's anything new business-wise and

1767

01:08:43,030 --> 01:08:40,880

tuna but he's gonna know about it

1768

01:08:44,550 --> 01:08:43,040

so i said yeah that'd be nice so they

1769

01:08:45,349 --> 01:08:44,560

sit down they're enjoying their meal and

1770

01:08:48,630 --> 01:08:45,359

mr yang

1771

01:08:51,430 --> 01:08:48,640

stops by and he's very gracious and they

1772

01:08:52,789 --> 01:08:51,440

invite him to join them and uh you know

1773

01:08:53,269 --> 01:08:52,799

he gives them a brief history of the

1774

01:08:55,110 --> 01:08:53,279

town

1775

01:08:57,030 --> 01:08:55,120

and then they then they tell them their

1776
01:08:57,430 --> 01:08:57,040
story about the christmas story that was

1777
01:09:02,709 --> 01:08:57,440
there

1778
01:09:03,910 --> 01:09:02,719
she said he looked confused and he said

1779
01:09:07,189 --> 01:09:03,920
look if

1780
01:09:09,990 --> 01:09:07,199
if there were a new business in tunica

1781
01:09:10,470 --> 01:09:10,000
i would know about it uh even if it's 10

1782
01:09:12,470 --> 01:09:10,480
miles

1783
01:09:13,510 --> 01:09:12,480
outside city limits believe me i'd know

1784
01:09:15,269 --> 01:09:13,520
about it

1785
01:09:17,669 --> 01:09:15,279
and he says i don't know of any

1786
01:09:18,070 --> 01:09:17,679
construction made or any construction

1787
01:09:21,430 --> 01:09:18,080
even

1788
01:09:25,990 --> 01:09:23,990

and uh that was that was kind of when

1789

01:09:28,550 --> 01:09:26,000

they when the reality hit home

1790

01:09:29,510 --> 01:09:28,560

they encountered something you know

1791

01:09:33,349 --> 01:09:29,520

might involve

1792

01:09:34,229 --> 01:09:33,359

some kind of influence from a non-human

1793

01:09:37,590 --> 01:09:34,239

source

1794

01:09:39,269 --> 01:09:37,600

sure her words um

1795

01:09:41,110 --> 01:09:39,279

and i asked her i said you know what did

1796

01:09:41,829 --> 01:09:41,120

this disturb your sleep and she said oh

1797

01:09:45,430 --> 01:09:41,839

yeah

1798

01:09:47,269 --> 01:09:45,440

nightmares about it

1799

01:09:49,189 --> 01:09:47,279

and i asked her to describe them tell me

1800

01:09:50,309 --> 01:09:49,199

what happened something scary and she's

1801

01:09:51,829 --> 01:09:50,319

like no it's

1802

01:09:53,349 --> 01:09:51,839

it's odd because it's frightening but

1803

01:09:56,709 --> 01:09:53,359

it's not scary

1804

01:10:00,390 --> 01:09:56,719

i don't know why it frightens me so uh

1805

01:10:02,790 --> 01:10:00,400

she said that she has dreams about

1806

01:10:04,550 --> 01:10:02,800

the christmas store and the shadows in

1807

01:10:07,189 --> 01:10:04,560

the background

1808

01:10:09,750 --> 01:10:07,199

and when she dreams about these shadows

1809

01:10:12,870 --> 01:10:09,760

she says she just flips out

1810

01:10:13,990 --> 01:10:12,880

it's just too much and she wakes up

1811

01:10:15,750 --> 01:10:14,000

screaming and

1812

01:10:17,510 --> 01:10:15,760

she said she has one or two of those a

1813

01:10:19,110 --> 01:10:17,520

year about the same

1814

01:10:20,870 --> 01:10:19,120

you know about the same frequency that i

1815

01:10:24,149 --> 01:10:20,880

had mine sure

1816

01:10:25,750 --> 01:10:24,159

and she said that paul uh refused to

1817

01:10:27,189 --> 01:10:25,760

talk about it her husband refused to

1818

01:10:30,709 --> 01:10:27,199

talk about it uh

1819

01:10:34,070 --> 01:10:30,719

even when he got he got ill

1820

01:10:36,470 --> 01:10:34,080

and he died of cancer in 1983. and

1821

01:10:37,990 --> 01:10:36,480

uh but even like on his deathbed he did

1822

01:10:39,750 --> 01:10:38,000

not want to talk about that

1823

01:10:42,390 --> 01:10:39,760

you know listen we're not talking about

1824

01:10:45,430 --> 01:10:43,910

he would have nightmares too but he

1825

01:10:48,950 --> 01:10:45,440

would never tell her

1826

01:10:50,630 --> 01:10:48,960

about his dreams and uh

1827

01:10:52,310 --> 01:10:50,640

the topic was just off the table for

1828

01:10:56,229 --> 01:10:52,320

discussion

1829

01:10:59,750 --> 01:10:56,239

wow she found that curious too

1830

01:11:01,669 --> 01:10:59,760

right so yeah so that's olivia's story

1831

01:11:04,070 --> 01:11:01,679

and like i said 83 year old woman i

1832

01:11:06,870 --> 01:11:04,080

don't think would make up a fairy tale

1833

01:11:08,390 --> 01:11:06,880

um so i i think her story is very

1834

01:11:11,990 --> 01:11:08,400

credible and you know they're credible

1835

01:11:14,950 --> 01:11:12,000

observers too you know he's an md

1836

01:11:16,310 --> 01:11:14,960

she had a sometime some type of

1837

01:11:18,310 --> 01:11:16,320

humanities degree but she had a

1838

01:11:19,350 --> 01:11:18,320

four-year degree so she was an educated

1839

01:11:21,750 --> 01:11:19,360

woman

1840

01:11:22,870 --> 01:11:21,760

uh neither one of them had problems with

1841

01:11:25,030 --> 01:11:22,880

vision

1842

01:11:27,030 --> 01:11:25,040

neither one of them had any alcohol or

1843

01:11:28,470 --> 01:11:27,040

took any kind of medication

1844

01:11:30,140 --> 01:11:28,480

so you know they were qualified

1845

01:11:31,590 --> 01:11:30,150

observers um

1846

01:11:33,510 --> 01:11:31,600

[Music]

1847

01:11:34,950 --> 01:11:33,520

and you know she was insistent we knew

1848

01:11:39,430 --> 01:11:34,960

what we saw

1849

01:11:41,669 --> 01:11:39,440

so cool story it is amazing

1850

01:11:43,110 --> 01:11:41,679

and yeah another one oh yeah please

1851
01:11:44,630 --> 01:11:43,120
please yeah i was going to ask

1852
01:11:46,550 --> 01:11:44,640
is there any other ones you could share

1853
01:11:49,189 --> 01:11:46,560
with us

1854
01:11:50,790 --> 01:11:49,199
yeah yeah you know um this is probably

1855
01:11:54,870 --> 01:11:50,800
my second favorite

1856
01:11:56,390 --> 01:11:54,880
um you know i was an assistant attorney

1857
01:11:58,390 --> 01:11:56,400
general for the state of vermont

1858
01:11:59,910 --> 01:11:58,400
and i lived in montpelier which is the

1859
01:12:04,310 --> 01:11:59,920
capital kind of the

1860
01:12:07,430 --> 01:12:04,320
center of the state um but

1861
01:12:08,950 --> 01:12:07,440
vermont's main area of business and and

1862
01:12:10,709 --> 01:12:08,960
commercial and everything else is where

1863
01:12:14,149 --> 01:12:10,719

the college is uvm

1864

01:12:16,070 --> 01:12:14,159

in burlington on on the west side you're

1865

01:12:19,270 --> 01:12:16,080

there near the lake

1866

01:12:21,830 --> 01:12:19,280

and uh so

1867

01:12:22,470 --> 01:12:21,840

i got a i got a email from this guy he

1868

01:12:24,790 --> 01:12:22,480

said yeah

1869

01:12:26,470 --> 01:12:24,800

you know i know that you were uh with

1870

01:12:28,790 --> 01:12:26,480

the ag's office

1871

01:12:30,390 --> 01:12:28,800

uh he said i'm from burlington you know

1872

01:12:34,229 --> 01:12:30,400

born and raised

1873

01:12:35,510 --> 01:12:34,239

uh he uh he said that he'd been a navy

1874

01:12:39,750 --> 01:12:35,520

pilot

1875

01:12:42,149 --> 01:12:39,760

and had his dream was to be

1876

01:12:44,470 --> 01:12:42,159

come a commercial airline pilot that was

1877

01:12:46,950 --> 01:12:44,480

his chosen career

1878

01:12:48,310 --> 01:12:46,960

and while he was in the navy after you

1879

01:12:49,750 --> 01:12:48,320

know four years or so

1880

01:12:51,510 --> 01:12:49,760

he said he thinks i think he said he

1881

01:12:53,270 --> 01:12:51,520

owed them six years uh

1882

01:12:54,630 --> 01:12:53,280

saying must have been you know rotc or

1883

01:12:56,790 --> 01:12:54,640

something i don't know

1884

01:12:59,110 --> 01:12:56,800

but he owed him six years and four years

1885

01:13:00,630 --> 01:12:59,120

into his career in the navy

1886

01:13:02,630 --> 01:13:00,640

uh he came down with some vision

1887

01:13:04,950 --> 01:13:02,640

problems um

1888

01:13:05,669 --> 01:13:04,960

that were you know they they couldn't

1889

01:13:08,070 --> 01:13:05,679

collect them

1890

01:13:09,750 --> 01:13:08,080

i mean you know if you don't put on a

1891

01:13:13,270 --> 01:13:09,760

pair of glasses and

1892

01:13:15,990 --> 01:13:13,280

and fly an f-18 so um

1893

01:13:17,189 --> 01:13:16,000

he was transitioned to a non-flight

1894

01:13:19,030 --> 01:13:17,199

status

1895

01:13:21,030 --> 01:13:19,040

and you know his his hopes for having a

1896

01:13:22,630 --> 01:13:21,040

career in uh

1897

01:13:24,149 --> 01:13:22,640

in the commercial airline industry were

1898

01:13:26,870 --> 01:13:24,159

dashed uh

1899

01:13:27,750 --> 01:13:26,880

so he got out of the navy and uh he and

1900

01:13:31,510 --> 01:13:27,760

his wife bought

1901

01:13:33,910 --> 01:13:31,520

a small business in burlington

1902

01:13:35,510 --> 01:13:33,920

and uh and ran that and you know it was

1903

01:13:37,110 --> 01:13:35,520

great they had a happy life they made

1904

01:13:40,470 --> 01:13:37,120

decent living

1905

01:13:43,910 --> 01:13:40,480

and uh she was uh

1906

01:13:50,270 --> 01:13:43,920

mid 50s i believe i'm going from memory

1907

01:13:55,430 --> 01:13:53,350

2014 and

1908

01:13:57,030 --> 01:13:55,440

he was he and his wife had gone out for

1909

01:14:04,790 --> 01:13:57,040

dinner

1910

01:14:08,470 --> 01:14:04,800

uh they each had a glass of wine um

1911

01:14:10,870 --> 01:14:08,480

granted he had vision problems but um

1912

01:14:12,550 --> 01:14:10,880

you know he could still drive a car you

1913

01:14:14,470 --> 01:14:12,560

know he could still put on glasses and

1914

01:14:16,630 --> 01:14:14,480

read a newspaper

1915

01:14:17,910 --> 01:14:16,640

um and there was nothing wrong with his

1916

01:14:20,470 --> 01:14:17,920

wife's vision

1917

01:14:21,910 --> 01:14:20,480

and you know they they saw they had no

1918

01:14:23,669 --> 01:14:21,920

more than one glass of wine

1919

01:14:25,030 --> 01:14:23,679

he could take any medication that would

1920

01:14:28,070 --> 01:14:25,040

interfere with their

1921

01:14:29,270 --> 01:14:28,080

with their cognition or their eyesight

1922

01:14:31,350 --> 01:14:29,280

and they're driving home from the

1923

01:14:34,470 --> 01:14:31,360

restaurant and

1924

01:14:35,510 --> 01:14:34,480

the wife sees uh anyone's not only a few

1925

01:14:37,350 --> 01:14:35,520

miles from home

1926

01:14:38,790 --> 01:14:37,360

and they pull into a nice subdivision i

1927

01:14:41,270 --> 01:14:38,800

know the subdivision they pull into this

1928

01:14:44,470 --> 01:14:41,280

nice subdivision where they live

1929

01:14:48,149 --> 01:14:44,480

and so they're off the main drag

1930

01:14:50,550 --> 01:14:48,159

and the wife uh she sees this airplane

1931

01:14:53,990 --> 01:14:50,560

in the sky

1932

01:14:55,990 --> 01:14:54,000

and she's like hey check that out

1933

01:14:57,270 --> 01:14:56,000

that airplane it doesn't look like it's

1934

01:14:59,669 --> 01:14:57,280

moving

1935

01:15:01,110 --> 01:14:59,679

so he pulled the car around because he

1936

01:15:01,910 --> 01:15:01,120

couldn't see it from where he was to

1937

01:15:04,470 --> 01:15:01,920

orient it

1938

01:15:05,990 --> 01:15:04,480

so that this plane was within sight of

1939

01:15:08,470 --> 01:15:06,000

their windshield so they both could see

1940

01:15:12,229 --> 01:15:08,480

it at the same time

1941

01:15:15,910 --> 01:15:12,239

and uh he knew airplanes you know he he

1942

01:15:17,590 --> 01:15:15,920

if it flew he knew about it and uh

1943

01:15:19,189 --> 01:15:17,600

he said he was shocked to see that it

1944

01:15:22,709 --> 01:15:19,199

was what he called an

1945

01:15:25,030 --> 01:15:22,719

old school 727

1946

01:15:27,669 --> 01:15:25,040

and he said that he so he was sure that

1947

01:15:30,070 --> 01:15:27,679

because of the uh

1948

01:15:32,149 --> 01:15:30,080

on the tail there's there's an engine in

1949

01:15:33,830 --> 01:15:32,159

the tail and then one on either side so

1950

01:15:36,390 --> 01:15:33,840

it has three engines

1951

01:15:38,149 --> 01:15:36,400
on the tail on the tail section and

1952

01:15:41,590 --> 01:15:38,159
that's what drives the plane

1953

01:15:43,910 --> 01:15:41,600
mm-hmm and uh he said he was sure

1954

01:15:45,270 --> 01:15:43,920
that you know since the mid-80s that

1955

01:15:47,510 --> 01:15:45,280
they've been out of service there there

1956

01:15:50,630 --> 01:15:47,520
were nuns lying in the united states

1957

01:15:52,229 --> 01:15:50,640
right now again kind of a common theme

1958

01:15:55,110 --> 01:15:52,239
that i've seen again and again

1959

01:15:56,870 --> 01:15:55,120
is that the inside of a plane it's like

1960

01:15:59,270 --> 01:15:56,880
all the shades are up

1961

01:16:02,070 --> 01:15:59,280
and there's light pouring out of every

1962

01:16:04,950 --> 01:16:02,080
window including the cockpit

1963

01:16:06,390 --> 01:16:04,960

all of the appropriate lights are on and

1964

01:16:07,350 --> 01:16:06,400

now they're near an airport they're you

1965

01:16:09,350 --> 01:16:07,360

know there's an airport here in

1966

01:16:13,270 --> 01:16:09,360

burlington at the main airport

1967

01:16:16,310 --> 01:16:13,280

and um they uh

1968

01:16:17,990 --> 01:16:16,320

they they think that this plane which is

1969

01:16:19,110 --> 01:16:18,000

you know five or six thousand feet off

1970

01:16:21,510 --> 01:16:19,120

the ground

1971

01:16:22,229 --> 01:16:21,520

and it could be that low on an approach

1972

01:16:25,110 --> 01:16:22,239

so that's not

1973

01:16:27,350 --> 01:16:25,120

in itself odd but what was odd was the

1974

01:16:30,149 --> 01:16:27,360

thing was just hanging in the air

1975

01:16:31,270 --> 01:16:30,159

not moving and because of the lights

1976

01:16:32,950 --> 01:16:31,280

being so bright

1977

01:16:35,189 --> 01:16:32,960

he couldn't make out any kind of

1978

01:16:35,990 --> 01:16:35,199

markings on the wings or the fuselage to

1979

01:16:39,030 --> 01:16:36,000

tell

1980

01:16:42,390 --> 01:16:39,040

you know was it was it uh you know

1981

01:16:42,709 --> 01:16:42,400

uh frontier airlines or southwest or

1982

01:16:44,229 --> 01:16:42,719

white

1983

01:16:47,669 --> 01:16:44,239

he couldn't he had no way to tell they

1984

01:16:51,590 --> 01:16:50,070

but he like you know this plane was

1985

01:16:53,910 --> 01:16:51,600

moving so slowly

1986

01:16:54,870 --> 01:16:53,920

that it would be well below stall speed

1987

01:16:56,870 --> 01:16:54,880

and he said his

1988

01:17:01,030 --> 01:16:56,880

his words were it should have fallen out

1989

01:17:05,590 --> 01:17:04,070

and i said okay uh and again we spoke on

1990

01:17:09,030 --> 01:17:05,600

the phone

1991

01:17:10,950 --> 01:17:09,040

and um he told me he said that

1992

01:17:12,630 --> 01:17:10,960

while they're watching this thing and

1993

01:17:14,790 --> 01:17:12,640

this this whole sighting lasts all of

1994

01:17:17,350 --> 01:17:14,800

maybe three or four minutes

1995

01:17:18,310 --> 01:17:17,360

uh while they're watching this thing the

1996

01:17:21,669 --> 01:17:18,320

plane comes

1997

01:17:25,990 --> 01:17:21,679

it's just it's dead pain dead in mid air

1998

01:17:27,750 --> 01:17:26,000

and then it starts to glide sideways

1999

01:17:30,070 --> 01:17:27,760

and then a few seconds later it

2000

01:17:33,350 --> 01:17:30,080

disappears behind trees and buildings

2001
01:17:36,709 --> 01:17:35,030
and they're both sitting there and she's

2002
01:17:37,270 --> 01:17:36,719
like that was the strangest point i've

2003
01:17:40,310 --> 01:17:37,280
ever seen

2004
01:17:41,430 --> 01:17:40,320
in my wife and he said yeah i i agree

2005
01:17:44,630 --> 01:17:41,440
with you

2006
01:17:46,229 --> 01:17:44,640
um and he said they got home and they

2007
01:17:50,149 --> 01:17:46,239
were a little late

2008
01:17:52,630 --> 01:17:50,159
um he doesn't know if anything happened

2009
01:17:54,709 --> 01:17:52,640
um but curiously they were missing about

2010
01:17:56,950 --> 01:17:54,719
30 minutes of time

2011
01:17:57,990 --> 01:17:56,960
so even even when they pause to stop at

2012
01:18:00,550 --> 01:17:58,000
this thing if you take

2013
01:18:01,669 --> 01:18:00,560

that pause into consideration the time

2014

01:18:03,750 --> 01:18:01,679

it took them to drive from the

2015

01:18:05,030 --> 01:18:03,760

restaurants of their home

2016

01:18:07,189 --> 01:18:05,040

they should have been home 30 minutes

2017

01:18:10,229 --> 01:18:07,199

earlier

2018

01:18:12,870 --> 01:18:10,239

and they were late so

2019

01:18:13,910 --> 01:18:12,880

what that's worth i think that's worth

2020

01:18:15,350 --> 01:18:13,920

quite a bit

2021

01:18:17,270 --> 01:18:15,360

i just found that to be a really

2022

01:18:20,310 --> 01:18:17,280

fascinating story because

2023

01:18:21,590 --> 01:18:20,320

um here you got two people again who are

2024

01:18:25,270 --> 01:18:21,600

confident observers

2025

01:18:26,870 --> 01:18:25,280

they see the same thing and uh

2026

01:18:28,950 --> 01:18:26,880

i'd just like to know what they saw i

2027

01:18:30,470 --> 01:18:28,960

think i know every we know what they saw

2028

01:18:34,070 --> 01:18:30,480

they saw screen memory

2029

01:18:37,830 --> 01:18:36,229

and uh wouldn't it be cool to know what

2030

01:18:42,149 --> 01:18:37,840

they really saw

2031

01:18:47,910 --> 01:18:45,430

behind the hologram yeah i did a little

2032

01:18:51,189 --> 01:18:47,920

research and he was right the last

2033

01:18:55,350 --> 01:18:51,199

uh the last 727 to fly

2034

01:19:00,229 --> 01:18:55,360

was owned by iraq and it flew in 1982.

2035

01:19:04,709 --> 01:19:00,239

wow that was the last flight of the 727

2036

01:19:17,270 --> 01:19:04,719

so this was 27 years later or something

2037

01:19:22,950 --> 01:19:21,110

that that's true it appears

2038

01:19:24,390 --> 01:19:22,960

it appears a lot of these screen

2039

01:19:26,709 --> 01:19:24,400

memories and

2040

01:19:28,070 --> 01:19:26,719

a lot of the the multitude of people who

2041

01:19:30,390 --> 01:19:28,080

have them

2042

01:19:31,830 --> 01:19:30,400

some of these people recently have been

2043

01:19:33,270 --> 01:19:31,840

would fall into the camp of

2044

01:19:36,709 --> 01:19:33,280

quote-unquote

2045

01:19:37,270 --> 01:19:36,719

you know the antenna people or people

2046

01:19:39,510 --> 01:19:37,280

who have

2047

01:19:41,110 --> 01:19:39,520

an antenna for this sort of thing

2048

01:19:43,030 --> 01:19:41,120

studies have shown particular people

2049

01:19:44,630 --> 01:19:43,040

have a greater ability to connect to

2050

01:19:48,390 --> 01:19:44,640

these others

2051
01:19:49,669 --> 01:19:48,400
do you find that well i your experiences

2052
01:19:53,030 --> 01:19:49,679
in my opinion

2053
01:19:56,149 --> 01:19:53,040
are beyond fascinating and all of the

2054
01:19:59,669 --> 01:19:56,159
experiences that you have archived

2055
01:20:02,870 --> 01:19:59,679
and recorded and i think that

2056
01:20:03,430 --> 01:20:02,880
well i mean it's like the story you you

2057
01:20:06,629 --> 01:20:03,440
told us

2058
01:20:09,590 --> 01:20:06,639
i mean non-human source were her words

2059
01:20:10,709 --> 01:20:09,600
in one of the stories and these others

2060
01:20:13,990 --> 01:20:10,719
there's a very

2061
01:20:15,830 --> 01:20:14,000
possible e.t presence can we go and tell

2062
01:20:16,790 --> 01:20:15,840
our listeners where they can find more

2063
01:20:19,669 --> 01:20:16,800

devils den

2064

01:20:21,350 --> 01:20:19,679

i i just saw that it was on audible uh

2065

01:20:23,030 --> 01:20:21,360

where they can find the reckoning

2066

01:20:24,629 --> 01:20:23,040

where they can go to your website which

2067

01:20:27,830 --> 01:20:24,639

is fantastic by the way

2068

01:20:30,629 --> 01:20:27,840

and uh more about you

2069

01:20:32,229 --> 01:20:30,639

oh sure yeah i'm happy to um yeah i

2070

01:20:33,590 --> 01:20:32,239

didn't give an introduction i usually do

2071

01:20:35,910 --> 01:20:33,600

that

2072

01:20:38,709 --> 01:20:35,920

well hello my name is terry lovelace i'm

2073

01:20:40,470 --> 01:20:38,719

65 years old i live in dallas texas

2074

01:20:43,189 --> 01:20:40,480

i retired early from the state of

2075

01:20:46,470 --> 01:20:43,199

vermont i was state's attorney there

2076

01:20:48,950 --> 01:20:46,480

worked on the board of medical practice

2077

01:20:50,310 --> 01:20:48,960

i got out of high school in 1973 and

2078

01:20:52,310 --> 01:20:50,320

spent the next

2079

01:20:54,790 --> 01:20:52,320

uh six years in the united states air

2080

01:20:58,550 --> 01:20:54,800

force until 1979.

2081

01:21:01,110 --> 01:20:58,560

in 1977 my friend toby and i

2082

01:21:02,629 --> 01:21:01,120

made a camping trip my only camping trip

2083

01:21:04,629 --> 01:21:02,639

in my entire life

2084

01:21:06,790 --> 01:21:04,639

to uh devilstown state park which is

2085

01:21:07,430 --> 01:21:06,800

just across the uh missouri arkansas

2086

01:21:10,709 --> 01:21:07,440

border

2087

01:21:12,870 --> 01:21:10,719

northwest corner of the state and uh my

2088

01:21:16,790 --> 01:21:12,880

friend and i were abducted

2089

01:21:18,950 --> 01:21:16,800

and uh you know that that set in motion

2090

01:21:20,870 --> 01:21:18,960

uh

2091

01:21:22,790 --> 01:21:20,880

just a lot of just a lot of strangeness

2092

01:21:25,910 --> 01:21:22,800

a lot of strangeness but

2093

01:21:26,390 --> 01:21:25,920

i gotta say that you know i i as a kid i

2094

01:21:33,189 --> 01:21:26,400

had

2095

01:21:34,550 --> 01:21:33,199

1968 pardon me in 1963 when i was eight

2096

01:21:37,430 --> 01:21:34,560

years old

2097

01:21:38,550 --> 01:21:37,440

i was in my backyard playing and i saw a

2098

01:21:41,270 --> 01:21:38,560

ufo

2099

01:21:42,870 --> 01:21:41,280

and so you know i had experiences

2100

01:21:46,149 --> 01:21:42,880

throughout my life

2101

01:21:49,110 --> 01:21:46,159

my book is incident at devil's den uh

2102

01:21:50,070 --> 01:21:49,120

and that's on amazon and it's available

2103

01:21:52,390 --> 01:21:50,080

in kindle

2104

01:21:54,070 --> 01:21:52,400

uh and a paperback with some photos in

2105

01:21:56,709 --> 01:21:54,080

it and drawings

2106

01:21:58,070 --> 01:21:56,719

uh and then there's also uh i made an

2107

01:22:00,310 --> 01:21:58,080

audio book

2108

01:22:02,390 --> 01:22:00,320

uh by the same name incident at devil's

2109

01:22:04,390 --> 01:22:02,400

den i recorded it for better or worse in

2110

01:22:05,030 --> 01:22:04,400

my own voice because i wanted to tell my

2111

01:22:08,070 --> 01:22:05,040

story

2112

01:22:12,629 --> 01:22:08,080

it's great so that's on

2113

01:22:15,910 --> 01:22:12,639

amazon or audible and then the new book

2114

01:22:20,149 --> 01:22:15,920

is called double stem the reckoning

2115

01:22:24,229 --> 01:22:22,870

and paperback and kindle and i cut the

2116

01:22:27,910 --> 01:22:24,239

price of the kindle in half

2117

01:22:29,030 --> 01:22:27,920

it's 4.99 uh i haven't made an audio

2118

01:22:31,750 --> 01:22:29,040

book yet because

2119

01:22:35,270 --> 01:22:31,760

um i'm not sure it's safe to go to the

2120

01:22:42,149 --> 01:22:38,310

but i am going to do that someday

2121

01:22:44,229 --> 01:22:42,159

and my website is terry lovelace.com

2122

01:22:45,270 --> 01:22:44,239

uh you're welcome to email me if you

2123

01:22:47,430 --> 01:22:45,280

have any questions

2124

01:22:48,470 --> 01:22:47,440

my email address is terry lovelace at

2125

01:22:50,390 --> 01:22:48,480

yahoo.com

2126

01:22:52,629 --> 01:22:50,400

i answer every email so you're more than

2127

01:22:55,189 --> 01:22:52,639

welcome to contact me

2128

01:22:57,030 --> 01:22:55,199

i have a facebook page under incident at

2129

01:23:00,070 --> 01:22:57,040

devil's den

2130

01:23:01,030 --> 01:23:00,080

another one under terry lovelace and

2131

01:23:05,750 --> 01:23:01,040

another other

2132

01:23:08,629 --> 01:23:05,760

devil's den radio because a friend aaron

2133

01:23:10,470 --> 01:23:08,639

montgomery who's also an experiencer

2134

01:23:11,990 --> 01:23:10,480

she and i we're gonna we're gonna start

2135

01:23:15,189 --> 01:23:12,000

a um

2136

01:23:18,830 --> 01:23:15,199

a channel on ktra or kcor

2137

01:23:21,510 --> 01:23:18,840

or do a podcast or something but

2138

01:23:22,149 --> 01:23:21,520

we uh you know i've been telling the

2139

01:23:23,830 --> 01:23:22,159

story

2140

01:23:26,070 --> 01:23:23,840

and sharing it with people and i kind of

2141

01:23:27,350 --> 01:23:26,080

like after compiling these stories i

2142

01:23:28,629 --> 01:23:27,360

kind of like to be on the other side of

2143

01:23:31,030 --> 01:23:28,639

the mic

2144

01:23:32,629 --> 01:23:31,040

yeah but we're going to give that a try

2145

01:23:35,669 --> 01:23:32,639

very cool

2146

01:23:37,669 --> 01:23:35,679

i think that's a great idea i

2147

01:23:39,669 --> 01:23:37,679

i can't think of anything better than

2148

01:23:42,629 --> 01:23:39,679

that to be honest terry because

2149

01:23:44,149 --> 01:23:42,639

you have such a good way of explaining

2150

01:23:47,350 --> 01:23:44,159

everything to everyone and

2151

01:23:49,830 --> 01:23:47,360

it's it's so amazing how you've

2152

01:23:51,110 --> 01:23:49,840

archived everything your stories

2153

01:23:54,070 --> 01:23:51,120

spanning from

2154

01:23:55,030 --> 01:23:54,080

when you were a child and by far your

2155

01:23:57,990 --> 01:23:55,040

experiences

2156

01:23:58,790 --> 01:23:58,000

are beyond fascinating everybody really

2157

01:24:01,510 --> 01:23:58,800

needs to

2158

01:24:02,870 --> 01:24:01,520

uh purchase both books in my opinion a

2159

01:24:06,149 --> 01:24:02,880

blue and a red one

2160

01:24:07,990 --> 01:24:06,159

so blue pillar red pill there

2161

01:24:10,149 --> 01:24:08,000

great stuff terry i can't wait to have

2162

01:24:12,070 --> 01:24:10,159

you on again and your website is so i

2163

01:24:13,189 --> 01:24:12,080

can't you're so for real your website's

2164

01:24:15,590 --> 01:24:13,199

so great uh

2165

01:24:18,310 --> 01:24:15,600

thanks so much be blessed and i i hope

2166

01:24:20,310 --> 01:24:18,320

to talk to you soon my man

2167

01:24:21,910 --> 01:24:20,320

you bet you guys take care ryan look

2168

01:24:22,709 --> 01:24:21,920

forward to talking to you next time take

2169

01:24:27,590 --> 01:24:22,719

care

2170

01:24:30,950 --> 01:24:29,990

there it is ladies and gentlemen the man

2171

01:24:36,310 --> 01:24:30,960

behind

2172

01:24:39,830 --> 01:24:39,189

multi-decade plan we're talking

2173

01:24:42,629 --> 01:24:39,840

presidents

2174

01:24:43,990 --> 01:24:42,639

entering agreements this is huge stuff

2175

01:24:46,870 --> 01:24:44,000

delving into

2176
01:24:48,390 --> 01:24:46,880
space programs mental telepathic

2177
01:24:50,149 --> 01:24:48,400
communication

2178
01:24:51,430 --> 01:24:50,159
big deals that are provocative

2179
01:24:53,910 --> 01:24:51,440
intriguing

2180
01:24:56,229 --> 01:24:53,920
and the telepathic communication that

2181
01:24:59,590 --> 01:24:56,239
terry outlines in his book is a big deal

2182
01:25:03,030 --> 01:24:59,600
i find his experiences

2183
01:25:05,189 --> 01:25:03,040
are very conducive to someone who has

2184
01:25:06,070 --> 01:25:05,199
this ability to uh kind of know what's

2185
01:25:09,030 --> 01:25:06,080
going on

2186
01:25:10,229 --> 01:25:09,040
and i'm glad that terry is not too above

2187
01:25:13,430 --> 01:25:10,239
himself

2188
01:25:15,350 --> 01:25:13,440

to actually share what his theories are

2189

01:25:17,590 --> 01:25:15,360

a lot of people are vague and don't know

2190

01:25:20,149 --> 01:25:17,600

and and they're too scared to walk

2191

01:25:21,350 --> 01:25:20,159

out on a limb and say hey i don't know

2192

01:25:24,070 --> 01:25:21,360

but

2193

01:25:25,430 --> 01:25:24,080

if i were to guess it might be this

2194

01:25:27,510 --> 01:25:25,440

that's a big deal

2195

01:25:28,790 --> 01:25:27,520

especially coming from someone like

2196

01:25:31,510 --> 01:25:28,800

terry lovelace

2197

01:25:33,990 --> 01:25:31,520

please uh support him support his

2198

01:25:36,229 --> 01:25:34,000

website and support his literature

2199

01:25:37,189 --> 01:25:36,239

what he's done is nothing short of

2200

01:25:39,350 --> 01:25:37,199

amazing

2201
01:25:40,390 --> 01:25:39,360
can't wait to have him on again someday

2202
01:25:42,870 --> 01:25:40,400
until next time

2203
01:25:43,669 --> 01:25:42,880
keep your eyes to the skies feet on the

2204
01:25:55,350 --> 01:25:43,679
ground

2205
01:26:03,110 --> 01:25:55,360
but don't forget to take a look around

2206
01:26:12,960 --> 01:26:05,990
come blast off in my time machine third

2207
01:26:23,669 --> 01:26:20,470
[Music]

2208
01:26:24,629 --> 01:26:23,679
blast off come blast off in my time

2209
01:26:37,730 --> 01:26:24,639
machine

2210
01:26:54,770 --> 01:26:37,740
third eye feeling like you need
