

A person is seated in a flight simulator cockpit. The cockpit is dark with various instruments and controls visible. The person is looking forward at a large, curved projection screen. The screen displays a bright, clear sky and a runway with white markings and green lights. The overall scene is dimly lit, with the primary light source being the projection screen.

Ryder Lee

Escaping the Simulation Matrix

HERO

1
00:00:02,159 --> 00:00:07,300

hey

2
00:00:07,310 --> 00:00:37,990

[Music]

3
00:00:45,110 --> 00:00:41,910

blast off on another vip episode of hero

4
00:00:47,430 --> 00:00:45,120

paranormal podcast my name is ryan the

5
00:00:50,549 --> 00:00:47,440

original ombudsman of the airwaves

6
00:00:53,670 --> 00:00:50,559

bringing you an epic episode today

7
00:00:55,990 --> 00:00:53,680

broadcasting just south of area 51 at

8
00:00:57,830 --> 00:00:56,000

the base of la madre mountain we're

9
00:01:00,869 --> 00:00:57,840

bringing it and we're bringing it pretty

10
00:01:02,549 --> 00:01:00,879

hard today on today's episode we have an

11
00:01:04,549 --> 00:01:02,559

amazing guest

12
00:01:07,030 --> 00:01:04,559

who has had a download of sorts which

13
00:01:09,590 --> 00:01:07,040

may explain many of the ills we

14

00:01:11,190 --> 00:01:09,600

encounter on our planet as well as our

15

00:01:12,469 --> 00:01:11,200

dimension

16

00:01:14,149 --> 00:01:12,479

our guest today

17

00:01:15,830 --> 00:01:14,159

is writer lee

18

00:01:18,789 --> 00:01:15,840

which has an outstanding and

19

00:01:20,070 --> 00:01:18,799

extraordinary podcast named raised by

20

00:01:23,109 --> 00:01:20,080

giants

21

00:01:25,670 --> 00:01:23,119

a podcast everyone should check out

22

00:01:28,469 --> 00:01:25,680

ryder lee is a spiritual teacher who is

23

00:01:30,469 --> 00:01:28,479

after truth and unafraid to share it

24

00:01:32,789 --> 00:01:30,479

with the world

25

00:01:36,550 --> 00:01:32,799

our reality is such

26

00:01:39,109 --> 00:01:36,560

that many occurrences make it seem

27

00:01:42,310 --> 00:01:39,119

nearly unbelievable at times

28

00:01:44,950 --> 00:01:42,320

those who govern seem motivated by all

29

00:01:46,469 --> 00:01:44,960

the things that should make us question

30

00:01:47,510 --> 00:01:46,479

their motives

31

00:01:50,069 --> 00:01:47,520

and

32

00:01:52,069 --> 00:01:50,079

they rarely show empathy or compassion

33

00:01:54,230 --> 00:01:52,079

for those they rule

34

00:01:56,310 --> 00:01:54,240

questioning our reality as we know it

35

00:02:00,069 --> 00:01:56,320

may just be the thing we need in these

36

00:02:02,149 --> 00:02:00,079

times of corruption and propaganda

37

00:02:04,469 --> 00:02:02,159

expanding our consciousness will open a

38

00:02:06,389 --> 00:02:04,479

metaphysical tool chest to help us

39

00:02:08,869 --> 00:02:06,399

become better equipped

40

00:02:10,469 --> 00:02:08,879

to not only handle our troubles that we

41

00:02:11,990 --> 00:02:10,479

may encounter

42

00:02:14,070 --> 00:02:12,000

but may also

43

00:02:15,910 --> 00:02:14,080

allow us all to live better and more

44

00:02:17,910 --> 00:02:15,920

meaningful lives

45

00:02:19,830 --> 00:02:17,920

bringing a spiritual awakening to the

46

00:02:23,110 --> 00:02:19,840

masses

47

00:02:25,510 --> 00:02:23,120

spiritual warfare is the game and ryder

48

00:02:28,229 --> 00:02:25,520

lee is the name

49

00:02:30,470 --> 00:02:28,239

ryder welcome to the hero paranormal

50

00:02:32,070 --> 00:02:30,480

podcast

51
00:02:33,350 --> 00:02:32,080
what's up brian thank you so much for

52
00:02:38,470 --> 00:02:33,360
having me on it's an honor and a

53
00:02:42,150 --> 00:02:41,110
yeah man this is i'm i'm reeling still

54
00:02:44,229 --> 00:02:42,160
um

55
00:02:45,990 --> 00:02:44,239
i think i think you have so much great

56
00:02:47,350 --> 00:02:46,000
information and

57
00:02:49,589 --> 00:02:47,360
and uh

58
00:02:52,470 --> 00:02:49,599
you know lately it seems like if you're

59
00:02:54,790 --> 00:02:52,480
not someone who blindly plugs in and

60
00:02:57,110 --> 00:02:54,800
participates in the narrative propaga

61
00:03:00,309 --> 00:02:57,120
propagated by the governing elites

62
00:03:01,430 --> 00:03:00,319
and media that you're shunned by society

63
00:03:04,790 --> 00:03:01,440

and

64

00:03:06,149 --> 00:03:04,800

you've had a pretty amazing download if

65

00:03:07,830 --> 00:03:06,159

you want to call it that a lot of people

66

00:03:09,750 --> 00:03:07,840

are using that as a catchphrase for

67

00:03:11,430 --> 00:03:09,760

information that we gather

68

00:03:13,830 --> 00:03:11,440

have you encountered any of this since

69

00:03:16,630 --> 00:03:13,840

you started your podcast or showed

70

00:03:19,910 --> 00:03:16,640

certain world views

71

00:03:23,110 --> 00:03:19,920

yes i did i had uh r wayne steiger on my

72

00:03:25,030 --> 00:03:23,120

show um probably like

73

00:03:26,789 --> 00:03:25,040

five or six months ago

74

00:03:27,990 --> 00:03:26,799

and i really looked up to him a lot he

75

00:03:29,990 --> 00:03:28,000

was a

76

00:03:32,470 --> 00:03:30,000

a guy that um

77

00:03:34,949 --> 00:03:32,480

i really connected with uh he puts out

78

00:03:37,430 --> 00:03:34,959

great content and uh

79

00:03:38,789 --> 00:03:37,440

i got him on my show and then

80

00:03:40,630 --> 00:03:38,799

after

81

00:03:42,470 --> 00:03:40,640

we were done and i

82

00:03:44,309 --> 00:03:42,480

wrapped it up

83

00:03:46,789 --> 00:03:44,319

i stood up

84

00:03:48,869 --> 00:03:46,799

and i felt like super dizzy

85

00:03:50,630 --> 00:03:48,879

and i don't know what was going on or

86

00:03:51,430 --> 00:03:50,640

you know uh

87

00:03:53,270 --> 00:03:51,440

because

88

00:03:55,270 --> 00:03:53,280

unless you're super old you know what i

89

00:03:57,190 --> 00:03:55,280

mean you're not gonna just get dizzy

90

00:03:58,830 --> 00:03:57,200

whenever you stand up you know from

91

00:04:01,110 --> 00:03:58,840

sitting down for a while

92

00:04:03,509 --> 00:04:01,120

so excuse me

93

00:04:06,710 --> 00:04:03,519

i knew it wasn't that so

94

00:04:10,630 --> 00:04:06,720

i decided to go lay down in my bed for a

95

00:04:13,030 --> 00:04:10,640

good uh 10 or 15 minutes just kind of

96

00:04:14,710 --> 00:04:13,040

asking whatever

97

00:04:16,710 --> 00:04:14,720

it was to try and come through because i

98

00:04:18,310 --> 00:04:16,720

felt like i was

99

00:04:20,150 --> 00:04:18,320

trying to something was trying to come

100

00:04:21,909 --> 00:04:20,160

into my field

101
00:04:24,150 --> 00:04:21,919
and i laid down in my bed and i asked

102
00:04:27,030 --> 00:04:24,160
you know whatever it was to to come

103
00:04:28,950 --> 00:04:27,040
through and to reveal itself and

104
00:04:30,230 --> 00:04:28,960
nothing really happened

105
00:04:32,710 --> 00:04:30,240
and

106
00:04:34,710 --> 00:04:32,720
not until later that night

107
00:04:37,350 --> 00:04:34,720
i was laying on my couch getting ready

108
00:04:39,590 --> 00:04:37,360
to do my meditations that i do every

109
00:04:41,350 --> 00:04:39,600
night before i go to sleep

110
00:04:44,310 --> 00:04:41,360
and i'm laying there

111
00:04:45,909 --> 00:04:44,320
and i just receive

112
00:04:49,590 --> 00:04:45,919
this information

113
00:04:53,030 --> 00:04:49,600

and it kind of uh unraveled

114

00:04:55,350 --> 00:04:53,040

over time and i was like wow this is uh

115

00:04:57,510 --> 00:04:55,360

this is profound information i need i

116

00:04:59,670 --> 00:04:57,520

need to put it together i need to

117

00:05:01,270 --> 00:04:59,680

share this with people i need to kind of

118

00:05:02,870 --> 00:05:01,280

put together

119

00:05:05,029 --> 00:05:02,880

a presentation

120

00:05:07,749 --> 00:05:05,039

and i did and i just kind of started in

121

00:05:10,390 --> 00:05:07,759

on it and it just kind of uh

122

00:05:13,270 --> 00:05:10,400

unfolded on itself but

123

00:05:16,469 --> 00:05:13,280

what was interesting is that

124

00:05:18,070 --> 00:05:16,479

it was just a phrase that i got

125

00:05:20,629 --> 00:05:18,080

you know it was like something just

126
00:05:23,670 --> 00:05:20,639
stuck in my head that i had never

127
00:05:26,950 --> 00:05:23,680
heard before but i never heard anyone

128
00:05:29,430 --> 00:05:26,960
talk about and and the phrase was

129
00:05:30,550 --> 00:05:29,440
that the reason that people are trying

130
00:05:33,590 --> 00:05:30,560
to

131
00:05:34,870 --> 00:05:33,600
merge with technology and become more

132
00:05:37,430 --> 00:05:34,880
machine

133
00:05:38,790 --> 00:05:37,440
than than man you know like elon musk

134
00:05:41,350 --> 00:05:38,800
there you know is trying to put the

135
00:05:44,469 --> 00:05:41,360
implants in your brain it turns you know

136
00:05:46,710 --> 00:05:44,479
to turn you into a more uh of an ai kind

137
00:05:50,150 --> 00:05:46,720
of cyborg thing

138
00:05:51,189 --> 00:05:50,160

and uh the reason for that is

139

00:05:52,629 --> 00:05:51,199

because

140

00:05:55,350 --> 00:05:52,639

they're trying to

141

00:05:57,350 --> 00:05:55,360

return back to source

142

00:05:58,309 --> 00:05:57,360

right they're trying to merge

143

00:06:01,029 --> 00:05:58,319

back

144

00:06:02,150 --> 00:06:01,039

with the the source of the simulation to

145

00:06:03,350 --> 00:06:02,160

become

146

00:06:05,510 --> 00:06:03,360

basically

147

00:06:06,550 --> 00:06:05,520

the ultimate god

148

00:06:15,270 --> 00:06:06,560

and

149

00:06:17,909 --> 00:06:15,280

things came out about it you know about

150

00:06:18,870 --> 00:06:17,919

uh ancient history and

151
00:06:22,390 --> 00:06:18,880
um

152
00:06:23,590 --> 00:06:22,400
ascension and reincarnation and all

153
00:06:26,550 --> 00:06:23,600
these

154
00:06:29,749 --> 00:06:26,560
different kinds of topics all unraveled

155
00:06:30,629 --> 00:06:29,759
from that little sentence that i got uh

156
00:06:32,550 --> 00:06:30,639
you know

157
00:06:35,990 --> 00:06:32,560
i felt like it was kind of implanted

158
00:06:38,230 --> 00:06:36,000
into my brain and it was kind of like a

159
00:06:40,469 --> 00:06:38,240
an original thought because ryan it's

160
00:06:42,309 --> 00:06:40,479
it's very difficult i think especially

161
00:06:43,590 --> 00:06:42,319
nowadays for

162
00:06:46,390 --> 00:06:43,600
people to

163
00:06:47,909 --> 00:06:46,400

actually have an original thought

164

00:06:50,550 --> 00:06:47,919

if that makes any sense because i feel

165

00:06:51,830 --> 00:06:50,560

like 99 of what we talk about and what

166

00:06:54,790 --> 00:06:51,840

we say

167

00:06:56,870 --> 00:06:54,800

is just regurgitated information

168

00:06:58,710 --> 00:06:56,880

right it's something that we've heard

169

00:07:00,950 --> 00:06:58,720

somebody else say

170

00:07:02,469 --> 00:07:00,960

or or something that we've thought of

171

00:07:05,670 --> 00:07:02,479

before

172

00:07:07,510 --> 00:07:05,680

you know so it was really profound

173

00:07:09,510 --> 00:07:07,520

for me to

174

00:07:10,230 --> 00:07:09,520

get this information that

175

00:07:18,150 --> 00:07:10,240

i

176
00:07:19,909 --> 00:07:18,160
whenever

177
00:07:22,309 --> 00:07:19,919
it really interests me

178
00:07:24,790 --> 00:07:22,319
yeah you know and so whenever i got that

179
00:07:26,550 --> 00:07:24,800
information i'm like holy crap like you

180
00:07:30,230 --> 00:07:26,560
know uh there was no other way that i

181
00:07:31,350 --> 00:07:30,240
could explain it other than it was uh

182
00:07:32,710 --> 00:07:31,360
it was either

183
00:07:35,990 --> 00:07:32,720
it was kind of like i was talking to you

184
00:07:38,710 --> 00:07:36,000
about before the show is that

185
00:07:40,710 --> 00:07:38,720
i think that we've mistaken

186
00:07:42,830 --> 00:07:40,720
and misinterpreted what

187
00:07:44,790 --> 00:07:42,840
a download actually

188
00:07:46,230 --> 00:07:44,800

is and

189

00:07:48,390 --> 00:07:46,240

i think a lot of people think that a

190

00:07:51,510 --> 00:07:48,400

download actually comes from from

191

00:07:55,430 --> 00:07:51,520

outside of yourself and and i'm learning

192

00:07:58,150 --> 00:07:55,440

more and more that that's not it at all

193

00:07:59,589 --> 00:07:58,160

i'm learning that it's actually coming

194

00:08:03,830 --> 00:07:59,599

from within you

195

00:08:06,790 --> 00:08:03,840

it's it's coming from your higher self

196

00:08:08,110 --> 00:08:06,800

right because i i 100 percent believe

197

00:08:09,909 --> 00:08:08,120

that that were

198

00:08:12,550 --> 00:08:09,919

multi-dimensional

199

00:08:13,990 --> 00:08:12,560

spirit beings right living a human

200

00:08:17,189 --> 00:08:14,000

existence

201
00:08:18,909 --> 00:08:17,199
on the planet and a lot of people they

202
00:08:21,510 --> 00:08:18,919
they use that term a lot being a

203
00:08:23,110 --> 00:08:21,520
multi-dimensional being but

204
00:08:24,550 --> 00:08:23,120
i don't think a lot of people really

205
00:08:26,710 --> 00:08:24,560
understand

206
00:08:28,150 --> 00:08:26,720
or can comprehend what that even means

207
00:08:30,629 --> 00:08:28,160
they just kind of

208
00:08:32,070 --> 00:08:30,639
use it again as as like a regurgitation

209
00:08:32,790 --> 00:08:32,080
they've heard someone else say it so

210
00:08:34,389 --> 00:08:32,800
then

211
00:08:35,670 --> 00:08:34,399
they say it

212
00:08:37,550 --> 00:08:35,680
right so

213
00:08:40,149 --> 00:08:37,560

but to me what uh being a

214

00:08:42,310 --> 00:08:40,159

multi-dimensional being means is that we

215

00:08:45,269 --> 00:08:42,320

exist on every level of reality

216

00:08:47,190 --> 00:08:45,279

simultaneously right all of our

217

00:08:49,269 --> 00:08:47,200

realities are stacked on top of each

218

00:08:50,389 --> 00:08:49,279

other there's no past present and future

219

00:08:52,389 --> 00:08:50,399

it's all

220

00:08:54,389 --> 00:08:52,399

coalescing right now

221

00:08:56,949 --> 00:08:54,399

in this moment this moment that we're

222

00:08:59,269 --> 00:08:56,959

having right now ryan is the past

223

00:09:02,070 --> 00:08:59,279

present and future all on top of each

224

00:09:04,070 --> 00:09:02,080

other it's not separated

225

00:09:05,990 --> 00:09:04,080

and

226

00:09:08,310 --> 00:09:06,000

that's that's what i think

227

00:09:10,070 --> 00:09:08,320

that being a multi-dimensional being is

228

00:09:11,829 --> 00:09:10,080

is that we live in all of these

229

00:09:13,430 --> 00:09:11,839

different levels of reality there's

230

00:09:15,990 --> 00:09:13,440

infinite

231

00:09:18,710 --> 00:09:16,000

versions of us running around

232

00:09:22,389 --> 00:09:18,720

out there doing things some good some

233

00:09:24,230 --> 00:09:22,399

bad some uh you know right some wrong

234

00:09:26,870 --> 00:09:24,240

and it depends on the pot it depends

235

00:09:28,389 --> 00:09:26,880

upon your perception and those realities

236

00:09:31,990 --> 00:09:28,399

are just

237

00:09:33,910 --> 00:09:32,000

right beyond the veil

238

00:09:36,870 --> 00:09:33,920

yeah so i don't know if that makes

239

00:09:39,509 --> 00:09:36,880

any sense totally totally in fact it

240

00:09:42,389 --> 00:09:39,519

makes so much sense lately i've been um

241

00:09:45,190 --> 00:09:42,399

kind of taking part in you know gateway

242

00:09:47,829 --> 00:09:45,200

project hemisync recordings to help

243

00:09:49,670 --> 00:09:47,839

myself meditate among other things and

244

00:09:51,509 --> 00:09:49,680

these can be found in a number of places

245

00:09:52,710 --> 00:09:51,519

on the internet and online if listeners

246

00:09:54,870 --> 00:09:52,720

are interested

247

00:09:56,230 --> 00:09:54,880

however exactly what you're saying and

248

00:09:59,190 --> 00:09:56,240

what you've said

249

00:10:01,350 --> 00:09:59,200

that this is sort of like a type of

250

00:10:04,630 --> 00:10:01,360

remembering it's an important part of

251
00:10:07,350 --> 00:10:04,640
the waking up process and i agree 100

252
00:10:09,590 --> 00:10:07,360
and have found that regardless of the

253
00:10:11,430 --> 00:10:09,600
type of meditation one does

254
00:10:13,430 --> 00:10:11,440
there always seems to be a hint of

255
00:10:17,269 --> 00:10:13,440
remembering so remembering is an

256
00:10:19,350 --> 00:10:17,279
important component to all this isn't it

257
00:10:22,150 --> 00:10:19,360
it is ryan because

258
00:10:24,150 --> 00:10:22,160
we are a species of amnesia we have no

259
00:10:25,910 --> 00:10:24,160
idea who we are we have no idea where

260
00:10:27,350 --> 00:10:25,920
we're from we have no idea what we're

261
00:10:30,150 --> 00:10:27,360
doing here

262
00:10:31,190 --> 00:10:30,160
and that's made it very difficult uh for

263
00:10:32,949 --> 00:10:31,200

people

264

00:10:34,389 --> 00:10:32,959

on this planet

265

00:10:36,230 --> 00:10:34,399

because if you don't know who you are or

266

00:10:39,430 --> 00:10:36,240

what you're doing or your true

267

00:10:41,430 --> 00:10:39,440

capabilities then you're just going to

268

00:10:44,389 --> 00:10:41,440

99 of people are just going to end up

269

00:10:46,389 --> 00:10:44,399

conforming to this construct that's been

270

00:10:49,350 --> 00:10:46,399

laid out here for us

271

00:10:51,190 --> 00:10:49,360

right and it's it's hard to

272

00:10:53,550 --> 00:10:51,200

um i mean more and more people are doing

273

00:10:55,829 --> 00:10:53,560

it but it's difficult to survive the

274

00:10:58,230 --> 00:10:55,839

indoctrination process

275

00:11:00,790 --> 00:10:58,240

that that is engulfed the mass

276

00:11:01,910 --> 00:11:00,800

consciousness of the planet

277

00:11:03,030 --> 00:11:01,920

you know they they want to make

278

00:11:04,870 --> 00:11:03,040

everything

279

00:11:06,389 --> 00:11:04,880

really black and white they want to make

280

00:11:09,110 --> 00:11:06,399

it this way they want to make it that

281

00:11:12,310 --> 00:11:09,120

way they want to uh you know turn things

282

00:11:16,470 --> 00:11:12,320

into a a blanketed system they want to

283

00:11:18,790 --> 00:11:16,480

blanket everybody with the same rules

284

00:11:21,030 --> 00:11:18,800

you know and i don't think that

285

00:11:23,670 --> 00:11:21,040

anyone on the planet

286

00:11:25,269 --> 00:11:23,680

is actually from here i think

287

00:11:28,069 --> 00:11:25,279

there's not one being on the planet

288

00:11:30,150 --> 00:11:28,079

that's actually indigenous to earth now

289

00:11:31,910 --> 00:11:30,160

we might have been here for a really

290

00:11:34,389 --> 00:11:31,920

really long time

291

00:11:37,110 --> 00:11:34,399

through the uh reincarnation trap that's

292

00:11:39,990 --> 00:11:37,120

been uh placed on the planet but that

293

00:11:41,509 --> 00:11:40,000

doesn't mean that we originated here

294

00:11:42,630 --> 00:11:41,519

yes right

295

00:11:44,389 --> 00:11:42,640

and

296

00:11:46,949 --> 00:11:44,399

i think that that's a big reason why a

297

00:11:49,110 --> 00:11:46,959

lot of things are so screwed up not only

298

00:11:51,269 --> 00:11:49,120

do we do we have amnesia and we don't

299

00:11:52,870 --> 00:11:51,279

remember hardly any of our past lives

300

00:11:55,990 --> 00:11:52,880

unless we can really

301
00:11:57,670 --> 00:11:56,000
be able to tap into it but none of us

302
00:11:59,030 --> 00:11:57,680
are actually from here we're all from

303
00:12:01,110 --> 00:11:59,040
different parts of the galaxy in

304
00:12:03,430 --> 00:12:01,120
different parts of the universe so we

305
00:12:06,389 --> 00:12:03,440
all have different backgrounds we all

306
00:12:09,030 --> 00:12:06,399
have different ways that we were used to

307
00:12:10,870 --> 00:12:09,040
living before and then whenever you

308
00:12:12,870 --> 00:12:10,880
bring all of those people together that

309
00:12:16,069 --> 00:12:12,880
have all of these kinds of differences

310
00:12:19,350 --> 00:12:16,079
and all of these different uh histories

311
00:12:22,230 --> 00:12:19,360
you're going to get a lot of uh

312
00:12:25,190 --> 00:12:22,240
fighting and a lot of um

313
00:12:26,550 --> 00:12:25,200

back and forth and a lot of uh

314

00:12:30,710 --> 00:12:26,560

confusion

315

00:12:33,190 --> 00:12:30,720

to division

316

00:12:35,269 --> 00:12:33,200

and then that's how we get all of the

317

00:12:37,110 --> 00:12:35,279

division that that we're going through

318

00:12:39,670 --> 00:12:37,120

because none of us

319

00:12:41,750 --> 00:12:39,680

are from the same place we've just been

320

00:12:44,710 --> 00:12:41,760

stuck here and trapped here

321

00:12:47,590 --> 00:12:44,720

and brought here

322

00:12:49,670 --> 00:12:47,600

makes perfect sense and let's get into

323

00:12:51,269 --> 00:12:49,680

downloads a bit because it's something i

324

00:12:54,949 --> 00:12:51,279

very much have experienced and believe

325

00:12:58,069 --> 00:12:54,959

in it sometimes seems as if us humans

326

00:12:59,670 --> 00:12:58,079

are slow to learn we take a while and

327

00:13:02,230 --> 00:12:59,680

add it ourselves and

328

00:13:03,990 --> 00:13:02,240

when interacting or communicating with

329

00:13:05,590 --> 00:13:04,000

entities more powerful than ourselves

330

00:13:07,430 --> 00:13:05,600

which might actually be ourselves like

331

00:13:10,069 --> 00:13:07,440

you said like the layer of an onion

332

00:13:12,629 --> 00:13:10,079

getting to the core of it or the source

333

00:13:14,790 --> 00:13:12,639

sometimes the very interaction can be

334

00:13:16,790 --> 00:13:14,800

considered a download because so much

335

00:13:19,190 --> 00:13:16,800

knowledge can be expressed

336

00:13:21,350 --> 00:13:19,200

so quickly and

337

00:13:23,990 --> 00:13:21,360

i want to kind of get into your download

338

00:13:27,829 --> 00:13:24,000

and and and hit on the high it basically

339

00:13:31,829 --> 00:13:30,470

okay well

340

00:13:34,629 --> 00:13:31,839

uh

341

00:13:38,550 --> 00:13:34,639

i guess we can start with the the whole

342

00:13:42,230 --> 00:13:38,560

uh ancient history part and

343

00:13:45,189 --> 00:13:42,240

so what i was shown is that uh

344

00:13:46,949 --> 00:13:45,199

the anunnaki uh they were some of the

345

00:13:49,910 --> 00:13:46,959

first

346

00:13:51,990 --> 00:13:49,920

uh beings that were created uh on this

347

00:13:56,870 --> 00:13:52,000

planet and

348

00:13:59,110 --> 00:13:56,880

they were essentially the most perfect

349

00:14:01,030 --> 00:13:59,120

uh physical

350

00:14:05,430 --> 00:14:01,040

avatars that were ever created they were

351

00:14:06,949 --> 00:14:05,440

able to use 100 of their brain capacity

352

00:14:08,150 --> 00:14:06,959

they were

353

00:14:09,670 --> 00:14:08,160

uh

354

00:14:12,230 --> 00:14:09,680

and that's what

355

00:14:15,590 --> 00:14:12,240

basically made them gods right

356

00:14:17,829 --> 00:14:15,600

to other beings that were on the planet

357

00:14:19,670 --> 00:14:17,839

and uh

358

00:14:22,470 --> 00:14:19,680

i'm sure people are aware of inky and

359

00:14:24,310 --> 00:14:22,480

lil and anu and and uh all of those if

360

00:14:26,710 --> 00:14:24,320

you're if you you know know anything

361

00:14:28,550 --> 00:14:26,720

about ancient history and the sumerian

362

00:14:32,310 --> 00:14:28,560

gods of the anunnaki

363

00:14:34,310 --> 00:14:32,320

yeah but inky

364

00:14:35,829 --> 00:14:34,320

he decided that

365

00:14:39,509 --> 00:14:35,839

he

366

00:14:41,750 --> 00:14:39,519

was going to go to this off-limits place

367

00:14:44,790 --> 00:14:41,760

in the universe

368

00:14:48,310 --> 00:14:44,800

and this off-limits forbidden zone

369

00:14:50,150 --> 00:14:48,320

uh was forbidden for a reason

370

00:14:52,470 --> 00:14:50,160

and but he thought that he was all

371

00:14:54,550 --> 00:14:52,480

powerful enough that that he could that

372

00:14:56,829 --> 00:14:54,560

he could do it

373

00:15:00,069 --> 00:14:56,839

and when he went

374

00:15:01,829 --> 00:15:00,079

it this off limits and forbidden zone

375

00:15:05,350 --> 00:15:01,839

was actually

376

00:15:07,750 --> 00:15:05,360

source itself and when i say source

377

00:15:09,509 --> 00:15:07,760

source to me is

378

00:15:11,350 --> 00:15:09,519

the source of the simulation because i

379

00:15:12,470 --> 00:15:11,360

believe that we are living in a

380

00:15:15,750 --> 00:15:12,480

simulation

381

00:15:18,550 --> 00:15:15,760

neither

382

00:15:20,389 --> 00:15:18,560

malevolent or benevolent it's just it

383

00:15:22,790 --> 00:15:20,399

just exists it holds all of the

384

00:15:24,550 --> 00:15:22,800

information in the universe within it

385

00:15:27,110 --> 00:15:24,560

it's like a motherboard

386

00:15:31,269 --> 00:15:27,120

of a computer right it's making

387

00:15:32,069 --> 00:15:31,279

everything run and and operate

388

00:15:35,350 --> 00:15:32,079

and

389

00:15:37,110 --> 00:15:35,360

when he tried to merge with it

390

00:15:39,910 --> 00:15:37,120

he couldn't handle it it was too much

391

00:15:42,550 --> 00:15:39,920

for him it was uh and it basically

392

00:15:44,710 --> 00:15:42,560

overloaded his system

393

00:15:47,189 --> 00:15:44,720

and essentially corrupted him because he

394

00:15:49,829 --> 00:15:47,199

found out really who we are

395

00:15:51,910 --> 00:15:49,839

what we are and what we're living in and

396

00:15:54,230 --> 00:15:51,920

we can talk about you know

397

00:15:57,189 --> 00:15:54,240

living in a simulation all we want but

398

00:15:59,749 --> 00:15:57,199

actually embodying that and encompassing

399

00:16:01,749 --> 00:15:59,759

that whole thing but almost

400

00:16:04,310 --> 00:16:01,759

um

401
00:16:06,949 --> 00:16:04,320
fracture your mind just trying to think

402
00:16:08,710 --> 00:16:06,959
about it let alone let alone actually

403
00:16:11,030 --> 00:16:08,720
experiencing it

404
00:16:14,069 --> 00:16:11,040
so whenever inky went he was able to

405
00:16:16,470 --> 00:16:14,079
survive he actually got out in time

406
00:16:18,870 --> 00:16:16,480
uh but he was severely

407
00:16:22,230 --> 00:16:18,880
corrupted and damaged

408
00:16:25,590 --> 00:16:22,240
and whenever he got back that was the

409
00:16:28,870 --> 00:16:25,600
the calls of the uh the anunnaki

410
00:16:30,629 --> 00:16:28,880
uprising and the big galactic war

411
00:16:33,990 --> 00:16:30,639
that happened

412
00:16:36,230 --> 00:16:34,000
and the the creator ets basically had to

413
00:16:37,590 --> 00:16:36,240

call in reinforcements from all over the

414

00:16:38,870 --> 00:16:37,600

galaxy

415

00:16:40,710 --> 00:16:38,880

to

416

00:16:41,990 --> 00:16:40,720

come and try and

417

00:16:44,069 --> 00:16:42,000

defeat

418

00:16:46,870 --> 00:16:44,079

the annunaki

419

00:16:50,230 --> 00:16:46,880

and when they came

420

00:16:51,829 --> 00:16:50,240

they did end up defeating them and when

421

00:16:53,110 --> 00:16:51,839

they defeated them

422

00:16:54,550 --> 00:16:53,120

they

423

00:16:56,389 --> 00:16:54,560

placed a

424

00:16:58,150 --> 00:16:56,399

reincarnation

425

00:16:59,749 --> 00:16:58,160

trap

426
00:17:01,749 --> 00:16:59,759
over the planet

427
00:17:02,870 --> 00:17:01,759
in order to

428
00:17:06,549 --> 00:17:02,880
keep

429
00:17:08,949 --> 00:17:06,559
us which we are the gods

430
00:17:10,150 --> 00:17:08,959
from rising up again

431
00:17:12,549 --> 00:17:10,160
because they were basically triggered

432
00:17:14,230 --> 00:17:12,559
they were like oh yeah we can't let this

433
00:17:15,750 --> 00:17:14,240
ever happen again

434
00:17:17,510 --> 00:17:15,760
you know

435
00:17:19,990 --> 00:17:17,520
and so

436
00:17:22,309 --> 00:17:20,000
basically everyone that was here before

437
00:17:24,630 --> 00:17:22,319
and everyone that was here back then

438
00:17:26,470 --> 00:17:24,640

is here now

439

00:17:28,390 --> 00:17:26,480

yeah right

440

00:17:30,710 --> 00:17:28,400

all of the gods that was here that was

441

00:17:33,590 --> 00:17:30,720

stuck in that reincarnation loop all the

442

00:17:36,150 --> 00:17:33,600

people all the all the humans anyone

443

00:17:37,750 --> 00:17:36,160

that was on the planet

444

00:17:39,270 --> 00:17:37,760

is here now

445

00:17:42,549 --> 00:17:39,280

right

446

00:17:47,350 --> 00:17:45,430

excuse me um

447

00:17:49,270 --> 00:17:47,360

so whenever

448

00:17:50,549 --> 00:17:49,280

that happened

449

00:17:53,190 --> 00:17:50,559

we

450

00:17:55,590 --> 00:17:53,200

the the planet basically became a

451

00:17:57,990 --> 00:17:55,600

dumping ground planet

452

00:18:01,510 --> 00:17:58,000

right and they would bring people

453

00:18:03,990 --> 00:18:01,520

here uh that were deemed not fit

454

00:18:04,950 --> 00:18:04,000

to be in the universe

455

00:18:05,750 --> 00:18:04,960

um

456

00:18:06,710 --> 00:18:05,760

not

457

00:18:09,270 --> 00:18:06,720

uh

458

00:18:10,390 --> 00:18:09,280

or or products of a failed science

459

00:18:14,150 --> 00:18:10,400

experiment

460

00:18:15,350 --> 00:18:14,160

and we basically became a farm

461

00:18:17,830 --> 00:18:15,360

for

462

00:18:19,110 --> 00:18:17,840

a lot of people out in the universe they

463

00:18:20,230 --> 00:18:19,120

could pop in

464

00:18:24,070 --> 00:18:20,240

pop out

465

00:18:26,230 --> 00:18:24,080

grab us collect our dna be able to seed

466

00:18:29,430 --> 00:18:26,240

other planets other galaxies and all

467

00:18:32,070 --> 00:18:29,440

that because we're basically

468

00:18:32,950 --> 00:18:32,080

quarantined here

469

00:18:39,190 --> 00:18:32,960

and

470

00:18:41,190 --> 00:18:39,200

that was a uh

471

00:18:44,070 --> 00:18:41,200

a really big

472

00:18:46,310 --> 00:18:44,080

epiphany for me because i'd heard a lot

473

00:18:47,990 --> 00:18:46,320

about the the you know several people

474

00:18:49,270 --> 00:18:48,000

have talked about the reincarnation trap

475

00:18:50,150 --> 00:18:49,280

that's not new

476
00:18:51,909 --> 00:18:50,160
right

477
00:18:53,669 --> 00:18:51,919
we've known about the reincarnation trap

478
00:18:54,830 --> 00:18:53,679
for a really long time the false light

479
00:18:56,549 --> 00:18:54,840
matrix

480
00:18:59,750 --> 00:18:56,559
reality

481
00:19:00,950 --> 00:18:59,760
but what was profound to me is that

482
00:19:02,230 --> 00:19:00,960
i never knew

483
00:19:05,430 --> 00:19:02,240
why

484
00:19:06,230 --> 00:19:05,440
it happened or how it happened

485
00:19:12,310 --> 00:19:06,240
or

486
00:19:14,070 --> 00:19:12,320
so when i

487
00:19:16,950 --> 00:19:14,080
i re received that information then i

488
00:19:18,150 --> 00:19:16,960

put it in there and then

489

00:19:19,669 --> 00:19:18,160

so basically

490

00:19:22,470 --> 00:19:19,679

we're we are the gods we are the

491

00:19:24,789 --> 00:19:22,480

anunnaki gods and we've been fractured

492

00:19:26,789 --> 00:19:24,799

out several times because through each

493

00:19:30,630 --> 00:19:26,799

reincarnation through the false light

494

00:19:32,070 --> 00:19:30,640

matrix our soul gets split even more

495

00:19:32,870 --> 00:19:32,080

right each time that we come back

496

00:19:39,590 --> 00:19:32,880

through

497

00:19:43,029 --> 00:19:39,600

reincarnation trap our soul gets

498

00:19:44,630 --> 00:19:43,039

fractured more and and we're actually

499

00:19:46,630 --> 00:19:44,640

living up to

500

00:19:49,590 --> 00:19:46,640

9 to 10

501
00:19:52,230 --> 00:19:49,600
reincarnations right now currently on

502
00:19:54,950 --> 00:19:52,240
this planet and we just don't know it

503
00:19:58,150 --> 00:19:54,960
because our soul has been fractured so

504
00:20:00,230 --> 00:19:58,160
many times basically making it to where

505
00:20:02,870 --> 00:20:00,240
even if we were able

506
00:20:06,390 --> 00:20:02,880
to escape the reincarnation trap we

507
00:20:07,669 --> 00:20:06,400
wouldn't be able to escape with our

508
00:20:09,909 --> 00:20:07,679
entire

509
00:20:11,029 --> 00:20:09,919
soul intact

510
00:20:14,630 --> 00:20:11,039
right

511
00:20:16,390 --> 00:20:14,640
it's really an evil genius system

512
00:20:17,830 --> 00:20:16,400
and uh

513
00:20:19,430 --> 00:20:17,840

but yeah do you have any questions about

514

00:20:21,590 --> 00:20:19,440

that

515

00:20:23,830 --> 00:20:21,600

yeah it's it's it sounds like just a

516

00:20:25,470 --> 00:20:23,840

very compartmentalizing

517

00:20:27,669 --> 00:20:25,480

much like the government does like

518

00:20:30,390 --> 00:20:27,679

compartmentalizing of lives

519

00:20:32,630 --> 00:20:30,400

and it just reminds me like

520

00:20:34,549 --> 00:20:32,640

you know with this new age almost

521

00:20:35,990 --> 00:20:34,559

quoting a popular catchphrase of the

522

00:20:38,549 --> 00:20:36,000

secret which

523

00:20:41,909 --> 00:20:38,559

many take as gospel after being on oprah

524

00:20:43,909 --> 00:20:41,919

and other mainstream shows the belief of

525

00:20:45,669 --> 00:20:43,919

if you think it it will happen has

526

00:20:47,110 --> 00:20:45,679

become fairly entrenched in modern

527

00:20:49,750 --> 00:20:47,120

society yet

528

00:20:51,750 --> 00:20:49,760

people turn their television sets on and

529

00:20:55,110 --> 00:20:51,760

are told what to think for the most part

530

00:20:57,029 --> 00:20:55,120

darn near every night i mean we've had

531

00:20:59,669 --> 00:20:57,039

ceremonial magicians like aleister

532

00:21:02,230 --> 00:20:59,679

crowley claim claiming similar concepts

533

00:21:04,390 --> 00:21:02,240

of i think therefore i am or do what thy

534

00:21:06,789 --> 00:21:04,400

wilt is the whole of the law and

535

00:21:09,029 --> 00:21:06,799

this is way before this whole widespread

536

00:21:11,430 --> 00:21:09,039

new age movements starting to gain

537

00:21:13,029 --> 00:21:11,440

traction and regardless of what we all

538

00:21:14,470 --> 00:21:13,039

think of people like aleister crowley

539

00:21:16,230 --> 00:21:14,480

the concepts

540

00:21:18,710 --> 00:21:16,240

have been there especially in the form

541

00:21:21,750 --> 00:21:18,720

of the occult for a long time

542

00:21:23,029 --> 00:21:21,760

and there is especially you know

543

00:21:25,029 --> 00:21:23,039

i know

544

00:21:26,870 --> 00:21:25,039

that you have studied the esoteric or

545

00:21:28,950 --> 00:21:26,880

hidden knowledge systems

546

00:21:31,029 --> 00:21:28,960

it almost seems as if

547

00:21:33,350 --> 00:21:31,039

some segment of the population has

548

00:21:35,750 --> 00:21:33,360

always known a little bit that we are

549

00:21:38,070 --> 00:21:35,760

living in a simulation of sorts why do

550

00:21:40,310 --> 00:21:38,080

you think certain people have always

551
00:21:43,190 --> 00:21:40,320
known this and hidden aspects of this

552
00:21:44,950 --> 00:21:43,200
knowledge throughout time

553
00:21:47,510 --> 00:21:44,960
i think it's due to the construct that

554
00:21:50,230 --> 00:21:47,520
we've been engulfed in right like this

555
00:21:52,310 --> 00:21:50,240
construct doesn't want us to ask any

556
00:21:54,710 --> 00:21:52,320
questions it doesn't want us to

557
00:21:58,149 --> 00:21:54,720
think outside of the box

558
00:21:59,990 --> 00:21:58,159
right it just wants us to go along with

559
00:22:01,430 --> 00:22:00,000
the school system that wants us to go

560
00:22:04,390 --> 00:22:01,440
along with the

561
00:22:06,230 --> 00:22:04,400
educational system the the religious

562
00:22:08,870 --> 00:22:06,240
indoctrination

563
00:22:11,510 --> 00:22:08,880

and it doesn't want us to

564

00:22:13,830 --> 00:22:11,520

to question things and expand and once

565

00:22:15,909 --> 00:22:13,840

it's stuck into a

566

00:22:18,920 --> 00:22:15,919

a perfectly

567

00:22:20,789 --> 00:22:18,930

fit box with a bow on top of it

568

00:22:23,029 --> 00:22:20,799

[Music]

569

00:22:24,830 --> 00:22:23,039

you know and and you're totally right

570

00:22:27,270 --> 00:22:24,840

and i've seen some

571

00:22:30,470 --> 00:22:27,280

people smashing

572

00:22:31,830 --> 00:22:30,480

on this concept uh here recently that

573

00:22:33,669 --> 00:22:31,840

that are

574

00:22:35,830 --> 00:22:33,679

that our thoughts uh

575

00:22:37,909 --> 00:22:35,840

create our reality and our and our

576
00:22:39,590 --> 00:22:37,919
perception uh

577
00:22:41,430 --> 00:22:39,600
is everything and

578
00:22:43,750 --> 00:22:41,440
but i 100

579
00:22:44,470 --> 00:22:43,760
believe that that's true

580
00:22:46,630 --> 00:22:44,480
yeah

581
00:22:49,350 --> 00:22:46,640
there isn't one truth

582
00:22:50,789 --> 00:22:49,360
ryan and i know that that kind of sounds

583
00:22:51,990 --> 00:22:50,799
uh

584
00:22:54,070 --> 00:22:52,000
dangerous

585
00:22:55,669 --> 00:22:54,080
but

586
00:22:58,710 --> 00:22:55,679
our truth

587
00:23:01,909 --> 00:22:58,720
is cultivated and created

588
00:23:03,350 --> 00:23:01,919

by our experiences of life

589

00:23:04,789 --> 00:23:03,360

you've had a different experience in

590

00:23:06,710 --> 00:23:04,799

your life ryan i've had a different

591

00:23:08,870 --> 00:23:06,720

experience in my life

592

00:23:11,190 --> 00:23:08,880

so therefore my truth is going to be

593

00:23:12,710 --> 00:23:11,200

different than your truth and where we

594

00:23:14,789 --> 00:23:12,720

get into trouble

595

00:23:15,830 --> 00:23:14,799

is people trying to

596

00:23:18,870 --> 00:23:15,840

blanket

597

00:23:22,710 --> 00:23:18,880

their truth and make everyone believe in

598

00:23:25,029 --> 00:23:22,720

their own individual truth right

599

00:23:27,669 --> 00:23:25,039

absolutely and that's a big issue

600

00:23:29,350 --> 00:23:27,679

because because we're all different and

601
00:23:31,909 --> 00:23:29,360
it's like i've seen before we're all

602
00:23:33,669 --> 00:23:31,919
from outside of the planet no one is

603
00:23:36,630 --> 00:23:33,679
from here

604
00:23:38,149 --> 00:23:36,640
right so we all automatically have

605
00:23:40,230 --> 00:23:38,159
different truths

606
00:23:41,269 --> 00:23:40,240
right but instead of getting along with

607
00:23:43,430 --> 00:23:41,279
people

608
00:23:44,710 --> 00:23:43,440
and instead of

609
00:23:46,789 --> 00:23:44,720
observing

610
00:23:48,950 --> 00:23:46,799
the other person

611
00:23:52,710 --> 00:23:48,960
and and letting the information that

612
00:23:54,310 --> 00:23:52,720
they have flow through them and then

613
00:23:55,269 --> 00:23:54,320

picking apart it

614

00:23:59,669 --> 00:23:55,279

and

615

00:24:01,269 --> 00:23:59,679

resonates with them

616

00:24:03,430 --> 00:24:01,279

someone says something that someone

617

00:24:07,110 --> 00:24:03,440

doesn't like they automatically throw

618

00:24:08,710 --> 00:24:07,120

everything else out that they set

619

00:24:10,870 --> 00:24:08,720

you know and that's a big

620

00:24:12,950 --> 00:24:10,880

issue that that i found in

621

00:24:14,710 --> 00:24:12,960

in this community and then outside of

622

00:24:17,029 --> 00:24:14,720

this community too

623

00:24:18,789 --> 00:24:17,039

like it's so easy

624

00:24:21,430 --> 00:24:18,799

to get someone

625

00:24:23,510 --> 00:24:21,440

to uh to not agree with you and then

626
00:24:24,789 --> 00:24:23,520
when they don't agree with you

627
00:24:28,870 --> 00:24:24,799
they

628
00:24:30,149 --> 00:24:28,880
said and that's not that's not true

629
00:24:32,789 --> 00:24:30,159
expansion

630
00:24:33,990 --> 00:24:32,799
right we need to be able to to listen to

631
00:24:35,590 --> 00:24:34,000
people

632
00:24:39,990 --> 00:24:35,600
and

633
00:24:42,470 --> 00:24:40,000
saying

634
00:24:44,310 --> 00:24:42,480
without actually

635
00:24:46,310 --> 00:24:44,320
fully believing it

636
00:24:49,430 --> 00:24:46,320
right that's that's the one of the

637
00:24:51,190 --> 00:24:49,440
biggest keys is self mastery

638
00:24:54,070 --> 00:24:51,200

right is being able to

639

00:24:56,149 --> 00:24:54,080

listen to someone and not agree

640

00:24:58,789 --> 00:24:56,159

but

641

00:25:00,310 --> 00:24:58,799

and and not believe everything that they

642

00:25:01,830 --> 00:25:00,320

said unless it resonates with you and

643

00:25:03,510 --> 00:25:01,840

then you can pick apart some of the

644

00:25:06,230 --> 00:25:03,520

other things and then put it in the back

645

00:25:08,149 --> 00:25:06,240

of your mind or put it in uh put it in

646

00:25:09,909 --> 00:25:08,159

your pocket for later

647

00:25:11,350 --> 00:25:09,919

right and then if someone else comes up

648

00:25:14,070 --> 00:25:11,360

and you hear someone else say something

649

00:25:15,669 --> 00:25:14,080

that's similar to what they said then

650

00:25:17,110 --> 00:25:15,679

you can pull that thing out of your back

651

00:25:18,710 --> 00:25:17,120

pocket that you heard

652

00:25:20,390 --> 00:25:18,720

previously and then you can fit them

653

00:25:21,510 --> 00:25:20,400

together and then you can create your

654

00:25:22,390 --> 00:25:21,520

own

655

00:25:25,750 --> 00:25:22,400

right

656

00:25:27,590 --> 00:25:25,760

this is what a lot of this is about

657

00:25:31,110 --> 00:25:27,600

ryan is just

658

00:25:33,909 --> 00:25:31,120

expansion and expansion of thoughts

659

00:25:36,310 --> 00:25:33,919

ideas and beliefs and not being sucked

660

00:25:40,470 --> 00:25:36,320

in to a very narrow

661

00:25:44,149 --> 00:25:40,480

view of reality we are creator beings

662

00:25:46,070 --> 00:25:44,159

right that's what we do is we create

663

00:25:48,870 --> 00:25:46,080

so if you can take someone take

664

00:25:49,750 --> 00:25:48,880

something that someone says

665

00:25:52,549 --> 00:25:49,760

and then

666

00:25:54,230 --> 00:25:52,559

create and turn and put your

667

00:25:57,269 --> 00:25:54,240

own spin on it

668

00:25:59,510 --> 00:25:57,279

then great do that

669

00:26:01,350 --> 00:25:59,520

you know because you don't know who who

670

00:26:04,710 --> 00:26:01,360

else that you're going to help and

671

00:26:06,549 --> 00:26:04,720

everyone has a little bit of the truth

672

00:26:08,470 --> 00:26:06,559

you know ryan you have a bit of the

673

00:26:10,470 --> 00:26:08,480

truth i have a little bit of the truth

674

00:26:12,789 --> 00:26:10,480

joe blow down the street has a little

675

00:26:15,190 --> 00:26:12,799

bit of the truth we're no better

676

00:26:17,430 --> 00:26:15,200

than uh

677

00:26:19,190 --> 00:26:17,440

no one is better than anybody else you

678

00:26:20,470 --> 00:26:19,200

know they're just working

679

00:26:23,269 --> 00:26:20,480

off of

680

00:26:25,909 --> 00:26:23,279

what they know because we don't know

681

00:26:27,350 --> 00:26:25,919

what we don't know

682

00:26:30,549 --> 00:26:27,360

so true

683

00:26:33,269 --> 00:26:30,559

i i really like um that that view of

684

00:26:35,510 --> 00:26:33,279

mastery because it really is as if you

685

00:26:37,430 --> 00:26:35,520

know when we shut ourselves off to what

686

00:26:39,110 --> 00:26:37,440

other people are saying it's like we

687

00:26:41,029 --> 00:26:39,120

give up the opportunity like you said

688

00:26:43,110 --> 00:26:41,039

it's like upgrading our software and

689

00:26:45,990 --> 00:26:43,120

adding an expansion pack

690

00:26:47,990 --> 00:26:46,000

it i i really like um in the past i've

691

00:26:50,549 --> 00:26:48,000

heard you reference the apple like in

692

00:26:52,630 --> 00:26:50,559

the garden of eden and how the apple

693

00:26:54,950 --> 00:26:52,640

isn't an apple at all

694

00:26:56,789 --> 00:26:54,960

it's an actual place and a place that

695

00:26:59,269 --> 00:26:56,799

holds all the knowledge of the universe

696

00:27:00,789 --> 00:26:59,279

much like you know and and of course i

697

00:27:01,909 --> 00:27:00,799

brought my own thing to the table and

698

00:27:03,909 --> 00:27:01,919

i'm thinking

699

00:27:06,950 --> 00:27:03,919

oh wow well there's the apple computer

700

00:27:09,669 --> 00:27:06,960

and strangely the symbolism of the apple

701
00:27:12,149 --> 00:27:09,679
computer and products having an apple on

702
00:27:14,070 --> 00:27:12,159
it has the bite out of the apple and you

703
00:27:17,269 --> 00:27:14,080
know the original apple computer or

704
00:27:19,269 --> 00:27:17,279
macintosh sold for 666 dollars which

705
00:27:20,630 --> 00:27:19,279
seems like more symbolism

706
00:27:22,710 --> 00:27:20,640
and often

707
00:27:25,110 --> 00:27:22,720
the controllers of the simulation if we

708
00:27:27,909 --> 00:27:25,120
want to call them that with uh in they

709
00:27:29,590 --> 00:27:27,919
interweave hints or clues

710
00:27:32,710 --> 00:27:29,600
that are obvious

711
00:27:35,909 --> 00:27:32,720
in company logos trademarks as a sort of

712
00:27:39,190 --> 00:27:35,919
haha joke to one another possibly

713
00:27:40,470 --> 00:27:39,200

and the masses to um escape the magic of

714

00:27:42,230 --> 00:27:40,480

karma saying

715

00:27:43,990 --> 00:27:42,240

well the symbolism and answers were

716

00:27:46,389 --> 00:27:44,000

there in plain sight yet the masses

717

00:27:48,950 --> 00:27:46,399

failed to recognize it so the matrix or

718

00:27:50,070 --> 00:27:48,960

the simulation can be like that at times

719

00:27:51,430 --> 00:27:50,080

the problem is

720

00:27:53,909 --> 00:27:51,440

as you mentioned

721

00:27:57,029 --> 00:27:53,919

people are told or programmed on what to

722

00:27:59,110 --> 00:27:57,039

think and do and how can people escape

723

00:28:01,269 --> 00:27:59,120

from the metaphorical matrix and read

724

00:28:04,149 --> 00:28:01,279

between the lines of this reality

725

00:28:06,149 --> 00:28:04,159

successfully navigating the symbols and

726

00:28:08,149 --> 00:28:06,159

clues given to us by the mass media

727

00:28:10,470 --> 00:28:08,159

corporations and and other powerful

728

00:28:13,590 --> 00:28:10,480

controllers

729

00:28:16,549 --> 00:28:13,600

that's a fantastic question

730

00:28:19,669 --> 00:28:16,559

so what i've realized is everything in

731

00:28:22,789 --> 00:28:19,679

our reality has been inverted

732

00:28:23,830 --> 00:28:22,799

right if they're trying to tell you that

733

00:28:25,750 --> 00:28:23,840

it's up

734

00:28:28,389 --> 00:28:25,760

then it's down if they're trying to tell

735

00:28:29,590 --> 00:28:28,399

you that it's left then it's right

736

00:28:32,389 --> 00:28:29,600

you know they're trying to say that it's

737

00:28:34,070 --> 00:28:32,399

upside down it's right side up

738

00:28:35,669 --> 00:28:34,080

right and that's what they've done to

739

00:28:37,190 --> 00:28:35,679

all of our symbols

740

00:28:39,590 --> 00:28:37,200

um

741

00:28:42,789 --> 00:28:39,600

uh all of the artwork

742

00:28:45,269 --> 00:28:42,799

everything the numbers it's all been

743

00:28:47,669 --> 00:28:45,279

inverted and turned upside down so it

744

00:28:49,909 --> 00:28:47,679

it's difficult for us to

745

00:28:50,950 --> 00:28:49,919

recognize it

746

00:28:53,510 --> 00:28:50,960

right so

747

00:28:56,630 --> 00:28:53,520

that's the best way that

748

00:28:58,389 --> 00:28:56,640

that i've found out to see

749

00:29:00,950 --> 00:28:58,399

what's really going on and that's not

750

00:29:02,149 --> 00:29:00,960

just with that it's it's with any story

751

00:29:04,070 --> 00:29:02,159

it's with any

752

00:29:06,070 --> 00:29:04,080

anything that they're trying to push out

753

00:29:09,510 --> 00:29:06,080

there into the mass consciousness you

754

00:29:15,350 --> 00:29:13,830

so if they're trying to push um

755

00:29:17,029 --> 00:29:15,360

well really all that i can think about

756

00:29:19,190 --> 00:29:17,039

is what's going on right now and i don't

757

00:29:21,590 --> 00:29:19,200

want to talk about that i know but if

758

00:29:23,830 --> 00:29:21,600

they're trying to push something

759

00:29:25,590 --> 00:29:23,840

you look at the opposite version of what

760

00:29:27,350 --> 00:29:25,600

they're trying to push and

761

00:29:29,909 --> 00:29:27,360

nine times out of ten

762

00:29:32,870 --> 00:29:29,919

if that's not the truth it's very

763

00:29:34,630 --> 00:29:32,880

freaking close to the truth

764

00:29:37,190 --> 00:29:34,640

right and then you can start breaking

765

00:29:39,029 --> 00:29:37,200

that down and when you break that down

766

00:29:42,070 --> 00:29:39,039

you can start to

767

00:29:43,750 --> 00:29:42,080

realize other things uh that that are

768

00:29:45,830 --> 00:29:43,760

hidden because that's that's exactly

769

00:29:47,269 --> 00:29:45,840

what they do ryan they hide everything

770

00:29:48,950 --> 00:29:47,279

because they have to let us know what

771

00:29:50,549 --> 00:29:48,960

they're doing that's a part of this

772

00:29:52,870 --> 00:29:50,559

whole game and it's exactly what you

773

00:29:55,590 --> 00:29:52,880

said it's about karma they don't want

774

00:29:57,830 --> 00:29:55,600

the karmic repercussions of doing what

775

00:29:59,669 --> 00:29:57,840

they're doing to us

776

00:30:01,909 --> 00:29:59,679

so the way that they do it is they have

777

00:30:03,269 --> 00:30:01,919

to self-impose it upon us they have to

778

00:30:05,909 --> 00:30:03,279

make us think

779

00:30:08,470 --> 00:30:05,919

that it's our idea to do it that's the

780

00:30:10,389 --> 00:30:08,480

way that they get away with it when it

781

00:30:11,950 --> 00:30:10,399

and it's

782

00:30:13,990 --> 00:30:11,960

it's really a genius

783

00:30:16,470 --> 00:30:14,000

[Music]

784

00:30:17,909 --> 00:30:16,480

the techniques that they have used

785

00:30:20,070 --> 00:30:17,919

in that regard

786

00:30:21,909 --> 00:30:20,080

because it's it's everywhere

787

00:30:23,110 --> 00:30:21,919

it's in our tv shows it's in our movies

788

00:30:24,630 --> 00:30:23,120

it's in our

789

00:30:27,590 --> 00:30:24,640

uh it's in the media it's on the

790

00:30:30,789 --> 00:30:27,600

computer it's it's on uh facebook it's

791

00:30:33,590 --> 00:30:30,799

on instagram it's everywhere

792

00:30:37,190 --> 00:30:33,600

right in bringing the awareness and

793

00:30:40,070 --> 00:30:37,200

even things that you don't think

794

00:30:43,190 --> 00:30:40,080

are there to program you and and uh

795

00:30:45,040 --> 00:30:43,200

manipulate you are actually there to

796

00:30:46,470 --> 00:30:45,050

program you and manipulate you

797

00:30:47,909 --> 00:30:46,480

[Music]

798

00:30:49,269 --> 00:30:47,919

it's unbelievable

799

00:30:51,909 --> 00:30:49,279

and

800

00:30:54,549 --> 00:30:51,919

it's very difficult

801
00:30:57,110 --> 00:30:54,559
to recognize

802
00:31:00,230 --> 00:30:57,120
uh those different aspects of it and you

803
00:31:01,269 --> 00:31:00,240
have to bring your your awareness uh

804
00:31:02,830 --> 00:31:01,279
fully

805
00:31:04,470 --> 00:31:02,840
to it and

806
00:31:05,990 --> 00:31:04,480
recognize um

807
00:31:09,110 --> 00:31:06,000
what's been happening and don't just

808
00:31:09,909 --> 00:31:09,120
stop at one thing you know keep going

809
00:31:15,590 --> 00:31:09,919
keep

810
00:31:18,789 --> 00:31:15,600
that that rabbit hole and because you're

811
00:31:21,190 --> 00:31:18,799
going to uncover so many things you know

812
00:31:22,789 --> 00:31:21,200
but then it's also important

813
00:31:24,389 --> 00:31:22,799

not to get

814

00:31:25,590 --> 00:31:24,399

overwhelmed

815

00:31:28,070 --> 00:31:25,600

with it

816

00:31:29,669 --> 00:31:28,080

you know because a lot of the corruption

817

00:31:33,190 --> 00:31:29,679

and a lot of the

818

00:31:34,630 --> 00:31:33,200

things that the government has been uh

819

00:31:36,230 --> 00:31:34,640

doing to us and our three letter

820

00:31:38,789 --> 00:31:36,240

agencies and the

821

00:31:41,190 --> 00:31:38,799

military and uh and a lot of that can

822

00:31:44,470 --> 00:31:41,200

get very disheartening and very

823

00:31:47,029 --> 00:31:44,480

overwhelming making it to where

824

00:31:50,310 --> 00:31:47,039

there's nothing that we can do

825

00:31:52,070 --> 00:31:50,320

and that's so far from the truth ryan we

826
00:31:53,509 --> 00:31:52,080
are very powerful we can make a

827
00:31:55,830 --> 00:31:53,519
difference and whenever we heal

828
00:31:57,350 --> 00:31:55,840
ourselves this is what i try and explain

829
00:31:59,350 --> 00:31:57,360
to a lot of people whenever they think

830
00:32:00,870 --> 00:31:59,360
that they're not big enough to to make a

831
00:32:02,389 --> 00:32:00,880
difference

832
00:32:03,590 --> 00:32:02,399
right you really are

833
00:32:05,509 --> 00:32:03,600
you you

834
00:32:07,909 --> 00:32:05,519
you're you're an individual and you're a

835
00:32:09,190 --> 00:32:07,919
part of this collective

836
00:32:11,110 --> 00:32:09,200
right so

837
00:32:12,710 --> 00:32:11,120
whenever you heal yourself whenever you

838
00:32:14,470 --> 00:32:12,720

do the right thing whenever you stand

839

00:32:17,269 --> 00:32:14,480

with integrity whenever you stand with

840

00:32:22,310 --> 00:32:19,430

then you are healing

841

00:32:24,789 --> 00:32:22,320

the collective as well

842

00:32:27,509 --> 00:32:24,799

right and that little ripple effect that

843

00:32:29,669 --> 00:32:27,519

that you're making by healing yourself

844

00:32:31,110 --> 00:32:29,679

is going to go out into the ether and

845

00:32:32,789 --> 00:32:31,120

it's going to

846

00:32:35,110 --> 00:32:32,799

to ripple

847

00:32:37,190 --> 00:32:35,120

and it's going to affect other people

848

00:32:39,669 --> 00:32:37,200

right it's just like the fear and the

849

00:32:41,990 --> 00:32:39,679

negativity and all the that's

850

00:32:44,870 --> 00:32:42,000

happening right now

851
00:32:46,789 --> 00:32:44,880
that's very contagious fear is the most

852
00:32:49,750 --> 00:32:46,799
uh easily

853
00:32:52,389 --> 00:32:49,760
contagious thing on the planet

854
00:32:54,710 --> 00:32:52,399
because fear is so easy to get people

855
00:32:56,389 --> 00:32:54,720
into a state of fear

856
00:32:58,870 --> 00:32:56,399
right and once you're into a state of

857
00:33:02,070 --> 00:32:58,880
fear you're affecting everyone around

858
00:33:03,509 --> 00:33:02,080
you energy is very easily transferable

859
00:33:04,630 --> 00:33:03,519
right i know you know this and i know a

860
00:33:05,990 --> 00:33:04,640
lot of people

861
00:33:09,029 --> 00:33:06,000
are

862
00:33:10,950 --> 00:33:09,039
listening to this know this too

863
00:33:14,230 --> 00:33:10,960

you know if i if i came on this show

864

00:33:19,669 --> 00:33:17,830

hey ryan yeah i'm i'm having a

865

00:33:20,950 --> 00:33:19,679

happy to be here you know you know what

866

00:33:23,269 --> 00:33:20,960

i mean like people are going to be like

867

00:33:24,870 --> 00:33:23,279

what is going on with them right you

868

00:33:26,710 --> 00:33:24,880

know they're going to be like

869

00:33:28,310 --> 00:33:26,720

oh i don't want to listen to this guy

870

00:33:30,149 --> 00:33:28,320

what is he talking about he doesn't

871

00:33:31,990 --> 00:33:30,159

sound like he he has any kind of

872

00:33:33,350 --> 00:33:32,000

confidence or knows anything about

873

00:33:35,029 --> 00:33:33,360

anything

874

00:33:36,630 --> 00:33:35,039

you know but if i come on here i'm like

875

00:33:38,230 --> 00:33:36,640

yo what's up brian let's do this thing

876

00:33:39,669 --> 00:33:38,240

we're gonna have a good time today it's

877

00:33:41,669 --> 00:33:39,679

gonna be awesome

878

00:33:44,310 --> 00:33:41,679

you know just just the words that you

879

00:33:47,029 --> 00:33:44,320

say and the energy that you put off

880

00:33:51,350 --> 00:33:47,039

creates a difference right so we can do

881

00:33:55,590 --> 00:33:51,360

that with with love compassion hope

882

00:33:58,310 --> 00:33:55,600

it is very easily transferable too

883

00:34:01,110 --> 00:33:58,320

just like the negative side is

884

00:34:03,269 --> 00:34:01,120

so when we stand in that and whenever we

885

00:34:07,430 --> 00:34:03,279

we heal ourselves and we heal our

886

00:34:08,470 --> 00:34:07,440

traumas and we take care of ourselves

887

00:34:10,710 --> 00:34:08,480

we are

888

00:34:13,430 --> 00:34:10,720

we're also healing the people and

889

00:34:16,790 --> 00:34:13,440

showing people how to live that are

890

00:34:17,589 --> 00:34:16,800

around us in our field

891

00:34:19,349 --> 00:34:17,599

you know

892

00:34:25,669 --> 00:34:19,359

be

893

00:34:27,030 --> 00:34:25,679

stand with integrity

894

00:34:28,230 --> 00:34:27,040

when you say you're going to do

895

00:34:29,430 --> 00:34:28,240

something

896

00:34:33,589 --> 00:34:29,440

you do it

897

00:34:40,230 --> 00:34:36,310

it's word important man

898

00:34:43,109 --> 00:34:40,240

powerful stuff so important and it's

899

00:34:45,909 --> 00:34:43,119

it's so it's so scary the symbolism and

900

00:34:49,270 --> 00:34:45,919

the programming i i really don't watch

901
00:34:51,349 --> 00:34:49,280
television and when i do it's almost

902
00:34:53,109 --> 00:34:51,359
i'll do it for like maybe five minutes

903
00:34:54,629 --> 00:34:53,119
like something large will happen in the

904
00:34:56,470 --> 00:34:54,639
world and

905
00:34:59,270 --> 00:34:56,480
i'll turn on the tv

906
00:35:01,030 --> 00:34:59,280
just kind of as a reinforcement of and

907
00:35:03,430 --> 00:35:01,040
and you know i'll change multiple

908
00:35:05,670 --> 00:35:03,440
channels to see what what each channel

909
00:35:07,349 --> 00:35:05,680
is saying because these channels are

910
00:35:08,950 --> 00:35:07,359
they're exactly that they're channeling

911
00:35:09,910 --> 00:35:08,960
different information

912
00:35:12,950 --> 00:35:09,920
and

913
00:35:14,790 --> 00:35:12,960

you it's surprisingly reinforcing you

914

00:35:17,829 --> 00:35:14,800

know to do that to just kind of dip your

915

00:35:19,670 --> 00:35:17,839

toe into that pool of disinformation and

916

00:35:21,829 --> 00:35:19,680

and i'll turn it on for five minutes and

917

00:35:24,230 --> 00:35:21,839

i'll just be like oh this is strangely

918

00:35:26,550 --> 00:35:24,240

all the symbolism i thought it was and

919

00:35:29,750 --> 00:35:26,560

it reinforces what you said

920

00:35:32,150 --> 00:35:29,760

and uh this this symbol this

921

00:35:33,670 --> 00:35:32,160

the symbolism and the way that the

922

00:35:36,950 --> 00:35:33,680

population

923

00:35:39,430 --> 00:35:36,960

is basically programmed through i guess

924

00:35:41,349 --> 00:35:39,440

the mass media and unfortunately

925

00:35:43,349 --> 00:35:41,359

the mass media was you know i'm a

926
00:35:45,430 --> 00:35:43,359
communications major and i remember

927
00:35:46,790 --> 00:35:45,440
studying the hypodermic needle effect is

928
00:35:49,589 --> 00:35:46,800
what they called it

929
00:35:51,349 --> 00:35:49,599
in college which was basically we can

930
00:35:53,910 --> 00:35:51,359
inject whatever we want into the

931
00:35:56,069 --> 00:35:53,920
populace and have widespread

932
00:35:59,190 --> 00:35:56,079
kind of uh effects

933
00:36:03,190 --> 00:35:59,200
and it it is very interesting that

934
00:36:05,270 --> 00:36:03,200
people don't rely on their gut rely on

935
00:36:08,630 --> 00:36:05,280
themselves for a lot of this information

936
00:36:11,589 --> 00:36:08,640
they have to lean on these talking heads

937
00:36:14,150 --> 00:36:11,599
that may just not have your best

938
00:36:15,510 --> 00:36:14,160

interest in mind

939

00:36:17,270 --> 00:36:15,520

because they

940

00:36:19,030 --> 00:36:17,280

they do that through trauma right they

941

00:36:21,670 --> 00:36:19,040

figure that out through the mk ultra

942

00:36:22,710 --> 00:36:21,680

mind control right they figured out that

943

00:36:25,109 --> 00:36:22,720

that

944

00:36:28,710 --> 00:36:25,119

if they can traumatize somebody and

945

00:36:31,750 --> 00:36:28,720

split and fracture their brain they can

946

00:36:33,910 --> 00:36:31,760

then go in and supplant whatever they

947

00:36:36,550 --> 00:36:33,920

want inside of that

948

00:36:38,470 --> 00:36:36,560

uh fracture that they created

949

00:36:41,349 --> 00:36:38,480

right and that was on an individual

950

00:36:43,270 --> 00:36:41,359

basis i think don't quote me i'm not 100

951
00:36:45,109 --> 00:36:43,280
sure but i think that that was in the

952
00:36:47,030 --> 00:36:45,119
60s it was either in the 60s or 70s

953
00:36:48,710 --> 00:36:47,040
whenever that program first started and

954
00:36:50,630 --> 00:36:48,720
it might have been earlier i'm not too

955
00:36:51,990 --> 00:36:50,640
good with uh with dates and stuff and

956
00:36:52,829 --> 00:36:52,000
i'm just going off the top of my head

957
00:36:54,390 --> 00:36:52,839
here

958
00:36:56,230 --> 00:36:54,400
but

959
00:36:58,870 --> 00:36:56,240
then once they figured out that they

960
00:37:00,230 --> 00:36:58,880
could do that on an individual basis

961
00:37:01,750 --> 00:37:00,240
they were like

962
00:37:03,990 --> 00:37:01,760
okay perfect

963
00:37:05,829 --> 00:37:04,000

now we're going to expand

964

00:37:08,470 --> 00:37:05,839

right now we're going to do that on a

965

00:37:11,030 --> 00:37:08,480

collective level

966

00:37:12,790 --> 00:37:11,040

right and they've been doing that

967

00:37:14,630 --> 00:37:12,800

ever since

968

00:37:16,150 --> 00:37:14,640

i mean if you think about it

969

00:37:17,760 --> 00:37:16,160

um

970

00:37:18,870 --> 00:37:17,770

look at 911

971

00:37:19,670 --> 00:37:18,880

[Music]

972

00:37:22,230 --> 00:37:19,680

okay

973

00:37:27,109 --> 00:37:22,240

whether you think uh whatever about 9 11

974

00:37:30,230 --> 00:37:27,119

it it doesn't matter it was a mass

975

00:37:31,829 --> 00:37:30,240

traumatizing event

976

00:37:33,990 --> 00:37:31,839

absolutely right and that's exactly

977

00:37:36,630 --> 00:37:34,000

what's happening now and whenever they

978

00:37:40,150 --> 00:37:36,640

traumatize people they can literally put

979

00:37:43,589 --> 00:37:40,160

a word or a phrase or a vision or

980

00:37:44,630 --> 00:37:43,599

whatever it is into the consciousness of

981

00:37:46,390 --> 00:37:44,640

of

982

00:37:49,109 --> 00:37:46,400

everyone on the planet through

983

00:37:51,030 --> 00:37:49,119

repetition

984

00:37:52,790 --> 00:37:51,040

right and how long

985

00:37:56,870 --> 00:37:52,800

did we see

986

00:37:59,430 --> 00:37:56,880

uh the events of 9 11 after 9 11. we're

987

00:38:00,790 --> 00:37:59,440

still seeing it today every freaking

988

00:38:02,710 --> 00:38:00,800

year

989

00:38:04,790 --> 00:38:02,720

on september 11th

990

00:38:07,510 --> 00:38:04,800

every anniversary

991

00:38:10,310 --> 00:38:07,520

we see a documentary we see something on

992

00:38:12,230 --> 00:38:10,320

the news and it's been supplanted there

993

00:38:13,990 --> 00:38:12,240

and what's the

994

00:38:16,550 --> 00:38:14,000

what's the tagline

995

00:38:17,589 --> 00:38:16,560

uh after 9 11

996

00:38:19,109 --> 00:38:17,599

do you know

997

00:38:21,750 --> 00:38:19,119

do you remember what it is ryan what the

998

00:38:23,190 --> 00:38:21,760

tagline is never forget

999

00:38:24,150 --> 00:38:23,200

exactly

1000

00:38:26,230 --> 00:38:24,160

never

1001
00:38:27,510 --> 00:38:26,240
forget

1002
00:38:29,829 --> 00:38:27,520
and that's what

1003
00:38:32,069 --> 00:38:29,839
they have put into

1004
00:38:33,270 --> 00:38:32,079
the mass consciousness of the people and

1005
00:38:35,270 --> 00:38:33,280
they've also

1006
00:38:39,270 --> 00:38:35,280
planted a lot of other things there

1007
00:38:40,870 --> 00:38:39,280
they've planted fear negativity um

1008
00:38:43,670 --> 00:38:40,880
and they've let

1009
00:38:46,230 --> 00:38:43,680
other things roll out that we are still

1010
00:38:49,750 --> 00:38:46,240
in the process of doing to this day that

1011
00:38:51,270 --> 00:38:49,760
was a direct result of 9 11

1012
00:38:53,349 --> 00:38:51,280
the patriot act

1013
00:38:55,030 --> 00:38:53,359

the taking your shoes off before you get

1014

00:38:56,470 --> 00:38:55,040

on the plane

1015

00:38:58,710 --> 00:38:56,480

all of these different things we are

1016

00:39:01,349 --> 00:38:58,720

still living out to this day because of

1017

00:39:04,310 --> 00:39:01,359

the events of 9 11

1018

00:39:07,270 --> 00:39:04,320

and they have also supplanted uh words

1019

00:39:09,190 --> 00:39:07,280

like terrorism

1020

00:39:12,630 --> 00:39:09,200

right and then

1021

00:39:15,270 --> 00:39:12,640

because after 9 11 every single event

1022

00:39:16,950 --> 00:39:15,280

that happened whether it was planned

1023

00:39:18,950 --> 00:39:16,960

orchestrated whatever it doesn't matter

1024

00:39:21,190 --> 00:39:18,960

again

1025

00:39:22,710 --> 00:39:21,200

they label as a terrorist act because

1026
00:39:25,990 --> 00:39:22,720
whenever they

1027
00:39:27,750 --> 00:39:26,000
throw up the word terrorism

1028
00:39:29,190 --> 00:39:27,760
on the tv

1029
00:39:32,870 --> 00:39:29,200
that gets people

1030
00:39:35,910 --> 00:39:32,880
automatically triggered back to 2001

1031
00:39:39,190 --> 00:39:35,920
whenever the planes flew into the towers

1032
00:39:40,870 --> 00:39:39,200
and they associate that event with the

1033
00:39:42,950 --> 00:39:40,880
event that's happening right now whether

1034
00:39:44,790 --> 00:39:42,960
that's a mass bang bang a bombing

1035
00:39:47,349 --> 00:39:44,800
whatever it is

1036
00:39:49,349 --> 00:39:47,359
they just automatically leave label

1037
00:39:51,109 --> 00:39:49,359
a terrorist event because they know that

1038
00:39:52,630 --> 00:39:51,119

that's the trigger and they know that

1039

00:39:56,069 --> 00:39:52,640

that's what's going to get people

1040

00:39:58,310 --> 00:39:56,079

thinking about uh 911 whether they're

1041

00:39:59,910 --> 00:39:58,320

aware of it consciously or if it's

1042

00:40:02,150 --> 00:39:59,920

subconsciously

1043

00:40:04,550 --> 00:40:02,160

doesn't matter it is getting people

1044

00:40:06,790 --> 00:40:04,560

triggered right back in to the events of

1045

00:40:08,390 --> 00:40:06,800

911 and that's the way that it's done

1046

00:40:11,030 --> 00:40:08,400

and that's exactly what's going to be

1047

00:40:12,390 --> 00:40:11,040

happening right now yes it's just

1048

00:40:14,470 --> 00:40:12,400

another

1049

00:40:16,630 --> 00:40:14,480

it's the same plan

1050

00:40:17,430 --> 00:40:16,640

ryan

1051
00:40:20,069 --> 00:40:17,440
with

1052
00:40:21,910 --> 00:40:20,079
a little bit of a spin on it

1053
00:40:25,510 --> 00:40:21,920
now

1054
00:40:26,870 --> 00:40:25,520
before it was an enemy outside of us

1055
00:40:29,430 --> 00:40:26,880
right right

1056
00:40:31,670 --> 00:40:29,440
the terrorist stuff with 9 11 and going

1057
00:40:32,550 --> 00:40:31,680
to war and everything

1058
00:40:34,550 --> 00:40:32,560
now

1059
00:40:35,589 --> 00:40:34,560
they've flipped the script

1060
00:40:36,390 --> 00:40:35,599
now

1061
00:40:38,550 --> 00:40:36,400
we

1062
00:40:40,550 --> 00:40:38,560
are the enemy

1063
00:40:43,109 --> 00:40:40,560

your neighbor is the enemy your friend

1064

00:40:44,950 --> 00:40:43,119

down the street is the enemy your family

1065

00:40:46,309 --> 00:40:44,960

is the enemy

1066

00:40:49,910 --> 00:40:46,319

yeah

1067

00:40:53,109 --> 00:40:49,920

they're going to keep

1068

00:40:54,870 --> 00:40:53,119

doing this

1069

00:40:56,710 --> 00:40:54,880

until uh

1070

00:40:59,750 --> 00:40:56,720

until something happens

1071

00:41:01,910 --> 00:40:59,760

and that's just my uh

1072

00:41:04,069 --> 00:41:01,920

because i'm working off of the past and

1073

00:41:05,829 --> 00:41:04,079

what they've shown in the past and what

1074

00:41:07,589 --> 00:41:05,839

they've done in the past because again

1075

00:41:09,349 --> 00:41:07,599

it's the same script

1076

00:41:11,349 --> 00:41:09,359

with a different just a different

1077

00:41:12,950 --> 00:41:11,359

version

1078

00:41:15,190 --> 00:41:12,960

right and they're going to keep pounding

1079

00:41:15,990 --> 00:41:15,200

us and keep hitting us and keep kicking

1080

00:41:17,670 --> 00:41:16,000

us

1081

00:41:18,790 --> 00:41:17,680

while we're down

1082

00:41:20,710 --> 00:41:18,800

until

1083

00:41:22,550 --> 00:41:20,720

uh

1084

00:41:23,910 --> 00:41:22,560

until something happens and i don't know

1085

00:41:25,670 --> 00:41:23,920

what that thing

1086

00:41:27,030 --> 00:41:25,680

is going to be i think we only have a

1087

00:41:29,190 --> 00:41:27,040

few

1088

00:41:32,950 --> 00:41:29,200

different routes that we can go with

1089

00:41:34,710 --> 00:41:32,960

this uh with this whole situation and i

1090

00:41:36,309 --> 00:41:34,720

really hope that it's it's for the

1091

00:41:37,829 --> 00:41:36,319

positive and it's not

1092

00:41:39,990 --> 00:41:37,839

for the negative but

1093

00:41:42,309 --> 00:41:40,000

i just talk about these things because i

1094

00:41:44,230 --> 00:41:42,319

think that it's that it's a very that is

1095

00:41:45,829 --> 00:41:44,240

very important

1096

00:41:48,550 --> 00:41:45,839

for people to recognize

1097

00:41:50,870 --> 00:41:48,560

uh what's going on and and that it's the

1098

00:41:52,390 --> 00:41:50,880

same exact script that's been played for

1099

00:41:53,990 --> 00:41:52,400

decades now

1100

00:41:57,910 --> 00:41:54,000

absolutely man

1101

00:42:00,390 --> 00:41:57,920

and it's so it's so true it it is very

1102

00:42:02,390 --> 00:42:00,400

interesting how i i agree with you that

1103

00:42:04,309 --> 00:42:02,400

we do hold more power than we think we

1104

00:42:07,670 --> 00:42:04,319

hold because

1105

00:42:09,829 --> 00:42:07,680

it it seems like a blanket authority net

1106

00:42:12,150 --> 00:42:09,839

that's thrown over us yet

1107

00:42:13,910 --> 00:42:12,160

i i love the example of having to take

1108

00:42:16,390 --> 00:42:13,920

your shoes off since 9 11. i mean that

1109

00:42:18,630 --> 00:42:16,400

was a fearful event and i remember when

1110

00:42:20,950 --> 00:42:18,640

they i'm old i'm dating myself here but

1111

00:42:23,109 --> 00:42:20,960

when i first had to take my shoes off to

1112

00:42:24,870 --> 00:42:23,119

go onto a plane this was a traumatic

1113

00:42:27,750 --> 00:42:24,880

experience and now we just do it like

1114

00:42:29,510 --> 00:42:27,760

blindly we just we you know like sheep

1115

00:42:31,030 --> 00:42:29,520

we just do it automatically and just

1116

00:42:33,190 --> 00:42:31,040

assume that this is what to do whether

1117

00:42:35,910 --> 00:42:33,200

we're told so or not

1118

00:42:37,430 --> 00:42:35,920

and um but on the other hand other

1119

00:42:39,750 --> 00:42:37,440

things have changed too

1120

00:42:41,589 --> 00:42:39,760

for example you know or oriental

1121

00:42:43,270 --> 00:42:41,599

medicine acupuncture things of that

1122

00:42:46,470 --> 00:42:43,280

nature that are more homeopathic and

1123

00:42:48,710 --> 00:42:46,480

used to be laughed at are now covered by

1124

00:42:50,309 --> 00:42:48,720

most insurances so

1125

00:42:52,390 --> 00:42:50,319

people have to take this to heart and

1126
00:42:55,190 --> 00:42:52,400
just remember like the same fear-based

1127
00:42:57,109 --> 00:42:55,200
thing that's being thrown at us

1128
00:42:59,750 --> 00:42:57,119
if you resist

1129
00:43:01,990 --> 00:42:59,760
other good things can come from that

1130
00:43:04,870 --> 00:43:02,000
and you can keep those coming and

1131
00:43:06,470 --> 00:43:04,880
multiply those and it's exponential and

1132
00:43:08,150 --> 00:43:06,480
i i think that you

1133
00:43:11,670 --> 00:43:08,160
are totally

1134
00:43:13,190 --> 00:43:11,680
totally hitting on so many points

1135
00:43:15,270 --> 00:43:13,200
saying that well

1136
00:43:18,069 --> 00:43:15,280
you know as we wrap up writer you have a

1137
00:43:20,150 --> 00:43:18,079
lot going on online and otherwise

1138
00:43:24,950 --> 00:43:20,160

uh where can listeners support your

1139

00:43:29,670 --> 00:43:27,589

uh really quick i just want to uh

1140

00:43:31,109 --> 00:43:29,680

say something really quick for sure

1141

00:43:34,550 --> 00:43:31,119

it was like what you were talking about

1142

00:43:37,109 --> 00:43:34,560

with with turning off the tv right

1143

00:43:39,190 --> 00:43:37,119

that's an amazing technique and it's so

1144

00:43:41,430 --> 00:43:39,200

true and it sounds like that it's

1145

00:43:43,990 --> 00:43:41,440

something very easy to do

1146

00:43:45,750 --> 00:43:44,000

to not watch the news not get pulled

1147

00:43:47,829 --> 00:43:45,760

into the propaganda but

1148

00:43:50,390 --> 00:43:47,839

honestly it's not even just the news

1149

00:43:54,230 --> 00:43:50,400

it's our it's our phones right because

1150

00:43:57,349 --> 00:43:54,240

the media has has taken over uh our

1151

00:44:00,550 --> 00:43:57,359

social media too it's it's

1152

00:44:04,390 --> 00:44:00,560

our phones are basically the news for

1153

00:44:06,550 --> 00:44:04,400

uh the younger generation that's where

1154

00:44:08,790 --> 00:44:06,560

a lot of people a lot of kids and a lot

1155

00:44:09,670 --> 00:44:08,800

of younger people get their information

1156

00:44:11,670 --> 00:44:09,680

from

1157

00:44:14,470 --> 00:44:11,680

is is social media and people posting

1158

00:44:16,309 --> 00:44:14,480

and articles and blogs and all this i

1159

00:44:17,990 --> 00:44:16,319

mean you can look at youtube basically

1160

00:44:20,069 --> 00:44:18,000

the mainstream media has completely

1161

00:44:22,710 --> 00:44:20,079

taken over youtube youtube used to be a

1162

00:44:24,630 --> 00:44:22,720

place where people could go to find uh

1163

00:44:26,390 --> 00:44:24,640

alternative information and it's not

1164

00:44:27,109 --> 00:44:26,400

like that anymore

1165

00:44:29,750 --> 00:44:27,119

no

1166

00:44:31,910 --> 00:44:29,760

it's very upsetting but

1167

00:44:33,589 --> 00:44:31,920

the best way that i

1168

00:44:35,750 --> 00:44:33,599

can explain this is

1169

00:44:38,950 --> 00:44:35,760

that the media

1170

00:44:41,190 --> 00:44:38,960

the news the tv period

1171

00:44:42,550 --> 00:44:41,200

is to get you

1172

00:44:44,309 --> 00:44:42,560

locked in

1173

00:44:47,510 --> 00:44:44,319

to

1174

00:44:49,270 --> 00:44:47,520

a version of reality that's been created

1175

00:44:50,390 --> 00:44:49,280

for you

1176
00:44:53,270 --> 00:44:50,400
that they

1177
00:44:54,870 --> 00:44:53,280
want you to be a part of

1178
00:44:57,990 --> 00:44:54,880
right and

1179
00:45:00,630 --> 00:44:58,000
if you're not careful

1180
00:45:02,309 --> 00:45:00,640
and and you're not creating your own

1181
00:45:04,390 --> 00:45:02,319
reality and you're not questioning

1182
00:45:05,410 --> 00:45:04,400
things and you're

1183
00:45:08,309 --> 00:45:05,420
not

1184
00:45:10,150 --> 00:45:08,319
[Music]

1185
00:45:12,950 --> 00:45:10,160
standing in your own

1186
00:45:14,150 --> 00:45:12,960
power and you're not

1187
00:45:15,990 --> 00:45:14,160
thinking of

1188
00:45:18,390 --> 00:45:16,000

other ulterior

1189

00:45:20,790 --> 00:45:18,400

alternate things then

1190

00:45:22,710 --> 00:45:20,800

you are going to get sucked into that

1191

00:45:24,870 --> 00:45:22,720

reality

1192

00:45:27,030 --> 00:45:24,880

and

1193

00:45:29,349 --> 00:45:27,040

i think that this is the way a lot of a

1194

00:45:32,390 --> 00:45:29,359

lot of it is ran

1195

00:45:35,910 --> 00:45:32,400

is off perception right

1196

00:45:41,910 --> 00:45:39,030

a certain percentage of people

1197

00:45:44,630 --> 00:45:41,920

that something is happening

1198

00:45:47,190 --> 00:45:44,640

it doesn't matter

1199

00:45:51,109 --> 00:45:47,200

if the event is actually

1200

00:45:55,349 --> 00:45:51,119

happening or not or is real or false

1201
00:45:59,270 --> 00:45:55,359
as long as a select number of people

1202
00:46:03,270 --> 00:46:01,670
epic and i really want people to take

1203
00:46:04,710 --> 00:46:03,280
that and

1204
00:46:06,470 --> 00:46:04,720
really really

1205
00:46:08,550 --> 00:46:06,480
think about it

1206
00:46:10,790 --> 00:46:08,560
that's probably

1207
00:46:14,150 --> 00:46:10,800
the most important thing uh that i've

1208
00:46:16,470 --> 00:46:14,160
said on this show mm-hmm

1209
00:46:19,030 --> 00:46:16,480
is that it doesn't matter again one more

1210
00:46:23,430 --> 00:46:19,040
time it doesn't matter

1211
00:46:26,470 --> 00:46:23,440
if something is real or not

1212
00:46:31,510 --> 00:46:26,480
as long as the masses and the and the

1213
00:46:35,270 --> 00:46:33,349

and i think that that's the fundamental

1214

00:46:38,069 --> 00:46:35,280

basis of our reality

1215

00:46:40,630 --> 00:46:38,079

so you can uh subscribe to my youtube

1216

00:46:43,190 --> 00:46:40,640

channel raised by giants um

1217

00:46:43,990 --> 00:46:43,200

i bring on a guest once a week normally

1218

00:46:46,150 --> 00:46:44,000

on

1219

00:46:48,550 --> 00:46:46,160

tuesdays at

1220

00:46:49,750 --> 00:46:48,560

6 00 p.m but here recently i've

1221

00:46:52,230 --> 00:46:49,760

uh

1222

00:46:55,430 --> 00:46:52,240

it's been a little bit of a mess

1223

00:46:56,950 --> 00:46:55,440

because i've been working a lot and

1224

00:46:58,950 --> 00:46:56,960

i've been releasing them sometimes on

1225

00:47:01,990 --> 00:46:58,960

different days so the best way that you

1226

00:47:03,430 --> 00:47:02,000

can catch my show is uh subscribe

1227

00:47:05,589 --> 00:47:03,440

on my youtube channel and click that

1228

00:47:06,870 --> 00:47:05,599

little bell icon because sometimes i

1229

00:47:09,510 --> 00:47:06,880

here recently i've been releasing them

1230

00:47:11,270 --> 00:47:09,520

on thursdays and tuesdays and it's kind

1231

00:47:12,230 --> 00:47:11,280

of just been all over the place right

1232

00:47:15,109 --> 00:47:12,240

now

1233

00:47:17,430 --> 00:47:15,119

but um and you can also look up uh

1234

00:47:20,150 --> 00:47:17,440

raised by giants on spotify iheartradio

1235

00:47:23,430 --> 00:47:20,160

google podcast and then you can also um

1236

00:47:24,630 --> 00:47:23,440

subscribe on odyssey as just kind of

1237

00:47:27,349 --> 00:47:24,640

like a uh

1238

00:47:28,470 --> 00:47:27,359

a backup channel in case uh something

1239

00:47:29,829 --> 00:47:28,480

happens

1240

00:47:31,430 --> 00:47:29,839

to youtube

1241

00:47:34,230 --> 00:47:31,440

and you can uh

1242

00:47:37,589 --> 00:47:34,240

follow uh raised by giants on instagram

1243

00:47:39,589 --> 00:47:37,599

at raise by giants pod i try and post

1244

00:47:42,150 --> 00:47:39,599

stuff there uh throughout the week

1245

00:47:43,670 --> 00:47:42,160

little clips of my shows and

1246

00:47:45,829 --> 00:47:43,680

and things um

1247

00:47:47,510 --> 00:47:45,839

that's about it brother uh thank you so

1248

00:47:49,109 --> 00:47:47,520

much for having me on i really enjoyed

1249

00:47:51,030 --> 00:47:49,119

it i had a a

1250

00:47:52,870 --> 00:47:51,040

a great time talking with you here today

1251

00:47:55,190 --> 00:47:52,880

even though it's super early and my

1252

00:47:57,510 --> 00:47:55,200

brain probably isn't

1253

00:47:58,790 --> 00:47:57,520

firing on all cylinders i think it went

1254

00:48:00,630 --> 00:47:58,800

well thank you

1255

00:48:02,630 --> 00:48:00,640

yeah you're killing it man you're you're

1256

00:48:05,349 --> 00:48:02,640

bringing a spiritual awakening to the

1257

00:48:07,510 --> 00:48:05,359

masses and many thanks for coming on the

1258

00:48:08,950 --> 00:48:07,520

podcast today you have a very important

1259

00:48:10,790 --> 00:48:08,960

message i believe

1260

00:48:13,349 --> 00:48:10,800

all open-minded people should take to

1261

00:48:15,349 --> 00:48:13,359

heart i i wish you the very best in your

1262

00:48:16,630 --> 00:48:15,359

endeavors writer and hope to keep up

1263

00:48:18,950 --> 00:48:16,640

with you and hopefully have you on the

1264

00:48:21,030 --> 00:48:18,960

podcast again

1265

00:48:22,710 --> 00:48:21,040

awesome thank you so much man i i really

1266

00:48:23,750 --> 00:48:22,720

appreciate you and the and the work that

1267

00:48:26,470 --> 00:48:23,760

you're doing

1268

00:48:28,309 --> 00:48:26,480

right on take care my friend talk soon

1269

00:48:31,430 --> 00:48:28,319

well there you have it ladies and

1270

00:48:33,990 --> 00:48:31,440

gentlemen spiritual warfare is the game

1271

00:48:36,069 --> 00:48:34,000

and writer lee is the name bringing a

1272

00:48:38,069 --> 00:48:36,079

spiritual awakening to the masses the

1273

00:48:39,030 --> 00:48:38,079

best way he knows how

1274

00:48:41,829 --> 00:48:39,040

and

1275

00:48:42,790 --> 00:48:41,839

communicating it in a powerful powerful

1276

00:48:44,790 --> 00:48:42,800

way

1277

00:48:46,390 --> 00:48:44,800

sometimes the very interaction of

1278

00:48:47,910 --> 00:48:46,400

communication

1279

00:48:49,990 --> 00:48:47,920

is something that people close

1280

00:48:53,910 --> 00:48:50,000

themselves off to they rather fire up

1281

00:48:56,870 --> 00:48:53,920

their tvs and bask in its warm glow

1282

00:48:59,430 --> 00:48:56,880

however i think that uh taking part in

1283

00:49:00,790 --> 00:48:59,440

conversations with ryder

1284

00:49:03,270 --> 00:49:00,800

this is uh

1285

00:49:05,589 --> 00:49:03,280

this is a lot bigger than all of us and

1286

00:49:08,069 --> 00:49:05,599

yet the answers are within us all so

1287

00:49:10,549 --> 00:49:08,079

let's be understanding of one another

1288

00:49:12,390 --> 00:49:10,559

not close ourselves off to source

1289

00:49:15,190 --> 00:49:12,400

and not close ourselves off to one

1290

00:49:17,910 --> 00:49:15,200

another because divisiveness and keeping

1291

00:49:19,829 --> 00:49:17,920

us separated into different camps

1292

00:49:21,990 --> 00:49:19,839

is one of the only tools that the

1293

00:49:23,349 --> 00:49:22,000

nefarious elite have

1294

00:49:24,790 --> 00:49:23,359

in an effort

1295

00:49:25,750 --> 00:49:24,800

to squash

1296

00:49:26,470 --> 00:49:25,760

us

1297

00:49:28,390 --> 00:49:26,480

so

1298

00:49:29,510 --> 00:49:28,400

that should make us question the very

1299

00:49:31,990 --> 00:49:29,520

motives

1300

00:49:33,030 --> 00:49:32,000

and the empathy or compassion lack

1301

00:49:35,030 --> 00:49:33,040

thereof

1302

00:49:37,270 --> 00:49:35,040

for those that rule questioning our

1303

00:49:38,870 --> 00:49:37,280

reality as we know it may just be the

1304

00:49:41,190 --> 00:49:38,880

thing we need in these times of

1305

00:49:43,190 --> 00:49:41,200

corruption and propaganda

1306

00:49:45,270 --> 00:49:43,200

expanding our consciousness will open a

1307

00:49:47,349 --> 00:49:45,280

metaphysical tool chest to help us

1308

00:49:49,510 --> 00:49:47,359

become better equipped

1309

00:49:52,710 --> 00:49:49,520

to not only handle our troubles

1310

00:49:54,870 --> 00:49:52,720

but maybe help others handle theirs

1311

00:49:56,069 --> 00:49:54,880

until next time keep your eyes to the

1312

00:49:58,790 --> 00:49:56,079

skies

1313

00:50:09,170 --> 00:49:58,800

feet on the ground but don't forget to

1314

00:50:09,180 --> 00:50:25,430

[Music]

1315

00:50:29,910 --> 00:50:27,030

glasses off

1316

00:50:32,430 --> 00:50:29,920

come blast off in my time machine third

1317

00:50:35,130 --> 00:50:32,440

eye feeling like an
