from europe we have an ex

15

00:01:06,950 --> 00:01:05,519

extremely knowledgeable guest not only

16

00:01:09,990 --> 00:01:06,960

of roswell

17

00:01:13,030 --> 00:01:10,000

but of the people who were touched

18

00:01:14,149 --> 00:01:13,040

by the event and whose courses in life

19

00:01:17,510 --> 00:01:14,159

were changed

20

00:01:18,870 --> 00:01:17,520

by the phenomenon it is uh

21

00:01:20,789 --> 00:01:18,880

really pretty interesting we have a

22

00:01:22,710 --> 00:01:20,799

fairly unique piece of work

23

00:01:23,990 --> 00:01:22,720

that we are going to be discussing with

24

00:01:26,070 --> 00:01:24,000

our guest

25

00:01:28,070 --> 00:01:26,080

and speaking of fairly unique i want to

26

00:01:31,830 --> 00:01:28,080

thank all of the unique

27

00:01:33,469 --> 00:01:31,840

donators and patrons to hero paranormal

heroparanormal.com please stop by

30

00:01:39,830 --> 00:01:38,720

smash that donate button and become an

31

00:01:43,510 --> 00:01:39,840

insider

32

00:01:45,910 --> 00:01:43,520

also you can go to patreon uh that's

33

00:01:47,830 --> 00:01:45,920

first place i download as well so uh

34

00:01:50,230 --> 00:01:47,840

thank you to all the patreon

35

00:01:51,109 --> 00:01:50,240

patrons and i will keep it coming as

36

00:01:53,429 --> 00:01:51,119

00:01:55,590 --> 00:01:53,439

you guys make it possible so i

38

00:01:58,310 --> 00:01:55,600

appreciate all of you making it possible

39

00:02:01,109 --> 00:01:58,320

and without further ado let's get to it

40

00:02:05,429 --> 00:02:01,119

and give our guest a call

41

00:02:07,830 --> 00:02:05,439

hello tom how are you doing all right

42

00:02:09,669 --> 00:02:07,840

good to hear from you and uh you know

43

00:02:10,790 --> 00:02:09,679

i'm i'm really excited about talking

44

00:02:13,190 --> 00:02:10,800

about uh

45

00:02:14,550 --> 00:02:13,200

this fairly unique piece of work which i

46

00:02:17,190 --> 00:02:14,560

believe

47

00:02:18,949 --> 00:02:17,200

delves into the human aspect of the ufo

48

00:02:21,030 --> 00:02:18,959

phenomenon more than most

49

00:02:22,790 --> 00:02:21,040

and i wanted to ask you tom first of all

50

00:02:25,910 --> 00:02:22,800

thanks so much for joining

51
00:02:29,990 --> 00:02:25,920
and what what motivated you to

52
00:02:34,550 --> 00:02:33,030
first of all are we going to be uh video

53
00:02:37,110 --> 00:02:34,560
or audio

54
00:02:39,589 --> 00:02:37,120
it is audio only but video is okay on

55
00:02:43,589 --> 00:02:39,599
your end

56
00:02:47,110 --> 00:02:43,599
okay well um

57
00:02:50,150 --> 00:02:47,120
which which book are you talking about

58
00:02:52,390 --> 00:02:50,160
touched by roswell and it's

59
00:02:54,470 --> 00:02:52,400
it just it just seems fairly unique in

60
00:02:56,229 --> 00:02:54,480
that it it really kind of delves into

61
00:02:57,990 --> 00:02:56,239
the ufo phenomenon from the human

62
00:03:01,910 --> 00:02:58,000
perspective instead of just you know on

63
00:03:05,190 --> 00:03:01,920

the ufo phenomenon in roswell in itself

64

00:03:09,750 --> 00:03:05,200

yes the reason we wrote the book

65

00:03:13,750 --> 00:03:09,760

was that in our previous book

66

00:03:19,589 --> 00:03:17,910

there was a chapter that i wrote called

67

00:03:22,869 --> 00:03:19,599

touched by roswell

68

00:03:26,149 --> 00:03:22,879

there's a just a chapter in our book

69

00:03:29,830 --> 00:03:26,159

i i have it here not to give it a plug

70

00:03:33,670 --> 00:03:32,229

roswell the ultimate cold case i wrote a

71

00:03:38,550 --> 00:03:33,680

chapter in there called

72

00:03:41,750 --> 00:03:38,560

touched by roswell and

73

00:03:44,869 --> 00:03:41,760

it went over very well

74

00:03:48,789 --> 00:03:44,879

and so we decided to to

75

00:03:51,830 --> 00:03:48,799

write a entire book about the people

76

00:03:54,949 --> 00:03:51,840

not the witnesses from 1947 not

77

00:03:57,270 --> 00:03:54,959

the you know the people who were there

78

00:04:00,789 --> 00:03:57,280

at the time but

79

00:04:02,309 --> 00:04:00,799

people over the years that the names you

80

00:04:07,910 --> 00:04:02,319

would recognize

81

00:04:12,710 --> 00:04:11,589

famous people that most people would

82

00:04:16,550 --> 00:04:12,720

recognize

83

00:04:20,550 --> 00:04:16,560

that somewhere in their life they cross

84

00:04:23,909 --> 00:04:20,560

paths with the roswell

85

00:04:27,270 --> 00:04:23,919

uh either the city of roswell or

86

00:04:30,550 --> 00:04:27,280

the case itself either they they knew

87

00:04:32,469 --> 00:04:30,560

somebody or somehow it affected them

88

00:04:35,270 --> 00:04:32,479

somewhere that they uh touched where

89

00:04:37,670 --> 00:04:35,280

they were touched by roswell so

90

00:04:39,350 --> 00:04:37,680

uh in the book i don't know if you i

91

00:04:39,990 --> 00:04:39,360

don't know if you have a copy of it or

92

00:04:43,590 --> 00:04:40,000

not

93

00:04:46,390 --> 00:04:43,600

i don't know yes and

94

00:04:47,909 --> 00:04:46,400

i do and i like you said it's it's

95

00:04:51,270 --> 00:04:47,919

pretty amazing and

96

00:04:54,230 --> 00:04:51,280

how many people are quite honestly

97

00:04:55,990 --> 00:04:54,240

touched by roswell just as your book

98

00:04:58,310 --> 00:04:56,000

implies and it's changed the course of

99

00:05:01,590 --> 00:04:58,320

their lives

100

00:05:06,390 --> 00:05:01,600

yes we have

101
00:05:09,830 --> 00:05:06,400
i counted that we have approximately 125

102
00:05:12,469 --> 00:05:09,840
people that we identified in the book

103
00:05:14,310 --> 00:05:12,479
that were touched some somehow by

104
00:05:18,469 --> 00:05:14,320
roswell

105
00:05:21,590 --> 00:05:18,479
uh 6 65 of them we go into great detail

106
00:05:25,990 --> 00:05:21,600
we we we have the the you know the main

107
00:05:29,029 --> 00:05:26,000
the main people that we uh go in depth

108
00:05:30,310 --> 00:05:29,039
about and then we have another 60 that

109
00:05:33,110 --> 00:05:30,320
we just have a

110
00:05:33,590 --> 00:05:33,120
uh you know a sentence or two or three

111
00:05:37,189 --> 00:05:33,600
about

112
00:05:39,670 --> 00:05:37,199
so that's how we divided the book up

113
00:05:40,310 --> 00:05:39,680

and i'm looking here how many pages we

114

00:05:44,469 --> 00:05:40,320

have

115

00:05:48,950 --> 00:05:44,479

the the total book is uh 241

116

00:05:53,189 --> 00:05:48,960

pages yeah so we have people from

117

00:05:56,870 --> 00:05:53,199

every walk of life actors actresses

118

00:05:59,110 --> 00:05:56,880

singers songwriters

119

00:06:01,029 --> 00:05:59,120

movie producers movie directors

120

00:06:03,830 --> 00:06:01,039

politicians

121

00:06:05,189 --> 00:06:03,840

we even have an nfl football player or

122

00:06:09,110 --> 00:06:05,199

two

123

00:06:12,629 --> 00:06:09,120

uh that were that was touched by roswell

124

00:06:14,230 --> 00:06:12,639

so uh we even have a we even have a

125

00:06:20,950 --> 00:06:14,240

prince

126

00:06:24,390 --> 00:06:20,960

uh in europe uh contributed

127

00:06:26,790 --> 00:06:24,400

so everybody's in there

128

00:06:29,029 --> 00:06:26,800

they really are and although everyone in

129

00:06:29,670 --> 00:06:29,039

the book is extremely important in my

130

00:06:31,749 --> 00:06:29,680

opinion

131

00:06:33,029 --> 00:06:31,759

one of my favorite sections was on

132

00:06:35,270 --> 00:06:33,039

robert bigelow and

133

00:06:36,550 --> 00:06:35,280

i'm wondering if it is okay if i just to

134

00:06:39,029 --> 00:06:36,560

give listeners an idea

135

00:06:41,029 --> 00:06:39,039

kind of a taste if it's okay if i read

136

00:06:43,749 --> 00:06:41,039

an excerpt from that portion of the book

137

00:06:47,990 --> 00:06:43,759

as an example for listeners

138

00:06:51,589 --> 00:06:48,000

go for it it'll save me from talking

139

00:06:54,150 --> 00:06:51,599

yeah it's okay i'll do it

140

00:06:54,790 --> 00:06:54,160

um yeah robert bigelow is an interesting

141

00:06:57,270 --> 00:06:54,800

character

142

00:07:00,309 --> 00:06:57,280

in in and this is straight from the book

143

00:07:02,070 --> 00:07:00,319

in 1994 he would privately meet with

144

00:07:03,670 --> 00:07:02,080

directors of the three main ufo

145

00:07:05,909 --> 00:07:03,680

groups the center for ufo studies and

146

00:07:08,230 --> 00:07:05,919

mutual ufo network

147

00:07:09,430 --> 00:07:08,240

and the fund for ufo research with the

148

00:07:11,749 --> 00:07:09,440

plan to provide

149

00:07:13,830 --> 00:07:11,759

major funding of special projects

150

00:07:15,189 --> 00:07:13,840

approved by two representatives from

151
00:07:17,270 --> 00:07:15,199
each group

152
00:07:19,189 --> 00:07:17,280
but when bigelow expressed the desire to

153
00:07:21,270 --> 00:07:19,199
have a vote in the appropriation of the

154
00:07:23,350 --> 00:07:21,280
money the three groups balked

155
00:07:24,710 --> 00:07:23,360
and with that lost millions of dollars

156
00:07:27,350 --> 00:07:24,720
in potential support

157
00:07:29,430 --> 00:07:27,360
failing that enterprise bigelow created

158
00:07:30,870 --> 00:07:29,440
the national institute for discovery

159
00:07:34,550 --> 00:07:30,880
science nids

160
00:07:35,830 --> 00:07:34,560
in 1995 and in las vegas where he was

161
00:07:37,990 --> 00:07:35,840
headquartered

162
00:07:39,430 --> 00:07:38,000
four years later he would establish

163
00:07:42,309 --> 00:07:39,440

bigelow aerospace

164

00:07:43,830 --> 00:07:42,319

and would put one half billion dollars

165

00:07:45,189 --> 00:07:43,840

into developing the first commercial

166

00:07:47,270 --> 00:07:45,199

space station

167

00:07:49,430 --> 00:07:47,280

as well as launching two experimental

168

00:07:53,670 --> 00:07:49,440

space modules genesis 1

169

00:07:56,629 --> 00:07:53,680

in 2006 and 2 in 2007

170

00:07:58,710 --> 00:07:56,639

in 2007 bigelow strongly urged his

171

00:07:59,510 --> 00:07:58,720

fellow nevada friend and senator harry

172

00:08:02,550 --> 00:07:59,520

reid

173

00:08:04,469 --> 00:08:02,560

co-signed with daniel i innoy i believe

174

00:08:06,710 --> 00:08:04,479

is how it said and ted stephen in a way

175

00:08:10,270 --> 00:08:06,720

he has daniel in a way from hawaii

176

00:08:11,990 --> 00:08:10,280

that's right um in a way to initiate the

177

00:08:14,469 --> 00:08:12,000

government-sponsored project

178

00:08:15,029 --> 00:08:14,479

advanced aviation threat identification

179

00:08:18,070 --> 00:08:15,039

program

180

00:08:20,550 --> 00:08:18,080

commonly known as atip the larger

181

00:08:22,309 --> 00:08:20,560

portion of the funding came from bigelow

182

00:08:22,950 --> 00:08:22,319

and was allocated to the department of

183

00:08:25,749 --> 00:08:22,960

defense

184

00:08:27,670 --> 00:08:25,759

through a contract with his corporation

185

00:08:30,150 --> 00:08:27,680

and defense intelligence agency to

186

00:08:33,589 --> 00:08:30,160

investigate ufos under the umbrella of

187

00:08:36,389 --> 00:08:33,599

assap the advanced aerospace weapons

188

00:08:37,029 --> 00:08:36,399

application program so your book really

189

00:08:41,269 --> 00:08:37,039

goes

190

00:08:43,269 --> 00:08:41,279

into detail about how i mean this

191

00:08:44,790 --> 00:08:43,279

it's amazing how the characters in the

192

00:08:47,110 --> 00:08:44,800

book by

193

00:08:48,949 --> 00:08:47,120

hook or crook they their lives are

194

00:08:52,150 --> 00:08:48,959

changed by the phenomenon and by

195

00:08:55,509 --> 00:08:52,160

really by roswell indeed

196

00:08:58,790 --> 00:08:55,519

yes uh bigelow uh

197

00:09:01,990 --> 00:08:58,800

um bigelow was uh

198

00:09:03,750 --> 00:09:02,000

up to his eyeballs in uh ufos and

199

00:09:08,310 --> 00:09:03,760

roswell

200

00:09:10,550 --> 00:09:08,320

and i can tell you that we've learned

201
00:09:11,509 --> 00:09:10,560
since actually the book came out this

202
00:09:14,310 --> 00:09:11,519
month just

203
00:09:15,990 --> 00:09:14,320
uh no i'm sorry that we're in july see

204
00:09:19,350 --> 00:09:16,000
i'm losing track of time

205
00:09:21,590 --> 00:09:19,360
me too it came out last month june

206
00:09:22,550 --> 00:09:21,600
the book came out we've learned we've

207
00:09:26,710 --> 00:09:22,560
learned since

208
00:09:29,990 --> 00:09:26,720
june that

209
00:09:33,430 --> 00:09:30,000
bigelow aerospace

210
00:09:35,509 --> 00:09:33,440
is where some of the

211
00:09:36,470 --> 00:09:35,519
and and we have this in writing from the

212
00:09:42,949 --> 00:09:36,480
defense

213
00:09:45,590 --> 00:09:42,959

intelligence agency

214

00:09:49,110 --> 00:09:45,600

responded to a foia request of one of

215

00:09:53,829 --> 00:09:52,630

in writing and bigelow aerospace in

216

00:09:57,030 --> 00:09:53,839

nevada

217

00:09:58,949 --> 00:09:57,040

in addition to what you just said is

218

00:10:02,550 --> 00:09:58,959

housing

219

00:10:06,150 --> 00:10:02,560

ufo wreckage that has been recovered

220

00:10:09,350 --> 00:10:06,160

and it is also conducting experiments

221

00:10:12,949 --> 00:10:09,360

uh regarding the wreckage and uh

222

00:10:16,389 --> 00:10:12,959

regarding uh time compression

223

00:10:20,550 --> 00:10:16,399

and all sorts of things that have to do

224

00:10:24,069 --> 00:10:20,560

with getting here from there

225

00:10:28,790 --> 00:10:24,079

and so he's up to his eyeballs in

226

00:10:33,110 --> 00:10:31,269

housing i don't know if he's got all of

227

00:10:34,630 --> 00:10:33,120

the wreckage but he's got wreckage from

228

00:10:37,350 --> 00:10:34,640

ufo

229

00:10:37,990 --> 00:10:37,360

recoveries uh crashes and things like

230

00:10:41,990 --> 00:10:38,000

that

231

00:10:45,110 --> 00:10:42,000

and uh high level experimental

232

00:10:48,870 --> 00:10:45,120

uh projects are taking place at

233

00:10:50,630 --> 00:10:48,880

bigelow aerospace in nevada now we also

234

00:10:53,910 --> 00:10:50,640

understand that he's

235

00:10:55,190 --> 00:10:53,920

he's uh sold his company and he's no

236

00:10:56,710 --> 00:10:55,200

longer running it

237

00:10:58,710 --> 00:10:56,720

but they have all these secret

238

00:11:01,350 --> 00:10:58,720

facilities there and

239

00:11:03,110 --> 00:11:01,360

um you know you use your imagination as

240

00:11:04,949 --> 00:11:03,120

to what they're doing there

241

00:11:07,110 --> 00:11:04,959

but that's that's what we have learned

242

00:11:08,949 --> 00:11:07,120

since the book came out

243

00:11:11,190 --> 00:11:08,959

and you know i'm gonna have to put my

244

00:11:13,110 --> 00:11:11,200

hand up in the air and testify to what

245

00:11:16,230 --> 00:11:13,120

you're saying to some extent

246

00:11:19,110 --> 00:11:16,240

i live in las vegas nevada and

247

00:11:20,150 --> 00:11:19,120

i recently not that recently but yeah i

248

00:11:23,190 --> 00:11:20,160

kind of heard the same

249

00:11:25,190 --> 00:11:23,200

rumors and mumbblings and well it's true

250

00:11:27,269 --> 00:11:25,200

yeah we've got it and we've got it in

251

00:11:30,230 --> 00:11:27,279

writing from the dia

252

00:11:31,910 --> 00:11:30,240

defense intelligence agency and i have a

253

00:11:33,910 --> 00:11:31,920

list here

254

00:11:35,910 --> 00:11:33,920

of some of the you know they came out

255

00:11:39,030 --> 00:11:35,920

with this report

256

00:11:42,230 --> 00:11:39,040

they came out with a report a couple

257

00:11:45,670 --> 00:11:42,240

weeks ago maybe two weeks ago the famed

258

00:11:48,710 --> 00:11:45,680

defense department expose

259

00:11:51,190 --> 00:11:48,720

of what they've been doing

260

00:11:53,990 --> 00:11:51,200

about ufos and it was really

261

00:11:56,629 --> 00:11:54,000

underwhelming as you know

262

00:11:57,590 --> 00:11:56,639

there was a public uh report which we

263

00:12:00,310 --> 00:11:57,600

got which said

264

00:12:01,670 --> 00:12:00,320

not a whole lot but there was also a

265

00:12:05,269 --> 00:12:01,680

classified

266

00:12:07,670 --> 00:12:05,279

version of that report

267

00:12:09,750 --> 00:12:07,680

and we have since learned from again

268

00:12:12,550 --> 00:12:09,760

from my associate i won't tell you who

269

00:12:15,670 --> 00:12:12,560

he is but he's in the know

270

00:12:18,870 --> 00:12:15,680

uh the classified portion of the report

271

00:12:21,910 --> 00:12:18,880

includes such things and this is the

272

00:12:25,910 --> 00:12:21,920

report that goes to congress uh

273

00:12:29,990 --> 00:12:25,920

uh researching in energy pulse

274

00:12:32,310 --> 00:12:30,000

pulse propulsion systems ion

275

00:12:33,829 --> 00:12:32,320

propulsion systems anti-gravity

276

00:12:44,150 --> 00:12:33,839

propulsion systems

277

00:12:45,030 --> 00:12:44,160

advanced use of exotic elements that

278

00:12:50,230 --> 00:12:45,040

would be crash

279

00:12:56,629 --> 00:12:53,910

and it goes on and on they're

280

00:12:58,310 --> 00:12:56,639

it appears they're trying to compress

281

00:13:01,430 --> 00:12:58,320

the speed of light

282

00:13:01,990 --> 00:13:01,440

uh things like you would be interested

283

00:13:04,069 --> 00:13:02,000

in as

284

00:13:06,150 --> 00:13:04,079

you're wondering how they get to earth

285

00:13:09,990 --> 00:13:06,160

from so far away

286

00:13:12,710 --> 00:13:10,000

and that's all going on

287

00:13:14,710 --> 00:13:12,720

in as far as the the classified report

288

00:13:18,150 --> 00:13:14,720

now we were never told those things

289

00:13:18,550 --> 00:13:18,160

but uh i have sources or one main source

290

00:13:23,269 --> 00:13:18,560

that

291

00:13:27,670 --> 00:13:23,279

aerospace

292

00:13:31,110 --> 00:13:29,509

i've never been there but i'm told that

293

00:13:35,350 --> 00:13:31,120

they they've built

294

00:13:37,509 --> 00:13:35,360

new facilities without windows

295

00:13:38,550 --> 00:13:37,519

and that bigelow no longer owns the

296

00:13:41,590 --> 00:13:38,560

company or has

297

00:13:42,629 --> 00:13:41,600

divested themselves somehow and uh but

298

00:13:46,310 --> 00:13:42,639

research

299

00:13:48,790 --> 00:13:46,320

uh of the nature i just read to you

300

00:13:51,350 --> 00:13:48,800

is going on there perhaps also at

301

00:13:55,269 --> 00:13:51,360

lockheed martin in california

302

00:13:58,069 --> 00:13:55,279

i think harry reid spoke about uh

303

00:13:59,670 --> 00:13:58,079

ufo uh materials being at lockheed

304

00:14:03,509 --> 00:13:59,680

martin

305

00:14:06,629 --> 00:14:03,519

yes and you are 100 you are 100

306

00:14:08,949 --> 00:14:06,639

correct it's it's such an interesting

307

00:14:10,550 --> 00:14:08,959

shell game it's like going to a carnival

308

00:14:13,670 --> 00:14:10,560

and you know you think the

309

00:14:14,069 --> 00:14:13,680

you think the the bean or whatever is

310

00:14:16,150 --> 00:14:14,079

under

311

00:14:18,710 --> 00:14:16,160

one shell and they're constantly moving

312

00:14:21,430 --> 00:14:18,720

it around for plausible deniability

313

00:14:23,189 --> 00:14:21,440

yes and and they never did stop

314

00:14:26,389 --> 00:14:23,199

investigating ufos

315

00:14:29,110 --> 00:14:26,399

you know that the uh project blue book

316

00:14:31,350 --> 00:14:29,120

was shut down in 1969 well that didn't

317

00:14:33,030 --> 00:14:31,360

mean the ufos said okay well let's all

318

00:14:36,310 --> 00:14:33,040

go home to our own planet

319

00:14:39,189 --> 00:14:36,320

that that ufo reports didn't stop

320

00:14:40,150 --> 00:14:39,199

they kept they kept having uh sightings

321

00:14:43,990 --> 00:14:40,160

but

322

00:14:46,790 --> 00:14:44,000

uh the blue book uh folded in

323

00:14:48,710 --> 00:14:46,800

69 but they kept investigating under

324

00:14:51,750 --> 00:14:48,720

different names

325

00:14:54,829 --> 00:14:51,760

one of them was the the atip that you

326
00:14:56,150 --> 00:14:54,839
mentioned advanced aeronautical threat

327
00:14:59,350 --> 00:14:56,160
identification

328
00:15:00,230 --> 00:14:59,360
program and they had other names for

329
00:15:05,030 --> 00:15:00,240
them

330
00:15:08,230 --> 00:15:05,040
and uh but it's it's never stopped

331
00:15:09,990 --> 00:15:08,240
no but they'd like the public to think

332
00:15:12,310 --> 00:15:10,000
oh well we don't investigate

333
00:15:13,509 --> 00:15:12,320
getting gatos anymore call your police

334
00:15:15,750 --> 00:15:13,519
department oh yeah

335
00:15:17,430 --> 00:15:15,760
i'm sure they want to investigate you

336
00:15:19,910 --> 00:15:17,440
know right

337
00:15:21,590 --> 00:15:19,920
and yeah it's all game it's a show again

338
00:15:23,910 --> 00:15:21,600

it is a shell game it and and

339

00:15:26,949 --> 00:15:23,920

the rapidness with which they move uh

340

00:15:29,189 --> 00:15:26,959

when i initially moved to las vegas

341

00:15:31,189 --> 00:15:29,199

i noticed i the first place i went

342

00:15:33,269 --> 00:15:31,199

because i'm a complete

343

00:15:35,110 --> 00:15:33,279

nerd when it comes to this is bigelow

344

00:15:37,030 --> 00:15:35,120

aerospace and

345

00:15:38,629 --> 00:15:37,040

it is very interesting they were

346

00:15:41,990 --> 00:15:38,639

actually building

347

00:15:45,030 --> 00:15:42,000

the building around a structure

348

00:15:46,550 --> 00:15:45,040

and so whatever was there was there and

349

00:15:49,910 --> 00:15:46,560

they were building the building

350

00:15:54,389 --> 00:15:49,920

around it and i believe

351
00:15:56,550 --> 00:15:54,399
that the common belief is that that was

352
00:15:57,910 --> 00:15:56,560
the genesis program at the time but we

353
00:15:59,110 --> 00:15:57,920
don't know because this stuff is all

354
00:16:01,910 --> 00:15:59,120
under tarps and

355
00:16:03,269 --> 00:16:01,920
and all kinds of stuff and um what i

356
00:16:06,470 --> 00:16:03,279
found really intriguing

357
00:16:09,829 --> 00:16:06,480
is as you said in more current times

358
00:16:12,470 --> 00:16:09,839
this plausible deniability has gone to

359
00:16:14,069 --> 00:16:12,480
an exponential rate where now bigelow

360
00:16:15,509 --> 00:16:14,079
claims to only be investigating

361
00:16:17,509 --> 00:16:15,519
consciousness

362
00:16:19,670 --> 00:16:17,519
for all intents and purposes his

363
00:16:21,509 --> 00:16:19,680

northeastern las vegas facility is

364

00:16:23,189 --> 00:16:21,519

completely shut down and we're talking

365

00:16:25,110 --> 00:16:23,199

about

366

00:16:27,350 --> 00:16:25,120

i've never seen a facility like this

367

00:16:30,550 --> 00:16:27,360

even you know it it

368

00:16:32,710 --> 00:16:30,560

it's got just the and this is from an

369

00:16:34,949 --> 00:16:32,720

insider but just the hvac

370

00:16:37,030 --> 00:16:34,959

systems are millions of dollars because

371

00:16:40,230 --> 00:16:37,040

they can't have any contaminants

372

00:16:41,749 --> 00:16:40,240

of any sort from this planet involved in

373

00:16:45,670 --> 00:16:41,759

the research they're doing

374

00:16:48,150 --> 00:16:45,680

and and and it's hard to believe that

375

00:16:50,230 --> 00:16:48,160

you know an area a building like this

376

00:16:52,790 --> 00:16:50,240

that where someone is spent

377

00:16:53,829 --> 00:16:52,800

so much money is just sitting vacant

378

00:16:56,790 --> 00:16:53,839

however if you

379

00:16:57,749 --> 00:16:56,800

approach the area the security force is

380

00:17:00,790 --> 00:16:57,759

in full

381

00:17:05,590 --> 00:17:00,800

full effect and uh well they have to

382

00:17:08,710 --> 00:17:05,600

guard those vacant buildings right

383

00:17:10,230 --> 00:17:08,720

exactly those vacant buildings

384

00:17:12,309 --> 00:17:10,240

yeah and i'm really glad you brought

385

00:17:13,350 --> 00:17:12,319

that up the um i'm glad you brought up

386

00:17:22,549 --> 00:17:13,360

the

387

00:17:24,710 --> 00:17:22,559

reciprocating we have it we have it in

388

00:17:26,470 --> 00:17:24,720

writing uh ryan we have it in writing

389

00:17:29,270 --> 00:17:26,480

from the dia

390

00:17:30,070 --> 00:17:29,280

that there's uh they call it uap

391

00:17:32,470 --> 00:17:30,080

material

392

00:17:34,230 --> 00:17:32,480

there and uh because they don't like the

393

00:17:36,710 --> 00:17:34,240

term ufo they uh

394

00:17:39,669 --> 00:17:36,720

they call it uap material and they're

395

00:17:43,110 --> 00:17:39,679

doing high level research on it

396

00:17:45,110 --> 00:17:43,120

and uh we have it in writing and uh

397

00:17:46,870 --> 00:17:45,120

there's no doubt about it they're trying

398

00:17:49,590 --> 00:17:46,880

to claim oh well it's uh

399

00:17:50,630 --> 00:17:49,600

we all we're always uh looking for new

400

00:17:53,190 --> 00:17:50,640

alloys and

401
00:17:55,870 --> 00:17:53,200
that's baloney because the freedom of

402
00:18:01,510 --> 00:17:55,880
information requests

403
00:18:05,669 --> 00:18:01,520
specifically mentioned ufo

404
00:18:07,029 --> 00:18:05,679
material not uap but ufo

405
00:18:10,870 --> 00:18:07,039
material and that's what they were

406
00:18:14,230 --> 00:18:10,880
responding to even as they called it uap

407
00:18:17,350 --> 00:18:14,240
and they're trying to backtrack nagala

408
00:18:19,190 --> 00:18:17,360
and now like oh no we we uh we uh we

409
00:18:20,390 --> 00:18:19,200
didn't know what we had blah blah blah

410
00:18:22,950 --> 00:18:20,400
blah

411
00:18:23,669 --> 00:18:22,960
it's too late the the horses out of the

412
00:18:26,070 --> 00:18:23,679
barn

413
00:18:27,590 --> 00:18:26,080

you can't put it back in no matter what

414

00:18:30,870 --> 00:18:27,600

they say

415

00:18:33,909 --> 00:18:30,880

i agree totally 100 percent agree

416

00:18:37,830 --> 00:18:33,919

and another very interesting thing is

417

00:18:39,990 --> 00:18:37,840

as you said this whole ufo to uap

418

00:18:43,590 --> 00:18:40,000

change because some of the documentation

419

00:18:45,510 --> 00:18:43,600

prior to the uap switchover all says ufo

420

00:18:47,830 --> 00:18:45,520

things like the wilson documents which

421

00:18:50,070 --> 00:18:47,840

many people have swept under the rug

422

00:18:51,750 --> 00:18:50,080

and for those who are unaware of the

423

00:18:52,390 --> 00:18:51,760

wolf's i don't want to go too deep into

424

00:18:55,510 --> 00:18:52,400

it but

425

00:18:59,350 --> 00:18:57,590

but the wilson documents are saying

426

00:19:02,549 --> 00:18:59,360

everything you are saying

427

00:19:05,990 --> 00:19:02,559

uh it is basically the

428

00:19:08,390 --> 00:19:06,000

breadcrumbs if you will to this

429

00:19:09,029 --> 00:19:08,400

possibility of meta materials and an

430

00:19:10,870 --> 00:19:09,039

actual

431

00:19:15,029 --> 00:19:10,880

fully working craft from what i

432

00:19:21,110 --> 00:19:17,990

well i i to be honest with you i've

433

00:19:23,990 --> 00:19:21,120

forgotten all about the wilson uh

434

00:19:26,150 --> 00:19:24,000

the wilson thing so i i can't respond to

435

00:19:29,029 --> 00:19:26,160

that that's been a couple years ago

436

00:19:29,510 --> 00:19:29,039

right and uh it was back and forth

437

00:19:36,390 --> 00:19:29,520

whether

438

00:19:38,470 --> 00:19:36,400

i've forgotten all about that so

439

00:19:39,590 --> 00:19:38,480

and everybody has it's not just you i

440

00:19:41,350 --> 00:19:39,600

had two and

441

00:19:42,710 --> 00:19:41,360

it it's one of those things i think it

442

00:19:46,310 --> 00:19:42,720

was quickly debunked

443

00:19:49,590 --> 00:19:46,320

as these things often are by uh you know

444

00:19:52,789 --> 00:19:49,600

quote-unquote people who know and uh

445

00:19:53,350 --> 00:19:52,799

that was that um moving on but you know

446

00:19:57,430 --> 00:19:53,360

it's

447

00:19:57,909 --> 00:19:57,440

quickly debunked and then 10 years later

448

00:20:01,510 --> 00:19:57,919

they pop

449

00:20:03,190 --> 00:20:01,520

up um i wanted to ask you also a quote

450

00:20:05,750 --> 00:20:03,200

in the book which i just

451
00:20:07,270 --> 00:20:05,760
and i was fascinated by the shirley

452
00:20:10,149 --> 00:20:07,280
maclean section

453
00:20:12,070 --> 00:20:10,159
and i love the quote i believe in ufos i

454
00:20:13,830 --> 00:20:12,080
believe in extraterrestrials and i

455
00:20:16,630 --> 00:20:13,840
believe in angels

456
00:20:17,270 --> 00:20:16,640
and maybe they'll protect all of us that

457
00:20:21,830 --> 00:20:17,280
was so

458
00:20:25,430 --> 00:20:21,840
epic well uh shirley maclaime

459
00:20:28,149 --> 00:20:25,440
interviewed don schmidt and myself uh

460
00:20:30,710 --> 00:20:28,159
this was after our second book uh

461
00:20:34,310 --> 00:20:30,720
witness to roswell second edition

462
00:20:36,549 --> 00:20:34,320
came out in 2009 so

463
00:20:37,510 --> 00:20:36,559

she wanted to interview us because as

464

00:20:40,710 --> 00:20:37,520

you know she's had

465

00:20:43,909 --> 00:20:40,720

sightings of her own and

466

00:20:46,950 --> 00:20:43,919

she's into uh channeling

467

00:20:47,990 --> 00:20:46,960

and mysticism and that sort of thing and

468

00:20:50,789 --> 00:20:48,000

uh i had

469

00:20:53,430 --> 00:20:50,799

i had the distinct feeling that uh we

470

00:20:55,990 --> 00:20:53,440

were not far out enough for her

471

00:20:58,310 --> 00:20:56,000

you know i mean we don't schmidt and i are

472

00:21:01,029 --> 00:20:58,320

like a nuts and bolts

473

00:21:03,270 --> 00:21:01,039

type investigators uh give us the facts

474

00:21:06,789 --> 00:21:03,280

ma'am that's what we're interested in

475

00:21:10,390 --> 00:21:06,799

and i felt that we uh we were not

476
00:21:14,549 --> 00:21:10,400
far out enough for her but uh she

477
00:21:17,590 --> 00:21:14,559
uh told us that she had

478
00:21:21,029 --> 00:21:17,600
after jimmy carter left the presidency

479
00:21:25,270 --> 00:21:21,039
she had an occasion to meet with him

480
00:21:29,510 --> 00:21:25,280
and she asked him about ufos

481
00:21:33,350 --> 00:21:29,520
and carter replied to her that

482
00:21:34,710 --> 00:21:33,360
he said we do have that uh ufo material

483
00:21:38,070 --> 00:21:34,720
in hand

484
00:21:41,350 --> 00:21:38,080
but he can't state it publicly wow

485
00:21:42,870 --> 00:21:41,360
uh in that respect he had to be talking

486
00:21:47,029 --> 00:21:42,880
about roswell

487
00:21:50,470 --> 00:21:47,039
certainly and uh so that's why she's in

488
00:21:52,630 --> 00:21:50,480

in the book because uh

489

00:21:54,149 --> 00:21:52,640

you know she did interview she requested

490

00:21:57,029 --> 00:21:54,159

you know to be interviewed

491

00:21:57,990 --> 00:21:57,039

interview us and then she told us that

492

00:22:00,710 --> 00:21:58,000

story about jimmy

493

00:22:02,390 --> 00:22:00,720

carter and there was another story i

494

00:22:05,029 --> 00:22:02,400

forget who told it it's in the book

495

00:22:09,029 --> 00:22:05,039

somewhere and

496

00:22:11,590 --> 00:22:09,039

i forget who gave us a story that

497

00:22:14,549 --> 00:22:11,600

jimmy carter when he was president he

498

00:22:20,390 --> 00:22:18,549

about what what the government had on

499

00:22:23,430 --> 00:22:20,400

ufos and somebody came

500

00:22:25,590 --> 00:22:23,440

in and said well you don't

501
00:22:26,549 --> 00:22:25,600
you don't have a real need to know mr

502
00:22:30,310 --> 00:22:26,559
president

503
00:22:33,430 --> 00:22:30,320
and when the meeting was over our source

504
00:22:35,830 --> 00:22:33,440
said jimmy carter was

505
00:22:39,190 --> 00:22:35,840
sitting there with a far away look

506
00:22:42,230 --> 00:22:39,200
almost in tears at what he had heard

507
00:22:44,549 --> 00:22:42,240
we suspect he heard you know something

508
00:22:46,390 --> 00:22:44,559
that he could not divulge like hey mr

509
00:22:47,110 --> 00:22:46,400
president we do have this stuff we have

510
00:22:50,310 --> 00:22:47,120
that

511
00:22:51,830 --> 00:22:50,320
but uh we we can't clue you in on it

512
00:22:53,669 --> 00:22:51,840
because you don't have a need to know

513
00:22:56,470 --> 00:22:53,679

but he got enough information

514

00:22:57,990 --> 00:22:56,480

that he was very upset at what he had

515

00:22:59,669 --> 00:22:58,000

heard

516

00:23:01,110 --> 00:22:59,679

and i believe that a hundred percent

517

00:23:03,990 --> 00:23:01,120

with jimmy carter it

518

00:23:04,549 --> 00:23:04,000

it is one of those cases in history

519

00:23:07,190 --> 00:23:04,559

where

520

00:23:09,510 --> 00:23:07,200

i mean we had a pro he he was he seemed

521

00:23:11,750 --> 00:23:09,520

to be a president who was just

522

00:23:13,830 --> 00:23:11,760

blown away by the subject and i think

523

00:23:16,630 --> 00:23:13,840

you you he had his he had his own

524

00:23:19,750 --> 00:23:16,640

sighting he had his own sighting

525

00:23:22,470 --> 00:23:19,760

and it appears in reading the

526
00:23:24,710 --> 00:23:22,480
account of it it was a very good

527
00:23:27,350 --> 00:23:24,720
sighting where he was he was about to go

528
00:23:28,870 --> 00:23:27,360
give a speech somewhere give a give a

529
00:23:31,590 --> 00:23:28,880
talk somewhere and he was

530
00:23:33,350 --> 00:23:31,600
standing outside the the venue

531
00:23:35,669 --> 00:23:33,360
[Music]

532
00:23:37,590 --> 00:23:35,679
and this light in the sky it was it was

533
00:23:39,190 --> 00:23:37,600
getting near dusk it was not dark

534
00:23:39,909 --> 00:23:39,200
outside it was getting near dusk and

535
00:23:43,269 --> 00:23:39,919
this light

536
00:23:46,070 --> 00:23:43,279
approached them and headed right for

537
00:23:48,549 --> 00:23:46,080
them and then just hovered over a nearby

538
00:23:50,149 --> 00:23:48,559

tree and everybody's standing there

539

00:23:52,630 --> 00:23:50,159

looking at that

540

00:23:54,470 --> 00:23:52,640

and then it flew off at great speed so

541

00:23:57,669 --> 00:23:54,480

it was a fairly close

542

00:23:59,110 --> 00:23:57,679

sighting with a a number of people were

543

00:24:02,310 --> 00:23:59,120

with him

544

00:24:05,590 --> 00:24:02,320

and he filed a an official report

545

00:24:08,549 --> 00:24:05,600

i don't know if it was with leuphan or

546

00:24:11,110 --> 00:24:08,559

uh nightcap or napro or whatever i but

547

00:24:13,669 --> 00:24:11,120

he did file an official report

548

00:24:14,549 --> 00:24:13,679

uh that is on file somewhere and it was

549

00:24:17,110 --> 00:24:14,559

a good signing

550

00:24:18,070 --> 00:24:17,120

that he had so that's probably why when

551
00:24:19,590 --> 00:24:18,080
he became president

552
00:24:21,350 --> 00:24:19,600
he wanted to know well what do you have

553
00:24:23,909 --> 00:24:21,360
on this and

554
00:24:25,590 --> 00:24:23,919
somebody mentioned something that really

555
00:24:28,710 --> 00:24:25,600
upset him

556
00:24:31,750 --> 00:24:28,720
and he was he was very distraught when

557
00:24:33,909 --> 00:24:31,760
our source left the room

558
00:24:35,350 --> 00:24:33,919
yes i don't doubt that for a minute and

559
00:24:38,870 --> 00:24:35,360
you what i like

560
00:24:42,950 --> 00:24:38,880
about the the approach of your book

561
00:24:46,549 --> 00:24:42,960
is you you delve into each individual

562
00:24:48,470 --> 00:24:46,559
um deeply but also uh with reverence

563
00:24:51,190 --> 00:24:48,480

because of the subject matter

564

00:24:52,789 --> 00:24:51,200

and whether it is like like you

565

00:24:55,190 --> 00:24:52,799

mentioned jimmy carter

566

00:24:57,029 --> 00:24:55,200

and i mean a personal sighting that's a

567

00:25:00,630 --> 00:24:57,039

pretty big deal for a president

568

00:25:02,230 --> 00:25:00,640

um you you you go into detail where

569

00:25:03,350 --> 00:25:02,240

other people have kind of skimmed over

570

00:25:06,630 --> 00:25:03,360

there's a lot of

571

00:25:08,230 --> 00:25:06,640

people don't know

572

00:25:10,710 --> 00:25:08,240

that is in your book for example in the

573

00:25:13,430 --> 00:25:10,720

bigelow section you delve into rod

574

00:25:13,990 --> 00:25:13,440

who was a great kid and but at the same

575

00:25:16,230 --> 00:25:14,000

time

576
00:25:17,750 --> 00:25:16,240
you know you it's an area that people

577
00:25:19,669 --> 00:25:17,760
don't delve into and that's that's

578
00:25:22,870 --> 00:25:19,679
robert bigelow's son who

579
00:25:25,350 --> 00:25:22,880
who um succumbed to addiction and

580
00:25:26,149 --> 00:25:25,360
there's uh other other interesting

581
00:25:29,750 --> 00:25:26,159
things that i

582
00:25:31,269 --> 00:25:29,760
your book just every single section um

583
00:25:33,590 --> 00:25:31,279
i want to get into the marcel section

584
00:25:35,350 --> 00:25:33,600
but i i have to delve into the aussie

585
00:25:37,590 --> 00:25:35,360
osborne section because

586
00:25:38,870 --> 00:25:37,600
oh don't don't do that because i didn't

587
00:25:40,710 --> 00:25:38,880
write that chapter

588
00:25:43,269 --> 00:25:40,720

oh darn if you want to say something

589

00:25:45,029 --> 00:25:43,279

about it go ahead but i can't

590

00:25:47,430 --> 00:25:45,039

comment on that chapter because i didn't

591

00:25:49,430 --> 00:25:47,440

write it no worries no worries and

592

00:25:50,630 --> 00:25:49,440

and just to clarify the listeners we do

593

00:25:52,390 --> 00:25:50,640

have only uh

594

00:25:54,470 --> 00:25:52,400

one of the authors of the book it's a

595

00:25:55,909 --> 00:25:54,480

great book there are two authors to the

596

00:25:57,269 --> 00:25:55,919

book but i have to dive into this

597

00:26:00,470 --> 00:25:57,279

section because

598

00:26:01,110 --> 00:26:00,480

ozzy osbourne um his son is a friend of

599

00:26:04,390 --> 00:26:01,120

mine

600

00:26:05,830 --> 00:26:04,400

and you interestingly went into

601
00:26:07,669 --> 00:26:05,840
uh well i'll just read it really quick

602
00:26:09,669 --> 00:26:07,679
if that's quit okay uh

603
00:26:11,430 --> 00:26:09,679
legendary british heavy metal artist and

604
00:26:12,710 --> 00:26:11,440
former lead performer with the group

605
00:26:14,630 --> 00:26:12,720
black sabbath

606
00:26:15,750 --> 00:26:14,640
was a total skeptic on the subject of

607
00:26:17,669 --> 00:26:15,760
ufos

608
00:26:18,870 --> 00:26:17,679
that is until his visit to roswell in

609
00:26:21,029 --> 00:26:18,880
2015

610
00:26:23,029 --> 00:26:21,039
for years whenever the performer

611
00:26:24,390 --> 00:26:23,039
returned to his home in los angeles from

612
00:26:26,710 --> 00:26:24,400
touring around the world

613
00:26:27,590 --> 00:26:26,720

he would bring books home to his son

614

00:26:30,310 --> 00:26:27,600

jack

615

00:26:31,669 --> 00:26:30,320

often they were ufo books and on one

616

00:26:32,789 --> 00:26:31,679

occasion they included the author's

617

00:26:35,190 --> 00:26:32,799

best-selling

618

00:26:36,230 --> 00:26:35,200

tome witness to roswell which i think

619

00:26:39,029 --> 00:26:36,240

many have read

620

00:26:41,590 --> 00:26:39,039

so when jack was first diagnosed with a

621

00:26:42,549 --> 00:26:41,600

severe form of multiple sclerosis in

622

00:26:45,269 --> 00:26:42,559

2012

623

00:26:46,390 --> 00:26:45,279

he proceeded to make out his bucket list

624

00:26:48,630 --> 00:26:46,400

quote unquote

625

00:26:50,870 --> 00:26:48,640

of the things he still wanted to see and

626
00:26:53,430 --> 00:26:50,880
do while the disease would allow

627
00:26:55,190 --> 00:26:53,440
now where this is very it touches me

628
00:26:57,269 --> 00:26:55,200
deeply tom because

629
00:26:58,310 --> 00:26:57,279
um i'm a friend of jax and i was

630
00:27:01,909 --> 00:26:58,320
actually with him

631
00:27:04,950 --> 00:27:01,919
in 2012 when this uh

632
00:27:08,149 --> 00:27:04,960
when he felt the i guess symptoms

633
00:27:09,750 --> 00:27:08,159
of multiple sclerosis and the

634
00:27:12,230 --> 00:27:09,760
interesting thing is

635
00:27:13,909 --> 00:27:12,240
he was on skinwalker ridge with myself

636
00:27:17,190 --> 00:27:13,919
and some other individuals

637
00:27:19,750 --> 00:27:17,200
and so we were in um in an area

638
00:27:21,590 --> 00:27:19,760

that is very ufo related so i think

639

00:27:22,870 --> 00:27:21,600

everything in the book is so well

640

00:27:25,350 --> 00:27:22,880

documented i just

641

00:27:27,110 --> 00:27:25,360

hands down you guys nailed it i mean

642

00:27:28,470 --> 00:27:27,120

even in areas that i found personal i

643

00:27:31,909 --> 00:27:28,480

was like wow these guys nailed it

644

00:27:34,149 --> 00:27:31,919

really cool stuff um yes

645

00:27:35,510 --> 00:27:34,159

don wrote half the chapters and i wrote

646

00:27:39,590 --> 00:27:35,520

half the chapters

647

00:27:42,470 --> 00:27:39,600

and don wrote the ozzy osbourne one

648

00:27:43,590 --> 00:27:42,480

and uh he actually wrote the bigelow one

649

00:27:45,430 --> 00:27:43,600

as well

650

00:27:46,710 --> 00:27:45,440

but i did know a few things about

651
00:27:48,789 --> 00:27:46,720
bigelow that

652
00:27:51,430 --> 00:27:48,799
i learned after the book was published

653
00:27:53,830 --> 00:27:51,440
and uh that's what i discussed with you

654
00:27:56,789 --> 00:27:53,840
but we have we have elvis presley in

655
00:28:00,310 --> 00:27:56,799
there everybody's heard of elvis

656
00:28:02,870 --> 00:28:00,320
and yeah uh i wrote that chapter

657
00:28:04,230 --> 00:28:02,880
and it was very interesting uh

658
00:28:07,269 --> 00:28:04,240
[Music]

659
00:28:10,950 --> 00:28:07,279
what happened was uh

660
00:28:14,470 --> 00:28:10,960
elvis uh had his own personal

661
00:28:17,750 --> 00:28:14,480
jet he had his own uh lockheed electra

662
00:28:21,830 --> 00:28:17,760
personal jet it was red

663
00:28:25,190 --> 00:28:21,840

it was uh had the velvet inside i mean

664

00:28:27,590 --> 00:28:25,200

we we were down at roswell the the air

665

00:28:30,630 --> 00:28:27,600

base the old air base is still there

666

00:28:33,669 --> 00:28:30,640

amazing and we wanted to go

667

00:28:36,870 --> 00:28:33,679

out onto the base

668

00:28:38,789 --> 00:28:36,880

where they they had loaded up the aliens

669

00:28:41,830 --> 00:28:38,799

and they had the aliens

670

00:28:45,669 --> 00:28:41,840

in a large wooden crate

671

00:28:47,750 --> 00:28:45,679

and we wanted to go to the spot

672

00:28:49,029 --> 00:28:47,760

where they had actually loaded that

673

00:28:54,310 --> 00:28:49,039

crate into a

674

00:28:58,389 --> 00:28:56,789

it was the old what they called bomb pit

675

00:29:01,110 --> 00:28:58,399

number one it was a large

676

00:29:03,430 --> 00:29:01,120

bomb pit where they would put in uh

677

00:29:04,310 --> 00:29:03,440

atomic bombs because it was an atomic

678

00:29:07,669 --> 00:29:04,320

bomb base

679

00:29:10,389 --> 00:29:07,679

uh the only one in the world at the time

680

00:29:11,669 --> 00:29:10,399

and so we went to that spot it it's now

681

00:29:14,950 --> 00:29:11,679

just uh like a

682

00:29:15,350 --> 00:29:14,960

cemented over cul-de-sac it's a cemented

683

00:29:18,230 --> 00:29:15,360

over

684

00:29:21,590 --> 00:29:18,240

area and so we got permission to go out

685

00:29:24,149 --> 00:29:21,600

onto the tarmac to take the photos

686

00:29:26,549 --> 00:29:24,159

so i took the photos of the of where the

687

00:29:29,669 --> 00:29:26,559

bomb pit was

688

00:29:31,669 --> 00:29:29,679

and i didn't know it at the time

689

00:29:33,909 --> 00:29:31,679

but in one of the photos i took you

690

00:29:37,269 --> 00:29:33,919

could see this red

691

00:29:40,070 --> 00:29:37,279

lockhead electra aircraft parked

692

00:29:40,630 --> 00:29:40,080

close to this where the bomb pit was no

693

00:29:42,389 --> 00:29:40,640

way

694

00:29:44,230 --> 00:29:42,399

so when we're leaving we said hey let's

695

00:29:46,230 --> 00:29:44,240

go over and take a look at that airplane

696

00:29:48,470 --> 00:29:46,240

that looks pretty neat

697

00:29:49,990 --> 00:29:48,480

and so we get over there and we said oh

698

00:29:50,870 --> 00:29:50,000

this must have been the airplane of

699

00:29:55,590 --> 00:29:50,880

somebody

700

00:29:59,029 --> 00:29:55,600

famous and uh it turned out

701
00:30:01,590 --> 00:29:59,039
that it was elvis's personal airplane

702
00:30:03,350 --> 00:30:01,600
and it had been sitting there for 35

703
00:30:06,630 --> 00:30:03,360
years

704
00:30:09,149 --> 00:30:06,640
right and it was sold in 19 i'm sorry in

705
00:30:13,269 --> 00:30:09,159
2017 it was sold for

706
00:30:15,430 --> 00:30:13,279
440 000 but it had sat

707
00:30:16,710 --> 00:30:15,440
right next to where the aliens had been

708
00:30:20,470 --> 00:30:16,720
loaded into the

709
00:30:21,990 --> 00:30:20,480
b-29 to fly out of roswell it had sat

710
00:30:25,750 --> 00:30:22,000
there for 35 years

711
00:30:29,190 --> 00:30:25,760
after elvis died so elvis didn't know it

712
00:30:31,269 --> 00:30:29,200
but he was connected to roswell and you

713
00:30:33,190 --> 00:30:31,279

guys actually include an image of this

714

00:30:34,470 --> 00:30:33,200

in the book which i thought was really

715

00:30:37,590 --> 00:30:34,480

cool yes

716

00:30:39,350 --> 00:30:37,600

yes i took the pictures

717

00:30:40,950 --> 00:30:39,360

i took the picture of the aircraft

718

00:30:42,870 --> 00:30:40,960

because we thought it was

719

00:30:44,389 --> 00:30:42,880

we thought it was somebody famous that

720

00:30:46,549 --> 00:30:44,399

had owned it

721

00:30:47,430 --> 00:30:46,559

and we looked inside and everything was

722

00:30:50,950 --> 00:30:47,440

like plush

723

00:30:54,149 --> 00:30:50,960

velvet red and you can see the the

724

00:30:54,710 --> 00:30:54,159

the plane itself is red and it was in

725

00:30:58,789 --> 00:30:54,720

pretty good

726

00:31:01,909 --> 00:30:58,799

shape and they sold it for 440 000

727

00:31:03,830 --> 00:31:01,919

a few years ago but at the time

728

00:31:06,630 --> 00:31:03,840

i didn't know i had a picture of the

729

00:31:08,149 --> 00:31:06,640

bomb pit but you can also see the plane

730

00:31:10,710 --> 00:31:08,159

in the distance

731

00:31:12,870 --> 00:31:10,720

i didn't know uh and i said oh my

732

00:31:13,669 --> 00:31:12,880

goodness i got the plane in the distance

733

00:31:15,509 --> 00:31:13,679

and so

734

00:31:17,830 --> 00:31:15,519

that's in the book both pictures are in

735

00:31:20,470 --> 00:31:17,840

the book wow

736

00:31:21,029 --> 00:31:20,480

it's it's a it's a plain fit for a king

737

00:31:23,990 --> 00:31:21,039

and

738

00:31:24,470 --> 00:31:24,000

you know uh something we can't brush

739

00:31:27,350 --> 00:31:24,480

over

740

00:31:27,909 --> 00:31:27,360

and you mentioned earlier is the prince

741

00:31:30,389 --> 00:31:27,919

hans

742

00:31:31,590 --> 00:31:30,399

adam the second of lichnistein can we go

743

00:31:35,029 --> 00:31:31,600

into that a little bit that's

744

00:31:39,029 --> 00:31:35,039

so amazing uh prince hard

745

00:31:41,750 --> 00:31:39,039

prince hans adam ii is now the

746

00:31:43,750 --> 00:31:41,760

uh he is now the head of state in

747

00:31:47,110 --> 00:31:43,760

liechtenstein

748

00:31:48,310 --> 00:31:47,120

and uh he is the uh the richest head of

749

00:31:51,269 --> 00:31:48,320

state

750

00:31:54,630 --> 00:31:51,279

in all of europe and he's the fourth

751
00:31:57,830 --> 00:31:54,640
richest head of state in the world

752
00:32:01,990 --> 00:31:57,840
in 1990 he was

753
00:32:04,710 --> 00:32:02,000
very interested in the roswell case

754
00:32:05,669 --> 00:32:04,720
and he was so interested that he

755
00:32:09,669 --> 00:32:05,679
sponsored

756
00:32:12,070 --> 00:32:09,679
and funded a meeting of all of the then

757
00:32:13,029 --> 00:32:12,080
living firsthand witnesses that we knew

758
00:32:16,789 --> 00:32:13,039
of

759
00:32:18,310 --> 00:32:16,799
to the 1947 crash

760
00:32:21,509 --> 00:32:18,320
all the ones we knew that were still

761
00:32:23,909 --> 00:32:21,519
alive he brought to washington dc

762
00:32:25,669 --> 00:32:23,919
it must have cost a ton of well he did

763
00:32:29,990 --> 00:32:25,679

he well he has a ton of money

764

00:32:33,750 --> 00:32:30,000

so he funded this uh uh

765

00:32:37,509 --> 00:32:33,760

meeting in washington and there were 27

766

00:32:40,870 --> 00:32:37,519

first-hand witnesses that we found

767

00:32:44,470 --> 00:32:40,880

that he brought to washington and he

768

00:32:47,029 --> 00:32:44,480

videotaped each one's story

769

00:32:49,350 --> 00:32:47,039

who they were what they knew what they

770

00:32:54,470 --> 00:32:49,360

saw what they knew of the case

771

00:32:57,590 --> 00:32:54,480

all 27 he videotaped

772

00:33:00,950 --> 00:32:57,600

uh they're all dead now

773

00:33:04,389 --> 00:33:00,960

they're all dead and they

774

00:33:07,909 --> 00:33:04,399

in 1992 they put it into a video

775

00:33:11,029 --> 00:33:07,919

uh where they call it the vhs

776

00:33:12,310 --> 00:33:11,039

that's back when they had vsh vhs tapes

777

00:33:15,029 --> 00:33:12,320

you know before the discs

778

00:33:17,509 --> 00:33:15,039

in cuba and they called it recollections

779

00:33:17,909 --> 00:33:17,519

of roswell and i have a copy of it i

780

00:33:22,310 --> 00:33:17,919

still

781

00:33:25,190 --> 00:33:22,320

use it to find out what so and so said

782

00:33:27,110 --> 00:33:25,200

back then about their experience and he

783

00:33:28,950 --> 00:33:27,120

funded that whole thing

784

00:33:30,310 --> 00:33:28,960

and that was his connection to roswell

785

00:33:33,990 --> 00:33:30,320

he was very interested

786

00:33:38,870 --> 00:33:34,000

in it and uh i'm trying to get don

787

00:33:42,549 --> 00:33:38,880

schmidt because don schmidt knows the um

788

00:33:43,669 --> 00:33:42,559

the ambassador from liechtenstein in in

789

00:33:46,310 --> 00:33:43,679

washington

790

00:33:46,710 --> 00:33:46,320

i said hey don oh man can you get us a

791

00:33:48,710 --> 00:33:46,720

trip

792

00:33:50,789 --> 00:33:48,720

over there i'd like i'd like to see

793

00:33:52,789 --> 00:33:50,799

lichtenstein maybe i want to live there

794

00:33:55,750 --> 00:33:52,799

i don't know but

795

00:33:56,630 --> 00:33:55,760

but uh he did that and it cost a lot of

796

00:33:59,430 --> 00:33:56,640

money and

797

00:33:59,830 --> 00:33:59,440

uh like i said all of those witnesses

798

00:34:04,149 --> 00:33:59,840

now

799

00:34:05,590 --> 00:34:04,159

somebody to carry your bags when you go

800

00:34:09,829 --> 00:34:05,600

over there i'll definitely

801
00:34:13,190 --> 00:34:09,839
do my best but

802
00:34:16,149 --> 00:34:13,200
he was uh it was an amazing thing he did

803
00:34:18,230 --> 00:34:16,159
it was right before it was right before

804
00:34:26,069 --> 00:34:18,240
i got involved in the case

805
00:34:28,869 --> 00:34:26,079
and this took place in 1990 but uh

806
00:34:29,190 --> 00:34:28,879
it was an amazing thing because it's a

807
00:34:32,310 --> 00:34:29,200
uh

808
00:34:35,510 --> 00:34:32,320
it's like you know it's like taking

809
00:34:36,710 --> 00:34:35,520
somebody's statement for posterity which

810
00:34:41,190 --> 00:34:36,720
is what it is

811
00:34:44,629 --> 00:34:41,200
and there's only one person

812
00:34:47,270 --> 00:34:44,639
that is on the tape that's still alive

813
00:34:50,149 --> 00:34:47,280

and she was only she's only alive

814

00:34:52,550 --> 00:34:50,159

i mean she's only on the tape because

815

00:34:53,669 --> 00:34:52,560

she's the granddaughter of the sheriff

816

00:34:58,950 --> 00:34:53,679

of roswell

817

00:35:01,349 --> 00:34:58,960

george wilcox she was his granddaughter

818

00:35:03,030 --> 00:35:01,359

she didn't want to go to washington so

819

00:35:06,069 --> 00:35:03,040

they videotaped her

820

00:35:08,069 --> 00:35:06,079

in her roswell home so she's

821

00:35:09,190 --> 00:35:08,079

still alive that's the only one that's

822

00:35:12,550 --> 00:35:09,200

still alive from

823

00:35:15,270 --> 00:35:12,560

all of the ones that they interviewed

824

00:35:16,230 --> 00:35:15,280

at that time so it just goes to show

825

00:35:19,670 --> 00:35:16,240

that with time

826

00:35:21,510 --> 00:35:19,680

a lot of these time is on uh

827

00:35:23,270 --> 00:35:21,520

the side of those who are writing

828

00:35:25,510 --> 00:35:23,280

history and

829

00:35:27,349 --> 00:35:25,520

it seems like with time a lot of these

830

00:35:27,829 --> 00:35:27,359

things can be swept under the rug if you

831

00:35:30,390 --> 00:35:27,839

can just

832

00:35:31,109 --> 00:35:30,400

keep them on the back burner long enough

833

00:35:32,790 --> 00:35:31,119

they're uh

834

00:35:34,870 --> 00:35:32,800

we always said that the government's

835

00:35:35,510 --> 00:35:34,880

trying to run trying to run out the

836

00:35:37,510 --> 00:35:35,520

clock

837

00:35:39,990 --> 00:35:37,520

like a basketball term you know or

838

00:35:41,109 --> 00:35:40,000

football trying to run out the clock on

839

00:35:44,390 --> 00:35:41,119

roswell

840

00:35:49,030 --> 00:35:44,400

and as far as the first 10 witnesses

841

00:35:51,190 --> 00:35:49,040

goes as far as i know they're all going

842

00:35:52,470 --> 00:35:51,200

we are not aware of any first-hand

843

00:35:55,510 --> 00:35:52,480

witnesses that are still

844

00:35:58,630 --> 00:35:55,520

alive second even some of the second

845

00:36:00,150 --> 00:35:58,640

hand like the children they're starting

846

00:36:02,310 --> 00:36:00,160

to go as well

847

00:36:03,270 --> 00:36:02,320

oh my god like i said barbara duggar is

848

00:36:06,790 --> 00:36:03,280

a grand

849

00:36:11,430 --> 00:36:06,800

granddaughter of uh the sheriff

850

00:36:13,990 --> 00:36:11,440

and uh so that it's it's a dwindling

851
00:36:15,589 --> 00:36:14,000
they're running out the clock and that's

852
00:36:19,510 --> 00:36:15,599
why the

853
00:36:21,670 --> 00:36:19,520
the book that i told you about

854
00:36:23,589 --> 00:36:21,680
that came out last year you see you see

855
00:36:27,670 --> 00:36:23,599
it says roswell the cold

856
00:36:29,510 --> 00:36:27,680
case we thought it was going to be our

857
00:36:32,870 --> 00:36:29,520
last book

858
00:36:36,150 --> 00:36:32,880
and we've uh we've written

859
00:36:39,589 --> 00:36:36,160
uh touched by roswell

860
00:36:40,550 --> 00:36:39,599
since then and we actually we have a

861
00:36:44,150 --> 00:36:40,560
book coming out

862
00:36:44,550 --> 00:36:44,160
next year that we're finishing up right

863
00:36:48,310 --> 00:36:44,560

now

864

00:36:50,550 --> 00:36:48,320

call it's the uh it's the third edition

865

00:36:52,710 --> 00:36:50,560

of our very first book called witness to

866

00:36:55,109 --> 00:36:52,720

roswell we're updating it

867

00:36:57,510 --> 00:36:55,119

uh because next year is the 75th

868

00:37:01,270 --> 00:36:57,520

anniversary of the crash

869

00:37:04,310 --> 00:37:01,280

wow so our publisher wanted to to uh

870

00:37:07,109 --> 00:37:04,320

put out a a book for next year so we

871

00:37:08,150 --> 00:37:07,119

we're doing the very first one in an

872

00:37:10,550 --> 00:37:08,160

updated

873

00:37:13,190 --> 00:37:10,560

version and we're just finishing that up

874

00:37:16,230 --> 00:37:13,200

now and will be out next year

875

00:37:16,870 --> 00:37:16,240

oh that's exciting um and just for our

876
00:37:19,910 --> 00:37:16,880
listeners

877
00:37:21,270 --> 00:37:19,920
you have quite a few books

878
00:37:22,950 --> 00:37:21,280
i would like to just take a minute

879
00:37:25,589 --> 00:37:22,960
before because i'm going to ask

880
00:37:27,670 --> 00:37:25,599
i want to get this done before because i

881
00:37:31,030 --> 00:37:27,680
we may not have time at the end

882
00:37:33,109 --> 00:37:31,040
and that is could you go through a list

883
00:37:35,990 --> 00:37:33,119
of the books that you've

884
00:37:36,710 --> 00:37:36,000
written on the subject matter yes

885
00:37:43,910 --> 00:37:36,720
there's

886
00:37:46,150 --> 00:37:43,920
we've had we've we've written 10 books

887
00:37:48,790 --> 00:37:46,160
the very first one was our best seller

888
00:37:52,230 --> 00:37:48,800

called witness to roswell

889

00:37:56,230 --> 00:37:52,240
that came out in 2007.

890

00:37:58,550 --> 00:37:56,240
don schmidt and i teamed up in 1998

891

00:37:59,829 --> 00:37:58,560
right after the 50th anniversary of the

892

00:38:03,589 --> 00:37:59,839
case

893

00:38:07,030 --> 00:38:03,599
because uh most of the in

894

00:38:08,630 --> 00:38:07,040
researchers left the field in 1997 they

895

00:38:12,069 --> 00:38:08,640
figure well there's nothing more to

896

00:38:15,190 --> 00:38:12,079
learn well don and i wanted to continue

897

00:38:18,390 --> 00:38:15,200
a proactive investigation of the case so

898

00:38:20,150 --> 00:38:18,400
we teamed up in may of 1998 we're still

899

00:38:23,270 --> 00:38:20,160
a team

900

00:38:25,270 --> 00:38:23,280
and we've published 10 books

901
00:38:27,990 --> 00:38:25,280
in that time the first one being witness

902
00:38:30,710 --> 00:38:28,000
to roswell

903
00:38:31,190 --> 00:38:30,720
it did so well that our publisher wanted

904
00:38:34,550 --> 00:38:31,200
us

905
00:38:36,310 --> 00:38:34,560
a second edition so in 2009

906
00:38:39,670 --> 00:38:36,320
two years later we did the second

907
00:38:43,190 --> 00:38:39,680
edition of witness to roswell

908
00:38:44,950 --> 00:38:43,200
we followed that with uh inside the real

909
00:38:47,990 --> 00:38:44,960
area 51.

910
00:38:50,950 --> 00:38:48,000
great which is wright-patterson

911
00:38:52,630 --> 00:38:50,960
air force base it was a book about right

912
00:38:54,310 --> 00:38:52,640
patterson because

913
00:38:57,349 --> 00:38:54,320

that's where you know everybody

914

00:38:58,230 --> 00:38:57,359

associates area 51 with aliens right you

915

00:39:00,069 --> 00:38:58,240

know

916

00:39:01,670 --> 00:39:00,079

i'll give a talk and i'll say how many

917

00:39:04,230 --> 00:39:01,680

people here uh

918

00:39:05,510 --> 00:39:04,240

ever heard of area 51 and all the hands

919

00:39:07,589 --> 00:39:05,520

go up

920

00:39:09,829 --> 00:39:07,599

well how many people here have ever

921

00:39:10,310 --> 00:39:09,839

heard of wright patterson air force base

922

00:39:14,550 --> 00:39:10,320

and

923

00:39:16,550 --> 00:39:14,560

with a book about

924

00:39:18,310 --> 00:39:16,560

wright patterson which is where all of

925

00:39:21,109 --> 00:39:18,320

the roswell material went

926

00:39:22,069 --> 00:39:21,119

where it's where the bodies went right

927

00:39:25,910 --> 00:39:22,079

after the crash

928

00:39:29,349 --> 00:39:25,920

is called inside the real area 51

929

00:39:29,829 --> 00:39:29,359

of about wright patterson so that was

930

00:39:34,710 --> 00:39:29,839

the

931

00:39:36,950 --> 00:39:34,720

i'm probably going to forget one here

932

00:39:40,790 --> 00:39:36,960

somewhere but the the fourth book was

933

00:39:47,990 --> 00:39:44,630

and that came out in 2000

934

00:39:50,790 --> 00:39:48,000

i'm sorry inside the real area 51 came

935

00:39:53,990 --> 00:39:50,800

out in 2013

936

00:39:54,870 --> 00:39:54,000

uh in 2016 we published the children of

937

00:39:57,270 --> 00:39:54,880

roswell

938

00:39:58,710 --> 00:39:57,280

which was basically about the you know

939

00:40:01,270 --> 00:39:58,720

the children of the

940

00:40:02,390 --> 00:40:01,280

the uh witnesses because so many were

941

00:40:04,150 --> 00:40:02,400

passing away

942

00:40:06,950 --> 00:40:04,160

right we wanted to talk about the

943

00:40:13,510 --> 00:40:10,180

so that's two thousand and

944

00:40:19,670 --> 00:40:17,750

so i was sort of worn out at that point

945

00:40:21,829 --> 00:40:19,680

i didn't want to

946

00:40:23,349 --> 00:40:21,839

write another book right away but don

947

00:40:25,190 --> 00:40:23,359

schmidt

948

00:40:27,589 --> 00:40:25,200

he wanted to write another book so he

949

00:40:29,990 --> 00:40:27,599

wrote a book in 2017

950

00:40:32,950 --> 00:40:30,000

called cover-up at roswell which i

951
00:40:38,150 --> 00:40:32,960
contributed to

952
00:40:41,510 --> 00:40:38,160
so and so that's 2017 2018 uh

953
00:40:46,470 --> 00:40:41,520
i don't think we did anything in 2018

954
00:40:52,230 --> 00:40:49,030
the one i just showed you roswell the

955
00:40:55,349 --> 00:40:52,240
ultimate cold case yeah

956
00:40:59,670 --> 00:40:55,359
in 2020 we did two books

957
00:41:02,710 --> 00:40:59,680
called i'm sorry in 2000

958
00:41:04,069 --> 00:41:02,720
and i'm sorry i mixed that up in 2019 we

959
00:41:07,589 --> 00:41:04,079
did

960
00:41:09,670 --> 00:41:07,599
ufo secrets inside wright patterson

961
00:41:11,670 --> 00:41:09,680
which was the sequel to the inside the

962
00:41:16,870 --> 00:41:11,680
real area 51

963
00:41:20,390 --> 00:41:16,880

book so in in 19 we did ufo secrets

964

00:41:26,870 --> 00:41:20,400

ufo secrets inside wright patterson

965

00:41:29,990 --> 00:41:26,880

that's 2019. 2020 we did two books

966

00:41:31,030 --> 00:41:30,000

one was roswell the ultimate cold case

967

00:41:35,109 --> 00:41:31,040

closed

968

00:41:38,069 --> 00:41:35,119

the other one was a large pictorial

969

00:41:40,630 --> 00:41:38,079

called roswell the chronological

970

00:41:43,510 --> 00:41:40,640

pictorial i got it somewhere here but

971

00:41:44,950 --> 00:41:43,520

it's it's the timeline of the roswell

972

00:41:48,069 --> 00:41:44,960

case in pictures

973

00:41:50,230 --> 00:41:48,079

it's a big coffee table book uh

974

00:41:51,270 --> 00:41:50,240

it has the whole case from the time of

975

00:41:55,510 --> 00:41:51,280

the crash

976

00:41:58,950 --> 00:41:55,520

up to the present in 2020 in pictures

977

00:42:01,990 --> 00:41:58,960

and in 2021 we did

978

00:42:05,109 --> 00:42:02,000

this one touched by roswell there

979

00:42:07,750 --> 00:42:05,119

you are there are your 10 books next

980

00:42:10,069 --> 00:42:07,760

year's book will be our 11th on roswell

981

00:42:11,270 --> 00:42:10,079

it will be the the updated version of

982

00:42:13,990 --> 00:42:11,280

our

983

00:42:17,190 --> 00:42:14,000

witness to roswell book i believe that

984

00:42:20,069 --> 00:42:17,200

will be our last roswell book

985

00:42:22,150 --> 00:42:20,079

unless something stupendous happens but

986

00:42:24,870 --> 00:42:22,160

there's there's our 10 books and then

987

00:42:29,109 --> 00:42:24,880

soon to be next year our 11th book

988

00:42:30,870 --> 00:42:29,119

great books and um they all go into

989

00:42:32,550 --> 00:42:30,880

their they're all i love how they're all

990

00:42:34,069 --> 00:42:32,560

extensions of yourselves and that you

991

00:42:35,430 --> 00:42:34,079

guys really delve into what you want to

992

00:42:38,069 --> 00:42:35,440

delve into

993

00:42:40,390 --> 00:42:38,079

and some of this stuff is pretty deep if

994

00:42:41,190 --> 00:42:40,400

it's okay i wanted to dive into general

995

00:42:43,750 --> 00:42:41,200

wesley k

996

00:42:45,589 --> 00:42:43,760

clark because it's hard to not do that

997

00:42:47,109 --> 00:42:45,599

another one that's another one that don

998

00:42:51,829 --> 00:42:47,119

schmidt wrote

999

00:42:55,670 --> 00:42:53,829

you've only asked me about ones that don

1000

00:42:59,750 --> 00:42:55,680

wrote

1001
00:43:03,030 --> 00:42:59,760
so um go ahead the elvis one was

1002
00:43:06,950 --> 00:43:03,040
amazing and you know it's more just a

1003
00:43:10,150 --> 00:43:06,960
comment that general wesley clark made

1004
00:43:11,990 --> 00:43:10,160
which was that uh let's see let me find

1005
00:43:16,390 --> 00:43:12,000
it here

1006
00:43:19,589 --> 00:43:16,400
don ran into him in an airport and uh

1007
00:43:20,230 --> 00:43:19,599
uh you know to his credit he went up and

1008
00:43:24,829 --> 00:43:20,240
uh

1009
00:43:26,870 --> 00:43:24,839
asked general clark about

1010
00:43:29,510 --> 00:43:26,880
roswell

1011
00:43:30,230 --> 00:43:29,520
yeah and it's it kind of goes into kind

1012
00:43:32,710 --> 00:43:30,240
of all of

1013
00:43:33,910 --> 00:43:32,720

the government side of it when and and

1014

00:43:36,870 --> 00:43:33,920

the quote is

1015

00:43:37,270 --> 00:43:36,880

when you were approached by the general

1016

00:43:40,470 --> 00:43:37,280

and

1017

00:43:43,030 --> 00:43:40,480

posed let's see here pose the question

1018

00:43:45,270 --> 00:43:43,040

were was the military ever debriefed on

1019

00:43:47,910 --> 00:43:45,280

the subject of ufos clark responded

1020

00:43:50,470 --> 00:43:47,920

i heard a bit in fact i'm going to be in

1021

00:43:54,069 --> 00:43:50,480

roswell new mexico tonight

1022

00:43:55,670 --> 00:43:54,079

there are things going on so roswell

1023

00:43:58,150 --> 00:43:55,680

like you mentioned earlier with the

1024

00:43:59,349 --> 00:43:58,160

elvis plane and i've only seen that from

1025

00:44:02,550 --> 00:43:59,359

the outside

1026
00:44:05,750 --> 00:44:02,560
stunning

1027
00:44:07,670 --> 00:44:05,760
this complex is beyond anything i ever

1028
00:44:10,550 --> 00:44:07,680
expected to see in this town

1029
00:44:11,430 --> 00:44:10,560
and it's almost more fascinating to look

1030
00:44:13,430 --> 00:44:11,440
at the

1031
00:44:15,030 --> 00:44:13,440
government structures in the town at

1032
00:44:17,589 --> 00:44:15,040
that south side of town

1033
00:44:18,870 --> 00:44:17,599
than it is you know the museums and that

1034
00:44:21,430 --> 00:44:18,880
because it's a real

1035
00:44:22,230 --> 00:44:21,440
relic it's like it's it's unbelievable

1036
00:44:25,829 --> 00:44:22,240
how

1037
00:44:27,589 --> 00:44:25,839
that town is set up whenever i visit the

1038
00:44:30,950 --> 00:44:27,599

base the old base

1039

00:44:33,510 --> 00:44:30,960

it's the old base is still there i feel

1040

00:44:34,710 --> 00:44:33,520

like i'm walking on hallowed or sacred

1041

00:44:37,589 --> 00:44:34,720

ground i really do

1042

00:44:40,309 --> 00:44:37,599

every time i visit that base even though

1043

00:44:43,349 --> 00:44:40,319

most of the structures

1044

00:44:46,309 --> 00:44:43,359

are gone from the old days you know the

1045

00:44:47,750 --> 00:44:46,319

the barracks and the uh various

1046

00:44:50,630 --> 00:44:47,760

buildings

1047

00:44:52,309 --> 00:44:50,640

the only structure that's still there

1048

00:44:54,230 --> 00:44:52,319

you know especially the base hospital

1049

00:44:56,550 --> 00:44:54,240

that's all gone but

1050

00:44:58,150 --> 00:44:56,560

but i did was able to get pictures of

1051
00:45:01,910 --> 00:44:58,160
most of those

1052
00:45:03,510 --> 00:45:01,920
uh before they were torn down in in the

1053
00:45:07,589 --> 00:45:03,520
1990s

1054
00:45:09,670 --> 00:45:07,599
my first trip there was like 1993

1055
00:45:10,710 --> 00:45:09,680
and most of those structures were still

1056
00:45:12,870 --> 00:45:10,720
there so i

1057
00:45:14,150 --> 00:45:12,880
i just you know snapped pictures of

1058
00:45:17,910 --> 00:45:14,160
everything

1059
00:45:20,069 --> 00:45:17,920
and the only structure that's still left

1060
00:45:22,150 --> 00:45:20,079
from the old base that was involved as

1061
00:45:25,349 --> 00:45:22,160
the big base hanger

1062
00:45:27,190 --> 00:45:25,359
the hangar it's now building 84 but it

1063
00:45:30,150 --> 00:45:27,200

was hangar p3

1064

00:45:31,990 --> 00:45:30,160
in 1947. that's still there it's still a

1065

00:45:34,230 --> 00:45:32,000
functioning hangar

1066

00:45:36,150 --> 00:45:34,240
i've got pictures of that inside in the

1067

00:45:37,589 --> 00:45:36,160
room where we think the bodies were kept

1068

00:45:39,510 --> 00:45:37,599
and all that sort of stuff

1069

00:45:41,109 --> 00:45:39,520
but everything else has been torn down

1070

00:45:43,910 --> 00:45:41,119
the guest house

1071

00:45:44,870 --> 00:45:43,920
where mac brazil was sequestered for a

1072

00:45:46,309 --> 00:45:44,880
week

1073

00:45:48,710 --> 00:45:46,319
where they tried today where they got

1074

00:45:51,270 --> 00:45:48,720
him to change his story

1075

00:45:53,109 --> 00:45:51,280
uh that was the last structure that it

1076

00:45:53,990 --> 00:45:53,119

was still there as far as just a few

1077

00:45:57,190 --> 00:45:54,000

years ago

1078

00:45:59,349 --> 00:45:57,200

but it's gone now isn't it and even out

1079

00:46:04,150 --> 00:45:59,359

at the crash site

1080

00:46:09,750 --> 00:46:07,109

which was an old bunk house where jesse

1081

00:46:14,150 --> 00:46:12,150

sheridan cavett and mac brazil stayed

1082

00:46:16,069 --> 00:46:14,160

overnight before they went to the debris

1083

00:46:18,630 --> 00:46:16,079

field to view the wreckage

1084

00:46:20,790 --> 00:46:18,640

that house stayed there until last year

1085

00:46:23,270 --> 00:46:20,800

when they tore it down

1086

00:46:25,349 --> 00:46:23,280

but i got pictures of it inside and

1087

00:46:28,710 --> 00:46:25,359

outside so

1088

00:46:31,750 --> 00:46:28,720

those are all in all of our books

1089

00:46:33,670 --> 00:46:31,760

and unfortunately if you go to the well

1090

00:46:34,630 --> 00:46:33,680

there's actually new owners of the land

1091

00:46:37,430 --> 00:46:34,640

now you keep

1092

00:46:37,990 --> 00:46:37,440

they won't allow you on the land see

1093

00:46:42,069 --> 00:46:38,000

these

1094

00:46:44,309 --> 00:46:42,079

you know the old crash site and uh but

1095

00:46:46,470 --> 00:46:44,319

you you never know that's why

1096

00:46:47,510 --> 00:46:46,480

you know i love history and whenever i'm

1097

00:46:50,150 --> 00:46:47,520

in the

1098

00:46:51,829 --> 00:46:50,160

presence of something historical i take

1099

00:46:55,190 --> 00:46:51,839

pictures

1100

00:46:57,190 --> 00:46:55,200

and uh it's

1101
00:46:58,870 --> 00:46:57,200
you know they're they're in all of our

1102
00:47:02,230 --> 00:46:58,880
books but i unfortunately

1103
00:47:05,109 --> 00:47:03,750
the pictures in the book are something

1104
00:47:05,910 --> 00:47:05,119
else that i thought was really

1105
00:47:07,510 --> 00:47:05,920
intriguing

1106
00:47:09,829 --> 00:47:07,520
and the ones that you chose to put in

1107
00:47:11,270 --> 00:47:09,839
the book and some of the people you

1108
00:47:12,390 --> 00:47:11,280
chose to put in the book because there's

1109
00:47:15,510 --> 00:47:12,400
so many

1110
00:47:19,589 --> 00:47:15,520
and um for example dwight yocum

1111
00:47:24,150 --> 00:47:23,510
yes uh dwight yocum i think i wrote that

1112
00:47:27,270 --> 00:47:24,160
chapter

1113
00:47:30,309 --> 00:47:27,280

i'm a big country music fan and

1114

00:47:32,630 --> 00:47:30,319

dwight yoakam of the bakersfield

1115

00:47:35,270 --> 00:47:32,640

sound he is the you know that's his

1116

00:47:37,270 --> 00:47:35,280

music style the bakersfield sound

1117

00:47:39,270 --> 00:47:37,280

along with his uh one of my favorites

1118

00:47:43,430 --> 00:47:39,280

buck owens

1119

00:47:46,630 --> 00:47:43,440

uh he played uh mac brazil

1120

00:47:49,990 --> 00:47:46,640

in the movie roswell the 1994 movie

1121

00:47:52,470 --> 00:47:50,000

uh roswell he played mac brazil

1122

00:47:53,990 --> 00:47:52,480

great movie and he did a good job at it

1123

00:47:57,990 --> 00:47:54,000

and uh he's remained

1124

00:48:01,670 --> 00:47:58,000

friends with don schmidt over the years

1125

00:48:05,510 --> 00:48:01,680

and uh we have him uh a nice write-up of

1126

00:48:07,349 --> 00:48:05,520

i i did that chapter and uh because you

1127

00:48:10,790 --> 00:48:07,359

know i'm a big country music fan

1128

00:48:14,069 --> 00:48:10,800

and uh so i wanted to do it

1129

00:48:15,990 --> 00:48:14,079

and uh his con his you know uh brush

1130

00:48:16,549 --> 00:48:16,000

with roswell was that he played mac

1131

00:48:19,589 --> 00:48:16,559

razzle

1132

00:48:23,030 --> 00:48:19,599

in the movie so and there's a lot of

1133

00:48:24,630 --> 00:48:23,040

interesting um dana dan aykroyd and

1134

00:48:26,630 --> 00:48:24,640

david aykroyd i don't know if we have

1135

00:48:28,390 --> 00:48:26,640

time but that i think they were both

1136

00:48:31,270 --> 00:48:28,400

worth mentioning even though they are

1137

00:48:33,030 --> 00:48:31,280

uh not related and that's the first

1138

00:48:34,230 --> 00:48:33,040

thing i assumed as well when i read is

1139

00:48:37,190 --> 00:48:34,240

that they were related

1140

00:48:39,670 --> 00:48:37,200

could we go into david and uh the more

1141

00:48:42,870 --> 00:48:39,680

famous one is dan aykroyd he

1142

00:48:44,950 --> 00:48:42,880

because he's friends with uh what is i

1143

00:48:46,470 --> 00:48:44,960

i have to look i have to look at it who

1144

00:48:49,430 --> 00:48:46,480

is oh yes

1145

00:48:51,109 --> 00:48:49,440

he's friends with bill murray the uh you

1146

00:48:54,950 --> 00:48:51,119

know the actor comedian

1147

00:48:57,589 --> 00:48:54,960

and sort of both iconoclastic and uh

1148

00:49:00,309 --> 00:48:57,599

the thing about dan aykroyd is he's very

1149

00:49:03,349 --> 00:49:00,319

interested in ufos

1150

00:49:04,630 --> 00:49:03,359

and he did a whole show i have to look

1151

00:49:07,910 --> 00:49:04,640

at it they're called

1152

00:49:11,589 --> 00:49:07,920

dan aykroyd unplugged ufos

1153

00:49:15,510 --> 00:49:11,599

big big tv special and it's on disk

1154

00:49:18,870 --> 00:49:15,520

great show he mentions roswell and uh

1155

00:49:20,870 --> 00:49:18,880

that's his sort of uh avocation is he's

1156

00:49:24,630 --> 00:49:20,880

really into ufos and of course

1157

00:49:31,990 --> 00:49:29,190

david aykroyd was a mos

1158

00:49:34,309 --> 00:49:32,000

most people don't recall that he did he

1159

00:49:37,990 --> 00:49:34,319

was a host of uh

1160

00:49:41,430 --> 00:49:38,000

a tv show many tv shows i guess

1161

00:49:45,030 --> 00:49:41,440

and he did one of the first

1162

00:49:47,349 --> 00:49:45,040

specials about roswell

1163

00:49:48,309 --> 00:49:47,359

the i believe the first special about

1164

00:49:51,030 --> 00:49:48,319

roswell

1165

00:49:51,990 --> 00:49:51,040

was stunned by leonard nimoy remember

1166

00:49:54,870 --> 00:49:52,000

him from dr

1167

00:49:55,430 --> 00:49:54,880

spock he played dr spock of course of

1168

00:49:59,190 --> 00:49:55,440

course

1169

00:50:01,750 --> 00:49:59,200

and and leonard de moy in 1980

1170

00:50:02,630 --> 00:50:01,760

did the first uh tv special about

1171

00:50:04,470 --> 00:50:02,640

roswell

1172

00:50:06,309 --> 00:50:04,480

it was the half a five record was a half

1173

00:50:08,630 --> 00:50:06,319

hour show

1174

00:50:09,589 --> 00:50:08,640

he interviewed or still living jesse

1175

00:50:12,790 --> 00:50:09,599

marcel

1176

00:50:15,910 --> 00:50:12,800

out at the crash site and

1177

00:50:17,510 --> 00:50:15,920

this is the same year that the book the

1178

00:50:20,870 --> 00:50:17,520

roswell incident came out

1179

00:50:24,069 --> 00:50:20,880

1980 and there was a movie

1180

00:50:26,150 --> 00:50:24,079

that came out in 1980 called hangar 18

1181

00:50:27,430 --> 00:50:26,160

about the famous hanger at wright

1182

00:50:31,430 --> 00:50:27,440

patterson

1183

00:50:34,549 --> 00:50:31,440

and then the interview with jesse marcel

1184

00:50:37,829 --> 00:50:34,559

out at the uh the old crash site and

1185

00:50:40,950 --> 00:50:37,839

uh that was done by letter de moy

1186

00:50:43,510 --> 00:50:40,960

but um

1187

00:50:44,470 --> 00:50:43,520

david aykroyd also did a special about

1188

00:50:47,589 --> 00:50:44,480

roswell he was

1189

00:50:47,990 --> 00:50:47,599

he hosted many many shows and that was

1190

00:50:54,710 --> 00:50:48,000

his

1191

00:50:55,109 --> 00:50:54,720

he did a special on it it's it's pretty

1192

00:50:57,589 --> 00:50:55,119

neat

1193

00:50:59,750 --> 00:50:57,599

how everybody who has kind of come into

1194

00:51:02,630 --> 00:50:59,760

contact with the idea

1195

00:51:03,190 --> 00:51:02,640

has ended up doing something great and

1196

00:51:06,790 --> 00:51:03,200

and

1197

00:51:08,870 --> 00:51:06,800

doing another one

1198

00:51:10,069 --> 00:51:08,880

you remember mike farrell right mike

1199

00:51:13,190 --> 00:51:10,079

farrell

1200

00:51:16,870 --> 00:51:13,200

played uh b.j hunnicutt in the

1201
00:51:21,030 --> 00:51:16,880
in the famous tv series mash

1202
00:51:26,309 --> 00:51:21,040
he played b.j hanukkah the surgeon

1203
00:51:30,470 --> 00:51:26,319
but uh he was he was in 1988

1204
00:51:34,150 --> 00:51:30,480
he hosted a three-hour live

1205
00:51:37,510 --> 00:51:34,160
show about you it was called ufos live

1206
00:51:40,870 --> 00:51:37,520
on a three-hour special on ufos

1207
00:51:41,670 --> 00:51:40,880
it it was carried live on tv i remember

1208
00:51:56,790 --> 00:51:41,680
i

1209
00:52:00,230 --> 00:51:56,800
roswell

1210
00:52:01,670 --> 00:52:00,240
on that show he did a good job he also

1211
00:52:04,710 --> 00:52:01,680
introduced

1212
00:52:09,030 --> 00:52:04,720
with their faces blocked out

1213
00:52:11,510 --> 00:52:09,040

one fella named his code name was falcon

1214

00:52:12,390 --> 00:52:11,520

and the other one was condor they were

1215

00:52:15,430 --> 00:52:12,400

two

1216

00:52:18,230 --> 00:52:15,440

behind the scenes uh secret

1217

00:52:19,910 --> 00:52:18,240

agent types and it was they did a good

1218

00:52:20,630 --> 00:52:19,920

show but that was his contact with

1219

00:52:22,710 --> 00:52:20,640

roswell

1220

00:52:24,230 --> 00:52:22,720

as he had all three of them were five of

1221

00:52:28,870 --> 00:52:24,240

them on his

1222

00:52:31,990 --> 00:52:28,880

special about ufo ufos live

1223

00:52:34,309 --> 00:52:32,000

in 1988 and and to give listeners

1224

00:52:36,150 --> 00:52:34,319

an idea of the contents and just how

1225

00:52:38,230 --> 00:52:36,160

many people are listed

1226

00:52:39,430 --> 00:52:38,240

um i'm going to run through it really

1227

00:52:42,630 --> 00:52:39,440

quick and and

1228

00:52:46,069 --> 00:52:42,640

it's david aykroyd dan aykroyd prince

1229

00:52:47,910 --> 00:52:46,079

of liechtenstein adrian barbeau xander

1230

00:52:49,990 --> 00:52:47,920

berkeley robert bigelow

1231

00:52:51,750 --> 00:52:50,000

dr werner von braun which you could do a

1232

00:52:54,710 --> 00:52:51,760

whole podcast about

1233

00:52:55,670 --> 00:52:54,720

tom brookshire chris carter president

1234

00:52:57,670 --> 00:52:55,680

jimmy carter

1235

00:52:59,510 --> 00:52:57,680

general wesley k clark president bill

1236

00:53:02,069 --> 00:52:59,520

clinton congressman merrill clook

1237

00:53:03,589 --> 00:53:02,079

who i he's from utah and i'm aware of

1238

00:53:07,109 --> 00:53:03,599

how interesting that is

1239

00:53:10,549 --> 00:53:07,119

gordon cooper dennis crosby dick d

1240

00:53:13,030 --> 00:53:10,559

amato ted danson which was a surprise

1241

00:53:14,150 --> 00:53:13,040

and the list goes on and on and these

1242

00:53:17,430 --> 00:53:14,160

are all celebrity

1243

00:53:19,190 --> 00:53:17,440

status individuals and

1244

00:53:21,349 --> 00:53:19,200

it's it's almost little known

1245

00:53:25,270 --> 00:53:21,359

information

1246

00:53:28,390 --> 00:53:25,280

yes ted danson was an interesting one

1247

00:53:31,270 --> 00:53:28,400

uh everybody knows him from cheers

1248

00:53:32,150 --> 00:53:31,280

the bartender sam malone from from

1249

00:53:34,870 --> 00:53:32,160

cheers

1250

00:53:37,030 --> 00:53:34,880

plus other movies he's done but i think

1251
00:53:40,950 --> 00:53:37,040
he's best known for

1252
00:53:44,150 --> 00:53:40,960
his bartender role at cheers but

1253
00:53:48,069 --> 00:53:44,160
his father ned

1254
00:53:50,309 --> 00:53:48,079
danson was a harvard archaeologist

1255
00:53:53,589 --> 00:53:50,319
and certainly most people don't know

1256
00:53:56,470 --> 00:53:53,599
that but his father was an archaeologist

1257
00:53:58,710 --> 00:53:56,480
from harvard university and he was in

1258
00:54:02,150 --> 00:53:58,720
new mexico

1259
00:54:04,710 --> 00:54:02,160
in the summer of 1947.

1260
00:54:05,510 --> 00:54:04,720
and uh so i thought oh my goodness uh

1261
00:54:08,710 --> 00:54:05,520
he's

1262
00:54:13,430 --> 00:54:08,720
know in

1263
00:54:15,589 --> 00:54:13,440

new mexico so uh

1264

00:54:16,870 --> 00:54:15,599

i think so what i did is i wrote a

1265

00:54:19,430 --> 00:54:16,880

letter

1266

00:54:21,349 --> 00:54:19,440

because i didn't know where uh where

1267

00:54:21,750 --> 00:54:21,359

they lived you know so i wrote a letter

1268

00:54:25,349 --> 00:54:21,760

to

1269

00:54:26,309 --> 00:54:25,359

ted danson care of the mass show

1270

00:54:29,510 --> 00:54:26,319

wherever that was

1271

00:54:31,990 --> 00:54:29,520

uh i'm sorry the cheers

1272

00:54:32,790 --> 00:54:32,000

the cheer show yeah wherever that was

1273

00:54:36,470 --> 00:54:32,800

being filmed

1274

00:54:39,190 --> 00:54:36,480

and it ultimately got to ted danson

1275

00:54:42,230 --> 00:54:39,200

and he gave it father because it was his

1276

00:54:44,630 --> 00:54:42,240

father i was interested in

1277

00:54:46,230 --> 00:54:44,640

so i got a letter back from his father

1278

00:54:50,870 --> 00:54:46,240

saying yes yes i was

1279

00:54:53,829 --> 00:54:50,880

you know he was out there in 1947

1280

00:54:55,349 --> 00:54:53,839

partly in arizona and partly in new

1281

00:54:58,710 --> 00:54:55,359

mexico but that he

1282

00:55:02,150 --> 00:54:58,720

was unaware of uh any

1283

00:55:06,630 --> 00:55:02,160

you know a ufo crash and uh

1284

00:55:08,630 --> 00:55:06,640

so uh the the the other reason being at

1285

00:55:10,950 --> 00:55:08,640

the time

1286

00:55:13,109 --> 00:55:10,960

we thought that there was part of the

1287

00:55:15,589 --> 00:55:13,119

crash took place on the plains of saint

1288

00:55:18,710 --> 00:55:15,599

augustine

1289

00:55:21,990 --> 00:55:18,720

which was near socorro not near roswell

1290

00:55:24,390 --> 00:55:22,000

or corona and the

1291

00:55:26,870 --> 00:55:24,400

uh story was that i read in an

1292

00:55:29,990 --> 00:55:26,880

archaeology magazine or journal that

1293

00:55:32,710 --> 00:55:30,000

that his team from harvard got to the

1294

00:55:35,910 --> 00:55:32,720

plains of saint augustine

1295

00:55:37,589 --> 00:55:35,920

in 1946 that summer

1296

00:55:39,349 --> 00:55:37,599

and we're thinking oh my goodness that's

1297

00:55:42,309 --> 00:55:39,359

where part of the crash

1298

00:55:44,309 --> 00:55:42,319

well he he uh assured me that nothing

1299

00:55:45,990 --> 00:55:44,319

took place

1300

00:55:48,230 --> 00:55:46,000

that summer on the plains of san

1301

00:55:50,150 --> 00:55:48,240

augustine which helped us

1302

00:55:52,710 --> 00:55:50,160

actually remove the plains of santa

1303

00:55:57,510 --> 00:55:52,720

guston from the roswell story

1304

00:56:01,030 --> 00:55:57,520

and also ted danson himself

1305

00:56:03,030 --> 00:56:01,040

we understand what it

1306

00:56:04,309 --> 00:56:03,040

was interested in playing the part of

1307

00:56:07,430 --> 00:56:04,319

mac brazil

1308

00:56:08,470 --> 00:56:07,440

in the movie roswell that uh dwight

1309

00:56:11,030 --> 00:56:08,480

yokomo

1310

00:56:11,750 --> 00:56:11,040

uh played the part i'm sorry take that

1311

00:56:14,829 --> 00:56:11,760

back

1312

00:56:16,150 --> 00:56:14,839

he wanted to play the part of jesse

1313

00:56:18,069 --> 00:56:16,160

marcel

1314

00:56:19,670 --> 00:56:18,079

ted danson wanted to play the part of

1315

00:56:22,150 --> 00:56:19,680

jesse marcel

1316

00:56:23,190 --> 00:56:22,160

what an interesting what an interesting

1317

00:56:25,990 --> 00:56:23,200

twist

1318

00:56:27,430 --> 00:56:26,000

yeah and they ultimately uh what was

1319

00:56:30,950 --> 00:56:27,440

kyle mclaughlin

1320

00:56:33,349 --> 00:56:30,960

got that part so um

1321

00:56:36,309 --> 00:56:33,359

you know it's it's amazing that the

1322

00:56:39,430 --> 00:56:36,319

people that were touched in some way

1323

00:56:40,630 --> 00:56:39,440

by roswell and the synchronicities are

1324

00:56:43,030 --> 00:56:40,640

just like you mentioned

1325

00:56:44,150 --> 00:56:43,040

uh you know his father being there doing

1326

00:56:46,789 --> 00:56:44,160

an archaeological

1327

00:56:47,589 --> 00:56:46,799

dig and then him wanting to play the

1328

00:56:49,349 --> 00:56:47,599

part it's just

1329

00:56:51,349 --> 00:56:49,359

very interesting the synchronicities

1330

00:56:53,510 --> 00:56:51,359

that take place and tom

1331

00:56:55,270 --> 00:56:53,520

before we don't have enough time i

1332

00:56:56,549 --> 00:56:55,280

wanted to definitely make sure that our

1333

00:56:58,789 --> 00:56:56,559

listeners can

1334

00:57:00,470 --> 00:56:58,799

where they can best keep up with your

1337

00:57:05,990 --> 00:57:03,599

found out recently that it's down for

1353
00:57:45,910 --> 00:57:43,680
some reason

1354
00:57:47,589 --> 00:57:45,920
we're trying to get it back online we

1355
00:57:50,710 --> 00:57:47,599
don't know why they took it down

1356
00:57:54,309 --> 00:57:50,720

1357
00:57:56,470 --> 00:57:54,319

so that's the main uh focal point for

1365

00:58:12,309 --> 00:58:10,000

don schmidt and myself

1366

00:58:14,069 --> 00:58:12,319

great and i appreciate you sharing that

1367

00:58:16,150 --> 00:58:14,079

and i appreciate you spending some time

1368

00:58:16,549 --> 00:58:16,160

with us today explaining this amazing

1369

00:58:20,390 --> 00:58:16,559

book

1370

00:58:23,190 --> 00:58:20,400

written

1371

00:58:25,510 --> 00:58:23,200

and how the ufo phenomenon has not only

1372

00:58:28,470 --> 00:58:25,520

delved into people's lives but

1373

00:58:29,270 --> 00:58:28,480

kind of uh in a way actuated certain

1374

00:58:32,309 --> 00:58:29,280

behaviors

1375

00:58:34,390 --> 00:58:32,319

activities and paths in their lives that

1376

00:58:36,710 --> 00:58:34,400

would otherwise not be the case and

1377

00:58:37,750 --> 00:58:36,720

i just think it's a real heck of a work

1378

00:58:40,710 --> 00:58:37,760

a very

1379

00:58:41,430 --> 00:58:40,720

very interesting work not your typical

1380

00:58:43,109 --> 00:58:41,440

book

1381

00:58:44,710 --> 00:58:43,119

and something that everybody should have

1382

00:58:49,430 --> 00:58:44,720

on the shelf

1383

00:58:52,710 --> 00:58:49,440

oh absolutely absolutely

1384

00:58:55,349 --> 00:58:52,720

yes it's a it's a different roswell book

1385

00:58:57,109 --> 00:58:55,359

you know it's not like oh here's the

1386

00:58:57,750 --> 00:58:57,119

here's what happened today and here's

1387

00:59:02,390 --> 00:58:57,760

where they

1388

00:59:04,870 --> 00:59:02,400

know it's about famous people

1389

00:59:05,829 --> 00:59:04,880

some somewhere along the dusty trail of

1390

00:59:09,190 --> 00:59:05,839

life

1391

00:59:11,430 --> 00:59:09,200

they cross past with roswell

1392

00:59:12,710 --> 00:59:11,440

and there's so many of them it's it's

1393

00:59:14,870 --> 00:59:12,720

just fascinating

1394

00:59:15,750 --> 00:59:14,880

and and the synchronicities like we

1395

00:59:17,910 --> 00:59:15,760

mentioned before

1396

00:59:19,349 --> 00:59:17,920

when when people start to go into the

1397

00:59:22,470 --> 00:59:19,359

fray of this

1398

00:59:25,990 --> 00:59:22,480

ufo or i guess now they call it uap

1399

00:59:29,430 --> 00:59:26,000

i mean you really kind of have to uh

1400

00:59:29,829 --> 00:59:29,440

be wide-eyed because there's a lot to be

1401

00:59:31,910 --> 00:59:29,839

said

1402

00:59:33,109 --> 00:59:31,920

in just the lives of the individuals who

1403

00:59:37,030 --> 00:59:33,119

become touched

1404

00:59:39,430 --> 00:59:37,040

as the book is really i love the title

1405

00:59:41,030 --> 00:59:39,440

touched by roswell if everybody has a

1406

00:59:41,829 --> 00:59:41,040

chance definitely check that out on

1407
