Dimensions
Mysterious Triangles of the U.S.

HERO

1
00:00:01,839 --> 00:00:13,900
hey

2
00:00:13,910 --> 00:00:28,550
[Music]

3
00:00:28,560 --> 00:00:33,760
machine

4
00:00:33,770 --> 00:00:38,229
[Music]

5
00:00:45,510 --> 00:00:42,069
blast off on another vip episode of hero

6
00:00:47,830 --> 00:00:45,520
paranormal podcast broadcasting from the

7
00:00:51,110 --> 00:00:47,840
base at la madre mountain just south of

8
00:00:53,590 --> 00:00:51,120
area 51 my name is ryan the original

9
00:00:56,389 --> 00:00:53,600
outlaw of the airwaves bringing you a

10
00:00:59,750 --> 00:00:56,399
remarkable episode today

11
00:01:01,270 --> 00:00:59,760
today we are in for a special and extra

12
00:01:03,670 --> 00:01:01,280
special treat

13
00:01:06,070 --> 00:01:03,680

from an extra special guest

14

00:01:08,789 --> 00:01:06,080

we have cheryl lynn carter

15

00:01:11,830 --> 00:01:08,799

author investigator numerologist

16

00:01:13,270 --> 00:01:11,840

explorer seer and overall awesome

17

00:01:17,270 --> 00:01:13,280

individual

18

00:01:19,749 --> 00:01:17,280

cheryl has written multiple books

19

00:01:21,749 --> 00:01:19,759

including but not limited to

20

00:01:24,310 --> 00:01:21,759

fear the darkness

21

00:01:25,429 --> 00:01:24,320

edge of darkness and whispers beyond the

22

00:01:28,230 --> 00:01:25,439

grave

23

00:01:29,270 --> 00:01:28,240

today we are discussing cheryl's latest

24

00:01:32,469 --> 00:01:29,280

book

25

00:01:33,510 --> 00:01:32,479

dimensions mysterious triangles of the

26

00:01:34,789 --> 00:01:33,520

u.s

27

00:01:37,190 --> 00:01:34,799

this book

28

00:01:39,350 --> 00:01:37,200

literally knocked my socks off by the

29

00:01:40,630 --> 00:01:39,360

in-depth examples

30

00:01:43,429 --> 00:01:40,640

and

31

00:01:46,230 --> 00:01:43,439

overall research included in telling the

32

00:01:47,749 --> 00:01:46,240

mysterious story of doorways parallel

33

00:01:50,230 --> 00:01:47,759

dimensions

34

00:01:52,550 --> 00:01:50,240

and alternate realms in the universe

35

00:01:55,190 --> 00:01:52,560

that might compel us to question

36

00:01:57,030 --> 00:01:55,200

everything we thought we knew

37

00:01:59,429 --> 00:01:57,040

she has delved into places of high

38

00:02:00,950 --> 00:01:59,439

strangeness and takes readers along on

39

00:02:04,469 --> 00:02:00,960

the journey

40

00:02:07,030 --> 00:02:04,479

cheryl has left no stone unturned when

41

00:02:10,309 --> 00:02:07,040

it comes to explaining the history

42

00:02:12,790 --> 00:02:10,319

of mysterious areas that claim ships

43

00:02:14,869 --> 00:02:12,800

airplanes and more people than anyone

44

00:02:17,270 --> 00:02:14,879

could ever imagine

45

00:02:20,229 --> 00:02:17,280

whether discussing puck wedgies or the

46

00:02:23,270 --> 00:02:20,239

mysterious shape-shifting kushtaka

47

00:02:25,910 --> 00:02:23,280

a huge half otter half man entity which

48

00:02:28,869 --> 00:02:25,920

lives deep in the woods of alaska

49

00:02:32,070 --> 00:02:28,879

cheryl paints a very realistic picture

50

00:02:34,229 --> 00:02:32,080

of very surreal locations

51
00:02:37,350 --> 00:02:34,239
with rich histories of native american

52
00:02:39,830 --> 00:02:37,360
entities and some very legitimate more

53
00:02:41,110 --> 00:02:39,840
modern ones like the goat man of pope

54
00:02:43,509 --> 00:02:41,120
lick

55
00:02:45,589 --> 00:02:43,519
eerie harbingers of death and

56
00:02:47,190 --> 00:02:45,599
destruction are not left out of this

57
00:02:49,509 --> 00:02:47,200
magnificent work

58
00:02:52,070 --> 00:02:49,519
some of the most amazing ufo and

59
00:02:54,390 --> 00:02:52,080
extraterrestrial mysteries also radiate

60
00:02:56,390 --> 00:02:54,400
the pages of this unique book

61
00:02:59,190 --> 00:02:56,400
and living in nevada

62
00:03:01,110 --> 00:02:59,200
i was blown away by some of the history

63
00:03:02,790 --> 00:03:01,120

of green lake

64

00:03:05,190 --> 00:03:02,800

the united states definitely has its

65

00:03:06,470 --> 00:03:05,200

share of mysterious triangles

66

00:03:09,750 --> 00:03:06,480

and

67

00:03:13,270 --> 00:03:09,760

they seem to act as dimensional doorways

68

00:03:15,830 --> 00:03:13,280

traversing time and space

69

00:03:18,949 --> 00:03:15,840

come along as we go deep

70

00:03:21,509 --> 00:03:18,959

into their rabbit hole

71

00:03:24,149 --> 00:03:21,519

cheryl lynn carter welcome to the hero

72

00:03:27,350 --> 00:03:24,159

paranormal podcast

73

00:03:29,750 --> 00:03:27,360

hi i'm happy to be here i'm excited

74

00:03:31,509 --> 00:03:29,760

it it's going to be great i'm super

75

00:03:33,589 --> 00:03:31,519

excited

76

00:03:35,990 --> 00:03:33,599

cheryl there are so many places that we

77

00:03:38,390 --> 00:03:36,000

can start let me ask you this

78

00:03:40,949 --> 00:03:38,400

what first brought you to reason a book

79

00:03:42,710 --> 00:03:40,959

like this that should be written about

80

00:03:47,350 --> 00:03:42,720

something because it's like this because

81

00:03:51,509 --> 00:03:49,430

well i'm a

82

00:03:53,589 --> 00:03:51,519

psychic medium so i've always had high

83

00:03:55,830 --> 00:03:53,599

strangeness in my life

84

00:03:57,270 --> 00:03:55,840

i'm a member of mufon

85

00:03:59,030 --> 00:03:57,280

and i

86

00:04:01,030 --> 00:03:59,040

live in michigan where we have the

87

00:04:03,270 --> 00:04:01,040

michigan triangle so i thought there's

88

00:04:04,550 --> 00:04:03,280

got to be more places in the united

89

00:04:06,309 --> 00:04:04,560

states

90

00:04:08,949 --> 00:04:06,319

besides just ours so i started

91

00:04:11,190 --> 00:04:08,959

researching and i found 10 more

92

00:04:13,350 --> 00:04:11,200

oh it's so cool

93

00:04:16,870 --> 00:04:13,360

well i really really enjoyed the book it

94

00:04:19,110 --> 00:04:16,880

was like a serious page turner and

95

00:04:21,349 --> 00:04:19,120

you have a renowned and long history of

96

00:04:22,870 --> 00:04:21,359

being intrigued by and studying the

97

00:04:25,189 --> 00:04:22,880

mysteries of the unknown and the

98

00:04:28,310 --> 00:04:25,199

paranormal what started you down this

99

00:04:33,189 --> 00:04:30,629

well i had my first experience when i

100

00:04:34,150 --> 00:04:33,199

was four years old when i saw a spirit

101
00:04:35,590 --> 00:04:34,160
and

102
00:04:37,990 --> 00:04:35,600
you know i just been hooked my whole

103
00:04:40,710 --> 00:04:38,000
life when i was four years old i was

104
00:04:42,629 --> 00:04:40,720
didn't know quite what it was probably

105
00:04:44,790 --> 00:04:42,639
not until high school and then i just

106
00:04:46,390 --> 00:04:44,800
wanted more and more and more

107
00:04:48,550 --> 00:04:46,400
which i still do

108
00:04:49,350 --> 00:04:48,560
yeah you can never know too much about

109
00:04:51,830 --> 00:04:49,360
this

110
00:04:53,430 --> 00:04:51,840
no it's such a treat it is it's a i love

111
00:04:54,310 --> 00:04:53,440
it too

112
00:04:57,510 --> 00:04:54,320
and

113
00:05:00,230 --> 00:04:57,520

i it is uh this this book is amazing i

114

00:05:02,550 --> 00:05:00,240

like i said such a page turner and

115

00:05:05,430 --> 00:05:02,560

one portion of your book described a

116

00:05:08,310 --> 00:05:05,440

unique location known as the bennington

117

00:05:10,629 --> 00:05:08,320

triangle which the movie the blair witch

118

00:05:13,029 --> 00:05:10,639

project was formulated after

119

00:05:15,670 --> 00:05:13,039

a place with monsters disappearances

120

00:05:18,629 --> 00:05:15,680

murders and mysteries do you mind if i

121

00:05:20,870 --> 00:05:18,639

read a short excerpt from this section

122

00:05:23,350 --> 00:05:20,880

and ask you some questions about it

123

00:05:24,390 --> 00:05:23,360

sure go ahead

124

00:05:26,550 --> 00:05:24,400

awesome

125

00:05:29,189 --> 00:05:26,560

so

126

00:05:31,590 --> 00:05:29,199

this area has always had claims

127

00:05:33,749 --> 00:05:31,600

of many mysterious phenomena strange

128

00:05:35,590 --> 00:05:33,759

sounds anomalous lights feelings of

129

00:05:38,310 --> 00:05:35,600

disorientation

130

00:05:40,629 --> 00:05:38,320

people going insane cryptids and ufo

131

00:05:43,390 --> 00:05:40,639

sightings the algonquin people who

132

00:05:47,350 --> 00:05:43,400

inhabited the land from as far back as

133

00:05:49,430 --> 00:05:47,360

8500 bc chose to avoid the land west of

134

00:05:51,990 --> 00:05:49,440

the glastonbury mountain

135

00:05:53,909 --> 00:05:52,000

believing it to be a powerful place

136

00:05:55,670 --> 00:05:53,919

where there was a convergence of the

137

00:05:58,070 --> 00:05:55,680

four winds believing it to be a

138

00:05:59,909 --> 00:05:58,080

passageway to another world

139

00:06:02,390 --> 00:05:59,919

and they used it as a burial ground

140

00:06:03,749 --> 00:06:02,400

that's kind of the kind of places we're

141

00:06:05,510 --> 00:06:03,759

talking about and

142

00:06:08,309 --> 00:06:05,520

your book goes into so many other

143

00:06:11,350 --> 00:06:08,319

examples they really are dimensional

144

00:06:12,629 --> 00:06:11,360

areas and this particular one the

145

00:06:16,469 --> 00:06:12,639

bennington

146

00:06:18,790 --> 00:06:16,479

triangle is wild uh can

147

00:06:20,629 --> 00:06:18,800

can we kind of dive into bennington a

148

00:06:23,189 --> 00:06:20,639

little bit and all of the wild stuff

149

00:06:25,510 --> 00:06:23,199

that's happened there

150

00:06:26,390 --> 00:06:25,520

probably probably the weirdest thing was

151
00:06:38,230 --> 00:06:26,400
the

152
00:06:40,790 --> 00:06:38,240
it actually went on for five years

153
00:06:43,029 --> 00:06:40,800
the the first person his name was mitty

154
00:06:44,469 --> 00:06:43,039
rivers he was actually a guide

155
00:06:47,590 --> 00:06:44,479
and he was

156
00:06:48,790 --> 00:06:47,600
taking some people down the trail

157
00:06:50,469 --> 00:06:48,800
and

158
00:06:52,629 --> 00:06:50,479
he got a little bit ahead of him on the

159
00:06:54,150 --> 00:06:52,639
way back and when they tried to catch up

160
00:06:58,230 --> 00:06:54,160
with them he was gone he just

161
00:07:02,390 --> 00:07:01,110
next year a college student named paula

162
00:07:04,550 --> 00:07:02,400
weldon

163
00:07:06,469 --> 00:07:04,560

decided to go take a walk down the trail

164

00:07:08,309 --> 00:07:06,479

like she always did

165

00:07:10,870 --> 00:07:08,319

and she's walking down the trail there

166

00:07:13,990 --> 00:07:10,880

was a couple walking behind her they saw

167

00:07:17,029 --> 00:07:14,000

her go around a bed when they got there

168

00:07:19,270 --> 00:07:17,039

she was has disappeared too

169

00:07:21,909 --> 00:07:19,280

yeah another man was called james

170

00:07:24,790 --> 00:07:21,919

tedford this one's really crazy

171

00:07:27,430 --> 00:07:24,800

he was on his way back home

172

00:07:30,870 --> 00:07:29,430

and all of a sudden the people looked

173

00:07:32,710 --> 00:07:30,880

over and

174

00:07:34,790 --> 00:07:32,720

he wasn't in his seat anymore but a

175

00:07:37,110 --> 00:07:34,800

suitcase was there but the bus never

176
00:07:40,629 --> 00:07:37,120
stopped he had just disappeared off the

177
00:07:42,710 --> 00:07:40,639
bus never to be found again

178
00:07:45,189 --> 00:07:42,720
that was so cool next one was a little

179
00:07:47,670 --> 00:07:45,199
boy named paul jepsen

180
00:07:50,469 --> 00:07:47,680
he was outside playing and his his

181
00:07:51,990 --> 00:07:50,479
father said he was always

182
00:07:53,510 --> 00:07:52,000
telling them that he was being called

183
00:07:55,189 --> 00:07:53,520
into the woods something was calling him

184
00:07:57,029 --> 00:07:55,199
into the woods

185
00:07:59,029 --> 00:07:57,039
and one day he went in there and they

186
00:08:02,550 --> 00:07:59,039
never found him again either

187
00:08:04,390 --> 00:08:02,560
right and the last one was frida langer

188
00:08:06,230 --> 00:08:04,400

and she was also

189

00:08:09,749 --> 00:08:06,240

camping there and she went with one of

190

00:08:11,749 --> 00:08:09,759

her friends down the trail

191

00:08:13,749 --> 00:08:11,759

and she got wet in the water and she

192

00:08:15,270 --> 00:08:13,759

said i'm gonna go back and change i'll

193

00:08:17,270 --> 00:08:15,280

meet up with you and

194

00:08:19,029 --> 00:08:17,280

she never got back to camp her friend

195

00:08:20,309 --> 00:08:19,039

never found her

196

00:08:22,790 --> 00:08:20,319

and after the five years the

197

00:08:25,510 --> 00:08:22,800

disappearances just stopped

198

00:08:28,390 --> 00:08:25,520

now did they go into another dimension

199

00:08:30,869 --> 00:08:28,400

did a portal open what happened to them

200

00:08:32,870 --> 00:08:30,879

no one ever knew

201
00:08:34,870 --> 00:08:32,880
right

202
00:08:37,269 --> 00:08:34,880
and you know these

203
00:08:39,990 --> 00:08:37,279
this rich history in the bennington area

204
00:08:41,670 --> 00:08:40,000
it's so similar and reminds me so much

205
00:08:44,470 --> 00:08:41,680
of like

206
00:08:46,389 --> 00:08:44,480
missing 4-1-1 and yeah

207
00:08:48,870 --> 00:08:46,399
it's just you know a lot of times these

208
00:08:51,590 --> 00:08:48,880
people like you said are in close

209
00:08:53,990 --> 00:08:51,600
proximity to other people and then poof

210
00:08:55,590 --> 00:08:54,000
they're gone

211
00:08:57,670 --> 00:08:55,600
like like how do you go missing off the

212
00:09:00,710 --> 00:08:57,680
bus it's getting stopped that that was

213
00:09:01,670 --> 00:09:00,720

the craziest that's crazy yeah it really

214

00:09:03,350 --> 00:09:01,680

is

215

00:09:06,470 --> 00:09:03,360

um

216

00:09:09,110 --> 00:09:06,480

going back a bit in the book another

217

00:09:11,430 --> 00:09:09,120

very strange uh part of the book it's

218

00:09:12,949 --> 00:09:11,440

all amazing this book is so great

219

00:09:16,150 --> 00:09:12,959

um

220

00:09:19,190 --> 00:09:16,160

the monstrous entity that really caught

221

00:09:21,829 --> 00:09:19,200

my attention was of course the kushtaka

222

00:09:25,030 --> 00:09:21,839

which was a shapeshifter half man half

223

00:09:27,829 --> 00:09:25,040

otter entity and alaska has a super rich

224

00:09:30,310 --> 00:09:27,839

history of strange creatures

225

00:09:34,150 --> 00:09:30,320

and multiple disappearances i i love

226

00:09:36,710 --> 00:09:34,160

shapeshifters as you know and i was

227

00:09:38,389 --> 00:09:36,720

i was fascinated by this creature let's

228

00:09:40,389 --> 00:09:38,399

talk a little bit about

229

00:09:44,150 --> 00:09:40,399

your alaska section and what motivated

230

00:09:48,710 --> 00:09:46,150

i was just i've always been fascinated

231

00:09:50,310 --> 00:09:48,720

with alaska i've always wanted to go

232

00:09:53,269 --> 00:09:50,320

there probably never going to happen

233

00:09:55,829 --> 00:09:53,279

it's too expensive for me but

234

00:09:57,269 --> 00:09:55,839

i just started i guess i was watching on

235

00:09:59,030 --> 00:09:57,279

ancient aliens and they were talking

236

00:10:01,910 --> 00:09:59,040

about the alaskan triangle one time and

237

00:10:03,030 --> 00:10:01,920

i said okay i gotta check this place out

238

00:10:05,910 --> 00:10:03,040

and

239

00:10:07,590 --> 00:10:05,920

it has more disappearances

240

00:10:09,990 --> 00:10:07,600

than the bermuda triangle everybody

241

00:10:12,550 --> 00:10:10,000

thinks that the burrito triangle is the

242

00:10:15,030 --> 00:10:12,560

place you know right

243

00:10:17,430 --> 00:10:15,040

but alaska has it has a lot more

244

00:10:19,910 --> 00:10:17,440

disappearances

245

00:10:22,550 --> 00:10:19,920

in fact one of one of the most famous

246

00:10:24,150 --> 00:10:22,560

ones was the disappearance of the

247

00:10:26,470 --> 00:10:24,160

contessa

248

00:10:28,230 --> 00:10:26,480

in 1812

249

00:10:30,949 --> 00:10:28,240

where um

250

00:10:33,910 --> 00:10:30,959

democratic house majority leader

251
00:10:36,069 --> 00:10:33,920
hail boggs and the alaskan house of

252
00:10:37,190 --> 00:10:36,079
representatives nicholas

253
00:10:39,990 --> 00:10:37,200
beach

254
00:10:42,069 --> 00:10:40,000
um boarded a small plane and they were

255
00:10:43,750 --> 00:10:42,079
heading over to alaska and all of a

256
00:10:48,310 --> 00:10:43,760
sudden their

257
00:10:55,750 --> 00:10:50,949
right and the weird thing was

258
00:11:01,590 --> 00:10:57,430
and they think there was like some

259
00:11:06,310 --> 00:11:04,069
that could be connected to uh bugs who

260
00:11:08,550 --> 00:11:06,320
says when he came back home

261
00:11:11,590 --> 00:11:08,560
he was going to file some allegations

262
00:11:12,550 --> 00:11:11,600
about the fbi doing wiretapping on the

263
00:11:14,630 --> 00:11:12,560

members

264

00:11:16,389 --> 00:11:14,640

and he wanted to open up the j f kennedy

265

00:11:18,150 --> 00:11:16,399

assassination

266

00:11:19,829 --> 00:11:18,160

because he said

267

00:11:21,030 --> 00:11:19,839

he knew jfk

268

00:11:24,870 --> 00:11:21,040

had seen

269

00:11:28,230 --> 00:11:24,880

uh the aliens the craft from roswell

270

00:11:31,430 --> 00:11:28,240

and he wanted to talk about that

271

00:11:33,430 --> 00:11:31,440

and there's also a cia wiretap

272

00:11:35,750 --> 00:11:33,440

where they got information from marilyn

273

00:11:36,949 --> 00:11:35,760

monroe's phone calls where she was going

274

00:11:38,870 --> 00:11:36,959

to go

275

00:11:41,430 --> 00:11:38,880

for press conference

276

00:11:42,470 --> 00:11:41,440

and talk about what jfk told her and of

277

00:11:45,190 --> 00:11:42,480

course

278

00:11:48,949 --> 00:11:45,200

maryland had committed suicide suddenly

279

00:11:53,269 --> 00:11:51,190

this is all in papers

280

00:11:58,710 --> 00:11:53,279

called the majestic 12 which was a

281

00:12:02,230 --> 00:12:00,150

and you went into

282

00:12:04,150 --> 00:12:02,240

great detail uh

283

00:12:06,230 --> 00:12:04,160

i love that about the book everything is

284

00:12:09,670 --> 00:12:06,240

not just kind of like quickly glossed

285

00:12:11,990 --> 00:12:09,680

over you went into great detail

286

00:12:14,870 --> 00:12:12,000

noting all the majestic 12 members many

287

00:12:17,190 --> 00:12:14,880

of the documents and strange goings on i

288

00:12:18,069 --> 00:12:17,200

thought that was absolutely great

289

00:12:19,750 --> 00:12:18,079

and

290

00:12:21,670 --> 00:12:19,760

the other thing that i thought was great

291

00:12:23,110 --> 00:12:21,680

is that yeah you point out that

292

00:12:26,150 --> 00:12:23,120

everybody makes such a big deal about

293

00:12:29,269 --> 00:12:26,160

the bermuda triangle but there are other

294

00:12:31,590 --> 00:12:29,279

areas and it's it's astounding how many

295

00:12:33,430 --> 00:12:31,600

where very similar things happen

296

00:12:37,190 --> 00:12:33,440

aren't aren't there

297

00:12:38,550 --> 00:12:37,200

absolutely and i said it's even more

298

00:12:40,949 --> 00:12:38,560

when you look at the numbers in these

299

00:12:43,829 --> 00:12:40,959

other places and and yeah it's even

300

00:12:45,829 --> 00:12:43,839

crazier than bermuda triangle

301
00:12:48,470 --> 00:12:45,839
way crazier you know you don't hear

302
00:12:50,389 --> 00:12:48,480
about you know cryptids and

303
00:12:52,389 --> 00:12:50,399
ufos you really hear about that in the

304
00:12:55,269 --> 00:12:52,399
beer triangle it's maybe ships and

305
00:12:57,030 --> 00:12:55,279
planes missing

306
00:12:58,310 --> 00:12:57,040
yeah the other ones have a lot more

307
00:13:00,949 --> 00:12:58,320
coming from them

308
00:13:03,750 --> 00:13:00,959
they do they really do

309
00:13:06,389 --> 00:13:03,760
and it nothing is safe from the

310
00:13:09,509 --> 00:13:06,399
mysteries these triangles can impose on

311
00:13:12,389 --> 00:13:09,519
vehicles people planes ships

312
00:13:13,509 --> 00:13:12,399
and even trains i will i wanted to

313
00:13:15,269 --> 00:13:13,519

discuss

314

00:13:18,550 --> 00:13:15,279

the section of

315

00:13:20,790 --> 00:13:18,560

your book which included a ufo colliding

316

00:13:22,310 --> 00:13:20,800

with a train and some of the strangeness

317

00:13:24,949 --> 00:13:22,320

involved with all that what a great

318

00:13:27,670 --> 00:13:24,959

story of a train hitting a ufo at

319

00:13:30,870 --> 00:13:27,680

roughly 30 miles an hour with 16 tons

320

00:13:34,629 --> 00:13:30,880

behind it and the mib type events that

321

00:13:37,350 --> 00:13:34,639

happened afterwards can we get into that

322

00:13:39,430 --> 00:13:37,360

yeah so the this uh this train was you

323

00:13:41,750 --> 00:13:39,440

know it was going along this is

324

00:13:44,470 --> 00:13:41,760

close to louisville kentucky

325

00:13:47,750 --> 00:13:44,480

a small town and the train is going

326

00:13:49,350 --> 00:13:47,760

along and it's at night and

327

00:13:51,829 --> 00:13:49,360

they're coming around a bin and they

328

00:13:53,509 --> 00:13:51,839

they saw a light and he thought it was

329

00:13:55,910 --> 00:13:53,519

another train

330

00:13:57,910 --> 00:13:55,920

coming on the opposite tracks so he kind

331

00:13:59,910 --> 00:13:57,920

of dimmed his lights so it wouldn't

332

00:14:02,069 --> 00:13:59,920

shine in their eyes but when he came

333

00:14:05,509 --> 00:14:02,079

around the tracks it wasn't a train it

334

00:14:07,829 --> 00:14:05,519

was a ufo sitting on the tracks

335

00:14:10,150 --> 00:14:07,839

a big saucer shape

336

00:14:13,430 --> 00:14:10,160

and before i could try to stop the train

337

00:14:16,230 --> 00:14:13,440

which you can't stop a train immediately

338

00:14:18,550 --> 00:14:16,240

it hits the ufo ufo tried to take off

339

00:14:21,350 --> 00:14:18,560

but it clipped the top

340

00:14:23,189 --> 00:14:21,360

so now he's got damage to the train

341

00:14:25,670 --> 00:14:23,199

so he called in and

342

00:14:26,629 --> 00:14:25,680

told headquarters what happened and they

343

00:14:28,470 --> 00:14:26,639

says

344

00:14:31,110 --> 00:14:28,480

okay just stay there we're gonna

345

00:14:34,069 --> 00:14:31,120

we're gonna come for the train

346

00:14:36,790 --> 00:14:34,079

but the thing was

347

00:14:39,110 --> 00:14:36,800

they says okay well we want we decide we

348

00:14:40,310 --> 00:14:39,120

want you to take the train to this other

349

00:14:42,710 --> 00:14:40,320

location

350

00:14:44,230 --> 00:14:42,720

where they can repair it

351
00:14:46,150 --> 00:14:44,240
so he thought it was kind of strange

352
00:14:48,870 --> 00:14:46,160
that they had him go to a

353
00:14:50,310 --> 00:14:48,880
a depot that was no longer being used

354
00:14:53,030 --> 00:14:50,320
right it was like in the middle of

355
00:14:55,350 --> 00:14:53,040
nowhere but he says okay

356
00:14:57,110 --> 00:14:55,360
so he pulls in there everything's dark

357
00:14:59,269 --> 00:14:57,120
everything's dark

358
00:15:01,750 --> 00:14:59,279
and all of a sudden

359
00:15:04,150 --> 00:15:01,760
these spotlights turned on

360
00:15:07,509 --> 00:15:04,160
and he's hearing car doors slamming and

361
00:15:10,629 --> 00:15:07,519
all these men are rushing up to them

362
00:15:15,590 --> 00:15:12,230
and they took him

363
00:15:17,110 --> 00:15:15,600

into a building start interrogating him

364

00:15:18,790 --> 00:15:17,120

telling him

365

00:15:21,189 --> 00:15:18,800

you you're not going to talk about this

366

00:15:23,030 --> 00:15:21,199

we we don't want any any more talk about

367

00:15:25,189 --> 00:15:23,040

this

368

00:15:26,870 --> 00:15:25,199

and then when he went back outside he

369

00:15:29,350 --> 00:15:26,880

noticed that

370

00:15:30,949 --> 00:15:29,360

the damaged engine

371

00:15:33,990 --> 00:15:30,959

was gone

372

00:15:38,389 --> 00:15:35,189

yeah

373

00:15:40,470 --> 00:15:38,399

it's a very strange so strange

374

00:15:42,470 --> 00:15:40,480

so wild

375

00:15:44,949 --> 00:15:42,480

and you know

376

00:15:47,030 --> 00:15:44,959

it is it's just unbelievable you know

377

00:15:48,790 --> 00:15:47,040

that's not some a he an easy thing to

378

00:15:50,629 --> 00:15:48,800

move you know the uh

379

00:15:53,829 --> 00:15:50,639

lead engine on a train

380

00:15:56,470 --> 00:15:53,839

an another mind-blowing train story that

381

00:15:59,269 --> 00:15:56,480

made your book was the pope lick goat

382

00:16:01,350 --> 00:15:59,279

man not to mention disappearances in

383

00:16:05,430 --> 00:16:01,360

this unique area can we

384

00:16:09,910 --> 00:16:07,509

well supposedly

385

00:16:11,749 --> 00:16:09,920

i don't know if it's just a legend or if

386

00:16:13,670 --> 00:16:11,759

it really happened

387

00:16:15,829 --> 00:16:13,680

there was a train

388

00:16:17,990 --> 00:16:15,839

a circus train

389

00:16:19,749 --> 00:16:18,000

that was going over this this old wooden

390

00:16:21,110 --> 00:16:19,759

trestle

391

00:16:25,269 --> 00:16:21,120

and

392

00:16:29,670 --> 00:16:27,670

fell off the tracks

393

00:16:32,230 --> 00:16:29,680

and they had

394

00:16:34,230 --> 00:16:32,240

like most circuses do

395

00:16:36,870 --> 00:16:34,240

they had some kind of a creature in a

396

00:16:38,470 --> 00:16:36,880

cage and they always treated it bad you

397

00:16:40,069 --> 00:16:38,480

know poke it with the stick all this

398

00:16:43,110 --> 00:16:40,079

stuff

399

00:16:45,030 --> 00:16:43,120

and this creature got loose

400

00:16:46,069 --> 00:16:45,040

and they call it the pulp lick monster

401
00:16:48,310 --> 00:16:46,079
and

402
00:16:51,749 --> 00:16:48,320
supposedly he still

403
00:16:55,110 --> 00:16:51,759
walks around the tracks up there

404
00:16:58,230 --> 00:16:55,120
and people are crazy they will climb up

405
00:17:01,189 --> 00:16:58,240
the tracks looking for him

406
00:17:04,630 --> 00:17:01,199
not knowing that this is still

407
00:17:06,949 --> 00:17:04,640
active tracks and trains come by and so

408
00:17:08,630 --> 00:17:06,959
many people have been killed

409
00:17:10,949 --> 00:17:08,640
because they're up there and a train

410
00:17:12,549 --> 00:17:10,959
comes by and it they got nowhere to go

411
00:17:14,549 --> 00:17:12,559
except jump

412
00:17:18,309 --> 00:17:14,559
hopefully they see the train but a lot

413
00:17:21,590 --> 00:17:18,319

of people just got hit by the train too

414

00:17:24,949 --> 00:17:21,600

a lot of cases i was

415

00:17:27,909 --> 00:17:24,959

totally blown away by how many cases

416

00:17:30,150 --> 00:17:27,919

of people you know this

417

00:17:32,870 --> 00:17:30,160

i guess it's called a trestle has

418

00:17:35,110 --> 00:17:32,880

it's just taken i mean it just went on

419

00:17:36,870 --> 00:17:35,120

and on i was like oh my gosh there's a

420

00:17:39,990 --> 00:17:36,880

lot of people that have lost their lives

421

00:17:44,950 --> 00:17:42,470

i know people looking for thrills i mean

422

00:17:46,549 --> 00:17:44,960

i i might go there and try to see if i

423

00:17:49,669 --> 00:17:46,559

if i see something but i'm sure not

424

00:17:51,909 --> 00:17:49,679

climbing up on top of the trestle

425

00:17:53,350 --> 00:17:51,919

that's right that's bizarre

426

00:17:55,350 --> 00:17:53,360

super bizarre

427

00:17:56,870 --> 00:17:55,360

people have just fallen off the trestle

428

00:17:58,870 --> 00:17:56,880

trying to climb it let you know let

429

00:18:01,270 --> 00:17:58,880

alone be hit by the train

430

00:18:03,270 --> 00:18:01,280

right that's right

431

00:18:05,510 --> 00:18:03,280

it's it's a wild story

432

00:18:07,510 --> 00:18:05,520

and it's a wild story about the goat man

433

00:18:09,669 --> 00:18:07,520

because like you said i mean such a sad

434

00:18:11,350 --> 00:18:09,679

story at the beginning but now seems to

435

00:18:12,830 --> 00:18:11,360

roam the uh

436

00:18:15,830 --> 00:18:12,840

the uh area

437

00:18:17,350 --> 00:18:15,840

and um another some other strange

438

00:18:20,470 --> 00:18:17,360

creatures that made the book were the

439

00:18:22,950 --> 00:18:20,480

dog man and the sasquatch and of course

440

00:18:25,430 --> 00:18:22,960

um i i would like to discuss that the

441

00:18:30,549 --> 00:18:25,440

dog man the the michigan dog man a bit

442

00:18:35,110 --> 00:18:32,710

it's it's almost like

443

00:18:37,990 --> 00:18:35,120

not not quite like a wolf

444

00:18:40,070 --> 00:18:38,000

but it's got the body of a man

445

00:18:42,070 --> 00:18:40,080

the head of a dog

446

00:18:44,390 --> 00:18:42,080

yeah it's you know it's it's just seen

447

00:18:47,510 --> 00:18:44,400

out in the woods a lot

448

00:18:49,510 --> 00:18:47,520

i've never actually seen him yet

449

00:18:51,669 --> 00:18:49,520

it could be possible someday i would run

450

00:18:53,909 --> 00:18:51,679

into him

451
00:18:55,750 --> 00:18:53,919
yeah i've had more instances running

452
00:18:59,990 --> 00:18:55,760
into bigfoot in michigan than the dog

453
00:19:04,150 --> 00:19:02,070
and you're actually out there doing it

454
00:19:07,430 --> 00:19:04,160
you what's nice is you actually go out

455
00:19:09,590 --> 00:19:07,440
and explore and you're not

456
00:19:11,750 --> 00:19:09,600
i guess an armchair researcher by any

457
00:19:14,070 --> 00:19:11,760
means

458
00:19:15,830 --> 00:19:14,080
i thought that was really cool

459
00:19:18,390 --> 00:19:15,840
you also had

460
00:19:20,710 --> 00:19:18,400
multiple sections in the book about

461
00:19:22,950 --> 00:19:20,720
harbingers of death and mibs like we've

462
00:19:24,630 --> 00:19:22,960
already kind of discussed can we discuss

463
00:19:27,669 --> 00:19:24,640

a little bit about the history and the

464

00:19:30,390 --> 00:19:27,679

story of the dam that could not break

465

00:19:33,750 --> 00:19:30,400

and some of the harbingers with that

466

00:19:35,190 --> 00:19:33,760

yeah that is the most bizarre story

467

00:19:42,070 --> 00:19:35,200

there's a

468

00:19:46,630 --> 00:19:42,080

and

469

00:19:48,710 --> 00:19:46,640

the the original dam was just made out

470

00:19:50,830 --> 00:19:48,720

of rocks and mud and so of course it

471

00:19:53,830 --> 00:19:50,840

would it would burst all the

472

00:19:55,430 --> 00:19:53,840

time but a man from new york

473

00:19:57,430 --> 00:19:55,440

came over

474

00:19:58,789 --> 00:19:57,440

to the area and his name was george

475

00:20:02,549 --> 00:19:58,799

palace and

476
00:20:04,710 --> 00:20:02,559
he thought this would be a good place to

477
00:20:08,070 --> 00:20:04,720
build his pulp and paper company because

478
00:20:12,470 --> 00:20:08,080
there was a lot of forest there

479
00:20:14,470 --> 00:20:12,480
so he hired a man to come over and

480
00:20:17,510 --> 00:20:14,480
build the dam for him he gave him a

481
00:20:19,110 --> 00:20:17,520
certain amount of money to spend

482
00:20:21,270 --> 00:20:19,120
and the man says well you know you're

483
00:20:23,510 --> 00:20:21,280
kind of cutting corners here we need

484
00:20:24,470 --> 00:20:23,520
special reinforcement bars down on the

485
00:20:26,950 --> 00:20:24,480
bottom

486
00:20:28,549 --> 00:20:26,960
to keep it strong no no no just just do

487
00:20:30,470 --> 00:20:28,559
it just do it

488
00:20:32,149 --> 00:20:30,480

we need need to have it done it's

489

00:20:35,830 --> 00:20:32,159

getting to be december and it's you know

490

00:20:39,669 --> 00:20:35,840

we got to get this done so um on january

491

00:20:41,669 --> 00:20:39,679

17 1910 a portion of the bottom started

492

00:20:44,470 --> 00:20:41,679

to leave

493

00:20:46,470 --> 00:20:44,480

well they patched it up and the

494

00:20:49,190 --> 00:20:46,480

engineers said well i can do such and

495

00:20:51,990 --> 00:20:49,200

such to make it better he goes no no

496

00:20:54,710 --> 00:20:52,000

we're good we patched it up it's okay

497

00:20:57,830 --> 00:20:54,720

so in the meantime

498

00:20:59,270 --> 00:20:57,840

a stranger a tall dark man dressed in

499

00:21:00,950 --> 00:20:59,280

black

500

00:21:02,789 --> 00:21:00,960

start hanging around the buffalo

501
00:21:05,830 --> 00:21:02,799
railroad tracks that were next to the

502
00:21:10,390 --> 00:21:08,230
he would ride on the train he wouldn't

503
00:21:12,310 --> 00:21:10,400
look at anybody no one looked at him

504
00:21:14,070 --> 00:21:12,320
because they they didn't want to talk to

505
00:21:16,870 --> 00:21:14,080
him

506
00:21:21,029 --> 00:21:16,880
he'd be seen running in and out of the

507
00:21:22,230 --> 00:21:21,039
cars running across the top of the train

508
00:21:24,070 --> 00:21:22,240
wow

509
00:21:28,310 --> 00:21:24,080
but nobody wanted to

510
00:21:32,310 --> 00:21:30,549
there was a lady that lived up on top of

511
00:21:33,510 --> 00:21:32,320
the hill by the dam

512
00:21:37,510 --> 00:21:33,520
her name was

513
00:21:41,190 --> 00:21:39,669

that's right yeah other women in the

514

00:21:42,950 --> 00:21:41,200

town never really

515

00:21:45,750 --> 00:21:42,960

talked about her unless they talked

516

00:21:49,110 --> 00:21:45,760

about the woman who ran the brothel on

517

00:21:51,990 --> 00:21:50,950

so one day she was sitting out on her

518

00:21:54,710 --> 00:21:52,000

porch

519

00:21:57,510 --> 00:21:54,720

and she heard a really strange sound and

520

00:21:59,990 --> 00:21:57,520

she looked and the damn had burst

521

00:22:02,310 --> 00:22:00,000

so she runs down

522

00:22:05,029 --> 00:22:02,320

starts alerting the town

523

00:22:07,909 --> 00:22:05,039

people got up to high ground

524

00:22:10,630 --> 00:22:07,919

before the damn burst there was just

525

00:22:12,710 --> 00:22:10,640

lumber and just just all kinds of stuff

526

00:22:18,230 --> 00:22:12,720

just running through rushing rushing

527

00:22:21,750 --> 00:22:20,549

and now everybody when they spoke of

528

00:22:24,470 --> 00:22:21,760

coral brooks

529

00:22:27,029 --> 00:22:24,480

they talk about the wonderful woman who

530

00:22:29,110 --> 00:22:27,039

lived up on the hill and saved the town

531

00:22:32,950 --> 00:22:29,120

yeah

532

00:22:35,590 --> 00:22:32,960

and the stranger was never seen again

533

00:22:38,230 --> 00:22:35,600

and they think was he a harbinger of

534

00:22:41,029 --> 00:22:38,240

something to come

535

00:22:43,350 --> 00:22:41,039

and it's very similar to the mockman

536

00:22:45,830 --> 00:22:43,360

sightings near point pleasant west

537

00:22:50,390 --> 00:22:45,840

virginia on the silver bridge

538

00:22:52,950 --> 00:22:50,400

that happened on december 15 1967.

539

00:22:55,110 --> 00:22:52,960

it really is

540

00:22:57,909 --> 00:22:55,120

super similar

541

00:23:00,789 --> 00:22:57,919

it reminded me a lot of point pleasant

542

00:23:02,470 --> 00:23:00,799

and you know yeah it's and i love that

543

00:23:05,830 --> 00:23:02,480

it was called the damn that could not

544

00:23:07,590 --> 00:23:05,840

break such a great story behind it and

545

00:23:09,510 --> 00:23:07,600

that's what george used to say he goes

546

00:23:11,830 --> 00:23:09,520

don't worry this is the damn that

547

00:23:14,230 --> 00:23:11,840

couldn't break that was his motto

548

00:23:15,510 --> 00:23:14,240

exactly oops

549

00:23:18,310 --> 00:23:15,520

spooky

550

00:23:21,110 --> 00:23:18,320

and and that harbinger i mean just wow

551
00:23:23,029 --> 00:23:21,120
it was definitely

552
00:23:25,909 --> 00:23:23,039
one of my favorite parts of the book um

553
00:23:27,350 --> 00:23:25,919
another very interesting section that i

554
00:23:30,710 --> 00:23:27,360
have to mention

555
00:23:32,630 --> 00:23:30,720
is the enfield horror and is it okay if

556
00:23:34,830 --> 00:23:32,640
i read just a quick excerpt about

557
00:23:36,470 --> 00:23:34,840
enfield

558
00:23:39,110 --> 00:23:36,480
sure

559
00:23:41,269 --> 00:23:39,120
the enfield horror of enfield illinois

560
00:23:44,510 --> 00:23:41,279
is probably one of the strangest cryptid

561
00:23:47,269 --> 00:23:44,520
encounters ever recorded on april 25th

562
00:23:49,430 --> 00:23:47,279
1973 a ten-year-old boy named greg

563
00:23:51,590 --> 00:23:49,440

garrett claimed to have been attacked by

564

00:23:54,870 --> 00:23:51,600

a mysterious creature as he was playing

565

00:23:58,310 --> 00:23:54,880

in his backyard it was four feet tall

566

00:24:00,630 --> 00:23:58,320

had three legs grayish slimy skin

567

00:24:02,950 --> 00:24:00,640

short claws and huge red eyes the

568

00:24:05,190 --> 00:24:02,960

creature approached him and stomped on

569

00:24:07,190 --> 00:24:05,200

his feet tearing his tennis shoes to

570

00:24:11,909 --> 00:24:07,200

shreds i mean

571

00:24:15,750 --> 00:24:13,669

and you know i i used to live in

572

00:24:19,430 --> 00:24:15,760

illinois and i never knew about all this

573

00:24:22,470 --> 00:24:19,440

crazy stuff when i lived there

574

00:24:24,710 --> 00:24:22,480

wow that it's so wild

575

00:24:27,590 --> 00:24:24,720

and enfield that kind of wasn't the end

576

00:24:29,830 --> 00:24:27,600

of it it more took place can we go into

577

00:24:31,669 --> 00:24:29,840

some of the other stuff that happened uh

578

00:24:32,870 --> 00:24:31,679

and i other people seem to have seen

579

00:24:35,190 --> 00:24:32,880

this thing and

580

00:24:37,350 --> 00:24:35,200

i i mean the way it was described as one

581

00:24:39,029 --> 00:24:37,360

of the weirdest cryptids i've ever heard

582

00:24:40,789 --> 00:24:39,039

of

583

00:24:43,269 --> 00:24:40,799

well there there were also people that

584

00:24:44,470 --> 00:24:43,279

like it like to hang around

585

00:24:46,789 --> 00:24:44,480

down by the

586

00:24:48,870 --> 00:24:46,799

the stream that was there

587

00:24:49,909 --> 00:24:48,880

and this other couple was down there one

588

00:24:52,470 --> 00:24:49,919

night and

589

00:24:54,149 --> 00:24:52,480

again they were sitting in their car and

590

00:24:55,669 --> 00:24:54,159

they saw this creature and you know they

591

00:24:57,350 --> 00:24:55,679

start running too

592

00:24:59,029 --> 00:24:57,360

police have seen it

593

00:25:01,029 --> 00:24:59,039

um

594

00:25:02,070 --> 00:25:01,039

the one guy used to see him he like he

595

00:25:04,710 --> 00:25:02,080

likes to

596

00:25:06,149 --> 00:25:04,720

walk along the railroad tracks

597

00:25:07,909 --> 00:25:06,159

they would see him all the time walking

598

00:25:09,350 --> 00:25:07,919

around the railroad checks what is he i

599

00:25:12,070 --> 00:25:09,360

don't know

600

00:25:14,230 --> 00:25:12,080

he never really hurt anybody never

601
00:25:16,070 --> 00:25:14,240
attacked anyone

602
00:25:20,310 --> 00:25:16,080
thank goodness

603
00:25:22,390 --> 00:25:20,320
because he was sure scary lucky freaky

604
00:25:24,630 --> 00:25:22,400
super freaky and

605
00:25:29,110 --> 00:25:24,640
i i loved the image in the book of it it

606
00:25:33,750 --> 00:25:31,269
right it was super scary

607
00:25:36,149 --> 00:25:33,760
and i love that your book has so many

608
00:25:37,750 --> 00:25:36,159
images of uh

609
00:25:39,029 --> 00:25:37,760
a lot of them and a lot of them you've

610
00:25:40,950 --> 00:25:39,039
taken yourself which i thought was

611
00:25:43,029 --> 00:25:40,960
really cool

612
00:25:45,510 --> 00:25:43,039
yeah i've been to some of the places i'd

613
00:25:46,710 --> 00:25:45,520

like to go to more

614

00:25:48,950 --> 00:25:46,720

um

615

00:25:50,950 --> 00:25:48,960

another section speaking of officers

616

00:25:52,390 --> 00:25:50,960

that saw this creature there was a

617

00:25:54,549 --> 00:25:52,400

another section

618

00:25:55,750 --> 00:25:54,559

also in the triangles

619

00:26:00,230 --> 00:25:55,760

that

620

00:26:02,870 --> 00:26:00,240

saw

621

00:26:06,070 --> 00:26:02,880

and this was what's interesting is it

622

00:26:07,990 --> 00:26:06,080

even concluded with a nids investigation

623

00:26:09,590 --> 00:26:08,000

the national institute for discovery

624

00:26:13,909 --> 00:26:09,600

science can we go into that case a

625

00:26:18,310 --> 00:26:15,350

i'm talking about the one with the boy

626

00:26:19,830 --> 00:26:18,320

that first thought yes

627

00:26:22,549 --> 00:26:19,840

correct

628

00:26:25,029 --> 00:26:22,559

yes it was the uh i believe is it the

629

00:26:27,590 --> 00:26:25,039

saint claire triangle i think it was

630

00:26:28,789 --> 00:26:27,600

yeah he was he was um

631

00:26:31,350 --> 00:26:28,799

he was just

632

00:26:32,630 --> 00:26:31,360

walking walking home one night after he

633

00:26:33,990 --> 00:26:32,640

went to his girlfriend's house he's

634

00:26:37,669 --> 00:26:34,000

walking home

635

00:26:39,269 --> 00:26:37,679

and all of a sudden he saw this

636

00:26:41,590 --> 00:26:39,279

craft

637

00:26:43,990 --> 00:26:41,600

and he ducked into into the trees you

638

00:26:45,430 --> 00:26:44,000

know trying to get away from it

639

00:26:47,909 --> 00:26:45,440

and he went

640

00:26:50,149 --> 00:26:47,919

and told the police because he knew some

641

00:26:53,669 --> 00:26:50,159

he knew an officer that was a friend

642

00:26:54,549 --> 00:26:53,679

and they went out and and they also saw

643

00:26:56,149 --> 00:26:54,559

and they were like they were like

644

00:26:57,990 --> 00:26:56,159

newspaper articles because they took

645

00:27:00,149 --> 00:26:58,000

pictures of this thing whatever it was

646

00:27:02,789 --> 00:27:00,159

and it it stayed in the sky for quite a

647

00:27:07,830 --> 00:27:05,590

yeah it never really landed or abducted

648

00:27:10,789 --> 00:27:07,840

anybody or anything like that but it was

649

00:27:13,669 --> 00:27:10,799

present for quite a while

650

00:27:15,269 --> 00:27:13,679

yeah it was such a cool story and so

651
00:27:17,909 --> 00:27:15,279
much backup

652
00:27:20,389 --> 00:27:17,919
seems like so legitimate i mean even uh

653
00:27:22,549 --> 00:27:20,399
nids did a report on it and multiple

654
00:27:25,110 --> 00:27:22,559
people saw it so cool

655
00:27:26,950 --> 00:27:25,120
uh something else living in nevada i was

656
00:27:29,909 --> 00:27:26,960
blown away by some of the history

657
00:27:32,630 --> 00:27:29,919
including the lead mine where groom lake

658
00:27:33,990 --> 00:27:32,640
is now located can we i know a lot of i

659
00:27:34,789 --> 00:27:34,000
thought i knew everything there was to

660
00:27:37,029 --> 00:27:34,799
know

661
00:27:38,630 --> 00:27:37,039
and this was something that really

662
00:27:41,110 --> 00:27:38,640
astonished me can we go into that a

663
00:27:43,269 --> 00:27:41,120

little bit of history

664

00:27:44,870 --> 00:27:43,279

this really surprised me too because i

665

00:27:47,269 --> 00:27:44,880

thought i knew everything about nevada

666

00:27:49,669 --> 00:27:47,279

this is crazy

667

00:27:51,350 --> 00:27:49,679

yeah so um

668

00:27:55,110 --> 00:27:51,360

way back in uh

669

00:28:00,630 --> 00:27:58,149

jonas uh osborne and his partners got a

670

00:28:03,190 --> 00:28:00,640

homestead up for 400 acres and they

671

00:28:05,990 --> 00:28:03,200

filed a claim to operate a mine which

672

00:28:07,830 --> 00:28:06,000

they called the conception mine

673

00:28:09,750 --> 00:28:07,840

and it was on the

674

00:28:13,110 --> 00:28:09,760

mountainside overlooking

675

00:28:18,389 --> 00:28:15,590

in 1937

676

00:28:20,870 --> 00:28:18,399

the mine was purchased by patrick sheen

677

00:28:24,950 --> 00:28:20,880

and his brother who successfully mined

678

00:28:27,590 --> 00:28:24,960

lead silver copper zinc and gold

679

00:28:29,110 --> 00:28:27,600

and everything was fine until one day in

680

00:28:31,190 --> 00:28:29,120

1941

681

00:28:33,430 --> 00:28:31,200

the government sent surveyors to the

682

00:28:34,549 --> 00:28:33,440

region to search for a place where they

683

00:28:39,029 --> 00:28:34,559

could test

684

00:28:43,510 --> 00:28:41,510

now the guys realize these were city

685

00:28:47,190 --> 00:28:43,520

people and they probably wouldn't

686

00:28:49,669 --> 00:28:47,200

survive in these elements so they they

687

00:28:52,789 --> 00:28:49,679

invited them to stay in their bunk house

688

00:28:54,389 --> 00:28:52,799

trying to be really nice

689

00:28:56,630 --> 00:28:54,399

but soon they discovered you know like

690

00:28:58,870 --> 00:28:56,640

the old saying goes no good deed goes

691

00:29:01,110 --> 00:28:58,880

unpunished right

692

00:29:03,029 --> 00:29:01,120

because little did they know

693

00:29:05,669 --> 00:29:03,039

that just below him

694

00:29:07,830 --> 00:29:05,679

the nevada test truck site um and

695

00:29:09,990 --> 00:29:07,840

training range would be setting off

696

00:29:13,430 --> 00:29:10,000

atomic bombs

697

00:29:17,350 --> 00:29:13,440

so some other family members got cancer

698

00:29:20,870 --> 00:29:17,360

their animals died some of their

699

00:29:24,149 --> 00:29:20,880

property was blown up

700

00:29:26,950 --> 00:29:24,159

and if that wasn't bad enough

701

00:29:28,870 --> 00:29:26,960

in 1950 the government decided they

702

00:29:31,269 --> 00:29:28,880

wanted to close the roads going to the

703

00:29:35,669 --> 00:29:31,279

mine because they didn't want anybody to

704

00:29:38,870 --> 00:29:36,950

so they had a big fight with the

705

00:29:41,029 --> 00:29:38,880

government saying we got to be able to

706

00:29:42,630 --> 00:29:41,039

get there they almost arrested them a

707

00:29:43,990 --> 00:29:42,640

few times when they're trying to go down

708

00:29:46,070 --> 00:29:44,000

their own road

709

00:29:47,990 --> 00:29:46,080

and what they really wanted to do was

710

00:29:49,669 --> 00:29:48,000

the government wanted to buy their

711

00:29:52,789 --> 00:29:49,679

property

712

00:29:55,510 --> 00:29:52,799

and they refused to sell it

713

00:29:58,070 --> 00:29:55,520

they wanted to give them maybe half of

714

00:29:59,430 --> 00:29:58,080

what their property was was worth and

715

00:30:04,789 --> 00:29:59,440

the

716

00:30:06,149 --> 00:30:04,799

here

717

00:30:08,070 --> 00:30:06,159

and so

718

00:30:09,110 --> 00:30:08,080

the government says okay then we're

719

00:30:10,789 --> 00:30:09,120

gonna

720

00:30:13,029 --> 00:30:10,799

condemn it under something called

721

00:30:14,549 --> 00:30:13,039

eminent domain where they could seize

722

00:30:16,950 --> 00:30:14,559

the property

723

00:30:17,990 --> 00:30:16,960

which they did yeah they seized their

724

00:30:20,549 --> 00:30:18,000

property

725

00:30:23,750 --> 00:30:20,559

never paid them

726

00:30:26,870 --> 00:30:23,760

super shady yeah and right here in this

727

00:30:32,149 --> 00:30:26,880

area next to groom lake

728

00:30:36,710 --> 00:30:35,350

such a good story and you know

729

00:30:39,029 --> 00:30:36,720

that is

730

00:30:41,190 --> 00:30:39,039

it's it's such an amazing story and that

731

00:30:44,710 --> 00:30:41,200

is not the end of it like there is more

732

00:30:47,269 --> 00:30:44,720

to uh groom lake area 51

733

00:30:50,549 --> 00:30:47,279

and modern modern times um your book

734

00:30:51,750 --> 00:30:50,559

mentions s4 goes into bob lazar dan

735

00:30:55,590 --> 00:30:51,760

bierisch

736

00:30:58,149 --> 00:30:55,600

but one particular thing that i a story

737

00:30:59,590 --> 00:30:58,159

that is we just have to touch on that i

738

00:31:01,269 --> 00:30:59,600

thought is just

739

00:31:05,269 --> 00:31:01,279

beyond freaky was

740

00:31:07,909 --> 00:31:05,279

cia director william colby in uh

741

00:31:13,190 --> 00:31:07,919

how he was part of majestic and how his

742

00:31:18,630 --> 00:31:16,230

yeah it's because whenever

743

00:31:19,909 --> 00:31:18,640

whatever happened in majestic 12 was it

744

00:31:22,230 --> 00:31:19,919

was private

745

00:31:25,110 --> 00:31:22,240

right some of the documents i found now

746

00:31:27,110 --> 00:31:25,120

is because they've been declassified

747

00:31:28,630 --> 00:31:27,120

you can search on it's called the vault

748

00:31:31,350 --> 00:31:28,640

you can go to the vault and you can find

749

00:31:33,269 --> 00:31:31,360

declassified documents

750

00:31:35,269 --> 00:31:33,279

and what what he wanted to do was he

751
00:31:36,310 --> 00:31:35,279
wanted to start talking about this stuff

752
00:31:37,990 --> 00:31:36,320
and

753
00:31:39,350 --> 00:31:38,000
as soon as somebody wants to start

754
00:31:41,269 --> 00:31:39,360
talking

755
00:31:43,430 --> 00:31:41,279
either they disappear

756
00:31:45,029 --> 00:31:43,440
something bad happens to him look at bob

757
00:31:48,070 --> 00:31:45,039
lazar

758
00:31:49,430 --> 00:31:48,080
them

759
00:31:51,750 --> 00:31:49,440
they

760
00:31:54,630 --> 00:31:51,760
got rid of his college degree and he

761
00:31:56,230 --> 00:31:54,640
just tried to make the man go away

762
00:31:57,590 --> 00:31:56,240
luckily they didn't

763
00:31:59,350 --> 00:31:57,600

wipe him out

764

00:32:04,549 --> 00:31:59,360

that's the truth

765

00:32:06,389 --> 00:32:04,559

happens when you try to talk about

766

00:32:09,350 --> 00:32:06,399

ufo stuff that government doesn't want

767

00:32:12,389 --> 00:32:09,360

to share with us yeah

768

00:32:15,029 --> 00:32:12,399

and i thought it was super eerie how

769

00:32:16,630 --> 00:32:15,039

you know uh this this cia director you

770

00:32:18,070 --> 00:32:16,640

know talked to his wife everything

771

00:32:19,269 --> 00:32:18,080

seemed fine

772

00:32:20,710 --> 00:32:19,279

and then

773

00:32:23,110 --> 00:32:20,720

um

774

00:32:25,029 --> 00:32:23,120

lo and behold they find his canoe and

775

00:32:26,389 --> 00:32:25,039

there's a huge search they don't find

776

00:32:28,710 --> 00:32:26,399

him and then

777

00:32:31,430 --> 00:32:28,720

it almost seems as if he got taken

778

00:32:32,310 --> 00:32:31,440

somewhere else and then placed there

779

00:32:34,950 --> 00:32:32,320

well

780

00:32:37,110 --> 00:32:34,960

he had to be because

781

00:32:38,710 --> 00:32:37,120

his cell phone was still sitting on the

782

00:32:41,190 --> 00:32:38,720

table

783

00:32:44,950 --> 00:32:41,200

every his computer was up it was like he

784

00:32:47,430 --> 00:32:44,960

was just busy doing something and

785

00:32:50,070 --> 00:32:47,440

then he just left it was getting dark

786

00:32:51,269 --> 00:32:50,080

outside why would he take his canoe out

787

00:32:53,110 --> 00:32:51,279

in the dark

788

00:32:55,350 --> 00:32:53,120

he was an experienced canoe where he

789

00:32:57,430 --> 00:32:55,360

knew not to do this

790

00:32:59,029 --> 00:32:57,440

and then when they did find his canoe it

791

00:33:02,389 --> 00:32:59,039

was like

792

00:33:05,590 --> 00:33:02,399

it was tied to a place

793

00:33:08,230 --> 00:33:05,600

no it just never nothing added no no it

794

00:33:11,190 --> 00:33:08,240

was very he was taken away yeah

795

00:33:13,750 --> 00:33:11,200

someone came to his door took him

796

00:33:14,549 --> 00:33:13,760

then put that canoe back

797

00:33:17,029 --> 00:33:14,559

right

798

00:33:18,789 --> 00:33:17,039

and um i'm sure he wasn't even anywhere

799

00:33:20,389 --> 00:33:18,799

near the water they took him somewhere

800

00:33:21,750 --> 00:33:20,399

and he's gone

801
00:33:23,669 --> 00:33:21,760
i'm with you that's what i think

802
00:33:26,389 --> 00:33:23,679
happened too

803
00:33:28,710 --> 00:33:26,399
and it is scary all the uh all the

804
00:33:30,950 --> 00:33:28,720
constitutional rights that you sign away

805
00:33:34,389 --> 00:33:30,960
when you get into some of these top

806
00:33:37,430 --> 00:33:34,399
secret echelons um another portion of

807
00:33:40,630 --> 00:33:37,440
the book that i i was blown away by was

808
00:33:42,710 --> 00:33:40,640
the american stonehenge and you have

809
00:33:44,389 --> 00:33:42,720
multiple pictures and an explanation of

810
00:33:45,909 --> 00:33:44,399
it can we delve into

811
00:33:47,350 --> 00:33:45,919
something that i think a lot of

812
00:33:49,110 --> 00:33:47,360
listeners probably

813
00:33:51,830 --> 00:33:49,120

don't know about

814

00:33:54,310 --> 00:33:51,840

you talking about alaska it was let's

815

00:33:57,509 --> 00:33:54,320

see here i believe

816

00:34:00,470 --> 00:33:57,519

it i believe it's under water and yeah

817

00:34:03,029 --> 00:34:00,480

yeah yeah that's that's a lot yeah

818

00:34:06,549 --> 00:34:03,039

i thought that was just wild

819

00:34:08,310 --> 00:34:06,559

back in alaska they have um

820

00:34:09,829 --> 00:34:08,320

an early warning system it's called the

821

00:34:11,030 --> 00:34:09,839

dew line

822

00:34:13,270 --> 00:34:11,040

to

823

00:34:15,829 --> 00:34:13,280

warn the government if there was

824

00:34:18,149 --> 00:34:15,839

anything coming from russia because it's

825

00:34:20,149 --> 00:34:18,159

right next door

826
00:34:21,750 --> 00:34:20,159
and so one day they were getting some

827
00:34:25,109 --> 00:34:21,760
really

828
00:34:27,589 --> 00:34:25,119
weird signals coming from the ground

829
00:34:29,589 --> 00:34:27,599
and they thought well you know maybe

830
00:34:31,349 --> 00:34:29,599
maybe someone from alaska got there and

831
00:34:33,270 --> 00:34:31,359
they were

832
00:34:35,990 --> 00:34:33,280
doing something try to

833
00:34:38,470 --> 00:34:36,000
destroy the the dew system so

834
00:34:40,629 --> 00:34:38,480
they says okay we gotta check well

835
00:34:44,790 --> 00:34:40,639
when they start checking

836
00:34:49,589 --> 00:34:44,800
150 feet beneath the earth's surface

837
00:34:54,550 --> 00:34:51,349
and so again we have a

838
00:34:57,910 --> 00:34:54,560

secret organization called code name

839

00:34:59,430 --> 00:34:57,920

dark period really good name right

840

00:35:03,510 --> 00:34:59,440

and

841

00:35:06,790 --> 00:35:03,520

they found a triangle under there

842

00:35:08,470 --> 00:35:06,800

it's 1150 feet tall which each side

843

00:35:10,230 --> 00:35:08,480

measuring

844

00:35:12,470 --> 00:35:10,240

1510

845

00:35:15,710 --> 00:35:12,480

it's actually twice the size of the

846

00:35:19,670 --> 00:35:15,720

great pyramid of giza which is only

847

00:35:23,990 --> 00:35:21,030

they don't know

848

00:35:25,829 --> 00:35:24,000

why it's down there who built it

849

00:35:27,990 --> 00:35:25,839

was it human

850

00:35:29,750 --> 00:35:28,000

was it otherworldly

851
00:35:34,710 --> 00:35:29,760
they don't know

852
00:35:37,030 --> 00:35:35,670
yeah

853
00:35:38,710 --> 00:35:37,040
it's a good one

854
00:35:40,550 --> 00:35:38,720
and uh

855
00:35:43,349 --> 00:35:40,560
there's so many instances like that in

856
00:35:45,829 --> 00:35:43,359
your book that you have

857
00:35:46,950 --> 00:35:45,839
so much information on uh it's it's

858
00:35:51,270 --> 00:35:46,960
really

859
00:35:52,550 --> 00:35:51,280
everything from disappearances to unique

860
00:35:54,470 --> 00:35:52,560
areas

861
00:35:56,870 --> 00:35:54,480
um i was really blown away and i think

862
00:35:58,950 --> 00:35:56,880
it's really well done

863
00:36:01,430 --> 00:35:58,960

thank you you also go in a lot of a

864

00:36:03,030 --> 00:36:01,440

history about each location which is so

865

00:36:04,230 --> 00:36:03,040

cool because you kind of get to know the

866

00:36:06,630 --> 00:36:04,240

location

867

00:36:08,870 --> 00:36:06,640

before you find out about the strange

868

00:36:11,349 --> 00:36:08,880

entities or the disappearances or the

869

00:36:13,589 --> 00:36:11,359

triangles that seem to be dimensional

870

00:36:15,349 --> 00:36:13,599

and

871

00:36:17,589 --> 00:36:15,359

one case one

872

00:36:18,790 --> 00:36:17,599

very creepy case that i would like to

873

00:36:22,069 --> 00:36:18,800

touch on

874

00:36:25,190 --> 00:36:22,079

is the molasses tank explosion i mean

875

00:36:27,030 --> 00:36:25,200

that was horrifying i can only imagine

876

00:36:30,630 --> 00:36:27,040

being there where

877

00:36:33,030 --> 00:36:30,640

2.3 million gallons of

878

00:36:35,270 --> 00:36:33,040

warm molasses which i mean i can only

879

00:36:39,030 --> 00:36:35,280

imagine that that would be like

880

00:36:40,950 --> 00:36:39,040

you know napalm i mean horrible

881

00:36:42,790 --> 00:36:40,960

and you saw that you saw the photos i

882

00:36:46,790 --> 00:36:42,800

mean yeah you can't even describe it

883

00:36:48,069 --> 00:36:46,800

without seeing the photos no it was like

884

00:36:50,069 --> 00:36:48,079

like goo

885

00:36:52,950 --> 00:36:50,079

people were stuck in it horses were

886

00:36:57,750 --> 00:36:52,960

stuck in it everything was just stuck

887

00:37:02,230 --> 00:37:01,270

and what happened there was one of the

888

00:37:03,670 --> 00:37:02,240

bolts

889

00:37:04,790 --> 00:37:03,680

in the tank

890

00:37:07,990 --> 00:37:04,800

let loose

891

00:37:10,069 --> 00:37:08,000

and the whole tank exploded

892

00:37:13,589 --> 00:37:10,079

it did it just destroyed almost the

893

00:37:16,950 --> 00:37:15,190

wild

894

00:37:19,910 --> 00:37:16,960

and um

895

00:37:22,390 --> 00:37:19,920

you know i didn't expect it to happen

896

00:37:23,670 --> 00:37:22,400

of all places boston you know it's so

897

00:37:25,829 --> 00:37:23,680

wild

898

00:37:26,870 --> 00:37:25,839

well i think strange kings can happen

899

00:37:28,470 --> 00:37:26,880

anywhere

900

00:37:29,990 --> 00:37:28,480

that's the truth

901
00:37:31,910 --> 00:37:30,000
that is the truth

902
00:37:34,390 --> 00:37:31,920
now the sad part was there were four

903
00:37:36,710 --> 00:37:34,400
little children playing there and

904
00:37:39,430 --> 00:37:36,720
they got caught up in it

905
00:37:40,710 --> 00:37:39,440
yeah there was a lot of death too it was

906
00:37:44,710 --> 00:37:40,720
pretty wild

907
00:37:46,230 --> 00:37:44,720
and um i was i was amazed by how much

908
00:37:48,470 --> 00:37:46,240
whether it be

909
00:37:50,710 --> 00:37:48,480
uh well there were a lot of things

910
00:37:51,990 --> 00:37:50,720
happened back each but especially around

911
00:37:53,349 --> 00:37:52,000
michigan and

912
00:37:55,990 --> 00:37:53,359
it would make sense because you've

913
00:37:57,990 --> 00:37:56,000

explored this area yourself

914

00:37:59,990 --> 00:37:58,000

but the uh

915

00:38:01,030 --> 00:38:00,000

the amount of

916

00:38:02,310 --> 00:38:01,040

ships

917

00:38:05,510 --> 00:38:02,320

that have

918

00:38:07,030 --> 00:38:05,520

disappeared across the great lakes

919

00:38:09,510 --> 00:38:07,040

you know it's

920

00:38:13,750 --> 00:38:09,520

just mind-blowing how many and

921

00:38:15,829 --> 00:38:13,760

some under very strange conditions

922

00:38:17,910 --> 00:38:15,839

i mean you know you could you can expect

923

00:38:20,069 --> 00:38:17,920

you know like the bermuda there there's

924

00:38:22,790 --> 00:38:20,079

rough waters there could be winds you

925

00:38:24,950 --> 00:38:22,800

know there's reasons that planes and

926
00:38:26,710 --> 00:38:24,960
ships could go down

927
00:38:30,390 --> 00:38:26,720
okay and some uh some of the

928
00:38:32,310 --> 00:38:30,400
disappearances are just weather related

929
00:38:34,550 --> 00:38:32,320
but yeah there's there were just other

930
00:38:37,430 --> 00:38:34,560
things that

931
00:38:39,990 --> 00:38:37,440
the the weirdest one

932
00:38:43,430 --> 00:38:40,000
was on the thomas you where

933
00:38:47,510 --> 00:38:43,440
the captain was just going through

934
00:38:49,990 --> 00:38:47,520
this area called the three sisters

935
00:38:51,589 --> 00:38:50,000
the three sisters is actually where you

936
00:38:54,310 --> 00:38:51,599
would find

937
00:38:55,990 --> 00:38:54,320
three big waves in a row

938
00:38:58,870 --> 00:38:56,000

you have a little law in between and

939

00:39:00,950 --> 00:38:58,880

it's it's very dangerous water so they

940

00:39:02,150 --> 00:39:00,960

had just gone through there everything

941

00:39:04,630 --> 00:39:02,160

was great

942

00:39:05,670 --> 00:39:04,640

he says i'm going to go into my cabin

943

00:39:08,550 --> 00:39:05,680

now and

944

00:39:10,630 --> 00:39:08,560

take a nap when we get to shore wake me

945

00:39:12,390 --> 00:39:10,640

up

946

00:39:15,270 --> 00:39:12,400

so he goes in there and he locks the

947

00:39:16,310 --> 00:39:15,280

cabin door they get to shore they knock

948

00:39:18,790 --> 00:39:16,320

on the door

949

00:39:20,470 --> 00:39:18,800

he's not answering

950

00:39:22,310 --> 00:39:20,480

they get the door open

951
00:39:25,670 --> 00:39:22,320
he had disappeared

952
00:39:27,109 --> 00:39:25,680
disappeared right off the ship

953
00:39:29,190 --> 00:39:27,119
wow

954
00:39:31,510 --> 00:39:29,200
there was another ship one time in more

955
00:39:33,829 --> 00:39:31,520
modern time

956
00:39:36,710 --> 00:39:33,839
where members of the house of david it's

957
00:39:39,030 --> 00:39:36,720
kind of a cult religious called

958
00:39:41,510 --> 00:39:39,040
and they were out on the ship and

959
00:39:44,950 --> 00:39:41,520
they all disappeared but their ship was

960
00:39:48,710 --> 00:39:47,109
wow like where where do these people go

961
00:39:51,030 --> 00:39:48,720
when they're out on the water

962
00:39:52,630 --> 00:39:51,040
seriously if you went through a portal

963
00:39:54,829 --> 00:39:52,640

wouldn't you think the whole ship would

964

00:39:59,510 --> 00:39:54,839

be gone or other people would be

965

00:39:59,520 --> 00:40:02,390

for sure

966

00:40:06,309 --> 00:40:04,390

and um

967

00:40:08,950 --> 00:40:06,319

it's like that with these these

968

00:40:12,470 --> 00:40:08,960

triangles they seem to be dimensional

969

00:40:15,270 --> 00:40:12,480

doorways traversing time and space and

970

00:40:16,790 --> 00:40:15,280

you know you did mention uh here one

971

00:40:18,309 --> 00:40:16,800

close to me i mean i lived just a few

972

00:40:20,069 --> 00:40:18,319

miles from it actually this is the

973

00:40:22,630 --> 00:40:20,079

nevada triangle

974

00:40:25,030 --> 00:40:22,640

and you know people it's it's kind of

975

00:40:27,190 --> 00:40:25,040

wild but people still avoid that to this

976

00:40:29,990 --> 00:40:27,200

day uh private

977

00:40:31,109 --> 00:40:30,000

plane pilots and there's just so many

978

00:40:32,950 --> 00:40:31,119

cases

979

00:40:34,230 --> 00:40:32,960

it's one of those things it's a unique

980

00:40:36,550 --> 00:40:34,240

area but

981

00:40:38,470 --> 00:40:36,560

after so many cases it doesn't matter

982

00:40:42,150 --> 00:40:38,480

whether you're superstitious or not you

983

00:40:44,230 --> 00:40:42,160

just kind of start avoiding these areas

984

00:40:46,150 --> 00:40:44,240

well and and you can hear people talking

985

00:40:48,870 --> 00:40:46,160

about their their instruments on on

986

00:40:50,150 --> 00:40:48,880

their planes go crazy

987

00:40:52,390 --> 00:40:50,160

i mean that's that's not being

988

00:40:53,910 --> 00:40:52,400

superstitious that that's a fact and you

989

00:40:56,390 --> 00:40:53,920

have to be

990

00:40:59,430 --> 00:40:56,400

careful about that and and a good pilot

991

00:41:01,910 --> 00:40:59,440

needs to be able to navigate without his

992

00:41:03,510 --> 00:41:01,920

instruments knowing that if the compass

993

00:41:05,270 --> 00:41:03,520

is wrong or something's telling one

994

00:41:07,190 --> 00:41:05,280

reading that

995

00:41:08,870 --> 00:41:07,200

he's got the plane under control because

996

00:41:11,030 --> 00:41:08,880

there's there's times that

997

00:41:12,630 --> 00:41:11,040

planes have flipped upside down because

998

00:41:14,480 --> 00:41:12,640

they were trying to follow the readings

999

00:41:16,150 --> 00:41:14,490

there

1000

00:41:17,190 --> 00:41:16,160

[Music]

1001
00:41:19,430 --> 00:41:17,200
so true

1002
00:41:21,190 --> 00:41:19,440
and um of course you know that's where

1003
00:41:22,710 --> 00:41:21,200
the old

1004
00:41:28,309 --> 00:41:22,720
roswell

1005
00:41:32,470 --> 00:41:30,630
tried to cover that up too

1006
00:41:34,150 --> 00:41:32,480
and that's kind of where i was gonna i

1007
00:41:35,990 --> 00:41:34,160
was kind of headed i knew you were going

1008
00:41:38,150 --> 00:41:36,000
there you read my mind i was going

1009
00:41:40,150 --> 00:41:38,160
towards the whole uh wright patterson

1010
00:41:42,390 --> 00:41:40,160
air force base and roswell and how they

1011
00:41:44,790 --> 00:41:42,400
all kind of tie up together and

1012
00:41:46,630 --> 00:41:44,800
your book really goes into awesome depth

1013
00:41:49,109 --> 00:41:46,640

about that and

1014

00:41:51,349 --> 00:41:49,119

talks about operations that other people

1015

00:41:54,150 --> 00:41:51,359

really kind of look over i think

1016

00:41:56,150 --> 00:41:54,160

um everything from operation blue fly to

1017

00:41:58,950 --> 00:41:56,160

project moon dust and

1018

00:42:00,790 --> 00:41:58,960

and can we get into just how i know

1019

00:42:02,309 --> 00:42:00,800

people have heard about it before but

1020

00:42:06,790 --> 00:42:02,319

some of the cover-up and how they went

1021

00:42:12,069 --> 00:42:10,150

well it was a 1947 and jb foster who was

1022

00:42:14,069 --> 00:42:12,079

a rancher

1023

00:42:16,150 --> 00:42:14,079

without checking on

1024

00:42:19,510 --> 00:42:16,160

some of the herd

1025

00:42:21,510 --> 00:42:19,520

and he found some strange pieces of

1026

00:42:23,109 --> 00:42:21,520

he thought were metal or

1027

00:42:24,710 --> 00:42:23,119

some kind of strange metal he's never

1028

00:42:27,030 --> 00:42:24,720

seen before

1029

00:42:30,870 --> 00:42:27,040

so he took it home and he went back and

1030

00:42:32,950 --> 00:42:30,880

he showed us his neighbor will proctor

1031

00:42:34,630 --> 00:42:32,960

well they tried to bend it they tried to

1032

00:42:36,069 --> 00:42:34,640

burn it they tried to beat it with a

1033

00:42:39,430 --> 00:42:36,079

hammer

1034

00:42:42,550 --> 00:42:40,950

so he

1035

00:42:44,630 --> 00:42:42,560

went and told a

1036

00:42:46,630 --> 00:42:44,640

newspaper reporter

1037

00:42:48,550 --> 00:42:46,640

told the local police

1038

00:42:51,109 --> 00:42:48,560

and the government came up

1039

00:42:53,190 --> 00:42:51,119

of course confiscated everything

1040

00:42:58,230 --> 00:42:53,200

start interrogating them and you know

1041

00:43:01,270 --> 00:42:59,430

yeah

1042

00:43:03,430 --> 00:43:01,280

and as the story goes

1043

00:43:06,630 --> 00:43:03,440

they took this stuff back to

1044

00:43:09,670 --> 00:43:06,640

area 51 that they had a craft

1045

00:43:13,990 --> 00:43:09,680

and they actually had a living

1046

00:43:18,390 --> 00:43:16,790

and they were trying to talk to her

1047

00:43:19,750 --> 00:43:18,400

and then they flew

1048

00:43:23,030 --> 00:43:19,760

a lot of this

1049

00:43:25,349 --> 00:43:23,040

the pieces and her supposedly to write

1050

00:43:27,589 --> 00:43:25,359

patterson air force field which is in

1051

00:43:29,750 --> 00:43:27,599

ohio which i want to go there someday

1052

00:43:30,950 --> 00:43:29,760

because that's not close to me me too i

1053

00:43:33,349 --> 00:43:30,960

want to go there

1054

00:43:37,270 --> 00:43:33,359

but again you've got the cover-up with

1055

00:43:41,430 --> 00:43:39,990

and they had a very interesting document

1056

00:43:43,069 --> 00:43:41,440

that they wrote up

1057

00:43:45,990 --> 00:43:43,079

and it was called

1058

00:43:49,270 --> 00:43:46,000

extraterrestrial entities and technology

1059

00:43:51,910 --> 00:43:49,280

recovery and disposal

1060

00:43:54,950 --> 00:43:51,920

that's scary yes

1061

00:43:57,270 --> 00:43:54,960

and i thought it was cool that uh

1062

00:43:59,270 --> 00:43:57,280

you you actually even had an image from

1063

00:44:01,510 --> 00:43:59,280

the instruction manual

1064

00:44:03,190 --> 00:44:01,520

in the book and i thought that was so

1065

00:44:05,349 --> 00:44:03,200

cool and it

1066

00:44:07,829 --> 00:44:05,359

it goes into detail on like yeah like

1067

00:44:09,829 --> 00:44:07,839

you're saying what what they do in these

1068

00:44:12,150 --> 00:44:09,839

uh scenarios

1069

00:44:14,230 --> 00:44:12,160

um as we wrap up cheryl you've really

1070

00:44:15,829 --> 00:44:14,240

created a fairly unique work of

1071

00:44:18,069 --> 00:44:15,839

literature here

1072

00:44:20,630 --> 00:44:18,079

um can we tell our listeners before we

1073

00:44:22,870 --> 00:44:20,640

forget where they can best purchase the

1074

00:44:26,470 --> 00:44:22,880

book and support your efforts overall as

1075

00:44:32,230 --> 00:44:30,150

you can get it on amazon.com

1076

00:44:34,630 --> 00:44:32,240

or if you want to autograph copy you can

1077

00:44:36,390 --> 00:44:34,640

just message me on facebook and i can

1078

00:44:37,829 --> 00:44:36,400

send you one because i have some copies

1079

00:44:39,710 --> 00:44:37,839

here too

1080

00:44:41,270 --> 00:44:39,720

i also have a website

1081

00:44:43,109 --> 00:44:41,280

cherylincarter.com

1082

00:44:45,349 --> 00:44:43,119

that that mostly has

1083

00:44:48,829 --> 00:44:45,359

my paranormal investigations my photos

1084

00:44:52,309 --> 00:44:48,839

from from different places i've been

1085

00:44:54,630 --> 00:44:52,319

to awesome awesome and it's something we

1086

00:44:56,630 --> 00:44:54,640

should all support the book is something

1087

00:44:59,829 --> 00:44:56,640

everybody should buy it's not only a

1088

00:45:01,589 --> 00:44:59,839

super killer page turner and like

1089

00:45:05,030 --> 00:45:01,599

i i read it so much quicker than i was

1090

00:45:07,750 --> 00:45:05,040

expecting and um just because i didn't

1091

00:45:10,630 --> 00:45:07,760

want to put it down and uh just mind

1092

00:45:12,950 --> 00:45:10,640

blowing really well done and i like how

1093

00:45:15,510 --> 00:45:12,960

you go into the

1094

00:45:18,230 --> 00:45:15,520

ancients as well you you

1095

00:45:21,109 --> 00:45:18,240

you don't just gloss over it in like a

1096

00:45:23,109 --> 00:45:21,119

modern way you go into like the historic

1097

00:45:25,990 --> 00:45:23,119

native american aspects of many of these

1098

00:45:28,150 --> 00:45:26,000

locations and i think that's uh very

1099

00:45:30,790 --> 00:45:28,160

noble of you

1100

00:45:32,470 --> 00:45:30,800

as we wrap up here another creature that

1101

00:45:35,430 --> 00:45:32,480

i want the listeners to know about is

1102

00:45:38,710 --> 00:45:35,440

big muddy can we go into the big muddy

1103

00:45:43,670 --> 00:45:41,589

that big body was was also

1104

00:45:46,790 --> 00:45:43,680

just like a hairy creature wasn't

1105

00:45:48,790 --> 00:45:46,800

exactly a big foot but maybe similar

1106

00:45:50,309 --> 00:45:48,800

and he did he liked to hang around in

1107

00:45:51,829 --> 00:45:50,319

the swamps

1108

00:45:53,430 --> 00:45:51,839

and and people would see him but you

1109

00:45:56,150 --> 00:45:53,440

know then again

1110

00:45:59,190 --> 00:45:56,160

he never hurt anybody he he never tried

1111

00:46:01,349 --> 00:45:59,200

to do anything he would just see him and

1112

00:46:03,349 --> 00:46:01,359

and again he he was another one that

1113

00:46:05,109 --> 00:46:03,359

they would see walking along the

1114

00:46:07,750 --> 00:46:05,119

railroad tracks i don't know what it is

1115

00:46:09,430 --> 00:46:07,760

with railroad tracks and these creatures

1116

00:46:10,790 --> 00:46:09,440

must be something that i need to figure

1117

00:46:11,910 --> 00:46:10,800

out

1118

00:46:14,630 --> 00:46:11,920

yeah

1119

00:46:17,750 --> 00:46:14,640

i've heard many many sightings even the

1120

00:46:18,630 --> 00:46:17,760

police got to see the big money

1121

00:46:20,150 --> 00:46:18,640

yeah

1122

00:46:21,430 --> 00:46:20,160

that's why they called him that because

1123

00:46:24,150 --> 00:46:21,440

he would be

1124

00:46:27,430 --> 00:46:24,160

just covered in swamp

1125

00:46:30,150 --> 00:46:27,440

yeah that's it's it's very common

1126
00:46:32,950 --> 00:46:30,160
it it does seem like railroad tracks and

1127
00:46:34,710 --> 00:46:32,960
areas of long like these long scars

1128
00:46:38,470 --> 00:46:34,720
along the landscape

1129
00:46:41,430 --> 00:46:38,480
have a rich history of liminal

1130
00:46:43,349 --> 00:46:41,440
liminal entities as well as happenings

1131
00:46:44,870 --> 00:46:43,359
taking place along them

1132
00:46:46,470 --> 00:46:44,880
um

1133
00:46:48,630 --> 00:46:46,480
and i

1134
00:46:50,550 --> 00:46:48,640
i've read deeply into this but like you

1135
00:46:53,109 --> 00:46:50,560
said there's there's got to be more to

1136
00:46:54,950 --> 00:46:53,119
it these these long scars on the

1137
00:46:57,109 --> 00:46:54,960
landscape anytime you see like a long

1138
00:46:59,270 --> 00:46:57,119

straight railroad track

1139

00:47:01,270 --> 00:46:59,280

it it is kind of uh

1140

00:47:03,910 --> 00:47:01,280

i don't know it's an area where these

1141

00:47:07,510 --> 00:47:03,920

liminal entities and strange

1142

00:47:09,750 --> 00:47:07,520

goings-on sometimes happen

1143

00:47:10,550 --> 00:47:09,760

another area that i wanted to touch on

1144

00:47:12,710 --> 00:47:10,560

is

1145

00:47:14,550 --> 00:47:12,720

i was really again in the michigan area

1146

00:47:16,390 --> 00:47:14,560

is the paulding lights is that something

1147

00:47:18,470 --> 00:47:16,400

that you've seen yourself i've always

1148

00:47:20,950 --> 00:47:18,480

been mesmerized that's up in northern

1149

00:47:21,910 --> 00:47:20,960

michigan uh-huh no i have not seen it

1150

00:47:24,390 --> 00:47:21,920

it's just

1151
00:47:26,470 --> 00:47:24,400
it's an area i guess there there used to

1152
00:47:29,109 --> 00:47:26,480
be again there used to be railroad

1153
00:47:31,190 --> 00:47:29,119
tracks that went through there but

1154
00:47:34,150 --> 00:47:31,200
they're no longer there

1155
00:47:36,710 --> 00:47:34,160
but some people say that

1156
00:47:39,030 --> 00:47:36,720
after a train crash

1157
00:47:40,470 --> 00:47:39,040
it's one of the men from the train with

1158
00:47:42,390 --> 00:47:40,480
the lantern

1159
00:47:44,950 --> 00:47:42,400
he's he's lost he's walking down the

1160
00:47:46,470 --> 00:47:44,960
tracks but they're not there anymore

1161
00:47:49,510 --> 00:47:46,480
that's the story about that one no i

1162
00:47:51,349 --> 00:47:49,520
have not seen it yeah i mean there's no

1163
00:47:53,430 --> 00:47:51,359

city lights there there's no way you

1164

00:47:55,510 --> 00:47:53,440

would see any other kind of lights

1165

00:47:57,109 --> 00:47:55,520

but it looks almost like a lantern it

1166

00:48:00,870 --> 00:47:57,119

really does

1167

00:48:03,030 --> 00:48:00,880

but again with our railroad tracks yeah

1168

00:48:05,430 --> 00:48:03,040

it seems like you know historically

1169

00:48:07,670 --> 00:48:05,440

railroad tracks kind of did this and

1170

00:48:10,309 --> 00:48:07,680

more modernly it seems like nuclear

1171

00:48:12,710 --> 00:48:10,319

plants have a lot of strange

1172

00:48:14,630 --> 00:48:12,720

st and you have uh cases

1173

00:48:16,230 --> 00:48:14,640

in the book about that like it seems

1174

00:48:18,870 --> 00:48:16,240

like nuclear

1175

00:48:21,030 --> 00:48:18,880

areas have everything from unidentified

1176

00:48:23,670 --> 00:48:21,040

flying objects to

1177

00:48:26,069 --> 00:48:23,680

you know things that can't be explained

1178

00:48:28,150 --> 00:48:26,079

um i believe there's one incident in

1179

00:48:31,030 --> 00:48:28,160

your book the uh i'll probably murder

1180

00:48:32,069 --> 00:48:31,040

this word the manitowoc incident is that

1181

00:48:34,069 --> 00:48:32,079

right

1182

00:48:35,750 --> 00:48:34,079

yeah again that's that's in the michigan

1183

00:48:38,950 --> 00:48:35,760

triangle but that's that's actually in

1184

00:48:42,630 --> 00:48:38,960

wisconsin uh-huh yeah this guy was just

1185

00:48:44,870 --> 00:48:42,640

talking to his friend on the phone

1186

00:48:46,710 --> 00:48:44,880

about ufos you know ufo stories and he

1187

00:48:49,430 --> 00:48:46,720

looked out his he was upstairs he looked

1188

00:48:51,349 --> 00:48:49,440

out his window and he saw this strange

1189

00:48:55,030 --> 00:48:51,359

huge strange light

1190

00:48:57,430 --> 00:48:55,040

over in the vicinity of the power plant

1191

00:48:58,630 --> 00:48:57,440

and he goes well i gotta i gotta call my

1192

00:49:01,030 --> 00:48:58,640

friend you know and

1193

00:49:03,430 --> 00:49:01,040

he's a photographer you know i i

1194

00:49:05,670 --> 00:49:03,440

can't do very good on my cell phone

1195

00:49:08,390 --> 00:49:05,680

so he got a hold of his friend

1196

00:49:10,230 --> 00:49:08,400

who's like 40 miles away and he started

1197

00:49:13,670 --> 00:49:10,240

filming this event while they're both

1198

00:49:16,470 --> 00:49:13,680

watching it and you saw the photos yeah

1199

00:49:18,870 --> 00:49:16,480

like a huge it wasn't a craft it's like

1200

00:49:21,589 --> 00:49:18,880

a huge flame

1201

00:49:23,349 --> 00:49:21,599

and there were other little small ones

1202

00:49:26,069 --> 00:49:23,359

over on the left side

1203

00:49:27,829 --> 00:49:26,079

and they couldn't even be sure if

1204

00:49:30,230 --> 00:49:27,839

the little ones were going into the

1205

00:49:31,349 --> 00:49:30,240

large one or if they were coming out of

1206

00:49:33,510 --> 00:49:31,359

it

1207

00:49:35,750 --> 00:49:33,520

and they would start twinkle different

1208

00:49:37,589 --> 00:49:35,760

colors like christmas tree lights is how

1209

00:49:39,990 --> 00:49:37,599

they explained it

1210

00:49:43,430 --> 00:49:40,000

and they watched it for like 40 minutes

1211

00:49:45,750 --> 00:49:43,440

over this nuclear plant

1212

00:49:48,309 --> 00:49:45,760

and i i actually have a facebook friend

1213

00:49:49,829 --> 00:49:48,319

when i when i posted this last week

1214

00:49:52,230 --> 00:49:49,839

and he says that

1215

00:49:54,150 --> 00:49:52,240

he lives close to the plant and he says

1216

00:49:56,309 --> 00:49:54,160

he sees strange lights over it all the

1217

00:49:59,750 --> 00:49:56,319

time

1218

00:50:02,230 --> 00:49:59,760

wow that is so wild michigan

1219

00:50:04,230 --> 00:50:02,240

michigan seems to have

1220

00:50:06,950 --> 00:50:04,240

and wisconsin i mean whether it's the

1221

00:50:09,349 --> 00:50:06,960

dog man or ufos or a lot of high

1222

00:50:12,710 --> 00:50:09,359

strangeness multiple sections of the

1223

00:50:16,470 --> 00:50:12,720

book delve into this area that has a ton

1224

00:50:19,109 --> 00:50:17,349

yeah

1225

00:50:20,710 --> 00:50:19,119

i'm glad i live here

1226

00:50:23,270 --> 00:50:20,720

like i said i wish when i lived in

1227

00:50:25,270 --> 00:50:23,280

illinois that i would have

1228

00:50:27,589 --> 00:50:25,280

checked everything out like

1229

00:50:29,349 --> 00:50:27,599

down in southern illinois a few years

1230

00:50:31,349 --> 00:50:29,359

ago when i started writing the book one

1231

00:50:32,870 --> 00:50:31,359

of my friends in illinois said we're

1232

00:50:35,270 --> 00:50:32,880

going down the cahokia mountains you

1233

00:50:37,349 --> 00:50:35,280

want to come with us i said yes that's

1234

00:50:39,109 --> 00:50:37,359

part of the michigan trust part of the

1235

00:50:40,790 --> 00:50:39,119

illinois triangle

1236

00:50:42,710 --> 00:50:40,800

he says yeah yeah

1237

00:50:44,790 --> 00:50:42,720

it's called little egypt triangle down

1238

00:50:46,870 --> 00:50:44,800

in southern illinois

1239

00:50:51,030 --> 00:50:46,880

it's so interesting and it was this

1240

00:50:56,549 --> 00:50:54,309

native american civilization

1241

00:50:58,549 --> 00:50:56,559

i'm not sure they built mount i'm not

1242

00:51:03,270 --> 00:50:58,559

sure how many they're originally there

1243

00:51:07,430 --> 00:51:05,589

and just the energy there i went the day

1244

00:51:09,190 --> 00:51:07,440

before they got there and i i walked

1245

00:51:11,190 --> 00:51:09,200

around by myself and we walked around

1246

00:51:13,270 --> 00:51:11,200

the second day

1247

00:51:15,430 --> 00:51:13,280

it's a whole community and as you're

1248

00:51:16,470 --> 00:51:15,440

driving through the little small town to

1249

00:51:18,230 --> 00:51:16,480

get there

1250

00:51:19,829 --> 00:51:18,240

you would see mountains amount in

1251
00:51:21,430 --> 00:51:19,839
somebody's backyard or one behind the

1252
00:51:23,030 --> 00:51:21,440
gas station they weren't big but there

1253
00:51:25,270 --> 00:51:23,040
were mounds everywhere

1254
00:51:26,069 --> 00:51:25,280
wow so when the farmers came to

1255
00:51:28,470 --> 00:51:26,079
start

1256
00:51:30,549 --> 00:51:28,480
farming this land they they probably

1257
00:51:32,390 --> 00:51:30,559
just knocked down a lot of mountains who

1258
00:51:35,589 --> 00:51:32,400
knows how you would think yeah big this

1259
00:51:38,470 --> 00:51:35,599
place was but now it's a national park

1260
00:51:41,670 --> 00:51:38,480
and there's one called monk's mouth

1261
00:51:43,670 --> 00:51:41,680
it's as tall as a four-story building

1262
00:51:45,430 --> 00:51:43,680
and there's actually steps going all the

1263
00:51:48,150 --> 00:51:45,440

way up to the top so of course i had to

1264

00:51:50,710 --> 00:51:48,160

walk up the steps wasn't too bad

1265

00:51:52,630 --> 00:51:50,720

it was 144 steps

1266

00:51:54,790 --> 00:51:52,640

but when you get to the top my friend

1267

00:51:57,190 --> 00:51:54,800

says stand over here in the middle

1268

00:51:59,750 --> 00:51:57,200

there was a huge vortex

1269

00:52:00,950 --> 00:51:59,760

probably about 12 inches of

1270

00:52:02,390 --> 00:52:00,960

clockwise

1271

00:52:04,390 --> 00:52:02,400

swirling air

1272

00:52:05,990 --> 00:52:04,400

and it goes all the way down through the

1273

00:52:07,589 --> 00:52:06,000

whole mound

1274

00:52:09,349 --> 00:52:07,599

whoa

1275

00:52:11,430 --> 00:52:09,359

so cool when you stand up there you can

1276
00:52:14,470 --> 00:52:11,440
see the st louis arch you're up so high

1277
00:52:16,309 --> 00:52:14,480
are you serious

1278
00:52:18,630 --> 00:52:16,319
that's a big mound

1279
00:52:20,309 --> 00:52:18,640
but it was a highly intelligent

1280
00:52:21,430 --> 00:52:20,319
civilization

1281
00:52:23,910 --> 00:52:21,440
they did

1282
00:52:25,589 --> 00:52:23,920
a lot of trading with mexico because

1283
00:52:27,829 --> 00:52:25,599
there were

1284
00:52:29,829 --> 00:52:27,839
like beads and pottery that you would

1285
00:52:33,910 --> 00:52:29,839
not find in the area they were

1286
00:52:38,870 --> 00:52:36,470
and what happened to these people

1287
00:52:41,829 --> 00:52:38,880
did they just disperse other places or

1288
00:52:44,470 --> 00:52:41,839

did they just disappear they don't know

1289

00:52:46,630 --> 00:52:44,480

so many mysteries

1290

00:52:48,069 --> 00:52:46,640

kind of like choco canyon how the people

1291

00:52:48,950 --> 00:52:48,079

just disappeared

1292

00:52:51,190 --> 00:52:48,960

right

1293

00:52:53,990 --> 00:52:51,200

yeah it really is it's just so

1294

00:52:55,270 --> 00:52:54,000

mysterious how these unique places and

1295

00:52:57,910 --> 00:52:55,280

unique people

1296

00:52:59,750 --> 00:52:57,920

just disappear much like the uh like you

1297

00:53:01,990 --> 00:52:59,760

know the whole dimensional aspect of the

1298

00:53:03,109 --> 00:53:02,000

triangles you cover in the book

1299

00:53:06,309 --> 00:53:03,119

um

1300

00:53:08,790 --> 00:53:06,319

so cool that you go into uh

1301
00:53:09,829 --> 00:53:08,800
the forbidden land or the black forest

1302
00:53:12,549 --> 00:53:09,839
in the book

1303
00:53:14,309 --> 00:53:12,559
and you mention a creature among many

1304
00:53:15,430 --> 00:53:14,319
thunderbirds and things of that nature

1305
00:53:18,710 --> 00:53:15,440
but

1306
00:53:23,750 --> 00:53:18,720
a creature called the squonk can we

1307
00:53:28,230 --> 00:53:25,670
i got i have to ask you to tell

1308
00:53:32,230 --> 00:53:28,240
listeners about the squonk lastly and

1309
00:53:38,790 --> 00:53:35,109
he's just he was just a little

1310
00:53:41,670 --> 00:53:38,800
ugly guy his skin had lots of folds in

1311
00:53:44,069 --> 00:53:41,680
him just a little four-legged creature

1312
00:53:46,150 --> 00:53:44,079
and and he was he was so ugly that he

1313
00:53:48,230 --> 00:53:46,160

was so sad and he would just cry all the

1314

00:53:48,950 --> 00:53:48,240

time he was always crying

1315

00:53:51,829 --> 00:53:48,960

and

1316

00:53:54,470 --> 00:53:51,839

anybody that would try to to catch him

1317

00:53:57,510 --> 00:53:54,480

all they would end up with is water

1318

00:53:59,030 --> 00:53:57,520

and one day this guy said he he actually

1319

00:54:01,030 --> 00:53:59,040

caught one

1320

00:54:03,990 --> 00:54:01,040

and he had him in a gunny sack and he

1321

00:54:05,670 --> 00:54:04,000

starts taking him back to his house and

1322

00:54:07,510 --> 00:54:05,680

the sack started getting lighter and

1323

00:54:10,069 --> 00:54:07,520

lighter and he opened it up and found

1324

00:54:14,230 --> 00:54:10,079

out that it was just water the little

1325

00:54:18,950 --> 00:54:17,190

it's so cool such a good story yeah

1326

00:54:20,470 --> 00:54:18,960

yeah

1327

00:54:21,270 --> 00:54:20,480

and the picture that you included the

1328

00:54:23,270 --> 00:54:21,280

book

1329

00:54:27,109 --> 00:54:23,280

the squonk is just yeah it makes you sad

1330

00:54:31,510 --> 00:54:29,750

such a great book um let's mention again

1331

00:54:33,030 --> 00:54:31,520

the listeners where they can pick it up

1332

00:54:35,109 --> 00:54:33,040

and uh

1333

00:54:36,789 --> 00:54:35,119

and your your personal website as well

1334

00:54:40,309 --> 00:54:36,799

if that's okay

1335

00:54:42,309 --> 00:54:40,319

yeah you can get my books on [amazon.com](https://www.amazon.com)

1336

00:54:44,470 --> 00:54:42,319

if you want an autographed copy just

1337

00:54:45,589 --> 00:54:44,480

message me on facebook and i can send

1338

00:54:47,190 --> 00:54:45,599

you one

1339

00:54:48,480 --> 00:54:47,200

and my website

1340

00:54:50,950 --> 00:54:48,490

is www.cherylinecarter.com

1341

00:54:52,390 --> 00:54:50,960

[Music]

1342

00:54:54,870 --> 00:54:52,400

so awesome

1343

00:54:57,030 --> 00:54:54,880

and it's uh it's it's a it's a book i'm

1344

00:54:59,270 --> 00:54:57,040

proud to have in my

1345

00:55:00,630 --> 00:54:59,280

cabinet and i know that i'm gonna reach

1346

00:55:02,069 --> 00:55:00,640

for it because there's so much

1347

00:55:03,109 --> 00:55:02,079

information

1348

00:55:05,510 --> 00:55:03,119

that

1349

00:55:07,510 --> 00:55:05,520

is not in other books and i i think it's

1350

00:55:08,390 --> 00:55:07,520

really cool how multiple sections of the

1351
00:55:10,390 --> 00:55:08,400
book

1352
00:55:13,829 --> 00:55:10,400
go into everything from men in black

1353
00:55:17,670 --> 00:55:13,839
that we didn't even cover really to uh

1354
00:55:20,390 --> 00:55:17,680
you know all kinds of unique cryptids i

1355
00:55:23,349 --> 00:55:20,400
mean the the kushtaka really got me i

1356
00:55:25,190 --> 00:55:23,359
mean you go into you know a creature

1357
00:55:27,510 --> 00:55:25,200
that can steal a person's soul and

1358
00:55:28,789 --> 00:55:27,520
prevent them from reincarnating i mean

1359
00:55:33,510 --> 00:55:28,799
so

1360
00:55:37,109 --> 00:55:33,520
anything out of the mix the dog man the

1361
00:55:38,470 --> 00:55:37,119
sasquatch everything is included and uh

1362
00:55:40,470 --> 00:55:38,480
i highly recommend the book for

1363
00:55:42,390 --> 00:55:40,480

everybody listening i can't thank you

1364

00:55:44,390 --> 00:55:42,400

enough for coming on the podcast cheryl

1365

00:55:45,990 --> 00:55:44,400

and i hope we can hopefully do it again

1366

00:55:48,069 --> 00:55:46,000

soon

1367

00:55:50,549 --> 00:55:48,079

we'll have to do it when i finish my

1368

00:55:53,109 --> 00:55:50,559

next book that i'm working on

1369

00:55:55,430 --> 00:55:53,119

called earth energies about ley lines

1370

00:55:57,750 --> 00:55:55,440

oh that would be fantastic can't wait

1371

00:56:00,950 --> 00:55:57,760

for that one that would be awesome

1372

00:56:03,190 --> 00:56:00,960

well um yeah i i hope we talk again soon

1373

00:56:04,950 --> 00:56:03,200

and thanks again and yeah everybody go

1374

00:56:07,030 --> 00:56:04,960

out and get this book it's it's very

1375

00:56:08,950 --> 00:56:07,040

unique and well written

1376
00:56:12,710 --> 00:56:08,960
there you have it ladies and gentlemen

1377
00:56:15,750 --> 00:56:12,720
cheryl lynn carter dimensions

1378
00:56:17,109 --> 00:56:15,760
mysterious triangles of the us available

1379
00:56:19,670 --> 00:56:17,119
on amazon

1380
00:56:21,829 --> 00:56:19,680
definitely check out her website as well

1381
00:56:23,510 --> 00:56:21,839
and uh hopefully we'll have her back on

1382
00:56:25,750 --> 00:56:23,520
the podcast

1383
00:56:26,789 --> 00:56:25,760
until next time keep your eyes to the

1384
00:56:29,589 --> 00:56:26,799
skies

1385
00:56:45,420 --> 00:56:29,599
feet on the ground but don't forget to

1386
00:56:45,430 --> 00:56:57,430
[Music]

1387
00:57:03,430 --> 00:57:00,309
come blast off in my time machine third
