michael wazowski has delved

23

00:01:25,510 --> 00:01:23,439

into the dual same mystery for quite

24

00:01:28,310 --> 00:01:25,520

some time and brings a lot of

25

00:01:30,630 --> 00:01:28,320

experiences and knowledge he has

26

00:01:32,950 --> 00:01:30,640

gathered throughout the years to the

27

00:01:35,270 --> 00:01:32,960

table i'm i'm really excited to talk to

28

00:01:37,190 --> 00:01:35,280

him so let's just get to it michael

29

00:01:41,910 --> 00:01:37,200

wazowski

30

00:01:41,920 --> 00:01:44,870

hi how you doing

31

00:01:50,550 --> 00:01:46,389

33

00:01:55,109 --> 00:01:52,640

looks like we're all set here i'm

34

00:01:56,709 --> 00:01:55,119

excited to uh finally talk to you about

35

00:01:58,789 --> 00:01:56,719

all this this is uh

36

00:01:59,670 --> 00:01:58,799

pretty interesting stuff and

37

00:02:02,069 --> 00:01:59,680

um

38

00:02:04,230 --> 00:02:02,079

my it's michael correct

39

00:02:06,310 --> 00:02:04,240

it is mike well give me mike or michael

40

00:02:08,389 --> 00:02:06,320

i don't know michael reckle and i wanted

41

00:02:10,550 --> 00:02:08,399

to uh say your last name correctly is it

42

00:02:17,190 --> 00:02:10,560

wazowski

43

00:02:19,270 --> 00:02:17,200

was there is do you know the story

44

00:02:22,070 --> 00:02:19,280

behind it no you know my you know

45

00:02:23,589 --> 00:02:22,080

monsters inc oh that's right that's

46

00:02:26,229 --> 00:02:23,599

right now i know

47

00:02:28,710 --> 00:02:26,239

i'm the real one oh i love it it's a

48

00:02:32,229 --> 00:02:28,720

crazy story

49

00:02:35,190 --> 00:02:32,239

hear about it

50

00:02:37,910 --> 00:02:35,200

so probably about um

51

00:02:39,070 --> 00:02:37,920

ali i did the olympic games

52

00:02:42,470 --> 00:02:39,080

in

53

00:02:44,550 --> 00:02:42,480

1996. i i'm a logistics guru so i ran a

54

00:02:46,229 --> 00:02:44,560

lot of this stuff for the olympics

55

00:02:47,830 --> 00:02:46,239

in atlanta georgia

56

00:02:50,229 --> 00:02:47,840

so i met a lot of people from around the

57

00:02:52,550 --> 00:02:50,239

world right so okay that all went pretty

58

00:02:54,470 --> 00:02:52,560

well i guess with a million stories i

59

00:02:55,509 --> 00:02:54,480

could tell you but i won't tell you

60

00:02:58,070 --> 00:02:55,519

um

61

00:02:59,910 --> 00:02:58,080

but anyways uh so i met a bunch of

62

00:03:02,149 --> 00:02:59,920

people from around the world and then i

63

00:03:03,990 --> 00:03:02,159

did the olympics in salt lake city in

64

00:03:06,149 --> 00:03:04,000
2001.

65

00:03:06,949 --> 00:03:06,159
or 2002 i guess well i was there in one

66

00:03:09,190 --> 00:03:06,959
but

67

00:03:11,110 --> 00:03:09,200
the point is uh

68

00:03:13,830 --> 00:03:11,120
i was there in in at the olympics i

69

00:03:15,990 --> 00:03:13,840
started getting these uh boxes of this

70

00:03:18,309 --> 00:03:16,000
little uh and i opened it up i didn't

71

00:03:19,670 --> 00:03:18,319
know who it was from they did that

72

00:03:20,470 --> 00:03:19,680
purposely

73

00:03:22,949 --> 00:03:20,480
and

74

00:03:23,910 --> 00:03:22,959
inside was mike wazowski dao you know

75

00:03:26,630 --> 00:03:23,920
you know what you know what i'm talking

76

00:03:28,390 --> 00:03:26,640

about yeah the big eye yeah yeah so

77

00:03:30,390 --> 00:03:28,400

anyways i didn't know who it was from

78

00:03:32,949 --> 00:03:30,400

and i got like a second i may have got

79

00:03:35,190 --> 00:03:32,959

three and i think the third one maybe

80

00:03:36,949 --> 00:03:35,200

was the second one it i i found out who

81

00:03:39,190 --> 00:03:36,959

it was from so i called this person up i

82

00:03:40,550 --> 00:03:39,200

said what the f

83

00:03:41,910 --> 00:03:40,560

are you sending me these dolls for

84

00:03:44,710 --> 00:03:41,920

because i didn't know i didn't know

85

00:03:46,630 --> 00:03:44,720

anything about it i had no clue

86

00:03:48,309 --> 00:03:46,640

right

87

00:03:49,750 --> 00:03:48,319

so then they explained to me that this

88

00:03:51,110 --> 00:03:49,760

movie had come out in europe and it came

89

00:03:52,229 --> 00:03:51,120

out in europe before it came to united

90

00:03:54,710 --> 00:03:52,239

states right

91

00:03:56,869 --> 00:03:54,720

so i'm saying holy crap this is crazy

92

00:03:59,750 --> 00:03:56,879

but what is even more crazy ryan that

93

00:04:01,270 --> 00:03:59,760

about 15 years before that i had written

94

00:04:02,869 --> 00:04:01,280

a what i wouldn't want to call it a

95

00:04:04,710 --> 00:04:02,879

screenplay it was more just an article

96

00:04:06,949 --> 00:04:04,720

it was like when the internet first

97

00:04:08,309 --> 00:04:06,959

started out so i kind of threw this out

98

00:04:10,390 --> 00:04:08,319

here and it was on some website i don't

99

00:04:13,190 --> 00:04:10,400

even remember a paranormal website and

100

00:04:16,069 --> 00:04:13,200

it was like kind of like the whole thing

101
00:04:17,509 --> 00:04:16,079
about a monsters inc the movie and how

102
00:04:19,830 --> 00:04:17,519
you know one of my theories has always

103
00:04:21,830 --> 00:04:19,840
been that aliens were here to kind of

104
00:04:25,350 --> 00:04:21,840
harvest our energies and i meant all

105
00:04:26,950 --> 00:04:25,360
types of energy sexual energy uh

106
00:04:28,950 --> 00:04:26,960
you know just says screaming hollering

107
00:04:30,870 --> 00:04:28,960
getting angry you know that was one of

108
00:04:32,629 --> 00:04:30,880
the reasons we had so many wars i mean i

109
00:04:34,629 --> 00:04:32,639
i really went into this big deal you

110
00:04:36,710 --> 00:04:34,639
know i thought holy crap this is great

111
00:04:38,870 --> 00:04:36,720
forgot about it completely well i mean i

112
00:04:40,870 --> 00:04:38,880
forgot about it i mean i i remembered it

113
00:04:43,670 --> 00:04:40,880

but i didn't know the connection

114

00:04:45,590 --> 00:04:43,680
and after i said holy crap this is

115

00:04:47,990 --> 00:04:45,600
exactly what i done

116

00:04:49,590 --> 00:04:48,000
and then the name kind of named the main

117

00:04:51,749 --> 00:04:49,600
character after me so it was the

118

00:04:53,990 --> 00:04:51,759
weirdest thing i don't know any of the

119

00:04:55,830 --> 00:04:54,000
connections and you know another funny

120

00:04:58,950 --> 00:04:55,840
thing i ended up working and did some

121

00:05:01,350 --> 00:04:58,960
work for disney oh so

122

00:05:04,469 --> 00:05:01,360
i'm in synchronicity memphis

123

00:05:06,550 --> 00:05:04,479
yes i'm in memphis and i was a it was a

124

00:05:08,629 --> 00:05:06,560
i was a contractor a

125

00:05:10,790 --> 00:05:08,639
logistic contractor for them so i was

126

00:05:12,870 --> 00:05:10,800

running one of their facilities

127

00:05:15,830 --> 00:05:12,880

and what happened was that one of the

128

00:05:17,590 --> 00:05:15,840

big wheels from england came over and

129

00:05:19,510 --> 00:05:17,600

he's i don't know he just i just heard

130

00:05:21,430 --> 00:05:19,520

my name and he like freaked out because

131

00:05:23,830 --> 00:05:21,440

the whole you know the warehouse at the

132

00:05:25,029 --> 00:05:23,840

time was loaded michael satsuki dolls

133

00:05:27,270 --> 00:05:25,039

right

134

00:05:29,990 --> 00:05:27,280

so he's he's taking me around and

135

00:05:32,950 --> 00:05:30,000

showing and he's just going crazy and i

136

00:05:34,710 --> 00:05:32,960

said jesus you know i'm kind of pissed

137

00:05:37,110 --> 00:05:34,720

off because i really should have got a

138

00:05:38,550 --> 00:05:37,120

piece of that action you know

139

00:05:40,230 --> 00:05:38,560

and because i told him the story because

140

00:05:41,909 --> 00:05:40,240

i felt kind of embarrassed because he

141

00:05:44,070 --> 00:05:41,919

was like leading me around like a little

142

00:05:45,270 --> 00:05:44,080

puppy dog and introduced i guess he

143

00:05:46,469 --> 00:05:45,280

there were some people there that didn't

144

00:05:47,749 --> 00:05:46,479

know the little story and i really

145

00:05:49,029 --> 00:05:47,759

didn't tell him many people but i guess

146

00:05:51,590 --> 00:05:49,039

i was in a good mood that day or

147

00:05:52,870 --> 00:05:51,600

something so anyways bottom line was to

148

00:05:54,870 --> 00:05:52,880

say oh you should have done that i said

149

00:05:56,469 --> 00:05:54,880

yeah well unfortunately i can't find all

150

00:05:57,990 --> 00:05:56,479

this stuff anymore i don't know too much

151
00:06:01,110 --> 00:05:58,000
about it but anyways that's my mike

152
00:06:02,629 --> 00:06:01,120
wazowski story that is so neat

153
00:06:05,270 --> 00:06:02,639
that is when you said that when you

154
00:06:07,590 --> 00:06:05,280
mentioned monsters inc it it all it made

155
00:06:10,309 --> 00:06:07,600
sense you know i know

156
00:06:12,870 --> 00:06:10,319
um i really enjoyed your uh

157
00:06:15,430 --> 00:06:12,880
your dimensional walking on paranormal a

158
00:06:17,350 --> 00:06:15,440
paranormal journey on youtube and right

159
00:06:19,110 --> 00:06:17,360
um i want to make sure that everybody is

160
00:06:21,830 --> 00:06:19,120
sure to join your youtube channel

161
00:06:24,469 --> 00:06:21,840
because yes please yeah

162
00:06:27,430 --> 00:06:24,479
that that two-part series on the dulce

163
00:06:29,189 --> 00:06:27,440

bass is extremely informative and it's

164

00:06:31,510 --> 00:06:29,199

worth a listen by all i believe it's

165

00:06:33,670 --> 00:06:31,520

three parts is it five parts

166

00:06:35,590 --> 00:06:33,680

it's three wow it's three yeah there's

167

00:06:38,390 --> 00:06:35,600

one we just did uh rainbow rainbow did

168

00:06:40,070 --> 00:06:38,400

an interview um golly what was it it's

169

00:06:42,230 --> 00:06:40,080

actually been a few weeks now but there

170

00:06:44,629 --> 00:06:42,240

is three complete ones she did

171

00:06:46,830 --> 00:06:44,639

she did a few question and answer thing

172

00:06:50,230 --> 00:06:46,840

with me we did a short one

173

00:06:52,790 --> 00:06:50,240

oh it was uh it was pretty good so

174

00:06:54,710 --> 00:06:52,800

you've really delved into the the dulce

175

00:06:57,469 --> 00:06:54,720

underground base phenomena for quite

176
00:06:59,510 --> 00:06:57,479
some time and and you bring a lot of uh

177
00:07:00,790 --> 00:06:59,520
experiences and knowledge that you've

178
00:07:03,350 --> 00:07:00,800
gathered throughout the years to the

179
00:07:04,870 --> 00:07:03,360
table so i commend you on that it's

180
00:07:06,790 --> 00:07:04,880
fascinating and

181
00:07:09,670 --> 00:07:06,800
um thanks so much for joining me on the

182
00:07:12,070 --> 00:07:09,680
podcast michael i appreciate it

183
00:07:13,029 --> 00:07:12,080
yeah no no problem glad to be here

184
00:07:15,670 --> 00:07:13,039
now

185
00:07:17,830 --> 00:07:15,680
how did you first become aware or

186
00:07:19,670 --> 00:07:17,840
interested in the in the dual say based

187
00:07:23,350 --> 00:07:19,680
mystery

188
00:07:25,430 --> 00:07:23,360

well you know i i was kind of there a

189

00:07:28,309 --> 00:07:25,440

a founding member i guess and i've

190

00:07:30,950 --> 00:07:28,319

eventually ran the new mexico uh ufo

191

00:07:32,710 --> 00:07:30,960

paranor forum which was kind of a become

192

00:07:34,790 --> 00:07:32,720

kind of a little bit of a famous group

193

00:07:37,270 --> 00:07:34,800

there in new mexico kind of in the

194

00:07:38,390 --> 00:07:37,280

middle of a lot of stuff right

195

00:07:41,270 --> 00:07:38,400

and so

196

00:07:43,350 --> 00:07:41,280

i i would you know as time went on i met

197

00:07:44,790 --> 00:07:43,360

a lot of people and there was a lot of

198

00:07:46,550 --> 00:07:44,800

people that were interested and we

199

00:07:48,309 --> 00:07:46,560

talked they would talk about and kind of

200

00:07:50,950 --> 00:07:48,319

get me interested

201

00:07:53,029 --> 00:07:50,960

and kind of got me all fired up

202

00:07:57,430 --> 00:07:53,039

and then when um

203

00:07:58,790 --> 00:07:57,440

well you said mr ann it's noria hayakawa

204

00:08:00,950 --> 00:07:58,800

just so you know he's a good friend of

205

00:08:03,350 --> 00:08:00,960

mine yeah i've had norio on the podcast

206

00:08:04,869 --> 00:08:03,360

great have you great great yeah yeah he

207

00:08:07,029 --> 00:08:04,879

didn't he didn't mention i didn't really

208

00:08:09,350 --> 00:08:07,039

mention i was going to be on it but uh

209

00:08:13,029 --> 00:08:09,360

anyways he had uh originally i was a

210

00:08:14,230 --> 00:08:13,039

little leery in in when i did it to not

211

00:08:15,990 --> 00:08:14,240

you know i didn't know where i was going

212

00:08:17,990 --> 00:08:16,000

to go with the conversation when i did

213

00:08:19,430 --> 00:08:18,000

my other mother three or the other two

214

00:08:21,189 --> 00:08:19,440

actually because i think you watched

215

00:08:24,070 --> 00:08:21,199

both of those

216

00:08:25,830 --> 00:08:24,080

um so i left it as mr n i think that's

217

00:08:28,629 --> 00:08:25,840

where you picked up on the mr end thing

218

00:08:30,950 --> 00:08:28,639

right yeah no problem norio quickly

219

00:08:33,509 --> 00:08:30,960

uh commented in you know make sure he

220

00:08:35,589 --> 00:08:33,519

got the credit that he was mr n so you

221

00:08:38,310 --> 00:08:35,599

know i know it's all it's all good good

222

00:08:41,589 --> 00:08:38,320

and well sony's we're good friends but

223

00:08:42,389 --> 00:08:41,599

the the interesting thing was i uh

224

00:08:44,630 --> 00:08:42,399

went

225

00:08:47,750 --> 00:08:44,640

linorio and then of course there was

226

00:08:49,269 --> 00:08:47,760

gabe valdez and then there's uh there's

227

00:08:51,110 --> 00:08:49,279

uh and i don't want to some of these

228

00:08:53,910 --> 00:08:51,120

names i'm not going to give you the full

229

00:08:54,790 --> 00:08:53,920

name sure uh there's another guy you

230

00:08:56,310 --> 00:08:54,800

know that had all these cattle

231

00:08:58,710 --> 00:08:56,320

mutilations

232

00:09:02,070 --> 00:08:58,720

uh up in that area which is all

233

00:09:02,949 --> 00:09:02,080

connected by the way and uh so

234

00:09:05,350 --> 00:09:02,959

uh

235

00:09:07,829 --> 00:09:05,360

there was a lot of people in and around

236

00:09:10,150 --> 00:09:07,839

that were kind of not only in somewhat

237

00:09:12,550 --> 00:09:10,160

involved but we're doing some research

238

00:09:15,829 --> 00:09:12,560

and i had privy to their some of their

239

00:09:17,670 --> 00:09:15,839

research and a lot of conversation so

240

00:09:19,670 --> 00:09:17,680

does that answer your question yeah

241

00:09:22,550 --> 00:09:19,680

that's that's really that's really where

242

00:09:24,710 --> 00:09:22,560

it got all juiced up and going you know

243

00:09:27,110 --> 00:09:24,720

i also helped do a conference there

244

00:09:30,550 --> 00:09:27,120

called wake up now conference in

245

00:09:32,630 --> 00:09:30,560

in albuquerque uh where there was people

246

00:09:34,790 --> 00:09:32,640

including belle uh

247

00:09:36,230 --> 00:09:34,800

well let's see here yeah including gabe

248

00:09:37,829 --> 00:09:36,240

was there i don't know if he spoke i

249

00:09:40,389 --> 00:09:37,839

can't remember as a while back but

250

00:09:42,710 --> 00:09:40,399

anyways there's a lot of

251
00:09:44,710 --> 00:09:42,720
conversation things that were going on

252
00:09:46,150 --> 00:09:44,720
there because of dolsy being close to

253
00:09:48,710 --> 00:09:46,160
albuquerque

254
00:09:51,350 --> 00:09:48,720
so it just stimulated

255
00:09:54,470 --> 00:09:51,360
my interest and i had some friends that

256
00:09:57,110 --> 00:09:54,480
uh besides gabe owning a ranch up there

257
00:09:58,310 --> 00:09:57,120
i had uh uh you know i had some other

258
00:09:59,590 --> 00:09:58,320
friends that owned property there that

259
00:10:02,069 --> 00:09:59,600
would tell me about

260
00:10:04,389 --> 00:10:02,079
uh you know ufos and things like that up

261
00:10:07,030 --> 00:10:04,399
there so it was always kind of a a go-to

262
00:10:08,550 --> 00:10:07,040
point and when oriol decided to have the

263
00:10:09,910 --> 00:10:08,560

conference there it was basically a

264

00:10:14,150 --> 00:10:09,920

no-brainer for me

265

00:10:15,030 --> 00:10:14,160

yeah it's so neat and that whole area i

266

00:10:17,430 --> 00:10:15,040

mean

267

00:10:19,190 --> 00:10:17,440

it is possibly one of the

268

00:10:20,550 --> 00:10:19,200

you know it's not just like the mesa or

269

00:10:22,230 --> 00:10:20,560

the mountain i've talked to so many

270

00:10:23,509 --> 00:10:22,240

people as you said who own properties

271

00:10:25,269 --> 00:10:23,519

around there

272

00:10:27,990 --> 00:10:25,279

and it's far and wide the high

273

00:10:29,829 --> 00:10:28,000

strangeness is far and wide in that area

274

00:10:33,350 --> 00:10:29,839

yeah yeah well that's the land of

275

00:10:35,750 --> 00:10:33,360

enchantment uh you know there's so many

276

00:10:38,630 --> 00:10:35,760

so many stories there's so many things i

277

00:10:40,710 --> 00:10:38,640

uh you know learned and did i mean i

278

00:10:43,509 --> 00:10:40,720

i've lived all over the country so i did

279

00:10:44,310 --> 00:10:43,519

a lot of things in other parts but i

280

00:10:45,190 --> 00:10:44,320

guess

281

00:10:49,350 --> 00:10:45,200

uh

282

00:10:50,949 --> 00:10:49,360

mexico probably i i don't want to i

283

00:10:52,870 --> 00:10:50,959

don't call anything in the united states

284

00:10:55,269 --> 00:10:52,880

or the world any hot spots people do

285

00:10:57,990 --> 00:10:55,279

that i don't like it because i believe

286

00:10:59,750 --> 00:10:58,000

from my research that the stuff happens

287

00:11:01,430 --> 00:10:59,760

everywhere

288

00:11:03,750 --> 00:11:01,440

just happens to be in those places

289

00:11:05,990 --> 00:11:03,760

there's underground bases in new mexico

290

00:11:08,230 --> 00:11:06,000

you know these there's you know kirkland

291

00:11:10,630 --> 00:11:08,240

air force base there's uh sandia labs

292

00:11:12,630 --> 00:11:10,640

there's los alamos you know there's

293

00:11:14,710 --> 00:11:12,640

dulce area which is you know obviously

294

00:11:16,949 --> 00:11:14,720

controversial it isn't a solid place you

295

00:11:18,470 --> 00:11:16,959

can drive up to and and hang out and

296

00:11:19,990 --> 00:11:18,480

know it's there it's kind of one of

297

00:11:22,150 --> 00:11:20,000

those mysterious things as we know and

298

00:11:24,550 --> 00:11:22,160

that's why we're talking about it today

299

00:11:26,870 --> 00:11:24,560

but uh yeah there's a lot of things

300

00:11:29,509 --> 00:11:26,880

there i mean rainbow and i have you know

301

00:11:31,670 --> 00:11:29,519

uh seen dogman there actually had a

302

00:11:33,590 --> 00:11:31,680

confrontation with a dog man you know

303

00:11:36,550 --> 00:11:33,600

we've had you know all that's on

304

00:11:38,230 --> 00:11:36,560

dimensional walking uh but there's just

305

00:11:40,870 --> 00:11:38,240

a lot of stuff going on skin walkers

306

00:11:42,389 --> 00:11:40,880

we've done skin walkers uh it's there is

307

00:11:44,230 --> 00:11:42,399

a lot of stuff there there's no doubt

308

00:11:46,389 --> 00:11:44,240

about it and if i was if i was into

309

00:11:48,470 --> 00:11:46,399

calling things a hot spot i guess i'd

310

00:11:51,110 --> 00:11:48,480

probably call it a hot spot yeah yeah

311

00:11:53,829 --> 00:11:51,120

that i'm very intrigued about the uh the

312

00:11:56,069 --> 00:11:53,839

the skinwalkers and the dog men it was

313

00:11:58,310 --> 00:11:56,079

it was it near where the quote-unquote

314

00:12:00,790 --> 00:11:58,320

base was or i mean probably fairly close

315

00:12:03,110 --> 00:12:00,800

it sounds like well the dogman incident

316

00:12:05,110 --> 00:12:03,120

was when uh we lived in albuquerque and

317

00:12:06,870 --> 00:12:05,120

are you familiar with albuquerque sure

318

00:12:08,310 --> 00:12:06,880

okay so you know where sandia mountain

319

00:12:10,150 --> 00:12:08,320

is uh-huh

320

00:12:12,230 --> 00:12:10,160

yeah well on the other side there's a

321

00:12:14,470 --> 00:12:12,240

big forest back there there's a ski

322

00:12:16,550 --> 00:12:14,480

resort up on top and there's a forest so

323

00:12:18,470 --> 00:12:16,560

we would go up there and hike a lot

324

00:12:20,069 --> 00:12:18,480

and so one day and i won't give you the

325

00:12:21,829 --> 00:12:20,079

whole the whole thing because it'll take

326

00:12:24,389 --> 00:12:21,839

us a while but one day we're up on that

327

00:12:27,670 --> 00:12:24,399

mountain we're doing and we actually saw

328

00:12:29,750 --> 00:12:27,680

one running moving through on a pathway

329

00:12:32,310 --> 00:12:29,760

and so we followed it up there and

330

00:12:34,629 --> 00:12:32,320

basically told us don't come any closer

331

00:12:37,110 --> 00:12:34,639

and we were able to get some long shots

332

00:12:39,829 --> 00:12:37,120

of it in the trees and you can go to our

333

00:12:41,110 --> 00:12:39,839

what we have a website to uh trueseeker

334

00:12:43,350 --> 00:12:41,120

forum

335

00:12:45,670 --> 00:12:43,360

which is where i've written for 13 years

336

00:12:47,190 --> 00:12:45,680

on there and on there if you do vortex

337

00:12:49,030 --> 00:12:47,200

photography

338

00:12:51,030 --> 00:12:49,040

you can you'll get i believe that

339

00:12:52,550 --> 00:12:51,040

picture is on there somewheres and

340

00:12:54,069 --> 00:12:52,560

there's so much stuff on there it's hard

341

00:12:54,870 --> 00:12:54,079

to find it sometimes

342

00:12:57,110 --> 00:12:54,880

but

343

00:12:59,350 --> 00:12:57,120

anyways so we had this confrontation

344

00:13:01,509 --> 00:12:59,360

basically with it at a distance yeah and

345

00:13:04,069 --> 00:13:01,519

rainbow being rainbow being an impasse

346

00:13:06,310 --> 00:13:04,079

she had a very strong feeling

347

00:13:08,069 --> 00:13:06,320

even i got it was so strong and i even

348

00:13:10,310 --> 00:13:08,079

got i'm not i don't consider myself a

349

00:13:11,670 --> 00:13:10,320

strong empath but i do i do have some of

350

00:13:14,550 --> 00:13:11,680

those abilities

351

00:13:17,269 --> 00:13:14,560

it's basically told us to back off and

352

00:13:19,030 --> 00:13:17,279

don't come any closer and we honor we

353

00:13:20,470 --> 00:13:19,040

always honor any of that feeling

354

00:13:22,710 --> 00:13:20,480

especially in the woods or wherever

355

00:13:26,310 --> 00:13:22,720

we're researching if something tells us

356

00:13:27,350 --> 00:13:26,320

to back off we back off amen i i respect

357

00:13:33,910 --> 00:13:27,360

that

358

00:13:35,910 --> 00:13:33,920

how did you first meet gabe valdez and

359

00:13:44,150 --> 00:13:35,920

how did this change or add to your

360

00:13:48,069 --> 00:13:45,350

it was one of our

361

00:13:50,550 --> 00:13:48,079

initial meetings of the new mexico

362

00:13:52,790 --> 00:13:50,560

ufo paranormal forum i don't even we

363

00:13:54,790 --> 00:13:52,800

call it something else then but anyways

364

00:13:56,470 --> 00:13:54,800

we used to meet initially before we

365

00:13:58,310 --> 00:13:56,480

really got going

366

00:13:59,590 --> 00:13:58,320

we met a group of there was probably

367

00:14:01,750 --> 00:13:59,600

seven of us

368

00:14:03,430 --> 00:14:01,760

and one of the people in oriole so we

369

00:14:05,030 --> 00:14:03,440

used to meet at our houses so we

370

00:14:07,590 --> 00:14:05,040

happened to be meeting at

371

00:14:08,550 --> 00:14:07,600

his house norrio's house

372

00:14:11,269 --> 00:14:08,560

and

373

00:14:13,990 --> 00:14:11,279

there was gabe i didn't know it

374

00:14:16,710 --> 00:14:14,000

gabe kind of showed up and that was my

375

00:14:18,870 --> 00:14:16,720

introduction with gabe and of course he

376

00:14:21,509 --> 00:14:18,880

was he's just the most fascinating guy

377

00:14:23,430 --> 00:14:21,519

he'd ever want to meet and he just kind

378

00:14:25,430 --> 00:14:23,440

of went into some of the stuff that he

379

00:14:27,590 --> 00:14:25,440

knew about and and what he had done and

380

00:14:30,230 --> 00:14:27,600

you know he was in the academy relations

381

00:14:32,629 --> 00:14:30,240

and he was you know he was this

382

00:14:34,310 --> 00:14:32,639

police uh let's see what they call him

383

00:14:36,870 --> 00:14:34,320

new mexico police

384

00:14:37,910 --> 00:14:36,880

state police and he that was his area up

385

00:14:40,949 --> 00:14:37,920

there and

386

00:14:43,030 --> 00:14:40,959

and so he just was knew everybody

387

00:14:45,590 --> 00:14:43,040

and you know so he had a lot to talk

388

00:14:47,910 --> 00:14:45,600

about and he had you know he was he was

389

00:14:49,269 --> 00:14:47,920

into a lot of ufos you know he was that

390

00:14:51,350 --> 00:14:49,279

and he he

391

00:14:53,189 --> 00:14:51,360

he shared pretty freely i don't want to

392

00:14:55,269 --> 00:14:53,199

say he told us everything but he

393

00:14:57,269 --> 00:14:55,279

definitely in that group little group of

394

00:14:59,750 --> 00:14:57,279

like-minded people he did share a lot

395

00:15:02,150 --> 00:14:59,760

with us so anyways that was that was how

396

00:15:04,230 --> 00:15:02,160

i met him and then we kind of kept over

397

00:15:05,590 --> 00:15:04,240

the years we kept up with emails back

398

00:15:08,470 --> 00:15:05,600

and forth and occasionally he would come

399

00:15:11,189 --> 00:15:08,480

to my group i think it was there twice

400

00:15:13,269 --> 00:15:11,199

and then he was at you know this wake up

401
00:15:15,430 --> 00:15:13,279
conference i told you about

402
00:15:17,829 --> 00:15:15,440
this ufo kind of

403
00:15:19,829 --> 00:15:17,839
paranormal conference that we did in

404
00:15:22,629 --> 00:15:19,839
albuquerque i can't remember what year

405
00:15:24,230 --> 00:15:22,639
it was but anyway so he was there and

406
00:15:25,990 --> 00:15:24,240
then we had some interesting

407
00:15:27,430 --> 00:15:26,000
conversations

408
00:15:29,590 --> 00:15:27,440
there and that's

409
00:15:30,870 --> 00:15:29,600
i guess at that point that's where where

410
00:15:33,590 --> 00:15:30,880
gabe uh

411
00:15:34,550 --> 00:15:33,600
offered to take me up to the cindy among

412
00:15:36,069 --> 00:15:34,560
and

413
00:15:38,069 --> 00:15:36,079

show me some stuff

414

00:15:39,030 --> 00:15:38,079

amazing and

415

00:15:41,030 --> 00:15:39,040

uh

416

00:15:43,030 --> 00:15:41,040

gabe valdez and a gentleman i'll i'll

417

00:15:44,629 --> 00:15:43,040

just call dr howard

418

00:15:47,110 --> 00:15:44,639

witnessed

419

00:15:49,030 --> 00:15:47,120

to keep his last name secret is you want

420

00:15:50,790 --> 00:15:49,040

to keep it secret i don't know oh i know

421

00:15:51,990 --> 00:15:50,800

who it is i know you're talking about

422

00:15:54,870 --> 00:15:52,000

okay listen

423

00:15:56,710 --> 00:15:54,880

doctor howard alice so

424

00:15:58,790 --> 00:15:56,720

he was an answer paula just

425

00:16:00,629 --> 00:15:58,800

okay they witnessed something like

426

00:16:01,590 --> 00:16:00,639

symbols or drawings on archuleta

427

00:16:05,110 --> 00:16:01,600

mountain

428

00:16:06,310 --> 00:16:05,120

can we go into those a little bit yeah i

429

00:16:07,590 --> 00:16:06,320

well i

430

00:16:10,310 --> 00:16:07,600

you know here's the interesting thing

431

00:16:11,590 --> 00:16:10,320

about that i i've heard about them

432

00:16:14,949 --> 00:16:11,600

um

433

00:16:17,030 --> 00:16:14,959

and uh i can i well we'll see how the

434

00:16:19,829 --> 00:16:17,040

question goes uh

435

00:16:21,590 --> 00:16:19,839

i i've not actually seen those i know

436

00:16:23,350 --> 00:16:21,600

that there's but there was talk when we

437

00:16:25,509 --> 00:16:23,360

were up there at the conference

438

00:16:29,350 --> 00:16:25,519

some people talking about that

439

00:16:30,230 --> 00:16:29,360

uh i kinda know where they are

440

00:16:31,829 --> 00:16:30,240

uh

441

00:16:34,069 --> 00:16:31,839

but you know i've been throughout new

442

00:16:37,350 --> 00:16:34,079

mexico i i'm sure you're aware of it

443

00:16:39,430 --> 00:16:37,360

that there's a the glyphs uh are

444

00:16:41,749 --> 00:16:39,440

everywheres there's all kinds of glyphs

445

00:16:44,389 --> 00:16:41,759

and a lot of them which are just similar

446

00:16:47,030 --> 00:16:44,399

to these also have these symbols that

447

00:16:49,749 --> 00:16:47,040

look like ufos that look like they're uh

448

00:16:52,150 --> 00:16:49,759

possible aliens space aliens with big

449

00:16:54,310 --> 00:16:52,160

heads with big eyes and and very similar

450

00:16:56,069 --> 00:16:54,320

things i believe that's what it was now

451
00:16:58,629 --> 00:16:56,079
there may have been more things i didn't

452
00:17:02,069 --> 00:16:58,639
have a specific conversation with with

453
00:17:04,870 --> 00:17:02,079
either dr howard uh or uh gabe on those

454
00:17:06,230 --> 00:17:04,880
specific things but i do know of them

455
00:17:08,470 --> 00:17:06,240
and i believe

456
00:17:10,549 --> 00:17:08,480
probably they exist so amazing you may

457
00:17:13,750 --> 00:17:10,559
know more about it than i do actually

458
00:17:16,069 --> 00:17:13,760
and um along the same lines i i've heard

459
00:17:18,309 --> 00:17:16,079
the stories of the vents

460
00:17:20,630 --> 00:17:18,319
and others have seen vents as well is

461
00:17:22,549 --> 00:17:20,640
that correct sure yes that is well that

462
00:17:25,110 --> 00:17:22,559
is correct and that was one of the

463
00:17:26,309 --> 00:17:25,120

things that the wake up conference

464

00:17:28,069 --> 00:17:26,319

actually was one of the last

465

00:17:32,150 --> 00:17:28,079

conversations i ever had with gabe

466

00:17:33,590 --> 00:17:32,160

before he died uh was that he came to me

467

00:17:35,990 --> 00:17:33,600

he approached me

468

00:17:37,830 --> 00:17:36,000

i was there i was working the conference

469

00:17:39,510 --> 00:17:37,840

and so i was really busy because i had

470

00:17:40,870 --> 00:17:39,520

we had to do the speaker you know it's

471

00:17:42,950 --> 00:17:40,880

just there's a lot of stuff that goes

472

00:17:44,310 --> 00:17:42,960

into doing a conference right so i

473

00:17:45,830 --> 00:17:44,320

really didn't have a whole lot of time

474

00:17:47,830 --> 00:17:45,840

but i did kind of go off to the side

475

00:17:48,950 --> 00:17:47,840

with him and he approached me and said

476

00:17:50,549 --> 00:17:48,960

listen mike

477

00:17:52,630 --> 00:17:50,559

i want to take you up there and i want

478

00:17:54,230 --> 00:17:52,640

to show you one of the events and of

479

00:17:56,150 --> 00:17:54,240

course we had talked he had talked about

480

00:17:57,110 --> 00:17:56,160

the vents but he never invited me up to

481

00:17:59,350 --> 00:17:57,120

see them

482

00:18:00,950 --> 00:17:59,360

and of course you know he went into the

483

00:18:03,270 --> 00:18:00,960

whole thing and i i said yeah you had

484

00:18:06,549 --> 00:18:03,280

told us about it blah blah blah

485

00:18:08,710 --> 00:18:06,559

and he said sure you know let's hook up

486

00:18:09,909 --> 00:18:08,720

i can't really talk about it anymore

487

00:18:11,190 --> 00:18:09,919

because i'm in the middle of a

488

00:18:13,350 --> 00:18:11,200

conference

489

00:18:15,270 --> 00:18:13,360

and i'll you know we'll hook up and

490

00:18:17,350 --> 00:18:15,280

we'll call and you know call each other

491

00:18:18,549 --> 00:18:17,360

or email or whatever and we'll set

492

00:18:21,190 --> 00:18:18,559

something up

493

00:18:23,510 --> 00:18:21,200

well unfortunately as as time went on

494

00:18:26,470 --> 00:18:23,520

you know he he he died

495

00:18:28,150 --> 00:18:26,480

and uh i never really never got up there

496

00:18:29,909 --> 00:18:28,160

but there were other people that had

497

00:18:32,870 --> 00:18:29,919

talked about the vents and supposedly

498

00:18:34,230 --> 00:18:32,880

facade events um and they were pretty

499

00:18:35,430 --> 00:18:34,240

impressed i mean one of the things they

500

00:18:37,510 --> 00:18:35,440

always said is

501
00:18:39,750 --> 00:18:37,520
it was kind of weird and it was a little

502
00:18:42,070 --> 00:18:39,760
unnerving because

503
00:18:44,789 --> 00:18:42,080
even then because a lot of people feel

504
00:18:46,710 --> 00:18:44,799
that the base is inactivated he said you

505
00:18:48,390 --> 00:18:46,720
could not so much hear anything but you

506
00:18:50,950 --> 00:18:48,400
could feel the kind of warmth there's

507
00:18:53,270 --> 00:18:50,960
some kind of air coming out of it yeah

508
00:18:56,070 --> 00:18:53,280
which is a was a little which was a

509
00:18:58,070 --> 00:18:56,080
little creepy scary if you consider what

510
00:19:01,190 --> 00:18:58,080
could be down there do you know what i'm

511
00:19:03,029 --> 00:19:01,200
saying absolutely no so anyways it was

512
00:19:05,029 --> 00:19:03,039
like holy crap i'm going to go up to

513
00:19:06,549 --> 00:19:05,039

sniff some air that god only knows there

514

00:19:09,190 --> 00:19:06,559

could be aliens down there or something

515

00:19:11,750 --> 00:19:09,200

i you don't really know

516

00:19:14,950 --> 00:19:11,760

but anyways i believe i believe gabe i

517

00:19:17,830 --> 00:19:14,960

believe the event was there you know and

518

00:19:20,870 --> 00:19:17,840

uh you know i was a bit excited a little

519

00:19:23,029 --> 00:19:20,880

anxious a little cautious

520

00:19:24,710 --> 00:19:23,039

about going up there but one thing about

521

00:19:26,070 --> 00:19:24,720

gabe is he didn't know

522

00:19:28,150 --> 00:19:26,080

you know it's obviously on the

523

00:19:28,950 --> 00:19:28,160

reservation the hickory apache nation

524

00:19:31,029 --> 00:19:28,960

okay

525

00:19:33,110 --> 00:19:31,039

and he didn't know them all so i felt

526

00:19:36,830 --> 00:19:33,120

much better i would not have never gone

527

00:19:39,510 --> 00:19:36,840

up with a non-i i would call it

528

00:19:41,590 --> 00:19:39,520

non-native and or gabe that was kind of

529

00:19:42,789 --> 00:19:41,600

the choice it was either gator or a

530

00:19:44,789 --> 00:19:42,799

native

531

00:19:47,110 --> 00:19:44,799

that i knew well you know i wouldn't

532

00:19:48,630 --> 00:19:47,120

want to be dumped in the event that's

533

00:19:49,830 --> 00:19:48,640

for sure so

534

00:19:53,990 --> 00:19:49,840

yeah

535

00:19:55,909 --> 00:19:54,000

it it could have been something really

536

00:19:58,789 --> 00:19:55,919

interesting but you know i did get a

537

00:20:01,430 --> 00:19:58,799

long conversation with gabe

538

00:20:03,510 --> 00:20:01,440

about the whole situation plus other

539

00:20:05,909 --> 00:20:03,520

people norio included he knew a lot of

540

00:20:08,870 --> 00:20:05,919

stuff too that he had heard from gabe

541

00:20:11,590 --> 00:20:08,880

and other people so i i was i was really

542

00:20:13,430 --> 00:20:11,600

lucky to be in a position at that time

543

00:20:16,549 --> 00:20:13,440

to to be able to get this type of

544

00:20:19,909 --> 00:20:16,559

information um anyways so that's that's

545

00:20:22,070 --> 00:20:19,919

that you really were my gosh and

546

00:20:25,350 --> 00:20:22,080

just you know the the back to the vent

547

00:20:27,830 --> 00:20:25,360

thing i i remember uh

548

00:20:29,909 --> 00:20:27,840

hearing about from a friend of mine

549

00:20:32,950 --> 00:20:29,919

known as dave rosenfeld

550

00:20:36,230 --> 00:20:32,960

he he studies another base up here in

551
00:20:37,750 --> 00:20:36,240
utah known as the dugway proving ground

552
00:20:40,630 --> 00:20:37,760
oh my gosh

553
00:20:43,110 --> 00:20:40,640
really the dugway yeah and i lived in

554
00:20:45,029 --> 00:20:43,120
utah you know oh yeah

555
00:20:46,870 --> 00:20:45,039
we did some of our own research over

556
00:20:49,669 --> 00:20:46,880
there and got ourselves into some

557
00:20:51,430 --> 00:20:49,679
trouble yeah it's wild out there

558
00:20:53,830 --> 00:20:51,440
and it's a similar thing

559
00:20:56,470 --> 00:20:53,840
similar thing he he mentioned

560
00:20:58,470 --> 00:20:56,480
some vents and i i sure enough went and

561
00:20:59,909 --> 00:20:58,480
i didn't believe it and i've kind of

562
00:21:02,070 --> 00:20:59,919
similar to what you were saying where

563
00:21:04,070 --> 00:21:02,080

you can feel that air coming in yeah and

564

00:21:06,710 --> 00:21:04,080

it's like it's got to go somewhere

565

00:21:09,270 --> 00:21:06,720

so i believe that 100 that is so neat

566

00:21:11,430 --> 00:21:09,280

you used to live in utah that's great

567

00:21:14,710 --> 00:21:11,440

oh yeah see we've been a skinwalker

568

00:21:17,029 --> 00:21:14,720

ranch and we've had if you look you know

569

00:21:19,590 --> 00:21:17,039

i think our one of our videos talks

570

00:21:22,230 --> 00:21:19,600

about that pretty specifically uh about

571

00:21:25,029 --> 00:21:22,240

skinwalker ranch and the stuff we well

572

00:21:27,029 --> 00:21:25,039

we never got in it but the things that

573

00:21:29,590 --> 00:21:27,039

came and followed us back home are

574

00:21:32,390 --> 00:21:29,600

pretty incredible that is that

575

00:21:37,430 --> 00:21:34,710

that area you did yeah so

576

00:21:39,830 --> 00:21:37,440

i own a property just south of it uh

577

00:21:41,830 --> 00:21:39,840

adjacent to the south border known as

578

00:21:43,990 --> 00:21:41,840

space wolf research and what you're

579

00:21:45,110 --> 00:21:44,000

saying though that that stuff coming

580

00:21:47,909 --> 00:21:45,120

home with you

581

00:21:50,710 --> 00:21:47,919

is a very very real

582

00:21:52,710 --> 00:21:50,720

yeah yeah i mean we can you know anytime

583

00:21:54,230 --> 00:21:52,720

you want to talk about that i'd probably

584

00:21:56,549 --> 00:21:54,240

love to if you want to do another

585

00:21:57,990 --> 00:21:56,559

interview on that we can tell you and

586

00:21:59,990 --> 00:21:58,000

even though we've talked about it before

587

00:22:02,549 --> 00:22:00,000

i mean you've had since you had some of

588

00:22:04,149 --> 00:22:02,559

the same thing it may be a good one to

589

00:22:06,230 --> 00:22:04,159

do but i love to have rainbow here

590

00:22:08,230 --> 00:22:06,240

because she was the one that had the

591

00:22:10,390 --> 00:22:08,240

director she's the empath

592

00:22:11,430 --> 00:22:10,400

so she makes she makes contact with

593

00:22:12,549 --> 00:22:11,440

beings

594

00:22:14,390 --> 00:22:12,559

and

595

00:22:16,070 --> 00:22:14,400

the experience we had after we came back

596

00:22:17,750 --> 00:22:16,080

from belsey was

597

00:22:20,549 --> 00:22:17,760

i mean i'm sorry came back from skin

598

00:22:22,390 --> 00:22:20,559

milwaukee ranch and plus

599

00:22:24,230 --> 00:22:22,400

uh yeah there's another little aspect of

600

00:22:25,590 --> 00:22:24,240

it when i did the olympics there i had

601
00:22:27,110 --> 00:22:25,600
somebody to work for me that was a

602
00:22:29,590 --> 00:22:27,120
policeman up there

603
00:22:30,470 --> 00:22:29,600
and the stories he told me were

604
00:22:33,430 --> 00:22:30,480
oh

605
00:22:34,950 --> 00:22:33,440
shocking i'm sure to me we're shocking

606
00:22:36,870 --> 00:22:34,960
we're quite shocking what happened with

607
00:22:38,950 --> 00:22:36,880
him so anyways

608
00:22:40,470 --> 00:22:38,960
you know that's that's up to you uh but

609
00:22:41,990 --> 00:22:40,480
we could do that sometime in the future

610
00:22:43,909 --> 00:22:42,000
right that would be great i would love

611
00:22:45,909 --> 00:22:43,919
to that's kind of i

612
00:22:48,630 --> 00:22:45,919
it fascinates me and i could talk about

613
00:22:50,470 --> 00:22:48,640

that all day it yeah yeah yeah no no no

614

00:22:52,710 --> 00:22:50,480

we were we were we always wanted it was

615

00:22:55,669 --> 00:22:52,720

kind of our go-to place and when i got a

616

00:22:57,669 --> 00:22:55,679

i got an opportunity to go back to utah

617

00:23:00,630 --> 00:22:57,679

we took the opportunity

618

00:23:03,590 --> 00:23:00,640

um and i was just doing i was doing my

619

00:23:06,070 --> 00:23:03,600

my work you know making a living type

620

00:23:08,310 --> 00:23:06,080

work but we had a lot of time and we did

621

00:23:10,230 --> 00:23:08,320

exploring we went to we went to dallas

622

00:23:12,710 --> 00:23:10,240

and we went to uh at del se keep going

623

00:23:15,270 --> 00:23:12,720

and getting back to chelsea but dug away

624

00:23:18,310 --> 00:23:15,280

and we did a lot of stuff uh up in the

625

00:23:19,909 --> 00:23:18,320

mountains you know we we did uh and you

626

00:23:22,470 --> 00:23:19,919

know i knew a lot of people there

627

00:23:24,789 --> 00:23:22,480

because i did the olympics and you know

628

00:23:26,470 --> 00:23:24,799

i had you know uh

629

00:23:29,990 --> 00:23:26,480

connections there let's just put it that

630

00:23:32,070 --> 00:23:30,000

way so we were lucky enough to uh

631

00:23:33,990 --> 00:23:32,080

be able to kind of move around

632

00:23:36,870 --> 00:23:34,000

i don't want to say freely but sort of

633

00:23:38,630 --> 00:23:36,880

freely i guess in a way but anyways yes

634

00:23:41,190 --> 00:23:38,640

we found utah quite

635

00:23:43,909 --> 00:23:41,200

fascinating and a little scary at the

636

00:23:46,149 --> 00:23:43,919

same time yeah the southwest in general

637

00:23:48,390 --> 00:23:46,159

just seems to be you know

638

00:23:50,870 --> 00:23:48,400

kind of getting back to that a lot along

639

00:23:53,830 --> 00:23:50,880

along the lines of skinwalker ranch and

640

00:23:56,390 --> 00:23:53,840

sure dulce and dugway and all this stuff

641

00:23:58,549 --> 00:23:56,400

you know portals and vortexes

642

00:24:00,870 --> 00:23:58,559

have been reported on or around

643

00:24:03,430 --> 00:24:00,880

archuleta mesa and archuleta right

644

00:24:05,350 --> 00:24:03,440

mountain right quite often have you

645

00:24:07,430 --> 00:24:05,360

heard any stories about the portals and

646

00:24:09,110 --> 00:24:07,440

vortexes in the area

647

00:24:11,269 --> 00:24:09,120

um

648

00:24:14,230 --> 00:24:11,279

yeah i yeah i'm going to just tell you

649

00:24:15,830 --> 00:24:14,240

one when we came when we did the con

650

00:24:18,230 --> 00:24:15,840

well norio did the conference we

651
00:24:19,750 --> 00:24:18,240
assisted but when we when we went up

652
00:24:22,230 --> 00:24:19,760
there was a group of us

653
00:24:24,789 --> 00:24:22,240
that got there early and that was the

654
00:24:26,390 --> 00:24:24,799
the conference was on a sunday sunday

655
00:24:28,870 --> 00:24:26,400
morning it started it was like a one day

656
00:24:30,310 --> 00:24:28,880
deal so we came on saturday and stayed

657
00:24:32,789 --> 00:24:30,320
overnight

658
00:24:33,590 --> 00:24:32,799
and before we went to the hotel we drove

659
00:24:35,750 --> 00:24:33,600
out

660
00:24:36,789 --> 00:24:35,760
to archuleta mesa we were able to get

661
00:24:39,510 --> 00:24:36,799
out there

662
00:24:40,950 --> 00:24:39,520
and didn't have any problems per se and

663
00:24:42,950 --> 00:24:40,960

and of course we were going to kind of

664

00:24:44,870 --> 00:24:42,960

use our past saying you know we're part

665

00:24:46,950 --> 00:24:44,880

of the conference actually in reality

666

00:24:48,390 --> 00:24:46,960

that may not have been a good thing but

667

00:24:50,470 --> 00:24:48,400

we didn't have to use it but there was a

668

00:24:52,789 --> 00:24:50,480

lot of people looking at us you know us

669

00:24:54,310 --> 00:24:52,799

white people there uh we still stood out

670

00:24:57,350 --> 00:24:54,320

like a sore thumb

671

00:25:02,630 --> 00:24:57,360

but anyway so we went up to the kind of

672

00:25:06,310 --> 00:25:03,909

and

673

00:25:07,750 --> 00:25:06,320

you know one of the things i do

674

00:25:10,470 --> 00:25:07,760

and and

675

00:25:13,750 --> 00:25:10,480

it's is i'm a vortex photographer

676

00:25:16,870 --> 00:25:13,760

so what i do is i take i take pictures

677

00:25:19,669 --> 00:25:16,880

uh and i get weird creatures

678

00:25:20,950 --> 00:25:19,679

and what i try to do is i have a guy

679

00:25:24,149 --> 00:25:20,960

named uh

680

00:25:26,950 --> 00:25:24,159

uh kiwani who is a is probably one of

681

00:25:30,149 --> 00:25:26,960

the finest and the best uh researchers

682

00:25:33,909 --> 00:25:30,159

in sasquatch and he also douses and he

683

00:25:36,230 --> 00:25:33,919

he can douse maps and find vortexes

684

00:25:37,909 --> 00:25:36,240

so what i typically have him do he'll do

685

00:25:40,149 --> 00:25:37,919

a map

686

00:25:42,470 --> 00:25:40,159

for me and then what we do is i would go

687

00:25:44,789 --> 00:25:42,480

out and take these random shots and on

688

00:25:47,830 --> 00:25:44,799

these random shots i'd find some really

689

00:25:50,230 --> 00:25:47,840

interesting stuff okay so anyways i went

690

00:25:52,549 --> 00:25:50,240

ahead i didn't know about the vortexes

691

00:25:55,029 --> 00:25:52,559

but i took some shots of the side of the

692

00:25:57,110 --> 00:25:55,039

mesa some random shots and in one of

693

00:25:58,710 --> 00:25:57,120

them i got the strangest creature and i

694

00:26:00,070 --> 00:25:58,720

believe it was a vortex there it felt

695

00:26:02,310 --> 00:26:00,080

like a vortex

696

00:26:04,789 --> 00:26:02,320

you go i got to tell you you can feel

697

00:26:07,190 --> 00:26:04,799

them when you're you're actually either

698

00:26:08,789 --> 00:26:07,200

close to them you probably always don't

699

00:26:10,870 --> 00:26:08,799

want to be in them

700

00:26:13,590 --> 00:26:10,880

but you can feel the energy the energy

701
00:26:15,190 --> 00:26:13,600
is much different than just being normal

702
00:26:16,630 --> 00:26:15,200
walking through a woods or whatever or

703
00:26:18,230 --> 00:26:16,640
wherever you find the vortex can be

704
00:26:19,029 --> 00:26:18,240
anywhere they can be in your frickin

705
00:26:20,630 --> 00:26:19,039
house

706
00:26:22,390 --> 00:26:20,640
you know there's nothing you don't have

707
00:26:23,669 --> 00:26:22,400
to go too far there's vortexes

708
00:26:25,110 --> 00:26:23,679
everywhere

709
00:26:26,950 --> 00:26:25,120
and i i could tell you a really cool

710
00:26:29,750 --> 00:26:26,960
story about one of the biggest we ran

711
00:26:30,789 --> 00:26:29,760
across kiwani and i went ran across

712
00:26:33,110 --> 00:26:30,799
years ago

713
00:26:35,190 --> 00:26:33,120

but anyways so i looked this i said

714

00:26:37,750 --> 00:26:35,200

jesus you know it feels like a vortex so

715

00:26:40,630 --> 00:26:37,760

i go i did my random shots in the area

716

00:26:43,029 --> 00:26:40,640

towards it and there was

717

00:26:44,870 --> 00:26:43,039

this i guess a vortex area and there's

718

00:26:46,630 --> 00:26:44,880

this creature it was the strangest

719

00:26:50,470 --> 00:26:46,640

creature i've ever seen

720

00:26:53,190 --> 00:26:50,480

it looked like a huge turtle

721

00:26:55,590 --> 00:26:53,200

huge

722

00:26:57,029 --> 00:26:55,600

it's kind of like a

723

00:26:58,630 --> 00:26:57,039

flying

724

00:27:00,630 --> 00:26:58,640

animated right there it just stopped

725

00:27:04,630 --> 00:27:00,640

right in the opening of what i'll call a

726

00:27:07,350 --> 00:27:04,640

vortex almost like a cave vortex and uh

727

00:27:09,190 --> 00:27:07,360

anyways there it was it was crazy and

728

00:27:11,350 --> 00:27:09,200

and the other people that i was with

729

00:27:13,190 --> 00:27:11,360

actually did see it once i focused on it

730

00:27:15,269 --> 00:27:13,200

they could see it kind with their naked

731

00:27:16,630 --> 00:27:15,279

eye but they could see a lot better with

732

00:27:18,389 --> 00:27:16,640

my uh

733

00:27:20,230 --> 00:27:18,399

uh with the camera itself because i

734

00:27:23,029 --> 00:27:20,240

would blow it up and then do it and of

735

00:27:25,190 --> 00:27:23,039

course i kept the picture for later and

736

00:27:26,870 --> 00:27:25,200

i believe it's on the true secret form

737

00:27:28,710 --> 00:27:26,880

if you just put in your vortex

738

00:27:30,470 --> 00:27:28,720

photography it'll it'll it'll be one of

739

00:27:31,269 --> 00:27:30,480

the many vortex photographs i have on

740

00:27:33,510 --> 00:27:31,279

there

741

00:27:35,590 --> 00:27:33,520

so anyways that's that was my experience

742

00:27:38,630 --> 00:27:35,600

with the board

743

00:27:40,950 --> 00:27:38,640

now one more comment i will make is when

744

00:27:43,510 --> 00:27:40,960

at the very end of the conference

745

00:27:45,669 --> 00:27:43,520

uh and if you you listen to what i told

746

00:27:48,470 --> 00:27:45,679

uh on the other ones i did the other

747

00:27:49,750 --> 00:27:48,480

videos i talked about uh you know the

748

00:27:51,669 --> 00:27:49,760

native americans coming and one of the

749

00:27:55,110 --> 00:27:51,679

stories they told they used the word

750

00:27:58,870 --> 00:27:55,120

vortex on that they would experience

751
00:28:00,870 --> 00:27:58,880
things in border detectives areas on the

752
00:28:02,549 --> 00:28:00,880
may on and around the mesa didn't go

753
00:28:03,830 --> 00:28:02,559
into a whole lot of detail there were

754
00:28:06,149 --> 00:28:03,840
some other things that came to my

755
00:28:08,630 --> 00:28:06,159
attention because as i and we can talk

756
00:28:10,470 --> 00:28:08,640
about that a little later but uh was

757
00:28:11,990 --> 00:28:10,480
that some of these other things were

758
00:28:14,389 --> 00:28:12,000
just so

759
00:28:16,389 --> 00:28:14,399
unbelievable that i didn't pick up all

760
00:28:18,870 --> 00:28:16,399
and it was all one two three hitting so

761
00:28:20,870 --> 00:28:18,880
hard so fast with all these people it

762
00:28:22,470 --> 00:28:20,880
was like i was i was overwhelmed and the

763
00:28:24,710 --> 00:28:22,480

other people with me were

764

00:28:26,470 --> 00:28:24,720

but uh so i try to remember as much as i

765

00:28:28,870 --> 00:28:26,480

could i wrote down as much as i could

766

00:28:31,029 --> 00:28:28,880

but i do remember somebody saying about

767

00:28:32,230 --> 00:28:31,039

it talked about a vortex and they would

768

00:28:33,510 --> 00:28:32,240

see a lot of stuff coming out of

769

00:28:34,310 --> 00:28:33,520

vortexes

770

00:28:35,669 --> 00:28:34,320

and

771

00:28:37,110 --> 00:28:35,679

i want to say

772

00:28:40,789 --> 00:28:37,120

it was probably on the mesa it's what

773

00:28:41,830 --> 00:28:40,799

they were talking about so amazing and

774

00:28:48,710 --> 00:28:41,840

the

775

00:28:50,310 --> 00:28:48,720

portals or vortexes i definitely want to

776

00:28:53,350 --> 00:28:50,320

hear about that

777

00:28:55,430 --> 00:28:53,360

that's not here that's not in new mexico

778

00:28:57,990 --> 00:28:55,440

now we're going to jump state now sure

779

00:29:00,870 --> 00:28:58,000

sure yeah i'm okay with that yeah you're

780

00:29:02,789 --> 00:29:00,880

you're the boss i guess right um yeah so

781

00:29:05,070 --> 00:29:02,799

there's a pla yeah so

782

00:29:07,830 --> 00:29:05,080

i used to go on these mini

783

00:29:11,029 --> 00:29:07,840

expeditions with kiwani lapsertis now

784

00:29:13,110 --> 00:29:11,039

he's the sasquatch genius i mean you

785

00:29:15,029 --> 00:29:13,120

know he's had made contact it's on and i

786

00:29:17,110 --> 00:29:15,039

can go but anyways he's really

787

00:29:18,710 --> 00:29:17,120

incredible so anyways he does the map

788

00:29:20,789 --> 00:29:18,720

the dowsing right

789

00:29:23,269 --> 00:29:20,799

so we are uh

790

00:29:24,950 --> 00:29:23,279

we're in montana and we're gonna drive

791

00:29:26,789 --> 00:29:24,960

he knew of a place

792

00:29:29,510 --> 00:29:26,799

that he he called one of the largest

793

00:29:31,590 --> 00:29:29,520

vortexes in in the world and what was

794

00:29:33,269 --> 00:29:31,600

different about this one was or in the

795

00:29:34,470 --> 00:29:33,279

united states i shouldn't say the world

796

00:29:36,230 --> 00:29:34,480

united states

797

00:29:38,310 --> 00:29:36,240

um one of the differences was this is

798

00:29:39,430 --> 00:29:38,320

one of the more permanent ones

799

00:29:42,470 --> 00:29:39,440

okay

800

00:29:44,470 --> 00:29:42,480

uh the reason is is vortexes will move

801
00:29:46,950 --> 00:29:44,480
because the earth creates some of the

802
00:29:48,950 --> 00:29:46,960
vortexes and some of them do move and

803
00:29:51,110 --> 00:29:48,960
most of them do move and some most of

804
00:29:53,029 --> 00:29:51,120
them are small right

805
00:29:54,789 --> 00:29:53,039
but there is some for some reason and i

806
00:29:56,870 --> 00:29:54,799
don't really know why they're more

807
00:29:58,149 --> 00:29:56,880
permanent so they're seem to be always

808
00:30:01,269 --> 00:29:58,159
there

809
00:30:03,190 --> 00:30:01,279
so anyways so we uh he's douses for this

810
00:30:05,430 --> 00:30:03,200
thing and and there's a story behind

811
00:30:07,350 --> 00:30:05,440
that but you know again it's the stores

812
00:30:09,110 --> 00:30:07,360
are pretty long so we're gonna kind of

813
00:30:11,510 --> 00:30:09,120

get right to the chase

814

00:30:13,430 --> 00:30:11,520

and anyway so we find this vortex it

815

00:30:14,950 --> 00:30:13,440

ended up being in idaho

816

00:30:17,669 --> 00:30:14,960

and we're i'll just give you a general

817

00:30:19,750 --> 00:30:17,679

location it's probably 40 miles outside

818

00:30:21,269 --> 00:30:19,760

of missoula okay

819

00:30:22,710 --> 00:30:21,279

and i'm not going to give you the exact

820

00:30:25,669 --> 00:30:22,720

location because i don't want a lot of

821

00:30:28,630 --> 00:30:25,679

people going there but it's uh it's it's

822

00:30:30,310 --> 00:30:28,640

in a beautiful valley and uh anyways we

823

00:30:33,190 --> 00:30:30,320

go to this vortex

824

00:30:35,350 --> 00:30:33,200

and we hang out at the vortex

825

00:30:37,430 --> 00:30:35,360

and it's a terrible day it's in june

826

00:30:40,789 --> 00:30:37,440

it's snowing and it's sleeting and it's

827

00:30:41,990 --> 00:30:40,799

absolutely unbelievably terrible and

828

00:30:44,310 --> 00:30:42,000

we're going to sit we're going to kind

829

00:30:46,230 --> 00:30:44,320

of hang out here and and see if

830

00:30:48,389 --> 00:30:46,240

right by the vortex to see if something

831

00:30:49,990 --> 00:30:48,399

will come through

832

00:30:51,909 --> 00:30:50,000

because kiwani has been at this place

833

00:30:53,029 --> 00:30:51,919

before and he had things that would come

834

00:30:55,190 --> 00:30:53,039

in and out

835

00:30:57,590 --> 00:30:55,200

um you know like sasquatch or other kind

836

00:30:59,350 --> 00:30:57,600

of entities would move in and out if you

837

00:31:01,830 --> 00:30:59,360

just sit there quietly

838

00:31:03,509 --> 00:31:01,840

you would actually see that he had a dog

839

00:31:05,669 --> 00:31:03,519

he had a dog

840

00:31:07,750 --> 00:31:05,679

named um golly what was the dog's name

841

00:31:09,350 --> 00:31:07,760

he'll he'd kill me if i forgot his name

842

00:31:10,870 --> 00:31:09,360

uh comanche

843

00:31:12,149 --> 00:31:10,880

and this dog was incredible because he

844

00:31:15,350 --> 00:31:12,159

would see stuff coming out of the

845

00:31:16,870 --> 00:31:15,360

vortexes before kiwani did and so he'd

846

00:31:18,789 --> 00:31:16,880

watch his dog

847

00:31:21,190 --> 00:31:18,799

and if this dog looked he was pointing

848

00:31:23,750 --> 00:31:21,200

or looking then he would direct his

849

00:31:26,389 --> 00:31:23,760

attention over to that corner right

850

00:31:28,310 --> 00:31:26,399

so anyways uh the dog the dog was with

851

00:31:30,630 --> 00:31:28,320

us and we're sitting there and we're

852

00:31:32,070 --> 00:31:30,640

looking and and uh

853

00:31:33,830 --> 00:31:32,080

nothing really happened i mean you could

854

00:31:34,870 --> 00:31:33,840

feel you're in a different kind of place

855

00:31:36,470 --> 00:31:34,880

right

856

00:31:38,549 --> 00:31:36,480

uh nothing really happened it was a huge

857

00:31:41,029 --> 00:31:38,559

vortex but this is what i wanted to tell

858

00:31:44,149 --> 00:31:41,039

you the weather sucked really bad it was

859

00:31:45,909 --> 00:31:44,159

bad and in june we were about 7 000 feet

860

00:31:48,310 --> 00:31:45,919

up okay the valley was maybe a little

861

00:31:50,470 --> 00:31:48,320

lower but the everything around us was

862

00:31:52,230 --> 00:31:50,480

about seven thousand feet up so anyways

863

00:31:55,750 --> 00:31:52,240

so i said that quantity says you always

864

00:31:58,870 --> 00:31:55,760

talk about sasquatch being able

865

00:32:00,950 --> 00:31:58,880

to change the micro weather and he said

866

00:32:02,950 --> 00:32:00,960

oh

867

00:32:05,750 --> 00:32:02,960

so he goes into the middle of the vortex

868

00:32:08,070 --> 00:32:05,760

he goes he takes his lawn chair in the

869

00:32:09,110 --> 00:32:08,080

middle sets some crystals up under his

870

00:32:11,750 --> 00:32:09,120

seat

871

00:32:13,509 --> 00:32:11,760

and he communicates right

872

00:32:15,110 --> 00:32:13,519

and you know i'm a little skeptical you

873

00:32:16,870 --> 00:32:15,120

know i mean i've been doing this for 50

874

00:32:19,269 --> 00:32:16,880

some years all aspects of paranormal

875

00:32:21,269 --> 00:32:19,279

right but i'm still very skeptical

876

00:32:23,190 --> 00:32:21,279

so i he goes in there and i'll tell you

877

00:32:25,029 --> 00:32:23,200

something ryan i could not believe it

878

00:32:26,630 --> 00:32:25,039

within 10 minutes

879

00:32:29,430 --> 00:32:26,640

the sky

880

00:32:31,190 --> 00:32:29,440

over the vortex this whole vortex area

881

00:32:33,110 --> 00:32:31,200

it was a big area

882

00:32:35,430 --> 00:32:33,120

the sky opened up and a beam of light

883

00:32:37,669 --> 00:32:35,440

comes down right holy cow and it's

884

00:32:40,230 --> 00:32:37,679

beautiful we had to take our coats off

885

00:32:41,430 --> 00:32:40,240

we had to do this and ryan you ever

886

00:32:42,389 --> 00:32:41,440

heard about being in the middle of a

887

00:32:44,230 --> 00:32:42,399

hurricane

888

00:32:46,789 --> 00:32:44,240

you could look out and you could see the

889

00:32:49,269 --> 00:32:46,799

clouds going around you

890

00:32:50,509 --> 00:32:49,279

and i am not kidding you it was the most

891

00:32:53,350 --> 00:32:50,519

incredible

892

00:32:55,430 --> 00:32:53,360

experience ever well i mean there's been

893

00:32:57,830 --> 00:32:55,440

plenty of experiences with him but this

894

00:32:59,350 --> 00:32:57,840

is incredible because it actually he

895

00:33:02,389 --> 00:32:59,360

said it pretty much he thought it

896

00:33:04,230 --> 00:33:02,399

encompassed the the beam of light and

897

00:33:06,389 --> 00:33:04,240

was sunshine it was not a beam it was

898

00:33:08,230 --> 00:33:06,399

actually from the sun but it was it was

899

00:33:10,549 --> 00:33:08,240

warm it got probably jesus it probably

900

00:33:12,630 --> 00:33:10,559

got in the 50s or 60s and everyone was

901
00:33:14,789 --> 00:33:12,640
around it was snowing and sleet and

902
00:33:16,389 --> 00:33:14,799
shitty and we're in this middle of the

903
00:33:18,549 --> 00:33:16,399
site and it stayed like that for a long

904
00:33:21,110 --> 00:33:18,559
time and then unbelievable finally it

905
00:33:23,190 --> 00:33:21,120
just closed up and it was like all back

906
00:33:24,870 --> 00:33:23,200
to where it was and but anyways this

907
00:33:26,470 --> 00:33:24,880
this vortex here is really cool it's in

908
00:33:28,630 --> 00:33:26,480
a beautiful little valley

909
00:33:29,909 --> 00:33:28,640
uh i don't even know if it's still there

910
00:33:32,230 --> 00:33:29,919
today

911
00:33:33,909 --> 00:33:32,240
but uh it was it was a wonderful

912
00:33:34,950 --> 00:33:33,919
experience but uh

913
00:33:37,509 --> 00:33:34,960

that is and

914

00:33:39,830 --> 00:33:37,519

what i found out with my vertex

915

00:33:42,310 --> 00:33:39,840

photography just a quick note is when

916

00:33:45,110 --> 00:33:42,320

we're when i'm able to find the vortexes

917

00:33:47,509 --> 00:33:45,120

and i do the photography there

918

00:33:49,750 --> 00:33:47,519

uh it's always some really really

919

00:33:52,389 --> 00:33:49,760

incredible creatures that seem to be in

920

00:33:54,950 --> 00:33:52,399

and around the vortex itself so you can

921

00:33:56,549 --> 00:33:54,960

see all those on true secret

922

00:33:59,269 --> 00:33:56,559

uh there's a lot of them that are in

923

00:34:01,190 --> 00:33:59,279

vortexes and some of them are random

924

00:34:03,750 --> 00:34:01,200

just in the middle of the woods or other

925

00:34:04,470 --> 00:34:03,760

places which they these entities you

926
00:34:07,190 --> 00:34:04,480
know

927
00:34:08,950 --> 00:34:07,200
uh seem to crop up and and you can kind

928
00:34:10,869 --> 00:34:08,960
of you can see them some people seem

929
00:34:13,109 --> 00:34:10,879
really better than other people so but

930
00:34:14,950 --> 00:34:13,119
anyways it has a lot to do with vortexes

931
00:34:17,190 --> 00:34:14,960
i can tell you that

932
00:34:18,389 --> 00:34:17,200
and speaking of strange things we you

933
00:34:21,030 --> 00:34:18,399
would mention okay

934
00:34:25,109 --> 00:34:21,040
you'd mention the conference and

935
00:34:27,270 --> 00:34:25,119
is this the same conference that uh

936
00:34:29,669 --> 00:34:27,280
well was it was the dulce underground

937
00:34:33,030 --> 00:34:29,679
based conference and a lot of strange

938
00:34:35,109 --> 00:34:33,040

things took place then is that correct

939

00:34:36,310 --> 00:34:35,119

in and around the conference

940

00:34:39,909 --> 00:34:36,320

yes

941

00:34:41,510 --> 00:34:39,919

because i was really blown away by some

942

00:34:43,430 --> 00:34:41,520

of the things that took place in and

943

00:34:46,310 --> 00:34:43,440

around that conference

944

00:34:48,389 --> 00:34:46,320

yeah okay sure yeah no problem so anyway

945

00:34:50,950 --> 00:34:48,399

so we you know after after everything's

946

00:34:52,790 --> 00:34:50,960

settled down we go um

947

00:34:53,990 --> 00:34:52,800

we go and you know basically eat our

948

00:34:55,430 --> 00:34:54,000

dinner and everything there is one

949

00:34:57,270 --> 00:34:55,440

little quick thing i want it's a little

950

00:34:58,630 --> 00:34:57,280

strange it's just more personal strange

951
00:35:00,470 --> 00:34:58,640
than anything

952
00:35:02,390 --> 00:35:00,480
uh well i guess the other people noticed

953
00:35:03,670 --> 00:35:02,400
it too we were eating we were eating

954
00:35:05,589 --> 00:35:03,680
dinner

955
00:35:08,310 --> 00:35:05,599
and the waitress comes up to us and and

956
00:35:11,270 --> 00:35:08,320
i'm a have a pretty good feeling when

957
00:35:12,550 --> 00:35:11,280
people are not all human okay

958
00:35:13,589 --> 00:35:12,560
i guess over all the years of being

959
00:35:16,550 --> 00:35:13,599
around

960
00:35:18,630 --> 00:35:16,560
maybe hybrids and some other aliens

961
00:35:20,310 --> 00:35:18,640
entities and i can tell you stories

962
00:35:23,190 --> 00:35:20,320
but um

963
00:35:25,109 --> 00:35:23,200

i felt this person was not

964

00:35:26,870 --> 00:35:25,119

it was sort of i had the feeling the

965

00:35:28,230 --> 00:35:26,880

same feeling i had when i go to roswell

966

00:35:30,870 --> 00:35:28,240

sometimes

967

00:35:33,670 --> 00:35:30,880

where we go in a restaurant or we go

968

00:35:35,670 --> 00:35:33,680

uh you know in the walmart okay and we

969

00:35:37,750 --> 00:35:35,680

just sit and watch people

970

00:35:39,510 --> 00:35:37,760

and you can almost tell which ones are

971

00:35:42,150 --> 00:35:39,520

hybrids and which ones are something

972

00:35:43,910 --> 00:35:42,160

else and i'm telling you it's real

973

00:35:45,670 --> 00:35:43,920

so anyway so i'm sitting here i'm

974

00:35:48,470 --> 00:35:45,680

sitting here eating we're eating and

975

00:35:51,510 --> 00:35:48,480

everybody's this this waitress she was

976

00:35:53,750 --> 00:35:51,520

not not real she was not a human she

977

00:35:55,190 --> 00:35:53,760

wasn't there's something about it i

978

00:35:56,630 --> 00:35:55,200

don't know what it is and i guess you

979

00:35:59,109 --> 00:35:56,640

have to have a little bit of impact in

980

00:36:01,750 --> 00:35:59,119

you to feel it the energy's different

981

00:36:04,470 --> 00:36:01,760

okay so anyways that that was fine and

982

00:36:06,230 --> 00:36:04,480

she gave us her food and it was all cool

983

00:36:09,109 --> 00:36:06,240

so anyways

984

00:36:10,790 --> 00:36:09,119

the next day we we went to breakfast but

985

00:36:12,790 --> 00:36:10,800

i'm gonna i skipped over something but i

986

00:36:15,589 --> 00:36:12,800

want to just finish up with the waitress

987

00:36:17,910 --> 00:36:15,599

so i go there and she she was very she

988

00:36:19,829 --> 00:36:17,920

was non-native let me just tell you that

989

00:36:21,829 --> 00:36:19,839

that's what she stood out extra because

990

00:36:23,349 --> 00:36:21,839

everybody else was a native in this this

991

00:36:24,950 --> 00:36:23,359

is a casino

992

00:36:27,109 --> 00:36:24,960

hotel okay

993

00:36:30,230 --> 00:36:27,119

so everybody there was native

994

00:36:33,589 --> 00:36:30,240

and so anyway so she so i was curious

995

00:36:35,670 --> 00:36:33,599

about her and i i i she wasn't around so

996

00:36:37,670 --> 00:36:35,680

i asked one of the other native uh

997

00:36:40,390 --> 00:36:37,680

waitress i think it was a yeah it was a

998

00:36:42,550 --> 00:36:40,400

waitress and she said um

999

00:36:44,310 --> 00:36:42,560

what are you talking about

1000

00:36:45,829 --> 00:36:44,320

and she says there's no there's no white

1001
00:36:47,270 --> 00:36:45,839
girl there's no white girl that works

1002
00:36:49,670 --> 00:36:47,280
here and i thought she was just pulling

1003
00:36:50,950 --> 00:36:49,680
my leg so i said okay i'll just leave

1004
00:36:54,069 --> 00:36:50,960
this one go

1005
00:36:56,310 --> 00:36:54,079
and so so i i asked another one and and

1006
00:36:58,310 --> 00:36:56,320
the person pretty much convinced me

1007
00:36:59,190 --> 00:36:58,320
there was no no other person there like

1008
00:37:03,270 --> 00:36:59,200
that

1009
00:37:04,630 --> 00:37:03,280
were with me because they sort of

1010
00:37:06,390 --> 00:37:04,640
noticed her

1011
00:37:07,750 --> 00:37:06,400
that there was something strange about

1012
00:37:09,270 --> 00:37:07,760
her she was

1013
00:37:11,190 --> 00:37:09,280

i don't know just maybe the way she

1014

00:37:12,470 --> 00:37:11,200

looks and he has very interesting eyes

1015

00:37:15,109 --> 00:37:12,480

you know one of the things ryan i always

1016

00:37:16,870 --> 00:37:15,119

talk about always look at the eyes yeah

1017

00:37:19,349 --> 00:37:16,880

a lot of it tells in the eyes it's

1018

00:37:21,430 --> 00:37:19,359

really in the eyes so okay so anyway so

1019

00:37:22,710 --> 00:37:21,440

we go to bed we go to bed we're going to

1020

00:37:24,310 --> 00:37:22,720

get a good night's sleep before the

1021

00:37:26,710 --> 00:37:24,320

conference right

1022

00:37:28,870 --> 00:37:26,720

so about six o'clock in the morning

1023

00:37:31,349 --> 00:37:28,880

all hell breaks loose okay

1024

00:37:32,630 --> 00:37:31,359

so there's helicopters everywhere

1025

00:37:34,470 --> 00:37:32,640

well

1026

00:37:35,910 --> 00:37:34,480

it sounded like there was helicopters

1027

00:37:37,910 --> 00:37:35,920

everywhere as it turned out that they

1028

00:37:39,829 --> 00:37:37,920

were so damn close to it it's that's the

1029

00:37:42,310 --> 00:37:39,839

sound but it was probably two

1030

00:37:44,470 --> 00:37:42,320

helicopters maybe three and they were

1031

00:37:46,870 --> 00:37:44,480

circling circling

1032

00:37:48,630 --> 00:37:46,880

over the uh a hotel

1033

00:37:51,349 --> 00:37:48,640

and they seem to be getting extremely

1034

00:37:52,150 --> 00:37:51,359

low and it didn't seem right to me

1035

00:37:55,109 --> 00:37:52,160

but

1036

00:37:56,870 --> 00:37:55,119

you know then they went away and i got

1037

00:37:58,310 --> 00:37:56,880

dragged got up it was kind of early it

1038

00:37:59,910 --> 00:37:58,320

was probably earlier than wanting to get

1039

00:38:02,069 --> 00:37:59,920

up i said oh hell i'll just get up and

1040

00:38:05,030 --> 00:38:02,079

get dressed take a shower so anyways we

1041

00:38:06,630 --> 00:38:05,040

go down to the lobby and

1042

00:38:08,550 --> 00:38:06,640

you know the people down there the

1043

00:38:10,710 --> 00:38:08,560

people that were working in the lobby

1044

00:38:13,270 --> 00:38:10,720

and the couple other people that were

1045

00:38:15,270 --> 00:38:13,280

sitting there were native americans and

1046

00:38:17,030 --> 00:38:15,280

they saw us coming down

1047

00:38:19,030 --> 00:38:17,040

and then we like we stood out like a

1048

00:38:20,790 --> 00:38:19,040

sore thumb pretty much

1049

00:38:22,550 --> 00:38:20,800

and so anyways they were really angry

1050

00:38:25,109 --> 00:38:22,560

with us

1051

00:38:27,349 --> 00:38:25,119

and they you know they kind of

1052

00:38:29,670 --> 00:38:27,359

pushed ahead and and said hey you know

1053

00:38:31,109 --> 00:38:29,680

did you guys bring the the military here

1054

00:38:33,270 --> 00:38:31,119

and blah blah blah and they were

1055

00:38:34,870 --> 00:38:33,280

really upset and and we said no what are

1056

00:38:36,230 --> 00:38:34,880

you talking about because i didn't

1057

00:38:38,230 --> 00:38:36,240

really make it more thought i thought

1058

00:38:39,829 --> 00:38:38,240

well okay you know maybe there's an army

1059

00:38:42,310 --> 00:38:39,839

base around maybe this is kind of the

1060

00:38:43,670 --> 00:38:42,320

normal thing for uh this time of the day

1061

00:38:45,990 --> 00:38:43,680

i don't know

1062

00:38:48,630 --> 00:38:46,000

but anyways come to find out it

1063

00:38:50,630 --> 00:38:48,640

wasn't

1064

00:38:52,390 --> 00:38:50,640

and they

1065

00:38:55,109 --> 00:38:52,400

either right over the hotel or the right

1066

00:38:57,829 --> 00:38:55,119

you know over here so it was like wow i

1067

00:39:00,230 --> 00:38:57,839

guess it was some kind of a crazy event

1068

00:39:02,230 --> 00:39:00,240

i mean later on i was talking to

1069

00:39:03,990 --> 00:39:02,240

somebody just before we left and they

1070

00:39:06,550 --> 00:39:04,000

said that they saw them actually come

1071

00:39:08,470 --> 00:39:06,560

down and it looked like they were

1072

00:39:11,270 --> 00:39:08,480

kind of looking and writing things down

1073

00:39:13,750 --> 00:39:11,280

or taking photos of the cars

1074

00:39:14,710 --> 00:39:13,760

maybe license plates we don't really

1075

00:39:20,550 --> 00:39:14,720

know

1076

00:39:23,190 --> 00:39:20,560

that was pretty crazy

1077

00:39:25,030 --> 00:39:23,200

um i guess if you want me to talk about

1078

00:39:26,470 --> 00:39:25,040

afterwards is probably one of the most

1079

00:39:28,069 --> 00:39:26,480

profound things for me personally well

1080

00:39:30,310 --> 00:39:28,079

let me let me back up a minute sure

1081

00:39:31,670 --> 00:39:30,320

during the conference itself which went

1082

00:39:33,109 --> 00:39:31,680

pretty good now

1083

00:39:35,510 --> 00:39:33,119

we had so many people there in the

1084

00:39:37,030 --> 00:39:35,520

original room the fire marshal was going

1085

00:39:39,430 --> 00:39:37,040

to shut us down

1086

00:39:41,349 --> 00:39:39,440

now this got norio a little crazy normal

1087

00:39:44,550 --> 00:39:41,359

kind of went into a trance

1088

00:39:47,670 --> 00:39:44,560

because he didn't know what to do so i

1089

00:39:49,670 --> 00:39:47,680

kind of jumped up and i went over and

1090

00:39:53,030 --> 00:39:49,680

talked to the

1091

00:39:57,349 --> 00:39:53,040

one of the elders and said listen

1092

00:39:58,710 --> 00:39:57,359

you gotta help us out your guy is going

1093

00:40:00,870 --> 00:39:58,720

to shut us down we have to find

1094

00:40:02,230 --> 00:40:00,880

somewhere else so he you know i had to

1095

00:40:04,870 --> 00:40:02,240

go back and forth with him and be as

1096

00:40:07,109 --> 00:40:04,880

nice as possible and finally he he said

1097

00:40:09,190 --> 00:40:07,119

well i know norio and you know norio

1098

00:40:11,109 --> 00:40:09,200

this and that so finally he said okay

1099

00:40:12,790 --> 00:40:11,119

let's go let me talk to the guy who made

1100

00:40:14,950 --> 00:40:12,800

a phone call and across the street was

1101

00:40:16,470 --> 00:40:14,960

like a grocery store and behind the

1102

00:40:18,870 --> 00:40:16,480

grocery store

1103

00:40:20,630 --> 00:40:18,880

was uh they had a conference room and it

1104

00:40:22,470 --> 00:40:20,640

was a pretty dang large conference room

1105

00:40:25,270 --> 00:40:22,480

i was like in shock

1106

00:40:27,510 --> 00:40:25,280

you just wouldn't find a big conference

1107

00:40:29,430 --> 00:40:27,520

room by a part of a grocery store so i

1108

00:40:31,589 --> 00:40:29,440

didn't know what it was and i apparently

1109

00:40:33,990 --> 00:40:31,599

did meetings and stuff like that for the

1110

00:40:36,950 --> 00:40:34,000

tribe right he said okay great so we all

1111

00:40:38,390 --> 00:40:36,960

got up we all go over there at this

1112

00:40:39,829 --> 00:40:38,400

grocery store

1113

00:40:41,990 --> 00:40:39,839

one of the other really interesting

1114

00:40:44,230 --> 00:40:42,000

things at the grocery store

1115

00:40:46,309 --> 00:40:44,240

was it had windows kind of at the back

1116

00:40:47,750 --> 00:40:46,319

of this conference room big windows and

1117

00:40:49,670 --> 00:40:47,760

it was like a patio out there we could

1118

00:40:51,910 --> 00:40:49,680

go and eat or whatever

1119

00:40:53,750 --> 00:40:51,920

and all of a sudden it just kind of

1120

00:40:55,190 --> 00:40:53,760

freaked me out

1121

00:41:00,630 --> 00:40:55,200

huge

1122

00:41:02,390 --> 00:41:00,640

ravens i think they were ravens maybe

1123

00:41:05,190 --> 00:41:02,400

blackbirds let me tell you something

1124

00:41:07,109 --> 00:41:05,200

ryan i've never seen anything like it

1125

00:41:08,790 --> 00:41:07,119

these things were huge and they were

1126

00:41:10,630 --> 00:41:08,800

standing there was probably seven eight

1127

00:41:11,829 --> 00:41:10,640

of them at one time they were just in

1128

00:41:13,030 --> 00:41:11,839

there looking

1129

00:41:15,829 --> 00:41:13,040

watching us

1130

00:41:17,910 --> 00:41:15,839

and it was it was a freaky deaky deal it

1131

00:41:20,069 --> 00:41:17,920

reminds me and i did a lot of research

1132

00:41:21,190 --> 00:41:20,079

out east when people used to talk about

1133

00:41:23,349 --> 00:41:21,200

the owls

1134

00:41:25,349 --> 00:41:23,359

and i'm sure you know about owls owls

1135

00:41:28,550 --> 00:41:25,359

are not only sacred creatures but they

1136

00:41:30,870 --> 00:41:28,560

also are shape-shifted greys okay for

1137

00:41:32,390 --> 00:41:30,880

the most part and this reminded me of

1138

00:41:34,309 --> 00:41:32,400

this but it wasn't i don't think these

1139

00:41:36,150 --> 00:41:34,319

are grays these are something else and

1140

00:41:37,829 --> 00:41:36,160

they were strange because they were just

1141

00:41:40,630 --> 00:41:37,839

sitting there looking and watching

1142

00:41:42,790 --> 00:41:40,640

everybody and they were extremely big

1143

00:41:45,030 --> 00:41:42,800

much bigger than any raven and nobody

1144

00:41:46,470 --> 00:41:45,040

else honestly nobody else seemed to pay

1145

00:41:47,990 --> 00:41:46,480

attention to it now they may have been

1146

00:41:48,790 --> 00:41:48,000

more interested in everything else going

1147

00:41:51,349 --> 00:41:48,800

on

1148

00:41:53,030 --> 00:41:51,359

you know i just this is even before

1149

00:41:55,190 --> 00:41:53,040

people started talking

1150

00:41:56,950 --> 00:41:55,200

and i i i guess i got involved with the

1151

00:41:59,109 --> 00:41:56,960

other people talking and i think

1152

00:42:00,630 --> 00:41:59,119

eventually they just flew off or

1153

00:42:02,550 --> 00:42:00,640

whatever they maybe they walked away and

1154

00:42:05,510 --> 00:42:02,560

got in the car for all i know

1155

00:42:07,750 --> 00:42:05,520

so so anyways uh so that was pretty

1156

00:42:10,150 --> 00:42:07,760

strange and then during the conference i

1157

00:42:12,230 --> 00:42:10,160

mean the conference is really good

1158

00:42:14,470 --> 00:42:12,240

i mean norio spoke

1159

00:42:17,030 --> 00:42:14,480

uh i think gabe spoke

1160

00:42:18,790 --> 00:42:17,040

uh there was there was other people some

1161

00:42:20,790 --> 00:42:18,800

native americans spoke

1162

00:42:23,349 --> 00:42:20,800

some of them were very

1163

00:42:25,589 --> 00:42:23,359

positive i mean when i say positive

1164

00:42:28,950 --> 00:42:25,599

talked what they knew about

1165

00:42:30,550 --> 00:42:28,960

stuff you know about the base etc

1166

00:42:33,750 --> 00:42:30,560

but one of the things that's strange to

1167

00:42:35,750 --> 00:42:33,760

me and and it felt something was weird

1168

00:42:37,510 --> 00:42:35,760

was that right about in the middle uh

1169

00:42:39,510 --> 00:42:37,520

yeah i know norio will probably watch

1170

00:42:41,430 --> 00:42:39,520

this and he may have a bit of a problem

1171

00:42:43,589 --> 00:42:41,440

with it but i'm going to say it anyways

1172

00:42:45,190 --> 00:42:43,599

he he something happened i don't know if

1173

00:42:46,790 --> 00:42:45,200

somebody talked to him but his whole

1174

00:42:48,870 --> 00:42:46,800

demeanor changed and he looked like

1175

00:42:50,630 --> 00:42:48,880

something was very upsetting

1176
00:42:52,309 --> 00:42:50,640
so i never really got down to the bottom

1177
00:42:53,990 --> 00:42:52,319
i questioned him on it i don't know if

1178
00:42:55,270 --> 00:42:54,000
he got threatened but talking about a

1179
00:43:00,069 --> 00:42:55,280
threat

1180
00:43:01,030 --> 00:43:00,079
so i was i was in the bathroom doing my

1181
00:43:03,589 --> 00:43:01,040
business

1182
00:43:05,510 --> 00:43:03,599
and uh i had a camera and

1183
00:43:07,109 --> 00:43:05,520
a native american or somebody i think it

1184
00:43:09,270 --> 00:43:07,119
was a native american of the tribe came

1185
00:43:11,109 --> 00:43:09,280
and was very upset with me

1186
00:43:13,829 --> 00:43:11,119
because i come and of course this is

1187
00:43:15,990 --> 00:43:13,839
after this was after the the incident

1188
00:43:18,710 --> 00:43:16,000

with the helicopters right

1189

00:43:21,190 --> 00:43:18,720

so apparently he was still sore about

1190

00:43:23,030 --> 00:43:21,200

that and he was going to take my camera

1191

00:43:24,309 --> 00:43:23,040

and he was i don't know what he always

1192

00:43:25,430 --> 00:43:24,319

going to do it wasn't it wasn't going to

1193

00:43:27,270 --> 00:43:25,440

be pretty

1194

00:43:29,190 --> 00:43:27,280

and so anyways i kind of talked him off

1195

00:43:31,510 --> 00:43:29,200

the ledge and you know everything was

1196

00:43:33,109 --> 00:43:31,520

kind of fine but he wasn't too happy he

1197

00:43:35,430 --> 00:43:33,119

was gonna he said i'm gonna be happy

1198

00:43:37,030 --> 00:43:35,440

when you guys leave blah blah blah

1199

00:43:38,870 --> 00:43:37,040

and so you know it was all great and

1200

00:43:41,030 --> 00:43:38,880

then we there was another person i know

1201
00:43:43,430 --> 00:43:41,040
in the casino the night before

1202
00:43:44,950 --> 00:43:43,440
also was confronted and so there were

1203
00:43:47,589 --> 00:43:44,960
some people there that were

1204
00:43:50,069 --> 00:43:47,599
very receptive to

1205
00:43:51,750 --> 00:43:50,079
us and there were some people

1206
00:43:53,589 --> 00:43:51,760
that weren't

1207
00:43:56,069 --> 00:43:53,599
some of them were native some of them

1208
00:43:57,990 --> 00:43:56,079
are not sure if they were just locals

1209
00:43:59,430 --> 00:43:58,000
that you know lived locally and owned

1210
00:44:00,790 --> 00:43:59,440
property locally

1211
00:44:02,630 --> 00:44:00,800
but they did some people just didn't

1212
00:44:04,630 --> 00:44:02,640
like the attention we were drawing

1213
00:44:06,390 --> 00:44:04,640

because that was really the first time

1214

00:44:08,630 --> 00:44:06,400

i know there was some conferences and

1215

00:44:10,710 --> 00:44:08,640

things after norrio's but that was the

1216

00:44:13,430 --> 00:44:10,720

first one and it may have gotten easier

1217

00:44:15,190 --> 00:44:13,440

afterwards but i think initially nobody

1218

00:44:17,990 --> 00:44:15,200

knew what was going to happen

1219

00:44:19,190 --> 00:44:18,000

and so uh i i think that was that was

1220

00:44:22,150 --> 00:44:19,200

pretty much

1221

00:44:23,430 --> 00:44:22,160

uh you know what happened and you know

1222

00:44:27,030 --> 00:44:23,440

after that

1223

00:44:30,710 --> 00:44:27,040

what i will tell you about

1224

00:44:33,349 --> 00:44:30,720

is that the uh confrontation we had

1225

00:44:35,990 --> 00:44:33,359

i had and another person

1226
00:44:37,990 --> 00:44:36,000
had when we were going to try to leave

1227
00:44:39,349 --> 00:44:38,000
norio had left

1228
00:44:41,510 --> 00:44:39,359
and i won't tell you all the things

1229
00:44:43,270 --> 00:44:41,520
about norio and the experiences yeah

1230
00:44:44,550 --> 00:44:43,280
i'll let you do that if you want to

1231
00:44:46,309 --> 00:44:44,560
because he had some things that happened

1232
00:44:47,990 --> 00:44:46,319
to him afterwards but

1233
00:44:50,470 --> 00:44:48,000
i'm going to let him tell you that if he

1234
00:44:52,069 --> 00:44:50,480
wants to but anyway so

1235
00:44:53,990 --> 00:44:52,079
we're there getting ready packing our

1236
00:44:56,470 --> 00:44:54,000
car up and we're getting ready to go and

1237
00:44:57,910 --> 00:44:56,480
all of a sudden out of the blue

1238
00:44:59,910 --> 00:44:57,920

excuse me

1239

00:45:02,150 --> 00:44:59,920

these cars pillow

1240

00:45:05,430 --> 00:45:02,160

you know these i always remember a

1241

00:45:07,990 --> 00:45:05,440

couple and where these old uh camaros

1242

00:45:10,230 --> 00:45:08,000

like i don't know 20 year old camaros

1243

00:45:12,630 --> 00:45:10,240

they all look beat up pretty well and it

1244

00:45:14,470 --> 00:45:12,640

was pretty crazy right and there was at

1245

00:45:15,829 --> 00:45:14,480

least i think there was five or six cars

1246

00:45:17,750 --> 00:45:15,839

that just like

1247

00:45:19,589 --> 00:45:17,760

stopped us so we couldn't move right i

1248

00:45:22,550 --> 00:45:19,599

said oh

1249

00:45:23,990 --> 00:45:22,560

what now you know we want to go you know

1250

00:45:25,750 --> 00:45:24,000

so all of a sudden they jump out and

1251

00:45:28,550 --> 00:45:25,760

they're real nice they're very nice

1252

00:45:30,870 --> 00:45:28,560

there was no no no problem right so they

1253

00:45:32,710 --> 00:45:30,880

started telling us stories this one one

1254

00:45:34,870 --> 00:45:32,720

native american she told me about a

1255

00:45:36,950 --> 00:45:34,880

story told us about a story in which he

1256

00:45:39,670 --> 00:45:36,960

was driving down the road kind of

1257

00:45:40,710 --> 00:45:39,680

driving out towards the mesa and all of

1258

00:45:42,950 --> 00:45:40,720

a sudden

1259

00:45:44,790 --> 00:45:42,960

a ship came down and took her whole jeep

1260

00:45:46,470 --> 00:45:44,800

and everything up inside the ship and

1261

00:45:48,550 --> 00:45:46,480

she told about that whole experience and

1262

00:45:50,390 --> 00:45:48,560

it was like wow that's you know it isn't

1263

00:45:53,190 --> 00:45:50,400

that i hadn't heard that before

1264

00:45:56,309 --> 00:45:53,200

but uh you know it was a really amazing

1265

00:45:58,710 --> 00:45:56,319

story and she was very convincing right

1266

00:46:00,550 --> 00:45:58,720

and then came

1267

00:46:02,950 --> 00:46:00,560

i think the most famous part of all of

1268

00:46:04,710 --> 00:46:02,960

this was the drawing it was the pictures

1269

00:46:06,950 --> 00:46:04,720

the photos

1270

00:46:09,750 --> 00:46:06,960

these were the famous photos

1271

00:46:11,829 --> 00:46:09,760

uh that kind of scared me

1272

00:46:12,790 --> 00:46:11,839

they scared me because i saw them

1273

00:46:15,750 --> 00:46:12,800

okay

1274

00:46:18,150 --> 00:46:15,760

and they were photos of creatures

1275

00:46:20,470 --> 00:46:18,160

there were photos of

1276
00:46:22,150 --> 00:46:20,480
things that the native americans claimed

1277
00:46:23,910 --> 00:46:22,160
they had gotten these photos i don't

1278
00:46:25,589 --> 00:46:23,920
know they didn't see how they got them

1279
00:46:27,349 --> 00:46:25,599
they didn't say they they didn't say

1280
00:46:28,790 --> 00:46:27,359
they took them i don't think they did

1281
00:46:30,630 --> 00:46:28,800
but they got a hold of these and these

1282
00:46:32,150 --> 00:46:30,640
are real photos these are not drawings

1283
00:46:34,150 --> 00:46:32,160
these are photos

1284
00:46:35,829 --> 00:46:34,160
and they look very real

1285
00:46:38,309 --> 00:46:35,839
and you got to remember the photoshop

1286
00:46:40,790 --> 00:46:38,319
situation

1287
00:46:42,710 --> 00:46:40,800
that was

1288
00:46:44,790 --> 00:46:42,720

probably started much

1289

00:46:47,430 --> 00:46:44,800

later i mean right you know and these

1290

00:46:48,950 --> 00:46:47,440

people i mean i i'm not saying anything

1291

00:46:50,710 --> 00:46:48,960

negative i just don't think they would

1292

00:46:53,190 --> 00:46:50,720

have done it or had at that time there

1293

00:46:55,589 --> 00:46:53,200

were the capacity was easy to do

1294

00:46:56,950 --> 00:46:55,599

without having sophisticated you know

1295

00:46:59,430 --> 00:46:56,960

like we do today

1296

00:47:01,510 --> 00:46:59,440

uh programs on computers right i don't

1297

00:47:03,910 --> 00:47:01,520

think so these are real photos and i

1298

00:47:06,390 --> 00:47:03,920

think they're real photos of creatures

1299

00:47:08,470 --> 00:47:06,400

the one that was really frightening

1300

00:47:11,030 --> 00:47:08,480

was this one and it was laying there it

1301
00:47:13,910 --> 00:47:11,040
looked like it was still alive

1302
00:47:16,470 --> 00:47:13,920
it looked it had a human humanoid face a

1303
00:47:19,109 --> 00:47:16,480
human face

1304
00:47:21,829 --> 00:47:19,119
it had gills

1305
00:47:23,270 --> 00:47:21,839
it had

1306
00:47:25,190 --> 00:47:23,280
skin

1307
00:47:26,549 --> 00:47:25,200
that looked like cow

1308
00:47:29,510 --> 00:47:26,559
hide

1309
00:47:31,829 --> 00:47:29,520
uh how else would i say it uh

1310
00:47:34,309 --> 00:47:31,839
i don't remember if it i guess it had

1311
00:47:37,270 --> 00:47:34,319
more of a cow head it had kind of cow

1312
00:47:38,630 --> 00:47:37,280
short short cow ears they weren't long

1313
00:47:39,990 --> 00:47:38,640

ears

1314

00:47:41,910 --> 00:47:40,000

um

1315

00:47:44,790 --> 00:47:41,920

and i guess the look in their eyes was

1316

00:47:46,630 --> 00:47:44,800

was was what kind of got me they looked

1317

00:47:49,910 --> 00:47:46,640

like they were alive but they were under

1318

00:47:52,630 --> 00:47:49,920

like a heavy drug being heavily drugged

1319

00:47:54,790 --> 00:47:52,640

wow and there was two photos one one was

1320

00:47:56,870 --> 00:47:54,800

a very close up one which which i just

1321

00:48:00,069 --> 00:47:56,880

described to you and another one was a

1322

00:48:02,230 --> 00:48:00,079

side kind of a side look which which was

1323

00:48:03,510 --> 00:48:02,240

confirmed the first one but then you

1324

00:48:05,670 --> 00:48:03,520

could see the side of the body it looked

1325

00:48:07,190 --> 00:48:05,680

like a cow looking like a cow but you

1326

00:48:09,670 --> 00:48:07,200

could still see the human face kind of

1327

00:48:11,990 --> 00:48:09,680

coming out of the front from the side

1328

00:48:14,230 --> 00:48:12,000

unbelievable and they claim this is from

1329

00:48:15,670 --> 00:48:14,240

the underground base she's they said it

1330

00:48:17,190 --> 00:48:15,680

was from the lower levels of the

1331

00:48:19,910 --> 00:48:17,200

underground base

1332

00:48:22,150 --> 00:48:19,920

and the reason i felt very comfortable

1333

00:48:24,470 --> 00:48:22,160

that these were real also

1334

00:48:26,710 --> 00:48:24,480

uh even though i didn't ask

1335

00:48:28,390 --> 00:48:26,720

but they didn't say you want to buy them

1336

00:48:30,470 --> 00:48:28,400

or you want to do this they just want to

1337

00:48:31,349 --> 00:48:30,480

show me that's all they want to do

1338

00:48:33,349 --> 00:48:31,359

because i would have been more

1339

00:48:35,270 --> 00:48:33,359

suspicious if i said oh well you want to

1340

00:48:38,309 --> 00:48:35,280

buy for 100 bucks or you want to do this

1341

00:48:39,510 --> 00:48:38,319

no that never never was i mean if they

1342

00:48:41,589 --> 00:48:39,520

would have gave them to me i would have

1343

00:48:43,589 --> 00:48:41,599

to i guess i would have took them but

1344

00:48:45,270 --> 00:48:43,599

after i got back in the car

1345

00:48:51,030 --> 00:48:45,280

knowing

1346

00:48:52,870 --> 00:48:51,040

and i i believe the guy the person that

1347

00:48:55,430 --> 00:48:52,880

was with me saw him too

1348

00:48:56,549 --> 00:48:55,440

but for some reason that person just

1349

00:48:58,309 --> 00:48:56,559

you know i don't know if he just didn't

1350

00:49:00,710 --> 00:48:58,319

want to talk about it or what it was or

1351
00:49:02,630 --> 00:49:00,720
were you such in shock

1352
00:49:04,870 --> 00:49:02,640
but somehow the story

1353
00:49:07,510 --> 00:49:04,880
ended up getting on the internet and my

1354
00:49:09,670 --> 00:49:07,520
name was on it and i i guess

1355
00:49:11,430 --> 00:49:09,680
uh i've been always concerned i mean

1356
00:49:12,710 --> 00:49:11,440
this is many years ago and i was working

1357
00:49:14,870 --> 00:49:12,720
still working

1358
00:49:16,549 --> 00:49:14,880
uh you know at some jobs that maybe they

1359
00:49:19,190 --> 00:49:16,559
didn't know my research and what i did

1360
00:49:21,990 --> 00:49:19,200
although i've been pretty open for many

1361
00:49:24,230 --> 00:49:22,000
years wherever i worked and i did work

1362
00:49:26,069 --> 00:49:24,240
you know i've worked for companies

1363
00:49:27,829 --> 00:49:26,079

uh did a lot of work for aerospace

1364

00:49:30,390 --> 00:49:27,839

companies so

1365

00:49:31,750 --> 00:49:30,400

so i

1366

00:49:33,750 --> 00:49:31,760

it was always a little because i had to

1367

00:49:35,670 --> 00:49:33,760

have high clearances so it was always a

1368

00:49:37,510 --> 00:49:35,680

little concerned that with a little bit

1369

00:49:40,150 --> 00:49:37,520

of a youtube search they would find this

1370

00:49:41,910 --> 00:49:40,160

and say holy crap right what's this all

1371

00:49:44,390 --> 00:49:41,920

about you know so you always you had to

1372

00:49:46,309 --> 00:49:44,400

be concerned but i found out over the

1373

00:49:47,430 --> 00:49:46,319

years because i was always a manager of

1374

00:49:50,309 --> 00:49:47,440

some sort

1375

00:49:52,549 --> 00:49:50,319

and many times when i hired people

1376

00:49:53,349 --> 00:49:52,559

it was amazing the stories they had to

1377

00:49:55,030 --> 00:49:53,359

tell

1378

00:49:57,910 --> 00:49:55,040

and one of the conclusions i've always

1379

00:49:59,750 --> 00:49:57,920

had is years later after 50 some years

1380

00:50:01,510 --> 00:49:59,760

of doing this he said that almost

1381

00:50:04,710 --> 00:50:01,520

everybody

1382

00:50:06,710 --> 00:50:04,720

has had paranormal type experiences most

1383

00:50:08,790 --> 00:50:06,720

people will not talk about it but they

1384

00:50:10,630 --> 00:50:08,800

have had them and most of the time when

1385

00:50:12,870 --> 00:50:10,640

i talk to them you know most of the time

1386

00:50:14,790 --> 00:50:12,880

they usually tell me yes i have because

1387

00:50:16,549 --> 00:50:14,800

they all want to talk about it

1388

00:50:19,030 --> 00:50:16,559

but they can't find the right people to

1389

00:50:21,510 --> 00:50:19,040

talk about it which is kind of a sad

1390

00:50:24,470 --> 00:50:21,520

thing because some of these people are

1391

00:50:25,990 --> 00:50:24,480

hiding and it's a real anxiety for them

1392

00:50:27,109 --> 00:50:26,000

and it shouldn't be it shouldn't be at

1393

00:50:29,750 --> 00:50:27,119

all so

1394

00:50:32,470 --> 00:50:29,760

that's true that's that's that

1395

00:50:34,390 --> 00:50:32,480

that is true that is true uh you know

1396

00:50:36,549 --> 00:50:34,400

some that kind of brings up my next

1397

00:50:39,829 --> 00:50:36,559

question which is uh you know paul

1398

00:50:42,150 --> 00:50:39,839

benowitz has often been described as

1399

00:50:44,950 --> 00:50:42,160

only having disinformation and i don't

1400

00:50:47,349 --> 00:50:44,960

believe that's necessarily the case

1401

00:50:50,069 --> 00:50:47,359

it's it's hard to tell what was the real

1402

00:50:51,990 --> 00:50:50,079

info and what wasn't in your opinion how

1403

00:50:53,589 --> 00:50:52,000

do we separate uh

1404

00:50:56,150 --> 00:50:53,599

you know the real star the wheat from

1405

00:50:57,510 --> 00:50:56,160

the chaff or

1406

00:51:02,870 --> 00:50:57,520

yeah uh

1407

00:51:04,870 --> 00:51:02,880

do know people that had

1408

00:51:06,069 --> 00:51:04,880

uh all of them had good things to say

1409

00:51:08,870 --> 00:51:06,079

about paul

1410

00:51:11,270 --> 00:51:08,880

um you know i think i think what

1411

00:51:13,190 --> 00:51:11,280

happened with paul you know i mean

1412

00:51:15,109 --> 00:51:13,200

you sort of know that he was he was a

1413

00:51:16,790 --> 00:51:15,119

contractor for the government and he

1414

00:51:18,390 --> 00:51:16,800

made instruments he had a company that

1415

00:51:20,549 --> 00:51:18,400

made instruments of some sort i'm not

1416

00:51:21,670 --> 00:51:20,559

sure what the instruments were he lived

1417

00:51:23,510 --> 00:51:21,680

right by

1418

00:51:26,230 --> 00:51:23,520

the kirkland air force base in fact he

1419

00:51:27,750 --> 00:51:26,240

was right i mean i've been by his house

1420

00:51:29,750 --> 00:51:27,760

and you could see that he could see a

1421

00:51:32,150 --> 00:51:29,760

good view of the base

1422

00:51:34,549 --> 00:51:32,160

and of course you know his some of his

1423

00:51:37,270 --> 00:51:34,559

claim to fame is that he saw a crash or

1424

00:51:39,349 --> 00:51:37,280

heard about a crash up in the dalsey

1425

00:51:42,150 --> 00:51:39,359

area and actually went up there and

1426

00:51:43,990 --> 00:51:42,160

supposedly saw it

1427

00:51:45,910 --> 00:51:44,000

then he got involved with

1428

00:51:47,190 --> 00:51:45,920

hearing some things

1429

00:51:49,910 --> 00:51:47,200

uh

1430

00:51:51,510 --> 00:51:49,920

some radio communication etc that led

1431

00:51:53,670 --> 00:51:51,520

him to believe that some things were

1432

00:51:55,589 --> 00:51:53,680

happening and and aliens were real and

1433

00:51:57,910 --> 00:51:55,599

all this stuff like that

1434

00:52:00,390 --> 00:51:57,920

i think paul was sincerely

1435

00:52:02,150 --> 00:52:00,400

believe that and i sincerely believe

1436

00:52:05,670 --> 00:52:02,160

some of it is true

1437

00:52:06,950 --> 00:52:05,680

i believe for some reason the government

1438

00:52:09,030 --> 00:52:06,960

uh

1439

00:52:11,990 --> 00:52:09,040

started feeding him some possible

1440

00:52:14,950 --> 00:52:12,000

disinformation

1441

00:52:19,829 --> 00:52:18,309

for what reason i'm not really sure uh i

1442

00:52:21,430 --> 00:52:19,839

don't know if they just wanted to muck

1443

00:52:23,430 --> 00:52:21,440

up some of the things he was telling

1444

00:52:24,790 --> 00:52:23,440

people and that be they wanted that to

1445

00:52:27,430 --> 00:52:24,800

come forward and all of a sudden

1446

00:52:29,349 --> 00:52:27,440

discredit everything that he had said

1447

00:52:31,750 --> 00:52:29,359

that is very possible

1448

00:52:34,150 --> 00:52:31,760

but everything i heard about him from

1449

00:52:36,150 --> 00:52:34,160

people i knew that personally knew him

1450

00:52:37,109 --> 00:52:36,160

they always felt that he was up and up

1451

00:52:39,190 --> 00:52:37,119

guy

1452

00:52:41,829 --> 00:52:39,200

and you know not saying that they knew

1453

00:52:44,309 --> 00:52:41,839

all these things but he they felt that

1454

00:52:46,150 --> 00:52:44,319

he was a he was the real deal and they

1455

00:52:47,910 --> 00:52:46,160

felt everybody i've talked to and i

1456

00:52:49,750 --> 00:52:47,920

included myself just the things that i

1457

00:52:52,549 --> 00:52:49,760

had read and some of the people i talked

1458

00:52:54,870 --> 00:52:52,559

to felt that at least some of the things

1459

00:52:56,470 --> 00:52:54,880

that he had talked about very well could

1460

00:52:59,030 --> 00:52:56,480

be true because other people

1461

00:53:02,990 --> 00:52:59,040

collaborated what he was saying one way

1462

00:53:07,349 --> 00:53:06,069

possible crash

1463

00:53:10,710 --> 00:53:07,359

up there

1464

00:53:13,349 --> 00:53:10,720

nothing was the ufo communication of

1465

00:53:15,270 --> 00:53:13,359

some sort on the base um you know that

1466

00:53:16,549 --> 00:53:15,280

that seemed to be very possible now i

1467

00:53:18,710 --> 00:53:16,559

can't verify

1468

00:53:19,750 --> 00:53:18,720

the actual conversations that they were

1469

00:53:21,670 --> 00:53:19,760

true

1470

00:53:23,829 --> 00:53:21,680

because they could been partially

1471

00:53:25,750 --> 00:53:23,839

uh this information there's no doubt

1472

00:53:28,790 --> 00:53:25,760

about it the government does this

1473

00:53:31,030 --> 00:53:28,800

disinformation stuff all the time

1474

00:53:32,950 --> 00:53:31,040

uh or did

1475

00:53:33,829 --> 00:53:32,960

so absolutely anyways

1476

00:53:36,309 --> 00:53:33,839

uh

1477

00:53:39,030 --> 00:53:36,319

bringing me to the i agree 100 with you

1478

00:53:40,950 --> 00:53:39,040

and uh another interesting gentleman

1479

00:53:42,390 --> 00:53:40,960

that's involved with the dulce bass is

1480

00:53:43,430 --> 00:53:42,400

phil schneider

1481

00:53:46,150 --> 00:53:43,440

and

1482

00:53:48,150 --> 00:53:46,160

you know not only the way he passed away

1483

00:53:49,190 --> 00:53:48,160

but there's a lot of controversy around

1484

00:53:51,190 --> 00:53:49,200

phil

1485

00:53:53,430 --> 00:53:51,200

and

1486

00:53:56,150 --> 00:53:53,440

it's it's tough because he seemed to

1487

00:53:59,270 --> 00:53:56,160

have had a very legitimate background

1488

00:54:01,190 --> 00:53:59,280

with the military right right and

1489

00:54:03,510 --> 00:54:01,200

how how did he pass away what what was

1490

00:54:05,670 --> 00:54:03,520

your view of uh what phil snyder was

1491

00:54:07,750 --> 00:54:05,680

saying ryan you're gonna you're probably

1492

00:54:09,990 --> 00:54:07,760

not even gonna believe this this certain

1493

00:54:11,510 --> 00:54:10,000

extent just it's just really a wild

1494

00:54:13,430 --> 00:54:11,520

synchronicity

1495

00:54:15,430 --> 00:54:13,440

so i live in oregon

1496

00:54:19,430 --> 00:54:15,440

and i live about eight miles from his

1497

00:54:21,589 --> 00:54:19,440

apartment wow so every where he died

1498

00:54:23,270 --> 00:54:21,599

so almost once a week

1499

00:54:26,069 --> 00:54:23,280

i drive by it

1500

00:54:27,829 --> 00:54:26,079

so it just was so crazy when you i you

1501

00:54:29,829 --> 00:54:27,839

know i saw your question

1502

00:54:30,790 --> 00:54:29,839

uh about phil

1503

00:54:33,589 --> 00:54:30,800

uh

1504

00:54:35,349 --> 00:54:33,599

yeah you know the thing about phil was

1505

00:54:38,789 --> 00:54:35,359

and and i

1506

00:54:39,990 --> 00:54:38,799

i knew people that had met him but i i'm

1507

00:54:42,230 --> 00:54:40,000

not going to say i knew people that were

1508

00:54:45,430 --> 00:54:42,240

good friends of his

1509

00:54:47,910 --> 00:54:45,440

you know i i believe phil at the end of

1510

00:54:51,270 --> 00:54:47,920

his life for whatever the reasons

1511

00:54:52,390 --> 00:54:51,280

uh was was having problems emotional and

1512

00:54:53,910 --> 00:54:52,400

mental problems

1513

00:54:55,910 --> 00:54:53,920

um

1514

00:54:58,549 --> 00:54:55,920

you know

1515

00:55:00,870 --> 00:54:58,559

i i can't believe and and

1516

00:55:02,630 --> 00:55:00,880

and and i know

1517

00:55:04,829 --> 00:55:02,640

people that know people that blah blah

1518

00:55:08,950 --> 00:55:04,839

blah i can't go into all of it

1519

00:55:10,150 --> 00:55:08,960

but i don't i find it very hard that the

1520

00:55:11,190 --> 00:55:10,160

government

1521

00:55:13,829 --> 00:55:11,200

or

1522

00:55:15,829 --> 00:55:13,839

had murdered him okay

1523

00:55:18,309 --> 00:55:15,839

i'm not saying he died of a suicide i'm

1524

00:55:21,750 --> 00:55:18,319

really not i really have a hard time

1525

00:55:23,829 --> 00:55:21,760

unless phil because you got to remember

1526

00:55:25,829 --> 00:55:23,839

and i've been i was told this a long

1527

00:55:28,150 --> 00:55:25,839

time ago and i always lived by this

1528

00:55:29,589 --> 00:55:28,160

thing don't keep secrets

1529

00:55:31,750 --> 00:55:29,599

okay

1530

00:55:33,670 --> 00:55:31,760

so what that means is that's why i have

1531

00:55:35,349 --> 00:55:33,680

a website and that's why i have

1532

00:55:37,190 --> 00:55:35,359

dimensional walking

1533

00:55:40,549 --> 00:55:37,200

don't keep secrets and this was told by

1534

00:55:42,549 --> 00:55:40,559

a very it was actually told by a cia guy

1535

00:55:43,829 --> 00:55:42,559

i knew he said one of the things you

1536

00:55:44,710 --> 00:55:43,839

want to know

1537

00:55:47,270 --> 00:55:44,720

is

1538

00:55:48,470 --> 00:55:47,280

keep all the stuff you're doing up front

1539

00:55:51,349 --> 00:55:48,480

if you're investigating you're doing

1540

00:55:52,789 --> 00:55:51,359

this make sure it's known write a book

1541

00:55:56,069 --> 00:55:52,799

do lectures

1542

00:55:58,630 --> 00:55:56,079

do whatever but don't sit back and hide

1543

00:56:00,950 --> 00:55:58,640

and keep the stuff and just chat among

1544

00:56:03,109 --> 00:56:00,960

small groups that's what they told me

1545

00:56:05,589 --> 00:56:03,119

and you know what i've always done that

1546

00:56:07,829 --> 00:56:05,599

i've always been very open if somebody

1547

00:56:09,349 --> 00:56:07,839

if somebody came and asked me a question

1548

00:56:10,549 --> 00:56:09,359

about something i was some research i

1549

00:56:13,030 --> 00:56:10,559

was doing because i did a lot of

1550

00:56:14,870 --> 00:56:13,040

research on abductees and contactees

1551

00:56:16,390 --> 00:56:14,880

when i lived out in east

1552

00:56:17,910 --> 00:56:16,400

and some of the research was pretty

1553

00:56:20,710 --> 00:56:17,920

pretty profound

1554

00:56:23,589 --> 00:56:20,720

and i was very open with them directly

1555

00:56:24,870 --> 00:56:23,599

actually i mean i i was questioned

1556

00:56:27,349 --> 00:56:24,880

and i told them

1557

00:56:30,069 --> 00:56:27,359

so i've always lived by that

1558

00:56:31,670 --> 00:56:30,079

and i think phil also lived by that

1559

00:56:33,589 --> 00:56:31,680

because he was out there telling the

1560

00:56:36,150 --> 00:56:33,599

telling what he felt was the truth he

1561

00:56:38,470 --> 00:56:36,160

really was now maybe it wasn't all

1562

00:56:40,309 --> 00:56:38,480

a hundred percent maybe he embellished

1563

00:56:43,910 --> 00:56:40,319

some of it i don't know

1564

00:56:47,910 --> 00:56:43,920

but unless phil had was holding back on

1565

00:56:51,430 --> 00:56:47,920

some really critical information

1566

00:56:53,910 --> 00:56:51,440

there was no reason to eliminate him

1567

00:56:56,390 --> 00:56:53,920

they will only eliminate you really they

1568

00:56:57,510 --> 00:56:56,400

may threaten you they may threaten you

1569

00:56:59,990 --> 00:56:57,520

but they're not going to normally

1570

00:57:00,710 --> 00:57:00,000

eliminate you because he was already out

1571

00:57:02,950 --> 00:57:00,720

there

1572

00:57:05,829 --> 00:57:02,960

talking he'd been talking for quite a

1573

00:57:07,829 --> 00:57:05,839

while right right and and you know he

1574

00:57:09,190 --> 00:57:07,839

had big audiences

1575

00:57:11,750 --> 00:57:09,200

so uh

1576

00:57:13,670 --> 00:57:11,760

you know i i don't know i i don't know

1577

00:57:15,589 --> 00:57:13,680

what what happened to him i mean there's

1578

00:57:18,470 --> 00:57:15,599

all kinds of wild stories

1579

00:57:20,230 --> 00:57:18,480

uh it could be you know something

1580

00:57:21,109 --> 00:57:20,240

personally bad happened to him i don't

1581

00:57:26,549 --> 00:57:21,119

know

1582

00:57:27,750 --> 00:57:26,559

i never i never went to a lecture or

1583

00:57:29,190 --> 00:57:27,760

anything but

1584

00:57:31,349 --> 00:57:29,200

uh

1585

00:57:33,829 --> 00:57:31,359

you know he just seemed like a pretty

1586

00:57:36,309 --> 00:57:33,839

pretty good guy and you're right

1587

00:57:38,710 --> 00:57:36,319

i mean you can you can check his stuff

1588

00:57:41,109 --> 00:57:38,720

he is the real mccoys person it isn't

1589

00:57:42,950 --> 00:57:41,119

like it isn't like robert lazarid or

1590

00:57:45,030 --> 00:57:42,960

anything like that i mean i think he's a

1591

00:57:47,030 --> 00:57:45,040

real he's a real mccoys too

1592

00:57:49,430 --> 00:57:47,040

uh but uh

1593

00:57:51,430 --> 00:57:49,440

uh you know he was a little harder they

1594

00:57:53,510 --> 00:57:51,440

were they got rid of a lot of his stuff

1595

00:57:56,230 --> 00:57:53,520

i believe they they eliminated and they

1596

00:57:57,990 --> 00:57:56,240

wiped his background out

1597

00:58:00,710 --> 00:57:58,000

but i still believe he he was he was a

1598

00:58:02,950 --> 00:58:00,720

real guy because i i

1599

00:58:05,109 --> 00:58:02,960

knew people norio being one of them he

1600

00:58:07,270 --> 00:58:05,119

interviewed him and mario felt the same

1601
00:58:09,910 --> 00:58:07,280
way that he uh he was he was a real

1602
00:58:12,230 --> 00:58:09,920
mccooy so wow see

1603
00:58:14,309 --> 00:58:12,240
getting back to dulce the uh and the

1604
00:58:15,829 --> 00:58:14,319
stuff that schneider was saying there

1605
00:58:17,910 --> 00:58:15,839
was um

1606
00:58:19,829 --> 00:58:17,920
a lot of connections between underground

1607
00:58:20,630 --> 00:58:19,839
bases and tunnels

1608
00:58:22,870 --> 00:58:20,640
and

1609
00:58:23,829 --> 00:58:22,880
have you heard any stories

1610
00:58:26,309 --> 00:58:23,839
uh

1611
00:58:29,270 --> 00:58:26,319
around the dulce area any underground

1612
00:58:31,910 --> 00:58:29,280
tunnel stories or or things that

1613
00:58:36,549 --> 00:58:31,920

coming out in or out of them

1614

00:58:39,190 --> 00:58:36,559

uh well i i can let's see

1615

00:58:40,069 --> 00:58:39,200

let let me uh let me kind of back up a

1616

00:58:42,470 --> 00:58:40,079

little bit i'm going to we're going to

1617

00:58:44,549 --> 00:58:42,480

move a little bit away from dulce i can

1618

00:58:47,109 --> 00:58:44,559

tell you two tunnel stories

1619

00:58:49,670 --> 00:58:47,119

uh and and the rumor has it there was

1620

00:58:51,109 --> 00:58:49,680

they'd connected to dulce okay the rumor

1621

00:58:52,950 --> 00:58:51,119

i'm not going to tell you for sure it's

1622

00:58:54,150 --> 00:58:52,960

a rumor but i'll kind of tell you i'm

1623

00:58:56,470 --> 00:58:54,160

going to give you a little confirmation

1624

00:58:58,150 --> 00:58:56,480

that the tunnels are there they're in

1625

00:58:59,349 --> 00:58:58,160

new mexico and they're probably in other

1626
00:59:00,309 --> 00:58:59,359
places

1627
00:59:02,789 --> 00:59:00,319
so

1628
00:59:06,150 --> 00:59:02,799
i ran across a couple guys

1629
00:59:08,789 --> 00:59:06,160
that were construction guys okay

1630
00:59:10,470 --> 00:59:08,799
so this one guy told me his story

1631
00:59:13,190 --> 00:59:10,480
and he said he

1632
00:59:15,430 --> 00:59:13,200
had gotten a call from his boss and said

1633
00:59:19,510 --> 00:59:15,440
him and his partner

1634
00:59:22,710 --> 00:59:19,520
had to take some tools and go and meet

1635
00:59:25,990 --> 00:59:22,720
uh some guys at the gate one of the

1636
00:59:28,630 --> 00:59:26,000
gates at kirkland air force base

1637
00:59:32,150 --> 00:59:28,640
so they did he didn't tell him anything

1638
00:59:34,309 --> 00:59:32,160

else and and it's kind of sad he didn't

1639

00:59:37,589 --> 00:59:34,319

because they come to the gate they meet

1640

00:59:38,950 --> 00:59:37,599

these guys these are military guys right

1641

00:59:41,030 --> 00:59:38,960

so they

1642

00:59:44,150 --> 00:59:41,040

tell them they're going in they they

1643

00:59:46,549 --> 00:59:44,160

they go in a car in in a black

1644

00:59:50,150 --> 00:59:46,559

you know suv type thing the typical

1645

00:59:52,309 --> 00:59:50,160

crazy black suv they drive down the road

1646

00:59:53,910 --> 00:59:52,319

tell them to get out

1647

00:59:55,510 --> 00:59:53,920

and they they kind of looked at each

1648

00:59:56,710 --> 00:59:55,520

other what do you mean get out so just

1649

01:00:01,349 --> 00:59:56,720

get out

1650

01:00:03,270 --> 01:00:01,359

bags over their head and they they cinch

1651
01:00:05,670 --> 01:00:03,280
them up they can breathe all right right

1652
01:00:07,750 --> 01:00:05,680
he said get back in the car

1653
01:00:09,589 --> 01:00:07,760
they're like bouncing off the doors and

1654
01:00:11,670 --> 01:00:09,599
everything else they you know then the

1655
01:00:13,510 --> 01:00:11,680
guys helped him get in the car and they

1656
01:00:15,030 --> 01:00:13,520
said well what's going on just just be

1657
01:00:16,390 --> 01:00:15,040
quiet

1658
01:00:18,789 --> 01:00:16,400
well

1659
01:00:20,710 --> 01:00:18,799
so anyways so they drive they seem to

1660
01:00:22,549 --> 01:00:20,720
drive for about 10

1661
01:00:24,630 --> 01:00:22,559
uh oh they thought about 10 he thought

1662
01:00:25,990 --> 01:00:24,640
about 10 minutes right he said he didn't

1663
01:00:27,910 --> 01:00:26,000

know with the bag on your head you just

1664

01:00:29,510 --> 01:00:27,920

don't know it feels like i mean their

1665

01:00:31,270 --> 01:00:29,520

minds are just swimming you know they

1666

01:00:33,589 --> 01:00:31,280

didn't know what that was going on

1667

01:00:35,589 --> 01:00:33,599

so they they drive back

1668

01:00:38,230 --> 01:00:35,599

and and you know

1669

01:00:40,950 --> 01:00:38,240

back behind the base and behind the labs

1670

01:00:42,870 --> 01:00:40,960

is manzano mountains right and it's a

1671

01:00:45,109 --> 01:00:42,880

really crazy mountain place but there's

1672

01:00:47,589 --> 01:00:45,119

a lot of crap in the back there right so

1673

01:00:49,430 --> 01:00:47,599

they get back in there

1674

01:00:51,190 --> 01:00:49,440

and so they get out

1675

01:00:52,150 --> 01:00:51,200

and they stand there and they

1676

01:00:52,950 --> 01:00:52,160

they

1677

01:00:55,589 --> 01:00:52,960

these

1678

01:00:57,190 --> 01:00:55,599

military people whoever they were

1679

01:00:59,510 --> 01:00:57,200

they they told them we're gonna take the

1680

01:01:00,549 --> 01:00:59,520

bags off but you need to look to the

1681

01:01:03,190 --> 01:01:00,559

ground

1682

01:01:04,950 --> 01:01:03,200

you cannot look up

1683

01:01:07,430 --> 01:01:04,960

and so

1684

01:01:10,390 --> 01:01:07,440

they took the bags off their head

1685

01:01:12,349 --> 01:01:10,400

and they they looked down and these guys

1686

01:01:14,789 --> 01:01:12,359

both had

1687

01:01:17,750 --> 01:01:14,799

ak-47s or whatever some automatic

1688

01:01:19,750 --> 01:01:17,760

weapons pointed at him and he said do

1689

01:01:21,750 --> 01:01:19,760

not look up

1690

01:01:24,470 --> 01:01:21,760

you're going to keep down

1691

01:01:26,549 --> 01:01:24,480

and here's your tools and come on

1692

01:01:28,789 --> 01:01:26,559

start walking always look down don't

1693

01:01:30,309 --> 01:01:28,799

look up so they don't know what why they

1694

01:01:31,829 --> 01:01:30,319

said that

1695

01:01:34,549 --> 01:01:31,839

um

1696

01:01:36,630 --> 01:01:34,559

so they went and they took them and they

1697

01:01:38,710 --> 01:01:36,640

took him to the kind of a place he said

1698

01:01:40,870 --> 01:01:38,720

it looked like doors and they had to dig

1699

01:01:42,870 --> 01:01:40,880

around the doors they don't know if

1700

01:01:45,190 --> 01:01:42,880

if what the reason where the doors

1701
01:01:46,630 --> 01:01:45,200
couldn't get open or whatever it was so

1702
01:01:48,150 --> 01:01:46,640
they had to dig around it wasn't a big

1703
01:01:50,150 --> 01:01:48,160
deal what they had to do they had to dig

1704
01:01:51,910 --> 01:01:50,160
around it anybody could have done this

1705
01:01:53,270 --> 01:01:51,920
it was the weirdest thing they they said

1706
01:01:54,950 --> 01:01:53,280
these guys could have done this this

1707
01:01:56,470 --> 01:01:54,960
wasn't anything special

1708
01:01:58,710 --> 01:01:56,480
they had to put some lubricant or

1709
01:02:01,109 --> 01:01:58,720
something on the door hinges they had to

1710
01:02:02,630 --> 01:02:01,119
do a few things that maybe they were

1711
01:02:04,630 --> 01:02:02,640
these other guys aren't qualified i

1712
01:02:07,109 --> 01:02:04,640
don't we don't really know why but

1713
01:02:08,870 --> 01:02:07,119

anyway so they they the doors open and

1714

01:02:11,270 --> 01:02:08,880

it he the only thing they said is they

1715

01:02:13,109 --> 01:02:11,280

still had to look down and they it was a

1716

01:02:14,470 --> 01:02:13,119

tunnel it was down and it looked like a

1717

01:02:16,549 --> 01:02:14,480

real tunnel

1718

01:02:18,069 --> 01:02:16,559

um and that just to me confirmed that

1719

01:02:21,349 --> 01:02:18,079

there were tunnels or something that

1720

01:02:23,670 --> 01:02:21,359

were underneath etc so of course these

1721

01:02:26,069 --> 01:02:23,680

guys got their sack put on back on it

1722

01:02:28,549 --> 01:02:26,079

they drove back out and they let them go

1723

01:02:30,870 --> 01:02:28,559

and they were really sh he said he was

1724

01:02:33,109 --> 01:02:30,880

shaken he he couldn't believe it that

1725

01:02:34,789 --> 01:02:33,119

government would do this and not and he

1726

01:02:36,390 --> 01:02:34,799

was mad at his boss because his boss

1727

01:02:37,670 --> 01:02:36,400

probably knew something crazy was going

1728

01:02:40,069 --> 01:02:37,680

to happen right

1729

01:02:42,390 --> 01:02:40,079

yeah so anyways uh and of course i had

1730

01:02:44,390 --> 01:02:42,400

heard anadonal information from people i

1731

01:02:45,990 --> 01:02:44,400

knew that worked at the base that there

1732

01:02:48,150 --> 01:02:46,000

was there was tunnels there was

1733

01:02:50,230 --> 01:02:48,160

something underneath it not everybody

1734

01:02:51,990 --> 01:02:50,240

knew about it

1735

01:02:54,789 --> 01:02:52,000

you know i had friends that had homes

1736

01:02:56,630 --> 01:02:54,799

that were just outside the base that

1737

01:02:58,470 --> 01:02:56,640

periodically they would hear rumblings

1738

01:03:00,470 --> 01:02:58,480

underneath their houses

1739

01:03:03,430 --> 01:03:00,480

uh and they could they many of them just

1740

01:03:06,470 --> 01:03:03,440

guessed it was probably the train or the

1741

01:03:07,829 --> 01:03:06,480

whatever it is the transporting vehicle

1742

01:03:09,589 --> 01:03:07,839

moving under the house and it was a

1743

01:03:11,589 --> 01:03:09,599

regular thing it was at it the time was

1744

01:03:14,150 --> 01:03:11,599

always the same time every day

1745

01:03:16,870 --> 01:03:14,160

so you know that's that's sort of that's

1746

01:03:19,270 --> 01:03:16,880

sort of what uh with that was then i had

1747

01:03:23,190 --> 01:03:19,280

friends the other little story was i had

1748

01:03:24,789 --> 01:03:23,200

friends that uh worked at los alamos

1749

01:03:27,910 --> 01:03:24,799

several friends

1750

01:03:30,630 --> 01:03:27,920

and they could not directly confirm

1751

01:03:33,270 --> 01:03:30,640

that they had seen the tunnels uh they

1752

01:03:34,789 --> 01:03:33,280

didn't uh all the all the people i was

1753

01:03:37,109 --> 01:03:34,799

in contact with

1754

01:03:39,510 --> 01:03:37,119

uh actually uh

1755

01:03:41,190 --> 01:03:39,520

did most of their work on the outside

1756

01:03:42,870 --> 01:03:41,200

they they did go inside the buildings

1757

01:03:44,950 --> 01:03:42,880

but those are the surface buildings as

1758

01:03:47,510 --> 01:03:44,960

they call them they did confirm there

1759

01:03:49,270 --> 01:03:47,520

was underground uh part of the building

1760

01:03:50,390 --> 01:03:49,280

the main building had an underground

1761

01:03:52,309 --> 01:03:50,400

portion

1762

01:03:53,910 --> 01:03:52,319

and they had heard from being their year

1763

01:03:56,309 --> 01:03:53,920

many of them had worked their life all

1764

01:03:58,069 --> 01:03:56,319

their life and they said after being

1765

01:03:59,029 --> 01:03:58,079

there all those years you hear little

1766

01:04:00,870 --> 01:03:59,039

things

1767

01:04:02,630 --> 01:04:00,880

that led them to believe that there was

1768

01:04:04,470 --> 01:04:02,640

some type of a tunnel

1769

01:04:09,190 --> 01:04:04,480

that connected

1770

01:04:11,430 --> 01:04:09,200

sandia labs and they just said places uh

1771

01:04:13,910 --> 01:04:11,440

north and northwest which would have

1772

01:04:16,390 --> 01:04:13,920

been dulce uh they didn't use the word

1773

01:04:19,029 --> 01:04:16,400

dulce but that's what they said and they

1774

01:04:20,870 --> 01:04:19,039

felt pretty comfortable that but uh they

1775

01:04:22,309 --> 01:04:20,880

couldn't tell me anything more other

1776

01:04:24,069 --> 01:04:22,319

than they felt comfortable that these

1777

01:04:25,990 --> 01:04:24,079

tunnels did exist

1778

01:04:27,670 --> 01:04:26,000

and they went they knew they were for

1779

01:04:30,549 --> 01:04:27,680

some reason they knew it went to los

1780

01:04:31,430 --> 01:04:30,559

alamo i mean to to kirkland air force

1781

01:04:32,230 --> 01:04:31,440

base

1782

01:04:34,069 --> 01:04:32,240

but

1783

01:04:35,190 --> 01:04:34,079

the other one they didn't name they just

1784

01:04:36,870 --> 01:04:35,200

wouldn't i don't know if they didn't

1785

01:04:39,190 --> 01:04:36,880

know or they didn't say it

1786

01:04:40,870 --> 01:04:39,200

but that's why i believe that

1787

01:04:43,990 --> 01:04:40,880

they are connected and i think a lot of

1788

01:04:46,069 --> 01:04:44,000

these tunnels connect all over

1789

01:04:48,470 --> 01:04:46,079

uh i think that's probably what phil had

1790

01:04:50,710 --> 01:04:48,480

said and other people i've talked to

1791

01:04:52,309 --> 01:04:50,720

they felt pretty comfortable that this

1792

01:04:55,510 --> 01:04:52,319

is those are real that's a real

1793

01:04:58,789 --> 01:04:55,520

situation it is not crazy conspiracy

1794

01:05:01,910 --> 01:04:58,799

crap it's real so anyways that's my

1795

01:05:03,910 --> 01:05:01,920

story i'm sticking with them yeah

1796

01:05:06,630 --> 01:05:03,920

i've heard the same and you know these

1797

01:05:09,430 --> 01:05:06,640

these extraterrestrials it seems it

1798

01:05:10,950 --> 01:05:09,440

seems like they are

1799

01:05:12,950 --> 01:05:10,960

trying to keep us from playing with

1800

01:05:16,069 --> 01:05:12,960

nuclear technologies and weapons what

1801
01:05:18,630 --> 01:05:16,079
have you heard relating to that theory

1802
01:05:22,549 --> 01:05:18,640
well i'm a firm believer and that's 100

1803
01:05:24,789 --> 01:05:22,559
correct um and here's why i believe this

1804
01:05:27,430 --> 01:05:24,799
uh after

1805
01:05:28,470 --> 01:05:27,440
uh it's not a coincidence that after we

1806
01:05:30,549 --> 01:05:28,480
dropped

1807
01:05:32,390 --> 01:05:30,559
the first bomb or even when we started

1808
01:05:36,470 --> 01:05:32,400
testing the bombs

1809
01:05:38,630 --> 01:05:36,480
um there was a increase in ufo activity

1810
01:05:40,710 --> 01:05:38,640
there was many more sightings

1811
01:05:43,270 --> 01:05:40,720
uh there was most of the most amazing

1812
01:05:45,349 --> 01:05:43,280
stories are right around it roswell and

1813
01:05:47,750 --> 01:05:45,359

all the many crashes that happened in

1814

01:05:49,910 --> 01:05:47,760

new mexico i mean there's a much more

1815

01:05:52,549 --> 01:05:49,920

crashes than roswell for god's sakes

1816

01:05:54,549 --> 01:05:52,559

there's probably seven or eight of them

1817

01:05:56,789 --> 01:05:54,559

or more

1818

01:05:59,029 --> 01:05:56,799

so there was a lot of activity

1819

01:06:01,670 --> 01:05:59,039

uh one of the things i heard and this

1820

01:06:02,829 --> 01:06:01,680

information i got from contactees and

1821

01:06:04,950 --> 01:06:02,839

and

1822

01:06:06,630 --> 01:06:04,960

abductees because i would bring this up

1823

01:06:08,150 --> 01:06:06,640

in some of my conversations with them

1824

01:06:09,109 --> 01:06:08,160

and ask them what they knew or what they

1825

01:06:10,870 --> 01:06:09,119

heard

1826

01:06:13,190 --> 01:06:10,880

and this is why

1827

01:06:14,470 --> 01:06:13,200

they ate the these aliens some of these

1828

01:06:17,029 --> 01:06:14,480

alien groups

1829

01:06:20,309 --> 01:06:17,039

were so much and so

1830

01:06:22,390 --> 01:06:20,319

much interested in keeping us from using

1831

01:06:23,910 --> 01:06:22,400

nuclear weapons or atomic

1832

01:06:26,069 --> 01:06:23,920

bombs or

1833

01:06:27,829 --> 01:06:26,079

whatever you want to call right

1834

01:06:29,670 --> 01:06:27,839

the reason was

1835

01:06:32,390 --> 01:06:29,680

is that they said

1836

01:06:34,789 --> 01:06:32,400

this was the only thing that would kill

1837

01:06:37,670 --> 01:06:34,799

a human soul

1838

01:06:41,349 --> 01:06:37,680

and they didn't for some reason

1839

01:06:43,190 --> 01:06:41,359

they wanted to keep our souls alive or

1840

01:06:45,270 --> 01:06:43,200

functional i don't i don't know what you

1841

01:06:47,270 --> 01:06:45,280

could say alive wanted to keep them

1842

01:06:49,190 --> 01:06:47,280

functionally and they said

1843

01:06:52,150 --> 01:06:49,200

that when you bla and when an atomic

1844

01:06:54,549 --> 01:06:52,160

bomb goes off it wipes off souls off the

1845

01:06:56,710 --> 01:06:54,559

earth and i don't know how close it was

1846

01:06:58,829 --> 01:06:56,720

but that's what they told me and they

1847

01:07:01,510 --> 01:06:58,839

said that we will do everything and they

1848

01:07:04,470 --> 01:07:01,520

have you know the silos they talk about

1849

01:07:06,789 --> 01:07:04,480

those uh the codes being changed

1850

01:07:08,230 --> 01:07:06,799

they talk about uh

1851
01:07:10,710 --> 01:07:08,240
you know all kinds of things that are

1852
01:07:13,029 --> 01:07:10,720
changed uh you know even the manhattan

1853
01:07:16,230 --> 01:07:13,039
project itself i heard rumors and

1854
01:07:18,150 --> 01:07:16,240
stories that weird things would happen

1855
01:07:19,750 --> 01:07:18,160
uh they finally made it happen they

1856
01:07:22,630 --> 01:07:19,760
finally dropped you know they were able

1857
01:07:24,950 --> 01:07:22,640
to test those bombs in new mexico but

1858
01:07:26,309 --> 01:07:24,960
one of the most fascinating rainbow i

1859
01:07:29,990 --> 01:07:26,319
love did you ever watch the series

1860
01:07:32,069 --> 01:07:30,000
manhattan yes oh we love that thing

1861
01:07:34,069 --> 01:07:32,079
there is some hidden things in the mix

1862
01:07:36,069 --> 01:07:34,079
there oh there are

1863
01:07:38,789 --> 01:07:36,079

there are some hidden things so

1864

01:07:41,829 --> 01:07:38,799

um you know we love that that that was

1865

01:07:44,150 --> 01:07:41,839

crazy because rainbow actually had an

1866

01:07:46,710 --> 01:07:44,160

uncle that worked at los alamos

1867

01:07:49,190 --> 01:07:46,720

and interesting yeah so there was some

1868

01:07:51,270 --> 01:07:49,200

crazy stories about that and she had she

1869

01:07:53,910 --> 01:07:51,280

had some of her own when she was a kid

1870

01:07:56,309 --> 01:07:53,920

she would go up there and it was it's it

1871

01:07:57,349 --> 01:07:56,319

was a los alamos have you been the last

1872

01:07:59,589 --> 01:07:57,359

elements

1873

01:08:02,230 --> 01:07:59,599

no have not go go

1874

01:08:04,069 --> 01:08:02,240

go the energy there is very strange it's

1875

01:08:05,750 --> 01:08:04,079

very strange i'll have to check it out

1876

01:08:08,870 --> 01:08:05,760

yeah you have to if you get up there go

1877

01:08:11,510 --> 01:08:08,880

and see it feel it it's worth it

1878

01:08:12,789 --> 01:08:11,520

it's a it's a very interesting town

1879

01:08:14,309 --> 01:08:12,799

little town

1880

01:08:16,149 --> 01:08:14,319

and it's very close

1881

01:08:17,030 --> 01:08:16,159

it's closed in meaning when you live

1882

01:08:19,030 --> 01:08:17,040

there

1883

01:08:20,709 --> 01:08:19,040

you got to be part of the game

1884

01:08:22,149 --> 01:08:20,719

and

1885

01:08:24,390 --> 01:08:22,159

yeah there's there's things going on

1886

01:08:27,430 --> 01:08:24,400

there i i will tell you that so

1887

01:08:29,749 --> 01:08:27,440

great anyways uh well i can't thank you

1888

01:08:30,630 --> 01:08:29,759

enough for coming on uh one last quick

1889

01:08:32,470 --> 01:08:30,640

question

1890

01:08:34,470 --> 01:08:32,480

go ahead what do you think the future

1891

01:08:36,630 --> 01:08:34,480

holds for dual say do you think

1892

01:08:37,910 --> 01:08:36,640

it's out of commission and we won't hear

1893

01:08:39,189 --> 01:08:37,920

anything else or do you think that's

1894

01:08:40,470 --> 01:08:39,199

that

1895

01:08:43,189 --> 01:08:40,480

you know what i

1896

01:08:45,669 --> 01:08:43,199

i think the activity is obviously

1897

01:08:47,990 --> 01:08:45,679

died down from when it was years of

1898

01:08:49,910 --> 01:08:48,000

years back i don't think it's a hundred

1899

01:08:51,349 --> 01:08:49,920

percent i think those some of the labs

1900

01:08:52,789 --> 01:08:51,359

underground

1901

01:08:55,669 --> 01:08:52,799

are possibly

1902

01:08:57,749 --> 01:08:55,679

still active the reason i say that and i

1903

01:09:00,470 --> 01:08:57,759

can only really go back to

1904

01:09:02,709 --> 01:09:00,480

when i talk to those native americans is

1905

01:09:05,269 --> 01:09:02,719

that they still seen uh there was still

1906

01:09:07,430 --> 01:09:05,279

a lot of ufo activity over there and

1907

01:09:09,990 --> 01:09:07,440

military helicopters and things flying

1908

01:09:12,390 --> 01:09:10,000

over it now they didn't say they landed

1909

01:09:15,030 --> 01:09:12,400

they just said they see a lot of it and

1910

01:09:16,470 --> 01:09:15,040

they see between that combination just

1911

01:09:17,990 --> 01:09:16,480

leads me to believe there's still

1912

01:09:19,990 --> 01:09:18,000

something going on

1913

01:09:21,910 --> 01:09:20,000

underground and i think from a

1914

01:09:24,070 --> 01:09:21,920

standpoint of people out there of

1915

01:09:27,110 --> 01:09:24,080

interest i will tell you this is the

1916

01:09:29,430 --> 01:09:27,120

most number one popular subject on both

1917

01:09:31,669 --> 01:09:29,440

chant both my channel and it always has

1918

01:09:35,749 --> 01:09:31,679

been the number one subject on my

1919

01:09:37,189 --> 01:09:35,759

website the most views and i get views

1920

01:09:38,870 --> 01:09:37,199

because i track them from all over the

1921

01:09:40,789 --> 01:09:38,880

world on the website

1922

01:09:42,550 --> 01:09:40,799

uh people all over the world for some

1923

01:09:44,390 --> 01:09:42,560

reason are just

1924

01:09:46,309 --> 01:09:44,400

excited interested in it because it's

1925

01:09:48,950 --> 01:09:46,319

such a complex

1926

01:09:50,870 --> 01:09:48,960

subject matter with all kinds of people

1927

01:09:53,189 --> 01:09:50,880

with their fingers in the pie

1928

01:09:54,470 --> 01:09:53,199

and i i think it's it's it's interesting

1929

01:09:57,110 --> 01:09:54,480

and i don't think it's going to go away

1930

01:09:59,750 --> 01:09:57,120

anytime soon and can you tell listeners

1931

01:10:02,870 --> 01:09:59,760

um your websites and where to find you

1932

01:10:05,030 --> 01:10:02,880

yes uh so we our my website which you

1933

01:10:07,590 --> 01:10:05,040

can look and see all vortex photography

1934

01:10:10,310 --> 01:10:07,600

and all the other stuff is truth seeker

1935

01:10:13,830 --> 01:10:10,320

forum dot com of course

1936

01:10:15,750 --> 01:10:13,840

and the uh the youtube channel

1937

01:10:17,910 --> 01:10:15,760

and that's with my partner rainbow and

1938

01:10:19,830 --> 01:10:17,920

actually rainbow's written a lot of

1939

01:10:21,430 --> 01:10:19,840

she actually is a writer for underground

1940

01:10:23,590 --> 01:10:21,440

paranormal underground she's one of the

1941

01:10:26,070 --> 01:10:23,600

main writers there so she's written a

1942

01:10:27,669 --> 01:10:26,080

lot of really interesting things and our

1943

01:10:29,430 --> 01:10:27,679

our youtube channel is dimensional

1944

01:10:31,430 --> 01:10:29,440

walking

1945

01:10:33,110 --> 01:10:31,440

a paranormal journey

1946

01:10:35,430 --> 01:10:33,120

and i think you'd enjoy we probably have

1947

01:10:37,189 --> 01:10:35,440

right now about 40 videos on there and a

1948

01:10:39,350 --> 01:10:37,199

lot of it has to do with our personal

1949

01:10:41,669 --> 01:10:39,360

experience most of the things we always

1950

01:10:43,030 --> 01:10:41,679

talk about has partially personal

1951

01:10:45,270 --> 01:10:43,040

experience in it

1952

01:10:46,550 --> 01:10:45,280

because i i that's what i want to do i

1953

01:10:48,229 --> 01:10:46,560

want to get out what our personal

1954

01:10:50,229 --> 01:10:48,239

experience has been and we do

1955

01:10:52,950 --> 01:10:50,239

mix it with some research we go out in

1956

01:10:54,390 --> 01:10:52,960

field we do we use that what we do now

1957

01:10:56,550 --> 01:10:54,400

and we have in the past done a lot of

1958

01:10:58,950 --> 01:10:56,560

field research too and we will continue

1959

01:11:00,790 --> 01:10:58,960

whenever we can get out and around

1960

01:11:02,310 --> 01:11:00,800

that's so great awesome stuff and i

1961

01:11:03,590 --> 01:11:02,320

can't thank you enough for coming on

1962

01:11:05,270 --> 01:11:03,600

01:11:42,470 --> 01:11:40,960

his experiences knowledge and

1978

01:11:44,950 --> 01:11:42,480

he's learned a lot throughout the years

1979

01:11:46,709 --> 01:11:44,960

and brings a lot to the table

1980

01:11:49,669 --> 01:11:46,719

it's it's an amazing

1981

01:11:52,149 --> 01:11:49,679

mystery and i'm very glad that some

1982

01:11:53,430 --> 01:11:52,159

people are still all about it

1983

01:11:55,910 --> 01:11:53,440

it's uh

1984

01:11:58,470 --> 01:11:55,920

it's just one of those things until next

1985

01:12:00,709 --> 01:11:58,480

time keep your eyes to the skies feet on

1986

01:12:10,440 --> 01:12:00,719

the ground and don't forget to take a

1987

01:12:10,450 --> 01:12:20,149

[Music]

1988

01:12:20,159 --> 01:12:30,650

machine
