

**BARRY FITZGERALD**

ARE ETs  
DEMONS?

**HERO**

1  
00:00:04,160 --> 00:00:15,830  
hey

2  
00:00:15,840 --> 00:00:27,830  
[Music]

3  
00:00:27,840 --> 00:00:33,040  
machine third

4  
00:00:39,270 --> 00:00:37,190  
[Music]

5  
00:00:42,150 --> 00:00:39,280  
blast off

6  
00:00:45,110 --> 00:00:42,160  
on another episode of hero paranormal

7  
00:00:49,029 --> 00:00:45,120  
podcast broadcasting from the base at la

8  
00:00:51,270 --> 00:00:49,039  
madre mountain just south of area 51 and

9  
00:00:53,510 --> 00:00:51,280  
if you've been paying attention at all

10  
00:00:57,110 --> 00:00:53,520  
this location in particular has been

11  
00:00:59,510 --> 00:00:57,120  
seeing a lot of ufo activity online

12  
00:01:02,470 --> 00:00:59,520  
there's been a lot of reports

13  
00:01:04,710 --> 00:01:02,480

locals filming it uh just below la madre

14

00:01:07,429 --> 00:01:04,720

mountain one particular local that lives

15

00:01:09,350 --> 00:01:07,439

near me is steve barone you can google

16

00:01:10,870 --> 00:01:09,360

some of his videos

17

00:01:12,710 --> 00:01:10,880

my name is ryan

18

00:01:16,070 --> 00:01:12,720

the original

19

00:01:19,350 --> 00:01:16,080

overseer of the airwaves bringing you an

20

00:01:22,710 --> 00:01:19,360

epic episode tonight

21

00:01:23,670 --> 00:01:22,720

when analyzing high strangeness

22

00:01:27,990 --> 00:01:23,680

few

23

00:01:31,670 --> 00:01:28,000

go as far

24

00:01:37,270 --> 00:01:33,990

that name may sound familiar

25

00:01:40,069 --> 00:01:37,280

besides being the lead investigator on

26  
00:01:43,429 --> 00:01:40,079  
the sci-fi paranormal investigative

27  
00:01:45,109 --> 00:01:43,439  
cable show ghost hunters international

28  
00:01:47,910 --> 00:01:45,119  
fitzgerald can

29  
00:01:50,069 --> 00:01:47,920  
usually be found on covert expeditions

30  
00:01:51,510 --> 00:01:50,079  
around the globe whether they're filming

31  
00:01:54,069 --> 00:01:51,520  
him or not

32  
00:01:56,630 --> 00:01:54,079  
i met barry in the uintah basin of utah

33  
00:01:59,190 --> 00:01:56,640  
of all places after he had flown across

34  
00:02:03,109 --> 00:01:59,200  
the atlantic

35  
00:02:05,350 --> 00:02:03,119  
and uh this was all to stay investigate

36  
00:02:07,590 --> 00:02:05,360  
and get real about high strangeness

37  
00:02:10,309 --> 00:02:07,600  
there in the uintah basin he stayed at

38  
00:02:14,150 --> 00:02:10,319

spacewolf research for some time and

39

00:02:16,710 --> 00:02:14,160

you know he is um well bottom line

40

00:02:19,750 --> 00:02:16,720

i remain convinced of his abilities

41

00:02:24,070 --> 00:02:19,760

it comes as no surprise he has had so

42

00:02:27,589 --> 00:02:24,080

much to offer over the years not only

43

00:02:29,990 --> 00:02:27,599

is barry versed in several languages

44

00:02:32,550 --> 00:02:30,000

including but not limited to french

45

00:02:33,430 --> 00:02:32,560

latin german romanian and of course

46

00:02:34,790 --> 00:02:33,440

english

47

00:02:36,470 --> 00:02:34,800

please

48

00:02:39,270 --> 00:02:36,480

check out what he's got going on and

49

00:02:43,030 --> 00:02:39,280

support barry fitzgerald at his website

50

00:02:47,830 --> 00:02:44,869

although he is

51  
00:02:50,350 --> 00:02:47,840  
of help and thanks are definitely due

52  
00:02:52,309 --> 00:02:50,360  
for his efforts on

53  
00:02:53,270 --> 00:02:52,319  
zoharstargate.com as well we'll get into

54  
00:02:55,990 --> 00:02:53,280  
that

55  
00:02:58,869 --> 00:02:56,000  
and i hope a whole lot more this new

56  
00:03:00,470 --> 00:02:58,879  
book of berries is uh

57  
00:03:03,190 --> 00:03:00,480  
well it's amazing

58  
00:03:04,869 --> 00:03:03,200  
and to read you an excerpt

59  
00:03:07,270 --> 00:03:04,879  
over the millennia

60  
00:03:09,350 --> 00:03:07,280  
we have relied on mystics shamans and

61  
00:03:12,470 --> 00:03:09,360  
priests to explain

62  
00:03:14,630 --> 00:03:12,480  
what awaits us in the next life

63  
00:03:16,309 --> 00:03:14,640

but what if it's all an illusion

64

00:03:18,710 --> 00:03:16,319

what really lurks behind the veil

65

00:03:21,030 --> 00:03:18,720

separating this world from the next

66

00:03:23,030 --> 00:03:21,040

might this other world be something real

67

00:03:26,789 --> 00:03:23,040

and tangible and literally

68

00:03:29,309 --> 00:03:26,799

not of this earth in other words

69

00:03:31,830 --> 00:03:29,319

might what we currently define as

70

00:03:35,990 --> 00:03:31,840

extraterrestrials perform

71

00:03:40,710 --> 00:03:38,470

what if the afterlife is an illusion

72

00:03:41,830 --> 00:03:40,720

created by the beings that exist within

73

00:03:45,190 --> 00:03:41,840

that realm

74

00:03:47,670 --> 00:03:45,200

the deceptions of god and men offered

75

00:03:50,869 --> 00:03:47,680

an alternative viewpoint using a

76

00:03:53,350 --> 00:03:50,879

hypothesis based on insights gleaned

77

00:03:55,509 --> 00:03:53,360

from ancient manuscripts and teachings

78

00:03:57,509 --> 00:03:55,519

that our ancestors left behind you

79

00:04:01,110 --> 00:03:57,519

really got to check this book out

80

00:04:03,910 --> 00:04:01,120

the deception of gods and men

81

00:04:06,309 --> 00:04:03,920

it's been way way too long

82

00:04:08,390 --> 00:04:06,319

barry fitzgerald welcome to the hero

83

00:04:10,869 --> 00:04:08,400

paranormal podcast

84

00:04:13,910 --> 00:04:10,879

thank you ryan indeed it has been too

85

00:04:16,469 --> 00:04:13,920

long and and i always i always welcome

86

00:04:17,670 --> 00:04:16,479

the meetup of old friends and it's great

87

00:04:19,030 --> 00:04:17,680

it's great to be able to speak to you

88

00:04:21,509 --> 00:04:19,040

again

89

00:04:22,950 --> 00:04:21,519

well we have great reason to speak this

90

00:04:25,270 --> 00:04:22,960

time we should have

91

00:04:27,270 --> 00:04:25,280

this is a great opportunity i should say

92

00:04:29,430 --> 00:04:27,280

and that's your new book the deception

93

00:04:31,350 --> 00:04:29,440

of gods and men i mean this is

94

00:04:34,070 --> 00:04:31,360

this is awesome

95

00:04:37,030 --> 00:04:34,080

thank you yes it's uh it just came out

96

00:04:38,870 --> 00:04:37,040

um and uh it was the official release

97

00:04:41,510 --> 00:04:38,880

date was the first of march

98

00:04:43,990 --> 00:04:41,520

um so uh things things seem to be going

99

00:04:45,189 --> 00:04:44,000

okay with that and uh and while that's

100

00:04:48,310 --> 00:04:45,199

gone

101

00:04:50,230 --> 00:04:48,320

um and uh and the the third edition of

102

00:04:52,629 --> 00:04:50,240

the band she is also out at the end of

103

00:04:55,030 --> 00:04:52,639

the month i'm focusing my efforts now on

104

00:04:57,270 --> 00:04:55,040

the next book the fruit of the gods but

105

00:04:59,430 --> 00:04:57,280

more on that later

106

00:05:02,310 --> 00:04:59,440

and let's get to the meat of the matter

107

00:05:04,790 --> 00:05:02,320

this book shines a spotlight on well

108

00:05:07,909 --> 00:05:04,800

these these beings that slip through the

109

00:05:10,070 --> 00:05:07,919

veil from their world to ours and

110

00:05:11,990 --> 00:05:10,080

how semantics and what people call them

111

00:05:13,510 --> 00:05:12,000

or believe they may be

112

00:05:15,749 --> 00:05:13,520

may have something

113

00:05:17,189 --> 00:05:15,759

to do with what they appear to be is

114

00:05:18,469 --> 00:05:17,199

that correct or am i kind of going out

115

00:05:19,510 --> 00:05:18,479

on a limb

116

00:05:21,830 --> 00:05:19,520

um

117

00:05:23,510 --> 00:05:21,840

the reason the the real reason that that

118

00:05:25,590 --> 00:05:23,520

i really wanted to delve into this

119

00:05:27,350 --> 00:05:25,600

particular subject matter

120

00:05:29,749 --> 00:05:27,360

was to

121

00:05:31,990 --> 00:05:29,759

strip away the mask

122

00:05:33,909 --> 00:05:32,000

that seems to be utilized by this

123

00:05:36,230 --> 00:05:33,919

particular phenomena and it was

124

00:05:37,430 --> 00:05:36,240

something that i saw

125

00:05:40,070 --> 00:05:37,440

the research

126  
00:05:42,469 --> 00:05:40,080  
the thread of research seems to weave

127  
00:05:44,230 --> 00:05:42,479  
its way in through many of the fringe

128  
00:05:45,189 --> 00:05:44,240  
research fields

129  
00:05:51,189 --> 00:05:45,199  
and

130  
00:05:54,070 --> 00:05:51,199  
not

131  
00:05:56,070 --> 00:05:54,080  
when we follow the identity of the mask

132  
00:05:57,350 --> 00:05:56,080  
we end up at a brick wall we're not

133  
00:05:59,990 --> 00:05:57,360  
getting anywhere

134  
00:06:01,110 --> 00:06:00,000  
we're left we're left blinded we can't

135  
00:06:02,790 --> 00:06:01,120  
find

136  
00:06:05,430 --> 00:06:02,800  
a heritage

137  
00:06:08,790 --> 00:06:05,440  
a long heritage to the mask

138  
00:06:10,790 --> 00:06:08,800

but what we did do is that we we ended

139

00:06:12,790 --> 00:06:10,800

up following the phenomena in which they

140

00:06:14,710 --> 00:06:12,800

interact with us on

141

00:06:17,430 --> 00:06:14,720

and by doing this

142

00:06:20,070 --> 00:06:17,440

i was able to push the boundaries of

143

00:06:23,029 --> 00:06:20,080

what we knew about these things back

144

00:06:25,110 --> 00:06:23,039

into into our history and i was able to

145

00:06:28,150 --> 00:06:25,120

to really depend

146

00:06:30,150 --> 00:06:28,160

um on on what our ancestors had also

147

00:06:31,029 --> 00:06:30,160

encountered and what experiences they

148

00:06:34,390 --> 00:06:31,039

had

149

00:06:37,350 --> 00:06:34,400

um and to allow us to try and decipher

150

00:06:39,350 --> 00:06:37,360

what what this actually was

151

00:06:42,230 --> 00:06:39,360

um and and that of course has led to

152

00:06:44,390 --> 00:06:42,240

some very very interesting hypothesis um

153

00:06:46,550 --> 00:06:44,400

that uh that these things are not what

154

00:06:49,189 --> 00:06:46,560

we initially thought they were

155

00:06:51,110 --> 00:06:49,199

well you know and this makes sense to me

156

00:06:54,150 --> 00:06:51,120

getting to the fundamentals of the

157

00:06:55,950 --> 00:06:54,160

semantics um as you know

158

00:06:59,270 --> 00:06:55,960

there are many

159

00:07:02,390 --> 00:06:59,280

congruences between a lot of these dark

160

00:07:04,870 --> 00:07:02,400

adepts regardless of cultures and where

161

00:07:06,870 --> 00:07:04,880

these these entities seem to appear

162

00:07:08,950 --> 00:07:06,880

whether it's the middle east whether

163

00:07:11,589 --> 00:07:08,960

it's europe whether it's north america

164

00:07:13,110 --> 00:07:11,599

there are things that are so wildly

165

00:07:14,469 --> 00:07:13,120

similar that they didn't have internet

166

00:07:16,950 --> 00:07:14,479

they had no way of

167

00:07:19,510 --> 00:07:16,960

transversing these messages yet the

168

00:07:22,390 --> 00:07:19,520

crystal clear message is a lot of the

169

00:07:25,350 --> 00:07:22,400

same candle work as well as other uh

170

00:07:27,510 --> 00:07:25,360

dark magic the of those who follow these

171

00:07:29,670 --> 00:07:27,520

entities but the entities themselves

172

00:07:31,589 --> 00:07:29,680

take these trickster appearances of

173

00:07:34,790 --> 00:07:31,599

whatever seems to be the flavor of the

174

00:07:37,909 --> 00:07:34,800

locale in that particular culture

175

00:07:40,469 --> 00:07:37,919

that's that's correct um and

176

00:07:41,270 --> 00:07:40,479

you're working with with ghi

177

00:07:42,870 --> 00:07:41,280

um

178

00:07:46,710 --> 00:07:42,880

all those years ago

179

00:07:48,550 --> 00:07:46,720

i was able to to interact um and have

180

00:07:51,670 --> 00:07:48,560

direct contact with

181

00:07:54,550 --> 00:07:51,680

with the likes of uh of of the the

182

00:07:56,550 --> 00:07:54,560

native people in in new zealand

183

00:07:59,589 --> 00:07:56,560

australia

184

00:08:00,629 --> 00:07:59,599

in south africa and peru and places like

185

00:08:04,230 --> 00:08:00,639

that

186

00:08:06,950 --> 00:08:04,240

and i was very keen to listen to their

187

00:08:08,390 --> 00:08:06,960

to their folklore and about the beings

188

00:08:10,309 --> 00:08:08,400

within the folklore and how they

189

00:08:12,869 --> 00:08:10,319

interacted with these things and how

190

00:08:15,510 --> 00:08:12,879

those things interacted with them

191

00:08:16,629 --> 00:08:15,520

and it soon became clear when speaking

192

00:08:18,550 --> 00:08:16,639

to them

193

00:08:21,749 --> 00:08:18,560

that what they were talking about i

194

00:08:24,230 --> 00:08:21,759

could clearly take and identify from an

195

00:08:26,869 --> 00:08:24,240

average standpoint on our little island

196

00:08:28,869 --> 00:08:26,879

in the atlantic ocean and i think it was

197

00:08:30,629 --> 00:08:28,879

that but how is this possible this is

198

00:08:33,750 --> 00:08:30,639

the southern hemisphere

199

00:08:36,149 --> 00:08:33,760

how did how did our stories get to there

200

00:08:39,029 --> 00:08:36,159

or how did their stories get to here

201

00:08:42,149 --> 00:08:39,039

um you know it it was a it was a very

202

00:08:45,670 --> 00:08:42,159

curious thing to start to break into and

203

00:08:48,230 --> 00:08:45,680

and see this common commonality between

204

00:08:49,110 --> 00:08:48,240

a lot of of the phenomena

205

00:08:52,790 --> 00:08:49,120

and

206

00:08:55,269 --> 00:08:52,800

rabbit holes

207

00:08:56,710 --> 00:08:55,279

and and i find that that those rabbit

208

00:08:58,630 --> 00:08:56,720

holes

209

00:09:00,150 --> 00:08:58,640

we need to be we needed to be very very

210

00:09:03,030 --> 00:09:00,160

careful with them

211

00:09:05,990 --> 00:09:03,040

and and investigate them slowly

212

00:09:08,949 --> 00:09:06,000

and and see where where it led because

213

00:09:10,230 --> 00:09:08,959

there were many many um false false

214

00:09:12,389 --> 00:09:10,240

avenues

215

00:09:16,949 --> 00:09:12,399

and uh and many of those were put in

216

00:09:19,829 --> 00:09:16,959

place i suspect um to to try and inhibit

217

00:09:22,949 --> 00:09:19,839

our our investigation initially

218

00:09:25,990 --> 00:09:22,959

but that soon that soon started clear

219

00:09:27,190 --> 00:09:26,000

and uh and we really started to to nail

220

00:09:29,750 --> 00:09:27,200

this down

221

00:09:33,030 --> 00:09:29,760

um and especially with the use of of our

222

00:09:35,910 --> 00:09:33,040

modern technology it really helped a lot

223

00:09:38,470 --> 00:09:35,920

to try and understand this phenomenon

224

00:09:39,750 --> 00:09:38,480

and and see that correlation between

225

00:09:41,829 --> 00:09:39,760

what we know

226  
00:09:42,870 --> 00:09:41,839  
in the modern age and how that crosses

227  
00:09:48,550 --> 00:09:42,880  
over

228  
00:09:51,030 --> 00:09:48,560  
that that ancestry that i speak about

229  
00:09:52,230 --> 00:09:51,040  
with our ancestors and what they were

230  
00:09:55,430 --> 00:09:52,240  
practicing

231  
00:09:57,829 --> 00:09:55,440  
and and how that correlates with us

232  
00:10:00,389 --> 00:09:57,839  
in a modern age

233  
00:10:03,269 --> 00:10:00,399  
well and you're absolutely correct this

234  
00:10:04,870 --> 00:10:03,279  
is such a interesting

235  
00:10:08,150 --> 00:10:04,880  
interesting topic

236  
00:10:09,910 --> 00:10:08,160  
because this is an area where

237  
00:10:10,949 --> 00:10:09,920  
we are kind of going below the narrative

238  
00:10:14,470 --> 00:10:10,959

a bit

239

00:10:15,910 --> 00:10:14,480

and we are sort of you well not we you

240

00:10:21,750 --> 00:10:15,920

and

241

00:10:23,670 --> 00:10:21,760

below the narrative a bit to reveal the

242

00:10:26,790 --> 00:10:23,680

path of the puppet masters whose

243

00:10:28,550 --> 00:10:26,800

promises of power and wealth conceal the

244

00:10:31,670 --> 00:10:28,560

bones of the innocent and this is kind

245

00:10:33,509 --> 00:10:31,680

of how it's always gone but yet

246

00:10:34,949 --> 00:10:33,519

there are some telltale signs isn't that

247

00:10:37,269 --> 00:10:34,959

true

248

00:10:38,870 --> 00:10:37,279

there are yes and and you know this is

249

00:10:41,430 --> 00:10:38,880

this is something that was very

250

00:10:44,790 --> 00:10:41,440

interesting for us to spot initially

251

00:10:48,389 --> 00:10:44,800

was this was this initial story

252

00:10:50,470 --> 00:10:48,399

that uh um for instance it was one side

253

00:10:53,269 --> 00:10:50,480

the story more or less fell into place

254

00:10:56,069 --> 00:10:53,279

that it was one side versus another side

255

00:10:58,069 --> 00:10:56,079

um and they were of the same

256

00:10:59,350 --> 00:10:58,079

the same coin

257

00:11:01,269 --> 00:10:59,360

so to speak

258

00:11:02,790 --> 00:11:01,279

um so

259

00:11:04,710 --> 00:11:02,800

these things ended up going to battle

260

00:11:07,269 --> 00:11:04,720

with each other humanity was caught in

261

00:11:09,829 --> 00:11:07,279

the middle blah blah blah blah

262

00:11:11,829 --> 00:11:09,839

and the

263

00:11:14,949 --> 00:11:11,839

the result of this particular story is

264

00:11:17,430 --> 00:11:14,959

that it has migrated through time

265

00:11:19,030 --> 00:11:17,440

and and although the although the the

266

00:11:21,190 --> 00:11:19,040

characters change

267

00:11:22,310 --> 00:11:21,200

sometimes maybe several times within a

268

00:11:24,310 --> 00:11:22,320

generation

269

00:11:26,389 --> 00:11:24,320

the story the principles of the story

270

00:11:28,949 --> 00:11:26,399

remain the same

271

00:11:32,069 --> 00:11:28,959

and and this broken record

272

00:11:33,030 --> 00:11:32,079

kept being played time and time and time

273

00:11:34,790 --> 00:11:33,040

again

274

00:11:36,710 --> 00:11:34,800

and uh and that

275

00:11:39,829 --> 00:11:36,720

that i have to say that was that was

276

00:11:41,430 --> 00:11:39,839

infuriating for for me to see

277

00:11:43,670 --> 00:11:41,440

that that this is something that we have

278

00:11:45,590 --> 00:11:43,680

fallen for continually

279

00:11:48,230 --> 00:11:45,600

um and i don't know what it is about

280

00:11:50,069 --> 00:11:48,240

humanity but why we can't

281

00:11:52,150 --> 00:11:50,079

suddenly identify this and say on your

282

00:11:53,430 --> 00:11:52,160

bike

283

00:11:54,629 --> 00:11:53,440

we're not we're not going down this

284

00:11:57,829 --> 00:11:54,639

route again

285

00:12:00,389 --> 00:11:57,839

but unfortunately we do

286

00:12:02,389 --> 00:12:00,399

it's so very true and not only is it

287

00:12:04,790 --> 00:12:02,399

true that there is

288

00:12:07,190 --> 00:12:04,800

seemingly a coherent group of

289

00:12:09,350 --> 00:12:07,200

individuals that are

290

00:12:11,750 --> 00:12:09,360

controlling creating and possibly

291

00:12:14,069 --> 00:12:11,760

contributing to the narrative

292

00:12:18,069 --> 00:12:14,079

but they're also hiding some

293

00:12:20,629 --> 00:12:18,079

key principle features i think of that

294

00:12:21,990 --> 00:12:20,639

they are um and when you start looking

295

00:12:25,350 --> 00:12:22,000

at

296

00:12:26,710 --> 00:12:25,360

within within society about how power um

297

00:12:29,110 --> 00:12:26,720

comes about

298

00:12:31,030 --> 00:12:29,120

then you tend to find their tentacles

299

00:12:34,230 --> 00:12:31,040

not too far away

300

00:12:37,990 --> 00:12:34,240

um and to understand that

301  
00:12:40,150 --> 00:12:38,000  
initially that that ancient aspect we we

302  
00:12:42,389 --> 00:12:40,160  
have to understand that there were

303  
00:12:44,550 --> 00:12:42,399  
places on this planet

304  
00:12:47,670 --> 00:12:44,560  
where people went to where were the

305  
00:12:49,590 --> 00:12:47,680  
elites the kings the priests

306  
00:12:52,870 --> 00:12:49,600  
where they went to

307  
00:12:55,030 --> 00:12:52,880  
to initially make contact with these

308  
00:12:57,990 --> 00:12:55,040  
things beyond

309  
00:13:00,949 --> 00:12:58,000  
and i say things and the reason ryan i i

310  
00:13:03,750 --> 00:13:00,959  
prefer not to give these a designation

311  
00:13:06,150 --> 00:13:03,760  
is because a lot of them are are

312  
00:13:08,069 --> 00:13:06,160  
you know once once we use them today

313  
00:13:09,670 --> 00:13:08,079

we've already got those those uh those

314

00:13:11,910 --> 00:13:09,680

ideas of what they look like and things

315

00:13:14,150 --> 00:13:11,920

like that and i prefer not to give them

316

00:13:16,629 --> 00:13:14,160

an identity per se

317

00:13:19,430 --> 00:13:16,639

and because those are already pre-loaded

318

00:13:24,710 --> 00:13:19,440

so i use i use terms such as they

319

00:13:25,829 --> 00:13:24,720

them um whatever the case may be um but

320

00:13:28,230 --> 00:13:25,839

our

321

00:13:31,030 --> 00:13:28,240

rulers ended up going to these places

322

00:13:34,550 --> 00:13:31,040

where the veils were thin

323

00:13:37,750 --> 00:13:34,560

and they they communicated

324

00:13:40,389 --> 00:13:37,760

and by that verse of communicating

325

00:13:42,629 --> 00:13:40,399

they they were given wisdom

326

00:13:46,710 --> 00:13:42,639

and knowledge was shared

327

00:13:48,790 --> 00:13:46,720

and and imbued upon our rulers

328

00:13:50,790 --> 00:13:48,800

when we go back and we look at we don't

329

00:13:53,670 --> 00:13:50,800

have to go that far back and look at the

330

00:13:56,230 --> 00:13:53,680

greek mythology of around um i think is

331

00:13:59,110 --> 00:13:56,240

around 2600 bc

332

00:14:00,790 --> 00:13:59,120

and we have we have these places of

333

00:14:04,710 --> 00:14:00,800

oracle

334

00:14:06,629 --> 00:14:04,720

where where these people came to and and

335

00:14:08,710 --> 00:14:06,639

they met the oracle

336

00:14:10,949 --> 00:14:08,720

um who was the go-between

337

00:14:13,990 --> 00:14:10,959

between us and them

338

00:14:17,509 --> 00:14:14,000

and the knowledge was was was imbued

339

00:14:20,949 --> 00:14:17,519

across now there were two several types

340

00:14:23,430 --> 00:14:20,959

um usually within this contact one

341

00:14:26,150 --> 00:14:23,440

was a type physically that looked like

342

00:14:28,389 --> 00:14:26,160

what we would associate as pan

343

00:14:31,829 --> 00:14:28,399

within the within the the uh

344

00:14:35,829 --> 00:14:31,839

within the the greek um folklore

345

00:14:38,069 --> 00:14:35,839

the the god of the the on our wilderness

346

00:14:40,310 --> 00:14:38,079

but what i was interested in

347

00:14:43,509 --> 00:14:40,320

was the other one

348

00:14:45,509 --> 00:14:43,519

because these were known as the word

349

00:14:47,509 --> 00:14:45,519

and they

350

00:14:50,230 --> 00:14:47,519

were the ones that i really wanted to

351  
00:14:52,310 --> 00:14:50,240  
put the thumb screws on and screw down

352  
00:14:53,990 --> 00:14:52,320  
because they were the ones that viewed

353  
00:14:57,509 --> 00:14:54,000  
the wisdom

354  
00:14:58,629 --> 00:14:57,519  
to our leaders and our our political

355  
00:15:01,750 --> 00:14:58,639  
leaders

356  
00:15:03,189 --> 00:15:01,760  
on how to govern us

357  
00:15:05,750 --> 00:15:03,199  
as a people

358  
00:15:07,030 --> 00:15:05,760  
how we were to be governed

359  
00:15:09,350 --> 00:15:07,040  
and

360  
00:15:11,590 --> 00:15:09,360  
these things tended to come at a price

361  
00:15:14,790 --> 00:15:11,600  
this wisdom tends to come at a price and

362  
00:15:17,269 --> 00:15:14,800  
of course the payment for uh um for for

363  
00:15:18,949 --> 00:15:17,279

for following such wisdom

364

00:15:19,990 --> 00:15:18,959

of course was power

365

00:15:22,550 --> 00:15:20,000

greed

366

00:15:24,710 --> 00:15:22,560

um and uh and all the the negative

367

00:15:28,230 --> 00:15:24,720

connotations the achilles heel of the

368

00:15:30,230 --> 00:15:28,240

hume of the human race and so these

369

00:15:31,829 --> 00:15:30,240

negative traits would have been would

370

00:15:33,590 --> 00:15:31,839

have been really um

371

00:15:36,150 --> 00:15:33,600

um harnessed

372

00:15:38,550 --> 00:15:36,160

from that perspective now

373

00:15:41,269 --> 00:15:38,560

the it was interesting to see when when

374

00:15:43,430 --> 00:15:41,279

we when we cross over these places of

375

00:15:45,189 --> 00:15:43,440

oracle these places where the the worlds

376

00:15:48,069 --> 00:15:45,199

were thin

377

00:15:51,110 --> 00:15:48,079

when we crossed that over into into our

378

00:15:52,870 --> 00:15:51,120

archaeology into our into our

379

00:15:55,189 --> 00:15:52,880

technological age

380

00:15:56,230 --> 00:15:55,199

that's whenever we started to see this

381

00:15:57,990 --> 00:15:56,240

pattern

382

00:16:01,590 --> 00:15:58,000

start to develop

383

00:16:04,150 --> 00:16:01,600

now initially the pattern was was

384

00:16:06,150 --> 00:16:04,160

was pretty typical and in fact um the

385

00:16:08,230 --> 00:16:06,160

the ranch next door to yours

386

00:16:11,509 --> 00:16:08,240

is is very very similar there where we

387

00:16:13,670 --> 00:16:11,519

see this huge positive magnetic anomaly

388

00:16:15,430 --> 00:16:13,680

and within those positive magnetic

389

00:16:17,509 --> 00:16:15,440

anomalies that we identify using the

390

00:16:20,389 --> 00:16:17,519

satellite technology

391

00:16:22,710 --> 00:16:20,399

we're able to see that that phenomena

392

00:16:24,870 --> 00:16:22,720

such as the poltergeist phenomena

393

00:16:27,430 --> 00:16:24,880

appears within the paranormal you've got

394

00:16:30,949 --> 00:16:27,440

ufos that appear you've got abductions

395

00:16:33,509 --> 00:16:30,959

you've got mutilations and and

396

00:16:35,350 --> 00:16:33,519

the list goes on and on and on that's

397

00:16:37,590 --> 00:16:35,360

what we tend to see within these

398

00:16:39,590 --> 00:16:37,600

particular areas

399

00:16:41,910 --> 00:16:39,600

now those in themselves

400

00:16:43,269 --> 00:16:41,920

although um quite

401  
00:16:45,430 --> 00:16:43,279  
quite bad

402  
00:16:46,949 --> 00:16:45,440  
in their own right

403  
00:16:50,870 --> 00:16:46,959  
what we

404  
00:16:53,590 --> 00:16:50,880  
feel to recognize in the beginning

405  
00:16:55,430 --> 00:16:53,600  
was the other side of the coin

406  
00:16:58,550 --> 00:16:55,440  
and that in itself would have been the

407  
00:16:59,590 --> 00:16:58,560  
negative magnetic anomalies

408  
00:17:00,550 --> 00:16:59,600  
and

409  
00:17:02,949 --> 00:17:00,560  
those

410  
00:17:05,189 --> 00:17:02,959  
really started to come into their own

411  
00:17:06,949 --> 00:17:05,199  
when when we ended up going back and

412  
00:17:09,350 --> 00:17:06,959  
delving into the negative magnetic

413  
00:17:11,510 --> 00:17:09,360

anomalies to see what the connection was

414

00:17:14,390 --> 00:17:11,520

there because within

415

00:17:16,630 --> 00:17:14,400

by dabbling into that we began to see

416

00:17:20,470 --> 00:17:16,640

the payment

417

00:17:23,270 --> 00:17:20,480

that was possibly um um asked

418

00:17:26,069 --> 00:17:23,280

for by these things from beyond

419

00:17:27,669 --> 00:17:26,079

and the payment was never good

420

00:17:30,070 --> 00:17:27,679

and as you've mentioned there's always

421

00:17:32,230 --> 00:17:30,080

an exchange uh some of the brightest

422

00:17:33,510 --> 00:17:32,240

minds i'm just you know from a research

423

00:17:36,070 --> 00:17:33,520

perspective i've seen some of the

424

00:17:38,950 --> 00:17:36,080

brightest minds come to the same

425

00:17:41,350 --> 00:17:38,960

belief system uh analysis of research

426

00:17:44,310 --> 00:17:41,360

and data has provided them with

427

00:17:46,549 --> 00:17:44,320

this exchange that whenever this takes

428

00:17:48,310 --> 00:17:46,559

place we give something of ourselves

429

00:17:50,470 --> 00:17:48,320

when we witness these displays and

430

00:17:52,870 --> 00:17:50,480

that's frightening isn't it

431

00:17:54,150 --> 00:17:52,880

it it really is um

432

00:17:55,510 --> 00:17:54,160

and

433

00:17:56,789 --> 00:17:55,520

you know initially whenever i was

434

00:18:00,630 --> 00:17:56,799

whenever i was

435

00:18:02,150 --> 00:18:00,640

looking at the magnetic anomalies

436

00:18:03,590 --> 00:18:02,160

both

437

00:18:05,350 --> 00:18:03,600

steve mira

438

00:18:07,029 --> 00:18:05,360

a research friend of mine

439

00:18:10,150 --> 00:18:07,039

from from zohar

440

00:18:12,150 --> 00:18:10,160

and myself we ended up in in california

441

00:18:14,470 --> 00:18:12,160

and there was an event there that we

442

00:18:16,150 --> 00:18:14,480

were attending we were speaking at now

443

00:18:17,430 --> 00:18:16,160

the people outside there were sitting in

444

00:18:18,710 --> 00:18:17,440

circle

445

00:18:20,710 --> 00:18:18,720

and uh

446

00:18:23,350 --> 00:18:20,720

it was it was after the event was over

447

00:18:24,310 --> 00:18:23,360

and very much like stephen greer's work

448

00:18:26,630 --> 00:18:24,320

and

449

00:18:29,110 --> 00:18:26,640

they were looking into the sky

450

00:18:31,830 --> 00:18:29,120

and uh and seeing these various little

451  
00:18:32,950 --> 00:18:31,840  
um lights that were appearing um many of

452  
00:18:34,630 --> 00:18:32,960  
them of course were satellites and

453  
00:18:37,270 --> 00:18:34,640  
things like that but

454  
00:18:39,029 --> 00:18:37,280  
um this is where it starts to get

455  
00:18:39,990 --> 00:18:39,039  
troublesome

456  
00:18:42,789 --> 00:18:40,000  
because

457  
00:18:44,390 --> 00:18:42,799  
when we now start looking at at the way

458  
00:18:45,430 --> 00:18:44,400  
that we are communicating with these

459  
00:18:49,029 --> 00:18:45,440  
things

460  
00:18:51,510 --> 00:18:49,039  
they

461  
00:18:54,830 --> 00:18:51,520  
i'm talking about the true phenomena

462  
00:19:00,070 --> 00:18:54,840  
i have to make a separation here between

463  
00:19:01,909 --> 00:19:00,080

man-made um technology man-made drones

464

00:19:02,950 --> 00:19:01,919

man-made craft

465

00:19:06,390 --> 00:19:02,960

that

466

00:19:09,270 --> 00:19:06,400

military institutions um and weapon

467

00:19:10,789 --> 00:19:09,280

specialists are very very keen at making

468

00:19:13,830 --> 00:19:10,799

we have to make a separation between

469

00:19:16,070 --> 00:19:13,840

man-made and the original

470

00:19:18,390 --> 00:19:16,080

now for the original

471

00:19:20,710 --> 00:19:18,400

there when when we're referring to them

472

00:19:22,630 --> 00:19:20,720

and they

473

00:19:24,470 --> 00:19:22,640

the way that we brought them forward was

474

00:19:25,750 --> 00:19:24,480

to conjure

475

00:19:31,270 --> 00:19:25,760

we

476  
00:19:32,630 --> 00:19:31,280  
and that in itself is an esoteric

477  
00:19:34,789 --> 00:19:32,640  
practice

478  
00:19:36,830 --> 00:19:34,799  
now call it what you want

479  
00:19:39,510 --> 00:19:36,840  
it's an esoteric

480  
00:19:41,750 --> 00:19:39,520  
practice and that has to be identified

481  
00:19:43,029 --> 00:19:41,760  
as that

482  
00:19:45,350 --> 00:19:43,039  
the very the

483  
00:19:47,110 --> 00:19:45,360  
the moment that we say that we pick up a

484  
00:19:49,669 --> 00:19:47,120  
voice recorder within a haunted house

485  
00:19:51,350 --> 00:19:49,679  
and we we we we switch it on we say is

486  
00:19:54,470 --> 00:19:51,360  
there anyone there

487  
00:19:58,870 --> 00:19:54,480  
we have just gone through an esoteric

488  
00:20:01,110 --> 00:19:58,880

practice to make contact with them

489

00:20:02,149 --> 00:20:01,120

now when you have a bigger

490

00:20:04,310 --> 00:20:02,159

group

491

00:20:06,230 --> 00:20:04,320

and we tend to see that within the use

492

00:20:07,990 --> 00:20:06,240

of a ouija board you you have you have

493

00:20:09,990 --> 00:20:08,000

more people around it you have the

494

00:20:12,789 --> 00:20:10,000

intent is greater

495

00:20:14,149 --> 00:20:12,799

but the esoteric practice remains the

496

00:20:15,669 --> 00:20:14,159

same

497

00:20:17,669 --> 00:20:15,679

for these things to come through in all

498

00:20:19,590 --> 00:20:17,679

their identities whether it be fairy

499

00:20:22,470 --> 00:20:19,600

whether it be gin whether it be grey

500

00:20:25,510 --> 00:20:22,480

aliens they all are coming through on an

501  
00:20:27,750 --> 00:20:25,520  
esoteric level

502  
00:20:29,510 --> 00:20:27,760  
and that we have to recognize

503  
00:20:31,110 --> 00:20:29,520  
and because we're not only seeing the

504  
00:20:32,070 --> 00:20:31,120  
grays for instance

505  
00:20:44,789 --> 00:20:32,080  
in

506  
00:20:47,830 --> 00:20:44,799  
science rooms of old europe

507  
00:20:50,470 --> 00:20:47,840  
so why is a gray appearing in a seance

508  
00:20:56,789 --> 00:20:53,270  
those questions need to be asked and

509  
00:20:59,510 --> 00:20:56,799  
unfortunately um a lot it's it's it's

510  
00:21:00,470 --> 00:20:59,520  
one of those inconvenient questions

511  
00:21:05,909 --> 00:21:00,480  
that

512  
00:21:06,710 --> 00:21:05,919  
much the same as

513  
00:21:09,990 --> 00:21:06,720

back

514

00:21:11,750 --> 00:21:10,000

10 years ago and 20 years ago it it was

515

00:21:15,350 --> 00:21:11,760

always frowned upon when you brought a

516

00:21:16,870 --> 00:21:15,360

report forward about a ufo on a bigfoot

517

00:21:21,909 --> 00:21:16,880

at the same time

518

00:21:24,870 --> 00:21:21,919

was an inconvenient question and

519

00:21:27,029 --> 00:21:24,880

inconvenient um data that that was more

520

00:21:28,549 --> 00:21:27,039

or less thrown to the side now we're

521

00:21:29,590 --> 00:21:28,559

starting to change we're starting to

522

00:21:31,990 --> 00:21:29,600

accept

523

00:21:32,710 --> 00:21:32,000

this and starting to see that yes there

524

00:21:34,870 --> 00:21:32,720

is

525

00:21:37,190 --> 00:21:34,880

um some strange type of connection

526  
00:21:38,710 --> 00:21:37,200  
between the paranormal fields and the

527  
00:21:40,950 --> 00:21:38,720  
research fields

528  
00:21:43,029 --> 00:21:40,960  
um but

529  
00:21:44,470 --> 00:21:43,039  
yeah i've completely went off course

530  
00:21:46,230 --> 00:21:44,480  
they're forgotten

531  
00:21:48,549 --> 00:21:46,240  
no you're right you're right on course

532  
00:21:51,350 --> 00:21:48,559  
man because that's my next question was

533  
00:21:53,350 --> 00:21:51,360  
going towards these magnetic anomalies

534  
00:21:55,590 --> 00:21:53,360  
and the particular phenomena that has

535  
00:21:57,669 --> 00:21:55,600  
appeared time and time again in these

536  
00:21:59,909 --> 00:21:57,679  
areas like we were discussing

537  
00:22:01,350 --> 00:21:59,919  
with beings that you've mentioned in

538  
00:22:03,270 --> 00:22:01,360

your book

539

00:22:06,390 --> 00:22:03,280

have they've been historically

540

00:22:07,350 --> 00:22:06,400

identified as quote unquote radiating a

541

00:22:10,230 --> 00:22:07,360

light

542

00:22:12,470 --> 00:22:10,240

or e-l can we get into that that's just

543

00:22:13,510 --> 00:22:12,480

fascinating for me yeah

544

00:22:14,950 --> 00:22:13,520

um

545

00:22:16,870 --> 00:22:14,960

you know

546

00:22:18,310 --> 00:22:16,880

the the new book that i'm working on i

547

00:22:20,950 --> 00:22:18,320

was i was going through some of the

548

00:22:22,149 --> 00:22:20,960

uniform texts and some of the details

549

00:22:23,110 --> 00:22:22,159

from there

550

00:22:24,710 --> 00:22:23,120

and

551  
00:22:28,149 --> 00:22:24,720  
there is

552  
00:22:31,029 --> 00:22:28,159  
with within the the babylonian texts

553  
00:22:32,390 --> 00:22:31,039  
there is mention of these gods

554  
00:22:34,230 --> 00:22:32,400  
that sean

555  
00:22:35,510 --> 00:22:34,240  
and i'm not talking about the anunnaki

556  
00:22:36,789 --> 00:22:35,520  
or anything like that because the

557  
00:22:39,590 --> 00:22:36,799  
anunnaki is something completely

558  
00:22:41,029 --> 00:22:39,600  
different i'm talking about these beings

559  
00:22:44,390 --> 00:22:41,039  
that appeared

560  
00:22:46,149 --> 00:22:44,400  
and they were known to wear a garment

561  
00:22:47,430 --> 00:22:46,159  
that exuded

562  
00:22:49,350 --> 00:22:47,440  
this light

563  
00:22:50,710 --> 00:22:49,360

and awe

564

00:22:53,029 --> 00:22:50,720

and

565

00:22:55,190 --> 00:22:53,039

but the strange thing was that that for

566

00:22:56,630 --> 00:22:55,200

these people who witnessed these shining

567

00:22:59,909 --> 00:22:56,640

ones

568

00:23:01,909 --> 00:22:59,919

it was also a scary experience

569

00:23:03,909 --> 00:23:01,919

and and you know i'll get back to that

570

00:23:05,350 --> 00:23:03,919

scary experience in a moment because

571

00:23:07,990 --> 00:23:05,360

it's something we need to understand

572

00:23:11,110 --> 00:23:08,000

from a biological context about what our

573

00:23:12,390 --> 00:23:11,120

bodies are trying to tell us in those

574

00:23:13,350 --> 00:23:12,400

moments

575

00:23:16,230 --> 00:23:13,360

but

576

00:23:19,430 --> 00:23:16,240

these uh these beings

577

00:23:21,590 --> 00:23:19,440

they not only did they did they wear

578

00:23:23,990 --> 00:23:21,600

this particular garment they also

579

00:23:25,430 --> 00:23:24,000

produce this other

580

00:23:27,350 --> 00:23:25,440

element

581

00:23:30,870 --> 00:23:27,360

which when translated

582

00:23:32,870 --> 00:23:30,880

means it makes your skin crawl

583

00:23:35,909 --> 00:23:32,880

oh my gosh

584

00:23:41,269 --> 00:23:35,919

this was happening and babylon for god's

585

00:23:43,750 --> 00:23:41,279

sake you know 4 000 5000 bc

586

00:23:44,710 --> 00:23:43,760

it's the same phenomena just a different

587

00:23:47,430 --> 00:23:44,720

mask

588

00:23:50,230 --> 00:23:47,440

and so when we start moving this forward

589

00:23:52,710 --> 00:23:50,240

and we start looking into into these

590

00:23:56,070 --> 00:23:52,720

shining ones and where they're appearing

591

00:23:58,549 --> 00:23:56,080

and what they're delivering and

592

00:24:00,870 --> 00:23:58,559

i i ended up starting to look at because

593

00:24:03,590 --> 00:24:00,880

of the the the midigori

594

00:24:05,190 --> 00:24:03,600

um phenomena which was happening over in

595

00:24:07,350 --> 00:24:05,200

eastern europe

596

00:24:10,149 --> 00:24:07,360

where every tuesday

597

00:24:12,470 --> 00:24:10,159

this uh this being would appear and

598

00:24:13,990 --> 00:24:12,480

deliver messages but that in itself is

599

00:24:17,269 --> 00:24:14,000

very irregular

600

00:24:18,870 --> 00:24:17,279

and i was i was very very very very

601  
00:24:20,630 --> 00:24:18,880  
suspicious of this particular type of

602  
00:24:21,669 --> 00:24:20,640  
behavior

603  
00:24:24,630 --> 00:24:21,679  
and

604  
00:24:27,430 --> 00:24:24,640  
i needed to get to the core

605  
00:24:29,590 --> 00:24:27,440  
of the of the appearance and and this is

606  
00:24:31,990 --> 00:24:29,600  
where we tend to find

607  
00:24:33,350 --> 00:24:32,000  
um valuable information it's in the

608  
00:24:34,789 --> 00:24:33,360  
initial

609  
00:24:38,230 --> 00:24:34,799  
10 minutes

610  
00:24:39,750 --> 00:24:38,240  
of of of this being appearing

611  
00:24:41,430 --> 00:24:39,760  
because

612  
00:24:44,149 --> 00:24:41,440  
what was very important is that the

613  
00:24:45,750 --> 00:24:44,159

children that saw the being

614

00:24:48,070 --> 00:24:45,760

were frightened

615

00:24:49,190 --> 00:24:48,080

to a point where they stopped they were

616

00:24:51,190 --> 00:24:49,200

frozen

617

00:24:54,149 --> 00:24:51,200

to the ground

618

00:24:55,909 --> 00:24:54,159

that speaks volumes

619

00:24:58,070 --> 00:24:55,919

the reason that i say that is because

620

00:25:01,590 --> 00:24:58,080

it's our our body

621

00:25:05,190 --> 00:25:01,600

has a unique ability um

622

00:25:07,909 --> 00:25:05,200

some people will call it um um

623

00:25:09,909 --> 00:25:07,919

oh i forget the name um now

624

00:25:11,990 --> 00:25:09,919

oh the flight or flight phenomenon

625

00:25:13,990 --> 00:25:12,000

fighter flight yes um

626

00:25:15,510 --> 00:25:14,000

that particular fight or flight delivers

627

00:25:18,470 --> 00:25:15,520

the information

628

00:25:20,710 --> 00:25:18,480

and of the nature of what we are

629

00:25:22,630 --> 00:25:20,720

witnessing and that nature can come in

630

00:25:24,710 --> 00:25:22,640

many form or that that appearance can

631

00:25:27,029 --> 00:25:24,720

come in many forms it can be a child it

632

00:25:29,190 --> 00:25:27,039

can be an animal it can be a person and

633

00:25:30,630 --> 00:25:29,200

they could be smiling at us but if our

634

00:25:34,149 --> 00:25:30,640

fight or flight

635

00:25:38,070 --> 00:25:34,159

is kicking in that is a signal

636

00:25:41,510 --> 00:25:38,080

from our from our part of our uh

637

00:25:43,269 --> 00:25:41,520

soul makeup to tell us get the hell out

638

00:25:44,950 --> 00:25:43,279

of here

639

00:25:47,669 --> 00:25:44,960

and but

640

00:25:49,990 --> 00:25:47,679

after a period of time has elapsed

641

00:25:51,990 --> 00:25:50,000

they can link into her conscious that

642

00:25:55,190 --> 00:25:52,000

that conscious aspect

643

00:25:57,669 --> 00:25:55,200

and shut off the fight or flight

644

00:26:01,029 --> 00:25:57,679

and and that that can be a very very

645

00:26:03,350 --> 00:26:01,039

damaging um aspect and this fight or

646

00:26:06,070 --> 00:26:03,360

flight giving back to to

647

00:26:08,549 --> 00:26:06,080

to what steve and i had witnessed in in

648

00:26:10,710 --> 00:26:08,559

california we knew that what where we

649

00:26:13,669 --> 00:26:10,720

needed to be was in one of the strong

650

00:26:15,510 --> 00:26:13,679

magnetic anomalies uh positive anomalies

651  
00:26:16,549 --> 00:26:15,520  
and which was seven miles in the high

652  
00:26:18,710 --> 00:26:16,559  
desert

653  
00:26:21,190 --> 00:26:18,720  
uh from the hotel now we ended up going

654  
00:26:22,390 --> 00:26:21,200  
there we took three carloads to the

655  
00:26:23,269 --> 00:26:22,400  
place

656  
00:26:26,710 --> 00:26:23,279  
and

657  
00:26:29,110 --> 00:26:26,720  
you know they were they were getting

658  
00:26:30,950 --> 00:26:29,120  
ready it was like uh it was like a a

659  
00:26:31,909 --> 00:26:30,960  
japanese tourist spot

660  
00:26:33,590 --> 00:26:31,919  
and

661  
00:26:36,070 --> 00:26:33,600  
i had to tell them to put the cameras

662  
00:26:39,590 --> 00:26:36,080  
away because this phenomena is

663  
00:26:42,630 --> 00:26:39,600

in its truest sense does not like

664

00:26:45,750 --> 00:26:42,640

the recording equipment or the audio

665

00:26:48,470 --> 00:26:45,760

recording or uh visual recording and the

666

00:26:50,149 --> 00:26:48,480

reason for that and

667

00:26:51,110 --> 00:26:50,159

looking at that information from jack

668

00:26:53,269 --> 00:26:51,120

valet and things like that

669

00:26:54,870 --> 00:26:53,279

cross-referencing

670

00:26:57,830 --> 00:26:54,880

it seems that the camera itself has the

671

00:27:01,110 --> 00:26:57,840

ability to capture what is really there

672

00:27:02,950 --> 00:27:01,120

that defies what we're seeing

673

00:27:04,070 --> 00:27:02,960

and and when we when we interview

674

00:27:05,909 --> 00:27:04,080

witnesses

675

00:27:08,230 --> 00:27:05,919

and to the ufo phenomena you have the

676  
00:27:09,750 --> 00:27:08,240  
witness effect in which

677  
00:27:11,669 --> 00:27:09,760  
say there's three witnesses or four

678  
00:27:14,149 --> 00:27:11,679  
witnesses four of them will see

679  
00:27:16,470 --> 00:27:14,159  
something completely different

680  
00:27:17,909 --> 00:27:16,480  
at the same time

681  
00:27:21,110 --> 00:27:17,919  
so this in itself

682  
00:27:22,149 --> 00:27:21,120  
um really connects back this conscious

683  
00:27:26,230 --> 00:27:22,159  
hook

684  
00:27:28,070 --> 00:27:26,240  
brain that's it there's quite a there's

685  
00:27:31,269 --> 00:27:28,080  
quite a quantum entanglement that takes

686  
00:27:32,870 --> 00:27:31,279  
place in indeed indeed yes but the the

687  
00:27:35,830 --> 00:27:32,880  
camera itself

688  
00:27:37,269 --> 00:27:35,840

will display what what is there so i had

689

00:27:38,149 --> 00:27:37,279

to ask the people to put the cameras

690

00:27:40,630 --> 00:27:38,159

away

691

00:27:42,310 --> 00:27:40,640

the moment the last camera went the hair

692

00:27:44,549 --> 00:27:42,320

stood on the back of my neck now there

693

00:27:47,190 --> 00:27:44,559

was an indication to me

694

00:27:48,470 --> 00:27:47,200

that this was not good

695

00:27:51,029 --> 00:27:48,480

and but

696

00:27:53,510 --> 00:27:51,039

i wanted them to see as well

697

00:27:55,909 --> 00:27:53,520

and i told them they're here

698

00:27:58,870 --> 00:27:55,919

now just as that was

699

00:28:01,029 --> 00:27:58,880

was uh shared suddenly this thing

700

00:28:02,630 --> 00:28:01,039

appeared over the cars boom boom boom

701  
00:28:05,110 --> 00:28:02,640  
boom there's this

702  
00:28:07,909 --> 00:28:05,120  
flashing light it was like a welder's

703  
00:28:09,510 --> 00:28:07,919  
flash over the top of the vehicles

704  
00:28:12,070 --> 00:28:09,520  
and the communication went on for about

705  
00:28:14,230 --> 00:28:12,080  
90 seconds and then was gone

706  
00:28:16,149 --> 00:28:14,240  
and the moment that was over i told the

707  
00:28:17,269 --> 00:28:16,159  
people to get back into the cars because

708  
00:28:19,110 --> 00:28:17,279  
we're leaving

709  
00:28:21,110 --> 00:28:19,120  
and there was some objection

710  
00:28:23,110 --> 00:28:21,120  
to that because in fact one of the

711  
00:28:24,710 --> 00:28:23,120  
people i remember saying but but you

712  
00:28:26,870 --> 00:28:24,720  
know we hear tell of this happening all

713  
00:28:28,310 --> 00:28:26,880

the time and now we're here why are we

714

00:28:29,269 --> 00:28:28,320

going so soon

715

00:28:31,909 --> 00:28:29,279

and

716

00:28:34,470 --> 00:28:31,919

i said because we have to

717

00:28:37,430 --> 00:28:34,480

and when we go back into the cars they

718

00:28:39,029 --> 00:28:37,440

all left and and i on the drive back i

719

00:28:39,909 --> 00:28:39,039

was saying to her

720

00:28:42,230 --> 00:28:39,919

now

721

00:28:44,789 --> 00:28:42,240

tell me when you saw this

722

00:28:48,070 --> 00:28:44,799

what did you feel and she said it was

723

00:28:50,070 --> 00:28:48,080

absolutely amazing to see this this you

724

00:28:51,510 --> 00:28:50,080

know as i said people have have

725

00:28:54,310 --> 00:28:51,520

mentioned this before i've never seen it

726

00:28:55,909 --> 00:28:54,320

for myself and i got to see it it was it

727

00:28:57,430 --> 00:28:55,919

was amazing i'm not going to swear

728

00:29:00,310 --> 00:28:57,440

because that's what she was doing a lot

729

00:29:01,750 --> 00:29:00,320

of um but she was caught up in in the

730

00:29:03,669 --> 00:29:01,760

moment

731

00:29:05,110 --> 00:29:03,679

and i said okay can i ask

732

00:29:06,549 --> 00:29:05,120

did the hair rise in the back of your

733

00:29:09,029 --> 00:29:06,559

neck did it rise in your arms and

734

00:29:10,470 --> 00:29:09,039

everything else and says yes i said that

735

00:29:12,310 --> 00:29:10,480

was your fight or flight it was telling

736

00:29:14,710 --> 00:29:12,320

you to leave

737

00:29:16,149 --> 00:29:14,720

because that flashing light was the

738

00:29:19,430 --> 00:29:16,159

illusion

739

00:29:22,549 --> 00:29:19,440

those things were already on the ground

740

00:29:23,510 --> 00:29:22,559

that's why we had to leave

741

00:29:24,549 --> 00:29:23,520

um

742

00:29:27,350 --> 00:29:24,559

so

743

00:29:28,389 --> 00:29:27,360

that was that was a an experience for

744

00:29:30,470 --> 00:29:28,399

them

745

00:29:32,710 --> 00:29:30,480

um and uh you know speaking of other

746

00:29:35,430 --> 00:29:32,720

people who who for instance have have

747

00:29:37,510 --> 00:29:35,440

had encounters with um a paranormal

748

00:29:40,470 --> 00:29:37,520

nature say with ghosts in fact i just

749

00:29:43,350 --> 00:29:40,480

spoke to a guy um several days ago

750

00:29:44,789 --> 00:29:43,360

and he was a security officer um in this

751

00:29:46,310 --> 00:29:44,799

in this building

752

00:29:48,230 --> 00:29:46,320

and uh

753

00:29:50,549 --> 00:29:48,240

and he turned a corner and there was

754

00:29:52,630 --> 00:29:50,559

this person standing in the middle of

755

00:29:56,149 --> 00:29:52,640

the night putting coins into a cigarette

756

00:29:58,070 --> 00:29:56,159

machine and now

757

00:30:00,230 --> 00:29:58,080

he says it wasn't the appearance of the

758

00:30:02,230 --> 00:30:00,240

guy suddenly there he said it was the

759

00:30:04,149 --> 00:30:02,240

way it made him feel that frightened him

760

00:30:05,830 --> 00:30:04,159

half to death

761

00:30:08,549 --> 00:30:05,840

that's the key

762

00:30:11,430 --> 00:30:08,559

the key as to the illusion the illusion

763

00:30:14,630 --> 00:30:11,440

is what you see cannot be depended on

764

00:30:16,630 --> 00:30:14,640

it's how you feel the situation we must

765

00:30:18,870 --> 00:30:16,640

that is how we must steer this

766

00:30:19,830 --> 00:30:18,880

phenomenon

767

00:30:21,990 --> 00:30:19,840

and

768

00:30:24,310 --> 00:30:22,000

that steering mechanism within a modern

769

00:30:25,750 --> 00:30:24,320

age can be interfered with

770

00:30:27,269 --> 00:30:25,760

refined sugar

771

00:30:28,710 --> 00:30:27,279

can shut down the fight-or-flight

772

00:30:30,870 --> 00:30:28,720

process

773

00:30:32,630 --> 00:30:30,880

and and that is a very dangerous

774

00:30:35,430 --> 00:30:32,640

situation to be in

775

00:30:37,269 --> 00:30:35,440

we we have groups that meet up um for

776

00:30:38,470 --> 00:30:37,279

instance in fast food restaurants before

777

00:30:40,549 --> 00:30:38,480

they head off

778

00:30:42,710 --> 00:30:40,559

to a to a location

779

00:30:44,149 --> 00:30:42,720

and to see what the phenomenon is and

780

00:30:46,470 --> 00:30:44,159

and what they experience and things like

781

00:30:49,269 --> 00:30:46,480

that by going there and consuming the

782

00:30:51,029 --> 00:30:49,279

refined sugar in those various ways

783

00:30:53,110 --> 00:30:51,039

they're actually blinding their own

784

00:30:55,110 --> 00:30:53,120

bodies

785

00:30:56,870 --> 00:30:55,120

they don't know

786

00:30:58,950 --> 00:30:56,880

what is coming through and what can be

787

00:31:01,110 --> 00:30:58,960

dependent upon and everything else and

788

00:31:03,430 --> 00:31:01,120

this is something that i reiterate to

789

00:31:05,029 --> 00:31:03,440

paranormal investigating groups to make

790

00:31:08,149 --> 00:31:05,039

sure

791

00:31:10,070 --> 00:31:08,159

that you question what is coming through

792

00:31:11,110 --> 00:31:10,080

do not accept the first thing that comes

793

00:31:13,269 --> 00:31:11,120

along

794

00:31:15,830 --> 00:31:13,279

put a filter on it yeah because why not

795

00:31:17,590 --> 00:31:15,840

filter on it absolutely absolutely

796

00:31:19,990 --> 00:31:17,600

because today we live in a society where

797

00:31:22,789 --> 00:31:20,000

we have to have everything fast

798

00:31:24,950 --> 00:31:22,799

and we have we have um cell phones that

799

00:31:26,470 --> 00:31:24,960

that has connects us to the internet we

800

00:31:28,070 --> 00:31:26,480

have all the information there we have

801  
00:31:31,909 --> 00:31:28,080  
to have it fast

802  
00:31:34,710 --> 00:31:31,919  
with this phenomena we need to slow down

803  
00:31:36,230 --> 00:31:34,720  
we need to make sure that it is what it

804  
00:31:39,029 --> 00:31:36,240  
says it is

805  
00:31:41,269 --> 00:31:39,039  
um and more times than not

806  
00:31:43,990 --> 00:31:41,279  
it there is a high level of deception

807  
00:31:49,430 --> 00:31:45,750  
and i kind of want to follow some of

808  
00:31:52,070 --> 00:31:49,440  
these breadcrumbs down the alleyway of

809  
00:31:53,830 --> 00:31:52,080  
mystics shamans secret societies for

810  
00:31:56,149 --> 00:31:53,840  
years

811  
00:31:58,310 --> 00:31:56,159  
these even priests

812  
00:32:00,789 --> 00:31:58,320  
have uh

813  
00:32:02,549 --> 00:32:00,799

talked about basically conjuring these

814

00:32:05,669 --> 00:32:02,559

lights of sorts

815

00:32:07,990 --> 00:32:05,679

and it seems it you know it with the

816

00:32:10,070 --> 00:32:08,000

shamans and the mystics

817

00:32:12,149 --> 00:32:10,080

something uh

818

00:32:15,750 --> 00:32:12,159

i i feel that maybe i've

819

00:32:17,990 --> 00:32:15,760

trampled a little bit into this um

820

00:32:19,669 --> 00:32:18,000

spoiled garden because

821

00:32:21,909 --> 00:32:19,679

something we became

822

00:32:24,310 --> 00:32:21,919

well a little bit began delving into

823

00:32:26,870 --> 00:32:24,320

from a research perspective is the use

824

00:32:29,669 --> 00:32:26,880

of a quote-unquote god helmet

825

00:32:31,750 --> 00:32:29,679

which is a device um and a fellow

826

00:32:33,909 --> 00:32:31,760

researcher began using what's called a

827

00:32:36,149 --> 00:32:33,919

quote-unquote angel lamp

828

00:32:39,590 --> 00:32:36,159

uh both both of these technologies are

829

00:32:42,549 --> 00:32:39,600

supposed to mimic the dmt experience and

830

00:32:44,470 --> 00:32:42,559

back to the shamans and mystics and in

831

00:32:46,710 --> 00:32:44,480

your book as well

832

00:32:49,509 --> 00:32:46,720

it seems that uh if it's okay if i read

833

00:32:52,630 --> 00:32:49,519

a quick section here

834

00:32:55,669 --> 00:32:52,640

during the 1990s dr rick straussman a

835

00:32:57,830 --> 00:32:55,679

psychiatric specialist

836

00:33:01,269 --> 00:32:57,840

carried out let me make sure i got this

837

00:33:03,350 --> 00:33:01,279

right yeah a series of tests on dmt and

838

00:33:06,230 --> 00:33:03,360

found that in the right quantities it

839

00:33:07,430 --> 00:33:06,240

produced feelings of euphoria anxiety

840

00:33:09,269 --> 00:33:07,440

and fear

841

00:33:12,389 --> 00:33:09,279

much of what you're talking about and in

842

00:33:15,350 --> 00:33:12,399

smaller doses it produced auditory

843

00:33:18,149 --> 00:33:15,360

hallucinations but in higher doses it

844

00:33:19,990 --> 00:33:18,159

produced other phenomena a large

845

00:33:22,070 --> 00:33:20,000

majority of participants in the study

846

00:33:24,789 --> 00:33:22,080

began to report a state or feeling that

847

00:33:26,789 --> 00:33:24,799

they were able to communicate with other

848

00:33:28,230 --> 00:33:26,799

intelligent life forms

849

00:33:29,990 --> 00:33:28,240

now

850

00:33:31,990 --> 00:33:30,000

during these high-dose sessions it was

851  
00:33:33,830 --> 00:33:32,000  
reported that the experimenters met with

852  
00:33:37,509 --> 00:33:33,840  
another intelligence with many

853  
00:33:39,190 --> 00:33:37,519  
describing a super intelligence now

854  
00:33:41,430 --> 00:33:39,200  
this is the frightening part we're

855  
00:33:44,789 --> 00:33:41,440  
dealing with something that is most

856  
00:33:48,470 --> 00:33:44,799  
likely much more intelligent from

857  
00:33:52,710 --> 00:33:50,070  
there there is that but also with the

858  
00:33:54,950 --> 00:33:52,720  
intelligence comes a level of fear and

859  
00:33:57,190 --> 00:33:54,960  
and whenever i talk about the fear

860  
00:34:01,029 --> 00:33:57,200  
it's it's like nothing we can experience

861  
00:34:02,230 --> 00:34:01,039  
on on this side the fear is is much more

862  
00:34:06,549 --> 00:34:02,240  
magn

863  
00:34:09,190 --> 00:34:06,559

um on the on the other side for me to

864

00:34:10,389 --> 00:34:09,200

stand on one side of the doorway here in

865

00:34:12,149 --> 00:34:10,399

ireland

866

00:34:13,829 --> 00:34:12,159

and i can tell you

867

00:34:17,109 --> 00:34:13,839

um ryan that

868

00:34:19,109 --> 00:34:17,119

it was it was a fear level that i have

869

00:34:21,030 --> 00:34:19,119

never ever experienced or want to

870

00:34:23,589 --> 00:34:21,040

experience again

871

00:34:26,629 --> 00:34:23,599

and it was it was something that was

872

00:34:28,869 --> 00:34:26,639

just beyond and i i said to to carmich

873

00:34:30,950 --> 00:34:28,879

my my co-author at the time

874

00:34:32,790 --> 00:34:30,960

um on legend seekers i said karmic if i

875

00:34:34,389 --> 00:34:32,800

ever come across that again i'm retiring

876

00:34:35,750 --> 00:34:34,399

and i don't want to be involved with

877

00:34:38,550 --> 00:34:35,760

that again

878

00:34:42,230 --> 00:34:38,560

and but that that was in itself one of

879

00:34:46,310 --> 00:34:42,240

those doorways to them

880

00:34:49,510 --> 00:34:46,320

and and now we're starting to understand

881

00:34:52,470 --> 00:34:49,520

um how these doorways were activated

882

00:34:54,389 --> 00:34:52,480

what was being used as a mixture of

883

00:34:58,630 --> 00:34:54,399

from a neolithic standpoint as a mixture

884

00:35:00,950 --> 00:34:58,640

of of of sunlight vibration and timing

885

00:35:02,710 --> 00:35:00,960

timing is everything when it comes to

886

00:35:05,270 --> 00:35:02,720

this

887

00:35:08,390 --> 00:35:05,280

and so that was that was very very

888

00:35:10,790 --> 00:35:08,400

important for us for us to learn and now

889

00:35:13,829 --> 00:35:10,800

whenever you talk about

890

00:35:16,950 --> 00:35:13,839

about this this phenomena and in its

891

00:35:19,670 --> 00:35:16,960

changing ways and the esoteric value

892

00:35:22,390 --> 00:35:19,680

and i find that we can also lose

893

00:35:24,630 --> 00:35:22,400

touch of that esoteric value

894

00:35:27,510 --> 00:35:24,640

because we keep bloody well changing the

895

00:35:29,190 --> 00:35:27,520

names to the phenomena instead of

896

00:35:31,510 --> 00:35:29,200

leaving things alone

897

00:35:34,069 --> 00:35:31,520

and we reinvented to make it something

898

00:35:36,310 --> 00:35:34,079

new to make it something real wow this

899

00:35:37,750 --> 00:35:36,320

sounds really interesting

900

00:35:40,310 --> 00:35:37,760

um

901  
00:35:42,829 --> 00:35:40,320  
but the likes of of standing

902  
00:35:45,589 --> 00:35:42,839  
in in a circle

903  
00:35:48,390 --> 00:35:45,599  
um wishing

904  
00:35:49,750 --> 00:35:48,400  
that you want to see

905  
00:35:50,950 --> 00:35:49,760  
a craft

906  
00:35:54,470 --> 00:35:50,960  
a creature

907  
00:35:56,870 --> 00:35:54,480  
um a flashy light in the sky

908  
00:35:58,630 --> 00:35:56,880  
in itself when when you focus that

909  
00:36:00,470 --> 00:35:58,640  
you're directing that i suppose in the

910  
00:36:03,430 --> 00:36:00,480  
modern text you're directing that to the

911  
00:36:05,109 --> 00:36:03,440  
universe that thought process is put

912  
00:36:06,550 --> 00:36:05,119  
into your will and you're you're sending

913  
00:36:08,550 --> 00:36:06,560

that to the universe

914

00:36:10,790 --> 00:36:08,560

now ten years ago there was a book

915

00:36:13,670 --> 00:36:10,800

brought out called the secret

916

00:36:14,790 --> 00:36:13,680

and if not maybe even more maybe even 20

917

00:36:17,910 --> 00:36:14,800

years ago

918

00:36:19,990 --> 00:36:17,920

and you know this big secret that you

919

00:36:21,990 --> 00:36:20,000

you put your wishes and your intent out

920

00:36:25,430 --> 00:36:22,000

to the universe and you reap

921

00:36:27,430 --> 00:36:25,440

what you what you put out

922

00:36:29,430 --> 00:36:27,440

and again this is this is the problem

923

00:36:31,910 --> 00:36:29,440

that we have when we start re-labeling

924

00:36:33,270 --> 00:36:31,920

things because two thousand years ago

925

00:36:35,829 --> 00:36:33,280

two thousand

926  
00:36:39,030 --> 00:36:35,839  
years ago that particular process by the

927  
00:36:41,510 --> 00:36:39,040  
druids was known as grinholt

928  
00:36:44,230 --> 00:36:41,520  
it's the same the same

929  
00:36:47,910 --> 00:36:44,240  
thing the very very same thing 2 000

930  
00:36:49,750 --> 00:36:47,920  
years ago it was an esoteric practice

931  
00:36:52,230 --> 00:36:49,760  
and so you know

932  
00:36:54,470 --> 00:36:52,240  
esotericism um is

933  
00:36:56,470 --> 00:36:54,480  
there's a lot of it within our within

934  
00:36:58,470 --> 00:36:56,480  
our modern daily lives

935  
00:37:00,390 --> 00:36:58,480  
and and we go about our lives and we're

936  
00:37:02,790 --> 00:37:00,400  
oblivious to it

937  
00:37:04,630 --> 00:37:02,800  
but there is a huge amount of there

938  
00:37:07,349 --> 00:37:04,640

and uh

939

00:37:09,910 --> 00:37:07,359

you know i it was strange after coming

940

00:37:12,550 --> 00:37:09,920

from from from your ranch

941

00:37:14,630 --> 00:37:12,560

um and and mulling things over for for

942

00:37:18,230 --> 00:37:14,640

the by the time i get back to ireland we

943

00:37:20,630 --> 00:37:18,240

were just entering into entering into uh

944

00:37:22,230 --> 00:37:20,640

the whole pandemic thing and

945

00:37:25,270 --> 00:37:22,240

then shortly after that we were locked

946

00:37:28,470 --> 00:37:25,280

down but it gave me enough time to

947

00:37:30,950 --> 00:37:28,480

to look over and and think about what i

948

00:37:31,829 --> 00:37:30,960

had experienced and seen and felt

949

00:37:34,310 --> 00:37:31,839

um

950

00:37:35,270 --> 00:37:34,320

on the edges of the ranch and to see

951  
00:37:42,470 --> 00:37:35,280  
that

952  
00:37:43,910 --> 00:37:42,480  
ancestral

953  
00:37:46,230 --> 00:37:43,920  
um connection

954  
00:37:48,230 --> 00:37:46,240  
to the the ranch and what was going on

955  
00:37:50,390 --> 00:37:48,240  
in the ranch for this this idea for

956  
00:37:51,270 --> 00:37:50,400  
instance of of looking at

957  
00:37:52,550 --> 00:37:51,280  
at

958  
00:37:55,910 --> 00:37:52,560  
gold

959  
00:37:57,589 --> 00:37:55,920  
that was uh that was hidden in the

960  
00:37:59,349 --> 00:37:57,599  
ground or in the mountains

961  
00:38:01,109 --> 00:37:59,359  
um

962  
00:38:02,710 --> 00:38:01,119  
when when we when we look at this

963  
00:38:05,030 --> 00:38:02,720

particular aspect

964

00:38:07,910 --> 00:38:05,040  
from from and i'm talking about

965

00:38:10,150 --> 00:38:07,920  
2500 years ago

966

00:38:11,829 --> 00:38:10,160  
for for the for the celts that came to

967

00:38:12,950 --> 00:38:11,839  
this island

968

00:38:17,990 --> 00:38:12,960  
we

969

00:38:19,030 --> 00:38:18,000  
serpentine creatures that that that

970

00:38:21,829 --> 00:38:19,040  
guarded

971

00:38:23,829 --> 00:38:21,839  
the uh the giants or the uh the huge

972

00:38:24,950 --> 00:38:23,839  
amounts of of of

973

00:38:28,310 --> 00:38:24,960  
silver and

974

00:38:30,069 --> 00:38:28,320  
and gold and everything else so these uh

975

00:38:32,470 --> 00:38:30,079  
these creatures of course they were

976  
00:38:33,510 --> 00:38:32,480  
responsible for for keeping that safe

977  
00:38:36,550 --> 00:38:33,520  
now

978  
00:38:37,589 --> 00:38:36,560  
moving forward and into the middle age

979  
00:38:40,310 --> 00:38:37,599  
the

980  
00:38:43,270 --> 00:38:40,320  
outward appearance of that giant serpent

981  
00:38:44,550 --> 00:38:43,280  
which in itself was called pitched

982  
00:38:46,710 --> 00:38:44,560  
um

983  
00:38:49,190 --> 00:38:46,720  
that that changed

984  
00:38:51,510 --> 00:38:49,200  
into into what we would call today and

985  
00:38:52,470 --> 00:38:51,520  
recognize as a dragon

986  
00:38:54,230 --> 00:38:52,480  
um

987  
00:38:55,670 --> 00:38:54,240  
and and of course

988  
00:38:57,109 --> 00:38:55,680

when when we look at the movies and

989

00:38:58,550 --> 00:38:57,119

things like that you know you've got

990

00:39:03,430 --> 00:38:58,560

you've got uh

991

00:39:04,710 --> 00:39:03,440

the underworld and this giant dragon

992

00:39:05,510 --> 00:39:04,720

guarding the treasure and everything

993

00:39:07,030 --> 00:39:05,520

else

994

00:39:09,430 --> 00:39:07,040

and uh

995

00:39:11,750 --> 00:39:09,440

so you you've got all that but to the to

996

00:39:14,069 --> 00:39:11,760

the ancient celts they didn't recognize

997

00:39:15,829 --> 00:39:14,079

they wouldn't recognize what we see as a

998

00:39:18,630 --> 00:39:15,839

dragon but

999

00:39:21,349 --> 00:39:18,640

let's not get lost in that particular um

1000

00:39:24,230 --> 00:39:21,359

appearance because isn't it strange

1001  
00:39:26,310 --> 00:39:24,240  
that in the ranch next door to yours

1002  
00:39:28,870 --> 00:39:26,320  
who do they have guarding the ranch with

1003  
00:39:30,790 --> 00:39:28,880  
a weapon

1004  
00:39:32,790 --> 00:39:30,800  
what's his name

1005  
00:39:35,910 --> 00:39:32,800  
dragon dragon

1006  
00:39:37,990 --> 00:39:35,920  
the symbology to it is huge and when i

1007  
00:39:40,069 --> 00:39:38,000  
started to go back and started hunting

1008  
00:39:41,030 --> 00:39:40,079  
my way down through

1009  
00:39:43,750 --> 00:39:41,040  
um

1010  
00:39:45,270 --> 00:39:43,760  
the history of that particular area to

1011  
00:39:47,829 --> 00:39:45,280  
see the wealth

1012  
00:39:48,710 --> 00:39:47,839  
that is still buried in that place

1013  
00:39:51,750 --> 00:39:48,720

um

1014

00:39:54,390 --> 00:39:51,760

it is absolutely massive

1015

00:39:57,190 --> 00:39:54,400

and uh and especially whenever i went

1016

00:39:59,910 --> 00:39:57,200

back to the the 1850s

1017

00:40:01,430 --> 00:39:59,920

um when when the curse of the skinwalker

1018

00:40:04,309 --> 00:40:01,440

came around

1019

00:40:07,829 --> 00:40:04,319

that of course came at the same time

1020

00:40:09,670 --> 00:40:07,839

when we were starting to drop down huge

1021

00:40:11,750 --> 00:40:09,680

um um

1022

00:40:14,550 --> 00:40:11,760

wells for oil

1023

00:40:15,430 --> 00:40:14,560

and so that tied in with the same the

1024

00:40:18,950 --> 00:40:15,440

the

1025

00:40:20,390 --> 00:40:18,960

appearance whenever we started going

1026

00:40:23,589 --> 00:40:20,400

into the ground

1027

00:40:24,790 --> 00:40:23,599

um and and i saw that as very very

1028

00:40:26,390 --> 00:40:24,800

unusual

1029

00:40:28,390 --> 00:40:26,400

um but

1030

00:40:30,309 --> 00:40:28,400

yeah and things of course started to get

1031

00:40:32,790 --> 00:40:30,319

much worse when when we moved forward

1032

00:40:36,550 --> 00:40:32,800

into 1994-96

1033

00:40:38,870 --> 00:40:36,560

and and we see that that utah of course

1034

00:40:40,790 --> 00:40:38,880

was the 15th largest oil and gas

1035

00:40:41,910 --> 00:40:40,800

producer in the usa

1036

00:40:42,710 --> 00:40:41,920

um

1037

00:40:46,950 --> 00:40:42,720

and

1038

00:40:48,230 --> 00:40:46,960

took over the ranch

1039

00:40:49,589 --> 00:40:48,240

and so

1040

00:40:51,589 --> 00:40:49,599

you know there was all there's there's

1041

00:40:52,550 --> 00:40:51,599

been this connection with with the

1042

00:40:55,510 --> 00:40:52,560

wealth

1043

00:40:57,109 --> 00:40:55,520

of the land and something that protects

1044

00:40:59,910 --> 00:40:57,119

it

1045

00:41:02,230 --> 00:40:59,920

and the more the more we start to push

1046

00:41:04,069 --> 00:41:02,240

the more they start to push

1047

00:41:05,589 --> 00:41:04,079

and and

1048

00:41:07,670 --> 00:41:05,599

you know it seemed to me it was very

1049

00:41:08,710 --> 00:41:07,680

very clear and what was possibly going

1050

00:41:12,950 --> 00:41:08,720

on there

1051  
00:41:14,470 --> 00:41:12,960  
but anyway that's another here there um

1052  
00:41:16,150 --> 00:41:14,480  
because uh

1053  
00:41:18,230 --> 00:41:16,160  
i think it's important though it is

1054  
00:41:19,349 --> 00:41:18,240  
important the symbology is important a

1055  
00:41:21,349 --> 00:41:19,359  
lot of these

1056  
00:41:22,950 --> 00:41:21,359  
these small nuances that a lot of people

1057  
00:41:24,309 --> 00:41:22,960  
overlook it might be a ripple effect

1058  
00:41:26,230 --> 00:41:24,319  
much like you mentioned in your book

1059  
00:41:29,190 --> 00:41:26,240  
with these things but there's always a

1060  
00:41:30,309 --> 00:41:29,200  
telltale sign it seems

1061  
00:41:32,309 --> 00:41:30,319  
there is

1062  
00:41:34,470 --> 00:41:32,319  
there definitely is and you know when

1063  
00:41:36,069 --> 00:41:34,480

when we look at at

1064

00:41:39,990 --> 00:41:36,079

some of the

1065

00:41:42,230 --> 00:41:40,000

responsible or are

1066

00:41:44,230 --> 00:41:42,240

who are involved with with the ratchet

1067

00:41:47,430 --> 00:41:44,240

of the menace you know when when we keep

1068

00:41:49,349 --> 00:41:47,440

in mind the possible connection to gold

1069

00:41:52,390 --> 00:41:49,359

we find that that

1070

00:41:55,670 --> 00:41:52,400

one particular scientist there um is was

1071

00:41:58,309 --> 00:41:55,680

connected with uh with xrf was which was

1072

00:41:59,190 --> 00:41:58,319

an x-ray fluorescence

1073

00:42:06,630 --> 00:41:59,200

um

1074

00:42:08,390 --> 00:42:06,640

it was devised

1075

00:42:09,430 --> 00:42:08,400

to try and detect

1076

00:42:12,230 --> 00:42:09,440

um

1077

00:42:14,790 --> 00:42:12,240

heavy metals in the ground

1078

00:42:17,670 --> 00:42:14,800

like gold and silver

1079

00:42:19,109 --> 00:42:17,680

so when when the when the uh the people

1080

00:42:22,230 --> 00:42:19,119

on the show were told there looks like

1081

00:42:23,349 --> 00:42:22,240

there's something metal underground well

1082

00:42:25,190 --> 00:42:23,359

um

1083

00:42:26,470 --> 00:42:25,200

i'll leave it at that

1084

00:42:28,950 --> 00:42:26,480

yes

1085

00:42:30,870 --> 00:42:28,960

and it's important also to note i think

1086

00:42:32,870 --> 00:42:30,880

it is important to note

1087

00:42:34,550 --> 00:42:32,880

that there is

1088

00:42:36,550 --> 00:42:34,560

a lot of people think that there's no

1089

00:42:38,950 --> 00:42:36,560

harm that can be done here

1090

00:42:40,710 --> 00:42:38,960

but there is a great deal of harm and

1091

00:42:42,390 --> 00:42:40,720

that's why a lot of these properties

1092

00:42:45,910 --> 00:42:42,400

have security

1093

00:42:48,309 --> 00:42:45,920

and as a result a lot of people uh

1094

00:42:50,710 --> 00:42:48,319

are starting to um

1095

00:42:53,109 --> 00:42:50,720

well acknowledge this but however it

1096

00:42:55,030 --> 00:42:53,119

seems like civilization in general as

1097

00:42:57,349 --> 00:42:55,040

you mentioned before the semantics

1098

00:42:59,750 --> 00:42:57,359

involved what used to be called the

1099

00:43:02,470 --> 00:42:59,760

ancient ones is now being called and i'm

1100

00:43:05,190 --> 00:43:02,480

guilty of this uh ancient artificial

1101  
00:43:07,430 --> 00:43:05,200  
intelligence or extraterrestrial ancient

1102  
00:43:10,829 --> 00:43:07,440  
artificial intelligence it's almost as

1103  
00:43:13,990 --> 00:43:10,839  
if you just keep re-phrasing the same

1104  
00:43:16,470 --> 00:43:14,000  
thing and by doing that you allow it a

1105  
00:43:17,990 --> 00:43:16,480  
longer lifespan and it reminds me of the

1106  
00:43:19,990 --> 00:43:18,000  
very the very

1107  
00:43:23,030 --> 00:43:20,000  
popularized quote

1108  
00:43:25,510 --> 00:43:23,040  
the best trick the devil ever pulled was

1109  
00:43:28,309 --> 00:43:25,520  
convincing people he didn't exist

1110  
00:43:29,510 --> 00:43:28,319  
and the semantics involved is exactly

1111  
00:43:31,349 --> 00:43:29,520  
that

1112  
00:43:33,990 --> 00:43:31,359  
as long as you don't call it this it

1113  
00:43:36,710 --> 00:43:34,000

isn't this

1114

00:43:37,990 --> 00:43:36,720

yeah um really to understand this

1115

00:43:41,349 --> 00:43:38,000

particular phenomena you have to

1116

00:43:42,630 --> 00:43:41,359

understand our ourselves our our makeup

1117

00:43:45,430 --> 00:43:42,640

and that's something that i discussed in

1118

00:43:46,950 --> 00:43:45,440

the book this idea that there are three

1119

00:43:50,630 --> 00:43:46,960

parts of us

1120

00:43:52,870 --> 00:43:50,640

um which is initially is the the soul

1121

00:43:54,550 --> 00:43:52,880

the body and the spirit

1122

00:43:55,589 --> 00:43:54,560

now point of death the spirit leaves

1123

00:43:57,270 --> 00:43:55,599

it's gone

1124

00:43:58,870 --> 00:43:57,280

forget trying to make contact with it

1125

00:44:00,790 --> 00:43:58,880

it's gone

1126

00:44:02,470 --> 00:44:00,800

and the majority of things that we are

1127

00:44:04,390 --> 00:44:02,480

making contact with within the

1128

00:44:05,510 --> 00:44:04,400

paranormal field

1129

00:44:07,190 --> 00:44:05,520

is

1130

00:44:08,390 --> 00:44:07,200

the soul

1131

00:44:11,349 --> 00:44:08,400

um

1132

00:44:14,309 --> 00:44:11,359

that is the thing that stays longest

1133

00:44:16,870 --> 00:44:14,319

after after death it can stay for days

1134

00:44:18,630 --> 00:44:16,880

to weeks sometimes in months

1135

00:44:20,550 --> 00:44:18,640

and but they can't stay here

1136

00:44:21,510 --> 00:44:20,560

indefinitely

1137

00:44:24,150 --> 00:44:21,520

and

1138

00:44:26,870 --> 00:44:24,160

were they retract back to as a place

1139

00:44:28,390 --> 00:44:26,880

which which we see within the seance

1140

00:44:31,750 --> 00:44:28,400

fields and everything else

1141

00:44:33,109 --> 00:44:31,760

and it is a place of nothing

1142

00:44:34,309 --> 00:44:33,119

absolute

1143

00:44:36,150 --> 00:44:34,319

nothing

1144

00:44:38,630 --> 00:44:36,160

there's no feeling there's no light

1145

00:44:41,750 --> 00:44:38,640

there's there's nothing

1146

00:44:44,390 --> 00:44:41,760

um and when we open the doorways

1147

00:44:46,710 --> 00:44:44,400

trying to make contact we are opening

1148

00:44:49,109 --> 00:44:46,720

the doorways to them

1149

00:44:51,750 --> 00:44:49,119

and they are coming back

1150

00:44:52,710 --> 00:44:51,760

so we are leaving the doors open they're

1151  
00:44:55,349 --> 00:44:52,720  
literally

1152  
00:44:57,109 --> 00:44:55,359  
chomping at them it's causing a serious

1153  
00:44:58,870 --> 00:44:57,119  
serious problem

1154  
00:45:01,750 --> 00:44:58,880  
just chomping at the bit for any sort of

1155  
00:45:04,069 --> 00:45:01,760  
interaction whatsoever and it's often

1156  
00:45:05,109 --> 00:45:04,079  
been at least in my research it's been

1157  
00:45:05,910 --> 00:45:05,119  
noted

1158  
00:45:09,109 --> 00:45:05,920  
that

1159  
00:45:10,710 --> 00:45:09,119  
people at least the major minds in these

1160  
00:45:11,750 --> 00:45:10,720  
attributable

1161  
00:45:14,630 --> 00:45:11,760  
fields

1162  
00:45:16,550 --> 00:45:14,640  
say be aware because when you try to

1163  
00:45:17,829 --> 00:45:16,560

open these doors it's much like anything

1164

00:45:19,910 --> 00:45:17,839

the first things that are going to come

1165

00:45:21,109 --> 00:45:19,920

through are the scorpions the insects

1166

00:45:22,390 --> 00:45:21,119

the bugs

1167

00:45:23,349 --> 00:45:22,400

the trash

1168

00:45:25,750 --> 00:45:23,359

um

1169

00:45:28,630 --> 00:45:25,760

yeah you're not going to when you roll

1170

00:45:31,510 --> 00:45:28,640

out this red carpet you may not get the

1171

00:45:33,670 --> 00:45:31,520

guest that you had in mind

1172

00:45:36,230 --> 00:45:33,680

that is very very true and and you know

1173

00:45:37,430 --> 00:45:36,240

the idea of opening a doorway to this

1174

00:45:38,230 --> 00:45:37,440

other place

1175

00:45:40,630 --> 00:45:38,240

um

1176  
00:45:43,030 --> 00:45:40,640  
we may not get anything the first night

1177  
00:45:45,109 --> 00:45:43,040  
but we have left the door open

1178  
00:45:46,630 --> 00:45:45,119  
we don't close very rarely do people

1179  
00:45:49,270 --> 00:45:46,640  
close the doors now

1180  
00:45:51,829 --> 00:45:49,280  
and we leave the door open but that

1181  
00:45:52,710 --> 00:45:51,839  
intrusion may not happen for the next

1182  
00:45:54,550 --> 00:45:52,720  
week

1183  
00:45:57,349 --> 00:45:54,560  
or the next month

1184  
00:46:01,109 --> 00:45:57,359  
or the next several years

1185  
00:46:03,510 --> 00:46:01,119  
and that can cause a real real problem

1186  
00:46:05,589 --> 00:46:03,520  
um and and something really to consider

1187  
00:46:08,550 --> 00:46:05,599  
again what we're looking at here is of

1188  
00:46:11,910 --> 00:46:08,560

an esoteric nature

1189

00:46:15,589 --> 00:46:11,920

and uh and that in itself all what we

1190

00:46:18,950 --> 00:46:15,599

what i was able to see through this and

1191

00:46:20,390 --> 00:46:18,960

and really studying this is that all of

1192

00:46:23,990 --> 00:46:20,400

the

1193

00:46:25,829 --> 00:46:24,000

phenomena i should say

1194

00:46:27,750 --> 00:46:25,839

is part of us

1195

00:46:30,630 --> 00:46:27,760

it is you know whenever whenever we hear

1196

00:46:32,710 --> 00:46:30,640

tell of people who have been abducted

1197

00:46:35,589 --> 00:46:32,720

by these things coming through whatever

1198

00:46:37,190 --> 00:46:35,599

whatever appearance they take

1199

00:46:38,870 --> 00:46:37,200

um several

1200

00:46:40,309 --> 00:46:38,880

days or weeks after it if it was a bad

1201  
00:46:43,829 --> 00:46:40,319  
encounter

1202  
00:46:44,710 --> 00:46:43,839  
that uh that they've started developing

1203  
00:46:46,470 --> 00:46:44,720  
um

1204  
00:46:47,589 --> 00:46:46,480  
psychic abilities and they see them as a

1205  
00:46:49,510 --> 00:46:47,599  
gift

1206  
00:46:50,470 --> 00:46:49,520  
and what i propose is that this is not a

1207  
00:46:52,470 --> 00:46:50,480  
gift

1208  
00:46:56,069 --> 00:46:52,480  
this is our

1209  
00:46:58,950 --> 00:46:56,079  
shadow our and i i use a double term

1210  
00:47:02,630 --> 00:46:58,960  
there shadow soul and i see them as the

1211  
00:47:05,270 --> 00:47:02,640  
same it is our shadow stepping forward

1212  
00:47:07,190 --> 00:47:05,280  
to make sure that it does not

1213  
00:47:09,270 --> 00:47:07,200

for most times end up in the same

1214

00:47:11,910 --> 00:47:09,280

situation again

1215

00:47:14,069 --> 00:47:11,920

because it's the shadows responsibility

1216

00:47:16,550 --> 00:47:14,079

to allow the body to live as long as

1217

00:47:17,349 --> 00:47:16,560

possible for this for the spirit

1218

00:47:25,990 --> 00:47:17,359

to

1219

00:47:27,109 --> 00:47:26,000

keep us all working

1220

00:47:28,230 --> 00:47:27,119

well

1221

00:47:30,630 --> 00:47:28,240

and

1222

00:47:31,990 --> 00:47:30,640

that

1223

00:47:33,990 --> 00:47:32,000

its ability

1224

00:47:36,150 --> 00:47:34,000

which includes remote viewing

1225

00:47:39,190 --> 00:47:36,160

and and many other things

1226  
00:47:42,950 --> 00:47:39,200  
is all symptoms or it's all signatures

1227  
00:47:45,430 --> 00:47:42,960  
of the shadow it is all part of us

1228  
00:47:46,790 --> 00:47:45,440  
and a well-balanced a well-balanced

1229  
00:47:51,349 --> 00:47:46,800  
system

1230  
00:47:52,630 --> 00:47:51,359  
of of of souls uh soul spirit and body

1231  
00:47:54,710 --> 00:47:52,640  
is is

1232  
00:47:56,309 --> 00:47:54,720  
is exceptionally powerful

1233  
00:47:58,549 --> 00:47:56,319  
and in fact many of these things that

1234  
00:48:01,430 --> 00:47:58,559  
come through the the

1235  
00:48:03,910 --> 00:48:01,440  
the veal are afraid of someone who is

1236  
00:48:06,309 --> 00:48:03,920  
exceptionally well balanced

1237  
00:48:08,309 --> 00:48:06,319  
and and that's noted all the way back

1238  
00:48:11,109 --> 00:48:08,319

and thousands of years it's known that

1239

00:48:12,790 --> 00:48:11,119

if you have your balance you have that

1240

00:48:14,710 --> 00:48:12,800

but whenever i was right whenever i was

1241

00:48:17,270 --> 00:48:14,720

writing the the influence which which

1242

00:48:19,270 --> 00:48:17,280

looked at this at these aspects of the

1243

00:48:22,069 --> 00:48:19,280

shadow that were coming through and how

1244

00:48:23,670 --> 00:48:22,079

they connected to to us

1245

00:48:26,790 --> 00:48:23,680

and and what they were doing to us

1246

00:48:29,589 --> 00:48:26,800

biologically to allow them to

1247

00:48:33,829 --> 00:48:29,599

to to get a better grip to us

1248

00:48:35,349 --> 00:48:33,839

and that in itself was was a huge

1249

00:48:37,349 --> 00:48:35,359

eye-opener for me because there was a

1250

00:48:38,870 --> 00:48:37,359

warning came at the beginning of that

1251

00:48:43,190 --> 00:48:38,880

book for me

1252

00:48:45,670 --> 00:48:43,200

don't become too bright or they see you

1253

00:48:47,510 --> 00:48:45,680

and that that particular warning i have

1254

00:48:48,470 --> 00:48:47,520

stayed true to

1255

00:48:52,470 --> 00:48:48,480

because

1256

00:48:54,549 --> 00:48:52,480

when and and i was part of of of

1257

00:48:56,549 --> 00:48:54,559

this awareness of of the of an

1258

00:48:59,670 --> 00:48:56,559

experiment that was that was conducted

1259

00:49:01,510 --> 00:48:59,680

in california that went around the world

1260

00:49:03,829 --> 00:49:01,520

repeatedly the questions were being

1261

00:49:06,870 --> 00:49:03,839

asked time and time again

1262

00:49:08,630 --> 00:49:06,880

to these things that were coming through

1263

00:49:11,270 --> 00:49:08,640

how do you see us

1264

00:49:12,870 --> 00:49:11,280  
and time after time after time on

1265

00:49:13,910 --> 00:49:12,880  
continent after continent after

1266

00:49:17,190 --> 00:49:13,920  
continent

1267

00:49:18,950 --> 00:49:17,200  
how do you see us kept coming back as

1268

00:49:21,670 --> 00:49:18,960  
light

1269

00:49:26,150 --> 00:49:21,680  
so the warning pad true to me don't

1270

00:49:33,190 --> 00:49:30,710  
spooky and this leads us nicely into uh

1271

00:49:36,390 --> 00:49:33,200  
something that

1272

00:49:39,990 --> 00:49:36,400  
many have have encountered i i recently

1273

00:49:42,309 --> 00:49:40,000  
read an article about aleister crowley

1274

00:49:44,230 --> 00:49:42,319  
and and on his deathbed

1275

00:49:46,069 --> 00:49:44,240  
um he said something like oh no there's

1276

00:49:48,309 --> 00:49:46,079

something wrong like this isn't going

1277

00:49:51,270 --> 00:49:48,319

the way i expected it to

1278

00:49:53,270 --> 00:49:51,280

uh those entities began entering rooms

1279

00:49:56,870 --> 00:49:53,280

and the same is true of other

1280

00:49:59,829 --> 00:49:56,880

uh of these um dark magicians snake a

1281

00:50:03,109 --> 00:49:59,839

snake oil salesman etc and

1282

00:50:05,109 --> 00:50:03,119

it's interesting that

1283

00:50:07,270 --> 00:50:05,119

from from at least a

1284

00:50:08,390 --> 00:50:07,280

modern standpoint

1285

00:50:10,549 --> 00:50:08,400

that now

1286

00:50:12,870 --> 00:50:10,559

we something that has been denied denied

1287

00:50:15,190 --> 00:50:12,880

denied for years and years and years is

1288

00:50:16,870 --> 00:50:15,200

almost now mainstream

1289

00:50:19,829 --> 00:50:16,880

with the

1290

00:50:20,950 --> 00:50:19,839

recent documentation of the

1291

00:50:24,069 --> 00:50:20,960

tic tac

1292

00:50:27,030 --> 00:50:24,079

we have the acceptance of

1293

00:50:29,190 --> 00:50:27,040

you know atip and asap these government

1294

00:50:32,230 --> 00:50:29,200

programs looking into things that are

1295

00:50:34,870 --> 00:50:32,240

quite out of this world what does this

1296

00:50:37,510 --> 00:50:34,880

is this is this just a heads up that the

1297

00:50:39,589 --> 00:50:37,520

veil is becoming weaker or or how should

1298

00:50:42,309 --> 00:50:39,599

we take this

1299

00:50:43,589 --> 00:50:42,319

um the tic tac i believe is our

1300

00:50:46,150 --> 00:50:43,599

technology

1301

00:50:48,069 --> 00:50:46,160

um and it's run by air force the air

1302

00:50:49,829 --> 00:50:48,079

force won't release the details the navy

1303

00:50:51,910 --> 00:50:49,839

of course with it being a black budget

1304

00:50:54,630 --> 00:50:51,920

the navy is not um

1305

00:50:56,230 --> 00:50:54,640

is not open to that to not to that

1306

00:50:58,150 --> 00:50:56,240

information you're not going to tell a

1307

00:50:59,109 --> 00:50:58,160

pilot of a black budget

1308

00:51:01,190 --> 00:50:59,119

and

1309

00:51:02,710 --> 00:51:01,200

it was interesting that there was an

1310

00:51:05,829 --> 00:51:02,720

article released

1311

00:51:09,190 --> 00:51:05,839

um it was about two years ago

1312

00:51:11,510 --> 00:51:09,200

and it spoke about how the the us navy

1313

00:51:13,829 --> 00:51:11,520

had been retrofitted

1314

00:51:15,190 --> 00:51:13,839

um before they were doused

1315

00:51:18,630 --> 00:51:15,200

to track

1316

00:51:20,150 --> 00:51:18,640

those very high speed targets

1317

00:51:23,430 --> 00:51:20,160

and it was something that the entire

1318

00:51:25,190 --> 00:51:23,440

fleet started acting as one unit

1319

00:51:27,109 --> 00:51:25,200

and they could see over the horizon and

1320

00:51:30,069 --> 00:51:27,119

things they got and track these things

1321

00:51:32,470 --> 00:51:30,079

so the in effect the navy was going out

1322

00:51:33,829 --> 00:51:32,480

already kitted out for this they just

1323

00:51:36,390 --> 00:51:33,839

didn't know what they were going to

1324

00:51:39,030 --> 00:51:36,400

encounter and but as i say the air force

1325

00:51:40,230 --> 00:51:39,040

won't release that particular data

1326

00:51:42,470 --> 00:51:40,240

um

1327

00:51:44,790 --> 00:51:42,480

for obvious reasons

1328

00:51:46,710 --> 00:51:44,800

now the the other things you know when

1329

00:51:48,549 --> 00:51:46,720

when we start looking at at the other

1330

00:51:51,589 --> 00:51:48,559

phenomena about

1331

00:51:54,150 --> 00:51:51,599

about um crowley for crowley for

1332

00:51:56,870 --> 00:51:54,160

instance you just mentioned him there um

1333

00:51:59,190 --> 00:51:56,880

because if there was an interesting um

1334

00:52:03,109 --> 00:51:59,200

aspect that i came across

1335

00:52:04,549 --> 00:52:03,119

um referring to to crowley about uh two

1336

00:52:06,549 --> 00:52:04,559

years ago

1337

00:52:09,190 --> 00:52:06,559

and in romania

1338

00:52:12,549 --> 00:52:09,200

the witches there have this ability

1339

00:52:14,790 --> 00:52:12,559

to affect someone's shadow

1340

00:52:15,990 --> 00:52:14,800

through witchcraft

1341

00:52:19,349 --> 00:52:16,000

and

1342

00:52:23,109 --> 00:52:19,359

so that in itself lends some credence to

1343

00:52:24,790 --> 00:52:23,119

the likes of of uh the voodoo dolls and

1344

00:52:29,510 --> 00:52:24,800

things like that but what was

1345

00:52:31,829 --> 00:52:29,520

interesting is that that well developed

1346

00:52:35,190 --> 00:52:33,829

can

1347

00:52:36,549 --> 00:52:35,200

um

1348

00:52:38,710 --> 00:52:36,559

when they know that they're coming near

1349

00:52:41,990 --> 00:52:38,720

the end of their life

1350

00:52:43,710 --> 00:52:42,000

they can't transfer their soul their

1351  
00:52:45,349 --> 00:52:43,720  
shadow to

1352  
00:52:47,670 --> 00:52:45,359  
another

1353  
00:52:49,030 --> 00:52:47,680  
now that other tends to be

1354  
00:52:51,430 --> 00:52:49,040  
it tends to be

1355  
00:52:52,630 --> 00:52:51,440  
primarily it's it's more likely to be a

1356  
00:52:55,270 --> 00:52:52,640  
boy

1357  
00:52:56,710 --> 00:52:55,280  
that that unfortunately will will

1358  
00:52:59,030 --> 00:52:56,720  
succumb to this

1359  
00:53:01,510 --> 00:52:59,040  
and it would be someone under the age of

1360  
00:53:03,670 --> 00:53:01,520  
10 years of age

1361  
00:53:06,390 --> 00:53:03,680  
and as

1362  
00:53:09,430 --> 00:53:06,400  
as um

1363  
00:53:11,510 --> 00:53:09,440

when this transfer happens it can be

1364

00:53:14,630 --> 00:53:11,520

it could be an easy trigger such as

1365

00:53:18,230 --> 00:53:14,640

someone to hand over a pencil or a pen

1366

00:53:20,630 --> 00:53:18,240

and by that acceptance the deal is done

1367

00:53:21,670 --> 00:53:20,640

and shortly after the the magician's

1368

00:53:22,710 --> 00:53:21,680

death

1369

00:53:25,030 --> 00:53:22,720

then

1370

00:53:27,030 --> 00:53:25,040

what tends to happen is that that young

1371

00:53:29,510 --> 00:53:27,040

person will then

1372

00:53:32,470 --> 00:53:29,520

have the attachment of the of the shadow

1373

00:53:33,349 --> 00:53:32,480

or the soul and that will start

1374

00:53:36,630 --> 00:53:33,359

um

1375

00:53:39,589 --> 00:53:36,640

the the shadows intrusion enter into

1376  
00:53:43,589 --> 00:53:39,599  
that harmonic development that initially

1377  
00:53:46,150 --> 00:53:43,599  
was very peaceful and and this shadow

1378  
00:53:47,430 --> 00:53:46,160  
will start to to really

1379  
00:53:49,910 --> 00:53:47,440  
imbue

1380  
00:53:52,950 --> 00:53:49,920  
its wishes and wants because that's what

1381  
00:53:55,750 --> 00:53:52,960  
shadow is primarily it is it deals with

1382  
00:53:57,510 --> 00:53:55,760  
our wishes our wants our base root

1383  
00:54:00,710 --> 00:53:57,520  
instincts

1384  
00:54:02,230 --> 00:54:00,720  
and it also carries the knowledge of

1385  
00:54:04,309 --> 00:54:02,240  
what we lived

1386  
00:54:07,109 --> 00:54:04,319  
the information that we gathered

1387  
00:54:09,910 --> 00:54:07,119  
um during our lifetime is still held by

1388  
00:54:12,069 --> 00:54:09,920

that shadow when the shadow returns back

1389

00:54:13,030 --> 00:54:12,079

if it returns back to where it comes

1390

00:54:14,870 --> 00:54:13,040

from

1391

00:54:15,589 --> 00:54:14,880

the entire unit

1392

00:54:16,710 --> 00:54:15,599

has

1393

00:54:18,230 --> 00:54:16,720

uh

1394

00:54:21,190 --> 00:54:18,240

an access

1395

00:54:22,390 --> 00:54:21,200

to all the knowledge

1396

00:54:23,910 --> 00:54:22,400

some people will call it the global

1397

00:54:27,349 --> 00:54:23,920

consciousness others will call it the

1398

00:54:29,030 --> 00:54:27,359

akashic records it's all the same thing

1399

00:54:32,150 --> 00:54:29,040

um but

1400

00:54:34,150 --> 00:54:32,160

it was interesting that uh that when

1401  
00:54:36,549 --> 00:54:34,160  
when this

1402  
00:54:39,349 --> 00:54:36,559  
shadow starts to to make its it's it's

1403  
00:54:40,150 --> 00:54:39,359  
it's itself known to the boy it will

1404  
00:54:45,030 --> 00:54:40,160  
start

1405  
00:54:47,190 --> 00:54:45,040  
uh um symptoms very very similar to

1406  
00:54:49,670 --> 00:54:47,200  
schizophrenia and things like that

1407  
00:54:53,589 --> 00:54:49,680  
uh very very sad but

1408  
00:54:55,750 --> 00:54:53,599  
um getting back to aleister crowley um

1409  
00:54:57,990 --> 00:54:55,760  
before he dies

1410  
00:55:00,069 --> 00:54:58,000  
his ten-year-old son

1411  
00:55:01,829 --> 00:55:00,079  
came to visit

1412  
00:55:03,589 --> 00:55:01,839  
shortly after the visit

1413  
00:55:05,829 --> 00:55:03,599

he started developing on aleister

1414

00:55:08,950 --> 00:55:05,839

crowley's death he started developing

1415

00:55:11,349 --> 00:55:08,960

symptoms of schizophrenia

1416

00:55:12,630 --> 00:55:11,359

how very interesting

1417

00:55:14,549 --> 00:55:12,640

and

1418

00:55:16,870 --> 00:55:14,559

it's it's interesting that these kids

1419

00:55:18,710 --> 00:55:16,880

would undergo this and kids kind of seem

1420

00:55:21,190 --> 00:55:18,720

to always get the underhanded part of

1421

00:55:23,109 --> 00:55:21,200

the deal i wanted to bring up

1422

00:55:24,950 --> 00:55:23,119

kids that were possibly beaten

1423

00:55:27,190 --> 00:55:24,960

threatened starved and removed from

1424

00:55:28,789 --> 00:55:27,200

familiar surroundings when people ask if

1425

00:55:30,390 --> 00:55:28,799

the government is aware of this at least

1426

00:55:33,109 --> 00:55:30,400

the united states government there are

1427

00:55:35,829 --> 00:55:33,119

many cases of this and one case that is

1428

00:55:37,670 --> 00:55:35,839

detailed in your book is camp hero can

1429

00:55:40,150 --> 00:55:37,680

we go into that for just a quick tidbit

1430

00:55:42,950 --> 00:55:40,160

before we start wrapping things up

1431

00:55:45,430 --> 00:55:42,960

yeah um what we tend to define is that

1432

00:55:48,390 --> 00:55:45,440

within these negative anomalies we we

1433

00:55:50,950 --> 00:55:48,400

find that that it was up to i think it

1434

00:55:52,789 --> 00:55:50,960

was 70 or 75 percent

1435

00:55:55,510 --> 00:55:52,799

on the initial search

1436

00:55:58,390 --> 00:55:55,520

of military installations

1437

00:56:01,270 --> 00:55:58,400

and and weapons development facilities

1438

00:56:02,870 --> 00:56:01,280

were in negative magnetic anomalies

1439

00:56:05,589 --> 00:56:02,880

these were also the places that we

1440

00:56:07,670 --> 00:56:05,599

tended to find blood worship from our

1441

00:56:11,430 --> 00:56:07,680

ancestors that occurred

1442

00:56:13,190 --> 00:56:11,440

um and these are also the places seventy

1443

00:56:15,510 --> 00:56:13,200

percent i believe

1444

00:56:18,309 --> 00:56:15,520

of the top ten

1445

00:56:20,789 --> 00:56:18,319

um suicide locations around the world

1446

00:56:24,309 --> 00:56:20,799

are negative magnetic anomalies these

1447

00:56:27,270 --> 00:56:24,319

places attract blood worship

1448

00:56:29,349 --> 00:56:27,280

and and this is something that we were

1449

00:56:30,390 --> 00:56:29,359

seeing and and this connection

1450

00:56:32,950 --> 00:56:30,400

that we have

1451

00:56:35,030 --> 00:56:32,960

with a lot of our

1452

00:56:37,030 --> 00:56:35,040

military globally

1453

00:56:40,150 --> 00:56:37,040

we tend to see this as well in fact we

1454

00:56:41,750 --> 00:56:40,160

see establishments that were closed

1455

00:56:44,470 --> 00:56:41,760

excuse me

1456

00:56:46,390 --> 00:56:44,480

in positive magnetic anomalies

1457

00:56:48,470 --> 00:56:46,400

and opened in negative magnetic

1458

00:56:51,589 --> 00:56:48,480

anomalies

1459

00:56:54,230 --> 00:56:51,599

and that was that was that was a

1460

00:56:57,109 --> 00:56:54,240

shocking thing for us to really start to

1461

00:56:59,270 --> 00:56:57,119

to uncover and this idea of of taking

1462

00:57:02,069 --> 00:56:59,280

the kids and uh

1463

00:57:04,630 --> 00:57:02,079

and really putting them to the

1464

00:57:06,710 --> 00:57:04,640

to the point of death to allow these

1465

00:57:07,990 --> 00:57:06,720

things the ability

1466

00:57:11,030 --> 00:57:08,000

to connect

1467

00:57:13,510 --> 00:57:11,040

to they broke down the the

1468

00:57:15,829 --> 00:57:13,520

the child's resistance and allowed these

1469

00:57:20,390 --> 00:57:15,839

things the ability to connect much

1470

00:57:23,109 --> 00:57:20,400

easier um and uh and that of course um

1471

00:57:23,990 --> 00:57:23,119

is is an absolutely god-awful thing to

1472

00:57:26,710 --> 00:57:24,000

do

1473

00:57:29,430 --> 00:57:26,720

um and and very very harrowing for for

1474

00:57:31,030 --> 00:57:29,440

the people involved now

1475

00:57:32,390 --> 00:57:31,040

you know it's something before we go

1476

00:57:34,470 --> 00:57:32,400

that that

1477

00:57:35,510 --> 00:57:34,480

when we look at this idea of our fight

1478

00:57:37,349 --> 00:57:35,520

or flight

1479

00:57:39,109 --> 00:57:37,359

being able to be switched off by the use

1480

00:57:40,230 --> 00:57:39,119

of refined sugar

1481

00:57:43,430 --> 00:57:40,240

and

1482

00:57:44,470 --> 00:57:43,440

we have times in the calendar

1483

00:57:47,430 --> 00:57:44,480

where

1484

00:57:49,750 --> 00:57:47,440

the the doorways between these places

1485

00:57:51,829 --> 00:57:49,760

become exceptionally thin

1486

00:57:53,589 --> 00:57:51,839

and at these particular times such as

1487

00:57:56,230 --> 00:57:53,599

salon um

1488

00:57:58,069 --> 00:57:56,240

in in the irish calendar or halloween as

1489

00:57:59,829 --> 00:57:58,079

you may know it there in the states

1490

00:58:04,150 --> 00:57:59,839

um

1491

00:58:08,630 --> 00:58:07,109

they are they are the ones that

1492

00:58:11,030 --> 00:58:08,640

that can detect these things coming

1493

00:58:13,190 --> 00:58:11,040

through we feed our children copious

1494

00:58:16,789 --> 00:58:13,200

amounts of candy

1495

00:58:18,390 --> 00:58:16,799

refined sugar blinds our children

1496

00:58:24,150 --> 00:58:18,400

coincidence

1497

00:58:25,829 --> 00:58:24,160

man oh man it's so true and in

1498

00:58:27,829 --> 00:58:25,839

conclusion i think that this book is

1499

00:58:29,990 --> 00:58:27,839

something everybody needs to have on the

1500

00:58:32,150 --> 00:58:30,000

shelf especially when you go into

1501  
00:58:35,109 --> 00:58:32,160  
i mean we've gone into a lot but you go

1502  
00:58:37,750 --> 00:58:35,119  
into so much more um the influence of

1503  
00:58:40,230 --> 00:58:37,760  
paranormal abilities and western held

1504  
00:58:41,910 --> 00:58:40,240  
perspectives the list goes on and on can

1505  
00:58:43,510 --> 00:58:41,920  
you tell people where they can purchase

1506  
00:58:46,950 --> 00:58:43,520  
the book how they can support you and

1507  
00:58:49,670 --> 00:58:46,960  
keep up with your work uh moving forward

1508  
00:58:51,910 --> 00:58:49,680  
sure um they can they can they can

1509  
00:58:53,750 --> 00:58:51,920  
purchase the book from flying disc press

1510  
00:58:56,470 --> 00:58:53,760  
on amazon

1511  
00:58:59,910 --> 00:58:56,480  
and they can also pop over to

1512  
00:59:01,430 --> 00:58:59,920  
my facebook um and uh and catch up with

1513  
00:59:04,870 --> 00:59:01,440

me there directly

1514

00:59:07,270 --> 00:59:04,880

um or they can nip over to my my website

1515

00:59:09,030 --> 00:59:07,280

at charmstealer.com if they wish to

1516

00:59:11,430 --> 00:59:09,040

avail themselves of a copy of the

1517

00:59:13,349 --> 00:59:11,440

influence and see how the shadow can

1518

00:59:15,670 --> 00:59:13,359

manipulate us

1519

00:59:18,549 --> 00:59:15,680

so cool such a good book and it's so

1520

00:59:20,470 --> 00:59:18,559

good to talk to you again um i i don't

1521

00:59:22,950 --> 00:59:20,480

know what the future will hold things

1522

00:59:24,390 --> 00:59:22,960

are so crazy up in the air but hopefully

1523

00:59:26,950 --> 00:59:24,400

time will tell hopefully we have an

1524

00:59:28,630 --> 00:59:26,960

investigation somewhere somehow but uh

1525

00:59:30,710 --> 00:59:28,640

indeed ryan i look forward to it i

1526

00:59:32,230 --> 00:59:30,720

really do i really appreciate you coming

1527

00:59:34,150 --> 00:59:32,240

on and discussing this with our

1528

00:59:35,349 --> 00:59:34,160

listeners thank you barry and i hope to

1529

00:59:36,789 --> 00:59:35,359

talk to you soon

1530

00:59:38,630 --> 00:59:36,799

keep safe

1531

00:59:40,309 --> 00:59:38,640

man oh man breaking it down the way

1532

00:59:42,950 --> 00:59:40,319

nobody else can

1533

00:59:45,829 --> 00:59:42,960

barry fitzgerald coming to us uh from

1534

00:59:47,349 --> 00:59:45,839

across the pond with a lot of in-depth

1535

00:59:50,630 --> 00:59:47,359

knowledge

1536

00:59:52,710 --> 00:59:50,640

about these messengers and um you know

1537

00:59:54,230 --> 00:59:52,720

you often hear don't kill the messenger

1538

00:59:56,630 --> 00:59:54,240

well we don't know

1539

00:59:59,589 --> 00:59:56,640

where these messages are coming from are

1540

01:00:02,230 --> 00:59:59,599

these messengers of deception as

1541

01:00:04,390 --> 01:00:02,240

dr jacques vallee has noted i think

1542

01:00:06,069 --> 01:00:04,400

barry fitzgerald has really tied a lot

1543

01:00:08,309 --> 01:00:06,079

of dots together in this book it's a

1544

01:00:10,549 --> 01:00:08,319

book everybody should really uh

1545

01:00:12,309 --> 01:00:10,559

just check out it's available both on

1546

01:00:15,910 --> 01:00:12,319

kindle and

1547

01:00:18,150 --> 01:00:15,920

regular book form and you can find it uh

1548

01:00:19,990 --> 01:00:18,160

on amazon or at flyingdiskpress

1549

01:00:22,710 --> 01:00:20,000

definitely check it out and until next

1550

01:00:25,030 --> 01:00:22,720

time keep your eyes to the skies feed on

1551

01:00:26,829 --> 01:00:25,040

the ground but don't forget to take a

1552

01:00:34,350 --> 01:00:26,839

look

1553

01:00:54,710 --> 01:00:49,760

[Music]

1554

01:00:59,920 --> 01:00:56,950

machine third eye feeling like an
