

Richard D Lewis

The Paranormal Christian

1
00:00:02,720 --> 00:00:11,170

hey

2
00:00:38,709 --> 00:00:29,960

[Music]

3
00:00:44,630 --> 00:00:41,990

blast off on another epic episode of

4
00:00:47,510 --> 00:00:44,640

hero paranormal podcast the hyper

5
00:00:49,910 --> 00:00:47,520

anomalous esoteric research organization

6
00:00:52,389 --> 00:00:49,920

is bringing it today broadcasting from

7
00:00:55,670 --> 00:00:52,399

the base at la madre mountain just south

8
00:00:58,150 --> 00:00:55,680

of area 51. my name is ryan the original

9
00:00:59,670 --> 00:00:58,160

outlaw of the airwaves bringing you an

10
00:01:02,229 --> 00:00:59,680

unbelievably

11
00:01:05,429 --> 00:01:02,239

amazing episode today

12
00:01:06,390 --> 00:01:05,439

today we have none other than richard d

13
00:01:09,109 --> 00:01:06,400

lewis

14

00:01:11,510 --> 00:01:09,119

author journalist explorer

15

00:01:13,750 --> 00:01:11,520

richard is an author a journalist and a

16

00:01:16,710 --> 00:01:13,760

veteran of the u.s air force where he

17

00:01:19,190 --> 00:01:16,720

began his career in broadcasting creator

18

00:01:22,310 --> 00:01:19,200

of the award-winning pentagon channel tv

19

00:01:23,270 --> 00:01:22,320

news magazine air force space today he

20

00:01:25,590 --> 00:01:23,280

has won

21

00:01:27,670 --> 00:01:25,600

multiple telly and thomas jefferson

22

00:01:30,069 --> 00:01:27,680

awards

23

00:01:32,870 --> 00:01:30,079

you'll discover a lot

24

00:01:34,789 --> 00:01:32,880

by what mr lewis has to share he is a

25

00:01:36,870 --> 00:01:34,799

graduate of the defense information

26

00:01:38,469 --> 00:01:36,880

school's writing broadcast and public

27

00:01:41,190 --> 00:01:38,479

affairs program

28

00:01:43,270 --> 00:01:41,200

he has published bylines and or tv clips

29

00:01:46,389 --> 00:01:43,280

in black belt magazine

30

00:01:49,030 --> 00:01:46,399

film link fangoria rocket magazine geek

31

00:01:51,670 --> 00:01:49,040

monthly p3 production update campus

32

00:01:53,670 --> 00:01:51,680

circle astro news

33

00:01:56,950 --> 00:01:53,680

air force dot mil

34

00:01:59,190 --> 00:01:56,960

and it just goes on and on

35

00:02:02,069 --> 00:01:59,200

the pentagon channel millsight magazine

36

00:02:04,950 --> 00:02:02,079

santa maria times and the lamp record

37

00:02:07,350 --> 00:02:04,960

richard is also a published songwriter

38

00:02:09,990 --> 00:02:07,360

on asuka's nine tongues lp writing

39

00:02:12,150 --> 00:02:10,000

lyrics of the acclaimed single the dream

40

00:02:14,790 --> 00:02:12,160

and he wrote screenplay treatments for

41

00:02:17,190 --> 00:02:14,800

jeff nichols of black sabbath pitched to

42

00:02:19,830 --> 00:02:17,200

the horror channel in england richard is

43

00:02:22,949 --> 00:02:19,840

also creator of the award-winning

44

00:02:24,790 --> 00:02:22,959

pentagon tv channel news magazine air

45

00:02:28,150 --> 00:02:24,800

force base today

46

00:02:30,309 --> 00:02:28,160

and author of the paranormal christian

47

00:02:33,910 --> 00:02:30,319

two books in fact

48

00:02:34,830 --> 00:02:33,920

this is going to be an absolutely epic

49

00:02:37,430 --> 00:02:34,840

epic

50

00:02:40,550 --> 00:02:37,440

episode the

51
00:02:44,070 --> 00:02:40,560
paranormal christian delves into a lot

52
00:02:45,589 --> 00:02:44,080
of deep deep paranormal

53
00:02:47,430 --> 00:02:45,599
mysteries

54
00:02:49,750 --> 00:02:47,440
i have so many questions

55
00:02:52,150 --> 00:02:49,760
i've wanted to talk to richard for quite

56
00:02:54,470 --> 00:02:52,160
some time his paranormal christian

57
00:02:58,229 --> 00:02:54,480
series book one the calling

58
00:03:01,030 --> 00:02:58,239
is an absolutely amazing book which asks

59
00:03:03,509 --> 00:03:01,040
can a christian be possessed do angels

60
00:03:06,309 --> 00:03:03,519
and demons dwell among us and are they

61
00:03:08,470 --> 00:03:06,319
engaged in spiritual warfare

62
00:03:11,030 --> 00:03:08,480
book two the quickening

63
00:03:14,070 --> 00:03:11,040

is also in the paranormal christian

64

00:03:16,550 --> 00:03:14,080

series and it goes into faith in god and

65

00:03:19,110 --> 00:03:16,560

belief in the supernatural and that they

66

00:03:21,509 --> 00:03:19,120

go hand in hand it's time to bring the

67

00:03:25,190 --> 00:03:21,519

paranormal back into the light

68

00:03:28,470 --> 00:03:25,200

with author richard d lewis welcome to

69

00:03:29,910 --> 00:03:28,480

the hero paranormal podcast hi ryan

70

00:03:32,789 --> 00:03:29,920

thanks for having me

71

00:03:34,949 --> 00:03:32,799

it's it's a pleasure and an honor i'm so

72

00:03:36,710 --> 00:03:34,959

excited to talk to you you have all the

73

00:03:39,110 --> 00:03:36,720

credentials necessary and more

74

00:03:41,670 --> 00:03:39,120

importantly the belief and faith system

75

00:03:43,270 --> 00:03:41,680

necessary to go into some areas that a

76

00:03:44,229 --> 00:03:43,280

lot of people just aren't willing to go

77

00:03:47,030 --> 00:03:44,239

into

78

00:03:49,350 --> 00:03:47,040

um you're a veteran uh an author a

79

00:03:51,589 --> 00:03:49,360

journalist let's let's start there and

80

00:03:53,190 --> 00:03:51,599

kind of give our listeners um an idea

81

00:03:55,589 --> 00:03:53,200

where you came from

82

00:03:59,990 --> 00:03:55,599

and how this set the foundation

83

00:04:03,910 --> 00:04:02,229

sure thing ryan well i gotta say that i

84

00:04:05,750 --> 00:04:03,920

didn't start out

85

00:04:07,270 --> 00:04:05,760

looking for the paranormal it's more

86

00:04:09,110 --> 00:04:07,280

like the paranormal

87

00:04:11,589 --> 00:04:09,120

came looking for me

88

00:04:13,589 --> 00:04:11,599

and um by the way i used the word

89

00:04:14,949 --> 00:04:13,599

paranormal but

90

00:04:16,629 --> 00:04:14,959

and we you know we love it i've always

91

00:04:18,629 --> 00:04:16,639

been interested in the paranormal it's

92

00:04:20,789 --> 00:04:18,639

always all these things the mysteries of

93

00:04:23,510 --> 00:04:20,799

the unknown but it also ties into my

94

00:04:25,670 --> 00:04:23,520

faith life uh being a christian and a

95

00:04:28,070 --> 00:04:25,680

lot of people in the church are a little

96

00:04:29,430 --> 00:04:28,080

bit nervous about this topic but really

97

00:04:31,430 --> 00:04:29,440

the word paranormal simply means

98

00:04:32,550 --> 00:04:31,440

supernatural and if you're a christian

99

00:04:34,390 --> 00:04:32,560

you look at the bible it's a

100

00:04:35,430 --> 00:04:34,400

supernatural testament

101

00:04:37,430 --> 00:04:35,440

so

102

00:04:39,830 --> 00:04:37,440

i guess it's kind of a dual-hatted

103

00:04:41,430 --> 00:04:39,840

interest i had the the paranormal side

104

00:04:42,390 --> 00:04:41,440

but then the thing i started to notice

105

00:04:43,990 --> 00:04:42,400

was really

106

00:04:46,469 --> 00:04:44,000

there's nothing

107

00:04:47,830 --> 00:04:46,479

uh contrary to the faith about being

108

00:04:50,550 --> 00:04:47,840

interested in the paranormal because the

109

00:04:52,950 --> 00:04:50,560

faith is paranormal so

110

00:04:56,150 --> 00:04:52,960

but for me my first real paranormal

111

00:04:59,110 --> 00:04:56,160

experience was noticing a voice speaking

112

00:05:00,550 --> 00:04:59,120

to me and uh you know not

113

00:05:02,469 --> 00:05:00,560

you know like

114

00:05:03,990 --> 00:05:02,479

it's voices

115

00:05:06,390 --> 00:05:04,000

to make people you know because you know

116

00:05:07,909 --> 00:05:06,400

they're real mental illness type things

117

00:05:10,070 --> 00:05:07,919

that a person can have voices telling

118

00:05:12,469 --> 00:05:10,080

them things but no this is more like a

119

00:05:13,590 --> 00:05:12,479

soft you know reassuring

120

00:05:16,150 --> 00:05:13,600

voice

121

00:05:17,990 --> 00:05:16,160

you know as from childhood even before i

122

00:05:20,469 --> 00:05:18,000

had a formal understanding of religion

123

00:05:23,270 --> 00:05:20,479

or faith there was this presence there

124

00:05:25,189 --> 00:05:23,280

this this this knowing and

125

00:05:26,629 --> 00:05:25,199

it actually saved my life i go into this

126
00:05:28,310 --> 00:05:26,639
in my first book the paranormal

127
00:05:31,510 --> 00:05:28,320
christian book one

128
00:05:35,110 --> 00:05:31,520
and i talk about the voice and it i was

129
00:05:37,110 --> 00:05:35,120
abducted as a child um not by aliens by

130
00:05:38,710 --> 00:05:37,120
the way i know paranormal

131
00:05:41,189 --> 00:05:38,720
folks might think when you say abduction

132
00:05:43,350 --> 00:05:41,199
you mean aliens but this was by you know

133
00:05:45,990 --> 00:05:43,360
by humans and i won't go into the full

134
00:05:47,510 --> 00:05:46,000
details of the story but basically

135
00:05:49,430 --> 00:05:47,520
it could have ended very badly for me i

136
00:05:51,670 --> 00:05:49,440
was just a young child

137
00:05:53,590 --> 00:05:51,680
and i was taken down the railroad tracks

138
00:05:54,870 --> 00:05:53,600

when i was walking to my my grandma's

139

00:05:57,270 --> 00:05:54,880

house

140

00:05:59,990 --> 00:05:57,280

after school one one afternoon and a

141

00:06:01,670 --> 00:06:00,000

teenage boy

142

00:06:04,629 --> 00:06:01,680

abducted me took me

143

00:06:06,629 --> 00:06:04,639

to this dilapidated shack along with an

144

00:06:08,390 --> 00:06:06,639

older man who was there and the two of

145

00:06:10,710 --> 00:06:08,400

them had me there in the shack for a

146

00:06:12,710 --> 00:06:10,720

while they were about to tie me up

147

00:06:15,990 --> 00:06:12,720

and when they set me down and were about

148

00:06:17,110 --> 00:06:16,000

to wrap the ropes the rope around my my

149

00:06:19,510 --> 00:06:17,120

wrists

150

00:06:21,830 --> 00:06:19,520

they there was a voice that said run now

151

00:06:23,670 --> 00:06:21,840

it was as clear as day and i jumped up

152

00:06:25,590 --> 00:06:23,680

it was a split second between when their

153

00:06:27,270 --> 00:06:25,600

hands kind of released for a moment as

154

00:06:30,150 --> 00:06:27,280

they were trying to tie me

155

00:06:31,670 --> 00:06:30,160

and i burst out of that shack and into

156

00:06:33,510 --> 00:06:31,680

the sunlight

157

00:06:34,950 --> 00:06:33,520

up the hillside to the railroad tracks

158

00:06:36,790 --> 00:06:34,960

all the way down

159

00:06:38,710 --> 00:06:36,800

to pine street and then crossing east

160

00:06:41,029 --> 00:06:38,720

market street to where my my grandmother

161

00:06:43,029 --> 00:06:41,039

lived there in greensboro north carolina

162

00:06:44,870 --> 00:06:43,039

and into my uh my grandma's welcoming

163

00:06:46,870 --> 00:06:44,880

arms and both my grandma and my aunt

164

00:06:48,469 --> 00:06:46,880

were outside because i had been i was

165

00:06:50,070 --> 00:06:48,479

late and they were looking for me

166

00:06:50,950 --> 00:06:50,080

wondering where i was and

167

00:06:53,029 --> 00:06:50,960

um

168

00:06:55,029 --> 00:06:53,039

you know so they i mean

169

00:06:57,749 --> 00:06:55,039

as i recall they called the police and

170

00:06:59,990 --> 00:06:57,759

the police found the shack but those

171

00:07:01,990 --> 00:07:00,000

those two uh two characters that

172

00:07:03,749 --> 00:07:02,000

abducted me were gone

173

00:07:05,110 --> 00:07:03,759

i'm sure they probably

174

00:07:06,469 --> 00:07:05,120

figured that something you know since i

175

00:07:08,870 --> 00:07:06,479

got away that

176

00:07:10,230 --> 00:07:08,880

something might be coming and uh

177

00:07:12,390 --> 00:07:10,240

i don't know whatever happened with them

178

00:07:13,990 --> 00:07:12,400

but i know that that for me i'm so

179

00:07:16,790 --> 00:07:14,000

grateful because

180

00:07:19,430 --> 00:07:16,800

um as i understand god that was god that

181

00:07:22,150 --> 00:07:19,440

saved my life so that was my first kind

182

00:07:23,749 --> 00:07:22,160

of awakening really into there being

183

00:07:25,670 --> 00:07:23,759

something more than than what we see

184

00:07:27,430 --> 00:07:25,680

with our eyes in this physical

185

00:07:30,790 --> 00:07:27,440

experience

186

00:07:32,790 --> 00:07:30,800

richard that is that is a very very

187

00:07:33,830 --> 00:07:32,800

amazing story and

188

00:07:36,070 --> 00:07:33,840

you know

189

00:07:37,830 --> 00:07:36,080

i i can't agree more

190

00:07:40,150 --> 00:07:37,840

that uh

191

00:07:42,790 --> 00:07:40,160

a higher power or the silence center of

192

00:07:46,309 --> 00:07:42,800

all things has a still small voice

193

00:07:48,710 --> 00:07:46,319

and i think it's revelations 21 1-7 that

194

00:07:50,950 --> 00:07:48,720

that says and i heard a loud voice from

195

00:07:51,670 --> 00:07:50,960

the throne say and it goes on

196

00:07:55,189 --> 00:07:51,680

the

197

00:07:56,710 --> 00:07:55,199

amazing thing with you richard is that

198

00:07:58,710 --> 00:07:56,720

you and i agree

199

00:08:01,029 --> 00:07:58,720

that and a lot of people are not willing

200

00:08:03,430 --> 00:08:01,039

to uh talk about this

201
00:08:05,589 --> 00:08:03,440
that faith in god and the belief in the

202
00:08:07,510 --> 00:08:05,599
supernatural go hand in hand and those

203
00:08:08,230 --> 00:08:07,520
are your words and

204
00:08:12,869 --> 00:08:08,240
i

205
00:08:13,990 --> 00:08:12,879
and

206
00:08:18,230 --> 00:08:14,000
it is

207
00:08:21,029 --> 00:08:18,240
not not to say that there isn't uh

208
00:08:22,869 --> 00:08:21,039
a lot of nefarious malevolent

209
00:08:24,390 --> 00:08:22,879
supernatural

210
00:08:25,990 --> 00:08:24,400
things going on

211
00:08:27,909 --> 00:08:26,000
however i do believe that the

212
00:08:30,469 --> 00:08:27,919
all-powerful has

213
00:08:32,310 --> 00:08:30,479

all power um

214

00:08:34,389 --> 00:08:32,320

you've had quite the exploration through

215

00:08:35,909 --> 00:08:34,399

life into the paranormal

216

00:08:38,149 --> 00:08:35,919

how uh

217

00:08:42,709 --> 00:08:38,159

how how did you get started along this

218

00:08:47,509 --> 00:08:44,550

well the thing is like i said i've uh

219

00:08:49,590 --> 00:08:47,519

i'm a lifelong long christian i had an

220

00:08:51,670 --> 00:08:49,600

experience and a knowingness of god

221

00:08:53,910 --> 00:08:51,680

before anybody really defined what it

222

00:08:55,829 --> 00:08:53,920

was for me and through through religion

223

00:08:59,030 --> 00:08:55,839

we're able to study

224

00:09:02,470 --> 00:08:59,040

uh what the traditions say and what um

225

00:09:04,230 --> 00:09:02,480

you know our this describes and and the

226

00:09:06,949 --> 00:09:04,240

the faith leaders throughout the years

227

00:09:09,269 --> 00:09:06,959

have have figured out and written down

228

00:09:11,110 --> 00:09:09,279

for our knowledge uh but it all comes

229

00:09:12,389 --> 00:09:11,120

from an actual genuine

230

00:09:14,070 --> 00:09:12,399

experience

231

00:09:16,070 --> 00:09:14,080

so but the thing i was getting a bit

232

00:09:19,190 --> 00:09:16,080

disenfranchised was if

233

00:09:21,350 --> 00:09:19,200

you go outside the realm of of what's

234

00:09:23,590 --> 00:09:21,360

revealed with the what if questions you

235

00:09:25,350 --> 00:09:23,600

know like for example

236

00:09:26,630 --> 00:09:25,360

what about ghosts

237

00:09:28,630 --> 00:09:26,640

and

238

00:09:29,590 --> 00:09:28,640

you know the testament of scripture to

239

00:09:31,430 --> 00:09:29,600

me

240

00:09:33,750 --> 00:09:31,440

reveals that

241

00:09:35,750 --> 00:09:33,760

ghosts are are definitely a possibility

242

00:09:36,790 --> 00:09:35,760

and the church doesn't say there aren't

243

00:09:39,190 --> 00:09:36,800

ghosts

244

00:09:40,790 --> 00:09:39,200

uh in fact the the way the the catholic

245

00:09:42,230 --> 00:09:40,800

church for example

246

00:09:44,389 --> 00:09:42,240

looks at ghosts as they they believe

247

00:09:46,870 --> 00:09:44,399

that these are the spirits that are uh

248

00:09:48,870 --> 00:09:46,880

in purgatory that we're experiencing

249

00:09:50,389 --> 00:09:48,880

and uh and you know they're one of the

250

00:09:53,670 --> 00:09:50,399

the few faith groups that actually talks

251

00:09:55,030 --> 00:09:53,680

directly about it a lot of a lot of uh

252

00:09:55,990 --> 00:09:55,040

churches just don't want to get into it

253

00:10:00,230 --> 00:09:56,000

or

254

00:10:01,910 --> 00:10:00,240

just take a pat answer and say well it's

255

00:10:03,990 --> 00:10:01,920

all demons and

256

00:10:06,310 --> 00:10:04,000

you know i think it's more nuanced and

257

00:10:08,389 --> 00:10:06,320

more subtle than that and so you can say

258

00:10:10,870 --> 00:10:08,399

there's no such thing as ghosts or which

259

00:10:13,269 --> 00:10:10,880

is what i always used to hear as a kid

260

00:10:15,190 --> 00:10:13,279

but then all your all your

261

00:10:17,190 --> 00:10:15,200

family get togethers and stories

262

00:10:18,790 --> 00:10:17,200

invariably turn to these

263

00:10:20,550 --> 00:10:18,800

to these experiences if you bring the

264

00:10:22,389 --> 00:10:20,560

topic up suddenly people start talking

265

00:10:23,910 --> 00:10:22,399

well yeah we lived in this house you

266

00:10:26,470 --> 00:10:23,920

know we heard things

267

00:10:27,990 --> 00:10:26,480

we we felt things stuff like that and

268

00:10:30,790 --> 00:10:28,000

then to the point where you actually

269

00:10:32,790 --> 00:10:30,800

actually see something and experience it

270

00:10:34,310 --> 00:10:32,800

directly then you want to start asking

271

00:10:35,829 --> 00:10:34,320

questions so i was one of those people

272

00:10:37,509 --> 00:10:35,839

that was asking questions and i noticed

273

00:10:39,350 --> 00:10:37,519

that a lot of fellow christians were

274

00:10:41,509 --> 00:10:39,360

asking questions and a lot of times the

275

00:10:42,949 --> 00:10:41,519

church was reticent to answer well i

276

00:10:45,269 --> 00:10:42,959

didn't want to believe that the church

277

00:10:48,790 --> 00:10:45,279

didn't have an answer for these

278

00:10:50,470 --> 00:10:48,800

questions so i began to study

279

00:10:52,150 --> 00:10:50,480

i looked at what the scriptures say i

280

00:10:54,710 --> 00:10:52,160

talked to folks i interviewed people and

281

00:10:55,910 --> 00:10:54,720

i looked at the example of uh that they

282

00:10:58,230 --> 00:10:55,920

you know the

283

00:11:00,470 --> 00:10:58,240

tremendous weight of witness testimony

284

00:11:02,389 --> 00:11:00,480

over the years both with known cases and

285

00:11:03,350 --> 00:11:02,399

then what i was able to uncover myself

286

00:11:05,110 --> 00:11:03,360

to see

287

00:11:08,310 --> 00:11:05,120

this is a true human experience and it

288

00:11:10,389 --> 00:11:08,320

crosses all cultures and uh all time and

289

00:11:12,150 --> 00:11:10,399

all religions and faiths so

290

00:11:14,550 --> 00:11:12,160

ghosts seem to be something that's going

291

00:11:16,630 --> 00:11:14,560

on but if you look at the bible

292

00:11:17,829 --> 00:11:16,640

the the bible isn't contrary to ghosts

293

00:11:19,430 --> 00:11:17,839

for example

294

00:11:23,430 --> 00:11:19,440

um

295

00:11:25,509 --> 00:11:23,440

jesus disciples

296

00:11:26,949 --> 00:11:25,519

when jesus walked on the water this is a

297

00:11:31,350 --> 00:11:26,959

this is a story that we get in the

298

00:11:32,949 --> 00:11:31,360

scriptures matthew 14 and 26 for example

299

00:11:35,509 --> 00:11:32,959

and in the fourth watch of the night he

300

00:11:37,269 --> 00:11:35,519

came to them walking on the sea but when

301
00:11:39,030 --> 00:11:37,279
the disciples saw him walking on the sea

302
00:11:42,470 --> 00:11:39,040
they were terrified and said

303
00:11:43,990 --> 00:11:42,480
it is a ghost and they cried out in fear

304
00:11:45,829 --> 00:11:44,000
but immediately jesus spoke to them

305
00:11:47,190 --> 00:11:45,839
saying take heart it is i do not be

306
00:11:48,389 --> 00:11:47,200
afraid

307
00:11:50,470 --> 00:11:48,399
now if there were no such thing as

308
00:11:51,829 --> 00:11:50,480
ghosts right then and there jesus could

309
00:11:53,030 --> 00:11:51,839
have debunked the whole thing and said

310
00:11:54,310 --> 00:11:53,040
hey guys

311
00:11:55,269 --> 00:11:54,320
come on you know there's no such thing

312
00:11:57,750 --> 00:11:55,279
as ghosts

313
00:11:58,949 --> 00:11:57,760

check it out it's me but no he said

314

00:11:59,910 --> 00:11:58,959

he said

315

00:12:02,310 --> 00:11:59,920

um

316

00:12:03,910 --> 00:12:02,320

you know he said it is i you don't have

317

00:12:06,310 --> 00:12:03,920

to be afraid but they said it was a

318

00:12:08,870 --> 00:12:06,320

ghost so that right there implies

319

00:12:10,470 --> 00:12:08,880

at least i mean it's implicit that they

320

00:12:12,550 --> 00:12:10,480

that they there must have been a belief

321

00:12:13,670 --> 00:12:12,560

in ghosts because that's what they

322

00:12:15,190 --> 00:12:13,680

thought he was

323

00:12:17,190 --> 00:12:15,200

and then later on in the scriptures we

324

00:12:19,350 --> 00:12:17,200

find out um

325

00:12:20,389 --> 00:12:19,360

at the resurrection which is by the way

326

00:12:24,470 --> 00:12:20,399

the most

327

00:12:25,910 --> 00:12:24,480

paranormal supernatural slash event in

328

00:12:27,030 --> 00:12:25,920

all of recorded history i'm not sure

329

00:12:28,389 --> 00:12:27,040

what else is

330

00:12:29,829 --> 00:12:28,399

you know i look at the shroud of turin

331

00:12:30,629 --> 00:12:29,839

and we could do a whole show just on

332

00:12:35,750 --> 00:12:30,639

that

333

00:12:38,150 --> 00:12:35,760

once again they thought he was a ghost

334

00:12:39,110 --> 00:12:38,160

um and the scriptures talk about this in

335

00:12:40,550 --> 00:12:39,120

luke

336

00:12:41,590 --> 00:12:40,560

chapter 24

337

00:12:43,829 --> 00:12:41,600

and

338

00:12:46,150 --> 00:12:43,839

while they were still talking about this

339

00:12:48,230 --> 00:12:46,160

jesus himself stood among them and they

340

00:12:49,030 --> 00:12:48,240

said and he said to them peace be with

341

00:12:50,710 --> 00:12:49,040

you

342

00:12:53,110 --> 00:12:50,720

but they were startled and frightened

343

00:12:55,350 --> 00:12:53,120

thinking they saw a ghost

344

00:12:56,870 --> 00:12:55,360

he said to them why are you troubled why

345

00:12:58,870 --> 00:12:56,880

do those rise in your minds look at my

346

00:13:00,230 --> 00:12:58,880

hands and my feet it is i myself touch

347

00:13:02,550 --> 00:13:00,240

me and see

348

00:13:04,230 --> 00:13:02,560

and then jesus says a ghost does not

349

00:13:07,430 --> 00:13:04,240

have flesh and bones

350

00:13:08,949 --> 00:13:07,440

as you see i have again that's luke 24

351
00:13:11,269 --> 00:13:08,959
36-43

352
00:13:12,069 --> 00:13:11,279
he says a ghost doesn't have

353
00:13:14,949 --> 00:13:12,079
uh

354
00:13:16,150 --> 00:13:14,959
flesh and bones as you see i have

355
00:13:17,269 --> 00:13:16,160
so he doesn't say there's no such thing

356
00:13:19,030 --> 00:13:17,279
as ghosts

357
00:13:20,710 --> 00:13:19,040
he says a ghost doesn't have flesh and

358
00:13:21,829 --> 00:13:20,720
bones like me

359
00:13:23,910 --> 00:13:21,839
touch and see

360
00:13:26,310 --> 00:13:23,920
so once again

361
00:13:28,629 --> 00:13:26,320
if that doesn't uh

362
00:13:30,550 --> 00:13:28,639
surely imply i mean it definitely shows

363
00:13:31,990 --> 00:13:30,560

there was a belief in ghosts and then i

364

00:13:33,670 --> 00:13:32,000

think there's a strong implication that

365

00:13:36,150 --> 00:13:33,680

ghosts would be something real why else

366

00:13:38,230 --> 00:13:36,160

would jesus say it that way

367

00:13:40,550 --> 00:13:38,240

totally and you know it's it's

368

00:13:43,590 --> 00:13:40,560

mind-blowing the uh

369

00:13:45,670 --> 00:13:43,600

the hypothesis especially with a lot of

370

00:13:47,670 --> 00:13:45,680

um a lot of the theories and the

371

00:13:49,990 --> 00:13:47,680

publicity surrounding

372

00:13:53,030 --> 00:13:50,000

the uh hearings that are being taken

373

00:13:55,189 --> 00:13:53,040

with ufos and uaps currently i think

374

00:13:56,790 --> 00:13:55,199

it's it's really starting to hit the

375

00:13:57,590 --> 00:13:56,800

mainstream

376
00:13:58,710 --> 00:13:57,600
and

377
00:13:59,509 --> 00:13:58,720
uh

378
00:14:02,310 --> 00:13:59,519
it

379
00:14:05,509 --> 00:14:02,320
we're hearing a lot of ufologists

380
00:14:07,189 --> 00:14:05,519
and others com commenting on this

381
00:14:10,949 --> 00:14:07,199
and

382
00:14:13,629 --> 00:14:10,959
in you know there's a wide variety of

383
00:14:15,509 --> 00:14:13,639
theories and we may be dealing with a

384
00:14:18,310 --> 00:14:15,519
multi-dimensional paraphysical

385
00:14:22,389 --> 00:14:18,320
phenomenon that is largely indigenous to

386
00:14:24,949 --> 00:14:22,399
planet earth this is kind of disparaging

387
00:14:27,350 --> 00:14:24,959
because a lot of these encounters

388
00:14:29,189 --> 00:14:27,360

valet and other ufologists

389

00:14:31,829 --> 00:14:29,199

top minds in the field

390

00:14:34,069 --> 00:14:31,839

have studied the phenomenon that when

391

00:14:35,509 --> 00:14:34,079

these quote-unquote alien abductions

392

00:14:36,629 --> 00:14:35,519

take place

393

00:14:39,350 --> 00:14:36,639

when

394

00:14:41,590 --> 00:14:39,360

believers in

395

00:14:43,829 --> 00:14:41,600

a power higher than themselves yell out

396

00:14:45,110 --> 00:14:43,839

for help to christ

397

00:14:46,069 --> 00:14:45,120

or other

398

00:14:51,990 --> 00:14:46,079

other

399

00:14:55,030 --> 00:14:52,000

that these entities disappear have you

400

00:14:57,110 --> 00:14:55,040

found that in your research at all

401
00:14:59,189 --> 00:14:57,120
oh absolutely uh

402
00:15:02,069 --> 00:14:59,199
you know in the faith in the christian

403
00:15:04,069 --> 00:15:02,079
faith we're taught that um the name of

404
00:15:05,030 --> 00:15:04,079
jesus christ is the name above all other

405
00:15:07,590 --> 00:15:05,040
names

406
00:15:09,269 --> 00:15:07,600
and um you can test this out even if

407
00:15:10,389 --> 00:15:09,279
you're not a believer

408
00:15:13,030 --> 00:15:10,399
per se

409
00:15:15,030 --> 00:15:13,040
uh if you say that name in belief you're

410
00:15:16,550 --> 00:15:15,040
actually showing a form of belief that

411
00:15:19,110 --> 00:15:16,560
has power

412
00:15:21,430 --> 00:15:19,120
and um and we see that through the

413
00:15:23,990 --> 00:15:21,440

through the exorcism examples

414

00:15:25,509 --> 00:15:24,000

uh in the in the new testament um but

415

00:15:27,750 --> 00:15:25,519

you have to have a

416

00:15:29,430 --> 00:15:27,760

belief in the name and what it what it

417

00:15:32,230 --> 00:15:29,440

stands for the power that it that it

418

00:15:35,430 --> 00:15:32,240

means but yes uh to your point

419

00:15:37,430 --> 00:15:35,440

alien abductions have uh have stopped

420

00:15:39,910 --> 00:15:37,440

through people calling on the name of

421

00:15:42,629 --> 00:15:39,920

jesus in jesus name i command you to

422

00:15:43,829 --> 00:15:42,639

stop in jesus name or just jesus help me

423

00:15:45,829 --> 00:15:43,839

god help me

424

00:15:49,269 --> 00:15:45,839

and these things stop so if these were

425

00:15:50,310 --> 00:15:49,279

truly extra biological uh

426
00:15:52,550 --> 00:15:50,320
entities

427
00:15:55,269 --> 00:15:52,560
you know i mean beings like us

428
00:15:57,430 --> 00:15:55,279
from from another world somewhere then

429
00:15:58,470 --> 00:15:57,440
why would they have to pay any attention

430
00:16:01,189 --> 00:15:58,480
to

431
00:16:03,350 --> 00:16:01,199
um you know the name

432
00:16:04,870 --> 00:16:03,360
of of this

433
00:16:07,269 --> 00:16:04,880
this carpenter

434
00:16:09,189 --> 00:16:07,279
uh that lived 2000 years ago

435
00:16:10,949 --> 00:16:09,199
no that's the son of god that's and it's

436
00:16:13,590 --> 00:16:10,959
and it's real and it's across

437
00:16:16,069 --> 00:16:13,600
all time but but yes you know you talk

438
00:16:17,990 --> 00:16:16,079

about valet so even um

439

00:16:20,710 --> 00:16:18,000

you know even in the uh

440

00:16:21,990 --> 00:16:20,720

boy even in the like the uh the 1970s

441

00:16:23,430 --> 00:16:22,000

they were already figuring this this

442

00:16:26,389 --> 00:16:23,440

stuff out about the

443

00:16:27,509 --> 00:16:26,399

the uh the um

444

00:16:32,710 --> 00:16:27,519

the

445

00:16:34,790 --> 00:16:32,720

viewpoint of extraterrestrials i get

446

00:16:36,310 --> 00:16:34,800

into a lot of this uh in my and

447

00:16:38,550 --> 00:16:36,320

especially my in my second book the

448

00:16:40,470 --> 00:16:38,560

paranormal christian book two uh which

449

00:16:43,749 --> 00:16:40,480

just came out um you can get it on my

450

00:16:46,550 --> 00:16:43,759

website it's a richard d lewis author

451
00:16:49,590 --> 00:16:46,560
dot com and again paranormal christian

452
00:16:51,910 --> 00:16:49,600
book two um and i've devoted almost 20

453
00:16:56,069 --> 00:16:51,920
percent of the book just to the ufo

454
00:16:59,350 --> 00:16:56,079
problem and it is a a a multi-faceted

455
00:17:00,629 --> 00:16:59,360
multi-dimensional issue because um i'm

456
00:17:02,550 --> 00:17:00,639
not going to say that all ufo

457
00:17:04,470 --> 00:17:02,560
experiences are

458
00:17:05,750 --> 00:17:04,480
you know extra dimensional

459
00:17:07,429 --> 00:17:05,760
um

460
00:17:10,069 --> 00:17:07,439
i'm not going to say that there isn't a

461
00:17:12,470 --> 00:17:10,079
possibility of extraterrestrial you know

462
00:17:14,549 --> 00:17:12,480
biological life like us out there i mean

463
00:17:16,390 --> 00:17:14,559

i kind of like to believe that there is

464

00:17:18,150 --> 00:17:16,400

but we don't really know

465

00:17:20,870 --> 00:17:18,160

and then a lot of the things that we see

466

00:17:23,350 --> 00:17:20,880

are explainable most ufo encounters are

467

00:17:24,949 --> 00:17:23,360

explainable uaps or ufos whatever they

468

00:17:27,350 --> 00:17:24,959

want to call them these days

469

00:17:30,789 --> 00:17:27,360

i still like the classical term ufo

470

00:17:32,789 --> 00:17:30,799

because um especially if it's an actual

471

00:17:34,390 --> 00:17:32,799

object in the sky there's nothing wrong

472

00:17:36,150 --> 00:17:34,400

with saying something's unidentified

473

00:17:37,110 --> 00:17:36,160

because that's exactly what it is if you

474

00:17:38,789 --> 00:17:37,120

don't know

475

00:17:41,110 --> 00:17:38,799

and uh also you mentioned that i'm a

476

00:17:43,350 --> 00:17:41,120

veteran i'm an air force veteran and uh

477

00:17:45,909 --> 00:17:43,360

as a civilian also working for the space

478

00:17:47,990 --> 00:17:45,919

force and i've been around

479

00:17:52,230 --> 00:17:48,000

u.s

480

00:17:54,390 --> 00:17:52,240

in the air force i've seen i've

481

00:17:56,310 --> 00:17:54,400

witnessed every kind of

482

00:17:58,950 --> 00:17:56,320

you know high-tech

483

00:18:02,310 --> 00:17:58,960

uh craft in our inventory from the uh

484

00:18:04,630 --> 00:18:02,320

from the the f-117 to the b-2 bomber

485

00:18:06,310 --> 00:18:04,640

seen these these um these items up close

486

00:18:08,470 --> 00:18:06,320

i've seen them in flight

487

00:18:11,190 --> 00:18:08,480

um you know the rocket

488

00:18:14,470 --> 00:18:11,200

you from the the delta iv heavy

489

00:18:16,789 --> 00:18:14,480

um to to to the the atlas all these

490

00:18:20,390 --> 00:18:16,799

things i've seen actually fly

491

00:18:21,590 --> 00:18:20,400

i've seen with this you know with the um

492

00:18:24,310 --> 00:18:21,600

you know what the space station looks

493

00:18:25,909 --> 00:18:24,320

like in flight um at night

494

00:18:27,669 --> 00:18:25,919

um i've been staring at this at the sky

495

00:18:29,990 --> 00:18:27,679

since i was a little kid i've always

496

00:18:31,270 --> 00:18:30,000

been a stargazer i love

497

00:18:32,630 --> 00:18:31,280

you know and you just don't see these

498

00:18:34,390 --> 00:18:32,640

things very often once in a while you

499

00:18:36,630 --> 00:18:34,400

might see something that's not

500

00:18:37,830 --> 00:18:36,640

explainable well you know i think that a

501
00:18:39,110 --> 00:18:37,840
lot of the things that are actual

502
00:18:41,350 --> 00:18:39,120
verifiable

503
00:18:42,549 --> 00:18:41,360
objects are you know if it's not

504
00:18:44,549 --> 00:18:42,559
something that's already in our

505
00:18:45,909 --> 00:18:44,559
inventory that we know about perhaps

506
00:18:47,750 --> 00:18:45,919
it's something that we just don't know

507
00:18:50,070 --> 00:18:47,760
about yet that's in development

508
00:18:51,590 --> 00:18:50,080
you know um

509
00:18:53,190 --> 00:18:51,600
um you know

510
00:18:54,710 --> 00:18:53,200
ben rich of skunk works said that

511
00:18:56,070 --> 00:18:54,720
there's things

512
00:18:58,630 --> 00:18:56,080
during his time there were 50 years

513
00:19:00,070 --> 00:18:58,640

ahead of anything that we knew about

514

00:19:02,549 --> 00:19:00,080

and uh when you look at the time of

515

00:19:04,310 --> 00:19:02,559

kenneth arnold and his experience

516

00:19:06,549 --> 00:19:04,320

um seeing something that looked like

517

00:19:08,549 --> 00:19:06,559

saucers skipping across the sky which is

518

00:19:11,270 --> 00:19:08,559

where the term flying saucer comes from

519

00:19:13,350 --> 00:19:11,280

not because of a saucer shape per se

520

00:19:15,669 --> 00:19:13,360

um you know we already had flying wings

521

00:19:16,549 --> 00:19:15,679

well in in development at that point in

522

00:19:18,070 --> 00:19:16,559

time

523

00:19:19,669 --> 00:19:18,080

um so

524

00:19:22,870 --> 00:19:19,679

that's my thought is that a lot of the

525

00:19:25,190 --> 00:19:22,880

things people see are are our own

526

00:19:26,390 --> 00:19:25,200

um you know black projects that are in

527

00:19:28,150 --> 00:19:26,400

development

528

00:19:29,909 --> 00:19:28,160

and uh and that's what that is but when

529

00:19:32,789 --> 00:19:29,919

it comes to the actual

530

00:19:35,110 --> 00:19:32,799

um the contact d or abductee experience

531

00:19:36,310 --> 00:19:35,120

you see there's a commonality there that

532

00:19:38,390 --> 00:19:36,320

we found

533

00:19:40,950 --> 00:19:38,400

through the works of valet and other

534

00:19:42,789 --> 00:19:40,960

other thinkers through the years um

535

00:19:46,630 --> 00:19:42,799

you know that very

536

00:19:50,310 --> 00:19:46,640

closely matches the uh medieval tales of

537

00:19:52,950 --> 00:19:50,320

um you know uh nymphs and uh and

538

00:19:55,590 --> 00:19:52,960

succubus and incubus a common experience

539

00:19:58,310 --> 00:19:55,600

is that that you know the church fathers

540

00:19:59,669 --> 00:19:58,320

talked about you know they they uh they

541

00:20:02,149 --> 00:19:59,679

it was clear that these things were

542

00:20:05,110 --> 00:20:02,159

happening to people and again these are

543

00:20:07,510 --> 00:20:05,120

are not are not uh you know just in the

544

00:20:09,270 --> 00:20:07,520

christian faith all faiths

545

00:20:10,710 --> 00:20:09,280

across the globe through time have had

546

00:20:11,510 --> 00:20:10,720

these experiences

547

00:20:13,350 --> 00:20:11,520

so

548

00:20:16,470 --> 00:20:13,360

there's certain things you find there's

549

00:20:18,310 --> 00:20:16,480

there's fear there's a sleep paralysis

550

00:20:20,149 --> 00:20:18,320

you know it goes beyond those simple you

551

00:20:23,029 --> 00:20:20,159

know biological explanation of sleep

552

00:20:24,710 --> 00:20:23,039

paralysis there's the

553

00:20:27,669 --> 00:20:24,720

the experience of

554

00:20:29,909 --> 00:20:27,679

beings and whether these beings um show

555

00:20:31,669 --> 00:20:29,919

themselves as what we would experience

556

00:20:35,909 --> 00:20:31,679

as the gray aliens or something like

557

00:20:37,669 --> 00:20:35,919

that or the you know creatures of the of

558

00:20:38,789 --> 00:20:37,679

demon more demon-like creatures of

559

00:20:40,870 --> 00:20:38,799

legend

560

00:20:42,630 --> 00:20:40,880

um i think it's a common experience and

561

00:20:44,789 --> 00:20:42,640

they're just wearing a different mask

562

00:20:45,909 --> 00:20:44,799

and that would explain why

563

00:20:47,750 --> 00:20:45,919

you say

564

00:20:49,590 --> 00:20:47,760

please stop in jesus name and i would

565

00:20:52,870 --> 00:20:49,600

invite any of your listeners that have

566

00:20:54,549 --> 00:20:52,880

um experienced this this this phenomena

567

00:20:56,870 --> 00:20:54,559

i know it's a real experience i know

568

00:20:58,630 --> 00:20:56,880

you're suffering i'm not i i don't say

569

00:21:00,149 --> 00:20:58,640

that it's not real

570

00:21:02,390 --> 00:21:00,159

but

571

00:21:04,390 --> 00:21:02,400

try calling on the name of god

572

00:21:06,630 --> 00:21:04,400

the name of jesus christ

573

00:21:08,390 --> 00:21:06,640

do it in belief do it in faith when this

574

00:21:11,350 --> 00:21:08,400

is happening to you

575

00:21:14,950 --> 00:21:11,360

and you watch what happens these powers

576

00:21:18,470 --> 00:21:14,960

cannot stand against the power of jesus

577

00:21:20,549 --> 00:21:18,480

yeah man it is i i have had instances

578

00:21:23,430 --> 00:21:20,559

not not to go off on my own personal

579

00:21:26,870 --> 00:21:23,440

experiences but i have had instances

580

00:21:29,909 --> 00:21:26,880

where as yourself i i was um brought up

581

00:21:31,350 --> 00:21:29,919

and had a in a belief not only in a

582

00:21:33,830 --> 00:21:31,360

higher power

583

00:21:36,230 --> 00:21:33,840

who i choose to call god but also

584

00:21:38,470 --> 00:21:36,240

a connection and i i've heard that small

585

00:21:40,710 --> 00:21:38,480

voice in times of need

586

00:21:43,270 --> 00:21:40,720

some of those times were very scary

587

00:21:46,789 --> 00:21:43,280

times on red rock ridges

588

00:21:47,830 --> 00:21:46,799

in skinwalker territory and you know it

589

00:21:50,470 --> 00:21:47,840

is

590

00:21:53,110 --> 00:21:50,480

it's interesting that

591

00:21:55,110 --> 00:21:53,120

as you said this phenomenon that has

592

00:21:57,590 --> 00:21:55,120

occurred throughout recorded human

593

00:21:59,350 --> 00:21:57,600

history and in prior ages was ascribed

594

00:22:00,630 --> 00:21:59,360

to mythological or supernatural

595

00:22:04,630 --> 00:22:00,640

creatures

596

00:22:05,830 --> 00:22:04,640

is now taking on this ufo uap alien

597

00:22:07,590 --> 00:22:05,840

agenda

598

00:22:09,830 --> 00:22:07,600

and i really like that you brought up

599

00:22:10,549 --> 00:22:09,840

the mask richard because

600

00:22:12,149 --> 00:22:10,559

as

601
00:22:14,630 --> 00:22:12,159
some ufologists have called them

602
00:22:17,750 --> 00:22:14,640
messengers of deception

603
00:22:19,350 --> 00:22:17,760
yeah you don't always know what

604
00:22:20,149 --> 00:22:19,360
you you worded it a lot better than i

605
00:22:21,830 --> 00:22:20,159
can

606
00:22:23,510 --> 00:22:21,840
but um

607
00:22:25,430 --> 00:22:23,520
you don't know what you're dealing with

608
00:22:26,710 --> 00:22:25,440
until you know what you're dealing with

609
00:22:28,870 --> 00:22:26,720
isn't that true in some of these

610
00:22:31,270 --> 00:22:28,880
instances

611
00:22:33,430 --> 00:22:31,280
oh it is and let me tell you i didn't

612
00:22:35,830 --> 00:22:33,440
start out this journey

613
00:22:37,350 --> 00:22:35,840

looking for that to be the answer i i

614

00:22:39,990 --> 00:22:37,360

wanted it to be

615

00:22:41,510 --> 00:22:40,000

the other answer and i still think that

616

00:22:44,149 --> 00:22:41,520

it's possible i don't say that there's

617

00:22:45,830 --> 00:22:44,159

not alien life out there um you know

618

00:22:48,630 --> 00:22:45,840

they're still that you hear this it's

619

00:22:50,470 --> 00:22:48,640

becoming uh almost almost cliché now

620

00:22:51,990 --> 00:22:50,480

where it's like you know the universe is

621

00:22:53,750 --> 00:22:52,000

far too vast for us to be the only

622

00:22:55,110 --> 00:22:53,760

things in the universe well we've we're

623

00:22:56,789 --> 00:22:55,120

not alone we've never been alone and

624

00:22:58,390 --> 00:22:56,799

that's what our faith reveals to us

625

00:23:00,310 --> 00:22:58,400

that's what you know it's inherent

626

00:23:03,029 --> 00:23:00,320

inherent uh the bible says that the

627

00:23:05,909 --> 00:23:03,039

heavens declare declare his handiwork so

628

00:23:07,110 --> 00:23:05,919

people have always had an experience of

629

00:23:08,549 --> 00:23:07,120

something greater than themselves

630

00:23:10,230 --> 00:23:08,559

whether or not it's defined through the

631

00:23:11,909 --> 00:23:10,240

christian faith there's there's always

632

00:23:13,270 --> 00:23:11,919

been this knowing that humans just look

633

00:23:15,750 --> 00:23:13,280

up in the sky you look at the mountains

634

00:23:17,110 --> 00:23:15,760

the trees the clouds you get the sense

635

00:23:18,390 --> 00:23:17,120

that you're that there's something

636

00:23:19,909 --> 00:23:18,400

bigger than you

637

00:23:21,430 --> 00:23:19,919

um at work and then you get that

638

00:23:23,029 --> 00:23:21,440

knowingness inside that still small

639

00:23:24,390 --> 00:23:23,039

voice telling you things

640

00:23:26,470 --> 00:23:24,400

but on the other hand even though i

641

00:23:28,230 --> 00:23:26,480

always had that i've been interested in

642

00:23:29,990 --> 00:23:28,240

you know i remember as a kid watching

643

00:23:31,669 --> 00:23:30,000

close encounters of the of the third

644

00:23:33,190 --> 00:23:31,679

kind i talk about that in the in the the

645

00:23:34,950 --> 00:23:33,200

prologue to my book book two the

646

00:23:37,110 --> 00:23:34,960

paranormal christian book two and how

647

00:23:38,870 --> 00:23:37,120

it's always been an interest to me and

648

00:23:40,630 --> 00:23:38,880

you know i wanted it to be

649

00:23:42,549 --> 00:23:40,640

much like the uh the mainstream

650

00:23:44,070 --> 00:23:42,559

ufologist i wanted it to be the other

651
00:23:45,909 --> 00:23:44,080
thing i wanted it to be those those

652
00:23:47,430 --> 00:23:45,919
alien visitors and i'm not saying that

653
00:23:49,510 --> 00:23:47,440
they're not there and we look at the

654
00:23:51,110 --> 00:23:49,520
vastness of the cosmos there's something

655
00:23:53,750 --> 00:23:51,120
like you know

656
00:23:56,470 --> 00:23:53,760
100 billion uh galaxies in the known

657
00:23:58,710 --> 00:23:56,480
universe and uh every galaxy has

658
00:24:00,470 --> 00:23:58,720
something like 100 billion star systems

659
00:24:02,789 --> 00:24:00,480
and you look at uh

660
00:24:04,470 --> 00:24:02,799
and we seem to be at first glance you

661
00:24:06,789 --> 00:24:04,480
know on the on the outer rim of an

662
00:24:08,630 --> 00:24:06,799
average galaxy with an average star but

663
00:24:10,870 --> 00:24:08,640

when you look closer you find out that

664

00:24:12,710 --> 00:24:10,880

there's nothing average at all about our

665

00:24:14,470 --> 00:24:12,720

placement of what we are uh there's a

666

00:24:16,149 --> 00:24:14,480

supermassive black hole at the center of

667

00:24:17,830 --> 00:24:16,159

our universe it's the furthest thing

668

00:24:20,789 --> 00:24:17,840

that we want to be around but it's

669

00:24:22,950 --> 00:24:20,799

probably the engine of our of our of our

670

00:24:24,470 --> 00:24:22,960

galaxy and engine of all galaxies you

671

00:24:25,590 --> 00:24:24,480

know every car has an engine you name

672

00:24:26,950 --> 00:24:25,600

the engine but you don't want to get too

673

00:24:28,390 --> 00:24:26,960

close because the engine is pretty hot

674

00:24:30,310 --> 00:24:28,400

you know it's kind of like that in the

675

00:24:31,909 --> 00:24:30,320

in the universe and uh you know our

676
00:24:34,149 --> 00:24:31,919
average sized planet seems actually to

677
00:24:37,350 --> 00:24:34,159
be about perfect with our two with our

678
00:24:39,510 --> 00:24:37,360
much too large moon that uh you know

679
00:24:41,830 --> 00:24:39,520
keeps our orbit uh and our tilt of our

680
00:24:43,990 --> 00:24:41,840
axis in check regulates our tides and

681
00:24:46,310 --> 00:24:44,000
things um it shouldn't be that way we

682
00:24:48,310 --> 00:24:46,320
shouldn't have it being perfectly

683
00:24:49,990 --> 00:24:48,320
aligned to where it blocks out the sun

684
00:24:51,909 --> 00:24:50,000
exactly during you know

685
00:24:54,789 --> 00:24:51,919
for us to view the eclipses and things

686
00:24:58,070 --> 00:24:54,799
like that and um you know our yellow

687
00:25:00,310 --> 00:24:58,080
dwarf star happens to be a very rare in

688
00:25:03,110 --> 00:25:00,320

the universe or you know those are not

689

00:25:04,630 --> 00:25:03,120

the common stars that you see uh so the

690

00:25:06,870 --> 00:25:04,640

more you peer into it the more you see

691

00:25:08,310 --> 00:25:06,880

the design there and

692

00:25:11,029 --> 00:25:08,320

you know living

693

00:25:12,470 --> 00:25:11,039

matter emerging from non-living is not

694

00:25:14,549 --> 00:25:12,480

even possible it's mathematically

695

00:25:16,149 --> 00:25:14,559

impossible but yet here we are so you

696

00:25:17,909 --> 00:25:16,159

can't really say well because we're here

697

00:25:20,470 --> 00:25:17,919

they must be there too

698

00:25:23,029 --> 00:25:20,480

uh but on the other hand i still look at

699

00:25:25,350 --> 00:25:23,039

it it's a lot it is a lot of space

700

00:25:26,549 --> 00:25:25,360

um and but is it a wasted space i mean i

701

00:25:28,710 --> 00:25:26,559

don't know you know you look at the

702

00:25:31,430 --> 00:25:28,720

atoms that make up our bodies which come

703

00:25:33,590 --> 00:25:31,440

from you know 14 billion years of stars

704

00:25:36,070 --> 00:25:33,600

of birthing and dying that's what we're

705

00:25:37,750 --> 00:25:36,080

made of star stuff uh but but an atom is

706

00:25:39,350 --> 00:25:37,760

mostly empty space but it's you know

707

00:25:41,190 --> 00:25:39,360

it's not wasted space it's what's needed

708

00:25:43,669 --> 00:25:41,200

so you can't really say it's wasted

709

00:25:46,549 --> 00:25:43,679

space but then on the other hand just

710

00:25:48,310 --> 00:25:46,559

experiencing god and knowing god and how

711

00:25:50,549 --> 00:25:48,320

god is you look around the the physical

712

00:25:52,630 --> 00:25:50,559

world you see it's full of diversity the

713

00:25:54,870 --> 00:25:52,640

the oceans are full of life teeming with

714

00:25:56,710 --> 00:25:54,880

you know from the from the from where

715

00:25:59,909 --> 00:25:56,720

the sun reaches all the way to the

716

00:26:01,750 --> 00:25:59,919

inkiest blackest depths you find uh you

717

00:26:03,669 --> 00:26:01,760

know creatures that are bioluminescent

718

00:26:06,470 --> 00:26:03,679

that create their own light and you see

719

00:26:07,990 --> 00:26:06,480

this variety in the natural world um so

720

00:26:10,310 --> 00:26:08,000

i think perhaps the spiritual world is

721

00:26:12,390 --> 00:26:10,320

like that and then perhaps the universe

722

00:26:15,190 --> 00:26:12,400

is like that so i would like to believe

723

00:26:17,190 --> 00:26:15,200

that there's other life like us um that

724

00:26:18,789 --> 00:26:17,200

are intelligent and then you have to ask

725

00:26:20,310 --> 00:26:18,799

yourself questions like well what's

726

00:26:22,789 --> 00:26:20,320

their experience of

727

00:26:24,710 --> 00:26:22,799

of what's so what's soteriology mean to

728

00:26:26,789 --> 00:26:24,720

them you know to use a theological term

729

00:26:28,070 --> 00:26:26,799

you know how how are we saved you know

730

00:26:30,630 --> 00:26:28,080

if we're aliens

731

00:26:32,470 --> 00:26:30,640

pope francis talked about this in 2014

732

00:26:33,669 --> 00:26:32,480

about the possibility of baptizing

733

00:26:35,590 --> 00:26:33,679

aliens and

734

00:26:38,230 --> 00:26:35,600

he kind of said it you know in a

735

00:26:39,750 --> 00:26:38,240

sideways way to his clergy and but you

736

00:26:41,110 --> 00:26:39,760

know the media picked up on it because

737

00:26:44,149 --> 00:26:41,120

it was very interesting but he said who

738

00:26:46,630 --> 00:26:44,159

am i to stand in the way uh of of the gr

739

00:26:49,269 --> 00:26:46,640

of the grace for them uh but anyway so

740

00:26:51,430 --> 00:26:49,279

yeah i always thought that there was uh

741

00:26:55,110 --> 00:26:51,440

ets out there uh that are that are like

742

00:26:56,870 --> 00:26:55,120

us ex you know biological uh creatures

743

00:26:58,950 --> 00:26:56,880

in nuts and bolts spacecraft as the

744

00:27:01,029 --> 00:26:58,960

ufologists believe that's what i or the

745

00:27:03,029 --> 00:27:01,039

mainstreamers believe you know i always

746

00:27:04,630 --> 00:27:03,039

wanted it to be that but again the more

747

00:27:08,549 --> 00:27:04,640

i looked into the evidence

748

00:27:09,590 --> 00:27:08,559

we really don't have the proof you know

749

00:27:12,230 --> 00:27:09,600

for

750

00:27:13,909 --> 00:27:12,240

um

751
00:27:15,590 --> 00:27:13,919
extraterrestrial beings visiting the

752
00:27:17,750 --> 00:27:15,600
earth there's a lot of stories but i

753
00:27:19,269 --> 00:27:17,760
don't see a lot of proof now i'm open to

754
00:27:20,789 --> 00:27:19,279
it but

755
00:27:22,470 --> 00:27:20,799
but when you talk about the actual

756
00:27:23,990 --> 00:27:22,480
personal experiences

757
00:27:25,909 --> 00:27:24,000
you know once again

758
00:27:27,990 --> 00:27:25,919
um people usually experience these

759
00:27:30,149 --> 00:27:28,000
things at night they usually happen

760
00:27:32,230 --> 00:27:30,159
while they're sleeping you know they

761
00:27:34,310 --> 00:27:32,240
usually find themselves deposited uh

762
00:27:35,909 --> 00:27:34,320
back into their bedroom nicely tucked in

763
00:27:37,909 --> 00:27:35,919

i mean this doesn't seem to be

764

00:27:39,909 --> 00:27:37,919

consistent with

765

00:27:41,110 --> 00:27:39,919

you know biological entities doing these

766

00:27:43,269 --> 00:27:41,120

things

767

00:27:46,070 --> 00:27:43,279

i couldn't agree more that the the

768

00:27:47,669 --> 00:27:46,080

tricksters love the darkness and uh

769

00:27:50,870 --> 00:27:47,679

something that i want to point out is

770

00:27:52,630 --> 00:27:50,880

your website [richardd lewisauther.com](http://richardd.lewisauther.com)

771

00:27:54,789 --> 00:27:52,640

amazing website

772

00:27:56,710 --> 00:27:54,799

and i think what's really

773

00:27:58,630 --> 00:27:56,720

the best thing about it is you are

774

00:28:00,950 --> 00:27:58,640

actually helping people or trying to

775

00:28:03,830 --> 00:28:00,960

help people as you said before you have

776
00:28:05,669 --> 00:28:03,840
free access to a three video deliverance

777
00:28:08,630 --> 00:28:05,679
from demon series

778
00:28:11,350 --> 00:28:08,640
and uh you are writing books on the

779
00:28:14,630 --> 00:28:11,360
subject that is going into

780
00:28:16,470 --> 00:28:14,640
you know this this against not against

781
00:28:18,230 --> 00:28:16,480
but you're opening the minds of people i

782
00:28:22,549 --> 00:28:18,240
think there's a predominant explanation

783
00:28:25,110 --> 00:28:22,559
by you know ufologists dealing with uaps

784
00:28:27,190 --> 00:28:25,120
and other things and it's important not

785
00:28:28,389 --> 00:28:27,200
to have blinders on when you're looking

786
00:28:30,950 --> 00:28:28,399
at this

787
00:28:34,549 --> 00:28:30,960
because there's a lot going on

788
00:28:36,470 --> 00:28:34,559

uh that you know i i go back to um some

789

00:28:37,669 --> 00:28:36,480

biblical

790

00:28:39,590 --> 00:28:37,679

accounts

791

00:28:42,710 --> 00:28:39,600

and whenever you're dealing with a power

792

00:28:44,870 --> 00:28:42,720

that is so great that it is stunning i i

793

00:28:46,070 --> 00:28:44,880

always come back to uh when the nazarene

794

00:28:48,389 --> 00:28:46,080

was born

795

00:28:50,870 --> 00:28:48,399

and an angel comes down amongst

796

00:28:53,510 --> 00:28:50,880

shepherds and

797

00:28:56,070 --> 00:28:53,520

they're horrified they're just horrified

798

00:28:58,389 --> 00:28:56,080

and stunned by its power and this is an

799

00:29:01,350 --> 00:28:58,399

angelic being this is not even a demonic

800

00:29:02,789 --> 00:29:01,360

being and it's still basically i cannot

801
00:29:04,630 --> 00:29:02,799
remember the word and you probably know

802
00:29:07,190 --> 00:29:04,640
better than i but it kind of had to say

803
00:29:08,310 --> 00:29:07,200
fear not like calm down it's okay

804
00:29:10,870 --> 00:29:08,320
um

805
00:29:12,950 --> 00:29:10,880
there's a lot of uh

806
00:29:15,269 --> 00:29:12,960
there's a lot of power involved when

807
00:29:16,470 --> 00:29:15,279
you're dealing with both angels or

808
00:29:17,990 --> 00:29:16,480
demons

809
00:29:19,990 --> 00:29:18,000
and

810
00:29:23,750 --> 00:29:20,000
this is something that it's hard it's

811
00:29:25,909 --> 00:29:23,760
hard for humans to grasp this

812
00:29:27,830 --> 00:29:25,919
oh i couldn't agree more you know that's

813
00:29:29,590 --> 00:29:27,840

that almost every account in the bible

814

00:29:32,070 --> 00:29:29,600

where you see an angel appearing to

815

00:29:34,149 --> 00:29:32,080

someone and the word angel simply means

816

00:29:36,549 --> 00:29:34,159

um as it's translated simply means

817

00:29:39,669 --> 00:29:36,559

messenger um and there's a whole

818

00:29:41,110 --> 00:29:39,679

hierarchy of of angels and i get into

819

00:29:44,070 --> 00:29:41,120

this in my first book the paranormal

820

00:29:47,029 --> 00:29:44,080

christian book one and i lay out um the

821

00:29:49,430 --> 00:29:47,039

entire the entire spectrum usually i

822

00:29:51,510 --> 00:29:49,440

feel like um we here in our in our

823

00:29:53,110 --> 00:29:51,520

mortal existence when we encounter

824

00:29:55,909 --> 00:29:53,120

angels is probably going to be a lower

825

00:29:58,230 --> 00:29:55,919

tier angel something like a um you know

826

00:29:59,830 --> 00:29:58,240

a personal guardian angel

827

00:30:02,070 --> 00:29:59,840

which i believe the scriptures uh

828

00:30:04,149 --> 00:30:02,080

support or um

829

00:30:05,269 --> 00:30:04,159

or or maybe an archangel and then but

830

00:30:07,750 --> 00:30:05,279

you have

831

00:30:08,950 --> 00:30:07,760

these beings as as as they're defined

832

00:30:10,389 --> 00:30:08,960

they go all the way through the the

833

00:30:12,870 --> 00:30:10,399

cosmic

834

00:30:15,110 --> 00:30:12,880

powers uh and principalities these are

835

00:30:17,430 --> 00:30:15,120

these are these are group beings of of

836

00:30:19,029 --> 00:30:17,440

great power uh the you know the thro the

837

00:30:20,950 --> 00:30:19,039

dominions the thrones they don't even

838

00:30:23,190 --> 00:30:20,960

leave god's presence

839

00:30:25,830 --> 00:30:23,200

you know um and and then there's uh

840

00:30:27,909 --> 00:30:25,840

there's regional beings uh and those are

841

00:30:30,389 --> 00:30:27,919

very powerful too in the bible it talks

842

00:30:32,630 --> 00:30:30,399

about the prince of persia and and saint

843

00:30:34,389 --> 00:30:32,640

michael uh having to help to help daniel

844

00:30:35,990 --> 00:30:34,399

overcome the prince of persia so we were

845

00:30:37,190 --> 00:30:36,000

talking about a being that was in charge

846

00:30:39,990 --> 00:30:37,200

of the entire

847

00:30:41,430 --> 00:30:40,000

all of persia you know and um when you

848

00:30:43,590 --> 00:30:41,440

if you really look into it and i get

849

00:30:45,750 --> 00:30:43,600

into this in in my chapter

850

00:30:48,789 --> 00:30:45,760

uh called the the other gods in my first

851
00:30:50,470 --> 00:30:48,799
book where you talk about um

852
00:30:51,750 --> 00:30:50,480
you know like the greek gods and things

853
00:30:55,029 --> 00:30:51,760
and things like that

854
00:30:57,029 --> 00:30:55,039
um you you will see that um

855
00:30:59,269 --> 00:30:57,039
there there you know the mesopotamian

856
00:31:01,750 --> 00:30:59,279
peoples in ancient times they all were

857
00:31:03,590 --> 00:31:01,760
experiencing similar beings like the

858
00:31:04,470 --> 00:31:03,600
bowel that they talk about in the in the

859
00:31:06,310 --> 00:31:04,480
bible

860
00:31:08,470 --> 00:31:06,320
and uh zeus

861
00:31:10,630 --> 00:31:08,480
um they both hold lightning bolts you

862
00:31:12,630 --> 00:31:10,640
know chances are that's the same being

863
00:31:14,549 --> 00:31:12,640

you know what i mean so uh and that's on

864

00:31:16,310 --> 00:31:14,559

the higher tier now on the lords here

865

00:31:18,230 --> 00:31:16,320

with with our experiences that you do

866

00:31:20,870 --> 00:31:18,240

see that you know fear or not you all

867

00:31:22,870 --> 00:31:20,880

you you you often you often see that but

868

00:31:25,509 --> 00:31:22,880

then there's the the personal experience

869

00:31:28,230 --> 00:31:25,519

too like when when peter was free from

870

00:31:30,470 --> 00:31:28,240

prison by an angel um and uh and he

871

00:31:32,630 --> 00:31:30,480

returned to the disciples uh king herod

872

00:31:34,630 --> 00:31:32,640

you know threw him into prison

873

00:31:36,549 --> 00:31:34,640

back in those days the uh the religious

874

00:31:38,310 --> 00:31:36,559

leaders were very upset by this church

875

00:31:39,909 --> 00:31:38,320

movement uh they didn't understand it

876

00:31:41,990 --> 00:31:39,919

they didn't know that jesus was the

877

00:31:44,870 --> 00:31:42,000

messiah many of them many of them did of

878

00:31:47,750 --> 00:31:44,880

course and they converted but um

879

00:31:50,230 --> 00:31:47,760

and really the christianity is we we we

880

00:31:52,230 --> 00:31:50,240

we keep our ties with our with our our

881

00:31:54,630 --> 00:31:52,240

jewish brethren you know it's that's why

882

00:31:56,310 --> 00:31:54,640

they call the belief system judeo

883

00:31:58,470 --> 00:31:56,320

christian because we feel like that

884

00:31:59,990 --> 00:31:58,480

we're the fulfillment uh where the you

885

00:32:01,990 --> 00:32:00,000

know where the children of abraham as

886

00:32:03,590 --> 00:32:02,000

well you know we feel like we're we're

887

00:32:06,070 --> 00:32:03,600

israelites by

888

00:32:08,549 --> 00:32:06,080

being grafted in through through jesus

889

00:32:10,630 --> 00:32:08,559

but anyway when peter uh returned they

890

00:32:12,230 --> 00:32:10,640

it says they they didn't believe you

891

00:32:14,230 --> 00:32:12,240

know rhoda was actually

892

00:32:16,630 --> 00:32:14,240

the person that uh saw him that heard

893

00:32:18,950 --> 00:32:16,640

his voice i should say uh and when she

894

00:32:20,149 --> 00:32:18,960

told the disciples peter's here they

895

00:32:21,909 --> 00:32:20,159

knew he was locked up so they didn't

896

00:32:23,909 --> 00:32:21,919

believe it and they said well

897

00:32:25,350 --> 00:32:23,919

um first they said oh you must be crazy

898

00:32:28,389 --> 00:32:25,360

and then they were like well it must be

899

00:32:30,950 --> 00:32:28,399

his angel you know and uh the scriptures

900

00:32:32,630 --> 00:32:30,960

say that uh that you know the little

901
00:32:34,870 --> 00:32:32,640
children their angels always behold the

902
00:32:37,909 --> 00:32:34,880
face of the father so there is a gentle

903
00:32:39,669 --> 00:32:37,919
side to angels as well and uh and you'll

904
00:32:41,990 --> 00:32:39,679
feel that prodding you know by your by

905
00:32:43,909 --> 00:32:42,000
your guardian your guardian angel and

906
00:32:46,389 --> 00:32:43,919
and it's it's a lot less frightening and

907
00:32:48,950 --> 00:32:46,399
uh but i think the angels uh they know

908
00:32:50,549 --> 00:32:48,960
how to maybe dem their light down enough

909
00:32:51,509 --> 00:32:50,559
to where they don't scare us and things

910
00:32:52,630 --> 00:32:51,519
like that

911
00:32:54,230 --> 00:32:52,640
um

912
00:32:57,750 --> 00:32:54,240
but yeah when it comes to the nefarious

913
00:32:59,350 --> 00:32:57,760

means um they're powerful beings but the

914

00:33:01,509 --> 00:32:59,360

power of god is much more powerful than

915

00:33:03,110 --> 00:33:01,519

that and i'm not saying that every

916

00:33:04,710 --> 00:33:03,120

single thing that happens it's i don't

917

00:33:06,710 --> 00:33:04,720

look for i don't expect a demon to be

918

00:33:08,149 --> 00:33:06,720

under every rock uh certainly don't

919

00:33:09,430 --> 00:33:08,159

think that but then we don't want to

920

00:33:11,750 --> 00:33:09,440

make the mistake

921

00:33:13,029 --> 00:33:11,760

of um not believing in them either

922

00:33:14,950 --> 00:33:13,039

because that's the greatest lie that

923

00:33:16,630 --> 00:33:14,960

satan could ever could ever pull on us

924

00:33:19,110 --> 00:33:16,640

that's kind of a famous thing you know

925

00:33:21,190 --> 00:33:19,120

the greatest the the greatest thing was

926

00:33:22,870 --> 00:33:21,200

to convince us that he doesn't exist

927

00:33:25,269 --> 00:33:22,880

because at the end of the day

928

00:33:27,029 --> 00:33:25,279

really the agenda is fair so if you fall

929

00:33:28,549 --> 00:33:27,039

in lockstep with the agenda it doesn't

930

00:33:30,310 --> 00:33:28,559

matter if you believe in it and it's

931

00:33:32,149 --> 00:33:30,320

like you know in the uh

932

00:33:33,110 --> 00:33:32,159

uh you know like the movie the prophecy

933

00:33:35,110 --> 00:33:33,120

i don't know if you've ever seen that

934

00:33:36,710 --> 00:33:35,120

it's such a that's just such a wicked

935

00:33:39,909 --> 00:33:36,720

cool film you know with the christopher

936

00:33:40,710 --> 00:33:39,919

walken and uh it's like you know

937

00:33:42,070 --> 00:33:40,720

well

938

00:33:44,310 --> 00:33:42,080

you don't have to believe in demons they

939

00:33:47,110 --> 00:33:44,320

believe in you you know kind of thing

940

00:33:48,630 --> 00:33:47,120

so um so it is real and uh and but like

941

00:33:51,190 --> 00:33:48,640

i said i think the paranormal experience

942

00:33:53,669 --> 00:33:51,200

is is far more nuanced and subtle

943

00:33:55,990 --> 00:33:53,679

and uh and diverse than

944

00:33:58,070 --> 00:33:56,000

a lot of people on either side want to

945

00:33:59,669 --> 00:33:58,080

believe and really we have to explore

946

00:34:02,549 --> 00:33:59,679

this from an open mind

947

00:34:04,070 --> 00:34:02,559

um you know

948

00:34:05,990 --> 00:34:04,080

when it comes to science science

949

00:34:08,069 --> 00:34:06,000

definitely needs to have an open mind

950

00:34:09,669 --> 00:34:08,079

the faith is same same thing you know

951
00:34:11,190 --> 00:34:09,679
you can't we can't get stuck in dogma

952
00:34:13,589 --> 00:34:11,200
because we look at what

953
00:34:16,069 --> 00:34:13,599
what our investigation and our

954
00:34:17,510 --> 00:34:16,079
experience and it reveals to us the

955
00:34:18,710 --> 00:34:17,520
thing that i find comforting is that it

956
00:34:20,149 --> 00:34:18,720
doesn't conflict with the bible it

957
00:34:21,909 --> 00:34:20,159
doesn't conflict with the scriptures

958
00:34:23,669 --> 00:34:21,919
that's what i want people to know that

959
00:34:25,990 --> 00:34:23,679
you can you can have your cake and eat

960
00:34:28,950 --> 00:34:26,000
it too so to speak i mean you can be

961
00:34:30,950 --> 00:34:28,960
interested in cryptids and and ufos and

962
00:34:32,389 --> 00:34:30,960
and ghosts and angels and demons and all

963
00:34:34,550 --> 00:34:32,399

these kind of things

964

00:34:37,349 --> 00:34:34,560

curious about it about these the

965

00:34:39,109 --> 00:34:37,359

the mythologies um the traditions all

966

00:34:40,550 --> 00:34:39,119

these things come from true experiences

967

00:34:41,829 --> 00:34:40,560

and then you look at what does the bible

968

00:34:44,310 --> 00:34:41,839

have to say about it

969

00:34:46,470 --> 00:34:44,320

it doesn't it doesn't conflict with

970

00:34:48,869 --> 00:34:46,480

these various things in fact you you

971

00:34:50,230 --> 00:34:48,879

find that it's all correlated under one

972

00:34:52,149 --> 00:34:50,240

big picture so that's what i'm trying to

973

00:34:54,069 --> 00:34:52,159

get across the folks with with my book

974

00:34:57,510 --> 00:34:54,079

series the paranormal christian

975

00:34:59,829 --> 00:34:57,520

uh book one came out in 2020 uh book two

976

00:35:03,510 --> 00:34:59,839

uh just just came out um a couple of

977

00:35:05,349 --> 00:35:03,520

months ago and um hey you know

978

00:35:07,589 --> 00:35:05,359

i i invite all of you to explore if

979

00:35:09,670 --> 00:35:07,599

you're curious about it um if this

980

00:35:10,630 --> 00:35:09,680

speaks to you somehow please and also

981

00:35:13,270 --> 00:35:10,640

once again my website

982

00:35:14,870 --> 00:35:13,280

richardlewisauthor.com

983

00:35:17,670 --> 00:35:14,880

get to know me

984

00:35:20,069 --> 00:35:17,680

i speak directly to to the people that

985

00:35:22,069 --> 00:35:20,079

follow me on social media i'm active on

986

00:35:23,829 --> 00:35:22,079

facebook um

987

00:35:25,589 --> 00:35:23,839

twitter instagram

988

00:35:27,589 --> 00:35:25,599

and uh even if you're not into this

989

00:35:30,230 --> 00:35:27,599

paranormal stuff if you just like movies

990

00:35:32,710 --> 00:35:30,240

i have a whole film review site that uh

991

00:35:35,510 --> 00:35:32,720

just has devoted cool things like

992

00:35:37,349 --> 00:35:35,520

superhero movies uh horror films action

993

00:35:39,270 --> 00:35:37,359

movies all that kind of stuff

994

00:35:41,510 --> 00:35:39,280

so um i think there's a lot that we can

995

00:35:43,829 --> 00:35:41,520

uh we can talk about together

996

00:35:47,510 --> 00:35:43,839

yes and i think you're in a very unique

997

00:35:49,030 --> 00:35:47,520

position um with your careers throughout

998

00:35:51,190 --> 00:35:49,040

your life

999

00:35:54,630 --> 00:35:51,200

working with

1000

00:35:58,790 --> 00:35:54,640

the air force uh the space

1001

00:36:00,470 --> 00:35:58,800

stuff and you know it is

1002

00:36:03,109 --> 00:36:00,480

very interesting

1003

00:36:04,550 --> 00:36:03,119

in my opinion um kind of switching gears

1004

00:36:05,750 --> 00:36:04,560

a little bit

1005

00:36:07,990 --> 00:36:05,760

that

1006

00:36:09,750 --> 00:36:08,000

these messengers of deception of some as

1007

00:36:11,030 --> 00:36:09,760

some have called them and i'm not trying

1008

00:36:13,990 --> 00:36:11,040

to just keep it dark the whole way

1009

00:36:17,109 --> 00:36:14,000

because there is light here as well but

1010

00:36:18,790 --> 00:36:17,119

um the shape-shifting um that is

1011

00:36:19,990 --> 00:36:18,800

mentioned in a lot of mythology and

1012

00:36:23,109 --> 00:36:20,000

folklore

1013

00:36:24,870 --> 00:36:23,119

and i mean the concept is the idea of

1014

00:36:27,430 --> 00:36:24,880

shape-shifting is one of the oldest

1015

00:36:28,710 --> 00:36:27,440

forms of totemism and shamanism

1016

00:36:30,790 --> 00:36:28,720

as well as

1017

00:36:32,069 --> 00:36:30,800

it's in all kinds of epic poems and

1018

00:36:34,230 --> 00:36:32,079

literature

1019

00:36:36,950 --> 00:36:34,240

and the ability to physically transform

1020

00:36:39,190 --> 00:36:36,960

oneself through an inherently superhuman

1021

00:36:41,670 --> 00:36:39,200

ability divine intervention or demonic

1022

00:36:44,230 --> 00:36:41,680

manipulation there's a there's a a

1023

00:36:47,270 --> 00:36:44,240

number of ways to do this what i find

1024

00:36:49,430 --> 00:36:47,280

interesting is that a lot of ufology and

1025

00:36:52,470 --> 00:36:49,440

experts in the uap field

1026

00:36:54,390 --> 00:36:52,480

will not look at this through the lens

1027

00:36:56,790 --> 00:36:54,400

of biblical truth

1028

00:36:58,630 --> 00:36:56,800

they will look at everything else

1029

00:36:59,990 --> 00:36:58,640

but many of them and i shouldn't speak

1030

00:37:01,349 --> 00:37:00,000

for all of them because there are some

1031

00:37:03,510 --> 00:37:01,359

that are open to it but i think it's

1032

00:37:04,470 --> 00:37:03,520

important to be open-minded to all

1033

00:37:06,550 --> 00:37:04,480

things

1034

00:37:08,950 --> 00:37:06,560

and not discount the bible what what are

1035

00:37:12,310 --> 00:37:08,960

your thoughts on this richard

1036

00:37:15,030 --> 00:37:12,320

well the bible is an amazing uh proof

1037

00:37:16,470 --> 00:37:15,040

text for so many of these things and you

1038

00:37:18,710 --> 00:37:16,480

know that's one of the things i really

1039

00:37:20,710 --> 00:37:18,720

enjoy about uh take for example the

1040

00:37:21,589 --> 00:37:20,720

ancient alien um

1041

00:37:23,270 --> 00:37:21,599

uh

1042

00:37:25,270 --> 00:37:23,280

you know the ancient astronaut theory

1043

00:37:27,589 --> 00:37:25,280

and and that um you know people like

1044

00:37:29,510 --> 00:37:27,599

eric bondanakin um

1045

00:37:31,510 --> 00:37:29,520

popularized and then of course we've got

1046

00:37:33,349 --> 00:37:31,520

the the shows like the history channels

1047

00:37:36,069 --> 00:37:33,359

show ancient aliens and i and i love

1048

00:37:37,829 --> 00:37:36,079

that show because they take all of the

1049

00:37:39,510 --> 00:37:37,839

the bible stories at face value they

1050

00:37:41,109 --> 00:37:39,520

don't try to discount them like like

1051
00:37:42,790 --> 00:37:41,119
skeptics do they actually believe these

1052
00:37:45,109 --> 00:37:42,800
things happen it's just a little bit of

1053
00:37:47,190 --> 00:37:45,119
a difference in what they say

1054
00:37:49,030 --> 00:37:47,200
is the cause you know most of them think

1055
00:37:51,190 --> 00:37:49,040
that all these things can be explained

1056
00:37:52,870 --> 00:37:51,200
by um by

1057
00:37:54,950 --> 00:37:52,880
biological entities and nuts in both

1058
00:37:56,470 --> 00:37:54,960
spacecraft and you know i don't say that

1059
00:37:58,870 --> 00:37:56,480
there isn't like i say the possibility

1060
00:38:00,550 --> 00:37:58,880
of some of that but you've got to just

1061
00:38:01,910 --> 00:38:00,560
go where the evidence

1062
00:38:03,589 --> 00:38:01,920
leads you and when it comes to shape

1063
00:38:05,910 --> 00:38:03,599

shifting and things like that the bible

1064

00:38:07,990 --> 00:38:05,920

is very clear that uh the devil can

1065

00:38:11,510 --> 00:38:08,000

appear as an angel of light and that's

1066

00:38:13,750 --> 00:38:11,520

why uh apostle paul or excuse me um

1067

00:38:15,670 --> 00:38:13,760

apostle john told us that we should we

1068

00:38:18,870 --> 00:38:15,680

should test the spirits you know and

1069

00:38:20,550 --> 00:38:18,880

this comes from first john 4 1-6 he says

1070

00:38:23,109 --> 00:38:20,560

do not believe every spirit but test the

1071

00:38:25,349 --> 00:38:23,119

spirits to see whether they are from god

1072

00:38:26,950 --> 00:38:25,359

and um so

1073

00:38:29,430 --> 00:38:26,960

you know most christians say well you

1074

00:38:31,190 --> 00:38:29,440

can't you can't speak to spirits they

1075

00:38:33,430 --> 00:38:31,200

can't speak to you these kind of things

1076

00:38:35,190 --> 00:38:33,440

there's all kinds of uh false beliefs

1077

00:38:37,190 --> 00:38:35,200

that i debunk in my books the paranormal

1078

00:38:38,550 --> 00:38:37,200

christian book one and two but why would

1079

00:38:41,109 --> 00:38:38,560

he tell us to test the spirits if we

1080

00:38:42,710 --> 00:38:41,119

weren't going to interact with them

1081

00:38:44,710 --> 00:38:42,720

and uh once again when it comes to

1082

00:38:46,470 --> 00:38:44,720

things like like say you know the crypt

1083

00:38:47,750 --> 00:38:46,480

it's like bigfoot for example

1084

00:38:50,310 --> 00:38:47,760

um

1085

00:38:52,069 --> 00:38:50,320

you know my initial thought and belief

1086

00:38:53,910 --> 00:38:52,079

what i would prefer to believe

1087

00:38:55,109 --> 00:38:53,920

but but what it may be is to it could be

1088

00:38:57,030 --> 00:38:55,119

two different things because i would

1089

00:38:59,589 --> 00:38:57,040

rather just like with when i was a kid

1090

00:39:01,510 --> 00:38:59,599

and i wanted to believe that the uh the

1091

00:39:03,190 --> 00:39:01,520

flying saucers were from another planet

1092

00:39:05,270 --> 00:39:03,200

and they're biological

1093

00:39:07,670 --> 00:39:05,280

you know sentient beings like us

1094

00:39:09,589 --> 00:39:07,680

uh not you know angelic or demonic or

1095

00:39:10,790 --> 00:39:09,599

whatever that's what i wanted to believe

1096

00:39:12,870 --> 00:39:10,800

but that may not be what we're

1097

00:39:15,190 --> 00:39:12,880

experiencing um

1098

00:39:16,310 --> 00:39:15,200

it may be you know extra dimensional and

1099

00:39:18,230 --> 00:39:16,320

when it comes to this it's the same

1100

00:39:20,550 --> 00:39:18,240

thing with the with the cryptids and and

1101

00:39:22,310 --> 00:39:20,560

and so forth um i would like to think

1102

00:39:23,990 --> 00:39:22,320

that maybe bigfoot

1103

00:39:26,390 --> 00:39:24,000

because you know

1104

00:39:28,950 --> 00:39:26,400

this creature or sasquatch or the yeti

1105

00:39:31,349 --> 00:39:28,960

is experienced in you know usually in

1106

00:39:33,030 --> 00:39:31,359

remote regions dense forests i would

1107

00:39:35,270 --> 00:39:33,040

like to think well maybe this is uh

1108

00:39:36,950 --> 00:39:35,280

maybe this is a um

1109

00:39:39,510 --> 00:39:36,960

a descendent from our same family trees

1110

00:39:41,990 --> 00:39:39,520

homo sapiens you know maybe this is a

1111

00:39:44,230 --> 00:39:42,000

you know a bipedal you know uh a

1112

00:39:46,390 --> 00:39:44,240

creature that's uh an ape-like creature

1113

00:39:48,069 --> 00:39:46,400

that's a physical being that um it's

1114

00:39:50,470 --> 00:39:48,079

just been hiding from us all these years

1115

00:39:52,150 --> 00:39:50,480

and and is and is you know you know

1116

00:39:54,550 --> 00:39:52,160

tucked away in these forests and that's

1117

00:39:56,790 --> 00:39:54,560

why we really um haven't um

1118

00:39:59,670 --> 00:39:56,800

encountered them directly so to speak or

1119

00:40:00,870 --> 00:39:59,680

discovered them uh implicitly

1120

00:40:03,270 --> 00:40:00,880

i would like to believe that that would

1121

00:40:04,870 --> 00:40:03,280

be cool you know the the um

1122

00:40:06,069 --> 00:40:04,880

you know the scientist in me wants that

1123

00:40:08,790 --> 00:40:06,079

you know i would just love to just touch

1124

00:40:11,270 --> 00:40:08,800

one and see one right but then

1125

00:40:12,790 --> 00:40:11,280

why do they smell like sulfur okay why

1126

00:40:15,109 --> 00:40:12,800

do they uh mysteriously appear and

1127

00:40:16,470 --> 00:40:15,119

disappear why are they so hard to catch

1128

00:40:17,750 --> 00:40:16,480

you know you see it one minute and then

1129

00:40:19,510 --> 00:40:17,760

it's gone the next

1130

00:40:21,109 --> 00:40:19,520

you know maybe these are

1131

00:40:23,589 --> 00:40:21,119

exactly what we think they are and then

1132

00:40:25,349 --> 00:40:23,599

we've got all these all these stories uh

1133

00:40:26,790 --> 00:40:25,359

from our from our uh

1134

00:40:28,630 --> 00:40:26,800

from the various cultures that you

1135

00:40:30,150 --> 00:40:28,640

mentioned um the native the native

1136

00:40:32,150 --> 00:40:30,160

traditions the spiritual traditions the

1137

00:40:33,829 --> 00:40:32,160

shamanic traditions and then where they

1138

00:40:36,790 --> 00:40:33,839

talk about skin walkers and they talk

1139

00:40:40,390 --> 00:40:36,800

about you know things uh these these

1140

00:40:41,829 --> 00:40:40,400

strange beings and you know we can't we

1141

00:40:44,150 --> 00:40:41,839

certainly can't discount the fact that

1142

00:40:46,150 --> 00:40:44,160

they may be spiritual in nature maybe

1143

00:40:48,069 --> 00:40:46,160

they're opening portals maybe that's

1144

00:40:50,630 --> 00:40:48,079

what uh what we explain when you talk

1145

00:40:52,390 --> 00:40:50,640

about dimensionality uh that that

1146

00:40:54,550 --> 00:40:52,400

actually answers a lot of questions you

1147

00:40:56,790 --> 00:40:54,560

know the apostle paul had something that

1148

00:40:58,390 --> 00:40:56,800

would seem to be like a near-death

1149

00:41:00,630 --> 00:40:58,400

experience where he talked about being

1150

00:41:02,150 --> 00:41:00,640

carried to the third heaven and seeing

1151
00:41:03,510 --> 00:41:02,160
things and experiencing things that he

1152
00:41:05,750 --> 00:41:03,520
really couldn't

1153
00:41:07,910 --> 00:41:05,760
you know wasn't allowed to to describe

1154
00:41:10,710 --> 00:41:07,920
or maybe he couldn't describe it because

1155
00:41:13,190 --> 00:41:10,720
perhaps uh like my friend louis minero

1156
00:41:15,190 --> 00:41:13,200
uh told me and i talked to him for my

1157
00:41:17,030 --> 00:41:15,200
first book uh he's a he's an expert

1158
00:41:20,150 --> 00:41:17,040
researcher in obese

1159
00:41:23,270 --> 00:41:20,160
out of body experiences he says the the

1160
00:41:24,150 --> 00:41:23,280
um when you're in the other realms this

1161
00:41:26,230 --> 00:41:24,160
body

1162
00:41:28,470 --> 00:41:26,240
the brain we don't have the hardware to

1163
00:41:30,390 --> 00:41:28,480

download the software so that's why

1164

00:41:31,750 --> 00:41:30,400

they can't they can't fully describe it

1165

00:41:33,990 --> 00:41:31,760

and that's why in the bible it talks

1166

00:41:36,309 --> 00:41:34,000

about you know streets of gold pearly

1167

00:41:38,630 --> 00:41:36,319

gates things like that doesn't mean that

1168

00:41:40,230 --> 00:41:38,640

it's a literal reference to literal you

1169

00:41:42,710 --> 00:41:40,240

know well what is it 24 karat gold the

1170

00:41:44,470 --> 00:41:42,720

14 carat it's not gold plated right it's

1171

00:41:46,829 --> 00:41:44,480

heaven it's got to be pure gold no i

1172

00:41:49,510 --> 00:41:46,839

mean it was talking about shimmering you

1173

00:41:50,550 --> 00:41:49,520

know um

1174

00:41:52,630 --> 00:41:50,560

cosmic

1175

00:41:54,550 --> 00:41:52,640

things that you know you experience in

1176

00:41:56,470 --> 00:41:54,560

the in the spirit that you probably

1177

00:41:57,589 --> 00:41:56,480

can't even describe in the in the

1178

00:41:59,349 --> 00:41:57,599

physical

1179

00:42:03,910 --> 00:41:59,359

so

1180

00:42:05,270 --> 00:42:03,920

really it's really fun it's really cool

1181

00:42:07,030 --> 00:42:05,280

to study these things and like i said

1182

00:42:09,190 --> 00:42:07,040

the thing i want to reassure christians

1183

00:42:10,630 --> 00:42:09,200

is that it's okay it's okay to be

1184

00:42:11,990 --> 00:42:10,640

interested in this stuff and i want to

1185

00:42:14,470 --> 00:42:12,000

tell the people from the from the more

1186

00:42:16,230 --> 00:42:14,480

of the paranormal side that uh you know

1187

00:42:17,829 --> 00:42:16,240

aren't really interested in the faith

1188

00:42:20,710 --> 00:42:17,839

you know um

1189

00:42:23,589 --> 00:42:20,720

christianity christianity is is it's for

1190

00:42:25,990 --> 00:42:23,599

it's for everyone and uh we don't want

1191

00:42:27,990 --> 00:42:26,000

anyone to feel excluded we we you know

1192

00:42:29,910 --> 00:42:28,000

people have had bad experiences human

1193

00:42:32,069 --> 00:42:29,920

beings are fallible

1194

00:42:34,470 --> 00:42:32,079

the errors that

1195

00:42:36,069 --> 00:42:34,480

some some of our you know faith have

1196

00:42:38,630 --> 00:42:36,079

made over the years

1197

00:42:41,430 --> 00:42:38,640

don't don't let that uh make you angry

1198

00:42:43,670 --> 00:42:41,440

at god because god is just pure love

1199

00:42:46,470 --> 00:42:43,680

love for everyone and that's that's what

1200

00:42:49,109 --> 00:42:46,480

you experience when you know jesus

1201
00:42:51,750 --> 00:42:49,119
yeah man it is you know anyone who has

1202
00:42:54,390 --> 00:42:51,760
encountered uh strange events firsthand

1203
00:42:55,270 --> 00:42:54,400
will quickly realize that one's world

1204
00:42:57,750 --> 00:42:55,280
view

1205
00:42:59,750 --> 00:42:57,760
shifts you uh

1206
00:43:01,589 --> 00:42:59,760
you begin to notice things that you

1207
00:43:03,190 --> 00:43:01,599
didn't notice before

1208
00:43:05,750 --> 00:43:03,200
and um

1209
00:43:07,030 --> 00:43:05,760
a new book by george knapp i'm sure

1210
00:43:09,270 --> 00:43:07,040
you've heard of it

1211
00:43:10,790 --> 00:43:09,280
uh skinwalkers at the pentagon an

1212
00:43:13,829 --> 00:43:10,800
insider's account of the secret

1213
00:43:15,670 --> 00:43:13,839

government ufo program it goes into

1214

00:43:17,990 --> 00:43:15,680

extensive government studies into

1215

00:43:19,589 --> 00:43:18,000

anomalies such as abductions wormholes

1216

00:43:21,589 --> 00:43:19,599

anti-gravity

1217

00:43:23,030 --> 00:43:21,599

invisibility cloaking infusion

1218

00:43:24,150 --> 00:43:23,040

technology

1219

00:43:27,990 --> 00:43:24,160

and

1220

00:43:29,910 --> 00:43:28,000

the odd goings on in many of these

1221

00:43:32,150 --> 00:43:29,920

ranch-like areas

1222

00:43:34,230 --> 00:43:32,160

rural areas you know dogs being

1223

00:43:37,190 --> 00:43:34,240

vaporized things appearing out of

1224

00:43:39,829 --> 00:43:37,200

nowhere manifesting from nothing

1225

00:43:42,309 --> 00:43:39,839

you know the government is taking

1226

00:43:45,829 --> 00:43:42,319

this seriously and with good reason

1227

00:43:49,829 --> 00:43:48,390

uh they certainly uh seem to be i mean i

1228

00:43:53,349 --> 00:43:49,839

think they've always had an interest in

1229

00:43:56,069 --> 00:43:53,359

it um going back to um you know project

1230

00:43:58,470 --> 00:43:56,079

blue book and the predecessor um

1231

00:44:00,710 --> 00:43:58,480

you know uh studies that led to that led

1232

00:44:02,790 --> 00:44:00,720

to blue book um

1233

00:44:04,230 --> 00:44:02,800

there's always been this interest and

1234

00:44:05,829 --> 00:44:04,240

when it comes down to the military i

1235

00:44:09,750 --> 00:44:05,839

mean there's a pragmatic interest

1236

00:44:11,430 --> 00:44:09,760

because you know it's um if if there are

1237

00:44:12,870 --> 00:44:11,440

things in our skies

1238

00:44:14,630 --> 00:44:12,880

you know do they threaten our natural

1239

00:44:16,550 --> 00:44:14,640

our excuse me our national security

1240

00:44:17,829 --> 00:44:16,560

that's that's what um

1241

00:44:20,710 --> 00:44:17,839

our defense leaders are always

1242

00:44:22,069 --> 00:44:20,720

interested in and i mean they've never

1243

00:44:23,910 --> 00:44:22,079

they've never closed the door to the

1244

00:44:25,109 --> 00:44:23,920

paranormal i mean you know

1245

00:44:29,109 --> 00:44:25,119

um

1246

00:44:30,790 --> 00:44:29,119

tactical ways

1247

00:44:33,430 --> 00:44:30,800

uh by our government

1248

00:44:34,390 --> 00:44:33,440

and that's that's a known thing and uh

1249

00:44:35,910 --> 00:44:34,400

you know when it comes to the work of

1250

00:44:37,829 --> 00:44:35,920

george knapp i think it's very very

1251
00:44:39,829 --> 00:44:37,839
impressive i'm very fascinated how he

1252
00:44:42,150 --> 00:44:39,839
broke the story on bob lazar

1253
00:44:44,150 --> 00:44:42,160
and i look at um you know

1254
00:44:47,910 --> 00:44:44,160
what bob lazar revealed

1255
00:44:49,510 --> 00:44:47,920
about how how these um these craft

1256
00:44:52,230 --> 00:44:49,520
use anti-gravity

1257
00:44:53,829 --> 00:44:52,240
to propagate and the the common thought

1258
00:44:55,589 --> 00:44:53,839
in the ufologist

1259
00:44:56,470 --> 00:44:55,599
community is that

1260
00:44:59,349 --> 00:44:56,480
you know

1261
00:45:03,190 --> 00:44:59,359
people like engineers like mr lazar

1262
00:45:06,069 --> 00:45:03,200
used um alien technology g to bet to

1263
00:45:08,309 --> 00:45:06,079

reverse engineer spacecraft and so on um

1264

00:45:11,030 --> 00:45:08,319

well maybe or maybe people like him were

1265

00:45:11,910 --> 00:45:11,040

brought into this and they just uh you

1266

00:45:14,230 --> 00:45:11,920

know

1267

00:45:15,750 --> 00:45:14,240

they're fed a story or they come up with

1268

00:45:17,589 --> 00:45:15,760

you know certain certain technology like

1269

00:45:19,589 --> 00:45:17,599

i said there's just not enough proof

1270

00:45:22,309 --> 00:45:19,599

for it to go that far for me i do

1271

00:45:24,150 --> 00:45:22,319

believe that um that our science is way

1272

00:45:25,670 --> 00:45:24,160

ahead of what we see

1273

00:45:27,829 --> 00:45:25,680

with there is it's a known fact that we

1274

00:45:29,829 --> 00:45:27,839

have that we have a massive black budget

1275

00:45:31,589 --> 00:45:29,839

that is uh beyond the the oversight of

1276

00:45:33,109 --> 00:45:31,599

congress uh there's things that are

1277

00:45:34,069 --> 00:45:33,119

going on um

1278

00:45:38,230 --> 00:45:34,079

you know

1279

00:45:41,349 --> 00:45:38,240

are obviously the the u.s navy has uh uh

1280

00:45:43,829 --> 00:45:41,359

pilots and and seamen have

1281

00:45:45,190 --> 00:45:43,839

have um experienced things

1282

00:45:47,270 --> 00:45:45,200

that's what got a lot of this stirred up

1283

00:45:48,630 --> 00:45:47,280

and of course the new york times and and

1284

00:45:50,950 --> 00:45:48,640

leslie keane and all those folks when

1285

00:45:52,710 --> 00:45:50,960

they when they broke the the atip story

1286

00:45:54,950 --> 00:45:52,720

which of course george knapp is all over

1287

00:45:57,829 --> 00:45:54,960

that and and to ask what i think it's

1288

00:46:00,150 --> 00:45:57,839

called and and all those other uh uh

1289

00:46:01,910 --> 00:46:00,160

tertiary programs oh yeah i mean i think

1290

00:46:03,430 --> 00:46:01,920

the government's very interested and

1291

00:46:05,109 --> 00:46:03,440

it's um

1292

00:46:06,550 --> 00:46:05,119

it's curious when you look at the the

1293

00:46:08,710 --> 00:46:06,560

papers and the things that were that

1294

00:46:10,309 --> 00:46:08,720

have been studied you know anti-gravity

1295

00:46:13,030 --> 00:46:10,319

portal technology

1296

00:46:14,550 --> 00:46:13,040

um all those kinds of things

1297

00:46:16,309 --> 00:46:14,560

they're interested in

1298

00:46:18,710 --> 00:46:16,319

and uh what have they found out what do

1299

00:46:21,670 --> 00:46:18,720

they know i mean i would love

1300

00:46:23,270 --> 00:46:21,680

to know because i think it's like

1301

00:46:24,630 --> 00:46:23,280

i think the rabbit hole you know it's

1302

00:46:26,630 --> 00:46:24,640

like alice in wonderland i think you

1303

00:46:28,309 --> 00:46:26,640

think you go down that rabbit hole

1304

00:46:29,829 --> 00:46:28,319

you know you uh are you gonna take the

1305

00:46:31,510 --> 00:46:29,839

blue pill or the red pill which one you

1306

00:46:32,790 --> 00:46:31,520

want to take and uh

1307

00:46:34,069 --> 00:46:32,800

you know i'm all about taking the red

1308

00:46:36,390 --> 00:46:34,079

pill and just going down the rabbit hole

1309

00:46:39,349 --> 00:46:36,400

and finding out what's going on

1310

00:46:41,270 --> 00:46:39,359

yes absolutely it is uh there's a lot

1311

00:46:44,150 --> 00:46:41,280

there's a lot to be gleaned and learned

1312

00:46:46,470 --> 00:46:44,160

from from this and you know george knapp

1313

00:46:48,870 --> 00:46:46,480

i agree deserves a lot of recognition

1314

00:46:52,630 --> 00:46:48,880

and i think it's also important to

1315

00:46:55,589 --> 00:46:52,640

recognize colin kelleher and bob bigelow

1316

00:46:58,710 --> 00:46:55,599

who um you know in private conversations

1317

00:47:00,950 --> 00:46:58,720

with uh comb he has

1318

00:47:03,910 --> 00:47:00,960

mentioned uh

1319

00:47:05,190 --> 00:47:03,920

things that he has called poltergeist

1320

00:47:08,150 --> 00:47:05,200

activity

1321

00:47:10,630 --> 00:47:08,160

uh in his words um bring being brought

1322

00:47:14,870 --> 00:47:10,640

back home by investigators

1323

00:47:16,950 --> 00:47:14,880

this sounds very demonic and um

1324

00:47:18,390 --> 00:47:16,960

it is you know i think robert bigelow

1325

00:47:20,309 --> 00:47:18,400

again

1326

00:47:21,589 --> 00:47:20,319

he has had a long interest in the

1327

00:47:22,630 --> 00:47:21,599

paranormal

1328

00:47:25,430 --> 00:47:22,640

and

1329

00:47:28,309 --> 00:47:25,440

he's probably spent more money

1330

00:47:30,950 --> 00:47:28,319

than um a lot of the newer generations

1331

00:47:32,630 --> 00:47:30,960

have made off of the paranormal

1332

00:47:34,150 --> 00:47:32,640

and

1333

00:47:35,910 --> 00:47:34,160

that that

1334

00:47:39,030 --> 00:47:35,920

that conversation

1335

00:47:40,630 --> 00:47:39,040

the poltergeist activity conversation

1336

00:47:42,309 --> 00:47:40,640

being brought home

1337

00:47:44,710 --> 00:47:42,319

with investigators something i believe

1338

00:47:47,910 --> 00:47:44,720

they call the hitchhiker effect

1339

00:47:51,030 --> 00:47:47,920

it's very poltergeist-like very demonic

1340

00:47:53,430 --> 00:47:51,040

and it seems as if

1341

00:47:55,829 --> 00:47:53,440

these programs are starting to realize

1342

00:47:57,109 --> 00:47:55,839

that there's more to this and i think

1343

00:48:00,390 --> 00:47:57,119

your books

1344

00:48:02,549 --> 00:48:00,400

go deeply into this um you know being a

1345

00:48:04,390 --> 00:48:02,559

christian yeah can can you tell us a

1346

00:48:05,190 --> 00:48:04,400

little bit about

1347

00:48:07,430 --> 00:48:05,200

how

1348

00:48:11,910 --> 00:48:07,440

your career has helped you

1349

00:48:16,630 --> 00:48:14,390

well you know once again um i when it

1350

00:48:18,069 --> 00:48:16,640

comes to the paranormal i

1351
00:48:20,549 --> 00:48:18,079
look for

1352
00:48:22,309 --> 00:48:20,559
you know the normal i mean paranormal is

1353
00:48:23,270 --> 00:48:22,319
becoming the new normal but

1354
00:48:26,150 --> 00:48:23,280
um

1355
00:48:27,829 --> 00:48:26,160
you know supernatural means uh you know

1356
00:48:30,309 --> 00:48:27,839
unexplained

1357
00:48:33,109 --> 00:48:30,319
and um the more we learn

1358
00:48:34,710 --> 00:48:33,119
the more we can explain things but

1359
00:48:39,109 --> 00:48:34,720
you know

1360
00:48:40,069 --> 00:48:39,119
know you hear uh

1361
00:48:43,670 --> 00:48:40,079
uh

1362
00:48:45,510 --> 00:48:43,680
it could be wind blowing you know the

1363
00:48:46,470 --> 00:48:45,520

old houses creek

1364

00:48:49,270 --> 00:48:46,480

um

1365

00:48:51,190 --> 00:48:49,280

you know water drips uh trees make

1366

00:48:52,790 --> 00:48:51,200

shadows in the wind most paranormal

1367

00:48:53,750 --> 00:48:52,800

things are explainable you know and that

1368

00:48:56,230 --> 00:48:53,760

certainly

1369

00:48:57,510 --> 00:48:56,240

um goes into the ufo experience as well

1370

00:48:58,230 --> 00:48:57,520

so that's the first thing i would look

1371

00:49:00,870 --> 00:48:58,240

for

1372

00:49:03,829 --> 00:49:00,880

that if it is something that is

1373

00:49:06,470 --> 00:49:03,839

um you know an actual

1374

00:49:08,950 --> 00:49:06,480

phenomenon that's uh you know appears to

1375

00:49:10,950 --> 00:49:08,960

be a tangible thing i would look for

1376

00:49:12,790 --> 00:49:10,960

something natural like weather you know

1377

00:49:15,270 --> 00:49:12,800

i hate to say it but the you know good

1378

00:49:17,349 --> 00:49:15,280

old swamp gas you know you know

1379

00:49:19,270 --> 00:49:17,359

maybe it's swamp gas

1380

00:49:22,150 --> 00:49:19,280

nobody wants to hear that but uh you

1381

00:49:23,109 --> 00:49:22,160

know venus uh venus if it looks uh you

1382

00:49:23,990 --> 00:49:23,119

know

1383

00:49:25,589 --> 00:49:24,000

uh

1384

00:49:26,710 --> 00:49:25,599

there's all kinds of things meteors

1385

00:49:28,710 --> 00:49:26,720

there's there's all kinds of

1386

00:49:30,710 --> 00:49:28,720

astronomical explanations and then i

1387

00:49:32,150 --> 00:49:30,720

said uh like i said before it you know

1388

00:49:33,829 --> 00:49:32,160

there's actual

1389

00:49:35,030 --> 00:49:33,839

things that we know about that but you

1390

00:49:37,109 --> 00:49:35,040

might not know about but it's a

1391

00:49:38,309 --> 00:49:37,119

spacecraft or it's the uh the space

1392

00:49:41,349 --> 00:49:38,319

station different things that look

1393

00:49:43,589 --> 00:49:41,359

strange um but then that that's

1394

00:49:45,750 --> 00:49:43,599

explainable or maybe technology that we

1395

00:49:47,430 --> 00:49:45,760

don't even know about

1396

00:49:49,270 --> 00:49:47,440

you know if you saw a flying wing back

1397

00:49:51,670 --> 00:49:49,280

in kenneth arnold's time you would

1398

00:49:53,990 --> 00:49:51,680

certainly think that's the ufo and

1399

00:49:56,150 --> 00:49:54,000

my experience

1400

00:49:58,069 --> 00:49:56,160

with the air force and having seen the

1401

00:50:00,150 --> 00:49:58,079

b2 fly it really does look like

1402

00:50:01,829 --> 00:50:00,160

something alien it's it's very stealthy

1403

00:50:03,990 --> 00:50:01,839

very they call it the stealth bomber for

1404

00:50:05,589 --> 00:50:04,000

a reason it makes almost no noise until

1405

00:50:07,349 --> 00:50:05,599

it's right on top of you

1406

00:50:10,150 --> 00:50:07,359

it forms like a fingernail on the

1407

00:50:13,190 --> 00:50:10,160

horizon so you can barely see it um it

1408

00:50:15,430 --> 00:50:13,200

has this this strange shape and it can

1409

00:50:17,750 --> 00:50:15,440

literally bomb targets uh while it's not

1410

00:50:20,390 --> 00:50:17,760

even seen because it's it's so high in

1411

00:50:21,270 --> 00:50:20,400

in altitude at the time so

1412

00:50:23,349 --> 00:50:21,280

um

1413

00:50:24,790 --> 00:50:23,359

these things would seem extraterrestrial

1414

00:50:26,470 --> 00:50:24,800

and then

1415

00:50:28,309 --> 00:50:26,480

when you get into the spiritual side of

1416

00:50:30,470 --> 00:50:28,319

things that's what i really love about

1417

00:50:32,790 --> 00:50:30,480

what what uh what george knapp is is

1418

00:50:35,910 --> 00:50:32,800

doing with uh the skinwalkers at the

1419

00:50:38,230 --> 00:50:35,920

pentagon uh book is the fact that

1420

00:50:40,069 --> 00:50:38,240

finally it's coming together because

1421

00:50:41,910 --> 00:50:40,079

for for a long time and this is nothing

1422

00:50:43,750 --> 00:50:41,920

new this this um

1423

00:50:45,589 --> 00:50:43,760

this extra dimensional

1424

00:50:48,630 --> 00:50:45,599

uh viewpoint

1425

00:50:50,950 --> 00:50:48,640

it has been you know since uh you know

1426
00:50:54,069 --> 00:50:50,960
uh valet was talking about it you know

1427
00:50:56,309 --> 00:50:54,079
in the early 1970s and uh but but but

1428
00:50:58,309 --> 00:50:56,319
ufologists tended to you know divide

1429
00:50:59,990 --> 00:50:58,319
can't divide into camps over this and

1430
00:51:01,910 --> 00:51:00,000
say well you're either

1431
00:51:04,150 --> 00:51:01,920
you're either um

1432
00:51:06,870 --> 00:51:04,160
you know extra biological entities

1433
00:51:09,510 --> 00:51:06,880
nothing both spacecraft believer or your

1434
00:51:12,950 --> 00:51:09,520
you know extra dimensional type believer

1435
00:51:14,470 --> 00:51:12,960
but no um we're studying these things

1436
00:51:16,230 --> 00:51:14,480
we're seeing things that are flying

1437
00:51:18,069 --> 00:51:16,240
around we're wondering what they are

1438
00:51:21,109 --> 00:51:18,079

they seem to be physical

1439

00:51:22,950 --> 00:51:21,119

um but despite our best efforts they're

1440

00:51:25,430 --> 00:51:22,960

having these paranormal like you said

1441

00:51:27,750 --> 00:51:25,440

poltergeist experiences

1442

00:51:29,670 --> 00:51:27,760

if listen if this was if this was

1443

00:51:30,950 --> 00:51:29,680

biological entities like us we're aliens

1444

00:51:34,069 --> 00:51:30,960

too i mean we've already stepped out

1445

00:51:36,069 --> 00:51:34,079

into other worlds you know i mean uh we

1446

00:51:38,150 --> 00:51:36,079

physically landed on another world you

1447

00:51:40,069 --> 00:51:38,160

know we think about the many times that

1448

00:51:43,109 --> 00:51:40,079

we've stepped on the moon but but we're

1449

00:51:45,109 --> 00:51:43,119

putting probes on on on on on asteroids

1450

00:51:47,430 --> 00:51:45,119

now you know we've we've revisited the

1451
00:51:49,349 --> 00:51:47,440
outer planets we've sent probes out of

1452
00:51:53,670 --> 00:51:49,359
our out of our solar system you know

1453
00:51:55,829 --> 00:51:53,680
we're the aliens now okay so um

1454
00:51:57,990 --> 00:51:55,839
but how do you explain these paranormal

1455
00:51:59,750 --> 00:51:58,000
experiences if these are beings like us

1456
00:52:01,750 --> 00:51:59,760
even if they are

1457
00:52:03,430 --> 00:52:01,760
advanced by millions of years as many

1458
00:52:04,630 --> 00:52:03,440
people believe

1459
00:52:07,270 --> 00:52:04,640
why would there be paranormal

1460
00:52:08,549 --> 00:52:07,280
experiences associated with these things

1461
00:52:09,829 --> 00:52:08,559
you know and again when you get to this

1462
00:52:11,430 --> 00:52:09,839
especially when you start talking about

1463
00:52:12,790 --> 00:52:11,440

the contactees

1464

00:52:13,589 --> 00:52:12,800

why you know

1465

00:52:18,309 --> 00:52:13,599

uh

1466

00:52:20,549 --> 00:52:18,319

early days we're hearing stories of

1467

00:52:23,109 --> 00:52:20,559

beings from venus and and from what

1468

00:52:24,630 --> 00:52:23,119

jupiter you know the planets and now we

1469

00:52:27,349 --> 00:52:24,640

know as our science grew we learned that

1470

00:52:29,670 --> 00:52:27,359

well these planets are not inhabited so

1471

00:52:32,069 --> 00:52:29,680

the stories go out into the galaxy and

1472

00:52:33,670 --> 00:52:32,079

now they're out into other galaxies so

1473

00:52:35,750 --> 00:52:33,680

these beings seem to be changing their

1474

00:52:37,270 --> 00:52:35,760

stories over time

1475

00:52:39,349 --> 00:52:37,280

because i don't want to say that all

1476

00:52:40,630 --> 00:52:39,359

these conti contactees over the years i

1477

00:52:42,790 --> 00:52:40,640

don't want to call them liars that would

1478

00:52:44,870 --> 00:52:42,800

be very disrespectful i mean

1479

00:52:46,470 --> 00:52:44,880

there are obviously hoaxers in this in

1480

00:52:49,349 --> 00:52:46,480

this uh community

1481

00:52:51,430 --> 00:52:49,359

um that we've always had but there are

1482

00:52:53,190 --> 00:52:51,440

people that are truly suffering

1483

00:52:55,589 --> 00:52:53,200

uh from experiences

1484

00:52:57,109 --> 00:52:55,599

that uh deserve our sympathy because

1485

00:52:58,390 --> 00:52:57,119

it's it's a very real thing that's

1486

00:52:59,430 --> 00:52:58,400

happening to them

1487

00:53:01,430 --> 00:52:59,440

but

1488

00:53:03,510 --> 00:53:01,440

i mean come on if you're if you're

1489

00:53:06,549 --> 00:53:03,520

taking aboard a spacecraft

1490

00:53:08,630 --> 00:53:06,559

um and you go visit another planet

1491

00:53:09,430 --> 00:53:08,640

we're not going to see you again because

1492

00:53:11,030 --> 00:53:09,440

uh

1493

00:53:12,390 --> 00:53:11,040

we can't get around einstein we can't

1494

00:53:14,790 --> 00:53:12,400

get around we can't get around the laws

1495

00:53:16,950 --> 00:53:14,800

of physics you know if you travel i mean

1496

00:53:20,069 --> 00:53:16,960

you know you you space and time are

1497

00:53:23,910 --> 00:53:20,079

interwoven you can't go visit these

1498

00:53:25,270 --> 00:53:23,920

these reaches without long spans of time

1499

00:53:27,430 --> 00:53:25,280

you can't just go to these planets and

1500

00:53:28,870 --> 00:53:27,440

get the positive back and then if you

1501
00:53:31,349 --> 00:53:28,880
are then why are you neatly tucked into

1502
00:53:32,630 --> 00:53:31,359
your bed you know especially if you were

1503
00:53:35,030 --> 00:53:32,640
subject to some of these horrible

1504
00:53:35,910 --> 00:53:35,040
horrible things that people experience

1505
00:53:37,910 --> 00:53:35,920
so

1506
00:53:40,390 --> 00:53:37,920
no i'm very encouraged by the fact that

1507
00:53:42,150 --> 00:53:40,400
this paranormal part of it is being

1508
00:53:43,829 --> 00:53:42,160
acknowledged the researchers are looking

1509
00:53:46,069 --> 00:53:43,839
at it and they're saying yeah this is

1510
00:53:47,829 --> 00:53:46,079
this is part of it this is this is and

1511
00:53:50,470 --> 00:53:47,839
so you can't science

1512
00:53:52,309 --> 00:53:50,480
you can't uh you can't cut that out of

1513
00:53:54,069 --> 00:53:52,319

the story it's part of the story so we

1514

00:53:57,109 --> 00:53:54,079

have to look at where the evidence leads

1515

00:53:58,790 --> 00:53:57,119

and guess what maybe just maybe that

1516

00:54:00,630 --> 00:53:58,800

evidence is going to lead us

1517

00:54:03,030 --> 00:54:00,640

all the way from our science all the way

1518

00:54:05,589 --> 00:54:03,040

back around to our anecdotal traditions

1519

00:54:07,990 --> 00:54:05,599

to the shamanic traditions to the faith

1520

00:54:11,670 --> 00:54:08,000

uh revealed to us in the bible and to

1521

00:54:14,069 --> 00:54:11,680

what we knew all along yeah man it is

1522

00:54:16,150 --> 00:54:14,079

amazing how you have delved into this

1523

00:54:18,710 --> 00:54:16,160

mystical exploration of the paranormal

1524

00:54:21,270 --> 00:54:18,720

phenomena through the lens of the bible

1525

00:54:24,549 --> 00:54:21,280

i i really appreciate that

1526

00:54:26,710 --> 00:54:24,559

and um in your words uh i i love this

1527

00:54:29,270 --> 00:54:26,720

this line if you believe in the bible

1528

00:54:32,309 --> 00:54:29,280

you already have faith in the unseen the

1529

00:54:33,829 --> 00:54:32,319

supernatural worldview of our ancestors

1530

00:54:36,710 --> 00:54:33,839

and you know

1531

00:54:38,950 --> 00:54:36,720

at times i i wish i had a time machine

1532

00:54:40,950 --> 00:54:38,960

or a way to like jump space time or

1533

00:54:43,670 --> 00:54:40,960

something like that i've kind of

1534

00:54:46,069 --> 00:54:43,680

crystallized myself in a small little

1535

00:54:48,230 --> 00:54:46,079

area doing some research and you know

1536

00:54:49,349 --> 00:54:48,240

there's times like this morning i had to

1537

00:54:51,190 --> 00:54:49,359

overnight

1538

00:54:54,150 --> 00:54:51,200

a small research tool that they needed

1539

00:54:56,230 --> 00:54:54,160

like yesterday and um

1540

00:54:59,910 --> 00:54:56,240

we're really up against

1541

00:55:01,829 --> 00:54:59,920

amazing amazing curious mysteries

1542

00:55:03,030 --> 00:55:01,839

and i think that you are on the cutting

1543

00:55:05,430 --> 00:55:03,040

edge of this

1544

00:55:07,589 --> 00:55:05,440

you've answered many of my questions i

1545

00:55:09,190 --> 00:55:07,599

hope listeners have gathered a lot and

1546

00:55:11,030 --> 00:55:09,200

you have you've had a long and

1547

00:55:12,309 --> 00:55:11,040

impressive career with the united states

1548

00:55:13,349 --> 00:55:12,319

government and i thank you for your

1549

00:55:16,710 --> 00:55:13,359

service

1550

00:55:19,510 --> 00:55:16,720

your unique world view is extremely 100

1551

00:55:22,630 --> 00:55:19,520

on point on many subjects and let's go

1552

00:55:24,630 --> 00:55:22,640

in yeah absolutely it's well deserved um

1553

00:55:26,950 --> 00:55:24,640

let's go into where listeners can get

1554

00:55:30,549 --> 00:55:26,960

help with demonic issues read your books

1555

00:55:32,309 --> 00:55:30,559

and support your magnificent work

1556

00:55:34,870 --> 00:55:32,319

well ryan thank you for for those kind

1557

00:55:37,589 --> 00:55:34,880

words i i really appreciate it and you

1558

00:55:39,109 --> 00:55:37,599

know again um uh our our you know if you

1559

00:55:40,950 --> 00:55:39,119

look at our christian creeds it's it's

1560

00:55:44,549 --> 00:55:40,960

right there you know i believe in god

1561

00:55:46,950 --> 00:55:44,559

the maker of heaven and earth uh and all

1562

00:55:49,430 --> 00:55:46,960

things visible and invisible right there

1563

00:55:51,510 --> 00:55:49,440

from our from our ancient creeds you see

1564

00:55:53,270 --> 00:55:51,520

and invisible wait a minute what did

1565

00:55:54,870 --> 00:55:53,280

they put in there you know see there's

1566

00:55:56,789 --> 00:55:54,880

there's more to it than meets the eye

1567

00:55:58,870 --> 00:55:56,799

and uh and yeah so i just want to be

1568

00:56:02,870 --> 00:55:58,880

able to bridge that gap you know to

1569

00:56:03,829 --> 00:56:02,880

bring all people into the fold um and

1570

00:56:05,990 --> 00:56:03,839

you know

1571

00:56:08,230 --> 00:56:06,000

help people understand that that

1572

00:56:11,270 --> 00:56:08,240

there are answers to these things

1573

00:56:13,670 --> 00:56:11,280

so again my website richard d lewis

1574

00:56:15,910 --> 00:56:13,680

author dot com that's richard d lewis

1575

00:56:18,150 --> 00:56:15,920

author dot com my book series is called

1576

00:56:19,670 --> 00:56:18,160

the paranormal christian uh book one and

1577

00:56:22,870 --> 00:56:19,680

book two are both available on my

1578

00:56:25,270 --> 00:56:22,880

website as well as amazon and uh barnes

1579

00:56:26,630 --> 00:56:25,280

noble all the other book sellers you can

1580

00:56:29,750 --> 00:56:26,640

find you can find my books there but

1581

00:56:32,710 --> 00:56:29,760

richard d lewis dot com you can find out

1582

00:56:35,109 --> 00:56:32,720

all things about um you know you can you

1583

00:56:36,150 --> 00:56:35,119

can experience my deliverance from

1584

00:56:37,990 --> 00:56:36,160

demons

1585

00:56:39,990 --> 00:56:38,000

video series you can sign up for that if

1586

00:56:41,829 --> 00:56:40,000

you join my my my um

1587

00:56:45,510 --> 00:56:41,839

if you see you know if you if you sign

1588

00:56:47,030 --> 00:56:45,520

up for the web for my website and um

1589

00:56:48,950 --> 00:56:47,040

everything's free you know all the

1590

00:56:51,829 --> 00:56:48,960

resources uh past podcasts that have

1591

00:56:53,349 --> 00:56:51,839

been recorded are there uh plus all of

1592

00:56:55,990 --> 00:56:53,359

the things that i do with news current

1593

00:56:57,430 --> 00:56:56,000

events uh film reviews

1594

00:56:59,750 --> 00:56:57,440

all kinds of goodness you can find there

1595

00:57:01,430 --> 00:56:59,760

at my website richard lewis

1596

00:57:03,109 --> 00:57:01,440

author dot com

1597

00:57:04,630 --> 00:57:03,119

thank you richard i really appreciate

1598

00:57:07,750 --> 00:57:04,640

you coming on the podcast you're a

1599

00:57:09,430 --> 00:57:07,760

master at your craft and uh yeah amen

1600

00:57:11,349 --> 00:57:09,440

man i'm glad that you're you're doing it

1601
00:57:13,430 --> 00:57:11,359
the way you're doing it

1602
00:57:15,270 --> 00:57:13,440
well thank you for what you do ryan uh

1603
00:57:16,710 --> 00:57:15,280
hero paranormal you're my hero but i

1604
00:57:19,190 --> 00:57:16,720
really appreciate you

1605
00:57:21,430 --> 00:57:19,200
man oh man do i appreciate richard d

1606
00:57:25,510 --> 00:57:21,440
lewis coming on

1607
00:57:26,950 --> 00:57:25,520
discussing his amazing career um he is

1608
00:57:29,990 --> 00:57:26,960
the creator of the award-winning

1609
00:57:33,030 --> 00:57:30,000
pentagon channel tv new news magazine

1610
00:57:35,829 --> 00:57:33,040
air force space today he's won multiple

1611
00:57:38,549 --> 00:57:35,839
telly and thomas jefferson awards

1612
00:57:41,270 --> 00:57:38,559
what an investigator researching from an

1613
00:57:42,150 --> 00:57:41,280

angle that others are scared to research

1614

00:57:44,789 --> 00:57:42,160

from

1615

00:57:46,950 --> 00:57:44,799

it's uh it's pretty amazing that you

1616

00:57:48,230 --> 00:57:46,960

know his stories his look at this

1617

00:57:49,750 --> 00:57:48,240

subject

1618

00:57:51,750 --> 00:57:49,760

and the

1619

00:57:54,710 --> 00:57:51,760

the tools that he's offering through his

1620

00:57:56,870 --> 00:57:54,720

website definitely something

1621

00:58:00,230 --> 00:57:56,880

all listeners should take a look at

1622

00:58:01,910 --> 00:58:00,240

great books on the subject matter

1623

00:58:05,349 --> 00:58:01,920

it's interesting the entertainment

1624

00:58:07,670 --> 00:58:05,359

industry has produced huge huge numbers

1625

00:58:11,270 --> 00:58:07,680

of television shows

1626
00:58:13,030 --> 00:58:11,280
movies that involve ufos aliens

1627
00:58:15,750 --> 00:58:13,040
and there has been

1628
00:58:18,230 --> 00:58:15,760
a lot of money made in this arena

1629
00:58:20,549 --> 00:58:18,240
yet many have their goal

1630
00:58:23,270 --> 00:58:20,559
to help and richard is one of those he

1631
00:58:25,270 --> 00:58:23,280
is the creator of an amazing website an

1632
00:58:26,390 --> 00:58:25,280
amazing book series

1633
00:58:29,750 --> 00:58:26,400
and

1634
00:58:30,950 --> 00:58:29,760
he's a legitimate helper of humanity

1635
00:58:33,510 --> 00:58:30,960
clearly

1636
00:58:35,109 --> 00:58:33,520
he is pointing at a little bit something

1637
00:58:37,510 --> 00:58:35,119
different when it comes to the ufo

1638
00:58:40,390 --> 00:58:37,520

phenomena something that i think is very

1639

00:58:41,190 --> 00:58:40,400

important the way that he views it

1640

00:58:42,710 --> 00:58:41,200

and

1641

00:58:45,589 --> 00:58:42,720

one thing is obvious

1642

00:58:47,910 --> 00:58:45,599

ufo phenomena is quite complex for a

1643

00:58:50,470 --> 00:58:47,920

variety of reasons there's no one

1644

00:58:53,829 --> 00:58:50,480

explanation that can even

1645

00:58:54,789 --> 00:58:53,839

vaguely attempt to explain what's going

1646

00:58:56,069 --> 00:58:54,799

on

1647

00:58:58,150 --> 00:58:56,079

it is

1648

00:59:00,549 --> 00:58:58,160

a lot of perception

1649

00:59:03,030 --> 00:59:00,559

alien contact and abductions are a very

1650

00:59:05,190 --> 00:59:03,040

dark and real

1651
00:59:07,190 --> 00:59:05,200
thing and this has permeated our

1652
00:59:09,190 --> 00:59:07,200
mainstream reality

1653
00:59:11,990 --> 00:59:09,200
through various sources

1654
00:59:14,950 --> 00:59:12,000
and i'm finding that the lives of people

1655
00:59:17,510 --> 00:59:14,960
that have been affected by this

1656
00:59:18,630 --> 00:59:17,520
they quite literally have been

1657
00:59:20,630 --> 00:59:18,640
broken

1658
00:59:23,349 --> 00:59:20,640
and it's important to realize that

1659
00:59:25,750 --> 00:59:23,359
beyond fear the anguish the pain

1660
00:59:28,870 --> 00:59:25,760
you know we do live in a world that is

1661
00:59:32,549 --> 00:59:28,880
uh fairly broken it's a broken world we

1662
00:59:35,990 --> 00:59:32,559
have wars we have poverty we have hunger

1663
00:59:37,430 --> 00:59:36,000

we have abuse of various sorts and

1664

00:59:44,390 --> 00:59:37,440

there is

1665

00:59:46,630 --> 00:59:44,400

think that richard's books and his work

1666

00:59:49,430 --> 00:59:46,640

shine brightly and offer this light to

1667

00:59:52,150 --> 00:59:49,440

people so they can have the ability to

1668

00:59:55,349 --> 00:59:52,160

manipulate this energy to their benefit

1669

00:59:58,630 --> 00:59:55,359

please check out his website richard d

1670

01:00:00,390 --> 00:59:58,640

lewis author dot com check out his books

1671

01:00:01,430 --> 01:00:00,400

his free tools

1672

01:00:03,829 --> 01:00:01,440

to uh

1673

01:00:05,510 --> 01:00:03,839

help those in need

1674

01:00:07,990 --> 01:00:05,520

man

1675

01:00:10,630 --> 01:00:08,000

so excited that i got to talk to him and

1676

01:00:12,710 --> 01:00:10,640

so excited where the conversation went

1677

01:00:15,109 --> 01:00:12,720

until next time keep your eyes to the

1678

01:00:27,800 --> 01:00:15,119

skies feet on the ground but don't

1679

01:00:42,950 --> 01:00:40,470

[Music]

1680

01:00:44,549 --> 01:00:42,960

blast off blast off

1681

01:00:47,430 --> 01:00:44,559

glasses off
