

# Juan Ayala

**HERO**  
podcast

[HEROparanormal.com](http://HEROparanormal.com)

1  
00:00:09,190 --> 00:00:14,910  
[Music]

2  
00:00:14,920 --> 00:00:18,620  
hey

3  
00:00:37,910 --> 00:00:26,050  
[Music]

4  
00:00:43,350 --> 00:00:41,430  
blast off on another episode of hero

5  
00:00:45,350 --> 00:00:43,360  
paranormal podcast

6  
00:00:46,790 --> 00:00:45,360  
broadcasting from the base at la madre

7  
00:00:50,150 --> 00:00:46,800  
mountain just south of

8  
00:00:52,630 --> 00:00:50,160  
area 51 my name is ryan the original

9  
00:00:54,790 --> 00:00:52,640  
outlaw of the airwaves bringing you an

10  
00:00:56,950 --> 00:00:54,800  
amazing episode tonight

11  
00:00:58,389 --> 00:00:56,960  
got one of my favorite guests coming on

12  
00:01:00,869 --> 00:00:58,399  
his name is

13  
00:01:02,069 --> 00:01:00,879

juan he's from the juan on juan podcast

14

00:01:05,270 --> 00:01:02,079

you may know him

15

00:01:07,109 --> 00:01:05,280

and uh he's got a pretty popular podcast

16

00:01:08,870 --> 00:01:07,119

we've both been chatting and we just

17

00:01:10,390 --> 00:01:08,880

need to do this again

18

00:01:13,190 --> 00:01:10,400

we're going to get in all kinds of stuff

19

00:01:14,870 --> 00:01:13,200

and just unpack the conspiracy toolbox

20

00:01:16,149 --> 00:01:14,880

because right now things are getting

21

00:01:18,390 --> 00:01:16,159

pretty weird

22

00:01:19,429 --> 00:01:18,400

it's uh it's weird down here in las

23

00:01:21,510 --> 00:01:19,439

vegas as well

24

00:01:22,950 --> 00:01:21,520

other than being over 100 degrees every

25

00:01:25,990 --> 00:01:22,960

day it is

26

00:01:26,950 --> 00:01:26,000

scorching and i don't mean just the

27

00:01:29,830 --> 00:01:26,960

weather i mean

28

00:01:30,630 --> 00:01:29,840

everybody's out and about it seems like

29

00:01:32,390 --> 00:01:30,640

uh

30

00:01:33,749 --> 00:01:32,400

people are finally getting out and

31

00:01:34,950 --> 00:01:33,759

traveling here from the rest of the

32

00:01:36,469 --> 00:01:34,960

country and

33

00:01:38,710 --> 00:01:36,479

it's a great thing to see everybody out

34

00:01:40,870 --> 00:01:38,720

and doing their thing so

35

00:01:41,990 --> 00:01:40,880

yeah let's keep that up um the other

36

00:01:44,550 --> 00:01:42,000

thing i need to keep up

37

00:01:46,389 --> 00:01:44,560

is promotion i guess if you haven't been

38

00:01:48,950 --> 00:01:46,399

to heroparanormal.com

39

00:01:51,030 --> 00:01:48,960

check it out and smash that donate

40

00:01:52,630 --> 00:01:51,040

button for the price of a barista cup of

41

00:01:53,109 --> 00:01:52,640

coffee a month you will be in the inner

42

00:01:56,149 --> 00:01:53,119

circle

43

00:01:57,190 --> 00:01:56,159

and be supporting the podcast so yeah

44

00:01:59,270 --> 00:01:57,200

that's that

45

00:02:01,109 --> 00:01:59,280

anyway without further ado let's get to

46

00:02:02,789 --> 00:02:01,119

juan one of my favorite guests ever juan

47

00:02:04,630 --> 00:02:02,799

my man how you doing and welcome to the

48

00:02:06,230 --> 00:02:04,640

hero paranormal podcast

49

00:02:07,910 --> 00:02:06,240

thank you for having me on the first

50

00:02:09,910 --> 00:02:07,920

time i'm on here you've been on my

51

00:02:12,630 --> 00:02:09,920

podcast like four times and

52

00:02:13,510 --> 00:02:12,640

i've never been on yours man it's always

53

00:02:15,510 --> 00:02:13,520

awesome when

54

00:02:17,110 --> 00:02:15,520

finally i'm i'm always down to get on

55

00:02:18,470 --> 00:02:17,120

your podcast because it's like

56

00:02:20,869 --> 00:02:18,480

i think you were destined to be great

57

00:02:23,430 --> 00:02:20,879

before you even started like

58

00:02:24,150 --> 00:02:23,440

it was just kind of cool when i first

59

00:02:27,190 --> 00:02:24,160

talked to you

60

00:02:29,110 --> 00:02:27,200

and you're always gosh i mean like

61

00:02:30,949 --> 00:02:29,120

it's it's one of the best conversations

62

00:02:33,670 --> 00:02:30,959

i've had on other podcasts

63

00:02:34,550 --> 00:02:33,680

and it's good to finally have it on my

64

00:02:36,790 --> 00:02:34,560

own because

65

00:02:37,830 --> 00:02:36,800

you always just kind of go for it it's

66

00:02:41,509 --> 00:02:37,840

like relax

67

00:02:42,309 --> 00:02:41,519

and you know just uh it just goes it

68

00:02:44,070 --> 00:02:42,319

just flows

69

00:02:45,750 --> 00:02:44,080

there's never any static and you know

70

00:02:47,830 --> 00:02:45,760

your stuff what have you been up to my

71

00:02:49,509 --> 00:02:47,840

man how are things

72

00:02:51,350 --> 00:02:49,519

i've gotten to the point of my life and

73

00:02:53,430 --> 00:02:51,360

i appreciate all those comments but i

74

00:02:56,070 --> 00:02:53,440

i'm not good with comments so but but i

75

00:02:58,790 --> 00:02:56,080

really appreciate i always try to be

76  
00:02:59,350 --> 00:02:58,800  
as because you know you know how it is

77  
00:03:02,790 --> 00:02:59,360  
all this stuff

78  
00:03:04,070 --> 00:03:02,800  
fascinates me it's awesome and i really

79  
00:03:04,390 --> 00:03:04,080  
when i could get together with somebody

80  
00:03:08,949 --> 00:03:04,400  
who

81  
00:03:10,710 --> 00:03:08,959  
exploring the unknown and the esoteric

82  
00:03:12,149 --> 00:03:10,720  
and and all this different stuff that

83  
00:03:13,750 --> 00:03:12,159  
that's that

84  
00:03:14,949 --> 00:03:13,760  
that when you go to a party and you try

85  
00:03:15,750 --> 00:03:14,959  
to talk to somebody about it they're

86  
00:03:17,910 --> 00:03:15,760  
like

87  
00:03:19,509 --> 00:03:17,920  
dude what are you what you what are you

88  
00:03:21,990 --> 00:03:19,519

saying to me you know what i mean like

89

00:03:24,149 --> 00:03:22,000

you can really turn some people away

90

00:03:27,270 --> 00:03:24,159

with the topics that we talk about

91

00:03:28,630 --> 00:03:27,280

but as far as what i've been up to i've

92

00:03:32,229 --> 00:03:28,640

gotten to the point in my life

93

00:03:34,710 --> 00:03:32,239

where i i really

94

00:03:36,229 --> 00:03:34,720

i get i get turned on by just seeing a

95

00:03:37,910 --> 00:03:36,239

good lawn you know what i mean like the

96

00:03:39,830 --> 00:03:37,920

other day i went to lowe's

97

00:03:41,589 --> 00:03:39,840

and i bought some sod and a rake like

98

00:03:45,430 --> 00:03:41,599

that's the point in my life where i'm at

99

00:03:47,350 --> 00:03:45,440

and i haven't feel you i feel you yes

100

00:03:48,470 --> 00:03:47,360

you know what i mean like how does that

101  
00:03:50,070 --> 00:03:48,480  
you walk around the neighborhood how

102  
00:03:52,149 --> 00:03:50,080  
does that guy keep this lawn so green

103  
00:03:54,149 --> 00:03:52,159  
and you know it's actually very hard

104  
00:03:55,910 --> 00:03:54,159  
and i'm in florida it's actually really

105  
00:03:57,509 --> 00:03:55,920  
hard to keep your lawn green

106  
00:03:59,509 --> 00:03:57,519  
in florida and there's so many different

107  
00:04:01,190 --> 00:03:59,519  
things they can it can get infected a

108  
00:04:03,110 --> 00:04:01,200  
bunch of stuff man

109  
00:04:05,429 --> 00:04:03,120  
but i haven't really been up to much

110  
00:04:07,270 --> 00:04:05,439  
other than family stuff obviously

111  
00:04:09,270 --> 00:04:07,280  
i had a hiatus because of some things

112  
00:04:11,750 --> 00:04:09,280  
that happened in my life and

113  
00:04:13,110 --> 00:04:11,760

i am now obviously you you were on my

114

00:04:15,350 --> 00:04:13,120

show the other night

115

00:04:16,789 --> 00:04:15,360

and i'm building back a few episodes so

116

00:04:19,430 --> 00:04:16,799

i can start releasing them again

117

00:04:21,270 --> 00:04:19,440

on a weekly basis so hopefully soon we

118

00:04:23,350 --> 00:04:21,280

can start out with that again

119

00:04:25,189 --> 00:04:23,360

oh that would be awesome and the the

120

00:04:27,189 --> 00:04:25,199

lawn comment you're so right

121

00:04:29,749 --> 00:04:27,199

i see that and i'm just like blown away

122

00:04:32,310 --> 00:04:29,759

like this guy's got his stuff together

123

00:04:32,790 --> 00:04:32,320

it's probably you know the funny story

124

00:04:34,710 --> 00:04:32,800

um

125

00:04:36,230 --> 00:04:34,720

in utah there was a place where i lived

126

00:04:37,430 --> 00:04:36,240

in utah and it was kind of similar to

127

00:04:39,990 --> 00:04:37,440

that and it was a guy who

128

00:04:41,430 --> 00:04:40,000

whose yard was just impeccable and he

129

00:04:43,189 --> 00:04:41,440

always you know

130

00:04:44,950 --> 00:04:43,199

talk about his side of the street was

131

00:04:47,270 --> 00:04:44,960

cleaner than everybody's and

132

00:04:49,909 --> 00:04:47,280

a guy ended up being a cia agent which

133

00:04:51,590 --> 00:04:49,919

was like so funny but

134

00:04:53,749 --> 00:04:51,600

it's so true it's like he had his stuff

135

00:04:56,950 --> 00:04:53,759

together man um

136

00:04:58,629 --> 00:04:56,960

yeah and you know when you get later in

137

00:04:59,590 --> 00:04:58,639

life you start like realizing like whoa

138

00:05:03,270 --> 00:04:59,600

that's impressive

139

00:05:06,550 --> 00:05:03,280

you know yeah you started appreciating

140

00:05:08,550 --> 00:05:06,560

those little things and and and yeah

141

00:05:09,909 --> 00:05:08,560

it i i like it because it's relaxing

142

00:05:12,230 --> 00:05:09,919

right so what i'll do is i'll just put

143

00:05:13,909 --> 00:05:12,240

on a podcast or something and

144

00:05:15,909 --> 00:05:13,919

and i'll just start work on the lawn or

145

00:05:18,070 --> 00:05:15,919

cut in the grass or something like that

146

00:05:19,670 --> 00:05:18,080

but i've wanted to step up my game these

147

00:05:22,310 --> 00:05:19,680

last few months

148

00:05:23,830 --> 00:05:22,320

as far as getting the i neglected my

149

00:05:25,270 --> 00:05:23,840

line i had a long guy he would just cut

150

00:05:25,909 --> 00:05:25,280

it however and i was just like you know

151  
00:05:28,870 --> 00:05:25,919  
what

152  
00:05:29,990 --> 00:05:28,880  
i'm gonna start doing dad's stuff and i

153  
00:05:33,029 --> 00:05:30,000  
know you can relate

154  
00:05:36,070 --> 00:05:33,039  
i totally feel you yeah and

155  
00:05:38,710 --> 00:05:36,080  
um it's like i don't know yeah i

156  
00:05:39,749 --> 00:05:38,720  
i in vegas everybody everybody pays to

157  
00:05:42,710 --> 00:05:39,759  
have everything done

158  
00:05:44,629 --> 00:05:42,720  
and it's like this weird if they see you

159  
00:05:46,070 --> 00:05:44,639  
out there like doing your landscaping

160  
00:05:48,150 --> 00:05:46,080  
they look at you all like what

161  
00:05:49,990 --> 00:05:48,160  
are you doing and i'm like man i'm used

162  
00:05:52,070 --> 00:05:50,000  
to being on acres and acres like this is

163  
00:05:53,510 --> 00:05:52,080

like a tiny little like you know what i

164

00:05:55,749 --> 00:05:53,520

mean

165

00:05:56,550 --> 00:05:55,759

yeah cause it's it's more it's more

166

00:05:59,830 --> 00:05:56,560

barren over there

167

00:06:02,629 --> 00:05:59,840

but how is it so so i know because

168

00:06:03,189 --> 00:06:02,639

you live over in nevada right but then

169

00:06:06,790 --> 00:06:03,199

the skin

170

00:06:07,830 --> 00:06:06,800

walker is over in utah how far away are

171

00:06:10,469 --> 00:06:07,840

you from there do you

172

00:06:10,870 --> 00:06:10,479

always travel or what man it's a long

173

00:06:13,430 --> 00:06:10,880

ways

174

00:06:13,990 --> 00:06:13,440

it's um i usually end up taking so much

175

00:06:17,990 --> 00:06:14,000

gear

176

00:06:20,230 --> 00:06:18,000

the airport so i usually drive like my

177

00:06:21,909 --> 00:06:20,240

sprinter van and it's eight hours there

178

00:06:23,990 --> 00:06:21,919

and then eight hours back

179

00:06:25,909 --> 00:06:24,000

so that part sucks but like you said

180

00:06:27,909 --> 00:06:25,919

i'll just yeah i'll just throw in a

181

00:06:29,670 --> 00:06:27,919

podcast or like some books that i need

182

00:06:32,870 --> 00:06:29,680

to like on audible or

183

00:06:33,590 --> 00:06:32,880

that i need to read and but um yeah it's

184

00:06:37,029 --> 00:06:33,600

grueling

185

00:06:38,790 --> 00:06:37,039

yeah acreage is just

186

00:06:40,550 --> 00:06:38,800

you know you just forsake it you're just

187

00:06:42,790 --> 00:06:40,560

like used to it so

188

00:06:44,230 --> 00:06:42,800

down in nevada where it's like acreage

189

00:06:46,469 --> 00:06:44,240

is like expensive

190

00:06:48,230 --> 00:06:46,479

down here compared to utah but yeah all

191

00:06:50,469 --> 00:06:48,240

the um

192

00:06:51,830 --> 00:06:50,479

back to the uh the cool part the

193

00:06:54,469 --> 00:06:51,840

paranormal stuff

194

00:06:56,550 --> 00:06:54,479

is um you know other than area 51 down

195

00:06:59,029 --> 00:06:56,560

here in nevada the majority of the stuff

196

00:07:01,110 --> 00:06:59,039

i investigate is up in utah because

197

00:07:02,950 --> 00:07:01,120

there's this cool area called the uintah

198

00:07:05,990 --> 00:07:02,960

basin which is

199

00:07:07,270 --> 00:07:06,000

you know an area that since 1776 you

200

00:07:09,350 --> 00:07:07,280

know when

201  
00:07:10,629 --> 00:07:09,360  
dominguez and father escalante came

202  
00:07:12,710 --> 00:07:10,639  
through mapping

203  
00:07:14,870 --> 00:07:12,720  
for the spanish they just found this

204  
00:07:17,670 --> 00:07:14,880  
area to be intriguing

205  
00:07:18,950 --> 00:07:17,680  
they saw things in the sky they didn't

206  
00:07:21,909 --> 00:07:18,960  
like the vibe

207  
00:07:23,350 --> 00:07:21,919  
and you know ever since then it seems

208  
00:07:26,150 --> 00:07:23,360  
like this area has been

209  
00:07:27,670 --> 00:07:26,160  
sort of an antenna or satellite dish of

210  
00:07:29,830 --> 00:07:27,680  
sorts to

211  
00:07:31,189 --> 00:07:29,840  
otherworldly or interworldly or

212  
00:07:33,430 --> 00:07:31,199  
something in between

213  
00:07:35,110 --> 00:07:33,440

and most likely in between this gray

214

00:07:36,230 --> 00:07:35,120

area all kinds of dimensional stuff that

215

00:07:40,870 --> 00:07:36,240

you're aware of

216

00:07:43,749 --> 00:07:40,880

and yeah i'm just intrigued by it

217

00:07:45,270 --> 00:07:43,759

you really have me thinking you really

218

00:07:47,830 --> 00:07:45,280

have me thinking last time that you were

219

00:07:49,830 --> 00:07:47,840

on my show when you said

220

00:07:51,350 --> 00:07:49,840

about the skin walker what they're

221

00:07:55,350 --> 00:07:51,360

willing to give up

222

00:07:58,070 --> 00:07:55,360

in order for whatever power or whatever

223

00:07:58,710 --> 00:07:58,080

whatever it is that they have and it

224

00:08:01,830 --> 00:07:58,720

again it

225

00:08:04,710 --> 00:08:01,840

came back to these elites

226

00:08:05,270 --> 00:08:04,720

right do the elites have some similar

227

00:08:08,309 --> 00:08:05,280

sort of

228

00:08:10,390 --> 00:08:08,319

ritual to where they have to give up a

229

00:08:12,150 --> 00:08:10,400

certain amount of

230

00:08:14,309 --> 00:08:12,160

i don't know is it their soul you know

231

00:08:15,029 --> 00:08:14,319

how it is that they in all these movies

232

00:08:16,550 --> 00:08:15,039

that they

233

00:08:18,790 --> 00:08:16,560

they always show all these things it's

234

00:08:21,029 --> 00:08:18,800

because

235

00:08:22,790 --> 00:08:21,039

it's real life like the bohemian grove

236

00:08:23,430 --> 00:08:22,800

is an actual place a lot of people

237

00:08:26,070 --> 00:08:23,440

neglect

238

00:08:27,430 --> 00:08:26,080

to a lot of people don't even know about

239

00:08:29,749 --> 00:08:27,440

the bohemian group

240

00:08:31,510 --> 00:08:29,759

right about right elites that go out

241

00:08:34,389 --> 00:08:31,520

there and they're worshipping

242

00:08:36,389 --> 00:08:34,399

this owl god or moloch or whatever

243

00:08:38,550 --> 00:08:36,399

whatever you want to call it

244

00:08:40,149 --> 00:08:38,560

and and when you said that it just i've

245

00:08:41,430 --> 00:08:40,159

been thinking about that like nonstop

246

00:08:43,430 --> 00:08:41,440

like

247

00:08:44,710 --> 00:08:43,440

what did he even mean by what they have

248

00:08:48,150 --> 00:08:44,720

to give up

249

00:08:49,910 --> 00:08:48,160

because you have the skin walker you

250

00:08:50,389 --> 00:08:49,920

have the wind to go you have all these

251

00:08:53,670 --> 00:08:50,399

different

252

00:08:56,150 --> 00:08:53,680

sort of of creatures

253

00:08:57,750 --> 00:08:56,160

bigfoot or not werewolves whatever

254

00:08:59,190 --> 00:08:57,760

that's why i've always been fascinated

255

00:09:00,630 --> 00:08:59,200

by everything that you do out there and

256

00:09:02,070 --> 00:09:00,640

and the way you go about it you're like

257

00:09:05,350 --> 00:09:02,080

so nonchalant about like yeah

258

00:09:06,870 --> 00:09:05,360

i uh yeah i've seen bigfoot you know

259

00:09:08,070 --> 00:09:06,880

i've seen him a few times i've seen

260

00:09:09,190 --> 00:09:08,080

werewolves and i've seen all these

261

00:09:13,030 --> 00:09:09,200

things and i'm like

262

00:09:14,949 --> 00:09:13,040

dude what how do you like that's crazy

263

00:09:16,070 --> 00:09:14,959

you know what i mean like that's insane

264

00:09:17,509 --> 00:09:16,080

to me

265

00:09:19,110 --> 00:09:17,519

but ever since you've been talking about

266

00:09:20,630 --> 00:09:19,120

that i just i've been thinking about it

267

00:09:23,509 --> 00:09:20,640

it's got to do

268

00:09:25,110 --> 00:09:23,519

with these esoteric practices that the

269

00:09:27,350 --> 00:09:25,120

elites do in order to

270

00:09:29,670 --> 00:09:27,360

gain power it's all it's all

271

00:09:30,949 --> 00:09:29,680

prefabricated i believe in this in this

272

00:09:34,470 --> 00:09:30,959

realm

273

00:09:38,230 --> 00:09:34,480

and i just got done watching jumanji and

274

00:09:40,870 --> 00:09:38,240

the original one the 1995 one and

275

00:09:42,550 --> 00:09:40,880

it just comes to show you like even or

276

00:09:43,990 --> 00:09:42,560

the mate right the matrix like this

277

00:09:46,150 --> 00:09:44,000

crazy movie or

278

00:09:48,150 --> 00:09:46,160

it comes to like the multiverse and all

279

00:09:51,670 --> 00:09:48,160

these different versions of reality and

280

00:09:53,750 --> 00:09:51,680

where you could go and it's like

281

00:09:55,750 --> 00:09:53,760

these people literally just put it out

282

00:09:59,350 --> 00:09:55,760

there and by these people

283

00:10:01,430 --> 00:09:59,360

i mean it in all

284

00:10:03,590 --> 00:10:01,440

combinations these archonic forces

285

00:10:06,630 --> 00:10:03,600

whatever it is you want to call it

286

00:10:08,949 --> 00:10:06,640

whatever you interpret it to be

287

00:10:10,630 --> 00:10:08,959

but i feel like they do implant like all

288

00:10:14,069 --> 00:10:10,640

these little different

289

00:10:15,430 --> 00:10:14,079

uh you know little little

290

00:10:17,190 --> 00:10:15,440

nuggets of truth and everything that

291

00:10:18,870 --> 00:10:17,200

they do it's all it's all symbolic it's

292

00:10:20,550 --> 00:10:18,880

all got to do with like sigil magic and

293

00:10:23,030 --> 00:10:20,560

stuff like that you know

294

00:10:24,389 --> 00:10:23,040

oh for sure like even the word elite

295

00:10:26,790 --> 00:10:24,399

like l-ite

296

00:10:29,110 --> 00:10:26,800

you know it's like the those who are the

297

00:10:30,470 --> 00:10:29,120

mediums who are willing to like channel

298

00:10:33,190 --> 00:10:30,480

forces

299

00:10:34,550 --> 00:10:33,200

other than themselves into opportunistic

300

00:10:36,310 --> 00:10:34,560

means that they see

301  
00:10:39,030 --> 00:10:36,320  
as you know hey maybe this will get me

302  
00:10:42,230 --> 00:10:39,040  
some uh some skrilla in the afterlife

303  
00:10:43,910 --> 00:10:42,240  
and the i don't know or whatever the the

304  
00:10:46,470 --> 00:10:43,920  
karma whatever you want to call it

305  
00:10:48,230 --> 00:10:46,480  
it's it is crazy what they're willing to

306  
00:10:51,670 --> 00:10:48,240  
give up like you said

307  
00:10:53,430 --> 00:10:51,680  
um in the case of especially dark arts

308  
00:10:54,790 --> 00:10:53,440  
you know they're they're not even just i

309  
00:10:57,430 --> 00:10:54,800  
mean they're rolling up

310  
00:10:58,550 --> 00:10:57,440  
to the they're they're rolling up to the

311  
00:11:00,310 --> 00:10:58,560  
dealer with like

312  
00:11:02,870 --> 00:11:00,320  
you know all their chips and they're

313  
00:11:06,710 --> 00:11:02,880

saying hey i'll bring other chips to you

314

00:11:10,310 --> 00:11:06,720

later and you know that's us or whoever

315

00:11:12,630 --> 00:11:10,320

and the crazy thing is um

316

00:11:14,470 --> 00:11:12,640

you know when you really study though

317

00:11:16,389 --> 00:11:14,480

like ritualistic magic it's interesting

318

00:11:18,550 --> 00:11:16,399

because i love it i'm intrigued by it

319

00:11:20,710 --> 00:11:18,560

and you know the most powerful thing a

320

00:11:21,670 --> 00:11:20,720

sorcerer has is not rolling up to the

321

00:11:25,350 --> 00:11:21,680

dealer with anything

322

00:11:27,750 --> 00:11:25,360

you know just practicing and the the

323

00:11:29,829 --> 00:11:27,760

you know because if the sorcerer rolls

324

00:11:30,710 --> 00:11:29,839

up to the source you know giving all of

325

00:11:33,829 --> 00:11:30,720

himself there's

326

00:11:36,150 --> 00:11:33,839

nothing left and that's kind of

327

00:11:37,750 --> 00:11:36,160

that's the creepy-ish part but i think

328

00:11:39,350 --> 00:11:37,760

you're right there's a lot of agents of

329

00:11:40,069 --> 00:11:39,360

destruction whatever you want to call

330

00:11:42,870 --> 00:11:40,079

them

331

00:11:43,269 --> 00:11:42,880

elites some are not so elite but yeah

332

00:11:47,670 --> 00:11:43,279

there's

333

00:11:48,470 --> 00:11:47,680

symbolism and you see it in all of our

334

00:11:50,150 --> 00:11:48,480

media which

335

00:11:51,829 --> 00:11:50,160

scares the heck out of me having kids

336

00:11:54,069 --> 00:11:51,839

you know you don't and i

337

00:11:55,990 --> 00:11:54,079

i love disney but you know knowing he's

338

00:11:58,710 --> 00:11:56,000

a 33rd degree mason

339

00:11:59,910 --> 00:11:58,720

which i i love the great work you know i

340

00:12:02,230 --> 00:11:59,920

think every man should

341

00:12:03,030 --> 00:12:02,240

try to work to get better but at the

342

00:12:04,870 --> 00:12:03,040

same time

343

00:12:06,230 --> 00:12:04,880

you know in that work there's a lot of

344

00:12:08,230 --> 00:12:06,240

practicing involved and you get pretty

345

00:12:11,110 --> 00:12:08,240

good at doing what you do

346

00:12:13,430 --> 00:12:11,120

and um when you look at the media

347

00:12:15,110 --> 00:12:13,440

sponsorship and like the toys like your

348

00:12:16,629 --> 00:12:15,120

kids watching a show and next thing you

349

00:12:18,790 --> 00:12:16,639

know next week he's got the toy or

350

00:12:21,030 --> 00:12:18,800

she has the toy and you're just like oh

351  
00:12:23,990 --> 00:12:21,040  
my gosh this is like a hypodermic needle

352  
00:12:26,310 --> 00:12:24,000  
into the into our minds really with

353  
00:12:30,230 --> 00:12:26,320  
media i try to watch very little tv but

354  
00:12:32,230 --> 00:12:30,240  
yeah i hear you man yeah it is wild how

355  
00:12:36,550 --> 00:12:32,240  
they've how they've taken

356  
00:12:39,829 --> 00:12:36,560  
data and turn it into a commodity and

357  
00:12:42,790 --> 00:12:39,839  
yeah it is kind of disgusting because

358  
00:12:44,230 --> 00:12:42,800  
if i always tell people if it's free

359  
00:12:45,829 --> 00:12:44,240  
you're the product right

360  
00:12:48,389 --> 00:12:45,839  
like oh this is this is great you know

361  
00:12:50,870 --> 00:12:48,399  
this this app that scans my face

362  
00:12:52,470 --> 00:12:50,880  
and it makes me old this is fun and it's

363  
00:12:55,269 --> 00:12:52,480

just like a trend on

364

00:12:57,670 --> 00:12:55,279

on these on these sites like i don't

365

00:13:00,949 --> 00:12:57,680

even use facebook anymore the only

366

00:13:02,949 --> 00:13:00,959

social media that i use is instagram

367

00:13:04,790 --> 00:13:02,959

and i just had to get off of facebook

368

00:13:08,389 --> 00:13:04,800

because it's

369

00:13:10,150 --> 00:13:08,399

number one it's too political right

370

00:13:12,310 --> 00:13:10,160

all these lizards are all in the same

371

00:13:14,150 --> 00:13:12,320

bed together they're all playing you all

372

00:13:15,990 --> 00:13:14,160

the same exact way

373

00:13:17,269 --> 00:13:16,000

if they don't care uh you know this one

374

00:13:18,710 --> 00:13:17,279

doesn't care more about you than the

375

00:13:20,389 --> 00:13:18,720

last one that was there

376

00:13:22,710 --> 00:13:20,399

right there it's all a show it's all

377

00:13:25,670 --> 00:13:22,720

charades and

378

00:13:26,710 --> 00:13:25,680

even even to like to to touch on the

379

00:13:29,829 --> 00:13:26,720

fact

380

00:13:32,069 --> 00:13:29,839

did you bill cosby got released did you

381

00:13:34,310 --> 00:13:32,079

did you see that how crazy is that

382

00:13:35,350 --> 00:13:34,320

like and the timing man the timing of it

383

00:13:39,750 --> 00:13:35,360

was crazy too

384

00:13:43,110 --> 00:13:39,760

like and bill cosby like i was like what

385

00:13:46,710 --> 00:13:43,120

yeah it was very odd and uh nobody

386

00:13:49,030 --> 00:13:46,720

you didn't hear a peep well yeah but

387

00:13:50,069 --> 00:13:49,040

literally a guy who was convicted of

388

00:13:53,350 --> 00:13:50,079

doing these

389

00:13:55,590 --> 00:13:53,360

these disgusting things is is

390

00:13:57,509 --> 00:13:55,600

for is free but it just comes to show

391

00:13:59,829 --> 00:13:57,519

you if you have enough it's all about

392

00:14:02,550 --> 00:13:59,839

connections if you have enough money

393

00:14:04,069 --> 00:14:02,560

and enough connections literally you

394

00:14:07,509 --> 00:14:04,079

could do whatever it is

395

00:14:10,310 --> 00:14:07,519

that you want right like like the whole

396

00:14:13,269 --> 00:14:10,320

bill gates and him splitting up with his

397

00:14:15,269 --> 00:14:13,279

with his wife but then he liquidated i

398

00:14:17,829 --> 00:14:15,279

don't know how many billions of shares

399

00:14:19,910 --> 00:14:17,839

you know are they hinting at another

400

00:14:21,509 --> 00:14:19,920

economic collapse or

401  
00:14:23,590 --> 00:14:21,519  
what are these people doing why were

402  
00:14:25,110 --> 00:14:23,600  
they why were they testing and doing

403  
00:14:27,910 --> 00:14:25,120  
models all before

404  
00:14:29,750 --> 00:14:27,920  
the the c word popped off right and now

405  
00:14:32,949 --> 00:14:29,760  
it's like

406  
00:14:34,790 --> 00:14:32,959  
i think i was reading something i was

407  
00:14:36,790 --> 00:14:34,800  
reading something online i mean i it's

408  
00:14:40,470 --> 00:14:36,800  
got to be true it's online right

409  
00:14:43,829 --> 00:14:40,480  
in the history of virology it's like

410  
00:14:45,590 --> 00:14:43,839  
no virus is ever mutated to be that much

411  
00:14:47,590 --> 00:14:45,600  
more deadly it's always like the

412  
00:14:49,750 --> 00:14:47,600  
mutation becomes less and less

413  
00:14:51,030 --> 00:14:49,760

effective but then all of a sudden you

414

00:14:53,189 --> 00:14:51,040

have this

415

00:14:54,470 --> 00:14:53,199

variant right that's gonna just wipe

416

00:14:56,150 --> 00:14:54,480

everybody out like

417

00:14:58,470 --> 00:14:56,160

they already tried it right they already

418

00:15:00,389 --> 00:14:58,480

tried it it didn't work

419

00:15:03,110 --> 00:15:00,399

now what's next all of a sudden all

420

00:15:05,350 --> 00:15:03,120

these signs of wear your mask

421

00:15:07,590 --> 00:15:05,360

they're all gone now it's real small on

422

00:15:09,350 --> 00:15:07,600

the side of the door and it says

423

00:15:11,350 --> 00:15:09,360

they're optional they're they're

424

00:15:14,069 --> 00:15:11,360

encouraged and it's like

425

00:15:16,150 --> 00:15:14,079

what are they really after or at the

426

00:15:17,509 --> 00:15:16,160

same time i think about it

427

00:15:19,430 --> 00:15:17,519

maybe it's got nothing to do with

428

00:15:23,110 --> 00:15:19,440

anything and that's just

429

00:15:24,150 --> 00:15:23,120

the crazy world that we're living in and

430

00:15:26,470 --> 00:15:24,160

i don't know what do you think do you

431

00:15:28,470 --> 00:15:26,480

think that there is an ulterior motive

432

00:15:29,749 --> 00:15:28,480

to all these elites and i know you want

433

00:15:31,269 --> 00:15:29,759

to talk about

434

00:15:32,550 --> 00:15:31,279

what's the latest on fc i haven't i

435

00:15:33,670 --> 00:15:32,560

haven't really been up to par i know

436

00:15:37,110 --> 00:15:33,680

about

437

00:15:39,269 --> 00:15:37,120

the the john uh uh

438

00:15:41,430 --> 00:15:39,279

how do you say his last name uh mcafee

439

00:15:43,829 --> 00:15:41,440

right the environment yeah man let's go

440

00:15:46,710 --> 00:15:43,839

there let's go with john because

441

00:15:47,430 --> 00:15:46,720

i think that is sort of like the next

442

00:15:51,990 --> 00:15:47,440

target

443

00:15:53,749 --> 00:15:52,000

guy the guy got a tattoo a lot of people

444

00:15:56,550 --> 00:15:53,759

are just like oh he's a crazy

445

00:15:58,150 --> 00:15:56,560

you know he's crazy he's crazy so he

446

00:15:58,629 --> 00:15:58,160

killed himself and it's like such we're

447

00:16:00,470 --> 00:15:58,639

just

448

00:16:02,069 --> 00:16:00,480

so used to it you know we hear that oh

449

00:16:03,430 --> 00:16:02,079

the guy was crazy he killed himself and

450

00:16:05,509 --> 00:16:03,440

that's kind of like

451  
00:16:08,389 --> 00:16:05,519  
when you look at this from an outside

452  
00:16:10,790 --> 00:16:08,399  
perspective what are the odds of

453  
00:16:12,710 --> 00:16:10,800  
somebody with that amount of money

454  
00:16:15,910 --> 00:16:12,720  
you're not even hiding anymore dude

455  
00:16:16,230 --> 00:16:15,920  
right right yeah they're not it's just

456  
00:16:18,230 --> 00:16:16,240  
like

457  
00:16:19,430 --> 00:16:18,240  
robin williams too right i was just

458  
00:16:21,590 --> 00:16:19,440  
watching jumanji like

459  
00:16:22,470 --> 00:16:21,600  
this successful guy made all these

460  
00:16:24,550 --> 00:16:22,480  
movies

461  
00:16:25,829 --> 00:16:24,560  
had what you would think has a lot of

462  
00:16:27,110 --> 00:16:25,839  
money right

463  
00:16:29,430 --> 00:16:27,120

and then they what they just kill

464

00:16:31,590 --> 00:16:29,440

themselves and what dreams may come was

465

00:16:33,430 --> 00:16:31,600

what dreams may come was his last movie

466

00:16:35,110 --> 00:16:33,440

which was exactly what you're talking

467

00:16:36,389 --> 00:16:35,120

about about this matrix and being able

468

00:16:38,629 --> 00:16:36,399

to like like you know this

469

00:16:40,310 --> 00:16:38,639

this you know i don't know if i don't

470

00:16:40,949 --> 00:16:40,320

want to ruin the movie or be the spoiler

471

00:16:43,189 --> 00:16:40,959

but

472

00:16:44,629 --> 00:16:43,199

yeah basically this guy you know ends up

473

00:16:47,030 --> 00:16:44,639

in a coat colored with paint

474

00:16:48,069 --> 00:16:47,040

from all the matrix and you know finding

475

00:16:52,629 --> 00:16:48,079

his

476

00:16:52,639 --> 00:16:57,430

uh what dreams may come

477

00:17:01,189 --> 00:16:59,030

i'm gonna i'm gonna actually put that on

478

00:17:05,270 --> 00:17:01,199

the docket so

479

00:17:07,350 --> 00:17:05,280

yeah as far as the the whole you know

480

00:17:08,949 --> 00:17:07,360

they don't even hide it anymore because

481

00:17:11,189 --> 00:17:08,959

that's how how

482

00:17:13,429 --> 00:17:11,199

and i've talked to i do my podcast

483

00:17:15,590 --> 00:17:13,439

strange ones with my buddy

484

00:17:16,549 --> 00:17:15,600

tom thompson my my canadian brother from

485

00:17:20,630 --> 00:17:16,559

another mother

486

00:17:23,350 --> 00:17:20,640

he's awesome real big on this that he

487

00:17:24,309 --> 00:17:23,360

that the the the reptilians right the

488

00:17:26,150 --> 00:17:24,319

the these

489

00:17:27,510 --> 00:17:26,160

these lizard people if that's what they

490

00:17:29,350 --> 00:17:27,520

are whatever

491

00:17:31,350 --> 00:17:29,360

they're not that creative they're not

492

00:17:33,270 --> 00:17:31,360

that creative and that's why

493

00:17:34,789 --> 00:17:33,280

a lot of a lot of throughout all of

494

00:17:36,549 --> 00:17:34,799

ancient history

495

00:17:38,950 --> 00:17:36,559

as you may know we have different

496

00:17:39,830 --> 00:17:38,960

interpretations of the same figures over

497

00:17:42,710 --> 00:17:39,840

and over again

498

00:17:44,070 --> 00:17:42,720

you know krishna buddha jesus christ the

499

00:17:47,830 --> 00:17:44,080

uh quetzalcoatl you have

500

00:17:49,750 --> 00:17:47,840

the same the same figure

501  
00:17:51,669 --> 00:17:49,760  
just named different things all

502  
00:17:53,510 --> 00:17:51,679  
throughout all of history

503  
00:17:55,750 --> 00:17:53,520  
does it have to do with the anunnaki i

504  
00:17:56,390 --> 00:17:55,760  
don't know did it was it actually one

505  
00:17:59,270 --> 00:17:56,400  
guy

506  
00:18:00,150 --> 00:17:59,280  
was it one entity whatever entities i i

507  
00:18:01,590 --> 00:18:00,160  
don't know

508  
00:18:04,390 --> 00:18:01,600  
but the point is that they're not that

509  
00:18:06,950 --> 00:18:04,400  
creative right so

510  
00:18:07,669 --> 00:18:06,960  
yeah let's whack this guy and literally

511  
00:18:10,789 --> 00:18:07,679  
he had

512  
00:18:11,909 --> 00:18:10,799  
whacked tattooed on him but i'm into

513  
00:18:14,630 --> 00:18:11,919

cryptocurrency

514

00:18:15,909 --> 00:18:14,640

and wacht was actually a coin that he

515

00:18:18,230 --> 00:18:15,919

had made or something like that

516

00:18:19,029 --> 00:18:18,240

some some coins some cryptocurrency that

517

00:18:21,110 --> 00:18:19,039

he had made

518

00:18:22,310 --> 00:18:21,120

whacked and it just so happened to be

519

00:18:24,390 --> 00:18:22,320

that when he did die

520

00:18:25,990 --> 00:18:24,400

that coin like blew up so if you would

521

00:18:28,230 --> 00:18:26,000

have been holding

522

00:18:29,110 --> 00:18:28,240

x amount of coin you would have made a

523

00:18:33,270 --> 00:18:29,120

bunch of money

524

00:18:36,789 --> 00:18:33,280

right um so again

525

00:18:39,590 --> 00:18:36,799

how much did he really know because what

526

00:18:40,230 --> 00:18:39,600

the the whole thing that gets me is as

527

00:18:42,710 --> 00:18:40,240

far

528

00:18:43,830 --> 00:18:42,720

and with everything right with aliens

529

00:18:45,350 --> 00:18:43,840

like if they're so

530

00:18:47,110 --> 00:18:45,360

if they're so advanced and i want to get

531

00:18:49,430 --> 00:18:47,120

your your take on this they're so

532

00:18:51,510 --> 00:18:49,440

advanced and they're so

533

00:18:52,789 --> 00:18:51,520

highly intelligent and they're so you

534

00:18:54,630 --> 00:18:52,799

know

535

00:18:55,990 --> 00:18:54,640

they have all this technology what do

536

00:18:57,430 --> 00:18:56,000

they want with us

537

00:18:59,830 --> 00:18:57,440

and why don't they just stop everything

538

00:19:01,270 --> 00:18:59,840

why don't they just kill everybody or

539

00:19:03,350 --> 00:19:01,280

take over the planet or whatever it is

540

00:19:05,430 --> 00:19:03,360

that they want to do

541

00:19:07,110 --> 00:19:05,440

you know what i mean like what's the

542

00:19:08,870 --> 00:19:07,120

point if

543

00:19:10,789 --> 00:19:08,880

if they're that what do they need from

544

00:19:12,549 --> 00:19:10,799

us obviously you have the other aspect

545

00:19:14,150 --> 00:19:12,559

of they mine our energy and also but

546

00:19:15,430 --> 00:19:14,160

what do you what's your take on that if

547

00:19:17,590 --> 00:19:15,440

they're they're so

548

00:19:20,070 --> 00:19:17,600

you have these entities in the in these

549

00:19:21,830 --> 00:19:20,080

aliens that are so highly advanced

550

00:19:23,590 --> 00:19:21,840

what would they have to do with us like

551

00:19:27,110 --> 00:19:23,600

what do they want from us

552

00:19:30,070 --> 00:19:27,120

they're horrified i think because i

553

00:19:30,549 --> 00:19:30,080

i believe that the majority like you

554

00:19:32,950 --> 00:19:30,559

said

555

00:19:34,549 --> 00:19:32,960

these these intelligent agents of

556

00:19:37,510 --> 00:19:34,559

destruction that

557

00:19:37,990 --> 00:19:37,520

mostly govern the masses i i believe

558

00:19:41,029 --> 00:19:38,000

that our

559

00:19:44,470 --> 00:19:41,039

enemies are most likely created

560

00:19:47,510 --> 00:19:44,480

the ones that we perceive and um

561

00:19:48,630 --> 00:19:47,520

i think that our innate human trickster

562

00:19:51,750 --> 00:19:48,640

nature

563

00:19:54,710 --> 00:19:51,760

may be what eventually saves us

564

00:19:55,750 --> 00:19:54,720

from these quote-unquote entities

565

00:19:59,190 --> 00:19:55,760

because

566

00:20:01,510 --> 00:19:59,200

we dance the dance better than they can

567

00:20:03,190 --> 00:20:01,520

and whatever you want to call it that

568

00:20:06,310 --> 00:20:03,200

that intermediate

569

00:20:08,310 --> 00:20:06,320

that intermediary it's so difficult to

570

00:20:09,990 --> 00:20:08,320

explain but basically

571

00:20:12,630 --> 00:20:10,000

you know it's much like the matrix or

572

00:20:14,549 --> 00:20:12,640

much like a lot of these movies where

573

00:20:16,310 --> 00:20:14,559

you know oh what you believe you can

574

00:20:18,230 --> 00:20:16,320

achieve what the [h\_\_h]

575

00:20:20,310 --> 00:20:18,240

i mean sorry i don't swear but what come

576

00:20:21,669 --> 00:20:20,320

on you know there it is there it is it's

577

00:20:23,510 --> 00:20:21,679

like the secret just

578

00:20:24,950 --> 00:20:23,520

i'm just gonna vomit it on you what you

579

00:20:26,630 --> 00:20:24,960

believe you can achieve

580

00:20:28,070 --> 00:20:26,640

you know if you believe you're great you

581

00:20:31,830 --> 00:20:28,080

are great and

582

00:20:32,630 --> 00:20:31,840

it's um very interesting that the masses

583

00:20:36,070 --> 00:20:32,640

are

584

00:20:38,470 --> 00:20:36,080

you know mesmerized by confetti

585

00:20:40,390 --> 00:20:38,480

you know money and the chances of us

586

00:20:42,310 --> 00:20:40,400

getting any real chunks of it or

587

00:20:43,510 --> 00:20:42,320

unlikely and it's just that it's a

588

00:20:45,510 --> 00:20:43,520

confetti show

589

00:20:47,029 --> 00:20:45,520

and instead of looking at the machines

590

00:20:48,149 --> 00:20:47,039

that are multiplying it keeping it and

591

00:20:49,990 --> 00:20:48,159

earning it we're looking

592

00:20:51,270 --> 00:20:50,000

at where it's getting burned at or where

593

00:20:52,149 --> 00:20:51,280

it's coming out you know you look at a

594

00:20:54,149 --> 00:20:52,159

rap video

595

00:20:55,750 --> 00:20:54,159

it's like buy a big screen tv at bentley

596

00:20:57,510 --> 00:20:55,760

and get a big booty

597

00:20:59,430 --> 00:20:57,520

uh girlfriend and you're set it's like

598

00:21:03,350 --> 00:20:59,440

no that's not the real

599

00:21:05,669 --> 00:21:03,360

american dream that's like hood rich

600

00:21:07,110 --> 00:21:05,679

i think i was listening to shaquille

601  
00:21:07,909 --> 00:21:07,120  
o'neal he said it's not about how much

602  
00:21:10,390 --> 00:21:07,919  
you can earn

603  
00:21:13,830 --> 00:21:10,400  
how about how much you can keep but at

604  
00:21:18,230 --> 00:21:17,029  
what is like what what is the point of

605  
00:21:21,590 --> 00:21:18,240  
of

606  
00:21:23,909 --> 00:21:21,600  
again robin williams

607  
00:21:25,190 --> 00:21:23,919  
all these guys they had everything they

608  
00:21:27,430 --> 00:21:25,200  
had all the money but at the end of the

609  
00:21:28,630 --> 00:21:27,440  
day they're they're sad and lonely and

610  
00:21:30,549 --> 00:21:28,640  
and they end up

611  
00:21:32,710 --> 00:21:30,559  
killing themselves right i mean that's

612  
00:21:35,990 --> 00:21:32,720  
the narrative that you want to believe

613  
00:21:36,549 --> 00:21:36,000

but i don't know and and another another

614

00:21:38,070 --> 00:21:36,559

thing that

615

00:21:40,149 --> 00:21:38,080

that you mentioned last time we were

616

00:21:43,190 --> 00:21:40,159

talking was

617

00:21:46,950 --> 00:21:43,200

about about the

618

00:21:49,990 --> 00:21:46,960

arrangement of certain

619

00:21:53,669 --> 00:21:50,000

towers or stones and certain ways

620

00:21:56,950 --> 00:21:53,679

to be able to tap into other

621

00:21:57,430 --> 00:21:56,960

realms and obviously the egyptians are

622

00:22:00,390 --> 00:21:57,440

are

623

00:22:01,750 --> 00:22:00,400

i love the egyptians and it just so

624

00:22:04,070 --> 00:22:01,760

happens to be that always whenever

625

00:22:05,669 --> 00:22:04,080

there's this advanced civilization

626

00:22:08,390 --> 00:22:05,679

they could never really give you a

627

00:22:10,390 --> 00:22:08,400

straight answer of where they went

628

00:22:12,310 --> 00:22:10,400

like where did the egyptians go well the

629

00:22:15,430 --> 00:22:12,320

hixos people

630

00:22:17,750 --> 00:22:15,440

dominated them right they took over well

631

00:22:19,830 --> 00:22:17,760

who were the hixos huh they weren't just

632

00:22:20,470 --> 00:22:19,840

people they were just a nomadic tribe

633

00:22:23,430 --> 00:22:20,480

just

634

00:22:23,909 --> 00:22:23,440

rolling around wait so you mean to tell

635

00:22:25,430 --> 00:22:23,919

me

636

00:22:27,909 --> 00:22:25,440

that one of the greatest civilizations

637

00:22:29,750 --> 00:22:27,919

of all time got taken over by some

638

00:22:32,870 --> 00:22:29,760

nomadic group out of nowhere

639

00:22:33,350 --> 00:22:32,880

and then when you look into them they

640

00:22:37,029 --> 00:22:33,360

just

641

00:22:38,470 --> 00:22:37,039

mean like it's that type of stuff

642

00:22:40,549 --> 00:22:38,480

that it's like they put it out in your

643

00:22:43,430 --> 00:22:40,559

face and they're like you know what

644

00:22:44,310 --> 00:22:43,440

you're never gonna know because you

645

00:22:46,470 --> 00:22:44,320

don't matter

646

00:22:47,669 --> 00:22:46,480

and it's like when you start talking to

647

00:22:48,310 --> 00:22:47,679

people about this sort of stuff it's

648

00:22:50,230 --> 00:22:48,320

like

649

00:22:51,669 --> 00:22:50,240

why does it matter and and that's the

650

00:22:53,190 --> 00:22:51,679

first mistake it's like

651  
00:22:55,029 --> 00:22:53,200  
you should care about this stuff you

652  
00:22:56,549 --> 00:22:55,039  
should want to know and and

653  
00:22:58,950 --> 00:22:56,559  
i think on the last episode we talked

654  
00:22:59,830 --> 00:22:58,960  
about we talked about

655  
00:23:01,990 --> 00:22:59,840  
we're talking about the law of

656  
00:23:04,789 --> 00:23:02,000  
attraction and and speaking

657  
00:23:06,830 --> 00:23:04,799  
and then spelling you're casting spells

658  
00:23:08,549 --> 00:23:06,840  
with your words and your words have

659  
00:23:12,390 --> 00:23:08,559  
power and the

660  
00:23:15,510 --> 00:23:12,400  
english language has been

661  
00:23:17,430 --> 00:23:15,520  
for a lack of a better term dumbed down

662  
00:23:19,110 --> 00:23:17,440  
and they've added letters to our

663  
00:23:20,789 --> 00:23:19,120

alphabet the original alphabet only has

664

00:23:22,549 --> 00:23:20,799

17 letters

665

00:23:24,870 --> 00:23:22,559

and they've added all these letters and

666

00:23:27,909 --> 00:23:24,880

vowels that never even existed

667

00:23:30,310 --> 00:23:27,919

why in order to

668

00:23:32,310 --> 00:23:30,320

put a damper on our power that's what

669

00:23:34,230 --> 00:23:32,320

the gnostics always talked about

670

00:23:35,909 --> 00:23:34,240

that's what a lot of people that the

671

00:23:37,190 --> 00:23:35,919

satanist right they always talk about

672

00:23:39,990 --> 00:23:37,200

the the the

673

00:23:41,669 --> 00:23:40,000

you're a god and the power within i feel

674

00:23:44,390 --> 00:23:41,679

that they were inspired by again by the

675

00:23:47,590 --> 00:23:44,400

gnostics in these earlier groups

676  
00:23:48,310 --> 00:23:47,600  
who were taught again we all have this

677  
00:23:52,070 --> 00:23:48,320  
divine

678  
00:23:54,310 --> 00:23:52,080  
spark from above whatever it is

679  
00:23:55,510 --> 00:23:54,320  
and you're able to to tap into that but

680  
00:23:58,789 --> 00:23:55,520  
guess what

681  
00:24:02,230 --> 00:23:58,799  
it's a brokered experience and these

682  
00:24:04,390 --> 00:24:02,240  
elites don't want you to know this

683  
00:24:05,909 --> 00:24:04,400  
so you have to talk to like the pope

684  
00:24:09,029 --> 00:24:05,919  
right the pope talks to

685  
00:24:10,710 --> 00:24:09,039  
to god every day the guy under him talks

686  
00:24:11,190 --> 00:24:10,720  
to god every other day the guy under him

687  
00:24:13,269 --> 00:24:11,200  
you know

688  
00:24:14,870 --> 00:24:13,279

twice a week whatever it is and you have

689

00:24:18,549 --> 00:24:14,880

to go to them

690

00:24:21,830 --> 00:24:18,559

to be able to to achieve divinity why

691

00:24:23,750 --> 00:24:21,840

cut them out and

692

00:24:25,510 --> 00:24:23,760

perhaps this is why those people were

693

00:24:27,430 --> 00:24:25,520

ruled heretics

694

00:24:29,269 --> 00:24:27,440

because at the end of the day they knew

695

00:24:32,470 --> 00:24:29,279

something that they didn't need to know

696

00:24:34,710 --> 00:24:32,480

maybe john mcafee or mcafee knew

697

00:24:36,310 --> 00:24:34,720

something he didn't he

698

00:24:37,750 --> 00:24:36,320

he was going to spill out i don't know

699

00:24:39,269 --> 00:24:37,760

right like

700

00:24:41,430 --> 00:24:39,279

but again i always wonder if these

701  
00:24:42,149 --> 00:24:41,440  
people knew so much how did they last so

702  
00:24:46,710 --> 00:24:42,159  
long

703  
00:24:48,470 --> 00:24:46,720  
did you know what i mean

704  
00:24:50,630 --> 00:24:48,480  
yeah it's a double-edged sword it seems

705  
00:24:53,830 --> 00:24:50,640  
like yeah especially i mean

706  
00:24:54,789 --> 00:24:53,840  
they seem impenetrable yet you know at

707  
00:24:57,830 --> 00:24:54,799  
the end of the day

708  
00:24:59,750 --> 00:24:57,840  
they're always assimilated into the

709  
00:25:01,110 --> 00:24:59,760  
you don't really know what happens and

710  
00:25:04,710 --> 00:25:01,120  
i'm glad i

711  
00:25:06,549 --> 00:25:04,720  
you know i think you brought up the 17

712  
00:25:09,029 --> 00:25:06,559  
letter alphabet man

713  
00:25:09,990 --> 00:25:09,039

when we get can you imagine the power of

714

00:25:13,190 --> 00:25:10,000

that like

715

00:25:14,549 --> 00:25:13,200

whoa and you know if that's how much

716

00:25:15,669 --> 00:25:14,559

things have been dumbed down and i'm

717

00:25:17,750 --> 00:25:15,679

glad you brought up the

718

00:25:19,990 --> 00:25:17,760

god thing you know because a lot of

719

00:25:22,950 --> 00:25:20,000

people think of the g.o.d

720

00:25:24,070 --> 00:25:22,960

and they that's it they just take it as

721

00:25:25,990 --> 00:25:24,080

take it as gospel

722

00:25:27,269 --> 00:25:26,000

no pun intended but they don't look at

723

00:25:29,350 --> 00:25:27,279

the word and what it means

724

00:25:30,390 --> 00:25:29,360

and you look at the word in the bible

725

00:25:32,549 --> 00:25:30,400

itself and

726

00:25:33,669 --> 00:25:32,559

it says elohim you know it's like

727

00:25:36,710 --> 00:25:33,679

there's there's a crew

728

00:25:38,149 --> 00:25:36,720

there's a crew yeah yeah and i think it

729

00:25:39,830 --> 00:25:38,159

was

730

00:25:42,950 --> 00:25:39,840

there's plural i think in genesis he

731

00:25:45,590 --> 00:25:42,960

talks about god it was like god's

732

00:25:46,630 --> 00:25:45,600

plural and it's like wait a minute i

733

00:25:48,870 --> 00:25:46,640

thought there was only one

734

00:25:50,710 --> 00:25:48,880

right but then but then you have there's

735

00:25:53,350 --> 00:25:50,720

so many denominations

736

00:25:54,830 --> 00:25:53,360

of christianity and catholicism and all

737

00:25:57,669 --> 00:25:54,840

these different

738

00:26:00,070 --> 00:25:57,679

different different religions

739

00:26:01,750 --> 00:26:00,080

they can't even agree upon themselves

740

00:26:03,590 --> 00:26:01,760

what's the correct

741

00:26:05,909 --> 00:26:03,600

way to worship or whatever that's why i

742

00:26:06,549 --> 00:26:05,919

always i was i was raised pentecostal

743

00:26:09,269 --> 00:26:06,559

christian

744

00:26:10,230 --> 00:26:09,279

right strictness of the strict right the

745

00:26:11,990 --> 00:26:10,240

girls couldn't wear

746

00:26:13,909 --> 00:26:12,000

a certain length they could have their

747

00:26:15,269 --> 00:26:13,919

hair long or something crazy so just

748

00:26:18,310 --> 00:26:15,279

crazy stuff

749

00:26:20,230 --> 00:26:18,320

and it's like even within recently i had

750

00:26:22,950 --> 00:26:20,240

somebody tell me

751

00:26:25,430 --> 00:26:22,960

because i i when i started diving into

752

00:26:27,909 --> 00:26:25,440

this whole

753

00:26:29,830 --> 00:26:27,919

trying to find the answers to you know

754

00:26:31,590 --> 00:26:29,840

conspiracy theories and stuff like that

755

00:26:33,350 --> 00:26:31,600

the first thing that really got me into

756

00:26:36,710 --> 00:26:33,360

is the whole saturn time cube

757

00:26:37,350 --> 00:26:36,720

stuff right the the black cubes all over

758

00:26:38,789 --> 00:26:37,360

the place

759

00:26:40,870 --> 00:26:38,799

like what do they mean what do they

760

00:26:43,269 --> 00:26:40,880

stand for why is there different

761

00:26:46,149 --> 00:26:43,279

you know you have the cube at mecca um

762

00:26:48,950 --> 00:26:46,159

the 911 memorial there's a big cube

763

00:26:51,029 --> 00:26:48,960

the and the movies the transformers the

764

00:26:52,470 --> 00:26:51,039

matrix hellraiser there's all these

765

00:26:54,149 --> 00:26:52,480

cubes it's like what is

766

00:26:55,590 --> 00:26:54,159

what does that stand for and i started

767

00:26:57,830 --> 00:26:55,600

going down the

768

00:26:59,750 --> 00:26:57,840

the the line and started diving down

769

00:27:01,510 --> 00:26:59,760

these wormholes which i know

770

00:27:03,430 --> 00:27:01,520

which i know you know how it can be

771

00:27:04,870 --> 00:27:03,440

going down all these wormholes

772

00:27:06,549 --> 00:27:04,880

and i started looking into things and

773

00:27:09,110 --> 00:27:06,559

then i came across

774

00:27:11,430 --> 00:27:09,120

the gnostics and their beliefs and then

775

00:27:14,549 --> 00:27:11,440

these alternative scriptures

776

00:27:15,110 --> 00:27:14,559

and when i started questioning about

777

00:27:17,110 --> 00:27:15,120

that

778

00:27:19,269 --> 00:27:17,120

you know somebody told me oh i was like

779

00:27:22,230 --> 00:27:19,279

oh why in the old testament why is it

780

00:27:25,029 --> 00:27:22,240

like an angry god and you know i am a

781

00:27:27,190 --> 00:27:25,039

jealous god and there's nobody like me

782

00:27:28,950 --> 00:27:27,200

he's killing everybody child sacrifice

783

00:27:30,470 --> 00:27:28,960

that all this stuff and then in the new

784

00:27:32,470 --> 00:27:30,480

testament it's like hey

785

00:27:33,669 --> 00:27:32,480

it's a different god and you know what

786

00:27:35,029 --> 00:27:33,679

they told me said

787

00:27:36,950 --> 00:27:35,039

don't don't read the old testament i

788

00:27:38,549 --> 00:27:36,960

said but it's

789

00:27:40,549 --> 00:27:38,559

it's the bible no no yeah just go ahead

790

00:27:41,269 --> 00:27:40,559

and ignore that and i was like but wait

791

00:27:44,389 --> 00:27:41,279

hey

792

00:27:46,149 --> 00:27:44,399

uh the gospel of judas judas is the good

793

00:27:48,950 --> 00:27:46,159

guy

794

00:27:50,710 --> 00:27:48,960

right and the disciples you know jesus

795

00:27:52,470 --> 00:27:50,720

is talking

796

00:27:54,310 --> 00:27:52,480

crap about the disciples and he he

797

00:27:54,710 --> 00:27:54,320

confided in jesus what does that got to

798

00:27:57,830 --> 00:27:54,720

do

799

00:28:01,190 --> 00:27:57,840

like wait a minute

800

00:28:01,990 --> 00:28:01,200

wait a minute so that's why it's called

801  
00:28:04,950 --> 00:28:02,000  
history

802  
00:28:05,430 --> 00:28:04,960  
his story into the victory the spoils

803  
00:28:07,990 --> 00:28:05,440  
right

804  
00:28:08,870 --> 00:28:08,000  
so at the end of the day we're only

805  
00:28:11,990 --> 00:28:08,880  
listening

806  
00:28:14,230 --> 00:28:12,000  
and reading what the winners

807  
00:28:16,230 --> 00:28:14,240  
the the conquerors the people who took

808  
00:28:19,350 --> 00:28:16,240  
over their story

809  
00:28:20,789 --> 00:28:19,360  
king james version

810  
00:28:22,789 --> 00:28:20,799  
who was the one in charge of putting

811  
00:28:26,630 --> 00:28:22,799  
together that version well

812  
00:28:28,310 --> 00:28:26,640  
king james so

813  
00:28:30,230 --> 00:28:28,320

you know what i mean what can you

814

00:28:31,750 --> 00:28:30,240

believe and what can you not believe and

815

00:28:33,350 --> 00:28:31,760

that's why i always

816

00:28:34,630 --> 00:28:33,360

i believe in the law of attraction i

817

00:28:35,990 --> 00:28:34,640

believe in all that stuff and i just

818

00:28:37,830 --> 00:28:36,000

keep an open mind and i

819

00:28:39,190 --> 00:28:37,840

reserve the right to change my mind at

820

00:28:40,870 --> 00:28:39,200

all times

821

00:28:42,470 --> 00:28:40,880

because at the end of the day dude it's

822

00:28:43,909 --> 00:28:42,480

like the stock market you're not gonna

823

00:28:44,630 --> 00:28:43,919

you don't know if it's gonna go up or

824

00:28:46,230 --> 00:28:44,640

down

825

00:28:48,310 --> 00:28:46,240

but it's gonna do something right it's

826

00:28:50,389 --> 00:28:48,320

gonna go up or it's gonna go down

827

00:28:51,510 --> 00:28:50,399

but you can't predict that and you just

828

00:28:52,310 --> 00:28:51,520

gotta take it with a grain of salt and

829

00:28:55,750 --> 00:28:52,320

just

830

00:28:58,389 --> 00:28:55,760

ride the wave so i wouldn't call myself

831

00:28:59,750 --> 00:28:58,399

an atheist by any binding because i do

832

00:29:02,230 --> 00:28:59,760

believe that there is

833

00:29:03,830 --> 00:29:02,240

some higher power i do believe that

834

00:29:06,389 --> 00:29:03,840

there are

835

00:29:07,830 --> 00:29:06,399

you know programmers whatever it is like

836

00:29:10,310 --> 00:29:07,840

you said the elohim

837

00:29:11,269 --> 00:29:10,320

the the the nephilim who were all these

838

00:29:13,430 --> 00:29:11,279

people

839

00:29:15,590 --> 00:29:13,440

and and even enough to cosmology like

840

00:29:17,110 --> 00:29:15,600

it's so interesting that story right

841

00:29:19,269 --> 00:29:17,120

they flip everything on its head it's

842

00:29:20,710 --> 00:29:19,279

like no you're living in a fractal

843

00:29:25,029 --> 00:29:20,720

reality

844

00:29:28,310 --> 00:29:25,039

created by some dark overlord which

845

00:29:30,950 --> 00:29:28,320

he made a copy of a higher realm

846

00:29:33,190 --> 00:29:30,960

the upper and lower eons and you said

847

00:29:36,149 --> 00:29:33,200

dude you tell people that story

848

00:29:36,870 --> 00:29:36,159

and they just lose it like no there's no

849

00:29:39,990 --> 00:29:36,880

way

850

00:29:40,870 --> 00:29:40,000

hey dude i mean i'm that's it i'm you

851  
00:29:41,909 --> 00:29:40,880  
know these they're just they're

852  
00:29:43,190 --> 00:29:41,919  
scriptures there's how they're

853  
00:29:44,630 --> 00:29:43,200  
scriptures of the bible there's

854  
00:29:48,070 --> 00:29:44,640  
scriptures of this stuff

855  
00:29:48,950 --> 00:29:48,080  
right that's it you nailed it man

856  
00:29:51,750 --> 00:29:48,960  
because

857  
00:29:53,029 --> 00:29:51,760  
i think you nailed it um in fact i was

858  
00:29:57,190 --> 00:29:53,039  
like blown away

859  
00:29:59,830 --> 00:29:57,200  
uh recently again speaking of the media

860  
00:30:00,710 --> 00:29:59,840  
about how they have mirrored like what

861  
00:30:03,190 --> 00:30:00,720  
you just said

862  
00:30:04,230 --> 00:30:03,200  
uh if have you seen the loki i think

863  
00:30:06,950 --> 00:30:04,240

it's by disney

864

00:30:09,029 --> 00:30:06,960

go figure but they have loki you know

865

00:30:11,350 --> 00:30:09,039

the bad guy from the avengers

866

00:30:12,549 --> 00:30:11,360

and he's like going through this fractal

867

00:30:17,830 --> 00:30:12,559

reality

868

00:30:21,750 --> 00:30:21,110

they go so deep into esoterica that it's

869

00:30:24,310 --> 00:30:21,760

like

870

00:30:25,990 --> 00:30:24,320

are you kidding me thanks disney and

871

00:30:27,750 --> 00:30:26,000

that's exactly it i mean you look at the

872

00:30:31,110 --> 00:30:27,760

bible the last thing you want to show

873

00:30:32,789 --> 00:30:31,120

a preacher a priest anybody is

874

00:30:34,310 --> 00:30:32,799

exactly what the skull and bones have

875

00:30:36,470 --> 00:30:34,320

you know as their number the three two

876

00:30:39,430 --> 00:30:36,480

two genesis three two two show them that

877

00:30:41,430 --> 00:30:39,440

and you know it's like basically says

878

00:30:44,630 --> 00:30:41,440

you know the elohim say

879

00:30:46,870 --> 00:30:44,640

o em oh my hell

880

00:30:47,669 --> 00:30:46,880

these humans have figured out how to be

881

00:30:51,110 --> 00:30:47,679

gods

882

00:30:53,430 --> 00:30:51,120

and uh yeah

883

00:30:54,389 --> 00:30:53,440

that's it that's pretty much genesis 3 2

884

00:30:57,350 --> 00:30:54,399

2. and

885

00:30:57,750 --> 00:30:57,360

so um it's really difficult because it's

886

00:30:59,750 --> 00:30:57,760

you know

887

00:31:03,110 --> 00:30:59,760

it's the new american bible like you

888

00:31:04,950 --> 00:31:03,120

said nobody ever wants to quote

889

00:31:06,549 --> 00:31:04,960

anything kings james because you know

890

00:31:08,710 --> 00:31:06,559

all sudden god has

891

00:31:09,750 --> 00:31:08,720

quote unquote god has rough edges and

892

00:31:12,070 --> 00:31:09,760

he's a bad guy

893

00:31:14,149 --> 00:31:12,080

and you know what the bad guy is so much

894

00:31:16,710 --> 00:31:14,159

easier to figure out than the good guy

895

00:31:18,230 --> 00:31:16,720

i think that that's the intelligent move

896

00:31:18,870 --> 00:31:18,240

and i'm glad that you brought up the

897

00:31:21,190 --> 00:31:18,880

black

898

00:31:22,870 --> 00:31:21,200

cube because it sort of represents you

899

00:31:25,750 --> 00:31:22,880

know artificial intelligence

900

00:31:26,549 --> 00:31:25,760

the machine how things work and the

901  
00:31:29,110 --> 00:31:26,559  
kabbalah

902  
00:31:30,149 --> 00:31:29,120  
and figuring out how all of these pieces

903  
00:31:32,630 --> 00:31:30,159  
go together

904  
00:31:34,230 --> 00:31:32,640  
because we don't make a decision yet we

905  
00:31:34,710 --> 00:31:34,240  
we have time for that you know like it's

906  
00:31:37,110 --> 00:31:34,720  
like

907  
00:31:38,549 --> 00:31:37,120  
in the afterlife we may need to know how

908  
00:31:39,990 --> 00:31:38,559  
this works because we don't know who

909  
00:31:40,630 --> 00:31:40,000  
we're dealing with or what we're dealing

910  
00:31:44,070 --> 00:31:40,640  
with

911  
00:31:46,870 --> 00:31:44,080  
and it's it might not just be here

912  
00:31:48,230 --> 00:31:46,880  
and that's the interesting take i get on

913  
00:31:51,509 --> 00:31:48,240

a lot of the kabbalistic

914

00:31:54,630 --> 00:31:51,519

and symbolic stuff i mean

915

00:31:56,470 --> 00:31:54,640

it's crazy when you think about like how

916

00:31:58,389 --> 00:31:56,480

dumbed down our society is

917

00:32:00,310 --> 00:31:58,399

people used to like live in tribes or

918

00:32:01,269 --> 00:32:00,320

clans and they had these shields that

919

00:32:04,710 --> 00:32:01,279

literally

920

00:32:06,549 --> 00:32:04,720

showed what their family stood for and

921

00:32:09,509 --> 00:32:06,559

oh my gosh i mean they had like

922

00:32:12,310 --> 00:32:09,519

basically a facebook page on a shield

923

00:32:12,830 --> 00:32:12,320

and they would hold it up you know and

924

00:32:19,509 --> 00:32:12,840

you know

925

00:32:21,590 --> 00:32:19,519

now everything is so dumbed down that we

926  
00:32:22,789 --> 00:32:21,600  
pretend to be things we're not to

927  
00:32:25,029 --> 00:32:22,799  
impress people

928  
00:32:25,830 --> 00:32:25,039  
that don't matter with you know

929  
00:32:27,830 --> 00:32:25,840  
resources

930  
00:32:30,710 --> 00:32:27,840  
that do matter and we should be using

931  
00:32:35,669 --> 00:32:33,029  
yeah yeah and you know you talk about

932  
00:32:38,080 --> 00:32:35,679  
the kabbalah it's like

933  
00:32:39,269 --> 00:32:38,090  
these again

934  
00:32:42,710 --> 00:32:39,279  
[Music]

935  
00:32:43,990 --> 00:32:42,720  
these mystical words right the the

936  
00:32:47,350 --> 00:32:44,000  
language of god

937  
00:32:48,950 --> 00:32:47,360  
and and and and knocking and knocking

938  
00:32:50,630 --> 00:32:48,960

literature as well too right like

939

00:32:52,470 --> 00:32:50,640

you have these people who supposedly

940

00:32:54,070 --> 00:32:52,480

could talk to angels and

941

00:32:56,470 --> 00:32:54,080

they were getting transmitted all these

942

00:32:58,470 --> 00:32:56,480

things right this it's so crazy but

943

00:33:00,149 --> 00:32:58,480

with kabbalah it's like i was listening

944

00:33:01,430 --> 00:33:00,159

to

945

00:33:03,430 --> 00:33:01,440

i don't know what he was but he was

946

00:33:05,029 --> 00:33:03,440

talking about it and they were

947

00:33:06,789 --> 00:33:05,039

interviewing him

948

00:33:08,470 --> 00:33:06,799

and they were saying how even if you

949

00:33:10,389 --> 00:33:08,480

could read these

950

00:33:12,710 --> 00:33:10,399

scriptures and you had to prepare

951  
00:33:15,990 --> 00:33:12,720  
yourself for i don't know how many years

952  
00:33:17,590 --> 00:33:16,000  
to read these scriptures and even if you

953  
00:33:18,950 --> 00:33:17,600  
could read them before you were

954  
00:33:21,029 --> 00:33:18,960  
quote unquote ready right like almost

955  
00:33:23,909 --> 00:33:21,039  
like an initiation some

956  
00:33:25,029 --> 00:33:23,919  
weird type of thing you wouldn't

957  
00:33:28,070 --> 00:33:25,039  
understand it

958  
00:33:28,389 --> 00:33:28,080  
then he was talking and talking and then

959  
00:33:31,350 --> 00:33:28,399  
all

960  
00:33:31,909 --> 00:33:31,360  
uh back then these people who practiced

961  
00:33:35,509 --> 00:33:31,919  
to

962  
00:33:37,029 --> 00:33:35,519  
practice the the these rituals

963  
00:33:38,710 --> 00:33:37,039

they would go into these caves

964

00:33:42,149 --> 00:33:38,720

underground for a very long time and

965

00:33:45,750 --> 00:33:42,159

they would he said they would manifest

966

00:33:48,870 --> 00:33:45,760

food for themselves to be at an

967

00:33:49,990 --> 00:33:48,880

and this is an interview he just he's

968

00:33:53,269 --> 00:33:50,000

again they would make

969

00:33:54,549 --> 00:33:53,279

meat that they could eat right and i was

970

00:33:56,710 --> 00:33:54,559

he just kept going right after i was

971

00:33:58,630 --> 00:33:56,720

like wait a minute wait a minute he'd go

972

00:34:01,430 --> 00:33:58,640

back to what he just said you said

973

00:34:02,310 --> 00:34:01,440

they're conjuring meat for them to eat

974

00:34:05,350 --> 00:34:02,320

oh

975

00:34:07,590 --> 00:34:05,360

what is this like is this some sort of

976  
00:34:09,990 --> 00:34:07,600  
black magic or

977  
00:34:11,589 --> 00:34:10,000  
what is happening and he just brushed by

978  
00:34:15,190 --> 00:34:11,599  
that like nothing and then again

979  
00:34:17,750 --> 00:34:15,200  
it comes down to the words

980  
00:34:19,909 --> 00:34:17,760  
right you talk about loki and welsh

981  
00:34:20,310 --> 00:34:19,919  
mythology you have it's so mythical

982  
00:34:22,389 --> 00:34:20,320  
right

983  
00:34:25,109 --> 00:34:22,399  
it's all full of dragons and all this

984  
00:34:26,550 --> 00:34:25,119  
lure and all these different things

985  
00:34:29,270 --> 00:34:26,560  
because these people i don't know if

986  
00:34:31,190 --> 00:34:29,280  
they could tap into a certain realm

987  
00:34:32,869 --> 00:34:31,200  
i like to think that i like to think

988  
00:34:36,550 --> 00:34:32,879

that the egyptians were able to do

989

00:34:37,669 --> 00:34:36,560

some sort of of some practice right you

990

00:34:41,349 --> 00:34:37,679

have these

991

00:34:44,230 --> 00:34:41,359

these magnifice magnificent structures

992

00:34:44,869 --> 00:34:44,240

for what for what purpose well maybe at

993

00:34:48,470 --> 00:34:44,879

a certain

994

00:34:51,030 --> 00:34:48,480

day

995

00:34:52,389 --> 00:34:51,040

they could lay in that box in the king's

996

00:34:52,869 --> 00:34:52,399

chamber the queen's chamber and they

997

00:34:55,589 --> 00:34:52,879

could

998

00:34:56,550 --> 00:34:55,599

vibrate themselves to another reality

999

00:34:58,950 --> 00:34:56,560

maybe what if

1000

00:35:00,230 --> 00:34:58,960

the mayans or the egyptians all as a as

1001  
00:35:01,990 --> 00:35:00,240  
a collective

1002  
00:35:03,589 --> 00:35:02,000  
they were all able to eventually tap

1003  
00:35:05,670 --> 00:35:03,599  
into this sort of thing

1004  
00:35:07,670 --> 00:35:05,680  
i feel that maybe we're getting there

1005  
00:35:09,750 --> 00:35:07,680  
and it's a different version like we're

1006  
00:35:10,310 --> 00:35:09,760  
playing civilization and and you just

1007  
00:35:14,829 --> 00:35:10,320  
keep

1008  
00:35:17,190 --> 00:35:14,839  
like you said the black cube is

1009  
00:35:18,950 --> 00:35:17,200  
ai right you have like the people at

1010  
00:35:22,069 --> 00:35:18,960  
kindred ai where they have

1011  
00:35:25,190 --> 00:35:22,079  
these these quantum computers that

1012  
00:35:28,710 --> 00:35:25,200  
that they have to keep the processors

1013  
00:35:30,230 --> 00:35:28,720

at crazy and that is like below zero

1014

00:35:32,550 --> 00:35:30,240

some crazy

1015

00:35:33,510 --> 00:35:32,560

temperature and it's processing

1016

00:35:37,910 --> 00:35:33,520

information so

1017

00:35:40,150 --> 00:35:37,920

quickly it sounds like a heartbeat

1018

00:35:41,910 --> 00:35:40,160

and the guy working on it i forgot his

1019

00:35:45,990 --> 00:35:41,920

name he says

1020

00:35:49,030 --> 00:35:46,000

it's like i'm at an altar to an alien

1021

00:35:50,550 --> 00:35:49,040

god or like the guys that certain what

1022

00:35:53,190 --> 00:35:50,560

are they doing

1023

00:35:55,109 --> 00:35:53,200

the god particle what does that have to

1024

00:35:57,670 --> 00:35:55,119

do with anything

1025

00:35:59,270 --> 00:35:57,680

but again if you have enough money

1026

00:36:02,790 --> 00:35:59,280

enough resources enough

1027

00:36:05,910 --> 00:36:02,800

time you could again

1028

00:36:09,109 --> 00:36:05,920

the magician and stage just gets bigger

1029

00:36:10,390 --> 00:36:09,119

and bigger and bigger and now they're

1030

00:36:12,870 --> 00:36:10,400

able to

1031

00:36:14,150 --> 00:36:12,880

portray it through the media for trade

1032

00:36:17,670 --> 00:36:14,160

through entertainment

1033

00:36:20,790 --> 00:36:17,680

portray it to younger audiences right

1034

00:36:22,950 --> 00:36:20,800

to indoctrinate them earlier

1035

00:36:23,829 --> 00:36:22,960

so that they could do i don't know what

1036

00:36:26,550 --> 00:36:23,839

you know what i mean like

1037

00:36:27,510 --> 00:36:26,560

i don't watch all the tv either but you

1038

00:36:29,829 --> 00:36:27,520

see it

1039

00:36:30,870 --> 00:36:29,839

and it's like i was on hula the other

1040

00:36:32,950 --> 00:36:30,880

night

1041

00:36:35,109 --> 00:36:32,960

and there was this discovery channel

1042

00:36:36,950 --> 00:36:35,119

show on the knights templar and i looked

1043

00:36:39,190 --> 00:36:36,960

over at my wife and i said

1044

00:36:39,990 --> 00:36:39,200

you know what they were accused of right

1045

00:36:42,950 --> 00:36:40,000

she's like what

1046

00:36:44,150 --> 00:36:42,960

and i was like they were worshipping

1047

00:36:46,950 --> 00:36:44,160

back from that

1048

00:36:49,030 --> 00:36:46,960

they were worshipping some entity they

1049

00:36:51,109 --> 00:36:49,040

were practicing these rituals

1050

00:36:53,589 --> 00:36:51,119

this old egyptian ritual where they

1051  
00:36:55,270 --> 00:36:53,599  
would if you have the head of a prophet

1052  
00:36:57,750 --> 00:36:55,280  
it would prophesize to you and that's

1053  
00:37:01,349 --> 00:36:57,760  
how they made the modern day

1054  
00:37:03,510 --> 00:37:01,359  
banking system they were the first

1055  
00:37:04,950 --> 00:37:03,520  
ones if you deposit here you can take it

1056  
00:37:07,510 --> 00:37:04,960  
out over there

1057  
00:37:08,710 --> 00:37:07,520  
they were the first ones and that's

1058  
00:37:11,430 --> 00:37:08,720  
history

1059  
00:37:12,950 --> 00:37:11,440  
and these people tonight's templar yeah

1060  
00:37:15,190 --> 00:37:12,960  
but they don't go into

1061  
00:37:16,390 --> 00:37:15,200  
the dark side of it right they're

1062  
00:37:18,230 --> 00:37:16,400  
probably

1063  
00:37:19,750 --> 00:37:18,240

having sexual relations with each other

1064

00:37:20,790 --> 00:37:19,760

and doing all these crazy things which

1065

00:37:24,470 --> 00:37:20,800

again

1066

00:37:26,310 --> 00:37:24,480

can come into today's society right and

1067

00:37:29,030 --> 00:37:26,320

the catholic church with with

1068

00:37:30,390 --> 00:37:29,040

little boys and things like that etc etc

1069

00:37:33,670 --> 00:37:30,400

you know where that goes

1070

00:37:36,310 --> 00:37:33,680

but it's a dark dark rabbit hole man

1071

00:37:37,589 --> 00:37:36,320

and i don't know i i don't know dude

1072

00:37:39,670 --> 00:37:37,599

maybe that's why the aliens don't want

1073

00:37:42,630 --> 00:37:39,680

to come and talk to us because

1074

00:37:44,550 --> 00:37:42,640

we're doing all this this weird esoteric

1075

00:37:46,630 --> 00:37:44,560

stuff

1076  
00:37:48,150 --> 00:37:46,640  
watch out for that left-hand path yeah

1077  
00:37:51,349 --> 00:37:48,160  
man um

1078  
00:37:52,710 --> 00:37:51,359  
the lie or the truth is too big to fail

1079  
00:37:55,109 --> 00:37:52,720  
like you mentioned

1080  
00:37:56,710 --> 00:37:55,119  
the ying or the yang the right or the

1081  
00:37:59,270 --> 00:37:56,720  
left-hand path

1082  
00:38:00,150 --> 00:37:59,280  
and i'm glad you brought up the templars

1083  
00:38:02,550 --> 00:38:00,160  
because

1084  
00:38:03,430 --> 00:38:02,560  
yeah they did the they did everything

1085  
00:38:06,550 --> 00:38:03,440  
you said

1086  
00:38:09,270 --> 00:38:06,560  
but yet they also did the impossible

1087  
00:38:10,790 --> 00:38:09,280  
which was just a few guys in the middle

1088  
00:38:13,190 --> 00:38:10,800

of the desert

1089

00:38:13,910 --> 00:38:13,200

you know like it was insane what they

1090

00:38:17,030 --> 00:38:13,920

did was

1091

00:38:20,310 --> 00:38:17,040

literally like probably one of the most

1092

00:38:24,069 --> 00:38:20,320

high scale esoteric high desert

1093

00:38:26,470 --> 00:38:24,079

occult rituals where they just took

1094

00:38:27,270 --> 00:38:26,480

complete control not only of the souls

1095

00:38:29,589 --> 00:38:27,280

the money and

1096

00:38:31,829 --> 00:38:29,599

anybody that came into contact with them

1097

00:38:33,430 --> 00:38:31,839

but they benefited from all of it and

1098

00:38:36,310 --> 00:38:33,440

you know i mean these guys

1099

00:38:38,870 --> 00:38:36,320

they they had oaths where literally i

1100

00:38:40,790 --> 00:38:38,880

think if they were outnumbered by

1101  
00:38:42,310 --> 00:38:40,800  
let me make this make sure i know it's

1102  
00:38:43,829 --> 00:38:42,320  
been a while since i've read this

1103  
00:38:45,750 --> 00:38:43,839  
they had to be outnumbered more than

1104  
00:38:48,790 --> 00:38:45,760  
three to one

1105  
00:38:49,750 --> 00:38:48,800  
which that number is so key right so key

1106  
00:38:52,870 --> 00:38:49,760  
to loki

1107  
00:38:54,790 --> 00:38:52,880  
and you know they had to be outnumbered

1108  
00:38:57,270 --> 00:38:54,800  
three to one for them to retreat

1109  
00:38:59,349 --> 00:38:57,280  
and if they weren't they always won it

1110  
00:39:00,630 --> 00:38:59,359  
was like the most insane mathematics and

1111  
00:39:02,870 --> 00:39:00,640  
like you said

1112  
00:39:03,829 --> 00:39:02,880  
venmo paypal they're all a joke compared

1113  
00:39:04,790 --> 00:39:03,839

to what these guys were doing because

1114

00:39:08,550 --> 00:39:04,800

they were doing it without

1115

00:39:11,190 --> 00:39:08,560

any technology or batteries or anything

1116

00:39:11,990 --> 00:39:11,200

that's interesting that's interesting

1117

00:39:15,430 --> 00:39:12,000

how

1118

00:39:17,190 --> 00:39:15,440

is an

1119

00:39:19,030 --> 00:39:17,200

unlucky number but apparently it's one

1120

00:39:20,790 --> 00:39:19,040

of the most sacred numbers

1121

00:39:22,870 --> 00:39:20,800

right you have jesus and the 12

1122

00:39:25,910 --> 00:39:22,880

disciples 13

1123

00:39:27,589 --> 00:39:25,920

right and it goes on and on and on but i

1124

00:39:29,910 --> 00:39:27,599

feel like

1125

00:39:31,510 --> 00:39:29,920

a lot of it has to do with sacred

1126

00:39:34,150 --> 00:39:31,520

geometry and

1127

00:39:37,109 --> 00:39:34,160

and even the egyptians are into that and

1128

00:39:39,829 --> 00:39:37,119

all these different if you look at

1129

00:39:41,270 --> 00:39:39,839

i think it was uh like i saw this meme

1130

00:39:44,870 --> 00:39:41,280

where it was

1131

00:39:46,550 --> 00:39:44,880

this aztec pendant and then you know how

1132

00:39:47,910 --> 00:39:46,560

they do all these crazy lines on and you

1133

00:39:49,750 --> 00:39:47,920

look at that and then you looked at

1134

00:39:51,349 --> 00:39:49,760

like a cross section of a dna and it was

1135

00:39:52,870 --> 00:39:51,359

like almost similar

1136

00:39:55,430 --> 00:39:52,880

it's like how do these people know about

1137

00:39:59,030 --> 00:39:55,440

all this like how do they know

1138

00:39:59,349 --> 00:39:59,040

if again they lacked the technology but

1139

00:40:04,150 --> 00:39:59,359

it

1140

00:40:07,829 --> 00:40:04,160

goes back to being able to tap into

1141

00:40:10,470 --> 00:40:07,839

the akashic records perhaps this this

1142

00:40:12,069 --> 00:40:10,480

this realm that everything that has ever

1143

00:40:15,670 --> 00:40:12,079

existed

1144

00:40:18,870 --> 00:40:15,680

is just there the nomos right

1145

00:40:21,190 --> 00:40:18,880

and in africa this tribe

1146

00:40:23,030 --> 00:40:21,200

that they would come down and they're

1147

00:40:24,550 --> 00:40:23,040

like oh who gave you your information

1148

00:40:28,150 --> 00:40:24,560

it's like well the normals

1149

00:40:31,030 --> 00:40:28,160

well who who are they oh they come from

1150

00:40:31,670 --> 00:40:31,040

you know that star system up there was

1151

00:40:35,589 --> 00:40:31,680

it

1152

00:40:38,870 --> 00:40:35,599

an actual physical being

1153

00:40:40,870 --> 00:40:38,880

was it some sort of of outer body

1154

00:40:41,670 --> 00:40:40,880

experience that they were having right a

1155

00:40:44,630 --> 00:40:41,680

lot of

1156

00:40:47,109 --> 00:40:44,640

people back then would would would use

1157

00:40:48,069 --> 00:40:47,119

psychedelics or psychedelics around to

1158

00:40:50,230 --> 00:40:48,079

the other world

1159

00:40:51,829 --> 00:40:50,240

are you able to pierce the fabric of

1160

00:40:54,550 --> 00:40:51,839

reality by dmt

1161

00:40:55,589 --> 00:40:54,560

or psilocybin or whatever you know what

1162

00:40:56,870 --> 00:40:55,599

i mean it's like

1163

00:40:59,430 --> 00:40:56,880

but then again why are those things

1164

00:41:00,790 --> 00:40:59,440

outlawed as well is it uh it's like how

1165

00:41:02,150 --> 00:41:00,800

i think it was terence mckenna said

1166

00:41:03,829 --> 00:41:02,160

it wasn't because they care about you

1167

00:41:05,510 --> 00:41:03,839

it's because they don't want you to

1168

00:41:07,349 --> 00:41:05,520

know the truth pretty much paraphrasing

1169

00:41:09,510 --> 00:41:07,359

that quote exactly

1170

00:41:10,390 --> 00:41:09,520

i don't know man it's pretty crazy what

1171

00:41:11,990 --> 00:41:10,400

are your take

1172

00:41:13,990 --> 00:41:12,000

what are your thoughts on the whole post

1173

00:41:15,589 --> 00:41:14,000

of sculpture what do you feel is coming

1174

00:41:18,470 --> 00:41:15,599

do you think that they are going to come

1175

00:41:21,430 --> 00:41:18,480

out because i think they wrapped up that

1176

00:41:22,950 --> 00:41:21,440

that report i think it was last week

1177

00:41:25,030 --> 00:41:22,960

where they pretty much admitted that

1178

00:41:28,069 --> 00:41:25,040

they don't supposedly according to them

1179

00:41:30,069 --> 00:41:28,079

that they don't know what these ufos

1180

00:41:31,190 --> 00:41:30,079

and this other worldly technology what

1181

00:41:33,190 --> 00:41:31,200

it is do you

1182

00:41:34,390 --> 00:41:33,200

believe them as far from from what

1183

00:41:35,430 --> 00:41:34,400

you've seen because i know you've seen

1184

00:41:36,550 --> 00:41:35,440

some stuff

1185

00:41:38,630 --> 00:41:36,560

and i don't think you've seen a lot of

1186

00:41:40,470 --> 00:41:38,640

stuff

1187

00:41:42,390 --> 00:41:40,480

you know i think they said i think they

1188

00:41:44,710 --> 00:41:42,400

said the right thing

1189

00:41:45,750 --> 00:41:44,720

um for the masses they said what they

1190

00:41:47,829 --> 00:41:45,760

had to say

1191

00:41:49,510 --> 00:41:47,839

and it was the correct thing from a

1192

00:41:52,550 --> 00:41:49,520

government perspective i was actually

1193

00:41:56,069 --> 00:41:52,560

impressed you know um

1194

00:41:59,589 --> 00:41:56,079

they basically i are they lying

1195

00:42:02,390 --> 00:41:59,599

absolutely and uh

1196

00:42:02,870 --> 00:42:02,400

for good reason in my opinion i i think

1197

00:42:05,030 --> 00:42:02,880

somebody

1198

00:42:06,870 --> 00:42:05,040

quoted was it grier it might have been

1199

00:42:08,230 --> 00:42:06,880

stephen greer he said like there was

1200

00:42:11,190 --> 00:42:08,240

three lies

1201  
00:42:13,030 --> 00:42:11,200  
one we don't have this technology two we

1202  
00:42:15,109 --> 00:42:13,040  
don't know what these are

1203  
00:42:16,230 --> 00:42:15,119  
and the third one was even better but i

1204  
00:42:19,190 --> 00:42:16,240  
can't remember it but

1205  
00:42:20,950 --> 00:42:19,200  
basically it was it you know the whole

1206  
00:42:23,109 --> 00:42:20,960  
you know nothing burger of

1207  
00:42:24,230 --> 00:42:23,119  
uh this official report i'm sure that

1208  
00:42:26,230 --> 00:42:24,240  
the ones that the senator and

1209  
00:42:27,990 --> 00:42:26,240  
congressman got was a lot better and

1210  
00:42:30,630 --> 00:42:28,000  
meatier

1211  
00:42:31,670 --> 00:42:30,640  
but we didn't get that and what we got

1212  
00:42:33,270 --> 00:42:31,680  
was pretty good

1213  
00:42:34,870 --> 00:42:33,280

but it basically said these things are

1214

00:42:35,589 --> 00:42:34,880

cool they're not ours we don't know what

1215

00:42:37,349 --> 00:42:35,599

they are

1216

00:42:38,630 --> 00:42:37,359

and i think that's the right thing to

1217

00:42:40,150 --> 00:42:38,640

say even though

1218

00:42:41,670 --> 00:42:40,160

they know more than i'm sure they're

1219

00:42:44,710 --> 00:42:41,680

letting on but

1220

00:42:45,430 --> 00:42:44,720

you know these systems of like you

1221

00:42:48,470 --> 00:42:45,440

mentioned

1222

00:42:49,910 --> 00:42:48,480

uh since ancient times whatever you want

1223

00:42:51,910 --> 00:42:49,920

to call these governing systems

1224

00:42:53,910 --> 00:42:51,920

capitalists gnostics brotherhoods

1225

00:42:56,150 --> 00:42:53,920

you know they've all studied the secret

1226

00:42:59,109 --> 00:42:56,160

arts and it's quite probable that

1227

00:42:59,589 --> 00:42:59,119

you know the persecutions to which a lot

1228

00:43:03,109 --> 00:42:59,599

of

1229

00:43:06,710 --> 00:43:03,119

people have subject been subjected to um

1230

00:43:09,109 --> 00:43:06,720

are because they

1231

00:43:11,030 --> 00:43:09,119

whatever whatever these governing bodies

1232

00:43:12,710 --> 00:43:11,040

are the best thing they can do is have

1233

00:43:15,510 --> 00:43:12,720

plausible deniability

1234

00:43:18,790 --> 00:43:15,520

and it's you know whether whether

1235

00:43:22,790 --> 00:43:18,800

they're trying somebody who is a

1236

00:43:25,430 --> 00:43:22,800

uh traitor such as george washington or

1237

00:43:26,950 --> 00:43:25,440

you know they're you know it's a game

1238

00:43:27,829 --> 00:43:26,960

like you said it's his story it's the

1239

00:43:31,030 --> 00:43:27,839

one that wins

1240

00:43:32,550 --> 00:43:31,040

and and you follow the money and be

1241

00:43:33,910 --> 00:43:32,560

careful of the things that you don't

1242

00:43:36,230 --> 00:43:33,920

think exist

1243

00:43:37,670 --> 00:43:36,240

because in my opinion that's kind of

1244

00:43:39,190 --> 00:43:37,680

what we're dealing with there's a lot of

1245

00:43:40,150 --> 00:43:39,200

people that don't think these things

1246

00:43:42,390 --> 00:43:40,160

exist

1247

00:43:45,829 --> 00:43:42,400

and you know what's what's the greatest

1248

00:43:48,150 --> 00:43:45,839

trick the devil ever pulled you know

1249

00:43:50,390 --> 00:43:48,160

well what does the gnostics say we're

1250

00:43:53,750 --> 00:43:50,400

living in a false reality

1251  
00:43:54,069 --> 00:43:53,760  
right and we have to through gnosis

1252  
00:43:58,790 --> 00:43:54,079  
through

1253  
00:44:04,870 --> 00:43:58,800  
pretty much and what does neo do

1254  
00:44:11,670 --> 00:44:08,470  
from your perspective right

1255  
00:44:14,309 --> 00:44:11,680  
when it comes to and i know we

1256  
00:44:15,510 --> 00:44:14,319  
we've been talking about the elohim and

1257  
00:44:18,150 --> 00:44:15,520  
the nephilim

1258  
00:44:20,390 --> 00:44:18,160  
and all these different archonic forces

1259  
00:44:22,630 --> 00:44:20,400  
or whatever

1260  
00:44:23,910 --> 00:44:22,640  
when it comes to bigfoot because i i

1261  
00:44:25,270 --> 00:44:23,920  
always come back to bigfoot

1262  
00:44:27,670 --> 00:44:25,280  
when i'm always talking to you because

1263  
00:44:28,710 --> 00:44:27,680

because i i know you've seen them i know

1264

00:44:32,309 --> 00:44:28,720

you've seen them

1265

00:44:39,910 --> 00:44:35,430

forces entities whatever are they

1266

00:44:45,270 --> 00:44:43,030

energies are they what are they

1267

00:44:46,470 --> 00:44:45,280

or do they do they when they show

1268

00:44:49,430 --> 00:44:46,480

themselves to us

1269

00:44:49,990 --> 00:44:49,440

do they show themselves in ways that

1270

00:44:52,710 --> 00:44:50,000

we're able

1271

00:44:53,990 --> 00:44:52,720

to comprehend what they are to a certain

1272

00:44:55,829 --> 00:44:54,000

extent

1273

00:44:57,430 --> 00:44:55,839

because ever since i've been talking to

1274

00:44:57,750 --> 00:44:57,440

you about all these different things i

1275

00:45:04,069 --> 00:44:57,760

can

1276

00:45:05,270 --> 00:45:04,079

is bigfoot some interdimensional

1277

00:45:08,390 --> 00:45:05,280

creature

1278

00:45:12,470 --> 00:45:08,400

is he energy is he an

1279

00:45:14,630 --> 00:45:12,480

alien is he like what what is it

1280

00:45:16,309 --> 00:45:14,640

and from and i don't know if you you're

1281

00:45:18,390 --> 00:45:16,319

able to answer that but what do you

1282

00:45:19,030 --> 00:45:18,400

think it is do you think it is some sort

1283

00:45:23,829 --> 00:45:19,040

of

1284

00:45:27,190 --> 00:45:23,839

electrical

1285

00:45:28,309 --> 00:45:27,200

crap i don't know what do you

1286

00:45:30,150 --> 00:45:28,319

at the end of the day what do you

1287

00:45:31,190 --> 00:45:30,160

believe those to be are they actual

1288

00:45:34,309 --> 00:45:31,200

little green men

1289

00:45:36,309 --> 00:45:34,319  
or not i i think we're dealing with

1290

00:45:40,069 --> 00:45:36,319  
elemental forces of nature

1291

00:45:41,910 --> 00:45:40,079  
that are more real

1292

00:45:44,470 --> 00:45:41,920  
the closer in proximity we place

1293

00:45:47,510 --> 00:45:44,480  
ourselves to the prism of the reality

1294

00:45:50,870 --> 00:45:47,520  
so when these things edge in

1295

00:45:53,030 --> 00:45:50,880  
on the fringe of what we consider real

1296

00:45:55,109 --> 00:45:53,040  
which is usually where we consider

1297

00:45:57,510 --> 00:45:55,119  
ourselves to be safe

1298

00:45:58,870 --> 00:45:57,520  
and you know i don't mean that just well

1299

00:46:00,550 --> 00:45:58,880  
yeah you have to put yourself out in the

1300

00:46:01,109 --> 00:46:00,560  
woods i don't mean that just in a city

1301  
00:46:04,309 --> 00:46:01,119  
versus

1302  
00:46:06,710 --> 00:46:04,319  
woods perspective but you also if you

1303  
00:46:09,589 --> 00:46:06,720  
ever encountered something like this

1304  
00:46:10,230 --> 00:46:09,599  
it becomes readily apparent that they

1305  
00:46:19,030 --> 00:46:10,240  
are

1306  
00:46:23,349 --> 00:46:19,040  
not on our game board we don't have

1307  
00:46:27,510 --> 00:46:25,670  
elements that these particular

1308  
00:46:31,910 --> 00:46:27,520  
intelligences have

1309  
00:46:34,790 --> 00:46:31,920  
in as how to enter and exit

1310  
00:46:35,990 --> 00:46:34,800  
as they wish and and and maybe it's just

1311  
00:46:37,670 --> 00:46:36,000  
our perception

1312  
00:46:39,430 --> 00:46:37,680  
but still like you said are they real

1313  
00:46:41,030 --> 00:46:39,440

are they not it depends how close you

1314

00:46:43,670 --> 00:46:41,040

get to that edge

1315

00:46:45,430 --> 00:46:43,680

that prism of their entirety so you know

1316

00:46:46,630 --> 00:46:45,440

these things are usually and typically

1317

00:46:48,550 --> 00:46:46,640

you know you they're going in a

1318

00:46:51,349 --> 00:46:48,560

direction you have a pretty good

1319

00:46:53,190 --> 00:46:51,359

idea of where you fit into that spectrum

1320

00:46:53,990 --> 00:46:53,200

and there have been cases of people that

1321

00:46:57,430 --> 00:46:54,000

just get too

1322

00:46:59,349 --> 00:46:57,440

close to the edge too in their way

1323

00:47:00,710 --> 00:46:59,359

or whatever that it becomes a lot more

1324

00:47:03,750 --> 00:47:00,720

real experience

1325

00:47:05,589 --> 00:47:03,760

and it it's a fray i guess

1326  
00:47:06,870 --> 00:47:05,599  
because you know it's like these rabbit

1327  
00:47:09,190 --> 00:47:06,880  
holes if

1328  
00:47:09,990 --> 00:47:09,200  
you keep following them they end up

1329  
00:47:12,390 --> 00:47:10,000  
places and

1330  
00:47:13,109 --> 00:47:12,400  
and when you're in the situation out in

1331  
00:47:15,349 --> 00:47:13,119  
the woods

1332  
00:47:17,349 --> 00:47:15,359  
or i know you had a recent kind of an

1333  
00:47:19,109 --> 00:47:17,359  
experience i won't go into it but

1334  
00:47:21,670 --> 00:47:19,119  
yeah you didn't you didn't pull on that

1335  
00:47:22,630 --> 00:47:21,680  
and you know hang from the sweater and

1336  
00:47:25,990 --> 00:47:22,640  
see where that went

1337  
00:47:27,750 --> 00:47:26,000  
and and you pull on those strings

1338  
00:47:29,109 --> 00:47:27,760

long enough and you can unravel the

1339

00:47:31,190 --> 00:47:29,119

sweater but

1340

00:47:32,309 --> 00:47:31,200

i think we all kind of know something is

1341

00:47:34,950 --> 00:47:32,319

out there

1342

00:47:35,910 --> 00:47:34,960

whatever that is for each individual can

1343

00:47:39,069 --> 00:47:35,920

be different along

1344

00:47:42,150 --> 00:47:39,079

you know its perception a lot of this is

1345

00:47:44,309 --> 00:47:42,160

perception and perception is manageable

1346

00:47:46,390 --> 00:47:44,319

we're in control so it's it's a tough

1347

00:47:48,710 --> 00:47:46,400

it's a it's it's such a tough thing to

1348

00:47:52,870 --> 00:47:48,720

explain

1349

00:47:55,349 --> 00:47:52,880

yeah with my thing i

1350

00:47:57,109 --> 00:47:55,359

i don't know if i tend to ignore these

1351  
00:47:58,790 --> 00:47:57,119  
synchronicities and all these different

1352  
00:48:01,510 --> 00:47:58,800  
things but

1353  
00:48:02,630 --> 00:48:01,520  
like i said i mean i was in the middle

1354  
00:48:05,270 --> 00:48:02,640  
of the woods

1355  
00:48:06,470 --> 00:48:05,280  
the rocky mountains right no cell

1356  
00:48:09,589 --> 00:48:06,480  
reception

1357  
00:48:11,190 --> 00:48:09,599  
just me and my guide that's seen my foot

1358  
00:48:15,190 --> 00:48:11,200  
five times

1359  
00:48:17,510 --> 00:48:15,200  
and again when i when i left there was

1360  
00:48:19,750 --> 00:48:17,520  
like i was

1361  
00:48:22,150 --> 00:48:19,760  
energetically charged i don't i don't

1362  
00:48:24,390 --> 00:48:22,160  
know dude it was it was weird and

1363  
00:48:26,470 --> 00:48:24,400

i had some weird synchronicities happen

1364

00:48:28,150 --> 00:48:26,480

to me and it always it

1365

00:48:30,790 --> 00:48:28,160

oh and i had another trip to georgia

1366

00:48:33,430 --> 00:48:30,800

where it was again the same thing i was

1367

00:48:34,950 --> 00:48:33,440

i was in in a river right for a lot of

1368

00:48:36,630 --> 00:48:34,960

the time i was there

1369

00:48:38,150 --> 00:48:36,640

and then like these things throughout

1370

00:48:39,349 --> 00:48:38,160

the day would click when i would go hang

1371

00:48:40,150 --> 00:48:39,359

out with the family in the afternoon i

1372

00:48:42,790 --> 00:48:40,160

was like

1373

00:48:43,589 --> 00:48:42,800

but but i would kind of brush them off

1374

00:48:47,109 --> 00:48:43,599

right

1375

00:48:49,430 --> 00:48:47,119

like it would be a lot with numbers

1376

00:48:50,309 --> 00:48:49,440

and then would line up and i'd be like

1377

00:48:51,430 --> 00:48:50,319

nah

1378

00:48:54,069 --> 00:48:51,440

you know you know what i mean like

1379

00:48:57,349 --> 00:48:54,079

that's not that other than do with it

1380

00:48:58,470 --> 00:48:57,359

but like like i said like when i told

1381

00:49:00,829 --> 00:48:58,480

you about my

1382

00:49:02,549 --> 00:49:00,839

you're talking about perception and

1383

00:49:05,109 --> 00:49:02,559

different uh

1384

00:49:06,390 --> 00:49:05,119

levels of consciousness pretty much what

1385

00:49:07,990 --> 00:49:06,400

it is

1386

00:49:11,430 --> 00:49:08,000

when my father had his heart attack and

1387

00:49:13,270 --> 00:49:11,440

he died for they flatlined four times

1388

00:49:16,069 --> 00:49:13,280

the first thing i asked him when when i

1389

00:49:19,829 --> 00:49:16,079

was finally able to talk to him was

1390

00:49:23,109 --> 00:49:19,839

so right he said what he's talking about

1391

00:49:25,190 --> 00:49:23,119

so what's what's all this about

1392

00:49:26,870 --> 00:49:25,200

he's like well what do you mean you know

1393

00:49:27,670 --> 00:49:26,880

so is there another sign did you see the

1394

00:49:29,349 --> 00:49:27,680

light did you see

1395

00:49:31,990 --> 00:49:29,359

your ancestors did you see something

1396

00:49:35,270 --> 00:49:32,000

else he said no

1397

00:49:38,150 --> 00:49:35,280

i didn't see anything it was just dark

1398

00:49:39,589 --> 00:49:38,160

and i go holy crap the guy would die

1399

00:49:40,790 --> 00:49:39,599

four times

1400

00:49:43,430 --> 00:49:40,800

and he didn't see anything on the other

1401  
00:49:44,950 --> 00:49:43,440  
side but again my father is not the type

1402  
00:49:46,069 --> 00:49:44,960  
of guy to be talking about these

1403  
00:49:49,750 --> 00:49:46,079  
different

1404  
00:49:51,510 --> 00:49:49,760  
higher consciousness and and questioning

1405  
00:49:53,670 --> 00:49:51,520  
all these different things he just lives

1406  
00:49:56,829 --> 00:49:53,680  
his life business man

1407  
00:49:59,270 --> 00:49:56,839  
works right he's been working all his

1408  
00:50:00,549 --> 00:49:59,280  
life know it's like

1409  
00:50:02,150 --> 00:50:00,559  
a lot of people can relate they don't

1410  
00:50:03,670 --> 00:50:02,160  
care about this stuff right they don't

1411  
00:50:04,790 --> 00:50:03,680  
care to question it they don't care

1412  
00:50:07,270 --> 00:50:04,800  
about what's

1413  
00:50:09,510 --> 00:50:07,280

something they just live their life and

1414

00:50:11,109 --> 00:50:09,520

they just want to be calm and and just

1415

00:50:13,190 --> 00:50:11,119

do regular people stuff and then you

1416

00:50:15,430 --> 00:50:13,200

have guys like me and you

1417

00:50:16,950 --> 00:50:15,440

who want to push the limits obviously

1418

00:50:17,750 --> 00:50:16,960

you've pushed the limits a lot further

1419

00:50:19,670 --> 00:50:17,760

than i have

1420

00:50:21,030 --> 00:50:19,680

no i don't know i'll be honest with you

1421

00:50:23,750 --> 00:50:21,040

ryan i'm scared of

1422

00:50:24,230 --> 00:50:23,760

i'd be scared about the skinwalker ranch

1423

00:50:32,230 --> 00:50:24,240

and

1424

00:50:34,230 --> 00:50:32,240

you about it last time about the

1425

00:50:37,589 --> 00:50:34,240

skinwalker

1426

00:50:39,829 --> 00:50:37,599

show the new owners the way that they

1427

00:50:41,190 --> 00:50:39,839

like paint these things to be it's like

1428

00:50:43,190 --> 00:50:41,200

it's an actual werewolf

1429

00:50:45,670 --> 00:50:43,200

it's an actual alien but then when i

1430

00:50:48,309 --> 00:50:45,680

speak to you about this sort of stuff

1431

00:50:48,870 --> 00:50:48,319

you paint a different picture for me

1432

00:50:52,790 --> 00:50:48,880

like

1433

00:50:55,190 --> 00:50:52,800

hey this is this is more than just

1434

00:50:55,910 --> 00:50:55,200

you know a bigfoot or or a werewolf this

1435

00:51:02,950 --> 00:50:55,920

is

1436

00:51:05,349 --> 00:51:02,960

you know what are you willing to give up

1437

00:51:07,670 --> 00:51:05,359

in order to be able to peek

1438

00:51:09,670 --> 00:51:07,680

through the curtain and look to the

1439

00:51:10,630 --> 00:51:09,680

other side are you are you willing it

1440

00:51:15,030 --> 00:51:10,640

doesn't that sounds

1441

00:51:17,270 --> 00:51:15,040

scary that's scary man to to know that

1442

00:51:19,190 --> 00:51:17,280

in order to be able to experience

1443

00:51:22,790 --> 00:51:19,200

something you need to

1444

00:51:25,829 --> 00:51:22,800

give up a piece of yourself i don't know

1445

00:51:28,630 --> 00:51:25,839

it's scary stuff man and yeah it is

1446

00:51:29,829 --> 00:51:28,640

it's i think it's true being the you

1447

00:51:31,750 --> 00:51:29,839

know you have to kind of

1448

00:51:32,950 --> 00:51:31,760

huck a chunk of yourself being the

1449

00:51:34,790 --> 00:51:32,960

observer

1450

00:51:35,990 --> 00:51:34,800

you have to be so invested at least in

1451

00:51:39,190 --> 00:51:36,000

the moment

1452

00:51:40,630 --> 00:51:39,200

to uh want to or to see something and

1453

00:51:42,950 --> 00:51:40,640

you know i'm glad you brought up your

1454

00:51:44,549 --> 00:51:42,960

your fishing slash bigfoot trip because

1455

00:51:47,670 --> 00:51:44,559

it's a lot like fishing

1456

00:51:48,549 --> 00:51:47,680

and but it's an invisible line and

1457

00:51:50,470 --> 00:51:48,559

leader

1458

00:51:52,790 --> 00:51:50,480

so when you have a hit you have a hit

1459

00:51:54,390 --> 00:51:52,800

you know you got a hit

1460

00:51:56,150 --> 00:51:54,400

you can let that fish go you can bring

1461

00:51:58,309 --> 00:51:56,160

them all the way to the bank

1462

00:51:59,990 --> 00:51:58,319

but you know depend sometimes you just

1463

00:52:00,870 --> 00:52:00,000

don't know exactly what you're hooked

1464

00:52:04,069 --> 00:52:00,880

into

1465

00:52:07,349 --> 00:52:04,079

and the interesting thing is

1466

00:52:10,549 --> 00:52:07,359

that these entities do seem to at least

1467

00:52:14,150 --> 00:52:10,559

require your attention which

1468

00:52:16,549 --> 00:52:14,160

is a pretty impressive feat

1469

00:52:18,309 --> 00:52:16,559

that they can i don't know if we are

1470

00:52:21,750 --> 00:52:18,319

sending a piece of ourselves

1471

00:52:25,270 --> 00:52:21,760

as an observer to a fractal reality

1472

00:52:27,030 --> 00:52:25,280

that these interdimensionary entities

1473

00:52:29,990 --> 00:52:27,040

are able to exist in

1474

00:52:31,510 --> 00:52:30,000

and then they reflect back to the best

1475

00:52:35,510 --> 00:52:31,520

of their ability whatever they

1476  
00:52:36,150 --> 00:52:35,520  
are or are not and and you know we see

1477  
00:52:37,670 --> 00:52:36,160  
this

1478  
00:52:39,750 --> 00:52:37,680  
it's a it's a hell of a display no

1479  
00:52:43,030 --> 00:52:39,760  
matter what you know and

1480  
00:52:44,710 --> 00:52:43,040  
i think that yeah you have to

1481  
00:52:46,309 --> 00:52:44,720  
you got to be there you know for me

1482  
00:52:47,270 --> 00:52:46,319  
that's eight hours there eight hours

1483  
00:52:49,829 --> 00:52:47,280  
back

1484  
00:52:51,109 --> 00:52:49,839  
uh usually in conditions i'm not very

1485  
00:52:53,589 --> 00:52:51,119  
comfortable in

1486  
00:52:54,630 --> 00:52:53,599  
and but yet i'm interacting with

1487  
00:52:58,230 --> 00:52:54,640  
something that

1488  
00:53:00,230 --> 00:52:58,240

is probably also very uncomfortable so

1489

00:53:01,589 --> 00:53:00,240

i don't know i think the whole area in

1490

00:53:03,349 --> 00:53:01,599

ut and i think there's places like this

1491

00:53:07,030 --> 00:53:03,359

throughout the entire planet and there's

1492

00:53:08,630 --> 00:53:07,040

you know we know through other practices

1493

00:53:11,190 --> 00:53:08,640

whether you want to be like super

1494

00:53:12,069 --> 00:53:11,200

straight line and follow cia etiquette

1495

00:53:13,750 --> 00:53:12,079

and look at

1496

00:53:15,750 --> 00:53:13,760

the men who stare at goats and only

1497

00:53:16,230 --> 00:53:15,760

remote viewing counts or if you want to

1498

00:53:19,589 --> 00:53:16,240

look

1499

00:53:23,349 --> 00:53:19,599

into other areas that are more

1500

00:53:26,230 --> 00:53:23,359

uh occult or or you know

1501  
00:53:27,030 --> 00:53:26,240  
not regarded with as much intensity but

1502  
00:53:30,470 --> 00:53:27,040  
there are

1503  
00:53:33,670 --> 00:53:30,480  
various tentacles to the reality that

1504  
00:53:37,829 --> 00:53:33,680  
seems to exist just beyond that fray

1505  
00:53:41,990 --> 00:53:40,710  
yeah and uh do you go by yourself ryan

1506  
00:53:43,670 --> 00:53:42,000  
when you go to these places or do you

1507  
00:53:46,790 --> 00:53:43,680  
have a team that goes with you

1508  
00:53:48,309 --> 00:53:46,800  
how does that work i've gone by myself

1509  
00:53:49,990 --> 00:53:48,319  
more times than i probably should have

1510  
00:53:50,870 --> 00:53:50,000  
i'm getting smarter in my old age but

1511  
00:53:52,790 --> 00:53:50,880  
yeah i've gone

1512  
00:53:54,309 --> 00:53:52,800  
a lot by myself it's better to be with

1513  
00:53:57,430 --> 00:53:54,319

people because there's a

1514

00:53:59,510 --> 00:53:57,440

camaraderie there and some safety um

1515

00:54:01,109 --> 00:53:59,520

but then again you know it's it's

1516

00:54:02,470 --> 00:54:01,119

entirely up to the person and

1517

00:54:04,790 --> 00:54:02,480

you know it's one of those things it's

1518

00:54:07,990 --> 00:54:04,800

it's like

1519

00:54:09,510 --> 00:54:08,000

it's cold on one end and warm on the

1520

00:54:09,910 --> 00:54:09,520

other you don't have to dive into the

1521

00:54:12,870 --> 00:54:09,920

deep

1522

00:54:13,829 --> 00:54:12,880

end like all your you know and that's

1523

00:54:15,430 --> 00:54:13,839

the issue i think

1524

00:54:17,109 --> 00:54:15,440

there are people who dive into the deep

1525

00:54:20,230 --> 00:54:17,119

end and that's that's that

1526

00:54:24,309 --> 00:54:20,240

but you this is this is

1527

00:54:25,910 --> 00:54:24,319

a tug of war a game of sorts and

1528

00:54:28,309 --> 00:54:25,920

you know we're dealing with a lot of

1529

00:54:30,309 --> 00:54:28,319

these entities the only way

1530

00:54:32,710 --> 00:54:30,319

the only way that they can interact is

1531

00:54:35,109 --> 00:54:32,720

in a trickster mentality which

1532

00:54:36,150 --> 00:54:35,119

is very fractal very reflective of

1533

00:54:39,349 --> 00:54:36,160

oneself and

1534

00:54:41,510 --> 00:54:39,359

trying to hook much like a

1535

00:54:42,549 --> 00:54:41,520

fisherman would try to hook a fish you

1536

00:54:46,150 --> 00:54:42,559

know just think about

1537

00:54:50,150 --> 00:54:46,160

that act what we do when we fish

1538

00:54:53,270 --> 00:54:50,160

and uh just pretend we're the fish

1539

00:54:54,549 --> 00:54:53,280

so it's deep man um even if you're in

1540

00:54:58,150 --> 00:54:54,559

shallow water it's deep

1541

00:55:00,069 --> 00:54:58,160

deep deep talk yeah i've i've actually

1542

00:55:01,829 --> 00:55:00,079

manifested fish before

1543

00:55:03,510 --> 00:55:01,839

i've manifested the biggest fish i've

1544

00:55:04,230 --> 00:55:03,520

ever caught and i caught it all on

1545

00:55:06,870 --> 00:55:04,240

camera dude

1546

00:55:07,589 --> 00:55:06,880

it was it was it was the wildest thing

1547

00:55:10,870 --> 00:55:07,599

but

1548

00:55:13,430 --> 00:55:10,880

it's like how you said it the the set

1549

00:55:14,150 --> 00:55:13,440

and intent right and i had been talking

1550

00:55:16,390 --> 00:55:14,160

about it

1551  
00:55:18,150 --> 00:55:16,400  
from the day before and i had been

1552  
00:55:20,150 --> 00:55:18,160  
thinking about it from the day before

1553  
00:55:21,430 --> 00:55:20,160  
the day before and again i caught all

1554  
00:55:23,589 --> 00:55:21,440  
this on camera

1555  
00:55:25,190 --> 00:55:23,599  
the entire video from the beginning of

1556  
00:55:26,309 --> 00:55:25,200  
the day to when the the moment that i

1557  
00:55:28,870 --> 00:55:26,319  
caught that fish

1558  
00:55:29,990 --> 00:55:28,880  
that's all i was talking about all i was

1559  
00:55:32,470 --> 00:55:30,000  
talking about

1560  
00:55:33,589 --> 00:55:32,480  
and then what happened boom landed into

1561  
00:55:36,549 --> 00:55:33,599  
the biggest fish

1562  
00:55:37,829 --> 00:55:36,559  
until today that i've caught wow about

1563  
00:55:40,470 --> 00:55:37,839

two years ago

1564

00:55:41,910 --> 00:55:40,480

and but i manifested that fish it was

1565

00:55:44,549 --> 00:55:41,920

the wildest thing

1566

00:55:45,829 --> 00:55:44,559

and you know you're talking about being

1567

00:55:48,390 --> 00:55:45,839

talking about fishing and being

1568

00:55:50,230 --> 00:55:48,400

in remote areas i have a buddy of mine

1569

00:55:53,829 --> 00:55:50,240

that i go

1570

00:55:57,190 --> 00:55:53,839

bow hunting with for for hog

1571

00:56:00,069 --> 00:55:57,200

here in in florida and

1572

00:56:00,950 --> 00:56:00,079

whoa i don't like going out with him

1573

00:56:03,750 --> 00:56:00,960

because

1574

00:56:05,430 --> 00:56:03,760

we're in these areas that are going to

1575

00:56:08,470 --> 00:56:05,440

just swamp

1576  
00:56:09,910 --> 00:56:08,480  
the only light you have is either the

1577  
00:56:11,829 --> 00:56:09,920  
infrared that we're using or the

1578  
00:56:12,950 --> 00:56:11,839  
the night vision that we're using or the

1579  
00:56:16,230 --> 00:56:12,960  
moonlight

1580  
00:56:17,810 --> 00:56:16,240  
and knowing me the way i am and

1581  
00:56:19,270 --> 00:56:17,820  
all the things that were that i'm into

1582  
00:56:20,710 --> 00:56:19,280  
[Music]

1583  
00:56:23,510 --> 00:56:20,720  
i don't like going to these places

1584  
00:56:25,109 --> 00:56:23,520  
because again what could manifest itself

1585  
00:56:26,549 --> 00:56:25,119  
when i'm in that tree stand right

1586  
00:56:27,990 --> 00:56:26,559  
waiting for that next animal to come

1587  
00:56:29,270 --> 00:56:28,000  
through

1588  
00:56:30,549 --> 00:56:29,280

or whatever it is and it just so

1589

00:56:31,990 --> 00:56:30,559

happened to be that one of the areas

1590

00:56:34,789 --> 00:56:32,000

that we went to

1591

00:56:35,589 --> 00:56:34,799

one time it's just me and him in a tree

1592

00:56:37,349 --> 00:56:35,599

stand

1593

00:56:38,950 --> 00:56:37,359

pitch black in the middle of some

1594

00:56:42,549 --> 00:56:38,960

florida swamp

1595

00:56:44,470 --> 00:56:42,559

and we start talking about aliens

1596

00:56:45,670 --> 00:56:44,480

and then he goes hey dude you know that

1597

00:56:47,510 --> 00:56:45,680

uh

1598

00:56:48,870 --> 00:56:47,520

about like five miles from here off of

1599

00:56:52,309 --> 00:56:48,880

i-95

1600

00:56:53,829 --> 00:56:52,319

there was a bigfoot site and i'm like

1601  
00:56:56,549 --> 00:56:53,839  
dude

1602  
00:56:58,069 --> 00:56:56,559  
this is not the time to be talking about

1603  
00:56:59,910 --> 00:56:58,079  
this stuff because all i'm thinking

1604  
00:57:02,230 --> 00:56:59,920  
about is as soon as i switch that

1605  
00:57:03,190 --> 00:57:02,240  
night vision on i got something at the

1606  
00:57:05,270 --> 00:57:03,200  
other end

1607  
00:57:06,950 --> 00:57:05,280  
by the feeder or whatever staring right

1608  
00:57:07,750 --> 00:57:06,960  
back at me it's like what am i going to

1609  
00:57:09,910 --> 00:57:07,760  
do then

1610  
00:57:12,230 --> 00:57:09,920  
right and it just happened to be that

1611  
00:57:13,510 --> 00:57:12,240  
five miles from where we're at there was

1612  
00:57:18,150 --> 00:57:13,520  
a sighting

1613  
00:57:19,270 --> 00:57:18,160

of some sort of bipedal creature and i i

1614

00:57:21,270 --> 00:57:19,280

don't know it was

1615

00:57:23,270 --> 00:57:21,280

it's pretty scary it's pretty scary to

1616

00:57:25,510 --> 00:57:23,280

be out there at that time of night

1617

00:57:27,990 --> 00:57:25,520

in the middle of nowhere and it made me

1618

00:57:31,349 --> 00:57:28,000

feel a little bit uncomfortable

1619

00:57:33,109 --> 00:57:31,359

man bow hunting for hog sounds super

1620

00:57:35,750 --> 00:57:33,119

crazy and cool though

1621

00:57:37,109 --> 00:57:35,760

but yeah that is super scary and that's

1622

00:57:37,750 --> 00:57:37,119

exactly the moments when those things

1623

00:57:40,950 --> 00:57:37,760

happen so

1624

00:57:42,870 --> 00:57:40,960

you man you nailed it it's and we will

1625

00:57:44,630 --> 00:57:42,880

i don't know it's it's one of those

1626  
00:57:46,549 --> 00:57:44,640  
things that

1627  
00:57:48,230 --> 00:57:46,559  
you know obviously it's like the crazy

1628  
00:57:48,950 --> 00:57:48,240  
person that lives on the outskirts of

1629  
00:57:50,630 --> 00:57:48,960  
town

1630  
00:57:52,630 --> 00:57:50,640  
they're more likely to see bigfoot than

1631  
00:57:54,390 --> 00:57:52,640  
the one that's like living in the tower

1632  
00:57:56,150 --> 00:57:54,400  
in the middle of town so it's such a

1633  
00:57:59,349 --> 00:57:56,160  
tough you know

1634  
00:58:01,829 --> 00:57:59,359  
ying and yang type thing yeah and

1635  
00:58:04,230 --> 00:58:01,839  
and i had asked him one time hey dude

1636  
00:58:05,829 --> 00:58:04,240  
what's the scariest thing that you

1637  
00:58:07,990 --> 00:58:05,839  
that you've seen right because he's got

1638  
00:58:11,109 --> 00:58:08,000

all these game cameras set up and

1639

00:58:12,230 --> 00:58:11,119

just remote areas and in that same area

1640

00:58:16,390 --> 00:58:12,240

that were a fish

1641

00:58:20,829 --> 00:58:16,400

that we were hunting he was like yeah i

1642

00:58:25,750 --> 00:58:20,839

i had a picture or pictures

1643

00:58:29,190 --> 00:58:25,760

of this bearded man

1644

00:58:32,789 --> 00:58:29,200

without a shirt on no shoes

1645

00:58:35,349 --> 00:58:32,799

and a rifle on one hand he just walks

1646

00:58:36,069 --> 00:58:35,359

in front of the camera gives it a thumbs

1647

00:58:39,750 --> 00:58:36,079

up

1648

00:58:42,710 --> 00:58:39,760

and then he's out of frame sounds like

1649

00:58:43,750 --> 00:58:42,720

i think that's who we should be scared

1650

00:58:45,829 --> 00:58:43,760

about here

1651  
00:58:47,109 --> 00:58:45,839  
not bigfoot we should be scared of

1652  
00:58:49,589 --> 00:58:47,119  
whoever that guy

1653  
00:58:50,710 --> 00:58:49,599  
is out here barefoot in the middle of

1654  
00:58:53,910 --> 00:58:50,720  
this swamp

1655  
00:58:55,910 --> 00:58:53,920  
with a freaking rifle in his hand

1656  
00:58:57,750 --> 00:58:55,920  
i'm glad you bring up barefoot because

1657  
00:58:59,510 --> 00:58:57,760  
that's kind of the stuff you encounter

1658  
00:59:01,670 --> 00:58:59,520  
those are the things those little things

1659  
00:59:03,430 --> 00:59:01,680  
when you see human barefoot

1660  
00:59:05,270 --> 00:59:03,440  
footprints in the snow in the middle of

1661  
00:59:07,750 --> 00:59:05,280  
the winter or

1662  
00:59:08,630 --> 00:59:07,760  
human barefoot i mean that it's kind of

1663  
00:59:10,470 --> 00:59:08,640

like scooby-doo

1664

00:59:12,309 --> 00:59:10,480

right like the humans are always the

1665

00:59:15,990 --> 00:59:12,319

biggest tricksters of all and it's like

1666

00:59:18,470 --> 00:59:16,000

what in the heck is this but um

1667

00:59:20,710 --> 00:59:18,480

yeah there's so many more a man we got

1668

00:59:22,150 --> 00:59:20,720

we got more places to go with this and i

1669

00:59:23,430 --> 00:59:22,160

i can't believe we just scratched the

1670

00:59:24,710 --> 00:59:23,440

surface because we've been talking an

1671

00:59:27,589 --> 00:59:24,720

hour and it feels like a second

1672

00:59:28,870 --> 00:59:27,599

so that's pretty cool that's what i

1673

00:59:31,589 --> 00:59:28,880

always like about being on your show

1674

00:59:34,870 --> 00:59:31,599

ryan i i always have a great time

1675

00:59:37,990 --> 00:59:34,880

and and again well i'm telling you

1676

00:59:38,390 --> 00:59:38,000

i want to go out to utah if it's the fly

1677

00:59:39,990 --> 00:59:38,400

fish

1678

00:59:42,069 --> 00:59:40,000

if it's the hump for skin walk or

1679

00:59:43,349 --> 00:59:42,079

whatever it is but i'm sure we'll figure

1680

00:59:45,030 --> 00:59:43,359

it out soon and

1681

00:59:47,270 --> 00:59:45,040

hopefully i can get out there one of

1682

00:59:48,710 --> 00:59:47,280

these days for sure man i can't thank

1683

00:59:50,549 --> 00:59:48,720

you enough for coming on

1684

00:59:52,150 --> 00:59:50,559

and like you said it's always seamless

1685

00:59:54,950 --> 00:59:52,160

and perfect and great

1686

00:59:57,589 --> 00:59:54,960

conversation where can listeners uh tune

1687

00:59:59,030 --> 00:59:57,599

in to the juan on juan podcast and

1688

01:00:00,789 --> 00:59:59,040

and what else do you have going on right

1689

01:00:03,349 --> 01:00:00,799

now

1690

01:00:05,030 --> 01:00:03,359

so you can find me on instagram at the

1691

01:00:08,309 --> 01:00:05,040

one one podcast

1692

01:00:09,750 --> 01:00:08,319

i currently i have about 47 episode 46

1693

01:00:11,270 --> 01:00:09,760

episodes that i recorded

1694

01:00:13,990 --> 01:00:11,280

and i took a little break at the

1695

01:00:16,150 --> 01:00:14,000

beginning of of this year i thought 2020

1696

01:00:17,349 --> 01:00:16,160

was going to be wild but 2021 has been

1697

01:00:20,309 --> 01:00:17,359

wilder

1698

01:00:22,549 --> 01:00:20,319

and you can find my podcast anywhere you

1699

01:00:26,950 --> 01:00:22,559

can listen to pacquiao on youtube

1700

01:00:29,030 --> 01:00:26,960

and like i said i'm in the works of

1701

01:00:30,789 --> 01:00:29,040

building up another set of episodes to

1702

01:00:32,710 --> 01:00:30,799

go ahead and start releasing

1703

01:00:35,109 --> 01:00:32,720

one of which you're going to be on and

1704

01:00:36,710 --> 01:00:35,119

i'm just lining up guests interesting

1705

01:00:38,390 --> 01:00:36,720

guests to talk about this sort of stuff

1706

01:00:39,190 --> 01:00:38,400

if you like the esoteric stuff if you

1707

01:00:41,109 --> 01:00:39,200

like bigfoot

1708

01:00:42,470 --> 01:00:41,119

i talk about anything on my podcast

1709

01:00:45,589 --> 01:00:42,480

about fatherhood

1710

01:00:47,430 --> 01:00:45,599

uh not just conspiracy theories i dive

1711

01:00:48,710 --> 01:00:47,440

into all realms of life and

1712

01:00:50,150 --> 01:00:48,720

yeah you can catch me anywhere you can

1713

01:00:52,309 --> 01:00:50,160

listen to podcast about one-on-one

1714

01:00:54,230 --> 01:00:52,319

podcast i also do another podcast with

1715

01:00:56,870 --> 01:00:54,240

my canadian friend it's a little bit

1716

01:00:57,910 --> 01:00:56,880

more crude uh we have a lot of dark

1717

01:01:00,789 --> 01:00:57,920

humor

1718

01:01:02,950 --> 01:01:00,799

and that's strange ones and that's tom

1719

01:01:03,910 --> 01:01:02,960

from the strange brew podcast and we do

1720

01:01:05,990 --> 01:01:03,920

a

1721

01:01:07,510 --> 01:01:06,000

bi-weekly show on there where we dive

1722

01:01:10,470 --> 01:01:07,520

into cryptids

1723

01:01:11,910 --> 01:01:10,480

we do true crime we do rent episodes we

1724

01:01:12,630 --> 01:01:11,920

do all types of stuff but again it's

1725

01:01:14,789 --> 01:01:12,640

it's

1726

01:01:17,109 --> 01:01:14,799

not suitable for work or not safe for

1727

01:01:17,910 --> 01:01:17,119

work so just a heads up on that because

1728

01:01:20,150 --> 01:01:17,920

we do have

1729

01:01:21,589 --> 01:01:20,160

a lot of dark humor and it's one of

1730

01:01:22,470 --> 01:01:21,599

those shows where i just really let

1731

01:01:24,390 --> 01:01:22,480

loose

1732

01:01:27,109 --> 01:01:24,400

and just have a good time with him hey

1733

01:01:28,789 --> 01:01:27,119

people seem to enjoy it

1734

01:01:30,230 --> 01:01:28,799

they're great shows and everybody should

1735

01:01:31,670 --> 01:01:30,240

listen in on them um

1736

01:01:33,510 --> 01:01:31,680

yeah i can't thank you enough man and

1737

01:01:34,630 --> 01:01:33,520

until next time keep uh

1738

01:01:37,270 --> 01:01:34,640

keep doing what you're doing and we'll

1739

01:01:39,109 --> 01:01:37,280

talk to you soon thank you for having me

1740

01:01:40,470 --> 01:01:39,119

again ryan i appreciate it all right

1741

01:01:44,710 --> 01:01:40,480

we'll talk soon

1742

01:01:48,390 --> 01:01:47,190

well there you have it man he is the man

1743

01:01:51,430 --> 01:01:48,400

juan ayala

1744

01:01:53,430 --> 01:01:51,440

like i'm telling you this is like

1745

01:01:54,630 --> 01:01:53,440

he is going to be one of the best ever

1746

01:01:57,910 --> 01:01:54,640

so

1747

01:02:00,630 --> 01:01:57,920

um or is already uh keep an

1748

01:02:01,430 --> 01:02:00,640

eye out for both the juan on juan

1749

01:02:05,349 --> 01:02:01,440

podcast

1750

01:02:07,109 --> 01:02:05,359

ones they're both worth

1751

01:02:09,589 --> 01:02:07,119

listening to tom from strange brew is

1752

01:02:10,789 --> 01:02:09,599

awesome and until next time keep your

1753

01:02:12,789 --> 01:02:10,799

eyes to the skies

1754

01:02:20,860 --> 01:02:12,799

feet on the ground but don't forget to

1755

01:02:29,220 --> 01:02:20,870

take a look around

1756

01:02:46,950 --> 01:02:38,680

[Music]
