[Music]

00:00:42,069 --> 00:00:40,069

blast off on another episode of hero

6
00:00:44,310 --> 00:00:42,079

paranormal podcast

7
00:00:48,150 --> 00:00:44,320

broadcasting from the base at la madre

8
00:00:50,709 --> 00:00:48,160

mountain south of area 51 my name is

9
00:00:53,830 --> 00:00:50,719

ryan the original overseer of the

10
00:00:54,869 --> 00:00:53,840

airwaves bringing you an epic episode

11
00:00:58,869 --> 00:00:54,879

tonight

12
00:01:00,869 --> 00:00:58,879

today's amazing guest is chuck zakowski

13
00:01:04,630 --> 00:01:00,879

if you've read the book

14

00:01:07,030 --> 00:01:04,640

by ben mesrick called the 37th parallel

15

00:01:10,230 --> 00:01:07,040

well then i can stop right there just

16

00:01:12,789 --> 00:01:10,240

kidding but seriously chuck is exactly

17

00:01:15,429 --> 00:01:12,799

as motivated as the book makes him out

18

00:01:16,550 --> 00:01:15,439

to be aside from being a microchip

19

00:01:18,469 --> 00:01:16,560

engineer

20

00:01:20,630 --> 00:01:18,479

and sheriff deputy

21

00:01:23,270 --> 00:01:20,640

chuck is recognized as one of the most

22

00:01:25,670 --> 00:01:23,280

hardcore boots on the ground researchers

23

00:01:27,270 --> 00:01:25,680

out there and with good reason

24

00:01:31,190 --> 00:01:27,280

i had the pleasure of meeting chuck in

25

00:01:33,510 --> 00:01:31,200

the uinta basin of all places uh

26
00:01:37,109 --> 00:01:33,520
while he was filming the pilot episode

27
00:01:39,190 --> 00:01:37,119
of alien highway and i can attest

28
00:01:41,350 --> 00:01:39,200
that the reason chuck is recognized as

29
00:01:44,469 --> 00:01:41,360
one of the most motivated researchers

30
00:01:47,670 --> 00:01:44,479
out there is because it's true chuck

31
00:01:49,350 --> 00:01:47,680
zakowski has documented hundreds of

32
00:01:52,550 --> 00:01:49,360
bizarre incidents

33
00:01:54,710 --> 00:01:52,560
ufo sightings and cattle mutilations

34
00:01:57,030 --> 00:01:54,720
he is also in charge of the popular

35
00:01:59,429 --> 00:01:57,040
website ufonut.com

36
00:02:01,670 --> 00:01:59,439
where you can find all kinds of info and

37
00:02:04,469 --> 00:02:01,680
what chuck is usually up to

38
00:02:06,830 --> 00:02:04,479

chuck has been featured on many

39

00:02:10,389 --> 00:02:06,840

television radio and

40

00:02:11,910 --> 00:02:10,399

podcasts worldwide he is a wealth of

41

00:02:14,390 --> 00:02:11,920

knowledge and information and i'm

42

00:02:17,990 --> 00:02:14,400

excited to have him on the show chuck

43

00:02:20,229 --> 00:02:18,000

welcome to the hero paranormal podcast

44

00:02:22,630 --> 00:02:20,239

hey thank you very much for having me i

45

00:02:23,830 --> 00:02:22,640

really appreciate it it was fun uh

46

00:02:24,630 --> 00:02:23,840

shooting uh

47

00:02:29,990 --> 00:02:24,640

in

48

00:02:31,509 --> 00:02:30,000

talked to other um podcasters actually

49

00:02:34,550 --> 00:02:31,519

about you ryan you know about some of

50

00:02:36,710 --> 00:02:34,560

the experiences you've had there and uh

51
00:02:38,470 --> 00:02:36,720
and how you were a wealth of uh

52
00:02:40,630 --> 00:02:38,480
knowledge while we were shooting

53
00:02:45,030 --> 00:02:40,640
actually we were shooting our um

54
00:02:47,990 --> 00:02:45,040
uh like the second episode oh okay

55
00:02:50,470 --> 00:02:48,000
yeah so we were we were already you know

56
00:02:53,110 --> 00:02:50,480
boots on the ground and things going

57
00:02:56,229 --> 00:02:53,120
but i tell you um you know we've we had

58
00:02:57,270 --> 00:02:56,239
a a few you know we did eight episodes

59
00:02:59,110 --> 00:02:57,280
of uh

60
00:03:01,270 --> 00:02:59,120
of alien highway

61
00:03:03,670 --> 00:03:01,280
and um

62
00:03:06,229 --> 00:03:03,680
one of the episodes i was really looking

63
00:03:08,869 --> 00:03:06,239

forward to was that you talk

64

00:03:11,430 --> 00:03:08,879

you know your uh your your neck of the

65

00:03:13,030 --> 00:03:11,440

ground i guess you know i should say

66

00:03:15,030 --> 00:03:13,040

so i was really

67

00:03:19,430 --> 00:03:15,040

really have a lot of fun down there

68

00:03:25,910 --> 00:03:21,990

you know i do live in colorado so uh you

69

00:03:30,070 --> 00:03:28,710

yeah that was great and chuck you

70

00:03:32,390 --> 00:03:30,080

let me ask you a question kind of

71

00:03:34,789 --> 00:03:32,400

jumping off point here you wrote an

72

00:03:37,190 --> 00:03:34,799

amazing piece on your website which we

73

00:03:41,030 --> 00:03:37,200

mentioned ufonut.com

74

00:03:43,750 --> 00:03:41,040

about the alien hydrogen hypothesis and

75

00:03:46,550 --> 00:03:43,760

this is a mind-blowing theory that may

76

00:03:48,309 --> 00:03:46,560

explain some of the activity in

77

00:03:50,390 --> 00:03:48,319

a place i frequent often which we just

78

00:03:52,789 --> 00:03:50,400

mentioned from a research perspective

79

00:03:54,710 --> 00:03:52,799

the uintah basin of utah can you tell

80

00:03:58,789 --> 00:03:54,720

our listeners and other places can you

81

00:04:01,990 --> 00:03:58,799

tell our listeners more about the theory

82

00:04:04,470 --> 00:04:02,000

yeah absolutely you know um

83

00:04:06,309 --> 00:04:04,480

you know i'm i'm always low to uh full

84

00:04:09,270 --> 00:04:06,319

of theories you know

85

00:04:10,630 --> 00:04:09,280

um the 37th parallel you know started

86

00:04:12,710 --> 00:04:10,640

started off

87

00:04:15,190 --> 00:04:12,720

uh was something i could see happening

88

00:04:17,110 --> 00:04:15,200

across the u.s but you know something

89

00:04:19,030 --> 00:04:17,120

i've always

90

00:04:20,390 --> 00:04:19,040

pondered about let's say

91

00:04:23,270 --> 00:04:20,400

is

92

00:04:27,270 --> 00:04:23,280

alien bases and and

93

00:04:30,469 --> 00:04:27,280

why certain parts of the us may

94

00:04:33,030 --> 00:04:30,479

have more of a density of

95

00:04:35,110 --> 00:04:33,040

of of ufo sightings now ufo sightings

96

00:04:36,550 --> 00:04:35,120

occur all over the u.s

97

00:04:37,830 --> 00:04:36,560

but they've got to be coming from

98

00:04:38,710 --> 00:04:37,840

somewhere

99

00:04:40,469 --> 00:04:38,720

and

100

00:04:41,909 --> 00:04:40,479

it's true there's you know there's uh

101
00:04:43,749 --> 00:04:41,919
what i believe and there's a lot of

102
00:04:45,590 --> 00:04:43,759
bases under water

103
00:04:46,629 --> 00:04:45,600
the earth has covered 70 percent of

104
00:04:47,990 --> 00:04:46,639
water

105
00:04:50,230 --> 00:04:48,000
but

106
00:04:51,909 --> 00:04:50,240
every one of

107
00:04:54,710 --> 00:04:51,919
my sightings

108
00:04:56,870 --> 00:04:54,720
you know where there's been sightings

109
00:04:58,790 --> 00:04:56,880
multiple times

110
00:04:59,990 --> 00:04:58,800
there always seems to be a water source

111
00:05:01,110 --> 00:05:00,000
nearby

112
00:05:04,150 --> 00:05:01,120
even with

113
00:05:06,070 --> 00:05:04,160

cattle mutilation or animal mutilation

114

00:05:07,990 --> 00:05:06,080

investigations that i've done it there

115

00:05:12,469 --> 00:05:08,000

always seems to be some type of water

116

00:05:14,150 --> 00:05:12,479

source it would be a stream or a lake or

117

00:05:18,230 --> 00:05:14,160

or even

118

00:05:21,510 --> 00:05:18,240

in some cases large animal water troughs

119

00:05:23,270 --> 00:05:21,520

uh in cases where uh i've done ufo

120

00:05:25,430 --> 00:05:23,280

investigation dental mutation

121

00:05:28,469 --> 00:05:25,440

investigations

122

00:05:31,430 --> 00:05:28,479

balls of light up here and balls of wide

123

00:05:33,110 --> 00:05:31,440

aren't really considered orbs orbs are

124

00:05:35,110 --> 00:05:33,120

more spiritual like

125

00:05:38,870 --> 00:05:35,120

if you watch a lot of ghost hunting

126
00:05:40,629 --> 00:05:38,880
shows ghost investigating shows on tv uh

127
00:05:43,830 --> 00:05:40,639
you know when they talk about a ball

128
00:05:46,070 --> 00:05:43,840
light or or the orb you know that's

129
00:05:48,230 --> 00:05:46,080
that's different an orb is spiritual and

130
00:05:50,710 --> 00:05:48,240
spiritual energy ball of light

131
00:05:53,110 --> 00:05:50,720
is more mechanical it's more like a

132
00:05:55,189 --> 00:05:53,120
probe and they've been around for a long

133
00:05:56,469 --> 00:05:55,199
time they've been seen all through

134
00:05:57,590 --> 00:05:56,479
history

135
00:06:00,710 --> 00:05:57,600
and

136
00:06:03,270 --> 00:06:00,720
really prevalent during world war ii

137
00:06:05,350 --> 00:06:03,280
they were known as the foo fighters we

138
00:06:07,189 --> 00:06:05,360

saw the japanese

139

00:06:09,270 --> 00:06:07,199

psalm we thought it was a japanese

140

00:06:11,270 --> 00:06:09,280

japanese thought it was us

141

00:06:13,189 --> 00:06:11,280

either way

142

00:06:14,629 --> 00:06:13,199

even animal mutilations for balls of

143

00:06:16,870 --> 00:06:14,639

lighter seen there's some type of a

144

00:06:17,909 --> 00:06:16,880

water source but you're trying to figure

145

00:06:20,629 --> 00:06:17,919

out okay

146

00:06:23,430 --> 00:06:20,639

what's so significant about water

147

00:06:25,189 --> 00:06:23,440

that that ufos love

148

00:06:27,510 --> 00:06:25,199

and not just hiding it you know the

149

00:06:29,990 --> 00:06:27,520

ocean you know obviously they can go

150

00:06:32,309 --> 00:06:30,000

pretty far down into the ocean and have

151

00:06:33,909 --> 00:06:32,319

a base under underwater

152

00:06:36,390 --> 00:06:33,919

but there's others you know but when

153

00:06:38,230 --> 00:06:36,400

they're seeing in lakes where maybe

154

00:06:40,390 --> 00:06:38,240

you know um you know lakes may only be a

155

00:06:41,909 --> 00:06:40,400

hundred feet deep or so or even less

156

00:06:43,909 --> 00:06:41,919

than that or they see

157

00:06:45,189 --> 00:06:43,919

near streams may only be a couple of

158

00:06:46,710 --> 00:06:45,199

feet

159

00:06:48,390 --> 00:06:46,720

there's got to be you know they're not

160

00:06:50,469 --> 00:06:48,400

hiding there's there's got to be another

161

00:06:54,150 --> 00:06:50,479

reason for it so if you look at water

162

00:06:56,870 --> 00:06:54,160

water is h₂o right so it's it's two

163

00:06:58,710 --> 00:06:56,880

atoms of a hydrogen and one of oxygen

164

00:07:02,550 --> 00:06:58,720

now

165

00:07:04,150 --> 00:07:02,560

hydrogen is pretty easy easy to get we

166

00:07:06,870 --> 00:07:04,160

have hydrogen

167

00:07:11,990 --> 00:07:06,880

in our atmosphere and hydrogen in our

168

00:07:13,430 --> 00:07:12,000

water oxygen a little harder to get um

169

00:07:15,270 --> 00:07:13,440

only because

170

00:07:16,950 --> 00:07:15,280

you know uh

171

00:07:19,270 --> 00:07:16,960

there's really

172

00:07:20,550 --> 00:07:19,280

not as much oxygen

173

00:07:22,390 --> 00:07:20,560

um

174

00:07:23,670 --> 00:07:22,400

in in the air

175

00:07:26,070 --> 00:07:23,680

as

176

00:07:27,909 --> 00:07:26,080

you know you would think you know

177

00:07:29,830 --> 00:07:27,919

so it'd be easier

178

00:07:31,270 --> 00:07:29,840

for you opposed to get hydrogen out of

179

00:07:33,189 --> 00:07:31,280

the air because there's actually more

180

00:07:35,909 --> 00:07:33,199

hydrogen in our atmosphere than there is

181

00:07:37,749 --> 00:07:35,919

oxygen and there's a lot of hydrogen

182

00:07:39,110 --> 00:07:37,759

in you know water

183

00:07:42,790 --> 00:07:39,120

so

184

00:07:44,469 --> 00:07:42,800

the theory is is if hydrogens is what

185

00:07:47,029 --> 00:07:44,479

they like now either

186

00:07:49,110 --> 00:07:47,039

use for propulsion or to sustain life or

187

00:07:51,029 --> 00:07:49,120

whatever but it always seems to be

188

00:07:53,270 --> 00:07:51,039

hydrogen was the key

189

00:07:54,950 --> 00:07:53,280

so now you look at places across the

190

00:07:56,230 --> 00:07:54,960

globe where there's a lot of sightings

191

00:07:57,270 --> 00:07:56,240

and of course there's a lot of water

192

00:07:58,710 --> 00:07:57,280

fighting

193

00:07:59,990 --> 00:07:58,720

okay there's hydrogen but when you look

194

00:08:01,510 --> 00:08:00,000

on the continent

195

00:08:03,510 --> 00:08:01,520

you know

196

00:08:04,790 --> 00:08:03,520

you've got to look at other places other

197

00:08:05,589 --> 00:08:04,800

than lakes

198

00:08:09,670 --> 00:08:05,599

that

199

00:08:12,230 --> 00:08:09,680

would give them hydrogen so then you

200

00:08:13,909 --> 00:08:12,240

start looking at the underwater you know

201

00:08:16,390 --> 00:08:13,919

systems aquifer

202

00:08:18,710 --> 00:08:16,400

when you start looking at aquifers uh

203

00:08:19,830 --> 00:08:18,720

one of the things about the 37 panel

204

00:08:25,189 --> 00:08:19,840

theory

205

00:08:27,990 --> 00:08:25,199

extraterrestrial highway that shoots

206

00:08:29,909 --> 00:08:28,000

across the united states on the 37th

207

00:08:33,190 --> 00:08:29,919

degree latitude a little bit in the 38 a

208

00:08:35,670 --> 00:08:33,200

little bit in the 36 but if you go if

209

00:08:38,630 --> 00:08:35,680

you look at the 37 degree latitude you

210

00:08:41,110 --> 00:08:38,640

can hit every one of our aquifers

211

00:08:43,589 --> 00:08:41,120

underground waters

212

00:08:46,470 --> 00:08:43,599

and there's a lot of caverns so if there

213

00:08:49,670 --> 00:08:46,480

were any type of military bases

214

00:08:51,590 --> 00:08:49,680

underground you know

215

00:08:53,509 --> 00:08:51,600

it looks like there might they may have

216

00:08:55,509 --> 00:08:53,519

a connection to a water source maybe

217

00:08:57,990 --> 00:08:55,519

they want to be near water so

218

00:08:59,910 --> 00:08:58,000

but let's go one step further now the

219

00:09:03,269 --> 00:08:59,920

skin walker vents

220

00:09:06,550 --> 00:09:03,279

in utah there is a water source

221

00:09:07,430 --> 00:09:06,560

there there's aquifer there

222

00:09:09,670 --> 00:09:07,440

but

223

00:09:12,230 --> 00:09:09,680

there's also a lot of

224

00:09:15,590 --> 00:09:12,240

what they call gas plate

225

00:09:17,509 --> 00:09:15,600

or shale gas plates and a play is a

226

00:09:18,389 --> 00:09:17,519

uh you know natural thing you will see

227

00:09:21,110 --> 00:09:18,399

you know

228

00:09:22,949 --> 00:09:21,120

on broadway but it's a um

229

00:09:26,949 --> 00:09:22,959

you know it's what they call

230

00:09:30,470 --> 00:09:26,959

sources of of of underground

231

00:09:32,150 --> 00:09:30,480

crude oil or uh you know or natural gas

232

00:09:34,710 --> 00:09:32,160

at home place

233

00:09:37,829 --> 00:09:34,720

now the interesting thing about this is

234

00:09:39,750 --> 00:09:37,839

is you can extract hydrogen

235

00:09:42,070 --> 00:09:39,760

from crude oil

236

00:09:43,509 --> 00:09:42,080

or from natural gas

237

00:09:44,710 --> 00:09:43,519

pretty easily

238

00:09:45,750 --> 00:09:44,720

and

239

00:09:46,630 --> 00:09:45,760

uh

240

00:09:48,310 --> 00:09:46,640

but

241

00:09:51,269 --> 00:09:48,320

when you do extract

242

00:09:52,310 --> 00:09:51,279

you know hydrogen from oil or or natural

243

00:09:55,110 --> 00:09:52,320

gas

244

00:09:56,389 --> 00:09:55,120

you you would have to use some type of

245

00:09:58,470 --> 00:09:56,399

mechanical

246

00:10:00,870 --> 00:09:58,480

device to extract it

247

00:10:03,030 --> 00:10:00,880

meaning you know some type of device is

248

00:10:06,470 --> 00:10:03,040

extracted and that device

249

00:10:07,509 --> 00:10:06,480

will give off electromagnetic field just

250

00:10:10,069 --> 00:10:07,519

because

251

00:10:11,990 --> 00:10:10,079

of what you're trying to do

252

00:10:14,550 --> 00:10:12,000

it's really easy for anybody to pull

253

00:10:17,110 --> 00:10:14,560

hydrogen from water you can take a glass

254

00:10:19,990 --> 00:10:17,120

of water and take a 9 volt battery don't

255

00:10:22,389 --> 00:10:20,000

drop the battery in the water okay

256

00:10:24,949 --> 00:10:22,399

so you take a 9 volt battery expect a

257

00:10:26,389 --> 00:10:24,959

couple wires about you know 6 to 8

258

00:10:29,509 --> 00:10:26,399

inches long

259

00:10:31,590 --> 00:10:29,519

and the time to the battery the negative

260

00:10:33,269 --> 00:10:31,600

positive side don't touch the sides you

261

00:10:35,990 --> 00:10:33,279

know the wires together

262

00:10:37,670 --> 00:10:36,000

and keeping the wires apart put them in

263

00:10:39,350 --> 00:10:37,680

the glass of water

264

00:10:41,430 --> 00:10:39,360

and just let it sit there now you're

265

00:10:42,870 --> 00:10:41,440

going to get a mist eventually coming

266

00:10:45,430 --> 00:10:42,880

out and what you're doing is you're

267

00:10:47,110 --> 00:10:45,440

creating a hydrogen that mist is pure

268

00:10:52,069 --> 00:10:47,120

hydrogen

269

00:10:55,030 --> 00:10:52,079

water a little bit harder to extract it

270

00:10:59,030 --> 00:10:55,040

from from oil but

271

00:11:01,310 --> 00:10:59,040

you know when you do extract it from oil

272

00:11:03,350 --> 00:11:01,320

or even water too you you will create

273

00:11:05,670 --> 00:11:03,360

electromagnetic field but here's

274

00:11:06,710 --> 00:11:05,680

something that's really interesting ryan

275

00:11:09,350 --> 00:11:06,720

is

276

00:11:11,990 --> 00:11:09,360

for the longest time you know as far

277

00:11:14,630 --> 00:11:12,000

back as jl and heinek right who

278

00:11:16,630 --> 00:11:14,640

investigating ufos they were using

279

00:11:19,350 --> 00:11:16,640

compasses and then

280

00:11:20,949 --> 00:11:19,360

later on using electromagnetic you know

281

00:11:23,350 --> 00:11:20,959

uh field

282

00:11:25,190 --> 00:11:23,360

meters you know as the technology got a

283

00:11:27,269 --> 00:11:25,200

little bit easier but of course with

284

00:11:29,430 --> 00:11:27,279

with bail in the heineken he had the air

285

00:11:31,670 --> 00:11:29,440

force backing him up so you know he had

286

00:11:34,949 --> 00:11:31,680

all the cool instruments back then

287

00:11:36,310 --> 00:11:34,959

so anytime there's a ufo siding or a

288

00:11:38,870 --> 00:11:36,320

touchdown

289

00:11:40,829 --> 00:11:38,880
or there's abundance of ufos in a

290

00:11:43,590 --> 00:11:40,839
certain area you will get

291

00:11:46,790 --> 00:11:43,600
electromagnetic field emanating from

292

00:11:49,030 --> 00:11:46,800
that area now electromagnetic fields we

293

00:11:51,509 --> 00:11:49,040
deal with them all the time our cell

294

00:11:53,670 --> 00:11:51,519
phones our tvs and microwaves

295

00:11:55,509 --> 00:11:53,680
electromagnetic fields are high

296

00:11:56,870 --> 00:11:55,519
frequency radiation

297

00:11:58,550 --> 00:11:56,880
so

298

00:12:01,350 --> 00:11:58,560
you know we we deal with them all the

299

00:12:02,310 --> 00:12:01,360
time but now if you want to look to see

300

00:12:04,310 --> 00:12:02,320
where

301
00:12:06,629 --> 00:12:04,320
there could be a possibility of an

302
00:12:10,870 --> 00:12:06,639
underground base there may be high

303
00:12:13,509 --> 00:12:10,880
levels of emf emanating from that area

304
00:12:15,670 --> 00:12:13,519
but because of of the

305
00:12:18,389 --> 00:12:15,680
mechanics and machineries they use

306
00:12:19,030 --> 00:12:18,399
now if it's near a water source or near

307
00:12:26,710 --> 00:12:19,040
a

308
00:12:29,910 --> 00:12:26,720
which would give you high emf

309
00:12:33,670 --> 00:12:29,920
so one way to try and find

310
00:12:36,470 --> 00:12:33,680
alien bases across the u.s first off is

311
00:12:39,269 --> 00:12:36,480
to see where our water sources are

312
00:12:41,030 --> 00:12:39,279
then we need to see if we see where our

313
00:12:42,550 --> 00:12:41,040

water sources are

314

00:12:44,470 --> 00:12:42,560

um you may want to look in that

315

00:12:45,430 --> 00:12:44,480

particular area and see if there's you

316

00:12:47,829 --> 00:12:45,440

know

317

00:12:50,949 --> 00:12:47,839

a lot of uf activity in that particular

318

00:12:54,550 --> 00:12:50,959

area and the other place would be your

319

00:12:55,590 --> 00:12:54,560

uh like i said natural gas and crude oil

320

00:12:58,230 --> 00:12:55,600

areas

321

00:12:59,990 --> 00:12:58,240

because it can be sacrificed also so

322

00:13:02,069 --> 00:13:00,000

it's kind of a cool theory i've been

323

00:13:03,350 --> 00:13:02,079

i've been you know working on it for a

324

00:13:04,310 --> 00:13:03,360

couple of years

325

00:13:06,389 --> 00:13:04,320

um

326

00:13:08,310 --> 00:13:06,399

you know

327

00:13:10,629 --> 00:13:08,320

pinpointing areas

328

00:13:13,110 --> 00:13:10,639

that that there's a high level of

329

00:13:14,949 --> 00:13:13,120

activity and as it be

330

00:13:16,389 --> 00:13:14,959

obviously uh we were talking about this

331

00:13:18,310 --> 00:13:16,399

kidwalker ranch

332

00:13:21,269 --> 00:13:18,320

water there definitely a lot of oil

333

00:13:23,910 --> 00:13:21,279

there bradshaw ranch in

334

00:13:26,870 --> 00:13:23,920

arizona um a place that i've

335

00:13:29,670 --> 00:13:26,880

investigated in missouri marley woods

336

00:13:31,430 --> 00:13:29,680

there's uh you know water source there a

337

00:13:33,829 --> 00:13:31,440

couple of other places so there's a lot

338

00:13:35,350 --> 00:13:33,839

of skin water type ranches across the

339

00:13:36,790 --> 00:13:35,360

u.s

340

00:13:37,509 --> 00:13:36,800

yeah and

341

00:13:39,910 --> 00:13:37,519

um

342

00:13:43,110 --> 00:13:39,920

chuck there's been a

343

00:13:45,590 --> 00:13:43,120

little bit of talk by some that

344

00:13:48,069 --> 00:13:45,600

soft disclosure has already happened do

345

00:13:49,670 --> 00:13:48,079

you think that's the case or what is

346

00:13:51,910 --> 00:13:49,680

going on here with the government

347

00:13:53,269 --> 00:13:51,920

seemingly taking some ownership for the

348

00:13:55,110 --> 00:13:53,279

idea that

349

00:13:57,189 --> 00:13:55,120

there may be something else out there

350

00:13:59,590 --> 00:13:57,199

what are your thoughts

351
00:14:01,670 --> 00:13:59,600
well the thing with that is

352
00:14:04,230 --> 00:14:01,680
is uh

353
00:14:06,389 --> 00:14:04,240
because of social media

354
00:14:08,150 --> 00:14:06,399
and it's it's a little harder now to

355
00:14:09,990 --> 00:14:08,160
suppress information

356
00:14:12,389 --> 00:14:10,000
when somebody sees something and they

357
00:14:15,590 --> 00:14:12,399
can throw it right on twitter

358
00:14:17,030 --> 00:14:15,600
and uh you know and and release what

359
00:14:19,590 --> 00:14:17,040
they've seen

360
00:14:21,590 --> 00:14:19,600
so in the in the old days

361
00:14:23,990 --> 00:14:21,600
my government used to suppress

362
00:14:24,790 --> 00:14:24,000
information from us

363
00:14:28,629 --> 00:14:24,800

and

364

00:14:31,910 --> 00:14:28,639

believe that

365

00:14:34,389 --> 00:14:31,920

uh during the atomic period when we were

366

00:14:37,110 --> 00:14:34,399

designing the atomic bombs and you can

367

00:14:39,189 --> 00:14:37,120

look this up it's so hard to find but

368

00:14:41,030 --> 00:14:39,199

you can find information on it

369

00:14:43,590 --> 00:14:41,040

that our government actually pulled

370

00:14:46,310 --> 00:14:43,600

words out of the english language they

371

00:14:48,150 --> 00:14:46,320

pulled wars like nuclear and atomic and

372

00:14:50,069 --> 00:14:48,160

certain words like that

373

00:14:52,069 --> 00:14:50,079

they pulled them from comic books they

374

00:14:53,350 --> 00:14:52,079

pulled them from any type of periodical

375

00:14:55,910 --> 00:14:53,360

they didn't want

376

00:14:58,550 --> 00:14:55,920

other countries to know that we were in

377

00:14:59,350 --> 00:14:58,560

a process of designing the atomic bomb

378

00:15:00,629 --> 00:14:59,360

so

379

00:15:03,110 --> 00:15:00,639

they have

380

00:15:05,430 --> 00:15:03,120

our government does have

381

00:15:07,110 --> 00:15:05,440

a way of of

382

00:15:09,350 --> 00:15:07,120

keeping information from us and then

383

00:15:13,030 --> 00:15:09,360

also from the longest time

384

00:15:16,150 --> 00:15:13,040

until social media became so popular

385

00:15:19,030 --> 00:15:16,160

there were certain words that reporters

386

00:15:20,790 --> 00:15:19,040

that that couldn't talk about certain

387

00:15:22,949 --> 00:15:20,800

things you couldn't say there was a

388

00:15:24,629 --> 00:15:22,959

blacklist or a hit list

389

00:15:26,870 --> 00:15:24,639

and back in the video and talk to the

390

00:15:28,389 --> 00:15:26,880

reporters and you're saying is this hit

391

00:15:30,389 --> 00:15:28,399

less true is this

392

00:15:32,069 --> 00:15:30,399

and there were certain words that they

393

00:15:35,590 --> 00:15:32,079

couldn't say

394

00:15:38,870 --> 00:15:35,600

especially during

395

00:15:40,150 --> 00:15:38,880

the space race you know back in the 60s

396

00:15:41,990 --> 00:15:40,160

so our government's really good at

397

00:15:44,550 --> 00:15:42,000

suppressing information

398

00:15:46,389 --> 00:15:44,560

now we've stepped to you know 21st

399

00:15:47,990 --> 00:15:46,399

century you know we're looking at the

400

00:15:50,629 --> 00:15:48,000

2000s now

401
00:15:51,430 --> 00:15:50,639
with social media everybody's got a

402
00:15:55,350 --> 00:15:51,440
phone

403
00:15:58,230 --> 00:15:55,360
camera they have a video camera they

404
00:16:00,710 --> 00:15:58,240
have a still camera so they're able if

405
00:16:04,310 --> 00:16:00,720
they see something they're able to

406
00:16:05,110 --> 00:16:04,320
you know capture that on an image and

407
00:16:07,590 --> 00:16:05,120
then

408
00:16:10,310 --> 00:16:07,600
tweet it out or send it out on facebook

409
00:16:12,150 --> 00:16:10,320
or or share it with a lot of friends put

410
00:16:13,670 --> 00:16:12,160
it on youtube

411
00:16:15,590 --> 00:16:13,680
pretty quick so it's a little bit harder

412
00:16:17,670 --> 00:16:15,600
to suppress information

413
00:16:18,470 --> 00:16:17,680

and some of the information that's out

414

00:16:20,470 --> 00:16:18,480
there

415

00:16:22,949 --> 00:16:20,480
uh it's pretty credible unfortunately

416

00:16:25,269 --> 00:16:22,959
there's a lot of bad information

417

00:16:27,030 --> 00:16:25,279
just for your listeners out there if you

418

00:16:29,829 --> 00:16:27,040
if someone talks about this really

419

00:16:32,389 --> 00:16:29,839
awesome ufo sighting right or bigfoot

420

00:16:34,470 --> 00:16:32,399
sighting and when you go to look at that

421

00:16:37,910 --> 00:16:34,480
sighting on their website you know they

422

00:16:41,030 --> 00:16:37,920
have commercials for it most likely

423

00:16:42,790 --> 00:16:41,040
you know that is not a that's not a good

424

00:16:44,629 --> 00:16:42,800
signing you know what they're you know

425

00:16:47,110 --> 00:16:44,639
there's a lot of fakers out there a lot

426

00:16:49,590 --> 00:16:47,120

of posers that want you to go to their

427

00:16:51,829 --> 00:16:49,600

sites because they make money off of

428

00:16:54,389 --> 00:16:51,839

hips you know as many hits as they can

429

00:16:56,310 --> 00:16:54,399

get from their videos or their audios

430

00:16:58,710 --> 00:16:56,320

and and the more times people watch

431

00:17:00,310 --> 00:16:58,720

their videos and listen to the audios

432

00:17:02,150 --> 00:17:00,320

they make more money

433

00:17:04,710 --> 00:17:02,160

so it always seems to be those

434

00:17:06,630 --> 00:17:04,720

particular cases where

435

00:17:08,309 --> 00:17:06,640

someone will be looking at an object in

436

00:17:11,590 --> 00:17:08,319

the sky oh look look at that and then

437

00:17:12,470 --> 00:17:11,600

the object does something phenomenal

438

00:17:15,110 --> 00:17:12,480

okay

439

00:17:16,789 --> 00:17:15,120
and most of the time that's that's

440

00:17:17,990 --> 00:17:16,799
that's just all fake

441

00:17:20,390 --> 00:17:18,000
because they you know they're making

442

00:17:21,590 --> 00:17:20,400
money off of that video

443

00:17:23,350 --> 00:17:21,600
generally

444

00:17:25,110 --> 00:17:23,360
you know um

445

00:17:26,549 --> 00:17:25,120
and it's funny too you know when yes

446

00:17:28,549 --> 00:17:26,559
when you see a camera set up in a

447

00:17:30,789 --> 00:17:28,559
certain area and then a big club walks

448

00:17:33,029 --> 00:17:30,799
by well you have to ask yourself first

449

00:17:35,510 --> 00:17:33,039
off why is that person got that camera

450

00:17:37,750 --> 00:17:35,520
in that area or even this guy why is

451
00:17:39,510 --> 00:17:37,760
that person got a camera pointed in fact

452
00:17:41,029 --> 00:17:39,520
you got to do a little bit of diligence

453
00:17:43,830 --> 00:17:41,039
to become a little bit of a detective

454
00:17:45,029 --> 00:17:43,840
and say okay what was the setup here you

455
00:17:46,630 --> 00:17:45,039
know were they just

456
00:17:48,950 --> 00:17:46,640
back in the old days

457
00:17:51,909 --> 00:17:48,960
you know with uh you know with the film

458
00:17:53,909 --> 00:17:51,919
cameras there was tons and tons of uh

459
00:17:55,990 --> 00:17:53,919
phone pictures that showed up

460
00:17:58,789 --> 00:17:56,000
in the aftermath you know they took a

461
00:18:00,310 --> 00:17:58,799
picture of a person you know posing and

462
00:18:01,909 --> 00:18:00,320
then when they developed a film they

463
00:18:05,029 --> 00:18:01,919

would see the ufo in the background

464

00:18:07,110 --> 00:18:05,039

those are pretty true images

465

00:18:09,590 --> 00:18:07,120

very rarely in a lot of cases they would

466

00:18:12,549 --> 00:18:09,600

see the ufos and take pictures of them

467

00:18:14,390 --> 00:18:12,559

but nowadays it's you know unfortunately

468

00:18:15,909 --> 00:18:14,400

you got to wait out all the fakers out

469

00:18:18,070 --> 00:18:15,919

there

470

00:18:20,310 --> 00:18:18,080

the other thing ryan is

471

00:18:21,750 --> 00:18:20,320

it's starting to turn out now that our

472

00:18:24,950 --> 00:18:21,760

our pilots

473

00:18:26,950 --> 00:18:24,960

people in our military on bases

474

00:18:28,390 --> 00:18:26,960

are starting to report this also on

475

00:18:30,230 --> 00:18:28,400

social media

476

00:18:33,029 --> 00:18:30,240

they're going around the system back in

477

00:18:34,549 --> 00:18:33,039

the day after world war ii everybody was

478

00:18:36,310 --> 00:18:34,559

very very

479

00:18:38,310 --> 00:18:36,320

um true

480

00:18:40,230 --> 00:18:38,320

you know to to the military and to our

481

00:18:42,549 --> 00:18:40,240

government you know if someone walked up

482

00:18:43,990 --> 00:18:42,559

a military and told you

483

00:18:45,110 --> 00:18:44,000

don't say anything about it you didn't

484

00:18:47,350 --> 00:18:45,120

say anything about it you know

485

00:18:49,270 --> 00:18:47,360

especially the roswell back in 47 that

486

00:18:51,830 --> 00:18:49,280

whole incident you know we were very

487

00:18:52,710 --> 00:18:51,840

very patriotic a lot of changes since

488

00:18:54,630 --> 00:18:52,720

then

489

00:18:56,870 --> 00:18:54,640

you know the the newer generations

490

00:18:59,510 --> 00:18:56,880

younger generations they're not as

491

00:19:01,590 --> 00:18:59,520

patriotic as you know

492

00:19:02,549 --> 00:19:01,600

as the older generations and so they're

493

00:19:04,870 --> 00:19:02,559

more

494

00:19:07,190 --> 00:19:04,880

liable to speak out against it this

495

00:19:08,870 --> 00:19:07,200

includes our fighter pilots and people

496

00:19:10,710 --> 00:19:08,880

within the military we're starting to

497

00:19:13,909 --> 00:19:10,720

talk about it they're starting to shoot

498

00:19:16,390 --> 00:19:13,919

it with their own with their own cameras

499

00:19:17,990 --> 00:19:16,400

and it's really really hard for the mill

500

00:19:22,070 --> 00:19:18,000

or for our government

501
00:19:24,470 --> 00:19:22,080
to suppress that information so

502
00:19:26,549 --> 00:19:24,480
they got to step up and start releasing

503
00:19:29,350 --> 00:19:26,559
you know and start taking

504
00:19:32,710 --> 00:19:29,360
you know basically taking the reins and

505
00:19:34,390 --> 00:19:32,720
and uh running investigations themselves

506
00:19:36,950 --> 00:19:34,400
to lose you know so they don't lose that

507
00:19:40,310 --> 00:19:36,960
credibility

508
00:19:42,950 --> 00:19:40,320
yeah they do and i know you have some

509
00:19:44,070 --> 00:19:42,960
area 51 stories or maybe i'm guessing

510
00:19:45,990 --> 00:19:44,080
let me ask

511
00:19:48,870 --> 00:19:46,000
a two-part question instead for our

512
00:19:51,430 --> 00:19:48,880
listeners what parts of area 51 have you

513
00:19:53,669 --> 00:19:51,440

been to if you have and have you seen

514

00:19:57,190 --> 00:19:53,679

anything that made you believe we may be

515

00:19:59,510 --> 00:19:57,200

testing reverse engineered craft

516

00:20:02,470 --> 00:19:59,520

well yeah i mean um i've been out here

517

00:20:05,029 --> 00:20:02,480

in colorado probably 23 years now

518

00:20:06,470 --> 00:20:05,039

and so about 24 25 years ago when i was

519

00:20:07,350 --> 00:20:06,480

in california

520

00:20:09,110 --> 00:20:07,360

um

521

00:20:12,070 --> 00:20:09,120

i i actually

522

00:20:13,669 --> 00:20:12,080

would a few times i i've been to rachel

523

00:20:16,950 --> 00:20:13,679

nevada

524

00:20:18,549 --> 00:20:16,960

and uh you know the black mailbox which

525

00:20:20,789 --> 00:20:18,559

isn't really black but you know that was

526

00:20:23,029 --> 00:20:20,799

the area where the mailbox was and that

527

00:20:25,270 --> 00:20:23,039

was where freedom ridge was and

528

00:20:27,909 --> 00:20:25,280

and i did a lot of research and back in

529

00:20:30,870 --> 00:20:27,919

those days there was a research center

530

00:20:33,830 --> 00:20:30,880

there at rachel nevada and it was run by

531

00:20:34,950 --> 00:20:33,840

a guy named glenn campbell not the

532

00:20:35,669 --> 00:20:34,960

singer

533

00:20:38,230 --> 00:20:35,679

but

534

00:20:39,430 --> 00:20:38,240

glen campbell and he had some pretty

535

00:20:41,510 --> 00:20:39,440

cool uh

536

00:20:43,909 --> 00:20:41,520

uh

537

00:20:46,470 --> 00:20:43,919

information that he had gathered

538

00:20:48,630 --> 00:20:46,480

studying area 51 he had a couple manuals

539

00:20:50,470 --> 00:20:48,640

out i actually have

540

00:20:52,630 --> 00:20:50,480

one of the manuals here that i bought

541

00:20:54,470 --> 00:20:52,640

from the research center there rachel

542

00:20:56,390 --> 00:20:54,480

that basically talks about certain

543

00:20:59,029 --> 00:20:56,400

things you would look for

544

00:21:00,149 --> 00:20:59,039

uh when you're researching area 5100

545

00:21:02,390 --> 00:21:00,159

room lake

546

00:21:03,750 --> 00:21:02,400

and which is part of nellis air force

547

00:21:06,310 --> 00:21:03,760

base

548

00:21:08,870 --> 00:21:06,320

and and that actually worked for me one

549

00:21:11,750 --> 00:21:08,880

time you know back in the day uh when

550

00:21:14,710 --> 00:21:11,760

radio shack was around we had scanners

551
00:21:17,270 --> 00:21:14,720
so we would listen to uh you know police

552
00:21:19,029 --> 00:21:17,280
and fire and

553
00:21:20,950 --> 00:21:19,039
paramedics on scanners now that was

554
00:21:22,870 --> 00:21:20,960
before digital before it all became

555
00:21:25,029 --> 00:21:22,880
digital so you would have a crystal

556
00:21:27,750 --> 00:21:25,039
radio or you were just listening to it

557
00:21:30,310 --> 00:21:27,760
and you would your standard would scan

558
00:21:33,270 --> 00:21:30,320
just be in scan mode sweeping stations

559
00:21:35,430 --> 00:21:33,280
and then you would pick up one of them

560
00:21:37,110 --> 00:21:35,440
you know stuff like that and you and you

561
00:21:37,990 --> 00:21:37,120
would lock onto that

562
00:21:39,430 --> 00:21:38,000
well

563
00:21:40,710 --> 00:21:39,440

back in the day

564

00:21:42,789 --> 00:21:40,720

uh

565

00:21:46,549 --> 00:21:42,799

along the dirt roads going into the

566

00:21:47,750 --> 00:21:46,559

gates of mary 51 they would know

567

00:21:49,830 --> 00:21:47,760

that people

568

00:21:52,070 --> 00:21:49,840

were were on that road even though it

569

00:21:54,470 --> 00:21:52,080

may be a mile away because they had

570

00:21:55,669 --> 00:21:54,480

fences on the road

571

00:21:57,909 --> 00:21:55,679

and

572

00:21:59,830 --> 00:21:57,919

it was interesting the sensor would pick

573

00:22:01,909 --> 00:21:59,840

up you know the movement of a vehicle on

574

00:22:03,830 --> 00:22:01,919

the road or maybe

575

00:22:05,190 --> 00:22:03,840

i don't know how delicate they were if

576
00:22:06,070 --> 00:22:05,200
you were walking if they could pick you

577
00:22:07,029 --> 00:22:06,080
up

578
00:22:09,270 --> 00:22:07,039
but

579
00:22:11,510 --> 00:22:09,280
i would take a scanner my radio shack

580
00:22:13,750 --> 00:22:11,520
scanner and i you just it would be

581
00:22:15,590 --> 00:22:13,760
scanning and you'd be in your vehicle

582
00:22:17,510 --> 00:22:15,600
driving slowly on the dirt road and the

583
00:22:18,549 --> 00:22:17,520
scanner would stop you'd pick up a

584
00:22:20,710 --> 00:22:18,559
signal

585
00:22:22,070 --> 00:22:20,720
you would you know stop your vehicle get

586
00:22:23,350 --> 00:22:22,080
out and you would look at the left and

587
00:22:26,070 --> 00:22:23,360
right side

588
00:22:28,070 --> 00:22:26,080

of right out right there right near your

589

00:22:29,430 --> 00:22:28,080

vehicle just outside the road

590

00:22:30,950 --> 00:22:29,440

and

591

00:22:33,190 --> 00:22:30,960

you could find

592

00:22:34,950 --> 00:22:33,200

you know one of those sensors and it was

593

00:22:37,990 --> 00:22:34,960

pretty easy to find even if you had an

594

00:22:40,470 --> 00:22:38,000

emf meter back a day because

595

00:22:42,230 --> 00:22:40,480

the sensor would be buried in in the

596

00:22:44,470 --> 00:22:42,240

dark but if you walked around you'd

597

00:22:46,390 --> 00:22:44,480

actually find a battery and maybe a

598

00:22:47,590 --> 00:22:46,400

solar panel or something to keep that

599

00:22:49,909 --> 00:22:47,600

battery

600

00:22:52,710 --> 00:22:49,919

nowadays it's a lot different because

601
00:22:55,750 --> 00:22:52,720
you know we're a lot more high-tech

602
00:22:57,990 --> 00:22:55,760
but i did uh i was scheduled to go on

603
00:23:00,470 --> 00:22:58,000
freedom ranch to take pictures

604
00:23:01,909 --> 00:23:00,480
of area 51 and then about the time i was

605
00:23:04,070 --> 00:23:01,919
going to go to freedom ridge freedom

606
00:23:05,909 --> 00:23:04,080
ridge was land grabbed by nellis or by

607
00:23:09,270 --> 00:23:05,919
area 51.

608
00:23:11,830 --> 00:23:09,280
so um i uh i had hired a guide

609
00:23:14,390 --> 00:23:11,840
and we hiked to the top top of tickaboo

610
00:23:16,870 --> 00:23:14,400
peak i was probably the third or fourth

611
00:23:17,830 --> 00:23:16,880
person to hike to the top of thick boot

612
00:23:19,350 --> 00:23:17,840
peak

613
00:23:23,270 --> 00:23:19,360

and off in the distance you could see

614

00:23:25,909 --> 00:23:23,280

your e51 and i was shadowed by a

615

00:23:27,110 --> 00:23:25,919

military person from nellis to figure

616

00:23:28,549 --> 00:23:27,120

out what the heck i was doing there they

617

00:23:30,230 --> 00:23:28,559

probably had

618

00:23:35,990 --> 00:23:30,240

the

619

00:23:39,990 --> 00:23:36,000

i'm sure that you know that she was you

620

00:23:41,590 --> 00:23:40,000

know bugged and so when i showed up

621

00:23:43,350 --> 00:23:41,600

for the guy to take me to take a boo

622

00:23:44,950 --> 00:23:43,360

peek there was a couple of other

623

00:23:46,870 --> 00:23:44,960

individuals there that wanted along too

624

00:23:47,990 --> 00:23:46,880

i mean it was really obvious one was in

625

00:23:50,950 --> 00:23:48,000

camels

626

00:23:53,190 --> 00:23:50,960

and you know and regardless of of what

627

00:23:56,070 --> 00:23:53,200

he said you know he was typical you know

628

00:23:58,630 --> 00:23:56,080

he was military and then afterwards i

629

00:24:00,870 --> 00:23:58,640

talked to him after you know after we

630

00:24:02,950 --> 00:24:00,880

got back down from tigaboo peak i i

631

00:24:04,470 --> 00:24:02,960

talked to him in this in this trailer it

632

00:24:06,070 --> 00:24:04,480

was pretty funny

633

00:24:08,149 --> 00:24:06,080

but

634

00:24:10,630 --> 00:24:08,159

when i was on top to take a little cake

635

00:24:12,390 --> 00:24:10,640

i was just using a 35 millimeter camera

636

00:24:16,149 --> 00:24:12,400

with a 200 millimeter zoom taking

637

00:24:18,549 --> 00:24:16,159

pictures i did capture something

638

00:24:20,390 --> 00:24:18,559

going over the base and it was pretty

639

00:24:21,990 --> 00:24:20,400

quick i got one image of it because it

640

00:24:23,909 --> 00:24:22,000

was moving pretty quick

641

00:24:26,630 --> 00:24:23,919

and uh you know i had i had my camera

642

00:24:29,110 --> 00:24:26,640

set on uh not on automatic but you know

643

00:24:30,710 --> 00:24:29,120

on sports mode to capture anything that

644

00:24:31,669 --> 00:24:30,720

was fast and just randomly taking

645

00:24:34,789 --> 00:24:31,679

pictures

646

00:24:37,190 --> 00:24:34,799

but the funny thing was ryan was uh

647

00:24:39,350 --> 00:24:37,200

was after we got back down from from

648

00:24:41,269 --> 00:24:39,360

ticket boot cake and drove the 20 some

649

00:24:44,230 --> 00:24:41,279

miles back to rachel where

650

00:24:47,510 --> 00:24:44,240

um i had my trial i had an rv there that

651
00:24:48,470 --> 00:24:47,520
pulled you know my chevy blazer

652
00:24:51,510 --> 00:24:48,480
um

653
00:24:53,510 --> 00:24:51,520
i followed the guy that was in military

654
00:24:55,909 --> 00:24:53,520
using camels i followed him back to his

655
00:24:57,830 --> 00:24:55,919
trailer without him knowing i was

656
00:24:59,190 --> 00:24:57,840
following him and then once he got his

657
00:25:01,269 --> 00:24:59,200
trailer and he's there for a couple of

658
00:25:02,710 --> 00:25:01,279
minutes i walked up to his trailer and

659
00:25:05,029 --> 00:25:02,720
knocked down the door and said kept

660
00:25:07,510 --> 00:25:05,039
ground security and when he opened up

661
00:25:09,110 --> 00:25:07,520
the door i just looked inside

662
00:25:10,549 --> 00:25:09,120
and that's when i knew for a fact that

663
00:25:12,230 --> 00:25:10,559

he was a plant

664

00:25:13,909 --> 00:25:12,240

he said he was just some military guy

665

00:25:17,029 --> 00:25:13,919

interested and wanted to go along with

666

00:25:18,470 --> 00:25:17,039

me in my vehicle on top take a look

667

00:25:20,230 --> 00:25:18,480

but when i looked at his trailer he just

668

00:25:22,070 --> 00:25:20,240

had a duffel bag and nothing else in the

669

00:25:23,590 --> 00:25:22,080

trailer it was just a metric trailer

670

00:25:25,430 --> 00:25:23,600

they kind of gave me that gear and a

671

00:25:27,269 --> 00:25:25,440

headlight look like oh

672

00:25:29,029 --> 00:25:27,279

that's it so i'm not a threat am i he

673

00:25:30,549 --> 00:25:29,039

goes now you know frank you're just some

674

00:25:32,630 --> 00:25:30,559

ufo nut

675

00:25:34,470 --> 00:25:32,640

right which is my website which was a

676

00:25:36,789 --> 00:25:34,480

license plate on my vehicle in

677

00:25:39,029 --> 00:25:36,799

california too and we sat down for a

678

00:25:41,269 --> 00:25:39,039

good half hour had a couple of beers

679

00:25:43,669 --> 00:25:41,279

and we talked off the record

680

00:25:46,950 --> 00:25:43,679

you know so that was pretty cool

681

00:25:49,190 --> 00:25:46,960

um since then when i did an episode for

682

00:25:51,110 --> 00:25:49,200

unexplained file season 2

683

00:25:54,630 --> 00:25:51,120

that whole episode was a paranormal

684

00:25:56,149 --> 00:25:54,640

highway of america i got to talk to

685

00:25:59,669 --> 00:25:56,159

um

686

00:26:01,590 --> 00:25:59,679

an individual that that worked at r851

687

00:26:03,190 --> 00:26:01,600

and um

688

00:26:05,590 --> 00:26:03,200

and told me he told me some of his

689

00:26:07,029 --> 00:26:05,600

experiences too off camera so that was

690

00:26:08,630 --> 00:26:07,039

pretty cool

691

00:26:10,789 --> 00:26:08,640

uh there's a there's a lot of stuff

692

00:26:13,350 --> 00:26:10,799

going on i do believe

693

00:26:14,870 --> 00:26:13,360

you know uh

694

00:26:17,909 --> 00:26:14,880

you see you know

695

00:26:21,269 --> 00:26:17,919

that we had craft there

696

00:26:23,190 --> 00:26:21,279

and then we reversed engineering

697

00:26:26,149 --> 00:26:23,200

i talked to a pilot

698

00:26:29,029 --> 00:26:26,159

for that particular episode

699

00:26:30,470 --> 00:26:29,039

that was flying near 51 foot in legal

700

00:26:31,909 --> 00:26:30,480

airspace

701
00:26:35,669 --> 00:26:31,919
and

702
00:26:38,870 --> 00:26:35,679
the tower had told him to veer off

703
00:26:39,990 --> 00:26:38,880
you know to go to take a wider berth

704
00:26:41,990 --> 00:26:40,000
around

705
00:26:44,310 --> 00:26:42,000
where he was going which was an illegal

706
00:26:45,750 --> 00:26:44,320
airspace and and he wasn't intruding

707
00:26:47,350 --> 00:26:45,760
there's a commercial pilot so it was

708
00:26:49,029 --> 00:26:47,360
like twa

709
00:26:51,990 --> 00:26:49,039
and when they were diverting further

710
00:26:54,070 --> 00:26:52,000
around uh he saw these objects come out

711
00:26:56,470 --> 00:26:54,080
from the sky just like hundreds of like

712
00:26:59,590 --> 00:26:56,480
balls of light come from the sky

713
00:27:00,950 --> 00:26:59,600

and and go in formation and land

714

00:27:03,190 --> 00:27:00,960

on a hollow

715

00:27:05,110 --> 00:27:03,200

holographic type of runway he

716

00:27:06,390 --> 00:27:05,120

and i interviewed him for explaining

717

00:27:10,070 --> 00:27:06,400

files

718

00:27:15,350 --> 00:27:13,110

roger lear from lear jets and and he was

719

00:27:19,029 --> 00:27:15,360

a former pilot for the cia he also

720

00:27:23,750 --> 00:27:19,039

talked about when he flew near area 51

721

00:27:25,750 --> 00:27:23,760

um you know he saw like a holographic

722

00:27:28,549 --> 00:27:25,760

building with runways

723

00:27:30,789 --> 00:27:28,559

so uh yeah you know then if you if you

724

00:27:34,070 --> 00:27:30,799

if you believe bob lazar

725

00:27:36,389 --> 00:27:34,080

who said he worked at s4 at area 51 he

726

00:27:37,990 --> 00:27:36,399

talked about reverse engineering the

727

00:27:40,950 --> 00:27:38,000

sports model

728

00:27:43,190 --> 00:27:40,960

and we were using gravity a uh gravity b

729

00:27:45,350 --> 00:27:43,200

waves we had gravity a waves gravity b

730

00:27:47,110 --> 00:27:45,360

waves nobody talked about that you know

731

00:27:49,750 --> 00:27:47,120

using another element too that he talked

732

00:27:51,830 --> 00:27:49,760

about you know a decade later

733

00:27:53,510 --> 00:27:51,840

russians and americans

734

00:27:55,990 --> 00:27:53,520

actually located

735

00:27:58,870 --> 00:27:56,000

and uh you know the elements he was

736

00:28:00,389 --> 00:27:58,880

talking about and now it's an element

737

00:28:01,830 --> 00:28:00,399

back in the days when mozart talked

738

00:28:03,269 --> 00:28:01,840

about it they thought he was just making

739

00:28:05,510 --> 00:28:03,279

this thing up

740

00:28:07,269 --> 00:28:05,520

and even with gravity and gravity b

741

00:28:08,789 --> 00:28:07,279

waves within the past few years they've

742

00:28:10,630 --> 00:28:08,799

talked about different gravity weights

743

00:28:13,750 --> 00:28:10,640

that we have and this is something he

744

00:28:16,230 --> 00:28:13,760

talked about two three decades ago

745

00:28:17,590 --> 00:28:16,240

you know that scientists now are

746

00:28:19,830 --> 00:28:17,600

affirming

747

00:28:21,830 --> 00:28:19,840

so yeah i would believe bob lazar i

748

00:28:24,230 --> 00:28:21,840

tried to get him for them for the tv

749

00:28:26,070 --> 00:28:24,240

show and explain files at the time he

750

00:28:27,029 --> 00:28:26,080

wasn't lecturing he was staying kind of

751

00:28:29,669 --> 00:28:27,039

quiet

752

00:28:31,430 --> 00:28:29,679

but i seem to think once he saw

753

00:28:33,269 --> 00:28:31,440

i'm not going to take the credit for it

754

00:28:35,510 --> 00:28:33,279

but it just appeared

755

00:28:37,590 --> 00:28:35,520

coincidence that after

756

00:28:39,750 --> 00:28:37,600

my episode one hour episode of

757

00:28:41,510 --> 00:28:39,760

unexplained files after talking to

758

00:28:43,350 --> 00:28:41,520

roger lehrer and roger lerner talks

759

00:28:45,510 --> 00:28:43,360

about bob bizarre

760

00:28:47,590 --> 00:28:45,520

um bob hazard started coming out talking

761

00:28:50,230 --> 00:28:47,600

again so i'd like to think that maybe

762

00:28:52,789 --> 00:28:50,240

that particular episode sparked bazaar

763

00:28:56,230 --> 00:28:52,799

to you know go back on to the speaking

764

00:29:00,710 --> 00:28:58,789

yeah it is an interesting uh very

765

00:29:01,750 --> 00:29:00,720

interesting story and case with bob

766

00:29:04,789 --> 00:29:01,760

lazar

767

00:29:06,950 --> 00:29:04,799

and um you know i am a sucker for

768

00:29:08,549 --> 00:29:06,960

interesting stories you've you've had

769

00:29:10,470 --> 00:29:08,559

quite a few travels

770

00:29:12,389 --> 00:29:10,480

in your travels have you had cryptid or

771

00:29:14,870 --> 00:29:12,399

skinwalker stories or maybe even men in

772

00:29:18,549 --> 00:29:14,880

black have you come across any good

773

00:29:19,909 --> 00:29:18,559

stories like that in your travels

774

00:29:22,950 --> 00:29:19,919

well

775

00:29:25,190 --> 00:29:22,960

kind of yes and no you know

776

00:29:27,990 --> 00:29:25,200

people talk about the men in black

777

00:29:29,990 --> 00:29:28,000

and in my opinion men in black or are

778

00:29:31,510 --> 00:29:30,000

nothing more than

779

00:29:32,630 --> 00:29:31,520

you know

780

00:29:34,389 --> 00:29:32,640

the

781

00:29:37,190 --> 00:29:34,399

security or

782

00:29:39,590 --> 00:29:37,200

or the foreign government now i can tell

783

00:29:42,389 --> 00:29:39,600

you this that

784

00:29:43,430 --> 00:29:42,399

um maybe maybe shadow people at one

785

00:29:47,190 --> 00:29:43,440

point

786

00:29:49,110 --> 00:29:47,200

um you know were considered men in black

787

00:29:52,470 --> 00:29:49,120

but we've always had

788

00:29:54,710 --> 00:29:52,480

an organization within our government

789

00:29:57,830 --> 00:29:54,720

that was suppressing

790

00:29:59,110 --> 00:29:57,840

you know uh ufo activity

791

00:30:00,870 --> 00:29:59,120

and then

792

00:30:03,269 --> 00:30:00,880

on hand or

793

00:30:05,190 --> 00:30:03,279

trying to get it out

794

00:30:06,830 --> 00:30:05,200

you know to the public and they were

795

00:30:09,750 --> 00:30:06,840

running their own

796

00:30:12,230 --> 00:30:09,760

investigations and

797

00:30:14,470 --> 00:30:12,240

recently you know 2017 or so we you know

798

00:30:15,269 --> 00:30:14,480

the pentagon came out said oh by the way

799

00:30:17,750 --> 00:30:15,279

right

800

00:30:18,710 --> 00:30:17,760

uh you know we've been investigating

801

00:30:21,190 --> 00:30:18,720

uh

802

00:30:24,230 --> 00:30:21,200

ufos and

803

00:30:26,310 --> 00:30:24,240

and we've had such such of a budget

804

00:30:28,070 --> 00:30:26,320

and most of that budget went to robert

805

00:30:30,310 --> 00:30:28,080

bigelow and there's another story

806

00:30:33,029 --> 00:30:30,320

associated with bengal with me

807

00:30:36,470 --> 00:30:33,039

but uh so robert bigelow was using

808

00:30:39,669 --> 00:30:36,480

majority of the budget for the pentagon

809

00:30:40,870 --> 00:30:39,679

to research and or investigate ufos i

810

00:30:42,070 --> 00:30:40,880

can tell you a little bit about that in

811

00:30:44,549 --> 00:30:42,080

a bit

812

00:30:46,549 --> 00:30:44,559

and that came out public and then

813

00:30:48,310 --> 00:30:46,559

obviously recently

814

00:30:50,870 --> 00:30:48,320

we we've known the pentagon's always

815

00:30:52,149 --> 00:30:50,880

been kind of interested in ufology

816

00:30:55,909 --> 00:30:52,159

now

817

00:30:58,149 --> 00:30:55,919

and when

818

00:30:59,990 --> 00:30:58,159

um i was work i was

819

00:31:01,669 --> 00:31:00,000

investigating roswell

820

00:31:05,029 --> 00:31:01,679

really

821

00:31:06,389 --> 00:31:05,039

california because it was easier to get

822

00:31:13,590 --> 00:31:06,399

to

823

00:31:17,029 --> 00:31:13,600

couple times and and we did some

824

00:31:19,509 --> 00:31:17,039

archaeology digs for the sci-fi channel

825

00:31:21,269 --> 00:31:19,519

and the second one that that my sister

826

00:31:24,070 --> 00:31:21,279

and i did on our own

827

00:31:26,950 --> 00:31:24,080

with a new university new mexico

828

00:31:28,549 --> 00:31:26,960

cardiologist after the tv show

829

00:31:30,389 --> 00:31:28,559

like finished taping and they were gone

830

00:31:32,470 --> 00:31:30,399

we stayed next thing did our own bid we

831

00:31:35,110 --> 00:31:32,480

found a piece of metal

832

00:31:37,269 --> 00:31:35,120

um where we wanted to dig and not work

833

00:31:40,070 --> 00:31:37,279

evie wanted us to dig

834

00:31:42,389 --> 00:31:40,080

and i went public on that at the roswell

835

00:31:44,630 --> 00:31:42,399

pacific center and it was aluminum

836

00:31:46,630 --> 00:31:44,640

silicon metal to trace elements of

837

00:31:47,669 --> 00:31:46,640

titanium

838

00:31:50,789 --> 00:31:47,679

and

839

00:31:52,389 --> 00:31:50,799

uh

840

00:31:55,269 --> 00:31:52,399

to try and

841

00:31:57,990 --> 00:31:55,279

uh do have analysis on this further

842

00:31:59,509 --> 00:31:58,000

uh who pops up at robert bigelow bass

843

00:32:03,269 --> 00:31:59,519

d-a-a-s

844

00:32:05,269 --> 00:32:03,279

and uh and they they did you know they

845

00:32:08,070 --> 00:32:05,279

they wanted the artifact to uh to do

846

00:32:10,070 --> 00:32:08,080

further analysis now at the time

847

00:32:11,430 --> 00:32:10,080

we didn't know that bass was working for

848

00:32:13,950 --> 00:32:11,440

the pentagon

849

00:32:16,149 --> 00:32:13,960

we found that out later you know

850

00:32:18,070 --> 00:32:16,159

2017-18 whatever

851

00:32:19,750 --> 00:32:18,080

but at the time we didn't know that i

852

00:32:21,590 --> 00:32:19,760

had a suspicion that he worked for the

853

00:32:23,830 --> 00:32:21,600

cia when i was working

854

00:32:25,830 --> 00:32:23,840

when i was with mufon i was one of the

855

00:32:27,190 --> 00:32:25,840

star team investigators a star team

856

00:32:28,950 --> 00:32:27,200

investigator

857

00:32:30,230 --> 00:32:28,960

you have you have uh volunteer

858

00:32:32,870 --> 00:32:30,240

investigators

859

00:32:34,950 --> 00:32:32,880

uh working for mufon and then you have

860

00:32:36,870 --> 00:32:34,960

the more experienced investigators or

861

00:32:37,830 --> 00:32:36,880

the star team

862

00:32:40,230 --> 00:32:37,840

and

863

00:32:41,110 --> 00:32:40,240

robert bigelow

864

00:32:42,630 --> 00:32:41,120

when

865

00:32:45,029 --> 00:32:42,640

mufon came out and said we're going to

866

00:32:48,149 --> 00:32:45,039

start a tar a star team

867

00:32:49,669 --> 00:32:48,159

a rapid response team investigators big

868

00:32:51,110 --> 00:32:49,679

little that pops up says well i'm going

869

00:32:52,389 --> 00:32:51,120

to fund it

870

00:32:54,870 --> 00:32:52,399

okay

871

00:32:56,789 --> 00:32:54,880

and when he started funding matter of

872

00:32:58,789 --> 00:32:56,799

fact the very first star team

873

00:33:00,549 --> 00:32:58,799

investigation was mine

874

00:33:02,950 --> 00:33:00,559

was a cattle mutilation out here in

875

00:33:04,630 --> 00:33:02,960

colorado that had a ufo sighting

876

00:33:09,190 --> 00:33:04,640

that was a very very first star team

877

00:33:11,669 --> 00:33:09,200

investigation that mufon had on them

878

00:33:14,630 --> 00:33:11,679

and then so i assembled the team

879

00:33:15,830 --> 00:33:14,640

and we went down to uh over to you know

880

00:33:19,590 --> 00:33:15,840

uh

881

00:33:20,549 --> 00:33:19,600

waltzenberg oh western western colorado

882

00:33:21,509 --> 00:33:20,559

and

883

00:33:24,070 --> 00:33:21,519

when i

884

00:33:26,149 --> 00:33:24,080

reported my findings afterwards um i

885

00:33:28,470 --> 00:33:26,159

didn't get paid for it because once

886

00:33:30,230 --> 00:33:28,480

bigelow read their finances well

887

00:33:32,470 --> 00:33:30,240

i'm only going to fund those

888

00:33:35,669 --> 00:33:32,480

investigations that you have actual

889

00:33:37,909 --> 00:33:35,679

evidence of a ufo and wow what a dick

890

00:33:41,750 --> 00:33:37,919

i spent all this money went down there

891

00:33:42,789 --> 00:33:41,760

you know the star team investigator and

892

00:33:43,750 --> 00:33:42,799

you know

893

00:33:45,750 --> 00:33:43,760

anyway

894

00:33:48,870 --> 00:33:45,760

so at that time i knew he was kind of

895

00:33:50,870 --> 00:33:48,880

shady and i had

896

00:33:52,789 --> 00:33:50,880

inclinations that

897

00:33:54,870 --> 00:33:52,799

he wasn't funding

898

00:33:56,389 --> 00:33:54,880

the star team investigations or star

899

00:33:59,590 --> 00:33:56,399

team for mufon

900

00:34:01,830 --> 00:33:59,600

that it was he was more like

901
00:34:03,509 --> 00:34:01,840
funneling the money from somewhere else

902
00:34:05,110 --> 00:34:03,519
and i thought he was funneling it from

903
00:34:07,909 --> 00:34:05,120
the cia

904
00:34:10,149 --> 00:34:07,919
so i had you know i had

905
00:34:13,510 --> 00:34:10,159
thoughts about it back to them about

906
00:34:15,829 --> 00:34:13,520
bigelow about not being trusted

907
00:34:17,430 --> 00:34:15,839
and as it turns out i was correct

908
00:34:19,030 --> 00:34:17,440
and you know it was just you know it was

909
00:34:21,750 --> 00:34:19,040
just one of these things you know my

910
00:34:23,829 --> 00:34:21,760
spider senses right my spidey senses

911
00:34:25,669 --> 00:34:23,839
were telling me not to trust this guy

912
00:34:27,990 --> 00:34:25,679
but when he popped up a couple years

913
00:34:30,470 --> 00:34:28,000

later after after the start to commence

914

00:34:33,190 --> 00:34:30,480

well actually we during the star team

915

00:34:35,750 --> 00:34:33,200

investigation we found out from other

916

00:34:37,829 --> 00:34:35,760

investigators across the u.s and when

917

00:34:40,069 --> 00:34:37,839

they submitted an investigation for a

918

00:34:41,990 --> 00:34:40,079

start to the investigation and it was

919

00:34:43,909 --> 00:34:42,000

approved because it had to be approved

920

00:34:46,149 --> 00:34:43,919

not only through mufon but it had to be

921

00:34:49,270 --> 00:34:46,159

proved through bigelow because bigelow

922

00:34:51,109 --> 00:34:49,280

was paying for it uh when they

923

00:34:53,030 --> 00:34:51,119

there was a good delay of a couple days

924

00:34:55,190 --> 00:34:53,040

before they got the opportunity before

925

00:34:57,109 --> 00:34:55,200

bigelow approved it

926
00:34:59,109 --> 00:34:57,119
investigators will go out to do the

927
00:35:01,510 --> 00:34:59,119
investigation the eye witness is you

928
00:35:03,270 --> 00:35:01,520
were already here eyewitness would say

929
00:35:04,069 --> 00:35:03,280
hey you guys were already here the other

930
00:35:06,069 --> 00:35:04,079
day

931
00:35:08,390 --> 00:35:06,079
you already interviewed us and and the

932
00:35:10,230 --> 00:35:08,400
mufon investigators said uh no we're

933
00:35:11,670 --> 00:35:10,240
here for the first time well it turned

934
00:35:13,109 --> 00:35:11,680
out in a couple of really good

935
00:35:15,589 --> 00:35:13,119
investigations

936
00:35:17,349 --> 00:35:15,599
bigelow was sending his own team that's

937
00:35:20,150 --> 00:35:17,359
why there was a delay of a couple of

938
00:35:21,670 --> 00:35:20,160

days before he would prove it because he

939

00:35:23,990 --> 00:35:21,680

would say hey this looks pretty good he

940

00:35:26,310 --> 00:35:24,000

run his own team out there

941

00:35:27,270 --> 00:35:26,320

and and jumped mufon

942

00:35:32,069 --> 00:35:27,280

so

943

00:35:33,109 --> 00:35:32,079

he's a nice guy i'm not knocking it you

944

00:35:35,510 --> 00:35:33,119

know he's a billionaire i don't want to

945

00:35:37,990 --> 00:35:35,520

get him out of me but he's a nice guy he

946

00:35:39,670 --> 00:35:38,000

had his own siding when he was a kid

947

00:35:42,230 --> 00:35:39,680

so he's got the money and he's just

948

00:35:44,470 --> 00:35:42,240

taking the reins by himself

949

00:35:47,270 --> 00:35:44,480

would i do it myself if i had a bill you

950

00:35:49,510 --> 00:35:47,280

know millions of dollars maybe you know

951
00:35:51,190 --> 00:35:49,520
but um you know he just wasn't up front

952
00:35:53,270 --> 00:35:51,200
honest with the people he was dealing

953
00:35:54,069 --> 00:35:53,280
with

954
00:35:56,150 --> 00:35:54,079
and

955
00:35:57,270 --> 00:35:56,160
also around that time

956
00:35:59,589 --> 00:35:57,280
um

957
00:36:01,829 --> 00:35:59,599
after i did my press release i got this

958
00:36:03,349 --> 00:36:01,839
phone call that's just when cell phones

959
00:36:05,670 --> 00:36:03,359
were fairly new

960
00:36:06,790 --> 00:36:05,680
and you didn't have access to cell phone

961
00:36:08,710 --> 00:36:06,800
numbers

962
00:36:10,710 --> 00:36:08,720
so i would get a phone call on my cell

963
00:36:13,750 --> 00:36:10,720

phone and be a very polite gentleman on

964

00:36:15,829 --> 00:36:13,760

the other side let me say mr zukowski

965

00:36:17,910 --> 00:36:15,839

i'd like to ask you about your thoughts

966

00:36:18,950 --> 00:36:17,920

and what you found out about the roswell

967

00:36:21,750 --> 00:36:18,960

debris

968

00:36:23,190 --> 00:36:21,760

that you that you guys found you know in

969

00:36:25,030 --> 00:36:23,200

six to eight inches dirt in the middle

970

00:36:29,190 --> 00:36:25,040

of the desert

971

00:36:30,230 --> 00:36:29,200

and not to be on anybody's bad side

972

00:36:32,150 --> 00:36:30,240

uh i

973

00:36:34,069 --> 00:36:32,160

whatever you want to know i will share

974

00:36:36,150 --> 00:36:34,079

that information with you and i told him

975

00:36:38,550 --> 00:36:36,160

everything i told him exactly what i

976

00:36:41,589 --> 00:36:38,560

found out my analysis how i got to the

977

00:36:43,349 --> 00:36:41,599

how i uh you know how what i did to get

978

00:36:46,390 --> 00:36:43,359

those analysis

979

00:36:48,630 --> 00:36:46,400

and we had maybe 20 25 minutes on the

980

00:36:49,829 --> 00:36:48,640

phone he said thank you very much i said

981

00:36:51,510 --> 00:36:49,839

you want

982

00:36:52,950 --> 00:36:51,520

hey feel free to call me again you have

983

00:36:54,630 --> 00:36:52,960

any other questions

984

00:36:56,150 --> 00:36:54,640

a couple of years later i get another

985

00:36:58,710 --> 00:36:56,160

call

986

00:37:00,150 --> 00:36:58,720

i can't remember it at the same time

987

00:37:03,270 --> 00:37:00,160

but it was another

988

00:37:04,470 --> 00:37:03,280

a male voice mr zukowski

989

00:37:05,510 --> 00:37:04,480

uh

990

00:37:08,230 --> 00:37:05,520

you've been doing a lot of cattle

991

00:37:09,030 --> 00:37:08,240

mutilation investigations i go yeah he

992

00:37:10,390 --> 00:37:09,040

says

993

00:37:12,470 --> 00:37:10,400

what are your findings what are your

994

00:37:13,990 --> 00:37:12,480

thoughts once again

995

00:37:16,550 --> 00:37:14,000

i'm not going to hold anything back from

996

00:37:18,470 --> 00:37:16,560

these guys you don't want to end up you

997

00:37:19,829 --> 00:37:18,480

know you don't want to

998

00:37:21,750 --> 00:37:19,839

don't want to disappear you don't want

999

00:37:23,030 --> 00:37:21,760

to end up dead like max spears did a

1000

00:37:24,950 --> 00:37:23,040

couple years ago

1001
00:37:27,349 --> 00:37:24,960
investigator in poland ended up you know

1002
00:37:29,030 --> 00:37:27,359
if they found him dead in a hotel of

1003
00:37:30,790 --> 00:37:29,040
black ooze coming out of his mouth

1004
00:37:32,230 --> 00:37:30,800
because he stepped over the line you

1005
00:37:33,910 --> 00:37:32,240
don't want to step over the line when

1006
00:37:35,829 --> 00:37:33,920
you do what we do

1007
00:37:37,990 --> 00:37:35,839
so i told him what he needed to know and

1008
00:37:39,349 --> 00:37:38,000
so i think what happened was

1009
00:37:41,109 --> 00:37:39,359
is now

1010
00:37:43,750 --> 00:37:41,119
in light of the pentagon coming out i

1011
00:37:45,750 --> 00:37:43,760
was probably talking to representatives

1012
00:37:47,589 --> 00:37:45,760
people from the pentagon

1013
00:37:48,630 --> 00:37:47,599

you know in that special

1014

00:37:50,630 --> 00:37:48,640

unit

1015

00:37:52,470 --> 00:37:50,640

that was funding vigo i know it wasn't

1016

00:37:53,589 --> 00:37:52,480

big low

1017

00:37:55,990 --> 00:37:53,599

per se

1018

00:37:59,190 --> 00:37:56,000

but i think it was uh you know

1019

00:38:00,710 --> 00:37:59,200

people within that you know specific

1020

00:38:02,950 --> 00:38:00,720

investigative group that was being

1021

00:38:04,870 --> 00:38:02,960

funded by pentagon

1022

00:38:06,470 --> 00:38:04,880

uh pretty excited about that so that's

1023

00:38:08,790 --> 00:38:06,480

my brush with

1024

00:38:09,750 --> 00:38:08,800

you know yes i've been followed a couple

1025

00:38:11,670 --> 00:38:09,760

times

1026

00:38:13,990 --> 00:38:11,680

my sister's been followed

1027

00:38:15,589 --> 00:38:14,000

a couple of times but you these aren't

1028

00:38:18,150 --> 00:38:15,599

if you want to call them mibs in my

1029

00:38:18,950 --> 00:38:18,160

opinion the mids the men in black are

1030

00:38:20,150 --> 00:38:18,960

just

1031

00:38:21,670 --> 00:38:20,160

you know

1032

00:38:23,270 --> 00:38:21,680

just agents

1033

00:38:25,030 --> 00:38:23,280

that they want to know what we found out

1034

00:38:27,430 --> 00:38:25,040

you have to understand that when we

1035

00:38:29,109 --> 00:38:27,440

investigate ufo sightings

1036

00:38:31,349 --> 00:38:29,119

sometimes the ufo sightings we're

1037

00:38:34,390 --> 00:38:31,359

investigating are could be

1038

00:38:35,589 --> 00:38:34,400

and have been black op projects for the

1039

00:38:37,270 --> 00:38:35,599

military

1040

00:38:39,190 --> 00:38:37,280

you know certain areas i know of a

1041

00:38:41,270 --> 00:38:39,200

couple of areas right now i don't

1042

00:38:43,589 --> 00:38:41,280

disclose it but i know of a couple of

1043

00:38:46,470 --> 00:38:43,599

areas where i believe there is a skunk

1044

00:38:49,109 --> 00:38:46,480

works facility there two separate places

1045

00:38:51,589 --> 00:38:49,119

one in baton rouge and one in colorado

1046

00:38:52,950 --> 00:38:51,599

because of ufo sightings once i realized

1047

00:38:55,510 --> 00:38:52,960

you know what

1048

00:38:57,349 --> 00:38:55,520

you know that's military you know that's

1049

00:38:59,109 --> 00:38:57,359

guns horse they're doing blah blah you

1050

00:38:59,710 --> 00:38:59,119

know like the stealth fighter you know

1051
00:39:03,910 --> 00:38:59,720
the

1052
00:39:06,310 --> 00:39:03,920
that was

1053
00:39:08,390 --> 00:39:06,320
so i don't want to

1054
00:39:10,230 --> 00:39:08,400
i don't want to release or come out with

1055
00:39:11,990 --> 00:39:10,240
any information if i believe it's a

1056
00:39:14,390 --> 00:39:12,000
military base

1057
00:39:15,270 --> 00:39:14,400
why because i don't want to put you know

1058
00:39:23,829 --> 00:39:15,280
i

1059
00:39:26,150 --> 00:39:23,839
you know technology they can get to keep

1060
00:39:29,510 --> 00:39:26,160
them safe and keep all our soldiers safe

1061
00:39:31,750 --> 00:39:29,520
so you know why ruin that by you know

1062
00:39:33,750 --> 00:39:31,760
now as an experienced investigator i can

1063
00:39:35,349 --> 00:39:33,760

tell the difference between what could

1064

00:39:37,910 --> 00:39:35,359

be military

1065

00:39:39,589 --> 00:39:37,920

and what could be not military and that

1066

00:39:42,870 --> 00:39:39,599

would be my background in microchip

1067

00:39:45,510 --> 00:39:42,880

design i know what we should have

1068

00:39:47,589 --> 00:39:45,520

i know what we could have because i know

1069

00:39:48,790 --> 00:39:47,599

what i'm designing i've been on design

1070

00:39:50,550 --> 00:39:48,800

teams for

1071

00:39:53,270 --> 00:39:50,560

the deep space probe and the spy

1072

00:39:55,430 --> 00:39:53,280

satellite so i have an idea

1073

00:39:56,470 --> 00:39:55,440

i'm one of the few lucky ones that can

1074

00:39:58,390 --> 00:39:56,480

say

1075

00:40:00,069 --> 00:39:58,400

you know

1076

00:40:02,230 --> 00:40:00,079

okay i'm not going there because i

1077

00:40:03,829 --> 00:40:02,240

believe it's going to be military you

1078

00:40:07,510 --> 00:40:03,839

know

1079

00:40:10,790 --> 00:40:07,520

sightings out here

1080

00:40:12,550 --> 00:40:10,800

you know i'll just go on for the next

1081

00:40:14,150 --> 00:40:12,560

man's shadow exactly

1082

00:40:18,309 --> 00:40:14,160

i have been shadowed

1083

00:40:22,390 --> 00:40:19,750

yeah and

1084

00:40:24,550 --> 00:40:22,400

i you know i'm with you i i

1085

00:40:26,710 --> 00:40:24,560

agree that our military should have the

1086

00:40:29,190 --> 00:40:26,720

best of everything and at the advantage

1087

00:40:31,030 --> 00:40:29,200

as well and chuck let's talk gear for a

1088

00:40:33,670 --> 00:40:31,040

minute because you always have the

1089

00:40:36,309 --> 00:40:33,680

sweetest gear um what kind of camera are

1090

00:40:37,670 --> 00:40:36,319

you typically using to shoot ufos these

1091

00:40:40,470 --> 00:40:37,680

days

1092

00:40:42,069 --> 00:40:40,480

well i mean i have a really cool uh i

1093

00:40:45,190 --> 00:40:42,079

think it's a

1094

00:40:47,109 --> 00:40:45,200

this is the 14th canon i use that for

1095

00:40:52,069 --> 00:40:47,119

interviews and stuff and i have wireless

1096

00:40:53,750 --> 00:40:52,079

mics for that um i have an aurora

1097

00:40:56,630 --> 00:40:53,760

pro 4

1098

00:41:00,950 --> 00:40:56,640

it's about 900 dollars it's a small

1099

00:41:02,390 --> 00:41:00,960

camera and it shoots uh it's just

1100

00:41:03,750 --> 00:41:02,400

day and night vision the shoot night

1101

00:41:06,150 --> 00:41:03,760

vision in color

1102

00:41:07,910 --> 00:41:06,160

uh it works out pretty well i have a

1103

00:41:09,510 --> 00:41:07,920

couple oh i just acquired a couple of

1104

00:41:13,829 --> 00:41:09,520

hero 10s

1105

00:41:15,990 --> 00:41:13,839

uh if people are going to buy

1106

00:41:18,470 --> 00:41:16,000

now what i like about gopros

1107

00:41:21,670 --> 00:41:18,480

and this is what i don't like

1108

00:41:22,630 --> 00:41:21,680

about these ghost shows on tv

1109

00:41:23,910 --> 00:41:22,640

and

1110

00:41:25,750 --> 00:41:23,920

we did something a little bit different

1111

00:41:28,309 --> 00:41:25,760

with alien highway

1112

00:41:30,150 --> 00:41:28,319

well when we ventured out

1113

00:41:31,750 --> 00:41:30,160

i was with the cameraman we always made

1114

00:41:33,589 --> 00:41:31,760

sure we had a camera on us when my son

1115

00:41:37,589 --> 00:41:33,599

ventured out on his own

1116

00:41:39,910 --> 00:41:37,599

um we attached a gopro to his chest

1117

00:41:42,870 --> 00:41:39,920

yeah if he saw something

1118

00:41:45,910 --> 00:41:42,880

it was picked up on on a gopro when

1119

00:41:48,309 --> 00:41:45,920

you're watching goofy and i

1120

00:41:50,390 --> 00:41:48,319

god i'm so frustrated with these guys

1121

00:41:51,990 --> 00:41:50,400

because the majority ninety percent of

1122

00:41:53,430 --> 00:41:52,000

the evidence they claim they can't say

1123

00:41:55,190 --> 00:41:53,440

if not

1124

00:41:57,670 --> 00:41:55,200

houses creak

1125

00:41:59,910 --> 00:41:57,680

shadows they say they saw a shadow

1126
00:42:02,870 --> 00:41:59,920
cameras don't pick them up all about

1127
00:42:05,750 --> 00:42:02,880
you know a good investigator will attach

1128
00:42:08,630 --> 00:42:05,760
a damn gopro to his forehead or to his

1129
00:42:11,670 --> 00:42:08,640
chest so if he sees something we get to

1130
00:42:12,790 --> 00:42:11,680
see it too oh my god did you see that no

1131
00:42:13,750 --> 00:42:12,800
we didn't because you don't have a

1132
00:42:15,829 --> 00:42:13,760
camera

1133
00:42:18,870 --> 00:42:15,839
you just have to take your word for it

1134
00:42:21,109 --> 00:42:18,880
so in my investigations you know i strap

1135
00:42:23,030 --> 00:42:21,119
a gopro to my chest

1136
00:42:25,030 --> 00:42:23,040
so if i see something there's evidence

1137
00:42:27,349 --> 00:42:25,040
of that's why we do it that's the whole

1138
00:42:30,710 --> 00:42:27,359

reason of being an investigator gopro

1139

00:42:32,710 --> 00:42:30,720

hero 10. nines right now it's a good

1140

00:42:35,829 --> 00:42:32,720

price on nines right now

1141

00:42:38,230 --> 00:42:35,839

but spend a couple extra dollars and get

1142

00:42:40,230 --> 00:42:38,240

the 10 the reason why the 10's got a new

1143

00:42:42,309 --> 00:42:40,240

microprocessor

1144

00:42:44,710 --> 00:42:42,319

and there's a lot of cool things that

1145

00:42:47,190 --> 00:42:44,720

that new camera will do the last macro

1146

00:42:49,270 --> 00:42:47,200

processor i think was from hero five to

1147

00:42:50,390 --> 00:42:49,280

nine so you're buying something that's

1148

00:42:52,630 --> 00:42:50,400

outdated

1149

00:42:53,829 --> 00:42:52,640

if you don't you don't care

1150

00:42:55,270 --> 00:42:53,839

you know and you're just using it for

1151

00:42:57,589 --> 00:42:55,280

vacations

1152

00:42:59,270 --> 00:42:57,599

go with the nine that's fine but if you

1153

00:43:00,710 --> 00:42:59,280

know you you uh you want to use

1154

00:43:03,829 --> 00:43:00,720

something a little better so i have two

1155

00:43:06,390 --> 00:43:03,839

local hero 10s in the night vision at

1156

00:43:08,870 --> 00:43:06,400

night there's a binoculars i have a

1157

00:43:09,910 --> 00:43:08,880

multitude of emf meters

1158

00:43:14,390 --> 00:43:09,920

um

1159

00:43:17,670 --> 00:43:14,400

i have you know uh metal detecting wand

1160

00:43:19,829 --> 00:43:17,680

metal detector uh gosh i turn around and

1161

00:43:22,150 --> 00:43:19,839

probably look at all my gear behind me

1162

00:43:24,150 --> 00:43:22,160

you know there's

1163

00:43:26,550 --> 00:43:24,160

uh i have a

1164

00:43:28,470 --> 00:43:26,560

full spectrum camera so this is kind of

1165

00:43:30,790 --> 00:43:28,480

cool now these are not something that

1166

00:43:31,589 --> 00:43:30,800

you can just want to have a flare camera

1167

00:43:35,430 --> 00:43:31,599

um

1168

00:43:37,589 --> 00:43:35,440

using this for a couple times now you

1169

00:43:40,550 --> 00:43:37,599

have to buy aftermarket stuff if you

1170

00:43:42,069 --> 00:43:40,560

want to shoot full spectrum

1171

00:43:43,030 --> 00:43:42,079

excuse me now full spectrum generally

1172

00:43:45,190 --> 00:43:43,040

have to shoot at night because it's

1173

00:43:45,990 --> 00:43:45,200

ultraviolet uv

1174

00:43:48,390 --> 00:43:46,000

but

1175

00:43:51,430 --> 00:43:48,400

if you uh what i did is i found a camera

1176

00:43:54,150 --> 00:43:51,440

that i could put a lens on that has the

1177

00:43:55,270 --> 00:43:54,160

threads on the camera shaking screw lens

1178

00:43:57,030 --> 00:43:55,280

on and

1179

00:43:59,430 --> 00:43:57,040

that probably goes back to

1180

00:44:01,430 --> 00:43:59,440

i have a i have a telescope so i'm an

1181

00:44:02,950 --> 00:44:01,440

amateur astronomer and they we use

1182

00:44:04,630 --> 00:44:02,960

lenses all the time

1183

00:44:05,990 --> 00:44:04,640

filters when you look at you know

1184

00:44:09,910 --> 00:44:06,000

different nebulas to bring out the

1185

00:44:15,349 --> 00:44:12,550

so um i found a

1186

00:44:18,630 --> 00:44:15,359

lens that blocks out all the white light

1187

00:44:21,109 --> 00:44:18,640

so i screw that onto my

1188

00:44:23,109 --> 00:44:21,119

full spectrum camera that way i can

1189

00:44:26,870 --> 00:44:23,119

shoot during a daytime

1190

00:44:28,790 --> 00:44:26,880

and i can shoot uv and ir during daytime

1191

00:44:30,630 --> 00:44:28,800

blocking out the white light now why

1192

00:44:33,510 --> 00:44:30,640

would i do that because i'm looking for

1193

00:44:35,349 --> 00:44:33,520

evidence that our eyes don't see

1194

00:44:37,990 --> 00:44:35,359

when you use a regular camera and you're

1195

00:44:39,829 --> 00:44:38,000

doing a ufo investigation i can tell you

1196

00:44:41,990 --> 00:44:39,839

i'm not with the

1197

00:44:43,510 --> 00:44:42,000

you know sheriff's department anymore

1198

00:44:45,510 --> 00:44:43,520

i was with them for eight years as a

1199

00:44:47,750 --> 00:44:45,520

volunteer deputy

1200

00:44:50,390 --> 00:44:47,760

but the one thing that detectives

1201

00:44:52,230 --> 00:44:50,400

use right law enforcement detectives

1202

00:44:54,390 --> 00:44:52,240

is the whole purpose of a detective is

1203

00:44:56,150 --> 00:44:54,400

to try and find evidence

1204

00:44:58,069 --> 00:44:56,160

that's there

1205

00:45:00,230 --> 00:44:58,079

and they have to look for it

1206

00:45:02,790 --> 00:45:00,240

now the thing about being a cop or or

1207

00:45:04,309 --> 00:45:02,800

going into being a detective is there's

1208

00:45:06,390 --> 00:45:04,319

hundreds and hundreds of books on how to

1209

00:45:09,030 --> 00:45:06,400

be a cop and how to be a detective

1210

00:45:10,710 --> 00:45:09,040

and every crime that's committed there's

1211

00:45:12,309 --> 00:45:10,720

evidence left there

1212

00:45:14,309 --> 00:45:12,319

now it's up to the detective to try and

1213

00:45:16,470 --> 00:45:14,319

find the evidence that's left there to

1214

00:45:18,870 --> 00:45:16,480

find out who committed the crime

1215

00:45:20,710 --> 00:45:18,880

well if you look at your phones that way

1216

00:45:23,670 --> 00:45:20,720

and and something touched down or

1217

00:45:26,550 --> 00:45:23,680

something was here and people saw it

1218

00:45:28,550 --> 00:45:26,560

we know there's evidence there now as an

1219

00:45:30,069 --> 00:45:28,560

investigator we have to figure out okay

1220

00:45:31,030 --> 00:45:30,079

we know it's evidence that we can't see

1221

00:45:32,390 --> 00:45:31,040

it

1222

00:45:34,230 --> 00:45:32,400

but there's evidence there so we have to

1223

00:45:36,230 --> 00:45:34,240

figure out okay

1224

00:45:38,470 --> 00:45:36,240

how can we find something we can't see

1225

00:45:40,230 --> 00:45:38,480

how can we find something we don't know

1226
00:45:41,510 --> 00:45:40,240
about how can we find evidence that we

1227
00:45:44,309 --> 00:45:41,520
don't know what to have been better than

1228
00:45:48,309 --> 00:45:44,319
it is but we know it's evidence there

1229
00:45:52,309 --> 00:45:49,910
just uh

1230
00:45:54,309 --> 00:45:52,319
thinking analytically okay

1231
00:45:55,430 --> 00:45:54,319
so one way is using a full spectrum

1232
00:45:57,030 --> 00:45:55,440
camera

1233
00:45:59,589 --> 00:45:57,040
and hoping that maybe there might be

1234
00:46:01,829 --> 00:45:59,599
evidence there that you and i can't see

1235
00:46:03,589 --> 00:46:01,839
but the camera can pick up so stuff like

1236
00:46:05,670 --> 00:46:03,599
that emf meter

1237
00:46:07,910 --> 00:46:05,680
you know that's the same thing we use

1238
00:46:09,990 --> 00:46:07,920

emf meters all the time

1239

00:46:12,309 --> 00:46:10,000

outside of skin locker

1240

00:46:15,349 --> 00:46:12,319

when we shot with you we picked up high

1241

00:46:17,990 --> 00:46:15,359

levels of emf outside skin walker ranch

1242

00:46:19,030 --> 00:46:18,000

well cool place right but as you know

1243

00:46:21,030 --> 00:46:19,040

ryan

1244

00:46:23,109 --> 00:46:21,040

that's not the central the activity

1245

00:46:25,589 --> 00:46:23,119

that's just one of the spots

1246

00:46:27,510 --> 00:46:25,599

of where activity is you could probably

1247

00:46:30,309 --> 00:46:27,520

be at least a five mile radius of that

1248

00:46:32,230 --> 00:46:30,319

place and catch just as much evidence as

1249

00:46:33,910 --> 00:46:32,240

what they catch on skidmark

1250

00:46:35,750 --> 00:46:33,920

right

1251

00:46:39,510 --> 00:46:35,760

yeah i mean you saw your evidence that

1252

00:46:47,670 --> 00:46:39,520

you saw what you saw wasn't that correct

1253

00:46:51,750 --> 00:46:49,109

i'm gonna let you talk for a second so i

1254

00:46:54,390 --> 00:46:51,760

can ship some coffee you bet and you

1255

00:46:55,670 --> 00:46:54,400

know you've researched many of the

1256

00:46:57,430 --> 00:46:55,680

places

1257

00:46:59,430 --> 00:46:57,440

that are my favorites

1258

00:47:02,950 --> 00:46:59,440

and one of my favorite states for ufos

1259

00:47:03,750 --> 00:47:02,960

is obviously colorado and um

1260

00:47:07,430 --> 00:47:03,760

it's

1261

00:47:09,510 --> 00:47:07,440

one of the states with one of the deep

1262

00:47:11,750 --> 00:47:09,520

underground military bases that have

1263

00:47:13,510 --> 00:47:11,760

been disclosed which is cheyenne

1264

00:47:15,030 --> 00:47:13,520

mountain and

1265

00:47:17,430 --> 00:47:15,040

are there any mind

1266

00:47:19,270 --> 00:47:17,440

bending events or bizarre incidents you

1267

00:47:21,829 --> 00:47:19,280

can tell us about that

1268

00:47:23,910 --> 00:47:21,839

made an impression on you out of all the

1269

00:47:26,230 --> 00:47:23,920

probably wild stuff that you've come

1270

00:47:28,069 --> 00:47:26,240

across in colorado

1271

00:47:31,109 --> 00:47:28,079

well you know i'm gonna have to say

1272

00:47:33,750 --> 00:47:31,119

animal mutilations now i've seen

1273

00:47:36,829 --> 00:47:33,760

i've seen ufos i've seen a craft

1274

00:47:39,109 --> 00:47:36,839

i think it was ours the way that i was

1275

00:47:40,950 --> 00:47:39,119

maneuvering and it came from an area

1276
00:47:42,230 --> 00:47:40,960
where i think it was a skunk works

1277
00:47:44,549 --> 00:47:42,240
facility

1278
00:47:47,510 --> 00:47:44,559
so i'm just saying i think the only

1279
00:47:49,510 --> 00:47:47,520
metallic trap i think i saw really cool

1280
00:47:51,670 --> 00:47:49,520
looking pretty awesome looking i think

1281
00:47:53,190 --> 00:47:51,680
it might have been more than large or

1282
00:47:55,670 --> 00:47:53,200
could have been one of those

1283
00:47:57,270 --> 00:47:55,680
you know uh ones that were

1284
00:47:58,309 --> 00:47:57,280
reverse engineered

1285
00:48:00,790 --> 00:47:58,319
okay

1286
00:48:02,230 --> 00:48:00,800
the um i've seen balls of light and i've

1287
00:48:03,030 --> 00:48:02,240
recorded them

1288
00:48:08,069 --> 00:48:03,040

and

1289

00:48:10,549 --> 00:48:08,079

outsider roswell

1290

00:48:11,990 --> 00:48:10,559

actually communicated with the ufo or

1291

00:48:14,150 --> 00:48:12,000

light in the sky

1292

00:48:15,270 --> 00:48:14,160

you know about 9 30 a quarter 10 at

1293

00:48:18,710 --> 00:48:15,280

night

1294

00:48:20,630 --> 00:48:18,720

we were you know basically

1295

00:48:22,390 --> 00:48:20,640

flashing that part my headlights on my

1296

00:48:24,390 --> 00:48:22,400

truck and it was flashing back and we

1297

00:48:26,549 --> 00:48:24,400

were going back and forth and the

1298

00:48:28,630 --> 00:48:26,559

hit the fan after that that's a pretty

1299

00:48:29,829 --> 00:48:28,640

cool story

1300

00:48:31,670 --> 00:48:29,839

out here in

1301

00:48:34,069 --> 00:48:31,680

in colorado

1302

00:48:35,910 --> 00:48:34,079

at where i've seen life as a bigfoot

1303

00:48:37,349 --> 00:48:35,920

investigations and i've done those

1304

00:48:39,190 --> 00:48:37,359

investigations

1305

00:48:41,030 --> 00:48:39,200

um it's the cattle emulation stuff

1306

00:48:42,230 --> 00:48:41,040

that's really bizarre

1307

00:48:44,470 --> 00:48:42,240

because

1308

00:48:45,589 --> 00:48:44,480

the majority of the ranchers that i've

1309

00:48:48,470 --> 00:48:45,599

dealt with

1310

00:48:49,430 --> 00:48:48,480

are second third generation ranchers and

1311

00:48:52,470 --> 00:48:49,440

they know

1312

00:48:54,710 --> 00:48:52,480

how an animal dies naturally

1313

00:48:56,630 --> 00:48:54,720

or how it could be poisoned but when

1314

00:48:57,589 --> 00:48:56,640

they see something

1315

00:48:58,870 --> 00:48:57,599

that's

1316

00:49:01,270 --> 00:48:58,880

a play

1317

00:49:03,910 --> 00:49:01,280

off the wall never seen before in their

1318

00:49:05,670 --> 00:49:03,920

life it scares the hell out of them

1319

00:49:07,750 --> 00:49:05,680

because something out there is killing

1320

00:49:09,670 --> 00:49:07,760

an 1100 pound animal

1321

00:49:11,190 --> 00:49:09,680

draining it of blood

1322

00:49:11,660 --> 00:49:11,200

cutting it up

1323

00:49:12,870 --> 00:49:11,670

and

1324

00:49:15,109 --> 00:49:12,880

[Music]

1325

00:49:16,950 --> 00:49:15,119

it's sitting there and and they don't

1326

00:49:18,470 --> 00:49:16,960

know what to do

1327

00:49:19,829 --> 00:49:18,480

um there's other things involved in

1328

00:49:21,349 --> 00:49:19,839

animal issues we could probably do a

1329

00:49:22,549 --> 00:49:21,359

whole other hour on just animal

1330

00:49:24,309 --> 00:49:22,559

mutilations

1331

00:49:25,589 --> 00:49:24,319

you know of what's an adult mutilation

1332

00:49:28,150 --> 00:49:25,599

and what's not

1333

00:49:30,870 --> 00:49:28,160

but i've i've investigated

1334

00:49:31,990 --> 00:49:30,880

uh dead cows dead horses

1335

00:49:35,030 --> 00:49:32,000

goats

1336

00:49:37,190 --> 00:49:35,040

dogs so it's just not sound

1337

00:49:38,870 --> 00:49:37,200

it's it's bizarre and then in a lot of

1338

00:49:41,510 --> 00:49:38,880

cases

1339

00:49:44,150 --> 00:49:41,520

balls of lighter scene one one case of

1340

00:49:46,069 --> 00:49:44,160

craft was seen before the mutilation

1341

00:49:47,910 --> 00:49:46,079

most of the time they're balls of light

1342

00:49:50,470 --> 00:49:47,920

that are seen before

1343

00:49:51,990 --> 00:49:50,480

a mutilation occurs maybe a month maybe

1344

00:49:55,510 --> 00:49:52,000

two weeks before

1345

00:49:56,309 --> 00:49:55,520

and then in some cases in colorado also

1346

00:50:01,829 --> 00:49:56,319

in

1347

00:50:03,829 --> 00:50:01,839

about this

1348

00:50:06,790 --> 00:50:03,839

that a black helicopters unmarked

1349

00:50:08,870 --> 00:50:06,800

helicopters will show up afterwards

1350

00:50:10,470 --> 00:50:08,880

now for those people out there that are

1351
00:50:11,990 --> 00:50:10,480
saying well it's the helicopters that

1352
00:50:14,309 --> 00:50:12,000
are doing it and they're and they're

1353
00:50:16,710 --> 00:50:14,319
marking their next couch okay just who's

1354
00:50:18,710 --> 00:50:16,720
ever saying that just put your hand

1355
00:50:20,069 --> 00:50:18,720
push it through the internet slap on the

1356
00:50:22,230 --> 00:50:20,079
side of the face

1357
00:50:23,270 --> 00:50:22,240
to knock some ascension to them because

1358
00:50:24,950 --> 00:50:23,280
they don't know what they're talking

1359
00:50:25,750 --> 00:50:24,960
about they haven't been doing this 35

1360
00:50:28,309 --> 00:50:25,760
years

1361
00:50:30,309 --> 00:50:28,319
you know they're just speculating

1362
00:50:31,990 --> 00:50:30,319
whatever for whatever reason

1363
00:50:34,150 --> 00:50:32,000

it goes back to these guys are running

1364

00:50:36,470 --> 00:50:34,160

their own investigations

1365

00:50:37,510 --> 00:50:36,480

so when these unmarked helicopters show

1366

00:50:39,270 --> 00:50:37,520

up

1367

00:50:41,670 --> 00:50:39,280

and they have

1368

00:50:43,270 --> 00:50:41,680

on a few of my investigations after the

1369

00:50:44,710 --> 00:50:43,280

fact

1370

00:50:46,950 --> 00:50:44,720

they'll show up

1371

00:50:49,270 --> 00:50:46,960

and they'll run their own investigation

1372

00:50:50,549 --> 00:50:49,280

usually at night they'll the helicopter

1373

00:50:52,390 --> 00:50:50,559

will hover over

1374

00:50:53,430 --> 00:50:52,400

the area where the mutilation

1375

00:50:55,670 --> 00:50:53,440

occurred

1376

00:50:58,390 --> 00:50:55,680

and they have some pretty high

1377

00:50:59,510 --> 00:50:58,400

instruments i'm guessing

1378

00:51:01,510 --> 00:50:59,520

you know

1379

00:51:03,829 --> 00:51:01,520

and running their own investigations

1380

00:51:05,829 --> 00:51:03,839

generally they do it afterwards because

1381

00:51:07,670 --> 00:51:05,839

they don't know about right

1382

00:51:09,750 --> 00:51:07,680

you know once i do them and i put them

1383

00:51:11,670 --> 00:51:09,760

on the website or once they they go

1384

00:51:13,589 --> 00:51:11,680

public and they're in the media now they

1385

00:51:15,030 --> 00:51:13,599

know about it you know they're just you

1386

00:51:17,270 --> 00:51:15,040

know they don't have this giant

1387

00:51:18,630 --> 00:51:17,280

satellite up there keeping track

1388

00:51:20,790 --> 00:51:18,640

they do

1389

00:51:22,630 --> 00:51:20,800
and they may catch something

1390

00:51:24,470 --> 00:51:22,640
you know if they may catch some activity

1391

00:51:26,630 --> 00:51:24,480
in a certain area

1392

00:51:28,710 --> 00:51:26,640
uh and they can go look in that

1393

00:51:29,910 --> 00:51:28,720
particular area for what happened there

1394

00:51:31,430 --> 00:51:29,920
and it turned out it could be a

1395

00:51:32,950 --> 00:51:31,440
mutilation

1396

00:51:35,430 --> 00:51:32,960
because i know from a fact from working

1397

00:51:37,990 --> 00:51:35,440
on the spy satellite that the murray you

1398

00:51:39,190 --> 00:51:38,000
can see it well um

1399

00:51:41,190 --> 00:51:39,200
you know for all your listeners out

1400

00:51:45,349 --> 00:51:41,200
there i mean we just had that massive

1401
00:51:48,150 --> 00:51:45,359
volcano off the coast of tonga right

1402
00:51:50,790 --> 00:51:48,160
and capture some awesome real-time

1403
00:51:52,790 --> 00:51:50,800
satellite images of this volcano

1404
00:51:54,470 --> 00:51:52,800
erupting under water

1405
00:51:57,589 --> 00:51:54,480
and the eruption

1406
00:51:59,910 --> 00:51:57,599
underwater is larger than texas

1407
00:52:02,710 --> 00:51:59,920
so you know we have

1408
00:52:04,230 --> 00:52:02,720
you know spy satellites that are real

1409
00:52:06,309 --> 00:52:04,240
time

1410
00:52:09,510 --> 00:52:06,319
not just taking pictures there are they

1411
00:52:13,910 --> 00:52:11,270
it's unbelievable

1412
00:52:16,230 --> 00:52:13,920
and you know a lot

1413
00:52:18,309 --> 00:52:16,240

it really is the

1414

00:52:20,150 --> 00:52:18,319

a lot of the research is going in all

1415

00:52:22,870 --> 00:52:20,160

kinds of different directions

1416

00:52:25,829 --> 00:52:22,880

when it comes to ufos and uaps as

1417

00:52:27,270 --> 00:52:25,839

they're calling them and it is uh i'm

1418

00:52:29,990 --> 00:52:27,280

seeing a lot going into the

1419

00:52:31,670 --> 00:52:30,000

consciousness route it's almost become a

1420

00:52:33,670 --> 00:52:31,680

catchphrase do you think that

1421

00:52:36,630 --> 00:52:33,680

consciousness is the future of ufo

1422

00:52:40,150 --> 00:52:38,790

you know that's kind of hard to say i

1423

00:52:42,069 --> 00:52:40,160

mean you know there's always been

1424

00:52:44,630 --> 00:52:42,079

something involved in that when you get

1425

00:52:46,950 --> 00:52:44,640

into the metaphysical side

1426

00:52:49,589 --> 00:52:46,960

you know um

1427

00:52:52,069 --> 00:52:49,599

but i mean uap the word uap has been

1428

00:52:54,150 --> 00:52:52,079

around since the 1950s something the air

1429

00:52:55,510 --> 00:52:54,160

force has started ufo was picked up in

1430

00:52:57,510 --> 00:52:55,520

47

1431

00:52:59,589 --> 00:52:57,520

you know at the width of mount rainier

1432

00:53:01,270 --> 00:52:59,599

sighting

1433

00:53:03,030 --> 00:53:01,280

but um

1434

00:53:04,710 --> 00:53:03,040

yeah you know i

1435

00:53:08,230 --> 00:53:04,720

consciously you don't want to leave that

1436

00:53:10,230 --> 00:53:08,240

out i'm very analytical so i you know i

1437

00:53:12,230 --> 00:53:10,240

tack things from the analytical side to

1438

00:53:13,589 --> 00:53:12,240

gather evidence using

1439

00:53:15,829 --> 00:53:13,599

you know tools

1440

00:53:19,030 --> 00:53:15,839

any of your listeners can go out and buy

1441

00:53:21,750 --> 00:53:19,040

and do themselves right

1442

00:53:23,270 --> 00:53:21,760

when you start doing stuff

1443

00:53:25,349 --> 00:53:23,280

and you're talking about maybe doing

1444

00:53:26,870 --> 00:53:25,359

stuff by meditating your consciousness

1445

00:53:29,430 --> 00:53:26,880

or you know or something like that

1446

00:53:31,109 --> 00:53:29,440

that's that's an iffy thing i've dealt

1447

00:53:33,829 --> 00:53:31,119

with some

1448

00:53:37,990 --> 00:53:37,190

mediums and people that are intuitive

1449

00:53:40,870 --> 00:53:38,000

and

1450

00:53:45,750 --> 00:53:43,820

in my opinion you know it's uh

1451

00:53:48,470 --> 00:53:45,760

[Applause]

1452

00:53:50,549 --> 00:53:48,480

you unless and unless you can actually

1453

00:53:52,230 --> 00:53:50,559

get physical evidence in it as an

1454

00:53:55,109 --> 00:53:52,240

investigator

1455

00:53:57,589 --> 00:53:55,119

one of the things and i uh my wife is a

1456

00:53:59,190 --> 00:53:57,599

skeptic and i've been married to her for

1457

00:54:00,870 --> 00:53:59,200

40 years so

1458

00:54:02,470 --> 00:54:00,880

one thing i've learned that makes me a

1459

00:54:03,829 --> 00:54:02,480

better investigator than other

1460

00:54:04,630 --> 00:54:03,839

investigators

1461

00:54:06,150 --> 00:54:04,640

is

1462

00:54:08,549 --> 00:54:06,160

um

1463

00:54:10,630 --> 00:54:08,559

is because i was a skeptic and i just

1464

00:54:12,630 --> 00:54:10,640

can't there's a light in the sky i just

1465

00:54:14,950 --> 00:54:12,640

don't say you're a foe i have to

1466

00:54:17,190 --> 00:54:14,960

eliminate all possibilities and

1467

00:54:19,349 --> 00:54:17,200

plausibilities of what that line is

1468

00:54:21,270 --> 00:54:19,359

before i say it's an unknown

1469

00:54:23,270 --> 00:54:21,280

you know ergo that's why you know i

1470

00:54:25,430 --> 00:54:23,280

became an amateur astronomer in

1471

00:54:28,630 --> 00:54:25,440

california and then out here in colorado

1472

00:54:31,349 --> 00:54:28,640

you don't know the night sky right now

1473

00:54:33,670 --> 00:54:31,359

we're getting a crap load of

1474

00:54:35,430 --> 00:54:33,680

ufo sightings because of starling thank

1475

00:54:36,870 --> 00:54:35,440

you musk i'd like to smack him in the

1476

00:54:39,430 --> 00:54:36,880

family

1477

00:54:42,390 --> 00:54:39,440

you know for polluting our our our

1478

00:54:43,990 --> 00:54:42,400

atmosphere for you know monetary gain

1479

00:54:45,430 --> 00:54:44,000

but that's what he's doing by throwing

1480

00:54:46,710 --> 00:54:45,440

up all these

1481

00:54:48,390 --> 00:54:46,720

you know

1482

00:54:49,510 --> 00:54:48,400

eventually he's going to he says well

1483

00:54:51,990 --> 00:54:49,520

you're not going to be able to see the

1484

00:54:54,870 --> 00:54:52,000

satellites but then you still kind of

1485

00:54:56,230 --> 00:54:54,880

polluting the atmosphere our our

1486

00:54:57,910 --> 00:54:56,240

space with

1487

00:54:59,670 --> 00:54:57,920

with all these little satellites the

1488

00:55:00,870 --> 00:54:59,680

size of basketball and whatever the

1489

00:55:03,670 --> 00:55:00,880

signs are

1490

00:55:05,589 --> 00:55:03,680

but um reading a lot of sightings you

1491

00:55:07,910 --> 00:55:05,599

know starving people say oh my god we're

1492

00:55:09,910 --> 00:55:07,920

getting we're getting invaded i saw 40

1493

00:55:11,910 --> 00:55:09,920

lights in the string well that's what

1494

00:55:14,069 --> 00:55:11,920

the star links are

1495

00:55:15,510 --> 00:55:14,079

but

1496

00:55:17,589 --> 00:55:15,520

that's physical evidence though so

1497

00:55:19,670 --> 00:55:17,599

before you can say

1498

00:55:22,390 --> 00:55:19,680

and i've unfortunately i you know

1499

00:55:23,750 --> 00:55:22,400

there's websites you can go to

1500

00:55:25,190 --> 00:55:23,760

and for all your listeners out there if

1501
00:55:27,829 --> 00:55:25,200
you want to see what these things look

1502
00:55:30,309 --> 00:55:27,839
like you can go to website and actually

1503
00:55:32,309 --> 00:55:30,319
look up star links and and where you can

1504
00:55:34,470 --> 00:55:32,319
spot them and stand out there that night

1505
00:55:37,030 --> 00:55:34,480
if it's clear night and watch me go by

1506
00:55:38,549 --> 00:55:37,040
same thing with iss space station or any

1507
00:55:39,510 --> 00:55:38,559
type of satellite

1508
00:55:41,829 --> 00:55:39,520
but

1509
00:55:43,829 --> 00:55:41,839
if you guys have physical evidence you

1510
00:55:44,789 --> 00:55:43,839
have to eliminate all the possibilities

1511
00:55:46,710 --> 00:55:44,799
first

1512
00:55:49,430 --> 00:55:46,720
physically

1513
00:55:50,870 --> 00:55:49,440

before you can say otherwise and the

1514

00:55:53,670 --> 00:55:50,880

reason why you want to do that is

1515

00:55:56,069 --> 00:55:53,680

because you're eliminating the debunkers

1516

00:55:57,510 --> 00:55:56,079

by doing that when the debunker says

1517

00:56:00,390 --> 00:55:57,520

well how do you know

1518

00:56:04,230 --> 00:56:00,400

like the 37th panel i go

1519

00:56:07,030 --> 00:56:04,240

yeah i've got 100 uh gpr gps coordinates

1520

00:56:08,390 --> 00:56:07,040

of all these things that across the u.s

1521

00:56:09,910 --> 00:56:08,400

you know if it was good enough for the

1522

00:56:11,829 --> 00:56:09,920

science channel

1523

00:56:13,030 --> 00:56:11,839

when they asked me about the 27th panel

1524

00:56:14,789 --> 00:56:13,040

they said well what do you what do you

1525

00:56:17,190 --> 00:56:14,799

got on it i just follow them with all my

1526

00:56:18,870 --> 00:56:17,200

data they're like holy this guy's

1527

00:56:20,789 --> 00:56:18,880

on to something right

1528

00:56:22,309 --> 00:56:20,799

the same thing with the hydrogen theory

1529

00:56:24,150 --> 00:56:22,319

you know you just can't guess you have

1530

00:56:26,390 --> 00:56:24,160

to do your research and you have to show

1531

00:56:27,990 --> 00:56:26,400

why you came to that when you get into

1532

00:56:30,710 --> 00:56:28,000

when you get into talking to someone

1533

00:56:33,510 --> 00:56:30,720

that's you know a medium

1534

00:56:35,829 --> 00:56:33,520

or a psychic and say well i feel this

1535

00:56:38,470 --> 00:56:35,839

and that well you gotta

1536

00:56:40,309 --> 00:56:38,480

okay that might be true

1537

00:56:41,430 --> 00:56:40,319

but i can't prove it

1538

00:56:44,870 --> 00:56:41,440

you know

1539

00:56:47,349 --> 00:56:44,880

you gotta you gotta give me some proof

1540

00:56:48,950 --> 00:56:47,359

now i have worked with in the past

1541

00:56:50,549 --> 00:56:48,960

and um

1542

00:56:51,750 --> 00:56:50,559

there was one psychic guy we were

1543

00:56:53,589 --> 00:56:51,760

supposed to go

1544

00:56:55,349 --> 00:56:53,599

psychic said that you know there was a

1545

00:56:56,069 --> 00:56:55,359

bigfoot family that wanted to meet us

1546

00:56:57,829 --> 00:56:56,079

and

1547

00:56:59,430 --> 00:56:57,839

so i drove five hours with another

1548

00:57:01,109 --> 00:56:59,440

bigfoot investigator

1549

00:57:03,190 --> 00:57:01,119

to meet this bigfoot family who want to

1550

00:57:04,870 --> 00:57:03,200

meet us based on a psychic because i was

1551
00:57:06,309 --> 00:57:04,880
on her radio show once i thought what

1552
00:57:07,990 --> 00:57:06,319
the hell give it a shot you know you

1553
00:57:09,750 --> 00:57:08,000
don't want to say

1554
00:57:11,670 --> 00:57:09,760
that stupid you know i mean for god's

1555
00:57:14,630 --> 00:57:11,680
sakes i look for aliens so how can i say

1556
00:57:18,870 --> 00:57:16,549
the bigfoot sighting turned into a

1557
00:57:20,549 --> 00:57:18,880
euphoria

1558
00:57:22,789 --> 00:57:20,559
so um

1559
00:57:24,390 --> 00:57:22,799
she led us to an area there was no

1560
00:57:27,270 --> 00:57:24,400
bigfoot but something else happened

1561
00:57:30,549 --> 00:57:27,280
there possible uh animal mutilation and

1562
00:57:31,910 --> 00:57:30,559
there's a ufo that looks strange lights

1563
00:57:33,750 --> 00:57:31,920

and all kinds of stuff

1564

00:57:35,990 --> 00:57:33,760

no bigfoot

1565

00:57:38,829 --> 00:57:36,000

so i can't

1566

00:57:42,789 --> 00:57:38,839

disregard stuff like that you know

1567

00:57:46,549 --> 00:57:45,190

yeah it's important stuff and it's so

1568

00:57:49,270 --> 00:57:46,559

fascinating

1569

00:57:50,470 --> 00:57:49,280

um and you know worldwide this is really

1570

00:57:53,430 --> 00:57:50,480

it seems

1571

00:57:55,990 --> 00:57:53,440

that uh this is really getting traction

1572

00:57:57,990 --> 00:57:56,000

and i'm sure you've noticed this that um

1573

00:58:00,470 --> 00:57:58,000

it's more mainstream than it ever has

1574

00:58:02,390 --> 00:58:00,480

been before as we wrap up

1575

00:58:04,789 --> 00:58:02,400

um is that a good thing or a bad thing

1576

00:58:06,470 --> 00:58:04,799

and could you tell listeners where they

1577

00:58:08,470 --> 00:58:06,480

can go to your website it's such a great

1578

00:58:10,150 --> 00:58:08,480

website with i like the way it's

1579

00:58:11,750 --> 00:58:10,160

organized and it's got great articles

1580

00:58:13,349 --> 00:58:11,760

and and you've got so much going on

1581

00:58:15,670 --> 00:58:13,359

there could you tell listeners where

1582

00:58:17,349 --> 00:58:15,680

they can keep up with you and

1583

00:58:19,750 --> 00:58:17,359

yeah is this a good thing or a bad thing

1584

00:58:21,990 --> 00:58:19,760

that it's going so mainstream

1585

00:58:23,349 --> 00:58:22,000

it's it's a good thing that's going so

1586

00:58:26,069 --> 00:58:23,359

amazing because

1587

00:58:28,150 --> 00:58:26,079

um it's you know june 25th last year it

1588

00:58:29,990 --> 00:58:28,160

was a big i told you so when the

1589

00:58:31,670 --> 00:58:30,000

pentagon came out and said

1590

00:58:32,630 --> 00:58:31,680

you know and and you know they have

1591

00:58:37,670 --> 00:58:32,640

different

1592

00:58:40,230 --> 00:58:37,680

right and uh

1593

00:58:42,549 --> 00:58:40,240

out of 144 so they were able to

1594

00:58:44,309 --> 00:58:42,559

recognize one which was balloons that

1595

00:58:46,230 --> 00:58:44,319

means 143

1596

00:58:48,069 --> 00:58:46,240

they couldn't recognize

1597

00:58:49,349 --> 00:58:48,079

the um our latest and greatest

1598

00:58:51,670 --> 00:58:49,359

instruments of technology and the

1599

00:58:53,589 --> 00:58:51,680

fighter jets couldn't recognize it which

1600

00:58:55,750 --> 00:58:53,599

is kind of scary they couldn't keep up

1601
00:58:57,910 --> 00:58:55,760
with them and so they throw that into

1602
00:59:00,309 --> 00:58:57,920
the other category which what is the

1603
00:59:02,309 --> 00:59:00,319
other category of this the ufo category

1604
00:59:04,549 --> 00:59:02,319
they just didn't want to say it so it

1605
00:59:05,829 --> 00:59:04,559
was a big aha and a big plus for us

1606
00:59:09,510 --> 00:59:05,839
investigators

1607
00:59:12,870 --> 00:59:09,520
when that came out uh you know last year

1608
00:59:14,630 --> 00:59:12,880
uh and and if we got things rolling i'm

1609
00:59:16,950 --> 00:59:14,640
upset with the media

1610
00:59:19,190 --> 00:59:16,960
because they're not covering it as much

1611
00:59:21,589 --> 00:59:19,200
as they should and i'm upset with

1612
00:59:24,470 --> 00:59:21,599
tv because they're still pushing ghost

1613
00:59:26,870 --> 00:59:24,480

shows because you can fabricate

1614

00:59:29,510 --> 00:59:26,880

the evidence so much and manipulate the

1615

00:59:32,309 --> 00:59:29,520

audience that it's it's become nothing

1616

00:59:33,750 --> 00:59:32,319

but gilligan's island paranormal you

1617

00:59:35,349 --> 00:59:33,760

know episode

1618

00:59:37,950 --> 00:59:35,359

uh that's for me

1619

00:59:41,430 --> 00:59:37,960

um my website is

1620

00:59:43,030 --> 00:59:41,440

ufonut.com that's ufo nuts like an acorn

1621

00:59:44,710 --> 00:59:43,040

nut and the reason why it's called that

1622

00:59:46,630 --> 00:59:44,720

because way back years ago when i first

1623

00:59:48,870 --> 00:59:46,640

started this people would call me you're

1624

00:59:50,309 --> 00:59:48,880

just a ufo nut so again instead of

1625

00:59:52,230 --> 00:59:50,319

getting mad

1626
00:59:54,230 --> 00:59:52,240
i wrote it with that and now it's an

1627
00:59:55,349 --> 00:59:54,240
acronym so um

1628
00:59:57,910 --> 00:59:55,359
you know

1629
01:00:00,230 --> 00:59:57,920
basically you'll for no ufo net stands

1630
01:00:03,030 --> 01:00:00,240
for unconventional flying objects

1631
01:00:04,950 --> 01:00:03,040
non-human unrecognizable technology

1632
01:00:06,549 --> 01:00:04,960
let's head around with it ufo 9 i

1633
01:00:09,270 --> 01:00:06,559
actually trademarked that so now it's

1634
01:00:11,670 --> 01:00:09,280
that's my name so i own it

1635
01:00:16,549 --> 01:00:11,680
yeah too that's cool i had nothing to do

1636
01:00:21,510 --> 01:00:19,510
i couldn't run any investigations um

1637
01:00:23,109 --> 01:00:21,520
so your phone dot com

1638
01:00:25,430 --> 01:00:23,119

uh on the top you'll see something

1639

01:00:27,270 --> 01:00:25,440

you'll see home button checks acoustic

1640

01:00:28,870 --> 01:00:27,280

email stuck

1641

01:00:31,670 --> 01:00:28,880

i get all my emails you have any

1642

01:00:33,750 --> 01:00:31,680

questions email me i asked them all back

1643

01:00:34,710 --> 01:00:33,760

i'm not working with a tv show right now

1644

01:00:37,750 --> 01:00:34,720

so

1645

01:00:39,349 --> 01:00:37,760

um if you're looking to get a tv show or

1646

01:00:41,030 --> 01:00:39,359

someone from tv down there to

1647

01:00:43,349 --> 01:00:41,040

investigate one of your you know your

1648

01:00:45,270 --> 01:00:43,359

events or your sightings oh i can't help

1649

01:00:47,190 --> 01:00:45,280

you at this point but the best i can do

1650

01:00:49,510 --> 01:00:47,200

is keep the information if something

1651
01:00:51,670 --> 01:00:49,520
pops up like i said for whatever reason

1652
01:00:55,510 --> 01:00:51,680
eb you're still loving

1653
01:01:00,870 --> 01:00:58,309
so true though and uh just many thanks

1654
01:01:03,349 --> 01:01:00,880
for all the research you've done and uh

1655
01:01:05,750 --> 01:01:03,359
it's it's it's awesome to talk to you

1656
01:01:08,230 --> 01:01:05,760
again i hope we talk again and uh thanks

1657
01:01:09,990 --> 01:01:08,240
so much for coming on the podcast

1658
01:01:11,430 --> 01:01:10,000
you know i really appreciate it it was

1659
01:01:12,950 --> 01:01:11,440
kind of it was a pleasure working with

1660
01:01:15,190 --> 01:01:12,960
you too matter of fact we have

1661
01:01:17,030 --> 01:01:15,200
suspicions about it so

1662
01:01:19,430 --> 01:01:17,040
you know

1663
01:01:20,470 --> 01:01:19,440

working for somebody else right

1664

01:01:23,109 --> 01:01:20,480

so

1665

01:01:26,549 --> 01:01:23,119

only because of only because how

1666

01:01:28,710 --> 01:01:26,559

professional you you portrayed yourself

1667

01:01:31,349 --> 01:01:28,720

was a little was a little bit different

1668

01:01:33,910 --> 01:01:31,359

than other witnesses we talked to

1669

01:01:35,030 --> 01:01:33,920

so you were a red flag at first

1670

01:01:36,870 --> 01:01:35,040

not now

1671

01:01:38,470 --> 01:01:36,880

but at first and that's only because

1672

01:01:42,870 --> 01:01:38,480

you're very professional so thank you

1673

01:01:46,870 --> 01:01:44,710

right thank you for having me podcast

1674

01:01:49,109 --> 01:01:46,880

all right take care chuck

1675

01:01:50,710 --> 01:01:49,119

thank you talk to you later

1676

01:01:51,750 --> 01:01:50,720

well there you have it ladies and

1677
