paranormal podcast

9  
00:00:48,150 --> 00:00:46,719

i'm ryan broadcasting from somewhere in

10  
00:00:51,029 --> 00:00:48,160

the uinta basin

11  
00:00:52,310 --> 00:00:51,039

and well the original outlaw of the

12  
00:00:55,350 --> 00:00:52,320

airwaves bringing you

13  
00:00:56,790 --> 00:00:55,360

an epic episode tonight tonight we are

14

00:00:59,670 --> 00:00:56,800

talking with a long-time

15

00:01:00,630 --> 00:00:59,680

basin resident who well lived back in

16

00:01:02,470 --> 00:01:00,640

the basin when

17

00:01:03,670 --> 00:01:02,480

things were not quite the same as they

18

00:01:07,030 --> 00:01:03,680

are now

19

00:01:07,830 --> 00:01:07,040

moved and now she has moved back to the

20

00:01:10,950 --> 00:01:07,840

state

21

00:01:12,630 --> 00:01:10,960

it's very interesting some of the older

22

00:01:14,870 --> 00:01:12,640

stories and how

23

00:01:15,670 --> 00:01:14,880

similar they are to the newer stories

24

00:01:18,230 --> 00:01:15,680

christine

25

00:01:19,670 --> 00:01:18,240

riley is someone i respect very much i

26

00:01:22,230 --> 00:01:19,680

trust her word

27

00:01:23,910 --> 00:01:22,240

and she's just an overall likable person

28

00:01:24,870 --> 00:01:23,920

so i'm blessed to get her on this

29

00:01:27,350 --> 00:01:24,880

podcast

30

00:01:28,310 --> 00:01:27,360

i'm going to try to talk to more people

31

00:01:29,910 --> 00:01:28,320

that are

32

00:01:32,149 --> 00:01:29,920

well familiar with some of the

33

00:01:34,390 --> 00:01:32,159

strangeness from back in the day

34

00:01:36,149 --> 00:01:34,400

because back in the day is the only way

35

00:01:38,870 --> 00:01:36,159

we might know what to expect

36

00:01:40,230 --> 00:01:38,880

in the future so maybe that's where we

37

00:01:42,230 --> 00:01:40,240

should concentrate

38

00:01:43,350 --> 00:01:42,240

some of our efforts and i know a lot of

39

00:01:45,030 --> 00:01:43,360

people are

40

00:01:46,950 --> 00:01:45,040

there's a lot of researchers tackling

41

00:01:48,550 --> 00:01:46,960

this and it's one of the greatest

42

00:01:51,670 --> 00:01:48,560

questions of our time

43

00:01:54,310 --> 00:01:51,680

the high strangeness in the deserts in

44

00:01:55,749 --> 00:01:54,320

remote parts of utah i'll tell you what

45

00:01:59,030 --> 00:01:55,759

it's the type of thing that really gets

46

00:02:01,270 --> 00:01:59,040

my blood going and it keeps me well

47

00:02:02,830 --> 00:02:01,280

interested so now the shameless

48

00:02:04,630 --> 00:02:02,840

self-promotion if you haven't gone to

49

00:02:07,830 --> 00:02:04,640

heroparanormal.com please do

50

00:02:08,309 --> 00:02:07,840

you can join for a buck a buck or two or

51

00:02:09,589 --> 00:02:08,319

if

52

00:02:11,029 --> 00:02:09,599

you want to go all the way in i think

53

00:02:12,150 --> 00:02:11,039

it's eight bucks a month and you get

54

00:02:14,470 --> 00:02:12,160

everything on the menu

55

00:02:15,990 --> 00:02:14,480

that's it self promotion over without

56

00:02:17,990 --> 00:02:16,000

further ado

57

00:02:20,830 --> 00:02:18,000

christine riley welcome to the hero

58

00:02:24,790 --> 00:02:20,840

paranormal podcast

59

00:02:25,990 --> 00:02:24,800

thanks so there is a lot of background

60

00:02:27,750 --> 00:02:26,000

to the unit basin

61

00:02:29,030 --> 00:02:27,760

that a lot of people have kind of

62

00:02:31,509 --> 00:02:29,040

overlooked

63

00:02:34,150 --> 00:02:31,519

the uintah basin has been a place that

64

00:02:35,670 --> 00:02:34,160

has had high strangeness for

65

00:02:37,670 --> 00:02:35,680

well some say as long as they can

66

00:02:39,750 --> 00:02:37,680

remember but you lived there

67

00:02:42,630 --> 00:02:39,760

quite a while ago and have some pretty

68

00:02:46,150 --> 00:02:42,640

amazing stories don't you christine

69

00:02:49,670 --> 00:02:47,990

could we i don't know where to start

70

00:02:51,350 --> 00:02:49,680

even i'm just gonna go with

71

00:02:53,430 --> 00:02:51,360

what i think was one of the most

72

00:02:55,750 --> 00:02:53,440

fascinating which included

73

00:02:57,270 --> 00:02:55,760

a story about if i'm not mistaken it's

74

00:02:58,390 --> 00:02:57,280

been many years that we haven't we

75

00:03:00,869 --> 00:02:58,400

haven't talked

76

00:03:02,550 --> 00:03:00,879

but it was a story if i'm not mistaken

77

00:03:04,070 --> 00:03:02,560

somewhere in the epicenter of the uintah

78

00:03:07,430 --> 00:03:04,080

basin that involved

79

00:03:10,550 --> 00:03:07,440

a black helicopter and possibly like

80

00:03:14,790 --> 00:03:10,560

something under a tarp behind a semi

81

00:03:18,550 --> 00:03:14,800

correct okay i'll be glad to start there

82

00:03:21,110 --> 00:03:18,560

um this was after i'd had

83

00:03:22,229 --> 00:03:21,120

a lot of visits to the ranch that this

84

00:03:26,630 --> 00:03:22,239

had happened

85

00:03:27,509 --> 00:03:26,640

um and i was actually home it was about

86

00:03:31,190 --> 00:03:27,519

9 30

87

00:03:35,190 --> 00:03:31,200

at night and i received the phone call

88

00:03:38,550 --> 00:03:35,200

and it was my daughter and she was

89

00:03:41,670 --> 00:03:38,560

really excited seeing mom go outside

90

00:03:44,630 --> 00:03:41,680

so i the minute i went outside i saw a

91

00:03:47,670 --> 00:03:44,640

helicopter actually going over my

92

00:03:50,949 --> 00:03:47,680

house it was a military helicopter

93

00:03:52,710 --> 00:03:50,959

and i thought that's weird and she says

94

00:03:54,630 --> 00:03:52,720

i'm coming to get you right now and i

95

00:03:56,949 --> 00:03:54,640

just thought okay you know

96

00:03:57,990 --> 00:03:56,959

so i just waited for outside she came

97

00:04:01,190 --> 00:03:58,000

and got me

98

00:04:04,470 --> 00:04:01,200

and as we were going down highway 40

99

00:04:08,070 --> 00:04:04,480

and there was a lot of police

100

00:04:09,110 --> 00:04:08,080

passing us and uh we've kind of followed

101  
00:04:13,830 --> 00:04:09,120  
them all the way

102  
00:04:16,870 --> 00:04:13,840  
out to fort duchesne

103  
00:04:19,110 --> 00:04:16,880  
and it was about

104  
00:04:21,349 --> 00:04:19,120  
if i really don't remember the road

105  
00:04:24,070 --> 00:04:21,359  
unfortunately it was a road before

106  
00:04:26,150 --> 00:04:24,080  
the ranch and before the little um

107  
00:04:29,510 --> 00:04:26,160  
indian truck stopped

108  
00:04:31,430 --> 00:04:29,520  
but we we followed the the police and we

109  
00:04:33,030 --> 00:04:31,440  
wrote down a little side road it wasn't

110  
00:04:35,990 --> 00:04:33,040  
a very large road

111  
00:04:36,790 --> 00:04:36,000  
and as we were going i'm sorry i have a

112  
00:04:39,830 --> 00:04:36,800  
call today

113  
00:04:43,350 --> 00:04:39,840

as we were going down that road um

114

00:04:46,070 --> 00:04:43,360

there was people passing us and we

115

00:04:48,150 --> 00:04:46,080

would actually have to pull right over

116

00:04:50,469 --> 00:04:48,160

because we were gonna get hit

117

00:04:51,270 --> 00:04:50,479

and what's the strange thing about it is

118

00:04:54,390 --> 00:04:51,280

it was

119

00:04:57,909 --> 00:04:54,400

a lot of issue fees and

120

00:04:59,830 --> 00:04:57,919

um one flat semi truck

121

00:05:01,990 --> 00:04:59,840

which was really weird and then after

122

00:05:04,070 --> 00:05:02,000

that it was a a semi truck

123

00:05:05,990 --> 00:05:04,080

that had used to tell that there was

124

00:05:08,150 --> 00:05:06,000

something on the back of it

125

00:05:10,310 --> 00:05:08,160

and this was why while we were just

126

00:05:13,270 --> 00:05:10,320

pulled off the side of the road

127

00:05:13,909 --> 00:05:13,280

and while we were pulled off to the road

128

00:05:18,070 --> 00:05:13,919

there was

129

00:05:18,629 --> 00:05:18,080

a uh it was an indian place that pulled

130

00:05:21,110 --> 00:05:18,639

up to us

131

00:05:22,710 --> 00:05:21,120

and told us just what we were doing and

132

00:05:24,710 --> 00:05:22,720

we just told him we were going for a

133

00:05:25,430 --> 00:05:24,720

ride and he said well i suggest you turn

134

00:05:28,469 --> 00:05:25,440

around

135

00:05:30,469 --> 00:05:28,479

and go home um but we just sat there for

136

00:05:31,430 --> 00:05:30,479

a minute he passed us and we went on

137

00:05:33,510 --> 00:05:31,440

down

138

00:05:36,230 --> 00:05:33,520

and and looked and all we could really

139

00:05:39,029 --> 00:05:36,240

see to this late at night is a bunch

140

00:05:40,790 --> 00:05:39,039

of of lights out in the field we could

141

00:05:43,510 --> 00:05:40,800

see the helicopter

142

00:05:45,350 --> 00:05:43,520

and we sat there for a while but we

143

00:05:49,029 --> 00:05:45,360

really couldn't see anything so we

144

00:05:51,510 --> 00:05:49,039

just came around and went home and so

145

00:05:53,510 --> 00:05:51,520

the next day i did a little

146

00:05:54,870 --> 00:05:53,520

investigating i called the police and

147

00:05:56,469 --> 00:05:54,880

asked him

148

00:05:58,710 --> 00:05:56,479

that you know they could tell me what

149

00:05:59,909 --> 00:05:58,720

was going on and and they wouldn't say

150

00:06:02,390 --> 00:05:59,919

anything

151  
00:06:04,390 --> 00:06:02,400  
and i kept asking friends and kept

152  
00:06:07,029 --> 00:06:04,400  
asking a lot of people

153  
00:06:07,670 --> 00:06:07,039  
then finally somebody told me it was uh

154  
00:06:10,790 --> 00:06:07,680  
that

155  
00:06:13,590 --> 00:06:10,800  
somebody in the tribe committed suicide

156  
00:06:15,350 --> 00:06:13,600  
and i thought okay and i asked what

157  
00:06:16,230 --> 00:06:15,360  
their name was and they'll bring you the

158  
00:06:19,270 --> 00:06:16,240  
name

159  
00:06:20,629 --> 00:06:19,280  
and um so it was just really really

160  
00:06:23,189 --> 00:06:20,639  
strange and then

161  
00:06:25,430 --> 00:06:23,199  
um after that i had some friends that

162  
00:06:28,629 --> 00:06:25,440  
said they actually went out there

163  
00:06:31,830 --> 00:06:28,639

and looked we didn't go back

164

00:06:33,350 --> 00:06:31,840

um we should have but there just was any

165

00:06:35,510 --> 00:06:33,360

time and i know at that time i

166

00:06:36,870 --> 00:06:35,520

was really busy but they said they

167

00:06:37,270 --> 00:06:36,880

actually went out there and know that

168

00:06:40,870 --> 00:06:37,280

that

169

00:06:43,749 --> 00:06:40,880

people had done some digging and

170

00:06:44,390 --> 00:06:43,759

and things like that so it was just

171

00:06:46,950 --> 00:06:44,400

really

172

00:06:48,710 --> 00:06:46,960

a strange um occurrence that i wish i

173

00:06:50,070 --> 00:06:48,720

really knew to this day

174

00:06:51,909 --> 00:06:50,080

what had really happened now the

175

00:06:52,629 --> 00:06:51,919

interesting part about it was is where

176

00:06:56,469 --> 00:06:52,639

did all those

177

00:06:59,110 --> 00:06:56,479

suvs and those summer trucks come

178

00:07:01,430 --> 00:06:59,120

all of a sudden you know because we were

179

00:07:03,670 --> 00:07:01,440

just right there at the height of what

180

00:07:05,110 --> 00:07:03,680

when it happened so it was just really

181

00:07:06,870 --> 00:07:05,120

interesting that

182

00:07:08,469 --> 00:07:06,880

maybe it was just something that went

183

00:07:10,070 --> 00:07:08,479

wrong and

184

00:07:11,909 --> 00:07:10,080

and then they were just there to hurry

185

00:07:13,670 --> 00:07:11,919

and clean it up or there's something

186

00:07:15,589 --> 00:07:13,680

along that line but

187

00:07:17,589 --> 00:07:15,599

but there was a lot of for a little

188

00:07:18,710 --> 00:07:17,599

small draw there was a lot of action on

189

00:07:20,870 --> 00:07:18,720

it for sure

190

00:07:22,870 --> 00:07:20,880

it sounds like there was a lot of action

191

00:07:25,350 --> 00:07:22,880

and you know like you said especially

192

00:07:26,550 --> 00:07:25,360

for a rural community like you know the

193

00:07:28,550 --> 00:07:26,560

uintah basin

194

00:07:30,710 --> 00:07:28,560

a lot of the communities are rural

195

00:07:33,430 --> 00:07:30,720

enough that you will get

196

00:07:35,430 --> 00:07:33,440

you you know a few vehicles but not like

197

00:07:37,350 --> 00:07:35,440

a squad like you're mentioning a full

198

00:07:38,870 --> 00:07:37,360

squad of vehicles coming in that that's

199

00:07:41,670 --> 00:07:38,880

pretty intense

200

00:07:43,589 --> 00:07:41,680

yes and they had the firing scoring and

201  
00:07:45,270 --> 00:07:43,599  
everything when they were going down

202  
00:07:47,189 --> 00:07:45,280  
i thought yeah when we followed them

203  
00:07:49,110 --> 00:07:47,199  
when they're going down highway 40

204  
00:07:50,869 --> 00:07:49,120  
i mean it was pretty they were in a

205  
00:07:53,589 --> 00:07:50,879  
hurry to get there

206  
00:07:54,070 --> 00:07:53,599  
um so that was interesting yeah it

207  
00:07:57,350 --> 00:07:54,080  
really

208  
00:07:57,990 --> 00:07:57,360  
is and christine do you remember more or

209  
00:08:00,869 --> 00:07:58,000  
less

210  
00:08:01,830 --> 00:08:00,879  
what year that would have been it's hard

211  
00:08:06,790 --> 00:08:01,840  
sometimes i know

212  
00:08:11,270 --> 00:08:06,800  
trust me i'm saying it had to be

213  
00:08:13,589 --> 00:08:11,280

i want to say it was around 1998 1999

214

00:08:16,869 --> 00:08:13,599

okay yeah i'm not really positive on

215

00:08:19,909 --> 00:08:19,510

um that's pretty good that's pretty good

216

00:08:22,469 --> 00:08:19,919

yeah

217

00:08:24,469 --> 00:08:22,479

no that's very interesting and i you

218

00:08:24,950 --> 00:08:24,479

know you're not the only one as you said

219

00:08:27,990 --> 00:08:24,960

and

220

00:08:30,230 --> 00:08:28,000

others have actually mimicked this exact

221

00:08:31,990 --> 00:08:30,240

story told the same story in the past

222

00:08:34,389 --> 00:08:32,000

and i know that a lot of people

223

00:08:36,070 --> 00:08:34,399

including myself have wondered is this

224

00:08:37,750 --> 00:08:36,080

really happening and then you know to

225

00:08:40,630 --> 00:08:37,760

hear it from various sources that kind

226

00:08:42,149 --> 00:08:40,640

of helps a little bit uh there's other

227

00:08:43,829 --> 00:08:42,159

stuff in the basin that really kind of

228

00:08:44,630 --> 00:08:43,839

goes bump in the night and stuff like

229

00:08:48,470 --> 00:08:44,640

that

230

00:08:51,430 --> 00:08:48,480

and if i'm if i'm not mistaken uh you

231

00:08:52,389 --> 00:08:51,440

i'm gonna try to not use names if we can

232

00:08:55,350 --> 00:08:52,399

but

233

00:08:56,310 --> 00:08:55,360

one of the most fascinating stories uh

234

00:08:59,430 --> 00:08:56,320

was

235

00:09:02,150 --> 00:08:59,440

it involved a very wealthy gentleman

236

00:09:03,509 --> 00:09:02,160

who had friends high up in the poli in

237

00:09:06,389 --> 00:09:03,519

political circles

238

00:09:08,790 --> 00:09:06,399

and i believe he had some interesting

239

00:09:10,470 --> 00:09:08,800

conversations with you and

240

00:09:12,150 --> 00:09:10,480

went to some maybe some grounds or

241

00:09:13,750 --> 00:09:12,160

territories where you actually kind of

242

00:09:17,590 --> 00:09:13,760

felt some energies maybe

243

00:09:20,150 --> 00:09:17,600

does that sound familiar yes yes it does

244

00:09:22,790 --> 00:09:20,160

um and i'm not mentioning is that i

245

00:09:26,630 --> 00:09:22,800

actually went to work for these people

246

00:09:28,870 --> 00:09:26,640

and um you know at first i just figured

247

00:09:30,870 --> 00:09:28,880

you know it was a normal job and and

248

00:09:34,150 --> 00:09:30,880

everything was going okay

249

00:09:35,030 --> 00:09:34,160

and um and they were just a little

250

00:09:37,350 --> 00:09:35,040

different they

251

00:09:38,389 --> 00:09:37,360

they had um but they have a lot of

252

00:09:42,070 --> 00:09:38,399

things going on

253

00:09:46,550 --> 00:09:42,080

and one day he wanted me to

254

00:09:49,509 --> 00:09:46,560

follow him up to these cabins

255

00:09:51,269 --> 00:09:49,519

and he needed to drop a truck off and he

256

00:09:52,150 --> 00:09:51,279

wanted me to drive him back to the

257

00:09:55,509 --> 00:09:52,160

office

258

00:09:56,150 --> 00:09:55,519

and i said sure so you know i follow him

259

00:09:59,350 --> 00:09:56,160

up there

260

00:09:59,990 --> 00:09:59,360

and he pulled it and i got out of the

261

00:10:05,030 --> 00:10:00,000

car

262

00:10:10,870 --> 00:10:05,040

was

263

00:10:14,230 --> 00:10:10,880

at the ranch at times it's kind of a

264

00:10:20,790 --> 00:10:14,240

um something just

265

00:10:25,350 --> 00:10:22,630

you know you like you just stepped out

266

00:10:27,590 --> 00:10:25,360

into a different kind of really strange

267

00:10:28,949 --> 00:10:27,600

uh weird feeling and so i was kind of

268

00:10:31,990 --> 00:10:28,959

just standing there kind of

269

00:10:34,389 --> 00:10:32,000

trying to evaluate what i was feeling

270

00:10:35,350 --> 00:10:34,399

and and he came over and he goes did you

271

00:10:37,829 --> 00:10:35,360

hear me

272

00:10:38,790 --> 00:10:37,839

and i said no and he said what the

273

00:10:42,069 --> 00:10:38,800

matter

274

00:10:43,350 --> 00:10:42,079

i said oh i'm just um feeling something

275

00:10:45,269 --> 00:10:43,360

on your strength here

276

00:10:47,829 --> 00:10:45,279

he goes what do you mean i don't just

277

00:10:49,190 --> 00:10:47,839

feel a different atmosphere here if i

278

00:10:51,590 --> 00:10:49,200

feel really different

279

00:10:52,630 --> 00:10:51,600

and he says you can feel that and i said

280

00:10:54,949 --> 00:10:52,640

yes

281

00:10:55,750 --> 00:10:54,959

and and right then i thought that was

282

00:10:58,870 --> 00:10:55,760

kind of

283

00:11:02,069 --> 00:10:58,880

a different thing to say right

284

00:11:05,590 --> 00:11:02,079

and then as i was continuing being

285

00:11:08,630 --> 00:11:05,600

under their employment they got calls

286

00:11:10,310 --> 00:11:08,640

um frequently from a very very high it's

287

00:11:11,509 --> 00:11:10,320

probably about as high as you can go

288

00:11:13,269 --> 00:11:11,519

political person

289

00:11:15,990 --> 00:11:13,279

right and at first i thought it was a

290

00:11:19,670 --> 00:11:16,000

joke but it definitely was not

291

00:11:22,710 --> 00:11:19,680

um it would be the secretary calling for

292

00:11:26,710 --> 00:11:22,720

for them that render the business

293

00:11:29,750 --> 00:11:26,720

and they had very extremely high ties

294

00:11:33,509 --> 00:11:29,760

with um the government

295

00:11:34,069 --> 00:11:33,519

and he actually was sent to utah to

296

00:11:37,509 --> 00:11:34,079

shane

297

00:11:39,670 --> 00:11:37,519

do some other things there and they also

298

00:11:43,509 --> 00:11:39,680

had a lot of times people coming

299

00:11:47,590 --> 00:11:43,519

in quite a big operation that had

300

00:11:51,110 --> 00:11:47,600

their own helicopters in their own um

301  
00:11:53,670 --> 00:11:51,120  
trucks and they were out doing special

302  
00:11:55,030 --> 00:11:53,680  
um things they were out there exploring

303  
00:11:56,710 --> 00:11:55,040  
for things and

304  
00:11:58,470 --> 00:11:56,720  
and they told me that they were

305  
00:12:00,710 --> 00:11:58,480  
exploring for gas

306  
00:12:02,389 --> 00:12:00,720  
i really don't think that's true it was

307  
00:12:04,150 --> 00:12:02,399  
really um

308  
00:12:05,509 --> 00:12:04,160  
really really interesting i just went to

309  
00:12:08,470 --> 00:12:05,519  
work one day and

310  
00:12:10,470 --> 00:12:08,480  
the whole office was you know flooded

311  
00:12:12,710 --> 00:12:10,480  
with all these um

312  
00:12:13,990 --> 00:12:12,720  
construction guys and and hella talked

313  
00:12:16,230 --> 00:12:14,000

to her there and

314

00:12:17,750 --> 00:12:16,240

this great big operation and it went on

315

00:12:19,829 --> 00:12:17,760

for about two days

316

00:12:21,350 --> 00:12:19,839

and then all of a sudden they were gone

317

00:12:25,110 --> 00:12:21,360

and nobody would really

318

00:12:26,870 --> 00:12:25,120

tell me anything about and uh but

319

00:12:28,629 --> 00:12:26,880

i really got the impression after

320

00:12:30,550 --> 00:12:28,639

working there for so long

321

00:12:33,030 --> 00:12:30,560

and talking to a lot of people that they

322

00:12:33,910 --> 00:12:33,040

were they had something to do with the

323

00:12:37,670 --> 00:12:33,920

ranch

324

00:12:40,710 --> 00:12:37,680

i i could bet you know 100

325

00:12:43,590 --> 00:12:40,720

that there was something going on and it

326

00:12:46,870 --> 00:12:43,600

had something that tied into

327

00:12:48,790 --> 00:12:46,880

um the ranch i'm not really sure um

328

00:12:51,030 --> 00:12:48,800

what it was but i do know that there

329

00:12:52,790 --> 00:12:51,040

were some people that

330

00:12:54,870 --> 00:12:52,800

and if you would go up there they'd

331

00:12:57,750 --> 00:12:54,880

actually stop you and tell you ask you

332

00:13:00,069 --> 00:12:57,760

why you're there and make you leave

333

00:13:00,790 --> 00:13:00,079

and they're really secretive about a lot

334

00:13:02,710 --> 00:13:00,800

of things

335

00:13:03,990 --> 00:13:02,720

it's funny you mentioned that christine

336

00:13:06,069 --> 00:13:04,000

because i

337

00:13:07,910 --> 00:13:06,079

was one of those people that got chased

338

00:13:10,949 --> 00:13:07,920

off apprehended

339

00:13:14,150 --> 00:13:10,959

by him and his his i guess uh

340

00:13:17,750 --> 00:13:14,160

his his his security force

341

00:13:19,590 --> 00:13:17,760

yes so yeah i mean that's just

342

00:13:21,190 --> 00:13:19,600

giving some validity to your story

343

00:13:22,949 --> 00:13:21,200

because i actually went through it and i

344

00:13:26,069 --> 00:13:22,959

feared for my life so i mean

345

00:13:29,670 --> 00:13:29,269

it's scary yeah but you know it wasn't

346

00:13:35,350 --> 00:13:29,680

no

347

00:13:37,910 --> 00:13:35,360

a person making up for stories i mean

348

00:13:42,790 --> 00:13:40,550

was happening and they were mysterious

349

00:13:44,230 --> 00:13:42,800

it was scary business whatever was going

350

00:13:47,509 --> 00:13:44,240

on up there

351  
00:13:47,990 --> 00:13:47,519  
interesting and one time i was talking

352  
00:13:51,430 --> 00:13:48,000  
to him

353  
00:13:54,870 --> 00:13:51,440  
and um he was and i think he was

354  
00:13:57,350 --> 00:13:54,880  
had a few drinks at that point and

355  
00:13:59,030 --> 00:13:57,360  
he started telling me uh about their

356  
00:14:02,310 --> 00:13:59,040  
business

357  
00:14:05,269 --> 00:14:02,320  
and how he made a lot of money and

358  
00:14:05,990 --> 00:14:05,279  
how um they wanted him to come up here

359  
00:14:11,189 --> 00:14:06,000  
and

360  
00:14:12,949 --> 00:14:11,199  
i'm just like well what are you

361  
00:14:14,230 --> 00:14:12,959  
investigating he says that we're just

362  
00:14:15,990 --> 00:14:14,240  
trying to see

363  
00:14:17,670 --> 00:14:16,000

about the land and if we can make as

364

00:14:20,389 --> 00:14:17,680

much money on this land

365

00:14:20,949 --> 00:14:20,399

um and he really wouldn't tell too much

366

00:14:23,269 --> 00:14:20,959

but

367

00:14:24,550 --> 00:14:23,279

then he did pull out this card it was

368

00:14:26,629 --> 00:14:24,560

like a credit card

369

00:14:28,550 --> 00:14:26,639

out of his wallet it was all that

370

00:14:31,030 --> 00:14:28,560

certain stuff on it

371

00:14:32,629 --> 00:14:31,040

and he says i'm one or ten people that

372

00:14:36,150 --> 00:14:32,639

have one of these cards

373

00:14:36,790 --> 00:14:36,160

and i'm like okay and it was just you

374

00:14:40,310 --> 00:14:36,800

were just

375

00:14:42,389 --> 00:14:40,320

really really a strange um people but

376

00:14:44,150 --> 00:14:42,399

but i know i know of at least three

377

00:14:45,750 --> 00:14:44,160

people that were have been up on that

378

00:14:48,069 --> 00:14:45,760

land and actually

379

00:14:48,949 --> 00:14:48,079

been pulled over and threatened and and

380

00:14:52,790 --> 00:14:48,959

told them

381

00:14:55,430 --> 00:14:52,800

to come up on that land so of course

382

00:14:57,110 --> 00:14:55,440

and to be honest i mean it's very real

383

00:15:00,230 --> 00:14:57,120

there's a police report to

384

00:15:02,629 --> 00:15:00,240

the situation i had and i mean i had to

385

00:15:03,590 --> 00:15:02,639

i was scared i was really scared and the

386

00:15:06,150 --> 00:15:03,600

way that they acted

387

00:15:06,949 --> 00:15:06,160

it kind of seemed like they didn't plan

388

00:15:11,030 --> 00:15:06,959

on just

389

00:15:14,310 --> 00:15:11,040

beating me up yes

390

00:15:16,310 --> 00:15:14,320

that's true and some other interesting

391

00:15:18,230 --> 00:15:16,320

areas in the basin and i know that

392

00:15:20,230 --> 00:15:18,240

there's been a lot a lot of

393

00:15:21,509 --> 00:15:20,240

a lot of attention lately recently you

394

00:15:23,189 --> 00:15:21,519

know these things

395

00:15:25,670 --> 00:15:23,199

have a tendency to come out urban

396

00:15:27,509 --> 00:15:25,680

legends turn into something more but

397

00:15:29,350 --> 00:15:27,519

this is more than an urban legend

398

00:15:31,509 --> 00:15:29,360

and it kind of has been for quite some

399

00:15:33,350 --> 00:15:31,519

time when you first moved to the uinta

400

00:15:35,030 --> 00:15:33,360

basin christine what was your original

401  
00:15:37,430 --> 00:15:35,040  
impression of it and when did things

402  
00:15:42,829 --> 00:15:37,440  
start to get weird

403  
00:15:47,990 --> 00:15:44,629  
1989

404  
00:15:50,069 --> 00:15:48,000  
um i managed restaurants i managed pizza

405  
00:15:52,949 --> 00:15:50,079  
huts and they sent me out there to

406  
00:15:54,230 --> 00:15:52,959  
to manage the one in roseville and at

407  
00:15:56,069 --> 00:15:54,240  
that time

408  
00:15:57,910 --> 00:15:56,079  
the only thing i really felt that was

409  
00:16:00,710 --> 00:15:57,920  
spraying just because

410  
00:16:01,110 --> 00:16:00,720  
roosevelt was part of it was indian land

411  
00:16:05,110 --> 00:16:01,120  
and

412  
00:16:08,230 --> 00:16:05,120  
people coming

413  
00:16:09,509 --> 00:16:08,240

to pizza hut and i really didn't hear

414

00:16:14,230 --> 00:16:09,519

much about the ranch

415

00:16:18,389 --> 00:16:14,240

until probably it was about

416

00:16:24,870 --> 00:16:21,910

the 1900s um but one day i was

417

00:16:25,990 --> 00:16:24,880

we were really busy extremely busy and i

418

00:16:28,069 --> 00:16:26,000

saw

419

00:16:29,829 --> 00:16:28,079

all these trucks falling into pizza hut

420

00:16:31,670 --> 00:16:29,839

one right after another

421

00:16:33,749 --> 00:16:31,680

and one of them kind of had a camera

422

00:16:36,230 --> 00:16:33,759

thing and i just thought

423

00:16:38,069 --> 00:16:36,240

oh i wonder what they're doing and then

424

00:16:40,069 --> 00:16:38,079

i looked at that and i saw that they

425

00:16:42,310 --> 00:16:40,079

were filming one of the fires and

426  
00:16:43,590 --> 00:16:42,320  
there was probably about 15 of them they

427  
00:16:46,629 --> 00:16:43,600  
came in and they'd get

428  
00:16:46,949 --> 00:16:46,639  
an ache and the rich came back and told

429  
00:16:50,710 --> 00:16:46,959  
me

430  
00:16:52,389 --> 00:16:50,720  
they're so busy

431  
00:16:54,230 --> 00:16:52,399  
visiting with people and i said well

432  
00:16:56,870 --> 00:16:54,240  
then yeah leave them alone and

433  
00:16:58,069 --> 00:16:56,880  
just let them eat so when they came up

434  
00:17:01,030 --> 00:16:58,079  
to pay

435  
00:17:02,710 --> 00:17:01,040  
one of them had a utah ufo a nurse

436  
00:17:05,429 --> 00:17:02,720  
t-shirt on

437  
00:17:06,870 --> 00:17:05,439  
and i mentioned like oh i've wanted to

438  
00:17:08,390 --> 00:17:06,880

see a ufo

439

00:17:10,630 --> 00:17:08,400

and he says well you're in the right

440

00:17:12,230 --> 00:17:10,640

place and he told me dan that they were

441

00:17:15,510 --> 00:17:12,240

just about

442

00:17:16,150 --> 00:17:15,520

um doing some filming at the ranch and i

443

00:17:18,949 --> 00:17:16,160

said oh

444

00:17:20,789 --> 00:17:18,959

i had never even heard of it and and so

445

00:17:23,350 --> 00:17:20,799

his friend wrote down his name

446

00:17:25,189 --> 00:17:23,360

and his email address and we started

447

00:17:28,150 --> 00:17:25,199

talking back and forth

448

00:17:30,390 --> 00:17:28,160

and then one day i thought well he gave

449

00:17:33,350 --> 00:17:30,400

me the address of how to get out there

450

00:17:34,549 --> 00:17:33,360

i wanted i to i drive it was a nice hot

451  
00:17:37,270 --> 00:17:34,559  
summer day

452  
00:17:39,430 --> 00:17:37,280  
and i was able in those days i was able

453  
00:17:40,549 --> 00:17:39,440  
to drive down the road right up into the

454  
00:17:43,190 --> 00:17:40,559  
fence it said

455  
00:17:44,549 --> 00:17:43,200  
keep out and there was any barriers or

456  
00:17:47,029 --> 00:17:44,559  
anything

457  
00:17:49,510 --> 00:17:47,039  
so i'm going down the road and my first

458  
00:17:51,750 --> 00:17:49,520  
thing that happened was a black dog it

459  
00:17:55,110 --> 00:17:51,760  
was kind of like a cattle dog

460  
00:17:58,070 --> 00:17:55,120  
and there was a local home on the

461  
00:18:00,230 --> 00:17:58,080  
left side of the road and he came

462  
00:18:02,630 --> 00:18:00,240  
running out right in front of me i was

463  
00:18:05,110 --> 00:18:02,640

just barking just really really mad

464

00:18:06,070 --> 00:18:05,120

looking at my tires and so i had a

465

00:18:09,110 --> 00:18:06,080

really slow

466

00:18:11,750 --> 00:18:09,120

down and kind of avoid the flat dog

467

00:18:12,549 --> 00:18:11,760

so i got up there pulled right up to the

468

00:18:16,150 --> 00:18:12,559

gate

469

00:18:19,510 --> 00:18:16,160

like a cut of

470

00:18:21,909 --> 00:18:19,520

meat it was fresh you could tell there

471

00:18:25,270 --> 00:18:21,919

was no fur on it it was a great

472

00:18:28,230 --> 00:18:25,280

chunk of meat that was wrapped around

473

00:18:29,190 --> 00:18:28,240

that um they gave right by the keep that

474

00:18:31,909 --> 00:18:29,200

sign

475

00:18:34,390 --> 00:18:31,919

so i took a picture of it and i thought

476

00:18:37,590 --> 00:18:34,400

that is really strange and so

477

00:18:40,390 --> 00:18:37,600

i went back home and i called in

478

00:18:43,110 --> 00:18:40,400

and talked to the general gentleman

479

00:18:46,310 --> 00:18:43,120

about the ufo ranches and i told him

480

00:18:47,110 --> 00:18:46,320

and he kind of did some investigating

481

00:18:49,110 --> 00:18:47,120

and i

482

00:18:50,789 --> 00:18:49,120

and he said that that he called me back

483

00:18:52,950 --> 00:18:50,799

and said that was this

484

00:18:54,230 --> 00:18:52,960

indian sign that they put to keep out

485

00:18:57,430 --> 00:18:54,240

you know warning

486

00:18:58,070 --> 00:18:57,440

the people to keep out of that area and

487

00:19:01,350 --> 00:18:58,080

i thought

488

00:19:02,310 --> 00:19:01,360

oh that's strange so i went out there

489

00:19:05,909 --> 00:19:02,320

several times

490

00:19:09,029 --> 00:19:05,919

after that and sometimes with friends

491

00:19:09,990 --> 00:19:09,039

um sometimes with my daughter and every

492

00:19:14,150 --> 00:19:10,000

time i would go out

493

00:19:17,990 --> 00:19:14,160

there um if something would happen

494

00:19:19,190 --> 00:19:18,000

but we really wouldn't realize that it

495

00:19:20,870 --> 00:19:19,200

was that normal or

496

00:19:23,350 --> 00:19:20,880

didn't really realize it was out of

497

00:19:24,070 --> 00:19:23,360

place for probably the next day or a

498

00:19:27,430 --> 00:19:24,080

couple days

499

00:19:29,510 --> 00:19:27,440

we started thinking about it like

500

00:19:30,950 --> 00:19:29,520

one time we went out there and you

501  
00:19:34,630 --> 00:19:30,960  
always had that

502  
00:19:36,549 --> 00:19:34,640  
that strange feeling and we heard water

503  
00:19:38,630 --> 00:19:36,559  
running a lot of water running just like

504  
00:19:41,750 --> 00:19:38,640  
we were right next to a river

505  
00:19:44,070 --> 00:19:41,760  
to the right or left of it and and so

506  
00:19:45,110 --> 00:19:44,080  
you know we started you know talking

507  
00:19:47,510 --> 00:19:45,120  
about

508  
00:19:49,270 --> 00:19:47,520  
you know why did we hear a river and

509  
00:19:51,750 --> 00:19:49,280  
then um

510  
00:19:53,110 --> 00:19:51,760  
always see strange lights slide around

511  
00:19:57,510 --> 00:19:53,120  
by the ranch area

512  
00:20:01,909 --> 00:19:57,520  
a lot of orb and a lot of strange lights

513  
00:20:04,630 --> 00:20:01,919

and so it was just really amazing that

514

00:20:05,669 --> 00:20:04,640

it was all these things happening but

515

00:20:08,070 --> 00:20:05,679

while you're there

516

00:20:09,669 --> 00:20:08,080

you don't realize the strangeness of it

517

00:20:14,070 --> 00:20:09,679

and i thought that was one of the

518

00:20:16,070 --> 00:20:14,080

most unique things about the ranch that

519

00:20:17,830 --> 00:20:16,080

you know it's almost like it's some kind

520

00:20:21,029 --> 00:20:17,840

of intelligence

521

00:20:23,110 --> 00:20:21,039

that is kind of tricking you i don't

522

00:20:25,750 --> 00:20:23,120

know if that's the right way to put it

523

00:20:27,669 --> 00:20:25,760

uh sure and and for our listeners um you

524

00:20:29,750 --> 00:20:27,679

keep mentioning the ranch and back then

525

00:20:30,950 --> 00:20:29,760

it was known as the old sherman ranch

526

00:20:33,990 --> 00:20:30,960

correct

527

00:20:35,750 --> 00:20:34,000

no

528

00:20:37,909 --> 00:20:35,760

that's okay because most of us we really

529

00:20:39,430 --> 00:20:37,919

do know but you know it's better to just

530

00:20:41,029 --> 00:20:39,440

kind of throw that out there that it is

531

00:20:42,950 --> 00:20:41,039

the old sherman place

532

00:20:44,630 --> 00:20:42,960

and and yeah sorry that's all i wanted

533

00:20:46,870 --> 00:20:44,640

to say go on

534

00:20:47,669 --> 00:20:46,880

and and i just wanted to check on one of

535

00:20:51,590 --> 00:20:47,679

the

536

00:20:52,630 --> 00:20:51,600

probably stranger things that happened

537

00:20:56,470 --> 00:20:52,640

and

538

00:20:59,669 --> 00:20:56,480

the best day it just just really really

539

00:21:01,029 --> 00:20:59,679

um it really scares me to think of what

540

00:21:04,310 --> 00:21:01,039

happened that night

541

00:21:05,909 --> 00:21:04,320

well i um i went out there with two

542

00:21:07,909 --> 00:21:05,919

one friend and then my daughter two

543

00:21:09,990 --> 00:21:07,919

other you know those two people

544

00:21:11,750 --> 00:21:10,000

and it was a really nice hot summer

545

00:21:14,870 --> 00:21:11,760

night there was always those nice

546

00:21:17,110 --> 00:21:14,880

hot summer nights in in you in the basin

547

00:21:18,230 --> 00:21:17,120

and so we went out there pulled right up

548

00:21:19,990 --> 00:21:18,240

to the gate

549

00:21:22,630 --> 00:21:20,000

and we got out we're kind of standing

550

00:21:24,549 --> 00:21:22,640

around um drinking our soda pop and just

551  
00:21:25,750 --> 00:21:24,559  
you know kind of talking and giggling

552  
00:21:29,110 --> 00:21:25,760  
and like

553  
00:21:30,710 --> 00:21:29,120  
girls do and then we started looking

554  
00:21:33,590 --> 00:21:30,720  
down the road

555  
00:21:34,549 --> 00:21:33,600  
towards the ranch and i saw this red

556  
00:21:37,750 --> 00:21:34,559  
light

557  
00:21:40,789 --> 00:21:37,760  
flashing on and off on and off

558  
00:21:42,830 --> 00:21:40,799  
up pretty high and i thought

559  
00:21:44,390 --> 00:21:42,840  
you know i said i wonder i got the

560  
00:21:49,750 --> 00:21:44,400  
camera

561  
00:21:53,270 --> 00:21:49,760  
and then right below it we started

562  
00:21:56,950 --> 00:21:53,280  
seeing like a green light flashing

563  
00:21:59,270 --> 00:21:56,960

and i thought what's going on you know i

564

00:21:59,990 --> 00:21:59,280

and i'm a very inquisitive person you

565

00:22:02,630 --> 00:22:00,000

know i

566

00:22:05,590 --> 00:22:02,640

it's the worst part of me i have

567

00:22:09,830 --> 00:22:05,600

probably no common sense or no fear

568

00:22:11,430 --> 00:22:09,840

but um so i told them i said i'm gonna

569

00:22:14,070 --> 00:22:11,440

crawl underneath the fence and i got a

570

00:22:16,470 --> 00:22:14,080

lot down there and i know this is

571

00:22:18,789 --> 00:22:16,480

against the line oh my goodness oh my

572

00:22:21,909 --> 00:22:18,799

goodness okay at that point

573

00:22:25,990 --> 00:22:21,919

um with the shermans i really don't well

574

00:22:28,149 --> 00:22:26,000

i guess it would still get vlogged

575

00:22:30,070 --> 00:22:28,159

so i'm walking down i wasn't afraid at

576

00:22:34,230 --> 00:22:30,080

all i wasn't

577

00:22:38,310 --> 00:22:34,240

walking at a fast pace i was just

578

00:22:40,390 --> 00:22:38,320

slowly walking down and but the minute i

579

00:22:44,070 --> 00:22:40,400

got onto the road it got

580

00:22:45,830 --> 00:22:44,080

extremely dark and that kind of bothered

581

00:22:47,990 --> 00:22:45,840

me

582

00:22:49,510 --> 00:22:48,000

so i had to watch it for a good five

583

00:22:51,270 --> 00:22:49,520

minutes and it

584

00:22:53,590 --> 00:22:51,280

didn't seem like i was really going

585

00:22:57,270 --> 00:22:53,600

anywhere

586

00:22:59,510 --> 00:22:57,280

and i you know it was just

587

00:23:00,789 --> 00:22:59,520

you know staying calm and not really

588

00:23:04,070 --> 00:23:00,799

concerned

589

00:23:05,270 --> 00:23:04,080

and then i started hearing something

590

00:23:09,190 --> 00:23:05,280

moving in the

591

00:23:11,990 --> 00:23:09,200

um brush the brush next to me

592

00:23:13,750 --> 00:23:12,000

and i thought it's cows so i wasn't

593

00:23:16,870 --> 00:23:13,760

still i wasn't concerned

594

00:23:19,430 --> 00:23:16,880

and so the more i bought that sound was

595

00:23:20,310 --> 00:23:19,440

kept getting louder and it was almost

596

00:23:22,310 --> 00:23:20,320

like it was

597

00:23:23,990 --> 00:23:22,320

following me going at the same pace i

598

00:23:26,070 --> 00:23:24,000

was i was looking at

599

00:23:27,830 --> 00:23:26,080

me and then i'm like okay i'm just

600

00:23:31,830 --> 00:23:27,840

walking a little bit more

601  
00:23:33,190 --> 00:23:31,840  
and and um i kept looking over and it

602  
00:23:36,310 --> 00:23:33,200  
kept looking at

603  
00:23:37,990 --> 00:23:36,320  
whatever it was was getting closer to me

604  
00:23:39,909 --> 00:23:38,000  
so i decided well i was going to turn

605  
00:23:41,510 --> 00:23:39,919  
around and go back

606  
00:23:43,669 --> 00:23:41,520  
so i turned around and just started

607  
00:23:46,630 --> 00:23:43,679  
walking again i wasn't

608  
00:23:48,470 --> 00:23:46,640  
you know told myself just to be calm but

609  
00:23:50,470 --> 00:23:48,480  
then i could just tell whatever it was

610  
00:23:52,310 --> 00:23:50,480  
was close to me

611  
00:23:54,390 --> 00:23:52,320  
and i was really in good shape at that

612  
00:23:55,830 --> 00:23:54,400  
time i used to drive plus manage a

613  
00:23:58,390 --> 00:23:55,840

restaurant

614

00:23:59,430 --> 00:23:58,400

so i started running at a pretty good

615

00:24:01,590 --> 00:23:59,440

pace

616

00:24:03,029 --> 00:24:01,600

and i could just feel that whatever it

617

00:24:06,549 --> 00:24:03,039

was

618

00:24:34,149 --> 00:24:06,559

i

619

00:24:36,630 --> 00:24:34,159

got to the gate

620

00:24:39,510 --> 00:24:36,640

the wind was blowing really really bad

621

00:24:41,430 --> 00:24:39,520

really super bad it was really dusty

622

00:24:43,830 --> 00:24:41,440

and my friends were standing there just

623

00:24:46,390 --> 00:24:43,840

really upset really hysterical as

624

00:24:49,110 --> 00:24:46,400

they're saying where have you been and

625

00:24:50,789 --> 00:24:49,120

at that point i really was thinking

626  
00:24:51,669 --> 00:24:50,799  
about anything and i crawled and took a

627  
00:24:55,190 --> 00:24:51,679  
date

628  
00:24:58,390 --> 00:24:55,200  
and i was shaky and my skin was just red

629  
00:25:01,510 --> 00:24:58,400  
i read her feet red and

630  
00:25:02,470 --> 00:25:01,520  
so um i got underneath there we talked

631  
00:25:05,669 --> 00:25:02,480  
for a minute

632  
00:25:08,310 --> 00:25:05,679  
and i said well let's get out of here so

633  
00:25:09,110 --> 00:25:08,320  
we got the car and then we start driving

634  
00:25:11,110 --> 00:25:09,120  
out

635  
00:25:12,710 --> 00:25:11,120  
and then here came the black dog the

636  
00:25:18,390 --> 00:25:12,720  
famous spot dog

637  
00:25:23,830 --> 00:25:21,830  
i mean it was really really scary i mean

638  
00:25:25,830 --> 00:25:23,840

he was doing everything he was

639

00:25:27,590 --> 00:25:25,840

jumping up on the windshield and and

640

00:25:27,990 --> 00:25:27,600

then at one point he got down there was

641

00:25:31,510 --> 00:25:28,000

jumping

642

00:25:34,950 --> 00:25:31,520

on the doors it was really really scary

643

00:25:37,110 --> 00:25:34,960

so we finally got to the end of the road

644

00:25:39,750 --> 00:25:37,120

the ranch road and instead of going to

645

00:25:42,710 --> 00:25:39,760

highway 40 for some reason we took

646

00:25:44,310 --> 00:25:42,720

the opposite way we remember this

647

00:25:47,590 --> 00:25:44,320

pathway into

648

00:25:48,630 --> 00:25:47,600

roosevelt and and it just seemed like it

649

00:25:51,750 --> 00:25:48,640

took us forever

650

00:25:53,269 --> 00:25:51,760

almost 40 minutes to get home so when i

651  
00:25:53,909 --> 00:25:53,279  
got home i went and looked in the mirror

652  
00:25:57,269 --> 00:25:53,919  
and i was

653  
00:26:01,029 --> 00:25:57,279  
totally red i had this huge

654  
00:26:03,350 --> 00:26:01,039  
red rash it was all over my body

655  
00:26:04,549 --> 00:26:03,360  
and i was told later that it was a

656  
00:26:07,909 --> 00:26:04,559  
radiation rash

657  
00:26:10,549 --> 00:26:07,919  
they thought and um i mean it took it

658  
00:26:14,549 --> 00:26:10,559  
probably two days before it actually

659  
00:26:16,470 --> 00:26:14,559  
went away and it was just

660  
00:26:18,549 --> 00:26:16,480  
it was just really really a scary

661  
00:26:20,070 --> 00:26:18,559  
evening and we didn't go back there

662  
00:26:22,310 --> 00:26:20,080  
probably for a week

663  
00:26:23,590 --> 00:26:22,320

and then finally when we decided to go

664

00:26:27,110 --> 00:26:23,600

back there

665

00:26:29,510 --> 00:26:27,120

we stood there and at the gate

666

00:26:32,149 --> 00:26:29,520

and it was a nice night again and then

667

00:26:35,110 --> 00:26:32,159

we kind of walked over by some trees

668

00:26:36,549 --> 00:26:35,120

and to the right of us and as far as you

669

00:26:39,590 --> 00:26:36,559

could go with that

670

00:26:42,789 --> 00:26:39,600

offense and then my friend who's a

671

00:26:45,430 --> 00:26:42,799

really serious person

672

00:26:46,710 --> 00:26:45,440

she started coming you know and i'm kind

673

00:26:48,310 --> 00:26:46,720

of looking at her

674

00:26:49,750 --> 00:26:48,320

and then she just started kind of

675

00:26:51,909 --> 00:26:49,760

singing the song

676  
00:26:54,070 --> 00:26:51,919  
and then i kind of started dancing and

677  
00:26:56,070 --> 00:26:54,080  
i'm like what are you doing oh weird

678  
00:26:57,590 --> 00:26:56,080  
so i just felt really happy and really

679  
00:27:00,630 --> 00:26:57,600  
calm and

680  
00:27:01,909 --> 00:27:00,640  
and and then you know kind of like what

681  
00:27:05,029 --> 00:27:01,919  
is going on

682  
00:27:08,470 --> 00:27:05,039  
and so finally i told myself go back to

683  
00:27:09,750 --> 00:27:08,480  
to the car and then she got was normal

684  
00:27:12,390 --> 00:27:09,760  
again and so

685  
00:27:15,269 --> 00:27:12,400  
we got the car and about to come home

686  
00:27:18,830 --> 00:27:15,279  
and then i started thinking

687  
00:27:21,830 --> 00:27:18,840  
of what that ranch is really playing

688  
00:27:24,310 --> 00:27:21,840

with online so that's honest truth

689

00:27:25,350 --> 00:27:24,320

i've decided that it really has some

690

00:27:29,909 --> 00:27:25,360

kind of

691

00:27:32,630 --> 00:27:29,919

it picks and choose jesus who wants to

692

00:27:34,070 --> 00:27:32,640

how can i put this who it wants to

693

00:27:37,190 --> 00:27:34,080

relate with

694

00:27:41,830 --> 00:27:37,200

and who it wants to

695

00:27:42,710 --> 00:27:41,840

to kind of you know have a relationship

696

00:27:45,669 --> 00:27:42,720

with i guess

697

00:27:46,950 --> 00:27:45,679

yeah and what you know it's it's it's

698

00:27:50,549 --> 00:27:46,960

kind of a living thing

699

00:27:52,470 --> 00:27:50,559

it acts like it sounds crazy but uh

700

00:27:53,750 --> 00:27:52,480

the land up there is sort of a living

701  
00:27:56,870 --> 00:27:53,760  
thing

702  
00:27:57,510 --> 00:27:56,880  
yes it's true and it controls you

703  
00:28:00,310 --> 00:27:57,520  
somehow

704  
00:28:00,789 --> 00:28:00,320  
it really does yes it's not some way of

705  
00:28:02,870 --> 00:28:00,799  
of

706  
00:28:04,950 --> 00:28:02,880  
making well i don't know if the right

707  
00:28:06,310 --> 00:28:04,960  
word is controlled and i'm not best at

708  
00:28:08,710 --> 00:28:06,320  
describing things sure

709  
00:28:10,470 --> 00:28:08,720  
but it has some kind of intelligence

710  
00:28:12,470 --> 00:28:10,480  
that can make you

711  
00:28:13,510 --> 00:28:12,480  
believe something powering and it may

712  
00:28:17,750 --> 00:28:13,520  
not be happening

713  
00:28:19,669 --> 00:28:17,760

or it can make you believe like they're

714

00:28:20,789 --> 00:28:19,679

a river where there's not a river you

715

00:28:23,830 --> 00:28:20,799

know it yeah

716

00:28:26,870 --> 00:28:23,840

it can make you think and believe

717

00:28:28,630 --> 00:28:26,880

um other things that that's really quite

718

00:28:30,389 --> 00:28:28,640

dangerous and after that

719

00:28:32,230 --> 00:28:30,399

um i didn't go out there for quite some

720

00:28:33,750 --> 00:28:32,240

time after that i was really quite

721

00:28:36,710 --> 00:28:33,760

concerned

722

00:28:37,269 --> 00:28:36,720

as i'm never going out there again so

723

00:28:42,149 --> 00:28:37,279

it's

724

00:28:43,029 --> 00:28:42,159

situation and i can see why you were

725

00:28:45,750 --> 00:28:43,039

concerned

726

00:28:46,389 --> 00:28:45,760

there's so many there's that that's

727

00:28:52,470 --> 00:28:46,399

quite a

728

00:28:52,870 --> 00:28:52,480

the area now back then christine i feel

729

00:28:54,310 --> 00:28:52,880

like

730

00:28:56,230 --> 00:28:54,320

you're just such a wealth of knowledge

731

00:28:58,310 --> 00:28:56,240

because you know

732

00:28:59,990 --> 00:28:58,320

it was magical back then it was so much

733

00:29:01,430 --> 00:29:00,000

different and

734

00:29:03,830 --> 00:29:01,440

like you said there was you could get

735

00:29:06,710 --> 00:29:03,840

right up in there uh

736

00:29:07,029 --> 00:29:06,720

the gate was probably fresh and new and

737

00:29:11,990 --> 00:29:07,039

and

738

00:29:15,110 --> 00:29:12,000

for for peop for our listeners ideas

739

00:29:16,070 --> 00:29:15,120

and back then it seemed like there was a

740

00:29:19,110 --> 00:29:16,080

lot of

741

00:29:21,510 --> 00:29:19,120

well work taking place up there and

742

00:29:22,950 --> 00:29:21,520

things going on and and it seemed like

743

00:29:24,789 --> 00:29:22,960

there was a lot of rumors that were

744

00:29:27,430 --> 00:29:24,799

unsubstantiated did you hear any of

745

00:29:30,630 --> 00:29:27,440

those or see any other sightings

746

00:29:31,830 --> 00:29:30,640

well i did after i finally realized what

747

00:29:34,710 --> 00:29:31,840

that place

748

00:29:35,350 --> 00:29:34,720

was and and started asking a lot of

749

00:29:39,830 --> 00:29:35,360

questions

750

00:29:40,310 --> 00:29:39,840

um one um convenient piece pizza had i

751  
00:29:42,310 --> 00:29:40,320  
you know

752  
00:29:43,990 --> 00:29:42,320  
had a crew and they started telling me

753  
00:29:45,269 --> 00:29:44,000  
some interesting things about the

754  
00:29:48,310 --> 00:29:45,279  
sherwins and

755  
00:29:50,310 --> 00:29:48,320  
and and other studies that um there was

756  
00:29:53,029 --> 00:29:50,320  
a lot of ufos fighting

757  
00:29:54,470 --> 00:29:53,039  
that you know my crew was all telling me

758  
00:29:57,350 --> 00:29:54,480  
about

759  
00:29:58,870 --> 00:29:57,360  
i'm nothing right now that stands out as

760  
00:30:01,990 --> 00:29:58,880  
anything different than

761  
00:30:03,830 --> 00:30:02,000  
you know a lot of lights in the sky um

762  
00:30:05,029 --> 00:30:03,840  
but there's a lot of strange things that

763  
00:30:08,070 --> 00:30:05,039

they tell me

764

00:30:11,590 --> 00:30:08,080

when the servants first moved into the

765

00:30:12,470 --> 00:30:11,600

um ranch in the house that there was a

766

00:30:16,630 --> 00:30:12,480

pack box

767

00:30:19,669 --> 00:30:16,640

in a and lots on each one of the doors

768

00:30:20,470 --> 00:30:19,679

you know that the bedrooms all had locks

769

00:30:23,750 --> 00:30:20,480

on them

770

00:30:25,590 --> 00:30:23,760

and they had to have in fact it was my

771

00:30:27,590 --> 00:30:25,600

husband that got caught up there

772

00:30:29,029 --> 00:30:27,600

they had to change out you know take out

773

00:30:31,590 --> 00:30:29,039

all the locks and

774

00:30:33,269 --> 00:30:31,600

and because there wasn't a way to open

775

00:30:34,630 --> 00:30:33,279

them so they went out then took all that

776

00:30:37,990 --> 00:30:34,640

stuff off of the doors

777

00:30:39,510 --> 00:30:38,000

sure and there was a lot of um things

778

00:30:42,870 --> 00:30:39,520

happening to them

779

00:30:44,470 --> 00:30:42,880

and mr sherman would always i think she

780

00:30:47,269 --> 00:30:44,480

worked at the bank

781

00:30:48,389 --> 00:30:47,279

and she was really really scared there

782

00:30:51,590 --> 00:30:48,399

was always

783

00:30:53,590 --> 00:30:51,600

scary things happening like

784

00:30:55,190 --> 00:30:53,600

she'd go in and put her groceries away

785

00:30:56,950 --> 00:30:55,200

and come out they were either put

786

00:31:00,549 --> 00:30:56,960

somewhere else or

787

00:31:03,190 --> 00:31:00,559

um different things like that

788

00:31:03,590 --> 00:31:03,200

they always had abnormal animals you

789

00:31:07,590 --> 00:31:03,600

know

790

00:31:09,909 --> 00:31:07,600

in their yard um and

791

00:31:12,549 --> 00:31:09,919

you know different noises at night and

792

00:31:15,750 --> 00:31:12,559

strange things like that happening

793

00:31:17,990 --> 00:31:15,760

yeah and it was just really really

794

00:31:19,750 --> 00:31:18,000

bizarre and one of the most interesting

795

00:31:22,549 --> 00:31:19,760

things if i had an

796

00:31:23,750 --> 00:31:22,559

indians working for me and i tried to

797

00:31:27,029 --> 00:31:23,760

talk to him about

798

00:31:29,509 --> 00:31:27,039

the ranch and they would not talk

799

00:31:30,070 --> 00:31:29,519

about it they would not say a word about

800

00:31:32,470 --> 00:31:30,080

it

801  
00:31:33,830 --> 00:31:32,480  
um they just said that they're not

802  
00:31:35,909 --> 00:31:33,840  
supposed to talk about it

803  
00:31:36,950 --> 00:31:35,919  
and they were actually and they were

804  
00:31:39,590 --> 00:31:36,960  
really

805  
00:31:40,710 --> 00:31:39,600  
talkative young kids that most part but

806  
00:31:43,509 --> 00:31:40,720  
they got really

807  
00:31:45,029 --> 00:31:43,519  
serious and really you know won't even

808  
00:31:48,549 --> 00:31:45,039  
talk about it

809  
00:31:51,190 --> 00:31:48,559  
so um and it is serious business

810  
00:31:52,389 --> 00:31:51,200  
it was just really really an interesting

811  
00:31:54,070 --> 00:31:52,399  
place

812  
00:31:56,070 --> 00:31:54,080  
and there was a lot of stories that i

813  
00:31:58,389 --> 00:31:56,080

heard but um

814

00:32:00,950 --> 00:31:58,399

a lot of them don't there was actually a

815

00:32:03,990 --> 00:32:00,960

really good ufo sighting i heard one

816

00:32:05,909 --> 00:32:04,000

that was um that

817

00:32:07,909 --> 00:32:05,919

involved a gentleman that worked at the

818

00:32:09,990 --> 00:32:07,919

high school uh-huh

819

00:32:12,710 --> 00:32:10,000

and i guess a lot of people actually

820

00:32:16,389 --> 00:32:12,720

junior hits that ufo fighting

821

00:32:19,830 --> 00:32:16,399

and lots of strange animal sightings

822

00:32:22,950 --> 00:32:19,840

um i had one in fact i was growing up

823

00:32:25,110 --> 00:32:22,960

like early in the morning and i was

824

00:32:26,230 --> 00:32:25,120

going down the highway at highway 40 and

825

00:32:29,269 --> 00:32:26,240

i saw two large

826

00:32:30,789 --> 00:32:29,279

dogs on the long side of the road and so

827

00:32:32,870 --> 00:32:30,799

i kind of throw it down because i didn't

828

00:32:34,549 --> 00:32:32,880

want them to run out in front of me

829

00:32:36,549 --> 00:32:34,559

and they didn't have tails they were

830

00:32:39,029 --> 00:32:36,559

really shaggy

831

00:32:40,789 --> 00:32:39,039

horrible looking animals and they were

832

00:32:42,470 --> 00:32:40,799

eating roadkill

833

00:32:44,230 --> 00:32:42,480

and then the first thing that i thought

834

00:32:47,029 --> 00:32:44,240

it was they were hyenas

835

00:32:48,070 --> 00:32:47,039

and i was like i didn't know you i had

836

00:32:50,070 --> 00:32:48,080

hyenas

837

00:32:51,909 --> 00:32:50,080

and so when i got to stop bike i was

838

00:32:54,389 --> 00:32:51,919

actually ready with my brother and i

839

00:32:55,029 --> 00:32:54,399

told him about it and he goes you're

840

00:32:58,230 --> 00:32:55,039

crazy

841

00:33:01,269 --> 00:32:58,240

there's no hyenas in utah and

842

00:33:04,549 --> 00:33:01,279

um so and different things like

843

00:33:06,549 --> 00:33:04,559

um we would see fireflies out at the

844

00:33:09,190 --> 00:33:06,559

ranch and there's not fireflies

845

00:33:12,070 --> 00:33:09,200

in utah and just a lot of different

846

00:33:15,509 --> 00:33:12,080

little things like that are just really

847

00:33:16,630 --> 00:33:15,519

really strange yeah there's a lot of

848

00:33:19,110 --> 00:33:16,640

them

849

00:33:20,710 --> 00:33:19,120

and let me ask you christine the lights

850

00:33:22,549 --> 00:33:20,720

you mentioned lights in the sky do you

851  
00:33:24,870 --> 00:33:22,559  
remember the colors were they red blue

852  
00:33:28,149 --> 00:33:24,880  
or green

853  
00:33:29,269 --> 00:33:28,159  
or was there another one the one night

854  
00:33:31,909 --> 00:33:29,279  
that we saw

855  
00:33:32,950 --> 00:33:31,919  
the lights in the sky and they were they

856  
00:33:34,950 --> 00:33:32,960  
were like

857  
00:33:36,149 --> 00:33:34,960  
really the ones that we'd already see

858  
00:33:39,190 --> 00:33:36,159  
would be bright

859  
00:33:42,149 --> 00:33:39,200  
really bright um white color

860  
00:33:44,149 --> 00:33:42,159  
in the middle and they kind of had

861  
00:33:45,669 --> 00:33:44,159  
lights that would circle

862  
00:33:47,590 --> 00:33:45,679  
well it looks like blood you know they

863  
00:33:48,549 --> 00:33:47,600

see the one half of the circle but

864

00:33:50,789 --> 00:33:48,559

almost like light

865

00:33:51,590 --> 00:33:50,799

would be covering all the way around a

866

00:33:54,549 --> 00:33:51,600

circle

867

00:33:57,110 --> 00:33:54,559

and they would be green and blue and it

868

00:33:59,029 --> 00:33:57,120

looked like they were almost

869

00:34:00,389 --> 00:33:59,039

off pattern like the one green light

870

00:34:02,389 --> 00:34:00,399

wouldn't stay green it would

871

00:34:05,830 --> 00:34:02,399

it would go green and red and yellow and

872

00:34:09,669 --> 00:34:05,840

they're all kind of different like that

873

00:34:12,710 --> 00:34:09,679

um that we saw a lot of lights

874

00:34:14,389 --> 00:34:12,720

um right now we saw a lot of of times

875

00:34:17,750 --> 00:34:14,399

just sitting out there looking

876

00:34:19,750 --> 00:34:17,760

by um lots of

877

00:34:22,069 --> 00:34:19,760

big bright lights going in different

878

00:34:25,030 --> 00:34:22,079

patterns which really

879

00:34:25,589 --> 00:34:25,040

can't be a star can't be a helicopter

880

00:34:34,550 --> 00:34:25,599

and

881

00:34:35,990 --> 00:34:34,560

things like that constantly happening

882

00:34:37,750 --> 00:34:36,000

when we went out there

883

00:34:40,629 --> 00:34:37,760

and another thing that was always really

884

00:34:43,990 --> 00:34:40,639

amazing about going out there at night

885

00:34:49,109 --> 00:34:44,000

is it was so

886

00:34:50,710 --> 00:34:49,119

the sky was so um intense

887

00:34:53,030 --> 00:34:50,720

it was like you were looking at

888

00:34:54,950 --> 00:34:53,040

everything into a telescope

889

00:34:56,790 --> 00:34:54,960

yeah you know it was just really if all

890

00:34:59,190 --> 00:34:56,800

the stars were really bright and

891

00:35:01,750 --> 00:34:59,200

it was just really dark and um it was

892

00:35:04,950 --> 00:35:01,760

just amazing how you could see

893

00:35:05,910 --> 00:35:04,960

such clarity of the of the skies when

894

00:35:07,750 --> 00:35:05,920

you're out there

895

00:35:10,230 --> 00:35:07,760

because when i was at home you know

896

00:35:13,270 --> 00:35:10,240

probably about 15 miles away

897

00:35:16,470 --> 00:35:13,280

i definitely did feel like that yes

898

00:35:19,349 --> 00:35:16,480

yes i wanted to ask you as well another

899

00:35:22,870 --> 00:35:19,359

question that was quite common back then

900

00:35:23,430 --> 00:35:22,880

um is these well for lack of a better

901  
00:35:25,990 --> 00:35:23,440  
word

902  
00:35:27,750 --> 00:35:26,000  
shapeshifters were shape-shifting did

903  
00:35:29,270 --> 00:35:27,760  
you ever talk to anybody that may have

904  
00:35:33,190 --> 00:35:29,280  
seen a dog-like

905  
00:35:36,550 --> 00:35:33,200  
creature on their hind legs yeah

906  
00:35:39,589 --> 00:35:36,560  
wow and that made that is one of the

907  
00:35:43,030 --> 00:35:39,599  
boys that worked for me that was um

908  
00:35:46,310 --> 00:35:43,040  
with her tribal um he actually

909  
00:35:48,790 --> 00:35:46,320  
told me about the shapeshifters and

910  
00:35:50,390 --> 00:35:48,800  
and that you know and at first i really

911  
00:35:51,270 --> 00:35:50,400  
had never heard that much about him

912  
00:35:52,950 --> 00:35:51,280  
before

913  
00:35:54,710 --> 00:35:52,960

and i was kind of laughing at him you

914

00:35:57,030 --> 00:35:54,720

know i go oh come on and

915

00:35:59,670 --> 00:35:57,040

and he would was just really pale and he

916

00:36:01,990 --> 00:35:59,680

says you know i guess they believe

917

00:36:03,589 --> 00:36:02,000

that if you talk about them they'll

918

00:36:06,790 --> 00:36:03,599

they'll come for you

919

00:36:09,829 --> 00:36:06,800

yes um and

920

00:36:10,150 --> 00:36:09,839

they're just really really afraid of

921

00:36:12,310 --> 00:36:10,160

them

922

00:36:13,430 --> 00:36:12,320

and and i've heard a lot of people do

923

00:36:16,710 --> 00:36:13,440

see a lot of

924

00:36:18,710 --> 00:36:16,720

of different um you know

925

00:36:19,829 --> 00:36:18,720

people walking around that roads at

926  
00:36:22,550 --> 00:36:19,839  
night

927  
00:36:25,190 --> 00:36:22,560  
and and then they just kind of like

928  
00:36:27,030 --> 00:36:25,200  
disappeared and run off really fast

929  
00:36:28,470 --> 00:36:27,040  
and so they have you know a lot of

930  
00:36:31,190 --> 00:36:28,480  
stories about

931  
00:36:32,790 --> 00:36:31,200  
the shapeshifters so that was a scary

932  
00:36:35,589 --> 00:36:32,800  
thing also

933  
00:36:38,710 --> 00:36:35,599  
how interesting some things never change

934  
00:36:42,230 --> 00:36:38,720  
so some of the things stay the same

935  
00:36:44,550 --> 00:36:42,240  
yes it was it was an amazing time it

936  
00:36:47,270 --> 00:36:44,560  
really really was i

937  
00:36:49,109 --> 00:36:47,280  
um i was really upset with myself that i

938  
00:36:51,589 --> 00:36:49,119

moved because that's what it seemed like

939

00:36:54,470 --> 00:36:51,599

everything became

940

00:36:55,589 --> 00:36:54,480

really you know everybody was talking

941

00:36:57,750 --> 00:36:55,599

about it and

942

00:36:58,710 --> 00:36:57,760

really becoming interesting and you know

943

00:37:02,710 --> 00:36:58,720

interested in

944

00:37:07,190 --> 00:37:02,720

about it and i'm like um yeah

945

00:37:10,630 --> 00:37:07,200

but you know it's just an amazing area

946

00:37:13,349 --> 00:37:10,640

the whole area really really is and yeah

947

00:37:14,950 --> 00:37:13,359

there's you know there's so many tales

948

00:37:17,829 --> 00:37:14,960

and stories but there's a lot of

949

00:37:19,190 --> 00:37:17,839

uh you know people try to make it into a

950

00:37:21,030 --> 00:37:19,200

myth but there's a lot of

951  
00:37:22,630 --> 00:37:21,040  
reality there as you mentioned the

952  
00:37:24,069 --> 00:37:22,640  
native american employees of yours

953  
00:37:27,109 --> 00:37:24,079  
really didn't want to go there

954  
00:37:29,190 --> 00:37:27,119  
and with good reason i mean this is like

955  
00:37:29,910 --> 00:37:29,200  
engaging in spiritual warfare when it's

956  
00:37:32,150 --> 00:37:29,920  
not needed

957  
00:37:34,310 --> 00:37:32,160  
and if you're around a place like that

958  
00:37:37,430 --> 00:37:34,320  
bad things can happen and you can get

959  
00:37:38,710 --> 00:37:37,440  
kind of bad things attached to you yes

960  
00:37:40,630 --> 00:37:38,720  
it's true

961  
00:37:42,310 --> 00:37:40,640  
and i have to keep going back to the

962  
00:37:44,790 --> 00:37:42,320  
black dog brian

963  
00:37:45,750 --> 00:37:44,800

was that a shapeshifter maybe you know

964

00:37:52,230 --> 00:37:45,760

what

965

00:37:54,790 --> 00:37:52,240

black dog you know that dog actually

966

00:37:55,990 --> 00:37:54,800

had you know it didn't really have such

967

00:37:59,589 --> 00:37:56,000

a problem with me

968

00:38:01,829 --> 00:37:59,599

entering the ranch but never wanted me

969

00:38:05,190 --> 00:38:01,839

to leave you know it really

970

00:38:07,190 --> 00:38:05,200

would get you know crazy when

971

00:38:08,230 --> 00:38:07,200

uh i every night that i go to leave

972

00:38:11,990 --> 00:38:08,240

there he would just

973

00:38:14,230 --> 00:38:12,000

he ever just go nuts so and i know that

974

00:38:16,230 --> 00:38:14,240

a lot of dogs are like that anyway

975

00:38:17,670 --> 00:38:16,240

you know they're protecting their home

976

00:38:20,550 --> 00:38:17,680

but this dog was just

977

00:38:21,589 --> 00:38:20,560

quite quite different you could tell

978

00:38:26,710 --> 00:38:21,599

that

979

00:38:29,190 --> 00:38:26,720

when i went under stance um

980

00:38:30,230 --> 00:38:29,200

you know he really didn't want me to to

981

00:38:33,589 --> 00:38:30,240

leave that night

982

00:38:35,349 --> 00:38:33,599

and then i didn't tell you the biggest

983

00:38:36,630 --> 00:38:35,359

factor that was strange about when i

984

00:38:38,870 --> 00:38:36,640

went under the fence

985

00:38:40,310 --> 00:38:38,880

my friend said i was gone for an hour

986

00:38:43,109 --> 00:38:40,320

and a half

987

00:38:44,390 --> 00:38:43,119

you since i felt like it's gone maybe 15

988

00:38:47,510 --> 00:38:44,400

to 20 minutes

989

00:38:50,069 --> 00:38:47,520

now that really scared me so you lost

990

00:38:51,349 --> 00:38:50,079

you you lost a little you lost a little

991

00:38:57,430 --> 00:38:51,359

time

992

00:38:58,390 --> 00:38:57,440

and to me it was just you know i went

993

00:39:01,670 --> 00:38:58,400

for a little talk

994

00:39:04,630 --> 00:39:01,680

and and got scared when i saw the

995

00:39:06,630 --> 00:39:04,640

you know the eyes and tried to be brave

996

00:39:09,510 --> 00:39:06,640

and kept going and then

997

00:39:11,829 --> 00:39:09,520

i turned around and i mean i was running

998

00:39:13,349 --> 00:39:11,839

pretty fast you know because i could

999

00:39:15,910 --> 00:39:13,359

you know feel that something was

1000

00:39:19,990 --> 00:39:15,920

following me and tracing me

1001  
00:39:20,950 --> 00:39:20,000  
sure that situation you had with the

1002  
00:39:23,829 --> 00:39:20,960  
running too

1003  
00:39:25,750 --> 00:39:23,839  
that has been um that particular

1004  
00:39:27,510 --> 00:39:25,760  
circumstance where you feel like you are

1005  
00:39:29,430 --> 00:39:27,520  
running but not on a treadmill like

1006  
00:39:32,790 --> 00:39:29,440  
you're not going anywhere

1007  
00:39:38,150 --> 00:39:32,800  
yeah horrible feeling it really was

1008  
00:39:43,910 --> 00:39:41,270  
yeah and i had a lot of

1009  
00:39:44,710 --> 00:39:43,920  
bad dreams and you know and it was

1010  
00:39:47,270 --> 00:39:44,720  
almost

1011  
00:39:49,670 --> 00:39:47,280  
and i've i've had a lot of people in

1012  
00:39:52,390 --> 00:39:49,680  
that area tell me this too that

1013  
00:39:53,510 --> 00:39:52,400

when they've experienced something out

1014

00:39:56,870 --> 00:39:53,520

it's almost like

1015

00:39:58,630 --> 00:39:56,880

it it's drawing you it's something

1016

00:40:01,750 --> 00:39:58,640

that's always telling you to come back

1017

00:40:04,150 --> 00:40:01,760

you know um something's always trying to

1018

00:40:05,030 --> 00:40:04,160

draw you know draw you back there but

1019

00:40:06,710 --> 00:40:05,040

like you have

1020

00:40:08,309 --> 00:40:06,720

you've got there's some purpose that you

1021

00:40:11,510 --> 00:40:08,319

need to go back there

1022

00:40:13,589 --> 00:40:11,520

and so i think that's interesting too

1023

00:40:17,990 --> 00:40:13,599

very interesting like it almost kind of

1024

00:40:21,190 --> 00:40:20,470

and chris a lot of people yeah a lot

1025

00:40:24,390 --> 00:40:21,200

like you said

1026

00:40:26,150 --> 00:40:24,400

many many and christine the um the

1027

00:40:27,829 --> 00:40:26,160

strangest thing about that that

1028

00:40:30,630 --> 00:40:27,839

situation where you were running

1029

00:40:32,069 --> 00:40:30,640

and you felt like you didn't make up any

1030

00:40:34,230 --> 00:40:32,079

space or room or

1031

00:40:35,270 --> 00:40:34,240

you didn't make up any time could your

1032

00:40:38,870 --> 00:40:35,280

friends see you

1033

00:40:40,870 --> 00:40:38,880

as you were running no they said that

1034

00:40:42,950 --> 00:40:40,880

the minute i got under the gate well

1035

00:40:45,990 --> 00:40:42,960

they said it was probably

1036

00:40:48,470 --> 00:40:46,000

you know about 30 seconds i called

1037

00:40:49,510 --> 00:40:48,480

under the gate and then they said they

1038

00:40:51,829 --> 00:40:49,520

could see me

1039

00:40:53,910 --> 00:40:51,839

and the minute i got under the gate it's

1040

00:40:56,950 --> 00:40:53,920

probably about 30 seconds they said

1041

00:40:59,270 --> 00:40:56,960

the wind started going really hard and

1042

00:41:01,270 --> 00:40:59,280

you know it's quite dusty out there the

1043

00:41:02,230 --> 00:41:01,280

dust was bad so they just wouldn't get

1044

00:41:05,349 --> 00:41:02,240

in the car

1045

00:41:07,270 --> 00:41:05,359

you know sure but now they could see me

1046

00:41:08,790 --> 00:41:07,280

yeah they said that they didn't see me

1047

00:41:13,190 --> 00:41:08,800

till i was just right there

1048

00:41:16,470 --> 00:41:13,200

after they you know wow

1049

00:41:19,910 --> 00:41:16,480

so unbelievable

1050

00:41:20,390 --> 00:41:19,920

and yeah you mentioned um when you did

1051

00:41:23,589 --> 00:41:20,400

see

1052

00:41:25,190 --> 00:41:23,599

how can i

1053

00:41:26,790 --> 00:41:25,200

that there used to be vehicles of a

1054

00:41:28,390 --> 00:41:26,800

certain type and like you said there was

1055

00:41:29,990 --> 00:41:28,400

a squadron of them

1056

00:41:33,030 --> 00:41:30,000

where do you think all these vehicles

1057

00:41:41,270 --> 00:41:36,710

yeah that that's true you know i

1058

00:41:44,710 --> 00:41:41,280

and i i can't because you don't see

1059

00:41:48,470 --> 00:41:44,720

those kind of vehicles in

1060

00:41:52,230 --> 00:41:48,480

the roosevelt area you know right um

1061

00:41:54,790 --> 00:41:52,240

you know a lot of them are farmers and

1062

00:41:56,230 --> 00:41:54,800

you know you just don't see cars like

1063

00:41:57,430 --> 00:41:56,240

that you don't see ten brand new

1064

00:41:59,910 --> 00:41:57,440

escalades in a row

1065

00:42:01,349 --> 00:41:59,920

yeah and like trucks you know the

1066

00:42:04,630 --> 00:42:01,359

flatbeds

1067

00:42:07,270 --> 00:42:04,640

so they had to be somewhere and

1068

00:42:09,910 --> 00:42:07,280

and then to come there in a hurry about

1069

00:42:12,630 --> 00:42:09,920

that that was just really interesting

1070

00:42:13,750 --> 00:42:12,640

it is interesting and if you know the

1071

00:42:16,550 --> 00:42:13,760

other interesting thing is

1072

00:42:17,670 --> 00:42:16,560

there has been according to what i

1073

00:42:19,990 --> 00:42:17,680

understand

1074

00:42:21,430 --> 00:42:20,000

i do believe that i have tracked down

1075

00:42:23,430 --> 00:42:21,440

the suicide that

1076  
00:42:25,270 --> 00:42:23,440  
may have been but you know there's a

1077  
00:42:27,990 --> 00:42:25,280  
little bit of a time discrepancy

1078  
00:42:30,150 --> 00:42:28,000  
but there was a gentleman who did a

1079  
00:42:31,990 --> 00:42:30,160  
native american

1080  
00:42:33,349 --> 00:42:32,000  
actually kind of an adolescent i don't

1081  
00:42:34,230 --> 00:42:33,359  
want to call him a man because he was a

1082  
00:42:37,190 --> 00:42:34,240  
little younger

1083  
00:42:38,309 --> 00:42:37,200  
and it looks like he did you did commit

1084  
00:42:39,589 --> 00:42:38,319  
suicide but there

1085  
00:42:41,750 --> 00:42:39,599  
there's a lot of strange stuff that

1086  
00:42:42,150 --> 00:42:41,760  
happens in that area and a lot of people

1087  
00:42:45,349 --> 00:42:42,160  
have

1088  
00:42:46,150 --> 00:42:45,359

health consequences mental issues mental

1089

00:42:48,309 --> 00:42:46,160

health issues

1090

00:42:52,069 --> 00:42:48,319

addiction issues have you heard or seen

1091

00:42:58,470 --> 00:42:56,470

i saw a lot of mental health issues

1092

00:42:59,910 --> 00:42:58,480

especially the ones that were coming in

1093

00:43:02,790 --> 00:42:59,920

to pizza hut

1094

00:43:03,990 --> 00:43:02,800

and a lot of them did have mental health

1095

00:43:07,910 --> 00:43:04,000

issues in

1096

00:43:11,510 --> 00:43:07,920

and so i i agree that

1097

00:43:14,710 --> 00:43:11,520

probably one of the has a more

1098

00:43:15,829 --> 00:43:14,720

side effect yeah who knows it has a lot

1099

00:43:18,870 --> 00:43:15,839

more of the mental

1100

00:43:21,109 --> 00:43:18,880

and health issues and i don't really

1101

00:43:23,910 --> 00:43:21,119

hear of too many suicides but

1102

00:43:26,710 --> 00:43:23,920

a lot of the people are or have

1103

00:43:30,390 --> 00:43:26,720

addictions to alcohol or to drugs

1104

00:43:33,270 --> 00:43:30,400

and sure and you know they were

1105

00:43:33,670 --> 00:43:33,280

and and there's really not the case and

1106

00:43:38,550 --> 00:43:33,680

there's

1107

00:43:40,710 --> 00:43:38,560

too i mean it kind of seems like it's a

1108

00:43:42,870 --> 00:43:40,720

proximity or maybe a symptom

1109

00:43:44,309 --> 00:43:42,880

of some of these harsh energies and i

1110

00:43:47,190 --> 00:43:44,319

don't want to go out on a limb

1111

00:43:47,750 --> 00:43:47,200

and say that that's what it is but there

1112

00:43:51,829 --> 00:43:47,760

are

1113

00:43:54,390 --> 00:43:51,839

a lot of instances of odd medical stuff

1114

00:43:55,670 --> 00:43:54,400

there was a very interesting report that

1115

00:43:58,630 --> 00:43:55,680

came out

1116

00:43:59,510 --> 00:43:58,640

that mentioned the high rate of

1117

00:44:00,950 --> 00:43:59,520

stillbirths

1118

00:44:02,790 --> 00:44:00,960

in the basin and i thought that was

1119

00:44:06,069 --> 00:44:02,800

pretty horrifying

1120

00:44:06,790 --> 00:44:06,079

yeah yes i heard of that too that is

1121

00:44:10,230 --> 00:44:06,800

horrifying

1122

00:44:10,790 --> 00:44:10,240

it is did you ever uh talk to any oil

1123

00:44:11,910 --> 00:44:10,800

workers

1124

00:44:13,829 --> 00:44:11,920

you know cause you figure the oil

1125

00:44:15,430 --> 00:44:13,839

workers are kind of out on those roads

1126

00:44:18,150 --> 00:44:15,440

all night did you ever hear any stories

1127

00:44:25,750 --> 00:44:22,390

oh i remember

1128

00:44:28,630 --> 00:44:25,760

talking to a few of them and

1129

00:44:30,470 --> 00:44:28,640

it was more that's the same story seeing

1130

00:44:33,670 --> 00:44:30,480

strange flights in the sky

1131

00:44:37,109 --> 00:44:33,680

and and and that sort of thing

1132

00:44:40,069 --> 00:44:37,119

that that would be the only story that i

1133

00:44:42,550 --> 00:44:40,079

you know really ever heard them talking

1134

00:44:45,510 --> 00:44:42,560

about and really didn't have

1135

00:44:46,950 --> 00:44:45,520

very many stories about all the

1136

00:44:48,870 --> 00:44:46,960

different things that happened

1137

00:44:50,309 --> 00:44:48,880

on the ranch like the cavalier

1138

00:44:53,190 --> 00:44:50,319

mutilations and

1139

00:44:53,910 --> 00:44:53,200

the tripster things that would always

1140

00:44:57,430 --> 00:44:53,920

happen

1141

00:45:00,069 --> 00:44:57,440

um there so

1142

00:45:01,430 --> 00:45:00,079

were there really nothing to tell you as

1143

00:45:03,910 --> 00:45:01,440

far as that goes it is

1144

00:45:06,309 --> 00:45:03,920

something that you know as to see you at

1145

00:45:09,990 --> 00:45:06,319

both

1146

00:45:12,550 --> 00:45:10,000

how cool and there's back then

1147

00:45:13,349 --> 00:45:12,560

and i don't know if this has changed

1148

00:45:16,230 --> 00:45:13,359

much or not

1149

00:45:17,990 --> 00:45:16,240

but if i'm not mistaken back then the

1150

00:45:19,750 --> 00:45:18,000

ute tribe had that whole

1151  
00:45:21,829 --> 00:45:19,760  
bottle hollow it was brand new that

1152  
00:45:25,589 --> 00:45:21,839  
whole complex was brand new

1153  
00:45:30,150 --> 00:45:28,550  
yeah yeah it was all really new and

1154  
00:45:31,510 --> 00:45:30,160  
really nice and it just

1155  
00:45:33,990 --> 00:45:31,520  
built that really nice little

1156  
00:45:35,670 --> 00:45:34,000  
convenience store gas station

1157  
00:45:37,190 --> 00:45:35,680  
wasn't that a stunner that was so

1158  
00:45:37,589 --> 00:45:37,200  
gorgeous when it was all brand new i

1159  
00:45:38,950 --> 00:45:37,599  
can't

1160  
00:45:40,870 --> 00:45:38,960  
you know and they're bringing it back

1161  
00:45:42,069 --> 00:45:40,880  
they've actually it looks really nice

1162  
00:45:45,109 --> 00:45:42,079  
again

1163  
00:45:47,910 --> 00:45:45,119

oh i need to go back outside yeah

1164

00:45:48,550 --> 00:45:47,920

i haven't been out since i came back to

1165

00:45:51,670 --> 00:45:48,560

utah

1166

00:45:53,589 --> 00:45:51,680

i drove out just once to vernal

1167

00:45:54,870 --> 00:45:53,599

to visit a friend and it was just a

1168

00:45:57,270 --> 00:45:54,880

one-day thing

1169

00:45:59,030 --> 00:45:57,280

and it was i didn't notice much when i

1170

00:45:59,990 --> 00:45:59,040

went through there and for some reason i

1171

00:46:02,870 --> 00:46:00,000

didn't look at it when

1172

00:46:03,510 --> 00:46:02,880

i came back so i i want to go out and

1173

00:46:06,309 --> 00:46:03,520

see

1174

00:46:07,910 --> 00:46:06,319

the whole area again yeah and it is the

1175

00:46:10,230 --> 00:46:07,920

whole area because some of the

1176  
00:46:12,630 --> 00:46:10,240  
you know the towns nearby like price and

1177  
00:46:15,670 --> 00:46:12,640  
green river they have their own stories

1178  
00:46:16,710 --> 00:46:15,680  
and green river i heard some pretty wild

1179  
00:46:18,390 --> 00:46:16,720  
stories about some

1180  
00:46:21,589 --> 00:46:18,400  
strange stuff down there have did you

1181  
00:46:24,150 --> 00:46:21,599  
ever hear anything from that area

1182  
00:46:24,870 --> 00:46:24,160  
no no i never heard anything from that

1183  
00:46:26,630 --> 00:46:24,880  
area

1184  
00:46:28,470 --> 00:46:26,640  
well i'll tell you the one that this is

1185  
00:46:29,109 --> 00:46:28,480  
weird i'll tell you the one that i was

1186  
00:46:31,109 --> 00:46:29,119  
told by

1187  
00:46:32,870 --> 00:46:31,119  
a local i went down there looking for

1188  
00:46:35,750 --> 00:46:32,880

well they have an old

1189

00:46:36,790 --> 00:46:35,760

it was uh an applications base of some

1190

00:46:39,030 --> 00:46:36,800

sort uh

1191

00:46:40,230 --> 00:46:39,040

with military devices but i can't you

1192

00:46:42,550 --> 00:46:40,240

know it was like a missile

1193

00:46:44,470 --> 00:46:42,560

silo i believe maybe maybe a launch site

1194

00:46:47,750 --> 00:46:44,480

but nothing nothing extreme

1195

00:46:49,510 --> 00:46:47,760

and they anyway a lot of people have

1196

00:46:51,510 --> 00:46:49,520

gone out and looked at it since popular

1197

00:46:53,510 --> 00:46:51,520

mechanics came out with a

1198

00:46:54,870 --> 00:46:53,520

article saying it was the quote-unquote

1199

00:46:57,270 --> 00:46:54,880

new area 51

1200

00:46:58,470 --> 00:46:57,280

which it isn't but a lot of people went

1201

00:47:02,390 --> 00:46:58,480

out and looked at it

1202

00:47:05,510 --> 00:47:02,400

and i guess while this was happening

1203

00:47:07,510 --> 00:47:05,520

some strange kind of mib figures

1204

00:47:09,109 --> 00:47:07,520

started popping up as the droves of

1205

00:47:12,230 --> 00:47:09,119

people came in

1206

00:47:12,630 --> 00:47:12,240

and i remember a story i want to say it

1207

00:47:15,510 --> 00:47:12,640

was

1208

00:47:16,470 --> 00:47:15,520

uh they were in an older 50s or 60s car

1209

00:47:18,950 --> 00:47:16,480

the the woman

1210

00:47:19,990 --> 00:47:18,960

had a big beehive hairdo and the guy had

1211

00:47:23,270 --> 00:47:20,000

the you know the

1212

00:47:25,190 --> 00:47:23,280

mib dark glasses and the fedora cap and

1213

00:47:27,270 --> 00:47:25,200

the white shirt with the black tie

1214

00:47:28,790 --> 00:47:27,280

and i think there was one in the back

1215

00:47:30,390 --> 00:47:28,800

that was dressed the same

1216

00:47:32,710 --> 00:47:30,400

and everybody just thought it was kind

1217

00:47:33,670 --> 00:47:32,720

of the you know the way they were and

1218

00:47:36,230 --> 00:47:33,680

there was nothing

1219

00:47:38,069 --> 00:47:36,240

interesting but apparently the woman at

1220

00:47:38,870 --> 00:47:38,079

some point and this was viewed by a few

1221

00:47:41,190 --> 00:47:38,880

people

1222

00:47:43,589 --> 00:47:41,200

she started to kind of short circuit or

1223

00:47:46,549 --> 00:47:43,599

act strange or robotic or

1224

00:47:48,150 --> 00:47:46,559

i don't know and i guess they got the

1225

00:47:50,549 --> 00:47:48,160

heck out of there when that happened

1226  
00:47:52,150 --> 00:47:50,559  
these uh these three mib types when one

1227  
00:47:53,910 --> 00:47:52,160  
of them started to have a breakdown they

1228  
00:47:54,630 --> 00:47:53,920  
left but they were asking people where

1229  
00:47:55,829 --> 00:47:54,640  
they were from

1230  
00:47:57,670 --> 00:47:55,839  
why they were there what they were

1231  
00:48:00,309 --> 00:47:57,680  
looking at and um

1232  
00:48:02,230 --> 00:48:00,319  
did were there ever any mib type stories

1233  
00:48:04,710 --> 00:48:02,240  
from the basin

1234  
00:48:06,470 --> 00:48:04,720  
i'm glad to get to that because i didn't

1235  
00:48:09,750 --> 00:48:06,480  
can tell you that about

1236  
00:48:13,510 --> 00:48:09,760  
um at the beginning how we were talking

1237  
00:48:17,910 --> 00:48:13,520  
about the gentleman the rich gentleman

1238  
00:48:20,069 --> 00:48:17,920

okay um he actually had it wasn't a lady

1239

00:48:22,950 --> 00:48:20,079

but he'd actually have two

1240

00:48:24,630 --> 00:48:22,960

um men and black type looking guys that

1241

00:48:27,670 --> 00:48:24,640

would visit the office

1242

00:48:29,750 --> 00:48:27,680

um probably on at least three occasions

1243

00:48:30,790 --> 00:48:29,760

they would come in and and one of them

1244

00:48:32,470 --> 00:48:30,800

actually would have

1245

00:48:34,870 --> 00:48:32,480

and this i know it sounds always

1246

00:48:37,109 --> 00:48:34,880

developed that but i'm telling the truth

1247

00:48:38,069 --> 00:48:37,119

one would have a briefcase you know it

1248

00:48:41,750 --> 00:48:38,079

would actually

1249

00:48:44,790 --> 00:48:41,760

be changed with arms you know

1250

00:48:45,750 --> 00:48:44,800

yeah here i am just a little secretary

1251  
00:48:47,990 --> 00:48:45,760  
looking at

1252  
00:48:49,829 --> 00:48:48,000  
you know what's going on and i'm so

1253  
00:48:53,109 --> 00:48:49,839  
curious you know and i'm

1254  
00:48:55,349 --> 00:48:53,119  
like always asking so many questions but

1255  
00:48:57,270 --> 00:48:55,359  
and but they would go back into this

1256  
00:49:00,150 --> 00:48:57,280  
office shut the door

1257  
00:49:01,990 --> 00:49:00,160  
and um they would come out and they they

1258  
00:49:03,670 --> 00:49:02,000  
just almost looked like robots you know

1259  
00:49:05,349 --> 00:49:03,680  
they wouldn't they didn't look at me

1260  
00:49:06,870 --> 00:49:05,359  
they didn't talk to me

1261  
00:49:09,030 --> 00:49:06,880  
and they would just head right straight

1262  
00:49:11,670 --> 00:49:09,040  
out the door and

1263  
00:49:12,150 --> 00:49:11,680

and i kept trying to ask the gentleman

1264

00:49:16,710 --> 00:49:12,160

owned

1265

00:49:20,470 --> 00:49:16,720

his wife but you know they they really

1266

00:49:24,150 --> 00:49:20,480

in fact started getting really really

1267

00:49:24,870 --> 00:49:24,160

um upset with me and sometimes actually

1268

00:49:28,309 --> 00:49:24,880

kind of

1269

00:49:31,349 --> 00:49:28,319

threatening me i want me to just

1270

00:49:34,630 --> 00:49:31,359

you know kind of be quiet mind my place

1271

00:49:37,270 --> 00:49:34,640

type of thing sure that that

1272

00:49:39,109 --> 00:49:37,280

that kind of made me feel very

1273

00:49:41,430 --> 00:49:39,119

uncomfortable too

1274

00:49:43,030 --> 00:49:41,440

yeah and it's it's scary when you're in

1275

00:49:43,990 --> 00:49:43,040

a small town and everybody knows

1276

00:49:45,430 --> 00:49:44,000

everybody and the same

1277

00:49:47,190 --> 00:49:45,440

people you know they they know the

1278

00:49:51,190 --> 00:49:47,200

police and control the police and

1279

00:49:55,270 --> 00:49:53,430

very scary stuff and in duchesne

1280

00:49:58,390 --> 00:49:55,280

duchesne is kind of a magical place too

1281

00:50:00,230 --> 00:49:58,400

as roosevelt and as vernal is in dushane

1282

00:50:04,309 --> 00:50:00,240

was there ever any high strangeness in

1283

00:50:09,670 --> 00:50:07,670

no the the only strangest strangeness

1284

00:50:13,270 --> 00:50:09,680

that i thought of is when

1285

00:50:16,790 --> 00:50:13,280

he hired all of those contractors that

1286

00:50:18,150 --> 00:50:16,800

renesa was doing um something in the

1287

00:50:19,829 --> 00:50:18,160

canyons there and

1288

00:50:22,150 --> 00:50:19,839

and what was interesting is they come

1289

00:50:25,190 --> 00:50:22,160

back with a lot of foil samples

1290

00:50:26,790 --> 00:50:25,200

um sorry they were actually up there you

1291

00:50:29,510 --> 00:50:26,800

know

1292

00:50:30,069 --> 00:50:29,520

getting soil samples and and whatever it

1293

00:50:34,150 --> 00:50:30,079

is

1294

00:50:37,829 --> 00:50:34,160

was it was pretty secretive too so

1295

00:50:40,069 --> 00:50:37,839

it's that was like really really odd i

1296

00:50:41,190 --> 00:50:40,079

i thought i really wonder what they were

1297

00:50:44,470 --> 00:50:41,200

searching for

1298

00:50:46,950 --> 00:50:44,480

you know um it seemed

1299

00:50:49,109 --> 00:50:46,960

really strange it makes you wonder if

1300

00:50:50,549 --> 00:50:49,119

they're taking soil samples

1301  
00:50:51,910 --> 00:50:50,559  
that there there's something in the

1302  
00:50:53,349 --> 00:50:51,920  
ground that they're looking for that's

1303  
00:50:56,230 --> 00:50:53,359  
really interesting and that

1304  
00:50:58,470 --> 00:50:56,240  
that whole ridge that whole area you

1305  
00:51:02,390 --> 00:50:58,480  
know those ridges all through the

1306  
00:51:04,950 --> 00:51:02,400  
uintah basin there's there's a lot of um

1307  
00:51:06,790 --> 00:51:04,960  
abnormally i don't know what to call it

1308  
00:51:09,109 --> 00:51:06,800  
like you said

1309  
00:51:10,870 --> 00:51:09,119  
big winds that come in from absolutely

1310  
00:51:13,349 --> 00:51:10,880  
nowhere on a quiet night

1311  
00:51:14,069 --> 00:51:13,359  
uh you know thunderstorms that roll in

1312  
00:51:15,990 --> 00:51:14,079  
when you least

1313  
00:51:17,589 --> 00:51:16,000

expect them ball lightning and stuff

1314

00:51:18,150 --> 00:51:17,599

that you know you just don't see other

1315

00:51:22,309 --> 00:51:18,160

places

1316

00:51:25,270 --> 00:51:22,319

would you agree yes i agree totally

1317

00:51:27,190 --> 00:51:25,280

very very strange and again though at

1318

00:51:29,270 --> 00:51:27,200

the time that you're

1319

00:51:31,109 --> 00:51:29,280

you're there and you're witnessing it

1320

00:51:33,190 --> 00:51:31,119

it's almost like you're

1321

00:51:34,790 --> 00:51:33,200

hypnotized and you're going oh this is

1322

00:51:37,109 --> 00:51:34,800

normal

1323

00:51:37,990 --> 00:51:37,119

that's not the only way i can describe

1324

00:51:40,069 --> 00:51:38,000

it is

1325

00:51:41,910 --> 00:51:40,079

that that when you're witnessing all of

1326  
00:51:42,390 --> 00:51:41,920  
it it just does the team have a place

1327  
00:51:44,390 --> 00:51:42,400  
until

1328  
00:51:45,430 --> 00:51:44,400  
later on when you kind of start thinking

1329  
00:51:49,109 --> 00:51:45,440  
about it

1330  
00:51:49,990 --> 00:51:49,119  
wow so so true i am so glad that you've

1331  
00:51:52,390 --> 00:51:50,000  
taken some time

1332  
00:51:54,710 --> 00:51:52,400  
to like talk to us about all these

1333  
00:51:55,829 --> 00:51:54,720  
amazing things because the basin's an

1334  
00:51:57,910 --> 00:51:55,839  
amazing place and

1335  
00:52:00,069 --> 00:51:57,920  
no matter how far back you go it seems

1336  
00:52:02,549 --> 00:52:00,079  
like amazing things were taking place

1337  
00:52:04,230 --> 00:52:02,559  
all of the main important things that

1338  
00:52:07,270 --> 00:52:04,240

keep fresh in my mind

1339

00:52:08,150 --> 00:52:07,280

yeah have fun well those were quite a

1340

00:52:10,630 --> 00:52:08,160

few and

1341

00:52:12,470 --> 00:52:10,640

quite a lot and i i'm so appreciative

1342

00:52:14,790 --> 00:52:12,480

for your time i know you're busy and i

1343

00:52:16,230 --> 00:52:14,800

know that you scheduled this with me

1344

00:52:17,670 --> 00:52:16,240

i really appreciate it and i hope to

1345

00:52:19,670 --> 00:52:17,680

stay in touch with you and be blessed

1346

00:52:21,510 --> 00:52:19,680

christine thank you

1347

00:52:23,910 --> 00:52:21,520

thanks ryan have a good day you too

1348

00:52:26,549 --> 00:52:23,920

bye-bye

1349

00:52:27,270 --> 00:52:26,559

well there you have it guys christine

1350

00:52:31,030 --> 00:52:27,280

riley

1351

00:52:32,230 --> 00:52:31,040

she is a resident of the basin but from

1352

00:52:34,390 --> 00:52:32,240

long ago

1353

00:52:35,270 --> 00:52:34,400

and was there for quite a while and got

1354

00:52:38,390 --> 00:52:35,280

to see some

1355

00:52:40,549 --> 00:52:38,400

well pretty interesting things and it's

1356

00:52:42,309 --> 00:52:40,559

neat to talk to residents of the basin

1357

00:52:44,549 --> 00:52:42,319

because i think that you know

1358

00:52:45,990 --> 00:52:44,559

even though the times change i i love

1359

00:52:47,750 --> 00:52:46,000

that that new saying you know there's

1360

00:52:50,069 --> 00:52:47,760

nothing new under the sun

1361

00:52:51,670 --> 00:52:50,079

and they were seeing the same things so

1362

00:52:53,670 --> 00:52:51,680

anyway until next time guys

1363

00:52:55,270 --> 00:52:53,680

keep your eyes to the skies feet on the

1364

00:53:01,349 --> 00:52:55,280

ground but don't forget

1365

00:53:02,540 --> 00:53:01,359

to take a look around

1366

00:53:26,950 --> 00:53:02,550

hey

1367

00:53:34,630 --> 00:53:30,470

like an invite so i stopped blast off

1368

00:53:35,910 --> 00:53:34,640

blast off blast off come blast off in my

1369

00:53:45,820 --> 00:53:35,920

time machine
