

**Erik**  
**Awakening**  
**Man**

Underground bases,  
UFOs, Petroglyphs,  
and Reptilians

**HERO**

1  
00:00:01,920 --> 00:00:16,670

hey

2  
00:00:16,680 --> 00:00:28,710

[Music]

3  
00:00:28,720 --> 00:00:33,890

machine

4  
00:00:33,900 --> 00:00:37,590

[Music]

5  
00:00:42,470 --> 00:00:40,549  
blast off on another episode of hero

6  
00:00:44,630 --> 00:00:42,480  
paranormal podcast

7  
00:00:47,510 --> 00:00:44,640  
broadcasting from the base at la madre

8  
00:00:49,029 --> 00:00:47,520  
mountain just south of area 51.

9  
00:00:51,750 --> 00:00:49,039  
my name is ryan

10  
00:00:55,189 --> 00:00:51,760  
the original overseer of the air waves

11  
00:00:57,750 --> 00:00:55,199  
bringing you an epic episode today

12  
00:01:00,310 --> 00:00:57,760  
on today's podcast we have eric

13  
00:01:03,110 --> 00:01:00,320

awakening man of the awakening man

14

00:01:06,070 --> 00:01:03,120

podcast a great podcast that just went

15

00:01:08,310 --> 00:01:06,080

on a deep dive with richard dodie

16

00:01:09,590 --> 00:01:08,320

highly recommend checking it out in your

17

00:01:11,670 --> 00:01:09,600

spare time

18

00:01:13,750 --> 00:01:11,680

we are going to go into a bunch of stuff

19

00:01:16,149 --> 00:01:13,760

today i will ask him his opinion on

20

00:01:18,870 --> 00:01:16,159

current conspiracies

21

00:01:20,630 --> 00:01:18,880

and hopefully get him to tell uh one of

22

00:01:22,550 --> 00:01:20,640

my favorite sasquatch stories of all

23

00:01:24,310 --> 00:01:22,560

time and maybe a few others

24

00:01:27,190 --> 00:01:24,320

but can't promise on the second one

25

00:01:30,469 --> 00:01:27,200

that's entirely up to him and aside from

26  
00:01:32,310 --> 00:01:30,479  
the podcast life eric awakening man also

27  
00:01:33,670 --> 00:01:32,320  
goes out in the field

28  
00:01:36,149 --> 00:01:33,680  
quite often

29  
00:01:38,310 --> 00:01:36,159  
which he is out in the field today a guy

30  
00:01:40,230 --> 00:01:38,320  
who really gets out there and checks

31  
00:01:42,469 --> 00:01:40,240  
everything out checks the stuff out on

32  
00:01:43,350 --> 00:01:42,479  
his own goes to the conferences goes to

33  
00:01:45,429 --> 00:01:43,360  
the

34  
00:01:47,749 --> 00:01:45,439  
places of high strangeness eric

35  
00:01:50,550 --> 00:01:47,759  
awakening man welcome to the hero

36  
00:01:52,310 --> 00:01:50,560  
paranormal podcast

37  
00:01:54,870 --> 00:01:52,320  
awesome thanks for having me on ryan i'm

38  
00:01:57,270 --> 00:01:54,880

excited to talk to you today

39

00:01:59,270 --> 00:01:57,280

yeah it's gonna be great um we are gonna

40

00:02:01,350 --> 00:01:59,280

get into all kinds of stuff i hope today

41

00:02:04,550 --> 00:02:01,360

and uh where are you just so our

42

00:02:07,109 --> 00:02:04,560

listeners know where are you at uh today

43

00:02:09,669 --> 00:02:07,119

i'm in new mexico uh at the

44

00:02:11,510 --> 00:02:09,679

national petroglyph monument which uh

45

00:02:13,589 --> 00:02:11,520

after this conversation i'm going to get

46

00:02:15,430 --> 00:02:13,599

out and take about a half a mile hike up

47

00:02:18,470 --> 00:02:15,440

into the mountains here and uh

48

00:02:19,430 --> 00:02:18,480

i i have i've seen many petroglyphs all

49

00:02:22,229 --> 00:02:19,440

over

50

00:02:25,110 --> 00:02:22,239

nevada and new mexico and arizona i've

51  
00:02:27,190 --> 00:02:25,120  
probably been to at least 10 different

52  
00:02:29,510 --> 00:02:27,200  
really good spots and it's it's

53  
00:02:31,509 --> 00:02:29,520  
interesting because sometimes you'll see

54  
00:02:33,030 --> 00:02:31,519  
a lot of this symbols that are similar i

55  
00:02:34,470 --> 00:02:33,040  
mean they'll be almost identical but

56  
00:02:36,470 --> 00:02:34,480  
then sometimes you'll come across

57  
00:02:38,309 --> 00:02:36,480  
symbols like we did when we were out

58  
00:02:40,790 --> 00:02:38,319  
there in the red rocks uh in summerlin

59  
00:02:42,710 --> 00:02:40,800  
that i hadn't seen before so it's always

60  
00:02:44,150 --> 00:02:42,720  
interesting to you know it's like a when

61  
00:02:45,430 --> 00:02:44,160  
you explore these things you never know

62  
00:02:46,869 --> 00:02:45,440  
what you're going to see until you get

63  
00:02:48,869 --> 00:02:46,879

there and then just to imagine what

64

00:02:50,790 --> 00:02:48,879

these things mean and what these people

65

00:02:53,030 --> 00:02:50,800

were trying to communicate

66

00:02:54,949 --> 00:02:53,040

uh you know it's fascinating to me and

67

00:02:57,589 --> 00:02:54,959

to use i'm sure as well

68

00:02:59,910 --> 00:02:57,599

right i mean just to think not not only

69

00:03:01,350 --> 00:02:59,920

were people out there inscribing these

70

00:03:04,070 --> 00:03:01,360

and creating these petroglyphs and

71

00:03:06,390 --> 00:03:04,080

pictographs but what were they trying to

72

00:03:08,949 --> 00:03:06,400

like you said i mean does this in my

73

00:03:10,550 --> 00:03:08,959

opinion this has a lot of different uh

74

00:03:12,550 --> 00:03:10,560

paths we can go down do you think there

75

00:03:14,710 --> 00:03:12,560

is an extraterrestrial connection or

76

00:03:15,830 --> 00:03:14,720

maybe intra-terrestrial

77

00:03:16,869 --> 00:03:15,840

oh 100

78

00:03:19,589 --> 00:03:16,879

i mean

79

00:03:21,270 --> 00:03:19,599

just by the shape of these uh these

80

00:03:22,869 --> 00:03:21,280

you know bipedal

81

00:03:24,550 --> 00:03:22,879

symbols i mean you've got arms you've

82

00:03:25,910 --> 00:03:24,560

got legs sometimes you've got big heads

83

00:03:27,589 --> 00:03:25,920

with antennas coming out of them

84

00:03:29,589 --> 00:03:27,599

sometimes you've got tails

85

00:03:30,229 --> 00:03:29,599

coming out of the backside some of them

86

00:03:33,750 --> 00:03:30,239

are

87

00:03:36,149 --> 00:03:33,760

mean there's just a variety sometimes

88

00:03:37,750 --> 00:03:36,159

you see these spiral things and

89

00:03:40,390 --> 00:03:37,760

you i wonder if that's like you know

90

00:03:42,630 --> 00:03:40,400

some sort of dimension or portal i mean

91

00:03:44,710 --> 00:03:42,640

i don't know but uh what's interesting

92

00:03:46,630 --> 00:03:44,720

for me as i do research about

93

00:03:47,750 --> 00:03:46,640

information that that's more modern like

94

00:03:50,630 --> 00:03:47,760

stuff that's

95

00:03:52,470 --> 00:03:50,640

in today's rel that's relative today

96

00:03:53,509 --> 00:03:52,480

and then you correlate that with what

97

00:03:55,030 --> 00:03:53,519

people might have been trying to

98

00:03:56,710 --> 00:03:55,040

communicate you know

99

00:03:58,789 --> 00:03:56,720

thousands maybe millions of years ago

100

00:04:00,149 --> 00:03:58,799

and however long these petroglyphs have

101  
00:04:03,670 --> 00:04:00,159  
been there i couldn't tell you exactly

102  
00:04:05,350 --> 00:04:03,680  
but i i see a i see a storyline that

103  
00:04:07,190 --> 00:04:05,360  
that just kind of flows that it seems

104  
00:04:09,030 --> 00:04:07,200  
like the same stories have been told

105  
00:04:10,869 --> 00:04:09,040  
over and over and over again for

106  
00:04:12,630 --> 00:04:10,879  
hundreds of years and they're just told

107  
00:04:15,270 --> 00:04:12,640  
from from a different perspective from a

108  
00:04:15,990 --> 00:04:15,280  
different uh era which is fascinating to

109  
00:04:18,550 --> 00:04:16,000  
me

110  
00:04:19,909 --> 00:04:18,560  
yeah it is it's weird how

111  
00:04:23,030 --> 00:04:19,919  
you're absolutely right it's so

112  
00:04:25,670 --> 00:04:23,040  
unscripted how the um

113  
00:04:27,909 --> 00:04:25,680

the whole genre of ufos or

114

00:04:30,230 --> 00:04:27,919

you know these these machines in the sky

115

00:04:32,150 --> 00:04:30,240

or what you know other cultures call

116

00:04:33,110 --> 00:04:32,160

other things i think the semantics is

117

00:04:34,790 --> 00:04:33,120

really

118

00:04:37,270 --> 00:04:34,800

what gets everybody stuck in the mud

119

00:04:39,270 --> 00:04:37,280

once you rise above that and you realize

120

00:04:42,150 --> 00:04:39,280

okay were there things in the sky are

121

00:04:44,390 --> 00:04:42,160

they depicted are they still depicted

122

00:04:45,909 --> 00:04:44,400

and what's the correlation then you rise

123

00:04:49,670 --> 00:04:45,919

above all the muck and realize that

124

00:04:51,030 --> 00:04:49,680

there's a lot going on and

125

00:04:53,590 --> 00:04:51,040

it's it's

126

00:04:55,749 --> 00:04:53,600

it's wild it's wild

127

00:04:58,790 --> 00:04:55,759

i love it i i think it's you know some

128

00:05:00,790 --> 00:04:58,800

people i find um

129

00:05:03,990 --> 00:05:00,800

well i'll try to simplify this you know

130

00:05:06,950 --> 00:05:04,000

i'm i'm 59 years old i i think if you

131

00:05:09,029 --> 00:05:06,960

for as an example if you look at the

132

00:05:11,909 --> 00:05:09,039

the people now let's say between 20 and

133

00:05:13,510 --> 00:05:11,919

30 and then 30 and 40 and 40 and 50 and

134

00:05:14,629 --> 00:05:13,520

then even the older people i i

135

00:05:16,390 --> 00:05:14,639

personally

136

00:05:18,870 --> 00:05:16,400

i get a lot of value in having

137

00:05:21,110 --> 00:05:18,880

conversations with people you know 60 70

138

00:05:22,950 --> 00:05:21,120

80 years old because they're getting a

139

00:05:24,629 --> 00:05:22,960

vast perspective

140

00:05:25,830 --> 00:05:24,639

uh and that and today's younger

141

00:05:28,469 --> 00:05:25,840

generation

142

00:05:31,510 --> 00:05:28,479

uh they are they're they're so much more

143

00:05:33,350 --> 00:05:31,520

influenced by maybe stuff that's on

144

00:05:35,510 --> 00:05:33,360

youtube for example

145

00:05:36,950 --> 00:05:35,520

i call them armchair youtube general

146

00:05:38,629 --> 00:05:36,960

researchers i mean they're not real

147

00:05:40,870 --> 00:05:38,639

researchers they just collect

148

00:05:42,710 --> 00:05:40,880

information off of youtube and then they

149

00:05:43,909 --> 00:05:42,720

use their own reasoning which is very

150

00:05:46,070 --> 00:05:43,919

limited that doesn't mean they're not

151  
00:05:47,670 --> 00:05:46,080  
intelligent it just means that they

152  
00:05:49,990 --> 00:05:47,680  
haven't actually gone out and talked to

153  
00:05:52,230 --> 00:05:50,000  
people or actually gone out and spent a

154  
00:05:54,870 --> 00:05:52,240  
night looking in the sky or going to

155  
00:05:57,670 --> 00:05:54,880  
these spots and once for me personally

156  
00:05:59,110 --> 00:05:57,680  
once you experience these things not by

157  
00:06:01,029 --> 00:05:59,120  
reading about it or listening to

158  
00:06:02,550 --> 00:06:01,039  
somebody else's story but if you can

159  
00:06:04,870 --> 00:06:02,560  
actually get yourself to an area where

160  
00:06:07,110 --> 00:06:04,880  
you can have experiences then the bigger

161  
00:06:09,189 --> 00:06:07,120  
picture starts to become more clear and

162  
00:06:11,110 --> 00:06:09,199  
it's easier to believe these stories but

163  
00:06:13,350 --> 00:06:11,120

uh anyway so that's what i try to do i

164

00:06:15,189 --> 00:06:13,360

try to i try to find information and

165

00:06:17,830 --> 00:06:15,199

content that i can share and people

166

00:06:19,430 --> 00:06:17,840

trust my my stories they're not bs i'm

167

00:06:21,270 --> 00:06:19,440

not trying to fluff anything up i'm not

168

00:06:23,350 --> 00:06:21,280

trying to get rich off of any of this

169

00:06:25,270 --> 00:06:23,360

information this is a hobby to me i love

170

00:06:27,909 --> 00:06:25,280

it you know that's my perspective and

171

00:06:29,350 --> 00:06:27,919

that's the truth you are really not

172

00:06:31,270 --> 00:06:29,360

you're you're in it for all the right

173

00:06:33,510 --> 00:06:31,280

reasons and you know having been out in

174

00:06:35,350 --> 00:06:33,520

the field with you it becomes perfectly

175

00:06:37,430 --> 00:06:35,360

clear and i think you know that's what

176  
00:06:39,510 --> 00:06:37,440  
keeps people going back out in the field

177  
00:06:41,670 --> 00:06:39,520  
and you're right when when you

178  
00:06:43,430 --> 00:06:41,680  
when you experience this as you have

179  
00:06:45,350 --> 00:06:43,440  
already said

180  
00:06:48,070 --> 00:06:45,360  
you you realize that there's so many

181  
00:06:50,790 --> 00:06:48,080  
layers to what's going on

182  
00:06:52,469 --> 00:06:50,800  
yeah yeah and you know it's i i want a

183  
00:06:53,350 --> 00:06:52,479  
quick story before i tell you this quick

184  
00:06:56,150 --> 00:06:53,360  
story

185  
00:06:58,469 --> 00:06:56,160  
um but the name of our show on youtube

186  
00:07:00,230 --> 00:06:58,479  
is called altered

187  
00:07:01,909 --> 00:07:00,240  
just because you said erica waking man

188  
00:07:03,589 --> 00:07:01,919

which is my twitter name but altered is

189

00:07:04,629 --> 00:07:03,599

if you if someone is listening right now

190

00:07:06,469 --> 00:07:04,639

and they want to

191

00:07:09,350 --> 00:07:06,479

go and watch the youtube you might have

192

00:07:10,870 --> 00:07:09,360

to type in mini coaches altered but we

193

00:07:13,510 --> 00:07:10,880

are out there and if you're on twitter

194

00:07:15,350 --> 00:07:13,520

you could find it at awakening man and

195

00:07:18,550 --> 00:07:15,360

but anyway yeah so i spent the last two

196

00:07:19,909 --> 00:07:18,560

days with richard dodie um he invited me

197

00:07:21,749 --> 00:07:19,919

actually to his house i was there

198

00:07:22,950 --> 00:07:21,759

yesterday morning and i was anticipating

199

00:07:25,110 --> 00:07:22,960

was just going to be a couple hours

200

00:07:26,309 --> 00:07:25,120

we're going to hang out and talk because

201  
00:07:28,629 --> 00:07:26,319  
he and i

202  
00:07:30,230 --> 00:07:28,639  
i could say this now publicly that he

203  
00:07:33,430 --> 00:07:30,240  
and i are actually going to do a radio

204  
00:07:35,909 --> 00:07:33,440  
show together that is so cool that is so

205  
00:07:38,309 --> 00:07:35,919  
awesome it's very cool because uh i i

206  
00:07:40,469 --> 00:07:38,319  
wanted to know from him okay because he

207  
00:07:42,150 --> 00:07:40,479  
has a lot of information that he worked

208  
00:07:44,790 --> 00:07:42,160  
for hal put off i mean he knows kit

209  
00:07:47,029 --> 00:07:44,800  
green he knows he knows the top people

210  
00:07:48,230 --> 00:07:47,039  
in the field that that we can't get to

211  
00:07:49,430 --> 00:07:48,240  
personally you and i we're not going to

212  
00:07:51,029 --> 00:07:49,440  
get to these people and if we could

213  
00:07:52,869 --> 00:07:51,039

they're not going to tell us anything

214

00:07:54,550 --> 00:07:52,879

but he's worked for these people he

215

00:07:55,510 --> 00:07:54,560

knows the information he knows what's

216

00:07:56,790 --> 00:07:55,520

real

217

00:07:58,710 --> 00:07:56,800

uh and and

218

00:08:00,950 --> 00:07:58,720

during our conversation uh one of the

219

00:08:03,189 --> 00:08:00,960

things i was asking him about

220

00:08:04,070 --> 00:08:03,199

is the you know the aliens at area 51. i

221

00:08:05,990 --> 00:08:04,080

mean

222

00:08:07,830 --> 00:08:06,000

you probably heard the stories

223

00:08:09,510 --> 00:08:07,840

and uh you know recently he was on a

224

00:08:12,230 --> 00:08:09,520

radio show and he was talking about an

225

00:08:15,589 --> 00:08:12,240

alien that was at area 51 that escaped

226

00:08:17,909 --> 00:08:15,599

and uh it somehow got off to off the uh

227

00:08:20,070 --> 00:08:17,919

off the groom lake facility whichever

228

00:08:22,390 --> 00:08:20,080

one it was at i don't know but then it

229

00:08:24,230 --> 00:08:22,400

was able to get into the property and a

230

00:08:25,749 --> 00:08:24,240

ranch on the other side of the mountain

231

00:08:27,990 --> 00:08:25,759

range which would have been near the

232

00:08:29,670 --> 00:08:28,000

extraterrestrial highway and this was a

233

00:08:31,990 --> 00:08:29,680

long time ago we're talking probably i'm

234

00:08:33,350 --> 00:08:32,000

going to guess like 30 or 40 years ago

235

00:08:34,389 --> 00:08:33,360

i don't remember the exact date this

236

00:08:36,550 --> 00:08:34,399

happened but

237

00:08:37,509 --> 00:08:36,560

uh some rancher apparently saw this

238

00:08:40,469 --> 00:08:37,519

being

239

00:08:41,829 --> 00:08:40,479

and shot it and killed it and so but so

240

00:08:44,149 --> 00:08:41,839

i didn't believe the story but i didn't

241

00:08:46,630 --> 00:08:44,159

disbelieve it yeah i try to keep an open

242

00:08:47,350 --> 00:08:46,640

mind but but what i said to dodie was i

243

00:08:49,590 --> 00:08:47,360

said

244

00:08:50,710 --> 00:08:49,600

uh you know i did a twitter poll i

245

00:08:52,470 --> 00:08:50,720

because every other people that were

246

00:08:54,550 --> 00:08:52,480

listening to the story and i said you

247

00:08:56,230 --> 00:08:54,560

know who believes the story yes or no

248

00:08:58,310 --> 00:08:56,240

and eighty percent of the people didn't

249

00:08:59,910 --> 00:08:58,320

believe the story right and i just like

250

00:09:01,110 --> 00:08:59,920

and i tell dodie i said you know i said

251

00:09:03,030 --> 00:09:01,120

i'm not saying i don't believe your

252

00:09:07,430 --> 00:09:03,040

story but most of the people do not

253

00:09:09,110 --> 00:09:07,440

believe her story and so at his house

254

00:09:11,030 --> 00:09:09,120

he pulls out you know he opens up his

255

00:09:12,630 --> 00:09:11,040

computer and he's got documents there

256

00:09:14,550 --> 00:09:12,640

and he says now i can't let you look at

257

00:09:16,630 --> 00:09:14,560

all this i can let you glance at it you

258

00:09:19,350 --> 00:09:16,640

can kind of see a few things but some of

259

00:09:21,030 --> 00:09:19,360

this is classified information oh man

260

00:09:22,949 --> 00:09:21,040

and i said i said well can i take a

261

00:09:24,949 --> 00:09:22,959

picture of something

262

00:09:26,790 --> 00:09:24,959

but just so i can if i ever want to tell

263

00:09:28,230 --> 00:09:26,800

somebody that here here look at this i

264

00:09:30,310 --> 00:09:28,240

mean i'm not making this up here's some

265

00:09:32,630 --> 00:09:30,320

pictures of the documents just so you

266

00:09:34,310 --> 00:09:32,640

know that i didn't make this up and so

267

00:09:35,509 --> 00:09:34,320

he did allow me to take some pictures

268

00:09:37,509 --> 00:09:35,519

but uh

269

00:09:38,949 --> 00:09:37,519

but but then he said to me you know he's

270

00:09:40,790 --> 00:09:38,959

an easy guy to talk to actually if he

271

00:09:42,470 --> 00:09:40,800

trusts you and he likes you he will he

272

00:09:44,710 --> 00:09:42,480

will chat with you very openly and

273

00:09:45,750 --> 00:09:44,720

candidly and so at one point when i when

274

00:09:46,949 --> 00:09:45,760

i was telling him you know i don't

275

00:09:49,030 --> 00:09:46,959

people don't believe that there's a

276

00:09:50,870 --> 00:09:49,040

there were he goes no eric i don't know

277

00:09:53,110 --> 00:09:50,880

if there's aliens there now

278

00:09:54,949 --> 00:09:53,120

but i promise you he goes i will he goes

279

00:09:56,150 --> 00:09:54,959

i will never lie to you and he looked me

280

00:09:57,750 --> 00:09:56,160

right in the eye and i know some people

281

00:09:59,350 --> 00:09:57,760

are thinking oh well that's what he's

282

00:10:01,190 --> 00:09:59,360

that's his job he's you know he worked

283

00:10:04,389 --> 00:10:01,200

in intelligence he's a misinformant

284

00:10:07,350 --> 00:10:04,399

agent well maybe 30 years ago true but

285

00:10:09,110 --> 00:10:07,360

but i don't think that i see no agenda i

286

00:10:10,949 --> 00:10:09,120

see no reason why

287

00:10:13,269 --> 00:10:10,959

he there's no benefit for him

288

00:10:14,870 --> 00:10:13,279

financially or any reason i can imagine

289

00:10:17,110 --> 00:10:14,880

why he would want to just make stuff up

290

00:10:18,790 --> 00:10:17,120

just to impress me he doesn't strike me

291

00:10:20,230 --> 00:10:18,800

as the kind of guy that's got the kind

292

00:10:22,790 --> 00:10:20,240

of ego where he's trying to impress

293

00:10:25,590 --> 00:10:22,800

people with bs stories right

294

00:10:27,509 --> 00:10:25,600

but uh but but aliens uh

295

00:10:30,389 --> 00:10:27,519

they're real they exist they're they're

296

00:10:32,870 --> 00:10:30,399

not only visiting but they're here

297

00:10:34,790 --> 00:10:32,880

but i mean i believe that 100 i can't

298

00:10:39,670 --> 00:10:34,800

prove it to you i haven't met one but

299

00:10:42,150 --> 00:10:41,030

i'll go ahead and comment and i'll tell

300

00:10:44,150 --> 00:10:42,160

you another story if you want to talk

301  
00:10:46,790 --> 00:10:44,160  
about uh something else i can i can go

302  
00:10:48,630 --> 00:10:46,800  
go for hours about this stuff yeah yeah

303  
00:10:50,550 --> 00:10:48,640  
no i love it and that's kind of the

304  
00:10:53,110 --> 00:10:50,560  
circle of information i'm trying to get

305  
00:10:55,829 --> 00:10:53,120  
into is this extraterrestrial or

306  
00:10:57,670 --> 00:10:55,839  
ultra-terrestrial like these entities

307  
00:11:00,550 --> 00:10:57,680  
that have been here for millennia and

308  
00:11:03,350 --> 00:11:00,560  
have been described for millennia and

309  
00:11:05,190 --> 00:11:03,360  
how people do describe them differently

310  
00:11:07,190 --> 00:11:05,200  
but i mean even in the bible they have

311  
00:11:09,670 --> 00:11:07,200  
you know when jesus is born you have

312  
00:11:10,790 --> 00:11:09,680  
this alien well this angel excuse me

313  
00:11:12,470 --> 00:11:10,800

come down

314

00:11:14,389 --> 00:11:12,480

and it

315

00:11:16,949 --> 00:11:14,399

quite literally is scaring all of the

316

00:11:17,990 --> 00:11:16,959

shepherds and you have all of this

317

00:11:19,750 --> 00:11:18,000

sky

318

00:11:21,750 --> 00:11:19,760

slash craft

319

00:11:24,150 --> 00:11:21,760

stuff mixed in wheel in the sky with

320

00:11:26,550 --> 00:11:24,160

ezeiel and not just to get on the

321

00:11:28,949 --> 00:11:26,560

biblical stuff this is in every culture

322

00:11:31,430 --> 00:11:28,959

and in all of the old texts and even on

323

00:11:33,430 --> 00:11:31,440

the rock walls where how how are they

324

00:11:34,230 --> 00:11:33,440

here already i can't wait to go into

325

00:11:35,590 --> 00:11:34,240

this

326

00:11:37,430 --> 00:11:35,600

well um

327

00:11:39,670 --> 00:11:37,440

again this is just based on my opinion

328

00:11:41,269 --> 00:11:39,680

on my own research uh

329

00:11:43,110 --> 00:11:41,279

well one of the reasons why i did this

330

00:11:46,790 --> 00:11:43,120

show altered with the with my co-host

331

00:11:49,030 --> 00:11:46,800

vinnie coaches that's k-o-c-s-i-s

332

00:11:50,790 --> 00:11:49,040

she wrote a book uh several years ago uh

333

00:11:52,710 --> 00:11:50,800

called cult child and it was it's based

334

00:11:54,629 --> 00:11:52,720

on a true story of her life

335

00:11:57,590 --> 00:11:54,639

uh when she was three years old she was

336

00:12:00,389 --> 00:11:57,600

taken into a a cult it was a religious

337

00:12:03,110 --> 00:12:00,399

cult and they were taken to an island in

338

00:12:05,590 --> 00:12:03,120

alaska where he was raised there and

339

00:12:07,190 --> 00:12:05,600

had some many horrific experiences but

340

00:12:09,269 --> 00:12:07,200

for whatever reason

341

00:12:11,190 --> 00:12:09,279

um one of the things that the people

342

00:12:13,350 --> 00:12:11,200

that were running this cult

343

00:12:14,870 --> 00:12:13,360

were taking her to this base and she

344

00:12:16,710 --> 00:12:14,880

told me where the base is she wants to

345

00:12:17,509 --> 00:12:16,720

go back out there she wants to prove to

346

00:12:19,190 --> 00:12:17,519

me

347

00:12:21,509 --> 00:12:19,200

that what the story that she writes

348

00:12:23,590 --> 00:12:21,519

about uh is true and she says that they

349

00:12:25,750 --> 00:12:23,600

took her to this i call it a base but

350

00:12:27,430 --> 00:12:25,760

whatever it is it's an underground uh

351

00:12:28,710 --> 00:12:27,440

location in a mountain what's you know

352

00:12:30,470 --> 00:12:28,720

we always hear these stories about

353

00:12:33,030 --> 00:12:30,480

underground locations and mountains and

354

00:12:35,030 --> 00:12:33,040

uh quite frankly i believe very firmly

355

00:12:38,069 --> 00:12:35,040

that there are non-human

356

00:12:41,110 --> 00:12:38,079

uh entities or intelligences that are in

357

00:12:43,110 --> 00:12:41,120

the earth i believe in that personally

358

00:12:45,269 --> 00:12:43,120

and he said that she interacted with

359

00:12:46,949 --> 00:12:45,279

this being she calls it a gray

360

00:12:48,310 --> 00:12:46,959

because it was kind of gray in color and

361

00:12:51,269 --> 00:12:48,320

had kind of

362

00:12:53,110 --> 00:12:51,279

the larger head but in her case the eyes

363

00:12:55,030 --> 00:12:53,120

were not the large almond eyes they were

364

00:12:57,269 --> 00:12:55,040

more standard kind of human shaped eyes

365

00:12:59,190 --> 00:12:57,279

maybe slightly between the almond and

366

00:13:00,550 --> 00:12:59,200

the human eyes not not quite as you know

367

00:13:02,949 --> 00:13:00,560

what i'm saying they're just different

368

00:13:05,430 --> 00:13:02,959

right and she said her experience

369

00:13:07,750 --> 00:13:05,440

uh with this being uh was very loving

370

00:13:09,670 --> 00:13:07,760

and it was a positive experience and

371

00:13:11,750 --> 00:13:09,680

and so i and then uh

372

00:13:13,269 --> 00:13:11,760

sidestep here real quick uh at breakfast

373

00:13:14,949 --> 00:13:13,279

this morning i was talking to richard

374

00:13:16,230 --> 00:13:14,959

and we were i was you know well here's

375

00:13:17,829 --> 00:13:16,240

how it works with research and you

376

00:13:19,590 --> 00:13:17,839

probably know this is uh

377

00:13:21,110 --> 00:13:19,600

if you go out and you do research and

378

00:13:23,110 --> 00:13:21,120

you find information and then you're

379

00:13:24,389 --> 00:13:23,120

able to maybe confirm or verify it as

380

00:13:25,910 --> 00:13:24,399

best as you can

381

00:13:27,430 --> 00:13:25,920

and then you let's say you form an

382

00:13:28,790 --> 00:13:27,440

opinion that you believe it

383

00:13:30,230 --> 00:13:28,800

and then so now you've got like a

384

00:13:31,829 --> 00:13:30,240

treasure trove of stories and

385

00:13:33,829 --> 00:13:31,839

information so then you come across a

386

00:13:35,590 --> 00:13:33,839

guy like rick dodie for example and

387

00:13:37,990 --> 00:13:35,600

you're and you're talking and you start

388

00:13:40,069 --> 00:13:38,000

and i so i'm sharing this stuff with him

389

00:13:42,069 --> 00:13:40,079

and so he's like shaking his head saying

390

00:13:43,509 --> 00:13:42,079

yeah he goes that's true and i'm like i

391

00:13:46,150 --> 00:13:43,519

don't think he's not just stroking my

392

00:13:47,430 --> 00:13:46,160

ego and so what it does is it prompts

393

00:13:50,389 --> 00:13:47,440

him then

394

00:13:52,310 --> 00:13:50,399

to tell me a story that corroborates the

395

00:13:54,550 --> 00:13:52,320

story that i just told him so here we

396

00:13:56,870 --> 00:13:54,560

are back and forth for six hours

397

00:13:59,670 --> 00:13:56,880

sharing stories but his toys trust me

398

00:14:01,430 --> 00:13:59,680

are way more impressive than mine

399

00:14:03,350 --> 00:14:01,440

oh i don't know yours are pretty good

400

00:14:05,509 --> 00:14:03,360

he's had the real experiences he worked

401  
00:14:06,389 --> 00:14:05,519  
at area 51 he was out there i mean he

402  
00:14:07,990 --> 00:14:06,399  
grew up

403  
00:14:09,910 --> 00:14:08,000  
anyway yeah i can go ramble on and on

404  
00:14:11,829 --> 00:14:09,920  
and on but yeah they're here uh some of

405  
00:14:12,870 --> 00:14:11,839  
them i think are here for a good

406  
00:14:14,069 --> 00:14:12,880  
reason

407  
00:14:15,990 --> 00:14:14,079  
um

408  
00:14:17,670 --> 00:14:16,000  
the whole reptilian thing uh you know

409  
00:14:20,069 --> 00:14:17,680  
i've been i've been up and down the

410  
00:14:21,750 --> 00:14:20,079  
ladder on that on that story i i tend to

411  
00:14:24,230 --> 00:14:21,760  
believe that uh

412  
00:14:25,670 --> 00:14:24,240  
there is some type well some sources

413  
00:14:27,829 --> 00:14:25,680

that i've talked to or i'm pretty

414

00:14:28,710 --> 00:14:27,839

convinced that they probably telling the

415

00:14:30,150 --> 00:14:28,720

truth

416

00:14:32,310 --> 00:14:30,160

that there are different types of

417

00:14:33,990 --> 00:14:32,320

reptilians and then these uh maybe

418

00:14:35,990 --> 00:14:34,000

they're not all bad but there are a few

419

00:14:39,030 --> 00:14:36,000

of them that are don't have the best

420

00:14:41,189 --> 00:14:39,040

interest of mankind uh in their agenda

421

00:14:43,829 --> 00:14:41,199

and so we're we do have this kind of yin

422

00:14:46,230 --> 00:14:43,839

and yang thing going with uh with humans

423

00:14:48,629 --> 00:14:46,240

and and and et's of various types that

424

00:14:49,990 --> 00:14:48,639

are you know maybe here to help humanity

425

00:14:51,829 --> 00:14:50,000

and maybe others that are trying to

426  
00:14:53,829 --> 00:14:51,839  
break humanity down and then that could

427  
00:14:55,990 --> 00:14:53,839  
spin off into all sorts of conspiracy

428  
00:14:57,829 --> 00:14:56,000  
fantasies which may or may not be true i

429  
00:15:00,790 --> 00:14:57,839  
try to stay away from that but i don't

430  
00:15:03,430 --> 00:15:00,800  
discount the possibility of any of it

431  
00:15:05,750 --> 00:15:03,440  
you know it's hard to it's hard to uh

432  
00:15:08,310 --> 00:15:05,760  
ignore it's when you start looking at it

433  
00:15:09,829 --> 00:15:08,320  
where there's smoke there's fire and

434  
00:15:11,590 --> 00:15:09,839  
like you said it's easy to go down these

435  
00:15:12,550 --> 00:15:11,600  
spiritual

436  
00:15:14,069 --> 00:15:12,560  
different

437  
00:15:15,269 --> 00:15:14,079  
you know there's there's a million ways

438  
00:15:16,949 --> 00:15:15,279

you can go from there because you're

439

00:15:19,110 --> 00:15:16,959

dealing with entities that are not our

440

00:15:21,670 --> 00:15:19,120

own and consciousness

441

00:15:23,750 --> 00:15:21,680

and uh there's all kinds of quantum

442

00:15:24,829 --> 00:15:23,760

activity involved and it really does

443

00:15:26,629 --> 00:15:24,839

seem like

444

00:15:28,389 --> 00:15:26,639

governments and

445

00:15:29,990 --> 00:15:28,399

uh

446

00:15:32,230 --> 00:15:30,000

ritual magic

447

00:15:33,990 --> 00:15:32,240

and all kinds of other things

448

00:15:38,310 --> 00:15:34,000

kind of intersect

449

00:15:40,389 --> 00:15:38,320

when it comes to this this topic um

450

00:15:41,990 --> 00:15:40,399

yeah is is there any truth what what

451  
00:15:42,949 --> 00:15:42,000  
what where where do we want to go from

452  
00:15:45,030 --> 00:15:42,959  
here

453  
00:15:46,629 --> 00:15:45,040  
um well yeah like you said the the

454  
00:15:48,230 --> 00:15:46,639  
ritual magic thing that's interesting

455  
00:15:49,670 --> 00:15:48,240  
because uh okay i'll tell you a story

456  
00:15:51,350 --> 00:15:49,680  
are you familiar with the blood cells

457  
00:15:52,949 --> 00:15:51,360  
chris bledsoe

458  
00:15:55,269 --> 00:15:52,959  
yeah absolutely

459  
00:15:57,350 --> 00:15:55,279  
okay so a couple years ago

460  
00:15:59,430 --> 00:15:57,360  
i went to a conference uh in san

461  
00:16:00,790 --> 00:15:59,440  
francisco and the reason why i went

462  
00:16:02,949 --> 00:16:00,800  
there is about four hour drive from my

463  
00:16:04,310 --> 00:16:02,959

house uh was chris bledsoe was going to

464

00:16:05,590 --> 00:16:04,320

be there and i'd heard his story i'd

465

00:16:08,790 --> 00:16:05,600

seen the the

466

00:16:11,269 --> 00:16:08,800

the the documentary that they filmed uh

467

00:16:13,189 --> 00:16:11,279

on his story and i was very intrigued by

468

00:16:14,949 --> 00:16:13,199

it and so i wanted to meet him you know

469

00:16:15,829 --> 00:16:14,959

for me it will probably for you too is

470

00:16:17,350 --> 00:16:15,839

uh

471

00:16:19,350 --> 00:16:17,360

you know you get a sense when you hear a

472

00:16:21,189 --> 00:16:19,360

story after a while if you think there's

473

00:16:23,110 --> 00:16:21,199

there could be truth to it so if you

474

00:16:24,790 --> 00:16:23,120

want to try to verify in your own mind

475

00:16:27,509 --> 00:16:24,800

how how much you want to choose to

476

00:16:28,870 --> 00:16:27,519

believe in it the best way is to try to

477

00:16:30,710 --> 00:16:28,880

if you want to be a researcher you've

478

00:16:32,310 --> 00:16:30,720

got to you've got to go out and and meet

479

00:16:33,590 --> 00:16:32,320

these people and and you better be

480

00:16:35,749 --> 00:16:33,600

prepared to be

481

00:16:37,990 --> 00:16:35,759

polite and kind and professional and

482

00:16:39,910 --> 00:16:38,000

non-judgmental because if you come with

483

00:16:41,269 --> 00:16:39,920

these people in a manner that they're

484

00:16:42,710 --> 00:16:41,279

not going to be feeling like you're

485

00:16:44,790 --> 00:16:42,720

trying to uh

486

00:16:46,389 --> 00:16:44,800

set them up for some sort of debunking

487

00:16:48,389 --> 00:16:46,399

then they'll and you and you talk to

488

00:16:50,629 --> 00:16:48,399

them like a human being would talk you

489

00:16:52,069 --> 00:16:50,639

know through their neighbor and

490

00:16:53,350 --> 00:16:52,079

they'll talk to you and they'll they'll

491

00:16:54,949 --> 00:16:53,360

share things with you and then if they

492

00:16:56,790 --> 00:16:54,959

if they start to think that okay this is

493

00:16:59,110 --> 00:16:56,800

this guy's a good guy he's all right

494

00:17:00,870 --> 00:16:59,120

he's not just some yahoo out here just

495

00:17:02,550 --> 00:17:00,880

just living in some fantasy world he's

496

00:17:04,470 --> 00:17:02,560

actually looking into this stuff he so

497

00:17:06,390 --> 00:17:04,480

they you you can establish your

498

00:17:07,669 --> 00:17:06,400

credibility by doing the research

499

00:17:09,350 --> 00:17:07,679

yourself and then when you have a

500

00:17:10,949 --> 00:17:09,360

conversation with them you're coming

501  
00:17:13,110 --> 00:17:10,959  
from some sort of perspective that they

502  
00:17:14,949 --> 00:17:13,120  
can relate to but anyway so we got chris

503  
00:17:17,110 --> 00:17:14,959  
blood so i got to meet him

504  
00:17:19,270 --> 00:17:17,120  
and it was interesting so he was hard to

505  
00:17:21,350 --> 00:17:19,280  
get to him he always had like guys

506  
00:17:23,350 --> 00:17:21,360  
around him right and i was thinking well

507  
00:17:25,350 --> 00:17:23,360  
who are these people i'm wondering i

508  
00:17:27,350 --> 00:17:25,360  
don't know who they were um i heard

509  
00:17:29,350 --> 00:17:27,360  
rumors about who they were

510  
00:17:32,789 --> 00:17:29,360  
so finally there was a moment uh where

511  
00:17:34,470 --> 00:17:32,799  
he was sitting in this area uh in lobby

512  
00:17:36,150 --> 00:17:34,480  
and he was sitting there looking at his

513  
00:17:37,430 --> 00:17:36,160

phone and there was nobody sitting

514

00:17:38,950 --> 00:17:37,440

around him and i thought oh my god

515

00:17:40,150 --> 00:17:38,960

here's my chance i just happened to be

516

00:17:42,549 --> 00:17:40,160

in the lobby i'm just going to walk up

517

00:17:44,710 --> 00:17:42,559

to him and sit down and say hi and start

518

00:17:46,870 --> 00:17:44,720

talking to him and so that's what i did

519

00:17:48,870 --> 00:17:46,880

and and uh and so i started talking to

520

00:17:50,789 --> 00:17:48,880

him and i said hey you know i i don't

521

00:17:52,870 --> 00:17:50,799

know if you know this but uh i'm i'm

522

00:17:54,870 --> 00:17:52,880

eric i'm the awakening man i'm the guy

523

00:17:56,230 --> 00:17:54,880

that contacted jimmy church and and

524

00:17:58,710 --> 00:17:56,240

suggested that

525

00:18:00,710 --> 00:17:58,720

he get you on your on his show and then

526

00:18:02,789 --> 00:18:00,720

oh yeah okay great nice to meet you in

527

00:18:04,230 --> 00:18:02,799

that whole thing and i said that was the

528

00:18:05,510 --> 00:18:04,240

first time i've been able to like see

529

00:18:07,430 --> 00:18:05,520

you where you're you don't have four

530

00:18:08,710 --> 00:18:07,440

people around you and he points over he

531

00:18:10,710 --> 00:18:08,720

goes see that guy over there he goes

532

00:18:12,470 --> 00:18:10,720

that guy's with the nsa you'll see that

533

00:18:14,150 --> 00:18:12,480

guy over there that guy's with the cia

534

00:18:16,470 --> 00:18:14,160

see that guy i mean so he's telling me

535

00:18:17,990 --> 00:18:16,480

that he's well he's protected they

536

00:18:19,430 --> 00:18:18,000

they're they don't for whatever reason

537

00:18:21,430 --> 00:18:19,440

they feel the need

538

00:18:23,750 --> 00:18:21,440

to be around this guy so to me that

539

00:18:24,950 --> 00:18:23,760

tells me that his story's legit

540

00:18:26,150 --> 00:18:24,960

otherwise they wouldn't have these

541

00:18:29,510 --> 00:18:26,160

people around them there would be no

542

00:18:32,549 --> 00:18:29,520

reason for it um so anyway so we so

543

00:18:33,990 --> 00:18:32,559

we're talking and i said uh these i said

544

00:18:35,510 --> 00:18:34,000

do you have i mean he's looking at his

545

00:18:37,830 --> 00:18:35,520

phone he's actually scrolling through

546

00:18:39,350 --> 00:18:37,840

his photos right and i'm kind of

547

00:18:41,590 --> 00:18:39,360

glancing over

548

00:18:43,510 --> 00:18:41,600

and uh i said oh i should

549

00:18:46,070 --> 00:18:43,520

look like orbs and he goes yeah he goes

550

00:18:47,750 --> 00:18:46,080

you want to see some i go absolutely

551  
00:18:49,590 --> 00:18:47,760  
so he starts showing me these orb

552  
00:18:51,510 --> 00:18:49,600  
pictures that he took at his house in

553  
00:18:53,750 --> 00:18:51,520  
north carolina and

554  
00:18:56,070 --> 00:18:53,760  
first time i'd ever seen an orb

555  
00:18:58,390 --> 00:18:56,080  
that you can literally see the outline

556  
00:19:01,590 --> 00:18:58,400  
and the speeches of of

557  
00:19:04,390 --> 00:19:01,600  
living well of beings for example one of

558  
00:19:05,990 --> 00:19:04,400  
the orbs you could see like a dog

559  
00:19:08,870 --> 00:19:06,000  
in this orb and another orb you could

560  
00:19:10,310 --> 00:19:08,880  
see a small child's face

561  
00:19:12,230 --> 00:19:10,320  
you can literally i mean this is not

562  
00:19:13,590 --> 00:19:12,240  
paradola this is

563  
00:19:14,950 --> 00:19:13,600

what i'll send these pictures to you

564

00:19:16,310 --> 00:19:14,960

when i get a chance but you'll when you

565

00:19:18,630 --> 00:19:16,320

look at him you're going to say oh [h\_\_h]

566

00:19:20,870 --> 00:19:18,640

you're not kidding right right so he had

567

00:19:22,630 --> 00:19:20,880

these amazing orb pictures and

568

00:19:25,270 --> 00:19:22,640

any you know so we got to talk in and

569

00:19:26,630 --> 00:19:25,280

that was great and so then uh

570

00:19:29,909 --> 00:19:26,640

anyway that could go on and on and on

571

00:19:31,430 --> 00:19:29,919

about that but his son ryan um i started

572

00:19:33,830 --> 00:19:31,440

communicating with ryan because i was

573

00:19:35,830 --> 00:19:33,840

kind of curious what ryan's perspective

574

00:19:37,830 --> 00:19:35,840

was and what his experiences might have

575

00:19:38,870 --> 00:19:37,840

been if they were similar or whatever

576

00:19:40,630 --> 00:19:38,880

and so i was having a little

577

00:19:41,590 --> 00:19:40,640

back-and-forth private conversation with

578

00:19:42,950 --> 00:19:41,600

him

579

00:19:44,150 --> 00:19:42,960

and um

580

00:19:45,750 --> 00:19:44,160

so i'm going to be careful how i tell

581

00:19:47,669 --> 00:19:45,760

this story because i don't know who

582

00:19:48,870 --> 00:19:47,679

listens to your show there's the one

583

00:19:51,110 --> 00:19:48,880

there's uh

584

00:19:53,110 --> 00:19:51,120

the blood cells were visited by multiple

585

00:19:54,950 --> 00:19:53,120

people from multiple agencies and some

586

00:19:57,430 --> 00:19:54,960

of the people that were visiting them

587

00:19:59,350 --> 00:19:57,440

did not want them discussing uh this

588

00:20:02,149 --> 00:19:59,360

some of their stories they wanted to

589

00:20:03,750 --> 00:20:02,159

this was this was prior to 2017 you know

590

00:20:05,750 --> 00:20:03,760

this disclosure

591

00:20:07,390 --> 00:20:05,760

uh to me has already happened but for

592

00:20:10,070 --> 00:20:07,400

the media purposes

593

00:20:11,669 --> 00:20:10,080

2017 when the when the tic tac and all

594

00:20:13,350 --> 00:20:11,679

that stuff started coming out it seemed

595

00:20:14,950 --> 00:20:13,360

like the veil kind of got pulled aside a

596

00:20:17,669 --> 00:20:14,960

little bit and more information now is

597

00:20:19,350 --> 00:20:17,679

coming out than ever before but there

598

00:20:21,350 --> 00:20:19,360

was still the group of people that the

599

00:20:23,270 --> 00:20:21,360

the certain information they just don't

600

00:20:25,350 --> 00:20:23,280

want the public to know yet

601  
00:20:27,029 --> 00:20:25,360  
um so derek's telling me uh ryan's

602  
00:20:29,190 --> 00:20:27,039  
telling me the story

603  
00:20:31,110 --> 00:20:29,200  
about there was this one particular guy

604  
00:20:32,630 --> 00:20:31,120  
who i'll tell you off the air uh he's

605  
00:20:34,390 --> 00:20:32,640  
been involved in these programs for a

606  
00:20:36,870 --> 00:20:34,400  
long time he's an older guy

607  
00:20:38,870 --> 00:20:36,880  
and he's uh his wife and he are involved

608  
00:20:40,870 --> 00:20:38,880  
in these uh

609  
00:20:43,350 --> 00:20:40,880  
well i don't want to say witchcraft but

610  
00:20:44,630 --> 00:20:43,360  
this these types of magic

611  
00:20:45,909 --> 00:20:44,640  
things yeah

612  
00:20:49,029 --> 00:20:45,919  
yeah okay

613  
00:20:51,669 --> 00:20:49,039

and he said that um they came to visit

614

00:20:53,590 --> 00:20:51,679

him and his family and uh

615

00:20:56,310 --> 00:20:53,600

they brought him a gift

616

00:20:59,590 --> 00:20:56,320

and so after they left uh he opened the

617

00:21:01,750 --> 00:20:59,600

gift and inside this box was some bones

618

00:21:04,630 --> 00:21:01,760

and it was he found it odd that that

619

00:21:05,430 --> 00:21:04,640

this lady who's married to this high up

620

00:21:07,909 --> 00:21:05,440

guy

621

00:21:09,510 --> 00:21:07,919

would leave a gift of bones

622

00:21:11,350 --> 00:21:09,520

so he didn't know what it meant he

623

00:21:12,950 --> 00:21:11,360

didn't he didn't he thought it was kind

624

00:21:14,149 --> 00:21:12,960

of weird he didn't this was we're

625

00:21:17,270 --> 00:21:14,159

talking something that happened a few

626  
00:21:18,789 --> 00:21:17,280  
years ago so he put these bones he says

627  
00:21:20,230 --> 00:21:18,799  
he left him in the box and just put him

628  
00:21:21,590 --> 00:21:20,240  
in his closet

629  
00:21:23,990 --> 00:21:21,600  
and left them there

630  
00:21:25,669 --> 00:21:24,000  
but he said that he was for whatever

631  
00:21:27,750 --> 00:21:25,679  
reason there was a certain negative

632  
00:21:28,950 --> 00:21:27,760  
energy there was a certain

633  
00:21:31,190 --> 00:21:28,960  
vibe

634  
00:21:32,470 --> 00:21:31,200  
uh that was going on

635  
00:21:34,310 --> 00:21:32,480  
i don't want to say i don't know if it

636  
00:21:36,230 --> 00:21:34,320  
was a spell or a curse i don't want to

637  
00:21:38,549 --> 00:21:36,240  
go there but something along the lines

638  
00:21:40,789 --> 00:21:38,559

of some sort of there was a shift

639

00:21:42,630 --> 00:21:40,799

in whatever was happening in his

640

00:21:45,430 --> 00:21:42,640

consciousness for example

641

00:21:47,270 --> 00:21:45,440

and so so the only reason why i found

642

00:21:48,710 --> 00:21:47,280

that out it was because

643

00:21:51,110 --> 00:21:48,720

i had heard him talking about this

644

00:21:52,230 --> 00:21:51,120

person that had been to his house and i

645

00:21:53,190 --> 00:21:52,240

said look you know i've done some

646

00:21:54,950 --> 00:21:53,200

research

647

00:21:56,549 --> 00:21:54,960

this person that you're referring to

648

00:21:58,710 --> 00:21:56,559

they've been involved in these programs

649

00:22:00,950 --> 00:21:58,720

and i told them and i said just be

650

00:22:03,350 --> 00:22:00,960

careful because uh i don't know that i

651  
00:22:05,909 --> 00:22:03,360  
trust them for you to have your best

652  
00:22:08,230 --> 00:22:05,919  
interest all right and i and he said

653  
00:22:09,909 --> 00:22:08,240  
well that's interesting you he so just

654  
00:22:11,990 --> 00:22:09,919  
because i mentioned that then he told me

655  
00:22:14,549 --> 00:22:12,000  
the story about the bones and i said i

656  
00:22:17,270 --> 00:22:14,559  
said you know i did some research i said

657  
00:22:19,110 --> 00:22:17,280  
those bones uh there's magic involved in

658  
00:22:21,110 --> 00:22:19,120  
this

659  
00:22:22,710 --> 00:22:21,120  
these are not just bones there's

660  
00:22:24,789 --> 00:22:22,720  
something tied in

661  
00:22:27,750 --> 00:22:24,799  
to whatever the purpose of you having

662  
00:22:30,789 --> 00:22:27,760  
these bones it has some sort of magic

663  
00:22:32,310 --> 00:22:30,799

connotation so i said you know why don't

664

00:22:35,110 --> 00:22:32,320

you try this why don't you just take the

665

00:22:36,870 --> 00:22:35,120

bones out of your closet and just go

666

00:22:38,630 --> 00:22:36,880

either put them away or put them out in

667

00:22:40,950 --> 00:22:38,640

the yard or just go bury them just get

668

00:22:42,870 --> 00:22:40,960

them out of your way just move them

669

00:22:44,149 --> 00:22:42,880

and he said okay i'll try that he

670

00:22:46,470 --> 00:22:44,159

thought he probably thought i was a

671

00:22:48,470 --> 00:22:46,480

little nuts but but then

672

00:22:50,310 --> 00:22:48,480

i think he did some research and he

673

00:22:51,590 --> 00:22:50,320

found out that maybe i'm not nuts and

674

00:22:52,710 --> 00:22:51,600

maybe what i was telling him that could

675

00:22:55,110 --> 00:22:52,720

be true

676  
00:22:57,029 --> 00:22:55,120  
and then like a month later he contacts

677  
00:22:58,630 --> 00:22:57,039  
me says he says you're not going to

678  
00:22:59,590 --> 00:22:58,640  
believe this but i got rid of those

679  
00:23:01,590 --> 00:22:59,600  
bones

680  
00:23:03,590 --> 00:23:01,600  
and my life has changed like a hundred

681  
00:23:05,909 --> 00:23:03,600  
percent since then he says i feel much

682  
00:23:08,310 --> 00:23:05,919  
more free i'm more happy i don't have

683  
00:23:11,190 --> 00:23:08,320  
all this negative feelings so i don't

684  
00:23:13,350 --> 00:23:11,200  
know if what i just told you it all ties

685  
00:23:15,110 --> 00:23:13,360  
together for fact but i believe that

686  
00:23:18,549 --> 00:23:15,120  
there was some sort of connection there

687  
00:23:20,549 --> 00:23:18,559  
so so yeah spells rituals

688  
00:23:22,470 --> 00:23:20,559

you know however that works there are

689

00:23:24,390 --> 00:23:22,480

people high up

690

00:23:26,710 --> 00:23:24,400

that have this knowledge about our

691

00:23:28,549 --> 00:23:26,720

visitation from various beings that

692

00:23:30,390 --> 00:23:28,559

maybe don't have the best interests of

693

00:23:33,110 --> 00:23:30,400

humanity and that's why we have this

694

00:23:34,549 --> 00:23:33,120

struggle with disclosure you know people

695

00:23:36,710 --> 00:23:34,559

why don't they just tell us we can deal

696

00:23:38,549 --> 00:23:36,720

with it but tell us aliens here tell us

697

00:23:40,789 --> 00:23:38,559

that ufos are real well there's there's

698

00:23:42,710 --> 00:23:40,799

some very powerful people that like to

699

00:23:44,470 --> 00:23:42,720

control things and they don't want the

700

00:23:45,990 --> 00:23:44,480

information out because then it kind of

701  
00:23:47,269 --> 00:23:46,000  
takes away from their power and their

702  
00:23:50,149 --> 00:23:47,279  
control

703  
00:23:52,470 --> 00:23:50,159  
i agree a hundred percent and there are

704  
00:23:54,630 --> 00:23:52,480  
a lot of higher ups that are you know

705  
00:23:55,830 --> 00:23:54,640  
you hear the rumors often of elites

706  
00:23:58,149 --> 00:23:55,840  
practicing

707  
00:24:00,230 --> 00:23:58,159  
ancient mystery religions but you know

708  
00:24:01,590 --> 00:24:00,240  
when you have the cia looking into magic

709  
00:24:03,590 --> 00:24:01,600  
and that's i kind of want to go down

710  
00:24:05,510 --> 00:24:03,600  
this path because i pulled up

711  
00:24:07,350 --> 00:24:05,520  
i can't say where i got this but this is

712  
00:24:10,149 --> 00:24:07,360  
magic perfectly explained in a

713  
00:24:11,830 --> 00:24:10,159

declassified cia document

714

00:24:12,950 --> 00:24:11,840

magic aka

715

00:24:14,870 --> 00:24:12,960

patterning

716

00:24:17,269 --> 00:24:14,880

this technique involves use of the

717

00:24:18,950 --> 00:24:17,279

consciousness to achieve desire

718

00:24:20,549 --> 00:24:18,960

objectives in the physical emotional and

719

00:24:23,190 --> 00:24:20,559

intellectual sphere

720

00:24:25,990 --> 00:24:23,200

it involves concentration on the desired

721

00:24:28,710 --> 00:24:26,000

objective while in a focus 12 state

722

00:24:30,470 --> 00:24:28,720

extension of individuals perception of

723

00:24:33,350 --> 00:24:30,480

that objective into the whole expanded

724

00:24:35,510 --> 00:24:33,360

consciousness and its projection into

725

00:24:37,510 --> 00:24:35,520

the universe with the intent that the

726

00:24:39,110 --> 00:24:37,520

desired object is already a matter of

727

00:24:41,990 --> 00:24:39,120

established achievement

728

00:24:45,190 --> 00:24:42,000

which is destined to be realized within

729

00:24:47,269 --> 00:24:45,200

the time frame specified so it's and it

730

00:24:49,590 --> 00:24:47,279

goes on and on and you know into

731

00:24:51,990 --> 00:24:49,600

expanded awareness and holograms and

732

00:24:53,590 --> 00:24:52,000

situational stuff but you get the idea

733

00:24:56,549 --> 00:24:53,600

the government is looking into this and

734

00:24:59,029 --> 00:24:56,559

has pretty much agreed that yes it is a

735

00:25:00,710 --> 00:24:59,039

real thing

736

00:25:02,870 --> 00:25:00,720

well you have you heard of the weird

737

00:25:05,590 --> 00:25:02,880

desk at the pentagon

738

00:25:08,470 --> 00:25:05,600

yes i've heard the rumor mill go off at

739

00:25:11,029 --> 00:25:08,480

pandolfe and yeah

740

00:25:12,710 --> 00:25:11,039

and i believe that kit green and hal put

741

00:25:14,230 --> 00:25:12,720

off and i'm not saying i know that for a

742

00:25:16,390 --> 00:25:14,240

fact or i can prove it or i'm trying to

743

00:25:17,990 --> 00:25:16,400

say it is back i'm just saying that

744

00:25:19,750 --> 00:25:18,000

some of the information that i've gotten

745

00:25:22,390 --> 00:25:19,760

from people that i'm connected to that

746

00:25:24,950 --> 00:25:22,400

have high up contacts of you know they

747

00:25:26,710 --> 00:25:24,960

pass this down to me and i i can't prove

748

00:25:27,750 --> 00:25:26,720

it to you or verify it but

749

00:25:29,269 --> 00:25:27,760

you know

750

00:25:30,549 --> 00:25:29,279

when you add when you take a puzzle and

751

00:25:32,310 --> 00:25:30,559

you put it on the table and you start

752

00:25:34,230 --> 00:25:32,320

putting the pieces together at some

753

00:25:35,830 --> 00:25:34,240

point you can see the picture

754

00:25:37,350 --> 00:25:35,840

you don't need every single piece of the

755

00:25:38,630 --> 00:25:37,360

puzzle to really figure things out

756

00:25:40,549 --> 00:25:38,640

sometimes you know what i'm saying

757

00:25:42,710 --> 00:25:40,559

absolutely yeah there's a there's a

758

00:25:43,830 --> 00:25:42,720

certain affinity that just it just kind

759

00:25:46,070 --> 00:25:43,840

of

760

00:25:47,750 --> 00:25:46,080

once once you have the it's connecting

761

00:25:49,269 --> 00:25:47,760

the dots really you don't need the whole

762

00:25:50,630 --> 00:25:49,279

puzzle and i think people that need the

763

00:25:53,669 --> 00:25:50,640

whole puzzle

764

00:25:54,710 --> 00:25:53,679

they just are not free thinking at all

765

00:25:56,230 --> 00:25:54,720

no

766

00:25:58,549 --> 00:25:56,240

i think they're in fear right either

767

00:26:00,789 --> 00:25:58,559

they're in fear or you know there's in

768

00:26:02,549 --> 00:26:00,799

social media i do a lot of social media

769

00:26:04,230 --> 00:26:02,559

just because sometimes i'm when i'm

770

00:26:06,149 --> 00:26:04,240

traveling around it's just i don't like

771

00:26:07,750 --> 00:26:06,159

to watch tv anymore

772

00:26:09,669 --> 00:26:07,760

so i'll just go on my social media and

773

00:26:11,990 --> 00:26:09,679

just chat with people but there's a lot

774

00:26:13,750 --> 00:26:12,000

of uh fearful people out there that are

775

00:26:15,510 --> 00:26:13,760

you know there's some trolls out there

776  
00:26:17,590 --> 00:26:15,520  
that i don't even know you know to some

777  
00:26:19,110 --> 00:26:17,600  
degree there might be people on uh

778  
00:26:21,430 --> 00:26:19,120  
whether it's twitter or facebook or

779  
00:26:22,870 --> 00:26:21,440  
whatever that that maybe they're they're

780  
00:26:25,430 --> 00:26:22,880  
potentially they're just working for

781  
00:26:27,029 --> 00:26:25,440  
some agency that designed this to just

782  
00:26:29,510 --> 00:26:27,039  
put negative information out there

783  
00:26:31,110 --> 00:26:29,520  
misinformation or disinformation but i

784  
00:26:33,190 --> 00:26:31,120  
could usually figure out pretty easily

785  
00:26:34,630 --> 00:26:33,200  
if i'm talking like a real person or if

786  
00:26:36,950 --> 00:26:34,640  
i'm talking to somebody that might just

787  
00:26:38,390 --> 00:26:36,960  
be trying to to kind of affect the

788  
00:26:40,070 --> 00:26:38,400

narrative and trying to get me to look

789

00:26:41,669 --> 00:26:40,080

at things from a different perspective

790

00:26:43,750 --> 00:26:41,679

kind of throwing me off my game so to

791

00:26:46,390 --> 00:26:43,760

speak but yeah i mean there's a lot of

792

00:26:48,310 --> 00:26:46,400

trolls out there that uh that just where

793

00:26:49,750 --> 00:26:48,320

their mindset is such that uh they don't

794

00:26:51,990 --> 00:26:49,760

want to believe it

795

00:26:54,470 --> 00:26:52,000

they're still stuck in the in the 70s or

796

00:26:57,590 --> 00:26:54,480

in the 60s mindset of uh it's it's all

797

00:27:00,070 --> 00:26:57,600

sort of laughable it's it's ridiculous

798

00:27:01,669 --> 00:27:00,080

it can you know then what they'll do is

799

00:27:03,830 --> 00:27:01,679

let's say uh let's say i told you a

800

00:27:06,390 --> 00:27:03,840

story for example and maybe i misspoke

801  
00:27:09,029 --> 00:27:06,400  
about one aspect of the story

802  
00:27:11,510 --> 00:27:09,039  
let's say out of ten aspects maybe i i

803  
00:27:13,909 --> 00:27:11,520  
maybe i was off on one that doesn't mean

804  
00:27:15,590 --> 00:27:13,919  
the story's bad it just means that i

805  
00:27:17,430 --> 00:27:15,600  
might have been off on just a piece of

806  
00:27:18,950 --> 00:27:17,440  
the story so what they'll do is they'll

807  
00:27:21,510 --> 00:27:18,960  
take that little piece that i might have

808  
00:27:23,269 --> 00:27:21,520  
made a mistake on or whatever and then

809  
00:27:24,710 --> 00:27:23,279  
they'll use that to try to debunk the

810  
00:27:26,789 --> 00:27:24,720  
whole story

811  
00:27:29,350 --> 00:27:26,799  
yes and so i i just you know what i just

812  
00:27:30,950 --> 00:27:29,360  
i just block mute but first i always

813  
00:27:31,990 --> 00:27:30,960

throw my first my two cents in there

814

00:27:34,149 --> 00:27:32,000

tell them you know you've got a long

815

00:27:35,990 --> 00:27:34,159

ways to go before you're awake enough to

816

00:27:38,149 --> 00:27:36,000

really understand what i'm trying to

817

00:27:39,510 --> 00:27:38,159

tell you and you know it's not my job to

818

00:27:41,350 --> 00:27:39,520

try to convince these people i'm not

819

00:27:43,430 --> 00:27:41,360

really trying to convince people i just

820

00:27:44,789 --> 00:27:43,440

put the information out there and people

821

00:27:46,149 --> 00:27:44,799

either want to hear it or they want to

822

00:27:47,350 --> 00:27:46,159

get into it or they want to look into it

823

00:27:51,190 --> 00:27:47,360

or they don't and if they don't that's

824

00:27:55,110 --> 00:27:51,200

cool it'll affect me any right right

825

00:27:57,430 --> 00:27:55,120

no it won't absolutely not and you know

826

00:27:59,830 --> 00:27:57,440

going into the there's there's something

827

00:28:00,630 --> 00:27:59,840

about america's deserts it seems that

828

00:28:04,389 --> 00:28:00,640

these

829

00:28:05,269 --> 00:28:04,399

areas new mexico arizona utah i mean

830

00:28:07,110 --> 00:28:05,279

texas

831

00:28:09,590 --> 00:28:07,120

right california it seems like the

832

00:28:11,590 --> 00:28:09,600

entire desert region

833

00:28:13,510 --> 00:28:11,600

is steeped in this

834

00:28:15,430 --> 00:28:13,520

yeah the mojave i mean there's so much

835

00:28:17,909 --> 00:28:15,440

ufo stuff happening out there and

836

00:28:19,830 --> 00:28:17,919

speaking of the mojave i have to ask you

837

00:28:21,909 --> 00:28:19,840

what are your thoughts um when you

838

00:28:25,510 --> 00:28:21,919

talked about aliens living underground

839

00:28:29,029 --> 00:28:25,520

aka in tunnels etc there's been a lot of

840

00:28:33,029 --> 00:28:29,039

stories like that throughout history

841

00:28:34,870 --> 00:28:33,039

yeah i mean uh i i can't uh

842

00:28:36,470 --> 00:28:34,880

that's that's the area that i couldn't i

843

00:28:39,269 --> 00:28:36,480

wouldn't want to hang my hat on is

844

00:28:40,710 --> 00:28:39,279

because i really have no evidence but

845

00:28:42,630 --> 00:28:40,720

um

846

00:28:45,590 --> 00:28:42,640

the probability i think is greater than

847

00:28:47,269 --> 00:28:45,600

people realize and for example there's

848

00:28:48,789 --> 00:28:47,279

this lady i don't know if you recently

849

00:28:50,789 --> 00:28:48,799

kind of came onto the scene a few months

850

00:28:52,710 --> 00:28:50,799

ago named anjali are you familiar with

851  
00:28:53,830 --> 00:28:52,720  
her story yeah i wanted to ask you about

852  
00:28:56,630 --> 00:28:53,840  
that because that's kind of where my

853  
00:28:58,630 --> 00:28:56,640  
head was going i thought so

854  
00:29:00,549 --> 00:28:58,640  
so uh her story

855  
00:29:02,870 --> 00:29:00,559  
may or may not be totally true there may

856  
00:29:05,110 --> 00:29:02,880  
be aspects of it as true i

857  
00:29:06,870 --> 00:29:05,120  
uh it's kind of a mystery we i actually

858  
00:29:08,950 --> 00:29:06,880  
invited her to come on our show after

859  
00:29:10,549 --> 00:29:08,960  
she'd done a few other shows and i was

860  
00:29:12,710 --> 00:29:10,559  
able to kind of see what really get a

861  
00:29:14,789 --> 00:29:12,720  
view of what her position is and there's

862  
00:29:16,549 --> 00:29:14,799  
just something going on there that just

863  
00:29:18,149 --> 00:29:16,559

doesn't resonate with me it doesn't mean

864

00:29:20,710 --> 00:29:18,159

that she's lying or that she's a

865

00:29:23,350 --> 00:29:20,720

disinformation agent or i don't really

866

00:29:25,990 --> 00:29:23,360

know what's happening but i do know this

867

00:29:28,070 --> 00:29:26,000

that if i had a story like that that

868

00:29:30,470 --> 00:29:28,080

that i met some guy in a coffee shop and

869

00:29:32,710 --> 00:29:30,480

he agreed to take me to his house in the

870

00:29:35,269 --> 00:29:32,720

mojave desert and and i took me into a

871

00:29:37,590 --> 00:29:35,279

cave where there was aliens okay and i

872

00:29:39,510 --> 00:29:37,600

was gonna go public with that story

873

00:29:40,389 --> 00:29:39,520

i would i would want to make sure that

874

00:29:41,990 --> 00:29:40,399

that it was

875

00:29:44,230 --> 00:29:42,000

so truthful that i would be willing to

876

00:29:46,950 --> 00:29:44,240

answer any question that anybody would

877

00:29:49,350 --> 00:29:46,960

have for me and for whatever reason she

878

00:29:52,389 --> 00:29:49,360

chooses to avoid certain people

879

00:29:54,149 --> 00:29:52,399

uh my perception is that like if i were

880

00:29:55,830 --> 00:29:54,159

to have a conversation with her i would

881

00:29:57,110 --> 00:29:55,840

know the questions to ask to get down to

882

00:29:58,710 --> 00:29:57,120

the bottom of it

883

00:30:00,389 --> 00:29:58,720

but she won't have that conversation

884

00:30:01,830 --> 00:30:00,399

with me so that tells me that

885

00:30:03,269 --> 00:30:01,840

something's not right because if you're

886

00:30:04,630 --> 00:30:03,279

really trying to promote a story and you

887

00:30:06,230 --> 00:30:04,640

believe it to be true and you're selling

888

00:30:08,070 --> 00:30:06,240

it to be true then you should be willing

889

00:30:10,149 --> 00:30:08,080

to have a conversation with anybody and

890

00:30:12,630 --> 00:30:10,159

she knows i'm not a debunker i'm not a

891

00:30:15,110 --> 00:30:12,640

skeptic i'm i'm more on that i'm more on

892

00:30:16,870 --> 00:30:15,120

her side i want to believe the story but

893

00:30:19,190 --> 00:30:16,880

but i'm looking for a reason to believe

894

00:30:20,950 --> 00:30:19,200

it and right now i can't find a reason

895

00:30:22,630 --> 00:30:20,960

but with that said

896

00:30:24,149 --> 00:30:22,640

if you go back in the day where charles

897

00:30:25,750 --> 00:30:24,159

hall he's written five books about the

898

00:30:28,630 --> 00:30:25,760

tall whites when he was working at the

899

00:30:30,070 --> 00:30:28,640

uh out there in uh not in groom lake but

900

00:30:31,510 --> 00:30:30,080

you know i'm talking about somewhere in

901  
00:30:34,389 --> 00:30:31,520  
nevada out there in the desert i forget

902  
00:30:36,149 --> 00:30:34,399  
where the the location was but right

903  
00:30:37,590 --> 00:30:36,159  
recently i was you know you our friend

904  
00:30:39,669 --> 00:30:37,600  
jeff rennell and i were camping out

905  
00:30:41,510 --> 00:30:39,679  
there not too far from

906  
00:30:43,990 --> 00:30:41,520  
from the area where uh

907  
00:30:45,750 --> 00:30:44,000  
where charles hall worked in the 60s and

908  
00:30:47,669 --> 00:30:45,760  
said that these tall white beings would

909  
00:30:49,909 --> 00:30:47,679  
show and and they had craft in the whole

910  
00:30:52,149 --> 00:30:49,919  
nine yards we were just hoping for any

911  
00:30:54,070 --> 00:30:52,159  
possibility to get any kind of

912  
00:30:56,230 --> 00:30:54,080  
uh you know experience that might

913  
00:30:58,710 --> 00:30:56,240

potentially give us a reason to want to

914

00:31:00,389 --> 00:30:58,720

validate that story and we did have some

915

00:31:02,310 --> 00:31:00,399

experiences out there that were all

916

00:31:03,350 --> 00:31:02,320

going to that real quick i think i might

917

00:31:05,269 --> 00:31:03,360

have told you the story but your

918

00:31:06,789 --> 00:31:05,279

audience hasn't heard it um so jeff

919

00:31:08,950 --> 00:31:06,799

bernal we're out there we spent i think

920

00:31:09,990 --> 00:31:08,960

three nights or two nights out there but

921

00:31:12,470 --> 00:31:10,000

um

922

00:31:15,029 --> 00:31:12,480

we were hearing some very strange sounds

923

00:31:16,870 --> 00:31:15,039

coming from what sounded like uh the

924

00:31:18,630 --> 00:31:16,880

mountain range uh in other words we're

925

00:31:20,710 --> 00:31:18,640

on one side of the mountain we were

926  
00:31:21,990 --> 00:31:20,720  
legally allowed to be there but on the

927  
00:31:24,710 --> 00:31:22,000  
other side of the mountain that's where

928  
00:31:25,750 --> 00:31:24,720  
groom lake was area 51 i mean we were

929  
00:31:27,990 --> 00:31:25,760  
probably

930  
00:31:30,710 --> 00:31:28,000  
like two miles if you were as the cro as

931  
00:31:32,630 --> 00:31:30,720  
the crow flies away from groom lake

932  
00:31:35,430 --> 00:31:32,640  
and so we were hearing these sounds

933  
00:31:37,110 --> 00:31:35,440  
coming which sounded like in that area

934  
00:31:38,549 --> 00:31:37,120  
and we couldn't tell what they were i

935  
00:31:40,710 --> 00:31:38,559  
mean at first we thought maybe there

936  
00:31:41,830 --> 00:31:40,720  
were helicopters but then they were just

937  
00:31:44,389 --> 00:31:41,840  
they were too

938  
00:31:46,789 --> 00:31:44,399

powerful and loud and thunderous and

939

00:31:49,430 --> 00:31:46,799

they had an intermittent kind of a sound

940

00:31:51,590 --> 00:31:49,440

so we both decided that now those skills

941

00:31:53,190 --> 00:31:51,600

can't be uh helicopters

942

00:31:54,950 --> 00:31:53,200

and uh

943

00:31:57,750 --> 00:31:54,960

and then jeff says that the ground was

944

00:31:59,269 --> 00:31:57,760

shaking so i thought this is strange you

945

00:32:01,590 --> 00:31:59,279

know i've heard these stories about

946

00:32:03,430 --> 00:32:01,600

tunnels under the ground and i believe

947

00:32:05,029 --> 00:32:03,440

that that we do have tunnels under the

948

00:32:06,070 --> 00:32:05,039

ground i believe that

949

00:32:08,630 --> 00:32:06,080

um

950

00:32:10,549 --> 00:32:08,640

so fast forwarding i shared that story

951  
00:32:12,870 --> 00:32:10,559  
with dodie uh on our interview when we

952  
00:32:15,990 --> 00:32:12,880  
did altered uh through about three or

953  
00:32:18,630 --> 00:32:16,000  
four weeks ago and and he told me that

954  
00:32:19,750 --> 00:32:18,640  
uh there they do have tunnels there and

955  
00:32:21,430 --> 00:32:19,760  
one of them

956  
00:32:23,509 --> 00:32:21,440  
i think he said he's been in that's like

957  
00:32:26,549 --> 00:32:23,519  
77 miles long

958  
00:32:28,549 --> 00:32:26,559  
and he said that what we probably heard

959  
00:32:29,909 --> 00:32:28,559  
was the boring machines that they've got

960  
00:32:32,070 --> 00:32:29,919  
underground that when they're when

961  
00:32:33,590 --> 00:32:32,080  
they're expanding these tunnels and that

962  
00:32:35,590 --> 00:32:33,600  
right away they're just ding ding ding

963  
00:32:37,029 --> 00:32:35,600

that that that made sense to me because

964

00:32:39,669 --> 00:32:37,039

it was the ground was shaking it was a

965

00:32:40,710 --> 00:32:39,679

powerful like earthquakey kind of noise

966

00:32:42,549 --> 00:32:40,720

coming out

967

00:32:44,470 --> 00:32:42,559

so that was kind of cool to experience

968

00:32:46,470 --> 00:32:44,480

that because i've heard stories about

969

00:32:48,870 --> 00:32:46,480

these things but to be there and

970

00:32:51,350 --> 00:32:48,880

experience the the sound and the

971

00:32:52,870 --> 00:32:51,360

so that kind of doesn't make it 100

972

00:32:55,190 --> 00:32:52,880

true but it makes me believe that it

973

00:32:57,029 --> 00:32:55,200

probably is true so then this part

974

00:32:59,190 --> 00:32:57,039

really tripped me out actually

975

00:33:02,310 --> 00:32:59,200

so we've got helicopters

976

00:33:05,190 --> 00:33:02,320

uh with flying around uh in the morning

977

00:33:06,630 --> 00:33:05,200

not around us directly but around us to

978

00:33:08,230 --> 00:33:06,640

the right and to the left we've got

979

00:33:10,389 --> 00:33:08,240

planes you could see them flying over

980

00:33:12,070 --> 00:33:10,399

groom lake over the mountain uh not

981

00:33:14,389 --> 00:33:12,080

coming into the area where we were but

982

00:33:15,590 --> 00:33:14,399

we could clearly see them uh different

983

00:33:17,430 --> 00:33:15,600

planes

984

00:33:19,430 --> 00:33:17,440

and then and then uh

985

00:33:20,870 --> 00:33:19,440

and then that's when it became dark

986

00:33:22,710 --> 00:33:20,880

we could hear them

987

00:33:24,230 --> 00:33:22,720

but we couldn't see them and they had no

988

00:33:26,149 --> 00:33:24,240

lights on and i thought this was

989

00:33:28,310 --> 00:33:26,159

interesting we've got planes we've got

990

00:33:30,310 --> 00:33:28,320

helicopters flying around we can't see

991

00:33:31,110 --> 00:33:30,320

them and they've got no lights on but

992

00:33:40,149 --> 00:33:31,120

they

993

00:33:42,070 --> 00:33:40,159

um so i thought that was interesting

994

00:33:43,029 --> 00:33:42,080

though so just to be around there and

995

00:33:44,470 --> 00:33:43,039

see that

996

00:33:45,990 --> 00:33:44,480

that this is they're they're doing a lot

997

00:33:48,549 --> 00:33:46,000

of training out there i can assure you

998

00:33:50,310 --> 00:33:48,559

that um like one after another i mean we

999

00:33:52,789 --> 00:33:50,320

could for every five minutes

1000

00:33:55,750 --> 00:33:52,799

there's like one coming by the the area

1001  
00:33:57,669 --> 00:33:55,760  
within earshot and you know so then the

1002  
00:33:58,870 --> 00:33:57,679  
next morning comes it's about 10 o'clock

1003  
00:34:01,029 --> 00:33:58,880  
in the morning

1004  
00:34:02,870 --> 00:34:01,039  
and beautiful clear sky there's not a

1005  
00:34:05,110 --> 00:34:02,880  
sound out there by the way not not

1006  
00:34:07,590 --> 00:34:05,120  
literally no sound

1007  
00:34:09,589 --> 00:34:07,600  
um and then this mess we're seeing these

1008  
00:34:11,190 --> 00:34:09,599  
planes kind of flying over the groom

1009  
00:34:13,030 --> 00:34:11,200  
lake area above the mountain range so

1010  
00:34:15,270 --> 00:34:13,040  
you can you can see them and they're

1011  
00:34:16,470 --> 00:34:15,280  
just standard looking planes they didn't

1012  
00:34:17,669 --> 00:34:16,480  
they could have i don't know what type

1013  
00:34:18,790 --> 00:34:17,679

of planes they were i'm not a plane

1014

00:34:20,790 --> 00:34:18,800

expert

1015

00:34:22,629 --> 00:34:20,800

but then

1016

00:34:25,669 --> 00:34:22,639

here comes this plane

1017

00:34:26,550 --> 00:34:25,679

rises up it was massive

1018

00:34:29,270 --> 00:34:26,560

and

1019

00:34:31,909 --> 00:34:29,280

uh i think jeff thought it was like a b

1020

00:34:34,550 --> 00:34:31,919

52 or something it was just huge it was

1021

00:34:35,909 --> 00:34:34,560

it was massive and and here it is it

1022

00:34:37,669 --> 00:34:35,919

it's flying

1023

00:34:39,510 --> 00:34:37,679

and i've got my cell phone in my hand

1024

00:34:41,909 --> 00:34:39,520

and just got his cell phone in my hand

1025

00:34:43,510 --> 00:34:41,919

and we both click on video and we're

1026

00:34:45,990 --> 00:34:43,520

we're trying we've got our i mean this

1027

00:34:48,389 --> 00:34:46,000

thing was literally no more than a mile

1028

00:34:50,710 --> 00:34:48,399

from us in the sky it was very close

1029

00:34:52,869 --> 00:34:50,720

and i'm right there i'm recording but

1030

00:34:55,109 --> 00:34:52,879

there's nothing showing up on my screen

1031

00:34:57,829 --> 00:34:55,119

on my on my phone i've got a brand new

1032

00:34:59,510 --> 00:34:57,839

samsung galaxy s21 the sims killer it's

1033

00:35:00,790 --> 00:34:59,520

just like well i can't see anything like

1034

00:35:02,310 --> 00:35:00,800

i could see it with my eyes but my

1035

00:35:05,270 --> 00:35:02,320

phone's not picking up i know this is

1036

00:35:07,030 --> 00:35:05,280

weird what's going on so here it goes by

1037

00:35:09,430 --> 00:35:07,040

and then it makes a circle around and

1038

00:35:11,349 --> 00:35:09,440

then now it's flying almost over the top

1039

00:35:12,790 --> 00:35:11,359

of us i mean this thing had at this

1040

00:35:15,190 --> 00:35:12,800

point it was about a quarter mile away

1041

00:35:17,270 --> 00:35:15,200

was it was really low to the ground

1042

00:35:18,790 --> 00:35:17,280

and again i'm like try to take pictures

1043

00:35:19,910 --> 00:35:18,800

of this thing and it's not showing up on

1044

00:35:21,510 --> 00:35:19,920

my screen

1045

00:35:23,030 --> 00:35:21,520

and so i was tripping on that i'm like

1046

00:35:24,230 --> 00:35:23,040

what the heck cause i might why is this

1047

00:35:26,069 --> 00:35:24,240

happening

1048

00:35:27,829 --> 00:35:26,079

so i told somebody about that and they

1049

00:35:29,270 --> 00:35:27,839

said that they've got this shielding

1050

00:35:30,870 --> 00:35:29,280

technology

1051  
00:35:33,270 --> 00:35:30,880  
and i thought that's interesting maybe

1052  
00:35:34,710 --> 00:35:33,280  
that's true so i ran this by dodie i

1053  
00:35:37,270 --> 00:35:34,720  
said you know i told him the experience

1054  
00:35:39,510 --> 00:35:37,280  
i said this is what happened

1055  
00:35:40,790 --> 00:35:39,520  
he said uh

1056  
00:35:42,790 --> 00:35:40,800  
i got to be careful i don't know if i'm

1057  
00:35:44,790 --> 00:35:42,800  
supposed to

1058  
00:35:47,670 --> 00:35:44,800  
he said that uh well it's a little more

1059  
00:35:50,390 --> 00:35:47,680  
than fielding he says they've got like a

1060  
00:35:52,550 --> 00:35:50,400  
holographic technology so

1061  
00:35:53,750 --> 00:35:52,560  
so that explained it that made sense to

1062  
00:35:55,670 --> 00:35:53,760  
me because

1063  
00:35:57,670 --> 00:35:55,680

if it maybe there is a holographic

1064

00:35:59,829 --> 00:35:57,680

technology where they can make it look

1065

00:36:00,790 --> 00:35:59,839

like it's completely real and it's right

1066

00:36:03,190 --> 00:36:00,800

there

1067

00:36:04,390 --> 00:36:03,200

but if it doesn't show up on camera or

1068

00:36:07,270 --> 00:36:04,400

film

1069

00:36:08,230 --> 00:36:07,280

but it that it looks real

1070

00:36:09,670 --> 00:36:08,240

so

1071

00:36:11,109 --> 00:36:09,680

that whether that's true or not i don't

1072

00:36:13,589 --> 00:36:11,119

know i don't think he would just make

1073

00:36:14,790 --> 00:36:13,599

that up to pacify my thoughts but that's

1074

00:36:17,990 --> 00:36:14,800

what he said

1075

00:36:20,150 --> 00:36:18,000

man and you know i can't just from my

1076

00:36:24,310 --> 00:36:20,160

own personal experiences you know where

1077

00:36:27,190 --> 00:36:24,320

i live and yeah i see the i see the uh

1078

00:36:30,069 --> 00:36:27,200

janet jets um that go to and from area

1079

00:36:32,550 --> 00:36:30,079

51 they go right over la madre here

1080

00:36:33,910 --> 00:36:32,560

and um you see them going every day and

1081

00:36:35,190 --> 00:36:33,920

coming every day and

1082

00:36:36,950 --> 00:36:35,200

you know pretty

1083

00:36:37,990 --> 00:36:36,960

straight line trajectory but i'll tell

1084

00:36:40,950 --> 00:36:38,000

you what

1085

00:36:45,030 --> 00:36:40,960

at night most evenings i can't say all

1086

00:36:47,270 --> 00:36:45,040

evenings but at night at about 10 30 p.m

1087

00:36:49,589 --> 00:36:47,280

there is such a thunderous aircraft that

1088

00:36:52,230 --> 00:36:49,599

goes over this area and

1089

00:36:55,030 --> 00:36:52,240

i've jumped on my back balcony front

1090

00:36:56,870 --> 00:36:55,040

balcony trying to see it you can never

1091

00:36:58,230 --> 00:36:56,880

make it out you can never see anything

1092

00:36:59,910 --> 00:36:58,240

in the sky and it sounds like it's

1093

00:37:02,150 --> 00:36:59,920

directly over you

1094

00:37:05,349 --> 00:37:02,160

and i wonder if this technology doesn't

1095

00:37:06,630 --> 00:37:05,359

exist i mean you read uh into some

1096

00:37:08,390 --> 00:37:06,640

literature

1097

00:37:10,790 --> 00:37:08,400

talking about some of these companies

1098

00:37:12,790 --> 00:37:10,800

that have done testing out at area 51

1099

00:37:13,910 --> 00:37:12,800

and others that are just publicly traded

1100

00:37:16,069 --> 00:37:13,920

companies

1101  
00:37:18,630 --> 00:37:16,079  
and they're looking into you know

1102  
00:37:21,270 --> 00:37:18,640  
cloaking technology this is a real

1103  
00:37:23,670 --> 00:37:21,280  
military thing it's not it's you know it

1104  
00:37:25,910 --> 00:37:23,680  
makes sense in the field

1105  
00:37:28,230 --> 00:37:25,920  
yeah and here's the thing uh just we

1106  
00:37:29,829 --> 00:37:28,240  
won't go into 911 but uh you know

1107  
00:37:31,510 --> 00:37:29,839  
there's all sorts of theories about what

1108  
00:37:34,630 --> 00:37:31,520  
happened in 9 11.

1109  
00:37:37,270 --> 00:37:34,640  
um i would personally not be surprised

1110  
00:37:38,470 --> 00:37:37,280  
if what people saw on tv when they were

1111  
00:37:40,230 --> 00:37:38,480  
watching this

1112  
00:37:42,390 --> 00:37:40,240  
be replayed

1113  
00:37:44,870 --> 00:37:42,400

that that could have been a cloaking

1114

00:37:46,150 --> 00:37:44,880

technology that looked as if and i'm not

1115

00:37:48,550 --> 00:37:46,160

saying this is what happened and this is

1116

00:37:50,390 --> 00:37:48,560

not my theory but i wouldn't i wouldn't

1117

00:37:52,790 --> 00:37:50,400

discount the possibility

1118

00:37:54,710 --> 00:37:52,800

that that what what the planes didn't

1119

00:37:55,990 --> 00:37:54,720

actually crash into that building

1120

00:37:57,430 --> 00:37:56,000

because if you really do all the

1121

00:37:59,109 --> 00:37:57,440

research on it

1122

00:38:01,510 --> 00:37:59,119

it the building shouldn't come down from

1123

00:38:03,910 --> 00:38:01,520

a plane crashing and lava and steel

1124

00:38:05,430 --> 00:38:03,920

beings shouldn't melt like that i mean i

1125

00:38:06,790 --> 00:38:05,440

think there was more to that story but

1126  
00:38:08,069 --> 00:38:06,800  
then what really kind of makes me kind

1127  
00:38:11,109 --> 00:38:08,079  
of nervous

1128  
00:38:12,550 --> 00:38:11,119  
a little bit is what uh berner von braun

1129  
00:38:15,349 --> 00:38:12,560  
said to uh

1130  
00:38:17,430 --> 00:38:15,359  
to uh carol rosenberg back in the day at

1131  
00:38:19,190 --> 00:38:17,440  
nasa about you know the last card

1132  
00:38:20,870 --> 00:38:19,200  
they're going to play is the fake alien

1133  
00:38:22,870 --> 00:38:20,880  
invasion

1134  
00:38:25,510 --> 00:38:22,880  
yes you've heard about that right so so

1135  
00:38:26,870 --> 00:38:25,520  
if they have this cloaking technology

1136  
00:38:29,030 --> 00:38:26,880  
and they have all this technical this

1137  
00:38:31,349 --> 00:38:29,040  
other let's just say hypothetically that

1138  
00:38:32,950 --> 00:38:31,359

there there is some sort of master plan

1139

00:38:34,950 --> 00:38:32,960

which i'm not sure i believe that to be

1140

00:38:37,030 --> 00:38:34,960

true but let's just say there is

1141

00:38:38,870 --> 00:38:37,040

uh they certainly have the technology to

1142

00:38:41,190 --> 00:38:38,880

make people think

1143

00:38:43,270 --> 00:38:41,200

that there's alien spaceships in the sky

1144

00:38:44,870 --> 00:38:43,280

i really believe so that part of this

1145

00:38:47,030 --> 00:38:44,880

what's happening with disclosure now

1146

00:38:47,910 --> 00:38:47,040

with all this kickback and this that and

1147

00:38:49,829 --> 00:38:47,920

the other

1148

00:38:51,589 --> 00:38:49,839

so why all of a sudden is the government

1149

00:38:53,589 --> 00:38:51,599

and are people that were affiliated with

1150

00:38:55,829 --> 00:38:53,599

the government and the news that they

1151  
00:38:57,750 --> 00:38:55,839  
were quiet about this for you know 67

1152  
00:38:59,910 --> 00:38:57,760  
years so to speak and now they're just

1153  
00:39:02,069 --> 00:38:59,920  
promoting this information

1154  
00:39:04,069 --> 00:39:02,079  
but they really they i don't really

1155  
00:39:06,230 --> 00:39:04,079  
think that they care about humans they

1156  
00:39:08,630 --> 00:39:06,240  
want us to know this it's just a setup

1157  
00:39:10,790 --> 00:39:08,640  
are we being set up i wonder about that

1158  
00:39:12,630 --> 00:39:10,800  
what do you think yeah i think it's you

1159  
00:39:15,109 --> 00:39:12,640  
got to follow the money and these black

1160  
00:39:17,349 --> 00:39:15,119  
budgets are huge these black budgets

1161  
00:39:21,030 --> 00:39:17,359  
they matter they are huge

1162  
00:39:22,710 --> 00:39:21,040  
and they uh nobody nobody questions what

1163  
00:39:24,950 --> 00:39:22,720

they're doing and this is exactly where

1164

00:39:26,150 --> 00:39:24,960

this type of technology would be

1165

00:39:27,109 --> 00:39:26,160

budgeted

1166

00:39:30,069 --> 00:39:27,119

because

1167

00:39:31,510 --> 00:39:30,079

it is you know it just is the objective

1168

00:39:32,870 --> 00:39:31,520

and

1169

00:39:34,710 --> 00:39:32,880

that that's what you got to follow is

1170

00:39:35,829 --> 00:39:34,720

the objective and i think you know even

1171

00:39:37,589 --> 00:39:35,839

now even

1172

00:39:40,310 --> 00:39:37,599

you go to sporting events and they have

1173

00:39:43,270 --> 00:39:40,320

these drone swarms that

1174

00:39:45,750 --> 00:39:43,280

i mean just those can can mimic

1175

00:39:49,589 --> 00:39:45,760

you know just about anything so

1176

00:39:51,990 --> 00:39:49,599

you know that is fairly

1177

00:39:54,230 --> 00:39:52,000

ordinary technology compared to what is

1178

00:39:57,430 --> 00:39:54,240

actually at least we trust what is

1179

00:39:59,589 --> 00:39:57,440

actually being utilized by our military

1180

00:40:01,349 --> 00:39:59,599

right and coming back i hate to come

1181

00:40:04,470 --> 00:40:01,359

back around but i have to with the rick

1182

00:40:07,270 --> 00:40:04,480

doty connection the tunnels underground

1183

00:40:09,270 --> 00:40:07,280

you know that's something that

1184

00:40:11,670 --> 00:40:09,280

it's amazing because others have

1185

00:40:13,990 --> 00:40:11,680

testified to the same thing uh

1186

00:40:16,550 --> 00:40:14,000

gabe valdez not and this is a strange

1187

00:40:19,030 --> 00:40:16,560

connection because it ties back to

1188

00:40:20,550 --> 00:40:19,040

um the dulce bass and

1189

00:40:21,270 --> 00:40:20,560

yeah and uh

1190

00:40:23,670 --> 00:40:21,280

and

1191

00:40:26,630 --> 00:40:23,680

gabe valdez you're talking about

1192

00:40:28,390 --> 00:40:26,640

yeah he would often say that he had seen

1193

00:40:30,230 --> 00:40:28,400

these tunnels and seen the vents and

1194

00:40:32,710 --> 00:40:30,240

seen these things and he was a very

1195

00:40:35,670 --> 00:40:32,720

trusted individual in the community so i

1196

00:40:37,430 --> 00:40:35,680

don't know why it would be such a uh

1197

00:40:38,390 --> 00:40:37,440

such a stretch to believe something like

1198

00:40:42,470 --> 00:40:38,400

that

1199

00:40:44,230 --> 00:40:42,480

2018 they have the dulce bass ufo

1200

00:40:45,910 --> 00:40:44,240

conference and uh

1201

00:40:47,990 --> 00:40:45,920

i went there it was my first time in new

1202

00:40:50,230 --> 00:40:48,000

mexico and i drove out there and uh it

1203

00:40:52,710 --> 00:40:50,240

was a guy in texas the uh the alien

1204

00:40:54,550 --> 00:40:52,720

hunter with the cap on i forget his name

1205

00:40:56,790 --> 00:40:54,560

i'm talking about though

1206

00:40:58,630 --> 00:40:56,800

daryl sims yeah

1207

00:41:00,710 --> 00:40:58,640

pardon me what's his name daryl sims i

1208

00:41:02,630 --> 00:41:00,720

think yeah darrell stems

1209

00:41:04,630 --> 00:41:02,640

he's like what a character i love that

1210

00:41:06,950 --> 00:41:04,640

guy i love talking to him and he openly

1211

00:41:09,190 --> 00:41:06,960

admits he says at one time he worked

1212

00:41:11,190 --> 00:41:09,200

briefly for the cia

1213

00:41:13,349 --> 00:41:11,200

you probably know that but uh and i'm

1214

00:41:15,109 --> 00:41:13,359

not accusing him of being a contractor

1215

00:41:16,630 --> 00:41:15,119

for the cia now because i don't have any

1216

00:41:18,630 --> 00:41:16,640

evidence of that but

1217

00:41:21,109 --> 00:41:18,640

i do know based on other research i've

1218

00:41:22,470 --> 00:41:21,119

done that for whatever reason he's

1219

00:41:24,390 --> 00:41:22,480

whether it's his choice or he's been

1220

00:41:26,230 --> 00:41:24,400

assigned to collect these implants i

1221

00:41:28,390 --> 00:41:26,240

mean that people claim to get in their

1222

00:41:30,069 --> 00:41:28,400

bodies and i believe that that's to be

1223

00:41:32,710 --> 00:41:30,079

true i think that

1224

00:41:34,630 --> 00:41:32,720

i think there's probably a human faction

1225

00:41:36,710 --> 00:41:34,640

that they call the my lab abduction the

1226

00:41:38,630 --> 00:41:36,720

military abduction where they are for

1227

00:41:40,790 --> 00:41:38,640

whatever reason choosing to take certain

1228

00:41:42,710 --> 00:41:40,800

people and and put these little tracking

1229

00:41:44,630 --> 00:41:42,720

devices in them for what agenda i'm not

1230

00:41:47,109 --> 00:41:44,640

sure about but i also believe that

1231

00:41:49,030 --> 00:41:47,119

there's a non-human entities

1232

00:41:50,390 --> 00:41:49,040

uh maybe they're tracking their hybrids

1233

00:41:52,630 --> 00:41:50,400

or their bloodlines i mean i'm going

1234

00:41:54,550 --> 00:41:52,640

into the wool now but i'm just saying i

1235

00:41:56,950 --> 00:41:54,560

i don't discount these possibilities

1236

00:41:58,870 --> 00:41:56,960

that uh but he's you know he's collected

1237

00:42:00,470 --> 00:41:58,880

these implants i've seen him i saw him

1238

00:42:03,270 --> 00:42:00,480

at the conference and so they had this

1239

00:42:05,670 --> 00:42:03,280

town hall meeting uh the day before the

1240

00:42:06,950 --> 00:42:05,680

conference started in in the uh and

1241

00:42:08,150 --> 00:42:06,960

actually in the courtroom there and

1242

00:42:09,670 --> 00:42:08,160

they'll see new mexico because they

1243

00:42:12,550 --> 00:42:09,680

didn't have a big place like an

1244

00:42:14,230 --> 00:42:12,560

auditorium and all the locals they came

1245

00:42:15,589 --> 00:42:14,240

the indians that lived there in the area

1246

00:42:17,750 --> 00:42:15,599

they came and they said there was like

1247

00:42:19,589 --> 00:42:17,760

100 of them in there and and they were

1248

00:42:21,750 --> 00:42:19,599

telling their stories you know and and i

1249

00:42:22,470 --> 00:42:21,760

was recording with my ipad like i always

1250

00:42:24,790 --> 00:42:22,480

do

1251  
00:42:26,550 --> 00:42:24,800  
and this during the break this lady came

1252  
00:42:27,430 --> 00:42:26,560  
up to me and said you know

1253  
00:42:29,270 --> 00:42:27,440  
um

1254  
00:42:31,190 --> 00:42:29,280  
they wouldn't actually tell me like they

1255  
00:42:32,550 --> 00:42:31,200  
wouldn't the locals are very humble

1256  
00:42:34,150 --> 00:42:32,560  
people they're not going to come up to

1257  
00:42:35,589 --> 00:42:34,160  
me and say you know turn that off please

1258  
00:42:37,670 --> 00:42:35,599  
don't record me

1259  
00:42:39,430 --> 00:42:37,680  
uh they just kind of keep to themselves

1260  
00:42:41,589 --> 00:42:39,440  
but somebody came and said hey you know

1261  
00:42:43,589 --> 00:42:41,599  
what if you i think if you would just

1262  
00:42:45,190 --> 00:42:43,599  
just turn that off and just let people

1263  
00:42:46,870 --> 00:42:45,200

talk that that would be a good idea and

1264

00:42:49,190 --> 00:42:46,880

i said yeah okay fine i'm down with that

1265

00:42:50,630 --> 00:42:49,200

so i set it down and then these people

1266

00:42:52,470 --> 00:42:50,640

started coming out of the audience and

1267

00:42:53,990 --> 00:42:52,480

standing on the stage and this one

1268

00:42:55,670 --> 00:42:54,000

little lady she was about four foot

1269

00:42:57,430 --> 00:42:55,680

eight little indian lady

1270

00:43:00,550 --> 00:42:57,440

uh was telling me stories about the

1271

00:43:02,470 --> 00:43:00,560

bigfoot on our property and about the uh

1272

00:43:04,550 --> 00:43:02,480

about the uh ufos and the cattle

1273

00:43:06,790 --> 00:43:04,560

mutilations and so i heard all these

1274

00:43:08,630 --> 00:43:06,800

stories from the locals

1275

00:43:10,470 --> 00:43:08,640

that that were happening in the day and

1276

00:43:12,470 --> 00:43:10,480

still happening and then uh

1277

00:43:14,150 --> 00:43:12,480

so i was like okay cool this is to me

1278

00:43:15,829 --> 00:43:14,160

that's confirmation i i just saw no

1279

00:43:17,030 --> 00:43:15,839

there's no agenda these people were not

1280

00:43:18,309 --> 00:43:17,040

getting paid to get up there and tell

1281

00:43:20,470 --> 00:43:18,319

these stories

1282

00:43:22,550 --> 00:43:20,480

and and so then i was so during a break

1283

00:43:24,309 --> 00:43:22,560

during the conference there was an an

1284

00:43:26,150 --> 00:43:24,319

indian tribal girl that was working at

1285

00:43:28,390 --> 00:43:26,160

the casino there and she was a security

1286

00:43:29,990 --> 00:43:28,400

person and i just you know went and sat

1287

00:43:31,270 --> 00:43:30,000

next to her and just was i'm just going

1288

00:43:33,510 --> 00:43:31,280

to pick her marine a little bit and see

1289

00:43:35,190 --> 00:43:33,520

what she thinks about all this ufo stuff

1290

00:43:36,710 --> 00:43:35,200

and i started talking to her and i said

1291

00:43:38,870 --> 00:43:36,720

you know i says you know you know the

1292

00:43:40,309 --> 00:43:38,880

story about your your your place here

1293

00:43:42,630 --> 00:43:40,319

that they'll say mountain right there i

1294

00:43:44,470 --> 00:43:42,640

says you know people say that there's

1295

00:43:46,069 --> 00:43:44,480

bases and so on and so forth i said well

1296

00:43:47,190 --> 00:43:46,079

dude what do you think and she says well

1297

00:43:49,270 --> 00:43:47,200

one time

1298

00:43:51,270 --> 00:43:49,280

my boyfriend and i we were because you

1299

00:43:52,630 --> 00:43:51,280

know unless you're on the rez and you're

1300

00:43:53,990 --> 00:43:52,640

allowed to be there you know white

1301

00:43:55,910 --> 00:43:54,000

people i don't know i'm just

1302

00:43:57,430 --> 00:43:55,920

generalizing if you're not a native and

1303

00:43:58,710 --> 00:43:57,440

you're not allowed to be on the land you

1304

00:44:00,550 --> 00:43:58,720

don't unless you have permission you

1305

00:44:02,150 --> 00:44:00,560

don't get to just walk around up there

1306

00:44:03,750 --> 00:44:02,160

right no

1307

00:44:06,309 --> 00:44:03,760

yeah so anyway she said that they were

1308

00:44:09,190 --> 00:44:06,319

walking around in this area

1309

00:44:11,190 --> 00:44:09,200

and they found this like cabin up

1310

00:44:12,710 --> 00:44:11,200

you know wherever it was this little

1311

00:44:14,470 --> 00:44:12,720

cabin up there

1312

00:44:16,309 --> 00:44:14,480

and uh you know they were able to peek

1313

00:44:17,109 --> 00:44:16,319

in the window and

1314

00:44:18,790 --> 00:44:17,119

um

1315

00:44:20,550 --> 00:44:18,800

and i could i can only speculate why

1316

00:44:24,470 --> 00:44:20,560

that was there but they they did see

1317

00:44:26,230 --> 00:44:24,480

like a vent and she she was not willing

1318

00:44:28,069 --> 00:44:26,240

to tell me a whole lot

1319

00:44:30,230 --> 00:44:28,079

but but she led me but she gave me

1320

00:44:32,069 --> 00:44:30,240

enough information to lead me to think

1321

00:44:33,349 --> 00:44:32,079

that there might be information about

1322

00:44:35,589 --> 00:44:33,359

these stories

1323

00:44:37,670 --> 00:44:35,599

that could be true but the natives are

1324

00:44:40,390 --> 00:44:37,680

never going to talk about it

1325

00:44:42,069 --> 00:44:40,400

that's the great thing that's the thing

1326

00:44:43,670 --> 00:44:42,079

yeah

1327

00:44:45,829 --> 00:44:43,680

so how do you verify it you know and

1328

00:44:47,990 --> 00:44:45,839

then uh i hope those stories aren't true

1329

00:44:49,430 --> 00:44:48,000

i hope they don't have humans down there

1330

00:44:51,270 --> 00:44:49,440

and they're in by and then they got you

1331

00:44:52,790 --> 00:44:51,280

know people in these cages and things

1332

00:44:54,550 --> 00:44:52,800

like that and you you know i heard these

1333

00:44:56,630 --> 00:44:54,560

stories of david wilcock who i'm not a

1334

00:44:59,190 --> 00:44:56,640

fan of and i i think he's selling fear

1335

00:45:00,470 --> 00:44:59,200

porn for 333 dollars which is ridiculous

1336

00:45:01,990 --> 00:45:00,480

telling you know the greys and the

1337

00:45:03,510 --> 00:45:02,000

reptilians are eating humans at the

1338

00:45:05,990 --> 00:45:03,520

border and when they come over from

1339

00:45:07,750 --> 00:45:06,000

mexico and and this is terrible and you

1340

00:45:09,510 --> 00:45:07,760

know i just i i'm not going to go there

1341

00:45:11,589 --> 00:45:09,520

i think that's that's a little bit far

1342

00:45:13,589 --> 00:45:11,599

fetches and and i i don't think that

1343

00:45:15,270 --> 00:45:13,599

that's cool that you try to make money

1344

00:45:17,510 --> 00:45:15,280

off selling fear porn so i'm just trying

1345

00:45:18,790 --> 00:45:17,520

to tell you stories that i've heard and

1346

00:45:20,309 --> 00:45:18,800

the possibilities of some of these

1347

00:45:21,990 --> 00:45:20,319

stories being true is probably greater

1348

00:45:24,950 --> 00:45:22,000

than people realize

1349

00:45:26,970 --> 00:45:24,960

absolutely it's it i think there there's

1350

00:45:28,150 --> 00:45:26,980

a lot of truth to that and um

1351

00:45:30,790 --> 00:45:28,160

[Music]

1352

00:45:32,550 --> 00:45:30,800

going down those lines i've i've

1353

00:45:34,390 --> 00:45:32,560

i've spoken with people and this is

1354

00:45:37,510 --> 00:45:34,400

where you have to connect the dots

1355

00:45:39,510 --> 00:45:37,520

yeah i've spoken with like hvac uh this

1356

00:45:42,230 --> 00:45:39,520

is through a mutual friend a guy that's

1357

00:45:44,710 --> 00:45:42,240

not into anything fringe

1358

00:45:47,750 --> 00:45:44,720

and his friend is not into anything

1359

00:45:49,349 --> 00:45:47,760

fringe i'm i'm the one that is and

1360

00:45:50,950 --> 00:45:49,359

speaking with these guys this guy said

1361

00:45:52,150 --> 00:45:50,960

hey you should really hear my friend's

1362

00:45:54,790 --> 00:45:52,160

story

1363

00:45:57,510 --> 00:45:54,800

about what he had happened to him out in

1364

00:45:59,589 --> 00:45:57,520

san diego underground under the base he

1365

00:46:02,790 --> 00:45:59,599

got called out to

1366

00:46:03,510 --> 00:46:02,800

to work on uh some hvac stuff out there

1367

00:46:05,349 --> 00:46:03,520

and

1368

00:46:06,870 --> 00:46:05,359

after going down i forget how many

1369

00:46:07,750 --> 00:46:06,880

levels it was something like it was a

1370

00:46:08,710 --> 00:46:07,760

lot

1371

00:46:10,069 --> 00:46:08,720

um

1372

00:46:11,430 --> 00:46:10,079

i don't want to miss

1373

00:46:12,870 --> 00:46:11,440

miss count so i'm just going to say it's

1374

00:46:15,589 --> 00:46:12,880

a lot of levels

1375

00:46:18,069 --> 00:46:15,599

and he said that he saw

1376

00:46:20,550 --> 00:46:18,079

organs like human

1377

00:46:22,150 --> 00:46:20,560

appendages organs and possibly even

1378

00:46:24,550 --> 00:46:22,160

entire people

1379

00:46:27,349 --> 00:46:24,560

in these bubbling containers

1380

00:46:30,710 --> 00:46:27,359

and you know they they said just don't

1381

00:46:32,550 --> 00:46:30,720

look over there and um after analyzing

1382

00:46:33,829 --> 00:46:32,560

the situation his boss decided not to

1383

00:46:35,270 --> 00:46:33,839

take the job because there were some

1384

00:46:36,470 --> 00:46:35,280

venting issues and said that there could

1385

00:46:37,589 --> 00:46:36,480

be some

1386

00:46:39,990 --> 00:46:37,599

some

1387

00:46:41,510 --> 00:46:40,000

flammable problems and it another

1388

00:46:43,030 --> 00:46:41,520

contractor actually took the job and i

1389

00:46:44,550 --> 00:46:43,040

guess they did have a fire trying to

1390

00:46:46,309 --> 00:46:44,560

clean these vents out but what are in

1391

00:46:47,670 --> 00:46:46,319

these vents i don't know the things this

1392

00:46:49,990 --> 00:46:47,680

guy was saying

1393

00:46:50,950 --> 00:46:50,000

freaked me out and

1394

00:46:52,790 --> 00:46:50,960

yet

1395

00:46:54,309 --> 00:46:52,800

you know it's not he's not coming like

1396

00:46:55,910 --> 00:46:54,319

he said he doesn't have a buck to make

1397

00:46:57,270 --> 00:46:55,920

he doesn't have an agenda there's no

1398

00:46:59,349 --> 00:46:57,280

objective here

1399

00:47:01,589 --> 00:46:59,359

and he's just openly telling me

1400

00:47:03,589 --> 00:47:01,599

something that he doesn't really want to

1401

00:47:06,710 --> 00:47:03,599

publicize so

1402

00:47:09,750 --> 00:47:06,720

when that happens you have to wonder you

1403

00:47:11,270 --> 00:47:09,760

know it's it's only

1404

00:47:13,589 --> 00:47:11,280

you know it would be second nature for

1405

00:47:15,750 --> 00:47:13,599

our military to go down every rabbit

1406

00:47:19,030 --> 00:47:15,760

hole to get some kind of advantage

1407

00:47:21,589 --> 00:47:19,040

against uh possible enemies

1408

00:47:23,990 --> 00:47:21,599

well and then uh there's one guy on that

1409

00:47:25,510 --> 00:47:24,000

i've been chatting with on social media

1410

00:47:27,109 --> 00:47:25,520

for a while actually interviewed him a

1411

00:47:29,510 --> 00:47:27,119

couple years ago

1412

00:47:30,870 --> 00:47:29,520

and you know and you've heard this story

1413

00:47:31,990 --> 00:47:30,880

before i'm sure

1414

00:47:34,549 --> 00:47:32,000

uh

1415

00:47:36,710 --> 00:47:34,559

he he won't let me meet him in person he

1416

00:47:38,470 --> 00:47:36,720

won't really even let me research his

1417

00:47:39,990 --> 00:47:38,480

background

1418

00:47:41,589 --> 00:47:40,000

i think he's just kind of leaking stuff

1419

00:47:43,109 --> 00:47:41,599

to me and i i don't think

1420

00:47:44,790 --> 00:47:43,119

he doesn't strike me as just some guy

1421

00:47:47,030 --> 00:47:44,800

that's got nothing better to do but just

1422

00:47:50,230 --> 00:47:47,040

put out information to get me to spin my

1423

00:47:51,990 --> 00:47:50,240

head around but but what he says

1424

00:47:53,990 --> 00:47:52,000

it's kind of far fetched but i'm not

1425

00:47:56,309 --> 00:47:54,000

going to rule out that there could be uh

1426

00:47:57,109 --> 00:47:56,319

non-human entities working

1427

00:47:59,430 --> 00:47:57,119

with

1428

00:48:01,910 --> 00:47:59,440

aspects of the military industrial

1429

00:48:03,829 --> 00:48:01,920

complex in these facilities

1430

00:48:05,430 --> 00:48:03,839

and i know it sounds crazy but i would

1431

00:48:06,950 --> 00:48:05,440

not rule that out

1432

00:48:08,470 --> 00:48:06,960

right

1433

00:48:09,990 --> 00:48:08,480

i wouldn't rule it out

1434

00:48:11,510 --> 00:48:10,000

no that's not beer porn i'm not trying

1435

00:48:12,950 --> 00:48:11,520

to scare anybody i mean whatever's

1436

00:48:14,790 --> 00:48:12,960

happening you and i are not going to be

1437

00:48:16,870 --> 00:48:14,800

able to do anything about it we still

1438

00:48:18,790 --> 00:48:16,880

got to live our lives you know what we

1439

00:48:20,390 --> 00:48:18,800

you know we got family whatever we we

1440

00:48:22,470 --> 00:48:20,400

can't just sit home and trip about all

1441

00:48:23,750 --> 00:48:22,480

this stuff i i still gonna go out and do

1442

00:48:25,510 --> 00:48:23,760

my thing and

1443

00:48:27,990 --> 00:48:25,520

live every minute of every day as best i

1444

00:48:29,349 --> 00:48:28,000

can and try to be happy and positive and

1445

00:48:31,109 --> 00:48:29,359

and you know then you come across

1446

00:48:32,710 --> 00:48:31,119

certain people that are maybe they're

1447

00:48:34,630 --> 00:48:32,720

interested in learning more but you know

1448

00:48:36,150 --> 00:48:34,640

you got to kind of be careful

1449

00:48:37,510 --> 00:48:36,160

some people get freaked out by this

1450

00:48:39,510 --> 00:48:37,520

stuff

1451  
00:48:41,030 --> 00:48:39,520  
they really do and you can go too deep

1452  
00:48:43,109 --> 00:48:41,040  
down the rabbit hole i mean there is a

1453  
00:48:45,430 --> 00:48:43,119  
real world that we all have to engage in

1454  
00:48:46,870 --> 00:48:45,440  
no matter how false that real world is

1455  
00:48:48,790 --> 00:48:46,880  
but that's what i like about it when you

1456  
00:48:50,549 --> 00:48:48,800  
look at least open-mindedly at these

1457  
00:48:51,910 --> 00:48:50,559  
things you get to see a bigger picture

1458  
00:48:53,750 --> 00:48:51,920  
of the real world it becomes more

1459  
00:48:55,190 --> 00:48:53,760  
colorful more unique

1460  
00:48:57,829 --> 00:48:55,200  
and more more

1461  
00:48:59,670 --> 00:48:57,839  
more relatable at least in my opinion to

1462  
00:49:01,109 --> 00:48:59,680  
um kind of put your head in the sand and

1463  
00:49:03,190 --> 00:49:01,119

think that none of these things can

1464

00:49:05,670 --> 00:49:03,200

happen is

1465

00:49:07,510 --> 00:49:05,680

very it's very civil and you know for a

1466

00:49:09,510 --> 00:49:07,520

civilian to do that and not pay

1467

00:49:11,589 --> 00:49:09,520

attention and just be in their own lane

1468

00:49:13,990 --> 00:49:11,599

but it's also monotonous robotic and

1469

00:49:15,750 --> 00:49:14,000

it's not very human-like so i think

1470

00:49:18,390 --> 00:49:15,760

philosophically people have always kind

1471

00:49:20,390 --> 00:49:18,400

of wanted to know more and i think that

1472

00:49:23,030 --> 00:49:20,400

yeah the military

1473

00:49:25,510 --> 00:49:23,040

has always found that they need to know

1474

00:49:27,109 --> 00:49:25,520

more than the average individual and you

1475

00:49:29,190 --> 00:49:27,119

no matter what part of the military you

1476

00:49:31,589 --> 00:49:29,200

talk to you can talk to anybody

1477

00:49:35,109 --> 00:49:31,599

there's a point where they stop talking

1478

00:49:38,230 --> 00:49:35,119

because it's sensitive material and i

1479

00:49:39,510 --> 00:49:38,240

think that this uh obviously this uap

1480

00:49:40,790 --> 00:49:39,520

phenomena

1481

00:49:42,870 --> 00:49:40,800

ufo

1482

00:49:45,589 --> 00:49:42,880

type

1483

00:49:47,670 --> 00:49:45,599

genre is is one of those areas where the

1484

00:49:50,150 --> 00:49:47,680

mouths stay closed a little bit quicker

1485

00:49:51,990 --> 00:49:50,160

than some of the other areas it doesn't

1486

00:49:53,349 --> 00:49:52,000

matter what part of the military or

1487

00:49:54,870 --> 00:49:53,359

anybody in the

1488

00:49:56,950 --> 00:49:54,880

the deep

1489

00:49:58,870 --> 00:49:56,960

knowledge arena they there's a point

1490

00:50:00,230 --> 00:49:58,880

where they stop talking

1491

00:50:01,589 --> 00:50:00,240

right right

1492

00:50:03,750 --> 00:50:01,599

you know and i'll tell you when when i

1493

00:50:06,790 --> 00:50:03,760

first heard that term uap

1494

00:50:08,710 --> 00:50:06,800

uh my first initial initial

1495

00:50:10,390 --> 00:50:08,720

thought was oh they're just trying to

1496

00:50:12,710 --> 00:50:10,400

you know take change the narrative and

1497

00:50:14,390 --> 00:50:12,720

so they can control it

1498

00:50:16,230 --> 00:50:14,400

but then i started thinking about it i

1499

00:50:19,510 --> 00:50:16,240

thought okay so we've got ufos

1500

00:50:22,150 --> 00:50:19,520

unidentified flying objects which could

1501  
00:50:23,990 --> 00:50:22,160  
be ours or could be theirs that's a fact

1502  
00:50:27,349 --> 00:50:24,000  
in my opinion or then when you talk

1503  
00:50:28,309 --> 00:50:27,359  
about unidentified aerial phenomena

1504  
00:50:30,630 --> 00:50:28,319  
now

1505  
00:50:32,950 --> 00:50:30,640  
what i think we're talking about is what

1506  
00:50:35,589 --> 00:50:32,960  
what we call orbs and you've seen them

1507  
00:50:37,190 --> 00:50:35,599  
yes i've seen them i've filmed them

1508  
00:50:38,309 --> 00:50:37,200  
i know they're real i've seen them more

1509  
00:50:39,829 --> 00:50:38,319  
than once

1510  
00:50:41,670 --> 00:50:39,839  
and i don't they're not they don't look

1511  
00:50:43,510 --> 00:50:41,680  
like a structured craft to me they're

1512  
00:50:45,430 --> 00:50:43,520  
just like balls of light i don't know

1513  
00:50:48,309 --> 00:50:45,440

what's in these balls of light or if

1514

00:50:50,069 --> 00:50:48,319

they can manifest into a craft or not i

1515

00:50:52,309 --> 00:50:50,079

just know that they don't look like any

1516

00:50:54,230 --> 00:50:52,319

kind of structured vehicle but they're

1517

00:50:57,190 --> 00:50:54,240

real i've seen them i've seen one in the

1518

00:50:59,430 --> 00:50:57,200

mojave desert in the daylight

1519

00:51:00,950 --> 00:50:59,440

40 foot around 100 yards away i saw it

1520

00:51:03,430 --> 00:51:00,960

for five seconds as soon as i tried to

1521

00:51:05,670 --> 00:51:03,440

take a picture of it it just blinked off

1522

00:51:07,270 --> 00:51:05,680

it was it didn't fly away it just

1523

00:51:09,349 --> 00:51:07,280

vanished right in front of my eyes and

1524

00:51:11,430 --> 00:51:09,359

it was i wish to god i could have taken

1525

00:51:13,510 --> 00:51:11,440

a picture because you know sometimes you

1526

00:51:14,710 --> 00:51:13,520

see things and you can get a shot of it

1527

00:51:16,549 --> 00:51:14,720

and sometimes they're good shots

1528

00:51:18,549 --> 00:51:16,559

sometimes they're not but when you have

1529

00:51:20,549 --> 00:51:18,559

a story that you that kind of affects

1530

00:51:22,470 --> 00:51:20,559

you permanently in your consciousness

1531

00:51:23,670 --> 00:51:22,480

and you can't prove it to somebody then

1532

00:51:24,790 --> 00:51:23,680

it's like okay you know they're either

1533

00:51:25,829 --> 00:51:24,800

going to believe you they're not you

1534

00:51:27,349 --> 00:51:25,839

know i can't i'm not going to try to

1535

00:51:28,230 --> 00:51:27,359

convince everybody i'll just tell the

1536

00:51:29,750 --> 00:51:28,240

story

1537

00:51:31,910 --> 00:51:29,760

but uh yeah i mean i've been seeing

1538

00:51:34,150 --> 00:51:31,920

strange stuff for right john paul told

1539

00:51:35,670 --> 00:51:34,160

me five years ago on a phone call after

1540

00:51:38,150 --> 00:51:35,680

i first started trying to look into this

1541

00:51:39,670 --> 00:51:38,160

a little more deeply he said you know uh

1542

00:51:41,190 --> 00:51:39,680

i don't know how he knew this or why he

1543

00:51:44,309 --> 00:51:41,200

believed it but he says you're gonna

1544

00:51:45,589 --> 00:51:44,319

start seeing ufos and i laughed i said i

1545

00:51:47,190 --> 00:51:45,599

said how would you know that and why

1546

00:51:48,470 --> 00:51:47,200

would you say that i mean i mean you

1547

00:51:49,829 --> 00:51:48,480

just because we had a five hour

1548

00:51:51,430 --> 00:51:49,839

conversation you think suddenly i'm

1549

00:51:53,030 --> 00:51:51,440

awake and i'm gonna start seeing ufos

1550

00:51:55,270 --> 00:51:53,040

i'm thinking about that that sounds

1551

00:51:57,109 --> 00:51:55,280

crazy to me but he was right i did

1552

00:51:58,630 --> 00:51:57,119

literally start seeing ufos i saw like

1553

00:52:00,390 --> 00:51:58,640

two of them within a period of two weeks

1554

00:52:02,230 --> 00:52:00,400

right in my area where i lived and i've

1555

00:52:04,390 --> 00:52:02,240

never seen them before ever i don't know

1556

00:52:06,069 --> 00:52:04,400

why that happened

1557

00:52:07,910 --> 00:52:06,079

so yeah i mean if people is i think

1558

00:52:09,750 --> 00:52:07,920

that's where consciousness comes in i i

1559

00:52:11,910 --> 00:52:09,760

believe that uh

1560

00:52:13,589 --> 00:52:11,920

you know consciousness is vast i mean

1561

00:52:15,910 --> 00:52:13,599

you know your experience that you have

1562

00:52:17,670 --> 00:52:15,920

as a human being living on this earth

1563

00:52:20,309 --> 00:52:17,680

and observing

1564

00:52:22,870 --> 00:52:20,319

uh can be affected by where your mindset

1565

00:52:25,349 --> 00:52:22,880

is and how open and receptive you are to

1566

00:52:27,349 --> 00:52:25,359

the possibilities of reality and the

1567

00:52:29,349 --> 00:52:27,359

multiple realities and the mo you know i

1568

00:52:31,270 --> 00:52:29,359

don't know anything about dimensions but

1569

00:52:32,950 --> 00:52:31,280

one analogy i could give you is if you

1570

00:52:35,190 --> 00:52:32,960

can get a hold of a pair of night vision

1571

00:52:37,349 --> 00:52:35,200

binoculars or goggles for example you

1572

00:52:39,750 --> 00:52:37,359

can look in the sky and you could see

1573

00:52:42,630 --> 00:52:39,760

objects in the sky

1574

00:52:44,549 --> 00:52:42,640

that are bright and alive moving that

1575

00:52:46,630 --> 00:52:44,559

you will not see with your naked eye so

1576

00:52:48,230 --> 00:52:46,640

that's a technology that we have that

1577

00:52:49,910 --> 00:52:48,240

confirms that there's something in the

1578

00:52:51,910 --> 00:52:49,920

sky i don't know what it is that you

1579

00:52:53,829 --> 00:52:51,920

can't see with the naked eye so maybe

1580

00:52:56,549 --> 00:52:53,839

that's how dimensions work maybe there's

1581

00:52:58,790 --> 00:52:56,559

things right in our general area that

1582

00:53:00,069 --> 00:52:58,800

that's right here that we can't see for

1583

00:53:02,790 --> 00:53:00,079

whatever reason i don't know how the

1584

00:53:04,549 --> 00:53:02,800

physics works on all that but but these

1585

00:53:06,309 --> 00:53:04,559

whatever it is this intelligent uh

1586

00:53:08,470 --> 00:53:06,319

consciousness that's able to kind of

1587

00:53:10,710 --> 00:53:08,480

manifest materialize and then

1588

00:53:12,309 --> 00:53:10,720

de-materialize like that story you told

1589

00:53:14,069 --> 00:53:12,319

me that you had uh out there at the near

1590

00:53:15,510 --> 00:53:14,079

the skinwalker ranch when that the wolf

1591

00:53:17,990 --> 00:53:15,520

and that porcupine showed up i told

1592

00:53:19,910 --> 00:53:18,000

dodie that story his mouth his jaw

1593

00:53:20,950 --> 00:53:19,920

dropped to the ground

1594

00:53:23,270 --> 00:53:20,960

you know i wish i could have taken a

1595

00:53:24,630 --> 00:53:23,280

picture i go i go dodie i could i could

1596

00:53:29,510 --> 00:53:24,640

probably make arrangements you can come

1597

00:53:35,109 --> 00:53:32,630

yeah it is it's a real thing and it's uh

1598

00:53:37,109 --> 00:53:35,119

it does seem like there is especially

1599

00:53:38,069 --> 00:53:37,119

with quantum physics getting into this

1600

00:53:40,390 --> 00:53:38,079

stuff

1601  
00:53:42,150 --> 00:53:40,400  
and there seems to be more than the

1602  
00:53:44,309 --> 00:53:42,160  
human eye can see and like you said with

1603  
00:53:46,150 --> 00:53:44,319  
a little help and this is not hard to do

1604  
00:53:48,150 --> 00:53:46,160  
anybody can do it like you said

1605  
00:53:51,750 --> 00:53:48,160  
and it's just about anywhere even major

1606  
00:53:54,549 --> 00:53:51,760  
urban centers so it's very interesting

1607  
00:53:57,109 --> 00:53:54,559  
before we wrap up here eric let's tell

1608  
00:53:58,790 --> 00:53:57,119  
listeners again about your podcast

1609  
00:53:59,990 --> 00:53:58,800  
where they can listen to you and keep up

1610  
00:54:01,349 --> 00:54:00,000  
with everything you're doing and then

1611  
00:54:02,309 --> 00:54:01,359  
we'll kind of wrap up with some more

1612  
00:54:04,390 --> 00:54:02,319  
stuff

1613  
00:54:07,270 --> 00:54:04,400

so yeah if you go on social media it's

1614

00:54:09,670 --> 00:54:07,280

eric awakening man if you do facebook

1615

00:54:12,150 --> 00:54:09,680

it's eric e ric

1616

00:54:13,670 --> 00:54:12,160

jensen j i h n s o n you'll see a

1617

00:54:16,309 --> 00:54:13,680

picture of a cat

1618

00:54:17,750 --> 00:54:16,319

beautiful cat um so i've got multiple

1619

00:54:20,870 --> 00:54:17,760

identities

1620

00:54:22,950 --> 00:54:20,880

just to be honest i i don't really i'm

1621

00:54:24,309 --> 00:54:22,960

kind of a low profile kind of guy you're

1622

00:54:26,309 --> 00:54:24,319

actually i've only done maybe two

1623

00:54:28,069 --> 00:54:26,319

interviews or you're one of the few that

1624

00:54:29,910 --> 00:54:28,079

i've ever done because i i like you and

1625

00:54:31,750 --> 00:54:29,920

i trust you and i know you're i believe

1626

00:54:33,910 --> 00:54:31,760

you're on the same path i am so i feel

1627

00:54:36,069 --> 00:54:33,920

and i've spoken very openly today where

1628

00:54:37,829 --> 00:54:36,079

i normally probably wouldn't say a lot

1629

00:54:39,109 --> 00:54:37,839

of the things i told you i probably

1630

00:54:40,470 --> 00:54:39,119

wouldn't tell a lot of people just

1631

00:54:41,510 --> 00:54:40,480

because they're going to think i'm a

1632

00:54:43,349 --> 00:54:41,520

yahoo

1633

00:54:46,789 --> 00:54:43,359

so that's or if you go to if you go to

1634

00:54:50,829 --> 00:54:46,799

youtube you type in uh altered it's the

1635

00:54:53,990 --> 00:54:50,839

uh with vinnie cosis v-e-n-n-i-e

1636

00:54:56,230 --> 00:54:54,000

k-o-c-s-i-s uh we've done three shows uh

1637

00:54:57,990 --> 00:54:56,240

we did a show with um

1638

00:55:00,230 --> 00:54:58,000

we did our first show which is her and i

1639

00:55:01,990 --> 00:55:00,240

talking about why we're doing this show

1640

00:55:04,069 --> 00:55:02,000

then the second uh show was with rick

1641

00:55:05,910 --> 00:55:04,079

doty which was we've got over 1100 views

1642

00:55:08,069 --> 00:55:05,920

in like two weeks on that one we've only

1643

00:55:10,549 --> 00:55:08,079

got 250 subscribers we just started so

1644

00:55:11,990 --> 00:55:10,559

we don't have a huge audience yet and

1645

00:55:14,789 --> 00:55:12,000

then the third show we did with this

1646

00:55:17,030 --> 00:55:14,799

lady named annie uh from utah who is a

1647

00:55:20,230 --> 00:55:17,040

mo uh experiences with has experiences

1648

00:55:21,670 --> 00:55:20,240

with multiple et's including the mantis

1649

00:55:24,150 --> 00:55:21,680

he's been told

1650

00:55:25,750 --> 00:55:24,160

uh that he was a mantis in a past life

1651  
00:55:28,470 --> 00:55:25,760  
and that's a fascinating interview and

1652  
00:55:30,630 --> 00:55:28,480  
we try to keep him to about 75 or 90

1653  
00:55:33,430 --> 00:55:30,640  
minutes with no commercials

1654  
00:55:35,510 --> 00:55:33,440  
no like i say no commercials no fluff we

1655  
00:55:37,030 --> 00:55:35,520  
just go right at it we get as much

1656  
00:55:38,549 --> 00:55:37,040  
detail as we can out of the out of the

1657  
00:55:40,309 --> 00:55:38,559  
story and then we just leave it kind of

1658  
00:55:41,750 --> 00:55:40,319  
like you do with your show we just want

1659  
00:55:43,430 --> 00:55:41,760  
to get but people don't want to spend

1660  
00:55:46,150 --> 00:55:43,440  
three hours here and you know two hours

1661  
00:55:48,069 --> 00:55:46,160  
of bs and one hour of some good stuff so

1662  
00:55:49,589 --> 00:55:48,079  
we just want to give them good stuff and

1663  
00:55:51,990 --> 00:55:49,599

then if they want to look into it they

1664

00:55:53,910 --> 00:55:52,000

can and if you know whatever i i'm just

1665

00:55:56,150 --> 00:55:53,920

like you i'm trying to put out content

1666

00:55:57,990 --> 00:55:56,160

because i think it's interesting and and

1667

00:55:59,750 --> 00:55:58,000

i look for content that i can personally

1668

00:56:02,230 --> 00:55:59,760

verify that i believe is true and it's

1669

00:56:04,230 --> 00:56:02,240

not just like i hear a story for example

1670

00:56:06,390 --> 00:56:04,240

i don't just automatically sign up i i

1671

00:56:08,549 --> 00:56:06,400

try to get to know these people i try to

1672

00:56:10,630 --> 00:56:08,559

maybe track them for a couple years not

1673

00:56:12,630 --> 00:56:10,640

literally track them but follow them and

1674

00:56:14,390 --> 00:56:12,640

maybe conver and have conversations with

1675

00:56:16,230 --> 00:56:14,400

them and see how the story might or

1676

00:56:18,309 --> 00:56:16,240

might not change how how maybe they have

1677

00:56:20,230 --> 00:56:18,319

new experiences and then after a period

1678

00:56:22,069 --> 00:56:20,240

of time i could say okay you know what i

1679

00:56:23,670 --> 00:56:22,079

feel this person is telling me the truth

1680

00:56:25,510 --> 00:56:23,680

i'm going to put this out there i'm

1681

00:56:26,710 --> 00:56:25,520

going to put my name on this story yeah

1682

00:56:29,589 --> 00:56:26,720

that's kind of what we're doing with

1683

00:56:31,589 --> 00:56:29,599

altered that's so cool and it's a really

1684

00:56:33,109 --> 00:56:31,599

it's a great podcast i highly recom i

1685

00:56:35,829 --> 00:56:33,119

know that subscriber number's gonna go

1686

00:56:38,150 --> 00:56:35,839

up i'm one of them and it it deserves it

1687

00:56:39,829 --> 00:56:38,160

and going down this um you're right

1688

00:56:41,670 --> 00:56:39,839

where you left off about consciousness

1689

00:56:43,510 --> 00:56:41,680

that seems to be

1690

00:56:45,349 --> 00:56:43,520

where everything is going and that

1691

00:56:47,430 --> 00:56:45,359

consciousness is the source of all

1692

00:56:49,349 --> 00:56:47,440

reality and that these dimensional

1693

00:56:51,190 --> 00:56:49,359

beings or

1694

00:56:53,270 --> 00:56:51,200

ultra-terrestrial or basically that

1695

00:56:56,470 --> 00:56:53,280

there's more going on quite literally

1696

00:56:57,990 --> 00:56:56,480

under our noses in real time

1697

00:56:59,589 --> 00:56:58,000

yeah i'll tell you one more quick story

1698

00:57:01,750 --> 00:56:59,599

this is the next leg of my trip i'm

1699

00:57:04,470 --> 00:57:01,760

going to uh hot springs arkansas where

1700

00:57:06,549 --> 00:57:04,480

eric mitchell lives sweet and he had an

1701  
00:57:08,309 --> 00:57:06,559  
experience in 2013

1702  
00:57:09,670 --> 00:57:08,319  
where they were he and several of his

1703  
00:57:11,349 --> 00:57:09,680  
friends were at the apartment complex

1704  
00:57:13,670 --> 00:57:11,359  
having a barbecue out there in the patio

1705  
00:57:15,270 --> 00:57:13,680  
area and this big giant ball of light or

1706  
00:57:16,870 --> 00:57:15,280  
whatever you want to refer to it as i

1707  
00:57:19,030 --> 00:57:16,880  
can't even hover it over them all the

1708  
00:57:21,030 --> 00:57:19,040  
neighbors ran into the house he chose to

1709  
00:57:22,390 --> 00:57:21,040  
just stay there look at it this thing

1710  
00:57:25,030 --> 00:57:22,400  
zapped him

1711  
00:57:27,750 --> 00:57:25,040  
and and then after that his life changed

1712  
00:57:29,910 --> 00:57:27,760  
his he became he says he had whatever

1713  
00:57:31,829 --> 00:57:29,920

happened to him he was suddenly about 40

1714

00:57:35,030 --> 00:57:31,839

smarter and more intelligent than he was

1715

00:57:36,549 --> 00:57:35,040

prior so over a period of time doing his

1716

00:57:38,549 --> 00:57:36,559

own personal research trying to figure

1717

00:57:40,549 --> 00:57:38,559

out what had happened to him he was able

1718

00:57:43,109 --> 00:57:40,559

eventually to get an mri and they

1719

00:57:44,710 --> 00:57:43,119

located us a part of his brain that was

1720

00:57:46,150 --> 00:57:44,720

kind of lit up

1721

00:57:47,750 --> 00:57:46,160

and so they've been doing research

1722

00:57:49,109 --> 00:57:47,760

through harvard that nobody knows about

1723

00:57:51,190 --> 00:57:49,119

this yet but this is going to come out

1724

00:57:53,430 --> 00:57:51,200

in the future very soon and also at

1725

00:57:54,870 --> 00:57:53,440

stanford which eric davis's stanford is

1726  
00:57:56,870 --> 00:57:54,880  
not happy that i've even mentioned this

1727  
00:57:58,710 --> 00:57:56,880  
he's blocked me on twitter because it's

1728  
00:58:00,549 --> 00:57:58,720  
a private study that's not even public

1729  
00:58:02,789 --> 00:58:00,559  
but they're studying the brains of

1730  
00:58:04,470 --> 00:58:02,799  
experiencers and they're finding that

1731  
00:58:06,710 --> 00:58:04,480  
there's a part of their brain that is

1732  
00:58:08,549 --> 00:58:06,720  
lit up about 30 percent brighter than

1733  
00:58:10,710 --> 00:58:08,559  
what a standard human who's never had an

1734  
00:58:11,990 --> 00:58:10,720  
experience before that is proof and

1735  
00:58:13,750 --> 00:58:12,000  
evidence that's going to come out in the

1736  
00:58:15,270 --> 00:58:13,760  
future that's going to verify these

1737  
00:58:17,270 --> 00:58:15,280  
people having real experiences and

1738  
00:58:19,829 --> 00:58:17,280

something is happening to them

1739

00:58:21,750 --> 00:58:19,839

it's absolutely fascinating i i love

1740

00:58:23,109 --> 00:58:21,760

it's fascinating i love eric mitchell

1741

00:58:25,270 --> 00:58:23,119

and talk about

1742

00:58:27,750 --> 00:58:25,280

very intelligent guy and like you said

1743

00:58:29,109 --> 00:58:27,760

got uh got this download and now has

1744

00:58:31,109 --> 00:58:29,119

this

1745

00:58:32,630 --> 00:58:31,119

antenna ability really he knows when

1746

00:58:34,230 --> 00:58:32,640

these things are coming and they come

1747

00:58:35,829 --> 00:58:34,240

often and like you said when you look

1748

00:58:38,150 --> 00:58:35,839

for these things i think even the

1749

00:58:40,069 --> 00:58:38,160

layperson just about everybody will

1750

00:58:42,390 --> 00:58:40,079

start to see them more a lot of people

1751

00:58:44,390 --> 00:58:42,400

don't keep their eyes to the skies and

1752

00:58:46,309 --> 00:58:44,400

and they try to uh like you said it

1753

00:58:48,789 --> 00:58:46,319

scares people they try not to look at it

1754

00:58:51,030 --> 00:58:48,799

so you're completely right on that any

1755

00:58:52,150 --> 00:58:51,040

any last last

1756

00:58:54,390 --> 00:58:52,160

thoughts you have

1757

00:58:55,990 --> 00:58:54,400

no i'm just i'm looking forward to when

1758

00:58:57,349 --> 00:58:56,000

you and i get to hang out again i mean i

1759

00:58:59,430 --> 00:58:57,359

know you're you're family man you're

1760

00:59:01,030 --> 00:58:59,440

busy but i know that i know that time's

1761

00:59:03,270 --> 00:59:01,040

coming and i can tell you

1762

00:59:04,549 --> 00:59:03,280

certain people i get a vibe about and

1763

00:59:06,549 --> 00:59:04,559

there's just i don't know what you want

1764

00:59:08,470 --> 00:59:06,559

to call it but i just know that when you

1765

00:59:10,470 --> 00:59:08,480

and i get together some stuff's going to

1766

00:59:11,829 --> 00:59:10,480

happen i just feel it so i'm excited

1767

00:59:13,670 --> 00:59:11,839

about that i'm looking forward to it

1768

00:59:16,630 --> 00:59:13,680

yeah man and i can't thank you enough

1769

00:59:17,910 --> 00:59:16,640

for coming on the podcast uh i highly

1770

00:59:19,270 --> 00:59:17,920

appreciate it and i can't wait to talk

1771

00:59:20,470 --> 00:59:19,280

to you again man have a great rest of

1772

00:59:21,829 --> 00:59:20,480

your journey

1773

00:59:23,589 --> 00:59:21,839

okay brother we'll talk to you soon have

1774

00:59:25,030 --> 00:59:23,599

a good and and thank you thanks audience

1775

00:59:27,430 --> 00:59:25,040

for listening

1776

00:59:30,230 --> 00:59:27,440

there he is ladies and gentlemen eric

1777

00:59:33,349 --> 00:59:30,240

awakening man definitely check out the

1778

00:59:35,270 --> 00:59:33,359

altered podcast and

1779

00:59:36,789 --> 00:59:35,280

i'm afraid we didn't go into too many

1780

00:59:39,750 --> 00:59:36,799

stories but he has so many but you get

1781

00:59:42,069 --> 00:59:39,760

the idea lots of knowledge in the field

1782

00:59:44,549 --> 00:59:42,079

constantly researching and just the kind

1783

00:59:46,069 --> 00:59:44,559

of guest we like on hero paranormal

1784

00:59:47,990 --> 00:59:46,079

until next time keep your eyes to the

1785

01:00:00,790 --> 00:59:48,000

skies feet on the ground but don't
