

**GLOBAL DEATH CULT**

**William Ramsey**

[Heroparanormal.com](http://Heroparanormal.com)

1  
00:00:06,100 --> 00:00:14,910  
[Music]

2  
00:00:14,920 --> 00:00:27,750  
hey

3  
00:00:27,760 --> 00:00:36,709  
machine third

4  
00:00:41,750 --> 00:00:40,229  
blast off on another vip episode of hero

5  
00:00:43,990 --> 00:00:41,760  
paranormal podcast

6  
00:00:44,790 --> 00:00:44,000  
broadcasting from the base at la madre

7  
00:00:48,069 --> 00:00:44,800  
mountain

8  
00:00:50,549 --> 00:00:48,079  
just south of area 51 my name is ryan

9  
00:00:53,750 --> 00:00:50,559  
the original outlaw of the airwaves

10  
00:00:54,310 --> 00:00:53,760  
bringing you an epic episode tonight we

11  
00:00:57,270 --> 00:00:54,320  
have

12  
00:00:58,709 --> 00:00:57,280  
well it's pretty spooky dark reading and

13  
00:01:01,349 --> 00:00:58,719

it's called global

14

00:01:03,990 --> 00:01:01,359

death cult that's right we have william

15

00:01:07,030 --> 00:01:04,000

ramsay back for his second time

16

00:01:07,910 --> 00:01:07,040

and i thought he nailed it with the

17

00:01:10,469 --> 00:01:07,920

smiley face

18

00:01:11,590 --> 00:01:10,479

killers which was an amazing documentary

19

00:01:15,109 --> 00:01:11,600

an amazing

20

00:01:15,830 --> 00:01:15,119

investigative journalism adventure

21

00:01:19,350 --> 00:01:15,840

really

22

00:01:22,950 --> 00:01:19,360

and dark as well but this is beyond

23

00:01:23,350 --> 00:01:22,960

anything i ever imagined his most recent

24

00:01:25,109 --> 00:01:23,360

book

25

00:01:26,550 --> 00:01:25,119

global death cult i don't want to give

26

00:01:30,230 --> 00:01:26,560

too much away

27

00:01:32,230 --> 00:01:30,240

before we get into the mix also

28

00:01:34,230 --> 00:01:32,240

if you don't want to give too much away

29

00:01:36,710 --> 00:01:34,240

but you want to donate something cruise

30

00:01:38,630 --> 00:01:36,720

over to heroparanormal.com

31

00:01:40,550 --> 00:01:38,640

hit that subscribe button and that will

32

00:01:42,550 --> 00:01:40,560

take you to podbean and for the price of

33

00:01:43,670 --> 00:01:42,560

a barista cup of coffee a month you're

34

00:01:45,749 --> 00:01:43,680

in the inner circle

35

00:01:47,670 --> 00:01:45,759

you can also do the same thing by means

36

00:01:50,149 --> 00:01:47,680

of patreon if you go to patreon

37

00:01:51,510 --> 00:01:50,159

hero paranormal is on there anyway

38

00:01:53,510 --> 00:01:51,520

without further ado

39

00:01:55,270 --> 00:01:53,520

william ramsay welcome to the hero

40

00:01:57,670 --> 00:01:55,280

paranormal podcast my man

41

00:01:59,429 --> 00:01:57,680

brian how's it going yeah epic epic book

42

00:02:01,510 --> 00:01:59,439

my man i was worried

43

00:02:02,550 --> 00:02:01,520

you know that i would not be able to get

44

00:02:05,109 --> 00:02:02,560

into the book

45

00:02:06,789 --> 00:02:05,119

given the dark subject matter but i

46

00:02:10,790 --> 00:02:06,799

could not put it down

47

00:02:12,150 --> 00:02:10,800

the occult aspects of the q9a which i

48

00:02:13,990 --> 00:02:12,160

had never heard about and i

49

00:02:15,270 --> 00:02:14,000

i kind of thought i had a pulse on

50

00:02:17,670 --> 00:02:15,280

everything weird

51  
00:02:18,710 --> 00:02:17,680  
but that really drew me into the reading

52  
00:02:20,949 --> 00:02:18,720  
which

53  
00:02:22,869 --> 00:02:20,959  
if i can read a quick example for the

54  
00:02:25,750 --> 00:02:22,879  
listeners would that be okay

55  
00:02:26,390 --> 00:02:25,760  
yeah please go ahead and read it okay so

56  
00:02:28,710 --> 00:02:26,400  
like

57  
00:02:29,589 --> 00:02:28,720  
yeah the occult aspects so i mean the

58  
00:02:31,830 --> 00:02:29,599  
o9a

59  
00:02:32,790 --> 00:02:31,840  
the order of nine angles the name of the

60  
00:02:36,229 --> 00:02:32,800  
book is

61  
00:02:39,190 --> 00:02:36,239  
global death cult and

62  
00:02:40,949 --> 00:02:39,200  
it goes into for example the priest then

63  
00:02:43,110 --> 00:02:40,959

takes the crystal repeats the same

64

00:02:44,070 --> 00:02:43,120

phrase three times the couple engage in

65

00:02:46,550 --> 00:02:44,080

sexual magic

66

00:02:48,710 --> 00:02:46,560

and are instructed to visualize a whole

67

00:02:51,430 --> 00:02:48,720

opening in the space above them

68

00:02:53,110 --> 00:02:51,440

with energy from the stargate flowing

69

00:02:55,509 --> 00:02:53,120

down encompassing them

70

00:02:57,509 --> 00:02:55,519

drawing this energy into the crystal the

71

00:02:58,630 --> 00:02:57,519

couple buries it into the hill and chant

72

00:03:00,470 --> 00:02:58,640

in latin

73

00:03:02,830 --> 00:03:00,480

i'll i'll murder it so i'll just say it

74

00:03:05,589 --> 00:03:02,840

in english let the earth bring forth

75

00:03:07,670 --> 00:03:05,599

lucifer and it goes on to

76

00:03:08,710 --> 00:03:07,680

note that lucifer is prometheus and the

77

00:03:11,910 --> 00:03:08,720

bringer of light

78

00:03:12,790 --> 00:03:11,920

but holy cow my man i mean i could keep

79

00:03:15,350 --> 00:03:12,800

reading but

80

00:03:16,390 --> 00:03:15,360

you know the occult workings and rituals

81

00:03:19,830 --> 00:03:16,400

that these guys are

82

00:03:21,750 --> 00:03:19,840

involved in is wild yeah

83

00:03:24,149 --> 00:03:21,760

it's crazy i mean i i don't think it's a

84

00:03:25,750 --> 00:03:24,159

huge group but i think that

85

00:03:27,110 --> 00:03:25,760

they're pretty extreme and i think that

86

00:03:30,390 --> 00:03:27,120

if you read the book i think their

87

00:03:33,430 --> 00:03:30,400

position is is that they are extreme

88

00:03:35,110 --> 00:03:33,440

and that's the scariest part i mean some

89

00:03:37,030 --> 00:03:35,120  
of the ceremonial rituals involve

90

00:03:38,309 --> 00:03:37,040  
sacrifice they take it really seriously

91

00:03:41,190 --> 00:03:38,319  
and the sacrifices are

92

00:03:42,229 --> 00:03:41,200  
usually to the prince of darkness or his

93

00:03:44,550 --> 00:03:42,239  
bride

94

00:03:46,229 --> 00:03:44,560  
and they proclaim human sacrifice as

95

00:03:48,550 --> 00:03:46,239  
powerful magic now

96

00:03:50,949 --> 00:03:48,560  
what's really scary is the global

97

00:03:53,030 --> 00:03:50,959  
membership is estimated at around 2000

98

00:03:54,470 --> 00:03:53,040  
is that right

99

00:03:56,390 --> 00:03:54,480  
i think so that's what other people have

100

00:03:59,429 --> 00:03:56,400  
guessed i mean it's a guesstimation

101  
00:04:01,589 --> 00:03:59,439  
because it's hard to get somebody to

102  
00:04:03,750 --> 00:04:01,599  
tell you what's going on inside but

103  
00:04:05,670 --> 00:04:03,760  
that's what other researchers have

104  
00:04:07,509 --> 00:04:05,680  
determined but also

105  
00:04:09,190 --> 00:04:07,519  
this idea is they don't even not

106  
00:04:11,429 --> 00:04:09,200  
necessarily have to be a member of the

107  
00:04:12,470 --> 00:04:11,439  
ona they could just be an individual who

108  
00:04:14,789 --> 00:04:12,480  
believes

109  
00:04:16,469 --> 00:04:14,799  
in everything the ona puts out so and

110  
00:04:20,069 --> 00:04:16,479  
not actually join the group

111  
00:04:22,550 --> 00:04:20,079  
so the total influence is is

112  
00:04:24,230 --> 00:04:22,560  
i don't know i don't know what that is

113  
00:04:26,310 --> 00:04:24,240

but i think in the book i showed that it

114

00:04:29,430 --> 00:04:26,320

has surfaced recently so all you know

115

00:04:32,150 --> 00:04:29,440

these cases of

116

00:04:33,189 --> 00:04:32,160

william von new to jim this murderers

117

00:04:34,950 --> 00:04:33,199

and things like that that

118

00:04:36,710 --> 00:04:34,960

it's you know it's becoming more

119

00:04:39,270 --> 00:04:36,720

predominant

120

00:04:40,870 --> 00:04:39,280

yeah and i mean i thought you knocked it

121

00:04:43,430 --> 00:04:40,880

out of the park with the smiley face

122

00:04:44,150 --> 00:04:43,440

killers that was like in my opinion holy

123

00:04:46,230 --> 00:04:44,160

cow

124

00:04:48,390 --> 00:04:46,240

i didn't know how anybody could ever do

125

00:04:51,510 --> 00:04:48,400

anything better than that and then

126

00:04:53,830 --> 00:04:51,520

this is like a one-two punch um

127

00:04:54,550 --> 00:04:53,840

the i'd like to get into some of the

128

00:04:57,670 --> 00:04:54,560

strange

129

00:04:59,590 --> 00:04:57,680

aspects of the order of nine angles

130

00:05:03,590 --> 00:04:59,600

specifically the belief that they are a

131

00:05:06,550 --> 00:05:03,600

new type or a new breed of human being

132

00:05:07,029 --> 00:05:06,560

and sinister tribes and they have the

133

00:05:10,310 --> 00:05:07,039

names

134

00:05:11,749 --> 00:05:10,320

drac is another wild one yeah there's a

135

00:05:13,590 --> 00:05:11,759

lot of kind of different elements i

136

00:05:14,310 --> 00:05:13,600

think that their view at least as if

137

00:05:18,230 --> 00:05:14,320

their

138

00:05:19,990 --> 00:05:18,240

they are homo galacticus

139

00:05:22,070 --> 00:05:20,000

so that's a new man it's kind of a play

140

00:05:23,749 --> 00:05:22,080

on kind of like the nazi new man

141

00:05:25,749 --> 00:05:23,759

but they are going to go to the stars

142

00:05:28,150 --> 00:05:25,759

and then people holding them back

143

00:05:29,350 --> 00:05:28,160

are like the homo ubrioti or the

144

00:05:32,310 --> 00:05:29,360

mundanes

145

00:05:32,710 --> 00:05:32,320

and they you have a right to call them

146

00:05:35,590 --> 00:05:32,720

they

147

00:05:36,550 --> 00:05:35,600

are people preventing the evolution of

148

00:05:38,469 --> 00:05:36,560

man so

149

00:05:40,469 --> 00:05:38,479

i think that the ona is part of it has

150

00:05:42,550 --> 00:05:40,479

this kind of evolutionary function

151

00:05:44,150 --> 00:05:42,560

that i think that the the nazis had and

152

00:05:45,670 --> 00:05:44,160

i think that the nazi influence in this

153

00:05:47,350 --> 00:05:45,680

group i think is

154

00:05:48,790 --> 00:05:47,360

important an important aspect of the

155

00:05:50,950 --> 00:05:48,800

group because i think that they see

156

00:05:53,670 --> 00:05:50,960

themselves as engines of evolution

157

00:05:55,909 --> 00:05:53,680

and they are the highest evolutionary

158

00:06:00,550 --> 00:05:55,919

and everybody else is

159

00:06:03,909 --> 00:06:00,560

mundane or just not fit for the future

160

00:06:05,830 --> 00:06:03,919

it is so freaky and you know uh just all

161

00:06:07,270 --> 00:06:05,840

things being what they are i try to stay

162

00:06:09,270 --> 00:06:07,280

even keel politically as

163

00:06:11,029 --> 00:06:09,280

is as close to the middle as possible

164

00:06:12,670 --> 00:06:11,039

but i tend to lean

165

00:06:15,270 --> 00:06:12,680

you know a little bit to the right

166

00:06:17,670 --> 00:06:15,280

occasionally conservatively and

167

00:06:19,510 --> 00:06:17,680

you know this was a real eye-opener that

168

00:06:21,350 --> 00:06:19,520

you know i didn't know that groups like

169

00:06:23,749 --> 00:06:21,360

this existed first of all and that's why

170

00:06:26,230 --> 00:06:23,759

i think it's a must read for everyone

171

00:06:28,230 --> 00:06:26,240

but you know it's kind of funny the

172

00:06:32,309 --> 00:06:28,240

people that it ensnares and how

173

00:06:34,710 --> 00:06:32,319

quickly it can just grab their lives

174

00:06:35,590 --> 00:06:34,720

there's another kind of going off what

175

00:06:38,950 --> 00:06:35,600

you were mentioning

176

00:06:40,790 --> 00:06:38,960

um the black magic that's really freaky

177

00:06:42,629 --> 00:06:40,800

and where it goes into the dark gods if

178

00:06:43,430 --> 00:06:42,639

i can read another quick passage just to

179

00:06:46,469 --> 00:06:43,440

yeah please

180

00:06:47,990 --> 00:06:46,479

okay um according to tradition the dark

181

00:06:50,550 --> 00:06:48,000

gods are waiting in what may

182

00:06:51,270 --> 00:06:50,560

be described as a parallel universe they

183

00:06:53,510 --> 00:06:51,280

return to

184

00:06:54,550 --> 00:06:53,520

earth and thus our spatial causal

185

00:06:57,990 --> 00:06:54,560

universe

186

00:07:00,710 --> 00:06:58,000

a causal

187

00:07:01,990 --> 00:07:00,720

and the two universes may be represented

188

00:07:04,710 --> 00:07:02,000

as being joined by

189

00:07:06,230 --> 00:07:04,720

various stargates or more accurately

190

00:07:09,189 --> 00:07:06,240

nexions

191

00:07:10,390 --> 00:07:09,199

and i mean wow interdimensionality and

192

00:07:14,550 --> 00:07:10,400

neo-nazism

193

00:07:17,830 --> 00:07:14,560

somehow packaged and sold to the masses

194

00:07:19,510 --> 00:07:17,840

right yeah no it's incredible so i think

195

00:07:21,110 --> 00:07:19,520

that's really kind of the nine angles is

196

00:07:23,909 --> 00:07:21,120

there's the human gate

197

00:07:25,110 --> 00:07:23,919

and then the dark gods gate or the gate

198

00:07:27,270 --> 00:07:25,120

of the gods and that's part of the

199

00:07:29,350 --> 00:07:27,280

ankles goes through the

200

00:07:31,189 --> 00:07:29,360

the planets and then they're supposed to

201  
00:07:32,550 --> 00:07:31,199  
draw these dark energies down into the

202  
00:07:35,589 --> 00:07:32,560  
world so

203  
00:07:37,110 --> 00:07:35,599  
uh i think you know they they make their

204  
00:07:38,790 --> 00:07:37,120  
view is that these are the old kind of

205  
00:07:40,629 --> 00:07:38,800  
sumerian gods

206  
00:07:43,350 --> 00:07:40,639  
back from the beginning of kind of human

207  
00:07:46,550 --> 00:07:43,360  
history going back to sumer

208  
00:07:49,670 --> 00:07:46,560  
pre-babylonian wow

209  
00:07:51,510 --> 00:07:49,680  
i mean and the the people are very

210  
00:07:53,909 --> 00:07:51,520  
intelligent that are drawn into this

211  
00:07:56,629 --> 00:07:53,919  
which is like i was so blown away it's

212  
00:07:58,309 --> 00:07:56,639  
it's you can't it's it's just something

213  
00:08:01,430 --> 00:07:58,319

in the book i just

214

00:08:04,950 --> 00:08:01,440

i still can't get my mind around

215

00:08:07,189 --> 00:08:04,960

is the autumn autumn waffen division

216

00:08:08,309 --> 00:08:07,199

which yeah i mean can we talk about the

217

00:08:09,909 --> 00:08:08,319

images they use

218

00:08:12,869 --> 00:08:09,919

and some of the crimes they committed

219

00:08:14,950 --> 00:08:12,879

these i mean these guys mean business

220

00:08:16,629 --> 00:08:14,960

yeah no it's very serious and i think

221

00:08:17,909 --> 00:08:16,639

that there's that's why i kind of titled

222

00:08:19,110 --> 00:08:17,919

it to slaughter the innocence because a

223

00:08:20,790 --> 00:08:19,120

lot of people have died

224

00:08:22,309 --> 00:08:20,800

we don't know the totality of the crimes

225

00:08:23,110 --> 00:08:22,319

of the o a i know what i have in the

226  
00:08:26,550 --> 00:08:23,120  
book

227  
00:08:27,909 --> 00:08:26,560  
but their whole view is to commit crimes

228  
00:08:31,270 --> 00:08:27,919  
and not get caught

229  
00:08:34,310 --> 00:08:31,280  
and that's kind of like how this

230  
00:08:37,269 --> 00:08:34,320  
this ideology came out from the uk and

231  
00:08:38,709 --> 00:08:37,279  
permeates now at least in part the adam

232  
00:08:41,589 --> 00:08:38,719  
waffen division which was really

233  
00:08:42,790 --> 00:08:41,599  
fairly recently started 2015 and then

234  
00:08:45,190 --> 00:08:42,800  
you had

235  
00:08:46,870 --> 00:08:45,200  
these guys die these two himmelman and

236  
00:08:50,070 --> 00:08:46,880  
onashuk and then

237  
00:08:51,829 --> 00:08:50,080  
a kid here who was a affiliated adam

238  
00:08:54,310 --> 00:08:51,839

waffen guy's name was woodward who's

239

00:08:56,310 --> 00:08:54,320

still in jail in orange california

240

00:08:58,150 --> 00:08:56,320

took a guy out at night a young man by

241

00:08:59,350 --> 00:08:58,160

the name of blaise bernstein stabbed him

242

00:09:02,230 --> 00:08:59,360

20 times

243

00:09:03,829 --> 00:09:02,240

buried him in a shallow grave probably a

244

00:09:07,750 --> 00:09:03,839

racially motivated

245

00:09:09,269 --> 00:09:07,760

um murder and then another guy giampo

246

00:09:10,630 --> 00:09:09,279

who killed his girlfriend's parents so

247

00:09:12,070 --> 00:09:10,640

they were innocent too

248

00:09:14,949 --> 00:09:12,080

but they were concerned that their

249

00:09:16,710 --> 00:09:14,959

daughter was with the kind of

250

00:09:18,949 --> 00:09:16,720

post-hitler post-cruelly kind of

251  
00:09:20,310 --> 00:09:18,959  
neo-nazi and their concerns were correct

252  
00:09:22,310 --> 00:09:20,320  
because they ended up getting killed

253  
00:09:23,750 --> 00:09:22,320  
and then giampa tried to kill himself

254  
00:09:25,509 --> 00:09:23,760  
but i think he's still alive

255  
00:09:27,590 --> 00:09:25,519  
so he's still being trapped so these are

256  
00:09:28,949 --> 00:09:27,600  
all fairly recent crimes and

257  
00:09:30,630 --> 00:09:28,959  
one of the things that kind of struck me

258  
00:09:32,150 --> 00:09:30,640  
about adam often as you can see some of

259  
00:09:35,350 --> 00:09:32,160  
these other guys is that

260  
00:09:37,350 --> 00:09:35,360  
the ideology of the ona has in part

261  
00:09:39,030 --> 00:09:37,360  
influence in my opinion adam often i

262  
00:09:42,389 --> 00:09:39,040  
think i showed that in the book

263  
00:09:42,870 --> 00:09:42,399

that these guys are trying to fulfill

264

00:09:45,110 --> 00:09:42,880

this

265

00:09:46,630 --> 00:09:45,120

notion that ona has of insight roles

266

00:09:47,750 --> 00:09:46,640

where you kind of join either the

267

00:09:51,269 --> 00:09:47,760

military

268

00:09:52,949 --> 00:09:51,279

or hyper aggressive islam

269

00:09:54,710 --> 00:09:52,959

and learn from that experience so you

270

00:09:58,230 --> 00:09:54,720

see the two to the two members

271

00:10:01,750 --> 00:09:58,240

in that part of the book uh russell

272

00:10:03,829 --> 00:10:01,760

and devon arthurs one became a far-right

273

00:10:05,269 --> 00:10:03,839

islamist and then the other one was

274

00:10:07,990 --> 00:10:05,279

joining the

275

00:10:08,949 --> 00:10:08,000

national guard so you can see this this

276

00:10:12,230 --> 00:10:08,959

kind of attempt

277

00:10:14,310 --> 00:10:12,240

to infiltrate and get training that the

278

00:10:15,910 --> 00:10:14,320

ona doctrines would

279

00:10:17,750 --> 00:10:15,920

encourage people to do and actually if

280

00:10:19,590 --> 00:10:17,760

you're going through the original

281

00:10:20,790 --> 00:10:19,600

septenary way or the seven-fold way

282

00:10:23,750 --> 00:10:20,800

that's one of your things

283

00:10:24,949 --> 00:10:23,760

is to fulfill an insight rule and uh

284

00:10:25,750 --> 00:10:24,959

that's kind of one of the strange

285

00:10:28,870 --> 00:10:25,760

elements of the

286

00:10:29,750 --> 00:10:28,880

ideology is that it's so much different

287

00:10:33,269 --> 00:10:29,760

than

288

00:10:36,230 --> 00:10:33,279

temple

289

00:10:37,430 --> 00:10:36,240

the church of satan or or even crowley's

290

00:10:39,190 --> 00:10:37,440

oto so

291

00:10:41,670 --> 00:10:39,200

he's but they still are very lethal and

292

00:10:44,790 --> 00:10:41,680

very malevolent

293

00:10:46,550 --> 00:10:44,800

yeah so so lethal and extreme and i'm

294

00:10:48,310 --> 00:10:46,560

glad you brought up the the case of

295

00:10:50,630 --> 00:10:48,320

blaise bernstein i mean

296

00:10:52,069 --> 00:10:50,640

age 19. it really kind of brought home

297

00:10:53,910 --> 00:10:52,079

how extreme they went

298

00:10:56,230 --> 00:10:53,920

he was stabbed in the neck i think and i

299

00:10:58,230 --> 00:10:56,240

think he said 20 times i mean

300

00:11:00,870 --> 00:10:58,240

it's crazy and the other story you

301  
00:11:03,110 --> 00:11:00,880  
mentioned uh they killed

302  
00:11:05,190 --> 00:11:03,120  
where he killed both parents and i

303  
00:11:07,509 --> 00:11:05,200  
believe

304  
00:11:08,949 --> 00:11:07,519  
yeah later is it not true that the

305  
00:11:11,030 --> 00:11:08,959  
autumn waffen division put

306  
00:11:12,790 --> 00:11:11,040  
his face on a poster that read love

307  
00:11:15,509 --> 00:11:12,800  
conquers all

308  
00:11:17,509 --> 00:11:15,519  
yes so they kind of made fun of it and

309  
00:11:19,110 --> 00:11:17,519  
they have all these posters and

310  
00:11:21,030 --> 00:11:19,120  
elements like that and that seems to be

311  
00:11:22,470 --> 00:11:21,040  
one of the elements to join adam often

312  
00:11:25,269 --> 00:11:22,480  
is to go on

313  
00:11:27,110 --> 00:11:25,279

kind of a posterizing mission and spread

314

00:11:29,190 --> 00:11:27,120

adam off and propaganda on college

315

00:11:32,069 --> 00:11:29,200

campuses that seems to be one of the

316

00:11:32,870 --> 00:11:32,079

initiatory steps so you'll see a lot of

317

00:11:34,310 --> 00:11:32,880

their

318

00:11:37,350 --> 00:11:34,320

and i didn't include them all but

319

00:11:39,110 --> 00:11:37,360

there's tons of posters of adam waffen

320

00:11:41,269 --> 00:11:39,120

they have one of the head of youtube

321

00:11:42,949 --> 00:11:41,279

hanging from a rope i mean really

322

00:11:45,190 --> 00:11:42,959

aggressive uh stuff so

323

00:11:46,710 --> 00:11:45,200

was it well jokey because they kicked

324

00:11:49,030 --> 00:11:46,720

she kicked them off of

325

00:11:50,310 --> 00:11:49,040

youtube and then they got kicked out of

326

00:11:51,190 --> 00:11:50,320

bit shoot so they've been kicked out of

327

00:11:53,750 --> 00:11:51,200

a variety of things but they're

328

00:11:56,470 --> 00:11:53,760

supposedly disbanded now

329

00:11:58,069 --> 00:11:56,480

they're some of those some of those guys

330

00:11:59,590 --> 00:11:58,079

are still around so they may just go by

331

00:12:02,069 --> 00:11:59,600

a different name now

332

00:12:03,750 --> 00:12:02,079

and uh yeah adam waffen's really an

333

00:12:07,069 --> 00:12:03,760

aggressive group of people and

334

00:12:09,430 --> 00:12:07,079

their utopia is somebody else else's

335

00:12:11,750 --> 00:12:09,440

post-apocalyptic nightmare so

336

00:12:12,550 --> 00:12:11,760

they really want this kind of brace war

337

00:12:15,110 --> 00:12:12,560

and

338

00:12:15,590 --> 00:12:15,120

hyper violent at least that's what it's

339

00:12:18,230 --> 00:12:15,600

in their

340

00:12:18,629 --> 00:12:18,240

relationship and you can see that in the

341

00:12:21,269 --> 00:12:18,639

book

342

00:12:22,790 --> 00:12:21,279

what they're talking about you know um

343

00:12:25,670 --> 00:12:22,800

how like they're talking about

344

00:12:26,870 --> 00:12:25,680

putting bodies and big masquerades and

345

00:12:30,150 --> 00:12:26,880

things like that so

346

00:12:30,629 --> 00:12:30,160

a very dangerous group of people yeah

347

00:12:34,310 --> 00:12:30,639

and they

348

00:12:36,069 --> 00:12:34,320

they also it seems to me that

349

00:12:37,430 --> 00:12:36,079

you could almost write some some of

350

00:12:40,629 --> 00:12:37,440

these individuals that are

351  
00:12:42,470 --> 00:12:40,639  
you you could write books about each

352  
00:12:44,949 --> 00:12:42,480  
individual i mean

353  
00:12:46,389 --> 00:12:44,959  
david maya holy cow i started re you

354  
00:12:47,750 --> 00:12:46,399  
start to like the guy as you're reading

355  
00:12:49,430 --> 00:12:47,760  
about him at first

356  
00:12:51,670 --> 00:12:49,440  
just because he's so genius and

357  
00:12:52,389 --> 00:12:51,680  
intelligent but then the extremes that

358  
00:12:53,990 --> 00:12:52,399  
he goes

359  
00:12:55,990 --> 00:12:54,000  
and i'm glad that you mentioned the

360  
00:12:57,190 --> 00:12:56,000  
temple of set and some of those strange

361  
00:12:58,870 --> 00:12:57,200  
communications

362  
00:13:00,790 --> 00:12:58,880  
can you explain to the listeners the

363  
00:13:03,750 --> 00:13:00,800

strange communications and all of the

364

00:13:07,030 --> 00:13:03,760

aliases that he would use

365

00:13:08,389 --> 00:13:07,040

right so david maya was really probably

366

00:13:10,389 --> 00:13:08,399

at least the front for

367

00:13:12,710 --> 00:13:10,399

the group and he's either writing

368

00:13:14,710 --> 00:13:12,720

everything under a variety of eyeless

369

00:13:15,750 --> 00:13:14,720

aliases so it'd be david meyer steven

370

00:13:18,389 --> 00:13:15,760

brown

371

00:13:20,150 --> 00:13:18,399

anton long but he has claimed that he

372

00:13:21,509 --> 00:13:20,160

was a front for 12 other people writing

373

00:13:23,509 --> 00:13:21,519

for the group and now their output is

374

00:13:24,790 --> 00:13:23,519

massive so even at the very beginning

375

00:13:27,350 --> 00:13:24,800

they were putting out these little

376

00:13:30,550 --> 00:13:27,360

manuscripts back in the 70s and 80s

377

00:13:33,750 --> 00:13:30,560

and uh and it grew into books and then

378

00:13:36,550 --> 00:13:33,760

influencing things but maya during the

379

00:13:37,750 --> 00:13:36,560

formulation of order of nine angles

380

00:13:40,310 --> 00:13:37,760

doctrines

381

00:13:41,590 --> 00:13:40,320

was in communication with michael aquino

382

00:13:44,389 --> 00:13:41,600

of the temple upset

383

00:13:45,750 --> 00:13:44,399

and so these how this communication that

384

00:13:48,310 --> 00:13:45,760

he wanted with them

385

00:13:49,670 --> 00:13:48,320

was to indicate that his group was so

386

00:13:50,069 --> 00:13:49,680

much different than the temple of said

387

00:13:53,750 --> 00:13:50,079

and he

388

00:13:54,550 --> 00:13:53,760

doctrines of the temple of said and

389

00:13:56,550 --> 00:13:54,560

crowley

390

00:13:58,470 --> 00:13:56,560

and so he's saying what distinguishes my

391

00:13:59,269 --> 00:13:58,480

group from yours is our attitude towards

392

00:14:00,870 --> 00:13:59,279

calling

393

00:14:02,470 --> 00:14:00,880

and so i include that that has a whole

394

00:14:05,030 --> 00:14:02,480

chapter in the book it's the

395

00:14:06,870 --> 00:14:05,040

satanic letters of stephen brown but

396

00:14:07,990 --> 00:14:06,880

it's also interesting in those letters

397

00:14:10,550 --> 00:14:08,000

because

398

00:14:11,110 --> 00:14:10,560

the temple of set members are saying

399

00:14:13,509 --> 00:14:11,120

we've gone

400

00:14:14,629 --> 00:14:13,519

out to meet you and it's the same person

401  
00:14:16,150 --> 00:14:14,639  
under different names

402  
00:14:17,829 --> 00:14:16,160  
so somebody's met david maya and

403  
00:14:19,670 --> 00:14:17,839  
somebody's met stephen brown

404  
00:14:21,030 --> 00:14:19,680  
and i think somebody met stephen anton

405  
00:14:24,150 --> 00:14:21,040  
long and they all look the same

406  
00:14:24,629 --> 00:14:24,160  
and uh so so there is an issue about

407  
00:14:26,230 --> 00:14:24,639  
whether

408  
00:14:27,829 --> 00:14:26,240  
what these pseudonyms are but in my

409  
00:14:30,069 --> 00:14:27,839  
opinion they're all

410  
00:14:31,509 --> 00:14:30,079  
i mean david meyer is a very important

411  
00:14:33,030 --> 00:14:31,519  
figure um in the o

412  
00:14:34,550 --> 00:14:33,040  
and probably it's founder and there's

413  
00:14:35,990 --> 00:14:34,560

and then i'd also have a chapter on some

414

00:14:37,509 --> 00:14:36,000

of the current heads

415

00:14:40,949 --> 00:14:37,519

so some of these people are still around

416

00:14:43,189 --> 00:14:40,959

and it's it's very scary to think that

417

00:14:45,269 --> 00:14:43,199

this sophisticated very like you said

418

00:14:49,269 --> 00:14:45,279

very intelligent ideology

419

00:14:54,629 --> 00:14:52,310

and the way just like a chameleon or

420

00:14:56,150 --> 00:14:54,639

actually they use the term shapeshifter

421

00:14:57,509 --> 00:14:56,160

which is so scary

422

00:14:59,350 --> 00:14:57,519

and they believe that they actually

423

00:15:00,870 --> 00:14:59,360

become shape-shifters at least in

424

00:15:04,230 --> 00:15:00,880

ideology but

425

00:15:06,870 --> 00:15:04,240

they really in a very real sense the way

426  
00:15:08,550 --> 00:15:06,880  
they infiltrate even religion i mean

427  
00:15:11,509 --> 00:15:08,560  
going to extremes i believe

428  
00:15:12,150 --> 00:15:11,519  
you know becoming a monk and then like

429  
00:15:14,790 --> 00:15:12,160  
you i

430  
00:15:15,590 --> 00:15:14,800  
mentioned before joining the military

431  
00:15:20,870 --> 00:15:15,600  
just for the

432  
00:15:24,550 --> 00:15:23,030  
right and i think my book shows like

433  
00:15:26,949 --> 00:15:24,560  
some other journalists have looked at

434  
00:15:30,150 --> 00:15:26,959  
adam waffen or the ona

435  
00:15:32,069 --> 00:15:30,160  
for kind of a view of the far right

436  
00:15:33,430 --> 00:15:32,079  
but i look at them as occultists who are

437  
00:15:36,389 --> 00:15:33,440  
in the far right

438  
00:15:37,030 --> 00:15:36,399

and they are definitely infiltrating and

439

00:15:38,949 --> 00:15:37,040

some of these

440

00:15:40,310 --> 00:15:38,959

people are known in the news because

441

00:15:42,550 --> 00:15:40,320

they've been arrested

442

00:15:44,150 --> 00:15:42,560

and thrown in jail or they're under you

443

00:15:45,910 --> 00:15:44,160

know they're being watched by

444

00:15:47,509 --> 00:15:45,920

governments in the uk and the u.s but

445

00:15:48,790 --> 00:15:47,519

there's probably others unknown that

446

00:15:50,629 --> 00:15:48,800

really aren't in the public who were

447

00:15:52,710 --> 00:15:50,639

members who you just wouldn't know

448

00:15:53,749 --> 00:15:52,720

and that whole shape-shifting thing is

449

00:15:56,150 --> 00:15:53,759

that

450

00:15:57,990 --> 00:15:56,160

and it's i reflected in some of their

451  
00:15:58,470 --> 00:15:58,000  
their fictional writings which are

452  
00:16:00,629 --> 00:15:58,480  
really

453  
00:16:01,990 --> 00:16:00,639  
more of like fables learning fables or

454  
00:16:03,590 --> 00:16:02,000  
learning tales

455  
00:16:05,430 --> 00:16:03,600  
is that they're supposed to look like

456  
00:16:07,030 --> 00:16:05,440  
normal ordinary people

457  
00:16:09,110 --> 00:16:07,040  
and that's kind of another element of

458  
00:16:10,870 --> 00:16:09,120  
the o a ideology that's scary is that

459  
00:16:12,230 --> 00:16:10,880  
they don't look like a caricature of a

460  
00:16:16,230 --> 00:16:12,240  
satanist like

461  
00:16:18,069 --> 00:16:16,240  
anton levay or or michael aquino who you

462  
00:16:21,350 --> 00:16:18,079  
could go this guy's odd

463  
00:16:24,710 --> 00:16:21,360

but they're encouraged just to fit in

464

00:16:26,470 --> 00:16:24,720

and not really be obviously noticeable

465

00:16:28,550 --> 00:16:26,480

so they have this idea of shape shifting

466

00:16:29,749 --> 00:16:28,560

trenching so there's a lot of like old

467

00:16:33,030 --> 00:16:29,759

english terms

468

00:16:36,150 --> 00:16:33,040

or concepts that go into this group and

469

00:16:37,749 --> 00:16:36,160

uh yeah it's it's pretty remarkable that

470

00:16:40,949 --> 00:16:37,759

they've really kind of

471

00:16:43,030 --> 00:16:40,959

been under the radar i think for decades

472

00:16:45,350 --> 00:16:43,040

and there's been some comments about

473

00:16:48,069 --> 00:16:45,360

them but i don't think the totality

474

00:16:50,870 --> 00:16:48,079

of their ideology was really accessible

475

00:16:53,030 --> 00:16:50,880

until the internet probably mid 90s and

476

00:16:54,710 --> 00:16:53,040

it's slowly kind of being compiled but i

477

00:16:56,550 --> 00:16:54,720

i think like i said i don't think that

478

00:16:58,230 --> 00:16:56,560

they're a huge group but

479

00:16:59,910 --> 00:16:58,240

i think that the people who are the

480

00:17:03,350 --> 00:16:59,920

adherents are very

481

00:17:05,029 --> 00:17:03,360

lethal and dangerous people yeah they

482

00:17:08,069 --> 00:17:05,039

seem to be getting a lot more done

483

00:17:11,350 --> 00:17:08,079

per person than other groups and i mean

484

00:17:13,429 --> 00:17:11,360

like instantly and uh

485

00:17:14,549 --> 00:17:13,439

those fables that you discuss the

486

00:17:17,990 --> 00:17:14,559

writings

487

00:17:20,069 --> 00:17:18,000

they're so creepy of how they

488

00:17:22,150 --> 00:17:20,079

how you go about targeting somebody for

489

00:17:23,110 --> 00:17:22,160

culling which is basically sacrifice or

490

00:17:26,309 --> 00:17:23,120

killing

491

00:17:28,230 --> 00:17:26,319

and how it seems in almost all the

492

00:17:31,830 --> 00:17:28,240

fables there is at least a mention

493

00:17:34,789 --> 00:17:31,840

of the character or the person

494

00:17:37,190 --> 00:17:34,799

doing the crime feeling like they become

495

00:17:38,870 --> 00:17:37,200

something subhuman and and the witnesses

496

00:17:42,070 --> 00:17:38,880

notice something that's not human as

497

00:17:43,990 --> 00:17:42,080

well which i thought was just eerie

498

00:17:46,470 --> 00:17:44,000

right so i think that that's really it

499

00:17:48,230 --> 00:17:46,480

is they're presencing these dark forces

500

00:17:49,830 --> 00:17:48,240

so they're encouraged to presence the

501  
00:17:51,510 --> 00:17:49,840  
dark forces

502  
00:17:53,190 --> 00:17:51,520  
at night and almost all of those tales

503  
00:17:54,789 --> 00:17:53,200  
happen at night the one that i included

504  
00:17:56,870 --> 00:17:54,799  
was lurker of the night

505  
00:17:58,070 --> 00:17:56,880  
where a guy gets on a motorcycle travels

506  
00:17:59,590 --> 00:17:58,080  
to another city

507  
00:18:01,350 --> 00:17:59,600  
commits a crime and then leaves and

508  
00:18:02,710 --> 00:18:01,360  
tried and the whole thing is about

509  
00:18:04,870 --> 00:18:02,720  
committing a crime and not being

510  
00:18:07,669 --> 00:18:04,880  
detected so

511  
00:18:09,669 --> 00:18:07,679  
yeah it's it's very creepy and uh it's

512  
00:18:11,590 --> 00:18:09,679  
very different it's almost druidic

513  
00:18:14,390 --> 00:18:11,600

in in their outlook where they're at

514

00:18:16,310 --> 00:18:14,400

night one of their

515

00:18:18,390 --> 00:18:16,320

steps in their thing is to go out into

516

00:18:19,190 --> 00:18:18,400

the forest and lie down from sundown to

517

00:18:21,750 --> 00:18:19,200

sunset

518

00:18:22,630 --> 00:18:21,760

so it's almost like they're presencing

519

00:18:24,950 --> 00:18:22,640

that creepy

520

00:18:26,390 --> 00:18:24,960

element of a forest or light if you've

521

00:18:27,750 --> 00:18:26,400

ever gone hiking or something like that

522

00:18:30,230 --> 00:18:27,760

when it's nighttime

523

00:18:31,430 --> 00:18:30,240

there's all kinds of noises the force

524

00:18:33,510 --> 00:18:31,440

that's alive at night

525

00:18:34,710 --> 00:18:33,520

and i think that that is something this

526

00:18:38,150 --> 00:18:34,720

kind of

527

00:18:41,029 --> 00:18:38,160

druidic ancient forest element

528

00:18:41,590 --> 00:18:41,039

is suffused in in these members ideas

529

00:18:42,789 --> 00:18:41,600

where

530

00:18:44,710 --> 00:18:42,799

they're very comfortable and you'll see

531

00:18:46,789 --> 00:18:44,720

pictures of some of these people in all

532

00:18:48,549 --> 00:18:46,799

black outfits in the forest

533

00:18:50,390 --> 00:18:48,559

you know and and i have a lot there's a

534

00:18:51,830 --> 00:18:50,400

lot of pictures that i didn't put in

535

00:18:54,310 --> 00:18:51,840

and that's like their concept of the

536

00:18:57,350 --> 00:18:54,320

noctualian and octulius is a bat

537

00:19:00,870 --> 00:18:57,360

so there's actually pictures of ona

538

00:19:03,110 --> 00:19:00,880

and uh autumn waffen members holding

539

00:19:05,350 --> 00:19:03,120

flags with the ona

540

00:19:06,870 --> 00:19:05,360

bat symbol the noctulian symbol so they

541

00:19:09,029 --> 00:19:06,880

identify

542

00:19:11,669 --> 00:19:09,039

with this kind of thing that flies and

543

00:19:14,789 --> 00:19:11,679

sees at night

544

00:19:18,549 --> 00:19:14,799

yeah and the fervent belief in this

545

00:19:22,150 --> 00:19:18,559

is just unreal uh the sue van

546

00:19:24,470 --> 00:19:22,160

van arath i'm probably saying that wrong

547

00:19:25,750 --> 00:19:24,480

and the i mean the order of nine

548

00:19:27,830 --> 00:19:25,760

ideology and how

549

00:19:29,590 --> 00:19:27,840

it made her believe she was a sex

550

00:19:32,630 --> 00:19:29,600

goddess with superior intellect

551  
00:19:35,110 --> 00:19:32,640  
entitled to cull the inferior

552  
00:19:35,669 --> 00:19:35,120  
and can we talk about that case a bit

553  
00:19:38,789 --> 00:19:35,679  
that was

554  
00:19:41,190 --> 00:19:38,799  
stunning that's an incredible case

555  
00:19:44,150 --> 00:19:41,200  
because it's fairly recent 2015

556  
00:19:44,710 --> 00:19:44,160  
and she was involved she was uh i think

557  
00:19:47,430 --> 00:19:44,720  
a thai

558  
00:19:47,990 --> 00:19:47,440  
savannah rap is like as she was asian

559  
00:19:50,470 --> 00:19:48,000  
and

560  
00:19:52,549 --> 00:19:50,480  
she was on iron marches on this online

561  
00:19:54,789 --> 00:19:52,559  
forum that is now defunct but it was for

562  
00:19:57,190 --> 00:19:54,799  
far right and she was posting on there

563  
00:19:59,029 --> 00:19:57,200

and she was writing kind of these weird

564

00:20:00,710 --> 00:19:59,039

kind of fictional stories as well

565

00:20:03,590 --> 00:20:00,720

there's evidence of that

566

00:20:04,549 --> 00:20:03,600

but she met somebody online by the name

567

00:20:06,630 --> 00:20:04,559

of gamble

568

00:20:08,710 --> 00:20:06,640

and they started kind of a relationship

569

00:20:10,390 --> 00:20:08,720

online and they wanted to

570

00:20:13,510 --> 00:20:10,400

after their discussions online they

571

00:20:15,909 --> 00:20:13,520

wanted to emulate the columbine massacre

572

00:20:17,350 --> 00:20:15,919

and they idealized these two guys it was

573

00:20:18,789 --> 00:20:17,360

uh

574

00:20:20,630 --> 00:20:18,799

oh i can't remember their names the two

575

00:20:21,590 --> 00:20:20,640

guys from columbine but they wanted to

576

00:20:24,230 --> 00:20:21,600

redo this so

577

00:20:25,270 --> 00:20:24,240

they planned a valentine's day massacre

578

00:20:29,510 --> 00:20:25,280

at

579

00:20:31,590 --> 00:20:29,520

a um shopping mall in halifax in canada

580

00:20:33,510 --> 00:20:31,600

so she flew from outside she was from

581

00:20:34,789 --> 00:20:33,520

outside chicago she flew from chicago to

582

00:20:37,270 --> 00:20:34,799

halifax

583

00:20:39,029 --> 00:20:37,280

and uh the police were tipped off but

584

00:20:42,710 --> 00:20:39,039

she was planning to go see her

585

00:20:45,270 --> 00:20:42,720

online paramour kill his parents

586

00:20:46,549 --> 00:20:45,280

and then go do this slaughter at with

587

00:20:48,470 --> 00:20:46,559

guns and they weren't

588

00:20:49,590 --> 00:20:48,480

luckily they weren't very proficient

589

00:20:51,270 --> 00:20:49,600

with weaponry

590

00:20:52,950 --> 00:20:51,280

but he ended up killing himself his name

591

00:20:54,230 --> 00:20:52,960

was gamble instead of killing his

592

00:20:56,230 --> 00:20:54,240

parents he killed himself

593

00:20:57,430 --> 00:20:56,240

and then she went to jail with another

594

00:21:01,270 --> 00:20:57,440

accomplice

595

00:21:04,470 --> 00:21:01,280

but uh all of her records online show

596

00:21:06,549 --> 00:21:04,480

her interest in neo-nazi imagery and

597

00:21:08,230 --> 00:21:06,559

occult imagery and like you said

598

00:21:09,990 --> 00:21:08,240

she thought of herself as a sex goddess

599

00:21:13,110 --> 00:21:10,000

she used the term coal

600

00:21:14,630 --> 00:21:13,120

which is kind of specific to the ona and

601  
00:21:16,710 --> 00:21:14,640  
uh

602  
00:21:17,830 --> 00:21:16,720  
that she thought that the mundane had to

603  
00:21:19,750 --> 00:21:17,840  
be cold so

604  
00:21:21,110 --> 00:21:19,760  
yeah so she had this kind of ideologies

605  
00:21:22,549 --> 00:21:21,120  
now she's in jail for the rest of her

606  
00:21:25,029 --> 00:21:22,559  
life it looks like

607  
00:21:25,830 --> 00:21:25,039  
and they had enough evidence really to

608  
00:21:27,750 --> 00:21:25,840  
to and you

609  
00:21:28,950 --> 00:21:27,760  
i i quote from the court case they had

610  
00:21:30,870 --> 00:21:28,960  
enough evidence

611  
00:21:32,789 --> 00:21:30,880  
in all of her chat logs with this guy

612  
00:21:36,230 --> 00:21:32,799  
gamble where they plotted to

613  
00:21:39,430 --> 00:21:36,240

commit this massacre wow

614

00:21:41,750 --> 00:21:39,440

and it is like you know my

615

00:21:42,549 --> 00:21:41,760

my favorite chapter and not giving away

616

00:21:45,510 --> 00:21:42,559

too much was

617

00:21:46,310 --> 00:21:45,520

asking the right effing questions and

618

00:21:49,510 --> 00:21:46,320

you know it

619

00:21:51,510 --> 00:21:49,520

it starts getting into the smiley face

620

00:21:52,789 --> 00:21:51,520

possibly being a sign of global

621

00:21:55,510 --> 00:21:52,799

membership

622

00:21:57,190 --> 00:21:55,520

is that first of all it's amazing how

623

00:21:59,750 --> 00:21:57,200

you've connected the dots between

624

00:22:01,750 --> 00:21:59,760

adam waffen order of nine angles and

625

00:22:03,270 --> 00:22:01,760

even the smiley face killers could we go

626  
00:22:05,590 --> 00:22:03,280  
into some of the connections between

627  
00:22:07,990 --> 00:22:05,600  
these groups

628  
00:22:09,669 --> 00:22:08,000  
well you see that kind of moving at

629  
00:22:11,750 --> 00:22:09,679  
night right so the whole smiley face

630  
00:22:13,510 --> 00:22:11,760  
phenomenon is young man being out at

631  
00:22:14,870 --> 00:22:13,520  
bars or something disappearing and being

632  
00:22:16,549 --> 00:22:14,880  
found in water

633  
00:22:18,710 --> 00:22:16,559  
and there's always a smiley face

634  
00:22:19,430 --> 00:22:18,720  
associated with it and the smiley face

635  
00:22:22,710 --> 00:22:19,440  
seems to be

636  
00:22:24,549 --> 00:22:22,720  
a permeates a lot of not just other

637  
00:22:28,070 --> 00:22:24,559  
this group but permeates other groups

638  
00:22:30,630 --> 00:22:28,080

but one researcher found on this group's

639

00:22:31,110 --> 00:22:30,640

websites the smiley face symbol two of

640

00:22:33,350 --> 00:22:31,120

their

641

00:22:34,470 --> 00:22:33,360

like informational websites so what is

642

00:22:36,390 --> 00:22:34,480

it doing there

643

00:22:37,909 --> 00:22:36,400

and is there a connection between some

644

00:22:40,310 --> 00:22:37,919

of these deaths

645

00:22:41,990 --> 00:22:40,320

and another occult group like i don't

646

00:22:42,549 --> 00:22:42,000

have any evidence to that but there's

647

00:22:45,830 --> 00:22:42,559

something

648

00:22:47,190 --> 00:22:45,840

very strange happening and uh it wasn't

649

00:22:48,710 --> 00:22:47,200

just pointed out with me i did two

650

00:22:50,390 --> 00:22:48,720

interviews with igor sarsky and i

651  
00:22:51,750 --> 00:22:50,400  
include those in the back of the book

652  
00:22:53,430 --> 00:22:51,760  
so people can read through those or

653  
00:22:54,789 --> 00:22:53,440  
listen to them online

654  
00:22:56,390 --> 00:22:54,799  
and there's something very strange and

655  
00:22:57,990 --> 00:22:56,400  
very underground going on and you can

656  
00:22:59,430 --> 00:22:58,000  
see that in this book and i don't think

657  
00:23:01,909 --> 00:22:59,440  
that the government's really

658  
00:23:02,470 --> 00:23:01,919  
asking the right questions they kind of

659  
00:23:05,669 --> 00:23:02,480  
have

660  
00:23:07,909 --> 00:23:05,679  
but

661  
00:23:09,590 --> 00:23:07,919  
i don't think that this is a dif if

662  
00:23:11,110 --> 00:23:09,600  
they're there's this is a different type

663  
00:23:12,230 --> 00:23:11,120

of criminal organization they believe

664

00:23:13,909 --> 00:23:12,240

they're above the law

665

00:23:15,590 --> 00:23:13,919

and i include that segment in i think

666

00:23:16,070 --> 00:23:15,600

the fourth chapter where they talk about

667

00:23:18,230 --> 00:23:16,080

hey

668

00:23:19,669 --> 00:23:18,240

we're not subject to any other any other

669

00:23:22,950 --> 00:23:19,679

law

670

00:23:24,630 --> 00:23:22,960

so um the real question there's a lot of

671

00:23:26,310 --> 00:23:24,640

questions about what's going on but adam

672

00:23:27,750 --> 00:23:26,320

often too you don't know what these guys

673

00:23:29,430 --> 00:23:27,760

are doing at night they're very skilled

674

00:23:31,510 --> 00:23:29,440

with the dark web and that was something

675

00:23:33,110 --> 00:23:31,520

that people speculated

676

00:23:34,789 --> 00:23:33,120

the smiley face killers or whoever's

677

00:23:36,470 --> 00:23:34,799

doing that are also sophisticated with

678

00:23:39,110 --> 00:23:36,480

the dark web

679

00:23:39,990 --> 00:23:39,120

and uh have thought out and planned some

680

00:23:42,390 --> 00:23:40,000

stuff and

681

00:23:44,070 --> 00:23:42,400

i think that this book also shows an

682

00:23:46,390 --> 00:23:44,080

insight into

683

00:23:47,909 --> 00:23:46,400

some of this dark literature that really

684

00:23:50,070 --> 00:23:47,919

people don't know much about

685

00:23:52,390 --> 00:23:50,080

but there's enough literature out there

686

00:23:55,990 --> 00:23:52,400

for people that should know about

687

00:23:56,950 --> 00:23:56,000

and uh yeah there's just very odd

688

00:23:59,110 --> 00:23:56,960

overlapping

689

00:24:00,549 --> 00:23:59,120

elements from this group and some of

690

00:24:02,830 --> 00:24:00,559

this other stuff that i've studied such

691

00:24:05,750 --> 00:24:02,840

as the smiley face killer so

692

00:24:07,110 --> 00:24:05,760

um yeah i don't know i don't have a lot

693

00:24:09,110 --> 00:24:07,120

i don't have any evidence other than

694

00:24:10,230 --> 00:24:09,120

what i have included in this book but i

695

00:24:13,029 --> 00:24:10,240

do think that

696

00:24:14,870 --> 00:24:13,039

the government or or homeland security

697

00:24:16,149 --> 00:24:14,880

department of homeland security starts

698

00:24:18,070 --> 00:24:16,159

needs to start asking the right

699

00:24:20,390 --> 00:24:18,080

questions no question

700

00:24:21,430 --> 00:24:20,400

yeah because killing seems like this is

701  
00:24:24,390 --> 00:24:21,440

just

702  
00:24:25,350 --> 00:24:24,400

not a big deal to them and you mention

703  
00:24:28,470 --> 00:24:25,360

that you know

704  
00:24:30,230 --> 00:24:28,480

uh yeah a lot of the criminals covered

705  
00:24:33,190 --> 00:24:30,240

in the book have relatively short

706  
00:24:33,909 --> 00:24:33,200

prison sentences of five years or less

707  
00:24:35,750 --> 00:24:33,919

and

708  
00:24:37,909 --> 00:24:35,760

prison in my opinion has a tendency to

709  
00:24:39,830 --> 00:24:37,919

make people more aggressive or at least

710  
00:24:44,070 --> 00:24:39,840

solidify as you put it in the book they

711  
00:24:47,269 --> 00:24:45,750

right well there's a very famous person

712  
00:24:49,190 --> 00:24:47,279

who spent time in prison too his name

713  
00:24:50,310 --> 00:24:49,200

was adolf hitler and when he got out it

714

00:24:53,110 --> 00:24:50,320

made him more committed

715

00:24:53,750 --> 00:24:53,120

so these guys you know the head of adam

716

00:24:55,590 --> 00:24:53,760

waffen is

717

00:24:56,950 --> 00:24:55,600

is in for a while and some of these

718

00:24:58,390 --> 00:24:56,960

other characters they have very large

719

00:25:01,350 --> 00:24:58,400

short sentences so it's something for

720

00:25:04,230 --> 00:25:01,360

people to be very concerned about

721

00:25:05,350 --> 00:25:04,240

um and these ideas and i think the

722

00:25:09,029 --> 00:25:05,360

society right now

723

00:25:10,789 --> 00:25:09,039

really is in a in a hyper

724

00:25:12,830 --> 00:25:10,799

conflicted element where you have the

725

00:25:16,870 --> 00:25:12,840

far left and far right

726

00:25:18,789 --> 00:25:16,880

antifa and i don't i don't see a lot of

727

00:25:20,710 --> 00:25:18,799

uh i'm not optimistic about the future

728

00:25:22,310 --> 00:25:20,720

really because

729

00:25:24,310 --> 00:25:22,320

i just don't see these sides coming

730

00:25:26,950 --> 00:25:24,320

together in a kind of

731

00:25:28,630 --> 00:25:26,960

spirit of amity so i would assume that

732

00:25:30,070 --> 00:25:28,640

people i think that people need to

733

00:25:31,750 --> 00:25:30,080

really watch out i mean i think that

734

00:25:33,830 --> 00:25:31,760

this book is really a warning

735

00:25:35,430 --> 00:25:33,840

to parents and to other people that if

736

00:25:38,630 --> 00:25:35,440

your kids are involved in and

737

00:25:40,230 --> 00:25:38,640

the people who they've found to go to

738

00:25:43,029 --> 00:25:40,240

get into these groups are young

739

00:25:44,710 --> 00:25:43,039

impressionable people who get seduced by

740

00:25:46,070 --> 00:25:44,720

it so if you look at like adam often

741

00:25:47,510 --> 00:25:46,080

it's all these guys are very young

742

00:25:51,029 --> 00:25:47,520

teenagers

743

00:25:52,710 --> 00:25:51,039

college age so and if they have that

744

00:25:53,909 --> 00:25:52,720

kind of lethal mentality people need to

745

00:25:54,950 --> 00:25:53,919

really watch out and the parents of

746

00:25:57,350 --> 00:25:54,960

gianfa's girl

747

00:25:58,230 --> 00:25:57,360

girlfriend were concerned but they ended

748

00:25:59,909 --> 00:25:58,240

up getting

749

00:26:01,269 --> 00:25:59,919

murdered i mean they got shocked so and

750

00:26:03,269 --> 00:26:01,279

even the kids

751

00:26:04,870 --> 00:26:03,279

uh these two kids himmelman and

752

00:26:06,310 --> 00:26:04,880

ownership they got involved in adam

753

00:26:08,149 --> 00:26:06,320

waffen and ended up getting killed but i

754

00:26:10,950 --> 00:26:08,159

don't think their parents really knew

755

00:26:11,669 --> 00:26:10,960

the totality of how deep they were

756

00:26:14,870 --> 00:26:11,679

involved

757

00:26:17,430 --> 00:26:14,880

with adam waffen i think that there's

758

00:26:18,630 --> 00:26:17,440

interviews with the dad of onus chuck

759

00:26:20,390 --> 00:26:18,640

and he just didn't seem to know the

760

00:26:22,310 --> 00:26:20,400

symbol they didn't know what his son was

761

00:26:24,630 --> 00:26:22,320

talking about he didn't understand

762

00:26:27,029 --> 00:26:24,640

the references to bark bjercknes or

763

00:26:29,990 --> 00:26:27,039

bursum or some of these far right

764

00:26:31,830 --> 00:26:30,000

pagan satanists really in like norwood

765

00:26:34,310 --> 00:26:31,840

norwegian black metal so

766

00:26:35,830 --> 00:26:34,320

he didn't quite get how deep his son was

767

00:26:36,390 --> 00:26:35,840

involved and then it was too late and i

768

00:26:39,110 --> 00:26:36,400

think

769

00:26:40,789 --> 00:26:39,120

there was a his name was piccolini who

770

00:26:42,310 --> 00:26:40,799

was a nazi and got out he said

771

00:26:43,830 --> 00:26:42,320

these kids didn't have time to become

772

00:26:45,830 --> 00:26:43,840

better men they were young

773

00:26:49,110 --> 00:26:45,840

and impressionable so they didn't have a

774

00:26:50,950 --> 00:26:49,120

time to get out of these very dark

775

00:26:53,110 --> 00:26:50,960

dark environments that really that's

776

00:26:53,990 --> 00:26:53,120

just a disaster i mean nazism is a

777

00:26:57,909 --> 00:26:54,000

disaster for

778

00:26:58,549 --> 00:26:57,919

people who are involved in it and people

779

00:27:01,830 --> 00:26:58,559

who

780

00:27:05,430 --> 00:27:01,840

are victims of it and so it's really

781

00:27:07,990 --> 00:27:05,440

a shame to think that these ideas are

782

00:27:09,029 --> 00:27:08,000

still out there after world war ii but i

783

00:27:12,549 --> 00:27:09,039

think that

784

00:27:16,149 --> 00:27:12,559

the

785

00:27:20,870 --> 00:27:16,159

think that

786

00:27:22,630 --> 00:27:20,880

really the the scary thing is that it's

787

00:27:25,190 --> 00:27:22,640

not something where

788

00:27:26,310 --> 00:27:25,200

you know people are talking about basket

789

00:27:27,269 --> 00:27:26,320

weaving or something they're talking

790

00:27:29,029 --> 00:27:27,279

about calling people

791

00:27:30,950 --> 00:27:29,039

really lethal ideas so people really

792

00:27:33,510 --> 00:27:30,960

need to be afraid and be concerned

793

00:27:35,029 --> 00:27:33,520

really concerned about what's happening

794

00:27:37,190 --> 00:27:35,039

the parents of blaise bernstein are

795

00:27:38,870 --> 00:27:37,200

another example they had no idea what

796

00:27:40,710 --> 00:27:38,880

happened to their son they didn't know

797

00:27:41,750 --> 00:27:40,720

that their son could be caught up in

798

00:27:44,950 --> 00:27:41,760

this

799

00:27:46,870 --> 00:27:44,960

very lethal racism and uh he had a whole

800

00:27:50,149 --> 00:27:46,880

life ahead of him he's a talented guy

801  
00:27:53,029 --> 00:27:50,159  
kid with a future he went to

802  
00:27:54,630 --> 00:27:53,039  
university of pennsylvania so he had

803  
00:27:56,070 --> 00:27:54,640  
opportunities on horizon that he'll

804  
00:27:58,710 --> 00:27:56,080  
never ever reach because somebody

805  
00:28:01,669 --> 00:27:58,720  
stabbed him 20 times in a park over

806  
00:28:03,669 --> 00:28:01,679  
these crazed ideologies and the question

807  
00:28:05,750 --> 00:28:03,679  
i ask is like is is woodward

808  
00:28:06,870 --> 00:28:05,760  
is woodward trying was that his kill was

809  
00:28:09,750 --> 00:28:06,880  
that a coal

810  
00:28:10,950 --> 00:28:09,760  
was that something that he did to go up

811  
00:28:12,710 --> 00:28:10,960  
some kind of

812  
00:28:13,909 --> 00:28:12,720  
ladder and occult i don't know but i

813  
00:28:14,549 --> 00:28:13,919

don't think anybody's asked that

814

00:28:16,630 --> 00:28:14,559

question

815

00:28:17,669 --> 00:28:16,640

and the other thing is is that he hasn't

816

00:28:19,190 --> 00:28:17,679

even been tried yet

817

00:28:20,870 --> 00:28:19,200

the trial is still there so these are

818

00:28:22,710 --> 00:28:20,880

very current events too i think i've

819

00:28:25,909 --> 00:28:22,720

stated that before but yeah

820

00:28:28,470 --> 00:28:25,919

so yeah the current

821

00:28:28,950 --> 00:28:28,480

the the current nature of it is makes i

822

00:28:32,230 --> 00:28:28,960

think

823

00:28:33,510 --> 00:28:32,240

it's very relevant and the

824

00:28:35,669 --> 00:28:33,520

the i'm glad you brought up the

825

00:28:37,990 --> 00:28:35,679

norwegian death metal because

826

00:28:38,789 --> 00:28:38,000

it really is as the title suggests a

827

00:28:41,190 --> 00:28:38,799

global

828

00:28:42,630 --> 00:28:41,200

death cult looking at all of the

829

00:28:45,110 --> 00:28:42,640

countries

830

00:28:47,990 --> 00:28:45,120

i mean it's it's unbelievable that it's

831

00:28:49,510 --> 00:28:48,000

it seems like it's everywhere

832

00:28:51,669 --> 00:28:49,520

well if you look at that section of the

833

00:28:52,789 --> 00:28:51,679

nexians right so they call it an axion

834

00:28:54,310 --> 00:28:52,799

somebody else would call it something

835

00:28:56,549 --> 00:28:54,320

else but these little groups are

836

00:28:57,990 --> 00:28:56,559

interspersed and their presence is on

837

00:28:59,350 --> 00:28:58,000

the internet so you can tell

838

00:29:01,430 --> 00:28:59,360

that they're there i don't know the

839

00:29:03,110 --> 00:29:01,440

totality of how big these groups are

840

00:29:04,950 --> 00:29:03,120

but there was a there's kind of like a

841

00:29:06,789 --> 00:29:04,960

cult watcher in serbia saying hey

842

00:29:09,190 --> 00:29:06,799

there's a dangerous group in our country

843

00:29:10,870 --> 00:29:09,200

you got to really watch her out and so i

844

00:29:12,549 --> 00:29:10,880

tried to include as many as there are

845

00:29:13,909 --> 00:29:12,559

there that may be defunct there's all

846

00:29:15,669 --> 00:29:13,919

kinds of way back machines

847

00:29:17,269 --> 00:29:15,679

that show these groups like the temple

848

00:29:20,389 --> 00:29:17,279

of blood was active and now not

849

00:29:21,909 --> 00:29:20,399

active so it's hard to really ascertain

850

00:29:23,590 --> 00:29:21,919

as me as just an independent

851

00:29:26,549 --> 00:29:23,600

investigative journalist to

852

00:29:27,750 --> 00:29:26,559

the totality but the the the evidence is

853

00:29:30,470 --> 00:29:27,760

there that these

854

00:29:32,950 --> 00:29:30,480

cells that are designed the idea of

855

00:29:35,669 --> 00:29:32,960

these cells is designed by ona founders

856

00:29:36,789 --> 00:29:35,679

are extant and operating and there's

857

00:29:38,310 --> 00:29:36,799

like there was a

858

00:29:40,149 --> 00:29:38,320

something happened in russia where this

859

00:29:41,830 --> 00:29:40,159

kid was it got on a literature and

860

00:29:43,269 --> 00:29:41,840

burned down a church so

861

00:29:44,870 --> 00:29:43,279

um that's what those guys were doing in

862

00:29:45,750 --> 00:29:44,880

norway they were burning churches and

863

00:29:48,950 --> 00:29:45,760

stuff like that

864

00:29:50,230 --> 00:29:48,960

ancient churches so uh really dangerous

865

00:29:51,830 --> 00:29:50,240

like worldwide

866

00:29:53,190 --> 00:29:51,840

phenomenon these people are in contact

867

00:29:54,070 --> 00:29:53,200

with each other you can tell that

868

00:29:55,669 --> 00:29:54,080

they're

869

00:29:57,029 --> 00:29:55,679

reading each other you know different

870

00:29:58,710 --> 00:29:57,039

nations they're reading each other's

871

00:29:59,750 --> 00:29:58,720

material and they have links to each

872

00:30:03,350 --> 00:29:59,760

other in different

873

00:30:06,710 --> 00:30:03,360

countries and uh yeah it's it's really

874

00:30:09,110 --> 00:30:06,720

crazy and the way that this

875

00:30:09,750 --> 00:30:09,120

it seems like it's working on various

876

00:30:12,950 --> 00:30:09,760

levels

877

00:30:15,909 --> 00:30:12,960

i think the the way that the occult

878

00:30:17,510 --> 00:30:15,919

comes in wait i mean that just knocked

879

00:30:19,430 --> 00:30:17,520

me off my seat with

880

00:30:20,789 --> 00:30:19,440

especially with the david my i'm sorry

881

00:30:24,789 --> 00:30:20,799

the mayat section

882

00:30:27,029 --> 00:30:24,799

and it's like you know it seems like he

883

00:30:28,710 --> 00:30:27,039

reached for just about everything

884

00:30:31,909 --> 00:30:28,720

including crowley which you've

885

00:30:35,510 --> 00:30:31,919

studied significantly and

886

00:30:39,750 --> 00:30:35,520

took a lot from everyone and kind of

887

00:30:43,190 --> 00:30:39,760

in in my opinion sort of made his own

888

00:30:44,230 --> 00:30:43,200

religion yeah no i totally agree with

889

00:30:46,470 --> 00:30:44,240

him

890

00:30:47,669 --> 00:30:46,480

yeah it's somebody of high intelligence

891

00:30:49,750 --> 00:30:47,679

and if you look at some of the

892

00:30:51,669 --> 00:30:49,760

literature the early literature

893

00:30:53,430 --> 00:30:51,679

of the ona they had references to

894

00:30:55,190 --> 00:30:53,440

crowley that they've taken out

895

00:30:56,950 --> 00:30:55,200

so they've passed through and i think i

896

00:30:58,230 --> 00:30:56,960

show in that first chapter about my that

897

00:31:01,350 --> 00:30:58,240

he was in a philemic

898

00:31:02,549 --> 00:31:01,360

organization so he had he had absorbed

899

00:31:05,750 --> 00:31:02,559

crowley and there's

900

00:31:06,710 --> 00:31:05,760

manuscripts where he's clearly analyzed

901  
00:31:11,190 --> 00:31:06,720  
the book of the law

902  
00:31:12,549 --> 00:31:11,200  
he ties it to nietzsche and

903  
00:31:14,149 --> 00:31:12,559  
so yeah i think that that's what's

904  
00:31:16,149 --> 00:31:14,159  
really scary there's other ideas within

905  
00:31:18,549 --> 00:31:16,159  
the ona a lot of

906  
00:31:19,350 --> 00:31:18,559  
interesting psychological understanding

907  
00:31:21,830 --> 00:31:19,360  
deeper

908  
00:31:24,070 --> 00:31:21,840  
jungian ideas and i think that the

909  
00:31:27,669 --> 00:31:24,080  
psychological impact of this doc

910  
00:31:29,990 --> 00:31:27,679  
ideology on people is very uh

911  
00:31:31,830 --> 00:31:30,000  
profound but also very malevolent and i

912  
00:31:34,710 --> 00:31:31,840  
think that they really are

913  
00:31:35,830 --> 00:31:34,720

searching for like weeding out and truly

914

00:31:38,950 --> 00:31:35,840

trying to find smart

915

00:31:41,269 --> 00:31:38,960

lethal people and uh yeah

916

00:31:42,710 --> 00:31:41,279

it's uh it really is incredible this

917

00:31:46,310 --> 00:31:42,720

occult element this cult

918

00:31:48,549 --> 00:31:46,320

esoteric nazism or cult nazism

919

00:31:50,310 --> 00:31:48,559

that uh really starts with might and

920

00:31:52,789 --> 00:31:50,320

kind of goes through like they have they

921

00:31:53,909 --> 00:31:52,799

they still record all that stuff eurofi

922

00:31:57,430 --> 00:31:53,919

in the birth of

923

00:31:59,590 --> 00:31:57,440

hitler 1889. so their their time is this

924

00:32:00,630 --> 00:31:59,600

their view of hitler is like as an

925

00:32:03,110 --> 00:32:00,640

avatar

926

00:32:04,149 --> 00:32:03,120

not as an antichrist so hitler is if

927

00:32:09,110 --> 00:32:04,159

that's your

928

00:32:10,950 --> 00:32:09,120

hero there's real problems i mean

929

00:32:13,190 --> 00:32:10,960

just the millions of people who died

930

00:32:15,590 --> 00:32:13,200

under that whole regime

931

00:32:16,630 --> 00:32:15,600

were is just an atrocity i mean

932

00:32:19,029 --> 00:32:16,640

holocaust

933

00:32:20,230 --> 00:32:19,039

one-eighth of the russian population

934

00:32:22,389 --> 00:32:20,240

died

935

00:32:24,549 --> 00:32:22,399

one-fourth were injured in the war and

936

00:32:25,909 --> 00:32:24,559

the nazis were just going to kill off

937

00:32:26,470 --> 00:32:25,919

the polls they were just taking their

938

00:32:28,149 --> 00:32:26,480

time

939

00:32:29,669 --> 00:32:28,159

if that war would have continued another

940

00:32:30,789 --> 00:32:29,679

10 years there would be no polish people

941

00:32:31,669 --> 00:32:30,799

left they were going to kill them all

942

00:32:35,509 --> 00:32:31,679

off

943

00:32:38,789 --> 00:32:35,519

so that attitude is

944

00:32:43,669 --> 00:32:41,509

and i i found it interesting somebody i

945

00:32:47,029 --> 00:32:43,679

had to mention was james mason

946

00:32:49,269 --> 00:32:47,039

this unassuming neo-nazi who wanted to

947

00:32:51,269 --> 00:32:49,279

destroy the system and was living off of

948

00:32:54,789 --> 00:32:51,279

public assistance and eating in denver

949

00:32:55,350 --> 00:32:54,799

soup kitchens i i mean it seems so wild

950

00:32:57,990 --> 00:32:55,360

that these

951  
00:33:00,870 --> 00:32:58,000  
and and they write astounding books that

952  
00:33:04,230 --> 00:33:00,880  
are just gobbled up by the believers

953  
00:33:07,190 --> 00:33:04,240  
yeah so his with siege

954  
00:33:08,789 --> 00:33:07,200  
he actually took that title from the

955  
00:33:11,029 --> 00:33:08,799  
weatherman so a far left

956  
00:33:13,110 --> 00:33:11,039  
group that was doing bombings so his

957  
00:33:13,990 --> 00:33:13,120  
view was also they need to do their

958  
00:33:15,830 --> 00:33:14,000  
siege

959  
00:33:18,549 --> 00:33:15,840  
against the system as well not from the

960  
00:33:19,669 --> 00:33:18,559  
far right and a lot of these guys in

961  
00:33:20,630 --> 00:33:19,679  
animal often really admire them it

962  
00:33:23,430 --> 00:33:20,640  
became required

963  
00:33:23,990 --> 00:33:23,440

reading for some of these people to read

964

00:33:27,029 --> 00:33:24,000

siege which

965

00:33:29,909 --> 00:33:27,039

was which was super racist and

966

00:33:30,230 --> 00:33:29,919

when you really read siege you see his

967

00:33:33,509 --> 00:33:30,240

an

968

00:33:34,070 --> 00:33:33,519

admiration for these nazis serial

969

00:33:38,230 --> 00:33:34,080

killers

970

00:33:40,149 --> 00:33:38,240

people and i include them in the book

971

00:33:41,590 --> 00:33:40,159

uh spiezak who a lot of people don't

972

00:33:44,149 --> 00:33:41,600

know about

973

00:33:45,990 --> 00:33:44,159

and uh who else is the one guy his name

974

00:33:48,230 --> 00:33:46,000

was reynolds who he knew

975

00:33:49,269 --> 00:33:48,240

so he knows these people in the nazi

976  
00:33:51,029 --> 00:33:49,279  
movement

977  
00:33:52,789 --> 00:33:51,039  
and i think it's important for people to

978  
00:33:54,789 --> 00:33:52,799  
understand because that's the way these

979  
00:33:56,789 --> 00:33:54,799  
guys are thinking is that

980  
00:33:58,710 --> 00:33:56,799  
hey these you know these guys are doing

981  
00:34:02,310 --> 00:33:58,720  
it right the other was james vaughn

982  
00:34:05,590 --> 00:34:02,320  
paul joseph franklin who he knew and uh

983  
00:34:07,029 --> 00:34:05,600  
who shot vernon jordan he was friends

984  
00:34:09,990 --> 00:34:07,039  
with bill clinton

985  
00:34:11,750 --> 00:34:10,000  
and uh all these other yeah what would

986  
00:34:13,750 --> 00:34:11,760  
the other guy the uh

987  
00:34:15,750 --> 00:34:13,760  
larry flint she shot larry flint so this

988  
00:34:17,750 --> 00:34:15,760

was a kind of neo-nazi serial killer

989

00:34:20,869 --> 00:34:17,760

traveling around killing people

990

00:34:23,190 --> 00:34:20,879

and uh those are those are that's their

991

00:34:23,829 --> 00:34:23,200

ideal and then fred cowan was a nazi

992

00:34:24,950 --> 00:34:23,839

killer

993

00:34:26,950 --> 00:34:24,960

so these are people that he's

994

00:34:29,829 --> 00:34:26,960

referencing and and

995

00:34:31,190 --> 00:34:29,839

and of all people uh charles manson so

996

00:34:31,909 --> 00:34:31,200

he's in communication with charles

997

00:34:35,349 --> 00:34:31,919

manson

998

00:34:38,550 --> 00:34:35,359

and adam waffen is going to this cave in

999

00:34:41,349 --> 00:34:38,560

nevada to do like things like manson did

1000

00:34:42,550 --> 00:34:41,359

and uh so it's just really remarkable

1001  
00:34:44,790 --> 00:34:42,560  
what these guys are reading and what

1002  
00:34:46,629 --> 00:34:44,800  
they're thinking

1003  
00:34:48,310 --> 00:34:46,639  
and like you said the posters the

1004  
00:34:50,710 --> 00:34:48,320  
propaganda is so

1005  
00:34:52,389 --> 00:34:50,720  
you it's just so mind-blowing i can't it

1006  
00:34:54,869 --> 00:34:52,399  
it's it's hard it's it's something

1007  
00:34:56,710 --> 00:34:54,879  
everybody really has to like the book is

1008  
00:34:58,550 --> 00:34:56,720  
a must read in my opinion i think you've

1009  
00:35:01,750 --> 00:34:58,560  
taken a very difficult

1010  
00:35:06,069 --> 00:35:01,760  
difficult topic and it even though it's

1011  
00:35:09,109 --> 00:35:07,270  
it's happening you know it's

1012  
00:35:10,550 --> 00:35:09,119  
metastasizing it's out there

1013  
00:35:12,550 --> 00:35:10,560

there's more numeral kids on the

1014

00:35:14,150 --> 00:35:12,560

internet so people need to really be

1015

00:35:16,069 --> 00:35:14,160

afraid and be careful there's a lot of

1016

00:35:18,550 --> 00:35:16,079

stories in there of these like

1017

00:35:20,230 --> 00:35:18,560

satanist soldiers satanist right wingers

1018

00:35:21,589 --> 00:35:20,240

i included this one guy smith

1019

00:35:23,670 --> 00:35:21,599

a lot of people don't know about william

1020

00:35:25,589 --> 00:35:23,680

jared smith the base

1021

00:35:27,510 --> 00:35:25,599

where they did some blot ritual and cut

1022

00:35:29,109 --> 00:35:27,520

off the head of a goat

1023

00:35:30,630 --> 00:35:29,119

and they were talking about killing

1024

00:35:32,150 --> 00:35:30,640

antifa members and stuff like that

1025

00:35:32,550 --> 00:35:32,160

before they got arrested so these were

1026

00:35:34,310 --> 00:35:32,560

huge

1027

00:35:35,990 --> 00:35:34,320

there's a lot of people who got arrested

1028

00:35:38,470 --> 00:35:36,000

and i don't think the media

1029

00:35:40,630 --> 00:35:38,480

really captured the totality of it of

1030

00:35:44,390 --> 00:35:40,640

how many of these guys got

1031

00:35:47,910 --> 00:35:44,400

got put in jail um but

1032

00:35:49,589 --> 00:35:47,920

yeah i think i think that anybody

1033

00:35:51,589 --> 00:35:49,599

i mean i think that this is this is

1034

00:35:53,589 --> 00:35:51,599

something that's gonna be a problem in

1035

00:35:55,270 --> 00:35:53,599

the us for the at least the next 25

1036

00:35:58,150 --> 00:35:55,280

years as these guys are young

1037

00:35:58,470 --> 00:35:58,160

they're all in their 20s and uh who

1038

00:36:00,550 --> 00:35:58,480

knows

1039

00:36:02,310 --> 00:36:00,560

who they're going to find in jail and

1040

00:36:06,550 --> 00:36:02,320

who they're going to find

1041

00:36:10,950 --> 00:36:08,230

it's really uh it's really perilous

1042

00:36:13,670 --> 00:36:10,960

times i really i'm not optimistic

1043

00:36:14,630 --> 00:36:13,680

and it seems like only the extreme ones

1044

00:36:17,430 --> 00:36:14,640

are getting caught

1045

00:36:18,710 --> 00:36:17,440

i i could see how easy it would be as

1046

00:36:21,190 --> 00:36:18,720

the literature says

1047

00:36:22,950 --> 00:36:21,200

to just seep between the cracks and be

1048

00:36:23,670 --> 00:36:22,960

be that mortar between the bricks and

1049

00:36:28,550 --> 00:36:23,680

get

1050

00:36:31,109 --> 00:36:28,560

enforcement or the clergy

1051  
00:36:32,550 --> 00:36:31,119  
or all these all these various creepy

1052  
00:36:35,270 --> 00:36:32,560  
methods of of getting

1053  
00:36:37,270 --> 00:36:35,280  
information and man i think you just

1054  
00:36:39,190 --> 00:36:37,280  
tackled a very difficult subject and did

1055  
00:36:39,990 --> 00:36:39,200  
so with relentless integrity in my

1056  
00:36:41,430 --> 00:36:40,000  
opinion

1057  
00:36:43,670 --> 00:36:41,440  
i thought you put i thought you pulled

1058  
00:36:45,510 --> 00:36:43,680  
off the impossible um

1059  
00:36:46,950 --> 00:36:45,520  
connecting the dots with the smiley face

1060  
00:36:49,670 --> 00:36:46,960  
killers but

1061  
00:36:50,390 --> 00:36:49,680  
these 09a or the order of nine angle the

1062  
00:36:53,190 --> 00:36:50,400  
connections

1063  
00:36:54,150 --> 00:36:53,200

are beyond amazing their next level epic

1064

00:36:56,710 --> 00:36:54,160

contribution

1065

00:36:58,310 --> 00:36:56,720

everyone should definitely uh read it

1066

00:37:00,630 --> 00:36:58,320

just because it reminds us

1067

00:37:03,589 --> 00:37:00,640

of the true nature and the true evil

1068

00:37:05,829 --> 00:37:03,599

that actually still exists in the world

1069

00:37:07,430 --> 00:37:05,839

oh thanks i appreciate it it's got 482

1070

00:37:10,150 --> 00:37:07,440

footnotes so everything's referenced

1071

00:37:12,150 --> 00:37:10,160

it's not like i did anything fictional

1072

00:37:14,550 --> 00:37:12,160

it's all non-fiction it's all just from

1073

00:37:17,670 --> 00:37:14,560

other sources and their own writings

1074

00:37:19,510 --> 00:37:17,680

give them away so um i do

1075

00:37:21,670 --> 00:37:19,520

recommend people i mean i think i'm

1076

00:37:21,990 --> 00:37:21,680

pleased with this and i do think that

1077

00:37:24,550 --> 00:37:22,000

this

1078

00:37:27,829 --> 00:37:24,560

is out there it's hard to believe that

1079

00:37:30,630 --> 00:37:27,839

people would want to go back to nazism

1080

00:37:31,750 --> 00:37:30,640

so it's just these people are really

1081

00:37:33,510 --> 00:37:31,760

misguided and really

1082

00:37:35,270 --> 00:37:33,520

lethal i think they're very dangerous

1083

00:37:36,950 --> 00:37:35,280

people so you gotta really watch out

1084

00:37:39,109 --> 00:37:36,960

if these people are out there i don't

1085

00:37:40,550 --> 00:37:39,119

think there's a whole one but some of

1086

00:37:42,310 --> 00:37:40,560

these people who ended up dead

1087

00:37:44,550 --> 00:37:42,320

didn't know you know this poor kid

1088

00:37:48,069 --> 00:37:44,560

blamed blaze burdens time the parents of

1089

00:37:49,750 --> 00:37:48,079

gianpa killed so i think that it's okay

1090

00:37:50,870 --> 00:37:49,760

it's definitely i think this book uh

1091

00:37:53,670 --> 00:37:50,880

functions as a warning

1092

00:37:55,109 --> 00:37:53,680

don't let it happen to you your family

1093

00:37:57,270 --> 00:37:55,119

your children

1094

00:37:59,270 --> 00:37:57,280

yeah because it happens so swiftly you

1095

00:38:01,030 --> 00:37:59,280

can't say oh this is just a phase it

1096

00:38:02,390 --> 00:38:01,040

seems like by the time the phase starts

1097

00:38:03,829 --> 00:38:02,400

if you don't nip it in the bud it's

1098

00:38:07,510 --> 00:38:03,839

going to immediately turn

1099

00:38:09,190 --> 00:38:07,520

into this crazy thing that exists now

1100

00:38:10,630 --> 00:38:09,200

in the world i guess it always has and

1101

00:38:13,750 --> 00:38:10,640

it's just true evil

1102

00:38:15,510 --> 00:38:13,760

um where can for our listeners where's

1103

00:38:16,069 --> 00:38:15,520

the best place to purchase the book i

1104

00:38:18,230 --> 00:38:16,079

ordered

1105

00:38:19,589 --> 00:38:18,240

i mean it's i wish i could order it for

1106

00:38:21,109 --> 00:38:19,599

other people it's that good

1107

00:38:23,270 --> 00:38:21,119

where can they pick it up and where can

1108

00:38:25,109 --> 00:38:23,280

they keep up with everything that you're

1109

00:38:27,430 --> 00:38:25,119

doing

1110

00:38:28,550 --> 00:38:27,440

well i do post i kind of got rid of

1111

00:38:30,829 --> 00:38:28,560

facebook and twitter

1112

00:38:33,030 --> 00:38:30,839

you can find the book on my website

1113

00:38:35,990 --> 00:38:33,040

williamramseyinvestigates.com

1114

00:38:37,750 --> 00:38:36,000

and you can buy it on amazon it should

1115

00:38:39,750 --> 00:38:37,760

be available worldwide i've got some

1116

00:38:42,470 --> 00:38:39,760

good reviews so far

1117

00:38:44,230 --> 00:38:42,480

and uh i'm trying to post a lot more on

1118

00:38:45,750 --> 00:38:44,240

my patreon page under william ramsey

1119

00:38:47,030 --> 00:38:45,760

investigates so people want to go there

1120

00:38:49,030 --> 00:38:47,040

they can see some of the stuff that

1121

00:38:50,790 --> 00:38:49,040

didn't make it in the book there's a lot

1122

00:38:52,150 --> 00:38:50,800

that didn't make it into the book just

1123

00:38:54,790 --> 00:38:52,160

for time you know

1124

00:38:56,550 --> 00:38:54,800

time and space but i learned a lot about

1125

00:38:58,630 --> 00:38:56,560

the far right but i do think

1126

00:39:00,069 --> 00:38:58,640

that this version of the far right on a

1127

00:39:01,030 --> 00:39:00,079

is very important to people to

1128

00:39:03,430 --> 00:39:01,040

understand and

1129

00:39:05,270 --> 00:39:03,440

uh you want to see what's coming over

1130

00:39:08,150 --> 00:39:05,280

the horizon i think and this is

1131

00:39:10,150 --> 00:39:08,160

this might be one of those things so

1132

00:39:11,589 --> 00:39:10,160

much information and like you said also

1133

00:39:14,230 --> 00:39:11,599

well documented i can't

1134

00:39:15,270 --> 00:39:14,240

uh thank you enough for writing the book

1135

00:39:17,589 --> 00:39:15,280

the contribution

1136

00:39:19,190 --> 00:39:17,599

and making the time to chat with me and

1137

00:39:21,670 --> 00:39:19,200

tell others about it

1138

00:39:22,950 --> 00:39:21,680

uh i hope to talk to you again i hope in

1139

00:39:25,990 --> 00:39:22,960

the future and i hope everything's good

1140

00:39:27,349 --> 00:39:26,000

for you thanks for coming on william

1141

00:39:30,390 --> 00:39:27,359

thanks thanks man it's great to be with

1142

00:39:30,790 --> 00:39:30,400

you again take care man oh man he comes

1143

00:39:32,870 --> 00:39:30,800

through

1144

00:39:34,390 --> 00:39:32,880

every time if you have not checked out

1145

00:39:37,829 --> 00:39:34,400

the smiley face killers

1146

00:39:40,310 --> 00:39:37,839

it was mind-blowing and with

1147

00:39:41,990 --> 00:39:40,320

the global death cult this is a one-two

1148

00:39:45,109 --> 00:39:42,000

punch especially with possible

1149

00:39:46,069 --> 00:39:45,119

connections both of these are things

1150

00:39:48,069 --> 00:39:46,079

that uh

1151  
00:39:50,470 --> 00:39:48,079  
he has tackled as an investigative

1152  
00:39:52,710 --> 00:39:50,480  
journalist and i think he has just

1153  
00:39:53,670 --> 00:39:52,720  
reminded us all that there's true evil

1154  
00:39:56,069 --> 00:39:53,680  
out there and the

1155  
00:39:57,030 --> 00:39:56,079  
the lengths that they're willing to go

1156  
00:39:59,829 --> 00:39:57,040  
is is beyond

1157  
00:40:00,470 --> 00:39:59,839  
anything i can wrap my head around uh i

1158  
00:40:02,230 --> 00:40:00,480  
can't

1159  
00:40:04,230 --> 00:40:02,240  
i'm just honored that he came on

1160  
00:40:05,430 --> 00:40:04,240  
definitely recommend getting the book

1161  
00:40:08,150 --> 00:40:05,440  
it's on kindle

1162  
00:40:09,030 --> 00:40:08,160  
and it is uh offered in traditional

1163  
00:40:11,030 --> 00:40:09,040

style and

1164

00:40:13,430 --> 00:40:11,040

i got mine off amazon i got both they're

1165

00:40:15,190 --> 00:40:13,440

awesome highly recommend it and until

1166

00:40:15,990 --> 00:40:15,200

next time guys keep your eyes to the

1167

00:40:18,230 --> 00:40:16,000

skies

1168

00:40:36,710 --> 00:40:18,240

feet on the ground but don't forget to
