

RYAN BLEDSOE

HERO

1
00:00:02,240 --> 00:00:16,420
hey

2
00:00:16,430 --> 00:00:28,470
[Music]

3
00:00:28,480 --> 00:00:33,630
machine

4
00:00:39,910 --> 00:00:38,069
[Music]

5
00:00:42,790 --> 00:00:39,920
blast off

6
00:00:44,709 --> 00:00:42,800
on another epic episode of hero

7
00:00:47,430 --> 00:00:44,719
paranormal podcast

8
00:00:50,950 --> 00:00:47,440
broadcasting from the base at la madre

9
00:00:54,470 --> 00:00:50,960
mountain just south of area 51 my name

10
00:00:57,189 --> 00:00:54,480
is ryan the original spiritual hitman of

11
00:00:59,270 --> 00:00:57,199
the airwaves bringing you an epic

12
00:01:01,029 --> 00:00:59,280
episode tonight

13
00:01:03,349 --> 00:01:01,039

although many

14

00:01:05,990 --> 00:01:03,359

stick to the narrative that little green

15

00:01:08,630 --> 00:01:06,000

men enter our airspace

16

00:01:10,469 --> 00:01:08,640

to cause trouble and havoc in the flying

17

00:01:12,710 --> 00:01:10,479

saucers they occupy

18

00:01:16,390 --> 00:01:12,720

there is another truth

19

00:01:18,230 --> 00:01:16,400

a truth so raw rugged and real

20

00:01:20,310 --> 00:01:18,240

that there is a good possibility the

21

00:01:22,310 --> 00:01:20,320

majority of the population wouldn't be

22

00:01:24,630 --> 00:01:22,320

able to handle it

23

00:01:26,550 --> 00:01:24,640

we are going to get into that

24

00:01:28,710 --> 00:01:26,560

not just that truth

25

00:01:31,749 --> 00:01:28,720

but we're going to find out what

26

00:01:36,149 --> 00:01:31,759

interdimensional entities might want

27

00:01:39,109 --> 00:01:36,159

with watching us and a whole lot more

28

00:01:40,390 --> 00:01:39,119

on today's podcast we have experiencer

29

00:01:43,109 --> 00:01:40,400

podcaster

30

00:01:44,950 --> 00:01:43,119

and amazing human being

31

00:01:48,469 --> 00:01:44,960

ryan bledsoe

32

00:01:50,230 --> 00:01:48,479

ryan hosts the popular podcast bledsoe

33

00:01:51,830 --> 00:01:50,240

said so

34

00:01:53,510 --> 00:01:51,840

he is a member

35

00:01:55,590 --> 00:01:53,520

of a family that is well known for

36

00:01:58,389 --> 00:01:55,600

having connections in the invisible

37

00:01:59,109 --> 00:01:58,399

college of ufology as jack vallee calls

38

00:02:01,830 --> 00:01:59,119

it

39

00:02:05,030 --> 00:02:01,840
in fact his family introduced diane

40

00:02:07,749 --> 00:02:05,040
pasulka to the now famous tyler d

41

00:02:10,710 --> 00:02:07,759
character from american cosmic

42

00:02:15,190 --> 00:02:10,720
the bledsoe family has had contact from

43

00:02:17,670 --> 00:02:15,200
the vatican nasa cia dod tsa

44

00:02:19,510 --> 00:02:17,680
and more to name a few

45

00:02:21,990 --> 00:02:19,520
is there a reason

46

00:02:24,470 --> 00:02:22,000
things are presented to us in a way that

47

00:02:26,869 --> 00:02:24,480
is not exactly the truth

48

00:02:29,510 --> 00:02:26,879
ryan has a lot of info

49

00:02:31,910 --> 00:02:29,520
on a lot of topics and i think this is

50

00:02:33,509 --> 00:02:31,920
going to be a heck of a great

51
00:02:35,830 --> 00:02:33,519
conversation

52
00:02:38,070 --> 00:02:35,840
ryan bledsoe welcome to the hero

53
00:02:40,309 --> 00:02:38,080
paranormal podcast

54
00:02:43,030 --> 00:02:40,319
hey ryan wow that was an awesome

55
00:02:46,390 --> 00:02:43,040
introduction there i didn't expect that

56
00:02:47,830 --> 00:02:46,400
i am so stoked to to be talking to you

57
00:02:51,030 --> 00:02:47,840
there is

58
00:02:53,030 --> 00:02:51,040
so many directions we can go and it's

59
00:02:55,670 --> 00:02:53,040
it's hard but

60
00:02:58,390 --> 00:02:55,680
let's assume that our listeners have

61
00:03:00,949 --> 00:02:58,400
no idea of your backstory how would you

62
00:03:05,270 --> 00:03:00,959
best describe your

63
00:03:07,990 --> 00:03:05,280

affiliation with this phenomena

64

00:03:09,509 --> 00:03:08,000

yeah that's that's a very um

65

00:03:11,750 --> 00:03:09,519

complicated

66

00:03:13,270 --> 00:03:11,760

um answer that i'll try to do the best

67

00:03:15,589 --> 00:03:13,280

that i can in the short amount of time

68

00:03:16,830 --> 00:03:15,599

that we have but basically

69

00:03:20,550 --> 00:03:16,840

in

70

00:03:22,229 --> 00:03:20,560

2007 um my father christopher bledsoe

71

00:03:25,430 --> 00:03:22,239

was fishing on the capital river in

72

00:03:28,390 --> 00:03:25,440

north carolina and he had some

73

00:03:30,710 --> 00:03:28,400

encounters with these big orange balls

74

00:03:32,949 --> 00:03:30,720

of light and also white balls of light i

75

00:03:34,309 --> 00:03:32,959

don't want to say like ships or saucers

76

00:03:36,630 --> 00:03:34,319

because it didn't look like that they

77

00:03:39,509 --> 00:03:36,640

were they were literally light

78

00:03:40,789 --> 00:03:39,519

and um you know he he came face to face

79

00:03:43,430 --> 00:03:40,799

with some entities by the end of the

80

00:03:46,550 --> 00:03:43,440

night he's pretty wild experience

81

00:03:48,390 --> 00:03:46,560

there is a documentary out that has it's

82

00:03:50,390 --> 00:03:48,400

been out about 14 years now put out by

83

00:03:52,070 --> 00:03:50,400

the discovery channel and i will say a

84

00:03:56,070 --> 00:03:52,080

word of caution to anybody that watches

85

00:03:57,910 --> 00:03:56,080

it um they didn't exactly portray us

86

00:03:59,670 --> 00:03:57,920

honestly it was a little bit of a smear

87

00:04:01,509 --> 00:03:59,680

job but you know the good news is the

88

00:04:04,550 --> 00:04:01,519

core elements of the story are in the

89

00:04:06,149 --> 00:04:04,560

documentary it's called ufos over earth

90

00:04:07,589 --> 00:04:06,159

but for the sake of you know us here

91

00:04:09,190 --> 00:04:07,599

having a conversation now i'll just kind

92

00:04:11,670 --> 00:04:09,200

of run over it a little bit

93

00:04:13,270 --> 00:04:11,680

he met these entities

94

00:04:16,229 --> 00:04:13,280

and they told him that they were the

95

00:04:18,390 --> 00:04:16,239

gardens of creation the guardians excuse

96

00:04:19,830 --> 00:04:18,400

me and that they tend to creation like a

97

00:04:21,030 --> 00:04:19,840

garden

98

00:04:22,950 --> 00:04:21,040

and um

99

00:04:25,590 --> 00:04:22,960

that went on for several years you know

100

00:04:27,430 --> 00:04:25,600

continuing to see the lights in the sky

101
00:04:29,510 --> 00:04:27,440
and having like poltergeist type

102
00:04:32,950 --> 00:04:29,520
activity in the home

103
00:04:36,870 --> 00:04:32,960
um for at least five years until 2012

104
00:04:37,990 --> 00:04:36,880
when he saw another entity face to face

105
00:04:40,629 --> 00:04:38,000
um

106
00:04:42,390 --> 00:04:40,639
i believe it was either

107
00:04:45,110 --> 00:04:42,400
monday after easter or easter

108
00:04:47,110 --> 00:04:45,120
night i can't quite recall but

109
00:04:48,310 --> 00:04:47,120
it was a

110
00:04:51,030 --> 00:04:48,320
glowing

111
00:04:54,150 --> 00:04:51,040
woman with blonde hair and blue eyes and

112
00:04:55,350 --> 00:04:54,160
a long white dress that sparkled like

113
00:04:56,710 --> 00:04:55,360

the stars

114

00:04:58,870 --> 00:04:56,720

and she called herself hathor and

115

00:05:01,029 --> 00:04:58,880

basically said that you know this this

116

00:05:02,070 --> 00:05:01,039

story has to come out it has to be told

117

00:05:03,670 --> 00:05:02,080

because

118

00:05:04,950 --> 00:05:03,680

it could um

119

00:05:06,550 --> 00:05:04,960

potentially

120

00:05:09,430 --> 00:05:06,560

help humanity

121

00:05:11,430 --> 00:05:09,440

shift into the age of aquarius and the

122

00:05:12,870 --> 00:05:11,440

basic footnotes of that conversation

123

00:05:14,710 --> 00:05:12,880

with that entity was that there are

124

00:05:16,870 --> 00:05:14,720

people in power who are

125

00:05:19,590 --> 00:05:16,880

uh basically manipulating the population

126
00:05:22,710 --> 00:05:19,600
through fake alien stuff and you know

127
00:05:24,790 --> 00:05:22,720
biblical um apocalyptic drama being

128
00:05:26,390 --> 00:05:24,800
played out on a global scale

129
00:05:27,510 --> 00:05:26,400
to cause everybody to be in fear and

130
00:05:28,469 --> 00:05:27,520
terror

131
00:05:32,150 --> 00:05:28,479
yeah

132
00:05:35,590 --> 00:05:32,160
it it seems to me that the media

133
00:05:38,790 --> 00:05:35,600
the media have has risen to a position

134
00:05:41,189 --> 00:05:38,800
almost i mean people are just

135
00:05:44,710 --> 00:05:41,199
magnetically attracted to it rely on it

136
00:05:46,550 --> 00:05:44,720
for background noise you name it and

137
00:05:48,790 --> 00:05:46,560
they're not necessarily giving us the

138
00:05:50,550 --> 00:05:48,800

correct information

139

00:05:53,189 --> 00:05:50,560

right right

140

00:05:56,870 --> 00:05:53,199

that's exactly right

141

00:05:59,189 --> 00:05:56,880

um yeah i'm glad that you brought up uh

142

00:06:00,950 --> 00:05:59,199

that there is as i'm sitting here

143

00:06:04,150 --> 00:06:00,960

looking at my

144

00:06:06,150 --> 00:06:04,160

letter uh nasa letter from uh william

145

00:06:07,990 --> 00:06:06,160

schneider who i'm sure you've probably

146

00:06:09,909 --> 00:06:08,000

heard of who used to work i've heard of

147

00:06:11,189 --> 00:06:09,919

him yeah he used to work for bigelow

148

00:06:12,309 --> 00:06:11,199

aerospace

149

00:06:15,990 --> 00:06:12,319

and

150

00:06:17,670 --> 00:06:16,000

it's uh it's it's a letter talking about

151

00:06:19,510 --> 00:06:17,680

werner von braun

152

00:06:22,390 --> 00:06:19,520

and von braun

153

00:06:23,990 --> 00:06:22,400

who who is kind of the father of modern

154

00:06:27,029 --> 00:06:24,000

aerospace

155

00:06:29,270 --> 00:06:27,039

he on his deathbed sort of

156

00:06:30,309 --> 00:06:29,280

this is allegedly i'm sure you've heard

157

00:06:33,189 --> 00:06:30,319

this

158

00:06:35,909 --> 00:06:33,199

um alluded to the fact that if ever

159

00:06:38,550 --> 00:06:35,919

there was a

160

00:06:41,590 --> 00:06:38,560

alien invasion quote unquote that it was

161

00:06:43,270 --> 00:06:41,600

us not them and um that just kind of is

162

00:06:44,950 --> 00:06:43,280

reminiscent of what we're discussing

163

00:06:48,790 --> 00:06:44,960

right now and just kind of

164

00:06:50,710 --> 00:06:48,800

oddly um entered my mind but i tend to

165

00:06:52,790 --> 00:06:50,720

believe that to be honest with you i

166

00:06:55,189 --> 00:06:52,800

tend to believe that it's um

167

00:06:57,830 --> 00:06:55,199

actually impossible for any sort of

168

00:06:58,950 --> 00:06:57,840

foreign species to invade from outer

169

00:07:00,309 --> 00:06:58,960

space and

170

00:07:02,790 --> 00:07:00,319

wreak

171

00:07:04,629 --> 00:07:02,800

catastrophes on unwitting populations i

172

00:07:06,790 --> 00:07:04,639

just don't think that's allowed i don't

173

00:07:08,390 --> 00:07:06,800

think that's possible i think you know

174

00:07:10,550 --> 00:07:08,400

if there was a being that was to have

175

00:07:13,189 --> 00:07:10,560

evolved enough to reach a cosmic level

176
00:07:14,870 --> 00:07:13,199
it would already you know spiritually be

177
00:07:17,270 --> 00:07:14,880
advanced enough to understand it that's

178
00:07:19,749 --> 00:07:17,280
that's not in accordance with cosmic

179
00:07:21,430 --> 00:07:19,759
harmony if that makes any sense i think

180
00:07:23,189 --> 00:07:21,440
that's important there's there's

181
00:07:27,270 --> 00:07:23,199
extremely

182
00:07:29,990 --> 00:07:27,280
you know there's been it's been said

183
00:07:32,070 --> 00:07:30,000
that these beings come in

184
00:07:35,189 --> 00:07:32,080
different you know sometimes sets of

185
00:07:36,550 --> 00:07:35,199
three six nine other other variations

186
00:07:38,390 --> 00:07:36,560
but they look like little children

187
00:07:40,710 --> 00:07:38,400
little angels many different

188
00:07:42,950 --> 00:07:40,720

descriptions could you go into any of

189

00:07:44,710 --> 00:07:42,960

the descriptions your family's had or

190

00:07:47,270 --> 00:07:44,720

you've had

191

00:07:49,589 --> 00:07:47,280

sure absolutely so the main

192

00:07:52,710 --> 00:07:49,599

um you know the the night of

193

00:07:54,550 --> 00:07:52,720

january 2007 the original encounter the

194

00:07:57,029 --> 00:07:54,560

entities that were seen were about three

195

00:07:59,029 --> 00:07:57,039

to four feet tall

196

00:08:00,869 --> 00:07:59,039

they have red eyes and again i am just

197

00:08:02,309 --> 00:08:00,879

describing based on my father and also

198

00:08:04,869 --> 00:08:02,319

my brother who was there i personally

199

00:08:06,790 --> 00:08:04,879

was not there that night i have seen

200

00:08:08,710 --> 00:08:06,800

these things many years later but just

201
00:08:09,589 --> 00:08:08,720
you know from their description they

202
00:08:11,589 --> 00:08:09,599
were

203
00:08:12,469 --> 00:08:11,599
three to four foot tall they had red

204
00:08:14,550 --> 00:08:12,479
eyes

205
00:08:16,629 --> 00:08:14,560
that um blinked

206
00:08:18,309 --> 00:08:16,639
kind of like camera shutters it was it's

207
00:08:20,550 --> 00:08:18,319
a little weird but they would kind of

208
00:08:22,390 --> 00:08:20,560
slowly open and shut like apertures but

209
00:08:23,909 --> 00:08:22,400
they didn't blink at the same time it

210
00:08:25,350 --> 00:08:23,919
was like the eyes would take turns

211
00:08:26,710 --> 00:08:25,360
blinking

212
00:08:29,270 --> 00:08:26,720
and um

213
00:08:31,830 --> 00:08:29,280

they glowed they were translucent like

214

00:08:34,310 --> 00:08:31,840

see-through they could go invisible

215

00:08:35,829 --> 00:08:34,320

and at one point when my brother was in

216

00:08:36,790 --> 00:08:35,839

the woods

217

00:08:38,550 --> 00:08:36,800

um

218

00:08:39,909 --> 00:08:38,560

trying to just

219

00:08:41,589 --> 00:08:39,919

you know they were fishing out the woods

220

00:08:42,949 --> 00:08:41,599

out deep in the country so my brother

221

00:08:44,550 --> 00:08:42,959

you know he grew up as a hunter he

222

00:08:46,070 --> 00:08:44,560

wanted to try and get some deer corn and

223

00:08:47,350 --> 00:08:46,080

hand feed some deer

224

00:08:49,750 --> 00:08:47,360

and he wasn't thinking he was gonna be

225

00:08:51,269 --> 00:08:49,760

face to face with an entity so he's he's

226

00:08:53,030 --> 00:08:51,279

deep in the thick

227

00:08:54,470 --> 00:08:53,040

of the brush and the bushes and all that

228

00:08:57,430 --> 00:08:54,480

and he sees these little guys and when

229

00:08:58,870 --> 00:08:57,440

they start looking at him he can't move

230

00:09:00,710 --> 00:08:58,880

and for about two hours he's sitting

231

00:09:03,190 --> 00:09:00,720

there paralyzed

232

00:09:05,430 --> 00:09:03,200

um you just absolutely can't move

233

00:09:08,470 --> 00:09:05,440

and then later some entities that were

234

00:09:10,630 --> 00:09:08,480

more like seven to eight foot tall

235

00:09:14,310 --> 00:09:10,640

were seen by my father

236

00:09:16,230 --> 00:09:14,320

who again later um

237

00:09:17,670 --> 00:09:16,240

basically did what i would call like d

238

00:09:19,670 --> 00:09:17,680

robe it was almost like they changed

239

00:09:21,750 --> 00:09:19,680

their form and they were made of light

240

00:09:23,990 --> 00:09:21,760

they glowed like pure light

241

00:09:27,030 --> 00:09:24,000

and then of course in 2012 he saw the

242

00:09:29,030 --> 00:09:27,040

female entity who looked like a

243

00:09:31,430 --> 00:09:29,040

white female human but she glowed as

244

00:09:33,269 --> 00:09:31,440

well and she was ethereal

245

00:09:34,630 --> 00:09:33,279

and i personally have seen some things

246

00:09:36,389 --> 00:09:34,640

in the home like

247

00:09:38,230 --> 00:09:36,399

shadow type people you know moving

248

00:09:41,509 --> 00:09:38,240

across the walls and things like that

249

00:09:43,110 --> 00:09:41,519

under great periods of trauma and stress

250

00:09:44,949 --> 00:09:43,120

i've seen

251
00:09:47,190 --> 00:09:44,959
the opposite phenomenon which would be

252
00:09:48,550 --> 00:09:47,200
like shadowy type figures running around

253
00:09:50,070 --> 00:09:48,560
but instead of dark black shadows

254
00:09:51,750 --> 00:09:50,080
they're actually white and they look

255
00:09:53,590 --> 00:09:51,760
like lights

256
00:09:55,269 --> 00:09:53,600
just just imagine like if the shadow on

257
00:09:57,910 --> 00:09:55,279
the wall was actually white and it

258
00:09:58,949 --> 00:09:57,920
wasn't dark at all and it was like a

259
00:10:00,389 --> 00:09:58,959
source of light running around

260
00:10:02,790 --> 00:10:00,399
independently with a little figure

261
00:10:04,949 --> 00:10:02,800
inside of it

262
00:10:06,230 --> 00:10:04,959
we've seen at this point thousands of

263
00:10:09,670 --> 00:10:06,240

orbs

264

00:10:11,110 --> 00:10:09,680

don't just appear in photos you see them

265

00:10:12,150 --> 00:10:11,120

in person too when you come to our

266

00:10:14,150 --> 00:10:12,160

property

267

00:10:17,190 --> 00:10:14,160

and they move around and sometimes they

268

00:10:18,630 --> 00:10:17,200

have long streaking tales of light

269

00:10:20,550 --> 00:10:18,640

they get up close sometimes they're

270

00:10:22,870 --> 00:10:20,560

really far in the sky

271

00:10:26,069 --> 00:10:22,880

and that's essentially all that i have

272

00:10:28,389 --> 00:10:26,079

experienced and it's it's pretty well

273

00:10:30,069 --> 00:10:28,399

known that these uh

274

00:10:33,190 --> 00:10:30,079

these interdimensional entities are

275

00:10:34,389 --> 00:10:33,200

getting a lot of attention lately both

276

00:10:37,269 --> 00:10:34,399

from

277

00:10:38,470 --> 00:10:37,279

media but also the government

278

00:10:42,230 --> 00:10:38,480

and

279

00:10:44,949 --> 00:10:42,240

there seems to be a divide where

280

00:10:47,269 --> 00:10:44,959

of course there is the there is one camp

281

00:10:50,230 --> 00:10:47,279

that is weaponized and looking to

282

00:10:52,550 --> 00:10:50,240

interact in a more war-like scenario

283

00:10:55,829 --> 00:10:52,560

with these entities and there's another

284

00:10:58,949 --> 00:10:55,839

camp which is more open-minded to the uh

285

00:11:01,269 --> 00:10:58,959

understanding that uh coexistence is you

286

00:11:02,550 --> 00:11:01,279

know critical

287

00:11:05,430 --> 00:11:02,560

so right

288

00:11:08,470 --> 00:11:05,440

how do we rise above what the media is

289

00:11:11,350 --> 00:11:08,480

saying and find um from your perspective

290

00:11:13,190 --> 00:11:11,360

the truth that's a very good question

291

00:11:14,550 --> 00:11:13,200

and honestly

292

00:11:16,150 --> 00:11:14,560

i'm just going to start by saying that

293

00:11:18,069 --> 00:11:16,160

people can only find the truth when they

294

00:11:19,750 --> 00:11:18,079

realize it's already inside them from

295

00:11:22,389 --> 00:11:19,760

the moment they were born

296

00:11:23,990 --> 00:11:22,399

you know i do think that there is a

297

00:11:28,870 --> 00:11:24,000

great

298

00:11:30,550 --> 00:11:28,880

there really is eternal consciousness

299

00:11:31,910 --> 00:11:30,560

that you know ancient religions have

300

00:11:34,230 --> 00:11:31,920

called god or whatever you want to call

301
00:11:35,670 --> 00:11:34,240
it it doesn't matter you know and when

302
00:11:37,110 --> 00:11:35,680
you're born that's already inside of you

303
00:11:39,350 --> 00:11:37,120
and when people pay attention to that i

304
00:11:41,509 --> 00:11:39,360
think they can intuitively figure out

305
00:11:43,110 --> 00:11:41,519
you know this media is lying to me

306
00:11:45,430 --> 00:11:43,120
they're they're trying to get me to be

307
00:11:48,630 --> 00:11:45,440
scared of this and that and the other

308
00:11:50,550 --> 00:11:48,640
and i think intuition guides people to

309
00:11:52,230 --> 00:11:50,560
resonate with what is inherently and

310
00:11:53,990 --> 00:11:52,240
intrinsically true

311
00:11:56,150 --> 00:11:54,000
now the next thing i would say is

312
00:11:57,750 --> 00:11:56,160
everybody should probably know by now in

313
00:11:58,550 --> 00:11:57,760

2022

314

00:12:00,150 --> 00:11:58,560

that

315

00:12:01,990 --> 00:12:00,160

the media is

316

00:12:04,150 --> 00:12:02,000

quite literally owned and operated by

317

00:12:06,310 --> 00:12:04,160

about four to five

318

00:12:08,470 --> 00:12:06,320

corporate dynasties as well as the

319

00:12:10,230 --> 00:12:08,480

american intelligence agencies

320

00:12:12,069 --> 00:12:10,240

so you know i don't i don't want to be

321

00:12:13,829 --> 00:12:12,079

like rude towards anybody but at this

322

00:12:15,110 --> 00:12:13,839

point if people are listening to the

323

00:12:17,190 --> 00:12:15,120

news and they're listening to the

324

00:12:19,509 --> 00:12:17,200

mainstream media for a source of

325

00:12:20,949 --> 00:12:19,519

information about their daily life and

326

00:12:22,710 --> 00:12:20,959

what's going on in the world i hate to

327

00:12:23,910 --> 00:12:22,720

say but you should

328

00:12:25,430 --> 00:12:23,920

you shouldn't be doing that you

329

00:12:26,790 --> 00:12:25,440

shouldn't be believing that you you

330

00:12:28,150 --> 00:12:26,800

should take everything that comes out of

331

00:12:29,590 --> 00:12:28,160

the mainstream media with a grain of

332

00:12:32,389 --> 00:12:29,600

salt

333

00:12:33,829 --> 00:12:32,399

and um anyway so some of the people that

334

00:12:36,069 --> 00:12:33,839

i met in nasa

335

00:12:37,750 --> 00:12:36,079

have even told me that face-to-face

336

00:12:38,870 --> 00:12:37,760

like for example one of the cover-ups i

337

00:12:40,470 --> 00:12:38,880

know for a fact they did was the

338

00:12:41,829 --> 00:12:40,480

challenger explosion it didn't happen

339

00:12:43,910 --> 00:12:41,839

exactly how they

340

00:12:45,430 --> 00:12:43,920

portrayed it in the media

341

00:12:47,110 --> 00:12:45,440

and um

342

00:12:48,230 --> 00:12:47,120

yeah so i would say people need to

343

00:12:51,430 --> 00:12:48,240

really just

344

00:12:53,750 --> 00:12:51,440

look inward and think like

345

00:12:55,350 --> 00:12:53,760

is this positive or when i hear this bit

346

00:12:57,670 --> 00:12:55,360

of news or information does it make me

347

00:12:59,829 --> 00:12:57,680

feel terror and fear it makes you feel

348

00:13:01,829 --> 00:12:59,839

terror in fear it's not good for you you

349

00:13:03,430 --> 00:13:01,839

shouldn't consume it you shouldn't

350

00:13:04,949 --> 00:13:03,440

you shouldn't pay attention to it you

351

00:13:07,590 --> 00:13:04,959

should cut it out of your life that's

352

00:13:11,509 --> 00:13:07,600

that's great advice and ryan without

353

00:13:13,829 --> 00:13:11,519

asking you about the challenger

354

00:13:15,670 --> 00:13:13,839

situation there are many conspiracies

355

00:13:16,870 --> 00:13:15,680

online about the challenger so a lot of

356

00:13:18,150 --> 00:13:16,880

people can go out and look at that

357

00:13:20,710 --> 00:13:18,160

themselves

358

00:13:24,150 --> 00:13:20,720

and some of the theories behind what may

359

00:13:26,790 --> 00:13:24,160

or may not have taken place but um i

360

00:13:27,829 --> 00:13:26,800

wanted to get into something that uh

361

00:13:30,230 --> 00:13:27,839

i feel

362

00:13:31,990 --> 00:13:30,240

that a lot of people

363

00:13:33,430 --> 00:13:32,000

once you start a podcast i know that you

364

00:13:36,150 --> 00:13:33,440

probably understand that it's kind of a

365

00:13:37,750 --> 00:13:36,160

scary road starting and once you start

366

00:13:39,110 --> 00:13:37,760

you know it is right like you're like oh

367

00:13:40,870 --> 00:13:39,120

my gosh i'm gonna be

368

00:13:42,310 --> 00:13:40,880

and then then you're doing it and then

369

00:13:45,269 --> 00:13:42,320

there's like this feeling of like i've

370

00:13:48,150 --> 00:13:45,279

gotta gotta keep going no matter what

371

00:13:50,550 --> 00:13:48,160

but you know the interesting thing is

372

00:13:53,110 --> 00:13:50,560

that i feel that it's a bit of a snare

373

00:13:55,509 --> 00:13:53,120

trap for a lot of individuals as are a

374

00:13:58,550 --> 00:13:55,519

lot of groups like mufon nothing against

375

00:14:01,430 --> 00:13:58,560

mufon but a lot of things and i'm guilty

376

00:14:03,509 --> 00:14:01,440

of it i'm a podcaster but there is a

377

00:14:07,110 --> 00:14:03,519

group of individuals that have not been

378

00:14:09,189 --> 00:14:07,120

snared by this um need to discuss these

379

00:14:10,389 --> 00:14:09,199

things in a public forum

380

00:14:12,310 --> 00:14:10,399

and

381

00:14:15,189 --> 00:14:12,320

they are what has been called the

382

00:14:16,949 --> 00:14:15,199

invisible college and thank goodness

383

00:14:18,550 --> 00:14:16,959

thank goodness they don't discuss this

384

00:14:21,750 --> 00:14:18,560

in a public forum because they have

385

00:14:24,310 --> 00:14:21,760

become the backbone really

386

00:14:26,470 --> 00:14:24,320

can we go into that a little bit

387

00:14:28,310 --> 00:14:26,480

sure just exactly what would you like to

388

00:14:29,990 --> 00:14:28,320

know like some of my experiences meeting

389

00:14:31,670 --> 00:14:30,000

some of these people or if you want to

390

00:14:33,990 --> 00:14:31,680

kind of guide me in a direction yeah

391

00:14:36,949 --> 00:14:34,000

yeah that's exactly you you rose to the

392

00:14:40,069 --> 00:14:36,959

occasion just experiences um just the

393

00:14:41,670 --> 00:14:40,079

circle uh being in these circles uh no

394

00:14:43,829 --> 00:14:41,680

need for names but just kind of like the

395

00:14:45,269 --> 00:14:43,839

experiences and the vibes and being in

396

00:14:47,269 --> 00:14:45,279

these circles you know what i mean kind

397

00:14:49,590 --> 00:14:47,279

of like so that the listeners get an

398

00:14:52,389 --> 00:14:49,600

idea you know what it's like to be i do

399

00:14:53,430 --> 00:14:52,399

yeah okay so without saying names um

400

00:14:55,269 --> 00:14:53,440

that actually makes it a little bit

401
00:14:56,870 --> 00:14:55,279
easier for me because sometimes even

402
00:14:58,870 --> 00:14:56,880
though i do say names i do it for a

403
00:15:00,230 --> 00:14:58,880
particular reason at particular

404
00:15:01,910 --> 00:15:00,240
shows and it does make me a little

405
00:15:03,350 --> 00:15:01,920
uncomfortable sometimes

406
00:15:05,269 --> 00:15:03,360
but you know i've said all the names on

407
00:15:06,870 --> 00:15:05,279
my own podcast too so

408
00:15:08,389 --> 00:15:06,880
anyway so without saying names when i

409
00:15:09,670 --> 00:15:08,399
was 20 years old

410
00:15:11,750 --> 00:15:09,680
um

411
00:15:14,389 --> 00:15:11,760
which was let's see maybe a little bit

412
00:15:16,230 --> 00:15:14,399
earlier maybe more like 1819

413
00:15:18,310 --> 00:15:16,240

uh because of my dad's experiences and

414

00:15:20,310 --> 00:15:18,320

it being televised and going worldwide

415

00:15:23,750 --> 00:15:20,320

and you know just being like the talk of

416

00:15:25,990 --> 00:15:23,760

the ufology so to speak uh he got pretty

417

00:15:29,110 --> 00:15:26,000

heavily involved in the background with

418

00:15:31,990 --> 00:15:29,120

um the american intelligence agencies

419

00:15:34,230 --> 00:15:32,000

um from 2012 onward

420

00:15:36,310 --> 00:15:34,240

because of this entity interaction with

421

00:15:37,670 --> 00:15:36,320

the lady it's what we call her she

422

00:15:39,030 --> 00:15:37,680

called herself half of her but we just

423

00:15:41,110 --> 00:15:39,040

call her the lady it's just what caught

424

00:15:42,949 --> 00:15:41,120

on you know people people out the public

425

00:15:45,910 --> 00:15:42,959

have called her that so anyway he had

426

00:15:48,629 --> 00:15:45,920

this lady experience in 2012

427

00:15:50,069 --> 00:15:48,639

and they started showing up literally

428

00:15:51,910 --> 00:15:50,079

um to our house

429

00:15:53,670 --> 00:15:51,920

and i first

430

00:15:55,189 --> 00:15:53,680

personally my father had been in contact

431

00:15:56,710 --> 00:15:55,199

with these people longer than me because

432

00:15:58,310 --> 00:15:56,720

naturally i was just a kid in college at

433

00:15:59,269 --> 00:15:58,320

the time but i first met the invisible

434

00:16:00,389 --> 00:15:59,279

college

435

00:16:02,710 --> 00:16:00,399

um

436

00:16:04,710 --> 00:16:02,720

folks when i was 20 years old

437

00:16:07,670 --> 00:16:04,720

he came to my house

438

00:16:08,870 --> 00:16:07,680

and the vibe that i got from that so to

439

00:16:11,829 --> 00:16:08,880

speaking

440

00:16:13,430 --> 00:16:11,839

was very genuine very serious and i

441

00:16:15,030 --> 00:16:13,440

don't necessarily mean like he's being

442

00:16:17,590 --> 00:16:15,040

genuine or telling the truth what i'm

443

00:16:19,030 --> 00:16:17,600

saying is it was a very serious moment

444

00:16:21,509 --> 00:16:19,040

like this person was real he had

445

00:16:22,870 --> 00:16:21,519

credentials he flashed about five

446

00:16:26,790 --> 00:16:22,880

different identifications from

447

00:16:28,629 --> 00:16:26,800

government facilities air force cia nasa

448

00:16:31,030 --> 00:16:28,639

et cetera et cetera

449

00:16:32,470 --> 00:16:31,040

and uh area 51 was another one whether

450

00:16:33,509 --> 00:16:32,480

it's real or not i don't know he flashed

451

00:16:35,269 --> 00:16:33,519

it

452

00:16:37,110 --> 00:16:35,279

to let us know that he was here um

453

00:16:39,590 --> 00:16:37,120

discussing certain matters

454

00:16:40,389 --> 00:16:39,600

and he he was a nice enough guy

455

00:16:42,150 --> 00:16:40,399

um

456

00:16:45,110 --> 00:16:42,160

he he did

457

00:16:47,509 --> 00:16:45,120

um pretty much request that

458

00:16:49,350 --> 00:16:47,519

we don't ever go publicly like speaking

459

00:16:51,829 --> 00:16:49,360

about some of these things but honestly

460

00:16:53,350 --> 00:16:51,839

man my conscience compels me to you know

461

00:16:55,430 --> 00:16:53,360

if this material is important enough

462

00:16:57,350 --> 00:16:55,440

that it could you know in some way help

463

00:16:58,629 --> 00:16:57,360

humanity raise its consciousness i feel

464

00:17:01,269 --> 00:16:58,639

compelled to

465

00:17:03,590 --> 00:17:01,279

do the right thing and share what i know

466

00:17:06,309 --> 00:17:03,600

um anyway so what some of the things he

467

00:17:07,990 --> 00:17:06,319

did was he brought these materials these

468

00:17:09,750 --> 00:17:08,000

what would have been popularly called

469

00:17:11,029 --> 00:17:09,760

meta materials which is simply

470

00:17:13,029 --> 00:17:11,039

essentially something that didn't come

471

00:17:16,549 --> 00:17:13,039

from earth right

472

00:17:18,069 --> 00:17:16,559

and when he put them in our hands

473

00:17:19,590 --> 00:17:18,079

the members of my family he did it one

474

00:17:21,110 --> 00:17:19,600

by one with different members of the

475

00:17:23,429 --> 00:17:21,120

family in the room so none of us could

476

00:17:26,230 --> 00:17:23,439

communicate like what was going on

477

00:17:27,669 --> 00:17:26,240

um when we held both of these pieces of

478

00:17:30,230 --> 00:17:27,679

metal in our hands we would feel this

479

00:17:31,830 --> 00:17:30,240

electric energy moving through our body

480

00:17:33,430 --> 00:17:31,840

and it was it was very pleasant it

481

00:17:34,950 --> 00:17:33,440

wasn't painful but it was like real

482

00:17:37,350 --> 00:17:34,960

electrical current

483

00:17:39,190 --> 00:17:37,360

and by the time he got through the sixth

484

00:17:40,549 --> 00:17:39,200

family member which was my dad he saved

485

00:17:41,669 --> 00:17:40,559

this for last

486

00:17:43,750 --> 00:17:41,679

um

487

00:17:46,230 --> 00:17:43,760

he was kind of shocked the department of

488

00:17:47,830 --> 00:17:46,240

defense guy and he basically said like

489

00:17:49,270 --> 00:17:47,840

you know i just want y'all to understand

490

00:17:50,470 --> 00:17:49,280

that i've only ever seen this with three

491

00:17:53,350 --> 00:17:50,480

other people

492

00:17:55,110 --> 00:17:53,360

and the fact that you've felt any sort

493

00:17:56,950 --> 00:17:55,120

of electrical current through your body

494

00:17:58,230 --> 00:17:56,960

proves to me without a doubt that you're

495

00:18:00,789 --> 00:17:58,240

being honest and that you really have

496

00:18:03,430 --> 00:18:00,799

had empathy encounters and we were kind

497

00:18:06,549 --> 00:18:03,440

of like okay this is really weird

498

00:18:09,110 --> 00:18:06,559

um he had like scientific isotope charts

499

00:18:10,870 --> 00:18:09,120

about these pieces of metal showing that

500

00:18:12,710 --> 00:18:10,880

they don't originate on earth and things

501
00:18:15,110 --> 00:18:12,720
like that

502
00:18:16,470 --> 00:18:15,120
um he kind of got involved with my dad

503
00:18:17,909 --> 00:18:16,480
for a few years

504
00:18:19,270 --> 00:18:17,919
developing

505
00:18:22,470 --> 00:18:19,280
um

506
00:18:24,950 --> 00:18:22,480
like kind of a cutting edge experimental

507
00:18:27,190 --> 00:18:24,960
cancer technologies through my dad's

508
00:18:28,710 --> 00:18:27,200
profound psychic breakthroughs kind of a

509
00:18:30,950 --> 00:18:28,720
long story there

510
00:18:31,990 --> 00:18:30,960
and then sometime shortly after that he

511
00:18:37,270 --> 00:18:32,000
got

512
00:18:40,070 --> 00:18:37,280
heavily involved with the people behind

513
00:18:41,510 --> 00:18:40,080

um project stargate which is what the

514

00:18:42,630 --> 00:18:41,520

movie the men who stare at goats is

515

00:18:44,310 --> 00:18:42,640

about

516

00:18:45,909 --> 00:18:44,320

with like you know george clooney and

517

00:18:47,669 --> 00:18:45,919

ewan mcgregor

518

00:18:49,190 --> 00:18:47,679

uh the real life person

519

00:18:51,669 --> 00:18:49,200

and he got pretty heavily involved with

520

00:18:53,430 --> 00:18:51,679

ben and some other cia officials and

521

00:18:55,270 --> 00:18:53,440

kind of like they were coming and

522

00:18:56,630 --> 00:18:55,280

investigating us and finding out at

523

00:18:58,070 --> 00:18:56,640

every turn like they would come and they

524

00:18:59,510 --> 00:18:58,080

would have experiences or they would

525

00:19:01,669 --> 00:18:59,520

talk to so and so in the department of

526

00:19:03,510 --> 00:19:01,679

defense who had experiences at our house

527

00:19:05,110 --> 00:19:03,520

and word spread that the bledsoe family

528

00:19:06,630 --> 00:19:05,120

were genuine honest people who opened

529

00:19:08,789 --> 00:19:06,640

their doors to everyone and when you go

530

00:19:11,350 --> 00:19:08,799

there you have experiences

531

00:19:13,110 --> 00:19:11,360

and um he kind of he being my dad yet

532

00:19:16,150 --> 00:19:13,120

again he kind of became a hit in these

533

00:19:17,510 --> 00:19:16,160

intelligence agencies behind the scenes

534

00:19:19,110 --> 00:19:17,520

um

535

00:19:20,630 --> 00:19:19,120

and and they just kept coming and

536

00:19:22,070 --> 00:19:20,640

knocking and most of them were pretty

537

00:19:24,070 --> 00:19:22,080

pleasant we did get some death threats

538

00:19:26,470 --> 00:19:24,080

with some people

539

00:19:27,990 --> 00:19:26,480

in were associated with the cia they

540

00:19:29,270 --> 00:19:28,000

were not all like that

541

00:19:30,630 --> 00:19:29,280

but um

542

00:19:32,390 --> 00:19:30,640

yeah i mean i would say the vibe of the

543

00:19:35,590 --> 00:19:32,400

invisible college

544

00:19:37,350 --> 00:19:35,600

is that they really do have some sort of

545

00:19:39,430 --> 00:19:37,360

profound

546

00:19:41,750 --> 00:19:39,440

occult knowledge about reality and i

547

00:19:44,710 --> 00:19:41,760

want to very heavily

548

00:19:47,190 --> 00:19:44,720

repeat the word occult because yes they

549

00:19:49,590 --> 00:19:47,200

do study and talk about the occult

550

00:19:51,350 --> 00:19:49,600

in these intelligence agencies

551
00:19:53,190 --> 00:19:51,360
they actually taught us about sacred

552
00:19:55,110 --> 00:19:53,200
symbolism like the oro boris and the

553
00:19:56,230 --> 00:19:55,120
six-pointed star and the triangle and

554
00:19:57,830 --> 00:19:56,240
what it means when it's pointed up

555
00:19:59,590 --> 00:19:57,840
versus pointed down and things like that

556
00:20:02,549 --> 00:19:59,600
sacred geometry

557
00:20:05,270 --> 00:20:02,559
um you know freemason type initiatic

558
00:20:06,870 --> 00:20:05,280
stuff they were really into that

559
00:20:09,110 --> 00:20:06,880
and um

560
00:20:10,549 --> 00:20:09,120
let's see where was i going with that

561
00:20:12,870 --> 00:20:10,559
um

562
00:20:13,750 --> 00:20:12,880
kind of derailed myself there oh oh i'm

563
00:20:15,830 --> 00:20:13,760

sorry

564

00:20:18,230 --> 00:20:15,840

uh the the vibe of the invisible college

565

00:20:19,830 --> 00:20:18,240

was that they really had this profound

566

00:20:21,190 --> 00:20:19,840

occult knowledge but they weren't

567

00:20:23,350 --> 00:20:21,200

necessarily

568

00:20:27,110 --> 00:20:23,360

motivated or interested to share it

569

00:20:31,029 --> 00:20:29,350

exactly like that's so cool that you

570

00:20:34,549 --> 00:20:31,039

said that man you nailed it because

571

00:20:35,350 --> 00:20:34,559

these are spiritual entities it seems

572

00:20:39,190 --> 00:20:35,360

yes

573

00:20:41,830 --> 00:20:39,200

and it seems that um

574

00:20:43,909 --> 00:20:41,840

although there is occult knowledge

575

00:20:47,110 --> 00:20:43,919

and some are aware of it and they

576

00:20:50,789 --> 00:20:47,120

discuss it in ways that

577

00:20:53,029 --> 00:20:50,799

the average citizen wouldn't understand

578

00:20:57,350 --> 00:20:53,039

the interesting thing when you were

579

00:21:00,470 --> 00:20:57,360

talking about the cia officer

580

00:21:03,669 --> 00:21:00,480

slash the one that had the cia nasa air

581

00:21:04,549 --> 00:21:03,679

force and the few other join up um yes

582

00:21:06,789 --> 00:21:04,559

he

583

00:21:08,230 --> 00:21:06,799

what's very interesting is you know just

584

00:21:10,390 --> 00:21:08,240

listening to this you would think oh

585

00:21:12,870 --> 00:21:10,400

that sounds like an mib but i think it's

586

00:21:15,510 --> 00:21:12,880

interesting to point out uh ryan

587

00:21:18,070 --> 00:21:15,520

that these are more almost like agents

588

00:21:20,230 --> 00:21:18,080

of light instead of darkness like the

589

00:21:22,310 --> 00:21:20,240

typical mib is typically

590

00:21:25,510 --> 00:21:22,320

what i mean by that is it could just be

591

00:21:27,590 --> 00:21:25,520

my intuition but it seems like these

592

00:21:31,430 --> 00:21:27,600

characters in the invisible college are

593

00:21:35,110 --> 00:21:31,440

typically very charismatic uh buoyant

594

00:21:36,870 --> 00:21:35,120

um you know not not dark dreary

595

00:21:38,310 --> 00:21:36,880

and depressing

596

00:21:39,669 --> 00:21:38,320

can you give us kind of can you shed a

597

00:21:40,789 --> 00:21:39,679

little light on that or am i way off

598

00:21:42,630 --> 00:21:40,799

target

599

00:21:44,149 --> 00:21:42,640

i i

600

00:21:45,830 --> 00:21:44,159

just just being honest and speaking from

601
00:21:46,870 --> 00:21:45,840
the heart here my experience has not

602
00:21:48,310 --> 00:21:46,880
been that

603
00:21:50,630 --> 00:21:48,320
cool man fair

604
00:21:52,310 --> 00:21:50,640
um the invisible college at every turn

605
00:21:53,270 --> 00:21:52,320
in one way or another has led to us

606
00:21:55,669 --> 00:21:53,280
being

607
00:21:57,110 --> 00:21:55,679
um exploited or

608
00:21:58,630 --> 00:21:57,120
put in touch with individuals who

609
00:22:01,029 --> 00:21:58,640
harassed us

610
00:22:02,549 --> 00:22:01,039
or made comments about us never speaking

611
00:22:04,710 --> 00:22:02,559
publicly about the knowledge that's been

612
00:22:05,590 --> 00:22:04,720
shared to us and i would say that that

613
00:22:09,510 --> 00:22:05,600

group

614

00:22:11,750 --> 00:22:09,520

um was not really a net positive

615

00:22:13,110 --> 00:22:11,760

um having interacted with them and it

616

00:22:15,270 --> 00:22:13,120

was actually other groups that we've

617

00:22:16,870 --> 00:22:15,280

interacted with who who were profoundly

618

00:22:18,549 --> 00:22:16,880

more positive um

619

00:22:20,310 --> 00:22:18,559

not necessarily affiliated with the

620

00:22:21,830 --> 00:22:20,320

invisible college and my experience of

621

00:22:24,470 --> 00:22:21,840

the invisible college is that it

622

00:22:29,350 --> 00:22:24,480

operates more like a secret society

623

00:22:32,070 --> 00:22:29,360

that um hoarge knowledge entangles it

624

00:22:33,510 --> 00:22:32,080

okay okay i'm glad i asked that because

625

00:22:35,430 --> 00:22:33,520

they kind of have like a very good

626

00:22:37,590 --> 00:22:35,440

question they kind of have a media arm

627

00:22:40,549 --> 00:22:37,600

and they they seem to make themselves

628

00:22:42,230 --> 00:22:40,559

seem not you know indirectly always

629

00:22:44,549 --> 00:22:42,240

always indirectly through the many of

630

00:22:47,430 --> 00:22:44,559

the same agents but they make themselves

631

00:22:50,149 --> 00:22:47,440

seem very kind of cool hip always uh

632

00:22:51,909 --> 00:22:50,159

nice and um anyway okay i'm glad i asked

633

00:22:53,510 --> 00:22:51,919

that that that's a good proclamation you

634

00:22:55,029 --> 00:22:53,520

made because i was way off it makes

635

00:22:56,070 --> 00:22:55,039

sense that they're kind of a secret

636

00:22:58,630 --> 00:22:56,080

council

637

00:23:01,590 --> 00:22:58,640

and going back to your family's kind of

638

00:23:03,430 --> 00:23:01,600

uh certificate of authenticity let's say

639

00:23:05,830 --> 00:23:03,440

through in in these

640

00:23:09,110 --> 00:23:05,840

in these department of defense circles

641

00:23:11,430 --> 00:23:09,120

and other intelligence circles um i have

642

00:23:13,590 --> 00:23:11,440

a question and that is what in your

643

00:23:15,590 --> 00:23:13,600

opinion not not and if if you don't have

644

00:23:18,789 --> 00:23:15,600

an answer that's fine but if you had to

645

00:23:22,070 --> 00:23:18,799

guess what would be the dods and other

646

00:23:24,789 --> 00:23:22,080

intelligence organizations interest in a

647

00:23:28,470 --> 00:23:27,190

um maintaining control of public

648

00:23:30,549 --> 00:23:28,480

perception

649

00:23:31,830 --> 00:23:30,559

and sort of getting out and i'm just

650

00:23:34,549 --> 00:23:31,840

being honest here i'm not trying to

651
00:23:35,750 --> 00:23:34,559
disparage any institution i'm just

652
00:23:37,430 --> 00:23:35,760
like i said you know my conscience

653
00:23:38,870 --> 00:23:37,440
compels me to just tell a straight i

654
00:23:39,669 --> 00:23:38,880
know some people won't agree with this

655
00:23:41,830 --> 00:23:39,679
but

656
00:23:43,350 --> 00:23:41,840
it is what it is you know and my my my

657
00:23:44,710 --> 00:23:43,360
perspective of that based on the light

658
00:23:46,070 --> 00:23:44,720
that i've lived or the life that i've

659
00:23:49,269 --> 00:23:46,080
lived

660
00:23:50,549 --> 00:23:49,279
is that these intelligence agencies are

661
00:23:52,149 --> 00:23:50,559
motivated

662
00:23:53,909 --> 00:23:52,159
literally by

663
00:23:55,350 --> 00:23:53,919

getting out ahead of public perception

664

00:23:56,950 --> 00:23:55,360

of what this is

665

00:23:59,669 --> 00:23:56,960

based on some conversations that i've

666

00:24:01,430 --> 00:23:59,679

even had with extremely high level cia

667

00:24:03,350 --> 00:24:01,440

officers and when i say high level i

668

00:24:06,310 --> 00:24:03,360

mean people who ran entire

669

00:24:07,990 --> 00:24:06,320

departments on behalf of the cia what

670

00:24:09,590 --> 00:24:08,000

would be the equivalent of like an army

671

00:24:11,350 --> 00:24:09,600

two-star general very high ranked

672

00:24:12,710 --> 00:24:11,360

individuals um

673

00:24:14,789 --> 00:24:12,720

and one of the things that this

674

00:24:17,029 --> 00:24:14,799

particular individual told me

675

00:24:20,549 --> 00:24:17,039

was that one of the reasons that they

676
00:24:24,230 --> 00:24:20,559
have never revealed um the truth

677
00:24:27,430 --> 00:24:24,240
about the ufo phenomenon is because a

678
00:24:29,830 --> 00:24:27,440
it's not as simple as putting out a

679
00:24:31,510 --> 00:24:29,840
message hey a saucer has landed on our

680
00:24:33,190 --> 00:24:31,520
lawn we're making peace of aliens that's

681
00:24:35,590 --> 00:24:33,200
not the reality what he told me the

682
00:24:37,190 --> 00:24:35,600
reality is which i mean i obviously have

683
00:24:39,350 --> 00:24:37,200
experienced this and

684
00:24:41,350 --> 00:24:39,360
and already knew this part but

685
00:24:44,870 --> 00:24:41,360
what what he told me the reality was is

686
00:24:46,350 --> 00:24:44,880
that it's it's truly a very mind

687
00:24:49,110 --> 00:24:46,360
boggling

688
00:24:51,430 --> 00:24:49,120

inter-dimensional phenomenon also

689

00:24:53,870 --> 00:24:51,440

another buzz word that they throw at you

690

00:24:56,390 --> 00:24:53,880

when you're talking to them is uh

691

00:24:58,310 --> 00:24:56,400

ultra-terrestrial meaning that they live

692

00:25:00,230 --> 00:24:58,320

in another dimension pretty much

693

00:25:01,909 --> 00:25:00,240

overlapping ours and they're always here

694

00:25:03,830 --> 00:25:01,919

and they're always around us

695

00:25:05,909 --> 00:25:03,840

but in another plane of existence that

696

00:25:07,669 --> 00:25:05,919

we can't detect or

697

00:25:08,710 --> 00:25:07,679

so to speak phase into with our five

698

00:25:10,549 --> 00:25:08,720

senses

699

00:25:12,070 --> 00:25:10,559

and basically what he told me is they're

700

00:25:14,710 --> 00:25:12,080

they're not exactly

701
00:25:16,630 --> 00:25:14,720
ready to go admit that to the public

702
00:25:18,870 --> 00:25:16,640
because it would create an extreme

703
00:25:21,669 --> 00:25:18,880
existential shock

704
00:25:22,630 --> 00:25:21,679
which quite literally could have people

705
00:25:25,110 --> 00:25:22,640
of

706
00:25:27,590 --> 00:25:25,120
particular religious backgrounds

707
00:25:29,269 --> 00:25:27,600
committing mass suicides out of terror

708
00:25:30,789 --> 00:25:29,279
whether i buy that or think that's true

709
00:25:32,549 --> 00:25:30,799
or not i don't know but it was said to

710
00:25:34,549 --> 00:25:32,559
me and then the other reason was of

711
00:25:36,149 --> 00:25:34,559
course government would totally lose its

712
00:25:37,190 --> 00:25:36,159
continuity of power because then the

713
00:25:39,110 --> 00:25:37,200

truth would be out but they've been

714

00:25:40,230 --> 00:25:39,120

lying and suppressing it for almost a

715

00:25:42,870 --> 00:25:40,240

century

716

00:25:45,590 --> 00:25:42,880

now i think that that second shift would

717

00:25:49,110 --> 00:25:45,600

definitely happen the uh oh yeah yeah i

718

00:25:51,190 --> 00:25:49,120

think i think that would be a very real

719

00:25:53,269 --> 00:25:51,200

i mean there's a lot of cutting-edge uh

720

00:25:55,830 --> 00:25:53,279

stuff going on and

721

00:25:59,510 --> 00:25:55,840

that would come to a screeching halt now

722

00:26:01,269 --> 00:25:59,520

looking at this from the perspective uh

723

00:26:03,510 --> 00:26:01,279

that that you have through your

724

00:26:05,909 --> 00:26:03,520

experiences

725

00:26:09,750 --> 00:26:05,919

a very strange

726

00:26:11,909 --> 00:26:09,760

i guess coincidence is um how we met and

727

00:26:14,470 --> 00:26:11,919

uh for those who were very weird right i

728

00:26:18,789 --> 00:26:14,480

thought so yeah that was extremely weird

729

00:26:21,110 --> 00:26:18,799

uh and um i never i never

730

00:26:23,190 --> 00:26:21,120

second guess a coincidence

731

00:26:25,669 --> 00:26:23,200

i i met your wonderful wife and you had

732

00:26:27,669 --> 00:26:25,679

recently been married and she has

733

00:26:30,070 --> 00:26:27,679

recently been on your podcast who i

734

00:26:33,110 --> 00:26:30,080

think everybody should uh

735

00:26:34,070 --> 00:26:33,120

listen to and watch she got into some

736

00:26:35,750 --> 00:26:34,080

things

737

00:26:37,669 --> 00:26:35,760

that i thought were really interesting

738

00:26:39,830 --> 00:26:37,679

on your most recent podcast

739

00:26:42,549 --> 00:26:39,840

not only come out today

740

00:26:45,669 --> 00:26:42,559

yeah great podcast by the way and i

741

00:26:48,230 --> 00:26:45,679

wanted to ask you how she has

742

00:26:50,390 --> 00:26:48,240

assimilated or dealt with

743

00:26:53,350 --> 00:26:50,400

some of these bad

744

00:26:55,750 --> 00:26:53,360

this bad tincture that was left by uh

745

00:26:59,110 --> 00:26:55,760

what was it ufos over earth

746

00:27:00,950 --> 00:26:59,120

the the bad taste in your mouth that

747

00:27:03,590 --> 00:27:00,960

certain that documentary and other

748

00:27:05,190 --> 00:27:03,600

things have left how has she dealt of

749

00:27:07,029 --> 00:27:05,200

kind of being immersed because this is

750

00:27:09,110 --> 00:27:07,039

kind of like you know this is her life

751
00:27:10,310 --> 00:27:09,120
now how is she dealt being immersed into

752
00:27:11,669 --> 00:27:10,320
this

753
00:27:14,149 --> 00:27:11,679
yeah so that's that's a really good

754
00:27:17,110 --> 00:27:14,159
question too um one thing we actually

755
00:27:19,350 --> 00:27:17,120
totally forgot to mention on her episode

756
00:27:21,029 --> 00:27:19,360
of bledsoe said so if anybody's trying

757
00:27:22,870 --> 00:27:21,039
to find it that's that's the name of it

758
00:27:25,269 --> 00:27:22,880
blood just said so and the thing that

759
00:27:27,669 --> 00:27:25,279
she forgot to mention entirely was how

760
00:27:29,909 --> 00:27:27,679
she would also in her adult life after

761
00:27:32,710 --> 00:27:29,919
we've been together for several years

762
00:27:34,070 --> 00:27:32,720
um would go around town and just like

763
00:27:35,669 --> 00:27:34,080

you know be at work or something and

764

00:27:37,269 --> 00:27:35,679

people would walk into her place of work

765

00:27:39,430 --> 00:27:37,279

and she would hear random strangers

766

00:27:41,350 --> 00:27:39,440

strike up conversations about our family

767

00:27:43,590 --> 00:27:41,360

you know being crazy for seeing ufos and

768

00:27:45,110 --> 00:27:43,600

things like that and i think the first

769

00:27:47,110 --> 00:27:45,120

time that happened

770

00:27:48,710 --> 00:27:47,120

um not the story she told on my show

771

00:27:50,950 --> 00:27:48,720

when she was in school but you know like

772

00:27:52,950 --> 00:27:50,960

as an adult seeing it in public i think

773

00:27:53,750 --> 00:27:52,960

after that happened

774

00:27:56,470 --> 00:27:53,760

um

775

00:27:58,070 --> 00:27:56,480

it kind of hit her like oh my gosh they

776

00:28:00,630 --> 00:27:58,080

really have

777

00:28:02,389 --> 00:28:00,640

been tortured from this because

778

00:28:04,789 --> 00:28:02,399

you know the reality is we thought the

779

00:28:06,950 --> 00:28:04,799

documentary as mufon and the discovery

780

00:28:08,710 --> 00:28:06,960

channel told us we thought it was going

781

00:28:10,310 --> 00:28:08,720

to be like a smash hit and we were going

782

00:28:11,990 --> 00:28:10,320

to be vindicated

783

00:28:15,269 --> 00:28:12,000

and then when it came out they made us

784

00:28:17,669 --> 00:28:15,279

look really bad and they um

785

00:28:20,070 --> 00:28:17,679

falsely uh portrayed my father is as

786

00:28:21,669 --> 00:28:20,080

being um deceptive which you know

787

00:28:23,909 --> 00:28:21,679

totally not the case i go into that

788

00:28:25,830 --> 00:28:23,919

great detail on my show and anyway so

789

00:28:27,590 --> 00:28:25,840

after she had that encounter in public i

790

00:28:29,269 --> 00:28:27,600

think the gravity of that may have hit

791

00:28:31,590 --> 00:28:29,279

her pretty hard

792

00:28:34,230 --> 00:28:31,600

and um you know shortly after that i'd

793

00:28:36,470 --> 00:28:34,240

say about a year or two she started

794

00:28:39,190 --> 00:28:36,480

having experiences herself

795

00:28:40,630 --> 00:28:39,200

um with the family and then it was game

796

00:28:42,230 --> 00:28:40,640

on i mean she knew

797

00:28:45,029 --> 00:28:42,240

absolutely without a doubt that every

798

00:28:46,630 --> 00:28:45,039

bit of it was true and um you know ever

799

00:28:48,230 --> 00:28:46,640

since then she's been very well

800

00:28:49,669 --> 00:28:48,240

assimilated at first it was very

801
00:28:52,149 --> 00:28:49,679
difficult for her

802
00:28:53,350 --> 00:28:52,159
um showing up hearing all this wild

803
00:28:55,669 --> 00:28:53,360
stuff

804
00:28:57,350 --> 00:28:55,679
not having experiences you know with us

805
00:28:58,389 --> 00:28:57,360
having been together two or three years

806
00:28:59,510 --> 00:28:58,399
at this point

807
00:29:01,110 --> 00:28:59,520
and then next thing you know she's

808
00:29:02,789 --> 00:29:01,120
flying out in new york city going to bar

809
00:29:05,029 --> 00:29:02,799
mitzvahs where like the director of the

810
00:29:08,149 --> 00:29:05,039
cia is there and stuff like that very

811
00:29:10,230 --> 00:29:08,159
overwhelming very shocking for her but

812
00:29:12,549 --> 00:29:10,240
um she she pulled through it and really

813
00:29:14,630 --> 00:29:12,559

just made it her life and

814

00:29:16,149 --> 00:29:14,640

um has assimilated very well and you

815

00:29:18,630 --> 00:29:16,159

know here we are now she's the manager

816

00:29:21,029 --> 00:29:18,640

of my podcast that's so cool

817

00:29:22,549 --> 00:29:21,039

that is great and uh i thought it was

818

00:29:24,070 --> 00:29:22,559

interesting she was also your sister's

819

00:29:28,149 --> 00:29:24,080

best friend so that was kind of like

820

00:29:29,590 --> 00:29:28,159

difficult to probably uh handle that uh

821

00:29:31,750 --> 00:29:29,600

scenario yeah

822

00:29:35,750 --> 00:29:31,760

that's how we met yeah that's so cool

823

00:29:38,389 --> 00:29:35,760

man um now getting getting back to

824

00:29:41,590 --> 00:29:38,399

some of those that are unaware a bit uh

825

00:29:43,510 --> 00:29:41,600

with things like american cosmic the

826

00:29:47,909 --> 00:29:43,520

invisible college

827

00:29:49,510 --> 00:29:47,919

sort of this unscripted coalition of

828

00:29:51,029 --> 00:29:49,520

people who are who are playing an

829

00:29:52,870 --> 00:29:51,039

important role

830

00:29:55,029 --> 00:29:52,880

we i i think we briefly mentioned the

831

00:29:56,389 --> 00:29:55,039

ttsa and

832

00:29:59,029 --> 00:29:56,399

have you had any interaction with the

833

00:30:00,230 --> 00:29:59,039

ttsa and what was your opinion of uh

834

00:30:01,990 --> 00:30:00,240

some of their

835

00:30:04,310 --> 00:30:02,000

you don't have to use names but some of

836

00:30:05,669 --> 00:30:04,320

their ideas and ideologies and and how

837

00:30:09,029 --> 00:30:05,679

that went

838

00:30:12,070 --> 00:30:09,039

i personally have met one member of tsa

839

00:30:14,149 --> 00:30:12,080

my dad has met about four or five or

840

00:30:16,389 --> 00:30:14,159

maybe even all of them i i can't even

841

00:30:18,149 --> 00:30:16,399

keep track at this point but um he's

842

00:30:19,669 --> 00:30:18,159

definitely met i mean you know to be

843

00:30:21,350 --> 00:30:19,679

honest these people are very famous some

844

00:30:23,830 --> 00:30:21,360

of them so i feel like not saying their

845

00:30:26,710 --> 00:30:23,840

name might be a little silly obviously

846

00:30:29,269 --> 00:30:26,720

yeah the you know the blink 182 vocalist

847

00:30:30,549 --> 00:30:29,279

very nice guy dad um

848

00:30:33,909 --> 00:30:30,559

even flew out with him on some

849

00:30:35,990 --> 00:30:33,919

expeditions um recovering some medals

850

00:30:38,789 --> 00:30:36,000

through some of my dad's other cia

851

00:30:39,750 --> 00:30:38,799

contacts and things like that and they

852

00:30:41,909 --> 00:30:39,760

did

853

00:30:44,149 --> 00:30:41,919

at one point request my dad to be a core

854

00:30:46,149 --> 00:30:44,159

member of tsa but he had to very

855

00:30:48,389 --> 00:30:46,159

politely decline because

856

00:30:50,549 --> 00:30:48,399

the nature of what they were trying to

857

00:30:52,470 --> 00:30:50,559

tell the world didn't um

858

00:30:55,669 --> 00:30:52,480

align with his

859

00:30:58,789 --> 00:30:55,679

personal experiences which he is totally

860

00:31:00,070 --> 00:30:58,799

unwilling to compromise on he he he has

861

00:31:01,750 --> 00:31:00,080

been approached

862

00:31:02,950 --> 00:31:01,760

you know various times where he could

863

00:31:04,470 --> 00:31:02,960

sell his life rights away and have

864

00:31:06,789 --> 00:31:04,480

lucrative deals

865

00:31:09,190 --> 00:31:06,799

um and he at every turn refuses those

866

00:31:11,269 --> 00:31:09,200

and we did have to kind of officially in

867

00:31:12,950 --> 00:31:11,279

that regard part ways with tsa but we

868

00:31:14,070 --> 00:31:12,960

do still remain friends with some of the

869

00:31:15,909 --> 00:31:14,080

members

870

00:31:18,230 --> 00:31:15,919

um and they never

871

00:31:19,909 --> 00:31:18,240

said anything out of character or rude

872

00:31:21,990 --> 00:31:19,919

or hateful or anything of that nature

873

00:31:23,990 --> 00:31:22,000

and you know every conversation we had

874

00:31:26,549 --> 00:31:24,000

with the members of tsa

875

00:31:28,470 --> 00:31:26,559

have always been very positive and and

876

00:31:30,310 --> 00:31:28,480

very fun and like i've been to parties

877

00:31:33,269 --> 00:31:30,320

with some of these people

878

00:31:34,870 --> 00:31:33,279

um literal like holidays and birthday

879

00:31:35,909 --> 00:31:34,880

parties and bar mitzvahs and things like

880

00:31:37,430 --> 00:31:35,919

that and they're they're definitely a

881

00:31:39,190 --> 00:31:37,440

fun group of guys

882

00:31:42,149 --> 00:31:39,200

to hang out with

883

00:31:43,669 --> 00:31:42,159

that's so cool and um i had a random

884

00:31:45,509 --> 00:31:43,679

well living in las vegas i guess it's

885

00:31:48,630 --> 00:31:45,519

not that random

886

00:31:50,149 --> 00:31:48,640

but i'm fairly like 99.9

887

00:31:52,789 --> 00:31:50,159

sure that i

888

00:31:54,630 --> 00:31:52,799

uh said hi to tom delong one day he said

889

00:31:56,549 --> 00:31:54,640

hi back

890

00:32:00,470 --> 00:31:56,559

he said hi and then we both got in our

891

00:32:02,710 --> 00:32:00,480

cars it was very random um but i just

892

00:32:04,070 --> 00:32:02,720

figured hey that's gotta be tom delong

893

00:32:05,830 --> 00:32:04,080

and you know i said hey tom and he

894

00:32:07,509 --> 00:32:05,840

turned and i said hi and he said hi and

895

00:32:09,509 --> 00:32:07,519

then we both got in our cars and i was

896

00:32:11,909 --> 00:32:09,519

just like what just happened but anyway

897

00:32:14,070 --> 00:32:11,919

yeah that's weird um a close friend of

898

00:32:15,590 --> 00:32:14,080

mine a close friend of mine explained it

899

00:32:18,630 --> 00:32:15,600

like it's kind of

900

00:32:21,029 --> 00:32:18,640

it's sort of like uh a very small world

901
00:32:23,909 --> 00:32:21,039
right once you're in it it seems that it

902
00:32:26,870 --> 00:32:23,919
is you you start knowing people and for

903
00:32:29,590 --> 00:32:26,880
example your family introduced diane

904
00:32:32,230 --> 00:32:29,600
pasulka to the character from her

905
00:32:34,070 --> 00:32:32,240
hot selling book american cosmic i mean

906
00:32:35,430 --> 00:32:34,080
things like that are very synchronistic

907
00:32:37,190 --> 00:32:35,440
have you noticed that

908
00:32:39,029 --> 00:32:37,200
along the way

909
00:32:41,110 --> 00:32:39,039
well yeah i mean just the fact that

910
00:32:42,789 --> 00:32:41,120
we're talking now to me is is profoundly

911
00:32:44,389 --> 00:32:42,799
weird i i just went to a show in las

912
00:32:46,950 --> 00:32:44,399
vegas and had a seat and you were next

913
00:32:50,230 --> 00:32:46,960

to me and i recognized you because i had

914

00:32:52,630 --> 00:32:50,240

uh known you from the internet you know

915

00:32:54,070 --> 00:32:52,640

and and likewise you recognized me and

916

00:32:55,110 --> 00:32:54,080

and things like that seem to happen all

917

00:32:57,190 --> 00:32:55,120

the time

918

00:32:59,190 --> 00:32:57,200

um in this world or you know just in

919

00:33:01,990 --> 00:32:59,200

general i think consciousness is

920

00:33:04,710 --> 00:33:02,000

compelled to lead you towards

921

00:33:06,710 --> 00:33:04,720

um the individuals and the circumstances

922

00:33:07,909 --> 00:33:06,720

in your life that you are meant to

923

00:33:09,110 --> 00:33:07,919

experience

924

00:33:12,310 --> 00:33:09,120

so true

925

00:33:14,870 --> 00:33:12,320

and getting to these experiences because

926

00:33:17,110 --> 00:33:14,880

there is this uh

927

00:33:21,350 --> 00:33:17,120

it seems like power elite

928

00:33:23,350 --> 00:33:21,360

expanding a narrative that is contrary

929

00:33:25,669 --> 00:33:23,360

to what may possibly

930

00:33:28,230 --> 00:33:25,679

be the greatest uh

931

00:33:30,710 --> 00:33:28,240

thing that humanity has ever come across

932

00:33:33,669 --> 00:33:30,720

and you read about it throughout history

933

00:33:35,830 --> 00:33:33,679

how far back does this go how far back

934

00:33:37,110 --> 00:33:35,840

is it that people have been trying to

935

00:33:39,350 --> 00:33:37,120

kind of uh

936

00:33:41,830 --> 00:33:39,360

keep this on the hush

937

00:33:43,110 --> 00:33:41,840

since egypt since the peak of egyptian

938

00:33:44,389 --> 00:33:43,120

civilization

939

00:33:46,230 --> 00:33:44,399

and um

940

00:33:49,029 --> 00:33:46,240

you know if you study the

941

00:33:52,070 --> 00:33:49,039

esoteric past so to speak this is not

942

00:33:54,070 --> 00:33:52,080

something that i i would wager no living

943

00:33:56,070 --> 00:33:54,080

american human being has ever learned of

944

00:33:58,389 --> 00:33:56,080

this sort of knowledge in school

945

00:34:00,950 --> 00:33:58,399

reason being it was created by the

946

00:34:02,630 --> 00:34:00,960

rockefeller family the the the um the

947

00:34:04,470 --> 00:34:02,640

standardized education system and they

948

00:34:06,710 --> 00:34:04,480

sort of like tailored the history that

949

00:34:09,909 --> 00:34:06,720

they want us to learn right and i

950

00:34:12,310 --> 00:34:09,919

remember learning nothing about egyptian

951
00:34:14,230 --> 00:34:12,320
civilization or initiatory orders or

952
00:34:16,310 --> 00:34:14,240
like the true past of religions and all

953
00:34:18,869 --> 00:34:16,320
that good stuff and when you study

954
00:34:21,510 --> 00:34:18,879
esoteric traditional history

955
00:34:23,990 --> 00:34:21,520
you'll pretty much all roads point to

956
00:34:25,669 --> 00:34:24,000
egypt in in the uh the mystery schools

957
00:34:27,510 --> 00:34:25,679
there and how they would initiate into

958
00:34:29,349 --> 00:34:27,520
the deeper mysteries of

959
00:34:30,629 --> 00:34:29,359
the cosmic intelligence behind this

960
00:34:32,470 --> 00:34:30,639
reality

961
00:34:33,669 --> 00:34:32,480
and they kind of like spread into europe

962
00:34:36,069 --> 00:34:33,679
and then you had the alchemical

963
00:34:36,950 --> 00:34:36,079

renaissance explosion and the cabalists

964

00:34:42,629 --> 00:34:36,960

and

965

00:34:45,510 --> 00:34:42,639

that good stuff it's all traced back to

966

00:34:47,270 --> 00:34:45,520

egypt this occult knowledge

967

00:34:50,550 --> 00:34:47,280

i could not agree more man you are

968

00:34:53,109 --> 00:34:50,560

slamming them out of the park and this

969

00:34:55,829 --> 00:34:53,119

this is so important because so many

970

00:34:57,270 --> 00:34:55,839

people give these occult mystery schools

971

00:34:59,829 --> 00:34:57,280

a hard time

972

00:35:01,270 --> 00:34:59,839

but to be quite honest for many uh

973

00:35:02,790 --> 00:35:01,280

outsiders

974

00:35:04,710 --> 00:35:02,800

or those

975

00:35:07,430 --> 00:35:04,720

who know nothing about this

976

00:35:09,589 --> 00:35:07,440

it might be the only ladder to grab on

977

00:35:11,829 --> 00:35:09,599

to to get any information at all because

978

00:35:14,150 --> 00:35:11,839

so much of it has been hidden throughout

979

00:35:16,550 --> 00:35:14,160

all time and and that's kind of that's

980

00:35:19,270 --> 00:35:16,560

why they've kind of had to be mysterious

981

00:35:20,390 --> 00:35:19,280

in a cult right um right

982

00:35:21,349 --> 00:35:20,400

so

983

00:35:23,270 --> 00:35:21,359

let's

984

00:35:26,630 --> 00:35:23,280

this is this is really interesting

985

00:35:28,790 --> 00:35:26,640

because i find it fascinating that these

986

00:35:30,550 --> 00:35:28,800

entities i mean this just is just

987

00:35:32,470 --> 00:35:30,560

mind-blowing and i hate to get biblical

988

00:35:34,390 --> 00:35:32,480

with it but my mind

989

00:35:36,710 --> 00:35:34,400

i love getting biblical man my mind

990

00:35:39,109 --> 00:35:36,720

always goes to like when the nazarene is

991

00:35:41,829 --> 00:35:39,119

born there in bethlehem bethlehem and

992

00:35:44,470 --> 00:35:41,839

and you have you know this uh

993

00:35:47,030 --> 00:35:44,480

angel come down out of the sky and the

994

00:35:48,870 --> 00:35:47,040

bible says you know that it's literally

995

00:35:51,030 --> 00:35:48,880

telling the shepherds to calm down and

996

00:35:52,790 --> 00:35:51,040

not be afraid of it i think that's

997

00:35:53,829 --> 00:35:52,800

important to take into consideration

998

00:35:55,910 --> 00:35:53,839

because

999

00:35:58,150 --> 00:35:55,920

right you know the media's depiction of

1000

00:36:02,069 --> 00:35:58,160

angels is uh you know something fluffy

1001
00:36:03,670 --> 00:36:02,079
on your you know it's like not exactly

1002
00:36:05,510 --> 00:36:03,680
what they right yeah and that came from

1003
00:36:08,390 --> 00:36:05,520
the vatican anyway which is the biggest

1004
00:36:10,310 --> 00:36:08,400
control system in history

1005
00:36:12,790 --> 00:36:10,320
yeah the way they depicted angels is

1006
00:36:14,470 --> 00:36:12,800
little babies with wings

1007
00:36:16,390 --> 00:36:14,480
um you know if you look at cultures

1008
00:36:18,069 --> 00:36:16,400
throughout the ancient past almost every

1009
00:36:19,910 --> 00:36:18,079
culture described them as terrifying

1010
00:36:21,510 --> 00:36:19,920
fiery beings that when they come down

1011
00:36:23,750 --> 00:36:21,520
people fell prostrate on their face in

1012
00:36:24,790 --> 00:36:23,760
fear

1013
00:36:26,630 --> 00:36:24,800

yeah that's

1014

00:36:27,910 --> 00:36:26,640

a hundred percent and it's and i always

1015

00:36:29,750 --> 00:36:27,920

say this analogy like if we're just

1016

00:36:31,430 --> 00:36:29,760

going to look at nature itself

1017

00:36:33,030 --> 00:36:31,440

you know you see this majestic grizzly

1018

00:36:34,550 --> 00:36:33,040

bear in the woods

1019

00:36:36,550 --> 00:36:34,560

maybe not a good example because it's

1020

00:36:37,910 --> 00:36:36,560

not quite as consciously evolved as we

1021

00:36:39,589 --> 00:36:37,920

are or beings of light and it doesn't

1022

00:36:41,510 --> 00:36:39,599

know any better it might actually attack

1023

00:36:43,670 --> 00:36:41,520

you but taking that out of the equation

1024

00:36:45,349 --> 00:36:43,680

you know you see this grizzly bear

1025

00:36:47,670 --> 00:36:45,359

in the woods and it looks so profoundly

1026

00:36:49,109 --> 00:36:47,680

terrifying it has claws it has teeth

1027

00:36:50,790 --> 00:36:49,119

and really it's just doing what it does

1028

00:36:52,470 --> 00:36:50,800

and it just survives and it eats it's

1029

00:36:53,750 --> 00:36:52,480

not an evil being

1030

00:36:55,190 --> 00:36:53,760

but you know i definitely wouldn't want

1031

00:36:57,829 --> 00:36:55,200

to be next to one i wouldn't want to see

1032

00:36:59,589 --> 00:36:57,839

one it it might it might scare the life

1033

00:37:01,109 --> 00:36:59,599

out of me you know and that's just kind

1034

00:37:03,589 --> 00:37:01,119

of like what i want people to understand

1035

00:37:06,069 --> 00:37:03,599

just because something appears to not be

1036

00:37:07,510 --> 00:37:06,079

pretty to the eyes or not be soothing or

1037

00:37:09,990 --> 00:37:07,520

comforting it doesn't mean that it's

1038

00:37:15,510 --> 00:37:12,790

absolutely i'm just raw power very

1039

00:37:18,390 --> 00:37:15,520

capable alpha predator if need be if

1040

00:37:20,230 --> 00:37:18,400

it's challenged and you know and it

1041

00:37:23,430 --> 00:37:20,240

needs to be that way because as we've

1042

00:37:25,910 --> 00:37:23,440

seen historically there are very capable

1043

00:37:29,190 --> 00:37:25,920

um other things that uh need challenging

1044

00:37:31,990 --> 00:37:29,200

from time to time and right um this is

1045

00:37:35,030 --> 00:37:32,000

this is an interesting task that i find

1046

00:37:37,190 --> 00:37:35,040

people are interacting with noticing and

1047

00:37:39,270 --> 00:37:37,200

it seems more and more

1048

00:37:40,470 --> 00:37:39,280

we are watching the watchers the ones

1049

00:37:42,470 --> 00:37:40,480

that are kind of

1050

00:37:44,470 --> 00:37:42,480

watching us right we are

1051
00:37:46,630 --> 00:37:44,480
we are interested

1052
00:37:48,870 --> 00:37:46,640
i'm i'm with you a hundred percent that

1053
00:37:51,829 --> 00:37:48,880
there is a care scenario going on that

1054
00:37:54,310 --> 00:37:51,839
they care about us because

1055
00:37:57,190 --> 00:37:54,320
many individuals who have been in these

1056
00:37:58,950 --> 00:37:57,200
realms for long periods of time if they

1057
00:38:00,790 --> 00:37:58,960
didn't care these individuals would be

1058
00:38:04,310 --> 00:38:00,800
long gone and

1059
00:38:05,990 --> 00:38:04,320
it's it's it's amazing that

1060
00:38:08,310 --> 00:38:06,000
it is amazing to me that this

1061
00:38:09,349 --> 00:38:08,320
interaction is taking place

1062
00:38:13,349 --> 00:38:09,359
what

1063
00:38:17,349 --> 00:38:13,359

could be

1064

00:38:21,030 --> 00:38:17,359

the determining factor for them allowing

1065

00:38:23,670 --> 00:38:22,550

that's a good question let me let me ask

1066

00:38:25,750 --> 00:38:23,680

you a counter question so i can

1067

00:38:27,910 --> 00:38:25,760

understand um do you mean like on an

1068

00:38:29,910 --> 00:38:27,920

individual level like anybody to see

1069

00:38:32,230 --> 00:38:29,920

them period or do you do you just mean

1070

00:38:33,829 --> 00:38:32,240

like as society like what would it take

1071

00:38:35,750 --> 00:38:33,839

to be revealed

1072

00:38:37,750 --> 00:38:35,760

their nature wow those are all three

1073

00:38:39,349 --> 00:38:37,760

amazing i was gonna go super basic just

1074

00:38:41,190 --> 00:38:39,359

like you know somebody actually having a

1075

00:38:43,190 --> 00:38:41,200

ufo experience and then they question

1076

00:38:44,950 --> 00:38:43,200

the reality right it's almost like

1077

00:38:47,430 --> 00:38:44,960

there's an ascension just with seeing

1078

00:38:49,030 --> 00:38:47,440

one yep let's go there first that's

1079

00:38:50,230 --> 00:38:49,040

that's that's kind of what i was hoping

1080

00:38:53,270 --> 00:38:50,240

you were asking

1081

00:38:55,190 --> 00:38:53,280

um so with my dad having been

1082

00:38:57,750 --> 00:38:55,200

you know it's no secret that he's a very

1083

00:39:00,310 --> 00:38:57,760

well-known ufo guy

1084

00:39:03,030 --> 00:39:00,320

for 15 years now and he has always left

1085

00:39:05,589 --> 00:39:03,040

his social medias open for messages his

1086

00:39:06,870 --> 00:39:05,599

emails and things like that and um he's

1087

00:39:08,230 --> 00:39:06,880

getting quite busy now where he can't

1088

00:39:10,950 --> 00:39:08,240

get through it as much as he used to but

1089

00:39:12,950 --> 00:39:10,960

he has had quite literally thousands

1090

00:39:14,390 --> 00:39:12,960

of messages in the past 15 years and now

1091

00:39:15,589 --> 00:39:14,400

i'm approaching hundreds and hundreds

1092

00:39:17,829 --> 00:39:15,599

like you know i can't even keep up

1093

00:39:18,790 --> 00:39:17,839

anymore since i've gone public myself

1094

00:39:20,870 --> 00:39:18,800

and

1095

00:39:22,790 --> 00:39:20,880

i say that because it's important to

1096

00:39:24,390 --> 00:39:22,800

understand that the majority of these

1097

00:39:26,390 --> 00:39:24,400

messages

1098

00:39:28,230 --> 00:39:26,400

usually have two ways that they go when

1099

00:39:30,630 --> 00:39:28,240

we open them both of us and it's either

1100

00:39:32,230 --> 00:39:30,640

hey i heard your story totally changed

1101
00:39:33,270 --> 00:39:32,240
my life

1102
00:39:34,630 --> 00:39:33,280
or

1103
00:39:36,470 --> 00:39:34,640
i've been having

1104
00:39:38,550 --> 00:39:36,480
or experiences

1105
00:39:40,470 --> 00:39:38,560
so and so my family died or i have this

1106
00:39:42,390 --> 00:39:40,480
disease or this profound trauma and i'm

1107
00:39:44,230 --> 00:39:42,400
very much shortening it's it's obviously

1108
00:39:46,310 --> 00:39:44,240
way more heartfelt than that but

1109
00:39:48,470 --> 00:39:46,320
um and and like the consensus is the

1110
00:39:50,069 --> 00:39:48,480
people at home who tend to see these

1111
00:39:51,510 --> 00:39:50,079
experiences

1112
00:39:54,069 --> 00:39:51,520
have suffered

1113
00:39:56,069 --> 00:39:54,079

some profound loss or

1114

00:39:57,430 --> 00:39:56,079

medical disorder or something that

1115

00:39:59,270 --> 00:39:57,440

caused them to be

1116

00:40:00,390 --> 00:39:59,280

um in an extreme place of trauma and

1117

00:40:02,150 --> 00:40:00,400

suffering

1118

00:40:04,309 --> 00:40:02,160

and you know some of our chats with the

1119

00:40:06,069 --> 00:40:04,319

cia have kind of illuminated that to us

1120

00:40:09,190 --> 00:40:06,079

as well they even have studies on that

1121

00:40:10,550 --> 00:40:09,200

in in their agencies with um

1122

00:40:11,510 --> 00:40:10,560

other people who have experienced these

1123

00:40:14,230 --> 00:40:11,520

beings

1124

00:40:16,150 --> 00:40:14,240

and it's it tends to be people who have

1125

00:40:17,349 --> 00:40:16,160

been traumatized in some way throughout

1126

00:40:19,190 --> 00:40:17,359

their life

1127

00:40:21,030 --> 00:40:19,200

um which was also the case initially

1128

00:40:23,430 --> 00:40:21,040

with my father he was he was in the

1129

00:40:24,790 --> 00:40:23,440

worst period of his life um right when

1130

00:40:26,630 --> 00:40:24,800

he had this encounter

1131

00:40:29,190 --> 00:40:26,640

and it seems to be that these beings

1132

00:40:30,790 --> 00:40:29,200

come typically um

1133

00:40:32,309 --> 00:40:30,800

right on the other side of that as kind

1134

00:40:34,470 --> 00:40:32,319

of like a signal like hope for the

1135

00:40:35,990 --> 00:40:34,480

future or you know kind of change

1136

00:40:37,030 --> 00:40:36,000

people's lives and put them on another

1137

00:40:38,870 --> 00:40:37,040

path

1138

00:40:40,390 --> 00:40:38,880

and i tend to think that not anybody can

1139

00:40:42,710 --> 00:40:40,400

just walk out and see these things it's

1140

00:40:44,870 --> 00:40:42,720

it's it's really an intimate spiritual

1141

00:40:47,430 --> 00:40:44,880

experience for those who

1142

00:40:51,430 --> 00:40:47,440

um need it and are

1143

00:40:53,270 --> 00:40:51,440

actually ready on a soul level it's not

1144

00:40:55,109 --> 00:40:53,280

random anytime these beings are seen or

1145

00:40:57,109 --> 00:40:55,119

witnessed or whatever it is never never

1146

00:41:00,470 --> 00:40:57,119

random

1147

00:41:02,950 --> 00:41:00,480

and and with that it seems that

1148

00:41:05,270 --> 00:41:02,960

that that that tap on the shoulder that

1149

00:41:07,910 --> 00:41:05,280

cosmic tap on the shoulder that

1150

00:41:09,670 --> 00:41:07,920

something exists that was

1151
00:41:14,309 --> 00:41:09,680
previously

1152
00:41:16,150 --> 00:41:14,319
believe existed that seems to open a

1153
00:41:17,030 --> 00:41:16,160
bunch of doorways and

1154
00:41:18,230 --> 00:41:17,040
um

1155
00:41:21,109 --> 00:41:18,240
it's almost

1156
00:41:23,510 --> 00:41:21,119
well it is very spiritual and i you know

1157
00:41:25,109 --> 00:41:23,520
when you look up the words like cosmic i

1158
00:41:27,829 --> 00:41:25,119
like that word because

1159
00:41:30,470 --> 00:41:27,839
it has really kind of a better

1160
00:41:33,030 --> 00:41:30,480
i think altruistic description of the

1161
00:41:35,910 --> 00:41:33,040
nature of that reality than

1162
00:41:37,589 --> 00:41:35,920
what we are usually spoon fed which is

1163
00:41:38,470 --> 00:41:37,599

like yeah so

1164

00:41:39,990 --> 00:41:38,480

um

1165

00:41:42,870 --> 00:41:40,000

another thing that i think

1166

00:41:44,470 --> 00:41:42,880

yeah exactly yeah and

1167

00:41:49,589 --> 00:41:44,480

with all of

1168

00:41:50,390 --> 00:41:49,599

media's attention towards this

1169

00:41:53,750 --> 00:41:50,400

i'm

1170

00:41:55,670 --> 00:41:53,760

brought back to the realization that if

1171

00:41:57,430 --> 00:41:55,680

if we if people are seeing them if

1172

00:42:00,309 --> 00:41:57,440

humanity is seeing these lights in the

1173

00:42:01,990 --> 00:42:00,319

sky these unidentified aerial phenomena

1174

00:42:03,510 --> 00:42:02,000

or ufos

1175

00:42:06,430 --> 00:42:03,520

whatever you want to call them these

1176

00:42:09,109 --> 00:42:06,440

angels these cosmic entities these

1177

00:42:11,910 --> 00:42:09,119

inter-dimensional or ultra-terrestrial

1178

00:42:13,670 --> 00:42:11,920

intelligences we are

1179

00:42:15,270 --> 00:42:13,680

noticing something

1180

00:42:17,750 --> 00:42:15,280

this should be

1181

00:42:20,150 --> 00:42:17,760

in my opinion a uh

1182

00:42:23,109 --> 00:42:20,160

kind of kind of a wait a jump start or a

1183

00:42:25,589 --> 00:42:23,119

hint for us to do something and i wanted

1184

00:42:27,990 --> 00:42:25,599

to kind of go down that pathway what as

1185

00:42:30,950 --> 00:42:28,000

individuals is this

1186

00:42:33,430 --> 00:42:30,960

prompting us to do other than just

1187

00:42:35,750 --> 00:42:33,440

become better individuals

1188

00:42:37,589 --> 00:42:35,760

i think the ultimate revelation from

1189

00:42:39,349 --> 00:42:37,599

these experiences that humanity

1190

00:42:40,790 --> 00:42:39,359

desperately needs to hear

1191

00:42:42,309 --> 00:42:40,800

uh but the mainstream media will

1192

00:42:43,990 --> 00:42:42,319

probably never do it

1193

00:42:45,349 --> 00:42:44,000

uh hope they do but i don't have faith

1194

00:42:47,589 --> 00:42:45,359

that they will but the ultimate

1195

00:42:49,910 --> 00:42:47,599

revelation in my opinion is that there

1196

00:42:52,069 --> 00:42:49,920

is without a doubt a higher power

1197

00:42:53,990 --> 00:42:52,079

i don't necessarily want to get into the

1198

00:42:56,150 --> 00:42:54,000

specifics like is it the bible is it the

1199

00:42:58,230 --> 00:42:56,160

quran is it the bhagavad-gita and in

1200

00:42:59,829 --> 00:42:58,240

total reality i think what's been going

1201
00:43:02,069 --> 00:42:59,839
on here throughout human history is it's

1202
00:43:04,309 --> 00:43:02,079
actually all of them and you know our

1203
00:43:05,349 --> 00:43:04,319
history is extremely long i mean we only

1204
00:43:07,589 --> 00:43:05,359
have about

1205
00:43:09,190 --> 00:43:07,599
10 to 12 000 years of even recorded

1206
00:43:10,710 --> 00:43:09,200
history

1207
00:43:12,710 --> 00:43:10,720
and every couple thousand years some

1208
00:43:15,430 --> 00:43:12,720
stage or prophet pops up and

1209
00:43:17,190 --> 00:43:15,440
comes up with these profound revelatory

1210
00:43:19,030 --> 00:43:17,200
messages and then religions are created

1211
00:43:20,950 --> 00:43:19,040
that are you know observed for thousands

1212
00:43:22,870 --> 00:43:20,960
and thousands of years and i think we're

1213
00:43:24,470 --> 00:43:22,880

kind of at the cusp of the spiritual

1214

00:43:25,510 --> 00:43:24,480

evolution where we should realize as a

1215

00:43:27,349 --> 00:43:25,520

species

1216

00:43:29,510 --> 00:43:27,359

maybe the ultimate truth is that there

1217

00:43:31,990 --> 00:43:29,520

just is a cosmic power that is

1218

00:43:33,109 --> 00:43:32,000

ultimately good and benevolent and

1219

00:43:34,790 --> 00:43:33,119

positive

1220

00:43:37,510 --> 00:43:34,800

and every living and non-living thing

1221

00:43:41,270 --> 00:43:37,520

that's manifested in this universe

1222

00:43:43,829 --> 00:43:41,280

exists on varying degrees of reality

1223

00:43:45,190 --> 00:43:43,839

yet in total harmony with this original

1224

00:43:47,349 --> 00:43:45,200

source

1225

00:43:49,109 --> 00:43:47,359

and that's why the golden rule is the

1226

00:43:51,109 --> 00:43:49,119

most important thing ever

1227

00:43:53,349 --> 00:43:51,119

do unto others only as you would do unto

1228

00:43:55,750 --> 00:43:53,359

yourself you know because if we're all

1229

00:43:58,069 --> 00:43:55,760

these these spiritual beings who come

1230

00:44:00,150 --> 00:43:58,079

from the same spiritual world you know

1231

00:44:02,950 --> 00:44:00,160

in some way we're all one

1232

00:44:03,990 --> 00:44:02,960

why would i want to hurt or harm or

1233

00:44:07,190 --> 00:44:04,000

defame

1234

00:44:09,349 --> 00:44:07,200

my neighbor who is just as equally and

1235

00:44:11,510 --> 00:44:09,359

profoundly important and special as i am

1236

00:44:12,790 --> 00:44:11,520

and and not only that but we're part of

1237

00:44:15,190 --> 00:44:12,800

that same

1238

00:44:17,750 --> 00:44:15,200

consciousness you know so i think people

1239

00:44:19,829 --> 00:44:17,760

need to really read the golden rule and

1240

00:44:22,390 --> 00:44:19,839

even the things that jesus said and

1241

00:44:25,030 --> 00:44:22,400

zorro asked her and try to transform

1242

00:44:27,670 --> 00:44:25,040

their inner nature to have very positive

1243

00:44:29,750 --> 00:44:27,680

thoughts positive words positive deeds

1244

00:44:32,710 --> 00:44:29,760

towards other people and just basically

1245

00:44:34,470 --> 00:44:32,720

i mean to sum it up love

1246

00:44:37,829 --> 00:44:34,480

great description

1247

00:44:40,710 --> 00:44:37,839

and um something really cool that i

1248

00:44:42,950 --> 00:44:40,720

i cannot remember where or when i heard

1249

00:44:45,030 --> 00:44:42,960

your father say this

1250

00:44:47,109 --> 00:44:45,040

but he mentioned that it's much like a

1251
00:44:49,190 --> 00:44:47,119
light switch you know if things are dark

1252
00:44:51,430 --> 00:44:49,200
just turn on the switch it's that easy

1253
00:44:54,710 --> 00:44:51,440
and you know that's amazing that

1254
00:44:57,430 --> 00:44:54,720
philosophy is so stunning to me

1255
00:45:00,230 --> 00:44:57,440
this is in my opinion yeah this is this

1256
00:45:02,470 --> 00:45:00,240
is important this is very revelatory

1257
00:45:04,309 --> 00:45:02,480
that there is so much attention being

1258
00:45:06,470 --> 00:45:04,319
given to something that has been

1259
00:45:10,470 --> 00:45:06,480
suppressed for so long

1260
00:45:14,309 --> 00:45:10,480
and i think that there's probably

1261
00:45:17,349 --> 00:45:14,319
i'm guessing uh a a kind of some dark

1262
00:45:19,750 --> 00:45:17,359
darker individuals with not great

1263
00:45:21,270 --> 00:45:19,760

intentions that are not too happy that

1264

00:45:22,230 --> 00:45:21,280

there is so

1265

00:45:23,910 --> 00:45:22,240

much

1266

00:45:26,309 --> 00:45:23,920

of this uh

1267

00:45:28,069 --> 00:45:26,319

attention and these real sightings

1268

00:45:31,829 --> 00:45:28,079

taking place

1269

00:45:34,150 --> 00:45:31,839

that's true that's absolutely true

1270

00:45:36,230 --> 00:45:34,160

and um we were

1271

00:45:37,750 --> 00:45:36,240

approached by

1272

00:45:39,750 --> 00:45:37,760

some of the people

1273

00:45:41,750 --> 00:45:39,760

in and then i'll very carefully say

1274

00:45:43,750 --> 00:45:41,760

associated with

1275

00:45:46,630 --> 00:45:43,760

the cia

1276

00:45:48,470 --> 00:45:46,640

who basically told us about that and

1277

00:45:50,230 --> 00:45:48,480

they came flat out and said that they

1278

00:45:52,790 --> 00:45:50,240

you know go to bohemian grove and do all

1279

00:45:54,550 --> 00:45:52,800

these kinds of dark practices and are

1280

00:45:56,150 --> 00:45:54,560

very interested in kicking off the new

1281

00:45:57,030 --> 00:45:56,160

world order and all this really dark

1282

00:45:58,470 --> 00:45:57,040

stuff

1283

00:46:00,309 --> 00:45:58,480

and um actually levied some death

1284

00:46:02,470 --> 00:46:00,319

threats on our family which obviously

1285

00:46:03,750 --> 00:46:02,480

never came to fruition and you know i've

1286

00:46:05,670 --> 00:46:03,760

pretty much realized at this point that

1287

00:46:08,150 --> 00:46:05,680

they have no legal grounds to harm us in

1288

00:46:10,069 --> 00:46:08,160

any capacity as much as they have wanted

1289

00:46:12,309 --> 00:46:10,079

us to believe that but yes that's

1290

00:46:14,470 --> 00:46:12,319

absolutely correct there are still

1291

00:46:15,430 --> 00:46:14,480

um groups in power

1292

00:46:17,109 --> 00:46:15,440

who

1293

00:46:18,470 --> 00:46:17,119

don't want this truth to get out i mean

1294

00:46:20,390 --> 00:46:18,480

it's pretty obvious just turn on the

1295

00:46:22,710 --> 00:46:20,400

news and everything is war war war

1296

00:46:24,630 --> 00:46:22,720

disease cove and fear end of the world

1297

00:46:26,230 --> 00:46:24,640

world war three why would they be

1298

00:46:28,870 --> 00:46:26,240

televising that every second of every

1299

00:46:32,790 --> 00:46:28,880

hour worldwide you know

1300

00:46:36,309 --> 00:46:32,800

other than to cause fear and terror

1301
00:46:37,670 --> 00:46:36,319
that's exactly it just fear and

1302
00:46:39,829 --> 00:46:37,680
it's part of the narrative it's like

1303
00:46:43,349 --> 00:46:39,839
that that that whole

1304
00:46:44,950 --> 00:46:43,359
abundance versus scarcity narrative

1305
00:46:47,750 --> 00:46:44,960
and they want you to believe that this

1306
00:46:50,309 --> 00:46:47,760
false evidence is real and they want you

1307
00:46:52,710 --> 00:46:50,319
they want you to live depending on them

1308
00:46:56,870 --> 00:46:52,720
and not being self-reliant or even

1309
00:46:58,550 --> 00:46:56,880
better reliant on a higher power right

1310
00:47:00,150 --> 00:46:58,560
right you know but what if what if we

1311
00:47:01,829 --> 00:47:00,160
all did find out that not only is there

1312
00:47:04,150 --> 00:47:01,839
a higher power but each of us have

1313
00:47:05,589 --> 00:47:04,160

access to it um

1314

00:47:07,990 --> 00:47:05,599

within our own

1315

00:47:11,430 --> 00:47:08,000

consciousness so what what if what if uh

1316

00:47:13,829 --> 00:47:11,440

we were all a tiny um piece of that

1317

00:47:15,910 --> 00:47:13,839

higher power and that's actually the

1318

00:47:17,109 --> 00:47:15,920

requirement to have a physical life in

1319

00:47:18,710 --> 00:47:17,119

the first place you know what if

1320

00:47:20,230 --> 00:47:18,720

everybody learned that ancient truth

1321

00:47:22,150 --> 00:47:20,240

it'd be a different world

1322

00:47:24,470 --> 00:47:22,160

oh my gosh wouldn't it that's amazing

1323

00:47:26,630 --> 00:47:24,480

that's so you know and it's

1324

00:47:29,349 --> 00:47:26,640

a lot of people are troubled and afraid

1325

00:47:31,270 --> 00:47:29,359

these days and you know a message like

1326

00:47:33,349 --> 00:47:31,280

this

1327

00:47:35,190 --> 00:47:33,359

i am reminded of how significant a

1328

00:47:36,630 --> 00:47:35,200

simple message like that

1329

00:47:39,109 --> 00:47:36,640

is to

1330

00:47:40,470 --> 00:47:39,119

just the public in general just that we

1331

00:47:42,870 --> 00:47:40,480

have power of our lives we're more

1332

00:47:45,030 --> 00:47:42,880

significant than we believe we are or

1333

00:47:47,349 --> 00:47:45,040

are told we are we're not just another

1334

00:47:49,750 --> 00:47:47,359

brick in the wall you know we are

1335

00:47:52,549 --> 00:47:49,760

whatever we want to be and from your

1336

00:47:53,510 --> 00:47:52,559

perspective there seems to be a prelude

1337

00:47:55,829 --> 00:47:53,520

to this

1338

00:47:56,790 --> 00:47:55,839

every generation has

1339

00:47:59,910 --> 00:47:56,800

these

1340

00:48:02,309 --> 00:47:59,920

gatekeepers of knowledge

1341

00:48:05,270 --> 00:48:02,319

you know these burners of the library of

1342

00:48:06,870 --> 00:48:05,280

alexandria people they just want to burn

1343

00:48:09,109 --> 00:48:06,880

it all down because they don't want to

1344

00:48:11,109 --> 00:48:09,119

give up control and power and it's it's

1345

00:48:13,829 --> 00:48:11,119

very archonic

1346

00:48:15,430 --> 00:48:13,839

yeah absolutely 100 and i would again i

1347

00:48:17,030 --> 00:48:15,440

would say that the vatican is is

1348

00:48:18,309 --> 00:48:17,040

probably the most guilty of this i mean

1349

00:48:20,549 --> 00:48:18,319

they killed people for thousands of

1350

00:48:23,109 --> 00:48:20,559

years just for you know thinking outside

1351

00:48:27,670 --> 00:48:25,270

yeah so true so true but i'll tell you

1352

00:48:30,630 --> 00:48:27,680

what gosh what i wouldn't do to look in

1353

00:48:32,069 --> 00:48:30,640

those archives my goodness

1354

00:48:34,309 --> 00:48:32,079

yeah that would be pretty cool it would

1355

00:48:36,150 --> 00:48:34,319

be so cool um chris there's actually a

1356

00:48:37,589 --> 00:48:36,160

picture of my dad in there by the way oh

1357

00:48:39,349 --> 00:48:37,599

my gosh no way

1358

00:48:40,230 --> 00:48:39,359

so i was just gonna ask you about that

1359

00:48:43,030 --> 00:48:40,240

um

1360

00:48:45,349 --> 00:48:43,040

your dad uh and your your younger

1361

00:48:47,910 --> 00:48:45,359

brother chris had this experience i'm

1362

00:48:50,230 --> 00:48:47,920

sorry i'm sorry older brother it's okay

1363

00:48:51,190 --> 00:48:50,240

chris um they

1364

00:48:57,030 --> 00:48:51,200

they had

1365

00:48:59,109 --> 00:48:57,040

very intriguing and i want to get into

1366

00:49:00,710 --> 00:48:59,119

how mufon handled that and what your

1367

00:49:04,150 --> 00:49:00,720

opinion was of that really quick as we

1368

00:49:05,910 --> 00:49:04,160

wrap up if we can sure sure sure yeah um

1369

00:49:08,150 --> 00:49:05,920

yeah so it wasn't good they didn't

1370

00:49:10,230 --> 00:49:08,160

handle it good i'm going to be honest um

1371

00:49:11,990 --> 00:49:10,240

on the one hand they showed up

1372

00:49:13,670 --> 00:49:12,000

so they told us face to face that they

1373

00:49:16,069 --> 00:49:13,680

get about 2 000 reports a month and that

1374

00:49:18,710 --> 00:49:16,079

was back in 2007 i imagine it's way more

1375

00:49:20,069 --> 00:49:18,720

now um and that's the reason they told

1376

00:49:21,670 --> 00:49:20,079

us in the first place they were so

1377

00:49:23,910 --> 00:49:21,680

interested in our case the second it was

1378

00:49:25,430 --> 00:49:23,920

published because they get 2 000 or

1379

00:49:26,710 --> 00:49:25,440

whatever reports a month and they just

1380

00:49:27,990 --> 00:49:26,720

sift through them and don't even give

1381

00:49:30,069 --> 00:49:28,000

them attention and then when my dad

1382

00:49:32,069 --> 00:49:30,079

wrote his report the words and the

1383

00:49:33,430 --> 00:49:32,079

descriptions that he used and then later

1384

00:49:35,349 --> 00:49:33,440

they sent us a packet in the mail and

1385

00:49:37,430 --> 00:49:35,359

the pictures that my dad drew were kind

1386

00:49:39,430 --> 00:49:37,440

of like a red flag they knew right away

1387

00:49:40,710 --> 00:49:39,440

um that it was legitimate because this

1388

00:49:42,470 --> 00:49:40,720

this kind of experience has been

1389

00:49:44,790 --> 00:49:42,480

described for decades and who knows

1390

00:49:47,510 --> 00:49:44,800

maybe even centuries and again that's

1391

00:49:48,470 --> 00:49:47,520

something i later in my adult life

1392

00:49:50,069 --> 00:49:48,480

asked

1393

00:49:52,710 --> 00:49:50,079

that same individual i was referring to

1394

00:49:56,069 --> 00:49:52,720

earlier the extremely high level cia guy

1395

00:49:57,750 --> 00:49:56,079

and i asked him um when did you know

1396

00:50:00,309 --> 00:49:57,760

about our family and he kind of smiled

1397

00:50:02,710 --> 00:50:00,319

and he said the second it was reported

1398

00:50:05,109 --> 00:50:02,720

you know like yeah and he told me that

1399

00:50:07,109 --> 00:50:05,119

the the the case um had been passed

1400

00:50:09,430 --> 00:50:07,119

around the intelligence agencies

1401

00:50:12,630 --> 00:50:09,440

his words were it's the uh the number

1402

00:50:15,270 --> 00:50:12,640

one studied ufo case of all time across

1403

00:50:17,430 --> 00:50:15,280

uh the global intelligence agencies

1404

00:50:20,549 --> 00:50:17,440

and um anyway so

1405

00:50:22,309 --> 00:50:20,559

he did tell me that the guy who was in

1406

00:50:24,390 --> 00:50:22,319

charge of mufon at the time who was

1407

00:50:26,069 --> 00:50:24,400

mysteriously installed

1408

00:50:28,230 --> 00:50:26,079

what this individual told me was that

1409

00:50:32,470 --> 00:50:28,240

that guy was um

1410

00:50:34,630 --> 00:50:32,480

a lower level cia dude whose basic

1411

00:50:36,390 --> 00:50:34,640

uh job was to get in there hack our

1412

00:50:38,309 --> 00:50:36,400

story to death and then get out

1413

00:50:40,150 --> 00:50:38,319

and when they showed up on our property

1414

00:50:41,589 --> 00:50:40,160

so now we're going back in time to 2007

1415

00:50:42,390 --> 00:50:41,599

when they showed up we didn't know any

1416

00:50:44,870 --> 00:50:42,400

of this

1417

00:50:46,470 --> 00:50:44,880

okay we it was we had the experiences i

1418

00:50:48,710 --> 00:50:46,480

was a 13 year old kid

1419

00:50:50,230 --> 00:50:48,720

my brother was like 17 we're all kids

1420

00:50:52,150 --> 00:50:50,240

right haven't met anybody in the

1421

00:50:54,710 --> 00:50:52,160

government yet dad puts a story out

1422

00:50:56,069 --> 00:50:54,720

there on the internet on mufon.com and

1423

00:50:58,230 --> 00:50:56,079

then they start showing up telling us

1424

00:50:59,829 --> 00:50:58,240

they want to help us and you know like

1425

00:51:01,190 --> 00:50:59,839

vindicate our family and show us to the

1426
00:51:03,910 --> 00:51:01,200
world and it's going to be a blockbuster

1427
00:51:06,230 --> 00:51:03,920
hit and we believe them naively

1428
00:51:08,309 --> 00:51:06,240
and um very excited they start getting

1429
00:51:10,309 --> 00:51:08,319
on the production

1430
00:51:11,109 --> 00:51:10,319
the following summer and then

1431
00:51:12,630 --> 00:51:11,119
they

1432
00:51:14,309 --> 00:51:12,640
weren't exactly

1433
00:51:17,270 --> 00:51:14,319
always polite to us in the way that they

1434
00:51:21,190 --> 00:51:17,280
dealt with us i'll just leave it at that

1435
00:51:23,589 --> 00:51:21,200
and they essentially discarded a lot of

1436
00:51:25,670 --> 00:51:23,599
the data that they found in our property

1437
00:51:26,950 --> 00:51:25,680
like radiation samples in the grass and

1438
00:51:28,470 --> 00:51:26,960

in the trees where the entity was

1439

00:51:30,470 --> 00:51:28,480

standing as a matter of fact where the

1440

00:51:33,510 --> 00:51:30,480

entity was standing in our yard

1441

00:51:35,109 --> 00:51:33,520

it had become so irradiated that limbs

1442

00:51:37,430 --> 00:51:35,119

major limbs

1443

00:51:39,349 --> 00:51:37,440

were falling off and turning orange

1444

00:51:41,109 --> 00:51:39,359

they didn't air any of that they found

1445

00:51:43,589 --> 00:51:41,119

samples in the grass didn't air any of

1446

00:51:45,430 --> 00:51:43,599

that um all they aired was the talking

1447

00:51:48,150 --> 00:51:45,440

and the story and the speculation and

1448

00:51:50,309 --> 00:51:48,160

then the box lie detector test which in

1449

00:51:52,549 --> 00:51:50,319

reality what happened there was they

1450

00:51:53,910 --> 00:51:52,559

asked my dad 30 plus questions over four

1451

00:51:55,670 --> 00:51:53,920

hours until he finally got an

1452

00:51:57,510 --> 00:51:55,680

inconclusive answer

1453

00:51:58,390 --> 00:51:57,520

and then they ran with that publicly

1454

00:52:00,069 --> 00:51:58,400

and

1455

00:52:01,349 --> 00:52:00,079

overall not good

1456

00:52:04,069 --> 00:52:01,359

um

1457

00:52:06,470 --> 00:52:04,079

not a good experience not a genuinely

1458

00:52:08,470 --> 00:52:06,480

altruistic organization and i would

1459

00:52:10,950 --> 00:52:08,480

honestly caution people

1460

00:52:13,030 --> 00:52:10,960

to be very careful of any public

1461

00:52:14,150 --> 00:52:13,040

organization

1462

00:52:15,510 --> 00:52:14,160

that

1463

00:52:17,510 --> 00:52:15,520

deals with

1464

00:52:19,589 --> 00:52:17,520

any sort of ufo

1465

00:52:20,950 --> 00:52:19,599

descriptions or investigations or

1466

00:52:22,549 --> 00:52:20,960

anything like that because from my

1467

00:52:24,630 --> 00:52:22,559

experience which

1468

00:52:26,470 --> 00:52:24,640

you know i would wager to say has been

1469

00:52:28,069 --> 00:52:26,480

very intimately involved in this world

1470

00:52:30,230 --> 00:52:28,079

probably more than most

1471

00:52:32,309 --> 00:52:30,240

um is that it is a very slippery slope

1472

00:52:34,150 --> 00:52:32,319

to being abused and lied to and lied

1473

00:52:36,870 --> 00:52:34,160

about

1474

00:52:39,270 --> 00:52:36,880

yeah yeah i'm glad you said that it does

1475

00:52:41,589 --> 00:52:39,280

seem that these organizations have a

1476

00:52:44,069 --> 00:52:41,599

one-way valve and information goes in

1477

00:52:46,069 --> 00:52:44,079

and nothing comes out

1478

00:52:48,390 --> 00:52:46,079

now as we wrap up here i really want to

1479

00:52:50,710 --> 00:52:48,400

get into your podcast because it's one

1480

00:52:52,630 --> 00:52:50,720

of the best out there in my opinion can

1481

00:52:54,390 --> 00:52:52,640

you tell so much yeah can you tell our

1482

00:52:57,349 --> 00:52:54,400

listeners where they can listen to it

1483

00:52:59,270 --> 00:52:57,359

subscribe on youtube etc

1484

00:53:02,390 --> 00:52:59,280

absolutely so it is called bledsoe said

1485

00:53:04,150 --> 00:53:02,400

so like my last name b-l-e-b-s-o-e

1486

00:53:07,109 --> 00:53:04,160

um it's pretty much on all major

1487

00:53:09,750 --> 00:53:07,119

platforms like apple spotify youtube um

1488

00:53:11,190 --> 00:53:09,760

very soon it will be uploaded to patreon

1489

00:53:13,030 --> 00:53:11,200

we just don't have an official release

1490

00:53:15,109 --> 00:53:13,040

date on that yet but you know if they're

1491

00:53:17,190 --> 00:53:15,119

following our channels like twitter and

1492

00:53:19,349 --> 00:53:17,200

instagram they'll see all those um

1493

00:53:22,470 --> 00:53:19,359

um updates and then as well we are also

1494

00:53:24,230 --> 00:53:22,480

on rocks and rok fin and just for

1495

00:53:25,670 --> 00:53:24,240

simplicity it's just called let's aceto

1496

00:53:26,950 --> 00:53:25,680

across the board

1497

00:53:30,870 --> 00:53:26,960

that's great

1498

00:53:33,589 --> 00:53:30,880

and um getting back to the uh task the

1499

00:53:36,230 --> 00:53:33,599

the very last kind of question i have

1500

00:53:38,870 --> 00:53:36,240

these these spiritual entities that have

1501
00:53:41,030 --> 00:53:38,880
been talked about for millennia that we

1502
00:53:42,950 --> 00:53:41,040
know of forever yeah

1503
00:53:45,430 --> 00:53:42,960
they've always been described in

1504
00:53:48,790 --> 00:53:45,440
parlance of the times so

1505
00:53:51,109 --> 00:53:48,800
you know flying carpets or vamanas or

1506
00:53:53,190 --> 00:53:51,119
it's you know wheels in the sky it seems

1507
00:53:55,990 --> 00:53:53,200
like this is so obvious from at least

1508
00:53:57,589 --> 00:53:56,000
from my perspective but the semantics a

1509
00:54:00,069 --> 00:53:57,599
lot of people get caught up in it and

1510
00:54:02,309 --> 00:54:00,079
they get stuck in the mud and they they

1511
00:54:03,990 --> 00:54:02,319
lose track of it the it seems like the

1512
00:54:05,309 --> 00:54:04,000
modern buzzwords

1513
00:54:08,309 --> 00:54:05,319

as you mentioned

1514

00:54:09,750 --> 00:54:08,319

ultra-terrestrial interdimensional

1515

00:54:12,309 --> 00:54:09,760

um

1516

00:54:15,190 --> 00:54:12,319

how how can people rise above that not

1517

00:54:17,670 --> 00:54:15,200

get stuck in the mud with the semantics

1518

00:54:20,549 --> 00:54:17,680

and uh do

1519

00:54:24,390 --> 00:54:20,559

research with ufology in a positive way

1520

00:54:26,390 --> 00:54:24,400

that incorporates what you've found

1521

00:54:27,829 --> 00:54:26,400

honestly um this might be an answer you

1522

00:54:29,510 --> 00:54:27,839

didn't expect but i really encourage

1523

00:54:31,270 --> 00:54:29,520

people to look into the events of my

1524

00:54:33,030 --> 00:54:31,280

family and what has happened and just

1525

00:54:35,190 --> 00:54:33,040

and just a simple google search at all

1526
00:54:36,870 --> 00:54:35,200
these uh government agents who that

1527
00:54:39,430 --> 00:54:36,880
we've been kind of hinting at and and

1528
00:54:40,870 --> 00:54:39,440
like there's photos online of all this

1529
00:54:42,230 --> 00:54:40,880
you know digital receipts of all this

1530
00:54:44,710 --> 00:54:42,240
having really happened

1531
00:54:47,190 --> 00:54:44,720
and i would just urge people to walk

1532
00:54:50,069 --> 00:54:47,200
away with this that whatever you're

1533
00:54:52,549 --> 00:54:50,079
being told in the mainstream

1534
00:54:55,670 --> 00:54:52,559
always double check it and honestly i

1535
00:54:57,430 --> 00:54:55,680
would say reprogram yourself to not ever

1536
00:54:59,109 --> 00:54:57,440
believe it at first

1537
00:55:00,069 --> 00:54:59,119
sight or first time hearing it or

1538
00:55:01,829 --> 00:55:00,079

whatever

1539

00:55:04,710 --> 00:55:01,839

and um you know the fact of the matter

1540

00:55:07,510 --> 00:55:04,720

is here that there has been an agenda

1541

00:55:10,069 --> 00:55:07,520

since since recorded history for the

1542

00:55:12,870 --> 00:55:10,079

we'll just call them the priestly class

1543

00:55:14,950 --> 00:55:12,880

to suppress the masses and have a very

1544

00:55:15,829 --> 00:55:14,960

limited understanding of

1545

00:55:16,630 --> 00:55:15,839

our

1546

00:55:19,270 --> 00:55:16,640

um

1547

00:55:21,750 --> 00:55:19,280

inner nature and our personal power that

1548

00:55:24,390 --> 00:55:21,760

we contain as all of us being

1549

00:55:26,309 --> 00:55:24,400

um souls that you know are coming into

1550

00:55:27,990 --> 00:55:26,319

this world to learn lessons and to kind

1551
00:55:29,910 --> 00:55:28,000
of spiritually evolve

1552
00:55:31,670 --> 00:55:29,920
and i would just say that when you have

1553
00:55:33,990 --> 00:55:31,680
people in the mainstream media telling

1554
00:55:37,030 --> 00:55:34,000
you that actually in reality it's

1555
00:55:39,750 --> 00:55:37,040
awesome accidental biological explosion

1556
00:55:41,510 --> 00:55:39,760
of amoebas and and and soup in the ocean

1557
00:55:43,589 --> 00:55:41,520
crawling out and you know you're on a

1558
00:55:45,829 --> 00:55:43,599
spinning rock going through an infinite

1559
00:55:47,510 --> 00:55:45,839
void and actually nothing matters

1560
00:55:49,190 --> 00:55:47,520
whatsoever philosophically and you

1561
00:55:50,950 --> 00:55:49,200
should just look at the data and the

1562
00:55:52,390 --> 00:55:50,960
hard facts if if you're kind of like

1563
00:55:53,750 --> 00:55:52,400

invested into that you should take a

1564

00:55:55,030 --> 00:55:53,760

step back and say

1565

00:55:57,589 --> 00:55:55,040

maybe there is something more maybe

1566

00:55:59,270 --> 00:55:57,599

there is something profound behind why i

1567

00:56:00,710 --> 00:55:59,280

can even speak

1568

00:56:02,390 --> 00:56:00,720

and you know interact with other

1569

00:56:03,829 --> 00:56:02,400

conscious beings in the first place you

1570

00:56:05,270 --> 00:56:03,839

know maybe that in and of itself is

1571

00:56:08,230 --> 00:56:05,280

magical

1572

00:56:09,910 --> 00:56:08,240

man you nailed it you nailed it

1573

00:56:12,710 --> 00:56:09,920

and um

1574

00:56:15,589 --> 00:56:12,720

yeah this is this has been amazing uh

1575

00:56:17,670 --> 00:56:15,599

this podcast went exactly where i wanted

1576

00:56:19,030 --> 00:56:17,680

it to go and i i didn't think that it

1577

00:56:22,549 --> 00:56:19,040

would go that way so i'm really glad

1578

00:56:25,510 --> 00:56:22,559

that you uh you took it there man and

1579

00:56:27,589 --> 00:56:25,520

you discuss these entities of light that

1580

00:56:31,190 --> 00:56:27,599

something that i think is is a good way

1581

00:56:32,789 --> 00:56:31,200

to discuss this intelligence and um yeah

1582

00:56:35,670 --> 00:56:32,799

thanks again for coming on and until

1583

00:56:37,589 --> 00:56:35,680

next time uh yeah i hope all is well and

1584

00:56:39,990 --> 00:56:37,599

we do this again sometime

1585

00:56:42,230 --> 00:56:40,000

absolutely yeah we can set it up man and

1586

00:56:43,670 --> 00:56:42,240

um you know i i just have to say we'll

1587

00:56:45,109 --> 00:56:43,680

we'll just have to have a follow-up

1588

00:56:47,109 --> 00:56:45,119

conversation about possibly getting you

1589

00:56:49,190 --> 00:56:47,119

on my show to talk skinwalker

1590

00:56:51,109 --> 00:56:49,200

would love to that would be great

1591

00:56:52,549 --> 00:56:51,119

okay excellent all right man well i

1592

00:56:55,270 --> 00:56:52,559

actually really enjoyed it thank you so

1593

00:56:58,069 --> 00:56:55,280

much well there you have it ladies and

1594

00:56:59,109 --> 00:56:58,079

gentlemen ryan bledsoe we're talking

1595

00:57:01,829 --> 00:56:59,119

about

1596

00:57:04,950 --> 00:57:01,839

some of the most verified

1597

00:57:06,630 --> 00:57:04,960

real legitimate encounters

1598

00:57:10,150 --> 00:57:06,640

connections

1599

00:57:13,589 --> 00:57:10,160

situations that continue to this day a

1600

00:57:16,230 --> 00:57:13,599

family that in my opinion is blessed

1601
00:57:18,230 --> 00:57:16,240
and these are spiritual entities who not

1602
00:57:19,349 --> 00:57:18,240
only care about them but they're keeping

1603
00:57:20,309 --> 00:57:19,359
watch

1604
00:57:36,390 --> 00:57:20,319
i

1605
00:57:39,030 --> 00:57:36,400
to

1606
00:57:41,750 --> 00:57:39,040
descriptively and theoretically deal

1607
00:57:43,910 --> 00:57:41,760
with something that has been manipulated

1608
00:57:44,870 --> 00:57:43,920
from the media's perspective

1609
00:57:47,510 --> 00:57:44,880
and

1610
00:57:49,829 --> 00:57:47,520
the narrative has been little green men

1611
00:57:52,470 --> 00:57:49,839
in flying saucers we need to turn that

1612
00:57:54,150 --> 00:57:52,480
on its head we need to concentrate on

1613
00:57:55,750 --> 00:57:54,160

real encounters like the bledsoe

1614

00:57:58,069 --> 00:57:55,760

families encounter

1615

00:58:00,789 --> 00:57:58,079

see what is being exchanged from an

1616

00:58:02,470 --> 00:58:00,799

information perspective because

1617

00:58:04,630 --> 00:58:02,480

there's very real

1618

00:58:06,870 --> 00:58:04,640

exchange of information

1619

00:58:09,910 --> 00:58:06,880

attention being given to this

1620

00:58:13,349 --> 00:58:09,920

from all kinds of operational forces

1621

00:58:15,670 --> 00:58:13,359

both in and out of the government so

1622

00:58:17,750 --> 00:58:15,680

let's get back to what's important

1623

00:58:20,789 --> 00:58:17,760

these instances

1624

00:58:23,589 --> 00:58:20,799

of beings of light being witnessed

1625

00:58:25,589 --> 00:58:23,599

throughout millennia has been documented

1626
00:58:26,950 --> 00:58:25,599
i mean let's not get into

1627
00:58:27,750 --> 00:58:26,960
the quran

1628
00:58:30,710 --> 00:58:27,760
the

1629
00:58:33,670 --> 00:58:30,720
this is this is every culture has a

1630
00:58:34,829 --> 00:58:33,680
version if not multiple versions of the

1631
00:58:37,349 --> 00:58:34,839
same

1632
00:58:39,430 --> 00:58:37,359
extremely important

1633
00:58:41,750 --> 00:58:39,440
spiritual entities

1634
00:58:42,789 --> 00:58:41,760
that are entering our reality and

1635
00:58:46,630 --> 00:58:42,799
exiting

1636
00:58:49,190 --> 00:58:46,640
with ease able to bend space and time

1637
00:58:50,390 --> 00:58:49,200
and manipulate a lot of other things

1638
00:58:52,069 --> 00:58:50,400

so

1639

00:58:54,230 --> 00:58:52,079

for those unaware with this new

1640

00:58:57,430 --> 00:58:54,240

perspective of looking at the et

1641

00:58:59,190 --> 00:58:57,440

phenomena the ufo phenomena let's take

1642

00:59:01,910 --> 00:58:59,200

it a little bit further

1643

00:59:05,270 --> 00:59:01,920

and look at it through biblical

1644

00:59:07,109 --> 00:59:05,280

and other formats because this is very

1645

00:59:10,150 --> 00:59:07,119

important data that we have at our

1646

00:59:11,750 --> 00:59:10,160

disposal that many people aren't even

1647

00:59:15,829 --> 00:59:11,760

looking at

1648

00:59:17,589 --> 00:59:15,839

not even accepting the possibility and i

1649

00:59:19,990 --> 00:59:17,599

think that's unfortunate from a data

1650

00:59:21,829 --> 00:59:20,000

collection perspective this this should

1651
00:59:24,309 --> 00:59:21,839
be important

1652
00:59:25,430 --> 00:59:24,319
and something else that is important

1653
00:59:27,750 --> 00:59:25,440
is

1654
00:59:29,430 --> 00:59:27,760
i can't remember where i heard it but

1655
00:59:33,190 --> 00:59:29,440
the

1656
00:59:35,829 --> 00:59:33,200
pazulka

1657
00:59:37,990 --> 00:59:35,839
tyler durden aka the character

1658
00:59:39,589 --> 00:59:38,000
from fight club is what he has been

1659
00:59:42,710 --> 00:59:39,599
nicknamed

1660
00:59:45,349 --> 00:59:42,720
it was told that he was tasked

1661
00:59:47,349 --> 00:59:45,359
to learn about the phenomena from a

1662
00:59:50,390 --> 00:59:47,359
spiritual perspective

1663
00:59:52,309 --> 00:59:50,400

sounds like a pretty good task to me

1664

00:59:54,870 --> 00:59:52,319

and uh i think we should all kind of

1665

00:59:55,910 --> 00:59:54,880

task ourselves to do that and rise above

1666

00:59:58,230 --> 00:59:55,920

the fear

1667

01:00:00,870 --> 00:59:58,240

rise above the control and rise above

1668

01:00:03,109 --> 01:00:00,880

the scarcity to

1669

01:00:05,190 --> 01:00:03,119

an abundance a living a little bit

1670

01:00:06,789 --> 01:00:05,200

better than we are now

1671

01:00:08,870 --> 01:00:06,799

until next time

1672

01:00:10,870 --> 01:00:08,880

keep your eyes to the skies feet on the

1673
