

JEFF RENEL

Dimensionals, UFOs, Spirituality, and Area 51

HERO

1
00:00:02,320 --> 00:00:10,600

hey

2
00:00:38,150 --> 00:00:34,250

[Music]

3
00:00:43,910 --> 00:00:40,310

blast off

4
00:00:47,029 --> 00:00:43,920

on another episode of hero paranormal

5
00:00:51,189 --> 00:00:47,039

podcast broadcasting from the base at la

6
00:00:54,069 --> 00:00:51,199

madre mountain just south of area 51 my

7
00:00:56,630 --> 00:00:54,079

name is ryan the original overseer of

8
00:00:58,869 --> 00:00:56,640

the airwaves bringing you an epic

9
00:01:02,470 --> 00:00:58,879

episode tonight

10
00:01:04,869 --> 00:01:02,480

and uh where do i start with this person

11
00:01:08,789 --> 00:01:04,879

on today's podcast we have fellow

12
00:01:11,670 --> 00:01:08,799

podcaster and researcher jeff rennell he

13
00:01:13,830 --> 00:01:11,680

is host of the popular paranormal show

14

00:01:17,109 --> 00:01:13,840

e-talk tv

15

00:01:20,390 --> 00:01:17,119

a great podcast i've been on myself

16

00:01:23,429 --> 00:01:20,400

i have been out in the field with jeff

17

00:01:26,950 --> 00:01:23,439

as well and he's the real deal when it

18

00:01:29,910 --> 00:01:26,960

comes to researchers so i know this is

19

00:01:34,149 --> 00:01:29,920

going to be an amazing chat

20

00:01:35,030 --> 00:01:34,159

jeff is a utah resident so he is very

21

00:01:36,230 --> 00:01:35,040

uh

22

00:01:38,950 --> 00:01:36,240

aware

23

00:01:40,710 --> 00:01:38,960

that weird that

24

00:01:42,389 --> 00:01:40,720

basically is utah

25

00:01:45,990 --> 00:01:42,399

um

26
00:01:48,630 --> 00:01:46,000
there's so much weird in utah and he is

27
00:01:51,830 --> 00:01:48,640
also intensely familiar with the uintah

28
00:01:53,590 --> 00:01:51,840
basin and the high strangeness that can

29
00:01:55,590 --> 00:01:53,600
be encountered there

30
00:01:57,429 --> 00:01:55,600
he has even stayed at space wolf

31
00:02:00,310 --> 00:01:57,439
research on occasion

32
00:02:02,469 --> 00:02:00,320
and can i i basically consider him a

33
00:02:05,670 --> 00:02:02,479
valuable asset when it comes to

34
00:02:08,790 --> 00:02:05,680
identifying and uh sometimes not

35
00:02:11,029 --> 00:02:08,800
identifying some craft

36
00:02:13,510 --> 00:02:11,039
jeff rennell welcome to the hero

37
00:02:15,030 --> 00:02:13,520
paranormal podcast

38
00:02:17,190 --> 00:02:15,040

thank you ryan and thank you very much

39

00:02:20,630 --> 00:02:17,200

for having me on i'm really excited for

40

00:02:23,110 --> 00:02:20,640

today uh i'm very honored

41

00:02:26,150 --> 00:02:23,120

man you've been uh i am too you've been

42

00:02:30,470 --> 00:02:26,160

a valuable asset in a lot of stuff a lot

43

00:02:33,190 --> 00:02:30,480

of ways one of the ways was hunting for

44

00:02:35,509 --> 00:02:33,200

petroglyphs and um this is something i

45

00:02:38,150 --> 00:02:35,519

did with you a question i have

46

00:02:40,949 --> 00:02:38,160

is for listeners

47

00:02:42,790 --> 00:02:40,959

it seems like many petroglyphs appear to

48

00:02:46,070 --> 00:02:42,800

be representing

49

00:02:48,710 --> 00:02:46,080

advanced flying craft reptilian gray and

50

00:02:51,280 --> 00:02:48,720

other worldly entities what do you

51
00:02:54,070 --> 00:02:51,290
attribute these petroglyphs to

52
00:02:56,309 --> 00:02:54,080
[Music]

53
00:02:58,790 --> 00:02:56,319
i to

54
00:03:01,670 --> 00:02:58,800
people trying to tell a story back in

55
00:03:03,589 --> 00:03:01,680
their time and what they saw and what

56
00:03:05,430 --> 00:03:03,599
they experienced

57
00:03:09,190 --> 00:03:05,440
and that's where i find it very

58
00:03:13,190 --> 00:03:11,190
understand this story that they're

59
00:03:16,550 --> 00:03:13,200
trying to tell with these petroglyphs

60
00:03:18,790 --> 00:03:16,560
and and what they're actually showing us

61
00:03:20,869 --> 00:03:18,800
and i find it very fascinating i can't

62
00:03:23,830 --> 00:03:20,879
say i'm an expert on reading uh

63
00:03:26,710 --> 00:03:23,840

petroglyphs and everything but i am uh

64

00:03:28,390 --> 00:03:26,720

very eager and willing to learn more

65

00:03:30,550 --> 00:03:28,400

about it um

66

00:03:33,270 --> 00:03:30,560

one person that had brought something up

67

00:03:35,030 --> 00:03:33,280

to me and i i find it very valuable is

68

00:03:36,630 --> 00:03:35,040

when you look at petroglyphs it's the

69

00:03:38,710 --> 00:03:36,640

kind of look at them as

70

00:03:41,190 --> 00:03:38,720

cartoon art telling a story where it

71

00:03:42,789 --> 00:03:41,200

could actually almost repeat itself

72

00:03:44,869 --> 00:03:42,799

um so

73

00:03:48,309 --> 00:03:44,879

it's trying to make sense of what's

74

00:03:50,229 --> 00:03:48,319

written there and um

75

00:03:52,149 --> 00:03:50,239

there's really some amazing stuff and

76
00:03:53,670 --> 00:03:52,159
some amazing pictures and you have to

77
00:03:55,990 --> 00:03:53,680
sit there and go

78
00:03:58,309 --> 00:03:56,000
what were they representing here what

79
00:04:00,949 --> 00:03:58,319
were they trying to show us and explain

80
00:04:02,789 --> 00:04:00,959
to us and as you know there's some

81
00:04:04,390 --> 00:04:02,799
really amazing stuff especially right

82
00:04:09,270 --> 00:04:04,400
there by your house

83
00:04:11,990 --> 00:04:09,280
uh and so i i just find it fascinating

84
00:04:13,589 --> 00:04:12,000
yeah there is a lot going on and

85
00:04:16,789 --> 00:04:13,599
especially you know like you mentioned

86
00:04:19,749 --> 00:04:16,799
in nevada in utah you've been out by

87
00:04:21,909 --> 00:04:19,759
area 51 and around it

88
00:04:23,830 --> 00:04:21,919

places i hope you take me someday

89

00:04:26,870 --> 00:04:23,840

because i haven't been to all of them

90

00:04:29,830 --> 00:04:26,880

what are your thoughts about the story

91

00:04:30,870 --> 00:04:29,840

of the tall whites or the general idea

92

00:04:33,909 --> 00:04:30,880

that

93

00:04:36,150 --> 00:04:33,919

aliens live somewhere in and around

94

00:04:38,469 --> 00:04:36,160

area 51

95

00:04:40,469 --> 00:04:38,479

well you know i'm really fascinated by

96

00:04:42,150 --> 00:04:40,479

the charles hall story especially

97

00:04:43,350 --> 00:04:42,160

because i was born and raised in las

98

00:04:46,950 --> 00:04:43,360

vegas

99

00:04:48,230 --> 00:04:46,960

um so when i was introduced

100

00:04:52,469 --> 00:04:48,240

uh

101
00:04:54,790 --> 00:04:52,479
which is just like four or five years

102
00:04:57,749 --> 00:04:54,800
ago when i uh was introduced to brad

103
00:05:00,390 --> 00:04:57,759
olson and we quickly became good friends

104
00:05:03,270 --> 00:05:00,400
and i started doing research fun stuff

105
00:05:05,909 --> 00:05:03,280
and then i came across charles hall

106
00:05:09,029 --> 00:05:05,919
and found out it was in my own backyard

107
00:05:12,390 --> 00:05:09,039
and i was absolutely blown away

108
00:05:15,270 --> 00:05:12,400
by what he was talking about and i had a

109
00:05:17,590 --> 00:05:15,280
huge interest into it um i was already

110
00:05:20,150 --> 00:05:17,600
trying to investigate area at 51 as much

111
00:05:22,230 --> 00:05:20,160
as possible um like i said i was born

112
00:05:23,350 --> 00:05:22,240
and raised in las vegas so

113
00:05:47,590 --> 00:05:23,360

i

114

00:05:49,830 --> 00:05:47,600

to observe the sky and see what was

115

00:05:52,390 --> 00:05:49,840

going on out there and see if i could

116

00:05:54,469 --> 00:05:52,400

start to either add things up or

117

00:05:56,870 --> 00:05:54,479

subtract certain things that charles

118

00:05:58,950 --> 00:05:56,880

hall was talking about

119

00:06:00,309 --> 00:05:58,960

and i got to say out there it's really

120

00:06:02,710 --> 00:06:00,319

strange

121

00:06:04,950 --> 00:06:02,720

there's been nothing that i can say

122

00:06:07,350 --> 00:06:04,960

yeah there is a ufo base out there but

123

00:06:08,550 --> 00:06:07,360

there's a lot of things that make me go

124

00:06:10,150 --> 00:06:08,560

hmm

125

00:06:12,230 --> 00:06:10,160

i do believe there's something out there

126
00:06:13,029 --> 00:06:12,240
and something really weird going on out

127
00:06:18,710 --> 00:06:13,039
there

128
00:06:22,150 --> 00:06:18,720
which is basically area 54.

129
00:06:24,390 --> 00:06:22,160
that is very strange in itself because

130
00:06:28,629 --> 00:06:24,400
it has supposedly been a gunning bombery

131
00:06:30,550 --> 00:06:28,639
range since i believe 1954

132
00:06:33,189 --> 00:06:30,560
and if you go on there on google maps

133
00:06:35,830 --> 00:06:33,199
and you can look at it today um there's

134
00:06:37,830 --> 00:06:35,840
really no bombing marks at all

135
00:06:39,590 --> 00:06:37,840
on all of that land there are certain

136
00:06:41,590 --> 00:06:39,600
marks that look like it if you're just

137
00:06:43,830 --> 00:06:41,600
glazing over it but when you zoom into

138
00:06:45,270 --> 00:06:43,840

it they're not bombing marks i'm not

139

00:06:47,909 --> 00:06:45,280

sure what they are but they're

140

00:06:49,670 --> 00:06:47,919

definitely not bombing marks and so

141

00:06:50,469 --> 00:06:49,680

you're going to tell me

142

00:06:56,309 --> 00:06:50,479

that

143

00:06:58,230 --> 00:06:56,319

there's hardly there's no bombing marks

144

00:07:00,629 --> 00:06:58,240

there but you go over to the noob site

145

00:07:03,189 --> 00:07:00,639

on google maps and you can go into the

146

00:07:05,110 --> 00:07:03,199

uh the nuke area and there's craters

147

00:07:06,710 --> 00:07:05,120

galore there's hundreds of craters

148

00:07:09,029 --> 00:07:06,720

they're all named

149

00:07:10,950 --> 00:07:09,039

um but you go back to the bomber and

150

00:07:13,909 --> 00:07:10,960

gunnery range and there's no bombing

151
00:07:15,909 --> 00:07:13,919
marks on the ground that's really weird

152
00:07:19,110 --> 00:07:15,919
the one thing that is on the ground out

153
00:07:21,110 --> 00:07:19,120
there is a lot of geoglyphs

154
00:07:23,909 --> 00:07:21,120
there's a lot of different weird shape

155
00:07:27,110 --> 00:07:23,919
uh triangles on the ground that kind of

156
00:07:28,870 --> 00:07:27,120
line up and point in a certain direction

157
00:07:31,029 --> 00:07:28,880
there's a star of david that's on the

158
00:07:33,270 --> 00:07:31,039
ground and that seems to have been

159
00:07:35,909 --> 00:07:33,280
removed off of google maps from just a

160
00:07:38,150 --> 00:07:35,919
couple years ago i cannot find the star

161
00:07:40,070 --> 00:07:38,160
of david and it was easily

162
00:07:42,230 --> 00:07:40,080
for me it was easy to find because it

163
00:07:45,430 --> 00:07:42,240

was right across the mountains on our

164

00:07:47,189 --> 00:07:45,440

camping site and now i go to look for it

165

00:07:49,270 --> 00:07:47,199

and i cannot find the star of david but

166

00:07:51,749 --> 00:07:49,280

thank god i had did make a screenshot a

167

00:07:54,550 --> 00:07:51,759

couple years ago and still have that

168

00:07:57,029 --> 00:07:54,560

picture uh in my files

169

00:07:59,110 --> 00:07:57,039

so it is a very weird area

170

00:08:01,430 --> 00:07:59,120

i'm definitely actively still

171

00:08:03,510 --> 00:08:01,440

researching that me and eric at

172

00:08:06,230 --> 00:08:03,520

awakening man we were just there a few

173

00:08:07,589 --> 00:08:06,240

months ago um and we were out there for

174

00:08:09,110 --> 00:08:07,599

several nights

175

00:08:10,790 --> 00:08:09,120

um

176

00:08:12,469 --> 00:08:10,800

again we didn't really see anything that

177

00:08:14,550 --> 00:08:12,479

we could say hey there's an air force or

178

00:08:16,309 --> 00:08:14,560

there's a ufo base there

179

00:08:18,710 --> 00:08:16,319

but there's definitely weird things that

180

00:08:21,350 --> 00:08:18,720

you will experience from

181

00:08:23,029 --> 00:08:21,360

the base being there we had crafts

182

00:08:25,510 --> 00:08:23,039

flying over us

183

00:08:27,830 --> 00:08:25,520

just after the sunset

184

00:08:29,990 --> 00:08:27,840

so it was dark out in our area and we'd

185

00:08:33,029 --> 00:08:30,000

had craft flying over us with absolutely

186

00:08:35,589 --> 00:08:33,039

no lights on at all and it took a while

187

00:08:37,990 --> 00:08:35,599

to actually spot those

188

00:08:40,630 --> 00:08:38,000

we have uh

189

00:08:41,909 --> 00:08:40,640

one person telling us that they're using

190

00:08:43,829 --> 00:08:41,919

um

191

00:08:50,470 --> 00:08:43,839

uh

192

00:08:52,630 --> 00:08:50,480

planes out there which i'm not saying

193

00:08:54,630 --> 00:08:52,640

that that's what what i saw

194

00:08:56,949 --> 00:08:54,640

but it was definitely very peculiar

195

00:09:00,310 --> 00:08:56,959

because they flew over with no lights on

196

00:09:05,750 --> 00:09:01,590

amazing

197

00:09:08,470 --> 00:09:05,760

of on the weirdness because that is

198

00:09:11,430 --> 00:09:08,480

nevada as well as utah

199

00:09:12,470 --> 00:09:11,440

to the nevada stuff have

200

00:09:14,630 --> 00:09:12,480

you know

201
00:09:16,790 --> 00:09:14,640
there's the wilson leak documents which

202
00:09:19,750 --> 00:09:16,800
are the series of claims and

203
00:09:22,070 --> 00:09:19,760
documents involving very real people

204
00:09:23,430 --> 00:09:22,080
uh implying that a craft is housed

205
00:09:25,829 --> 00:09:23,440
somewhere

206
00:09:27,670 --> 00:09:25,839
and the implication is made and you and

207
00:09:29,750 --> 00:09:27,680
i probably know where

208
00:09:31,430 --> 00:09:29,760
uh here in nevada even though we should

209
00:09:34,389 --> 00:09:31,440
probably not say it

210
00:09:36,630 --> 00:09:34,399
have we reverse engineered kraft and are

211
00:09:42,310 --> 00:09:36,640
we storing the original somewhere or

212
00:09:46,550 --> 00:09:45,430
i would believe so but that's my opinion

213
00:09:49,030 --> 00:09:46,560

um

214

00:09:50,949 --> 00:09:49,040

i do believe so just certain things that

215

00:09:52,310 --> 00:09:50,959

i've researched and and people i've

216

00:09:55,110 --> 00:09:52,320

talked to

217

00:09:57,829 --> 00:09:55,120

uh it sounds to me that we've actually

218

00:09:59,509 --> 00:09:57,839

had crafts since maybe even as early as

219

00:10:00,550 --> 00:09:59,519

1940

220

00:10:03,350 --> 00:10:00,560

um

221

00:10:05,350 --> 00:10:03,360

so i do believe we've uh

222

00:10:07,750 --> 00:10:05,360

reverse engineered crafts

223

00:10:10,230 --> 00:10:07,760

i do believe very much in bob lazar's

224

00:10:13,430 --> 00:10:10,240

story he is actually somebody that i

225

00:10:15,990 --> 00:10:13,440

knew of before his story came out um

226

00:10:18,230 --> 00:10:16,000

one of my best friends growing up

227

00:10:20,710 --> 00:10:18,240

out there in las vegas his mother knew

228

00:10:22,389 --> 00:10:20,720

balbizar so i would be at his house

229

00:10:24,790 --> 00:10:22,399

quite often and we would get kicked out

230

00:10:26,790 --> 00:10:24,800

of his house when he would come over

231

00:10:28,790 --> 00:10:26,800

um and we'd get kicked outside which

232

00:10:31,509 --> 00:10:28,800

wasn't a big deal because he had the

233

00:10:33,590 --> 00:10:31,519

most amazing corvette there with a

234

00:10:34,870 --> 00:10:33,600

computer system that you could actually

235

00:10:38,550 --> 00:10:34,880

type in

236

00:10:40,870 --> 00:10:38,560

what you wanted the police radar to see

237

00:10:43,430 --> 00:10:40,880

excuse me nice um

238

00:10:46,710 --> 00:10:43,440

so when bob lazar

239

00:10:47,910 --> 00:10:46,720

excuse when bob lazar's story came out

240

00:10:49,750 --> 00:10:47,920

uh

241

00:10:51,910 --> 00:10:49,760

i had already you know

242

00:10:55,269 --> 00:10:51,920

knew who he was and everything so i was

243

00:10:57,190 --> 00:10:55,279

very into that story uh i started uh i

244

00:10:59,190 --> 00:10:57,200

mean that was truly probably the very

245

00:11:01,430 --> 00:10:59,200

first ufo stuff i started to research

246

00:11:03,990 --> 00:11:01,440

because that was back when i was 18 19

247

00:11:07,110 --> 00:11:04,000

years old um i was just living a regular

248

00:11:11,190 --> 00:11:07,120

mundane life but i've always been very

249

00:11:12,470 --> 00:11:11,200

into bob's story ever since that time

250

00:11:20,230 --> 00:11:12,480

and

251
00:11:22,630 --> 00:11:20,240
the stories that are coming out are

252
00:11:26,150 --> 00:11:22,640
actually backing bob lazar stories

253
00:11:28,949 --> 00:11:26,160
uh which i find very fascinating

254
00:11:31,750 --> 00:11:28,959
yes these are things that the element

255
00:11:34,230 --> 00:11:31,760
115 is one that you know who really

256
00:11:35,750 --> 00:11:34,240
expected that to come to fruition so

257
00:11:39,509 --> 00:11:35,760
many years later

258
00:11:40,949 --> 00:11:39,519
um through actual scientific study and

259
00:11:43,829 --> 00:11:40,959
peer-reviewed

260
00:11:46,630 --> 00:11:43,839
uh what are your thoughts that kind of

261
00:11:48,949 --> 00:11:46,640
going along that

262
00:11:52,069 --> 00:11:48,959
about the possibility and this has

263
00:11:53,590 --> 00:11:52,079

become popularized a lot since the show

264

00:11:57,190 --> 00:11:53,600

the matrix and

265

00:12:00,310 --> 00:11:57,200

a lot since since silicon valley

266

00:12:02,470 --> 00:12:00,320

uh ceos have hired professionals to try

267

00:12:04,629 --> 00:12:02,480

to figure out if we are in some ways

268

00:12:06,710 --> 00:12:04,639

living in some kind of matrix for their

269

00:12:09,030 --> 00:12:06,720

software and other reasons

270

00:12:12,069 --> 00:12:09,040

my question is have you ever seen

271

00:12:14,470 --> 00:12:12,079

anything of that holographic sort that

272

00:12:18,710 --> 00:12:14,480

tells you we possibly might be living in

273

00:12:22,949 --> 00:12:20,150

you know i

274

00:12:25,190 --> 00:12:22,959

my very first love is spirituality and

275

00:12:27,910 --> 00:12:25,200

so that's what i studied for years until

276

00:12:31,509 --> 00:12:27,920

i met brad and then i took a hard left

277

00:12:34,870 --> 00:12:31,519

to ufos um and so

278

00:12:36,829 --> 00:12:34,880

understanding spirituality um

279

00:12:40,470 --> 00:12:36,839

i believe anything is

280

00:12:42,550 --> 00:12:40,480

plausible um and so i i we can be just a

281

00:12:43,910 --> 00:12:42,560

computer program i i think it's very

282

00:12:45,350 --> 00:12:43,920

plausible

283

00:12:47,509 --> 00:12:45,360

but when you're also studying

284

00:12:49,509 --> 00:12:47,519

spirituality you start to study into

285

00:12:50,629 --> 00:12:49,519

sacred geometry

286

00:12:52,710 --> 00:12:50,639

uh

287

00:12:54,550 --> 00:12:52,720

me personally i can see when you study

288

00:12:56,710 --> 00:12:54,560

the flower of life there's a certain

289

00:12:58,470 --> 00:12:56,720

point on that flower of life

290

00:13:01,990 --> 00:12:58,480

when then all of a sudden the holograph

291

00:13:03,350 --> 00:13:02,000

starts and it goes within and without

292

00:13:05,030 --> 00:13:03,360

infinity

293

00:13:07,269 --> 00:13:05,040

and so

294

00:13:09,910 --> 00:13:07,279

i think spiritually the way

295

00:13:15,350 --> 00:13:12,949

the cot how do i want to put it

296

00:13:17,990 --> 00:13:15,360

the creative energy all that of all that

297

00:13:20,310 --> 00:13:18,000

is the way that it is construction

298

00:13:21,509 --> 00:13:20,320

constructed with the sacred geometry

299

00:13:24,310 --> 00:13:21,519

patterns

300

00:13:27,430 --> 00:13:24,320

creates a hologram and so i do believe

301

00:13:30,069 --> 00:13:27,440

we are truly living within a hologram

302

00:13:33,350 --> 00:13:30,079

but is it

303

00:13:35,590 --> 00:13:33,360

creation or is it more of a computer

304

00:13:37,269 --> 00:13:35,600

program that i do not know

305

00:13:38,870 --> 00:13:37,279

uh and either way i wouldn't be

306

00:13:41,189 --> 00:13:38,880

depressed because i'm having a great

307

00:13:43,430 --> 00:13:41,199

time in life and i find it very

308

00:13:45,030 --> 00:13:43,440

fascinating yeah man right either way

309

00:13:47,750 --> 00:13:45,040

it's fine with me i'm having a great

310

00:13:53,910 --> 00:13:51,030

i am with you a hundred percent

311

00:13:55,430 --> 00:13:53,920

and um what i mean is like yeah if you

312

00:13:57,590 --> 00:13:55,440

are

313

00:13:59,590 --> 00:13:57,600

mesmerized and you see the wonders in

314

00:14:01,590 --> 00:13:59,600

life which i think that these studying

315

00:14:03,030 --> 00:14:01,600

these things kind of like researching

316

00:14:04,790 --> 00:14:03,040

this sort of

317

00:14:07,829 --> 00:14:04,800

unfolds or

318

00:14:09,829 --> 00:14:07,839

brings you into an area where uh

319

00:14:12,230 --> 00:14:09,839

you're able to see things in a different

320

00:14:14,829 --> 00:14:12,240

light and life is very interesting

321

00:14:19,110 --> 00:14:16,389

concerning

322

00:14:21,590 --> 00:14:19,120

the interesting take on a lot of these

323

00:14:24,150 --> 00:14:21,600

um craft that are now more mainstream

324

00:14:27,750 --> 00:14:24,160

the sightings are a lot more mainstream

325

00:14:31,269 --> 00:14:27,760

a lot of folks uh like myself attribute

326

00:14:34,310 --> 00:14:31,279

a great deal of these sightings

327

00:14:37,430 --> 00:14:34,320

to um a more dimensional

328

00:14:38,870 --> 00:14:37,440

entity in a basic explanation yet

329

00:14:41,670 --> 00:14:38,880

you know i've seen

330

00:14:44,710 --> 00:14:41,680

unidentified drop you know that metallic

331

00:14:46,870 --> 00:14:44,720

metallic molten slag from behind my home

332

00:14:49,269 --> 00:14:46,880

in duchesne at the time and that seems

333

00:14:50,069 --> 00:14:49,279

pretty darn real and solid when you see

334

00:15:02,470 --> 00:14:50,079

it

335

00:15:04,550 --> 00:15:02,480

um

336

00:15:07,829 --> 00:15:04,560

and

337

00:15:10,710 --> 00:15:07,839

what i'm so fascinated about is

338

00:15:13,750 --> 00:15:10,720

is it real is it a hard substance is it

339

00:15:16,230 --> 00:15:13,760

just my imagination is it my imagination

340

00:15:18,150 --> 00:15:16,240

making it real

341

00:15:20,310 --> 00:15:18,160

you know when you start to delve into

342

00:15:22,710 --> 00:15:20,320

quantum mechanics and quantum physics it

343

00:15:24,870 --> 00:15:22,720

just gets crazy you know that's where

344

00:15:26,710 --> 00:15:24,880

albert einstein was saying weird wacky

345

00:15:28,230 --> 00:15:26,720

stuff about science is when it comes to

346

00:15:29,749 --> 00:15:28,240

quantum mechanics

347

00:15:31,670 --> 00:15:29,759

and so

348

00:15:34,550 --> 00:15:31,680

that's where that's what really drives

349

00:15:37,189 --> 00:15:34,560

me is is what is this what is going on

350

00:15:39,030 --> 00:15:37,199

you know uh you you're aware that i just

351
00:15:40,949 --> 00:15:39,040
recently filmed some stuff at your place

352
00:15:43,590 --> 00:15:40,959
that's facebook research

353
00:15:45,670 --> 00:15:43,600
and i have that triangle shaped craft in

354
00:15:47,670 --> 00:15:45,680
the video and

355
00:15:49,509 --> 00:15:47,680
there's this orb that appears for four

356
00:15:50,949 --> 00:15:49,519
minutes and it gets bigger and it gets

357
00:15:52,949 --> 00:15:50,959
smaller

358
00:15:54,949 --> 00:15:52,959
and i'm not sure what's going on there

359
00:15:57,030 --> 00:15:54,959
and i just find it fascinating is that

360
00:15:59,910 --> 00:15:57,040
ship creating it is it

361
00:16:02,389 --> 00:15:59,920
a a whole nother being all together

362
00:16:04,069 --> 00:16:02,399
these are so many questions that we have

363
00:16:06,150 --> 00:16:04,079

you know to answer and i think the more

364

00:16:07,910 --> 00:16:06,160

we find out some of these answers the

365

00:16:09,110 --> 00:16:07,920

more questions it's going to bring out

366

00:16:10,550 --> 00:16:09,120

for sure

367

00:16:12,310 --> 00:16:10,560

so

368

00:16:14,230 --> 00:16:12,320

you know i don't know how to answer that

369

00:16:16,470 --> 00:16:14,240

yet and maybe i guess i'm glad i don't

370

00:16:18,629 --> 00:16:16,480

because it means that i get to research

371

00:16:20,550 --> 00:16:18,639

even more because this is the fun part

372

00:16:21,350 --> 00:16:20,560

about it trying to understand what is

373

00:16:24,230 --> 00:16:21,360

this

374

00:16:25,350 --> 00:16:24,240

and can i actually make communication

375

00:16:27,030 --> 00:16:25,360

with

376

00:16:29,590 --> 00:16:27,040

what is showing in front of me you know

377

00:16:33,030 --> 00:16:29,600

can we make communication can we create

378

00:16:34,389 --> 00:16:33,040

some type of dialogue with these beings

379

00:16:36,550 --> 00:16:34,399

that would be

380

00:16:38,710 --> 00:16:36,560

fascinating myself i mean one of the

381

00:16:40,230 --> 00:16:38,720

reasons i'm in this journey is i want to

382

00:16:42,150 --> 00:16:40,240

understand more

383

00:16:43,990 --> 00:16:42,160

of my spirituality and for me to

384

00:16:45,670 --> 00:16:44,000

understand more of my spirituality i

385

00:16:47,670 --> 00:16:45,680

think understanding

386

00:16:49,189 --> 00:16:47,680

what that is and what

387

00:16:51,509 --> 00:16:49,199

they're part of

388

00:16:53,189 --> 00:16:51,519

helps me understand my spirituality even

389

00:16:54,310 --> 00:16:53,199

more does that make sense

390

00:16:56,790 --> 00:16:54,320

for sure

391

00:16:59,350 --> 00:16:56,800

and i think it's it's important that's a

392

00:17:00,550 --> 00:16:59,360

great explanation um

393

00:17:02,710 --> 00:17:00,560

you know

394

00:17:04,789 --> 00:17:02,720

everything is moving so fast in our time

395

00:17:06,630 --> 00:17:04,799

too right now like where

396

00:17:09,189 --> 00:17:06,640

you know there's

397

00:17:11,029 --> 00:17:09,199

in the past it seemed like disclosure

398

00:17:14,549 --> 00:17:11,039

was far-fetched

399

00:17:15,909 --> 00:17:14,559

now at least at in a general sense

400

00:17:18,069 --> 00:17:15,919

where do you think it's at right now

401
00:17:19,669 --> 00:17:18,079
some are claiming soft disclosure has

402
00:17:21,110 --> 00:17:19,679
already happened do you have thoughts on

403
00:17:25,590 --> 00:17:21,120
that

404
00:17:26,710 --> 00:17:25,600
they're already here and they've been

405
00:17:28,950 --> 00:17:26,720
here

406
00:17:30,549 --> 00:17:28,960
i think you're living in the shell we

407
00:17:32,150 --> 00:17:30,559
don't need the government to come out

408
00:17:34,390 --> 00:17:32,160
and tell tell us they're here we're

409
00:17:36,950 --> 00:17:34,400
smart enough to make our own decisions

410
00:17:38,630 --> 00:17:36,960
and the evidence shows that they have

411
00:17:39,750 --> 00:17:38,640
they're not only here now but they've

412
00:17:42,390 --> 00:17:39,760
been here

413
00:17:43,669 --> 00:17:42,400

probably before we are and i believe uh

414

00:17:46,310 --> 00:17:43,679

from what

415

00:17:47,750 --> 00:17:46,320

some of the ancient texts talk about i

416

00:17:49,110 --> 00:17:47,760

do believe that they genetically

417

00:17:50,870 --> 00:17:49,120

modified us

418

00:17:53,669 --> 00:17:50,880

and so i believe we're part of their

419

00:17:56,070 --> 00:17:53,679

creation and that's probably why

420

00:17:58,070 --> 00:17:56,080

they don't bug us too much they probably

421

00:18:01,669 --> 00:17:58,080

are here helping us in a lot of ways

422

00:18:03,270 --> 00:18:01,679

that we don't realize um so i and maybe

423

00:18:04,710 --> 00:18:03,280

we're like their little ant farm and

424

00:18:06,230 --> 00:18:04,720

they're just taking care of us and

425

00:18:08,950 --> 00:18:06,240

seeing what happens

426
00:18:10,710 --> 00:18:08,960
and i talk about this uh i've talked

427
00:18:12,230 --> 00:18:10,720
about this before i mean if i was

428
00:18:14,870 --> 00:18:12,240
creating

429
00:18:18,150 --> 00:18:14,880
if i had that type of technology to be

430
00:18:18,870 --> 00:18:18,160
able to transform a a planet and bring

431
00:18:21,350 --> 00:18:18,880
in

432
00:18:24,870 --> 00:18:21,360
a whole nother species

433
00:18:27,750 --> 00:18:24,880
if you were an intelligent uh

434
00:18:28,789 --> 00:18:27,760
race you would leave that species be i

435
00:18:29,990 --> 00:18:28,799
would think

436
00:18:31,830 --> 00:18:30,000
because

437
00:18:33,990 --> 00:18:31,840
you know i i understand that our

438
00:18:36,630 --> 00:18:34,000

intelligence can only go so far by our

439

00:18:38,390 --> 00:18:36,640

own experience so if you had another

440

00:18:41,350 --> 00:18:38,400

race on a planet

441

00:18:44,310 --> 00:18:41,360

and it was just growing by itself

442

00:18:46,310 --> 00:18:44,320

that race i believe to create ideas and

443

00:18:48,870 --> 00:18:46,320

see things that maybe i wouldn't have

444

00:18:51,510 --> 00:18:48,880

never saw and so i think it would be

445

00:18:54,390 --> 00:18:51,520

beneficial for my race to sit back and

446

00:18:57,669 --> 00:18:54,400

watch the other planet and that new race

447

00:19:00,070 --> 00:18:57,679

form and and understand things and see

448

00:19:00,870 --> 00:19:00,080

things in creation that maybe i didn't

449

00:19:03,830 --> 00:19:00,880

see

450

00:19:05,510 --> 00:19:03,840

um so to me i think if i was controlling

451
00:19:07,590 --> 00:19:05,520
another planet again i would probably

452
00:19:11,110 --> 00:19:07,600
let it be for a long time and try to

453
00:19:11,909 --> 00:19:11,120
steal their ideas maybe in a sense um

454
00:19:15,270 --> 00:19:11,919
but

455
00:19:16,549 --> 00:19:15,280
i i find it fascinating i mean it's just

456
00:19:18,470 --> 00:19:16,559
amazing

457
00:19:21,510 --> 00:19:18,480
what is out there and what

458
00:19:24,470 --> 00:19:21,520
i mean it's infinity

459
00:19:27,590 --> 00:19:24,480
yes and you know just the idea

460
00:19:29,830 --> 00:19:27,600
that some of these claims and documents

461
00:19:31,270 --> 00:19:29,840
and very real people are implying that

462
00:19:33,430 --> 00:19:31,280
some of these things are happening and

463
00:19:37,110 --> 00:19:33,440

disclosure's already happening

464

00:19:39,190 --> 00:19:37,120

you know it's gone mainstream a lot of

465

00:19:42,390 --> 00:19:39,200

a lot of things are hit in the fan a lot

466

00:19:45,350 --> 00:19:42,400

of the conspiracies are becoming real

467

00:19:47,909 --> 00:19:45,360

uh places that were previously

468

00:19:49,510 --> 00:19:47,919

acknowledged as being hoaxes such as

469

00:19:52,630 --> 00:19:49,520

area 51

470

00:19:54,789 --> 00:19:52,640

have now been totally i guess

471

00:19:58,549 --> 00:19:54,799

uh completely

472

00:19:59,830 --> 00:19:58,559

refreshingly uh proven real and

473

00:20:04,149 --> 00:19:59,840

the

474

00:20:06,630 --> 00:20:04,159

genre of

475

00:20:08,390 --> 00:20:06,640

ufos now it's uaps

476

00:20:11,750 --> 00:20:08,400

whatever you want to call it

477

00:20:14,549 --> 00:20:11,760

it has become a lot larger than it used

478

00:20:17,510 --> 00:20:14,559

to be it is it is it just a fad or is

479

00:20:19,510 --> 00:20:17,520

this like people really dealing with

480

00:20:23,029 --> 00:20:19,520

what i believe are the nuts and bolts of

481

00:20:24,870 --> 00:20:23,039

our reality like spiritually really

482

00:20:27,669 --> 00:20:24,880

yeah i think it goes to that i think it

483

00:20:30,789 --> 00:20:27,679

goes back to our own spirituality

484

00:20:33,590 --> 00:20:30,799

um we are part of this whole creation

485

00:20:36,870 --> 00:20:33,600

this all the creative all that is

486

00:20:38,950 --> 00:20:36,880

we're part of everything and so

487

00:20:41,350 --> 00:20:38,960

when it comes to spirituality we always

488

00:20:43,110 --> 00:20:41,360

talk about us evolving okay we're

489

00:20:45,830 --> 00:20:43,120

evolving species

490

00:20:48,070 --> 00:20:45,840

well if we're evolving and we're part of

491

00:20:49,270 --> 00:20:48,080

the all that is we're part of all of

492

00:20:55,430 --> 00:20:49,280

nature

493

00:20:56,870 --> 00:20:55,440

all of creation is expanding evolving

494

00:20:59,270 --> 00:20:56,880

and so

495

00:21:02,310 --> 00:20:59,280

i you know i think that's what is really

496

00:21:05,029 --> 00:21:02,320

happening in here and as it is happening

497

00:21:07,909 --> 00:21:05,039

we're all becoming more open to this and

498

00:21:10,149 --> 00:21:07,919

it's just part of our evolution um we

499

00:21:11,909 --> 00:21:10,159

can no longer be in that old energy that

500

00:21:13,990 --> 00:21:11,919

we you know me and you definitely grew

501
00:21:15,110 --> 00:21:14,000
up in i mean this is a whole new time

502
00:21:17,990 --> 00:21:15,120
right now

503
00:21:20,230 --> 00:21:18,000
um so i i do believe we're just all

504
00:21:21,110 --> 00:21:20,240
evolving in it and it's part of the

505
00:21:23,190 --> 00:21:21,120
earth

506
00:21:25,990 --> 00:21:23,200
it's part of what's going on in our

507
00:21:28,310 --> 00:21:26,000
galaxies in the uh and space and

508
00:21:30,950 --> 00:21:28,320
everything we're all evolving at one

509
00:21:33,110 --> 00:21:30,960
time and so i do believe

510
00:21:36,310 --> 00:21:33,120
as the human race we're starting to open

511
00:21:38,230 --> 00:21:36,320
up and evolve and in that same process

512
00:21:40,070 --> 00:21:38,240
that's allowing us to open up our

513
00:21:41,590 --> 00:21:40,080

imagination because

514

00:21:43,909 --> 00:21:41,600

you know i'm sure you're aware how

515

00:21:46,310 --> 00:21:43,919

powerful the brain is if we don't

516

00:21:48,870 --> 00:21:46,320

understand anything we're going to try

517

00:21:49,990 --> 00:21:48,880

to make sense of it in the most safe way

518

00:21:50,870 --> 00:21:50,000

possible

519

00:21:53,430 --> 00:21:50,880

so

520

00:21:55,270 --> 00:21:53,440

you know 20 years ago 30 years ago

521

00:21:57,510 --> 00:21:55,280

people are pro might have seen things in

522

00:21:59,750 --> 00:21:57,520

the sky but are just you know trying to

523

00:22:01,270 --> 00:21:59,760

make their own normal sense of it and

524

00:22:03,110 --> 00:22:01,280

they're playing it off and going no it

525

00:22:05,510 --> 00:22:03,120

wasn't a ufo it was just the weather

526

00:22:06,390 --> 00:22:05,520

balloon or whatever the government tells

527

00:22:07,350 --> 00:22:06,400

us

528

00:22:10,230 --> 00:22:07,360

um

529

00:22:12,710 --> 00:22:10,240

i think as we're evolving now when we're

530

00:22:15,270 --> 00:22:12,720

opening up our own mind now it's

531

00:22:18,310 --> 00:22:15,280

becoming more acceptable to see what is

532

00:22:20,870 --> 00:22:18,320

actually up in the sky what might be in

533

00:22:23,190 --> 00:22:20,880

some paranormal room or something to

534

00:22:25,510 --> 00:22:23,200

that extent i think we are becoming more

535

00:22:28,149 --> 00:22:25,520

open and as we become more open

536

00:22:29,990 --> 00:22:28,159

our our walls come down a little bit and

537

00:22:32,390 --> 00:22:30,000

so we can actually see more because

538

00:22:34,390 --> 00:22:32,400

we're not as scared does that make sense

539

00:22:37,110 --> 00:22:34,400

oh yeah

540

00:22:38,789 --> 00:22:37,120

it is like the blinders on a horse you

541

00:22:40,870 --> 00:22:38,799

know like um

542

00:22:43,750 --> 00:22:40,880

there's a reason they make those and

543

00:22:46,310 --> 00:22:43,760

there's a reason why we

544

00:22:48,310 --> 00:22:46,320

live in a reality that seems to be

545

00:22:50,310 --> 00:22:48,320

controlled in some way shape or form

546

00:22:52,630 --> 00:22:50,320

where they want you to look a certain

547

00:22:54,230 --> 00:22:52,640

a certain you know direction

548

00:22:55,590 --> 00:22:54,240

you know move along sir there's nothing

549

00:22:58,789 --> 00:22:55,600

to see here

550

00:23:01,750 --> 00:22:58,799

and um there's a there's a reason why a

551
00:23:04,789 --> 00:23:01,760
lot of this quote-unquote

552
00:23:07,270 --> 00:23:04,799
magic in the skies that anybody can look

553
00:23:09,110 --> 00:23:07,280
at that's why i really you know just to

554
00:23:09,830 --> 00:23:09,120
get a little tangential i really like

555
00:23:12,549 --> 00:23:09,840
that

556
00:23:13,669 --> 00:23:12,559
new netflix show don't look up

557
00:23:15,590 --> 00:23:13,679
because there's a lot of people that

558
00:23:17,270 --> 00:23:15,600
just don't look up like just in a

559
00:23:19,430 --> 00:23:17,280
general sense not talking about like a

560
00:23:22,149 --> 00:23:19,440
comet coming to blow up the earth but in

561
00:23:24,470 --> 00:23:22,159
a general sense a lot of folks just do

562
00:23:26,310 --> 00:23:24,480
not look up they can

563
00:23:28,789 --> 00:23:26,320

hear something overhead and they still

564

00:23:31,110 --> 00:23:28,799

just don't even care they go about their

565

00:23:33,350 --> 00:23:31,120

mundane lives and they don't realize

566

00:23:35,110 --> 00:23:33,360

that there is an entire

567

00:23:39,029 --> 00:23:35,120

um

568

00:23:42,470 --> 00:23:39,039

area that is above them and a lot taking

569

00:23:46,710 --> 00:23:45,350

yeah yeah and you know it's funny

570

00:23:48,870 --> 00:23:46,720

now that

571

00:23:50,789 --> 00:23:48,880

i'm in the ufo world

572

00:23:53,510 --> 00:23:50,799

i can't stop looking up i mean there's

573

00:23:55,830 --> 00:23:53,520

just one little noise i'm looking up i

574

00:23:57,190 --> 00:23:55,840

even one of my co-workers he's like man

575

00:23:59,430 --> 00:23:57,200

jeff if you really take this stuff

576

00:24:00,630 --> 00:23:59,440

serious don't you it's like you just

577

00:24:02,470 --> 00:24:00,640

don't want to miss anything you don't

578

00:24:05,029 --> 00:24:02,480

know when it's going to be there you

579

00:24:06,870 --> 00:24:05,039

know uh when me and eric were at your

580

00:24:09,190 --> 00:24:06,880

property and we're traveling back to my

581

00:24:11,830 --> 00:24:09,200

house we're coming just getting ready to

582

00:24:14,470 --> 00:24:11,840

go into the provo canyon there and

583

00:24:16,549 --> 00:24:14,480

eric's always recording he snapped a

584

00:24:18,149 --> 00:24:16,559

shot early in the morning of a ufo right

585

00:24:20,710 --> 00:24:18,159

in between all the mountains there in

586

00:24:23,269 --> 00:24:20,720

the in the valley there i mean just a

587

00:24:25,350 --> 00:24:23,279

beautiful picture and i was right there

588

00:24:27,029 --> 00:24:25,360

right behind him traveling and i never

589

00:24:29,110 --> 00:24:27,039

saw it one bit so

590

00:24:31,110 --> 00:24:29,120

i mean it's always there we just we need

591

00:24:31,990 --> 00:24:31,120

to be more aware and you'll start to see

592

00:24:34,310 --> 00:24:32,000

them and

593

00:24:36,549 --> 00:24:34,320

i from what it seems like once you see

594

00:24:37,350 --> 00:24:36,559

one it opens you up to see them all or

595

00:24:39,750 --> 00:24:37,360

you know

596

00:24:41,590 --> 00:24:39,760

quite a bit more uh it's just amazing

597

00:24:44,870 --> 00:24:41,600

how it works but yeah i think once we

598

00:24:47,110 --> 00:24:44,880

open up it allows the floodgates to open

599

00:24:50,230 --> 00:24:47,120

so true what you said about eric and yes

600

00:24:52,230 --> 00:24:50,240

about the floodgates opening uh that is

601
00:24:54,549 --> 00:24:52,240
something that you know is no longer

602
00:24:56,070 --> 00:24:54,559
argued over people science in general

603
00:24:58,830 --> 00:24:56,080
has

604
00:25:01,909 --> 00:24:58,840
you know um

605
00:25:05,510 --> 00:25:01,919
generally proven that that is very real

606
00:25:09,510 --> 00:25:05,520
people that are seeing these craft

607
00:25:11,269 --> 00:25:09,520
see them more often and with more

608
00:25:13,350 --> 00:25:11,279
proximity

609
00:25:15,029 --> 00:25:13,360
and

610
00:25:17,830 --> 00:25:15,039
just more often

611
00:25:19,909 --> 00:25:17,840
it is one of those strange things that

612
00:25:22,630 --> 00:25:19,919
we're somehow storing this same

613
00:25:25,430 --> 00:25:22,640

wavelength of vibration

614

00:25:28,310 --> 00:25:25,440

somewhere and therefore when these

615

00:25:30,549 --> 00:25:28,320

unidentifieds are

616

00:25:33,830 --> 00:25:30,559

behind someone's home or in front of

617

00:25:34,710 --> 00:25:33,840

someone's home or in close proximity

618

00:25:38,070 --> 00:25:34,720

they

619

00:25:40,549 --> 00:25:38,080

show up so there's a little bit of that

620

00:25:43,990 --> 00:25:40,559

residual precognitive intelligence that

621

00:25:47,190 --> 00:25:44,000

rubs off on the observer from the

622

00:25:49,350 --> 00:25:47,200

display which is pretty wild because

623

00:25:51,190 --> 00:25:49,360

you know up to now consciousness studies

624

00:25:54,950 --> 00:25:51,200

have mainly

625

00:25:57,909 --> 00:25:54,960

kind of directed a lot of a lot of

626

00:26:00,470 --> 00:25:57,919

effort into the fact that the display is

627

00:26:02,549 --> 00:26:00,480

replicating you know what the observer

628

00:26:04,870 --> 00:26:02,559

wants which is what i've always believed

629

00:26:06,710 --> 00:26:04,880

so this is this is interesting stuff

630

00:26:09,269 --> 00:26:06,720

going on lately what are your thoughts

631

00:26:14,230 --> 00:26:11,909

i i think it is and again i i would go

632

00:26:16,950 --> 00:26:14,240

to we're opening up and the more we're

633

00:26:19,110 --> 00:26:16,960

opening up the more we're going to see

634

00:26:21,269 --> 00:26:19,120

the strangeness going on in the world i

635

00:26:23,350 --> 00:26:21,279

mean some of the stories i hear

636

00:26:24,549 --> 00:26:23,360

i mean it's not just ufo crafts up in

637

00:26:26,630 --> 00:26:24,559

the sky

638

00:26:28,710 --> 00:26:26,640

there's ufo crafts that are inside

639

00:26:30,789 --> 00:26:28,720

people's homes that are small as can be

640

00:26:33,350 --> 00:26:30,799

that i've heard stories about that are

641

00:26:35,909 --> 00:26:33,360

just amazing and so it's just

642

00:26:38,870 --> 00:26:35,919

understanding our reality and

643

00:26:40,789 --> 00:26:38,880

the dimensions within our reality and

644

00:26:42,950 --> 00:26:40,799

that goes up you know back to where your

645

00:26:44,789 --> 00:26:42,960

property is and the different uh you

646

00:26:46,549 --> 00:26:44,799

know the portals that could be opening

647

00:26:49,269 --> 00:26:46,559

up there and the difference in the

648

00:26:50,710 --> 00:26:49,279

realities coming through those portals

649

00:26:53,350 --> 00:26:50,720

um this

650

00:26:57,190 --> 00:26:53,360

this world again back back to uh quantum

651
00:26:58,789 --> 00:26:57,200
physics is such a crazy reality

652
00:27:00,710 --> 00:26:58,799
that we're living right on top of

653
00:27:02,230 --> 00:27:00,720
different dimensions

654
00:27:04,549 --> 00:27:02,240
at this moment

655
00:27:07,909 --> 00:27:04,559
and so it's just changing our vibration

656
00:27:11,430 --> 00:27:07,919
to see the vibration that's around us

657
00:27:12,710 --> 00:27:11,440
um and you know so it is it's very

658
00:27:16,630 --> 00:27:12,720
fascinating

659
00:27:20,710 --> 00:27:18,389
how do i want to put it i mean it

660
00:27:22,870 --> 00:27:20,720
excites me so much to think about this

661
00:27:26,870 --> 00:27:22,880
type of stuff and where we could

662
00:27:29,750 --> 00:27:26,880
actually be in another 10 15 20 years if

663
00:27:32,470 --> 00:27:29,760

we keep opening up this way and if we

664

00:27:35,590 --> 00:27:32,480

make that final connection you know it

665

00:27:36,789 --> 00:27:35,600

where could our lives go in our lifetime

666

00:27:38,389 --> 00:27:36,799

you know

667

00:27:39,350 --> 00:27:38,399

we could be traveling the stars who

668

00:27:41,990 --> 00:27:39,360

knows

669

00:27:44,149 --> 00:27:42,000

um but you know just opening up to this

670

00:27:46,870 --> 00:27:44,159

reality is just amazing to me

671

00:27:49,110 --> 00:27:46,880

um and it i just get excited about it

672

00:27:51,510 --> 00:27:49,120

every single day when i think about the

673

00:27:53,750 --> 00:27:51,520

chance to be able to break down walls

674

00:27:55,669 --> 00:27:53,760

and the dimensions and and see different

675

00:27:57,990 --> 00:27:55,679

things uh and just

676
00:27:59,909 --> 00:27:58,000
you know try to understand it and how it

677
00:28:01,510 --> 00:27:59,919
fits in with me and how i fit in with

678
00:28:08,070 --> 00:28:01,520
that

679
00:28:09,750 --> 00:28:08,080
this has a tendency of like raising all

680
00:28:11,669 --> 00:28:09,760
ships in the room if people can

681
00:28:14,230 --> 00:28:11,679
cognitively

682
00:28:15,830 --> 00:28:14,240
discuss this research and theories and

683
00:28:17,110 --> 00:28:15,840
hypothesis

684
00:28:19,990 --> 00:28:17,120
in a

685
00:28:23,110 --> 00:28:20,000
somewhat general way this is in my

686
00:28:25,750 --> 00:28:23,120
opinion the biggest question of mankind

687
00:28:28,549 --> 00:28:25,760
we're dealing with

688
00:28:31,110 --> 00:28:28,559

something that interacts with a

689

00:28:33,590 --> 00:28:31,120

biological entity which is ourselves as

690

00:28:37,190 --> 00:28:33,600

an observer we think

691

00:28:38,549 --> 00:28:37,200

and it is able to

692

00:28:41,990 --> 00:28:38,559

dimensionally

693

00:28:46,149 --> 00:28:42,000

manipulate space and time

694

00:28:49,029 --> 00:28:46,159

it appears to be a technology from our

695

00:28:50,870 --> 00:28:49,039

very humble existence because it

696

00:28:54,070 --> 00:28:50,880

also

697

00:28:56,470 --> 00:28:54,080

is endowed with uh magical traits that

698

00:29:00,549 --> 00:28:56,480

we cannot replicate from a technological

699

00:29:02,789 --> 00:29:00,559

basis so you know it is in all intents

700

00:29:04,789 --> 00:29:02,799

and purposes something in the sky that

701

00:29:07,350 --> 00:29:04,799

previously cultures most likely

702

00:29:09,590 --> 00:29:07,360

identified as gods with a little g

703

00:29:11,750 --> 00:29:09,600

you know whether that be greek mythology

704

00:29:13,590 --> 00:29:11,760

you know or

705

00:29:15,350 --> 00:29:13,600

many other cultures have talked about

706

00:29:17,990 --> 00:29:15,360

the star people

707

00:29:20,310 --> 00:29:18,000

both tribal and otherwise and i agree if

708

00:29:22,149 --> 00:29:20,320

there's this contact are we are we able

709

00:29:23,909 --> 00:29:22,159

to rise to a level where we're

710

00:29:27,590 --> 00:29:23,919

open-minded enough

711

00:29:30,549 --> 00:29:27,600

to engage with something that can quite

712

00:29:33,029 --> 00:29:30,559

literally fold space and time

713

00:29:35,990 --> 00:29:33,039

and you know i hate to get biblical

714

00:29:37,750 --> 00:29:36,000

because i am not a religious guy but

715

00:29:40,870 --> 00:29:37,760

you know you read

716

00:29:42,070 --> 00:29:40,880

in the bible and they discuss these

717

00:29:44,389 --> 00:29:42,080

elohim

718

00:29:46,870 --> 00:29:44,399

these gods with a little g in fact you

719

00:29:48,710 --> 00:29:46,880

really dissect the word and identify the

720

00:29:50,630 --> 00:29:48,720

word god

721

00:29:53,029 --> 00:29:50,640

and it's a group effort there's a

722

00:29:55,590 --> 00:29:53,039

multitude and a hierarchy of these

723

00:29:56,870 --> 00:29:55,600

things that are working together

724

00:29:59,269 --> 00:29:56,880

and

725

00:30:02,710 --> 00:29:59,279

this is um

726
00:30:03,590 --> 00:30:02,720
not at least from the outside looking in

727
00:30:08,070 --> 00:30:03,600
whether

728
00:30:10,389 --> 00:30:08,080
this is not there's a hierarchy to this

729
00:30:11,830 --> 00:30:10,399
you know even if you want to pin it down

730
00:30:13,510 --> 00:30:11,840
to like oh these are just a bunch of

731
00:30:15,269 --> 00:30:13,520
angels or these are just a bunch of

732
00:30:17,350 --> 00:30:15,279
demons there's hierarchies on both sides

733
00:30:19,269 --> 00:30:17,360
you know as above so below

734
00:30:20,870 --> 00:30:19,279
but these

735
00:30:23,990 --> 00:30:20,880
in my opinion

736
00:30:25,830 --> 00:30:24,000
you know we do not know what previous

737
00:30:28,470 --> 00:30:25,840
cultures were discussing and talking

738
00:30:31,190 --> 00:30:28,480

about these may not be unscripted

739

00:30:35,190 --> 00:30:31,200

theories these could be the same things

740

00:30:40,870 --> 00:30:37,990

i think very much they are uh

741

00:30:44,470 --> 00:30:40,880

you know and and i think we can see that

742

00:30:46,789 --> 00:30:44,480

it seems like there was a teacher or

743

00:30:48,950 --> 00:30:46,799

one group creating a lot of these

744

00:30:52,389 --> 00:30:48,960

pyramids around the world

745

00:30:53,669 --> 00:30:52,399

and so i i just by what i see i think

746

00:30:55,590 --> 00:30:53,679

there was

747

00:30:57,509 --> 00:30:55,600

a main group that came to this planet

748

00:31:00,070 --> 00:30:57,519

and started you know whether they

749

00:31:03,190 --> 00:31:00,080

genetically modified us or whatever but

750

00:31:05,669 --> 00:31:03,200

it seems to be there was one teacher

751
00:31:07,909 --> 00:31:05,679
are at least one main influence for

752
00:31:10,149 --> 00:31:07,919
quite a while in our history

753
00:31:11,909 --> 00:31:10,159
that created

754
00:31:15,590 --> 00:31:11,919
our backdrop of our history with the

755
00:31:17,669 --> 00:31:15,600
temples and and the way we

756
00:31:19,590 --> 00:31:17,679
run our civilizations because a lot of

757
00:31:21,350 --> 00:31:19,600
it comes through the sumerians and what

758
00:31:23,509 --> 00:31:21,360
they did back then

759
00:31:26,149 --> 00:31:23,519
and so i think they have a lot of

760
00:31:27,830 --> 00:31:26,159
influence on us uh one thing i really

761
00:31:30,149 --> 00:31:27,840
want to hit on that i find fascinating

762
00:31:31,909 --> 00:31:30,159
that you brought up there is

763
00:31:33,029 --> 00:31:31,919

the connection that they have with us

764

00:31:34,470 --> 00:31:33,039

somehow

765

00:31:35,590 --> 00:31:34,480

how

766

00:31:43,750 --> 00:31:35,600

they

767

00:31:46,389 --> 00:31:43,760

connected with us or with certain people

768

00:31:48,789 --> 00:31:46,399

um you know we've discussed before

769

00:31:50,230 --> 00:31:48,799

uh about uh out there at the sherman

770

00:31:52,950 --> 00:31:50,240

ranch and how

771

00:31:55,590 --> 00:31:52,960

you know just the snap of his vertebrae

772

00:31:57,269 --> 00:31:55,600

made that attention you know that craft

773

00:31:58,470 --> 00:31:57,279

know exactly where he's at and turn

774

00:31:59,990 --> 00:31:58,480

right to him

775

00:32:01,430 --> 00:32:00,000

there's people out there i'm getting

776

00:32:02,710 --> 00:32:01,440

ready to interview with this guy this

777

00:32:04,789 --> 00:32:02,720

next tuesday

778

00:32:07,269 --> 00:32:04,799

uh brent uh boatman

779

00:32:09,350 --> 00:32:07,279

and he has a special ability to be able

780

00:32:11,029 --> 00:32:09,360

to call him in the sky and i was just

781

00:32:12,710 --> 00:32:11,039

watching a video on him and he's calling

782

00:32:14,630 --> 00:32:12,720

him and they're flashing

783

00:32:15,909 --> 00:32:14,640

and it's like they know what's going on

784

00:32:17,029 --> 00:32:15,919

and then you look at some of these

785

00:32:19,509 --> 00:32:17,039

people

786

00:32:21,509 --> 00:32:19,519

uh that do dealings with them in the

787

00:32:23,029 --> 00:32:21,519

government you know one i would say

788

00:32:25,750 --> 00:32:23,039

clifford stone

789

00:32:27,669 --> 00:32:25,760

you look back at his life and he has

790

00:32:30,389 --> 00:32:27,679

some weird connection with

791

00:32:32,789 --> 00:32:30,399

ufos when he was a kid

792

00:32:35,029 --> 00:32:32,799

and they seemed to have known that and

793

00:32:35,990 --> 00:32:35,039

brought him into the service so he could

794

00:32:38,230 --> 00:32:36,000

deal

795

00:32:40,710 --> 00:32:38,240

and and be uh

796

00:32:42,310 --> 00:32:40,720

what's up uh

797

00:32:43,909 --> 00:32:42,320

i can't think of what they called him

798

00:32:46,389 --> 00:32:43,919

and stuff but he used telepathy to

799

00:32:48,149 --> 00:32:46,399

communicate with the alien beings

800

00:32:50,070 --> 00:32:48,159

because he had some weird connection

801
00:32:52,310 --> 00:32:50,080
with these beings ever since he was a

802
00:32:54,470 --> 00:32:52,320
kid and his book is very very

803
00:32:56,149 --> 00:32:54,480
fascinating he's a fascinating character

804
00:32:58,630 --> 00:32:56,159
i think one of my favorites in the in

805
00:33:00,230 --> 00:32:58,640
the soul industry um but i just find it

806
00:33:01,509 --> 00:33:00,240
fascinating how

807
00:33:03,830 --> 00:33:01,519
does some of these people have this

808
00:33:04,630 --> 00:33:03,840
connection or and do we all

809
00:33:05,990 --> 00:33:04,640
and

810
00:33:08,230 --> 00:33:06,000
these people that do have these

811
00:33:10,630 --> 00:33:08,240
connections are they hybrids

812
00:33:13,990 --> 00:33:10,640
you know what is going on here

813
00:33:17,350 --> 00:33:14,000

i literally i literally agree that it is

814

00:33:20,230 --> 00:33:17,360

possibly the most unscripted untold and

815

00:33:22,630 --> 00:33:20,240

world's greatest story continuing

816

00:33:25,509 --> 00:33:22,640

sort of a biblical drama where there is

817

00:33:28,710 --> 00:33:25,519

this interaction of entities in a basic

818

00:33:30,310 --> 00:33:28,720

explanation that are unidentified

819

00:33:33,430 --> 00:33:30,320

in the skies

820

00:33:34,870 --> 00:33:33,440

interacting with people on the ground

821

00:33:36,230 --> 00:33:34,880

and dealing

822

00:33:38,789 --> 00:33:36,240

with

823

00:33:41,830 --> 00:33:38,799

the ability in a general sense of those

824

00:33:43,990 --> 00:33:41,840

who govern and the disclosure of their

825

00:33:48,070 --> 00:33:44,000

knowledge of this and what it means in a

826

00:33:54,710 --> 00:33:52,549

it's a big question and it requires a

827

00:33:56,630 --> 00:33:54,720

minimum of an open mind when your

828

00:33:59,350 --> 00:33:56,640

thoughts are going possibly at the level

829

00:34:01,750 --> 00:33:59,360

of are we living in some kind of matrix

830

00:34:03,350 --> 00:34:01,760

where these craft are possibly popping

831

00:34:06,710 --> 00:34:03,360

in and out

832

00:34:07,669 --> 00:34:06,720

solidly at least when you see them doing

833

00:34:10,550 --> 00:34:07,679

something

834

00:34:12,069 --> 00:34:10,560

and that is the question what are they

835

00:34:14,629 --> 00:34:12,079

doing because

836

00:34:16,710 --> 00:34:14,639

their ability to do it far

837

00:34:19,270 --> 00:34:16,720

outweighs our ability to do anything

838

00:34:20,950 --> 00:34:19,280

remotely capable of that yet they have

839

00:34:22,550 --> 00:34:20,960

absolutely no

840

00:34:24,389 --> 00:34:22,560

for for lack of a better word they have

841

00:34:26,869 --> 00:34:24,399

like um

842

00:34:29,750 --> 00:34:26,879

from a fly fishing sense i'm stupid just

843

00:34:32,790 --> 00:34:29,760

silly fly fisherman and

844

00:34:35,510 --> 00:34:32,800

it the reality is it's kind of like fish

845

00:34:38,550 --> 00:34:35,520

gather in certain places on rivers

846

00:34:41,270 --> 00:34:38,560

and it seems it seems like some of these

847

00:34:42,470 --> 00:34:41,280

geographic geological locations we're

848

00:34:44,629 --> 00:34:42,480

dealing with

849

00:34:46,629 --> 00:34:44,639

are in a general sense places where

850

00:34:49,829 --> 00:34:46,639

these craft have

851

00:34:52,550 --> 00:34:49,839

soft spots where they have uh they're

852

00:34:54,950 --> 00:34:52,560

more comfortable for a lack of a better

853

00:34:55,909 --> 00:34:54,960

word doing whatever it is they're doing

854

00:34:58,390 --> 00:34:55,919

and

855

00:35:01,109 --> 00:34:58,400

yeah man when you see them we're humbled

856

00:35:03,109 --> 00:35:01,119

i'm humbled anyway what what do you

857

00:35:05,589 --> 00:35:03,119

think they are doing are they popping in

858

00:35:09,109 --> 00:35:05,599

and out i mean are we just a laboratory

859

00:35:16,710 --> 00:35:09,990

i

860

00:35:18,470 --> 00:35:16,720

what we do how we have our zoos and

861

00:35:21,190 --> 00:35:18,480

everything like that

862

00:35:22,710 --> 00:35:21,200

yeah i would have to go there and are

863

00:35:24,870 --> 00:35:22,720

they coming

864

00:35:26,710 --> 00:35:24,880

from you know i'm sure they're coming

865

00:35:29,109 --> 00:35:26,720

from other galaxies and other places

866

00:35:32,230 --> 00:35:29,119

like that but they can very well as you

867

00:35:34,150 --> 00:35:32,240

know be inside the earth you know um

868

00:35:35,750 --> 00:35:34,160

i've been very privileged throughout my

869

00:35:37,589 --> 00:35:35,760

life to experience a lot of different

870

00:35:40,230 --> 00:35:37,599

things one of them was when i was a kid

871

00:35:42,390 --> 00:35:40,240

my parents uh had chairs in a gold mine

872

00:35:44,470 --> 00:35:42,400

right out there right at mountain pass

873

00:35:45,990 --> 00:35:44,480

there at the border of uh nevada and

874

00:35:48,790 --> 00:35:46,000

california

875

00:35:50,470 --> 00:35:48,800

and so i've been inside that mountain

876

00:35:52,470 --> 00:35:50,480

and inside the gold mine when i was a

877

00:35:55,670 --> 00:35:52,480

kid hiking around and let me tell you

878

00:35:57,910 --> 00:35:55,680

i've been in some some caverns inside

879

00:35:59,109 --> 00:35:57,920

the mountains inside the earth that are

880

00:36:01,589 --> 00:35:59,119

natural

881

00:36:03,990 --> 00:36:01,599

that are just humongous

882

00:36:06,470 --> 00:36:04,000

and after seeing these natural openings

883

00:36:09,670 --> 00:36:06,480

and caverns and stuff like that i mean

884

00:36:12,069 --> 00:36:09,680

there can be way more of them inside the

885

00:36:12,950 --> 00:36:12,079

earth than there is of us outside the

886

00:36:15,510 --> 00:36:12,960

earth

887

00:36:17,589 --> 00:36:15,520

and so yes we could be you know the zoo

888

00:36:19,349 --> 00:36:17,599

outside the earth for them and they you

889

00:36:21,430 --> 00:36:19,359

know i'm sure they are using us for

890

00:36:23,589 --> 00:36:21,440

experiments in a lot of different ways

891

00:36:25,270 --> 00:36:23,599

i'm sure that's what abductions are are

892

00:36:27,349 --> 00:36:25,280

happening and stuff like that to

893

00:36:29,109 --> 00:36:27,359

understand a little bit more of what's

894

00:36:30,630 --> 00:36:29,119

going on with us

895

00:36:33,030 --> 00:36:30,640

um

896

00:36:34,950 --> 00:36:33,040

it's very interesting i i just gotta say

897

00:36:37,190 --> 00:36:34,960

i'm very i feel very blessed that i'm

898

00:36:38,390 --> 00:36:37,200

not being abductive at least not that i

899

00:36:40,310 --> 00:36:38,400

know

900

00:36:43,109 --> 00:36:40,320

because i would have to say that has to

901
00:36:45,030 --> 00:36:43,119
be the most scariest thing in life being

902
00:36:47,430 --> 00:36:45,040
abducted because when would you ever

903
00:36:51,510 --> 00:36:47,440
feel safe

904
00:36:53,349 --> 00:36:51,520
never and that is the thing is um

905
00:36:55,750 --> 00:36:53,359
it's better to be a conductee than an

906
00:36:59,190 --> 00:36:55,760
abductee and you know there's all these

907
00:37:02,710 --> 00:36:59,200
levels or varying degrees of interaction

908
00:37:04,630 --> 00:37:02,720
yet is the reality really that

909
00:37:05,910 --> 00:37:04,640
those people are more aware of what is

910
00:37:07,750 --> 00:37:05,920
taking place because there is that

911
00:37:09,430 --> 00:37:07,760
argument that there's

912
00:37:11,270 --> 00:37:09,440
you know this is taking place whether we

913
00:37:12,150 --> 00:37:11,280

want it to be or not

914

00:37:15,430 --> 00:37:12,160

and

915

00:37:19,030 --> 00:37:15,440

those more aware are possibly more aware

916

00:37:21,670 --> 00:37:19,040

that they are contactees or abductees or

917

00:37:23,430 --> 00:37:21,680

in some way shape or form working for

918

00:37:26,550 --> 00:37:23,440

something they don't know

919

00:37:27,910 --> 00:37:26,560

and uh but you do when you see it is is

920

00:37:30,630 --> 00:37:27,920

this

921

00:37:34,310 --> 00:37:30,640

it's so difficult because just the

922

00:37:35,750 --> 00:37:34,320

ability in reality uh to believe that

923

00:37:37,270 --> 00:37:35,760

there is something greater than

924

00:37:39,430 --> 00:37:37,280

ourselves

925

00:37:40,790 --> 00:37:39,440

brings you know when people say oh

926
00:37:42,550 --> 00:37:40,800
that's you know

927
00:37:43,990 --> 00:37:42,560
horrible to say that there's a hierarchy

928
00:37:46,069 --> 00:37:44,000
of these things and it's god's with a

929
00:37:48,790 --> 00:37:46,079
little g what about the big g

930
00:37:51,430 --> 00:37:48,800
well the the very fact that i implied

931
00:37:54,790 --> 00:37:51,440
hierarchy means that there is uh you

932
00:37:56,470 --> 00:37:54,800
know somebody in charge of the rest so

933
00:37:58,550 --> 00:37:56,480
you have to kind of rise above a lot of

934
00:38:01,589 --> 00:37:58,560
this there's the semantics that get

935
00:38:02,630 --> 00:38:01,599
people riled up uh fired up

936
00:38:04,950 --> 00:38:02,640
and

937
00:38:07,670 --> 00:38:04,960
you know not able to do to basically

938
00:38:09,430 --> 00:38:07,680

even discuss the possibility that there

939

00:38:11,190 --> 00:38:09,440

may be entities

940

00:38:17,030 --> 00:38:11,200

that

941

00:38:19,829 --> 00:38:17,040

and choose to interact with us

942

00:38:21,829 --> 00:38:19,839

at least in a dimensional sense

943

00:38:24,790 --> 00:38:21,839

to some end

944

00:38:26,069 --> 00:38:24,800

and that is where the question mark for

945

00:38:34,069 --> 00:38:26,079

me

946

00:38:35,589 --> 00:38:34,079

spirituality because i you know i

947

00:38:37,190 --> 00:38:35,599

especially like you know we brought up

948

00:38:39,109 --> 00:38:37,200

the tall wife at the beginning and i

949

00:38:40,790 --> 00:38:39,119

listened to what charles paul has to say

950

00:38:41,990 --> 00:38:40,800

about certain things about the tall

951
00:38:43,109 --> 00:38:42,000
whites

952
00:38:45,270 --> 00:38:43,119
and

953
00:38:46,630 --> 00:38:45,280
me hearing it on a spiritual aspect i

954
00:38:48,630 --> 00:38:46,640
gotta go well they don't sound very

955
00:38:52,390 --> 00:38:48,640
evolved spiritually

956
00:38:54,630 --> 00:38:52,400
um because he makes claims that if they

957
00:38:56,710 --> 00:38:54,640
go to a planet and they're you know

958
00:38:58,790 --> 00:38:56,720
making creating bases on the planet or

959
00:39:01,030 --> 00:38:58,800
whatever and there's animals there that

960
00:39:02,710 --> 00:39:01,040
they don't like and that

961
00:39:04,230 --> 00:39:02,720
they find the news that they get rid of

962
00:39:06,150 --> 00:39:04,240
them that's not what you do as a

963
00:39:08,470 --> 00:39:06,160

spiritual being you don't get rid of

964

00:39:09,589 --> 00:39:08,480

nature you don't get rid of creation

965

00:39:11,670 --> 00:39:09,599

so

966

00:39:13,270 --> 00:39:11,680

i think it's very interesting when you

967

00:39:14,630 --> 00:39:13,280

start to look at the different races

968

00:39:16,950 --> 00:39:14,640

what they might

969

00:39:18,630 --> 00:39:16,960

project or at least what we see as their

970

00:39:20,310 --> 00:39:18,640

projection and stuff for what little we

971

00:39:21,109 --> 00:39:20,320

know about these different races and

972

00:39:23,270 --> 00:39:21,119

stuff

973

00:39:25,109 --> 00:39:23,280

but then when you go to the

974

00:39:26,470 --> 00:39:25,119

the more evolved ones or at least what i

975

00:39:28,550 --> 00:39:26,480

would think would you know when you deal

976
00:39:31,190 --> 00:39:28,560
with the more evolved species

977
00:39:32,310 --> 00:39:31,200
they would let you just grow naturally

978
00:39:35,030 --> 00:39:32,320
and just

979
00:39:37,910 --> 00:39:35,040
do your own organic thing

980
00:39:40,310 --> 00:39:37,920
as long as it's not interfering with

981
00:39:42,630 --> 00:39:40,320
the rest of the galaxy and creation and

982
00:39:45,190 --> 00:39:42,640
stuff and what we've

983
00:39:46,950 --> 00:39:45,200
we've heard is that when we

984
00:39:49,589 --> 00:39:46,960
let off nuclear bombs that they don't

985
00:39:51,270 --> 00:39:49,599
like that at all because it rips through

986
00:39:53,270 --> 00:39:51,280
creation and it rips through other

987
00:39:54,870 --> 00:39:53,280
dimensions and i do i mean from what i

988
00:39:58,550 --> 00:39:54,880

understand spiritually i could see that

989

00:40:01,670 --> 00:39:58,560

a hundred percent and so um

990

00:40:03,829 --> 00:40:01,680

i i think you know a more evolved specie

991

00:40:04,790 --> 00:40:03,839

would just kind of let another species

992

00:40:11,510 --> 00:40:04,800

grow

993

00:40:16,870 --> 00:40:13,829

i find it fascinating it's

994

00:40:18,630 --> 00:40:16,880

when you go into the spirituality aspect

995

00:40:20,950 --> 00:40:18,640

you're just gonna observe and watch and

996

00:40:23,430 --> 00:40:20,960

maybe give an a helping hand here and

997

00:40:25,430 --> 00:40:23,440

there where again we look at our history

998

00:40:27,829 --> 00:40:25,440

and it seems like at times they have

999

00:40:29,910 --> 00:40:27,839

given us helping hands and we hear

1000

00:40:32,550 --> 00:40:29,920

things about the ant people telling them

1001

00:40:34,470 --> 00:40:32,560

to get into the earth and uh if i

1002

00:40:36,950 --> 00:40:34,480

remember correctly it was like

1003

00:40:38,470 --> 00:40:36,960

the earth was bombarded by asteroids and

1004

00:40:42,230 --> 00:40:38,480

stuff and then they came out of the

1005

00:40:43,910 --> 00:40:42,240

ground later on and respond you know so

1006

00:40:45,910 --> 00:40:43,920

i do believe they're out there helping

1007

00:40:47,910 --> 00:40:45,920

us in a lot of different ways

1008

00:40:50,390 --> 00:40:47,920

um and i i believe they have a

1009

00:40:53,510 --> 00:40:50,400

connection with us in which ways i'm not

1010

00:40:55,430 --> 00:40:53,520

sure but uh it's definitely fascinating

1011

00:40:57,430 --> 00:40:55,440

hope i wasn't rambling on too much there

1012

00:41:00,230 --> 00:40:57,440

no it's actually perfect that you

1013

00:41:01,589 --> 00:41:00,240

dropped the ant people

1014

00:41:03,589 --> 00:41:01,599

um

1015

00:41:05,589 --> 00:41:03,599

reference because

1016

00:41:07,670 --> 00:41:05,599

it is so important

1017

00:41:09,829 --> 00:41:07,680

that it is brought up because this has

1018

00:41:13,990 --> 00:41:09,839

been something that is discussed for

1019

00:41:17,589 --> 00:41:14,000

millennia the belief that this

1020

00:41:19,750 --> 00:41:17,599

some sort of inter

1021

00:41:24,230 --> 00:41:19,760

i guess i guess the correct term would

1022

00:41:26,710 --> 00:41:25,030

well

1023

00:41:29,829 --> 00:41:26,720

are they are are they are they

1024

00:41:30,710 --> 00:41:29,839

interdimensional or are they more

1025

00:41:34,069 --> 00:41:30,720

you know

1026

00:41:34,870 --> 00:41:34,079

part more part of our reality than we

1027

00:41:35,990 --> 00:41:34,880

are

1028

00:41:43,270 --> 00:41:36,000

and

1029

00:41:44,710 --> 00:41:43,280

out of our reality is just

1030

00:41:48,630 --> 00:41:44,720

our ability

1031

00:41:52,069 --> 00:41:48,640

to view a scope slightly outside of our

1032

00:41:53,750 --> 00:41:52,079

reality and it it's very interesting as

1033

00:41:56,470 --> 00:41:53,760

you mentioned though when you're in

1034

00:41:58,630 --> 00:41:56,480

particular areas it seems

1035

00:42:00,069 --> 00:41:58,640

and the list is in at infinitum that i

1036

00:42:01,109 --> 00:42:00,079

mean there's plenty everybody's got

1037

00:42:01,910 --> 00:42:01,119

their own

1038

00:42:04,150 --> 00:42:01,920

but

1039

00:42:05,589 --> 00:42:04,160

in a general sense there are these areas

1040

00:42:07,990 --> 00:42:05,599

that have

1041

00:42:09,589 --> 00:42:08,000

their soft spots it seems

1042

00:42:11,829 --> 00:42:09,599

in the veil

1043

00:42:14,230 --> 00:42:11,839

where

1044

00:42:15,750 --> 00:42:14,240

these and the argument could go back and

1045

00:42:20,150 --> 00:42:15,760

forth you know is

1046

00:42:23,910 --> 00:42:20,160

is our interaction with these uh

1047

00:42:26,550 --> 00:42:23,920

entities that seem to be precognitive

1048

00:42:28,550 --> 00:42:26,560

and sentient in their capability

1049

00:42:30,790 --> 00:42:28,560

is our interaction with them something

1050

00:42:33,589 --> 00:42:30,800

that we spur on just by entering the

1051
00:42:36,069 --> 00:42:33,599
area and that is something i was told

1052
00:42:38,550 --> 00:42:36,079
quite a while ago by somebody with a lot

1053
00:42:40,790 --> 00:42:38,560
of uh

1054
00:42:41,990 --> 00:42:40,800
integrity and uh capability and

1055
00:42:45,589 --> 00:42:42,000
background

1056
00:42:49,030 --> 00:42:45,599
that we open these biochemical portals

1057
00:42:51,910 --> 00:42:49,040
quite easily if we return to areas much

1058
00:42:54,309 --> 00:42:51,920
like an electrical conduit

1059
00:42:56,230 --> 00:42:54,319
you know the weakest link type thing if

1060
00:42:57,670 --> 00:42:56,240
you're able to burn through a conduit at

1061
00:43:00,870 --> 00:42:57,680
the same spot

1062
00:43:07,030 --> 00:43:04,870
the diode or that is where the repair or

1063
00:43:10,069 --> 00:43:07,040

that is where the the fault or the spark

1064

00:43:12,950 --> 00:43:10,079

or the short or the glitch

1065

00:43:14,230 --> 00:43:12,960

of that matrix of some sort is most

1066

00:43:15,349 --> 00:43:14,240

accessed

1067

00:43:19,349 --> 00:43:15,359

and

1068

00:43:21,190 --> 00:43:19,359

um yeah how is it possible that these is

1069

00:43:23,030 --> 00:43:21,200

is it us creating these things like you

1070

00:43:24,829 --> 00:43:23,040

said i mean i don't know this is the

1071

00:43:27,750 --> 00:43:24,839

biggest question ever

1072

00:43:30,710 --> 00:43:27,760

really you know the

1073

00:43:33,270 --> 00:43:30,720

the mind is so powerful

1074

00:43:34,710 --> 00:43:33,280

i think in some senses and with some

1075

00:43:37,030 --> 00:43:34,720

people

1076

00:43:38,550 --> 00:43:37,040

i think their imagination is creating

1077

00:43:42,630 --> 00:43:38,560

some of it

1078

00:43:44,790 --> 00:43:42,640

and and probably more than we expect um

1079

00:43:46,550 --> 00:43:44,800

because the imagination is a very

1080

00:43:47,750 --> 00:43:46,560

powerful thing and that's where when it

1081

00:43:50,150 --> 00:43:47,760

comes to

1082

00:43:52,870 --> 00:43:50,160

researchers and going to very crazy

1083

00:43:55,670 --> 00:43:52,880

paranormal spots i think you got to keep

1084

00:43:57,750 --> 00:43:55,680

yourself in check and be a very honest

1085

00:43:59,190 --> 00:43:57,760

person when you're looking at things you

1086

00:44:00,550 --> 00:43:59,200

don't understand

1087

00:44:02,550 --> 00:44:00,560

um because

1088

00:44:04,390 --> 00:44:02,560

just the same as our imagination can

1089

00:44:06,390 --> 00:44:04,400

keep us safe

1090

00:44:09,190 --> 00:44:06,400

and keep our thoughts very sheltered it

1091

00:44:12,150 --> 00:44:09,200

can expand them into wild

1092

00:44:13,589 --> 00:44:12,160

crazy thoughts and imaginations and

1093

00:44:15,430 --> 00:44:13,599

saying oh this is the way it is

1094

00:44:17,109 --> 00:44:15,440

especially when our ego gets in the way

1095

00:44:18,550 --> 00:44:17,119

of what we're seeing

1096

00:44:22,230 --> 00:44:18,560

um so

1097

00:44:24,550 --> 00:44:22,240

it can be both i think in a lot of ways

1098

00:44:25,829 --> 00:44:24,560

um

1099

00:44:27,910 --> 00:44:25,839

there's another point i was going to go

1100

00:44:29,750 --> 00:44:27,920

out there and now i forgot sorry

1101

00:44:31,750 --> 00:44:29,760

no you nailed it on the head actually

1102

00:44:33,910 --> 00:44:31,760

bringing up the general sense of the ego

1103

00:44:34,950 --> 00:44:33,920

in some way clarifying that when it's

1104

00:44:36,390 --> 00:44:34,960

present

1105

00:44:38,150 --> 00:44:36,400

the ability

1106

00:44:41,109 --> 00:44:38,160

there's absolutely

1107

00:44:43,990 --> 00:44:41,119

no ability i should say to interact

1108

00:44:45,349 --> 00:44:44,000

really i mean the ego disrupts

1109

00:44:46,550 --> 00:44:45,359

and

1110

00:44:48,790 --> 00:44:46,560

deflects

1111

00:44:52,710 --> 00:44:48,800

and

1112

00:44:54,790 --> 00:44:52,720

interactions to the point where

1113

00:44:57,430 --> 00:44:54,800

interaction with

1114

00:44:59,750 --> 00:44:57,440

what we are discussing is not available

1115

00:45:01,750 --> 00:44:59,760

so the ego is not your amigo like you

1116

00:45:04,390 --> 00:45:01,760

want him gone and

1117

00:45:06,150 --> 00:45:04,400

you also want

1118

00:45:07,589 --> 00:45:06,160

to be operating

1119

00:45:08,950 --> 00:45:07,599

at a level

1120

00:45:11,750 --> 00:45:08,960

where

1121

00:45:13,829 --> 00:45:11,760

judgment is kind of not there which is

1122

00:45:15,510 --> 00:45:13,839

so strange because you would think that

1123

00:45:17,430 --> 00:45:15,520

would minimize your power but it

1124

00:45:18,790 --> 00:45:17,440

actually expands your power in some way

1125

00:45:21,030 --> 00:45:18,800

shape or form dealing with these

1126

00:45:22,630 --> 00:45:21,040

precognitive

1127

00:45:24,150 --> 00:45:22,640

uh entities and they're not all

1128

00:45:26,950 --> 00:45:24,160

trickster in nature but i would say that

1129

00:45:28,710 --> 00:45:26,960

a wide majority some are which is

1130

00:45:30,790 --> 00:45:28,720

i appreciate that that's they have a

1131

00:45:32,550 --> 00:45:30,800

sense of humor in some way

1132

00:45:34,550 --> 00:45:32,560

yeah and then they might not even be

1133

00:45:37,190 --> 00:45:34,560

trying to be tricksters it might just be

1134

00:45:38,870 --> 00:45:37,200

that that technology is so far advanced

1135

00:45:42,630 --> 00:45:38,880

than us

1136

00:45:44,150 --> 00:45:42,640

that we just see it as magic and maybe

1137

00:45:46,309 --> 00:45:44,160

they're not being tricksters at all we

1138

00:45:48,470 --> 00:45:46,319

just can't perceive what they're showing

1139

00:45:50,470 --> 00:45:48,480

us and i would have to say that's

1140

00:45:51,510 --> 00:45:50,480

probably a lot of it at this moment

1141

00:45:53,750 --> 00:45:51,520

because

1142

00:45:56,309 --> 00:45:53,760

they're showing us stuff that we have no

1143

00:45:59,270 --> 00:45:56,319

concept of how it's being created

1144

00:46:01,270 --> 00:45:59,280

um and so it's just our imagination that

1145

00:46:02,069 --> 00:46:01,280

runs wild trying to think of what is

1146

00:46:03,349 --> 00:46:02,079

this

1147

00:46:05,030 --> 00:46:03,359

and so

1148

00:46:07,829 --> 00:46:05,040

maybe they're trying to give us the most

1149

00:46:09,910 --> 00:46:07,839

simple answer possible but like you said

1150

00:46:11,750 --> 00:46:09,920

we're that fly fisherman still and we

1151
00:46:15,109 --> 00:46:11,760
don't understand what's truly underneath

1152
00:46:16,790 --> 00:46:15,119
the face of that water yet well yeah it

1153
00:46:19,670 --> 00:46:16,800
really you know

1154
00:46:21,109 --> 00:46:19,680
it it eerily reminds me of certain

1155
00:46:23,349 --> 00:46:21,119
sayings

1156
00:46:25,990 --> 00:46:23,359
that uh riddle

1157
00:46:29,750 --> 00:46:26,000
um various codexes

1158
00:46:32,710 --> 00:46:29,760
whether those be the bible the quran the

1159
00:46:35,109 --> 00:46:32,720
you know they all every cultural

1160
00:46:38,230 --> 00:46:35,119
spiritual religious text

1161
00:46:40,829 --> 00:46:38,240
seems to store at least in the originals

1162
00:46:48,630 --> 00:46:45,910
this this this this elixir of invoking

1163
00:46:49,990 --> 00:46:48,640

entities that are not of this realm

1164

00:46:52,390 --> 00:46:50,000

and

1165

00:46:53,750 --> 00:46:52,400

this uh belief

1166

00:46:55,589 --> 00:46:53,760

that

1167

00:46:59,030 --> 00:46:55,599

they interact

1168

00:47:01,750 --> 00:46:59,040

communicate and in some way

1169

00:47:03,670 --> 00:47:01,760

these they bring you closer to the

1170

00:47:05,670 --> 00:47:03,680

singularity which brings the whole like

1171

00:47:08,230 --> 00:47:05,680

transhumanist thing but

1172

00:47:10,710 --> 00:47:08,240

with promises of like super human

1173

00:47:12,390 --> 00:47:10,720

abilities a lot like skin walkers you

1174

00:47:15,510 --> 00:47:12,400

know you get this promise of

1175

00:47:16,950 --> 00:47:15,520

being able to do this for this but

1176

00:47:18,550 --> 00:47:16,960

um

1177

00:47:19,510 --> 00:47:18,560

they're always being debt

1178

00:47:21,670 --> 00:47:19,520

dealt

1179

00:47:23,990 --> 00:47:21,680

with sub-human realities so it's really

1180

00:47:24,950 --> 00:47:24,000

strange humans are already sort of in

1181

00:47:28,150 --> 00:47:24,960

that

1182

00:47:30,470 --> 00:47:28,160

naturally occurring reality of

1183

00:47:33,109 --> 00:47:30,480

you know were these moral

1184

00:47:33,990 --> 00:47:33,119

somewhat moral

1185

00:47:37,589 --> 00:47:34,000

uh

1186

00:47:38,950 --> 00:47:37,599

meat sacks living a very real reality

1187

00:47:40,870 --> 00:47:38,960

with a very

1188

00:47:43,109 --> 00:47:40,880

you know we have a shelf life

1189

00:47:44,950 --> 00:47:43,119

and we seem very basic

1190

00:47:48,630 --> 00:47:44,960

at least in a living sense or a very

1191

00:47:52,790 --> 00:47:48,640

real sense on some basis but many or at

1192

00:47:54,950 --> 00:47:52,800

least it seems many are seeming to

1193

00:47:56,470 --> 00:47:54,960

look above the clouds and realize that

1194

00:47:58,790 --> 00:47:56,480

there's more

1195

00:48:01,670 --> 00:47:58,800

to all this in a general sense

1196

00:48:03,190 --> 00:48:01,680

and that uh

1197

00:48:05,270 --> 00:48:03,200

there's more to us

1198

00:48:06,870 --> 00:48:05,280

you know it where is this headed like

1199

00:48:08,870 --> 00:48:06,880

where are we going is it going to be

1200

00:48:11,030 --> 00:48:08,880

some strange transhumanist agenda in the

1201

00:48:13,030 --> 00:48:11,040

future with the new world order

1202

00:48:14,069 --> 00:48:13,040

you know is there a secret elite that's

1203

00:48:16,069 --> 00:48:14,079

trying to

1204

00:48:17,030 --> 00:48:16,079

just get us to interact

1205

00:48:18,470 --> 00:48:17,040

with

1206

00:48:20,710 --> 00:48:18,480

you know the

1207

00:48:23,190 --> 00:48:20,720

the artificial intelligence and that's

1208

00:48:25,510 --> 00:48:23,200

that's it that's what we will end up as

1209

00:48:27,589 --> 00:48:25,520

or is there more to this this day-to-day

1210

00:48:29,829 --> 00:48:27,599

life

1211

00:48:32,390 --> 00:48:29,839

well there's definitely a lot more to

1212

00:48:35,349 --> 00:48:32,400

this um i think with your just bringing

1213

00:48:37,910 --> 00:48:35,359

up with other people manipulating this i

1214

00:48:40,710 --> 00:48:37,920

think that is very prevalent especially

1215

00:48:42,470 --> 00:48:40,720

what we're seeing now in the world today

1216

00:48:45,190 --> 00:48:42,480

that they're trying to manipulate us

1217

00:48:45,990 --> 00:48:45,200

they're trying to make us uh transhuman

1218

00:48:47,589 --> 00:48:46,000

uh

1219

00:48:49,510 --> 00:48:47,599

right now so

1220

00:48:51,270 --> 00:48:49,520

you know anybody out there i mean you

1221

00:48:52,950 --> 00:48:51,280

can do whatever you want you got free

1222

00:48:55,430 --> 00:48:52,960

will that's what the creative energy of

1223

00:48:57,109 --> 00:48:55,440

all that is gave to you to be able to be

1224

00:48:59,990 --> 00:48:57,119

and do whatever you want so if you want

1225

00:49:02,470 --> 00:49:00,000

to go get the vaccine please do

1226

00:49:05,190 --> 00:49:02,480

you know be safe but i wouldn't do it

1227

00:49:06,230 --> 00:49:05,200

right now we're purebloods okay

1228

00:49:08,230 --> 00:49:06,240

and

1229

00:49:11,589 --> 00:49:08,240

the creative energy of all that is made

1230

00:49:13,589 --> 00:49:11,599

us very very very special we have

1231

00:49:15,349 --> 00:49:13,599

everything within us

1232

00:49:16,790 --> 00:49:15,359

we are

1233

00:49:18,950 --> 00:49:16,800

creation

1234

00:49:21,190 --> 00:49:18,960

you know crystals all that stuff is fun

1235

00:49:23,670 --> 00:49:21,200

little tools to deal with but once you

1236

00:49:25,829 --> 00:49:23,680

realize how those things work realize

1237

00:49:26,950 --> 00:49:25,839

that you can do the same thing within

1238

00:49:30,870 --> 00:49:26,960

yourself

1239

00:49:34,230 --> 00:49:30,880

so i do believe what we're seeing here

1240

00:49:36,150 --> 00:49:34,240

is our evolution and and for in order

1241

00:49:38,230 --> 00:49:36,160

for us to understand who we are and

1242

00:49:41,109 --> 00:49:38,240

where we can evolve to

1243

00:49:43,030 --> 00:49:41,119

we have to start understanding these

1244

00:49:45,109 --> 00:49:43,040

other worldly things that are happening

1245

00:49:47,349 --> 00:49:45,119

around us i believe at least this is my

1246

00:49:49,750 --> 00:49:47,359

goal and my my adventure right now in

1247

00:49:53,190 --> 00:49:49,760

this existence is to understand my

1248

00:49:55,190 --> 00:49:53,200

spirituality and what can they show

1249

00:49:56,870 --> 00:49:55,200

me about myself

1250

00:49:59,030 --> 00:49:56,880

you know because

1251
00:50:00,710 --> 00:49:59,040
i believe we have everything within us

1252
00:50:03,270 --> 00:50:00,720
we can do

1253
00:50:05,589 --> 00:50:03,280
godly amazing things it's just

1254
00:50:08,549 --> 00:50:05,599
understanding your own power and that

1255
00:50:10,309 --> 00:50:08,559
again goes to the mind and and the power

1256
00:50:12,549 --> 00:50:10,319
of the heart and the mind

1257
00:50:14,790 --> 00:50:12,559
if we don't believe it's possible well

1258
00:50:17,589 --> 00:50:14,800
let me tell you it's not possible if you

1259
00:50:19,670 --> 00:50:17,599
believe in it it is then possible

1260
00:50:21,190 --> 00:50:19,680
and it is the power of the mind the

1261
00:50:22,230 --> 00:50:21,200
power of us

1262
00:50:23,910 --> 00:50:22,240
and so

1263
00:50:25,829 --> 00:50:23,920

a lot of this stuff we're talking about

1264

00:50:27,349 --> 00:50:25,839

with the bible a lot of that stuff has

1265

00:50:29,190 --> 00:50:27,359

that information in there but you've got

1266

00:50:31,109 --> 00:50:29,200

to be on your own spiritual journey to

1267

00:50:31,990 --> 00:50:31,119

see it understand it

1268

00:50:35,750 --> 00:50:32,000

so

1269

00:50:37,670 --> 00:50:35,760

would be on that spiritual journey for

1270

00:50:38,630 --> 00:50:37,680

themselves to be the best they can

1271

00:50:40,950 --> 00:50:38,640

become

1272

00:50:42,150 --> 00:50:40,960

that god energy um

1273

00:50:43,990 --> 00:50:42,160

and

1274

00:50:46,549 --> 00:50:44,000

keep the ego in check i don't think we

1275

00:50:49,030 --> 00:50:46,559

kill the ego i think the ego serves a

1276

00:50:51,510 --> 00:50:49,040

very important thing but when you let

1277

00:50:53,750 --> 00:50:51,520

your balance get out of ego just like

1278

00:50:56,150 --> 00:50:53,760

any other part of your existence it's

1279

00:50:58,069 --> 00:50:56,160

out of balance it's never a good thing

1280

00:50:59,829 --> 00:50:58,079

you always keep everything in balance

1281

00:51:00,630 --> 00:50:59,839

it's the ying and the yang

1282

00:51:02,790 --> 00:51:00,640

so

1283

00:51:05,670 --> 00:51:02,800

yes i think with what we're experiencing

1284

00:51:08,790 --> 00:51:05,680

here is just part of where our evolution

1285

00:51:10,630 --> 00:51:08,800

is going and for us to understand how to

1286

00:51:13,270 --> 00:51:10,640

take it to the next level because unless

1287

00:51:14,549 --> 00:51:13,280

we can see it we can't get there does

1288

00:51:16,230 --> 00:51:14,559

that make sense

1289

00:51:18,549 --> 00:51:16,240

absolutely man

1290

00:51:20,870 --> 00:51:18,559

and you know talking getting back to the

1291

00:51:22,870 --> 00:51:20,880

basin a little bit i just recently read

1292

00:51:25,270 --> 00:51:22,880

footprints in the wilderness a history

1293

00:51:26,230 --> 00:51:25,280

of the lost roads mines

1294

00:51:27,270 --> 00:51:26,240

and

1295

00:51:28,549 --> 00:51:27,280

something that

1296

00:51:30,630 --> 00:51:28,559

kind of

1297

00:51:33,670 --> 00:51:30,640

you know stood out to me is the fact

1298

00:51:35,589 --> 00:51:33,680

that it says a history of the lost roads

1299

00:51:37,030 --> 00:51:35,599

mines

1300

00:51:38,710 --> 00:51:37,040

a plural

1301
00:51:41,270 --> 00:51:38,720
everybody's always looking for the lost

1302
00:51:42,230 --> 00:51:41,280
road mine and i get that there is you

1303
00:51:44,230 --> 00:51:42,240
know

1304
00:51:45,589 --> 00:51:44,240
apparently a larger one and there's

1305
00:51:47,510 --> 00:51:45,599
others but

1306
00:51:50,150 --> 00:51:47,520
something this brings up again the

1307
00:51:52,549 --> 00:51:50,160
uintah basin because that is where the

1308
00:51:53,829 --> 00:51:52,559
history leads one if you follow the

1309
00:51:56,790 --> 00:51:53,839
footprints

1310
00:51:58,790 --> 00:51:56,800
and um it's a wide area everywhere from

1311
00:52:00,950 --> 00:51:58,800
tabiona to

1312
00:52:02,829 --> 00:52:00,960
um literally where i used to be a fly

1313
00:52:06,230 --> 00:52:02,839

fishing guide like almost the

1314

00:52:09,670 --> 00:52:06,240

easternmost boundary of the uintas which

1315

00:52:11,750 --> 00:52:09,680

are a very strange area in themselves

1316

00:52:13,349 --> 00:52:11,760

you've had the

1317

00:52:16,390 --> 00:52:13,359

the uh

1318

00:52:19,109 --> 00:52:16,400

i guess blessing or the ability to

1319

00:52:21,750 --> 00:52:19,119

camp blind frog ranch

1320

00:52:23,589 --> 00:52:21,760

um or at least they're in the general

1321

00:52:26,390 --> 00:52:23,599

sense of the uintas

1322

00:52:28,710 --> 00:52:26,400

what have you um felt camping there in

1323

00:52:30,470 --> 00:52:28,720

the uintas what have you felt is any

1324

00:52:32,790 --> 00:52:30,480

anything magical solid when you when you

1325

00:52:35,190 --> 00:52:32,800

look back

1326

00:52:37,990 --> 00:52:35,200

yeah um you know

1327

00:52:41,190 --> 00:52:38,000

that's a very very special place

1328

00:52:43,349 --> 00:52:41,200

um and yes i was very privileged to be

1329

00:52:44,549 --> 00:52:43,359

invited up to blind frog ranch and spent

1330

00:52:46,470 --> 00:52:44,559

the night there

1331

00:52:49,190 --> 00:52:46,480

saturday night with eric at awakening

1332

00:52:51,829 --> 00:52:49,200

man and raw

1333

00:52:54,309 --> 00:52:51,839

we had an amazing light we had our

1334

00:52:57,109 --> 00:52:54,319

night vision goggles uh recorders and

1335

00:52:59,030 --> 00:52:57,119

everything and it was very very active

1336

00:53:00,710 --> 00:52:59,040

the night we were there

1337

00:53:02,549 --> 00:53:00,720

i would have to say there was at least

1338

00:53:05,190 --> 00:53:02,559

15 to 20

1339

00:53:06,549 --> 00:53:05,200

different unidentified flying objects at

1340

00:53:09,030 --> 00:53:06,559

night uh

1341

00:53:12,230 --> 00:53:09,040

where they all crashed i i can't tell

1342

00:53:14,630 --> 00:53:12,240

you but there was a lot of interesting

1343

00:53:20,150 --> 00:53:14,640

movement in the sky that night

1344

00:53:22,069 --> 00:53:20,160

um as far as the land itself um

1345

00:53:23,750 --> 00:53:22,079

it is very unique and special you could

1346

00:53:25,589 --> 00:53:23,760

just feel

1347

00:53:28,470 --> 00:53:25,599

the energy from the

1348

00:53:29,670 --> 00:53:28,480

the land you know it it's a very sacred

1349

00:53:31,589 --> 00:53:29,680

place or at least that's the way it

1350

00:53:32,630 --> 00:53:31,599

feels to me is that it's a very sacred

1351

00:53:33,430 --> 00:53:32,640

place

1352

00:53:35,030 --> 00:53:33,440

um

1353

00:53:36,470 --> 00:53:35,040

unfortunately i didn't get to spend more

1354

00:53:38,790 --> 00:53:36,480

time there because i would have loved to

1355

00:53:40,630 --> 00:53:38,800

just wandered out by myself and sat

1356

00:53:43,270 --> 00:53:40,640

somewhere and meditated and really just

1357

00:53:45,829 --> 00:53:43,280

tried to feel the land and maybe even

1358

00:53:47,829 --> 00:53:45,839

what the land's expressing to me um

1359

00:53:49,910 --> 00:53:47,839

because that again when you know how to

1360

00:53:51,109 --> 00:53:49,920

tap into yourself and everybody has this

1361

00:53:53,109 --> 00:53:51,119

ability

1362

00:53:56,309 --> 00:53:53,119

you can tap into places and you can

1363

00:53:58,710 --> 00:53:56,319

start to just let go and feel and it

1364

00:54:00,309 --> 00:53:58,720

will give you information and i mean i

1365

00:54:02,309 --> 00:54:00,319

would love to be able to sit there and

1366

00:54:05,270 --> 00:54:02,319

do that at blind frog ranch because i

1367

00:54:07,190 --> 00:54:05,280

think it's a very special place um

1368

00:54:10,710 --> 00:54:07,200

we've talked before i think duane is a

1369

00:54:12,790 --> 00:54:10,720

very amazing guy i really like dwayne uh

1370

00:54:14,790 --> 00:54:12,800

i've talked to his son chad a little bit

1371

00:54:16,870 --> 00:54:14,800

but not as much as dwayne and i just

1372

00:54:20,069 --> 00:54:16,880

think he has great energy i'm really

1373

00:54:22,230 --> 00:54:20,079

excited what they're doing there um

1374

00:54:24,309 --> 00:54:22,240

and so i hope to get back on this

1375

00:54:26,069 --> 00:54:24,319

property at one time and be able to do

1376

00:54:28,710 --> 00:54:26,079

some more research there

1377

00:54:30,470 --> 00:54:28,720

but the uenta base itself is absolutely

1378

00:54:32,309 --> 00:54:30,480

amazing i've had the privilege of

1379

00:54:34,549 --> 00:54:32,319

spending the night and camping in in

1380

00:54:37,109 --> 00:54:34,559

several different areas out there a

1381

00:54:39,270 --> 00:54:37,119

friend that has property in duchesne and

1382

00:54:42,470 --> 00:54:39,280

when we were camping there i seen ufos

1383

00:54:43,990 --> 00:54:42,480

in the sky there as well too

1384

00:54:46,069 --> 00:54:44,000

basically you see them almost everywhere

1385

00:54:48,309 --> 00:54:46,079

out there as you know

1386

00:54:50,870 --> 00:54:48,319

and it's a very special place i'm

1387

00:54:53,430 --> 00:54:50,880

looking forward to it start to warm up

1388

00:54:55,030 --> 00:54:53,440

this year so i can get back out there

1389

00:54:56,630 --> 00:54:55,040

um

1390

00:54:58,789 --> 00:54:56,640

and you know it's just special if you

1391

00:55:00,630 --> 00:54:58,799

get anybody gets a chance to go out

1392

00:55:02,230 --> 00:55:00,640

there and you went to basa i definitely

1393

00:55:04,710 --> 00:55:02,240

suggest it i mean there's everything

1394

00:55:07,190 --> 00:55:04,720

going on out there there's bigfoots we

1395

00:55:08,230 --> 00:55:07,200

heard a bigfoot out in the ashley forest

1396

00:55:09,910 --> 00:55:08,240

uh

1397

00:55:11,910 --> 00:55:09,920

a few months back when i was at your

1398

00:55:14,150 --> 00:55:11,920

property we were off with eric and them

1399

00:55:16,309 --> 00:55:14,160

doing some bigfoot hunting so

1400

00:55:18,230 --> 00:55:16,319

i mean you can just anything paranormal

1401

00:55:20,150 --> 00:55:18,240

you want to do you can do at the uh

1402

00:55:21,109 --> 00:55:20,160

that's what's awesome about it it's all

1403

00:55:23,430 --> 00:55:21,119

there

1404

00:55:27,109 --> 00:55:23,440

and you're right about Duchenne it is

1405

00:55:33,349 --> 00:55:29,910

it's it's kind of an unspoken gem

1406

00:55:36,309 --> 00:55:33,359

the Duchene so much happens

1407

00:55:38,789 --> 00:55:36,319

uh within the boundaries of Duchenne

1408

00:55:40,950 --> 00:55:38,799

and you find that but it is the whole

1409

00:55:43,670 --> 00:55:40,960

area really like you mentioned that that

1410

00:55:44,870 --> 00:55:43,680

seems to be pretty darn

1411

00:55:46,789 --> 00:55:44,880

active

1412

00:55:53,349 --> 00:55:46,799

Jeff you could go anywhere Roosevelt

1413

00:55:57,990 --> 00:55:55,990

i know you're talking about um

1414

00:56:02,230 --> 00:55:58,000

that's the area over there by blind frog

1415

00:56:04,230 --> 00:56:02,240

ranch altamonte altamonte yeah

1416

00:56:05,270 --> 00:56:04,240

yeah but anywhere out there is very

1417

00:56:07,829 --> 00:56:05,280

active

1418

00:56:08,710 --> 00:56:07,839

point the point yep the point that's it

1419

00:56:11,190 --> 00:56:08,720

yes

1420

00:56:15,430 --> 00:56:13,589

but yeah very active place very amazing

1421

00:56:18,230 --> 00:56:15,440

you know i mean you fell in love with it

1422

00:56:20,470 --> 00:56:18,240

i'm now in love with this place i i i'm

1423

00:56:22,630 --> 00:56:20,480

so happy i'm in salt lake city now and

1424

00:56:24,870 --> 00:56:22,640

it is just hours away so

1425

00:56:27,670 --> 00:56:24,880

um yeah i'm looking very forward to this

1426

00:56:29,589 --> 00:56:27,680

summer and uh i talked to you before i

1427

00:56:31,589 --> 00:56:29,599

i'm gonna start to create a documentary

1428

00:56:33,670 --> 00:56:31,599

about out there and everything that we

1429

00:56:36,549 --> 00:56:33,680

can discover and find

1430

00:56:38,870 --> 00:56:36,559

yeah it's becoming very intriguing the

1431

00:56:41,030 --> 00:56:38,880

um different angles that different

1432

00:56:42,630 --> 00:56:41,040

researchers are taking attacking a lot

1433

00:56:46,309 --> 00:56:42,640

of the same

1434

00:56:49,670 --> 00:56:46,319

historic evidence everything from giants

1435

00:56:51,270 --> 00:56:49,680

to underground cavern systems

1436

00:56:54,230 --> 00:56:51,280

to

1437

00:56:56,069 --> 00:56:54,240

you know as we mentioned the lost roads

1438

00:56:58,630 --> 00:56:56,079

mines

1439

00:57:00,630 --> 00:56:58,640

possible aztec it seems this is becoming

1440

00:57:03,430 --> 00:57:00,640

more and more of a reality

1441

00:57:06,150 --> 00:57:03,440

the uh aztec connection

1442

00:57:09,109 --> 00:57:06,160

that there is a very real aztec

1443

00:57:10,309 --> 00:57:09,119

connection to some of the uh things that

1444

00:57:13,750 --> 00:57:10,319

are being found

1445

00:57:16,230 --> 00:57:13,760

and what what do you think is uh in in

1446

00:57:16,950 --> 00:57:16,240

the works for the future of utah before

1447

00:57:20,710 --> 00:57:16,960

we

1448

00:57:23,390 --> 00:57:20,720

listeners where to keep up with you

1449

00:57:26,230 --> 00:57:23,400

whether that's social media or

1450

00:57:28,710 --> 00:57:26,240

etalk.tv or where they can where they

1451
00:57:31,270 --> 00:57:28,720
can keep up with what you have happening

1452
00:57:33,430 --> 00:57:31,280
all right awesome yeah um as far as

1453
00:57:34,309 --> 00:57:33,440
what's the future of utah

1454
00:57:36,710 --> 00:57:34,319
um

1455
00:57:38,829 --> 00:57:36,720
i think the future's bright here uh i

1456
00:57:41,430 --> 00:57:38,839
love the states um

1457
00:57:43,750 --> 00:57:41,440
but i think what's happening at the

1458
00:57:45,510 --> 00:57:43,760
uenta basa is just really starting to

1459
00:57:47,430 --> 00:57:45,520
catch steam again

1460
00:57:48,950 --> 00:57:47,440
i think there's going to be a lot of

1461
00:57:50,950 --> 00:57:48,960
information that comes out of there

1462
00:57:52,950 --> 00:57:50,960
within the next 10 years i'm hoping to

1463
00:57:55,190 --> 00:57:52,960

bring out as much as i can

1464

00:57:56,789 --> 00:57:55,200

i know you're going to be diligent about

1465

00:57:57,990 --> 00:57:56,799

finding out information out there as

1466

00:58:01,109 --> 00:57:58,000

well too

1467

00:58:03,430 --> 00:58:01,119

um and i know we got eric who's in love

1468

00:58:04,549 --> 00:58:03,440

with the uenta base as well too so i i

1469

00:58:06,150 --> 00:58:04,559

really think there's going to be a lot

1470

00:58:09,030 --> 00:58:06,160

of researching that goes on there in the

1471

00:58:10,549 --> 00:58:09,040

next 10 years um and i think a lot of

1472

00:58:13,990 --> 00:58:10,559

amazing things are going to come out of

1473

00:58:15,030 --> 00:58:14,000

there and things we never ever expected

1474

00:58:16,710 --> 00:58:15,040

um

1475

00:58:18,630 --> 00:58:16,720

and things that will probably change our

1476

00:58:19,829 --> 00:58:18,640

life forever

1477

00:58:21,589 --> 00:58:19,839

or at least these are the things i'm

1478

00:58:23,829 --> 00:58:21,599

hoping um

1479

00:58:25,750 --> 00:58:23,839

but yeah it's definitely again it's a

1480

00:58:27,190 --> 00:58:25,760

special place i definitely highly

1481

00:58:29,910 --> 00:58:27,200

recommend it to anybody that gets a

1482

00:58:31,109 --> 00:58:29,920

chance to go out there and experience it

1483

00:58:33,190 --> 00:58:31,119

definitely bring your night vision

1484

00:58:36,150 --> 00:58:33,200

goggles because you will use them

1485

00:58:38,069 --> 00:58:36,160

um and then where can you find me um of

1486

00:58:42,549 --> 00:58:38,079

course um

1487

00:58:48,069 --> 00:58:45,109

e talk dot tv

1488

00:58:50,230 --> 00:58:48,079

you can find me there i stream my show

1489

00:58:52,069 --> 00:58:50,240

live there every tuesday night from

1490

00:58:53,910 --> 00:58:52,079

seven to nine pacific

1491

00:58:56,950 --> 00:58:53,920

this week we'll have as i was saying

1492

00:58:59,510 --> 00:58:56,960

earlier brent boatman he's experiencer

1493

00:59:02,630 --> 00:58:59,520

when he was younger he had some guy

1494

00:59:05,589 --> 00:59:02,640

teach him a meditation on how to call in

1495

00:59:06,950 --> 00:59:05,599

crafts and he calls him in at wills he

1496

00:59:09,349 --> 00:59:06,960

even has a

1497

00:59:11,750 --> 00:59:09,359

telepathy communication going on with

1498

00:59:13,589 --> 00:59:11,760

these people they give him information

1499

00:59:15,910 --> 00:59:13,599

he's really fascinating so i'll have

1500

00:59:16,789 --> 00:59:15,920

them on this tuesday

1501
00:59:18,710 --> 00:59:16,799
you can

1502
00:59:20,710 --> 00:59:18,720
also find me on rumble you've got

1503
00:59:22,309 --> 00:59:20,720
etalktv on rumble

1504
00:59:24,069 --> 00:59:22,319
get her you can find me personally

1505
00:59:26,710 --> 00:59:24,079
jeffree now on getter

1506
00:59:28,470 --> 00:59:26,720
you got etalk on me we and also you can

1507
00:59:29,270 --> 00:59:28,480
find me there

1508
00:59:32,309 --> 00:59:29,280
but

1509
00:59:34,390 --> 00:59:32,319
i'm trying to keep everything on etalk.t

1510
00:59:36,549 --> 00:59:34,400
so you can find me there not nothing's

1511
00:59:38,309 --> 00:59:36,559
being censored there trying to give out

1512
00:59:40,069 --> 00:59:38,319
great information and we're making that

1513
00:59:42,470 --> 00:59:40,079

kind of i've kind of made it like a

1514

00:59:43,910 --> 00:59:42,480

little hub i got more shows than just

1515

00:59:47,750 --> 00:59:43,920

mine there you can find beyond the

1516

00:59:50,549 --> 00:59:47,760

strange uh you can find shift happens we

1517

00:59:53,109 --> 00:59:50,559

got altered eric at awakening man's new

1518

00:59:54,549 --> 00:59:53,119

show and vinnie uh so we got a lot of

1519

00:59:56,470 --> 00:59:54,559

things going on there kind of made a

1520

00:59:58,150 --> 00:59:56,480

community you can go on there for free

1521

01:00:00,789 --> 00:59:58,160

create a profile

1522

01:00:02,549 --> 01:00:00,799

uh post things there's other posts on

1523

01:00:04,230 --> 01:00:02,559

there so you can find great information

1524

01:00:06,549 --> 01:00:04,240

and posting stuff that i'm finding there

1525

01:00:07,670 --> 01:00:06,559

over at uh ryan's place and stuff like

1526
01:00:10,069 --> 01:00:07,680
that so

1527
01:00:12,150 --> 01:00:10,079
uh you can definitely find me there and

1528
01:00:13,589 --> 01:00:12,160
that reminds me ryan i owe you an

1529
01:00:15,510 --> 01:00:13,599
apology

1530
01:00:16,309 --> 01:00:15,520
i don't know where i picked it up from

1531
01:00:18,630 --> 01:00:16,319
but

1532
01:00:19,990 --> 01:00:18,640
i always thought it was sky wolf

1533
01:00:21,910 --> 01:00:20,000
research

1534
01:00:23,829 --> 01:00:21,920
so some of the stuff that i put out

1535
01:00:25,030 --> 01:00:23,839
there it says sky wolf research so i

1536
01:00:26,789 --> 01:00:25,040
apologize

1537
01:00:29,510 --> 01:00:26,799
i should have known better and realized

1538
01:00:31,349 --> 01:00:29,520

it was space wolf but not skywalk but uh

1539

01:00:33,270 --> 01:00:31,359

yeah i just want to apologize to you hey

1540

01:00:35,510 --> 01:00:33,280

we'll take we'll take two thirds over

1541

01:00:38,230 --> 01:00:35,520

nothing anytime usually we have no

1542

01:00:39,510 --> 01:00:38,240

mention at all so yeah it is space wolf

1543

01:00:41,190 --> 01:00:39,520

research and

1544

01:00:43,430 --> 01:00:41,200

you know it's just you know i think

1545

01:00:45,430 --> 01:00:43,440

there's a lot of people who a lot of

1546

01:00:47,910 --> 01:00:45,440

folks are getting really interested when

1547

01:00:49,030 --> 01:00:47,920

you see this this solid research the

1548

01:00:51,190 --> 01:00:49,040

solid

1549

01:00:53,589 --> 01:00:51,200

evidence taking place before your very

1550

01:00:55,670 --> 01:00:53,599

eyes you you start to wonder what your

1551

01:01:04,630 --> 01:00:55,680

what it is

1552

01:01:05,990 --> 01:01:04,640

because it the possibilities is uh

1553

01:01:08,069 --> 01:01:06,000

they're endless

1554

01:01:09,750 --> 01:01:08,079

there's a lot of implications and i i

1555

01:01:12,390 --> 01:01:09,760

agree with you ma'am that

1556

01:01:14,470 --> 01:01:12,400

on some level it's it's spiritual in my

1557

01:01:16,710 --> 01:01:14,480

uh estimation as well and

1558

01:01:18,950 --> 01:01:16,720

i i think that you are an essential

1559

01:01:20,549 --> 01:01:18,960

asset in uh some of your disclosure of

1560

01:01:23,510 --> 01:01:20,559

that information and i can't thank you

1561

01:01:25,750 --> 01:01:23,520

enough for coming on the podcast today

1562

01:01:27,990 --> 01:01:25,760

hey thank you i i'm honored to be on

1563

01:01:30,309 --> 01:01:28,000

your podcast i'm honored to call you a

1564

01:01:32,390 --> 01:01:30,319

friend now and i'm looking forward to

1565

01:01:34,710 --> 01:01:32,400

any of our journeys and i just want to

1566

01:01:37,349 --> 01:01:34,720

make a quick mention here too

1567

01:01:39,750 --> 01:01:37,359

a lot of the stuff that i captured uh at

1568

01:01:42,150 --> 01:01:39,760

spacewolf research i'm gonna try to get

1569

01:01:44,470 --> 01:01:42,160

it edited this week and get it up onto

1570

01:01:46,309 --> 01:01:44,480

my site um so you'll be able to go see

1571

01:01:48,710 --> 01:01:46,319

some of the footage i actually captured

1572

01:01:50,710 --> 01:01:48,720

at ryan's place it's it's absolutely

1573

01:01:52,549 --> 01:01:50,720

amazing i'm i'm blown away by white i

1574

01:01:54,950 --> 01:01:52,559

got that night

1575

01:01:57,589 --> 01:01:54,960

thank you so much man and until next

1576

01:01:59,029 --> 01:01:57,599

time uh take care

1577

01:02:00,470 --> 01:01:59,039

all right thank you much man i'll be

1578

01:02:04,630 --> 01:02:00,480

talking to you soon

1579

01:02:06,630 --> 01:02:04,640

there he is the man the myth the legend

1580

01:02:09,190 --> 01:02:06,640

jeff renelle he had a lot of good

1581

01:02:12,230 --> 01:02:09,200

answers have we reversed engineered

1582

01:02:15,829 --> 01:02:13,990

some rather not say

1583

01:02:18,230 --> 01:02:15,839

the wilson leaked documents are they

1584

01:02:20,710 --> 01:02:18,240

real some rather not say

1585

01:02:23,510 --> 01:02:20,720

you and i probably know

1586

01:02:25,430 --> 01:02:23,520

more than we should say but yet i'm i'm

1587

01:02:26,789 --> 01:02:25,440

i i think we got a lot of info today

1588

01:02:29,349 --> 01:02:26,799

from jeffernell

1589

01:02:32,870 --> 01:02:29,359

he definitely knows where disclosure is

1590

01:02:36,230 --> 01:02:32,880

at i attribute a lot of his

1591

01:02:37,829 --> 01:02:36,240

uh dimensional theories on real

1592

01:02:40,630 --> 01:02:37,839

world

1593

01:02:42,470 --> 01:02:40,640

research and he's been one to be out

1594

01:02:44,150 --> 01:02:42,480

there looking at petroglyphs looking at

1595

01:02:47,029 --> 01:02:44,160

craft

1596

01:02:50,309 --> 01:02:47,039

videotaping things and going places

1597

01:02:52,069 --> 01:02:50,319

where others do not so until next time

1598

01:02:54,390 --> 01:02:52,079

keep your eyes to the skies feet on the

1599

01:03:06,420 --> 01:02:54,400

ground but don't forget to take a look
