

ADAM  
TAULA

The Paranormal  
Polynesian

HERO

1  
00:00:16,830 --> 00:00:14,910  
[Music]

2  
00:00:26,440 --> 00:00:16,840  
hey

3  
00:00:41,350 --> 00:00:35,530  
[Music]

4  
00:00:43,270 --> 00:00:41,360  
blast off on another episode of hero

5  
00:00:45,910 --> 00:00:43,280  
paranormal podcast

6  
00:00:47,190 --> 00:00:45,920  
broadcasting from the base at la madre

7  
00:00:50,630 --> 00:00:47,200  
mountain just south of

8  
00:00:53,110 --> 00:00:50,640  
area 51 my name is ryan the original

9  
00:00:56,630 --> 00:00:53,120  
outlaw of the airwaves bringing you

10  
00:01:00,549 --> 00:00:56,640  
an epic episode today we have

11  
00:01:03,110 --> 00:01:00,559  
adam taula who is well kind of a utah

12  
00:01:05,590 --> 00:01:03,120  
paranormal sensation i've been on

13  
00:01:08,149 --> 00:01:05,600

investigations with adam

14

00:01:09,590 --> 00:01:08,159

he's the real deal and it's been a while

15

00:01:11,590 --> 00:01:09,600

since i've talked to him so i'm really

16

00:01:15,749 --> 00:01:11,600

excited to ask him

17

00:01:18,630 --> 00:01:15,759

about the recent government ufo report

18

00:01:20,070 --> 00:01:18,640

he follows these types of things and i'm

19

00:01:21,590 --> 00:01:20,080

really interested to find his

20

00:01:24,630 --> 00:01:21,600

perspective

21

00:01:27,190 --> 00:01:24,640

on what is going on i actually spoke

22

00:01:27,749 --> 00:01:27,200

earlier today about the same subject

23

00:01:29,910 --> 00:01:27,759

matter

24

00:01:31,749 --> 00:01:29,920

uh with someone from the deseret news

25

00:01:33,270 --> 00:01:31,759

that article should be coming out

26  
00:01:35,910 --> 00:01:33,280  
in correspondence with some other people

27  
00:01:37,030 --> 00:01:35,920  
who were in basically interviewed

28  
00:01:39,109 --> 00:01:37,040  
and that should be coming out in a

29  
00:01:42,310 --> 00:01:39,119  
couple days so that should be exciting

30  
00:01:44,310 --> 00:01:42,320  
adam and i have not investigated

31  
00:01:47,030 --> 00:01:44,320  
recently but in the past i went

32  
00:01:49,190 --> 00:01:47,040  
on a paranormal investigation to a

33  
00:01:52,230 --> 00:01:49,200  
railway station of all things

34  
00:01:53,910 --> 00:01:52,240  
a haunted railway station and

35  
00:01:55,670 --> 00:01:53,920  
among the things that happened to us

36  
00:01:57,830 --> 00:01:55,680  
i'll be honest i mean i was a i was a

37  
00:02:00,469 --> 00:01:57,840  
skeptic in a hard sell but

38  
00:02:01,030 --> 00:02:00,479

we had actual toilets flushing on us

39

00:02:03,190 --> 00:02:01,040

when we

40

00:02:05,350 --> 00:02:03,200

would walk through one of the restrooms

41

00:02:07,670 --> 00:02:05,360

and there were other things

42

00:02:09,270 --> 00:02:07,680

so there was a lot of paranormal

43

00:02:10,710 --> 00:02:09,280

activity in this particular building i

44

00:02:11,510 --> 00:02:10,720

don't know if we can mention where it

45

00:02:13,589 --> 00:02:11,520

was and

46

00:02:16,390 --> 00:02:13,599

what happened but i'm going to wait and

47

00:02:18,949 --> 00:02:16,400

see what adam says and if we can we will

48

00:02:22,470 --> 00:02:18,959

and there's there's been a lot of

49

00:02:23,910 --> 00:02:22,480

speculation as to the recent ufo

50

00:02:25,910 --> 00:02:23,920

government report i think

51  
00:02:27,750 --> 00:02:25,920  
it's going to hold a lot of answers in

52  
00:02:29,270 --> 00:02:27,760  
the long term right now it kind of seems

53  
00:02:30,710 --> 00:02:29,280  
like a big nothing burger but

54  
00:02:32,710 --> 00:02:30,720  
let's see where this goes without

55  
00:02:34,390 --> 00:02:32,720  
further ado and oh wait

56  
00:02:36,830 --> 00:02:34,400  
i've gotta self promote that

57  
00:02:37,990 --> 00:02:36,840  
shamelessness if you haven't been

58  
00:02:40,470 --> 00:02:38,000  
heroparanormal.com

59  
00:02:41,350 --> 00:02:40,480  
please go there hit that button that

60  
00:02:43,509 --> 00:02:41,360  
donate button

61  
00:02:44,630 --> 00:02:43,519  
smash it and you are in the inner circle

62  
00:02:47,030 --> 00:02:44,640  
and you will get

63  
00:02:49,270 --> 00:02:47,040

more than you bargained for for the

64

00:02:50,390 --> 00:02:49,280

price of just a barista cup of coffee a

65

00:02:52,470 --> 00:02:50,400

month you will be

66

00:02:53,509 --> 00:02:52,480

in the know and one of the patrons we

67

00:02:57,509 --> 00:02:53,519

are also on

68

00:02:59,030 --> 00:02:57,519

patreon find us at heroparanormal.com

69

00:03:00,550 --> 00:02:59,040

actually it's just hero paranormal on

70

00:03:02,790 --> 00:03:00,560

patreon so anyway

71

00:03:04,070 --> 00:03:02,800

there's this shameless self promotion

72

00:03:06,229 --> 00:03:04,080

now without further ado

73

00:03:08,149 --> 00:03:06,239

adam taula welcome to the hero

74

00:03:09,750 --> 00:03:08,159

paranormal podcast my man

75

00:03:12,070 --> 00:03:09,760

i think i lost you there for a second

76

00:03:15,110 --> 00:03:12,080

you there good just

77

00:03:18,149 --> 00:03:15,120

just been busy doing house stuff

78

00:03:21,509 --> 00:03:18,159

and being

79

00:03:23,910 --> 00:03:21,519

a suburban person you know

80

00:03:25,830 --> 00:03:23,920

right and i haven't talked to you since

81

00:03:27,509 --> 00:03:25,840

all this crazy coveted stuff i know you

82

00:03:30,630 --> 00:03:27,519

guys got a house and

83

00:03:31,990 --> 00:03:30,640

things are going well i saw that uh

84

00:03:33,589 --> 00:03:32,000

i saw something what's up with the

85

00:03:37,270 --> 00:03:33,599

youtube channel the paranormal

86

00:03:42,309 --> 00:03:39,589

yeah um it's just this new thing i

87

00:03:44,070 --> 00:03:42,319

decided to start i figured

88

00:03:45,589 --> 00:03:44,080

i've been to so many places over the

89

00:03:47,110 --> 00:03:45,599

years i thought i would

90

00:03:49,990 --> 00:03:47,120

go back and just kind of share the

91

00:03:51,750 --> 00:03:50,000

stories of the experiences

92

00:03:53,670 --> 00:03:51,760

i've moved so many times i'm trying to

93

00:03:55,110 --> 00:03:53,680

find all my evidence but i still can't

94

00:03:57,990 --> 00:03:55,120

find everything

95

00:04:00,149 --> 00:03:58,000

but um yeah i wanted to do a travel

96

00:04:01,830 --> 00:04:00,159

channel where i go to different haunted

97

00:04:04,309 --> 00:04:01,840

locations or just

98

00:04:05,030 --> 00:04:04,319

talk about history of cool places or

99

00:04:07,110 --> 00:04:05,040

just something

100

00:04:08,630 --> 00:04:07,120

you know weird or interesting i find

101  
00:04:12,390 --> 00:04:08,640  
while i'm traveling

102  
00:04:14,390 --> 00:04:12,400  
i think it's great and i i you also i

103  
00:04:15,509 --> 00:04:14,400  
if i could be mistaken on this you had

104  
00:04:17,749 --> 00:04:15,519  
the situation

105  
00:04:18,710 --> 00:04:17,759  
um i believe your whole youtube channel

106  
00:04:20,469 --> 00:04:18,720  
got

107  
00:04:22,550 --> 00:04:20,479  
deleted or disappeared one day right

108  
00:04:26,070 --> 00:04:22,560  
that sounds horrifying

109  
00:04:28,950 --> 00:04:26,080  
yeah i did i i did that myself

110  
00:04:30,070 --> 00:04:28,960  
and uh so that was fun i did i deleted

111  
00:04:31,830 --> 00:04:30,080  
the whole thing

112  
00:04:34,310 --> 00:04:31,840  
that's how good i am with the technology

113  
00:04:36,550 --> 00:04:34,320

ryan like an 80 year old woman

114

00:04:37,749 --> 00:04:36,560

i still have no idea what i'm doing hey

115

00:04:40,469 --> 00:04:37,759

i don't either

116

00:04:41,430 --> 00:04:40,479

it's a miracle that anything works and

117

00:04:45,270 --> 00:04:41,440

um

118

00:04:46,950 --> 00:04:45,280

i was going to ask you we had a few cool

119

00:04:50,230 --> 00:04:46,960

investigations

120

00:04:52,150 --> 00:04:50,240

one of the cool ones was down at the

121

00:04:53,749 --> 00:04:52,160

haunted railway station where the

122

00:04:54,629 --> 00:04:53,759

toilets were flushing and other stuff

123

00:04:55,590 --> 00:04:54,639

happened do you remember that

124

00:04:58,870 --> 00:04:55,600

investigation

125

00:05:00,870 --> 00:04:58,880

i do yeah at the at the depot

126

00:05:02,230 --> 00:05:00,880

yeah i didn't know is it okay to say

127

00:05:03,909 --> 00:05:02,240

where it's at and

128

00:05:05,990 --> 00:05:03,919

can you want to tell the listeners

129

00:05:08,310 --> 00:05:06,000

absolutely oh cool

130

00:05:10,070 --> 00:05:08,320

are you okay with so are we going to

131

00:05:10,950 --> 00:05:10,080

talk about your bed and breakfast since

132

00:05:12,790 --> 00:05:10,960

that's like

133

00:05:14,469 --> 00:05:12,800

we're so amazing let's go there yeah

134

00:05:15,510 --> 00:05:14,479

let's go there let's do it i don't know

135

00:05:18,469 --> 00:05:15,520

what all you're

136

00:05:20,469 --> 00:05:18,479

yeah wanting to speak about but um i

137

00:05:24,550 --> 00:05:20,479

know we've got some crazy stories

138

00:05:25,029 --> 00:05:24,560

over the years we do one of the craziest

139

00:05:26,629 --> 00:05:25,039

was

140

00:05:28,469 --> 00:05:26,639

i remember we went up into the uinta

141

00:05:29,270 --> 00:05:28,479

basin and we were with some other people

142

00:05:31,350 --> 00:05:29,280

and you

143

00:05:33,189 --> 00:05:31,360

i mean other people have done this as

144

00:05:34,710 --> 00:05:33,199

well and they they just say i'm done i'm

145

00:05:36,150 --> 00:05:34,720

not coming back here

146

00:05:38,310 --> 00:05:36,160

you want to go into that one that was

147

00:05:41,830 --> 00:05:38,320

pretty fun yeah

148

00:05:43,430 --> 00:05:41,840

um you'll there there there's so many

149

00:05:47,350 --> 00:05:43,440

things that happened out there

150

00:05:50,469 --> 00:05:47,360

i'm just trying to narrow it down i mean

151  
00:05:51,990 --> 00:05:50,479  
do you remember like well the one that

152  
00:05:55,110 --> 00:05:52,000  
sticks out of my mind is the last

153  
00:05:59,430 --> 00:05:55,120  
time we went when we were with sarah

154  
00:06:02,629 --> 00:05:59,440  
yep i remember that yeah and um

155  
00:06:03,189 --> 00:06:02,639  
but no feel free to talk about anything

156  
00:06:06,309 --> 00:06:03,199  
i mean

157  
00:06:08,070 --> 00:06:06,319  
you were there so you know some crazy

158  
00:06:09,510 --> 00:06:08,080  
things went on and of course you know

159  
00:06:12,790 --> 00:06:09,520  
they still do

160  
00:06:14,469 --> 00:06:12,800  
that place is nuts it is nuts and i

161  
00:06:16,950 --> 00:06:14,479  
remember we were kind of

162  
00:06:19,909 --> 00:06:16,960  
engaging with some lights up on a ridge

163  
00:06:23,110 --> 00:06:19,919

line in the badlands there and

164

00:06:25,110 --> 00:06:23,120

it was we were all seeing it happen

165

00:06:26,230 --> 00:06:25,120

and then i think actually i have the

166

00:06:29,189 --> 00:06:26,240

video

167

00:06:30,390 --> 00:06:29,199

of it on a camcorder wow but it wasn't

168

00:06:31,510 --> 00:06:30,400

happening is that the one you're

169

00:06:33,909 --> 00:06:31,520

speaking of

170

00:06:35,510 --> 00:06:33,919

i'm sure it's the same one yep yeah

171

00:06:36,710 --> 00:06:35,520

because because as i we're playing back

172

00:06:40,070 --> 00:06:36,720

the footage

173

00:06:41,990 --> 00:06:40,080

there's nothing in the camera and so

174

00:06:43,430 --> 00:06:42,000

it's like we were all hallucinating it

175

00:06:46,710 --> 00:06:43,440

at the same time so yeah

176

00:06:49,029 --> 00:06:46,720

that that's one of the big ones

177

00:06:49,990 --> 00:06:49,039

i remember i remember the little girl

178

00:06:52,390 --> 00:06:50,000

kind of

179

00:06:54,070 --> 00:06:52,400

in the bushes i was telling a story

180

00:06:56,550 --> 00:06:54,080

about the queen mary because i had just

181

00:06:57,990 --> 00:06:56,560

gone from an investigation there and

182

00:06:58,629 --> 00:06:58,000

then we all started hearing a little

183

00:07:00,950 --> 00:06:58,639

girl in the

184

00:07:02,950 --> 00:07:00,960

face brush do you remember that i do i

185

00:07:07,189 --> 00:07:02,960

do super freaky

186

00:07:09,510 --> 00:07:07,199

yep so i mean yeah

187

00:07:10,629 --> 00:07:09,520

the the flashing mountain that you used

188

00:07:13,909 --> 00:07:10,639

to that you had

189

00:07:16,309 --> 00:07:13,919

in the back of your bed and breakfast

190

00:07:17,830 --> 00:07:16,319

yeah and you went up to the right you

191

00:07:18,950 --> 00:07:17,840

went up to the bed and breakfast quite a

192

00:07:21,270 --> 00:07:18,960

bit back then

193

00:07:23,110 --> 00:07:21,280

and it was pretty active before now it's

194

00:07:25,350 --> 00:07:23,120

just i've rented it to a family that's

195

00:07:27,670 --> 00:07:25,360

okay with that kind of thing and they

196

00:07:29,670 --> 00:07:27,680

they're really good fit yeah so that's

197

00:07:32,150 --> 00:07:29,680

it's like a good fit for right now

198

00:07:32,710 --> 00:07:32,160

but back then i mean it was pretty

199

00:07:34,230 --> 00:07:32,720

active

200

00:07:36,309 --> 00:07:34,240

in that mountain you're not kidding it

201  
00:07:37,589 --> 00:07:36,319  
would just light up and pulse and do all

202  
00:07:40,309 --> 00:07:37,599  
kinds of stuff

203  
00:07:42,150 --> 00:07:40,319  
oh yeah i'm like i remember seeing like

204  
00:07:44,629 --> 00:07:42,160  
some big black thing crawling

205  
00:07:46,710 --> 00:07:44,639  
in the ground towards the house one

206  
00:07:48,869 --> 00:07:46,720  
night with lindsay

207  
00:07:50,550 --> 00:07:48,879  
they're the tall man like remember the

208  
00:07:52,230 --> 00:07:50,560  
tall guy that people were seeing running

209  
00:07:54,230 --> 00:07:52,240  
around the backyard

210  
00:07:55,990 --> 00:07:54,240  
that was freaky you know ever a lot of

211  
00:07:59,189 --> 00:07:56,000  
people saw that including my mom

212  
00:08:01,589 --> 00:07:59,199  
one day and yeah that you know kind of

213  
00:08:03,430 --> 00:08:01,599

these shadowy entities

214

00:08:04,710 --> 00:08:03,440

it's it's kind of spooky when you start

215

00:08:07,350 --> 00:08:04,720

looking into these aren't it

216

00:08:08,469 --> 00:08:07,360

it's like they're different i know yeah

217

00:08:11,189 --> 00:08:08,479

you had a lot of

218

00:08:13,189 --> 00:08:11,199

poltergeist type things happening in in

219

00:08:15,270 --> 00:08:13,199

the rooms too i remember

220

00:08:17,270 --> 00:08:15,280

i remember you know having janice next

221

00:08:20,790 --> 00:08:17,280

to me because we shared that room

222

00:08:22,309 --> 00:08:20,800

by the garden and i would hear her next

223

00:08:24,309 --> 00:08:22,319

to me and get out of bed and she'd

224

00:08:25,670 --> 00:08:24,319

already been up for hours

225

00:08:28,070 --> 00:08:25,680

but i was wide awake and there was

226

00:08:30,950 --> 00:08:28,080  
someone in the bed next to me

227

00:08:32,469 --> 00:08:30,960  
or just like the voice of some man like

228

00:08:34,230 --> 00:08:32,479  
shouted i remember

229

00:08:36,550 --> 00:08:34,240  
in that corner room at the front corner

230

00:08:38,070 --> 00:08:36,560  
by the front of the house and just was

231

00:08:40,149 --> 00:08:38,080  
shouting at me to get up

232

00:08:42,469 --> 00:08:40,159  
and there was no one there i just

233

00:08:45,910 --> 00:08:42,479  
remember all sorts of like

234

00:08:47,509 --> 00:08:45,920  
yeah poltergeist type stuff

235

00:08:48,949 --> 00:08:47,519  
and you know that room's interesting

236

00:08:51,350 --> 00:08:48,959  
there was actually a case

237

00:08:52,949 --> 00:08:51,360  
uh there was a tv crew up recording i

238

00:08:55,190 --> 00:08:52,959

forget which show

239

00:08:56,870 --> 00:08:55,200

and this was not on camera but one of

240

00:08:59,750 --> 00:08:56,880

the crew

241

00:09:00,389 --> 00:08:59,760

uh was like full-on possessed in that

242

00:09:03,670 --> 00:09:00,399

room

243

00:09:07,269 --> 00:09:03,680

and really yeah some other crew members

244

00:09:09,990 --> 00:09:07,279

witnessed it and uh afterwards

245

00:09:10,310 --> 00:09:10,000

he had no idea what had happened didn't

246

00:09:12,310 --> 00:09:10,320

know

247

00:09:14,070 --> 00:09:12,320

i mean very strange stuff has happened

248

00:09:17,910 --> 00:09:14,080

in that room for sure

249

00:09:20,310 --> 00:09:17,920

that room is definitely the room that

250

00:09:21,350 --> 00:09:20,320

i was just like super uncomfortable and

251

00:09:23,269 --> 00:09:21,360

i remember

252

00:09:24,710 --> 00:09:23,279

i always was like janice you better be

253

00:09:25,430 --> 00:09:24,720

getting in here and sleeping with me in

254

00:09:27,750 --> 00:09:25,440

here

255

00:09:29,030 --> 00:09:27,760

i'm not sleeping by myself in this room

256

00:09:32,150 --> 00:09:29,040

i just remember that room

257

00:09:35,910 --> 00:09:32,160

was always kind of off right

258

00:09:38,310 --> 00:09:35,920

and um something strange is it was

259

00:09:40,949 --> 00:09:38,320

always closest to that woodshed

260

00:09:42,230 --> 00:09:40,959

which always kind of had for some reason

261

00:09:44,230 --> 00:09:42,240

it was always the i don't know

262

00:09:45,910 --> 00:09:44,240

i i saw a few things retreat behind the

263

00:09:49,190 --> 00:09:45,920

woodshed but

264

00:09:50,070 --> 00:09:49,200

the we used to have some uh pretty good

265

00:09:51,430 --> 00:09:50,080

sky watches

266

00:09:53,110 --> 00:09:51,440

up there i kind of missed that that was

267

00:09:55,990 --> 00:09:53,120

a good time

268

00:09:57,509 --> 00:09:56,000

i know that was a lot of fun that was a

269

00:10:00,389 --> 00:09:57,519

lot of fun i

270

00:10:02,230 --> 00:10:00,399

i wish i wish there was a way to go out

271

00:10:04,310 --> 00:10:02,240

and just like

272

00:10:06,150 --> 00:10:04,320

do that again sometime you know legally

273

00:10:07,509 --> 00:10:06,160

if i know you can't and there's just

274

00:10:10,389 --> 00:10:07,519

so many people trying to go out there

275

00:10:14,470 --> 00:10:10,399

because of the show that's on right

276

00:10:17,750 --> 00:10:14,480

so who knows one of these days

277

00:10:18,069 --> 00:10:17,760

and speaking of like gosh so much going

278

00:10:20,710 --> 00:10:18,079

on

279

00:10:23,190 --> 00:10:20,720

ufos in the sky um what do you think of

280

00:10:26,389 --> 00:10:23,200

the new government reports on ufos and

281

00:10:28,949 --> 00:10:26,399

what's your opinion on that subject

282

00:10:29,670 --> 00:10:28,959

oh i i just briefly saw something about

283

00:10:31,750 --> 00:10:29,680

that

284

00:10:34,069 --> 00:10:31,760

but um i haven't had a chance to even

285

00:10:37,110 --> 00:10:34,079

look at them all but i

286

00:10:38,550 --> 00:10:37,120

i think that's awesome i mean it's funny

287

00:10:41,750 --> 00:10:38,560

that it's taking this long

288

00:10:44,230 --> 00:10:41,760

right right it really it

289

00:10:45,990 --> 00:10:44,240

it's been a long time and it's about

290

00:10:49,509 --> 00:10:46,000

time it's about time it starts getting

291

00:10:51,110 --> 00:10:49,519

some recognition it's um

292

00:10:52,550 --> 00:10:51,120

i don't know it's horrific it's one of

293

00:10:55,750 --> 00:10:52,560

those things that like

294

00:10:56,550 --> 00:10:55,760

mankind has always sort of culturally

295

00:10:59,990 --> 00:10:56,560

seen this

296

00:11:03,269 --> 00:11:00,000

in the past historically and it's funny

297

00:11:06,310 --> 00:11:03,279

that now we're engaging in such a more

298

00:11:09,269 --> 00:11:06,320

a much more modern way than mankind did

299

00:11:14,790 --> 00:11:13,030

yeah i know i just

300

00:11:17,509 --> 00:11:14,800

it's just funny to me that there's just

301  
00:11:19,269 --> 00:11:17,519  
so many people

302  
00:11:21,110 --> 00:11:19,279  
that can't grasp that that could be a

303  
00:11:22,470 --> 00:11:21,120  
possibility i don't know

304  
00:11:24,870 --> 00:11:22,480  
don't you think i mean after all the

305  
00:11:28,310 --> 00:11:24,880  
things that you've seen

306  
00:11:30,870 --> 00:11:28,320  
after oh yeah

307  
00:11:32,790 --> 00:11:30,880  
and it's one of those things there's a

308  
00:11:35,190 --> 00:11:32,800  
lot of documentation there's

309  
00:11:36,790 --> 00:11:35,200  
government finances going towards

310  
00:11:37,670 --> 00:11:36,800  
studying it right there in the uintah

311  
00:11:40,230 --> 00:11:37,680  
basin

312  
00:11:41,829 --> 00:11:40,240  
you know where we were seeing it and the

313  
00:11:42,870 --> 00:11:41,839

interesting thing is i mean we're

314

00:11:44,069 --> 00:11:42,880

talking about

315

00:11:46,150 --> 00:11:44,079

it's i believe it was called the

316

00:11:47,750 --> 00:11:46,160

advanced aerial threat identification

317

00:11:51,030 --> 00:11:47,760

program atip

318

00:11:54,629 --> 00:11:51,040

was right there in the uintah basin and

319

00:11:56,949 --> 00:11:54,639

the interesting thing is not only

320

00:11:58,230 --> 00:11:56,959

is it it's getting government attention

321

00:12:01,829 --> 00:11:58,240

but they're

322

00:12:03,829 --> 00:12:01,839

worried about it and yeah really

323

00:12:05,110 --> 00:12:03,839

yeah like i guess when you see i'm so

324

00:12:08,389 --> 00:12:05,120

sorry i should have i

325

00:12:11,509 --> 00:12:08,399

i've had such a crazy crazy week

326

00:12:13,509 --> 00:12:11,519

so i haven't even looked into this um so

327

00:12:15,190 --> 00:12:13,519

so tell me a little more i'm sorry so

328

00:12:18,550 --> 00:12:15,200

that they're saying was this with

329

00:12:21,670 --> 00:12:18,560

with bigelow's thing or

330

00:12:23,590 --> 00:12:21,680

well it was at the time uh

331

00:12:25,590 --> 00:12:23,600

now that it's hard to get foia requests

332

00:12:27,750 --> 00:12:25,600

on a tip you get a lot more stuff about

333

00:12:29,750 --> 00:12:27,760

osap which was like more of a weapons

334

00:12:33,590 --> 00:12:29,760

application system that came after

335

00:12:35,750 --> 00:12:33,600

but yes the agent or the

336

00:12:37,030 --> 00:12:35,760

for plausible deniability the private

337

00:12:40,389 --> 00:12:37,040

contractor

338

00:12:42,389 --> 00:12:40,399

was bigelow and um so yeah

339

00:12:45,190 --> 00:12:42,399

pretty interesting stuff and you know it

340

00:12:47,430 --> 00:12:45,200

gets into quantum technologies and

341

00:12:49,670 --> 00:12:47,440

it's it's really interesting to see

342

00:12:50,389 --> 00:12:49,680

these tricksters of the sky whatever

343

00:12:52,710 --> 00:12:50,399

they are

344

00:12:53,509 --> 00:12:52,720

and it's getting uh it's definitely

345

00:12:56,790 --> 00:12:53,519

getting

346

00:12:59,990 --> 00:12:56,800

some some attraction from

347

00:13:01,590 --> 00:13:00,000

national media and the government itself

348

00:13:03,350 --> 00:13:01,600

so i mean that's a good thing i'm with

349

00:13:06,710 --> 00:13:03,360

you i think it's a great that is

350

00:13:08,790 --> 00:13:06,720

i always i always knew that i mean there

351

00:13:11,910 --> 00:13:08,800

just had to be

352

00:13:14,870 --> 00:13:11,920

so much more to that place than

353

00:13:15,350 --> 00:13:14,880

than any of us know so that is really

354

00:13:17,829 --> 00:13:15,360

neat

355

00:13:18,470 --> 00:13:17,839

to know that they've actually brought

356

00:13:20,949 --> 00:13:18,480

that to

357

00:13:21,910 --> 00:13:20,959

to white so i can't wait to read more

358

00:13:23,910 --> 00:13:21,920

about everything

359

00:13:25,990 --> 00:13:23,920

i'm gonna take a look at everything it's

360

00:13:27,430 --> 00:13:26,000

it's a long and boring report but like

361

00:13:28,150 --> 00:13:27,440

those are the highlights but there's

362

00:13:30,470 --> 00:13:28,160

some other

363

00:13:31,190 --> 00:13:30,480

interesting stuff that um actually one

364

00:13:34,310 --> 00:13:31,200

of the

365

00:13:37,990 --> 00:13:34,320

space wolf research guys jonathan hunt

366

00:13:39,670 --> 00:13:38,000

he found some really interesting

367

00:13:41,030 --> 00:13:39,680

i don't know if it's real i don't know

368

00:13:45,350 --> 00:13:41,040

if it's not but it's like

369

00:13:48,710 --> 00:13:45,360

leaks and uh that were supposedly

370

00:13:50,710 --> 00:13:48,720

sent to richard dolan among others that

371

00:13:53,509 --> 00:13:50,720

he's kind of tied together with this

372

00:13:55,110 --> 00:13:53,519

k-song propulsion system anyway i'll

373

00:13:55,750 --> 00:13:55,120

give you the quick rundown like the

374

00:13:58,790 --> 00:13:55,760

leaked

375

00:14:01,350 --> 00:13:58,800

was a day ago

376  
00:14:02,069 --> 00:14:01,360  
and okay um the classified portion of

377  
00:14:04,629 --> 00:14:02,079  
the uap

378  
00:14:05,910 --> 00:14:04,639  
report given to a select number of

379  
00:14:08,790 --> 00:14:05,920  
congressmen

380  
00:14:09,829 --> 00:14:08,800  
and senators relates the following uh

381  
00:14:12,870 --> 00:14:09,839  
one

382  
00:14:13,750 --> 00:14:12,880  
energy propulsion system projects and

383  
00:14:16,949 --> 00:14:13,760  
then

384  
00:14:19,750 --> 00:14:16,959  
two ion propulsion systems

385  
00:14:20,430 --> 00:14:19,760  
three is anti-gravity propulsion systems

386  
00:14:23,829 --> 00:14:20,440  
four is

387  
00:14:26,790 --> 00:14:23,839  
anti-matter propulsion systems

388  
00:14:27,590 --> 00:14:26,800

five is ramjet hydrogen propulsion

389

00:14:30,550 --> 00:14:27,600

systems

390

00:14:31,509 --> 00:14:30,560

six is compressed nuclear propulsion

391

00:14:34,629 --> 00:14:31,519

systems

392

00:14:35,030 --> 00:14:34,639

seven is advanced use of exotic elements

393

00:14:38,069 --> 00:14:35,040

for

394

00:14:41,430 --> 00:14:38,079

energy research and eight

395

00:14:42,710 --> 00:14:41,440

is the kaesong energy propulsion system

396

00:14:45,670 --> 00:14:42,720

research project

397

00:14:47,509 --> 00:14:45,680

and this is the big one i guess so all

398

00:14:49,030 --> 00:14:47,519

basically k-song all these highly

399

00:14:50,470 --> 00:14:49,040

classified projects are under the

400

00:14:53,750 --> 00:14:50,480

control of the defense

401  
00:14:56,790 --> 00:14:53,760  
advanced research project agency darpa

402  
00:14:57,750 --> 00:14:56,800  
and being managed by a classified group

403  
00:15:00,150 --> 00:14:57,760  
called

404  
00:15:01,670 --> 00:15:00,160  
advanced group six so i guess all the

405  
00:15:04,949 --> 00:15:01,680  
funding for these projects

406  
00:15:07,350 --> 00:15:04,959  
is black confidential funds appropriated

407  
00:15:09,910 --> 00:15:07,360  
under intelligence operations costs and

408  
00:15:11,430 --> 00:15:09,920  
some funds come from the private

409  
00:15:13,990 --> 00:15:11,440  
contractors

410  
00:15:15,990 --> 00:15:14,000  
uh prototypes of flying crafts utilizing

411  
00:15:18,629 --> 00:15:16,000  
the above technology are being flown at

412  
00:15:21,829 --> 00:15:18,639  
area 51 and tonepop test range

413  
00:15:24,790 --> 00:15:21,839

prototypes of flying crafts utilizing

414

00:15:26,949 --> 00:15:24,800

let's see this in nevada can be

415

00:15:28,550 --> 00:15:26,959

contributed to crafts using the above

416

00:15:31,910 --> 00:15:28,560

propulsion systems

417

00:15:34,790 --> 00:15:31,920

however none of the experimental craft

418

00:15:35,990 --> 00:15:34,800

have flown outside of the test and

419

00:15:38,389 --> 00:15:36,000

training range

420

00:15:40,310 --> 00:15:38,399

and none of these experimental craft can

421

00:15:41,910 --> 00:15:40,320

be contributed to the sightings

422

00:15:43,269 --> 00:15:41,920

photographed by the us navy so they're

423

00:15:45,749 --> 00:15:43,279

kind of saying

424

00:15:46,790 --> 00:15:45,759

we i don't know the leak kind of says

425

00:15:49,990 --> 00:15:46,800

that

426

00:15:52,150 --> 00:15:50,000

this stuff is happening and

427

00:15:53,990 --> 00:15:52,160

what jonathan found which is pretty cool

428

00:15:57,350 --> 00:15:54,000

is that he thinks he found the doctor

429

00:15:59,590 --> 00:15:57,360

called k song who wrote

430

00:16:02,069 --> 00:15:59,600

he wrote a paper called preliminary

431

00:16:03,749 --> 00:16:02,079

operational aspects of microwave-powered

432

00:16:06,949 --> 00:16:03,759

airships and drones

433

00:16:08,550 --> 00:16:06,959

so he might be on to something and

434

00:16:11,670 --> 00:16:08,560

the really cool thing that jonathan

435

00:16:13,910 --> 00:16:11,680

found is that this preliminary opera

436

00:16:15,430 --> 00:16:13,920

operational system i'll just read the

437

00:16:16,790 --> 00:16:15,440

abstract to the paper that this guy

438

00:16:20,150 --> 00:16:16,800

wrote so i don't read the whole

439

00:16:22,230 --> 00:16:20,160

however zillions of pages uh

440

00:16:24,470 --> 00:16:22,240

but the paper that this doctor wrote dr

441

00:16:26,710 --> 00:16:24,480

k song and i won't say his full name but

442

00:16:28,870 --> 00:16:26,720

the paper reports the development of an

443

00:16:30,310 --> 00:16:28,880

experimental airship drone powered by

444

00:16:32,629 --> 00:16:30,320

microwaves

445

00:16:34,710 --> 00:16:32,639

as a precursor towards a large-scale

446

00:16:37,030 --> 00:16:34,720

airship drone for cargo transportation

447

00:16:38,949 --> 00:16:37,040

in mind under the collaboration with the

448

00:16:41,670 --> 00:16:38,959

us federal highway administration

449

00:16:43,590 --> 00:16:41,680

and universities now the weird thing is

450

00:16:45,430 --> 00:16:43,600

the research work on a 2.2

451  
00:16:46,629 --> 00:16:45,440  
m long airship i don't know if that's

452  
00:16:49,910 --> 00:16:46,639  
miles

453  
00:16:50,710 --> 00:16:49,920  
or meters or millimeters but i guess

454  
00:16:53,910 --> 00:16:50,720  
it's powered by

455  
00:16:55,430 --> 00:16:53,920  
x-band microwaves and has provided

456  
00:16:56,870 --> 00:16:55,440  
sufficient data for the design and

457  
00:16:59,910 --> 00:16:56,880  
analysis for the operation

458  
00:17:01,509 --> 00:16:59,920  
airship drone um let's see and then it

459  
00:17:02,069 --> 00:17:01,519  
goes into explaining how it works which

460  
00:17:05,350 --> 00:17:02,079  
is

461  
00:17:07,110 --> 00:17:05,360  
beyond my pay grade and uh

462  
00:17:08,949 --> 00:17:07,120  
anyway the data shows the feasibility of

463  
00:17:11,270 --> 00:17:08,959

practical use and the microwave

464

00:17:13,029 --> 00:17:11,280

power for a transportation airship drone

465

00:17:15,110 --> 00:17:13,039

enough that they've backed him

466

00:17:16,710 --> 00:17:15,120

so i don't know like we i think we have

467

00:17:19,189 --> 00:17:16,720

some pretty cool stuff

468

00:17:20,549 --> 00:17:19,199

but again i don't think it's the stuff

469

00:17:23,750 --> 00:17:20,559

like they're saying

470

00:17:26,870 --> 00:17:23,760

that these navy ships are you know these

471

00:17:29,990 --> 00:17:26,880

pilots are recording

472

00:17:34,230 --> 00:17:31,990

you know it's hard to say because

473

00:17:36,150 --> 00:17:34,240

mankind has always sort of seen stuff in

474

00:17:36,710 --> 00:17:36,160

the sky and tried to explain it with the

475

00:17:39,510 --> 00:17:36,720

best

476  
00:17:40,070 --> 00:17:39,520  
means it has possible at the time so

477  
00:17:41,669 --> 00:17:40,080  
back in

478  
00:17:43,350 --> 00:17:41,679  
biblical times obviously they were

479  
00:17:44,789 --> 00:17:43,360  
calling them angels and demons and

480  
00:17:46,630 --> 00:17:44,799  
burning bushes and

481  
00:17:48,070 --> 00:17:46,640  
and all this crazy cool stuff and it's

482  
00:17:49,750 --> 00:17:48,080  
it's in all kinds of biblical

483  
00:17:50,470 --> 00:17:49,760  
interpretation and paintings and

484  
00:17:53,990 --> 00:17:50,480  
pictures

485  
00:17:55,510 --> 00:17:54,000  
and such illustrations but i think you

486  
00:17:57,029 --> 00:17:55,520  
know these tricksters of this guy

487  
00:18:00,070 --> 00:17:57,039  
whatever you want to call them now

488  
00:18:03,750 --> 00:18:00,080

we are trying to pick them apart

489

00:18:06,870 --> 00:18:03,760

via technology and that

490

00:18:08,070 --> 00:18:06,880

is interesting because it appears to be

491

00:18:10,630 --> 00:18:08,080

technology to us

492

00:18:11,110 --> 00:18:10,640

but it did not appear to be technology

493

00:18:13,270 --> 00:18:11,120

to

494

00:18:14,950 --> 00:18:13,280

the ancients or the you know more

495

00:18:17,110 --> 00:18:14,960

historic clans of

496

00:18:18,789 --> 00:18:17,120

people tribes and cultures that have

497

00:18:20,390 --> 00:18:18,799

interacted with in the past so

498

00:18:21,830 --> 00:18:20,400

it's almost like whatever you bring to

499

00:18:23,669 --> 00:18:21,840

the table however you want to

500

00:18:25,029 --> 00:18:23,679

view it is how you view it and i'm just

501  
00:18:27,110 --> 00:18:25,039  
wondering if it's

502  
00:18:29,590 --> 00:18:27,120  
mimicking actual technology when it's

503  
00:18:31,750 --> 00:18:29,600  
not or if it is a real technology it's

504  
00:18:34,470 --> 00:18:31,760  
it's pretty cool

505  
00:18:36,710 --> 00:18:34,480  
that is crazy that is crazy and that's

506  
00:18:39,110 --> 00:18:36,720  
so over my head ryan geez

507  
00:18:39,750 --> 00:18:39,120  
that's like like i need to have a day

508  
00:18:43,830 --> 00:18:39,760  
and like

509  
00:18:46,710 --> 00:18:43,840  
like think about all of this i i

510  
00:18:47,270 --> 00:18:46,720  
yeah that's pretty amazing i can't

511  
00:18:50,310 --> 00:18:47,280  
believe

512  
00:18:51,909 --> 00:18:50,320  
i mean and that's just been

513  
00:18:53,909 --> 00:18:51,919

it's just been happening right there in

514

00:18:56,950 --> 00:18:53,919

your backyard i mean yeah

515

00:18:58,870 --> 00:18:56,960

we've seen this stuff for years and i

516

00:19:01,110 --> 00:18:58,880

think the high deserts have some and you

517

00:19:04,230 --> 00:19:01,120

know obviously there's less people

518

00:19:07,270 --> 00:19:04,240

and you're able to see more of the sky

519

00:19:09,510 --> 00:19:07,280

but there is something very different

520

00:19:11,750 --> 00:19:09,520

going on in the skies of the uintah

521

00:19:14,070 --> 00:19:11,760

basin it seems

522

00:19:15,350 --> 00:19:14,080

and i like me and i don't know anything

523

00:19:17,110 --> 00:19:15,360

of course but

524

00:19:19,909 --> 00:19:17,120

i think it's like a combination of

525

00:19:24,310 --> 00:19:19,919

multiple things you know

526

00:19:27,270 --> 00:19:24,320

i think the native people have

527

00:19:29,909 --> 00:19:27,280

some really strong stories and reasons

528

00:19:31,669 --> 00:19:29,919

to be afraid of that area

529

00:19:33,750 --> 00:19:31,679

and then i also think i think there

530

00:19:35,510 --> 00:19:33,760

could be multiple things going on

531

00:19:37,110 --> 00:19:35,520

with testing you know like i think

532

00:19:39,669 --> 00:19:37,120

there's just more to it

533

00:19:41,909 --> 00:19:39,679

there's just there's no one explanation

534

00:19:45,430 --> 00:19:41,919

that's what makes that place so

535

00:19:47,750 --> 00:19:45,440

intriguing um

536

00:19:48,870 --> 00:19:47,760

i agree unlike anywhere else and i'm

537

00:19:50,549 --> 00:19:48,880

glad you bring up the

538

00:19:53,190 --> 00:19:50,559

native american aspect because i think

539

00:19:56,950 --> 00:19:53,200

that's a really big part of it and

540

00:19:59,909 --> 00:19:56,960

and you know it's very important to that

541

00:20:01,830 --> 00:19:59,919

area and the people of that area

542

00:20:04,710 --> 00:20:01,840

it is and it's you know it's not

543

00:20:07,110 --> 00:20:04,720

anything they take lightly

544

00:20:10,149 --> 00:20:07,120

and so that's why i'm always so torn

545

00:20:12,310 --> 00:20:10,159

about it too because i just

546

00:20:13,590 --> 00:20:12,320

i know my husband's very my husband's

547

00:20:18,149 --> 00:20:13,600

dad grew up

548

00:20:20,870 --> 00:20:18,159

there he he raised uh cattle and cheap

549

00:20:22,310 --> 00:20:20,880

is that right okay yeah and so he's he's

550

00:20:26,630 --> 00:20:22,320

from duchesne

551  
00:20:29,029 --> 00:20:26,640  
and um so he had so many stories of just

552  
00:20:30,710 --> 00:20:29,039  
places you don't go you know you just

553  
00:20:32,950 --> 00:20:30,720  
you just don't go there in that area and

554  
00:20:37,430 --> 00:20:32,960  
they were just always told

555  
00:20:39,029 --> 00:20:37,440  
to never go in that vicinity but

556  
00:20:40,789 --> 00:20:39,039  
yeah it's just it's a part of the

557  
00:20:43,029 --> 00:20:40,799  
culture in the area

558  
00:20:45,510 --> 00:20:43,039  
and it reminds me so much of my culture

559  
00:20:47,590 --> 00:20:45,520  
which is so similar to native american i

560  
00:20:49,750 --> 00:20:47,600  
mean it's the same thing

561  
00:20:52,549 --> 00:20:49,760  
native pacific islanders we have all the

562  
00:20:55,590 --> 00:20:52,559  
same stories of skin walkers

563  
00:20:57,350 --> 00:20:55,600

in in our culture as well so it's just

564

00:21:00,789 --> 00:20:57,360

very interesting

565

00:21:02,390 --> 00:21:00,799

and i felt um yeah i don't know i feel a

566

00:21:04,230 --> 00:21:02,400

very weird connection

567

00:21:05,990 --> 00:21:04,240

to that place place like nine mile

568

00:21:09,990 --> 00:21:06,000

canyon which also

569

00:21:12,549 --> 00:21:10,000

slightly terrifies me very much yes

570

00:21:14,950 --> 00:21:12,559

and it's just like it's a feeling i

571

00:21:16,789 --> 00:21:14,960

can't explain that other people that go

572

00:21:18,549 --> 00:21:16,799

they don't get that same feeling i don't

573

00:21:19,590 --> 00:21:18,559

know i don't know what i'm even trying

574

00:21:21,190 --> 00:21:19,600

to say

575

00:21:24,149 --> 00:21:21,200

but it's just like something that i'm

576

00:21:27,669 --> 00:21:24,159

drawn to

577

00:21:29,590 --> 00:21:27,679

and it's not anything that's even

578

00:21:31,110 --> 00:21:29,600

like malicious it's just like something

579

00:21:34,149 --> 00:21:31,120

ancient

580

00:21:35,990 --> 00:21:34,159

that draws me to those areas that i that

581

00:21:39,029 --> 00:21:36,000

i can't explain

582

00:21:42,390 --> 00:21:39,039

um like i feel some sort of connection

583

00:21:45,510 --> 00:21:42,400

if that makes any sense yeah and i think

584

00:21:48,789 --> 00:21:45,520

i think you are more sensitive to like

585

00:21:51,750 --> 00:21:48,799

that into the fray type power

586

00:21:53,029 --> 00:21:51,760

and you're more more of an empath at

587

00:21:55,270 --> 00:21:53,039

least in my opinion

588

00:21:57,190 --> 00:21:55,280

just from what i've seen it's and what

589

00:22:00,149 --> 00:21:57,200

i've read and researched

590

00:22:01,750 --> 00:22:00,159

people that are more in tune are more

591

00:22:04,549 --> 00:22:01,760

conducive to that you know

592

00:22:07,830 --> 00:22:04,559

and to those feelings and to the areas

593

00:22:10,870 --> 00:22:07,840

and they have more of a connection

594

00:22:13,029 --> 00:22:10,880

yeah and it's uh

595

00:22:15,270 --> 00:22:13,039

i've yeah i felt feelings there that

596

00:22:18,549 --> 00:22:15,280

i've never felt my life you know

597

00:22:20,789 --> 00:22:18,559

from extreme terror to amazement

598

00:22:22,149 --> 00:22:20,799

i mean just the whole spectrum of

599

00:22:26,230 --> 00:22:22,159

everything

600

00:22:27,750 --> 00:22:26,240

um and it's the only place i've ever

601  
00:22:30,310 --> 00:22:27,760  
felt that way are in some of these

602  
00:22:32,950 --> 00:22:30,320  
ancient spots i've gone to in utah like

603  
00:22:33,909 --> 00:22:32,960  
like the parawan gap i went there

604  
00:22:37,190 --> 00:22:33,919  
recently and that

605  
00:22:39,510 --> 00:22:37,200  
i had a whole thing there and i just

606  
00:22:43,350 --> 00:22:39,520  
felt that same sort of crazy

607  
00:22:46,390 --> 00:22:43,360  
connection that i felt in

608  
00:22:47,270 --> 00:22:46,400  
skinwalker ranch you know and i've never

609  
00:22:49,830 --> 00:22:47,280  
felt it in

610  
00:22:52,070 --> 00:22:49,840  
the only other place i've ever felt it

611  
00:22:55,350 --> 00:22:52,080  
is when i'm on the islands

612  
00:22:58,789 --> 00:22:55,360  
you know where my dad was was from and

613  
00:23:01,430 --> 00:22:58,799

i'm you know there

614

00:23:03,669 --> 00:23:01,440

that's the only other place i felt that

615

00:23:06,710 --> 00:23:03,679

sort of connection

616

00:23:10,310 --> 00:23:06,720

so i don't know what that means but

617

00:23:11,750 --> 00:23:10,320

it's just it's super super weird and

618

00:23:14,390 --> 00:23:11,760

interesting

619

00:23:16,390 --> 00:23:14,400

that is super cool and the parawan is an

620

00:23:17,750 --> 00:23:16,400

interesting area and i

621

00:23:19,990 --> 00:23:17,760

you know an interesting thing about the

622

00:23:24,070 --> 00:23:20,000

name parawan

623

00:23:26,230 --> 00:23:24,080

is it means in native american uh

624

00:23:28,470 --> 00:23:26,240

the language of the area there it means

625

00:23:31,510 --> 00:23:28,480

the devil is in the water

626  
00:23:33,830 --> 00:23:31,520  
yeah yeah

627  
00:23:36,630 --> 00:23:33,840  
which is such a such a crazy name for

628  
00:23:38,390 --> 00:23:36,640  
like an area yeah go figure that sounds

629  
00:23:40,549 --> 00:23:38,400  
and that's kind of what yeah that's what

630  
00:23:43,269 --> 00:23:40,559  
it kind of felt like i felt very

631  
00:23:45,430 --> 00:23:43,279  
very cautious there i felt like i had to

632  
00:23:51,669 --> 00:23:45,440  
be very cautious

633  
00:23:53,590 --> 00:23:51,679  
and reverent just like respectful uh

634  
00:23:55,510 --> 00:23:53,600  
you know like you know i've gone off the

635  
00:23:56,870 --> 00:23:55,520  
rails on ghost investigations we all

636  
00:24:00,390 --> 00:23:56,880  
know this and

637  
00:24:01,750 --> 00:24:00,400  
i love to have fun and screw around sure

638  
00:24:03,269 --> 00:24:01,760

you know when when the nights are

639

00:24:04,390 --> 00:24:03,279

getting long and nothing's happening and

640

00:24:06,549 --> 00:24:04,400

you want to

641

00:24:08,870 --> 00:24:06,559

chat with your group members but you

642

00:24:12,549 --> 00:24:08,880

know in these kinds of places

643

00:24:17,269 --> 00:24:12,559

yeah i don't feel like i can do that

644

00:24:19,750 --> 00:24:17,279

it's it's very yeah it's very deep and

645

00:24:21,750 --> 00:24:19,760

strange to me yeah it's like there's not

646

00:24:22,470 --> 00:24:21,760

really a lot of room for mistakes in

647

00:24:24,070 --> 00:24:22,480

these areas

648

00:24:25,830 --> 00:24:24,080

versus you know like you said some of

649

00:24:27,269 --> 00:24:25,840

these ghost investigations when it's

650

00:24:29,350 --> 00:24:27,279

like obvious nothing's gonna happen for

651  
00:24:32,630 --> 00:24:29,360  
a while it's like we can hang out but

652  
00:24:35,350 --> 00:24:32,640  
yeah it's really different

653  
00:24:36,870 --> 00:24:35,360  
yeah and i just that's just something

654  
00:24:39,350 --> 00:24:36,880  
that's so neat about this

655  
00:24:42,870 --> 00:24:39,360  
place that we live this area of the

656  
00:24:44,549 --> 00:24:42,880  
world it's just it is it's unlike

657  
00:24:46,149 --> 00:24:44,559  
it really is unlike anywhere else and

658  
00:24:48,630 --> 00:24:46,159  
i've i've been i

659  
00:24:49,350 --> 00:24:48,640  
you know i've traveled a lot in my life

660  
00:24:51,269 --> 00:24:49,360  
and

661  
00:24:53,510 --> 00:24:51,279  
you know you just can't find the things

662  
00:24:57,029 --> 00:24:53,520  
that we have here

663  
00:25:00,390 --> 00:24:57,039

um so

664

00:25:02,549 --> 00:25:00,400

who knows that's why it's paranormal

665

00:25:03,430 --> 00:25:02,559

it is paranormal and it like it leads

666

00:25:05,430 --> 00:25:03,440

into so much

667

00:25:07,269 --> 00:25:05,440

other things like the multiverse theory

668

00:25:09,430 --> 00:25:07,279

and i wanted to jump into

669

00:25:10,710 --> 00:25:09,440

in your investigations adam i haven't we

670

00:25:12,070 --> 00:25:10,720

haven't talked for a while have you

671

00:25:13,830 --> 00:25:12,080

utilized any of that

672

00:25:16,149 --> 00:25:13,840

new technology what is it they have

673

00:25:17,830 --> 00:25:16,159

randomitica now they have different ai

674

00:25:19,269 --> 00:25:17,840

technologies where you can like go to

675

00:25:21,750 --> 00:25:19,279

specific points and

676  
00:25:23,269 --> 00:25:21,760  
or have you used any new technology that

677  
00:25:23,590 --> 00:25:23,279  
we weren't using back in the day that

678  
00:25:25,830 --> 00:25:23,600  
has

679  
00:25:27,510 --> 00:25:25,840  
been helpful ghost hunting or doing

680  
00:25:30,950 --> 00:25:27,520  
anything of this type

681  
00:25:32,630 --> 00:25:30,960  
you know it's so funny because i

682  
00:25:34,950 --> 00:25:32,640  
i've gone out with plenty of people that

683  
00:25:37,190 --> 00:25:34,960  
do use all of those things

684  
00:25:38,789 --> 00:25:37,200  
um i'm the worst because i'm just like

685  
00:25:41,909 --> 00:25:38,799  
kind of skeptical

686  
00:25:43,669 --> 00:25:41,919  
about some of these and i know they're

687  
00:25:45,750 --> 00:25:43,679  
scientifically backed but

688  
00:25:47,510 --> 00:25:45,760

if it's like an app on my cell phone i'm

689

00:25:48,549 --> 00:25:47,520

not going to ever really trust that of

690

00:25:50,740 --> 00:25:48,559

course

691

00:25:52,310 --> 00:25:50,750

i i just um

692

00:25:54,710 --> 00:25:52,320

[Music]

693

00:25:56,390 --> 00:25:54,720

i don't really even need it if that

694

00:25:57,510 --> 00:25:56,400

makes sense like i don't need to prove

695

00:25:59,909 --> 00:25:57,520

anything

696

00:26:01,190 --> 00:25:59,919

anymore to myself because i've seen so

697

00:26:04,230 --> 00:26:01,200

much

698

00:26:05,990 --> 00:26:04,240

and so i think i yes i might get some

699

00:26:07,110 --> 00:26:06,000

equipment because i am starting this

700

00:26:09,110 --> 00:26:07,120

channel where i'm going to try and

701  
00:26:10,950 --> 00:26:09,120  
hopefully go and investigate places for

702  
00:26:13,830 --> 00:26:10,960  
people to see

703  
00:26:15,909 --> 00:26:13,840  
but for me i don't ever really use the

704  
00:26:17,990 --> 00:26:15,919  
technology aspect

705  
00:26:19,669 --> 00:26:18,000  
i'm very old school i'm just you know

706  
00:26:22,870 --> 00:26:19,679  
like camera

707  
00:26:25,029 --> 00:26:22,880  
voice recorder me

708  
00:26:25,680 --> 00:26:25,039  
and i and that's usually done the trick

709  
00:26:26,950 --> 00:26:25,690  
yeah um

710  
00:26:28,549 --> 00:26:26,960  
[Music]

711  
00:26:30,149 --> 00:26:28,559  
and that's just kind of how i've always

712  
00:26:32,149 --> 00:26:30,159  
been but i

713  
00:26:33,830 --> 00:26:32,159

i can definitely see the need for it and

714

00:26:36,230 --> 00:26:33,840

i think it's really neat

715

00:26:37,269 --> 00:26:36,240

um but it's like you know i couldn't

716

00:26:38,950 --> 00:26:37,279

even use

717

00:26:41,350 --> 00:26:38,960

figure out how to hook my mic up to do

718

00:26:43,909 --> 00:26:41,360

the skype phone call today so

719

00:26:45,110 --> 00:26:43,919

i'm not the i'm not the most tech savvy

720

00:26:46,549 --> 00:26:45,120

person

721

00:26:48,870 --> 00:26:46,559

well that might be a good thing because

722

00:26:49,750 --> 00:26:48,880

i'm telling you i've kind of gone the

723

00:26:52,710 --> 00:26:49,760

same way

724

00:26:53,510 --> 00:26:52,720

and um where i used to just you know

725

00:26:57,269 --> 00:26:53,520

blanket

726  
00:26:58,549 --> 00:26:57,279  
things in cameras shooting every which

727  
00:27:01,029 --> 00:26:58,559  
direction

728  
00:27:02,070 --> 00:27:01,039  
i and recorders and stuff i've noticed

729  
00:27:03,909 --> 00:27:02,080  
that yeah

730  
00:27:05,269 --> 00:27:03,919  
i agree with you that there seems to be

731  
00:27:08,470 --> 00:27:05,279  
more activity

732  
00:27:10,870 --> 00:27:08,480  
the more basic and more human the

733  
00:27:12,390 --> 00:27:10,880  
engagement with the phenomenon tends to

734  
00:27:15,269 --> 00:27:12,400  
be

735  
00:27:17,590 --> 00:27:15,279  
yeah and that's that's all i'm after

736  
00:27:18,549 --> 00:27:17,600  
myself and my life is the human aspect

737  
00:27:21,510 --> 00:27:18,559  
of it

738  
00:27:22,950 --> 00:27:21,520

i i love for for me doing just the

739

00:27:26,310 --> 00:27:22,960

investigation

740

00:27:28,310 --> 00:27:26,320

with the people meeting the people

741

00:27:29,830 --> 00:27:28,320

hearing the stories of the places you're

742

00:27:33,190 --> 00:27:29,840

all that you are

743

00:27:33,990 --> 00:27:33,200

um the history just that human

744

00:27:36,310 --> 00:27:34,000

connection part

745

00:27:38,230 --> 00:27:36,320

that's that's the reason i want to start

746

00:27:41,029 --> 00:27:38,240

doing it some more again

747

00:27:42,950 --> 00:27:41,039

um especially with being without any

748

00:27:44,230 --> 00:27:42,960

real human connection right for the past

749

00:27:46,789 --> 00:27:44,240

year or so

750

00:27:48,549 --> 00:27:46,799

right um i'm just interested in getting

751

00:27:52,710 --> 00:27:48,559

back out and going to these places

752

00:27:55,430 --> 00:27:52,720

hearing the stories and then just seeing

753

00:27:58,070 --> 00:27:55,440

yeah just seeing seeing the the human

754

00:28:01,669 --> 00:27:58,080

aspect of it because

755

00:28:03,990 --> 00:28:01,679

to me that's the best part it really is

756

00:28:05,830 --> 00:28:04,000

and you know a lot of the consciousness

757

00:28:08,310 --> 00:28:05,840

studies and

758

00:28:09,750 --> 00:28:08,320

focus on the observer you know in the

759

00:28:13,269 --> 00:28:09,760

paranormal or with these

760

00:28:16,230 --> 00:28:13,279

uaps or ufos they're finding that

761

00:28:16,789 --> 00:28:16,240

at least it seems as if the observer is

762

00:28:19,029 --> 00:28:16,799

a key

763

00:28:19,909 --> 00:28:19,039

part so like the human aspect like

764

00:28:23,269 --> 00:28:19,919

you're talking about

765

00:28:24,870 --> 00:28:23,279

is actually probably the key to opening

766

00:28:28,070 --> 00:28:24,880

a lot of these

767

00:28:30,870 --> 00:28:28,080

interesting areas to

768

00:28:32,549 --> 00:28:30,880

uh observation to these displays that

769

00:28:35,029 --> 00:28:32,559

seem to be coming out

770

00:28:37,029 --> 00:28:35,039

and i yeah there's a very where the

771

00:28:39,350 --> 00:28:37,039

rubber meets the road kind of human

772

00:28:41,029 --> 00:28:39,360

aspect of engaging with the phenomenon

773

00:28:43,590 --> 00:28:41,039

and if you're tinkering and

774

00:28:44,230 --> 00:28:43,600

messing with gadgets all the time and

775

00:28:46,789 --> 00:28:44,240

you've got

776

00:28:48,310 --> 00:28:46,799

you know big screens and i've seen all

777

00:28:50,870 --> 00:28:48,320

kinds of stuff i've seen people show up

778

00:28:53,510 --> 00:28:50,880

with so much stuff and it's just like

779

00:28:53,909 --> 00:28:53,520

when it's that much that distracting you

780

00:28:57,110 --> 00:28:53,919

might

781

00:28:57,430 --> 00:28:57,120

actually be hindering the display i

782

00:29:00,870 --> 00:28:57,440

think

783

00:29:02,549 --> 00:29:00,880

absolutely yeah and i there is a time

784

00:29:04,630 --> 00:29:02,559

and a place for that i understand these

785

00:29:06,630 --> 00:29:04,640

these big tv shows they need to do that

786

00:29:07,350 --> 00:29:06,640

because you know they're coming in for a

787

00:29:10,230 --> 00:29:07,360

day or two

788

00:29:12,310 --> 00:29:10,240

or two and so they want to cover as much

789

00:29:15,510 --> 00:29:12,320

ground as they can of course

790

00:29:17,510 --> 00:29:15,520

but over the years of myself

791

00:29:19,510 --> 00:29:17,520

when i've done it i've tried to get to

792

00:29:21,350 --> 00:29:19,520

know the location the owners

793

00:29:24,230 --> 00:29:21,360

and be able to go back over and over and

794

00:29:27,430 --> 00:29:24,240

build a relationship with the space

795

00:29:30,630 --> 00:29:27,440

and and that's what i really love doing

796

00:29:32,870 --> 00:29:30,640

but i mean i can see how how you'd want

797

00:29:34,230 --> 00:29:32,880

to have

798

00:29:36,389 --> 00:29:34,240

all your bases covered when you have a

799

00:29:39,430 --> 00:29:36,399

short amount of time with the space

800

00:29:41,110 --> 00:29:39,440

but um you know like i said i like to to

801  
00:29:43,750 --> 00:29:41,120  
go back

802  
00:29:46,070 --> 00:29:43,760  
to previous spots and just get to know

803  
00:29:48,870 --> 00:29:46,080  
it because it's like

804  
00:29:50,549 --> 00:29:48,880  
these places these these buildings

805  
00:29:53,510 --> 00:29:50,559  
they're they're like a living

806  
00:29:53,990 --> 00:29:53,520  
thing as well it's um it's hard to

807  
00:29:56,310 --> 00:29:54,000  
explain

808  
00:29:57,750 --> 00:29:56,320  
but um i always yeah if i feel a

809  
00:29:59,110 --> 00:29:57,760  
connection with the place i love just

810  
00:30:01,990 --> 00:29:59,120  
going back to it and

811  
00:30:02,789 --> 00:30:02,000  
and really just keeping it to the bare

812  
00:30:05,830 --> 00:30:02,799  
minimum

813  
00:30:07,430 --> 00:30:05,840

like a camera you know video camera just

814

00:30:10,070 --> 00:30:07,440

myself

815

00:30:10,789 --> 00:30:10,080

or you know a few people i don't need to

816

00:30:14,389 --> 00:30:10,799

have

817

00:30:16,630 --> 00:30:14,399

crazy enough

818

00:30:18,710 --> 00:30:16,640

just myself you know i don't need to

819

00:30:21,590 --> 00:30:18,720

bring any more

820

00:30:21,990 --> 00:30:21,600

any more gadgets with me and i literally

821

00:30:23,590 --> 00:30:22,000

yeah

822

00:30:25,669 --> 00:30:23,600

and i only mentioned that i did have

823

00:30:27,510 --> 00:30:25,679

somebody show up once to an area

824

00:30:29,350 --> 00:30:27,520

and they showed up with like a big

825

00:30:30,950 --> 00:30:29,360

screen on their back

826

00:30:32,549 --> 00:30:30,960

and they were running all their

827

00:30:34,470 --> 00:30:32,559

electronics and i mean they were

828

00:30:36,470 --> 00:30:34,480

watching this big screen all night and

829

00:30:39,350 --> 00:30:36,480

it's like that's blinding to what that's

830

00:30:40,230 --> 00:30:39,360

what actually is taking place but yeah

831

00:30:42,389 --> 00:30:40,240

there's uh

832

00:30:44,070 --> 00:30:42,399

i agree with you if if you got to have

833

00:30:46,230 --> 00:30:44,080

your bases covered in these areas and i

834

00:30:49,350 --> 00:30:46,240

get the technological aspect too

835

00:30:49,990 --> 00:30:49,360

i mean i do see the need for that oh and

836

00:30:51,590 --> 00:30:50,000

technology

837

00:30:54,470 --> 00:30:51,600

is such an awesome thing like don't get

838

00:30:57,990 --> 00:30:54,480

me wrong i think it's absolutely amazing

839

00:31:01,909 --> 00:30:58,000

but i'm so i'm just such an old school

840

00:31:05,350 --> 00:31:01,919

kind of person with that because to me

841

00:31:06,950 --> 00:31:05,360

you know no matter what like with my

842

00:31:08,630 --> 00:31:06,960

youtube channel and everything

843

00:31:10,710 --> 00:31:08,640

it you know if you're watching that to

844

00:31:12,470 --> 00:31:10,720

to to see ghosts

845

00:31:14,149 --> 00:31:12,480

it's not going to be the best channel

846

00:31:15,990 --> 00:31:14,159

for you but if you want to hear a really

847

00:31:19,509 --> 00:31:16,000

awesome story

848

00:31:20,950 --> 00:31:19,519

and learn some history about the place

849

00:31:23,590 --> 00:31:20,960

i mean that's the kind of thing i'm

850

00:31:25,029 --> 00:31:23,600

going to and then just having fun with

851  
00:31:27,750 --> 00:31:25,039  
with all of it

852  
00:31:29,669 --> 00:31:27,760  
taking myself lightly because people

853  
00:31:31,350 --> 00:31:29,679  
take themselves so seriously in this

854  
00:31:33,430 --> 00:31:31,360  
field i mean don't you think

855  
00:31:34,950 --> 00:31:33,440  
and and it's okay to do it to a point

856  
00:31:37,350 --> 00:31:34,960  
but sure

857  
00:31:39,110 --> 00:31:37,360  
after a while it just gets a little it

858  
00:31:42,149 --> 00:31:39,120  
gets a little tiring for me

859  
00:31:44,470 --> 00:31:42,159  
oh yeah i like being able to just

860  
00:31:46,389 --> 00:31:44,480  
just be you know be like how i would

861  
00:31:49,029 --> 00:31:46,399  
with anyone

862  
00:31:50,710 --> 00:31:49,039  
when i'm visiting a haunted spot just

863  
00:31:53,909 --> 00:31:50,720

because me personally

864

00:31:54,549 --> 00:31:53,919

you know i love the ufo aspect and the

865

00:31:57,590 --> 00:31:54,559

crypto

866

00:31:59,509 --> 00:31:57,600

but hauntings and things like that

867

00:32:04,310 --> 00:31:59,519

that's kind of my thing

868

00:32:09,190 --> 00:32:04,320

that's where i have the most experience

869

00:32:12,470 --> 00:32:09,200

with and the most connection so

870

00:32:13,350 --> 00:32:12,480

um it's just different it's different

871

00:32:15,669 --> 00:32:13,360

for everyone

872

00:32:17,750 --> 00:32:15,679

and that's what's so cool about about

873

00:32:20,789 --> 00:32:17,760

all of this is that you can take

874

00:32:21,909 --> 00:32:20,799

from it what you need yeah the

875

00:32:25,590 --> 00:32:21,919

paranormal is such

876

00:32:28,870 --> 00:32:25,600

a wide field like it encompasses such

877

00:32:30,310 --> 00:32:28,880

a huge spectrum and i wanted to ask you

878

00:32:31,509 --> 00:32:30,320

about some of your ghost hunts what have

879

00:32:32,630 --> 00:32:31,519

been the best

880

00:32:35,029 --> 00:32:32,640

where have you gone where do you

881

00:32:38,149 --> 00:32:35,039

recommend and you went to the whitmore

882

00:32:42,230 --> 00:32:38,159

mansion am i right that's pretty cool

883

00:32:45,590 --> 00:32:42,240

yeah the whitmore in um

884

00:32:50,070 --> 00:32:47,590

that yeah i met like her name's

885

00:32:52,549 --> 00:32:50,080

jacqueline

886

00:32:54,310 --> 00:32:52,559

we went there and it was the beetle have

887

00:32:57,430 --> 00:32:54,320

you been there

888

00:32:59,830 --> 00:32:57,440

no i i have only seen pictures i want to

889

00:33:02,230 --> 00:32:59,840

go really bad

890

00:33:04,470 --> 00:33:02,240

she had so many stories if you go if

891

00:33:05,990 --> 00:33:04,480

anyone can get a chance to go out there

892

00:33:08,870 --> 00:33:06,000

um i believe her name is jackie

893

00:33:10,070 --> 00:33:08,880

jacqueline she runs an escape room from

894

00:33:12,549 --> 00:33:10,080

the basement

895

00:33:13,909 --> 00:33:12,559

which is really cool and then she has

896

00:33:17,190 --> 00:33:13,919

this beautiful

897

00:33:19,430 --> 00:33:17,200

you know victorian mansion tons of

898

00:33:22,870 --> 00:33:19,440

stories she takes you on a candlelit

899

00:33:25,430 --> 00:33:22,880

tour of the house and just lets you

900

00:33:25,990 --> 00:33:25,440

let you see everything but it was oh

901  
00:33:28,389 --> 00:33:26,000

gosh

902  
00:33:30,070 --> 00:33:28,399

i could go there every day i just was

903  
00:33:31,990 --> 00:33:30,080

drawn to it immediately

904  
00:33:34,470 --> 00:33:32,000

and i and i talked to her since and i'm

905  
00:33:37,190 --> 00:33:34,480

hoping to go pretty soon again so

906  
00:33:37,990 --> 00:33:37,200

it's just a lovely lovely spot that's

907  
00:33:41,590 --> 00:33:38,000

super close by

908  
00:33:43,430 --> 00:33:41,600

to me yeah it looks amazing and

909  
00:33:45,590 --> 00:33:43,440

you've gone to a bunch of other places

910  
00:33:47,830 --> 00:33:45,600

too what are some of your favorite

911  
00:33:49,750 --> 00:33:47,840

uh what what have been some of your most

912  
00:33:52,149 --> 00:33:49,760

extreme experiences and where have you

913  
00:33:54,230 --> 00:33:52,159

had them

914

00:33:56,710 --> 00:33:54,240

well definitely over near skin marker

915

00:33:59,750 --> 00:33:56,720

ranches in my top of course

916

00:34:01,830 --> 00:33:59,760

but um my favorite will always be the

917

00:34:04,470 --> 00:34:01,840

queen mary you know

918

00:34:06,070 --> 00:34:04,480

this the poor ship have you heard the

919

00:34:07,669 --> 00:34:06,080

news about this ship

920

00:34:10,389 --> 00:34:07,679

no tell me more probably going to

921

00:34:13,030 --> 00:34:10,399

capsize and they've run out of money to

922

00:34:15,669 --> 00:34:13,040

repair it and it's just sitting there

923

00:34:16,230 --> 00:34:15,679

just sinking in the bay there in long

924

00:34:18,149 --> 00:34:16,240

beach

925

00:34:19,510 --> 00:34:18,159

i'm just so sad if anything like that

926  
00:34:21,990 --> 00:34:19,520  
happened i don't know

927  
00:34:23,510 --> 00:34:22,000  
it's such a neat place and i mean you've

928  
00:34:26,710 --> 00:34:23,520  
been right

929  
00:34:29,669 --> 00:34:26,720  
never i've never ever yeah

930  
00:34:31,109 --> 00:34:29,679  
oh my gosh i need to go obviously now

931  
00:34:33,669 --> 00:34:31,119  
ryan because i think

932  
00:34:35,109 --> 00:34:33,679  
i think it's like the poor thing's

933  
00:34:36,550 --> 00:34:35,119  
history

934  
00:34:38,470 --> 00:34:36,560  
but they just they're they're going

935  
00:34:40,629 --> 00:34:38,480  
through this legal battle with

936  
00:34:42,149 --> 00:34:40,639  
the city and it's just too much money to

937  
00:34:43,990 --> 00:34:42,159  
even have it there so they're thinking

938  
00:34:46,230 --> 00:34:44,000

of just letting it rot

939

00:34:47,270 --> 00:34:46,240

and it would just be terrible because

940

00:34:51,430 --> 00:34:47,280

i've had

941

00:34:53,510 --> 00:34:51,440

you know my first like documented

942

00:34:54,710 --> 00:34:53,520

full body apparition was was there on

943

00:34:59,589 --> 00:34:54,720

that ship

944

00:35:02,150 --> 00:34:59,599

the first time i ever had something

945

00:35:04,069 --> 00:35:02,160

like attach itself and come back with me

946

00:35:07,109 --> 00:35:04,079

for months at a time

947

00:35:10,230 --> 00:35:07,119

was because of the queen mary

948

00:35:13,430 --> 00:35:10,240

i've gotten my best evps and

949

00:35:15,670 --> 00:35:13,440

evidence there and i

950

00:35:17,510 --> 00:35:15,680

it's one of those other spots where i

951  
00:35:19,510 --> 00:35:17,520

immediately felt like

952  
00:35:21,030 --> 00:35:19,520

i i've been there before in a different

953  
00:35:22,630 --> 00:35:21,040

life or something i don't know what you

954  
00:35:25,510 --> 00:35:22,640

believe but

955  
00:35:27,670 --> 00:35:25,520

it was as if i'd lived a life on this

956  
00:35:29,990 --> 00:35:27,680

ship before i ever even set foot on it

957  
00:35:32,310 --> 00:35:30,000

it's like i knew where to go i knew

958  
00:35:34,710 --> 00:35:32,320

where the rooms were

959  
00:35:35,910 --> 00:35:34,720

i knew how to get around and i'd never

960  
00:35:38,310 --> 00:35:35,920

been

961  
00:35:39,349 --> 00:35:38,320

or even researched it before i had

962  
00:35:42,630 --> 00:35:39,359

visited

963  
00:35:43,990 --> 00:35:42,640

and i think i've been over a hundred

964

00:35:47,910 --> 00:35:44,000

times since

965

00:35:50,150 --> 00:35:47,920

but um it's just such a

966

00:35:51,430 --> 00:35:50,160

such a neat place of you know world war

967

00:35:54,310 --> 00:35:51,440

ii history

968

00:35:56,710 --> 00:35:54,320

so many cool stories so many ghosts so

969

00:35:59,750 --> 00:35:56,720

haunted ryan it's the most haunted place

970

00:36:00,630 --> 00:35:59,760

i'm telling you man i got an invitation

971

00:36:03,910 --> 00:36:00,640

to go out there

972

00:36:06,069 --> 00:36:03,920

pre-covered and i blew it and

973

00:36:07,990 --> 00:36:06,079

now i'm like super bummed that this has

974

00:36:10,829 --> 00:36:08,000

taken place

975

00:36:12,790 --> 00:36:10,839

i know i just talked to if you remember

976

00:36:16,390 --> 00:36:12,800

sarah girlfriend of ours

977

00:36:17,829 --> 00:36:16,400

of course she she got to go one last

978

00:36:20,630 --> 00:36:17,839

time you know before they

979

00:36:21,910 --> 00:36:20,640

shut it down but but even how i met her

980

00:36:23,510 --> 00:36:21,920

was through the queen mary it was

981

00:36:26,150 --> 00:36:23,520

because of a ghost

982

00:36:26,540 --> 00:36:26,160

that that was haunting me from that ship

983

00:36:28,069 --> 00:36:26,550

um

984

00:36:30,470 --> 00:36:28,079

[Music]

985

00:36:31,829 --> 00:36:30,480

when i had met her at a conference with

986

00:36:34,150 --> 00:36:31,839

the ghost hunters

987

00:36:36,230 --> 00:36:34,160

the tv show and we were i was working

988

00:36:41,349 --> 00:36:36,240

with a group that worked with them

989

00:36:44,390 --> 00:36:41,359

and i met her on back in 2004

990

00:36:47,190 --> 00:36:44,400

and we had such a great time and uh

991

00:36:48,230 --> 00:36:47,200

i left after that week and i didn't get

992

00:36:49,670 --> 00:36:48,240

her number

993

00:36:51,510 --> 00:36:49,680

and then that's when we had all those

994

00:36:52,710 --> 00:36:51,520

crazy experiences with the full body

995

00:36:56,150 --> 00:36:52,720

apparitions

996

00:36:58,069 --> 00:36:56,160

um and the evps and some of the best

997

00:37:01,430 --> 00:36:58,079

evidence ever

998

00:37:02,950 --> 00:37:01,440

and then i i went back to utah and i was

999

00:37:06,069 --> 00:37:02,960

getting haunted by

1000

00:37:08,230 --> 00:37:06,079

this man in in a tuxedo that would just

1001

00:37:09,750 --> 00:37:08,240

stand by my bed at night

1002

00:37:11,030 --> 00:37:09,760

and i knew that it was like the shining

1003

00:37:11,910 --> 00:37:11,040

you know the guy in the shining with his

1004

00:37:14,950 --> 00:37:11,920

little glass

1005

00:37:15,990 --> 00:37:14,960

yeah and um i just knew he was from the

1006

00:37:18,470 --> 00:37:16,000

ship and so

1007

00:37:19,990 --> 00:37:18,480

for like months i i was telling my

1008

00:37:22,390 --> 00:37:20,000

boyfriend at the time like i need to go

1009

00:37:24,790 --> 00:37:22,400

back to the ship for some reason

1010

00:37:26,310 --> 00:37:24,800

um and i had this really strong

1011

00:37:28,150 --> 00:37:26,320

connection with sarah

1012

00:37:30,150 --> 00:37:28,160

and i told him about her and how i wish

1013

00:37:34,310 --> 00:37:30,160

i had and this was before facebook

1014

00:37:36,950 --> 00:37:34,320

you know and uh i had no way to find her

1015

00:37:38,950 --> 00:37:36,960

i didn't remember her last name but i

1016

00:37:40,069 --> 00:37:38,960

remember we got back on that ship month

1017

00:37:43,190 --> 00:37:40,079

after

1018

00:37:44,230 --> 00:37:43,200

drove to california i'm talking about

1019

00:37:47,109 --> 00:37:44,240

her

1020

00:37:48,710 --> 00:37:47,119

to my boyfriend in our cabin and i open

1021

00:37:52,390 --> 00:37:48,720

the door and walk out

1022

00:37:55,829 --> 00:37:52,400

and she's standing there in the hallway

1023

00:37:57,430 --> 00:37:55,839

and she was prompted to just come on

1024

00:38:00,069 --> 00:37:57,440

that exact day

1025

00:38:00,630 --> 00:38:00,079

after months and had been in the same

1026

00:38:01,990 --> 00:38:00,640

boat

1027

00:38:04,390 --> 00:38:02,000

where she'd been having weird things

1028

00:38:07,190 --> 00:38:04,400

happen and she just

1029

00:38:08,710 --> 00:38:07,200

also wanted to somehow find a way to

1030

00:38:12,230 --> 00:38:08,720

connect with me

1031

00:38:15,349 --> 00:38:12,240

and i just thought wow the ship did this

1032

00:38:19,829 --> 00:38:15,359

like it's crazy whoa that's crazy

1033

00:38:23,990 --> 00:38:19,839

we've had a friendship for decades

1034

00:38:25,750 --> 00:38:24,000

um so

1035

00:38:28,150 --> 00:38:25,760

yeah that place is going to always be a

1036

00:38:30,310 --> 00:38:28,160

special spot for me

1037

00:38:31,430 --> 00:38:30,320

um other than that i mean utah salt lake

1038

00:38:34,069 --> 00:38:31,440

city

1039

00:38:35,829 --> 00:38:34,079

is any building you can throw a rock at

1040

00:38:41,829 --> 00:38:35,839

has a crazy story

1041

00:38:48,150 --> 00:38:44,829

uh sorry i'm drawing a blank here one

1042

00:38:51,190 --> 00:38:50,310

salt lake has a lot of them you're right

1043

00:38:54,310 --> 00:38:51,200

there's just yeah

1044

00:38:56,470 --> 00:38:54,320

every corner definitely the depot the

1045

00:38:59,430 --> 00:38:56,480

depot is a nightclub in salt lake

1046

00:39:00,150 --> 00:38:59,440

yep and uh we we did an investigation

1047

00:39:01,990 --> 00:39:00,160

there with

1048

00:39:04,470 --> 00:39:02,000

with the haunted bathroom remember the

1049

00:39:06,470 --> 00:39:04,480

hunt oh my gosh

1050

00:39:08,310 --> 00:39:06,480

what was the haunted women's restroom i

1051

00:39:11,270 --> 00:39:08,320

think it was the women's yes

1052

00:39:12,470 --> 00:39:11,280

and do you want to tell the story about

1053

00:39:15,349 --> 00:39:12,480

the toilets

1054

00:39:16,710 --> 00:39:15,359

i i you know what i i'm gonna let you

1055

00:39:20,069 --> 00:39:16,720

take it but it's crazy

1056

00:39:22,069 --> 00:39:20,079

it's crazy the toilets would flush yeah

1057

00:39:24,150 --> 00:39:22,079

the toilets would flush like on command

1058

00:39:27,910 --> 00:39:24,160

i remember the sinks

1059

00:39:30,790 --> 00:39:27,920

would turn on the the crazy thing this

1060

00:39:32,950 --> 00:39:30,800

this nightclub is connected to an actual

1061

00:39:33,829 --> 00:39:32,960

train station which is the the rio

1062

00:39:38,150 --> 00:39:33,839

grande

1063

00:39:41,030 --> 00:39:38,160

there in salt lake and so

1064

00:39:42,230 --> 00:39:41,040

there's a long hallway upstairs in this

1065

00:39:44,870 --> 00:39:42,240

part of the building

1066

00:39:46,230 --> 00:39:44,880

where there's bars and restrooms and you

1067

00:39:48,230 --> 00:39:46,240

know women were reporting getting

1068

00:39:49,510 --> 00:39:48,240

attacked in the skulls by this black

1069

00:39:51,109 --> 00:39:49,520

shadow figure

1070

00:39:52,710 --> 00:39:51,119

and someone in our group actually got a

1071

00:39:55,109 --> 00:39:52,720

photo and it's

1072

00:39:58,150 --> 00:39:55,119

an exact outline of a man but it's

1073

00:40:00,240 --> 00:39:58,160

completely black and it's really

1074

00:40:01,589 --> 00:40:00,250

it's really unnerving looking

1075

00:40:03,829 --> 00:40:01,599

[Music]

1076  
00:40:05,430 --> 00:40:03,839  
especially that he's attacking you know

1077  
00:40:06,870 --> 00:40:05,440  
there's just there were women

1078  
00:40:09,510 --> 00:40:06,880  
that'd be running out into the night

1079  
00:40:12,390 --> 00:40:09,520  
because they were getting attacked by

1080  
00:40:14,790 --> 00:40:12,400  
nothing and so we would investigate

1081  
00:40:16,710 --> 00:40:14,800  
there a few times but i remember

1082  
00:40:18,630 --> 00:40:16,720  
one night i was standing in the hall

1083  
00:40:21,510 --> 00:40:18,640  
outside of the restroom

1084  
00:40:22,230 --> 00:40:21,520  
and my friend jim was in in the

1085  
00:40:25,589 --> 00:40:22,240  
restrooms

1086  
00:40:28,710 --> 00:40:25,599  
and behind me was the long wall

1087  
00:40:29,990 --> 00:40:28,720  
uh where the other side of the door for

1088  
00:40:32,150 --> 00:40:30,000

the bathrooms and

1089

00:40:33,910 --> 00:40:32,160

on the other side of that wall is the

1090

00:40:35,990 --> 00:40:33,920

the grand

1091

00:40:37,829 --> 00:40:36,000

uh train station area so it's probably

1092

00:40:40,790 --> 00:40:37,839

50 feet down

1093

00:40:42,309 --> 00:40:40,800

below me and a man just walks right

1094

00:40:46,150 --> 00:40:42,319

through the wall

1095

00:40:47,990 --> 00:40:46,160

and whoa like clear as you or me

1096

00:40:49,829 --> 00:40:48,000

and just walked right through the wall

1097

00:40:50,630 --> 00:40:49,839

so he had to have been floating 50 feet

1098

00:40:52,470 --> 00:40:50,640

above the

1099

00:40:54,230 --> 00:40:52,480

the air and then walked right through

1100

00:40:54,710 --> 00:40:54,240

the wall and then walked right into the

1101

00:40:57,670 --> 00:40:54,720

wall

1102

00:40:59,430 --> 00:40:57,680

where jim was in the restroom and i i

1103

00:41:01,430 --> 00:40:59,440

like dropped to the ground

1104

00:41:03,109 --> 00:41:01,440

because i just wasn't expecting it like

1105

00:41:07,349 --> 00:41:03,119

a man to pop out of the wall

1106

00:41:09,030 --> 00:41:07,359

like it was crazy and it was it was so

1107

00:41:10,550 --> 00:41:09,040

it was you would never have thought it

1108

00:41:13,510 --> 00:41:10,560

was a ghost it's so

1109

00:41:13,829 --> 00:41:13,520

but he went through the wall and so um

1110

00:41:17,910 --> 00:41:13,839

that

1111

00:41:20,230 --> 00:41:17,920

like being startled

1112

00:41:22,150 --> 00:41:20,240

probably in the wrong business right

1113

00:41:24,790 --> 00:41:22,160

yeah

1114

00:41:26,150 --> 00:41:24,800

but but that train station's crazy i

1115

00:41:29,990 --> 00:41:26,160

mean

1116

00:41:32,230 --> 00:41:30,000

i went to the uh the great solitaire the

1117

00:41:33,109 --> 00:41:32,240

the other day and spent the evening

1118

00:41:35,990 --> 00:41:33,119

there

1119

00:41:36,630 --> 00:41:36,000

and that place has a crazy history how

1120

00:41:39,829 --> 00:41:36,640

cool

1121

00:41:42,309 --> 00:41:39,839

um yeah and i again

1122

00:41:45,109 --> 00:41:42,319

in the restrooms at the salt air i've

1123

00:41:47,510 --> 00:41:45,119

i've sat and watched

1124

00:41:48,150 --> 00:41:47,520

the faucets in the men's room turn

1125

00:41:52,550 --> 00:41:48,160

themselves

1126

00:41:54,550 --> 00:41:52,560

on and their old school faucets

1127

00:41:56,150 --> 00:41:54,560

and just do them in a row three three

1128

00:41:59,750 --> 00:41:56,160

sinks in a row

1129

00:42:02,390 --> 00:41:59,760

while i'm just standing there and

1130

00:42:03,670 --> 00:42:02,400

there's a lot of a lot of sad stories

1131

00:42:07,190 --> 00:42:03,680

around that building

1132

00:42:09,589 --> 00:42:07,200

a lot of deaths and murders

1133

00:42:12,150 --> 00:42:09,599

it's got a pretty dark history but i

1134

00:42:14,230 --> 00:42:12,160

know there's a few

1135

00:42:17,190 --> 00:42:14,240

ghost hunting groups that are going to

1136

00:42:19,589 --> 00:42:17,200

be putting out shows on that soon so

1137

00:42:20,390 --> 00:42:19,599

that'll be interesting to see that will

1138

00:42:22,150 --> 00:42:20,400

be

1139

00:42:23,829 --> 00:42:22,160

now how do how many times i don't want

1140

00:42:25,430 --> 00:42:23,839

to mess this up you would know better

1141

00:42:28,790 --> 00:42:25,440

than i how many times does that place

1142

00:42:32,870 --> 00:42:31,750

probably at least twice or three times i

1143

00:42:36,069 --> 00:42:32,880

know that it

1144

00:42:39,030 --> 00:42:36,079

so i know it burnt down and then uh

1145

00:42:40,230 --> 00:42:39,040

they kind of rebuilt it in the 80s and

1146

00:42:42,150 --> 00:42:40,240

it was nowhere near

1147

00:42:43,990 --> 00:42:42,160

its former glory i mean it was the coney

1148

00:42:46,950 --> 00:42:44,000

island of the west it was

1149

00:42:47,910 --> 00:42:46,960

amazing in the in the 1800s when it was

1150

00:42:50,550 --> 00:42:47,920

built

1151  
00:42:51,270 --> 00:42:50,560  
but then it burned down in the the 20s i

1152  
00:42:55,190 --> 00:42:51,280  
think

1153  
00:42:57,750 --> 00:42:55,200  
and um then it just kind of sat

1154  
00:42:59,750 --> 00:42:57,760  
vacant for years and then they rebuilt

1155  
00:43:02,390 --> 00:42:59,760  
it in in like 82

1156  
00:43:03,750 --> 00:43:02,400  
and then in 80 was it 84 the great flood

1157  
00:43:07,190 --> 00:43:03,760  
of salt lake

1158  
00:43:09,270 --> 00:43:07,200  
um 84 i believe or something

1159  
00:43:12,309 --> 00:43:09,280  
came and just wiped out the building

1160  
00:43:16,550 --> 00:43:12,319  
again and flooded it so the poor thing

1161  
00:43:19,109 --> 00:43:16,560  
it's just had a rough time you know so

1162  
00:43:20,150 --> 00:43:19,119  
but it's still standing it's now used

1163  
00:43:23,829 --> 00:43:20,160

for raves

1164

00:43:26,790 --> 00:43:23,839

uh primarily and big you know night

1165

00:43:27,750 --> 00:43:26,800

nightclub parties yeah i think things i

1166

00:43:29,190 --> 00:43:27,760

haven't done in years

1167

00:43:30,870 --> 00:43:29,200

i know i think the last time i went

1168

00:43:32,790 --> 00:43:30,880

there had to be a decade ago

1169

00:43:34,150 --> 00:43:32,800

and it was for a concert so that that

1170

00:43:37,349 --> 00:43:34,160

shows how much i know

1171

00:43:39,670 --> 00:43:37,359

yeah yeah that's that's about all it's

1172

00:43:41,589 --> 00:43:39,680

it's used for now but it's a that's a

1173

00:43:45,750 --> 00:43:41,599

real eerie place

1174

00:43:47,270 --> 00:43:45,760

um and same with ogden

1175

00:43:50,470 --> 00:43:47,280

like don't even get me started with the

1176

00:43:52,630 --> 00:43:50,480

city of ogden like ogden what's going on

1177

00:43:54,630 --> 00:43:52,640

yeah have you been to the have you been

1178

00:43:55,109 --> 00:43:54,640

to the ben lamond or any of the haunted

1179

00:43:58,950 --> 00:43:55,119

buildings

1180

00:44:00,470 --> 00:43:58,960

i have yeah um i don't recall anything

1181

00:44:02,230 --> 00:44:00,480

happening there at the hotel

1182

00:44:03,750 --> 00:44:02,240

but the ogden exchange building i just

1183

00:44:06,829 --> 00:44:03,760

did a video on it

1184

00:44:09,270 --> 00:44:06,839

like two days ago on my channel uh but

1185

00:44:11,270 --> 00:44:09,280

that's the ogden exchange building was a

1186

00:44:14,710 --> 00:44:11,280

livestock exchange building

1187

00:44:18,230 --> 00:44:14,720

um that was built in like 1931

1188

00:44:19,589 --> 00:44:18,240

and in that in its history it was used

1189

00:44:23,510 --> 00:44:19,599

as a bank

1190

00:44:26,630 --> 00:44:23,520

um as even weber county mental health

1191

00:44:30,309 --> 00:44:26,640

so it was like a methadone clinic and

1192

00:44:31,510 --> 00:44:30,319

there's just tons of colorful stories of

1193

00:44:36,630 --> 00:44:31,520

murders

1194

00:44:39,190 --> 00:44:36,640

suicides um and then of course

1195

00:44:40,950 --> 00:44:39,200

there's an evp that was caught there on

1196

00:44:42,630 --> 00:44:40,960

a night that i visited

1197

00:44:44,790 --> 00:44:42,640

where you can hear someone in a tub

1198

00:44:46,470 --> 00:44:44,800

drowning and asking for help

1199

00:44:48,390 --> 00:44:46,480

and there's no water in that building

1200

00:44:50,230 --> 00:44:48,400

there hadn't been for years

1201  
00:44:52,230 --> 00:44:50,240  
and it's been like on the art bell show

1202  
00:44:55,430 --> 00:44:52,240  
if you were to google it

1203  
00:44:56,790 --> 00:44:55,440  
or go to my my video i put a link it's

1204  
00:45:00,230 --> 00:44:56,800  
like the clearest

1205  
00:45:03,030 --> 00:45:00,240  
and the evp goes on for like

1206  
00:45:05,109 --> 00:45:03,040  
i want to say five to seven minutes this

1207  
00:45:07,430 --> 00:45:05,119  
sounds horrifying

1208  
00:45:09,109 --> 00:45:07,440  
it is and i remember the night it was

1209  
00:45:10,630 --> 00:45:09,119  
taken because

1210  
00:45:11,990 --> 00:45:10,640  
we had gone in different groups to

1211  
00:45:14,150 --> 00:45:12,000  
different parts of the building have you

1212  
00:45:17,990 --> 00:45:14,160  
been there or

1213  
00:45:19,109 --> 00:45:18,000

yes yes you have okay oh i remember and

1214

00:45:21,589 --> 00:45:19,119

your mom's come

1215

00:45:23,510 --> 00:45:21,599

um it's just it's been such a long time

1216

00:45:29,670 --> 00:45:23,520

and i have a bad memory nowadays

1217

00:45:33,430 --> 00:45:31,109

yeah i've had some of the craziest

1218

00:45:35,109 --> 00:45:33,440

experiences down in that basement where

1219

00:45:36,790 --> 00:45:35,119

they say there was a morgue

1220

00:45:39,829 --> 00:45:36,800

they also say there are tunnels that

1221

00:45:42,710 --> 00:45:39,839

connect that building to the high school

1222

00:45:43,990 --> 00:45:42,720

and to the ben lomond and other

1223

00:45:45,430 --> 00:45:44,000

buildings because they were built by the

1224

00:45:47,589 --> 00:45:45,440

same architect

1225

00:45:49,270 --> 00:45:47,599

and they were used like during

1226

00:45:50,790 --> 00:45:49,280

prohibition and things like that

1227

00:45:52,150 --> 00:45:50,800

but i went and saw the building the

1228

00:45:52,870 --> 00:45:52,160

other day and the poor thing's falling

1229

00:45:56,069 --> 00:45:52,880

over

1230

00:46:00,470 --> 00:45:56,079

right uh i hope they get it fixed

1231

00:46:02,550 --> 00:46:00,480

it's just gorgeous i have

1232

00:46:04,870 --> 00:46:02,560

i have like a romantic love affair with

1233

00:46:06,710 --> 00:46:04,880

those old buildings and i cannot believe

1234

00:46:09,349 --> 00:46:06,720

when they knock them down or let them go

1235

00:46:11,109 --> 00:46:09,359

it's just ah what are they doing

1236

00:46:14,150 --> 00:46:11,119

i know i could see that they're

1237

00:46:17,030 --> 00:46:14,160

cataloging all of the fallen

1238

00:46:19,589 --> 00:46:17,040

stones i mean this building is just such

1239

00:46:22,230 --> 00:46:19,599

a prime example of art deco

1240

00:46:22,630 --> 00:46:22,240

architecture which is my favorite and

1241

00:46:25,829 --> 00:46:22,640

there's

1242

00:46:27,430 --> 00:46:25,839

columns that have

1243

00:46:29,589 --> 00:46:27,440

fallen to the ground and just the

1244

00:46:32,790 --> 00:46:29,599

brickwork and beautiful

1245

00:46:35,030 --> 00:46:32,800

like corinthian columns inside

1246

00:46:36,230 --> 00:46:35,040

so it looks like they're trying to

1247

00:46:39,349 --> 00:46:36,240

restore it

1248

00:46:42,870 --> 00:46:39,359

but i mean it's going to take so much

1249

00:46:46,710 --> 00:46:42,880

so much to fix it but i hope they do

1250

00:46:49,190 --> 00:46:46,720

because it's such a cool place and

1251

00:46:52,230 --> 00:46:49,200

just so many so many crazy nights

1252

00:46:55,990 --> 00:46:55,030

the woman who owned it actually wanted

1253

00:46:58,150 --> 00:46:56,000

to turn it into her

1254

00:46:59,190 --> 00:46:58,160

residence to live in which i thought she

1255

00:47:00,470 --> 00:46:59,200

was crazy

1256

00:47:02,309 --> 00:47:00,480

there's no way i could live in that

1257

00:47:06,870 --> 00:47:02,319

building it was just so

1258

00:47:09,910 --> 00:47:06,880

noisy with with activity um

1259

00:47:10,630 --> 00:47:09,920

but it sure has a neat history so i i do

1260

00:47:14,710 --> 00:47:10,640

hope

1261

00:47:16,550 --> 00:47:14,720

one of a kind

1262

00:47:18,309 --> 00:47:16,560

and you're right about austin itself

1263

00:47:20,549 --> 00:47:18,319

ogden's crazy to be

1264

00:47:22,230 --> 00:47:20,559

yeah it used to be it was known as the

1265

00:47:24,069 --> 00:47:22,240

gateway to the west

1266

00:47:25,750 --> 00:47:24,079

had the highest crime rate in the entire

1267

00:47:27,109 --> 00:47:25,760

country

1268

00:47:29,750 --> 00:47:27,119

and then you know we got that

1269

00:47:32,230 --> 00:47:29,760

transcontinental railroad

1270

00:47:34,150 --> 00:47:32,240

and it just really yeah it was like

1271

00:47:35,670 --> 00:47:34,160

brothel on every corner

1272

00:47:37,750 --> 00:47:35,680

people getting shot in the street it was

1273

00:47:40,790 --> 00:47:37,760

the wild west

1274

00:47:42,870 --> 00:47:40,800

oh town and there's so many stories

1275

00:47:43,829 --> 00:47:42,880

and you know uh i had an experience at

1276

00:47:46,069 --> 00:47:43,839

the ben

1277

00:47:47,670 --> 00:47:46,079

loma le monde i don't know now i almost

1278

00:47:50,630 --> 00:47:47,680

feel like i'm saying it wrong but

1279

00:47:51,990 --> 00:47:50,640

it's just make it sound fancier yeah

1280

00:47:54,950 --> 00:47:52,000

it's not that fancy

1281

00:47:55,430 --> 00:47:54,960

but it uh i remember the lights would

1282

00:47:57,430 --> 00:47:55,440

switch

1283

00:48:00,150 --> 00:47:57,440

on and off to the point where we had to

1284

00:48:03,750 --> 00:48:00,160

be moved out of our room and so

1285

00:48:05,510 --> 00:48:03,760

there's something about that hotel and

1286

00:48:09,190 --> 00:48:05,520

ogden in general like you said used to

1287

00:48:11,190 --> 00:48:09,200

be such a mecca of just craziness

1288

00:48:12,309 --> 00:48:11,200

yeah i'll never forget the first time i

1289

00:48:18,790 --> 00:48:12,319

ever

1290

00:48:20,150 --> 00:48:18,800

it wasn't until i was in my 20s and i

1291

00:48:23,670 --> 00:48:20,160

remember my whole body

1292

00:48:26,069 --> 00:48:23,680

just uh i was just

1293

00:48:27,270 --> 00:48:26,079

overcome with like the most anxiety i've

1294

00:48:29,349 --> 00:48:27,280

ever felt

1295

00:48:30,870 --> 00:48:29,359

and not not saying anything against the

1296

00:48:32,230 --> 00:48:30,880

city it's a gorgeous city now they've

1297

00:48:34,710 --> 00:48:32,240

done great things

1298

00:48:36,790 --> 00:48:34,720

with it and the people are awesome there

1299

00:48:39,190 --> 00:48:36,800

but there's just a vibe

1300

00:48:40,870 --> 00:48:39,200

and me just being sensitive to areas

1301

00:48:44,710 --> 00:48:40,880

with a lot of

1302

00:48:46,549 --> 00:48:44,720

hauntings or whatever you'd call that um

1303

00:48:48,470 --> 00:48:46,559

it was overwhelming like i couldn't even

1304

00:48:51,990 --> 00:48:48,480

deal with it i had to i had to

1305

00:48:55,270 --> 00:48:52,000

to leave i just got physically ill

1306

00:48:57,670 --> 00:48:55,280

but over the years you know it's fine

1307

00:49:00,390 --> 00:48:57,680

but i just remember that first time

1308

00:49:01,589 --> 00:49:00,400

i was like where am i going what is this

1309

00:49:04,630 --> 00:49:01,599

place

1310

00:49:05,430 --> 00:49:04,640

very twilight zoning very twilight zoney

1311

00:49:08,390 --> 00:49:05,440

yes

1312

00:49:10,470 --> 00:49:08,400

yeah it just kind of feels like its own

1313

00:49:13,670 --> 00:49:10,480

little world

1314

00:49:15,430 --> 00:49:13,680

but but yeah like i said i i went back

1315

00:49:17,510 --> 00:49:15,440

just this last weekend i hadn't been

1316

00:49:20,630 --> 00:49:17,520

there in probably

1317

00:49:22,309 --> 00:49:20,640

at least five or six years and it looks

1318

00:49:23,829 --> 00:49:22,319

so completely different even in that

1319

00:49:27,670 --> 00:49:23,839

time

1320

00:49:30,549 --> 00:49:27,680

um but utah

1321

00:49:31,670 --> 00:49:30,559

utah is the wild west there's anywhere

1322

00:49:33,670 --> 00:49:31,680

you go here

1323

00:49:35,349 --> 00:49:33,680

there's a story if you're if you if you

1324

00:49:37,910 --> 00:49:35,359

go to a historic building

1325

00:49:39,109 --> 00:49:37,920

something crazy has gone down so if

1326

00:49:40,870 --> 00:49:39,119

you're looking for

1327

00:49:42,309 --> 00:49:40,880

a ghost or two this is definitely the

1328

00:49:45,030 --> 00:49:42,319

place

1329

00:49:46,630 --> 00:49:45,040

it is and you you don't stick to utah

1330

00:49:47,510 --> 00:49:46,640

you go all over the place i notice that

1331

00:49:49,270 --> 00:49:47,520

you come down

1332

00:49:51,430 --> 00:49:49,280

to nevada quite often and you've done

1333

00:49:53,030 --> 00:49:51,440

some investigations down here

1334

00:49:55,109 --> 00:49:53,040

i i started doing that during the

1335

00:49:56,549 --> 00:49:55,119

pandemic just because

1336

00:49:58,470 --> 00:49:56,559

you know it's hard to get permission to

1337

00:50:00,230 --> 00:49:58,480

go to any places and i mean if anyone

1338

00:50:01,109 --> 00:50:00,240

wants me to come and investigate i'm all

1339

00:50:02,950 --> 00:50:01,119

for it

1340

00:50:05,190 --> 00:50:02,960

but you know everyone's doing it now so

1341

00:50:07,030 --> 00:50:05,200

it's just kind of over saturated and

1342

00:50:08,309 --> 00:50:07,040

so i figured the only place i can really

1343

00:50:10,950 --> 00:50:08,319

go and

1344

00:50:14,390 --> 00:50:10,960

not get arrested is probably a hotel and

1345

00:50:18,150 --> 00:50:14,400

hotels have always been my favorite

1346

00:50:19,270 --> 00:50:18,160

sort of haunted destination you know i

1347

00:50:21,589 --> 00:50:19,280

just love

1348

00:50:22,870 --> 00:50:21,599

i love a good hotel like there's so many

1349

00:50:24,549 --> 00:50:22,880

stories

1350

00:50:26,150 --> 00:50:24,559

uh you know the stanley hotel that's

1351

00:50:29,589 --> 00:50:26,160

where i had my honeymoon

1352

00:50:32,230 --> 00:50:29,599

stephen king wrote the shining there um

1353

00:50:33,910 --> 00:50:32,240

i there's just something about the

1354

00:50:36,630 --> 00:50:33,920

energy of a hotel

1355

00:50:37,829 --> 00:50:36,640

and vegas just has so many stories as

1356

00:50:42,710 --> 00:50:37,839

you know

1357

00:50:44,309 --> 00:50:42,720

recently

1358

00:50:45,910 --> 00:50:44,319

which a lot of people don't know used to

1359

00:50:48,470 --> 00:50:45,920

be the mgm grand

1360

00:50:49,910 --> 00:50:48,480

and it was in a horrible fire in the 80s

1361

00:50:51,349 --> 00:50:49,920

and so

1362

00:50:53,430 --> 00:50:51,359

a lot of people died there but the

1363

00:50:54,630 --> 00:50:53,440

building is still still standing and

1364

00:50:57,910 --> 00:50:54,640

being used

1365

00:50:59,270 --> 00:50:57,920

as a hotel so i i love the stories of

1366

00:51:01,750 --> 00:50:59,280

vegas

1367

00:51:03,270 --> 00:51:01,760

i grew up going there as a kid every

1368

00:51:06,549 --> 00:51:03,280

summer

1369

00:51:10,630 --> 00:51:06,559

and you know of course there's such a

1370

00:51:13,750 --> 00:51:10,640

such a colorful history in las vegas

1371

00:51:16,790 --> 00:51:13,760

uh there's no shortage

1372

00:51:18,150 --> 00:51:16,800

of ghost stories there either and it's

1373

00:51:21,349 --> 00:51:18,160

just a hop over

1374

00:51:22,790 --> 00:51:21,359

on the freeway that's true and

1375

00:51:24,870 --> 00:51:22,800

but you know now that the world's kind

1376

00:51:27,430 --> 00:51:24,880

of opening back up i'm planning

1377

00:51:28,870 --> 00:51:27,440

uh this in the next few months to go to

1378

00:51:31,910 --> 00:51:28,880

savannah georgia

1379

00:51:33,670 --> 00:51:31,920

see some of the old locations nice

1380

00:51:35,270 --> 00:51:33,680

and then go to gettysburg which i've

1381

00:51:36,710 --> 00:51:35,280

always wanted to do

1382

00:51:39,030 --> 00:51:36,720

has never been there so we're going to

1383

00:51:41,030 --> 00:51:39,040

go there in september

1384

00:51:42,309 --> 00:51:41,040

so i'll be sure to let you know if i

1385

00:51:44,069 --> 00:51:42,319

find anything

1386

00:51:46,069 --> 00:51:44,079

well i think you got two epic trips

1387

00:51:48,630 --> 00:51:46,079

ahead of you i'm so peanut butter and

1388

00:51:50,950 --> 00:51:48,640

jealous on both of those

1389

00:51:53,109 --> 00:51:50,960

get a gettysburg is supposed to be just

1390

00:51:56,150 --> 00:51:53,119

over the top

1391

00:51:59,750 --> 00:51:56,160

oh i know i ca i can't even

1392

00:52:01,430 --> 00:51:59,760

imagine how that's gonna feel to visit

1393

00:52:03,190 --> 00:52:01,440

and then of course i'm gonna go up to

1394

00:52:05,430 --> 00:52:03,200

upstate new york that place is just

1395

00:52:06,549 --> 00:52:05,440

filled with awesome history and visit

1396

00:52:09,750 --> 00:52:06,559

our friend janice

1397

00:52:11,109 --> 00:52:09,760

going to see her in this number so i'm

1398

00:52:13,349 --> 00:52:11,119

excited

1399

00:52:15,030 --> 00:52:13,359

um i just that's that's what i love to

1400

00:52:16,230 --> 00:52:15,040

do like i said i just i love a good

1401

00:52:20,870 --> 00:52:16,240

story

1402

00:52:22,710 --> 00:52:20,880

i love a good old building there's just

1403

00:52:24,390 --> 00:52:22,720

something about it for me that i just

1404

00:52:26,470 --> 00:52:24,400

love it heck yeah

1405

00:52:28,069 --> 00:52:26,480

and we'll have to investigate again soon

1406

00:52:28,950 --> 00:52:28,079

i wish i was going up to say hi to

1407

00:52:32,150 --> 00:52:28,960

janice too

1408

00:52:34,150 --> 00:52:32,160

haven't been up that way and um

1409

00:52:35,750 --> 00:52:34,160

for our listeners where can they keep up

1410

00:52:37,990 --> 00:52:35,760

with your new youtube channel

1411

00:52:39,510 --> 00:52:38,000

the uh paranormal polynesian and

1412

00:52:42,470 --> 00:52:39,520

whatever else you have going on

1413

00:52:43,589 --> 00:52:42,480

oh yeah uh it's just the paranormal

1414

00:52:47,030 --> 00:52:43,599

polynesian

1415

00:52:48,790 --> 00:52:47,040

on youtube facebook instagram

1416

00:52:50,630 --> 00:52:48,800

i'm working on a patreon i don't know

1417

00:52:51,829 --> 00:52:50,640

what that is sweet and i heard it's a

1418

00:52:55,349 --> 00:52:51,839

good thing so

1419

00:52:57,030 --> 00:52:55,359

that'll be up that'll be up soon

1420

00:52:58,470 --> 00:52:57,040

but it's all just under the paranormal

1421

00:53:01,829 --> 00:52:58,480

polynesian so

1422

00:53:03,510 --> 00:53:01,839

pretty easy to find man that's awesome

1423

00:53:04,950 --> 00:53:03,520

and i can't thank you enough for carving

1424

00:53:07,109 --> 00:53:04,960

away a little time to chat

1425

00:53:08,630 --> 00:53:07,119

and come on the podcast i hope we

1426

00:53:10,950 --> 00:53:08,640

connect soon and hopefully

1427

00:53:12,390 --> 00:53:10,960

uh have a little high strangeness there

1428

00:53:14,069 --> 00:53:12,400

i know me too thank you

1429

00:53:15,829 --> 00:53:14,079

thank you so much for having me ryan i

1430

00:53:17,510 --> 00:53:15,839

appreciate it all right take care my man

1431

00:53:22,870 --> 00:53:17,520

we'll talk soon take care bye-bye

1432

00:53:27,349 --> 00:53:24,870

well there you have it the paranormal

1433

00:53:30,950 --> 00:53:27,359

polynesian adam taula himself

1434

00:53:34,069 --> 00:53:30,960

going into the high strangeness of utah

1435

00:53:35,270 --> 00:53:34,079

the uintah basin ogden and well his

1436

00:53:37,270 --> 00:53:35,280

favorite queen mary

1437

00:53:39,190 --> 00:53:37,280

i really feel like i missed the boat no

1438

00:53:41,589 --> 00:53:39,200

pun intended i think that's something

1439

00:53:43,190 --> 00:53:41,599

that i had an opportunity to do

1440

00:53:45,190 --> 00:53:43,200

i may not be able to rise to the

1441

00:53:46,150 --> 00:53:45,200

occasion to do it now given the current

1442

00:53:48,549 --> 00:53:46,160

circumstances

1443

00:53:50,470 --> 00:53:48,559

so for all of you that got to visit that

1444

00:53:53,270 --> 00:53:50,480

uh kudos

1445

00:53:53,990 --> 00:53:53,280

and that's how these things go it moves

1446

00:53:57,430 --> 00:53:54,000

quickly

1447

00:53:57,829 --> 00:53:57,440

jump on these opportunities while you

1448

00:54:00,270 --> 00:53:57,839

can

1449

00:54:01,910 --> 00:54:00,280

and uh definitely jump on

1450

00:54:04,150 --> 00:54:01,920

heroparanormal.com

1451

00:54:06,069 --> 00:54:04,160

smash that donate button join the inner

1452

00:54:08,470 --> 00:54:06,079

circle or go to patreon

1453

00:54:10,710 --> 00:54:08,480

and definitely support adam taula at the

1454

00:54:12,950 --> 00:54:10,720

paranormal polynesian on youtube

1455

00:54:13,910 --> 00:54:12,960

and when he gets his patreon up support

1456

00:54:15,910 --> 00:54:13,920

him there

1457

00:54:18,150 --> 00:54:15,920

again thanks for listening in and until

1458

00:54:20,230 --> 00:54:18,160

next time keep your eyes to the skies

1459

00:54:29,430 --> 00:54:20,240

feet on the ground but don't forget to
