

**Janis Keifer Moore**

**HERO**

1  
00:00:16,049 --> 00:00:14,910  
[Music]

2  
00:00:28,230 --> 00:00:16,059  
hey

3  
00:00:28,240 --> 00:00:34,770  
machine

4  
00:00:40,470 --> 00:00:37,350  
[Music]

5  
00:00:42,709 --> 00:00:40,480  
blast off on another episode of hero

6  
00:00:45,270 --> 00:00:42,719  
paranormal podcast

7  
00:00:46,069 --> 00:00:45,280  
that's right my name is ryan the

8  
00:00:48,630 --> 00:00:46,079  
original

9  
00:00:49,110 --> 00:00:48,640  
outlaw of the airwaves bringing you an

10  
00:00:52,709 --> 00:00:49,120  
epic

11  
00:00:54,950 --> 00:00:52,719  
episode tonight and on today's episode

12  
00:00:57,430 --> 00:00:54,960  
of hero paranormal podcast we have

13  
00:00:58,389 --> 00:00:57,440

janice kiefer moore paranormal

14

00:01:01,590 --> 00:00:58,399

enthusiast

15

00:01:03,110 --> 00:01:01,600

researcher and long time friend not only

16

00:01:04,390 --> 00:01:03,120

is janice passionate about the

17

00:01:06,550 --> 00:01:04,400

paranormal she is

18

00:01:08,870 --> 00:01:06,560

constantly striving to learn more about

19

00:01:10,789 --> 00:01:08,880

it when i owned and operated the

20

00:01:11,830 --> 00:01:10,799

strawberry river bed and breakfast in

21

00:01:14,469 --> 00:01:11,840

the uintah basin of

22

00:01:16,870 --> 00:01:14,479

utah janice was not only my favorite

23

00:01:19,429 --> 00:01:16,880

client but also one of the most frequent

24

00:01:20,870 --> 00:01:19,439

so it comes as no surprise she is on the

25

00:01:22,710 --> 00:01:20,880

episode today

26

00:01:24,310 --> 00:01:22,720

on today's episode we are going to

27

00:01:27,350 --> 00:01:24,320

discuss various things

28

00:01:29,590 --> 00:01:27,360

among them the errantia book sometimes

29

00:01:32,630 --> 00:01:29,600

called the arantea papers

30

00:01:35,429 --> 00:01:32,640

or the fifth epical revelation

31

00:01:35,830 --> 00:01:35,439

a spiritual philosophical and religious

32

00:01:37,990 --> 00:01:35,840

book

33

00:01:40,149 --> 00:01:38,000

that originated in chicago sometime

34

00:01:43,910 --> 00:01:40,159

between 1924

35

00:01:45,030 --> 00:01:43,920

and 1955 the authorship remains a matter

36

00:01:46,950 --> 00:01:45,040

of speculation

37

00:01:48,710 --> 00:01:46,960

it has received various degrees of

38

00:01:49,670 --> 00:01:48,720

interest ranging from praise to

39

00:01:52,469 --> 00:01:49,680

criticism

40

00:01:54,069 --> 00:01:52,479

for its religious and science content

41

00:01:56,389 --> 00:01:54,079

its unusual length

42

00:01:57,990 --> 00:01:56,399

and its lack of a known author we'll get

43

00:02:02,310 --> 00:01:58,000

into other stuff too

44

00:02:04,950 --> 00:02:02,320

but let's get to it janna's key for more

45

00:02:07,510 --> 00:02:04,960

welcome to the hero paranormal podcast

46

00:02:09,749 --> 00:02:07,520

thank you ryan for having me on

47

00:02:11,510 --> 00:02:09,759

oh i'm excited i'm excited and there's

48

00:02:15,350 --> 00:02:11,520

so much to discuss

49

00:02:16,869 --> 00:02:15,360

and oh tons yes you know

50

00:02:18,949 --> 00:02:16,879

you have been interested in the

51

00:02:20,630 --> 00:02:18,959

paranormal for a long time and

52

00:02:22,949 --> 00:02:20,640

whether it was back when we were

53

00:02:24,790 --> 00:02:22,959

trudging along the uintah basin of utah

54

00:02:27,270 --> 00:02:24,800

looking for high strangeness

55

00:02:29,270 --> 00:02:27,280

or ghost hunting in salt lake city

56

00:02:30,070 --> 00:02:29,280

you've always kind of kept your pulse on

57

00:02:31,910 --> 00:02:30,080

things

58

00:02:34,550 --> 00:02:31,920

i was really interested when you

59

00:02:36,630 --> 00:02:34,560

mentioned this orontia book

60

00:02:38,150 --> 00:02:36,640

for the listeners you know a lot more

61

00:02:40,949 --> 00:02:38,160

about this than i do

62

00:02:41,830 --> 00:02:40,959

what what is it and how did you come

63

00:02:51,509 --> 00:02:41,840

about

64

00:02:54,710 --> 00:02:51,519

back in my 20s

65

00:02:57,509 --> 00:02:54,720

and i purchased it and then

66

00:02:59,110 --> 00:02:57,519

it was almost too heady for me at the

67

00:03:02,149 --> 00:02:59,120

time i couldn't

68

00:03:02,710 --> 00:03:02,159

even conceive of what it was talking

69

00:03:06,229 --> 00:03:02,720

about

70

00:03:09,430 --> 00:03:06,239

in the beginning i couldn't visualize

71

00:03:13,910 --> 00:03:09,440

even in my mind you know the hierarchy

72

00:03:17,589 --> 00:03:13,920

of of the things they were discussing

73

00:03:21,110 --> 00:03:17,599

but it really started with a lady

74

00:03:24,630 --> 00:03:21,120

who went to the this uh husband and wife

75

00:03:26,789 --> 00:03:24,640

doctor team in chicago the saddlers

76  
00:03:27,990 --> 00:03:26,799  
and she went to get help for her husband

77  
00:03:29,589 --> 00:03:28,000  
because

78  
00:03:32,710 --> 00:03:29,599  
he would go to sleep she couldn't wake

79  
00:03:35,110 --> 00:03:32,720  
him up and he would be talking in

80  
00:03:36,309 --> 00:03:35,120  
about things that that scared her she

81  
00:03:38,789 --> 00:03:36,319  
didn't understand it

82  
00:03:40,550 --> 00:03:38,799  
so she had originally gone to get help

83  
00:03:44,070 --> 00:03:40,560  
for her husband

84  
00:03:47,350 --> 00:03:44,080  
and anything one thing led to another

85  
00:03:48,149 --> 00:03:47,360  
and they realized he was in a

86  
00:03:53,030 --> 00:03:48,159  
trance-like

87  
00:03:56,390 --> 00:03:53,040  
state and he was dictating

88  
00:04:00,390 --> 00:03:56,400

information and so they

89

00:04:02,470 --> 00:04:00,400  
started hiring um you know a scribe

90

00:04:04,390 --> 00:04:02,480  
and someone who could take the notes of

91

00:04:08,630 --> 00:04:04,400  
what he was saying

92

00:04:11,670 --> 00:04:08,640  
and um all these documents came out and

93

00:04:14,550 --> 00:04:11,680  
it really started about 1911

94

00:04:16,469 --> 00:04:14,560  
but all the information was not compiled

95

00:04:18,150 --> 00:04:16,479  
all of the readings were not compiled

96

00:04:21,189 --> 00:04:18,160  
into book form

97

00:04:24,550 --> 00:04:21,199  
until i believe it was the 1950s

98

00:04:27,110 --> 00:04:24,560  
about 53 i believe and so

99

00:04:28,070 --> 00:04:27,120  
that is what began they don't know the

100

00:04:32,390 --> 00:04:28,080  
authors because

101

00:04:34,390 --> 00:04:32,400

it came almost through channeling

102

00:04:35,830 --> 00:04:34,400

you know it's interesting that the

103

00:04:38,390 --> 00:04:35,840

authorship remains

104

00:04:39,189 --> 00:04:38,400

a mystery because it a lot of these

105

00:04:40,950 --> 00:04:39,199

books

106

00:04:42,870 --> 00:04:40,960

and a lot of this information and

107

00:04:45,430 --> 00:04:42,880

sometimes even technologies

108

00:04:46,629 --> 00:04:45,440

it seems that a lot of people claim that

109

00:04:49,990 --> 00:04:46,639

this stuff is almost

110

00:04:52,629 --> 00:04:50,000

channeled like you say and right it's

111

00:04:55,670 --> 00:04:52,639

just wild how that comes about

112

00:04:55,990 --> 00:04:55,680

now well along the same lines you know

113

00:04:59,110 --> 00:04:56,000

was

114

00:05:03,110 --> 00:04:59,120

edgar casey and he dictated

115

00:05:06,790 --> 00:05:03,120

quite a bit his story is also unique

116

00:05:07,510 --> 00:05:06,800

excuse me and how he started going into

117

00:05:10,070 --> 00:05:07,520

translate

118

00:05:10,870 --> 00:05:10,080

states and dictating information

119

00:05:14,710 --> 00:05:10,880

primarily

120

00:05:18,070 --> 00:05:14,720

about health and cures

121

00:05:20,390 --> 00:05:18,080

for the human conditions

122

00:05:22,070 --> 00:05:20,400

it is strange edgar casey is one that

123

00:05:24,950 --> 00:05:22,080

just baffles me

124

00:05:25,510 --> 00:05:24,960

you know the the skeptics have tried so

125

00:05:28,469 --> 00:05:25,520

hard

126

00:05:30,790 --> 00:05:28,479

to debunk so much of what he's done and

127

00:05:34,230 --> 00:05:30,800

it's it's practically impossible

128

00:05:37,670 --> 00:05:34,240

i know it is i i got into him back also

129

00:05:40,189 --> 00:05:37,680

in my early twenties and

130

00:05:43,189 --> 00:05:40,199

my parents actually belonged to the

131

00:05:46,629 --> 00:05:43,199

organization that was developed

132

00:05:49,749 --> 00:05:46,639

around his readings the association for

133

00:05:52,790 --> 00:05:49,759

research and enlightenment the are

134

00:05:55,830 --> 00:05:52,800

and they had meetings at our home

135

00:05:58,870 --> 00:05:55,840

and of like-minded people

136

00:05:59,909 --> 00:05:58,880

and discussed all of that so i've been

137

00:06:03,270 --> 00:05:59,919

into this

138

00:06:06,469 --> 00:06:03,280

form for a very very long time since

139

00:06:08,950 --> 00:06:06,479

you know my early teenage years

140

00:06:11,830 --> 00:06:08,960

but what drew me to it again quite

141

00:06:13,909 --> 00:06:11,840

frankly as i was losing

142

00:06:17,909 --> 00:06:13,919

all faith and everything i didn't

143

00:06:24,150 --> 00:06:21,830

i just couldn't i just couldn't

144

00:06:25,110 --> 00:06:24,160

do it i there was nothing showing me

145

00:06:26,870 --> 00:06:25,120

that

146

00:06:28,870 --> 00:06:26,880

there was any rhyme or reason to this

147

00:06:31,510 --> 00:06:28,880

universe

148

00:06:33,510 --> 00:06:31,520

so i kind of hit rock bottom and for

149

00:06:36,550 --> 00:06:33,520

some reason

150

00:06:39,749 --> 00:06:36,560

i thought about the urantia book and

151  
00:06:41,350 --> 00:06:39,759  
i went on my kindle and i bought a copy

152  
00:06:42,550 --> 00:06:41,360  
god you can get it for less than four

153  
00:06:46,390 --> 00:06:42,560  
dollars

154  
00:06:48,790 --> 00:06:46,400  
on a reader electronic version

155  
00:06:50,469 --> 00:06:48,800  
and i started reading it and again got

156  
00:06:52,309 --> 00:06:50,479  
overwhelmed

157  
00:06:55,430 --> 00:06:52,319  
with the first part of it because

158  
00:06:58,870 --> 00:06:55,440  
there's so much in it that we cannot

159  
00:07:01,430 --> 00:06:58,880  
conceive because our understanding

160  
00:07:03,029 --> 00:07:01,440  
is not there it's just not there our

161  
00:07:05,430 --> 00:07:03,039  
brains

162  
00:07:06,950 --> 00:07:05,440  
can't grasp all of it so you know i

163  
00:07:09,110 --> 00:07:06,960

suggest

164

00:07:11,189 --> 00:07:09,120

you just take a chapter at a time i

165

00:07:12,469 --> 00:07:11,199

would read maybe a couple of pages then

166

00:07:15,589 --> 00:07:12,479

i would have to

167

00:07:16,230 --> 00:07:15,599

put it aside and lay back with my eyes

168

00:07:19,589 --> 00:07:16,240

closed

169

00:07:22,550 --> 00:07:19,599

and reflect on what it said and try to

170

00:07:26,469 --> 00:07:22,560

put it in some kind of order in my mind

171

00:07:27,830 --> 00:07:26,479

try to imagine it and it's very hard the

172

00:07:31,350 --> 00:07:27,840

first part of the book

173

00:07:34,309 --> 00:07:31,360

and so i kind of cheated i skipped on

174

00:07:34,950 --> 00:07:34,319

over to some other things just just to

175

00:07:37,990 --> 00:07:34,960

break it

176

00:07:41,029 --> 00:07:38,000

up and read more

177

00:07:44,070 --> 00:07:41,039

and then it became more and more

178

00:07:46,550 --> 00:07:44,080

sensible to me and frankly

179

00:07:47,990 --> 00:07:46,560

it makes the most sense to me of

180

00:07:51,909 --> 00:07:48,000

anything i have

181

00:07:54,950 --> 00:07:51,919

ever read about spirituality

182

00:07:57,990 --> 00:07:54,960

or religion

183

00:08:02,469 --> 00:07:58,000

anything it's so

184

00:08:07,110 --> 00:08:02,479

concise and so detailed about the life

185

00:08:11,029 --> 00:08:07,120

of christ it goes year by year

186

00:08:13,029 --> 00:08:11,039

from when he was born telling what

187

00:08:14,550 --> 00:08:13,039

he did in his life what it was like what

188

00:08:18,230 --> 00:08:14,560

he was feeling what he was

189

00:08:21,990 --> 00:08:18,240

doing everything and it's

190

00:08:24,469 --> 00:08:22,000

nothing like what we've been taught

191

00:08:27,189 --> 00:08:24,479

i mean it is and it isn't there is a lot

192

00:08:31,110 --> 00:08:30,070

also in you know the old testament and

193

00:08:35,829 --> 00:08:31,120

the new testament

194

00:08:40,070 --> 00:08:35,839

but it is just a scratch of the surface

195

00:08:41,990 --> 00:08:40,080

those books were written you know uh

196

00:08:43,909 --> 00:08:42,000

two to four hundred years after the life

197

00:08:48,310 --> 00:08:43,919

of christ and

198

00:08:51,829 --> 00:08:48,320

the new testament anyway and it's

199

00:08:53,990 --> 00:08:51,839

it's uh it's been changed through the

200

00:08:56,870 --> 00:08:54,000

years and added to and

201  
00:08:57,990 --> 00:08:56,880  
you know we just don't have the complete

202  
00:09:00,389 --> 00:08:58,000  
story

203  
00:09:02,310 --> 00:09:00,399  
old testament you know my mom always

204  
00:09:05,829 --> 00:09:02,320  
used to say that

205  
00:09:09,190 --> 00:09:05,839  
the old testament is man's

206  
00:09:12,630 --> 00:09:09,200  
idea of god

207  
00:09:15,829 --> 00:09:12,640  
and what they thought he was

208  
00:09:18,230 --> 00:09:15,839  
all about and so there's

209  
00:09:20,829 --> 00:09:18,240  
there's just a lot of them i wouldn't

210  
00:09:23,269 --> 00:09:20,839  
say misinformation but

211  
00:09:25,910 --> 00:09:23,279  
misinterpretation

212  
00:09:27,829 --> 00:09:25,920  
of a lot of what these authors were

213  
00:09:29,670 --> 00:09:27,839

trying to say

214

00:09:31,590 --> 00:09:29,680

and a lot of it's missing a lot of it

215

00:09:34,630 --> 00:09:31,600

still

216

00:09:35,350 --> 00:09:34,640

is missing and also as my mom and dad

217

00:09:38,550 --> 00:09:35,360

said

218

00:09:41,110 --> 00:09:38,560

it's still being written

219

00:09:41,590 --> 00:09:41,120

so you know i couldn't go by that

220

00:09:43,910 --> 00:09:41,600

because

221

00:09:45,509 --> 00:09:43,920

frankly the bible always confused me

222

00:09:46,630 --> 00:09:45,519

it's like this doesn't make sense this

223

00:09:50,470 --> 00:09:46,640

doesn't make sense

224

00:09:53,350 --> 00:09:50,480

this is too simplistic this is silly

225

00:09:55,350 --> 00:09:53,360

and i just couldn't imagine a god full

226  
00:09:56,630 --> 00:09:55,360  
of wrath and punishment i thought that

227  
00:10:02,829 --> 00:09:56,640  
was

228  
00:10:06,550 --> 00:10:05,430  
describing different battles and things

229  
00:10:09,829 --> 00:10:06,560  
that went on i thought

230  
00:10:11,269 --> 00:10:09,839  
now come on this this doesn't sound like

231  
00:10:17,990 --> 00:10:11,279  
it's advanced

232  
00:10:22,230 --> 00:10:18,000  
so i've searched you know that

233  
00:10:22,240 --> 00:10:27,269  
she got me

234  
00:10:34,710 --> 00:10:30,389  
ryan yeah there you are oh okay

235  
00:10:38,069 --> 00:10:34,720  
all right it's it's in four parts

236  
00:10:41,110 --> 00:10:38,079  
the book and the first part this is

237  
00:10:41,910 --> 00:10:41,120  
telling us about the central universe

238  
00:10:46,069 --> 00:10:41,920

and the super

239

00:10:49,190 --> 00:10:46,079

universes and that's

240

00:10:51,590 --> 00:10:49,200

really hard to follow then the second

241

00:10:55,269 --> 00:10:51,600

part is about the local universe

242

00:10:56,230 --> 00:10:55,279

which is what we're part of uh the third

243

00:10:58,829 --> 00:10:56,240

part is the

244

00:11:00,150 --> 00:10:58,839

history of urantia which is actually

245

00:11:07,509 --> 00:11:00,160

earth

246

00:11:09,670 --> 00:11:07,519

and our universe and the fourth part

247

00:11:12,470 --> 00:11:09,680

is the largest and it is the life and

248

00:11:14,030 --> 00:11:12,480

teachings of jesus

249

00:11:15,590 --> 00:11:14,040

but within these

250

00:11:19,030 --> 00:11:15,600

[Applause]

251  
00:11:20,790 --> 00:11:19,040  
chapters if you will there's detailed

252  
00:11:24,550 --> 00:11:20,800  
accounts

253  
00:11:28,150 --> 00:11:24,560  
of it explains a lot from the bible the

254  
00:11:29,430 --> 00:11:28,160  
the sons of and daughters of this and

255  
00:11:31,509 --> 00:11:29,440  
that and the other

256  
00:11:33,110 --> 00:11:31,519  
you wonder who who were these people

257  
00:11:33,829 --> 00:11:33,120  
what are they talking about in the bible

258  
00:11:38,470 --> 00:11:33,839  
well this

259  
00:11:41,990 --> 00:11:38,480  
explains it and

260  
00:11:46,949 --> 00:11:42,000  
it does go into the fact that we are

261  
00:11:51,269 --> 00:11:46,959  
not the only life form that was created

262  
00:11:56,150 --> 00:11:51,279  
in this universe there's millions

263  
00:11:59,990 --> 00:11:56,160

they have different physiological

264

00:12:03,350 --> 00:12:00,000

bodies if you will some cannot be seen

265

00:12:04,629 --> 00:12:03,360

by us everybody is made up of different

266

00:12:07,030 --> 00:12:04,639

chemistries and

267

00:12:08,069 --> 00:12:07,040

every species different chemistries

268

00:12:13,030 --> 00:12:08,079

different

269

00:12:19,190 --> 00:12:16,069

some can be seen some cannot be seen by

270

00:12:22,389 --> 00:12:19,200

us because our spectrum

271

00:12:24,710 --> 00:12:22,399

of sight is so limited

272

00:12:26,870 --> 00:12:24,720

and so reading through all this it's

273

00:12:28,069 --> 00:12:26,880

really so many things are popping back

274

00:12:33,269 --> 00:12:28,079

into my head about

275

00:12:38,680 --> 00:12:36,310

whatever they saw there that looked like

276

00:12:40,150 --> 00:12:38,690

a cloaked figure

277

00:12:41,829 --> 00:12:40,160

[Music]

278

00:12:45,110 --> 00:12:41,839

that you could just see the air movement

279

00:12:47,750 --> 00:12:45,120

but you couldn't see exactly what it was

280

00:12:50,829 --> 00:12:47,760

it reminded me of that it's all starting

281

00:12:52,550 --> 00:12:50,839

to swirl around and come together in my

282

00:12:55,590 --> 00:12:52,560

mind

283

00:12:58,629 --> 00:12:55,600

it's fascinating and there's no surprise

284

00:13:02,470 --> 00:12:58,639

that it it's received uh

285

00:13:05,430 --> 00:13:02,480

criticism of course as most really

286

00:13:07,110 --> 00:13:05,440

and whenever you have content like this

287

00:13:09,430 --> 00:13:07,120

it seems like the easiest thing from a

288

00:13:10,790 --> 00:13:09,440

human perspective is to try to debunk it

289

00:13:12,629 --> 00:13:10,800

or at least that's what some of the

290

00:13:16,230 --> 00:13:12,639

population does

291

00:13:19,509 --> 00:13:16,240

oh yeah myself included i see no

292

00:13:22,230 --> 00:13:19,519

contradictions yet

293

00:13:23,350 --> 00:13:22,240

so absolutely no contradictions with

294

00:13:30,230 --> 00:13:23,360

other

295

00:13:31,670 --> 00:13:30,240

uh between you know the bible and casey

296

00:13:37,550 --> 00:13:31,680

readings

297

00:13:40,710 --> 00:13:37,560

any conflict i only see

298

00:13:44,629 --> 00:13:40,720

[Music]

299

00:13:47,670 --> 00:13:44,639

and more detail on it

300

00:13:51,590 --> 00:13:49,750

it's when sense to me than anything i

301  
00:13:55,509 --> 00:13:51,600  
have ever ever read

302  
00:13:56,870 --> 00:13:55,519  
and i'm absolutely you know mesmerized

303  
00:14:02,550 --> 00:13:56,880  
by it and i've only been

304  
00:14:05,509 --> 00:14:02,560  
reading this fully for a week mm-hmm

305  
00:14:07,189 --> 00:14:05,519  
you know again i have to stop sit back

306  
00:14:10,949 --> 00:14:07,199  
reflect on it

307  
00:14:14,389 --> 00:14:10,959  
i try to you know find any flaws

308  
00:14:15,030 --> 00:14:14,399  
in it doesn't matter i'm an idiot

309  
00:14:18,870 --> 00:14:15,040  
because i was

310  
00:14:20,949 --> 00:14:18,880  
giving these exact dates jesus was born

311  
00:14:24,069 --> 00:14:20,959  
on august 21st

312  
00:14:27,110 --> 00:14:24,079  
7 bc and then

313  
00:14:30,629 --> 00:14:27,120

information about

314

00:14:32,310 --> 00:14:30,639

um 3 bc two bc all this i was going wait

315

00:14:35,110 --> 00:14:32,320

a minute you're going backwards instead

316

00:14:41,269 --> 00:14:35,120

of forwards this doesn't make any sense

317

00:14:44,470 --> 00:14:43,829

oh my god i was so i was laughing at

318

00:14:46,550 --> 00:14:44,480

myself

319

00:14:48,710 --> 00:14:46,560

i thought okay jonas it's not going

320

00:14:51,829 --> 00:14:48,720

backward it's going forward

321

00:14:54,949 --> 00:14:51,839

towards 80 years

322

00:14:59,509 --> 00:14:58,550

confused by that i think i probably

323

00:15:02,069 --> 00:14:59,519

would have been too

324

00:15:04,230 --> 00:15:02,079

and the the coolest thing is that you're

325

00:15:05,430 --> 00:15:04,240

mentioning edgar casey because i just

326

00:15:07,829 --> 00:15:05,440

recently spoke

327

00:15:10,230 --> 00:15:07,839

uh with the gentleman who's an expert on

328

00:15:11,670 --> 00:15:10,240

an area called the penny royal plateau

329

00:15:14,949 --> 00:15:11,680

in kentucky

330

00:15:17,590 --> 00:15:14,959

and it's one of the largest geomagnetic

331

00:15:18,389 --> 00:15:17,600

areas in the united states if not the

332

00:15:21,910 --> 00:15:18,399

largest

333

00:15:23,430 --> 00:15:21,920

a huge anomaly and it seems like some of

334

00:15:26,230 --> 00:15:23,440

these areas

335

00:15:27,030 --> 00:15:26,240

much like the penny royal and the uintah

336

00:15:30,150 --> 00:15:27,040

basin

337

00:15:33,269 --> 00:15:30,160

sedona and other parts of the world

338

00:15:34,749 --> 00:15:33,279

where you have these unusual spikes in

339

00:15:38,150 --> 00:15:34,759

geomagnetic

340

00:15:40,150 --> 00:15:38,160

electromagnetic fields etc there's an

341

00:15:42,389 --> 00:15:40,160

interesting correlation with just

342

00:15:45,269 --> 00:15:42,399

synchronicity and coincidence

343

00:15:46,550 --> 00:15:45,279

and uh edgar casey is like i said from

344

00:15:48,710 --> 00:15:46,560

that area so

345

00:15:49,910 --> 00:15:48,720

it's really strange how all these things

346

00:15:54,790 --> 00:15:49,920

seem to uh

347

00:15:57,670 --> 00:15:54,800

be in layers and and chicago some

348

00:15:58,150 --> 00:15:57,680

the time that we're discussing that area

349

00:16:02,389 --> 00:15:58,160

was

350

00:16:05,670 --> 00:16:02,399

just chalk full of ceremonial magicians

351

00:16:08,069 --> 00:16:05,680

uh all kinds of esoteric groups

352

00:16:09,670 --> 00:16:08,079

and it's just a matter of fact you know

353

00:16:12,629 --> 00:16:09,680

not speculation but

354

00:16:14,710 --> 00:16:12,639

i mean it was just it seems like it was

355

00:16:17,749 --> 00:16:14,720

bursting at the seams with all this

356

00:16:20,710 --> 00:16:17,759

information so it's really neat that

357

00:16:21,990 --> 00:16:20,720

the book is in some way shape or form

358

00:16:25,110 --> 00:16:22,000

its origin is kind of from

359

00:16:29,030 --> 00:16:28,069

yeah it that's very interesting and a

360

00:16:32,310 --> 00:16:29,040

lot of

361

00:16:36,470 --> 00:16:32,320

the explanations in this book

362

00:16:40,870 --> 00:16:36,480

also make me think of and relate back to

363

00:16:45,189 --> 00:16:43,749

yeah absolutely on the right track and

364

00:16:50,230 --> 00:16:45,199

um

365

00:16:54,949 --> 00:16:50,240

electric and magnetic

366

00:16:57,990 --> 00:16:54,959

powers have a lot have everything to do

367

00:17:02,310 --> 00:16:58,000

with tuning in more to

368

00:17:05,429 --> 00:17:04,789

it really does and you know we our

369

00:17:08,630 --> 00:17:05,439

brains

370

00:17:11,189 --> 00:17:08,640

our hearts us we are literally

371

00:17:12,069 --> 00:17:11,199

you know defined by small electric

372

00:17:15,350 --> 00:17:12,079

pulses

373

00:17:15,829 --> 00:17:15,360

and yet exactly you know it's so funny

374

00:17:18,390 --> 00:17:15,839

that we

375

00:17:19,590 --> 00:17:18,400

dis or a majority of the population

376

00:17:23,909 --> 00:17:19,600

disregards

377

00:17:26,309 --> 00:17:23,919

some of this information and speculate

378

00:17:28,549 --> 00:17:26,319

it's really a revelation to me that you

379

00:17:30,830 --> 00:17:28,559

know of course we're going to be tuned

380

00:17:32,870 --> 00:17:30,840

into particular things that are

381

00:17:36,549 --> 00:17:32,880

electromagnetic

382

00:17:37,669 --> 00:17:36,559

right right and also it can be an

383

00:17:41,669 --> 00:17:37,679

adverse reaction

384

00:17:43,190 --> 00:17:41,679

as well because we're so limited in this

385

00:17:46,070 --> 00:17:43,200

three-dimensional world

386

00:17:49,270 --> 00:17:46,080

that something that powerful can of

387

00:17:51,830 --> 00:17:49,280

course damage us

388

00:17:53,270 --> 00:17:51,840

and we have to be very careful on how we

389

00:17:56,310 --> 00:17:53,280

use it

390

00:18:00,789 --> 00:17:56,320

and try to harness it but

391

00:18:03,430 --> 00:18:00,799

to me the flow can be

392

00:18:06,470 --> 00:18:03,440

very beneficial if people learn how to

393

00:18:09,510 --> 00:18:06,480

use it correctly

394

00:18:12,870 --> 00:18:09,520

i think so i mean part of who we are

395

00:18:15,110 --> 00:18:12,880

i mean the spark that flew you know

396

00:18:15,909 --> 00:18:15,120

that touched off everything that touches

397

00:18:19,590 --> 00:18:15,919

off life

398

00:18:22,950 --> 00:18:19,600

it's it's absolutely amazing

399

00:18:26,230 --> 00:18:22,960

and it it is

400

00:18:29,750 --> 00:18:26,240

still a mystery it

401  
00:18:31,669 --> 00:18:29,760  
is and and it's it's funny how

402  
00:18:33,909 --> 00:18:31,679  
you know we have for example let's just

403  
00:18:36,150 --> 00:18:33,919  
take the medical field

404  
00:18:37,830 --> 00:18:36,160  
and we have like a pacemaker that with a

405  
00:18:40,789 --> 00:18:37,840  
very small like you said spark or

406  
00:18:44,230 --> 00:18:40,799  
electromagnetic pulse can keep us alive

407  
00:18:47,270 --> 00:18:44,240  
yet we will walk by or under

408  
00:18:49,590 --> 00:18:47,280  
you know power lines or transformers and

409  
00:18:51,190 --> 00:18:49,600  
just think that we're completely immune

410  
00:18:52,630 --> 00:18:51,200  
it's it's mind-boggling it's just

411  
00:18:55,029 --> 00:18:52,640  
mind-boggling to me that

412  
00:18:56,950 --> 00:18:55,039  
people don't realize and i i don't know

413  
00:18:57,909 --> 00:18:56,960

where to sit on 5g i don't have enough

414

00:19:00,549 --> 00:18:57,919

information

415

00:19:00,950 --> 00:19:00,559

but there's so many things like that

416

00:19:02,950 --> 00:19:00,960

that

417

00:19:04,310 --> 00:19:02,960

um you know we eat out of microwaves

418

00:19:07,830 --> 00:19:04,320

without fear

419

00:19:11,270 --> 00:19:07,840

and we're just not i don't know if we

420

00:19:15,110 --> 00:19:11,280

are like you said fully awake or aware

421

00:19:16,549 --> 00:19:15,120

of our surroundings i don't think we are

422

00:19:19,669 --> 00:19:16,559

at all i think we're still

423

00:19:22,470 --> 00:19:19,679

infants in every aspect

424

00:19:24,310 --> 00:19:22,480

of living in this three-dimensional

425

00:19:27,990 --> 00:19:24,320

world i think

426

00:19:30,710 --> 00:19:28,000

that we're still babes in the woods

427

00:19:31,669 --> 00:19:30,720

and we need to progress we need to

428

00:19:34,710 --> 00:19:31,679

evolve

429

00:19:38,070 --> 00:19:34,720

more in order to understand more

430

00:19:40,470 --> 00:19:38,080

but everybody's focus is on

431

00:19:43,190 --> 00:19:40,480

all this day-to-day living stuff they

432

00:19:46,710 --> 00:19:43,200

don't take enough time out of their day

433

00:19:49,510 --> 00:19:46,720

to reflect to meditate whatever it is

434

00:19:51,190 --> 00:19:49,520

that makes them sit still and think

435

00:19:53,990 --> 00:19:51,200

about this world

436

00:19:55,029 --> 00:19:54,000

and how they can better it there's not

437

00:19:59,029 --> 00:19:55,039

enough people

438

00:20:03,110 --> 00:19:59,039

that are turning their focus that way to

439

00:20:06,870 --> 00:20:03,120

create the evolution

440

00:20:08,950 --> 00:20:06,880

they need mm-hmm

441

00:20:09,990 --> 00:20:08,960

in order to live a better life take care

442

00:20:13,270 --> 00:20:10,000

of the planet

443

00:20:16,310 --> 00:20:13,280

things such as that that have been

444

00:20:18,470 --> 00:20:16,320

from what everything i read we as humans

445

00:20:23,990 --> 00:20:18,480

have been entrusted to take care of

446

00:20:26,470 --> 00:20:24,000

and we're not we're simply not

447

00:20:27,029 --> 00:20:26,480

no we're blowing it and it's funny that

448

00:20:28,950 --> 00:20:27,039

um

449

00:20:31,270 --> 00:20:28,960

you you mentioned that because it does

450

00:20:33,990 --> 00:20:31,280

seem like when you look through history

451  
00:20:36,950 --> 00:20:34,000  
those who make the biggest contributions

452  
00:20:40,149 --> 00:20:36,960  
the philosopher class the elites etc

453  
00:20:43,430 --> 00:20:40,159  
are those who have more time to

454  
00:20:45,510 --> 00:20:43,440  
as you said ponder the long game and not

455  
00:20:47,909 --> 00:20:45,520  
be dealing with the short game of

456  
00:20:49,750 --> 00:20:47,919  
day-to-day life and it's usually those

457  
00:20:53,669 --> 00:20:49,760  
that are philosophizing

458  
00:20:58,149 --> 00:20:53,679  
speculating and really tapping into

459  
00:21:00,630 --> 00:20:58,159  
whatever it is well as

460  
00:21:03,270 --> 00:21:00,640  
christ said you know you live in the

461  
00:21:06,789 --> 00:21:03,280  
world but not of it

462  
00:21:10,960 --> 00:21:06,799  
i love the of the world and

463  
00:21:12,870 --> 00:21:10,970

he kept his focus on the big picture

464

00:21:17,190 --> 00:21:12,880

[Music]

465

00:21:19,029 --> 00:21:17,200

absolutely showing trying to show us how

466

00:21:22,470 --> 00:21:19,039

to do it ourselves

467

00:21:27,350 --> 00:21:22,480

but you know this world right now is so

468

00:21:30,870 --> 00:21:27,360

consumed with materiality

469

00:21:34,149 --> 00:21:30,880

that they're not prone to

470

00:21:36,070 --> 00:21:34,159

reach higher than that at this stage

471

00:21:38,070 --> 00:21:36,080

so you know evolution is going to be you

472

00:21:39,669 --> 00:21:38,080

know more evolution it's constantly

473

00:21:42,230 --> 00:21:39,679

changing

474

00:21:44,390 --> 00:21:42,240

and uh it's gonna it's gonna get us

475

00:21:46,310 --> 00:21:44,400

there one day but

476  
00:21:49,350 --> 00:21:46,320  
not until people start looking within

477  
00:21:53,029 --> 00:21:51,430  
isn't that the truth and i should

478  
00:21:54,549 --> 00:21:53,039  
mention you're in upstate new york

479  
00:21:58,070 --> 00:21:54,559  
correct janice

480  
00:22:00,390 --> 00:21:58,080  
right and i from what i understand

481  
00:22:01,430 --> 00:22:00,400  
that area has really kind of blown up

482  
00:22:04,549 --> 00:22:01,440  
through this

483  
00:22:06,789 --> 00:22:04,559  
pandemic uh people leaving the city

484  
00:22:08,549 --> 00:22:06,799  
trying to get back to the roots trying

485  
00:22:12,310 --> 00:22:08,559  
to get back to

486  
00:22:15,590 --> 00:22:12,320  
basics well you know i

487  
00:22:17,909 --> 00:22:15,600  
i haven't seen a lot of this here but

488  
00:22:18,789 --> 00:22:17,919

i mean i'm up in binghamton so you know

489

00:22:20,870 --> 00:22:18,799

i'm kind of

490

00:22:22,549 --> 00:22:20,880

on the border of pennsylvania and new

491

00:22:25,190 --> 00:22:22,559

york

492

00:22:26,230 --> 00:22:25,200

uh right in the middle of the state so

493

00:22:28,390 --> 00:22:26,240

you know i'm i'm

494

00:22:29,669 --> 00:22:28,400

three and a half hours away from the big

495

00:22:33,350 --> 00:22:29,679

city

496

00:22:34,870 --> 00:22:33,360

north of it so you know that may be true

497

00:22:40,149 --> 00:22:34,880

of the city

498

00:22:42,710 --> 00:22:40,159

but up in this area that's pretty much

499

00:22:44,149 --> 00:22:42,720

same as it was when i got here i don't

500

00:22:47,830 --> 00:22:44,159

see any mass

501  
00:22:49,750 --> 00:22:47,840  
exodus to come up here but i'm sure

502  
00:22:54,230 --> 00:22:49,760  
there's a lot in the city that have

503  
00:22:56,549 --> 00:22:54,240  
gone north into some of the smaller

504  
00:22:57,990 --> 00:22:56,559  
you know little hamlets and villages

505  
00:23:00,390 --> 00:22:58,000  
there

506  
00:23:02,789 --> 00:23:00,400  
and still commute into the city it's

507  
00:23:04,710 --> 00:23:02,799  
it's not that hard

508  
00:23:06,630 --> 00:23:04,720  
i think you're right i think they they

509  
00:23:07,990 --> 00:23:06,640  
kind of get limited at about that two

510  
00:23:10,950 --> 00:23:08,000  
hour mark they don't want to be

511  
00:23:12,230 --> 00:23:10,960  
too far from the the hustle and bustle

512  
00:23:14,710 --> 00:23:12,240  
and

513  
00:23:16,710 --> 00:23:14,720

you know it reminds me um speaking of a

514

00:23:17,270 --> 00:23:16,720

couple hours from the city the Uintah

515

00:23:20,149 --> 00:23:17,280

basin

516

00:23:21,990 --> 00:23:20,159

compared to salt lake city it seems like

517

00:23:25,270 --> 00:23:22,000

the more rural areas

518

00:23:28,149 --> 00:23:25,280

tend to have more going on

519

00:23:30,710 --> 00:23:28,159

have in the area you're in is there a

520

00:23:32,789 --> 00:23:30,720

lot of that

521

00:23:33,909 --> 00:23:32,799

um you know i don't hear too much about

522

00:23:37,270 --> 00:23:33,919

it up around

523

00:23:39,430 --> 00:23:37,280

here lately but uh

524

00:23:41,350 --> 00:23:39,440

there there has been some here and there

525

00:23:43,909 --> 00:23:41,360

but the biggest one of course was in the

526

00:23:46,470 --> 00:23:43,919

60s at fine bush

527

00:23:49,990 --> 00:23:46,480

and to this day pine bush has their

528

00:23:53,110 --> 00:23:50,000

little ufo festival every year

529

00:23:56,549 --> 00:23:53,120

but because of all the attention it

530

00:23:59,590 --> 00:23:56,559

attracted they've banned people from

531

00:24:03,590 --> 00:23:59,600

going to the spots where

532

00:24:07,269 --> 00:24:03,600

the ufos touched down

533

00:24:09,190 --> 00:24:07,279

and uh one was a jewish cemetery so that

534

00:24:10,870 --> 00:24:09,200

they've kind of banned people from

535

00:24:11,430 --> 00:24:10,880

hanging around and trying to get in

536

00:24:14,789 --> 00:24:11,440

there and

537

00:24:16,789 --> 00:24:14,799

you know research and stuff but hudson

538

00:24:19,269 --> 00:24:16,799

valley is known for it

539

00:24:21,110 --> 00:24:19,279

so you're getting up around oh

540

00:24:24,149 --> 00:24:21,120

poughkeepsie

541

00:24:26,149 --> 00:24:24,159

uh where the vanderbilt uh mansion is

542

00:24:28,230 --> 00:24:26,159

and fdr's home

543

00:24:29,830 --> 00:24:28,240

is in hyde park which is right by

544

00:24:33,590 --> 00:24:29,840

poughkeepsie

545

00:24:37,110 --> 00:24:33,600

and hudson river seems to attract a lot

546

00:24:40,789 --> 00:24:37,120

that's a big big river let me tell you

547

00:24:41,430 --> 00:24:40,799

yeah like nothing i've seen out west at

548

00:24:45,350 --> 00:24:41,440

all this

549

00:24:48,149 --> 00:24:45,360

is humongous river

550

00:24:50,070 --> 00:24:48,159

it does seem it does seem like water has

551  
00:24:50,950 --> 00:24:50,080  
something to do with a lot of these

552  
00:24:53,990 --> 00:24:50,960  
anomalies

553  
00:24:54,789 --> 00:24:54,000  
and getting back to the uintah basin you

554  
00:24:56,950 --> 00:24:54,799  
used to come up

555  
00:24:57,990 --> 00:24:56,960  
all the time we spent a lot of time out

556  
00:25:00,470 --> 00:24:58,000  
there

557  
00:25:01,510 --> 00:25:00,480  
you know the the more i've learned it

558  
00:25:04,950 --> 00:25:01,520  
seems like the less

559  
00:25:09,190 --> 00:25:04,960  
my you know my theories change

560  
00:25:11,669 --> 00:25:09,200  
yeah what we have to because

561  
00:25:13,669 --> 00:25:11,679  
you know nothing seems to ever be the

562  
00:25:15,909 --> 00:25:13,679  
same twice out there

563  
00:25:17,750 --> 00:25:15,919

no it doesn't it really you know it

564

00:25:19,590 --> 00:25:17,760

really doesn't it

565

00:25:21,110 --> 00:25:19,600

it just when you think you're getting a

566

00:25:23,269 --> 00:25:21,120

grasp of it you're

567

00:25:25,830 --> 00:25:23,279

you're you're flipped on your head and

568

00:25:28,789 --> 00:25:25,840

you you have no grasp at all

569

00:25:29,190 --> 00:25:28,799

in right in your opinion of course this

570

00:25:31,430 --> 00:25:29,200

is a

571

00:25:32,789 --> 00:25:31,440

big question i i don't have the answer

572

00:25:35,269 --> 00:25:32,799

to it

573

00:25:38,390 --> 00:25:35,279

what do you think is going on up there i

574

00:25:41,669 --> 00:25:38,400

mean i have to ask everybody that

575

00:25:45,029 --> 00:25:41,679

well honestly i'm a big fan and

576

00:25:49,190 --> 00:25:45,039

follower of quantum physics

577

00:25:52,390 --> 00:25:49,200

and i do believe that there is

578

00:25:56,070 --> 00:25:52,400

a portal point between

579

00:25:58,630 --> 00:25:56,080

parallel worlds i really do

580

00:25:59,590 --> 00:25:58,640

uh that stuff has been proven by quantum

581

00:26:02,630 --> 00:25:59,600

physics

582

00:26:07,350 --> 00:26:02,640

and um they got a way to go

583

00:26:11,190 --> 00:26:07,360

but they're proving it and i think it's

584

00:26:13,990 --> 00:26:11,200

easy to imagine

585

00:26:17,510 --> 00:26:14,000

like a you know the double rings on

586

00:26:20,630 --> 00:26:17,520

saturn that there is a parallel

587

00:26:23,669 --> 00:26:22,789

in between what they called in the old

588

00:26:29,350 --> 00:26:23,679

books the

589

00:26:35,669 --> 00:26:32,549

that's to me a portal to another

590

00:26:42,390 --> 00:26:39,029

so i think myself i think

591

00:26:45,909 --> 00:26:42,400

there may be other life forms

592

00:26:47,990 --> 00:26:45,919

like was discussed in this book

593

00:26:50,830 --> 00:26:48,000

there's other life forms that are either

594

00:26:53,190 --> 00:26:50,840

an appel parallel world

595

00:26:56,710 --> 00:26:53,200

or possibly

596

00:27:00,789 --> 00:26:56,720

coming through those portals

597

00:27:03,190 --> 00:27:00,799

and seeing what we're all about

598

00:27:07,269 --> 00:27:03,200

i don't know what's drawing them to the

599

00:27:11,590 --> 00:27:07,279

ranch specifically but

600

00:27:13,510 --> 00:27:11,600

as tricky as they are i'm not sure

601  
00:27:15,350 --> 00:27:13,520  
they may be advanced obviously they're

602  
00:27:17,830 --> 00:27:15,360  
advanced but

603  
00:27:19,830 --> 00:27:17,840  
it's almost like their teenage kids are

604  
00:27:20,450 --> 00:27:19,840  
getting across to pull the prankster

605  
00:27:22,389 --> 00:27:20,460  
stuff

606  
00:27:25,669 --> 00:27:22,399  
[Music]

607  
00:27:26,470 --> 00:27:25,679  
and i just think it is a life form that

608  
00:27:30,950 --> 00:27:26,480  
we

609  
00:27:37,029 --> 00:27:30,960  
do not know yet and possibly cannot see

610  
00:27:41,190 --> 00:27:39,269  
however they want to appear to us if

611  
00:27:45,029 --> 00:27:41,200  
they can lower their

612  
00:27:47,590 --> 00:27:45,039  
vibrational frequency enough to

613  
00:27:48,070 --> 00:27:47,600

become matter because you know the

614

00:27:51,909 --> 00:27:48,080

higher the

615

00:27:55,269 --> 00:27:51,919

frequency of anything

616

00:27:58,230 --> 00:27:55,279

you can't see from

617

00:28:01,510 --> 00:27:58,240

our perspective you can't see it so if

618

00:28:04,230 --> 00:28:01,520

they could lower their vibrational

619

00:28:05,590 --> 00:28:04,240

essence then they would appear it would

620

00:28:09,669 --> 00:28:05,600

you know become

621

00:28:12,470 --> 00:28:09,679

matter and you could see them

622

00:28:12,950 --> 00:28:12,480

but this is all just swirling in my head

623

00:28:15,990 --> 00:28:12,960

from

624

00:28:19,350 --> 00:28:16,000

you know science and what i've read

625

00:28:22,789 --> 00:28:19,360

and what i've seen i just think

626

00:28:26,149 --> 00:28:22,799

it's kind of a portal play between

627

00:28:28,830 --> 00:28:26,159

different creatures and possibly

628

00:28:33,990 --> 00:28:30,710

worlds i don't know

629

00:28:37,029 --> 00:28:34,000

why they think it's so interesting there

630

00:28:40,230 --> 00:28:37,039

um but

631

00:28:43,430 --> 00:28:40,240

everything to me seems to be

632

00:28:46,950 --> 00:28:43,440

underground and

633

00:28:50,389 --> 00:28:46,960

there's so much emphasis

634

00:28:53,990 --> 00:28:50,399

since you know the 90s on

635

00:28:54,789 --> 00:28:54,000

documenting and taking pictures and

636

00:28:58,710 --> 00:28:54,799

using

637

00:29:01,590 --> 00:28:58,720

instruments and to me

638

00:29:02,630 --> 00:29:01,600

put all that away don't don't sit and

639

00:29:05,750 --> 00:29:02,640

try to

640

00:29:07,510 --> 00:29:05,760

qualify at first and get evidence sit

641

00:29:10,870 --> 00:29:07,520

down

642

00:29:14,149 --> 00:29:10,880

and try to connect with it

643

00:29:18,789 --> 00:29:14,159

on a one-on-one basis where you're not

644

00:29:22,230 --> 00:29:18,799

threatening and you can communicate

645

00:29:25,590 --> 00:29:22,240

with whatever is there offer friendship

646

00:29:27,590 --> 00:29:25,600

communicate try to draw it in to just

647

00:29:30,870 --> 00:29:27,600

exchange

648

00:29:31,830 --> 00:29:30,880

information and put away all the

649

00:29:34,549 --> 00:29:31,840

counters and

650

00:29:34,870 --> 00:29:34,559

all the instruments and just leave that

651  
00:29:37,990 --> 00:29:34,880  
for

652  
00:29:41,190 --> 00:29:38,000  
later because no matter what you do

653  
00:29:43,510 --> 00:29:41,200  
my god if nibs couldn't do it these guys

654  
00:29:45,510 --> 00:29:43,520  
now although they're making a great

655  
00:29:47,029 --> 00:29:45,520  
attempt

656  
00:29:50,470 --> 00:29:47,039  
they're not going to be able to do what

657  
00:29:53,990 --> 00:29:51,990  
and it's so true about the

658  
00:29:56,870 --> 00:29:54,000  
instrumentation and science you know

659  
00:29:58,549 --> 00:29:56,880  
i i sometimes will go up with people and

660  
00:30:01,269 --> 00:29:58,559  
pull out all the gear and you get the

661  
00:30:04,710 --> 00:30:01,279  
praise like oh wow look at all this gear

662  
00:30:07,269 --> 00:30:04,720  
but the reality is when you shut that

663  
00:30:08,310 --> 00:30:07,279

all down when you turn everything off

664

00:30:12,230 --> 00:30:08,320

and

665

00:30:16,389 --> 00:30:12,240

you just exactly it more happens

666

00:30:18,630 --> 00:30:16,399

and that is fascinating to me because

667

00:30:20,310 --> 00:30:18,640

it's really as if all the gear just gets

668

00:30:24,630 --> 00:30:20,320

in the way

669

00:30:28,070 --> 00:30:24,640

yes and and it's it it really can't

670

00:30:30,070 --> 00:30:28,080

it can't pinpoint um you'll you'll get

671

00:30:32,389 --> 00:30:30,080

you'll get some sympathetic

672

00:30:33,510 --> 00:30:32,399

electromagnetic frequencies k2 meters

673

00:30:36,789 --> 00:30:33,520

things like that

674

00:30:39,590 --> 00:30:36,799

and even even what yeah it just does

675

00:30:40,789 --> 00:30:39,600

not do the same as when you turn

676

00:30:42,630 --> 00:30:40,799

everything

677

00:30:44,470 --> 00:30:42,640

yeah you could get more information by

678

00:30:47,830 --> 00:30:44,480

trying to communicate

679

00:30:49,990 --> 00:30:47,840

absolutely absolutely and

680

00:30:51,669 --> 00:30:50,000

try to show that you're not there to

681

00:30:54,950 --> 00:30:51,679

endanger

682

00:30:58,149 --> 00:30:54,960

anything that you just want to

683

00:31:00,549 --> 00:30:58,159

exchange communication

684

00:31:03,029 --> 00:31:00,559

and to me that is the best approach to

685

00:31:06,230 --> 00:31:03,039

any of that

686

00:31:08,789 --> 00:31:06,240

any paranormal investigation

687

00:31:10,630 --> 00:31:08,799

i don't put much back into you know

688

00:31:13,269 --> 00:31:10,640

every time i've hauled around camera

689

00:31:16,830 --> 00:31:13,279

try field meter recorder all that stuff

690

00:31:19,269 --> 00:31:16,840

it's like it gets in my way i want the

691

00:31:23,669 --> 00:31:19,279

experience

692

00:31:25,750 --> 00:31:23,679

know i want to communicate

693

00:31:26,789 --> 00:31:25,760

why else am i there i'm not there to

694

00:31:29,590 --> 00:31:26,799

take pictures

695

00:31:31,029 --> 00:31:29,600

and and try to prove to somebody else

696

00:31:35,110 --> 00:31:31,039

i'm trying

697

00:31:36,310 --> 00:31:35,120

to get it myself get some kind of back

698

00:31:40,870 --> 00:31:36,320

and forth

699

00:31:42,630 --> 00:31:40,880

and it just doesn't make sense to me

700

00:31:44,710 --> 00:31:42,640

to try to prove to the world something's

701  
00:31:45,430 --> 00:31:44,720  
there until you believe in proving it to

702  
00:31:49,190 --> 00:31:45,440  
yourself

703  
00:31:52,710 --> 00:31:49,200  
first very true

704  
00:31:54,470 --> 00:31:52,720  
and it's it's the best i think the best

705  
00:31:57,190 --> 00:31:54,480  
experiences i've had is when

706  
00:31:57,909 --> 00:31:57,200  
when i'm with researchers that know more

707  
00:32:00,389 --> 00:31:57,919  
than me

708  
00:32:02,870 --> 00:32:00,399  
and there's been times when like you

709  
00:32:06,549 --> 00:32:02,880  
said i'm clamoring with cameras and

710  
00:32:09,110 --> 00:32:06,559  
meters and all this visual spectrum bs

711  
00:32:09,830 --> 00:32:09,120  
and you know they're telling me just put

712  
00:32:12,630 --> 00:32:09,840  
that down

713  
00:32:13,990 --> 00:32:12,640

you're gonna miss the show and you do

714

00:32:17,269 --> 00:32:14,000

you miss the show when you

715

00:32:18,950 --> 00:32:17,279

are it it's almost like you're trying to

716

00:32:20,870 --> 00:32:18,960

sneak up on something and you're covered

717

00:32:24,870 --> 00:32:20,880

in pots and pans clamoring

718

00:32:31,509 --> 00:32:28,230

yeah that uh that's exactly

719

00:32:33,669 --> 00:32:31,519

a great um whatever i'm

720

00:32:36,310 --> 00:32:33,679

trying to say i i lose my thoughts

721

00:32:39,350 --> 00:32:36,320

sometimes but

722

00:32:40,630 --> 00:32:39,360

the thing is you're right more does

723

00:32:43,850 --> 00:32:40,640

happen

724

00:32:45,029 --> 00:32:43,860

remember when we were coming back from

725

00:32:48,230 --> 00:32:45,039

[Music]

726

00:32:50,710 --> 00:32:48,240

the ranch and we were

727

00:32:51,990 --> 00:32:50,720

driving on that street road and we

728

00:32:54,389 --> 00:32:52,000

looked to the left

729

00:32:56,389 --> 00:32:54,399

and far off you know it was a

730

00:32:58,789 --> 00:32:56,399

neighborhood a row of houses with their

731

00:32:59,190 --> 00:32:58,799

backs to us and the back fences towards

732

00:33:02,470 --> 00:32:59,200

us

733

00:33:06,230 --> 00:33:02,480

and we saw a huge tree that

734

00:33:08,630 --> 00:33:06,240

was just go up in flames

735

00:33:10,870 --> 00:33:08,640

do you remember seeing that tree just

736

00:33:12,149 --> 00:33:10,880

that red light was so intense and

737

00:33:16,389 --> 00:33:12,159

unusual

738

00:33:19,029 --> 00:33:16,399

it looked like it was on fire from hell

739

00:33:20,149 --> 00:33:19,039

and i mean i know it was split seconds

740

00:33:22,710 --> 00:33:20,159

we discussed we can

741

00:33:24,149 --> 00:33:22,720

get over there and help can whatever and

742

00:33:26,950 --> 00:33:24,159

just a little bit later

743

00:33:28,710 --> 00:33:26,960

driving by then it it was totally dark

744

00:33:32,549 --> 00:33:28,720

again

745

00:33:36,310 --> 00:33:35,110

yeah and it was a huge tree i mean like

746

00:33:38,870 --> 00:33:36,320

the burning bush

747

00:33:39,590 --> 00:33:38,880

times a hundred it was higher than the

748

00:33:43,430 --> 00:33:39,600

house

749

00:33:47,430 --> 00:33:43,440

yes it was just blazing

750

00:33:49,590 --> 00:33:47,440

red fire

751  
00:33:51,430 --> 00:33:49,600  
that was strange i'll never be able to

752  
00:33:53,830 --> 00:33:51,440  
understand that one but

753  
00:33:56,230 --> 00:33:53,840  
i think it was meant for us because you

754  
00:33:58,630 --> 00:33:56,240  
know no lights came on no

755  
00:34:00,549 --> 00:33:58,640  
anything in the other houses and you and

756  
00:34:02,070 --> 00:34:00,559  
i saw it and then it was gone

757  
00:34:03,909 --> 00:34:02,080  
of course you've had a whole lot more

758  
00:34:08,149 --> 00:34:03,919  
experiences than me

759  
00:34:11,190 --> 00:34:08,159  
in that respect but that baffles me

760  
00:34:14,310 --> 00:34:11,200  
and everything else

761  
00:34:17,909 --> 00:34:14,320  
out there i was watching

762  
00:34:20,470 --> 00:34:17,919  
uh the last episode of the secret of

763  
00:34:21,349 --> 00:34:20,480

skinwalker ranch and there was one part

764

00:34:24,389 --> 00:34:21,359

of it

765

00:34:25,430 --> 00:34:24,399

that hit home to me the first time you

766

00:34:30,950 --> 00:34:25,440

took me out there

767

00:34:33,909 --> 00:34:30,960

you me and adam i got out of the car

768

00:34:35,510 --> 00:34:33,919

i started walking towards because you

769

00:34:37,669 --> 00:34:35,520

guys were looking at two white

770

00:34:38,790 --> 00:34:37,679

orb lights that were up on top of the

771

00:34:41,349 --> 00:34:38,800

ridge

772

00:34:42,710 --> 00:34:41,359

and so i was walking towards the front

773

00:34:46,310 --> 00:34:42,720

of the car

774

00:34:49,270 --> 00:34:46,320

and those two lights looked like

775

00:34:51,030 --> 00:34:49,280

beiges were coming straight at me in a

776  
00:34:53,510 --> 00:34:51,040  
millisecond

777  
00:34:55,510 --> 00:34:53,520  
and i started shuffling back and trying

778  
00:34:57,589 --> 00:34:55,520  
to open the door

779  
00:34:59,990 --> 00:34:57,599  
to get back in because it frightened me

780  
00:35:02,310 --> 00:35:00,000  
that it was coming straight at me

781  
00:35:03,030 --> 00:35:02,320  
in a split second my mind said this is

782  
00:35:06,870 --> 00:35:03,040  
what you came

783  
00:35:09,349 --> 00:35:06,880  
out here for don't go get in the car

784  
00:35:11,829 --> 00:35:09,359  
and i didn't open it and i looked around

785  
00:35:13,750 --> 00:35:11,839  
and they were back up on the mountaintop

786  
00:35:16,310 --> 00:35:13,760  
i'll never forget that and something

787  
00:35:20,870 --> 00:35:16,320  
similar was discussed and shown

788  
00:35:25,270 --> 00:35:24,150

you know it is amazing the the the way

789

00:35:28,230 --> 00:35:25,280

that these things can

790

00:35:29,510 --> 00:35:28,240

range the the ground that these lights

791

00:35:31,589 --> 00:35:29,520

can cover and

792

00:35:32,630 --> 00:35:31,599

you know a lot of people various

793

00:35:34,630 --> 00:35:32,640

explanations

794

00:35:36,310 --> 00:35:34,640

you know oh it's just ball lightning you

795

00:35:38,870 --> 00:35:36,320

know there could be a degree of that

796

00:35:41,030 --> 00:35:38,880

but the way that these things move is

797

00:35:44,150 --> 00:35:41,040

just so intelligent

798

00:35:47,270 --> 00:35:44,160

oh yeah it's there's

799

00:35:50,710 --> 00:35:47,280

intelligence behind it for sure and

800

00:35:52,870 --> 00:35:50,720

um you know i remember us we would hear

801  
00:35:53,750 --> 00:35:52,880  
little girls laughing off in the bushes

802  
00:35:57,750 --> 00:35:53,760  
and then we

803  
00:36:01,829 --> 00:35:57,760  
we went to that other vantage point

804  
00:36:05,270 --> 00:36:01,839  
and heard drums

805  
00:36:08,310 --> 00:36:05,280  
indian drums and

806  
00:36:10,150 --> 00:36:08,320  
conversation or ritual whatever was

807  
00:36:10,950 --> 00:36:10,160  
happening we heard running water we

808  
00:36:14,150 --> 00:36:10,960  
heard

809  
00:36:15,910 --> 00:36:14,160  
you know little girls and that was all

810  
00:36:17,270 --> 00:36:15,920  
very eerie and i thought well you know

811  
00:36:21,510 --> 00:36:17,280  
we're out here

812  
00:36:23,670 --> 00:36:21,520  
and sound carries really far

813  
00:36:25,430 --> 00:36:23,680

so i couldn't be sure you know if there

814

00:36:28,710 --> 00:36:25,440

wasn't some

815

00:36:31,349 --> 00:36:28,720

native american ritual going on where

816

00:36:33,910 --> 00:36:31,359

they were banging drums and

817

00:36:36,150 --> 00:36:33,920

singing and whatever but it was very

818

00:36:38,550 --> 00:36:36,160

eerie

819

00:36:39,270 --> 00:36:38,560

yeah those though those moments are

820

00:36:41,750 --> 00:36:39,280

eerie and

821

00:36:43,190 --> 00:36:41,760

it's it's strange how they replicate

822

00:36:45,510 --> 00:36:43,200

it's not the first time it probably

823

00:36:48,630 --> 00:36:45,520

won't be the last but

824

00:36:51,910 --> 00:36:48,640

it there's almost it almost seems as if

825

00:36:56,310 --> 00:36:51,920

the sound travels but the source

826

00:37:00,950 --> 00:36:59,109

yeah absolutely that there was too many

827

00:37:03,990 --> 00:37:00,960

things out there and

828

00:37:06,630 --> 00:37:04,000

um uh also it

829

00:37:07,190 --> 00:37:06,640

i don't know can i mention your place

830

00:37:10,790 --> 00:37:07,200

sure

831

00:37:14,230 --> 00:37:10,800

absolutely when we were there

832

00:37:15,990 --> 00:37:14,240

and um we were all on the patio after

833

00:37:19,270 --> 00:37:16,000

dinner you know killing time

834

00:37:20,870 --> 00:37:19,280

until it got really dark and remember

835

00:37:23,589 --> 00:37:20,880

adam and lindsay

836

00:37:24,630 --> 00:37:23,599

jumping up from the step on the patio

837

00:37:29,349 --> 00:37:24,640

and running back

838

00:37:31,829 --> 00:37:29,359

saying they saw something on all fours

839

00:37:32,870 --> 00:37:31,839

crawling really fast towards them across

840

00:37:34,829 --> 00:37:32,880

the pasture

841

00:37:36,950 --> 00:37:34,839

do you remember that i do remember that

842

00:37:40,069 --> 00:37:36,960

yeah

843

00:37:43,109 --> 00:37:40,079

that was weird

844

00:37:45,109 --> 00:37:43,119

super weird we didn't see it chris i

845

00:37:46,230 --> 00:37:45,119

wasn't looking at the time both of them

846

00:37:49,829 --> 00:37:46,240

were looking out there

847

00:37:51,349 --> 00:37:49,839

but that that was very strange and

848

00:37:54,470 --> 00:37:51,359

didn't understand that

849

00:37:56,710 --> 00:37:54,480

but there's been so many things in my

850

00:37:59,910 --> 00:37:56,720

life that were strange and i didn't

851

00:38:06,550 --> 00:38:02,069

i wished and someday we'll have the

852

00:38:10,310 --> 00:38:06,560

answers i'm sure and i think it's all

853

00:38:11,910 --> 00:38:10,320

information that all these happenings

854

00:38:13,589 --> 00:38:11,920

are things that we just don't understand

855

00:38:15,349 --> 00:38:13,599

because we don't have the capacity for

856

00:38:18,150 --> 00:38:15,359

it right now

857

00:38:19,190 --> 00:38:18,160

so many things have been discovered

858

00:38:21,510 --> 00:38:19,200

through the years

859

00:38:22,790 --> 00:38:21,520

that we're still in the baby stages here

860

00:38:24,950 --> 00:38:22,800

with this sort of thing

861

00:38:28,310 --> 00:38:24,960

i think we're being introduced to it

862

00:38:32,390 --> 00:38:30,150

and you know we won't be afraid of it

863

00:38:35,270 --> 00:38:32,400

when it actually

864

00:38:35,670 --> 00:38:35,280

comes out it's true and it's almost like

865

00:38:38,870 --> 00:38:35,680

we're

866

00:38:40,230 --> 00:38:38,880

uh observers are receivers of sorts

867

00:38:42,230 --> 00:38:40,240

because

868

00:38:45,109 --> 00:38:42,240

when these things take place if you have

869

00:38:47,349 --> 00:38:45,119

10 people witness the same thing

870

00:38:48,150 --> 00:38:47,359

it is very strange how some will see

871

00:38:50,150 --> 00:38:48,160

nothing

872

00:38:51,829 --> 00:38:50,160

some will see the same thing and then

873

00:38:57,190 --> 00:38:51,839

sometimes you'll get people that see

874

00:39:00,710 --> 00:38:57,200

completely different things exactly

875

00:39:03,030 --> 00:39:00,720

it's very subjective

876

00:39:05,589 --> 00:39:03,040

and especially the ranch i think the

877

00:39:09,109 --> 00:39:05,599

experiences are very subjective

878

00:39:11,430 --> 00:39:09,119

and i do think to appoint

879

00:39:14,230 --> 00:39:11,440

some things there and i can't say it's

880

00:39:17,750 --> 00:39:14,240

all the same thing at the ranch

881

00:39:20,630 --> 00:39:17,760

it could be different things but some of

882

00:39:20,640 --> 00:39:24,870

almost feed off the fear

883

00:39:27,990 --> 00:39:26,950

they love those those emotions they love

884

00:39:30,710 --> 00:39:28,000

the highs and lows

885

00:39:31,430 --> 00:39:30,720

for some reason that that's good stuff

886

00:39:34,550 --> 00:39:31,440

but you know

887

00:39:36,470 --> 00:39:34,560

our bodies give off that energy whether

888

00:39:40,150 --> 00:39:36,480

it's negative energy and fear

889

00:39:44,550 --> 00:39:40,160

or positive energy and happiness

890

00:39:46,470 --> 00:39:44,560

or profound awestruck

891

00:39:47,910 --> 00:39:46,480

emotions it's you know it's going to

892

00:39:50,710 --> 00:39:47,920

feed off of

893

00:39:52,390 --> 00:39:50,720

off of that in some way and i do believe

894

00:39:57,190 --> 00:39:52,400

there's positive and negative

895

00:39:59,190 --> 00:39:57,200

and that there is going to be some

896

00:40:02,710 --> 00:39:59,200

some negative not everybody's going to

897

00:40:04,630 --> 00:40:02,720

be a nice guy i'll put it that way

898

00:40:05,829 --> 00:40:04,640

doesn't mean they're going to be deadly

899

00:40:10,390 --> 00:40:05,839

just that

900

00:40:12,230 --> 00:40:10,400

they're jerks and the trickster

901  
00:40:14,069 --> 00:40:12,240  
i love to talk about the trickster and

902  
00:40:16,790 --> 00:40:14,079  
the you in a basin because it's so

903  
00:40:19,190 --> 00:40:16,800  
cool that this what we're talking about

904  
00:40:22,150 --> 00:40:19,200  
i say they we really don't know but

905  
00:40:24,870 --> 00:40:22,160  
whatever it is not only is intelligent

906  
00:40:27,829 --> 00:40:24,880  
but seems to have a sense of humor

907  
00:40:29,750 --> 00:40:27,839  
oh yeah and you know they may think it's

908  
00:40:31,690 --> 00:40:29,760  
really funny but it's scaring the

909  
00:40:33,910 --> 00:40:31,700  
bejesus out of people

910  
00:40:35,829 --> 00:40:33,920  
[Music]

911  
00:40:37,190 --> 00:40:35,839  
and you know they know they're not

912  
00:40:39,910 --> 00:40:37,200  
harmful so they

913  
00:40:42,069 --> 00:40:39,920

they just laugh about it is in my mind

914

00:40:45,589 --> 00:40:42,079

what's happening but yeah

915

00:40:48,630 --> 00:40:45,599

they're just playing you know having fun

916

00:40:50,710 --> 00:40:48,640

and getting a giggle out of it and doing

917

00:40:52,390 --> 00:40:50,720

something else

918

00:40:53,990 --> 00:40:52,400

you know um it's interesting we kind of

919

00:40:56,390 --> 00:40:54,000

discussed the emotions

920

00:40:57,270 --> 00:40:56,400

uh a little bit because you go out there

921

00:41:00,390 --> 00:40:57,280

with gear

922

00:41:03,349 --> 00:41:00,400

and um very commonly and often

923

00:41:05,349 --> 00:41:03,359

as well as other any area that is

924

00:41:08,309 --> 00:41:05,359

paranormal in nature

925

00:41:09,829 --> 00:41:08,319

researchers often complain about

926  
00:41:12,550 --> 00:41:09,839  
batteries being drained

927  
00:41:12,870 --> 00:41:12,560  
yet oh yes you know if we are cunning

928  
00:41:15,670 --> 00:41:12,880  
too

929  
00:41:17,109 --> 00:41:15,680  
yeah you know if we're electromagnetic

930  
00:41:19,430 --> 00:41:17,119  
beings which we are

931  
00:41:23,430 --> 00:41:19,440  
those highs and lows of emotion are much

932  
00:41:27,030 --> 00:41:23,440  
like a battery and probably also drained

933  
00:41:29,750 --> 00:41:27,040  
i agree completely

934  
00:41:31,829 --> 00:41:29,760  
that's the essence you know that's

935  
00:41:33,750 --> 00:41:31,839  
what's running through our bodies

936  
00:41:35,270 --> 00:41:33,760  
and you know you break down the

937  
00:41:37,349 --> 00:41:35,280  
chemistry and the chemicals and

938  
00:41:41,270 --> 00:41:37,359

everything else

939

00:41:44,910 --> 00:41:41,280  
of who we are look at the brain

940

00:41:47,589 --> 00:41:44,920  
it's total synapse and and

941

00:41:48,309 --> 00:41:47,599  
electromagnetic happenings going on in

942

00:41:51,430 --> 00:41:48,319  
there

943

00:41:56,630 --> 00:41:54,309  
and it is it's fascinating it is just

944

00:41:58,710 --> 00:41:56,640  
it's so philosophical and it can

945

00:42:00,309 --> 00:41:58,720  
borderline religious when you have these

946

00:42:02,390 --> 00:42:00,319  
experiences

947

00:42:05,190 --> 00:42:02,400  
wherever they might be you know whether

948

00:42:07,670 --> 00:42:05,200  
it's a ghost or a ufo or whatever we

949

00:42:08,790 --> 00:42:07,680  
believe we are observing as the observer

950

00:42:11,670 --> 00:42:08,800  
it just reminds me

951  
00:42:12,309 --> 00:42:11,680  
of frank salisbury and the ufo display

952  
00:42:14,150 --> 00:42:12,319  
and

953  
00:42:16,790 --> 00:42:14,160  
how important you know that it is a

954  
00:42:19,270 --> 00:42:16,800  
display of sorts

955  
00:42:20,630 --> 00:42:19,280  
yeah i think that they're trying to let

956  
00:42:21,430 --> 00:42:20,640  
us know they're here because the

957  
00:42:24,790 --> 00:42:21,440  
government

958  
00:42:25,750 --> 00:42:24,800  
drags their feet on it and they're just

959  
00:42:27,510 --> 00:42:25,760  
trying to get us

960  
00:42:31,030 --> 00:42:27,520  
used to the idea that they're here

961  
00:42:33,510 --> 00:42:31,040  
they've been here for a long time

962  
00:42:34,480 --> 00:42:33,520  
that could quite possibly put us here

963  
00:42:36,470 --> 00:42:34,490

who knows

964

00:42:41,910 --> 00:42:36,480

[Music]

965

00:42:44,630 --> 00:42:43,270

i don't know you have to start going

966

00:42:45,990 --> 00:42:44,640

back and thinking of course they're

967

00:42:47,750 --> 00:42:46,000

going to be a different species

968

00:42:49,750 --> 00:42:47,760

altogether but

969

00:42:51,670 --> 00:42:49,760

what are they coming here for of all

970

00:42:54,150 --> 00:42:51,680

places well

971

00:42:55,589 --> 00:42:54,160

who knows maybe they're coming they put

972

00:42:57,430 --> 00:42:55,599

us here and they're coming to check on

973

00:43:00,069 --> 00:42:57,440

us over and over again

974

00:43:01,430 --> 00:43:00,079

because of the times you know like they

975

00:43:03,829 --> 00:43:01,440

showed up over

976

00:43:05,510 --> 00:43:03,839

that nuclear plant and what was it

977

00:43:08,790 --> 00:43:05,520

montana or

978

00:43:11,829 --> 00:43:08,800

sure nebraska i can't remember and uh

979

00:43:13,190 --> 00:43:11,839

for a good while while they were at the

980

00:43:15,670 --> 00:43:13,200

front gate

981

00:43:17,990 --> 00:43:15,680

they totally disarmed our nuclear

982

00:43:21,829 --> 00:43:18,000

missiles that were underneath

983

00:43:25,430 --> 00:43:21,839

with ease yeah and it's like no no no

984

00:43:28,390 --> 00:43:25,440

you guys don't get to do this

985

00:43:30,069 --> 00:43:28,400

um protecting the rest of the universe

986

00:43:35,030 --> 00:43:30,079

and other life forms

987

00:43:37,589 --> 00:43:35,040

from us screwing everything up

988

00:43:39,190 --> 00:43:37,599

so i i think they're there to monitor to

989

00:43:41,270 --> 00:43:39,200

help

990

00:43:43,349 --> 00:43:41,280

and maybe to get you know minerals or

991

00:43:46,230 --> 00:43:43,359

whatever they need from our planet who

992

00:43:50,150 --> 00:43:48,150

there's so many questions and i'm glad

993

00:43:50,630 --> 00:43:50,160

you brought the government aspect and

994

00:43:55,750 --> 00:43:50,640

how

995

00:43:58,309 --> 00:43:55,760

you know receive media attention

996

00:43:58,790 --> 00:43:58,319

i have to ask you what do you make of

997

00:44:01,190 --> 00:43:58,800

all this

998

00:44:02,069 --> 00:44:01,200

all of these pilots seeing these craft

999

00:44:05,430 --> 00:44:02,079

in the air and

1000

00:44:11,510 --> 00:44:09,750

um i think that they're just trying to

1001  
00:44:14,550 --> 00:44:11,520  
open up a little more the government i

1002  
00:44:16,630 --> 00:44:14,560  
think is realizing they can't deny this

1003  
00:44:19,109 --> 00:44:16,640  
stuff forever

1004  
00:44:19,670 --> 00:44:19,119  
obviously other countries governments

1005  
00:44:23,109 --> 00:44:19,680  
have come

1006  
00:44:25,829 --> 00:44:23,119  
forth with some of their files and so

1007  
00:44:28,550 --> 00:44:25,839  
you know we have to follow but we're

1008  
00:44:31,030 --> 00:44:28,560  
still not going to give away too much

1009  
00:44:32,630 --> 00:44:31,040  
other than just finally recognize that

1010  
00:44:34,550 --> 00:44:32,640  
they're there they exist

1011  
00:44:36,150 --> 00:44:34,560  
but i don't think they're at a point

1012  
00:44:38,390 --> 00:44:36,160  
where they're going to

1013  
00:44:40,150 --> 00:44:38,400

admit that they've been here a long time

1014

00:44:41,640 --> 00:44:40,160

and we're probably working with them

1015

00:44:43,109 --> 00:44:41,650

already

1016

00:44:48,230 --> 00:44:43,119

[Music]

1017

00:44:51,589 --> 00:44:48,240

because there's been in

1018

00:44:55,430 --> 00:44:51,599

the past 50 to 100 years we have come

1019

00:44:58,790 --> 00:44:55,440

so far technologically

1020

00:45:02,309 --> 00:44:58,800

that it's beyond

1021

00:45:06,230 --> 00:45:02,319

to me what we should be

1022

00:45:08,790 --> 00:45:06,240

at right now i think they've had help

1023

00:45:09,589 --> 00:45:08,800

absolutely it seems we we've come a long

1024

00:45:12,230 --> 00:45:09,599

way

1025

00:45:12,790 --> 00:45:12,240

real fast and if i was a if i was a

1026

00:45:15,990 --> 00:45:12,800

parent

1027

00:45:19,670 --> 00:45:16,000

seeing uh us quote unquote children

1028

00:45:21,829 --> 00:45:19,680

coming that fast that quick with our

1029

00:45:23,510 --> 00:45:21,839

small minds i would probably be checking

1030

00:45:25,990 --> 00:45:23,520

in on us too

1031

00:45:29,270 --> 00:45:26,000

oh yeah who's filling your head with

1032

00:45:32,630 --> 00:45:30,710

yeah i think they're working together

1033

00:45:35,190 --> 00:45:32,640

and they have been for quite some time

1034

00:45:38,870 --> 00:45:35,200

probably since the 40s 50s

1035

00:45:41,109 --> 00:45:38,880

so i just don't understand

1036

00:45:43,190 --> 00:45:41,119

why they what i do and i don't

1037

00:45:46,950 --> 00:45:43,200

understand why they think that we're

1038

00:45:50,069 --> 00:45:46,960

such a fragile general population

1039

00:45:52,230 --> 00:45:50,079

that we're gonna go insane and you know

1040

00:45:56,390 --> 00:45:52,240

kill ourselves

1041

00:46:02,309 --> 00:45:59,910

it's it's to me you know you gotta give

1042

00:46:03,750 --> 00:46:02,319

you got to give americans a little bit

1043

00:46:07,030 --> 00:46:03,760

more credit than that

1044

00:46:10,309 --> 00:46:07,040

although there will be those that flip

1045

00:46:12,150 --> 00:46:10,319

out and can't handle it so that's why i

1046

00:46:13,190 --> 00:46:12,160

think they're introducing themselves

1047

00:46:17,430 --> 00:46:13,200

slowly being

1048

00:46:19,270 --> 00:46:17,440

seen more and more to

1049

00:46:21,710 --> 00:46:19,280

uh what do you call it in the

1050

00:46:25,270 --> 00:46:21,720

psychological term is to

1051

00:46:28,230 --> 00:46:25,280

desensitize us

1052

00:46:29,829 --> 00:46:28,240

and oh now i see it in the air oh yeah

1053

00:46:32,470 --> 00:46:29,839

that's ufo

1054

00:46:33,589 --> 00:46:32,480

no worries let's go you know it's going

1055

00:46:37,190 --> 00:46:33,599

to be

1056

00:46:38,870 --> 00:46:37,200

uh so common that

1057

00:46:41,670 --> 00:46:38,880

then they can go to the next stage of

1058

00:46:44,630 --> 00:46:41,680

introducing themselves

1059

00:46:46,470 --> 00:46:44,640

it's like the commercials you see now

1060

00:46:50,550 --> 00:46:46,480

this is how it's done

1061

00:46:52,710 --> 00:46:50,560

to desensitize by showing commercials

1062

00:46:54,790 --> 00:46:52,720

of mixed-race couples now more than

1063

00:46:59,510 --> 00:46:54,800

you've ever seen them

1064

00:47:02,870 --> 00:46:59,520

and also same-sex couples in commercials

1065

00:47:06,230 --> 00:47:02,880

you've only seen really in the past year

1066

00:47:08,390 --> 00:47:06,240

and it's desensitizing people

1067

00:47:09,270 --> 00:47:08,400

letting them see it for themselves to

1068

00:47:12,150 --> 00:47:09,280

realize

1069

00:47:15,670 --> 00:47:12,160

that it's not the boogeyman don't be so

1070

00:47:19,990 --> 00:47:19,109

yeah if we if we did what we do with

1071

00:47:22,150 --> 00:47:20,000

ufos

1072

00:47:25,160 --> 00:47:22,160

whenever we saw a bald eagle or a

1073

00:47:27,109 --> 00:47:25,170

vulture you know oh my gosh

1074

00:47:29,270 --> 00:47:27,119

[Laughter]

1075

00:47:30,230 --> 00:47:29,280

it's something we should just accept for

1076

00:47:33,510 --> 00:47:30,240

what it is

1077

00:47:36,950 --> 00:47:33,520

it's beauty and and it's it's

1078

00:47:39,670 --> 00:47:36,960

reality and uh not not con

1079

00:47:40,549 --> 00:47:39,680

it's very interesting dynamic between

1080

00:47:44,230 --> 00:47:40,559

the uap

1081

00:47:46,230 --> 00:47:44,240

slash ufo phenomenon and our inability

1082

00:47:49,349 --> 00:47:46,240

to believe that we are not in control of

1083

00:47:53,190 --> 00:47:52,630

yeah i think that is the bottom line

1084

00:47:57,349 --> 00:47:53,200

there

1085

00:48:02,710 --> 00:47:57,359

is the fear of the powers that be

1086

00:48:06,790 --> 00:48:05,349

uh you know something better and more

1087

00:48:10,069 --> 00:48:06,800

highly intelligent

1088

00:48:10,710 --> 00:48:10,079

and more advanced than us is out there

1089

00:48:13,910 --> 00:48:10,720

and we

1090

00:48:15,990 --> 00:48:13,920

couldn't stop them if we wanted to if if

1091

00:48:18,390 --> 00:48:16,000

they wanted to harm us which i don't

1092

00:48:20,710 --> 00:48:18,400

think they do

1093

00:48:22,870 --> 00:48:20,720

i'm with you we would be long gone

1094

00:48:25,990 --> 00:48:22,880

ranging from thousands of years ago

1095

00:48:31,510 --> 00:48:29,030

the abilities that some of these fringe

1096

00:48:32,069 --> 00:48:31,520

elements like you said behind the veil

1097

00:48:38,870 --> 00:48:32,079

when they

1098

00:48:42,470 --> 00:48:38,880

intelligence and the the power that they

1099

00:48:43,109 --> 00:48:42,480

exert is just so beyond our capability

1100

00:48:45,349 --> 00:48:43,119

sometimes

1101  
00:48:46,470 --> 00:48:45,359  
i believe as human beings we we like to

1102  
00:48:48,549 --> 00:48:46,480  
control things we

1103  
00:48:50,710 --> 00:48:48,559  
this is kind of something we get off on

1104  
00:48:53,670 --> 00:48:50,720  
and when we're not able to control it

1105  
00:48:55,589 --> 00:48:53,680  
it's just frustrating and i do see that

1106  
00:48:57,589 --> 00:48:55,599  
frustration in the government right now

1107  
00:48:58,790 --> 00:48:57,599  
i do think they have you know they're

1108  
00:49:01,990 --> 00:48:58,800  
doing their best but

1109  
00:49:05,829 --> 00:49:02,000  
wow i'm not so sure they're doing

1110  
00:49:10,390 --> 00:49:08,390  
i think they're doing what they need to

1111  
00:49:13,750 --> 00:49:10,400  
do to keep raps on it

1112  
00:49:16,790 --> 00:49:13,760  
frankly um

1113  
00:49:18,950 --> 00:49:16,800

i i also think

1114

00:49:19,910 --> 00:49:18,960

well look at the things and the myths

1115

00:49:23,349 --> 00:49:19,920

that we have

1116

00:49:27,190 --> 00:49:23,359

in this country alone much less

1117

00:49:30,390 --> 00:49:27,200

other countries of bigfoot

1118

00:49:35,750 --> 00:49:30,400

that could be a different

1119

00:49:39,670 --> 00:49:35,760

form of different species of life

1120

00:49:41,750 --> 00:49:39,680

that we just don't get yet

1121

00:49:43,030 --> 00:49:41,760

they're so different from us and maybe

1122

00:49:45,910 --> 00:49:43,040

they're coming in and out

1123

00:49:47,670 --> 00:49:45,920

i don't know but to me there are

1124

00:49:51,510 --> 00:49:47,680

different species

1125

00:49:55,349 --> 00:49:51,520

you go to the mothman incident

1126

00:49:58,870 --> 00:49:55,359

in point pleasant back in the 60s

1127

00:50:02,150 --> 00:49:58,880

and i think that was another life form

1128

00:50:03,430 --> 00:50:02,160

that was trying to warn them and i don't

1129

00:50:05,030 --> 00:50:03,440

know why it was there but it was

1130

00:50:08,790 --> 00:50:05,040

certainly next to a

1131

00:50:12,790 --> 00:50:10,790

i don't know what you would call it a

1132

00:50:15,349 --> 00:50:12,800

place where they kept

1133

00:50:16,950 --> 00:50:15,359

artillery or bombs or whatever in those

1134

00:50:19,109 --> 00:50:16,960

bunkers

1135

00:50:21,270 --> 00:50:19,119

and uh that's where you know it was

1136

00:50:22,790 --> 00:50:21,280

spotted time and again

1137

00:50:25,670 --> 00:50:22,800

and i don't think it meant to hurt

1138

00:50:29,270 --> 00:50:25,680

anybody it's just that they're

1139

00:50:33,910 --> 00:50:29,280

appearance is so different from us

1140

00:50:37,750 --> 00:50:35,750

it's hard to look upon because we've

1141

00:50:40,069 --> 00:50:37,760

never seen anything like it before

1142

00:50:41,589 --> 00:50:40,079

but i think once communication can be

1143

00:50:44,950 --> 00:50:41,599

established

1144

00:50:48,710 --> 00:50:44,960

and you know no harm

1145

00:50:52,230 --> 00:50:48,720

that there could be a great opportunity

1146

00:50:53,270 --> 00:50:52,240

for learning and exchanging information

1147

00:50:56,950 --> 00:50:53,280

and ideas

1148

00:51:00,790 --> 00:50:59,270

but we can't even accept our own species

1149

00:51:04,470 --> 00:51:00,800

so we're not there yet

1150

00:51:07,990 --> 00:51:04,480

we can't even accept you know some

1151  
00:51:10,150 --> 00:51:08,000  
other people from a different race

1152  
00:51:11,910 --> 00:51:10,160  
or a different country we can't even do

1153  
00:51:14,150 --> 00:51:11,920  
that yet so i think it's

1154  
00:51:17,190 --> 00:51:14,160  
it's a ways away but i think it's

1155  
00:51:21,990 --> 00:51:19,990  
i agree it is you know and and that kind

1156  
00:51:25,190 --> 00:51:22,000  
of brings the ghost topic up we

1157  
00:51:28,549 --> 00:51:25,200  
we we can't even handle the idea of

1158  
00:51:31,109 --> 00:51:28,559  
us surviving death we can't even

1159  
00:51:31,990 --> 00:51:31,119  
grasp the id and even in an area like

1160  
00:51:35,349 --> 00:51:32,000  
gettysburg

1161  
00:51:37,910 --> 00:51:35,359  
uh where oh yeah i'm going next month

1162  
00:51:38,870 --> 00:51:37,920  
oh my gosh i'm so jealous i am so

1163  
00:51:41,589 --> 00:51:38,880

jealous

1164

00:51:42,150 --> 00:51:41,599

yeah adam and bernie are coming for a

1165

00:51:45,190 --> 00:51:42,160

visit

1166

00:51:48,829 --> 00:51:45,200

and we're headed out there uh to see

1167

00:51:53,030 --> 00:51:50,950

gettysburg wow i mean and

1168

00:51:54,390 --> 00:51:53,040

that i've heard that the rate of

1169

00:51:57,430 --> 00:51:54,400

sightings there is just

1170

00:51:58,150 --> 00:51:57,440

phenomenal and it's a play you know here

1171

00:52:03,270 --> 00:51:58,160

we know

1172

00:52:04,870 --> 00:52:03,280

couldn't get along with each other and

1173

00:52:07,190 --> 00:52:04,880

killed the heck out of each other

1174

00:52:08,710 --> 00:52:07,200

and yet we see the remnants of that and

1175

00:52:10,390 --> 00:52:08,720

we still

1176  
00:52:12,470 --> 00:52:10,400  
we're fearful of everything that we

1177  
00:52:14,150 --> 00:52:12,480  
already know it's it has it needs no

1178  
00:52:15,910 --> 00:52:14,160  
explanation and people still can't

1179  
00:52:17,990 --> 00:52:15,920  
handle it

1180  
00:52:20,790 --> 00:52:18,000  
yeah you know and to me the ghost

1181  
00:52:23,030 --> 00:52:20,800  
business and

1182  
00:52:25,030 --> 00:52:23,040  
i've seen you know there's residual

1183  
00:52:25,750 --> 00:52:25,040  
stuff which i think is an imprint in

1184  
00:52:27,589 --> 00:52:25,760  
time

1185  
00:52:29,150 --> 00:52:27,599  
and when the conditions are right with

1186  
00:52:31,990 --> 00:52:29,160  
the weather with the

1187  
00:52:34,950 --> 00:52:32,000  
electromagnetic activity going

1188  
00:52:36,790 --> 00:52:34,960

on in the air that you see this residual

1189

00:52:40,230 --> 00:52:36,800

stuff happening

1190

00:52:44,950 --> 00:52:40,240

then there's intelligent haunts which

1191

00:52:48,069 --> 00:52:44,960

i believe are just in between

1192

00:52:49,430 --> 00:52:48,079

spirits and they're hanging around for

1193

00:52:52,150 --> 00:52:49,440

one reason or another

1194

00:52:54,309 --> 00:52:52,160

food nobody knows nobody has gotten that

1195

00:52:57,270 --> 00:52:54,319

far in their communication with them

1196

00:52:58,390 --> 00:52:57,280

but either you know they can't move on

1197

00:53:01,589 --> 00:52:58,400

or

1198

00:53:03,510 --> 00:53:01,599

they won't and so

1199

00:53:05,910 --> 00:53:03,520

you see that and maybe there's a

1200

00:53:08,950 --> 00:53:05,920

possibility of communication there

1201

00:53:12,069 --> 00:53:08,960

but from what i've seen so far it's

1202

00:53:12,309 --> 00:53:12,079

it's not going to be substantial i mean

1203

00:53:27,030 --> 00:53:12,319

i

1204

00:53:29,109 --> 00:53:27,040

maybe you know

1205

00:53:30,309 --> 00:53:29,119

the spirit will be able to move those

1206

00:53:33,589 --> 00:53:30,319

into a sentence

1207

00:53:36,309 --> 00:53:33,599

but uh it never panned out and then

1208

00:53:37,910 --> 00:53:36,319

take a laptop see if they can type out

1209

00:53:40,950 --> 00:53:37,920

the words but

1210

00:53:43,910 --> 00:53:40,960

a lot of people you know i don't know

1211

00:53:46,069 --> 00:53:43,920

it didn't really pan out either so that

1212

00:53:47,750 --> 00:53:46,079

form of communication it must be harder

1213

00:53:51,109 --> 00:53:47,760

for them

1214

00:53:54,390 --> 00:53:51,119

um i haven't seen i

1215

00:53:58,309 --> 00:53:54,400

felt i felt them i was at um

1216

00:54:00,710 --> 00:53:58,319

investigation of the lehigh museum

1217

00:54:02,710 --> 00:54:00,720

and liddy and i were sitting on a bench

1218

00:54:04,950 --> 00:54:02,720

in one of the display rooms

1219

00:54:06,150 --> 00:54:04,960

and all of a sudden just to the right of

1220

00:54:09,430 --> 00:54:06,160

me it

1221

00:54:12,630 --> 00:54:09,440

felt like a freezer

1222

00:54:14,870 --> 00:54:12,640

like walking into a freezer

1223

00:54:15,750 --> 00:54:14,880

it was only on my right side not on my

1224

00:54:19,750 --> 00:54:15,760

left

1225

00:54:24,150 --> 00:54:19,760

and lydia can see spirits

1226

00:54:27,190 --> 00:54:24,160

and she said it is a man and he is not

1227

00:54:29,910 --> 00:54:27,200

happy at the way we're dressed so you

1228

00:54:31,990 --> 00:54:29,920

know he was from the 1800s or whatever

1229

00:54:33,589 --> 00:54:32,000

we're sitting there in shorts and tank

1230

00:54:35,829 --> 00:54:33,599

tops and stuff and

1231

00:54:38,230 --> 00:54:35,839

but he's not he's not very happy the way

1232

00:54:41,109 --> 00:54:38,240

we're dressed

1233

00:54:41,750 --> 00:54:41,119

and i i just felt that cold there i'm

1234

00:54:45,190 --> 00:54:41,760

more

1235

00:54:47,270 --> 00:54:45,200

feeling like that than seeing anything

1236

00:54:49,589 --> 00:54:47,280

and then another time when we were at

1237

00:54:50,549 --> 00:54:49,599

the you were with us at the wendover air

1238

00:54:54,789 --> 00:54:50,559

force base

1239

00:54:56,309 --> 00:54:54,799

oh yes uh adam and i had gone through

1240

00:54:59,670 --> 00:54:56,319

this one barracks

1241

00:55:04,950 --> 00:54:59,680

and straight out the other end of it

1242

00:55:07,829 --> 00:55:04,960

was the was the commissary

1243

00:55:09,829 --> 00:55:07,839

and so adam walked right through it

1244

00:55:11,030 --> 00:55:09,839

really fast and i was being careful

1245

00:55:14,630 --> 00:55:11,040

because there were boards

1246

00:55:17,030 --> 00:55:14,640

you know down and stuff and on the floor

1247

00:55:20,230 --> 00:55:17,040

and he was outraged to the commissary

1248

00:55:22,230 --> 00:55:20,240

door by the time i hit the middle of the

1249

00:55:27,430 --> 00:55:22,240

barracks

1250

00:55:34,710 --> 00:55:31,349

i felt like i was in a rural wind

1251  
00:55:38,390 --> 00:55:34,720  
drunk i was struggling to

1252  
00:55:39,270 --> 00:55:38,400  
stay upright i was whirling and swirling

1253  
00:55:42,470 --> 00:55:39,280  
vertigo

1254  
00:55:44,549 --> 00:55:42,480  
bad and i cried out to adam and he

1255  
00:55:48,069 --> 00:55:44,559  
didn't hear me

1256  
00:55:51,589 --> 00:55:48,079  
and i willed myself please yeah just put

1257  
00:55:53,109 --> 00:55:51,599  
one foot forward so i got my right foot

1258  
00:55:56,470 --> 00:55:53,119  
forward one step

1259  
00:55:57,750 --> 00:55:56,480  
and bam i was out of it i was completely

1260  
00:56:02,390 --> 00:55:57,760  
okay

1261  
00:56:05,430 --> 00:56:02,400  
i don't know what that was unless

1262  
00:56:08,549 --> 00:56:05,440  
uh something happened right there or

1263  
00:56:09,430 --> 00:56:08,559

it was a portal i don't know but boy i

1264

00:56:12,950 --> 00:56:09,440

couldn't see

1265

00:56:15,430 --> 00:56:12,960

it was vertigo everywhere

1266

00:56:17,670 --> 00:56:15,440

wow i didn't know up from down or left

1267

00:56:20,390 --> 00:56:17,680

from right or forward and back i didn't

1268

00:56:22,710 --> 00:56:20,400

know i was struggling to stay on my feet

1269

00:56:26,230 --> 00:56:22,720

and just one step took me out of it i

1270

00:56:29,589 --> 00:56:28,390

and you have a lot more experience ghost

1271

00:56:32,950 --> 00:56:29,599

hunting than i do

1272

00:56:33,990 --> 00:56:32,960

and it is it's been a proven fact to me

1273

00:56:35,990 --> 00:56:34,000

i mean it

1274

00:56:37,270 --> 00:56:36,000

regardless of the criticism it receives

1275

00:56:40,309 --> 00:56:37,280

from people

1276

00:56:43,109 --> 00:56:40,319

it is it i think religion and science

1277

00:56:44,789 --> 00:56:43,119

are also involved with that because

1278

00:56:45,109 --> 00:56:44,799

there are those temperature spikes that

1279

00:56:47,109 --> 00:56:45,119

are

1280

00:56:49,190 --> 00:56:47,119

inexplainable and like those vortexes

1281

00:56:52,309 --> 00:56:49,200

like you just described where

1282

00:56:53,349 --> 00:56:52,319

you're just taken out of your element oh

1283

00:56:56,390 --> 00:56:53,359

wow that was

1284

00:56:57,990 --> 00:56:56,400

that was frightening to me i i i thought

1285

00:57:00,390 --> 00:56:58,000

i was gonna fall down and

1286

00:57:01,430 --> 00:57:00,400

kill myself on a nail in a board or

1287

00:57:03,349 --> 00:57:01,440

something

1288

00:57:05,030 --> 00:57:03,359

you know go through my brain i would all

1289

00:57:06,710 --> 00:57:05,040

this was going through my head while i

1290

00:57:09,910 --> 00:57:06,720

was spinning out and

1291

00:57:13,109 --> 00:57:09,920

i was scared to death but yeah

1292

00:57:16,150 --> 00:57:13,119

that's that's been my two

1293

00:57:17,030 --> 00:57:16,160

really obvious things that have happened

1294

00:57:19,349 --> 00:57:17,040

to me

1295

00:57:20,950 --> 00:57:19,359

uh there was one at a bowling alley when

1296

00:57:24,470 --> 00:57:20,960

our group first got together

1297

00:57:26,710 --> 00:57:24,480

where i did use a recorder and

1298

00:57:28,150 --> 00:57:26,720

one of our team was sitting over by the

1299

00:57:31,109 --> 00:57:28,160

lockers

1300

00:57:33,510 --> 00:57:31,119

uh in front of the bowling lanes and i

1301

00:57:35,270 --> 00:57:33,520

was clear on the other side

1302

00:57:36,710 --> 00:57:35,280

and i just walked up to him so it was

1303

00:57:38,470 --> 00:57:36,720

going on on his end

1304

00:57:40,230 --> 00:57:38,480

and i had the recorder on and he just

1305

00:57:43,430 --> 00:57:40,240

said no nothing here

1306

00:57:47,030 --> 00:57:43,440

but okay so i walked back into

1307

00:57:50,230 --> 00:57:47,040

um the little restaurant

1308

00:57:50,870 --> 00:57:50,240

bar eatery there you know this was in

1309

00:57:52,710 --> 00:57:50,880

the middle

1310

00:57:54,150 --> 00:57:52,720

of the morning this was two three

1311

00:57:57,750 --> 00:57:54,160

o'clock in the morning

1312

00:58:00,870 --> 00:57:57,760

and i just rewound my

1313

00:58:03,510 --> 00:58:00,880

recorder and when i push play

1314

00:58:04,309 --> 00:58:03,520

all you could hear about jim's voice

1315

00:58:07,349 --> 00:58:04,319

drowning him

1316

00:58:08,069 --> 00:58:07,359

out saying nothing happening here was

1317

00:58:17,589 --> 00:58:08,079

slamming

1318

00:58:20,950 --> 00:58:19,510

because it wasn't happening there we

1319

00:58:23,430 --> 00:58:20,960

could hear it but

1320

00:58:27,030 --> 00:58:23,440

when i was there with jim it was it

1321

00:58:29,430 --> 00:58:27,040

happened it was on the recorder

1322

00:58:30,630 --> 00:58:29,440

and the recorders i mean that's definite

1323

00:58:33,270 --> 00:58:30,640

proof i love

1324

00:58:36,150 --> 00:58:33,280

i love when that happens the evps and

1325

00:58:36,549 --> 00:58:36,160

jim is a great investigator we gotta oh

1326

00:58:39,829 --> 00:58:36,559

yeah

1327

00:58:41,829 --> 00:58:39,839

i miss our investigations janice i i

1328

00:58:43,510 --> 00:58:41,839

can't i could talk to you all day as

1329

00:58:46,630 --> 00:58:43,520

you're aware i know we

1330

00:58:48,710 --> 00:58:46,640

we need to talk more often i want you to

1331

00:58:50,470 --> 00:58:48,720

get into this book and we can discuss

1332

00:58:53,349 --> 00:58:50,480

that how about that i would

1333

00:58:54,630 --> 00:58:53,359

love to um we better wrap up for now at

1334

00:58:57,430 --> 00:58:54,640

least for

1335

00:58:59,109 --> 00:58:57,440

can we discuss um your gettysburg trip

1336

00:59:00,470 --> 00:58:59,119

after you get back and and definitely

1337

00:59:02,630 --> 00:59:00,480

get more out of the book

1338

00:59:04,789 --> 00:59:02,640

awesome oh yeah we're gonna get we're

1339

00:59:07,670 --> 00:59:04,799

gonna get video we're gonna be there

1340

00:59:09,109 --> 00:59:07,680

all night if we have to yeah we're we're

1341

00:59:10,630 --> 00:59:09,119

uh going the

1342

00:59:12,630 --> 00:59:10,640

eighth and the ninth we'll be in

1343

00:59:14,789 --> 00:59:12,640

gettysburg so it's only like three and a

1344

00:59:17,190 --> 00:59:14,799

half hours from my house so

1345

00:59:17,990 --> 00:59:17,200

oh you're so lucky you know driving from

1346

00:59:20,870 --> 00:59:18,000

salt lake

1347

00:59:23,030 --> 00:59:20,880

up to idaho falls it's not a bad drive

1348

00:59:24,870 --> 00:59:23,040

so yeah we'll do that

1349

00:59:26,470 --> 00:59:24,880

i can't wait to talk to you again and i

1350

00:59:27,270 --> 00:59:26,480

can't thank you enough for coming on the

1351

00:59:29,349 --> 00:59:27,280

podcast

1352

00:59:32,309 --> 00:59:29,359

um i hope you have a great day oh

1353

00:59:35,109 --> 00:59:32,319

welcome thank you for having me ryan

1354

00:59:37,430 --> 00:59:35,119

all right we'll talk soon take care man

1355

00:59:40,710 --> 00:59:37,440

oh man i could talk to janice

1356

00:59:42,630 --> 00:59:40,720

all day long so much information

1357

00:59:45,109 --> 00:59:42,640

such an enthusiast such a good

1358

00:59:47,510 --> 00:59:45,119

researcher and such a good friend

1359

00:59:49,109 --> 00:59:47,520

so passionate about the paranormal

1360

00:59:51,589 --> 00:59:49,119

always striving to

1361

00:59:52,630 --> 00:59:51,599

help others realize things and to learn

1362

00:59:55,829 --> 00:59:52,640

things for itself

1363

00:59:59,030 --> 00:59:55,839

truly truly a amazing student

1364

01:00:01,430 --> 00:59:59,040

at the school of life and

1365

01:00:02,390 --> 01:00:01,440

well until next time keep your eyes to

1366

01:00:04,710 --> 01:00:02,400

the skies

1367

01:00:13,940 --> 01:00:04,720

feet on the ground but don't forget to

1368

01:00:22,630 --> 01:00:13,950

take a look around
