

An aerial photograph of a river delta, likely the Mississippi River delta, showing a large body of water branching into several smaller channels. The surrounding land is covered in dense green and yellowish vegetation. In the distance, a city with several buildings is visible. The sky is a vibrant blue with scattered white and grey clouds. The overall scene is bright and clear.

paranormal podcast

6
00:00:49,190 --> 00:00:46,000
broadcasting from the base at la madre

episode today

11
00:01:02,069 --> 00:00:58,960
when it comes to research into the ins

12
00:01:04,149 --> 00:01:02,079
and outs of ufo flaps few books compare

13
00:01:06,469 --> 00:01:04,159

to the painstaking work

14

00:01:09,190 --> 00:01:06,479

put into clearing the doubt surrounding

15

00:01:10,830 --> 00:01:09,200

the pascagoula abduction case

16

00:01:14,550 --> 00:01:10,840

on october 11

17

00:01:15,749 --> 00:01:14,560

1973 many things transpired to a variety

18

00:01:17,830 --> 00:01:15,759

of people

19

00:01:20,550 --> 00:01:17,840

lending credence to a fascinating array

20

00:01:23,830 --> 00:01:20,560

of anomalous activity of which the likes

21

00:01:27,510 --> 00:01:23,840

have hardly been seen before or since

22

00:01:30,310 --> 00:01:27,520

dr irena scott dives deeply into one of

23

00:01:33,270 --> 00:01:30,320

the biggest ufo waves the planet has

24

00:01:36,230 --> 00:01:33,280

ever seen in her extremely entertaining

25

00:01:38,789 --> 00:01:36,240

new book beyond pascagoula

26

00:01:41,030 --> 00:01:38,799

the rest of the amazing story

27

00:01:43,670 --> 00:01:41,040

whether you opt for the hardback

28

00:01:45,910 --> 00:01:43,680

paperback kindle or audiobook you will

29

00:01:47,030 --> 00:01:45,920

surely be blown away by the amount of

30

00:01:49,429 --> 00:01:47,040

evidence

31

00:01:51,910 --> 00:01:49,439

which points to a reality which is very

32

00:01:54,630 --> 00:01:51,920

hard to wrap one's mind around

33

00:01:57,030 --> 00:01:54,640

pinning down eyewitness accounts paper

34

00:01:58,230 --> 00:01:57,040

trials and any scientific reports

35

00:02:01,429 --> 00:01:58,240

available

36

00:02:03,749 --> 00:02:01,439

dr scott coordinates a sobering attack

37

00:02:06,230 --> 00:02:03,759

through logical data on a very chaotic

38

00:02:08,550 --> 00:02:06,240

scenario involving ufos

39

00:02:11,430 --> 00:02:08,560

abductions and possibly the second

40

00:02:13,510 --> 00:02:11,440

loudest sound ever heard throughout time

41

00:02:15,990 --> 00:02:13,520

though her protocol

42

00:02:19,750 --> 00:02:16,000

is very scientific she connects the

43

00:02:21,270 --> 00:02:19,760

irrational spectacular dots of the 1973

44

00:02:23,830 --> 00:02:21,280

ufo flap

45

00:02:26,150 --> 00:02:23,840

also she adds further evidence exploring

46

00:02:27,670 --> 00:02:26,160

reports from various communities

47

00:02:29,430 --> 00:02:27,680

universities and government

48

00:02:31,350 --> 00:02:29,440

installations

49

00:02:33,589 --> 00:02:31,360

historians and even law enforcement

50

00:02:36,150 --> 00:02:33,599

archives tell a tale that reads much

51
00:02:38,470 --> 00:02:36,160
like an attack from outer space with

52
00:02:40,790 --> 00:02:38,480
police switchboards lighting up with

53
00:02:43,110 --> 00:02:40,800
reports of flying objects

54
00:02:45,110 --> 00:02:43,120
police units even interacted with some

55
00:02:46,710 --> 00:02:45,120
of the ufos during this wave of high

56
00:02:49,990 --> 00:02:46,720
strangeness

57
00:02:52,550 --> 00:02:50,000
dr scott has really delved beyond one of

58
00:02:54,949 --> 00:02:52,560
the most well-respected ufo cases and

59
00:02:57,110 --> 00:02:54,959
created a spectacular work of literature

60
00:02:59,030 --> 00:02:57,120
and considerable importance

61
00:03:02,790 --> 00:02:59,040
relaying the facts about the most

62
00:03:05,270 --> 00:03:02,800
widespread of all ufo incidents

63
00:03:07,270 --> 00:03:05,280

dr scott welcome to the hero paranormal

64

00:03:10,149 --> 00:03:07,280

podcast

65

00:03:11,750 --> 00:03:10,159

thank you very much for having me

66

00:03:13,990 --> 00:03:11,760

of course

67

00:03:16,229 --> 00:03:14,000

yeah it's without question you have

68

00:03:19,030 --> 00:03:16,239

really contributed so much to one of the

69

00:03:22,070 --> 00:03:19,040

most important cases in ufology

70

00:03:24,470 --> 00:03:22,080

your book beyond pascagoula is

71

00:03:25,750 --> 00:03:24,480

remarkably well written researched and

72

00:03:28,470 --> 00:03:25,760

documented

73

00:03:29,750 --> 00:03:28,480

and firstly before we get to questions i

74

00:03:32,390 --> 00:03:29,760

really wanted to thank you for your

75

00:03:34,149 --> 00:03:32,400

contribution overall

76

00:03:35,990 --> 00:03:34,159

thank you very much i worked for quite a

77

00:03:38,949 --> 00:03:36,000

while on it

78

00:03:41,270 --> 00:03:38,959

my book says many years not you know on

79

00:03:44,710 --> 00:03:41,280

it exclusively but i put a lot of time

80

00:03:47,030 --> 00:03:44,720

on absolutely and it shows

81

00:03:49,589 --> 00:03:47,040

dr scott you've really created not only

82

00:03:51,750 --> 00:03:49,599

a masterpiece of historical evidence but

83

00:03:54,229 --> 00:03:51,760

in my opinion a very enjoyable book to

84

00:03:57,110 --> 00:03:54,239

read regarding what appears to be

85

00:03:59,589 --> 00:03:57,120

the most widespread of all ufo incidents

86

00:04:02,229 --> 00:03:59,599

what prompted you to begin looking into

87

00:04:06,630 --> 00:04:05,270

what prompted me was um as i wrote in my

88

00:04:08,630 --> 00:04:06,640

book

89

00:04:10,869 --> 00:04:08,640

many many years ago

90

00:04:13,270 --> 00:04:10,879

i had had a phone call from my mother

91

00:04:15,589 --> 00:04:13,280

who was a skeptic

92

00:04:17,509 --> 00:04:15,599

she was in ohio and i was in missouri

93

00:04:19,670 --> 00:04:17,519

about 600 miles away

94

00:04:21,270 --> 00:04:19,680

and she asked me did you

95

00:04:23,830 --> 00:04:21,280

hear a sound

96

00:04:26,390 --> 00:04:23,840

and i teased her about it because she'd

97

00:04:28,550 --> 00:04:26,400

always said if she was developing

98

00:04:30,310 --> 00:04:28,560

dementia we should tell her and so i

99

00:04:33,270 --> 00:04:30,320

told her to you know check in with the

100

00:04:35,350 --> 00:04:33,280

insane asylum and joked around

101
00:04:38,550 --> 00:04:35,360
um and then several days later she

102
00:04:42,070 --> 00:04:38,560
called and said that there was a huge

103
00:04:43,510 --> 00:04:42,080
um ufo wave there that everybody was

104
00:04:45,110 --> 00:04:43,520
seeing and all kinds of people were

105
00:04:46,870 --> 00:04:45,120
singing people were staying at night

106
00:04:49,350 --> 00:04:46,880
people were taking their keeping their

107
00:04:50,950 --> 00:04:49,360
kids in and all kinds of things that was

108
00:04:52,150 --> 00:04:50,960
strange from her

109
00:04:54,070 --> 00:04:52,160
because

110
00:04:55,590 --> 00:04:54,080
she's like i said a skeptic

111
00:04:57,350 --> 00:04:55,600
and even

112
00:05:01,029 --> 00:04:57,360
some of her friends saw him and one of

113
00:05:04,230 --> 00:05:02,390

so anyway

114

00:05:05,990 --> 00:05:04,240

i was in missouri and not much was

115

00:05:08,310 --> 00:05:06,000

happening there

116

00:05:11,590 --> 00:05:08,320

and i didn't pay attention to it i just

117

00:05:14,310 --> 00:05:11,600

sort of um thought it was a joke

118

00:05:16,310 --> 00:05:14,320

and which it wasn't but years later i

119

00:05:18,390 --> 00:05:16,320

was in ohio

120

00:05:20,870 --> 00:05:18,400

working at ohio state university and

121

00:05:23,590 --> 00:05:20,880

they had a newspaper room with

122

00:05:24,870 --> 00:05:23,600

um actual newspapers

123

00:05:26,870 --> 00:05:24,880

and not those things that give you the

124

00:05:27,749 --> 00:05:26,880

headache when you turn them around

125

00:05:29,510 --> 00:05:27,759

um

126

00:05:32,469 --> 00:05:29,520

and so i thought i'd just

127

00:05:36,150 --> 00:05:32,479

go in and browse and just for something

128

00:05:38,950 --> 00:05:36,160

to do see if i could find the date on

129

00:05:40,150 --> 00:05:38,960

that phone call about the noise

130

00:05:42,790 --> 00:05:40,160

and the

131

00:05:44,629 --> 00:05:42,800

newspaper room was very daunting it had

132

00:05:47,990 --> 00:05:44,639

zillions and zillions and zillions of

133

00:05:49,270 --> 00:05:48,000

papers and i thought i'll never find it

134

00:05:51,350 --> 00:05:49,280

and i

135

00:05:52,950 --> 00:05:51,360

didn't remember the date

136

00:05:55,270 --> 00:05:52,960

i thought it was around the middle of

137

00:05:56,309 --> 00:05:55,280

october in 73 but i wasn't sure even of

138

00:05:58,550 --> 00:05:56,319

the year

139

00:06:01,670 --> 00:05:58,560

and so i started looking and i found it

140

00:06:04,309 --> 00:06:01,680

really quickly to my surprise wow a

141

00:06:07,830 --> 00:06:04,319

little tiny article about the noise and

142

00:06:10,469 --> 00:06:07,840

so i had a date and this seemed

143

00:06:13,990 --> 00:06:10,479

pretty weird to be associated with ufos

144

00:06:15,830 --> 00:06:14,000

because ufos are so ephemeral they don't

145

00:06:17,749 --> 00:06:15,840

have many witnesses they kind of sneak

146

00:06:19,110 --> 00:06:17,759

around the dark and get one person and

147

00:06:20,710 --> 00:06:19,120

that sort of thing

148

00:06:21,830 --> 00:06:20,720

and so i thought this was interesting

149

00:06:24,469 --> 00:06:21,840

because

150

00:06:26,070 --> 00:06:24,479

this was an unexplained sound

151

00:06:28,309 --> 00:06:26,080

but it was heard by millions and

152

00:06:32,550 --> 00:06:28,319

millions of people

153

00:06:35,189 --> 00:06:32,560

yeah and so i was curious is to find

154

00:06:38,710 --> 00:06:35,199

what caused the sound

155

00:06:40,790 --> 00:06:38,720

and i started investigating

156

00:06:42,629 --> 00:06:40,800

and this was before i was in the ufos or

157

00:06:45,990 --> 00:06:42,639

anything

158

00:06:48,469 --> 00:06:46,000

and i was after doing some investigation

159

00:06:50,710 --> 00:06:48,479

it still seemed mysterious

160

00:06:53,029 --> 00:06:50,720

and so i was going to write something up

161

00:06:54,550 --> 00:06:53,039

in a peer-reviewed scientific journal

162

00:06:58,950 --> 00:06:54,560

about

163

00:07:01,350 --> 00:06:58,960

well the state of ohio seismologist saw

164

00:07:02,469 --> 00:07:01,360

my submission and was quite interested

165

00:07:04,390 --> 00:07:02,479

himself

166

00:07:07,510 --> 00:07:04,400

and helped me to

167

00:07:09,990 --> 00:07:07,520

uh find out about seismograph stations

168

00:07:12,550 --> 00:07:10,000

and all that and do some more exploring

169

00:07:14,230 --> 00:07:12,560

so anyway i did publish and

170

00:07:17,350 --> 00:07:14,240

got it accepted

171

00:07:19,029 --> 00:07:17,360

in the um in a scientific journal

172

00:07:22,309 --> 00:07:19,039

then some people

173

00:07:24,309 --> 00:07:22,319

that in ohio that were ufo people

174

00:07:27,189 --> 00:07:24,319

asked me to give a talk

175

00:07:29,749 --> 00:07:27,199

about it and i call it the big bang

176

00:07:32,710 --> 00:07:29,759

and i did and that's how i wound up

177

00:07:33,510 --> 00:07:32,720

getting into ufos through

178

00:07:35,589 --> 00:07:33,520

um

179

00:07:38,070 --> 00:07:35,599

something else that happened at the same

180

00:07:39,510 --> 00:07:38,080

time as the pascagoula abduction

181

00:07:40,870 --> 00:07:39,520

amazing

182

00:07:44,469 --> 00:07:40,880

wow

183

00:07:46,950 --> 00:07:44,479

and you know it is just fascinating it i

184

00:07:48,710 --> 00:07:46,960

i find that you know in the multitude of

185

00:07:51,029 --> 00:07:48,720

reports and cases

186

00:07:53,029 --> 00:07:51,039

there often seems to be

187

00:07:54,950 --> 00:07:53,039

what's described as an interactive

188

00:07:56,469 --> 00:07:54,960

behavior between the ufos and the

189

00:07:58,710 --> 00:07:56,479

witnesses

190

00:08:02,309 --> 00:07:58,720

in your book you mentioned interactive

191

00:08:04,710 --> 00:08:02,319

behavior is a sign of life and

192

00:08:07,430 --> 00:08:04,720

compiling this vast amount of evidence

193

00:08:10,550 --> 00:08:07,440

what do you think these identified craft

194

00:08:14,710 --> 00:08:11,510

well

195

00:08:18,070 --> 00:08:14,720

um i of course don't know but um there

196

00:08:19,990 --> 00:08:18,080

was a lot of interactive behavior

197

00:08:22,469 --> 00:08:20,000

on obvious things where people thought

198

00:08:24,629 --> 00:08:22,479

they were in um

199

00:08:26,950 --> 00:08:24,639

telepathic contact with

200

00:08:27,990 --> 00:08:26,960

the aliens there were a lot of cases

201
00:08:28,869 --> 00:08:28,000
where

202
00:08:30,469 --> 00:08:28,879
um

203
00:08:33,029 --> 00:08:30,479
like a

204
00:08:35,190 --> 00:08:33,039
a truck driver might see a ufo and shine

205
00:08:36,870 --> 00:08:35,200
a light on it and then they would the

206
00:08:41,029 --> 00:08:36,880
ufo would go away

207
00:08:42,870 --> 00:08:41,039
the ufo would swoop down on people and

208
00:08:43,670 --> 00:08:42,880
and things like that

209
00:08:45,190 --> 00:08:43,680
yeah

210
00:08:47,990 --> 00:08:45,200
which um

211
00:08:49,910 --> 00:08:48,000
was basic interactive behavior although

212
00:08:52,630 --> 00:08:49,920
a lot of it was just

213
00:08:54,949 --> 00:08:52,640

uh something such as if somebody shined

214

00:08:56,790 --> 00:08:54,959

a light on them they might signal they

215

00:08:59,269 --> 00:08:56,800

might brighten up or move away or

216

00:09:01,750 --> 00:08:59,279

something but it was interactive

217

00:09:03,350 --> 00:09:01,760

showing that this is probably something

218

00:09:05,110 --> 00:09:03,360

somewhat conscious

219

00:09:08,870 --> 00:09:05,120

and not just a

220

00:09:10,310 --> 00:09:08,880

regular physical you know yeah physical

221

00:09:12,790 --> 00:09:10,320

um event

222

00:09:17,030 --> 00:09:12,800

absolutely

223

00:09:20,470 --> 00:09:17,040

and many of the ufos seem to be hovering

224

00:09:22,870 --> 00:09:20,480

near or around strategic military or

225

00:09:26,230 --> 00:09:22,880

technical manufacturing areas what are

226

00:09:30,710 --> 00:09:29,110

well pascagoula

227

00:09:34,389 --> 00:09:30,720

it's in mississippi a lot of people

228

00:09:37,430 --> 00:09:36,230

some people say hicks or something which

229

00:09:38,710 --> 00:09:37,440

isn't true

230

00:09:41,110 --> 00:09:38,720

but um

231

00:09:42,870 --> 00:09:41,120

pascagoula was is a top manufacturing

232

00:09:45,829 --> 00:09:42,880

company it's um

233

00:09:49,350 --> 00:09:45,839

has huntington ingalls industry

234

00:09:52,790 --> 00:09:49,360

which is where the abduction took place

235

00:09:56,870 --> 00:09:52,800

and it's a top vote ish

236

00:09:59,430 --> 00:09:56,880

top navy ship manufacturer

237

00:10:02,389 --> 00:09:59,440

it's the top

238

00:10:03,350 --> 00:10:02,399

manufacturer of ships for the us navy

239

00:10:05,750 --> 00:10:03,360

also

240

00:10:07,750 --> 00:10:05,760

in the same area is the kessler

241

00:10:10,470 --> 00:10:07,760

air force base and it was one of the

242

00:10:11,750 --> 00:10:10,480

it's one of the top places for training

243

00:10:13,590 --> 00:10:11,760

people

244

00:10:15,350 --> 00:10:13,600

and um

245

00:10:16,310 --> 00:10:15,360

at that time there were also there was

246

00:10:17,110 --> 00:10:16,320

also

247

00:10:20,949 --> 00:10:17,120

a

248

00:10:22,710 --> 00:10:20,959

uh shipbuilding industry which the

249

00:10:25,350 --> 00:10:22,720

government didn't want anybody i know

250

00:10:27,350 --> 00:10:25,360

about it was right there too

251
00:10:28,470 --> 00:10:27,360
and in other places

252
00:10:31,590 --> 00:10:28,480
um

253
00:10:34,870 --> 00:10:31,600
the same thing was evident such as

254
00:10:36,470 --> 00:10:34,880
in ohio there were ports near patterson

255
00:10:37,910 --> 00:10:36,480
air force base

256
00:10:39,509 --> 00:10:37,920
that's the

257
00:10:41,030 --> 00:10:39,519
main air force base

258
00:10:42,230 --> 00:10:41,040
with um

259
00:10:44,150 --> 00:10:42,240
it was where

260
00:10:46,310 --> 00:10:44,160
uh project blue book took place and all

261
00:10:50,230 --> 00:10:46,320
the other forms of project blue booking

262
00:10:52,710 --> 00:10:50,240
where ufos are investigated and it's a

263
00:10:54,550 --> 00:10:52,720

top air force base for

264

00:10:56,230 --> 00:10:54,560

uh

265

00:10:58,949 --> 00:10:56,240

testing out airplanes and things not

266

00:11:02,310 --> 00:10:58,959

like area 51 but yeah it

267

00:11:03,509 --> 00:11:02,320

actually has its own area 51 yeah and

268

00:11:08,069 --> 00:11:03,519

it's where

269

00:11:09,670 --> 00:11:08,079

the united states actually developed

270

00:11:13,190 --> 00:11:09,680

flight that's where the wright brothers

271

00:11:15,750 --> 00:11:13,200

started out and it continued into a

272

00:11:17,110 --> 00:11:15,760

huge air force base now that employs

273

00:11:18,949 --> 00:11:17,120

more people than

274

00:11:22,389 --> 00:11:18,959

practically anyplace else in the

275

00:11:25,910 --> 00:11:22,399

government yeah um like a pentagon

276

00:11:28,790 --> 00:11:25,920

and uh the sound also went over

277

00:11:30,710 --> 00:11:28,800

kind of like the

278

00:11:31,750 --> 00:11:30,720

central part of the eastern united

279

00:11:35,030 --> 00:11:31,760

states

280

00:11:36,150 --> 00:11:35,040

in such places of washington dc which is

281

00:11:39,430 --> 00:11:36,160

obviously

282

00:11:40,550 --> 00:11:39,440

the important government

283

00:11:44,870 --> 00:11:40,560

the important

284

00:11:49,030 --> 00:11:46,870

airports and

285

00:11:50,389 --> 00:11:49,040

observatories and that sort of thing

286

00:11:54,150 --> 00:11:50,399

so

287

00:11:57,670 --> 00:11:55,670

the wave

288

00:12:00,710 --> 00:11:57,680

wasn't just some subtle thing out in

289

00:12:02,310 --> 00:12:00,720

nowhere it was around big manufacturing

290

00:12:06,069 --> 00:12:02,320

and government areas

291

00:12:07,829 --> 00:12:06,079

absolutely it was so wild it really is

292

00:12:09,430 --> 00:12:07,839

and

293

00:12:11,590 --> 00:12:09,440

i found it very interesting the book

294

00:12:15,110 --> 00:12:11,600

details that the many independent

295

00:12:17,509 --> 00:12:15,120

reports and seismograph readings surely

296

00:12:20,069 --> 00:12:17,519

they indicate something took place and

297

00:12:22,710 --> 00:12:20,079

that is fairly hard evidence in my

298

00:12:24,550 --> 00:12:22,720

opinion that's difficult to ignore

299

00:12:26,629 --> 00:12:24,560

what has been your experience of the

300

00:12:28,949 --> 00:12:26,639

official narrative trying to explain

301
00:12:30,710 --> 00:12:28,959
this away

302
00:12:32,230 --> 00:12:30,720
well they've always explained everything

303
00:12:37,670 --> 00:12:32,240
away

304
00:12:39,269 --> 00:12:37,680
if somebody says they saw something

305
00:12:40,710 --> 00:12:39,279
landing in their yard they'll say well

306
00:12:43,670 --> 00:12:40,720
this is venus

307
00:12:46,150 --> 00:12:43,680
and they even good photography even some

308
00:12:48,790 --> 00:12:46,160
of the good photography they have now

309
00:12:51,509 --> 00:12:48,800
from ships and radar and things

310
00:12:54,069 --> 00:12:51,519
they'll still debunk it yup but i've

311
00:12:57,509 --> 00:12:54,079
never heard anybody debunk a seismograph

312
00:13:00,150 --> 00:12:57,519
recording and there were two seismograph

313
00:13:01,269 --> 00:13:00,160

recordings of the sound plus many many

314

00:13:04,150 --> 00:13:01,279

witnesses

315

00:13:07,350 --> 00:13:04,160

and so i think that this

316

00:13:09,030 --> 00:13:07,360

is good sound scientific evidence

317

00:13:11,990 --> 00:13:09,040

something took place

318

00:13:14,470 --> 00:13:12,000

oh big time big time it is

319

00:13:16,710 --> 00:13:14,480

and i i think it's important to mention

320

00:13:18,870 --> 00:13:16,720

that this all occurred at a difficult

321

00:13:21,110 --> 00:13:18,880

time in political climate at the same

322

00:13:23,590 --> 00:13:21,120

time as the yom kippur war between

323

00:13:25,590 --> 00:13:23,600

israel and a number of arab states and

324

00:13:28,310 --> 00:13:25,600

there was a nuclear alert of sorts how

325

00:13:31,829 --> 00:13:28,320

did this affect the beliefs surrounding

326

00:13:34,710 --> 00:13:31,839

the massive u.s ufo wave

327

00:13:37,269 --> 00:13:34,720

well i covered in another chapter

328

00:13:39,350 --> 00:13:37,279

ufo waves and what they're associated

329

00:13:40,870 --> 00:13:39,360

with and people think they're associated

330

00:13:42,470 --> 00:13:40,880

with things like the media like if a

331

00:13:44,389 --> 00:13:42,480

movie comes out when people see more

332

00:13:47,829 --> 00:13:44,399

ufos and things like that well that

333

00:13:49,990 --> 00:13:47,839

isn't what happened i mean like when um

334

00:13:52,230 --> 00:13:50,000

some of the top movies about aliens came

335

00:13:53,990 --> 00:13:52,240

out where there was an increase in ufos

336

00:13:56,550 --> 00:13:54,000

and when russia set up the first

337

00:13:58,790 --> 00:13:56,560

satellite there wasn't any increase

338

00:14:01,269 --> 00:13:58,800

and um it doesn't

339

00:14:02,629 --> 00:14:01,279

it's unknown why there's

340

00:14:03,990 --> 00:14:02,639

big

341

00:14:06,310 --> 00:14:04,000

flaps

342

00:14:07,910 --> 00:14:06,320

but in this case

343

00:14:10,710 --> 00:14:07,920

there was

344

00:14:13,350 --> 00:14:10,720

a whole lot going on

345

00:14:15,509 --> 00:14:13,360

one thing was in the united states

346

00:14:16,550 --> 00:14:15,519

there was the impeachment of the

347

00:14:18,389 --> 00:14:16,560

president

348

00:14:20,550 --> 00:14:18,399

and the oil shortage

349

00:14:21,509 --> 00:14:20,560

and things like that but there was also

350

00:14:24,150 --> 00:14:21,519

this is

351
00:14:25,350 --> 00:14:24,160
the 73 wave was considered by many to be

352
00:14:27,750 --> 00:14:25,360
the

353
00:14:29,590 --> 00:14:27,760
largest ufo wave ever

354
00:14:31,269 --> 00:14:29,600
and the last one

355
00:14:33,910 --> 00:14:31,279
and um

356
00:14:35,030 --> 00:14:33,920
at that time there was a young competit

357
00:14:36,790 --> 00:14:35,040
war

358
00:14:38,550 --> 00:14:36,800
and um

359
00:14:40,949 --> 00:14:38,560
the def con

360
00:14:44,550 --> 00:14:40,959
two nuclear alert which

361
00:14:46,470 --> 00:14:44,560
happened just a little bit after the

362
00:14:47,990 --> 00:14:46,480
october the 11th i think it was october

363
00:14:50,550 --> 00:14:48,000

the 24th

364

00:14:52,310 --> 00:14:50,560

and that was the last

365

00:14:53,670 --> 00:14:52,320

nuclear alert there's only been two or

366

00:14:56,150 --> 00:14:53,680

three of them

367

00:14:58,710 --> 00:14:56,160

that ever happened

368

00:15:01,110 --> 00:14:58,720

where there's a possibility nuclear war

369

00:15:01,990 --> 00:15:01,120

yeah and so this was a pretty intense

370

00:15:03,509 --> 00:15:02,000

time

371

00:15:05,269 --> 00:15:03,519

and probably most people didn't know

372

00:15:06,069 --> 00:15:05,279

there was that

373

00:15:07,670 --> 00:15:06,079

um

374

00:15:09,269 --> 00:15:07,680

because they didn't declassify the

375

00:15:11,350 --> 00:15:09,279

nuclear

376

00:15:13,430 --> 00:15:11,360

uh alert until

377

00:15:15,189 --> 00:15:13,440

fairly recently so that most people

378

00:15:17,269 --> 00:15:15,199

didn't know there was anything like that

379

00:15:20,710 --> 00:15:17,279

going on but there was a possibility

380

00:15:23,110 --> 00:15:20,720

nuclear nuclear war at that time

381

00:15:25,430 --> 00:15:23,120

pretty big deal yes it was

382

00:15:29,350 --> 00:15:27,750

israel and the arab states

383

00:15:32,470 --> 00:15:29,360

if they

384

00:15:35,430 --> 00:15:32,480

they had evidence of nuclear um

385

00:15:37,269 --> 00:15:35,440

armament and in that case russia would

386

00:15:38,389 --> 00:15:37,279

side with the arab states the united

387

00:15:40,870 --> 00:15:38,399

states would

388

00:15:42,470 --> 00:15:40,880

side with israel and

389

00:15:44,389 --> 00:15:42,480

they could blow up the world at that

390

00:15:45,829 --> 00:15:44,399

time really good most people didn't

391

00:15:47,269 --> 00:15:45,839

realize it but

392

00:15:50,550 --> 00:15:47,279

the um

393

00:15:53,430 --> 00:15:50,560

flap was around that time too

394

00:15:55,670 --> 00:15:53,440

yeah it was high tense

395

00:15:57,990 --> 00:15:55,680

very very tense times and let's delve a

396

00:15:59,670 --> 00:15:58,000

little bit into that portion of history

397

00:16:00,870 --> 00:15:59,680

that we've kind of delved into it's so

398

00:16:03,509 --> 00:16:00,880

enthraling

399

00:16:06,150 --> 00:16:03,519

the massive sound associated with this

400

00:16:08,470 --> 00:16:06,160

ufo flapper wave was heard as we

401
00:16:11,269 --> 00:16:08,480
mentioned over washington dc and it

402
00:16:13,110 --> 00:16:11,279
occurred during a time of super high

403
00:16:15,829 --> 00:16:13,120
international attention

404
00:16:17,110 --> 00:16:15,839
uh watergate and this nuclear alert that

405
00:16:19,110 --> 00:16:17,120
you mentioned

406
00:16:20,829 --> 00:16:19,120
did the white house ever come out with

407
00:16:22,550 --> 00:16:20,839
an official statement about the

408
00:16:25,110 --> 00:16:22,560
situation

409
00:16:27,350 --> 00:16:25,120
it never did it's like it never happened

410
00:16:31,030 --> 00:16:27,360
it made the newspapers across the

411
00:16:32,949 --> 00:16:31,040
country it happened on the night of um

412
00:16:35,189 --> 00:16:32,959
october 11th and i collected the

413
00:16:38,150 --> 00:16:35,199

newspapers from the 12th it made a lot

414

00:16:39,189 --> 00:16:38,160

of newspaper headlines over the area it

415

00:16:41,430 --> 00:16:39,199

covered

416

00:16:43,910 --> 00:16:41,440

from iowa to um

417

00:16:46,629 --> 00:16:43,920

the atlantic coast near washington

418

00:16:49,110 --> 00:16:46,639

but the very next day or so people just

419

00:16:50,550 --> 00:16:49,120

forgot about it

420

00:16:52,550 --> 00:16:50,560

that was kind of funny because the same

421

00:16:54,310 --> 00:16:52,560

thing had happened when there was a flap

422

00:16:58,069 --> 00:16:54,320

over um

423

00:16:59,990 --> 00:16:58,079

washington dc in 1952 there were

424

00:17:01,590 --> 00:17:00,000

sightings all over and radar visual

425

00:17:02,949 --> 00:17:01,600

sightings and everything and the

426

00:17:04,390 --> 00:17:02,959

government said oh this is the

427

00:17:07,110 --> 00:17:04,400

temperature inversion

428

00:17:09,270 --> 00:17:07,120

and nobody worried in this case

429

00:17:11,270 --> 00:17:09,280

i think people forgot about it because

430

00:17:12,870 --> 00:17:11,280

nobody saw anything

431

00:17:14,710 --> 00:17:12,880

and hearing something i think is

432

00:17:15,510 --> 00:17:14,720

different from seeing it

433

00:17:17,110 --> 00:17:15,520

and

434

00:17:19,189 --> 00:17:17,120

the government didn't explain anything

435

00:17:21,029 --> 00:17:19,199

there was no explanation or anything it

436

00:17:23,110 --> 00:17:21,039

just made newspaper headlines and then

437

00:17:25,429 --> 00:17:23,120

everybody forgot about it

438

00:17:27,909 --> 00:17:25,439

yeah except me

439

00:17:29,430 --> 00:17:27,919

and i'm glad you didn't

440

00:17:31,590 --> 00:17:29,440

i think a lot of us are glad you didn't

441

00:17:33,750 --> 00:17:31,600

forget about it and something

442

00:17:34,710 --> 00:17:33,760

fascinating which was outlined in your

443

00:17:37,029 --> 00:17:34,720

book

444

00:17:39,029 --> 00:17:37,039

uh sort of on the opposite of the

445

00:17:40,630 --> 00:17:39,039

spectrum was the statement made in the

446

00:17:43,270 --> 00:17:40,640

ufo case book

447

00:17:45,750 --> 00:17:43,280

by kevin d randall where he postulates

448

00:17:47,029 --> 00:17:45,760

that perhaps this well-documented ufo

449

00:17:49,830 --> 00:17:47,039

flap was

450

00:17:52,150 --> 00:17:49,840

what he called the october scenario and

451
00:17:54,230 --> 00:17:52,160
possibly the only extraterrestrial

452
00:17:56,789 --> 00:17:54,240
visitation that has actually occurred on

453
00:17:58,950 --> 00:17:56,799
earth what are your thoughts about his

454
00:18:01,590 --> 00:17:58,960
theory

455
00:18:03,510 --> 00:18:01,600
well i think um

456
00:18:06,549 --> 00:18:03,520
he explained that in more detail but i

457
00:18:08,230 --> 00:18:06,559
think it's possible and i line that up

458
00:18:09,430 --> 00:18:08,240
with um

459
00:18:13,990 --> 00:18:09,440
that

460
00:18:15,909 --> 00:18:14,000
outer space into our solar system i

461
00:18:19,190 --> 00:18:15,919
can't pronounce its name

462
00:18:20,150 --> 00:18:19,200
or something yeah and um

463
00:18:23,270 --> 00:18:20,160

left

464

00:18:25,350 --> 00:18:23,280

that was a couple years ago

465

00:18:28,710 --> 00:18:25,360

and it's the only there's only been two

466

00:18:32,230 --> 00:18:28,720

of them so far that they've seen across

467

00:18:35,110 --> 00:18:32,240

our solar system but back in 1973 if one

468

00:18:38,310 --> 00:18:35,120

did that nobody would have recognized it

469

00:18:40,070 --> 00:18:38,320

so i i speculated in the book

470

00:18:41,830 --> 00:18:40,080

that possibly

471

00:18:42,870 --> 00:18:41,840

something like that had happened at that

472

00:18:44,549 --> 00:18:42,880

time

473

00:18:47,830 --> 00:18:44,559

and um

474

00:18:49,110 --> 00:18:47,840

maybe that was the one time we had been

475

00:18:50,549 --> 00:18:49,120

um

476
00:18:51,350 --> 00:18:50,559
looked at

477
00:18:53,350 --> 00:18:51,360
by

478
00:18:55,110 --> 00:18:53,360
aliens

479
00:18:58,230 --> 00:18:55,120
i mean i doubt it but

480
00:19:00,070 --> 00:18:58,240
it that's still what uh he's speculating

481
00:19:01,990 --> 00:19:00,080
it's possible

482
00:19:03,909 --> 00:19:02,000
yeah that something passed through our

483
00:19:04,789 --> 00:19:03,919
solar system right then

484
00:19:09,430 --> 00:19:04,799
and

485
00:19:12,470 --> 00:19:09,440
yes

486
00:19:14,950 --> 00:19:12,480
and i have a hard time pronouncing that

487
00:19:18,470 --> 00:19:14,960
too i it but it is really something that

488
00:19:20,789 --> 00:19:18,480

intrigues me it's such a interesting

489

00:19:23,590 --> 00:19:20,799

thing that it also kind of seems to uh

490

00:19:25,990 --> 00:19:23,600

catch a blind eye um getting getting to

491

00:19:28,310 --> 00:19:26,000

the meat of the matter the abduction

492

00:19:29,909 --> 00:19:28,320

scenario by charles hickson and calvin

493

00:19:32,230 --> 00:19:29,919

parker is

494

00:19:34,710 --> 00:19:32,240

by far one of the most significant in

495

00:19:37,350 --> 00:19:34,720

history in my opinion and

496

00:19:39,909 --> 00:19:37,360

the aliens are described so different in

497

00:19:42,549 --> 00:19:39,919

so many ways in appearance and function

498

00:19:44,070 --> 00:19:42,559

i mean these alien entities look like

499

00:19:46,870 --> 00:19:44,080

nothing really described before this

500

00:19:49,190 --> 00:19:46,880

case making it fairly unique and it's

501
00:19:51,750 --> 00:19:49,200
almost like a different type of alien

502
00:19:54,310 --> 00:19:51,760
species came down for a while and

503
00:19:56,630 --> 00:19:54,320
had quite the heyday in their blue craft

504
00:19:59,430 --> 00:19:56,640
and i get where people like

505
00:20:02,029 --> 00:19:59,440
kevin randle would get their theories

506
00:20:05,590 --> 00:20:02,039
can we get into the things that made the

507
00:20:09,430 --> 00:20:05,600
1973 ufo wave so much different than

508
00:20:13,270 --> 00:20:10,950
well one thing that made it different

509
00:20:16,950 --> 00:20:16,070
the abductors

510
00:20:20,230 --> 00:20:16,960
and

511
00:20:22,630 --> 00:20:20,240
usually when people describe aliens

512
00:20:25,270 --> 00:20:22,640
somehow they have the idea that they're

513
00:20:26,549 --> 00:20:25,280

very slender beings with big heads and

514

00:20:27,350 --> 00:20:26,559

big eyes

515

00:20:28,149 --> 00:20:27,360

and

516

00:20:29,190 --> 00:20:28,159

um

517

00:20:30,390 --> 00:20:29,200

all that

518

00:20:32,390 --> 00:20:30,400

well these

519

00:20:33,590 --> 00:20:32,400

were about as opposite as you could get

520

00:20:35,110 --> 00:20:33,600

to that

521

00:20:37,430 --> 00:20:35,120

um

522

00:20:39,029 --> 00:20:37,440

they were sort of porky or portly or

523

00:20:41,510 --> 00:20:39,039

whatever you'd call it

524

00:20:43,029 --> 00:20:41,520

obese maybe not quite obese but have it

525

00:20:44,549 --> 00:20:43,039

set

526
00:20:46,549 --> 00:20:44,559
wrinkled

527
00:20:47,750 --> 00:20:46,559
and

528
00:20:49,909 --> 00:20:47,760
they were

529
00:20:52,230 --> 00:20:49,919
mechanic they gave the

530
00:20:56,950 --> 00:20:54,870
uh the abductors the opinion

531
00:20:58,470 --> 00:20:56,960
i mean the abductees the opinion that

532
00:21:00,870 --> 00:20:58,480
they were mechanical

533
00:21:02,950 --> 00:21:00,880
like robots or something

534
00:21:04,070 --> 00:21:02,960
and um

535
00:21:06,789 --> 00:21:04,080
they

536
00:21:08,870 --> 00:21:06,799
didn't have the big heads

537
00:21:10,230 --> 00:21:08,880
they also didn't have the big eyes in

538
00:21:11,990 --> 00:21:10,240

fact they didn't even know if they saw

539

00:21:14,470 --> 00:21:12,000

any eyes

540

00:21:16,470 --> 00:21:14,480

but where people have projecting

541

00:21:18,470 --> 00:21:16,480

projections out of their head

542

00:21:21,110 --> 00:21:18,480

they had like ears and a nose these

543

00:21:22,630 --> 00:21:21,120

things had something called sort of like

544

00:21:25,190 --> 00:21:22,640

carrots or something

545

00:21:27,190 --> 00:21:25,200

sticking out from um

546

00:21:29,190 --> 00:21:27,200

where their ears where a human's ears

547

00:21:31,669 --> 00:21:29,200

would be and where the nose would be why

548

00:21:32,630 --> 00:21:31,679

they weren't sure if they saw a mouth or

549

00:21:35,590 --> 00:21:32,640

eyes

550

00:21:37,350 --> 00:21:35,600

and so these were about as opposite as

551
00:21:39,909 --> 00:21:37,360
you could get to what

552
00:21:41,510 --> 00:21:39,919
the norm and then they also didn't seem

553
00:21:43,669 --> 00:21:41,520
to have legs they seemed to be just

554
00:21:48,390 --> 00:21:43,679
floating around on pedestals

555
00:21:53,990 --> 00:21:51,350
the standard ideas of an alien

556
00:21:56,149 --> 00:21:54,000
they really were freaky

557
00:21:58,950 --> 00:21:56,159
scary scary

558
00:22:00,710 --> 00:21:58,960
very interesting looking beings and

559
00:22:01,990 --> 00:22:00,720
one of my favorite examples of

560
00:22:04,310 --> 00:22:02,000
interaction

561
00:22:06,470 --> 00:22:04,320
with uh these craft in your book

562
00:22:07,590 --> 00:22:06,480
actually took place with people in small

563
00:22:08,950 --> 00:22:07,600

boats

564

00:22:10,549 --> 00:22:08,960

interacting with crafts swimming

565

00:22:12,310 --> 00:22:10,559

underwater now

566

00:22:15,190 --> 00:22:12,320

not only was this one of the most

567

00:22:18,070 --> 00:22:15,200

amazing accounts of interaction with an

568

00:22:21,270 --> 00:22:18,080

underwater submerged object

569

00:22:23,110 --> 00:22:21,280

but it even made the paper but what

570

00:22:24,710 --> 00:22:23,120

it was all but ignored and almost really

571

00:22:25,750 --> 00:22:24,720

made fun of can you describe to

572

00:22:27,830 --> 00:22:25,760

listeners

573

00:22:30,390 --> 00:22:27,840

what took place in the murky waters of

574

00:22:32,149 --> 00:22:30,400

pascagoula that night

575

00:22:34,870 --> 00:22:32,159

well there were two

576

00:22:38,149 --> 00:22:34,880

pascagoula surprisingly enough made

577

00:22:39,590 --> 00:22:38,159

the top news twice one was this

578

00:22:44,149 --> 00:22:39,600

abduction

579

00:22:47,029 --> 00:22:45,990

underwater

580

00:22:49,750 --> 00:22:47,039

it

581

00:22:54,070 --> 00:22:49,760

um this would be called an underwater

582

00:22:56,149 --> 00:22:54,080

submarine object uso instead of ufo

583

00:22:58,149 --> 00:22:56,159

and i there's only one person alive

584

00:23:01,430 --> 00:22:58,159

there were 16 people that saw only one

585

00:23:04,789 --> 00:23:01,440

person alive and i interviewed him

586

00:23:06,870 --> 00:23:04,799

several months ago and put it now

587

00:23:08,789 --> 00:23:06,880

about a year ago and put it in the book

588

00:23:10,470 --> 00:23:08,799

um

589

00:23:11,990 --> 00:23:10,480

the abduction

590

00:23:14,870 --> 00:23:12,000

was not

591

00:23:17,990 --> 00:23:14,880

people harassed

592

00:23:18,710 --> 00:23:18,000

calvin and charles about the abduction

593

00:23:20,870 --> 00:23:18,720

and

594

00:23:22,789 --> 00:23:20,880

everybody a lot of people are saying oh

595

00:23:25,990 --> 00:23:22,799

you know this was just ridiculous it

596

00:23:27,430 --> 00:23:26,000

couldn't happen all that but the

597

00:23:30,310 --> 00:23:27,440

underwater

598

00:23:32,710 --> 00:23:30,320

observation was taken very seriously

599

00:23:35,029 --> 00:23:32,720

and investigated

600

00:23:36,390 --> 00:23:35,039

um

601
00:23:38,390 --> 00:23:36,400
it was

602
00:23:40,789 --> 00:23:38,400
um

603
00:23:43,350 --> 00:23:40,799
and what was interesting about it it was

604
00:23:45,269 --> 00:23:43,360
taken seriously one reason was because

605
00:23:46,950 --> 00:23:45,279
it was near the

606
00:23:49,590 --> 00:23:46,960
the huntington ingalls boat

607
00:23:50,390 --> 00:23:49,600
manufacturing place it was near

608
00:23:52,230 --> 00:23:50,400
the

609
00:23:53,350 --> 00:23:52,240
atomic

610
00:23:55,110 --> 00:23:53,360
nuclear

611
00:23:56,070 --> 00:23:55,120
submarine

612
00:23:58,470 --> 00:23:56,080
area

613
00:23:59,510 --> 00:23:58,480

and near kessler and with all the other

614

00:24:00,630 --> 00:23:59,520

things that were going on in the

615

00:24:03,110 --> 00:24:00,640

government

616

00:24:04,710 --> 00:24:03,120

well they took this very seriously

617

00:24:07,190 --> 00:24:04,720

and what was

618

00:24:10,070 --> 00:24:07,200

odd was that the abduction actually took

619

00:24:13,990 --> 00:24:10,080

place closer to all those um

620

00:24:15,590 --> 00:24:14,000

manufacturing places than the um

621

00:24:17,029 --> 00:24:15,600

the underwater

622

00:24:20,630 --> 00:24:17,039

observation

623

00:24:23,029 --> 00:24:20,640

and so they but the coast guard

624

00:24:24,310 --> 00:24:23,039

um in the navy took the under

625

00:24:26,950 --> 00:24:24,320

water

626
00:24:27,830 --> 00:24:26,960
investigation quite seriously

627
00:24:29,990 --> 00:24:27,840
um

628
00:24:31,029 --> 00:24:30,000
these fishermen were out

629
00:24:33,750 --> 00:24:31,039
well

630
00:24:36,950 --> 00:24:33,760
the uh past goal was on

631
00:24:39,350 --> 00:24:36,960
october the 11th and the underwater was

632
00:24:41,350 --> 00:24:39,360
november the 6th which wasn't too long

633
00:24:42,310 --> 00:24:41,360
afterwards

634
00:24:45,510 --> 00:24:42,320
these

635
00:24:48,470 --> 00:24:45,520
fisher people were out in their boats

636
00:24:50,310 --> 00:24:48,480
fishing away or heading nets out

637
00:24:52,230 --> 00:24:50,320
and they were people that had always

638
00:24:55,029 --> 00:24:52,240

been out in the water and lived there

639

00:24:58,070 --> 00:24:55,039

and were very familiar with the water

640

00:24:59,990 --> 00:24:58,080

they saw this thing underwater that was

641

00:25:02,390 --> 00:25:00,000

lit up

642

00:25:04,710 --> 00:25:02,400

and um

643

00:25:07,350 --> 00:25:04,720

the first people

644

00:25:10,310 --> 00:25:07,360

tried to explore it and understand it

645

00:25:12,630 --> 00:25:10,320

and they had a long orb and hit it it

646

00:25:15,669 --> 00:25:12,640

sounded like something metallic

647

00:25:17,510 --> 00:25:15,679

it was um the man i talked to described

648

00:25:20,549 --> 00:25:17,520

as like looking at the top of a

649

00:25:23,909 --> 00:25:20,559

parachute that it was like um

650

00:25:25,269 --> 00:25:23,919

the top of a parachute with lines going

651
00:25:26,830 --> 00:25:25,279
from the middle and something in the

652
00:25:30,789 --> 00:25:26,840
middle

653
00:25:32,870 --> 00:25:30,799
um and so he and his father

654
00:25:35,350 --> 00:25:32,880
he was 16 at the time

655
00:25:38,230 --> 00:25:35,360
tried to figure out what it was and then

656
00:25:39,510 --> 00:25:38,240
the father's twin and another

657
00:25:41,430 --> 00:25:39,520
uh

658
00:25:42,549 --> 00:25:41,440
vote came up and tried to figure out

659
00:25:45,110 --> 00:25:42,559
what it was

660
00:25:47,669 --> 00:25:45,120
so eventually they couldn't and they

661
00:25:50,549 --> 00:25:47,679
took the boat back to the

662
00:25:53,669 --> 00:25:50,559
coast guard station and reported it

663
00:25:56,470 --> 00:25:53,679

well two coast bar guard officers

664

00:25:59,430 --> 00:25:56,480

came out and they saw it too and they

665

00:26:01,029 --> 00:25:59,440

were just as perplexed as anybody else

666

00:26:02,149 --> 00:26:01,039

because

667

00:26:03,830 --> 00:26:02,159

um

668

00:26:05,029 --> 00:26:03,840

like if you didn't bother it it would

669

00:26:07,590 --> 00:26:05,039

just

670

00:26:09,350 --> 00:26:07,600

be there and be lit up a little bit and

671

00:26:11,669 --> 00:26:09,360

sometimes it would really light up

672

00:26:14,390 --> 00:26:11,679

bright it was underwater

673

00:26:17,190 --> 00:26:14,400

and then if they bothered it would

674

00:26:20,070 --> 00:26:17,200

it would turn its lights out but it also

675

00:26:22,870 --> 00:26:20,080

would travel with its lights turned out

676
00:26:24,710 --> 00:26:22,880
and then it would show up someplace else

677
00:26:27,510 --> 00:26:24,720
and um

678
00:26:29,669 --> 00:26:27,520
so they had hit it and things like that

679
00:26:32,070 --> 00:26:29,679
and the one of the coast guard people

680
00:26:34,230 --> 00:26:32,080
said in his notes

681
00:26:36,310 --> 00:26:34,240
um when you

682
00:26:38,310 --> 00:26:36,320
uh held an ore

683
00:26:40,549 --> 00:26:38,320
over the light that was coming out of it

684
00:26:42,149 --> 00:26:40,559
it was like x-ray light

685
00:26:44,149 --> 00:26:42,159
you it would go right through the ore

686
00:26:47,029 --> 00:26:44,159
and the earth wouldn't cast the shadow

687
00:26:47,909 --> 00:26:47,039
which was very very very strange

688
00:26:51,430 --> 00:26:47,919

and

689

00:26:52,549 --> 00:26:51,440

nobody had any idea what it was

690

00:26:54,470 --> 00:26:52,559

um

691

00:26:55,909 --> 00:26:54,480

they thought it might be something

692

00:26:58,549 --> 00:26:55,919

spying

693

00:26:59,990 --> 00:26:58,559

on them but um

694

00:27:02,950 --> 00:27:00,000

it wasn't anything

695

00:27:06,710 --> 00:27:02,960

like a normal submarine or anything

696

00:27:10,470 --> 00:27:08,870

it seemed to know its way around and

697

00:27:11,350 --> 00:27:10,480

there was a

698

00:27:13,029 --> 00:27:11,360

um

699

00:27:15,669 --> 00:27:13,039

deeper area

700

00:27:18,230 --> 00:27:15,679

a deeper trench that went to the

701
00:27:20,070 --> 00:27:18,240
pascagoula river and it mainly stayed

702
00:27:21,430 --> 00:27:20,080
along this trench and traveled along

703
00:27:24,470 --> 00:27:21,440
this trance

704
00:27:26,310 --> 00:27:24,480
but 16 people saw it including two

705
00:27:28,549 --> 00:27:26,320
coast guard people

706
00:27:30,470 --> 00:27:28,559
and nobody had any idea what it was and

707
00:27:32,830 --> 00:27:30,480
this was taken very seriously and the

708
00:27:34,710 --> 00:27:32,840
people were

709
00:27:35,909 --> 00:27:34,720
um uh

710
00:27:37,510 --> 00:27:35,919
questioned by

711
00:27:38,230 --> 00:27:37,520
military authorities and that sort of

712
00:27:39,190 --> 00:27:38,240
thing

713
00:27:41,110 --> 00:27:39,200

yeah

714

00:27:42,870 --> 00:27:41,120

it makes sense

715

00:27:44,950 --> 00:27:42,880

and um

716

00:27:46,630 --> 00:27:44,960

i i just found that that was such an

717

00:27:48,070 --> 00:27:46,640

interesting part of the book just it

718

00:27:50,870 --> 00:27:48,080

seemed like it

719

00:27:53,029 --> 00:27:50,880

you you drew such great uh imagery and

720

00:27:56,389 --> 00:27:53,039

such a good picture of what took place

721

00:27:58,389 --> 00:27:56,399

um within days after calvin parker and

722

00:28:00,710 --> 00:27:58,399

hixson's abduction

723

00:28:02,389 --> 00:28:00,720

pascagoula was the focus of

724

00:28:04,070 --> 00:28:02,399

international news

725

00:28:05,830 --> 00:28:04,080

even though their abduction case had

726
00:28:07,350 --> 00:28:05,840
elements that were much different than

727
00:28:08,549 --> 00:28:07,360
just about any other well-known

728
00:28:10,470 --> 00:28:08,559
abduction

729
00:28:12,389 --> 00:28:10,480
as far as description of aliens the

730
00:28:13,750 --> 00:28:12,399
hissing the robotics

731
00:28:16,310 --> 00:28:13,760
etc

732
00:28:18,630 --> 00:28:16,320
neither one of them has ever changed

733
00:28:20,950 --> 00:28:18,640
their story regardless of the various

734
00:28:22,470 --> 00:28:20,960
interviews including those by professor

735
00:28:23,830 --> 00:28:22,480
james harder and j

736
00:28:26,230 --> 00:28:23,840
alan heineck

737
00:28:28,470 --> 00:28:26,240
i mean charles hickson

738
00:28:30,470 --> 00:28:28,480

lived until the age of 80 and despite

739

00:28:32,149 --> 00:28:30,480

ridicule never back down from his story

740

00:28:34,789 --> 00:28:32,159

as your book outlines

741

00:28:38,149 --> 00:28:34,799

if anything it seems like this abduction

742

00:28:40,310 --> 00:28:38,159

case only gets more concrete the more

743

00:28:42,830 --> 00:28:40,320

people look into it would you describe

744

00:28:45,830 --> 00:28:42,840

that as the case in being

745

00:28:47,350 --> 00:28:45,840

accurate yes because sometimes like if

746

00:28:48,789 --> 00:28:47,360

people are lying

747

00:28:50,070 --> 00:28:48,799

sometimes they'll embellish and

748

00:28:51,909 --> 00:28:50,080

embellish and

749

00:28:52,710 --> 00:28:51,919

they've had 40 years to embellish on

750

00:28:54,470 --> 00:28:52,720

this

751
00:28:56,549 --> 00:28:54,480
and nobody embellished they just said

752
00:28:57,350 --> 00:28:56,559
the same thing they said to start with

753
00:28:59,669 --> 00:28:57,360
which

754
00:29:01,990 --> 00:28:59,679
suggests that they it's something they

755
00:29:04,149 --> 00:29:02,000
remember not something they're making up

756
00:29:06,149 --> 00:29:04,159
there were a lot of other reasons to

757
00:29:07,190 --> 00:29:06,159
show that it wasn't something they made

758
00:29:09,029 --> 00:29:07,200
up

759
00:29:11,590 --> 00:29:09,039
um like

760
00:29:14,630 --> 00:29:11,600
ufo events and

761
00:29:18,710 --> 00:29:14,640
abductions are often presented as hoaxes

762
00:29:23,909 --> 00:29:21,669
uh it happened to them and it was very

763
00:29:25,590 --> 00:29:23,919

very very traumatic i mean they were

764

00:29:27,510 --> 00:29:25,600

both just

765

00:29:30,149 --> 00:29:27,520

shook up out of this world

766

00:29:33,190 --> 00:29:30,159

and then um like when the things

767

00:29:34,230 --> 00:29:33,200

returned them from the ship well i guess

768

00:29:36,230 --> 00:29:34,240

uh

769

00:29:38,070 --> 00:29:36,240

calvin was just standing there with his

770

00:29:41,269 --> 00:29:38,080

arms up in the air and couldn't move and

771

00:29:43,750 --> 00:29:41,279

then um

772

00:29:45,750 --> 00:29:43,760

charlie brought him two and he fell down

773

00:29:47,029 --> 00:29:45,760

and they both fell down and at first

774

00:29:48,470 --> 00:29:47,039

they were gonna

775

00:29:50,230 --> 00:29:48,480

they didn't want to say anything to

776

00:29:51,990 --> 00:29:50,240

anybody because obviously nobody

777

00:29:54,950 --> 00:29:52,000

believed them right

778

00:29:57,269 --> 00:29:54,960

and but anyway charlie was older and he

779

00:29:59,669 --> 00:29:57,279

had been in the army and

780

00:30:02,549 --> 00:29:59,679

in life or death situations

781

00:30:04,310 --> 00:30:02,559

and he was kind of able to hold up to it

782

00:30:06,070 --> 00:30:04,320

whereas

783

00:30:07,110 --> 00:30:06,080

calvin was 19

784

00:30:08,630 --> 00:30:07,120

and

785

00:30:09,909 --> 00:30:08,640

at that age you know it was just

786

00:30:10,950 --> 00:30:09,919

terrible

787

00:30:13,269 --> 00:30:10,960

well

788

00:30:15,909 --> 00:30:13,279

charlie decide after a while charlie

789

00:30:18,389 --> 00:30:15,919

decided to report it which calvin was

790

00:30:20,070 --> 00:30:18,399

very much against

791

00:30:21,909 --> 00:30:20,080

and um

792

00:30:24,070 --> 00:30:21,919

charlie first of all he tried the

793

00:30:25,590 --> 00:30:24,080

newspaper and the newspaper was closed

794

00:30:28,389 --> 00:30:25,600

at that time of night

795

00:30:30,630 --> 00:30:28,399

then he tried kessler air force base

796

00:30:33,430 --> 00:30:30,640

and they told him they don't do ufos

797

00:30:36,710 --> 00:30:33,440

anymore blue book was closed

798

00:30:38,310 --> 00:30:36,720

and and that's something i mean at that

799

00:30:40,789 --> 00:30:38,320

time they'd close blue book and there

800

00:30:43,510 --> 00:30:40,799

wasn't a place to report those things

801
00:30:45,990 --> 00:30:43,520
that's right and um

802
00:30:47,990 --> 00:30:46,000
so the air force told them to report to

803
00:30:48,870 --> 00:30:48,000
the local authorities

804
00:30:54,789 --> 00:30:48,880
so

805
00:30:59,190 --> 00:30:57,110
gravy had to be to call the police

806
00:31:00,389 --> 00:30:59,200
because you know they would say you're

807
00:31:01,830 --> 00:31:00,399
crazy

808
00:31:04,710 --> 00:31:01,840
and so he called the police and said

809
00:31:07,190 --> 00:31:04,720
you're not going to believe this but

810
00:31:08,070 --> 00:31:07,200
we were abducted by ufo

811
00:31:10,149 --> 00:31:08,080
and

812
00:31:11,909 --> 00:31:10,159
the person he called

813
00:31:13,029 --> 00:31:11,919

did kind of believe him because you

814

00:31:15,110 --> 00:31:13,039

could hear

815

00:31:17,430 --> 00:31:15,120

calvin in the background crying and

816

00:31:18,950 --> 00:31:17,440

begging him not to report it

817

00:31:21,029 --> 00:31:18,960

so they brought him into the police

818

00:31:23,430 --> 00:31:21,039

station

819

00:31:25,590 --> 00:31:23,440

and i mean the police had sent out these

820

00:31:27,110 --> 00:31:25,600

bulletins that these two crazy people

821

00:31:28,470 --> 00:31:27,120

drunk people had been picked up and

822

00:31:30,630 --> 00:31:28,480

claiming they were

823

00:31:32,549 --> 00:31:30,640

abducted and everything

824

00:31:34,950 --> 00:31:32,559

and but anyway they

825

00:31:37,590 --> 00:31:34,960

brought him into the police station

826

00:31:39,669 --> 00:31:37,600

and um

827

00:31:41,509 --> 00:31:39,679

questioned them separately and then put

828

00:31:43,909 --> 00:31:41,519

him together in a room

829

00:31:46,389 --> 00:31:43,919

and then left the room and left him uh

830

00:31:48,630 --> 00:31:46,399

alone and what they didn't know was is

831

00:31:50,470 --> 00:31:48,640

that they had left a hidden tape

832

00:31:51,830 --> 00:31:50,480

recorder in the room

833

00:31:52,950 --> 00:31:51,840

and they thought this would be the way

834

00:31:54,710 --> 00:31:52,960

to catch him

835

00:31:57,029 --> 00:31:54,720

if they were hoaxing they would laugh

836

00:31:58,549 --> 00:31:57,039

and joke about putting one over on them

837

00:32:01,590 --> 00:31:58,559

and everything else

838

00:32:03,190 --> 00:32:01,600

well the his mystery tape recorder when

839

00:32:05,029 --> 00:32:03,200

they played it

840

00:32:07,350 --> 00:32:05,039

so they were very

841

00:32:09,830 --> 00:32:07,360

um much telling the truth that they were

842

00:32:11,509 --> 00:32:09,840

both terrified and calvin had said he

843

00:32:14,470 --> 00:32:11,519

felt like he died

844

00:32:16,710 --> 00:32:14,480

and he was praying and everything else

845

00:32:17,830 --> 00:32:16,720

and so they believed them

846

00:32:20,310 --> 00:32:17,840

um

847

00:32:21,590 --> 00:32:20,320

and that helped their credibility a

848

00:32:23,669 --> 00:32:21,600

whole lot

849

00:32:26,230 --> 00:32:23,679

and they both said they would take lie

850

00:32:30,789 --> 00:32:26,240

detector tests and everything else

851
00:32:32,630 --> 00:32:30,799
and so right off immediately

852
00:32:34,470 --> 00:32:32,640
they had um

853
00:32:36,549 --> 00:32:34,480
they were believable

854
00:32:40,070 --> 00:32:36,559
absolutely they were

855
00:32:42,149 --> 00:32:40,080
and you know i'm always fascinated by

856
00:32:43,750 --> 00:32:42,159
calvin parker's expression on his face i

857
00:32:45,990 --> 00:32:43,760
mean he just looks like he's seen a

858
00:32:48,789 --> 00:32:46,000
ghost in almost all of the images it's

859
00:32:51,590 --> 00:32:48,799
pretty amazing and and pretty telling

860
00:32:53,990 --> 00:32:51,600
let's get into the serious government

861
00:32:56,070 --> 00:32:54,000
investigation just a little bit that um

862
00:32:58,070 --> 00:32:56,080
you mentioned that took place after the

863
00:33:00,070 --> 00:32:58,080

pascagoula abduction case

864

00:33:02,070 --> 00:33:00,080

and do you believe this had something to

865

00:33:04,870 --> 00:33:02,080

do with huntington ingalls industries

866

00:33:06,789 --> 00:33:04,880

being close by

867

00:33:09,110 --> 00:33:06,799

well i think the um

868

00:33:12,230 --> 00:33:09,120

the coast guard and the navy

869

00:33:14,470 --> 00:33:12,240

investigated it because of that

870

00:33:15,909 --> 00:33:14,480

there was a top shipbuilding area and

871

00:33:17,830 --> 00:33:15,919

there was also

872

00:33:19,750 --> 00:33:17,840

they were building nuclear submarines

873

00:33:22,230 --> 00:33:19,760

too and even today nuclear submarines

874

00:33:25,110 --> 00:33:22,240

are very much in the news like when the

875

00:33:27,909 --> 00:33:25,120

united states sold them to australia

876

00:33:29,509 --> 00:33:27,919

recently and

877

00:33:31,509 --> 00:33:29,519

um

878

00:33:33,430 --> 00:33:31,519

let me see there's something else it was

879

00:33:36,310 --> 00:33:33,440

in the news but anyway they're in

880

00:33:38,710 --> 00:33:36,320

the news quite a bit today and

881

00:33:39,990 --> 00:33:38,720

um they were i think hiding the fact

882

00:33:42,630 --> 00:33:40,000

that they were building nuclear

883

00:33:44,310 --> 00:33:42,640

submarines in from the public

884

00:33:46,230 --> 00:33:44,320

yeah but uh

885

00:33:49,269 --> 00:33:46,240

the coast guard was quite the navy was

886

00:33:51,190 --> 00:33:49,279

quite sensitive about that

887

00:33:52,470 --> 00:33:51,200

makes sense with good reason

888

00:33:54,230 --> 00:33:52,480

yeah definitely

889

00:34:01,350 --> 00:33:54,240

it

890

00:34:03,509 --> 00:34:01,360

abduction case let's get into

891

00:34:05,269 --> 00:34:03,519

the blair family and the blair family

892

00:34:06,950 --> 00:34:05,279

was i believe the first people you

893

00:34:08,710 --> 00:34:06,960

interviewed and was a very moving

894

00:34:10,550 --> 00:34:08,720

interview for me in the book

895

00:34:12,069 --> 00:34:10,560

what was it like interviewing the blair

896

00:34:15,190 --> 00:34:12,079

family and can we explain their

897

00:34:17,669 --> 00:34:15,200

experience for listeners

898

00:34:21,109 --> 00:34:19,270

we first found out about the blair

899

00:34:24,230 --> 00:34:21,119

family because

900

00:34:26,950 --> 00:34:24,240

kelvin had given a talk at this was

901
00:34:28,629 --> 00:34:26,960
after he came out of the closet on ufos

902
00:34:29,589 --> 00:34:28,639
just a couple years ago and wrote the

903
00:34:31,510 --> 00:34:29,599
book

904
00:34:33,190 --> 00:34:31,520
he'd given a

905
00:34:35,270 --> 00:34:33,200
talk

906
00:34:37,190 --> 00:34:35,280
in pascagoula about

907
00:34:38,470 --> 00:34:37,200
um the event

908
00:34:40,069 --> 00:34:38,480
and it was

909
00:34:40,869 --> 00:34:40,079
on youtube

910
00:34:45,030 --> 00:34:40,879
and

911
00:34:47,190 --> 00:34:45,040
oh yeah my parents

912
00:34:50,230 --> 00:34:47,200
were there or something like that

913
00:34:57,349 --> 00:34:53,750

so philip mantle contacted her

914

00:35:00,310 --> 00:34:57,359

and found out who her parents were

915

00:35:03,829 --> 00:35:00,320

her parents hadn't said anything about

916

00:35:06,310 --> 00:35:03,839

but so i called her parents

917

00:35:08,550 --> 00:35:06,320

i he wanted me to call from the united

918

00:35:09,910 --> 00:35:08,560

states because he was in england and had

919

00:35:12,150 --> 00:35:09,920

you know an english accent and

920

00:35:13,910 --> 00:35:12,160

everything and i could record

921

00:35:16,870 --> 00:35:13,920

you know with people's permission the

922

00:35:18,230 --> 00:35:16,880

conversations and so i called maria

923

00:35:19,670 --> 00:35:18,240

blair

924

00:35:21,910 --> 00:35:19,680

and um

925

00:35:22,950 --> 00:35:21,920

i he he said first talk to her husband

926
00:35:24,470 --> 00:35:22,960
and i did

927
00:35:26,790 --> 00:35:24,480
and he didn't talk very long he just

928
00:35:27,670 --> 00:35:26,800
said he heard a big splice

929
00:35:33,829 --> 00:35:27,680
and

930
00:35:35,829 --> 00:35:33,839
well she said that um

931
00:35:37,109 --> 00:35:35,839
they were on the opposite side of the

932
00:35:38,230 --> 00:35:37,119
river

933
00:35:41,990 --> 00:35:38,240
uh from

934
00:35:44,790 --> 00:35:42,000
where charlie was charlie and calvin

935
00:35:45,990 --> 00:35:44,800
and um

936
00:35:48,710 --> 00:35:46,000
they were

937
00:35:51,990 --> 00:35:48,720
waiting to go on a boat

938
00:35:54,870 --> 00:35:52,000

um her husband and his supervisor were

939

00:35:55,990 --> 00:35:54,880

taking a boat out

940

00:35:57,990 --> 00:35:56,000

but um

941

00:35:59,270 --> 00:35:58,000

his supervisor had been held up by bad

942

00:36:01,109 --> 00:35:59,280

weather or something and couldn't get

943

00:36:02,710 --> 00:36:01,119

there and they had found that out and

944

00:36:03,910 --> 00:36:02,720

they were sitting there in the

945

00:36:06,390 --> 00:36:03,920

car

946

00:36:07,430 --> 00:36:06,400

waiting for the supervisor to show up to

947

00:36:10,150 --> 00:36:07,440

go on out

948

00:36:12,870 --> 00:36:10,160

on the pier and get into the boat

949

00:36:14,150 --> 00:36:12,880

um

950

00:36:20,150 --> 00:36:14,160

and

951
00:36:22,390 --> 00:36:20,160
started seeing this

952
00:36:23,109 --> 00:36:22,400
thing flying around

953
00:36:25,349 --> 00:36:23,119
and

954
00:36:27,270 --> 00:36:25,359
she thought this is

955
00:36:28,870 --> 00:36:27,280
very very strange

956
00:36:30,550 --> 00:36:28,880
because it wasn't like an airplane it

957
00:36:32,230 --> 00:36:30,560
was just flying around like it was

958
00:36:34,710 --> 00:36:32,240
browsing or looking for something like

959
00:36:35,990 --> 00:36:34,720
it was lost and she told her husband it

960
00:36:38,870 --> 00:36:36,000
looks like the

961
00:36:39,670 --> 00:36:38,880
airplane is lost what's it doing

962
00:36:41,270 --> 00:36:39,680
and

963
00:36:42,710 --> 00:36:41,280

she said it just didn't look anything

964

00:36:44,950 --> 00:36:42,720

like an airplane

965

00:36:47,270 --> 00:36:44,960

i mean the way it flew around

966

00:36:48,790 --> 00:36:47,280

and then her husband decided to take his

967

00:36:50,790 --> 00:36:48,800

clothes and get in the car i guess it

968

00:36:52,390 --> 00:36:50,800

was about nine o'clock or so

969

00:36:55,270 --> 00:36:52,400

and so they

970

00:36:57,030 --> 00:36:55,280

walked out the pair he was a head of her

971

00:36:59,109 --> 00:36:57,040

and she said this thing that looked like

972

00:37:00,710 --> 00:36:59,119

a man came out of the water right beside

973

00:37:03,190 --> 00:37:00,720

her on the pair

974

00:37:04,550 --> 00:37:03,200

and she was absolutely terrified and

975

00:37:06,310 --> 00:37:04,560

then it didn't come up again it went

976
00:37:07,349 --> 00:37:06,320
back in the water and that's all she saw

977
00:37:10,310 --> 00:37:07,359
of it

978
00:37:11,750 --> 00:37:10,320
well so then they went on to the boat

979
00:37:12,710 --> 00:37:11,760
near the ship

980
00:37:15,510 --> 00:37:12,720
and

981
00:37:17,750 --> 00:37:15,520
she came back around 12

982
00:37:19,349 --> 00:37:17,760
and was just terrified and ran back to

983
00:37:21,190 --> 00:37:19,359
the car

984
00:37:23,349 --> 00:37:21,200
and she seemed so emotional about this

985
00:37:26,550 --> 00:37:23,359
thing that came out of water i kept i

986
00:37:29,589 --> 00:37:26,560
called her several more times and talked

987
00:37:33,430 --> 00:37:29,599
and she was still emotional

988
00:37:39,190 --> 00:37:35,589

and got you know more descriptions and

989

00:37:41,829 --> 00:37:39,200

everything yeah but later unfortunately

990

00:37:43,990 --> 00:37:41,839

her husband became very ill

991

00:37:45,589 --> 00:37:44,000

and unfortunately died

992

00:37:46,310 --> 00:37:45,599

after that

993

00:37:48,390 --> 00:37:46,320

but

994

00:37:50,630 --> 00:37:48,400

um

995

00:37:52,710 --> 00:37:50,640

he he thought this might be his last

996

00:37:54,630 --> 00:37:52,720

time on earth and he had always been a

997

00:37:56,790 --> 00:37:54,640

debunker and told her not to talk about

998

00:37:58,550 --> 00:37:56,800

it that nothing happened everything you

999

00:37:59,990 --> 00:37:58,560

know was normal nothing could have

1000

00:38:01,030 --> 00:38:00,000

happened and everything

1001

00:38:03,750 --> 00:38:01,040

and

1002

00:38:06,390 --> 00:38:03,760

um when he was very very sick

1003

00:38:07,990 --> 00:38:06,400

he said yeah they'd been abducted

1004

00:38:09,270 --> 00:38:08,000

but that he didn't ever want to talk

1005

00:38:12,230 --> 00:38:09,280

about it

1006

00:38:15,349 --> 00:38:12,240

and so he started telling her about

1007

00:38:16,630 --> 00:38:15,359

being aboard this object

1008

00:38:18,870 --> 00:38:16,640

and um

1009

00:38:19,910 --> 00:38:18,880

about how these things came out and got

1010

00:38:26,310 --> 00:38:19,920

him

1011

00:38:28,790 --> 00:38:27,430

and

1012

00:38:31,430 --> 00:38:28,800

then he remembered

1013

00:38:36,950 --> 00:38:34,150

beings or whatever they were

1014

00:38:40,069 --> 00:38:36,960

swimming back across the water and he

1015

00:38:41,030 --> 00:38:40,079

remembered the object taking off

1016

00:38:43,190 --> 00:38:41,040

um

1017

00:38:44,870 --> 00:38:43,200

and then he was put on a ventilator and

1018

00:38:46,310 --> 00:38:44,880

he couldn't talk

1019

00:38:47,829 --> 00:38:46,320

and that was something that happened to

1020

00:38:49,670 --> 00:38:47,839

him just after they were married when

1021

00:38:51,589 --> 00:38:49,680

they were young people they'd raised

1022

00:38:53,750 --> 00:38:51,599

their family and everything and she'd

1023

00:38:55,910 --> 00:38:53,760

been upset for her whole life about what

1024

00:38:58,310 --> 00:38:55,920

happened and he would always he'd always

1025

00:39:00,550 --> 00:38:58,320

debunk her and said nothing happened

1026

00:39:02,390 --> 00:39:00,560

well then just

1027

00:39:03,750 --> 00:39:02,400

at the end he told her yeah something

1028

00:39:05,270 --> 00:39:03,760

happened

1029

00:39:09,030 --> 00:39:05,280

um

1030

00:39:09,910 --> 00:39:09,040

then

1031

00:39:13,750 --> 00:39:09,920

so

1032

00:39:18,470 --> 00:39:16,790

the telephone on video to

1033

00:39:21,670 --> 00:39:18,480

phil mattel too

1034

00:39:24,150 --> 00:39:21,680

that they'd been abducted

1035

00:39:26,069 --> 00:39:24,160

so far she remembers

1036

00:39:27,430 --> 00:39:26,079

she some of it came back to her and she

1037

00:39:28,790 --> 00:39:27,440

remembers seeing the object she

1038

00:39:31,109 --> 00:39:28,800

remembers seeing a bright light she

1039

00:39:33,510 --> 00:39:31,119

doesn't remember being inside it

1040

00:39:35,829 --> 00:39:33,520

he remembered being inside it

1041

00:39:39,190 --> 00:39:35,839

and she thought there had been some real

1042

00:39:41,109 --> 00:39:39,200

bad physical um

1043

00:39:42,790 --> 00:39:41,119

examination of him or something and

1044

00:39:44,630 --> 00:39:42,800

maybe that's one reason he had never

1045

00:39:46,630 --> 00:39:44,640

talked about

1046

00:39:48,310 --> 00:39:46,640

but um

1047

00:39:51,430 --> 00:39:48,320

so

1048

00:39:53,589 --> 00:39:51,440

it it appeared that

1049

00:39:55,430 --> 00:39:53,599

what from what they were saying that

1050

00:39:57,430 --> 00:39:55,440

um

1051
00:39:59,349 --> 00:39:57,440
they might have been abducted too and

1052
00:40:00,550 --> 00:39:59,359
possibly by the same

1053
00:40:02,550 --> 00:40:00,560
object

1054
00:40:06,470 --> 00:40:02,560
that abducted

1055
00:40:09,109 --> 00:40:06,480
uh calvin and charlie yeah absolutely

1056
00:40:10,790 --> 00:40:09,119
it's it's wild how a lot of these things

1057
00:40:13,270 --> 00:40:10,800
there were in your research you found

1058
00:40:14,470 --> 00:40:13,280
numerous components to the october 11th

1059
00:40:16,710 --> 00:40:14,480
event

1060
00:40:18,390 --> 00:40:16,720
and uh many of them were mentioned in

1061
00:40:20,950 --> 00:40:18,400
other places

1062
00:40:23,990 --> 00:40:20,960
thunderous booms ufos abductions and

1063
00:40:26,710 --> 00:40:24,000

more simultaneously with pascagoula

1064

00:40:29,349 --> 00:40:26,720

and even can we tell listeners even

1065

00:40:32,550 --> 00:40:29,359

about strange beams of light and their

1066

00:40:34,710 --> 00:40:32,560

unusual characteristics

1067

00:40:36,950 --> 00:40:34,720

yeah well one that happened right then

1068

00:40:40,069 --> 00:40:36,960

was

1069

00:40:41,670 --> 00:40:40,079

when the coast guard person held the ore

1070

00:40:43,190 --> 00:40:41,680

over

1071

00:40:46,230 --> 00:40:43,200

the light coming from the thing

1072

00:40:49,109 --> 00:40:46,240

underneath the submarine object he said

1073

00:40:51,430 --> 00:40:49,119

it looked like the light was like

1074

00:40:53,829 --> 00:40:51,440

x-rays and went right through it

1075

00:40:55,829 --> 00:40:53,839

and another abduction that was took

1076

00:40:57,349 --> 00:40:55,839

place during the flight but wasn't

1077

00:40:58,390 --> 00:40:57,359

exactly that time it was in south

1078

00:40:59,750 --> 00:40:58,400

america

1079

00:41:03,670 --> 00:40:59,760

and this man

1080

00:41:05,750 --> 00:41:03,680

said that this object was over his car

1081

00:41:07,589 --> 00:41:05,760

and that his his car was just like it

1082

00:41:10,870 --> 00:41:07,599

was transparent that he could see right

1083

00:41:12,550 --> 00:41:10,880

through it it happened to him twice

1084

00:41:15,190 --> 00:41:12,560

and there were a number of

1085

00:41:19,270 --> 00:41:15,200

examples of things of just really

1086

00:41:23,589 --> 00:41:20,870

such as those

1087

00:41:26,230 --> 00:41:23,599

yes it very strange

1088

00:41:28,550 --> 00:41:26,240

i i also found it amazing that there was

1089

00:41:29,990 --> 00:41:28,560

right around the same time period um if

1090

00:41:31,190 --> 00:41:30,000

i don't want to get this wrong but i

1091

00:41:32,470 --> 00:41:31,200

want to say somebody from the

1092

00:41:35,829 --> 00:41:32,480

philippines

1093

00:41:38,710 --> 00:41:35,839

was actually quote unquote kind of

1094

00:41:40,870 --> 00:41:38,720

found in another country uh thousands of

1095

00:41:42,309 --> 00:41:40,880

miles away and

1096

00:41:44,790 --> 00:41:42,319

there was a

1097

00:41:47,750 --> 00:41:44,800

a lot going on

1098

00:41:49,670 --> 00:41:47,760

the blast or the booms

1099

00:41:51,430 --> 00:41:49,680

the bizarre events that occurred

1100

00:41:52,470 --> 00:41:51,440

simultaneously

1101

00:41:57,510 --> 00:41:52,480

it

1102

00:41:59,589 --> 00:41:57,520

is that correct

1103

00:42:01,750 --> 00:41:59,599

well it was reported in 10 states and

1104

00:42:05,589 --> 00:42:01,760

when i started looking more might have

1105

00:42:07,030 --> 00:42:05,599

been even 12 states because i added

1106

00:42:08,470 --> 00:42:07,040

iowa

1107

00:42:09,990 --> 00:42:08,480

and there were evidence of the boom

1108

00:42:12,550 --> 00:42:10,000

being heard in iowa too although it

1109

00:42:15,270 --> 00:42:12,560

hadn't been reported in newspapers then

1110

00:42:16,870 --> 00:42:15,280

but it was in the iowa newspapers and

1111

00:42:18,790 --> 00:42:16,880

you know today you can get on the

1112

00:42:20,630 --> 00:42:18,800

internet and do more exploring of

1113

00:42:23,589 --> 00:42:20,640

newspapers and i think it was

1114

00:42:26,870 --> 00:42:23,599

like uh maybe 12 states

1115

00:42:29,670 --> 00:42:26,880

fascinating it is so so wild

1116

00:42:31,109 --> 00:42:29,680

it was very very large it was like i

1117

00:42:33,910 --> 00:42:31,119

said about the

1118

00:42:35,109 --> 00:42:33,920

second most expensive sound ever

1119

00:42:37,910 --> 00:42:35,119

recorded

1120

00:42:39,589 --> 00:42:37,920

aside from crack toe of the volcano

1121

00:42:42,550 --> 00:42:39,599

it is yeah

1122

00:42:46,150 --> 00:42:42,560

very it it's just amazing

1123

00:42:48,150 --> 00:42:46,160

and um the color blue repeatedly came up

1124

00:42:49,030 --> 00:42:48,160

in the book as part of the descriptions

1125

00:42:51,270 --> 00:42:49,040

people

1126

00:42:53,190 --> 00:42:51,280

gave to what they witnessed

1127

00:42:54,950 --> 00:42:53,200

in your research did you find any

1128

00:42:57,109 --> 00:42:54,960

telling information about the color's

1129

00:42:59,670 --> 00:42:57,119

significance

1130

00:43:01,589 --> 00:42:59,680

yeah um i ought to do a scientific study

1131

00:43:03,109 --> 00:43:01,599

of that too um

1132

00:43:06,390 --> 00:43:03,119

normally

1133

00:43:07,349 --> 00:43:06,400

airplane lights are green and red

1134

00:43:09,030 --> 00:43:07,359

and

1135

00:43:11,910 --> 00:43:09,040

quite strobe light

1136

00:43:13,349 --> 00:43:11,920

and meteors are usually look like

1137

00:43:16,790 --> 00:43:13,359

something burning

1138

00:43:17,990 --> 00:43:16,800

so blue is not a natural color that you

1139

00:43:21,829 --> 00:43:18,000

see

1140

00:43:24,309 --> 00:43:21,839

up in blue in the sky

1141

00:43:27,030 --> 00:43:24,319

but a lot of the reports

1142

00:43:29,030 --> 00:43:27,040

had blue in them for example

1143

00:43:30,870 --> 00:43:29,040

um

1144

00:43:32,309 --> 00:43:30,880

kevin and charlie

1145

00:43:34,630 --> 00:43:32,319

what they saw

1146

00:43:37,990 --> 00:43:34,640

when they first saw it was blue

1147

00:43:40,870 --> 00:43:38,000

and quite a number of other people

1148

00:43:42,950 --> 00:43:40,880

saw blue objects or um objects with blue

1149

00:43:45,430 --> 00:43:42,960

lights and that seemed like it was

1150

00:43:46,309 --> 00:43:45,440

pretty weird because it wasn't

1151

00:43:47,349 --> 00:43:46,319

what

1152

00:43:49,109 --> 00:43:47,359

um

1153

00:43:50,870 --> 00:43:49,119

if you were reporting airplanes and you

1154

00:43:53,349 --> 00:43:50,880

were mistaking them for a ufo or

1155

00:43:55,990 --> 00:43:53,359

something you would say green and red or

1156

00:43:58,470 --> 00:43:56,000

white you wouldn't say blue

1157

00:44:00,230 --> 00:43:58,480

and a lot of the um objects they saw

1158

00:44:01,670 --> 00:44:00,240

didn't seem to have strobe lights or

1159

00:44:03,750 --> 00:44:01,680

things like that like the airplanes

1160

00:44:06,390 --> 00:44:03,760

would either

1161

00:44:08,870 --> 00:44:06,400

yes absolutely it there's something to

1162

00:44:11,190 --> 00:44:08,880

the blue and the blue lights are

1163

00:44:13,270 --> 00:44:11,200

mentioned in a lot of other

1164

00:44:14,790 --> 00:44:13,280

international cases and they they do

1165

00:44:16,710 --> 00:44:14,800

seem to have

1166

00:44:18,710 --> 00:44:16,720

uh i don't i don't know they seem

1167

00:44:21,030 --> 00:44:18,720

there's something eerie about them the

1168

00:44:23,589 --> 00:44:21,040

october 11th sightings were

1169

00:44:26,550 --> 00:44:23,599

weird enough but can we discuss how

1170

00:44:28,710 --> 00:44:26,560

there was an extensive october 17th wave

1171

00:44:30,309 --> 00:44:28,720

and even humanoid humanoid sightings

1172

00:44:36,309 --> 00:44:30,319

there

1173

00:44:38,710 --> 00:44:36,319

a boom but it wasn't like this boom i

1174

00:44:40,950 --> 00:44:38,720

mean this boom went from iowa

1175

00:44:42,550 --> 00:44:40,960

across to the coast and it was

1176

00:44:44,950 --> 00:44:42,560

incremental so that

1177

00:44:46,230 --> 00:44:44,960

it was heard a little bit farther

1178

00:44:47,750 --> 00:44:46,240

later

1179

00:44:49,349 --> 00:44:47,760

um

1180

00:44:50,950 --> 00:44:49,359

as it went east

1181

00:44:52,309 --> 00:44:50,960

the other boom

1182

00:44:55,270 --> 00:44:52,319

there wasn't enough information it

1183

00:44:57,190 --> 00:44:55,280

wasn't big like that but on the 17th

1184

00:44:59,190 --> 00:44:57,200

there was a huge

1185

00:45:01,829 --> 00:44:59,200

amount of um

1186

00:45:05,109 --> 00:45:01,839

all kinds of ufo sightings

1187

00:45:09,430 --> 00:45:05,119

and humanoid sightings um i think there

1188

00:45:13,349 --> 00:45:11,270

on that one night

1189

00:45:14,790 --> 00:45:13,359

and

1190

00:45:15,750 --> 00:45:14,800

there were a lot of reports like for

1191

00:45:19,990 --> 00:45:15,760

example

1192

00:45:22,550 --> 00:45:20,000

in pascagoula on the 11th well

1193

00:45:24,150 --> 00:45:22,560

there were a lot of reports besides

1194

00:45:24,870 --> 00:45:24,160

the abduction

1195

00:45:27,190 --> 00:45:24,880

and

1196

00:45:29,270 --> 00:45:27,200

there were 11 there were about 50

1197

00:45:30,550 --> 00:45:29,280

official reports

1198

00:45:32,630 --> 00:45:30,560

but um

1199

00:45:35,109 --> 00:45:32,640

which is a whole lot for one night

1200

00:45:38,069 --> 00:45:35,119

but a lot of unofficial reports either

1201
00:45:40,390 --> 00:45:38,079
there were people calling all over

1202
00:45:43,190 --> 00:45:40,400
and reporting to the police and things

1203
00:45:44,309 --> 00:45:43,200
they saw something but in columbus ohio

1204
00:45:46,870 --> 00:45:44,319
on the

1205
00:45:47,750 --> 00:45:46,880
17th

1206
00:45:48,630 --> 00:45:47,760
um

1207
00:45:52,550 --> 00:45:48,640
there were

1208
00:45:55,190 --> 00:45:52,560
150 reports of ufos which must have been

1209
00:45:57,670 --> 00:45:55,200
a world record i mean i couldn't i saw

1210
00:45:59,670 --> 00:45:57,680
nothing like that anyplace else

1211
00:46:02,790 --> 00:45:59,680
um and there were also

1212
00:46:05,030 --> 00:46:02,800
i think 100 around 100 reports in wheel

1213
00:46:07,270 --> 00:46:05,040

in west virginia of ufos the authorities

1214

00:46:10,390 --> 00:46:07,280

and they said it was about ready to

1215

00:46:12,470 --> 00:46:10,400

break out in a panic there

1216

00:46:16,069 --> 00:46:12,480

so in a lot of places there were just a

1217

00:46:18,150 --> 00:46:16,079

huge amount of ufo activity

1218

00:46:19,990 --> 00:46:18,160

uh and

1219

00:46:23,349 --> 00:46:20,000

um

1220

00:46:24,870 --> 00:46:23,359

seeing things

1221

00:46:26,630 --> 00:46:24,880

like my mother said people are keeping

1222

00:46:30,309 --> 00:46:26,640

their kids in the house and things like

1223

00:46:32,950 --> 00:46:30,319

that sure like a war zone

1224

00:46:35,510 --> 00:46:32,960

don't blame them it would seem like a

1225

00:46:37,829 --> 00:46:35,520

war of the world scenario and a number

1226

00:46:40,550 --> 00:46:37,839

of the agencies and officials seem to

1227

00:46:42,710 --> 00:46:40,560

have dispelled the idea that any of the

1228

00:46:44,950 --> 00:46:42,720

booms or sounds were an airplane sonic

1229

00:46:46,790 --> 00:46:44,960

boom because none of our aircraft that

1230

00:46:49,109 --> 00:46:46,800

were manufactured could have caused a

1231

00:46:50,950 --> 00:46:49,119

sonic boom quite like that is that

1232

00:46:53,510 --> 00:46:50,960

correct

1233

00:46:55,750 --> 00:46:53,520

well when i first started

1234

00:46:56,950 --> 00:46:55,760

investigating i was working with some

1235

00:46:59,109 --> 00:46:56,960

scientists

1236

00:46:59,910 --> 00:46:59,119

and they were quite interested

1237

00:47:02,309 --> 00:46:59,920

um

1238

00:47:03,670 --> 00:47:02,319

and you know one of the information said

1239

00:47:05,430 --> 00:47:03,680

if they found the other thing to let me

1240

00:47:06,870 --> 00:47:05,440

know and help me

1241

00:47:08,390 --> 00:47:06,880

and you know scientists are supposed to

1242

00:47:10,230 --> 00:47:08,400

be skeptics and

1243

00:47:12,150 --> 00:47:10,240

always disproving everything well these

1244

00:47:13,430 --> 00:47:12,160

people seem interested they were

1245

00:47:14,470 --> 00:47:13,440

geologists

1246

00:47:17,270 --> 00:47:14,480

in general

1247

00:47:19,990 --> 00:47:17,280

but then i published about the sound in

1248

00:47:21,589 --> 00:47:20,000

the mufon journal which is a ufo journal

1249

00:47:23,109 --> 00:47:21,599

and surprisingly enough that's where i

1250

00:47:25,750 --> 00:47:23,119

got debunked

1251
00:47:28,069 --> 00:47:25,760
and i was debunked by this person saying

1252
00:47:29,910 --> 00:47:28,079
well this was an sr-71

1253
00:47:31,589 --> 00:47:29,920
airplane that's a big supersonic

1254
00:47:33,829 --> 00:47:31,599
airplane they don't fly anymore but it

1255
00:47:35,589 --> 00:47:33,839
could go way like five times the speed

1256
00:47:36,549 --> 00:47:35,599
of sound that's

1257
00:47:41,190 --> 00:47:36,559
probably

1258
00:47:41,200 --> 00:47:44,309
and um

1259
00:47:46,630 --> 00:47:45,510
so

1260
00:47:48,069 --> 00:47:46,640
interesting

1261
00:47:50,870 --> 00:47:48,079
um

1262
00:47:52,790 --> 00:47:50,880
that was where i got debunked was by the

1263
00:47:55,030 --> 00:47:52,800

ufologist

1264

00:47:57,349 --> 00:47:55,040

but by one of them anyway

1265

00:47:59,510 --> 00:47:57,359

however

1266

00:48:01,510 --> 00:47:59,520

at that time i kind of weakly defended

1267

00:48:04,390 --> 00:48:01,520

myself and said well the sound wasn't

1268

00:48:07,109 --> 00:48:04,400

where the airplane was which is true

1269

00:48:08,710 --> 00:48:07,119

but i hadn't really didn't really have

1270

00:48:10,470 --> 00:48:08,720

too much information

1271

00:48:11,510 --> 00:48:10,480

however

1272

00:48:14,230 --> 00:48:11,520

uh

1273

00:48:16,069 --> 00:48:14,240

fairly recently nasa had

1274

00:48:19,030 --> 00:48:16,079

published information about what the

1275

00:48:20,950 --> 00:48:19,040

sonic boom of a sr-71 and what sonic

1276

00:48:23,030 --> 00:48:20,960

booms are like and publish a lot more

1277

00:48:25,190 --> 00:48:23,040

information for example

1278

00:48:28,790 --> 00:48:25,200

the site boom of an airplane depends on

1279

00:48:30,630 --> 00:48:28,800

its height and for every 1000 feet high

1280

00:48:32,870 --> 00:48:30,640

there may be a

1281

00:48:35,030 --> 00:48:32,880

a sonic boom carpet of a mile and things

1282

00:48:37,270 --> 00:48:35,040

but the way to dissipate is sonic boom

1283

00:48:38,630 --> 00:48:37,280

is to get higher and if you get higher

1284

00:48:40,870 --> 00:48:38,640

there's less air

1285

00:48:42,950 --> 00:48:40,880

and less sonic boom

1286

00:48:47,190 --> 00:48:42,960

and so anyway i

1287

00:48:53,990 --> 00:48:51,030

answer that question in my book because

1288

00:48:56,549 --> 00:48:54,000

um of the nasa information

1289

00:48:59,589 --> 00:48:56,559

and so i had plotted where the

1290

00:49:02,230 --> 00:48:59,599

sr-71 went and it was well

1291

00:49:04,390 --> 00:49:02,240

attested to because the um privacy

1292

00:49:05,030 --> 00:49:04,400

written description it was

1293

00:49:07,030 --> 00:49:05,040

a

1294

00:49:08,549 --> 00:49:07,040

top secret mission then to the middle

1295

00:49:10,230 --> 00:49:08,559

east and everything

1296

00:49:11,910 --> 00:49:10,240

but um

1297

00:49:13,910 --> 00:49:11,920

they said where the airplane was and

1298

00:49:17,349 --> 00:49:13,920

where the airplane was

1299

00:49:19,910 --> 00:49:17,359

it was at 80 000 feet

1300

00:49:22,390 --> 00:49:19,920

it went from beale california to sort of

1301

00:49:25,190 --> 00:49:22,400

halfway in between

1302

00:49:26,950 --> 00:49:25,200

indianapolis and chicago and then up to

1303

00:49:30,630 --> 00:49:26,960

griffith air force base which is near

1304

00:49:33,510 --> 00:49:30,640

rome new york up in new york always and

1305

00:49:36,069 --> 00:49:33,520

basically there nobody had heard the

1306

00:49:37,990 --> 00:49:36,079

sound boom where the airplane was

1307

00:49:39,510 --> 00:49:38,000

but this sonic this

1308

00:49:42,230 --> 00:49:39,520

sound

1309

00:49:44,870 --> 00:49:42,240

was not where that airplane was

1310

00:49:46,630 --> 00:49:44,880

it was miles and miles away

1311

00:49:47,670 --> 00:49:46,640

and even it had been a sonic boom it

1312

00:49:50,309 --> 00:49:47,680

would have been on both sides of the

1313

00:49:53,030 --> 00:49:50,319

airplane only for 40 miles so this is

1314

00:49:55,430 --> 00:49:53,040

like it could be like 600 miles away

1315

00:49:56,390 --> 00:49:55,440

from where the airplane was

1316

00:49:59,030 --> 00:49:56,400

and

1317

00:50:02,870 --> 00:49:59,040

it where the airplane was

1318

00:50:04,790 --> 00:50:02,880

um people didn't report a sonic boom

1319

00:50:07,990 --> 00:50:04,800

um

1320

00:50:11,349 --> 00:50:08,000

it was this the sound

1321

00:50:13,589 --> 00:50:11,359

went across the united states from

1322

00:50:16,069 --> 00:50:13,599

approximately

1323

00:50:18,549 --> 00:50:16,079

galesburg illinois

1324

00:50:19,750 --> 00:50:18,559

straight east whereas the airplane would

1325

00:50:20,950 --> 00:50:19,760

have gone

1326
00:50:22,950 --> 00:50:20,960
northeast

1327
00:50:25,589 --> 00:50:22,960
and

1328
00:50:27,670 --> 00:50:25,599
my debunker had drawn a triangle where

1329
00:50:29,589 --> 00:50:27,680
the sound was and

1330
00:50:31,349 --> 00:50:29,599
reported this was from the airplane but

1331
00:50:34,069 --> 00:50:31,359
he didn't even show where the airplane

1332
00:50:36,630 --> 00:50:34,079
landed in his triangle because it was

1333
00:50:38,829 --> 00:50:36,640
off not in the triangle area where the

1334
00:50:41,829 --> 00:50:38,839
sound was so he's kind of his

1335
00:50:43,510 --> 00:50:41,839
demonstrating hypothesis

1336
00:50:45,510 --> 00:50:43,520
yeah and i really appreciated that you

1337
00:50:47,750 --> 00:50:45,520
did actually include that triangle in

1338
00:50:49,750 --> 00:50:47,760

the book and explanation and

1339

00:50:52,309 --> 00:50:49,760

i mean when you're talking about over 10

1340

00:50:53,589 --> 00:50:52,319

states i mean it's pretty wild something

1341

00:50:54,790 --> 00:50:53,599

else that really

1342

00:50:58,309 --> 00:50:54,800

you know

1343

00:51:00,069 --> 00:50:58,319

stood out to me was october 13th

1344

00:51:01,270 --> 00:51:00,079

the uh

1345

00:51:02,950 --> 00:51:01,280

i know i'm not going to say this

1346

00:51:05,990 --> 00:51:02,960

correctly the wap

1347

00:51:09,910 --> 00:51:06,000

wapa kanita daily news reported

1348

00:51:11,430 --> 00:51:09,920

that a actually a television newsman

1349

00:51:13,589 --> 00:51:11,440

uh

1350

00:51:16,230 --> 00:51:13,599

caught an identified flying object on a

1351
00:51:19,109 --> 00:51:16,240
movie film and i thought that was pretty

1352
00:51:21,430 --> 00:51:19,119
telling uh with this ufo wave that

1353
00:51:23,589 --> 00:51:21,440
you know someone who you would expect

1354
00:51:28,230 --> 00:51:23,599
would not try to muddy the waters

1355
00:51:29,750 --> 00:51:28,240
actually caught it on it on a on film

1356
00:51:32,470 --> 00:51:29,760
well yeah and during that time the

1357
00:51:33,910 --> 00:51:32,480
government the governor of ohio reported

1358
00:51:36,790 --> 00:51:33,920
citing

1359
00:51:38,069 --> 00:51:36,800
there were a lot of uh police and

1360
00:51:39,190 --> 00:51:38,079
everything else

1361
00:51:40,470 --> 00:51:39,200
i mean you said to start with

1362
00:51:42,630 --> 00:51:40,480
interactive

1363
00:51:44,309 --> 00:51:42,640

well the objects seem to be interacted

1364

00:51:45,829 --> 00:51:44,319

with a lot of authorities like the

1365

00:51:47,829 --> 00:51:45,839

police

1366

00:51:49,109 --> 00:51:47,839

and that sort of thing which is kind of

1367

00:51:52,309 --> 00:51:49,119

interesting too

1368

00:51:55,510 --> 00:51:52,319

it really is i mean it's it takes a lot

1369

00:51:57,270 --> 00:51:55,520

of nerve for a policeman to report a ufo

1370

00:51:59,190 --> 00:51:57,280

because

1371

00:52:01,430 --> 00:51:59,200

uh people may

1372

00:52:03,030 --> 00:52:01,440

they might even lose their job

1373

00:52:05,750 --> 00:52:03,040

and some of them did

1374

00:52:07,670 --> 00:52:05,760

absolutely yeah it was a big deal and

1375

00:52:10,390 --> 00:52:07,680

there was so many cases like that so

1376

00:52:12,150 --> 00:52:10,400

many significant cases with people

1377

00:52:14,150 --> 00:52:12,160

reporting things that obviously didn't

1378

00:52:16,790 --> 00:52:14,160

want to just imagine the ones that

1379

00:52:18,790 --> 00:52:16,800

didn't report things and

1380

00:52:20,950 --> 00:52:18,800

you've really created a literary marvel

1381

00:52:23,109 --> 00:52:20,960

with this book in my opinion and gone

1382

00:52:25,270 --> 00:52:23,119

above and beyond in connecting many of

1383

00:52:27,430 --> 00:52:25,280

the strange dots surrounding the

1384

00:52:28,710 --> 00:52:27,440

pascagoula abduction case

1385

00:52:31,430 --> 00:52:28,720

1386

00:52:33,910 --> 00:52:31,440

well i hope we can too and thank you

1409

00:53:21,990 --> 00:53:20,319

very much

1410

00:53:25,510 --> 00:53:22,000

well there you have it ladies and

1411

00:53:26,470 --> 00:53:25,520

gentlemen dr irina scott bringing the

1412

00:53:29,430 --> 00:53:26,480

heat

1413

00:53:32,470 --> 00:53:29,440

and bringing tons

1414

00:53:34,870 --> 00:53:32,480

tons of conclusive evidence everything

1415

00:53:36,710 --> 00:53:34,880

from boats interacting with craft people

1416

00:53:39,910 --> 00:53:36,720

interacting with craft

1417

00:53:42,950 --> 00:53:39,920

multiple accounts of abduction humanoids

1418

00:53:45,589 --> 00:53:42,960

loud booms in the sky strange lights of

1419

00:53:46,870 --> 00:53:45,599

a bluish nature which made things seem

1420

00:53:49,589 --> 00:53:46,880

invisible

1421

00:53:52,630 --> 00:53:49,599

truly enthralling and the massive sound

1422

00:53:53,990 --> 00:53:52,640

associated with this ufo flapper wave

1423

00:53:55,990 --> 00:53:54,000

going over

1424

00:53:59,030 --> 00:53:56,000

well a portion of the united states that

1425

00:54:00,950 --> 00:53:59,040

encompassed more than 10 states

1426

00:54:03,750 --> 00:54:00,960

really she created a masterpiece of

1427

00:54:06,710 --> 00:54:03,760

historical evidence very enjoyable book

1428

00:54:10,069 --> 00:54:06,720

well documented this ufo flap

1429

00:54:12,790 --> 00:54:10,079

was more than just an october scenario

1430

00:54:15,190 --> 00:54:12,800

as portions of it actually delved into

1431

00:54:17,750 --> 00:54:15,200

november it seemed appropriate being in

1432

00:54:19,829 --> 00:54:17,760

october ourselves right now and

1433

00:54:22,309 --> 00:54:19,839

while the effect of beliefs surrounding

1434

00:54:24,630 --> 00:54:22,319

this massive ufo wave haven't changed

1435

00:54:27,589 --> 00:54:24,640

much we still have many debunkers no

1436

00:54:29,510 --> 00:54:27,599

matter how much concrete hardcore

1437

00:54:31,589 --> 00:54:29,520

evidence is presented

1438

00:54:33,670 --> 00:54:31,599

furthermore the evidence exploring these

1439

00:54:35,109 --> 00:54:33,680

reports from various communities

1440

00:54:36,470 --> 00:54:35,119

universities and government

1441

00:54:38,309 --> 00:54:36,480

installations

1442

00:54:39,430 --> 00:54:38,319

seem to conclude that something took

1443

00:54:43,349 --> 00:54:39,440

place

1444

00:54:46,390 --> 00:54:43,359

and whether this was an actual

1445

00:54:49,510 --> 00:54:46,400

visitation from another world or other

1446

00:54:52,549 --> 00:54:49,520

creatures or an alien quote-unquote

1447

00:54:55,030 --> 00:54:52,559

presence will probably remain unknown

1448

00:54:57,030 --> 00:54:55,040

however i believe that

1449

00:54:59,430 --> 00:54:57,040

these particular alien entities

1450

00:55:00,789 --> 00:54:59,440

surrounding the calvin parker and hixon

1451

00:55:02,549 --> 00:55:00,799

abduction

1452

00:55:05,030 --> 00:55:02,559

look like nothing

1453

00:55:07,190 --> 00:55:05,040

ever really described before and it

1454

00:55:11,430 --> 00:55:07,200

remains one of the most unique

1455

00:55:13,190 --> 00:55:11,440

concrete and profound cases in ufology

1456

00:55:14,309 --> 00:55:13,200

thanks so much for listening and until

1457

00:55:16,470 --> 00:55:14,319

next time

1458

00:55:18,710 --> 00:55:16,480

keep your eyes to the skies feet on the

1459

00:55:29,240 --> 00:55:18,720

ground but don't forget to take a look

1460

00:55:29,250 --> 00:55:47,030
