pitching anything because this guy's

22

00:01:17,030 --> 00:01:14,960

awesome and

23

00:01:19,030 --> 00:01:17,040

we're just gonna discuss all the things

24

00:01:21,109 --> 00:01:19,040

that we need to discuss which

25

00:01:23,510 --> 00:01:21,119

last time i checked there was a lot of

26

00:01:27,030 --> 00:01:23,520

them so here we go

27

00:01:29,190 --> 00:01:27,040

nathan is a great guy nathan arizona

28

00:01:31,270 --> 00:01:29,200

welcome to the hero paranormal podcast

29

00:01:34,069 --> 00:01:31,280

my man

30

00:01:35,429 --> 00:01:34,079

how's it going you know i can't complain

31

00:01:37,350 --> 00:01:35,439

it's snowing in vegas

32

00:01:40,950 --> 00:01:37,360

and from a global warming standpoint

33

00:01:43,510 --> 00:01:40,960

that's like super good news i guess um

34

00:01:45,270 --> 00:01:43,520

but it is cold and that sucks so i can't

35

00:01:47,670 --> 00:01:45,280

really go out and do anything

36

00:01:48,870 --> 00:01:47,680

but i was super excited because hey i'm

37

00:01:50,310 --> 00:01:48,880

inside talking to you

38

00:01:52,069 --> 00:01:50,320

and i've been wanting to talk to you for

39

00:01:53,749 --> 00:01:52,079

a long time the last time i saw you

40

00:01:55,350 --> 00:01:53,759

there was like 200 people around us they

41

00:01:57,109 --> 00:01:55,360

all wanted to talk to you

42

00:01:58,630 --> 00:01:57,119

and you still made time to talk to me

43

00:02:01,030 --> 00:01:58,640

and i appreciate that

44

00:02:02,069 --> 00:02:01,040

um i wanted to delve into all kinds of

45

00:02:03,670 --> 00:02:02,079

stuff but why don't you tell our

46

00:02:04,709 --> 00:02:03,680

listeners a little bit about yourself

47

00:02:09,589 --> 00:02:04,719

and a question i ask

48

00:02:12,790 --> 00:02:09,599

all my guests is who is nathan arizona

49

00:02:15,830 --> 00:02:12,800

well i'm i'm a professional guide i do

50

00:02:17,350 --> 00:02:15,840

tours around the american southwest like

51

00:02:19,910 --> 00:02:17,360

a normal tour guide would i

52

00:02:21,670 --> 00:02:19,920

started out as a wilderness tour guide

53

00:02:23,110 --> 00:02:21,680

on the arizona strip

54

00:02:24,710 --> 00:02:23,120

just north of the grand canyon on the

55

00:02:26,309 --> 00:02:24,720

arizona strip

56

00:02:28,710 --> 00:02:26,319

uh it was one of the most isolated

57

00:02:30,869 --> 00:02:28,720

places in the lower 48 states and

58

00:02:32,550 --> 00:02:30,879

national geographic called the bed of

59

00:02:35,509 --> 00:02:32,560

the americas so

60

00:02:37,030 --> 00:02:35,519

i most of my 17 years of my career has

61

00:02:39,830 --> 00:02:37,040

been as a professional

62

00:02:41,910 --> 00:02:39,840

interpretive guide you know doing tours

63

00:02:44,710 --> 00:02:41,920

around the southwest so

64

00:02:45,750 --> 00:02:44,720

my interest in ufos kind of took off

65

00:02:50,070 --> 00:02:45,760

when i witnessed

66

00:02:51,830 --> 00:02:50,080

my first major sighting in 2013 and had

67

00:02:54,390 --> 00:02:51,840

two more sightings after that between

68

00:02:56,229 --> 00:02:54,400

2013 and 2016

69

00:02:57,830 --> 00:02:56,239

and i think that's kind of what set

70

00:03:00,710 --> 00:02:57,840

everything into motion for

71

00:03:03,270 --> 00:03:00,720

a festival that we formed up in southern

72

00:03:06,149 --> 00:03:03,280

utah which you've also been a supporter

73

00:03:07,830 --> 00:03:06,159

and a backer of and so we you know i've

74

00:03:11,030 --> 00:03:07,840

been kind of walking that walk

75

00:03:13,830 --> 00:03:11,040

just kind of after experiencing that

76

00:03:15,350 --> 00:03:13,840

sighting the first sighting firsthand it

77

00:03:17,589 --> 00:03:15,360

kind of

78

00:03:18,869 --> 00:03:17,599

causes you to begin a journey down the

79

00:03:22,309 --> 00:03:18,879

rabbit hole

80

00:03:24,949 --> 00:03:22,319

which is not your typical reality

81

00:03:25,350 --> 00:03:24,959

in this field so you know you have you

82

00:03:26,949 --> 00:03:25,360

have to

83

00:03:28,470 --> 00:03:26,959

you're trying to make sense of something

84

00:03:30,149 --> 00:03:28,480

that's constantly exploited

85

00:03:32,309 --> 00:03:30,159

you know for for the mighty dollar and

86

00:03:35,190 --> 00:03:32,319

for a profit

87

00:03:35,830 --> 00:03:35,200

it makes you question the actual niche

88

00:03:37,589 --> 00:03:35,840

of

89

00:03:40,309 --> 00:03:37,599

the phenomenon i don't question the

90

00:03:42,949 --> 00:03:40,319

phenomenon at all i believe it's real

91

00:03:46,309 --> 00:03:42,959

based on what i've experienced and we

92

00:03:47,830 --> 00:03:46,319

can't scientifically uh

93

00:03:49,509 --> 00:03:47,840

you know find a whole lot of evidence

94

00:03:51,110 --> 00:03:49,519

supporting it but we know that

95

00:03:52,229 --> 00:03:51,120

something's going on and that's why we

96

00:03:54,229 --> 00:03:52,239

even talk about it

97

00:03:55,509 --> 00:03:54,239

so that's where i'm at right now i do

98

00:03:58,390 --> 00:03:55,519

occasional

99

00:04:00,470 --> 00:03:58,400

area 51 tours i'm getting ready to take

100

00:04:03,670 --> 00:04:00,480

a film crew mid april out to

101
00:04:06,390 --> 00:04:03,680
a german film crew out to rachel and

102
00:04:07,750 --> 00:04:06,400
area 51 area

103
00:04:10,070 --> 00:04:07,760
you know and that's going to be kind of

104
00:04:11,830 --> 00:04:10,080
difficult with the covet 19 restrictions

105
00:04:13,270 --> 00:04:11,840
currently in place in nevada right now

106
00:04:15,190 --> 00:04:13,280
so i'm hoping they

107
00:04:16,469 --> 00:04:15,200
lift those but i you know they've

108
00:04:18,069 --> 00:04:16,479
they're that's going to be an

109
00:04:19,270 --> 00:04:18,079
interesting experience it's the first

110
00:04:22,310 --> 00:04:19,280
tour

111
00:04:24,310 --> 00:04:22,320
i've been able to conduct since the

112
00:04:26,230 --> 00:04:24,320
beginning of the pandemic so

113
00:04:27,909 --> 00:04:26,240

it it might be the light at the end of

114

00:04:29,510 --> 00:04:27,919

the tunnel but maybe there's a train

115

00:04:30,870 --> 00:04:29,520

coming that's what that light is you

116

00:04:33,510 --> 00:04:30,880

know

117

00:04:34,070 --> 00:04:33,520

i couldn't agree more uh nevada it's so

118

00:04:35,510 --> 00:04:34,080

weird

119

00:04:37,350 --> 00:04:35,520

it seems like we just do whatever

120

00:04:38,230 --> 00:04:37,360

california does but we wait a couple

121

00:04:42,070 --> 00:04:38,240

weeks

122

00:04:44,469 --> 00:04:42,080

and um but i'm no specialist in politics

123

00:04:45,909 --> 00:04:44,479

so my my whole thing just comes from you

124

00:04:48,870 --> 00:04:45,919

know it'd be cool to see that

125

00:04:49,670 --> 00:04:48,880

and and i can't wait and your tours are

126

00:04:53,030 --> 00:04:49,680

awesome

127

00:04:56,310 --> 00:04:53,040

in the intro i kind of explained how you

128

00:04:57,830 --> 00:04:56,320

uh have the people you have there travis

129

00:05:00,070 --> 00:04:57,840

walton goes every year

130

00:05:02,070 --> 00:05:00,080

it's really quite phenomenal and and i

131

00:05:02,870 --> 00:05:02,080

think that it will be back soon mask or

132

00:05:04,550 --> 00:05:02,880

mask not

133

00:05:06,230 --> 00:05:04,560

somehow i think you're gonna make it

134

00:05:07,830 --> 00:05:06,240

happen or like we discussed maybe you'll

135

00:05:08,710 --> 00:05:07,840

make something happen in both places

136

00:05:11,670 --> 00:05:08,720

arizona and

137

00:05:13,350 --> 00:05:11,680

in utah i don't think with as far as

138

00:05:15,189 --> 00:05:13,360

events and stuff like that going

139

00:05:18,150 --> 00:05:15,199

i think we're going to probably end up

140

00:05:20,230 --> 00:05:18,160

shooting for 2022 because i've talked to

141

00:05:22,230 --> 00:05:20,240

connie she's a friend of mine who is one

142

00:05:25,029 --> 00:05:22,240

of the owners of the little ailey inn

143

00:05:27,189 --> 00:05:25,039

out in rachel and you know i really went

144

00:05:28,310 --> 00:05:27,199

to her for some advice on what we should

145

00:05:31,749 --> 00:05:28,320

do and she

146

00:05:33,909 --> 00:05:31,759

she basically said the legal liabilities

147

00:05:36,550 --> 00:05:33,919

associated with kobit would make our

148

00:05:38,230 --> 00:05:36,560

insurance policy for an event go clear

149

00:05:41,909 --> 00:05:38,240

to the roof so we probably

150

00:05:44,390 --> 00:05:41,919

won't unfortunately because of cost

151
00:05:45,990 --> 00:05:44,400
and economics i think the pandemic's

152
00:05:46,629 --> 00:05:46,000
going to prevent us from being able to

153
00:05:48,870 --> 00:05:46,639
do it

154
00:05:50,629 --> 00:05:48,880
an event this year so we're we're kind

155
00:05:52,629 --> 00:05:50,639
of it's still up in the air right now we

156
00:05:54,550 --> 00:05:52,639
don't know what we're doing yet but

157
00:05:56,629 --> 00:05:54,560
i i think it's safe to say that people

158
00:05:59,350 --> 00:05:56,639
should assume that nothing

159
00:05:59,749 --> 00:05:59,360
may happen this summer honestly until

160
00:06:06,309 --> 00:05:59,759
we're

161
00:06:08,309 --> 00:06:06,319
you know we just have to play a safe so

162
00:06:09,990 --> 00:06:08,319
and out of the woods is is a good way to

163
00:06:11,350 --> 00:06:10,000

put it because yeah you just don't

164

00:06:13,029 --> 00:06:11,360

know what's happening i mean you

165

00:06:15,110 --> 00:06:13,039

obviously have a lot better pulse on it

166

00:06:18,070 --> 00:06:15,120

than i do and i appreciate that

167

00:06:19,430 --> 00:06:18,080

um so kind of getting into something i

168

00:06:20,390 --> 00:06:19,440

want to discuss with you and something

169

00:06:22,309 --> 00:06:20,400

you discussed

170

00:06:23,990 --> 00:06:22,319

at uh the last time i saw you at the

171

00:06:27,110 --> 00:06:24,000

utah ufo fest

172

00:06:27,990 --> 00:06:27,120

was some amazing history of your own

173

00:06:31,430 --> 00:06:28,000

family

174

00:06:35,590 --> 00:06:31,440

and really uh your mormon roots

175

00:06:37,510 --> 00:06:35,600

and and ufos in utah

176

00:06:39,189 --> 00:06:37,520

okay you just gotta tell me where to

177

00:06:41,590 --> 00:06:39,199

start because it's so hard

178

00:06:43,430 --> 00:06:41,600

it's so hard i know i know your grandpa

179

00:06:45,830 --> 00:06:43,440

was very special to you so i want to

180

00:06:49,430 --> 00:06:45,840

start there but i know that the story

181

00:06:51,909 --> 00:06:49,440

starts well before that

182

00:06:52,870 --> 00:06:51,919

for that for my experiences with ufos or

183

00:06:56,309 --> 00:06:52,880

my or like

184

00:06:56,950 --> 00:06:56,319

grandfather ufos yeah like ufos and your

185

00:06:58,950 --> 00:06:56,960

grandpa

186

00:07:02,710 --> 00:06:58,960

and and possible connections to his

187

00:07:04,390 --> 00:07:02,720

mormon roots

188

00:07:05,830 --> 00:07:04,400

yeah i don't think i don't exactly

189

00:07:07,430 --> 00:07:05,840

remember what i was talking about at the

190

00:07:09,110 --> 00:07:07,440

festivals if you have any specific

191

00:07:11,430 --> 00:07:09,120

questions let me know because i was

192

00:07:12,230 --> 00:07:11,440

i covered a lot of topics at the last

193

00:07:14,550 --> 00:07:12,240

you did it was

194

00:07:15,990 --> 00:07:14,560

it was awesome discussion let's go with

195

00:07:17,189 --> 00:07:16,000

your grandpa and kind of go

196

00:07:18,790 --> 00:07:17,199

from there because that's kind of where

197

00:07:21,510 --> 00:07:18,800

my gut tells me to start and i think

198

00:07:24,550 --> 00:07:21,520

that's the place to start

199

00:07:26,950 --> 00:07:24,560

okay my grandpa has always he spent

200

00:07:29,350 --> 00:07:26,960

his life out in the hills he he was

201
00:07:30,629 --> 00:07:29,360
going down mine shops when he was a kid

202
00:07:33,830 --> 00:07:30,639
he was sneaking out of his house in the

203
00:07:35,670 --> 00:07:33,840
middle of the night uh going out and

204
00:07:37,589 --> 00:07:35,680
you know venturing out he ran a mining

205
00:07:39,189 --> 00:07:37,599
company up in utah we had about 300

206
00:07:41,350 --> 00:07:39,199
mining claims

207
00:07:42,309 --> 00:07:41,360
around the state he had a gold mine that

208
00:07:45,510 --> 00:07:42,319
he

209
00:07:47,510 --> 00:07:45,520
gold strike

210
00:07:50,150 --> 00:07:47,520
and everyone thought he was crazy

211
00:07:51,909 --> 00:07:50,160
because he claimed that he discovered

212
00:07:53,990 --> 00:07:51,919
gold in these old spanish diggings that

213
00:07:55,830 --> 00:07:54,000

were like 16th century

214

00:07:57,830 --> 00:07:55,840

spanish diggings you know when you hear

215

00:07:58,710 --> 00:07:57,840

people talk like that today you think oh

216

00:08:00,869 --> 00:07:58,720

yeah they're

217

00:08:01,909 --> 00:08:00,879

they're they're they're they're quacky

218

00:08:03,990 --> 00:08:01,919

right they're like

219

00:08:05,189 --> 00:08:04,000

nah i don't i doubt you know that's

220

00:08:06,550 --> 00:08:05,199

wishful thinking and

221

00:08:08,230 --> 00:08:06,560

everyone is saying george you thought i

222

00:08:09,990 --> 00:08:08,240

thought he was crazy

223

00:08:12,309 --> 00:08:10,000

because he was telling people that he

224

00:08:14,309 --> 00:08:12,319

was he had found gold in these old

225

00:08:14,790 --> 00:08:14,319

spanish diggings he spent the next 15

226

00:08:17,189 --> 00:08:14,800

years

227

00:08:18,309 --> 00:08:17,199

prospecting the area he finally actually

228

00:08:20,230 --> 00:08:18,319

had the

229

00:08:21,589 --> 00:08:20,240

samples assayed and it turned out there

230

00:08:24,309 --> 00:08:21,599

was gold

231

00:08:24,790 --> 00:08:24,319

in the ore and uh he couldn't afford to

232

00:08:28,070 --> 00:08:24,800

develop

233

00:08:31,110 --> 00:08:28,080

claims so he uh he

234

00:08:32,870 --> 00:08:31,120

i guess put out some kind of uh inquiry

235

00:08:34,230 --> 00:08:32,880

out to public mining companies and one

236

00:08:35,670 --> 00:08:34,240

of them stepped up to the plate i think

237

00:08:37,829 --> 00:08:35,680

it was teneco

238

00:08:39,430 --> 00:08:37,839

and they ended up uh open pitting that

239

00:08:42,870 --> 00:08:39,440

mine and producing like

240

00:08:43,269 --> 00:08:42,880

well over uh 200 million dollars in gold

241

00:08:44,790 --> 00:08:43,279

ore

242

00:08:46,310 --> 00:08:44,800

out of gold strikes so it's called the

243

00:08:47,590 --> 00:08:46,320

gold strike mining district down by

244

00:08:49,590 --> 00:08:47,600

saint george

245

00:08:51,030 --> 00:08:49,600

and i think a lot of people probably

246

00:08:53,190 --> 00:08:51,040

didn't

247

00:08:55,030 --> 00:08:53,200

you know they thought they my grapple

248

00:08:56,710 --> 00:08:55,040

was very soft-spoken he wasn't

249

00:08:59,110 --> 00:08:56,720

he was kind of introverted in a lot of

250

00:09:00,710 --> 00:08:59,120

ways he he he wasn't afraid to get in

251

00:09:01,590 --> 00:09:00,720

front of groups of people and talk to

252

00:09:03,910 --> 00:09:01,600

him but i think he was kind of

253

00:09:06,389 --> 00:09:03,920

conservative when it came to sharing

254

00:09:07,990 --> 00:09:06,399

some of her his deeper feelings but he

255

00:09:11,509 --> 00:09:08,000

always had kind of like the soft

256

00:09:12,949 --> 00:09:11,519

spot for ufos the whole time i've been

257

00:09:15,269 --> 00:09:12,959

growing up

258

00:09:16,070 --> 00:09:15,279

uh he it was always a topic of interest

259

00:09:20,790 --> 00:09:16,080

that

260

00:09:22,389 --> 00:09:20,800

especially when we were traveling out to

261

00:09:24,470 --> 00:09:22,399

the mines or the quarries i was kind of

262

00:09:25,910 --> 00:09:24,480

my grandpa's rock slave right he

263

00:09:28,150 --> 00:09:25,920

didn't like to hire people from the

264

00:09:29,670 --> 00:09:28,160

outside because you know we some of our

265

00:09:31,350 --> 00:09:29,680

operations were sensitive and he was

266

00:09:33,190 --> 00:09:31,360

afraid of people going into the mines

267

00:09:35,590 --> 00:09:33,200

and stealing the rock and

268

00:09:37,190 --> 00:09:35,600

you know it's like we would we we would

269

00:09:39,670 --> 00:09:37,200

have these conversations

270

00:09:41,829 --> 00:09:39,680

on ufology from when i was a kid before

271

00:09:45,509 --> 00:09:41,839

i even knew what a ufo was

272

00:09:48,790 --> 00:09:45,519

so it's like um he had

273

00:09:51,030 --> 00:09:48,800

he he he had dreams where

274

00:09:52,389 --> 00:09:51,040

like one of his dreams was like he saw

275

00:09:55,509 --> 00:09:52,399

the design of how

276

00:09:57,269 --> 00:09:55,519

these crafts were engineered

277

00:09:58,949 --> 00:09:57,279

and he he actually woke up from that

278

00:10:00,310 --> 00:09:58,959

dream and drew out like through an

279

00:10:02,630 --> 00:10:00,320

outline

280

00:10:03,990 --> 00:10:02,640

of of the technology that he had

281

00:10:07,110 --> 00:10:04,000

remembered from his dream

282

00:10:09,910 --> 00:10:07,120

that told him basically how these

283

00:10:10,269 --> 00:10:09,920

these craft would operate how they were

284

00:10:12,470 --> 00:10:10,279

like

285

00:10:14,949 --> 00:10:12,480

anti-gravitational vehicles now i don't

286

00:10:16,710 --> 00:10:14,959

know how serious to take that but

287

00:10:19,750 --> 00:10:16,720

my grandpa was kind of an interesting

288

00:10:22,069 --> 00:10:19,760

character and after he passed away we uh

289

00:10:23,829 --> 00:10:22,079

my brother and i you know he he was a

290

00:10:25,430 --> 00:10:23,839

kind of he was a gentle he liked the

291

00:10:27,350 --> 00:10:25,440

girl that occasionally grow his

292

00:10:28,790 --> 00:10:27,360

beard really long and white and he kind

293

00:10:29,430 --> 00:10:28,800

of looked like one of those guys on duck

294

00:10:32,310 --> 00:10:29,440

dynasty

295

00:10:35,590 --> 00:10:32,320

you know phil robertson or whatever and

296

00:10:37,750 --> 00:10:35,600

so we made a spin off of his uh

297

00:10:40,069 --> 00:10:37,760

his beard you know took a picture of

298

00:10:40,710 --> 00:10:40,079

that designed a graphic out of it and we

299

00:10:44,230 --> 00:10:40,720

called

300

00:10:46,150 --> 00:10:44,240

our our little clan the ufo dynasty

301
00:10:48,389 --> 00:10:46,160
right just because

302
00:10:49,670 --> 00:10:48,399
because we were kind of we've always

303
00:10:51,590 --> 00:10:49,680
been kind of like

304
00:10:53,430 --> 00:10:51,600
this side of my family has always been

305
00:10:54,710 --> 00:10:53,440
kind of intuitive we're we've got this

306
00:10:56,870 --> 00:10:54,720
thing that we call

307
00:10:59,750 --> 00:10:56,880
uh the lamboro intuition which is my

308
00:11:02,790 --> 00:10:59,760
grandfather's last name lamro

309
00:11:03,110 --> 00:11:02,800
uh we've always kind of had the there's

310
00:11:06,470 --> 00:11:03,120
a

311
00:11:08,870 --> 00:11:06,480
this but

312
00:11:10,790 --> 00:11:08,880
there's definitely a strong streak of

313
00:11:13,990 --> 00:11:10,800

relatives of mine

314

00:11:15,910 --> 00:11:14,000

that have in some way or another

315

00:11:17,910 --> 00:11:15,920

been affected by this phenomenon so

316

00:11:20,470 --> 00:11:17,920

there's just a natural interest there

317

00:11:22,870 --> 00:11:20,480

and there were stories before mine that

318

00:11:24,790 --> 00:11:22,880

existed in our family that made me

319

00:11:26,949 --> 00:11:24,800

kind of help me connect the dots and you

320

00:11:30,710 --> 00:11:26,959

know then i saw these objects in

321

00:11:31,269 --> 00:11:30,720

2013 and i actually videotaped some of

322

00:11:33,509 --> 00:11:31,279

them

323

00:11:35,269 --> 00:11:33,519

i was able to get some videotape uh i

324

00:11:38,790 --> 00:11:35,279

had two other experiences

325

00:11:41,110 --> 00:11:38,800

between 2013 and 2016

326

00:11:43,910 --> 00:11:41,120

which put me further down the rabbit

327

00:11:46,949 --> 00:11:43,920

hole and over the years since then i've

328

00:11:49,910 --> 00:11:46,959

i've began having some sort of uh

329

00:11:52,310 --> 00:11:49,920

recall or what i would what you could

330

00:11:54,069 --> 00:11:52,320

suggest as a flashback where

331

00:11:55,990 --> 00:11:54,079

all of a sudden i'm beginning to have

332

00:11:59,030 --> 00:11:56,000

memories i have a memory

333

00:12:00,710 --> 00:11:59,040

of my childhood at a preschool up in

334

00:12:02,550 --> 00:12:00,720

salt lake city where i remember

335

00:12:03,990 --> 00:12:02,560

seeing this was a flashback i was like

336

00:12:06,629 --> 00:12:04,000

in a semi-sleep

337

00:12:08,629 --> 00:12:06,639

pattern right and i saw these objects

338

00:12:09,269 --> 00:12:08,639

outside of the preschool window and all

339

00:12:11,990 --> 00:12:09,279

our

340

00:12:13,030 --> 00:12:12,000

uh daycare workers and the caretakers

341

00:12:14,550 --> 00:12:13,040

there the priests were

342

00:12:16,949 --> 00:12:14,560

motioning all the kids to come over the

343

00:12:18,389 --> 00:12:16,959

window we saw these craft and i i

344

00:12:20,150 --> 00:12:18,399

remember having this memory this was

345

00:12:21,750 --> 00:12:20,160

just like two years ago

346

00:12:23,190 --> 00:12:21,760

and i woke up from this dream this

347

00:12:25,110 --> 00:12:23,200

flashback

348

00:12:26,310 --> 00:12:25,120

and i was recalling the name of the

349

00:12:29,350 --> 00:12:26,320

preschool

350

00:12:30,870 --> 00:12:29,360

i was thinking it was easy easy but i i

351

00:12:32,470 --> 00:12:30,880

started talking to my brother and he

352

00:12:33,190 --> 00:12:32,480

says nate i know which preschool that

353

00:12:34,949 --> 00:12:33,200

what

354

00:12:37,190 --> 00:12:34,959

mom would would send us to when we were

355

00:12:40,550 --> 00:12:37,200

little kids so i was like four years old

356

00:12:42,069 --> 00:12:40,560

uh when i was at this preschool

357

00:12:43,430 --> 00:12:42,079

and my mother was single at the time and

358

00:12:43,829 --> 00:12:43,440

she was leaving us there and it turned

359

00:12:46,310 --> 00:12:43,839

out

360

00:12:48,310 --> 00:12:46,320

to stand for ecec i don't know what all

361

00:12:49,829 --> 00:12:48,320

the acronyms stand for but it was at the

362

00:12:51,509 --> 00:12:49,839

university of utah

363

00:12:52,870 --> 00:12:51,519

and it was the early childhood

364

00:12:54,470 --> 00:12:52,880

development center

365

00:12:56,230 --> 00:12:54,480

at the university of utah where my

366

00:12:58,550 --> 00:12:56,240

mother was leaving us so i was like

367

00:13:00,710 --> 00:12:58,560

what what what what am i doing with the

368

00:13:01,910 --> 00:13:00,720

memory a childhood memory that is

369

00:13:05,110 --> 00:13:01,920

recalled

370

00:13:06,550 --> 00:13:05,120

through a dream or a sleep where i

371

00:13:08,150 --> 00:13:06,560

just like recalled from memory and i'm

372

00:13:10,790 --> 00:13:08,160

waking up from this and

373

00:13:11,430 --> 00:13:10,800

i'm seeing ufos from my childhood it's

374

00:13:13,110 --> 00:13:11,440

like

375

00:13:14,629 --> 00:13:13,120

i'm wondering if this you know you're

376

00:13:15,910 --> 00:13:14,639

connecting the dots when you're dealing

377

00:13:19,750 --> 00:13:15,920

with this phenomenon

378

00:13:21,350 --> 00:13:19,760

i think i i tend to think that uh people

379

00:13:23,030 --> 00:13:21,360

that are affected by it to see these

380

00:13:26,150 --> 00:13:23,040

objects are not just seeing them

381

00:13:26,949 --> 00:13:26,160

randomly or by happenstance because they

382

00:13:28,470 --> 00:13:26,959

happen to

383

00:13:30,870 --> 00:13:28,480

you know they weren't expecting they

384

00:13:32,470 --> 00:13:30,880

just show up i think people to see these

385

00:13:34,550 --> 00:13:32,480

objects there's got to be some kind of

386

00:13:35,750 --> 00:13:34,560

phenomenon tied to their past

387

00:13:37,910 --> 00:13:35,760

or there's some kind of there's

388

00:13:40,389 --> 00:13:37,920

something going on there and

389

00:13:41,110 --> 00:13:40,399

i don't have any scientific evidence of

390

00:13:42,790 --> 00:13:41,120

course

391

00:13:44,230 --> 00:13:42,800

except the videos i captured out in

392

00:13:45,910 --> 00:13:44,240

nevada i don't really have any

393

00:13:47,990 --> 00:13:45,920

scientific evidence

394

00:13:49,829 --> 00:13:48,000

to prove anything that i'm saying here

395

00:13:51,750 --> 00:13:49,839

or to prove or to back anything i'm

396

00:13:53,750 --> 00:13:51,760

claiming here and i'll be the first

397

00:13:55,829 --> 00:13:53,760

to admit that it's like you know i'm i'm

398

00:13:57,430 --> 00:13:55,839

scientifically objective

399

00:13:58,710 --> 00:13:57,440

i don't believe a lot of what i hear

400

00:14:00,069 --> 00:13:58,720

about because there are a lot of

401

00:14:02,949 --> 00:14:00,079

charlatans and there's a lot of

402

00:14:05,590 --> 00:14:02,959

paranoids and tinfoil hatters out there

403

00:14:06,470 --> 00:14:05,600

you know and i go to conferences and i

404

00:14:08,629 --> 00:14:06,480

see that

405

00:14:10,230 --> 00:14:08,639

people like to you know pull out the

406

00:14:13,670 --> 00:14:10,240

crystals and the

407

00:14:15,189 --> 00:14:13,680

you know the the the chakras and they

408

00:14:16,150 --> 00:14:15,199

like to start talking about all the new

409

00:14:18,550 --> 00:14:16,160

ageism

410

00:14:20,150 --> 00:14:18,560

that's around this phenomenon and they

411

00:14:21,829 --> 00:14:20,160

kind of lose me at that point because

412

00:14:23,430 --> 00:14:21,839

like okay this is where

413

00:14:25,269 --> 00:14:23,440

you know science left the building and

414

00:14:26,230 --> 00:14:25,279

religion has taken over religious

415

00:14:28,310 --> 00:14:26,240

beliefs

416

00:14:29,269 --> 00:14:28,320

and i i honestly believe that there's a

417

00:14:31,910 --> 00:14:29,279

phenomenon

418

00:14:33,030 --> 00:14:31,920

i believe it's real i don't know exactly

419

00:14:36,710 --> 00:14:33,040

what we're dealing with

420

00:14:38,069 --> 00:14:36,720

um i've had experiences that i can't

421

00:14:39,670 --> 00:14:38,079

explain that have happened

422

00:14:41,110 --> 00:14:39,680

you know i just told you a few of those

423

00:14:43,350 --> 00:14:41,120

experiences connect

424

00:14:45,030 --> 00:14:43,360

while connecting the dots are trying to

425

00:14:46,550 --> 00:14:45,040

connect the dots here but whatever this

426
00:14:49,350 --> 00:14:46,560
phenomenon is

427
00:14:51,910 --> 00:14:49,360
it's not uh it doesn't follow a

428
00:14:54,550 --> 00:14:51,920
chronological linear path like

429
00:14:56,150 --> 00:14:54,560
our society do like our society does

430
00:14:59,590 --> 00:14:56,160
like you and i do we see we

431
00:15:01,990 --> 00:14:59,600
we look at a watch and we meet at 11

432
00:15:04,150 --> 00:15:02,000
o'clock today to have this podcast

433
00:15:06,230 --> 00:15:04,160
and we're following we're on a linear

434
00:15:08,389 --> 00:15:06,240
chronological path

435
00:15:10,870 --> 00:15:08,399
but uh i think if i'm thinking of a

436
00:15:12,949 --> 00:15:10,880
hollywood movie to compare this to

437
00:15:14,470 --> 00:15:12,959
i would have to say it's it's comparable

438
00:15:16,310 --> 00:15:14,480

to that film that came out a couple

439

00:15:18,389 --> 00:15:16,320

years ago called arrival

440

00:15:19,750 --> 00:15:18,399

which talked about linguistics and

441

00:15:22,629 --> 00:15:19,760

talked about alien

442

00:15:24,470 --> 00:15:22,639

on human languages and how maybe not all

443

00:15:26,629 --> 00:15:24,480

intelligences behave

444

00:15:27,509 --> 00:15:26,639

on a linear path on a chronological

445

00:15:29,189 --> 00:15:27,519

linear path

446

00:15:31,509 --> 00:15:29,199

maybe they're in their dimensional maybe

447

00:15:33,189 --> 00:15:31,519

their ets from outer space

448

00:15:35,269 --> 00:15:33,199

but i i thought that move put out a

449

00:15:37,350 --> 00:15:35,279

really good message because it kind of

450

00:15:38,389 --> 00:15:37,360

is comparable to what i think this

451
00:15:40,790 --> 00:15:38,399
phenomenon is

452
00:15:42,629 --> 00:15:40,800
especially when it comes to recall or

453
00:15:43,990 --> 00:15:42,639
memories coming back to haunt you

454
00:15:45,509 --> 00:15:44,000
because something triggered those

455
00:15:48,550 --> 00:15:45,519
memories maybe like a

456
00:15:50,629 --> 00:15:48,560
post-traumatic stress episode

457
00:15:51,749 --> 00:15:50,639
i don't really know how to describe it

458
00:15:53,910 --> 00:15:51,759
but

459
00:15:56,150 --> 00:15:53,920
that's kind of what it came across to me

460
00:15:57,990 --> 00:15:56,160
when i've been trying to figure out what

461
00:16:00,389 --> 00:15:58,000
it is i'm dealing with and then i

462
00:16:01,829 --> 00:16:00,399
also only remember an early childhood

463
00:16:03,269 --> 00:16:01,839

memory like that it's like are they

464

00:16:06,230 --> 00:16:03,279

invented memories

465

00:16:08,310 --> 00:16:06,240

are they suggest is it something that

466

00:16:09,189 --> 00:16:08,320

came from the figment of my imagination

467

00:16:11,269 --> 00:16:09,199

i don't know i

468

00:16:12,870 --> 00:16:11,279

i think it's real because of the you

469

00:16:14,949 --> 00:16:12,880

know being able to recall certain

470

00:16:16,310 --> 00:16:14,959

locations in certain times of the year

471

00:16:18,629 --> 00:16:16,320

from that memory

472

00:16:20,470 --> 00:16:18,639

you know it's it's really hard to for me

473

00:16:21,269 --> 00:16:20,480

to refute that that was just some kind

474

00:16:26,550 --> 00:16:21,279

of

475

00:16:32,710 --> 00:16:29,670

i i'm sure it's not implanted invented

476

00:16:34,790 --> 00:16:32,720

or any kind of uh artificial memory

477

00:16:36,230 --> 00:16:34,800

it sounds to me like these things have

478

00:16:39,110 --> 00:16:36,240

an overlay and

479

00:16:40,870 --> 00:16:39,120

it oftentimes people that like you said

480

00:16:42,230 --> 00:16:40,880

genetically that this goes through their

481

00:16:44,389 --> 00:16:42,240

family line

482

00:16:45,749 --> 00:16:44,399

there's a lot of situations and

483

00:16:48,790 --> 00:16:45,759

circumstances

484

00:16:51,670 --> 00:16:48,800

where you know the kids are going off to

485

00:16:52,790 --> 00:16:51,680

places like this for special kids that

486

00:16:56,150 --> 00:16:52,800

have

487

00:16:59,269 --> 00:16:56,160

extra perceived uh

488

00:17:03,189 --> 00:16:59,279

value to the school system and

489

00:17:06,309 --> 00:17:03,199

uh i remember being that that name

490

00:17:09,669 --> 00:17:06,319

hits a bell with me as well and um

491

00:17:11,429 --> 00:17:09,679

i remember uh yeah elementary school do

492

00:17:13,350 --> 00:17:11,439

you remember going to like a place where

493

00:17:16,789 --> 00:17:13,360

they did a banquet for you

494

00:17:19,990 --> 00:17:16,799

or anything like that or no but that

495

00:17:22,069 --> 00:17:20,000

this uh i i i honestly we probably

496

00:17:25,350 --> 00:17:22,079

shouldn't go down this rabbit hole

497

00:17:27,669 --> 00:17:25,360

sorry i i honestly

498

00:17:29,029 --> 00:17:27,679

yeah i remember when i had this memory

499

00:17:31,909 --> 00:17:29,039

when i had this uh

500

00:17:33,510 --> 00:17:31,919

recall where this memory came back to me

501
00:17:35,990 --> 00:17:33,520
the memory seemed like i had had the

502
00:17:38,710 --> 00:17:36,000
memory a thousand times before

503
00:17:39,510 --> 00:17:38,720
and it seemed so familiar to me but was

504
00:17:43,110 --> 00:17:39,520
there a lot of color

505
00:17:44,470 --> 00:17:43,120
red in it lots of color red in it at all

506
00:17:47,110 --> 00:17:44,480
by any chance

507
00:17:48,470 --> 00:17:47,120
it was it was when when these objects

508
00:17:51,430 --> 00:17:48,480
were being when we were seeing these

509
00:17:53,430 --> 00:17:51,440
these objects they were in the sky they

510
00:17:56,710 --> 00:17:53,440
were outside the building and it was

511
00:18:00,230 --> 00:17:56,720
evening and it was sunset um

512
00:18:03,270 --> 00:18:00,240
and i i just remember all the commotion

513
00:18:05,029 --> 00:18:03,280

of being invited amongst all the other

514

00:18:06,310 --> 00:18:05,039

school kids there we all saw these

515

00:18:09,190 --> 00:18:06,320

objects

516

00:18:10,230 --> 00:18:09,200

and i don't know i don't have any other

517

00:18:15,029 --> 00:18:10,240

memory

518

00:18:17,590 --> 00:18:15,039

of this specific event except that one

519

00:18:19,669 --> 00:18:17,600

it seems like flashbacks it's not like a

520

00:18:22,710 --> 00:18:19,679

total memory it's almost like

521

00:18:24,710 --> 00:18:22,720

scenes just short clips and scenes of a

522

00:18:26,390 --> 00:18:24,720

very far distant memory that seems so

523

00:18:28,549 --> 00:18:26,400

familiar but i don't remember

524

00:18:31,270 --> 00:18:28,559

remembering it

525

00:18:32,870 --> 00:18:31,280

the whole time i've since my childhood

526

00:18:33,669 --> 00:18:32,880

it's just it was almost like a recall

527

00:18:36,390 --> 00:18:33,679

that

528

00:18:37,750 --> 00:18:36,400

was just just happened you know and but

529

00:18:39,909 --> 00:18:37,760

it seems so familiar

530

00:18:41,350 --> 00:18:39,919

because i remember remembering it again

531

00:18:43,110 --> 00:18:41,360

somewhere else

532

00:18:45,510 --> 00:18:43,120

in another time frame in another part of

533

00:18:48,789 --> 00:18:45,520

my life i don't know it was just

534

00:18:51,190 --> 00:18:48,799

and i thought 2013 was the first

535

00:18:52,150 --> 00:18:51,200

time of you know seeing these objects

536

00:18:56,150 --> 00:18:52,160

but

537

00:18:59,190 --> 00:18:56,160

um the real the real uh the real thing

538

00:19:01,190 --> 00:18:59,200

for me is i have to i have when i'm

539

00:19:02,549 --> 00:19:01,200

looking at this stuff scientifically and

540

00:19:05,350 --> 00:19:02,559

objectively

541

00:19:07,510 --> 00:19:05,360

i have to i have to know i have to be

542

00:19:09,830 --> 00:19:07,520

completely honest with people

543

00:19:11,990 --> 00:19:09,840

when i saw the objects out in nevada

544

00:19:15,750 --> 00:19:12,000

they looked like

545

00:19:17,830 --> 00:19:15,760

orange spheres about the size of a house

546

00:19:19,909 --> 00:19:17,840

and they were completely muffled it was

547

00:19:21,830 --> 00:19:19,919

a it wasn't a brightness it was so

548

00:19:22,870 --> 00:19:21,840

bright that would hurt your eyes it was

549

00:19:25,909 --> 00:19:22,880

like a

550

00:19:27,029 --> 00:19:25,919

think of a soft orange light and the

551
00:19:29,590 --> 00:19:27,039
further away it got

552
00:19:31,270 --> 00:19:29,600
the brighter it got so it was like when

553
00:19:33,029 --> 00:19:31,280
it was like across the valley i saw

554
00:19:34,870 --> 00:19:33,039
these objects out in uh

555
00:19:36,630 --> 00:19:34,880
you know where groom lake road is going

556
00:19:36,870 --> 00:19:36,640
out to the front entrance of area 51 and

557
00:19:40,950 --> 00:19:36,880
i

558
00:19:41,669 --> 00:19:40,960
youtube and look up orange orbs and my

559
00:19:44,950 --> 00:19:41,679
name

560
00:19:47,990 --> 00:19:44,960
you'll see two videos on youtube

561
00:19:49,590 --> 00:19:48,000
that don't do justice to what i actually

562
00:19:51,590 --> 00:19:49,600
saw with my naked eyes i wasn't

563
00:19:53,830 --> 00:19:51,600

intending to capture video

564

00:19:55,830 --> 00:19:53,840

but there's a deeper story tied to this

565

00:19:57,990 --> 00:19:55,840

i had a dream

566

00:19:59,590 --> 00:19:58,000

almost like a vision in cedar city that

567

00:20:00,390 --> 00:19:59,600

morning and i don't talk about that

568

00:20:01,750 --> 00:20:00,400

because

569

00:20:03,590 --> 00:20:01,760

i you know when people are already

570

00:20:06,230 --> 00:20:03,600

skeptical

571

00:20:07,830 --> 00:20:06,240

you know telling people i was prompted

572

00:20:09,909 --> 00:20:07,840

to go out there there was a

573

00:20:11,909 --> 00:20:09,919

message for me to go out there that's

574

00:20:13,110 --> 00:20:11,919

where it gets really far-fetched for a

575

00:20:14,870 --> 00:20:13,120

lot of people

576

00:20:16,630 --> 00:20:14,880

and they begin to have a hard time

577

00:20:17,750 --> 00:20:16,640

believing what i'm saying with no

578

00:20:20,230 --> 00:20:17,760

evidence

579

00:20:21,430 --> 00:20:20,240

but you know we were i was actually

580

00:20:23,029 --> 00:20:21,440

supposed to go down

581

00:20:24,950 --> 00:20:23,039

i don't usually share this this part of

582

00:20:26,789 --> 00:20:24,960

the story i just feel

583

00:20:28,870 --> 00:20:26,799

intuitive to share it with you ryan he's

584

00:20:31,669 --> 00:20:28,880

a good friend of mine but uh

585

00:20:33,830 --> 00:20:31,679

um so cool thank you i guess people i

586

00:20:34,310 --> 00:20:33,840

just tell people i saw orange orbs but

587

00:20:36,149 --> 00:20:34,320

uh

588

00:20:38,149 --> 00:20:36,159

we were actually supposed to go to page

589

00:20:40,549 --> 00:20:38,159

arizona that morning because my friend

590

00:20:41,909 --> 00:20:40,559

uh nathan his name is nathan too i won't

591

00:20:44,470 --> 00:20:41,919

mention his last name just for his

592

00:20:46,950 --> 00:20:44,480

privacy just in case he doesn't want it

593

00:20:48,950 --> 00:20:46,960

he doesn't want to you know be a sec he

594

00:20:50,549 --> 00:20:48,960

is the second primary witness but

595

00:20:52,470 --> 00:20:50,559

he doesn't seem like someone who would

596

00:20:53,190 --> 00:20:52,480

want to go on the record but maybe he

597

00:20:55,750 --> 00:20:53,200

would

598

00:20:57,350 --> 00:20:55,760

um but he was out there with me and he

599

00:20:59,350 --> 00:20:57,360

was supposed to be learning photography

600

00:21:01,590 --> 00:20:59,360

for me i was actually training him

601
00:21:03,270 --> 00:21:01,600
on photography he wanted to be my

602
00:21:03,990 --> 00:21:03,280
apprentice and so he was following me

603
00:21:05,990 --> 00:21:04,000
around

604
00:21:07,909 --> 00:21:06,000
with the camera you know and her

605
00:21:09,510 --> 00:21:07,919
intention was to go down to page arizona

606
00:21:11,990 --> 00:21:09,520
and photograph big ben

607
00:21:14,789 --> 00:21:12,000
uh in the grand canyon and that was our

608
00:21:18,070 --> 00:21:14,799
original goal but i had this weird dream

609
00:21:20,390 --> 00:21:18,080
uh where i was on a craft

610
00:21:21,909 --> 00:21:20,400
in the dream and i actually ended up

611
00:21:25,029 --> 00:21:21,919
sleepwalking

612
00:21:26,950 --> 00:21:25,039
that morning out of the house and it was

613
00:21:27,510 --> 00:21:26,960

blizzarding outside that morning and my

614

00:21:29,510 --> 00:21:27,520

roommate

615

00:21:31,510 --> 00:21:29,520

was up late that night and he watched

616

00:21:33,510 --> 00:21:31,520

walk out of the house

617

00:21:34,950 --> 00:21:33,520

and walk out into a blizzard into a

618

00:21:37,909 --> 00:21:34,960

snowstorm

619

00:21:39,909 --> 00:21:37,919

while i was having this dream and he

620

00:21:43,430 --> 00:21:39,919

woke me up but i was out in the street

621

00:21:45,750 --> 00:21:43,440

underneath the street lamp in snow

622

00:21:46,710 --> 00:21:45,760

and i remember waking up from this dream

623

00:21:49,270 --> 00:21:46,720

and in the train

624

00:21:51,029 --> 00:21:49,280

i was in this spaceship i was in this

625

00:21:53,190 --> 00:21:51,039

large craft

626
00:21:54,630 --> 00:21:53,200
and i was getting off this metal table

627
00:21:56,549 --> 00:21:54,640
in this craft

628
00:21:58,310 --> 00:21:56,559
and i could hear the roar of the engine

629
00:22:01,430 --> 00:21:58,320
there was a roar of a large

630
00:22:03,190 --> 00:22:01,440
engine inside of this vessel and i

631
00:22:05,190 --> 00:22:03,200
remember getting off the table and

632
00:22:07,190 --> 00:22:05,200
walking down a hallway

633
00:22:08,789 --> 00:22:07,200
inside this craft and while i was

634
00:22:10,470 --> 00:22:08,799
walking through this craft this is when

635
00:22:13,590 --> 00:22:10,480
i was sleepwalking

636
00:22:15,270 --> 00:22:13,600
out of the house and my roommate skyler

637
00:22:17,029 --> 00:22:15,280
came and woke me up these little spooks

638
00:22:19,590 --> 00:22:17,039

he saw me walk out of the house with

639

00:22:20,950 --> 00:22:19,600

like no shoes on and no jacket or

640

00:22:23,510 --> 00:22:20,960

anything out of the snow

641

00:22:25,350 --> 00:22:23,520

so he came and got me and i woke up

642

00:22:28,149 --> 00:22:25,360

while i was sleepwalking and

643

00:22:29,590 --> 00:22:28,159

the sound of that craft was still loud

644

00:22:33,190 --> 00:22:29,600

it was still ringing in my ears

645

00:22:34,789 --> 00:22:33,200

after waking up and the amplified sound

646

00:22:35,909 --> 00:22:34,799

of that engine or whatever it was on

647

00:22:38,549 --> 00:22:35,919

that craft

648

00:22:40,710 --> 00:22:38,559

began to die down and it died down to

649

00:22:42,390 --> 00:22:40,720

the home of i-15 going through cedar

650

00:22:43,590 --> 00:22:42,400

city so the hum of the constant hum of

651
00:22:45,990 --> 00:22:43,600
the freeway

652
00:22:46,950 --> 00:22:46,000
seemed to be in sync with whatever the

653
00:22:49,990 --> 00:22:46,960
sound was

654
00:22:52,070 --> 00:22:50,000
from this vision i had and

655
00:22:53,029 --> 00:22:52,080
right then when i woke up it was almost

656
00:22:55,590 --> 00:22:53,039
like i had

657
00:22:57,029 --> 00:22:55,600
the urge i had the message that had come

658
00:23:00,310 --> 00:22:57,039
through to me and said

659
00:23:02,070 --> 00:23:00,320
go to area 51. now i had made

660
00:23:03,590 --> 00:23:02,080
i've been going out there since i was

661
00:23:05,190 --> 00:23:03,600
eight years old okay

662
00:23:07,190 --> 00:23:05,200
first time i went out there i was eight

663
00:23:09,510 --> 00:23:07,200

years old and i've been going out there

664

00:23:12,149 --> 00:23:09,520

all these years never seen anything

665

00:23:13,750 --> 00:23:12,159

but the message was clear that we were

666

00:23:16,070 --> 00:23:13,760

going to see something

667

00:23:17,990 --> 00:23:16,080

and i was supposed to tell my buddy he's

668

00:23:19,990 --> 00:23:18,000

not a big fan of area 51.

669

00:23:21,590 --> 00:23:20,000

nate this other nate he didn't really

670

00:23:23,750 --> 00:23:21,600

want to go out there i had to

671

00:23:25,990 --> 00:23:23,760

i had to make a case to go out there and

672

00:23:28,789 --> 00:23:26,000

i urged him to go out there

673

00:23:30,630 --> 00:23:28,799

that morning and we did we checked we

674

00:23:31,669 --> 00:23:30,640

changed course we ended up going out to

675

00:23:34,950 --> 00:23:31,679

area 51.

676

00:23:37,510 --> 00:23:34,960

so we get out to area 51

677

00:23:39,750 --> 00:23:37,520

and on our way out there i say let's

678

00:23:41,909 --> 00:23:39,760

stop at the old ghost town of delamar

679

00:23:44,789 --> 00:23:41,919

now if you look this up on a map the

680

00:23:47,590 --> 00:23:44,799

ghost town of delamar it's quite a ways

681

00:23:50,149 --> 00:23:47,600

from area 51 it's about 30 or 40 miles

682

00:23:51,830 --> 00:23:50,159

east of area 51. so we're we're on our

683

00:23:53,190 --> 00:23:51,840

way out to area 51 we're going to go

684

00:23:54,950 --> 00:23:53,200

stop at race so we're going to go to the

685

00:23:56,390 --> 00:23:54,960

back entrances of course do i do

686

00:23:56,870 --> 00:23:56,400

everything i do when i usually go out

687

00:23:59,190 --> 00:23:56,880

there

688

00:24:00,230 --> 00:23:59,200

and i had this feeling this uh

689

00:24:01,750 --> 00:24:00,240

premonition

690

00:24:03,990 --> 00:24:01,760

going on the entire time that we were

691

00:24:04,470 --> 00:24:04,000

going to see something and i told date i

692

00:24:09,110 --> 00:24:04,480

said

693

00:24:11,190 --> 00:24:09,120

just know i have this certainty whenever

694

00:24:13,909 --> 00:24:11,200

the certainty hits me like this and i've

695

00:24:15,669 --> 00:24:13,919

it's been inspired like this or

696

00:24:17,590 --> 00:24:15,679

something i can't explain

697

00:24:19,990 --> 00:24:17,600

like this you just gotta have to trust

698

00:24:22,390 --> 00:24:20,000

us because something's gonna happen

699

00:24:23,110 --> 00:24:22,400

i knew for a fact it was gonna happen

700

00:24:28,310 --> 00:24:23,120

and

701
00:24:30,950 --> 00:24:28,320
about a seven mile dirt road trip

702
00:24:32,310 --> 00:24:30,960
out to the ghost town of delamar you

703
00:24:33,190 --> 00:24:32,320
have to have four-wheel drive to get up

704
00:24:35,190 --> 00:24:33,200
in there

705
00:24:37,510 --> 00:24:35,200
and we're talking about 30 or 40 miles

706
00:24:39,190 --> 00:24:37,520
away from the base here okay

707
00:24:41,510 --> 00:24:39,200
and we're we get out there to these

708
00:24:43,350 --> 00:24:41,520
ruins of this old ghost town of delamar

709
00:24:45,909 --> 00:24:43,360
up on the side of this mountain

710
00:24:46,870 --> 00:24:45,919
uh like i said quite a ways from the

711
00:24:48,789 --> 00:24:46,880
base

712
00:24:51,190 --> 00:24:48,799
and while we're out there photographing

713
00:24:53,350 --> 00:24:51,200

the landscapes and all the old west

714

00:24:54,710 --> 00:24:53,360

western ruins out there from the 19th

715

00:24:58,870 --> 00:24:54,720

century

716

00:25:02,390 --> 00:24:58,880

drones show up uh military drones

717

00:25:05,029 --> 00:25:02,400

the kind that you you you hear about

718

00:25:05,669 --> 00:25:05,039

obama was using for drone strikes to

719

00:25:07,830 --> 00:25:05,679

kill

720

00:25:09,350 --> 00:25:07,840

america enemies of the united states

721

00:25:11,590 --> 00:25:09,360

right like you know the drone

722

00:25:13,590 --> 00:25:11,600

kills those kind of drones with the

723

00:25:14,870 --> 00:25:13,600

front heavy ends on them right i don't

724

00:25:16,630 --> 00:25:14,880

they have like these really heavy

725

00:25:17,750 --> 00:25:16,640

cockpits i don't know if they were had

726

00:25:19,350 --> 00:25:17,760

someone on board

727

00:25:22,630 --> 00:25:19,360

or if they were unmanned or remote

728

00:25:25,590 --> 00:25:22,640

controlled but these drones show up

729

00:25:26,470 --> 00:25:25,600

over the top of delamar 40 miles away

730

00:25:29,750 --> 00:25:26,480

from

731

00:25:31,590 --> 00:25:29,760

the base and i'd pull out my phone

732

00:25:33,269 --> 00:25:31,600

and he pulled out his phone and we began

733

00:25:35,110 --> 00:25:33,279

filming these and i've got this footage

734

00:25:37,350 --> 00:25:35,120

somewhere i got to find it it's on a

735

00:25:39,590 --> 00:25:37,360

backup hard drive but two or three of

736

00:25:41,350 --> 00:25:39,600

these drones show up and the whole 30 or

737

00:25:42,310 --> 00:25:41,360

40 minutes we were out there they didn't

738

00:25:44,470 --> 00:25:42,320

leave

739

00:25:46,070 --> 00:25:44,480

they just circled around the top of us

740

00:25:48,390 --> 00:25:46,080

and i'm thinking

741

00:25:49,750 --> 00:25:48,400

that's like the strangest thing those

742

00:25:52,070 --> 00:25:49,760

have to be expensive

743

00:25:53,029 --> 00:25:52,080

to fly around out there so what are they

744

00:25:56,149 --> 00:25:53,039

doing

745

00:25:59,190 --> 00:25:56,159

flying over the top of a couple random

746

00:26:01,190 --> 00:25:59,200

college students photographing

747

00:26:02,149 --> 00:26:01,200

landscapes on their way out to area 51

748

00:26:03,590 --> 00:26:02,159

it's like i thought that was the

749

00:26:05,510 --> 00:26:03,600

weirdest thing so at first i thought

750

00:26:07,029 --> 00:26:05,520

maybe this is what i was supposed to see

751
00:26:09,269 --> 00:26:07,039
or something is like

752
00:26:11,110 --> 00:26:09,279
it seemed underwhelming because i knew

753
00:26:13,750 --> 00:26:11,120
what they were right it's like

754
00:26:15,110 --> 00:26:13,760
that's not what i was expecting and this

755
00:26:17,269 --> 00:26:15,120
is the bill the winner we're talking

756
00:26:19,110 --> 00:26:17,279
december of 2013 and we go out to the

757
00:26:22,149 --> 00:26:19,120
alien before it gets too dark we

758
00:26:24,070 --> 00:26:22,159
grab the burger we eat the food and we

759
00:26:25,990 --> 00:26:24,080
go out to the back entrance

760
00:26:28,070 --> 00:26:26,000
to the gates the ones that are in the

761
00:26:30,710 --> 00:26:28,080
same valley where rachel nevada is right

762
00:26:33,190 --> 00:26:30,720
there's a back entrance there

763
00:26:33,909 --> 00:26:33,200

and i remember saying something to the

764

00:26:37,110 --> 00:26:33,919

camera

765

00:26:38,470 --> 00:26:37,120

at the back entrance and i said i know

766

00:26:39,350 --> 00:26:38,480

the truth i know what you guys are

767

00:26:40,870 --> 00:26:39,360

hiding in there

768

00:26:42,230 --> 00:26:40,880

i always take groups out there and i'll

769

00:26:43,669 --> 00:26:42,240

talk to the base and i'll talk to the

770

00:26:45,990 --> 00:26:43,679

security cameras

771

00:26:47,830 --> 00:26:46,000

and it's like it's just it's just me

772

00:26:50,310 --> 00:26:47,840

being funny okay

773

00:26:51,110 --> 00:26:50,320

but that night we were getting ready to

774

00:26:52,870 --> 00:26:51,120

head back

775

00:26:54,230 --> 00:26:52,880

we left the little alien we ate dinner

776

00:26:57,190 --> 00:26:54,240

at the little alien and then we were

777

00:27:01,750 --> 00:26:57,200

heading back to utah

778

00:27:03,190 --> 00:27:01,760

and the moon was coming up

779

00:27:05,110 --> 00:27:03,200

and it was probably around i don't know

780

00:27:05,350 --> 00:27:05,120

what time it was but it was like right

781

00:27:07,669 --> 00:27:05,360

at

782

00:27:08,549 --> 00:27:07,679

twilight we were heading we had left

783

00:27:10,390 --> 00:27:08,559

rachel

784

00:27:11,990 --> 00:27:10,400

we were in that adjacent valley i think

785

00:27:13,909 --> 00:27:12,000

it's ticaboo valley right the one that

786

00:27:16,870 --> 00:27:13,919

where groom lake road is

787

00:27:18,830 --> 00:27:16,880

we're driving down that road and all of

788

00:27:22,470 --> 00:27:18,840

a suddenly

789

00:27:23,430 --> 00:27:22,480

these four massive orbs come out from

790

00:27:24,950 --> 00:27:23,440

behind the mountain

791

00:27:27,750 --> 00:27:24,960

the mountain as you're heading towards

792

00:27:30,149 --> 00:27:27,760

caliente there's a mountain range there

793

00:27:32,149 --> 00:27:30,159

and four of these big orbs came out from

794

00:27:34,389 --> 00:27:32,159

behind the mountain

795

00:27:36,149 --> 00:27:34,399

and they maneuvered down into the valley

796

00:27:37,590 --> 00:27:36,159

so they went over the mountain and down

797

00:27:40,710 --> 00:27:37,600

into the valley and they were right

798

00:27:43,830 --> 00:27:40,720

above the valley floor

799

00:27:45,110 --> 00:27:43,840

on the north side of extraterrestrial

800

00:27:47,990 --> 00:27:45,120

highway

801
00:27:48,470 --> 00:27:48,000
and i always remember i was training

802
00:27:51,669 --> 00:27:48,480
nate

803
00:27:53,029 --> 00:27:51,679
with photography so i had i left but the

804
00:27:54,870 --> 00:27:53,039
sad thing is i had left all my

805
00:27:55,830 --> 00:27:54,880
photography gear home so i had one

806
00:27:58,310 --> 00:27:55,840
camera

807
00:27:59,750 --> 00:27:58,320
and i had a soup i had a wide-angle lens

808
00:28:00,710 --> 00:27:59,760
that i was using so if you're trying to

809
00:28:03,510 --> 00:28:00,720
capture something

810
00:28:04,549 --> 00:28:03,520
12 miles away a wide angle lens is not

811
00:28:06,230 --> 00:28:04,559
going to help you very much

812
00:28:07,669 --> 00:28:06,240
capture something up close i didn't have

813
00:28:10,710 --> 00:28:07,679

a telephoto lens it was just

814

00:28:12,470 --> 00:28:10,720

the one lens one camera combo

815

00:28:13,750 --> 00:28:12,480

when these objects appeared i just

816

00:28:17,029 --> 00:28:13,760

automatically

817

00:28:18,870 --> 00:28:17,039

like muscle memory grabbed the camera

818

00:28:21,590 --> 00:28:18,880

and i was trying to capture these orbs

819

00:28:23,430 --> 00:28:21,600

while they were above the valley floor

820

00:28:28,070 --> 00:28:23,440

and it's almost like right when i got

821

00:28:33,590 --> 00:28:31,110

aim into focus it's almost like the orbs

822

00:28:35,190 --> 00:28:33,600

could sense

823

00:28:37,269 --> 00:28:35,200

that i was getting ready to try and film

824

00:28:39,750 --> 00:28:37,279

them and they completely

825

00:28:41,510 --> 00:28:39,760

blinked out right when i got the camera

826
00:28:43,669 --> 00:28:41,520
rolling

827
00:28:45,350 --> 00:28:43,679
so we're talking maybe 45 seconds that

828
00:28:46,789 --> 00:28:45,360
we were witnessing these things and

829
00:28:47,590 --> 00:28:46,799
between the time i was trying to pull

830
00:28:49,590 --> 00:28:47,600
the camera

831
00:28:51,990 --> 00:28:49,600
at the case while driving at the same

832
00:28:52,549 --> 00:28:52,000
time on et highway and i had pulled over

833
00:28:56,950 --> 00:28:52,559
by then

834
00:29:00,950 --> 00:28:56,960
in my jeep and i was completely

835
00:29:01,430 --> 00:29:00,960
i was completely flabbergasted but i was

836
00:29:02,950 --> 00:29:01,440
also

837
00:29:04,310 --> 00:29:02,960
completely disappointed because all

838
00:29:05,269 --> 00:29:04,320

suddenly the objects i was trying to

839

00:29:07,190 --> 00:29:05,279

record

840

00:29:10,830 --> 00:29:07,200

were gone this was the experience this

841

00:29:16,630 --> 00:29:14,710

and um we sat there for about 20 minutes

842

00:29:18,470 --> 00:29:16,640

just disappointed after they disappeared

843

00:29:21,909 --> 00:29:18,480

and we were just in complete awe

844

00:29:27,029 --> 00:29:25,590

and at this time the moon was coming up

845

00:29:27,990 --> 00:29:27,039

it was just getting ready to come up

846

00:29:30,389 --> 00:29:28,000

over the

847

00:29:33,269 --> 00:29:30,399

edge of the horizon so this wasn't quite

848

00:29:35,590 --> 00:29:33,279

dark yet it was like evening dark right

849

00:29:36,950 --> 00:29:35,600

when these first appeared and we were

850

00:29:37,350 --> 00:29:36,960

disappointed and i didn't know what to

851

00:29:39,669 --> 00:29:37,360

do

852

00:29:40,789 --> 00:29:39,679

because we were heading home and when we

853

00:29:42,470 --> 00:29:40,799

didn't think they were going to show up

854

00:29:43,750 --> 00:29:42,480

again we got back on the highway and we

855

00:29:45,590 --> 00:29:43,760

were just talking about we started

856

00:29:46,310 --> 00:29:45,600

heading towards caliente again towards

857

00:29:49,029 --> 00:29:46,320

alamo

858

00:29:50,630 --> 00:29:49,039

in that direction and about five minutes

859

00:29:52,070 --> 00:29:50,640

later

860

00:29:54,070 --> 00:29:52,080

while i was driving down the highway on

861

00:29:55,590 --> 00:29:54,080

the offset in the valley

862

00:29:57,430 --> 00:29:55,600

i'm looking in the rearview mirror and

863

00:29:58,789 --> 00:29:57,440

it's like they they appeared in my rear

864

00:30:00,549 --> 00:29:58,799

view mirror on the opposite end of the

865

00:30:03,510 --> 00:30:00,559

valve

866

00:30:04,870 --> 00:30:03,520

so i saw them in the rear view mirror

867

00:30:06,789 --> 00:30:04,880

and i turned around

868

00:30:08,230 --> 00:30:06,799

and i didn't even think about whether i

869

00:30:09,190 --> 00:30:08,240

should follow him or not i just started

870

00:30:11,190 --> 00:30:09,200

speeding

871

00:30:12,549 --> 00:30:11,200

as fast as my jeep would go i had to

872

00:30:15,029 --> 00:30:12,559

pedal to the middle

873

00:30:16,789 --> 00:30:15,039

and i i i flipped i had flipped that ue

874

00:30:18,630 --> 00:30:16,799

and i was just punching it back towards

875

00:30:20,630 --> 00:30:18,640

rachel trying to catch up

876
00:30:22,310 --> 00:30:20,640
to these objects while i was also trying

877
00:30:24,549 --> 00:30:22,320
to capture the video footage

878
00:30:26,470 --> 00:30:24,559
so for the next 45 minutes i was trying

879
00:30:27,750 --> 00:30:26,480
to capture video footage trying to catch

880
00:30:29,510 --> 00:30:27,760
up to these things

881
00:30:31,830 --> 00:30:29,520
and it's almost like we were playing tag

882
00:30:33,830 --> 00:30:31,840
with these lights we would travel about

883
00:30:35,350 --> 00:30:33,840
five miles and they would blink out and

884
00:30:37,750 --> 00:30:35,360
appear on opposite ends of the valley

885
00:30:39,750 --> 00:30:37,760
where we had just come from

886
00:30:42,149 --> 00:30:39,760
so they were something was toying with

887
00:30:44,070 --> 00:30:42,159
us out at area 51.

888
00:30:45,430 --> 00:30:44,080

these objects would disappear and then

889

00:30:47,430 --> 00:30:45,440

reappear

890

00:30:50,149 --> 00:30:47,440

and they would never let me get close

891

00:30:53,830 --> 00:30:50,159

enough to them to capture footage

892

00:30:55,750 --> 00:30:53,840

finally i managed to capture footage

893

00:30:57,269 --> 00:30:55,760

nate the other witness in the vehicle

894

00:30:59,029 --> 00:30:57,279

told me to cut the engine because he

895

00:31:02,470 --> 00:30:59,039

wanted to see if he could hear

896

00:31:04,230 --> 00:31:02,480

these crap making noise so we cut the

897

00:31:06,230 --> 00:31:04,240

engine while i was capturing footage and

898

00:31:08,870 --> 00:31:06,240

that's where i actually got the footage

899

00:31:10,310 --> 00:31:08,880

i ca i made two different videos but you

900

00:31:12,549 --> 00:31:10,320

have to look at the videos on an

901
00:31:14,149 --> 00:31:12,559
enlarged screen at full resolution

902
00:31:16,389 --> 00:31:14,159
and you can see one of the lights come

903
00:31:18,230 --> 00:31:16,399
apart and separate

904
00:31:19,590 --> 00:31:18,240
but they were disappearing and

905
00:31:20,710 --> 00:31:19,600
reappearing i remember getting out of

906
00:31:23,269 --> 00:31:20,720
the vehicle we couldn't hear

907
00:31:25,190 --> 00:31:23,279
nothing there was no noise when these

908
00:31:27,430 --> 00:31:25,200
things were appearing it was absolutely

909
00:31:29,110 --> 00:31:27,440
quiet we didn't hear any aircraft

910
00:31:30,789 --> 00:31:29,120
we didn't see anyone else coming down

911
00:31:32,950 --> 00:31:30,799
the highway that night

912
00:31:35,029 --> 00:31:32,960
and i got out of the vehicle and this is

913
00:31:36,630 --> 00:31:35,039

where i have to that my scientific site

914

00:31:38,789 --> 00:31:36,640

has to come in

915

00:31:40,549 --> 00:31:38,799

and stay for the record what's something

916

00:31:43,110 --> 00:31:40,559

else that i saw

917

00:31:44,549 --> 00:31:43,120

that may suggest these weren't ufos at

918

00:31:45,509 --> 00:31:44,559

all these may have been some kind of

919

00:31:48,470 --> 00:31:45,519

holographic

920

00:31:50,230 --> 00:31:48,480

image so i get out of the bid i get out

921

00:31:53,350 --> 00:31:50,240

of the vehicle and i'm looking back

922

00:31:55,990 --> 00:31:53,360

towards groom lake road where you

923

00:31:57,269 --> 00:31:56,000

you find the front entrance to area 51

924

00:31:58,310 --> 00:31:57,279

you're looking in the mountains back

925

00:31:59,909 --> 00:31:58,320

there right

926
00:32:01,669 --> 00:31:59,919
behind the bays where the base is at

927
00:32:04,549 --> 00:32:01,679
right and there was something that

928
00:32:06,230 --> 00:32:04,559
looked like it was projecting an image

929
00:32:08,710 --> 00:32:06,240
on a track and it was there was this

930
00:32:10,870 --> 00:32:08,720
bait light moving back and forth

931
00:32:12,789 --> 00:32:10,880
along the ridge line of the mountain and

932
00:32:13,430 --> 00:32:12,799
it almost looked like a projector that

933
00:32:15,590 --> 00:32:13,440
was

934
00:32:17,269 --> 00:32:15,600
projecting these lights or projecting

935
00:32:21,029 --> 00:32:17,279
this hologram

936
00:32:23,190 --> 00:32:21,039
that we were witnessing uh in the sky

937
00:32:26,470 --> 00:32:23,200
i'm thinking it was a hologram i don't

938
00:32:29,750 --> 00:32:26,480

even know if it was orbs or ufo but

939

00:32:30,789 --> 00:32:29,760

you know the funny thing is is the whole

940

00:32:32,870 --> 00:32:30,799

orange orb

941

00:32:35,830 --> 00:32:32,880

flare argument works really well to

942

00:32:37,830 --> 00:32:35,840

create a sense of deniability

943

00:32:39,909 --> 00:32:37,840

for for whatever it is when it comes to

944

00:32:42,310 --> 00:32:39,919

the orange orb phenomenon right

945

00:32:43,669 --> 00:32:42,320

it they can always just they can always

946

00:32:47,350 --> 00:32:43,679

just chalk it up as

947

00:32:50,549 --> 00:32:47,360

flared especially at area 51.

948

00:32:53,909 --> 00:32:50,559

so you know i don't know

949

00:32:55,830 --> 00:32:53,919

the thing that's uh inexplicable to me

950

00:32:58,310 --> 00:32:55,840

about this experience about what's going

951

00:33:01,830 --> 00:32:58,320

on out there about what i saw

952

00:33:05,110 --> 00:33:01,840

is the timing and the dream

953

00:33:07,190 --> 00:33:05,120

and you know i i don't want to suggest

954

00:33:10,230 --> 00:33:07,200

this okay but i'm going to suggest it

955

00:33:11,430 --> 00:33:10,240

with no evidence except what i saw out

956

00:33:13,990 --> 00:33:11,440

there

957

00:33:15,509 --> 00:33:14,000

i believe and i'm not paranoid i think

958

00:33:16,789 --> 00:33:15,519

there's black cats and there's white

959

00:33:18,549 --> 00:33:16,799

hats in the government okay i'm not

960

00:33:21,990 --> 00:33:18,559

paranoid of the government i'm not a

961

00:33:24,870 --> 00:33:22,000

i'm not a tin foil hatter here but i'm

962

00:33:27,350 --> 00:33:24,880

i'm thinking that they have technologies

963

00:33:30,070 --> 00:33:27,360

that we can't even begin to comprehend

964

00:33:32,389 --> 00:33:30,080

and they like that there's a a few of us

965

00:33:35,909 --> 00:33:32,399

are lab rats or something

966

00:33:37,990 --> 00:33:35,919

and they're toying with us this

967

00:33:40,230 --> 00:33:38,000

this to me doesn't even seem like an et

968

00:33:41,830 --> 00:33:40,240

this seems like something where

969

00:33:44,230 --> 00:33:41,840

they wanted to test something and they

970

00:33:46,630 --> 00:33:44,240

knew i'd come out there if they did it

971

00:33:49,509 --> 00:33:46,640

you know because i follow this stuff

972

00:33:52,149 --> 00:33:49,519

like a cat chases a laser

973

00:33:54,070 --> 00:33:52,159

on the wall i like that like a cat

974

00:33:57,669 --> 00:33:54,080

chase's laser and so cool

975

00:34:00,149 --> 00:33:57,679

i've seen stuff out at area 51 too that

976
00:34:01,590 --> 00:34:00,159
seems as if it could not be our

977
00:34:04,950 --> 00:34:01,600
technology but again

978
00:34:07,830 --> 00:34:04,960
i am no fleet specialist of these

979
00:34:08,149 --> 00:34:07,840
vehicles so how the heck would i know

980
00:34:11,190 --> 00:34:08,159
and

981
00:34:11,589 --> 00:34:11,200
i wanna you know it's ironic but perhaps

982
00:34:13,109 --> 00:34:11,599
um

983
00:34:15,589 --> 00:34:13,119
a question i wanted to ask you an

984
00:34:19,430 --> 00:34:15,599
epitome of sort of kind of ties into

985
00:34:23,510 --> 00:34:19,440
area 51 and how compartmentalized it is

986
00:34:24,230 --> 00:34:23,520
a lot of religions are compartmentalized

987
00:34:26,710 --> 00:34:24,240
as well

988
00:34:28,710 --> 00:34:26,720

and a lot of the structures and temples

989

00:34:32,069 --> 00:34:28,720

of those religions are structured

990

00:34:35,829 --> 00:34:32,079

uh very compartmentalized in utah i've

991

00:34:39,030 --> 00:34:35,839

heard a lot of really cool stories

992

00:34:40,950 --> 00:34:39,040

about things like an elevator shaft was

993

00:34:42,790 --> 00:34:40,960

created in the temple before they knew

994

00:34:44,710 --> 00:34:42,800

they even needed an elevator shaft and

995

00:34:49,030 --> 00:34:44,720

the dimensions were correct

996

00:34:52,149 --> 00:34:49,040

and other other very significant

997

00:34:54,790 --> 00:34:52,159

i guess it would be uh

998

00:34:56,389 --> 00:34:54,800

building processes that they they kind

999

00:34:58,230 --> 00:34:56,399

of allowed for

1000

00:34:59,750 --> 00:34:58,240

the electrical the plumbing the things

1001
00:35:00,950 --> 00:34:59,760
that they weren't sure were even going

1002
00:35:03,270 --> 00:35:00,960
to be in there

1003
00:35:04,630 --> 00:35:03,280
and um i wanted to kind of delve into

1004
00:35:07,270 --> 00:35:04,640
that and you being a

1005
00:35:09,750 --> 00:35:07,280
a native utahn did you hear any folklore

1006
00:35:13,589 --> 00:35:09,760
like that

1007
00:35:18,230 --> 00:35:13,599
well i think i i have

1008
00:35:22,550 --> 00:35:18,240
but you know i've also um

1009
00:35:24,150 --> 00:35:22,560
i've also traveled extensively

1010
00:35:27,670 --> 00:35:24,160
throughout the pueblos and throughout

1011
00:35:29,670 --> 00:35:27,680
many different uh indigenous communities

1012
00:35:31,910 --> 00:35:29,680
around the southwest so i see a pattern

1013
00:35:34,950 --> 00:35:31,920

not just in the

1014

00:35:37,030 --> 00:35:34,960

mormon bubble up there in utah but i

1015

00:35:39,550 --> 00:35:37,040

also see it

1016

00:35:41,910 --> 00:35:39,560

around the american southwest i i notice

1017

00:35:44,230 --> 00:35:41,920

inconsistencies and data because i guess

1018

00:35:45,990 --> 00:35:44,240

i'm educated right

1019

00:35:47,349 --> 00:35:46,000

when you're in college when you're at a

1020

00:35:49,349 --> 00:35:47,359

university you learn how to write

1021

00:35:50,630 --> 00:35:49,359

bibliographies and you learn how to cite

1022

00:35:52,790 --> 00:35:50,640

your sources when you're

1023

00:35:55,510 --> 00:35:52,800

writing research papers and you come

1024

00:35:58,310 --> 00:35:55,520

down you learn research methods like

1025

00:35:59,109 --> 00:35:58,320

what they call you know quantitative

1026

00:36:00,790 --> 00:35:59,119

data

1027

00:36:02,470 --> 00:36:00,800

research methods where you're looking at

1028

00:36:04,390 --> 00:36:02,480

stuff statistically like

1029

00:36:06,790 --> 00:36:04,400

quantitative data and then you're

1030

00:36:09,910 --> 00:36:06,800

looking at qualitative data

1031

00:36:11,829 --> 00:36:09,920

when it's not statistical data like hard

1032

00:36:13,109 --> 00:36:11,839

science right so when you're looking at

1033

00:36:16,870 --> 00:36:13,119

you're trying to

1034

00:36:18,550 --> 00:36:16,880

gather data that's got truth to it

1035

00:36:19,990 --> 00:36:18,560

but there's a lot of flux you have to

1036

00:36:23,349 --> 00:36:20,000

sift through a lot of what they call

1037

00:36:24,950 --> 00:36:23,359

qualitative data and at the university

1038

00:36:27,910 --> 00:36:24,960

level when you're writing a research

1039

00:36:30,150 --> 00:36:27,920

paper there's got to be

1040

00:36:31,349 --> 00:36:30,160

qualitative data will not something like

1041

00:36:33,190 --> 00:36:31,359

wikipedia won't

1042

00:36:35,030 --> 00:36:33,200

won't do the trick you have to have

1043

00:36:35,829 --> 00:36:35,040

solid sources you can't use fox news you

1044

00:36:39,270 --> 00:36:35,839

can't use

1045

00:36:43,030 --> 00:36:39,280

sources you have to go through a

1046

00:36:45,510 --> 00:36:43,040

periodical index of approved

1047

00:36:46,710 --> 00:36:45,520

media sources that are known to be

1048

00:36:49,910 --> 00:36:46,720

reliable i would say

1049

00:36:51,829 --> 00:36:49,920

associated press reuters those are those

1050

00:36:53,589 --> 00:36:51,839

are qualitative data sources that would

1051

00:36:56,630 --> 00:36:53,599

be suitable for like a college

1052

00:36:59,750 --> 00:36:56,640

research paper right and i i

1053

00:37:01,030 --> 00:36:59,760

learned how to scrutinize [\h__\h]

1054

00:37:02,870 --> 00:37:01,040

oh i should probably shouldn't say that

1055

00:37:06,069 --> 00:37:02,880

on the podcast i'm sorry that's okay

1056

00:37:08,630 --> 00:37:06,079

um i i've learned how to scrutinize

1057

00:37:10,150 --> 00:37:08,640

a lot of fluff based on those research

1058

00:37:13,670 --> 00:37:10,160

methods so i've got

1059

00:37:16,550 --> 00:37:13,680

i discriminate what i hear

1060

00:37:17,190 --> 00:37:16,560

and what i would call folk what i what a

1061

00:37:20,710 --> 00:37:17,200

lot of people

1062

00:37:23,670 --> 00:37:20,720

call uh ufology or ufological data

1063

00:37:25,270 --> 00:37:23,680

i call folklore because there's nothing

1064

00:37:25,589 --> 00:37:25,280

to prove it so when we're looking at

1065

00:37:28,470 --> 00:37:25,599

like

1066

00:37:30,390 --> 00:37:28,480

steven spielberg's film close encounters

1067

00:37:31,910 --> 00:37:30,400

the third kind a lot of the inspiration

1068

00:37:33,990 --> 00:37:31,920

man that film was derived from the

1069

00:37:35,910 --> 00:37:34,000

circle project

1070

00:37:38,630 --> 00:37:35,920

which isn't interesting one there's a

1071

00:37:40,390 --> 00:37:38,640

ton of ufo folklore tied to that

1072

00:37:42,150 --> 00:37:40,400

and when i'm doing my tours around the

1073

00:37:43,510 --> 00:37:42,160

southwest i like to talk about that i

1074

00:37:45,109 --> 00:37:43,520

like to dive down that rabbit hole

1075

00:37:45,910 --> 00:37:45,119

because it fascinates me but i call it

1076

00:37:47,430 --> 00:37:45,920

folklore

1077

00:37:49,109 --> 00:37:47,440

and a lot of ufo researchers get

1078

00:37:50,550 --> 00:37:49,119

offended at me for calling a folklore

1079

00:37:51,030 --> 00:37:50,560

because like no there's some truth to

1080

00:37:53,270 --> 00:37:51,040

this

1081

00:37:55,030 --> 00:37:53,280

of course but it's like religion and god

1082

00:37:55,910 --> 00:37:55,040

you can't prove or disprove it so it's

1083

00:37:58,150 --> 00:37:55,920

like

1084

00:37:58,950 --> 00:37:58,160

you know it's it's it is what it is

1085

00:38:04,069 --> 00:37:58,960

right

1086

00:38:07,349 --> 00:38:04,079

and i look at the i look at mormonism

1087

00:38:08,390 --> 00:38:07,359

and you know our organization we don't

1088

00:38:10,390 --> 00:38:08,400

look at this

1089

00:38:11,589 --> 00:38:10,400

from a scientific perspective actually

1090

00:38:15,589 --> 00:38:11,599

we look at it from a

1091

00:38:17,349 --> 00:38:15,599

sociological anthropological perspective

1092

00:38:19,190 --> 00:38:17,359

when we were hosting the fast so the

1093

00:38:21,190 --> 00:38:19,200

whole idea was

1094

00:38:23,030 --> 00:38:21,200

the whole question i had when it came to

1095

00:38:25,430 --> 00:38:23,040

the mormon church and the mormon bubble

1096

00:38:27,190 --> 00:38:25,440

is what is it that they're trying to

1097

00:38:29,589 --> 00:38:27,200

make us afraid of what are they trying

1098

00:38:32,710 --> 00:38:29,599

to conform us away from

1099

00:38:35,349 --> 00:38:32,720

you know i i looking at the pandemic

1100

00:38:35,750 --> 00:38:35,359

the church is in lockstep sync with the

1101

00:38:37,190 --> 00:38:35,760

u.s

1102

00:38:38,870 --> 00:38:37,200

federal government when it comes to

1103

00:38:39,910 --> 00:38:38,880

following the guidelines and shutting

1104

00:38:41,829 --> 00:38:39,920

down their

1105

00:38:43,190 --> 00:38:41,839

religious meetings and i'm not just

1106

00:38:44,310 --> 00:38:43,200

looking at the church here i'm not just

1107

00:38:45,990 --> 00:38:44,320

looking at the mormon church here i'm

1108

00:38:47,589 --> 00:38:46,000

looking at all the major religions and

1109

00:38:50,390 --> 00:38:47,599

how they're like almost like

1110

00:38:51,270 --> 00:38:50,400

lots block step in sync with with a

1111

00:38:53,990 --> 00:38:51,280

government or

1112

00:38:55,190 --> 00:38:54,000

even a world government agenda and i

1113

00:38:56,710 --> 00:38:55,200

can't help but think

1114

00:38:58,630 --> 00:38:56,720

you know it's like they're almost like

1115

00:39:00,310 --> 00:38:58,640

stressing us to conform

1116

00:39:01,910 --> 00:39:00,320

and not go against the grain and just

1117

00:39:04,790 --> 00:39:01,920

listen to our leaders

1118

00:39:06,950 --> 00:39:04,800

you know and to me i've always been kind

1119

00:39:09,109 --> 00:39:06,960

of skeptical of the church i'm not

1120

00:39:10,870 --> 00:39:09,119

active in the church i'm lds and i have

1121

00:39:12,790 --> 00:39:10,880

to be careful what i say because

1122

00:39:14,630 --> 00:39:12,800

i don't want to be perceived to someone

1123

00:39:17,430 --> 00:39:14,640

who's against the church

1124

00:39:18,470 --> 00:39:17,440

i identify as a mormon culturally and

1125

00:39:19,910 --> 00:39:18,480

they don't even want to be called

1126

00:39:22,069 --> 00:39:19,920

mormons anymore the

1127

00:39:23,670 --> 00:39:22,079

official narrative of the church is no

1128

00:39:25,109 --> 00:39:23,680

we're latter-day saints you know we're

1129

00:39:26,870 --> 00:39:25,119

members of the church jesus christ

1130

00:39:27,510 --> 00:39:26,880

latter-day saints don't call us mormons

1131

00:39:29,030 --> 00:39:27,520

that's

1132

00:39:30,870 --> 00:39:29,040

not our thing anymore we want to

1133

00:39:32,790 --> 00:39:30,880

reinvent ourselves we want to reinvent

1134

00:39:34,550 --> 00:39:32,800

our church's image

1135

00:39:35,990 --> 00:39:34,560

in the world you've probably heard a few

1136

00:39:37,990 --> 00:39:36,000

things about that right

1137

00:39:39,190 --> 00:39:38,000

i've gone against the grain on that i

1138

00:39:42,069 --> 00:39:39,200

said you know what

1139

00:39:44,230 --> 00:39:42,079

i'm a proud mormon am a mormon and i

1140

00:39:46,150 --> 00:39:44,240

believe in ufos i'm a mormon i believe

1141

00:39:49,510 --> 00:39:46,160

in aliens i'm a mormon and i believe

1142

00:39:52,069 --> 00:39:49,520

god is an extraterrestrial

1143

00:39:53,589 --> 00:39:52,079

and some mormons when you're sitting in

1144

00:39:53,990 --> 00:39:53,599

a church meeting they get offended at

1145

00:39:56,790 --> 00:39:54,000

that

1146

00:39:58,069 --> 00:39:56,800

it's like why are you guys getting

1147

00:40:01,109 --> 00:39:58,079

offended at that

1148

00:40:03,589 --> 00:40:01,119

the more of a church is a ufo cult

1149

00:40:05,109 --> 00:40:03,599

that now don't say that in a church

1150

00:40:06,950 --> 00:40:05,119

because you're gonna that's seen that

1151

00:40:08,950 --> 00:40:06,960

that's gonna be perceived as

1152

00:40:11,270 --> 00:40:08,960

sacrilegious but they you know they talk

1153

00:40:12,630 --> 00:40:11,280

about god coming from a planet

1154

00:40:14,550 --> 00:40:12,640

they don't know if it's a planet or a

1155

00:40:17,750 --> 00:40:14,560

star they call it kolob

1156

00:40:20,870 --> 00:40:17,760

right yeah yeah

1157

00:40:23,270 --> 00:40:20,880

supposedly yeah in form and theology god

1158

00:40:25,430 --> 00:40:23,280

supposedly created this earth and

1159

00:40:26,790 --> 00:40:25,440

create where his sons were his sons and

1160

00:40:28,069 --> 00:40:26,800

daughters

1161

00:40:29,510 --> 00:40:28,079

and if he created this earth but he's

1162

00:40:31,750 --> 00:40:29,520

not from here what does that make him

1163

00:40:33,349 --> 00:40:31,760

ryan

1164

00:40:36,230 --> 00:40:33,359

well he's he's not here on the

1165

00:40:38,550 --> 00:40:36,240

terrestrial plane

1166

00:40:41,190 --> 00:40:38,560

of course so what does that make him a

1167

00:40:45,270 --> 00:40:41,200

cosmic divine being

1168

00:40:47,430 --> 00:40:45,280

an e.t i i just couldn't say i had to

1169

00:40:49,829 --> 00:40:47,440

have you say it instead i bet i i

1170

00:40:50,950 --> 00:40:49,839

but yes something not from here

1171

00:40:54,230 --> 00:40:50,960

absolutely

1172

00:40:55,430 --> 00:40:54,240

an alien yeah but the mormon theology

1173

00:40:59,030 --> 00:40:55,440

teaches okay

1174

00:41:02,150 --> 00:40:59,040

their gospel teaches that this

1175

00:41:04,150 --> 00:41:02,160

one god our father in heaven you know

1176
00:41:05,990 --> 00:41:04,160
created worlds without number they say

1177
00:41:08,470 --> 00:41:06,000
that he created as many

1178
00:41:10,230 --> 00:41:08,480
worlds as there are sands upon this

1179
00:41:12,870 --> 00:41:10,240
earth grains of sand

1180
00:41:15,270 --> 00:41:12,880
with intelligent human life he's they're

1181
00:41:17,270 --> 00:41:15,280
not he's not talking about giants and

1182
00:41:20,550 --> 00:41:17,280
little green people he's saying human

1183
00:41:21,030 --> 00:41:20,560
life and what blows my mind in ufology

1184
00:41:23,270 --> 00:41:21,040
with

1185
00:41:25,270 --> 00:41:23,280
stories like billy meyer i know a lot of

1186
00:41:26,710 --> 00:41:25,280
people are skeptical of billy meyer

1187
00:41:28,870 --> 00:41:26,720
and all these other accounts but if you

1188
00:41:30,390 --> 00:41:28,880

look at adam adamski you know who i'm

1189

00:41:34,230 --> 00:41:30,400

talking about

1190

00:41:36,309 --> 00:41:34,240

the adansky uh scenario in california

1191

00:41:38,309 --> 00:41:36,319

or what's his name george castle with

1192

00:41:41,349 --> 00:41:38,319

the integratron the integratron

1193

00:41:43,589 --> 00:41:41,359

absolutely all right funny fact

1194

00:41:45,030 --> 00:41:43,599

funny fact uh did you know ryan

1195

00:41:48,470 --> 00:41:45,040

skinner's

1196

00:41:51,829 --> 00:41:48,480

uh significant other is related

1197

00:41:53,910 --> 00:41:51,839

to george van tassel yeah i didn't know

1198

00:41:55,270 --> 00:41:53,920

it's funny these circles get smaller and

1199

00:41:57,510 --> 00:41:55,280

smaller as you start like

1200

00:41:58,390 --> 00:41:57,520

like much like the integration but go on

1201
00:42:02,309 --> 00:41:58,400
yeah

1202
00:42:05,829 --> 00:42:02,319
amazing stuff but um

1203
00:42:09,750 --> 00:42:05,839
so you know i think one thing

1204
00:42:10,230 --> 00:42:09,760
i have this uh rebel i have this rebel

1205
00:42:13,510 --> 00:42:10,240
streak

1206
00:42:15,510 --> 00:42:13,520
that won't quit and

1207
00:42:17,589 --> 00:42:15,520
i get really controversial sometimes so

1208
00:42:19,510 --> 00:42:17,599
the point that i've burned bridges with

1209
00:42:20,390 --> 00:42:19,520
people who i grew up with you know just

1210
00:42:23,750 --> 00:42:20,400
because

1211
00:42:26,069 --> 00:42:23,760
it's like i refuse to allow someone

1212
00:42:27,829 --> 00:42:26,079
to tell me what i can and can't believe

1213
00:42:28,950 --> 00:42:27,839

i refuse to allow someone to tell me

1214

00:42:33,589 --> 00:42:28,960

what to do

1215

00:42:33,910 --> 00:42:33,599

so i think i embraced my mormon heritage

1216

00:42:35,190 --> 00:42:33,920

i

1217

00:42:37,109 --> 00:42:35,200

embraced my mormon culture because

1218

00:42:38,950 --> 00:42:37,119

that's all i know i wasn't it wasn't

1219

00:42:40,630 --> 00:42:38,960

raised navajo in the navajo culture with

1220

00:42:43,990 --> 00:42:40,640

brown skin you know i'm like

1221

00:42:44,790 --> 00:42:44,000

i'm i'm a i'm a white anglo b lagano

1222

00:42:47,990 --> 00:42:44,800

what they call

1223

00:42:51,109 --> 00:42:48,000

us white folks at the navajo and

1224

00:42:54,390 --> 00:42:51,119

uh you know i i i

1225

00:42:55,030 --> 00:42:54,400

i i i know a lot about these cultures

1226

00:42:57,910 --> 00:42:55,040

but i

1227

00:42:59,829 --> 00:42:57,920

pretend like i don't because i i believe

1228

00:43:01,750 --> 00:42:59,839

in having a humble heart

1229

00:43:03,510 --> 00:43:01,760

where it's like the more i learn the

1230

00:43:05,510 --> 00:43:03,520

less i know maintain that attitude

1231

00:43:07,270 --> 00:43:05,520

wherever i go

1232

00:43:10,550 --> 00:43:07,280

i love that i love that that's awesome

1233

00:43:11,829 --> 00:43:10,560

man let me write that one down

1234

00:43:14,550 --> 00:43:11,839

well you got it recorded so you can

1235

00:43:17,589 --> 00:43:14,560

definitely write it down um but anyways

1236

00:43:19,750 --> 00:43:17,599

uh you know i i

1237

00:43:20,870 --> 00:43:19,760

i think it's kind of crazy that the

1238

00:43:23,990 --> 00:43:20,880

church owns

1239

00:43:27,589 --> 00:43:24,000

or had a major stake in ancestry.com

1240

00:43:30,309 --> 00:43:27,599

i wouldn't be surprised if the church

1241

00:43:32,710 --> 00:43:30,319

is aware of alien technology i find it

1242

00:43:34,390 --> 00:43:32,720

really ironic that the cia's central

1243

00:43:36,150 --> 00:43:34,400

intelligence agency and the defense

1244

00:43:39,030 --> 00:43:36,160

intelligence agency and all these

1245

00:43:40,550 --> 00:43:39,040

agencies that are not elected they're

1246

00:43:42,230 --> 00:43:40,560

unconstitutional

1247

00:43:44,150 --> 00:43:42,240

you know we don't elect those agencies

1248

00:43:45,670 --> 00:43:44,160

like we do our president right

1249

00:43:47,430 --> 00:43:45,680

and they're the ones running our country

1250

00:43:49,990 --> 00:43:47,440

and they happen to have a very deep

1251

00:43:51,750 --> 00:43:50,000

working relationship

1252

00:43:53,430 --> 00:43:51,760

in the church at least in a networking

1253

00:43:55,589 --> 00:43:53,440

capacity why are they out there

1254

00:43:56,550 --> 00:43:55,599

why are they always recruiting mormon

1255

00:43:59,349 --> 00:43:56,560

young mormon

1256

00:44:00,150 --> 00:43:59,359

uh college students into their ranks

1257

00:44:01,750 --> 00:44:00,160

it's like

1258

00:44:03,829 --> 00:44:01,760

makes you wonder you know and why does

1259

00:44:06,309 --> 00:44:03,839

the church have this uncanny

1260

00:44:07,589 --> 00:44:06,319

fascination with ancestry and dna it's

1261

00:44:09,910 --> 00:44:07,599

like

1262

00:44:11,430 --> 00:44:09,920

i don't know it makes me think of other

1263

00:44:12,069 --> 00:44:11,440

religions it's not just the mormon

1264

00:44:15,430 --> 00:44:12,079

church

1265

00:44:18,069 --> 00:44:15,440

out here i think of the vatican

1266

00:44:19,910 --> 00:44:18,079

and i think of all these other organized

1267

00:44:22,950 --> 00:44:19,920

religions and western culture and it

1268

00:44:23,910 --> 00:44:22,960

makes me wonder what's really going on

1269

00:44:28,150 --> 00:44:23,920

here

1270

00:44:32,710 --> 00:44:30,309

i i the reason why i went inactive

1271

00:44:34,230 --> 00:44:32,720

personally is because i decided to cut

1272

00:44:36,230 --> 00:44:34,240

the middleman out the ones

1273

00:44:37,430 --> 00:44:36,240

running the shopify platform the middle

1274

00:44:39,589 --> 00:44:37,440

guys who run

1275

00:44:41,750 --> 00:44:39,599

most of the business you know and say we

1276

00:44:44,390 --> 00:44:41,760

have to we're the ones that help you

1277

00:44:46,150 --> 00:44:44,400

operate on a religious level i compare

1278

00:44:48,630 --> 00:44:46,160

the more of a church to shopify

1279

00:44:49,990 --> 00:44:48,640

why run shopify if you can go develop a

1280

00:44:52,550 --> 00:44:50,000

wordpress blog

1281

00:44:53,109 --> 00:44:52,560

yourself and have and cut the middleman

1282

00:44:55,990 --> 00:44:53,119

out right

1283

00:44:57,190 --> 00:44:56,000

if it works better yeah some of the

1284

00:45:01,270 --> 00:44:57,200

original gnostic

1285

00:45:03,670 --> 00:45:01,280

christians right they they they taught

1286

00:45:05,190 --> 00:45:03,680

that god was a relationship between you

1287

00:45:06,790 --> 00:45:05,200

and god

1288

00:45:09,030 --> 00:45:06,800

and that was what christianity was you

1289

00:45:13,109 --> 00:45:09,040

weren't supposed to have these

1290

00:45:16,829 --> 00:45:13,119

these uh middle men these bishops these

1291

00:45:18,710 --> 00:45:16,839

these uh you know these official

1292

00:45:21,109 --> 00:45:18,720

churches writing

1293

00:45:21,750 --> 00:45:21,119

you know revising the bible to fit their

1294

00:45:24,710 --> 00:45:21,760

narrative

1295

00:45:25,030 --> 00:45:24,720

you know even even the i'm going to say

1296

00:45:28,150 --> 00:45:25,040

this

1297

00:45:29,829 --> 00:45:28,160

and you know it's controversial but i

1298

00:45:31,270 --> 00:45:29,839

think even when it comes to the lds

1299

00:45:32,470 --> 00:45:31,280

church and his recent history with

1300

00:45:35,990 --> 00:45:32,480

joseph smith

1301

00:45:36,470 --> 00:45:36,000

there's a revisionist it's revising

1302

00:45:39,349 --> 00:45:36,480

itself

1303

00:45:40,870 --> 00:45:39,359

constantly and rewriting its own history

1304

00:45:42,150 --> 00:45:40,880

the fifth narrative of the day

1305

00:45:44,829 --> 00:45:42,160

does that make sense or to be

1306

00:45:46,950 --> 00:45:44,839

politically correct for the day

1307

00:45:48,390 --> 00:45:46,960

and that's as far as i'm going to go

1308

00:45:49,910 --> 00:45:48,400

down that because i don't i'm not trying

1309

00:45:51,910 --> 00:45:49,920

to bag on the church here right

1310

00:45:54,230 --> 00:45:51,920

no not at all not at all but yeah i

1311

00:45:55,829 --> 00:45:54,240

agree with you yeah

1312

00:45:58,390 --> 00:45:55,839

i love the church listen i love the

1313

00:46:00,150 --> 00:45:58,400

church i identify as mormon i'm still a

1314

00:46:01,750 --> 00:46:00,160

member of the church but i'm inactive

1315

00:46:03,430 --> 00:46:01,760

and i'm very comfortable

1316

00:46:04,870 --> 00:46:03,440

not leaving the church and sitting on

1317

00:46:07,510 --> 00:46:04,880

the fence you know why

1318

00:46:08,870 --> 00:46:07,520

because i have both sides pushed i have

1319

00:46:11,349 --> 00:46:08,880

the pro-mormons

1320

00:46:13,349 --> 00:46:11,359

you know the proactive mormons that want

1321

00:46:15,109 --> 00:46:13,359

to drag me back into it and then i have

1322

00:46:18,069 --> 00:46:15,119

the non-mormons that are

1323

00:46:19,750 --> 00:46:18,079

saying it's like it's like being drugged

1324

00:46:21,190 --> 00:46:19,760

down and drowned in the depths of the

1325

00:46:23,430 --> 00:46:21,200

ocean you know

1326
00:46:24,710 --> 00:46:23,440
being you know i have no freedom i've

1327
00:46:26,150 --> 00:46:24,720
got these chains

1328
00:46:28,069 --> 00:46:26,160
and they're telling me to cut the chains

1329
00:46:31,589 --> 00:46:28,079
and you know what i tell people

1330
00:46:34,230 --> 00:46:31,599
i say for a learning experience

1331
00:46:37,829 --> 00:46:34,240
for an experiential learning experience

1332
00:46:39,990 --> 00:46:37,839
i think it's the harder higher path

1333
00:46:42,230 --> 00:46:40,000
is is allowing that tug of war to

1334
00:46:44,550 --> 00:46:42,240
constantly pull me both ways

1335
00:46:47,109 --> 00:46:44,560
when i identify culturally as a mormon

1336
00:46:48,550 --> 00:46:47,119
because i feel like i have a very unique

1337
00:46:51,670 --> 00:46:48,560
perspective

1338
00:46:53,510 --> 00:46:51,680

of that religion with these ufo

1339

00:46:56,630 --> 00:46:53,520

experiences i think me and uh

1340

00:46:59,589 --> 00:46:56,640

travis walton in so many ways are on the

1341

00:47:02,150 --> 00:46:59,599

same wavelength because travis

1342

00:47:04,069 --> 00:47:02,160

had his experience where he was taken on

1343

00:47:05,670 --> 00:47:04,079

board a craft

1344

00:47:07,510 --> 00:47:05,680

and he has an experience that he can

1345

00:47:09,589 --> 00:47:07,520

never unravel

1346

00:47:11,510 --> 00:47:09,599

and all these witnesses that saw him get

1347

00:47:19,910 --> 00:47:11,520

taken

1348

00:47:21,750 --> 00:47:19,920

and i would like to see skeptics

1349

00:47:23,430 --> 00:47:21,760

continue to try and explain that that

1350

00:47:24,230 --> 00:47:23,440

evidence away that's involved with that

1351

00:47:29,510 --> 00:47:24,240

case

1352

00:47:31,109 --> 00:47:29,520

it's like travis is the real deal to me

1353

00:47:33,190 --> 00:47:31,119

and can i tell you guys something about

1354

00:47:34,790 --> 00:47:33,200

travis we have enough time yeah for sure

1355

00:47:38,630 --> 00:47:34,800

yeah we do

1356

00:47:41,510 --> 00:47:38,640

okay so for those who don't know

1357

00:47:43,589 --> 00:47:41,520

travis walton is the ufo case that

1358

00:47:46,790 --> 00:47:43,599

inspired the major motion picture

1359

00:47:48,309 --> 00:47:46,800

uh fire in the sky now hollywood got his

1360

00:47:49,829 --> 00:47:48,319

actual story wrong

1361

00:47:51,589 --> 00:47:49,839

but let's not go down that rabbit hole

1362

00:47:52,150 --> 00:47:51,599

because a lot of people know about that

1363

00:47:53,990 --> 00:47:52,160

story

1364

00:47:55,990 --> 00:47:54,000

they can look it up they can google it

1365

00:47:59,190 --> 00:47:56,000

travis wall in the travis walton

1366

00:48:01,910 --> 00:47:59,200

incident what i know for a fact

1367

00:48:03,190 --> 00:48:01,920

and this is a personal testament to who

1368

00:48:06,309 --> 00:48:03,200

travis is

1369

00:48:07,910 --> 00:48:06,319

and what his integrity is okay he is a

1370

00:48:11,510 --> 00:48:07,920

man of integrity

1371

00:48:11,990 --> 00:48:11,520

he is a man that blows my mind i he came

1372

00:48:15,030 --> 00:48:12,000

to our

1373

00:48:18,309 --> 00:48:15,040

festival in 2016 free

1374

00:48:21,750 --> 00:48:18,319

on his own dime he comes up there

1375

00:48:24,230 --> 00:48:21,760

to support the cause and as i got to

1376

00:48:25,990 --> 00:48:24,240

know travis over the next few years

1377

00:48:27,670 --> 00:48:26,000

meeting him at various conferences we

1378

00:48:28,710 --> 00:48:27,680

became really good friends and i became

1379

00:48:32,630 --> 00:48:28,720

good friends with his

1380

00:48:34,710 --> 00:48:32,640

son luke and

1381

00:48:37,430 --> 00:48:34,720

this is this is going to be a testimony

1382

00:48:40,069 --> 00:48:37,440

of both luke and travis okay

1383

00:48:40,470 --> 00:48:40,079

in 2000 i believe it was the most recent

1384

00:48:44,230 --> 00:48:40,480

one

1385

00:48:47,670 --> 00:48:44,240

the 2019 festival which you were at ryan

1386

00:48:47,990 --> 00:48:47,680

i was scheduled to go help ben henson

1387

00:48:49,990 --> 00:48:48,000

the guy

1388

00:48:53,349 --> 00:48:50,000

who runs the tv show fact or fake you

1389

00:48:55,349 --> 00:48:53,359

know he's a good friend of mine

1390

00:48:57,349 --> 00:48:55,359

ben hanson invited me to go out to

1391

00:48:59,750 --> 00:48:57,359

contact in the desert

1392

00:49:01,589 --> 00:48:59,760

in california and he asked me to come

1393

00:49:02,390 --> 00:49:01,599

help him at his table you know help a

1394

00:49:03,990 --> 00:49:02,400

man his table

1395

00:49:05,510 --> 00:49:04,000

dude he sells night vision and does

1396

00:49:09,510 --> 00:49:05,520

these sky watches

1397

00:49:12,069 --> 00:49:09,520

at ufo conferences and we had

1398

00:49:13,030 --> 00:49:12,079

wrapped up our utah ufo festival i had

1399

00:49:16,309 --> 00:49:13,040

ran

1400

00:49:18,790 --> 00:49:16,319

i i i had gone out to rachel nevada

1401
00:49:21,109 --> 00:49:18,800
on the area 51 caravan that our festival

1402
00:49:24,870 --> 00:49:21,119
does every time we do a festival

1403
00:49:28,069 --> 00:49:24,880
and travis wanted to ride with me

1404
00:49:29,270 --> 00:49:28,079
in my vehicle and steve pierce came

1405
00:49:32,710 --> 00:49:29,280
along

1406
00:49:34,309 --> 00:49:32,720
on that trip uh you know

1407
00:49:36,309 --> 00:49:34,319
me and steve are not boozing buddies

1408
00:49:38,950 --> 00:49:36,319
right now because i

1409
00:49:39,510 --> 00:49:38,960
i confronted steve and we butted heads

1410
00:49:41,589 --> 00:49:39,520
especially

1411
00:49:43,030 --> 00:49:41,599
he it was he was it was bad blood out of

1412
00:49:44,390 --> 00:49:43,040
a little alien between me and steve

1413
00:49:49,270 --> 00:49:44,400

let's just put it that way

1414

00:49:53,270 --> 00:49:49,280

um but here in steve's defense

1415

00:49:55,990 --> 00:49:53,280

uh steve and travis the way they argued

1416

00:49:56,710 --> 00:49:56,000

with each other the way he trolled the

1417

00:49:59,349 --> 00:49:56,720

travis

1418

00:50:00,870 --> 00:49:59,359

on that journey out there they're not

1419

00:50:01,910 --> 00:50:00,880

boozing buddies they never were booze

1420

00:50:04,950 --> 00:50:01,920

and buddies in fact

1421

00:50:07,750 --> 00:50:04,960

if the ufo incident

1422

00:50:08,790 --> 00:50:07,760

the travis wallinson hadn't happened

1423

00:50:12,230 --> 00:50:08,800

those guys would

1424

00:50:15,030 --> 00:50:12,240

have parted ways long ago

1425

00:50:16,230 --> 00:50:15,040

okay but because they are tied to an

1426

00:50:19,589 --> 00:50:16,240

otherworldly

1427

00:50:23,670 --> 00:50:19,599

unknown mystery that affected both

1428

00:50:26,790 --> 00:50:23,680

their lives they still

1429

00:50:29,829 --> 00:50:26,800

are drawn to each other's path

1430

00:50:32,710 --> 00:50:29,839

because of the

1431

00:50:34,549 --> 00:50:32,720

that incident okay and i got to listen

1432

00:50:35,190 --> 00:50:34,559

to that all the way out to rachel and

1433

00:50:39,030 --> 00:50:35,200

back that

1434

00:50:43,349 --> 00:50:41,510

they didn't have a camera crew they

1435

00:50:46,309 --> 00:50:43,359

didn't have a film crew

1436

00:50:47,589 --> 00:50:46,319

documenting their accounts it was just

1437

00:50:51,510 --> 00:50:47,599

off the record

1438

00:50:52,950 --> 00:50:51,520

off the cuff natural and it blew my mind

1439

00:50:54,950 --> 00:50:52,960

the details

1440

00:50:57,109 --> 00:50:54,960

that they were talking to each other

1441

00:50:58,950 --> 00:50:57,119

about going out there and back

1442

00:51:01,589 --> 00:50:58,960

i got back to cedar city and by the time

1443

00:51:04,630 --> 00:51:01,599

we got into cedar city my wheel bearing

1444

00:51:05,990 --> 00:51:04,640

on my vehicle was going out

1445

00:51:07,510 --> 00:51:06,000

you know what that meant it meant i

1446

00:51:09,990 --> 00:51:07,520

wasn't going to be able to get contact

1447

00:51:11,349 --> 00:51:10,000

in the desert in california

1448

00:51:14,069 --> 00:51:11,359

but i was supposed to go out there and

1449

00:51:15,589 --> 00:51:14,079

help ben henson and guess who else is

1450

00:51:17,670 --> 00:51:15,599

going to be out there travis walton and

1451
00:51:19,270 --> 00:51:17,680
his son luke

1452
00:51:20,549 --> 00:51:19,280
that was their next destination that's

1453
00:51:22,069 --> 00:51:20,559
where i was supposed to be going i said

1454
00:51:24,710 --> 00:51:22,079
it looks like i won't be going because

1455
00:51:28,309 --> 00:51:24,720
my wheel bearing's out

1456
00:51:30,069 --> 00:51:28,319
and you know what i remember i remember

1457
00:51:31,990 --> 00:51:30,079
seeing travis on the side of the road

1458
00:51:35,430 --> 00:51:32,000
holding your wheel bearing man

1459
00:51:37,430 --> 00:51:35,440
i totally remember yeah i remember

1460
00:51:39,109 --> 00:51:37,440
travis the look in travis and luke's

1461
00:51:41,910 --> 00:51:39,119
eyes when they realized

1462
00:51:43,349 --> 00:51:41,920
uh they didn't want you know deep down

1463
00:51:44,309 --> 00:51:43,359

you could tell they didn't want to help

1464

00:51:47,750 --> 00:51:44,319

me on this

1465

00:51:49,589 --> 00:51:47,760

because it's a lot of work like oh no

1466

00:51:50,790 --> 00:51:49,599

nate's in a between a rock and a hard

1467

00:51:52,069 --> 00:51:50,800

place and he's not going to be able to

1468

00:51:54,390 --> 00:51:52,079

get through it if we don't help him and

1469

00:51:57,349 --> 00:51:54,400

i wasn't asking him for help

1470

00:51:59,030 --> 00:51:57,359

but travis stepped up to the plate and

1471

00:52:03,430 --> 00:51:59,040

they had the tools right there

1472

00:52:06,549 --> 00:52:03,440

at the hotel and it was amazing to watch

1473

00:52:07,349 --> 00:52:06,559

luke and travis go to work and

1474

00:52:08,950 --> 00:52:07,359

installing

1475

00:52:11,349 --> 00:52:08,960

a new wheel bearing they had to pack the

1476
00:52:12,710 --> 00:52:11,359
bearings and it was more difficult than

1477
00:52:15,270 --> 00:52:12,720
they anticipated because it was a

1478
00:52:18,790 --> 00:52:15,280
japanese-made suzuki right

1479
00:52:21,270 --> 00:52:18,800
and and so it was about a three-hour job

1480
00:52:23,910 --> 00:52:21,280
that morning that next morning

1481
00:52:25,990 --> 00:52:23,920
and they were they were wanting to be on

1482
00:52:28,069 --> 00:52:26,000
the road earlier that morning right

1483
00:52:30,069 --> 00:52:28,079
so they had ended up fixing the car

1484
00:52:33,109 --> 00:52:30,079
there in the parking lot

1485
00:52:34,870 --> 00:52:33,119
uh and we ended up going to lunch

1486
00:52:36,390 --> 00:52:34,880
afterwards and i had gotten

1487
00:52:37,829 --> 00:52:36,400
i had gone over the bank and got a

1488
00:52:38,549 --> 00:52:37,839

couple hundred dollars out of the bank i

1489

00:52:41,109 --> 00:52:38,559

was going to pay

1490

00:52:42,549 --> 00:52:41,119

travis for the work that they had put

1491

00:52:45,190 --> 00:52:42,559

into the vehicle it's like

1492

00:52:45,990 --> 00:52:45,200

that's the least i could do to give them

1493

00:52:48,470 --> 00:52:46,000

some gas money

1494

00:52:49,750 --> 00:52:48,480

or something and i really wanted to give

1495

00:52:50,630 --> 00:52:49,760

them something even though i didn't have

1496

00:52:51,589 --> 00:52:50,640

a whole lot because

1497

00:52:53,829 --> 00:52:51,599

i was in the hole because of the

1498

00:52:55,589 --> 00:52:53,839

festival this wasn't from the non-profit

1499

00:52:58,230 --> 00:52:55,599

either this was just my personal

1500

00:52:59,750 --> 00:52:58,240

funds and we go over to wendy's and i

1501
00:53:00,870 --> 00:52:59,760
was going to give the money at wendy's

1502
00:53:03,510 --> 00:53:00,880
and we're sitting there eating

1503
00:53:05,349 --> 00:53:03,520
lunch and i give the money to travis and

1504
00:53:07,910 --> 00:53:05,359
he won't even take it he put his hand up

1505
00:53:10,549 --> 00:53:07,920
like this and he stopped me

1506
00:53:11,190 --> 00:53:10,559
he's like i don't want your money i was

1507
00:53:12,710 --> 00:53:11,200
like

1508
00:53:14,390 --> 00:53:12,720
but you guys just helped me install a

1509
00:53:17,030 --> 00:53:14,400
wheel bearing on my vehicle is you don't

1510
00:53:19,270 --> 00:53:17,040
have to give me any money for that

1511
00:53:21,430 --> 00:53:19,280
i just wanted i wanted to help you i

1512
00:53:25,349 --> 00:53:21,440
wanted to help the cause

1513
00:53:26,790 --> 00:53:25,359

and to me that was just

1514

00:53:28,470 --> 00:53:26,800

both of the sudden there was no chitter

1515

00:53:31,990 --> 00:53:28,480

chatting about what they should do they

1516

00:53:35,589 --> 00:53:32,000

were both like of the same

1517

00:53:39,349 --> 00:53:35,599

fabric and they both refused

1518

00:53:41,589 --> 00:53:39,359

to take the money from me for sure

1519

00:53:42,710 --> 00:53:41,599

and that's the thing about travis just

1520

00:53:44,870 --> 00:53:42,720

that in an

1521

00:53:45,910 --> 00:53:44,880

unconditional compassion much like

1522

00:53:48,630 --> 00:53:45,920

yourself

1523

00:53:50,309 --> 00:53:48,640

it's like i i when i saw him standing on

1524

00:53:51,670 --> 00:53:50,319

the side of i already knew like kind of

1525

00:53:53,190 --> 00:53:51,680

like what was going down

1526

00:53:55,349 --> 00:53:53,200

and i remember pulling over and you were

1527

00:53:58,950 --> 00:53:55,359

like nah man these guys are already

1528

00:54:00,630 --> 00:53:58,960

i was like oh my gosh but i am so glad

1529

00:54:02,230 --> 00:54:00,640

that you know you said you said that

1530

00:54:03,030 --> 00:54:02,240

story because yeah he's a man of his

1531

00:54:04,630 --> 00:54:03,040

word

1532

00:54:06,630 --> 00:54:04,640

his story is a hundred percent true

1533

00:54:07,910 --> 00:54:06,640

there's no way around it people that try

1534

00:54:09,430 --> 00:54:07,920

to bad mouth this story

1535

00:54:11,510 --> 00:54:09,440

are just the type of people that try to

1536

00:54:13,910 --> 00:54:11,520

bad-mouth anything and

1537

00:54:15,430 --> 00:54:13,920

i can't thank you enough man wrapping up

1538

00:54:17,510 --> 00:54:15,440

um

1539

00:54:19,109 --> 00:54:17,520

gosh you know it's been such an honor to

1540

00:54:20,150 --> 00:54:19,119

talk to you and have you on for this

1541

00:54:22,630 --> 00:54:20,160

much time what's

1542

00:54:25,190 --> 00:54:22,640

uh going on with nathan and uh where can

1543

00:54:29,109 --> 00:54:25,200

people follow you

1544

00:54:31,750 --> 00:54:29,119

okay um well i'm on a different road

1545

00:54:33,349 --> 00:54:31,760

since i've been down here in phoenix i

1546

00:54:36,069 --> 00:54:33,359

there's a lot of stories behind that of

1547

00:54:38,390 --> 00:54:36,079

course but i i have two instagram feeds

1548

00:54:39,589 --> 00:54:38,400

people can check content out on i got a

1549

00:54:42,789 --> 00:54:39,599

feed for

1550

00:54:43,829 --> 00:54:42,799

i'm growing rare tropicals and strange

1551
00:54:45,349 --> 00:54:43,839
cacti

1552
00:54:47,270 --> 00:54:45,359
out here in the sonoran desert in

1553
00:54:49,670 --> 00:54:47,280
southern arizona you can find

1554
00:54:52,549 --> 00:54:49,680
that feed at nade arizona it's my

1555
00:54:55,750 --> 00:54:52,559
smaller one i have a main photography

1556
00:54:57,510 --> 00:54:55,760
uh feed that i follow on that i i keep

1557
00:54:58,470 --> 00:54:57,520
on instagram i've been neglecting both

1558
00:54:59,910 --> 00:54:58,480
feeds but

1559
00:55:02,150 --> 00:54:59,920
if we're being honest here with most

1560
00:55:03,349 --> 00:55:02,160
recent content with where i put thoughts

1561
00:55:05,270 --> 00:55:03,359
and images

1562
00:55:07,430 --> 00:55:05,280
you're these are the best sources to

1563
00:55:09,829 --> 00:55:07,440

find you know more stuff

1564

00:55:10,789 --> 00:55:09,839

so my photography is talking underscore

1565

00:55:13,510 --> 00:55:10,799

tree

1566

00:55:14,710 --> 00:55:13,520

so those are two different feeds on

1567

00:55:17,030 --> 00:55:14,720

instagram

1568

00:55:18,470 --> 00:55:17,040

and awesome photography your photography

1569

00:55:20,630 --> 00:55:18,480

is off the chain i love

1570

00:55:22,309 --> 00:55:20,640

the kind of the way you capture the

1571

00:55:24,470 --> 00:55:22,319

southwest is very unique

1572

00:55:25,990 --> 00:55:24,480

and definitely check out his cactus feed

1573

00:55:27,349 --> 00:55:26,000

as well because i'm always blown away at

1574

00:55:29,589 --> 00:55:27,359

how many cactus you can get in one

1575

00:55:31,270 --> 00:55:29,599

picture man i'm like holy cow

1576

00:55:33,589 --> 00:55:31,280

there's so many cactus in some of those

1577

00:55:37,109 --> 00:55:33,599

pictures right on nathan

1578

00:55:39,990 --> 00:55:37,119

yeah no go on go on

1579

00:55:42,630 --> 00:55:40,000

no i said i have about 300 plants but i

1580

00:55:44,549 --> 00:55:42,640

my goal down here is to find some land

1581

00:55:47,109 --> 00:55:44,559

and have a botanical garden out in the

1582

00:55:51,349 --> 00:55:47,119

sonoran desert maybe i could get a

1583

00:55:53,109 --> 00:55:51,359

usda grant to preserve attractive

1584

00:55:54,950 --> 00:55:53,119

sonoran desert somewhere

1585

00:55:57,030 --> 00:55:54,960

i'll figure something out i'm on that

1586

00:56:00,150 --> 00:55:57,040

path right now we need to chat

1587

00:56:00,870 --> 00:56:00,160

because i i was just i almost just tried

1588

00:56:04,549 --> 00:56:00,880

to save

1589

00:56:06,470 --> 00:56:04,559

20 000 uh let's see 20 000 acres of

1590

00:56:08,069 --> 00:56:06,480

yuccas and i had to jump through all the

1591

00:56:08,870 --> 00:56:08,079

hoops like you're talking about with all

1592

00:56:15,670 --> 00:56:08,880

the

1593

00:56:16,710 --> 00:56:15,680

man it's difficult so mad props to what

1594

00:56:19,670 --> 00:56:16,720

you're doing

1595

00:56:20,150 --> 00:56:19,680

um and yeah everybody check out those

1596

00:56:22,390 --> 00:56:20,160

feeds

1597

00:56:25,510 --> 00:56:22,400

uh nathan's the real deal he's not gonna

1598

00:56:27,270 --> 00:56:25,520

he's not gonna filter what he tells you

1599

00:56:28,950 --> 00:56:27,280

no and if people contact me on there

1600

00:56:30,630 --> 00:56:28,960

through direct messaging i'm not

1601
00:56:32,390 --> 00:56:30,640
i'm not conceited or anything i'll reach

1602
00:56:34,630 --> 00:56:32,400
i'll reply to people

1603
00:56:37,190 --> 00:56:34,640
because i have time you know people are

1604
00:56:39,190 --> 00:56:37,200

1606

descriptions of the places he goes he's

1619

00:57:08,789 --> 00:57:05,359
