

1
00:00:04,789 --> 00:00:02,070
corporate job and move to the desolate

2
00:00:08,150 --> 00:00:04,799
and remote basin to investigate

3
00:00:11,030 --> 00:00:08,160
the high strangeness full-time

4
00:00:12,230 --> 00:00:11,040
ryan allen's property named space wolf

5
00:00:16,950 --> 00:00:12,240
research

6
00:00:19,590 --> 00:00:16,960
swr skinwalker ranch in hint

7
00:00:21,670 --> 00:00:19,600
but all unique on its own

8
00:00:23,429 --> 00:00:21,680
doing a lot of research there i've been

9
00:00:26,470 --> 00:00:23,439
a couple times now

10
00:00:28,470 --> 00:00:26,480
and it overlooks the old infamous

11
00:00:31,109 --> 00:00:28,480
bigelow ranch

12
00:00:32,389 --> 00:00:31,119
he hosts the popular podcast hero

13
00:00:34,709 --> 00:00:32,399

paranormal

14

00:00:35,910 --> 00:00:34,719

and has written multiple books about his

15

00:00:37,430 --> 00:00:35,920

experience

16

00:00:40,310 --> 00:00:37,440

investigating

17

00:00:42,549 --> 00:00:40,320

skinwalkers

18

00:00:45,270 --> 00:00:42,559

he has been featured on tv shows ancient

19

00:00:48,310 --> 00:00:45,280

highway haunted highway portals to hell

20

00:00:50,630 --> 00:00:48,320

and mysteries of the outdoors we were

21

00:00:53,670 --> 00:00:50,640

filming for

22

00:00:56,630 --> 00:00:53,680

choco canyon which is in new mexico but

23

00:00:59,750 --> 00:00:56,640

we were actually filming in albuquerque

24

00:01:01,670 --> 00:00:59,760

where they did the intro to breaking bad

25

00:01:04,149 --> 00:01:01,680

oh yeah they do a lot of filming out

26

00:01:06,149 --> 00:01:04,159

there i guess and so

27

00:01:07,670 --> 00:01:06,159

ryan and i have been friends ever since

28

00:01:11,750 --> 00:01:07,680

and hitting along great ladies and

29

00:01:11,760 --> 00:01:15,030

[Applause]

30

00:01:19,990 --> 00:01:17,670

hi everybody ryan

31

00:01:21,990 --> 00:01:20,000

well you guys have had some pretty

32

00:01:24,830 --> 00:01:22,000

interesting tidbits thrown at you about

33

00:01:27,910 --> 00:01:24,840

the uh basin of utah you had dwayne

34

00:01:28,870 --> 00:01:27,920

ollinger and james keenan who

35

00:01:29,830 --> 00:01:28,880

are

36

00:01:31,830 --> 00:01:29,840

you know

37

00:01:33,510 --> 00:01:31,840

they they're really really swinging for

38

00:01:35,190 --> 00:01:33,520

the fences so i hope that this just

39

00:01:37,510 --> 00:01:35,200

knocks it out of the park

40

00:01:39,030 --> 00:01:37,520

um

41

00:01:41,590 --> 00:01:39,040

before

42

00:01:43,670 --> 00:01:41,600

anybody had ever heard the name

43

00:01:46,310 --> 00:01:43,680

skinwalker ranch

44

00:01:47,990 --> 00:01:46,320

i was a fly fishing guide in the uh

45

00:01:50,710 --> 00:01:48,000

basin of utah just northeast of their

46

00:01:53,590 --> 00:01:50,720

flaming gorge a little town called dutch

47

00:01:56,310 --> 00:01:53,600

john utah it has a population of 200 in

48

00:01:58,950 --> 00:01:56,320

the summer and 100 in the winter

49

00:01:59,990 --> 00:01:58,960

so you kind of get the idea

50

00:02:02,230 --> 00:02:00,000

um

51
00:02:04,870 --> 00:02:02,240
i kind of gradually worked up the ranks

52
00:02:07,590 --> 00:02:04,880
became head guide to a fly fishing

53
00:02:08,469 --> 00:02:07,600
operation and i injured myself working

54
00:02:10,309 --> 00:02:08,479
through

55
00:02:12,630 --> 00:02:10,319
a very strange situation and i'll kind

56
00:02:15,589 --> 00:02:12,640
of go into that a little bit

57
00:02:18,070 --> 00:02:15,599
i had um met a friend of mine who was a

58
00:02:19,750 --> 00:02:18,080
stone mason and he had pointed out that

59
00:02:21,670 --> 00:02:19,760
there were some really unique rocks as

60
00:02:23,750 --> 00:02:21,680
well as other things in the basin

61
00:02:25,589 --> 00:02:23,760
and these particular rocks glow in the

62
00:02:26,550 --> 00:02:25,599
dark and he said these are pretty common

63
00:02:27,670 --> 00:02:26,560

you can get these you can put them in

64

00:02:29,910 --> 00:02:27,680

your yard and you're going to have the

65

00:02:33,190 --> 00:02:29,920

coolest house in town so

66

00:02:34,869 --> 00:02:33,200

this seemed like the coolest idea ever

67

00:02:36,229 --> 00:02:34,879

i went out one night because you want

68

00:02:39,190 --> 00:02:36,239

them to glow you want to see them with a

69

00:02:40,869 --> 00:02:39,200

special light and i started to pick up

70

00:02:42,150 --> 00:02:40,879

these rocks

71

00:02:44,309 --> 00:02:42,160

what i noticed

72

00:02:47,750 --> 00:02:44,319

was they're amazing like a lot of things

73

00:02:49,670 --> 00:02:47,760

in the basin raw rugged and fascinating

74

00:02:52,790 --> 00:02:49,680

then i noticed a light coming through

75

00:02:55,350 --> 00:02:52,800

the trees now

76
00:02:57,190 --> 00:02:55,360
being where i was doing what i was doing

77
00:02:59,270 --> 00:02:57,200
on national forest land i don't know if

78
00:03:00,229 --> 00:02:59,280
there's laws against this

79
00:03:02,550 --> 00:03:00,239
so

80
00:03:04,390 --> 00:03:02,560
i had a pretty big one and i dropped it

81
00:03:06,390 --> 00:03:04,400
and it broke my left toe

82
00:03:07,190 --> 00:03:06,400
and

83
00:03:11,589 --> 00:03:07,200
as

84
00:03:13,110 --> 00:03:11,599
and the bone project out the side of my

85
00:03:16,869 --> 00:03:13,120
foot

86
00:03:18,710 --> 00:03:16,879
i realized this is weird um the light

87
00:03:20,550 --> 00:03:18,720
that i thought was a car i was looking

88
00:03:22,470 --> 00:03:20,560

at it still i wasn't look feel i knew

89

00:03:23,270 --> 00:03:22,480

that i knew the toe was broken that was

90

00:03:24,949 --> 00:03:23,280

gone

91

00:03:27,030 --> 00:03:24,959

but i was looking at the light

92

00:03:31,750 --> 00:03:27,040

and

93

00:03:33,350 --> 00:03:31,760

was not a car not a car

94

00:03:34,949 --> 00:03:33,360

not a force ranger nothing along those

95

00:03:38,070 --> 00:03:34,959

lines so

96

00:03:39,670 --> 00:03:38,080

i took my gimpy butt back to my truck

97

00:03:41,589 --> 00:03:39,680

and i'm bleeding all over and thank

98

00:03:43,750 --> 00:03:41,599

goodness it was an automatic so

99

00:03:47,030 --> 00:03:43,760

my right foot got me home

100

00:03:48,869 --> 00:03:47,040

i got home and uh

101
00:03:50,390 --> 00:03:48,879
things with the toe got a little weird

102
00:03:53,190 --> 00:03:50,400
now

103
00:03:55,270 --> 00:03:53,200
up until this point i was fairly

104
00:03:57,030 --> 00:03:55,280
material materialistic

105
00:03:59,270 --> 00:03:57,040
yeah materialistic

106
00:04:00,710 --> 00:03:59,280
it was all about nuts and bolts forget

107
00:04:01,750 --> 00:04:00,720
the rest

108
00:04:04,070 --> 00:04:01,760
and

109
00:04:06,149 --> 00:04:04,080
what i started happening after after the

110
00:04:08,550 --> 00:04:06,159
toe i started seeing more of the lights

111
00:04:10,229 --> 00:04:08,560
in this area that is very sparsely

112
00:04:12,309 --> 00:04:10,239
populated

113
00:04:13,910 --> 00:04:12,319

so i went i had the toe fixed some weird

114

00:04:15,429 --> 00:04:13,920

things happened friends and myself

115

00:04:16,870 --> 00:04:15,439

noticed that

116

00:04:18,390 --> 00:04:16,880

cell phones would charge when they were

117

00:04:20,150 --> 00:04:18,400

close to the toe

118

00:04:22,390 --> 00:04:20,160

um

119

00:04:24,070 --> 00:04:22,400

it was really weird right

120

00:04:25,189 --> 00:04:24,080

i paid no attention i'm like hey i need

121

00:04:26,710 --> 00:04:25,199

to get the tow

122

00:04:28,629 --> 00:04:26,720

healed and i need to get back to work i

123

00:04:31,270 --> 00:04:28,639

need to get back to fly fishing

124

00:04:33,030 --> 00:04:31,280

and um i'm losing money here so i need

125

00:04:36,070 --> 00:04:33,040

to get back to fly fishing

126

00:04:40,469 --> 00:04:38,870

put this down this is heavy

127

00:04:42,710 --> 00:04:40,479

awesome

128

00:04:44,230 --> 00:04:42,720

so i um

129

00:04:46,310 --> 00:04:44,240

i started looking for fresh water to

130

00:04:50,950 --> 00:04:46,320

fish while i was injured because i

131

00:04:54,870 --> 00:04:52,469

worked on

132

00:04:58,230 --> 00:04:54,880

and that's a whole other story

133

00:05:00,870 --> 00:04:58,240

okay so um

134

00:05:02,629 --> 00:05:00,880

where do i go from here

135

00:05:04,070 --> 00:05:02,639

wow okay

136

00:05:06,550 --> 00:05:04,080

i'm looking for fresh water to make a

137

00:05:08,950 --> 00:05:06,560

long story short

138

00:05:10,629 --> 00:05:08,960

i'm following major tributaries i'm head

139

00:05:12,469 --> 00:05:10,639

guide to a fly fishing corporation i'm

140

00:05:14,870 --> 00:05:12,479

looking where all the big fish should be

141

00:05:16,469 --> 00:05:14,880

right but i find a big fish that i never

142

00:05:18,629 --> 00:05:16,479

thought was there

143

00:05:20,870 --> 00:05:18,639

um

144

00:05:23,670 --> 00:05:20,880

i go below bottle holler reservoir

145

00:05:25,430 --> 00:05:23,680

and i'm driving down

146

00:05:27,110 --> 00:05:25,440

a nameless dirt road

147

00:05:29,189 --> 00:05:27,120

to a

148

00:05:31,270 --> 00:05:29,199

area that has a

149

00:05:33,029 --> 00:05:31,280

fascinating ridge on the right very

150

00:05:35,909 --> 00:05:33,039

rugged very

151
00:05:37,270 --> 00:05:35,919
pronounced everything else is quite flat

152
00:05:39,189 --> 00:05:37,280
red rock

153
00:05:41,189 --> 00:05:39,199
and i get down and i'm like okay there's

154
00:05:43,670 --> 00:05:41,199
got to be a creek around here somewhere

155
00:05:44,790 --> 00:05:43,680
i did find some water sources and then i

156
00:05:46,950 --> 00:05:44,800
see

157
00:05:49,670 --> 00:05:46,960
an elderly what appears to be and i

158
00:05:51,749 --> 00:05:49,680
should put that in the quotation points

159
00:05:53,270 --> 00:05:51,759
what appears to be an elderly native

160
00:05:56,150 --> 00:05:53,280
american

161
00:05:58,469 --> 00:05:56,160
shuffling shuffling down this

162
00:06:00,390 --> 00:05:58,479
treacherous

163
00:06:03,670 --> 00:06:00,400

red rock mesa cliff

164

00:06:06,950 --> 00:06:03,680

huge rocks danger everywhere and

165

00:06:08,870 --> 00:06:06,960

very elderly looking a shawl a native

166

00:06:11,110 --> 00:06:08,880

american blanket over them and they're

167

00:06:13,590 --> 00:06:11,120

bouncing over rocks i'm sorry i'm kind

168

00:06:15,510 --> 00:06:13,600

of animated but they're coming down in a

169

00:06:16,710 --> 00:06:15,520

very robotic

170

00:06:17,990 --> 00:06:16,720

now that i look back at the time i

171

00:06:20,710 --> 00:06:18,000

didn't think this

172

00:06:22,550 --> 00:06:20,720

but a very robotic way like um it didn't

173

00:06:24,390 --> 00:06:22,560

something didn't look right but i knew

174

00:06:26,390 --> 00:06:24,400

that they were appeared to be older

175

00:06:28,150 --> 00:06:26,400

appear to be native american they were

176

00:06:29,909 --> 00:06:28,160

in the middle of nowhere i had a truck

177

00:06:32,150 --> 00:06:29,919

they didn't

178

00:06:34,550 --> 00:06:32,160

so i rolled down my window and i said do

179

00:06:37,029 --> 00:06:34,560

you want to ride somewhere

180

00:06:38,550 --> 00:06:37,039

they didn't say anything

181

00:06:40,790 --> 00:06:38,560

they kind of

182

00:06:42,710 --> 00:06:40,800

shuffled and they had uh that the shawl

183

00:06:44,710 --> 00:06:42,720

was sort of over their head

184

00:06:46,390 --> 00:06:44,720

and they shuffled over

185

00:06:49,350 --> 00:06:46,400

and um

186

00:06:51,670 --> 00:06:49,360

got right in the truck

187

00:06:51,680 --> 00:06:55,350

they're right next to me

188

00:07:00,070 --> 00:06:57,990

and uh i repeat my question uh where can

189

00:07:03,670 --> 00:07:00,080

i take you

190

00:07:06,150 --> 00:07:03,680

and no turn no interaction nothing at

191

00:07:08,390 --> 00:07:06,160

all all i see is

192

00:07:11,110 --> 00:07:08,400

basically a pronounced nose of sorts

193

00:07:12,070 --> 00:07:11,120

that looks very necrotic greasy

194

00:07:14,070 --> 00:07:12,080

dead

195

00:07:15,350 --> 00:07:14,080

grainy

196

00:07:18,469 --> 00:07:15,360

not human

197

00:07:21,589 --> 00:07:19,749

and

198

00:07:23,589 --> 00:07:21,599

almost immediately

199

00:07:26,870 --> 00:07:23,599

i am sent into

200

00:07:30,469 --> 00:07:28,469

sort of a

201
00:07:31,670 --> 00:07:30,479
comatose

202
00:07:34,469 --> 00:07:31,680
situation

203
00:07:36,309 --> 00:07:34,479
where i can feel this entity

204
00:07:38,550 --> 00:07:36,319
going through

205
00:07:40,309 --> 00:07:38,560
the highs of my life like the very best

206
00:07:41,589 --> 00:07:40,319
person i've ever been the best things

207
00:07:43,670 --> 00:07:41,599
i've ever done

208
00:07:45,350 --> 00:07:43,680
the lows of my life the very worst

209
00:07:47,749 --> 00:07:45,360
things i've ever done the things i would

210
00:07:49,110 --> 00:07:47,759
never want anybody to do so this thing

211
00:07:51,510 --> 00:07:49,120
is going through

212
00:07:53,909 --> 00:07:51,520
the lows of my life the highs of my life

213
00:07:55,029 --> 00:07:53,919

and it's just like a rolodex just going

214

00:07:57,189 --> 00:07:55,039

through them

215

00:07:59,589 --> 00:07:57,199

uh reading them reading me

216

00:08:01,270 --> 00:07:59,599

reading me just just uh

217

00:08:04,230 --> 00:08:01,280

mind

218

00:08:11,110 --> 00:08:07,110

almost an iconic feeding

219

00:08:23,670 --> 00:08:12,469

and

220

00:08:25,430 --> 00:08:23,680

almost three hours

221

00:08:27,670 --> 00:08:25,440

i was

222

00:08:29,909 --> 00:08:27,680

found by the bureau of indian affairs at

223

00:08:31,749 --> 00:08:29,919

bottle hall reservoir great guys by the

224

00:08:33,829 --> 00:08:31,759

way awesome

225

00:08:37,110 --> 00:08:33,839

and i'm hanging out of my truck i've got

226

00:08:39,509 --> 00:08:37,120

my seat belt sort of like

227

00:08:40,949 --> 00:08:39,519

almost around my neck and it's holding

228

00:08:42,709 --> 00:08:40,959

me in the truck

229

00:08:44,070 --> 00:08:42,719

so i'm it's obvious that i was trying to

230

00:08:45,750 --> 00:08:44,080

get out of the truck and the seat belt's

231

00:08:47,990 --> 00:08:45,760

holding me in

232

00:08:49,990 --> 00:08:48,000

and um they come up they do all the

233

00:08:51,670 --> 00:08:50,000

field sobriety tests and everything and

234

00:08:53,430 --> 00:08:51,680

they ask me what happened man like what

235

00:08:56,470 --> 00:08:53,440

are you doing what are you doing i said

236

00:08:58,150 --> 00:08:56,480

hey i'm just looking for water to fish

237

00:09:00,630 --> 00:08:58,160

i've had

238

00:09:01,910 --> 00:09:00,640

kind of an afternoon

239

00:09:02,949 --> 00:09:01,920

and

240

00:09:04,949 --> 00:09:02,959

i don't know what's going on i don't

241

00:09:05,750 --> 00:09:04,959

even know where i'm at

242

00:09:13,269 --> 00:09:05,760

and

243

00:09:16,949 --> 00:09:14,870

that word

244

00:09:18,870 --> 00:09:16,959

the first time i ever heard it

245

00:09:20,790 --> 00:09:18,880

i get a little emotional

246

00:09:22,550 --> 00:09:20,800

first time i ever heard it

247

00:09:25,350 --> 00:09:22,560

but i never thought that my life would

248

00:09:28,230 --> 00:09:25,360

be completely hijacked by this

249

00:09:29,190 --> 00:09:28,240

intelligence um

250

00:10:14,230 --> 00:09:29,200

i

251
00:10:15,350 --> 00:10:14,240
and

252
00:10:16,829 --> 00:10:15,360
it almost seemed like these ideas

253
00:10:18,710 --> 00:10:16,839
weren't mine

254
00:10:20,790 --> 00:10:18,720
um so

255
00:10:25,590 --> 00:10:20,800
i

256
00:10:27,990 --> 00:10:25,600
the up at the

257
00:10:29,670 --> 00:10:28,000
dutch john utah the flaming gorge

258
00:10:31,350 --> 00:10:29,680
and i was gonna go to the big city and

259
00:10:33,110 --> 00:10:31,360
and then make it in corporate america

260
00:10:35,509 --> 00:10:33,120
because i had all these ideas

261
00:10:37,829 --> 00:10:35,519
so i go to the big city i do my thing

262
00:10:39,430 --> 00:10:37,839
corporate america whatever

263
00:10:41,670 --> 00:10:39,440

in the back of my mind i'm still

264

00:10:43,590 --> 00:10:41,680

thinking like

265

00:10:44,790 --> 00:10:43,600

something's wrong like this whole thing

266

00:10:46,230 --> 00:10:44,800

something's wrong with this whole

267

00:10:47,509 --> 00:10:46,240

picture because i know there's something

268

00:10:50,550 --> 00:10:47,519

out there that's not supposed to be out

269

00:10:51,430 --> 00:10:50,560

there and it's very powerful

270

00:10:54,630 --> 00:10:51,440

so

271

00:10:57,509 --> 00:10:54,640

when i can afford it i quit my job

272

00:10:59,030 --> 00:10:57,519

i rent my house and i move full time to

273

00:11:00,870 --> 00:10:59,040

the basin

274

00:11:02,630 --> 00:11:00,880

my plan was to move as

275

00:11:05,509 --> 00:11:02,640

close as possible to where this

276

00:11:08,949 --> 00:11:05,519

life-changing event took place

277

00:11:10,710 --> 00:11:08,959

my parents are like no man um

278

00:11:13,590 --> 00:11:10,720

give yourself 20 minutes buffer or

279

00:11:15,590 --> 00:11:13,600

something anything so i was like okay i

280

00:11:17,030 --> 00:11:15,600

finally find a place uh

281

00:11:18,790 --> 00:11:17,040

it's very hard to find anything in the

282

00:11:22,069 --> 00:11:18,800

basement it's not

283

00:11:23,030 --> 00:11:22,079

a trailer with 40 acres

284

00:11:23,990 --> 00:11:23,040

so

285

00:11:25,829 --> 00:11:24,000

um

286

00:11:26,790 --> 00:11:25,839

nothing against that i saw a lot of

287

00:11:28,949 --> 00:11:26,800

those

288

00:11:30,710 --> 00:11:28,959

but i finally found a bed of breakfast

289

00:11:32,550 --> 00:11:30,720

which was like going to require a lot of

290

00:11:34,230 --> 00:11:32,560

work but it would allow me to be in the

291

00:11:36,470 --> 00:11:34,240

basin while i practiced being a

292

00:11:38,230 --> 00:11:36,480

wilderness guide for troubled teens

293

00:11:39,590 --> 00:11:38,240

and i kind of had a home-based operation

294

00:11:41,590 --> 00:11:39,600

the money were coming in and i could

295

00:11:46,470 --> 00:11:41,600

explain to everybody why i'm researching

296

00:11:53,590 --> 00:11:48,550

keep in mind the skinwalker ranch is

297

00:11:56,550 --> 00:11:55,670

okay so i move up there i start doing

298

00:11:57,910 --> 00:11:56,560

the

299

00:11:59,430 --> 00:11:57,920

wilderness guide for trouble teens

300

00:12:00,710 --> 00:11:59,440

training

301
00:12:03,110 --> 00:12:00,720
i am

302
00:12:04,710 --> 00:12:03,120
renting rooms at this veteran breakfast

303
00:12:06,710 --> 00:12:04,720
that was turnkey but required a lot of

304
00:12:08,389 --> 00:12:06,720
work i bought it from an older lady

305
00:12:10,389 --> 00:12:08,399
everything's going great

306
00:12:11,829 --> 00:12:10,399
and i start getting very interesting oh

307
00:12:13,430 --> 00:12:11,839
and i'm researching

308
00:12:19,190 --> 00:12:13,440
this

309
00:12:21,190 --> 00:12:19,200
which is crazy so like at night

310
00:12:24,230 --> 00:12:21,200
i have all the time in the world

311
00:12:25,990 --> 00:12:24,240
and i'm able to go to this place where i

312
00:12:27,190 --> 00:12:26,000
had something weird happen and things

313
00:12:28,150 --> 00:12:27,200

keep happening

314

00:12:30,629 --> 00:12:28,160

so

315

00:12:32,629 --> 00:12:30,639

i'm getting videos and stuff and i think

316

00:12:34,870 --> 00:12:32,639

this is really interesting

317

00:12:36,710 --> 00:12:34,880

what you'll find here is one of

318

00:12:39,110 --> 00:12:36,720

the first

319

00:12:41,310 --> 00:12:39,120

what i would call

320

00:12:42,629 --> 00:12:41,320

a precognitive intelligence um

321

00:12:45,190 --> 00:12:42,639

[Music]

322

00:12:46,629 --> 00:12:45,200

or something coming through a portal

323

00:12:49,350 --> 00:12:46,639

you have

324

00:12:51,110 --> 00:12:49,360

now what's really odd about this picture

325

00:12:52,710 --> 00:12:51,120

is this is in a pasture in the middle of

326

00:12:54,389 --> 00:12:52,720

the uinta basin farm country

327

00:12:56,710 --> 00:12:54,399

agricultural

328

00:12:58,710 --> 00:12:56,720

you see a light pop up when you zoom in

329

00:12:59,990 --> 00:12:58,720

on the light you see that figure on the

330

00:13:02,150 --> 00:13:00,000

left

331

00:13:04,069 --> 00:13:02,160

which if you notice first appears as

332

00:13:06,550 --> 00:13:04,079

three balls of light and then you kind

333

00:13:09,190 --> 00:13:06,560

of start to see the bottom

334

00:13:12,470 --> 00:13:09,200

and i kid you not this thing

335

00:13:14,629 --> 00:13:12,480

like a cookie cutter came out literally

336

00:13:16,069 --> 00:13:14,639

you can you can see the one coming out

337

00:13:17,910 --> 00:13:16,079

of the other one you can even see the

338

00:13:20,069 --> 00:13:17,920

hand coming back it's a blurry picture

339

00:13:23,750 --> 00:13:20,079

unfortunately but literally what i saw

340

00:13:26,629 --> 00:13:25,590

yeah so that's what

341

00:13:28,629 --> 00:13:26,639

and

342

00:13:30,150 --> 00:13:28,639

i i don't know i don't know

343

00:13:32,230 --> 00:13:30,160

i don't know where it is

344

00:13:34,629 --> 00:13:32,240

okay so we'll leave that there

345

00:13:35,990 --> 00:13:34,639

let's unpack this really quick

346

00:13:40,069 --> 00:13:36,000

i'm starting to get people that are

347

00:13:46,829 --> 00:13:40,079

noticing that i am not an average

348

00:13:49,910 --> 00:13:48,470

and

349

00:13:51,990 --> 00:13:49,920

that's a good thing

350

00:13:54,150 --> 00:13:52,000

so i start getting people

351

00:13:55,750 --> 00:13:54,160

at the b b all the time the first

352

00:13:59,910 --> 00:13:55,760

interesting guest

353

00:14:02,550 --> 00:13:59,920

was known as the airplane doctor

354

00:14:03,910 --> 00:14:02,560

and this gentleman was a fisherman

355

00:14:06,389 --> 00:14:03,920

we would talk fishing he would show up

356

00:14:08,710 --> 00:14:06,399

with another guy that worked at a lab

357

00:14:09,910 --> 00:14:08,720

and what he started to tell me

358

00:14:11,430 --> 00:14:09,920

was not

359

00:14:13,590 --> 00:14:11,440

why he was there

360

00:14:15,350 --> 00:14:13,600

he was not there for fishing at all this

361

00:14:17,189 --> 00:14:15,360

guy was and he had a boat in tow he had

362

00:14:18,790 --> 00:14:17,199

a buddy with him he's like no that's not

363

00:14:21,430 --> 00:14:18,800

what we're here for

364

00:14:25,829 --> 00:14:21,440

we're recovering craft

365

00:14:25,839 --> 00:14:30,150

sort of like boats

366

00:14:34,949 --> 00:14:31,990

the next interesting guest

367

00:14:36,150 --> 00:14:34,959

was a uh

368

00:14:38,069 --> 00:14:36,160

i'm just gonna say

369

00:14:40,310 --> 00:14:38,079

i met him last night okay i met him

370

00:14:42,069 --> 00:14:40,320

again last night

371

00:14:44,870 --> 00:14:42,079

very strange the synchronicities he's

372

00:14:46,470 --> 00:14:44,880

camping just outside of town

373

00:14:49,030 --> 00:14:46,480

so the next interesting guest works for

374

00:14:51,030 --> 00:14:49,040

nasa i will leave his name out of this

375

00:14:52,310 --> 00:14:51,040

um he called me he had a girlfriend at

376

00:14:54,790 --> 00:14:52,320

the time he said can i stay your bed and

377

00:14:58,790 --> 00:14:54,800

breakfast absolutely come on in

378

00:14:59,990 --> 00:14:58,800

my ratings are going up this is great

379

00:15:02,230 --> 00:15:00,000

this guest

380

00:15:04,550 --> 00:15:02,240

seems very average as well and then one

381

00:15:06,949 --> 00:15:04,560

night after discussing some things and

382

00:15:08,230 --> 00:15:06,959

uh asking me where the grocery store is

383

00:15:10,389 --> 00:15:08,240

normal questions goes do you know where

384

00:15:12,870 --> 00:15:10,399

skinwalker ranch is

385

00:15:14,550 --> 00:15:12,880

can i go where i remember the name the

386

00:15:16,870 --> 00:15:14,560

skinwalker name right that that i

387

00:15:20,470 --> 00:15:16,880

remember and he says skinwalker ranch

388

00:15:23,509 --> 00:15:21,590

and i said

389

00:15:24,829 --> 00:15:23,519

yeah i can take you there

390

00:15:26,470 --> 00:15:24,839

and

391

00:15:28,069 --> 00:15:26,480

uh

392

00:15:29,590 --> 00:15:28,079

i said but they're not gonna let you

393

00:15:31,430 --> 00:15:29,600

won't be able to get within the stones

394

00:15:33,590 --> 00:15:31,440

throughout the place you won't get in

395

00:15:35,189 --> 00:15:33,600

he said okay

396

00:15:37,110 --> 00:15:35,199

we drive out there

397

00:15:39,829 --> 00:15:37,120

and he says take me up to the gate and

398

00:15:41,749 --> 00:15:39,839

i'm like hey man i don't want

399

00:15:43,749 --> 00:15:41,759

i i know it's guarded

400

00:15:45,590 --> 00:15:43,759

i know they're armed

401
00:15:47,910 --> 00:15:45,600
i know they're ex-military

402
00:15:49,189 --> 00:15:47,920
and i've had some encounters

403
00:15:51,670 --> 00:15:49,199
so

404
00:15:53,670 --> 00:15:51,680
i know their dogs are fast

405
00:15:55,110 --> 00:15:53,680
and

406
00:15:56,870 --> 00:15:55,120
i don't want to do this

407
00:15:58,710 --> 00:15:56,880
he said i've got something to tell the

408
00:15:59,590 --> 00:15:58,720
guys that's all so we drive up to the

409
00:16:01,509 --> 00:15:59,600
gate

410
00:16:03,189 --> 00:16:01,519
he jumps out of the car

411
00:16:04,069 --> 00:16:03,199
he goes up to the gate and he just sits

412
00:16:06,069 --> 00:16:04,079
there

413
00:16:08,550 --> 00:16:06,079

and sure enough here they come dogs

414

00:16:11,189 --> 00:16:08,560

guards the whole nine yards they get him

415

00:16:13,110 --> 00:16:11,199

in a position of uh you know like put

416

00:16:14,550 --> 00:16:13,120

your hands back

417

00:16:16,310 --> 00:16:14,560

and then he reaches in and he starts

418

00:16:18,550 --> 00:16:16,320

pulling up credentials

419

00:16:20,069 --> 00:16:18,560

and he's got credits from well i don't

420

00:16:21,030 --> 00:16:20,079

know what he pulled out i'll just say

421

00:16:22,629 --> 00:16:21,040

that

422

00:16:24,389 --> 00:16:22,639

and then he starts talking to the guys

423

00:16:26,389 --> 00:16:24,399

giving them

424

00:16:27,990 --> 00:16:26,399

information

425

00:16:30,710 --> 00:16:28,000

he turns around he comes back into the

426

00:16:32,790 --> 00:16:30,720

car he gets in and i'm just like what

427

00:16:35,670 --> 00:16:32,800

are you what what is this and he's like

428

00:16:36,629 --> 00:16:35,680

i just had a message for him

429

00:16:39,430 --> 00:16:36,639

so

430

00:16:41,829 --> 00:16:39,440

we've been friends ever since

431

00:16:46,870 --> 00:16:44,230

it is very strange what's going on in

432

00:16:50,550 --> 00:16:46,880

the united basin of utah

433

00:16:54,389 --> 00:16:50,560

and it may answer it might be that

434

00:16:57,350 --> 00:16:54,399

awkward thorn that society needs

435

00:16:58,949 --> 00:16:57,360

where they just cannot escape

436

00:17:01,590 --> 00:16:58,959

that there's something else

437

00:17:04,630 --> 00:17:01,600

it's so poignantly awesome

438

00:17:06,870 --> 00:17:04,640

obvious raw rugged and powerful

439

00:17:08,069 --> 00:17:06,880

that you cannot ignore it you cannot

440

00:17:09,189 --> 00:17:08,079

ignore it

441

00:17:10,309 --> 00:17:09,199

okay

442

00:17:15,350 --> 00:17:10,319

um

443

00:17:21,590 --> 00:17:17,189

okay

444

00:17:23,750 --> 00:17:21,600

i kept finishing in

445

00:17:25,829 --> 00:17:23,760

duchesne

446

00:17:28,950 --> 00:17:25,839

and i met some interesting people along

447

00:17:33,430 --> 00:17:28,960

the way uh i was

448

00:17:33,440 --> 00:17:37,750

targeted i was targeted

449

00:17:43,270 --> 00:17:39,430

information

450

00:17:45,990 --> 00:17:43,280

coming out of the old bigelow ranch

451
00:17:48,310 --> 00:17:46,000
has not only suggested but proven that

452
00:17:50,630 --> 00:17:48,320
the u.s military

453
00:17:52,630 --> 00:17:50,640
had a working black budget of which we

454
00:17:54,150 --> 00:17:52,640
have found 22 and a half million dollars

455
00:17:55,510 --> 00:17:54,160
i believe so far

456
00:17:56,390 --> 00:17:55,520
that was spent

457
00:17:58,710 --> 00:17:56,400
there

458
00:18:01,990 --> 00:17:58,720
and other places investigating things

459
00:18:05,510 --> 00:18:03,350
among

460
00:18:08,470 --> 00:18:05,520
the investigations there was also boots

461
00:18:11,909 --> 00:18:08,480
on the ground research being done

462
00:18:14,870 --> 00:18:11,919
for a program called assap the advanced

463
00:18:15,909 --> 00:18:14,880

aerospace weapons systems application

464

00:18:17,029 --> 00:18:15,919

program

465

00:18:19,669 --> 00:18:17,039

basically

466

00:18:21,110 --> 00:18:19,679

let's get ready to rumble

467

00:18:23,190 --> 00:18:21,120

um

468

00:18:25,110 --> 00:18:23,200

engaging the phenomena

469

00:18:26,830 --> 00:18:25,120

in a militarized way

470

00:18:29,110 --> 00:18:26,840

with our tax dollars

471

00:18:31,669 --> 00:18:29,120

okay sounds cool

472

00:18:34,150 --> 00:18:31,679

the only problem is my dumb butt

473

00:18:35,430 --> 00:18:34,160

is on the ridge running around getting

474

00:18:37,270 --> 00:18:35,440

pictures

475

00:18:38,710 --> 00:18:37,280

thinking i'm

476

00:18:41,430 --> 00:18:38,720

you know the

477

00:18:43,029 --> 00:18:41,440

world's greatest ufology researcher

478

00:18:45,510 --> 00:18:43,039

and i'm

479

00:18:47,990 --> 00:18:45,520

neck deep in the middle of a special

480

00:18:54,549 --> 00:18:48,000

access program

481

00:18:58,390 --> 00:18:54,559

term that is used for top secret and

482

00:18:59,590 --> 00:18:58,400

highly sensitive governmental situations

483

00:19:02,390 --> 00:18:59,600

most often

484

00:19:04,710 --> 00:19:02,400

securing the president and securing

485

00:19:06,390 --> 00:19:04,720

the continuance of government

486

00:19:08,230 --> 00:19:06,400

keep those in mind securing the

487

00:19:09,350 --> 00:19:08,240

president securing the continuance of

488

00:19:13,190 --> 00:19:09,360

government

489

00:19:16,150 --> 00:19:13,200

this project got that

490

00:19:18,549 --> 00:19:16,160

symbolism that sap special access so

491

00:19:22,470 --> 00:19:18,559

it's a special access program it is that

492

00:19:26,789 --> 00:19:24,390

not just you know

493

00:19:28,789 --> 00:19:26,799

not just the boogeyman

494

00:19:31,110 --> 00:19:28,799

so let's get to the boogeyman

495

00:19:33,270 --> 00:19:31,120

who is the boogeyman

496

00:19:34,630 --> 00:19:33,280

my experience with the skinwalker proved

497

00:19:39,610 --> 00:19:34,640

one thing to me

498

00:19:39,620 --> 00:19:42,870

[Music]

499

00:19:46,789 --> 00:19:44,549

the other thing is that almost every

500

00:19:48,390 --> 00:19:46,799

culture uh very rich in the native

501
00:19:50,830 --> 00:19:48,400
american culture but almost every

502
00:19:52,630 --> 00:19:50,840
culture has an example of the boogie

503
00:19:54,230 --> 00:19:52,640
man a

504
00:19:55,990 --> 00:19:54,240
shamanistic

505
00:19:58,710 --> 00:19:56,000
well-informed

506
00:19:59,909 --> 00:19:58,720
possibly dark arts practicing

507
00:20:02,070 --> 00:19:59,919
magician

508
00:20:04,149 --> 00:20:02,080
that can take the form of just about

509
00:20:05,909 --> 00:20:04,159
anything sounds familiar doesn't it

510
00:20:07,270 --> 00:20:05,919
sounds kind of like our

511
00:20:08,230 --> 00:20:07,280
our friends i'll call them our friends

512
00:20:09,669 --> 00:20:08,240
because i don't want to call them

513
00:20:11,430 --> 00:20:09,679

enemies

514

00:20:13,029 --> 00:20:11,440

um

515

00:20:14,789 --> 00:20:13,039

so throughout history we have this

516

00:20:16,950 --> 00:20:14,799

ability of shapeshifters just follow

517

00:20:18,549 --> 00:20:16,960

disney i mean everything i got kids

518

00:20:20,870 --> 00:20:18,559

every freaking disney show is a

519

00:20:24,230 --> 00:20:20,880

shape-shifter okay

520

00:20:27,270 --> 00:20:24,240

so back to the shape-shifting ability

521

00:20:29,909 --> 00:20:27,280

the way this all came about

522

00:20:31,669 --> 00:20:29,919

through my research this it's out there

523

00:20:33,590 --> 00:20:31,679

like there's been enough people looking

524

00:20:35,510 --> 00:20:33,600

into this it's it's been sort of like a

525

00:20:36,950 --> 00:20:35,520

hot potato torch is the way i explain it

526

00:20:39,190 --> 00:20:36,960

the researchers in the basin are just

527

00:20:40,630 --> 00:20:39,200

thrown to each other back and forth

528

00:20:42,070 --> 00:20:40,640

because nobody wants to hang onto it

529

00:20:43,909 --> 00:20:42,080

because it's ugly

530

00:20:46,470 --> 00:20:43,919

and um

531

00:20:48,149 --> 00:20:46,480

the truth is we have a pre-cognitive

532

00:20:50,149 --> 00:20:48,159

sentient intelligence roaming the

533

00:20:52,870 --> 00:20:50,159

landscape which knows what you are going

534

00:20:55,909 --> 00:20:52,880

to think do and perceive before you

535

00:20:58,630 --> 00:20:55,919

think do and perceive it

536

00:21:00,310 --> 00:20:58,640

sounds like a god

537

00:21:04,149 --> 00:21:00,320

with a small g

538

00:21:08,870 --> 00:21:06,390

the rich we the witchery way how you

539

00:21:10,710 --> 00:21:08,880

become this small g god the curse of the

540

00:21:17,029 --> 00:21:10,720

basin

541

00:21:18,149 --> 00:21:17,039

an area that has been

542

00:21:21,430 --> 00:21:18,159

scarred

543

00:21:23,110 --> 00:21:21,440

by dark arts occult practices

544

00:21:26,630 --> 00:21:23,120

covens if you will

545

00:21:30,549 --> 00:21:29,110

witchery way practicers which is

546

00:21:32,070 --> 00:21:30,559

basically

547

00:21:32,950 --> 00:21:32,080

the ability

548

00:21:34,549 --> 00:21:32,960

to

549

00:21:36,230 --> 00:21:34,559

and

550

00:21:37,110 --> 00:21:36,240

many people say you can't find the

551
00:21:38,149 --> 00:21:37,120
answer

552
00:21:40,149 --> 00:21:38,159
you

553
00:21:41,590 --> 00:21:40,159
this is freaky okay

554
00:21:42,789 --> 00:21:41,600
many people say you cannot find the

555
00:21:44,630 --> 00:21:42,799
answer it's native american it won't

556
00:21:47,430 --> 00:21:44,640
tell you blah blah blah

557
00:21:51,350 --> 00:21:47,440
keep at it keep at it you can find the

558
00:21:56,789 --> 00:21:54,470
through practices that most of us would

559
00:21:59,270 --> 00:21:56,799
be disgusted at and including native

560
00:22:02,310 --> 00:21:59,280
americans because they have completely

561
00:22:03,190 --> 00:22:02,320
outed all and any practicing witchery

562
00:22:05,430 --> 00:22:03,200
way

563
00:22:06,870 --> 00:22:05,440

people in their reservations in fact i

564

00:22:09,590 --> 00:22:06,880

have countless stories of this where

565

00:22:11,110 --> 00:22:09,600

they they out them and when you're outed

566

00:22:13,510 --> 00:22:11,120

there's only one way out you either

567

00:22:15,590 --> 00:22:13,520

leave or they kill you and if you don't

568

00:22:16,549 --> 00:22:15,600

think this is happening it's really

569

00:22:18,710 --> 00:22:16,559

crazy

570

00:22:21,750 --> 00:22:18,720

start looking into it there's a lot of

571

00:22:23,510 --> 00:22:21,760

disappearances in reservations so the

572

00:22:24,390 --> 00:22:23,520

witchery the wintry way did not come

573

00:22:26,549 --> 00:22:24,400

about

574

00:22:30,230 --> 00:22:26,559

as a dark art

575

00:22:31,110 --> 00:22:30,240

it came about as a light formation

576
00:22:32,630 --> 00:22:31,120
these

577
00:22:35,669 --> 00:22:32,640
oh sorry

578
00:22:35,679 --> 00:22:42,630
these ways of existing

579
00:22:48,310 --> 00:22:46,070
we're brought about by um

580
00:22:51,590 --> 00:22:48,320
extremely horrible circumstances that an

581
00:22:57,510 --> 00:22:52,470
in

582
00:22:57,820 --> 00:22:57,520
under

583
00:22:58,950 --> 00:22:57,830
through

584
00:23:00,549 --> 00:22:58,960
[Music]

585
00:23:02,310 --> 00:23:00,559
negligence really on our part of

586
00:23:03,750 --> 00:23:02,320
understanding their culture

587
00:23:06,789 --> 00:23:03,760
and i say our party when i was born in

588
00:23:08,470 --> 00:23:06,799

costa rica about as white as anybody um

589

00:23:11,990 --> 00:23:08,480

but the reality is

590

00:23:14,070 --> 00:23:12,000

we basically came in and uh managed the

591

00:23:15,669 --> 00:23:14,080

native american lifestyle like a like a

592

00:23:17,909 --> 00:23:15,679

business

593

00:23:19,750 --> 00:23:17,919

they're not functioning let's

594

00:23:24,950 --> 00:23:19,760

put them in these concentration camps do

595

00:23:28,870 --> 00:23:26,870

play well with the ones that play ball

596

00:23:30,149 --> 00:23:28,880

and sell out the other ones

597

00:23:31,990 --> 00:23:30,159

and so

598

00:23:33,909 --> 00:23:32,000

it was really unfair

599

00:23:35,990 --> 00:23:33,919

no native american tribe is any better

600

00:23:37,830 --> 00:23:36,000

than any other they were just trying to

601
00:23:40,470 --> 00:23:37,840
protect their own

602
00:23:42,390 --> 00:23:40,480
so the ute were in this situation

603
00:23:44,149 --> 00:23:42,400
they had to protect their own they were

604
00:23:44,950 --> 00:23:44,159
completely compromised

605
00:23:45,990 --> 00:23:44,960
the

606
00:23:48,230 --> 00:23:46,000
pagra

607
00:23:51,430 --> 00:23:48,240
white river band of the utes had just

608
00:23:53,830 --> 00:23:51,440
had a huge massacre with the meeker

609
00:23:57,430 --> 00:23:53,840
massacre where they destroyed

610
00:24:00,630 --> 00:23:57,440
a cavalry general and

611
00:24:02,470 --> 00:24:00,640
murdered a bunch of buffalo soldiers

612
00:24:03,909 --> 00:24:02,480
it was on us

613
00:24:05,669 --> 00:24:03,919

the government was coming and they were

614

00:24:07,510 --> 00:24:05,679

coming quick they were coming for the u

615

00:24:10,070 --> 00:24:07,520

and they were going to decimate them

616

00:24:11,510 --> 00:24:10,080

so the youth did something very smart

617

00:24:13,510 --> 00:24:11,520

they said hey

618

00:24:15,190 --> 00:24:13,520

we're the least year worries there's a

619

00:24:17,590 --> 00:24:15,200

much larger tribe

620

00:24:20,230 --> 00:24:17,600

over in the san luis valley of colorado

621

00:24:21,430 --> 00:24:20,240

they are navajo but they are much larger

622

00:24:22,549 --> 00:24:21,440

in

623

00:24:24,149 --> 00:24:22,559

out

624

00:24:25,590 --> 00:24:24,159

they're a lot bigger problem for you

625

00:24:27,669 --> 00:24:25,600

than we are

626
00:24:29,430 --> 00:24:27,679
we will show you where they're at tell

627
00:24:31,750 --> 00:24:29,440
you what they're doing

628
00:24:33,350 --> 00:24:31,760
and uh we'll take you there if you just

629
00:24:34,950 --> 00:24:33,360
take it easy on us

630
00:24:37,909 --> 00:24:34,960
now this is mass genocide who could

631
00:24:39,590 --> 00:24:37,919
blame them this is the vast genocide

632
00:24:42,630 --> 00:24:39,600
so they did what they

633
00:24:45,190 --> 00:24:42,640
had to do to protect their families

634
00:24:47,909 --> 00:24:45,200
shortly thereafter the navajo were in

635
00:24:50,630 --> 00:24:47,919
fact uh compromised

636
00:24:52,630 --> 00:24:50,640
completely rounded up put in

637
00:24:54,630 --> 00:24:52,640
these forts as well

638
00:24:57,669 --> 00:24:54,640

this was considered

639

00:24:59,750 --> 00:24:57,679

unforgivable by the navajo

640

00:25:00,950 --> 00:24:59,760

unforgivable and the navajo were pretty

641

00:25:02,310 --> 00:25:00,960

easygoing

642

00:25:04,789 --> 00:25:02,320

um

643

00:25:06,789 --> 00:25:04,799

so they released the

644

00:25:08,230 --> 00:25:06,799

darkest form of

645

00:25:09,830 --> 00:25:08,240

art that they knew

646

00:25:11,029 --> 00:25:09,840

which was a beautiful creature at the

647

00:25:12,830 --> 00:25:11,039

time

648

00:25:16,070 --> 00:25:12,840

the shapeshifter the skinwalker the

649

00:25:19,029 --> 00:25:16,080

inauduci he who walks on all fours

650

00:25:21,029 --> 00:25:19,039

this magic was originally used to escape

651
00:25:22,230 --> 00:25:21,039
to the confines of the forts that they

652
00:25:23,830 --> 00:25:22,240
were

653
00:25:25,830 --> 00:25:23,840
imprisoned in

654
00:25:28,870 --> 00:25:25,840
when they would escape they put

655
00:25:31,430 --> 00:25:28,880
the skin of an animal and

656
00:25:34,470 --> 00:25:31,440
somehow have the ability through a

657
00:25:36,870 --> 00:25:34,480
certain ritualistic practice

658
00:25:39,110 --> 00:25:36,880
to not only leave the fort

659
00:25:41,430 --> 00:25:39,120
but to find things out

660
00:25:43,430 --> 00:25:41,440
to better their situation and find out

661
00:25:45,669 --> 00:25:43,440
how to get out of it

662
00:25:48,470 --> 00:25:45,679
okay so it came about from a good way

663
00:25:50,310 --> 00:25:48,480

but it turned into a bad way real quick

664

00:25:52,870 --> 00:25:50,320

because they are no longer

665

00:25:54,390 --> 00:25:52,880

in these concentration camps

666

00:26:00,149 --> 00:25:54,400

why would anybody still be practicing

667

00:26:03,350 --> 00:26:01,909

okay

668

00:26:05,990 --> 00:26:03,360

for the same reason a lot of people

669

00:26:08,789 --> 00:26:06,000

leave the cities go to the country

670

00:26:11,110 --> 00:26:08,799

the witchery way allows

671

00:26:12,310 --> 00:26:11,120

when we think of global elites we think

672

00:26:13,990 --> 00:26:12,320

people that are trying to better

673

00:26:16,549 --> 00:26:14,000

themselves financially

674

00:26:19,110 --> 00:26:16,559

at the expense of others

675

00:26:20,230 --> 00:26:19,120

now the shape-shifting phenomena is no

676
00:26:22,390 --> 00:26:20,240
longer

677
00:26:25,110 --> 00:26:22,400
just a means to escape

678
00:26:25,830 --> 00:26:25,120
a concentration camp it is now a means

679
00:26:26,789 --> 00:26:25,840
to

680
00:26:29,990 --> 00:26:26,799
escape

681
00:26:33,909 --> 00:26:32,149
oops

682
00:26:35,669 --> 00:26:33,919
up to the screen

683
00:26:37,190 --> 00:26:35,679
okay cool

684
00:26:39,029 --> 00:26:37,200
all right

685
00:26:40,710 --> 00:26:39,039
now there's an area behind this is my

686
00:26:42,230 --> 00:26:40,720
property here uh

687
00:26:44,070 --> 00:26:42,240
known as the strawberry river bed and

688
00:26:46,149 --> 00:26:44,080

breakfast it was featured on portals to

689

00:26:48,390 --> 00:26:46,159

hell with jack osborne

690

00:26:52,710 --> 00:26:50,390

now behind it there's a little area

691

00:26:54,710 --> 00:26:52,720

called the devil's soup bowl

692

00:26:57,029 --> 00:26:54,720

now what's interesting is my elderly

693

00:26:59,029 --> 00:26:57,039

neighbor came over when i first moved up

694

00:27:00,310 --> 00:26:59,039

there and she said oh wow

695

00:27:02,149 --> 00:27:00,320

you got the double seat bowl in your

696

00:27:04,630 --> 00:27:02,159

backyard

697

00:27:09,430 --> 00:27:04,640

i was like oh yeah

698

00:27:12,149 --> 00:27:11,190

she said

699

00:27:14,470 --> 00:27:12,159

well

700

00:27:15,990 --> 00:27:14,480

when i was a child she was about 80

701
00:27:17,029 --> 00:27:16,000
at the time and she said when i was a

702
00:27:19,669 --> 00:27:17,039
child

703
00:27:23,510 --> 00:27:19,679
kids would go up into this area and talk

704
00:27:25,350 --> 00:27:23,520
to things that didn't exist all the time

705
00:27:26,630 --> 00:27:25,360
things would visit the kids parents

706
00:27:27,750 --> 00:27:26,640
tried to keep them out of the devil's

707
00:27:29,750 --> 00:27:27,760
suit bowl

708
00:27:32,630 --> 00:27:29,760
and she said don't worry there's lots of

709
00:27:34,549 --> 00:27:32,640
places like that here

710
00:27:36,630 --> 00:27:34,559
really come to find out her family owns

711
00:27:38,389 --> 00:27:36,640
the red rock ranch which uh i'm sorry

712
00:27:42,070 --> 00:27:38,399
red creek ranch which is

713
00:27:44,870 --> 00:27:42,080

also very entwined with all this

714

00:27:46,710 --> 00:27:44,880

but um yeah so i i live in a great place

715

00:27:47,590 --> 00:27:46,720

apparently

716

00:27:50,310 --> 00:27:47,600

so

717

00:27:52,070 --> 00:27:50,320

as i start doing the research um i find

718

00:27:53,830 --> 00:27:52,080

some things that

719

00:27:55,350 --> 00:27:53,840

i don't like to just tell stories i want

720

00:27:57,669 --> 00:27:55,360

to show people things

721

00:28:00,149 --> 00:27:57,679

uh i i could tell you all day until i'm

722

00:28:01,909 --> 00:28:00,159

blue in the face i saw this i saw that i

723

00:28:04,310 --> 00:28:01,919

saw the other but unless you see it

724

00:28:05,750 --> 00:28:04,320

you're not gonna believe me

725

00:28:08,389 --> 00:28:05,760

on the left you're gonna notice that

726
00:28:09,350 --> 00:28:08,399
there is a very large black cat or

727
00:28:11,190 --> 00:28:09,360
something

728
00:28:12,870 --> 00:28:11,200
in a field

729
00:28:15,029 --> 00:28:12,880
uh

730
00:28:17,510 --> 00:28:15,039
those don't exist in utah

731
00:28:19,750 --> 00:28:17,520
okay on the right and it also has kind

732
00:28:21,830 --> 00:28:19,760
of like creepy uh ridge lines on the top

733
00:28:24,470 --> 00:28:21,840
sort of like sandwich the head hedgehog

734
00:28:26,470 --> 00:28:24,480
but on the right this is actually also

735
00:28:28,549 --> 00:28:26,480
at my house this was

736
00:28:31,830 --> 00:28:28,559
a animal walking around it just kept

737
00:28:32,710 --> 00:28:31,840
circling the house like really creepy

738
00:28:34,789 --> 00:28:32,720

now

739

00:28:37,190 --> 00:28:34,799

you'll notice that it's all kind of

740

00:28:39,110 --> 00:28:37,200

top-heavy nothing in back and you'll

741

00:28:39,909 --> 00:28:39,120

notice these things with these creatures

742

00:28:41,990 --> 00:28:39,919

when

743

00:28:45,190 --> 00:28:42,000

you see a shape-shifting animal there's

744

00:28:46,389 --> 00:28:45,200

always a puzzle piece missing there's

745

00:28:48,310 --> 00:28:46,399

going to be something that doesn't look

746

00:28:50,149 --> 00:28:48,320

quite right the tail will be too bushy

747

00:28:50,870 --> 00:28:50,159

or the tail will be gone

748

00:29:03,990 --> 00:28:50,880

the

749

00:29:05,669 --> 00:29:04,000

right let's just call it small chi

750

00:29:07,669 --> 00:29:05,679

okay

751
00:29:09,190 --> 00:29:07,679
also from the bed and breakfast you'll

752
00:29:10,549 --> 00:29:09,200
see strange

753
00:29:11,990 --> 00:29:10,559
entities walking around this one's

754
00:29:14,389 --> 00:29:12,000
pretty small this is only about four

755
00:29:15,830 --> 00:29:14,399
feet tall that little black one

756
00:29:18,870 --> 00:29:15,840
on the other side of the fence the one

757
00:29:20,870 --> 00:29:18,880
on the right bottom a lot bigger

758
00:29:23,269 --> 00:29:20,880
but you're gonna see a lot of these

759
00:29:24,950 --> 00:29:23,279
this is not

760
00:29:26,549 --> 00:29:24,960
now i'm gonna just sneak over here so

761
00:29:39,190 --> 00:29:26,559
you guys can see this real quick and

762
00:29:42,549 --> 00:29:41,110
okay my mom came up to the basin to kind

763
00:29:44,070 --> 00:29:42,559

of see how i'm doing

764

00:29:45,269 --> 00:29:44,080

because i'm a psycho researching the

765

00:29:47,110 --> 00:29:45,279

stuff

766

00:29:48,149 --> 00:29:47,120

you know living by myself and i'm out

767

00:29:49,590 --> 00:29:48,159

all night

768

00:29:56,149 --> 00:29:49,600

and

769

00:29:59,110 --> 00:29:56,159

we're driving around

770

00:30:00,870 --> 00:29:59,120

and we see this funnel of bugs literally

771

00:30:02,070 --> 00:30:00,880

looks like a funnel of bugs going up

772

00:30:04,549 --> 00:30:02,080

into the sky

773

00:30:06,789 --> 00:30:04,559

this is a naturally occurring phenomenon

774

00:30:08,389 --> 00:30:06,799

you can find scientific corroboration

775

00:30:10,630 --> 00:30:08,399

for this it does take place it is

776

00:30:12,789 --> 00:30:10,640

fascinating and beautiful

777

00:30:14,549 --> 00:30:12,799

i stopped and took a picture of it

778

00:30:17,430 --> 00:30:14,559

multiple pictures in fact

779

00:30:19,430 --> 00:30:17,440

and as james keenan said earlier i did

780

00:30:21,269 --> 00:30:19,440

not see

781

00:30:23,269 --> 00:30:21,279

what was there

782

00:30:24,950 --> 00:30:23,279

i took multiple pictures and i believe

783

00:30:26,310 --> 00:30:24,960

he said he took a picture and didn't see

784

00:30:27,990 --> 00:30:26,320

anything until he went over it

785

00:30:29,590 --> 00:30:28,000

afterwards we started driving down the

786

00:30:31,269 --> 00:30:29,600

road i saw him and i said mom turn

787

00:30:33,110 --> 00:30:31,279

around turn around you gotta turn this

788

00:30:34,789 --> 00:30:33,120

car around she said what is it i showed

789

00:30:37,430 --> 00:30:34,799

her we went back

790

00:30:40,230 --> 00:30:37,440

nothing so i don't know

791

00:30:42,710 --> 00:30:40,240

but there is a wavelength or a light

792

00:30:45,190 --> 00:30:42,720

spectrum where these appear

793

00:30:46,389 --> 00:30:45,200

and they are noticeable and technology

794

00:30:49,430 --> 00:30:46,399

allows us to

795

00:30:51,830 --> 00:30:49,440

kind of uh get under that and

796

00:30:53,190 --> 00:30:51,840

apply it

797

00:30:55,990 --> 00:30:53,200

okay

798

00:30:58,549 --> 00:30:56,000

i knew i was weighing over my head

799

00:31:00,389 --> 00:30:58,559

way over my head

800

00:31:03,190 --> 00:31:00,399

when these guys showed up on my front

801
00:31:07,350 --> 00:31:04,870
this is this is the bed and breakfast

802
00:31:09,430 --> 00:31:07,360
here in the background

803
00:31:11,830 --> 00:31:09,440
and um

804
00:31:13,830 --> 00:31:11,840
we just want to chat

805
00:31:16,630 --> 00:31:13,840
okay

806
00:31:20,070 --> 00:31:16,640
they said what have you been up to

807
00:31:22,149 --> 00:31:20,080
thank you well you know as you guys

808
00:31:25,029 --> 00:31:22,159
probably know i'm probably doing some

809
00:31:26,389 --> 00:31:25,039
stuff i shouldn't do and i go out a lot

810
00:31:27,990 --> 00:31:26,399
but there's a lot of cool stuff that i

811
00:31:29,669 --> 00:31:28,000
have to show you guys

812
00:31:30,630 --> 00:31:29,679
and that's where their like their eyes

813
00:31:34,470 --> 00:31:30,640

lit up

814

00:31:35,830 --> 00:31:34,480

they're like okay great let's get to it

815

00:31:37,669 --> 00:31:35,840

possibly

816

00:31:39,590 --> 00:31:37,679

i like to call them the three wise men

817

00:31:40,950 --> 00:31:39,600

of the uinta basin because they were the

818

00:31:42,950 --> 00:31:40,960

first

819

00:31:44,149 --> 00:31:42,960

you know if you want to make it biblical

820

00:31:45,350 --> 00:31:44,159

they were the first they knew something

821

00:31:46,389 --> 00:31:45,360

was up

822

00:31:48,470 --> 00:31:46,399

they went

823

00:31:51,190 --> 00:31:48,480

they saw they investigated they talked

824

00:31:53,269 --> 00:31:51,200

to everybody

825

00:31:55,350 --> 00:31:53,279

and what i found out

826

00:31:57,990 --> 00:31:55,360

is that the high deserts are home to

827

00:32:01,029 --> 00:31:58,000

high strangeness whether it's sedona

828

00:32:03,830 --> 00:32:01,039

whether it's the una basin of utah

829

00:32:09,750 --> 00:32:03,840

and um talking to jack valet the entire

830

00:32:13,350 --> 00:32:11,430

okay so let's get to the

831

00:32:15,269 --> 00:32:13,360

nitty-gritty

832

00:32:16,909 --> 00:32:15,279

bulletproof canines

833

00:32:18,950 --> 00:32:16,919

i can't believe i'm saying it

834

00:32:20,870 --> 00:32:18,960

nanotechnology and silver balls of

835

00:32:24,230 --> 00:32:20,880

intelligence all of which i've seen and

836

00:32:27,669 --> 00:32:26,070

okay

837

00:32:29,590 --> 00:32:27,679

this particular picture

838

00:32:31,190 --> 00:32:29,600

was formulated by a close friend of mine

839

00:32:32,950 --> 00:32:31,200

named tony merkel he runs the

840

00:32:35,029 --> 00:32:32,960

confessionals podcast he's currently

841

00:32:36,630 --> 00:32:35,039

doing a dog man documentary which is

842

00:32:39,430 --> 00:32:36,640

really cool

843

00:32:41,350 --> 00:32:39,440

he had that picture made for me because

844

00:32:43,990 --> 00:32:41,360

that's kind of ish

845

00:32:45,990 --> 00:32:44,000

what myself and another very respected

846

00:32:46,870 --> 00:32:46,000

researcher saw

847

00:32:53,029 --> 00:32:46,880

we

848

00:32:54,389 --> 00:32:53,039

ridge a very long mesa that extends for

849

00:32:55,750 --> 00:32:54,399

hundreds and hundreds and hundreds of

850

00:32:57,110 --> 00:32:55,760

acres

851
00:32:59,430 --> 00:32:57,120
thousands really

852
00:33:01,269 --> 00:32:59,440
and

853
00:33:03,909 --> 00:33:01,279
we had something happen we've been there

854
00:33:06,630 --> 00:33:03,919
all night nothing's happening

855
00:33:10,870 --> 00:33:08,310
some lights in the field

856
00:33:12,549 --> 00:33:10,880
boom this is our moment right

857
00:33:14,549 --> 00:33:12,559
we pull out all our gear we got tape

858
00:33:16,950 --> 00:33:14,559
duct taped over all the buttons and

859
00:33:18,389 --> 00:33:16,960
lights so the security can't see us

860
00:33:19,350 --> 00:33:18,399
we're ninjas

861
00:33:20,230 --> 00:33:19,360
jedi

862
00:33:22,149 --> 00:33:20,240
because

863
00:33:25,029 --> 00:33:22,159

we're out there all the time

864

00:33:26,310 --> 00:33:25,039

and what we notice is these lights are

865

00:33:28,710 --> 00:33:26,320

flying around

866

00:33:32,070 --> 00:33:28,720

and then we see some people come out and

867

00:33:33,830 --> 00:33:32,080

the lights are following the people

868

00:33:35,190 --> 00:33:33,840

so i'm like wow security's really ramped

869

00:33:37,269 --> 00:33:35,200

up

870

00:33:39,110 --> 00:33:37,279

and i think that things just went next

871

00:33:40,230 --> 00:33:39,120

level they got drones that are following

872

00:33:42,230 --> 00:33:40,240

them

873

00:33:43,590 --> 00:33:42,240

and comes to find what

874

00:33:44,870 --> 00:33:43,600

well let's go back let's go back a

875

00:33:46,549 --> 00:33:44,880

little bit

876
00:33:49,509 --> 00:33:46,559
as we watched

877
00:33:52,149 --> 00:33:49,519
these these lights were not working with

878
00:33:53,990 --> 00:33:52,159
security they were watching security

879
00:33:55,830 --> 00:33:54,000
which was watching us

880
00:33:57,909 --> 00:33:55,840
and you run into this a lot you have

881
00:33:59,830 --> 00:33:57,919
watchers watching watchers watching

882
00:34:02,950 --> 00:33:59,840
watchers

883
00:34:05,029 --> 00:34:02,960
in many many cases a very a very good

884
00:34:07,029 --> 00:34:05,039
story that i remember hearing was of a

885
00:34:09,030 --> 00:34:07,039
case

886
00:34:10,230 --> 00:34:09,040
of a portal opening and scientists

887
00:34:12,069 --> 00:34:10,240
watching it

888
00:34:13,589 --> 00:34:12,079

okay we got it look at this this is

889

00:34:15,510 --> 00:34:13,599

happening and they look over and they

890

00:34:18,149 --> 00:34:15,520

see a gray

891

00:34:19,510 --> 00:34:18,159

and he's watching the portal too

892

00:34:21,349 --> 00:34:19,520

so at this point do they continue

893

00:34:23,430 --> 00:34:21,359

filming the portal or do they

894

00:34:24,710 --> 00:34:23,440

film the prey

895

00:34:26,710 --> 00:34:24,720

so yeah

896

00:34:27,750 --> 00:34:26,720

everybody's interested in the same thing

897

00:34:29,909 --> 00:34:27,760

okay

898

00:34:31,270 --> 00:34:29,919

now the nano technology aspect is very

899

00:34:32,389 --> 00:34:31,280

important

900

00:34:35,109 --> 00:34:32,399

um

901
00:34:37,270 --> 00:34:35,119
the bulletproof canine that i saw looked

902
00:34:39,190 --> 00:34:37,280
very wispy

903
00:34:41,190 --> 00:34:39,200
and the other researcher are

904
00:34:43,990 --> 00:34:41,200
our accounts are

905
00:34:45,510 --> 00:34:44,000
identical so that drives it home

906
00:34:47,030 --> 00:34:45,520
uh

907
00:34:49,190 --> 00:34:47,040
okay i'll tell you a really quick story

908
00:34:51,109 --> 00:34:49,200
of how it went down

909
00:34:53,510 --> 00:34:51,119
nothing nothing nothing all night lights

910
00:34:55,430 --> 00:34:53,520
behind security really cool videotaping

911
00:34:56,950 --> 00:34:55,440
it we think we got the mother lode

912
00:34:59,750 --> 00:34:56,960
security goes back in and then the

913
00:35:02,550 --> 00:34:59,760

lights start coming towards us

914

00:35:04,470 --> 00:35:02,560

well this isn't cool now and they're

915

00:35:08,470 --> 00:35:04,480

coming up this ridge and they're they're

916

00:35:10,470 --> 00:35:08,480

making time they're making good time

917

00:35:12,069 --> 00:35:10,480

now

918

00:35:14,470 --> 00:35:12,079

we ducked down into what we call the

919

00:35:16,150 --> 00:35:14,480

crack which was a very small crack in

920

00:35:18,230 --> 00:35:16,160

the rock and we got down these things

921

00:35:20,390 --> 00:35:18,240

are on us they're on us whatever they

922

00:35:22,710 --> 00:35:20,400

are are on us whether it's part of our

923

00:35:25,349 --> 00:35:22,720

22 and a half million or whether it's

924

00:35:28,550 --> 00:35:25,359

pennies from you know the after world

925

00:35:31,109 --> 00:35:28,560

these things are on us and

926

00:35:32,790 --> 00:35:31,119

we duck out in the crack

927

00:35:34,950 --> 00:35:32,800

and i remember i was looking down the

928

00:35:37,109 --> 00:35:34,960

other researcher was looking up

929

00:35:38,230 --> 00:35:37,119

and i see this bright light i can see

930

00:35:40,950 --> 00:35:38,240

our

931

00:35:43,829 --> 00:35:40,960

reflections or shadows

932

00:35:45,270 --> 00:35:43,839

super bright super bright like you had

933

00:35:46,870 --> 00:35:45,280

the most powerful spotlight you could

934

00:35:50,069 --> 00:35:46,880

ever get

935

00:35:51,510 --> 00:35:50,079

he was looking up what he saw was three

936

00:35:53,510 --> 00:35:51,520

silver balls

937

00:35:55,990 --> 00:35:53,520

in a triangular formation

938

00:35:58,069 --> 00:35:56,000

silver balls about this big very similar

939

00:36:01,270 --> 00:35:58,079

to the ones on phantasm if you've seen

940

00:36:03,109 --> 00:36:01,280

that show we have silver chrome

941

00:36:04,950 --> 00:36:03,119

um

942

00:36:06,390 --> 00:36:04,960

softball

943

00:36:09,030 --> 00:36:06,400

but they're in a triangular formation

944

00:36:11,589 --> 00:36:09,040

with nothing between them

945

00:36:12,470 --> 00:36:11,599

they fly over us boom they flash us

946

00:36:15,109 --> 00:36:12,480

we're

947

00:36:18,069 --> 00:36:15,119

i'm like what's are we here like are we

948

00:36:19,589 --> 00:36:18,079

okay like we both were

949

00:36:20,790 --> 00:36:19,599

we both were checking each other out to

950

00:36:22,550 --> 00:36:20,800

make sure everything was okay the thing

951
00:36:26,230 --> 00:36:22,560
was gone

952
00:36:31,270 --> 00:36:27,750
in the desert floor

953
00:36:33,510 --> 00:36:31,280
just just a few feet from us

954
00:36:35,670 --> 00:36:33,520
it's still here

955
00:36:37,190 --> 00:36:35,680
we hop up out of the crack and we look

956
00:36:39,349 --> 00:36:37,200
over you can still see where like the

957
00:36:40,470 --> 00:36:39,359
dust from the sandy desert red rock

958
00:36:42,390 --> 00:36:40,480
floor has

959
00:36:44,230 --> 00:36:42,400
been

960
00:36:45,750 --> 00:36:44,240
agitated

961
00:36:48,390 --> 00:36:45,760
and uh

962
00:36:50,630 --> 00:36:48,400
a little bit poof and then i see us we

963
00:36:51,430 --> 00:36:50,640

both see a swirling spiral of what i can

964

00:36:52,829 --> 00:36:51,440

only

965

00:36:55,310 --> 00:36:52,839

describe as

966

00:36:58,230 --> 00:36:55,320

mats flies

967

00:37:02,390 --> 00:36:58,240

nanotechnology or particulates that are

968

00:37:04,230 --> 00:37:02,400

coalescing in a spiral vortex formation

969

00:37:06,829 --> 00:37:04,240

coming up much like the genie in the

970

00:37:09,670 --> 00:37:06,839

lamp that you hear from the middle east

971

00:37:12,230 --> 00:37:09,680

um and you have this they call it a

972

00:37:14,230 --> 00:37:12,240

smokeless fire but the same thing this

973

00:37:15,910 --> 00:37:14,240

this spiraling black

974

00:37:18,310 --> 00:37:15,920

coalescing

975

00:37:20,310 --> 00:37:18,320

small particulates becoming

976
00:37:22,550 --> 00:37:20,320
something and what they became was a

977
00:37:25,270 --> 00:37:22,560
large canine right in front of us about

978
00:37:26,390 --> 00:37:25,280
six feet away

979
00:37:29,190 --> 00:37:26,400
okay

980
00:37:32,069 --> 00:37:29,200
now the other researcher

981
00:37:33,829 --> 00:37:32,079
is just as broken as i am as far as

982
00:37:35,589 --> 00:37:33,839
having his life hijacked by this

983
00:37:37,030 --> 00:37:35,599
phenomenon

984
00:37:38,630 --> 00:37:37,040
he and i

985
00:37:41,030 --> 00:37:38,640
uh

986
00:37:43,109 --> 00:37:41,040
beyond a bond at that point because we

987
00:37:48,069 --> 00:37:43,119
saw something

988
00:37:52,870 --> 00:37:49,510

okay

989

00:37:54,069 --> 00:37:52,880

so we both started writing books uh holy

990

00:37:55,349 --> 00:37:54,079

crap

991

00:37:57,270 --> 00:37:55,359

who would i tell

992

00:37:58,790 --> 00:37:57,280

nobody's gonna believe us right no

993

00:38:01,349 --> 00:37:58,800

nobody's gonna believe you

994

00:38:04,950 --> 00:38:01,359

we wrote books uh i wrote skinwalker and

995

00:38:07,109 --> 00:38:04,960

beyond not my best book then the utah

996

00:38:09,910 --> 00:38:07,119

ufo ranch then shapeshifter territory

997

00:38:12,069 --> 00:38:09,920

all just trying to get the same

998

00:38:13,829 --> 00:38:12,079

crazy

999

00:38:16,230 --> 00:38:13,839

truth out which is

1000

00:38:18,230 --> 00:38:16,240

this is real

1001

00:38:20,150 --> 00:38:18,240

i purchased when when it became

1002

00:38:22,310 --> 00:38:20,160

available and thank goodness to the

1003

00:38:23,510 --> 00:38:22,320

weird ideas that i had that weren't mine

1004

00:38:26,069 --> 00:38:23,520

earlier

1005

00:38:28,390 --> 00:38:26,079

i was able to purchase a property that

1006

00:38:30,710 --> 00:38:28,400

was just south of

1007

00:38:31,589 --> 00:38:30,720

an area that is true and dear to my

1008

00:38:35,030 --> 00:38:31,599

heart

1009

00:38:35,910 --> 00:38:35,040

in fact i was able to purchase a area

1010

00:38:37,990 --> 00:38:35,920

where

1011

00:38:39,670 --> 00:38:38,000

previous researchers would typically go

1012

00:38:41,430 --> 00:38:39,680

and call the southern vantage point

1013

00:38:42,790 --> 00:38:41,440

because it is

1014

00:38:47,589 --> 00:38:42,800

sort of

1015

00:38:49,430 --> 00:38:47,599

a crow's nest like has the best 360

1016

00:38:50,790 --> 00:38:49,440

degree view and

1017

00:38:52,390 --> 00:38:50,800

compared to many of the properties

1018

00:38:54,150 --> 00:38:52,400

there's others that have very similar

1019

00:38:59,670 --> 00:38:54,160

views so

1020

00:39:02,710 --> 00:39:00,870

so

1021

00:39:05,750 --> 00:39:02,720

immediately

1022

00:39:06,870 --> 00:39:05,760

i put a caretaker on duty

1023

00:39:11,030 --> 00:39:06,880

and

1024

00:39:14,630 --> 00:39:11,040

of the toughest guys in the area brought

1025

00:39:18,870 --> 00:39:14,640

up in the area born and raised

1026

00:39:21,750 --> 00:39:20,550

until he and a buddy see three

1027

00:39:23,670 --> 00:39:21,760

werewolves

1028

00:39:26,069 --> 00:39:23,680

jump over a fence

1029

00:39:27,670 --> 00:39:26,079

and start messing with a bunch of gear

1030

00:39:29,589 --> 00:39:27,680

so they

1031

00:39:31,109 --> 00:39:29,599

anyway they're out on the front porch

1032

00:39:32,150 --> 00:39:31,119

and i remember the call still to this

1033

00:39:33,589 --> 00:39:32,160

day

1034

00:39:34,710 --> 00:39:33,599

he said

1035

00:39:36,950 --> 00:39:34,720

dude

1036

00:39:38,550 --> 00:39:36,960

i said what happened

1037

00:39:40,710 --> 00:39:38,560

he said you're right there's something

1038

00:39:43,589 --> 00:39:40,720

out here

1039

00:39:45,430 --> 00:39:43,599

buddy we're having a cigarette on the

1040

00:39:47,190 --> 00:39:45,440

porch and

1041

00:39:49,670 --> 00:39:47,200

we see these three what we thought were

1042

00:39:52,150 --> 00:39:49,680

people jumping over the fence

1043

00:39:54,069 --> 00:39:52,160

all of them very athletic they jumped

1044

00:39:55,430 --> 00:39:54,079

right over

1045

00:39:57,510 --> 00:39:55,440

and they started messing with all your

1046

00:39:59,190 --> 00:39:57,520

new cameras throwing them around making

1047

00:40:01,829 --> 00:39:59,200

a mockery of everything you just put on

1048

00:40:04,790 --> 00:40:01,839

the property three days ago

1049

00:40:06,630 --> 00:40:04,800

so i yelled they didn't stop i went

1050

00:40:07,829 --> 00:40:06,640

inside i grabbed my gun my buddy grabbed

1051
00:40:10,790 --> 00:40:07,839
his gun out of the truck and we started

1052
00:40:15,910 --> 00:40:10,800
walking down the road

1053
00:40:18,150 --> 00:40:15,920
you know these these guys are tough

1054
00:40:19,430 --> 00:40:18,160
they start walking down the road

1055
00:40:21,030 --> 00:40:19,440
and they get

1056
00:40:22,390 --> 00:40:21,040
pretty close to these things and they

1057
00:40:23,829 --> 00:40:22,400
start realizing that these things are

1058
00:40:26,470 --> 00:40:23,839
not scared of them whatsoever and

1059
00:40:28,950 --> 00:40:26,480
they're both armed

1060
00:40:31,829 --> 00:40:28,960
as they get about 75 yards away they

1061
00:40:33,750 --> 00:40:31,839
notice that proximity has

1062
00:40:36,550 --> 00:40:33,760
taken its course and

1063
00:40:38,950 --> 00:40:36,560

these entities are aware of them

1064

00:40:41,190 --> 00:40:38,960

they yell again halt stop get out of

1065

00:40:44,230 --> 00:40:41,200

here just do something quit damaging

1066

00:40:47,109 --> 00:40:45,349

they didn't

1067

00:40:48,550 --> 00:40:47,119

and so he took a shot

1068

00:40:50,470 --> 00:40:48,560

and he hit one

1069

00:40:52,870 --> 00:40:50,480

the other one says he took a shot and he

1070

00:40:54,550 --> 00:40:52,880

hit one

1071

00:40:56,390 --> 00:40:54,560

and

1072

00:40:57,589 --> 00:40:56,400

it didn't even face him he said they

1073

00:41:00,790 --> 00:40:57,599

just turned

1074

00:41:04,150 --> 00:41:00,800

ran and jumped over the fence gleefully

1075

00:41:05,750 --> 00:41:04,160

as if it took you long enough you know

1076

00:41:07,109 --> 00:41:05,760

well i had a conversation with him that

1077

00:41:08,790 --> 00:41:07,119

night and i said you can't be shooting

1078

00:41:10,230 --> 00:41:08,800

at things

1079

00:41:11,910 --> 00:41:10,240

you and i are gonna be real close in a

1080

00:41:14,069 --> 00:41:11,920

cell you know for like the rest of our

1081

00:41:15,750 --> 00:41:14,079

lives if you keep this up

1082

00:41:19,270 --> 00:41:15,760

so he quit shooting at things but he

1083

00:41:23,829 --> 00:41:21,430

now i installed more cameras which was

1084

00:41:28,790 --> 00:41:23,839

the wrong thing to do um

1085

00:41:30,870 --> 00:41:28,800

and i uh kind of kicked it up a notch

1086

00:41:32,309 --> 00:41:30,880

what i noticed and it could just be my

1087

00:41:34,630 --> 00:41:32,319

particular

1088

00:41:36,550 --> 00:41:34,640

experience with this phenomenon

1089

00:41:38,790 --> 00:41:36,560

it doesn't like to be watched it likes

1090

00:41:39,910 --> 00:41:38,800

to be observed

1091

00:41:43,270 --> 00:41:39,920

it doesn't

1092

00:41:50,630 --> 00:41:45,270

it's not a dog and pony show let's put

1093

00:41:50,640 --> 00:41:53,190

okay

1094

00:41:57,190 --> 00:41:55,430

to show you how real this phenomena the

1095

00:41:59,190 --> 00:41:57,200

force and the power that this

1096

00:42:00,550 --> 00:41:59,200

intelligence has

1097

00:42:03,430 --> 00:42:00,560

i bought that

1098

00:42:05,910 --> 00:42:03,440

cabin that you see there

1099

00:42:07,430 --> 00:42:05,920

shortly before this picture

1100

00:42:09,270 --> 00:42:07,440

and this is a

1101
00:42:11,750 --> 00:42:09,280
clear day

1102
00:42:14,069 --> 00:42:11,760
caretakers call and they say

1103
00:42:21,270 --> 00:42:14,079
hey man a light out of the sky just took

1104
00:42:25,910 --> 00:42:23,670
somebody said it and now i'm thinking

1105
00:42:27,349 --> 00:42:25,920
okay 22.5 million dollars i know what

1106
00:42:30,550 --> 00:42:27,359
they're experimenting with out there

1107
00:42:31,910 --> 00:42:30,560
direct energy weapons is one of them but

1108
00:42:33,750 --> 00:42:31,920
i'm not gonna go there yet i'm gonna

1109
00:42:35,510 --> 00:42:33,760
keep it cool because i'm a taxpaying

1110
00:42:39,589 --> 00:42:35,520
american and those are my dollars going

1111
00:42:42,069 --> 00:42:40,309
so

1112
00:42:43,349 --> 00:42:42,079
i said well

1113
00:42:44,390 --> 00:42:43,359

um

1114

00:42:47,750 --> 00:42:44,400

anything else

1115

00:42:49,829 --> 00:42:47,760

and he said yeah your 40-foot rv is gone

1116

00:42:51,030 --> 00:42:49,839

so there was a 40-foot rv between the

1117

00:42:54,470 --> 00:42:51,040

yellow trail

1118

00:42:57,750 --> 00:42:54,480

and the cabin and it was vaporized i

1119

00:42:59,589 --> 00:42:57,760

mean immediately just molten metal

1120

00:43:02,150 --> 00:42:59,599

nothing left

1121

00:43:03,910 --> 00:43:02,160

the week before the weekend before that

1122

00:43:06,630 --> 00:43:03,920

i believe james keenan was talking about

1123

00:43:09,430 --> 00:43:06,640

crider exploration being out there they

1124

00:43:13,030 --> 00:43:09,440

were sleeping in that trailer

1125

00:43:15,270 --> 00:43:13,040

one week before it vaporized so

1126

00:43:16,390 --> 00:43:15,280

i quit letting people on the property

1127

00:43:17,349 --> 00:43:16,400

kind of

1128

00:43:19,109 --> 00:43:17,359

um

1129

00:43:19,990 --> 00:43:19,119

one of the spookiest things to come out

1130

00:43:21,829 --> 00:43:20,000

of this

1131

00:43:24,069 --> 00:43:21,839

is that

1132

00:43:25,750 --> 00:43:24,079

i found

1133

00:43:27,589 --> 00:43:25,760

only afterwards that this particular

1134

00:43:30,230 --> 00:43:27,599

property i purchased

1135

00:43:31,750 --> 00:43:30,240

has a history that uh well one of the

1136

00:43:34,390 --> 00:43:31,760

scariest stories i have heard of the

1137

00:43:36,790 --> 00:43:34,400

basin happened there

1138

00:43:38,950 --> 00:43:36,800

um a friend of mine

1139

00:43:41,510 --> 00:43:38,960

now who is called april slaughter she

1140

00:43:43,910 --> 00:43:41,520

went out with a group of researchers she

1141

00:43:47,270 --> 00:43:43,920

lost some time

1142

00:43:49,829 --> 00:43:47,280

a few researchers were implanted

1143

00:43:51,670 --> 00:43:49,839

and it gets really weird basically this

1144

00:43:54,470 --> 00:43:51,680

is how it goes three medical

1145

00:43:56,309 --> 00:43:54,480

professionals

1146

00:43:57,510 --> 00:43:56,319

very intelligent people

1147

00:43:58,950 --> 00:43:57,520

they're like let's just go out there and

1148

00:44:00,710 --> 00:43:58,960

see what's going on we heard about it

1149

00:44:02,710 --> 00:44:00,720

it's in the paper let's just check it

1150

00:44:04,390 --> 00:44:02,720

out we'll go out we'll drop some

1151
00:44:06,230 --> 00:44:04,400
medical professionals we'll drop some

1152
00:44:10,309 --> 00:44:06,240
blood

1153
00:44:13,109 --> 00:44:10,319
see if anything happens we don't have a

1154
00:44:15,190 --> 00:44:13,119
lot of time so let's make it snappy

1155
00:44:17,270 --> 00:44:15,200
they go out they drop the blood they do

1156
00:44:19,750 --> 00:44:17,280
the ritual

1157
00:44:21,430 --> 00:44:19,760
and uh things get weird

1158
00:44:23,349 --> 00:44:21,440
really weird

1159
00:44:26,870 --> 00:44:23,359
one of them has what he can only

1160
00:44:28,470 --> 00:44:26,880
describe as a large land crab black

1161
00:44:30,950 --> 00:44:28,480
crawl up his leg and take a piece of

1162
00:44:31,750 --> 00:44:30,960
skin and leave

1163
00:44:33,670 --> 00:44:31,760

um

1164

00:44:35,190 --> 00:44:33,680

another gets up to go to the bathroom in

1165

00:44:37,510 --> 00:44:35,200

the middle of the night and he's a huge

1166

00:44:39,430 --> 00:44:37,520

guy he's passed away now his name

1167

00:44:41,910 --> 00:44:39,440

well i'm going to leave that out for now

1168

00:44:44,790 --> 00:44:41,920

um he passed away due to a brain cancer

1169

00:44:46,550 --> 00:44:44,800

situation that he attributed to a nasal

1170

00:44:48,309 --> 00:44:46,560

implant gathered in the area now keep in

1171

00:44:50,390 --> 00:44:48,319

mind this is my property that i find out

1172

00:44:52,230 --> 00:44:50,400

later oops that it's the same place so

1173

00:44:54,230 --> 00:44:52,240

i'm like

1174

00:44:56,550 --> 00:44:54,240

um and he passed away

1175

00:44:58,630 --> 00:44:56,560

from brain cancer so they all got these

1176
00:44:59,910 --> 00:44:58,640
nasal implants they claimed that these

1177
00:45:01,349 --> 00:44:59,920
things

1178
00:45:02,870 --> 00:45:01,359
are telling them what to do and i said

1179
00:45:06,710 --> 00:45:02,880
what are they telling you to do

1180
00:45:09,589 --> 00:45:06,720
he said it wants us to bring more people

1181
00:45:10,790 --> 00:45:09,599
oh my gosh

1182
00:45:13,190 --> 00:45:10,800
so

1183
00:45:15,750 --> 00:45:13,200
um that iconic

1184
00:45:17,430 --> 00:45:15,760
memory that i had of that original

1185
00:45:19,270 --> 00:45:17,440
trickster kind of kicked in at that

1186
00:45:20,710 --> 00:45:19,280
point these things are hungry aren't

1187
00:45:23,589 --> 00:45:20,720
they

1188
00:45:25,030 --> 00:45:23,599

i don't know i don't know what it is uh

1189

00:45:29,109 --> 00:45:25,040

well actually i put his name right there

1190

00:45:31,349 --> 00:45:30,150

good guy

1191

00:45:34,230 --> 00:45:31,359

um

1192

00:45:36,069 --> 00:45:34,240

well rich was not quite as big as brad

1193

00:45:38,230 --> 00:45:36,079

olsen but pretty close

1194

00:45:40,390 --> 00:45:38,240

and rich said he got out of the tent to

1195

00:45:41,990 --> 00:45:40,400

go to the bathroom

1196

00:45:43,990 --> 00:45:42,000

this wispy

1197

00:45:45,430 --> 00:45:44,000

they call him the flannel man but again

1198

00:45:47,270 --> 00:45:45,440

we're back to these tricksters that can

1199

00:45:49,589 --> 00:45:47,280

take any shape they want

1200

00:45:51,349 --> 00:45:49,599

a wispy dark entity in a red and black

1201
00:45:53,670 --> 00:45:51,359
fennel shirt came up to him grabbed him

1202
00:45:55,990 --> 00:45:53,680
from the neck lifted him off the ground

1203
00:45:57,990 --> 00:45:56,000
and looked him straight in the eye

1204
00:45:59,750 --> 00:45:58,000
he said that's all he remembered he was

1205
00:46:04,150 --> 00:45:59,760
put back down and he went right back to

1206
00:46:04,160 --> 00:46:07,670
very very strange

1207
00:46:13,190 --> 00:46:10,630
okay when i found this story out i was

1208
00:46:15,030 --> 00:46:13,200
horrified i knew i was again in over my

1209
00:46:17,109 --> 00:46:15,040
head

1210
00:46:19,109 --> 00:46:17,119
i had met an individual

1211
00:46:21,510 --> 00:46:19,119
through another researcher that's fairly

1212
00:46:24,309 --> 00:46:21,520
popular his name is jeremy corbell

1213
00:46:25,829 --> 00:46:24,319

and i met this researcher through him

1214

00:46:27,510 --> 00:46:25,839

and this researcher came out and said

1215

00:46:29,910 --> 00:46:27,520

hey man

1216

00:46:31,670 --> 00:46:29,920

i want to kind of share your burden if

1217

00:46:32,710 --> 00:46:31,680

that makes any sense sell me half the

1218

00:46:34,069 --> 00:46:32,720

property

1219

00:46:35,349 --> 00:46:34,079

i'm going to do different research on

1220

00:46:38,390 --> 00:46:35,359

this side

1221

00:46:40,390 --> 00:46:38,400

more of a spiritual consciousness

1222

00:46:42,550 --> 00:46:40,400

related research and

1223

00:46:44,790 --> 00:46:42,560

i think you should do the same i said

1224

00:46:46,470 --> 00:46:44,800

this is a good idea this is kind of

1225

00:46:48,790 --> 00:46:46,480

not as dangerous right

1226

00:46:50,150 --> 00:46:48,800

sounds good

1227

00:46:51,670 --> 00:46:50,160

okay

1228

00:46:54,829 --> 00:46:51,680

well

1229

00:46:57,670 --> 00:46:54,839

he has started uh without speaking for

1230

00:46:59,270 --> 00:46:57,680

him a very intelligent individual works

1231

00:47:03,349 --> 00:46:59,280

for the government as well but

1232

00:47:07,109 --> 00:47:03,359

he has started what i can only call

1233

00:47:09,270 --> 00:47:07,119

an illumination station

1234

00:47:11,190 --> 00:47:09,280

and what he's using

1235

00:47:12,950 --> 00:47:11,200

is

1236

00:47:15,030 --> 00:47:12,960

many of you here may know of it it's

1237

00:47:17,589 --> 00:47:15,040

called an angel lamp

1238

00:47:20,230 --> 00:47:17,599

it is a technology a light technology

1239

00:47:21,510 --> 00:47:20,240

that has been used for years

1240

00:47:23,589 --> 00:47:21,520

to

1241

00:47:24,630 --> 00:47:23,599

holistically help people stroke victims

1242

00:47:26,950 --> 00:47:24,640

other things

1243

00:47:28,630 --> 00:47:26,960

but basically it's a lamp that a

1244

00:47:31,109 --> 00:47:28,640

catholic priest

1245

00:47:33,109 --> 00:47:31,119

quote unquote channeled how to build

1246

00:47:35,589 --> 00:47:33,119

and it shoots different colors in

1247

00:47:38,230 --> 00:47:35,599

different sequences and it mimics the

1248

00:47:39,829 --> 00:47:38,240

dmt experience that we typically only

1249

00:47:41,349 --> 00:47:39,839

have twice in our life

1250

00:47:42,549 --> 00:47:41,359

in a technological way that can be

1251

00:47:44,549 --> 00:47:42,559

turned off

1252

00:47:46,230 --> 00:47:44,559

and hopefully you can interact with

1253

00:47:48,950 --> 00:47:46,240

these entities because

1254

00:47:50,230 --> 00:47:48,960

these friends not enemies right we gotta

1255

00:47:51,910 --> 00:47:50,240

remember that

1256

00:47:53,430 --> 00:47:51,920

because they're pretty awesome and we

1257

00:47:54,790 --> 00:47:53,440

don't want to mess with them

1258

00:47:57,109 --> 00:47:54,800

um

1259

00:47:59,510 --> 00:47:57,119

so he started doing that well

1260

00:48:02,069 --> 00:47:59,520

i said this looks like a great idea

1261

00:48:04,470 --> 00:48:02,079

why don't we take it up a notch and

1262

00:48:07,109 --> 00:48:04,480

use what's called a god helmet

1263

00:48:08,549 --> 00:48:07,119

now a god helmet is kind of a more

1264

00:48:11,109 --> 00:48:08,559

powerful version

1265

00:48:13,430 --> 00:48:11,119

of the angel amp that is worn

1266

00:48:15,990 --> 00:48:13,440

and it sends photo

1267

00:48:17,670 --> 00:48:16,000

by it let me get let me make sure i say

1268

00:48:29,349 --> 00:48:17,680

this right

1269

00:48:34,470 --> 00:48:30,870

impulses

1270

00:48:37,190 --> 00:48:34,480

to engage the neurology of the patient

1271

00:48:39,349 --> 00:48:37,200

be it a stroke victim alzheimer's any of

1272

00:48:40,870 --> 00:48:39,359

these things

1273

00:48:42,630 --> 00:48:40,880

and hopefully make them better it

1274

00:48:44,630 --> 00:48:42,640

activates the brain

1275

00:48:49,190 --> 00:48:44,640

brings it up to higher levels

1276
00:48:52,950 --> 00:48:50,710
well

1277
00:48:54,630 --> 00:48:52,960
when you put this thing on

1278
00:48:56,630 --> 00:48:54,640
a very large percentage of the

1279
00:48:58,630 --> 00:48:56,640
population that wears this thing

1280
00:49:02,470 --> 00:48:58,640
has interactions with entities that they

1281
00:49:04,470 --> 00:49:02,480
can only consider spiritual god-like

1282
00:49:09,910 --> 00:49:04,480
so it kind of seems like

1283
00:49:12,790 --> 00:49:10,950
now

1284
00:49:14,829 --> 00:49:12,800
they're not all friendly and what i mean

1285
00:49:16,630 --> 00:49:14,839
by the friends

1286
00:49:18,870 --> 00:49:16,640
um

1287
00:49:19,829 --> 00:49:18,880
people have been hurt people have been

1288
00:49:21,589 --> 00:49:19,839

killed

1289

00:49:25,270 --> 00:49:21,599

and that's a quote taken from robert

1290

00:49:27,030 --> 00:49:25,280

bigelow it's not mine wow

1291

00:49:28,950 --> 00:49:27,040

this intelligence

1292

00:49:30,390 --> 00:49:28,960

doesn't take any flack

1293

00:49:33,910 --> 00:49:30,400

uh

1294

00:49:36,150 --> 00:49:33,920

there is there is a very real malevolent

1295

00:49:39,030 --> 00:49:36,160

presence that is available

1296

00:49:41,510 --> 00:49:39,040

at a moment's notice if necessary

1297

00:49:46,390 --> 00:49:41,520

and it can and it will

1298

00:49:50,150 --> 00:49:48,230

there's other things that you'll see

1299

00:49:53,430 --> 00:49:50,160

that the blue meanies are what i would

1300

00:49:56,230 --> 00:49:53,440

consider the most malevolent and that is

1301
00:49:58,950 --> 00:49:56,240
just because of historically they are

1302
00:50:01,030 --> 00:49:58,960
tied to situations where people are hurt

1303
00:50:02,309 --> 00:50:01,040
animals are hurt or killed

1304
00:50:03,750 --> 00:50:02,319
the sprites

1305
00:50:05,990 --> 00:50:03,760
are smaller

1306
00:50:08,549 --> 00:50:06,000
usually along waterways

1307
00:50:10,950 --> 00:50:08,559
i would say a little bit lighter

1308
00:50:12,790 --> 00:50:10,960
as far as

1309
00:50:14,710 --> 00:50:12,800
not as scary

1310
00:50:16,790 --> 00:50:14,720
and then we have all kinds of creatures

1311
00:50:18,710 --> 00:50:16,800
in the bushes with eye shine and a

1312
00:50:20,790 --> 00:50:18,720
plethora of other activity which i can

1313
00:50:23,109 --> 00:50:20,800

only call toys because they're either

1314

00:50:28,150 --> 00:50:23,119

ours or theirs and they're highly

1315

00:50:28,160 --> 00:50:30,549

um

1316

00:50:33,829 --> 00:50:31,910

what are they

1317

00:50:35,349 --> 00:50:33,839

you can see one you can see nine you can

1318

00:50:36,390 --> 00:50:35,359

see twelve

1319

00:50:40,390 --> 00:50:36,400

it

1320

00:50:42,710 --> 00:50:40,400

very difficult to understand what

1321

00:50:44,150 --> 00:50:42,720

exactly we're looking at

1322

00:50:46,150 --> 00:50:44,160

we're

1323

00:50:47,349 --> 00:50:46,160

looking at things that can

1324

00:50:48,790 --> 00:50:47,359

manifest

1325

00:50:51,589 --> 00:50:48,800

fly around

1326

00:50:54,390 --> 00:50:51,599

and then disengage just i'm bored i'll

1327

00:50:56,390 --> 00:50:54,400

leave

1328

00:50:58,470 --> 00:50:56,400

um now there's an underground connection

1329

00:51:01,030 --> 00:50:58,480

that i think james keenan has touched on

1330

00:51:04,069 --> 00:51:01,040

probably more than anyone historically

1331

00:51:06,069 --> 00:51:04,079

and that is going to lead to very big

1332

00:51:08,950 --> 00:51:06,079

things

1333

00:51:10,790 --> 00:51:08,960

there are factors

1334

00:51:16,390 --> 00:51:10,800

magnetic factors

1335

00:51:18,069 --> 00:51:16,400

all kinds of things underground that

1336

00:51:19,190 --> 00:51:18,079

shouldn't be there

1337

00:51:21,270 --> 00:51:19,200

we have

1338

00:51:25,910 --> 00:51:21,280

things over the ground that shouldn't be

1339

00:51:27,349 --> 00:51:25,920

there we have high power lines that

1340

00:51:30,069 --> 00:51:27,359

you can hear these things chatter

1341

00:51:32,870 --> 00:51:30,079

they're high voltage they are i believe

1342

00:51:34,150 --> 00:51:32,880

the largest power lines in that portion

1343

00:51:36,309 --> 00:51:34,160

of the state

1344

00:51:37,990 --> 00:51:36,319

and they're put over a very porous

1345

00:51:40,309 --> 00:51:38,000

sandstone mesa you can see in the

1346

00:51:42,230 --> 00:51:40,319

background with a water source behind it

1347

00:51:43,990 --> 00:51:42,240

that is seeping water that shouldn't be

1348

00:51:45,829 --> 00:51:44,000

there by the way we boat there

1349

00:51:47,829 --> 00:51:45,839

underneath this mesa

1350

00:51:49,670 --> 00:51:47,839

which is already cursed land and then

1351

00:51:52,390 --> 00:51:49,680

invigorated by the electromagnetic

1352

00:51:54,150 --> 00:51:52,400

frequency placed above it

1353

00:51:56,390 --> 00:51:54,160

okay that's just the tip of the iceberg

1354

00:51:58,790 --> 00:51:56,400

we don't have native american curses yet

1355

00:52:00,470 --> 00:51:58,800

we don't have the buffalo soldier curses

1356

00:52:02,549 --> 00:52:00,480

on the native americans yet which were

1357

00:52:05,109 --> 00:52:02,559

mostly prince hall freemasons and very

1358

00:52:06,710 --> 00:52:05,119

knowledgeable of the dark guards

1359

00:52:08,069 --> 00:52:06,720

and

1360

00:52:09,750 --> 00:52:08,079

we don't have

1361

00:52:11,030 --> 00:52:09,760

the government involved yet which is a

1362

00:52:12,549 --> 00:52:11,040

huge one

1363

00:52:16,230 --> 00:52:12,559

so now

1364

00:52:18,630 --> 00:52:17,510

and

1365

00:52:20,710 --> 00:52:18,640

you never know who you're going to find

1366

00:52:22,630 --> 00:52:20,720

on the board

1367

00:52:24,390 --> 00:52:22,640

you can be out and about in a place

1368

00:52:26,309 --> 00:52:24,400

where nobody should be

1369

00:52:27,990 --> 00:52:26,319

and you'll see somebody

1370

00:52:30,230 --> 00:52:28,000

and they'll be

1371

00:52:32,069 --> 00:52:30,240

getting readings of something

1372

00:52:33,270 --> 00:52:32,079

and i always think of you james because

1373

00:52:35,270 --> 00:52:33,280

it's probably what they think of you

1374

00:52:36,950 --> 00:52:35,280

when they see you out there

1375

00:52:38,870 --> 00:52:36,960

but yeah there's a lot of these men and

1376

00:52:40,470 --> 00:52:38,880

black types that are seen

1377

00:52:42,230 --> 00:52:40,480

in the basin in general and they have

1378

00:52:44,230 --> 00:52:42,240

been seen for years

1379

00:52:46,790 --> 00:52:44,240

this is a very common thing and as i

1380

00:52:49,349 --> 00:52:46,800

said i was targeted by

1381

00:52:51,670 --> 00:52:49,359

now i've found out who they were but at

1382

00:52:54,630 --> 00:52:51,680

the time i didn't know who they were and

1383

00:52:57,589 --> 00:52:54,640

it was very frustrating

1384

00:53:02,950 --> 00:53:00,710

amazing things they manifest they

1385

00:53:05,270 --> 00:53:02,960

they start from a zero point

1386

00:53:06,790 --> 00:53:05,280

they begin to open up

1387

00:53:08,790 --> 00:53:06,800

and things go in and out of them and

1388

00:53:11,349 --> 00:53:08,800

then they close up it's it's a great way

1389

00:53:13,190 --> 00:53:11,359

to travel i guess

1390

00:53:15,750 --> 00:53:13,200

you see them

1391

00:53:18,069 --> 00:53:15,760

it's very hard to get in very close

1392

00:53:21,349 --> 00:53:18,079

proximity but it could happen

1393

00:53:24,549 --> 00:53:21,359

and i want to jump to a quick

1394

00:53:27,589 --> 00:53:25,910

about portals

1395

00:53:29,270 --> 00:53:27,599

there is a location that is still

1396

00:53:31,030 --> 00:53:29,280

completely hidden in the u.s basin that

1397

00:53:32,950 --> 00:53:31,040

i call gl2

1398

00:53:37,109 --> 00:53:32,960

or groom lake ii

1399

00:53:38,790 --> 00:53:37,119

it was originally a large

1400

00:53:41,430 --> 00:53:38,800

i won't tell you what it was okay it was

1401

00:53:42,549 --> 00:53:41,440

it was a ranch it was a ranch

1402

00:53:44,390 --> 00:53:42,559

um

1403

00:53:48,150 --> 00:53:44,400

the guy wanted the owner wanted to sell

1404

00:53:51,030 --> 00:53:48,160

the ranch he sold the ranch

1405

00:53:53,670 --> 00:53:51,040

the largest real estate agent in the

1406

00:53:56,069 --> 00:53:53,680

area contacted me said

1407

00:53:57,829 --> 00:53:56,079

she said i have somebody here trying to

1408

00:53:59,990 --> 00:53:57,839

buy this ranch

1409

00:54:02,390 --> 00:54:00,000

it sounds great wow that's amazing

1410

00:54:04,630 --> 00:54:02,400

well i asked him why he's russian his

1411

00:54:06,950 --> 00:54:04,640

name is slugger he says he's here from

1412

00:54:09,990 --> 00:54:06,960

an intelligence perspective he wants to

1413

00:54:12,870 --> 00:54:10,000

buy the branch with gold cars

1414

00:54:15,109 --> 00:54:12,880

that are in his suv

1415

00:54:16,470 --> 00:54:15,119

and he said he wants the ranch to stay

1416

00:54:18,390 --> 00:54:16,480

in the name of the guy that still owns

1417

00:54:19,589 --> 00:54:18,400

it

1418

00:54:21,510 --> 00:54:19,599

and when i asked him what he's doing

1419

00:54:23,670 --> 00:54:21,520

there he said that they're doing

1420

00:54:25,510 --> 00:54:23,680

portal technology testing

1421

00:54:27,589 --> 00:54:25,520

they will put things in a machine here

1422

00:54:31,990 --> 00:54:27,599

they will come out 15 minutes later in

1423

00:54:35,589 --> 00:54:34,150

who knows okay so alien artificial

1424

00:54:37,750 --> 00:54:35,599

intelligence what is it is it

1425

00:54:39,190 --> 00:54:37,760

pre-cognitive intelligence it could be

1426
00:54:41,430 --> 00:54:39,200
what we're talking about is something

1427
00:54:43,430 --> 00:54:41,440
that doesn't need a body to roam it

1428
00:54:46,470 --> 00:54:43,440
could be an alien artificial

1429
00:54:49,430 --> 00:54:46,480
intelligence something that was put here

1430
00:54:50,950 --> 00:54:49,440
millennia ago much like the mars rover

1431
00:54:53,270 --> 00:54:50,960
you know covered in dust it's here it's

1432
00:54:54,150 --> 00:54:53,280
taken readings it just doesn't know that

1433
00:54:57,829 --> 00:54:54,160
it's

1434
00:55:00,549 --> 00:54:57,839
its job

1435
00:55:01,670 --> 00:55:00,559
i don't know if that's what it is

1436
00:55:03,510 --> 00:55:01,680
the united

1437
00:55:04,710 --> 00:55:03,520
unidentified aerial phenomena is very

1438
00:55:06,390 --> 00:55:04,720

common

1439

00:55:10,470 --> 00:55:06,400

typically it looks like

1440

00:55:12,230 --> 00:55:10,480

tic tacs saucers triangles

1441

00:55:14,309 --> 00:55:12,240

this is called werewolf point this is

1442

00:55:17,349 --> 00:55:14,319

near independence utah which is next to

1443

00:55:19,270 --> 00:55:17,359

fort duchesne radled mightin this is a

1444

00:55:20,789 --> 00:55:19,280

spot where

1445

00:55:22,549 --> 00:55:20,799

those in the know

1446

00:55:25,589 --> 00:55:22,559

say those in the gnome

1447

00:55:32,230 --> 00:55:28,549

uh the waterways had very important

1448

00:55:34,549 --> 00:55:32,240

significance in the basin much of the

1449

00:55:37,349 --> 00:55:34,559

occult symbolism and dark arts

1450

00:55:39,349 --> 00:55:37,359

function around and with the help of

1451
00:55:42,309 --> 00:55:39,359
these waterways much like the ohio river

1452
00:55:43,190 --> 00:55:42,319
valley and the susquehanna

1453
00:55:44,630 --> 00:55:43,200
um

1454
00:55:46,069 --> 00:55:44,640
cultures you know a lot of the same

1455
00:55:48,309 --> 00:55:46,079
magic practices

1456
00:55:50,069 --> 00:55:48,319
uh there's also hiding areas because

1457
00:55:52,069 --> 00:55:50,079
there's more trees near the water and

1458
00:55:54,069 --> 00:55:52,079
more forestry

1459
00:55:55,750 --> 00:55:54,079
strange prints are found often

1460
00:55:58,390 --> 00:55:55,760
no idea what they're from this is about

1461
00:55:59,589 --> 00:55:58,400
an eight inch print looks like a duck

1462
00:56:02,549 --> 00:55:59,599
don't know

1463
00:56:05,750 --> 00:56:02,559

we continue to be vigilant we just keep

1464

00:56:07,829 --> 00:56:05,760

rebuilding when we're burned down and uh

1465

00:56:10,390 --> 00:56:07,839

i'm just gonna keep

1466

00:56:12,309 --> 00:56:10,400

being hijacked i guess it's what it is

1467

00:56:14,309 --> 00:56:12,319

and i'm gonna have to keep

1468

00:56:15,750 --> 00:56:14,319

functioning and looking at it here are

1469

00:56:17,109 --> 00:56:15,760

some

1470

00:56:18,950 --> 00:56:17,119

videos because i know a lot of people

1471

00:56:20,150 --> 00:56:18,960

say i i i don't want to take your word

1472

00:56:22,870 --> 00:56:20,160

for it i don't know how to play these

1473

00:56:24,630 --> 00:56:22,880

though jade how do i do that

1474

00:56:26,390 --> 00:56:24,640

now this video is very interesting this

1475

00:56:28,470 --> 00:56:26,400

is over bottle hollow reservoir which

1476

00:56:31,510 --> 00:56:28,480

james mentioned earlier

1477

00:56:33,589 --> 00:56:31,520

the water that was dammed up above

1478

00:56:35,349 --> 00:56:33,599

the mesa

1479

00:56:36,710 --> 00:56:35,359

many things are seen here as you saw

1480

00:56:38,470 --> 00:56:36,720

there was a

1481

00:56:41,030 --> 00:56:38,480

landing strip that james showed you

1482

00:56:42,230 --> 00:56:41,040

there's all kinds of wild stuff uh sea

1483

00:56:46,309 --> 00:56:42,240

creatures have been seen there

1484

00:56:47,829 --> 00:56:46,319

mysterious deaths this is a ufo that

1485

00:56:50,390 --> 00:56:47,839

flies over

1486

00:56:52,150 --> 00:56:50,400

and then it uses a tree to abscond or

1487

00:56:54,150 --> 00:56:52,160

hide behind is there anything i need to

1488

00:56:56,150 --> 00:56:54,160

hit here

1489

00:56:57,190 --> 00:56:56,160

oh

1490

00:56:59,109 --> 00:56:57,200

okay

1491

00:57:00,950 --> 00:56:59,119

notice how it's cruising along mine its

1492

00:57:02,390 --> 00:57:00,960

own business about negative 20 degrees

1493

00:57:03,990 --> 00:57:02,400

and i didn't have a tripod so i'm trying

1494

00:57:05,430 --> 00:57:04,000

to be as still as i can i apologize if

1495

00:57:08,069 --> 00:57:05,440

it's shaky

1496

00:57:10,470 --> 00:57:08,079

it's freezing out there um i'm on the

1497

00:57:12,470 --> 00:57:10,480

south side of bottle holler reservoir

1498

00:57:14,470 --> 00:57:12,480

looking at this plasma ball flying

1499

00:57:15,990 --> 00:57:14,480

directly over

1500

00:57:17,829 --> 00:57:16,000

the freaking lake

1501

00:57:19,510 --> 00:57:17,839

and i'm luckily there with a friend of

1502

00:57:21,670 --> 00:57:19,520

mine will hoffman a baptist preacher

1503

00:57:23,829 --> 00:57:21,680

from missouri who's moved there and he's

1504

00:57:27,109 --> 00:57:23,839

watching it and completely questioning

1505

00:57:29,190 --> 00:57:27,119

his entire spiritual existence

1506

00:57:30,630 --> 00:57:29,200

and now look at the little tree

1507

00:57:33,190 --> 00:57:30,640

did you see the little branch how it

1508

00:57:35,030 --> 00:57:33,200

used that branch to disappear it didn't

1509

00:57:36,950 --> 00:57:35,040

go behind the mountain it went behind a

1510

00:57:37,829 --> 00:57:36,960

tiny branch on a tree and that's all it

1511

00:57:42,230 --> 00:57:37,839

needs

1512

00:57:45,030 --> 00:57:42,240

that one more time let's go to the next

1513

00:57:48,710 --> 00:57:45,040

one really quick can we fast forward or

1514

00:57:52,829 --> 00:57:51,829

oh no okay let's do this one three more

1515

00:57:56,069 --> 00:57:52,839

and

1516

00:58:00,950 --> 00:57:56,079

then oh i might be skipping some so just

1517

00:58:05,270 --> 00:58:03,349

there we go here's one at night

1518

00:58:07,030 --> 00:58:05,280

so doesn't matter day time night time

1519

00:58:09,910 --> 00:58:07,040

they're there they're moving

1520

00:58:11,750 --> 00:58:09,920

they love they love inclement weather

1521

00:58:17,349 --> 00:58:11,760

they power up they power out and they'll

1522

00:58:21,109 --> 00:58:19,589

daytime doesn't matter

1523

00:58:23,190 --> 00:58:21,119

bring it

1524

00:58:25,670 --> 00:58:23,200

they all kinds of shapes and sizes you

1525

00:58:27,030 --> 00:58:25,680

get the cigar shaped ones too

1526
00:58:28,710 --> 00:58:27,040
and um

1527
00:58:30,470 --> 00:58:28,720
i don't know what they're doing they're

1528
00:58:32,230 --> 00:58:30,480
over your house they're over my house

1529
00:58:34,069 --> 00:58:32,240
they're cruising they're looking for

1530
00:58:36,630 --> 00:58:34,079
something are they us

1531
00:58:42,390 --> 00:58:36,640
are they them are they friends

1532
00:58:42,400 --> 00:58:51,990
and lastly any questions

1533
00:58:56,470 --> 00:58:54,789
you talk about how big are they and are

1534
00:58:58,789 --> 00:58:56,480
like do you see them going across the

1535
00:59:00,390 --> 00:58:58,799
land are they mainly in the skies

1536
00:59:02,630 --> 00:59:00,400
really good question jeff

1537
00:59:04,470 --> 00:59:02,640
the blue meanies typically are described

1538
00:59:07,030 --> 00:59:04,480

as being from six to eight to twelve

1539

00:59:08,470 --> 00:59:07,040

inches a lot like a bowling ball

1540

00:59:11,109 --> 00:59:08,480

or a basketball

1541

00:59:13,589 --> 00:59:11,119

and um they have been described best i

1542

00:59:16,390 --> 00:59:13,599

think as a pyrex ball

1543

00:59:18,390 --> 00:59:16,400

with swirling salsa blue inside of it

1544

00:59:21,030 --> 00:59:18,400

and some unknown light source

1545

00:59:23,430 --> 00:59:21,040

so you can see that swirling celsius

1546

00:59:25,349 --> 00:59:23,440

blue going around inside and then

1547

00:59:27,109 --> 00:59:25,359

there's an unknown light source and it's

1548

00:59:31,250 --> 00:59:27,119

just cruising around

1549

00:59:31,260 --> 00:59:43,670

[Music]

1550

00:59:47,910 --> 00:59:45,910

very good question can you repeat it

1551
00:59:49,510 --> 00:59:47,920
yeah she's asking how is it observed

1552
00:59:52,470 --> 00:59:49,520
that the blue meanies actually interact

1553
00:59:54,630 --> 00:59:52,480
malevolently with humanity or animals

1554
00:59:57,750 --> 00:59:54,640
and the way they do it uh the best

1555
01:00:00,230 --> 00:59:57,760
example i have is uh the former ranch

1556
01:00:02,789 --> 01:00:00,240
owner a gentleman named terry sharon

1557
01:00:05,349 --> 01:00:02,799
had some great ranch dogs blue healers

1558
01:00:07,030 --> 01:00:05,359
very well trained did what he said

1559
01:00:08,950 --> 01:00:07,040
they would watch these things all the

1560
01:00:11,430 --> 01:00:08,960
time and one night he just got

1561
01:00:13,349 --> 01:00:11,440
frustrated with him and said go get him

1562
01:00:15,910 --> 01:00:13,359
and he said to his dogs go get them and

1563
01:00:17,670 --> 01:00:15,920

they they went after him well the dogs

1564

01:00:19,510 --> 01:00:17,680

didn't come back

1565

01:00:23,109 --> 01:00:19,520

and there were three grease spots in the

1566

01:00:26,230 --> 01:00:25,430

have you ever shot a laser into any of

1567

01:00:27,990 --> 01:00:26,240

these

1568

01:00:30,390 --> 01:00:28,000

that's a really good question probably

1569

01:00:34,069 --> 01:00:30,400

not i'm just curious

1570

01:00:35,990 --> 01:00:34,079

lasers are huge out there um

1571

01:00:38,230 --> 01:00:36,000

they will interact the lights will move

1572

01:00:39,030 --> 01:00:38,240

if you interact with a laser

1573

01:00:43,430 --> 01:00:39,040

and

1574

01:00:45,670 --> 01:00:43,440

um

1575

01:00:46,950 --> 01:00:45,680

it's it's a tough tough call because

1576
01:00:49,109 --> 01:00:46,960
there's different lasers you can have a

1577
01:00:51,109 --> 01:00:49,119
really powerful one or a less powerful

1578
01:00:52,549 --> 01:00:51,119
one but but they do interact they do

1579
01:00:54,470 --> 01:00:52,559
interact with the lasers good question

1580
01:00:56,710 --> 01:00:54,480
they usually disappear usually they'll

1581
01:00:58,069 --> 01:00:56,720
disappear if they'll shake a little like

1582
01:00:59,190 --> 01:00:58,079
it's weird they'll just shake a little

1583
01:01:00,309 --> 01:00:59,200
bit and then be like oh somebody's

1584
01:01:01,990 --> 01:01:00,319
watching this

1585
01:01:03,349 --> 01:01:02,000
yes sir yeah have you had any

1586
01:01:06,069 --> 01:01:03,359
interaction or

1587
01:01:07,150 --> 01:01:06,079
conversations with james gillard

1588
01:01:12,470 --> 01:01:07,160

that sounds so familiar

1589

01:01:17,349 --> 01:01:14,470

yeah that's the real deal that's the

1590

01:01:19,109 --> 01:01:17,359

real deal does he has he looked at your

1591

01:01:24,870 --> 01:01:19,119

place and

1592

01:01:30,309 --> 01:01:26,789

no i haven't asked him directly but it's

1593

01:01:32,390 --> 01:01:30,319

a good idea very good idea yes did you

1594

01:01:33,990 --> 01:01:32,400

have any residual consequences after

1595

01:01:35,829 --> 01:01:34,000

your skin walker episode like

1596

01:01:37,990 --> 01:01:35,839

spiritually did you have to do any work

1597

01:01:39,990 --> 01:01:38,000

did you have any you said you had ideas

1598

01:01:42,789 --> 01:01:40,000

but i'm just wondering like you know

1599

01:01:44,950 --> 01:01:42,799

entity wise absolutely probably the best

1600

01:01:46,390 --> 01:01:44,960

question oh my gosh so there's always

1601
01:01:47,750 --> 01:01:46,400
somebody said earlier today there's

1602
01:01:48,710 --> 01:01:47,760
always consequences i think it was

1603
01:01:50,470 --> 01:01:48,720
joining

1604
01:01:51,990 --> 01:01:50,480
there's always consequences to this and

1605
01:01:54,150 --> 01:01:52,000
this is this is the lame part about

1606
01:01:55,430 --> 01:01:54,160
having your life hijacked by something

1607
01:01:57,910 --> 01:01:55,440
well it's a calling so it's not really

1608
01:01:58,789 --> 01:01:57,920
hijacked right but let's go back

1609
01:02:01,589 --> 01:01:58,799
yes

1610
01:02:04,549 --> 01:02:01,599
there have been situations where we have

1611
01:02:07,190 --> 01:02:04,559
investigated for example uh i see a cow

1612
01:02:09,349 --> 01:02:07,200
mutilation and i'll go over to it and

1613
01:02:11,750 --> 01:02:09,359

then i'll go back to the las vegas

1614

01:02:13,510 --> 01:02:11,760

and i'll start noticing like

1615

01:02:15,829 --> 01:02:13,520

i'll tell my wife like my right foot's

1616

01:02:17,750 --> 01:02:15,839

not my my right foot's not working it's

1617

01:02:20,230 --> 01:02:17,760

not that's numb like my whole leg is

1618

01:02:21,510 --> 01:02:20,240

numb like i can barely walk i go to the

1619

01:02:23,910 --> 01:02:21,520

doctor i check it out they say it's

1620

01:02:25,589 --> 01:02:23,920

neurological

1621

01:02:27,430 --> 01:02:25,599

what was i just doing i was looking at a

1622

01:02:29,109 --> 01:02:27,440

cow that was dead from unknown

1623

01:02:31,670 --> 01:02:29,119

circumstances in an area of high

1624

01:02:34,230 --> 01:02:31,680

strangeness now these neurological

1625

01:02:36,230 --> 01:02:34,240

disorders as uh was previously mentioned

1626

01:02:38,789 --> 01:02:36,240

earlier in the day the two guards that

1627

01:02:41,109 --> 01:02:38,799

went with bigelow aerospace chris bartel

1628

01:02:43,430 --> 01:02:41,119

and chris marks they witnessed something

1629

01:02:46,069 --> 01:02:43,440

they went they got checked out there is

1630

01:02:48,150 --> 01:02:46,079

a very real

1631

01:02:50,230 --> 01:02:48,160

neurological phenomena that takes place

1632

01:02:52,150 --> 01:02:50,240

where you can be injured

1633

01:02:55,270 --> 01:02:52,160

now

1634

01:02:59,750 --> 01:02:57,750

i've had this happen a few times so i've

1635

01:03:01,990 --> 01:02:59,760

been hurt a lot i

1636

01:03:03,349 --> 01:03:02,000

recently went in i was like oh my back's

1637

01:03:04,789 --> 01:03:03,359

hurting a little bit i went in the

1638

01:03:06,710 --> 01:03:04,799

doctor's like your back's broken in

1639

01:03:08,470 --> 01:03:06,720

three places i was like what are you

1640

01:03:11,349 --> 01:03:08,480

talking about he's like your back's

1641

01:03:14,870 --> 01:03:11,359

broken in three places i'm not like

1642

01:03:18,150 --> 01:03:14,880

extreme sports guy right so i don't know

1643

01:03:19,990 --> 01:03:18,160

um but there is a lot of neurological

1644

01:03:22,390 --> 01:03:20,000

strangeness that takes place and i would

1645

01:03:23,430 --> 01:03:22,400

say that most of it has to do with the

1646

01:03:25,910 --> 01:03:23,440

mind

1647

01:03:30,950 --> 01:03:28,789

whatever you want to call it

1648

01:03:33,349 --> 01:03:30,960

the brightest minds a lot smarter than

1649

01:03:35,349 --> 01:03:33,359

myself because i am just some kid that's

1650

01:03:37,589 --> 01:03:35,359

been messing with uh

1651
01:03:39,430 --> 01:03:37,599
something that i had no idea what it was

1652
01:03:40,789 --> 01:03:39,440
until it was too late

1653
01:03:42,390 --> 01:03:40,799
but

1654
01:03:45,029 --> 01:03:42,400
the brightest minds

1655
01:03:47,109 --> 01:03:45,039
scientifically are saying that when this

1656
01:03:48,710 --> 01:03:47,119
interaction occurs you may gather

1657
01:03:50,950 --> 01:03:48,720
something from them

1658
01:03:52,470 --> 01:03:50,960
but you also give something they take

1659
01:03:55,349 --> 01:03:52,480
something from you

1660
01:03:57,990 --> 01:03:55,359
so it's not just a one-way street

1661
01:03:59,670 --> 01:03:58,000
there is a price to pay

1662
01:04:01,910 --> 01:03:59,680
yeah you talked about the spiritual

1663
01:04:04,549 --> 01:04:01,920

impact that this man said maybe we

1664

01:04:06,950 --> 01:04:04,559

should do something differently so what

1665

01:04:09,109 --> 01:04:06,960

was the uh techniques you used i think

1666

01:04:12,150 --> 01:04:09,119

was their consciousness

1667

01:04:14,470 --> 01:04:12,160

as well as the surroundings

1668

01:04:16,789 --> 01:04:14,480

and did you get contact on that

1669

01:04:19,029 --> 01:04:16,799

that's a question yes instead of looking

1670

01:04:21,190 --> 01:04:19,039

at it as a malevolent

1671

01:04:22,470 --> 01:04:21,200

creature of mayhem that we just want to

1672

01:04:24,150 --> 01:04:22,480

get proof of

1673

01:04:26,789 --> 01:04:24,160

ooh look i got a picture of the grizzly

1674

01:04:28,069 --> 01:04:26,799

bear am i a great researcher because

1675

01:04:30,309 --> 01:04:28,079

that's kind of you know

1676
01:04:32,710 --> 01:04:30,319
no that's not what we're doing at all we

1677
01:04:34,710 --> 01:04:32,720
are actually taking down cameras we are

1678
01:04:36,950 --> 01:04:34,720
trying to interact we're treating them

1679
01:04:40,230 --> 01:04:36,960
as friends instead of

1680
01:04:43,109 --> 01:04:40,240
enemies because the reality is these

1681
01:04:46,870 --> 01:04:43,119
intelligences have spiritual abilities

1682
01:04:49,990 --> 01:04:46,880
that far outweigh ours and not only that

1683
01:04:52,870 --> 01:04:51,349
care about us at least in the fact that

1684
01:04:53,990 --> 01:04:52,880
they want to interact with us if they

1685
01:04:56,870 --> 01:04:54,000
wanted to change this out because we'd

1686
01:04:59,750 --> 01:04:56,880
be gone a long time ago yes sir um have

1687
01:05:01,270 --> 01:04:59,760
you ever tried like doing any um

1688
01:05:03,430 --> 01:05:01,280

communication with it when they're on

1689

01:05:06,150 --> 01:05:03,440

the move like turn right turn left go up

1690

01:05:08,069 --> 01:05:06,160

go down interact with them a little bit

1691

01:05:09,750 --> 01:05:08,079

a little bit and it's it's hit or miss

1692

01:05:11,349 --> 01:05:09,760

but usually you'll get something you'll

1693

01:05:13,910 --> 01:05:11,359

get something you'll get some movement

1694

01:05:15,430 --> 01:05:13,920

for sure yes sir well besides saying

1695

01:05:18,630 --> 01:05:15,440

thank you for your talk which is

1696

01:05:20,309 --> 01:05:18,640

extremely uh interesting and stupid

1697

01:05:23,270 --> 01:05:20,319

i'm a little tired but i want to know if

1698

01:05:26,069 --> 01:05:23,280

i heard you correctly to the extent that

1699

01:05:28,870 --> 01:05:26,079

the a-tip program was mislabeled as i

1700

01:05:31,109 --> 01:05:28,880

think sarah scales and john greenwald

1701

01:05:32,470 --> 01:05:31,119

and others had indicated

1702

01:05:34,230 --> 01:05:32,480

and it was really

1703

01:05:36,069 --> 01:05:34,240

asap

1704

01:05:39,029 --> 01:05:36,079

and to the extent that uh the new york

1705

01:05:40,069 --> 01:05:39,039

times made no mention of that and gave

1706

01:05:43,750 --> 01:05:40,079

you the

1707

01:05:44,870 --> 01:05:43,760

december 17 2017 article revealing

1708

01:05:46,870 --> 01:05:44,880

office

1709

01:05:48,230 --> 01:05:46,880

you seem to have indicated if i heard

1710

01:05:49,109 --> 01:05:48,240

you correct

1711

01:05:51,589 --> 01:05:49,119

that

1712

01:05:54,549 --> 01:05:51,599

the 22-5 mill

1713

01:05:56,069 --> 01:05:54,559

that was spent for the a-tip or the asap

1714

01:05:57,270 --> 01:05:56,079

program was

1715

01:05:58,549 --> 01:05:57,280

based

1716

01:06:02,470 --> 01:05:58,559

on

1717

01:06:06,470 --> 01:06:04,870

the research was directed rather than

1718

01:06:07,510 --> 01:06:06,480

the louis elizondo

1719

01:06:11,270 --> 01:06:07,520

version

1720

01:06:13,510 --> 01:06:11,280

that it was for um tracking ufos on

1721

01:06:14,630 --> 01:06:13,520

did i hear you correct

1722

01:06:16,710 --> 01:06:14,640

huh

1723

01:06:17,670 --> 01:06:16,720

i hope not

1724

01:06:20,309 --> 01:06:17,680

so what

1725

01:06:22,789 --> 01:06:20,319

in so much as an organization i should

1726

01:06:25,270 --> 01:06:22,799

say that their home-based project was

1727

01:06:26,870 --> 01:06:25,280

was the old piccolo ranch

1728

01:06:29,589 --> 01:06:26,880

so in so much as their home-based

1729

01:06:31,430 --> 01:06:29,599

operation their main project

1730

01:06:33,670 --> 01:06:31,440

was the bigelow ranch however they were

1731

01:06:36,150 --> 01:06:33,680

not limited to that

1732

01:06:37,349 --> 01:06:36,160

maybe maybe i can clarify it this way

1733

01:06:39,510 --> 01:06:37,359

the 22

1734

01:06:41,270 --> 01:06:39,520

5 million

1735

01:06:42,789 --> 01:06:41,280

is that just a coincidence that it's the

1736

01:06:45,270 --> 01:06:42,799

same amount

1737

01:06:52,150 --> 01:06:45,280

that lou elizondo and the new york times

1738

01:06:52,160 --> 01:06:56,390

what that's above my favorite i think

1739

01:06:59,990 --> 01:06:58,069

yeah

1740

01:07:02,069 --> 01:07:00,000

no you're saying two different things no

1741

01:07:04,390 --> 01:07:02,079

there was there was some

1742

01:07:08,950 --> 01:07:04,400

uh speaking with ralph blumenthal i i

1743

01:07:11,910 --> 01:07:10,309

dissociative

1744

01:07:13,270 --> 01:07:11,920

information at least

1745

01:07:16,390 --> 01:07:13,280

people had the information they had at

1746

01:07:18,950 --> 01:07:16,400

the moment and at the moment it was a a

1747

01:07:20,870 --> 01:07:18,960

tip what's the information later asap

1748

01:07:23,029 --> 01:07:20,880

was the information were they the same

1749

01:07:26,390 --> 01:07:23,039

they were under the same umbrella

1750

01:07:28,950 --> 01:07:26,400

however they were not the same program

1751

01:07:32,069 --> 01:07:28,960

i don't know if that helps that's

1752

01:07:35,430 --> 01:07:32,079

a horrible explanation i'm sorry

1753

01:07:40,710 --> 01:07:37,430

yeah yeah there's a lot of uh that

1754

01:07:42,390 --> 01:07:40,720

predator exploration group trapped two

1755

01:07:44,630 --> 01:07:42,400

creatures that they got hair samples

1756

01:07:47,270 --> 01:07:44,640

from at spacewolf research and i have

1757

01:07:48,549 --> 01:07:47,280

yet to see them but yeah it's it they

1758

01:07:50,230 --> 01:07:48,559

claimed that they were seeing the things

1759

01:07:52,870 --> 01:07:50,240

so i don't know what they are i don't

1760

01:07:55,510 --> 01:07:52,880

know yes sir in the back oh thanks um

1761

01:07:57,029 --> 01:07:55,520

just a quick two-part question um did

1762

01:07:59,109 --> 01:07:57,039

you interact with any benevolent

1763

01:08:01,270 --> 01:07:59,119

positive things that you know of and is

1764

01:08:03,430 --> 01:08:01,280

there a place where we can go on a web

1765

01:08:05,510 --> 01:08:03,440

page where we can see the awesome

1766

01:08:07,829 --> 01:08:05,520

footage you just showed

1767

01:08:08,510 --> 01:08:07,839

no on the footage uh yes on the webpage

1768

01:08:11,750 --> 01:08:08,520

it's

1769

01:08:14,630 --> 01:08:11,760

private real estate company

1770

01:08:16,149 --> 01:08:14,640

uh trying to anticipate anomalies but it

1771

01:08:17,829 --> 01:08:16,159

is a um

1772

01:08:19,990 --> 01:08:17,839

there is a positive and abundant

1773

01:08:22,789 --> 01:08:20,000

benevolent force as well

1774

01:08:25,510 --> 01:08:22,799

and it is is it the same force i don't

1775

01:08:28,390 --> 01:08:25,520

know i mean i just i speak with people

1776

01:08:31,030 --> 01:08:28,400

that are way smarter than me

1777

01:08:34,070 --> 01:08:31,040

and they tend to agree that power is

1778

01:08:36,470 --> 01:08:34,080

power positive negative

1779

01:08:38,390 --> 01:08:36,480

power is power and in when it works

1780

01:08:41,349 --> 01:08:38,400

together you get results

1781

01:08:43,510 --> 01:08:41,359

so i don't know i don't know and ryan is

1782

01:08:44,950 --> 01:08:43,520

going to be back for the panel to answer

1783

01:08:49,380 --> 01:08:44,960

some more questions but let's give them

1784

01:08:49,390 --> 01:08:54,070

[Applause]
