

The background of the image is a dark surface covered with a large quantity of pennies. In the upper right quadrant, there is a clear glass bowl. Inside the bowl, there are more pennies and a bundle of dried, yellowish-brown grass or straw tied together with a thin cord. The lighting is somewhat dramatic, highlighting the textures of the coins and the dry grass.

podcast broadcasting from the base at la

00:00:51,830 --> 00:00:48,160

madre mountain

6
00:00:54,310 --> 00:00:51,840

just south of area 51 my name is ryan

7
00:00:55,430 --> 00:00:54,320

00:01:01,910 --> 00:00:59,120

much better

11
00:01:02,709 --> 00:01:01,920

and ever since i talked to nathan uh

12
00:01:05,509 --> 00:01:02,719

he's a

13
00:01:07,429 --> 00:01:05,519

second time guest on the show i've been

14

00:01:09,750 --> 00:01:07,439

itching to talk to him again

15

00:01:10,870 --> 00:01:09,760

tonight we have the most amazing guest

16

00:01:13,270 --> 00:01:10,880

for a second time

17

00:01:14,950 --> 00:01:13,280

it's true the man who has connected the

18

00:01:17,749 --> 00:01:14,960

dots of high strangeness

19

00:01:19,749 --> 00:01:17,759

in the penny royal plateau abandoned

20

00:01:22,550 --> 00:01:19,759

minds with goblin sightings

21

00:01:24,870 --> 00:01:22,560

connected to the hit tv show hellyer

22

00:01:27,429 --> 00:01:24,880

connections to the subterranean tunnel

23

00:01:29,990 --> 00:01:27,439

systems of the mammoth cave system

24

00:01:31,670 --> 00:01:30,000

with more than one thousand miles of

25

00:01:34,469 --> 00:01:31,680

underground mysteries

26
00:01:36,390 --> 00:01:34,479
the appalachian mountains sit beside all

27
00:01:38,870 --> 00:01:36,400
this high strangeness

28
00:01:39,429 --> 00:01:38,880
and it's also believed to be one of the

29
00:01:41,270 --> 00:01:39,439
world's

30
00:01:43,830 --> 00:01:41,280
oldest mountain ranges from what i

31
00:01:46,149 --> 00:01:43,840
understand it doesn't stop there

32
00:01:48,389 --> 00:01:46,159
the history of the area is riddled with

33
00:01:51,670 --> 00:01:48,399
inconceivable violence

34
00:01:53,429 --> 00:01:51,680
and to top it all off this area of

35
00:01:55,990 --> 00:01:53,439
kentucky is considered

36
00:01:58,230 --> 00:01:56,000
the greatest anomaly in the usa from a

37
00:02:00,230 --> 00:01:58,240
geomagnetic perspective

38
00:02:02,469 --> 00:02:00,240

and that comes from nasa and other

39

00:02:04,950 --> 00:02:02,479

countries space programs

40

00:02:06,789 --> 00:02:04,960

nathan isaac produced the penny royal

41

00:02:09,190 --> 00:02:06,799

podcast series

42

00:02:10,790 --> 00:02:09,200

and has been bringing the world the

43

00:02:12,949 --> 00:02:10,800

eerie coincidences

44

00:02:15,430 --> 00:02:12,959

synchronicities and high strangeness

45

00:02:18,550 --> 00:02:15,440

that the penny royal delivers

46

00:02:20,710 --> 00:02:18,560

it's pretty wild stuff a mastermind

47

00:02:21,670 --> 00:02:20,720

of research techniques connecting the

48

00:02:24,949 --> 00:02:21,680

dots

49

00:02:27,910 --> 00:02:24,959

the way only he can nathan

50

00:02:29,190 --> 00:02:27,920

welcome to the hero paranormal podcast

51

00:02:30,390 --> 00:02:29,200

thanks for having me on it

52

00:02:32,309 --> 00:02:30,400

and that was a that was a great

53

00:02:35,190 --> 00:02:32,319

introduction man thank you so much

54

00:02:36,390 --> 00:02:35,200

uh that was awesome yeah it's all true

55

00:02:39,750 --> 00:02:36,400

and there's

56

00:02:41,509 --> 00:02:39,760

you know so much going on that

57

00:02:43,589 --> 00:02:41,519

you know i i really want to get down

58

00:02:45,110 --> 00:02:43,599

there and i want to jump into this like

59

00:02:45,910 --> 00:02:45,120

i don't know where to jump in because

60

00:02:49,509 --> 00:02:45,920

there's

61

00:02:51,990 --> 00:02:49,519

mystery

62

00:02:54,309 --> 00:02:52,000

and i guess a lot of them i start with

63

00:02:57,350 --> 00:02:54,319

highway 39.

64
00:02:58,470 --> 00:02:57,360
oh yeah man yeah so when we were digging

65
00:03:00,550 --> 00:02:58,480
into all of this stuff

66
00:03:01,990 --> 00:03:00,560
um i was just talking to somebody about

67
00:03:06,309 --> 00:03:02,000
this the other day too

68
00:03:10,470 --> 00:03:06,319
um there there's there's a clustering

69
00:03:14,470 --> 00:03:10,480
of high strings along highway 39

70
00:03:18,309 --> 00:03:14,480
and um in episode four of uh season one

71
00:03:21,430 --> 00:03:18,319
of penny royal um we introduce

72
00:03:23,190 --> 00:03:21,440
dan dutton who is a famous kentucky

73
00:03:24,149 --> 00:03:23,200
artist that lives here in pulaski county

74
00:03:27,110 --> 00:03:24,159
he's

75
00:03:28,789 --> 00:03:27,120
born and raised here on this farm his

76

00:03:30,949 --> 00:03:28,799

family

77

00:03:32,229 --> 00:03:30,959

were pennsylvania dutch that came from

78

00:03:34,470 --> 00:03:32,239

virginia

79

00:03:35,589 --> 00:03:34,480

um and there were a series of families

80

00:03:39,190 --> 00:03:35,599

that came here

81

00:03:41,430 --> 00:03:39,200

um that practiced uh pencil the

82

00:03:43,110 --> 00:03:41,440

the folk magic you know the pennsylvania

83

00:03:47,270 --> 00:03:43,120

dutch folk magic

84

00:03:50,869 --> 00:03:47,280

and so they they uh ended up on

85

00:03:53,190 --> 00:03:50,879

what is now highway 39 but um

86

00:03:55,030 --> 00:03:53,200

dan explained to me that that that

87

00:03:58,149 --> 00:03:55,040

particular road

88

00:04:00,070 --> 00:03:58,159

is one of the oldest you know you know

89

00:04:01,350 --> 00:04:00,080

and i'll say quote you know roads in

90

00:04:04,869 --> 00:04:01,360

america

91

00:04:08,630 --> 00:04:04,879

uh because it it was previously

92

00:04:11,670 --> 00:04:08,640

a buffalo trace um that actually

93

00:04:12,229 --> 00:04:11,680

then became part of the great warrior

94

00:04:15,750 --> 00:04:12,239

way

95

00:04:20,150 --> 00:04:15,760

which a number of native american tribes

96

00:04:21,590 --> 00:04:20,160

used to travel north to south

97

00:04:23,430 --> 00:04:21,600

and there are a number of maps that i

98

00:04:26,950 --> 00:04:23,440

found after he told me this of course i

99

00:04:29,990 --> 00:04:26,960

dug dug deep into this and and in fact

100

00:04:31,189 --> 00:04:30,000

it is one of the arms of of the great

101
00:04:33,270 --> 00:04:31,199
warrior way so

102
00:04:34,230 --> 00:04:33,280
so it's one of those paths that uh

103
00:04:37,990 --> 00:04:34,240
people have been

104
00:04:40,830 --> 00:04:38,000
using to move through the united states

105
00:04:42,870 --> 00:04:40,840
through north america for thousands of

106
00:04:45,350 --> 00:04:42,880
years and

107
00:04:45,990 --> 00:04:45,360
i think that's part of it you know i

108
00:04:52,950 --> 00:04:46,000
think

109
00:04:54,550 --> 00:04:52,960
along that pathway and um you know

110
00:04:56,950 --> 00:04:54,560
animals humans

111
00:04:59,430 --> 00:04:56,960
uh the memories that are that are sort

112
00:05:01,749 --> 00:04:59,440
of infused into that path

113
00:05:04,870 --> 00:05:01,759

um and not just a physical path but just

114

00:05:07,909 --> 00:05:04,880

you know in a way to a metaphysical path

115

00:05:09,670 --> 00:05:07,919

has sort of primed it another thing that

116

00:05:09,990 --> 00:05:09,680

adds to the high strangeness is that

117

00:05:14,390 --> 00:05:10,000

there

118

00:05:17,590 --> 00:05:14,400

are also um these adena mounds

119

00:05:21,670 --> 00:05:17,600

that have been discovered by

120

00:05:24,870 --> 00:05:21,680

a man named rafskiller he was a

121

00:05:25,990 --> 00:05:24,880

polyglot from the late 1700's or early

122

00:05:28,230 --> 00:05:26,000

1800's

123

00:05:30,230 --> 00:05:28,240

who lived in lexington kentucky and he

124

00:05:33,749 --> 00:05:30,240

discovered a number of the

125

00:05:34,390 --> 00:05:33,759

early hopewell adena mounds uh burial

126

00:05:36,390 --> 00:05:34,400

mounds

127

00:05:38,469 --> 00:05:36,400

and ancient earthquakes here in in

128

00:05:42,150 --> 00:05:38,479

kentucky and ohio

129

00:05:45,670 --> 00:05:42,160

and um some of those mounds are located

130

00:05:47,990 --> 00:05:45,680

along highway 39 and so

131

00:05:49,830 --> 00:05:48,000

so there's always been this idea that

132

00:05:51,189 --> 00:05:49,840

that associated with

133

00:05:53,189 --> 00:05:51,199

earthworks i think a lot of people

134

00:05:56,550 --> 00:05:53,199

probably familiar with this

135

00:05:59,350 --> 00:05:56,560

these ideas of portal areas of window

136

00:06:02,629 --> 00:05:59,360

areas you know there are a lot of

137

00:06:05,110 --> 00:06:02,639

sightings of creatures

138

00:06:06,870 --> 00:06:05,120

definitely in england near the earth

139

00:06:10,469 --> 00:06:06,880

works their sightings of

140

00:06:13,350 --> 00:06:10,479

you know the alien uh big cats

141

00:06:14,390 --> 00:06:13,360

you know the alien the abc's um and

142

00:06:17,270 --> 00:06:14,400

definitely here in

143

00:06:18,309 --> 00:06:17,280

pulaski county along highway 39 there

144

00:06:21,510 --> 00:06:18,319

are numerous

145

00:06:24,870 --> 00:06:21,520

sightings of what people here call

146

00:06:26,550 --> 00:06:24,880

painters but of black panthers but there

147

00:06:30,070 --> 00:06:26,560

are no black panthers

148

00:06:33,670 --> 00:06:30,080

in north america there are no melanistic

149

00:06:37,270 --> 00:06:33,680

black cats north of mexico

150

00:06:38,950 --> 00:06:37,280

and not not since like 1903 so

151
00:06:40,309 --> 00:06:38,960
it's strange you know that's one of the

152
00:06:42,870 --> 00:06:40,319
main things that i kept

153
00:06:44,550 --> 00:06:42,880
finding over and over again when i

154
00:06:46,870 --> 00:06:44,560
interviewed people here in the area

155
00:06:48,550 --> 00:06:46,880
everyone had a black panther sighting

156
00:06:51,589 --> 00:06:48,560
and a lot of them clustered

157
00:06:54,950 --> 00:06:51,599
along highway 39

158
00:06:58,150 --> 00:06:54,960
and on top of that there are records

159
00:07:01,589 --> 00:06:58,160
that there were a number of

160
00:07:04,550 --> 00:07:01,599
sky falls if everybody's familiar with

161
00:07:06,469 --> 00:07:04,560
charles fort and 40 in phenomena and his

162
00:07:11,110 --> 00:07:06,479
tracking of some of these things

163
00:07:13,589 --> 00:07:11,120

um there were frog falls

164

00:07:15,110 --> 00:07:13,599

you know fish falls there were reports

165

00:07:18,710 --> 00:07:15,120

of a meat

166

00:07:21,909 --> 00:07:18,720

fall in this area which mirrored the

167

00:07:23,670 --> 00:07:21,919

meat fall the kentucky meat shower

168

00:07:24,950 --> 00:07:23,680

that happened in olympia springs

169

00:07:27,110 --> 00:07:24,960

kentucky

170

00:07:29,270 --> 00:07:27,120

and this all was along highway 39 and

171

00:07:33,350 --> 00:07:29,280

along with that numerous ufo sightings

172

00:07:37,270 --> 00:07:33,360

so it it's one of the hot spots

173

00:07:40,309 --> 00:07:37,280

in this area um that continues today

174

00:07:43,110 --> 00:07:40,319

women there there have been some recent

175

00:07:45,029 --> 00:07:43,120

ufo sightings along highway 39 and

176

00:07:47,909 --> 00:07:45,039

actually this area

177

00:07:49,270 --> 00:07:47,919

for the last three weeks has been in a

178

00:07:52,390 --> 00:07:49,280

major ufo flap

179

00:07:53,909 --> 00:07:52,400

what i mean that i know personally over

180

00:07:55,589 --> 00:07:53,919

probably around 14 people that we've

181

00:07:57,510 --> 00:07:55,599

interviewed um in

182

00:08:00,070 --> 00:07:57,520

the last you know since the fourth of

183

00:08:03,110 --> 00:08:00,080

july who have had

184

00:08:06,150 --> 00:08:03,120

uh sightings of either triangles um

185

00:08:08,550 --> 00:08:06,160

or orbs that were flying in the sky

186

00:08:09,189 --> 00:08:08,560

um yeah just a lot of strange things

187

00:08:11,430 --> 00:08:09,199

right now

188

00:08:12,390 --> 00:08:11,440

and and that's that specific part of the

189

00:08:14,230 --> 00:08:12,400

county too that's

190

00:08:16,469 --> 00:08:14,240

that's near highway 39 toward the

191

00:08:19,430 --> 00:08:16,479

northern part of the county

192

00:08:20,309 --> 00:08:19,440

wow and it's it's one of the areas that

193

00:08:22,790 --> 00:08:20,319

i mean

194

00:08:24,469 --> 00:08:22,800

there's sedona and there is obviously

195

00:08:25,670 --> 00:08:24,479

shapeshifter territory in the uintah

196

00:08:28,150 --> 00:08:25,680

basin of utah

197

00:08:29,270 --> 00:08:28,160

but i would say that this area rivals if

198

00:08:31,350 --> 00:08:29,280

not compares

199

00:08:32,870 --> 00:08:31,360

equally to a lot of that and i want to

200

00:08:33,990 --> 00:08:32,880

get back to a lot of the things you

201
00:08:36,149 --> 00:08:34,000
mentioned nathan

202
00:08:37,909 --> 00:08:36,159
but for listeners who have been living

203
00:08:40,230 --> 00:08:37,919
under a rock or haven't heard of the

204
00:08:42,389 --> 00:08:40,240
penny royal as it is a fairly new topic

205
00:08:44,470 --> 00:08:42,399
in conspiracy media terms

206
00:08:46,310 --> 00:08:44,480
can you explain some of the

207
00:08:47,750 --> 00:08:46,320
characteristics that make the penny

208
00:08:49,430 --> 00:08:47,760
royal plateau unique

209
00:08:51,590 --> 00:08:49,440
and what drew your interest into

210
00:08:52,630 --> 00:08:51,600
researching it to such an extent as you

211
00:08:55,590 --> 00:08:52,640
have

212
00:08:56,949 --> 00:08:55,600
oh absolutely man yeah so um the

213
00:09:00,389 --> 00:08:56,959

pennyworld plateau

214

00:09:03,269 --> 00:09:00,399

specifically um is an area of

215

00:09:03,910 --> 00:09:03,279

south central kentucky um it stretches

216

00:09:06,470 --> 00:09:03,920

from

217

00:09:08,790 --> 00:09:06,480

the appalachian mountains in the east

218

00:09:12,310 --> 00:09:08,800

where the foothills are

219

00:09:15,509 --> 00:09:12,320

westward to really where

220

00:09:17,030 --> 00:09:15,519

mammoth cave is hopkinsville

221

00:09:18,870 --> 00:09:17,040

which everybody should be familiar with

222

00:09:20,310 --> 00:09:18,880

the hopkinsville goblins and

223

00:09:22,150 --> 00:09:20,320

you know that's where edgar cayce was

224

00:09:25,110 --> 00:09:22,160

born that's the

225

00:09:26,070 --> 00:09:25,120

sort of the westernmost part and then it

226

00:09:29,110 --> 00:09:26,080

it goes north

227

00:09:31,030 --> 00:09:29,120

into um where the bluegrass region

228

00:09:32,790 --> 00:09:31,040

starts where lexington kentucky is

229

00:09:34,230 --> 00:09:32,800

you know everyone's familiar with you

230

00:09:37,990 --> 00:09:34,240

know the horse farms and

231

00:09:39,829 --> 00:09:38,000

bourbon but uh that sort of triangle

232

00:09:43,190 --> 00:09:39,839

that's created

233

00:09:46,630 --> 00:09:43,200

is the penny royal plateau and

234

00:09:49,670 --> 00:09:46,640

the the geological features that are are

235

00:09:51,030 --> 00:09:49,680

present here um which are in their very

236

00:09:54,470 --> 00:09:51,040

distinct

237

00:09:56,150 --> 00:09:54,480

features um it's a landscape that's

238

00:09:59,190 --> 00:09:56,160

that's known as a karst

239

00:10:02,389 --> 00:09:59,200

landscape and so um a lot of

240

00:10:05,670 --> 00:10:02,399

sandstone a lot of limestone

241

00:10:06,470 --> 00:10:05,680

and water um you know kentucky used to

242

00:10:09,509 --> 00:10:06,480

be a

243

00:10:10,550 --> 00:10:09,519

you know part of this inland ocean um in

244

00:10:13,030 --> 00:10:10,560

north america

245

00:10:14,470 --> 00:10:13,040

you know long millions of years ago and

246

00:10:18,470 --> 00:10:14,480

so a lot of the water

247

00:10:20,389 --> 00:10:18,480

has created massive cave systems

248

00:10:23,030 --> 00:10:20,399

and you know the western part of the

249

00:10:25,590 --> 00:10:23,040

penny royal includes the mammoth cave

250

00:10:26,069 --> 00:10:25,600

uh cave system and that stretches all

251
00:10:28,550 --> 00:10:26,079
the way

252
00:10:29,590 --> 00:10:28,560
under the penny royal plateau all the

253
00:10:32,870 --> 00:10:29,600
way to

254
00:10:34,949 --> 00:10:32,880
um eastern kentucky to you know elkhorn

255
00:10:38,870 --> 00:10:34,959
city which is where hillier is

256
00:10:42,230 --> 00:10:38,880
um and even here in pulaski county

257
00:10:43,829 --> 00:10:42,240
um part of that cave system um

258
00:10:46,230 --> 00:10:43,839
that connects with that is another cave

259
00:10:46,949 --> 00:10:46,240
system called the sloanes valley cave

260
00:10:52,710 --> 00:10:46,959
system

261
00:10:54,310 --> 00:10:52,720
is the i think it's the 13th or 14th

262
00:10:56,069 --> 00:10:54,320
largest in north america

263
00:10:57,670 --> 00:10:56,079

obviously the mammoth kate is the

264

00:11:00,790 --> 00:10:57,680

largest but

265

00:11:02,470 --> 00:11:00,800

but this entire region especially here

266

00:11:04,470 --> 00:11:02,480

in pulaski county

267

00:11:06,790 --> 00:11:04,480

where somerset is located you know

268

00:11:10,710 --> 00:11:06,800

there's tons of sinkholes

269

00:11:14,230 --> 00:11:10,720

caves just this very

270

00:11:17,350 --> 00:11:14,240

rocky dissolved

271

00:11:20,389 --> 00:11:17,360

terrain lots of tunnels lots of

272

00:11:24,310 --> 00:11:20,399

underground passageways and so

273

00:11:26,389 --> 00:11:24,320

um that is sort of the the

274

00:11:27,670 --> 00:11:26,399

what's above the ground and also a

275

00:11:29,990 --> 00:11:27,680

little bit below the ground

276

00:11:31,190 --> 00:11:30,000

but even deeper and really what what

277

00:11:34,470 --> 00:11:31,200

drew my interest

278

00:11:36,710 --> 00:11:34,480

to this area and what connects it to

279

00:11:40,069 --> 00:11:36,720

sedona and some other places

280

00:11:44,069 --> 00:11:40,079

is the fact that this specific

281

00:11:47,590 --> 00:11:44,079

region is what nasa refers to

282

00:11:51,350 --> 00:11:47,600

as the kentucky anomaly which is the

283

00:11:55,750 --> 00:11:51,360

largest spike of geomagnetic energy

284

00:11:59,350 --> 00:11:55,760

in north america the when you look at

285

00:12:00,710 --> 00:11:59,360

these magsat uh you know imaging from

286

00:12:03,590 --> 00:12:00,720

these satellites

287

00:12:04,550 --> 00:12:03,600

there are three hot spots in north

288

00:12:07,110 --> 00:12:04,560

america

289

00:12:08,069 --> 00:12:07,120

one is in southern alaska one is in

290

00:12:10,790 --> 00:12:08,079

sedona

291

00:12:13,110 --> 00:12:10,800

and then one is here and it centers on

292

00:12:17,350 --> 00:12:13,120

pulaski county where somerset is

293

00:12:18,790 --> 00:12:17,360

um and it's this particular one

294

00:12:21,829 --> 00:12:18,800

and when you look at these maps you can

295

00:12:25,509 --> 00:12:21,839

see um these sort of mountains

296

00:12:28,629 --> 00:12:25,519

of geomagnetic peaks

297

00:12:29,670 --> 00:12:28,639

that come off the surface and by far the

298

00:12:31,910 --> 00:12:29,680

one here is

299

00:12:33,030 --> 00:12:31,920

is is larger than anything in north

300

00:12:34,949 --> 00:12:33,040

america

301
00:12:37,430 --> 00:12:34,959
um what's strange too that the southern

302
00:12:40,470 --> 00:12:37,440
hemisphere really doesn't have very many

303
00:12:42,150 --> 00:12:40,480
and then asia has quite a few i think

304
00:12:44,230 --> 00:12:42,160
the largest in the world is probably

305
00:12:46,230 --> 00:12:44,240
i think it's in china but in north

306
00:12:49,430 --> 00:12:46,240
america this is the largest

307
00:12:52,870 --> 00:12:49,440
and it's so powerful

308
00:12:56,230 --> 00:12:52,880
so strong that it creates what

309
00:13:00,389 --> 00:12:56,240
nasa refers to as a gravity high

310
00:13:03,110 --> 00:13:00,399
and so the gravity in pulaski county

311
00:13:03,990 --> 00:13:03,120
is slightly higher than the rest of

312
00:13:06,550 --> 00:13:04,000
north america

313
00:13:08,150 --> 00:13:06,560

i mean not not by a noticeable amount

314

00:13:11,670 --> 00:13:08,160

but it is

315

00:13:12,710 --> 00:13:11,680

detectable um that there that there is

316

00:13:14,230 --> 00:13:12,720

more gravity here

317

00:13:15,750 --> 00:13:14,240

and a lot of people report that you know

318

00:13:17,350 --> 00:13:15,760

they come here and they and they say

319

00:13:20,069 --> 00:13:17,360

they feel heavier here now

320

00:13:21,110 --> 00:13:20,079

and and i think that's more in an in an

321

00:13:23,670 --> 00:13:21,120

emotional sense

322

00:13:25,670 --> 00:13:23,680

in a metaphysical sense but you wonder

323

00:13:27,910 --> 00:13:25,680

if there's not some

324

00:13:29,590 --> 00:13:27,920

physical element to that too because of

325

00:13:31,350 --> 00:13:29,600

the gravity high

326

00:13:32,710 --> 00:13:31,360

but really the the kentucky anomalies

327

00:13:35,110 --> 00:13:32,720

what what

328

00:13:35,829 --> 00:13:35,120

caused me to look at this place and to

329

00:13:39,030 --> 00:13:35,839

say

330

00:13:41,910 --> 00:13:39,040

you know is this

331

00:13:44,069 --> 00:13:41,920

geomagnetic energy is this intense you

332

00:13:46,710 --> 00:13:44,079

know electromagnetic field

333

00:13:48,550 --> 00:13:46,720

affecting the people that live here you

334

00:13:51,189 --> 00:13:48,560

know what kind of effect

335

00:13:52,150 --> 00:13:51,199

does that have on the populace and and

336

00:13:54,310 --> 00:13:52,160

what we found out

337

00:13:56,389 --> 00:13:54,320

and what's you know a major part of the

338

00:14:00,150 --> 00:13:56,399

story that we uncovered

339

00:14:04,710 --> 00:14:00,160

is that it's caused this region to have

340

00:14:07,829 --> 00:14:04,720

a long history of extreme violence

341

00:14:10,629 --> 00:14:07,839

and issues with mental health

342

00:14:11,910 --> 00:14:10,639

um and so you know that that leads into

343

00:14:14,150 --> 00:14:11,920

all sorts of

344

00:14:16,150 --> 00:14:14,160

of crazy stories uh you know that we

345

00:14:18,470 --> 00:14:16,160

uncovered connected with that

346

00:14:20,069 --> 00:14:18,480

but i do think that that the the

347

00:14:23,430 --> 00:14:20,079

kentucky anomaly is

348

00:14:26,870 --> 00:14:23,440

is really sort of a foundational part

349

00:14:30,470 --> 00:14:26,880

of why this place experiences

350

00:14:33,110 --> 00:14:30,480

so much high strangeness you know yeah

351

00:14:34,949 --> 00:14:33,120

and it's like it's it's wild i've heard

352

00:14:36,310 --> 00:14:34,959

the van ellen belts have been said to

353

00:14:38,710 --> 00:14:36,320

dip to try to

354

00:14:39,990 --> 00:14:38,720

touch it and that heavy feeling that

355

00:14:42,629 --> 00:14:40,000

you're disgusting like

356

00:14:43,509 --> 00:14:42,639

talking about this could be part of the

357

00:14:46,790 --> 00:14:43,519

reason that

358

00:14:48,550 --> 00:14:46,800

maybe there is so much violence uh

359

00:14:50,069 --> 00:14:48,560

it sounds similar to the you in a base

360

00:14:51,670 --> 00:14:50,079

and where people come and

361

00:14:53,189 --> 00:14:51,680

oftentimes they just say i feel

362

00:14:55,030 --> 00:14:53,199

different and

363

00:14:56,470 --> 00:14:55,040

there's there's something else that's

364

00:14:59,670 --> 00:14:56,480

kind of odd which is

365

00:15:02,389 --> 00:14:59,680

i i want to touch on it is um

366

00:15:04,870 --> 00:15:02,399

it's not just the geomagnetic there's

367

00:15:07,509 --> 00:15:04,880

also pulaski county seems like an

368

00:15:08,230 --> 00:15:07,519

it is an intense geomagnetic hot spot

369

00:15:11,350 --> 00:15:08,240

but this

370

00:15:14,870 --> 00:15:11,360

this wild psychiatric

371

00:15:16,949 --> 00:15:14,880

situation where uh the prosaic

372

00:15:18,150 --> 00:15:16,959

explanations don't seem to account for

373

00:15:20,230 --> 00:15:18,160

some of the violence

374

00:15:21,750 --> 00:15:20,240

i've heard of some pretty wild crimes

375

00:15:23,509 --> 00:15:21,760

down in that area and i think there's a

376

00:15:25,750 --> 00:15:23,519

very famous one

377

00:15:28,230 --> 00:15:25,760

that maybe you could tell us more about

378

00:15:30,230 --> 00:15:28,240

i remember a story told me about

379

00:15:32,310 --> 00:15:30,240

uh i think you were in front of a

380

00:15:34,710 --> 00:15:32,320

courthouse or

381

00:15:36,150 --> 00:15:34,720

can you go into that a little bit oh

382

00:15:39,430 --> 00:15:36,160

totally yeah yeah

383

00:15:42,629 --> 00:15:39,440

that and that that was sort of the

384

00:15:44,150 --> 00:15:42,639

gateway um into this investigation you

385

00:15:47,430 --> 00:15:44,160

know i moved down here i'm not

386

00:15:47,829 --> 00:15:47,440

not from here originally um but my wife

387

00:15:49,670 --> 00:15:47,839

grew

388

00:15:52,069 --> 00:15:49,680

it was born here and so we moved back

389

00:15:55,430 --> 00:15:52,079

here about a decade ago

390

00:15:56,870 --> 00:15:55,440

and um you know i've done a lot of

391

00:15:59,030 --> 00:15:56,880

research into

392

00:16:00,629 --> 00:15:59,040

um you know high strangeness is just you

393

00:16:02,230 --> 00:16:00,639

know one of those things that you know i

394

00:16:05,430 --> 00:16:02,240

love 40 and phenomena

395

00:16:07,670 --> 00:16:05,440

collecting stories collecting folklore

396

00:16:09,430 --> 00:16:07,680

um you know is a big part of what i do

397

00:16:11,350 --> 00:16:09,440

especially with my research

398

00:16:12,550 --> 00:16:11,360

and so you know when we moved down to

399

00:16:14,790 --> 00:16:12,560

this region i i

400

00:16:16,310 --> 00:16:14,800

i was really digging into it and i i

401
00:16:19,350 --> 00:16:16,320
knew about the

402
00:16:20,230 --> 00:16:19,360
kentucky anomaly uh and how strange that

403
00:16:23,430 --> 00:16:20,240
was

404
00:16:25,910 --> 00:16:23,440
but uh soon after we moved down here

405
00:16:27,910 --> 00:16:25,920
i was i was coming home from work and um

406
00:16:31,350 --> 00:16:27,920
driving through the center of town and

407
00:16:33,910 --> 00:16:31,360
there was this crowd gathered and

408
00:16:36,069 --> 00:16:33,920
they were all holding signs up and the

409
00:16:39,670 --> 00:16:36,079
signs were pointing at

410
00:16:42,949 --> 00:16:39,680
um at the city hall

411
00:16:46,069 --> 00:16:42,959
and they were um

412
00:16:49,189 --> 00:16:46,079
and a sign said you know you

413
00:16:52,230 --> 00:16:49,199

did it and all these people were

414

00:16:56,069 --> 00:16:52,240

were holding these signs up

415

00:16:58,550 --> 00:16:56,079

so i get home and i i go to my

416

00:17:00,310 --> 00:16:58,560

neighbor's house and i i ask uh you know

417

00:17:00,790 --> 00:17:00,320

what's what's going on downtown you know

418

00:17:07,669 --> 00:17:00,800

what

419

00:17:12,309 --> 00:17:07,679

and that's when they explained to me

420

00:17:17,029 --> 00:17:12,319

that um there were these

421

00:17:20,390 --> 00:17:17,039

two uh children or was a girl who was 20

422

00:17:21,829 --> 00:17:20,400

and her i think it was

423

00:17:24,789 --> 00:17:21,839

four or five years i think it was four

424

00:17:27,990 --> 00:17:24,799

years old half brother

425

00:17:31,750 --> 00:17:28,000

linda and cody and

426

00:17:35,190 --> 00:17:31,760

it was july the 4th 1994

427

00:17:37,270 --> 00:17:35,200

and they were last seen

428

00:17:38,630 --> 00:17:37,280

at this gas station which is actually

429

00:17:43,029 --> 00:17:38,640

near my house

430

00:17:44,310 --> 00:17:43,039

and they went missing on july the 4th

431

00:17:47,110 --> 00:17:44,320

and they were found

432

00:17:48,230 --> 00:17:47,120

on july the 7th and they had been

433

00:17:51,909 --> 00:17:48,240

murdered

434

00:17:54,630 --> 00:17:51,919

on this at the city limits i won't

435

00:17:55,590 --> 00:17:54,640

go into the grisly details of the murder

436

00:17:58,230 --> 00:17:55,600

but

437

00:17:59,350 --> 00:17:58,240

suffice to say that you know it was it

438

00:18:01,270 --> 00:17:59,360

was extremely

439

00:18:02,950 --> 00:18:01,280

extremely violent how they how they were

440

00:18:05,190 --> 00:18:02,960

murdered

441

00:18:06,470 --> 00:18:05,200

but their bodies were found on the city

442

00:18:08,310 --> 00:18:06,480

limits

443

00:18:09,510 --> 00:18:08,320

that split sort of the city from the

444

00:18:11,590 --> 00:18:09,520

county and so

445

00:18:12,710 --> 00:18:11,600

when the police department arrived there

446

00:18:16,230 --> 00:18:12,720

was some confusion

447

00:18:18,070 --> 00:18:16,240

as to whose jurisdiction it was the fbi

448

00:18:19,909 --> 00:18:18,080

became involved

449

00:18:22,549 --> 00:18:19,919

ultimately the sheriff's department took

450

00:18:25,750 --> 00:18:22,559

over the case

451
00:18:29,350 --> 00:18:25,760
a man named sheriff sammy katrin

452
00:18:33,590 --> 00:18:29,360
who was sort of this king-like figure

453
00:18:35,669 --> 00:18:33,600
almost a messianic figure

454
00:18:36,870 --> 00:18:35,679
in the community that people just

455
00:18:38,710 --> 00:18:36,880
believed

456
00:18:41,510 --> 00:18:38,720
could do no wrong he even flew a

457
00:18:43,990 --> 00:18:41,520
helicopter instead of

458
00:18:44,789 --> 00:18:44,000
driving a patrol car most of the time

459
00:18:48,390 --> 00:18:44,799
and

460
00:18:49,669 --> 00:18:48,400
they they actually created a replica of

461
00:18:52,950 --> 00:18:49,679
his

462
00:18:56,390 --> 00:18:52,960
helicopter and placed it at

463
00:18:58,710 --> 00:18:56,400

various grocery stores where children

464

00:19:01,750 --> 00:18:58,720

could pay 25 cents to ride

465

00:19:02,789 --> 00:19:01,760

sammy catherine's helicopter so he takes

466

00:19:04,390 --> 00:19:02,799

over the case

467

00:19:06,070 --> 00:19:04,400

there were some allegations that he

468

00:19:07,990 --> 00:19:06,080

might have been involved somehow

469

00:19:09,909 --> 00:19:08,000

in the murders again these these have

470

00:19:12,070 --> 00:19:09,919

never been substantiated

471

00:19:14,870 --> 00:19:12,080

but there are always rumors like that i

472

00:19:19,110 --> 00:19:14,880

was hearing all kinds of rumors

473

00:19:21,909 --> 00:19:19,120

and files were lost

474

00:19:22,789 --> 00:19:21,919

there was some some you know conduct on

475

00:19:25,909 --> 00:19:22,799

the part of

476
00:19:27,029 --> 00:19:25,919
investigators that caused the case to

477
00:19:30,630 --> 00:19:27,039
ultimately go

478
00:19:33,750 --> 00:19:30,640
unsolved for 25 years

479
00:19:37,590 --> 00:19:33,760
2019 was the 25th anniversary

480
00:19:39,830 --> 00:19:37,600
and subsequently

481
00:19:41,990 --> 00:19:39,840
sammy catcher and sheriff sammy catrin

482
00:19:46,070 --> 00:19:42,000
was assassinated

483
00:19:48,070 --> 00:19:46,080
at a fish fry here in pulaski county

484
00:19:50,710 --> 00:19:48,080
while he was putting two apple pies on

485
00:19:54,230 --> 00:19:50,720
the top of his patrol car

486
00:19:57,430 --> 00:19:54,240
his supposedly his political rival um

487
00:19:58,150 --> 00:19:57,440
assassinated i hired a hitman who shot

488
00:20:01,270 --> 00:19:58,160

him

489

00:20:03,190 --> 00:20:01,280

um and then what's weird you know add

490

00:20:06,950 --> 00:20:03,200

another layer of weirdness to this

491

00:20:09,350 --> 00:20:06,960

sammy catrin's father was the

492

00:20:10,710 --> 00:20:09,360

chief of police and he was also

493

00:20:13,190 --> 00:20:10,720

assassinated

494

00:20:14,070 --> 00:20:13,200

here in pulaski county but the most but

495

00:20:17,669 --> 00:20:14,080

this this

496

00:20:21,110 --> 00:20:17,679

uh the murder of linda and

497

00:20:21,590 --> 00:20:21,120

cody you know dateline came to somerset

498

00:20:24,950 --> 00:20:21,600

in

499

00:20:27,750 --> 00:20:24,960

uh 2019 to do a special about it

500

00:20:28,870 --> 00:20:27,760

like i said it's it's it's been a an

501
00:20:32,630 --> 00:20:28,880
unsolved murder for

502
00:20:34,149 --> 00:20:32,640
25 years again if if anyone listening to

503
00:20:35,190 --> 00:20:34,159
this has any information the

504
00:20:37,750 --> 00:20:35,200
you know the sheriff's department that

505
00:20:39,830 --> 00:20:37,760
maintains a website with a tip line

506
00:20:40,789 --> 00:20:39,840
um i always try to remind people if

507
00:20:43,830 --> 00:20:40,799
there is anything

508
00:20:45,270 --> 00:20:43,840
uh to help but it's it's strange it's

509
00:20:49,029 --> 00:20:45,280
one of those things that

510
00:20:51,990 --> 00:20:49,039
i hadn't thought about the fact

511
00:20:53,350 --> 00:20:52,000
until after after penny roll the first

512
00:20:57,750 --> 00:20:53,360
season was released

513
00:21:01,029 --> 00:20:57,760

that july the 4th is the aphelion

514

00:21:03,990 --> 00:21:01,039

it's the day when the earth

515

00:21:04,549 --> 00:21:04,000

is the furthest from the sun and it's a

516

00:21:07,590 --> 00:21:04,559

major

517

00:21:09,510 --> 00:21:07,600

ritual day and also the seventh is the

518

00:21:11,990 --> 00:21:09,520

day that the bodies were found

519

00:21:12,630 --> 00:21:12,000

and so you know it adds this weird

520

00:21:15,430 --> 00:21:12,640

occult

521

00:21:17,110 --> 00:21:15,440

element to it and and the people that

522

00:21:18,870 --> 00:21:17,120

were telling me these stories and and

523

00:21:22,149 --> 00:21:18,880

explaining to me you know about these

524

00:21:25,190 --> 00:21:22,159

murders there was a heavy element of

525

00:21:27,669 --> 00:21:25,200

um cultis

526
00:21:28,230 --> 00:21:27,679
occultism you know not not occultism but

527
00:21:30,390 --> 00:21:28,240
just that

528
00:21:32,390 --> 00:21:30,400
that there might be some type of

529
00:21:34,390 --> 00:21:32,400
organized group in town

530
00:21:35,510 --> 00:21:34,400
um that we're doing things and and so

531
00:21:37,909 --> 00:21:35,520
that really was my

532
00:21:38,789 --> 00:21:37,919
entry point into investigating a lot of

533
00:21:42,230 --> 00:21:38,799
the local

534
00:21:44,549 --> 00:21:42,240
folklore was to understand

535
00:21:46,470 --> 00:21:44,559
where these stories were coming from you

536
00:21:48,310 --> 00:21:46,480
know how

537
00:21:49,990 --> 00:21:48,320
you know if they were true or not you

538
00:21:52,070 --> 00:21:50,000

know was there really a cult

539

00:21:53,830 --> 00:21:52,080

you know were people in power here in

540

00:21:57,190 --> 00:21:53,840

town involved in it

541

00:21:59,510 --> 00:21:57,200

um you know well obviously you know i

542

00:22:00,470 --> 00:21:59,520

i do not believe that's the case uh

543

00:22:03,830 --> 00:22:00,480

currently

544

00:22:06,950 --> 00:22:03,840

but there are groups and work groups

545

00:22:10,549 --> 00:22:06,960

um that were practicing um

546

00:22:13,190 --> 00:22:10,559

ritualism and magic in this area

547

00:22:13,990 --> 00:22:13,200

at that time um they're not connected to

548

00:22:15,830 --> 00:22:14,000

the murders but

549

00:22:17,590 --> 00:22:15,840

it's just it's a weird layering of

550

00:22:19,110 --> 00:22:17,600

things and and and that was

551
00:22:21,510 --> 00:22:19,120
you know that's probably the most high

552
00:22:24,549 --> 00:22:21,520
profile uh

553
00:22:25,990 --> 00:22:24,559
series of murders um uh and and

554
00:22:28,149 --> 00:22:26,000
there's someone else that's attached

555
00:22:30,549 --> 00:22:28,159
that i can't talk about just because

556
00:22:31,430 --> 00:22:30,559
of uh you know the family is very

557
00:22:33,830 --> 00:22:31,440
litigious

558
00:22:35,510 --> 00:22:33,840
uh to suggest that this particular

559
00:22:39,110 --> 00:22:35,520
individual was involved but

560
00:22:40,149 --> 00:22:39,120
most likely he was um and it is the

561
00:22:42,710 --> 00:22:40,159
number one suspect

562
00:22:44,789 --> 00:22:42,720
but i did not mention that in penny

563
00:22:48,710 --> 00:22:44,799

royal i can't really talk about it but

564

00:22:51,270 --> 00:22:48,720

um suffice to say there there are some

565

00:22:52,789 --> 00:22:51,280

very very strange characters that we

566

00:22:55,830 --> 00:22:52,799

discovered here

567

00:22:57,110 --> 00:22:55,840

that made me ask the question why were

568

00:23:00,149 --> 00:22:57,120

these people

569

00:23:03,350 --> 00:23:00,159

drawn to this specific area

570

00:23:05,669 --> 00:23:03,360

you know why did they end up here

571

00:23:07,190 --> 00:23:05,679

in pulaski county in this highly

572

00:23:09,270 --> 00:23:07,200

energetic place

573

00:23:10,390 --> 00:23:09,280

and then you know once we started

574

00:23:12,710 --> 00:23:10,400

digging into

575

00:23:13,430 --> 00:23:12,720

even just the violence you know the

576

00:23:17,110 --> 00:23:13,440

murders

577

00:23:20,470 --> 00:23:17,120

we found tons of these things just

578

00:23:23,990 --> 00:23:20,480

it was a pile of newspaper articles

579

00:23:25,750 --> 00:23:24,000

of the craziest murders and attempted

580

00:23:28,870 --> 00:23:25,760

murders and poisonings

581

00:23:29,430 --> 00:23:28,880

and assassinations that you've ever

582

00:23:32,950 --> 00:23:29,440

heard

583

00:23:35,029 --> 00:23:32,960

and all concentrated in this one area

584

00:23:35,990 --> 00:23:35,039

and and that's when i really started

585

00:23:39,830 --> 00:23:36,000

digging into the research

586

00:23:42,149 --> 00:23:39,840

of how intense geomagnetic and

587

00:23:43,590 --> 00:23:42,159

electromagnetic fields can affect

588

00:23:46,390 --> 00:23:43,600

people's brains and

589

00:23:47,830 --> 00:23:46,400

and cause them to be more violent um

590

00:23:49,909 --> 00:23:47,840

it's just so

591

00:23:51,669 --> 00:23:49,919

it's strange and and also i think it's

592

00:23:53,029 --> 00:23:51,679

worth noting and i mentioned this in the

593

00:23:56,149 --> 00:23:53,039

podcast that

594

00:23:57,990 --> 00:23:56,159

um you know there's a a mental

595

00:23:59,909 --> 00:23:58,000

health facility in lexington which is

596

00:24:01,990 --> 00:23:59,919

about an hour north of here

597

00:24:03,430 --> 00:24:02,000

called eastern state and we've

598

00:24:05,110 --> 00:24:03,440

interviewed a number of people that

599

00:24:08,470 --> 00:24:05,120

worked at eastern state

600

00:24:10,630 --> 00:24:08,480

and they remarked that any time

601
00:24:12,230 --> 00:24:10,640
someone brought up pulaski county or was

602
00:24:14,950 --> 00:24:12,240
from plastic county

603
00:24:15,909 --> 00:24:14,960
the doctors there were quick to note

604
00:24:19,190 --> 00:24:15,919
that you know it's like

605
00:24:20,070 --> 00:24:19,200
what is in the water in pulaski county

606
00:24:23,510 --> 00:24:20,080
because

607
00:24:26,070 --> 00:24:23,520
at one point 70 percent of the people

608
00:24:26,789 --> 00:24:26,080
in eastern state which takes patients

609
00:24:33,669 --> 00:24:26,799
from

610
00:24:36,870 --> 00:24:33,679
plastic county

611
00:24:39,190 --> 00:24:36,880
and and when you look at the the

612
00:24:40,070 --> 00:24:39,200
sort of spectrum of mental health here

613
00:24:42,950 --> 00:24:40,080

in the county

614

00:24:44,310 --> 00:24:42,960

there's a massive uh mental health

615

00:24:47,110 --> 00:24:44,320

industry here

616

00:24:47,990 --> 00:24:47,120

and even you know which we could talk

617

00:24:50,470 --> 00:24:48,000

about um

618

00:24:51,750 --> 00:24:50,480

you know a little bit more in detail

619

00:24:54,789 --> 00:24:51,760

whenever you want but

620

00:24:55,990 --> 00:24:54,799

uh there's also an experimental mental

621

00:24:58,350 --> 00:24:56,000

health facility

622

00:24:59,590 --> 00:24:58,360

called oakwood that was created here in

623

00:25:03,029 --> 00:24:59,600

1973

624

00:25:05,669 --> 00:25:03,039

you know it's just it to me once once i

625

00:25:06,710 --> 00:25:05,679

started digging into this and looking at

626
00:25:09,909 --> 00:25:06,720
this specific

627
00:25:13,510 --> 00:25:09,919
place i just kept finding

628
00:25:16,470 --> 00:25:13,520
layer upon layer of weirdness

629
00:25:17,750 --> 00:25:16,480
um that that was sort of undeniable that

630
00:25:20,950 --> 00:25:17,760
it had to all be

631
00:25:23,510 --> 00:25:20,960
connected somehow you know

632
00:25:25,430 --> 00:25:23,520
i'm so i'm glad you said layer upon

633
00:25:28,269 --> 00:25:25,440
layer because yeah it seems like it's

634
00:25:30,710 --> 00:25:28,279
just riddled with like synchronicities

635
00:25:32,149 --> 00:25:30,720
connectivities and you know where you

636
00:25:33,909 --> 00:25:32,159
see one strange thing

637
00:25:36,070 --> 00:25:33,919
another strange thing appears and it

638
00:25:38,230 --> 00:25:36,080

leads to other strange things

639

00:25:40,070 --> 00:25:38,240

and you mentioned a few things um

640

00:25:43,269 --> 00:25:40,080

earlier in the podcast and i

641

00:25:45,350 --> 00:25:43,279

one i have to touch on is um

642

00:25:47,590 --> 00:25:45,360

it looks like on the evening of august

643

00:25:50,549 --> 00:25:47,600

21 1955

644

00:25:52,310 --> 00:25:50,559

the hopkinsville this is this is

645

00:25:53,990 --> 00:25:52,320

something that if people have not heard

646

00:25:54,870 --> 00:25:54,000

about this it's one of the wildest

647

00:25:56,470 --> 00:25:54,880

stories

648

00:25:59,110 --> 00:25:56,480

for listeners that haven't heard about

649

00:26:00,630 --> 00:25:59,120

it a basically some people showed up at

650

00:26:04,149 --> 00:26:00,640

a police station

651
00:26:05,750 --> 00:26:04,159
and claimed that uh small creatures from

652
00:26:07,750 --> 00:26:05,760
a spaceship were attacking them

653
00:26:09,830 --> 00:26:07,760
and their farm can we go into that story

654
00:26:12,070 --> 00:26:09,840
because that just wow

655
00:26:13,029 --> 00:26:12,080
yeah you know that's the the sutton

656
00:26:16,710 --> 00:26:13,039
family

657
00:26:18,549 --> 00:26:16,720
um and they were in kelly kentucky which

658
00:26:21,029 --> 00:26:18,559
is just outside of hopkinsville

659
00:26:22,149 --> 00:26:21,039
but it's you know the kelly hopkins

660
00:26:26,070 --> 00:26:22,159
little goblin

661
00:26:29,110 --> 00:26:26,080
uh sighting but i think i think that is

662
00:26:32,149 --> 00:26:29,120
the most well documented

663
00:26:38,710 --> 00:26:35,669

alien encounter um in in sort of

664

00:26:41,750 --> 00:26:38,720

u.s history but um

665

00:26:44,470 --> 00:26:41,760

yeah the family that supposedly

666

00:26:46,070 --> 00:26:44,480

saw light in the sky came down on the

667

00:26:49,110 --> 00:26:46,080

farm

668

00:26:52,789 --> 00:26:49,120

they were besieged by

669

00:26:55,669 --> 00:26:52,799

a series of you know

670

00:26:56,710 --> 00:26:55,679

of creatures uh small diminutive

671

00:26:59,990 --> 00:26:56,720

creatures

672

00:27:00,870 --> 00:27:00,000

uh with these big ears and these big

673

00:27:04,149 --> 00:27:00,880

eyes

674

00:27:05,590 --> 00:27:04,159

and the strange thing though is the way

675

00:27:07,669 --> 00:27:05,600

they moved

676
00:27:09,029 --> 00:27:07,679
and also the the family saw them in the

677
00:27:11,430 --> 00:27:09,039
windows

678
00:27:12,710 --> 00:27:11,440
they they saw them on the roof of the

679
00:27:13,269 --> 00:27:12,720
house they heard them on the roof of the

680
00:27:16,630 --> 00:27:13,279
house

681
00:27:19,990 --> 00:27:16,640
and so you know it's 1952

682
00:27:21,750 --> 00:27:20,000
and they get shotguns out and they start

683
00:27:23,350 --> 00:27:21,760
shooting at these things and when they

684
00:27:26,630 --> 00:27:23,360
hit these things

685
00:27:29,269 --> 00:27:26,640
it makes like a uh the sound that that

686
00:27:30,630 --> 00:27:29,279
that would make if you shot a tin can

687
00:27:32,870 --> 00:27:30,640
and they would kind of be

688
00:27:33,990 --> 00:27:32,880

you know and and sort of bounce around

689

00:27:37,590 --> 00:27:34,000

out of sight

690

00:27:41,590 --> 00:27:37,600

and so you know that aspect of

691

00:27:43,909 --> 00:27:41,600

the case itself is extremely strange

692

00:27:45,190 --> 00:27:43,919

um you know it's not what you would can

693

00:27:48,230 --> 00:27:45,200

you know think about when

694

00:27:50,950 --> 00:27:48,240

you know you consider you know grays

695

00:27:53,269 --> 00:27:50,960

or some other type of traditional sort

696

00:27:56,310 --> 00:27:53,279

of alien

697

00:27:58,950 --> 00:27:56,320

encounter but they ended up

698

00:27:59,669 --> 00:27:58,960

you know getting out of the the

699

00:28:02,549 --> 00:27:59,679

farmhouse

700

00:28:02,950 --> 00:28:02,559

going to the police and they fight off

701
00:28:07,029 --> 00:28:02,960
these

702
00:28:10,070 --> 00:28:07,039
and

703
00:28:12,950 --> 00:28:10,080
see anything

704
00:28:13,510 --> 00:28:12,960
but they're tons and tons of shells they

705
00:28:15,909 --> 00:28:13,520
can see

706
00:28:17,430 --> 00:28:15,919
evidence of that the family was shooting

707
00:28:19,830 --> 00:28:17,440
from inside the house at

708
00:28:20,470 --> 00:28:19,840
something that they believed was you

709
00:28:24,070 --> 00:28:20,480
know

710
00:28:25,990 --> 00:28:24,080
just

711
00:28:27,990 --> 00:28:26,000
it's an extremely strange case it's

712
00:28:30,950 --> 00:28:28,000
where the phrase

713
00:28:31,909 --> 00:28:30,960

little green men originates uh in the

714

00:28:35,029 --> 00:28:31,919

newspaper

715

00:28:35,669 --> 00:28:35,039

in regard to this uh story the thing

716

00:28:39,269 --> 00:28:35,679

that's

717

00:28:42,830 --> 00:28:39,279

that to me is the most interesting

718

00:28:46,710 --> 00:28:42,840

is that this is the only

719

00:28:50,149 --> 00:28:46,720

verified ufo alien case

720

00:28:53,990 --> 00:28:50,159

that the cia investigated

721

00:28:58,070 --> 00:28:54,000

and we know that they did because

722

00:28:58,870 --> 00:28:58,080

there are c declassified cia files that

723

00:29:02,310 --> 00:28:58,880

they sent

724

00:29:04,870 --> 00:29:02,320

a man named john mull holland

725

00:29:06,630 --> 00:29:04,880

to investigate whether or not the sutton

726

00:29:09,669 --> 00:29:06,640

family was telling the truth

727

00:29:14,149 --> 00:29:09,679

and what's so strange about this is that

728

00:29:18,149 --> 00:29:14,159

john mull holland was a stage magician

729

00:29:21,190 --> 00:29:18,159

who the that the cia contracted

730

00:29:23,909 --> 00:29:21,200

to create their manual for

731

00:29:24,710 --> 00:29:23,919

slot of hand and a number of other

732

00:29:28,230 --> 00:29:24,720

things

733

00:29:31,830 --> 00:29:28,240

he also is connected later

734

00:29:32,470 --> 00:29:31,840

to the mk ultra program uh and so it's

735

00:29:34,630 --> 00:29:32,480

like

736

00:29:35,830 --> 00:29:34,640

this is all i mean this is beyond

737

00:29:38,310 --> 00:29:35,840

conspiracy theory

738

00:29:39,029 --> 00:29:38,320

this is all verified you can read the

739

00:29:42,710 --> 00:29:39,039

documents

740

00:29:44,389 --> 00:29:42,720

we know who he was and

741

00:29:45,830 --> 00:29:44,399

know that he was a stage magician know

742

00:29:50,149 --> 00:29:45,840

that he was there and

743

00:29:53,510 --> 00:29:50,159

filed a report with the cia about

744

00:29:55,590 --> 00:29:53,520

the hopkinsville goblins and then later

745

00:29:58,710 --> 00:29:55,600

was involved in mk ultra so it's

746

00:29:59,430 --> 00:29:58,720

it's just one of those strange things

747

00:30:03,990 --> 00:29:59,440

that

748

00:30:05,510 --> 00:30:04,000

things

749

00:30:07,269 --> 00:30:05,520

you got to start asking a few more

750

00:30:10,230 --> 00:30:07,279

questions you know

751
00:30:11,269 --> 00:30:10,240
yeah it's like it's just the

752
00:30:12,789 --> 00:30:11,279
connectivity of

753
00:30:15,269 --> 00:30:12,799
everything is like part of that

754
00:30:18,470 --> 00:30:15,279
weirdness and you had mentioned

755
00:30:21,350 --> 00:30:18,480
that the ancient culture of kentucky is

756
00:30:23,350 --> 00:30:21,360
renowned for its massive burial mounds

757
00:30:25,590 --> 00:30:23,360
and

758
00:30:27,269 --> 00:30:25,600
kenneth grant has said that the adena

759
00:30:30,310 --> 00:30:27,279
may have opened some type of

760
00:30:33,510 --> 00:30:30,320
portal or anomaly that was never closed

761
00:30:35,350 --> 00:30:33,520
can we get into that weirdness oh yeah

762
00:30:36,789 --> 00:30:35,360
i i mean this is probably one of my

763
00:30:39,990 --> 00:30:36,799

favorite parts of

764

00:30:42,470 --> 00:30:40,000

of what we found too is um

765

00:30:43,029 --> 00:30:42,480

yeah if people are familiar with kenneth

766

00:30:46,310 --> 00:30:43,039

grant

767

00:30:50,549 --> 00:30:46,320

he is a ceremonial magician

768

00:30:51,430 --> 00:30:50,559

who was the origin of the typhonian

769

00:30:55,909 --> 00:30:51,440

order

770

00:30:59,750 --> 00:30:55,919

um and he was at one point

771

00:31:02,070 --> 00:30:59,760

aleister crowley's secretary

772

00:31:03,830 --> 00:31:02,080

and i think i can't remember if he

773

00:31:05,110 --> 00:31:03,840

headed up the oto at one point or

774

00:31:06,950 --> 00:31:05,120

attempted to but

775

00:31:08,950 --> 00:31:06,960

um but he did he had to tie phony in

776

00:31:11,029 --> 00:31:08,960

order now the typhonian order

777

00:31:11,990 --> 00:31:11,039

you know i'm not a practicing ceremonial

778

00:31:13,669 --> 00:31:12,000

magician but

779

00:31:15,269 --> 00:31:13,679

um but we've researched a lot of this

780

00:31:18,470 --> 00:31:15,279

and we've we've interviewed a lot of

781

00:31:21,750 --> 00:31:18,480

magicians so um uh it's

782

00:31:23,509 --> 00:31:21,760

it's interesting that uh the typhonian

783

00:31:27,669 --> 00:31:23,519

order sort of embraces even

784

00:31:29,990 --> 00:31:27,679

this idea of um the old gods

785

00:31:30,950 --> 00:31:30,000

or some you know something akin to

786

00:31:35,110 --> 00:31:30,960

lovecraft

787

00:31:38,950 --> 00:31:35,120

even and there was a group

788

00:31:41,830 --> 00:31:38,960

uh that was known as the bait cabal

789

00:31:43,430 --> 00:31:41,840

who were part of the typhonian order um

790

00:31:47,909 --> 00:31:43,440

they were a magical group

791

00:31:50,310 --> 00:31:47,919

that had emerged from a

792

00:31:51,909 --> 00:31:50,320

shop in new york city called the magical

793

00:31:54,230 --> 00:31:51,919

child

794

00:31:57,669 --> 00:31:54,240

they came from new york city there was

795

00:31:59,509 --> 00:31:57,679

also a number of groups in the mid-1970s

796

00:32:02,470 --> 00:31:59,519

in cincinnati i think a lot of people

797

00:32:05,710 --> 00:32:02,480

don't realize how many magical groups

798

00:32:07,269 --> 00:32:05,720

were active in cincinnati ohio in the

799

00:32:09,110 --> 00:32:07,279

1970s

800

00:32:10,950 --> 00:32:09,120

we found numerous articles about it

801
00:32:13,909 --> 00:32:10,960
there were over 100

802
00:32:14,710 --> 00:32:13,919
covers but there were tons of different

803
00:32:16,549 --> 00:32:14,720
um

804
00:32:18,870 --> 00:32:16,559
orders magical orders that were

805
00:32:21,029 --> 00:32:18,880
practicing ceremonial magic

806
00:32:22,630 --> 00:32:21,039
and among them was the bait cabal and so

807
00:32:26,230 --> 00:32:22,640
this group that came from

808
00:32:29,350 --> 00:32:26,240
new york city sort of merged with um

809
00:32:32,710 --> 00:32:29,360
i think they were they had a publishing

810
00:32:35,669 --> 00:32:32,720
um uh company as well

811
00:32:36,310 --> 00:32:35,679
that later became black moon publishing

812
00:32:39,110 --> 00:32:36,320
so

813
00:32:40,789 --> 00:32:39,120

the bank of all published a journal

814

00:32:43,909 --> 00:32:40,799

called the cincinnati journal

815

00:32:44,630 --> 00:32:43,919

of magic in the 1970s and it was these

816

00:32:47,590 --> 00:32:44,640

guys were

817

00:32:47,909 --> 00:32:47,600

way ahead of everybody else in terms of

818

00:32:51,029 --> 00:32:47,919

uh

819

00:32:53,269 --> 00:32:51,039

magical systems we interviewed marco

820

00:32:56,389 --> 00:32:53,279

visconti who's a ceremonial magician

821

00:32:58,710 --> 00:32:56,399

in england and you know he's sort of his

822

00:32:59,669 --> 00:32:58,720

a historian of these things and and he

823

00:33:01,750 --> 00:32:59,679

explained to us

824

00:33:03,909 --> 00:33:01,760

that you know these guys were if you

825

00:33:07,190 --> 00:33:03,919

think of magic as um

826
00:33:10,070 --> 00:33:07,200
operating systems that the baseball were

827
00:33:11,909 --> 00:33:10,080
you know a few opera few upgrades of

828
00:33:12,230 --> 00:33:11,919
operating systems ahead of everybody

829
00:33:14,230 --> 00:33:12,240
else

830
00:33:15,909 --> 00:33:14,240
just the way they were approaching magic

831
00:33:19,909 --> 00:33:15,919
so um

832
00:33:24,149 --> 00:33:19,919
the woman um a woman named

833
00:33:27,509 --> 00:33:24,159
maggie ingles headed up the baseball

834
00:33:30,549 --> 00:33:27,519
she was known in magical circles as

835
00:33:34,149 --> 00:33:30,559
nema and so she

836
00:33:37,430 --> 00:33:34,159
really is the one that

837
00:33:41,190 --> 00:33:37,440
was speaking to um kenneth grant

838
00:33:43,269 --> 00:33:41,200

about the cincinnati vortex

839

00:33:44,789 --> 00:33:43,279

and so they were collaborating and

840

00:33:48,310 --> 00:33:44,799

talking about um

841

00:33:48,710 --> 00:33:48,320

the fact that the adena um had opened

842

00:33:56,230 --> 00:33:48,720

this

843

00:33:59,830 --> 00:33:56,240

rip in space and time

844

00:34:02,870 --> 00:33:59,840

that allowed sort of

845

00:34:04,870 --> 00:34:02,880

people to cross over to the night side

846

00:34:06,149 --> 00:34:04,880

you know of like the tree of life you

847

00:34:09,109 --> 00:34:06,159

know that's how they they

848

00:34:10,950 --> 00:34:09,119

kind of saw that but it stretched from

849

00:34:13,909 --> 00:34:10,960

the cincinnati area

850

00:34:15,349 --> 00:34:13,919

down through you know kentucky over top

851
00:34:18,550 --> 00:34:15,359
of this area

852
00:34:21,669 --> 00:34:18,560
and sort of even over the ashland area

853
00:34:25,510 --> 00:34:21,679
but the primary place that nema went to

854
00:34:29,030 --> 00:34:25,520
interact with um this um

855
00:34:29,589 --> 00:34:29,040
you know this this vortex uh that opened

856
00:34:33,190 --> 00:34:29,599
up

857
00:34:36,950 --> 00:34:33,200
was the daniel boone national forest

858
00:34:37,669 --> 00:34:36,960
and so the whole eastern half of pulaski

859
00:34:41,190 --> 00:34:37,679
county

860
00:34:43,190 --> 00:34:41,200
is this daniel boone national forest

861
00:34:44,629 --> 00:34:43,200
and what we found was that the bait

862
00:34:47,909 --> 00:34:44,639
cabal and these

863
00:34:49,589 --> 00:34:47,919

ceremonial magicians were traveling down

864

00:34:53,109 --> 00:34:49,599

from cincinnati

865

00:34:54,389 --> 00:34:53,119

to pulaski county to the sp to the area

866

00:34:56,710 --> 00:34:54,399

and this is what's crazy

867

00:34:57,910 --> 00:34:56,720

the area that they were practicing these

868

00:35:01,190 --> 00:34:57,920

rituals

869

00:35:04,550 --> 00:35:01,200

is exactly the area that is

870

00:35:07,589 --> 00:35:04,560

the peak of the kentucky anomaly

871

00:35:10,870 --> 00:35:07,599

there are two peaks in this county that

872

00:35:13,829 --> 00:35:10,880

where the the heart of this thing is and

873

00:35:15,190 --> 00:35:13,839

one is in the northeastern part of the

874

00:35:16,230 --> 00:35:15,200

county and then one is in the

875

00:35:17,750 --> 00:35:16,240

southeastern

876

00:35:19,670 --> 00:35:17,760

and the most intense one is the

877

00:35:20,790 --> 00:35:19,680

northeastern one it's over a series of

878

00:35:24,790 --> 00:35:20,800

mines

879

00:35:27,829 --> 00:35:24,800

in this very remote part of the county

880

00:35:30,310 --> 00:35:27,839

and the symbol of the baseball was

881

00:35:31,589 --> 00:35:30,320

is the bee and the vulture and i

882

00:35:32,950 --> 00:35:31,599

interviewed all these people that

883

00:35:36,550 --> 00:35:32,960

remembered

884

00:35:39,589 --> 00:35:36,560

the these uh strange people from

885

00:35:41,910 --> 00:35:39,599

cincinnati coming to this property

886

00:35:44,550 --> 00:35:41,920

in the eastern part of the county where

887

00:35:46,390 --> 00:35:44,560

these mines are where the caves are

888

00:35:47,990 --> 00:35:46,400

and where daniel boone national forest

889

00:35:51,510 --> 00:35:48,000

is and they built this

890

00:35:54,950 --> 00:35:51,520

weird structure that people referred to

891

00:35:57,990 --> 00:35:54,960

as the beehive and it

892

00:36:00,230 --> 00:35:58,000

had a telescoping roof that could be

893

00:36:01,109 --> 00:36:00,240

opened up in a hearth in the center for

894

00:36:03,990 --> 00:36:01,119

a fire

895

00:36:05,349 --> 00:36:04,000

and people slept in these sort of

896

00:36:08,630 --> 00:36:05,359

honeycombed

897

00:36:11,349 --> 00:36:08,640

little nooks around the walls and it's

898

00:36:13,910 --> 00:36:11,359

still here today it's still out there

899

00:36:16,150 --> 00:36:13,920

and people that i interviewed remembered

900

00:36:19,510 --> 00:36:16,160

these these strange groups coming

901
00:36:21,430 --> 00:36:19,520
and they were naked in circles doing

902
00:36:22,870 --> 00:36:21,440
you know chanting strange things

903
00:36:24,310 --> 00:36:22,880
obviously they were sky clad

904
00:36:26,230 --> 00:36:24,320
you know the people interviewed didn't

905
00:36:27,910 --> 00:36:26,240
know what that was but um

906
00:36:29,349 --> 00:36:27,920
but they were here and they were

907
00:36:33,349 --> 00:36:29,359
practicing

908
00:36:35,750 --> 00:36:33,359
these rituals to combat

909
00:36:37,190 --> 00:36:35,760
and when you read the the cincinnati

910
00:36:39,670 --> 00:36:37,200
journal of

911
00:36:40,950 --> 00:36:39,680
ceremonial magic you discover that they

912
00:36:43,030 --> 00:36:40,960
believe these

913
00:36:44,790 --> 00:36:43,040

elder gods these old gods and this

914

00:36:47,270 --> 00:36:44,800

sounds like science fiction

915

00:36:48,870 --> 00:36:47,280

but they believe that these things these

916

00:36:52,069 --> 00:36:48,880

alien intelligences

917

00:36:54,950 --> 00:36:52,079

were attempting to cross what

918

00:36:56,230 --> 00:36:54,960

what the adena had opened up and back

919

00:36:59,750 --> 00:36:56,240

into our

920

00:37:02,710 --> 00:36:59,760

world our dimension to enslave humanity

921

00:37:03,750 --> 00:37:02,720

so they were performing time magic

922

00:37:08,390 --> 00:37:03,760

rituals

923

00:37:10,950 --> 00:37:08,400

i've collected all the journals

924

00:37:11,750 --> 00:37:10,960

and a lot of this is detailed in there

925

00:37:14,390 --> 00:37:11,760

um

926
00:37:17,430 --> 00:37:14,400
that they were trying to stave off this

927
00:37:19,910 --> 00:37:17,440
invasion by these alien intelligences

928
00:37:20,550 --> 00:37:19,920
and trying to save humanity and and it's

929
00:37:23,109 --> 00:37:20,560
like

930
00:37:23,910 --> 00:37:23,119
that all was happening right at the

931
00:37:25,829 --> 00:37:23,920
center

932
00:37:26,950 --> 00:37:25,839
of the kentucky anomaly whether they

933
00:37:29,270 --> 00:37:26,960
knew it or not

934
00:37:30,230 --> 00:37:29,280
and maybe they sensed how energetic it

935
00:37:33,750 --> 00:37:30,240
was but

936
00:37:34,710 --> 00:37:33,760
and then that specific area is where

937
00:37:36,710 --> 00:37:34,720
hellyer

938
00:37:38,310 --> 00:37:36,720

ended up that's where the new kirks

939

00:37:40,550 --> 00:37:38,320

ended up performing their

940

00:37:41,670 --> 00:37:40,560

you know ritual to pan it's where we

941

00:37:44,790 --> 00:37:41,680

discovered

942

00:37:47,510 --> 00:37:44,800

a number of other groups were practicing

943

00:37:48,630 --> 00:37:47,520

magic a number of weird strange

944

00:37:50,870 --> 00:37:48,640

characters x

945

00:37:52,950 --> 00:37:50,880

nazi intelligence agents that were

946

00:37:56,069 --> 00:37:52,960

owning mines in this area

947

00:37:59,190 --> 00:37:56,079

um and that it was all clustering

948

00:38:03,030 --> 00:37:59,200

there and it just defies

949

00:38:06,349 --> 00:38:03,040

belief you know that these things

950

00:38:09,750 --> 00:38:06,359

were happening i don't know

951
00:38:11,910 --> 00:38:09,760
absolutely stunning man it's just

952
00:38:13,270 --> 00:38:11,920
unreal and then i'm glad you brought up

953
00:38:15,349 --> 00:38:13,280
the nazi aspect

954
00:38:17,030 --> 00:38:15,359
and the aryan groups because there's

955
00:38:19,270 --> 00:38:17,040
some really strange

956
00:38:21,910 --> 00:38:19,280
things that have to do with the i guess

957
00:38:24,790 --> 00:38:21,920
fascist connections for those unfamiliar

958
00:38:26,230 --> 00:38:24,800
and uh i've got to get into the horn god

959
00:38:28,550 --> 00:38:26,240
pan as well

960
00:38:30,150 --> 00:38:28,560
but there was a there there's something

961
00:38:32,230 --> 00:38:30,160
that i i just can't skip

962
00:38:33,589 --> 00:38:32,240
over and we'll get back to this in a

963
00:38:35,589 --> 00:38:33,599

minute but um

964

00:38:37,710 --> 00:38:35,599

i absolutely have to ask about the

965

00:38:40,950 --> 00:38:37,720

kentucky meat shower of

966

00:38:43,109 --> 00:38:40,960

1876 and get get

967

00:38:45,030 --> 00:38:43,119

have our listeners just understand a

968

00:38:48,390 --> 00:38:45,040

little bit of a tidbit of what

969

00:38:50,630 --> 00:38:48,400

the heck happened back then yeah

970

00:38:52,150 --> 00:38:50,640

that's uh that's one of my favorite

971

00:38:55,430 --> 00:38:52,160

stories like kentucky

972

00:38:56,150 --> 00:38:55,440

you know anomaly stories um you know

973

00:39:00,870 --> 00:38:56,160

charles ford

974

00:39:02,630 --> 00:39:00,880

covers this um in his book of the damned

975

00:39:04,950 --> 00:39:02,640

i think it's in that winter new lands

976
00:39:08,470 --> 00:39:04,960
but but it's uh yeah book of the damned

977
00:39:11,190 --> 00:39:08,480
um and you know he's covering

978
00:39:11,750 --> 00:39:11,200
all of these things you know stories of

979
00:39:15,030 --> 00:39:11,760
of

980
00:39:16,950 --> 00:39:15,040
things

981
00:39:18,950 --> 00:39:16,960
and so the meat shower is really one of

982
00:39:20,710 --> 00:39:18,960
the strangest strangest ones and

983
00:39:22,310 --> 00:39:20,720
like i said it's uh it happened in

984
00:39:24,150 --> 00:39:22,320
olympia springs

985
00:39:25,190 --> 00:39:24,160
i can't think of the top off top they

986
00:39:26,150 --> 00:39:25,200
have what the name of the couple is

987
00:39:29,990 --> 00:39:26,160
right now but

988
00:39:33,349 --> 00:39:30,000

um but they were outside working and

989

00:39:37,349 --> 00:39:33,359

it was supposedly a clear sky and

990

00:39:40,710 --> 00:39:37,359

suddenly these chunks of meat began to

991

00:39:44,230 --> 00:39:40,720

fall out of the sky this rain of meat

992

00:39:47,670 --> 00:39:44,240

and so they you know take shelter

993

00:39:49,589 --> 00:39:47,680

it only lasts for a little while and um

994

00:39:52,790 --> 00:39:49,599

their neighbors come over you know they

995

00:39:55,030 --> 00:39:52,800

start inspecting this stuff

996

00:39:57,030 --> 00:39:55,040

for some reason people took a bite of it

997

00:39:58,870 --> 00:39:57,040

just to see if it was really neat

998

00:40:01,109 --> 00:39:58,880

and they reported that it tasted like

999

00:40:04,550 --> 00:40:01,119

mutton which i think is strange

1000

00:40:06,470 --> 00:40:04,560

um and uh yeah it's just it

1001
00:40:08,710 --> 00:40:06,480
they couldn't explain what it what it

1002
00:40:11,829 --> 00:40:08,720
come from but some of them were

1003
00:40:13,109 --> 00:40:11,839
a large chunks you know that that sort

1004
00:40:15,990 --> 00:40:13,119
of the size of

1005
00:40:16,630 --> 00:40:16,000
the palm of your hand and then all the

1006
00:40:19,990 --> 00:40:16,640
way down

1007
00:40:23,349 --> 00:40:20,000
smaller pieces the

1008
00:40:26,230 --> 00:40:23,359
only piece that is still preserved today

1009
00:40:27,589 --> 00:40:26,240
is at transylvania university which is

1010
00:40:29,910 --> 00:40:27,599
where i went to college

1011
00:40:30,630 --> 00:40:29,920
and i wish i had known this story while

1012
00:40:33,589 --> 00:40:30,640
i was

1013
00:40:34,870 --> 00:40:33,599

attending college there because i would

1014

00:40:37,270 --> 00:40:34,880

have definitely

1015

00:40:38,630 --> 00:40:37,280

you know sought out the piece of meat

1016

00:40:41,430 --> 00:40:38,640

from the meat shower but

1017

00:40:42,790 --> 00:40:41,440

in their special medical collections

1018

00:40:44,470 --> 00:40:42,800

they have a vial

1019

00:40:45,990 --> 00:40:44,480

that has a piece of the kentucky meat

1020

00:40:47,589 --> 00:40:46,000

shower i also think it's kind of strange

1021

00:40:48,550 --> 00:40:47,599

that you know you think of transylvania

1022

00:40:50,829 --> 00:40:48,560

university but

1023

00:40:51,990 --> 00:40:50,839

you know kentucky used to be known as

1024

00:40:53,510 --> 00:40:52,000

transylvania

1025

00:40:55,829 --> 00:40:53,520

you know it just means through the woods

1026

00:40:58,870 --> 00:40:55,839

and it was the transylvania

1027

00:41:00,630 --> 00:40:58,880

land company um that had owned all of

1028

00:41:03,190 --> 00:41:00,640

this area until it was

1029

00:41:04,230 --> 00:41:03,200

sold off and broken up into kentucky but

1030

00:41:07,430 --> 00:41:04,240

um

1031

00:41:10,309 --> 00:41:07,440

yeah so uh the the meat and fallout sky

1032

00:41:11,750 --> 00:41:10,319

one of the uh one of the explanations

1033

00:41:14,950 --> 00:41:11,760

was that it was

1034

00:41:16,870 --> 00:41:14,960

uh what people call star jelly or you

1035

00:41:19,589 --> 00:41:16,880

know like the gelatinous mass

1036

00:41:21,190 --> 00:41:19,599

sometimes falls um which is a

1037

00:41:24,390 --> 00:41:21,200

controversial subject too

1038

00:41:27,670 --> 00:41:24,400

but the the widely accepted

1039

00:41:31,030 --> 00:41:27,680

um explanation is that

1040

00:41:34,069 --> 00:41:31,040

it was vulture vomit and so that

1041

00:41:34,390 --> 00:41:34,079

that there was a flock of vultures that

1042

00:41:37,430 --> 00:41:34,400

were

1043

00:41:40,470 --> 00:41:37,440

flying over this farm in

1044

00:41:43,829 --> 00:41:40,480

olympia springs and suddenly

1045

00:41:44,630 --> 00:41:43,839

they all decided to to vomit at the same

1046

00:41:47,190 --> 00:41:44,640

time

1047

00:41:48,150 --> 00:41:47,200

and that's what the chunks of meat came

1048

00:41:49,829 --> 00:41:48,160

from but

1049

00:41:51,270 --> 00:41:49,839

obviously i don't believe that that's

1050

00:41:53,670 --> 00:41:51,280

not the case you know

1051
00:41:54,870 --> 00:41:53,680
now what did it what what was it i had

1052
00:41:58,390 --> 00:41:54,880
no idea but

1053
00:41:59,910 --> 00:41:58,400
it's it's one absolutely one of the

1054
00:42:03,270 --> 00:41:59,920
strangest

1055
00:42:06,309 --> 00:42:03,280
documented cases with actual

1056
00:42:07,589 --> 00:42:06,319
still preserved evidence that i think

1057
00:42:10,950 --> 00:42:07,599
has ever occurred of

1058
00:42:11,510 --> 00:42:10,960
40 and phenomena you know fascinating

1059
00:42:15,190 --> 00:42:11,520
it's just

1060
00:42:18,230 --> 00:42:15,200
fascinating and you're so knowledgeable

1061
00:42:21,589 --> 00:42:18,240
about this stuff i i do want to get into

1062
00:42:22,309 --> 00:42:21,599
um the nazi connection but i also can't

1063
00:42:25,270 --> 00:42:22,319

skip

1064

00:42:26,069 --> 00:42:25,280

is it's impossible to let's get into pan

1065

00:42:34,309 --> 00:42:26,079

and

1066

00:42:37,670 --> 00:42:34,319

in the area yeah so

1067

00:42:40,470 --> 00:42:37,680

prior to um prior to

1068

00:42:41,589 --> 00:42:40,480

crossing paths with say um you know greg

1069

00:42:43,430 --> 00:42:41,599

newkirk

1070

00:42:44,790 --> 00:42:43,440

and the hell year team which a lot of

1071

00:42:46,870 --> 00:42:44,800

people are probably familiar with the

1072

00:42:50,790 --> 00:42:46,880

second season of that show

1073

00:42:54,710 --> 00:42:50,800

and how it involves somerset and pan

1074

00:42:57,030 --> 00:42:54,720

but before we had ever met them

1075

00:42:59,190 --> 00:42:57,040

there's an artist here that i mentioned

1076
00:43:00,870 --> 00:42:59,200
earlier a famous kentucky artist named

1077
00:43:04,150 --> 00:43:00,880
dan dutton

1078
00:43:06,150 --> 00:43:04,160
and dan uh created a series he's a he's

1079
00:43:09,670 --> 00:43:06,160
a painter he's a sculptor

1080
00:43:13,109 --> 00:43:09,680
he composes opera awesome guy and

1081
00:43:17,670 --> 00:43:13,119
dan created a series of operas

1082
00:43:21,190 --> 00:43:17,680
in the 90s and the early 2000s

1083
00:43:23,750 --> 00:43:21,200
and it was part of a four-part

1084
00:43:25,430 --> 00:43:23,760
opera cycle called the secret

1085
00:43:28,630 --> 00:43:25,440
commonwealth which

1086
00:43:31,670 --> 00:43:28,640
definitely is a nod to um

1087
00:43:32,790 --> 00:43:31,680
uh i think kirk is the guy's name the

1088
00:43:36,870 --> 00:43:32,800

the early book

1089

00:43:40,309 --> 00:43:36,880

on fairies from like the 1800s and so

1090

00:43:42,630 --> 00:43:40,319

um he did this four part opera

1091

00:43:44,390 --> 00:43:42,640

when he finished the opera he took some

1092

00:43:48,790 --> 00:43:44,400

time off and then

1093

00:43:51,510 --> 00:43:48,800

began to work on a piece called the fawn

1094

00:43:52,150 --> 00:43:51,520

very famous opera that he did um dance

1095

00:43:58,870 --> 00:43:52,160

opera

1096

00:44:01,990 --> 00:43:58,880

um the fawn focused on

1097

00:44:05,109 --> 00:44:02,000

the story of um

1098

00:44:08,870 --> 00:44:05,119

pan chasing syrinx and

1099

00:44:11,670 --> 00:44:08,880

another nymph uh to the water

1100

00:44:13,030 --> 00:44:11,680

where he you know syrinx hides in the in

1101
00:44:15,750 --> 00:44:13,040
the stream

1102
00:44:16,309 --> 00:44:15,760
and um that's where you know it turns

1103
00:44:20,550 --> 00:44:16,319
into

1104
00:44:23,270 --> 00:44:20,560
reeds up cuts the reeds

1105
00:44:25,030 --> 00:44:23,280
and then forms his pan pipe that he

1106
00:44:28,710 --> 00:44:25,040
plays right

1107
00:44:30,550 --> 00:44:28,720
so so dan's uh the fawn opera

1108
00:44:31,750 --> 00:44:30,560
focused on it so while he was working on

1109
00:44:35,190 --> 00:44:31,760
that he

1110
00:44:37,750 --> 00:44:35,200
ended up taking a job

1111
00:44:39,190 --> 00:44:37,760
with the kentucky tourism department and

1112
00:44:40,470 --> 00:44:39,200
they knew he was famous artists they

1113
00:44:42,550 --> 00:44:40,480

were choosing

1114

00:44:44,870 --> 00:44:42,560

famous kentucky artists and writers to

1115

00:44:47,990 --> 00:44:44,880

go on these trips to create these

1116

00:44:50,309 --> 00:44:48,000

travel logs and so dan

1117

00:44:51,990 --> 00:44:50,319

decided to go that he wanted to go to

1118

00:44:55,109 --> 00:44:52,000

elkhorn city

1119

00:44:59,109 --> 00:44:55,119

by way of a town called whitesburg

1120

00:45:02,230 --> 00:44:59,119

and document the beauty of that area

1121

00:45:06,630 --> 00:45:02,240

and you know long story short

1122

00:45:09,750 --> 00:45:06,640

he begins that journey and immediately

1123

00:45:14,390 --> 00:45:09,760

falls down what i believe was

1124

00:45:17,190 --> 00:45:14,400

uh a fairy path right that that he

1125

00:45:18,309 --> 00:45:17,200

he gets to whitesburg and his car gets

1126

00:45:20,630 --> 00:45:18,319

stolen

1127

00:45:21,750 --> 00:45:20,640

and he can't find it he gets the you

1128

00:45:24,630 --> 00:45:21,760

know the police and

1129

00:45:26,710 --> 00:45:24,640

involved and they end up finding his car

1130

00:45:28,950 --> 00:45:26,720

but it's not parked where he parked it

1131

00:45:29,910 --> 00:45:28,960

and it's such a small town you can't

1132

00:45:33,190 --> 00:45:29,920

misplace

1133

00:45:33,589 --> 00:45:33,200

a vehicle like that and uh and you know

1134

00:45:39,750 --> 00:45:33,599

he's

1135

00:45:41,829 --> 00:45:39,760

studying memory and uh

1136

00:45:43,750 --> 00:45:41,839

what memory means and creating these

1137

00:45:45,990 --> 00:45:43,760

memory palaces and so

1138

00:45:47,510 --> 00:45:46,000

um that was strange it was like that

1139

00:45:49,750 --> 00:45:47,520

event sort of

1140

00:45:52,309 --> 00:45:49,760

knocked him down the rabbit hole or the

1141

00:45:54,309 --> 00:45:52,319

into this this world of the faith

1142

00:45:55,750 --> 00:45:54,319

and he went on to elkhorn city and he

1143

00:45:59,270 --> 00:45:55,760

has this encounter

1144

00:46:00,630 --> 00:45:59,280

in elkhorn city where he encounters what

1145

00:46:03,829 --> 00:46:00,640

he believes

1146

00:46:05,750 --> 00:46:03,839

was the archetype of pan

1147

00:46:07,190 --> 00:46:05,760

now he's deep into the research of the

1148

00:46:10,309 --> 00:46:07,200

fawn but

1149

00:46:13,589 --> 00:46:10,319

the encounter itself is so strange

1150

00:46:16,069 --> 00:46:13,599

it has all the hallmarks of of

1151
00:46:17,990 --> 00:46:16,079
other worldliness you know of this of

1152
00:46:19,829 --> 00:46:18,000
this magical encounter

1153
00:46:21,910 --> 00:46:19,839
um and that that's what we cover sort of

1154
00:46:27,270 --> 00:46:21,920
in the in the fourth episode

1155
00:46:30,390 --> 00:46:27,280
but um dan's entire sort of um

1156
00:46:33,589 --> 00:46:30,400
life has has sort of revolved around

1157
00:46:34,550 --> 00:46:33,599
pan and and and it figures heavily into

1158
00:46:36,550 --> 00:46:34,560
his work

1159
00:46:38,150 --> 00:46:36,560
so he tells me the story about this

1160
00:46:40,630 --> 00:46:38,160
encounter that he had with pan

1161
00:46:42,390 --> 00:46:40,640
i immediately and you know i i work a

1162
00:46:44,630 --> 00:46:42,400
lot with film as well

1163
00:46:46,790 --> 00:46:44,640

and i was like we have to make this into

1164

00:46:49,030 --> 00:46:46,800

a documentary we have to

1165

00:46:49,990 --> 00:46:49,040

take you we're going to recreate the

1166

00:46:52,230 --> 00:46:50,000

fawn opera

1167

00:46:54,230 --> 00:46:52,240

with new actors and actresses we're

1168

00:46:57,670 --> 00:46:54,240

going to go to elkhorn city

1169

00:47:00,150 --> 00:46:57,680

and we're going to restage that opera

1170

00:47:01,430 --> 00:47:00,160

in breaks interstate park which is a

1171

00:47:03,190 --> 00:47:01,440

liminal zone it's

1172

00:47:05,270 --> 00:47:03,200

it's an you know this park that's

1173

00:47:07,670 --> 00:47:05,280

between two states

1174

00:47:09,190 --> 00:47:07,680

literally and and that's why he wanted

1175

00:47:12,790 --> 00:47:09,200

to go there you know because

1176

00:47:14,150 --> 00:47:12,800

it's a liminal place and so i was like

1177

00:47:16,390 --> 00:47:14,160

we're going to go there we're going to

1178

00:47:19,829 --> 00:47:16,400

restage the opera in the forest

1179

00:47:23,349 --> 00:47:19,839

and we're going to try to invoke pan

1180

00:47:28,069 --> 00:47:23,359

now we worked on that for two years

1181

00:47:31,829 --> 00:47:28,079

then hellyer shows up here in town

1182

00:47:34,630 --> 00:47:31,839

greg newkirk had met early

1183

00:47:35,990 --> 00:47:34,640

you know a year or two before kyle

1184

00:47:38,309 --> 00:47:36,000

kadell who owns the

1185

00:47:40,150 --> 00:47:38,319

paranormal museum here in town you know

1186

00:47:42,870 --> 00:47:40,160

they were conventions together

1187

00:47:43,990 --> 00:47:42,880

um and they would see each other and so

1188

00:47:45,829 --> 00:47:44,000

uh

1189

00:47:47,270 --> 00:47:45,839

we all knew about season one of hellier

1190

00:47:47,910 --> 00:47:47,280

we didn't know they were filming season

1191

00:47:50,150 --> 00:47:47,920

two but

1192

00:47:51,589 --> 00:47:50,160

you know greg shows up in town with uh

1193

00:47:53,910 --> 00:47:51,599

part of the crew

1194

00:47:54,790 --> 00:47:53,920

and interviews kyle for some stories

1195

00:47:56,230 --> 00:47:54,800

then says

1196

00:47:58,150 --> 00:47:56,240

is there anyone else we should talk to

1197

00:47:59,430 --> 00:47:58,160

and and suggest that they speak to me

1198

00:48:00,549 --> 00:47:59,440

because i've been collecting all this

1199

00:48:04,069 --> 00:48:00,559

folklore

1200

00:48:06,230 --> 00:48:04,079

doing all this research and so you know

1201
00:48:07,349 --> 00:48:06,240
if people have seen season two you know

1202
00:48:10,470 --> 00:48:07,359
i'm in episode eight

1203
00:48:13,829 --> 00:48:10,480
and the last half of that season is

1204
00:48:17,190 --> 00:48:13,839
in somerset and

1205
00:48:20,230 --> 00:48:17,200
they ultimately end up

1206
00:48:24,230 --> 00:48:20,240
coming to somerset and

1207
00:48:26,950 --> 00:48:24,240
they are sort of following this this

1208
00:48:27,270 --> 00:48:26,960
uh idea that that was presented to them

1209
00:48:30,150 --> 00:48:27,280
in

1210
00:48:31,349 --> 00:48:30,160
a work called the rebirth of pan which

1211
00:48:35,349 --> 00:48:31,359
was written by

1212
00:48:38,390 --> 00:48:35,359
a very controversial author

1213
00:48:40,309 --> 00:48:38,400

who was william william grimstead who

1214

00:48:43,510 --> 00:48:40,319

was writing under the pen name

1215

00:48:45,589 --> 00:48:43,520

jim brandon and he published this work

1216

00:48:47,670 --> 00:48:45,599

called the rebirth of pan

1217

00:48:50,230 --> 00:48:47,680

and it tied a lot into their

1218

00:48:53,270 --> 00:48:50,240

investigation especially into this whole

1219

00:48:55,270 --> 00:48:53,280

parsons power names um there were

1220

00:48:56,069 --> 00:48:55,280

elements of synchromysticism that were

1221

00:48:59,510 --> 00:48:56,079

also sort of

1222

00:49:02,230 --> 00:48:59,520

baked into all of this well

1223

00:49:03,829 --> 00:49:02,240

they come to somerset and they're

1224

00:49:07,270 --> 00:49:03,839

chasing down this

1225

00:49:08,309 --> 00:49:07,280

this cult that a witness has told them

1226

00:49:11,750 --> 00:49:08,319

exists here

1227

00:49:15,190 --> 00:49:11,760

a cult that's worshipping the green man

1228

00:49:18,309 --> 00:49:15,200

sunernos the horned god right

1229

00:49:19,270 --> 00:49:18,319

and so they come here they try to

1230

00:49:22,470 --> 00:49:19,280

investigate that

1231

00:49:24,630 --> 00:49:22,480

our paths cross i i don't know what all

1232

00:49:25,990 --> 00:49:24,640

happens after that just because

1233

00:49:27,349 --> 00:49:26,000

the show you know i didn't know if they

1234

00:49:27,829 --> 00:49:27,359

were filming this for the second season

1235

00:49:29,589 --> 00:49:27,839

or not

1236

00:49:30,870 --> 00:49:29,599

well when their show comes out a few

1237

00:49:33,750 --> 00:49:30,880

months later

1238

00:49:34,630 --> 00:49:33,760

and i watch it you know immediately i

1239

00:49:37,349 --> 00:49:34,640

see

1240

00:49:39,190 --> 00:49:37,359

that the episode i i'm in is called the

1241

00:49:40,230 --> 00:49:39,200

secret commonwealth which is strange

1242

00:49:42,549 --> 00:49:40,240

because of the

1243

00:49:43,349 --> 00:49:42,559

sort of the synchronicity with dan's

1244

00:49:46,950 --> 00:49:43,359

work

1245

00:49:49,109 --> 00:49:46,960

and then the final episode right and

1246

00:49:50,390 --> 00:49:49,119

a lot of that in deals with pan the

1247

00:49:53,510 --> 00:49:50,400

final episode

1248

00:49:57,109 --> 00:49:53,520

they attempt to invoke pan

1249

00:49:59,750 --> 00:49:57,119

here in pulaski county in the case

1250

00:50:00,549 --> 00:49:59,760

in the area where the kentucky anomaly

1251
00:50:02,309 --> 00:50:00,559
is

1252
00:50:04,230 --> 00:50:02,319
which i don't think they were aware of

1253
00:50:07,190 --> 00:50:04,240
all of the things that

1254
00:50:09,430 --> 00:50:07,200
sort of crisscrossed in that area but

1255
00:50:11,349 --> 00:50:09,440
for me when i saw that i immediately

1256
00:50:14,470 --> 00:50:11,359
texted greg because i was like

1257
00:50:17,430 --> 00:50:14,480
dude dan dutton and i

1258
00:50:20,470 --> 00:50:17,440
were traveling to elkhorn city which

1259
00:50:24,230 --> 00:50:20,480
hell here is a suburb of elkhorn city

1260
00:50:26,470 --> 00:50:24,240
to to do basically to invoke pan

1261
00:50:27,829 --> 00:50:26,480
and they had traveled from hellier

1262
00:50:31,589 --> 00:50:27,839
elkhorn city

1263
00:50:32,549 --> 00:50:31,599

to pulaski county and did a ritual to

1264

00:50:36,069 --> 00:50:32,559

invoke pan

1265

00:50:39,109 --> 00:50:36,079

and i was like it is beyond

1266

00:50:41,349 --> 00:50:39,119

weird that that

1267

00:50:42,150 --> 00:50:41,359

that happened and so he texted me back

1268

00:50:46,230 --> 00:50:42,160

and he was like

1269

00:50:49,190 --> 00:50:46,240

dude i'm looking at dan dutton's

1270

00:50:50,630 --> 00:50:49,200

picture on my evidence wall and you know

1271

00:50:52,150 --> 00:50:50,640

we didn't put him in the second season

1272

00:50:53,030 --> 00:50:52,160

because i didn't know how he'd fit in

1273

00:50:57,750 --> 00:50:53,040

there

1274

00:51:00,870 --> 00:50:57,760

this heavy element of

1275

00:51:03,349 --> 00:51:00,880

pan and then after their show came out

1276

00:51:06,309 --> 00:51:03,359

and after penny really come out

1277

00:51:06,870 --> 00:51:06,319

i started digging into this idea of is

1278

00:51:12,390 --> 00:51:06,880

there

1279

00:51:16,710 --> 00:51:12,400

any truth to that because

1280

00:51:20,230 --> 00:51:16,720

it kept coming up and then i found

1281

00:51:24,470 --> 00:51:20,240

that there is a group that was

1282

00:51:27,990 --> 00:51:24,480

founded in 1955 in san francisco

1283

00:51:28,470 --> 00:51:28,000

called the guidonic order and it is a

1284

00:51:32,470 --> 00:51:28,480

group

1285

00:51:36,870 --> 00:51:32,480

of welsh magical practitioners

1286

00:51:40,150 --> 00:51:36,880

who worship the green man

1287

00:51:42,870 --> 00:51:40,160

sooner knows the horned god

1288

00:51:44,069 --> 00:51:42,880

and they're not druids but they perform

1289

00:51:49,030 --> 00:51:44,079

this sort of

1290

00:51:51,109 --> 00:51:49,040

nature magic and in 2004

1291

00:51:52,549 --> 00:51:51,119

they moved their international

1292

00:51:56,069 --> 00:51:52,559

headquarters

1293

00:52:00,060 --> 00:51:56,079

to guess where somerset kentucky

1294

00:52:01,270 --> 00:52:00,070

come on yeah dude that's all documents

1295

00:52:04,230 --> 00:52:01,280

[Music]

1296

00:52:04,790 --> 00:52:04,240

you can find it it's crazy i got chills

1297

00:52:07,829 --> 00:52:04,800

it's just

1298

00:52:09,349 --> 00:52:07,839

coincidence can't explain the the

1299

00:52:12,150 --> 00:52:09,359

synchronicities

1300

00:52:13,270 --> 00:52:12,160

and you know it's not just on the ground

1301

00:52:16,790 --> 00:52:13,280

like you said there's

1302

00:52:20,470 --> 00:52:16,800

there's ufos and one thing i wanted to

1303

00:52:23,030 --> 00:52:20,480

to tap into a little bit is the visible

1304

00:52:25,750 --> 00:52:23,040

or or should i say invisible quote

1305

00:52:26,150 --> 00:52:25,760

unquote creatures in the sky the manta

1306

00:52:29,030 --> 00:52:26,160

type

1307

00:52:30,549 --> 00:52:29,040

undulating creatures can we tell

1308

00:52:32,309 --> 00:52:30,559

listeners a little bit about some of

1309

00:52:34,230 --> 00:52:32,319

those encounters

1310

00:52:35,510 --> 00:52:34,240

oh yeah man i mean that's one of those

1311

00:52:38,870 --> 00:52:35,520

things too that

1312

00:52:42,390 --> 00:52:38,880

um i had first heard

1313

00:52:43,829 --> 00:52:42,400

uh the the first account of a manta ray

1314

00:52:46,630 --> 00:52:43,839

like ufo

1315

00:52:47,510 --> 00:52:46,640

i think came from um oh it definitely

1316

00:52:51,829 --> 00:52:47,520

came from

1317

00:52:55,190 --> 00:52:51,839

coast to coast um one of the hosts

1318

00:52:58,470 --> 00:52:55,200

on coast to coast had not george noyer

1319

00:52:59,910 --> 00:52:58,480

or you know george nat but one of the

1320

00:53:00,790 --> 00:52:59,920

other ones i can't think of it was which

1321

00:53:04,549 --> 00:53:00,800

one it is but

1322

00:53:06,150 --> 00:53:04,559

um he had been out at um the east ceti

1323

00:53:07,990 --> 00:53:06,160

ranch

1324

00:53:09,510 --> 00:53:08,000

which is what that's up in i think

1325

00:53:13,270 --> 00:53:09,520

washington yeah

1326

00:53:13,829 --> 00:53:13,280

or oregon um but there's the east city

1327

00:53:17,829 --> 00:53:13,839

ranch

1328

00:53:20,069 --> 00:53:17,839

up on the west coast northwest and

1329

00:53:20,950 --> 00:53:20,079

they you know they they say that they

1330

00:53:23,190 --> 00:53:20,960

can guarantee

1331

00:53:24,309 --> 00:53:23,200

a ufo sighting and they use some of

1332

00:53:27,829 --> 00:53:24,319

these um

1333

00:53:29,829 --> 00:53:27,839

third generation night vision goggles

1334

00:53:33,430 --> 00:53:29,839

you know to look at the sky and you can

1335

00:53:35,270 --> 00:53:33,440

supposedly see um ufos in the infrared

1336

00:53:36,309 --> 00:53:35,280

spectrum but it has to be this specific

1337

00:53:38,790 --> 00:53:36,319

type

1338

00:53:39,430 --> 00:53:38,800

and which are not sold in the us you

1339

00:53:41,190 --> 00:53:39,440

know you gotta

1340

00:53:43,109 --> 00:53:41,200

have to buy them outside the us and get

1341

00:53:46,870 --> 00:53:43,119

them back here to see these things

1342

00:53:50,710 --> 00:53:46,880

so they were

1343

00:53:54,790 --> 00:53:50,720

at the ranch and had a sighting of

1344

00:53:58,309 --> 00:53:54,800

this manta ray-like creature

1345

00:54:00,230 --> 00:53:58,319

or manta ray like ufo where they could

1346

00:54:01,910 --> 00:54:00,240

see through the thing and so that's the

1347

00:54:05,430 --> 00:54:01,920

first time i've ever heard of that

1348

00:54:07,589 --> 00:54:05,440

well then we come to find that in 2014 i

1349

00:54:12,230 --> 00:54:07,599

think 2014

1350

00:54:15,190 --> 00:54:12,240

um there is a an official mufon report

1351

00:54:15,829 --> 00:54:15,200

and this is in burnside uh kentucky

1352

00:54:19,270 --> 00:54:15,839

which is

1353

00:54:23,109 --> 00:54:19,280

it's two miles outside of somerset

1354

00:54:26,230 --> 00:54:23,119

um southwest or south southeastern

1355

00:54:28,390 --> 00:54:26,240

pulaski county near the other peak

1356

00:54:30,470 --> 00:54:28,400

of the kentucky anomaly and that down

1357

00:54:34,230 --> 00:54:30,480

sort of that southern part

1358

00:54:36,829 --> 00:54:34,240

and it's also near a place called

1359

00:54:38,150 --> 00:54:36,839

alien grave mountain where there were

1360

00:54:41,470 --> 00:54:38,160

supposedly

1361

00:54:45,349 --> 00:54:41,480

a 19 uh

1362

00:54:48,789 --> 00:54:45,359

1955 1958 uh ufo crash

1363

00:54:50,549 --> 00:54:48,799

that was covered up supposedly um but

1364

00:54:52,390 --> 00:54:50,559

that's that's another a whole other

1365

00:54:54,390 --> 00:54:52,400

story is alien great mountain which is

1366

00:54:57,430 --> 00:54:54,400

strange

1367

00:55:00,309 --> 00:54:57,440

but in that general area there is a

1368

00:55:01,430 --> 00:55:00,319

mufon report in their database very

1369

00:55:05,589 --> 00:55:01,440

detailed

1370

00:55:09,750 --> 00:55:05,599

where a group of witnesses saw

1371

00:55:13,589 --> 00:55:09,760

a manta ray like ufo

1372

00:55:17,349 --> 00:55:13,599

slash creature that was undulating

1373

00:55:20,069 --> 00:55:17,359

through the sky above their house

1374

00:55:21,750 --> 00:55:20,079

and they could see through this thing

1375

00:55:24,789 --> 00:55:21,760

and see the stars

1376

00:55:27,190 --> 00:55:24,799

but it was it had mass to it

1377

00:55:27,910 --> 00:55:27,200

and so as they're looking through it the

1378

00:55:31,270 --> 00:55:27,920

stars

1379

00:55:33,990 --> 00:55:31,280

shifted sort of like uh i i always

1380

00:55:35,589 --> 00:55:34,000

think of like predator you know the the

1381

00:55:38,630 --> 00:55:35,599

film predator and how it sort of

1382

00:55:40,710 --> 00:55:38,640

uh refracts the light

1383

00:55:42,069 --> 00:55:40,720

and that the stars were being refracted

1384

00:55:45,190 --> 00:55:42,079

through this thing

1385

00:55:47,030 --> 00:55:45,200

um and then there was another

1386

00:55:49,349 --> 00:55:47,040

that's actually here in place county but

1387

00:55:52,390 --> 00:55:49,359

kentucky has another man to raise siding

1388

00:55:55,829 --> 00:55:52,400

so there have been two in kentucky um

1389

00:55:58,870 --> 00:55:55,839

in the last you know 30 years but one

1390

00:56:01,670 --> 00:55:58,880

you know the one that matters for us is

1391

00:56:03,109 --> 00:56:01,680

is the one that happened in 2014 here in

1392

00:56:06,630 --> 00:56:03,119

pulaski county

1393

00:56:09,349 --> 00:56:06,640

um right right near where the caves are

1394

00:56:10,710 --> 00:56:09,359

and it's just such a strange it's you

1395

00:56:14,069 --> 00:56:10,720

know this the idea

1396

00:56:17,990 --> 00:56:14,079

of um ufos

1397

00:56:21,349 --> 00:56:18,000

that are not just spaceships

1398

00:56:24,390 --> 00:56:21,359

or or craft of some sort but that

1399

00:56:27,510 --> 00:56:24,400

might be some type of

1400

00:56:30,950 --> 00:56:27,520

you know biological craft is

1401
00:56:31,910 --> 00:56:30,960
so intriguing to me yeah it seems like a

1402
00:56:34,789 --> 00:56:31,920
living thing

1403
00:56:35,990 --> 00:56:34,799
almost almost like an animal and and and

1404
00:56:37,670 --> 00:56:36,000
they're

1405
00:56:39,510 --> 00:56:37,680
i can't remember the guy's name but i

1406
00:56:42,230 --> 00:56:39,520
believe there was a gentleman

1407
00:56:43,430 --> 00:56:42,240
a long time ago who used to claim these

1408
00:56:45,270 --> 00:56:43,440
things were

1409
00:56:47,510 --> 00:56:45,280
i i want to say he went up in a hot air

1410
00:56:49,829 --> 00:56:47,520
balloon and would see these

1411
00:56:51,750 --> 00:56:49,839
yes dude have you read that book do you

1412
00:56:53,750 --> 00:56:51,760
know yeah i know i know what you're i

1413
00:56:57,190 --> 00:56:53,760

can't think of his name it's just

1414

00:57:00,870 --> 00:56:57,200

it's it's a really it's a really rare

1415

00:57:01,670 --> 00:57:00,880

book um god i don't have a copy of it

1416

00:57:03,910 --> 00:57:01,680

yet

1417

00:57:04,710 --> 00:57:03,920

but yeah he believed that there were

1418

00:57:11,109 --> 00:57:04,720

these

1419

00:57:13,910 --> 00:57:11,119

creatures that lived in the

1420

00:57:15,910 --> 00:57:13,920

upper atmosphere and that that's where

1421

00:57:18,309 --> 00:57:15,920

star jelly came from that these things

1422

00:57:20,230 --> 00:57:18,319

would die or be struck by lightning

1423

00:57:21,990 --> 00:57:20,240

and then that's what would rain down and

1424

00:57:22,950 --> 00:57:22,000

supposedly he went up in a hot air

1425

00:57:26,630 --> 00:57:22,960

balloon

1426

00:57:29,670 --> 00:57:26,640

and pursued these things

1427

00:57:32,789 --> 00:57:29,680

documented these things even uh found

1428

00:57:34,789 --> 00:57:32,799

wounded ones um that because

1429

00:57:36,309 --> 00:57:34,799

as they die they like drop into the

1430

00:57:37,589 --> 00:57:36,319

lower atmosphere some have

1431

00:57:39,990 --> 00:57:37,599

have landed on the earth and then

1432

00:57:43,270 --> 00:57:40,000

they're picked up by other ones

1433

00:57:43,670 --> 00:57:43,280

um yeah that's that's that's one of

1434

00:57:46,870 --> 00:57:43,680

those

1435

00:57:49,109 --> 00:57:46,880

something i mean

1436

00:57:51,430 --> 00:57:49,119

it's like the ocean right we don't have

1437

00:57:53,589 --> 00:57:51,440

any idea what's living in the ocean and

1438

00:57:55,510 --> 00:57:53,599

you wonder like in the same way the

1439

00:57:58,150 --> 00:57:55,520

skies are sort of like

1440

00:57:59,510 --> 00:57:58,160

this ocean above us that you know who

1441

00:58:02,309 --> 00:57:59,520

knows what's living

1442

00:58:03,190 --> 00:58:02,319

right on the edge of space but you know

1443

00:58:06,950 --> 00:58:03,200

just within

1444

00:58:08,789 --> 00:58:06,960

our atmosphere so so intriguing

1445

00:58:10,950 --> 00:58:08,799

man you have worked your magic

1446

00:58:14,309 --> 00:58:10,960

connecting so many dots

1447

00:58:16,069 --> 00:58:14,319

and this mysterious and fascinating area

1448

00:58:17,589 --> 00:58:16,079

you're the man i can't send enough

1449

00:58:19,270 --> 00:58:17,599

people your way

1450

00:58:21,910 --> 00:58:19,280

before i forget can you tell our

1451

00:58:24,390 --> 00:58:21,920

listeners about the liminal lodge your

1452

00:58:25,750 --> 00:58:24,400

patreon and everything else you've done

1453

00:58:27,670 --> 00:58:25,760

to help people understand the

1454

00:58:29,990 --> 00:58:27,680

synchronicities and increase

1455

00:58:31,670 --> 00:58:30,000

in intricacies of the phenomenal

1456

00:58:34,230 --> 00:58:31,680

anomalies you've uncovered where can

1457

00:58:37,270 --> 00:58:34,240

people get more of nathan isaac

1458

00:58:38,710 --> 00:58:37,280

uh yeah so you know once we uh released

1459

00:58:42,069 --> 00:58:38,720

the first season

1460

00:58:43,349 --> 00:58:42,079

uh we started a patreon just to support

1461

00:58:45,589 --> 00:58:43,359

the project but

1462

00:58:47,109 --> 00:58:45,599

um it's a patreon that's it's called the

1463

00:58:49,430 --> 00:58:47,119

liminal lodge you can go to

1464

00:58:50,150 --> 00:58:49,440

uh patreon.com forward slash pin your

1465

00:58:53,349 --> 00:58:50,160

world podcast

1466

00:58:55,190 --> 00:58:53,359

but or penny roll but um or look at the

1467

00:58:57,109 --> 00:58:55,200

liminal lodge you'll find us

1468

00:58:59,589 --> 00:58:57,119

and it's really a research group there's

1469

00:59:01,990 --> 00:58:59,599

we found so many documents you know i

1470

00:59:03,990 --> 00:59:02,000

um i filed a four-year request with the

1471

00:59:08,150 --> 00:59:04,000

fbi about the excellency guy

1472

00:59:10,230 --> 00:59:08,160

and i got 1600 pages 662 pages

1473

00:59:11,829 --> 00:59:10,240

from the fbi so it's like you know we've

1474

00:59:13,109 --> 00:59:11,839

we've got all this stuff and and so we

1475

00:59:17,190 --> 00:59:13,119

formed this group

1476

00:59:18,950 --> 00:59:17,200

for what really assistance to help us

1477

00:59:21,750 --> 00:59:18,960

trying to dig through this stuff look at

1478

00:59:25,430 --> 00:59:21,760

this evidence and so if anyone is

1479

00:59:26,230 --> 00:59:25,440

interested in helping us dig into this

1480

00:59:29,670 --> 00:59:26,240

mystery

1481

00:59:33,270 --> 00:59:29,680

even deeper and and we've been going for

1482

00:59:35,510 --> 00:59:33,280

36 weeks now we've got you know a weekly

1483

00:59:36,630 --> 00:59:35,520

monday night live stream that we do

1484

00:59:38,870 --> 00:59:36,640

we've got weekly

1485

00:59:40,549 --> 00:59:38,880

uh research articles and we're just

1486

00:59:43,510 --> 00:59:40,559

constantly digging into this

1487

00:59:43,829 --> 00:59:43,520

we've uncovered so much more in the

1488

00:59:46,390 --> 00:59:43,839

group

1489

00:59:47,670 --> 00:59:46,400
that it's just fascinating and it's

1490

00:59:50,870 --> 00:59:47,680
great to have a group of people

1491

00:59:52,309 --> 00:59:50,880
with us along for the ride

1492

00:59:54,150 --> 00:59:52,319
so if anybody's interested in that

1493

00:59:56,549 --> 00:59:54,160
definitely check that out

1494

00:59:57,670 --> 00:59:56,559

and we released all eight episodes at

um you can go to pennyworldpodcast.com

1499

01:00:08,870 --> 01:00:07,119
or spotify apple podcast all the major

1500

01:00:12,950 --> 01:00:08,880
platforms were on there

1501

01:00:15,349 --> 01:00:12,960

and we are working on production

1502

01:00:16,789 --> 01:00:15,359

of season two a lot of stuff we couldn't

1503

01:00:21,430 --> 01:00:16,799

fit in season one

1504

01:00:23,349 --> 01:00:21,440

um the story gets even bigger and

1505

01:00:25,990 --> 01:00:23,359

we're looking at releasing in september

1506

01:00:29,030 --> 01:00:26,000

but i've found so much stuff

1507

01:00:30,950 --> 01:00:29,040

new stuff in the last month that

1508

01:00:32,950 --> 01:00:30,960

it may not come out in september because

1509

01:00:34,470 --> 01:00:32,960

we have to fit all this new stuff in

1510

01:00:35,589 --> 01:00:34,480

there so maybe a little bit closer to

1511

01:00:36,950 --> 01:00:35,599

the end of the year but

1512

01:00:38,789 --> 01:00:36,960

um yeah definitely if anybody's

1513

01:00:41,190 --> 01:00:38,799

interested check it out

1514

01:00:41,990 --> 01:00:41,200

uh listen to the story listen to what we

1515

01:00:44,230 --> 01:00:42,000

found

1516

01:00:46,309 --> 01:00:44,240

and we'd love to hear from anybody that

1517

01:00:48,630 --> 01:00:46,319

has any stories to

1518

01:00:50,150 --> 01:00:48,640

to add to our research and and dude

1519

01:00:50,950 --> 01:00:50,160

thank you for having me on the show too

1520

01:00:52,390 --> 01:00:50,960

and let me tell

1521

01:00:56,069 --> 01:00:52,400

tell these stories and talk about the

1522

01:00:58,390 --> 01:00:56,079

research i i'd so much appreciate it

1523

01:01:00,150 --> 01:00:58,400

man it's i know i'm i'm i'm asking you

1524

01:01:01,270 --> 01:01:00,160

so many questions and thank you because

1525

01:01:03,030 --> 01:01:01,280

i'm running you through the ring it's

1526

01:01:06,150 --> 01:01:03,040

just there's so much that i want to hit

1527

01:01:09,829 --> 01:01:06,160

on and you've uncovered so much nathan

1528

01:01:10,470 --> 01:01:09,839

um lastly uh just before we close out

1529

01:01:12,309 --> 01:01:10,480

here

1530

01:01:13,670 --> 01:01:12,319

what i want to ask you about i can't

1531

01:01:14,710 --> 01:01:13,680

remember the gentleman's name there was

1532

01:01:17,430 --> 01:01:14,720

a gentleman who

1533

01:01:18,470 --> 01:01:17,440

purchased a bunch of computers they were

1534

01:01:20,309 --> 01:01:18,480

government-owned

1535

01:01:22,390 --> 01:01:20,319

can we get into that that's just so

1536

01:01:25,030 --> 01:01:22,400

fascinating oh my gosh

1537

01:01:25,430 --> 01:01:25,040

yeah okay yeah okay i'll try to make it

1538

01:01:28,309 --> 01:01:25,440

quick

1539

01:01:30,069 --> 01:01:28,319

okay this is totally fast and this is

1540

01:01:33,270 --> 01:01:30,079

one of the things we just found out

1541

01:01:36,549 --> 01:01:33,280

um somebody joined the

1542

01:01:38,390 --> 01:01:36,559

lodge and uh there was a member

1543

01:01:40,470 --> 01:01:38,400

and they just they just created a

1544

01:01:41,030 --> 01:01:40,480

facebook account to send us a message

1545

01:01:44,950 --> 01:01:41,040

saying

1546

01:01:46,470 --> 01:01:44,960

have you looked at charles hayes and

1547

01:01:48,150 --> 01:01:46,480

it was somebody i would totally miss

1548

01:01:49,829 --> 01:01:48,160

this you know we'd found alexander

1549

01:01:51,829 --> 01:01:49,839

guterma the ex-nazi guy

1550

01:01:53,109 --> 01:01:51,839

and that itself was just totally

1551

01:01:53,750 --> 01:01:53,119

mind-blowing because i was like oh my

1552

01:01:55,270 --> 01:01:53,760

god what

1553

01:01:57,910 --> 01:01:55,280

how could how could no one know about

1554

01:02:00,470 --> 01:01:57,920

this so someone says to me

1555

01:02:01,349 --> 01:02:00,480

you know have you looked at this guy we

1556

01:02:03,270 --> 01:02:01,359

find out

1557

01:02:04,950 --> 01:02:03,280

to take a look this guy lives in pulaski

1558

01:02:08,150 --> 01:02:04,960

county his whole life

1559

01:02:11,670 --> 01:02:08,160

and in 1985 he was

1560

01:02:14,710 --> 01:02:11,680

convicted of or was was caught up in

1561

01:02:17,589 --> 01:02:14,720

the largest seizure of

1562

01:02:19,430 --> 01:02:17,599

uncut gemstones in us history and i'm

1563

01:02:23,190 --> 01:02:19,440

like well this is crazy

1564

01:02:26,390 --> 01:02:23,200

and and then in like 1975

1565

01:02:28,549 --> 01:02:26,400

he was busted for arms trafficking

1566

01:02:30,950 --> 01:02:28,559

like major arms trafficking not just

1567

01:02:31,589 --> 01:02:30,960

like selling some guns without checking

1568

01:02:34,230 --> 01:02:31,599

people's

1569

01:02:36,230 --> 01:02:34,240

you know background checks but like

1570

01:02:38,230 --> 01:02:36,240

rocket launchers

1571

01:02:40,230 --> 01:02:38,240

um he in the 60s we've got all these

1572

01:02:42,789 --> 01:02:40,240

newspaper articles where he's running

1573

01:02:44,230 --> 01:02:42,799

the beckett hotel here and it's a

1574

01:02:47,109 --> 01:02:44,240

brothel basically

1575

01:02:48,870 --> 01:02:47,119

and they were running honeypot uh

1576

01:02:51,270 --> 01:02:48,880

operations to catch

1577

01:02:52,789 --> 01:02:51,280

politicians and blackmail them so anyway

1578

01:02:56,549 --> 01:02:52,799

this guy

1579

01:02:58,870 --> 01:02:56,559

um is supposedly just a junk dealer just

1580

01:03:00,069 --> 01:02:58,880

and that's what everybody refers to him

1581

01:03:02,950 --> 01:03:00,079

as is this

1582

01:03:03,430 --> 01:03:02,960

redneck junk dealer but when he was

1583

01:03:05,990 --> 01:03:03,440

caught

1584

01:03:07,349 --> 01:03:06,000

with the uncut gemstones he had been

1585

01:03:10,630 --> 01:03:07,359

living in brazil for

1586

01:03:13,750 --> 01:03:10,640

five years representing himself as an

1587

01:03:17,190 --> 01:03:13,760

international attorney which is crazy

1588

01:03:19,670 --> 01:03:17,200

and um the biggest thing

1589

01:03:20,309 --> 01:03:19,680

that we found the biggest connection was

1590

01:03:24,630 --> 01:03:20,319

that

1591

01:03:26,230 --> 01:03:24,640

he bought these computers from

1592

01:03:29,430 --> 01:03:26,240

the u.s government from the justice

1593

01:03:32,069 --> 01:03:29,440

department in lexington kentucky

1594

01:03:33,029 --> 01:03:32,079

at auction a government auction and

1595

01:03:36,470 --> 01:03:33,039

supposedly

1596

01:03:39,829 --> 01:03:36,480

they had not wiped the hard drives

1597

01:03:41,910 --> 01:03:39,839

of software so they i don't know how

1598

01:03:43,589 --> 01:03:41,920

they knew that they hadn't done this but

1599

01:03:45,510 --> 01:03:43,599

they they contacted him and they said

1600

01:03:48,069 --> 01:03:45,520

listen we need those back

1601
01:03:48,950 --> 01:03:48,079
and he said no and so then they they

1602
01:03:51,349 --> 01:03:48,960
were like

1603
01:03:53,349 --> 01:03:51,359
if you don't give those those things

1604
01:03:55,430 --> 01:03:53,359
back we'll arrest you he says you can't

1605
01:03:57,589 --> 01:03:55,440
i bought them you know fair and square

1606
01:04:00,150 --> 01:03:57,599
so then the fbi raids his farm

1607
01:04:01,910 --> 01:04:00,160
they take the computers they wipe it so

1608
01:04:04,069 --> 01:04:01,920
they give them the stuff back

1609
01:04:05,349 --> 01:04:04,079
well later it turns out the software

1610
01:04:08,950 --> 01:04:05,359
that was on there

1611
01:04:12,549 --> 01:04:08,960
was this very famous this is like

1612
01:04:14,630 --> 01:04:12,559
old school conspiracy theory this

1613
01:04:15,750 --> 01:04:14,640

software called and this is true i mean

1614

01:04:19,510 --> 01:04:15,760

this existed

1615

01:04:21,829 --> 01:04:19,520

called promis p-r-o-m-i-s

1616

01:04:23,430 --> 01:04:21,839

and it was created by a company called

1617

01:04:26,069 --> 01:04:23,440

enslav

1618

01:04:29,190 --> 01:04:26,079

that operated out of chicago well the

1619

01:04:32,390 --> 01:04:29,200

promise software was sold to

1620

01:04:33,270 --> 01:04:32,400

governments you know municipalities all

1621

01:04:36,150 --> 01:04:33,280

over the world

1622

01:04:38,069 --> 01:04:36,160

all these different countries as a

1623

01:04:39,270 --> 01:04:38,079

private software you know privately

1624

01:04:41,910 --> 01:04:39,280

developed software

1625

01:04:43,990 --> 01:04:41,920

to connect their financial systems their

1626

01:04:46,069 --> 01:04:44,000

criminal record systems

1627

01:04:48,950 --> 01:04:46,079

but what they didn't realize is that

1628

01:04:52,230 --> 01:04:48,960

inslaw had contracted with the cia

1629

01:04:53,589 --> 01:04:52,240

to build a back door so these salesmen

1630

01:04:55,589 --> 01:04:53,599

were going around the world

1631

01:04:57,510 --> 01:04:55,599

selling these things and it's believed

1632

01:05:01,349 --> 01:04:57,520

that charles hayes

1633

01:05:03,990 --> 01:05:01,359

was and he claims that he was an ex-cia

1634

01:05:04,870 --> 01:05:04,000

contractor who was selling the promise

1635

01:05:07,589 --> 01:05:04,880

software

1636

01:05:07,990 --> 01:05:07,599

in brazil and that he was paid with

1637

01:05:10,789 --> 01:05:08,000

these

1638

01:05:11,270 --> 01:05:10,799

uncut gemstones and that's that's how

1639

01:05:12,789 --> 01:05:11,280

you know

1640

01:05:14,549 --> 01:05:12,799

coming back to the united states gets

1641

01:05:17,510 --> 01:05:14,559

caught there well

1642

01:05:19,029 --> 01:05:17,520

the government's is like this guy is not

1643

01:05:21,829 --> 01:05:19,039

an xci agent

1644

01:05:23,829 --> 01:05:21,839

and he's just a junk dealer well the

1645

01:05:26,069 --> 01:05:23,839

government doesn't pay ins law

1646

01:05:27,430 --> 01:05:26,079

its final six million dollar payment

1647

01:05:28,150 --> 01:05:27,440

that's how we know about all this

1648

01:05:31,349 --> 01:05:28,160

because

1649

01:05:35,270 --> 01:05:31,359

enslave sued the government there's a

1650

01:05:38,390 --> 01:05:35,280

court case i think was around 1990 1991

1651
01:05:41,430 --> 01:05:38,400
that where influence sued the government

1652
01:05:43,349 --> 01:05:41,440
they called charles hayes as a witness

1653
01:05:45,430 --> 01:05:43,359
and the government's like oh this guy's

1654
01:05:47,589 --> 01:05:45,440
a scrap dealer from

1655
01:05:49,430 --> 01:05:47,599
pulaski county kentucky he doesn't know

1656
01:05:51,910 --> 01:05:49,440
anything he's not a ci agent

1657
01:05:52,789 --> 01:05:51,920
he opens his mouth and they immediately

1658
01:05:54,390 --> 01:05:52,799
enacted the

1659
01:05:56,789 --> 01:05:54,400
national security act so we don't know

1660
01:06:00,230 --> 01:05:56,799
what was said and this guy

1661
01:06:04,069 --> 01:06:00,240
claims charles hayes claims that he

1662
01:06:07,270 --> 01:06:04,079
was an xci contractor who

1663
01:06:08,230 --> 01:06:07,280

used the promise software and bought all

1664

01:06:10,549 --> 01:06:08,240

of this

1665

01:06:11,990 --> 01:06:10,559

government you know computer stuff with

1666

01:06:15,910 --> 01:06:12,000

a num a number of other

1667

01:06:18,789 --> 01:06:15,920

xcia hackers to construct a cray

1668

01:06:21,270 --> 01:06:18,799

supercomputer that they were that

1669

01:06:23,589 --> 01:06:21,280

communicated with the satcom system

1670

01:06:24,870 --> 01:06:23,599

and they were hacking with the promise

1671

01:06:27,910 --> 01:06:24,880

software

1672

01:06:30,069 --> 01:06:27,920

corrupt senators bank accounts

1673

01:06:31,829 --> 01:06:30,079

and finding people that were you know on

1674

01:06:33,270 --> 01:06:31,839

the take with the mob on the table

1675

01:06:35,589 --> 01:06:33,280

terrorist organizations

1676

01:06:36,870 --> 01:06:35,599

and they were sending them manila

1677

01:06:39,190 --> 01:06:36,880

envelopes

1678

01:06:42,230 --> 01:06:39,200

that had the evidence in a letter that

1679

01:06:44,230 --> 01:06:42,240

said you have 24 hours to resign

1680

01:06:45,990 --> 01:06:44,240

we're going to release this information

1681

01:06:48,789 --> 01:06:46,000

and during the period that charles

1682

01:06:50,630 --> 01:06:48,799

hayes claims that he was doing this it

1683

01:06:53,430 --> 01:06:50,640

was the largest number

1684

01:06:54,470 --> 01:06:53,440

of resignations of u.s politicians in

1685

01:06:57,990 --> 01:06:54,480

u.s history

1686

01:07:01,829 --> 01:06:58,000

and so he he gained the name the angel

1687

01:07:04,150 --> 01:07:01,839

death and he said that

1688

01:07:06,150 --> 01:07:04,160

they had built this crazed supercomputer

1689

01:07:08,069 --> 01:07:06,160

in the back of a semi-trailer

1690

01:07:09,510 --> 01:07:08,079

that they were driving around pulaski

1691

01:07:12,470 --> 01:07:09,520

county around kentucky

1692

01:07:14,630 --> 01:07:12,480

to keep it moving and there are there's

1693

01:07:17,750 --> 01:07:14,640

an episode of x-files

1694

01:07:20,390 --> 01:07:17,760

that's based on this uh that

1695

01:07:21,910 --> 01:07:20,400

where they introduced the lone gunman

1696

01:07:22,950 --> 01:07:21,920

and there's a super computer in the back

1697

01:07:24,470 --> 01:07:22,960

of the trailer

1698

01:07:26,069 --> 01:07:24,480

now the semi-trailer has been cool and

1699

01:07:28,950 --> 01:07:26,079

it's based on this story

1700

01:07:29,349 --> 01:07:28,960

unbelievable and there's so much more to

1701

01:07:32,630 --> 01:07:29,359

it

1702

01:07:37,349 --> 01:07:32,640

that that gets deeper into the

1703

01:07:41,910 --> 01:07:37,359

origin of bitcoin and how cryptocurrency

1704

01:07:42,870 --> 01:07:41,920

may have started here in pulaski county

1705

01:07:45,029 --> 01:07:42,880

and

1706

01:07:46,789 --> 01:07:45,039

dude the stuff i've uncovered i mean

1707

01:07:50,069 --> 01:07:46,799

that's what the second season

1708

01:07:51,510 --> 01:07:50,079

is about this part of the mystery that

1709

01:07:54,870 --> 01:07:51,520

we've uncovered and i'm like

1710

01:07:57,270 --> 01:07:54,880

how is it possible that there's

1711

01:07:58,390 --> 01:07:57,280

alexander guterman here this ex-nazi

1712

01:08:00,950 --> 01:07:58,400

intelligence agent

1713

01:08:02,150 --> 01:08:00,960

that you know is implicated in the jfk

1714

01:08:05,910 --> 01:08:02,160

assassination

1715

01:08:07,750 --> 01:08:05,920

and now some person sends me a message

1716

01:08:09,510 --> 01:08:07,760

and then closes out their account and

1717

01:08:10,069 --> 01:08:09,520

that says have you looked at charles

1718

01:08:13,589 --> 01:08:10,079

hayes

1719

01:08:14,390 --> 01:08:13,599

and then we find this massive rabbit

1720

01:08:17,349 --> 01:08:14,400

hole

1721

01:08:18,390 --> 01:08:17,359

and and this all ties in which is too

1722

01:08:21,669 --> 01:08:18,400

much to go into

1723

01:08:25,110 --> 01:08:21,679

to the danny casalero

1724

01:08:27,269 --> 01:08:25,120

and the octopus conspiracy and

1725

01:08:28,309 --> 01:08:27,279

the number one witness where danny

1726

01:08:29,910 --> 01:08:28,319

casalero

1727

01:08:31,910 --> 01:08:29,920

just google danny castellaire on the

1728

01:08:32,630 --> 01:08:31,920

octopus and i won't go into the story

1729

01:08:35,430 --> 01:08:32,640

but

1730

01:08:36,789 --> 01:08:35,440

what you what what we found out is that

1731

01:08:38,709 --> 01:08:36,799

his

1732

01:08:41,030 --> 01:08:38,719

witness the guy feeding him all the

1733

01:08:42,149 --> 01:08:41,040

information about promise and about all

1734

01:08:45,430 --> 01:08:42,159

this stuff

1735

01:08:49,030 --> 01:08:45,440

was charles hayes there were thousands

1736

01:08:50,870 --> 01:08:49,040

of phone calls to charles hayes that the

1737

01:08:52,470 --> 01:08:50,880

the government and the investigators

1738

01:08:54,789 --> 01:08:52,480

found after

1739

01:08:56,149 --> 01:08:54,799

dana castellero committed suicide or was

1740

01:08:58,630 --> 01:08:56,159

suicided

1741

01:09:00,630 --> 01:08:58,640

in martinsburg west virginia you find

1742

01:09:01,110 --> 01:09:00,640

out the number one person he was talking

1743

01:09:02,789 --> 01:09:01,120

to

1744

01:09:05,349 --> 01:09:02,799

where all this information was coming

1745

01:09:09,510 --> 01:09:05,359

from was chuck hayes

1746

01:09:12,630 --> 01:09:09,520

01:11:00,709 --> 01:10:58,080

in the penny royal plateau i mean

1800

01:11:02,630 --> 01:11:00,719

1814

01:11:40,870 --> 01:11:29,280

feet on the ground but don't forget to

1815

01:11:47,510 --> 01:11:40,880
