

ERICA LUKES

PYRAMID UFOs

HERO

1  
00:00:27,990 --> 00:00:17,610  
hey

2  
00:00:28,000 --> 00:00:37,590  
[Music]

3  
00:00:43,670 --> 00:00:40,630  
blast off on another vip

4  
00:00:46,389 --> 00:00:43,680  
episode of hero podcast

5  
00:00:47,510 --> 00:00:46,399  
that's right hero paranormal podcast my

6  
00:00:50,470 --> 00:00:47,520  
name is ryan

7  
00:00:53,350 --> 00:00:50,480  
the original outlaw of the airwaves

8  
00:00:55,910 --> 00:00:53,360  
broadcasting just south of area 51 at

9  
00:00:57,670 --> 00:00:55,920  
the base of la madre mountain

10  
00:01:00,150 --> 00:00:57,680  
and today we're bringing you the

11  
00:01:00,709 --> 00:01:00,160  
inevitable that's right we are treading

12  
00:01:03,510 --> 00:01:00,719  
on thin

13  
00:01:04,789 --> 00:01:03,520

ice today guys and why is it thin ice

14

00:01:08,390 --> 00:01:04,799

well

15

00:01:10,310 --> 00:01:08,400

we're gonna discuss my friend jeremy

16

00:01:13,109 --> 00:01:10,320

corbell's recent leak

17

00:01:14,070 --> 00:01:13,119

along with george knapps of pentagon

18

00:01:17,830 --> 00:01:14,080

ufos

19

00:01:18,390 --> 00:01:17,840

uaps if you will because everyone has an

20

00:01:21,510 --> 00:01:18,400

opinion

21

00:01:22,469 --> 00:01:21,520

and that's why it is thin ice are they

22

00:01:24,830 --> 00:01:22,479

drones

23

00:01:26,070 --> 00:01:24,840

are they aliens are they

24

00:01:28,630 --> 00:01:26,080

interdimensional

25

00:01:30,550 --> 00:01:28,640

are they even technology the way we

26

00:01:33,590 --> 00:01:30,560

understand technology

27

00:01:35,670 --> 00:01:33,600

they can actively jam our radar and

28

00:01:38,069 --> 00:01:35,680

defense systems

29

00:01:40,550 --> 00:01:38,079

what do i personally think they are well

30

00:01:43,190 --> 00:01:40,560

you're going to find out and

31

00:01:44,389 --> 00:01:43,200

it isn't just what i think and what i'm

32

00:01:47,429 --> 00:01:44,399

discussing

33

00:01:51,749 --> 00:01:47,439

with none other than

34

00:01:54,950 --> 00:01:51,759

erica luke's from ufo classified

35

00:01:57,109 --> 00:01:54,960

erika and i don't always see eye to eye

36

00:01:58,630 --> 00:01:57,119

but we always play nice at least in my

37

00:02:01,429 --> 00:01:58,640

opinion you decide

38

00:02:02,230 --> 00:02:01,439

i really enjoy what erica brings to the

39

00:02:04,709 --> 00:02:02,240

table

40

00:02:06,230 --> 00:02:04,719

she always has viewpoints that open my

41

00:02:09,270 --> 00:02:06,240

mind to different ideas

42

00:02:11,670 --> 00:02:09,280

thinking and even theories at times one

43

00:02:15,270 --> 00:02:11,680

thing is for sure

44

00:02:17,589 --> 00:02:15,280

these ufos or uaps

45

00:02:19,910 --> 00:02:17,599

whatever you want to call them show

46

00:02:22,470 --> 00:02:19,920

advancements in technology that no

47

00:02:25,030 --> 00:02:22,480

nation on earth has ever displayed

48

00:02:26,150 --> 00:02:25,040

they can actively jam radar and defense

49

00:02:31,430 --> 00:02:26,160

systems

50

00:02:33,270 --> 00:02:31,440

do we believe the pentagon when we

51  
00:02:36,949 --> 00:02:33,280  
receive leaks

52  
00:02:39,110 --> 00:02:36,959  
some say no i say heck yes

53  
00:02:41,270 --> 00:02:39,120  
i will take anything i can get when it

54  
00:02:44,630 --> 00:02:41,280  
comes to information

55  
00:02:47,509 --> 00:02:44,640  
no matter who it comes from and

56  
00:02:49,350 --> 00:02:47,519  
who says all ufos are anything in

57  
00:02:51,589 --> 00:02:49,360  
particular

58  
00:02:54,229 --> 00:02:51,599  
george and jeremy are not claiming that

59  
00:02:57,350 --> 00:02:54,239  
these are time traveling reptilians here

60  
00:03:00,470 --> 00:02:57,360  
to take over our planet

61  
00:03:04,070 --> 00:03:00,480  
no they are claiming these craft are

62  
00:03:06,550 --> 00:03:04,080  
legitimately unidentified

63  
00:03:08,790 --> 00:03:06,560

thing is for sure they are showing

64

00:03:11,190 --> 00:03:08,800

advancements in technology

65

00:03:11,830 --> 00:03:11,200

and uh the video we're discussing and

66

00:03:15,270 --> 00:03:11,840

images

67

00:03:16,790 --> 00:03:15,280

are all over the internet this leak is

68

00:03:20,149 --> 00:03:16,800

huge

69

00:03:23,430 --> 00:03:20,159

the video is of a pyramid ufo

70

00:03:27,270 --> 00:03:23,440

near a navy destroyer the footage was

71

00:03:29,110 --> 00:03:27,280

leaked to jeremy corbell he exclusively

72

00:03:31,350 --> 00:03:29,120

obtained the video

73

00:03:32,149 --> 00:03:31,360

and the pentagon confirmed jeremy was

74

00:03:35,190 --> 00:03:32,159

able to obtain

75

00:03:38,789 --> 00:03:35,200

and release the unclassified images and

76  
00:03:41,830 --> 00:03:38,799  
footage along with mentor george knapp

77  
00:03:42,710 --> 00:03:41,840  
that's my understanding and i could be

78  
00:03:45,030 --> 00:03:42,720  
wrong

79  
00:03:45,990 --> 00:03:45,040  
is this the slow drip disclosure

80  
00:03:49,030 --> 00:03:46,000  
everyone is used

81  
00:03:52,470 --> 00:03:49,040  
to heck no heck no

82  
00:03:53,830 --> 00:03:52,480  
i love this kind of disclosure no matter

83  
00:03:55,910 --> 00:03:53,840  
what

84  
00:03:56,949 --> 00:03:55,920  
i mean the thing is flying in the sky

85  
00:04:01,190 --> 00:03:56,959  
and it's a pyramid

86  
00:04:03,750 --> 00:04:01,200  
how cool is that not a bad thing right

87  
00:04:04,470 --> 00:04:03,760  
well many disagree and their reasons are

88  
00:04:06,390 --> 00:04:04,480

sound

89

00:04:07,589 --> 00:04:06,400

but the uap phenomenon is gaining

90

00:04:10,710 --> 00:04:07,599

traction

91

00:04:13,270 --> 00:04:10,720

we will get into this and so much more

92

00:04:13,990 --> 00:04:13,280

and before we do let me do a little s i

93

00:04:16,749 --> 00:04:14,000

guess shameless

94

00:04:18,229 --> 00:04:16,759

self promotion uh if you haven't gone to

95

00:04:20,469 --> 00:04:18,239

heroparanormal.com

96

00:04:21,270 --> 00:04:20,479

please do hit that donate button that

97

00:04:22,950 --> 00:04:21,280

you first see

98

00:04:25,670 --> 00:04:22,960

and for the price of a cup of coffee a

99

00:04:28,629 --> 00:04:25,680

month you're in the winner's circle

100

00:04:29,270 --> 00:04:28,639

that's that moving on erika luke's

101  
00:04:32,390 --> 00:04:29,280  
welcome

102  
00:04:34,310 --> 00:04:32,400  
to the hero paranormal podcast there

103  
00:04:35,430 --> 00:04:34,320  
at least it's spring you know have you

104  
00:04:38,629 --> 00:04:35,440  
been

105  
00:04:41,110 --> 00:04:38,639  
um gosh i can't complain it seems like

106  
00:04:42,070 --> 00:04:41,120  
every time we talk it's it seems like

107  
00:04:44,950 --> 00:04:42,080  
it's been too long

108  
00:04:45,590 --> 00:04:44,960  
but lately things are so messed up it's

109  
00:04:47,510 --> 00:04:45,600  
just like

110  
00:04:50,550 --> 00:04:47,520  
dang everybody's just surviving or maybe

111  
00:04:52,390 --> 00:04:50,560  
i'm just speaking for myself

112  
00:04:53,830 --> 00:04:52,400  
now i think everybody i know is going

113  
00:04:55,670 --> 00:04:53,840

through a time

114

00:04:58,150 --> 00:04:55,680

you know it's just like it's it's a

115

00:05:00,310 --> 00:04:58,160

weird weird time for everybody and i

116

00:05:01,909 --> 00:05:00,320

think it'll take a while to get

117

00:05:04,710 --> 00:05:01,919

over you know everything that happened

118

00:05:07,749 --> 00:05:04,720

with covet and is still happening and

119

00:05:10,870 --> 00:05:07,759

and all of that but you know

120

00:05:13,189 --> 00:05:10,880

we'll just take it as it comes i guess

121

00:05:14,629 --> 00:05:13,199

amen for that and today i mean we're

122

00:05:17,430 --> 00:05:14,639

kind of treading on thin

123

00:05:18,870 --> 00:05:17,440

ice as usual yourself and i erica we're

124

00:05:21,670 --> 00:05:18,880

discussing

125

00:05:23,189 --> 00:05:21,680

um our mutual quote on well friend

126

00:05:25,270 --> 00:05:23,199

jeremy corbell's recent

127

00:05:27,749 --> 00:05:25,280

leak along with george knapp i guess of

128

00:05:30,230 --> 00:05:27,759

the pentagon ufos because

129

00:05:32,469 --> 00:05:30,240

everyone has an opinion about this are

130

00:05:33,510 --> 00:05:32,479

they drones are they aliens are they

131

00:05:35,510 --> 00:05:33,520

interdimensional

132

00:05:37,350 --> 00:05:35,520

are they even technology the way we

133

00:05:38,070 --> 00:05:37,360

understand technology everybody has an

134

00:05:39,909 --> 00:05:38,080

opinion

135

00:05:43,189 --> 00:05:39,919

and i know that you and i are going to

136

00:05:45,270 --> 00:05:43,199

kind of deep dive into that

137

00:05:46,310 --> 00:05:45,280

yeah yeah thanks for having me here it's

138

00:05:48,150 --> 00:05:46,320

definitely

139

00:05:50,550 --> 00:05:48,160

created quite the buzz and an

140

00:05:54,150 --> 00:05:50,560

international buzz to say the least and

141

00:05:55,990 --> 00:05:54,160

it is interesting to see how many uh

142

00:05:58,710 --> 00:05:56,000

people are popping up on the radar with

143

00:06:00,469 --> 00:05:58,720

new youtube channels and all sorts of

144

00:06:01,990 --> 00:06:00,479

all sorts of things taking place so

145

00:06:05,830 --> 00:06:02,000

there's a big push by

146

00:06:06,469 --> 00:06:05,840

some someone or a group of people to get

147

00:06:08,710 --> 00:06:06,479

specific

148

00:06:10,870 --> 00:06:08,720

information out whether it's true or not

149

00:06:13,189 --> 00:06:10,880

as a different story

150

00:06:15,430 --> 00:06:13,199

yeah and for those that don't know we're

151  
00:06:18,629 --> 00:06:15,440  
talking about the pyramid ufo near a

152  
00:06:20,950 --> 00:06:18,639  
navy destroyer the footage was leaked uh

153  
00:06:22,469 --> 00:06:20,960  
to jeremy corbell he exclusively

154  
00:06:24,790 --> 00:06:22,479  
obtained the video

155  
00:06:25,909 --> 00:06:24,800  
the pentagon confirmed jeremy was able

156  
00:06:27,749 --> 00:06:25,919  
to obtain and release

157  
00:06:29,749 --> 00:06:27,759  
unclassified images and footage along

158  
00:06:33,189 --> 00:06:29,759  
with his mentor george knapp

159  
00:06:34,629 --> 00:06:33,199  
and um so the pentagon

160  
00:06:36,469 --> 00:06:34,639  
they've confirmed that this was filmed

161  
00:06:39,270 --> 00:06:36,479  
by the navy and

162  
00:06:40,950 --> 00:06:39,280  
i mean trustworthy as far as releasing

163  
00:06:43,990 --> 00:06:40,960

this information

164

00:06:44,870 --> 00:06:44,000

but let's get into the thin ice aspect

165

00:06:48,309 --> 00:06:44,880

which

166

00:06:51,589 --> 00:06:48,319

is i mean according to them

167

00:06:53,990 --> 00:06:51,599

they these these things can actively jam

168

00:06:55,909 --> 00:06:54,000

our radar and defense systems

169

00:07:00,070 --> 00:06:55,919

and what do i personally think they are

170

00:07:06,870 --> 00:07:03,270

it isn't just you know it isn't just

171

00:07:10,790 --> 00:07:06,880

myself i think um you know today we're

172

00:07:12,390 --> 00:07:10,800

they this is this is crazy erica what

173

00:07:16,309 --> 00:07:12,400

these things don't always play nice

174

00:07:19,110 --> 00:07:16,319

apparently what what do you think what

175

00:07:19,830 --> 00:07:19,120

i think that this is uh man-made

176  
00:07:23,110 --> 00:07:19,840  
technology

177  
00:07:24,550 --> 00:07:23,120  
i think it is uh either from us or from

178  
00:07:27,670 --> 00:07:24,560  
an adversary

179  
00:07:30,309 --> 00:07:27,680  
and i i think that you know there's it's

180  
00:07:32,629 --> 00:07:30,319  
a definite attempt to cover this up

181  
00:07:34,230 --> 00:07:32,639  
for i can you know for a multitude of

182  
00:07:36,790 --> 00:07:34,240  
reasons so

183  
00:07:38,790 --> 00:07:36,800  
i think you know it's all of this is

184  
00:07:39,670 --> 00:07:38,800  
very peculiar but we do know when we

185  
00:07:41,670 --> 00:07:39,680  
look at

186  
00:07:43,029 --> 00:07:41,680  
specific types of technologies that we

187  
00:07:45,430 --> 00:07:43,039  
have developed and

188  
00:07:46,629 --> 00:07:45,440

are deploying you know this this very

189

00:07:48,869 --> 00:07:46,639

well could be

190

00:07:51,270 --> 00:07:48,879

something along those lines and to me

191

00:07:53,830 --> 00:07:51,280

that would make much more sense than

192

00:07:56,230 --> 00:07:53,840

saying that this is from uh another

193

00:07:59,270 --> 00:07:56,240

planet

194

00:08:01,670 --> 00:07:59,280

freaky i like it i will take it

195

00:08:03,670 --> 00:08:01,680

and anything i can get when it comes to

196

00:08:04,869 --> 00:08:03,680

this type of information i say heck yes

197

00:08:08,390 --> 00:08:04,879

do we

198

00:08:11,270 --> 00:08:08,400

we receive leaks

199

00:08:12,550 --> 00:08:11,280

some say no no matter who it comes from

200

00:08:15,830 --> 00:08:12,560

but

201

00:08:19,430 --> 00:08:15,840

you know i i i say all ufos

202

00:08:22,869 --> 00:08:20,950

i think george and jeremy are not

203

00:08:24,950 --> 00:08:22,879

claiming that these are

204

00:08:26,309 --> 00:08:24,960

time traveling reptilians here to take

205

00:08:28,430 --> 00:08:26,319

over our planet

206

00:08:29,749 --> 00:08:28,440

they're claiming that these craft are

207

00:08:33,909 --> 00:08:29,759

legitimately

208

00:08:37,670 --> 00:08:33,919

unidentified and one thing is for sure

209

00:08:39,350 --> 00:08:37,680

these ufos or uaps show advancements in

210

00:08:42,709 --> 00:08:39,360

technology

211

00:08:44,149 --> 00:08:42,719

that so far no nation on earth has

212

00:08:47,590 --> 00:08:44,159

displayed

213

00:08:50,230 --> 00:08:47,600

the video is well all over the internet

214

00:08:52,829 --> 00:08:50,240

the leak is huge the video is of a

215

00:08:55,509 --> 00:08:52,839

pyramid ufo near a navy destroyer in the

216

00:08:58,550 --> 00:08:55,519

footage appears to be

217

00:09:03,430 --> 00:08:58,560

blinking as if worried about

218

00:09:07,750 --> 00:09:05,509

you know and and you would definitely

219

00:09:09,670 --> 00:09:07,760

again you would think if there is

220

00:09:10,870 --> 00:09:09,680

an advanced technology that they

221

00:09:14,310 --> 00:09:10,880

wouldn't look

222

00:09:15,590 --> 00:09:14,320

remarkably like navigation lights or

223

00:09:16,550 --> 00:09:15,600

different things like that you think

224

00:09:18,310 --> 00:09:16,560

that they would be

225

00:09:19,910 --> 00:09:18,320

if they were advanced enough to not have

226

00:09:21,670 --> 00:09:19,920

to travel here

227

00:09:23,269 --> 00:09:21,680

from somewhere else that they would be a

228

00:09:25,990 --> 00:09:23,279

little more stealth

229

00:09:28,230 --> 00:09:26,000

than what we're seeing man maybe it's

230

00:09:30,870 --> 00:09:28,240

just i'm greedy with my tax dollars

231

00:09:31,910 --> 00:09:30,880

but is this the slow drip disclosure

232

00:09:33,670 --> 00:09:31,920

everybody is used to

233

00:09:34,949 --> 00:09:33,680

but that's the good thing though is i

234

00:09:37,670 --> 00:09:34,959

guess heck no right

235

00:09:40,150 --> 00:09:37,680

i kind of love this raw and rugged kind

236

00:09:42,389 --> 00:09:40,160

of disclosure no matter what

237

00:09:43,190 --> 00:09:42,399

the thing is flying in the sky it's fun

238

00:09:46,630 --> 00:09:43,200

it's

239

00:09:49,990 --> 00:09:46,640

become mainstream and now the uap

240

00:09:54,710 --> 00:09:50,000

phenomenon is going to gain traction

241

00:09:57,269 --> 00:09:54,720

which is not a bad thing right

242

00:09:58,310 --> 00:09:57,279

you know i mean it it is it's all it's

243

00:10:01,910 --> 00:09:58,320

it's good to have an

244

00:10:03,590 --> 00:10:01,920

opportunity to try to use this leverage

245

00:10:06,630 --> 00:10:03,600

this to get good information

246

00:10:09,269 --> 00:10:06,640

out but again you know when you've got

247

00:10:11,430 --> 00:10:09,279

so much disinformation that is coming

248

00:10:13,910 --> 00:10:11,440

forward and a lot of people don't have

249

00:10:15,269 --> 00:10:13,920

the time to really dig into things then

250

00:10:16,069 --> 00:10:15,279

they're just going to believe some of

251  
00:10:18,389 --> 00:10:16,079  
this stuff

252  
00:10:19,350 --> 00:10:18,399  
on on the periphery and i think that

253  
00:10:23,990 --> 00:10:19,360  
that

254  
00:10:26,069 --> 00:10:24,000  
getting

255  
00:10:27,829 --> 00:10:26,079  
accurate information they're not looking

256  
00:10:28,470 --> 00:10:27,839  
at the history of the subject and see

257  
00:10:32,069 --> 00:10:28,480  
that

258  
00:10:33,430 --> 00:10:32,079  
place with

259  
00:10:35,110 --> 00:10:33,440  
with the subject and with the

260  
00:10:37,990 --> 00:10:35,120  
intelligence community and

261  
00:10:38,870 --> 00:10:38,000  
different games and tactics that are

262  
00:10:42,310 --> 00:10:38,880  
deployed

263  
00:10:44,630 --> 00:10:42,320

uh decade after decade and so it is it's

264

00:10:46,710 --> 00:10:44,640

my hope that even with all of this

265

00:10:48,150 --> 00:10:46,720

being a barrage of publicity and youtube

266

00:10:49,430 --> 00:10:48,160

channels and all of this stuff that

267

00:10:51,670 --> 00:10:49,440

there will be

268

00:10:52,470 --> 00:10:51,680

good information people will be thinking

269

00:10:54,470 --> 00:10:52,480

critically

270

00:10:56,710 --> 00:10:54,480

about some of the things that are being

271

00:10:59,910 --> 00:10:56,720

put forward

272

00:11:02,069 --> 00:10:59,920

yes and you couldn't be more correct

273

00:11:04,949 --> 00:11:02,079

about the youtube channels coming out

274

00:11:05,590 --> 00:11:04,959

and everyone is jumping on the bandwagon

275

00:11:07,990 --> 00:11:05,600

of this thing

276

00:11:08,870 --> 00:11:08,000

the first time i saw it i was super

277

00:11:10,550 --> 00:11:08,880

stoked

278

00:11:11,990 --> 00:11:10,560

and i don't know if maybe that's just

279

00:11:14,710 --> 00:11:12,000

the weird wow

280

00:11:16,310 --> 00:11:14,720

i like anything different factor in me

281

00:11:19,030 --> 00:11:16,320

but i was just happy to see

282

00:11:20,389 --> 00:11:19,040

something so strange and magnificent go

283

00:11:23,590 --> 00:11:20,399

mainstream

284

00:11:27,509 --> 00:11:23,600

but then by the same token i thought

285

00:11:29,990 --> 00:11:27,519

to myself okay they didn't

286

00:11:30,870 --> 00:11:30,000

muster the muster stations nobody was

287

00:11:33,910 --> 00:11:30,880

actively

288

00:11:35,430 --> 00:11:33,920

engaging this phenomenon oh i lost you

289

00:11:37,269 --> 00:11:35,440

it just seemed to be pretty much like

290

00:11:40,389 --> 00:11:37,279

that like zero communication

291

00:11:42,310 --> 00:11:40,399

for a moment and uh somebody pulled out

292

00:11:44,150 --> 00:11:42,320

their cell phone i guess or i don't know

293

00:11:45,509 --> 00:11:44,160

on the other hand i have heard some

294

00:11:49,030 --> 00:11:45,519

leaks

295

00:11:52,870 --> 00:11:49,040

that this is actually uh what

296

00:11:56,389 --> 00:11:52,880

well there's a different kind of system

297

00:11:59,990 --> 00:11:56,399

that actually videotape this an electro

298

00:12:02,870 --> 00:12:00,000

optic sensor anyway i don't know

299

00:12:04,470 --> 00:12:02,880

but the the bottom line is you know i'm

300

00:12:06,710 --> 00:12:04,480

not going to argue what kind of

301

00:12:07,990 --> 00:12:06,720

uh photo you know how it was

302

00:12:10,710 --> 00:12:08,000

photographed that's way

303

00:12:12,790 --> 00:12:10,720

above my pay grade but what i will say

304

00:12:14,069 --> 00:12:12,800

is it definitely gathered the attention

305

00:12:16,870 --> 00:12:14,079

of the mainstream

306

00:12:20,069 --> 00:12:16,880

and that is where that's a whole

307

00:12:22,310 --> 00:12:20,079

phenomena unto itself right erica

308

00:12:24,470 --> 00:12:22,320

you know it is and but i will say again

309

00:12:26,790 --> 00:12:24,480

looking back historically i mean you've

310

00:12:29,829 --> 00:12:26,800

always had you know back in the 50s

311

00:12:33,430 --> 00:12:29,839

uh 60s i mean this this subject

312

00:12:34,470 --> 00:12:33,440

always could and did grab headlines you

313

00:12:35,910 --> 00:12:34,480

know i have

314

00:12:38,790 --> 00:12:35,920

as you know because you've been to it

315

00:12:41,910 --> 00:12:38,800

you haven't been lately but one of the

316

00:12:44,870 --> 00:12:41,920

biggest archives in the country now

317

00:12:46,870 --> 00:12:44,880

and in in that i have newspaper

318

00:12:47,509 --> 00:12:46,880

clippings and periodicals from all over

319

00:12:51,110 --> 00:12:47,519

the world

320

00:12:52,629 --> 00:12:51,120

and um yeah i mean just all of the

321

00:12:54,230 --> 00:12:52,639

things that just go back and it's like

322

00:12:57,350 --> 00:12:54,240

yes it's always been there

323

00:12:59,430 --> 00:12:57,360

and it almost seems that back

324

00:13:01,750 --> 00:12:59,440

in the day you know maybe the 50s and

325

00:13:02,230 --> 00:13:01,760

60s that the subject was a little bit

326  
00:13:06,389 --> 00:13:02,240  
more

327  
00:13:09,030 --> 00:13:06,399  
respectable instead of having it so um

328  
00:13:09,750 --> 00:13:09,040  
filled full of of people that are

329  
00:13:12,910 --> 00:13:09,760  
promoting

330  
00:13:15,269 --> 00:13:12,920  
conspiracy theories and and a lot of

331  
00:13:16,550 --> 00:13:15,279  
misinformation it was much more pure

332  
00:13:17,430 --> 00:13:16,560  
back in the day because i think there

333  
00:13:19,990 --> 00:13:17,440  
was more

334  
00:13:22,069 --> 00:13:20,000  
control over the content if that makes

335  
00:13:25,509 --> 00:13:22,079  
sense

336  
00:13:26,870 --> 00:13:25,519  
yes and who is controlling the content

337  
00:13:29,030 --> 00:13:26,880  
always is a big question

338  
00:13:31,190 --> 00:13:29,040

too it makes me that's why this kind of

339

00:13:33,269 --> 00:13:31,200

disclosure no matter what it is

340

00:13:34,949 --> 00:13:33,279

everybody prefers the slow drip

341

00:13:37,110 --> 00:13:34,959

disclosure but that's just

342

00:13:38,870 --> 00:13:37,120

kind of like the wheels are greased and

343

00:13:40,790 --> 00:13:38,880

they're going along the road

344

00:13:41,910 --> 00:13:40,800

it's just occasionally that you get

345

00:13:48,150 --> 00:13:41,920

these

346

00:13:49,590 --> 00:13:48,160

for lack of a better word uh explosions

347

00:13:52,870 --> 00:13:49,600

in the field of whoa

348

00:13:56,470 --> 00:13:52,880

what's what is this in the water and in

349

00:13:58,230 --> 00:13:56,480

in it's it it sends ripples throughout

350

00:14:00,829 --> 00:13:58,240

where people are actually engaging so

351  
00:14:01,990 --> 00:14:00,839  
much that they're starting youtube

352  
00:14:03,670 --> 00:14:02,000  
channels

353  
00:14:05,269 --> 00:14:03,680  
that's been a fascinating thing to see

354  
00:14:07,990 --> 00:14:05,279  
there's definitely

355  
00:14:08,790 --> 00:14:08,000  
a push by a certain group of people

356  
00:14:11,509 --> 00:14:08,800  
shall we say

357  
00:14:11,829 --> 00:14:11,519  
to get different spokes people out there

358  
00:14:14,829 --> 00:14:11,839  
uh

359  
00:14:16,870 --> 00:14:14,839  
promoting different versions of the same

360  
00:14:19,750 --> 00:14:16,880  
theme

361  
00:14:21,269 --> 00:14:19,760  
and you know on one token we have a very

362  
00:14:23,509 --> 00:14:21,279  
well respected

363  
00:14:25,590 --> 00:14:23,519

as far as journalism is concerned george

364

00:14:28,629 --> 00:14:25,600

knapp over 30 years

365

00:14:30,310 --> 00:14:28,639

a mentor to jeremy corbell who

366

00:14:32,949 --> 00:14:30,320

is kind of you know the one thing i do

367

00:14:35,189 --> 00:14:32,959

appreciate is he has that shock

368

00:14:36,069 --> 00:14:35,199

he gets everybody's attention i don't

369

00:14:39,509 --> 00:14:36,079

care who they

370

00:14:41,269 --> 00:14:39,519

are it's just his demeanor and

371

00:14:42,870 --> 00:14:41,279

um the first time i met him i was

372

00:14:43,990 --> 00:14:42,880

shocked i was just like this is not what

373

00:14:45,750 --> 00:14:44,000

i expected which

374

00:14:47,750 --> 00:14:45,760

was maybe exactly what i should have

375

00:14:50,310 --> 00:14:47,760

expected and

376

00:14:52,389 --> 00:14:50,320

that's what's so cool about him but on

377

00:14:55,590 --> 00:14:52,399

the same token he's been attacked a lot

378

00:14:56,470 --> 00:14:55,600

people are calling him a cia asset which

379

00:14:58,629 --> 00:14:56,480

i argue

380

00:14:59,990 --> 00:14:58,639

were all cia assets if if you live in

381

00:15:02,069 --> 00:15:00,000

this country but

382

00:15:04,470 --> 00:15:02,079

there's a lot of other you know

383

00:15:08,069 --> 00:15:04,480

interesting intricacies that are

384

00:15:09,750 --> 00:15:08,079

as far as investigative journalism

385

00:15:11,189 --> 00:15:09,760

of course everybody wants to know where

386

00:15:14,310 --> 00:15:11,199

this came from

387

00:15:14,949 --> 00:15:14,320

i argue that it's interesting that the

388

00:15:18,389 --> 00:15:14,959

pentagon

389

00:15:21,829 --> 00:15:20,230

you know it is but i guess when you look

390

00:15:23,110 --> 00:15:21,839

at what the pentagon is saying again

391

00:15:25,430 --> 00:15:23,120

you've got susan goff the

392

00:15:26,629 --> 00:15:25,440

the pentagon spokesperson i mean she's

393

00:15:29,430 --> 00:15:26,639

saying yes this is

394

00:15:30,230 --> 00:15:29,440

uh unidentified but i mean you when you

395

00:15:33,030 --> 00:15:30,240

hear her

396

00:15:34,230 --> 00:15:33,040

historically too she's not you know

397

00:15:37,749 --> 00:15:34,240

coming out and saying

398

00:15:40,310 --> 00:15:37,759

these are ufos you know this is it's not

399

00:15:41,110 --> 00:15:40,320

people are reading a lot more into i

400

00:15:44,389 --> 00:15:41,120

believe

401  
00:15:48,150 --> 00:15:44,399  
into her statements uh than

402  
00:15:50,470 --> 00:15:48,160  
should be read into them you know and so

403  
00:15:51,749 --> 00:15:50,480  
people automatically jump to the fact

404  
00:15:53,870 --> 00:15:51,759  
that this you know

405  
00:15:55,269 --> 00:15:53,880  
okay it's an unknown that must mean it's

406  
00:15:57,269 --> 00:15:55,279  
extraterrestrial

407  
00:15:58,949 --> 00:15:57,279  
and we've got to kind of get a handle on

408  
00:16:03,110 --> 00:15:58,959  
that one

409  
00:16:07,749 --> 00:16:06,470  
out there theory well and you know i

410  
00:16:10,230 --> 00:16:07,759  
don't want to dispel

411  
00:16:11,030 --> 00:16:10,240  
any theory because then again this is a

412  
00:16:14,550 --> 00:16:11,040  
very

413  
00:16:16,230 --> 00:16:14,560

to

414

00:16:17,829 --> 00:16:16,240

you know take people's experiences

415

00:16:21,189 --> 00:16:17,839

encounters etc

416

00:16:23,590 --> 00:16:21,199

and demean them but at the same time

417

00:16:26,150 --> 00:16:23,600

it's definitely something that is

418

00:16:28,870 --> 00:16:26,160

gaining traction that historically

419

00:16:29,990 --> 00:16:28,880

in our community was not i have i have

420

00:16:32,629 --> 00:16:30,000

neighbors who know

421

00:16:33,509 --> 00:16:32,639

i'm kind of that all of a sudden i'm the

422

00:16:36,550 --> 00:16:33,519

cool guy

423

00:16:37,509 --> 00:16:36,560

like they're coming over and inviting me

424

00:16:38,710 --> 00:16:37,519

to stuff and

425

00:16:41,110 --> 00:16:38,720

hey man what do you think about the

426  
00:16:42,470 --> 00:16:41,120  
pyramid and and i'm just like this is so

427  
00:16:44,710 --> 00:16:42,480  
weird these are neighbors

428  
00:16:45,990 --> 00:16:44,720  
and they're talking to me about

429  
00:16:49,189 --> 00:16:46,000  
something that i'm

430  
00:16:50,949 --> 00:16:49,199  
fairly knowledgeable about and they're

431  
00:16:54,470 --> 00:16:50,959  
asking me what i think

432  
00:16:57,910 --> 00:16:54,480  
and um i love any disclosure

433  
00:16:59,430 --> 00:16:57,920  
because we need it but we need to get

434  
00:17:02,790 --> 00:16:59,440  
into

435  
00:17:07,510 --> 00:17:02,800  
exactly what people think because

436  
00:17:11,829 --> 00:17:10,949  
i never would have noticed right yes we

437  
00:17:14,630 --> 00:17:11,839  
are quite

438  
00:17:15,350 --> 00:17:14,640

you know unique in that regard we have

439

00:17:17,350 --> 00:17:15,360

uh

440

00:17:19,029 --> 00:17:17,360

we have passions that most people don't

441

00:17:20,789 --> 00:17:19,039

have that is for sure but you're right

442

00:17:22,710 --> 00:17:20,799

it is fun to have

443

00:17:24,470 --> 00:17:22,720

different people that you would never

444

00:17:26,230 --> 00:17:24,480

expect just kind of say hey wait a

445

00:17:29,029 --> 00:17:26,240

minute you know i saw this

446

00:17:30,789 --> 00:17:29,039

you know here and and then you know that

447

00:17:33,270 --> 00:17:30,799

opens up a dialogue i think

448

00:17:34,070 --> 00:17:33,280

that's cool and that gives us a chance

449

00:17:36,789 --> 00:17:34,080

to

450

00:17:37,669 --> 00:17:36,799

share some of our experiences about

451  
00:17:40,710 --> 00:17:37,679  
whatever we've

452  
00:17:42,070 --> 00:17:40,720  
encountered and also the the research

453  
00:17:45,190 --> 00:17:42,080  
we've done

454  
00:17:48,150 --> 00:17:45,200  
yeah like um i had

455  
00:17:49,669 --> 00:17:48,160  
the best man at my wedding uh you know

456  
00:17:51,270 --> 00:17:49,679  
he called me up and the first things out

457  
00:17:53,430 --> 00:17:51,280  
of his mouth were confirmed by the

458  
00:17:53,990 --> 00:17:53,440  
pentagon filmed by the navy i was wrong

459  
00:17:57,270 --> 00:17:54,000  
man

460  
00:18:01,270 --> 00:17:57,280  
and i'm like what the crap

461  
00:18:04,470 --> 00:18:01,280  
you know that is awesome well you know

462  
00:18:05,190 --> 00:18:04,480  
it's definitely people are are paying

463  
00:18:07,830 --> 00:18:05,200

attention

464

00:18:09,430 --> 00:18:07,840

and you know again you know you

465

00:18:10,710 --> 00:18:09,440

mentioned disclosure and the dripping of

466

00:18:12,710 --> 00:18:10,720

disclosure and then

467

00:18:14,470 --> 00:18:12,720

you know we're having this big

468

00:18:15,990 --> 00:18:14,480

announcement which i have a feeling will

469

00:18:16,950 --> 00:18:16,000

turn out not to be so big but that's

470

00:18:19,029 --> 00:18:16,960

typically

471

00:18:21,830 --> 00:18:19,039

the way it goes but i think it is it's

472

00:18:25,350 --> 00:18:21,840

just it's a fascinating time to be

473

00:18:27,510 --> 00:18:25,360

studying the subject and it is it's very

474

00:18:29,750 --> 00:18:27,520

interesting to me to see

475

00:18:30,950 --> 00:18:29,760

again i i like to watch the people

476

00:18:33,190 --> 00:18:30,960

involved

477

00:18:36,150 --> 00:18:33,200

and the different you know ways that

478

00:18:40,070 --> 00:18:36,160

they're spinning specific things and

479

00:18:42,710 --> 00:18:40,080

um i've been really kind of digging into

480

00:18:43,830 --> 00:18:42,720

the coast to coast aspect and some of

481

00:18:46,630 --> 00:18:43,840

the people they've

482

00:18:49,029 --> 00:18:46,640

supported and promoted on their shows

483

00:18:52,789 --> 00:18:49,039

over the years and some of their

484

00:18:55,190 --> 00:18:52,799

uh leanings and even digging into harry

485

00:18:57,350 --> 00:18:55,200

reid's background is certainly bringing

486

00:18:59,430 --> 00:18:57,360

up a lot of utah connections and then

487

00:19:02,150 --> 00:18:59,440

also just a lot of interesting

488

00:19:03,830 --> 00:19:02,160

um connections in general so it's it's

489

00:19:06,070 --> 00:19:03,840

this is a big

490

00:19:07,669 --> 00:19:06,080

big subject you know especially when you

491

00:19:10,789 --> 00:19:07,679

go into the big deep dive

492

00:19:14,150 --> 00:19:10,799

like you and i have done

493

00:19:16,710 --> 00:19:14,160

it is deeper than deep

494

00:19:19,110 --> 00:19:16,720

it's it's more of an abyss than deep

495

00:19:21,750 --> 00:19:19,120

it's it's like

496

00:19:23,270 --> 00:19:21,760

i love it i love it it's cool it's

497

00:19:26,310 --> 00:19:23,280

something

498

00:19:26,950 --> 00:19:26,320

right i hear you know what i mean it

499

00:19:30,150 --> 00:19:26,960

definitely

500

00:19:31,909 --> 00:19:30,160

is it's um it i you know i like

501  
00:19:33,350 --> 00:19:31,919  
sometimes i just wish that it could i

502  
00:19:35,029 --> 00:19:33,360  
could go back to

503  
00:19:37,430 --> 00:19:35,039  
the days when i first started this and

504  
00:19:40,470 --> 00:19:37,440  
just kind of have that that sense of

505  
00:19:42,710 --> 00:19:40,480  
wonder and awe and the kind of believing

506  
00:19:44,950 --> 00:19:42,720  
everything that is being put forward you

507  
00:19:46,870 --> 00:19:44,960  
know because that was such a fun

508  
00:19:48,710 --> 00:19:46,880  
fun place to be in and now i know a

509  
00:19:50,630 --> 00:19:48,720  
little bit better and it's just like ah

510  
00:19:53,590 --> 00:19:50,640  
you and i've had these conversations you

511  
00:19:55,270 --> 00:19:53,600  
know many times before it's like ah dang

512  
00:19:58,310 --> 00:19:55,280  
right could that really be what's going

513  
00:20:01,350 --> 00:19:58,320

on that's not what we wanted

514

00:20:03,430 --> 00:20:01,360

no and this is a very strange issue

515

00:20:04,630 --> 00:20:03,440

i think i want to take some quotes here

516

00:20:07,110 --> 00:20:04,640

one thing's for sure

517

00:20:09,190 --> 00:20:07,120

these ufos and these uaps are showing

518

00:20:10,310 --> 00:20:09,200

advancements in technology that no

519

00:20:12,870 --> 00:20:10,320

nation on earth has

520

00:20:13,830 --> 00:20:12,880

ever displayed and that's a quote from

521

00:20:16,470 --> 00:20:13,840

jeremy

522

00:20:18,710 --> 00:20:16,480

the other is that they can actively jam

523

00:20:20,950 --> 00:20:18,720

our radar and defense systems manipulate

524

00:20:24,950 --> 00:20:20,960

nuclear weapons and according to jeremy

525

00:20:26,310 --> 00:20:24,960

it doesn't matter where ufos or uips

526  
00:20:29,110 --> 00:20:26,320  
come from

527  
00:20:30,230 --> 00:20:29,120  
that's an epistemological issue which i

528  
00:20:33,270 --> 00:20:30,240  
could barely say

529  
00:20:36,870 --> 00:20:33,280  
but people can deal with and

530  
00:20:39,590 --> 00:20:36,880  
is this you know is this a question of

531  
00:20:41,510 --> 00:20:39,600  
what these things are or is it a

532  
00:20:43,270 --> 00:20:41,520  
question of are they

533  
00:20:44,630 --> 00:20:43,280  
maybe there's a reason they're actively

534  
00:20:47,750 --> 00:20:44,640  
engaging over

535  
00:20:48,070 --> 00:20:47,760  
our and other military installations and

536  
00:20:54,950 --> 00:20:48,080  
that

537  
00:20:55,909 --> 00:20:54,960  
thought because again i go back to the

538  
00:20:58,950 --> 00:20:55,919

fact that this is

539

00:21:01,029 --> 00:20:58,960

even though jeremy says that this is

540

00:21:02,630 --> 00:21:01,039

technology that is it's not we're not

541

00:21:05,990 --> 00:21:02,640

capable of i mean i

542

00:21:08,149 --> 00:21:06,000

i'm not sure if he's looked at uh

543

00:21:10,710 --> 00:21:08,159

delved into other types of technologies

544

00:21:12,149 --> 00:21:10,720

especially and we've got to throw into

545

00:21:14,789 --> 00:21:12,159

account that you know there are

546

00:21:18,149 --> 00:21:14,799

technologies that we have

547

00:21:20,070 --> 00:21:18,159

you know that we don't it isn't public

548

00:21:22,070 --> 00:21:20,080

you know i mean you know how this goes

549

00:21:22,710 --> 00:21:22,080

it's like we're we're learning things 20

550

00:21:26,070 --> 00:21:22,720

years

551  
00:21:28,789 --> 00:21:26,080  
behind what is is being tested

552  
00:21:31,029 --> 00:21:28,799  
in our skies or under the water you know

553  
00:21:32,789 --> 00:21:31,039  
on land and things and so

554  
00:21:34,230 --> 00:21:32,799  
i think we have to take that into

555  
00:21:36,310 --> 00:21:34,240  
account and is

556  
00:21:38,390 --> 00:21:36,320  
you know is it more likely like i said

557  
00:21:40,630 --> 00:21:38,400  
that these are

558  
00:21:42,149 --> 00:21:40,640  
drone swarms from a foreign country that

559  
00:21:44,470 --> 00:21:42,159  
are following

560  
00:21:45,190 --> 00:21:44,480  
uh you know our battleships and flying

561  
00:21:47,190 --> 00:21:45,200  
over

562  
00:21:48,870 --> 00:21:47,200  
nuclear installations and shutting

563  
00:21:51,029 --> 00:21:48,880

things down and different things like

564

00:21:53,430 --> 00:21:51,039

that would that be more of a

565

00:21:55,750 --> 00:21:53,440

uh something that a foreign adversary

566

00:21:58,870 --> 00:21:55,760

would want to do or we would want to be

567

00:22:00,470 --> 00:21:58,880

learning how to do ourselves what better

568

00:22:02,630 --> 00:22:00,480

way to pump the brakes

569

00:22:03,909 --> 00:22:02,640

and i hate to say it but replace the

570

00:22:07,110 --> 00:22:03,919

fuel filter and

571

00:22:10,310 --> 00:22:07,120

everything else the visual checks

572

00:22:10,630 --> 00:22:10,320

on these areas are vital and i'm just

573

00:22:14,230 --> 00:22:10,640

gonna

574

00:22:15,190 --> 00:22:14,240

hurt me in the pocketbook come tax time

575

00:22:19,430 --> 00:22:15,200

but

576

00:22:26,149 --> 00:22:23,669

it's so true the way these things fly in

577

00:22:27,270 --> 00:22:26,159

like they own the place and then fly out

578

00:22:29,590 --> 00:22:27,280

like they own the place

579

00:22:32,390 --> 00:22:29,600

it's almost as if they own the place and

580

00:22:34,630 --> 00:22:32,400

i hope maybe i'm just too patriotic

581

00:22:35,990 --> 00:22:34,640

that you know when people ask me what i

582

00:22:38,789 --> 00:22:36,000

think and i could

583

00:22:39,430 --> 00:22:38,799

i'm usually wrong just for the record

584

00:22:42,149 --> 00:22:39,440

but

585

00:22:43,590 --> 00:22:42,159

i think i hope i hope maybe it's just

586

00:22:46,710 --> 00:22:43,600

i'm an optimist

587

00:22:50,070 --> 00:22:46,720

i hope that it's just above everybody's

588

00:22:54,710 --> 00:22:53,669

i i hope so too i mean and you know if

589

00:22:56,630 --> 00:22:54,720

we

590

00:22:57,830 --> 00:22:56,640

i don't know there's so many questions

591

00:23:01,750 --> 00:22:57,840

and i

592

00:23:03,190 --> 00:23:01,760

i would definitely say that

593

00:23:05,350 --> 00:23:03,200

i don't know what i mean yeah i don't

594

00:23:07,190 --> 00:23:05,360

know what i would say because just

595

00:23:08,470 --> 00:23:07,200

there's so much to say it's like where

596

00:23:11,190 --> 00:23:08,480

do you start but

597

00:23:13,190 --> 00:23:11,200

i do yeah i think that there is there

598

00:23:15,510 --> 00:23:13,200

are things that we just don't

599

00:23:16,710 --> 00:23:15,520

we don't know about uh things that are

600

00:23:18,390 --> 00:23:16,720

taking place with it

601  
00:23:19,990 --> 00:23:18,400  
you know we would i mean all of us that

602  
00:23:20,789 --> 00:23:20,000  
we just we don't need to know we can't

603  
00:23:23,750 --> 00:23:20,799  
know

604  
00:23:26,630 --> 00:23:23,760  
for national security and and things and

605  
00:23:29,190 --> 00:23:26,640  
if if stories are put out to discourage

606  
00:23:29,909 --> 00:23:29,200  
you know or to kind of offer red herring

607  
00:23:33,190 --> 00:23:29,919  
then

608  
00:23:36,230 --> 00:23:33,200  
that's that's the way it goes but it's

609  
00:23:38,630 --> 00:23:36,240  
you know i i i don't know i mean what do

610  
00:23:41,430 --> 00:23:38,640  
you think do you think that this is

611  
00:23:42,070 --> 00:23:41,440  
this is man-made technology god i hope

612  
00:23:45,669 --> 00:23:42,080  
so

613  
00:23:48,390 --> 00:23:45,679

and um either that or i hope that

614

00:23:50,870 --> 00:23:48,400

it is that horrible word i just said i

615

00:23:52,470 --> 00:23:50,880

didn't mean that in vain

616

00:23:54,070 --> 00:23:52,480

it's got to be one of the two in my

617

00:23:57,269 --> 00:23:54,080

opinion if you're an optimist

618

00:23:58,870 --> 00:23:57,279

this is either this is either my

619

00:23:59,750 --> 00:23:58,880

assessment of how the government is

620

00:24:02,470 --> 00:23:59,760

handling this

621

00:24:03,830 --> 00:24:02,480

is dangerous to make assumptions if this

622

00:24:05,830 --> 00:24:03,840

is gathered by

623

00:24:07,669 --> 00:24:05,840

electro optic and sensor data that i

624

00:24:08,149 --> 00:24:07,679

have no idea and this is usually how it

625

00:24:10,549 --> 00:24:08,159

works

626  
00:24:12,149 --> 00:24:10,559  
the general civilian has no idea what

627  
00:24:14,710 --> 00:24:12,159  
these people are talking about

628  
00:24:15,590 --> 00:24:14,720  
and if assap and atip are any idea when

629  
00:24:18,070 --> 00:24:15,600  
we still have

630  
00:24:19,110 --> 00:24:18,080  
let's find out more but these vehicles

631  
00:24:21,990 --> 00:24:19,120  
are cutting edge

632  
00:24:24,470 --> 00:24:22,000  
and it's increasing in frequency

633  
00:24:27,669 --> 00:24:24,480  
sightings and encounters are increasing

634  
00:24:29,830 --> 00:24:27,679  
and uh you know according to many

635  
00:24:31,669 --> 00:24:29,840  
depending on you know there's a fence

636  
00:24:34,549 --> 00:24:31,679  
there's a line in the sand

637  
00:24:35,190 --> 00:24:34,559  
and you have to pick a i i say aim for

638  
00:24:38,149 --> 00:24:35,200

the fence

639

00:24:39,029 --> 00:24:38,159

because holy crap the theories are out

640

00:24:42,710 --> 00:24:39,039

there right

641

00:24:46,390 --> 00:24:44,789

you know i yeah i think you're right the

642

00:24:49,510 --> 00:24:46,400

theories are out there and

643

00:24:49,990 --> 00:24:49,520

and it is it it is really unnerving i

644

00:24:52,789 --> 00:24:50,000

think

645

00:24:53,990 --> 00:24:52,799

you know um if it's extraterrestrial

646

00:24:56,630 --> 00:24:54,000

it's unnerving if it's

647

00:24:57,669 --> 00:24:56,640

um or exciting whenever you want to look

648

00:25:01,350 --> 00:24:57,679

at it or if it's an

649

00:25:05,029 --> 00:25:01,360

adversary it's incredibly concerning

650

00:25:07,029 --> 00:25:05,039

but um you know hopefully we're testing

651  
00:25:08,149 --> 00:25:07,039  
things like that and and we could and we

652  
00:25:11,110 --> 00:25:08,159  
do know

653  
00:25:12,149 --> 00:25:11,120  
that you know we test on the first

654  
00:25:14,070 --> 00:25:12,159  
before you deploy

655  
00:25:15,510 --> 00:25:14,080  
something that you're testing on your

656  
00:25:18,870 --> 00:25:15,520  
own you know

657  
00:25:21,029 --> 00:25:18,880  
uh groups and so you have to test things

658  
00:25:24,149 --> 00:25:21,039  
in the field and so could that have been

659  
00:25:25,669 --> 00:25:24,159  
could these could this be a test

660  
00:25:28,950 --> 00:25:25,679  
you know there would be people that

661  
00:25:31,269 --> 00:25:28,960  
would not need to know what's going on

662  
00:25:32,950 --> 00:25:31,279  
and things and i just i don't know i'm

663  
00:25:35,669 --> 00:25:32,960

just definitely leaning

664

00:25:36,390 --> 00:25:35,679

away from the extraterrestrial thing and

665

00:25:37,990 --> 00:25:36,400

again

666

00:25:39,830 --> 00:25:38,000

you know when when people are citing

667

00:25:45,269 --> 00:25:39,840

anonymous sources typical

668

00:25:47,590 --> 00:25:45,279

that never good at the end of the day

669

00:25:48,870 --> 00:25:47,600

and i wanna uh something else that's

670

00:25:51,990 --> 00:25:48,880

scary

671

00:25:53,830 --> 00:25:52,000

subject is

672

00:25:55,269 --> 00:25:53,840

not only is this increasing in frequency

673

00:25:56,950 --> 00:25:55,279

sightings and encounters and everything

674

00:26:00,070 --> 00:25:56,960

that you just mentioned

675

00:26:01,669 --> 00:26:00,080

but according to corbell this is and

676

00:26:03,269 --> 00:26:01,679

trust me when i say this guy can keep

677

00:26:06,390 --> 00:26:03,279

his mouth shut

678

00:26:10,470 --> 00:26:06,400

unlike myself he can keep it shut

679

00:26:13,430 --> 00:26:10,480

and this drop is the tip of the spear

680

00:26:16,149 --> 00:26:13,440

so there's a lot more coming so i mean

681

00:26:16,549 --> 00:26:16,159

we better hope we know what this is at

682

00:26:19,590 --> 00:26:16,559

some

683

00:26:22,470 --> 00:26:19,600

level or holy hell

684

00:26:24,149 --> 00:26:22,480

you know and i would hope that if there

685

00:26:26,470 --> 00:26:24,159

was a big disclosure

686

00:26:27,590 --> 00:26:26,480

coming that you would be getting that

687

00:26:29,510 --> 00:26:27,600

straight from

688

00:26:31,269 --> 00:26:29,520

the government that you wouldn't be

689

00:26:34,710 --> 00:26:31,279

getting it through second-hand

690

00:26:37,430 --> 00:26:34,720

sources you know uh like jeremy

691

00:26:38,789 --> 00:26:37,440

and co i mean i would this is a serious

692

00:26:41,269 --> 00:26:38,799

enough issue

693

00:26:42,549 --> 00:26:41,279

to be coming from i think uh our

694

00:26:46,789 --> 00:26:42,559

government

695

00:26:49,110 --> 00:26:46,799

if it is in fact extraterrestrial

696

00:26:53,110 --> 00:26:49,120

and the whole then that brings up i love

697

00:26:54,789 --> 00:26:53,120

this kind of discussion because

698

00:26:57,590 --> 00:26:54,799

as soon as you see something flying in

699

00:27:01,350 --> 00:27:00,149

the average civilian thinks little green

700

00:27:04,470 --> 00:27:01,360

men

701

00:27:08,310 --> 00:27:04,480

uh watch your behind

702

00:27:10,950 --> 00:27:08,320

and uh don't get beamed up well i guess

703

00:27:12,870 --> 00:27:10,960

it depends on who you ask

704

00:27:14,549 --> 00:27:12,880

well it depends it does depend and i

705

00:27:15,669 --> 00:27:14,559

hate to say that those things don't

706

00:27:17,350 --> 00:27:15,679

exist but they do

707

00:27:19,269 --> 00:27:17,360

they do i'm not saying they don't exist

708

00:27:21,830 --> 00:27:19,279

on some plane of existence

709

00:27:23,510 --> 00:27:21,840

and and time is on our side for this one

710

00:27:25,510 --> 00:27:23,520

because even if you talk like the

711

00:27:26,230 --> 00:27:25,520

dimensional aspects which is mainstream

712

00:27:28,070 --> 00:27:26,240

now

713

00:27:29,990 --> 00:27:28,080

you can you can you can talk your reason

714

00:27:30,950 --> 00:27:30,000

around this and it's safe and sound to

715

00:27:32,789 --> 00:27:30,960

argue

716

00:27:34,070 --> 00:27:32,799

that that would just be one little tiny

717

00:27:35,830 --> 00:27:34,080

slice of the pie

718

00:27:37,909 --> 00:27:35,840

and that there would be a variety of

719

00:27:39,909 --> 00:27:37,919

other slices of the pie that are also

720

00:27:42,549 --> 00:27:39,919

actively engaged in the phenomenon

721

00:27:43,590 --> 00:27:42,559

in their own way shape and form and i

722

00:27:44,950 --> 00:27:43,600

think that's kind of what we're

723

00:27:47,350 --> 00:27:44,960

discussing here

724

00:27:48,389 --> 00:27:47,360

because this seems to be technology

725

00:27:53,990 --> 00:27:48,399

mimicking

726

00:27:57,029 --> 00:27:54,000

technology in my personal opinion

727

00:27:58,950 --> 00:27:57,039

but hey what do i know i'm just speaking

728

00:27:59,990 --> 00:27:58,960

as a fly fishing guide and a jeweler and

729

00:28:01,830 --> 00:28:00,000

that's as far

730

00:28:03,430 --> 00:28:01,840

as watching something that i don't know

731

00:28:05,430 --> 00:28:03,440

anything about

732

00:28:07,029 --> 00:28:05,440

and making a personal assessment that's

733

00:28:08,950 --> 00:28:07,039

as far as i go

734

00:28:10,389 --> 00:28:08,960

above and beyond that i can mow a decent

735

00:28:14,710 --> 00:28:10,399

lawn so

736

00:28:16,470 --> 00:28:14,720

um i think you know the mimicry

737

00:28:18,789 --> 00:28:16,480

is a really interesting thing we know

738

00:28:20,870 --> 00:28:18,799

that you know there have been

739

00:28:22,070 --> 00:28:20,880

different studies that have have been

740

00:28:25,269 --> 00:28:22,080

done over the years

741

00:28:28,389 --> 00:28:25,279

uh decades about uh

742

00:28:29,990 --> 00:28:28,399

people and their responses to ufos or

743

00:28:32,389 --> 00:28:30,000

how it would change their

744

00:28:34,070 --> 00:28:32,399

religious uh viewpoints and different

745

00:28:36,149 --> 00:28:34,080

things and so we've gone in and

746

00:28:38,389 --> 00:28:36,159

kind of created and used these

747

00:28:41,029 --> 00:28:38,399

psychological profiles and

748

00:28:41,669 --> 00:28:41,039

and things and could that be and we know

749

00:28:44,070 --> 00:28:41,679

when you're

750

00:28:45,350 --> 00:28:44,080

looking at psychological warfare you

751  
00:28:47,110 --> 00:28:45,360  
know what you would do

752  
00:28:49,510 --> 00:28:47,120  
in specific places and what they have

753  
00:28:52,710 --> 00:28:49,520  
done is is take a group of people

754  
00:28:53,830 --> 00:28:52,720  
and their their belief systems and

755  
00:28:56,549 --> 00:28:53,840  
they've used that

756  
00:28:58,230 --> 00:28:56,559  
as kind of almost a weapon to gain

757  
00:29:00,630 --> 00:28:58,240  
control over the population

758  
00:29:01,830 --> 00:29:00,640  
and so could that be you know something

759  
00:29:03,830 --> 00:29:01,840  
if you're mimicking

760  
00:29:05,190 --> 00:29:03,840  
something or if you've seeded an idea

761  
00:29:08,389 --> 00:29:05,200  
into the public

762  
00:29:10,789 --> 00:29:08,399  
uh and you know that this kind of uh

763  
00:29:12,549 --> 00:29:10,799

oh hey it's a ufo it's a ufo that that

764

00:29:15,350 --> 00:29:12,559

type of belief is

765

00:29:16,870 --> 00:29:15,360

is going to grow i think that that does

766

00:29:18,389 --> 00:29:16,880

happen and so

767

00:29:20,230 --> 00:29:18,399

there you know like i said there have to

768

00:29:22,470 --> 00:29:20,240

there so many

769

00:29:23,750 --> 00:29:22,480

layers to this and i think you know when

770

00:29:25,350 --> 00:29:23,760

you and i have

771

00:29:27,029 --> 00:29:25,360

looked into skinwalker ranch and the

772

00:29:28,310 --> 00:29:27,039

surrounding areas i think that's one of

773

00:29:30,310 --> 00:29:28,320

those prime

774

00:29:32,470 --> 00:29:30,320

places where you do have some sort of

775

00:29:33,750 --> 00:29:32,480

psychological operation taking place and

776

00:29:36,710 --> 00:29:33,760

ideas have been

777

00:29:38,789 --> 00:29:36,720

seated and then specific people i think

778

00:29:41,269 --> 00:29:38,799

specific technologies can be

779

00:29:43,110 --> 00:29:41,279

tested and people are going to jump to

780

00:29:44,789 --> 00:29:43,120

well that was a ufo and so they're not

781

00:29:46,630 --> 00:29:44,799

going to look any further into it and

782

00:29:49,350 --> 00:29:46,640

it's a great cover

783

00:29:51,669 --> 00:29:49,360

so could this again be the case we just

784

00:29:55,190 --> 00:29:51,679

you know we'll we will see how things

785

00:29:57,190 --> 00:29:55,200

roll out it really depends on who you

786

00:30:00,070 --> 00:29:57,200

talk to and i don't claim to know what

787

00:30:02,070 --> 00:30:00,080

quote unquote they are i only have my

788

00:30:05,350 --> 00:30:02,080

optimistic assumptions

789

00:30:07,190 --> 00:30:05,360

and i know that they are cutting edge

790

00:30:08,950 --> 00:30:07,200

don't kill the messenger here but what's

791

00:30:12,470 --> 00:30:08,960

scarier them being

792

00:30:17,909 --> 00:30:12,480

extra dimensional non-human aircraft or

793

00:30:21,190 --> 00:30:20,389

well i would i would say it's scarier

794

00:30:23,590 --> 00:30:21,200

that

795

00:30:24,789 --> 00:30:23,600

it would i hope i mean for me

796

00:30:25,669 --> 00:30:24,799

potentially that it could be an

797

00:30:28,710 --> 00:30:25,679

adversary

798

00:30:30,230 --> 00:30:28,720

right but right you know i think

799

00:30:31,990 --> 00:30:30,240

i'm the type of person that would like

800

00:30:34,230 --> 00:30:32,000

to to

801  
00:30:35,430 --> 00:30:34,240  
to think that if there is an

802  
00:30:38,149 --> 00:30:35,440  
intelligence

803  
00:30:39,110 --> 00:30:38,159  
here you know i don't necessarily run to

804  
00:30:41,669 --> 00:30:39,120  
the thought that it's

805  
00:30:42,389 --> 00:30:41,679  
a threat even though we should be aware

806  
00:30:45,350 --> 00:30:42,399  
of that

807  
00:30:45,909 --> 00:30:45,360  
but if you you know look at the work of

808  
00:30:47,590 --> 00:30:45,919  
of

809  
00:30:49,110 --> 00:30:47,600  
people like jacques valet and people

810  
00:30:52,310 --> 00:30:49,120  
that have studied

811  
00:30:53,750 --> 00:30:52,320  
uh things you know uh and looked at

812  
00:30:57,029 --> 00:30:53,760  
folklore and different things

813  
00:30:59,430 --> 00:30:57,039

uh there are allegedly

814

00:31:00,789 --> 00:30:59,440

interactions taking place that could be

815

00:31:04,149 --> 00:31:00,799

from different dimensions

816

00:31:07,269 --> 00:31:04,159

different different things and so

817

00:31:08,870 --> 00:31:07,279

are they necessarily you know a threat

818

00:31:10,789 --> 00:31:08,880

or is this something that is just

819

00:31:14,149 --> 00:31:10,799

coexisting

820

00:31:15,830 --> 00:31:14,159

right are we just are we just seeing

821

00:31:18,470 --> 00:31:15,840

some 747

822

00:31:19,269 --> 00:31:18,480

from constant like like the costanza

823

00:31:22,710 --> 00:31:19,279

world

824

00:31:24,389 --> 00:31:22,720

or like you know a a reality slightly

825

00:31:26,310 --> 00:31:24,399

different from our own but just for

826

00:31:30,470 --> 00:31:26,320

moments or a glimpse thereof

827

00:31:32,630 --> 00:31:30,480

and if so why is this around nuclear

828

00:31:34,870 --> 00:31:32,640

installations which again is going to

829

00:31:37,029 --> 00:31:34,880

oops reverse the target but

830

00:31:37,990 --> 00:31:37,039

why is this around you know nuclear

831

00:31:41,110 --> 00:31:38,000

installations

832

00:31:44,549 --> 00:31:41,120

and military facilities of all nations

833

00:31:48,389 --> 00:31:46,470

oh i think there could be two different

834

00:31:50,389 --> 00:31:48,399

you know thoughts obviously the one

835

00:31:51,909 --> 00:31:50,399

is that there's an advanced civilization

836

00:31:53,830 --> 00:31:51,919

here monitoring what we're doing so we

837

00:31:55,750 --> 00:31:53,840

don't blow ourselves up i think that's

838

00:31:57,110 --> 00:31:55,760

the common thought in the ufo world and

839

00:32:00,230 --> 00:31:57,120

then there's the

840

00:32:03,509 --> 00:32:00,240

you know the fact that these could be

841

00:32:06,630 --> 00:32:03,519

foreign adversaries monitoring our

842

00:32:07,269 --> 00:32:06,640

capabilities or it could be us trying to

843

00:32:12,389 --> 00:32:07,279

protect

844

00:32:16,389 --> 00:32:14,470

okay and i'm gonna go out on a limb on

845

00:32:17,350 --> 00:32:16,399

this one erica because you know people

846

00:32:20,310 --> 00:32:17,360

are gonna want to go

847

00:32:22,310 --> 00:32:20,320

out on these crazy limbs and it's not

848

00:32:22,710 --> 00:32:22,320

gonna be the crazy reptilian not that i

849

00:32:24,789 --> 00:32:22,720

don't

850

00:32:26,630 --> 00:32:24,799

agree with some like oh yes there is the

851

00:32:29,190 --> 00:32:26,640

reptilian brain and we could get into

852

00:32:30,870 --> 00:32:29,200

that discussion however

853

00:32:33,029 --> 00:32:30,880

and bloodlines but i'm not going to do

854

00:32:35,909 --> 00:32:33,039

that this is more about

855

00:32:37,110 --> 00:32:35,919

uh in my opinion where you're going it's

856

00:32:43,269 --> 00:32:37,120

a dimensionality

857

00:32:45,990 --> 00:32:43,279

military purposes or an assailant

858

00:32:47,029 --> 00:32:46,000

i love that word an assailant of some

859

00:32:50,710 --> 00:32:47,039

sort

860

00:32:52,870 --> 00:32:50,720

you know that we were not ready for

861

00:32:54,389 --> 00:32:52,880

what are we doing yeah yeah i i don't

862

00:32:57,909 --> 00:32:54,399

know i mean it's all

863

00:33:00,630 --> 00:32:57,919

it is all very curious and i think

864

00:33:01,269 --> 00:33:00,640

you know um just to see the way people

865

00:33:02,710 --> 00:33:01,279

react

866

00:33:04,630 --> 00:33:02,720

to some of these things that are being

867

00:33:06,070 --> 00:33:04,640

put forward is interesting in and of

868

00:33:09,830 --> 00:33:06,080

itself

869

00:33:12,149 --> 00:33:09,840

so who who knows and it's again

870

00:33:13,909 --> 00:33:12,159

for me personally because i've had my

871

00:33:17,509 --> 00:33:13,919

own personal experiences i know

872

00:33:20,950 --> 00:33:17,519

you as well and i think i

873

00:33:23,350 --> 00:33:20,960

you know i the more i look to

874

00:33:23,990 --> 00:33:23,360

the outside to find answers the less

875

00:33:27,110 --> 00:33:24,000

connected i

876

00:33:27,990 --> 00:33:27,120

am with what i really feel happened if

877

00:33:31,029 --> 00:33:28,000

that makes

878

00:33:32,470 --> 00:33:31,039

sense and so i just i don't know i want

879

00:33:34,549 --> 00:33:32,480

to go off a little tangent here and just

880

00:33:37,750 --> 00:33:34,559

encourage people when they're having

881

00:33:42,470 --> 00:33:37,760

when they have experiences to not turn

882

00:33:46,230 --> 00:33:45,750

youtube university is very it's kind of

883

00:33:50,149 --> 00:33:46,240

like

884

00:33:51,990 --> 00:33:50,159

gives you just enough rope to hang

885

00:33:53,590 --> 00:33:52,000

yourself maybe

886

00:33:55,909 --> 00:33:53,600

[Music]

887

00:33:56,630 --> 00:33:55,919

and i don't want to get down this path

888

00:33:59,750 --> 00:33:56,640

but some are

889

00:34:02,070 --> 00:33:59,760  
arguing that this is oh my gosh

890

00:34:03,110 --> 00:34:02,080  
uh you know it's a triangle it's a

891

00:34:05,830 --> 00:34:03,120  
pyramid

892

00:34:08,069 --> 00:34:05,840  
the symbolism through the disclosure no

893

00:34:11,669 --> 00:34:08,079  
matter how you see it this is going to

894

00:34:12,310 --> 00:34:11,679  
lead to well you know that these craft

895

00:34:15,510 --> 00:34:12,320  
were seen

896

00:34:19,270 --> 00:34:15,520  
by everybody from you know

897

00:34:22,550 --> 00:34:19,280  
the pharaohs through the bible

898

00:34:25,109 --> 00:34:22,560  
you know the usa now uh

899

00:34:26,550 --> 00:34:25,119  
gosh the romans the judeans they goes on

900

00:34:29,829 --> 00:34:26,560  
and on the greeks

901  
00:34:31,990 --> 00:34:29,839  
and is this are we dealing

902  
00:34:35,230 --> 00:34:32,000  
and because this comes up believe it or

903  
00:34:37,510 --> 00:34:35,240  
not erica this comes up

904  
00:34:40,950 --> 00:34:37,520  
99.9999 percent of the time

905  
00:34:45,510 --> 00:34:40,960  
with gods with a small g and what is a

906  
00:34:52,950 --> 00:34:49,109  
i don't know

907  
00:34:54,149 --> 00:34:52,960  
that keep me up at night this is why i

908  
00:34:56,470 --> 00:34:54,159  
ask these questions

909  
00:34:58,790 --> 00:34:56,480  
because you hear it all the time are we

910  
00:35:00,470 --> 00:34:58,800  
dealing with gods with a small g

911  
00:35:02,870 --> 00:35:00,480  
you start looking at the word g

912  
00:35:05,510 --> 00:35:02,880  
governments um

913  
00:35:06,710 --> 00:35:05,520

it's uh anyway i don't know maybe that's

914

00:35:09,910 --> 00:35:06,720

just a lucky guess

915

00:35:12,069 --> 00:35:09,920

what do i personally think they are i

916

00:35:14,150 --> 00:35:12,079

well i'm i'm just gonna fire out of the

917

00:35:18,390 --> 00:35:14,160

barrel and it isn't

918

00:35:22,150 --> 00:35:18,400

just me i've talked to people who are

919

00:35:23,670 --> 00:35:22,160

veterans and soldiers

920

00:35:25,589 --> 00:35:23,680

and many government types because i

921

00:35:28,150 --> 00:35:25,599

think they're a good way to

922

00:35:30,470 --> 00:35:28,160

gauge my analysis of the the footage i

923

00:35:32,790 --> 00:35:30,480

just kind of said hey what would you do

924

00:35:33,990 --> 00:35:32,800

and you know engage is what they would

925

00:35:36,870 --> 00:35:34,000

say you know engage

926

00:35:38,230 --> 00:35:36,880

what the f is that so from an

927

00:35:41,109 --> 00:35:38,240

unclassified and

928

00:35:42,790 --> 00:35:41,119

absolutely civilian perspective you know

929

00:35:44,870 --> 00:35:42,800

that eye to an eye mentality

930

00:35:47,349 --> 00:35:44,880

the military usually has in defense of

931

00:35:55,430 --> 00:35:52,390

uh capabilities i would say that they're

932

00:35:56,950 --> 00:35:55,440

actively jammed in some way their radar

933

00:35:58,870 --> 00:35:56,960

or maybe their defense systems were

934

00:36:01,349 --> 00:35:58,880

jammed or everything else

935

00:36:03,910 --> 00:36:01,359

i don't know so maybe it was a test i i

936

00:36:06,470 --> 00:36:03,920

just don't know

937

00:36:07,990 --> 00:36:06,480

yeah i don't i i think it is interesting

938

00:36:10,710 --> 00:36:08,000

and i want to just go back to

939

00:36:11,190 --> 00:36:10,720

um you know something that dave beatty

940

00:36:13,589 --> 00:36:11,200

if you

941

00:36:15,030 --> 00:36:13,599

uh follow him i really like dave a lot

942

00:36:15,750 --> 00:36:15,040

he's been on my show several times but

943

00:36:28,150 --> 00:36:15,760

he

944

00:36:30,710 --> 00:36:28,160

spoken

945

00:36:31,190 --> 00:36:30,720

to different uh witnesses and they said

946

00:36:33,910 --> 00:36:31,200

that there

947

00:36:35,349 --> 00:36:33,920

they were not pyramids and that they're

948

00:36:39,510 --> 00:36:35,359

thinking that it might be

949

00:36:41,589 --> 00:36:39,520

an optical illusion or a glare and so

950

00:36:43,349 --> 00:36:41,599

again it's like to jump to that you know

951  
00:36:44,550 --> 00:36:43,359  
the pyramid and where did the pyramid

952  
00:36:46,150 --> 00:36:44,560  
come from i think jeremy

953  
00:36:48,150 --> 00:36:46,160  
corbell was the first person to start

954  
00:36:50,390 --> 00:36:48,160  
using that and really pushing

955  
00:36:51,190 --> 00:36:50,400  
that and so again i just caution people

956  
00:36:53,270 --> 00:36:51,200  
to

957  
00:36:54,950 --> 00:36:53,280  
you know not go down because you can go

958  
00:36:56,310 --> 00:36:54,960  
down all sorts of roads that aren't

959  
00:36:59,510 --> 00:36:56,320  
necessarily

960  
00:37:02,630 --> 00:36:59,520  
factual with this

961  
00:37:04,790 --> 00:37:02,640  
as much fun as it is it's so much fun

962  
00:37:06,950 --> 00:37:04,800  
it is a blast and it's so much fun

963  
00:37:08,230 --> 00:37:06,960

because everybody is involved no matter

964

00:37:09,109 --> 00:37:08,240

who they are what they are then when

965

00:37:11,109 --> 00:37:09,119

they see

966

00:37:12,790 --> 00:37:11,119

a quote-unquote pyramid flying in the

967

00:37:16,870 --> 00:37:12,800

sky it's fun it's mainstream

968

00:37:21,270 --> 00:37:16,880

and it's uap phenomenon but it

969

00:37:24,870 --> 00:37:21,280

i at first i saw the illusion

970

00:37:28,550 --> 00:37:24,880

in my opinion of what appeared to be

971

00:37:32,069 --> 00:37:28,560

a pyramid transposing itself or randomly

972

00:37:34,550 --> 00:37:32,079

uh randomly flying through like it its

973

00:37:37,430 --> 00:37:34,560

axis had been manipulated it was just

974

00:37:38,870 --> 00:37:37,440

spinning that's when i first saw my mind

975

00:37:41,030 --> 00:37:38,880

first saw that

976  
00:37:42,950 --> 00:37:41,040  
and then under further analysis under

977  
00:37:44,550 --> 00:37:42,960  
larger and larger screens i went from a

978  
00:37:48,310 --> 00:37:44,560  
cell phone to a laptop

979  
00:37:51,109 --> 00:37:48,320  
to like my you know whatever 65

980  
00:37:53,190 --> 00:37:51,119  
inch screen is the highest i went but i

981  
00:37:55,030 --> 00:37:53,200  
started to notice that it does look like

982  
00:37:57,910 --> 00:37:55,040  
a series of lights

983  
00:37:59,030 --> 00:37:57,920  
three that are flashing in unison and

984  
00:38:02,950 --> 00:37:59,040  
create

985  
00:38:06,310 --> 00:38:02,960  
maybe some kind of

986  
00:38:07,510 --> 00:38:06,320  
uh uh it it looks like it's all flashing

987  
00:38:11,030 --> 00:38:07,520  
at the same time

988  
00:38:14,550 --> 00:38:11,040

but it appears to be in my opinion led

989

00:38:15,990 --> 00:38:14,560

and maybe they're just you know what i

990

00:38:19,750 --> 00:38:16,000

mean like maybe the light was just

991

00:38:22,310 --> 00:38:19,760

on and the flashing was through the

992

00:38:23,829 --> 00:38:22,320

as this so often happens the actual

993

00:38:25,510 --> 00:38:23,839

filming of the object

994

00:38:27,030 --> 00:38:25,520

you know much like you film like modern

995

00:38:28,390 --> 00:38:27,040

headlights and it flashes

996

00:38:30,069 --> 00:38:28,400

randomly and you're like whoa what's

997

00:38:30,470 --> 00:38:30,079

that and that's just through your cell

998

00:38:33,750 --> 00:38:30,480

phone

999

00:38:36,550 --> 00:38:33,760

again i don't even know the optics we're

1000

00:38:39,829 --> 00:38:38,870

yeah no it if there's lots of questions

1001  
00:38:41,589 --> 00:38:39,839  
but to me

1002  
00:38:43,270 --> 00:38:41,599  
you know when when you start looking at

1003  
00:38:46,470 --> 00:38:43,280  
it it definitely looks a little bit

1004  
00:38:49,030 --> 00:38:46,480  
doesn't look as as out of uh

1005  
00:38:50,790 --> 00:38:49,040  
this world as you know you could be told

1006  
00:38:52,630 --> 00:38:50,800  
that it is and so you just

1007  
00:38:55,030 --> 00:38:52,640  
have to like you do put things through

1008  
00:38:58,310 --> 00:38:55,040  
the paces and then call in

1009  
00:39:00,710 --> 00:38:58,320  
people who are you know experts in in

1010  
00:39:01,670 --> 00:39:00,720  
things like this and have them weigh in

1011  
00:39:04,630 --> 00:39:01,680  
and then make

1012  
00:39:05,349 --> 00:39:04,640  
a determination based on on not only

1013  
00:39:08,390 --> 00:39:05,359

that but

1014

00:39:09,030 --> 00:39:08,400

the you know our witnesses uh coming

1015

00:39:10,950 --> 00:39:09,040

forward

1016

00:39:12,870 --> 00:39:10,960

using their names why wouldn't they use

1017

00:39:15,109 --> 00:39:12,880

their names it seems

1018

00:39:16,630 --> 00:39:15,119

kind of interesting to me in this regard

1019

00:39:19,670 --> 00:39:16,640

that they wouldn't be

1020

00:39:22,390 --> 00:39:19,680

you know uh but

1021

00:39:24,069 --> 00:39:22,400

well who knows it could be a variety of

1022

00:39:25,670 --> 00:39:24,079

reasons we don't know and that's

1023

00:39:27,109 --> 00:39:25,680

the dangerous part of this i don't want

1024

00:39:31,510 --> 00:39:27,119

to make assumptions because

1025

00:39:33,750 --> 00:39:31,520

i did hear electro optic and sensor data

1026

00:39:35,910 --> 00:39:33,760

so was this filmed by somebody with his

1027

00:39:37,910 --> 00:39:35,920

cell phone and this thing was flashing

1028

00:39:39,430 --> 00:39:37,920

or was this filmed by a weapons defense

1029

00:39:41,430 --> 00:39:39,440

system that mustered up enough

1030

00:39:44,310 --> 00:39:41,440

technology to just

1031

00:39:45,750 --> 00:39:44,320

catch a few you know enough of it to

1032

00:39:47,349 --> 00:39:45,760

figure out what it is

1033

00:39:49,270 --> 00:39:47,359

you know was it flashing was it not

1034

00:39:52,470 --> 00:39:49,280

we're not getting a lot of info

1035

00:39:55,670 --> 00:39:52,480

i've reached out and i'm it's it is it's

1036

00:39:57,510 --> 00:39:55,680

hard because i know he's super busy and

1037

00:39:59,510 --> 00:39:57,520

you know a lot of this stuff you don't

1038

00:40:01,030 --> 00:39:59,520

want to kill the messenger and we don't

1039

00:40:04,710 --> 00:40:01,040

know who the messenger is we don't know

1040

00:40:05,990 --> 00:40:04,720

what or who filmed this but if if that

1041

00:40:08,870 --> 00:40:06,000

was taken

1042

00:40:11,670 --> 00:40:08,880

with you know something other than a

1043

00:40:13,750 --> 00:40:11,680

cell phone camera or you know

1044

00:40:15,109 --> 00:40:13,760

a camera as you say then there would be

1045

00:40:16,870 --> 00:40:15,119

a huge

1046

00:40:19,030 --> 00:40:16,880

process that this would have to go

1047

00:40:20,710 --> 00:40:19,040

through to me it would be very unlikely

1048

00:40:22,829 --> 00:40:20,720

in a situation like this

1049

00:40:24,710 --> 00:40:22,839

that they would be releasing that

1050

00:40:25,750 --> 00:40:24,720

footage so if he did release that

1051  
00:40:27,750 --> 00:40:25,760  
footage then

1052  
00:40:29,829 --> 00:40:27,760  
you would think that the person that

1053  
00:40:31,910 --> 00:40:29,839  
released it there there would be an

1054  
00:40:35,670 --> 00:40:31,920  
investigation

1055  
00:40:38,589 --> 00:40:35,680  
about that so right

1056  
00:40:39,990 --> 00:40:38,599  
and as far as i can tell it is

1057  
00:40:41,910 --> 00:40:40,000  
unclassified

1058  
00:40:44,230 --> 00:40:41,920  
which is mind-blowing and i could be

1059  
00:40:45,910 --> 00:40:44,240  
wrong jeremy don't kill me but

1060  
00:40:48,309 --> 00:40:45,920  
don't kill messenger on this one i'll

1061  
00:40:51,990 --> 00:40:48,319  
i'll take the same defense he does

1062  
00:40:55,349 --> 00:40:52,000  
this if they're okay

1063  
00:40:55,990 --> 00:40:55,359

it it this technology is cool it's very

1064

00:40:59,510 --> 00:40:56,000

cool i

1065

00:41:01,430 --> 00:40:59,520

doubt it's manned and

1066

00:41:02,550 --> 00:41:01,440

the fact that it can actively jam

1067

00:41:05,430 --> 00:41:02,560

possibly

1068

00:41:08,069 --> 00:41:05,440

by implication our radar and defense

1069

00:41:11,270 --> 00:41:08,079

systems

1070

00:41:12,230 --> 00:41:11,280

that at least initially if my assumption

1071

00:41:16,150 --> 00:41:12,240

is correct

1072

00:41:18,069 --> 00:41:16,160

and it's just one of those hey dude

1073

00:41:19,270 --> 00:41:18,079

you sh you know later on they're like

1074

00:41:20,390 --> 00:41:19,280

hey you shouldn't have pulled out your

1075

00:41:23,990 --> 00:41:20,400

cell phone but

1076

00:41:26,150 --> 00:41:24,000

it's kind of a cool flex at a cool time

1077

00:41:28,150 --> 00:41:26,160

when maybe these other countries are

1078

00:41:31,270 --> 00:41:28,160

getting too close

1079

00:41:35,670 --> 00:41:31,280

it's kind of what we did with the moon

1080

00:41:38,390 --> 00:41:35,680

and it's sort of ah i hate to say it

1081

00:41:40,230 --> 00:41:38,400

yeah but it it's you know it's building

1082

00:41:42,230 --> 00:41:40,240

that big obelisk and saying look mine's

1083

00:41:46,309 --> 00:41:42,240

bigger than yours can you do this

1084

00:41:47,190 --> 00:41:46,319

and i'm hoping it's that because if it's

1085

00:41:53,270 --> 00:41:47,200

not that

1086

00:41:58,630 --> 00:41:56,710

yeah i i agree and i mean it

1087

00:42:00,790 --> 00:41:58,640

you know two you have to ask if somebody

1088

00:42:01,910 --> 00:42:00,800

is filming you know like i said and i

1089

00:42:03,349 --> 00:42:01,920

think this is an important point if

1090

00:42:06,470 --> 00:42:03,359

somebody's filming

1091

00:42:06,790 --> 00:42:06,480

something like this and and and it's it

1092

00:42:08,630 --> 00:42:06,800

is

1093

00:42:10,550 --> 00:42:08,640

unclassified and that would mean maybe

1094

00:42:12,950 --> 00:42:10,560

it's on as big a deal as we think

1095

00:42:13,910 --> 00:42:12,960

maybe just throwing that out there or

1096

00:42:17,190 --> 00:42:13,920

you know i mean if

1097

00:42:20,630 --> 00:42:17,200

if people are leaking things

1098

00:42:23,589 --> 00:42:20,640

and potentially putting our

1099

00:42:25,750 --> 00:42:23,599

our troops our in our country in in

1100

00:42:27,670 --> 00:42:25,760

danger then that should be

1101  
00:42:29,030 --> 00:42:27,680  
something you know that it should be

1102  
00:42:31,109 --> 00:42:29,040  
addressed as well

1103  
00:42:33,030 --> 00:42:31,119  
you know so i mean i think there's some

1104  
00:42:36,390 --> 00:42:33,040  
serious questions that all of this

1105  
00:42:38,470 --> 00:42:36,400  
raise and

1106  
00:42:39,430 --> 00:42:38,480  
so but nobody ever seems to talk about

1107  
00:42:43,270 --> 00:42:39,440  
things like that

1108  
00:42:45,030 --> 00:42:43,280  
they are because it is and

1109  
00:42:47,510 --> 00:42:45,040  
anyway there's a good portion of it

1110  
00:42:49,430 --> 00:42:47,520  
that's legitimately required because

1111  
00:42:52,710 --> 00:42:49,440  
they're taking a good portion of

1112  
00:42:53,829 --> 00:42:52,720  
our funds if possibly it's the

1113  
00:42:56,950 --> 00:42:53,839

assumption that i'm

1114

00:42:57,990 --> 00:42:56,960

hoping to god it is they're taking a

1115

00:43:01,270 --> 00:42:58,000

great portion of our funds

1116

00:43:04,309 --> 00:43:01,280

creating these things and to

1117

00:43:06,710 --> 00:43:04,319

i understand the flex if it's the flex

1118

00:43:08,950 --> 00:43:06,720

and it's for everybody's safety

1119

00:43:10,790 --> 00:43:08,960

however if this is a breach of security

1120

00:43:13,510 --> 00:43:10,800

defense systems

1121

00:43:14,470 --> 00:43:13,520

and i'm with you that we're discussing

1122

00:43:17,750 --> 00:43:14,480

this

1123

00:43:19,750 --> 00:43:17,760

and we're getting and you know i

1124

00:43:21,109 --> 00:43:19,760

well just imagine if this was coming

1125

00:43:25,270 --> 00:43:21,119

through it

1126

00:43:28,150 --> 00:43:25,280

the the avenue is interesting

1127

00:43:29,030 --> 00:43:28,160

it makes me wonder you know uh is the

1128

00:43:30,710 --> 00:43:29,040

pentagon

1129

00:43:32,390 --> 00:43:30,720

like you said is it not as big a deal as

1130

00:43:34,790 --> 00:43:32,400

we think it is are they

1131

00:43:36,309 --> 00:43:34,800

in fact adversarial drones and this is

1132

00:43:38,069 --> 00:43:36,319

just kind of like a joke like yeah we

1133

00:43:41,190 --> 00:43:38,079

caught you on our cell phones

1134

00:43:43,190 --> 00:43:41,200

you know that's kind of funny um but

1135

00:43:45,750 --> 00:43:43,200

i don't know i i don't know how to look

1136

00:43:48,230 --> 00:43:45,760

at this this is either a really big deal

1137

00:43:49,910 --> 00:43:48,240

or which i it it is because it's

1138

00:43:52,870 --> 00:43:49,920

gathered mainstream

1139

00:43:53,430 --> 00:43:52,880

opinion but is this a big deal or i

1140

00:43:55,270 --> 00:43:53,440

don't know

1141

00:43:56,870 --> 00:43:55,280

it there's so many different ideas

1142

00:43:58,550 --> 00:43:56,880

thinking and even theories at times

1143

00:44:00,790 --> 00:43:58,560

about these things

1144

00:44:01,990 --> 00:44:00,800

and you know bringing to the table

1145

00:44:05,589 --> 00:44:02,000

viewpoints that

1146

00:44:10,950 --> 00:44:05,599

at least open my mind to

1147

00:44:14,309 --> 00:44:13,030

i i would think given like i say some of

1148

00:44:18,069 --> 00:44:14,319

the technologies that they're

1149

00:44:21,670 --> 00:44:18,079

testing you know um i it very well

1150

00:44:23,270 --> 00:44:21,680

um could be and so i think we just

1151  
00:44:24,710 --> 00:44:23,280  
don't know what i mean what better way

1152  
00:44:27,430 --> 00:44:24,720  
you know it's a great cover

1153  
00:44:30,069 --> 00:44:27,440  
story if it you know to use the ufo

1154  
00:44:34,390 --> 00:44:30,079  
thing so we're not creating a huge panic

1155  
00:44:38,150 --> 00:44:34,400  
um but it's you know it i

1156  
00:44:40,390 --> 00:44:38,160  
i think it's all very curious and again

1157  
00:44:41,910 --> 00:44:40,400  
like i said i if if there is going to be

1158  
00:44:44,230 --> 00:44:41,920  
a disclosure

1159  
00:44:45,190 --> 00:44:44,240  
about this i would much prefer it came

1160  
00:44:48,270 --> 00:44:45,200  
from

1161  
00:44:49,430 --> 00:44:48,280  
somebody who was a a high-ranking

1162  
00:44:52,550 --> 00:44:49,440  
official

1163  
00:44:56,390 --> 00:44:52,560

um you know instead of somebody who is

1164

00:44:58,950 --> 00:44:56,400

is you know making a living

1165

00:45:00,630 --> 00:44:58,960

off the ufo entertainment aspect of

1166

00:45:03,670 --> 00:45:00,640

things

1167

00:45:04,069 --> 00:45:03,680

well and just being peripheral to this

1168

00:45:06,950 --> 00:45:04,079

all

1169

00:45:09,030 --> 00:45:06,960

as you know i can only i can only talk

1170

00:45:12,550 --> 00:45:09,040

from a personal and peripheral

1171

00:45:14,069 --> 00:45:12,560

aspect and it's actually coincidentally

1172

00:45:15,829 --> 00:45:14,079

and synchronistically the same

1173

00:45:17,109 --> 00:45:15,839

aspect through which i know this

1174

00:45:20,710 --> 00:45:17,119

individual

1175

00:45:24,069 --> 00:45:20,720

but the just being a civilian and having

1176

00:45:25,910 --> 00:45:24,079

any and all uh touch

1177

00:45:29,030 --> 00:45:25,920

with the strangeness the high

1178

00:45:30,309 --> 00:45:29,040

strangeness of you in a basin so

1179

00:45:32,390 --> 00:45:30,319

when you're in the uinta base and you

1180

00:45:35,349 --> 00:45:32,400

get this high strangeness feeling

1181

00:45:35,990 --> 00:45:35,359

sometimes if if you're in certain areas

1182

00:45:38,470 --> 00:45:36,000

and

1183

00:45:39,349 --> 00:45:38,480

i know you've felt it i felt it well lo

1184

00:45:41,750 --> 00:45:39,359

and behold

1185

00:45:43,510 --> 00:45:41,760

if you stick around and you keep

1186

00:45:46,069 --> 00:45:43,520

sniffing around

1187

00:45:47,030 --> 00:45:46,079

you find that there are deeper levels to

1188

00:45:50,950 --> 00:45:47,040

this that you start

1189

00:45:54,069 --> 00:45:50,960

worrying about things like your safety

1190

00:45:56,870 --> 00:45:54,079

and these are things that as a

1191

00:45:58,790 --> 00:45:56,880

united states civilian and american we

1192

00:46:01,910 --> 00:45:58,800

should not have to worry about

1193

00:46:02,470 --> 00:46:01,920

we should be able to sniff around at our

1194

00:46:05,589 --> 00:46:02,480

own

1195

00:46:06,790 --> 00:46:05,599

leisure and disclosure and and disclose

1196

00:46:10,710 --> 00:46:06,800

whatever we sniff

1197

00:46:13,190 --> 00:46:10,720

but that's you know unfortunately

1198

00:46:15,109 --> 00:46:13,200

just speaking from myself and being a

1199

00:46:17,829 --> 00:46:15,119

very peripheral

1200

00:46:18,230 --> 00:46:17,839

player to all of this i understand that

1201  
00:46:21,349 --> 00:46:18,240  
there's

1202  
00:46:22,309 --> 00:46:21,359  
deeper parts to this that like you said

1203  
00:46:23,829 --> 00:46:22,319  
don't apply to me

1204  
00:46:28,230 --> 00:46:23,839  
like there's a point where i have to

1205  
00:46:30,870 --> 00:46:28,240  
quit sniffing or there could be

1206  
00:46:34,069 --> 00:46:30,880  
for lack of a better word consequences

1207  
00:46:37,030 --> 00:46:34,079  
is that is that a safe word

1208  
00:46:37,589 --> 00:46:37,040  
well i mean i definitely you know i mean

1209  
00:46:40,069 --> 00:46:37,599  
you

1210  
00:46:42,470 --> 00:46:40,079  
the the ufo community or people that

1211  
00:46:45,030 --> 00:46:42,480  
that sniff around and get into

1212  
00:46:47,030 --> 00:46:45,040  
you know find out maybe too much that i

1213  
00:46:48,710 --> 00:46:47,040

mean you know people have been

1214

00:46:50,230 --> 00:46:48,720

visited by people saying hey knock it

1215

00:46:53,510 --> 00:46:50,240

off you know you gotta

1216

00:46:56,150 --> 00:46:53,520

uh maybe pull back a little bit here and

1217

00:46:56,790 --> 00:46:56,160

and things and that is you know that's

1218

00:46:59,829 --> 00:46:56,800

that is

1219

00:47:03,190 --> 00:46:59,839

it's because there are things that we

1220

00:47:05,270 --> 00:47:03,200

don't have the capacity to know and

1221

00:47:06,390 --> 00:47:05,280

as for our own safety that's probably

1222

00:47:07,750 --> 00:47:06,400

just fine

1223

00:47:09,990 --> 00:47:07,760

um if you know what i mean you know what

1224

00:47:11,510 --> 00:47:10,000

i mean images it's

1225

00:47:13,510 --> 00:47:11,520

and as much as i would like to say we

1226

00:47:15,270 --> 00:47:13,520

should have a completely

1227

00:47:16,550 --> 00:47:15,280

open and transparent which i think we

1228

00:47:18,630 --> 00:47:16,560

should be

1229

00:47:20,309 --> 00:47:18,640

transparent with things but when it

1230

00:47:21,990 --> 00:47:20,319

comes to

1231

00:47:23,990 --> 00:47:22,000

to national security i don't know if

1232

00:47:27,430 --> 00:47:24,000

that is something that that

1233

00:47:30,710 --> 00:47:27,440

is you know we should be we we can't be

1234

00:47:33,109 --> 00:47:30,720

transparent when it comes to that

1235

00:47:35,030 --> 00:47:33,119

you can't show all your hands to an

1236

00:47:37,190 --> 00:47:35,040

adversary

1237

00:47:38,950 --> 00:47:37,200

that's right because we don't know what

1238

00:47:40,470 --> 00:47:38,960

we're dealing with and i i've talked

1239

00:47:43,670 --> 00:47:40,480

with people like i said

1240

00:47:43,990 --> 00:47:43,680

peripherally that are like yeah i've

1241

00:47:48,549 --> 00:47:44,000

seen

1242

00:47:52,150 --> 00:47:48,559

technology that other nations have

1243

00:47:55,190 --> 00:47:52,160

that are freaking really cool

1244

00:47:55,990 --> 00:47:55,200

and um that's as far as i can go with

1245

00:47:59,589 --> 00:47:56,000

that

1246

00:48:01,990 --> 00:47:59,599

really cool

1247

00:48:02,950 --> 00:48:02,000

because that's all i heard and you know

1248

00:48:06,790 --> 00:48:02,960

and

1249

00:48:09,030 --> 00:48:06,800

most

1250

00:48:10,870 --> 00:48:09,040

citizens of the united states do have is

1251

00:48:13,349 --> 00:48:10,880

we just assume

1252

00:48:14,630 --> 00:48:13,359

that we are at the top of the heap and

1253

00:48:17,990 --> 00:48:14,640

that nothing can get

1254

00:48:20,710 --> 00:48:18,000

even close to us because we

1255

00:48:21,190 --> 00:48:20,720

really maybe we just really enjoy the

1256

00:48:25,750 --> 00:48:21,200

bread

1257

00:48:28,390 --> 00:48:25,760

and circus at the table we um

1258

00:48:29,589 --> 00:48:28,400

you know it's america and then you know

1259

00:48:34,870 --> 00:48:29,599

bleep yeah

1260

00:48:37,190 --> 00:48:34,880

and it's just this is this

1261

00:48:38,790 --> 00:48:37,200

this is it for lack of a better word

1262

00:48:39,670 --> 00:48:38,800

this has become the new pledge of

1263

00:48:43,430 --> 00:48:39,680

allegiance

1264

00:48:46,309 --> 00:48:43,440

and uh is this reality

1265

00:48:46,870 --> 00:48:46,319

right i mean and i think that we can see

1266

00:48:48,630 --> 00:48:46,880

by

1267

00:48:51,349 --> 00:48:48,640

some of the advancements that you know

1268

00:48:53,829 --> 00:48:51,359

other countries are making it it's

1269

00:48:55,030 --> 00:48:53,839

you know yeah we we i don't know if i

1270

00:48:58,470 --> 00:48:55,040

would like to think that we are

1271

00:48:59,270 --> 00:48:58,480

on top of the heap um let's pray on that

1272

00:49:02,150 --> 00:48:59,280

one

1273

00:49:03,750 --> 00:49:02,160

um because i'm like you it's you know

1274

00:49:07,190 --> 00:49:03,760

i'm proud to be

1275

00:49:08,790 --> 00:49:07,200

from america i love my country and i i

1276

00:49:09,670 --> 00:49:08,800

appreciate the men and women who

1277

00:49:13,510 --> 00:49:09,680

sacrifice

1278

00:49:16,549 --> 00:49:13,520

and well-being

1279

00:49:18,950 --> 00:49:16,559

and democracy and things and and so but

1280

00:49:22,230 --> 00:49:18,960

it is definitely

1281

00:49:24,309 --> 00:49:22,240

uh you know we we have to be aware that

1282

00:49:26,549 --> 00:49:24,319

yeah we aren't always the

1283

00:49:27,990 --> 00:49:26,559

the top and it this is there's so much

1284

00:49:29,270 --> 00:49:28,000

like i said going on behind the scenes

1285

00:49:31,030 --> 00:49:29,280

even just some of the

1286

00:49:32,790 --> 00:49:31,040

you know the hacking and things that

1287

00:49:35,030 --> 00:49:32,800

we've seen and the use of

1288

00:49:37,030 --> 00:49:35,040

social media to promote you know

1289

00:49:38,710 --> 00:49:37,040

propaganda

1290

00:49:40,150 --> 00:49:38,720

from different countries has been very

1291

00:49:43,670 --> 00:49:40,160

interesting especially

1292

00:49:47,910 --> 00:49:43,680

how that has also affected the ufo world

1293

00:49:50,950 --> 00:49:47,920

oh yeah oh yeah the the the propaganda

1294

00:49:51,430 --> 00:49:50,960

and the drone aspect the russians are on

1295

00:49:53,750 --> 00:49:51,440

to it

1296

00:49:55,190 --> 00:49:53,760

and i hate i probably shouldn't say that

1297

00:49:57,670 --> 00:49:55,200

for youtube but

1298

00:49:59,510 --> 00:49:57,680

they're onto it and it's so cool they're

1299

00:50:01,670 --> 00:49:59,520

they're so about remote viewing our

1300

00:50:02,150 --> 00:50:01,680

technology that i follow pages that

1301  
00:50:05,190 --> 00:50:02,160  
follow

1302  
00:50:06,390 --> 00:50:05,200  
things like that and it's like what are

1303  
00:50:08,790 --> 00:50:06,400  
either they're totally out of their

1304  
00:50:10,470 --> 00:50:08,800  
minds or the things that we are now

1305  
00:50:13,910 --> 00:50:10,480  
considering drones

1306  
00:50:17,030 --> 00:50:13,920  
aliens interdimensional e.t etc

1307  
00:50:17,349 --> 00:50:17,040  
or legitimately unidentified may have

1308  
00:50:20,309 --> 00:50:17,359  
not

1309  
00:50:22,470 --> 00:50:20,319  
ever been in the words of others you

1310  
00:50:24,069 --> 00:50:22,480  
know technology that no nation on earth

1311  
00:50:28,069 --> 00:50:24,079  
has ever displayed

1312  
00:50:30,230 --> 00:50:28,079  
but may in fact be just that a display

1313  
00:50:33,109 --> 00:50:30,240

no nation on earth has ever displayed

1314

00:50:36,950 --> 00:50:33,119

and who is typically the forerunner

1315

00:50:38,309 --> 00:50:36,960

forefront leaker uh oops what was that

1316

00:50:41,430 --> 00:50:38,319

an sr

1317

00:50:44,630 --> 00:50:41,440

72 blackbird just kidding and

1318

00:50:47,750 --> 00:50:44,640

you know it's it's reminiscent

1319

00:50:49,030 --> 00:50:47,760

and if that's the case then everybody

1320

00:50:52,069 --> 00:50:49,040

can cool their jets

1321

00:50:54,069 --> 00:50:52,079

but if not then these are

1322

00:50:57,109 --> 00:50:54,079

understandably technology we need to be

1323

00:51:01,910 --> 00:51:00,230

right and i you know i mean it's

1324

00:51:04,230 --> 00:51:01,920

either way but again we've got to just

1325

00:51:04,549 --> 00:51:04,240

you know stay as grounded i think as we

1326

00:51:07,430 --> 00:51:04,559

can

1327

00:51:08,549 --> 00:51:07,440

and to you know ask the important

1328

00:51:10,870 --> 00:51:08,559

questions and not

1329

00:51:12,630 --> 00:51:10,880

believe things because we want to

1330

00:51:14,710 --> 00:51:12,640

believe or because there's

1331

00:51:15,829 --> 00:51:14,720

you know a specific spokesperson or

1332

00:51:19,430 --> 00:51:15,839

people that are

1333

00:51:22,069 --> 00:51:19,440

promoting um things uh and

1334

00:51:23,589 --> 00:51:22,079

you know like i i think for me i found

1335

00:51:25,430 --> 00:51:23,599

because i do believe there's a genuine

1336

00:51:28,150 --> 00:51:25,440

phenomenon i think this is

1337

00:51:28,870 --> 00:51:28,160

it's it's fascinating but i i tend to

1338

00:51:31,589 --> 00:51:28,880

turn away

1339

00:51:34,069 --> 00:51:31,599

from you know what is going on in in

1340

00:51:36,870 --> 00:51:34,079

america because it's just so many

1341

00:51:37,670 --> 00:51:36,880

uh red herrings going on and i think

1342

00:51:38,950 --> 00:51:37,680

that ends up

1343

00:51:41,190 --> 00:51:38,960

distracting us because we're sitting

1344

00:51:42,950 --> 00:51:41,200

around arguing about you know whether

1345

00:51:46,390 --> 00:51:42,960

this was a triangle

1346

00:51:46,790 --> 00:51:46,400

ufo or you know what what you know abc

1347

00:51:49,109 --> 00:51:46,800

and d

1348

00:51:50,390 --> 00:51:49,119

is when potentially there are things

1349

00:51:52,630 --> 00:51:50,400

going on

1350

00:51:54,309 --> 00:51:52,640

uh in different areas and we're not

1351

00:51:57,990 --> 00:51:54,319

we're not paying attention to that

1352

00:51:59,910 --> 00:51:58,000

so i think you know what i mean

1353

00:52:02,069 --> 00:51:59,920

oh i totally know what you mean once

1354

00:52:02,630 --> 00:52:02,079

defense is involved the discussion gets

1355

00:52:05,190 --> 00:52:02,640

hairly

1356

00:52:05,910 --> 00:52:05,200

and i was just you know when we say

1357

00:52:08,230 --> 00:52:05,920

thank you

1358

00:52:08,950 --> 00:52:08,240

for your service to as you mentioned the

1359

00:52:11,829 --> 00:52:08,960

military

1360

00:52:12,950 --> 00:52:11,839

men and women you know we have no idea

1361

00:52:16,470 --> 00:52:12,960

what they put up with

1362

00:52:18,710 --> 00:52:16,480

i am i have to kind of somewhat

1363

00:52:21,109 --> 00:52:18,720

argue with my wife about vaccinations

1364

00:52:23,510 --> 00:52:21,119

with our kids for example

1365

00:52:24,549 --> 00:52:23,520

and not really arguments we actually see

1366

00:52:28,390 --> 00:52:24,559

pretty eye to eye

1367

00:52:30,829 --> 00:52:28,400

but at the same time you consider

1368

00:52:32,549 --> 00:52:30,839

i i think i was reading it's like a

1369

00:52:35,750 --> 00:52:32,559

hundred

1370

00:52:39,910 --> 00:52:35,760

compared to 72 required

1371

00:52:44,630 --> 00:52:39,920

72 injections i believe are military

1372

00:52:48,230 --> 00:52:44,640

let me see here no wait no 191 i'm sorry

1373

00:52:49,829 --> 00:52:48,240

181 or 191 different shots

1374

00:52:51,990 --> 00:52:49,839

and the majority of these they don't

1375

00:52:55,589 --> 00:52:52,000

know what they're for and

1376

00:53:02,870 --> 00:52:59,030

is it part of a test yeah that is

1377

00:53:04,390 --> 00:53:02,880

definitely interesting but

1378

00:53:07,190 --> 00:53:04,400

you know it makes you wonder is it part

1379

00:53:10,309 --> 00:53:07,200

of a test is it part of possible tests

1380

00:53:11,670 --> 00:53:10,319

military men and women maybe succumb and

1381

00:53:12,950 --> 00:53:11,680

and that's the thing you sign up for

1382

00:53:16,230 --> 00:53:12,960

it's kind of a tough

1383

00:53:16,549 --> 00:53:16,240

tough thing to argue well and i think

1384

00:53:19,510 --> 00:53:16,559

there

1385

00:53:20,390 --> 00:53:19,520

you know i mean people that genuinely

1386

00:53:23,109 --> 00:53:20,400

you know i mean

1387

00:53:24,390 --> 00:53:23,119

that are that they've realized this and

1388

00:53:27,670 --> 00:53:24,400

that is their what they've

1389

00:53:28,069 --> 00:53:27,680

agreed to do and and for the name of you

1390

00:53:30,309 --> 00:53:28,079

know

1391

00:53:31,910 --> 00:53:30,319

like i said our democracy and and our

1392

00:53:33,510 --> 00:53:31,920

country and

1393

00:53:35,430 --> 00:53:33,520

freedoms and things and so that is

1394

00:53:38,470 --> 00:53:35,440

really that's such a

1395

00:53:41,510 --> 00:53:38,480

an incredible thing uh to do

1396

00:53:42,470 --> 00:53:41,520

as a human being it's pretty cool it is

1397

00:53:45,190 --> 00:53:42,480

pretty cool

1398

00:53:46,790 --> 00:53:45,200

and um but yeah it's a lot bigger than a

1399

00:53:49,990 --> 00:53:46,800

lot of people because i

1400

00:53:51,829 --> 00:53:50,000

i talk to well just people that i know

1401  
00:53:53,670 --> 00:53:51,839  
that were involved with i i don't know

1402  
00:53:57,270 --> 00:53:53,680  
what i can say

1403  
00:53:59,829 --> 00:53:57,280  
but you know some of the

1404  
00:54:00,950 --> 00:53:59,839  
programs that they otherwise thought

1405  
00:54:03,270 --> 00:54:00,960  
were just

1406  
00:54:05,349 --> 00:54:03,280  
well i'll give the generalization of

1407  
00:54:08,069 --> 00:54:05,359  
this particular

1408  
00:54:09,750 --> 00:54:08,079  
they thought it was just a general hey

1409  
00:54:13,109 --> 00:54:09,760  
i'm on a ship

1410  
00:54:14,230 --> 00:54:13,119  
i'm just out here cooking meals for all

1411  
00:54:17,270 --> 00:54:14,240  
these soldiers

1412  
00:54:20,069 --> 00:54:17,280  
who are watching for something and this

1413  
00:54:22,230 --> 00:54:20,079

doesn't sound like a long list

1414

00:54:23,349 --> 00:54:22,240

you know and he went into you know

1415

00:54:25,430 --> 00:54:23,359

what's going on

1416

00:54:28,710 --> 00:54:25,440

from the service department of an aspect

1417

00:54:32,470 --> 00:54:28,720

of things come to find out the entire

1418

00:54:35,910 --> 00:54:32,480

thing was they were

1419

00:54:40,230 --> 00:54:35,920

the they were being tested on uh

1420

00:54:48,789 --> 00:54:45,030

i'll just say mediums and

1421

00:54:50,470 --> 00:54:48,799

this series of uh damage

1422

00:54:52,069 --> 00:54:50,480

that took place to the mechanical parts

1423

00:54:55,430 --> 00:54:52,079

of the ship of the vehicle

1424

00:54:59,430 --> 00:54:55,440

and to the people on board was very

1425

00:55:03,270 --> 00:55:01,670

it took most of the people have died

1426

00:55:05,030 --> 00:55:03,280

that were on that ship and this person

1427

00:55:08,710 --> 00:55:05,040

just barely got

1428

00:55:10,470 --> 00:55:08,720

a severance check so it's one of those

1429

00:55:14,150 --> 00:55:10,480

things that kind of pisses you off

1430

00:55:17,270 --> 00:55:16,630

well we've we have seen some interesting

1431

00:55:19,349 --> 00:55:17,280

things

1432

00:55:21,750 --> 00:55:19,359

uh take place with regard to that and

1433

00:55:25,109 --> 00:55:21,760

human testing and

1434

00:55:26,950 --> 00:55:25,119

um so it's uh

1435

00:55:29,510 --> 00:55:26,960

and dugway you know as you and i both

1436

00:55:31,750 --> 00:55:29,520

know uh that there have been lots of

1437

00:55:33,589 --> 00:55:31,760

interesting things over the decades

1438

00:55:35,349 --> 00:55:33,599

frightening things in my opinion over

1439

00:55:38,950 --> 00:55:35,359

the decades that have taken place

1440

00:55:42,150 --> 00:55:38,960

there with regards to testing um

1441

00:55:43,750 --> 00:55:42,160

on you know people but yeah there's a

1442

00:55:47,030 --> 00:55:43,760

lot of things to think about and then

1443

00:55:49,589 --> 00:55:47,040

you know i i throw in some of this

1444

00:55:50,309 --> 00:55:49,599

type of thing now the douglas which

1445

00:55:51,510 --> 00:55:50,319

again

1446

00:55:53,829 --> 00:55:51,520

you know like i said up in the area of

1447

00:55:57,109 --> 00:55:53,839

skinwalker ranch i mean who knows what

1448

00:56:00,230 --> 00:55:57,119

would be going on up there

1449

00:56:03,270 --> 00:56:00,240

now the dugway thing just to clarify

1450

00:56:06,710 --> 00:56:03,280

that was proven correct like beyond a

1451  
00:56:10,470 --> 00:56:08,950  
fascinating i mean just the fact that

1452  
00:56:13,750 --> 00:56:10,480  
that was proven

1453  
00:56:18,069 --> 00:56:13,760  
beyond a reasonable doubt is pretty huge

1454  
00:56:18,390 --> 00:56:18,079  
because if i'm assuming that this would

1455  
00:56:20,789 --> 00:56:18,400  
be

1456  
00:56:22,069 --> 00:56:20,799  
a subcontractor of some sort who thought

1457  
00:56:25,109 --> 00:56:22,079  
they had free reign

1458  
00:56:28,309 --> 00:56:25,119  
over not just the acreage they were

1459  
00:56:29,349 --> 00:56:28,319  
leasing but life in general within that

1460  
00:56:34,069 --> 00:56:29,359  
acreage

1461  
00:56:38,789 --> 00:56:35,670  
well it's an interesting place and i

1462  
00:56:41,270 --> 00:56:38,799  
definitely you know encourage

1463  
00:56:42,309 --> 00:56:41,280

people to look at the history and some

1464

00:56:45,190 --> 00:56:42,319

of the things that they've

1465

00:56:46,950 --> 00:56:45,200

tested and and in fact they're still

1466

00:56:50,069 --> 00:56:46,960

doing open-air testing

1467

00:56:51,589 --> 00:56:50,079

in that area come on things so

1468

00:56:54,150 --> 00:56:51,599

it's every once in a while you hear a

1469

00:56:57,589 --> 00:56:54,160

little blurb about it but

1470

00:57:00,789 --> 00:56:57,599

again um you know that's

1471

00:57:01,910 --> 00:57:00,799

what it's it's uh yeah it's that's an

1472

00:57:03,750 --> 00:57:01,920

interesting topic

1473

00:57:05,990 --> 00:57:03,760

that way is is definitely not a place to

1474

00:57:07,990 --> 00:57:06,000

want to go hang out on the borders

1475

00:57:11,430 --> 00:57:08,000

of because you just don't know what

1476

00:57:15,430 --> 00:57:14,549

it's a place i to be honest you know in

1477

00:57:18,470 --> 00:57:15,440

all fairness i

1478

00:57:21,430 --> 00:57:18,480

sadly took previous dates

1479

00:57:22,549 --> 00:57:21,440

and in retrospect probably a really bad

1480

00:57:26,470 --> 00:57:22,559

idea

1481

00:57:27,829 --> 00:57:26,480

um that is an area that yeah we know for

1482

00:57:31,190 --> 00:57:27,839

a fact there's fallout

1483

00:57:33,589 --> 00:57:31,200

of well god knows what and

1484

00:57:35,349 --> 00:57:33,599

um it sure it's fascinating you'll

1485

00:57:35,750 --> 00:57:35,359

probably see something that you haven't

1486

00:57:38,870 --> 00:57:35,760

seen

1487

00:57:39,430 --> 00:57:38,880

before but is there a consequence to

1488

00:57:41,270 --> 00:57:39,440

that

1489

00:57:43,990 --> 00:57:41,280

and i think there may be something along

1490

00:57:46,710 --> 00:57:44,000

the same lines to any area

1491

00:57:47,589 --> 00:57:46,720

that you might see something you may not

1492

00:57:51,270 --> 00:57:47,599

otherwise

1493

00:57:53,829 --> 00:57:51,280

see is that fair to say yeah i mean we

1494

00:57:55,589 --> 00:57:53,839

see you know with regard to skinwalker

1495

00:57:58,630 --> 00:57:55,599

ranch you know we've got

1496

00:58:00,309 --> 00:57:58,640

uh people that are allegedly being uh

1497

00:58:02,069 --> 00:58:00,319

you know that are suffering radiation

1498

00:58:05,270 --> 00:58:02,079

burns and severe

1499

00:58:08,150 --> 00:58:05,280

injuries and things and so definitely

1500

00:58:10,069 --> 00:58:08,160

would not just i mean i would you know

1501  
00:58:11,589 --> 00:58:10,079  
rethink

1502  
00:58:13,190 --> 00:58:11,599  
going up and spending a lot of time in

1503  
00:58:17,270 --> 00:58:13,200  
that area you know

1504  
00:58:20,309 --> 00:58:17,280  
as well too from from the safety aspect

1505  
00:58:23,910 --> 00:58:20,319  
yes and i can't agree more when

1506  
00:58:25,510 --> 00:58:23,920  
people um arguably i'm not i own it

1507  
00:58:28,309 --> 00:58:25,520  
oh yes i'll just say it i own an

1508  
00:58:30,870 --> 00:58:28,319  
interest in a small sliver

1509  
00:58:31,990 --> 00:58:30,880  
of the uintah basin and when people want

1510  
00:58:34,069 --> 00:58:32,000  
to go up for

1511  
00:58:35,109 --> 00:58:34,079  
reasons that are paranormal quote

1512  
00:58:37,430 --> 00:58:35,119  
unquote

1513  
00:58:38,870 --> 00:58:37,440

i make them sign something like a waiver

1514

00:58:41,990 --> 00:58:38,880

of liability

1515

00:58:42,390 --> 00:58:42,000

and it seems drastic but it really isn't

1516

00:58:45,430 --> 00:58:42,400

because

1517

00:58:48,630 --> 00:58:45,440

anywhere you are in the uintah basin

1518

00:58:50,789 --> 00:58:48,640

if you are looking for something that

1519

00:58:53,030 --> 00:58:50,799

shouldn't be there you might just find

1520

00:58:54,870 --> 00:58:53,040

it am i right

1521

00:58:56,309 --> 00:58:54,880

well yeah i think too there's a lot of

1522

00:58:59,349 --> 00:58:56,319

you know i mean who knows what

1523

00:59:00,150 --> 00:58:59,359

uh goes on with you know i mean i i

1524

00:59:03,589 --> 00:59:00,160

think that

1525

00:59:05,750 --> 00:59:03,599

i think there's it is interesting to to

1526

00:59:07,430 --> 00:59:05,760

uh go to some of the cemeteries you know

1527

00:59:08,870 --> 00:59:07,440

in the area and to see that

1528

00:59:10,470 --> 00:59:08,880

there are a lot of younger people

1529

00:59:12,230 --> 00:59:10,480

passing away um

1530

00:59:14,069 --> 00:59:12,240

we know that there was an article by

1531

00:59:15,510 --> 00:59:14,079

rolling stone magazine

1532

00:59:17,829 --> 00:59:15,520

a couple years ago about all the

1533

00:59:19,910 --> 00:59:17,839

stillbirths that were

1534

00:59:21,270 --> 00:59:19,920

seen in vernal and different things and

1535

00:59:24,950 --> 00:59:21,280

so there might be

1536

00:59:27,510 --> 00:59:24,960

things due to some of the uh

1537

00:59:28,710 --> 00:59:27,520

the industry in the area that could be

1538

00:59:31,829 --> 00:59:28,720

affecting health and

1539

00:59:34,549 --> 00:59:31,839

and different things but

1540

00:59:34,950 --> 00:59:34,559

it is you know like with skinwalker and

1541

00:59:37,750 --> 00:59:34,960

and

1542

00:59:38,309 --> 00:59:37,760

them saying on the new series that there

1543

00:59:40,390 --> 00:59:38,319

is

1544

00:59:41,670 --> 00:59:40,400

people are high levels of radiation

1545

00:59:43,910 --> 00:59:41,680

dangerously high

1546

00:59:44,710 --> 00:59:43,920

levels of radiation and that definitely

1547

00:59:47,990 --> 00:59:44,720

is

1548

00:59:49,990 --> 00:59:48,000

a red flag and you would hope that the

1549

00:59:51,270 --> 00:59:50,000

the right people have been informed and

1550

00:59:54,710 --> 00:59:51,280

they've come in uh

1551

00:59:57,829 --> 00:59:54,720

to do checks on that

1552

00:59:59,109 --> 00:59:57,839

yes and i don't gosh i just don't even

1553

01:00:00,549 --> 00:59:59,119

know i'm getting too old i don't know

1554

01:00:02,230 --> 01:00:00,559

what i can and can't say anymore and

1555

01:00:06,069 --> 01:00:02,240

this is why i'm in the periphery

1556

01:00:07,910 --> 01:00:06,079

forever eternally but i will say this

1557

01:00:10,470 --> 01:00:07,920

from my understanding there's many

1558

01:00:11,589 --> 01:00:10,480

people who just will not return to the

1559

01:00:14,549 --> 01:00:11,599

uinta basin

1560

01:00:15,910 --> 01:00:14,559

and i as i get older i'm one of those

1561

01:00:18,870 --> 01:00:15,920

people who returns less

1562

01:00:20,390 --> 01:00:18,880

and less it seems that there are

1563

01:00:24,150 --> 01:00:20,400

physical

1564

01:00:25,430 --> 01:00:24,160

and possibly i don't even want to say

1565

01:00:29,030 --> 01:00:25,440

the word

1566

01:00:32,549 --> 01:00:29,040

but uh there's consequences

1567

01:00:34,630 --> 01:00:32,559

and um you know

1568

01:00:36,390 --> 01:00:34,640

is it worth it it's really cool to see

1569

01:00:38,150 --> 01:00:36,400

something that shouldn't be there

1570

01:00:39,990 --> 01:00:38,160

you know but when you have flying lights

1571

01:00:41,510 --> 01:00:40,000

in the sky that are affecting

1572

01:00:44,150 --> 01:00:41,520

i'm and i'm going out on a limb here

1573

01:00:45,910 --> 01:00:44,160

erica but from what you just disclosed

1574

01:00:47,670 --> 01:00:45,920

flying lights in the sky i think the

1575

01:00:50,950 --> 01:00:47,680

assumption is

1576

01:00:52,950 --> 01:00:50,960

are somehow affecting you know

1577

01:00:57,109 --> 01:00:52,960

stillbirths on the ground you know at

1578

01:00:58,710 --> 01:00:57,119

that saying as above so below

1579

01:01:00,549 --> 01:00:58,720

you know i will say that it is

1580

01:01:03,990 --> 01:01:00,559

interesting and i always

1581

01:01:05,910 --> 01:01:04,000

go to um norway because i was lucky

1582

01:01:08,950 --> 01:01:05,920

enough to go over to hashtalland

1583

01:01:12,309 --> 01:01:08,960

there where they've conducted a 35

1584

01:01:13,109 --> 01:01:12,319

plus year study of anomalous light

1585

01:01:16,630 --> 01:01:13,119

phenomenon

1586

01:01:20,150 --> 01:01:16,640

which it is this is the most

1587

01:01:23,109 --> 01:01:20,160

studied area in the world uh and

1588

01:01:24,870 --> 01:01:23,119

you know it is it's been a very it's

1589

01:01:25,829 --> 01:01:24,880

fascinating and it's really cool to

1590

01:01:28,870 --> 01:01:25,839

watch to be

1591

01:01:31,430 --> 01:01:28,880

to right next to these scientists the

1592

01:01:33,190 --> 01:01:31,440

leading scientists from europe and

1593

01:01:34,470 --> 01:01:33,200

they're very transparent

1594

01:01:35,829 --> 01:01:34,480

about the data you know they have a

1595

01:01:38,150 --> 01:01:35,839

website where they're putting things

1596

01:01:41,349 --> 01:01:38,160

forward constantly

1597

01:01:44,549 --> 01:01:41,359

yes i agree and over there

1598

01:01:46,630 --> 01:01:44,559

you know nobody has been hurt nobody has

1599

01:01:48,470 --> 01:01:46,640

had radiation burns

1600

01:01:50,230 --> 01:01:48,480

no one is getting sick and dying of

1601  
01:01:53,190 --> 01:01:50,240  
cancer

1602  
01:01:54,950 --> 01:01:53,200  
and so why would that be you know why

1603  
01:01:55,430 --> 01:01:54,960  
would people be getting so sick over

1604  
01:01:58,549 --> 01:01:55,440  
here

1605  
01:01:59,670 --> 01:01:58,559  
and is that potentially something that

1606  
01:02:01,190 --> 01:01:59,680  
would be

1607  
01:02:03,829 --> 01:02:01,200  
more down to have a down to earth

1608  
01:02:06,390 --> 01:02:03,839  
explanation

1609  
01:02:07,510 --> 01:02:06,400  
well it is so hard to not go down these

1610  
01:02:10,309 --> 01:02:07,520  
rabbit holes

1611  
01:02:12,230 --> 01:02:10,319  
but no matter what opinions are when

1612  
01:02:12,950 --> 01:02:12,240  
things flying in the sky are affecting

1613  
01:02:15,510 --> 01:02:12,960

things

1614

01:02:18,150 --> 01:02:15,520

on the ground that should be a really

1615

01:02:21,029 --> 01:02:18,160

big red flag that this is important

1616

01:02:22,710 --> 01:02:21,039

and uh sadly the majority of the

1617

01:02:24,069 --> 01:02:22,720

population could care less

1618

01:02:26,549 --> 01:02:24,079

i mean they see something flying in the

1619

01:02:30,069 --> 01:02:26,559

sky they say that's cool just

1620

01:02:32,789 --> 01:02:30,079

crazy for instance middle of the day i'm

1621

01:02:33,589 --> 01:02:32,799

in uh in a swimming pool with my

1622

01:02:36,150 --> 01:02:33,599

mother-in-law

1623

01:02:37,349 --> 01:02:36,160

some other people other family members

1624

01:02:40,789 --> 01:02:37,359

etc

1625

01:02:41,829 --> 01:02:40,799

and i see some stuff i see like three

1626

01:02:43,829 --> 01:02:41,839

lights in the sky

1627

01:02:45,510 --> 01:02:43,839

middle of the day and so i'm like okay i

1628

01:02:46,470 --> 01:02:45,520

got seven people around me i'm just

1629

01:02:48,470 --> 01:02:46,480

going for it

1630

01:02:49,910 --> 01:02:48,480

so i point them out i say look at these

1631

01:02:52,630 --> 01:02:49,920

what do you think

1632

01:02:54,069 --> 01:02:52,640

and they're looking at them and they're

1633

01:02:55,349 --> 01:02:54,079

looking at them

1634

01:02:57,670 --> 01:02:55,359

and they're moving around and they're

1635

01:02:58,390 --> 01:02:57,680

mixing around and they're in plain view

1636

01:03:01,109 --> 01:02:58,400

and

1637

01:03:01,750 --> 01:03:01,119

then just as clearly as they were there

1638

01:03:03,589 --> 01:03:01,760

and i know

1639

01:03:05,910 --> 01:03:03,599

you've seen things similar they're gone

1640

01:03:07,910 --> 01:03:05,920

so i authentically believe in the

1641

01:03:11,990 --> 01:03:07,920

authentic

1642

01:03:14,309 --> 01:03:12,000

uh phenomena but

1643

01:03:15,430 --> 01:03:14,319

there's so many impostors and mimics we

1644

01:03:16,950 --> 01:03:15,440

may never know

1645

01:03:18,789 --> 01:03:16,960

especially with these drones and

1646

01:03:19,750 --> 01:03:18,799

everything else defense systems i don't

1647

01:03:22,870 --> 01:03:19,760

even know anymore

1648

01:03:25,109 --> 01:03:22,880

but erica like from let's get into

1649

01:03:27,349 --> 01:03:25,119

uh where our listeners can keep track of

1650

01:03:29,750 --> 01:03:27,359

you and ufo classified

1651  
01:03:30,870 --> 01:03:29,760  
and at least in my opinion have a pulse

1652  
01:03:35,670 --> 01:03:30,880  
of what's going on

1653  
01:03:38,390 --> 01:03:35,680  
uh on the broader spectrum of uh ufos

1654  
01:03:39,430 --> 01:03:38,400  
yeah thank you i so i do a radio show

1655  
01:03:42,390 --> 01:03:39,440  
every friday night

1656  
01:03:44,230 --> 01:03:42,400  
i i broadcast on speaker and you can

1657  
01:03:45,510 --> 01:03:44,240  
find on itunes and

1658  
01:03:47,510 --> 01:03:45,520  
and different places where you find

1659  
01:03:50,029 --> 01:03:47,520  
podcasts and it uh

1660  
01:03:51,829 --> 01:03:50,039  
it's ufo classified you can go to

1661  
01:03:52,950 --> 01:03:51,839  
ufoclassified.com to learn more about

1662  
01:03:56,230 --> 01:03:52,960  
the show

1663  
01:03:57,829 --> 01:03:56,240

and or erica lukes.com and

1664

01:03:59,670 --> 01:03:57,839

then you can find me sometimes on

1665

01:04:01,109 --> 01:03:59,680

twitter and oh just need to get better

1666

01:04:04,150 --> 01:04:01,119

about that but

1667

01:04:06,710 --> 01:04:04,160

i'm always you know i mean i i love

1668

01:04:08,630 --> 01:04:06,720

this subject i genuinely think there is

1669

01:04:10,549 --> 01:04:08,640

something that we need to be

1670

01:04:12,390 --> 01:04:10,559

researching and paying attention to and

1671

01:04:15,829 --> 01:04:12,400

we need to create a

1672

01:04:18,789 --> 01:04:15,839

safe space where we're doing that and

1673

01:04:19,990 --> 01:04:18,799

and and like i said it's just please you

1674

01:04:21,990 --> 01:04:20,000

know look at look at

1675

01:04:23,430 --> 01:04:22,000

all the information and and don't be

1676

01:04:25,190 --> 01:04:23,440

afraid to ask

1677

01:04:28,150 --> 01:04:25,200

critical questions because in this

1678

01:04:30,470 --> 01:04:28,160

subject there's there is a need to be

1679

01:04:32,150 --> 01:04:30,480

to have both both feet on the ground i

1680

01:04:34,390 --> 01:04:32,160

think because we've had so much

1681

01:04:37,190 --> 01:04:34,400

disinformation and missing information

1682

01:04:40,150 --> 01:04:37,200

since the late 40s

1683

01:04:41,910 --> 01:04:40,160

a lot of wild stuff and we're talking

1684

01:04:42,390 --> 01:04:41,920

about the same thing everyone's talking

1685

01:04:44,710 --> 01:04:42,400

about

1686

01:04:46,710 --> 01:04:44,720

definitely keep in touch with ufo

1687

01:04:48,950 --> 01:04:46,720

classified and erica luke's

1688

01:04:50,630 --> 01:04:48,960

erica seems far too long every time we

1689

01:04:51,109 --> 01:04:50,640

touch base and i hope we touch base more

1690

01:04:54,390 --> 01:04:51,119

often

1691

01:04:57,430 --> 01:04:54,400

take care until next time you too thanks

1692

01:04:58,069 --> 01:04:57,440

erica luke's ufo classified you can't go

1693

01:05:01,589 --> 01:04:58,079

wrong

1694

01:05:02,150 --> 01:05:01,599

she's attacking ufos and uaps in a way

1695

01:05:05,109 --> 01:05:02,160

that no

1696

01:05:06,390 --> 01:05:05,119

other woman is check it out she's got

1697

01:05:08,150 --> 01:05:06,400

quite the following

1698

01:05:10,150 --> 01:05:08,160

and she's not scared to ruffle a few

1699

01:05:12,870 --> 01:05:10,160

feathers whether or not

1700

01:05:13,990 --> 01:05:12,880

those feathers who those feathers belong

1701  
01:05:17,190 --> 01:05:14,000  
to is beyond

1702  
01:05:18,309 --> 01:05:17,200  
my pagrant a question i really wanted to

1703  
01:05:19,990 --> 01:05:18,319  
ask erica

1704  
01:05:22,549 --> 01:05:20,000  
is whether there was a spiritual

1705  
01:05:25,510 --> 01:05:22,559  
component to all of this but

1706  
01:05:26,789 --> 01:05:25,520  
i didn't do it i was a coward and next

1707  
01:05:29,510 --> 01:05:26,799  
time i will ask her

1708  
01:05:31,430 --> 01:05:29,520  
because it is a component of the puzzle

1709  
01:05:34,309 --> 01:05:31,440  
that i think is very important

1710  
01:05:36,390 --> 01:05:34,319  
but i'm not exactly sure it is important

1711  
01:05:38,789 --> 01:05:36,400  
to all those involved so

1712  
01:05:40,870 --> 01:05:38,799  
um maybe i'm on one of those crazies but

1713  
01:05:41,990 --> 01:05:40,880

maybe it's a component that is important

1714

01:05:44,069 --> 01:05:42,000

to me

1715

01:05:46,150 --> 01:05:44,079

and it is not an actual component i

1716

01:05:47,990 --> 01:05:46,160

don't know maybe i'm going out on a limb

1717

01:05:49,349 --> 01:05:48,000

but that's a question i wish i would

1718

01:05:52,549 --> 01:05:49,359

have asked erica

1719

01:05:54,630 --> 01:05:52,559

you definitely and legitimately should

1720

01:05:56,309 --> 01:05:54,640

stay in touch with ufo classified it's

1721

01:05:59,910 --> 01:05:56,319

pretty cool and

1722

01:06:02,549 --> 01:05:59,920

the video of the pyramid ufo leaked

1723

01:06:05,029 --> 01:06:02,559

near a navy destroyer definitely keep

1724

01:06:08,069 --> 01:06:05,039

track of jeremy corbell you can do that

1725

01:06:14,510 --> 01:06:08,079

at jeremy corbell instagram facebook

1726

01:06:18,150 --> 01:06:16,789

extraordinarybeliefs.com and you can see

1727

01:06:19,829 --> 01:06:18,160

his stuff there

1728

01:06:21,349 --> 01:06:19,839

until next time keep your eyes to the

1729

01:06:21,910 --> 01:06:21,359

skies feet on the ground but don't

1730

01:06:31,960 --> 01:06:21,920

forget

1731

01:06:39,670 --> 01:06:31,970

to take a look around

1732

01:06:48,820 --> 01:06:42,549

come blast off in my time machine third
