

The Firmage Mystery

HERO

1
00:00:02,560 --> 00:00:07,610
hey

2
00:00:42,069 --> 00:00:35,800
[Music]

3
00:00:45,510 --> 00:00:42,079
blast off on another vip episode of hero

4
00:00:48,229 --> 00:00:45,520
paranormal podcast my name is ryan the

5
00:00:51,270 --> 00:00:48,239
original outlaw of the airwaves bringing

6
00:00:53,510 --> 00:00:51,280
you a crazy episode today

7
00:00:56,389 --> 00:00:53,520
broadcasting from the base of la madre

8
00:00:58,950 --> 00:00:56,399
mountain just south of area 51. i'm

9
00:01:01,430 --> 00:00:58,960
bringing it hard let's say

10
00:01:02,389 --> 00:01:01,440
that you or someone you knew

11
00:01:05,670 --> 00:01:02,399
had

12
00:01:07,350 --> 00:01:05,680
made a device that created free energy

13
00:01:09,990 --> 00:01:07,360

what's the likelihood that device would

14

00:01:12,789 --> 00:01:10,000

ever really make it to the people to the

15

00:01:14,789 --> 00:01:12,799

masses very unlikely just put yourself

16

00:01:17,510 --> 00:01:14,799

in the position of a head of state or

17

00:01:18,950 --> 00:01:17,520

someone in charge of an empire or a lot

18

00:01:20,469 --> 00:01:18,960

of empires

19

00:01:22,149 --> 00:01:20,479

and think of what you would do to keep

20

00:01:23,910 --> 00:01:22,159

this out of the reach of the public i'd

21

00:01:27,109 --> 00:01:23,920

keep it at the bottom of the ocean so

22

00:01:30,469 --> 00:01:27,119

keep this in mind as we discuss a very

23

00:01:32,149 --> 00:01:30,479

interwoven strange web of

24

00:01:33,429 --> 00:01:32,159

interestingness i'll just call it

25

00:01:36,069 --> 00:01:33,439

interestingness

26
00:01:39,670 --> 00:01:36,079
on today's episode we tackle the muddy

27
00:01:43,030 --> 00:01:39,680
waters of the history between

28
00:01:46,149 --> 00:01:43,040
well an anti-gravity device

29
00:01:47,270 --> 00:01:46,159
an alleged secret scientific lab called

30
00:01:49,910 --> 00:01:47,280
the lake

31
00:01:51,910 --> 00:01:49,920
popularized by many

32
00:01:55,190 --> 00:01:51,920
including grant cameron

33
00:01:57,749 --> 00:01:55,200
and the early associations of dr hal

34
00:01:59,030 --> 00:01:57,759
puthoff dr kit green

35
00:02:01,109 --> 00:01:59,040
joe fermig

36
00:02:03,350 --> 00:02:01,119
and others

37
00:02:05,429 --> 00:02:03,360
in the space

38
00:02:07,429 --> 00:02:05,439

mr joe firmage for those who are not

39

00:02:10,150 --> 00:02:07,439

familiar with him has been called the

40

00:02:12,550 --> 00:02:10,160

fox molder of silicon valley

41

00:02:16,550 --> 00:02:12,560

he resigned from his highly lucrative

42

00:02:18,470 --> 00:02:16,560

career so he could promote his belief

43

00:02:19,910 --> 00:02:18,480

that many of today's high-tech

44

00:02:21,750 --> 00:02:19,920

advancements

45

00:02:24,869 --> 00:02:21,760

came from aliens

46

00:02:26,470 --> 00:02:24,879

the list of examples consist of

47

00:02:27,910 --> 00:02:26,480

semiconductors

48

00:02:30,229 --> 00:02:27,920

fiber optics

49

00:02:32,790 --> 00:02:30,239

and even lasers

50

00:02:35,430 --> 00:02:32,800

mr firmage has said he was willing to

51
00:02:38,390 --> 00:02:35,440
risk his high profile career

52
00:02:41,030 --> 00:02:38,400
to study and report the fact that he

53
00:02:44,150 --> 00:02:41,040
believes many high-tech advancements

54
00:02:49,030 --> 00:02:44,160
can be traced to an alien craft

55
00:02:50,869 --> 00:02:49,040
crashing in roswell new mexico in 1947.

56
00:02:51,990 --> 00:02:50,879
firmage has stated he is under the

57
00:02:55,670 --> 00:02:52,000
impression

58
00:02:58,790 --> 00:02:55,680
the us military industrial complex

59
00:03:01,110 --> 00:02:58,800
is covering up the truth

60
00:03:04,309 --> 00:03:01,120
as if this isn't enough information for

61
00:03:07,110 --> 00:03:04,319
an entire podcast in and of itself this

62
00:03:09,190 --> 00:03:07,120
is merely the tip of the iceberg

63
00:03:11,990 --> 00:03:09,200

there has been rumors of a fully

64

00:03:13,509 --> 00:03:12,000

functioning secret laboratory known as

65

00:03:16,229 --> 00:03:13,519

the lake

66

00:03:19,190 --> 00:03:16,239

located in salt lake city utah

67

00:03:21,509 --> 00:03:19,200

where secret things happen

68

00:03:25,509 --> 00:03:21,519

one of the more notable tests involved

69

00:03:28,470 --> 00:03:25,519

what is known as the bouncing box

70

00:03:30,190 --> 00:03:28,480

this anti-gravitic device

71

00:03:32,869 --> 00:03:30,200

has been accredited with portal

72

00:03:35,030 --> 00:03:32,879

technology-like attributes

73

00:03:38,470 --> 00:03:35,040

some have speculated it is the same

74

00:03:40,630 --> 00:03:38,480

device dr stephen greer mentions

75

00:03:42,550 --> 00:03:40,640

that he has seen which will provide free

76

00:03:44,710 --> 00:03:42,560

energy

77

00:03:46,390 --> 00:03:44,720

i'm not so sure

78

00:03:48,630 --> 00:03:46,400

as if this

79

00:03:50,710 --> 00:03:48,640

possible news isn't enough to fill in

80

00:03:53,990 --> 00:03:50,720

many pieces of the puzzle known as the

81

00:03:56,869 --> 00:03:54,000

anti-gravity technology mystery

82

00:03:58,869 --> 00:03:56,879

mr firmage resigned his previous ceo

83

00:04:01,990 --> 00:03:58,879

position of a three billion dollar

84

00:04:04,390 --> 00:04:02,000

company which was responsible for much

85

00:04:07,110 --> 00:04:04,400

of the development of the internet as we

86

00:04:11,990 --> 00:04:10,390

due to a contact experience was the main

87

00:04:15,350 --> 00:04:12,000

reason he noted

88

00:04:17,670 --> 00:04:15,360

this contact experience he had

89

00:04:21,670 --> 00:04:17,680

with an intelligent non-human and

90

00:04:27,350 --> 00:04:24,150

is something that really changed his

91

00:04:31,189 --> 00:04:29,830

back to the amazing bouncing box for a

92

00:04:33,189 --> 00:04:31,199

moment

93

00:04:35,110 --> 00:04:33,199

the bouncing box

94

00:04:37,430 --> 00:04:35,120

whose videos can be found on the

95

00:04:40,150 --> 00:04:37,440

internet with a simple search of joe

96

00:04:43,990 --> 00:04:40,160

firmage and bouncing box

97

00:04:46,310 --> 00:04:44,000

is claimed to be an anti-gravity

98

00:04:48,230 --> 00:04:46,320

propulsion device

99

00:04:51,270 --> 00:04:48,240

among other things

100

00:04:53,270 --> 00:04:51,280

and works through the phenomenon of

101
00:04:55,270 --> 00:04:53,280
gyroscopic

102
00:04:57,510 --> 00:04:55,280
precession

103
00:05:00,870 --> 00:04:57,520
the claims continue

104
00:05:03,189 --> 00:05:00,880
that it is a source of zero point energy

105
00:05:05,749 --> 00:05:03,199
meaning it would need to be

106
00:05:07,510 --> 00:05:05,759
drawn from the quantum vacuum energy

107
00:05:10,550 --> 00:05:07,520
field

108
00:05:14,070 --> 00:05:10,560
it has been stated that the bouncing box

109
00:05:16,469 --> 00:05:14,080
technology can lift and propel a weight

110
00:05:18,629 --> 00:05:16,479
of 200 pounds

111
00:05:19,990 --> 00:05:18,639
there have been claims it is

112
00:05:22,469 --> 00:05:20,000
self-propelled

113
00:05:25,590 --> 00:05:22,479

and uses only the amount of energy it

114

00:05:27,749 --> 00:05:25,600

takes to power a light bulb

115

00:05:30,790 --> 00:05:27,759

i don't know about that

116

00:05:33,270 --> 00:05:30,800

some interesting background

117

00:05:35,430 --> 00:05:33,280

is that joe firmage is a descendant of

118

00:05:38,070 --> 00:05:35,440

brigham young

119

00:05:39,990 --> 00:05:38,080

joe had always been fascinated with

120

00:05:44,070 --> 00:05:40,000

astronomy

121

00:05:45,830 --> 00:05:44,080

as a teenager ufo stories intrigued him

122

00:05:47,270 --> 00:05:45,840

one day he found something very

123

00:05:49,510 --> 00:05:47,280

remarkable

124

00:05:50,830 --> 00:05:49,520

it was a research paper by a man named

125

00:05:56,710 --> 00:05:50,840

bernard

126
00:06:00,390 --> 00:05:56,720
who worked just up the road from firmage

127
00:06:06,070 --> 00:06:02,469
bernard was also the editor of the

128
00:06:08,390 --> 00:06:06,080
journal of scientific exploration

129
00:06:11,029 --> 00:06:08,400
bernard's paper

130
00:06:13,749 --> 00:06:11,039
that was read by mr fermich discussed

131
00:06:17,350 --> 00:06:13,759
the zero point field

132
00:06:18,830 --> 00:06:17,360
which is a theoretical field of energy

133
00:06:22,070 --> 00:06:18,840
that permeates

134
00:06:24,390 --> 00:06:22,080
everything even the empty spaces

135
00:06:27,189 --> 00:06:24,400
of the universe

136
00:06:31,029 --> 00:06:27,199
bernard's paper and theory included

137
00:06:33,189 --> 00:06:31,039
fantastic possibilities

138
00:06:34,950 --> 00:06:33,199

that there are faster than light travel

139

00:06:39,590 --> 00:06:34,960

methods

140

00:06:46,629 --> 00:06:42,070

so what does that have to do with

141

00:06:49,110 --> 00:06:46,639

oh let's say tom delong in ttsa

142

00:06:51,830 --> 00:06:49,120

well many of the same people have been

143

00:06:54,710 --> 00:06:51,840

involved in the periphery of all of this

144

00:07:00,309 --> 00:06:57,830

involved in major ways and although mr

145

00:07:03,350 --> 00:07:00,319

firmage has kept

146

00:07:05,670 --> 00:07:03,360

rather silent

147

00:07:08,309 --> 00:07:05,680

he founded an organization by the name

148

00:07:09,990 --> 00:07:08,319

of the international academy of science

149

00:07:14,309 --> 00:07:10,000

and arts

150

00:07:17,110 --> 00:07:14,319

which is eerily similar in scope

151
00:07:18,230 --> 00:07:17,120
to ttsa

152
00:07:20,150 --> 00:07:18,240
or

153
00:07:22,710 --> 00:07:20,160
the to the stars academy of arts and

154
00:07:26,870 --> 00:07:25,430
the international academy of science and

155
00:07:30,870 --> 00:07:26,880
arts

156
00:07:33,189 --> 00:07:30,880
has divisions under it such as internasa

157
00:07:34,790 --> 00:07:33,199
motion physics

158
00:07:40,309 --> 00:07:34,800
many one

159
00:07:45,589 --> 00:07:42,629
all of mr firmage's companies and

160
00:07:48,150 --> 00:07:45,599
divisions would have never come about

161
00:07:49,029 --> 00:07:48,160
if it was not for his contact experience

162
00:07:54,070 --> 00:07:49,039
with

163
00:07:58,390 --> 00:07:56,550

joe claims his purpose is to raise the

164

00:08:01,589 --> 00:07:58,400

consciousness of people all over the

165

00:08:07,350 --> 00:08:04,550

joe also claims he has met with the most

166

00:08:09,990 --> 00:08:07,360

senior military and scientific experts

167

00:08:12,550 --> 00:08:10,000

in the united states

168

00:08:15,990 --> 00:08:12,560

which also sounds eerily similar to the

169

00:08:18,550 --> 00:08:16,000

ttsa organization

170

00:08:21,110 --> 00:08:18,560

take that for what it is

171

00:08:26,390 --> 00:08:21,120

one last strange coincidence is that of

172

00:08:31,270 --> 00:08:29,189

for internasa shared a very closely

173

00:08:34,070 --> 00:08:31,280

resembling background

174

00:08:35,430 --> 00:08:34,080

to the ttsa website when it first came

175

00:08:37,350 --> 00:08:35,440

out

176
00:08:39,430 --> 00:08:37,360
although it has since been changed and

177
00:08:41,190 --> 00:08:39,440
this may hold no weight at all this

178
00:08:42,709 --> 00:08:41,200
coincidence led many to believe

179
00:08:45,990 --> 00:08:42,719
including myself

180
00:08:47,990 --> 00:08:46,000
that the two were somehow connected

181
00:08:51,829 --> 00:08:48,000
whether this is true or not remains a

182
00:08:53,750 --> 00:08:51,839
mystery and remains to be seen

183
00:08:59,350 --> 00:08:53,760
it is possible that the two are

184
00:09:03,829 --> 00:09:00,949
and

185
00:09:06,710 --> 00:09:03,839
what it is that ties well

186
00:09:09,990 --> 00:09:06,720
the old sherman ranch to all of this

187
00:09:12,870 --> 00:09:10,000
yeah the old sherman ranch in utah

188
00:09:14,710 --> 00:09:12,880

there are a few ties

189

00:09:17,430 --> 00:09:14,720

as many know

190

00:09:19,430 --> 00:09:17,440

lou elizondo is involved with

191

00:09:21,829 --> 00:09:19,440

ttsa

192

00:09:22,870 --> 00:09:21,839

and was previously the alleged head of

193

00:09:24,949 --> 00:09:22,880

atip

194

00:09:28,070 --> 00:09:24,959

the advanced aviation threat

195

00:09:30,150 --> 00:09:28,080

identification program

196

00:09:33,030 --> 00:09:30,160

i think there's a lot of proof there but

197

00:09:35,670 --> 00:09:33,040

let's keep opinions out of this

198

00:09:36,389 --> 00:09:35,680

you don't want my opinion

199

00:09:40,070 --> 00:09:36,399

when

200

00:09:44,949 --> 00:09:40,080

robert bigelow owned the utah ufo ranch

201
00:09:50,150 --> 00:09:46,949
a connection

202
00:09:51,350 --> 00:09:50,160
through senator harry reid

203
00:09:53,750 --> 00:09:51,360
was sent

204
00:09:55,509 --> 00:09:53,760
to the property

205
00:09:57,829 --> 00:09:55,519
to the ranch itself

206
00:09:58,949 --> 00:09:57,839
to see if there was anything to the wild

207
00:10:03,670 --> 00:09:58,959
claims

208
00:10:08,710 --> 00:10:05,829
dia agent

209
00:10:11,990 --> 00:10:08,720
james lakatsky

210
00:10:15,030 --> 00:10:12,000
had an extraordinary encounter

211
00:10:17,430 --> 00:10:15,040
he described seeing something

212
00:10:22,470 --> 00:10:17,440
most similar to the cover art of mike

213
00:10:27,190 --> 00:10:24,630

bob bigelow describing

214

00:10:29,110 --> 00:10:27,200

what lukatsky told him

215

00:10:31,670 --> 00:10:29,120

goes as such

216

00:10:34,310 --> 00:10:31,680

the tubular object was described as

217

00:10:37,829 --> 00:10:36,150

it was rotating

218

00:10:40,470 --> 00:10:37,839

it was tubular

219

00:10:42,710 --> 00:10:40,480

there was a rock group that had an album

220

00:10:45,269 --> 00:10:42,720

called tubular bells

221

00:10:47,190 --> 00:10:45,279

that's what's on the cover apparently

222

00:10:50,389 --> 00:10:47,200

and he said

223

00:10:53,269 --> 00:10:50,399

that's the closest thing i can come

224

00:10:55,910 --> 00:10:53,279

to as what the structure of this thing

225

00:11:01,670 --> 00:10:57,430

again

226
00:11:04,550 --> 00:11:01,680
the atip most people know about

227
00:11:06,470 --> 00:11:04,560
luella zondo was the head of it

228
00:11:08,230 --> 00:11:06,480
it was described as a network of

229
00:11:09,829 --> 00:11:08,240
intelligence officials in different

230
00:11:10,949 --> 00:11:09,839
agencies

231
00:11:12,310 --> 00:11:10,959
darpa

232
00:11:13,750 --> 00:11:12,320
cia

233
00:11:18,150 --> 00:11:13,760
dia

234
00:11:21,110 --> 00:11:18,160
navy and the air force amongst others

235
00:11:23,190 --> 00:11:21,120
back to james lickatsky's experience in

236
00:11:26,630 --> 00:11:23,200
detail

237
00:11:30,069 --> 00:11:26,640
james was in the double-wide trailer

238
00:11:32,630 --> 00:11:30,079

formerly used by nids

239

00:11:35,509 --> 00:11:32,640
sitting in this double wide

240

00:11:40,230 --> 00:11:35,519
he noticed an object in the air

241

00:11:46,470 --> 00:11:42,389
it apparently changed shape

242

00:11:49,030 --> 00:11:46,480
from a pretzel shape to a mobius strip

243

00:11:51,590 --> 00:11:49,040
it was described as three-dimensional

244

00:11:54,949 --> 00:11:51,600
and multi-colored

245

00:11:57,590 --> 00:11:54,959
after it changed shape it disappeared

246

00:11:59,829 --> 00:11:57,600
there are rumors of it

247

00:12:03,990 --> 00:11:59,839
and that it may have had hieroglyphics

248

00:12:08,069 --> 00:12:06,069
the ranch at the time

249

00:12:11,110 --> 00:12:08,079
was more on the back burner and not

250

00:12:14,389 --> 00:12:11,120
central to investigations involving atip

251
00:12:17,750 --> 00:12:16,550
here is an excerpt from george knapp's

252
00:12:21,030 --> 00:12:17,760
interview

253
00:12:24,470 --> 00:12:21,040
with phenomenon radio on october 11

254
00:12:28,069 --> 00:12:26,389
it was something that appeared in the

255
00:12:31,430 --> 00:12:28,079
air

256
00:12:35,030 --> 00:12:31,440
10 feet away from him inside a house

257
00:12:38,550 --> 00:12:35,040
while he was having a conversation

258
00:12:41,750 --> 00:12:38,560
and it was at such an angle

259
00:12:43,670 --> 00:12:41,760
that it was only viewable

260
00:12:47,030 --> 00:12:43,680
of the group that was sitting there

261
00:12:49,829 --> 00:12:47,040
within his line of sight

262
00:12:51,910 --> 00:12:49,839
the thing appeared to him

263
00:12:54,230 --> 00:12:51,920

and he was trying to play it cool and

264

00:12:56,629 --> 00:12:54,240

not let everybody else know

265

00:12:59,430 --> 00:12:56,639

it was there

266

00:13:01,030 --> 00:12:59,440

this guy he's a very serious rock solid

267

00:13:03,190 --> 00:13:01,040

brilliant guy

268

00:13:04,790 --> 00:13:03,200

who had read the book

269

00:13:08,069 --> 00:13:04,800

and thought there might be something

270

00:13:09,269 --> 00:13:08,079

there of interest to the dia and the

271

00:13:11,990 --> 00:13:09,279

pentagon

272

00:13:13,990 --> 00:13:12,000

and national security

273

00:13:15,910 --> 00:13:14,000

he's in the main ranch house hearing

274

00:13:17,190 --> 00:13:15,920

some stories from the caretakers who

275

00:13:19,910 --> 00:13:17,200

live there

276
00:13:22,550 --> 00:13:19,920
and this thing appeared inside the house

277
00:13:24,550 --> 00:13:22,560
in broad daylight

278
00:13:25,829 --> 00:13:24,560
and i'm not going to get into details

279
00:13:27,670 --> 00:13:25,839
about it

280
00:13:28,949 --> 00:13:27,680
but it was pretty distinct and

281
00:13:31,110 --> 00:13:28,959
remarkable

282
00:13:33,110 --> 00:13:31,120
and it made a very big impression on

283
00:13:34,629 --> 00:13:33,120
this guy

284
00:13:36,069 --> 00:13:34,639
and that ranch

285
00:13:37,430 --> 00:13:36,079
whatever is there

286
00:13:39,829 --> 00:13:37,440
had in essence

287
00:13:42,790 --> 00:13:39,839
given that guy from the dia

288
00:13:45,509 --> 00:13:42,800

an engraved invitation to come back and

289

00:13:52,389 --> 00:13:48,629

the pretzel-like mobius strip witnessed

290

00:13:55,189 --> 00:13:52,399

by dia agent james lickatsky

291

00:13:59,829 --> 00:13:55,199

is eerily similar in retrospect to the

292

00:14:03,110 --> 00:13:59,839

symbol used by internasa as their logo

293

00:14:05,269 --> 00:14:03,120

back to joe firmage's original contact

294

00:14:10,069 --> 00:14:05,279

with a non-human intelligence

295

00:14:14,230 --> 00:14:11,750

a remarkable being

296

00:14:18,550 --> 00:14:14,240

clothed in brilliant white light

297

00:14:20,629 --> 00:14:18,560

appeared hovering over my bed in my room

298

00:14:23,110 --> 00:14:20,639

out of him emerged

299

00:14:25,750 --> 00:14:23,120

an electric blue sphere

300

00:14:27,590 --> 00:14:25,760

just smaller than a basketball which was

301
00:14:31,910 --> 00:14:27,600
swirling

302
00:14:35,269 --> 00:14:33,910
it left his body

303
00:14:38,389 --> 00:14:35,279
floated down

304
00:14:42,310 --> 00:14:39,910
okay

305
00:14:43,509 --> 00:14:42,320
in the book by george knapp and colin

306
00:14:46,069 --> 00:14:43,519
keller

307
00:14:48,389 --> 00:14:46,079
hunt for the skinwalker

308
00:14:51,269 --> 00:14:48,399
science confronts the unexplained at a

309
00:14:55,189 --> 00:14:51,279
remote ranch in utah

310
00:14:57,990 --> 00:14:55,199
a portion of the book describes owner

311
00:15:00,550 --> 00:14:58,000
having experiences with blue orbs of

312
00:15:02,470 --> 00:15:00,560
roughly the same size

313
00:15:03,590 --> 00:15:02,480

they are again mentioned as being blue

314

00:15:06,470 --> 00:15:03,600

in color

315

00:15:09,910 --> 00:15:06,480

and intelligently controlled

316

00:15:11,509 --> 00:15:09,920

the only notable difference i could find

317

00:15:13,750 --> 00:15:11,519

in the descriptions

318

00:15:16,710 --> 00:15:13,760

is that terry sherman the previous

319

00:15:19,350 --> 00:15:16,720

rancher and owner of the property

320

00:15:20,870 --> 00:15:19,360

described them as possibly having again

321

00:15:24,550 --> 00:15:20,880

a swirling

322

00:15:27,590 --> 00:15:24,560

liquid within them whereas joe firmage

323

00:15:32,870 --> 00:15:27,600

described his as having

324

00:15:34,870 --> 00:15:32,880

a swirling electric ark within them

325

00:15:36,230 --> 00:15:34,880

it is very likely that they may have

326

00:15:38,870 --> 00:15:36,240

been witnessing

327

00:15:40,710 --> 00:15:38,880

something similar or

328

00:15:41,829 --> 00:15:40,720

the same thing of the same size and

329

00:15:48,150 --> 00:15:41,839

color

330

00:15:53,110 --> 00:15:50,629

very intriguing

331

00:15:55,269 --> 00:15:53,120

at an earlier portion of the book hunt

332

00:15:57,110 --> 00:15:55,279

for the skinwalker

333

00:15:58,629 --> 00:15:57,120

terry sherman explains

334

00:16:00,150 --> 00:15:58,639

at a time

335

00:16:03,189 --> 00:16:00,160

when he trusted

336

00:16:05,670 --> 00:16:03,199

his ranch dogs to go after

337

00:16:07,990 --> 00:16:05,680

the blue orb

338

00:16:09,670 --> 00:16:08,000

as his ranch dogs went after this blue

339

00:16:12,710 --> 00:16:09,680

orb

340

00:16:15,189 --> 00:16:12,720

they were later found vaporized and only

341

00:16:18,710 --> 00:16:15,199

grease spots remained

342

00:16:24,790 --> 00:16:21,590

could these be the same type of blue orb

343

00:16:27,269 --> 00:16:24,800

the size and shape seem eerily identical

344

00:16:28,870 --> 00:16:27,279

but there are many coincidences in this

345

00:16:31,030 --> 00:16:28,880

puzzle

346

00:16:32,870 --> 00:16:31,040

back to the tsa and inner nasa

347

00:16:37,670 --> 00:16:32,880

similarities

348

00:16:40,069 --> 00:16:37,680

tsa focuses on three similar arenas

349

00:16:41,910 --> 00:16:40,079

as inner nasa and firmage's other

350

00:16:44,389 --> 00:16:41,920

companies

351

00:16:47,189 --> 00:16:44,399

they focus on the collection

352

00:16:49,189 --> 00:16:47,199

and study of anomalous data

353

00:16:51,990 --> 00:16:49,199

developing technology related to the

354

00:16:55,350 --> 00:16:52,000

findings and explaining to humanity

355

00:17:01,110 --> 00:16:57,590

interestingly

356

00:17:02,829 --> 00:17:01,120

enough with the joe firmage connections

357

00:17:06,069 --> 00:17:02,839

let's go into

358

00:17:07,990 --> 00:17:06,079

well different connections

359

00:17:10,470 --> 00:17:08,000

joe firmage's connections to the mormon

360

00:17:12,710 --> 00:17:10,480

church and others

361

00:17:14,870 --> 00:17:12,720

who funded much of his research names

362

00:17:16,069 --> 00:17:14,880

like daniel marriott come up against

363

00:17:19,270 --> 00:17:16,079

many

364

00:17:20,789 --> 00:17:19,280

some of you already know very powerful

365

00:17:23,669 --> 00:17:20,799

mormons

366

00:17:26,069 --> 00:17:23,679

are good to have in this space

367

00:17:28,309 --> 00:17:26,079

a strangely interesting related

368

00:17:30,070 --> 00:17:28,319

organization to the mormon church pops

369

00:17:32,950 --> 00:17:30,080

up on the radar

370

00:17:35,029 --> 00:17:32,960

however it echoes

371

00:17:37,350 --> 00:17:35,039

similar

372

00:17:39,430 --> 00:17:37,360

things that have been said

373

00:17:41,990 --> 00:17:39,440

by people like joe formage and others on

374

00:17:43,909 --> 00:17:42,000

radio interviews etc

375

00:17:47,350 --> 00:17:43,919

the organization is the mormon

376

00:17:49,270 --> 00:17:47,360

transhumanist association

377

00:17:51,750 --> 00:17:49,280

and it has some interestingly

378

00:17:54,710 --> 00:17:51,760

provocative ideas

379

00:17:56,710 --> 00:17:54,720

now i i guess i would call myself a half

380

00:17:58,070 --> 00:17:56,720

mormon my father was mormon my mother

381

00:18:01,350 --> 00:17:58,080

was catholic

382

00:18:04,310 --> 00:18:01,360

and i would go to one church one week

383

00:18:05,350 --> 00:18:04,320

and the other church the next week so

384

00:18:07,190 --> 00:18:05,360

i

385

00:18:08,549 --> 00:18:07,200

understand

386

00:18:11,909 --> 00:18:08,559

many of the

387

00:18:15,190 --> 00:18:11,919

mormon doctrines let's go that far

388

00:18:17,750 --> 00:18:15,200

this particular organization

389

00:18:19,830 --> 00:18:17,760

is uh is provocative it has some

390

00:18:21,990 --> 00:18:19,840

interesting ideas

391

00:18:24,549 --> 00:18:22,000

on their website they claim that as

392

00:18:26,390 --> 00:18:24,559

disciples of jesus christ

393

00:18:28,390 --> 00:18:26,400

they believe in using technology to

394

00:18:30,549 --> 00:18:28,400

serve lift and love

395

00:18:34,150 --> 00:18:30,559

it all sounds good to me

396

00:18:36,549 --> 00:18:34,160

the transhumanist declaration of what it

397

00:18:38,789 --> 00:18:36,559

means to be transhumanist

398

00:18:41,270 --> 00:18:38,799

adopted by several

399

00:18:43,750 --> 00:18:41,280

transhumanist organizations including

400

00:18:45,190 --> 00:18:43,760

humanity plus and this is from their

401
00:18:48,390 --> 00:18:45,200
website

402
00:18:49,909 --> 00:18:48,400
the mormon transhumanist association

403
00:18:52,870 --> 00:18:49,919
i will go through

404
00:18:54,789 --> 00:18:52,880
the numbered characteristics

405
00:18:56,870 --> 00:18:54,799
number one

406
00:18:59,909 --> 00:18:56,880
humanity stands to be profoundly

407
00:19:01,590 --> 00:18:59,919
affected by science and technology in

408
00:19:03,590 --> 00:19:01,600
the future

409
00:19:06,390 --> 00:19:03,600
we envision the possibility of

410
00:19:07,669 --> 00:19:06,400
broadening human potential by overcoming

411
00:19:09,590 --> 00:19:07,679
aging

412
00:19:11,669 --> 00:19:09,600
cognitive shortcomings

413
00:19:15,430 --> 00:19:11,679

involuntary suffering

414

00:19:17,110 --> 00:19:15,440

and our confinement to planet earth

415

00:19:18,710 --> 00:19:17,120

number two

416

00:19:21,270 --> 00:19:18,720

we believe that

417

00:19:23,029 --> 00:19:21,280

humanity's potential is still mostly

418

00:19:25,830 --> 00:19:23,039

unrealized

419

00:19:28,630 --> 00:19:25,840

there are possible scenarios

420

00:19:30,070 --> 00:19:28,640

that lead to wonderful and exceedingly

421

00:19:34,070 --> 00:19:30,080

worthwhile

422

00:19:36,390 --> 00:19:34,080

enhanced human conditions

423

00:19:39,430 --> 00:19:36,400

number three

424

00:19:40,710 --> 00:19:39,440

we recognize that humanity faces serious

425

00:19:42,310 --> 00:19:40,720

risks

426
00:19:46,310 --> 00:19:42,320
especially

427
00:19:49,350 --> 00:19:46,320
from the misuse of new technologies

428
00:19:52,549 --> 00:19:49,360
there are possible realistic scenarios

429
00:19:53,669 --> 00:19:52,559
that lead to the loss of most or even

430
00:19:56,470 --> 00:19:53,679
all

431
00:19:59,350 --> 00:19:56,480
of what we hold valuable

432
00:20:01,510 --> 00:19:59,360
some of these scenarios are drastic

433
00:20:04,310 --> 00:20:01,520
others are subtle

434
00:20:08,950 --> 00:20:04,320
although all progresses change

435
00:20:10,789 --> 00:20:08,960
not all change is progress

436
00:20:12,630 --> 00:20:10,799
number four

437
00:20:15,510 --> 00:20:12,640
research

438
00:20:18,710 --> 00:20:15,520

effort needs to be invested

439

00:20:20,630 --> 00:20:18,720

into understanding these prospects

440

00:20:22,149 --> 00:20:20,640

we need to carefully

441

00:20:25,990 --> 00:20:22,159

deliberate

442

00:20:28,710 --> 00:20:26,000

how best to reduce risks and expedite

443

00:20:31,029 --> 00:20:28,720

beneficial applications

444

00:20:34,230 --> 00:20:31,039

we also need forums

445

00:20:38,310 --> 00:20:34,240

where people can constructively discuss

446

00:20:40,549 --> 00:20:38,320

what should be done and a social order

447

00:20:42,149 --> 00:20:40,559

where responsible decisions can be

448

00:20:44,070 --> 00:20:42,159

implemented

449

00:20:47,990 --> 00:20:44,080

number five

450

00:20:50,549 --> 00:20:48,000

reduction of existential risks and

451
00:20:53,669 --> 00:20:50,559
development of means

452
00:20:56,789 --> 00:20:53,679
for preservation of life and health

453
00:20:59,590 --> 00:20:56,799
the alleviation of grave suffering

454
00:21:01,510 --> 00:20:59,600
and the improvement of human foresight

455
00:21:03,430 --> 00:21:01,520
and wisdom

456
00:21:05,830 --> 00:21:03,440
should be pursued

457
00:21:08,470 --> 00:21:05,840
as urgent priorities

458
00:21:09,990 --> 00:21:08,480
and heavily funded

459
00:21:12,470 --> 00:21:10,000
number six

460
00:21:13,909 --> 00:21:12,480
policy making ought to be guided by

461
00:21:17,270 --> 00:21:13,919
responsible

462
00:21:19,990 --> 00:21:17,280
inclusive moral vision taking seriously

463
00:21:22,549 --> 00:21:20,000

both opportunities and risks

464

00:21:24,230 --> 00:21:22,559

respecting autonomy and individual

465

00:21:27,350 --> 00:21:24,240

rights

466

00:21:28,230 --> 00:21:27,360

and showing solidarity with and concern

467

00:21:31,029 --> 00:21:28,240

for

468

00:21:32,630 --> 00:21:31,039

the interests and dignity of all people

469

00:21:34,950 --> 00:21:32,640

around the globe

470

00:21:37,430 --> 00:21:34,960

we must also consider

471

00:21:39,909 --> 00:21:37,440

our moral responsibilities

472

00:21:41,909 --> 00:21:39,919

towards generations that will exist in

473

00:21:43,590 --> 00:21:41,919

the future

474

00:21:45,270 --> 00:21:43,600

number seven

475

00:21:46,789 --> 00:21:45,280

we advocate

476
00:21:49,270 --> 00:21:46,799
the well-being

477
00:21:50,630 --> 00:21:49,280
of all sentient

478
00:21:52,149 --> 00:21:50,640
including

479
00:21:53,990 --> 00:21:52,159
humans

480
00:21:57,190 --> 00:21:54,000
non-human animals

481
00:21:59,669 --> 00:21:57,200
and any future artificial intellects

482
00:22:00,549 --> 00:21:59,679
modified life forms

483
00:22:02,390 --> 00:22:00,559
or

484
00:22:06,070 --> 00:22:02,400
other intelligences to which

485
00:22:08,070 --> 00:22:06,080
technological and scientific advance may

486
00:22:09,350 --> 00:22:08,080
give rise

487
00:22:10,950 --> 00:22:09,360
and finally

488
00:22:13,909 --> 00:22:10,960

number eight

489

00:22:15,430 --> 00:22:13,919

we favor allowing individuals wide

490

00:22:18,310 --> 00:22:15,440

personal choice

491

00:22:20,390 --> 00:22:18,320

over how they enable their lives

492

00:22:22,870 --> 00:22:20,400

this includes use of techniques that may

493

00:22:26,230 --> 00:22:22,880

be developed to assist memory

494

00:22:27,430 --> 00:22:26,240

concentration and mental energy life

495

00:22:28,789 --> 00:22:27,440

extension

496

00:22:31,590 --> 00:22:28,799

therapies

497

00:22:34,950 --> 00:22:31,600

reproductive choice technologies

498

00:22:37,190 --> 00:22:34,960

cryonics procedures and many other

499

00:22:38,830 --> 00:22:37,200

possible human modification and

500

00:22:41,750 --> 00:22:38,840

enhancement

501
00:22:43,190 --> 00:22:41,760
technologies it sounds interesting right

502
00:22:45,270 --> 00:22:43,200
totally

503
00:22:48,630 --> 00:22:45,280
more info is available at

504
00:22:52,789 --> 00:22:50,950
good stuff right

505
00:22:56,549 --> 00:22:52,799
at least interesting

506
00:22:58,710 --> 00:22:56,559
with elon musk's rollout of neuralink

507
00:23:00,149 --> 00:22:58,720
this seems to be the way technology is

508
00:23:03,750 --> 00:23:00,159
going

509
00:23:05,510 --> 00:23:03,760
humans merging with the machine

510
00:23:08,310 --> 00:23:05,520
back to the amazing technology

511
00:23:11,110 --> 00:23:08,320
developments of the bouncing box enter

512
00:23:13,430 --> 00:23:11,120
nasa and previous donors to the project

513
00:23:15,830 --> 00:23:13,440

and employees of the project

514

00:23:17,590 --> 00:23:15,840

some interesting lawsuits have shown up

515

00:23:19,350 --> 00:23:17,600

in court

516

00:23:21,590 --> 00:23:19,360

when these things happen this tends to

517

00:23:23,590 --> 00:23:21,600

come with the territory

518

00:23:25,669 --> 00:23:23,600

basically

519

00:23:29,270 --> 00:23:25,679

as gathered online

520

00:23:30,549 --> 00:23:29,280

robert caviat worked for internasa for

521

00:23:33,510 --> 00:23:30,559

free

522

00:23:35,830 --> 00:23:33,520

with uh the promise i guess of later

523

00:23:37,990 --> 00:23:35,840

payment

524

00:23:41,190 --> 00:23:38,000

firmage allegedly

525

00:23:43,909 --> 00:23:41,200

said that marriott daniel marriott had

526
00:23:46,950 --> 00:23:43,919
secured millions in funding

527
00:23:48,710 --> 00:23:46,960
in reality allegedly marriott had

528
00:23:51,510 --> 00:23:48,720
promised funding

529
00:23:54,630 --> 00:23:51,520
contingent on a working model

530
00:23:57,269 --> 00:23:54,640
of the anti-gravity infinite energy

531
00:23:59,669 --> 00:23:57,279
momentum converting device known to many

532
00:24:01,669 --> 00:23:59,679
as the bouncing box

533
00:24:03,590 --> 00:24:01,679
long story short

534
00:24:06,549 --> 00:24:03,600
when nothing came to fruition for

535
00:24:08,950 --> 00:24:06,559
whatever reason as agreed upon

536
00:24:11,510 --> 00:24:08,960
marriott pulled out allegedly

537
00:24:14,149 --> 00:24:11,520
it's rumored firmage allowed people to

538
00:24:15,750 --> 00:24:14,159

continue to work

539

00:24:17,029 --> 00:24:15,760

where things get hairy and interesting

540

00:24:19,350 --> 00:24:17,039

here

541

00:24:22,149 --> 00:24:19,360

as if they aren't already

542

00:24:26,310 --> 00:24:22,159

is that robert caveat

543

00:24:29,990 --> 00:24:26,320

is slash was suing for not being paid

544

00:24:33,029 --> 00:24:30,000

allegedly and firmage allegedly expected

545

00:24:34,870 --> 00:24:33,039

kiviat to not only roll out a public

546

00:24:37,190 --> 00:24:34,880

scenario

547

00:24:39,669 --> 00:24:37,200

leading to a live demonstration of the

548

00:24:42,310 --> 00:24:39,679

device firmage was inventing

549

00:24:43,510 --> 00:24:42,320

and caveat was also expected to tell the

550

00:24:49,110 --> 00:24:43,520

story

551
00:24:50,789 --> 00:24:49,120
we've all heard of the aviarian ufo

552
00:24:52,470 --> 00:24:50,799
circles

553
00:24:54,950 --> 00:24:52,480
and uh

554
00:24:57,909 --> 00:24:54,960
whose name was whose and who was doing

555
00:24:59,190 --> 00:24:57,919
what it's very interesting

556
00:25:02,230 --> 00:24:59,200
back to

557
00:25:03,510 --> 00:25:02,240
what what is actually taking place here

558
00:25:15,909 --> 00:25:03,520
the

559
00:25:18,070 --> 00:25:15,919
pandolfi's eyes

560
00:25:20,710 --> 00:25:18,080
it gets more interesting

561
00:25:22,950 --> 00:25:20,720
as ron pandolfi wanted

562
00:25:25,750 --> 00:25:22,960
kiviat allegedly

563
00:25:26,789 --> 00:25:25,760

to tell the story of how his pakistani

564

00:25:29,269 --> 00:25:26,799

wife

565

00:25:30,950 --> 00:25:29,279

allegedly from cashmere purportedly

566

00:25:35,750 --> 00:25:30,960

arrived on earth

567

00:25:40,950 --> 00:25:37,990

if i haven't tantalized your taste buds

568

00:25:44,070 --> 00:25:40,960

for high strangeness yet i apologize

569

00:25:45,190 --> 00:25:44,080

there's much more to this entire story

570

00:25:47,350 --> 00:25:45,200

and

571

00:25:49,750 --> 00:25:47,360

there's some things i can't go into due

572

00:25:52,870 --> 00:25:49,760

to signing ndas as many as

573

00:25:55,669 --> 00:25:52,880

many people have to in the field and

574

00:25:58,630 --> 00:25:55,679

what i can say is some involved

575

00:26:02,470 --> 00:25:58,640

say they disproved the claims being made

576
00:26:03,909 --> 00:26:02,480
involving forced precessed gyroscopic

577
00:26:05,990 --> 00:26:03,919
mechanisms

578
00:26:08,870 --> 00:26:06,000
to create field effects

579
00:26:10,630 --> 00:26:08,880
and that there was no legitimacy to the

580
00:26:12,470 --> 00:26:10,640
project

581
00:26:14,390 --> 00:26:12,480
what i can also mention

582
00:26:17,430 --> 00:26:14,400
coming out of the many comments of those

583
00:26:20,070 --> 00:26:17,440
involved and those in the periphery

584
00:26:21,990 --> 00:26:20,080
is that during experiments at the quote

585
00:26:24,870 --> 00:26:22,000
unquote lake

586
00:26:28,070 --> 00:26:24,880
it has been alleged that entities

587
00:26:29,350 --> 00:26:28,080
and other worldly intelligences

588
00:26:30,630 --> 00:26:29,360

would creep

589

00:26:32,950 --> 00:26:30,640

or appear

590

00:26:36,070 --> 00:26:32,960

at the corners of the walls as if

591

00:26:37,909 --> 00:26:36,080

watching the experiments unfold

592

00:26:39,750 --> 00:26:37,919

when they were powered up and this is

593

00:26:41,430 --> 00:26:39,760

only at times

594

00:26:42,710 --> 00:26:41,440

take it all with a grain of salt if

595

00:26:45,510 --> 00:26:42,720

you'd like

596

00:26:47,830 --> 00:26:45,520

but there is so much more to

597

00:26:49,430 --> 00:26:47,840

all these connectivities and

598

00:26:51,830 --> 00:26:49,440

synchronicities

599

00:26:53,669 --> 00:26:51,840

whether perfectly explained or not there

600

00:26:54,870 --> 00:26:53,679

seems to be a common

601
00:26:57,110 --> 00:26:54,880
thread

602
00:26:59,190 --> 00:26:57,120
going through all of this

603
00:27:01,350 --> 00:26:59,200
and that's art

604
00:27:02,470 --> 00:27:01,360
that's science

605
00:27:05,190 --> 00:27:02,480
traveling

606
00:27:07,029 --> 00:27:05,200
beyond what is humanly believed to be

607
00:27:09,590 --> 00:27:07,039
capable means

608
00:27:10,789 --> 00:27:09,600
and many of the same players

609
00:27:12,630 --> 00:27:10,799
kit green

610
00:27:15,029 --> 00:27:12,640
hal put off

611
00:27:18,830 --> 00:27:15,039
and many many others

612
00:27:22,710 --> 00:27:18,840
seem to always be at the center of this

613
00:27:25,110 --> 00:27:22,720

amazing area of study

614

00:27:26,870 --> 00:27:25,120

so yeah i guess we uh

615

00:27:29,350 --> 00:27:26,880

take that for what it is

616

00:27:30,549 --> 00:27:29,360

take it for you know what you believe it

617

00:27:33,590 --> 00:27:30,559

could be

618

00:27:34,630 --> 00:27:33,600

and we continue on

619

00:27:36,630 --> 00:27:34,640

delving

620

00:27:38,149 --> 00:27:36,640

down the rabbit hole i could keep going

621

00:27:41,830 --> 00:27:38,159

but it's it's

622

00:27:43,669 --> 00:27:41,840

it it just gets weirder and weirder

623

00:27:45,669 --> 00:27:43,679

uh maybe we will

624

00:27:47,669 --> 00:27:45,679

set this up for another podcast and take

625

00:27:49,990 --> 00:27:47,679

another deep dive

626
00:27:53,430 --> 00:27:50,000
into some of these

627
00:27:55,510 --> 00:27:53,440
declassified documents and some that may

628
00:27:59,110 --> 00:27:55,520
still be classified if they are

629
00:28:02,950 --> 00:28:00,950
until next time

630
00:28:05,750 --> 00:28:02,960
keep your eyes to the skies

631
00:28:17,870 --> 00:28:05,760
feet on the ground but don't forget

[Music]

633
00:28:33,790 --> 00:28:27,520
come blast off in my time machine third
