

THE  
SEVENTH  
SENSE

THE SECRETS OF  
REMOTE VIEWING  
AS TOLD BY A  
"PSYCHIC SPY"  
FOR THE US MILITARY

LYN BUCHANAN

1  
00:00:15,970 --> 00:00:14,910  
[Music]

2  
00:00:28,950 --> 00:00:15,980  
hey

3  
00:00:35,670 --> 00:00:33,190  
time machine need vision

4  
00:00:37,270 --> 00:00:35,680  
okay everybody we are rocking a little

5  
00:00:40,069 --> 00:00:37,280  
bit of post malone in the background

6  
00:00:43,670 --> 00:00:40,079  
because i don't know if anybody's heard

7  
00:00:46,790 --> 00:00:43,680  
yet but it's pretty big deal he is uh

8  
00:00:48,869 --> 00:00:46,800  
well doing stuff yeah go figure

9  
00:00:51,110 --> 00:00:48,879  
post malone is doing stuff a lot of

10  
00:00:53,110 --> 00:00:51,120  
stuff and he has an extreme

11  
00:00:54,549 --> 00:00:53,120  
interest in the uintah basin which makes

12  
00:00:56,630 --> 00:00:54,559  
me beyond

13  
00:00:58,310 --> 00:00:56,640

excited okay enough about that i'm

14

00:01:00,229 --> 00:00:58,320

getting a lot of crap online about

15

00:01:03,510 --> 00:01:00,239

taking too long with my pitches

16

00:01:06,149 --> 00:01:03,520

so here is my pitches for the

17

00:01:06,789 --> 00:01:06,159

well you know the witches and whoever

18

00:01:08,789 --> 00:01:06,799

whichever

19

00:01:10,950 --> 00:01:08,799

people of you want to hear it so if you

20

00:01:12,310 --> 00:01:10,960

haven't been to heroparanormal.com

21

00:01:13,750 --> 00:01:12,320

you're missing out at least in my

22

00:01:14,149 --> 00:01:13,760

opinion because you'll get a whole bunch

23

00:01:16,870 --> 00:01:14,159

more

24

00:01:18,390 --> 00:01:16,880

of this and you'll get so for very

25

00:01:20,870 --> 00:01:18,400

little eight dollars a month will get

26  
00:01:21,350 --> 00:01:20,880  
you every drop of information coming out

27  
00:01:23,590 --> 00:01:21,360  
of

28  
00:01:25,990 --> 00:01:23,600  
well the hyper anomalous esoteric

29  
00:01:29,190 --> 00:01:26,000  
research organization podcast

30  
00:01:31,350 --> 00:01:29,200  
so drop on over to heroparanormal.com

31  
00:01:33,350 --> 00:01:31,360  
if you feel like supporting a very cool

32  
00:01:33,990 --> 00:01:33,360  
research project called space wolf

33  
00:01:39,109 --> 00:01:34,000  
research

34  
00:01:41,830 --> 00:01:39,119  
kind of our little science project

35  
00:01:42,789 --> 00:01:41,840  
we're interacting with depends on what

36  
00:01:46,389 --> 00:01:42,799  
you think

37  
00:01:49,670 --> 00:01:46,399  
they may be but non non-corporeal

38  
00:01:53,030 --> 00:01:49,680

intelligent entities that

39

00:01:55,910 --> 00:01:53,040

roam a landscape in utah enough said

40

00:01:56,550 --> 00:01:55,920

a couple more pitches as this awesome

41

00:01:58,230 --> 00:01:56,560

b-2

42

00:01:59,830 --> 00:01:58,240

bomber or i don't even know what it is

43

00:02:01,429 --> 00:01:59,840

is flying over our heads you should see

44

00:02:02,069 --> 00:02:01,439

the stuff that flies over la madre

45

00:02:05,350 --> 00:02:02,079

mountain

46

00:02:08,229 --> 00:02:05,360

if you haven't cruise over to uh

47

00:02:09,669 --> 00:02:08,239

my good friend and neighbors page and

48

00:02:11,510 --> 00:02:09,679

that's steve barone

49

00:02:13,670 --> 00:02:11,520

he's got cameras set up we're about to

50

00:02:17,110 --> 00:02:13,680

set some other cameras up

51

00:02:20,150 --> 00:02:17,120

both utilizing uh ufo dap

52

00:02:22,070 --> 00:02:20,160

technology and some hopefully some sky

53

00:02:26,229 --> 00:02:22,080

hub technology thanks to the

54

00:02:28,390 --> 00:02:26,239

mighty mighty amazing

55

00:02:30,070 --> 00:02:28,400

mr mcgowan and i hope to have him on the

56

00:02:32,229 --> 00:02:30,080

podcast i've had him before

57

00:02:33,509 --> 00:02:32,239

but we'll talk about mr mcgowan a little

58

00:02:35,509 --> 00:02:33,519

bit later i don't know how much

59

00:02:38,869 --> 00:02:35,519

publicity he wants but he is our

60

00:02:41,030 --> 00:02:38,879

shining knight of ufo disclosure down

61

00:02:42,470 --> 00:02:41,040

here in vegas we'll get into that

62

00:02:44,309 --> 00:02:42,480

let's talk about the shining knight

63

00:02:45,670 --> 00:02:44,319

tonight this is the man

64

00:02:47,430 --> 00:02:45,680

the man with the plan if you haven't

65

00:02:47,750 --> 00:02:47,440

seen the men who stare at goats you do

66

00:02:49,750 --> 00:02:47,760

not

67

00:02:51,509 --> 00:02:49,760

understand the severity of intelligence

68

00:02:54,630 --> 00:02:51,519

issues that this gentleman

69

00:02:57,509 --> 00:02:54,640

has uh helped with our government he is

70

00:02:57,830 --> 00:02:57,519

i can't thank him enough for his service

71

00:03:01,270 --> 00:02:57,840

he

72

00:03:04,630 --> 00:03:01,280

is among a top secret elite task force

73

00:03:08,470 --> 00:03:04,640

of individuals who at the time

74

00:03:11,509 --> 00:03:08,480

was uh dedicated to protecting

75

00:03:12,790 --> 00:03:11,519

our intelligence our assets and our

76

00:03:14,309 --> 00:03:12,800

citizens

77

00:03:15,830 --> 00:03:14,319

can't thank him enough for his service

78

00:03:16,869 --> 00:03:15,840

we're talking about the one the only

79

00:03:19,270 --> 00:03:16,879

lynn buchanan

80

00:03:21,030 --> 00:03:19,280

executive director at problems solutions

81

00:03:22,550 --> 00:03:21,040

and innovations out of las cruces new

82

00:03:25,350 --> 00:03:22,560

mexico area

83

00:03:26,710 --> 00:03:25,360

and uh he is presently providing

84

00:03:27,589 --> 00:03:26,720

training in services in controlled

85

00:03:29,750 --> 00:03:27,599

remote viewing

86

00:03:30,949 --> 00:03:29,760

u.s military intelligence collection

87

00:03:33,190 --> 00:03:30,959

techniques

88

00:03:34,390 --> 00:03:33,200

author of the seventh sense and gravity

89

00:03:36,789 --> 00:03:34,400

can be your friend

90

00:03:37,750 --> 00:03:36,799

plethora of magazine articles radio and

91

00:03:39,830 --> 00:03:37,760

tv interviews

92

00:03:40,949 --> 00:03:39,840

magazine articles on computing

93

00:03:45,030 --> 00:03:40,959

techniques

94

00:03:47,990 --> 00:03:45,040

he is my gosh one of my all-time heroes

95

00:03:49,670 --> 00:03:48,000

a controlled remote viewer and military

96

00:03:52,550 --> 00:03:49,680

unit trainer

97

00:03:55,910 --> 00:03:52,560

also he's fluent in russian german and

98

00:04:01,110 --> 00:03:58,869

military intelligence off the charts as

99

00:04:03,830 --> 00:04:01,120

far as the agency's concerned

100

00:04:04,710 --> 00:04:03,840

many publications again check out the

101

00:04:06,550 --> 00:04:04,720

seventh sense

102

00:04:08,550 --> 00:04:06,560

it's both a historical record of his

103

00:04:10,949 --> 00:04:08,560

time as a military remote viewer

104

00:04:13,110 --> 00:04:10,959

and explanations of what it is with

105

00:04:14,949 --> 00:04:13,120

exercises to enhance abilities

106

00:04:16,870 --> 00:04:14,959

this is no joke folks i know a lot of

107

00:04:18,390 --> 00:04:16,880

people uh kick remote viewing to the

108

00:04:20,550 --> 00:04:18,400

curb but

109

00:04:22,390 --> 00:04:20,560

this gentleman may have done the work of

110

00:04:25,430 --> 00:04:22,400

i don't even know how many hundreds

111

00:04:28,790 --> 00:04:25,440

of soldiers and all while

112

00:04:31,270 --> 00:04:28,800

selflessly climbing out on a branch

113

00:04:32,950 --> 00:04:31,280

nobody had climbed out on before

114

00:04:35,030 --> 00:04:32,960

can't say enough i think i've overdone

115

00:04:35,990 --> 00:04:35,040

my time let's call him he's going to be

116

00:04:38,790 --> 00:04:36,000

live

117

00:04:39,350 --> 00:04:38,800

and uh hopefully i don't cry poop my

118

00:04:42,469 --> 00:04:39,360

pants

119

00:04:45,350 --> 00:04:42,479

or worse talking to this guy because he

120

00:04:48,390 --> 00:04:45,360

is one of my all-time heroes in fact

121

00:04:51,350 --> 00:04:48,400

i respect him so much i was horrified

122

00:04:53,749 --> 00:04:51,360

to do this interview but uh here we go

123

00:04:57,030 --> 00:04:53,759

we're going to give it a shot

124

00:04:59,270 --> 00:04:57,040

lynn buchanan sir welcome to the hero

125

00:05:02,070 --> 00:04:59,280

paranormal podcast my man

126

00:05:04,150 --> 00:05:02,080

well thank you for inviting me it's just

127

00:05:07,430 --> 00:05:04,160

honored to be invited thank you

128

00:05:08,310 --> 00:05:07,440

of course and we discussed this a little

129

00:05:10,870 --> 00:05:08,320

bit

130

00:05:12,070 --> 00:05:10,880

but in trying to think of questions to

131

00:05:14,950 --> 00:05:12,080

ask you sir

132

00:05:17,749 --> 00:05:14,960

i had a really hard time thinking of any

133

00:05:20,870 --> 00:05:17,759

because i somehow felt like i knew you

134

00:05:22,070 --> 00:05:20,880

or know about you enough that it clouded

135

00:05:24,790 --> 00:05:22,080

my perception

136

00:05:26,550 --> 00:05:24,800

a term that is known as front loading in

137

00:05:29,029 --> 00:05:26,560

the field of remote viewing

138

00:05:30,150 --> 00:05:29,039

and i wanted to kind of uh get into

139

00:05:32,390 --> 00:05:30,160

remote viewing

140

00:05:33,909 --> 00:05:32,400

however before jumping headlong into a

141

00:05:37,029 --> 00:05:33,919

field that's not exactly

142

00:05:39,830 --> 00:05:37,039

easy to swallow but 100 percent true

143

00:05:42,150 --> 00:05:39,840

i uh may i ask you a question i try to

144

00:05:45,350 --> 00:05:42,160

ask myself and other guests

145

00:05:48,950 --> 00:05:45,360

sure okay and that question is

146

00:05:55,510 --> 00:05:51,990

uh just a soldier

147

00:05:57,990 --> 00:05:55,520

uh you know people uh

148

00:05:58,950 --> 00:05:58,000

i think there's this kind of halo around

149

00:06:02,309 --> 00:05:58,960

uh

150

00:06:06,150 --> 00:06:02,319

the remote viewers because we did such

151  
00:06:07,110 --> 00:06:06,160  
unusual work for the military but the

152  
00:06:11,189 --> 00:06:07,120  
fact is

153  
00:06:14,950 --> 00:06:11,199  
you know we

154  
00:06:20,390 --> 00:06:14,960  
we used our time

155  
00:06:23,749 --> 00:06:23,029  
when they no longer needed us we retired

156  
00:06:27,029 --> 00:06:23,759  
came home

157  
00:06:29,909 --> 00:06:27,039  
and we're you know that's

158  
00:06:31,990 --> 00:06:29,919  
that's what anybody would do and uh the

159  
00:06:35,590 --> 00:06:32,000  
fact that we did it in a

160  
00:06:38,790 --> 00:06:35,600  
strange different and groundbreaking way

161  
00:06:40,710 --> 00:06:38,800  
um shoot that was

162  
00:06:42,790 --> 00:06:40,720  
that was more to our benefit than

163  
00:06:46,309 --> 00:06:42,800

anybody else's i think it was great

164

00:06:51,909 --> 00:06:49,270

you guys went way out on a limb from a

165

00:06:55,110 --> 00:06:51,919

super soldier just secretive standpoint

166

00:06:56,870 --> 00:06:55,120

uh in my opinion you know uh

167

00:06:59,350 --> 00:06:56,880

i i can only relate it to what my

168

00:07:01,350 --> 00:06:59,360

father-in-law did and he was a navy seal

169

00:07:03,029 --> 00:07:01,360

and his jaw hits the ground every time

170

00:07:03,830 --> 00:07:03,039

we would discuss what you guys were

171

00:07:06,309 --> 00:07:03,840

doing

172

00:07:07,110 --> 00:07:06,319

so thank you so much for your service

173

00:07:10,469 --> 00:07:07,120

sir

174

00:07:12,550 --> 00:07:10,479

uh lynn i'm a big fan beyond any extent

175

00:07:15,589 --> 00:07:12,560

of the word which makes this podcast

176  
00:07:16,070 --> 00:07:15,599  
so difficult and that front loading term

177  
00:07:18,870 --> 00:07:16,080  
that i

178  
00:07:20,550 --> 00:07:18,880  
shot off my opinion of you as mentioned

179  
00:07:23,670 --> 00:07:20,560  
at the beginning of the segment

180  
00:07:25,909 --> 00:07:23,680  
i we discussed whether to do this

181  
00:07:26,710 --> 00:07:25,919  
in a podcast format or just talk off the

182  
00:07:29,990 --> 00:07:26,720  
record and i

183  
00:07:31,589 --> 00:07:30,000  
selfishly decided to record

184  
00:07:33,270 --> 00:07:31,599  
because it's been so long since i've had

185  
00:07:36,230 --> 00:07:33,280  
a podcast but

186  
00:07:36,629 --> 00:07:36,240  
as i as i discussed previously with you

187  
00:07:39,350 --> 00:07:36,639  
sir

188  
00:07:40,710 --> 00:07:39,360

at any time you and i can say stop

189

00:07:42,230 --> 00:07:40,720

recording or if there's anything that

190

00:07:43,830 --> 00:07:42,240

you want stricken from the record

191

00:07:45,589 --> 00:07:43,840

we'll definitely do that and that won't

192

00:07:49,189 --> 00:07:45,599

be on the recording that part

193

00:07:51,430 --> 00:07:49,199

that i just said um

194

00:07:52,230 --> 00:07:51,440

after finding this is a question i have

195

00:07:55,189 --> 00:07:52,240

for you that

196

00:07:57,350 --> 00:07:55,199

i've always been wondering about and it

197

00:07:58,070 --> 00:07:57,360

may be that i am going too far out on a

198

00:08:00,790 --> 00:07:58,080

limb

199

00:08:01,350 --> 00:08:00,800

but i've heard the term front loading

200

00:08:03,510 --> 00:08:01,360

and

201  
00:08:04,390 --> 00:08:03,520  
how that affects remote viewing can you

202  
00:08:07,589 --> 00:08:04,400  
go into

203  
00:08:11,270 --> 00:08:07,599  
a little bit of the process and

204  
00:08:16,469 --> 00:08:14,710  
the uh the idea

205  
00:08:18,469 --> 00:08:16,479  
with remote viewing is that you're

206  
00:08:19,990 --> 00:08:18,479  
dealing with both your conscious and

207  
00:08:23,270 --> 00:08:20,000  
subconscious mind

208  
00:08:26,230 --> 00:08:23,280  
your subconscious is the psychic one

209  
00:08:27,909 --> 00:08:26,240  
but all of your life your conscious mind

210  
00:08:30,550 --> 00:08:27,919  
is taken over

211  
00:08:32,949 --> 00:08:30,560  
and so if you tell a person anything at

212  
00:08:36,709 --> 00:08:32,959  
all about the target

213  
00:08:40,469 --> 00:08:36,719

uh like you say um okay

214

00:08:43,029 --> 00:08:40,479

uh the target is the location of a

215

00:08:46,550 --> 00:08:43,039

missing child

216

00:08:50,389 --> 00:08:46,560

oh great now then every

217

00:08:53,430 --> 00:08:50,399

conscious memory every recollection

218

00:08:56,070 --> 00:08:53,440

fear anxiety and all that that you have

219

00:08:59,030 --> 00:08:56,080

on a conscious basis is going to color

220

00:09:00,389 --> 00:08:59,040

everything you get and you're going to

221

00:09:03,190 --> 00:09:00,399

reinterpret

222

00:09:03,750 --> 00:09:03,200

and so most people say that front

223

00:09:07,030 --> 00:09:03,760

loading

224

00:09:09,829 --> 00:09:07,040

is bad don't use it

225

00:09:11,190 --> 00:09:09,839

but that's not front loading that's

226

00:09:14,070 --> 00:09:11,200

pollution

227

00:09:16,550 --> 00:09:14,080

that's pollutes your session let's say

228

00:09:20,630 --> 00:09:16,560

you have a target that

229

00:09:21,430 --> 00:09:20,640

is uh you don't tell the viewer this

230

00:09:25,509 --> 00:09:21,440

okay

231

00:09:29,110 --> 00:09:25,519

but the target is a hotel on a beach

232

00:09:29,590 --> 00:09:29,120

and there's a big cafe out in the water

233

00:09:32,710 --> 00:09:29,600

there

234

00:09:34,949 --> 00:09:32,720

and sailboats going around and um

235

00:09:36,870 --> 00:09:34,959

and people swim in and volleyball court

236

00:09:42,230 --> 00:09:36,880

on the beach and all that

237

00:09:47,590 --> 00:09:42,240

and you you simply tell them

238

00:09:52,070 --> 00:09:47,600

this is project number 870405

239

00:09:54,150 --> 00:09:52,080

question three what's the answer

240

00:09:55,670 --> 00:09:54,160

well they're going to go and they're

241

00:09:59,110 --> 00:09:55,680

going to start finding

242

00:10:01,670 --> 00:09:59,120

big buildings people on beach

243

00:10:02,470 --> 00:10:01,680

sails in the water you know and all this

244

00:10:05,030 --> 00:10:02,480

other stuff

245

00:10:06,550 --> 00:10:05,040

sound of water splashing people laughing

246

00:10:11,509 --> 00:10:06,560

and all that

247

00:10:20,310 --> 00:10:14,710

the target

248

00:10:24,389 --> 00:10:20,320

is a specific activity

249

00:10:26,310 --> 00:10:24,399

describe the activity

250

00:10:27,829 --> 00:10:26,320

now you're down you don't describe the

251  
00:10:29,670 --> 00:10:27,839  
buildings you don't describe the water

252  
00:10:33,750 --> 00:10:29,680  
or the sales or anything else

253  
00:10:36,870 --> 00:10:33,760  
you may describe the people on the beach

254  
00:10:39,829 --> 00:10:36,880  
and you may describe two people sitting

255  
00:10:41,269 --> 00:10:39,839  
out in that water cafe talking to each

256  
00:10:44,470 --> 00:10:41,279  
other

257  
00:10:47,829 --> 00:10:44,480  
okay you have narrowed down

258  
00:10:49,110 --> 00:10:47,839  
for the viewer where to focus their

259  
00:10:51,829 --> 00:10:49,120  
attention

260  
00:10:53,269 --> 00:10:51,839  
now as the monitor hears your

261  
00:10:56,870 --> 00:10:53,279  
descriptions

262  
00:10:58,550 --> 00:10:56,880  
the monitor will say oh

263  
00:11:01,430 --> 00:10:58,560

you found two people talking to each

264

00:11:04,630 --> 00:11:01,440

other tell me what they're talking about

265

00:11:07,750 --> 00:11:04,640

you know and that's during the session

266

00:11:09,829 --> 00:11:07,760

but only after the viewer finds that so

267

00:11:13,509 --> 00:11:09,839

front loading

268

00:11:14,389 --> 00:11:13,519

tells the viewer where to focus their

269

00:11:18,710 --> 00:11:14,399

attention

270

00:11:21,110 --> 00:11:18,720

and what to ignore pollution

271

00:11:22,230 --> 00:11:21,120

tells them something about the target

272

00:11:24,949 --> 00:11:22,240

front loading

273

00:11:25,430 --> 00:11:24,959

helps a viewer have a shorter session

274

00:11:29,350 --> 00:11:25,440

and get

275

00:11:31,750 --> 00:11:29,360

on target more uh pollution

276

00:11:32,870 --> 00:11:31,760

destroys this session and that's the

277

00:11:35,670 --> 00:11:32,880

difference

278

00:11:37,750 --> 00:11:35,680

and most people do not know how to cue a

279

00:11:41,350 --> 00:11:37,760

remote viewer properly

280

00:11:44,310 --> 00:11:41,360

and so they mistaken pollution

281

00:11:46,550 --> 00:11:44,320

as front loading excellently explained

282

00:11:46,870 --> 00:11:46,560

very good explanation because it is such

283

00:11:58,470 --> 00:11:46,880

a

284

00:12:00,150 --> 00:11:58,480

these these errors or these little

285

00:12:01,750 --> 00:12:00,160

things like pollution can

286

00:12:04,230 --> 00:12:01,760

can make all the difference in the world

287

00:12:06,550 --> 00:12:04,240

sir after

288

00:12:09,190 --> 00:12:06,560

this is something anytime you deal with

289

00:12:11,350 --> 00:12:09,200

the anytime you deal with the human mind

290

00:12:12,550 --> 00:12:11,360

it's going to get intricate yeah it's

291

00:12:15,350 --> 00:12:12,560

it's an amazing

292

00:12:16,629 --> 00:12:15,360

machine it is just so fine-tuned and

293

00:12:20,389 --> 00:12:16,639

what it can accomplish

294

00:12:23,350 --> 00:12:20,399

is just jaw-dropping a question

295

00:12:25,590 --> 00:12:23,360

that i find hard to believe yet it fits

296

00:12:29,590 --> 00:12:25,600

right into kind of my omnitheistic

297

00:12:31,670 --> 00:12:29,600

i hate to get spiritual uh

298

00:12:33,110 --> 00:12:31,680

but i tried i try to i try to look at

299

00:12:36,629 --> 00:12:33,120

all aspects of this and

300

00:12:39,509 --> 00:12:36,639

after finding ways to access past lives

301  
00:12:41,750 --> 00:12:39,519  
as some remote viewers have mentioned

302  
00:12:43,030 --> 00:12:41,760  
have you had any experience with this or

303  
00:12:45,590 --> 00:12:43,040  
do you know

304  
00:12:46,069 --> 00:12:45,600  
how does one cleanse that memory of

305  
00:12:49,990 --> 00:12:46,079  
these

306  
00:12:51,110 --> 00:12:50,000  
past lives away well do you really want

307  
00:12:55,910 --> 00:12:51,120  
to

308  
00:12:57,990 --> 00:12:55,920  
um you know sometimes

309  
00:13:00,470 --> 00:12:58,000  
learning about a past life if you've had

310  
00:13:06,870 --> 00:13:03,590  
helps you deal with the problems you're

311  
00:13:09,750 --> 00:13:06,880  
having in this one um

312  
00:13:11,350 --> 00:13:09,760  
uh here again you know your your

313  
00:13:15,829 --> 00:13:11,360

unconscious

314

00:13:18,550 --> 00:13:15,839

fears and anxieties and yearnings

315

00:13:18,870 --> 00:13:18,560

may come from a different lifestyle you

316

00:13:22,470 --> 00:13:18,880

know

317

00:13:25,910 --> 00:13:22,480

a different incarnation so um

318

00:13:28,629 --> 00:13:25,920

so you may not want to and um

319

00:13:29,590 --> 00:13:28,639

uh you know i there's no proof that

320

00:13:32,829 --> 00:13:29,600

there are past

321

00:13:33,990 --> 00:13:32,839

lives um if you believe in remote

322

00:13:37,030 --> 00:13:34,000

viewing

323

00:13:39,990 --> 00:13:37,040

and a person says oh in a past

324

00:13:40,790 --> 00:13:40,000

life i was this and they're correct

325

00:13:42,949 --> 00:13:40,800

about

326

00:13:44,150 --> 00:13:42,959

some other person that can name the city

327

00:13:47,269 --> 00:13:44,160

and all that

328

00:13:49,750 --> 00:13:47,279

they may be remote unit

329

00:13:52,150 --> 00:13:49,760

and so you don't know there is no proof

330

00:13:55,509 --> 00:13:52,160

about past and future lives

331

00:13:56,790 --> 00:13:55,519

but uh instead of saying past and future

332

00:14:00,829 --> 00:13:56,800

lives

333

00:14:03,509 --> 00:14:00,839

we might say um

334

00:14:06,790 --> 00:14:03,519

uh uh

335

00:14:11,269 --> 00:14:06,800

next and last

336

00:14:13,509 --> 00:14:11,279

lives because your next reincarnation

337

00:14:14,629 --> 00:14:13,519

may be in roman times it may be in the

338

00:14:17,110 --> 00:14:14,639

past

339

00:14:17,910 --> 00:14:17,120

your last one may be 100 years in the

340

00:14:19,910 --> 00:14:17,920

future

341

00:14:21,750 --> 00:14:19,920

deeper into what your spirit needed to

342

00:14:26,790 --> 00:14:21,760

learn so

343

00:14:29,829 --> 00:14:26,800

um yeah i i believe in reincarnation

344

00:14:32,710 --> 00:14:29,839

but at the same time

345

00:14:33,509 --> 00:14:32,720

am adamant about the fact that there is

346

00:14:36,870 --> 00:14:33,519

no proof

347

00:14:38,949 --> 00:14:36,880

yeah i'm giving long answers to short

348

00:14:41,910 --> 00:14:38,959

questions i hope that's okay

349

00:14:42,790 --> 00:14:41,920

that is more than okay in fact that's

350

00:14:44,470 --> 00:14:42,800

that's

351  
00:14:46,389 --> 00:14:44,480  
you're going above and beyond which i

352  
00:14:47,509 --> 00:14:46,399  
kind of expected and that's why i had so

353  
00:14:49,750 --> 00:14:47,519  
much

354  
00:14:50,790 --> 00:14:49,760  
atrophy at like how this was going to go

355  
00:14:53,910 --> 00:14:50,800  
down

356  
00:14:56,310 --> 00:14:53,920  
um they are big questions

357  
00:14:58,629 --> 00:14:56,320  
because remote viewing is a big field it

358  
00:15:02,550 --> 00:14:58,639  
is not it is not like a

359  
00:15:04,550 --> 00:15:02,560  
you know it's not like oh gosh

360  
00:15:05,910 --> 00:15:04,560  
for example the air force you go into a

361  
00:15:06,790 --> 00:15:05,920  
plane you got to be a good pilot and

362  
00:15:08,310 --> 00:15:06,800  
that's it

363  
00:15:09,829 --> 00:15:08,320

uh remote viewing's a little bit

364

00:15:11,509 --> 00:15:09,839

different you have to be a good viewer

365

00:15:12,629 --> 00:15:11,519

but there's a lot more to it than that

366

00:15:15,189 --> 00:15:12,639

you have to

367

00:15:16,150 --> 00:15:15,199

take care of so many things to be a good

368

00:15:18,470 --> 00:15:16,160

viewer

369

00:15:20,230 --> 00:15:18,480

and that kind of brings me to my next

370

00:15:22,550 --> 00:15:20,240

question which

371

00:15:23,990 --> 00:15:22,560

is one some of our listeners may not be

372

00:15:25,990 --> 00:15:24,000

completely aware of

373

00:15:27,189 --> 00:15:26,000

but some may and that's telepathic

374

00:15:30,629 --> 00:15:27,199

overlay

375

00:15:34,710 --> 00:15:30,639

and yeah how is that best described

376

00:15:37,110 --> 00:15:34,720

to the layman and how does it work

377

00:15:37,910 --> 00:15:37,120

one of the things we found in training

378

00:15:40,389 --> 00:15:37,920

people

379

00:15:40,949 --> 00:15:40,399

and it happened when i was training me

380

00:15:44,790 --> 00:15:40,959

when

381

00:15:46,550 --> 00:15:44,800

you know i was being trained and uh

382

00:15:49,590 --> 00:15:46,560

with people in the unit and it happens

383

00:15:54,870 --> 00:15:49,600

now is that um

384

00:15:58,230 --> 00:15:54,880

this whole thing of the uh desire

385

00:16:00,949 --> 00:15:58,240

being a pollution um you know your

386

00:16:05,590 --> 00:16:00,959

emotions being a pollution to the target

387

00:16:08,790 --> 00:16:05,600

uh you may want to um

388

00:16:10,629 --> 00:16:08,800

really find out i really have a

389

00:16:14,629 --> 00:16:10,639

successful session

390

00:16:18,310 --> 00:16:14,639

and so instead of viewing

391

00:16:20,949 --> 00:16:18,320

the target you will view what i know

392

00:16:23,990 --> 00:16:20,959

about the target

393

00:16:27,350 --> 00:16:24,000

and this uh this telepathy

394

00:16:30,550 --> 00:16:27,360

can come in as a pollution it can

395

00:16:34,150 --> 00:16:30,560

overlay your uh

396

00:16:36,389 --> 00:16:34,160

your your viewing and um

397

00:16:38,710 --> 00:16:36,399

there's telepathic overlay there's

398

00:16:38,949 --> 00:16:38,720

analytic overlay and all different kinds

399

00:16:42,150 --> 00:16:38,959

of

400

00:16:46,230 --> 00:16:42,160

overlay um but

401  
00:16:50,870 --> 00:16:46,240  
uh telepathic overlay yeah is just um

402  
00:16:54,509 --> 00:16:50,880  
um we have a a um

403  
00:16:58,550 --> 00:16:54,519  
an acronym strickhand

404  
00:17:02,310 --> 00:16:58,560  
s-t-r-a-y subconscious transfer

405  
00:17:06,710 --> 00:17:02,320  
of recollections anxieties and yearnings

406  
00:17:10,789 --> 00:17:06,720  
to cat consciously accessible thought

407  
00:17:14,390 --> 00:17:10,799  
and um these overlays like this

408  
00:17:17,110 --> 00:17:14,400  
uh you may pick up on somebody else's

409  
00:17:19,909 --> 00:17:17,120  
memories fears and desires rather than

410  
00:17:23,990 --> 00:17:21,750  
and that has to be trained out of the

411  
00:17:27,750 --> 00:17:24,000  
viewer uh

412  
00:17:29,669 --> 00:17:27,760  
the uh people a lot of people think that

413  
00:17:31,110 --> 00:17:29,679

i can go to three-day class and learn to

414

00:17:34,390 --> 00:17:31,120

be a remote viewer

415

00:17:37,590 --> 00:17:34,400

you can't the

416

00:17:41,029 --> 00:17:37,600

human mind is so complex that

417

00:17:42,230 --> 00:17:41,039

it takes tons of training tons of

418

00:17:45,430 --> 00:17:42,240

practice

419

00:17:49,110 --> 00:17:45,440

and and usually

420

00:17:52,630 --> 00:17:49,120

years of uh learning to deal

421

00:17:57,510 --> 00:17:55,510

you know i am one of those weekend

422

00:18:00,710 --> 00:17:57,520

warrior three-day classers

423

00:18:04,230 --> 00:18:00,720

and and yeah i'll tell you what

424

00:18:07,430 --> 00:18:04,240

that need to refresh is probably weekly

425

00:18:10,549 --> 00:18:07,440

and uh and i i in

426

00:18:11,590 --> 00:18:10,559

in a way it was proven to me so well in

427

00:18:15,270 --> 00:18:11,600

those three days

428

00:18:17,430 --> 00:18:15,280

that i sort of backed away just because

429

00:18:17,830 --> 00:18:17,440

i i would say that my first remote view

430

00:18:21,909 --> 00:18:17,840

was

431

00:18:24,789 --> 00:18:21,919

where

432

00:18:26,549 --> 00:18:24,799

before any training i saw someone i knew

433

00:18:27,510 --> 00:18:26,559

in a room with someone else i didn't

434

00:18:29,750 --> 00:18:27,520

know

435

00:18:31,350 --> 00:18:29,760

i called the person i knew and described

436

00:18:32,549 --> 00:18:31,360

where they were and they said yeah i am

437

00:18:35,909 --> 00:18:32,559

there

438

00:18:37,110 --> 00:18:35,919

and i was very far away the strange

439

00:18:40,630 --> 00:18:37,120

thing about that

440

00:18:42,470 --> 00:18:40,640

is that this does happen and

441

00:18:44,230 --> 00:18:42,480

after training i realized that this

442

00:18:45,990 --> 00:18:44,240

happens with more frequency

443

00:18:47,350 --> 00:18:46,000

with training and it kind of scared me

444

00:18:48,549 --> 00:18:47,360

off which leads me into the next

445

00:18:51,990 --> 00:18:48,559

question lin

446

00:18:54,230 --> 00:18:52,000

so i'm i'm a i'm not trained whatsoever

447

00:18:57,270 --> 00:18:54,240

and i'm not very good at any of it

448

00:18:59,750 --> 00:18:57,280

but getting back to lynn who is

449

00:19:01,510 --> 00:18:59,760

the the guy i know and love for your

450

00:19:03,909 --> 00:19:01,520

contributions to the field

451  
00:19:05,990 --> 00:19:03,919  
how do you control that immense power

452  
00:19:08,870 --> 00:19:06,000  
that you have exhibited in the past even

453  
00:19:12,789 --> 00:19:11,590  
you uh you you practice practice

454  
00:19:16,230 --> 00:19:12,799  
practice and it's

455  
00:19:19,750 --> 00:19:16,240  
really nothing more than that um

456  
00:19:22,230 --> 00:19:19,760  
at the subconscious level

457  
00:19:23,430 --> 00:19:22,240  
every one of us have psychic ability you

458  
00:19:26,710 --> 00:19:23,440  
know to different

459  
00:19:30,470 --> 00:19:26,720  
extents different talents um

460  
00:19:33,029 --> 00:19:30,480  
but um learning to interview your

461  
00:19:33,990 --> 00:19:33,039  
own subconscious mind and report only

462  
00:19:38,230 --> 00:19:34,000  
what it says

463  
00:19:41,270 --> 00:19:38,240

without um without

464

00:19:44,470 --> 00:19:41,280

interpreting it or trying to

465

00:19:45,190 --> 00:19:44,480

decide oh i wonder what he means by that

466

00:19:49,029 --> 00:19:45,200

you know

467

00:19:52,310 --> 00:19:49,039

um is is a constant struggle

468

00:19:55,430 --> 00:19:52,320

it is and um

469

00:19:57,830 --> 00:19:55,440

and you just learn to listen

470

00:19:59,510 --> 00:19:57,840

and learning to listen for an

471

00:20:03,110 --> 00:19:59,520

interviewer

472

00:20:06,230 --> 00:20:03,120

for a cop for a detective

473

00:20:09,990 --> 00:20:06,240

um is one of the skills

474

00:20:12,710 --> 00:20:10,000

that takes a long time and uh

475

00:20:14,149 --> 00:20:12,720

has many pitfalls and it's the same for

476

00:20:15,990 --> 00:20:14,159

a remote viewer

477

00:20:17,830 --> 00:20:16,000

you have to learn to listen to your

478

00:20:21,510 --> 00:20:17,840

subconscious mind

479

00:20:24,549 --> 00:20:21,520

even when it talks craziness and just

480

00:20:28,149 --> 00:20:24,559

reports what it says

481

00:20:31,750 --> 00:20:28,159

fascinating so fascinating and

482

00:20:33,750 --> 00:20:31,760

the the intricacies it's a it's a type

483

00:20:35,029 --> 00:20:33,760

of pattern as i've seen in a lot of the

484

00:20:42,230 --> 00:20:35,039

documents

485

00:20:44,789 --> 00:20:42,240

the the ink it's a patterning of sorts

486

00:20:48,070 --> 00:20:44,799

isn't it lynn

487

00:20:50,710 --> 00:20:48,080

you mean the process yes

488

00:20:52,149 --> 00:20:50,720

yeah it is it's a trainable pattern that

489

00:20:55,590 --> 00:20:52,159  
was developed

490

00:20:56,230 --> 00:20:55,600  
um by a man named inga swan and further

491

00:20:58,789 --> 00:20:56,240  
developed

492

00:21:02,549 --> 00:20:58,799  
at stanford research institute and then

493

00:21:04,789 --> 00:21:02,559  
further developed in the us military and

494

00:21:07,110 --> 00:21:04,799  
became a standardized pattern you know

495

00:21:08,390 --> 00:21:07,120  
the the military likes everything to be

496

00:21:12,149 --> 00:21:08,400  
uniform

497

00:21:14,470 --> 00:21:12,159  
and so um that has resulted today

498

00:21:15,590 --> 00:21:14,480  
in the fact that controlled remote

499

00:21:17,350 --> 00:21:15,600  
viewing

500

00:21:19,830 --> 00:21:17,360  
crv the one that was used in the

501  
00:21:24,230 --> 00:21:19,840  
military

502  
00:21:27,270 --> 00:21:24,240  
you can train with one qualified crv

503  
00:21:30,870 --> 00:21:27,280  
and like at the basic level

504  
00:21:34,870 --> 00:21:30,880  
and if you go to another

505  
00:21:37,830 --> 00:21:34,880  
trained and qualified crv

506  
00:21:40,070 --> 00:21:37,840  
for your next level of training they

507  
00:21:41,669 --> 00:21:40,080  
will pick up on the next page of the

508  
00:21:44,470 --> 00:21:41,679  
same manual

509  
00:21:45,669 --> 00:21:44,480  
and you will have the terminology you

510  
00:21:47,830 --> 00:21:45,679  
will have the training

511  
00:21:49,590 --> 00:21:47,840  
you will have the basics for what they

512  
00:21:52,870 --> 00:21:49,600  
do at the intermediate level

513  
00:21:55,350 --> 00:21:52,880

same for the advanced and when you go to

514

00:21:58,789 --> 00:21:55,360

work for a project manager

515

00:22:02,070 --> 00:22:01,190

gets the reports in from all the remote

516

00:22:04,950 --> 00:22:02,080

viewers

517

00:22:08,070 --> 00:22:04,960

they're all in the same format and the

518

00:22:11,270 --> 00:22:08,080

project manager can whiz through these

519

00:22:13,750 --> 00:22:11,280

without having to figure out what

520

00:22:16,149 --> 00:22:13,760

some viewer means when they say this or

521

00:22:20,070 --> 00:22:16,159

means when they say that you know

522

00:22:23,110 --> 00:22:20,080

um and so yeah it makes for a

523

00:22:28,470 --> 00:22:23,120

a process

524

00:22:30,870 --> 00:22:28,480

that uh works not only for the viewer

525

00:22:32,470 --> 00:22:30,880

but also for any customer who needs

526

00:22:36,070 --> 00:22:32,480

information

527

00:22:39,190 --> 00:22:36,080

uh and it's a speedy process

528

00:22:42,310 --> 00:22:39,200

it's it's extremely speedy and

529

00:22:43,909 --> 00:22:42,320

the amount of uh the right answers

530

00:22:46,870 --> 00:22:43,919

versus the wrong answers

531

00:22:48,230 --> 00:22:46,880

are mind-blowing by anyone's standards

532

00:22:51,830 --> 00:22:48,240

the

533

00:22:55,350 --> 00:22:51,840

had to do a little bit with errors

534

00:22:59,270 --> 00:22:55,360

in remote viewing and often

535

00:23:02,070 --> 00:22:59,280

attributed to the quote-unquote viewer

536

00:23:03,430 --> 00:23:02,080

this is a sticking point in the accuracy

537

00:23:05,590 --> 00:23:03,440

of the remote viewing field

538

00:23:07,909 --> 00:23:05,600

and a reason deemed significant enough

539

00:23:09,750 --> 00:23:07,919

to try to devalue the field although

540

00:23:13,110 --> 00:23:09,760

unsuccessful

541

00:23:14,870 --> 00:23:13,120

is that necessarily is the viewer

542

00:23:16,390 --> 00:23:14,880

part of the error or some of these

543

00:23:19,190 --> 00:23:16,400

errors could be as you

544

00:23:20,830 --> 00:23:19,200

almost already answered in the

545

00:23:23,029 --> 00:23:20,840

interviewer

546

00:23:24,950 --> 00:23:23,039

himself well uh

547

00:23:26,630 --> 00:23:24,960

you the viewer is the interviewer as

548

00:23:30,390 --> 00:23:26,640

well as the interviewee

549

00:23:34,149 --> 00:23:30,400

but uh yeah it's very much in the viewer

550

00:23:35,350 --> 00:23:34,159

um you um you find that your

551  
00:23:37,029 --> 00:23:35,360  
subconscious mind

552  
00:23:39,110 --> 00:23:37,039  
doesn't always talk to you like a

553  
00:23:43,269 --> 00:23:39,120  
conscious mind would in logic

554  
00:23:49,990 --> 00:23:46,870  
one of the examples we have is you're

555  
00:23:51,750 --> 00:23:50,000  
you're viewing a target and right

556  
00:23:53,510 --> 00:23:51,760  
in the middle of this you get sort of a

557  
00:23:56,470 --> 00:23:53,520  
visual of

558  
00:23:58,630 --> 00:23:56,480  
a memory of when you were skiing down

559  
00:24:00,549 --> 00:23:58,640  
the slope in the mountainside

560  
00:24:02,870 --> 00:24:00,559  
you ran into a tree and you were laying

561  
00:24:06,149 --> 00:24:02,880  
there and there was blood on the snow

562  
00:24:07,990 --> 00:24:06,159  
okay and

563  
00:24:09,350 --> 00:24:08,000

that has nothing whatever to do with the

564

00:24:11,990 --> 00:24:09,360

target

565

00:24:13,269 --> 00:24:12,000

but you just focus on that the blood on

566

00:24:16,230 --> 00:24:13,279

the snow because it's

567

00:24:17,510 --> 00:24:16,240

that's a memory you can't get rid of

568

00:24:20,630 --> 00:24:17,520

what happened was

569

00:24:22,310 --> 00:24:20,640

your subconscious mind wanted to tell

570

00:24:26,470 --> 00:24:22,320

you

571

00:24:28,630 --> 00:24:26,480

red and so it went into that teenager's

572

00:24:29,590 --> 00:24:28,640

room of a memory that you've got you

573

00:24:32,470 --> 00:24:29,600

know of your past

574

00:24:34,390 --> 00:24:32,480

memory your life and it grabbed the

575

00:24:35,990 --> 00:24:34,400

first thing it could find that was that

576  
00:24:39,190 --> 00:24:36,000  
color red

577  
00:24:43,269 --> 00:24:39,200  
and it said like this

578  
00:24:44,549 --> 00:24:43,279  
and many times a person would be talking

579  
00:24:46,789 --> 00:24:44,559  
about a

580  
00:24:48,470 --> 00:24:46,799  
maybe you know they'll be describing an

581  
00:24:53,269 --> 00:24:48,480  
automobile

582  
00:24:59,590 --> 00:24:56,789  
and many people

583  
00:24:59,990 --> 00:24:59,600  
look at that and say oh well he was

584  
00:25:03,830 --> 00:25:00,000  
totally

585  
00:25:07,110 --> 00:25:03,840  
wrong that was an error when the fact is

586  
00:25:07,990 --> 00:25:07,120  
that he just told the analyst because we

587  
00:25:10,549 --> 00:25:08,000  
have crv

588  
00:25:11,590 --> 00:25:10,559

analysts an analyst will look at that

589

00:25:15,269 --> 00:25:11,600

and say

590

00:25:19,750 --> 00:25:15,279

oh i know what color the car is

591

00:25:24,070 --> 00:25:19,760

and so um many of the errors

592

00:25:26,830 --> 00:25:24,080

uh are are because you're dealing with

593

00:25:28,789 --> 00:25:26,840

your inner child and it talks like a

594

00:25:31,830 --> 00:25:28,799

child

595

00:25:33,669 --> 00:25:31,840

and so most of the errors are viewer

596

00:25:36,630 --> 00:25:33,679

generated

597

00:25:38,470 --> 00:25:36,640

but many of the errors are also

598

00:25:41,190 --> 00:25:38,480

generated

599

00:25:41,990 --> 00:25:41,200

by the interpreters who analyze it and

600

00:25:44,630 --> 00:25:42,000

say oh you

601  
00:25:48,549 --> 00:25:44,640  
were wrong when actually your mind was

602  
00:25:53,110 --> 00:25:50,390  
and i'm going to chalk it up to

603  
00:25:56,070 --> 00:25:53,120  
coincidence but i do drive a red car so

604  
00:25:56,740 --> 00:25:56,080  
i'm not going to read into that it did

605  
00:25:59,430 --> 00:25:56,750  
happen

606  
00:26:03,029 --> 00:25:59,440  
[Laughter]

607  
00:26:06,789 --> 00:26:03,039  
probably more of an apple red so yeah

608  
00:26:09,110 --> 00:26:06,799  
after and and uh my probably my last

609  
00:26:10,710 --> 00:26:09,120  
question before i go into

610  
00:26:12,950 --> 00:26:10,720  
where you want to go and i really want

611  
00:26:16,549 --> 00:26:12,960  
to get into the seventh sense

612  
00:26:20,470 --> 00:26:16,559  
and uh what has been your most

613  
00:26:24,070 --> 00:26:23,029

my most memorable positive view like

614

00:26:26,789 --> 00:26:24,080

like a remote view

615

00:26:28,230 --> 00:26:26,799

that uh was a memorable positive one or

616

00:26:31,990 --> 00:26:28,240

a few of them it was

617

00:26:35,510 --> 00:26:32,000

it was a practice session uh

618

00:26:39,190 --> 00:26:35,520

the um we had been having a

619

00:26:45,430 --> 00:26:42,230

of events where we were uh

620

00:26:47,430 --> 00:26:45,440

getting into the mind of sodom hussein

621

00:26:50,789 --> 00:26:47,440

plans and intentions and the man is

622

00:26:54,070 --> 00:26:50,799

crazy the man is crazy as it can be

623

00:26:56,070 --> 00:26:54,080

and um and you know it was there was a

624

00:26:57,510 --> 00:26:56,080

lot of blood and guts there was a lot of

625

00:27:02,149 --> 00:26:57,520

hatred there was a lot of

626

00:27:05,029 --> 00:27:02,159

uh uh just horrific things

627

00:27:06,310 --> 00:27:05,039

and at one point uh i went in and i said

628

00:27:08,470 --> 00:27:06,320

look

629

00:27:09,990 --> 00:27:08,480

give me mother teresa give me bozo the

630

00:27:12,789 --> 00:27:10,000

clown give me

631

00:27:14,549 --> 00:27:12,799

give me something happy i um this is

632

00:27:17,350 --> 00:27:14,559

burning me out

633

00:27:18,310 --> 00:27:17,360

and the director said you're a soldier

634

00:27:21,510 --> 00:27:18,320

do your job

635

00:27:24,389 --> 00:27:21,520

suck it up and you know

636

00:27:26,149 --> 00:27:24,399

you do what you're told and so it went

637

00:27:27,430 --> 00:27:26,159

on like that for a few days more but

638

00:27:28,950 --> 00:27:27,440

then

639

00:27:30,630 --> 00:27:28,960

i didn't know that things were letting

640

00:27:33,909 --> 00:27:30,640

up and so

641

00:27:36,950 --> 00:27:33,919

um went over and uh

642

00:27:38,230 --> 00:27:36,960

i didn't know it was practice session uh

643

00:27:41,590 --> 00:27:38,240

the monitor had

644

00:27:45,269 --> 00:27:41,600

an envelope that had the tasking in it

645

00:27:48,870 --> 00:27:45,279

and uh he said okay uh

646

00:27:52,070 --> 00:27:48,880

this um this is target number

647

00:27:56,389 --> 00:27:52,080

such and such gave me a number and said

648

00:27:59,990 --> 00:27:56,399

this is a personality profile

649

00:28:03,110 --> 00:28:00,000

and personality profile means you you

650

00:28:06,710 --> 00:28:03,120

go to a person you describe that person

651  
00:28:09,669 --> 00:28:06,720  
as a you know a profiler would

652  
00:28:11,510 --> 00:28:09,679  
and um and you've done your job you

653  
00:28:14,070 --> 00:28:11,520  
don't have to worry about buildings or

654  
00:28:16,549 --> 00:28:14,080  
cars or anything else and so i started

655  
00:28:20,149 --> 00:28:16,559  
viewing this person and

656  
00:28:23,269 --> 00:28:20,159  
was immediately sucked in

657  
00:28:26,310 --> 00:28:23,279  
and sucked in is where you get so

658  
00:28:28,310 --> 00:28:26,320  
totally focused on the target

659  
00:28:29,510 --> 00:28:28,320  
that you become oblivious to the room

660  
00:28:32,710 --> 00:28:29,520  
around you

661  
00:28:34,470 --> 00:28:32,720  
and your sight your smells your

662  
00:28:36,549 --> 00:28:34,480  
your touch everything else you're

663  
00:28:39,830 --> 00:28:36,559

hearing

664

00:28:41,590 --> 00:28:39,840

comes from only what your subconscious

665

00:28:43,510 --> 00:28:41,600

is telling you so you can't tell you're

666

00:28:45,830 --> 00:28:43,520

not at the target

667

00:28:47,269 --> 00:28:45,840

and um here i was standing in front of

668

00:28:50,149 --> 00:28:47,279

this man

669

00:28:51,909 --> 00:28:50,159

and doing a personality profile on him

670

00:28:54,230 --> 00:28:51,919

and

671

00:28:56,470 --> 00:28:54,240

i've never met anybody like that before

672

00:28:59,590 --> 00:28:56,480

just

673

00:29:03,830 --> 00:28:59,600

as perfect as you could find and so

674

00:29:06,230 --> 00:29:03,840

anyway um at the end of the session

675

00:29:08,310 --> 00:29:06,240

my summary was whatever evil you think

676

00:29:11,750 --> 00:29:08,320

this guy did he didn't do it

677

00:29:14,870 --> 00:29:11,760

and i after meeting this guy i was just

678

00:29:17,110 --> 00:29:14,880

glowing myself you know and uh the

679

00:29:19,190 --> 00:29:17,120

monitor opened the envelope

680

00:29:21,029 --> 00:29:19,200

pulled it out and the director had

681

00:29:24,630 --> 00:29:21,039

handwritten on a piece of paper

682

00:29:29,590 --> 00:29:24,640

jesus and uh

683

00:29:36,230 --> 00:29:33,110

in a very real mental way okay

684

00:29:38,230 --> 00:29:36,240

uh i i

685

00:29:39,590 --> 00:29:38,240

i will always feel like i'm standing

686

00:29:42,789 --> 00:29:39,600

there and i met jesus

687

00:29:45,830 --> 00:29:42,799

and that one session

688

00:29:46,389 --> 00:29:45,840

was the most positive and it changed my

689

00:29:50,389 --> 00:29:46,399

life

690

00:29:55,510 --> 00:29:53,750

in standing there i was not only feeling

691

00:29:58,470 --> 00:29:55,520

the perfection of that person that

692

00:30:02,630 --> 00:29:58,480

targeted person but i was also feeling

693

00:30:06,470 --> 00:30:02,640

my lack of perfection and uh

694

00:30:09,909 --> 00:30:06,480

basically what he gave me was

695

00:30:11,590 --> 00:30:09,919

that he'd seen worse and he'd seem

696

00:30:16,870 --> 00:30:11,600

better

697

00:30:19,990 --> 00:30:16,880

and whatever i was it was okay

698

00:30:23,190 --> 00:30:20,000

and that for me was a an

699

00:30:25,990 --> 00:30:23,200

acceptance that actually changed my life

700

00:30:29,909 --> 00:30:29,269

so amazing that the the such a horrible

701

00:30:36,070 --> 00:30:29,919

character

702

00:30:38,389 --> 00:30:36,080

in the same situation and

703

00:30:40,230 --> 00:30:38,399

uh i'm i'm sure you've seen a lot of

704

00:30:41,430 --> 00:30:40,240

negative views but i wanted to talk

705

00:30:43,830 --> 00:30:41,440

about a little bit of

706

00:30:45,830 --> 00:30:43,840

the erv before we get into the seventh

707

00:30:48,950 --> 00:30:45,840

sense and ingo swan

708

00:30:51,750 --> 00:30:48,960

and and you you were one of the many

709

00:30:52,310 --> 00:30:51,760

uh amazing people who got to meet ingo

710

00:30:58,549 --> 00:30:52,320

and

711

00:31:02,310 --> 00:30:58,559

maybe going a little bit into erv

712

00:31:05,750 --> 00:31:02,320

i thought ingo was a fantastic person

713

00:31:07,830 --> 00:31:05,760

mega genius old curmudgeon

714

00:31:08,950 --> 00:31:07,840

i mean didn't take anything from anybody

715

00:31:10,950 --> 00:31:08,960

and he would

716

00:31:12,789 --> 00:31:10,960

he would you say something wrong man

717

00:31:16,830 --> 00:31:12,799

he'd stomp on you for it you know

718

00:31:18,070 --> 00:31:16,840

and uh uh didn't put up with anybody or

719

00:31:21,190 --> 00:31:18,080

anything

720

00:31:24,789 --> 00:31:21,200

and uh was a good friend

721

00:31:28,310 --> 00:31:24,799

was a very good friend and um

722

00:31:32,630 --> 00:31:28,320

and total genius i mean

723

00:31:35,190 --> 00:31:32,640

met very few people that smart

724

00:31:35,669 --> 00:31:35,200

beautiful characterization and and for

725

00:31:37,590 --> 00:31:35,679

our

726  
00:31:39,669 --> 00:31:37,600  
listeners um we've discussed the

727  
00:31:41,669 --> 00:31:39,679  
military training and crv

728  
00:31:45,190 --> 00:31:41,679  
controlled remote viewing can we go a

729  
00:31:49,110 --> 00:31:48,389  
sure erv was developed in the military

730  
00:31:51,190 --> 00:31:49,120  
unit

731  
00:31:52,870 --> 00:31:51,200  
uh ango did not develop it and it was

732  
00:31:55,669 --> 00:31:52,880  
not

733  
00:31:57,830 --> 00:31:55,679  
developed at stanford research it was

734  
00:32:02,230 --> 00:31:57,840  
developed in the military unit

735  
00:32:04,789 --> 00:32:02,240  
uh what we did with uh erv

736  
00:32:05,350 --> 00:32:04,799  
now you'll find people saying oh lie

737  
00:32:07,669 --> 00:32:05,360  
down

738  
00:32:09,190 --> 00:32:07,679

take a nap dream something and when you

739

00:32:13,509 --> 00:32:09,200

get up tell me what you dream

740

00:32:17,190 --> 00:32:13,519

that's not erp um erv

741

00:32:19,509 --> 00:32:17,200

you have the viewer lie down on a cot

742

00:32:20,630 --> 00:32:19,519

or lean back in a recliner chair or

743

00:32:24,149 --> 00:32:20,640

something like that

744

00:32:25,590 --> 00:32:24,159

we also had a big huge dental chair

745

00:32:27,269 --> 00:32:25,600

which by the way is one of the most

746

00:32:29,430 --> 00:32:27,279

comfortable chairs in the world

747

00:32:30,789 --> 00:32:29,440

actually if you don't have a dentist

748

00:32:34,389 --> 00:32:30,799

standing over you

749

00:32:39,190 --> 00:32:34,399

um but um

750

00:32:43,110 --> 00:32:39,200

the viewer leans back there and relaxes

751

00:32:47,830 --> 00:32:43,120

and starts drifting off to sleep

752

00:32:50,870 --> 00:32:47,840

the highly trained monitor

753

00:32:51,750 --> 00:32:50,880

is watching the whole time and as the

754

00:32:54,470 --> 00:32:51,760

person goes

755

00:32:56,549 --> 00:32:54,480

into that hypnagogic state between

756

00:32:57,990 --> 00:32:56,559

awakened asleep

757

00:33:00,070 --> 00:32:58,000

there are different levels of that

758

00:33:02,549 --> 00:33:00,080

hypnagogic state

759

00:33:04,310 --> 00:33:02,559

and the monitor will catch them right at

760

00:33:08,630 --> 00:33:04,320

the right time

761

00:33:12,149 --> 00:33:08,640

and ask them a question when they're

762

00:33:13,909 --> 00:33:12,159

just almost awake enough

763

00:33:15,750 --> 00:33:13,919

not awake but they're awake enough that

764

00:33:18,389 --> 00:33:15,760

they can hear the question

765

00:33:21,269 --> 00:33:18,399

then the monitor will take them down

766

00:33:24,789 --> 00:33:21,279

into the hypnagogic state

767

00:33:27,350 --> 00:33:24,799

but let them sleep

768

00:33:28,070 --> 00:33:27,360

experience the site then the monitor

769

00:33:30,149 --> 00:33:28,080

brings them back

770

00:33:31,430 --> 00:33:30,159

up to where they can answer and give the

771

00:33:33,909 --> 00:33:31,440

answer

772

00:33:34,870 --> 00:33:33,919

then he asks another question takes them

773

00:33:36,950 --> 00:33:34,880

back down

774

00:33:39,430 --> 00:33:36,960

to where they can perceive it brings

775

00:33:43,269 --> 00:33:39,440

them back up to where they can answer

776

00:33:45,909 --> 00:33:43,279

and does this for sometimes hours

777

00:33:47,590 --> 00:33:45,919

without ever letting the viewer wake up

778

00:33:50,870 --> 00:33:47,600

or go to sleep

779

00:33:54,310 --> 00:33:50,880

keeps them in that hypnagogic state and

780

00:33:55,590 --> 00:33:54,320

uh it's a it's a it's a very exacting

781

00:33:57,990 --> 00:33:55,600

science and

782

00:34:00,950 --> 00:33:58,000

most of the things you find out about um

783

00:34:04,470 --> 00:34:00,960

or you hear about erv now

784

00:34:07,110 --> 00:34:04,480

it's not erb uh erv

785

00:34:09,109 --> 00:34:07,120

is totally dependent on a highly trained

786

00:34:12,629 --> 00:34:09,119

monitor working with you

787

00:34:17,829 --> 00:34:15,030

great stuff great stuff and so well

788

00:34:21,109 --> 00:34:17,839

explained because yeah it seems like

789

00:34:22,710 --> 00:34:21,119

you said 95 of what's out there nowadays

790

00:34:25,990 --> 00:34:22,720

is just hey i can do these

791

00:34:28,389 --> 00:34:26,000

magic tricks and that's there's

792

00:34:29,669 --> 00:34:28,399

it's very difficult to to weed through

793

00:34:31,589 --> 00:34:29,679

the uh

794

00:34:32,950 --> 00:34:31,599

weed through the fluff to get to the to

795

00:34:36,230 --> 00:34:32,960

the good stuff

796

00:34:38,389 --> 00:34:36,240

and uh i wanted to get to

797

00:34:40,230 --> 00:34:38,399

a little bit of the bat could i could i

798

00:34:41,430 --> 00:34:40,240

say something about that first yes sir

799

00:34:43,109 --> 00:34:41,440

please

800

00:34:44,470 --> 00:34:43,119

uh there are a lot of people out there

801  
00:34:49,109 --> 00:34:44,480  
saying that they

802  
00:34:51,829 --> 00:34:49,119  
um they teach crv and they don't

803  
00:34:52,550 --> 00:34:51,839  
they're just using crv and the you know

804  
00:34:55,750 --> 00:34:52,560  
the name

805  
00:34:58,550 --> 00:34:55,760  
and all that and the initials

806  
00:34:59,589 --> 00:34:58,560  
because it's a scientifically accepted

807  
00:35:03,270 --> 00:34:59,599  
and proven

808  
00:35:07,589 --> 00:35:03,280  
method and what they do is

809  
00:35:11,670 --> 00:35:07,599  
they just call whatever stuff they do

810  
00:35:13,270 --> 00:35:11,680  
uh crb or controlled remote viewing

811  
00:35:14,950 --> 00:35:13,280  
and they put in a few rules here and

812  
00:35:19,829 --> 00:35:14,960  
there that you have to follow

813  
00:35:26,630 --> 00:35:23,430

get the real crv there are

814

00:35:29,670 --> 00:35:26,640

real and certified instructors

815

00:35:32,950 --> 00:35:29,680

and the uh trademark for

816

00:35:34,950 --> 00:35:32,960

crv was passed down

817

00:35:37,190 --> 00:35:34,960

to me i've passed it on to another

818

00:35:41,349 --> 00:35:37,200

person and

819

00:35:44,550 --> 00:35:41,359

we have certified

820

00:35:47,829 --> 00:35:44,560

trainers in crv

821

00:35:51,270 --> 00:35:47,839

uh it's it's not an organization

822

00:35:52,950 --> 00:35:51,280

it's uh just people who are

823

00:35:55,670 --> 00:35:52,960

who have shown that they are qualified

824

00:35:58,710 --> 00:35:55,680

to teach and so they're qualified

825

00:36:01,990 --> 00:35:58,720

and um endorsed uh

826

00:36:04,550 --> 00:36:02,000

i know over in uh other countries

827

00:36:06,870 --> 00:36:04,560

there are people claiming that they are

828

00:36:10,950 --> 00:36:06,880

certified crv

829

00:36:15,030 --> 00:36:10,960

crv trainers and they're not

830

00:36:16,390 --> 00:36:15,040

so um so if anybody wants to get the crv

831

00:36:19,829 --> 00:36:16,400

training

832

00:36:21,510 --> 00:36:19,839

ask questions before you put your first

833

00:36:23,510 --> 00:36:21,520

dollar down

834

00:36:26,710 --> 00:36:23,520

before you before you get your wallet

835

00:36:29,349 --> 00:36:26,720

out ask some questions

836

00:36:31,750 --> 00:36:29,359

such a good point because every all

837

00:36:34,870 --> 00:36:31,760

remote viewing is not the same

838

00:36:35,750 --> 00:36:34,880

and that's right uh we will get into uh

839

00:36:38,150 --> 00:36:35,760

you

840

00:36:40,310 --> 00:36:38,160

in into that in just a minute i wanted

841

00:36:42,150 --> 00:36:40,320

to talk about some of the bad uh

842

00:36:43,910 --> 00:36:42,160

well let's just call them what they are

843

00:36:47,109 --> 00:36:43,920

they are

844

00:36:48,870 --> 00:36:47,119

i guess ever-evolving adversarial

845

00:36:49,829 --> 00:36:48,880

threats that the us government is up

846

00:36:53,990 --> 00:36:49,839

against

847

00:36:55,990 --> 00:36:54,000

those as you mentioned with saddam

848

00:36:57,990 --> 00:36:56,000

hussein there's a lot of bad guys out

849

00:37:01,510 --> 00:36:58,000

there at any given time

850

00:37:05,349 --> 00:37:01,520

who are trying to take us down how

851  
00:37:08,390 --> 00:37:05,359  
in the world other than your your

852  
00:37:10,310 --> 00:37:08,400  
remote viewing how does intelligence get

853  
00:37:11,589 --> 00:37:10,320  
ahead of this and how do we stay on top

854  
00:37:13,430 --> 00:37:11,599  
of it without just falling to the

855  
00:37:15,430 --> 00:37:13,440  
wayside

856  
00:37:17,030 --> 00:37:15,440  
oh listen there are spy in the sky

857  
00:37:20,390 --> 00:37:17,040  
satellites there are

858  
00:37:23,030 --> 00:37:20,400  
ground agents there are um electronic

859  
00:37:27,349 --> 00:37:23,040  
eavesdropping there's um

860  
00:37:31,670 --> 00:37:27,359  
there's any number of

861  
00:37:35,430 --> 00:37:31,680  
of intelligence assets

862  
00:37:39,109 --> 00:37:35,440  
that the intelligence community has

863  
00:37:41,670 --> 00:37:39,119

they know what they're doing uh uh

864

00:37:42,630 --> 00:37:41,680

they're not they're not sluffos they're

865

00:37:44,150 --> 00:37:42,640

not

866

00:37:46,630 --> 00:37:44,160

things that you would see in a comedy

867

00:37:48,630 --> 00:37:46,640

movie they're they're real

868

00:37:49,910 --> 00:37:48,640

and they know exactly what they're doing

869

00:37:53,190 --> 00:37:49,920

and we were an

870

00:37:55,030 --> 00:37:53,200

adjunct to them

871

00:37:56,790 --> 00:37:55,040

when there was information they couldn't

872

00:37:59,829 --> 00:37:56,800

find through

873

00:38:02,870 --> 00:37:59,839

their many means they would come to us

874

00:38:05,510 --> 00:38:02,880

we would add the information and then

875

00:38:07,670 --> 00:38:05,520

they would take our information and go

876

00:38:11,190 --> 00:38:07,680

investigate

877

00:38:14,230 --> 00:38:11,200

and find out you know um

878

00:38:17,349 --> 00:38:14,240

find out more about the intelligent

879

00:38:19,270 --> 00:38:17,359

asset that they were targeting

880

00:38:20,950 --> 00:38:19,280

it's it's amazing it's like it's like a

881

00:38:22,550 --> 00:38:20,960

it's like a puzzle and you just have a

882

00:38:24,390 --> 00:38:22,560

few of the pieces and you guys are the

883

00:38:27,829 --> 00:38:24,400

mortar putting it all together

884

00:38:30,390 --> 00:38:27,839

it really is fascinating that we have

885

00:38:31,030 --> 00:38:30,400

this and i say thank goodness for it

886

00:38:33,109 --> 00:38:31,040

because

887

00:38:35,030 --> 00:38:33,119

it seems like through that you're able

888

00:38:36,550 --> 00:38:35,040

to catch up through the small fish

889

00:38:38,310 --> 00:38:36,560

you're able to catch a lot of the bigger

890

00:38:40,950 --> 00:38:38,320

fish even if the small fish

891

00:38:41,750 --> 00:38:40,960

aren't aware of being eavesdropped on

892

00:38:43,910 --> 00:38:41,760

and

893

00:38:45,750 --> 00:38:43,920

strategizing again well sometimes

894

00:38:48,790 --> 00:38:45,760

sometimes the bigger fish

895

00:38:51,829 --> 00:38:48,800

are the ones they miss wow we we

896

00:38:55,270 --> 00:38:51,839

we're able to catch both yeah

897

00:38:56,470 --> 00:38:55,280

wow that's it's it's amazing and i

898

00:38:59,670 --> 00:38:56,480

wanted to get into

899

00:38:59,990 --> 00:38:59,680

you mentioned and i caught it a little

900

00:39:03,670 --> 00:39:00,000

bit

901  
00:39:05,510 --> 00:39:03,680  
about the comedy movie because

902  
00:39:07,910 --> 00:39:05,520  
you can't get through a podcast i'm sure

903  
00:39:10,630 --> 00:39:07,920  
without somebody bringing it up

904  
00:39:12,630 --> 00:39:10,640  
um let's i guess let's go there i was

905  
00:39:14,870 --> 00:39:12,640  
going to try to avoid it because

906  
00:39:16,550 --> 00:39:14,880  
i i was a little let down that it came

907  
00:39:19,670 --> 00:39:16,560  
out as a comedy i was

908  
00:39:21,270 --> 00:39:19,680  
very expectant and and highly enthralled

909  
00:39:22,870 --> 00:39:21,280  
that it would be a drama

910  
00:39:24,470 --> 00:39:22,880  
but it came out as a comedy which is

911  
00:39:27,670 --> 00:39:24,480  
actually very appropriate because

912  
00:39:30,069 --> 00:39:27,680  
uh you guys are just cool guys

913  
00:39:31,910 --> 00:39:30,079

how oh listen i laughed all the way

914

00:39:32,870 --> 00:39:31,920

through that movie oh that's great that

915

00:39:36,150 --> 00:39:32,880

was funny

916

00:39:38,630 --> 00:39:36,160

and and i what has been your experience

917

00:39:40,230 --> 00:39:38,640

since the movie versus before the movie

918

00:39:41,670 --> 00:39:40,240

and the movie and and let's tell our

919

00:39:44,310 --> 00:39:41,680

listeners what the movie is

920

00:39:45,510 --> 00:39:44,320

and and who the protagonist the men who

921

00:39:48,790 --> 00:39:45,520

stare at goats

922

00:39:49,349 --> 00:39:48,800

with uh george clooney uh playing the

923

00:39:52,630 --> 00:39:49,359

role of

924

00:39:56,630 --> 00:39:52,640

lynn the remote viewer

925

00:40:00,470 --> 00:39:56,640

and uh i told my wife i said

926

00:40:02,710 --> 00:40:00,480

yeah george clooney was it was uh

927

00:40:03,670 --> 00:40:02,720

selected as the most handsome man in the

928

00:40:07,109 --> 00:40:03,680

world so

929

00:40:12,470 --> 00:40:07,119

who else would play me and

930

00:40:19,030 --> 00:40:15,910

but um that was the movie and um

931

00:40:20,790 --> 00:40:19,040

it starts out with um with this

932

00:40:22,950 --> 00:40:20,800

caveat that says you wouldn't believe

933

00:40:26,390 --> 00:40:22,960

how much of this is true

934

00:40:30,390 --> 00:40:26,400

um except for the storyline

935

00:40:33,349 --> 00:40:30,400

itself of this one one guy

936

00:40:35,349 --> 00:40:33,359

you know uh and the reporter and all

937

00:40:37,349 --> 00:40:35,359

that

938

00:40:38,390 --> 00:40:37,359

except for the storyline itself which

939

00:40:41,670 --> 00:40:38,400

ties together

940

00:40:45,030 --> 00:40:41,680

like 20 years of activities

941

00:40:48,870 --> 00:40:45,040

um i didn't see anything in the movie

942

00:40:52,150 --> 00:40:51,190

so cool and i think one of my favorite

943

00:40:54,230 --> 00:40:52,160

parts was

944

00:40:55,670 --> 00:40:54,240

uh and i don't want to say who it may or

945

00:40:56,790 --> 00:40:55,680

may not be because as you said the

946

00:40:59,109 --> 00:40:56,800

storyline is just

947

00:41:01,030 --> 00:40:59,119

you know it's very hollywood but it gets

948

00:41:02,950 --> 00:41:01,040

the point it gets the point across

949

00:41:04,790 --> 00:41:02,960

i loved the guy that would try to run

950

00:41:07,990 --> 00:41:04,800

through the wall and just did not give

951  
00:41:11,430 --> 00:41:08,000  
up he just kept trying general

952  
00:41:15,270 --> 00:41:11,440  
heck good right yes that's correct and

953  
00:41:20,630 --> 00:41:15,280  
that actually did happen and uh

954  
00:41:22,790 --> 00:41:20,640  
the general didn't make it so true

955  
00:41:24,550 --> 00:41:22,800  
however however my wife watched the

956  
00:41:27,670 --> 00:41:24,560  
movie and she said

957  
00:41:28,870 --> 00:41:27,680  
uh did you notice that um at the end of

958  
00:41:30,390 --> 00:41:28,880  
the movie

959  
00:41:36,390 --> 00:41:30,400  
the guy who does make it through the

960  
00:41:39,589 --> 00:41:38,230  
such a good movie you can't watch it

961  
00:41:41,190 --> 00:41:39,599  
enough it is great

962  
00:41:43,349 --> 00:41:41,200  
and if you're going to be portrayed by

963  
00:41:46,710 --> 00:41:43,359

anyone george clooney's pretty good

964

00:41:49,829 --> 00:41:46,720

it is so cool

965

00:41:52,710 --> 00:41:49,839

and the i wanted to get into

966

00:41:53,270 --> 00:41:52,720

your amazing book and there is a seventh

967

00:41:55,030 --> 00:41:53,280

sense

968

00:41:57,109 --> 00:41:55,040

can we tell our listeners where they can

969

00:42:01,190 --> 00:41:57,119

get the book what it's about and

970

00:42:03,829 --> 00:42:01,200

obvious the uh the title

971

00:42:04,550 --> 00:42:03,839

uh the seventh sense is on amazon you

972

00:42:07,589 --> 00:42:04,560

can get it

973

00:42:08,710 --> 00:42:07,599

um it is basically a story of my time in

974

00:42:12,790 --> 00:42:08,720

the unit

975

00:42:13,670 --> 00:42:12,800

uh also explanations about remote

976

00:42:16,710 --> 00:42:13,680

viewing

977

00:42:18,470 --> 00:42:16,720

uh many of the things that we did

978

00:42:21,670 --> 00:42:18,480

many of the projects we had while we

979

00:42:25,910 --> 00:42:21,680

were in the unit and the appendices

980

00:42:29,270 --> 00:42:25,920

have um exercises that people can do

981

00:42:32,710 --> 00:42:29,280

to bring out and

982

00:42:35,829 --> 00:42:32,720

hone their natural psychic ability

983

00:42:39,190 --> 00:42:35,839

now it's not controlled remote viewing

984

00:42:42,790 --> 00:42:39,200

but it's exercises that you can use

985

00:42:46,550 --> 00:42:42,800

to bring out and sharpen up your own

986

00:42:50,390 --> 00:42:46,560

psychic ability so and and they work

987

00:42:53,349 --> 00:42:50,400

that's that's why they've survived

988

00:42:54,390 --> 00:42:53,359

and i wanted to talk about your uh

989

00:42:58,230 --> 00:42:54,400

organization

990

00:43:01,510 --> 00:42:58,240

who uh goes through problems solution

991

00:43:03,270 --> 00:43:01,520

and how listeners can access that

992

00:43:05,750 --> 00:43:03,280

get training that is the correct

993

00:43:08,870 --> 00:43:05,760

training and

994

00:43:11,030 --> 00:43:08,880

step out on that amazing branch of

995

00:43:15,750 --> 00:43:11,040

remote viewing

996

00:43:19,910 --> 00:43:15,760

okay um my website is crv

997

00:43:23,910 --> 00:43:19,920

ie w e r c r viewer

998

00:43:28,309 --> 00:43:23,920

for controlled remote viewer and um

999

00:43:31,510 --> 00:43:28,319

uh on the opening page of my website

1000

00:43:35,109 --> 00:43:31,520

if you scroll down to the bottom it has

1001

00:43:39,270 --> 00:43:35,119

links to my courses uh right now

1002

00:43:42,790 --> 00:43:39,280

i have uh two courses

1003

00:43:46,710 --> 00:43:42,800

i'm developing the third one is the

1004

00:43:49,750 --> 00:43:46,720

basic crv level where you learn

1005

00:43:52,470 --> 00:43:49,760

all of the theory and and

1006

00:43:54,150 --> 00:43:52,480

tools mental tools and all that of

1007

00:43:57,430 --> 00:43:54,160

controlled world viewing that you

1008

00:44:00,790 --> 00:43:57,440

use later in applications the other

1009

00:44:02,870 --> 00:44:00,800

is one called associative remote viewing

1010

00:44:05,270 --> 00:44:02,880

which was developed by a man named

1011

00:44:09,829 --> 00:44:05,280

steven schwartz

1012

00:44:12,950 --> 00:44:09,839

of the mega institute and it's used for

1013

00:44:16,069 --> 00:44:12,960

a very special purpose and that is to

1014

00:44:19,589 --> 00:44:16,079

predict the outcome

1015

00:44:23,829 --> 00:44:19,599

of a future event that has a limited

1016

00:44:26,870 --> 00:44:23,839

number of outcomes for example

1017

00:44:27,910 --> 00:44:26,880

will the baby be a boy or girl which

1018

00:44:31,109 --> 00:44:27,920

candidate will become

1019

00:44:33,190 --> 00:44:31,119

president um

1020

00:44:35,030 --> 00:44:33,200

what's going to be the number on the

1021

00:44:37,190 --> 00:44:35,040

first lottery ball

1022

00:44:39,430 --> 00:44:37,200

uh which horse will win the race things

1023

00:44:43,349 --> 00:44:39,440

like this

1024

00:44:46,790 --> 00:44:43,359

so it predicts the outcome

1025

00:44:48,710 --> 00:44:46,800

of a future event that has a limited

1026

00:44:51,190 --> 00:44:48,720

number of outcomes

1027

00:44:52,390 --> 00:44:51,200

and because it's that it's very highly

1028

00:44:55,829 --> 00:44:52,400

specific

1029

00:44:56,710 --> 00:44:55,839

methodology crv on the other hand lets

1030

00:44:59,670 --> 00:44:56,720

you

1031

00:45:01,589 --> 00:44:59,680

get any information of any kind anywhere

1032

00:45:05,270 --> 00:45:01,599

in time and space

1033

00:45:09,270 --> 00:45:05,280

so that's the difference between the two

1034

00:45:12,390 --> 00:45:09,280

also on my page there's a

1035

00:45:13,190 --> 00:45:12,400

tab called training and if you click on

1036

00:45:15,670 --> 00:45:13,200

that

1037

00:45:16,710 --> 00:45:15,680

it will take you to the other qualified

1038

00:45:21,430 --> 00:45:16,720

trainers

1039

00:45:24,710 --> 00:45:21,440

of crv now i don't have any financial

1040

00:45:27,030 --> 00:45:24,720

ties to them at all but i know and can

1041

00:45:30,829 --> 00:45:27,040

vouch for every single one of them

1042

00:45:30,839 --> 00:45:36,069

specific and accurately crv

1043

00:45:42,710 --> 00:45:39,190

excellently said excellently said and

1044

00:45:43,430 --> 00:45:42,720

the uh i i also saw that you are on

1045

00:45:48,470 --> 00:45:43,440

linkedin

1046

00:45:50,790 --> 00:45:48,480

there's a very uh professional way to

1047

00:45:52,150 --> 00:45:50,800

get in touch with lin through linkedin

1048

00:45:56,150 --> 00:45:52,160

and book all of those

1049

00:45:58,950 --> 00:45:56,160

uh courses and i wanted to get into the

1050

00:46:00,950 --> 00:45:58,960

fun stuff lin and i i don't want to call

1051  
00:46:03,670 --> 00:46:00,960  
them war stories although they are

1052  
00:46:04,950 --> 00:46:03,680  
oh yeah what what are some of the best

1053  
00:46:07,030 --> 00:46:04,960  
ones

1054  
00:46:09,190 --> 00:46:07,040  
hey old soldiers love to tell war

1055  
00:46:13,430 --> 00:46:09,200  
stories you know

1056  
00:46:19,030 --> 00:46:17,190  
many um i think one of the first ones

1057  
00:46:22,470 --> 00:46:19,040  
that i heard of was

1058  
00:46:25,670 --> 00:46:22,480  
when i went to the unit uh joe mcmonagle

1059  
00:46:30,230 --> 00:46:25,680  
uh when the um

1060  
00:46:34,309 --> 00:46:30,240  
helicopters tried to rescue the uh

1061  
00:46:41,750 --> 00:46:38,950  
was then in kuwait i think it was

1062  
00:46:43,030 --> 00:46:41,760  
the helicopters got into a sandstorm and

1063  
00:46:45,829 --> 00:46:43,040

were grounded

1064

00:46:47,829 --> 00:46:45,839

and so the marines never got there to

1065

00:46:51,030 --> 00:46:47,839

rescue the hostages

1066

00:46:54,390 --> 00:46:51,040

and uh when the sandstorm hit

1067

00:46:57,030 --> 00:46:54,400

joe was actually doing present time

1068

00:46:58,630 --> 00:46:57,040

following all of this into remote

1069

00:47:01,349 --> 00:46:58,640

viewing

1070

00:47:01,910 --> 00:47:01,359

he saw what happened in the remote union

1071

00:47:04,470 --> 00:47:01,920

and he

1072

00:47:07,190 --> 00:47:04,480

poured he reported a chain of command

1073

00:47:09,750 --> 00:47:07,200

through the defense intelligence agency

1074

00:47:11,190 --> 00:47:09,760

they reported it up and it got to the

1075

00:47:15,109 --> 00:47:11,200

president

1076  
00:47:18,150 --> 00:47:15,119  
10 minutes before it came in over the

1077  
00:47:21,190 --> 00:47:18,160  
radio from the marines

1078  
00:47:24,390 --> 00:47:21,200  
and and

1079  
00:47:27,510 --> 00:47:24,400  
another one was paul smith uh

1080  
00:47:31,829 --> 00:47:27,520  
predicted the um

1081  
00:47:36,829 --> 00:47:34,630  
i think it was the ship was called the

1082  
00:47:39,670 --> 00:47:36,839  
stark

1083  
00:47:41,910 --> 00:47:39,680  
uh i'm not sure but uh

1084  
00:47:44,390 --> 00:47:41,920  
some terrorists ran a boat into the side

1085  
00:47:48,150 --> 00:47:44,400  
of a navy ship and it exploded

1086  
00:47:52,309 --> 00:47:48,160  
and uh some sailors were killed uh paul

1087  
00:47:55,190 --> 00:47:52,319  
predicted that i predicted the um

1088  
00:47:57,030 --> 00:47:55,200

meltdown of chernobyl three days before

1089

00:48:00,069 --> 00:47:57,040

it happened

1090

00:48:04,870 --> 00:48:00,079

and um many of these things

1091

00:48:08,470 --> 00:48:04,880

um we we did

1092

00:48:09,910 --> 00:48:08,480

battles uh you know uh predicting the

1093

00:48:13,589 --> 00:48:09,920

outcome of battles

1094

00:48:16,630 --> 00:48:13,599

the plans and intentions of the generals

1095

00:48:18,549 --> 00:48:16,640

who were going into battle we would

1096

00:48:19,990 --> 00:48:18,559

report those plans and intentions so

1097

00:48:25,270 --> 00:48:20,000

that our troops knew ahead of time

1098

00:48:25,280 --> 00:48:30,230

also we did a lot of

1099

00:48:34,150 --> 00:48:32,549

finding information about you know new

1100

00:48:37,190 --> 00:48:34,160

scientific developments

1101

00:48:41,589 --> 00:48:37,200

uh governmental plans

1102

00:48:44,549 --> 00:48:41,599

uh uh personality assessments of

1103

00:48:44,950 --> 00:48:44,559

different politicians and generals and

1104

00:48:51,270 --> 00:48:44,960

and

1105

00:48:55,510 --> 00:48:53,349

yeah there's there's a lot of there's a

1106

00:48:57,510 --> 00:48:55,520

lot of evolving adversarial threats

1107

00:48:58,549 --> 00:48:57,520

constantly trying to take this country

1108

00:49:00,150 --> 00:48:58,559

down and

1109

00:49:02,390 --> 00:49:00,160

i can't thank you enough for your

1110

00:49:05,430 --> 00:49:02,400

service and how you've and

1111

00:49:06,549 --> 00:49:05,440

others have just really kind of held us

1112

00:49:09,670 --> 00:49:06,559

to a level

1113

00:49:11,510 --> 00:49:09,680

that is so far above other countries and

1114

00:49:13,829 --> 00:49:11,520

i don't say that in a bad way but

1115

00:49:15,190 --> 00:49:13,839

it's it's really iconic that you know we

1116

00:49:16,870 --> 00:49:15,200

can all work together

1117

00:49:19,270 --> 00:49:16,880

and a lot of those countries are our

1118

00:49:20,309 --> 00:49:19,280

allies so that that's what's beautiful

1119

00:49:23,910 --> 00:49:20,319

about it

1120

00:49:27,109 --> 00:49:23,920

um a very a very positive

1121

00:49:28,950 --> 00:49:27,119

uh positive enlightening this this is an

1122

00:49:31,589 --> 00:49:28,960

amazing interview for me

1123

00:49:32,069 --> 00:49:31,599

i wanted to ask you a little bit about

1124

00:49:33,910 --> 00:49:32,079

uh

1125

00:49:35,910 --> 00:49:33,920

well something that is kind of a selfish

1126  
00:49:39,270 --> 00:49:35,920  
and we don't have to go down this road

1127  
00:49:42,870 --> 00:49:39,280  
uh you mentioned joe mcmonicle and

1128  
00:49:45,829 --> 00:49:42,880  
he if i'm not mistaken wants

1129  
00:49:47,270 --> 00:49:45,839  
remote viewed the uintah basin of utah

1130  
00:49:51,190 --> 00:49:47,280  
which is an area that is

1131  
00:49:53,109 --> 00:49:51,200  
uh well i special to me but i cannot

1132  
00:49:55,190 --> 00:49:53,119  
remember exactly what he viewed

1133  
00:49:57,510 --> 00:49:55,200  
i'm wondering is that something that you

1134  
00:50:00,630 --> 00:49:57,520  
ever came across do you ever remember

1135  
00:50:02,549 --> 00:50:00,640  
uh if he had i remember something about

1136  
00:50:02,950 --> 00:50:02,559  
that i don't remember the details of it

1137  
00:50:06,710 --> 00:50:02,960  
no

1138  
00:50:09,109 --> 00:50:06,720

oh yeah joe did some amazing stuff

1139

00:50:09,910 --> 00:50:09,119

he was an amazing viewer he's an amazing

1140

00:50:11,510 --> 00:50:09,920

person

1141

00:50:13,750 --> 00:50:11,520

and that's what i wanted to also get

1142

00:50:16,630 --> 00:50:13,760

into is uh just joe in general

1143

00:50:16,950 --> 00:50:16,640

is you know the amazing joe mcmonacle

1144

00:50:20,630 --> 00:50:16,960

and

1145

00:50:22,390 --> 00:50:20,640

if possible with the last few minutes we

1146

00:50:25,670 --> 00:50:22,400

have

1147

00:50:30,790 --> 00:50:25,680

uh well one of the stories that um

1148

00:50:38,470 --> 00:50:34,549

joe kind of just oops it and

1149

00:50:40,549 --> 00:50:38,480

says well that's evolved quite a bit

1150

00:50:41,910 --> 00:50:40,559

the buildings that we had was the

1151  
00:50:43,589 --> 00:50:41,920  
condemned building

1152  
00:50:45,510 --> 00:50:43,599  
that's where they put those crazy

1153  
00:50:47,109 --> 00:50:45,520  
psychics out at fort meade

1154  
00:50:48,710 --> 00:50:47,119  
it was a condemned building condemned

1155  
00:50:50,630 --> 00:50:48,720  
after world war ii

1156  
00:50:53,190 --> 00:50:50,640  
uh there was no air conditioning of any

1157  
00:50:56,790 --> 00:50:53,200  
kind and

1158  
00:51:00,309 --> 00:50:56,800  
the uh prevailing winds

1159  
00:51:03,030 --> 00:51:00,319  
go along the building

1160  
00:51:04,870 --> 00:51:03,040  
rather than across the building so we

1161  
00:51:08,309 --> 00:51:04,880  
would open windows

1162  
00:51:10,390 --> 00:51:08,319  
but still get hardly any breeze in

1163  
00:51:11,589 --> 00:51:10,400

and in the summertime it gets hot and

1164

00:51:14,069 --> 00:51:11,599

humid

1165

00:51:15,910 --> 00:51:14,079

and there was a back door on the

1166

00:51:19,510 --> 00:51:15,920

building that had been

1167

00:51:22,230 --> 00:51:19,520

locked after world war ii it had

1168

00:51:22,630 --> 00:51:22,240

coats of paint over it and painted shut

1169

00:51:25,030 --> 00:51:22,640

and

1170

00:51:25,990 --> 00:51:25,040

you know was sealed there was no key for

1171

00:51:29,270 --> 00:51:26,000

it

1172

00:51:33,030 --> 00:51:29,280

and so as the story goes

1173

00:51:36,390 --> 00:51:33,040

and as i heard it joe went over one day

1174

00:51:37,270 --> 00:51:36,400

one really hot day to the other building

1175

00:51:41,829 --> 00:51:37,280

where we did

1176

00:51:44,630 --> 00:51:41,839

all of our viewing and uh he sat down

1177

00:51:45,190 --> 00:51:44,640

and remote viewed the key that would fit

1178

00:51:50,069 --> 00:51:45,200

that

1179

00:51:52,549 --> 00:51:50,079

lock drew it on a sheet of paper

1180

00:51:53,910 --> 00:51:52,559

came out went downtown and got a key

1181

00:51:57,190 --> 00:51:53,920

made with that

1182

00:51:58,309 --> 00:51:57,200

with that uh configuration came back

1183

00:52:00,470 --> 00:51:58,319

stuck it in the lock

1184

00:52:03,430 --> 00:52:00,480

opened the door and got a super ease in

1185

00:52:11,270 --> 00:52:07,750

that is so amazing that is some serious

1186

00:52:14,069 --> 00:52:11,280

serious skill how cool and

1187

00:52:14,790 --> 00:52:14,079

uh lynn i can't thank you enough for our

1188

00:52:18,390 --> 00:52:14,800

listeners

1189

00:52:21,270 --> 00:52:18,400

please check out lynn buchanan and his

1190

00:52:23,430 --> 00:52:21,280

and his works you can get a hold of his

1191

00:52:26,069 --> 00:52:23,440

book on amazon and you can also

1192

00:52:28,790 --> 00:52:26,079

get uh a hold of him executive director

1193

00:52:30,870 --> 00:52:28,800

at problems solutions innovations

1194

00:52:31,990 --> 00:52:30,880

is it still out of alamogordo new mexico

1195

00:52:34,950 --> 00:52:32,000

sir

1196

00:52:36,309 --> 00:52:34,960

yeah and by the way the website has

1197

00:52:38,549 --> 00:52:36,319

hundreds of

1198

00:52:39,510 --> 00:52:38,559

practice targets that you don't need

1199

00:52:42,309 --> 00:52:39,520

training you just

1200

00:52:44,870 --> 00:52:42,319

try them we don't track anybody if you

1201  
00:52:47,190 --> 00:52:44,880  
do bad nobody has to know if you

1202  
00:52:48,069 --> 00:52:47,200  
do a great job you have total bragging

1203  
00:52:51,990 --> 00:52:48,079  
rights okay

1204  
00:52:54,309 --> 00:52:52,000  
that's perfect for me for the bad part

1205  
00:52:55,750 --> 00:52:54,319  
that is great and lastly i guess we just

1206  
00:52:57,670 --> 00:52:55,760  
have a couple minutes left is there

1207  
00:52:59,030 --> 00:52:57,680  
anything that uh you would like to share

1208  
00:53:01,670 --> 00:52:59,040  
with our listeners that is just

1209  
00:53:05,109 --> 00:53:01,680  
intriguing

1210  
00:53:09,430 --> 00:53:05,119  
um the thing i would say

1211  
00:53:13,910 --> 00:53:09,440  
is that the human mind is fantastic

1212  
00:53:14,630 --> 00:53:13,920  
uh and that at your subconscious level

1213  
00:53:18,069 --> 00:53:14,640

you really

1214

00:53:21,670 --> 00:53:18,079

are you do have the psychic ability

1215

00:53:26,069 --> 00:53:21,680

and uh uh that

1216

00:53:29,030 --> 00:53:26,079

getting to it involves more than

1217

00:53:30,470 --> 00:53:29,040

lying down and taking a nap or rolling

1218

00:53:33,910 --> 00:53:30,480

your eyes back in your head

1219

00:53:37,190 --> 00:53:33,920

and and stuff like that it takes

1220

00:53:41,109 --> 00:53:37,200

a concerted effort and it takes the

1221

00:53:44,150 --> 00:53:41,119

conscious mind a good logical effort

1222

00:53:45,910 --> 00:53:44,160

to learn how to listen to the

1223

00:53:50,230 --> 00:53:45,920

subconscious

1224

00:53:52,150 --> 00:53:50,240

and report accurately what is being said

1225

00:53:54,150 --> 00:53:52,160

we've ignored our subconscious and our

1226

00:53:56,230 --> 00:53:54,160

inner child all along

1227

00:53:57,829 --> 00:53:56,240

one of the things one of the wonderful

1228

00:54:00,549 --> 00:53:57,839

things about remote viewing

1229

00:54:02,150 --> 00:54:00,559

controlled remote viewing is that as you

1230

00:54:05,030 --> 00:54:02,160

do this

1231

00:54:07,670 --> 00:54:05,040

you're giving your inner child rights

1232

00:54:09,829 --> 00:54:07,680

and responsibilities

1233

00:54:11,430 --> 00:54:09,839

and it actually grows into an inner

1234

00:54:14,710 --> 00:54:11,440

adult

1235

00:54:17,510 --> 00:54:14,720

is

1236

00:54:18,790 --> 00:54:17,520

faster than you are it's smarter than

1237

00:54:22,829 --> 00:54:18,800

you are

1238

00:54:26,309 --> 00:54:22,839

and it cares about keeping you safe

1239

00:54:29,990 --> 00:54:26,319

and making your life better

1240

00:54:31,670 --> 00:54:30,000

so the the big benefit to controlled

1241

00:54:34,390 --> 00:54:31,680

remote viewing

1242

00:54:35,430 --> 00:54:34,400

is not being able to spy on some other

1243

00:54:39,109 --> 00:54:35,440

country

1244

00:54:41,829 --> 00:54:39,119

it's what it does for your own life

1245

00:54:43,510 --> 00:54:41,839

amen such unconditional compassion thank

1246

00:54:46,710 --> 00:54:43,520

you sir and such a good

1247

00:54:48,390 --> 00:54:46,720

explanation i i i think i

1248

00:54:49,990 --> 00:54:48,400

i as well as probably most of our

1249

00:54:51,910 --> 00:54:50,000

listeners could relate to that and

1250

00:54:52,870 --> 00:54:51,920

hopefully we can incorporate that in our

1251

00:54:55,030 --> 00:54:52,880

lives

1252

00:54:56,870 --> 00:54:55,040

and with that said i can't thank you

1253

00:54:58,710 --> 00:54:56,880

enough for coming on the podcast i hope

1254

00:55:01,829 --> 00:54:58,720

to talk to you again soon

1255

00:55:05,510 --> 00:55:01,839

and i wish you the very best you too

1256

00:55:08,549 --> 00:55:05,520

thank you very much man oh man

1257

00:55:09,910 --> 00:55:08,559

well one of my heroes for sure and i

1258

00:55:11,670 --> 00:55:09,920

never really thought i'd get the chance

1259

00:55:13,030 --> 00:55:11,680

to talk to him one of the nicest most

1260

00:55:15,349 --> 00:55:13,040

professional

1261

00:55:16,069 --> 00:55:15,359

servicemen i've ever talked to lynn

1262

00:55:19,910 --> 00:55:16,079

buchanan

1263

00:55:21,349 --> 00:55:19,920

is a icon and a quick pitch for another

1264

00:55:24,630 --> 00:55:21,359

icon i stand behind

1265

00:55:28,030 --> 00:55:24,640

full-heartedly is a wonderful product

1266

00:55:29,990 --> 00:55:28,040

known as spice we will have that on the

1267

00:55:30,710 --> 00:55:30,000

heroparanormal.com website hopefully

1268

00:55:32,870 --> 00:55:30,720

soon

1269

00:55:34,549 --> 00:55:32,880

all organic bronzer like you've never

1270

00:55:37,990 --> 00:55:34,559

seen before

1271

00:55:41,190 --> 00:55:38,000

right out of laguna and uh good stuff

1272

00:55:43,109 --> 00:55:41,200

and happinessmedical.com is a new

1273

00:55:44,789 --> 00:55:43,119

venture that you need to check out that

1274

00:55:46,789 --> 00:55:44,799

website will be up and running soon it's

1275

00:55:50,150 --> 00:55:46,799

going to help the lives of

1276  
00:55:50,630 --> 00:55:50,160  
those who have special needs until next

1277  
00:55:52,950 --> 00:55:50,640  
time

1278  
00:55:54,789 --> 00:55:52,960  
keep your eyes to the skies feet on the

1279  
00:56:05,370 --> 00:55:54,799  
ground but don't forget

1280  
00:56:29,030 --> 00:56:10,780  
[Music]

1281  
00:56:33,190 --> 00:56:31,670  
fly blast off in the time machine

1282  
00:56:35,349 --> 00:56:33,200  
blowing on that light green straight

1283  
00:56:37,349 --> 00:56:35,359  
lima beans

1284  
00:56:39,270 --> 00:56:37,359  
take it easy what they tell me well i'm

1285  
00:56:41,349 --> 00:56:39,280  
so deep not even losing help me

1286  
00:56:53,349 --> 00:56:41,359  
and i'm going so hard not even lucifer

1287  
00:57:10,230 --> 00:56:55,349  
we partying back to the future like

1288  
00:57:17,109 --> 00:57:14,230

blast blast off blast off

1289

00:57:20,990 --> 00:57:17,119

come blast off in my time machine third

1290

00:57:21,000 --> 00:57:24,829

[Music]

1291

00:57:34,310 --> 00:57:27,690

pasta

1292

00:57:34,320 --> 00:57:38,829

[Music]
