

MG Stephens

UAPs, Area 51, Shapeshifters, and Tulpas

HERO

1
00:00:02,000 --> 00:00:11,100
hey

2
00:00:11,110 --> 00:00:28,790
[Music]

3
00:00:28,800 --> 00:00:33,970
machine

4
00:00:33,980 --> 00:00:37,750
[Music]

5
00:00:42,950 --> 00:00:40,950
blast off on another episode of hero

6
00:00:45,270 --> 00:00:42,960
paranormal podcast

7
00:00:48,310 --> 00:00:45,280
broadcasting from the base at la madre

8
00:00:50,310 --> 00:00:48,320
mountain just south of area 51 my name

9
00:00:52,790 --> 00:00:50,320
is ryan the original outlaw of the

10
00:00:55,110 --> 00:00:52,800
airwaves bringing you an epic episode

11
00:00:58,549 --> 00:00:55,120
tonight

12
00:01:01,349 --> 00:00:58,559
remarkable guest today mg stevens and

13
00:01:03,830 --> 00:01:01,359

myself have kept in touch for some time

14

00:01:05,830 --> 00:01:03,840

and both have similar views as to the

15

00:01:08,870 --> 00:01:05,840

types of entities people may be

16

00:01:10,230 --> 00:01:08,880

experiencing in this reality

17

00:01:13,030 --> 00:01:10,240

or at least

18

00:01:15,270 --> 00:01:13,040

an affinity of conversation pertaining

19

00:01:17,190 --> 00:01:15,280

to figuring out the motives

20

00:01:19,830 --> 00:01:17,200

the rationale

21

00:01:22,390 --> 00:01:19,840

etc of these beings are entities

22

00:01:23,910 --> 00:01:22,400

mg stevens is a fellow podcaster with a

23

00:01:26,469 --> 00:01:23,920

popular show

24

00:01:29,030 --> 00:01:26,479

the boogeyman chronicles podcast

25

00:01:31,109 --> 00:01:29,040

which i have had the good grace of

26

00:01:33,190 --> 00:01:31,119

connection with and luck to have been

27

00:01:36,789 --> 00:01:33,200

interviewed with mg stevens on her

28

00:01:38,230 --> 00:01:36,799

podcast the boogeyman chronicles episode

29

00:01:39,670 --> 00:01:38,240

5 i believe

30

00:01:42,789 --> 00:01:39,680

um

31

00:01:45,510 --> 00:01:42,799

she is an author researcher podcaster

32

00:01:48,230 --> 00:01:45,520

extraordinaire mg stevens welcome to the

33

00:01:50,389 --> 00:01:48,240

hero paranormal podcast

34

00:01:52,469 --> 00:01:50,399

i'm fine uh thanks for inviting me i

35

00:01:54,789 --> 00:01:52,479

appreciate it it was a it was really an

36

00:01:58,310 --> 00:01:54,799

honor because um i really enjoyed and a

37

00:02:00,950 --> 00:01:58,320

lot of people um also enjoyed uh your

38

00:02:03,350 --> 00:02:00,960

episode on my podcast so when you asked

39

00:02:05,670 --> 00:02:03,360

me i was like oh my god yeah

40

00:02:08,710 --> 00:02:05,680

that's awesome heck yes

41

00:02:11,110 --> 00:02:08,720

and it's you know you have experienced

42

00:02:12,869 --> 00:02:11,120

high strangeness which is so refreshing

43

00:02:14,390 --> 00:02:12,879

uh to have someone who has experienced

44

00:02:16,150 --> 00:02:14,400

something similar

45

00:02:19,190 --> 00:02:16,160

uh something very real and i don't think

46

00:02:21,910 --> 00:02:19,200

people know the half of it right

47

00:02:24,229 --> 00:02:21,920

yeah i mean i've had a lifetime of

48

00:02:25,510 --> 00:02:24,239

paranormal activity um

49

00:02:29,670 --> 00:02:25,520

it's just

50

00:02:32,070 --> 00:02:29,680

for me it's not like i was you know just

51

00:02:33,509 --> 00:02:32,080

kind of living this sort of

52

00:02:35,270 --> 00:02:33,519

normal quiet life and then all of a

53

00:02:37,430 --> 00:02:35,280

sudden i had an encounter it's been

54

00:02:38,790 --> 00:02:37,440

going on since i was about two i think

55

00:02:42,470 --> 00:02:38,800

two or three

56

00:02:43,830 --> 00:02:42,480

yeah and would you say these entities

57

00:02:46,229 --> 00:02:43,840

are something

58

00:02:48,390 --> 00:02:46,239

that are very real and what is your

59

00:02:50,070 --> 00:02:48,400

opinion on how these entities interact

60

00:02:53,030 --> 00:02:50,080

with humans and start from a place

61

00:02:59,910 --> 00:02:55,750

um probably interact with humans i think

62

00:03:05,670 --> 00:03:02,710

i think we've strayed a lot from

63

00:03:07,750 --> 00:03:05,680

indigenous beliefs um

64

00:03:10,710 --> 00:03:07,760

because as soon as like the christiany

65

00:03:12,470 --> 00:03:10,720

sort of um colonizing belief came in

66

00:03:15,030 --> 00:03:12,480

that you know none of this exists and

67

00:03:17,190 --> 00:03:15,040

it's just god and the devil and there's

68

00:03:18,790 --> 00:03:17,200

no other you know spirits and that kind

69

00:03:21,030 --> 00:03:18,800

of thing

70

00:03:23,190 --> 00:03:21,040

there's no other entities once we were

71

00:03:25,190 --> 00:03:23,200

told that i think we really lost sight

72

00:03:27,750 --> 00:03:25,200

of the fact that we live in

73

00:03:31,670 --> 00:03:27,760

possibly a very interdimensional world

74

00:03:33,430 --> 00:03:31,680

and there are a lot of um

75

00:03:35,750 --> 00:03:33,440

i think you know when we say the veil is

76

00:03:37,430 --> 00:03:35,760

thin in this particular area or whatnot

77

00:03:40,149 --> 00:03:37,440

i think we

78

00:03:41,589 --> 00:03:40,159

have that have those thin veiled areas

79

00:03:44,229 --> 00:03:41,599

of paranormal activity and kind of

80

00:03:47,430 --> 00:03:44,239

strangeness everywhere and i think um

81

00:03:48,550 --> 00:03:47,440

certain people are just wired to

82

00:03:51,110 --> 00:03:48,560

um

83

00:03:52,949 --> 00:03:51,120

see through that veil and so i think it

84

00:03:54,869 --> 00:03:52,959

i don't know for whatever reason some

85

00:03:57,750 --> 00:03:54,879

people just attract this kind of thing

86

00:04:00,789 --> 00:03:57,760

and um so entities you know they can

87

00:04:03,110 --> 00:04:00,799

range from from demonic to

88

00:04:05,670 --> 00:04:03,120

you know grandma that passed away you

89

00:04:08,149 --> 00:04:05,680

know what i mean and sure or angelic you

90

00:04:10,309 --> 00:04:08,159

know and so it's different for everybody

91

00:04:12,830 --> 00:04:10,319

i mean i listen like you i'm sure to

92

00:04:15,750 --> 00:04:12,840

paranormal podcast constantly and it's

93

00:04:17,349 --> 00:04:15,760

just um

94

00:04:20,390 --> 00:04:17,359

it just runs the gamut you know what i

95

00:04:22,069 --> 00:04:20,400

mean it just there's um

96

00:04:25,990 --> 00:04:22,079

i think we live in a world where these

97

00:04:28,629 --> 00:04:26,000

things do exist and we um are constantly

98

00:04:29,670 --> 00:04:28,639

told that they're not and the one thing

99

00:04:31,270 --> 00:04:29,680

i've

100

00:04:33,189 --> 00:04:31,280

kind of gone along in my life where it's

101
00:04:34,950 --> 00:04:33,199
like people say oh indigenous people are

102
00:04:36,710 --> 00:04:34,960
more spiritual and it's like i don't

103
00:04:38,790 --> 00:04:36,720
think they're more spiritual i just

104
00:04:39,749 --> 00:04:38,800
think they never have that sort of cut

105
00:04:41,350 --> 00:04:39,759
off

106
00:04:43,110 --> 00:04:41,360
that thing where it was like you know

107
00:04:44,310 --> 00:04:43,120
when you're a kid you believe in santa

108
00:04:46,070 --> 00:04:44,320
and this and that and then when you get

109
00:04:47,590 --> 00:04:46,080
to a certain age no no more no more

110
00:04:48,550 --> 00:04:47,600
fantasy no more

111
00:04:50,870 --> 00:04:48,560
uh

112
00:04:52,710 --> 00:04:50,880
you know other worldly things going on

113
00:04:54,310 --> 00:04:52,720

and so adults are always coming you know

114

00:04:56,070 --> 00:04:54,320

that doesn't exist it doesn't exist so

115

00:04:57,189 --> 00:04:56,080

in indigenous cultures they don't really

116

00:05:01,029 --> 00:04:57,199

have that

117

00:05:02,790 --> 00:05:01,039

know what i mean where you know these

118

00:05:05,830 --> 00:05:02,800

sort of things don't exist because an

119

00:05:07,510 --> 00:05:05,840

indigenous culture they always exist and

120

00:05:09,430 --> 00:05:07,520

um so they're always you know either

121

00:05:10,390 --> 00:05:09,440

warned or they're always in touch with

122

00:05:11,590 --> 00:05:10,400

those things

123

00:05:13,029 --> 00:05:11,600

and so

124

00:05:14,629 --> 00:05:13,039

um i just i don't think they're more

125

00:05:16,710 --> 00:05:14,639

more spiritual i just think that there

126

00:05:18,950 --> 00:05:16,720

wasn't that sort of thing where we were

127

00:05:19,909 --> 00:05:18,960

told that they don't exist so i think

128

00:05:21,670 --> 00:05:19,919

that

129

00:05:23,350 --> 00:05:21,680

you know certain cultures are more in

130

00:05:24,870 --> 00:05:23,360

tune and more in touch

131

00:05:27,189 --> 00:05:24,880

with um

132

00:05:29,110 --> 00:05:27,199

the paranormal and other worldly things

133

00:05:31,110 --> 00:05:29,120

and um

134

00:05:31,830 --> 00:05:31,120

unfortunately non-indigenous cultures

135

00:05:34,230 --> 00:05:31,840

are

136

00:05:35,909 --> 00:05:34,240

not so untouched and so i think we have

137

00:05:38,150 --> 00:05:35,919

a lot of people out there that kind of

138

00:05:41,189 --> 00:05:38,160

panic when it comes to the paranormal

139

00:05:42,870 --> 00:05:41,199

i've talked to a lot of people who

140

00:05:45,029 --> 00:05:42,880

you know just cannot believe it they're

141

00:05:46,870 --> 00:05:45,039

like am i crazy and i'm like no you

142

00:05:48,550 --> 00:05:46,880

really did see this thing you know and

143

00:05:50,710 --> 00:05:48,560

they kept yeah i did see it or i did

144

00:05:53,270 --> 00:05:50,720

hear it or i did feel it and

145

00:05:55,189 --> 00:05:53,280

when i talk to indigenous people they're

146

00:05:57,270 --> 00:05:55,199

they they don't have that am i crazy

147

00:05:59,830 --> 00:05:57,280

they just know like no i saw this thing

148

00:06:02,309 --> 00:05:59,840

you know so it hits the paranormal and

149

00:06:03,990 --> 00:06:02,319

internal encounters and you know those

150

00:06:05,990 --> 00:06:04,000

sorts of things they hit everyone

151
00:06:10,390 --> 00:06:06,000
differently

152
00:06:12,469 --> 00:06:10,400
i agree a hundred percent and you know

153
00:06:13,830 --> 00:06:12,479
it is it is kind of like

154
00:06:15,830 --> 00:06:13,840
when you get to a certain age you have

155
00:06:18,230 --> 00:06:15,840
that magic stolen from you in many

156
00:06:20,150 --> 00:06:18,240
cultures the floor is yours where do you

157
00:06:21,749 --> 00:06:20,160
want to get started we can go into maybe

158
00:06:24,230 --> 00:06:21,759
some of your experiences from a

159
00:06:25,990 --> 00:06:24,240
paranormal perspective or other things

160
00:06:28,469 --> 00:06:26,000
you've encountered through the research

161
00:06:31,189 --> 00:06:28,479
or personal experience ufos or just good

162
00:06:32,550 --> 00:06:31,199
stories whatever you like

163
00:06:34,550 --> 00:06:32,560

okay um

164

00:06:36,629 --> 00:06:34,560

well i um

165

00:06:38,710 --> 00:06:36,639

grew up neurodivergent as you know i'm

166

00:06:41,670 --> 00:06:38,720

autistic and i have adhd

167

00:06:44,150 --> 00:06:41,680

and i am in the process of writing a

168

00:06:46,629 --> 00:06:44,160

book about um

169

00:06:49,029 --> 00:06:46,639

how or why or maybe just starting the

170

00:06:51,589 --> 00:06:49,039

conversation as to why

171

00:06:55,029 --> 00:06:51,599

a lot of neurodivergent people tend to

172

00:06:58,150 --> 00:06:55,039

have more ufo encounters um i talked i

173

00:07:01,110 --> 00:06:58,160

just interviewed kathleen martin who is

174

00:07:03,909 --> 00:07:01,120

the niece of betty and barty hill and i

175

00:07:07,670 --> 00:07:03,919

asked her point blank i said is there a

176

00:07:09,909 --> 00:07:07,680

link between race uh culture

177

00:07:10,870 --> 00:07:09,919

religion

178

00:07:13,270 --> 00:07:10,880

age

179

00:07:15,350 --> 00:07:13,280

gender you know neural divergence and

180

00:07:16,550 --> 00:07:15,360

she said at least 80 percent of the

181

00:07:19,589 --> 00:07:16,560

people who

182

00:07:22,710 --> 00:07:19,599

claim to be abducted or experiencers

183

00:07:26,550 --> 00:07:22,720

are neurodivergent um and my with my

184

00:07:28,629 --> 00:07:26,560

mother and me included um so i i'm very

185

00:07:31,029 --> 00:07:28,639

interested in that and i'm very

186

00:07:33,270 --> 00:07:31,039

interested in um

187

00:07:35,909 --> 00:07:33,280

you know the the culture of apparently a

188

00:07:37,990 --> 00:07:35,919

lot of uh native indigenous people and

189

00:07:39,830 --> 00:07:38,000

irish people tend to be more abducted

190

00:07:41,990 --> 00:07:39,840

than other folks

191

00:07:45,830 --> 00:07:42,000

um other cultures so that's also

192

00:07:47,589 --> 00:07:45,840

interesting to me but um but yeah my my

193

00:07:50,070 --> 00:07:47,599

i always felt weird and different

194

00:07:51,990 --> 00:07:50,080

growing up and i always

195

00:07:56,390 --> 00:07:52,000

knew there was something different about

196

00:07:59,589 --> 00:07:56,400

me and i grew up in a house where

197

00:08:02,790 --> 00:07:59,599

the paranormal was an everyday thing and

198

00:08:04,309 --> 00:08:02,800

i didn't have a real sounding board

199

00:08:06,390 --> 00:08:04,319

even though my mother was a really

200

00:08:07,589 --> 00:08:06,400

well-known psychic in that area that we

201
00:08:09,110 --> 00:08:07,599
lived in

202
00:08:10,390 --> 00:08:09,120
we really didn't talk about it and

203
00:08:11,510 --> 00:08:10,400
that's what and people like wait a

204
00:08:13,029 --> 00:08:11,520
minute your mom was a psychic did you

205
00:08:14,469 --> 00:08:13,039
didn't really talk about it i said no

206
00:08:16,790 --> 00:08:14,479
because we really it just it was

207
00:08:18,550 --> 00:08:16,800
something she did and i just was kind of

208
00:08:20,629 --> 00:08:18,560
living my life over here playing with

209
00:08:21,510 --> 00:08:20,639
barbies and you know it was just a thing

210
00:08:24,790 --> 00:08:21,520
and

211
00:08:27,270 --> 00:08:24,800
i remember my very first encounter i was

212
00:08:29,110 --> 00:08:27,280
um

213
00:08:30,710 --> 00:08:29,120

from what i can remember my mom always

214

00:08:32,949 --> 00:08:30,720

said she was like you were always like

215

00:08:35,110 --> 00:08:32,959

talking to something

216

00:08:36,149 --> 00:08:35,120

like creeping her out she was like every

217

00:08:37,909 --> 00:08:36,159

time i would go to the door i would

218

00:08:39,509 --> 00:08:37,919

always hear you babbling to something

219

00:08:40,949 --> 00:08:39,519

and it was just like you you were

220

00:08:42,790 --> 00:08:40,959

talking with a purpose though it wasn't

221

00:08:44,630 --> 00:08:42,800

like baby babble it was

222

00:08:46,470 --> 00:08:44,640

you know it was like you were talking to

223

00:08:49,829 --> 00:08:46,480

something and responding to it which

224

00:08:52,310 --> 00:08:49,839

creeps me out um but um i remember as a

225

00:08:54,949 --> 00:08:52,320

little baby i don't know how old i was

226

00:08:57,430 --> 00:08:54,959

exactly but i remember i was old enough

227

00:08:59,350 --> 00:08:57,440

to stand up in my crib and i remember

228

00:09:03,190 --> 00:08:59,360

i had this very strange encounter when i

229

00:09:05,269 --> 00:09:03,200

was able i looked up and i saw something

230

00:09:07,670 --> 00:09:05,279

floating above the crib and i remember

231

00:09:09,750 --> 00:09:07,680

pointing at it but yet i remember

232

00:09:10,710 --> 00:09:09,760

in that moment kind of almost being

233

00:09:13,670 --> 00:09:10,720

split

234

00:09:15,750 --> 00:09:13,680

and i was myself the thing floating was

235

00:09:16,949 --> 00:09:15,760

me and i remember looking down at me in

236

00:09:17,990 --> 00:09:16,959

the crib

237

00:09:20,150 --> 00:09:18,000

and

238

00:09:22,710 --> 00:09:20,160

it was so weird i didn't say i have no

239

00:09:24,710 --> 00:09:22,720

idea what that is um

240

00:09:27,910 --> 00:09:24,720

and it happened again about a year or

241

00:09:30,310 --> 00:09:27,920

two later um i was easter and i was

242

00:09:32,389 --> 00:09:30,320

outside and i was very cranky i probably

243

00:09:34,310 --> 00:09:32,399

needed a nap and um

244

00:09:35,910 --> 00:09:34,320

i was not having it you know my mom and

245

00:09:37,829 --> 00:09:35,920

my sister were trying to like hey you

246

00:09:38,949 --> 00:09:37,839

know like easter eggs and fun and i was

247

00:09:40,230 --> 00:09:38,959

like no

248

00:09:43,110 --> 00:09:40,240

and um

249

00:09:45,350 --> 00:09:43,120

i was just really cranky and the same

250

00:09:47,829 --> 00:09:45,360

thing happened i still remember looking

251
00:09:50,070 --> 00:09:47,839
up and being really terrified by

252
00:09:51,829 --> 00:09:50,080
something floating but yet i remember

253
00:09:53,910 --> 00:09:51,839
looking down being the thing floating

254
00:09:54,870 --> 00:09:53,920
looking down at the scene

255
00:09:56,790 --> 00:09:54,880
um

256
00:09:57,990 --> 00:09:56,800
i was so perplexed by this because i

257
00:10:01,110 --> 00:09:58,000
remembered it like you know but

258
00:10:03,430 --> 00:10:01,120
yesterday i talked to paul eno who is a

259
00:10:04,470 --> 00:10:03,440
demonologist he's a

260
00:10:07,110 --> 00:10:04,480
very

261
00:10:08,630 --> 00:10:07,120
well-versed experienced paranormal

262
00:10:11,269 --> 00:10:08,640
investigator he's been doing this you

263
00:10:13,430 --> 00:10:11,279

know 50-plus years and he worked with

264

00:10:14,790 --> 00:10:13,440

edelman ray warren and he worked on many

265

00:10:17,750 --> 00:10:14,800

cases

266

00:10:20,310 --> 00:10:17,760

and i said what the heck was that

267

00:10:22,310 --> 00:10:20,320

you said um

268

00:10:24,550 --> 00:10:22,320

he said it could have been a shifting

269

00:10:26,389 --> 00:10:24,560

identity point and

270

00:10:28,949 --> 00:10:26,399

um the thing with paul

271

00:10:31,509 --> 00:10:28,959

and his son ben is that they have

272

00:10:33,509 --> 00:10:31,519

experienced so much paranormal activity

273

00:10:35,990 --> 00:10:33,519

out of the the realm of the sort of

274

00:10:38,470 --> 00:10:36,000

typical you know the typical ufo the

275

00:10:40,310 --> 00:10:38,480

typical haunting they've had so many

276

00:10:41,590 --> 00:10:40,320

interesting encounters that they've had

277

00:10:44,069 --> 00:10:41,600

to kind of come up with their own

278

00:10:46,790 --> 00:10:44,079

glossary of terms just to kind of just

279

00:10:48,630 --> 00:10:46,800

kind of put a name to something and so

280

00:10:50,230 --> 00:10:48,640

he said it sounds like a shifting

281

00:10:52,710 --> 00:10:50,240

identity point where

282

00:10:54,790 --> 00:10:52,720

and he told me this is his words and the

283

00:10:57,110 --> 00:10:54,800

multiverse you

284

00:10:58,710 --> 00:10:57,120

just kind of became two entities or

285

00:10:59,750 --> 00:10:58,720

whatever and you saw yourself and the

286

00:11:02,069 --> 00:10:59,760

other

287

00:11:03,670 --> 00:11:02,079

side saw you and you just kind of you

288

00:11:05,990 --> 00:11:03,680

know became

289

00:11:08,230 --> 00:11:06,000

like you know broken up and in a way and

290

00:11:09,750 --> 00:11:08,240

i still don't really i my brain i can't

291

00:11:12,550 --> 00:11:09,760

wrap around that but

292

00:11:13,750 --> 00:11:12,560

um he's he's very smart and i kind of

293

00:11:16,150 --> 00:11:13,760

listen to what he you know i kind of

294

00:11:18,310 --> 00:11:16,160

trust what he he you know he experienced

295

00:11:21,110 --> 00:11:18,320

so much so i really trust what he says

296

00:11:22,870 --> 00:11:21,120

so um maybe you know hopefully it was

297

00:11:24,150 --> 00:11:22,880

just something like that i don't know

298

00:11:25,990 --> 00:11:24,160

because i i

299

00:11:28,550 --> 00:11:26,000

when i think about that particular those

300

00:11:30,230 --> 00:11:28,560

particular incidences and i'm like what

301
00:11:32,870 --> 00:11:30,240
if that happens again you know and i'm

302
00:11:35,269 --> 00:11:32,880
an adult now and it freaks me out um

303
00:11:36,949 --> 00:11:35,279
so i get kind of creeped out by that but

304
00:11:38,150 --> 00:11:36,959
um but yeah those were my two first

305
00:11:40,630 --> 00:11:38,160
encounters

306
00:11:42,790 --> 00:11:40,640
i have no idea still i mean i i kind of

307
00:11:46,069 --> 00:11:42,800
hope that paul knows what he's you know

308
00:11:48,310 --> 00:11:46,079
talking about when it comes to that um

309
00:11:50,389 --> 00:11:48,320
but i i you know at the same time i'm

310
00:11:52,870 --> 00:11:50,399
kind of like what if it happens again so

311
00:11:54,150 --> 00:11:52,880
those those those two encounters were

312
00:11:55,750 --> 00:11:54,160
probably

313
00:11:57,269 --> 00:11:55,760

the ones that really shift me to my core

314

00:12:00,790 --> 00:11:57,279

because they're not typical like oh i

315

00:12:01,910 --> 00:12:00,800

saw a ghost or i saw a ufo or something

316

00:12:07,030 --> 00:12:01,920

it was

317

00:12:08,629 --> 00:12:07,040

guess being split in some way i i don't

318

00:12:10,470 --> 00:12:08,639

you know what i mean

319

00:12:13,030 --> 00:12:10,480

again i don't really know how to put it

320

00:12:15,590 --> 00:12:13,040

into words other than what paul said so

321

00:12:17,030 --> 00:12:15,600

um yeah that those were my two and count

322

00:12:18,790 --> 00:12:17,040

my first two encounters and then i

323

00:12:22,069 --> 00:12:18,800

remember um

324

00:12:24,949 --> 00:12:22,079

after that i remember just being very

325

00:12:27,829 --> 00:12:24,959

ultra sensitive and you know here i am

326

00:12:29,750 --> 00:12:27,839

i'm i'm young i'm very young i'm a new

327

00:12:31,990 --> 00:12:29,760

human being on this planet and i'm

328

00:12:32,949 --> 00:12:32,000

experiencing everything for the first

329

00:12:34,949 --> 00:12:32,959

time

330

00:12:37,110 --> 00:12:34,959

and i'm also neurodivergent so i'm

331

00:12:39,750 --> 00:12:37,120

seeing the world differently than other

332

00:12:41,910 --> 00:12:39,760

people neurotypicals do you know so i'm

333

00:12:43,110 --> 00:12:41,920

looking at everything very differently

334

00:12:47,990 --> 00:12:43,120

and

335

00:12:51,350 --> 00:12:48,000

all my life i've wondered two things

336

00:12:53,030 --> 00:12:51,360

is it me am i crazy or

337

00:12:54,550 --> 00:12:53,040

everyone goes through this right they

338

00:12:56,550 --> 00:12:54,560

like everyone sees these things they

339

00:12:58,150 --> 00:12:56,560

feel these things right right like right

340

00:12:59,590 --> 00:12:58,160

you know and

341

00:13:02,230 --> 00:12:59,600

and

342

00:13:05,110 --> 00:13:02,240

you know so many um

343

00:13:07,990 --> 00:13:05,120

so many times i thought i i i'm probably

344

00:13:09,590 --> 00:13:08,000

crazy i'm probably crazy but as i got

345

00:13:10,710 --> 00:13:09,600

older and i started learning about the

346

00:13:13,190 --> 00:13:10,720

paranormal

347

00:13:15,350 --> 00:13:13,200

world and the spiritual realm

348

00:13:17,350 --> 00:13:15,360

it then you know became apparent to me

349

00:13:19,269 --> 00:13:17,360

it was like oh you're one of these

350

00:13:22,069 --> 00:13:19,279

people you're you're for less of a

351

00:13:23,670 --> 00:13:22,079

better word psychic or intuitive or

352

00:13:25,829 --> 00:13:23,680

what have you you know what i mean but i

353

00:13:27,670 --> 00:13:25,839

i started to kind of clue in

354

00:13:30,550 --> 00:13:27,680

as to

355

00:13:32,230 --> 00:13:30,560

who i was what i was and then it started

356

00:13:33,750 --> 00:13:32,240

to make a little bit more sense and it

357

00:13:35,430 --> 00:13:33,760

started to kind of you know what you

358

00:13:36,870 --> 00:13:35,440

know once you realize you're not crazy

359

00:13:40,230 --> 00:13:36,880

and it's a thing

360

00:13:43,829 --> 00:13:40,240

this is a thing people go through um

361

00:13:46,470 --> 00:13:43,839

it it becomes a little less scary and so

362

00:13:48,629 --> 00:13:46,480

you know from then on it was just

363

00:13:50,629 --> 00:13:48,639

seeing things feeling things i was ultra

364

00:13:52,470 --> 00:13:50,639

ultra sensitive i felt like an exposed

365

00:13:54,949 --> 00:13:52,480

nerve in some way

366

00:13:56,870 --> 00:13:54,959

and so i remember wherever i went i

367

00:13:59,030 --> 00:13:56,880

don't care if it was an office building

368

00:14:00,310 --> 00:13:59,040

i don't care if it was an old home i

369

00:14:03,269 --> 00:14:00,320

don't care if it was a new home i don't

370

00:14:05,110 --> 00:14:03,279

care if it was a plot of land um

371

00:14:07,030 --> 00:14:05,120

wherever i was

372

00:14:09,670 --> 00:14:07,040

if there was something there

373

00:14:12,629 --> 00:14:09,680

again like we talked about earlier

374

00:14:15,990 --> 00:14:12,639

the thin you know the the thin veil

375

00:14:17,670 --> 00:14:16,000

sometimes people can

376

00:14:19,750 --> 00:14:17,680

guess you could call and just just pick

377

00:14:22,310 --> 00:14:19,760

up on those those sort of areas where

378

00:14:23,590 --> 00:14:22,320

the the veil is really thinner than in

379

00:14:25,269 --> 00:14:23,600

some places

380

00:14:26,949 --> 00:14:25,279

and if there was something there whether

381

00:14:28,629 --> 00:14:26,959

it would be

382

00:14:30,389 --> 00:14:28,639

demon ghost

383

00:14:32,150 --> 00:14:30,399

spirit some you know some sort of

384

00:14:35,350 --> 00:14:32,160

elements i mean whatever it was i don't

385

00:14:37,350 --> 00:14:35,360

know but i would always feel um

386

00:14:39,430 --> 00:14:37,360

feel a presence of something you know if

387

00:14:41,509 --> 00:14:39,440

someone died or whatever i just knew

388

00:14:43,189 --> 00:14:41,519

these things and i would you know tell

389

00:14:45,590 --> 00:14:43,199

my family like oh someone died in that

390

00:14:48,629 --> 00:14:45,600

house or someone dying on that land or

391

00:14:50,870 --> 00:14:48,639

you know in my own backyard i remember i

392

00:14:52,150 --> 00:14:50,880

lived in a very rural part of the south

393

00:14:54,069 --> 00:14:52,160

and

394

00:14:56,790 --> 00:14:54,079

when i was there i was in a very new

395

00:14:58,150 --> 00:14:56,800

part of town this town was so rural we

396

00:15:00,470 --> 00:14:58,160

didn't even have a grocery store or a

397

00:15:03,350 --> 00:15:00,480

hospital and i remember playing in the

398

00:15:05,590 --> 00:15:03,360

backyard and i remember just being

399

00:15:07,509 --> 00:15:05,600

watched from

400

00:15:09,189 --> 00:15:07,519

like i had a backyard in and we had a

401
00:15:11,750 --> 00:15:09,199
canal and then there was a like an

402
00:15:13,990 --> 00:15:11,760
undeveloped plot of land and it was

403
00:15:16,550 --> 00:15:14,000
basically just forest and i remember

404
00:15:17,750 --> 00:15:16,560
being stared at by something

405
00:15:22,310 --> 00:15:17,760
so

406
00:15:23,350 --> 00:15:22,320
literally had to go inside it was just

407
00:15:25,670 --> 00:15:23,360
like there's something out there

408
00:15:27,670 --> 00:15:25,680
watching me and it's creeping me out

409
00:15:29,590 --> 00:15:27,680
and i would come inside and play and i

410
00:15:30,790 --> 00:15:29,600
could feel stuff on the you know the

411
00:15:33,269 --> 00:15:30,800
property

412
00:15:35,030 --> 00:15:33,279
um my mother sensed a lot of things on

413
00:15:36,710 --> 00:15:35,040

that property as well her friends

414

00:15:38,790 --> 00:15:36,720

because she had a lot of friends

415

00:15:41,030 --> 00:15:38,800

developing their esp so they would come

416

00:15:43,350 --> 00:15:41,040

over and they would sense a lot of stuff

417

00:15:45,590 --> 00:15:43,360

on that property so it was just a

418

00:15:47,189 --> 00:15:45,600

constant everyday thing i would go in my

419

00:15:49,110 --> 00:15:47,199

big walk-in closet i'd go in there and

420

00:15:50,949 --> 00:15:49,120

play and something would be in there

421

00:15:53,269 --> 00:15:50,959

with me i could feel it

422

00:15:54,629 --> 00:15:53,279

um at night i couldn't sleep because

423

00:15:56,470 --> 00:15:54,639

something was there would not let me

424

00:15:59,189 --> 00:15:56,480

sleep whatever whatever it was i don't

425

00:16:00,550 --> 00:15:59,199

know it would always uh really kind of

426
00:16:01,910 --> 00:16:00,560
become more

427
00:16:05,509 --> 00:16:01,920
um

428
00:16:07,829 --> 00:16:05,519
i guess active at night

429
00:16:09,910 --> 00:16:07,839
sure oh yeah yeah that was that was

430
00:16:12,069 --> 00:16:09,920
terrifying but yeah my my most

431
00:16:14,629 --> 00:16:12,079
terrifying encounters i think when it

432
00:16:15,590 --> 00:16:14,639
came to everyday haunting type stuff was

433
00:16:23,189 --> 00:16:15,600
my

434
00:16:26,069 --> 00:16:23,199
father's been married six times and

435
00:16:28,470 --> 00:16:26,079
one of those and so my um

436
00:16:31,269 --> 00:16:28,480
my first stepmother

437
00:16:34,150 --> 00:16:31,279
um had a condo in this particular part

438
00:16:36,710 --> 00:16:34,160

of town and we used to go there

439

00:16:38,230 --> 00:16:36,720

um on the weekends uh my dad you know

440

00:16:40,230 --> 00:16:38,240

her her and my dad were married they

441

00:16:43,189 --> 00:16:40,240

lived there but i would visit on the

442

00:16:44,310 --> 00:16:43,199

weekends and it was the most terrifying

443

00:16:46,550 --> 00:16:44,320

place

444

00:16:49,670 --> 00:16:46,560

i don't know what was there but i do

445

00:16:51,670 --> 00:16:49,680

know that it didn't like me and it made

446

00:16:53,749 --> 00:16:51,680

its presence known to me

447

00:16:54,550 --> 00:16:53,759

all the time every single time i went

448

00:16:55,670 --> 00:16:54,560

there

449

00:16:57,749 --> 00:16:55,680

um

450

00:16:59,269 --> 00:16:57,759

all weekend long if i spent the week you

451
00:17:01,749 --> 00:16:59,279
know like say a couple of weeks there in

452
00:17:06,230 --> 00:17:01,759
the summer every day every night this

453
00:17:09,189 --> 00:17:06,240
thing would just torment me and um

454
00:17:10,710 --> 00:17:09,199
i still don't know today to this day i

455
00:17:13,189 --> 00:17:10,720
don't know what that was i don't know if

456
00:17:16,390 --> 00:17:13,199
it was demonic it kind of felt very evil

457
00:17:18,949 --> 00:17:16,400
but not exactly demonic um but it just

458
00:17:21,350 --> 00:17:18,959
felt very like it took a lot of pleasure

459
00:17:23,270 --> 00:17:21,360
and torturing me it just it just loved

460
00:17:25,669 --> 00:17:23,280
it it was like a kind of like a mean

461
00:17:28,630 --> 00:17:25,679
older sibling just constantly and and

462
00:17:30,950 --> 00:17:28,640
unrelenting it would not stop there was

463
00:17:33,190 --> 00:17:30,960

no rest there was no you know break i

464

00:17:35,350 --> 00:17:33,200

was just constantly tormented and it was

465

00:17:36,870 --> 00:17:35,360

a terrifying place to be it was it was

466

00:17:39,830 --> 00:17:36,880

it was really hard for me because as a

467

00:17:41,669 --> 00:17:39,840

kid i was really happy to see my dad and

468

00:17:43,590 --> 00:17:41,679

my stepmom and i was happy to spend time

469

00:17:46,230 --> 00:17:43,600

with them and away from you know all the

470

00:17:48,070 --> 00:17:46,240

the craziness of you know the sort of

471

00:17:49,909 --> 00:17:48,080

this you know the you know going to

472

00:17:51,270 --> 00:17:49,919

school and all that was a nice little

473

00:17:53,430 --> 00:17:51,280

escape for me

474

00:17:55,029 --> 00:17:53,440

but yet i was constantly tormented by

475

00:17:57,830 --> 00:17:55,039

something i couldn't see

476
00:17:59,110 --> 00:17:57,840
and so i developed you know

477
00:18:02,310 --> 00:17:59,120
kind of like

478
00:18:04,310 --> 00:18:02,320
kind of term is a paranormal ptsd and

479
00:18:06,070 --> 00:18:04,320
i had to sleep with the lights on and i

480
00:18:07,750 --> 00:18:06,080
you know could get i had to sleep with

481
00:18:10,290 --> 00:18:07,760
all the doors open in case i had to run

482
00:18:11,430 --> 00:18:10,300
out and run into my parents room um

483
00:18:13,430 --> 00:18:11,440
[Music]

484
00:18:15,669 --> 00:18:13,440
it was just it was you know really

485
00:18:17,990 --> 00:18:15,679
terrifying and that's another thing that

486
00:18:19,830 --> 00:18:18,000
i'm very passionate about is getting

487
00:18:22,630 --> 00:18:19,840
people to talk about their encounters so

488
00:18:24,870 --> 00:18:22,640

that they can uh find some sort of

489

00:18:27,190 --> 00:18:24,880

solace um

490

00:18:29,350 --> 00:18:27,200

you know realizing okay you're not crazy

491

00:18:31,590 --> 00:18:29,360

you did experience something and yes

492

00:18:33,750 --> 00:18:31,600

there is such a thing as paranormal ptsd

493

00:18:35,510 --> 00:18:33,760

i talk to people to this day who you

494

00:18:37,350 --> 00:18:35,520

know have had one encounter two

495

00:18:40,150 --> 00:18:37,360

encounters a lifetime of encounter it

496

00:18:43,510 --> 00:18:40,160

doesn't matter um i've talked to

497

00:18:45,830 --> 00:18:43,520

so many people who still at the age of

498

00:18:47,510 --> 00:18:45,840

70 something are you know still sleeping

499

00:18:49,029 --> 00:18:47,520

with the lights on because of what

500

00:18:51,270 --> 00:18:49,039

they've been through they they have to

501
00:18:54,070 --> 00:18:51,280
sleep with you know the doors open or

502
00:18:55,750 --> 00:18:54,080
closed the lights have to be on or they

503
00:18:57,350 --> 00:18:55,760
you know they they can't sleep alone

504
00:18:58,950 --> 00:18:57,360
they have to have someone in the next

505
00:19:00,470 --> 00:18:58,960
room or someone in the room with them i

506
00:19:02,470 --> 00:19:00,480
mean it's it's or they have to have like

507
00:19:05,669 --> 00:19:02,480
a you know the tv on fuzz or something

508
00:19:08,230 --> 00:19:05,679
it's it's really um interesting how you

509
00:19:10,549 --> 00:19:08,240
know people want to pooh-pooh paranormal

510
00:19:11,830 --> 00:19:10,559
encounters but this is a real thing

511
00:19:14,470 --> 00:19:11,840
people will

512
00:19:17,350 --> 00:19:14,480
you know go through this it it has the

513
00:19:19,590 --> 00:19:17,360

same effect you know as a say you know a

514

00:19:21,270 --> 00:19:19,600

combat vet or you know someone who has

515

00:19:22,470 --> 00:19:21,280

been through a really terrifying

516

00:19:24,710 --> 00:19:22,480

encounter

517

00:19:26,470 --> 00:19:24,720

you know paranormal ptsd is nothing to

518

00:19:28,150 --> 00:19:26,480

lack that this is something that's very

519

00:19:30,710 --> 00:19:28,160

real and i've talked to many people that

520

00:19:33,350 --> 00:19:30,720

suffer with it including myself you know

521

00:19:35,830 --> 00:19:33,360

yeah no i think it's a very real thing

522

00:19:37,110 --> 00:19:35,840

too especially you know given the fact

523

00:19:39,830 --> 00:19:37,120

of some of the involvement with the

524

00:19:41,990 --> 00:19:39,840

paranormal and what people are seeing

525

00:19:44,390 --> 00:19:42,000

and so that's the question and i'm with

526

00:19:47,590 --> 00:19:44,400

you why isn't this accepted by the media

527

00:19:49,990 --> 00:19:47,600

as of yet although it is getting better

528

00:19:53,270 --> 00:19:50,000

a lot better why isn't this a bigger

529

00:19:55,830 --> 00:19:53,280

story you know it seems like um

530

00:19:57,750 --> 00:19:55,840

experiencers are getting some media time

531

00:20:00,710 --> 00:19:57,760

but uh there is some military

532

00:20:02,470 --> 00:20:00,720

involvement now on the you know via ufos

533

00:20:03,830 --> 00:20:02,480

and stuff with the paranormal on tv why

534

00:20:07,909 --> 00:20:03,840

do you think

535

00:20:16,149 --> 00:20:13,190

um i think it goes back to that um being

536

00:20:18,950 --> 00:20:16,159

maybe the media was controlled you know

537

00:20:20,470 --> 00:20:18,960

by a certain kind of voice where it was

538

00:20:22,149 --> 00:20:20,480

like the old white

539

00:20:23,909 --> 00:20:22,159

dude you know saying that oh these

540

00:20:25,909 --> 00:20:23,919

things don't exist you know what i mean

541

00:20:27,590 --> 00:20:25,919

i mean how many like like i just

542

00:20:30,549 --> 00:20:27,600

mentioned you know indigenous cultures

543

00:20:33,669 --> 00:20:30,559

we don't really have that separation

544

00:20:35,430 --> 00:20:33,679

but as soon as you get older um you know

545

00:20:37,430 --> 00:20:35,440

in non-indigenous cultures you have

546

00:20:39,830 --> 00:20:37,440

people saying that that doesn't exist

547

00:20:43,430 --> 00:20:39,840

stance positive ufos don't exist bigfoot

548

00:20:45,669 --> 00:20:43,440

don't exist so you have that constant um

549

00:20:46,870 --> 00:20:45,679

you know pressure to not believe in the

550

00:20:48,870 --> 00:20:46,880

paranormal

551
00:20:51,110 --> 00:20:48,880
even as you're experiencing it you know

552
00:20:53,110 --> 00:20:51,120
i i grew up in that kind of world where

553
00:20:55,110 --> 00:20:53,120
you know i was running you know i i

554
00:20:57,430 --> 00:20:55,120
would get you know pushed or something i

555
00:20:59,190 --> 00:20:57,440
would get shoved and i would go and tell

556
00:21:00,870 --> 00:20:59,200
or i would be tormented at night and i

557
00:21:03,110 --> 00:21:00,880
would go and tell running you know to my

558
00:21:04,950 --> 00:21:03,120
parents bedroom you know my dad and

559
00:21:06,149 --> 00:21:04,960
stepmom is something just pushed me

560
00:21:07,990 --> 00:21:06,159
something oh come on you're just

561
00:21:11,990 --> 00:21:08,000
imagining it you know that doesn't exist

562
00:21:13,830 --> 00:21:12,000
it isn't real so it's it's a

563
00:21:16,310 --> 00:21:13,840

horrible place to be in you know because

564

00:21:18,149 --> 00:21:16,320

you feel so unsupported because you know

565

00:21:20,149 --> 00:21:18,159

you're going through something but the

566

00:21:22,549 --> 00:21:20,159

people that should believe you don't

567

00:21:23,510 --> 00:21:22,559

and i think that's just been kind of the

568

00:21:25,830 --> 00:21:23,520

voice

569

00:21:28,549 --> 00:21:25,840

you know all over um

570

00:21:29,430 --> 00:21:28,559

the media all these years and i think

571

00:21:32,070 --> 00:21:29,440

too

572

00:21:34,070 --> 00:21:32,080

um the military has had a big

573

00:21:36,630 --> 00:21:34,080

involvement i think it really did start

574

00:21:38,789 --> 00:21:36,640

with roswell and you know those sort of

575

00:21:40,549 --> 00:21:38,799

incidences where you know nope nope not

576
00:21:42,549 --> 00:21:40,559
not a ufo it's a weather balloon weather

577
00:21:44,390 --> 00:21:42,559
balloon and

578
00:21:46,710 --> 00:21:44,400
you know i think

579
00:21:48,310 --> 00:21:46,720
maybe you know

580
00:21:49,350 --> 00:21:48,320
you know maybe the military has had a

581
00:21:51,510 --> 00:21:49,360
kind of a

582
00:21:52,630 --> 00:21:51,520
sort of a hold on the media and what

583
00:21:54,149 --> 00:21:52,640
they

584
00:21:55,590 --> 00:21:54,159
put out too i mean i've heard a lot of

585
00:21:56,789 --> 00:21:55,600
stories where

586
00:21:59,270 --> 00:21:56,799
um

587
00:22:01,190 --> 00:21:59,280
you know a group of people saw ufo and

588
00:22:02,710 --> 00:22:01,200

they went to you know the news the local

589

00:22:04,630 --> 00:22:02,720

news station they told them and they

590

00:22:06,549 --> 00:22:04,640

went to report it and

591

00:22:08,390 --> 00:22:06,559

they got a call from the military saying

592

00:22:09,750 --> 00:22:08,400

you're not going to report this

593

00:22:11,510 --> 00:22:09,760

you know what i mean you're not going to

594

00:22:15,270 --> 00:22:11,520

report it and i've heard so many of

595

00:22:16,870 --> 00:22:15,280

those stories um so i think a lot of i

596

00:22:20,149 --> 00:22:16,880

think uh maybe maybe some is the

597

00:22:22,390 --> 00:22:20,159

military but i think a lot of people um

598

00:22:24,830 --> 00:22:22,400

grew up being scared of being laughed at

599

00:22:28,149 --> 00:22:24,840

ostracized you know

600

00:22:29,909 --> 00:22:28,159

um it's just it just was a thing and it

601
00:22:31,029 --> 00:22:29,919
just kind of permeated

602
00:22:33,190 --> 00:22:31,039
and

603
00:22:35,590 --> 00:22:33,200
you know thank god for all the brave

604
00:22:39,430 --> 00:22:35,600
souls of because in my day in the late

605
00:22:40,710 --> 00:22:39,440
70s early 80s we didn't have a whole lot

606
00:22:41,669 --> 00:22:40,720
about this you know what i mean there

607
00:22:43,830 --> 00:22:41,679
wasn't

608
00:22:45,430 --> 00:22:43,840
websites and books and you know all that

609
00:22:47,909 --> 00:22:45,440
kind of stuff i mean the only sort of

610
00:22:50,230 --> 00:22:47,919
paranormal pioneers i had in my day

611
00:22:52,549 --> 00:22:50,240
really that i knew about were um ed

612
00:22:53,270 --> 00:22:52,559
larry warren and they were laughed at

613
00:22:55,190 --> 00:22:53,280

for

614

00:22:56,950 --> 00:22:55,200

decades you know they were they were

615

00:22:59,270 --> 00:22:56,960

considered coops and you know

616

00:23:01,350 --> 00:22:59,280

opportunists and scam artists and all

617

00:23:03,669 --> 00:23:01,360

kinds of stuff so um

618

00:23:05,590 --> 00:23:03,679

you know you had those few braveholds

619

00:23:08,230 --> 00:23:05,600

that would come out and say yeah i have

620

00:23:11,430 --> 00:23:08,240

been abducted or yeah i have a ghost in

621

00:23:12,470 --> 00:23:11,440

my house um and even then people were

622

00:23:15,270 --> 00:23:12,480

just so

623

00:23:17,350 --> 00:23:15,280

quick to pooh-pooh it and it was really

624

00:23:19,510 --> 00:23:17,360

unfortunate because i think more people

625

00:23:20,710 --> 00:23:19,520

should have and could have come forward

626
00:23:22,230 --> 00:23:20,720
and we could have started this

627
00:23:24,070 --> 00:23:22,240
conversation

628
00:23:27,350 --> 00:23:24,080
sooner we sort of we could have been

629
00:23:30,230 --> 00:23:27,360
normalizing paranormal encounters and

630
00:23:31,750 --> 00:23:30,240
the discussion around them sooner um and

631
00:23:34,390 --> 00:23:31,760
you know who knows who that could have

632
00:23:36,070 --> 00:23:34,400
helped you know i mean i i know of a lot

633
00:23:37,510 --> 00:23:36,080
of stories where people had paranormal

634
00:23:39,270 --> 00:23:37,520
encounters and just took it to their

635
00:23:41,430 --> 00:23:39,280
grave they wouldn't talk about it and it

636
00:23:44,390 --> 00:23:41,440
tormented them they again paranormal

637
00:23:46,070 --> 00:23:44,400
ptsd they they had nightmares every

638
00:23:48,630 --> 00:23:46,080

night about these things that they saw

639

00:23:50,230 --> 00:23:48,640

or felt or what something was following

640

00:23:52,230 --> 00:23:50,240

them you know and they were scared to

641

00:23:54,630 --> 00:23:52,240

say anything because they were told that

642

00:23:55,909 --> 00:23:54,640

what was going on was not real or they

643

00:23:57,590 --> 00:23:55,919

tried to tell someone and someone

644

00:24:00,470 --> 00:23:57,600

laughed at him so they clammed up and

645

00:24:02,470 --> 00:24:00,480

never talked again um

646

00:24:04,230 --> 00:24:02,480

that's really upsetting to me i don't

647

00:24:06,310 --> 00:24:04,240

like it when people are not allowed to

648

00:24:08,310 --> 00:24:06,320

at least talk you know they're not

649

00:24:10,950 --> 00:24:08,320

allowed to at least verbalize

650

00:24:12,950 --> 00:24:10,960

look i just saw something i've been

651
00:24:15,590 --> 00:24:12,960
going through something you know talking

652
00:24:18,310 --> 00:24:15,600
sometimes really does break

653
00:24:19,990 --> 00:24:18,320
the spell um or it really does make you

654
00:24:21,750 --> 00:24:20,000
just feel better i you know i don't know

655
00:24:23,269 --> 00:24:21,760
how many people out there if you have

656
00:24:24,789 --> 00:24:23,279
something bothering you sometimes just

657
00:24:25,830 --> 00:24:24,799
verbalizing it

658
00:24:27,430 --> 00:24:25,840
um

659
00:24:29,190 --> 00:24:27,440
it helps it makes you feel better it

660
00:24:33,029 --> 00:24:29,200
makes you feel you know more at peace

661
00:24:35,190 --> 00:24:33,039
and so i think um the silence the

662
00:24:36,470 --> 00:24:35,200
silencing i think a lot of that has to

663
00:24:39,510 --> 00:24:36,480

do with

664

00:24:41,669 --> 00:24:39,520

you know i know a lot of um

665

00:24:43,990 --> 00:24:41,679

uh heard a lot of stories of scientists

666

00:24:47,269 --> 00:24:44,000

who wanted to start studying the

667

00:24:49,510 --> 00:24:47,279

paranormal but their peers or you know

668

00:24:51,269 --> 00:24:49,520

the people above them or whoever you

669

00:24:52,710 --> 00:24:51,279

know were people at the university were

670

00:24:54,789 --> 00:24:52,720

like absolutely not you're not going to

671

00:24:57,190 --> 00:24:54,799

study the paranormal which is ridiculous

672

00:24:59,110 --> 00:24:57,200

um people in the military i mean how

673

00:25:01,269 --> 00:24:59,120

many people are just now like robert

674

00:25:02,390 --> 00:25:01,279

solis and and all the people that he

675

00:25:05,029 --> 00:25:02,400

talks to

676
00:25:07,269 --> 00:25:05,039
these people are now coming forward who

677
00:25:09,909 --> 00:25:07,279
have been in the service for years and

678
00:25:10,950 --> 00:25:09,919
years and they're now being able to you

679
00:25:14,630 --> 00:25:10,960
know

680
00:25:16,310 --> 00:25:14,640
seen um

681
00:25:18,230 --> 00:25:16,320
so i think there's a lot of factors

682
00:25:19,269 --> 00:25:18,240
involved when it comes to the silencing

683
00:25:21,190 --> 00:25:19,279
of

684
00:25:23,430 --> 00:25:21,200
telling or talking about the paranormal

685
00:25:25,909 --> 00:25:23,440
it's um

686
00:25:27,669 --> 00:25:25,919
it's terrible i i really it angers me

687
00:25:30,630 --> 00:25:27,679
because it's not fair

688
00:25:32,149 --> 00:25:30,640

and a lot of people um it's doing a huge

689

00:25:33,909 --> 00:25:32,159

disservice really because there's a lot

690

00:25:35,110 --> 00:25:33,919

of people out there that could find a

691

00:25:36,630 --> 00:25:35,120

lot of peace

692

00:25:38,870 --> 00:25:36,640

or could find

693

00:25:40,870 --> 00:25:38,880

you know the meaning to their life or

694

00:25:43,110 --> 00:25:40,880

you know whatever something

695

00:25:45,909 --> 00:25:43,120

you know what i mean like it's it's not

696

00:25:47,909 --> 00:25:45,919

it's it's um the the silencing of

697

00:25:50,950 --> 00:25:47,919

paranormal encounters and the giggle

698

00:25:53,990 --> 00:25:50,960

factor yes thankfully the now nowadays

699

00:25:56,390 --> 00:25:54,000

it's it's a lot less but it's not

700

00:25:57,590 --> 00:25:56,400

where i would like it to be and i know

701
00:25:59,750 --> 00:25:57,600
that for you know other people's

702
00:26:01,430 --> 00:25:59,760
standpoint as well um

703
00:26:03,350 --> 00:26:01,440
the whole conversation

704
00:26:06,470 --> 00:26:03,360
uh just needs to be normalized and i'm

705
00:26:08,950 --> 00:26:06,480
hoping um that you know in the next five

706
00:26:10,789 --> 00:26:08,960
ten years that we will get to the point

707
00:26:11,830 --> 00:26:10,799
where we you know there's no more

708
00:26:13,669 --> 00:26:11,840
giggling

709
00:26:15,990 --> 00:26:13,679
we can just openly say yeah i've got to

710
00:26:17,669 --> 00:26:16,000
go to my house or yeah i got a demon in

711
00:26:19,590 --> 00:26:17,679
my house or yeah

712
00:26:21,510 --> 00:26:19,600
i saw a ufo and and there's no giggle

713
00:26:22,950 --> 00:26:21,520

factor there's just like okay really wow

714

00:26:25,029 --> 00:26:22,960

cool and

715

00:26:27,029 --> 00:26:25,039

you know it becomes commonplace that's

716

00:26:29,750 --> 00:26:27,039

that's what i hope and i hope that um

717

00:26:30,950 --> 00:26:29,760

more people get help for paranormal ptsd

718

00:26:32,149 --> 00:26:30,960

because i know a lot of people that

719

00:26:33,669 --> 00:26:32,159

suffer with it

720

00:26:36,789 --> 00:26:33,679

that um

721

00:26:39,029 --> 00:26:36,799

are trying to find help and they they

722

00:26:41,830 --> 00:26:39,039

can't other than paranormal like

723

00:26:44,230 --> 00:26:41,840

investigative groups they don't really

724

00:26:46,950 --> 00:26:44,240

have a lot of uh help out there you know

725

00:26:48,230 --> 00:26:46,960

just full-on therapy counseling

726

00:26:49,909 --> 00:26:48,240

um

727

00:26:51,510 --> 00:26:49,919

i know a lot of people that that you

728

00:26:53,590 --> 00:26:51,520

know had a paranormal encounter and

729

00:26:56,230 --> 00:26:53,600

tried to talk to a regular therapist

730

00:26:57,909 --> 00:26:56,240

about it and they're just um

731

00:26:59,990 --> 00:26:57,919

pretty much told them they were crazy

732

00:27:02,390 --> 00:27:00,000

told them that's that's a hallucination

733

00:27:03,590 --> 00:27:02,400

so um

734

00:27:05,110 --> 00:27:03,600

i'm hoping

735

00:27:06,549 --> 00:27:05,120

like you and like everyone else out

736

00:27:09,669 --> 00:27:06,559

there that you know this sort of thing

737

00:27:12,390 --> 00:27:09,679

becomes uh normalized really

738

00:27:16,549 --> 00:27:12,400

absolutely and you know they're i agree

739

00:27:19,269 --> 00:27:16,559

100 there are a lot there should be more

740

00:27:20,789 --> 00:27:19,279

more care in the field and

741

00:27:22,389 --> 00:27:20,799

not as quick

742

00:27:24,950 --> 00:27:22,399

judgment but

743

00:27:27,269 --> 00:27:24,960

specialists and analysts from as we

744

00:27:30,070 --> 00:27:27,279

mentioned some government agencies

745

00:27:32,310 --> 00:27:30,080

have delved into locations

746

00:27:35,110 --> 00:27:32,320

uh of high strangeness whether it's

747

00:27:38,149 --> 00:27:35,120

areas like dulce new mexico or purported

748

00:27:40,149 --> 00:27:38,159

ufo areas or underground-based locations

749

00:27:42,950 --> 00:27:40,159

which are usually in proximity of native

750

00:27:45,750 --> 00:27:42,960

american lands why do you think the

751
00:27:48,310 --> 00:27:45,760
government is getting so involved in the

752
00:27:50,070 --> 00:27:48,320
study of some of these locations

753
00:27:52,950 --> 00:27:50,080
and what do you think the connection

754
00:27:55,029 --> 00:27:52,960
between the uh unidentified aerial

755
00:27:57,350 --> 00:27:55,039
phenomena and native american lore might

756
00:28:01,669 --> 00:27:59,510
well um

757
00:28:03,430 --> 00:28:01,679
geez i don't know there's that that's

758
00:28:05,350 --> 00:28:03,440
like 10 different conversations right

759
00:28:06,870 --> 00:28:05,360
there um

760
00:28:09,190 --> 00:28:06,880
you know i mean when it comes to the

761
00:28:11,590 --> 00:28:09,200
government i mean i've had relatives

762
00:28:13,190 --> 00:28:11,600
that work for the government and

763
00:28:14,549 --> 00:28:13,200

they always told me never trust the

764

00:28:17,190 --> 00:28:14,559

american government they're always up to

765

00:28:18,870 --> 00:28:17,200

no good yeah i was i was raised like you

766

00:28:21,590 --> 00:28:18,880

know hearing that so

767

00:28:23,590 --> 00:28:21,600

um you know you know as well as me you

768

00:28:26,070 --> 00:28:23,600

know these sorts of things

769

00:28:27,830 --> 00:28:26,080

are usually black budget type

770

00:28:29,510 --> 00:28:27,840

you know projects

771

00:28:31,350 --> 00:28:29,520

that even the president doesn't even

772

00:28:33,269 --> 00:28:31,360

know about you know what i mean and you

773

00:28:35,590 --> 00:28:33,279

know how many times did you know jimmy

774

00:28:37,029 --> 00:28:35,600

carter and bill clinton kind of inquire

775

00:28:38,630 --> 00:28:37,039

about these kinds of things and be like

776

00:28:40,630 --> 00:28:38,640

what is going on

777

00:28:43,510 --> 00:28:40,640

and we're told you know don't don't

778

00:28:45,029 --> 00:28:43,520

think about it don't worry about it um

779

00:28:47,669 --> 00:28:45,039

we're told only maybe what they wanted

780

00:28:50,230 --> 00:28:47,679

to hear or something you know um i think

781

00:28:51,750 --> 00:28:50,240

there's different branches within the

782

00:28:53,110 --> 00:28:51,760

government that could be doing stuff

783

00:28:55,110 --> 00:28:53,120

like this and

784

00:28:57,029 --> 00:28:55,120

um

785

00:28:58,070 --> 00:28:57,039

why they're being allowed to investigate

786

00:28:59,669 --> 00:28:58,080

i don't know i think it's kind of

787

00:29:01,830 --> 00:28:59,679

strange because you know you would think

788

00:29:03,110 --> 00:29:01,840

that whatever black budget something or

789

00:29:04,870 --> 00:29:03,120

other would say

790

00:29:05,830 --> 00:29:04,880

don't don't be concerned with this i i

791

00:29:06,710 --> 00:29:05,840

don't know

792

00:29:09,909 --> 00:29:06,720

um

793

00:29:12,149 --> 00:29:09,919

as far as the the uaps and the sort of

794

00:29:14,630 --> 00:29:12,159

high strangeness and near you know

795

00:29:16,230 --> 00:29:14,640

reservations and areas where

796

00:29:18,470 --> 00:29:16,240

natives

797

00:29:20,230 --> 00:29:18,480

either lived or have lived or are living

798

00:29:23,110 --> 00:29:20,240

um that is something that i would like

799

00:29:24,789 --> 00:29:23,120

to know as well um

800

00:29:27,990 --> 00:29:24,799

i mean there are stories

801
00:29:32,230 --> 00:29:28,000
going back you know hundreds of years

802
00:29:34,070 --> 00:29:32,240
of uh indigenous people in america um

803
00:29:37,110 --> 00:29:34,080
and even south america central america

804
00:29:39,029 --> 00:29:37,120
uh talking about third people

805
00:29:41,350 --> 00:29:39,039
and talking about our brothers from the

806
00:29:43,510 --> 00:29:41,360
side and and stuff like that so you know

807
00:29:45,590 --> 00:29:43,520
what what makes us think that you know

808
00:29:48,070 --> 00:29:45,600
these it you know

809
00:29:49,669 --> 00:29:48,080
aliens whatever you want to call them

810
00:29:51,750 --> 00:29:49,679
what makes us think that they they

811
00:29:54,950 --> 00:29:51,760
haven't been visiting earth all this

812
00:29:56,630 --> 00:29:54,960
time you know what i mean so it it just

813
00:29:58,230 --> 00:29:56,640

you know i i believe i believe they've

814

00:29:59,510 --> 00:29:58,240

been visiting this whole time if there

815

00:30:01,510 --> 00:29:59,520

is such a thing

816

00:30:03,990 --> 00:30:01,520

why would they have you know

817

00:30:05,990 --> 00:30:04,000

not visited until just the 40s that's

818

00:30:08,630 --> 00:30:06,000

ridiculous you know i mean i'm very

819

00:30:11,110 --> 00:30:08,640

interested in the encounters like before

820

00:30:13,190 --> 00:30:11,120

roswell before all of that you know

821

00:30:15,110 --> 00:30:13,200

where we had um

822

00:30:16,870 --> 00:30:15,120

excuse me

823

00:30:19,350 --> 00:30:16,880

we had um

824

00:30:22,070 --> 00:30:19,360

encounters back in the 1800s and early

825

00:30:23,750 --> 00:30:22,080

1900s of

826

00:30:26,149 --> 00:30:23,760

for like a better word spaceships you

827

00:30:27,430 --> 00:30:26,159

know and and people seeing things

828

00:30:29,990 --> 00:30:27,440

um

829

00:30:31,990 --> 00:30:30,000

and and you know that i love reading old

830

00:30:33,830 --> 00:30:32,000

like really old newspapers where they

831

00:30:35,909 --> 00:30:33,840

have those clippings where it shows you

832

00:30:39,029 --> 00:30:35,919

know yeah so-and-so was on his farm and

833

00:30:42,549 --> 00:30:39,039

then he saw this flying ship the flying

834

00:30:43,990 --> 00:30:42,559

craft or something you know um so

835

00:30:45,990 --> 00:30:44,000

i think

836

00:30:47,669 --> 00:30:46,000

i i i just find it really interesting

837

00:30:48,870 --> 00:30:47,679

because like again going back to the

838

00:30:54,470 --> 00:30:48,880

indigenous

839

00:30:55,990 --> 00:30:54,480

you know

840

00:30:57,909 --> 00:30:56,000

i was talking to someone the other day

841

00:31:00,149 --> 00:30:57,919

about bigfoot and fast watching stuff

842

00:31:02,310 --> 00:31:00,159

and i said look i said indigenous people

843

00:31:04,549 --> 00:31:02,320

i've been telling non-native

844

00:31:07,590 --> 00:31:04,559

about sasquatch and their encounters

845

00:31:08,630 --> 00:31:07,600

with basque watch for hundreds of years

846

00:31:12,149 --> 00:31:08,640

literally

847

00:31:14,549 --> 00:31:12,159

and non-natives are just now starting to

848

00:31:17,110 --> 00:31:14,559

come around and go oh there's something

849

00:31:18,389 --> 00:31:17,120

just bigfoots and we're like yeah

850

00:31:20,950 --> 00:31:18,399

it's been like that you know because

851
00:31:23,029 --> 00:31:20,960
every tribe has a different experience

852
00:31:25,590 --> 00:31:23,039
with um

853
00:31:29,110 --> 00:31:25,600
uh you know sasquatch you know and the

854
00:31:31,909 --> 00:31:29,120
twilia people up in the north uh west um

855
00:31:34,950 --> 00:31:31,919
they there's you know their their idea

856
00:31:36,950 --> 00:31:34,960
their impression of bigfoot is uh uh i

857
00:31:39,110 --> 00:31:36,960
forgot what they call it but it's it's

858
00:31:41,350 --> 00:31:39,120
an evil spirit and they you know they're

859
00:31:43,669 --> 00:31:41,360
warned not to go into certain parts of

860
00:31:45,509 --> 00:31:43,679
um the forts right because it'll it'll

861
00:31:46,710 --> 00:31:45,519
kidnap you or kill you um they have a

862
00:31:49,669 --> 00:31:46,720
lot of missing

863
00:31:52,149 --> 00:31:49,679

person cases where they they attribute

864

00:31:54,230 --> 00:31:52,159

these missing people to this particular

865

00:31:57,830 --> 00:31:54,240

bigfoot type monster

866

00:31:59,590 --> 00:31:57,840

and then cherokee culture um

867

00:32:01,029 --> 00:31:59,600

from what i've been told and what i've

868

00:32:02,789 --> 00:32:01,039

grown up with

869

00:32:05,269 --> 00:32:02,799

is that um

870

00:32:06,630 --> 00:32:05,279

bigfoots are kind of like this sort of

871

00:32:08,630 --> 00:32:06,640

respected

872

00:32:11,430 --> 00:32:08,640

brother you know

873

00:32:13,350 --> 00:32:11,440

he's we kind of view him from afar

874

00:32:15,590 --> 00:32:13,360

and as long as we keep our distance you

875

00:32:17,269 --> 00:32:15,600

know he's cool we're cool you know that

876

00:32:19,110 --> 00:32:17,279

kind of thing and we're always sort of

877

00:32:21,430 --> 00:32:19,120

it's more of a

878

00:32:23,269 --> 00:32:21,440

benevolent sort of relationship it's not

879

00:32:24,389 --> 00:32:23,279

the sort of evil spirit that you know is

880

00:32:26,789 --> 00:32:24,399

trying to get us

881

00:32:29,430 --> 00:32:26,799

we respect their state they respect ours

882

00:32:30,549 --> 00:32:29,440

and that's just kind of how it goes um

883

00:32:33,509 --> 00:32:30,559

so every

884

00:32:36,070 --> 00:32:33,519

every tribe has their own uh ex you know

885

00:32:37,990 --> 00:32:36,080

bigfoot type creature that um they have

886

00:32:40,070 --> 00:32:38,000

their own experience whether good or bad

887

00:32:42,149 --> 00:32:40,080

but you know native people again have

888

00:32:44,549 --> 00:32:42,159

been telling non-natives like yeah this

889

00:32:46,630 --> 00:32:44,559

stuff happens like a lot and

890

00:32:48,470 --> 00:32:46,640

um you know we've been left at by

891

00:32:51,110 --> 00:32:48,480

non-natives for years and then all of a

892

00:32:52,950 --> 00:32:51,120

sudden now the non-natives are like oh

893

00:32:55,350 --> 00:32:52,960

there is such a thing you know and again

894

00:32:56,870 --> 00:32:55,360

it's that catching up of you know the

895

00:32:58,630 --> 00:32:56,880

non-native culture so i've been told

896

00:33:00,549 --> 00:32:58,640

these things don't exist

897

00:33:02,230 --> 00:33:00,559

now they're starting to see oh yeah they

898

00:33:05,430 --> 00:33:02,240

do exist and so they're they're catching

899

00:33:07,590 --> 00:33:05,440

up to you know those things so

900

00:33:09,909 --> 00:33:07,600

absolutely and i think you're you're

901
00:33:13,190 --> 00:33:09,919
absolutely right that these this

902
00:33:15,110 --> 00:33:13,200
tricksters and other paranormal entities

903
00:33:16,950 --> 00:33:15,120
with trickster-like traits you mentioned

904
00:33:19,190 --> 00:33:16,960
the sasquatch according to some tribes

905
00:33:21,509 --> 00:33:19,200
are often in at least at least in

906
00:33:24,389 --> 00:33:21,519
cultural and family lore of certain

907
00:33:26,549 --> 00:33:24,399
cultures they are deeply rooted why do

908
00:33:28,310 --> 00:33:26,559
you think that even though just about

909
00:33:30,470 --> 00:33:28,320
every culture has a form or definition

910
00:33:32,310 --> 00:33:30,480
of magic some of them have just been cut

911
00:33:33,509 --> 00:33:32,320
off from their past and they just don't

912
00:33:37,029 --> 00:33:33,519
believe

913
00:33:40,310 --> 00:33:37,039

in a lot of the paranormal which uh even

914

00:33:46,630 --> 00:33:41,190

um

915

00:33:49,360 --> 00:33:46,640

a lot of tribes you know some tribes

916

00:33:50,549 --> 00:33:49,370

have been very lucky to be a bit more um

917

00:33:54,149 --> 00:33:50,559

[Music]

918

00:33:56,630 --> 00:33:54,159

they isolated and not as colonized

919

00:33:58,470 --> 00:33:56,640

whereas other tribes have been

920

00:34:00,389 --> 00:33:58,480

completely obliterated they have had to

921

00:34:02,070 --> 00:34:00,399

assimilate into other tribes you know

922

00:34:05,110 --> 00:34:02,080

there's there's languages that are no

923

00:34:08,710 --> 00:34:05,120

longer that no longer exist because of

924

00:34:11,190 --> 00:34:08,720

colonization so a lot of um tribes have

925

00:34:12,869 --> 00:34:11,200

been colonized to the point where they

926
00:34:15,109 --> 00:34:12,879
you know accepted

927
00:34:17,109 --> 00:34:15,119
white ways like culture

928
00:34:18,550 --> 00:34:17,119
and religion they became very

929
00:34:20,389 --> 00:34:18,560
christianized you know a lot of my

930
00:34:23,109 --> 00:34:20,399
family were very christianized and they

931
00:34:24,629 --> 00:34:23,119
were very um

932
00:34:26,389 --> 00:34:24,639
you know a little too accepting of white

933
00:34:28,230 --> 00:34:26,399
ways because they were promised hey look

934
00:34:30,389 --> 00:34:28,240
exhaust our ways and then you can keep

935
00:34:31,909 --> 00:34:30,399
your land you can stay on your land

936
00:34:34,550 --> 00:34:31,919
and that's what they did and of course

937
00:34:36,230 --> 00:34:34,560
they were backstabbed so um

938
00:34:36,950 --> 00:34:36,240

you know later on they lost their land

939

00:34:39,109 --> 00:34:36,960

but

940

00:34:41,669 --> 00:34:39,119

you know

941

00:34:42,869 --> 00:34:41,679

i think what it is is that a lot of

942

00:34:45,430 --> 00:34:42,879

um

943

00:34:48,790 --> 00:34:45,440

there there are some

944

00:34:49,589 --> 00:34:48,800

there are some tribes who just i think

945

00:34:54,470 --> 00:34:49,599

were

946

00:34:55,669 --> 00:34:54,480

whitewashed

947

00:34:57,990 --> 00:34:55,679

and

948

00:34:59,829 --> 00:34:58,000

they were more just accepting white ways

949

00:35:01,670 --> 00:34:59,839

and that sort of their their old way of

950

00:35:03,750 --> 00:35:01,680

life the traditional ways

951
00:35:06,150 --> 00:35:03,760
those will fade away with every

952
00:35:07,990 --> 00:35:06,160
generation and you have to be careful

953
00:35:10,150 --> 00:35:08,000
with elders because

954
00:35:12,790 --> 00:35:10,160
when an elder passes away

955
00:35:14,710 --> 00:35:12,800
there goes language there goes formulas

956
00:35:16,870 --> 00:35:14,720
there goes stories there's there goes

957
00:35:17,990 --> 00:35:16,880
the you know our creation stories myth

958
00:35:18,870 --> 00:35:18,000
and war

959
00:35:20,630 --> 00:35:18,880
um

960
00:35:23,030 --> 00:35:20,640
you know a whole library

961
00:35:23,910 --> 00:35:23,040
you know disappears when an elder passed

962
00:35:26,470 --> 00:35:23,920
away

963
00:35:29,109 --> 00:35:26,480

and so um you know a lot of tribes their

964

00:35:31,910 --> 00:35:29,119

elders died from disease and they were

965

00:35:33,510 --> 00:35:31,920

left with just not even knowing

966

00:35:37,270 --> 00:35:33,520

about their

967

00:35:38,790 --> 00:35:37,280

traditional ways and so they assimilated

968

00:35:39,829 --> 00:35:38,800

into other uh

969

00:35:41,910 --> 00:35:39,839

tribes

970

00:35:44,870 --> 00:35:41,920

um it's just how it is it's the

971

00:35:46,950 --> 00:35:44,880

unfortunate you know the

972

00:35:48,950 --> 00:35:46,960

the unfortunate you know result of lots

973

00:35:51,190 --> 00:35:48,960

of colonization

974

00:35:53,589 --> 00:35:51,200

absolutely it is and you know we've seen

975

00:35:55,670 --> 00:35:53,599

it in so many places and

976

00:35:57,349 --> 00:35:55,680

it does seem like the united states has

977

00:35:59,109 --> 00:35:57,359

these strange portal areas a lot of

978

00:36:00,790 --> 00:35:59,119

times as we mentioned in proximity of

979

00:36:02,710 --> 00:36:00,800

native american land

980

00:36:04,310 --> 00:36:02,720

which sometimes have other strange

981

00:36:06,390 --> 00:36:04,320

factures such as

982

00:36:08,470 --> 00:36:06,400

shapeshifter lore cattle mutilations and

983

00:36:10,790 --> 00:36:08,480

military involvement sometimes or at

984

00:36:13,829 --> 00:36:10,800

least government what are your thoughts

985

00:36:15,670 --> 00:36:13,839

on the the government coming in and

986

00:36:17,510 --> 00:36:15,680

starting to study

987

00:36:20,150 --> 00:36:17,520

you know the paranormal in some of these

988

00:36:23,109 --> 00:36:21,190

um

989

00:36:24,310 --> 00:36:23,119

i think this uh

990

00:36:26,310 --> 00:36:24,320

i mean you and i just discussed

991

00:36:27,510 --> 00:36:26,320

skinwalker ranch and whatnot i think

992

00:36:29,829 --> 00:36:27,520

it's you know

993

00:36:30,790 --> 00:36:29,839

whatever they're hoping to gain i mean

994

00:36:33,109 --> 00:36:30,800

you know

995

00:36:35,750 --> 00:36:33,119

i always told a friend who frequents the

996

00:36:37,750 --> 00:36:35,760

um the skinwalker ranch i always told

997

00:36:38,870 --> 00:36:37,760

him i said i feel

998

00:36:41,750 --> 00:36:38,880

that in

999

00:36:44,390 --> 00:36:41,760

a few years time possibly

1000

00:36:46,630 --> 00:36:44,400

some faction of the us government is

1001
00:36:49,109 --> 00:36:46,640
going to maybe take over that land

1002
00:36:50,710 --> 00:36:49,119
and just kind of kick off whoever is is

1003
00:36:52,710 --> 00:36:50,720
on there whether it's brandon people or

1004
00:36:53,990 --> 00:36:52,720
whoever whoever whoever has that land at

1005
00:36:56,630 --> 00:36:54,000
that point it's just going to be like

1006
00:36:58,310 --> 00:36:56,640
okay it's our land now go and they're

1007
00:37:00,150 --> 00:36:58,320
going to um

1008
00:37:02,950 --> 00:37:00,160
keep anyone off that land and they're

1009
00:37:05,109 --> 00:37:02,960
you know i mean i've seen it um

1010
00:37:07,349 --> 00:37:05,119
in sedona and other places there were

1011
00:37:10,790 --> 00:37:07,359
you know um

1012
00:37:12,230 --> 00:37:10,800
high strangeness in a particular uh area

1013
00:37:14,069 --> 00:37:12,240

and all of a sudden there's this

1014

00:37:16,150 --> 00:37:14,079

military presence where you know and

1015

00:37:19,349 --> 00:37:16,160

there was like you know

1016

00:37:20,870 --> 00:37:19,359

campers and hikers were frequenting this

1017

00:37:23,349 --> 00:37:20,880

land because they were able to you know

1018

00:37:24,950 --> 00:37:23,359

it was it was a parkland and then all of

1019

00:37:26,790 --> 00:37:24,960

a sudden all this strangeness started

1020

00:37:28,710 --> 00:37:26,800

happening and before you know it they've

1021

00:37:30,710 --> 00:37:28,720

got you know

1022

00:37:32,550 --> 00:37:30,720

rifles in their faces by these you know

1023

00:37:33,910 --> 00:37:32,560

camouflaged dressed dudes and they're

1024

00:37:36,790 --> 00:37:33,920

like no you're not allowed to be on this

1025

00:37:39,990 --> 00:37:36,800

land and it kicked them off so um

1026

00:37:41,670 --> 00:37:40,000

there's all kinds of stuff going on um

1027

00:37:44,150 --> 00:37:41,680

i don't know what they're hoping to gain

1028

00:37:46,310 --> 00:37:44,160

are they hoping to make contact with

1029

00:37:49,510 --> 00:37:46,320

aliens i mean what what is it i mean

1030

00:37:52,390 --> 00:37:49,520

what is going on is there such a thing

1031

00:37:54,069 --> 00:37:52,400

the the dolce bass do they have contact

1032

00:37:55,349 --> 00:37:54,079

with aliens already and they're hoping

1033

00:37:57,910 --> 00:37:55,359

to make other contact i mean what the

1034

00:38:00,550 --> 00:37:57,920

heck is going on i really don't know um

1035

00:38:02,870 --> 00:38:00,560

we can sit here and you know throw ideas

1036

00:38:06,870 --> 00:38:02,880

at the wall all day long but um

1037

00:38:09,030 --> 00:38:06,880

yeah i mean the government coming in and

1038

00:38:10,870 --> 00:38:09,040

studying this again what are they

1039

00:38:12,550 --> 00:38:10,880

looking for are they are they hoping to

1040

00:38:14,230 --> 00:38:12,560

find some sort of

1041

00:38:16,150 --> 00:38:14,240

um

1042

00:38:17,990 --> 00:38:16,160

you know it's always self-serving that

1043

00:38:19,829 --> 00:38:18,000

that's my that's my opinion at the end

1044

00:38:21,510 --> 00:38:19,839

of the day it's self-serving what are

1045

00:38:23,910 --> 00:38:21,520

they looking for are they looking for

1046

00:38:26,470 --> 00:38:23,920

something to help with military

1047

00:38:28,630 --> 00:38:26,480

uh you know weaponry uh you know are

1048

00:38:31,430 --> 00:38:28,640

they trying to find a way to cloak

1049

00:38:34,950 --> 00:38:31,440

themselves it's always having to do with

1050

00:38:35,990 --> 00:38:34,960

wars and weapons and you know being able

1051
00:38:37,589 --> 00:38:36,000
to have

1052
00:38:40,710 --> 00:38:37,599
being able to kind of be one up on the

1053
00:38:42,390 --> 00:38:40,720
enemy in case one arises and

1054
00:38:44,230 --> 00:38:42,400
you know i don't know it just it just

1055
00:38:46,230 --> 00:38:44,240
seems like it's very self-serving if the

1056
00:38:47,109 --> 00:38:46,240
government's coming in and studying and

1057
00:38:49,270 --> 00:38:47,119
um

1058
00:38:50,230 --> 00:38:49,280
you know inquiring and then confiscating

1059
00:38:55,670 --> 00:38:50,240
land

1060
00:38:57,030 --> 00:38:55,680
and hoping to you know do whatever i you

1061
00:38:58,630 --> 00:38:57,040
know again

1062
00:39:01,270 --> 00:38:58,640
i always was told don't trust the

1063
00:39:03,670 --> 00:39:01,280

american government and i don't um

1064

00:39:05,990 --> 00:39:03,680

for many reasons but um but yeah i i

1065

00:39:07,589 --> 00:39:06,000

think at the end of the day it's just i

1066

00:39:09,190 --> 00:39:07,599

i just have a pessimistic view i think

1067

00:39:10,870 --> 00:39:09,200

it's very self-serving i just think

1068

00:39:13,190 --> 00:39:10,880

you're up to no good

1069

00:39:15,270 --> 00:39:13,200

absolutely and you know it's so wild

1070

00:39:16,870 --> 00:39:15,280

doing a podcast from a human perspective

1071

00:39:19,109 --> 00:39:16,880

you've had some amazing guests on your

1072

00:39:21,270 --> 00:39:19,119

podcast and i know you've had some of

1073

00:39:23,510 --> 00:39:21,280

the same guests i have and sometimes

1074

00:39:25,990 --> 00:39:23,520

after hearing their stories

1075

00:39:27,670 --> 00:39:26,000

life changes a little or is impacted

1076
00:39:29,589 --> 00:39:27,680
something um can you tell us something

1077
00:39:31,349 --> 00:39:29,599
you can't forget that you've heard any

1078
00:39:33,750 --> 00:39:31,359
theories or stories from guests other

1079
00:39:35,670 --> 00:39:33,760
than myself of course of things that

1080
00:39:38,310 --> 00:39:35,680
have impacted you whether it's military

1081
00:39:41,190 --> 00:39:38,320
involvement places like roswell or

1082
00:39:43,589 --> 00:39:41,200
or some of these other areas

1083
00:39:45,510 --> 00:39:43,599
um yeah i mean

1084
00:39:48,069 --> 00:39:45,520
first military involvement i mean let's

1085
00:39:49,990 --> 00:39:48,079
go to terry lovelace and his his

1086
00:39:52,230 --> 00:39:50,000
incident at devil's den

1087
00:39:54,790 --> 00:39:52,240
um the things that stayed with me are

1088
00:39:56,790 --> 00:39:54,800

when you know he and his friend toby

1089

00:39:58,790 --> 00:39:56,800

were looking you know they had just got

1090

00:40:01,349 --> 00:39:58,800

they just had their encounter

1091

00:40:02,630 --> 00:40:01,359

and they're looking out the tent and

1092

00:40:05,030 --> 00:40:02,640

terry goes what are those little kids

1093

00:40:07,430 --> 00:40:05,040

doing out there and toby is literally

1094

00:40:08,950 --> 00:40:07,440

crying saying dude those aren't those

1095

00:40:10,870 --> 00:40:08,960

aren't little kids those aren't little

1096

00:40:11,829 --> 00:40:10,880

kids and of course terry looks out and

1097

00:40:13,510 --> 00:40:11,839

sees

1098

00:40:15,829 --> 00:40:13,520

these little grays milling about you

1099

00:40:18,230 --> 00:40:15,839

know looking around um

1100

00:40:21,510 --> 00:40:18,240

and then as soon as they get back

1101

00:40:23,270 --> 00:40:21,520

to the base um the

1102

00:40:25,910 --> 00:40:23,280

the really awful things that they were

1103

00:40:28,230 --> 00:40:25,920

subjected to you know true serum and

1104

00:40:30,790 --> 00:40:28,240

hypnosis sessions against their will

1105

00:40:32,950 --> 00:40:30,800

and you know all of this really awful

1106

00:40:35,510 --> 00:40:32,960

stuff you know just because the military

1107

00:40:36,470 --> 00:40:35,520

thinks they can't and they know they can

1108

00:40:41,910 --> 00:40:36,480

um

1109

00:40:44,309 --> 00:40:41,920

you know was uh working with bob hopkins

1110

00:40:46,069 --> 00:40:44,319

as you know um

1111

00:40:48,470 --> 00:40:46,079

uh she

1112

00:40:49,670 --> 00:40:48,480

told me she you know it's no secret that

1113

00:40:52,470 --> 00:40:49,680

she was

1114

00:40:55,349 --> 00:40:52,480

tormented and her phone's capped and her

1115

00:40:57,430 --> 00:40:55,359

house buzzed by black helicopters uh for

1116

00:40:58,710 --> 00:40:57,440

at least two years or more

1117

00:41:03,589 --> 00:40:58,720

um

1118

00:41:05,109 --> 00:41:03,599

howe i just heard you know she was

1119

00:41:07,270 --> 00:41:05,119

talking about how her phone's been

1120

00:41:10,230 --> 00:41:07,280

tapped for years yeah so

1121

00:41:12,630 --> 00:41:10,240

i mean you know it's they're they're i i

1122

00:41:14,230 --> 00:41:12,640

don't know what the paranoia paranoia is

1123

00:41:15,910 --> 00:41:14,240

because especially in this day because

1124

00:41:17,190 --> 00:41:15,920

we're all

1125

00:41:18,550 --> 00:41:17,200

we're i mean

1126

00:41:20,950 --> 00:41:18,560

they think we're gonna sell secrets or

1127

00:41:23,270 --> 00:41:20,960

something i mean what the hell um

1128

00:41:25,510 --> 00:41:23,280

but it's just it's just interesting how

1129

00:41:27,349 --> 00:41:25,520

the government is very very interested

1130

00:41:28,710 --> 00:41:27,359

in these encounters and the people that

1131

00:41:31,910 --> 00:41:28,720

have them and

1132

00:41:33,589 --> 00:41:31,920

um we'll stop at nothing to intimidate

1133

00:41:36,309 --> 00:41:33,599

and um

1134

00:41:38,870 --> 00:41:36,319

and silence these people

1135

00:41:40,790 --> 00:41:38,880

that's true and i think you you've

1136

00:41:42,790 --> 00:41:40,800

obviously spoken with a lot of folks who

1137

00:41:44,950 --> 00:41:42,800

have had these i think you mentioned

1138

00:41:47,270 --> 00:41:44,960

some strange almost men in black

1139

00:41:50,150 --> 00:41:47,280

experiences kind of going along those

1140

00:41:52,069 --> 00:41:50,160

lines what are your thoughts of area 51

1141

00:41:54,710 --> 00:41:52,079

what are your opinions of area 51 and do

1142

00:41:58,790 --> 00:41:54,720

you think it's a real thing

1143

00:42:00,950 --> 00:41:58,800

yeah i mean anytime the government

1144

00:42:04,069 --> 00:42:00,960

is keeping a secret my dad always told

1145

00:42:06,150 --> 00:42:04,079

me this he said anytime you

1146

00:42:07,829 --> 00:42:06,160

teach something a secret it makes people

1147

00:42:10,710 --> 00:42:07,839

want to know about it more

1148

00:42:12,230 --> 00:42:10,720

and they would not be

1149

00:42:14,550 --> 00:42:12,240

i mean you you know you i'm sure you've

1150

00:42:16,870 --> 00:42:14,560

been in that area where you it's not

1151
00:42:18,710 --> 00:42:16,880
just going up to the gate and looking in

1152
00:42:20,470 --> 00:42:18,720
you can't even go within a certain mile

1153
00:42:23,750 --> 00:42:20,480
radius of the place

1154
00:42:26,309 --> 00:42:23,760
um because of the uh armed guards that

1155
00:42:30,470 --> 00:42:26,319
are you know positioned in certain areas

1156
00:42:32,870 --> 00:42:30,480
and to to warn or shoot to kill um so

1157
00:42:35,670 --> 00:42:32,880
why if there's nothing to hide why all

1158
00:42:37,510 --> 00:42:35,680
the secrecy why all of the you know the

1159
00:42:39,510 --> 00:42:37,520
armed guards and the

1160
00:42:41,430 --> 00:42:39,520
you know the standoffs and all these

1161
00:42:43,670 --> 00:42:41,440
things you know that that these guards

1162
00:42:44,550 --> 00:42:43,680
have with people uh why

1163
00:42:47,109 --> 00:42:44,560

why

1164

00:42:49,670 --> 00:42:47,119

if there's nothing to hide so there's

1165

00:42:52,390 --> 00:42:49,680

something going on what exactly i don't

1166

00:42:55,030 --> 00:42:52,400

know i can't say i've never seen it but

1167

00:42:59,430 --> 00:42:55,040

bob lazar seems to be pretty um

1168

00:43:01,349 --> 00:42:59,440

trustworthy i i believe him and um

1169

00:43:03,990 --> 00:43:01,359

i don't know i just i you know it's

1170

00:43:05,109 --> 00:43:04,000

always that thing if there's nothing to

1171

00:43:06,870 --> 00:43:05,119

hide

1172

00:43:08,150 --> 00:43:06,880

why are you hiding

1173

00:43:10,069 --> 00:43:08,160

you know what i mean if there's no

1174

00:43:11,589 --> 00:43:10,079

secrets then why are you being so

1175

00:43:13,990 --> 00:43:11,599

secretive

1176

00:43:15,829 --> 00:43:14,000

what's the deal with that it's just to

1177

00:43:17,510 --> 00:43:15,839

me it's just um

1178

00:43:20,870 --> 00:43:17,520

it's just a lot of

1179

00:43:22,470 --> 00:43:20,880

you know suspiciousness i mean again why

1180

00:43:23,910 --> 00:43:22,480

why is there why are you hiding if

1181

00:43:25,510 --> 00:43:23,920

there's nothing to hide so it's just i

1182

00:43:26,630 --> 00:43:25,520

think that their actions speak for

1183

00:43:28,550 --> 00:43:26,640

themselves

1184

00:43:30,470 --> 00:43:28,560

if there's you know people

1185

00:43:32,069 --> 00:43:30,480

um you know guarding the place within

1186

00:43:34,069 --> 00:43:32,079

your certain mile radius you can't even

1187

00:43:35,589 --> 00:43:34,079

get up to the gate i mean what does that

1188

00:43:36,790 --> 00:43:35,599

tell you they're they're they're trying

1189

00:43:38,069 --> 00:43:36,800

to protect something they're trying to

1190

00:43:39,750 --> 00:43:38,079

keep something secret they're trying to

1191

00:43:40,470 --> 00:43:39,760

hide something they don't want you to

1192

00:43:41,670 --> 00:43:40,480

know

1193

00:43:42,950 --> 00:43:41,680

and they're going to do everything they

1194

00:43:44,470 --> 00:43:42,960

can to keep you out i mean how many

1195

00:43:45,670 --> 00:43:44,480

people maybe

1196

00:43:47,670 --> 00:43:45,680

have they

1197

00:43:49,510 --> 00:43:47,680

shot on site or something you know what

1198

00:43:51,190 --> 00:43:49,520

i mean and you never you never know

1199

00:43:52,710 --> 00:43:51,200

about those things i hate to sound like

1200

00:43:54,550 --> 00:43:52,720

a conspiracy there is something like a

1201
00:43:56,790 --> 00:43:54,560
fringy kind of person but i mean that

1202
00:43:59,109 --> 00:43:56,800
you know i just don't tr again i don't

1203
00:44:03,349 --> 00:43:59,119
trust the government and anything they

1204
00:44:06,309 --> 00:44:03,359
say because there's always so much um

1205
00:44:08,230 --> 00:44:06,319
um secrecy around everything they do and

1206
00:44:09,910 --> 00:44:08,240
they're again self-serving they're

1207
00:44:11,670 --> 00:44:09,920
they're just there's

1208
00:44:13,829 --> 00:44:11,680
there's just so much going on there you

1209
00:44:17,190 --> 00:44:13,839
know i mean if the the tic tac video

1210
00:44:18,150 --> 00:44:17,200
hadn't been leaked would we even have

1211
00:44:22,069 --> 00:44:18,160
you know

1212
00:44:23,670 --> 00:44:22,079
what i mean yeah

1213
00:44:26,550 --> 00:44:23,680

and that's the thing you know it's just

1214

00:44:29,190 --> 00:44:26,560

so wild and you've

1215

00:44:31,270 --> 00:44:29,200

spoken with folks and done some research

1216

00:44:33,270 --> 00:44:31,280

i'm sure into roswell

1217

00:44:35,589 --> 00:44:33,280

and that's a perfect example what what

1218

00:44:37,349 --> 00:44:35,599

are your thoughts of what may or may not

1219

00:44:39,670 --> 00:44:37,359

have taken place back then i'm not an

1220

00:44:41,589 --> 00:44:39,680

expert on the subject i probably just

1221

00:44:43,829 --> 00:44:41,599

looked at it from a research perspective

1222

00:44:46,870 --> 00:44:43,839

but i don't know i'm trying to form an

1223

00:44:49,030 --> 00:44:46,880

opinion from a research perspective and

1224

00:44:50,870 --> 00:44:49,040

it does seem like the involvement the

1225

00:44:54,230 --> 00:44:50,880

government involvement back then was

1226

00:44:55,829 --> 00:44:54,240

very shifty back and forth and a lot of

1227

00:44:58,710 --> 00:44:55,839

disinformation what what are your

1228

00:45:00,309 --> 00:44:58,720

thoughts of the whole roswell incident

1229

00:45:02,309 --> 00:45:00,319

well i think this was one of the first

1230

00:45:05,030 --> 00:45:02,319

encounters that the government really or

1231

00:45:06,870 --> 00:45:05,040

the military really did have like they

1232

00:45:08,630 --> 00:45:06,880

this is like the first big thing

1233

00:45:10,069 --> 00:45:08,640

and they they had no dress rehearsal so

1234

00:45:11,750 --> 00:45:10,079

they were just kind of like oh shoot

1235

00:45:14,470 --> 00:45:11,760

what do we do what do we do with this

1236

00:45:16,069 --> 00:45:14,480

and so they were kind of um at a place

1237

00:45:18,550 --> 00:45:16,079

where they were like should we tell the

1238

00:45:20,230 --> 00:45:18,560

public or should we not tell the public

1239

00:45:21,750 --> 00:45:20,240

and i think this goes back to and i've

1240

00:45:24,230 --> 00:45:21,760

heard a lot of people say this abortion

1241

00:45:26,309 --> 00:45:24,240

wells word of the world

1242

00:45:28,069 --> 00:45:26,319

you know afraid of mass hysteria afraid

1243

00:45:29,910 --> 00:45:28,079

of chaos afraid of people you know

1244

00:45:31,430 --> 00:45:29,920

committing suicide and you know losing

1245

00:45:33,990 --> 00:45:31,440

their minds and just you know running

1246

00:45:35,349 --> 00:45:34,000

running amok in the streets and you know

1247

00:45:36,950 --> 00:45:35,359

um

1248

00:45:37,750 --> 00:45:36,960

how many uh

1249

00:45:40,790 --> 00:45:37,760

the

1250

00:45:41,589 --> 00:45:40,800

uh 50s b movie ufo movies have we seen

1251

00:45:43,990 --> 00:45:41,599

where

1252

00:45:45,990 --> 00:45:44,000

uh the the ufo you know these you see

1253

00:45:47,670 --> 00:45:46,000

the saucers and people are running to

1254

00:45:48,790 --> 00:45:47,680

and fro and they're screaming and you

1255

00:45:49,990 --> 00:45:48,800

know they're running and the cars are

1256

00:45:51,510 --> 00:45:50,000

running into each other you know what i

1257

00:45:53,430 --> 00:45:51,520

mean so that i think that shows you

1258

00:45:54,870 --> 00:45:53,440

right there where people's minds were

1259

00:45:56,309 --> 00:45:54,880

back then they were you know or the

1260

00:45:58,550 --> 00:45:56,319

military at least they were just scared

1261

00:46:01,270 --> 00:45:58,560

like look people are going to lose their

1262

00:46:02,950 --> 00:46:01,280

crap we cannot tell them that there's

1263

00:46:04,390 --> 00:46:02,960

aliens out there because

1264

00:46:07,270 --> 00:46:04,400

you know there's going to be massive

1265

00:46:08,950 --> 00:46:07,280

areas so um i think roswell was kind of

1266

00:46:11,910 --> 00:46:08,960

like the first big thing for the

1267

00:46:13,349 --> 00:46:11,920

military to go okay this from now on

1268

00:46:14,630 --> 00:46:13,359

it's going to be weather balloons and

1269

00:46:16,470 --> 00:46:14,640

it's going to be

1270

00:46:18,470 --> 00:46:16,480

ball lightning and it's that that's our

1271

00:46:19,829 --> 00:46:18,480

story we're going to stick to this and

1272

00:46:21,990 --> 00:46:19,839

um

1273

00:46:26,470 --> 00:46:22,000

to me when you're researching stuff like

1274

00:46:28,150 --> 00:46:26,480

this i always go to the the not for okay

1275

00:46:29,910 --> 00:46:28,160

yeah we know what the military said we

1276

00:46:32,150 --> 00:46:29,920

know that they sat there with the

1277

00:46:33,430 --> 00:46:32,160

weather balloon and they took pictures

1278

00:46:35,670 --> 00:46:33,440

and

1279

00:46:37,829 --> 00:46:35,680

but talk to the people

1280

00:46:39,030 --> 00:46:37,839

the the the other eyewitnesses and this

1281

00:46:40,870 --> 00:46:39,040

is where where i go if you're going to

1282

00:46:42,470 --> 00:46:40,880

research something talk to the people

1283

00:46:44,950 --> 00:46:42,480

that actually saw

1284

00:46:47,990 --> 00:46:44,960

the dead alien bodies or saw the actual

1285

00:46:50,150 --> 00:46:48,000

craft or um i forgot her name but it was

1286

00:46:52,230 --> 00:46:50,160

the little girl she was uh she was very

1287

00:46:54,150 --> 00:46:52,240

young at that time they had a piece of

1288

00:46:56,950 --> 00:46:54,160

the metal from one of the crafts i think

1289

00:46:59,030 --> 00:46:56,960

and she was playing with it in the the

1290

00:47:01,829 --> 00:46:59,040

sheriff's office so talk to people like

1291

00:47:03,349 --> 00:47:01,839

that who have nothing to hide who are

1292

00:47:05,030 --> 00:47:03,359

you know aren't the military aren't the

1293

00:47:06,790 --> 00:47:05,040

government and they they know what they

1294

00:47:08,790 --> 00:47:06,800

saw there you know that they were right

1295

00:47:10,710 --> 00:47:08,800

there on the ground they saw it and you

1296

00:47:12,790 --> 00:47:10,720

listen to those people listen you know

1297

00:47:14,550 --> 00:47:12,800

it's like basic psychology says listen

1298

00:47:16,230 --> 00:47:14,560

to the people that have nothing to hide

1299

00:47:17,589 --> 00:47:16,240

you know they're they're going to share

1300

00:47:19,430 --> 00:47:17,599

their stories and be like yeah this is

1301

00:47:20,870 --> 00:47:19,440

what i saw here you go

1302

00:47:22,230 --> 00:47:20,880

and you know they're not going to sit

1303

00:47:24,390 --> 00:47:22,240

there and lie to you why would they do

1304

00:47:26,549 --> 00:47:24,400

that so i don't again don't trust the

1305

00:47:28,870 --> 00:47:26,559

government don't trust their stories

1306

00:47:30,069 --> 00:47:28,880

listen to the people that actually have

1307

00:47:33,109 --> 00:47:30,079

nothing to hide they were right there

1308

00:47:34,870 --> 00:47:33,119

they saw everything and uh i i go off of

1309

00:47:35,750 --> 00:47:34,880

that you know when it comes to things

1310

00:47:37,109 --> 00:47:35,760

like this

1311

00:47:38,950 --> 00:47:37,119

absolutely

1312

00:47:40,549 --> 00:47:38,960

and you know kind of getting off the

1313

00:47:42,630 --> 00:47:40,559

government thing for a bit even though i

1314

00:47:44,790 --> 00:47:42,640

love the mib thing this is sort of along

1315

00:47:46,710 --> 00:47:44,800

those lines what are your thoughts of

1316

00:47:48,870 --> 00:47:46,720

some of these other entities that we

1317

00:47:51,190 --> 00:47:48,880

find that are quite popular paranormal

1318

00:47:52,790 --> 00:47:51,200

entities such as the hatman have you

1319

00:47:55,750 --> 00:47:52,800

come across that in your research and

1320

00:47:57,510 --> 00:47:55,760

what are your thoughts on that

1321

00:48:01,109 --> 00:47:57,520

um you know

1322

00:48:02,950 --> 00:48:01,119

this is the thing i i again i'm i'm i

1323

00:48:04,870 --> 00:48:02,960

don't really know i i don't really know

1324

00:48:07,510 --> 00:48:04,880

about this is it demonic

1325

00:48:09,270 --> 00:48:07,520

is it another kind of entity you know i

1326

00:48:11,430 --> 00:48:09,280

like i said i grew up in a

1327

00:48:13,190 --> 00:48:11,440

you know later on in sort of a more

1328

00:48:17,030 --> 00:48:13,200

christianity household where everything

1329

00:48:18,470 --> 00:48:17,040

was god or the devil that's it and if

1330

00:48:21,589 --> 00:48:18,480

there was something evil then that

1331

00:48:23,990 --> 00:48:21,599

that's it was a demon um but

1332

00:48:25,990 --> 00:48:24,000

there are i think other entities out

1333

00:48:28,309 --> 00:48:26,000

there you know what is slenderman is it

1334

00:48:31,030 --> 00:48:28,319

a tulpa you know what i mean is it is it

1335

00:48:32,870 --> 00:48:31,040

something that people have imagined um

1336

00:48:36,630 --> 00:48:32,880

is it a demon just taking a different

1337

00:48:39,750 --> 00:48:36,640

form is it um you know an entity that's

1338

00:48:41,589 --> 00:48:39,760

just unique unto itself um

1339

00:48:44,870 --> 00:48:41,599

these sorts of things are really hard to

1340

00:48:47,270 --> 00:48:44,880

to explain because again these you know

1341

00:48:48,470 --> 00:48:47,280

the sort of interdimensional world that

1342

00:48:49,910 --> 00:48:48,480

we live in

1343

00:48:51,190 --> 00:48:49,920

you know we have to start kind of

1344

00:48:53,589 --> 00:48:51,200

telling ourselves okay we're not the

1345

00:48:55,349 --> 00:48:53,599

only ones here you know and i was

1346

00:48:57,670 --> 00:48:55,359

talking to a friend the other day about

1347

00:49:00,150 --> 00:48:57,680

you know how like neurodivergent people

1348

00:49:02,950 --> 00:49:00,160

are kind of wired to see through

1349

00:49:05,990 --> 00:49:02,960

these sort of veils and you know more

1350

00:49:07,910 --> 00:49:06,000

than most people um and so

1351
00:49:10,630 --> 00:49:07,920
you know i i don't know i mean are these

1352
00:49:11,910 --> 00:49:10,640
entities again are they just unique

1353
00:49:14,069 --> 00:49:11,920
entities

1354
00:49:15,750 --> 00:49:14,079
we just i i think we're going to be

1355
00:49:17,750 --> 00:49:15,760
talking about this for many years to

1356
00:49:19,589 --> 00:49:17,760
come because i don't think we're really

1357
00:49:21,030 --> 00:49:19,599
gonna ever understand the paranormal

1358
00:49:22,790 --> 00:49:21,040
like we want

1359
00:49:24,710 --> 00:49:22,800
um you know look at look at our

1360
00:49:26,069 --> 00:49:24,720
ancestors look at the ancient celtic

1361
00:49:27,510 --> 00:49:26,079
people you know what i mean they were

1362
00:49:28,950 --> 00:49:27,520
dealing with the paranormal and they

1363
00:49:30,950 --> 00:49:28,960

were trying to figure it out and put

1364

00:49:32,549 --> 00:49:30,960

names to what they saw

1365

00:49:34,309 --> 00:49:32,559

and we're doing the same thing in this

1366

00:49:36,390 --> 00:49:34,319

age you know what i mean nothing's

1367

00:49:39,349 --> 00:49:36,400

really changed you know we're human

1368

00:49:41,510 --> 00:49:39,359

beings living this experience and when

1369

00:49:43,589 --> 00:49:41,520

something comes through those dimensions

1370

00:49:45,190 --> 00:49:43,599

or through that thin veil we're sitting

1371

00:49:46,790 --> 00:49:45,200

there like what you know and we're

1372

00:49:48,549 --> 00:49:46,800

trying to come up with a name to this

1373

00:49:50,150 --> 00:49:48,559

thing and i think we're just no

1374

00:49:51,430 --> 00:49:50,160

different than our ancestors we're going

1375

00:49:53,270 --> 00:49:51,440

to be forever

1376

00:49:55,510 --> 00:49:53,280

wondering questioning

1377

00:49:56,950 --> 00:49:55,520

talking you know milling it knowing you

1378

00:49:59,270 --> 00:49:56,960

know mulling it over

1379

00:50:01,270 --> 00:49:59,280

you know trying to figure it out again i

1380

00:50:04,230 --> 00:50:01,280

just don't know what these things are i

1381

00:50:06,549 --> 00:50:04,240

mean they have a an evil presence to

1382

00:50:09,750 --> 00:50:06,559

them a lot of them and someone would

1383

00:50:11,349 --> 00:50:09,760

immediately go up demon you know um

1384

00:50:12,950 --> 00:50:11,359

and i'm trying to kind of break myself

1385

00:50:14,790 --> 00:50:12,960

out of that you know what if it isn't a

1386

00:50:17,030 --> 00:50:14,800

demon what if there are just evil

1387

00:50:19,589 --> 00:50:17,040

entities like the one that tormented me

1388

00:50:23,349 --> 00:50:19,599

all those years um it didn't feel

1389

00:50:29,109 --> 00:50:26,150

demons have a certain energy signature

1390

00:50:31,430 --> 00:50:29,119

um i've i've seen i've been like you

1391

00:50:33,109 --> 00:50:31,440

know i've had a person who uh called my

1392

00:50:34,870 --> 00:50:33,119

mother and i used to do these sorts of

1393

00:50:35,750 --> 00:50:34,880

things uh cleansings and things like

1394

00:50:37,349 --> 00:50:35,760

that

1395

00:50:39,109 --> 00:50:37,359

and

1396

00:50:40,870 --> 00:50:39,119

you know you could feel the evil from

1397

00:50:42,390 --> 00:50:40,880

the street you know if it's in a house

1398

00:50:43,829 --> 00:50:42,400

or building you can steal it from the

1399

00:50:46,309 --> 00:50:43,839

street you know it's there and you know

1400

00:50:49,109 --> 00:50:46,319

it's a demon it's just unmistakable but

1401
00:50:51,670 --> 00:50:49,119
some of these entities aren't demons and

1402
00:50:53,270 --> 00:50:51,680
they are so very evil um they just have

1403
00:50:54,710 --> 00:50:53,280
a different energy signature so that's

1404
00:50:57,190 --> 00:50:54,720
how i i kind of know that they're

1405
00:50:59,750 --> 00:50:57,200
different but um

1406
00:51:01,910 --> 00:50:59,760
again what are they exactly i don't know

1407
00:51:03,990 --> 00:51:01,920
what spawns them what what you know

1408
00:51:06,950 --> 00:51:04,000
where do they come from or were they

1409
00:51:09,430 --> 00:51:06,960
summoned you know or did they just exist

1410
00:51:11,670 --> 00:51:09,440
are they just you know are they there

1411
00:51:14,150 --> 00:51:11,680
are evil you know beings just evil

1412
00:51:16,230 --> 00:51:14,160
beings i don't know it's one of those

1413
00:51:18,309 --> 00:51:16,240

like mysteries that the paranormal you

1414

00:51:19,510 --> 00:51:18,319

know paranormal folks like you and me

1415

00:51:20,950 --> 00:51:19,520

and everyone else we're going to be

1416

00:51:22,230 --> 00:51:20,960

discussing this for years and years to

1417

00:51:24,309 --> 00:51:22,240

come i don't think we're ever really

1418

00:51:26,069 --> 00:51:24,319

going to figure it out i agree and i

1419

00:51:27,430 --> 00:51:26,079

think that yeah these paranormal

1420

00:51:28,790 --> 00:51:27,440

entities are called

1421

00:51:31,190 --> 00:51:28,800

tons of different things and the

1422

00:51:33,430 --> 00:51:31,200

semantics is where everybody's getting

1423

00:51:36,150 --> 00:51:33,440

messed up and mixed up and

1424

00:51:38,230 --> 00:51:36,160

now you you've had demonologists on your

1425

00:51:40,150 --> 00:51:38,240

show and what kind of a job is that can

1426

00:51:41,910 --> 00:51:40,160

you tell us a little bit about um any

1427

00:51:44,549 --> 00:51:41,920

experiences you've had talking to

1428

00:51:46,069 --> 00:51:44,559

demonologists and specialists that are

1429

00:51:48,069 --> 00:51:46,079

in that uh

1430

00:51:49,990 --> 00:51:48,079

area

1431

00:51:51,750 --> 00:51:50,000

um i don't know a whole lot about it

1432

00:51:53,829 --> 00:51:51,760

even though i was in the christianity

1433

00:51:57,349 --> 00:51:53,839

sort of you know fundamentalist

1434

00:51:59,109 --> 00:51:57,359

christian you know world for a while um

1435

00:52:01,190 --> 00:51:59,119

to for what i've seen you know the the

1436

00:52:03,030 --> 00:52:01,200

demonologists um usually have a

1437

00:52:04,790 --> 00:52:03,040

religious background they they usually

1438

00:52:08,390 --> 00:52:04,800

were studying theology they were going

1439

00:52:10,710 --> 00:52:08,400

to seminary or something and um

1440

00:52:14,390 --> 00:52:10,720

they're usually you know christians or

1441

00:52:15,589 --> 00:52:14,400

catholics um and they they tend to

1442

00:52:17,030 --> 00:52:15,599

um

1443

00:52:18,710 --> 00:52:17,040

real i mean

1444

00:52:20,710 --> 00:52:18,720

apparently there's different ranks of

1445

00:52:23,349 --> 00:52:20,720

demons there's different categories and

1446

00:52:24,549 --> 00:52:23,359

there you know they all have names um

1447

00:52:27,270 --> 00:52:24,559

and you got to think about it you know

1448

00:52:29,190 --> 00:52:27,280

too i mean if demons um you know like in

1449

00:52:31,270 --> 00:52:29,200

the bible if they're truly fallen angels

1450

00:52:33,430 --> 00:52:31,280

they did have names they did have rings

1451

00:52:35,109 --> 00:52:33,440

because that's what angels have so

1452

00:52:36,870 --> 00:52:35,119

they're you know they have the same

1453

00:52:39,270 --> 00:52:36,880

abilities and the same

1454

00:52:41,109 --> 00:52:39,280

power for the most part as angels they

1455

00:52:42,870 --> 00:52:41,119

can shape shift they can do different

1456

00:52:44,790 --> 00:52:42,880

things you know i i grew up reading a

1457

00:52:47,190 --> 00:52:44,800

lot of you know a lot of good stories

1458

00:52:49,030 --> 00:52:47,200

about angels and how you know these

1459

00:52:50,630 --> 00:52:49,040

people had me like from a lot of miracle

1460

00:52:51,990 --> 00:52:50,640

stories about you know people who were

1461

00:52:54,549 --> 00:52:52,000

saying you know driving along and their

1462

00:52:56,069 --> 00:52:54,559

car broke down and they uh all of a

1463

00:52:57,750 --> 00:52:56,079

sudden this person came out of nowhere

1464

00:52:59,190 --> 00:52:57,760

and fixed the car and then they turn

1465

00:53:00,870 --> 00:52:59,200

around and that person is like totally

1466

00:53:03,270 --> 00:53:00,880

gone there's no way they could have

1467

00:53:04,549 --> 00:53:03,280

walked away so i mean stuff like that

1468

00:53:06,069 --> 00:53:04,559

you know these sort of miracle

1469

00:53:07,990 --> 00:53:06,079

encounters but then you

1470

00:53:09,510 --> 00:53:08,000

you read other stories where all of a

1471

00:53:13,589 --> 00:53:09,520

sudden a person turns around and there's

1472

00:53:15,910 --> 00:53:13,599

a you know a creepy dude who you know is

1473

00:53:17,670 --> 00:53:15,920

clearly not human you know what i mean

1474

00:53:19,109 --> 00:53:17,680

but he looks human but he's not human

1475

00:53:20,870 --> 00:53:19,119

and

1476

00:53:22,710 --> 00:53:20,880

so i think that it goes both ways i

1477

00:53:24,549 --> 00:53:22,720

think you can have good experiences with

1478

00:53:26,470 --> 00:53:24,559

angels and bad experiences with venus

1479

00:53:28,470 --> 00:53:26,480

because they have the same kind of power

1480

00:53:30,630 --> 00:53:28,480

but as far as demonologists i don't know

1481

00:53:33,190 --> 00:53:30,640

much about that and i don't really want

1482

00:53:34,790 --> 00:53:33,200

to get into it because right to me a

1483

00:53:37,349 --> 00:53:34,800

demon is a demon as a demon and the

1484

00:53:39,430 --> 00:53:37,359

demon and i've had plenty of experiences

1485

00:53:41,109 --> 00:53:39,440

with them i've had experiences with

1486

00:53:43,190 --> 00:53:41,119

really tough ones that were hard to get

1487

00:53:45,349 --> 00:53:43,200

rid of that were hard to send away they

1488

00:53:49,190 --> 00:53:45,359

were either in a person or they were in

1489

00:53:51,510 --> 00:53:49,200

a home or or on a actual like an actual

1490

00:53:53,349 --> 00:53:51,520

plot of land um

1491

00:53:55,190 --> 00:53:53,359

or um

1492

00:53:57,349 --> 00:53:55,200

just sort of like i had an encounter one

1493

00:53:59,349 --> 00:53:57,359

time it was very silly but it was it was

1494

00:54:00,630 --> 00:53:59,359

it was a demonic thing but it was i

1495

00:54:02,309 --> 00:54:00,640

don't know it just acted like i didn't

1496

00:54:04,710 --> 00:54:02,319

really know what it was doing

1497

00:54:06,710 --> 00:54:04,720

and one night i was uh i had gotten

1498

00:54:08,549 --> 00:54:06,720

pretty spiritually strong at this point

1499

00:54:11,030 --> 00:54:08,559

and i was you know not afraid of much

1500

00:54:14,150 --> 00:54:11,040

and i was just about to get into bed

1501

00:54:15,990 --> 00:54:14,160

and i saw this entity that looked

1502

00:54:17,589 --> 00:54:16,000

it was either a it was either three

1503

00:54:19,349 --> 00:54:17,599

demons or it was a three-headed demon it

1504

00:54:21,030 --> 00:54:19,359

was something but it had three heads and

1505

00:54:23,349 --> 00:54:21,040

i could barely kind of see it but i

1506

00:54:24,870 --> 00:54:23,359

could see it just enough and it just

1507

00:54:26,549 --> 00:54:24,880

kind of came through and it was trying

1508

00:54:27,910 --> 00:54:26,559

to scare me and it was like ooh we're

1509

00:54:29,990 --> 00:54:27,920

going to stay here and watch you all

1510

00:54:31,190 --> 00:54:30,000

night sleeping and isn't that is that

1511

00:54:33,430 --> 00:54:31,200

scary

1512

00:54:34,630 --> 00:54:33,440

and i was so unfazed at this point

1513

00:54:36,710 --> 00:54:34,640

because i've seen so much and been

1514

00:54:38,870 --> 00:54:36,720

through so much i was just like whatever

1515

00:54:41,190 --> 00:54:38,880

and i got into bed and i pulled the

1516

00:54:41,990 --> 00:54:41,200

covers up and i you know up to my neck

1517

00:54:45,750 --> 00:54:42,000

and i

1518

00:54:47,430 --> 00:54:45,760

but i knew

1519

00:54:49,030 --> 00:54:47,440

those demons were going to go downstairs

1520

00:54:51,109 --> 00:54:49,040

because i saw them they were like

1521

00:54:53,910 --> 00:54:51,119

completely disappointed i saw them go

1522

00:54:55,430 --> 00:54:53,920

hard and they went downstairs and i knew

1523

00:54:57,430 --> 00:54:55,440

they were going to try to bother my mom

1524

00:54:58,950 --> 00:54:57,440

and of course my mom being one of the

1525

00:55:00,549 --> 00:54:58,960

most spiritually formidable people i've

1526

00:55:02,309 --> 00:55:00,559

ever met she was not going to put up

1527

00:55:04,870 --> 00:55:02,319

with it either so sure enough in the

1528

00:55:06,390 --> 00:55:04,880

morning i walked downstairs and my mom

1529

00:55:07,670 --> 00:55:06,400

um

1530

00:55:08,950 --> 00:55:07,680

she was just like you're not gonna

1531

00:55:11,589 --> 00:55:08,960

believe what happened last night and i

1532

00:55:13,750 --> 00:55:11,599

said oh i bet i will and so she told me

1533

00:55:15,510 --> 00:55:13,760

she said there was a three-headed demon

1534

00:55:17,270 --> 00:55:15,520

or maybe a three-headed or maybe it was

1535

00:55:19,270 --> 00:55:17,280

three of them i don't know but they came

1536

00:55:21,030 --> 00:55:19,280

from upstairs and they came down here

1537

00:55:22,710 --> 00:55:21,040

trying to bother me and i i totally get

1538

00:55:25,589 --> 00:55:22,720

lost and i started laughing at her and

1539

00:55:27,270 --> 00:55:25,599

she was completely confused and i said i

1540

00:55:29,109 --> 00:55:27,280

had the same encounter i said they were

1541

00:55:30,630 --> 00:55:29,119

upstairs bothering me and i told them to

1542

00:55:32,549 --> 00:55:30,640

get lost and i came down here and i knew

1543

00:55:33,910 --> 00:55:32,559

they would bother you um and you would

1544

00:55:34,950 --> 00:55:33,920

tell them to get lost in it i've been i

1545

00:55:36,230 --> 00:55:34,960

was going to have the story in the

1546

00:55:38,870 --> 00:55:36,240

morning i just knew i saw the whole

1547

00:55:40,390 --> 00:55:38,880

thing play out so um again these were

1548

00:55:42,309 --> 00:55:40,400

demons but they clearly they were

1549

00:55:43,910 --> 00:55:42,319

newbies of some kind they just they

1550

00:55:45,349 --> 00:55:43,920

weren't scary at all it was just this

1551

00:55:48,230 --> 00:55:45,359

ridiculous thing and it was just like

1552

00:55:50,710 --> 00:55:48,240

they tried and we sent them away so i've

1553

00:55:52,710 --> 00:55:50,720

dealt with all kinds of demons i guess

1554

00:55:54,789 --> 00:55:52,720

from different ranks or what have you

1555

00:55:57,109 --> 00:55:54,799

but again i don't really understand the

1556

00:55:59,349 --> 00:55:57,119

whole demonologist world i just know

1557

00:56:01,430 --> 00:55:59,359

that a lot of the ones that i've met are

1558

00:56:03,109 --> 00:56:01,440

all um they all have like a religious

1559

00:56:04,710 --> 00:56:03,119

background

1560

00:56:07,030 --> 00:56:04,720

yeah and it's pretty cool that you were

1561

00:56:10,069 --> 00:56:07,040

able to expel them and i'll do all that

1562

00:56:11,990 --> 00:56:10,079

you know um but i agree these have

1563

00:56:14,470 --> 00:56:12,000

hi there's hierarchies of these things

1564

00:56:16,950 --> 00:56:14,480

and the people who study them have

1565

00:56:20,069 --> 00:56:16,960

delineated the hierarchies and i mean

1566

00:56:21,829 --> 00:56:20,079

this goes way back throughout history

1567

00:56:24,309 --> 00:56:21,839

and there is uh

1568

00:56:25,829 --> 00:56:24,319

i i i am fascinated by the fact that

1569

00:56:28,309 --> 00:56:25,839

they all have names as well i think

1570

00:56:28,950 --> 00:56:28,319

that's just absolutely crazy

1571

00:56:31,030 --> 00:56:28,960

and

1572

00:56:33,589 --> 00:56:31,040

kind of speaking about the demonic stuff

1573

00:56:35,829 --> 00:56:33,599

and some more recent topics what are

1574

00:56:38,069 --> 00:56:35,839

your thoughts about this recent i'm on

1575

00:56:39,990 --> 00:56:38,079

the fence about this recent travis scott

1576
00:56:43,030 --> 00:56:40,000
concert do you think this was some real

1577
00:56:45,270 --> 00:56:43,040
ritualistic symbology or what is your

1578
00:56:47,510 --> 00:56:45,280
opinion of that

1579
00:56:49,750 --> 00:56:47,520
um i don't i haven't really read much

1580
00:56:52,230 --> 00:56:49,760
into it i've only you know i'm just kind

1581
00:56:54,150 --> 00:56:52,240
of you know reading some of this stuff

1582
00:56:55,670 --> 00:56:54,160
and just heartbroken for the victims i

1583
00:56:57,510 --> 00:56:55,680
mean my god

1584
00:56:59,829 --> 00:56:57,520
it's just it was i think a lot of it was

1585
00:57:02,470 --> 00:56:59,839
poor planning really um and they were

1586
00:57:04,630 --> 00:57:02,480
warned and um you know again i'm not

1587
00:57:07,270 --> 00:57:04,640
really sure because i have been in a

1588
00:57:08,549 --> 00:57:07,280

situation several situations where i

1589

00:57:10,710 --> 00:57:08,559

have seen

1590

00:57:12,710 --> 00:57:10,720

say there was a waiting room and at the

1591

00:57:16,230 --> 00:57:12,720

dmv or something like that you know

1592

00:57:18,549 --> 00:57:16,240

where uh somebody who had clearly had

1593

00:57:20,069 --> 00:57:18,559

something on him

1594

00:57:22,150 --> 00:57:20,079

some kind of demon some kind of

1595

00:57:24,870 --> 00:57:22,160

something some kind of nasty spirit of

1596

00:57:26,549 --> 00:57:24,880

some kind came into the room and

1597

00:57:28,549 --> 00:57:26,559

whatever was on them jumped on other

1598

00:57:29,589 --> 00:57:28,559

people and kind of had an effect on

1599

00:57:31,829 --> 00:57:29,599

everybody

1600

00:57:34,630 --> 00:57:31,839

so i believe that something like that

1601
00:57:37,430 --> 00:57:34,640
could happen by seeing how one person

1602
00:57:39,670 --> 00:57:37,440
sort of creepy demonic you know presence

1603
00:57:41,190 --> 00:57:39,680
whatever's on them can jump off of them

1604
00:57:43,990 --> 00:57:41,200
and jump onto other people and affect

1605
00:57:46,309 --> 00:57:44,000
them and get them angry or uh agitated

1606
00:57:48,630 --> 00:57:46,319
or aggressive so maybe there was

1607
00:57:49,589 --> 00:57:48,640
something like that involved but um i i

1608
00:57:50,870 --> 00:57:49,599
need to talk to you more about that

1609
00:57:53,589 --> 00:57:50,880
because i actually haven't heard that

1610
00:57:55,349 --> 00:57:53,599
theory um i just heard some from like

1611
00:57:57,190 --> 00:57:55,359
the you know fairly really unfortunate

1612
00:57:58,710 --> 00:57:57,200
victim standpoint a lot of the people

1613
00:58:00,470 --> 00:57:58,720

were trying to

1614

00:58:02,549 --> 00:58:00,480

flag for help and they weren't getting

1615

00:58:04,950 --> 00:58:02,559

it so um

1616

00:58:06,950 --> 00:58:04,960

right and i mean this goes every culture

1617

00:58:10,150 --> 00:58:06,960

has some sort of

1618

00:58:12,390 --> 00:58:10,160

experience or lore going back to the

1619

00:58:15,990 --> 00:58:12,400

the romans the pharaohs the canaanites i

1620

00:58:17,990 --> 00:58:16,000

mean every every tribe in north america

1621

00:58:19,430 --> 00:58:18,000

and like you said central america and

1622

00:58:21,349 --> 00:58:19,440

most cultures

1623

00:58:24,230 --> 00:58:21,359

even the norse cultures and european

1624

00:58:26,870 --> 00:58:24,240

cultures it seems like everybody has

1625

00:58:28,630 --> 00:58:26,880

at least some experience or varying

1626
00:58:30,230 --> 00:58:28,640
opinions of what some of these entities

1627
00:58:31,430 --> 00:58:30,240
might be in

1628
00:58:33,670 --> 00:58:31,440
before we go

1629
00:58:34,630 --> 00:58:33,680
and wrap up here let me make sure and

1630
00:58:36,150 --> 00:58:34,640
have you

1631
00:58:38,150 --> 00:58:36,160
tell our listeners where they can keep

1632
00:58:40,870 --> 00:58:38,160
up with your podcast what you have going

1633
00:58:43,430 --> 00:58:40,880
on etc

1634
00:58:45,349 --> 00:58:43,440
um right now i just have the podcast on

1635
00:58:47,670 --> 00:58:45,359
youtube we're gonna put it on spotify

1636
00:58:49,349 --> 00:58:47,680
and whatnot at some point but um it's

1637
00:58:50,390 --> 00:58:49,359
just the boogeyman chronicles you just

1638
00:58:53,990 --> 00:58:50,400

type it in

1639

00:58:56,390 --> 00:58:54,000

can find it there

1640

00:58:58,309 --> 00:58:56,400

i wrote a book um called the boogeyman

1641

00:59:00,230 --> 00:58:58,319

chronicles i

1642

00:59:01,190 --> 00:59:00,240

am not officially allowed to promote it

1643

00:59:04,549 --> 00:59:01,200

until

1644

00:59:07,430 --> 00:59:04,559

uh january 1st but um but yeah i have a

1645

00:59:10,390 --> 00:59:07,440

book out detailing all of my encounters

1646

00:59:13,829 --> 00:59:10,400

um and that's pretty much it it's just

1647

00:59:15,190 --> 00:59:13,839

the the youtube page so that's awesome

1648

00:59:16,309 --> 00:59:15,200

awesome stuff

1649

00:59:18,069 --> 00:59:16,319

and

1650

00:59:19,990 --> 00:59:18,079

i can't thank you enough for coming on

1651

00:59:21,670 --> 00:59:20,000

the show i know you've been

1652

00:59:23,430 --> 00:59:21,680

busy and having a lot going on and i

1653

00:59:25,430 --> 00:59:23,440

just can't i can say that it's made my

1654

00:59:27,190 --> 00:59:25,440

week to talk to you so i'm very excited

1655

00:59:30,390 --> 00:59:27,200

to hopefully have you back on the

1656

00:59:32,390 --> 00:59:30,400

podcast again and talk soon

1657

00:59:33,589 --> 00:59:32,400

yeah absolutely um anytime just let me

1658

00:59:36,230 --> 00:59:33,599

know

1659

00:59:39,030 --> 00:59:36,240

very very cool talking with mg stevens

1660

00:59:40,390 --> 00:59:39,040

there you have it she is definitely one

1661

00:59:42,630 --> 00:59:40,400

of the best

1662

00:59:44,150 --> 00:59:42,640

people i like talking to about these

1663

00:59:46,789 --> 00:59:44,160

sorts of things because maybe it's

1664

00:59:50,309 --> 00:59:46,799

because we have such similar experiences

1665

00:59:52,230 --> 00:59:50,319

and possibly ideas about some of

1666

00:59:53,670 --> 00:59:52,240

the paranormal activity taking place

1667

00:59:55,589 --> 00:59:53,680

whether that be an

1668

00:59:58,390 --> 00:59:55,599

unidentified aerial phenomena near

1669

01:00:00,870 --> 00:59:58,400

government facilities or native american

1670

01:00:02,789 --> 01:00:00,880

lands or whether that be just things

1671

01:00:04,950 --> 01:00:02,799

that go bump in the night the boogeyman

1672

01:00:07,349 --> 01:00:04,960

chronicles is a really cool podcast i

1673

01:00:09,990 --> 01:00:07,359

highly recommend you check it out

1674

01:00:12,150 --> 01:00:10,000

and um you know i think her

1675

01:00:13,829 --> 01:00:12,160

neurodivergent

1676
01:00:15,670 --> 01:00:13,839
and

1677
01:00:16,710 --> 01:00:15,680
ability uh

1678
01:00:18,789 --> 01:00:16,720
together

1679
01:00:21,670 --> 01:00:18,799
make it very

1680
01:00:23,190 --> 01:00:21,680
interesting and she's a very apt

1681
01:00:25,030 --> 01:00:23,200
researcher in

1682
01:00:27,910 --> 01:00:25,040
getting to the bottom of some of these

1683
01:00:29,510 --> 01:00:27,920
things and not having the fear factor

1684
01:00:30,710 --> 01:00:29,520
involved she's got the guts to call it

1685
01:00:32,870 --> 01:00:30,720
what it is and

1686
01:00:34,150 --> 01:00:32,880
say what it is she thinks is going on

1687
01:00:36,950 --> 01:00:34,160
whether that be

1688
01:00:39,670 --> 01:00:36,960

government disinformation or

1689

01:00:42,470 --> 01:00:39,680

strange entities roaming

1690

01:00:45,670 --> 01:00:42,480

badlands and paranormally active

1691

01:00:47,910 --> 01:00:45,680

landscapes near portal areas she's she's

1692

01:00:50,549 --> 01:00:47,920

she's on point and just about every

1693

01:00:51,990 --> 01:00:50,559

culture has a form of it i love her take

1694

01:00:53,750 --> 01:00:52,000

on tricksters and

1695

01:00:55,589 --> 01:00:53,760

paranormal entities

1696

01:00:58,549 --> 01:00:55,599

and um

1697

01:01:00,390 --> 01:00:58,559

the stories she told about her own

1698

01:01:01,910 --> 01:01:00,400

experiences are just mind-blowing can't

1699

01:01:04,309 --> 01:01:01,920

wait to have her back especially to

1700

01:01:06,470 --> 01:01:04,319

discuss this new book of hers coming out

1701

01:01:08,950 --> 01:01:06,480

and i think that would be a real treat

1702

01:01:11,270 --> 01:01:08,960

thank you so much for everyone listening

1703

01:01:13,349 --> 01:01:11,280

in and until next time keep your eyes to

1704

01:01:23,930 --> 01:01:13,359

the skies feet on the ground but don't

1705

01:01:35,430 --> 01:01:32,630

[Music]

1706

01:01:48,710 --> 01:01:35,440

come blast off in my time machine third

1707

01:01:51,190 --> 01:01:49,910

blast off
