awesome love it all and um i think

65

00:03:07,110 --> 00:03:05,840

currently you are based in texas is that

66

00:03:10,070 --> 00:03:07,120

correct april

67

00:03:11,670 --> 00:03:10,080

no i've been back in utah for about uh

68

00:03:13,670 --> 00:03:11,680

it's been about 10 years now i was in

69

00:03:15,190 --> 00:03:13,680

texas for a little while uh but i i did

70

00:03:18,390 --> 00:03:15,200

move back to the state about 10 years

71

00:03:21,110 --> 00:03:18,400

ago oh my gosh see it's been too long

72

00:03:23,830 --> 00:03:21,120

that we've talked um long time yeah

73

00:03:27,190 --> 00:03:23,840

that is so cool well you have definitely

74

00:03:28,710 --> 00:03:27,200

a ton of experience in utah

75

00:03:30,470 --> 00:03:28,720

with things all over the place i know

76

00:03:32,470 --> 00:03:30,480

you've gone to a lot of haunted

77

00:03:34,470 --> 00:03:32,480

locations and done research

78

00:03:35,830 --> 00:03:34,480

as well as the uinta basin where where

79

00:03:37,190 --> 00:03:35,840

did we kick off here where should we

80

00:03:40,470 --> 00:03:37,200

start

81

00:03:41,990 --> 00:03:40,480

well i think the most uh recent um theme

82

00:03:43,350 --> 00:03:42,000

that people seem to be most interested

83

00:03:45,350 --> 00:03:43,360

in is

84

00:03:47,110 --> 00:03:45,360

skin walker ranch or the ui basin here

85

00:03:48,710 --> 00:03:47,120

in northeastern utah

86

00:03:50,949 --> 00:03:48,720

it was something that i've

87

00:03:53,030 --> 00:03:50,959

researched for upwards of about 15 years

88

00:03:54,470 --> 00:03:53,040

now but didn't really get a lot of

89

00:03:56,550 --> 00:03:54,480

attention back

90

00:03:58,550 --> 00:03:56,560

when i first started doing it not many

91

00:04:01,110 --> 00:03:58,560

people really knew that much about it

92

00:04:02,470 --> 00:04:01,120

they weren't really familiar uh with it

93

00:04:03,990 --> 00:04:02,480

and so you know i'd written some

94

00:04:05,429 --> 00:04:04,000

articles and whatnot for the magazine i

95

00:04:07,350 --> 00:04:05,439

was currently working for at the time

96

00:04:08,550 --> 00:04:07,360

and just kind of let it go i just kind

97

00:04:11,589 --> 00:04:08,560

of put it in the back of my mind and

98

00:04:14,070 --> 00:04:11,599

went on to other things but with the

99

00:04:15,429 --> 00:04:14,080

show on the history channel the secret

100

00:04:16,310 --> 00:04:15,439

of skinwalker ranch people started to

101
00:04:17,909 --> 00:04:16,320
get

102
00:04:19,830 --> 00:04:17,919
more interested in the subject again and

103
00:04:21,189 --> 00:04:19,840
started reaching out to me and uh have

104
00:04:22,550 --> 00:04:21,199
asked that i share

105
00:04:24,310 --> 00:04:22,560
my story so that's something that's

106
00:04:25,990 --> 00:04:24,320
happened recently that i haven't been

107
00:04:27,830 --> 00:04:26,000
quite used to so it's really nice to

108
00:04:29,430 --> 00:04:27,840
actually have a platform to to share

109
00:04:32,070 --> 00:04:29,440
that with people now

110
00:04:34,230 --> 00:04:32,080
so true it is something that has really

111
00:04:35,990 --> 00:04:34,240
kind of been in the recesses in the past

112
00:04:38,310 --> 00:04:36,000
and now it just seems like it's on the

113
00:04:39,830 --> 00:04:38,320

forefront well let's kick off there i

114

00:04:42,230 --> 00:04:39,840

think that's a great place to kick off i

115

00:04:44,950 --> 00:04:42,240

know you've been to the area and had

116

00:04:47,909 --> 00:04:44,960

some experiences let's delve into them

117

00:04:49,110 --> 00:04:47,919

sure um well i initially my first trip

118

00:04:51,030 --> 00:04:49,120

um

119

00:04:53,510 --> 00:04:51,040

out to the area

120

00:04:57,189 --> 00:04:53,520

to the to skinwalker specifically was in

121

00:04:59,350 --> 00:04:57,199

october of 2006 i believe and so it's

122

00:05:00,870 --> 00:04:59,360

been it's been a minute um and that

123

00:05:02,390 --> 00:05:00,880

first visit to the area was i was

124

00:05:05,270 --> 00:05:02,400

actually not on the ranch i believe i

125

00:05:07,830 --> 00:05:05,280

was on the property that you now own

126

00:05:09,430 --> 00:05:07,840

when i first visited that borders the

127

00:05:11,990 --> 00:05:09,440

ranch yep

128

00:05:14,790 --> 00:05:12,000

and so i was taken out there by my

129

00:05:16,550 --> 00:05:14,800

friend uh who we lovingly call alien

130

00:05:18,390 --> 00:05:16,560

dave rosenfeld i believe he's a friend

131

00:05:20,310 --> 00:05:18,400

of yours as well yeah and he was the one

132

00:05:22,550 --> 00:05:20,320

that connected us i think initially

133

00:05:24,870 --> 00:05:22,560

um and you know i got to talking to him

134

00:05:26,790 --> 00:05:24,880

about skinwalker i read the book by

135

00:05:28,790 --> 00:05:26,800

kelleher knapp and hunt for the

136

00:05:30,550 --> 00:05:28,800

skinwalker and you know dave said he

137

00:05:32,629 --> 00:05:30,560

knew where where this place was and he'd

138

00:05:35,670 --> 00:05:32,639

be willing to take me out there and so i

139

00:05:38,310 --> 00:05:35,680

jumped at the chance to go and

140

00:05:40,469 --> 00:05:38,320

from the moment i decided to go until i

141

00:05:41,430 --> 00:05:40,479

came back home from that experience it

142

00:05:44,629 --> 00:05:41,440

was just

143

00:05:47,270 --> 00:05:44,639

a surreal sort of thing um

144

00:05:49,749 --> 00:05:47,280

there was a group of six of us that dave

145

00:05:53,110 --> 00:05:49,759

escorted out to to the southern border

146

00:05:54,790 --> 00:05:53,120

of skinwalker ranch and we decided to

147

00:05:56,309 --> 00:05:54,800

camp out there but on the way from salt

148

00:05:59,590 --> 00:05:56,319

lake city to

149

00:06:00,710 --> 00:05:59,600

the basin we got pulled over twice

150

00:06:03,670 --> 00:06:00,720

by

151
00:06:05,350 --> 00:06:03,680
police or our sheriff's deputies and we

152
00:06:06,870 --> 00:06:05,360
weren't speeding we didn't have lights

153
00:06:08,230 --> 00:06:06,880
out there was no reason to pull us over

154
00:06:09,990 --> 00:06:08,240
which is kind of odd it was kind of

155
00:06:11,110 --> 00:06:10,000
seemed to me like hmm i wonder if they

156
00:06:13,670 --> 00:06:11,120
know we're coming out there because at

157
00:06:15,590 --> 00:06:13,680
the time it was still a huge kind of big

158
00:06:17,909 --> 00:06:15,600
secreted thing it wasn't there was no tv

159
00:06:19,189 --> 00:06:17,919
show there was you know peop the locals

160
00:06:21,029 --> 00:06:19,199
really didn't even want people to know

161
00:06:23,110 --> 00:06:21,039
where this place was and so it kind of

162
00:06:24,950 --> 00:06:23,120
put me on edge that okay well i'm

163
00:06:25,670 --> 00:06:24,960

already being asked why i'm headed out

164

00:06:28,309 --> 00:06:25,680

to

165

00:06:30,710 --> 00:06:28,319

the basin uh by police officers and i

166

00:06:32,390 --> 00:06:30,720

wasn't a stranger to the basin um i

167

00:06:34,790 --> 00:06:32,400

spent most of my summers growing up out

168

00:06:37,189 --> 00:06:34,800

there with with cousins and family so

169

00:06:39,189 --> 00:06:37,199

and had had weird experiences so to me

170

00:06:40,870 --> 00:06:39,199

it was normal to be going out there but

171

00:06:42,629 --> 00:06:40,880

it seemed like something just kind of

172

00:06:43,430 --> 00:06:42,639

knew we were coming

173

00:06:45,350 --> 00:06:43,440

and

174

00:06:46,710 --> 00:06:45,360

so we get to the property we set up for

175

00:06:49,510 --> 00:06:46,720

the evening

176

00:06:51,909 --> 00:06:49,520

it was in october and you know waited

177

00:06:53,430 --> 00:06:51,919

for for night to fall and just started

178

00:06:55,029 --> 00:06:53,440

kind of surveilling over the homesteads

179

00:06:56,150 --> 00:06:55,039

from the southern end of the property

180

00:06:58,230 --> 00:06:56,160

and

181

00:07:00,550 --> 00:06:58,240

just weird stuff started happening to

182

00:07:02,710 --> 00:07:00,560

all of us now i have to uh

183

00:07:04,790 --> 00:07:02,720

put an asterisk on this that

184

00:07:06,790 --> 00:07:04,800

out of the six of us that were there all

185

00:07:08,950 --> 00:07:06,800

of us had vastly different experiences

186

00:07:11,350 --> 00:07:08,960

um and i don't discount anybody else's

187

00:07:13,029 --> 00:07:11,360

uh recalling of the incidents but

188

00:07:13,909 --> 00:07:13,039

uh mine were quite a bit different than

189

00:07:16,790 --> 00:07:13,919

some of the things that have been

190

00:07:18,870 --> 00:07:16,800

reported in the past so um at the time i

191

00:07:19,589 --> 00:07:18,880

was dating an individual who was

192

00:07:22,230 --> 00:07:19,599

in

193

00:07:24,629 --> 00:07:22,240

what he called chaos magic or

194

00:07:26,950 --> 00:07:24,639

what i would call black magic things to

195

00:07:29,270 --> 00:07:26,960

kind of disrupt or upset

196

00:07:30,790 --> 00:07:29,280

and that's not something that i i

197

00:07:31,749 --> 00:07:30,800

condone at all it's not something i i

198

00:07:33,510 --> 00:07:31,759

practice

199

00:07:35,909 --> 00:07:33,520

sure i do a lot of research into it but

200

00:07:38,070 --> 00:07:35,919

i it's not something that i i delve into

201
00:07:40,390 --> 00:07:38,080
and so he and a buddy of his that was

202
00:07:42,710 --> 00:07:40,400
there with us decided they wanted to

203
00:07:44,469 --> 00:07:42,720
carve or scratch what we call sigils

204
00:07:46,469 --> 00:07:44,479
symbols that are supposed to invoke some

205
00:07:47,589 --> 00:07:46,479
sort of energetic response out of the

206
00:07:50,629 --> 00:07:47,599
environment

207
00:07:52,390 --> 00:07:50,639
into the dirt on the on the ranch

208
00:07:54,550 --> 00:07:52,400
and i wanted no part of that whatsoever

209
00:07:56,790 --> 00:07:54,560
so they they went kind of climbed down

210
00:07:58,790 --> 00:07:56,800
onto the ranch property and and did that

211
00:08:00,550 --> 00:07:58,800
uh oblivious to me i

212
00:08:03,110 --> 00:08:00,560
had no part in it

213
00:08:05,189 --> 00:08:03,120

and then we just kind of sat there

214

00:08:08,550 --> 00:08:05,199

thinking nothing would really happen

215

00:08:09,909 --> 00:08:08,560

until things really did start to happen

216

00:08:12,070 --> 00:08:09,919

we had all different kinds of

217

00:08:14,150 --> 00:08:12,080

surveillance we had night vision we had

218

00:08:16,309 --> 00:08:14,160

binoculars we had video cameras all that

219

00:08:18,869 --> 00:08:16,319

kind of stuff and we were just watching

220

00:08:22,230 --> 00:08:18,879

over homestead one

221

00:08:23,749 --> 00:08:22,240

um and strange lights

222

00:08:26,150 --> 00:08:23,759

i believe there were blue and orange

223

00:08:27,830 --> 00:08:26,160

lights from what i can remember just

224

00:08:30,469 --> 00:08:27,840

started acting strangely in the sky

225

00:08:32,389 --> 00:08:30,479

above homestead one they weren't

226

00:08:34,389 --> 00:08:32,399

flying toward us they weren't doing it

227

00:08:37,430 --> 00:08:34,399

they were just lights it looked like

228

00:08:39,589 --> 00:08:37,440

probably big firefly lights kind of over

229

00:08:42,230 --> 00:08:39,599

the homestead and okay that's

230

00:08:43,269 --> 00:08:42,240

interesting to me that was you know wow

231

00:08:46,070 --> 00:08:43,279

i'm seeing something i don't know what

232

00:08:48,710 --> 00:08:46,080

it is um but me being the skeptical

233

00:08:50,230 --> 00:08:48,720

researcher that i am kept thinking

234

00:08:51,430 --> 00:08:50,240

okay well if someone did know we were

235

00:08:52,790 --> 00:08:51,440

coming out here they could have

236

00:08:54,310 --> 00:08:52,800

flashlights or they could have something

237

00:08:55,990 --> 00:08:54,320

rigged up out there i'm constantly

238

00:08:57,590 --> 00:08:56,000

trying to figure out how people are

239

00:08:59,750 --> 00:08:57,600

are conning

240

00:09:01,269 --> 00:08:59,760

in paranormal uh situations because

241

00:09:03,350 --> 00:09:01,279

people do that unfortunately they they

242

00:09:05,190 --> 00:09:03,360

do want to create something and they

243

00:09:07,110 --> 00:09:05,200

and they want to

244

00:09:08,470 --> 00:09:07,120

kind of trick people so watching this i

245

00:09:10,150 --> 00:09:08,480

couldn't figure out how

246

00:09:11,030 --> 00:09:10,160

how these lights were happening but they

247

00:09:14,550 --> 00:09:11,040

weren't

248

00:09:15,990 --> 00:09:14,560

really off-putting i just thought this

249

00:09:20,310 --> 00:09:16,000

is interesting

250

00:09:23,990 --> 00:09:21,910

we were just sitting there in the dark

251

00:09:25,829 --> 00:09:24,000

looking up the sky in the in the basin

252

00:09:28,310 --> 00:09:25,839

especially on a clear night it's the

253

00:09:30,470 --> 00:09:28,320

most beautiful sky stars you could see

254

00:09:32,550 --> 00:09:30,480

and there was not a cloud in the sky

255

00:09:34,070 --> 00:09:32,560

that night we were all just kind of

256

00:09:35,509 --> 00:09:34,080

looking up toward the sky and right

257

00:09:36,630 --> 00:09:35,519

above us

258

00:09:39,190 --> 00:09:36,640

was

259

00:09:41,030 --> 00:09:39,200

i would say about 300 feet

260

00:09:42,070 --> 00:09:41,040

in a rectangular type shape from what i

261

00:09:43,190 --> 00:09:42,080

can remember

262

00:09:45,750 --> 00:09:43,200

there was

263

00:09:47,350 --> 00:09:45,760

no stars stars all around that shape but

264

00:09:49,990 --> 00:09:47,360

directly above us there was just

265

00:09:51,670 --> 00:09:50,000

blackness there was nothing there was no

266

00:09:54,070 --> 00:09:51,680

spacecraft there was nothing it was just

267

00:09:56,710 --> 00:09:54,080

a void and we heard

268

00:09:57,990 --> 00:09:56,720

uh like a whirring type noise above us

269

00:10:00,470 --> 00:09:58,000

and we just kind of all sat there and

270

00:10:02,069 --> 00:10:00,480

looked at it and then within

271

00:10:03,670 --> 00:10:02,079

a minute or so it was just gone it

272

00:10:05,750 --> 00:10:03,680

didn't fly off it didn't disappear it

273

00:10:07,030 --> 00:10:05,760

just the stars reappeared and the noise

274

00:10:08,389 --> 00:10:07,040

was gone

275

00:10:10,949 --> 00:10:08,399

um

276

00:10:14,710 --> 00:10:10,959

and and during that whole thing we

277

00:10:17,030 --> 00:10:14,720

experienced shifts of emotion erratic

278

00:10:18,470 --> 00:10:17,040

but pretty universal so one minute the

279

00:10:20,069 --> 00:10:18,480

group would be yelling at each other for

280

00:10:21,990 --> 00:10:20,079

no reason and then the next minute we'd

281

00:10:23,750 --> 00:10:22,000

be laughing about something ridiculous

282

00:10:24,949 --> 00:10:23,760

and then the next we'd totally ignore

283

00:10:27,190 --> 00:10:24,959

each other and

284

00:10:30,150 --> 00:10:27,200

it just seemed to have control over our

285

00:10:32,790 --> 00:10:30,160

emotions um without us really having any

286

00:10:34,150 --> 00:10:32,800

say sure in that uh and so this is the

287

00:10:35,269 --> 00:10:34,160

point where i started to get really sort

288

00:10:37,509 --> 00:10:35,279

of

289

00:10:39,350 --> 00:10:37,519

nervous that there was something

290

00:10:41,269 --> 00:10:39,360

sentient kind of

291

00:10:43,910 --> 00:10:41,279

uh aware of us and messing with us i

292

00:10:45,430 --> 00:10:43,920

guess and um i looked back because i

293

00:10:47,990 --> 00:10:45,440

heard something behind one of the

294

00:10:50,389 --> 00:10:48,000

vehicles that was behind my truck

295

00:10:51,750 --> 00:10:50,399

and there was this tall figure it looked

296

00:10:56,870 --> 00:10:51,760

like a human

297

00:11:00,710 --> 00:10:56,880

much taller than any human i've met

298

00:11:02,230 --> 00:11:00,720

well over seven feet tall at least and i

299

00:11:03,829 --> 00:11:02,240

just thought as a shadow person kind of

300

00:11:05,829 --> 00:11:03,839

peeking out from behind

301
00:11:07,750 --> 00:11:05,839
this truck and and just kind of looking

302
00:11:10,550 --> 00:11:07,760
at us in our direction didn't see any

303
00:11:11,590 --> 00:11:10,560
features no no eyes no no nothing like

304
00:11:14,550 --> 00:11:11,600
that

305
00:11:15,590 --> 00:11:14,560
but my boyfriend at the time uh

306
00:11:17,030 --> 00:11:15,600
you know we just kind of looked at each

307
00:11:18,069 --> 00:11:17,040
other and i said are you seeing this are

308
00:11:19,110 --> 00:11:18,079
you seeing the same thing that i'm

309
00:11:20,790 --> 00:11:19,120
seeing

310
00:11:21,829 --> 00:11:20,800
and he said he was

311
00:11:23,030 --> 00:11:21,839
except

312
00:11:25,350 --> 00:11:23,040
he's like what are all those things

313
00:11:26,790 --> 00:11:25,360

flying off of it and i'm like what

314

00:11:28,470 --> 00:11:26,800

i didn't understand what he meant by

315

00:11:31,350 --> 00:11:28,480

that because i didn't see that

316

00:11:34,949 --> 00:11:31,360

but he had seen this figure as this you

317

00:11:36,550 --> 00:11:34,959

know shadow person but it had little

318

00:11:38,790 --> 00:11:36,560

little things flying off of it and back

319

00:11:40,949 --> 00:11:38,800

into it which he kind of explained to me

320

00:11:42,389 --> 00:11:40,959

at the time looked like little squids

321

00:11:43,910 --> 00:11:42,399

yeah kind of flying off of it and then

322

00:11:45,590 --> 00:11:43,920

coming back and flying off of it and

323

00:11:47,670 --> 00:11:45,600

coming back and he was

324

00:11:49,110 --> 00:11:47,680

terrified and i'm just looking i'm like

325

00:11:51,670 --> 00:11:49,120

i'm not seeing what you're saying like

326

00:11:52,550 --> 00:11:51,680

what what is it i just see this this

327

00:11:53,670 --> 00:11:52,560

thing

328

00:11:54,790 --> 00:11:53,680

behind the truck and then all of a

329

00:11:57,430 --> 00:11:54,800

sudden he

330

00:11:58,870 --> 00:11:57,440

pulls his his hand to his face like he'd

331

00:12:00,870 --> 00:11:58,880

been hit like something that slapped him

332

00:12:02,230 --> 00:12:00,880

in the face and he grabbed his his nose

333

00:12:03,750 --> 00:12:02,240

in his mouth

334

00:12:05,190 --> 00:12:03,760

and and

335

00:12:07,110 --> 00:12:05,200

i was like what what just happened to

336

00:12:08,829 --> 00:12:07,120

you and he said something flew into my

337

00:12:12,470 --> 00:12:08,839

head

338

00:12:13,910 --> 00:12:12,480

whoa um what like i didn't i was like i

339

00:12:14,870 --> 00:12:13,920

didn't see anything what are you talking

340

00:12:18,629 --> 00:12:14,880

about i thought he was being

341

00:12:20,389 --> 00:12:18,639

melodramatic as he sometimes could be um

342

00:12:22,069 --> 00:12:20,399

and i just didn't i just didn't have

343

00:12:24,150 --> 00:12:22,079

that experience so i was like okay what

344

00:12:25,750 --> 00:12:24,160

whatever maybe a bug flew up your nose

345

00:12:27,430 --> 00:12:25,760

or something i i don't know what it is

346

00:12:28,550 --> 00:12:27,440

you think you experienced but i totally

347

00:12:30,230 --> 00:12:28,560

dismissed it

348

00:12:31,990 --> 00:12:30,240

and just kind of

349

00:12:34,069 --> 00:12:32,000

you know watch this figure kind of fade

350

00:12:36,150 --> 00:12:34,079

out it didn't walk away didn't fly away

351

00:12:39,030 --> 00:12:36,160

it just wasn't there anymore kind of

352

00:12:40,310 --> 00:12:39,040

like the the thing in the sky

353

00:12:41,910 --> 00:12:40,320

so as we

354

00:12:44,550 --> 00:12:41,920

start focusing on other stuff he started

355

00:12:47,190 --> 00:12:44,560

complaining on about a headache and that

356

00:12:50,230 --> 00:12:47,200

he was not feeling very well and we were

357

00:12:52,230 --> 00:12:50,240

looking out over homestead too

358

00:12:53,990 --> 00:12:52,240

and the best thing i can the best way i

359

00:12:55,269 --> 00:12:54,000

can describe what i saw

360

00:12:57,430 --> 00:12:55,279

was if you've ever seen the movie

361

00:13:00,790 --> 00:12:57,440

predator that that kind of liquidy

362

00:13:03,990 --> 00:13:01,829

movement

363

00:13:05,350 --> 00:13:04,000

sure yeah you saw that in front of

364

00:13:06,949 --> 00:13:05,360

homestead too it's like somebody put

365

00:13:09,990 --> 00:13:06,959

vaseline over my eyes and it just kind

366

00:13:11,990 --> 00:13:10,000

of i couldn't see detail but i knew it

367

00:13:14,389 --> 00:13:12,000

wasn't in my eyes i was looking at it

368

00:13:15,750 --> 00:13:14,399

and that stayed

369

00:13:17,670 --> 00:13:15,760

i don't know i think somebody got

370

00:13:20,150 --> 00:13:17,680

footage of that but nobody seems to be

371

00:13:21,350 --> 00:13:20,160

able to know where that footage is now

372

00:13:24,389 --> 00:13:21,360

um

373

00:13:26,069 --> 00:13:24,399

and then we focused on homestead 3 which

374

00:13:29,110 --> 00:13:26,079

i had seen earlier when we were setting

375

00:13:31,190 --> 00:13:29,120

up camp through through our different um

376

00:13:33,030 --> 00:13:31,200

optic devices and then it was gone it

377

00:13:34,550 --> 00:13:33,040

was like somebody had photoshopped it

378

00:13:36,790 --> 00:13:34,560

right out of the landscape like there

379

00:13:39,030 --> 00:13:36,800

there was nothing of it there

380

00:13:40,230 --> 00:13:39,040

which was really odd to me um

381

00:13:41,670 --> 00:13:40,240

and so

382

00:13:43,509 --> 00:13:41,680

by this time by the time we've seen all

383

00:13:45,030 --> 00:13:43,519

of these things happening and and my

384

00:13:46,550 --> 00:13:45,040

boyfriend had this experience with his

385

00:13:48,470 --> 00:13:46,560

face and

386

00:13:50,150 --> 00:13:48,480

whatnot we were all so tired

387

00:13:51,990 --> 00:13:50,160

uh it was probably three or four in the

388

00:13:53,829 --> 00:13:52,000

morning before we called it a night and

389

00:13:56,310 --> 00:13:53,839

we crawled into our tents our respective

390

00:13:58,710 --> 00:13:56,320

tents there was two of us in each tent

391

00:13:59,910 --> 00:13:58,720

and uh me and my boyfriend went to sleep

392

00:14:02,790 --> 00:13:59,920

and

393

00:14:04,310 --> 00:14:02,800

i woke up the next morning with not only

394

00:14:05,350 --> 00:14:04,320

my boyfriend but a couple other people

395

00:14:07,430 --> 00:14:05,360

in the group

396

00:14:09,509 --> 00:14:07,440

like forcefully waking me up like

397

00:14:11,590 --> 00:14:09,519

shaking me and saying my name and i just

398

00:14:14,389 --> 00:14:11,600

was like what is the deal

399

00:14:15,750 --> 00:14:14,399

so i wake up i come to um but i i was in

400

00:14:17,189 --> 00:14:15,760

a fetal position at the bottom of my

401
00:14:19,189 --> 00:14:17,199
sleeping bag which i would never sleep

402
00:14:21,189 --> 00:14:19,199
that way i don't like anything covering

403
00:14:22,710 --> 00:14:21,199
my face when i'm asleep so

404
00:14:25,350 --> 00:14:22,720
being in that position was weird and

405
00:14:27,350 --> 00:14:25,360
being woken up uh i'm a light sleeper so

406
00:14:29,509 --> 00:14:27,360
that anyone would have to like shake me

407
00:14:31,990 --> 00:14:29,519
was kind of disconcerting

408
00:14:33,670 --> 00:14:32,000
um and as i came to

409
00:14:34,790 --> 00:14:33,680
you know my boyfriend said where did you

410
00:14:35,829 --> 00:14:34,800
go last night

411
00:14:37,430 --> 00:14:35,839
like okay

412
00:14:39,430 --> 00:14:37,440
i didn't go anywhere what are you

413
00:14:40,310 --> 00:14:39,440

talking about i've been here all night

414

00:14:41,750 --> 00:14:40,320

whoa

415

00:14:44,550 --> 00:14:41,760

and he said no

416

00:14:46,470 --> 00:14:44,560

you weren't i woke up thinking that

417

00:14:48,470 --> 00:14:46,480

maybe you needed to use the restroom or

418

00:14:50,790 --> 00:14:48,480

something and you were gone for like an

419

00:14:53,030 --> 00:14:50,800

hour and a half like okay stop like

420

00:14:56,069 --> 00:14:53,040

don't mess with me this isn't funny

421

00:14:58,310 --> 00:14:56,079

i haven't gone anywhere i feel fine

422

00:15:00,550 --> 00:14:58,320

and he said no no you were gone and i

423

00:15:01,670 --> 00:15:00,560

really didn't even believe anything that

424

00:15:03,910 --> 00:15:01,680

they were saying i thought they were

425

00:15:05,750 --> 00:15:03,920

just pulling a prank on me until i

426

00:15:07,030 --> 00:15:05,760

looked over at my boots on the inside of

427

00:15:09,350 --> 00:15:07,040

the tent

428

00:15:10,870 --> 00:15:09,360

and they were covered in mud which where

429

00:15:12,790 --> 00:15:10,880

we were camping there was no water

430

00:15:14,310 --> 00:15:12,800

source there was no i mean it was dry

431

00:15:16,790 --> 00:15:14,320

there was nothing

432

00:15:19,509 --> 00:15:16,800

nothing there was no place for me to

433

00:15:21,430 --> 00:15:19,519

to step in mud um

434

00:15:23,110 --> 00:15:21,440

and

435

00:15:24,470 --> 00:15:23,120

i wouldn't know until much later many

436

00:15:26,470 --> 00:15:24,480

years down the road that there was water

437

00:15:28,790 --> 00:15:26,480

nearby it was just actually on the ranch

438

00:15:30,629 --> 00:15:28,800

there was a creek right i forget what

439

00:15:33,269 --> 00:15:30,639

it's called is it dry gulch creek yeah

440

00:15:34,629 --> 00:15:33,279

yeah it's called yep um

441

00:15:36,150 --> 00:15:34,639

but

442

00:15:38,790 --> 00:15:36,160

you know i thought okay maybe somebody

443

00:15:40,629 --> 00:15:38,800

put mud on my boots but nobody had had

444

00:15:42,550 --> 00:15:40,639

mentioned that to me as sort of evidence

445

00:15:44,550 --> 00:15:42,560

that i was gone so i kind of just went

446

00:15:46,069 --> 00:15:44,560

all right whatever

447

00:15:47,670 --> 00:15:46,079

why didn't you come looking for me if

448

00:15:49,749 --> 00:15:47,680

you thought i was gone for 90 minutes

449

00:15:51,509 --> 00:15:49,759

and and the answer was pretty pretty

450

00:15:53,430 --> 00:15:51,519

simple you know i've been able to handle

451
00:15:54,550 --> 00:15:53,440
myself in a lot scarier situations they

452
00:15:56,470 --> 00:15:54,560
thought maybe i just had to use the

453
00:15:58,629 --> 00:15:56,480
restroom and they were all so tired they

454
00:16:00,470 --> 00:15:58,639
just went back to sleep and so that

455
00:16:01,430 --> 00:16:00,480
seemed reasonable to me

456
00:16:02,870 --> 00:16:01,440
and

457
00:16:04,230 --> 00:16:02,880
the next day

458
00:16:06,710 --> 00:16:04,240
that same day when i had woken up and

459
00:16:08,710 --> 00:16:06,720
was told i had been gone

460
00:16:10,310 --> 00:16:08,720
we decided to hike skinwalker ridge as a

461
00:16:11,269 --> 00:16:10,320
group

462
00:16:14,150 --> 00:16:11,279
which

463
00:16:15,670 --> 00:16:14,160

i did but i did it without any sort of

464

00:16:17,509 --> 00:16:15,680

it's like i had boundless energy it was

465

00:16:19,829 --> 00:16:17,519

the strangest thing i i

466

00:16:21,430 --> 00:16:19,839

hadn't hiked a lot back then i do now

467

00:16:22,870 --> 00:16:21,440

but i didn't get out of breath the sun

468

00:16:25,110 --> 00:16:22,880

didn't bother me didn't get sunburned

469

00:16:27,430 --> 00:16:25,120

which i'm totally susceptible to

470

00:16:29,030 --> 00:16:27,440

didn't need water didn't need resting

471

00:16:29,749 --> 00:16:29,040

none of my muscles ached it was just

472

00:16:34,470 --> 00:16:29,759

like

473

00:16:36,470 --> 00:16:34,480

could have done anything that day and

474

00:16:38,310 --> 00:16:36,480

we saw some strange

475

00:16:39,829 --> 00:16:38,320

movement could have been red dogs could

476
00:16:41,350 --> 00:16:39,839
have been something i don't know what it

477
00:16:43,670 --> 00:16:41,360
was but something running along the

478
00:16:46,230 --> 00:16:43,680
ridge in the middle of the day

479
00:16:47,590 --> 00:16:46,240
and when we called it you know to head

480
00:16:48,710 --> 00:16:47,600
back to salt lake i thought that would

481
00:16:49,829 --> 00:16:48,720
be the end of

482
00:16:52,629 --> 00:16:49,839
my

483
00:16:54,230 --> 00:16:52,639
skin walker ranch experience

484
00:16:57,030 --> 00:16:54,240
you know it wasn't everybody had their

485
00:16:58,550 --> 00:16:57,040
own versions of events of that night and

486
00:17:00,230 --> 00:16:58,560
they didn't really

487
00:17:01,829 --> 00:17:00,240
match up it caused some confliction

488
00:17:04,309 --> 00:17:01,839

between the group and

489

00:17:06,549 --> 00:17:04,319

and you know i went back off to do my

490

00:17:08,549 --> 00:17:06,559

other investigations and and

491

00:17:10,789 --> 00:17:08,559

my work and i'm a mom to twin daughters

492

00:17:12,549 --> 00:17:10,799

uh one with special needs so my focus

493

00:17:14,470 --> 00:17:12,559

was kind of pulled away and

494

00:17:16,549 --> 00:17:14,480

about life until

495

00:17:18,870 --> 00:17:16,559

i was in i believe i was in texas at the

496

00:17:20,309 --> 00:17:18,880

time i had just i was visiting utah when

497

00:17:21,909 --> 00:17:20,319

i visited the ranch and then i was

498

00:17:22,949 --> 00:17:21,919

living in texas and

499

00:17:24,390 --> 00:17:22,959

um

500

00:17:26,309 --> 00:17:24,400

when i was back in texas i was in

501
00:17:29,029 --> 00:17:26,319
walmart with

502
00:17:30,549 --> 00:17:29,039
my twin daughters they were young and

503
00:17:32,870 --> 00:17:30,559
just shopping

504
00:17:34,390 --> 00:17:32,880
and i two guys came up to me in an aisle

505
00:17:35,590 --> 00:17:34,400
one of the food aisles

506
00:17:37,110 --> 00:17:35,600
and they look like they might have been

507
00:17:39,350 --> 00:17:37,120
like mormon missionary types but they

508
00:17:40,549 --> 00:17:39,360
didn't have the name tags

509
00:17:42,710 --> 00:17:40,559
they just said hey are you april

510
00:17:44,310 --> 00:17:42,720
slaughter and every once in a while not

511
00:17:45,830 --> 00:17:44,320
often i'm not saying i'm famous or

512
00:17:47,750 --> 00:17:45,840
anything but in some places people know

513
00:17:49,190 --> 00:17:47,760

who i am and so i thought maybe they got

514

00:17:51,830 --> 00:17:49,200

a book or something and

515

00:17:53,909 --> 00:17:51,840

so i said yeah i made a slaughter

516

00:17:55,029 --> 00:17:53,919

and they said never go back to the ranch

517

00:17:56,870 --> 00:17:55,039

again

518

00:17:58,630 --> 00:17:56,880

and this was a couple months later

519

00:18:00,070 --> 00:17:58,640

i was like what do you mean you mean

520

00:18:01,510 --> 00:18:00,080

skin like in my head like what are you

521

00:18:04,150 --> 00:18:01,520

talking about

522

00:18:06,390 --> 00:18:04,160

and they were very stern and uh they

523

00:18:07,510 --> 00:18:06,400

stood very close to me and said do not

524

00:18:09,350 --> 00:18:07,520

ever

525

00:18:11,110 --> 00:18:09,360

go back

526
00:18:12,470 --> 00:18:11,120
to the ranch again and then they walked

527
00:18:14,390 --> 00:18:12,480
off and

528
00:18:16,870 --> 00:18:14,400
my mom instincts were just put

529
00:18:18,789 --> 00:18:16,880
myself between them and my kids so i

530
00:18:20,789 --> 00:18:18,799
just i didn't chase after these people i

531
00:18:23,029 --> 00:18:20,799
didn't i just was floored i'm like i'm

532
00:18:25,909 --> 00:18:23,039
in texas this is months later why am i

533
00:18:28,390 --> 00:18:25,919
being approached by strangers

534
00:18:29,909 --> 00:18:28,400
telling me never to go back um i didn't

535
00:18:31,350 --> 00:18:29,919
and i just didn't

536
00:18:33,110 --> 00:18:31,360
i just didn't try to find out what that

537
00:18:34,630 --> 00:18:33,120
was about i was like okay fine message

538
00:18:36,070 --> 00:18:34,640

received i don't want any danger coming

539

00:18:39,190 --> 00:18:36,080

to me or my kids

540

00:18:42,310 --> 00:18:39,200

so i'll just never go back all right

541

00:18:44,310 --> 00:18:42,320

and then i did but it was years

542

00:18:46,390 --> 00:18:44,320

it was actually september of last year

543

00:18:48,310 --> 00:18:46,400

that i actually got to go nice uh back

544

00:18:49,669 --> 00:18:48,320

to the ranch uh and i can't really

545

00:18:51,990 --> 00:18:49,679

expound there

546

00:18:53,830 --> 00:18:52,000

nowhere later down the road but

547

00:18:56,710 --> 00:18:53,840

uh it's kind of come full circle it's a

548

00:18:58,549 --> 00:18:56,720

strange a strange thing to have had that

549

00:19:00,310 --> 00:18:58,559

experience and nobody really

550

00:19:02,150 --> 00:19:00,320

pay much attention to it until all of a

551
00:19:04,310 --> 00:19:02,160
sudden now people are like dying to hear

552
00:19:05,510 --> 00:19:04,320
the story so that's what happened to me

553
00:19:07,909 --> 00:19:05,520
wow

554
00:19:10,630 --> 00:19:07,919
and you know the area is a beautiful

555
00:19:13,750 --> 00:19:10,640
mystery like that like exactly like you

556
00:19:15,110 --> 00:19:13,760
said it it it comes full circle in a way

557
00:19:18,070 --> 00:19:15,120
and

558
00:19:20,230 --> 00:19:18,080
it is fascinating to me especially that

559
00:19:23,430 --> 00:19:20,240
you had so much energy the next day you

560
00:19:25,750 --> 00:19:23,440
know that is so cool and so uh so so

561
00:19:28,710 --> 00:19:25,760
similar to like other other cases i've

562
00:19:30,710 --> 00:19:28,720
heard and you're right about the

563
00:19:32,630 --> 00:19:30,720

perspective being so key from the

564

00:19:35,110 --> 00:19:32,640

observation perspective like

565

00:19:37,350 --> 00:19:35,120

each individual when when something goes

566

00:19:40,070 --> 00:19:37,360

down let's just say it that way it's

567

00:19:41,029 --> 00:19:40,080

amazing how different the memories can

568

00:19:41,909 --> 00:19:41,039

be

569

00:19:44,470 --> 00:19:41,919

um

570

00:19:46,310 --> 00:19:44,480

and you know i've i can relate with that

571

00:19:49,430 --> 00:19:46,320

and it's interesting

572

00:19:51,750 --> 00:19:49,440

that everybody had similar experiences

573

00:19:53,029 --> 00:19:51,760

but not similar recollections of the

574

00:19:54,950 --> 00:19:53,039

experiences

575

00:19:57,110 --> 00:19:54,960

did uh

576

00:19:58,630 --> 00:19:57,120

did you happen to go i know some may

577

00:20:01,510 --> 00:19:58,640

have gone through hypnosis did you

578

00:20:04,310 --> 00:20:01,520

happen to do the hypnosis at all april

579

00:20:05,590 --> 00:20:04,320

you know i didn't um and it's not it's

580

00:20:07,110 --> 00:20:05,600

not because

581

00:20:10,630 --> 00:20:07,120

you know i'm really afraid of it

582

00:20:12,149 --> 00:20:10,640

unlocking anything i just i am

583

00:20:13,590 --> 00:20:12,159

it's weird when it comes to the ranch i

584

00:20:16,230 --> 00:20:13,600

just have this feeling that at some

585

00:20:17,750 --> 00:20:16,240

point it's going to reveal whatever

586

00:20:20,310 --> 00:20:17,760

whatever happened to me will reveal

587

00:20:22,310 --> 00:20:20,320

itself in some way um hopefully not a

588

00:20:23,909 --> 00:20:22,320

traumatic one i just don't want to

589

00:20:24,950 --> 00:20:23,919

have to go through something

590

00:20:27,110 --> 00:20:24,960

um

591

00:20:28,549 --> 00:20:27,120

that

592

00:20:31,190 --> 00:20:28,559

you know isn't isn't my brain isn't

593

00:20:32,870 --> 00:20:31,200

ready to really kind of grapple with um

594

00:20:34,630 --> 00:20:32,880

yeah and that's you know a lot of people

595

00:20:36,149 --> 00:20:34,640

that have offered to do that i've

596

00:20:38,310 --> 00:20:36,159

undergone different types of experiments

597

00:20:40,390 --> 00:20:38,320

as far as like emdr and

598

00:20:42,230 --> 00:20:40,400

and different psychotherapy things to

599

00:20:45,029 --> 00:20:42,240

just try and figure some things out but

600

00:20:46,870 --> 00:20:45,039

as far as hypnosis goes i just never

601
00:20:49,830 --> 00:20:46,880
never did that now my boyfriend at the

602
00:20:51,430 --> 00:20:49,840
time like i said who who had experienced

603
00:20:52,710 --> 00:20:51,440
this strange thing that he said flew

604
00:20:53,830 --> 00:20:52,720
into his face

605
00:20:55,590 --> 00:20:53,840
he um

606
00:20:57,190 --> 00:20:55,600
i think he had undergone some stuff but

607
00:20:59,430 --> 00:20:57,200
we didn't really keep in touch we broke

608
00:21:01,190 --> 00:20:59,440
up fairly quickly after that experience

609
00:21:02,789 --> 00:21:01,200
and sure it wouldn't be until a couple

610
00:21:05,029 --> 00:21:02,799
years after that

611
00:21:07,510 --> 00:21:05,039
that we reconnected and sat down at a

612
00:21:08,710 --> 00:21:07,520
meal where he told me that uh

613
00:21:11,110 --> 00:21:08,720

he was

614

00:21:13,270 --> 00:21:11,120

suffering from brain cancer and he

615

00:21:15,510 --> 00:21:13,280

attributed it entirely

616

00:21:17,750 --> 00:21:15,520

to what happened at the ranch and his

617

00:21:19,270 --> 00:21:17,760

his quote-unquote chaos magic that he

618

00:21:20,070 --> 00:21:19,280

had done and that he had regretted doing

619

00:21:21,750 --> 00:21:20,080

that

620

00:21:22,870 --> 00:21:21,760

uh which was really frightening to have

621

00:21:24,149 --> 00:21:22,880

somebody

622

00:21:26,149 --> 00:21:24,159

say that you know they thought that the

623

00:21:28,789 --> 00:21:26,159

ranch kind of clapped back at them and

624

00:21:32,070 --> 00:21:28,799

um he actually did succumb to his his

625

00:21:33,750 --> 00:21:32,080

cancer a few years ago so yeah but he

626

00:21:35,190 --> 00:21:33,760

believed at least he told me he believed

627

00:21:37,350 --> 00:21:35,200

that it was because of what had happened

628

00:21:39,029 --> 00:21:37,360

out at the ranch and and you know he

629

00:21:40,470 --> 00:21:39,039

wanted to share more details about his

630

00:21:41,990 --> 00:21:40,480

experience with me i just wasn't really

631

00:21:42,950 --> 00:21:42,000

interested in hearing it i put the ranch

632

00:21:45,110 --> 00:21:42,960

kind of

633

00:21:47,350 --> 00:21:45,120

um in the back of my mind and it's in a

634

00:21:48,789 --> 00:21:47,360

lot of ways uh it's still it's still

635

00:21:50,710 --> 00:21:48,799

there um

636

00:21:52,390 --> 00:21:50,720

it's always there hopefully if at some

637

00:21:55,029 --> 00:21:52,400

point you know there's some purpose in

638

00:21:56,549 --> 00:21:55,039

having me know what happened to me or if

639

00:21:57,990 --> 00:21:56,559

i really did go missing then then i'll

640

00:22:00,390 --> 00:21:58,000

find that out on my own i just don't

641

00:22:02,310 --> 00:22:00,400

want to poke the bear i guess yeah what

642

00:22:03,669 --> 00:22:02,320

i'm trying to say and he's one of my

643

00:22:04,950 --> 00:22:03,679

heroes

644

00:22:07,190 --> 00:22:04,960

he

645

00:22:10,230 --> 00:22:07,200

is

646

00:22:14,070 --> 00:22:10,240

one of my heroes in a lot of senses but

647

00:22:16,470 --> 00:22:14,080

yes um a very tragic case and yeah there

648

00:22:17,669 --> 00:22:16,480

is injury that can take place and i've

649

00:22:20,070 --> 00:22:17,679

heard from

650

00:22:21,830 --> 00:22:20,080

without naming names very sure

651
00:22:23,270 --> 00:22:21,840
intelligent people that you know each

652
00:22:25,590 --> 00:22:23,280
time you have an experience like that

653
00:22:27,430 --> 00:22:25,600
you give a little piece of yourself

654
00:22:29,430 --> 00:22:27,440
and

655
00:22:33,590 --> 00:22:29,440
um i think it's really fascinating that

656
00:22:35,190 --> 00:22:33,600
you guys saw this rectangular uh

657
00:22:37,190 --> 00:22:35,200
i don't want to call it a craft or a

658
00:22:38,950 --> 00:22:37,200
voice it's blackout yeah it was just

659
00:22:42,230 --> 00:22:38,960
there was nothing with a void

660
00:22:44,950 --> 00:22:42,240
right this is fascinating and and the

661
00:22:47,510 --> 00:22:44,960
area can be much like a void and

662
00:22:49,270 --> 00:22:47,520
you know as you said uh getting pulled

663
00:22:52,230 --> 00:22:49,280

over on the way up there that's very

664

00:22:53,990 --> 00:22:52,240

precognitive and a lot of uh people

665

00:22:55,990 --> 00:22:54,000

smarter than myself have called it a

666

00:22:57,350 --> 00:22:56,000

precognitive intelligence that roams a

667

00:22:59,190 --> 00:22:57,360

landscape and

668

00:23:01,350 --> 00:22:59,200

it's almost i heard someone else call it

669

00:23:03,990 --> 00:23:01,360

a pre-cellular replicon which is like

670

00:23:09,350 --> 00:23:04,000

what but yeah yeah yeah there's

671

00:23:11,350 --> 00:23:09,360

something it appears as if something can

672

00:23:13,750 --> 00:23:11,360

manifest itself and not only that but

673

00:23:16,149 --> 00:23:13,760

adjust space and time in a way where it

674

00:23:17,510 --> 00:23:16,159

knows what you're going to do before you

675

00:23:18,950 --> 00:23:17,520

do it

676

00:23:21,190 --> 00:23:18,960

did you have any experiences with

677

00:23:23,669 --> 00:23:21,200

anything like that

678

00:23:25,750 --> 00:23:23,679

no you know other than being pulled over

679

00:23:27,909 --> 00:23:25,760

uh and me kind of recognizing at the

680

00:23:29,669 --> 00:23:27,919

time that that was strange uh because

681

00:23:32,149 --> 00:23:29,679

like i said we weren't breaking any laws

682

00:23:33,590 --> 00:23:32,159

and and and two i forgot to mention all

683

00:23:34,789 --> 00:23:33,600

of us you know we didn't want to be seen

684

00:23:36,710 --> 00:23:34,799

when we were out there at night so we're

685

00:23:38,470 --> 00:23:36,720

dressed in black we're you know there's

686

00:23:40,390 --> 00:23:38,480

cases of equipment in my car like

687

00:23:41,909 --> 00:23:40,400

there's all these indications that we're

688

00:23:43,430 --> 00:23:41,919

up to something right and so when the

689

00:23:46,149 --> 00:23:43,440

police officers

690

00:23:47,750 --> 00:23:46,159

um asked us you know where we were going

691

00:23:49,909 --> 00:23:47,760

or what we were doing that they didn't

692

00:23:51,990 --> 00:23:49,919

want to look into anything they didn't

693

00:23:53,990 --> 00:23:52,000

ask us about our it was really strange

694

00:23:55,990 --> 00:23:54,000

they kind of were like uh-huh okay like

695

00:23:57,990 --> 00:23:56,000

just letting us know that that we were

696

00:23:59,110 --> 00:23:58,000

being watched and even the entire time

697

00:24:01,590 --> 00:23:59,120

we were out

698

00:24:04,070 --> 00:24:01,600

on the perimeter of the ranch we had

699

00:24:06,549 --> 00:24:04,080

eyes on us we all could feel it um we

700

00:24:08,149 --> 00:24:06,559

had locals i believe trying to warn us

701

00:24:09,990 --> 00:24:08,159

to get out of the area by

702

00:24:12,149 --> 00:24:10,000

driving their trucks and their dogs were

703

00:24:15,190 --> 00:24:12,159

barking at us and it was just it was

704

00:24:17,510 --> 00:24:15,200

just a really sort of um the energy

705

00:24:19,350 --> 00:24:17,520

at the time and i just i didn't feel

706

00:24:20,470 --> 00:24:19,360

entirely comfortable i wasn't scared per

707

00:24:22,149 --> 00:24:20,480

se but it

708

00:24:23,830 --> 00:24:22,159

it just seemed to know

709

00:24:25,750 --> 00:24:23,840

like with the emotions the fluctuation

710

00:24:27,909 --> 00:24:25,760

of emotions it just seemed to have fun

711

00:24:29,269 --> 00:24:27,919

it i don't know what it is it's super

712

00:24:32,149 --> 00:24:29,279

heavy i like to just call it the ranch

713

00:24:34,310 --> 00:24:32,159

because that's just how i see it but it

714

00:24:35,430 --> 00:24:34,320

just seemed to know how to manipulate us

715

00:24:36,549 --> 00:24:35,440

and how to

716

00:24:38,470 --> 00:24:36,559

um

717

00:24:40,950 --> 00:24:38,480

affect us in different ways at the same

718

00:24:43,510 --> 00:24:40,960

time and i had never experienced that

719

00:24:44,950 --> 00:24:43,520

before or afterward in any other sort of

720

00:24:46,950 --> 00:24:44,960

investigation

721

00:24:48,549 --> 00:24:46,960

of anything supernatural so

722

00:24:49,830 --> 00:24:48,559

to me the ranch is very specific that

723

00:24:51,750 --> 00:24:49,840

way that it's

724

00:24:54,549 --> 00:24:51,760

not only is every kind of phenomenon

725

00:24:56,630 --> 00:24:54,559

reported out there

726

00:24:59,510 --> 00:24:56,640

but it seems to be able to

727

00:25:00,789 --> 00:24:59,520

manifest itself as something that

728

00:25:02,230 --> 00:25:00,799

would scare someone in different ways

729

00:25:03,510 --> 00:25:02,240

like i've been asked what what do i

730

00:25:05,830 --> 00:25:03,520

think is happening out on the ranch what

731

00:25:06,789 --> 00:25:05,840

do i think it is the secret out there

732

00:25:09,110 --> 00:25:06,799

and

733

00:25:11,430 --> 00:25:09,120

my idea isn't like everyone else's at

734

00:25:13,269 --> 00:25:11,440

least as far as i know um they want to

735

00:25:15,669 --> 00:25:13,279

tackle it from scientific views or

736

00:25:17,750 --> 00:25:15,679

whatnot what i believe it is

737

00:25:19,110 --> 00:25:17,760

is there something out there that likes

738

00:25:20,710 --> 00:25:19,120

to manifest

739

00:25:22,070 --> 00:25:20,720

your greatest fear so if you're scared

740

00:25:23,350 --> 00:25:22,080

of seeing little green men that's what

741

00:25:25,590 --> 00:25:23,360

you'll see if you're scared of seeing

742

00:25:28,310 --> 00:25:25,600

dire wolves that's what you'll see if

743

00:25:29,430 --> 00:25:28,320

you're scared of uh you know going

744

00:25:31,909 --> 00:25:29,440

missing in the middle of the night that

745

00:25:34,549 --> 00:25:31,919

might happen and so i think i think it

746

00:25:36,789 --> 00:25:34,559

just finds a way to

747

00:25:38,950 --> 00:25:36,799

to manipulate your fears or your

748

00:25:40,950 --> 00:25:38,960

anxieties and and then people assign

749

00:25:43,750 --> 00:25:40,960

things like oh it's a huge ufo place and

750

00:25:45,830 --> 00:25:43,760

that may be there may be actual ufos out

751
00:25:47,830 --> 00:25:45,840
there i have never seen one that's not

752
00:25:49,830 --> 00:25:47,840
my experience

753
00:25:52,149 --> 00:25:49,840
but what i've seen are things that did

754
00:25:53,350 --> 00:25:52,159
kind of rattle me and then you know the

755
00:25:55,669 --> 00:25:53,360
people that were with me saw different

756
00:25:56,710 --> 00:25:55,679
things they even reported seeing a giant

757
00:25:58,789 --> 00:25:56,720
bird

758
00:26:00,630 --> 00:25:58,799
i i've never seen that

759
00:26:03,350 --> 00:26:00,640
but they said it was like pterodactyl

760
00:26:04,789 --> 00:26:03,360
huge this this bird that they saw flying

761
00:26:06,149 --> 00:26:04,799
through the sky and no one had ever told

762
00:26:06,870 --> 00:26:06,159
me that at the time that they'd seen

763
00:26:11,510 --> 00:26:06,880

that

764

00:26:12,470 --> 00:26:11,520

can't like i said i can't discount

765

00:26:14,549 --> 00:26:12,480

um

766

00:26:16,310 --> 00:26:14,559

what they were seeing i think whatever

767

00:26:17,510 --> 00:26:16,320

knew we were coming kind of thought well

768

00:26:19,269 --> 00:26:17,520

these are the games i'm going to play

769

00:26:22,070 --> 00:26:19,279

and this is how it's going to play out

770

00:26:23,669 --> 00:26:22,080

and then afterward i was warned never to

771

00:26:25,269 --> 00:26:23,679

do it again so

772

00:26:27,590 --> 00:26:25,279

you know it's just it's a unique

773

00:26:29,669 --> 00:26:27,600

experience it's a unique place um i know

774

00:26:30,950 --> 00:26:29,679

there are other places claiming to be

775

00:26:32,390 --> 00:26:30,960

like that in different parts of the

776

00:26:34,710 --> 00:26:32,400

country but

777

00:26:36,310 --> 00:26:34,720

i would have to visit them to to even

778

00:26:38,149 --> 00:26:36,320

half believe that that could be possible

779

00:26:39,190 --> 00:26:38,159

because this place is just off the

780

00:26:41,510 --> 00:26:39,200

charts

781

00:26:43,830 --> 00:26:41,520

crazy

782

00:26:45,750 --> 00:26:43,840

it's dynamite and i agree

783

00:26:47,510 --> 00:26:45,760

i have a gentleman that's coming on the

784

00:26:49,269 --> 00:26:47,520

podcast here on

785

00:26:50,390 --> 00:26:49,279

shortly his name is

786

00:26:52,789 --> 00:26:50,400

uh

787

00:26:54,149 --> 00:26:52,799

james trey hudson and he did something

788

00:26:55,990 --> 00:26:54,159

called the meadows project and like you

789

00:26:57,029 --> 00:26:56,000

said there's a lot of places that claim

790

00:27:00,789 --> 00:26:57,039

to be

791

00:27:03,830 --> 00:27:00,799

similar to skinwalker ranch and uh

792

00:27:07,750 --> 00:27:03,840

but i'm with you i i agree to some

793

00:27:11,029 --> 00:27:07,760

extent that it exponentially multiplies

794

00:27:11,830 --> 00:27:11,039

on phobias or belief systems yeah for

795

00:27:15,110 --> 00:27:11,840

sure

796

00:27:17,350 --> 00:27:15,120

it is it it is definitely a precognitive

797

00:27:18,549 --> 00:27:17,360

intelligence as many have called it in

798

00:27:19,430 --> 00:27:18,559

the past

799

00:27:21,029 --> 00:27:19,440

and

800

00:27:23,269 --> 00:27:21,039

uh you know

801

00:27:25,590 --> 00:27:23,279

it's interesting i loved what you said

802

00:27:27,190 --> 00:27:25,600

about you know did somebody do this

803

00:27:29,029 --> 00:27:27,200

because they knew we were coming because

804

00:27:31,430 --> 00:27:29,039

it's like a display

805

00:27:35,190 --> 00:27:31,440

and i've had people

806

00:27:37,190 --> 00:27:35,200

totally like you said uh go to the area

807

00:27:38,950 --> 00:27:37,200

let's just say they went to the area

808

00:27:41,029 --> 00:27:38,960

very skeptical

809

00:27:43,430 --> 00:27:41,039

and during the

810

00:27:45,190 --> 00:27:43,440

experience that they had they

811

00:27:47,590 --> 00:27:45,200

they finally looked at me and said this

812

00:27:48,710 --> 00:27:47,600

this would have cost millions of dollars

813

00:27:51,269 --> 00:27:48,720

to

814

00:27:52,149 --> 00:27:51,279

do this kind of display and it's like

815

00:27:52,950 --> 00:27:52,159

well

816

00:27:59,830 --> 00:27:52,960

you know

817

00:28:01,350 --> 00:27:59,840

and uh they think but it's it's hard you

818

00:28:02,389 --> 00:28:01,360

have to go into it as a skeptic and i'm

819

00:28:04,710 --> 00:28:02,399

glad that you

820

00:28:06,310 --> 00:28:04,720

often do that and try to debunk things

821

00:28:09,830 --> 00:28:06,320

because it's one of those areas that is

822

00:28:11,750 --> 00:28:09,840

so dynamic and dynamite that it it there

823

00:28:14,830 --> 00:28:11,760

is definitely an exchange that takes

824

00:28:17,750 --> 00:28:14,840

place between the display and observer

825

00:28:19,190 --> 00:28:17,760

um let's go into some other stuff so you

826

00:28:21,590 --> 00:28:19,200

were in texas for quite a while and

827

00:28:23,430 --> 00:28:21,600

you've done a lot of very deep

828

00:28:26,789 --> 00:28:23,440

investigation as much as i would love to

829

00:28:28,470 --> 00:28:26,799

stay on the skinwalker aspect forever

830

00:28:29,909 --> 00:28:28,480

tell us about some of the interesting

831

00:28:32,149 --> 00:28:29,919

areas in texas and what you've

832

00:28:33,430 --> 00:28:32,159

encountered there as well

833

00:28:34,870 --> 00:28:33,440

well uh

834

00:28:37,350 --> 00:28:34,880

two things about texas that first come

835

00:28:38,549 --> 00:28:37,360

to mind in the 25 plus years that i've

836

00:28:40,950 --> 00:28:38,559

been doing

837

00:28:43,269 --> 00:28:40,960

paranormal or spirit investigation

838

00:28:46,310 --> 00:28:43,279

i had never until that point had a

839

00:28:47,669 --> 00:28:46,320

demonic case which you know reality tv

840

00:28:50,070 --> 00:28:47,679

would have you believe they happen more

841

00:28:53,430 --> 00:28:50,080

often than not but they don't right i

842

00:28:56,389 --> 00:28:53,440

only had the one case uh and it was in a

843

00:28:57,990 --> 00:28:56,399

a very rural part of texas in a in a

844

00:28:59,190 --> 00:28:58,000

mobile home that had been refurbished

845

00:29:01,029 --> 00:28:59,200

and um

846

00:29:03,510 --> 00:29:01,039

a family had

847

00:29:05,190 --> 00:29:03,520

they had a little girl that uh she was

848

00:29:07,029 --> 00:29:05,200

four or five at the time

849

00:29:08,870 --> 00:29:07,039

and she started saying that it started

850

00:29:11,350 --> 00:29:08,880

slowly but she she started seeing

851
00:29:13,190 --> 00:29:11,360
another little girl in the house

852
00:29:14,630 --> 00:29:13,200
and she was making friends with her and

853
00:29:16,630 --> 00:29:14,640
talking and her parents thought she just

854
00:29:17,830 --> 00:29:16,640
had an imaginary friend and

855
00:29:20,310 --> 00:29:17,840
and then it just sort of kind of

856
00:29:22,549 --> 00:29:20,320
escalated this over you know a year's

857
00:29:24,789 --> 00:29:22,559
time this little girl began

858
00:29:25,990 --> 00:29:24,799
getting physically accosted at night and

859
00:29:28,470 --> 00:29:26,000
her parents were afraid that they were

860
00:29:30,789 --> 00:29:28,480
going to be you know accused of abusing

861
00:29:33,269 --> 00:29:30,799
her uh and so they you know they put up

862
00:29:34,950 --> 00:29:33,279
cameras they did all kinds of things to

863
00:29:37,990 --> 00:29:34,960

try and and see what was happening with

864

00:29:39,830 --> 00:29:38,000

her and you know there was a point where

865

00:29:41,350 --> 00:29:39,840

several nights in a row all of the the

866

00:29:42,950 --> 00:29:41,360

daughter's bedroom furniture would end

867

00:29:44,070 --> 00:29:42,960

up against the door by morning and

868

00:29:46,549 --> 00:29:44,080

there's no way a four-year-old

869

00:29:48,070 --> 00:29:46,559

five-year-old girl could do that

870

00:29:50,149 --> 00:29:48,080

so they were they were pretty desperate

871

00:29:52,230 --> 00:29:50,159

nobody seemed to believe uh what was

872

00:29:53,269 --> 00:29:52,240

happening and so investigating that case

873

00:29:55,750 --> 00:29:53,279

um

874

00:29:57,350 --> 00:29:55,760

sadly i mean it was it was pretty

875

00:29:59,190 --> 00:29:57,360

obvious that whatever there was was

876

00:30:00,870 --> 00:29:59,200

pretty um

877

00:30:02,630 --> 00:30:00,880

i hate to use the word demonic but it

878

00:30:04,470 --> 00:30:02,640

was i mean it was very aggressive it was

879

00:30:06,470 --> 00:30:04,480

very dark it was very

880

00:30:08,470 --> 00:30:06,480

um

881

00:30:10,149 --> 00:30:08,480

it wanted to put on a show and frighten

882

00:30:13,190 --> 00:30:10,159

people and and my team

883

00:30:15,269 --> 00:30:13,200

did that uh quite a bit and you know we

884

00:30:17,190 --> 00:30:15,279

got all kinds of audio of

885

00:30:19,590 --> 00:30:17,200

different voices talking at the same

886

00:30:21,110 --> 00:30:19,600

time saying different things and and we

887

00:30:23,190 --> 00:30:21,120

saw people walking up and down the

888

00:30:26,549 --> 00:30:23,200

hallways while we were in there and it

889

00:30:28,070 --> 00:30:26,559

was just a very oppressive type feeling

890

00:30:29,590 --> 00:30:28,080

and you know when when we told the

891

00:30:31,510 --> 00:30:29,600

family we really do think you have a

892

00:30:33,909 --> 00:30:31,520

legitimate problem

893

00:30:36,789 --> 00:30:33,919

um you know we reached out to every

894

00:30:39,590 --> 00:30:36,799

faith-based organization every single

895

00:30:40,870 --> 00:30:39,600

one whether it be you know catholicism

896

00:30:43,029 --> 00:30:40,880

buddhism

897

00:30:44,630 --> 00:30:43,039

mormonism all of these different

898

00:30:46,549 --> 00:30:44,640

faith-based systems and nobody was

899

00:30:47,510 --> 00:30:46,559

willing to help that family not a single

900

00:30:49,510 --> 00:30:47,520

one of them

901
00:30:51,029 --> 00:30:49,520
right or willing to go in there and you

902
00:30:52,630 --> 00:30:51,039
know do whatever whether it's called a

903
00:30:54,710 --> 00:30:52,640
blessing exorcism

904
00:30:56,070 --> 00:30:54,720
uh clearing whatever nobody was willing

905
00:30:57,029 --> 00:30:56,080
to help them and so in doing the

906
00:30:58,870 --> 00:30:57,039
research

907
00:31:00,230 --> 00:30:58,880
behind their home because it has only

908
00:31:01,909 --> 00:31:00,240
happened when they moved into this

909
00:31:03,590 --> 00:31:01,919
refurbished

910
00:31:08,789 --> 00:31:03,600
mobile home

911
00:31:13,990 --> 00:31:10,630
another place in texas where had been

912
00:31:15,909 --> 00:31:14,000
used as a prostitution den a child sex

913
00:31:17,590 --> 00:31:15,919

trafficking ring

914

00:31:20,950 --> 00:31:17,600

all kinds of drugs happened a suspected

915

00:31:22,070 --> 00:31:20,960

murder had happened in that house and

916

00:31:23,269 --> 00:31:22,080

according to the law at the time they

917

00:31:24,630 --> 00:31:23,279

didn't have to disclose that by

918

00:31:25,909 --> 00:31:24,640

refurbishing they could just refurbish

919

00:31:28,230 --> 00:31:25,919

it and sell it and they'd try to tell

920

00:31:30,070 --> 00:31:28,240

anybody what had occurred in the home

921

00:31:32,710 --> 00:31:30,080

and so we presented that information to

922

00:31:33,590 --> 00:31:32,720

the family and uh along with the fact

923

00:31:35,269 --> 00:31:33,600

that

924

00:31:37,350 --> 00:31:35,279

nobody was willing to help try to rid

925

00:31:38,149 --> 00:31:37,360

their home of whatever was happening

926

00:31:42,230 --> 00:31:38,159

and

927

00:31:44,149 --> 00:31:42,240

i never found out if the family that

928

00:31:46,070 --> 00:31:44,159

moved into it had an issue but the

929

00:31:47,990 --> 00:31:46,080

little girl was fine nothing

930

00:31:48,950 --> 00:31:48,000

followed her and so far she's had a

931

00:31:51,110 --> 00:31:48,960

great

932

00:31:52,389 --> 00:31:51,120

uh calm life growing up after they've

933

00:31:54,070 --> 00:31:52,399

left that house but that was the only

934

00:31:55,830 --> 00:31:54,080

demonic case

935

00:31:57,350 --> 00:31:55,840

that i've ever

936

00:31:58,630 --> 00:31:57,360

encountered i've had negative cases but

937

00:31:59,990 --> 00:31:58,640

those are two distinctly different

938

00:32:02,070 --> 00:32:00,000

things you know just because something's

939

00:32:03,669 --> 00:32:02,080

negative doesn't make it evil so

940

00:32:05,110 --> 00:32:03,679

i think that's a huge distinction that

941

00:32:07,110 --> 00:32:05,120

people need to learn especially in the

942

00:32:08,710 --> 00:32:07,120

spirit communication and

943

00:32:09,830 --> 00:32:08,720

investigation realm just because

944

00:32:12,070 --> 00:32:09,840

something is negative doesn't

945

00:32:13,430 --> 00:32:12,080

necessarily mean it's of the devil yeah

946

00:32:15,110 --> 00:32:13,440

because i know a lot of people that are

947

00:32:16,630 --> 00:32:15,120

super negative it doesn't mean they're

948

00:32:18,310 --> 00:32:16,640

people it doesn't mean they're bad

949

00:32:21,269 --> 00:32:18,320

people right but you know other than

950

00:32:23,110 --> 00:32:21,279

that my the my most profound case in

951
00:32:26,830 --> 00:32:23,120
texas which

952
00:32:29,669 --> 00:32:26,840
i'm super grateful that i had um was

953
00:32:31,110 --> 00:32:29,679
i it took me a long time to develop a

954
00:32:32,710 --> 00:32:31,120
relationship with the texas department

955
00:32:34,630 --> 00:32:32,720
of criminal justice but i really wanted

956
00:32:35,750 --> 00:32:34,640
to do that because i'd heard

957
00:32:37,990 --> 00:32:35,760
that

958
00:32:40,230 --> 00:32:38,000
the old death row and the current

959
00:32:41,750 --> 00:32:40,240
execution chamber was haunted

960
00:32:43,430 --> 00:32:41,760
so of course i wanted to investigate

961
00:32:45,669 --> 00:32:43,440
that and it took me a number of years to

962
00:32:47,509 --> 00:32:45,679
gain their trust but they did actually

963
00:32:49,269 --> 00:32:47,519

allow me into their working prisons

964

00:32:51,110 --> 00:32:49,279

called the walls or huntsville

965

00:32:53,269 --> 00:32:51,120

penitentiary in huntsville texas the

966

00:32:56,310 --> 00:32:53,279

oldest prison in the state

967

00:32:58,950 --> 00:32:56,320

and it's still where they um execute

968

00:33:01,350 --> 00:32:58,960

people today it's the most um

969

00:33:03,430 --> 00:33:01,360

active chamber in the country

970

00:33:06,230 --> 00:33:03,440

and so they walked me in and they locked

971

00:33:07,509 --> 00:33:06,240

me in for a night nice

972

00:33:09,750 --> 00:33:07,519

and it's a working prison so you can

973

00:33:11,590 --> 00:33:09,760

imagine they walk me through the yard of

974

00:33:13,430 --> 00:33:11,600

all these inmates working out and things

975

00:33:15,750 --> 00:33:13,440

are being yelled at me and whatever and

976

00:33:17,990 --> 00:33:15,760

i'm sure and the guards on the ground

977

00:33:19,909 --> 00:33:18,000

don't have weapons only the guards up up

978

00:33:21,909 --> 00:33:19,919

on the turrets have have weapons in case

979

00:33:23,990 --> 00:33:21,919

they get overtaken so i mean i didn't

980

00:33:26,789 --> 00:33:24,000

really feel protected but i i got locked

981

00:33:29,909 --> 00:33:26,799

in and and got to spend some time

982

00:33:33,509 --> 00:33:29,919

in the old death row uh hearing

983

00:33:36,149 --> 00:33:33,519

screaming i experienced apparitions i

984

00:33:38,710 --> 00:33:36,159

it just it smells

985

00:33:40,149 --> 00:33:38,720

just crazy activity happened in there uh

986

00:33:41,269 --> 00:33:40,159

and then they took me to the the current

987

00:33:42,549 --> 00:33:41,279

death house

988

00:33:44,870 --> 00:33:42,559

where i think just two or three days

989

00:33:47,830 --> 00:33:44,880

before they had executed someone whoa

990

00:33:48,549 --> 00:33:47,840

and uh left me in there for a night

991

00:33:50,710 --> 00:33:48,559

so

992

00:33:53,110 --> 00:33:50,720

it was it was terrifying um

993

00:33:55,110 --> 00:33:53,120

sadly there hasn't been much of a

994

00:33:56,789 --> 00:33:55,120

follow-up with that because

995

00:33:58,389 --> 00:33:56,799

a certain and without naming names a

996

00:33:59,909 --> 00:33:58,399

certain television show had read an

997

00:34:02,310 --> 00:33:59,919

article i'd written about my experience

998

00:34:05,110 --> 00:34:02,320

there and had used my name to

999

00:34:06,630 --> 00:34:05,120

um get access to other buildings and and

1000

00:34:08,550 --> 00:34:06,640

now the texas department of criminal

1001

00:34:09,750 --> 00:34:08,560

justice will no longer allow any sort of

1002

00:34:13,589 --> 00:34:09,760

paranormal investigation of their

1003

00:34:15,430 --> 00:34:13,599

buildings because oh man so sadly um you

1004

00:34:16,869 --> 00:34:15,440

know working all that time to get their

1005

00:34:18,950 --> 00:34:16,879

trust i still have their trust they

1006

00:34:20,149 --> 00:34:18,960

trust me just fine but there are other

1007

00:34:22,550 --> 00:34:20,159

good people in the field that should be

1008

00:34:24,470 --> 00:34:22,560

able to go in and investigate

1009

00:34:27,030 --> 00:34:24,480

you know buildings and especially with

1010

00:34:28,629 --> 00:34:27,040

such historical value um and the people

1011

00:34:30,869 --> 00:34:28,639

that have a shadier

1012

00:34:32,869 --> 00:34:30,879

type of agenda in this field they kind

1013

00:34:34,629 --> 00:34:32,879

of ruin it for people but

1014

00:34:35,990 --> 00:34:34,639

that one for me was something that

1015

00:34:38,230 --> 00:34:36,000

nobody else had done i was the only

1016

00:34:39,990 --> 00:34:38,240

paranormal investigator uh that had ever

1017

00:34:41,109 --> 00:34:40,000

done that and

1018

00:34:42,470 --> 00:34:41,119

you know

1019

00:34:44,869 --> 00:34:42,480

places that get investigated all the

1020

00:34:47,669 --> 00:34:44,879

time um you know like the stanley hotel

1021

00:34:49,030 --> 00:34:47,679

or the queen mary or these famously

1022

00:34:50,310 --> 00:34:49,040

haunted places well this one was a

1023

00:34:52,550 --> 00:34:50,320

famously haunted place that nobody else

1024

00:34:54,310 --> 00:34:52,560

had investigated so i think in texas

1025

00:34:55,909 --> 00:34:54,320

that was probably my my biggest

1026
00:34:58,470 --> 00:34:55,919
accomplishment and one of the most

1027
00:35:01,430 --> 00:34:58,480
profound experiences that i've had

1028
00:35:04,150 --> 00:35:01,440
that's amazing that is amazing it is

1029
00:35:06,630 --> 00:35:04,160
texas has a ton of stuff and coming back

1030
00:35:09,109 --> 00:35:06,640
to utah utah has from a historical

1031
00:35:12,069 --> 00:35:09,119
perspective a ton of things

1032
00:35:14,390 --> 00:35:12,079
have you come across any amazing from a

1033
00:35:16,390 --> 00:35:14,400
historical perspective areas in utah

1034
00:35:18,230 --> 00:35:16,400
that you have investigated and could you

1035
00:35:20,390 --> 00:35:18,240
share some of those stories

1036
00:35:21,349 --> 00:35:20,400
sure um one place that isn't really well

1037
00:35:22,870 --> 00:35:21,359
known

1038
00:35:25,589 --> 00:35:22,880

was a place called the home of truth and

1039

00:35:28,710 --> 00:35:25,599

it was just outside of monticello utah

1040

00:35:31,270 --> 00:35:28,720

and i was just doing research about

1041

00:35:32,870 --> 00:35:31,280

historical ghost towns in utah because

1042

00:35:34,950 --> 00:35:32,880

besides being into the paranormal i just

1043

00:35:36,230 --> 00:35:34,960

i'm a history buff and so i was doing

1044

00:35:39,030 --> 00:35:36,240

some research and found out that the

1045

00:35:41,030 --> 00:35:39,040

home of truth was was a cult

1046

00:35:42,950 --> 00:35:41,040

uh forgive me for not knowing the exact

1047

00:35:46,310 --> 00:35:42,960

dates but it was you know

1048

00:35:50,310 --> 00:35:46,320

early 19th or early 20th century

1049

00:35:51,589 --> 00:35:50,320

um this woman marie ogden established a

1050

00:35:53,589 --> 00:35:51,599

faith-based group out there called the

1051
00:35:55,270 --> 00:35:53,599
home of truth and she claimed that she

1052
00:35:57,030 --> 00:35:55,280
could

1053
00:35:58,310 --> 00:35:57,040
not only speak with people on the other

1054
00:36:00,790 --> 00:35:58,320
side of the veil but that she could

1055
00:36:02,870 --> 00:36:00,800
resurrect the dead

1056
00:36:03,910 --> 00:36:02,880
and so a group of people moved out there

1057
00:36:05,430 --> 00:36:03,920
they stopped they made a little

1058
00:36:08,470 --> 00:36:05,440
homestead out there they you know

1059
00:36:10,790 --> 00:36:08,480
established a life and then one of their

1060
00:36:12,790 --> 00:36:10,800
followers passed away and she kept the

1061
00:36:13,750 --> 00:36:12,800
body from her

1062
00:36:15,430 --> 00:36:13,760
her

1063
00:36:18,230 --> 00:36:15,440

from the family

1064

00:36:20,230 --> 00:36:18,240

of this woman and tried to resurrect her

1065

00:36:22,470 --> 00:36:20,240

for quite a long time and then the

1066

00:36:24,310 --> 00:36:22,480

authorities got involved and she refused

1067

00:36:26,710 --> 00:36:24,320

to tell them where the body was and so i

1068

00:36:28,470 --> 00:36:26,720

had i had to go out there i had to see

1069

00:36:30,310 --> 00:36:28,480

this place um

1070

00:36:32,870 --> 00:36:30,320

and there's nothing out there now it's

1071

00:36:34,470 --> 00:36:32,880

it's just some old you know ramshackle

1072

00:36:35,190 --> 00:36:34,480

uh buildings and whatnot it's it's owned

1073

00:36:36,470 --> 00:36:35,200

by

1074

00:36:38,790 --> 00:36:36,480

it's privately owned now so you can't

1075

00:36:40,280 --> 00:36:38,800

just go out on the property now but when

1076
00:36:41,349 --> 00:36:40,290
i went um

1077
00:36:43,030 --> 00:36:41,359
[Music]

1078
00:36:44,390 --> 00:36:43,040
you know just passing through if you

1079
00:36:46,230 --> 00:36:44,400
didn't know what had happened there you

1080
00:36:49,829 --> 00:36:46,240
would still feel

1081
00:36:51,430 --> 00:36:49,839
something that had been either conjured

1082
00:36:53,109 --> 00:36:51,440
or called out there that still remained

1083
00:36:55,030 --> 00:36:53,119
out there so there's a very heavy sort

1084
00:36:56,790 --> 00:36:55,040
of um

1085
00:36:58,310 --> 00:36:56,800
energy out there and and when i

1086
00:37:00,710 --> 00:36:58,320
investigated it like a lot of other

1087
00:37:02,390 --> 00:37:00,720
places you know equipment failed it

1088
00:37:03,829 --> 00:37:02,400

would like i couldn't record anything or

1089

00:37:05,030 --> 00:37:03,839

by the time i was able to review it it

1090

00:37:08,390 --> 00:37:05,040

was all white

1091

00:37:09,990 --> 00:37:08,400

uh batteries died yeah um and a lot of

1092

00:37:11,510 --> 00:37:10,000

these places i investigate by myself so

1093

00:37:13,030 --> 00:37:11,520

there wasn't anybody else to corroborate

1094

00:37:15,430 --> 00:37:13,040

you know that sort of feeling or whatnot

1095

00:37:16,870 --> 00:37:15,440

when i was out there but it's just it's

1096

00:37:19,349 --> 00:37:16,880

one of those places i'd love to get back

1097

00:37:20,710 --> 00:37:19,359

to um and maybe maybe it is you know

1098

00:37:22,310 --> 00:37:20,720

maybe there are spirits there that can

1099

00:37:24,470 --> 00:37:22,320

tell us what happened but it's just i

1100

00:37:26,790 --> 00:37:24,480

think this woman was very much into

1101

00:37:28,790 --> 00:37:26,800

the darker side of the occult um

1102

00:37:30,390 --> 00:37:28,800

and so you know when you get into that

1103

00:37:31,510 --> 00:37:30,400

kind of thing you kind of open things up

1104

00:37:32,950 --> 00:37:31,520

and and i know that there are people

1105

00:37:35,270 --> 00:37:32,960

that have done that even at the ranch

1106

00:37:37,589 --> 00:37:35,280

that have opened things up so i just i

1107

00:37:39,910 --> 00:37:37,599

would caution anyone just not to try to

1108

00:37:42,870 --> 00:37:39,920

provoke anything uh going into any sort

1109

00:37:44,630 --> 00:37:42,880

of spiritual or paranormal um

1110

00:37:46,710 --> 00:37:44,640

property but that's one of the ones that

1111

00:37:47,589 --> 00:37:46,720

most people don't know that much about

1112

00:37:49,349 --> 00:37:47,599

um

1113

00:37:51,030 --> 00:37:49,359

there's famous ghosts like the the

1114

00:37:53,750 --> 00:37:51,040

capital theater in salt lake city they

1115

00:37:56,310 --> 00:37:53,760

they have you know like most theaters

1116

00:37:58,390 --> 00:37:56,320

but it's legitimately haunted um

1117

00:38:00,630 --> 00:37:58,400

that's a fun place to have gone i think

1118

00:38:01,829 --> 00:38:00,640

solitaire is also a fascinating story i

1119

00:38:04,870 --> 00:38:01,839

don't know if you know much about the

1120

00:38:07,430 --> 00:38:04,880

history yes out on the great salt lake

1121

00:38:10,630 --> 00:38:07,440

um that place is off the chain

1122

00:38:12,390 --> 00:38:10,640

resort you know in the west for a long

1123

00:38:13,270 --> 00:38:12,400

period of time and

1124

00:38:14,630 --> 00:38:13,280

it was

1125

00:38:16,310 --> 00:38:14,640

built out of wood

1126

00:38:17,510 --> 00:38:16,320

i mean it burned i think a total of

1127

00:38:20,150 --> 00:38:17,520

three times

1128

00:38:21,589 --> 00:38:20,160

to the ground um and now it's it's kind

1129

00:38:23,510 --> 00:38:21,599

of a shadow of what it used to be but

1130

00:38:24,470 --> 00:38:23,520

there's a lot of history there too

1131

00:38:26,470 --> 00:38:24,480

um

1132

00:38:27,670 --> 00:38:26,480

there's a faceless man out there that

1133

00:38:29,349 --> 00:38:27,680

people have told me they see when

1134

00:38:30,950 --> 00:38:29,359

they're out walking around the grounds

1135

00:38:33,510 --> 00:38:30,960

or you know around the edge of the great

1136

00:38:35,990 --> 00:38:33,520

salt lake where this it's like a

1137

00:38:38,150 --> 00:38:36,000

faceless man in a suit approaches them

1138

00:38:40,310 --> 00:38:38,160

and and they just are kind of paralyzed

1139

00:38:42,390 --> 00:38:40,320

out there now i don't know who he is

1140

00:38:44,150 --> 00:38:42,400

i i have not seen him personally but a

1141

00:38:45,589 --> 00:38:44,160

lot of people who aren't even into

1142

00:38:47,829 --> 00:38:45,599

paranormal investigation have told me

1143

00:38:49,510 --> 00:38:47,839

the story and and so that's something i

1144

00:38:50,790 --> 00:38:49,520

really want to delve into in the future

1145

00:38:51,990 --> 00:38:50,800

and i'm actually doing that there's

1146

00:38:54,790 --> 00:38:52,000

there's a new book coming out called

1147

00:38:57,270 --> 00:38:54,800

carnival of souls nice uh utah's history

1148

00:38:59,670 --> 00:38:57,280

with the unexplained um that'll all have

1149

00:39:00,870 --> 00:38:59,680

that that story as well but you know

1150

00:39:03,589 --> 00:39:00,880

it's

1151

00:39:05,589 --> 00:39:03,599

i think utah gets downplayed a lot um

1152

00:39:07,349 --> 00:39:05,599

and i i don't know if it's just because

1153

00:39:09,109 --> 00:39:07,359

of the religious kind of cloud that

1154

00:39:11,190 --> 00:39:09,119

hangs over the state

1155

00:39:13,829 --> 00:39:11,200

um but you know there are places that

1156

00:39:15,030 --> 00:39:13,839

even the the lds church owns now that i

1157

00:39:16,870 --> 00:39:15,040

would love to investigate but i'm just

1158

00:39:18,310 --> 00:39:16,880

not allowed to

1159

00:39:20,470 --> 00:39:18,320

uh they don't really

1160

00:39:23,270 --> 00:39:20,480

want that sort of attention but there

1161

00:39:25,190 --> 00:39:23,280

are places that i i know have some

1162

00:39:26,150 --> 00:39:25,200

historical value and supernatural value

1163

00:39:27,750 --> 00:39:26,160

as well

1164

00:39:30,230 --> 00:39:27,760

that the church owns and i just i wish i

1165

00:39:31,430 --> 00:39:30,240

could get into them but i i just can't i

1166

00:39:33,750 --> 00:39:31,440

hear you

1167

00:39:37,190 --> 00:39:33,760

there are a lot of those in utah utah

1168

00:39:39,750 --> 00:39:37,200

does seem to be kind of perfectly on

1169

00:39:42,470 --> 00:39:39,760

that that razor's edge of high

1170

00:39:44,390 --> 00:39:42,480

strangeness on in a lot of fronts

1171

00:39:45,910 --> 00:39:44,400

there's so many areas and kind of

1172

00:39:48,550 --> 00:39:45,920

getting back to some of your utah

1173

00:39:50,710 --> 00:39:48,560

experiences i'm really fascinated by

1174

00:39:52,310 --> 00:39:50,720

your quote-unquote uh i don't want to

1175

00:39:54,230 --> 00:39:52,320

call them men in black but it really was

1176

00:39:57,190 --> 00:39:54,240

sort of a men in black experience in

1177

00:39:58,790 --> 00:39:57,200

walmart it was you know it was i mean

1178

00:40:00,630 --> 00:39:58,800

looking back on it that's i mean it kind

1179

00:40:02,710 --> 00:40:00,640

of makes me laugh because i think

1180

00:40:04,950 --> 00:40:02,720

did that actually happen that way to me

1181

00:40:05,990 --> 00:40:04,960

like because if i at the time you know i

1182

00:40:07,030 --> 00:40:06,000

didn't tell many people about it because

1183

00:40:09,510 --> 00:40:07,040

i thought they're just going to laugh at

1184

00:40:10,950 --> 00:40:09,520

me and say that i you know had this men

1185

00:40:12,950 --> 00:40:10,960

in black well they weren't weren't

1186

00:40:14,550 --> 00:40:12,960

wearing sunglasses and like suit jackets

1187

00:40:17,430 --> 00:40:14,560

but they were well-dressed

1188

00:40:19,109 --> 00:40:17,440

people men in their i would guess

1189

00:40:19,990 --> 00:40:19,119

early 30s

1190

00:40:21,190 --> 00:40:20,000

um

1191

00:40:22,710 --> 00:40:21,200

and you don't you know you don't just

1192

00:40:23,990 --> 00:40:22,720

get approached by people unless they

1193

00:40:25,829 --> 00:40:24,000

have like a religious message or

1194

00:40:27,190 --> 00:40:25,839

something in that kind of context but

1195

00:40:30,069 --> 00:40:27,200

even a walmart i've never been

1196

00:40:31,349 --> 00:40:30,079

approached by no you know anyone really

1197

00:40:33,910 --> 00:40:31,359

could just

1198

00:40:36,069 --> 00:40:33,920

tell give me a warning so it is kind of

1199

00:40:38,550 --> 00:40:36,079

a men in black type situation i just i

1200

00:40:40,069 --> 00:40:38,560

just don't know who they could have

1201

00:40:41,829 --> 00:40:40,079

worked for bigelow i don't know the

1202

00:40:43,990 --> 00:40:41,839

previous owner of the ranch it could

1203

00:40:45,510 --> 00:40:44,000

have just been people who wanted to get

1204

00:40:47,349 --> 00:40:45,520

a rise out of me i'm like oh she lives

1205

00:40:49,190 --> 00:40:47,359

in texas so we can just have friends go

1206

00:40:50,790 --> 00:40:49,200

and do this like i really don't know but

1207

00:40:52,390 --> 00:40:50,800

to me it felt

1208

00:40:54,390 --> 00:40:52,400

very um

1209

00:40:55,990 --> 00:40:54,400

very aggressive and very real it didn't

1210

00:40:57,589 --> 00:40:56,000

seem like a joke to me

1211

00:40:58,950 --> 00:40:57,599

and

1212

00:41:00,790 --> 00:40:58,960

so yeah i mean that was one of the

1213

00:41:02,470 --> 00:41:00,800

reasons why it took me so many years to

1214

00:41:04,950 --> 00:41:02,480

go back to the ranch and

1215

00:41:07,270 --> 00:41:04,960

and when i actually did

1216

00:41:09,190 --> 00:41:07,280

the ranch welcomed me so it wasn't i

1217

00:41:10,630 --> 00:41:09,200

didn't feel i i had some anticipation

1218

00:41:11,990 --> 00:41:10,640

that this was going to be awful and it

1219

00:41:13,829 --> 00:41:12,000

just wasn't so

1220

00:41:15,910 --> 00:41:13,839

to this day i don't know who those

1221

00:41:18,790 --> 00:41:15,920

people were or what their agenda really

1222

00:41:20,230 --> 00:41:18,800

was uh why they were sent why i

1223

00:41:22,710 --> 00:41:20,240

shouldn't go back i never got any

1224

00:41:23,750 --> 00:41:22,720

explanation for any of that

1225

00:41:25,829 --> 00:41:23,760

yeah

1226

00:41:28,790 --> 00:41:25,839

and

1227

00:41:30,790 --> 00:41:28,800

to your point um as far as who they may

1228

00:41:32,870 --> 00:41:30,800

have been we'll we will never know but

1229

00:41:35,270 --> 00:41:32,880

it i think it's it's a it's a very

1230

00:41:36,630 --> 00:41:35,280

interesting experience and

1231

00:41:38,230 --> 00:41:36,640

you know the

1232

00:41:39,829 --> 00:41:38,240

the powers that be whoever they are

1233

00:41:42,790 --> 00:41:39,839

whenever they're involved with these

1234

00:41:44,790 --> 00:41:42,800

sorts of situations

1235

00:41:47,750 --> 00:41:44,800

it's hard to underestimate them because

1236

00:41:50,630 --> 00:41:47,760

i mean bigelow's no joke uh none of the

1237

00:41:54,230 --> 00:41:50,640

people involved are a joke and

1238

00:41:55,829 --> 00:41:54,240

i remember many cases where i thought

1239

00:41:57,349 --> 00:41:55,839

you know you get kind of you know you're

1240

00:42:00,069 --> 00:41:57,359

like did i really is there really

1241

00:42:03,750 --> 00:42:00,079

somebody parked outside of my house in a

1242

00:42:06,630 --> 00:42:03,760

black stout suburban and

1243

00:42:08,710 --> 00:42:06,640

and you know only years later did i find

1244

00:42:09,990 --> 00:42:08,720

out uh you know by befriending this

1245

00:42:12,550 --> 00:42:10,000

individual

1246

00:42:14,309 --> 00:42:12,560

that in fact yes they were involved and

1247

00:42:16,550 --> 00:42:14,319

yes they were parked outside of my house

1248

00:42:18,069 --> 00:42:16,560

so this stuff does happen i mean april

1249

00:42:19,190 --> 00:42:18,079

it's wild that this happened to you

1250

00:42:22,390 --> 00:42:19,200

especially

1251
00:42:24,550 --> 00:42:22,400
so many states away uh yeah and you know

1252
00:42:27,510 --> 00:42:24,560
neighboring properties uh i've talked to

1253
00:42:29,670 --> 00:42:27,520
neighbors in and around this um hot spot

1254
00:42:31,430 --> 00:42:29,680
of utah that have encountered similar

1255
00:42:33,109 --> 00:42:31,440
things like where people will come in

1256
00:42:35,030 --> 00:42:33,119
the middle of the night dressed all in

1257
00:42:37,190 --> 00:42:35,040
black and they'll be looking for

1258
00:42:40,630 --> 00:42:37,200
something on their property and

1259
00:42:42,309 --> 00:42:40,640
you know it's it's sort of uh

1260
00:42:43,670 --> 00:42:42,319
one case in particular that comes to

1261
00:42:45,670 --> 00:42:43,680
mind well

1262
00:42:48,150 --> 00:42:45,680
it really doesn't matter this happens on

1263
00:42:50,630 --> 00:42:48,160

on a frequencies and there are

1264

00:42:53,510 --> 00:42:50,640

there are these levels of government

1265

00:42:55,030 --> 00:42:53,520

which are technically above us and

1266

00:42:56,950 --> 00:42:55,040

you know you're sitting there thinking

1267

00:42:59,109 --> 00:42:56,960

do i call bia or the police and at the

1268

00:43:00,710 --> 00:42:59,119

time you realize that you know neither

1269

00:43:01,750 --> 00:43:00,720

of those are at the level of what you're

1270

00:43:02,950 --> 00:43:01,760

witnessing

1271

00:43:06,790 --> 00:43:02,960

and

1272

00:43:09,109 --> 00:43:06,800

um one gentleman who has come forward

1273

00:43:11,430 --> 00:43:09,119

said that he literally had to get like

1274

00:43:14,069 --> 00:43:11,440

his own security forces was happening so

1275

00:43:17,430 --> 00:43:14,079

often and he's wow yeah he's of native

1276
00:43:18,710 --> 00:43:17,440
american descent and has a really good

1277
00:43:19,589 --> 00:43:18,720
chunk of land

1278
00:43:21,109 --> 00:43:19,599
and

1279
00:43:23,510 --> 00:43:21,119
you know he said you know middle of the

1280
00:43:25,829 --> 00:43:23,520
night these crazy but you know you hear

1281
00:43:27,349 --> 00:43:25,839
these stories so often but i it's rare

1282
00:43:29,030 --> 00:43:27,359
that you hear one

1283
00:43:30,710 --> 00:43:29,040
that is so displaced like yours where

1284
00:43:32,150 --> 00:43:30,720
it's like states away

1285
00:43:33,829 --> 00:43:32,160
and

1286
00:43:34,950 --> 00:43:33,839
that just fascinated me when i heard

1287
00:43:36,790 --> 00:43:34,960
about that

1288
00:43:38,550 --> 00:43:36,800

well you know another thing too that in

1289

00:43:40,870 --> 00:43:38,560

tech i was in texas like i said because

1290

00:43:43,430 --> 00:43:40,880

i visited utah and then i went back i

1291

00:43:45,349 --> 00:43:43,440

had a book signing not long after that

1292

00:43:47,190 --> 00:43:45,359

incident with the people in walmart for

1293

00:43:48,550 --> 00:43:47,200

the ghost hunting texas book and i was

1294

00:43:49,670 --> 00:43:48,560

in houston

1295

00:43:51,510 --> 00:43:49,680

in the middle of the day i think it was

1296

00:43:53,430 --> 00:43:51,520

a borders bookstore that those have all

1297

00:43:54,790 --> 00:43:53,440

closed now but at the time

1298

00:43:55,829 --> 00:43:54,800

they were doing book findings and i was

1299

00:43:57,430 --> 00:43:55,839

in houston

1300

00:44:00,069 --> 00:43:57,440

and had this long line of people waiting

1301
00:44:00,950 --> 00:44:00,079
to get the ghostline texas book signed

1302
00:44:02,069 --> 00:44:00,960
and

1303
00:44:03,670 --> 00:44:02,079
you know

1304
00:44:05,589 --> 00:44:03,680
i hadn't written articles about the

1305
00:44:06,790 --> 00:44:05,599
ranch yet that wasn't you know widely

1306
00:44:08,710 --> 00:44:06,800
known but

1307
00:44:10,550 --> 00:44:08,720
i an experience with someone coming up

1308
00:44:11,910 --> 00:44:10,560
to my table and people laugh when i

1309
00:44:13,750 --> 00:44:11,920
describe this individual but it's the

1310
00:44:16,710 --> 00:44:13,760
only way i know how to do it he looked

1311
00:44:18,390 --> 00:44:16,720
like a hispanic danny devito uh darker

1312
00:44:20,069 --> 00:44:18,400
skin same height

1313
00:44:22,470 --> 00:44:20,079

pretty much like the same face hair do

1314

00:44:24,630 --> 00:44:22,480

everything he looked exactly like

1315

00:44:26,630 --> 00:44:24,640

danny devito just a more dark complexion

1316

00:44:28,790 --> 00:44:26,640

and when he approached the table mind

1317

00:44:30,230 --> 00:44:28,800

you there was probably 40 or 50 other

1318

00:44:31,589 --> 00:44:30,240

people around

1319

00:44:33,109 --> 00:44:31,599

um

1320

00:44:34,470 --> 00:44:33,119

you know i asked who would you like me

1321

00:44:35,910 --> 00:44:34,480

to sign the book to he didn't say

1322

00:44:37,349 --> 00:44:35,920

anything to me and the two people at the

1323

00:44:39,670 --> 00:44:37,359

table with me

1324

00:44:41,750 --> 00:44:39,680

witnessed what i witnessed and he looked

1325

00:44:44,710 --> 00:44:41,760

at me he was looking right at me but

1326
00:44:45,589 --> 00:44:44,720
another set of eyes moved behind his

1327
00:44:48,829 --> 00:44:45,599
eyes

1328
00:44:51,109 --> 00:44:48,839
and they didn't look human at all

1329
00:44:52,630 --> 00:44:51,119
so people were freaked out they were

1330
00:44:54,550 --> 00:44:52,640
like what

1331
00:44:55,910 --> 00:44:54,560
what's in there like i i don't know but

1332
00:44:58,230 --> 00:44:55,920
i'm not comfortable being around this

1333
00:45:00,390 --> 00:44:58,240
individual please ha i had to ask them

1334
00:45:04,230 --> 00:45:00,400
to have him leave sure because that made

1335
00:45:06,150 --> 00:45:04,240
me that uncomfortable um and

1336
00:45:08,150 --> 00:45:06,160
the entire time since i was at the ranch

1337
00:45:09,990 --> 00:45:08,160
till now i still believe

1338
00:45:12,309 --> 00:45:10,000

that that had something to do with it as

1339

00:45:14,790 --> 00:45:12,319

well that that was a warning sign or

1340

00:45:16,550 --> 00:45:14,800

that was a sort of a sign of aggression

1341

00:45:18,790 --> 00:45:16,560

uh to not

1342

00:45:20,470 --> 00:45:18,800

delve further into it and i didn't

1343

00:45:22,230 --> 00:45:20,480

like i said until many years later but i

1344

00:45:24,470 --> 00:45:22,240

just kept having these weird

1345

00:45:26,309 --> 00:45:24,480

experiences where

1346

00:45:28,630 --> 00:45:26,319

it just averaged my average day i'm not

1347

00:45:30,630 --> 00:45:28,640

even doing anything and then i'm just

1348

00:45:32,390 --> 00:45:30,640

getting reminders that you know i

1349

00:45:34,390 --> 00:45:32,400

shouldn't have been there or maybe

1350

00:45:36,390 --> 00:45:34,400

i did something wrong by going

1351

00:45:38,390 --> 00:45:36,400

um and so i just

1352

00:45:41,109 --> 00:45:38,400

i yeah i just i wrote about it and i let

1353

00:45:43,109 --> 00:45:41,119

it go um until people started having

1354

00:45:44,870 --> 00:45:43,119

much more of an interest in it but you

1355

00:45:46,309 --> 00:45:44,880

know it's it's a it's a tough subject

1356

00:45:48,069 --> 00:45:46,319

when you want to tell someone hey you

1357

00:45:50,309 --> 00:45:48,079

know i normally

1358

00:45:51,910 --> 00:45:50,319

do ghost investigations but maybe i saw

1359

00:45:53,430 --> 00:45:51,920

a reptilian at my book signing like they

1360

00:45:55,109 --> 00:45:53,440

don't think you're all there when you

1361

00:45:56,790 --> 00:45:55,119

say things like that but

1362

00:45:59,510 --> 00:45:56,800

when they actually happen to you when

1363

00:46:01,430 --> 00:45:59,520

you have these strange things happen

1364

00:46:04,069 --> 00:46:01,440

you wish you couldn't believe it but it

1365

00:46:05,510 --> 00:46:04,079

it happened and so you know i don't get

1366

00:46:06,710 --> 00:46:05,520

scared by much there's not a lot that

1367

00:46:09,349 --> 00:46:06,720

rattles me

1368

00:46:11,270 --> 00:46:09,359

but that did uh and so did the people in

1369

00:46:13,030 --> 00:46:11,280

walmart so and i haven't had anything

1370

00:46:15,030 --> 00:46:13,040

since then that i can recall or that i

1371

00:46:17,190 --> 00:46:15,040

would recognize as being connected

1372

00:46:19,109 --> 00:46:17,200

uh but you know it's it's a different

1373

00:46:20,630 --> 00:46:19,119

time now there's new owners there's a

1374

00:46:23,670 --> 00:46:20,640

whole different group of people out

1375

00:46:25,829 --> 00:46:23,680

there yeah uh land has exchanged you

1376

00:46:27,589 --> 00:46:25,839

know hands and so you know i don't i

1377

00:46:29,190 --> 00:46:27,599

don't really know what the future holds

1378

00:46:30,790 --> 00:46:29,200

as far as that goes or if the ranch is

1379

00:46:32,470 --> 00:46:30,800

going to show up

1380

00:46:33,750 --> 00:46:32,480

at some point with people and vehicles

1381

00:46:35,750 --> 00:46:33,760

outside of my house i mean i wouldn't be

1382

00:46:38,069 --> 00:46:35,760

surprised if that happened it just

1383

00:46:40,710 --> 00:46:38,079

hasn't been my experience yet but i'm

1384

00:46:42,870 --> 00:46:40,720

always aware that

1385

00:46:45,670 --> 00:46:42,880

something is aware of me

1386

00:46:47,030 --> 00:46:45,680

and my interest in it uh and you know so

1387

00:46:48,470 --> 00:46:47,040

i'm always keeping an eye out and i

1388

00:46:49,589 --> 00:46:48,480

think that's just a smart thing to do

1389

00:46:51,030 --> 00:46:49,599

with anybody who's interested in this

1390

00:46:51,990 --> 00:46:51,040

stuff or who chases after it you just

1391

00:46:53,670 --> 00:46:52,000

have to be

1392

00:46:55,190 --> 00:46:53,680

aware of your surroundings at all times

1393

00:46:56,470 --> 00:46:55,200

because weird things can happen to you

1394

00:46:58,309 --> 00:46:56,480

in the middle of the day

1395

00:47:00,950 --> 00:46:58,319

at any point in time

1396

00:47:02,309 --> 00:47:00,960

and be connected to the experiences

1397

00:47:05,670 --> 00:47:02,319

you've had in the past and i find that

1398

00:47:07,829 --> 00:47:05,680

especially true uh with the ranch

1399

00:47:09,589 --> 00:47:07,839

absolutely and these hot spots i mean

1400

00:47:12,470 --> 00:47:09,599

many hot spots i always like to think of

1401

00:47:14,309 --> 00:47:12,480

them as diamonds or gems because

1402

00:47:17,430 --> 00:47:14,319

there's many facets like you just

1403

00:47:19,109 --> 00:47:17,440

mentioned to the enigma and the way you

1404

00:47:20,549 --> 00:47:19,119

know perception the way light shines

1405

00:47:22,710 --> 00:47:20,559

through a

1406

00:47:24,470 --> 00:47:22,720

gemstone or a diamond you're gonna see

1407

00:47:26,950 --> 00:47:24,480

something different depending on where

1408

00:47:29,109 --> 00:47:26,960

you are looking at it from

1409

00:47:30,549 --> 00:47:29,119

and right a lot of people like to think

1410

00:47:32,950 --> 00:47:30,559

these things are perfectly explained and

1411

00:47:36,710 --> 00:47:32,960

declassified foia things and and you

1412

00:47:39,270 --> 00:47:36,720

know i i loved when uh the

1413

00:47:41,190 --> 00:47:39,280

new york times came out and uh

1414

00:47:42,950 --> 00:47:41,200

you know much props to ralph blumenthal

1415

00:47:45,829 --> 00:47:42,960

and those involved with the keene

1416

00:47:47,829 --> 00:47:45,839

when they came out with you know amazing

1417

00:47:49,990 --> 00:47:47,839

amazing uh

1418

00:47:52,790 --> 00:47:50,000

you know forthright

1419

00:47:54,630 --> 00:47:52,800

admissions of you know atip and ossap

1420

00:47:56,230 --> 00:47:54,640

and all these amazing government

1421

00:47:57,190 --> 00:47:56,240

programs that were centered in and

1422

00:47:59,510 --> 00:47:57,200

around

1423

00:48:01,109 --> 00:47:59,520

some of these areas of interest but

1424

00:48:04,790 --> 00:48:01,119

to your point

1425

00:48:07,510 --> 00:48:04,800

it's it's fascinating i remember a uh

1426

00:48:09,670 --> 00:48:07,520

a situation where i was with uh believe

1427

00:48:11,030 --> 00:48:09,680

it or not i was with my best friend who

1428

00:48:13,270 --> 00:48:11,040

is a pastor

1429

00:48:15,349 --> 00:48:13,280

and my mother of all people and we were

1430

00:48:17,190 --> 00:48:15,359

near rachel nevada and they wanted to go

1431

00:48:19,670 --> 00:48:17,200

see the gate

1432

00:48:21,670 --> 00:48:19,680

at area 51 i was a little like uh it's

1433

00:48:23,750 --> 00:48:21,680

just a gate you know it's just right

1434

00:48:25,750 --> 00:48:23,760

right why'd it come on it's just a gate

1435

00:48:28,069 --> 00:48:25,760

nothing good can come of this

1436

00:48:30,230 --> 00:48:28,079

and uh i remember driving out to the

1437

00:48:32,150 --> 00:48:30,240

gate and

1438

00:48:35,510 --> 00:48:32,160

just as we approached the gate before we

1439

00:48:37,030 --> 00:48:35,520

got there there was a i believe lady

1440

00:48:37,990 --> 00:48:37,040

very weathered

1441

00:48:39,349 --> 00:48:38,000

tall

1442

00:48:42,230 --> 00:48:39,359

slender

1443

00:48:43,829 --> 00:48:42,240

with a backpack walking it appeared out

1444

00:48:47,109 --> 00:48:43,839

of the base

1445

00:48:49,510 --> 00:48:47,119

nobody around and um it just reminds me

1446

00:48:51,510 --> 00:48:49,520

this danny devito story i i remember we

1447

00:48:54,309 --> 00:48:51,520

all pat we passed her and we were all

1448

00:48:55,750 --> 00:48:54,319

looking like where are what what why are

1449

00:48:59,190 --> 00:48:55,760

you

1450

00:49:01,589 --> 00:48:59,200

leaving this compound

1451

00:49:03,750 --> 00:49:01,599

and you don't look

1452

00:49:06,470 --> 00:49:03,760

like for lack of a better word all that

1453

00:49:08,230 --> 00:49:06,480

human and

1454

00:49:10,230 --> 00:49:08,240

uh we tried to rise above the occasion

1455

00:49:12,710 --> 00:49:10,240

we went and turned around and we had

1456

00:49:16,470 --> 00:49:12,720

water in the vehicle and sure enough uh

1457

00:49:18,069 --> 00:49:16,480

turned around went back towards the uh

1458

00:49:19,910 --> 00:49:18,079

individual and

1459

00:49:21,910 --> 00:49:19,920

handed them a bottle of water through

1460

00:49:23,270 --> 00:49:21,920

the window

1461

00:49:24,549 --> 00:49:23,280

and there were no words exchanged

1462

00:49:26,870 --> 00:49:24,559

whatsoever

1463

00:49:28,870 --> 00:49:26,880

they they accepted it's so strange when

1464

00:49:31,430 --> 00:49:28,880

these things happen and and you can't

1465

00:49:34,309 --> 00:49:31,440

look too deeply into them but oh my gosh

1466

00:49:36,309 --> 00:49:34,319

do they ever happen i agree with you 100

1467

00:49:38,549 --> 00:49:36,319

um

1468

00:49:42,390 --> 00:49:38,559

getting back to these precognitive

1469

00:49:44,950 --> 00:49:42,400

intelligences have have you encountered

1470

00:49:47,670 --> 00:49:44,960

any other intelligences and other hot

1471

00:49:49,109 --> 00:49:47,680

spots uh or haunted locations that

1472

00:49:50,790 --> 00:49:49,119

really made you kind of scratch your

1473

00:49:52,630 --> 00:49:50,800

head and make you wonder you know what's

1474

00:49:55,109 --> 00:49:52,640

going on with the matrix or the fabric

1475

00:49:56,950 --> 00:49:55,119

of our reality

1476

00:49:58,390 --> 00:49:56,960

well yeah i mean there have been places

1477

00:50:01,030 --> 00:49:58,400

one of my very favorite

1478

00:50:02,710 --> 00:50:01,040

uh haunts the first one i actually

1479

00:50:03,990 --> 00:50:02,720

considered investigating outside of my

1480

00:50:06,630 --> 00:50:04,000

childhood home was a place called the

1481

00:50:07,910 --> 00:50:06,640

lehigh hospital in lehi utah no longer

1482

00:50:09,670 --> 00:50:07,920

standing

1483

00:50:12,150 --> 00:50:09,680

they demolished it several years ago but

1484

00:50:14,390 --> 00:50:12,160

i spent so much time in there uh

1485

00:50:16,309 --> 00:50:14,400

investigating and over time i noticed

1486

00:50:17,190 --> 00:50:16,319

that the phenomena would know when i was

1487

00:50:19,030 --> 00:50:17,200

coming

1488

00:50:20,309 --> 00:50:19,040

like it would just know like if i didn't

1489

00:50:22,069 --> 00:50:20,319

have a plan

1490

00:50:23,270 --> 00:50:22,079

to go one day and then i'm like all

1491

00:50:25,589 --> 00:50:23,280

right i'm just gonna go spend the night

1492

00:50:27,990 --> 00:50:25,599

in the hospital it would be like

1493

00:50:29,910 --> 00:50:28,000

i'd get there and and

1494

00:50:31,910 --> 00:50:29,920

you know my recordings or whatnot be

1495

00:50:33,430 --> 00:50:31,920

like we were expecting you

1496

00:50:35,430 --> 00:50:33,440

this is going to happen tonight i'm like

1497

00:50:38,150 --> 00:50:35,440

what this no that's not going to happen

1498

00:50:40,390 --> 00:50:38,160

um for instance there was a

1499

00:50:41,829 --> 00:50:40,400

i think it was the deseret news or daily

1500

00:50:44,150 --> 00:50:41,839

herald one of the two they had sent out

1501
00:50:45,670 --> 00:50:44,160
some reporters because of the activity

1502
00:50:47,670 --> 00:50:45,680
reported in the in the hospital and they

1503
00:50:49,190 --> 00:50:47,680
wanted to go through

1504
00:50:50,790 --> 00:50:49,200
uh with me

1505
00:50:53,910 --> 00:50:50,800
and kind of

1506
00:50:56,549 --> 00:50:53,920
get a feel for the for the hospital and

1507
00:50:57,910 --> 00:50:56,559
you know i i had been told previously

1508
00:50:59,750 --> 00:50:57,920
that

1509
00:51:01,109 --> 00:50:59,760
by by whatever is in the hospital

1510
00:51:02,950 --> 00:51:01,119
spirits ghost whatever you want to call

1511
00:51:05,910 --> 00:51:02,960
them

1512
00:51:08,150 --> 00:51:05,920
i would be escorting people through when

1513
00:51:10,230 --> 00:51:08,160

something happened never does anything

1514

00:51:11,910 --> 00:51:10,240

happen when i want it to like never it

1515

00:51:13,270 --> 00:51:11,920

just doesn't work that way you don't you

1516

00:51:15,750 --> 00:51:13,280

don't get to tell them you know

1517

00:51:17,349 --> 00:51:15,760

paranormal when to perform right so

1518

00:51:19,510 --> 00:51:17,359

i just thought this isn't no that's not

1519

00:51:21,030 --> 00:51:19,520

true well you know this this crew came

1520

00:51:23,589 --> 00:51:21,040

in with me and we were in a certain part

1521

00:51:25,430 --> 00:51:23,599

of the hospital where they had an old

1522

00:51:27,270 --> 00:51:25,440

um

1523

00:51:28,790 --> 00:51:27,280

original mirror from one of the hospital

1524

00:51:31,109 --> 00:51:28,800

rooms and

1525

00:51:32,390 --> 00:51:31,119

this face just appeared through it it's

1526
00:51:33,270 --> 00:51:32,400
kind of like you would think you see

1527
00:51:34,470 --> 00:51:33,280
something like that in the haunted

1528
00:51:36,790 --> 00:51:34,480
mansion at disneyland you know this kind

1529
00:51:37,910 --> 00:51:36,800
of holographic face coming up through

1530
00:51:40,549 --> 00:51:37,920
glass

1531
00:51:42,309 --> 00:51:40,559
and it it would change positions and

1532
00:51:44,710 --> 00:51:42,319
you know different angles and peer out

1533
00:51:45,990 --> 00:51:44,720
at us and look at us and

1534
00:51:47,349 --> 00:51:46,000
you know

1535
00:51:48,950 --> 00:51:47,359
they tried to figure out how is this

1536
00:51:51,190 --> 00:51:48,960
happening there's no strings attached no

1537
00:51:53,190 --> 00:51:51,200
wires no projectors nothing and then

1538
00:51:55,109 --> 00:51:53,200

after the whole incident was over you

1539

00:51:56,710 --> 00:51:55,119

know the ghost i told you i told you

1540

00:51:58,309 --> 00:51:56,720

this was going to happen but you know

1541

00:52:00,390 --> 00:51:58,319

you were going to have a show for for

1542

00:52:01,750 --> 00:52:00,400

people when you and i'm like wait

1543

00:52:02,630 --> 00:52:01,760

how did you even know i didn't even know

1544

00:52:04,549 --> 00:52:02,640

i was going to bring these people

1545

00:52:06,950 --> 00:52:04,559

through until last minute so

1546

00:52:08,390 --> 00:52:06,960

there are there does seem to be um

1547

00:52:09,589 --> 00:52:08,400

you know

1548

00:52:11,910 --> 00:52:09,599

some sort of

1549

00:52:13,270 --> 00:52:11,920

predictive intelligence that can that

1550

00:52:14,790 --> 00:52:13,280

can tell

1551
00:52:16,230 --> 00:52:14,800
how you're even going to behave before

1552
00:52:17,750 --> 00:52:16,240
you know it and uh

1553
00:52:20,069 --> 00:52:17,760
it does happen occasionally i wouldn't

1554
00:52:22,950 --> 00:52:20,079
say it happens a lot at least not in my

1555
00:52:24,790 --> 00:52:22,960
experience um if i spend more time in

1556
00:52:26,870 --> 00:52:24,800
places like the ranch it might but you

1557
00:52:28,710 --> 00:52:26,880
know who knows but it does happen and it

1558
00:52:30,309 --> 00:52:28,720
does make me think okay

1559
00:52:32,309 --> 00:52:30,319
just do we have to worry about

1560
00:52:33,990 --> 00:52:32,319
predestination is this do i have

1561
00:52:35,990 --> 00:52:34,000
reagency or is this just all one big

1562
00:52:38,549 --> 00:52:36,000
puppet show like it just it blows the

1563
00:52:40,549 --> 00:52:38,559

mind um but i've learned

1564

00:52:42,150 --> 00:52:40,559

not to be too analytical of those things

1565

00:52:43,750 --> 00:52:42,160

and just experience them in the moment

1566

00:52:44,950 --> 00:52:43,760

take from them what i can and then if i

1567

00:52:47,109 --> 00:52:44,960

encounter something like that again i

1568

00:52:48,470 --> 00:52:47,119

can compare notes but i don't i really

1569

00:52:51,190 --> 00:52:48,480

try not to

1570

00:52:52,870 --> 00:52:51,200

um assign any sort of

1571

00:52:54,470 --> 00:52:52,880

you know definition to it because then

1572

00:52:56,630 --> 00:52:54,480

it then it changes and i don't get to

1573

00:52:58,069 --> 00:52:56,640

experience it again um and that's true

1574

00:53:00,470 --> 00:52:58,079

across the board whether it's you know

1575

00:53:02,790 --> 00:53:00,480

at a ufo hot spot or you know a haunted

1576

00:53:04,710 --> 00:53:02,800

house or whatever the case may be

1577

00:53:05,990 --> 00:53:04,720

i just think there's a higher intel

1578

00:53:07,430 --> 00:53:06,000

human beings like to think we're the top

1579

00:53:09,670 --> 00:53:07,440

of the food chain as far as intelligence

1580

00:53:11,990 --> 00:53:09,680

goes but i really don't believe that's

1581

00:53:14,870 --> 00:53:12,000

the case especially you know not knowing

1582

00:53:16,230 --> 00:53:14,880

as much as we don't know uh and and i

1583

00:53:17,829 --> 00:53:16,240

think i mean

1584

00:53:18,790 --> 00:53:17,839

remote viewing for one that's something

1585

00:53:20,790 --> 00:53:18,800

that i

1586

00:53:22,390 --> 00:53:20,800

i got really interested in and practice

1587

00:53:23,910 --> 00:53:22,400

for a while that blew my mind too like

1588

00:53:26,470 --> 00:53:23,920

how how can i see something when i'm not

1589

00:53:28,309 --> 00:53:26,480

there to see it beautiful thing

1590

00:53:29,349 --> 00:53:28,319

it's a bizarre how much you can perceive

1591

00:53:31,109 --> 00:53:29,359

and how much the mind can actually

1592

00:53:34,069 --> 00:53:31,119

influence that kind of stuff and so i i

1593

00:53:35,990 --> 00:53:34,079

hope i get to experience more of that um

1594

00:53:37,349 --> 00:53:36,000

maybe maybe i hope i get to experience

1595

00:53:39,030 --> 00:53:37,359

more of that i don't know it could be

1596

00:53:40,790 --> 00:53:39,040

kind of frightening to

1597

00:53:43,190 --> 00:53:40,800

i've had i've had

1598

00:53:44,950 --> 00:53:43,200

warnings of things um because i do have

1599

00:53:47,270 --> 00:53:44,960

some sensitivities like when my daughter

1600

00:53:49,190 --> 00:53:47,280

was little one of my twin daughters i

1601
00:53:51,349 --> 00:53:49,200
didn't know uh when she was born that

1602
00:53:52,710 --> 00:53:51,359
she'd have the issues that she does now

1603
00:53:54,230 --> 00:53:52,720
but i was told

1604
00:53:56,950 --> 00:53:54,240
by someone or something when she was

1605
00:53:58,870 --> 00:53:56,960
five months old that something big was

1606
00:54:02,390 --> 00:53:58,880
coming for her medically and

1607
00:54:04,309 --> 00:54:02,400
and it did uh five years later so

1608
00:54:05,910 --> 00:54:04,319
i don't know you know it's i don't know

1609
00:54:06,950 --> 00:54:05,920
where the information comes from or or

1610
00:54:11,270 --> 00:54:06,960
how it's

1611
00:54:14,069 --> 00:54:11,280
there and

1612
00:54:16,549 --> 00:54:14,079
um but it does it it kind of

1613
00:54:18,549 --> 00:54:16,559

makes me wonder about life and and these

1614

00:54:19,589 --> 00:54:18,559

experiences that i'm having and you know

1615

00:54:21,109 --> 00:54:19,599

i don't i think a lot of people have

1616

00:54:22,390 --> 00:54:21,119

them and they don't talk about them as

1617

00:54:23,589 --> 00:54:22,400

much because people do think they're

1618

00:54:25,430 --> 00:54:23,599

kind of off their rocker when they talk

1619

00:54:27,109 --> 00:54:25,440

about them so it's nice to have people

1620

00:54:28,950 --> 00:54:27,119

like you or you know

1621

00:54:30,710 --> 00:54:28,960

other enthusiasts or researchers who ask

1622

00:54:32,150 --> 00:54:30,720

those kind of questions because

1623

00:54:33,109 --> 00:54:32,160

most people don't want to know that kind

1624

00:54:34,309 --> 00:54:33,119

of thing

1625

00:54:36,390 --> 00:54:34,319

you know kind of

1626
00:54:37,349 --> 00:54:36,400
it trips them up

1627
00:54:39,430 --> 00:54:37,359
yes

1628
00:54:41,990 --> 00:54:39,440
it's it's it's it's a magical moment

1629
00:54:43,670 --> 00:54:42,000
when those when we are able to tap into

1630
00:54:45,670 --> 00:54:43,680
like you said that higher intelligence

1631
00:54:47,670 --> 00:54:45,680
and and realize these things

1632
00:54:49,910 --> 00:54:47,680
april you've been one of my favorite

1633
00:54:50,870 --> 00:54:49,920
guests ever and i knew this would happen

1634
00:54:52,390 --> 00:54:50,880
um

1635
00:54:53,589 --> 00:54:52,400
your views on the unknown are so

1636
00:54:56,309 --> 00:54:53,599
appreciated

1637
00:54:57,670 --> 00:54:56,319
let's jam into your website and what you

1638
00:55:00,069 --> 00:54:57,680

have going on and what you have coming

1639

00:55:02,789 --> 00:55:00,079

up in the future and where can listeners

1640

00:55:04,230 --> 00:55:02,799

support you and keep up with your work

1641

00:55:05,750 --> 00:55:04,240

one more time

1642

00:55:08,030 --> 00:55:05,760

yeah the best place to keep up with what

1643

00:55:10,150 --> 00:55:08,040

i'm what i'm up to is my website

1644

00:55:12,069 --> 00:55:10,160

aprilswatter.com uh but there are a lot

1645

00:55:13,510 --> 00:55:12,079

of new things a lot of new things coming

1646

00:55:15,589 --> 00:55:13,520

obviously there's a lot more artwork

1647

00:55:18,549 --> 00:55:15,599

with the slaughter skulls that that's

1648

00:55:20,150 --> 00:55:18,559

coming in the next few months um

1649

00:55:22,710 --> 00:55:20,160

there's like i said the new i have a new

1650

00:55:24,870 --> 00:55:22,720

book coming out called carnival of souls

1651
00:55:26,870 --> 00:55:24,880
which is going to come out probably at

1652
00:55:28,309 --> 00:55:26,880
the end of january early february of

1653
00:55:29,270 --> 00:55:28,319
this next year

1654
00:55:31,270 --> 00:55:29,280
um

1655
00:55:32,789 --> 00:55:31,280
i may or may not be involved in some

1656

and gentlemen

1690

00:56:44,470 --> 00:56:40,640

veil of reality on a moonlit night

1692

00:56:50,150 --> 00:56:47,440

tugging at the threads of a cardigan

1693

00:56:52,870 --> 00:56:50,160

worn by the matrix of life it's folks

1694

00:56:54,870 --> 00:56:52,880

like april that bring us one step closer

1695

00:56:56,150 --> 00:56:54,880

to understanding our place in this

1696

00:56:59,109 --> 00:56:56,160

existence

1697

00:57:02,069 --> 00:56:59,119

and they're pushing of existential

1698

00:57:04,710 --> 00:57:02,079

boundaries within which we live

1704

00:57:28,740 --> 00:57:39,190
