

Eric Mitchell

A glowing, textured sphere resembling a star or planet, with a bright spot on its surface. The sphere is surrounded by a faint, glowing aura. The background is black.

Experiencer

HERO

1
00:00:01,599 --> 00:00:16,770

uh

2
00:00:16,780 --> 00:00:28,790

[Music]

3
00:00:28,800 --> 00:00:33,980

machine

4
00:00:33,990 --> 00:00:38,150

[Music]

5
00:00:43,030 --> 00:00:39,830

blast off

6
00:00:45,110 --> 00:00:43,040

on another vip episode of the hero

7
00:00:47,750 --> 00:00:45,120

paranormal podcast

8
00:00:51,189 --> 00:00:47,760

broadcasting from the base at la madre

9
00:00:53,670 --> 00:00:51,199

mountain just south of area 51 my name

10
00:00:56,470 --> 00:00:53,680

is ryan the original outlaw of the

11
00:00:57,670 --> 00:00:56,480

airwaves bringing you an epic episode

12
00:01:00,069 --> 00:00:57,680

tonight

13
00:01:02,630 --> 00:01:00,079

on today's podcast we have a beyond

14

00:01:05,750 --> 00:01:02,640

amazing guest eric mitchell

15

00:01:08,070 --> 00:01:05,760

he has an amazing story he's a guy who

16

00:01:10,469 --> 00:01:08,080

spoke with astronaut edgar mitchell

17

00:01:13,590 --> 00:01:10,479

before his death with frequency and

18

00:01:15,510 --> 00:01:13,600

spoke about ufos and what they mean

19

00:01:17,990 --> 00:01:15,520

when eric mitchell isn't talking to

20

00:01:20,469 --> 00:01:18,000

astronauts he might be discussing ufos

21

00:01:21,910 --> 00:01:20,479

with cia agents or something else along

22

00:01:24,710 --> 00:01:21,920

those lines

23

00:01:27,350 --> 00:01:24,720

eric is an absolutely awesome guy who

24

00:01:29,270 --> 00:01:27,360

had his life changed forever by a series

25

00:01:31,350 --> 00:01:29,280

of strange events

26

00:01:34,230 --> 00:01:31,360

eric's amazing story has gained the

27

00:01:35,190 --> 00:01:34,240

attention of a harvard university study

28

00:01:38,069 --> 00:01:35,200

and

29

00:01:40,870 --> 00:01:38,079

eric has a fantastic documentary

30

00:01:45,910 --> 00:01:40,880

coming out called experencer

31

00:01:51,590 --> 00:01:48,469

i'm very excited and interested about

32

00:01:53,990 --> 00:01:51,600

this groundbreaking harvard study which

33

00:01:55,270 --> 00:01:54,000

will document the mental and physical

34

00:01:57,510 --> 00:01:55,280

anomalies

35

00:02:00,709 --> 00:01:57,520

experiencers tend to demonstrate which

36

00:02:03,830 --> 00:02:00,719

defy traditional science and physics

37

00:02:05,030 --> 00:02:03,840

huge things connecting academia and ufos

38

00:02:07,109 --> 00:02:05,040

right now

39

00:02:10,469 --> 00:02:07,119

and eric is smack dab in the middle of

40

00:02:13,190 --> 00:02:10,479

it all eric mitchell has worked with and

41

00:02:14,390 --> 00:02:13,200

helped ufo organizations and people all

42

00:02:16,949 --> 00:02:14,400

over the world

43

00:02:18,869 --> 00:02:16,959

well over three thousand to date

44

00:02:21,430 --> 00:02:18,879

certainly making him an expert in the

45

00:02:23,910 --> 00:02:21,440

field of ufo advocacy

46

00:02:26,229 --> 00:02:23,920

he has a lot of useful and valuable

47

00:02:27,910 --> 00:02:26,239

information to share with the masses and

48

00:02:30,309 --> 00:02:27,920

to help us all

49

00:02:33,190 --> 00:02:30,319

be better human beings in general

50

00:02:35,670 --> 00:02:33,200

opening up about his own amazing

51
00:02:37,030 --> 00:02:35,680
experiences eric has helped a variety of

52
00:02:40,309 --> 00:02:37,040
others

53
00:02:42,790 --> 00:02:40,319
revealing the mind's connection to

54
00:02:44,150 --> 00:02:42,800
these types of events and what it all

55
00:02:46,150 --> 00:02:44,160
really means

56
00:02:48,550 --> 00:02:46,160
join us going down the rabbit hole with

57
00:02:50,949 --> 00:02:48,560
experiencer eric mitchell as we learn

58
00:02:52,790 --> 00:02:50,959
more about some of the biggest questions

59
00:02:54,710 --> 00:02:52,800
of our time

60
00:02:56,949 --> 00:02:54,720
eric mitchell welcome to the hero

61
00:02:58,470 --> 00:02:56,959
paranormal podcast

62
00:03:00,710 --> 00:02:58,480
well thank you for having me on ryan

63
00:03:02,869 --> 00:03:00,720

it's a pleasure

64

00:03:05,430 --> 00:03:02,879

i've been really excited to talk to you

65

00:03:07,509 --> 00:03:05,440

there's there's so many things that uh i

66

00:03:09,910 --> 00:03:07,519

can't wait to discuss and

67

00:03:11,750 --> 00:03:09,920

it it's just so awesome all the things

68

00:03:15,270 --> 00:03:11,760

that you're involved with

69

00:03:17,910 --> 00:03:15,280

and i don't know where to start um

70

00:03:20,070 --> 00:03:17,920

let's talk about let's see where can we

71

00:03:21,430 --> 00:03:20,080

kick this off

72

00:03:23,990 --> 00:03:21,440

now

73

00:03:26,309 --> 00:03:24,000

eric you had three initial sightings

74

00:03:29,750 --> 00:03:26,319

that i would love to delve into

75

00:03:31,589 --> 00:03:29,760

how's the best way to go about that and

76

00:03:34,949 --> 00:03:31,599

kicking this thing off

77

00:03:37,830 --> 00:03:34,959

well sure i uh i actually

78

00:03:39,910 --> 00:03:37,840

spent 34 years of my life thinking that

79

00:03:41,350 --> 00:03:39,920

people believed in ufos were absolutely

80

00:03:44,830 --> 00:03:41,360

nuts you know

81

00:03:48,789 --> 00:03:44,840

tinfoil hat wearing uh conspiracy

82

00:03:51,190 --> 00:03:48,799

vernon uh growing up uh so

83

00:03:53,350 --> 00:03:51,200

the first time i woke up

84

00:03:55,670 --> 00:03:53,360

just outside of my uh my door which was

85

00:03:58,550 --> 00:03:55,680

strange you know because here i am

86

00:03:59,589 --> 00:03:58,560

outside and uh my left shoulder's facing

87

00:04:01,670 --> 00:03:59,599

the uh

88

00:04:03,830 --> 00:04:01,680

the door and my right shoulder is facing

89

00:04:05,990 --> 00:04:03,840

the uh the end of a short at dead end

90

00:04:07,350 --> 00:04:06,000

street you know it was very uh very

91

00:04:09,030 --> 00:04:07,360

short and

92

00:04:11,350 --> 00:04:09,040

my eyebrows were kind of squeezing

93

00:04:12,390 --> 00:04:11,360

together because i couldn't really

94

00:04:13,990 --> 00:04:12,400

um

95

00:04:15,589 --> 00:04:14,000

ascertain

96

00:04:17,110 --> 00:04:15,599

anything of what i was looking at it

97

00:04:19,670 --> 00:04:17,120

looked like a

98

00:04:22,310 --> 00:04:19,680

40-foot in diameter orange glowing

99

00:04:24,310 --> 00:04:22,320

sphere it looked like the sun it rippled

100

00:04:25,590 --> 00:04:24,320

and uh it was very stationary just off

101
00:04:27,590 --> 00:04:25,600
the ground

102
00:04:30,310 --> 00:04:27,600
and um i must have looked at it for

103
00:04:31,909 --> 00:04:30,320
about 20 minutes just like what is this

104
00:04:32,950 --> 00:04:31,919
and uh you know i went inside left the

105
00:04:35,510 --> 00:04:32,960
door open

106
00:04:36,710 --> 00:04:35,520
i bring some coffee i kept looking and

107
00:04:37,430 --> 00:04:36,720
it was there

108
00:04:38,629 --> 00:04:37,440
so

109
00:04:41,110 --> 00:04:38,639
i thought

110
00:04:43,270 --> 00:04:41,120
you know by sunrise i'd uh you know see

111
00:04:45,350 --> 00:04:43,280
what this optical illusion is and be

112
00:04:48,469 --> 00:04:45,360
able to laugh at myself but

113
00:04:50,150 --> 00:04:48,479

by sunrise i looked out and it was gone

114

00:04:52,790 --> 00:04:50,160

um and that was around 4 30 in the

115

00:04:55,430 --> 00:04:52,800

morning about 9 30 that night i was

116

00:04:57,590 --> 00:04:55,440

pacing my one story building having a

117

00:04:59,110 --> 00:04:57,600

cigarette you know kids in the house

118

00:05:01,430 --> 00:04:59,120

smoke outside

119

00:05:03,510 --> 00:05:01,440

and uh this thing kind of

120

00:05:06,390 --> 00:05:03,520

almost in the same area

121

00:05:08,790 --> 00:05:06,400

just turns on very slowly

122

00:05:11,189 --> 00:05:08,800

not like a light bulb but

123

00:05:12,790 --> 00:05:11,199

very very slowly turns on

124

00:05:14,950 --> 00:05:12,800

and starts moving about two miles an

125

00:05:17,350 --> 00:05:14,960

hour blinking completely off and

126

00:05:19,350 --> 00:05:17,360

completely on and doing like a

127

00:05:21,189 --> 00:05:19,360

horseshoe shape around me as i'm turning

128

00:05:23,430 --> 00:05:21,199

my body watching this thing

129

00:05:25,670 --> 00:05:23,440

um obviously when you see something like

130

00:05:26,710 --> 00:05:25,680

this it gives you that primitive feeling

131

00:05:28,070 --> 00:05:26,720

like you

132

00:05:29,430 --> 00:05:28,080

run into a bear in the woods and you

133

00:05:30,950 --> 00:05:29,440

want to keep your eye on it you know you

134

00:05:32,390 --> 00:05:30,960

don't want to

135

00:05:33,510 --> 00:05:32,400

you know it's showing intelligent

136

00:05:36,390 --> 00:05:33,520

control

137

00:05:37,270 --> 00:05:36,400

uh it's obviously aware that i'm there

138

00:05:42,629 --> 00:05:37,280

and

139

00:05:44,550 --> 00:05:42,639

just above my one story apartment

140

00:05:47,670 --> 00:05:44,560

above my head

141

00:05:50,390 --> 00:05:47,680

just above the door frame there it was

142

00:05:52,870 --> 00:05:50,400

maybe 12 15 feet from my forehead it

143

00:05:54,790 --> 00:05:52,880

flashed twice very quickly and shot away

144

00:05:55,909 --> 00:05:54,800

like a bullet and of course my knees

145

00:05:57,749 --> 00:05:55,919

were locked

146

00:05:59,670 --> 00:05:57,759

my hands were shaking i couldn't even

147

00:06:02,070 --> 00:05:59,680

move i i was just uh

148

00:06:03,270 --> 00:06:02,080

floored but what i was looking at and

149

00:06:04,550 --> 00:06:03,280

and

150

00:06:06,550 --> 00:06:04,560

in none of this

151

00:06:09,670 --> 00:06:06,560

questioning in my brain ever thought of

152

00:06:13,029 --> 00:06:09,680

a ufo because in my mind a ufo would be

153

00:06:14,950 --> 00:06:13,039

like a you know 1950s film with a little

154

00:06:17,590 --> 00:06:14,960

uh you know saucer hanging off the

155

00:06:18,629 --> 00:06:17,600

fishing string yeah so i had no idea

156

00:06:20,710 --> 00:06:18,639

what it was

157

00:06:23,029 --> 00:06:20,720

i had to kind of rule out military

158

00:06:24,309 --> 00:06:23,039

because there's just no way we have that

159

00:06:25,189 --> 00:06:24,319

technology

160

00:06:26,710 --> 00:06:25,199

and

161

00:06:28,550 --> 00:06:26,720

it was incredible

162

00:06:30,150 --> 00:06:28,560

by the next day i was working on my car

163

00:06:31,430 --> 00:06:30,160

with my buddy

164

00:06:33,590 --> 00:06:31,440

and uh

165

00:06:36,469 --> 00:06:33,600

he went to go inside no i knelt down to

166

00:06:38,150 --> 00:06:36,479

tie my shoe and uh i felt this vibration

167

00:06:40,469 --> 00:06:38,160

on the top of my head

168

00:06:42,469 --> 00:06:40,479

and uh like it was so subtle i didn't

169

00:06:45,110 --> 00:06:42,479

think much of it at first and it was

170

00:06:47,110 --> 00:06:45,120

like someone had turned the the volume

171

00:06:50,230 --> 00:06:47,120

up all the way it knocked me to the

172

00:06:51,749 --> 00:06:50,240

ground um i describe it like if you ever

173

00:06:53,430 --> 00:06:51,759

go to a uh

174

00:06:55,110 --> 00:06:53,440

rock and roll concert and stand in front

175

00:06:56,950 --> 00:06:55,120

of the speaker you feel that vibration

176

00:06:59,350 --> 00:06:56,960

bouncing off of you

177

00:07:01,430 --> 00:06:59,360

if you can imagine that times a million

178

00:07:04,390 --> 00:07:01,440

directed at your your head you can feel

179

00:07:07,189 --> 00:07:04,400

it everywhere but directed at your head

180

00:07:09,589 --> 00:07:07,199

i rocked back and forth as if i was a

181

00:07:10,870 --> 00:07:09,599

a magnet you know underneath a stronger

182

00:07:12,950 --> 00:07:10,880

magnet

183

00:07:15,749 --> 00:07:12,960

my vision

184

00:07:17,990 --> 00:07:15,759

was was damaged at a time

185

00:07:20,150 --> 00:07:18,000

i knew i was throwing up

186

00:07:22,070 --> 00:07:20,160

but only because my throat was opening

187

00:07:24,469 --> 00:07:22,080

for a long period of time and and

188

00:07:26,469 --> 00:07:24,479

closing so i knew i was throwing up but

189

00:07:28,710 --> 00:07:26,479

i was just so engulfed

190

00:07:32,390 --> 00:07:28,720

that all i could think is oh my god i'm

191

00:07:34,950 --> 00:07:32,400

being killed that lasted about 12 15

192

00:07:37,189 --> 00:07:34,960

seconds felt like forever

193

00:07:39,670 --> 00:07:37,199

and i pushed myself off the ground i

194

00:07:42,230 --> 00:07:39,680

looked up the object was right above me

195

00:07:44,390 --> 00:07:42,240

and it flashed twice again and shot off

196

00:07:45,909 --> 00:07:44,400

the opposite uh it did you know the

197

00:07:48,150 --> 00:07:45,919

night before

198

00:07:50,469 --> 00:07:48,160

so i know my ear my left ear was

199

00:07:51,990 --> 00:07:50,479

bleeding my nose was bleeding and i had

200

00:07:54,550 --> 00:07:52,000

vomit all over me

201
00:07:56,510 --> 00:07:54,560
and i i know it sounds funny but i laid

202
00:08:00,309 --> 00:07:56,520
there for like 20 minutes it was a

203
00:08:02,070 --> 00:08:00,319
primal um instinct you know not to move

204
00:08:03,909 --> 00:08:02,080
something might see you

205
00:08:06,230 --> 00:08:03,919
try to make it to the door slowly you

206
00:08:09,029 --> 00:08:06,240
know i already seen how fast this thing

207
00:08:10,230 --> 00:08:09,039
was so i had no chance of of making it

208
00:08:12,710 --> 00:08:10,240
to the door

209
00:08:13,909 --> 00:08:12,720
so it took about 20 minutes to actually

210
00:08:16,309 --> 00:08:13,919
go inside

211
00:08:18,390 --> 00:08:16,319
and once i did i i got into the bathroom

212
00:08:20,390 --> 00:08:18,400
floor uh laid there because the tiles

213
00:08:22,869 --> 00:08:20,400

were cold and i was overheated

214

00:08:24,710 --> 00:08:22,879

and uh i passed out

215

00:08:27,830 --> 00:08:24,720

wow that was the uh

216

00:08:29,990 --> 00:08:27,840

usually what i can fit in on doing radio

217

00:08:31,350 --> 00:08:30,000

shows but that was the beginning of a

218

00:08:35,029 --> 00:08:31,360

very long

219

00:08:37,750 --> 00:08:35,039

uh interaction with this thing

220

00:08:41,589 --> 00:08:37,760

amazing it's such an amazing amazing

221

00:08:44,470 --> 00:08:41,599

experience and now

222

00:08:46,710 --> 00:08:44,480

these these sorts of things bring about

223

00:08:48,389 --> 00:08:46,720

brain anomalies and neurological

224

00:08:51,190 --> 00:08:48,399

expansion i guess you could call it of

225

00:08:53,350 --> 00:08:51,200

awareness sometimes don't they

226

00:08:55,670 --> 00:08:53,360

it did um

227

00:08:57,269 --> 00:08:55,680

i guess my investigators and and people

228

00:08:59,670 --> 00:08:57,279

that have kind of screened me uh

229

00:09:01,350 --> 00:08:59,680

psychologically uh in

230

00:09:03,030 --> 00:09:01,360

just about every way

231

00:09:05,670 --> 00:09:03,040

they noticed that you know here i am

232

00:09:06,790 --> 00:09:05,680

this southern guy from arkansas you know

233

00:09:08,870 --> 00:09:06,800

speaking

234

00:09:11,910 --> 00:09:08,880

uh you know very slowly

235

00:09:15,590 --> 00:09:11,920

low vocabulary 110 iq

236

00:09:17,670 --> 00:09:15,600

to rapidly growing into you know 150 iq

237

00:09:20,310 --> 00:09:17,680

losing most of the accent

238

00:09:23,190 --> 00:09:20,320

um and and educating myself uh

239

00:09:24,949 --> 00:09:23,200

constantly i devoured libraries uh when

240

00:09:26,310 --> 00:09:24,959

i should be sleeping i could only sleep

241

00:09:27,910 --> 00:09:26,320

about um

242

00:09:29,910 --> 00:09:27,920

maybe three or four hours a night which

243

00:09:31,430 --> 00:09:29,920

is still to this day

244

00:09:35,110 --> 00:09:31,440

about three or four hours and that's

245

00:09:37,670 --> 00:09:35,120

that's enough to take care of it

246

00:09:39,190 --> 00:09:37,680

so craved information i went through

247

00:09:41,190 --> 00:09:39,200

a lot of people would say that wow

248

00:09:44,870 --> 00:09:41,200

that's amazing but savant syndrome is

249

00:09:47,350 --> 00:09:44,880

very uh uh it's terrible to adjust to

250

00:09:48,790 --> 00:09:47,360

um my hearing was picking up literally

251
00:09:50,389 --> 00:09:48,800
everything and my brain had the

252
00:09:52,710 --> 00:09:50,399
inability to

253
00:09:55,910 --> 00:09:52,720
decipher everything all at once it was

254
00:09:57,990 --> 00:09:55,920
almost like obtaining adhd or

255
00:09:59,670 --> 00:09:58,000
you know being on the spectrum somehow

256
00:10:01,110 --> 00:09:59,680
excuse me but

257
00:10:02,790 --> 00:10:01,120
over time

258
00:10:04,790 --> 00:10:02,800
just like everything you you tend to get

259
00:10:07,670 --> 00:10:04,800
used to it and it became

260
00:10:10,069 --> 00:10:07,680
something very useful for me uh once i

261
00:10:11,269 --> 00:10:10,079
kind of mastered that but

262
00:10:12,550 --> 00:10:11,279
i did

263
00:10:15,350 --> 00:10:12,560

go through

264

00:10:19,670 --> 00:10:17,110

you know i definitely thought i might

265

00:10:21,590 --> 00:10:19,680

have had a you know a brain tumor or

266

00:10:23,190 --> 00:10:21,600

somehow delusional and none of this was

267

00:10:25,110 --> 00:10:23,200

happening even though you know my

268

00:10:27,110 --> 00:10:25,120

neighbors were all over it taking

269

00:10:28,790 --> 00:10:27,120

pictures of these things

270

00:10:29,910 --> 00:10:28,800

you know my investigative team was

271

00:10:32,389 --> 00:10:29,920

conducting

272

00:10:34,949 --> 00:10:32,399

you know investigation uh picking up on

273

00:10:35,990 --> 00:10:34,959

high strangeness high emf the fields in

274

00:10:38,150 --> 00:10:36,000

the area

275

00:10:39,590 --> 00:10:38,160

and uh witness statements and it goes on

276

00:10:41,110 --> 00:10:39,600
and on and on and on with the

277

00:10:42,230 --> 00:10:41,120
investigation they look in every

278

00:10:44,949 --> 00:10:42,240
direction

279

00:10:46,550 --> 00:10:44,959
um they want it submissible which means

280

00:10:48,230 --> 00:10:46,560
you know if i had to go to court over

281

00:10:51,269 --> 00:10:48,240
this and win one day

282

00:10:53,030 --> 00:10:51,279
uh that uh they gathered enough evidence

283

00:10:54,949 --> 00:10:53,040
where it would you know pass before a

284

00:10:57,509 --> 00:10:54,959
judge or a jury

285

00:11:00,870 --> 00:10:57,519
so it was very difficult oftentimes i

286

00:11:03,509 --> 00:11:00,880
don't talk about this but it got so

287

00:11:05,590 --> 00:11:03,519
distracting for myself i would lay down

288

00:11:07,990 --> 00:11:05,600

in the uh the bathtub and turn on the

289

00:11:10,310 --> 00:11:08,000

water and just listen to the uh

290

00:11:12,870 --> 00:11:10,320

individual drops to keep my mind

291

00:11:15,110 --> 00:11:12,880

uh busy you know just to maybe get a

292

00:11:17,190 --> 00:11:15,120

break and subside for a little while i

293

00:11:18,949 --> 00:11:17,200

hear you

294

00:11:21,430 --> 00:11:18,959

wow and

295

00:11:23,430 --> 00:11:21,440

you know experiencers have a variety of

296

00:11:25,350 --> 00:11:23,440

traits that take place

297

00:11:26,870 --> 00:11:25,360

after a scenario like this and

298

00:11:29,430 --> 00:11:26,880

they've been likened to a type of

299

00:11:31,269 --> 00:11:29,440

antenna or person that can serve as a

300

00:11:34,069 --> 00:11:31,279

beacon of sorts to the phenomenon

301

00:11:36,630 --> 00:11:34,079

afterwards is that safe to say

302

00:11:37,990 --> 00:11:36,640

it's very safe to say extremely safe to

303

00:11:39,829 --> 00:11:38,000

say

304

00:11:41,829 --> 00:11:39,839

there are things that are of my opinion

305

00:11:43,910 --> 00:11:41,839

that might make people roll their eyes

306

00:11:45,829 --> 00:11:43,920

until they look into it this

307

00:11:48,710 --> 00:11:45,839

classic blue light that fills up your

308

00:11:51,110 --> 00:11:48,720

bedroom or your car while you're driving

309

00:11:53,190 --> 00:11:51,120

usually you'll see this blue light

310

00:11:55,430 --> 00:11:53,200

witnesses said that when i got knocked

311

00:11:58,310 --> 00:11:55,440

down there was a pencil themed blue

312

00:12:01,269 --> 00:11:58,320

light just hitting the top of my head

313

00:12:03,990 --> 00:12:01,279

so almost every time you see this this

314

00:12:06,069 --> 00:12:04,000

blue light is maybe

315

00:12:08,629 --> 00:12:06,079

it just surely isn't a phenomenon to

316

00:12:10,949 --> 00:12:08,639

light the way for these

317

00:12:13,269 --> 00:12:10,959

craft to uh to go they don't need that

318

00:12:15,670 --> 00:12:13,279

uh this is an interaction of the brain

319

00:12:17,750 --> 00:12:15,680

and this is what i completely believe

320

00:12:19,110 --> 00:12:17,760

um because i've been there done that you

321

00:12:21,750 --> 00:12:19,120

know now

322

00:12:24,550 --> 00:12:21,760

um universities like um you know

323

00:12:27,269 --> 00:12:24,560

stanford university with dr gary nolan

324

00:12:29,190 --> 00:12:27,279

he has studied uh you know the the brain

325

00:12:31,670 --> 00:12:29,200

of the quintessential experiencer and

326

00:12:34,790 --> 00:12:31,680

he's looking and he's finding this uh

327

00:12:38,870 --> 00:12:34,800

cardiopathamin basal ganglia area uh

328

00:12:40,949 --> 00:12:38,880

really firing up and uh it's very much

329

00:12:42,389 --> 00:12:40,959

responsible for empathy

330

00:12:45,030 --> 00:12:42,399

what a lot of people don't believe in

331

00:12:48,870 --> 00:12:45,040

psychic ability we do have that

332

00:12:51,590 --> 00:12:48,880

um and uh so many other uh extraordinary

333

00:12:53,670 --> 00:12:51,600

uh sensory perceptions that uh you know

334

00:12:56,069 --> 00:12:53,680

have been made fun of for you know since

335

00:12:58,150 --> 00:12:56,079

the birth of uh christianity which is

336

00:13:00,069 --> 00:12:58,160

funny because that whole area you don't

337

00:13:02,790 --> 00:13:00,079

find that very particular gene in a

338

00:13:05,670 --> 00:13:02,800

genome it's a big black area

339

00:13:06,470 --> 00:13:05,680

for empaths and psychics and stuff like

340

00:13:07,750 --> 00:13:06,480

that

341

00:13:09,990 --> 00:13:07,760

because they were slaughtered back in

342

00:13:10,790 --> 00:13:10,000

that area you know come to find out but

343

00:13:12,710 --> 00:13:10,800

um

344

00:13:14,870 --> 00:13:12,720

but this particular part of the brain

345

00:13:16,150 --> 00:13:14,880

that fires up

346

00:13:18,310 --> 00:13:16,160

it's

347

00:13:19,829 --> 00:13:18,320

white hot so it looks like a white dead

348

00:13:21,269 --> 00:13:19,839

brain matter to a lot of people that

349

00:13:24,230 --> 00:13:21,279

don't know what they're looking at under

350

00:13:25,590 --> 00:13:24,240

an mri but it's actually

351
00:13:28,629 --> 00:13:25,600
somehow

352
00:13:30,230 --> 00:13:28,639
possesses the ability of non-locality

353
00:13:32,550 --> 00:13:30,240
for instance if

354
00:13:34,389 --> 00:13:32,560
you take a person in a court

355
00:13:35,509 --> 00:13:34,399
coho group that has never had an

356
00:13:36,949 --> 00:13:35,519
experience

357
00:13:39,189 --> 00:13:36,959
and you

358
00:13:41,509 --> 00:13:39,199
take a look at their brain ask them to

359
00:13:43,670 --> 00:13:41,519
solve a question or a puzzle you're

360
00:13:46,150 --> 00:13:43,680
going to see firing of left and right

361
00:13:47,030 --> 00:13:46,160
synopsis going on and off until they

362
00:13:49,030 --> 00:13:47,040
you know

363
00:13:50,389 --> 00:13:49,040

finally decide or make a decision on

364

00:13:52,710 --> 00:13:50,399

this puzzle

365

00:13:55,829 --> 00:13:52,720

what you see with the uh quintessential

366

00:13:56,629 --> 00:13:55,839

experiencer is the caution basal ganglia

367

00:13:59,189 --> 00:13:56,639

or

368

00:14:01,590 --> 00:13:59,199

quote unquote the antenna

369

00:14:03,189 --> 00:14:01,600

it will fire up immediately have the

370

00:14:05,189 --> 00:14:03,199

answer and there's no brain activity

371

00:14:07,670 --> 00:14:05,199

outside of that like

372

00:14:09,670 --> 00:14:07,680

almost like it's asking the universe the

373

00:14:11,509 --> 00:14:09,680

question and it's getting it from the

374

00:14:13,110 --> 00:14:11,519

outside somehow so

375

00:14:13,829 --> 00:14:13,120

you can see where

376

00:14:16,550 --> 00:14:13,839

you

377

00:14:18,710 --> 00:14:16,560

here's the science but here's where

378

00:14:19,590 --> 00:14:18,720

spirituality kind of crosses through how

379

00:14:21,990 --> 00:14:19,600

does

380

00:14:23,910 --> 00:14:22,000

consciousness itself leave the mind and

381

00:14:26,310 --> 00:14:23,920

come back with answers where is it going

382

00:14:28,790 --> 00:14:26,320

how is this operating and the only

383

00:14:31,030 --> 00:14:28,800

placeholder word that's really used for

384

00:14:33,430 --> 00:14:31,040

this is quantum entanglement you know

385

00:14:35,030 --> 00:14:33,440

einstein's spooky action at a distance

386

00:14:37,509 --> 00:14:35,040

you know einstein walked away from it he

387

00:14:39,030 --> 00:14:37,519

didn't like that but uh it's it's a part

388

00:14:40,790 --> 00:14:39,040

of our lives all the time and once we

389

00:14:42,870 --> 00:14:40,800

learn how to utilize it

390

00:14:45,750 --> 00:14:42,880

we won't even recognize

391

00:14:47,030 --> 00:14:45,760

today's technology it'll all be obsolete

392

00:14:49,350 --> 00:14:47,040

but

393

00:14:50,790 --> 00:14:49,360

that's basically how it works there is a

394

00:14:52,310 --> 00:14:50,800

um

395

00:14:53,990 --> 00:14:52,320

a very small instance there's an

396

00:14:56,629 --> 00:14:54,000

electromagnetic wand that the male

397

00:14:59,269 --> 00:14:56,639

clinic has and it's opened up for some

398

00:15:01,350 --> 00:14:59,279

human trials and all animal trials and

399

00:15:03,350 --> 00:15:01,360

you literally hold it three inches over

400

00:15:04,949 --> 00:15:03,360

the brain over the head you don't have

401
00:15:07,910 --> 00:15:04,959
to cut into the skull or anything like

402
00:15:08,710 --> 00:15:07,920
that just wave a wand over the skull

403
00:15:10,069 --> 00:15:08,720
and

404
00:15:11,670 --> 00:15:10,079
you're going to get

405
00:15:14,389 --> 00:15:11,680
you know reaction out of your mental

406
00:15:17,189 --> 00:15:14,399
synopsis because uh consciousness itself

407
00:15:19,990 --> 00:15:17,199
or mental synopsis is basically a tiny

408
00:15:22,150 --> 00:15:20,000
sliver in the electromagnetic field so

409
00:15:24,389 --> 00:15:22,160
once you have an electromagnetic field

410
00:15:26,069 --> 00:15:24,399
that's conducive uh they'll interact at

411
00:15:26,949 --> 00:15:26,079
a distance even if it's only three

412
00:15:29,110 --> 00:15:26,959
inches

413
00:15:32,230 --> 00:15:29,120

but there's no telling how far that can

414

00:15:34,470 --> 00:15:32,240

go if you kind of up the uh up the power

415

00:15:37,430 --> 00:15:34,480

under eegs you're looking at

416

00:15:39,030 --> 00:15:37,440

the average person having a 7.38 hertz

417

00:15:41,430 --> 00:15:39,040

brain

418

00:15:43,590 --> 00:15:41,440

coincidentally the same frequency in in

419

00:15:46,069 --> 00:15:43,600

which dna speaks to each other

420

00:15:47,829 --> 00:15:46,079

when you take a typical experimenter

421

00:15:51,269 --> 00:15:47,839

you're going to look at at least 30

422

00:15:53,030 --> 00:15:51,279

hertz sometimes 50 sometimes 100 these

423

00:15:54,790 --> 00:15:53,040

people meditate a lot they don't have an

424

00:15:55,990 --> 00:15:54,800

inner dialogue you know bothering them

425

00:15:58,389 --> 00:15:56,000

all the time

426

00:16:00,629 --> 00:15:58,399

and uh i was recording actually in a

427

00:16:05,110 --> 00:16:00,639

nashville recording studio

428

00:16:08,150 --> 00:16:05,120

uh at 1 590 hertz uh at will when i was

429

00:16:10,230 --> 00:16:08,160

asked to do so whoa that's uh

430

00:16:12,069 --> 00:16:10,240

pretty impressive for for everybody once

431

00:16:15,189 --> 00:16:12,079

they ran diagnostics and figured out it

432

00:16:17,110 --> 00:16:15,199

was actually me doing that yeah

433

00:16:18,470 --> 00:16:17,120

for sure

434

00:16:22,069 --> 00:16:18,480

yeah and uh

435

00:16:23,749 --> 00:16:22,079

so i i can take up the whole show on on

436

00:16:27,910 --> 00:16:23,759

you know how all this stuff works but

437

00:16:29,910 --> 00:16:27,920

it's basically that it's amazing

438

00:16:31,749 --> 00:16:29,920

let's get into the quantum entanglement

439

00:16:34,710 --> 00:16:31,759

that's just fascinates me a little bit

440

00:16:36,550 --> 00:16:34,720

and how people know how to look up or

441

00:16:38,069 --> 00:16:36,560

know when to look up and interact with

442

00:16:40,389 --> 00:16:38,079

these things

443

00:16:42,949 --> 00:16:40,399

that's exactly right i in the very

444

00:16:45,269 --> 00:16:42,959

beginning i did reach out to ufology

445

00:16:47,590 --> 00:16:45,279

which is essentially a business you know

446

00:16:49,749 --> 00:16:47,600

if you're not uh if you're not in it to

447

00:16:51,749 --> 00:16:49,759

make money or something like that it's

448

00:16:54,150 --> 00:16:51,759

really not a direction you need to go if

449

00:16:55,670 --> 00:16:54,160

you have uh an experience especially if

450

00:16:57,269 --> 00:16:55,680

you're being studied

451
00:16:58,389 --> 00:16:57,279
um

452
00:17:00,389 --> 00:16:58,399
you kind of

453
00:17:01,590 --> 00:17:00,399
want to make use out of that

454
00:17:03,590 --> 00:17:01,600
you know and

455
00:17:05,429 --> 00:17:03,600
i really didn't want to talk about

456
00:17:07,909 --> 00:17:05,439
you know the actual things that happened

457
00:17:09,990 --> 00:17:07,919
to me because they just sounded too woo

458
00:17:12,630 --> 00:17:10,000
you know i wanted science to explain

459
00:17:14,630 --> 00:17:12,640
that um how in the world do i feel like

460
00:17:15,669 --> 00:17:14,640
a magnet scooting across the ground left

461
00:17:18,470 --> 00:17:15,679
and right

462
00:17:20,390 --> 00:17:18,480
when you know i'm i'm not a magnet

463
00:17:23,669 --> 00:17:20,400

you know the the answer to that is you

464

00:17:25,590 --> 00:17:23,679

know the uh um the iron in your blood is

465

00:17:26,470 --> 00:17:25,600

actually negatively charged

466

00:17:27,909 --> 00:17:26,480

so

467

00:17:29,590 --> 00:17:27,919

if you have a high pulsing

468

00:17:31,190 --> 00:17:29,600

electromagnetic field you're going to

469

00:17:32,710 --> 00:17:31,200

feel like you're being pushed away from

470

00:17:35,270 --> 00:17:32,720

it you are going to be pushed away from

471

00:17:37,510 --> 00:17:35,280

it uh the burns on my skin or just a you

472

00:17:38,390 --> 00:17:37,520

know where it kind of

473

00:17:41,350 --> 00:17:38,400

um

474

00:17:42,870 --> 00:17:41,360

has the lift of the the positive charge

475

00:17:43,909 --> 00:17:42,880

and the burns on the skin only last a

476

00:17:46,310 --> 00:17:43,919

few days

477

00:17:48,950 --> 00:17:46,320

um a lot of scientists that work with uh

478

00:17:50,470 --> 00:17:48,960

high-powered magnets or electromagnetism

479

00:17:51,990 --> 00:17:50,480

know to protect their eyes because it

480

00:17:54,310 --> 00:17:52,000

will push and pull on your eyes at the

481

00:17:56,549 --> 00:17:54,320

same time and you end up wearing reading

482

00:17:59,110 --> 00:17:56,559

glasses uh which is what i wear now

483

00:18:01,430 --> 00:17:59,120

because of the uh the incident so

484

00:18:02,950 --> 00:18:01,440

it left a lot of evidence behind i was

485

00:18:04,549 --> 00:18:02,960

just too afraid to talk about things

486

00:18:07,190 --> 00:18:04,559

that didn't make sense

487

00:18:08,710 --> 00:18:07,200

um but uh gosh

488

00:18:09,830 --> 00:18:08,720

i'm trying not to go too many different

489

00:18:11,750 --> 00:18:09,840

directions

490

00:18:12,549 --> 00:18:11,760

i'd love to not answer your question but

491

00:18:15,110 --> 00:18:12,559

uh

492

00:18:18,150 --> 00:18:15,120

um what was your question again

493

00:18:19,909 --> 00:18:18,160

yeah no you you nailed it um basically

494

00:18:22,310 --> 00:18:19,919

you know how these

495

00:18:24,470 --> 00:18:22,320

variety this is exactly kind of what i

496

00:18:26,310 --> 00:18:24,480

wanted to get into um can we talk about

497

00:18:29,990 --> 00:18:26,320

your vision and how it was manipulated

498

00:18:30,000 --> 00:18:34,630

excuse me

499

00:18:34,640 --> 00:18:39,190

sorry about that that time of year yeah

500

00:18:42,310 --> 00:18:40,710

yeah yeah i mean

501
00:18:43,750 --> 00:18:42,320
what specifically would you want to look

502
00:18:45,909 --> 00:18:43,760
at i mean

503
00:18:47,430 --> 00:18:45,919
as far as an optometrist

504
00:18:49,350 --> 00:18:47,440
they would tell you

505
00:18:50,870 --> 00:18:49,360
what happened did you stay close to a

506
00:18:52,310 --> 00:18:50,880
big magnet

507
00:18:54,789 --> 00:18:52,320
you know i've been

508
00:18:55,909 --> 00:18:54,799
20 20 my whole life it was actually hard

509
00:19:03,510 --> 00:18:55,919
to

510
00:19:05,270 --> 00:19:03,520
a band-aid if you will and they worked

511
00:19:07,750 --> 00:19:05,280
they worked perfectly i can see far away

512
00:19:09,590 --> 00:19:07,760
and up close it's amazing

513
00:19:12,150 --> 00:19:09,600

just five dollar

514

00:19:14,549 --> 00:19:12,160

reading glasses that's so cool

515

00:19:15,830 --> 00:19:14,559

yeah that's i'm just fascinated by that

516

00:19:18,390 --> 00:19:15,840

and

517

00:19:20,710 --> 00:19:18,400

you've had some amazing experiences kind

518

00:19:22,470 --> 00:19:20,720

of getting well into the military

519

00:19:25,190 --> 00:19:22,480

involvement which may have been

520

00:19:26,470 --> 00:19:25,200

monitoring or engaging with ufos can we

521

00:19:28,390 --> 00:19:26,480

get into that

522

00:19:30,070 --> 00:19:28,400

a little bit maybe silent helicopters

523

00:19:32,390 --> 00:19:30,080

and other stuff

524

00:19:35,750 --> 00:19:32,400

sure i mean there was a lot going on at

525

00:19:37,350 --> 00:19:35,760

the same time so i'd love to throw just

526

00:19:39,590 --> 00:19:37,360

a timeline down

527

00:19:41,029 --> 00:19:39,600

but while this is happening 10 other

528

00:19:43,110 --> 00:19:41,039

things are happening you know so it's

529

00:19:45,430 --> 00:19:43,120

really difficult to

530

00:19:47,430 --> 00:19:45,440

you know put together

531

00:19:50,470 --> 00:19:47,440

everything all at once but my neighbor

532

00:19:53,350 --> 00:19:50,480

debbie uh sweet older lady

533

00:19:54,870 --> 00:19:53,360

she cleaned out uh lakeshore condos um

534

00:19:57,270 --> 00:19:54,880

you know uh

535

00:19:59,270 --> 00:19:57,280

rooms you know adding soaps changing the

536

00:20:02,149 --> 00:19:59,280

seats sheets and

537

00:20:03,029 --> 00:20:02,159

um she went into this man's room

538

00:20:05,110 --> 00:20:03,039

and

539

00:20:07,430 --> 00:20:05,120

she'd already noted the guy was arrogant

540

00:20:09,029 --> 00:20:07,440

and really really rude

541

00:20:11,029 --> 00:20:09,039

but there were developed pictures of me

542

00:20:13,190 --> 00:20:11,039

and my kids all over his bed and there

543

00:20:14,950 --> 00:20:13,200

was a ledger on the nightstand and she

544

00:20:16,710 --> 00:20:14,960

read it too i mean it was everything

545

00:20:18,870 --> 00:20:16,720

that we did going to walmart playing in

546

00:20:20,870 --> 00:20:18,880

the park going swimming

547

00:20:23,590 --> 00:20:20,880

watching movies what movie we actually

548

00:20:25,669 --> 00:20:23,600

went into it was creepy dang and you

549

00:20:27,830 --> 00:20:25,679

know she called me up and my first

550

00:20:29,750 --> 00:20:27,840

thought was i have two teenage daughters

551

00:20:31,830 --> 00:20:29,760

you know we got us a creeper on our

552

00:20:33,909 --> 00:20:31,840

hands yep but um

553

00:20:35,590 --> 00:20:33,919

i told debbie i said hang up the phone

554

00:20:37,029 --> 00:20:35,600

go to the office get that man's name i

555

00:20:38,870 --> 00:20:37,039

want his name now

556

00:20:41,990 --> 00:20:38,880

so she calls me back and she said it was

557

00:20:44,310 --> 00:20:42,000

lieutenant colonel dallas he would

558

00:20:47,110 --> 00:20:44,320

so i called my investigator i let him

559

00:20:48,950 --> 00:20:47,120

know he dug up five faces for

560

00:20:50,230 --> 00:20:48,960

to pick out in a lineup and she picked

561

00:20:51,909 --> 00:20:50,240

out the one that worked in the

562

00:20:54,070 --> 00:20:51,919

department of foreign relations foreign

563

00:20:56,870 --> 00:20:54,080

technologies and several other

564

00:20:58,549 --> 00:20:56,880

um you know projects and um this was the

565

00:21:00,549 --> 00:20:58,559

guy to uh

566

00:21:02,710 --> 00:21:00,559

to be stalking me and my kids

567

00:21:04,630 --> 00:21:02,720

so you know there were i think the first

568

00:21:07,350 --> 00:21:04,640

time a helicopter showed up

569

00:21:09,029 --> 00:21:07,360

uh myself uh dan dan was at uh

570

00:21:11,350 --> 00:21:09,039

wright-patterson air force base for

571

00:21:13,669 --> 00:21:11,360

eight years he did two terms uh served

572

00:21:15,830 --> 00:21:13,679

in the air force and um he moved home

573

00:21:17,430 --> 00:21:15,840

with his wife right across from me so we

574

00:21:20,710 --> 00:21:17,440

became good friends

575

00:21:23,029 --> 00:21:20,720

and um we're bellied up to my cadillac

576

00:21:25,430 --> 00:21:23,039

and this thing you really can't

577

00:21:27,590 --> 00:21:25,440

look away from it i mean it's just it's

578

00:21:28,950 --> 00:21:27,600

such a marvel that you can't your brain

579

00:21:31,190 --> 00:21:28,960

can't even believe it's right in front

580

00:21:33,350 --> 00:21:31,200

of you but it was below the tree line

581

00:21:35,669 --> 00:21:33,360

i could have taken off a shoe and threw

582

00:21:38,390 --> 00:21:35,679

it and hit it that's how close it was so

583

00:21:40,070 --> 00:21:38,400

we're just kind of bellied up to the car

584

00:21:42,310 --> 00:21:40,080

and we didn't even hear this helicopter

585

00:21:44,149 --> 00:21:42,320

coming from behind us but as soon as it

586

00:21:46,470 --> 00:21:44,159

broke the tree line you can hear it and

587

00:21:48,390 --> 00:21:46,480

it dipped down the object immediately

588

00:21:49,990 --> 00:21:48,400

took off otherwise i wouldn't have

589

00:21:51,510 --> 00:21:50,000

turned around to look at a helicopter

590

00:21:53,190 --> 00:21:51,520

right behind me you know i mean there's

591

00:21:54,870 --> 00:21:53,200

no way i'll take my chances with the

592

00:21:56,870 --> 00:21:54,880

chopper

593

00:21:57,750 --> 00:21:56,880

but this thing just took off like a

594

00:21:59,669 --> 00:21:57,760

bullet

595

00:22:01,990 --> 00:21:59,679

almost like they've met before you know

596

00:22:03,430 --> 00:22:02,000

and uh we turned around i was holding my

597

00:22:05,350 --> 00:22:03,440

hat on my head

598

00:22:06,710 --> 00:22:05,360

um and this guy looked like he was just

599

00:22:08,390 --> 00:22:06,720

gonna land right there in the street i

600

00:22:10,549 --> 00:22:08,400

mean he was just above the street you

601
00:22:13,190 --> 00:22:10,559
can see the windshield you can see the

602
00:22:14,149 --> 00:22:13,200
big goggles on his face his his chin his

603
00:22:15,190 --> 00:22:14,159
nose

604
00:22:17,990 --> 00:22:15,200
um

605
00:22:20,950 --> 00:22:18,000
he spotlighted us uh right in our face i

606
00:22:22,549 --> 00:22:20,960
mean it was like a point-blank spotlight

607
00:22:24,310 --> 00:22:22,559
uh and then he took the spotlight went

608
00:22:26,149 --> 00:22:24,320
up and down the street and then kind of

609
00:22:28,789 --> 00:22:26,159
in the yard across the street i guess

610
00:22:30,710 --> 00:22:28,799
looking for maybe other witnesses

611
00:22:31,750 --> 00:22:30,720
and he rose up and went back over the

612
00:22:33,750 --> 00:22:31,760
trees

613
00:22:35,990 --> 00:22:33,760

and uh i immediately told my daughter i

614

00:22:37,990 --> 00:22:36,000

said sweetheart the military knows go

615

00:22:39,909 --> 00:22:38,000

inside brew some coffee we're gonna get

616

00:22:42,870 --> 00:22:39,919

some answers tonight you know because

617

00:22:45,270 --> 00:22:42,880

that's what happens in the movies but uh

618

00:22:47,909 --> 00:22:45,280

how it really happens is uh people in

619

00:22:49,669 --> 00:22:47,919

the cia pull a um

620

00:22:51,590 --> 00:22:49,679

what is that called domestic

621

00:22:54,710 --> 00:22:51,600

intelligence report and that's just a

622

00:22:57,510 --> 00:22:54,720

basic report to file out so they can

623

00:22:59,190 --> 00:22:57,520

literally spy on an american citizen you

624

00:23:01,750 --> 00:22:59,200

know they have the right to do that now

625

00:23:03,830 --> 00:23:01,760

apparently right and um so they kind of

626

00:23:07,190 --> 00:23:03,840

monitor you from a distance really

627

00:23:08,789 --> 00:23:07,200

we had a couple of recruiters they said

628

00:23:10,789 --> 00:23:08,799

there were recruiters i knocked on my

629

00:23:12,310 --> 00:23:10,799

door when i wasn't home

630

00:23:15,830 --> 00:23:12,320

went inside

631

00:23:18,870 --> 00:23:15,840

with two underage females which is a pr

632

00:23:20,470 --> 00:23:18,880

no no you don't do that if you represent

633

00:23:22,870 --> 00:23:20,480

the military you don't even get on an

634

00:23:25,270 --> 00:23:22,880

elevator with an underage female

635

00:23:27,830 --> 00:23:25,280

just leaves room for for whatever might

636

00:23:29,830 --> 00:23:27,840

happen you know as far as rumor or just

637

00:23:32,230 --> 00:23:29,840

something just don't do it because you

638

00:23:34,310 --> 00:23:32,240

represent you know armed forces

639

00:23:36,070 --> 00:23:34,320

um one of them went down the hallway and

640

00:23:38,149 --> 00:23:36,080

said he had to go to the bathroom and

641

00:23:39,909 --> 00:23:38,159

the other one kept the other two busy

642

00:23:41,750 --> 00:23:39,919

now recruiters always give you cards

643

00:23:43,590 --> 00:23:41,760

names phone numbers they'll give you a

644

00:23:45,190 --> 00:23:43,600

laptop if you let them

645

00:23:47,430 --> 00:23:45,200

but

646

00:23:48,470 --> 00:23:47,440

my daughter got a little a little shaken

647

00:23:51,269 --> 00:23:48,480

and she went down the hallway and

648

00:23:52,789 --> 00:23:51,279

noticed the bathroom door was open and

649

00:23:55,590 --> 00:23:52,799

the light was off there was nobody in

650

00:23:57,990 --> 00:23:55,600

there so she walked into my room and

651
00:23:59,909 --> 00:23:58,000
this man was going through my desk and

652
00:24:01,350 --> 00:23:59,919
uh and she said what are you doing in my

653
00:24:03,190 --> 00:24:01,360
dad's room and he said well i was in

654
00:24:05,590 --> 00:24:03,200
here just i saw a kitty and i wanted to

655
00:24:07,750 --> 00:24:05,600
pet it and uh they immediately kind of

656
00:24:09,269 --> 00:24:07,760
scrambled and left meanwhile dan's

657
00:24:11,990 --> 00:24:09,279
calling me at work saying something's

658
00:24:13,430 --> 00:24:12,000
wrong because they parked their vehicle

659
00:24:15,990 --> 00:24:13,440
way down at the end of the street the

660
00:24:17,669 --> 00:24:16,000
mailboxes walked to your front door and

661
00:24:19,510 --> 00:24:17,679
closed the door when they went in there

662
00:24:21,750 --> 00:24:19,520
with your daughters he said son this is

663
00:24:23,990 --> 00:24:21,760

not how they act something's wrong here

664

00:24:24,870 --> 00:24:24,000

so by the time i rushed home

665

00:24:26,630 --> 00:24:24,880

um

666

00:24:29,269 --> 00:24:26,640

they were gone already

667

00:24:30,870 --> 00:24:29,279

i was angry as you can imagine ryan so i

668

00:24:32,789 --> 00:24:30,880

went straight to all the recruiting

669

00:24:34,549 --> 00:24:32,799

offices they're all right next door to

670

00:24:37,830 --> 00:24:34,559

each other and i went looking for these

671

00:24:40,549 --> 00:24:37,840

men and they did not work um you know

672

00:24:42,870 --> 00:24:40,559

for recruiting officers right so i have

673

00:24:46,630 --> 00:24:42,880

no idea who they were but later on we

674

00:24:47,590 --> 00:24:46,640

did find a gps uh tracking device in my

675

00:24:49,909 --> 00:24:47,600

desk

676

00:24:52,310 --> 00:24:49,919

um it was in the drawer and it was kind

677

00:24:54,549 --> 00:24:52,320

of had like a sticky on it

678

00:24:56,870 --> 00:24:54,559

uh taped up underneath

679

00:24:58,470 --> 00:24:56,880

and uh there was another one found

680

00:25:00,710 --> 00:24:58,480

underneath my uh

681

00:25:02,870 --> 00:25:00,720

you know my driver's seat car

682

00:25:04,950 --> 00:25:02,880

my son had dropped a game boy

683

00:25:07,029 --> 00:25:04,960

rolled under the seat he retrieved it

684

00:25:08,390 --> 00:25:07,039

and then grabbed the uh the chip

685

00:25:10,630 --> 00:25:08,400

and he said dad this is a tracking

686

00:25:11,990 --> 00:25:10,640

device well my son was like 10 years old

687

00:25:13,830 --> 00:25:12,000

at the time i'm laughing at him i said

688

00:25:16,310 --> 00:25:13,840

you know you're playing too many video

689

00:25:18,789 --> 00:25:16,320

games and he said no i know what this is

690

00:25:20,549 --> 00:25:18,799

so he took it upon himself to send it to

691

00:25:22,310 --> 00:25:20,559

my investigator because i didn't think

692

00:25:26,789 --> 00:25:22,320

much of it and it turned out to be a

693

00:25:28,630 --> 00:25:26,799

late 1940s early 1950s tracking device

694

00:25:31,029 --> 00:25:28,640

when i called my investigator i can

695

00:25:33,190 --> 00:25:31,039

understand one being in my vehicle but

696

00:25:34,870 --> 00:25:33,200

why would one be in my debt he said eric

697

00:25:36,950 --> 00:25:34,880

if you ever move they'd find out about

698

00:25:38,230 --> 00:25:36,960

it that way so i mean i guess that kind

699

00:25:41,350 --> 00:25:38,240

of makes sense

700

00:25:44,149 --> 00:25:41,360

but uh it was extremely invasive it made

701

00:25:46,950 --> 00:25:44,159

me uh incredibly angry

702

00:25:49,269 --> 00:25:46,960

um with my countrymen with the people

703

00:25:51,029 --> 00:25:49,279

that take the oath to uh protect and

704

00:25:53,269 --> 00:25:51,039

serve their people

705

00:25:56,390 --> 00:25:53,279

and not treat them like lab rats but

706

00:25:58,149 --> 00:25:56,400

eventually that's uh that's how it works

707

00:26:01,830 --> 00:25:58,159

yeah man

708

00:26:03,029 --> 00:26:01,840

wild is so wild and

709

00:26:05,430 --> 00:26:03,039

now

710

00:26:06,310 --> 00:26:05,440

your your neighbors my understanding is

711

00:26:08,310 --> 00:26:06,320

you were

712

00:26:11,269 --> 00:26:08,320

one of the last if not the last to leave

713

00:26:13,909 --> 00:26:11,279

this particular area is that true

714

00:26:15,510 --> 00:26:13,919

yeah yeah with the activity helicopters

715

00:26:16,950 --> 00:26:15,520

all that stuff

716

00:26:19,750 --> 00:26:16,960

people

717

00:26:21,029 --> 00:26:19,760

they were freaked out

718

00:26:23,110 --> 00:26:21,039

there were

719

00:26:24,870 --> 00:26:23,120

an awful lot of people

720

00:26:26,710 --> 00:26:24,880

moving very quickly you know people that

721

00:26:29,669 --> 00:26:26,720

couldn't even afford it

722

00:26:31,590 --> 00:26:29,679

and uh there was also people um you know

723

00:26:33,990 --> 00:26:31,600

since i lived in a small town in

724

00:26:36,230 --> 00:26:34,000

arkansas they were all kind of gathering

725

00:26:37,190 --> 00:26:36,240

out there you know maybe 20 30 people at

726
00:26:39,430 --> 00:26:37,200
a time

727
00:26:41,190 --> 00:26:39,440
uh once people started talking they

728
00:26:42,789 --> 00:26:41,200
wanted to see what this was

729
00:26:45,510 --> 00:26:42,799
so they would pull up in their vehicles

730
00:26:48,070 --> 00:26:45,520
and just kind of wait and fair enough on

731
00:26:50,149 --> 00:26:48,080
an almost nightly basis it would show up

732
00:26:51,990 --> 00:26:50,159
not in the sky but but literally in the

733
00:26:53,590 --> 00:26:52,000
yard so

734
00:26:56,310 --> 00:26:53,600
there was interaction

735
00:26:58,950 --> 00:26:56,320
a lot of people got scared from that

736
00:27:00,470 --> 00:26:58,960
the church asked me to stop coming

737
00:27:02,950 --> 00:27:00,480
there was a uh

738
00:27:05,350 --> 00:27:02,960

a big rumor going around that i was

739

00:27:07,510 --> 00:27:05,360

calling the devil down from the sky

740

00:27:10,310 --> 00:27:07,520

and uh it scared a lot of people i live

741

00:27:11,990 --> 00:27:10,320

in a bible belt so this is why you know

742

00:27:13,669 --> 00:27:12,000

religious people

743

00:27:16,870 --> 00:27:13,679

kind of took things you know that

744

00:27:19,269 --> 00:27:16,880

direction but i would know i'd be

745

00:27:20,950 --> 00:27:19,279

just in my house doing whatever

746

00:27:22,630 --> 00:27:20,960

whatever it is i'm doing and i'd drop

747

00:27:23,669 --> 00:27:22,640

everything and just go straight to the

748

00:27:25,190 --> 00:27:23,679

door

749

00:27:27,269 --> 00:27:25,200

because i would feel that connection i

750

00:27:28,149 --> 00:27:27,279

would feel you know what direction it

751
00:27:30,070 --> 00:27:28,159
was

752
00:27:32,549 --> 00:27:30,080
and you know it's not surprising to me

753
00:27:34,549 --> 00:27:32,559
that a lot of people that have sightings

754
00:27:35,990 --> 00:27:34,559
will say that they'll say

755
00:27:36,789 --> 00:27:36,000
i just thought to look up and there it

756
00:27:39,350 --> 00:27:36,799
was

757
00:27:41,269 --> 00:27:39,360
um that's no mistake you know the

758
00:27:43,110 --> 00:27:41,279
there's a big sky out there and if you

759
00:27:43,909 --> 00:27:43,120
know what direction to look every single

760
00:27:45,510 --> 00:27:43,919
time

761
00:27:47,350 --> 00:27:45,520
there's probably something else going on

762
00:27:49,510 --> 00:27:47,360
that you you probably wouldn't fully

763
00:27:50,470 --> 00:27:49,520

understand

764

00:27:53,110 --> 00:27:50,480

man

765

00:27:55,750 --> 00:27:53,120

it's it's always occurred to me that it

766

00:27:57,669 --> 00:27:55,760

is somewhat of a spiritual kind of genre

767

00:27:59,590 --> 00:27:57,679

would you consider ufo activity as

768

00:28:01,029 --> 00:27:59,600

somewhat spiritual phenomenon in some

769

00:28:02,710 --> 00:28:01,039

sense

770

00:28:05,590 --> 00:28:02,720

well the feeling by definition

771

00:28:06,389 --> 00:28:05,600

absolutely yeah i mean absolutely

772

00:28:07,830 --> 00:28:06,399

um

773

00:28:10,870 --> 00:28:07,840

you know and there is a big fight what

774

00:28:14,710 --> 00:28:10,880

if it is a a biblical type of thing

775

00:28:16,789 --> 00:28:14,720

or what if it's an alien type of thing

776

00:28:17,830 --> 00:28:16,799

i would be surprised if it's just that

777

00:28:19,110 --> 00:28:17,840

simple

778

00:28:21,350 --> 00:28:19,120

you know i think it's a lot more

779

00:28:23,350 --> 00:28:21,360

complicated than that

780

00:28:25,830 --> 00:28:23,360

um you know it could be a part of the

781

00:28:26,870 --> 00:28:25,840

symbian circle that has just uh eluded

782

00:28:28,710 --> 00:28:26,880

us for

783

00:28:30,389 --> 00:28:28,720

thousands of years even though

784

00:28:33,510 --> 00:28:30,399

everywhere you look in religion you see

785

00:28:35,430 --> 00:28:33,520

these um these orange blowing spheres

786

00:28:37,669 --> 00:28:35,440

what if you were to look at

787

00:28:39,430 --> 00:28:37,679

our bible and see these saints every

788

00:28:41,430 --> 00:28:39,440

saint you see has this orange blowing

789

00:28:43,110 --> 00:28:41,440

sphere behind their head yeah some

790

00:28:44,789 --> 00:28:43,120

people might argue that that's a halo

791

00:28:46,789 --> 00:28:44,799

but it's depicted several different

792

00:28:49,990 --> 00:28:46,799

times differently in the bible

793

00:28:52,230 --> 00:28:50,000

um amun ra you know

794

00:28:56,310 --> 00:28:52,240

this god of egypt was absolutely

795

00:28:59,990 --> 00:28:58,870

one of the gods of egypt and uh you know

796

00:29:01,990 --> 00:29:00,000

it was seen

797

00:29:02,870 --> 00:29:02,000

quite often it was a marked down quite

798

00:29:05,909 --> 00:29:02,880

often

799

00:29:07,830 --> 00:29:05,919

uh you go over to india uh you go to

800

00:29:09,110 --> 00:29:07,840

china i mean everywhere you go you see

801
00:29:11,190 --> 00:29:09,120
the same thing

802
00:29:12,710 --> 00:29:11,200
um but what does it mean you know what

803
00:29:13,750 --> 00:29:12,720
is it

804
00:29:15,430 --> 00:29:13,760
yeah

805
00:29:18,149 --> 00:29:15,440
it does seem like the west is a little

806
00:29:19,590 --> 00:29:18,159
bit slow learning in some of these uh

807
00:29:22,230 --> 00:29:19,600
some of these things

808
00:29:23,750 --> 00:29:22,240
let's let's talk about

809
00:29:25,590 --> 00:29:23,760
well i guess let's get into it let's

810
00:29:27,669 --> 00:29:25,600
talk about the fifth floor the aviary

811
00:29:30,070 --> 00:29:27,679
guys and yeah i'm asking about

812
00:29:31,909 --> 00:29:30,080
the cia can we get into a little bit of

813
00:29:35,190 --> 00:29:31,919

that

814

00:29:37,350 --> 00:29:35,200

yeah well i looked into um

815

00:29:38,389 --> 00:29:37,360

i think i think i made some people angry

816

00:29:41,909 --> 00:29:38,399

but you know

817

00:29:44,310 --> 00:29:41,919

hey whatever but uh i did i was spending

818

00:29:46,549 --> 00:29:44,320

time i was uh sick at the time and i was

819

00:29:48,549 --> 00:29:46,559

spending time with uh audrey hughes from

820

00:29:50,789 --> 00:29:48,559

uh starborn support

821

00:29:52,230 --> 00:29:50,799

and i showed her my lead on this guy in

822

00:29:53,990 --> 00:29:52,240

the pentagon

823

00:29:57,110 --> 00:29:54,000

and we started digging up everything on

824

00:29:59,430 --> 00:29:57,120

him and and we came across

825

00:30:01,669 --> 00:29:59,440

uh this thing called ossap a thing

826

00:30:03,669 --> 00:30:01,679

called atip and a thing called uh the

827

00:30:06,470 --> 00:30:03,679

phenomenology death

828

00:30:09,430 --> 00:30:06,480

and it was very elusive and these people

829

00:30:12,549 --> 00:30:09,440

uh would have conversations with bird

830

00:30:14,389 --> 00:30:12,559

names like uh blue jay or owl and uh

831

00:30:17,110 --> 00:30:14,399

they were called the aviary and these

832

00:30:18,630 --> 00:30:17,120

are i guess what people would call the

833

00:30:19,830 --> 00:30:18,640

the men in black

834

00:30:22,389 --> 00:30:19,840

um

835

00:30:24,310 --> 00:30:22,399

maybe so it's our it's our cia officials

836

00:30:25,510 --> 00:30:24,320

that look into these types of things um

837

00:30:26,789 --> 00:30:25,520

a-tip was

838

00:30:27,669 --> 00:30:26,799

just to see if these things were a

839

00:30:30,470 --> 00:30:27,679

threat

840

00:30:33,110 --> 00:30:30,480

and uh that was just a compartmentalized

841

00:30:35,190 --> 00:30:33,120

need to know type of uh framework uh the

842

00:30:37,669 --> 00:30:35,200

phenomenology desk

843

00:30:39,990 --> 00:30:37,679

is on the fifth floor of the pentagon

844

00:30:41,909 --> 00:30:40,000

and uh i know it's called a desk uh

845

00:30:43,430 --> 00:30:41,919

that's kind of throw people off you

846

00:30:45,110 --> 00:30:43,440

would expect to see

847

00:30:47,269 --> 00:30:45,120

one or two people behind a desk but

848

00:30:48,950 --> 00:30:47,279

these are about 200 people that have

849

00:30:50,389 --> 00:30:48,960

been highly active in the subject for

850

00:30:51,510 --> 00:30:50,399

decades now

851
00:30:52,470 --> 00:30:51,520
and

852
00:30:54,230 --> 00:30:52,480
they

853
00:30:56,310 --> 00:30:54,240
operate various ways

854
00:30:58,950 --> 00:30:56,320
i had a friend of mine help me put the

855
00:31:01,669 --> 00:30:58,960
names and dossiers on the uh on google

856
00:31:04,470 --> 00:31:01,679
so people can look that up and

857
00:31:05,750 --> 00:31:04,480
hopefully it's not taken down again but

858
00:31:08,549 --> 00:31:05,760
it does have

859
00:31:11,590 --> 00:31:08,559
you know like a blue jay would be uh

860
00:31:13,430 --> 00:31:11,600
geneticist his name was uh christopher

861
00:31:14,230 --> 00:31:13,440
dr christopher greene

862
00:31:15,990 --> 00:31:14,240
um

863
00:31:19,029 --> 00:31:16,000

you know and it has a dossier of his

864

00:31:20,710 --> 00:31:19,039

career at one time he was the the head

865

00:31:23,110 --> 00:31:20,720

of

866

00:31:25,269 --> 00:31:23,120

the phenomenology desk but

867

00:31:27,830 --> 00:31:25,279

he's since gone retired and uh he's

868

00:31:30,389 --> 00:31:27,840

actually doing oversight at stanford

869

00:31:31,990 --> 00:31:30,399

university on experienter studies so

870

00:31:34,789 --> 00:31:32,000

when people say that our officials

871

00:31:37,110 --> 00:31:34,799

aren't uh interested in

872

00:31:38,789 --> 00:31:37,120

in people like me they're dead wrong

873

00:31:40,710 --> 00:31:38,799

they just want to keep everything hush

874

00:31:41,330 --> 00:31:40,720

up right

875

00:31:42,549 --> 00:31:41,340

so true

876

00:31:43,990 --> 00:31:42,559

[Music]

877

00:31:45,909 --> 00:31:44,000

and

878

00:31:48,149 --> 00:31:45,919

can we get into the group of elite

879

00:31:49,669 --> 00:31:48,159

scientists who advise the united states

880

00:31:53,830 --> 00:31:49,679

government on matters of science and

881

00:31:57,909 --> 00:31:56,070

well there's there's a lot of groups i'm

882

00:32:00,630 --> 00:31:57,919

not sure specifically which one you're

883

00:32:01,430 --> 00:32:00,640

talking about maybe the jason society or

884

00:32:03,909 --> 00:32:01,440

yep

885

00:32:06,070 --> 00:32:03,919

exactly yes sir

886

00:32:09,269 --> 00:32:06,080

yeah jason is uh

887

00:32:11,590 --> 00:32:09,279

um i haven't met any of them but i had

888

00:32:13,190 --> 00:32:11,600

high suspicion that they were involved

889

00:32:15,430 --> 00:32:13,200

in this subject i mean you want to take

890

00:32:17,590 --> 00:32:15,440

the the smartest advisors in the world

891

00:32:18,950 --> 00:32:17,600

and leave them out of a national

892

00:32:21,590 --> 00:32:18,960

security subject that would be

893

00:32:23,590 --> 00:32:21,600

absolutely nuts so

894

00:32:26,710 --> 00:32:23,600

but they're actually named after

895

00:32:29,909 --> 00:32:26,720

july august september october november

896

00:32:32,630 --> 00:32:29,919

i.e jason and uh those are the times of

897

00:32:33,750 --> 00:32:32,640

years they they actually all meet up and

898

00:32:34,710 --> 00:32:33,760

discuss

899

00:32:35,909 --> 00:32:34,720

uh

900

00:32:37,830 --> 00:32:35,919

you know

901
00:32:39,029 --> 00:32:37,840
all the things that uh

902
00:32:40,710 --> 00:32:39,039
pertain to

903
00:32:42,470 --> 00:32:40,720
um

904
00:32:43,509 --> 00:32:42,480
many different subjects you know climate

905
00:32:46,310 --> 00:32:43,519
change

906
00:32:49,190 --> 00:32:46,320
uh ufology itself and and so many other

907
00:32:50,789 --> 00:32:49,200
things and uh i've been in high suspect

908
00:32:51,509 --> 00:32:50,799
that uh they've been involved with the

909
00:32:53,909 --> 00:32:51,519
uh

910
00:32:55,990 --> 00:32:53,919
phenomenology desk for

911
00:32:57,269 --> 00:32:56,000
for at least a couple of decades now but

912
00:33:00,149 --> 00:32:57,279
uh pretty much some of the smartest

913
00:33:02,070 --> 00:33:00,159

people you'll you'll meet yeah

914

00:33:04,149 --> 00:33:02,080

um

915

00:33:06,310 --> 00:33:04,159

so cool we we do have to have these

916

00:33:08,630 --> 00:33:06,320

things you know a lot of times we'll

917

00:33:11,269 --> 00:33:08,640

bring a philosopher from another country

918

00:33:13,029 --> 00:33:11,279

and sit them down in a a

919

00:33:14,549 --> 00:33:13,039

a skiff and

920

00:33:16,070 --> 00:33:14,559

just have their

921

00:33:17,750 --> 00:33:16,080

um of course you have a lot of

922

00:33:19,509 --> 00:33:17,760

scientists you know neuroscience

923

00:33:21,350 --> 00:33:19,519

scientists psychologists you have all

924

00:33:22,230 --> 00:33:21,360

these things but even a philosopher can

925

00:33:24,710 --> 00:33:22,240

look at

926
00:33:26,870 --> 00:33:24,720
these upcoming problems that we have

927
00:33:28,870 --> 00:33:26,880
uh countrywide and worldwide and and

928
00:33:30,310 --> 00:33:28,880
maybe give their two cents and i mean

929
00:33:31,269 --> 00:33:30,320
that's how these

930
00:33:33,190 --> 00:33:31,279
um

931
00:33:34,470 --> 00:33:33,200
you know these types of meetings work

932
00:33:36,470 --> 00:33:34,480
but uh

933
00:33:38,870 --> 00:33:36,480
um i think it's

934
00:33:40,149 --> 00:33:38,880
just incredible how little they have

935
00:33:42,870 --> 00:33:40,159
found out

936
00:33:43,909 --> 00:33:42,880
about um our visitors

937
00:33:45,430 --> 00:33:43,919
right

938
00:33:47,669 --> 00:33:45,440

so true

939

00:33:49,350 --> 00:33:47,679

and yeah i'm i'm with you i'm kind of a

940

00:33:52,549 --> 00:33:49,360

big fan of it as well i mean it's

941

00:33:54,230 --> 00:33:52,559

something it's an expansion of things

942

00:33:56,149 --> 00:33:54,240

that we need to look into and i mean

943

00:33:58,710 --> 00:33:56,159

consciousness is really at the center of

944

00:34:03,830 --> 00:34:02,070

it is it's a big deal

945

00:34:06,070 --> 00:34:03,840

it's huge i mean

946

00:34:08,790 --> 00:34:06,080

every hundred years we believe we've

947

00:34:11,109 --> 00:34:08,800

reached the the pinnacle of humanity

948

00:34:12,710 --> 00:34:11,119

you know maybe we can vent a couple of

949

00:34:14,950 --> 00:34:12,720

more things in the next 10 years but

950

00:34:16,550 --> 00:34:14,960

right now we're at the pinnacle of

951
00:34:19,109 --> 00:34:16,560
you know humanity and every hundred

952
00:34:21,430 --> 00:34:19,119
years we're wrong we're absolutely wrong

953
00:34:23,589 --> 00:34:21,440
and it's foolish to think uh you know

954
00:34:25,990 --> 00:34:23,599
that we're not going to

955
00:34:27,669 --> 00:34:26,000
step into this i mean right now

956
00:34:30,470 --> 00:34:27,679
whether people notice this or not

957
00:34:31,990 --> 00:34:30,480
disclosure is happening in

958
00:34:33,349 --> 00:34:32,000
what they call a weathering

959
00:34:35,030 --> 00:34:33,359
quote-unquote

960
00:34:36,389 --> 00:34:35,040
and the weathering is a very slow

961
00:34:39,589 --> 00:34:36,399
integration

962
00:34:42,389 --> 00:34:39,599
of so many different aspects into the

963
00:34:44,389 --> 00:34:42,399

public in a very slow cycling type of

964

00:34:46,950 --> 00:34:44,399

way where it doesn't upset too many

965

00:34:49,030 --> 00:34:46,960

people and maybe intrigues them into

966

00:34:50,790 --> 00:34:49,040

looking into the fact that maybe it's

967

00:34:52,149 --> 00:34:50,800

their idea that they're looking into

968

00:34:54,389 --> 00:34:52,159

this type of thing

969

00:34:57,270 --> 00:34:54,399

um you know which is

970

00:34:59,589 --> 00:34:57,280

obviously an operation but

971

00:35:01,510 --> 00:34:59,599

i was pulled aside

972

00:35:03,349 --> 00:35:01,520

to meet with

973

00:35:05,109 --> 00:35:03,359

i was living with travis walton at the

974

00:35:06,790 --> 00:35:05,119

time and audrey hewitt

975

00:35:08,550 --> 00:35:06,800

uh he lives in snowflake of course

976

00:35:11,190 --> 00:35:08,560

arizona but he moved in with me and

977

00:35:13,190 --> 00:35:11,200

audrey because they had fallen in love

978

00:35:15,510 --> 00:35:13,200

and um so we were doing a lot of this

979

00:35:17,430 --> 00:35:15,520

work back then and you know hanging out

980

00:35:19,670 --> 00:35:17,440

cutting up just being friends

981

00:35:21,349 --> 00:35:19,680

um but we are invited to the i don't

982

00:35:24,670 --> 00:35:21,359

know if you've heard the allagash twins

983

00:35:28,630 --> 00:35:24,680

uh jack and jim weiner yeah yeah

984

00:35:30,550 --> 00:35:28,640

1972 allagash abduction maine

985

00:35:33,750 --> 00:35:30,560

those poor guys i mean it was great to

986

00:35:35,670 --> 00:35:33,760

meet them um we we did eventually go out

987

00:35:37,109 --> 00:35:35,680

and meet with this guy bob

988

00:35:39,670 --> 00:35:37,119

and um

989

00:35:41,270 --> 00:35:39,680

he pulled out a 8x10 manila envelope and

990

00:35:43,030 --> 00:35:41,280

said have you guys seen anything like

991

00:35:44,950 --> 00:35:43,040

this and i can tell it was gun camera

992

00:35:49,430 --> 00:35:44,960

footage well

993

00:35:51,750 --> 00:35:49,440

so i pulled out my 2013 uh flip phone

994

00:35:52,870 --> 00:35:51,760

hey i'm i'm in my 40s you know i didn't

995

00:35:54,630 --> 00:35:52,880

want to

996

00:35:57,349 --> 00:35:54,640

get into the whole smartphone thing but

997

00:35:58,710 --> 00:35:57,359

uh i eventually did i hear you but uh i

998

00:36:01,190 --> 00:35:58,720

pulled out my little flip phone and

999

00:36:03,030 --> 00:36:01,200

showed him a better picture than he had

1000

00:36:05,670 --> 00:36:03,040

and you know he tells me he said do you

1001
00:36:06,950 --> 00:36:05,680
you mean to tell me that my 15 million

1002
00:36:11,829 --> 00:36:06,960
dollar

1003
00:36:14,150 --> 00:36:11,839
camera can't get a better picture than

1004
00:36:16,710 --> 00:36:14,160
you you know and i said well there's a

1005
00:36:17,910 --> 00:36:16,720
difference between chasing it in the sky

1006
00:36:20,310 --> 00:36:17,920
and this thing looking like it's going

1007
00:36:23,030 --> 00:36:20,320
to land in your yard you know

1008
00:36:25,190 --> 00:36:23,040
um but he was upset about it

1009
00:36:27,589 --> 00:36:25,200
and he immediately wanted to you know go

1010
00:36:29,589 --> 00:36:27,599
outside and talk and here i am in the

1011
00:36:31,270 --> 00:36:29,599
woods there's a cabin

1012
00:36:33,510 --> 00:36:31,280
and i'm following this intelligence

1013
00:36:36,630 --> 00:36:33,520

officer with a gun on his hip into the

1014

00:36:38,310 --> 00:36:36,640

woods you know and that i gotta say i

1015

00:36:40,630 --> 00:36:38,320

didn't feel too smart at that moment you

1016

00:36:42,710 --> 00:36:40,640

know i'm thinking oh my god you know

1017

00:36:46,069 --> 00:36:42,720

because he did seem really upset

1018

00:36:48,390 --> 00:36:46,079

and he did he told me in 2017

1019

00:36:51,190 --> 00:36:48,400

that they were going to have a

1020

00:36:53,910 --> 00:36:51,200

new york time release and um you know

1021

00:36:56,230 --> 00:36:53,920

disclosure is going to start

1022

00:36:57,990 --> 00:36:56,240

the hard part about that and it really

1023

00:37:00,150 --> 00:36:58,000

bothered him i could tell

1024

00:37:02,630 --> 00:37:00,160

was that it was going to be pushed for a

1025

00:37:05,109 --> 00:37:02,640

war type agenda a war against the green

1026
00:37:05,990 --> 00:37:05,119
bug he said people like you with a solid

1027
00:37:07,750 --> 00:37:06,000
case

1028
00:37:09,990 --> 00:37:07,760
know what you're talking about need to

1029
00:37:10,870 --> 00:37:10,000
get out there and and combat this

1030
00:37:12,950 --> 00:37:10,880
because

1031
00:37:15,670 --> 00:37:12,960
uh they're gonna want people to vote on

1032
00:37:16,950 --> 00:37:15,680
this type of uh interstellar war he said

1033
00:37:19,829 --> 00:37:16,960
it's wrong

1034
00:37:21,109 --> 00:37:19,839
and i asked him i said bob what

1035
00:37:23,990 --> 00:37:21,119
what kind of

1036
00:37:26,069 --> 00:37:24,000
twisted mind would look at this subject

1037
00:37:27,670 --> 00:37:26,079
and think let's just go to war we don't

1038
00:37:29,270 --> 00:37:27,680

know anything about it let's go to war

1039

00:37:30,950 --> 00:37:29,280

exactly and he said eric you know when

1040

00:37:32,630 --> 00:37:30,960

your mind's shaped like a hammer every

1041

00:37:35,030 --> 00:37:32,640

problem has to look like a nail that's

1042

00:37:37,109 --> 00:37:35,040

just their our only way of thinking

1043

00:37:39,109 --> 00:37:37,119

you know it's the military

1044

00:37:39,910 --> 00:37:39,119

and i thought oh my god you know that's

1045

00:37:45,589 --> 00:37:39,920

just

1046

00:37:49,990 --> 00:37:45,599

it makes sense to them

1047

00:37:50,870 --> 00:37:50,000

but um but yeah bob i believe past of uh

1048

00:37:53,349 --> 00:37:50,880

uh

1049

00:37:55,270 --> 00:37:53,359

colon cancer about five five or six

1050

00:37:58,069 --> 00:37:55,280

months later after that i didn't know

1051

00:38:00,390 --> 00:37:58,079

until recently when i looked him up but

1052

00:38:03,510 --> 00:38:00,400

it was unfortunate but he seemed to be

1053

00:38:06,230 --> 00:38:03,520

uh one of the only really good patriots

1054

00:38:08,470 --> 00:38:06,240

um that were really passionate about uh

1055

00:38:10,630 --> 00:38:08,480

not making this about war and uh coming

1056

00:38:12,390 --> 00:38:10,640

forward with uh disclosure

1057

00:38:14,310 --> 00:38:12,400

for sure

1058

00:38:17,109 --> 00:38:14,320

and you know we've been hearing about

1059

00:38:19,990 --> 00:38:17,119

this type of thing ever since werner von

1060

00:38:23,349 --> 00:38:20,000

braun and project bluebeam and i mean

1061

00:38:25,829 --> 00:38:23,359

this is not new but it it does seem that

1062

00:38:29,109 --> 00:38:25,839

disclosure has been a very long slow

1063

00:38:31,030 --> 00:38:29,119

process and that would make sense

1064

00:38:34,390 --> 00:38:31,040

i wanted i wanted to get a little bit

1065

00:38:36,790 --> 00:38:34,400

into um the piezoelectric effects and

1066

00:38:39,270 --> 00:38:36,800

the crystalline structure of the pineal

1067

00:38:41,430 --> 00:38:39,280

gland and you're able to actually make a

1068

00:38:43,990 --> 00:38:41,440

sound with your brain which has actually

1069

00:38:46,470 --> 00:38:44,000

been recorded and proven can we get into

1070

00:38:47,910 --> 00:38:46,480

the logistics of that a little bit yeah

1071

00:38:49,829 --> 00:38:47,920

this is the part where your audience

1072

00:38:53,030 --> 00:38:49,839

rolls their eyes i think it's awesome

1073

00:38:55,430 --> 00:38:53,040

yeah i don't like to uh you know

1074

00:38:58,230 --> 00:38:55,440

talk about it until unless i'm in front

1075

00:39:00,470 --> 00:38:58,240

of uh in front of the actual person but

1076

00:39:02,230 --> 00:39:00,480

yeah yeah i guess there's enough samples

1077

00:39:04,950 --> 00:39:02,240

out there where people can uh check it

1078

00:39:07,030 --> 00:39:04,960

out on youtube and maybe debunk or do

1079

00:39:07,829 --> 00:39:07,040

what they want to do but it is actually

1080

00:39:09,430 --> 00:39:07,839

real

1081

00:39:10,390 --> 00:39:09,440

it happened to me after i got knocked

1082

00:39:11,990 --> 00:39:10,400

down

1083

00:39:12,870 --> 00:39:12,000

it was one of the reasons why i thought

1084

00:39:15,750 --> 00:39:12,880

maybe

1085

00:39:17,829 --> 00:39:15,760

i had some sort of a tumor or brain

1086

00:39:20,390 --> 00:39:17,839

problem injury

1087

00:39:22,790 --> 00:39:20,400

come to find out that

1088

00:39:24,310 --> 00:39:22,800

i slipped into

1089

00:39:27,270 --> 00:39:24,320

what you might call a

1090

00:39:29,030 --> 00:39:27,280

kundalini experience where

1091

00:39:31,349 --> 00:39:29,040

things became very spiritual for me i

1092

00:39:33,670 --> 00:39:31,359

didn't put on a robe and shave my head

1093

00:39:35,270 --> 00:39:33,680

and you know walk around all funny i'm

1094

00:39:36,870 --> 00:39:35,280

an american i'm gonna eat my hamburgers

1095

00:39:39,829 --> 00:39:36,880

and bacon and

1096

00:39:42,069 --> 00:39:39,839

drink my soda but uh i i did i learned

1097

00:39:43,030 --> 00:39:42,079

how to meditate and kind of tap into

1098

00:39:44,950 --> 00:39:43,040

things

1099

00:39:46,230 --> 00:39:44,960

that i never thought possible i i was

1100

00:39:47,990 --> 00:39:46,240

just amazed

1101

00:39:49,910 --> 00:39:48,000

by all of that but

1102

00:39:52,230 --> 00:39:49,920

being able to you know tap into that

1103

00:39:53,510 --> 00:39:52,240

code of containment basal ganglia

1104

00:39:56,710 --> 00:39:53,520

and

1105

00:39:59,670 --> 00:39:56,720

really rock the antenna you can hear it

1106

00:40:00,950 --> 00:39:59,680

audibly uh with a microphone you know or

1107

00:40:03,349 --> 00:40:00,960

if you want to listen to it with a

1108

00:40:05,109 --> 00:40:03,359

stethoscope or

1109

00:40:06,230 --> 00:40:05,119

even if i just put my forehead on your

1110

00:40:08,230 --> 00:40:06,240

forehead

1111

00:40:10,710 --> 00:40:08,240

uh you'll be able to feel it

1112

00:40:11,589 --> 00:40:10,720

per second and the control is actually

1113

00:40:13,910 --> 00:40:11,599

better

1114

00:40:16,550 --> 00:40:13,920

than i use my own voice so

1115

00:40:18,550 --> 00:40:16,560

um it's uh it's pretty cool it's fun i

1116

00:40:20,230 --> 00:40:18,560

listen to music add to it

1117

00:40:23,510 --> 00:40:20,240

you know stuff like that

1118

00:40:25,349 --> 00:40:23,520

but um but yeah it's going to take a lot

1119

00:40:27,349 --> 00:40:25,359

of money and a lot of study

1120

00:40:29,109 --> 00:40:27,359

to find out

1121

00:40:31,670 --> 00:40:29,119

how deep this really goes you know

1122

00:40:33,589 --> 00:40:31,680

because most experiencers are pushing

1123

00:40:34,630 --> 00:40:33,599

out about 30 hertz they're not aware of

1124

00:40:38,950 --> 00:40:34,640

it

1125

00:40:40,550 --> 00:40:38,960

get a high enough electromagnetic field

1126
00:40:43,670 --> 00:40:40,560
and your consciousness there and it's

1127
00:40:46,390 --> 00:40:43,680
really going uh you'd be able to uh to

1128
00:40:48,470 --> 00:40:46,400
access that and

1129
00:40:51,349 --> 00:40:48,480
i've seen enough doctors look at me like

1130
00:40:54,710 --> 00:40:51,359
a green bug and i i still don't have a

1131
00:40:56,790 --> 00:40:54,720
diagnosis so it's got to be

1132
00:40:59,910 --> 00:40:56,800
one of these special access programs or

1133
00:41:01,829 --> 00:40:59,920
universities because i do i hound

1134
00:41:03,670 --> 00:41:01,839
universities to uh look into this

1135
00:41:07,430 --> 00:41:03,680
subject

1136
00:41:10,309 --> 00:41:07,440
so frustrating ryan to know the truth

1137
00:41:12,390 --> 00:41:10,319
live in it you know yeah and

1138
00:41:14,150 --> 00:41:12,400

try to contact these academics and say

1139

00:41:15,430 --> 00:41:14,160

look you know but once your foot gets in

1140

00:41:17,589 --> 00:41:15,440

the door

1141

00:41:19,190 --> 00:41:17,599

you know with a major university what

1142

00:41:21,430 --> 00:41:19,200

you can do is you can play that and say

1143

00:41:23,349 --> 00:41:21,440

you know what uh this university over

1144

00:41:24,790 --> 00:41:23,359

here in texas you know they're way ahead

1145

00:41:26,950 --> 00:41:24,800

of you and you're not even looking into

1146

00:41:28,390 --> 00:41:26,960

it here's some files take a look you

1147

00:41:31,430 --> 00:41:28,400

know for sure and that kind of makes

1148

00:41:33,270 --> 00:41:31,440

them jealous because they love to

1149

00:41:35,670 --> 00:41:33,280

be competitive with one another you know

1150

00:41:37,430 --> 00:41:35,680

as far as universities so um

1151

00:41:39,270 --> 00:41:37,440

that's been helpful a lot

1152

00:41:41,190 --> 00:41:39,280

and uh i've been able to give

1153

00:41:42,790 --> 00:41:41,200

information where

1154

00:41:44,470 --> 00:41:42,800

it it kind of

1155

00:41:46,069 --> 00:41:44,480

dives off and it stops and they're like

1156

00:41:47,910 --> 00:41:46,079

well we found a lot of cool stuff but

1157

00:41:49,589 --> 00:41:47,920

where do we go from here and i i can say

1158

00:41:50,630 --> 00:41:49,599

well okay let's let's look at this part

1159

00:41:52,790 --> 00:41:50,640

of the brain

1160

00:41:54,390 --> 00:41:52,800

and see why this is possible so i'm kind

1161

00:41:56,870 --> 00:41:54,400

of taking myself

1162

00:41:58,950 --> 00:41:56,880

and essentially back engineering so i

1163

00:42:00,550 --> 00:41:58,960

can find out the answers and science can

1164

00:42:03,109 --> 00:42:00,560

too maybe it'll be in uh you know

1165

00:42:05,190 --> 00:42:03,119

history books for kids one day

1166

00:42:07,510 --> 00:42:05,200

i think so i know

1167

00:42:09,670 --> 00:42:07,520

that it should be i know disclosure has

1168

00:42:11,910 --> 00:42:09,680

to be slow because

1169

00:42:13,589 --> 00:42:11,920

the way it hit me i was a skeptic i

1170

00:42:15,270 --> 00:42:13,599

didn't believe in that stuff never even

1171

00:42:17,510 --> 00:42:15,280

looked into the subject

1172

00:42:19,829 --> 00:42:17,520

and it just destroyed my world view

1173

00:42:22,390 --> 00:42:19,839

overnight so that's really destructive i

1174

00:42:25,910 --> 00:42:22,400

mean that's um that's edging towards

1175

00:42:27,990 --> 00:42:25,920

suicide that's edging toward you know um

1176
00:42:28,790 --> 00:42:28,000
full-blown depression and all kinds of

1177
00:42:30,550 --> 00:42:28,800
things

1178
00:42:33,910 --> 00:42:30,560
and it's been a really rough road for me

1179
00:42:36,309 --> 00:42:33,920
to accept these things and uh i gotta

1180
00:42:38,390 --> 00:42:36,319
say i still have that skeptical snap in

1181
00:42:40,870 --> 00:42:38,400
the back of my mind um

1182
00:42:44,470 --> 00:42:40,880
that i just leave files in until i see

1183
00:42:46,630 --> 00:42:44,480
proof evidence documents something um

1184
00:42:47,910 --> 00:42:46,640
but uh but yeah i mean in the very

1185
00:42:50,470 --> 00:42:47,920
beginning

1186
00:42:52,390 --> 00:42:50,480
all i wanted to know was the truth and

1187
00:42:55,270 --> 00:42:52,400
yeah youtube ology is not the best way

1188
00:42:57,829 --> 00:42:55,280

to go about that but um

1189

00:43:00,150 --> 00:42:57,839

but yeah i've dug and dug and dug i've

1190

00:43:01,990 --> 00:43:00,160

read every document i can get my hands

1191

00:43:04,710 --> 00:43:02,000

on sometimes i'll go to a conference and

1192

00:43:06,470 --> 00:43:04,720

do a talk and uh

1193

00:43:08,630 --> 00:43:06,480

almost every time somebody will ask me

1194

00:43:10,470 --> 00:43:08,640

to go to their room you know a

1195

00:43:12,710 --> 00:43:10,480

high official or something like that and

1196

00:43:14,390 --> 00:43:12,720

show me some documents they have ndas

1197

00:43:16,309 --> 00:43:14,400

they can't talk about this kind of stuff

1198

00:43:18,790 --> 00:43:16,319

but uh but i can

1199

00:43:20,069 --> 00:43:18,800

so going over and and being able to meet

1200

00:43:21,990 --> 00:43:20,079

these people and

1201
00:43:23,750 --> 00:43:22,000
looking at some of this uh information

1202
00:43:24,950 --> 00:43:23,760
is just mind-blowing

1203
00:43:27,589 --> 00:43:24,960
yeah

1204
00:43:29,270 --> 00:43:27,599
and it's it like you said it's it's very

1205
00:43:30,470 --> 00:43:29,280
immersive like when it

1206
00:43:32,950 --> 00:43:30,480
it it's

1207
00:43:35,109 --> 00:43:32,960
it really just takes hold of of

1208
00:43:37,750 --> 00:43:35,119
experiencers and

1209
00:43:39,190 --> 00:43:37,760
let's get into um

1210
00:43:41,270 --> 00:43:39,200
something that fascinates me which is

1211
00:43:44,390 --> 00:43:41,280
the egyptian correlations to the brain i

1212
00:43:46,950 --> 00:43:44,400
find it amazing uh some of the

1213
00:43:48,150 --> 00:43:46,960

uh the chambers the pineal gland etc can

1214

00:43:49,670 --> 00:43:48,160

you explain that a little bit to

1215

00:43:52,150 --> 00:43:49,680

listeners

1216

00:43:53,510 --> 00:43:52,160

i you know i it would have to be

1217

00:43:55,430 --> 00:43:53,520

speculation

1218

00:43:58,230 --> 00:43:55,440

but the way you see the piezoelectric

1219

00:44:00,470 --> 00:43:58,240

effect going on in the pineal gland and

1220

00:44:01,589 --> 00:44:00,480

reaching out to the catapultamen basal

1221

00:44:04,390 --> 00:44:01,599

ganglia

1222

00:44:05,750 --> 00:44:04,400

it almost reminds you of the

1223

00:44:07,589 --> 00:44:05,760

the same

1224

00:44:10,710 --> 00:44:07,599

technological setting

1225

00:44:12,630 --> 00:44:10,720

of the pyramids itself because you have

1226

00:44:14,150 --> 00:44:12,640

the king and queen's chamber they're

1227

00:44:16,550 --> 00:44:14,160

reaching out

1228

00:44:18,150 --> 00:44:16,560

um you know you have this water

1229

00:44:19,589 --> 00:44:18,160

underneath which there's water

1230

00:44:21,589 --> 00:44:19,599

circulation of the brain you have

1231

00:44:23,670 --> 00:44:21,599

horus's eye which is exactly what the

1232

00:44:25,990 --> 00:44:23,680

pineal setting looks like

1233

00:44:27,030 --> 00:44:26,000

and uh it's all kind of painting a

1234

00:44:29,670 --> 00:44:27,040

picture

1235

00:44:31,430 --> 00:44:29,680

just just from my side of the fence yeah

1236

00:44:32,470 --> 00:44:31,440

because of everything i've seen and been

1237

00:44:34,150 --> 00:44:32,480

through

1238

00:44:35,670 --> 00:44:34,160

and can experience

1239

00:44:38,309 --> 00:44:35,680

that that

1240

00:44:41,030 --> 00:44:38,319

this thing it looks more like a machine

1241

00:44:43,510 --> 00:44:41,040

of of consciousness than than anything

1242

00:44:45,750 --> 00:44:43,520

ever proposed to me before

1243

00:44:47,349 --> 00:44:45,760

um honestly it's still a mystery you

1244

00:44:49,349 --> 00:44:47,359

know but uh

1245

00:44:50,470 --> 00:44:49,359

you know looking at it uh

1246

00:44:52,790 --> 00:44:50,480

believe it or not

1247

00:44:55,270 --> 00:44:52,800

i don't really converse a whole lot with

1248

00:44:58,069 --> 00:44:55,280

ufologists i talk to archaeologists i

1249

00:45:00,950 --> 00:44:58,079

talk to quantum physicists i talk to uh

1250

00:45:02,870 --> 00:45:00,960

um botany experts i mean it's incredible

1251

00:45:06,230 --> 00:45:02,880

what you learn about nature right and

1252

00:45:08,950 --> 00:45:06,240

the possibility that this is a natural

1253

00:45:10,309 --> 00:45:08,960

symbiotic circle somehow and we just now

1254

00:45:11,990 --> 00:45:10,319

really

1255

00:45:14,069 --> 00:45:12,000

started to begin to accept it as a

1256

00:45:16,150 --> 00:45:14,079

western society um

1257

00:45:18,470 --> 00:45:16,160

but um but you've got to look at it in

1258

00:45:20,790 --> 00:45:18,480

every direction possible because you

1259

00:45:22,630 --> 00:45:20,800

might uh you might miss you know the

1260

00:45:23,750 --> 00:45:22,640

most important detail and trying to

1261

00:45:26,069 --> 00:45:23,760

understand

1262

00:45:27,670 --> 00:45:26,079

absolutely one certain thing i know for

1263

00:45:29,990 --> 00:45:27,680

sure is we're not alone

1264

00:45:32,309 --> 00:45:30,000

you know i don't know where they're from

1265

00:45:34,790 --> 00:45:32,319

i know they've been here for a long time

1266

00:45:36,870 --> 00:45:34,800

uh and i don't know their names or or

1267

00:45:37,750 --> 00:45:36,880

what species they are i know people like

1268

00:45:40,309 --> 00:45:37,760

to

1269

00:45:43,109 --> 00:45:40,319

call call them grays or or what have you

1270

00:45:45,589 --> 00:45:43,119

but uh they're definitely not pretty and

1271

00:45:48,309 --> 00:45:45,599

uh they have technology that looks like

1272

00:45:50,470 --> 00:45:48,319

magic to us

1273

00:45:52,630 --> 00:45:50,480

and i i think i'm with you eric i think

1274

00:45:54,470 --> 00:45:52,640

so much gets lost in the semantics when

1275

00:45:56,790 --> 00:45:54,480

people start naming it and trying to

1276

00:45:58,550 --> 00:45:56,800

argue about what and you know

1277

00:45:59,589 --> 00:45:58,560

that type of thing

1278

00:46:01,430 --> 00:45:59,599

um

1279

00:46:03,030 --> 00:46:01,440

kind of heading back a little bit in

1280

00:46:07,910 --> 00:46:03,040

time

1281

00:46:09,670 --> 00:46:07,920

mitchell uh what interesting information

1282

00:46:11,270 --> 00:46:09,680

was he able to share with you before he

1283

00:46:12,870 --> 00:46:11,280

passed that would have been an amazing

1284

00:46:15,670 --> 00:46:12,880

experience

1285

00:46:17,990 --> 00:46:15,680

oh man you know believe it or not

1286

00:46:19,750 --> 00:46:18,000

we were working on

1287

00:46:24,230 --> 00:46:19,760

um the beginning of the free

1288

00:46:27,750 --> 00:46:24,240

organization um and i first met um

1289

00:46:30,390 --> 00:46:27,760

um josh ray hernandez

1290

00:46:32,790 --> 00:46:30,400

amazing man you know great guy you want

1291

00:46:35,510 --> 00:46:32,800

to talk about a go-getter uh this man

1292

00:46:38,150 --> 00:46:35,520

will work and and not sleep constantly

1293

00:46:40,150 --> 00:46:38,160

and and get done what he needs to do

1294

00:46:41,829 --> 00:46:40,160

i'm surprised he's only a tax lawyer

1295

00:46:44,710 --> 00:46:41,839

because you know he belongs in a place

1296

00:46:45,990 --> 00:46:44,720

where all his gifts can kind of come out

1297

00:46:48,470 --> 00:46:46,000

but

1298

00:46:50,550 --> 00:46:48,480

i did say that i would uh you know

1299

00:46:52,309 --> 00:46:50,560

maybe consult or just be there you know

1300

00:46:53,829 --> 00:46:52,319

during meetings and stuff like that so i

1301

00:46:56,150 --> 00:46:53,839

got to know edgar

1302

00:46:58,950 --> 00:46:56,160

and on tuesday nights he'd call me up

1303

00:47:01,190 --> 00:46:58,960

and say you got your scotch and uh

1304

00:47:03,030 --> 00:47:01,200

of course i you know i'm pretty much

1305

00:47:05,829 --> 00:47:03,040

broke i spend all my time you know

1306

00:47:07,990 --> 00:47:05,839

helping people like myself and uh spend

1307

00:47:09,430 --> 00:47:08,000

very little time at work just enough to

1308

00:47:11,589 --> 00:47:09,440

pay the bills and maybe some ramen

1309

00:47:13,750 --> 00:47:11,599

noodles you know so yeah i would always

1310

00:47:15,670 --> 00:47:13,760

have my scotch but guys

1311

00:47:18,309 --> 00:47:15,680

be honest it was a beer

1312

00:47:19,190 --> 00:47:18,319

sure sure

1313

00:47:20,069 --> 00:47:19,200

but

1314

00:47:24,630 --> 00:47:20,079

we

1315

00:47:27,349 --> 00:47:24,640

honestly didn't

1316

00:47:28,309 --> 00:47:27,359

speak a whole lot about ufos we really

1317

00:47:29,109 --> 00:47:28,319

didn't

1318

00:47:30,309 --> 00:47:29,119

when

1319

00:47:31,190 --> 00:47:30,319

edgar

1320

00:47:33,270 --> 00:47:31,200

first

1321

00:47:35,670 --> 00:47:33,280

once once his rocket actually made it

1322

00:47:37,430 --> 00:47:35,680

into space outside of the atmosphere and

1323

00:47:38,470 --> 00:47:37,440

everything calmed down

1324

00:47:40,230 --> 00:47:38,480

because it was

1325

00:47:43,990 --> 00:47:40,240

really hectic on the way up everything's

1326
00:47:46,069 --> 00:47:44,000
shaking and rattling a very scary thing

1327
00:47:47,589 --> 00:47:46,079
but astronauts trained so well for that

1328
00:47:49,270 --> 00:47:47,599
that you know they stay calm and

1329
00:47:50,390 --> 00:47:49,280
everything's fine but once everything

1330
00:47:52,230 --> 00:47:50,400
cleared

1331
00:47:55,030 --> 00:47:52,240
and he was in the calmness of space he

1332
00:47:56,150 --> 00:47:55,040
just looked back into that porthole

1333
00:47:58,549 --> 00:47:56,160
and

1334
00:48:02,230 --> 00:47:58,559
realized the ridiculousness of this this

1335
00:48:03,910 --> 00:48:02,240
beautiful blue natural planet in this

1336
00:48:05,670 --> 00:48:03,920
infinite space and then we have all

1337
00:48:07,510 --> 00:48:05,680
these people down here with greed and

1338
00:48:09,430 --> 00:48:07,520

genocide and

1339

00:48:11,670 --> 00:48:09,440

fighting and all these things and it

1340

00:48:14,390 --> 00:48:11,680

just i think for him

1341

00:48:16,630 --> 00:48:14,400

that very particular point was a huge

1342

00:48:19,270 --> 00:48:16,640

epiphany not just to his thought process

1343

00:48:21,349 --> 00:48:19,280

but to his very soul i mean he

1344

00:48:23,910 --> 00:48:21,359

really felt that and when he came back

1345

00:48:25,349 --> 00:48:23,920

it it changed him he was he was a very

1346

00:48:27,510 --> 00:48:25,359

different person

1347

00:48:29,750 --> 00:48:27,520

wow um so

1348

00:48:33,270 --> 00:48:29,760

he really wanted to talk about you know

1349

00:48:34,390 --> 00:48:33,280

depths of uh philosophies and ways of

1350

00:48:36,710 --> 00:48:34,400

seeing things

1351

00:48:38,309 --> 00:48:36,720

he did mention some things like um

1352

00:48:40,150 --> 00:48:38,319

admiral wilson

1353

00:48:41,349 --> 00:48:40,160

where they would uh i believe that was a

1354

00:48:43,750 --> 00:48:41,359

really big

1355

00:48:45,750 --> 00:48:43,760

uh fight in ufology not too long ago i

1356

00:48:47,270 --> 00:48:45,760

try not to pay attention but yeah you'd

1357

00:48:50,069 --> 00:48:47,280

hear about it and i was asked about it a

1358

00:48:51,910 --> 00:48:50,079

few times but that meeting did happen

1359

00:48:54,230 --> 00:48:51,920

you know he told me about it here's not

1360

00:48:55,829 --> 00:48:54,240

the type of person to just live about

1361

00:48:56,630 --> 00:48:55,839

anything

1362

00:48:59,270 --> 00:48:56,640

but

1363

00:49:01,910 --> 00:48:59,280

yeah our department of uh

1364

00:49:03,510 --> 00:49:01,920

foreign technologies was not uh privy to

1365

00:49:05,349 --> 00:49:03,520

the information

1366

00:49:06,950 --> 00:49:05,359

he didn't have a need to know and he's

1367

00:49:08,069 --> 00:49:06,960

the number one person on the planet that

1368

00:49:10,950 --> 00:49:08,079

should know

1369

00:49:12,549 --> 00:49:10,960

uh he also talked about the the 1947

1370

00:49:15,030 --> 00:49:12,559

crash with me

1371

00:49:17,030 --> 00:49:15,040

uh he did say he was in college at the

1372

00:49:18,950 --> 00:49:17,040

time he i don't know a lot of people

1373

00:49:21,589 --> 00:49:18,960

don't don't know this but he's actually

1374

00:49:23,910 --> 00:49:21,599

from roswell oh wow so

1375

00:49:24,790 --> 00:49:23,920

um you know it's very coincidental but

1376

00:49:26,710 --> 00:49:24,800

him

1377

00:49:28,470 --> 00:49:26,720

priming to be an astronaut going to

1378

00:49:31,349 --> 00:49:28,480

college when he got back home he had

1379

00:49:33,270 --> 00:49:31,359

several admirals and people high up uh

1380

00:49:34,870 --> 00:49:33,280

that said edgar

1381

00:49:37,589 --> 00:49:34,880

this thing wasn't from here you know

1382

00:49:39,510 --> 00:49:37,599

they let them know flat out that uh you

1383

00:49:42,470 --> 00:49:39,520

know this crash was real

1384

00:49:45,109 --> 00:49:42,480

um but uh i mean we for sure we talk

1385

00:49:47,349 --> 00:49:45,119

very little about ufos you know it was

1386

00:49:49,109 --> 00:49:47,359

more more of a

1387

00:49:50,870 --> 00:49:49,119

an escape

1388

00:49:53,670 --> 00:49:50,880

type of conversation

1389

00:49:55,430 --> 00:49:53,680

than you know actual business

1390

00:49:58,790 --> 00:49:55,440

probably more important too i think from

1391

00:50:01,190 --> 00:49:58,800

a human standpoint it really is and

1392

00:50:02,790 --> 00:50:01,200

it does it does it seem to you eric that

1393

00:50:04,790 --> 00:50:02,800

ufos

1394

00:50:07,670 --> 00:50:04,800

you hear this from experiencers often

1395

00:50:09,829 --> 00:50:07,680

and i i tend to agree that but does it

1396

00:50:12,069 --> 00:50:09,839

seem to you that ufos follow you no

1397

00:50:15,190 --> 00:50:12,079

matter where you live that geographical

1398

00:50:19,030 --> 00:50:15,200

location is not of importance

1399

00:50:21,829 --> 00:50:19,040

uh yeah that's extremely true um i had a

1400

00:50:23,610 --> 00:50:21,839

i had a wonderful day dream

1401
00:50:25,270 --> 00:50:23,620
in 2014

1402
00:50:27,670 --> 00:50:25,280
[Music]

1403
00:50:29,829 --> 00:50:27,680
in august uh my daughter got accepted to

1404
00:50:32,230 --> 00:50:29,839
uh college in maine

1405
00:50:34,150 --> 00:50:32,240
and so i was happy about that i actually

1406
00:50:37,589 --> 00:50:34,160
used it for an excuse to get the hell

1407
00:50:39,670 --> 00:50:37,599
away so i sold a plot of land

1408
00:50:41,270 --> 00:50:39,680
that i had um

1409
00:50:43,109 --> 00:50:41,280
and it was a really fast sale i was

1410
00:50:44,710 --> 00:50:43,119
happy about that and i packed up that

1411
00:50:45,589 --> 00:50:44,720
car and took off you know i'm going to

1412
00:50:48,950 --> 00:50:45,599
be

1413
00:50:51,750 --> 00:50:48,960

1500 miles away from all of that and i

1414

00:50:54,470 --> 00:50:51,760

can start my my life again i can maybe

1415

00:50:56,309 --> 00:50:54,480

you know put my roots into a normal life

1416

00:50:57,829 --> 00:50:56,319

again you know because people

1417

00:50:59,510 --> 00:50:57,839

they work and they come home and they

1418

00:51:01,270 --> 00:50:59,520

watch football and everything's simple

1419

00:51:03,270 --> 00:51:01,280

and it doesn't have to be so complicated

1420

00:51:05,589 --> 00:51:03,280

and i had this daydream that i can get

1421

00:51:06,309 --> 00:51:05,599

my life back my simple world

1422

00:51:09,510 --> 00:51:06,319

and

1423

00:51:11,829 --> 00:51:09,520

september 1st of 2014

1424

00:51:14,069 --> 00:51:11,839

on the third story deck of my new

1425

00:51:15,670 --> 00:51:14,079

apartment with my new neighbors

1426

00:51:17,829 --> 00:51:15,680

uh they were handing me a

1427

00:51:19,349 --> 00:51:17,839

uh budweiser and nice to meet you we

1428

00:51:21,910 --> 00:51:19,359

weren't allowed to smoke inside so the

1429

00:51:23,990 --> 00:51:21,920

backpack was nice and big and it was uh

1430

00:51:25,990 --> 00:51:24,000

you know a good 60 feet up

1431

00:51:28,630 --> 00:51:26,000

and uh here comes this object through

1432

00:51:30,950 --> 00:51:28,640

the park up over the trees and dipped

1433

00:51:32,470 --> 00:51:30,960

down eye level you know the streets

1434

00:51:33,670 --> 00:51:32,480

right there in front of us and it

1435

00:51:35,990 --> 00:51:33,680

hovered there

1436

00:51:37,910 --> 00:51:36,000

my neighbors began pushing each other

1437

00:51:39,510 --> 00:51:37,920

and taking chairs over and doing

1438

00:51:41,349 --> 00:51:39,520

everything they can to get into the back

1439

00:51:43,589 --> 00:51:41,359

door to get away from this thing because

1440

00:51:45,190 --> 00:51:43,599

it was really close and of course me and

1441

00:51:46,950 --> 00:51:45,200

the kids just stood there

1442

00:51:48,150 --> 00:51:46,960

because we're you know we were used to

1443

00:51:49,670 --> 00:51:48,160

it by then

1444

00:51:52,630 --> 00:51:49,680

i was

1445

00:51:54,549 --> 00:51:52,640

needless to say mortified because

1446

00:51:57,829 --> 00:51:54,559

i knew i had gotten away from everything

1447

00:51:59,990 --> 00:51:57,839

and um that was my first night in maine

1448

00:52:01,829 --> 00:52:00,000

and uh there's just

1449

00:52:02,829 --> 00:52:01,839

it's it's also

1450

00:52:06,950 --> 00:52:02,839

kind

1451

00:52:08,790 --> 00:52:06,960

of difficult to really talk about but

1452

00:52:10,309 --> 00:52:08,800

like if people come from out of state to

1453

00:52:11,670 --> 00:52:10,319

come visit me

1454

00:52:15,190 --> 00:52:11,680

they're gonna have a sighting the night

1455

00:52:17,430 --> 00:52:15,200

before if i'm gonna fly out to um

1456

00:52:18,950 --> 00:52:17,440

let's say you know new jersey

1457

00:52:21,430 --> 00:52:18,960

they're having a sighting over their

1458

00:52:23,910 --> 00:52:21,440

home the night before that happens so

1459

00:52:25,990 --> 00:52:23,920

it's not just a thing that follows you

1460

00:52:27,510 --> 00:52:26,000

if you move it's a thing that follows

1461

00:52:28,630 --> 00:52:27,520

what you're doing

1462

00:52:29,910 --> 00:52:28,640

and

1463

00:52:31,829 --> 00:52:29,920

that's a

1464

00:52:32,870 --> 00:52:31,839

really hard one to swallow but once you

1465

00:52:34,549 --> 00:52:32,880

see it

1466

00:52:36,710 --> 00:52:34,559

every single time

1467

00:52:37,430 --> 00:52:36,720

i've moved i think about nine times

1468

00:52:41,670 --> 00:52:37,440

since

1469

00:52:43,829 --> 00:52:41,680

and it happens every time you know i've

1470

00:52:46,390 --> 00:52:43,839

got pictures from

1471

00:52:47,349 --> 00:52:46,400

las vegas you know south carolina

1472

00:52:48,950 --> 00:52:47,359

maine

1473

00:52:50,630 --> 00:52:48,960

uh kentucky

1474

00:52:52,150 --> 00:52:50,640

everywhere i've been you know and

1475

00:52:53,829 --> 00:52:52,160

sometimes the picture doesn't come from

1476
00:52:55,990 --> 00:52:53,839
me someone will knock on the door and

1477
00:52:58,230 --> 00:52:56,000
say hey i took a picture of this thing

1478
00:53:00,549 --> 00:52:58,240
and it was over your house

1479
00:53:02,309 --> 00:53:00,559
travis and audrey they were at a

1480
00:53:05,190 --> 00:53:02,319
mufon conference in

1481
00:53:06,790 --> 00:53:05,200
las vegas one one weekend

1482
00:53:09,030 --> 00:53:06,800
i didn't know what was going on but

1483
00:53:11,670 --> 00:53:09,040
there were five objects hovering over my

1484
00:53:12,870 --> 00:53:11,680
bedroom a man came outside to smoke he

1485
00:53:15,670 --> 00:53:12,880
filmed him

1486
00:53:17,750 --> 00:53:15,680
and he sent it into channel 5 news

1487
00:53:20,069 --> 00:53:17,760
well this was like midnight i didn't i

1488
00:53:21,510 --> 00:53:20,079

was asleep woke up the next morning

1489

00:53:23,270 --> 00:53:21,520

opened the door because someone was

1490

00:53:25,190 --> 00:53:23,280

knocking and i've got tons of

1491

00:53:27,430 --> 00:53:25,200

microphones just shoving into my front

1492

00:53:29,910 --> 00:53:27,440

door you know hitting me in the face

1493

00:53:31,670 --> 00:53:29,920

and just so many questions and um i just

1494

00:53:33,190 --> 00:53:31,680

closed the door i'm like you know deal

1495

00:53:34,950 --> 00:53:33,200

with you guys one at a time you know

1496

00:53:36,870 --> 00:53:34,960

what's going on i didn't know

1497

00:53:40,470 --> 00:53:36,880

uh what had happened the night before

1498

00:53:43,510 --> 00:53:40,480

but i ended up doing uh like four uh

1499

00:53:46,069 --> 00:53:43,520

radio shows in uh uh downtown portland

1500

00:53:47,829 --> 00:53:46,079

uh maine uh talking about the subject

1501

00:53:50,069 --> 00:53:47,839

which i felt really funny about i mean

1502

00:53:52,069 --> 00:53:50,079

it's 6 30 in the morning

1503

00:53:53,750 --> 00:53:52,079

you know and uh people are driving to

1504

00:53:56,069 --> 00:53:53,760

work they're not going to want to hear

1505

00:53:57,510 --> 00:53:56,079

this kind of stuff but uh you know i

1506

00:53:58,950 --> 00:53:57,520

mean if you got to spread the word

1507

00:54:00,950 --> 00:53:58,960

spread the word

1508

00:54:03,349 --> 00:54:00,960

um but a lot of people in maine talked

1509

00:54:04,470 --> 00:54:03,359

about that at one sighting but

1510

00:54:07,829 --> 00:54:04,480

that's just the kind of thing that

1511

00:54:10,309 --> 00:54:07,839

happens i actually just moved again

1512

00:54:12,790 --> 00:54:10,319

and uh i live in a big they're nice

1513

00:54:13,670 --> 00:54:12,800

apartments it's a big apartment complex

1514

00:54:15,589 --> 00:54:13,680

and

1515

00:54:17,109 --> 00:54:15,599

the entire sky is just cut out of the

1516

00:54:19,510 --> 00:54:17,119

middle of the entire

1517

00:54:20,790 --> 00:54:19,520

complex so it's a perfect place to

1518

00:54:22,150 --> 00:54:20,800

really

1519

00:54:25,270 --> 00:54:22,160

say i'm gonna have to move again when

1520

00:54:27,750 --> 00:54:25,280

this happens you know so yeah but it's

1521

00:54:29,349 --> 00:54:27,760

part of it it's part of it it really is

1522

00:54:31,589 --> 00:54:29,359

it's part of the deal

1523

00:54:33,349 --> 00:54:31,599

it does seem like once you make that

1524

00:54:35,670 --> 00:54:33,359

interaction or connection with i guess

1525

00:54:38,870 --> 00:54:35,680

the universe it's really uh

1526

00:54:40,710 --> 00:54:38,880

it's really impressive and

1527

00:54:42,309 --> 00:54:40,720

lastly as we kind of start to wrap up

1528

00:54:43,670 --> 00:54:42,319

eric uh

1529

00:54:46,230 --> 00:54:43,680

i don't know what direction to take it

1530

00:54:48,309 --> 00:54:46,240

here i guess many people believe that

1531

00:54:50,470 --> 00:54:48,319

governments and other con

1532

00:54:53,430 --> 00:54:50,480

countries including our own have had

1533

00:54:54,950 --> 00:54:53,440

treaties with these entities or beings

1534

00:54:56,630 --> 00:54:54,960

or intelligences

1535

00:54:59,430 --> 00:54:56,640

through your contacts have you heard

1536

00:55:01,990 --> 00:54:59,440

anything along these lines

1537

00:55:04,309 --> 00:55:02,000

unfortunately not and i'm really waiting

1538

00:55:07,990 --> 00:55:04,319

on it i've looked for it

1539

00:55:08,950 --> 00:55:08,000

i know um there was a lot of stock put

1540

00:55:11,349 --> 00:55:08,960

into

1541

00:55:13,670 --> 00:55:11,359

the idea of project serpo where we had

1542

00:55:15,349 --> 00:55:13,680

like a foreign exchange uh student

1543

00:55:18,789 --> 00:55:15,359

program type of thing

1544

00:55:21,109 --> 00:55:18,799

but i've heard about it i've even heard

1545

00:55:23,030 --> 00:55:21,119

you know uh professionals that uh you

1546

00:55:25,190 --> 00:55:23,040

know really dig into the subject talk

1547

00:55:26,950 --> 00:55:25,200

about it as if it's real

1548

00:55:29,589 --> 00:55:26,960

but i've got

1549

00:55:30,549 --> 00:55:29,599

no evidence whatsoever i like i've

1550

00:55:31,430 --> 00:55:30,559

looked

1551
00:55:32,789 --> 00:55:31,440
and

1552
00:55:34,870 --> 00:55:32,799
i've often asked people that want to

1553
00:55:36,549 --> 00:55:34,880
share information with me and you have

1554
00:55:38,710 --> 00:55:36,559
to be careful ryan you have to be

1555
00:55:42,549 --> 00:55:38,720
careful there are people out there

1556
00:55:43,510 --> 00:55:42,559
um among uh intelligence agencies that

1557
00:55:45,750 --> 00:55:43,520
will

1558
00:55:49,510 --> 00:55:45,760
just love to call you up and lie to you

1559
00:55:50,230 --> 00:55:49,520
right i mean you can't take a word from

1560
00:55:54,549 --> 00:55:50,240
these

1561
00:55:55,829 --> 00:55:54,559
you obtain the documents you make sure

1562
00:55:57,109 --> 00:55:55,839
they're real

1563
00:55:58,230 --> 00:55:57,119

and then you can talk to the public

1564

00:55:59,990 --> 00:55:58,240

about it but

1565

00:56:02,150 --> 00:56:00,000

um i think greer had a lot of trouble

1566

00:56:04,870 --> 00:56:02,160

with that uh steven greer because he he

1567

00:56:07,270 --> 00:56:04,880

spoke to so many disinformation agents

1568

00:56:09,430 --> 00:56:07,280

that it kind of really messed things up

1569

00:56:12,150 --> 00:56:09,440

for him even though i believe he was

1570

00:56:13,990 --> 00:56:12,160

uh true to his heart and in getting the

1571

00:56:16,789 --> 00:56:14,000

proper information but

1572

00:56:18,710 --> 00:56:16,799

i have not seen a real document on

1573

00:56:21,270 --> 00:56:18,720

any interaction with the other

1574

00:56:24,309 --> 00:56:21,280

governments and uh and these beings

1575

00:56:26,390 --> 00:56:24,319

exactly now i have seen documents where

1576

00:56:29,109 --> 00:56:26,400

these things are hovering

1577

00:56:32,150 --> 00:56:29,119

over a highly classified base hovering

1578

00:56:34,230 --> 00:56:32,160

over nuclear silos and the silo shutting

1579

00:56:36,069 --> 00:56:34,240

down remotely

1580

00:56:37,750 --> 00:56:36,079

you know seeing this blue beam of light

1581

00:56:40,549 --> 00:56:37,760

that we talked about earlier just go

1582

00:56:42,870 --> 00:56:40,559

down and shut this thing off

1583

00:56:45,109 --> 00:56:42,880

you know dummy warheads in the air that

1584

00:56:46,549 --> 00:56:45,119

they're testing just regular rockets

1585

00:56:48,230 --> 00:56:46,559

will be

1586

00:56:49,829 --> 00:56:48,240

taken out of commission in mid-air you

1587

00:56:51,349 --> 00:56:49,839

know just by using this blue beam of

1588

00:56:53,750 --> 00:56:51,359

light so

1589

00:56:55,190 --> 00:56:53,760

this stuff is uh this blue stuff is

1590

00:56:57,030 --> 00:56:55,200

really smart

1591

00:56:58,870 --> 00:56:57,040

to say the least but

1592

00:57:00,630 --> 00:56:58,880

i've seen plenty of documents but none

1593

00:57:02,870 --> 00:57:00,640

with their a

1594

00:57:06,549 --> 00:57:02,880

a really

1595

00:57:09,349 --> 00:57:06,559

cohesive conversation you know a

1596

00:57:11,430 --> 00:57:09,359

any way of communication whatsoever

1597

00:57:13,670 --> 00:57:11,440

from the government to them i haven't

1598

00:57:14,789 --> 00:57:13,680

haven't really seen it i'm looking for

1599

00:57:17,030 --> 00:57:14,799

it though i

1600

00:57:18,230 --> 00:57:17,040

in some ways i hope it's true you know

1601
00:57:19,910 --> 00:57:18,240
to

1602
00:57:21,430 --> 00:57:19,920
kind of open the veil up a little bit

1603
00:57:25,750 --> 00:57:21,440
but

1604
00:57:26,549 --> 00:57:25,760
comes to cold hard facts i haven't seen

1605
00:57:28,789 --> 00:57:26,559
them

1606
00:57:29,990 --> 00:57:28,799
you're right right

1607
00:57:32,069 --> 00:57:30,000
and

1608
00:57:34,950 --> 00:57:32,079
lastly something that's always really

1609
00:57:37,109 --> 00:57:34,960
interested me is

1610
00:57:38,470 --> 00:57:37,119
many have alluded to the fact that ufos

1611
00:57:40,950 --> 00:57:38,480
are dimensional

1612
00:57:42,950 --> 00:57:40,960
and what is your understanding of this

1613
00:57:44,950 --> 00:57:42,960

possibility

1614

00:57:47,349 --> 00:57:44,960

i'd be surprised if it wasn't

1615

00:57:49,030 --> 00:57:47,359

i mean i really really wouldn't

1616

00:57:51,030 --> 00:57:49,040

um

1617

00:57:52,789 --> 00:57:51,040

there are some ways that we can find i

1618

00:57:55,349 --> 00:57:52,799

think it went classified not too long

1619

00:57:56,309 --> 00:57:55,359

ago but nasa was looking at these things

1620

00:57:58,230 --> 00:57:56,319

where

1621

00:58:00,390 --> 00:57:58,240

the sun's energy was hitting the

1622

00:58:02,630 --> 00:58:00,400

ionosphere

1623

00:58:03,990 --> 00:58:02,640

of earth and it looked like you know

1624

00:58:05,430 --> 00:58:04,000

when you

1625

00:58:07,030 --> 00:58:05,440

see a stream

1626
00:58:08,870 --> 00:58:07,040
and some of the water has to swirl

1627
00:58:10,549 --> 00:58:08,880
around a rock and you have that little

1628
00:58:11,510 --> 00:58:10,559
swirl and then it kind of straightens

1629
00:58:12,870 --> 00:58:11,520
out

1630
00:58:15,190 --> 00:58:12,880
and that's what you see

1631
00:58:17,190 --> 00:58:15,200
in immediate space with this type of

1632
00:58:20,230 --> 00:58:17,200
energy working and it looks like a blue

1633
00:58:23,190 --> 00:58:20,240
vortex that just opens and nasa wants to

1634
00:58:24,950 --> 00:58:23,200
be able to build some sort of rover or

1635
00:58:27,349 --> 00:58:24,960
something to go in these things when

1636
00:58:29,589 --> 00:58:27,359
they open up uh the problem is they

1637
00:58:31,670 --> 00:58:29,599
can't predict when that can happen and i

1638
00:58:32,710 --> 00:58:31,680

mean that seems or looks to me like some

1639

00:58:34,630 --> 00:58:32,720

kind of

1640

00:58:36,230 --> 00:58:34,640

rosen bridge or highway or something

1641

00:58:38,470 --> 00:58:36,240

like that and why wouldn't nature have

1642

00:58:41,349 --> 00:58:38,480

something like that for us but

1643

00:58:43,670 --> 00:58:41,359

um i've seen these things you know climb

1644

00:58:46,470 --> 00:58:43,680

up and just disappear you know i've seen

1645

00:58:49,190 --> 00:58:46,480

them do things that uh you know

1646

00:58:51,030 --> 00:58:49,200

is completely outside of our own um

1647

00:58:52,230 --> 00:58:51,040

our own laws of nature

1648

00:58:54,309 --> 00:58:52,240

so

1649

00:58:56,230 --> 00:58:54,319

you know to uh

1650

00:58:58,870 --> 00:58:56,240

to say interdimensional i i would have

1651
00:59:01,109 --> 00:58:58,880
to say it's it's it's more that

1652
00:59:03,349 --> 00:59:01,119
it's more that than uh you know any kind

1653
00:59:05,270 --> 00:59:03,359
of interstellar type of thing would be i

1654
00:59:07,030 --> 00:59:05,280
mean it just seems like magic

1655
00:59:09,190 --> 00:59:07,040
you question your own sanity and then

1656
00:59:10,950 --> 00:59:09,200
you go get your own sanity check and uh

1657
00:59:13,430 --> 00:59:10,960
they say you're fine

1658
00:59:15,190 --> 00:59:13,440
that drug and alcohol part i have a

1659
00:59:16,390 --> 00:59:15,200
dependency on

1660
00:59:18,309 --> 00:59:16,400
nicotine

1661
00:59:20,789 --> 00:59:18,319
you know on a psychological part i just

1662
00:59:23,829 --> 00:59:20,799
have trouble adjusting to a trauma and a

1663
00:59:26,870 --> 00:59:23,839

lot of people have 12 15 20 things you

1664

00:59:28,870 --> 00:59:26,880

know issues to work on but mine was uh i

1665

00:59:31,190 --> 00:59:28,880

smoked cigarettes and i've been

1666

00:59:33,430 --> 00:59:31,200

traumatized they can't even put ptsd

1667

00:59:35,349 --> 00:59:33,440

which i do believe i have it but they

1668

00:59:38,309 --> 00:59:35,359

believe i'm well-rounded enough to deal

1669

00:59:39,670 --> 00:59:38,319

with it but um yeah i mean you question

1670

00:59:41,270 --> 00:59:39,680

your own sanity when you see these

1671

00:59:43,829 --> 00:59:41,280

things right in front of you you know

1672

00:59:45,910 --> 00:59:43,839

and uh there's no way to

1673

00:59:48,309 --> 00:59:45,920

subside it for yourself so you always

1674

00:59:50,230 --> 00:59:48,319

have to live in this duality and

1675

00:59:52,789 --> 00:59:50,240

cognitive dissonance you know and try to

1676

00:59:53,990 --> 00:59:52,799

balance your life out

1677

00:59:58,069 --> 00:59:54,000

sure

1678

00:59:59,670 --> 00:59:58,079

huge realization this quantum

1679

01:00:01,030 --> 00:59:59,680

entanglement with the universe so to

1680

01:00:02,390 --> 01:00:01,040

speak and then

1681

01:00:05,109 --> 01:00:02,400

you know you're

1682

01:00:07,190 --> 01:00:05,119

you're forced to live a life where uh

1683

01:00:08,870 --> 01:00:07,200

you have to have like discussions around

1684

01:00:10,710 --> 01:00:08,880

the water cooler about things that don't

1685

01:00:12,789 --> 01:00:10,720

matter you know it's very

1686

01:00:14,549 --> 01:00:12,799

very interesting

1687

01:00:16,549 --> 01:00:14,559

i know i know i was at work not too long

1688

01:00:18,870 --> 01:00:16,559

ago and i had to endure

1689

01:00:20,789 --> 01:00:18,880

uh about five people having a 20-minute

1690

01:00:21,990 --> 01:00:20,799

conversation about the new dorito that's

1691

01:00:23,030 --> 01:00:22,000

coming out

1692

01:00:25,510 --> 01:00:23,040

and uh

1693

01:00:28,069 --> 01:00:25,520

i i just i couldn't i couldn't even deal

1694

01:00:29,990 --> 01:00:28,079

with it you know i'm thinking my gosh

1695

01:00:31,750 --> 01:00:30,000

yeah but that's how it is that's

1696

01:00:34,549 --> 01:00:31,760

literally how it is you know you keep an

1697

01:00:37,030 --> 01:00:34,559

even balance i do anyway i speak to uh

1698

01:00:39,670 --> 01:00:37,040

experiencers from all over the world you

1699

01:00:41,670 --> 01:00:39,680

know in 127 different countries

1700

01:00:43,349 --> 01:00:41,680

and uh i work with a lot of them you

1701

01:00:45,030 --> 01:00:43,359

know a lot of them want to bring it up

1702

01:00:46,950 --> 01:00:45,040

to their spouse they want to bring it up

1703

01:00:48,710 --> 01:00:46,960

to their brother or sister

1704

01:00:51,109 --> 01:00:48,720

family members you know just kind of

1705

01:00:52,230 --> 01:00:51,119

open up and release and uh

1706

01:00:56,710 --> 01:00:52,240

once

1707

01:00:58,230 --> 01:00:56,720

happens they feel so much better about

1708

01:01:00,150 --> 01:00:58,240

themselves because

1709

01:01:01,910 --> 01:01:00,160

it relieves that internal

1710

01:01:03,030 --> 01:01:01,920

binding that they have

1711

01:01:05,349 --> 01:01:03,040

so

1712

01:01:08,230 --> 01:01:05,359

even talking to a stranger like me it

1713

01:01:09,750 --> 01:01:08,240

really helps the quality of life

1714

01:01:11,670 --> 01:01:09,760

because you do you have to find that

1715

01:01:12,549 --> 01:01:11,680

balance between this uh

1716

01:01:15,990 --> 01:01:12,559

um

1717

01:01:17,670 --> 01:01:16,000

societal facade and uh reality itself

1718

01:01:19,990 --> 01:01:17,680

and and people aren't ready to wake up

1719

01:01:23,030 --> 01:01:20,000

for the most part so yeah you can't be

1720

01:01:25,030 --> 01:01:23,040

running around just uh um belting it uh

1721

01:01:26,870 --> 01:01:25,040

you know to the the buildings and trees

1722

01:01:29,190 --> 01:01:26,880

you know you've got to uh

1723

01:01:31,109 --> 01:01:29,200

find other ways you know but it's for me

1724

01:01:32,390 --> 01:01:31,119

it's the most important thing is helping

1725

01:01:34,309 --> 01:01:32,400

people out there

1726

01:01:36,470 --> 01:01:34,319

that suffer the same thing you know when

1727

01:01:39,829 --> 01:01:36,480

you get into this um

1728

01:01:42,390 --> 01:01:39,839

these zones of highly active uh psychic

1729

01:01:44,470 --> 01:01:42,400

days or weeks or even months

1730

01:01:46,230 --> 01:01:44,480

uh it's hard to cope with you know

1731

01:01:48,710 --> 01:01:46,240

television portrays

1732

01:01:51,349 --> 01:01:48,720

uh psychic ability in such a different

1733

01:01:52,950 --> 01:01:51,359

way than what it really is um it's more

1734

01:01:55,190 --> 01:01:52,960

like it chooses you

1735

01:01:56,870 --> 01:01:55,200

and you don't really get to control it

1736

01:01:59,029 --> 01:01:56,880

you get to observe it

1737

01:02:01,190 --> 01:01:59,039

and uh it sporadically just kind of goes

1738

01:02:02,190 --> 01:02:01,200

away and comes back you know i had a

1739

01:02:06,789 --> 01:02:02,200

dream

1740

01:02:08,390 --> 01:02:06,799

a couple nights ago this is a um

1741

01:02:10,549 --> 01:02:08,400

just a day in a life

1742

01:02:13,349 --> 01:02:10,559

i had a dream about my friend having

1743

01:02:15,029 --> 01:02:13,359

some kneading surgery getting very sick

1744

01:02:17,589 --> 01:02:15,039

uh and i knew what that was i know the

1745

01:02:19,109 --> 01:02:17,599

difference between a dream and a type of

1746

01:02:20,390 --> 01:02:19,119

premonition there's a very different

1747

01:02:22,390 --> 01:02:20,400

feeling about it

1748

01:02:24,230 --> 01:02:22,400

so these are things that i hide from

1749

01:02:26,309 --> 01:02:24,240

almost everyone but my close friends are

1750

01:02:28,150 --> 01:02:26,319

like cool do this do that you know they

1751
01:02:32,789 --> 01:02:28,160
love it

1752
01:02:34,950 --> 01:02:32,799
friend and i said look you need surgery

1753
01:02:37,510 --> 01:02:34,960
it's your lower abdomen

1754
01:02:39,349 --> 01:02:37,520
something needs to be removed uh you're

1755
01:02:41,109 --> 01:02:39,359
gonna need to get checked for bacterial

1756
01:02:43,029 --> 01:02:41,119
infection and i just kind of named off

1757
01:02:44,710 --> 01:02:43,039
all the symptoms

1758
01:02:46,390 --> 01:02:44,720
and she kind of giggled she's like how

1759
01:02:48,150 --> 01:02:46,400
do you know that i scheduled for surgery

1760
01:02:48,950 --> 01:02:48,160
yesterday i didn't even tell my parents

1761
01:02:50,870 --> 01:02:48,960
yet

1762
01:02:53,670 --> 01:02:50,880
and i was like you have to get it done

1763
01:02:54,470 --> 01:02:53,680

you know i was all over you just do it

1764

01:02:56,150 --> 01:02:54,480

done

1765

01:02:57,750 --> 01:02:56,160

and uh of course you already knew about

1766

01:02:58,630 --> 01:02:57,760

the issue thank god

1767

01:03:00,150 --> 01:02:58,640

um

1768

01:03:01,750 --> 01:03:00,160

but for the most part when you when you

1769

01:03:04,309 --> 01:03:01,760

come across these things you you just

1770

01:03:05,589 --> 01:03:04,319

kind of watch them pass you know

1771

01:03:06,870 --> 01:03:05,599

but

1772

01:03:08,150 --> 01:03:06,880

it's something you really have to hide

1773

01:03:10,630 --> 01:03:08,160

from people because they they really

1774

01:03:12,549 --> 01:03:10,640

don't like about you

1775

01:03:14,630 --> 01:03:12,559

for sure and i think that's something a

1776

01:03:16,390 --> 01:03:14,640

lot of people appreciate about you eric

1777

01:03:19,190 --> 01:03:16,400

is you're trying to make a difference

1778

01:03:21,750 --> 01:03:19,200

and you're doing it and kind of getting

1779

01:03:24,150 --> 01:03:21,760

uh as we wrap up getting to that

1780

01:03:26,309 --> 01:03:24,160

let's talk a little bit about your doc

1781

01:03:29,990 --> 01:03:26,319

coming out experimenter where can people

1782

01:03:33,829 --> 01:03:30,000

support it donate it and access it

1783

01:03:35,910 --> 01:03:33,839

uh it's the the same website you have um

1784

01:03:37,750 --> 01:03:35,920

i really terrible with computers so i

1785

01:03:39,270 --> 01:03:37,760

don't pay attention to the website or

1786

01:03:41,990 --> 01:03:39,280

anything but uh

1787

01:03:44,950 --> 01:03:42,000

i uh i bumped into some some really

1788

01:03:46,470 --> 01:03:44,960

famous networks and they wanted to do a

1789

01:03:48,549 --> 01:03:46,480

very lucrative

1790

01:03:50,549 --> 01:03:48,559

uh type of thing

1791

01:03:52,870 --> 01:03:50,559

and the money looked amazing i couldn't

1792

01:03:55,109 --> 01:03:52,880

even believe that but the problem was is

1793

01:03:58,390 --> 01:03:55,119

they wanted me to kind of dramatize it

1794

01:04:01,510 --> 01:03:58,400

and lie yeah and i wasn't happy about

1795

01:04:03,670 --> 01:04:01,520

that you know i talked to other networks

1796

01:04:05,510 --> 01:04:03,680

all of tv is basically the same they're

1797

01:04:07,990 --> 01:04:05,520

going to push for that kind of thing

1798

01:04:10,789 --> 01:04:08,000

so i met with um

1799

01:04:12,470 --> 01:04:10,799

ufo garage podcast guys who had a great

1800

01:04:15,109 --> 01:04:12,480

time with them and they seemed so

1801

01:04:17,750 --> 01:04:15,119

trustworthy and hardworking and just uh

1802

01:04:19,349 --> 01:04:17,760

you know i look for integrity in people

1803

01:04:21,270 --> 01:04:19,359

um you know when i'm dealing with things

1804

01:04:24,230 --> 01:04:21,280

i don't have enough time to deal with

1805

01:04:26,710 --> 01:04:24,240

people without integrity um the finger

1806

01:04:28,789 --> 01:04:26,720

pointers and the drama people i i don't

1807

01:04:31,190 --> 01:04:28,799

have time for that i mean you know i've

1808

01:04:33,349 --> 01:04:31,200

got a good 20-hour day every day ahead

1809

01:04:35,270 --> 01:04:33,359

of me and i want to make every single

1810

01:04:38,150 --> 01:04:35,280

one of them count and

1811

01:04:41,750 --> 01:04:38,160

it just kind of

1812

01:04:42,950 --> 01:04:41,760

morphed itself into a film company

1813

01:04:45,029 --> 01:04:42,960

and

1814

01:04:46,870 --> 01:04:45,039

we started started doing the project i

1815

01:04:48,870 --> 01:04:46,880

mean there's no way to cover this in an

1816

01:04:50,150 --> 01:04:48,880

hour or two hours but

1817

01:04:52,230 --> 01:04:50,160

i think a good

1818

01:04:54,549 --> 01:04:52,240

introduction and some really hard

1819

01:04:56,470 --> 01:04:54,559

evidence and really hard science

1820

01:04:59,029 --> 01:04:56,480

uh and a lot of spirituality on top of

1821

01:05:00,630 --> 01:04:59,039

that needs to be kind of brought forward

1822

01:05:03,190 --> 01:05:00,640

you know into the light where

1823

01:05:05,029 --> 01:05:03,200

at least if no one likes to watch it the

1824

01:05:07,349 --> 01:05:05,039

quintessential experienter can watch it

1825

01:05:10,069 --> 01:05:07,359

and go oh my god that's me too you know

1826

01:05:11,750 --> 01:05:10,079

yeah um help alleviate some of that uh

1827

01:05:14,230 --> 01:05:11,760

cognitive dissonance you know after you

1828

01:05:16,950 --> 01:05:14,240

work with about three thousand people uh

1829

01:05:19,029 --> 01:05:16,960

phonetically you you kind of understand

1830

01:05:20,789 --> 01:05:19,039

uh the internal workings and it's

1831

01:05:22,789 --> 01:05:20,799

amazing how similar

1832

01:05:25,270 --> 01:05:22,799

all these people are from

1833

01:05:28,069 --> 01:05:25,280

uh different walks of life and countries

1834

01:05:29,670 --> 01:05:28,079

and continents and um

1835

01:05:32,390 --> 01:05:29,680

everyone's so different but when it

1836

01:05:35,029 --> 01:05:32,400

comes to this it's extremely similar and

1837

01:05:37,349 --> 01:05:35,039

uh there's a mapping uh sociological

1838

01:05:39,349 --> 01:05:37,359

psychological mapping um that even

1839

01:05:41,670 --> 01:05:39,359

psychology needs to branch out into and

1840

01:05:44,309 --> 01:05:41,680

say okay i understand this now you know

1841

01:05:46,470 --> 01:05:44,319

but um i even get psychologists to con

1842

01:05:48,549 --> 01:05:46,480

contact me on a regular basis like i

1843

01:05:49,349 --> 01:05:48,559

don't know how to treat my people

1844

01:05:51,910 --> 01:05:49,359

or

1845

01:05:52,950 --> 01:05:51,920

um this happened to me and i know it

1846

01:05:55,430 --> 01:05:52,960

can't be real it's got to be

1847

01:05:57,829 --> 01:05:55,440

psychological what's going on with me so

1848

01:06:00,390 --> 01:05:57,839

um those are the two kind of approaches

1849

01:06:02,069 --> 01:06:00,400

you get from from psychology

1850

01:06:05,430 --> 01:06:02,079

yeah

1851
01:06:09,190 --> 01:06:05,440
it does seem like there is a common

1852
01:06:10,549 --> 01:06:09,200
thread and in in the um

1853
01:06:12,470 --> 01:06:10,559
things that i've seen about the

1854
01:06:14,069 --> 01:06:12,480
documentary it's just a beautiful

1855
01:06:16,470 --> 01:06:14,079
beautiful way of

1856
01:06:18,870 --> 01:06:16,480
uh kind of getting getting that out

1857
01:06:20,309 --> 01:06:18,880
there getting the uh logistics of the

1858
01:06:21,829 --> 01:06:20,319
situation and scenario and the

1859
01:06:24,549 --> 01:06:21,839
phenomenon out there and i think i think

1860
01:06:25,510 --> 01:06:24,559
it's a it's a novel idea and i love the

1861
01:06:27,349 --> 01:06:25,520
uh

1862
01:06:28,870 --> 01:06:27,359
loved what i've seen so much so far i'm

1863
01:06:30,549 --> 01:06:28,880

just chomping at the bit and can't wait

1864

01:06:32,309 --> 01:06:30,559

to watch it man

1865

01:06:34,309 --> 01:06:32,319

it's it's getting better every day i

1866

01:06:37,349 --> 01:06:34,319

mean we're not a professional film team

1867

01:06:39,430 --> 01:06:37,359

but we're turning into one and uh our

1868

01:06:41,589 --> 01:06:39,440

initial thought was we'll pull out some

1869

01:06:43,670 --> 01:06:41,599

cell phones and and uh you know film

1870

01:06:46,710 --> 01:06:43,680

that way you know witness statements and

1871

01:06:48,950 --> 01:06:46,720

all this stuff uh i would in the future

1872

01:06:49,829 --> 01:06:48,960

like document professionally my entire

1873

01:06:51,510 --> 01:06:49,839

case

1874

01:06:52,470 --> 01:06:51,520

um and that's just

1875

01:06:56,950 --> 01:06:52,480

you know

1876

01:06:59,029 --> 01:06:56,960

have it all down eventually i'm gonna

1877

01:07:00,950 --> 01:06:59,039

pass away my investigator you know he's

1878

01:07:03,430 --> 01:07:00,960

going to pass away and this is not going

1879

01:07:05,910 --> 01:07:03,440

to be told and i think it's important uh

1880

01:07:07,829 --> 01:07:05,920

especially for people that are affected

1881

01:07:09,190 --> 01:07:07,839

in the way i was you know some people it

1882

01:07:11,430 --> 01:07:09,200

takes some years

1883

01:07:12,309 --> 01:07:11,440

for me it was just kind of an overnight

1884

01:07:13,270 --> 01:07:12,319

you know

1885

01:07:15,430 --> 01:07:13,280

thing

1886

01:07:17,589 --> 01:07:15,440

that i had to cope with afterwards and

1887

01:07:18,549 --> 01:07:17,599

uh learning those mechanisms on a daily

1888

01:07:21,750 --> 01:07:18,559

basis

1889

01:07:24,630 --> 01:07:21,760

um but uh i want that documented but i

1890

01:07:26,710 --> 01:07:24,640

don't want a documentary being about me

1891

01:07:28,069 --> 01:07:26,720

let's let's put some hard evidence in

1892

01:07:30,630 --> 01:07:28,079

there you know let's put some

1893

01:07:32,150 --> 01:07:30,640

credibility in there that's fine um but

1894

01:07:33,349 --> 01:07:32,160

i want to branch this out to all the

1895

01:07:35,270 --> 01:07:33,359

people out there in the world that are

1896

01:07:38,069 --> 01:07:35,280

suffering from this and i have no one to

1897

01:07:39,990 --> 01:07:38,079

talk to or go it's a terrible thing to

1898

01:07:42,069 --> 01:07:40,000

carry around

1899

01:07:43,750 --> 01:07:42,079

well i know uh i appreciate you and a

1900

01:07:45,349 --> 01:07:43,760

lot of other people appreciate your

1901

01:07:47,349 --> 01:07:45,359

efforts and what you're trying to do and

1902

01:07:48,870 --> 01:07:47,359

i think it's very noble and i can't

1903

01:07:50,950 --> 01:07:48,880

thank you enough for coming on the

1904

01:07:52,150 --> 01:07:50,960

podcast i hope i hope we can talk again

1905

01:07:53,990 --> 01:07:52,160

soon

1906

01:07:56,789 --> 01:07:54,000

yeah yeah you absolutely have my number

1907

01:07:58,630 --> 01:07:56,799

man and it'd be a be great just to

1908

01:08:01,029 --> 01:07:58,640

talk anytime

1909

01:08:03,190 --> 01:08:01,039

right on well until next time i'll talk

1910

01:08:04,710 --> 01:08:03,200

to you soon and uh i'll let you go

1911

01:08:06,630 --> 01:08:04,720

thanks so much

1912

01:08:08,470 --> 01:08:06,640

thanks for uh thanks for having me on my

1913

01:08:09,910 --> 01:08:08,480

friend you take care

1914

01:08:12,390 --> 01:08:09,920

well there you have it ladies and

1915

01:08:14,069 --> 01:08:12,400

gentlemen eric mitchell not just an

1916

01:08:15,589 --> 01:08:14,079

experiencer but one that's doing

1917

01:08:17,990 --> 01:08:15,599

something about it trying to make a

1918

01:08:20,149 --> 01:08:18,000

difference and this epic documentary

1919

01:08:21,590 --> 01:08:20,159

that will be coming out soon please

1920

01:08:26,470 --> 01:08:21,600

check it out

1921

01:08:32,630 --> 01:08:30,789

and there's also a way to donate at that

1922

01:08:34,070 --> 01:08:32,640

address i would highly recommend doing

1923

01:08:35,669 --> 01:08:34,080

that as well

1924

01:08:38,309 --> 01:08:35,679

until next time keep your eyes to the

1925

01:08:57,189 --> 01:08:38,319

skies feet on the ground but don't

1926

01:09:03,189 --> 01:09:00,070

come blast off in my time machine third

1927

01:09:04,390 --> 01:09:03,199

eye feeling like a knee vision blast off
