his ability to telecommunicate with

25

identified flying objects

26

00:01:36,310 --> 00:01:33,600

and his time studying under a spiritual

27

00:01:39,510 --> 00:01:36,320

master have taught him about universal

28

00:01:40,870 --> 00:01:39,520

order and design and who is responsible

29

00:01:43,030 --> 00:01:40,880

for it

00:01:45,749 --> 00:01:43,040

higher self

41

00:02:14,229 --> 00:02:12,640

one that resides above us as part of our

42

00:02:16,949 --> 00:02:14,239

galactic family

43

00:02:19,670 --> 00:02:16,959

this is a much needed topic to address

44

00:02:22,390 --> 00:02:19,680

while our media government hollywood and

45

00:02:24,150 --> 00:02:22,400

religious organizations continue to push

46

00:02:25,990 --> 00:02:24,160

fear down our throats when it comes to

47

00:02:27,510 --> 00:02:26,000

the subject of ufos

48

00:02:29,830 --> 00:02:27,520

and et's

49

00:02:33,190 --> 00:02:29,840

brent's awakening is centered around

50

00:02:36,070 --> 00:02:33,200

love and how ufos are our protectors as

51  
00:02:38,790 --> 00:02:36,080  
they oversee this grand experiment we

52  
00:02:41,910 --> 00:02:38,800  
call humanity

53  
00:02:45,270 --> 00:02:41,920  
great book great guest brent boatman

54  
00:02:47,830 --> 00:02:45,280  
welcome to the hero paranormal podcast

55  
00:02:50,309 --> 00:02:47,840  
thank you ryan it's an honor to be here

56  
00:02:52,070 --> 00:02:50,319  
in your presence and with you like

57  
00:02:54,150 --> 00:02:52,080  
always

58  
00:02:56,550 --> 00:02:54,160  
now you have a very clear company yeah

59  
00:02:58,390 --> 00:02:56,560  
you have a very unique story brent and i

60  
00:03:00,070 --> 00:02:58,400  
was blessed to have been able to

61  
00:03:02,630 --> 00:03:00,080  
personally meet you

62  
00:03:05,270 --> 00:03:02,640  
and witness something very extraordinary

63  
00:03:07,509 --> 00:03:05,280

in real life

64

00:03:09,350 --> 00:03:07,519

to give listeners an idea of what took

65

00:03:12,309 --> 00:03:09,360

place we were

66

00:03:13,670 --> 00:03:12,319

in an area of extreme high strangeness

67

00:03:16,070 --> 00:03:13,680

we saw a

68

00:03:20,229 --> 00:03:16,080

a light in the sky doing something we

69

00:03:21,030 --> 00:03:20,239

identified it we pointed at it and

70

00:03:24,070 --> 00:03:21,040

you

71

00:03:25,509 --> 00:03:24,080

were able to communicate with this and

72

00:03:26,949 --> 00:03:25,519

it

73

00:03:30,309 --> 00:03:26,959

was obvious that there was an exchange

74

00:03:32,630 --> 00:03:30,319

of some sort now you've learned this

75

00:03:35,030 --> 00:03:32,640

marvelous gift or this gift has been

76

00:03:37,830 --> 00:03:35,040

given to you

77

00:03:39,830 --> 00:03:37,840

by a master could we go into a little

78

00:03:41,350 --> 00:03:39,840

bit how you met the master or how this

79

00:03:43,830 --> 00:03:41,360

all came about brent because it's so

80

00:03:46,949 --> 00:03:43,840

magnificent that you have this ability

81

00:03:50,149 --> 00:03:46,959

and i was stunned at your ability to not

82

00:03:51,910 --> 00:03:50,159

only interact with this but it it really

83

00:03:54,949 --> 00:03:51,920

did it was an exchange of sorts could we

84

00:03:57,990 --> 00:03:54,959

go into how you met the master and

85

00:03:59,509 --> 00:03:58,000

and how this all started maybe

86

00:04:02,149 --> 00:03:59,519

well if i tell you i'll give away my

87

00:04:03,990 --> 00:04:02,159

book oh that's right okay

88

00:04:05,030 --> 00:04:04,000

no it's not it's an honor

89

00:04:06,789 --> 00:04:05,040

um

90

00:04:08,949 --> 00:04:06,799

to have met

91

00:04:11,910 --> 00:04:08,959

a master a lot of people are not they

92

00:04:14,470 --> 00:04:11,920

don't know what a master is and in short

93

00:04:16,069 --> 00:04:14,480

a master is a human or one that took

94

00:04:18,949 --> 00:04:16,079

human form

95

00:04:21,349 --> 00:04:18,959

that has mastered over the four elements

96

00:04:23,189 --> 00:04:21,359

earth wind air and fire

97

00:04:24,469 --> 00:04:23,199

they've earned that

98

00:04:27,189 --> 00:04:24,479

and

99

00:04:29,110 --> 00:04:27,199

i was young i was 21 bobbling through

100

00:04:31,030 --> 00:04:29,120

life turning over every stone i could

101  
00:04:33,270 --> 00:04:31,040  
for a fulfillment

102  
00:04:36,870 --> 00:04:33,280  
and one day my mother came to visit me

103  
00:04:38,710 --> 00:04:36,880  
and left a book on my table and

104  
00:04:41,189 --> 00:04:38,720  
when she left there was an emptiness so

105  
00:04:43,270 --> 00:04:41,199  
i thought i'd open the book and i opened

106  
00:04:44,469 --> 00:04:43,280  
the book and i realized the very first

107  
00:04:46,870 --> 00:04:44,479  
paragraph

108  
00:04:48,950 --> 00:04:46,880  
what was missing was in that book

109  
00:04:51,189 --> 00:04:48,960  
and that was my first introduction to a

110  
00:04:54,629 --> 00:04:51,199  
spiritual light

111  
00:04:57,030 --> 00:04:54,639  
i read the book and did the practices i

112  
00:04:58,629 --> 00:04:57,040  
grew quite quickly away from my

113  
00:05:01,430 --> 00:04:58,639

normal friends of

114

00:05:03,510 --> 00:05:01,440

normal bad habits

115

00:05:05,830 --> 00:05:03,520

and eventually i

116

00:05:08,310 --> 00:05:05,840

decided to go to the south of france

117

00:05:09,270 --> 00:05:08,320

where the master was

118

00:05:11,590 --> 00:05:09,280

and

119

00:05:12,550 --> 00:05:11,600

investigate this more

120

00:05:14,790 --> 00:05:12,560

well

121

00:05:17,990 --> 00:05:14,800

i caught on really quickly the

122

00:05:19,670 --> 00:05:18,000

routine and the protocol there

123

00:05:21,590 --> 00:05:19,680

and um

124

00:05:23,749 --> 00:05:21,600

i never really personally spent much

125

00:05:25,670 --> 00:05:23,759

time talking to him on a one-to-one

126  
00:05:28,070 --> 00:05:25,680  
basis

127  
00:05:29,590 --> 00:05:28,080  
i realized that through meditation i

128  
00:05:31,670 --> 00:05:29,600  
would receive

129  
00:05:33,510 --> 00:05:31,680  
um

130  
00:05:34,710 --> 00:05:33,520  
you know a heightened intuition if you

131  
00:05:36,950 --> 00:05:34,720  
will

132  
00:05:38,790 --> 00:05:36,960  
and my information would come to me

133  
00:05:40,550 --> 00:05:38,800  
through that and

134  
00:05:42,150 --> 00:05:40,560  
what i call the living book of nature

135  
00:05:44,469 --> 00:05:42,160  
and reading the rhythm and the flow of

136  
00:05:47,189 --> 00:05:44,479  
the universe

137  
00:05:49,189 --> 00:05:47,199  
and the master what he did i realized

138  
00:05:51,670 --> 00:05:49,199

one day walking like why am i learning

139

00:05:53,590 --> 00:05:51,680

this stuff so fast

140

00:05:55,749 --> 00:05:53,600

so quickly

141

00:05:57,670 --> 00:05:55,759

and then boom a voice

142

00:06:00,230 --> 00:05:57,680

came in and said no

143

00:06:04,150 --> 00:06:00,240

you already know this

144

00:06:06,469 --> 00:06:04,160

the master is here to help you uncover

145

00:06:08,629 --> 00:06:06,479

all everything and

146

00:06:12,309 --> 00:06:08,639

catch you up the speed of where you were

147

00:06:13,110 --> 00:06:12,319

in your last life and i go got it

148

00:06:18,390 --> 00:06:13,120

so

149

00:06:23,510 --> 00:06:21,749

being in his auric field if you would

150

00:06:25,830 --> 00:06:23,520

um like i said there was no real

151  
00:06:27,590 --> 00:06:25,840  
one-on-one contact he was a very busy

152  
00:06:28,870 --> 00:06:27,600  
man people from all over the world would

153  
00:06:30,710 --> 00:06:28,880  
come and

154  
00:06:33,350 --> 00:06:30,720  
you're allowed to ask one question and

155  
00:06:35,990 --> 00:06:33,360  
only one question when you have a

156  
00:06:39,749 --> 00:06:36,000  
10 minute rendezvous with him

157  
00:06:43,909 --> 00:06:41,510  
at the end of the summer

158  
00:06:46,870 --> 00:06:43,919  
he asked he said i'm looking for one man

159  
00:06:48,950 --> 00:06:46,880  
and one woman to go to paris

160  
00:06:52,070 --> 00:06:48,960  
now thousands of people have rotated

161  
00:06:56,550 --> 00:06:52,080  
through this wonderful area called

162  
00:07:00,830 --> 00:06:56,560  
lip balm fan the bonfin bo nfin

163  
00:07:04,950 --> 00:07:00,840

by the way the master's name is omram

164

00:07:07,510 --> 00:07:04,960

miguel island off that's with a a o m r

165

00:07:10,790 --> 00:07:07,520

double a m

166

00:07:13,589 --> 00:07:10,800

b k l m i k a e l ivanhov a

167

00:07:15,909 --> 00:07:13,599

b i n hov

168

00:07:17,909 --> 00:07:15,919

very important if you're in on a

169

00:07:19,270 --> 00:07:17,919

spiritual path and you want to read some

170

00:07:23,029 --> 00:07:19,280

writings that will

171

00:07:25,189 --> 00:07:23,039

very very basic and it'll help excel you

172

00:07:26,790 --> 00:07:25,199

so at the time i had no interest in

173

00:07:28,710 --> 00:07:26,800

going to paris i was going back i've

174

00:07:30,629 --> 00:07:28,720

been gone four years from america and

175

00:07:31,589 --> 00:07:30,639

it's time to go home

176

00:07:36,230 --> 00:07:31,599

and

177

00:07:38,390 --> 00:07:36,240

has chosen the one that's going to go to

178

00:07:40,150 --> 00:07:38,400

paris

179

00:07:43,029 --> 00:07:40,160

and you know i gave her silence because

180

00:07:45,029 --> 00:07:43,039

i really didn't care who it was

181

00:07:46,390 --> 00:07:45,039

and my mom's response was don't you want

182

00:07:49,110 --> 00:07:46,400

to know who

183

00:07:52,070 --> 00:07:49,120

i okay mom who who's gonna go

184

00:07:53,909 --> 00:07:52,080

and she said he chose you

185

00:07:55,189 --> 00:07:53,919

wow and i'm like

186

00:07:58,390 --> 00:07:55,199

yeah i'm like

187

00:08:00,150 --> 00:07:58,400

wait a minute my hand wasn't even up

188

00:08:01,350 --> 00:08:00,160

i wasn't even jockeying for a position

189

00:08:02,710 --> 00:08:01,360

you know

190

00:08:04,869 --> 00:08:02,720

i wasn't up front with all the other

191

00:08:06,550 --> 00:08:04,879

choir boys and

192

00:08:08,390 --> 00:08:06,560

i was

193

00:08:09,670 --> 00:08:08,400

going to go home but i said no like i

194

00:08:14,710 --> 00:08:09,680

got i have to go

195

00:08:19,270 --> 00:08:16,550

my way was prepared

196

00:08:19,610 --> 00:08:19,280

i went to i went to paris i had a nice

197

00:08:21,270 --> 00:08:19,620

room

198

00:08:23,909 --> 00:08:21,280

[Music]

199

00:08:27,670 --> 00:08:23,919

and an old old home

200

00:08:29,749 --> 00:08:27,680

overlooking paris and uh

201  
00:08:32,310 --> 00:08:29,759  
every night i made friends with an old

202  
00:08:33,909 --> 00:08:32,320  
man named francis and some young sisters

203  
00:08:36,709 --> 00:08:33,919  
younger older than me

204  
00:08:38,870 --> 00:08:36,719  
and they would come to my room and

205  
00:08:41,190 --> 00:08:38,880  
francis would have the mysteries of the

206  
00:08:42,870 --> 00:08:41,200  
universe and he would tell me what's

207  
00:08:44,310 --> 00:08:42,880  
going to happen at night

208  
00:08:45,750 --> 00:08:44,320  
when i sleep

209  
00:08:47,509 --> 00:08:45,760  
and

210  
00:08:48,710 --> 00:08:47,519  
what would take place in the astral

211  
00:08:50,949 --> 00:08:48,720  
plane

212  
00:08:52,630 --> 00:08:50,959  
and i said okay and i would be on guard

213  
00:08:55,110 --> 00:08:52,640

and i'd be aware it's all in my book in

214

00:08:57,990 --> 00:08:55,120

depth what took place

215

00:09:00,230 --> 00:08:58,000

very spiritual things

216

00:09:01,750 --> 00:09:00,240

and um

217

00:09:04,070 --> 00:09:01,760

i'll never forget the time when the

218

00:09:05,910 --> 00:09:04,080

master said you know they they came to

219

00:09:07,509 --> 00:09:05,920

me and they said master master i'm

220

00:09:10,070 --> 00:09:07,519

jumping around here a little bit

221

00:09:11,990 --> 00:09:10,080

um there's the ufo outside your window

222

00:09:14,070 --> 00:09:12,000

go seek

223

00:09:16,230 --> 00:09:14,080

and the master said you know i was too

224

00:09:19,430 --> 00:09:16,240

busy working and by the time i got there

225

00:09:24,470 --> 00:09:20,710

and uh

226

00:09:28,310 --> 00:09:26,310

and i said you know what

227

00:09:30,230 --> 00:09:28,320

after the conference

228

00:09:32,150 --> 00:09:30,240

i'm gonna go try it

229

00:09:34,790 --> 00:09:32,160

so i went back up on the rocher where we

230

00:09:36,310 --> 00:09:34,800

would go every morning to meditate and i

231

00:09:38,470 --> 00:09:36,320

sat down cross leg and i grabbed a

232

00:09:40,150 --> 00:09:38,480

friend of mine but we went up there and

233

00:09:42,070 --> 00:09:40,160

she thought it was crazy

234

00:09:43,990 --> 00:09:42,080

for trying to call ufos right you know

235

00:09:45,910 --> 00:09:44,000

come on that's not normal

236

00:09:48,550 --> 00:09:45,920

and i sat down and i closed my eyes and

237

00:09:50,550 --> 00:09:48,560

i went deep into a meditative state

238

00:09:51,430 --> 00:09:50,560

and i did what he said

239

00:09:54,790 --> 00:09:51,440

and

240

00:09:57,350 --> 00:09:54,800

currents it kind of just

241

00:09:59,829 --> 00:09:57,360

um distracted us

242

00:10:01,350 --> 00:09:59,839

so i gave up and didn't see anything so

243

00:10:02,949 --> 00:10:01,360

it's getting late

244

00:10:04,389 --> 00:10:02,959

september

245

00:10:06,630 --> 00:10:04,399

you know the sun's going down earlier

246

00:10:08,710 --> 00:10:06,640

let's go back down the mountain

247

00:10:10,310 --> 00:10:08,720

so we went back down

248

00:10:12,550 --> 00:10:10,320

and i always wondered about this big

249

00:10:14,949 --> 00:10:12,560

circle that was like a turnstile for

250

00:10:19,670 --> 00:10:14,959

cars on the property

251  
00:10:21,190 --> 00:10:19,680  
and i took one step into that circle

252  
00:10:23,269 --> 00:10:21,200  
and i hear look up

253  
00:10:25,990 --> 00:10:23,279  
and i looked up to the right

254  
00:10:29,910 --> 00:10:26,000  
over the rocher where i was sitting

255  
00:10:35,509 --> 00:10:32,710  
and i showed the girl and she says oh my

256  
00:10:37,110 --> 00:10:35,519  
gosh you're crazy and my mother and my

257  
00:10:39,190 --> 00:10:37,120  
brother were coming across the circle

258  
00:10:41,190 --> 00:10:39,200  
and i said hey mom but i didn't tell

259  
00:10:42,710 --> 00:10:41,200  
them that i set out and then tent will

260  
00:10:45,590 --> 00:10:42,720  
call it

261  
00:10:48,310 --> 00:10:45,600  
and they sure enough they showed up

262  
00:10:50,230 --> 00:10:48,320  
so fast forward now i'm in paris

263  
00:10:52,470 --> 00:10:50,240

and one night we're eating dinner and

264

00:10:53,990 --> 00:10:52,480

the girl says we're out of olive oil who

265

00:10:56,550 --> 00:10:54,000

wants to go to the basement of the grand

266

00:10:58,710 --> 00:10:56,560

sale the big hall and get it i go i will

267

00:11:00,550 --> 00:10:58,720

i walked out the door there off the

268

00:11:02,069 --> 00:11:00,560

balcony maybe

269

00:11:04,150 --> 00:11:02,079

100 yards out

270

00:11:05,750 --> 00:11:04,160

was a ufo right there in front of me it

271

00:11:08,389 --> 00:11:05,760

was like it was parked

272

00:11:10,310 --> 00:11:08,399

uh it was it was spinning for

273

00:11:11,990 --> 00:11:10,320

keeping its balance

274

00:11:15,350 --> 00:11:12,000

and the colors that were coming off of

275

00:11:17,990 --> 00:11:15,360

it were just beautiful just

276

00:11:19,430 --> 00:11:18,000

beautiful beautiful colors yeah all

277

00:11:20,470 --> 00:11:19,440

different colors

278

00:11:22,550 --> 00:11:20,480

and

279

00:11:25,190 --> 00:11:22,560

i watched him in awe because it would be

280

00:11:27,350 --> 00:11:25,200

orange and then it would turn to red and

281

00:11:29,110 --> 00:11:27,360

it would turn to green what amazed me

282

00:11:30,710 --> 00:11:29,120

was there wasn't a color signature from

283

00:11:32,150 --> 00:11:30,720

one color to another

284

00:11:34,069 --> 00:11:32,160

and there wasn't a hot spot all

285

00:11:36,230 --> 00:11:34,079

throughout the hue of the colors it was

286

00:11:37,990 --> 00:11:36,240

evenly distributed

287

00:11:40,470 --> 00:11:38,000

so

288

00:11:43,350 --> 00:11:40,480

i i thought i'm gonna chime in with

289

00:11:44,949 --> 00:11:43,360

using my telecommunication abilities and

290

00:11:46,790 --> 00:11:44,959

see what's going on and so i lean

291

00:11:49,350 --> 00:11:46,800

forward and i hear

292

00:11:51,910 --> 00:11:49,360

you were meant to see this

293

00:11:53,990 --> 00:11:51,920

this is for you

294

00:11:56,870 --> 00:11:54,000

now go do what you came to do so nobody

295

00:11:58,629 --> 00:11:56,880

will come out and see us i go okay

296

00:12:00,550 --> 00:11:58,639

so i went in and then the grand tall

297

00:12:02,150 --> 00:12:00,560

basement and i got the whale and i came

298

00:12:03,269 --> 00:12:02,160

back out

299

00:12:05,750 --> 00:12:03,279

and um

300

00:12:08,470 --> 00:12:05,760

it was still there i looked at it for

301  
00:12:10,310 --> 00:12:08,480  
five seconds and then i go i gotta go

302  
00:12:12,470 --> 00:12:10,320  
back on

303  
00:12:13,190 --> 00:12:12,480  
dinner hall and i sat down at the table

304  
00:12:17,750 --> 00:12:13,200  
and

305  
00:12:19,990 --> 00:12:17,760  
say a word nothing

306  
00:12:21,670 --> 00:12:20,000  
that was my first real close encounter

307  
00:12:22,629 --> 00:12:21,680  
at the time

308  
00:12:24,310 --> 00:12:22,639  
and so

309  
00:12:26,389 --> 00:12:24,320  
the winter was over it's time for me to

310  
00:12:27,910 --> 00:12:26,399  
go back down to the south of france for

311  
00:12:30,230 --> 00:12:27,920  
the winter the summer congress because

312  
00:12:31,509 --> 00:12:30,240  
every summer the school would open up

313  
00:12:34,790 --> 00:12:31,519

people from all over the world would

314

00:12:35,590 --> 00:12:34,800

come and listen to this great man speak

315

00:12:37,430 --> 00:12:35,600

and

316

00:12:40,230 --> 00:12:37,440

one of the sisters says i hear we're

317

00:12:41,590 --> 00:12:40,240

going to be ushered by our

318

00:12:43,269 --> 00:12:41,600

let's say

319

00:12:44,949 --> 00:12:43,279

our friends

320

00:12:47,430 --> 00:12:44,959

on our journey

321

00:12:49,030 --> 00:12:47,440

i go oh that's nice

322

00:12:50,629 --> 00:12:49,040

so my brother came and joined us he

323

00:12:53,829 --> 00:12:50,639

climbed in the back seat of the car and

324

00:12:56,629 --> 00:12:53,839

he went to sleep out like a like

325

00:12:58,949 --> 00:12:56,639

and for 13 hours ryan

326

00:13:01,110 --> 00:12:58,959

there was the ufo right above us i could

327

00:13:02,949 --> 00:13:01,120

see it through the sunroof and one on

328

00:13:04,310 --> 00:13:02,959

each side all the way down to the south

329

00:13:05,990 --> 00:13:04,320

the one on each side of the car there's

330

00:13:07,190 --> 00:13:06,000

three all the way down to the south of

331

00:13:09,030 --> 00:13:07,200

france

332

00:13:11,910 --> 00:13:09,040

ushering us as protectors they were

333

00:13:15,829 --> 00:13:13,190

and

334

00:13:19,190 --> 00:13:15,839

since then i kind of like

335

00:13:24,470 --> 00:13:22,870

the spiritual aspect of ufos and humans

336

00:13:26,629 --> 00:13:24,480

and there were always these circular

337

00:13:28,710 --> 00:13:26,639

rainbows oval rainbows above us at the

338

00:13:30,310 --> 00:13:28,720

school in the south of france sometimes

339

00:13:32,870 --> 00:13:30,320

i counted i think the highest was seven

340

00:13:35,030 --> 00:13:32,880

of them above us

341

00:13:36,550 --> 00:13:35,040

and now that i know those were

342

00:13:38,629 --> 00:13:36,560

un

343

00:13:42,069 --> 00:13:38,639

faced in ufos

344

00:13:44,870 --> 00:13:42,079

of the beloved nature

345

00:13:46,710 --> 00:13:44,880

over the school protecting all of us and

346

00:13:48,470 --> 00:13:46,720

giving us enlightened energy and

347

00:13:51,269 --> 00:13:48,480

enlightened consciousness while while

348

00:13:56,550 --> 00:13:54,470

and it was very very fascinating and

349

00:13:58,710 --> 00:13:56,560

later on fast forward i leave that i

350

00:14:01,430 --> 00:13:58,720

leave the school i come back to america

351

00:14:02,710 --> 00:14:01,440

i was so fish out of water i didn't fit

352

00:14:04,870 --> 00:14:02,720

in anywhere

353

00:14:06,629 --> 00:14:04,880

i have a beer that's kind of normal and

354

00:14:08,389 --> 00:14:06,639

i didn't even drink

355

00:14:11,670 --> 00:14:08,399

and then they kind of let down a darker

356

00:14:13,670 --> 00:14:11,680

path for me for quite a long time and

357

00:14:16,230 --> 00:14:13,680

one day i asked why am i here why am i

358

00:14:18,069 --> 00:14:16,240

in such a dark consciousness now when i

359

00:14:20,870 --> 00:14:18,079

came from such an enlightened place and

360

00:14:22,310 --> 00:14:20,880

they said well if you didn't go here how

361

00:14:23,750 --> 00:14:22,320

would you know how to speak to the ones

362

00:14:26,150 --> 00:14:23,760

that did

363

00:14:29,110 --> 00:14:26,160

be here because that we're here

364

00:14:31,670 --> 00:14:29,120

i understand that but it doesn't make it

365

00:14:33,430 --> 00:14:31,680

any better

366

00:14:36,069 --> 00:14:33,440

and i realized down and there was just a

367

00:14:38,310 --> 00:14:36,079

temporary state and so i made some

368

00:14:41,750 --> 00:14:38,320

changes and slowly started climbing out

369

00:14:46,069 --> 00:14:42,949

until uh

370

00:14:47,990 --> 00:14:46,079

night 2018

371

00:14:49,430 --> 00:14:48,000

i had about a harley

372

00:14:51,110 --> 00:14:49,440

i'm riding with my homies and we're

373

00:14:53,509 --> 00:14:51,120

going down the road and i stopped and i

374

00:14:55,269 --> 00:14:53,519

said you know today is a day for prayer

375

00:14:58,790 --> 00:14:55,279

for somebody

376

00:15:00,150 --> 00:14:58,800

somebody's gonna get hurt

377

00:15:02,550 --> 00:15:00,160

unbeknownst i didn't know it was going

378

00:15:04,629 --> 00:15:02,560

to be me i'm riding home minding my own

379

00:15:06,470 --> 00:15:04,639

business don't's over

380

00:15:09,509 --> 00:15:06,480

and the drunk driver came up from behind

381

00:15:13,509 --> 00:15:09,519

me and hit me at 90 miles an hour

382

00:15:16,150 --> 00:15:13,519

and i flew 75 feet i rolled 75 feet

383

00:15:17,430 --> 00:15:16,160

i toppled down the freeway and an orb

384

00:15:19,910 --> 00:15:17,440

came in um

385

00:15:21,829 --> 00:15:19,920

encapsulated me i remember seeing it i

386

00:15:23,670 --> 00:15:21,839

was conscious the whole time

387

00:15:26,310 --> 00:15:23,680

we had to come to jesus meeting and i

388

00:15:28,069 --> 00:15:26,320

said okay okay okay i got the message i

389

00:15:34,150 --> 00:15:28,079

will do

390

00:15:36,629 --> 00:15:34,160

they're going good

391

00:15:38,870 --> 00:15:36,639

i go okay i got the message but did you

392

00:15:41,350 --> 00:15:38,880

have to yell so loud i meant by the

393

00:15:44,710 --> 00:15:41,360

impact and they said it took what it

394

00:15:46,310 --> 00:15:44,720

took and i go i got it i'll do it so i

395

00:15:48,069 --> 00:15:46,320

stood up on the freeway

396

00:15:49,430 --> 00:15:48,079

and everybody's like it's a miracle this

397

00:15:51,430 --> 00:15:49,440

guy's a wife

398

00:15:53,749 --> 00:15:51,440

the ambulance the doctors they just

399

00:15:56,069 --> 00:15:53,759

couldn't believe i lived

400

00:15:58,069 --> 00:15:56,079

mean i ain't even went home that night

401  
00:16:00,310 --> 00:15:58,079  
well

402  
00:16:02,790 --> 00:16:00,320  
i decided to change my life i left that

403  
00:16:03,990 --> 00:16:02,800  
pack i left everybody i started writing

404  
00:16:05,749 --> 00:16:04,000  
my book

405  
00:16:08,230 --> 00:16:05,759  
a little bit of time i never had

406  
00:16:10,470 --> 00:16:08,240  
aspirations at all about writing a book

407  
00:16:12,870 --> 00:16:10,480  
right i didn't ever

408  
00:16:17,110 --> 00:16:12,880  
i'm not a very literate person i'm more

409  
00:16:21,189 --> 00:16:19,829  
and i and i wrote my book a little piece

410  
00:16:23,829 --> 00:16:21,199  
at a time

411  
00:16:27,749 --> 00:16:23,839  
and also during that period i realized i

412  
00:16:34,230 --> 00:16:30,310  
i discovered the teachings of dolores

413  
00:16:38,150 --> 00:16:34,240

cannons who was a qhht practitioner of

414

00:16:40,310 --> 00:16:38,160

quantum hypnosis healing technique

415

00:16:42,069 --> 00:16:40,320

and i became quite a believer in her

416

00:16:43,829 --> 00:16:42,079

because i go she's a master i've been

417

00:16:46,790 --> 00:16:43,839

with a master and i know what a master

418

00:16:48,870 --> 00:16:46,800

is she is one

419

00:16:51,030 --> 00:16:48,880

when she said there's nothing that the

420

00:16:53,749 --> 00:16:51,040

human mind cannot repair on the human

421

00:16:59,110 --> 00:16:56,550

i said that's a bold statement

422

00:17:01,110 --> 00:16:59,120

and therefore this has got to work

423

00:17:02,949 --> 00:17:01,120

so i decided to enroll in the school and

424

00:17:05,270 --> 00:17:02,959

i did

425

00:17:06,789 --> 00:17:05,280

so i'm going to my level 2 class in

426  
00:17:09,429 --> 00:17:06,799  
florida

427  
00:17:12,789 --> 00:17:09,439  
and one of the girls and that sat in my

428  
00:17:15,029 --> 00:17:12,799  
room said i was all ufo last night

429  
00:17:17,669 --> 00:17:15,039  
and i'm like secretly under my breath

430  
00:17:22,949 --> 00:17:19,829  
they have a tendency to follow me

431  
00:17:26,630 --> 00:17:24,630  
all the way up in the front never knew

432  
00:17:29,270 --> 00:17:26,640  
or never saw her never talk to her came

433  
00:17:31,669 --> 00:17:29,280  
up to me the next night saying i have

434  
00:17:34,549 --> 00:17:31,679  
experience last night in my dream state

435  
00:17:35,430 --> 00:17:34,559  
and i was abducted and she was she was

436  
00:17:39,190 --> 00:17:35,440  
like

437  
00:17:42,549 --> 00:17:41,190  
and i kind of talked to her a little bit

438  
00:17:51,270 --> 00:17:42,559

and

439

00:17:53,270 --> 00:17:51,280

me to las vegas at the time i was living

440

00:17:54,230 --> 00:17:53,280

in southern california

441

00:17:58,470 --> 00:17:54,240

trying to

442

00:18:01,750 --> 00:17:58,480

get out of the wet area of washington

443

00:18:03,270 --> 00:18:01,760

and i decided i'm gonna go visit her

444

00:18:04,870 --> 00:18:03,280

and she said i got a girlfriend i want

445

00:18:06,150 --> 00:18:04,880

you to meet

446

00:18:07,590 --> 00:18:06,160

they're on this they have this thing

447

00:18:09,590 --> 00:18:07,600

called the pristine council where they

448

00:18:11,190 --> 00:18:09,600

access the akashic records

449

00:18:13,029 --> 00:18:11,200

they wanted me to be a part of it

450

00:18:15,990 --> 00:18:13,039

because of my frequency

451

00:18:18,710 --> 00:18:16,000

so i found out

452

00:18:20,549 --> 00:18:18,720

but when i went to meet her friend

453

00:18:22,630 --> 00:18:20,559

teresa came right up to me the first

454

00:18:24,710 --> 00:18:22,640

time she saw me face to face again and

455

00:18:26,549 --> 00:18:24,720

she said all right brent

456

00:18:29,029 --> 00:18:26,559

what's up with all these ufos i see

457

00:18:30,950 --> 00:18:29,039

following you

458

00:18:32,780 --> 00:18:30,960

i'm like what

459

00:18:34,470 --> 00:18:32,790

i'm trying to dodge it right ryan

460

00:18:36,789 --> 00:18:34,480

[Music]

461

00:18:39,190 --> 00:18:36,799

you know she says no no no no she said

462

00:18:42,230 --> 00:18:39,200

you are a mega hero

463

00:18:43,830 --> 00:18:42,240

i see them all over

464

00:18:45,990 --> 00:18:43,840  
and i the first thought that went

465

00:18:47,590 --> 00:18:46,000  
through my mind was it's from being with

466

00:18:48,390 --> 00:18:47,600  
a master

467

00:18:50,870 --> 00:18:48,400  
you know

468

00:18:53,350 --> 00:18:50,880  
such a great man and being the only one

469

00:18:55,430 --> 00:18:53,360  
that was selected to go to paris

470

00:18:57,430 --> 00:18:55,440  
and the things that i did in paris in

471

00:18:58,870 --> 00:18:57,440  
the training i went to paris

472

00:19:01,750 --> 00:18:58,880  
uh went through a pair you can read

473

00:19:03,350 --> 00:19:01,760  
about it my book is phenomenal and every

474

00:19:06,950 --> 00:19:03,360  
human being has the ability and the

475

00:19:12,710 --> 00:19:10,390  
so shade had a look on her face like

476

00:19:14,470 --> 00:19:12,720

i don't believe in this

477

00:19:15,510 --> 00:19:14,480

i i don't know i don't know about ufos

478

00:19:17,430 --> 00:19:15,520

i'm going to shave

479

00:19:19,270 --> 00:19:17,440

you've never seen my shoes no would you

480

00:19:20,710 --> 00:19:19,280

like to see one

481

00:19:23,750 --> 00:19:20,720

she said

482

00:19:26,630 --> 00:19:23,760

yeah reluctantly i go okay

483

00:19:30,630 --> 00:19:26,640

they showed me where to go last night

484

00:19:35,350 --> 00:19:32,470

they showed me where to go

485

00:19:37,270 --> 00:19:35,360

so she came to pick me up the next night

486

00:19:40,470 --> 00:19:37,280

and she took me where i told her to take

487

00:19:42,789 --> 00:19:40,480

me and i'm sitting on the tailgate of

488

00:19:45,830 --> 00:19:42,799

the truck i'm busy like i'm on the roche

489

00:19:47,190 --> 00:19:45,840

again on the mountain i'm calling them

490

00:19:48,950 --> 00:19:47,200

and

491

00:19:51,830 --> 00:19:48,960

she's trying to wrestle with her chair

492

00:19:53,590 --> 00:19:51,840

and get it comfortable

493

00:19:55,350 --> 00:19:53,600

gets it that she comes out with kind of

494

00:19:57,990 --> 00:19:55,360

a snorkel

495

00:20:00,549 --> 00:19:58,000

and tone and says so brent tell me how

496

00:20:03,270 --> 00:20:00,559

you do this thing

497

00:20:04,830 --> 00:20:03,280

i'm like okay i put my hand very

498

00:20:07,909 --> 00:20:04,840

lovingly on her

499

00:20:09,190 --> 00:20:07,919

shoulder and i said friends i look up at

500

00:20:11,590 --> 00:20:09,200

the sky

501  
00:20:13,270 --> 00:20:11,600  
i said this is shea

502  
00:20:16,149 --> 00:20:13,280  
she's not really a believer but she

503  
00:20:19,029 --> 00:20:16,159  
wants to believe we say hello

504  
00:20:21,350 --> 00:20:19,039  
the moment i said hello

505  
00:20:24,230 --> 00:20:21,360  
an extraordinary

506  
00:20:25,990 --> 00:20:24,240  
ultra powerful flash went off in the sky

507  
00:20:29,190 --> 00:20:26,000  
above us

508  
00:20:31,110 --> 00:20:29,200  
and there's no way she could deny that

509  
00:20:32,310 --> 00:20:31,120  
she saw it

510  
00:20:34,789 --> 00:20:32,320  
and i said

511  
00:20:36,710 --> 00:20:34,799  
now do you believe me

512  
00:20:38,710 --> 00:20:36,720  
and i go what am i supposed to do with

513  
00:20:40,310 --> 00:20:38,720

this shay

514

00:20:42,390 --> 00:20:40,320

what am i supposed to do with this it

515

00:20:44,950 --> 00:20:42,400

happens all the time i could go to the

516

00:20:47,270 --> 00:20:44,960

sky i could look up and like i did with

517

00:20:49,750 --> 00:20:47,280

us ryan

518

00:20:51,110 --> 00:20:49,760

and i said i want to see two come out

519

00:20:52,870 --> 00:20:51,120

and i want to see fly by and leave

520

00:20:56,549 --> 00:20:52,880

sparks

521

00:20:59,110 --> 00:20:56,559

and she became a believer

522

00:21:00,470 --> 00:20:59,120

and so we went back to paris and she

523

00:21:02,470 --> 00:21:00,480

called me the next day she said i can't

524

00:21:04,070 --> 00:21:02,480

sleep i can't sleep bring a nice shirt

525

00:21:06,070 --> 00:21:04,080

come over i want to do an interview on

526

00:21:07,590 --> 00:21:06,080

you

527

00:21:10,549 --> 00:21:07,600

and the only nice shirt i have is a

528

00:21:16,149 --> 00:21:12,870

so i i went over how she did an

529

00:21:17,510 --> 00:21:16,159

interview and she posted it and she

530

00:21:19,110 --> 00:21:17,520

called me to the brim my phone was

531

00:21:21,110 --> 00:21:19,120

getting blown out

532

00:21:23,430 --> 00:21:21,120

but he's want to know who this contact d

533

00:21:25,430 --> 00:21:23,440

is i'm like first time i've ever

534

00:21:27,510 --> 00:21:25,440

conducted i'll be honest with you never

535

00:21:29,669 --> 00:21:27,520

the word before

536

00:21:30,789 --> 00:21:29,679

and

537

00:21:34,710 --> 00:21:30,799

they

538

00:21:36,789 --> 00:21:34,720

conversation information from her and

539

00:21:39,110 --> 00:21:36,799

they wrote a big article on me

540

00:21:40,710 --> 00:21:39,120

like what i think about all this info

541

00:21:43,270 --> 00:21:40,720

i'll never know

542

00:21:44,710 --> 00:21:43,280

but i guess they got off of google

543

00:21:46,149 --> 00:21:44,720

and so they decided to push the big

544

00:21:48,390 --> 00:21:46,159

event

545

00:21:50,549 --> 00:21:48,400

and um

546

00:21:52,870 --> 00:21:50,559

shea showed me the article about an

547

00:21:55,110 --> 00:21:52,880

event that i'm supposedly going to do

548

00:21:56,870 --> 00:21:55,120

that i never knew about

549

00:21:59,510 --> 00:21:56,880

and i'm looking at it and first i got

550

00:22:01,990 --> 00:21:59,520

kind of mad and then i hear stop

551  
00:22:03,830 --> 00:22:02,000  
from them via telecommunication they

552  
00:22:06,149 --> 00:22:03,840  
said brent

553  
00:22:09,270 --> 00:22:06,159  
we did this

554  
00:22:11,430 --> 00:22:09,280  
we arranged this because it's time

555  
00:22:13,029 --> 00:22:11,440  
that you come out now and speak

556  
00:22:14,789 --> 00:22:13,039  
fearlessly

557  
00:22:17,350 --> 00:22:14,799  
and boldly

558  
00:22:18,870 --> 00:22:17,360  
about our relationship and what our role

559  
00:22:20,710 --> 00:22:18,880  
is to be

560  
00:22:23,990 --> 00:22:20,720  
for humanity

561  
00:22:27,270 --> 00:22:25,029  
so

562  
00:22:29,750 --> 00:22:27,280  
the event happened about 40 people

563  
00:22:31,750 --> 00:22:29,760

showed up it was a success everybody saw

564

00:22:34,630 --> 00:22:31,760

ufos they're flying all over us they

565

00:22:38,149 --> 00:22:36,390

and that's what led me to finishing my

566

00:22:40,310 --> 00:22:38,159

book and writing about it and getting it

567

00:22:43,029 --> 00:22:40,320

out there to let everybody know that

568

00:22:45,270 --> 00:22:43,039

their link is a spiritual link to us to

569

00:22:47,590 --> 00:22:45,280

help us evolve and love each other

570

00:22:50,149 --> 00:22:47,600

and they are liaisons

571

00:22:52,710 --> 00:22:50,159

to put this planet in better harmony

572

00:22:55,750 --> 00:22:52,720

they're not what the military and the

573

00:22:58,950 --> 00:22:55,760

government as double as they are

574

00:23:01,350 --> 00:22:58,960

there's bad ones too don't get me wrong

575

00:23:02,470 --> 00:23:01,360

and i talk about that later i talk about

576

00:23:03,909 --> 00:23:02,480

that more

577

00:23:06,070 --> 00:23:03,919

but they're for the most part they're

578

00:23:08,310 --> 00:23:06,080

loved very lovingly kind and

579

00:23:11,029 --> 00:23:08,320

as as the truth comes out about every

580

00:23:12,950 --> 00:23:11,039

move that our you know society is making

581

00:23:15,110 --> 00:23:12,960

our government's making we're starting

582

00:23:17,990 --> 00:23:15,120

to believe the reverse and that's the

583

00:23:21,430 --> 00:23:18,000

truth and it's the same thing with them

584

00:23:25,190 --> 00:23:21,440

they're very loving they're very kind

585

00:23:27,029 --> 00:23:25,200

um i visit them frequently they visit me

586

00:23:29,590 --> 00:23:27,039

they've been in my house

587

00:23:30,789 --> 00:23:29,600

i have conversations with them

588

00:23:32,549 --> 00:23:30,799

um

589

00:23:35,990 --> 00:23:32,559

i'm very aware

590

00:23:38,390 --> 00:23:36,000

and anybody can have this ability and so

591

00:23:40,310 --> 00:23:38,400

that's my purpose to teach it and show

592

00:23:42,470 --> 00:23:40,320

people the link

593

00:23:44,470 --> 00:23:42,480

it's fascinating and you know it's so

594

00:23:47,350 --> 00:23:44,480

interesting that i was able to actually

595

00:23:49,029 --> 00:23:47,360

witness this and see you actually do

596

00:23:50,789 --> 00:23:49,039

this and

597

00:23:52,230 --> 00:23:50,799

i i didn't even mention that you called

598

00:23:53,269 --> 00:23:52,240

in another one with sparks as you

599

00:23:54,390 --> 00:23:53,279

mentioned

600

00:23:56,950 --> 00:23:54,400

this

601  
00:23:59,269 --> 00:23:56,960  
it's a magical thing and it's very

602  
00:24:00,630 --> 00:23:59,279  
strange and interesting to me brent that

603  
00:24:04,549 --> 00:24:00,640  
the

604  
00:24:05,990 --> 00:24:04,559  
government etc like you said it's

605  
00:24:09,190 --> 00:24:06,000  
starting to come around

606  
00:24:11,590 --> 00:24:09,200  
but for so long we have been fed

607  
00:24:14,310 --> 00:24:11,600  
completely different information

608  
00:24:15,830 --> 00:24:14,320  
your message is very similar not the

609  
00:24:18,070 --> 00:24:15,840  
same but very similar at least in a

610  
00:24:19,669 --> 00:24:18,080  
general sense to chris bledsoes who is

611  
00:24:21,029 --> 00:24:19,679  
kind of saying the same thing that hey

612  
00:24:24,870 --> 00:24:21,039  
guys

613  
00:24:27,590 --> 00:24:24,880

this is not all you're being told it is

614

00:24:29,269 --> 00:24:27,600

why are we being told it is what it is

615

00:24:31,110 --> 00:24:29,279

when it isn't

616

00:24:33,190 --> 00:24:31,120

that

617

00:24:35,909 --> 00:24:33,200

well

618

00:24:38,070 --> 00:24:35,919

we're but a fractal

619

00:24:39,190 --> 00:24:38,080

of our true authentic self down here on

620

00:24:41,510 --> 00:24:39,200

earth

621

00:24:45,750 --> 00:24:41,520

that's all we are we're all fractal

622

00:24:47,510 --> 00:24:45,760

but but pretty much what i'm through my

623

00:24:49,110 --> 00:24:47,520

observation of humanity what we all do

624

00:24:50,630 --> 00:24:49,120

here on earth more or less in a

625

00:24:52,549 --> 00:24:50,640

different fashion we do the same in

626

00:24:55,269 --> 00:24:52,559

another dimension

627

00:24:57,350 --> 00:24:55,279

of a different frequency to help the

628

00:24:58,830 --> 00:24:57,360

overall consciousness of the universe

629

00:25:01,750 --> 00:24:58,840

i'll get to your

630

00:25:03,830 --> 00:25:01,760

answer the reason

631

00:25:06,230 --> 00:25:03,840

they don't want us to

632

00:25:09,510 --> 00:25:06,240

enlighten our pineal gland

633

00:25:11,029 --> 00:25:09,520

or become enlightened is because one

634

00:25:13,430 --> 00:25:11,039

human

635

00:25:16,310 --> 00:25:13,440

on the right frequency like i've seen

636

00:25:19,029 --> 00:25:16,320

with my master can change the complete

637

00:25:21,029 --> 00:25:19,039

vibration of a city

638

00:25:24,630 --> 00:25:21,039

you can make every baby shut up quit

639

00:25:28,310 --> 00:25:24,640

crying make every argument stop

640

00:25:31,430 --> 00:25:28,320

completely can transform an entire town

641

00:25:34,710 --> 00:25:31,440

just driving through it

642

00:25:38,470 --> 00:25:34,720

now if we're all in this state of mind

643

00:25:42,230 --> 00:25:38,480

this world would not be the way it is

644

00:25:43,830 --> 00:25:42,240

and this is my message and i give

645

00:25:46,870 --> 00:25:43,840

um

646

00:25:48,230 --> 00:25:46,880

38 short stories of

647

00:25:50,630 --> 00:25:48,240

different

648

00:25:54,149 --> 00:25:50,640

episodes that kind of all point to the

649

00:25:56,549 --> 00:25:54,159

same direction of the overall purpose

650

00:25:57,750 --> 00:25:56,559

of creating a more loving

651  
00:26:00,310 --> 00:25:57,760  
um

652  
00:26:03,430 --> 00:26:00,320  
harmonious universe

653  
00:26:04,310 --> 00:26:03,440  
that steers us away from

654  
00:26:06,950 --> 00:26:04,320  
the

655  
00:26:10,390 --> 00:26:06,960  
um overall stigma that we've been raised

656  
00:26:12,549 --> 00:26:10,400  
up raised to believe

657  
00:26:14,310 --> 00:26:12,559  
and and brent i want to touch on

658  
00:26:17,750 --> 00:26:14,320  
something that is

659  
00:26:21,269 --> 00:26:17,760  
oftentimes not associated with ufos

660  
00:26:23,110 --> 00:26:21,279  
which is past lives and if it's okay if

661  
00:26:25,029 --> 00:26:23,120  
i read a quick little snippet of your

662  
00:26:27,430 --> 00:26:25,039  
book that kind of

663  
00:26:30,149 --> 00:26:27,440

taps into that would that be okay

664

00:26:33,510 --> 00:26:30,159

yeah sure go ahead okay

665

00:26:37,750 --> 00:26:33,520

it's page 63 chapter 17

666

00:26:41,830 --> 00:26:40,070

the changes to my lifestyle were lifting

667

00:26:44,230 --> 00:26:41,840

me up internally

668

00:26:46,630 --> 00:26:44,240

and making me feel good about my choices

669

00:26:48,950 --> 00:26:46,640

to chart my life in another direction

670

00:26:51,750 --> 00:26:48,960

how i felt and how i perceive things

671

00:26:54,950 --> 00:26:51,760

were different my mind was expanding as

672

00:26:56,789 --> 00:26:54,960

i uncovered lost and forgotten knowledge

673

00:26:58,070 --> 00:26:56,799

of what i had learned from my previous

674

00:27:01,110 --> 00:26:58,080

experiences

675

00:27:03,430 --> 00:27:01,120

those before this life i was receiving

676  
00:27:05,430 --> 00:27:03,440  
information almost faster than i could

677  
00:27:08,470 --> 00:27:05,440  
absorb it this sounds a lot like a

678  
00:27:08,480 --> 00:27:10,870  
you know

679  
00:27:17,350 --> 00:27:14,149  
on this note i gotta tell you

680  
00:27:19,750 --> 00:27:17,360  
before i even discovered the master

681  
00:27:22,549 --> 00:27:19,760  
i was walking the streets in germany and

682  
00:27:25,350 --> 00:27:24,470  
fourth language

683  
00:27:27,350 --> 00:27:25,360  
okay

684  
00:27:29,510 --> 00:27:27,360  
i'm learning german now

685  
00:27:30,470 --> 00:27:29,520  
and i ponder deep down the rabbit hole

686  
00:27:35,110 --> 00:27:30,480  
of

687  
00:27:38,070 --> 00:27:35,120  
takes to learn it etc etc

688  
00:27:39,750 --> 00:27:38,080

and like they don't morph that much

689

00:27:41,830 --> 00:27:39,760

over the centuries or over the

690

00:27:43,510 --> 00:27:41,840

millenniums they don't change much

691

00:27:45,190 --> 00:27:43,520

the languages the root in the structure

692

00:27:48,470 --> 00:27:45,200

is the same

693

00:27:51,190 --> 00:27:48,480

if we all came from

694

00:27:52,630 --> 00:27:51,200

the same bottle

695

00:27:54,549 --> 00:27:52,640

then why don't we all

696

00:27:56,389 --> 00:27:54,559

look alike and don't why don't we all

697

00:27:58,950 --> 00:27:56,399

speak the same language

698

00:28:00,870 --> 00:27:58,960

okay this is the trigger

699

00:28:03,830 --> 00:28:00,880

then my mind goes

700

00:28:05,909 --> 00:28:03,840

why is it that the asians write in

701  
00:28:08,070 --> 00:28:05,919  
hieroglyphics

702  
00:28:09,830 --> 00:28:08,080  
which is what aliens write this is even

703  
00:28:13,269 --> 00:28:09,840  
before i was even

704  
00:28:15,909 --> 00:28:13,279  
discovered or even talked about

705  
00:28:17,350 --> 00:28:15,919  
aliens and and their eyes are the most

706  
00:28:20,310 --> 00:28:17,360  
looking like aliens and their most

707  
00:28:24,070 --> 00:28:22,389  
that and then it just another download

708  
00:28:26,230 --> 00:28:24,080  
came in like we're all test tube babies

709  
00:28:29,269 --> 00:28:26,240  
from another region and we're all put on

710  
00:28:31,430 --> 00:28:29,279  
this blue marble to see how we get along

711  
00:28:35,110 --> 00:28:31,440  
like like an ant form in your seventh

712  
00:28:37,430 --> 00:28:35,120  
grade class this is what we are right

713  
00:28:40,230 --> 00:28:37,440

that was my first download never even

714

00:28:42,710 --> 00:28:40,240

knowing it was a download that was an i

715

00:28:44,470 --> 00:28:42,720

discovered that that moment

716

00:28:46,230 --> 00:28:44,480

that is what i call a no

717

00:28:47,430 --> 00:28:46,240

that you know

718

00:28:49,909 --> 00:28:47,440

okay

719

00:28:52,389 --> 00:28:49,919

i knew that to be a fact that could not

720

00:28:54,950 --> 00:28:52,399

be erased at all it was so all

721

00:28:56,789 --> 00:28:54,960

everything just connected

722

00:28:59,269 --> 00:28:56,799

when i was with the master on that quote

723

00:29:01,430 --> 00:28:59,279

you wrote i had this little orange

724

00:29:04,310 --> 00:29:01,440

notebook

725

00:29:05,669 --> 00:29:04,320

and before he would come and speak i

726

00:29:08,070 --> 00:29:05,679

would sit down and i would do what you

727

00:29:09,669 --> 00:29:08,080

call creative writing and i'd start

728

00:29:12,310 --> 00:29:09,679

writing

729

00:29:14,389 --> 00:29:12,320

and then the master would come out and

730

00:29:16,470 --> 00:29:14,399

he would salute us

731

00:29:20,549 --> 00:29:16,480

and when he did that

732

00:29:22,389 --> 00:29:20,559

he would wipe everybody's mind clean

733

00:29:25,190 --> 00:29:22,399

you could feel an uplifting of

734

00:29:27,750 --> 00:29:25,200

spirituality and a vacation from the

735

00:29:28,870 --> 00:29:27,760

smut and the load that you're carrying

736

00:29:31,350 --> 00:29:28,880

he was

737

00:29:32,950 --> 00:29:31,360

it wasn't human man it was unbelievable

738

00:29:34,310 --> 00:29:32,960

there's more things that happened that i

739

00:29:35,590 --> 00:29:34,320

didn't put in my book that are

740

00:29:37,990 --> 00:29:35,600

phenomenal

741

00:29:43,430 --> 00:29:38,000

i'm i'm running out of fuel

742

00:29:48,549 --> 00:29:45,269

amazed by what you said that he didn't

743

00:29:50,070 --> 00:29:48,559

seem human and that he almost seemed

744

00:29:51,430 --> 00:29:50,080

like a like uh

745

00:29:52,950 --> 00:29:51,440

i believe in the book you mentioned that

746

00:29:55,110 --> 00:29:52,960

he was almost like jesus or something

747

00:29:57,110 --> 00:29:55,120

along those lines so oh absolutely

748

00:29:58,149 --> 00:29:57,120

without a doubt the things i've seen him

749

00:29:59,830 --> 00:29:58,159

do

750

00:30:00,630 --> 00:29:59,840

you see the only reason i can see what

751  
00:30:02,950 --> 00:30:00,640  
he

752  
00:30:04,710 --> 00:30:02,960  
um let me give finish my story yeah yeah

753  
00:30:06,830 --> 00:30:04,720  
i started interrupting why i can see it

754  
00:30:09,590 --> 00:30:06,840  
no it's okay

755  
00:30:11,750 --> 00:30:09,600  
so i would do creative writing and then

756  
00:30:13,990 --> 00:30:11,760  
i'd close my notebook then the master

757  
00:30:15,990 --> 00:30:14,000  
would come out 15 minutes later and sit

758  
00:30:17,269 --> 00:30:16,000  
down and he'd read the meditation for

759  
00:30:19,590 --> 00:30:17,279  
the day or the thought for the day and

760  
00:30:21,830 --> 00:30:19,600  
they start to think on it

761  
00:30:23,590 --> 00:30:21,840  
and i could flip my notebook open and i

762  
00:30:25,269 --> 00:30:23,600  
did it to my brother and i pointed to

763  
00:30:27,430 --> 00:30:25,279

the date in the right corner

764

00:30:29,510 --> 00:30:27,440

and then i pointed i wrote

765

00:30:32,950 --> 00:30:29,520

word for a word

766

00:30:35,190 --> 00:30:32,960

what he was saying 15 minutes

767

00:30:38,310 --> 00:30:35,200

earlier word for word

768

00:30:41,830 --> 00:30:38,320

i had already written it all down

769

00:30:44,389 --> 00:30:41,840

because i was able to climb up high in

770

00:30:46,149 --> 00:30:44,399

consciousness and intercept the messages

771

00:30:48,389 --> 00:30:46,159

from the heavens before they descend

772

00:30:51,510 --> 00:30:48,399

down and he would speak about them or

773

00:30:53,510 --> 00:30:51,520

vice versa

774

00:30:56,310 --> 00:30:53,520

that's where that's like those that's

775

00:30:57,190 --> 00:30:56,320

downloads intercepting downloads

776  
00:30:58,789 --> 00:30:57,200  
and

777  
00:31:00,470 --> 00:30:58,799  
in my little notebook

778  
00:31:02,230 --> 00:31:00,480  
i was receiving

779  
00:31:04,310 --> 00:31:02,240  
the multiverse

780  
00:31:08,389 --> 00:31:04,320  
all the different mathematics the way

781  
00:31:13,750 --> 00:31:11,269  
i could remind i i could go anywhere i

782  
00:31:15,590 --> 00:31:13,760  
wanted to with my consciousness um it

783  
00:31:16,789 --> 00:31:15,600  
was unbelievable the journey that i was

784  
00:31:19,190 --> 00:31:16,799  
on

785  
00:31:22,710 --> 00:31:19,200  
and

786  
00:31:26,789 --> 00:31:22,720  
the most fascinating takeaway for me

787  
00:31:30,149 --> 00:31:26,799  
was my very first rendezvous with him

788  
00:31:31,830 --> 00:31:30,159

and i went to say goodbye

789

00:31:33,990 --> 00:31:31,840

and i went to shake hands with them and

790

00:31:35,990 --> 00:31:34,000

very quickly spun me around and grabbed

791

00:31:38,230 --> 00:31:36,000

me from behind and they had my wrist on

792

00:31:39,990 --> 00:31:38,240

each hand my wrist and each army was

793

00:31:41,750 --> 00:31:40,000

standing behind me

794

00:31:43,590 --> 00:31:41,760

and he took us on and i said i'm gonna

795

00:31:45,350 --> 00:31:43,600

show this guy how strong i am

796

00:31:47,830 --> 00:31:45,360

i couldn't move him a quarter inch this

797

00:31:50,310 --> 00:31:47,840

man is 84 years old

798

00:31:52,230 --> 00:31:50,320

it was like a steel machine

799

00:31:54,070 --> 00:31:52,240

i couldn't move him

800

00:31:55,350 --> 00:31:54,080

it didn't matter how hard i pushed he

801  
00:31:59,750 --> 00:31:55,360  
didn't budge

802  
00:32:02,389 --> 00:31:59,760  
not one bit i'm playing one at the time

803  
00:32:05,350 --> 00:32:02,399  
then he took his arms and pushed him in

804  
00:32:07,590 --> 00:32:05,360  
and he put a light so bright through me

805  
00:32:10,389 --> 00:32:07,600  
i went completely out i saw a white

806  
00:32:13,190 --> 00:32:10,399  
light in my consciousness and i was out

807  
00:32:16,310 --> 00:32:13,200  
i remember walking waking up the woman

808  
00:32:19,029 --> 00:32:16,320  
was holding my arm walking me

809  
00:32:20,710 --> 00:32:19,039  
down the path from the masters gardens

810  
00:32:21,990 --> 00:32:20,720  
and she said well

811  
00:32:23,430 --> 00:32:22,000  
you're in

812  
00:32:25,190 --> 00:32:23,440  
i'm like

813  
00:32:29,350 --> 00:32:25,200

where

814

00:32:32,710 --> 00:32:29,360

and i came and came to and i

815

00:32:36,630 --> 00:32:34,630

the gifts that he gave me at that time

816

00:32:39,269 --> 00:32:36,640

was just like universal consciousness

817

00:32:41,350 --> 00:32:39,279

and universal downloads

818

00:32:43,830 --> 00:32:41,360

but one was all and all was one it was a

819

00:32:45,830 --> 00:32:43,840

it was truly an amazing experience and

820

00:32:47,029 --> 00:32:45,840

my book collaborates a lot on all the

821

00:32:50,549 --> 00:32:47,039

things that

822

00:32:52,230 --> 00:32:50,559

i was able to do and i could see and

823

00:32:55,269 --> 00:32:52,240

and the benefits of it

824

00:32:57,509 --> 00:32:55,279

to help humanity

825

00:33:01,269 --> 00:32:57,519

yeah and it is

826

00:33:03,269 --> 00:33:01,279

very universal it's it like you i really

827

00:33:04,789 --> 00:33:03,279

think it's neat that this consciousness

828

00:33:06,789 --> 00:33:04,799

is something that is

829

00:33:08,630 --> 00:33:06,799

able to be tapped into

830

00:33:11,190 --> 00:33:08,640

apparently this is

831

00:33:12,870 --> 00:33:11,200

no way shape or form

832

00:33:15,269 --> 00:33:12,880

uh a fil

833

00:33:17,269 --> 00:33:15,279

it is it is it is a universal almost

834

00:33:18,870 --> 00:33:17,279

like a brotherhood isn't it of the human

835

00:33:22,870 --> 00:33:18,880

race

836

00:33:25,190 --> 00:33:22,880

well it is the great white brotherhood

837

00:33:29,669 --> 00:33:25,200

great white brotherhood of the same mind

838

00:33:34,230 --> 00:33:31,990

and and many who are unfamiliar with

839

00:33:36,710 --> 00:33:34,240

that term this has been

840

00:33:39,029 --> 00:33:36,720

this brotherhood has been

841

00:33:41,750 --> 00:33:39,039

mentioned throughout history uh many

842

00:33:43,909 --> 00:33:41,760

times without uh

843

00:33:46,549 --> 00:33:43,919

without going into who these people are

844

00:33:49,029 --> 00:33:46,559

and i think that's a lot of it is that

845

00:33:50,789 --> 00:33:49,039

this it does seem that through this

846

00:33:53,990 --> 00:33:50,799

evolution at least from the outside

847

00:33:55,990 --> 00:33:54,000

looking in that when you evolve enough

848

00:33:58,149 --> 00:33:56,000

and you're ready to see and hear them

849

00:34:01,430 --> 00:33:58,159

they appear

850

00:34:02,870 --> 00:34:01,440

true very true you know white is not the

851

00:34:05,029 --> 00:34:02,880

white is the color let me correct this

852

00:34:06,310 --> 00:34:05,039

white is the color of the spirit

853

00:34:07,509 --> 00:34:06,320

it's got nothing to do with race or

854

00:34:09,349 --> 00:34:07,519

creed you know

855

00:34:10,869 --> 00:34:09,359

that's where a lot of people they kind

856

00:34:13,909 --> 00:34:10,879

of i think they've changed it since he

857

00:34:15,829 --> 00:34:13,919

passed away on christmas day in 1984.

858

00:34:17,349 --> 00:34:15,839

i think they got r they changed that

859

00:34:19,190 --> 00:34:17,359

name a little bit because of the

860

00:34:21,030 --> 00:34:19,200

stigmatism that's going along with race

861

00:34:23,030 --> 00:34:21,040

and everything else but it's definitely

862

00:34:24,149 --> 00:34:23,040

the color of the spirit

863

00:34:27,109 --> 00:34:24,159

and

864

00:34:28,950 --> 00:34:27,119

while i was there i learned um

865

00:34:31,349 --> 00:34:28,960

a lot of the people were pointed out

866

00:34:34,869 --> 00:34:31,359

going she's the reincarnation of mary

867

00:34:37,430 --> 00:34:34,879

magdalene she is and he is and

868

00:34:40,069 --> 00:34:37,440

everything else and i and i

869

00:34:41,190 --> 00:34:40,079

gave it no credit you know

870

00:34:43,750 --> 00:34:41,200

you know but

871

00:34:45,510 --> 00:34:43,760

now i look back and i go yeah i totally

872

00:34:48,230 --> 00:34:45,520

believe it

873

00:34:50,550 --> 00:34:48,240

when the da vinci code came out i said i

874

00:34:52,389 --> 00:34:50,560

learned all these things 20 years before

875

00:34:55,510 --> 00:34:52,399

the movie came out and most of it is

876  
00:34:57,990 --> 00:34:55,520  
along the same story line that i learned

877  
00:35:00,630 --> 00:34:58,000  
living in the south of france

878  
00:35:02,710 --> 00:35:00,640  
it's just the end of this story of da

879  
00:35:03,910 --> 00:35:02,720  
vinci code kind of got

880  
00:35:05,430 --> 00:35:03,920  
for me

881  
00:35:07,829 --> 00:35:05,440  
a little off track

882  
00:35:10,790 --> 00:35:07,839  
from the raw pureness of of what i

883  
00:35:13,670 --> 00:35:10,800  
learned in france

884  
00:35:17,349 --> 00:35:14,829  
hollywood

885  
00:35:18,470 --> 00:35:17,359  
right yeah yeah just a little footing

886  
00:35:20,390 --> 00:35:18,480  
out there

887  
00:35:21,430 --> 00:35:20,400  
you know

888  
00:35:24,069 --> 00:35:21,440

in fact

889

00:35:25,670 --> 00:35:24,079

something interesting as well it seems

890

00:35:29,670 --> 00:35:25,680

and i can't remember where i read this

891

00:35:31,829 --> 00:35:29,680

in your book but it seems as if

892

00:35:33,430 --> 00:35:31,839

the same way we have a hierarchy down

893

00:35:35,670 --> 00:35:33,440

here on planet earth

894

00:35:38,390 --> 00:35:35,680

with governments etc

895

00:35:39,349 --> 00:35:38,400

there is a hierarchy

896

00:35:42,150 --> 00:35:39,359

in

897

00:35:44,470 --> 00:35:42,160

the cosmic realm

898

00:35:47,349 --> 00:35:44,480

yes yes there is

899

00:35:49,190 --> 00:35:47,359

the master always used to say that

900

00:35:50,310 --> 00:35:49,200

you let out a prayer or you let out a

901  
00:35:51,829 --> 00:35:50,320  
request

902  
00:35:54,150 --> 00:35:51,839  
i said you just can't write a letter and

903  
00:35:55,670 --> 00:35:54,160  
give it straight to the president

904  
00:35:57,270 --> 00:35:55,680  
you know it's got to go through certain

905  
00:35:58,390 --> 00:35:57,280  
hands and certain chains and certain

906  
00:35:59,829 --> 00:35:58,400  
commands

907  
00:36:01,670 --> 00:35:59,839  
and instead of the same thing in the

908  
00:36:03,510 --> 00:36:01,680  
hierarchy

909  
00:36:05,270 --> 00:36:03,520  
but i have learned who picks up your

910  
00:36:07,670 --> 00:36:05,280  
prayers and i have learned who picks up

911  
00:36:10,470 --> 00:36:07,680  
your thoughts

912  
00:36:14,790 --> 00:36:10,480  
thoughts are alive

913  
00:36:16,390 --> 00:36:14,800

no thought no feeling and no action goes

914

00:36:18,790 --> 00:36:16,400

unnoticed

915

00:36:20,630 --> 00:36:18,800

everything every human being does is

916

00:36:22,069 --> 00:36:20,640

recorded

917

00:36:24,950 --> 00:36:22,079

and watched

918

00:36:26,870 --> 00:36:24,960

i know that to be a fact

919

00:36:29,109 --> 00:36:26,880

it's all recorded

920

00:36:32,069 --> 00:36:29,119

and it's recorded

921

00:36:35,430 --> 00:36:32,079

in each human being there's like three

922

00:36:37,190 --> 00:36:35,440

uh bobbins if you will atoms one for the

923

00:36:39,750 --> 00:36:37,200

will one for the heart and one for the

924

00:36:41,270 --> 00:36:39,760

intellect and every deed you do

925

00:36:43,030 --> 00:36:41,280

is one or the other and it's all

926  
00:36:44,790 --> 00:36:43,040  
recorded

927  
00:36:46,950 --> 00:36:44,800  
and when you pass on

928  
00:36:49,829 --> 00:36:46,960  
you go to the next dimension the bobbins

929  
00:36:52,470 --> 00:36:49,839  
are put into a computer

930  
00:36:55,270 --> 00:36:52,480  
and you get to revisit your act

931  
00:36:58,790 --> 00:36:55,280  
the perspective of the other person

932  
00:37:01,510 --> 00:37:00,069  
it is

933  
00:37:05,190 --> 00:37:01,520  
it's like a perfect

934  
00:37:09,589 --> 00:37:05,200  
it's a it's almost like a perfect puzzle

935  
00:37:11,589 --> 00:37:09,599  
yes it is by defying its perfect rhythm

936  
00:37:13,589 --> 00:37:11,599  
i even had the pleasure of them taking

937  
00:37:16,150 --> 00:37:13,599  
me and

938  
00:37:19,109 --> 00:37:16,160

showing me how old i am

939

00:37:21,349 --> 00:37:19,119

they said you know i was i was in a ship

940

00:37:22,870 --> 00:37:21,359

and i'm looking what it would be looked

941

00:37:24,310 --> 00:37:22,880

like a window but it's not it was a

942

00:37:26,069 --> 00:37:24,320

screen and on the other side of the

943

00:37:28,069 --> 00:37:26,079

screen was exactly what i'm looking at

944

00:37:30,230 --> 00:37:28,079

but it was a ship and they said would

945

00:37:31,270 --> 00:37:30,240

you like to see how old you are

946

00:37:32,870 --> 00:37:31,280

yeah

947

00:37:35,109 --> 00:37:32,880

i said okay

948

00:37:37,589 --> 00:37:35,119

so these

949

00:37:38,390 --> 00:37:37,599

spinning circles

950

00:37:41,510 --> 00:37:38,400

with

951  
00:37:44,470 --> 00:37:41,520  
fractals of light coming off of them

952  
00:37:46,870 --> 00:37:44,480  
we're all lined up side by side in a row

953  
00:37:47,910 --> 00:37:46,880  
like you're looking at

954  
00:37:49,109 --> 00:37:47,920  
tires

955  
00:37:50,550 --> 00:37:49,119  
sideways

956  
00:37:52,790 --> 00:37:50,560  
and down the middle

957  
00:37:55,190 --> 00:37:52,800  
was a long pole down the middle and they

958  
00:37:58,470 --> 00:37:55,200  
said each one of those circles

959  
00:38:00,630 --> 00:37:58,480  
represents a thousand lives

960  
00:38:01,750 --> 00:38:00,640  
and they go and the line going through

961  
00:38:04,870 --> 00:38:01,760  
the middle

962  
00:38:07,670 --> 00:38:04,880  
is you connecting all of them

963  
00:38:09,349 --> 00:38:07,680

and so i quickly counted all the circles

964

00:38:12,150 --> 00:38:09,359

and the moment i got to the end last

965

00:38:14,310 --> 00:38:12,160

circle snap the image and the vision was

966

00:38:16,870 --> 00:38:14,320

gone because they know i got it it's

967

00:38:19,510 --> 00:38:16,880

done they take it away

968

00:38:21,349 --> 00:38:19,520

now

969

00:38:24,630 --> 00:38:21,359

this is my biggest takeaway for

970

00:38:26,470 --> 00:38:24,640

everybody whoever listens to this

971

00:38:28,390 --> 00:38:26,480

when you sleep at night

972

00:38:30,470 --> 00:38:28,400

and you dream

973

00:38:33,349 --> 00:38:30,480

if you can sit up in the morning and

974

00:38:35,430 --> 00:38:33,359

meditate and recall your dreams

975

00:38:37,030 --> 00:38:35,440

there's information in there that will

976

00:38:39,270 --> 00:38:37,040

tell you everything about yourself in

977

00:38:42,630 --> 00:38:39,280

the universe you just gotta meditate

978

00:38:45,510 --> 00:38:42,640

enough to tap into it and get it

979

00:38:47,030 --> 00:38:45,520

it's a fascinating cycle in it and in my

980

00:38:49,430 --> 00:38:47,040

situation

981

00:38:51,430 --> 00:38:49,440

i was meditating so much

982

00:38:53,910 --> 00:38:51,440

that there wasn't a difference between

983

00:38:55,589 --> 00:38:53,920

night or day for my consciousness i was

984

00:38:57,190 --> 00:38:55,599

alert all the way through my sleep and i

985

00:38:59,030 --> 00:38:57,200

was a little conscious all the way

986

00:39:01,750 --> 00:38:59,040

through my day and the pattern which

987

00:39:03,589 --> 00:39:01,760

just continually repeat itself i was

988

00:39:05,109 --> 00:39:03,599

like my because your mind never sleeps

989

00:39:06,550 --> 00:39:05,119

if you think about it ryan right it

990

00:39:09,030 --> 00:39:06,560

never stops

991

00:39:11,270 --> 00:39:09,040

it never sleeps it never shuts down

992

00:39:14,069 --> 00:39:11,280

but to be aware of it all through the

993

00:39:15,190 --> 00:39:14,079

entire process of night and day is the

994

00:39:16,069 --> 00:39:15,200

gift

995

00:39:19,030 --> 00:39:16,079

of

996

00:39:21,349 --> 00:39:19,040

gathering the information and the wisdom

997

00:39:24,150 --> 00:39:21,359

from the enlightened state that we can

998

00:39:29,190 --> 00:39:25,270

now this

999

00:39:31,510 --> 00:39:29,200

seems like there is a end game in place

1000

00:39:35,270 --> 00:39:31,520

and that this might be that might be the

1001  
00:39:37,750 --> 00:39:35,280  
wrong way to describe it but that

1002  
00:39:40,069 --> 00:39:37,760  
heaven on our earth is the end game or

1003  
00:39:42,470 --> 00:39:40,079  
that the spiritual and physical

1004  
00:39:46,150 --> 00:39:42,480  
will soon merge is that kind of a

1005  
00:39:47,990 --> 00:39:46,160  
takeaway or is there more to it

1006  
00:39:49,750 --> 00:39:48,000  
that is

1007  
00:39:52,790 --> 00:39:49,760  
the ultimate goal

1008  
00:39:55,030 --> 00:39:52,800  
god's ultimate goal was

1009  
00:39:58,069 --> 00:39:55,040  
to send us here

1010  
00:40:01,750 --> 00:39:58,079  
and he said basically to you to me to

1011  
00:40:03,990 --> 00:40:01,760  
everybody go forth my child and learn

1012  
00:40:06,790 --> 00:40:04,000  
so you can come back to me and bring me

1013  
00:40:09,829 --> 00:40:06,800

information so i can create a better

1014

00:40:13,589 --> 00:40:11,670

so we're all down here gathering up

1015

00:40:16,790 --> 00:40:13,599

information of the interaction with each

1016

00:40:18,870 --> 00:40:16,800

other and life and we go back and it

1017

00:40:20,630 --> 00:40:18,880

goes into all funnels bottlenecks into

1018

00:40:23,510 --> 00:40:20,640

the big computer and he looks at it goes

1019

00:40:25,670 --> 00:40:23,520

hey let's tweak this let's tweak that

1020

00:40:29,109 --> 00:40:25,680

you know and so these experiences don't

1021

00:40:31,510 --> 00:40:29,119

repeat itself repeat themselves

1022

00:40:34,550 --> 00:40:31,520

we are repeating

1023

00:40:37,510 --> 00:40:34,560

this whole process of this life

1024

00:40:40,470 --> 00:40:37,520

we've done this before

1025

00:40:42,470 --> 00:40:40,480

but we've been here before

1026

00:40:44,630 --> 00:40:42,480

the whole we're trying to

1027

00:40:46,790 --> 00:40:44,640

god's goal in god's dream would be to

1028

00:40:49,589 --> 00:40:46,800

have us live in harmony

1029

00:40:53,430 --> 00:40:49,599

and get along

1030

00:40:55,670 --> 00:40:53,440

and not destroy ourselves last time we

1031

00:40:58,150 --> 00:40:55,680

were together on another planet and i

1032

00:41:00,470 --> 00:40:58,160

believe it was mars

1033

00:41:02,710 --> 00:41:00,480

we didn't make it we got to a point

1034

00:41:05,829 --> 00:41:02,720

where kind of like where we're at now

1035

00:41:07,750 --> 00:41:05,839

and it's basically you know fufu and

1036

00:41:09,109 --> 00:41:07,760

they they hit the button and that was

1037

00:41:11,510 --> 00:41:09,119

the end of mars

1038

00:41:12,630 --> 00:41:11,520

and that was the end of our civilization

1039

00:41:16,069 --> 00:41:12,640

but

1040

00:41:17,109 --> 00:41:16,079

some got in escape pods and came here to

1041

00:41:19,829 --> 00:41:17,119

earth

1042

00:41:22,230 --> 00:41:19,839

that you see by the cave drawings and

1043

00:41:23,349 --> 00:41:22,240

talk to the native american

1044

00:41:24,790 --> 00:41:23,359

culture

1045

00:41:26,710 --> 00:41:24,800

they'll talk about the star people

1046

00:41:29,190 --> 00:41:26,720

coming here to help them

1047

00:41:30,710 --> 00:41:29,200

and some of them went underground and if

1048

00:41:32,390 --> 00:41:30,720

you look what we're doing now we're

1049

00:41:34,309 --> 00:41:32,400

doing the same thing they're milling

1050

00:41:36,870 --> 00:41:34,319

tunnels underground they're making caves

1051  
00:41:39,589 --> 00:41:36,880  
they're making preparations for the same

1052  
00:41:42,470 --> 00:41:40,630  
and

1053  
00:41:43,670 --> 00:41:42,480  
when they tell that to people they go

1054  
00:41:45,990 --> 00:41:43,680  
that's kind of far-fetched and

1055  
00:41:47,750 --> 00:41:46,000  
everything and i said yeah

1056  
00:41:53,349 --> 00:41:47,760  
let me ask you this

1057  
00:41:58,790 --> 00:41:55,829  
we are repeating the pattern

1058  
00:42:01,109 --> 00:41:58,800  
we're p repeating the process

1059  
00:42:02,630 --> 00:42:01,119  
and on that note i encourage everybody

1060  
00:42:05,030 --> 00:42:02,640  
to realize that your thoughts and your

1061  
00:42:07,589 --> 00:42:05,040  
feelings are alive and if you see

1062  
00:42:09,349 --> 00:42:07,599  
something you don't lie alike don't feed

1063  
00:42:11,670 --> 00:42:09,359

it don't hate it don't dislike it

1064

00:42:14,470 --> 00:42:11,680

because then you're feeding the negative

1065

00:42:16,230 --> 00:42:14,480

side you're feeding the the demonic side

1066

00:42:18,790 --> 00:42:16,240

and that is giving them more strength

1067

00:42:20,150 --> 00:42:18,800

you need to gather up the

1068

00:42:22,470 --> 00:42:20,160

the strength and say you know what i'm

1069

00:42:25,030 --> 00:42:22,480

going to give this to a higher self to

1070

00:42:26,950 --> 00:42:25,040

purify it renounce and denounce it all

1071

00:42:29,990 --> 00:42:26,960

and get rid of it i'm not going there

1072

00:42:31,430 --> 00:42:30,000

this process is going on every every day

1073

00:42:33,510 --> 00:42:31,440

more and more now

1074

00:42:35,990 --> 00:42:33,520

um we need to steer away from the

1075

00:42:37,270 --> 00:42:36,000

darkness and go to the light and that's

1076

00:42:41,030 --> 00:42:37,280

what will

1077

00:42:45,510 --> 00:42:43,430

we are winning by the way we are winning

1078

00:42:46,710 --> 00:42:45,520

um i tell my dog i tell my daughter this

1079

00:42:49,270 --> 00:42:46,720

is honey

1080

00:42:52,550 --> 00:42:49,280

what you don't see is the light going in

1081

00:42:54,069 --> 00:42:52,560

that's forcing the darkness out also

1082

00:42:56,390 --> 00:42:54,079

you know the darkness

1083

00:42:57,990 --> 00:42:56,400

but you don't see the light pushing it

1084

00:43:01,190 --> 00:42:58,000

out and causing it to come to the

1085

00:43:02,950 --> 00:43:01,200

surface just know that we're winning

1086

00:43:05,589 --> 00:43:02,960

and we will win

1087

00:43:06,790 --> 00:43:05,599

we are winning that is a good message

1088

00:43:09,030 --> 00:43:06,800

and

1089

00:43:10,309 --> 00:43:09,040

before we uh get too far along in this

1090

00:43:12,630 --> 00:43:10,319

there's something else i want to

1091

00:43:15,349 --> 00:43:12,640

definitely tell the listeners and that

1092

00:43:17,589 --> 00:43:15,359

is that you uh through this through this

1093

00:43:21,190 --> 00:43:17,599

experience this amazing journey

1094

00:43:23,030 --> 00:43:21,200

you have condensed sort of a version of

1095

00:43:25,589 --> 00:43:23,040

everything you've learned offered a

1096

00:43:28,470 --> 00:43:25,599

special invitation to people to

1097

00:43:30,150 --> 00:43:28,480

to learn with you and gain insight into

1098

00:43:32,309 --> 00:43:30,160

the sky watching tools that you've

1099

00:43:34,550 --> 00:43:32,319

discovered can we go into that just a

1100

00:43:35,430 --> 00:43:34,560

little bit as we wrap up

1101

00:43:37,030 --> 00:43:35,440

sure

1102

00:43:38,870 --> 00:43:37,040

um thanks for bringing that up in my

1103

00:43:42,230 --> 00:43:38,880

book ufo

1104

00:43:45,430 --> 00:43:42,240

to ifo which is unidentified

1105

00:43:48,710 --> 00:43:45,440

to identified by an object your galactic

1106

00:43:51,510 --> 00:43:48,720

family and belong beyond they ask me not

1107

00:43:53,510 --> 00:43:51,520

to call them ufos anymore

1108

00:43:55,190 --> 00:43:53,520

they don't want to be unidentified they

1109

00:43:56,150 --> 00:43:55,200

want to be identified they want to come

1110

00:43:58,950 --> 00:43:56,160

closer

1111

00:44:01,030 --> 00:43:58,960

they want to make their appearance here

1112

00:44:04,309 --> 00:44:01,040

and get along with us

1113

00:44:06,790 --> 00:44:04,319

and and i'm telling you if one ever came

1114

00:44:08,790 --> 00:44:06,800

and you got a chance to see it and see

1115

00:44:10,069 --> 00:44:08,800

how loving they are and what they do

1116

00:44:11,670 --> 00:44:10,079

that

1117

00:44:13,829 --> 00:44:11,680

you would

1118

00:44:15,910 --> 00:44:13,839

die with joy and tears and bliss because

1119

00:44:18,950 --> 00:44:15,920

of the power they have it's

1120

00:44:23,750 --> 00:44:21,270

so what i encourage people in my book is

1121

00:44:25,349 --> 00:44:23,760

i created a digital

1122

00:44:26,309 --> 00:44:25,359

online course

1123

00:44:28,309 --> 00:44:26,319

for

1124

00:44:30,309 --> 00:44:28,319

under a hundred dollar fee

1125

00:44:33,030 --> 00:44:30,319

you can take in a it's a condensed

1126

00:44:35,109 --> 00:44:33,040

version of learning how to call

1127

00:44:37,589 --> 00:44:35,119

ufos

1128

00:44:39,430 --> 00:44:37,599

which

1129

00:44:41,670 --> 00:44:39,440

as a byproduct it will change your

1130

00:44:43,190 --> 00:44:41,680

frequency it will change your vibration

1131

00:44:44,710 --> 00:44:43,200

it will

1132

00:44:45,829 --> 00:44:44,720

change you in a much

1133

00:44:47,750 --> 00:44:45,839

higher

1134

00:44:51,829 --> 00:44:47,760

state of mind

1135

00:44:54,390 --> 00:44:51,839

and you will find out that everybody has

1136

00:44:56,630 --> 00:44:54,400

a ship or a higher consciousness that

1137

00:44:59,910 --> 00:44:56,640

will come out and show themselves when

1138

00:45:02,470 --> 00:44:59,920

you get yourself ready and at the in the

1139

00:45:05,349 --> 00:45:02,480

right frequencies like i did

1140

00:45:07,750 --> 00:45:05,359

and i teach that in a short version of

1141

00:45:10,870 --> 00:45:07,760

took me two years of being with a master

1142

00:45:12,470 --> 00:45:10,880

i tried to condense it into like a 45

1143

00:45:14,550 --> 00:45:12,480

minute video

1144

00:45:16,710 --> 00:45:14,560

if you do this this and this and you

1145

00:45:19,990 --> 00:45:16,720

practice it you can go out as soon as

1146

00:45:22,069 --> 00:45:20,000

that night and see a ufo fly overhead

1147

00:45:24,470 --> 00:45:22,079

and you will know without a doubt

1148

00:45:27,829 --> 00:45:24,480

that is for you

1149

00:45:29,670 --> 00:45:27,839

yes and another fascinating subject that

1150

00:45:31,589 --> 00:45:29,680

we haven't really touched on

1151

00:45:33,670 --> 00:45:31,599

is that you have had

1152

00:45:35,910 --> 00:45:33,680

the experience of causing portals to

1153

00:45:37,589 --> 00:45:35,920

open up and can you just can you

1154

00:45:40,950 --> 00:45:37,599

describe those for the listeners and

1155

00:45:44,069 --> 00:45:40,960

what they what they appear as

1156

00:45:46,230 --> 00:45:44,079

yeah i had a meditation group and

1157

00:45:47,750 --> 00:45:46,240

just a small group and they wanted to

1158

00:45:49,190 --> 00:45:47,760

see ufos

1159

00:45:50,790 --> 00:45:49,200

and i said pick the time of the date and

1160

00:45:52,150 --> 00:45:50,800

they said okay and they did and they go

1161

00:45:53,190 --> 00:45:52,160

all right let's go

1162

00:45:54,710 --> 00:45:53,200

that's about

1163

00:45:57,750 --> 00:45:54,720

10 days out

1164

00:46:00,309 --> 00:45:57,760

that night it was a freak fog rolled in

1165

00:46:03,190 --> 00:46:00,319

the visibility was maybe 75 feet we

1166

00:46:06,390 --> 00:46:03,200

could only do about 45 miles an hour 35

1167

00:46:07,829 --> 00:46:06,400

on the freeway and it was unbelievable

1168

00:46:10,390 --> 00:46:07,839

they kept saying let's cancel let's

1169

00:46:11,990 --> 00:46:10,400

count so i go no just go it'll be okay

1170

00:46:14,470 --> 00:46:12,000

i know it is because

1171

00:46:15,990 --> 00:46:14,480

they don't know what i know so as soon

1172

00:46:17,589 --> 00:46:16,000

as we turned to go down the woman's

1173

00:46:18,950 --> 00:46:17,599

driveway off the pavement to the dirt

1174

00:46:21,190 --> 00:46:18,960

road

1175

00:46:22,710 --> 00:46:21,200

it was like mooses parted the red sea but

1176  
00:46:24,870 --> 00:46:22,720  
we could see all the way down the road

1177  
00:46:26,790 --> 00:46:24,880  
to the house it was crystal clear

1178  
00:46:28,870 --> 00:46:26,800  
and the fog off to the right and off to

1179  
00:46:30,069 --> 00:46:28,880  
the left and they all went wow look at

1180  
00:46:32,230 --> 00:46:30,079  
that

1181  
00:46:33,829 --> 00:46:32,240  
we got to the house we went inside

1182  
00:46:38,230 --> 00:46:33,839  
we are all hungry we all snack and we

1183  
00:46:41,190 --> 00:46:39,990  
and let's do what you were taught

1184  
00:46:42,470 --> 00:46:41,200  
and we did

1185  
00:46:45,349 --> 00:46:42,480  
and we

1186  
00:46:47,190 --> 00:46:45,359  
walked outside a while later

1187  
00:46:50,230 --> 00:46:47,200  
and i as the first one out there and

1188  
00:46:53,349 --> 00:46:50,240

sure enough here comes a ufo right over

1189

00:46:57,109 --> 00:46:53,359

he had a bright bright white light

1190

00:46:59,109 --> 00:46:57,119

low and slow right overhead

1191

00:47:01,430 --> 00:46:59,119

they saw it too and we kind of stood

1192

00:47:04,069 --> 00:47:01,440

where we can look up and then no fog

1193

00:47:06,309 --> 00:47:04,079

whatsoever we could see the crystal blue

1194

00:47:11,270 --> 00:47:06,319

winter sky

1195

00:47:13,589 --> 00:47:11,280

and all of a sudden it looked like a

1196

00:47:15,589 --> 00:47:13,599

shiny silver disc in the air but it was

1197

00:47:17,510 --> 00:47:15,599

sideways then it kept going faster and

1198

00:47:19,109 --> 00:47:17,520

faster and faster

1199

00:47:22,549 --> 00:47:19,119

and it was a portal

1200

00:47:27,990 --> 00:47:25,030

and a monster ship came through

1201

00:47:29,829 --> 00:47:28,000

and it hovered right over us

1202

00:47:32,630 --> 00:47:29,839

and then it took off and then there was

1203

00:47:35,349 --> 00:47:32,640

another portal over my left shoulder

1204

00:47:36,470 --> 00:47:35,359

and another ship came through

1205

00:47:38,230 --> 00:47:36,480

so

1206

00:47:39,589 --> 00:47:38,240

then it took

1207

00:47:41,030 --> 00:47:39,599

well when i

1208

00:47:44,470 --> 00:47:41,040

do

1209

00:47:46,630 --> 00:47:44,480

practitioner qhht and i somebody is in a

1210

00:47:48,790 --> 00:47:46,640

deep state of

1211

00:47:50,710 --> 00:47:48,800

um consciousness and they're accessing

1212

00:47:52,549 --> 00:47:50,720

the akashic records i have permission to

1213

00:47:56,069 --> 00:47:52,559

ask questions

1214

00:47:59,910 --> 00:47:56,079

experience i go are you familiar with

1215

00:48:04,309 --> 00:48:02,069

at such and such time of date and their

1216

00:48:05,670 --> 00:48:04,319

response was

1217

00:48:09,349 --> 00:48:05,680

yes brent

1218

00:48:13,270 --> 00:48:09,359

you cost them you called us we king

1219

00:48:15,349 --> 00:48:13,280

and i'm like oh wow okay

1220

00:48:16,309 --> 00:48:15,359

i wasn't expecting that answer

1221

00:48:17,910 --> 00:48:16,319

you know

1222

00:48:18,710 --> 00:48:17,920

um but

1223

00:48:20,309 --> 00:48:18,720

yes

1224

00:48:21,829 --> 00:48:20,319

they opened up the portals opened up and

1225

00:48:23,750 --> 00:48:21,839

the ships came through

1226

00:48:25,910 --> 00:48:23,760

we can all do this

1227

00:48:28,309 --> 00:48:25,920

and that's what i teach in my course how

1228

00:48:30,309 --> 00:48:28,319

to do this how to call them

1229

00:48:31,990 --> 00:48:30,319

the electricity and the feeling you feel

1230

00:48:35,190 --> 00:48:32,000

from when a ship comes over and shows

1231

00:48:36,150 --> 00:48:35,200

itself is life-changing

1232

00:48:37,270 --> 00:48:36,160

you know

1233

00:48:39,990 --> 00:48:37,280

so cool

1234

00:48:42,470 --> 00:48:40,000

and brent i i have to ask this question

1235

00:48:45,670 --> 00:48:42,480

because it's a very real possibility how

1236

00:48:49,589 --> 00:48:45,680

our military has engaged in the past

1237

00:48:53,589 --> 00:48:49,599

with these uh lights in the sky and how

1238

00:48:57,589 --> 00:48:55,430

what is the danger that

1239

00:49:00,309 --> 00:48:57,599

that could bring

1240

00:49:04,470 --> 00:49:01,750

what our military engagement with them

1241

00:49:05,829 --> 00:49:04,480

yeah it just seems so off the wall and

1242

00:49:06,870 --> 00:49:05,839

you know just so

1243

00:49:08,870 --> 00:49:06,880

you know it's something you don't

1244

00:49:10,549 --> 00:49:08,880

understand and the immediate it just

1245

00:49:12,470 --> 00:49:10,559

seems like the immediate reaction is

1246

00:49:14,309 --> 00:49:12,480

destroy it

1247

00:49:15,990 --> 00:49:14,319

they don't well that

1248

00:49:18,230 --> 00:49:16,000

yeah there's a there's a or there's a

1249

00:49:19,990 --> 00:49:18,240

rule or an ordinance if the ufos come

1250

00:49:22,309 --> 00:49:20,000

within 10 miles of the earth that our

1251

00:49:24,309 --> 00:49:22,319

military has the right to shoot at them

1252

00:49:26,470 --> 00:49:24,319

which come on man that's an angry race

1253

00:49:27,910 --> 00:49:26,480

that's just so wrong

1254

00:49:29,510 --> 00:49:27,920

this is their planet and they don't

1255

00:49:36,390 --> 00:49:29,520

stand a chance

1256

00:49:37,910 --> 00:49:36,400

there was a report recently that um from

1257

00:49:40,549 --> 00:49:37,920

a pilot

1258

00:49:43,270 --> 00:49:40,559

that a bunch of fighter pilots were

1259

00:49:45,829 --> 00:49:43,280

off to win their um

1260

00:49:48,230 --> 00:49:45,839

training and after that they meet at up

1261

00:49:50,549 --> 00:49:48,240

in the sky at a place called point zero

1262

00:49:52,150 --> 00:49:50,559

that is completely top secret and nobody

1263

00:49:54,309 --> 00:49:52,160

knows where it is

1264

00:49:56,829 --> 00:49:54,319

they're supposed to all do their

1265

00:49:59,510 --> 00:49:56,839

do their

1266

00:50:02,549 --> 00:49:59,520

um training and then they meet at this

1267

00:50:04,950 --> 00:50:02,559

place and there was a ufo there

1268

00:50:07,190 --> 00:50:04,960

and the ufo was just toying with them

1269

00:50:08,470 --> 00:50:07,200

just toying with them and then just

1270

00:50:10,069 --> 00:50:08,480

disappeared

1271

00:50:12,150 --> 00:50:10,079

and they did their training and they

1272

00:50:14,870 --> 00:50:12,160

went to point zero and when i got there

1273

00:50:17,589 --> 00:50:14,880

the ufo was right at point zero

1274

00:50:19,670 --> 00:50:17,599

as if there's go in an indian or

1275

00:50:20,549 --> 00:50:19,680

beautiful they don't they don't stand a

1276

00:50:22,470 --> 00:50:20,559

chance

1277

00:50:25,670 --> 00:50:22,480

and i think the biggest savior of all

1278

00:50:28,950 --> 00:50:26,950

the ufo

1279

00:50:30,710 --> 00:50:28,960

and the military is

1280

00:50:32,870 --> 00:50:30,720

i don't think our us government will

1281

00:50:34,150 --> 00:50:32,880

ever be able to intercept the vibrations

1282

00:50:36,470 --> 00:50:34,160

or the frequency of the human

1283

00:50:38,549 --> 00:50:36,480

consciousness and read it from afar or a

1284

00:50:39,670 --> 00:50:38,559

distance across the universe

1285

00:50:42,309 --> 00:50:39,680

like

1286

00:50:43,270 --> 00:50:42,319

ets or ufos can

1287

00:50:45,670 --> 00:50:43,280

and that

1288

00:50:47,109 --> 00:50:45,680

makes me sleep well at night going

1289

00:50:50,069 --> 00:50:47,119

they're limited

1290

00:50:54,870 --> 00:50:52,470

and it it really seems as if

1291

00:50:56,870 --> 00:50:54,880

this is an appropriate time for this

1292

00:50:59,030 --> 00:50:56,880

message at least for myself and a lot of

1293

00:51:00,630 --> 00:50:59,040

other individuals hopefully

1294

00:51:06,309 --> 00:51:00,640

the

1295

00:51:08,230 --> 00:51:06,319

we are all special and we have come to

1296

00:51:09,750 --> 00:51:08,240

earth with a mission is a very

1297

00:51:11,270 --> 00:51:09,760

empowering thing

1298

00:51:13,430 --> 00:51:11,280

that it seems

1299

00:51:16,069 --> 00:51:13,440

some don't want people to have those

1300

00:51:19,910 --> 00:51:17,990

this is true that's why they fly and

1301  
00:51:22,549 --> 00:51:19,920  
they dump chemtrails

1302  
00:51:25,589 --> 00:51:22,559  
and they pollute our water and they do

1303  
00:51:27,190 --> 00:51:25,599  
these things to block your pineal gland

1304  
00:51:28,390 --> 00:51:27,200  
from

1305  
00:51:30,470 --> 00:51:28,400  
um

1306  
00:51:31,990 --> 00:51:30,480  
being enlightened because that is kind

1307  
00:51:33,910 --> 00:51:32,000  
of the portal

1308  
00:51:35,190 --> 00:51:33,920  
for your downloads and your

1309  
00:51:37,910 --> 00:51:35,200  
consciousness

1310  
00:51:39,829 --> 00:51:37,920  
i do breathing exercises every morning

1311  
00:51:40,870 --> 00:51:39,839  
to the morning sunrise

1312  
00:51:43,109 --> 00:51:40,880  
to

1313  
00:51:45,910 --> 00:51:43,119

open up and enlighten my penile pineal

1314

00:51:50,150 --> 00:51:45,920

gland so it the toxins and the

1315

00:51:54,630 --> 00:51:50,160

environment can't cloud it

1316

00:51:56,790 --> 00:51:54,640

very interesting and um lastly i guess

1317

00:51:57,589 --> 00:51:56,800

a message for our listeners

1318

00:52:00,309 --> 00:51:57,599

on

1319

00:52:03,270 --> 00:52:00,319

these higher beings

1320

00:52:05,270 --> 00:52:03,280

you know it seems as if many people i

1321

00:52:07,829 --> 00:52:05,280

believe in your book you you wrote you a

1322

00:52:10,870 --> 00:52:07,839

tree are living without this

1323

00:52:17,270 --> 00:52:10,880

and this is something that

1324

00:52:21,670 --> 00:52:20,549

how can people uh

1325

00:52:23,510 --> 00:52:21,680

know that this

1326  
00:52:25,829 --> 00:52:23,520  
other than taking your course obviously

1327  
00:52:27,990 --> 00:52:25,839  
which is the obvious point but i think

1328  
00:52:29,190 --> 00:52:28,000  
that seems like a really a good way to

1329  
00:52:32,069 --> 00:52:29,200  
look at this

1330  
00:52:34,069 --> 00:52:32,079  
how else how can people go through life

1331  
00:52:36,069 --> 00:52:34,079  
without being confused from what they're

1332  
00:52:39,670 --> 00:52:36,079  
hearing and just remember that they are

1333  
00:52:40,549 --> 00:52:39,680  
special and that these entities are you

1334  
00:52:42,549 --> 00:52:40,559  
know

1335  
00:52:44,870 --> 00:52:42,559  
same team i guess or for the most part

1336  
00:52:48,230 --> 00:52:44,880  
same team and i i also wanted to ask you

1337  
00:52:49,750 --> 00:52:48,240  
one quick other question but let me let

1338  
00:52:51,109 --> 00:52:49,760

me go with that what can the average

1339

00:52:54,790 --> 00:52:51,119

individual if they're not able to take

1340

00:52:57,190 --> 00:52:54,800

your course do to

1341

00:53:00,710 --> 00:52:57,200

get some semblance of the reality of

1342

00:53:01,510 --> 00:53:00,720

what is taking place

1343

00:53:03,990 --> 00:53:01,520

well

1344

00:53:08,309 --> 00:53:04,000

don't watch the news

1345

00:53:14,790 --> 00:53:11,990

strengthen and trust your intuition

1346

00:53:16,230 --> 00:53:14,800

listen to the little voice that's inside

1347

00:53:17,990 --> 00:53:16,240

of you

1348

00:53:19,430 --> 00:53:18,000

the one that

1349

00:53:21,910 --> 00:53:19,440

you've told the

1350

00:53:23,510 --> 00:53:21,920

f off and go away for so many years some

1351

00:53:25,670 --> 00:53:23,520

of us have like me

1352

00:53:26,950 --> 00:53:25,680

but listen to that little voice that's

1353

00:53:28,470 --> 00:53:26,960

in there

1354

00:53:29,910 --> 00:53:28,480

we all have

1355

00:53:32,150 --> 00:53:29,920

messengers

1356

00:53:33,589 --> 00:53:32,160

that work for each other us

1357

00:53:34,790 --> 00:53:33,599

some people have two they're like

1358

00:53:37,109 --> 00:53:34,800

guardians

1359

00:53:39,510 --> 00:53:37,119

you can use your higher self or that

1360

00:53:41,589 --> 00:53:39,520

little voice to go off into the future

1361

00:53:44,470 --> 00:53:41,599

and look at the situation for you

1362

00:53:46,549 --> 00:53:44,480

and bring you back the answer of whether

1363

00:53:47,829 --> 00:53:46,559

is it a good decision or is it a bad

1364

00:53:49,750 --> 00:53:47,839

decision

1365

00:53:51,589 --> 00:53:49,760

and if you listen to it

1366

00:53:54,549 --> 00:53:51,599

that will help your life move forward in

1367

00:53:56,069 --> 00:53:54,559

a positive manner with less friction

1368

00:53:57,829 --> 00:53:56,079

and that will help bring in more

1369

00:53:59,670 --> 00:53:57,839

enlightenment which will change your

1370

00:54:00,950 --> 00:53:59,680

vibration of who you are

1371

00:54:02,630 --> 00:54:00,960

and and

1372

00:54:04,230 --> 00:54:02,640

it's like going down going down the

1373

00:54:07,510 --> 00:54:04,240

street and hitting all green lights

1374

00:54:08,710 --> 00:54:07,520

versus red yellows and car accidents

1375

00:54:09,670 --> 00:54:08,720

that

1376  
00:54:10,790 --> 00:54:09,680  
is

1377  
00:54:12,950 --> 00:54:10,800  
part of my

1378  
00:54:14,950 --> 00:54:12,960  
message for the main part

1379  
00:54:17,670 --> 00:54:14,960  
for people to get on that

1380  
00:54:19,430 --> 00:54:17,680  
path and live that one

1381  
00:54:20,950 --> 00:54:19,440  
it's amazing you can walk in a room and

1382  
00:54:23,109 --> 00:54:20,960  
change the whole room have you ever

1383  
00:54:25,430 --> 00:54:23,119  
noticed that somebody's really of a bad

1384  
00:54:28,069 --> 00:54:25,440  
vibration and they come in the house and

1385  
00:54:29,670 --> 00:54:28,079  
pretty soon but dogs are barking the

1386  
00:54:31,430 --> 00:54:29,680  
cats are fighting and

1387  
00:54:34,069 --> 00:54:31,440  
everything's gone wrong in the house

1388  
00:54:37,190 --> 00:54:34,079

because the vibration of that one person

1389

00:54:39,190 --> 00:54:37,200

that came into the house

1390

00:54:40,789 --> 00:54:39,200

and it's the same thing with positive

1391

00:54:42,710 --> 00:54:40,799

vibration

1392

00:54:44,950 --> 00:54:42,720

you know you can learn to alchemize

1393

00:54:47,510 --> 00:54:44,960

things once you see it and witness it

1394

00:54:49,030 --> 00:54:47,520

yourself you strengthen that and you use

1395

00:54:51,030 --> 00:54:49,040

that ability

1396

00:54:54,150 --> 00:54:51,040

in in my book you remember the story

1397

00:54:56,150 --> 00:54:54,160

about the apple and the girl um

1398

00:54:58,630 --> 00:54:56,160

there's a prime example of me wanted to

1399

00:55:01,510 --> 00:54:58,640

change the vibration of something i got

1400

00:55:03,990 --> 00:55:01,520

much more out of it

1401  
00:55:06,150 --> 00:55:04,000  
and and brent for listeners who are not

1402  
00:55:07,910 --> 00:55:06,160  
familiar with you and this is their

1403  
00:55:09,910 --> 00:55:07,920  
first time hearing you and your

1404  
00:55:12,390 --> 00:55:09,920  
experiences and so on

1405  
00:55:14,789 --> 00:55:12,400  
could you give us any websites or where

1406  
00:55:17,190 --> 00:55:14,799  
where they can purchase your book and

1407  
00:55:21,270 --> 00:55:17,200  
get in contact with you

1408  
00:55:24,069 --> 00:55:21,280  
yes um thank you um brent boldman is my

1409  
00:55:27,270 --> 00:55:24,079  
name i have a brimbleman.com or on

1410  
00:55:29,190 --> 00:55:27,280

00:55:30,950 --> 00:55:29,200  
your galactic family and beyond you can

1412  
00:55:35,829 --> 00:55:30,960  
find that book there

1413  
00:55:41,829 --> 00:55:38,789

i wrote that from the perspective that i

1414

00:55:44,150 --> 00:55:41,839

want it to touch everybody

1415

00:55:46,069 --> 00:55:44,160

at least one or two or three or four of

1416

00:55:47,349 --> 00:55:46,079

the chapters to realize they're not

1417

00:55:48,950 --> 00:55:47,359

alone

1418

00:55:51,510 --> 00:55:48,960

there's other people out there who have

1419

00:55:53,510 --> 00:55:51,520

had the same experience

1420

00:55:56,069 --> 00:55:53,520

come together

1421

00:55:57,589 --> 00:55:56,079

we we have strength in numbers and we're

1422

00:55:58,789 --> 00:55:57,599

going to change this world and create a

1423

00:55:59,470 --> 00:55:58,799

new world

1424

00:56:01,990 --> 00:55:59,480

so

1425

00:56:03,430 --> 00:56:02,000

brentwoodman.com you can find it there b

1426

00:56:07,670 --> 00:56:03,440

r e n t

1427

00:56:10,549 --> 00:56:07,680

b o a t like a book and a man dot com

1428

and you could see me

1431

00:56:18,710 --> 00:56:15,440

talking

1432

00:56:20,950 --> 00:56:18,720

to a ufo and it responding back with a

1433

00:56:24,470 --> 00:56:20,960

light

1434

00:56:26,549 --> 00:56:24,480

it flashes back to my questions

1435

00:56:29,270 --> 00:56:26,559

and on the back page

1436

00:56:30,630 --> 00:56:29,280

there's another you a couple other ufos

1437

00:56:33,190 --> 00:56:30,640

that

1438

00:56:37,910 --> 00:56:33,200

i need to share this real quick

1439

00:56:41,430 --> 00:56:37,920

uh in the ufo in bellingham i was asleep

1440

00:56:43,190 --> 00:56:41,440

and i i had a download during my sleep i

1441

00:56:45,510 --> 00:56:43,200

said now brent when you wake up we want

1442

00:56:48,069 --> 00:56:45,520

you to go to the balcony and look over

1443

00:56:51,109 --> 00:56:48,079

uh the water and see the big beautiful

1444

00:56:53,670 --> 00:56:51,119

ship that you were just on and i go okay

1445

00:56:55,349 --> 00:56:53,680

i woke up i went to the balcony

1446

00:56:56,710 --> 00:56:55,359

i grabbed my camera

1447

00:56:59,589 --> 00:56:56,720

and i'm filming

1448

00:57:01,270 --> 00:56:59,599

this monster ship in the sky right out

1449

00:57:03,430 --> 00:57:01,280

over the water

1450

00:57:04,549 --> 00:57:03,440

at 4 30 in the morning and then a big

1451

00:57:08,549 --> 00:57:04,559

big

1452

00:57:11,270 --> 00:57:08,559

almost like a planet of a ship came in

1453

00:57:13,190 --> 00:57:11,280

it's yeah it's boring it's the

1454

00:57:15,750 --> 00:57:13,200

purple flash of electricity and in the

1455

00:57:17,829 --> 00:57:15,760

center there's a circle of a monster

1456

00:57:19,510 --> 00:57:17,839

ship facing in

1457

00:57:21,750 --> 00:57:19,520

and that was a that was the one on the

1458

00:57:25,190 --> 00:57:21,760

lawn it was about 40 football fields in

1459

00:57:27,349 --> 00:57:25,200

width and in in height it was huge it

1460

00:57:29,270 --> 00:57:27,359

was so huge

1461

00:57:31,190 --> 00:57:29,280

and they said to me we will be back

1462

00:57:32,710 --> 00:57:31,200

tomorrow too when i go okay and i filmed

1463

00:57:34,390 --> 00:57:32,720

it again the next day

1464

00:57:36,630 --> 00:57:34,400

flying overhead saying goodbye so we're

1465

00:57:38,230 --> 00:57:36,640

saying goodbye and it flew right over my

1466

00:57:39,190 --> 00:57:38,240

head and said goodbye and left the solar

1467

00:57:43,910 --> 00:57:39,200

system

1468

00:57:45,670 --> 00:57:43,920

so cool i know yeah it's way cool and

1469

00:57:47,589 --> 00:57:45,680

i just kind of took the time to do my

1470

00:57:49,910 --> 00:57:47,599

due diligence and find out who i am and

1471

00:57:51,750 --> 00:57:49,920

i uncovered it and i was able to connect

1472

00:57:54,390 --> 00:57:51,760

it to where i'm at

1473

00:57:56,710 --> 00:57:54,400

everybody can do that too and end up in

1474

00:57:58,789 --> 00:57:56,720

the same spot

1475

00:58:00,870 --> 00:57:58,799

1476

00:58:03,270 --> 00:58:00,880

1481

00:58:12,470 --> 00:58:11,200

least for me in my life so that's very

1482

00:58:13,589 --> 00:58:12,480

synchronistic

1483

00:58:16,150 --> 00:58:13,599

to experience the ufos and them coming

1497

00:58:50,549 --> 00:58:49,200

out on on demand you know it's almost

1498

00:58:52,390 --> 00:58:50,559

what i was going to call my book my

1499

00:58:53,190 --> 00:58:52,400

course is called ufo on the man by the

1500

00:58:56,309 --> 00:58:53,200

way

um you can find that too

1502

00:59:00,069 --> 00:58:59,040

but yes thank you so much blessings to

1503

00:59:02,870 --> 00:59:00,079

that hears this message in this podcast

1505

00:59:07,109 --> 00:59:04,480

you're not alone

1506

00:59:08,789 --> 00:59:07,119

1507

00:59:11,829 --> 00:59:08,799

thank you

1510

00:59:19,670 --> 00:59:17,520

guys what a guest what a podcast what a

1511

00:59:22,230 --> 00:59:19,680

message what truth

1512

00:59:24,309 --> 00:59:22,240

brent boatman definitely go to

1513

00:59:27,030 --> 00:59:24,319

brentboatman.com

1514

00:59:27,910 --> 00:59:27,040

see what you can see there and

1515

00:59:30,309 --> 00:59:27,920

uh

1516

00:59:33,030 --> 00:59:30,319

on a personal message i happen to

1517

00:59:34,630 --> 00:59:33,040

experience this at a time much like i

1518

00:59:36,150 --> 00:59:34,640

maybe insinuated

1519

00:59:38,390 --> 00:59:36,160

it seemed like this

1520

00:59:40,390 --> 00:59:38,400

his message this book everything kind of

1521

00:59:44,309 --> 00:59:40,400

happened at a time in my life when i

1522

00:59:46,630 --> 00:59:44,319

needed to hear it and as many conspiracy

1523

00:59:49,670 --> 00:59:46,640

minded individuals think there is no

1524

00:59:52,150 --> 00:59:49,680

such thing as a coincidence so i'm gonna

1525

00:59:54,069 --> 00:59:52,160

go with uh brent's recommendation and

1526

00:59:56,470 --> 00:59:54,079

look into this i think everyone else

1527

00:59:58,789 --> 00:59:56,480

should too and until next time keep your

1528

01:00:08,900 --> 00:59:58,799

eyes to the skies feet on the ground but

1529

01:00:08,910 --> 01:00:27,030

[Music]

1530

01:00:32,430 --> 01:00:29,910

come blast off in my time machine third
