59
00:02:47,350 --> 00:02:45,760

will is going to talk about that and

61
00:02:52,229 --> 00:02:49,120
many other things coming up

62
00:02:55,110 --> 00:02:52,239
let's give him a call will hoffman

63
00:02:57,509 --> 00:02:55,120

welcome to the hero paranormal podcast

64

00:03:00,949 --> 00:02:57,519

hey will can you hear me okay

65

00:03:03,990 --> 00:03:00,959

i can hear you how are you doing ryan

66

00:03:06,790 --> 00:03:04,000

doing great man can't come doing great

67

00:03:08,149 --> 00:03:06,800

man can't complain just uh getting over

68

00:03:10,550 --> 00:03:08,159

this crazy

69

00:03:11,910 --> 00:03:10,560

situation that happened january 6th i

70

00:03:14,070 --> 00:03:11,920

mean i really i'm reeling

71

00:03:16,470 --> 00:03:14,080

how how have you been how how's your

72

00:03:19,110 --> 00:03:16,480

family how are things

73

00:03:20,229 --> 00:03:19,120

uh well you know we're we're good um

74

00:03:23,509 --> 00:03:20,239

family's good

75

00:03:24,789 --> 00:03:23,519

i think it was definitely eye opening

76

00:03:26,309 --> 00:03:24,799

for the family to

77

00:03:28,070 --> 00:03:26,319

to kind of see what happened yesterday

78

00:03:29,750 --> 00:03:28,080

to kind of see what has been going on

79

00:03:32,869 --> 00:03:29,760

this whole

80

00:03:34,630 --> 00:03:32,879

uh political season uh you know it's

81

00:03:37,750 --> 00:03:34,640

funny because my daughters

82

00:03:40,710 --> 00:03:37,760

are um you know

83

00:03:42,710 --> 00:03:40,720

pre-teen and teenager and they're just

84

00:03:46,149 --> 00:03:42,720

now kind of getting informed of what

85

00:03:47,030 --> 00:03:46,159

goes on in politics and having a father

86

00:03:49,030 --> 00:03:47,040

who

87

00:03:51,270 --> 00:03:49,040

you know just does nothing but watch

88

00:03:53,190 --> 00:03:51,280

politics and listen to politics and talk

89

00:03:54,630 --> 00:03:53,200

about politics

90

00:03:56,949 --> 00:03:54,640

you know they're they're starting to

91

00:03:59,509 --> 00:03:56,959

realize

92

00:04:03,030 --> 00:03:59,519

that the things that they're hearing and

93

00:04:05,190 --> 00:04:03,040

the things that are being said

94

00:04:06,949 --> 00:04:05,200

you know they're they're realizing

95

00:04:09,589 --> 00:04:06,959

they're seeing through it and saying

96

00:04:10,470 --> 00:04:09,599

even at their age things aren't right

97

00:04:12,229 --> 00:04:10,480

and

98

00:04:14,390 --> 00:04:12,239

the things that are being said aren't

99

00:04:17,509 --> 00:04:14,400

always true

100

00:04:20,150 --> 00:04:17,519

um you know with media with everything

101
00:04:22,150 --> 00:04:20,160
they they can see it at such a young age

102
00:04:26,710 --> 00:04:22,160
and it surprises me

103
00:04:29,830 --> 00:04:26,720
that so many people older people

104
00:04:32,629 --> 00:04:29,840
are so blinded by what they see

105
00:04:33,350 --> 00:04:32,639
in the mainstream media what they see in

106
00:04:37,670 --> 00:04:33,360
uh

107
00:04:40,710 --> 00:04:37,680
the news you know facebook twitter

108
00:04:42,230 --> 00:04:40,720
instagram even you know that's where a

109
00:04:45,350 --> 00:04:42,240
lot of people get their news from

110
00:04:48,070 --> 00:04:45,360
and it's it's crazy it's crazy

111
00:04:48,950 --> 00:04:48,080
to me but to answer your question the

112
00:04:51,749 --> 00:04:48,960
family's good

113
00:04:54,710 --> 00:04:51,759

everybody's good how are you doing as

114

00:04:57,430 --> 00:04:54,720

well as can be expected i can't complain

115

00:04:59,670 --> 00:04:57,440

fatherhood is awesome i'm drained all

116

00:05:01,510 --> 00:04:59,680

the time i'm constantly tired but it's

117

00:05:02,950 --> 00:05:01,520

like you get motivation from

118

00:05:04,950 --> 00:05:02,960

well you get motivation from like a

119

00:05:06,870 --> 00:05:04,960

divine area kind of like

120

00:05:08,310 --> 00:05:06,880

another area that i look to you for a

121

00:05:10,310 --> 00:05:08,320

lot of advice

122

00:05:12,550 --> 00:05:10,320

and that's another thing that i kind of

123

00:05:14,870 --> 00:05:12,560

talked about in the intro before

124

00:05:16,310 --> 00:05:14,880

i had you on is how you are a

125

00:05:19,350 --> 00:05:16,320

theological expert

126

00:05:20,469 --> 00:05:19,360

and an expert on mormon history and a

127

00:05:24,550 --> 00:05:20,479

published author

128

00:05:27,510 --> 00:05:24,560

among many other accomplishments and

129

00:05:29,270 --> 00:05:27,520

there's there's a lot to be said about

130

00:05:31,909 --> 00:05:29,280

all the wild

131

00:05:33,430 --> 00:05:31,919

stuff going on and how historically

132

00:05:35,110 --> 00:05:33,440

stuff like this doesn't happen

133

00:05:37,270 --> 00:05:35,120

quite often so we're living in amazing

134

00:05:40,230 --> 00:05:37,280

times

135

00:05:41,189 --> 00:05:40,240

yeah i mean and i i understand about the

136

00:05:44,150 --> 00:05:41,199

the parenthood

137

00:05:44,950 --> 00:05:44,160

thing being drained all the time it's

138

00:05:49,350 --> 00:05:44,960

it's

139

00:05:52,950 --> 00:05:49,360

you enough practice back in the day

140

00:05:56,390 --> 00:05:52,960

letting you uh babysit

141

00:05:59,749 --> 00:05:56,400

but yeah i mean right now we are

142

00:06:02,950 --> 00:05:59,759

we're living in a day and age where

143

00:06:04,230 --> 00:06:02,960

i mean who would have thought uh other

144

00:06:07,110 --> 00:06:04,240

than what we saw

145

00:06:07,670 --> 00:06:07,120

in what olympus has fallen and stuff

146

00:06:16,790 --> 00:06:07,680

like that

147

00:06:19,830 --> 00:06:16,800

could take over the capitol building

148

00:06:20,710 --> 00:06:19,840

um you know as i'm sitting there

149

00:06:23,590 --> 00:06:20,720

watching it

150

00:06:25,510 --> 00:06:23,600

uh i was at work i was at at the church

151

00:06:28,469 --> 00:06:25,520

in my office

152

00:06:29,430 --> 00:06:28,479

and like i i just had my laptop up i'm

153

00:06:32,710 --> 00:06:29,440

watching

154

00:06:33,590 --> 00:06:32,720

you know fox news and i'm seeing all

155

00:06:37,510 --> 00:06:33,600

this stuff

156

00:06:41,670 --> 00:06:37,520

and i'm thinking it's happened

157

00:06:45,749 --> 00:06:41,680

um like my my

158

00:06:48,870 --> 00:06:45,759

craziest scenario is happening

159

00:06:52,950 --> 00:06:48,880

people are storming

160

00:06:55,110 --> 00:06:52,960

the capital and again i

161

00:06:56,309 --> 00:06:55,120

you know i'm sure we'll get into you

162

00:06:57,990 --> 00:06:56,319

know

163

00:07:00,150 --> 00:06:58,000

who all stormed the capital what our

164

00:07:02,309 --> 00:07:00,160

thoughts are on about that

165

00:07:03,830 --> 00:07:02,319

but this is something that's not

166

00:07:07,350 --> 00:07:03,840

supposed to happen

167

00:07:09,189 --> 00:07:07,360

in our country um there hasn't been

168

00:07:12,150 --> 00:07:09,199

unrest like this

169

00:07:14,070 --> 00:07:12,160

i mean you know and we have to be honest

170

00:07:17,510 --> 00:07:14,080

uh one of my biggest things right now is

171

00:07:20,469 --> 00:07:17,520

being inconsistent

172

00:07:21,350 --> 00:07:20,479

of what we talk about with you know the

173

00:07:23,670 --> 00:07:21,360

riots and

174

00:07:25,749 --> 00:07:23,680

violence and stuff like that you know

175

00:07:26,230 --> 00:07:25,759

we've we've been having riots now since

176

00:07:30,070 --> 00:07:26,240

what

177

00:07:30,469 --> 00:07:30,080

um may pretty much every night there's

178

00:07:39,270 --> 00:07:30,479

been

179

00:07:43,029 --> 00:07:39,280

and you can even take that further back

180

00:07:46,550 --> 00:07:43,039

up to ferguson ferguson missouri

181

00:07:48,550 --> 00:07:46,560

um where really you know you had the

182

00:07:51,110 --> 00:07:48,560

call burn it down

183

00:07:52,950 --> 00:07:51,120

and they started burning down their

184

00:07:55,589 --> 00:07:52,960

neighborhood they started burgundy down

185

00:07:58,790 --> 00:07:55,599

surrounding neighborhoods

186

00:08:02,309 --> 00:07:58,800

uh just almost i mean i think it's

187

00:08:02,950 --> 00:08:02,319

you know if you subscribe to anarchy

188

00:08:06,390 --> 00:08:02,960

this is

189

00:08:09,189 --> 00:08:06,400

your fantasy um

190

00:08:10,390 --> 00:08:09,199

but now we saw it yesterday on a

191

00:08:12,710 --> 00:08:10,400

different level

192

00:08:14,150 --> 00:08:12,720

with a completely different group of

193

00:08:17,830 --> 00:08:14,160

people

194

00:08:20,950 --> 00:08:17,840

with what i believe is also some some

195

00:08:23,990 --> 00:08:20,960

actors leading the charge that

196

00:08:26,150 --> 00:08:24,000

wasn't really representing who they said

197

00:08:29,110 --> 00:08:26,160

they were representing

198

00:08:30,550 --> 00:08:29,120

but it's yeah i mean what did you think

199

00:08:31,589 --> 00:08:30,560

when you saw this what did you think

200

00:08:38,870 --> 00:08:31,599

when you

201
00:08:41,990 --> 00:08:38,880
i was super disappointed depressed

202
00:08:45,269 --> 00:08:42,000
but more than anything uh worried

203
00:08:47,269 --> 00:08:45,279
because the crazy oh what was his name

204
00:08:50,550 --> 00:08:47,279
the guy with the horns on his head q

205
00:08:53,110 --> 00:08:50,560
shaman and you know i

206
00:08:53,670 --> 00:08:53,120
am like everyone i'm interested in

207
00:08:55,509 --> 00:08:53,680
things

208
00:08:58,550 --> 00:08:55,519
that are interesting and q is

209
00:09:01,910 --> 00:08:58,560
interesting and q is something that

210
00:09:03,910 --> 00:09:01,920
is got a lot of interest lately and

211
00:09:06,070 --> 00:09:03,920
p some people go overboard with it

212
00:09:08,790 --> 00:09:06,080
others don't take it seriously at all

213
00:09:09,990 --> 00:09:08,800

some like myself and yourself are kind

214

00:09:13,670 --> 00:09:10,000

of like oh wow this is

215

00:09:16,870 --> 00:09:13,680

this is interesting so it is uh

216

00:09:19,829 --> 00:09:16,880

it's an enigma but that prophesized

217

00:09:20,630 --> 00:09:19,839

that sure enough there would be a breach

218

00:09:23,269 --> 00:09:20,640

of government

219

00:09:24,790 --> 00:09:23,279

and a coup and that basically like you

220

00:09:25,750 --> 00:09:24,800

said olympus would fall that there would

221

00:09:29,430 --> 00:09:25,760

be

222

00:09:31,350 --> 00:09:29,440

stupid way

223

00:09:32,710 --> 00:09:31,360

i mean these guys just kind of tickled

224

00:09:35,430 --> 00:09:32,720

their way in

225

00:09:36,630 --> 00:09:35,440

with the big smiles and grins and it

226

00:09:38,790 --> 00:09:36,640

seems like

227

00:09:40,710 --> 00:09:38,800

secret service just let him in now i

228

00:09:44,389 --> 00:09:40,720

don't think that's possible will

229

00:09:47,910 --> 00:09:44,399

and maybe it's just me

230

00:09:50,630 --> 00:09:47,920

but in my opinion i think

231

00:09:52,470 --> 00:09:50,640

uh somebody let him in something

232

00:09:54,550 --> 00:09:52,480

happened something went wrong

233

00:09:55,750 --> 00:09:54,560

i i feel like i'm just taking over the

234

00:09:59,990 --> 00:09:55,760

show i don't want to do that

235

00:10:01,350 --> 00:10:00,000

for you dude you said it you

236

00:10:02,949 --> 00:10:01,360

hey just because you got more

237

00:10:03,430 --> 00:10:02,959

information and knowledge about it than

238

00:10:07,750 --> 00:10:03,440

me

239

00:10:11,030 --> 00:10:07,760

that's why you're on

240

00:10:14,069 --> 00:10:11,040

so weird and everybody that

241

00:10:17,110 --> 00:10:14,079

could seemed like they have been

242

00:10:18,790 --> 00:10:17,120

uh well like pence it just seems like

243

00:10:20,389 --> 00:10:18,800

everybody's trying to pick the winning

244

00:10:23,430 --> 00:10:20,399

side they don't know

245

00:10:26,630 --> 00:10:23,440

what to you know what to do and uh

246

00:10:29,350 --> 00:10:26,640

even it's even crazy

247

00:10:30,389 --> 00:10:29,360

i i mean people are looking at pressing

248

00:10:32,310 --> 00:10:30,399

charges against

249

00:10:33,750 --> 00:10:32,320

everybody and anybody that had any

250

00:10:35,990 --> 00:10:33,760

relation to anything

251
00:10:37,590 --> 00:10:36,000
even the security officers which i think

252
00:10:40,150 --> 00:10:37,600
is wrong but

253
00:10:41,509 --> 00:10:40,160
even in the world the uh oh i'm sorry

254
00:10:43,590 --> 00:10:41,519
the iraqi president

255
00:10:45,030 --> 00:10:43,600
issued an arrest warrant today for

256
00:10:48,389 --> 00:10:45,040
donald trump like

257
00:10:51,590 --> 00:10:48,399
oh this is the time well

258
00:10:55,829 --> 00:10:53,910
i really hope because everything that

259
00:10:58,870 --> 00:10:55,839
has happened and i was talking with a

260
00:11:00,870 --> 00:10:58,880
buddy last night as the

261
00:11:02,310 --> 00:11:00,880
as the votes started going back on and

262
00:11:05,430 --> 00:11:02,320
they just suspended

263
00:11:08,470 --> 00:11:05,440

uh trump's account on twitter

264

00:11:12,310 --> 00:11:08,480

and and he's a very liberal guy

265

00:11:14,150 --> 00:11:12,320

um you know we we argued back and forth

266

00:11:17,269 --> 00:11:14,160

about you know uh

267

00:11:18,870 --> 00:11:17,279

why he should vote for for trump and why

268

00:11:20,710 --> 00:11:18,880

and he always was telling me why he's

269

00:11:23,750 --> 00:11:20,720

gonna vote for biden which was just

270

00:11:26,870 --> 00:11:23,760

basically orange man bad

271

00:11:27,430 --> 00:11:26,880

but you know he he talked about oh they

272

00:11:30,230 --> 00:11:27,440

finally

273

00:11:31,670 --> 00:11:30,240

suspended his account and i said i said

274

00:11:34,949 --> 00:11:31,680

you know right now

275

00:11:37,190 --> 00:11:34,959

you know mark zuckerberg um all other

276

00:11:39,110 --> 00:11:37,200

you know social media stuff you know

277

00:11:42,150 --> 00:11:39,120

jack dorsey

278

00:11:45,269 --> 00:11:42,160

um they're literally starting to throw

279

00:11:47,750 --> 00:11:45,279

gas on the fire something's not right

280

00:11:49,269 --> 00:11:47,760

and i would like to know what's going on

281

00:11:51,190 --> 00:11:49,279

well we're not going to tell you get

282

00:11:53,430 --> 00:11:51,200

over it you lost

283

00:11:54,790 --> 00:11:53,440

i'm not going to put all the all the

284

00:11:56,470 --> 00:11:54,800

blame on you know

285

00:11:58,470 --> 00:11:56,480

most of the trump supporters because

286

00:12:00,550 --> 00:11:58,480

again i don't think

287

00:12:02,550 --> 00:12:00,560

you know i personally believe that there

288

00:12:06,790 --> 00:12:02,560

was a lot of

289

00:12:08,829 --> 00:12:06,800

uh interference from outside sources

290

00:12:10,230 --> 00:12:08,839

disguising themselves as trump

291

00:12:13,350 --> 00:12:10,240

supporters

292

00:12:17,269 --> 00:12:13,360

um but all they needed to do

293

00:12:18,870 --> 00:12:17,279

was get get a few followers and then the

294

00:12:23,030 --> 00:12:18,880

rest would come

295

00:12:24,310 --> 00:12:23,040

yeah and man i it's interesting to see

296

00:12:26,310 --> 00:12:24,320

what's going to happen tomorrow

297

00:12:27,509 --> 00:12:26,320

it's interesting to see what is going

298

00:12:29,509 --> 00:12:27,519

what we're going to wake up

299

00:12:31,670 --> 00:12:29,519

and see and what the news is going to

300

00:12:33,910 --> 00:12:31,680

say especially going into the weekend

301

00:12:36,230 --> 00:12:33,920

um i wanted to ask you speaking of

302

00:12:37,990 --> 00:12:36,240

riches and trump and how everything is

303

00:12:39,910 --> 00:12:38,000

just kind of he's the trump card i don't

304

00:12:41,590 --> 00:12:39,920

know where this is going to go from here

305

00:12:43,110 --> 00:12:41,600

but i hope like you said we wake up and

306

00:12:44,629 --> 00:12:43,120

it's a better day tomorrow

307

00:12:46,230 --> 00:12:44,639

but i wanted to ask you something that

308

00:12:49,190 --> 00:12:46,240

you're kind of an expert

309

00:12:50,870 --> 00:12:49,200

of and i recently did a podcast

310

00:12:53,829 --> 00:12:50,880

regarding a

311

00:12:56,230 --> 00:12:53,839

ranch in la pointe utah you know north

312

00:12:59,990 --> 00:12:56,240

of 40 there you know the area well

313

00:13:01,430 --> 00:13:00,000

and you know close to gl2 and

314

00:13:05,430 --> 00:13:01,440

which i think you're the only other

315

00:13:08,629 --> 00:13:05,440

person alive that knows where it is

316

00:13:09,829 --> 00:13:08,639

i i do and although i've actually tried

317

00:13:12,790 --> 00:13:09,839

to give people

318

00:13:14,150 --> 00:13:12,800

driving and instructions to get there

319

00:13:16,230 --> 00:13:14,160

they got lost

320

00:13:17,269 --> 00:13:16,240

it's hard to get there it's not as easy

321

00:13:19,990 --> 00:13:17,279

as it appears

322

00:13:21,590 --> 00:13:20,000

but like to tap into your info and your

323

00:13:22,470 --> 00:13:21,600

knowledge and your intellect here for a

324

00:13:24,949 --> 00:13:22,480

sec will

325

00:13:25,829 --> 00:13:24,959

i want to talk about mormon history a

326

00:13:29,269 --> 00:13:25,839

bit

327

00:13:31,829 --> 00:13:29,279

and 1800s mormon gold

328

00:13:33,269 --> 00:13:31,839

and some of the interesting things that

329

00:13:36,069 --> 00:13:33,279

you have found

330

00:13:36,949 --> 00:13:36,079

regarding high strangeness mormons

331

00:13:39,590 --> 00:13:36,959

treasure

332

00:13:41,829 --> 00:13:39,600

um because the blind frog ranch episode

333

00:13:43,670 --> 00:13:41,839

it's a ranch there north of 40 i know

334

00:13:45,910 --> 00:13:43,680

you know all about it but

335

00:13:46,949 --> 00:13:45,920

rumored treasure a lot like a lot of the

336

00:13:48,310 --> 00:13:46,959

properties and

337

00:13:51,030 --> 00:13:48,320

you know there were mountain men in the

338

00:13:51,910 --> 00:13:51,040

area and lots of gold miners we know

339

00:13:53,590 --> 00:13:51,920

people

340

00:13:54,949 --> 00:13:53,600

having been in the basin i mean this is

341

00:13:57,509 --> 00:13:54,959

kind of a thing that people do

342

00:13:58,949 --> 00:13:57,519

people just do this but oh yeah can you

343

00:14:00,470 --> 00:13:58,959

tell us some of the interesting things

344

00:14:01,269 --> 00:14:00,480

that you have found just talking to

345

00:14:03,829 --> 00:14:01,279

people or

346

00:14:07,670 --> 00:14:03,839

in your research regarding mormon gold

347

00:14:10,069 --> 00:14:07,680

high strangeness ufos etc

348

00:14:11,509 --> 00:14:10,079

well it i mean i think this all goes

349

00:14:13,990 --> 00:14:11,519

back to

350

00:14:14,790 --> 00:14:14,000

um and you know i'll be honest i have

351
00:14:17,750 --> 00:14:14,800
never been

352
00:14:20,949 --> 00:14:17,760
asked a question quite like that but i

353
00:14:24,629 --> 00:14:20,959
think it goes back to

354
00:14:26,150 --> 00:14:24,639
you know a lot of you know even even how

355
00:14:28,150 --> 00:14:26,160
joseph smith

356
00:14:29,509 --> 00:14:28,160
was was brought up by his dad i mean

357
00:14:32,870 --> 00:14:29,519
they were

358
00:14:36,150 --> 00:14:32,880
treasure seekers

359
00:14:38,310 --> 00:14:36,160
they would go out and they would uh

360
00:14:39,590 --> 00:14:38,320
pretty much go up to a door of a farm

361
00:14:41,430 --> 00:14:39,600
house and

362
00:14:43,590 --> 00:14:41,440
say you know we had this vision that

363
00:14:44,069 --> 00:14:43,600

there's a treasure hidden out in your

364

00:14:45,990 --> 00:14:44,079

field

365

00:14:47,590 --> 00:14:46,000

and if you would let us go dig out there

366

00:14:49,189 --> 00:14:47,600

we'll we'll

367

00:14:51,990 --> 00:14:49,199

see what we can find and we'll cut you

368

00:14:55,910 --> 00:14:52,000

in and he would basically get down

369

00:14:58,870 --> 00:14:55,920

dolly what are they called dowing rods

370

00:15:00,470 --> 00:14:58,880

and he would walk out and he would you

371

00:15:03,590 --> 00:15:00,480

know pretty much

372

00:15:04,629 --> 00:15:03,600

walk around these people feel their

373

00:15:07,350 --> 00:15:04,639

fields and

374

00:15:07,750 --> 00:15:07,360

you know try to get them to chip in to

375

00:15:09,990 --> 00:15:07,760

buy

376

00:15:13,269 --> 00:15:10,000

shovels and stuff like that to go dig

377

00:15:16,069 --> 00:15:13,279

for gold and

378

00:15:18,069 --> 00:15:16,079

um you know a lot of the time he never

379

00:15:21,269 --> 00:15:18,079

found anything he found pieces of glass

380

00:15:23,269 --> 00:15:21,279

found you know others you know

381

00:15:26,389 --> 00:15:23,279

stones that he thought were crystals and

382

00:15:28,470 --> 00:15:26,399

they ended up not being

383

00:15:30,310 --> 00:15:28,480

but this was that whole kind of mindset

384

00:15:32,069 --> 00:15:30,320

of he would go places and

385

00:15:33,910 --> 00:15:32,079

he would point to things and say okay

386

00:15:36,230 --> 00:15:33,920

guys you know we're gonna go

387

00:15:38,069 --> 00:15:36,240

to this place because it's gonna it's

388

00:15:40,790 --> 00:15:38,079

gonna be great it's gonna be

389

00:15:42,629 --> 00:15:40,800

um you know magical the the water the

390

00:15:44,069 --> 00:15:42,639

land's gonna be perfect we're gonna find

391

00:15:45,350 --> 00:15:44,079

treasures and we're gonna do all this

392

00:15:48,069 --> 00:15:45,360

stuff

393

00:15:49,110 --> 00:15:48,079

and they would get to places and dig and

394

00:15:51,829 --> 00:15:49,120

do stuff and

395

00:15:53,749 --> 00:15:51,839

wouldn't find anything and a lot of

396

00:15:57,350 --> 00:15:53,759

transitioned

397

00:16:00,790 --> 00:15:57,360

into you know going out into

398

00:16:02,310 --> 00:16:00,800

you know into utah and having this

399

00:16:04,389 --> 00:16:02,320

mindset of

400

00:16:06,310 --> 00:16:04,399

well we we can find stuff too and we can

401
00:16:08,870 --> 00:16:06,320
try to find gold we can try to find

402
00:16:09,990 --> 00:16:08,880
treasure and we can try to find this and

403
00:16:11,670 --> 00:16:10,000
that and

404
00:16:13,829 --> 00:16:11,680
you know maybe stumbling across

405
00:16:15,430 --> 00:16:13,839
something of uh you know native american

406
00:16:16,069 --> 00:16:15,440
jewelry and sitting there thinking to

407
00:16:19,509 --> 00:16:16,079
themselves

408
00:16:22,550 --> 00:16:19,519
hey i found some treasure

409
00:16:24,949 --> 00:16:22,560
i mean them getting new utah was

410
00:16:27,269 --> 00:16:24,959
completely about

411
00:16:29,910 --> 00:16:27,279
them getting to california or getting to

412
00:16:34,629 --> 00:16:29,920
the west coast

413
00:16:36,949 --> 00:16:34,639

you know and then struggling to survive

414

00:16:38,230 --> 00:16:36,959

so a lot of people were also trying to

415

00:16:40,870 --> 00:16:38,240

look for hey we

416

00:16:42,710 --> 00:16:40,880

we need we need money to survive so we

417

00:16:43,430 --> 00:16:42,720

can trade with people or we need things

418

00:16:47,189 --> 00:16:43,440

to

419

00:16:49,990 --> 00:16:47,199

something

420

00:16:50,870 --> 00:16:50,000

because well you know you know the salt

421

00:16:53,269 --> 00:16:50,880

lake area when

422

00:16:54,470 --> 00:16:53,279

when they got to the salt flax flats and

423

00:16:57,670 --> 00:16:54,480

they started to

424

00:16:59,829 --> 00:16:57,680

to plant stuff nothing grew because

425

00:17:00,870 --> 00:16:59,839

it it's all salt water they thought they

426
00:17:03,990 --> 00:17:00,880
were at the ocean

427
00:17:06,230 --> 00:17:04,000
and they were wrong um

428
00:17:07,510 --> 00:17:06,240
so they were in desperate times they

429
00:17:09,669 --> 00:17:07,520
were trying to find

430
00:17:10,549 --> 00:17:09,679
you know anything they could to barter

431
00:17:16,390 --> 00:17:10,559
to

432
00:17:19,029 --> 00:17:16,400
even using these tactics that joseph

433
00:17:19,669 --> 00:17:19,039
smith used to say hey i can go find this

434
00:17:21,669 --> 00:17:19,679
or

435
00:17:22,710 --> 00:17:21,679
you know possibly even brigham young

436
00:17:24,870 --> 00:17:22,720
saying hey

437
00:17:27,429 --> 00:17:24,880
if you you know you go dig over here you

438
00:17:31,029 --> 00:17:27,439

know you might find something

439

00:17:31,990 --> 00:17:31,039

there's a i mean i i remember some of

440

00:17:35,270 --> 00:17:32,000

the stories that we

441

00:17:38,310 --> 00:17:35,280

heard about you know

442

00:17:39,750 --> 00:17:38,320

the whole idea of even gl2 where

443

00:17:41,350 --> 00:17:39,760

you know people are just buying stuff

444

00:17:43,270 --> 00:17:41,360

for gold yeah

445

00:17:46,230 --> 00:17:43,280

it's like how does this happen you know

446

00:17:48,230 --> 00:17:46,240

where where do you get this stuff at

447

00:17:50,230 --> 00:17:48,240

but man we we had some interesting

448

00:17:52,630 --> 00:17:50,240

nights out at that place

449

00:17:53,590 --> 00:17:52,640

i was gonna just delve into that next

450

00:17:56,150 --> 00:17:53,600

thing

451
00:17:59,590 --> 00:17:56,160
that very next so your mind reader no

452
00:18:02,789 --> 00:18:02,310
yeah some of the high strangeness that

453
00:18:05,270 --> 00:18:02,799
we

454
00:18:07,510 --> 00:18:05,280
endured living in the uinta basin which

455
00:18:09,510 --> 00:18:07,520
actually we craved and followed and

456
00:18:10,710 --> 00:18:09,520
drank way too many red bulls and stayed

457
00:18:14,070 --> 00:18:10,720
up all night looking for

458
00:18:16,549 --> 00:18:14,080
but you know it was all in good fun and

459
00:18:18,470 --> 00:18:16,559
incredibly you know you and i kind of

460
00:18:21,190 --> 00:18:18,480
take it the same way

461
00:18:22,390 --> 00:18:21,200
that you know if something out there

462
00:18:25,590 --> 00:18:22,400
exists

463
00:18:28,710 --> 00:18:25,600

that is purported not to exist

464

00:18:31,830 --> 00:18:28,720

it's just possibly uh

465

00:18:32,230 --> 00:18:31,840

you know a tap on the shoulder that hey

466

00:18:41,430 --> 00:18:32,240

there's

467

00:18:42,710 --> 00:18:41,440

in in my opinion kind of a spiritual tap

468

00:18:45,750 --> 00:18:42,720

on the shoulder but

469

00:18:48,070 --> 00:18:45,760

we had some pretty amazing nights and

470

00:18:49,270 --> 00:18:48,080

one of those was in the winter time and

471

00:18:51,190 --> 00:18:49,280

i remember we were

472

00:18:52,710 --> 00:18:51,200

playing xbox it was late and we were

473

00:18:54,710 --> 00:18:52,720

going to just give

474

00:18:56,390 --> 00:18:54,720

actually give it a full night of playing

475

00:18:59,190 --> 00:18:56,400

xbox and

476

00:19:02,390 --> 00:18:59,200

the you know i remember that we were

477

00:19:05,270 --> 00:19:02,400

talking we started talking cryptozoology

478

00:19:06,070 --> 00:19:05,280

and yeah we knew a spot and we just went

479

00:19:07,669 --> 00:19:06,080

for it

480

00:19:09,510 --> 00:19:07,679

oh i know exactly what you're talking

481

00:19:12,150 --> 00:19:09,520

about

482

00:19:15,830 --> 00:19:12,160

take me there man because oh my gosh

483

00:19:20,390 --> 00:19:19,190

okay so yeah we're we're we're hanging

484

00:19:23,830 --> 00:19:20,400

out

485

00:19:25,750 --> 00:19:23,840

we're we're playing xbox

486

00:19:27,430 --> 00:19:25,760

and you know i i don't know the whole

487

00:19:29,270 --> 00:19:27,440

scenario why why we're just kind of

488

00:19:32,870 --> 00:19:29,280

hanging out your place and playing

489

00:19:35,190 --> 00:19:32,880

playing xbox but we were like all right

490

00:19:36,630 --> 00:19:35,200

you know let's let's go let's go search

491

00:19:39,430 --> 00:19:36,640

for a big foot

492

00:19:40,470 --> 00:19:39,440

yeah we talked about doing it we talked

493

00:19:42,789 --> 00:19:40,480

about going up

494

00:19:44,150 --> 00:19:42,799

and uh you'll probably have to remind me

495

00:19:46,549 --> 00:19:44,160

of the the areas

496

00:19:47,909 --> 00:19:46,559

are that that canyon or that road right

497

00:19:51,830 --> 00:19:47,919

better if we don't mention it

498

00:19:53,430 --> 00:19:51,840

no what what was it something

499

00:19:56,070 --> 00:19:53,440

yeah yeah yeah we don't have to mention

500

00:19:59,830 --> 00:19:56,080

where it's such

501
00:20:03,190 --> 00:19:59,840
yeah maybe we shouldn't but uh um

502
00:20:05,270 --> 00:20:03,200
so yeah we just we get in your uh

503
00:20:07,190 --> 00:20:05,280
your truck we drive out there and we're

504
00:20:11,029 --> 00:20:07,200
not prepared at all

505
00:20:15,110 --> 00:20:11,039
um like we got very light coats on and

506
00:20:19,110 --> 00:20:15,120
if i remember right i thought it was

507
00:20:22,070 --> 00:20:19,120
i mean it wasn't quite winner winner

508
00:20:22,789 --> 00:20:22,080
and i mean you know living in utah you

509
00:20:25,669 --> 00:20:22,799
you know

510
00:20:26,870 --> 00:20:25,679
it gets cold very long well it wasn't

511
00:20:31,270 --> 00:20:26,880
winter winter where

512
00:20:34,549 --> 00:20:31,280
we were at but where we ended up it was

513
00:20:37,669 --> 00:20:34,559

yeah because we were what about uh

514

00:20:39,029 --> 00:20:37,679

about 9 000 feet up or something like

515

00:20:41,029 --> 00:20:39,039

that

516

00:20:42,230 --> 00:20:41,039

above sea level and it just started

517

00:20:45,029 --> 00:20:42,240

snowing

518

00:20:46,070 --> 00:20:45,039

heavy on us and i mean wearing light

519

00:20:49,510 --> 00:20:46,080

jackets

520

00:20:53,990 --> 00:20:49,520

uh i got tennis shoes on

521

00:20:57,590 --> 00:20:54,000

um and we just start hiking out

522

00:21:00,830 --> 00:20:57,600

and i mean just i mean the mood is right

523

00:21:02,630 --> 00:21:00,840

the moon is out perfect the snow is

524

00:21:06,390 --> 00:21:02,640

falling

525

00:21:10,470 --> 00:21:06,400

and then we decide hey let's

526

00:21:14,789 --> 00:21:10,480

let's set up this this light

527

00:21:18,630 --> 00:21:14,799

this flashlight up on a tree

528

00:21:20,630 --> 00:21:18,640

i mean very like the branch was

529

00:21:21,750 --> 00:21:20,640

pretty much broken there was just a nub

530

00:21:25,430 --> 00:21:21,760

left in the tree we

531

00:21:28,630 --> 00:21:25,440

we kind of situated it there and we went

532

00:21:31,669 --> 00:21:28,640

back and we we were like hiding um

533

00:21:33,350 --> 00:21:31,679

trying to do our best in our you know

534

00:21:35,350 --> 00:21:33,360

to stay warm and everything just

535

00:21:39,510 --> 00:21:35,360

watching this light

536

00:21:41,430 --> 00:21:39,520

and i kid you not oh okay

537

00:21:42,710 --> 00:21:41,440

it still gives me goosebumps i do

538

00:21:45,270 --> 00:21:42,720

because

539

00:21:47,510 --> 00:21:45,280

it's so hard to explain i know this i

540

00:21:50,470 --> 00:21:47,520

know this

541

00:21:52,149 --> 00:21:50,480

but we could have not made it out of

542

00:21:55,990 --> 00:21:52,159

this situation alive

543

00:21:58,549 --> 00:21:56,000

no um no way we're sitting there

544

00:21:59,669 --> 00:21:58,559

watching this light it's not doing

545

00:22:02,390 --> 00:21:59,679

anything

546

00:22:02,870 --> 00:22:02,400

and then all of a sudden we see this

547

00:22:05,990 --> 00:22:02,880

like

548

00:22:09,750 --> 00:22:06,000

of the snow

549

00:22:12,230 --> 00:22:09,760

just twisted up on the light

550

00:22:13,590 --> 00:22:12,240

like like and i mean there was wasn't

551
00:22:16,789 --> 00:22:13,600
really a breeze

552
00:22:19,590 --> 00:22:16,799
i i don't remember a breeze at all nope

553
00:22:20,710 --> 00:22:19,600
but we just saw this like almost like

554
00:22:24,630 --> 00:22:20,720
the steam

555
00:22:27,909 --> 00:22:24,640
or yes something steamer snow

556
00:22:28,549 --> 00:22:27,919
kind of twist up in the light and then

557
00:22:32,950 --> 00:22:28,559
the light

558
00:22:35,830 --> 00:22:32,960
literally moved and fell off that

559
00:22:37,590 --> 00:22:35,840
uh that tree limb that broken tree limb

560
00:22:41,270 --> 00:22:37,600
and hit the ground

561
00:22:43,830 --> 00:22:41,280
and both you and i are crouched down

562
00:22:46,149 --> 00:22:43,840
we're crouched down looking at this

563
00:22:48,390 --> 00:22:46,159

looking at each other

564

00:22:56,549 --> 00:22:48,400
like freaking out and then all of a

565

00:23:04,149 --> 00:23:00,549
and i i i seriously thought

566

00:23:08,230 --> 00:23:04,159
that was going to be it we didn't

567

00:23:12,149 --> 00:23:08,240
turn we froze

568

00:23:16,549 --> 00:23:12,159
we said a little prayer and we waited

569

00:23:19,190 --> 00:23:16,559
we i waited for the end to come

570

00:23:21,110 --> 00:23:19,200
i mean am i getting this story like am i

571

00:23:24,870 --> 00:23:21,120
remembering it correctly

572

00:23:25,350 --> 00:23:24,880
100 man because i remember when we heard

573

00:23:29,029 --> 00:23:25,360
that

574

00:23:31,430 --> 00:23:29,039
deep growl behind us i was like

575

00:23:32,549 --> 00:23:31,440
oh no way that thing knocked the light

576
00:23:34,710 --> 00:23:32,559
out of the tree

577
00:23:36,710 --> 00:23:34,720
and just to go back like that it had one

578
00:23:38,230 --> 00:23:36,720
of those little loops or nylon loops

579
00:23:41,430 --> 00:23:38,240
this light did

580
00:23:45,269 --> 00:23:41,440
and we put that nylon loop on a very

581
00:23:47,190 --> 00:23:45,279
abrasive scraggly sappy pine tree

582
00:23:48,549 --> 00:23:47,200
busted like you said branch which it

583
00:23:51,190 --> 00:23:48,559
should stick really well

584
00:23:51,590 --> 00:23:51,200
like no matter what and oh yeah that

585
00:23:54,710 --> 00:23:51,600
little

586
00:23:57,750 --> 00:23:54,720
a good

587
00:23:59,510 --> 00:23:57,760
what two three inches yeah i mean they

588
00:24:01,830 --> 00:23:59,520

have plenty to hold on to

589

00:24:03,430 --> 00:24:01,840

yeah it shouldn't go anywhere it was

590

00:24:06,630 --> 00:24:03,440

weird and then

591

00:24:07,990 --> 00:24:06,640

when you know and if it flew off we both

592

00:24:09,190 --> 00:24:08,000

kind of looked at each other like whoa

593

00:24:12,789 --> 00:24:09,200

we gasped

594

00:24:14,789 --> 00:24:12,799

and in no time there was just this deep

595

00:24:16,310 --> 00:24:14,799

i was going to say the same thing a deep

596

00:24:18,789 --> 00:24:16,320

growl

597

00:24:19,669 --> 00:24:18,799

and it was so close behind us that

598

00:24:22,789 --> 00:24:19,679

neither of us

599

00:24:24,310 --> 00:24:22,799

turned and i don't know how we did it i

600

00:24:26,230 --> 00:24:24,320

said i think i said what do we do pray

601
00:24:28,230 --> 00:24:26,240
like i just figured we were gonna die

602
00:24:29,430 --> 00:24:28,240
and so you're like yeah and i mean i

603
00:24:30,470 --> 00:24:29,440
just thought we were gonna die at that

604
00:24:31,909 --> 00:24:30,480
point

605
00:24:33,510 --> 00:24:31,919
oh yeah i thought we were done i i

606
00:24:34,870 --> 00:24:33,520
thought like

607
00:24:36,549 --> 00:24:34,880
it was going to end up being morning

608
00:24:38,710 --> 00:24:36,559
time my wife was going to wake up and be

609
00:24:41,669 --> 00:24:38,720
like uh

610
00:24:43,590 --> 00:24:41,679
where's my husband and she knew i was

611
00:24:46,549 --> 00:24:43,600
over your house and then

612
00:24:48,149 --> 00:24:46,559
no one knew where we were at no way man

613
00:24:49,750 --> 00:24:48,159

i mean this would have been like we got

614

00:24:51,990 --> 00:24:49,760

eaten by wolves and yeah

615

00:24:53,830 --> 00:24:52,000

pieces of extraction tell anybody where

616

00:24:57,269 --> 00:24:53,840

we were no one knew where we were

617

00:24:58,950 --> 00:24:57,279

at yep but yeah i i mean i heard that

618

00:25:01,590 --> 00:24:58,960

noise

619

00:25:03,909 --> 00:25:01,600

and i thought to myself we're we're

620

00:25:05,669 --> 00:25:03,919

toast we're done

621

00:25:07,269 --> 00:25:05,679

and that's why i didn't turn around

622

00:25:10,390 --> 00:25:07,279

because your first instinct

623

00:25:13,990 --> 00:25:10,400

when you hear something like that is to

624

00:25:16,310 --> 00:25:14,000

turn around because there's danger um

625

00:25:17,269 --> 00:25:16,320

to see what's about ready to attack you

626

00:25:21,029 --> 00:25:17,279

but i was

627

00:25:23,669 --> 00:25:21,039

so scared and assumed

628

00:25:24,549 --> 00:25:23,679

like next is almost that thing where

629

00:25:26,710 --> 00:25:24,559

you're sitting there

630

00:25:27,990 --> 00:25:26,720

and then everything goes black because

631

00:25:31,350 --> 00:25:28,000

something whacked you upside

632

00:25:34,870 --> 00:25:31,360

the head i thought that was coming

633

00:25:37,909 --> 00:25:34,880

and i as soon as we were done

634

00:25:41,430 --> 00:25:37,919

and we we thought to ourselves okay

635

00:25:44,870 --> 00:25:41,440

let's move we grab the light and we just

636

00:25:47,190 --> 00:25:44,880

we left we booked it out until we knew

637

00:25:49,669 --> 00:25:47,200

we could see the truck again

638

00:25:50,549 --> 00:25:49,679

and then we started doing some calls and

639

00:25:57,190 --> 00:25:50,559

stuff like that

640

00:26:00,549 --> 00:25:57,200

but oh man that that was a night

641

00:26:03,750 --> 00:26:00,559

man those things are whatever it was

642

00:26:06,070 --> 00:26:03,760

silent ninjas amazing in their

643

00:26:07,750 --> 00:26:06,080

environment because yeah we were pulling

644

00:26:09,190 --> 00:26:07,760

one over on them

645

00:26:11,510 --> 00:26:09,200

one i say them it could have been the

646

00:26:15,110 --> 00:26:11,520

same one is kind of what i'm alluding to

647

00:26:17,029 --> 00:26:15,120

if if we're really talking cryptozoology

648

00:26:18,549 --> 00:26:17,039

like like crypto is zoologically if

649

00:26:20,630 --> 00:26:18,559

we're talking about a creature that can

650

00:26:21,029 --> 00:26:20,640

move that quick and do that and see the

651
00:26:23,110 --> 00:26:21,039
light

652
00:26:24,390 --> 00:26:23,120
and get that close to us i mean it was

653
00:26:25,909 --> 00:26:24,400
so close i'm with you

654
00:26:28,390 --> 00:26:25,919
there was no point to turn around

655
00:26:30,230 --> 00:26:28,400
because i knew that before

656
00:26:32,390 --> 00:26:30,240
i was gonna what i figured is i'm gonna

657
00:26:36,470 --> 00:26:32,400
die either way i'd rather not see

658
00:26:40,549 --> 00:26:36,480
and it was so close that that growl

659
00:26:42,390 --> 00:26:40,559
was so close that i figured

660
00:26:45,830 --> 00:26:42,400
what's the point of looking like it's

661
00:26:45,840 --> 00:26:49,110
yeah yeah

662
00:26:54,789 --> 00:26:52,310
and it was gone yeah boom gone

663
00:26:56,390 --> 00:26:54,799

yeah and you know getting out of there

664

00:26:58,789 --> 00:26:56,400

and and that did

665

00:27:00,549 --> 00:26:58,799

that did establish something uh whenever

666

00:27:04,149 --> 00:27:00,559

we would go out

667

00:27:06,630 --> 00:27:04,159

um i you know i i'm telling my wife

668

00:27:07,350 --> 00:27:06,640

exactly where we're going while we're

669

00:27:11,430 --> 00:27:07,360

doing

670

00:27:14,470 --> 00:27:11,440

like okay honey this is

671

00:27:15,190 --> 00:27:14,480

we're going to go out to uh you know to

672

00:27:17,430 --> 00:27:15,200

do this

673

00:27:18,950 --> 00:27:17,440

and you know we'll probably probably be

674

00:27:20,630 --> 00:27:18,960

going here and we'll probably be home

675

00:27:21,590 --> 00:27:20,640

around this time or something of that

676
00:27:24,710 --> 00:27:21,600
nature

677
00:27:26,950 --> 00:27:24,720
um just so she knew an idea

678
00:27:28,630 --> 00:27:26,960
of where we would be at in case

679
00:27:33,510 --> 00:27:28,640
something bad did happen

680
00:27:35,430 --> 00:27:33,520
because i realized um

681
00:27:36,630 --> 00:27:35,440
yeah if something happened where we were

682
00:27:42,630 --> 00:27:36,640
at

683
00:27:46,630 --> 00:27:45,350
probably spring you know and then they

684
00:27:49,110 --> 00:27:46,640
would have just probably found

685
00:27:51,029 --> 00:27:49,120
the truck and maybe some clothes or

686
00:27:52,389 --> 00:27:51,039
whatever but

687
00:27:54,950 --> 00:27:52,399
it really changed the way i did

688
00:27:57,750 --> 00:27:54,960

investigations um

689

00:27:58,310 --> 00:27:57,760

you know the way i you know inform

690

00:28:01,510 --> 00:27:58,320

people

691

00:28:02,950 --> 00:28:01,520

of what i was doing where i was going

692

00:28:05,190 --> 00:28:02,960

and

693

00:28:08,070 --> 00:28:05,200

yeah because that that was one of those

694

00:28:13,909 --> 00:28:08,080

nights where you sit there and you go

695

00:28:19,430 --> 00:28:16,549

with that growl because that growl is

696

00:28:22,789 --> 00:28:19,440

embedded in my mind

697

00:28:23,510 --> 00:28:22,799

i'm glad we're alive yeah man there are

698

00:28:26,630 --> 00:28:23,520

things

699

00:28:29,909 --> 00:28:26,640

in the forest that are bigger badder

700

00:28:30,950 --> 00:28:29,919

and more growlier than us that was a

701
00:28:33,590 --> 00:28:30,960
cool one

702
00:28:36,070 --> 00:28:33,600
another one will do you remember it was

703
00:28:38,149 --> 00:28:36,080
freezing i did a horrible job of

704
00:28:39,350 --> 00:28:38,159
like trying to keep the camera steady

705
00:28:42,070 --> 00:28:39,360
you saw the light

706
00:28:43,430 --> 00:28:42,080
first the amazing light over bottle

707
00:28:46,630 --> 00:28:43,440
hollow like that

708
00:28:47,510 --> 00:28:46,640
that's imprinted on my mind and nobody

709
00:28:49,990 --> 00:28:47,520
believes it

710
00:28:50,549 --> 00:28:50,000
but there it is on film you know just

711
00:28:52,470 --> 00:28:50,559
just

712
00:28:55,110 --> 00:28:52,480
funky light going over bottle hollow and

713
00:28:57,430 --> 00:28:55,120

then just disappearing on a tree branch

714

00:28:59,029 --> 00:28:57,440

oh there's there's well here's the thing

715

00:29:00,630 --> 00:28:59,039

is that there were so many of those

716

00:29:02,149 --> 00:29:00,640

there was another one oh there's so many

717

00:29:05,830 --> 00:29:02,159

that we didn't get

718

00:29:06,710 --> 00:29:05,840

that you know you know when when you

719

00:29:08,630 --> 00:29:06,720

talk about and

720

00:29:09,909 --> 00:29:08,640

and again you know people are probably

721

00:29:11,430 --> 00:29:09,919

listening to this going

722

00:29:12,950 --> 00:29:11,440

this guy's a pastor and he's he's

723

00:29:15,590 --> 00:29:12,960

talking about going

724

00:29:16,630 --> 00:29:15,600

out to see the bigfoot and you know

725

00:29:19,590 --> 00:29:16,640

having been out to

726

00:29:21,510 --> 00:29:19,600

skinwalker ranch and and and doing all

727

00:29:24,389 --> 00:29:21,520

this stuff

728

00:29:24,870 --> 00:29:24,399

you know you got to realize that maybe i

729

00:29:26,870 --> 00:29:24,880

should

730

00:29:29,110 --> 00:29:26,880

explain this to people because i'm not

731

00:29:31,750 --> 00:29:29,120

shy about this i i've told

732

00:29:32,950 --> 00:29:31,760

people in my congregation that i i've

733

00:29:36,070 --> 00:29:32,960

been on ghost hunts

734

00:29:39,029 --> 00:29:36,080

i've been on um you know looking

735

00:29:41,750 --> 00:29:39,039

for ufos that i've went out and looked

736

00:29:43,750 --> 00:29:41,760

for bigfoot things of that nature

737

00:29:45,029 --> 00:29:43,760

and i and i tell them there's multitude

738

00:29:47,990 --> 00:29:45,039

of reasons why i do it

739

00:29:48,549 --> 00:29:48,000

uh mainly i go out to spend time with

740

00:29:52,950 --> 00:29:48,559

you know

741

00:29:56,310 --> 00:29:52,960

my my best friend um to talk with him

742

00:29:57,909 --> 00:29:56,320

to uh to share more about jesus with

743

00:29:59,590 --> 00:29:57,919

people

744

00:30:01,830 --> 00:29:59,600

because when you're sitting there

745

00:30:04,389 --> 00:30:01,840

talking to people about

746

00:30:05,510 --> 00:30:04,399

you know what people believe um how we

747

00:30:08,549 --> 00:30:05,520

got to this planet

748

00:30:10,230 --> 00:30:08,559

i can share the gospel with them but

749

00:30:11,190 --> 00:30:10,240

i've always been that guy that i've

750

00:30:14,950 --> 00:30:11,200

loved

751

00:30:17,510 --> 00:30:14,960

star trek i love star wars i love

752

00:30:18,070 --> 00:30:17,520

you know every documentary i could watch

753

00:30:24,310 --> 00:30:18,080

on

754

00:30:25,590 --> 00:30:24,320

and i've always had this interest in

755

00:30:28,710 --> 00:30:25,600

this

756

00:30:30,070 --> 00:30:28,720

idea of what is it you know what

757

00:30:32,310 --> 00:30:30,080

what are these things that people are

758

00:30:34,950 --> 00:30:32,320

seeing

759

00:30:36,149 --> 00:30:34,960

so when we would go out and we would see

760

00:30:39,830 --> 00:30:36,159

you know the light over

761

00:30:42,950 --> 00:30:39,840

hollow you just

762

00:30:47,590 --> 00:30:42,960

you see it and you go what is it

763

00:30:50,710 --> 00:30:47,600

and you try to start you know for us

764

00:30:53,909 --> 00:30:50,720

we would always go out there and

765

00:30:55,590 --> 00:30:53,919

eliminate what it could be you know okay

766

00:30:57,190 --> 00:30:55,600

you know we would look up and say okay

767

00:30:58,950 --> 00:30:57,200

is that a plane

768

00:31:01,190 --> 00:30:58,960

um yeah it's a plane because it has the

769

00:31:02,870 --> 00:31:01,200

blinking lights sometimes planes fly at

770

00:31:04,149 --> 00:31:02,880

an angle where you don't see the lights

771

00:31:07,269 --> 00:31:04,159

right off you gotta

772

00:31:11,110 --> 00:31:07,279

kind of like constantly look at it until

773

00:31:13,909 --> 00:31:11,120

you can't prove it or you know

774

00:31:15,990 --> 00:31:13,919

as clear as it can be out in utah

775

00:31:17,509 --> 00:31:16,000

especially on a very dark night with no

776
00:31:21,190 --> 00:31:17,519
moon

777
00:31:24,710 --> 00:31:21,200
that

778
00:31:27,669 --> 00:31:24,720
where you can track

779
00:31:29,350 --> 00:31:27,679
that stuff so you can you can eliminate

780
00:31:31,909 --> 00:31:29,360
things really easy but there's

781
00:31:32,389 --> 00:31:31,919
also that stuff that you just don't know

782
00:31:35,509 --> 00:31:32,399
what it

783
00:31:37,750 --> 00:31:35,519
is and things like the light over bottle

784
00:31:41,029 --> 00:31:37,760
hollow

785
00:31:42,950 --> 00:31:41,039
you just watch it in amazement

786
00:31:44,149 --> 00:31:42,960
you know we we were out in another

787
00:31:47,190 --> 00:31:44,159
location

788
00:31:49,509 --> 00:31:47,200

by bottle hollow yup where we had that

789

00:31:52,630 --> 00:31:49,519

light come over the ridge

790

00:31:56,470 --> 00:31:52,640

and you and i just stood there and

791

00:31:58,870 --> 00:31:56,480

no camera no equipment out

792

00:32:01,029 --> 00:31:58,880

we were just kind of standing you know

793

00:32:03,430 --> 00:32:01,039

doing our thing you know because we

794

00:32:04,389 --> 00:32:03,440

we investigated that area for two years

795

00:32:08,070 --> 00:32:04,399

straight at least

796

00:32:10,710 --> 00:32:08,080

once twice a week going out

797

00:32:11,350 --> 00:32:10,720

and we see this you know this was just

798

00:32:13,430 --> 00:32:11,360

one of those

799

00:32:15,110 --> 00:32:13,440

like we're going out hanging out talking

800

00:32:17,669 --> 00:32:15,120

you know we'll see if we'll see anything

801
00:32:19,110 --> 00:32:17,679
and you'll play around and you know

802
00:32:21,029 --> 00:32:19,120
hopefully not get pulled over by the

803
00:32:24,070 --> 00:32:21,039
cops

804
00:32:27,590 --> 00:32:24,080
but we see this light just

805
00:32:32,310 --> 00:32:27,600
come over the ridge and just float

806
00:32:35,350 --> 00:32:32,320
until it finally that just like goes out

807
00:32:39,029 --> 00:32:35,360
it was so close yeah it was no plane

808
00:32:40,870 --> 00:32:39,039
it was no uh no satellite because it was

809
00:32:43,350 --> 00:32:40,880
low

810
00:32:44,710 --> 00:32:43,360
and you just look at it and we just

811
00:32:47,909 --> 00:32:44,720
looked at it

812
00:32:51,190 --> 00:32:47,919
in amazement and in silence

813
00:32:53,830 --> 00:32:51,200

of just going what is it

814

00:32:55,029 --> 00:32:53,840

and i love those experiences that we we

815

00:32:58,389 --> 00:32:55,039

we've had and we

816

00:33:00,149 --> 00:32:58,399

we will have because

817

00:33:01,830 --> 00:33:00,159

those are times where you can sit there

818

00:33:04,149 --> 00:33:01,840

and you can actually be amazed by

819

00:33:07,190 --> 00:33:04,159

something and you can just go

820

00:33:10,310 --> 00:33:07,200

wow and for me

821

00:33:12,870 --> 00:33:10,320

you know i it gets me to

822

00:33:14,230 --> 00:33:12,880

you know talk to god more and say god

823

00:33:16,710 --> 00:33:14,240

you know explain this to me

824

00:33:18,389 --> 00:33:16,720

i would love to know about this and and

825

00:33:21,509 --> 00:33:18,399

to dig in the scriptures

826

00:33:22,389 --> 00:33:21,519

and do things like this and uh and and

827

00:33:25,750 --> 00:33:22,399

every

828

00:33:28,470 --> 00:33:25,760

area of you know the the paranormal

829

00:33:29,830 --> 00:33:28,480

or you know crypto zoology and stuff

830

00:33:33,590 --> 00:33:29,840

like that

831

00:33:36,630 --> 00:33:33,600

you know i i always base everything i do

832

00:33:39,750 --> 00:33:36,640

on the bible and i go to it

833

00:33:41,669 --> 00:33:39,760

uh for answers i go to it you know i go

834

00:33:45,029 --> 00:33:41,679

to god in prayer before any of

835

00:33:46,789 --> 00:33:45,039

the investigations we've ever been on um

836

00:33:48,149 --> 00:33:46,799

you know say a prayer in the truck or do

837

00:33:49,110 --> 00:33:48,159

something like that especially when we

838

00:33:52,149 --> 00:33:49,120

went out to the

839

00:33:53,590 --> 00:33:52,159

the castle out there where we used to

840

00:33:57,830 --> 00:33:53,600

live

841

00:34:00,070 --> 00:33:57,840

um because that was a crazy night wow

842

00:34:01,990 --> 00:34:00,080

um i don't know if there is a more evil

843

00:34:03,509 --> 00:34:02,000

place in the basin and we'll get into

844

00:34:04,870 --> 00:34:03,519

that but yeah let's get back to what you

845

00:34:08,149 --> 00:34:04,880

were saying

846

00:34:09,909 --> 00:34:08,159

but yeah you know we

847

00:34:11,510 --> 00:34:09,919

you know it gives me an opportunity to

848

00:34:13,349 --> 00:34:11,520

dig deeper and

849

00:34:16,310 --> 00:34:13,359

you know to answer certain questions and

850

00:34:18,550 --> 00:34:16,320

i i've had many people criticize me

851
00:34:20,629 --> 00:34:18,560
about saying oh you you shouldn't say

852
00:34:21,750 --> 00:34:20,639
that you you've done you know a ghost

853
00:34:26,389 --> 00:34:21,760
hunt or you

854
00:34:28,790 --> 00:34:26,399
went look for ufos well for me

855
00:34:29,750 --> 00:34:28,800
i have had some of my best evangelistic

856
00:34:33,430 --> 00:34:29,760
experiences

857
00:34:35,270 --> 00:34:33,440
you know sharing the gospel with people

858
00:34:36,790 --> 00:34:35,280
during these events and that is what god

859
00:34:37,829 --> 00:34:36,800
is telling me to do especially in

860
00:34:40,389 --> 00:34:37,839
matthew 28

861
00:34:41,109 --> 00:34:40,399
and to go into all the world go to all

862
00:34:44,149 --> 00:34:41,119
nations

863
00:34:44,550 --> 00:34:44,159

uh teaching them baptizing them making

864

00:34:47,990 --> 00:34:44,560

them

865

00:34:50,470 --> 00:34:48,000

disciples that means for me as

866

00:34:51,030 --> 00:34:50,480

a pastor as a christian i'm supposed to

867

00:34:54,230 --> 00:34:51,040

go

868

00:34:57,109 --> 00:34:54,240

and talk with people that aren't always

869

00:34:58,790 --> 00:34:57,119

going to agree with what i have to say

870

00:35:00,950 --> 00:34:58,800

but the thing that i've learned is that

871

00:35:03,510 --> 00:35:00,960

people in

872

00:35:04,310 --> 00:35:03,520

that in that community in the the

873

00:35:07,190 --> 00:35:04,320

paranormal

874

00:35:07,829 --> 00:35:07,200

community and you know the ufo watchers

875

00:35:10,790 --> 00:35:07,839

and

876

00:35:12,230 --> 00:35:10,800

you know all that stuff they're looking

877

00:35:15,750 --> 00:35:12,240

for answers

878

00:35:18,069 --> 00:35:15,760

and if i can share with them the the

879

00:35:21,670 --> 00:35:18,079

answer of of jesus christ their

880

00:35:23,109 --> 00:35:21,680

their lord and savior um that he died on

881

00:35:25,270 --> 00:35:23,119

the cross for them

882

00:35:27,109 --> 00:35:25,280

and all they have to do is call upon the

883

00:35:29,910 --> 00:35:27,119

name of jesus to be saved

884

00:35:32,470 --> 00:35:29,920

if i can sit there and i can share that

885

00:35:34,310 --> 00:35:32,480

with them then i've done my job

886

00:35:36,310 --> 00:35:34,320

and i get to have fun in the process

887

00:35:39,109 --> 00:35:36,320

because some some of the best people

888

00:35:40,630 --> 00:35:39,119

that i've met has been you know hanging

889

00:35:42,950 --> 00:35:40,640

out on top of a mountain

890

00:35:44,550 --> 00:35:42,960

looking at god's creation looking at the

891

00:35:48,230 --> 00:35:44,560

universe

892

00:35:49,990 --> 00:35:48,240

and talking about it it's just

893

00:35:53,030 --> 00:35:50,000

you know one of my one of my most

894

00:35:56,230 --> 00:35:53,040

cherished memories of living in utah

895

00:35:59,829 --> 00:35:56,240

was the first ufo

896

00:36:01,750 --> 00:35:59,839

uh you know with the utah ufo hunters

897

00:36:03,190 --> 00:36:01,760

just going out you know behind your

898

00:36:05,589 --> 00:36:03,200

place and just

899

00:36:06,310 --> 00:36:05,599

being on top of the ridge and just and

900

00:36:08,950 --> 00:36:06,320

seeing that

901
00:36:10,150 --> 00:36:08,960
that uh meteor break up into the sky

902
00:36:11,910 --> 00:36:10,160
wild

903
00:36:13,910 --> 00:36:11,920
uh and then sitting down and just

904
00:36:15,990 --> 00:36:13,920
talking

905
00:36:17,589 --> 00:36:16,000
like like people like human beings used

906
00:36:19,670 --> 00:36:17,599
to that's one of my most cherished

907
00:36:22,630 --> 00:36:19,680
memories because

908
00:36:24,790 --> 00:36:22,640
eventually someone asked me well you're

909
00:36:25,430 --> 00:36:24,800
a pastor what do you think how did we

910
00:36:27,589 --> 00:36:25,440
get here

911
00:36:28,550 --> 00:36:27,599
and i was able to share the good news of

912
00:36:31,750 --> 00:36:28,560
jesus christ

913
00:36:35,030 --> 00:36:31,760

amen brother amen and

914

00:36:35,829 --> 00:36:35,040

you know it is really cool you bond with

915

00:36:39,510 --> 00:36:35,839

people on a

916

00:36:42,630 --> 00:36:39,520

totally different level better than

917

00:36:44,630 --> 00:36:42,640

you know when you're you know quickly

918

00:36:45,910 --> 00:36:44,640

eating fast food over cell phones and

919

00:36:47,589 --> 00:36:45,920

dinner or something

920

00:36:49,030 --> 00:36:47,599

and it's it's a different kind of

921

00:36:49,670 --> 00:36:49,040

bonding because you're kind of forced to

922

00:36:51,750 --> 00:36:49,680

be there for

923

00:36:53,750 --> 00:36:51,760

hours on end with someone in the

924

00:36:55,670 --> 00:36:53,760

expectation of seeing something that

925

00:36:58,069 --> 00:36:55,680

does not exist

926
00:36:59,109 --> 00:36:58,079
it is going way out on a limb with

927
00:37:01,510 --> 00:36:59,119
someone else

928
00:37:03,109 --> 00:37:01,520
and you're kind of you know not to be

929
00:37:04,550 --> 00:37:03,119
weird but you're kind of like going out

930
00:37:06,150 --> 00:37:04,560
on a limb with someone else like are we

931
00:37:08,230 --> 00:37:06,160
doing this like let's do this

932
00:37:11,589 --> 00:37:08,240
this could get weird and when it gets

933
00:37:14,950 --> 00:37:11,599
weird it's something special

934
00:37:16,790 --> 00:37:14,960
it is and yeah i love how you

935
00:37:18,790 --> 00:37:16,800
put it like that because i remember the

936
00:37:20,069 --> 00:37:18,800
first time we ever went out i'm sitting

937
00:37:22,710 --> 00:37:20,079
there thinking to myself

938
00:37:24,790 --> 00:37:22,720

am i really going to do this i you know

939

00:37:28,790 --> 00:37:24,800

i've met this guy once

940

00:37:30,390 --> 00:37:28,800

as i ambushed him at his house and

941

00:37:33,030 --> 00:37:30,400

now we're going to go out and we're

942

00:37:35,430 --> 00:37:33,040

going to go

943

00:37:38,230 --> 00:37:35,440

sit on a piece of property overlooking

944

00:37:42,390 --> 00:37:38,240

another piece of property

945

00:37:44,950 --> 00:37:42,400

and am i really going to go do this

946

00:37:46,790 --> 00:37:44,960

until you know two three o'clock in the

947

00:37:49,990 --> 00:37:46,800

morning

948

00:37:53,430 --> 00:37:50,000

and you know you you sit there and you

949

00:37:54,390 --> 00:37:53,440

do it i mean you build these friendships

950

00:37:58,470 --> 00:37:54,400

you build this

951
00:38:01,430 --> 00:37:58,480
this this bond um

952
00:38:02,710 --> 00:38:01,440
things that you know that goes way

953
00:38:05,910 --> 00:38:02,720
beyond

954
00:38:09,190 --> 00:38:05,920
the the realm of we're gonna look for

955
00:38:12,870 --> 00:38:09,200
ufos but then it bleeds into

956
00:38:14,950 --> 00:38:12,880
you know being family together and

957
00:38:18,870 --> 00:38:14,960
you know going on vacations together and

958
00:38:21,270 --> 00:38:18,880
doing you know other things together

959
00:38:23,270 --> 00:38:21,280
which is the things that that means so

960
00:38:26,390 --> 00:38:23,280
much more

961
00:38:28,150 --> 00:38:26,400
and yeah as you said

962
00:38:30,150 --> 00:38:28,160
you know we sit there and we go hey

963
00:38:32,790 --> 00:38:30,160

we're going to go do this together

964

00:38:34,150 --> 00:38:32,800

and we also have to trust each other we

965

00:38:37,109 --> 00:38:34,160

also have to

966

00:38:38,390 --> 00:38:37,119

look out for each other we have to you

967

00:38:40,630 --> 00:38:38,400

know be able to

968

00:38:42,950 --> 00:38:40,640

you know be there for each other because

969

00:38:45,829 --> 00:38:42,960

sometimes you're out there

970

00:38:47,829 --> 00:38:45,839

you're you're in the middle of something

971

00:38:50,069 --> 00:38:47,839

possibly running down a hill because

972

00:38:52,230 --> 00:38:50,079

something's chasing you

973

00:38:54,630 --> 00:38:52,240

and thinking to yourself i could fall

974

00:38:56,069 --> 00:38:54,640

crash and i hope this guy can pick me up

975

00:38:59,750 --> 00:38:56,079

and carry me to the truck

976
00:39:02,710 --> 00:38:59,760
amen yeah

977
00:39:03,030 --> 00:39:02,720
and that brings a really good point up

978
00:39:05,750 --> 00:39:03,040
like

979
00:39:07,829 --> 00:39:05,760
you do bond on a deeper level and not

980
00:39:11,829 --> 00:39:07,839
only do you bond on a deeper level

981
00:39:16,150 --> 00:39:11,839
you are you're in an experience

982
00:39:18,150 --> 00:39:16,160
that requires a leap of faith

983
00:39:19,589 --> 00:39:18,160
and like you said there's very real

984
00:39:21,670 --> 00:39:19,599
things that can get

985
00:39:24,230 --> 00:39:21,680
in your way and hurt you and you don't

986
00:39:27,349 --> 00:39:24,240
have to even like the people because

987
00:39:29,270 --> 00:39:27,359
like it's i've had experiences where uh

988
00:39:31,430 --> 00:39:29,280

we've gone out with researchers and

989

00:39:32,710 --> 00:39:31,440

there's researchers you can like

990

00:39:34,630 --> 00:39:32,720

but then you're out in the field and you

991

00:39:38,230 --> 00:39:34,640

can't trust them or researchers

992

00:39:40,710 --> 00:39:38,240

you you know it's really strange but um

993

00:39:42,390 --> 00:39:40,720

you got to have both things going on and

994

00:39:44,950 --> 00:39:42,400

and it's like one of those uh

995

00:39:47,109 --> 00:39:44,960

you know we've seen many things i want

996

00:39:49,349 --> 00:39:47,119

to mention ryan skinner as well

997

00:39:50,870 --> 00:39:49,359

and dave rosenfeld and many other

998

00:39:51,910 --> 00:39:50,880

researchers who have gone out in the

999

00:39:54,390 --> 00:39:51,920

field

1000

00:39:56,069 --> 00:39:54,400

and they're people you trust because you

1001
00:39:57,510 --> 00:39:56,079
know they have your back at the end of

1002
00:39:59,829 --> 00:39:57,520
the day no matter what they

1003
00:40:01,910 --> 00:39:59,839
think of you no matter what you said

1004
00:40:03,910 --> 00:40:01,920
earlier that might have offended them

1005
00:40:06,069 --> 00:40:03,920
but there's something a little bit

1006
00:40:07,589 --> 00:40:06,079
deeper you bought on a deeper level and

1007
00:40:09,349 --> 00:40:07,599
when you're with people that have seen

1008
00:40:12,470 --> 00:40:09,359
this stuff before you can

1009
00:40:13,270 --> 00:40:12,480
kinda i don't know there's a camaraderie

1010
00:40:17,270 --> 00:40:13,280
that comes

1011
00:40:19,670 --> 00:40:17,280
with the ability to see something

1012
00:40:21,910 --> 00:40:19,680
i don't know it's so hard to explain

1013
00:40:25,270 --> 00:40:21,920

well you know i i sit there and i think

1014

00:40:27,829 --> 00:40:25,280

you know when we've had experiences

1015

00:40:29,430 --> 00:40:27,839

no matter who you're with you you'll

1016

00:40:32,150 --> 00:40:29,440

have one of those experiences

1017

00:40:32,790 --> 00:40:32,160

if you do it long enough i mean you know

1018

00:40:36,710 --> 00:40:32,800

i

1019

00:40:39,910 --> 00:40:36,720

some of the the shows that we

1020

00:40:41,589 --> 00:40:39,920

we used to watch uh doing investigations

1021

00:40:42,390 --> 00:40:41,599

and they would go out there for a night

1022

00:40:43,829 --> 00:40:42,400

and

1023

00:40:45,670 --> 00:40:43,839

you know they would see something or not

1024

00:40:47,349 --> 00:40:45,680

see anything and stuff like that

1025

00:40:49,270 --> 00:40:47,359

and we know that if you want to do a

1026

00:40:51,270 --> 00:40:49,280

true investigation you have to do

1027

00:40:52,870 --> 00:40:51,280

you have to put your time in and you

1028

00:40:54,390 --> 00:40:52,880

have to do it and

1029

00:40:56,870 --> 00:40:54,400

there will be some nights where you go

1030

00:40:59,910 --> 00:40:56,880

out and you don't see anything at all

1031

00:41:01,430 --> 00:40:59,920

you know you're sitting there going well

1032

00:41:04,550 --> 00:41:01,440

i'm going to fall asleep on the way home

1033

00:41:07,349 --> 00:41:04,560

because tonight's been so boring

1034

00:41:08,230 --> 00:41:07,359

and then you see things you know where

1035

00:41:11,829 --> 00:41:08,240

you sit there

1036

00:41:15,589 --> 00:41:11,839

and you have that moment

1037

00:41:17,030 --> 00:41:15,599

in time that bonds you together that no

1038

00:41:20,390 --> 00:41:17,040

matter what happens in

1039

00:41:21,670 --> 00:41:20,400

in the future you can always even just

1040

00:41:24,309 --> 00:41:21,680

go back and say hey

1041

00:41:25,990 --> 00:41:24,319

you know you remember that that that

1042

00:41:29,190 --> 00:41:26,000

moment

1043

00:41:31,270 --> 00:41:29,200

uh that that time where

1044

00:41:32,710 --> 00:41:31,280

that craziness happened and we were

1045

00:41:34,790 --> 00:41:32,720

amazed and

1046

00:41:36,390 --> 00:41:34,800

you know you you mentioned uh ryan

1047

00:41:40,470 --> 00:41:36,400

skinner who

1048

00:41:43,750 --> 00:41:40,480

um is the reason we we ended up meeting

1049

00:41:45,430 --> 00:41:43,760

and i remember he and i were up uh

1050

00:41:46,950 --> 00:41:45,440

uh you and you and some other people

1051

00:41:48,390 --> 00:41:46,960

were down uh

1052

00:41:50,790 --> 00:41:48,400

he doesn't get the credit down into the

1053

00:41:51,430 --> 00:41:50,800

area yeah we could see you we were above

1054

00:41:53,990 --> 00:41:51,440

you on

1055

00:41:56,710 --> 00:41:54,000

uh i got i guess we were kind of up on a

1056

00:42:00,550 --> 00:41:56,720

little bit more of a ridge than you all

1057

00:42:03,589 --> 00:42:00,560

and you know we sit there and we saw

1058

00:42:06,150 --> 00:42:03,599

you know we knew you had a flashlight

1059

00:42:08,150 --> 00:42:06,160

um and i i think you were with two other

1060

00:42:11,910 --> 00:42:08,160

people but you had the flashlight

1061

00:42:14,950 --> 00:42:11,920

and then behind you all we saw another

1062

00:42:17,510 --> 00:42:14,960

set of three people with a flashlight

1063

00:42:18,630 --> 00:42:17,520

and it was it was like a mirror image

1064

00:42:21,910 --> 00:42:18,640

exactly

1065

00:42:23,670 --> 00:42:21,920

and we're both like are you seeing this

1066

00:42:25,750 --> 00:42:23,680

and then we we call down you and we're

1067

00:42:27,829 --> 00:42:25,760

like uh are did you all get another

1068

00:42:31,109 --> 00:42:27,839

flashlight are you separated

1069

00:42:34,390 --> 00:42:31,119

and you're like no it's just us

1070

00:42:37,190 --> 00:42:34,400

and and me and me and ryan skinner were

1071

00:42:41,750 --> 00:42:37,200

up on this ridge looking at this going

1072

00:42:43,829 --> 00:42:41,760

uh dude what is this

1073

00:42:45,109 --> 00:42:43,839

we have no idea and then it just kind of

1074

00:42:47,190 --> 00:42:45,119

vanished

1075

00:42:48,950 --> 00:42:47,200

i remember that just peeking behind the

1076

00:42:52,069 --> 00:42:48,960

veil together and that is an

1077

00:42:55,589 --> 00:42:52,079

area that man

1078

00:42:58,790 --> 00:42:55,599

oh my gosh if it wasn't if i

1079

00:43:00,710 --> 00:42:58,800

anyway yeah we to cut back to what you

1080

00:43:02,150 --> 00:43:00,720

were saying the observer is so key in

1081

00:43:05,030 --> 00:43:02,160

some of this stuff because

1082

00:43:05,910 --> 00:43:05,040

like you said we were going to these

1083

00:43:09,349 --> 00:43:05,920

areas

1084

00:43:12,550 --> 00:43:09,359

as observers we became bonded

1085

00:43:14,150 --> 00:43:12,560

to these areas as observers and

1086

00:43:16,390 --> 00:43:14,160

you know what's crazy like you know we

1087

00:43:18,550 --> 00:43:16,400

used to discuss that like oh my gosh

1088

00:43:19,670 --> 00:43:18,560

like you need to literally be here all

1089

00:43:22,790 --> 00:43:19,680

the time

1090

00:43:26,230 --> 00:43:22,800

to have any idea what's going on and

1091

00:43:26,950 --> 00:43:26,240

now we literally like own the property

1092

00:43:30,390 --> 00:43:26,960

that we

1093

00:43:31,430 --> 00:43:30,400

used to be on and what's weird i love it

1094

00:43:33,510 --> 00:43:31,440

that you own that now

1095

00:43:35,670 --> 00:43:33,520

i'll be very honest with you i i love

1096

00:43:39,190 --> 00:43:35,680

that

1097

00:43:43,030 --> 00:43:39,200

it's so weird it's so it's so it is so

1098

00:43:44,150 --> 00:43:43,040

um yeah it just it's a self-fulfilling

1099

00:43:46,870 --> 00:43:44,160

prophecy

1100

00:43:48,870 --> 00:43:46,880

and it to you know when people say like

1101

00:43:50,710 --> 00:43:48,880

oh your intention doesn't matter

1102

00:43:52,470 --> 00:43:50,720

be careful within the garden of your

1103

00:43:55,910 --> 00:43:52,480

mind because the seeds

1104

00:43:59,190 --> 00:43:55,920

that you choose will sow and the soil

1105

00:44:02,230 --> 00:43:59,200

you know receives that and uh

1106

00:44:03,750 --> 00:44:02,240

cultivates it and you know whatever does

1107

00:44:06,790 --> 00:44:03,760

the rest because

1108

00:44:08,470 --> 00:44:06,800

it is very strange that

1109

00:44:09,829 --> 00:44:08,480

there were so many experiences that took

1110

00:44:12,870 --> 00:44:09,839

place there and

1111

00:44:14,150 --> 00:44:12,880

now it's just like oh yeah it's just the

1112

00:44:18,069 --> 00:44:14,160

place and

1113

00:44:19,910 --> 00:44:18,079

um it the whole basin really in general

1114

00:44:22,790 --> 00:44:19,920

i know that you and i

1115

00:44:23,510 --> 00:44:22,800

one moment i just cannot erase from my

1116

00:44:26,710 --> 00:44:23,520

mind

1117

00:44:30,150 --> 00:44:26,720

is my father had passed away

1118

00:44:32,230 --> 00:44:30,160

and we were walking through literally

1119

00:44:34,390 --> 00:44:32,240

you and i were walking through literally

1120

00:44:38,309 --> 00:44:34,400

thousands of acres of complete

1121

00:44:41,670 --> 00:44:38,319

darkness in the moonlight in gl2

1122

00:44:44,550 --> 00:44:41,680

and there was just this moment like man

1123

00:44:46,390 --> 00:44:44,560

we are in the middle of nowhere and we

1124

00:44:48,150 --> 00:44:46,400

were discussing like super heavy stuff

1125

00:44:51,670 --> 00:44:48,160

but it was really easy

1126

00:44:54,390 --> 00:44:51,680

because of where we were

1127

00:44:55,109 --> 00:44:54,400

yeah it was you know and especially

1128

00:44:56,470 --> 00:44:55,119

after

1129

00:44:58,230 --> 00:44:56,480

you know when you're when your dad

1130

00:45:01,109 --> 00:44:58,240

passed away

1131

00:45:02,390 --> 00:45:01,119

you know our our time out in the field

1132

00:45:04,309 --> 00:45:02,400

was more about

1133

00:45:07,670 --> 00:45:04,319

you know bonding you know especially for

1134

00:45:12,309 --> 00:45:07,680

me to to make sure you were okay

1135

00:45:15,670 --> 00:45:12,319

um you know because you know

1136

00:45:16,870 --> 00:45:15,680

not to go into the big story of of that

1137

00:45:20,870 --> 00:45:16,880

time

1138

00:45:23,510 --> 00:45:20,880

but i just really knew that i needed to

1139

00:45:23,910 --> 00:45:23,520

be with you to you know be able to talk

1140

00:45:27,430 --> 00:45:23,920

to you

1141

00:45:35,670 --> 00:45:27,440

stuff like that and as we walked

1142

00:45:39,349 --> 00:45:38,870

area that we really didn't know too much

1143

00:45:43,109 --> 00:45:39,359

about

1144

00:45:46,470 --> 00:45:43,119

getting into it um we

1145

00:45:48,309 --> 00:45:46,480

you know we just we knew the area as in

1146

00:45:51,750 --> 00:45:48,319

the the physical location

1147

00:45:55,750 --> 00:45:51,760

but nothing that we were going to

1148

00:45:58,069 --> 00:45:55,760

experience or expect

1149

00:45:59,510 --> 00:45:58,079

and i remember we were walking down that

1150

00:46:01,589 --> 00:45:59,520

road and talking

1151

00:46:05,030 --> 00:46:01,599

trying to get there and the stuff

1152

00:46:07,589 --> 00:46:05,040

started happening right away

1153

00:46:10,390 --> 00:46:07,599

but most of all it was just about you

1154

00:46:14,950 --> 00:46:10,400

know trying to

1155

00:46:18,150 --> 00:46:14,960

further our bond trying to yeah

1156

00:46:21,910 --> 00:46:18,160

trying to just get over the the

1157

00:46:25,670 --> 00:46:21,920

huge emotion that that had happened

1158

00:46:28,790 --> 00:46:25,680

um and and yeah

1159

00:46:32,230 --> 00:46:28,800

you know things were happening um and it

1160

00:46:34,630 --> 00:46:32,240

and it cemented that area

1161

00:46:36,470 --> 00:46:34,640

and i mean i'll be honest i still go

1162

00:46:39,990 --> 00:46:36,480

on google maps and

1163

00:46:41,990 --> 00:46:40,000

you know or google earth and i'll i'll

1164

00:46:43,349 --> 00:46:42,000

look in on the area and stuff like that

1165

00:46:47,270 --> 00:46:43,359

overhead

1166

00:46:50,550 --> 00:46:47,280

uh and just remember those little

1167

00:46:53,750 --> 00:46:50,560

incidences out there because

1168

00:46:55,109 --> 00:46:53,760

they some of them were like amazing and

1169

00:46:56,550 --> 00:46:55,119

like huge and big

1170

00:46:58,150 --> 00:46:56,560

and things like that and then there were

1171

00:47:02,150 --> 00:46:58,160

just these little things

1172

00:47:05,270 --> 00:47:02,160

that that just happened

1173

00:47:07,510 --> 00:47:05,280

as because of the area it

1174

00:47:10,309 --> 00:47:07,520

it really is it's an area where you can

1175

00:47:12,470 --> 00:47:10,319

get you can lose yourself in the area

1176
00:47:14,390 --> 00:47:12,480
and that can be a good thing sometimes

1177
00:47:17,750 --> 00:47:14,400
it can be a bad thing sometimes and

1178
00:47:19,990 --> 00:47:17,760
it is uh so true i remember that that

1179
00:47:21,589 --> 00:47:20,000
particular evening the high strangeness

1180
00:47:23,670 --> 00:47:21,599
was off the charts

1181
00:47:25,990 --> 00:47:23,680
but we just kind of wandered down the

1182
00:47:27,750 --> 00:47:26,000
road almost away from it like we're just

1183
00:47:30,870 --> 00:47:27,760
kind of you know give us a minute

1184
00:47:32,309 --> 00:47:30,880
man like like we're you know and

1185
00:47:34,549 --> 00:47:32,319
and it turned into a really incredible

1186
00:47:36,549 --> 00:47:34,559
night and we know that it was weird and

1187
00:47:37,510 --> 00:47:36,559
it's a weird area so we can always go

1188
00:47:40,870 --> 00:47:37,520

there for that

1189

00:47:43,349 --> 00:47:40,880

but it's it's so true with the entire

1190

00:47:44,390 --> 00:47:43,359

basin and we've had some amazing

1191

00:47:46,870 --> 00:47:44,400

experiences in

1192

00:47:49,190 --> 00:47:46,880

other areas that without going into

1193

00:47:52,069 --> 00:47:49,200

detail like when we've been privy to

1194

00:47:55,430 --> 00:47:52,079

being on tribal lands with permission

1195

00:47:58,710 --> 00:47:55,440

i mean that was mind-blowing to me oh

1196

00:48:00,470 --> 00:47:58,720

i yeah i that was that was fun for so

1197

00:48:04,710 --> 00:48:00,480

many reasons

1198

00:48:08,069 --> 00:48:04,720

uh to be able to to go out on their land

1199

00:48:11,750 --> 00:48:08,079

uh you know again with permission

1200

00:48:14,710 --> 00:48:11,760

and to see things and see

1201
00:48:15,990 --> 00:48:14,720
you know well honestly being being given

1202
00:48:19,990 --> 00:48:16,000
a tour

1203
00:48:21,990 --> 00:48:20,000
of this stuff as well and just

1204
00:48:23,349 --> 00:48:22,000
having that that atmosphere and that

1205
00:48:25,910 --> 00:48:23,359
culture and

1206
00:48:29,349 --> 00:48:25,920
embraced in it and understanding that

1207
00:48:32,230 --> 00:48:30,790
there's not a lot of people that are

1208
00:48:34,309 --> 00:48:32,240
going to get to do this there's some

1209
00:48:37,349 --> 00:48:34,319
real magic

1210
00:48:40,470 --> 00:48:37,359
even that little spring of water that we

1211
00:48:43,750 --> 00:48:40,480
oh my gosh came up to um

1212
00:48:46,390 --> 00:48:43,760
and was given the story about uh

1213
00:48:47,990 --> 00:48:46,400

it we both have the same idea of like i

1214

00:48:50,950 --> 00:48:48,000

want to drink from this water

1215

00:48:52,630 --> 00:48:50,960

totally and we were basically told ah

1216

00:48:56,069 --> 00:48:52,640

you probably shouldn't

1217

00:48:59,430 --> 00:48:56,079

um exactly unless you have a gift and we

1218

00:49:02,870 --> 00:48:59,440

we didn't have the proper gift on us uh

1219

00:49:04,950 --> 00:49:02,880

but you know maybe someday that is one

1220

00:49:07,990 --> 00:49:04,960

of those coolest things

1221

00:49:11,190 --> 00:49:08,000

i've seen and being able to do

1222

00:49:15,430 --> 00:49:11,200

that you know was

1223

00:49:21,670 --> 00:49:18,790

there are there's a lot of those one

1224

00:49:23,349 --> 00:49:21,680

interesting and funny i have to mention

1225

00:49:24,309 --> 00:49:23,359

one of the funniest and i miss this

1226

00:49:27,829 --> 00:49:24,319

white truck here

1227

00:49:29,589 --> 00:49:27,839

so much that ford that ford truck

1228

00:49:31,109 --> 00:49:29,599

you remember where it was like negative

1229

00:49:35,030 --> 00:49:31,119

30 degrees

1230

00:49:36,790 --> 00:49:35,040

we were we were constantly in fear

1231

00:49:38,790 --> 00:49:36,800

of being arrested in many of these

1232

00:49:40,470 --> 00:49:38,800

locations where we were just parked on

1233

00:49:40,950 --> 00:49:40,480

the side of the road looking for weird

1234

00:49:43,270 --> 00:49:40,960

stuff

1235

00:49:43,990 --> 00:49:43,280

and i mean let's face it the police come

1236

00:49:45,430 --> 00:49:44,000

up and see a car

1237

00:49:47,270 --> 00:49:45,440

parked on the side of the road and

1238

00:49:48,630 --> 00:49:47,280

they're like and they usually

1239

00:49:50,390 --> 00:49:48,640

you know they're like they know why

1240

00:49:53,030 --> 00:49:50,400

you're there but

1241

00:49:55,430 --> 00:49:53,040

um you know we would come up with the

1242

00:49:57,109 --> 00:49:55,440

silliest excuses and it was so cold and

1243

00:49:59,349 --> 00:49:57,119

do you remember that excuse

1244

00:50:00,870 --> 00:49:59,359

so so can i can i tell the story of

1245

00:50:02,309 --> 00:50:00,880

where we were at

1246

00:50:04,390 --> 00:50:02,319

i don't think we'll get in trouble for

1247

00:50:07,430 --> 00:50:04,400

this because i don't know

1248

00:50:10,829 --> 00:50:07,440

can we i don't know like more or less

1249

00:50:13,829 --> 00:50:10,839

we'll say it was it was under old old

1250

00:50:14,150 --> 00:50:13,839

ownership uh and we were we were still

1251
00:50:16,870 --> 00:50:14,160
on

1252
00:50:18,150 --> 00:50:16,880
county road we we weren't trespassing we

1253
00:50:21,589 --> 00:50:18,160
weren't doing anything

1254
00:50:23,670 --> 00:50:21,599
but uh we were uh well i'll just okay

1255
00:50:24,790 --> 00:50:23,680
i'll tell it yeah i'm not i'm not

1256
00:50:29,670 --> 00:50:24,800
discouraged go for it

1257
00:50:31,349 --> 00:50:29,680
as they say um so we had

1258
00:50:33,670 --> 00:50:31,359
we had been investigating around

1259
00:50:37,030 --> 00:50:33,680
skinwalker ranch

1260
00:50:39,750 --> 00:50:37,040
and we had noticed that

1261
00:50:41,829 --> 00:50:39,760
some people were leaving the front gate

1262
00:50:45,109 --> 00:50:41,839
of skinwalker ranch now this is

1263
00:50:48,549 --> 00:50:45,119

back uh before the new owners took

1264

00:50:51,589 --> 00:50:48,559

new owner took over and

1265

00:50:54,710 --> 00:50:51,599

so we we just decided we're gonna sit

1266

00:50:56,230 --> 00:50:54,720

at the very start of the road uh that

1267

00:50:59,910 --> 00:50:56,240

goes down to the main gate

1268

00:51:03,510 --> 00:50:59,920

of skinwalker ranch and we just parked

1269

00:51:05,990 --> 00:51:03,520

parked the truck it was great

1270

00:51:07,109 --> 00:51:06,000

to the side of the road it's running

1271

00:51:11,510 --> 00:51:07,119

because yeah it's like

1272

00:51:13,910 --> 00:51:11,520

negative something outside it's cold

1273

00:51:14,630 --> 00:51:13,920

and all of a sudden we see police lights

1274

00:51:18,309 --> 00:51:14,640

behind us

1275

00:51:21,430 --> 00:51:18,319

and i'm thinking oh my goodness what

1276

00:51:23,349 --> 00:51:21,440

i mean out of all the times that we ever

1277

00:51:25,750 --> 00:51:23,359

this was the only time we ever had cops

1278

00:51:28,150 --> 00:51:25,760

i mean we never we were very respectful

1279

00:51:30,390 --> 00:51:28,160

of every place we went to

1280

00:51:32,630 --> 00:51:30,400

you know we did not trespass we didn't

1281

00:51:35,829 --> 00:51:32,640

do anything like that

1282

00:51:37,030 --> 00:51:35,839

uh very respectful but we knew that at

1283

00:51:39,430 --> 00:51:37,040

any point a cop could

1284

00:51:41,670 --> 00:51:39,440

come tell us to you know technically

1285

00:51:42,790 --> 00:51:41,680

could come tell us to get off any peace

1286

00:51:45,670 --> 00:51:42,800

property

1287

00:51:46,390 --> 00:51:45,680

uh even if we have permission um because

1288

00:51:48,309 --> 00:51:46,400

that area

1289

00:51:50,390 --> 00:51:48,319

there's certain areas you know there's

1290

00:51:54,950 --> 00:51:50,400

native land and not

1291

00:51:56,390 --> 00:51:54,960

even if you know someone owns it but

1292

00:51:57,750 --> 00:51:56,400

you know we're we're out there we're

1293

00:51:58,069 --> 00:51:57,760

just parked on the side of the road

1294

00:52:00,309 --> 00:51:58,079

where

1295

00:52:01,670 --> 00:52:00,319

we're kind of waiting just to see who's

1296

00:52:03,349 --> 00:52:01,680

going to drive by

1297

00:52:05,430 --> 00:52:03,359

we kind of had ideas of who we thought

1298

00:52:07,109 --> 00:52:05,440

it was um

1299

00:52:09,349 --> 00:52:07,119

but all of a sudden we got a cop behind

1300

00:52:12,470 --> 00:52:09,359

us and he comes to the window

1301
00:52:13,670 --> 00:52:12,480
i rolled down my window in my my ford

1302
00:52:17,109 --> 00:52:13,680
f-150

1303
00:52:19,270 --> 00:52:17,119
uh i believe it was a 98 or 99.

1304
00:52:21,109 --> 00:52:19,280
i really missed missed that truck this

1305
00:52:24,549 --> 00:52:21,119
is great um

1306
00:52:26,390 --> 00:52:24,559
and and he goes uh

1307
00:52:28,710 --> 00:52:26,400
and and again got a preference to this

1308
00:52:32,390 --> 00:52:28,720
because on the back of my

1309
00:52:34,069 --> 00:52:32,400
uh i had one of those uh uh oh what are

1310
00:52:37,190 --> 00:52:34,079
they the camper bad things the shells

1311
00:52:41,510 --> 00:52:37,200
yeah on the back of my truck

1312
00:52:43,349 --> 00:52:41,520
and on that uh it has a utah ufo hunter

1313
00:52:46,309 --> 00:52:43,359

sticker on there

1314

00:52:47,910 --> 00:52:46,319

and he comes up to the window and he i

1315

00:52:52,950 --> 00:52:47,920

wrote it down

1316

00:52:57,109 --> 00:52:56,069

and out of every excuse i could have

1317

00:52:59,430 --> 00:52:57,119

used

1318

00:53:01,190 --> 00:52:59,440

i said well my truck is overheated so

1319

00:53:06,230 --> 00:53:01,200

i'm letting it cool down

1320

00:53:09,990 --> 00:53:06,240

in like negative 20 to 30 degree weather

1321

00:53:11,589 --> 00:53:10,000

and he looks at me and he goes huh

1322

00:53:13,270 --> 00:53:11,599

well you know we get a lot of people

1323

00:53:15,349 --> 00:53:13,280

coming down this road because of the

1324

00:53:16,790 --> 00:53:15,359

ranch at the end of the road and

1325

00:53:18,549 --> 00:53:16,800

well we just like to kind of tell them

1326

00:53:21,510 --> 00:53:18,559

to move on and we were like

1327

00:53:22,069 --> 00:53:21,520

okay yeah we're we're moving all right

1328

00:53:24,630 --> 00:53:22,079

well you

1329

00:53:25,589 --> 00:53:24,640

you have a good night i was like i

1330

00:53:28,790 --> 00:53:25,599

couldn't

1331

00:53:31,510 --> 00:53:28,800

ah what was i thinking my truck

1332

00:53:35,829 --> 00:53:31,520

overheated on one of the coldest nights

1333

00:53:39,589 --> 00:53:35,839

we ever investigated so cold

1334

00:53:40,309 --> 00:53:39,599

man so funny um i was recently talking

1335

00:53:44,790 --> 00:53:40,319

to

1336

00:53:48,069 --> 00:53:44,800

uh some previous security guards

1337

00:53:50,390 --> 00:53:48,079

and what was so funny is hearing

1338

00:53:51,270 --> 00:53:50,400

their version of the interaction at the

1339

00:53:53,990 --> 00:53:51,280

time

1340

00:53:56,309 --> 00:53:54,000

and it's so funny like you know them

1341

00:53:58,790 --> 00:53:56,319

shooting like lasers at us and

1342

00:53:59,910 --> 00:53:58,800

and what we were doing to them and and

1343

00:54:02,630 --> 00:53:59,920

it's just funny

1344

00:54:03,430 --> 00:54:02,640

um because it's all in good fun now and

1345

00:54:05,589 --> 00:54:03,440

it's great

1346

00:54:07,030 --> 00:54:05,599

do you do you know that the first time

1347

00:54:10,150 --> 00:54:07,040

we ever went out

1348

00:54:12,150 --> 00:54:10,160

um and we we parked

1349

00:54:13,910 --> 00:54:12,160

we well i can say this now we parked on

1350

00:54:17,990 --> 00:54:13,920

your property

1351

00:54:20,069 --> 00:54:18,000

um and we backed the truck up

1352

00:54:24,309 --> 00:54:20,079

and you started getting stuff out of the

1353

00:54:27,030 --> 00:54:24,319

truck and yeah they shot lasers at us

1354

00:54:27,910 --> 00:54:27,040

and it like the it was green lasers and

1355

00:54:30,230 --> 00:54:27,920

it hit me

1356

00:54:32,230 --> 00:54:30,240

and i'm like what is going on this is my

1357

00:54:35,030 --> 00:54:32,240

first time ever being out

1358

00:54:37,910 --> 00:54:35,040

investigating and i got green lasers

1359

00:54:39,190 --> 00:54:37,920

shot at me and i'm like speechless like

1360

00:54:41,589 --> 00:54:39,200

and you're like getting something out of

1361

00:54:43,510 --> 00:54:41,599

the back of the truck you don't ever see

1362

00:54:44,950 --> 00:54:43,520

it and it shuts off and i'm just like

1363

00:54:46,549 --> 00:54:44,960

did you see that they're like you're

1364

00:54:49,030 --> 00:54:46,559

like what i'm like there was just a

1365

00:54:53,270 --> 00:54:49,040

green laser shot at us

1366

00:54:56,309 --> 00:54:53,280

it's like oh my goodness really guys

1367

00:54:59,030 --> 00:54:56,319

wild so fun

1368

00:54:59,990 --> 00:54:59,040

and the you know the interesting ones

1369

00:55:03,030 --> 00:55:00,000

one of the more

1370

00:55:05,589 --> 00:55:03,040

i so many interesting uh

1371

00:55:06,630 --> 00:55:05,599

things that took place but one of the

1372

00:55:09,030 --> 00:55:06,640

more interesting

1373

00:55:10,309 --> 00:55:09,040

getting back to that castle and how evil

1374

00:55:12,069 --> 00:55:10,319

that place is

1375

00:55:14,710 --> 00:55:12,079

going going to that place i mean it was

1376

00:55:18,069 --> 00:55:14,720

really creepy

1377

00:55:19,190 --> 00:55:18,079

oh yeah so i mean we we had talked about

1378

00:55:22,630 --> 00:55:19,200

this place we'd

1379

00:55:24,470 --> 00:55:22,640

heard stories about this place and

1380

00:55:25,910 --> 00:55:24,480

it's one of those places you gotta you

1381

00:55:28,710 --> 00:55:25,920

gotta find it

1382

00:55:30,789 --> 00:55:28,720

you gotta you gotta basically see the

1383

00:55:32,950 --> 00:55:30,799

top of it through

1384

00:55:35,430 --> 00:55:32,960

uh the trees and then you gotta narrow

1385

00:55:38,630 --> 00:55:35,440

down the road to turn on

1386

00:55:40,630 --> 00:55:38,640

um but i i mean for the listeners this

1387

00:55:42,950 --> 00:55:40,640

the story goes screw this place don't go

1388

00:55:45,510 --> 00:55:42,960

correct me if i if i mess something up

1389

00:55:46,710 --> 00:55:45,520

if i'm trying to remember but a man was

1390

00:55:49,750 --> 00:55:46,720

building it for

1391

00:55:53,109 --> 00:55:49,760

his wife and their child or

1392

00:55:56,390 --> 00:55:53,119

child to be one the two yeah um and

1393

00:55:57,510 --> 00:55:56,400

they lost the child and the child passed

1394

00:56:00,630 --> 00:55:57,520

away

1395

00:56:01,510 --> 00:56:00,640

the the mother the wife got really

1396

00:56:05,510 --> 00:56:01,520

depressed

1397

00:56:08,710 --> 00:56:05,520

and she ended up uh committing suicide

1398

00:56:10,870 --> 00:56:08,720

and and he just abandoned

1399

00:56:12,390 --> 00:56:10,880

the the house the building of it so

1400

00:56:15,589 --> 00:56:12,400

there's this

1401

00:56:17,910 --> 00:56:15,599

this half build house you know in the in

1402

00:56:20,309 --> 00:56:17,920

the desert of utah

1403

00:56:22,390 --> 00:56:20,319

uh that and we called the castle because

1404

00:56:26,870 --> 00:56:22,400

it has a kind of like a peak on it

1405

00:56:29,670 --> 00:56:26,880

and uh uh things of that nature

1406

00:56:30,710 --> 00:56:29,680

and now craig pregnant if i'm wrong did

1407

00:56:54,069 --> 00:56:30,720

the

1408

00:56:56,150 --> 00:56:54,079

um i'm looking at sorry uh 1975.

1409

00:56:57,670 --> 00:56:56,160

but yeah i mean everything that you're

1410

00:57:01,190 --> 00:56:57,680

saying

1411

00:57:03,589 --> 00:57:01,200

there is it's hard because a lot of this

1412

00:57:05,670 --> 00:57:03,599

there's some local legend involved

1413

00:57:07,829 --> 00:57:05,680

and you know you hear things that are

1414

00:57:08,230 --> 00:57:07,839

just hearsay or second person third

1415

00:57:12,150 --> 00:57:08,240

person

1416

00:57:14,069 --> 00:57:12,160

happened off the balcony

1417

00:57:15,670 --> 00:57:14,079

and i don't know if it was the woman who

1418

00:57:17,510 --> 00:57:15,680

hung herself

1419

00:57:19,190 --> 00:57:17,520

but i don't know there was there was

1420

00:57:22,390 --> 00:57:19,200

other things involved and then

1421

00:57:26,150 --> 00:57:22,400

there's strange other buildings and

1422

00:57:29,430 --> 00:57:26,160

also uh the plaque itself is interesting

1423

00:57:30,309 --> 00:57:29,440

now now did she do this did she commit

1424

00:57:32,630 --> 00:57:30,319

suicide

1425

00:57:34,630 --> 00:57:32,640

at the house man i don't know that's one

1426
00:57:38,069 --> 00:57:34,640
of the things i was trying to remember

1427
00:57:40,470 --> 00:57:38,079
no idea okay so i just kind of looked it

1428
00:57:43,910 --> 00:57:40,480
up and it says the abandoned castle

1429
00:57:47,430 --> 00:57:43,920
uh was built in the seventies

1430
00:57:49,829 --> 00:57:47,440
uh true uh says it isn't your

1431
00:57:55,109 --> 00:57:49,839
traditional medieval castle

1432
00:57:57,510 --> 00:57:55,119
but has some lightness

1433
00:57:59,510 --> 00:57:57,520
well that's that i love how it says the

1434
00:58:01,190 --> 00:57:59,520
castle is on a road between salt lake

1435
00:58:03,829 --> 00:58:01,200
and vernal

1436
00:58:04,789 --> 00:58:03,839
that that's not narrowed down at all

1437
00:58:08,549 --> 00:58:04,799
good enough

1438
00:58:12,470 --> 00:58:08,559

um but yeah so we we go out there

1439

00:58:15,670 --> 00:58:12,480

to investigate

1440

00:58:18,789 --> 00:58:15,680

this this castle and you know when

1441

00:58:22,950 --> 00:58:18,799

when i get there uh there's me you and

1442

00:58:26,549 --> 00:58:22,960

and another uh another gentleman

1443

00:58:26,950 --> 00:58:26,559

and you know i i knew that this could

1444

00:58:29,430 --> 00:58:26,960

have

1445

00:58:30,630 --> 00:58:29,440

possibly been a you know we're going to

1446

00:58:34,309 --> 00:58:30,640

go technically on

1447

00:58:37,270 --> 00:58:34,319

on a ghost time uh and i have i have my

1448

00:58:38,950 --> 00:58:37,280

own thoughts and opinions on ghost

1449

00:58:41,430 --> 00:58:38,960

because i'm a christian because i'm a

1450

00:58:45,030 --> 00:58:41,440

pastor i don't necessarily

1451

00:58:48,230 --> 00:58:45,040

believe in ghosts that it is

1452

00:58:51,430 --> 00:58:48,240

you know your your long-lost aunt who

1453

00:58:53,270 --> 00:58:51,440

is in your kitchen cooking you food and

1454

00:58:54,630 --> 00:58:53,280

and just wants to see your face one last

1455

00:58:58,230 --> 00:58:54,640

time um

1456

00:59:02,069 --> 00:58:58,240

i i think that there is a very uh

1457

00:59:05,589 --> 00:59:02,079

devious entity involved

1458

00:59:07,589 --> 00:59:05,599

because in my position as pastor i

1459

00:59:10,710 --> 00:59:07,599

believe in heaven and hell

1460

00:59:11,990 --> 00:59:10,720

i don't believe in in between but i do

1461

00:59:15,430 --> 00:59:12,000

believe that you can

1462

00:59:18,470 --> 00:59:15,440

uh things can deceive you uh

1463

00:59:21,109 --> 00:59:18,480

from believing in heaven i believe

1464

00:59:22,630 --> 00:59:21,119

that you know satan will do everything

1465

00:59:26,549 --> 00:59:22,640

he can to make someone

1466

00:59:29,109 --> 00:59:26,559

not believe in the promises of god

1467

00:59:31,109 --> 00:59:29,119

so that entity is there to basically

1468

00:59:33,910 --> 00:59:31,119

deceive you

1469

00:59:36,069 --> 00:59:33,920

it may not be a popular opinion but

1470

00:59:37,829 --> 00:59:36,079

based on my faith based on what i've

1471

00:59:40,150 --> 00:59:37,839

studied based on what i've seen

1472

00:59:41,510 --> 00:59:40,160

that's that's where i that's where i'm

1473

00:59:48,309 --> 00:59:41,520

at

1474

00:59:50,549 --> 00:59:48,319

i'm going to sit in the truck and i'm

1475

00:59:54,309 --> 00:59:50,559

going to say a prayer

1476

00:59:57,349 --> 00:59:54,319

uh invite you know the people in it to

1477

01:00:01,270 --> 00:59:57,359

pray with us to be protected

1478

01:00:05,349 --> 01:00:01,280

and man getting into this

1479

01:00:09,750 --> 01:00:05,359

castle right away yep investigating it

1480

01:00:13,510 --> 01:00:09,760

and i mean i mean i don't even

1481

01:00:16,549 --> 01:00:13,520

you know anyway getting in it

1482

01:00:17,589 --> 01:00:16,559

looking around like hearing the the

1483

01:00:19,349 --> 01:00:17,599

cracks you got

1484

01:00:21,750 --> 01:00:19,359

you got the wind involved kind of

1485

01:00:25,270 --> 01:00:21,760

blowing through the trees

1486

01:00:27,510 --> 01:00:25,280

um you know you gotta deal possibly with

1487

01:00:28,549 --> 01:00:27,520

animals and stuff like that and then we

1488

01:00:32,390 --> 01:00:28,559

start setting up

1489

01:00:33,109 --> 01:00:32,400

motion uh motion lights uh within the

1490

01:00:35,510 --> 01:00:33,119

house

1491

01:00:37,670 --> 01:00:35,520

all the gear yeah uh and you know with

1492

01:00:39,430 --> 01:00:37,680

that you know it might be a mouse it

1493

01:00:42,390 --> 01:00:39,440

might be a bird it might be

1494

01:00:43,349 --> 01:00:42,400

you know a possum a raccoon something of

1495

01:00:45,430 --> 01:00:43,359

that nature

1496

01:00:48,710 --> 01:00:45,440

if it runs past it so you got to try to

1497

01:00:52,309 --> 01:00:51,190

but again we we started having like

1498

01:00:56,069 --> 01:00:52,319

lights go off

1499

01:00:57,990 --> 01:00:56,079

or go on uh that

1500

01:00:59,109 --> 01:00:58,000

there's there's nothing there to

1501
01:01:03,270 --> 01:00:59,119
activate it

1502
01:01:03,910 --> 01:01:03,280
um and then the like the bumps started

1503
01:01:06,789 --> 01:01:03,920
happening

1504
01:01:08,309 --> 01:01:06,799
like the things slamming right above our

1505
01:01:12,309 --> 01:01:08,319
head yeah it was a

1506
01:01:14,390 --> 01:01:12,319
two-story house uh and right above

1507
01:01:15,349 --> 01:01:14,400
our head like literally right above our

1508
01:01:18,710 --> 01:01:15,359
head in the

1509
01:01:23,030 --> 01:01:18,720
the floor above us it felt like

1510
01:01:26,789 --> 01:01:23,040
a are you know it felt and it sounded

1511
01:01:28,150 --> 01:01:26,799
like someone just slammed into the

1512
01:01:31,109 --> 01:01:28,160
ground

1513
01:01:31,430 --> 01:01:31,119

above us and again we knew that there

1514

01:01:34,870 --> 01:01:31,440

was

1515

01:01:36,630 --> 01:01:34,880

no one else in this area we knew that

1516

01:01:39,349 --> 01:01:36,640

there was no like homeless people

1517

01:01:42,069 --> 01:01:39,359

sleeping there or kids sleeping there or

1518

01:01:45,030 --> 01:01:42,079

doing what kids do

1519

01:01:46,710 --> 01:01:45,040

you know we we knew that the the amount

1520

01:01:48,870 --> 01:01:46,720

of noise that happened there

1521

01:01:50,789 --> 01:01:48,880

could not have been like a a you know

1522

01:01:53,910 --> 01:01:50,799

raccoon or a possum or

1523

01:01:55,510 --> 01:01:53,920

something like that but

1524

01:01:58,150 --> 01:01:55,520

you just have these things happen and

1525

01:02:01,430 --> 01:01:58,160

you go oh

1526

01:02:02,870 --> 01:02:01,440

then for for me and

1527

01:02:05,190 --> 01:02:02,880

you know kind of sounding what you're

1528

01:02:08,230 --> 01:02:05,200

saying

1529

01:02:08,870 --> 01:02:08,240

it was not good these were things that

1530

01:02:15,510 --> 01:02:08,880

were

1531

01:02:17,990 --> 01:02:15,520

get us to leave the house to exit the

1532

01:02:20,710 --> 01:02:18,000

house to get out of the house

1533

01:02:22,150 --> 01:02:20,720

um almost in the threatening sense of

1534

01:02:24,230 --> 01:02:22,160

what i felt yeah

1535

01:02:26,230 --> 01:02:24,240

and even knowing that we had to go and

1536

01:02:27,430 --> 01:02:26,240

retrieve the equipment

1537

01:02:29,029 --> 01:02:27,440

didn't even want to do that because i

1538

01:02:30,870 --> 01:02:29,039

know at one point i left the house and

1539

01:02:31,990 --> 01:02:30,880

i'm like i don't think i can go back in

1540

01:02:35,109 --> 01:02:32,000

there

1541

01:02:36,390 --> 01:02:35,119

um and you know possibly thinking we'll

1542

01:02:38,390 --> 01:02:36,400

just come back in the morning and try to

1543

01:02:42,150 --> 01:02:38,400

get the equipment

1544

01:02:45,109 --> 01:02:42,160

but you know when you go

1545

01:02:49,670 --> 01:02:45,119

out and and do that stuff yeah i mean

1546

01:02:53,349 --> 01:02:49,680

you have to be spiritually prepared to

1547

01:02:56,870 --> 01:02:53,359

go basically into battle um

1548

01:03:00,069 --> 01:02:56,880

and yeah ew i mean

1549

01:03:05,510 --> 01:03:00,079

what was your thoughts on that night man

1550

01:03:09,750 --> 01:03:07,430

to put it bluntly i'm going through my

1551

01:03:13,589 --> 01:03:09,760

emotions and the place was just evil

1552

01:03:15,270 --> 01:03:13,599

it was just pure evil and nowadays

1553

01:03:17,750 --> 01:03:15,280

i've had some pretty scary events take

1554

01:03:18,150 --> 01:03:17,760

place there since and nowadays that

1555

01:03:20,630 --> 01:03:18,160

place

1556

01:03:22,549 --> 01:03:20,640

i mean it really needs to be locked down

1557

01:03:25,510 --> 01:03:22,559

it sounds so bad

1558

01:03:26,069 --> 01:03:25,520

but or you know analyzed in it deeper a

1559

01:03:29,270 --> 01:03:26,079

different

1560

01:03:32,390 --> 01:03:29,280

deeper level but that location

1561

01:03:39,430 --> 01:03:32,400

is uh currently

1562

01:03:46,069 --> 01:03:43,029

effigies on the walls of skinwalkers

1563

01:03:49,190 --> 01:03:46,079

and shape shifters and black magic

1564

01:03:51,589 --> 01:03:49,200

and you name it all kinds of pentagrams

1565

01:03:53,910 --> 01:03:51,599

so there's definitely completion of at

1566

01:03:56,470 --> 01:03:53,920

least some kind of ritualistic

1567

01:03:57,349 --> 01:03:56,480

symbolism taking place i can certify

1568

01:04:00,870 --> 01:03:57,359

that

1569

01:04:03,670 --> 01:04:00,880

now the place in general

1570

01:04:05,990 --> 01:04:03,680

super haunted that's my opinion super

1571

01:04:08,710 --> 01:04:06,000

haunted

1572

01:04:09,349 --> 01:04:08,720

yeah i you know what when we went out

1573

01:04:10,789 --> 01:04:09,359

there when we

1574

01:04:13,829 --> 01:04:10,799

when we first went out there we knew

1575

01:04:17,190 --> 01:04:13,839

that it was a place that a lot of the

1576

01:04:17,750 --> 01:04:17,200

the teenagers would go to to to drink

1577

01:04:20,390 --> 01:04:17,760

beer

1578

01:04:20,789 --> 01:04:20,400

to you know to make out to do other

1579

01:04:24,630 --> 01:04:20,799

things

1580

01:04:27,430 --> 01:04:24,640

yeah like a lover's life um sure but

1581

01:04:28,870 --> 01:04:27,440

yeah i mean to know that p and i i mean

1582

01:04:29,270 --> 01:04:28,880

i've heard through the grapevine that

1583

01:04:32,470 --> 01:04:29,280

people

1584

01:04:35,670 --> 01:04:32,480

are using that that area uh

1585

01:04:39,190 --> 01:04:35,680

and have used that house as a

1586

01:04:43,510 --> 01:04:39,200

i guess a almost sanctuary

1587

01:04:45,829 --> 01:04:43,520

to uh to dark magic and stuff like that

1588

01:04:47,589 --> 01:04:45,839

yes once you start doing that especially

1589

01:04:50,549 --> 01:04:47,599

in that area

1590

01:04:51,829 --> 01:04:50,559

you know once you start you know like

1591

01:04:55,029 --> 01:04:51,839

inviting in the

1592

01:04:58,950 --> 01:04:55,039

this evil uh into your life

1593

01:05:01,910 --> 01:04:58,960

and and doing that aspect i mean

1594

01:05:03,270 --> 01:05:01,920

that's not a road you want to go down um

1595

01:05:05,829 --> 01:05:03,280

you know i

1596

01:05:07,029 --> 01:05:05,839

and and again i i you know you

1597

01:05:10,549 --> 01:05:07,039

preference this by

1598

01:05:12,549 --> 01:05:10,559

by saying you know i'm not i'm not the

1599

01:05:13,990 --> 01:05:12,559

type of pastor that is

1600

01:05:15,750 --> 01:05:14,000

that is like you know if you play

1601
01:05:17,510 --> 01:05:15,760
dungeons and dragons you're

1602
01:05:18,789 --> 01:05:17,520
you're allowing witchcraft in your life

1603
01:05:20,789 --> 01:05:18,799
because i i have a huge

1604
01:05:22,549 --> 01:05:20,799
dungeons and dragons collection right in

1605
01:05:25,910 --> 01:05:22,559
front of my face sure

1606
01:05:26,870 --> 01:05:25,920
um you know but i will say that you have

1607
01:05:29,109 --> 01:05:26,880
to

1608
01:05:30,150 --> 01:05:29,119
tread lightly when you when you do these

1609
01:05:33,190 --> 01:05:30,160
things when you do

1610
01:05:35,430 --> 01:05:33,200
go on to especially

1611
01:05:36,390 --> 01:05:35,440
like ghost hunting investigations if you

1612
01:05:39,270 --> 01:05:36,400
go into

1613
01:05:40,870 --> 01:05:39,280

different parts of the uintah basin uh

1614

01:05:42,710 --> 01:05:40,880

you know known as you know the path of

1615

01:05:46,230 --> 01:05:42,720

the skinwalker and stuff that

1616

01:05:49,190 --> 01:05:46,240

magic is there a lot of all this stuff

1617

01:05:50,069 --> 01:05:49,200

what was based around was based around

1618

01:05:53,190 --> 01:05:50,079

dark magic

1619

01:05:55,270 --> 01:05:53,200

and it was basically uh

1620

01:05:56,390 --> 01:05:55,280

you know with witchcraft and and things

1621

01:05:59,990 --> 01:05:56,400

of that nature not

1622

01:06:02,150 --> 01:06:00,000

in the you know you know rah-rah

1623

01:06:03,990 --> 01:06:02,160

witchcraft of harry potter but the

1624

01:06:07,270 --> 01:06:04,000

actual like

1625

01:06:11,430 --> 01:06:07,280

you know you know trying to summon

1626

01:06:12,470 --> 01:06:11,440

dark entities to invite them into the

1627

01:06:15,430 --> 01:06:12,480

world which

1628

01:06:16,150 --> 01:06:15,440

you know i think you know if if a person

1629

01:06:17,589 --> 01:06:16,160

does that

1630

01:06:19,750 --> 01:06:17,599

you know they have to understand that

1631

01:06:22,950 --> 01:06:19,760

the concept of you know what

1632

01:06:25,270 --> 01:06:22,960

you know demons do um

1633

01:06:26,390 --> 01:06:25,280

what you know the if you whatever you

1634

01:06:29,990 --> 01:06:26,400

want to call them demons

1635

01:06:30,630 --> 01:06:30,000

uh you know satan's abandoned misfits

1636

01:06:37,109 --> 01:06:30,640

are

1637

01:06:39,190 --> 01:06:37,119

you know it's not something you just

1638

01:06:42,549 --> 01:06:39,200

kind of you play about that's why

1639

01:06:45,990 --> 01:06:42,559

it for me whenever we go into that and

1640

01:06:47,349 --> 01:06:46,000

you know i heard the stories but yeah if

1641

01:06:48,150 --> 01:06:47,359

you were like hey you want to go back to

1642

01:06:52,150 --> 01:06:48,160

this place i'm

1643

01:06:52,630 --> 01:06:52,160

like um no i don't know about that

1644

01:06:57,270 --> 01:06:52,640

because

1645

01:06:59,670 --> 01:06:57,280

it was it was a lot of

1646

01:07:00,789 --> 01:06:59,680

a lot of battle and you know and i've

1647

01:07:04,069 --> 01:07:00,799

talked to other

1648

01:07:07,109 --> 01:07:04,079

uh christian investigators before uh

1649

01:07:08,950 --> 01:07:07,119

people that have done things and we've

1650

01:07:11,029 --> 01:07:08,960

all had that experience

1651

01:07:13,190 --> 01:07:11,039

uh you know some here in you know where

1652

01:07:16,390 --> 01:07:13,200

i'm at now in missouri

1653

01:07:19,190 --> 01:07:16,400

uh are in other areas

1654

01:07:21,829 --> 01:07:19,200

where you know there's just that one

1655

01:07:25,510 --> 01:07:21,839

place that you go to

1656

01:07:29,270 --> 01:07:25,520

that is evil there there is an

1657

01:07:32,470 --> 01:07:29,280

evil there that

1658

01:07:34,950 --> 01:07:32,480

you just you really don't want to don't

1659

01:07:37,990 --> 01:07:34,960

and shouldn't mess with

1660

01:07:43,349 --> 01:07:38,000

and you know for us you know out of that

1661

01:07:45,190 --> 01:07:43,359

that castle you know that was you know

1662

01:07:47,190 --> 01:07:45,200

going into it getting the the you know

1663

01:07:49,589 --> 01:07:47,200

little goosebumps and seeing the lights

1664

01:07:53,430 --> 01:07:49,599

kind of flicker and stuff like that

1665

01:07:58,150 --> 01:07:53,440

um but for me that that slam

1666

01:07:59,750 --> 01:07:58,160

uh that happened that was

1667

01:08:01,670 --> 01:07:59,760

pretty much the nail in the coffin of

1668

01:08:03,430 --> 01:08:01,680

saying okay

1669

01:08:05,589 --> 01:08:03,440

for for me personally this is probably

1670

01:08:09,270 --> 01:08:05,599

[h__\h] in a place i should

1671

01:08:10,950 --> 01:08:09,280

deal with anymore um

1672

01:08:12,309 --> 01:08:10,960

you know and i i would even tell people

1673

01:08:14,069 --> 01:08:12,319

if they're if they're trying to figure

1674

01:08:16,630 --> 01:08:14,079

out where this is at

1675

01:08:18,229 --> 01:08:16,640

you know go look at it during the day

1676

01:08:21,349 --> 01:08:18,239

but don't go back at night

1677

01:08:24,630 --> 01:08:21,359

never um and if you do uh

1678

01:08:27,430 --> 01:08:24,640

you better better be very prepared

1679

01:08:28,149 --> 01:08:27,440

to you're taking something home with you

1680

01:08:30,709 --> 01:08:28,159

you better be

1681

01:08:31,269 --> 01:08:30,719

prepared guarantee you know your group

1682

01:08:34,470 --> 01:08:31,279

um

1683

01:08:36,149 --> 01:08:34,480

you know i again i've kind of told you

1684

01:08:37,669 --> 01:08:36,159

all i'm going to pray

1685

01:08:40,070 --> 01:08:37,679

and i hope you pray with me in this car

1686

01:08:42,630 --> 01:08:40,080

because we need to we need to have our

1687

01:08:46,229 --> 01:08:42,640

armor on as we go in

1688

01:08:49,110 --> 01:08:46,239

and uh yeah i oh

1689

01:08:52,309 --> 01:08:49,120

it just gives me you know gives me the

1690

01:08:55,110 --> 01:08:52,319

goosebumps thinking about it

1691

01:08:56,950 --> 01:08:55,120

and if the dark magic is real then the

1692

01:08:58,950 --> 01:08:56,960

light magic is real and that's kind of

1693

01:09:00,470 --> 01:08:58,960

the spiritual tap on the shoulder is

1694

01:09:03,269 --> 01:09:00,480

like certifying that this is

1695

01:09:04,829 --> 01:09:03,279

real like something about this is real

1696

01:09:08,390 --> 01:09:04,839

as an observer i'm seeing

1697

01:09:12,070 --> 01:09:08,400

something that is at least

1698

01:09:13,510 --> 01:09:12,080

in my psyche uh convincing mere

1699

01:09:16,789 --> 01:09:13,520

completing the task

1700

01:09:18,390 --> 01:09:16,799

of convincing me that there is something

1701

01:09:20,390 --> 01:09:18,400

other than ourselves that is more

1702

01:09:22,950 --> 01:09:20,400

powerful than ourselves and can

1703

01:09:23,990 --> 01:09:22,960

manifest without a body now put that

1704

01:09:26,950 --> 01:09:24,000

into perspective

1705

01:09:27,510 --> 01:09:26,960

this is very biblical is why will is

1706

01:09:30,390 --> 01:09:27,520

such

1707

01:09:30,950 --> 01:09:30,400

a good person to have on because without

1708

01:09:34,070 --> 01:09:30,960

a body

1709

01:09:37,430 --> 01:09:34,080

something is completing this transaction

1710

01:09:41,269 --> 01:09:37,440

of crossing over to make a point

1711

01:09:42,070 --> 01:09:41,279

and um you know that point could be

1712

01:09:44,870 --> 01:09:42,080

anything from

1713

01:09:45,990 --> 01:09:44,880

you don't want to do what i did because

1714

01:09:48,789 --> 01:09:46,000

it ain't good here

1715

01:09:49,829 --> 01:09:48,799

two i don't know uh just just the

1716

01:09:53,269 --> 01:09:49,839

realization

1717

01:09:54,790 --> 01:09:53,279

that there is another side well

1718

01:09:57,910 --> 01:09:54,800

yeah you know when you when you get into

1719

01:10:02,390 --> 01:09:57,920

the bible when you get into these

1720

01:10:04,709 --> 01:10:02,400

these ideas um and and it's funny just

1721

01:10:07,510 --> 01:10:04,719

just this october i i preached two

1722

01:10:10,950 --> 01:10:07,520

sermons uh the first sermon was called a

1723

01:10:13,990 --> 01:10:10,960

a a witch and a saul no i'm sorry

1724

01:10:17,910 --> 01:10:14,000

a witch and saul uh

1725

01:10:20,070 --> 01:10:17,920

no anyway i like it i like a witch

1726

01:10:22,310 --> 01:10:20,080

and a witch an assault a ghost or

1727

01:10:25,110 --> 01:10:22,320

something like a witch and a soul

1728

01:10:26,790 --> 01:10:25,120

yeah and i i have that sermon online but

1729

01:10:29,990 --> 01:10:26,800

it was basically the

1730

01:10:32,790 --> 01:10:30,000

the story of king solomon my favorite

1731

01:10:33,590 --> 01:10:32,800

no i'm sorry excuse me king saul who

1732

01:10:37,590 --> 01:10:33,600

went to

1733

01:10:40,630 --> 01:10:37,600

the witch of endor who was a medium

1734

01:10:44,709 --> 01:10:40,640

and basically asked her to

1735

01:10:48,070 --> 01:10:44,719

raise the prophet samuel

1736

01:10:51,990 --> 01:10:48,080

so that he could he could talk to him

1737

01:10:55,669 --> 01:10:52,000

and she did she she literally conjured

1738

01:10:59,350 --> 01:10:55,679

um samuel so that king saul

1739

01:11:02,790 --> 01:10:59,360

could could talk to her now

1740

01:11:07,830 --> 01:11:02,800

now as i preached that sunday uh this

1741

01:11:11,350 --> 01:11:10,070

it was not her power that did it

1742

01:11:15,510 --> 01:11:11,360

although she probably thought

1743

01:11:19,910 --> 01:11:15,520

it was her power god actually raised him

1744

01:11:20,790 --> 01:11:19,920

his spirit to to give this message to

1745

01:11:22,470 --> 01:11:20,800

the king

1746

01:11:24,310 --> 01:11:22,480

who basically said you're outside of

1747

01:11:27,910 --> 01:11:24,320

god's favor

1748

01:11:29,110 --> 01:11:27,920

uh so you know that that is a biblical

1749

01:11:31,430 --> 01:11:29,120

example if you want to say

1750

01:11:32,229 --> 01:11:31,440

of a person who had died who had come

1751

01:11:34,709 --> 01:11:32,239

back

1752

01:11:35,910 --> 01:11:34,719

to our plane of existence to give a

1753

01:11:40,070 --> 01:11:35,920

message

1754

01:11:42,310 --> 01:11:40,080

uh and that is biblical um but again

1755

01:11:44,149 --> 01:11:42,320

who had the power it was in the power of

1756

01:11:46,630 --> 01:11:44,159

god to actually raise him

1757

01:11:47,270 --> 01:11:46,640

to allow it because actually the the

1758

01:11:49,189 --> 01:11:47,280

witch

1759

01:11:50,390 --> 01:11:49,199

she was actually amazed at what had

1760

01:11:52,070 --> 01:11:50,400

happened she

1761

01:11:54,709 --> 01:11:52,080

you know which kind of could to tell

1762

01:11:57,669 --> 01:11:54,719

that maybe this was a con game by her

1763

01:11:59,110 --> 01:11:57,679

um you know the old you know let's sit

1764

01:12:00,950 --> 01:11:59,120

around the table and i'm going to

1765

01:12:02,790 --> 01:12:00,960

knock the table with my leg and say it's

1766

01:12:05,669 --> 01:12:02,800

your uncle knocking it

1767

01:12:07,430 --> 01:12:05,679

you know your dead uncle but uh you know

1768

01:12:10,310 --> 01:12:07,440

but then you also have stories

1769

01:12:12,390 --> 01:12:10,320

in the new testament and examples of the

1770

01:12:14,870 --> 01:12:12,400

new testament where

1771

01:12:15,910 --> 01:12:14,880

one was jesus walking on water and the

1772

01:12:19,750 --> 01:12:15,920

disciples

1773

01:12:24,630 --> 01:12:22,870

and then another time where uh you know

1774

01:12:27,830 --> 01:12:24,640

even when jesus comes back

1775

01:12:30,630 --> 01:12:27,840

after his resurrection he says

1776

01:12:31,189 --> 01:12:30,640

you know a spirit doesn't have flesh and

1777

01:12:35,030 --> 01:12:31,199

bone

1778

01:12:38,470 --> 01:12:35,040

pointing to his actual resurrected body

1779

01:12:42,149 --> 01:12:38,480

so this concept has been around for

1780

01:12:44,149 --> 01:12:42,159

thousands of years um since the time of

1781

01:12:47,350 --> 01:12:44,159

king saul

1782

01:12:50,070 --> 01:12:47,360

this concept of ghosts and and

1783

01:12:51,189 --> 01:12:50,080

and witches and and mystic powers and

1784

01:12:54,390 --> 01:12:51,199

stuff like that

1785

01:12:57,110 --> 01:12:54,400

has been around for you know since

1786

01:12:57,590 --> 01:12:57,120

almost the beginning of time uh even

1787

01:13:00,790 --> 01:12:57,600

with

1788

01:13:03,669 --> 01:13:00,800

you know you know moises and going to

1789

01:13:04,310 --> 01:13:03,679

uh the pharaoh and getting the magicians

1790

01:13:07,750 --> 01:13:04,320

out to

1791

01:13:10,870 --> 01:13:07,760

do the magic tricks and stuff like that

1792

01:13:14,470 --> 01:13:10,880

so this whole idea is

1793

01:13:16,149 --> 01:13:14,480

is in is in the bible but you have to

1794

01:13:19,270 --> 01:13:16,159

understand that

1795

01:13:20,550 --> 01:13:19,280

as you know if you're a christian and i

1796

01:13:22,070 --> 01:13:20,560

know some of your listeners are probably

1797

01:13:23,430 --> 01:13:22,080

listening to this going i i don't

1798

01:13:26,470 --> 01:13:23,440

believe in god

1799

01:13:29,510 --> 01:13:26,480

but it's always good to get a nice

1800

01:13:32,550 --> 01:13:29,520

well-rounded view on things so

1801

01:13:36,470 --> 01:13:32,560

you know i hope you listen to it um

1802

01:13:38,070 --> 01:13:36,480

you know this stuff has been around but

1803

01:13:39,669 --> 01:13:38,080

you know especially the times where they

1804

01:13:41,030 --> 01:13:39,679

thought that jesus when he was walking

1805

01:13:43,510 --> 01:13:41,040

on water they called him

1806

01:13:44,070 --> 01:13:43,520

said it was a ghost and even when jesus

1807

01:13:46,709 --> 01:13:44,080

said hey

1808

01:13:47,510 --> 01:13:46,719

you know spirit doesn't have uh flesh

1809

01:13:49,510 --> 01:13:47,520

and bone

1810

01:13:51,030 --> 01:13:49,520

like i do and that that's definitely a

1811

01:13:54,390 --> 01:13:51,040

paraphrase

1812

01:13:57,510 --> 01:13:54,400

um you know this

1813

01:13:59,350 --> 01:13:57,520

this concept this idea that hey people

1814

01:14:02,229 --> 01:13:59,360

have been talking about this so this is

1815

01:14:06,550 --> 01:14:02,239

something that we should talk about

1816

01:14:09,910 --> 01:14:06,560

and understanding that

1817

01:14:12,950 --> 01:14:09,920

man you know what are these things again

1818

01:14:13,990 --> 01:14:12,960

i have to point and say you know what i

1819

01:14:17,270 --> 01:14:14,000

teach what i preach

1820

01:14:20,470 --> 01:14:17,280

is that after we're done on this earth

1821

01:14:23,350 --> 01:14:20,480

there is heaven and there is hell and

1822

01:14:23,830 --> 01:14:23,360

if you follow jesus you go to heaven and

1823

01:14:26,070 --> 01:14:23,840

if you

1824

01:14:28,550 --> 01:14:26,080

don't follow jesus you go to hell and we

1825

01:14:29,910 --> 01:14:28,560

we understand from the story of lazarus

1826

01:14:32,310 --> 01:14:29,920

and the rich man

1827

01:14:33,750 --> 01:14:32,320

that lazarus who followed god he he went

1828

01:14:35,990 --> 01:14:33,760

to abraham's bosom

1829

01:14:38,229 --> 01:14:36,000

and the rich man went into a place of

1830

01:14:41,510 --> 01:14:38,239

torment and fire in flames

1831

01:14:42,390 --> 01:14:41,520

which is a vision you know a version of

1832

01:14:44,709 --> 01:14:42,400

hell

1833

01:14:46,790 --> 01:14:44,719

uh being in that torment in the flames

1834

01:14:49,110 --> 01:14:46,800

that that picture of hell

1835

01:14:50,229 --> 01:14:49,120

um and he is even saying you know hey

1836

01:14:52,550 --> 01:14:50,239

please send

1837

01:14:53,430 --> 01:14:52,560

lazarus back to tell my brothers to have

1838

01:14:59,990 --> 01:14:53,440

this

1839

01:15:02,229 --> 01:15:00,000

these things have been talked about um

1840

01:15:05,590 --> 01:15:02,239

tell them it sucks yeah so understanding

1841

01:15:13,430 --> 01:15:10,310

that in between you know again

1842

01:15:15,270 --> 01:15:13,440

something is trying to deceive you and

1843

01:15:16,870 --> 01:15:15,280

places like the castle that we've been

1844

01:15:19,430 --> 01:15:16,880

to and

1845

01:15:20,709 --> 01:15:19,440

you know other you know events that i've

1846

01:15:23,189 --> 01:15:20,719

talked to people

1847

01:15:24,470 --> 01:15:23,199

um you know people here in missouri who

1848

01:15:27,669 --> 01:15:24,480

have

1849

01:15:31,590 --> 01:15:27,679

been to some very you know very

1850

01:15:33,669 --> 01:15:31,600

scary places um

1851

01:15:35,110 --> 01:15:33,679

missouri has its share of sorry to

1852

01:15:36,870 --> 01:15:35,120

interject missouri has its share of

1853

01:15:39,990 --> 01:15:36,880

scary places it's almost like

1854

01:15:43,270 --> 01:15:40,000

second to none to utah and

1855

01:15:45,270 --> 01:15:43,280

um i just want to interject the

1856

01:15:47,750 --> 01:15:45,280

because we're not the only ones i want

1857

01:15:50,149 --> 01:15:47,760

to jump really quick if it's okay but

1858

01:15:50,870 --> 01:15:50,159

not not to get you off topic but the

1859

01:15:53,430 --> 01:15:50,880

hoofs

1860

01:15:55,830 --> 01:15:53,440

do you remember the hooves the horses or

1861

01:15:58,790 --> 01:15:55,840

others have heard the same thing

1862

01:16:00,229 --> 01:15:58,800

oh oh you're you're talking about at uh

1863

01:16:05,350 --> 01:16:00,239

southern too

1864

01:16:11,030 --> 01:16:08,470

and i i have no idea what what this is

1865

01:16:12,470 --> 01:16:11,040

and we as we would go out we would

1866

01:16:15,430 --> 01:16:12,480

investigate we would go to

1867

01:16:17,910 --> 01:16:15,440

this little offshoot road uh just off

1868

01:16:19,990 --> 01:16:17,920

the main road

1869

01:16:22,229 --> 01:16:20,000

and again we're standing right by fence

1870

01:16:25,669 --> 01:16:22,239

line and they're

1871

01:16:26,950 --> 01:16:25,679

galloping horses and you know and i've

1872

01:16:29,990 --> 01:16:26,960

taken a group

1873

01:16:33,510 --> 01:16:30,000

of of youth from a

1874

01:16:37,110 --> 01:16:33,520

uh that came down on a mission trip

1875

01:16:40,310 --> 01:16:37,120

uh and they would hear the horse running

1876

01:16:42,229 --> 01:16:40,320

up to the fence like where they are at

1877

01:16:43,990 --> 01:16:42,239

and they're like oh there's horses and i

1878

01:16:47,430 --> 01:16:44,000

said i don't know shine your light

1879

01:16:50,229 --> 01:16:47,440

and there's nothing there no horses yep

1880

01:16:51,030 --> 01:16:50,239

and they're just sitting there like uh

1881

01:16:54,229 --> 01:16:51,040

what

1882

01:16:56,390 --> 01:16:54,239

i'm like yeah it happens galloping

1883

01:16:59,669 --> 01:16:56,400

horses running through this field

1884

01:17:03,430 --> 01:16:59,679

yet there's no horses

1885

01:17:06,630 --> 01:17:03,440

all the time i mean i you know

1886

01:17:06,950 --> 01:17:06,640

i'm not making this stuff up we've heard

1887

01:17:11,669 --> 01:17:06,960

this

1888

01:17:13,750 --> 01:17:11,679

numerous times and it's just

1889

01:17:15,669 --> 01:17:13,760

what's going on because it's not like

1890

01:17:16,870 --> 01:17:15,679

they're they're coming up to us they're

1891

01:17:19,910 --> 01:17:16,880

not doing anything to us

1892

01:17:21,830 --> 01:17:19,920

it's just like noises in the field and i

1893

01:17:25,350 --> 01:17:21,840

mean it's like a galloping horse

1894

01:17:26,390 --> 01:17:25,360

right next to you and there's nothing

1895

01:17:29,510 --> 01:17:26,400

there

1896

01:17:33,189 --> 01:17:29,520

we're not the only ones and um

1897

01:17:35,669 --> 01:17:33,199

the other you know it's it's it's

1898

01:17:37,669 --> 01:17:35,679

it's very odd and and much of much of

1899

01:17:39,669 --> 01:17:37,679

the same things are seen

1900

01:17:41,110 --> 01:17:39,679

like you said the lights in the sky the

1901

01:17:44,709 --> 01:17:41,120

columns around

1902

01:17:47,430 --> 01:17:44,719

the uintah basin in general the

1903

01:17:49,110 --> 01:17:47,440

the whole area i mean the whole area is

1904

01:17:51,750 --> 01:17:49,120

magnificent

1905

01:17:55,110 --> 01:17:51,760

what now that you're in missouri when

1906

01:18:00,950 --> 01:17:55,120

you think back to the uintah basin

1907

01:18:07,030 --> 01:18:03,990

man i you know

1908

01:18:08,630 --> 01:18:07,040

being in missouri i you know i miss the

1909

01:18:13,030 --> 01:18:08,640

opportunities that we had to

1910

01:18:15,910 --> 01:18:13,040

just go out and to hang out to

1911

01:18:16,950 --> 01:18:15,920

to just drive around uh and to

1912

01:18:23,430 --> 01:18:16,960

experience

1913

01:18:24,950 --> 01:18:23,440

something we can't explain or even

1914

01:18:27,350 --> 01:18:24,960

even experience something we can't

1915

01:18:29,189 --> 01:18:27,360

explain you know

1916

01:18:30,550 --> 01:18:29,199

being able to just actually sit there

1917

01:18:33,189 --> 01:18:30,560

and try to figure it out

1918

01:18:35,990 --> 01:18:33,199

and then figuring it out and being like

1919

01:18:38,630 --> 01:18:36,000

hey that's pretty cool

1920

01:18:40,229 --> 01:18:38,640

but going out there first of all you

1921

01:18:43,669 --> 01:18:40,239

know if you have not been

1922

01:18:46,790 --> 01:18:43,679

to the uh basin make sure you go out

1923

01:18:48,870 --> 01:18:46,800

for a decent amount of time uh and make

1924

01:18:51,590 --> 01:18:48,880

sure that you go out when it's

1925

01:18:53,669 --> 01:18:51,600

there's like no moon because if you want

1926

01:18:56,630 --> 01:18:53,679

to see something amazing you just go out

1927

01:18:59,110 --> 01:18:56,640

and just stare at the universe

1928

01:18:59,910 --> 01:18:59,120

i mean you know there first couple times

1929

01:19:02,550 --> 01:18:59,920

i went

1930

01:19:03,669 --> 01:19:02,560

sky watching by myself because just kind

1931

01:19:06,790 --> 01:19:03,679

of like

1932

01:19:10,390 --> 01:19:06,800

dipping my toe in saying thinking hey

1933

01:19:13,669 --> 01:19:10,400

i want to do this it was literally me

1934

01:19:16,950 --> 01:19:13,679

driving outside of town a little bit

1935

01:19:17,669 --> 01:19:16,960

uh hitting one of the roads probably one

1936

01:19:23,830 --> 01:19:17,679

of the

1937

01:19:24,470 --> 01:19:23,840

just parking my truck and turning it off

1938

01:19:27,430 --> 01:19:24,480

and like

1939

01:19:28,070 --> 01:19:27,440

just getting out and staring at the sky

1940

01:19:31,510 --> 01:19:28,080

and just

1941

01:19:34,550 --> 01:19:31,520

being amazed at seeing the universe

1942

01:19:35,430 --> 01:19:34,560

like i never seen it before i've never

1943

01:19:39,030 --> 01:19:35,440

seen this sky

1944

01:19:41,990 --> 01:19:39,040

so dark uh before in my life you know

1945

01:19:43,430 --> 01:19:42,000

i i i lived in missouri and i moved out

1946

01:19:46,229 --> 01:19:43,440

to utah

1947

01:19:47,270 --> 01:19:46,239

so i i went from like the suburbs of st

1948

01:19:50,390 --> 01:19:47,280

louis

1949

01:19:53,750 --> 01:19:50,400

to like

1950

01:19:57,590 --> 01:19:53,760

nowhere utah where

1951

01:19:59,910 --> 01:19:57,600

you know you couldn't see the stars

1952

01:20:00,950 --> 01:19:59,920

because of all the light pollution to

1953

01:20:04,550 --> 01:20:00,960

seeing

1954

01:20:08,390 --> 01:20:04,560

so many stars you can't even count

1955

01:20:11,590 --> 01:20:08,400

but you just to go out there and to

1956

01:20:15,110 --> 01:20:11,600

have that that mind that you can just

1957

01:20:18,629 --> 01:20:15,120

be open and see stuff and be

1958

01:20:21,510 --> 01:20:18,639

and first of all be very respectful of

1959

01:20:22,950 --> 01:20:21,520

the area and some properties so

1960

01:20:24,950 --> 01:20:22,960

important

1961

01:20:27,110 --> 01:20:24,960

you know everything because you don't

1962

01:20:29,189 --> 01:20:27,120

want to go out and be disrespectful

1963

01:20:31,350 --> 01:20:29,199

while investigating it just gives us all

1964

01:20:33,030 --> 01:20:31,360

a bad name

1965

01:20:34,950 --> 01:20:33,040

but you want to go out and you want to

1966

01:20:36,790 --> 01:20:34,960

experience the stuff and you want to go

1967

01:20:40,310 --> 01:20:36,800

out and

1968

01:20:41,430 --> 01:20:40,320

and just embrace it and ask the

1969

01:20:44,790 --> 01:20:41,440

questions

1970

01:20:47,830 --> 01:20:44,800

uh and seek the answers and

1971

01:20:50,070 --> 01:20:47,840

you know not try to be the next you know

1972

01:20:51,430 --> 01:20:50,080

big name in the the paranormal

1973

01:20:55,669 --> 01:20:51,440

investigating stuff

1974

01:20:59,430 --> 01:20:55,679

so true but just go out and be

1975

01:21:01,750 --> 01:20:59,440

absolutely amazed at what has happened

1976

01:21:02,629 --> 01:21:01,760

you know i uh i reached out to one of

1977

01:21:04,950 --> 01:21:02,639

our buddies

1978

01:21:06,070 --> 01:21:04,960

uh who's pretty well known in this this

1979

01:21:09,430 --> 01:21:06,080

area

1980

01:21:13,030 --> 01:21:09,440

um after you know doing some

1981

01:21:16,470 --> 01:21:13,040

doing some stuff out in the uintah basin

1982

01:21:17,189 --> 01:21:16,480

and you know just talking with him about

1983

01:21:18,950 --> 01:21:17,199

how

1984

01:21:21,110 --> 01:21:18,960

you know some of the stuff that they

1985

01:21:24,870 --> 01:21:21,120

they showed on tv

1986

01:21:27,910 --> 01:21:24,880

didn't even really you know

1987

01:21:30,790 --> 01:21:27,920

really tell the whole story because he

1988

01:21:33,510 --> 01:21:30,800

had been out there so many times

1989

01:21:35,110 --> 01:21:33,520

uh investigating with you and you know

1990

01:21:37,590 --> 01:21:35,120

other stuff

1991

01:21:39,510 --> 01:21:37,600

that some of our most prized

1992

01:21:41,669 --> 01:21:39,520

investigating stuff is when we don't

1993

01:21:43,350 --> 01:21:41,679

have cameras and we don't have

1994

01:21:45,750 --> 01:21:43,360

you know we're not really looking for

1995

01:21:48,390 --> 01:21:45,760

stuff um

1996

01:21:48,950 --> 01:21:48,400

you know again us walking down the road

1997

01:21:52,149 --> 01:21:48,960

at

1998

01:21:54,550 --> 01:21:52,159

gl2 was us

1999

01:21:56,390 --> 01:21:54,560

talking and then turning around and

2000

01:22:00,229 --> 01:21:56,400

seeing something and going

2001

01:22:01,990 --> 01:22:00,239

hey that was cool and just walking in it

2002

01:22:04,709 --> 01:22:02,000

and being embraced in it

2003

01:22:05,430 --> 01:22:04,719

and you know that is when the stuff will

2004

01:22:08,390 --> 01:22:05,440

happen

2005

01:22:10,390 --> 01:22:08,400

is when you go out and you said okay i'm

2006

01:22:12,629 --> 01:22:10,400

gonna be respectful

2007

01:22:14,229 --> 01:22:12,639

i'm going to go out and i'm going to be

2008

01:22:17,750 --> 01:22:14,239

open-minded

2009

01:22:20,629 --> 01:22:17,760

um i will seek answers i will

2010

01:22:21,750 --> 01:22:20,639

you know if i have to admit i don't know

2011

01:22:24,870 --> 01:22:21,760

the answer i will

2012

01:22:27,590 --> 01:22:24,880

admit i don't know the answer um but

2013

01:22:31,030 --> 01:22:27,600

once you start doing that

2014

01:22:34,790 --> 01:22:34,149

man so true so true i couldn't have said

2015

01:22:37,270 --> 01:22:34,800

it better

2016

01:22:37,990 --> 01:22:37,280

even if i wanted to and and that's why

2017

01:22:39,990 --> 01:22:38,000

i'm so happy

2018

01:22:42,310 --> 01:22:40,000

that you you took some time to come on

2019

01:22:43,590 --> 01:22:42,320

and and talk to the listeners and talk

2020

01:22:45,430 --> 01:22:43,600

to me about

2021

01:22:46,790 --> 01:22:45,440

you know the magic that it's you in a

2022

01:22:48,950 --> 01:22:46,800

basin and and

2023

01:22:50,709 --> 01:22:48,960

missouri has a bunch of that magic too

2024

01:22:52,629 --> 01:22:50,719

we'll have to do that in another episode

2025

01:22:55,189 --> 01:22:52,639

maybe but yeah man

2026

01:22:55,910 --> 01:22:55,199

a lot going on in the world today uh

2027

01:22:57,590 --> 01:22:55,920

ending

2028

01:22:59,270 --> 01:22:57,600

with the episode here because we're just

2029

01:23:00,790 --> 01:22:59,280

kind of wrapping up what

2030

01:23:02,310 --> 01:23:00,800

what can you give our listeners with

2031

01:23:04,629 --> 01:23:02,320

these troubling times

2032

01:23:07,189 --> 01:23:04,639

uh what what what what's a good way to

2033

01:23:10,390 --> 01:23:07,199

close this out

2034

01:23:11,830 --> 01:23:10,400

well i'll say it like this um you know

2035

01:23:12,950 --> 01:23:11,840

especially with everything that's going

2036

01:23:15,030 --> 01:23:12,960

on this week

2037

01:23:17,750 --> 01:23:15,040

uh what's going to be going on in the

2038

01:23:21,750 --> 01:23:17,760

you know what's what's went on last year

2039

01:23:24,950 --> 01:23:21,760

with with the answer introduction are in

2040

01:23:28,149 --> 01:23:24,960

with us being introduced to uh kobit 19

2041

01:23:31,350 --> 01:23:28,159

yep and uh that

2042

01:23:35,030 --> 01:23:31,360

going into uh lockdowns and

2043

01:23:37,270 --> 01:23:35,040

masks and a lot of people being

2044

01:23:38,310 --> 01:23:37,280

upset a lot of people hurt a lot of

2045

01:23:41,830 --> 01:23:38,320

people

2046

01:23:44,709 --> 01:23:41,840

uh trying to you know worry about their

2047

01:23:47,030 --> 01:23:44,719

their freedoms and things of that nature

2048

01:23:48,709 --> 01:23:47,040

uh going into the election and all the

2049

01:23:50,390 --> 01:23:48,719

things that happened after election all

2050

01:23:53,830 --> 01:23:50,400

the things that happened

2051

01:24:01,990 --> 01:23:59,110

listen when we wake up in the morning

2052

01:24:02,629 --> 01:24:02,000

it's a new day you need to thank god for

2053

01:24:05,110 --> 01:24:02,639

the day

2054

01:24:08,390 --> 01:24:05,120

that he's given you because every day

2055

01:24:10,629 --> 01:24:08,400

that he's given you as a gift

2056

01:24:11,590 --> 01:24:10,639

always remember that god is on his

2057

01:24:15,510 --> 01:24:11,600

throne

2058

01:24:18,870 --> 01:24:15,520

and that he's in control of all and that

2059

01:24:20,470 --> 01:24:18,880

when you walk with god no matter what

2060

01:24:23,030 --> 01:24:20,480

comes at you

2061

01:24:23,750 --> 01:24:23,040

you know if god is for us to if god is

2062

01:24:27,430 --> 01:24:23,760

for us

2063

01:24:29,830 --> 01:24:27,440

who can be against us you know

2064

01:24:32,149 --> 01:24:29,840

and i know not all your listeners you

2065

01:24:35,750 --> 01:24:32,159

know believe in god

2066

01:24:39,189 --> 01:24:35,760

but this is the advice i would give

2067

01:24:42,470 --> 01:24:39,199

no matter who you voted for

2068

01:24:44,550 --> 01:24:42,480

life goes on no matter what happened on

2069

01:24:48,310 --> 01:24:44,560

the sixth

2070

01:24:51,350 --> 01:24:48,320

life goes on we are only here

2071

01:24:55,750 --> 01:24:51,360

until god calls us home our

2072

01:24:59,669 --> 01:24:55,760

jesus returns until then

2073

01:25:01,830 --> 01:24:59,679

remember first of all be consistent

2074

01:25:03,910 --> 01:25:01,840

uh that's been like my word of the day

2075

01:25:05,990 --> 01:25:03,920

being consistent

2076

01:25:07,669 --> 01:25:06,000

if you were upset at the riots before

2077

01:25:08,870 --> 01:25:07,679

you should be upset of what happened on

2078

01:25:10,709 --> 01:25:08,880

the sixth

2079

01:25:12,310 --> 01:25:10,719

if you weren't upset at the riots before

2080

01:25:13,990 --> 01:25:12,320

you probably should have been upset of

2081

01:25:15,590 --> 01:25:14,000

what happened on the six

2082

01:25:19,110 --> 01:25:15,600

because either way you look at it

2083

01:25:23,189 --> 01:25:21,430

but it's time to love each other it's

2084

01:25:24,550 --> 01:25:23,199

time to forgive

2085

01:25:26,390 --> 01:25:24,560

that's one of the words i think that

2086

01:25:29,830 --> 01:25:26,400

people have forgotten

2087

01:25:30,550 --> 01:25:29,840

is that we are called to forgive each

2088

01:25:34,629 --> 01:25:30,560

other

2089

01:25:36,070 --> 01:25:34,639

even if and you know this is important

2090

01:25:38,470 --> 01:25:36,080

especially if there's any christians

2091

01:25:42,149 --> 01:25:38,480

listening to this that are upset at

2092

01:25:45,350 --> 01:25:42,159

whatever political party or person

2093

01:25:46,390 --> 01:25:45,360

we are called to forgive even before

2094

01:25:49,590 --> 01:25:46,400

someone has even

2095

01:25:53,270 --> 01:25:49,600

asked for our forgiveness

2096

01:25:56,550 --> 01:25:53,280

we have been loved by a god

2097

01:25:58,470 --> 01:25:56,560

a creator who died for our sins on the

2098

01:26:01,270 --> 01:25:58,480

cross

2099

01:26:01,990 --> 01:26:01,280

and even as he was being crucified on

2100

01:26:04,470 --> 01:26:02,000

the cross

2101
01:26:06,149 --> 01:26:04,480
he said father forgive them for they

2102
01:26:10,870 --> 01:26:06,159
know not what they do

2103
01:26:12,709 --> 01:26:10,880
yeah key words be a bigger person

2104
01:26:14,390 --> 01:26:12,719
we should look at the people across the

2105
01:26:19,910 --> 01:26:14,400
aisle

2106
01:26:23,510 --> 01:26:19,920
and say i forgive you i love you

2107
01:26:24,550 --> 01:26:23,520
let's live life together and once you

2108
01:26:27,669 --> 01:26:24,560
start doing that

2109
01:26:32,709 --> 01:26:27,679
once you start like really embracing

2110
01:26:37,830 --> 01:26:32,719
that mindset that god

2111
01:26:40,229 --> 01:26:37,840
created us all in his image

2112
01:26:44,149 --> 01:26:40,239
that he loved us enough that jesus would

2113
01:26:49,270 --> 01:26:46,950

that even as he was being persecuted he

2114

01:26:52,390 --> 01:26:49,280

forgave

2115

01:26:56,229 --> 01:26:52,400

it should really open our eyes to what

2116

01:26:59,990 --> 01:26:56,239

we should do to to learn

2117

01:27:03,030 --> 01:27:00,000

to listen to be consistent

2118

01:27:06,950 --> 01:27:03,040

to forgive to love

2119

01:27:09,910 --> 01:27:06,960

your neighbor as you love yourself

2120

01:27:12,870 --> 01:27:09,920

wake up tomorrow take a deep breath

2121

01:27:14,709 --> 01:27:12,880

thank god for the day

2122

01:27:16,790 --> 01:27:14,719

and maybe stay off social media for a

2123

01:27:19,830 --> 01:27:16,800

little bit

2124

01:27:22,390 --> 01:27:19,840

that doesn't always hurt to maybe

2125

01:27:24,149 --> 01:27:22,400

maybe just go you know what not today

2126

01:27:26,629 --> 01:27:24,159

i'm not going to look at facebook

2127

01:27:27,830 --> 01:27:26,639

i'm not going to look at twitter are

2128

01:27:31,430 --> 01:27:27,840

bigger

2129

01:27:36,790 --> 01:27:34,790

so that that's my two cents love it amen

2130

01:27:38,390 --> 01:27:36,800

man can't thank you enough for coming on

2131

01:27:41,110 --> 01:27:38,400

it's so good to talk to you

2132

01:27:42,149 --> 01:27:41,120

and we need to talk again soon and more

2133

01:27:44,149 --> 01:27:42,159

often

2134

01:27:45,590 --> 01:27:44,159

um definitely keep doing what you're

2135

01:27:48,070 --> 01:27:45,600

doing keep writing books

2136

01:27:49,910 --> 01:27:48,080

keep keep bringing people towards the

2137

01:27:50,629 --> 01:27:49,920

light thank you so much will love you

2138

01:27:52,870 --> 01:27:50,639

man

2139

01:27:54,470 --> 01:27:52,880

and i love you too and uh thanks for

2140

01:27:57,910 --> 01:27:54,480

having me on

2141

01:28:01,110 --> 01:27:57,920

man oh man am i glad that i got to get

2142

01:28:03,430 --> 01:28:01,120

mr will hoffman on the podcast because

2143

01:28:04,629 --> 01:28:03,440

he's got some insight that is just so

2144

01:28:06,390 --> 01:28:04,639

unique

2145

01:28:09,669 --> 01:28:06,400

given the time that he's taken

2146

01:28:12,709 --> 01:28:09,679

researching his theological studies

2147

01:28:15,830 --> 01:28:12,719

uh i mean we're talking graduate

2148

01:28:18,709 --> 01:28:15,840

level theological studies interested

2149

01:28:19,669 --> 01:28:18,719

in the paranormal not your typical

2150

01:28:22,070 --> 01:28:19,679

pastor

2151

01:28:24,070 --> 01:28:22,080

interested in cryptozoology but mostly

2152

01:28:25,030 --> 01:28:24,080

interested in making sure everybody gets

2153

01:28:27,750 --> 01:28:25,040

along

2154

01:28:29,030 --> 01:28:27,760

and goes to heaven so i mean makes sense

2155

01:28:30,870 --> 01:28:29,040

why he's a pastor he's just an

2156

01:28:33,990 --> 01:28:30,880

all-around good guy

2157

01:28:37,270 --> 01:28:34,000

happy happy happy that he came on

2158

01:28:40,310 --> 01:28:37,280

and uh hope to have him on again

2159

01:28:42,629 --> 01:28:40,320

soon so uh

2160

01:28:44,310 --> 01:28:42,639

let's make that happen until next time

2161

01:28:46,550 --> 01:28:44,320

guys take care of yourselves

2162

01:28:48,390 --> 01:28:46,560

keep your eyes to the skies feet on the

2163

01:28:57,930 --> 01:28:48,400

ground and don't forget

2164

01:29:08,550 --> 01:29:05,669

[Music]

2165

01:29:21,830 --> 01:29:08,560
