

**RICHARD DOTY**

**NATIONAL SECURITY**

**HERO**

1  
00:00:01,680 --> 00:00:10,670

hey

2  
00:00:10,680 --> 00:00:26,230

[Music]

3  
00:00:26,240 --> 00:00:33,100

come blast off in my time machine

4  
00:00:33,110 --> 00:00:36,950

[Music]

5  
00:00:40,630 --> 00:00:38,790

blast off

6  
00:00:43,190 --> 00:00:40,640

on another episode

7  
00:00:45,750 --> 00:00:43,200

of hero paranormal podcast

8  
00:00:49,029 --> 00:00:45,760

broadcasting from the base at la madre

9  
00:00:51,430 --> 00:00:49,039

mountain just south of area 51 my name

10  
00:00:54,150 --> 00:00:51,440

is ryan the original outlaw of the

11  
00:00:57,750 --> 00:00:54,160

airwaves bringing you an epic episode

12  
00:00:58,950 --> 00:00:57,760

today we are delving into well one of my

13  
00:00:59,910 --> 00:00:58,960

favorite

14

00:01:03,029 --> 00:00:59,920

people

15

00:01:05,429 --> 00:01:03,039

um i have been itching to have a

16

00:01:07,590 --> 00:01:05,439

conversation with this gentleman for as

17

00:01:09,030 --> 00:01:07,600

long as i can remember since i started

18

00:01:11,190 --> 00:01:09,040

the podcast

19

00:01:14,550 --> 00:01:11,200

it is

20

00:01:18,870 --> 00:01:14,560

just awesome that he has agreed to talk

21

00:01:21,670 --> 00:01:18,880

to me he is a real wife man in black uh

22

00:01:25,670 --> 00:01:21,680

in every sense of the word i believe

23

00:01:27,749 --> 00:01:25,680

in so much as his work with area 51 as

24

00:01:30,310 --> 00:01:27,759

well as his work with the office of

25

00:01:33,270 --> 00:01:30,320

special investigations of the air force

26

00:01:36,550 --> 00:01:33,280

we are talking about none other than

27

00:01:38,550 --> 00:01:36,560

mr richard doty

28

00:01:41,910 --> 00:01:38,560

a real nice guy too

29

00:01:44,550 --> 00:01:41,920

dodie admits to having had a hand

30

00:01:46,789 --> 00:01:44,560

in leaking classified documents such as

31

00:01:49,749 --> 00:01:46,799

the majestic 12 dossier

32

00:01:50,630 --> 00:01:49,759

he has uh

33

00:01:53,030 --> 00:01:50,640

been

34

00:01:55,429 --> 00:01:53,040

into a lot of secret things

35

00:01:57,030 --> 00:01:55,439

a lot of secret a lot of secret

36

00:02:00,149 --> 00:01:57,040

conspiracies

37

00:02:04,469 --> 00:02:00,159

very involved with paul benowitz and the

38

00:02:06,550 --> 00:02:04,479

dulce new mexico underground base case

39

00:02:08,229 --> 00:02:06,560

this seems like the kind of thing you

40

00:02:10,630 --> 00:02:08,239

would discuss that has something to do

41

00:02:14,470 --> 00:02:10,640

with a movie like some grand you know

42

00:02:16,390 --> 00:02:14,480

ufo mib movie it's a tricky area

43

00:02:17,910 --> 00:02:16,400

it really depends on what side of the

44

00:02:20,070 --> 00:02:17,920

fence you're on

45

00:02:21,430 --> 00:02:20,080

and i'm just on the side of this fence

46

00:02:23,990 --> 00:02:21,440

of truth

47

00:02:26,550 --> 00:02:24,000

as far as the cia's psychological

48

00:02:28,790 --> 00:02:26,560

strategy board which was founded after

49

00:02:30,229 --> 00:02:28,800

the second world war to promote u.s

50

00:02:32,070 --> 00:02:30,239

propaganda

51

00:02:34,790 --> 00:02:32,080

many

52

00:02:37,110 --> 00:02:34,800

government agencies have

53

00:02:38,150 --> 00:02:37,120

had a different story to tell to the

54

00:02:41,350 --> 00:02:38,160

masses

55

00:02:43,270 --> 00:02:41,360

than what is actually going on now sadly

56

00:02:45,670 --> 00:02:43,280

a lot of people have

57

00:02:47,990 --> 00:02:45,680

discarded richard doty

58

00:02:49,910 --> 00:02:48,000

because you know he's come forward and

59

00:02:52,070 --> 00:02:49,920

said yeah i lied to the public well

60

00:02:53,990 --> 00:02:52,080

guess what this is

61

00:02:55,350 --> 00:02:54,000

what government agencies and government

62

00:02:58,070 --> 00:02:55,360

officials are

63

00:02:59,589 --> 00:02:58,080

paid to do it's your job you know and

64

00:03:02,229 --> 00:02:59,599

someone that does their job well is

65

00:03:03,990 --> 00:03:02,239

going to do their job well

66

00:03:07,190 --> 00:03:04,000

richard doty is really one of those

67

00:03:09,350 --> 00:03:07,200

characters who has uh seen it all he

68

00:03:12,149 --> 00:03:09,360

does believe alien contact has been

69

00:03:15,589 --> 00:03:12,159

established and i'm gonna go ahead and

70

00:03:16,790 --> 00:03:15,599

ask as many deep questions as i can if

71

00:03:19,030 --> 00:03:16,800

nothing else

72

00:03:21,670 --> 00:03:19,040

we will know more by the time we're done

73

00:03:24,070 --> 00:03:21,680

than we know now

74

00:03:27,430 --> 00:03:24,080

a real pleasure to talk to richard dodie

75

00:03:29,750 --> 00:03:27,440

i'm so excited to talk to him i am

76

00:03:33,509 --> 00:03:29,760

he's a genuinely nice guy who i

77

00:03:34,789 --> 00:03:33,519

appreciate i appreciate his forthright

78

00:03:36,789 --> 00:03:34,799

behavior

79

00:03:40,949 --> 00:03:36,799

ever since he was asked to speak at the

80

00:03:41,830 --> 00:03:40,959

2019 laughlin megacon ufo conference

81

00:03:44,149 --> 00:03:41,840

and

82

00:03:46,789 --> 00:03:44,159

he's the subject of a lot of controversy

83

00:03:49,910 --> 00:03:46,799

if you haven't seen miragemen he is in

84

00:03:52,390 --> 00:03:49,920

that i believe that's on netflix uh we

85

00:03:54,149 --> 00:03:52,400

are going to delve deeply into all kinds

86

00:03:56,070 --> 00:03:54,159

of stuff office of special

87

00:03:57,270 --> 00:03:56,080

investigations is

88

00:04:00,229 --> 00:03:57,280

well

89

00:04:02,070 --> 00:04:00,239

far be to for me to have favorites and

90

00:04:03,830 --> 00:04:02,080

play favorites but it is one of my

91

00:04:04,789 --> 00:04:03,840

favorite organizations within our

92

00:04:07,990 --> 00:04:04,799

government

93

00:04:10,949 --> 00:04:08,000

they deal with a lot of weird happenings

94

00:04:13,190 --> 00:04:10,959

and the way that they relate to the

95

00:04:15,110 --> 00:04:13,200

public should not really

96

00:04:18,229 --> 00:04:15,120

be held against them because the public

97

00:04:19,430 --> 00:04:18,239

is not always readily available

98

00:04:21,509 --> 00:04:19,440

to

99

00:04:23,189 --> 00:04:21,519

process this information in a way that

100

00:04:24,310 --> 00:04:23,199

ufologists would

101  
00:04:25,909 --> 00:04:24,320  
and

102  
00:04:29,510 --> 00:04:25,919  
a lot of people don't even believe in

103  
00:04:31,990 --> 00:04:29,520  
ufos so we we have to really you know

104  
00:04:33,830 --> 00:04:32,000  
look at this with broad strokes

105  
00:04:36,150 --> 00:04:33,840  
um

106  
00:04:38,150 --> 00:04:36,160  
it's a it's a complicated matter he's a

107  
00:04:40,469 --> 00:04:38,160  
very intelligent individual with all the

108  
00:04:42,710 --> 00:04:40,479  
credentials to prove

109  
00:04:44,710 --> 00:04:42,720  
what he is saying and i think that his

110  
00:04:47,270 --> 00:04:44,720  
voice needs to be heard so without

111  
00:04:49,830 --> 00:04:47,280  
further ado richard dodie welcome to the

112  
00:04:51,030 --> 00:04:49,840  
hero paranormal podcast can you hear me

113  
00:04:53,270 --> 00:04:51,040

okay

114

00:04:55,270 --> 00:04:53,280

yes i can hear you now oh great great

115

00:04:58,310 --> 00:04:55,280

it's it's such a pleasure to talk to you

116

00:05:00,790 --> 00:04:58,320

um i i have so many questions

117

00:05:02,469 --> 00:05:00,800

most of which i'm sure you can't answer

118

00:05:03,430 --> 00:05:02,479

and with good reason

119

00:05:06,310 --> 00:05:03,440

um

120

00:05:08,950 --> 00:05:06,320

but yeah i have ever since i initiated

121

00:05:11,029 --> 00:05:08,960

my podcast i have wanted to talk to you

122

00:05:14,710 --> 00:05:11,039

you've been at the top of my list

123

00:05:16,870 --> 00:05:14,720

i really respect uh you know the

124

00:05:18,070 --> 00:05:16,880

i think that i really respect the work

125

00:05:21,110 --> 00:05:18,080

that you did

126  
00:05:22,830 --> 00:05:21,120  
and the reason i say that is um you've

127  
00:05:25,510 --> 00:05:22,840  
had a lot of

128  
00:05:28,469 --> 00:05:25,520  
influence and connection to the ufo

129  
00:05:31,110 --> 00:05:28,479  
community but you also worked for the

130  
00:05:34,550 --> 00:05:31,120  
office of special investigations which i

131  
00:05:36,150 --> 00:05:34,560  
believe exists uh for a good reason uh

132  
00:05:38,070 --> 00:05:36,160  
to defend the nation

133  
00:05:39,749 --> 00:05:38,080  
um protect the department of the air

134  
00:05:42,150 --> 00:05:39,759  
force and find the truth of a lot of

135  
00:05:45,590 --> 00:05:42,160  
things and we have to remember that

136  
00:05:47,510 --> 00:05:45,600  
ufology is a large group of people

137  
00:05:50,310 --> 00:05:47,520  
and they're not all great they're not

138  
00:05:53,029 --> 00:05:50,320

all bad but there's a lot of factions

139

00:05:54,550 --> 00:05:53,039

and it's important that you know the

140

00:05:57,189 --> 00:05:54,560

personnel and resources of the

141

00:05:58,950 --> 00:05:57,199

government have some kind of pulse as to

142

00:06:00,790 --> 00:05:58,960

what's going on and that was your job in

143

00:06:03,270 --> 00:06:00,800

a lot of ways wasn't it

144

00:06:05,350 --> 00:06:03,280

yes yes it was it was

145

00:06:09,189 --> 00:06:05,360

it was

146

00:06:12,070 --> 00:06:09,199

the ufo community is a strange world

147

00:06:15,270 --> 00:06:12,080

you have the um

148

00:06:17,670 --> 00:06:15,280

the true believers you have the

149

00:06:20,950 --> 00:06:17,680

uh i call them this

150

00:06:24,629 --> 00:06:20,960

the um mild skeptics

151

00:06:26,309 --> 00:06:24,639

you have the hard-nosed skeptics

152

00:06:27,670 --> 00:06:26,319

and then you have some that are just in

153

00:06:29,909 --> 00:06:27,680

there for

154

00:06:31,990 --> 00:06:29,919

the information they don't provide much

155

00:06:32,790 --> 00:06:32,000

they just wanted to want to listen to

156

00:06:36,150 --> 00:06:32,800

what

157

00:06:41,110 --> 00:06:38,309

i couldn't agree more there's a lot of

158

00:06:43,350 --> 00:06:41,120

online fraudsters

159

00:06:45,350 --> 00:06:43,360

and uh some of them some of the

160

00:06:47,189 --> 00:06:45,360

information could be dangerous and i

161

00:06:48,469 --> 00:06:47,199

think that's what a lot of people don't

162

00:06:50,710 --> 00:06:48,479

understand

163

00:06:51,589 --> 00:06:50,720

there is a shift happening in ufology

164

00:06:53,830 --> 00:06:51,599

and

165

00:06:56,550 --> 00:06:53,840

while you know there are claims anytime

166

00:06:57,430 --> 00:06:56,560

you hear government disinformation agent

167

00:07:00,710 --> 00:06:57,440

that's

168

00:07:03,589 --> 00:07:00,720

seemingly seen as a bad thing yet

169

00:07:05,749 --> 00:07:03,599

it's a very necessary thing because some

170

00:07:07,589 --> 00:07:05,759

of these secrets about possible

171

00:07:10,309 --> 00:07:07,599

extraterrestrials

172

00:07:12,469 --> 00:07:10,319

uh it this is um

173

00:07:14,870 --> 00:07:12,479

this this can throw the world into a

174

00:07:17,749 --> 00:07:14,880

tailspin and we've seen this in the past

175

00:07:19,110 --> 00:07:17,759

with the world war of the world's

176

00:07:20,790 --> 00:07:19,120

uh

177

00:07:22,309 --> 00:07:20,800

radio show coming out and people

178

00:07:23,670 --> 00:07:22,319

literally throwing themselves out of

179

00:07:25,589 --> 00:07:23,680

windows

180

00:07:28,070 --> 00:07:25,599

you know how do you disseminate what

181

00:07:30,629 --> 00:07:28,080

information or at least in in your past

182

00:07:34,070 --> 00:07:30,639

how did you disseminate what information

183

00:07:35,189 --> 00:07:34,080

was um possibly

184

00:07:39,029 --> 00:07:35,199

dangerous

185

00:07:42,629 --> 00:07:39,039

to the united states of america

186

00:07:45,270 --> 00:07:42,639

well um first of all when you you

187

00:07:47,830 --> 00:07:45,280

talk about the uh ufo community you

188

00:07:49,670 --> 00:07:47,840

you're talking about a wide range as i

189

00:07:51,430 --> 00:07:49,680

mentioned earlier

190

00:07:52,309 --> 00:07:51,440

there's a lot of skeptics and there's a

191

00:07:55,270 --> 00:07:52,319

lot of

192

00:07:58,070 --> 00:07:55,280

uh people within the ufo community are

193

00:07:59,110 --> 00:07:58,080

what i just call backstabbers

194

00:08:02,150 --> 00:07:59,120

if you

195

00:08:03,029 --> 00:08:02,160

if i was to say something or i wrote a

196

00:08:10,150 --> 00:08:03,039

book

197

00:08:11,670 --> 00:08:10,160

or their information

198

00:08:13,830 --> 00:08:11,680

they're going to criticize you they're

199

00:08:15,430 --> 00:08:13,840

going to downplay you

200

00:08:17,909 --> 00:08:15,440

and they're going to

201  
00:08:19,830 --> 00:08:17,919  
outright in some instances try to

202  
00:08:20,710 --> 00:08:19,840  
destroy you

203  
00:08:23,029 --> 00:08:20,720  
uh

204  
00:08:25,189 --> 00:08:23,039  
phil class said it best

205  
00:08:29,110 --> 00:08:25,199  
some years ago of course phil the

206  
00:08:31,990 --> 00:08:29,120  
lakefield class was a hard-nosed skeptic

207  
00:08:33,509 --> 00:08:32,000  
uh and he says he said at a ufo

208  
00:08:35,110 --> 00:08:33,519  
convention

209  
00:08:37,350 --> 00:08:35,120  
you people do more

210  
00:08:40,389 --> 00:08:37,360  
harm from within

211  
00:08:42,709 --> 00:08:40,399  
than i could ever do from outside and

212  
00:08:45,190 --> 00:08:42,719  
that's true you see it today

213  
00:08:47,350 --> 00:08:45,200

uh and and so

214

00:08:48,630 --> 00:08:47,360

when i when i

215

00:08:51,670 --> 00:08:48,640

left

216

00:08:55,430 --> 00:08:51,680

uh the intelligence community

217

00:08:56,949 --> 00:08:55,440

and um i of course went into uh uh

218

00:08:59,030 --> 00:08:56,959

working for uh the institute for

219

00:09:00,230 --> 00:08:59,040

advanced studies that dr put off for a

220

00:09:01,030 --> 00:09:00,240

number of years

221

00:09:04,790 --> 00:09:01,040

um

222

00:09:06,870 --> 00:09:04,800

i kind of just uh hung around at ufo

223

00:09:10,310 --> 00:09:06,880

conventions listening to what they're

224

00:09:12,470 --> 00:09:10,320

saying and then i try to contribute but

225

00:09:14,389 --> 00:09:12,480

when i came out and tried to contribute

226

00:09:17,030 --> 00:09:14,399

i was immediately

227

00:09:19,190 --> 00:09:17,040

labeled a disinformation person

228

00:09:21,030 --> 00:09:19,200

uh that nothing i could say could be

229

00:09:23,509 --> 00:09:21,040

true

230

00:09:25,750 --> 00:09:23,519

i i was trying to spread the word i was

231

00:09:27,750 --> 00:09:25,760

trying to get the information out there

232

00:09:30,389 --> 00:09:27,760

that the united states government

233

00:09:31,990 --> 00:09:30,399

has had contact

234

00:09:34,150 --> 00:09:32,000

with ex-terrestrials in one way or

235

00:09:36,870 --> 00:09:34,160

another since 1947.

236

00:09:39,990 --> 00:09:36,880

now uh i was briefed into the program in

237

00:09:43,190 --> 00:09:40,000

1979 project aquarius

238

00:09:45,590 --> 00:09:43,200

uh i wasn't told everything uh obviously

239

00:09:47,310 --> 00:09:45,600

but the briefing a lot that i got in

240

00:09:50,230 --> 00:09:47,320

1947 and

241

00:09:52,389 --> 00:09:50,240

1979 pertain to everything we knew from

242

00:09:54,470 --> 00:09:52,399

1947 on

243

00:09:55,750 --> 00:09:54,480

now i know

244

00:09:57,829 --> 00:09:55,760

other people out there are going to say

245

00:09:58,550 --> 00:09:57,839

oh no we knew a lot more before that

246

00:10:00,550 --> 00:09:58,560

well

247

00:10:03,190 --> 00:10:00,560

i was never briefed into anything like

248

00:10:06,470 --> 00:10:03,200

anything before 1947.

249

00:10:08,630 --> 00:10:06,480

so i was trying to present what i knew

250

00:10:10,230 --> 00:10:08,640

and what i had access to and what i

251

00:10:12,150 --> 00:10:10,240  
could talk about

252

00:10:15,110 --> 00:10:12,160  
to the ufo community

253

00:10:16,949 --> 00:10:15,120  
and what i was careful

254

00:10:19,590 --> 00:10:16,959  
not to disclose anything that was

255

00:10:22,389 --> 00:10:19,600  
currently classified

256

00:10:25,509 --> 00:10:22,399  
in the realm of technology

257

00:10:26,630 --> 00:10:25,519  
i didn't disclose sources or methods

258

00:10:29,269 --> 00:10:26,640  
that i

259

00:10:33,509 --> 00:10:29,279  
had access to during my time

260

00:10:36,310 --> 00:10:33,519  
in osi which lasted from 1978 to 1988

261

00:10:38,710 --> 00:10:36,320  
uh and so i was careful i didn't want to

262

00:10:40,470 --> 00:10:38,720  
jeopardize any national security

263

00:10:41,509 --> 00:10:40,480

all i wanted to do was let the public

264

00:10:43,269 --> 00:10:41,519

know what

265

00:10:45,110 --> 00:10:43,279

uh the government knew

266

00:10:46,550 --> 00:10:45,120

where i could talk about what i could

267

00:10:48,230 --> 00:10:46,560

talk about

268

00:10:51,030 --> 00:10:48,240

and that's what i did

269

00:10:53,750 --> 00:10:51,040

and i brought uh in a number of other

270

00:10:56,069 --> 00:10:53,760

people who came out of the woodworks so

271

00:10:58,069 --> 00:10:56,079

to speak and spoke at ufo conventions

272

00:10:59,590 --> 00:10:58,079

about the same things that i knew

273

00:11:01,350 --> 00:10:59,600

and so if you listen to some of the

274

00:11:03,590 --> 00:11:01,360

things other people have said

275

00:11:05,670 --> 00:11:03,600

and and sort everything out

276

00:11:07,030 --> 00:11:05,680

uh everything i've said over the years

277

00:11:09,509 --> 00:11:07,040

was truthful

278

00:11:12,470 --> 00:11:09,519

it wasn't disinformation i've never

279

00:11:15,269 --> 00:11:12,480

tried to just inform anyone after i left

280

00:11:16,470 --> 00:11:15,279

government service of course during my

281

00:11:21,030 --> 00:11:16,480

time in

282

00:11:25,750 --> 00:11:23,269

my duties i mean i i did what i was told

283

00:11:27,670 --> 00:11:25,760

to do when i when and how i was told to

284

00:11:29,829 --> 00:11:27,680

do it there were a number of operations

285

00:11:31,590 --> 00:11:29,839

i was involved with going all the way

286

00:11:33,990 --> 00:11:31,600

back to the paul benowitz incident or

287

00:11:36,870 --> 00:11:34,000

the cowardly canyon incident

288

00:11:39,990 --> 00:11:36,880

uh there were operational plans created

289

00:11:42,389 --> 00:11:40,000

i followed those plans they were all

290

00:11:44,949 --> 00:11:42,399

drew up in washington at dia

291

00:11:47,350 --> 00:11:44,959

or osi headquarters i did what i was

292

00:11:50,069 --> 00:11:47,360

told to do during those investigations

293

00:11:51,829 --> 00:11:50,079

did i disinform people back then yes

294

00:11:52,949 --> 00:11:51,839

did i did i conduct

295

00:11:54,470 --> 00:11:52,959

uh

296

00:11:55,509 --> 00:11:54,480

we don't call them disinformation

297

00:11:57,670 --> 00:11:55,519

operations call called

298

00:12:00,389 --> 00:11:57,680

counterintelligence operations did i

299

00:12:02,230 --> 00:12:00,399

call did i uh work

300

00:12:05,430 --> 00:12:02,240

uh counterintelligence operations

301  
00:12:07,990 --> 00:12:05,440  
against the public yes i did that

302  
00:12:09,990 --> 00:12:08,000  
but there were reasons i did that

303  
00:12:13,590 --> 00:12:10,000  
but now i'm out and i don't have to

304  
00:12:16,470 --> 00:12:13,600  
follow any rules my nda is is expired

305  
00:12:18,870 --> 00:12:16,480  
years ago i'm not going to

306  
00:12:21,110 --> 00:12:18,880  
disclose anything that i feel is still

307  
00:12:22,629 --> 00:12:21,120  
highly classified or

308  
00:12:24,389 --> 00:12:22,639  
uh that could jeopardize the security of

309  
00:12:25,910 --> 00:12:24,399  
the united states so

310  
00:12:27,269 --> 00:12:25,920  
any questions in that realm i'm not

311  
00:12:29,269 --> 00:12:27,279  
going to be able to answer

312  
00:12:31,750 --> 00:12:29,279  
but everything else i can talk about i

313  
00:12:33,910 --> 00:12:31,760

can talk about the operations that

314

00:12:36,949 --> 00:12:33,920

i was involved with the paul benowitz

315

00:12:38,710 --> 00:12:36,959

incident the mirna hanson incident

316

00:12:40,949 --> 00:12:38,720

the uh

317

00:12:43,910 --> 00:12:40,959

i was stationed out of groom lake or

318

00:12:46,069 --> 00:12:43,920

area 51 the things i did out there i

319

00:12:48,230 --> 00:12:46,079

i've spoke about a number of them on

320

00:12:51,509 --> 00:12:48,240

gaia i have

321

00:12:53,829 --> 00:12:51,519

about 25 episodes on gaia you can go

322

00:12:56,069 --> 00:12:53,839

back and listen to the cosmic disclosure

323

00:12:58,389 --> 00:12:56,079

with emery smith and what i've said

324

00:13:04,629 --> 00:13:01,350

have i since been visited by anybody

325

00:13:06,870 --> 00:13:04,639

with the intelligence community yes

326

00:13:09,590 --> 00:13:06,880

a few years ago the fbi paid me a visit

327

00:13:10,470 --> 00:13:09,600

because i mentioned something

328

00:13:12,230 --> 00:13:10,480

where i

329

00:13:14,629 --> 00:13:12,240

and i shouldn't have mentioned it

330

00:13:17,110 --> 00:13:14,639

about a particular operation

331

00:13:19,110 --> 00:13:17,120

uh the fbi just asked me

332

00:13:22,550 --> 00:13:19,120

about it i told him i shouldn't have

333

00:13:24,150 --> 00:13:22,560

said it and uh it was left at that they

334

00:13:25,190 --> 00:13:24,160

they were going to prosecute me anything

335

00:13:26,230 --> 00:13:25,200

they just

336

00:13:28,069 --> 00:13:26,240

uh

337

00:13:29,990 --> 00:13:28,079

a kindly warning

338

00:13:31,350 --> 00:13:30,000

that i shouldn't touch that subject and

339

00:13:34,150 --> 00:13:31,360

i'm not i

340

00:13:35,990 --> 00:13:34,160

have not since discussed that there's

341

00:13:37,590 --> 00:13:36,000

other things that are sensitive within

342

00:13:40,710 --> 00:13:37,600

the f12 community

343

00:13:42,069 --> 00:13:40,720

or uh information that's sensitive

344

00:13:43,670 --> 00:13:42,079

uh to the

345

00:13:46,150 --> 00:13:43,680

to the public

346

00:13:47,269 --> 00:13:46,160

we learned a lot from evil one who was

347

00:13:49,590 --> 00:13:47,279

found in

348

00:13:51,590 --> 00:13:49,600

the crash site at cronin

349

00:13:53,670 --> 00:13:51,600

i had access to some of that information

350

00:13:55,509 --> 00:13:53,680

but certainly not all of it

351

00:13:57,509 --> 00:13:55,519

some of the things he talked about

352

00:13:58,629 --> 00:13:57,519

having visited earth thousands of years

353

00:14:01,910 --> 00:13:58,639

ago

354

00:14:05,509 --> 00:14:01,920

uh the government had had uh carefully

355

00:14:06,470 --> 00:14:05,519

uh planted his time frame from

356

00:14:08,470 --> 00:14:06,480

uh

357

00:14:10,870 --> 00:14:08,480

where he was talking about

358

00:14:13,030 --> 00:14:10,880

and what he did back and what his race

359

00:14:14,629 --> 00:14:13,040

of people did back in and and two

360

00:14:17,430 --> 00:14:14,639

thousand years ago

361

00:14:20,470 --> 00:14:17,440

and and then created a story or created

362

00:14:23,269 --> 00:14:20,480

what the government thought was accurate

363

00:14:24,790 --> 00:14:23,279

now you have to remember that evo one

364

00:14:27,350 --> 00:14:24,800

was a uh

365

00:14:29,269 --> 00:14:27,360

an extraterrestrial from another planet

366

00:14:31,829 --> 00:14:29,279

he didn't know our time

367

00:14:34,069 --> 00:14:31,839

uh meaning that he didn't know uh

368

00:14:37,269 --> 00:14:34,079

how we record time

369

00:14:38,870 --> 00:14:37,279

or how we uh uh

370

00:14:41,750 --> 00:14:38,880

steady time

371

00:14:44,790 --> 00:14:41,760

or how we handled the time so

372

00:14:46,710 --> 00:14:44,800

he he can't tell he couldn't tell us

373

00:14:48,790 --> 00:14:46,720

okay you know five years ago i did this

374

00:14:50,870 --> 00:14:48,800

or ten years ago because our years and

375

00:14:54,069 --> 00:14:50,880

their years are totally different

376

00:14:56,230 --> 00:14:54,079

but we were able to sort it all out

377

00:14:59,110 --> 00:14:56,240

and there's some things that he told us

378

00:15:01,829 --> 00:14:59,120

that might upset the public

379

00:15:04,069 --> 00:15:01,839

if you were as for instance if if if

380

00:15:05,750 --> 00:15:04,079

somebody was to tell you that

381

00:15:07,670 --> 00:15:05,760

two thousand years ago an

382

00:15:08,629 --> 00:15:07,680

extraterrestrial an extraterrestrial

383

00:15:09,910 --> 00:15:08,639

race

384

00:15:12,629 --> 00:15:09,920

planted a man

385

00:15:14,710 --> 00:15:12,639

or a or et on earth

386

00:15:16,389 --> 00:15:14,720

and there were people following

387

00:15:19,110 --> 00:15:16,399

that e.t

388

00:15:20,949 --> 00:15:19,120

and he was somewhat of a prophet

389

00:15:22,069 --> 00:15:20,959

you could uh

390

00:15:24,230 --> 00:15:22,079

think that that

391

00:15:24,949 --> 00:15:24,240

entity was jesus

392

00:15:28,230 --> 00:15:24,959

so

393

00:15:29,990 --> 00:15:28,240

uh i'm not saying that happened but i'm

394

00:15:30,870 --> 00:15:30,000

saying things like that

395

00:15:33,110 --> 00:15:30,880

i don't

396

00:15:35,350 --> 00:15:33,120

i know something about but i wouldn't

397

00:15:37,509 --> 00:15:35,360

want to come out and say hey you know uh

398

00:15:40,230 --> 00:15:37,519

i know all about our history i'm not

399

00:15:41,749 --> 00:15:40,240

going to say that and eve told us all

400

00:15:43,430 --> 00:15:41,759

these things i'm not i wouldn't i

401  
00:15:44,949 --> 00:15:43,440  
wouldn't do that and there are other

402  
00:15:47,110 --> 00:15:44,959  
people out there that have done

403  
00:15:49,269 --> 00:15:47,120  
something to that effect uh

404  
00:15:50,790 --> 00:15:49,279  
linda howell and some others but

405  
00:15:54,710 --> 00:15:50,800  
i'm not going to do that i'm not going

406  
00:15:57,829 --> 00:15:54,720  
to talk about what what uh technology

407  
00:15:58,949 --> 00:15:57,839  
that we we got or or uh we developed

408  
00:16:00,790 --> 00:15:58,959  
from

409  
00:16:03,110 --> 00:16:00,800  
extraterrestrial races and i talk about

410  
00:16:05,910 --> 00:16:03,120  
that that would might jeopardize the

411  
00:16:08,550 --> 00:16:05,920  
national security anything else

412  
00:16:10,230 --> 00:16:08,560  
i probably will answer i appreciate that

413  
00:16:12,069 --> 00:16:10,240

rick and i appreciate your service i

414

00:16:13,910 --> 00:16:12,079

think it's very important especially in

415

00:16:16,470 --> 00:16:13,920

this field anybody that's serious about

416

00:16:18,790 --> 00:16:16,480

ufology would appreciate your service

417

00:16:21,269 --> 00:16:18,800

because these are

418

00:16:24,230 --> 00:16:21,279

threatening ideas um there is a

419

00:16:27,509 --> 00:16:24,240

psychology that is in ufology that can

420

00:16:29,990 --> 00:16:27,519

be potentially dangerous and threats

421

00:16:32,230 --> 00:16:30,000

as well not to mention that other

422

00:16:34,870 --> 00:16:32,240

world powers could easily

423

00:16:36,710 --> 00:16:34,880

easily delve into the culture of ufology

424

00:16:38,230 --> 00:16:36,720

and gather a lot of information if

425

00:16:40,389 --> 00:16:38,240

people weren't careful

426  
00:16:42,069 --> 00:16:40,399  
as you're saying you are so i appreciate

427  
00:16:43,189 --> 00:16:42,079  
your service

428  
00:16:44,949 --> 00:16:43,199  
thank you

429  
00:16:47,670 --> 00:16:44,959  
and it's a very specialized service that

430  
00:16:49,189 --> 00:16:47,680  
you've done invaluable in my opinion to

431  
00:16:51,910 --> 00:16:49,199  
ufology

432  
00:16:53,670 --> 00:16:51,920  
one thing i find without and if if i do

433  
00:16:55,509 --> 00:16:53,680  
go over that

434  
00:16:57,990 --> 00:16:55,519  
that boundary or that

435  
00:16:59,749 --> 00:16:58,000  
line in the sand forgive me because as i

436  
00:17:02,870 --> 00:16:59,759  
said previously a lot of the questions i

437  
00:17:05,350 --> 00:17:02,880  
want to ask i know i can't but they may

438  
00:17:07,590 --> 00:17:05,360

trickle out just just ignore them or put

439

00:17:09,909 --> 00:17:07,600

me in my place

440

00:17:11,909 --> 00:17:09,919

it's i think it's important at least

441

00:17:13,990 --> 00:17:11,919

from an outside perspective what i can

442

00:17:16,549 --> 00:17:14,000

say that the office of special

443

00:17:18,710 --> 00:17:16,559

investigations if i'm not mistaken began

444

00:17:20,710 --> 00:17:18,720

in 1948 so

445

00:17:23,350 --> 00:17:20,720

right after corona

446

00:17:25,590 --> 00:17:23,360

the incident at roswell as many know it

447

00:17:31,270 --> 00:17:25,600

and

448

00:17:34,070 --> 00:17:31,280

involved since then has been very

449

00:17:37,350 --> 00:17:34,080

interested in espionage terrorism and

450

00:17:40,310 --> 00:17:37,360

technology transfer um

451  
00:17:41,110 --> 00:17:40,320  
without going into the technologies

452  
00:17:45,270 --> 00:17:41,120  
uh

453  
00:17:48,310 --> 00:17:45,280  
the i i recently heard um some some

454  
00:17:51,270 --> 00:17:48,320  
people talking about roswell and corona

455  
00:17:53,669 --> 00:17:51,280  
and it's it's become something that a

456  
00:17:55,029 --> 00:17:53,679  
lot of people are starting to kind of

457  
00:17:56,070 --> 00:17:55,039  
dismay or

458  
00:17:58,070 --> 00:17:56,080  
act like

459  
00:18:02,950 --> 00:17:58,080  
it was not a big deal but it really was

460  
00:18:04,390 --> 00:18:02,960  
a big deal wasn't it oh yes yes yes

461  
00:18:09,990 --> 00:18:04,400  
roswell

462  
00:18:10,950 --> 00:18:10,000  
i was briefed i saw a film

463  
00:18:13,270 --> 00:18:10,960

i had

464

00:18:15,510 --> 00:18:13,280

an air force colonel explain

465

00:18:17,270 --> 00:18:15,520

uh how we became and we united states

466

00:18:19,430 --> 00:18:17,280

government became involved

467

00:18:22,070 --> 00:18:19,440

with an extraterrestrial

468

00:18:24,549 --> 00:18:22,080

uh by by recovering

469

00:18:26,870 --> 00:18:24,559

the craft near corona new mexico the

470

00:18:28,549 --> 00:18:26,880

debris trail that was south of there on

471

00:18:30,390 --> 00:18:28,559

the brazil ranch

472

00:18:32,070 --> 00:18:30,400

uh the second craft that was found in

473

00:18:34,549 --> 00:18:32,080

1949

474

00:18:37,190 --> 00:18:34,559

the recovery of a live e.t

475

00:18:38,870 --> 00:18:37,200

they named it evil one yeah i was

476

00:18:40,310 --> 00:18:38,880

briefed on all that and

477

00:18:42,070 --> 00:18:40,320

um

478

00:18:44,310 --> 00:18:42,080

there's there's a lot of people out

479

00:18:45,669 --> 00:18:44,320

there that have taken a little bit of

480

00:18:47,830 --> 00:18:45,679

information

481

00:18:50,710 --> 00:18:47,840

uh about what happened

482

00:18:53,750 --> 00:18:50,720

in roswell and expanded it

483

00:18:56,710 --> 00:18:53,760

over the years into nothing but uh

484

00:18:59,990 --> 00:18:56,720

uh either some speculation or some

485

00:19:02,710 --> 00:19:00,000

outright lies there's a lot of

486

00:19:04,230 --> 00:19:02,720

information that came out over the years

487

00:19:06,230 --> 00:19:04,240

about the crash

488

00:19:07,270 --> 00:19:06,240

that is not factual

489

00:19:09,110 --> 00:19:07,280

um

490

00:19:11,270 --> 00:19:09,120

the debris field that was found at the

491

00:19:15,430 --> 00:19:11,280

brazo ranch was the antenna

492

00:19:18,789 --> 00:19:15,440

on the craft that crashed near corona

493

00:19:21,909 --> 00:19:18,799

the craft at that was recovered in krona

494

00:19:23,029 --> 00:19:21,919

uh was found by an archeological team

495

00:19:25,430 --> 00:19:23,039

i think

496

00:19:26,549 --> 00:19:25,440

uh the late stan friedman

497

00:19:27,830 --> 00:19:26,559

um

498

00:19:29,430 --> 00:19:27,840

spoke

499

00:19:30,470 --> 00:19:29,440

quite passionately

500

00:19:33,510 --> 00:19:30,480

about

501  
00:19:35,510 --> 00:19:33,520  
his knowledge of the crafts crash site

502  
00:19:38,310 --> 00:19:35,520  
and he got everything right because he

503  
00:19:40,549 --> 00:19:38,320  
actually was able to find the leader of

504  
00:19:43,270 --> 00:19:40,559  
that acrological team

505  
00:19:44,630 --> 00:19:43,280  
uh and and and spoke with that man

506  
00:19:46,630 --> 00:19:44,640  
before he died

507  
00:19:49,669 --> 00:19:46,640  
and that information was in a couple

508  
00:19:51,430 --> 00:19:49,679  
books but people brush it off saying no

509  
00:19:53,909 --> 00:19:51,440  
no no that didn't happen

510  
00:19:56,150 --> 00:19:53,919  
uh because i wrote a book and i didn't

511  
00:19:57,029 --> 00:19:56,160  
say it in that book so it can't have

512  
00:19:59,190 --> 00:19:57,039  
chat

513  
00:20:00,630 --> 00:19:59,200

it couldn't have happened but it did it

514

00:20:01,830 --> 00:20:00,640

happened that way

515

00:20:05,190 --> 00:20:01,840

and so

516

00:20:06,390 --> 00:20:05,200

uh and then we found the the live uh e.t

517

00:20:07,590 --> 00:20:06,400

eva won

518

00:20:10,230 --> 00:20:07,600

we took him

519

00:20:11,750 --> 00:20:10,240

uh eventually to the last alamos where

520

00:20:15,029 --> 00:20:11,760

he lived

521

00:20:17,350 --> 00:20:15,039

and so that that is that is if the real

522

00:20:19,669 --> 00:20:17,360

story if people would listen to the real

523

00:20:21,430 --> 00:20:19,679

story about roswell

524

00:20:23,190 --> 00:20:21,440

uh it would make a

525

00:20:25,510 --> 00:20:23,200

incredibly

526  
00:20:26,950 --> 00:20:25,520  
different uh

527  
00:20:27,669 --> 00:20:26,960  
ending or

528  
00:20:28,870 --> 00:20:27,679  
or

529  
00:20:30,710 --> 00:20:28,880  
beginning

530  
00:20:33,110 --> 00:20:30,720  
to the ufo story

531  
00:20:35,510 --> 00:20:33,120  
and then the second craft that crashed

532  
00:20:37,510 --> 00:20:35,520  
that they found in force mesa west of

533  
00:20:39,270 --> 00:20:37,520  
coral mexico brought that west of

534  
00:20:41,909 --> 00:20:39,280  
magdalena new mexico

535  
00:20:44,950 --> 00:20:41,919  
was the same craft that crashed at

536  
00:20:47,190 --> 00:20:44,960  
cronin exactly same same ets obviously

537  
00:20:49,350 --> 00:20:47,200  
all those eps were dead it was in such a

538  
00:20:51,990 --> 00:20:49,360

remote area of new mexico that took a

539

00:20:53,830 --> 00:20:52,000

long time for him for anybody to find it

540

00:20:55,430 --> 00:20:53,840

a rancher found it

541

00:20:56,789 --> 00:20:55,440

and and that's that's even that's

542

00:20:58,149 --> 00:20:56,799

another story

543

00:20:59,430 --> 00:20:58,159

uh so

544

00:21:02,470 --> 00:20:59,440

if you

545

00:21:05,669 --> 00:21:02,480

if the ufo community would accept the

546

00:21:07,190 --> 00:21:05,679

real story which a lot had a lot a lot

547

00:21:09,669 --> 00:21:07,200

of people within

548

00:21:11,270 --> 00:21:09,679

and then progress on from there

549

00:21:12,549 --> 00:21:11,280

there's a number of other crash sites

550

00:21:16,710 --> 00:21:12,559

that occurred

551  
00:21:18,870 --> 00:21:16,720  
recovery of crafts recovery of ik bodies

552  
00:21:19,669 --> 00:21:18,880  
and even some live ones

553  
00:21:21,430 --> 00:21:19,679  
so

554  
00:21:23,190 --> 00:21:21,440  
um

555  
00:21:24,870 --> 00:21:23,200  
and and and you were right

556  
00:21:26,149 --> 00:21:24,880  
the the air force's office special

557  
00:21:27,830 --> 00:21:26,159  
investigation

558  
00:21:29,990 --> 00:21:27,840  
or back in those days was called the

559  
00:21:32,310 --> 00:21:30,000  
office of special investigation was

560  
00:21:34,950 --> 00:21:32,320  
created in 1948

561  
00:21:36,710 --> 00:21:34,960  
right after roswell

562  
00:21:39,750 --> 00:21:36,720  
right after the air force was created

563  
00:21:43,590 --> 00:21:39,760

the national security act of 1947 in

564

00:21:44,630 --> 00:21:43,600

september 1947 created the cia the air

565

00:21:47,190 --> 00:21:44,640

force

566

00:21:50,230 --> 00:21:47,200

and some other some other agencies

567

00:21:53,029 --> 00:21:50,240

and the osi was uh

568

00:21:55,750 --> 00:21:53,039

created right after the fbi i mean right

569

00:21:58,630 --> 00:21:55,760

the first director of the of the fbi of

570

00:22:01,510 --> 00:21:58,640

the cia osi was a

571

00:22:03,990 --> 00:22:01,520

loaned fbi agent they loaned him to the

572

00:22:05,669 --> 00:22:04,000

to the air force he created the

573

00:22:06,789 --> 00:22:05,679

uh the

574

00:22:11,270 --> 00:22:06,799

osi

575

00:22:14,630 --> 00:22:11,280

went to the fbi school

576  
00:22:17,110 --> 00:22:14,640  
um right up until the first osi academy

577  
00:22:21,110 --> 00:22:17,120  
was started in 1952

578  
00:22:23,190 --> 00:22:21,120  
and so we were framed after the fbi

579  
00:22:24,230 --> 00:22:23,200  
now another thing that people don't

580  
00:22:25,669 --> 00:22:24,240  
realize is

581  
00:22:28,789 --> 00:22:25,679  
the osi

582  
00:22:29,669 --> 00:22:28,799  
yes special investigations i worked

583  
00:22:31,590 --> 00:22:29,679  
uh

584  
00:22:33,909 --> 00:22:31,600  
didn't report

585  
00:22:37,830 --> 00:22:33,919  
to a local commander

586  
00:22:40,870 --> 00:22:37,840  
or a a a a a division commander

587  
00:22:42,630 --> 00:22:40,880  
or a wing commander they reported to the

588  
00:22:44,230 --> 00:22:42,640

inspector general of the air force in

589

00:22:46,310 --> 00:22:44,240

washington dc

590

00:22:47,990 --> 00:22:46,320

so that left them away from any command

591

00:22:49,430 --> 00:22:48,000

influence

592

00:22:51,430 --> 00:22:49,440

and uh

593

00:22:55,110 --> 00:22:51,440

and and then there were different areas

594

00:22:56,870 --> 00:22:55,120

of osi criminal uh

595

00:22:58,950 --> 00:22:56,880

the criminal branch investigated any

596

00:23:00,549 --> 00:22:58,960

major crimes on a on the middle and air

597

00:23:01,750 --> 00:23:00,559

force installation or any military

598

00:23:03,909 --> 00:23:01,760

installation

599

00:23:05,909 --> 00:23:03,919

uh fraud investigation and then

600

00:23:11,510 --> 00:23:05,919

counterintelligence

601  
00:23:13,590 --> 00:23:11,520  
it was that way created in 1966 when

602  
00:23:15,830 --> 00:23:13,600  
they reframed osi

603  
00:23:18,630 --> 00:23:15,840  
and right up to the one i joined

604  
00:23:20,789 --> 00:23:18,640  
i i wasn't a criminal agent i didn't

605  
00:23:22,470 --> 00:23:20,799  
handle any criminal investigations or

606  
00:23:23,909 --> 00:23:22,480  
fraud investigations

607  
00:23:26,870 --> 00:23:23,919  
my sole

608  
00:23:28,669 --> 00:23:26,880  
job in osi was counter intelligence

609  
00:23:30,470 --> 00:23:28,679  
encounter which encompassed

610  
00:23:33,669 --> 00:23:30,480  
counter-espionage

611  
00:23:35,270 --> 00:23:33,679  
so that's all i did i didn't investigate

612  
00:23:37,990 --> 00:23:35,280  
drugs on the base or anything like that

613  
00:23:39,430 --> 00:23:38,000

i was strictly counter intelligence now

614

00:23:40,630 --> 00:23:39,440

we had the same

615

00:23:43,669 --> 00:23:40,640

authority

616

00:23:46,070 --> 00:23:43,679

uh which was under a a federal statute

617

00:23:48,310 --> 00:23:46,080

but i never i mean although at times i

618

00:23:50,630 --> 00:23:48,320

did carry a gun i didn't do anything

619

00:23:53,070 --> 00:23:50,640

other than counterintelligence

620

00:23:55,590 --> 00:23:53,080

so i i dwell

621

00:23:57,990 --> 00:23:55,600

exclusively in in counterintelligence

622

00:23:58,870 --> 00:23:58,000

county s manager my time and that's

623

00:24:00,230 --> 00:23:58,880

where

624

00:24:02,230 --> 00:24:00,240

the duties

625

00:24:03,590 --> 00:24:02,240

of of uh

626

00:24:05,990 --> 00:24:03,600

investigating

627

00:24:07,750 --> 00:24:06,000

ufos or uaps

628

00:24:11,430 --> 00:24:07,760

uh became

629

00:24:13,350 --> 00:24:11,440

they came into to to my purview is is

630

00:24:14,710 --> 00:24:13,360

under the countering tele intelligence

631

00:24:16,710 --> 00:24:14,720

duties

632

00:24:19,029 --> 00:24:16,720

and i find that very impressive

633

00:24:20,710 --> 00:24:19,039

organizationally that the osi functions

634

00:24:22,789 --> 00:24:20,720

the way it does because a lot of

635

00:24:24,549 --> 00:24:22,799

government agencies as you said they're

636

00:24:26,310 --> 00:24:24,559

you know they're they're

637

00:24:28,470 --> 00:24:26,320

organized differently

638

00:24:30,789 --> 00:24:28,480

um so

639

00:24:32,870 --> 00:24:30,799

not only is there more hands in the pot

640

00:24:35,669 --> 00:24:32,880

but it could get it can get murky

641

00:24:38,390 --> 00:24:35,679

quicker um i i really appreciate that

642

00:24:40,870 --> 00:24:38,400

you know you you had uh basically the

643

00:24:44,630 --> 00:24:40,880

job of a multi-purpose job of covering

644

00:24:45,830 --> 00:24:44,640

things and then correcting things and um

645

00:24:48,149 --> 00:24:45,840

from a

646

00:24:51,909 --> 00:24:48,159

intelligence perspective i think it's

647

00:24:54,789 --> 00:24:51,919

important to also note that there is

648

00:24:57,110 --> 00:24:54,799

you know this stigma which i'm i'm i i

649

00:24:58,870 --> 00:24:57,120

completely understand revolving around

650

00:24:59,750 --> 00:24:58,880

paul benowitz and the dual say-based

651  
00:25:01,590 --> 00:24:59,760  
case

652  
00:25:02,470 --> 00:25:01,600  
however

653  
00:25:08,710 --> 00:25:02,480  
there

654  
00:25:11,430 --> 00:25:08,720  
experimental aircraft silent helicopters

655  
00:25:13,750 --> 00:25:11,440  
for example which we have publicly it's

656  
00:25:15,830 --> 00:25:13,760  
been publicly declassified at this point

657  
00:25:18,470 --> 00:25:15,840  
for example used um

658  
00:25:21,510 --> 00:25:18,480  
to infiltrate osama bin laden's

659  
00:25:23,590 --> 00:25:21,520  
i mean they had to blow that evidence up

660  
00:25:26,149 --> 00:25:23,600  
on site and there's good reason for that

661  
00:25:28,470 --> 00:25:26,159  
because if the enemy has

662  
00:25:31,990 --> 00:25:28,480  
some or all of this

663  
00:25:34,549 --> 00:25:32,000

technology we are at a huge disadvantage

664

00:25:36,549 --> 00:25:34,559

so i i completely understand that i

665

00:25:37,350 --> 00:25:36,559

think uh even though i want to get into

666

00:25:39,669 --> 00:25:37,360

the

667

00:25:41,430 --> 00:25:39,679

dulce case and paul benowitz which i

668

00:25:42,870 --> 00:25:41,440

know many people have before if people

669

00:25:45,909 --> 00:25:42,880

are interested in that there's plenty of

670

00:25:48,230 --> 00:25:45,919

podcasts where um we can go and you can

671

00:25:49,669 --> 00:25:48,240

get into that and do some research

672

00:25:51,990 --> 00:25:49,679

uh i i

673

00:25:56,630 --> 00:25:52,000

i believe that you did the right thing

674

00:25:58,789 --> 00:25:56,640

in in my opinion um also i i think it's

675

00:26:02,470 --> 00:25:58,799

i i have other questions which uh i'm

676  
00:26:04,549 --> 00:26:02,480  
very involved or i i like to be involved

677  
00:26:05,990 --> 00:26:04,559  
with research surrounding

678  
00:26:08,789 --> 00:26:06,000  
you know stuff happening in the high

679  
00:26:11,029 --> 00:26:08,799  
desert ranches in utah etc

680  
00:26:13,350 --> 00:26:11,039  
and you know it's hard to interpret a

681  
00:26:15,590 --> 00:26:13,360  
lot of the things going on

682  
00:26:17,190 --> 00:26:15,600  
and i don't know if you can

683  
00:26:19,269 --> 00:26:17,200  
even go into this

684  
00:26:22,830 --> 00:26:19,279  
but cattle mutilations are something

685  
00:26:24,710 --> 00:26:22,840  
that the ufo belief system has

686  
00:26:25,430 --> 00:26:24,720  
um

687  
00:26:36,950 --> 00:26:25,440  
in

688  
00:26:39,590 --> 00:26:36,960

new mexico by gabe valdez and others and

689

00:26:40,630 --> 00:26:39,600

the many different cases

690

00:26:42,870 --> 00:26:40,640

and

691

00:26:45,350 --> 00:26:42,880

types of cattle mutilations is there

692

00:26:46,549 --> 00:26:45,360

anything you can offer our listeners as

693

00:26:48,149 --> 00:26:46,559

far as

694

00:26:51,190 --> 00:26:48,159

information

695

00:26:53,510 --> 00:26:51,200

that revolves around that

696

00:26:56,470 --> 00:26:53,520

uh well i was never briefed in any kind

697

00:26:58,789 --> 00:26:56,480

of special access programs pertaining to

698

00:27:01,909 --> 00:26:58,799

cattle relations um

699

00:27:03,350 --> 00:27:01,919

i knew they existed uh we actually had

700

00:27:05,110 --> 00:27:03,360

some reports

701

00:27:07,830 --> 00:27:05,120

made to us

702

00:27:10,070 --> 00:27:07,840

uh in the early eighties about some

703

00:27:12,230 --> 00:27:10,080

cattle emulations that occurred just

704

00:27:14,470 --> 00:27:12,240

right outside the perimeter of kirtland

705

00:27:16,630 --> 00:27:14,480

air force base a rancher had

706

00:27:19,510 --> 00:27:16,640

uh i think four

707

00:27:20,389 --> 00:27:19,520

uh we had two cows and uh

708

00:27:21,750 --> 00:27:20,399

then two

709

00:27:23,350 --> 00:27:21,760

uh sheep

710

00:27:26,950 --> 00:27:23,360

uh mutilated

711

00:27:27,909 --> 00:27:26,960

um and i didn't i didn't go to those uh

712

00:27:30,789 --> 00:27:27,919

uh

713

00:27:32,830 --> 00:27:30,799

scenes another osi did

714

00:27:36,230 --> 00:27:32,840

but i saw the pictures and i read his

715

00:27:38,070 --> 00:27:36,240

report and it was kind of uh

716

00:27:40,230 --> 00:27:38,080

the strange part about it

717

00:27:42,950 --> 00:27:40,240

again i didn't investigate this i'm only

718

00:27:46,630 --> 00:27:42,960

relating what i've read in an official

719

00:27:49,269 --> 00:27:46,640

osi report and speaking to this agent

720

00:27:51,190 --> 00:27:49,279

the uh the rancher observed something

721

00:27:53,350 --> 00:27:51,200

strange flying around

722

00:27:57,190 --> 00:27:53,360

the southern part of his ranch

723

00:28:00,070 --> 00:27:57,200

uh earlier uh that morning

724

00:28:01,029 --> 00:28:00,080

and he had a big ranch and so in his

725

00:28:03,110 --> 00:28:01,039

ranch

726

00:28:06,149 --> 00:28:03,120

battered right up against the the south

727

00:28:07,110 --> 00:28:06,159

perimeter of the carolina air force base

728

00:28:08,710 --> 00:28:07,120

and so

729

00:28:10,950 --> 00:28:08,720

uh he would

730

00:28:12,070 --> 00:28:10,960

travel the base perimeter fence line

731

00:28:15,190 --> 00:28:12,080

which was

732

00:28:17,510 --> 00:28:15,200

also his fence line

733

00:28:19,990 --> 00:28:17,520

from where he saw this object flying

734

00:28:22,470 --> 00:28:20,000

around he assumed it was military

735

00:28:24,230 --> 00:28:22,480

because the base was right there uh

736

00:28:26,630 --> 00:28:24,240

helicopters were always flying around

737

00:28:29,269 --> 00:28:26,640

kirtland air force base because at that

738

00:28:31,750 --> 00:28:29,279

time it was home to the 1550th aircrew

739

00:28:32,750 --> 00:28:31,760

training and test wing which encompassed

740

00:28:36,310 --> 00:28:32,760

uh

741

00:28:37,110 --> 00:28:36,320

h-53 helicopters c-130s

742

00:28:39,909 --> 00:28:37,120

so

743

00:28:42,149 --> 00:28:39,919

he assumed it was a helicopter when he

744

00:28:44,470 --> 00:28:42,159

uh some hours later when he went up to

745

00:28:46,230 --> 00:28:44,480

check that area he found

746

00:28:48,149 --> 00:28:46,240

the mutilated cattle

747

00:28:50,710 --> 00:28:48,159

and the first thing he thought was

748

00:28:52,950 --> 00:28:50,720

it was connected to the military

749

00:28:54,070 --> 00:28:52,960

the military must have did this to my my

750

00:28:57,669 --> 00:28:54,080

cattle

751  
00:28:59,830 --> 00:28:57,679  
so he actually wanted to make a claim

752  
00:29:01,669 --> 00:28:59,840  
eventually an os agent went out there

753  
00:29:02,630 --> 00:29:01,679  
looked at it the pictures

754  
00:29:04,549 --> 00:29:02,640  
uh

755  
00:29:05,590 --> 00:29:04,559  
assured him that the air force didn't do

756  
00:29:07,190 --> 00:29:05,600  
this

757  
00:29:09,190 --> 00:29:07,200  
well who did it

758  
00:29:10,389 --> 00:29:09,200  
we don't know i don't know

759  
00:29:15,669 --> 00:29:10,399  
i've

760  
00:29:17,190 --> 00:29:15,679  
many many many many many times for hours

761  
00:29:21,190 --> 00:29:17,200  
and hours and hours

762  
00:29:28,710 --> 00:29:25,029  
it's a amazing enigma

763  
00:29:31,110 --> 00:29:28,720

uh i watched the uh linda howell special

764

00:29:32,549 --> 00:29:31,120

on the cattle mutilations i spoke with

765

00:29:35,269 --> 00:29:32,559

her

766

00:29:37,750 --> 00:29:35,279

a number of times about what she did

767

00:29:40,549 --> 00:29:37,760

during her investigative process

768

00:29:42,310 --> 00:29:40,559

i talked to sheriff uh etwood

769

00:29:44,549 --> 00:29:42,320

one of the sheriffs

770

00:29:46,870 --> 00:29:44,559

in the northern new mexico county

771

00:29:48,630 --> 00:29:46,880

uh and uh

772

00:29:50,789 --> 00:29:48,640

you know you have to scratch your head

773

00:29:52,950 --> 00:29:50,799

on

774

00:29:57,430 --> 00:29:52,960

could it be

775

00:30:00,950 --> 00:29:57,440

form and experimentation that the

776

00:30:03,190 --> 00:30:00,960

extraterrestrials doing on our cattle

777

00:30:05,990 --> 00:30:03,200

uh or could it be some

778

00:30:07,669 --> 00:30:06,000

uh testing of germ warfare

779

00:30:09,590 --> 00:30:07,679

by the united states secret entity

780

00:30:12,070 --> 00:30:09,600

within the united states government

781

00:30:15,110 --> 00:30:12,080

i can honestly say i don't know

782

00:30:17,590 --> 00:30:15,120

um i think if i did know i would

783

00:30:18,310 --> 00:30:17,600

uh i would probably i could probably

784

00:30:20,549 --> 00:30:18,320

uh

785

00:30:23,669 --> 00:30:20,559

not talk about it but i don't really

786

00:30:25,750 --> 00:30:23,679

know i don't know if it was if it was

787

00:30:26,630 --> 00:30:25,760

government it was our government doing

788

00:30:33,110 --> 00:30:26,640

it

789

00:30:36,070 --> 00:30:33,120

but i don't know

790

00:30:38,630 --> 00:30:36,080

i i i truly don't know i i became

791

00:30:41,830 --> 00:30:38,640

fascinated with a subject uh some years

792

00:30:42,870 --> 00:30:41,840

ago after i left uh government service

793

00:30:45,350 --> 00:30:42,880

and uh

794

00:30:47,750 --> 00:30:45,360

and worked for uh dr put off

795

00:30:49,590 --> 00:30:47,760

because there were cases that uh was

796

00:30:51,830 --> 00:30:49,600

brought to his attention that were very

797

00:30:53,510 --> 00:30:51,840

very very strange

798

00:30:55,750 --> 00:30:53,520

and uh

799

00:30:58,310 --> 00:30:55,760

and we couldn't we couldn't answer it

800

00:30:59,190 --> 00:30:58,320

now you talk about uh skinwalker

801  
00:31:01,590 --> 00:30:59,200  
ranch

802  
00:31:02,310 --> 00:31:01,600  
uh the the phenomena that occurred out

803  
00:31:04,950 --> 00:31:02,320  
there

804  
00:31:07,909 --> 00:31:04,960  
when i worked for dr put off in 19

805  
00:31:11,909 --> 00:31:07,919  
uh and i worked for him for 12 years uh

806  
00:31:13,830 --> 00:31:11,919  
in 1997 we went out there to the ranch

807  
00:31:15,029 --> 00:31:13,840  
uh on two different occasions i spent

808  
00:31:17,110 --> 00:31:15,039  
two days

809  
00:31:20,310 --> 00:31:17,120  
two full days left the third day on one

810  
00:31:22,950 --> 00:31:20,320  
occasion and we came back and did

811  
00:31:25,830 --> 00:31:22,960  
basically the same thing two days and

812  
00:31:28,710 --> 00:31:25,840  
the third day in the evening we left

813  
00:31:31,110 --> 00:31:28,720

during my time at skinwalker ranch

814

00:31:34,230 --> 00:31:31,120

the only phenomena i saw

815

00:31:35,590 --> 00:31:34,240

was when you looked at that south mesa

816

00:31:37,909 --> 00:31:35,600

there were

817

00:31:39,269 --> 00:31:37,919

something some kind of aura that was

818

00:31:41,269 --> 00:31:39,279

appearing

819

00:31:42,070 --> 00:31:41,279

but one of the geologists that was with

820

00:31:47,029 --> 00:31:42,080

us

821

00:31:48,149 --> 00:31:47,039

rocks and the minerals and i'm not a

822

00:31:51,190 --> 00:31:48,159

geologist

823

00:31:53,750 --> 00:31:51,200

that were were in that that mesa

824

00:31:57,269 --> 00:31:53,760

i never saw any skin walkers i never saw

825

00:31:59,029 --> 00:31:57,279

anything out of the ordinary while i was

826

00:32:00,950 --> 00:31:59,039

in those two occasions

827

00:32:03,509 --> 00:32:00,960

so all i can say is

828

00:32:04,630 --> 00:32:03,519

there's a lot of things out there that

829

00:32:07,029 --> 00:32:04,640

uh

830

00:32:09,029 --> 00:32:07,039

we don't understand i mean there's

831

00:32:10,950 --> 00:32:09,039

me we as i mean

832

00:32:12,549 --> 00:32:10,960

the scientific community

833

00:32:13,590 --> 00:32:12,559

or the public in general there's a

834

00:32:15,669 --> 00:32:13,600

there's so many things that are

835

00:32:16,950 --> 00:32:15,679

occurring out there that we just don't

836

00:32:18,389 --> 00:32:16,960

understand

837

00:32:21,190 --> 00:32:18,399

another thing i want to talk about real

838

00:32:22,789 --> 00:32:21,200

quickly you talk about technology

839

00:32:25,190 --> 00:32:22,799

is one of the things that that paul

840

00:32:27,430 --> 00:32:25,200

bennowitz stumbled onto

841

00:32:29,830 --> 00:32:27,440

was the united states air force

842

00:32:31,430 --> 00:32:29,840

uh highly secret at that time drone

843

00:32:33,590 --> 00:32:31,440

program

844

00:32:35,430 --> 00:32:33,600

uh in 1980

845

00:32:36,710 --> 00:32:35,440

we were experimenting with drones the

846

00:32:39,190 --> 00:32:36,720

air force was

847

00:32:42,149 --> 00:32:39,200

we had a counterintelligence program

848

00:32:44,470 --> 00:32:42,159

in place to protect that drone program

849

00:32:45,430 --> 00:32:44,480

and back in those days

850

00:32:46,870 --> 00:32:45,440

uh

851  
00:32:47,669 --> 00:32:46,880  
the drones

852  
00:32:49,350 --> 00:32:47,679  
were

853  
00:32:50,950 --> 00:32:49,360  
somewhat sophisticated and i couldn't

854  
00:32:52,310 --> 00:32:50,960  
tell you what they were made of or

855  
00:32:54,549 --> 00:32:52,320  
anything like that

856  
00:32:56,470 --> 00:32:54,559  
but there were there was always launch

857  
00:32:58,950 --> 00:32:56,480  
from another plane

858  
00:33:01,269 --> 00:32:58,960  
so if you if you see a plane air force

859  
00:33:03,430 --> 00:33:01,279  
plane flying around the base or in the

860  
00:33:05,590 --> 00:33:03,440  
area you see these little

861  
00:33:07,269 --> 00:33:05,600  
drones flying around close to it and

862  
00:33:10,310 --> 00:33:07,279  
that's what paul saw

863  
00:33:12,070 --> 00:33:10,320

and paul thought those drones were ufos

864

00:33:13,590 --> 00:33:12,080

of course we made them believe they were

865

00:33:15,029 --> 00:33:13,600

but in fact they weren't they were

866

00:33:17,750 --> 00:33:15,039

drones

867

00:33:19,590 --> 00:33:17,760

and they were controlled by the mothers

868

00:33:21,269 --> 00:33:19,600

and that's how uh

869

00:33:24,789 --> 00:33:21,279

that's what paul

870

00:33:26,230 --> 00:33:24,799

stumbled into now jump ahead

871

00:33:29,029 --> 00:33:26,240

to uh

872

00:33:32,950 --> 00:33:29,039

2004 in eminence that

873

00:33:34,710 --> 00:33:32,960

2019 the roosevelt incident and and you

874

00:33:36,230 --> 00:33:34,720

put that all together

875

00:33:39,029 --> 00:33:36,240

nowadays

876

00:33:41,350 --> 00:33:39,039

we have highly advanced drones

877

00:33:43,509 --> 00:33:41,360

uh not that i have any knowledge of of

878

00:33:45,509 --> 00:33:43,519

exactly uh

879

00:33:47,430 --> 00:33:45,519

how they operate

880

00:33:49,590 --> 00:33:47,440

but i tell people this

881

00:33:52,070 --> 00:33:49,600

if you want to see

882

00:33:53,830 --> 00:33:52,080

some really strange objects flying

883

00:33:54,870 --> 00:33:53,840

around the sky

884

00:33:56,870 --> 00:33:54,880

spend

885

00:33:58,710 --> 00:33:56,880

a week or two on the perimeter of nellis

886

00:34:01,110 --> 00:33:58,720

test and training range

887

00:34:03,509 --> 00:34:01,120

and watch uh near tunnel par air force

888

00:34:05,669 --> 00:34:03,519

base or new near groomed lake but any

889

00:34:07,909 --> 00:34:05,679

place outside the perimeter you'll see

890

00:34:09,190 --> 00:34:07,919

things flying around there that will be

891

00:34:11,030 --> 00:34:09,200

will look you

892

00:34:14,310 --> 00:34:11,040

and and what they are most of them are

893

00:34:15,669 --> 00:34:14,320

drones they're highly classified drones

894

00:34:17,589 --> 00:34:15,679

and uh

895

00:34:19,030 --> 00:34:17,599

we did this and there's a documentary

896

00:34:21,909 --> 00:34:19,040

that's going to come out in some some

897

00:34:25,589 --> 00:34:21,919

time we had to stop the documentary

898

00:34:27,270 --> 00:34:25,599

stock because of the uh the covid but

899

00:34:29,669 --> 00:34:27,280

there's going to be one documentary

900

00:34:31,510 --> 00:34:29,679

coming out about this subject

901  
00:34:32,950 --> 00:34:31,520  
probably next year

902  
00:34:34,310 --> 00:34:32,960  
it's going to answer a lot of questions

903  
00:34:36,230 --> 00:34:34,320  
but it's also it's going to create a lot

904  
00:34:37,909 --> 00:34:36,240  
of questions so that's what i want to

905  
00:34:40,629 --> 00:34:37,919  
say about the drones

906  
00:34:42,710 --> 00:34:40,639  
but going back to skidwalker ranch

907  
00:34:45,109 --> 00:34:42,720  
i never personally saw anything strange

908  
00:34:47,270 --> 00:34:45,119  
out there i know others have

909  
00:34:48,389 --> 00:34:47,280  
uh you know i respect everybody's

910  
00:34:50,550 --> 00:34:48,399  
opinion

911  
00:34:52,629 --> 00:34:50,560  
uh but when i was out there i never saw

912  
00:34:54,310 --> 00:34:52,639  
anything strange

913  
00:34:57,589 --> 00:34:54,320

that's that i appreciate that

914

00:34:59,670 --> 00:34:57,599

information and we um i really respect

915

00:35:02,230 --> 00:34:59,680

the work uh of hal put off and the work

916

00:35:03,750 --> 00:35:02,240

you did with them as well i i had the

917

00:35:06,390 --> 00:35:03,760

the blessing to

918

00:35:09,030 --> 00:35:06,400

um hear him gosh a few a few years ago

919

00:35:11,510 --> 00:35:09,040

at a um sse conference

920

00:35:14,150 --> 00:35:11,520

and it's absolutely mind-blowing as you

921

00:35:17,109 --> 00:35:14,160

said what is coming down the pipe

922

00:35:19,430 --> 00:35:17,119

technologically so um a new world is

923

00:35:23,030 --> 00:35:19,440

definitely emerging in that

924

00:35:24,790 --> 00:35:23,040

arena um i also wanted to um

925

00:35:26,790 --> 00:35:24,800

thank uh while we're on air a good

926

00:35:30,150 --> 00:35:26,800

friend of mine eric who i know you've

927

00:35:31,750 --> 00:35:30,160

spoken with and he um he he kind of told

928

00:35:33,750 --> 00:35:31,760

me the same thing that if you go out to

929

00:35:37,030 --> 00:35:33,760

these areas of the desert around nellis

930

00:35:39,589 --> 00:35:37,040

etc that there is an amazing amount of

931

00:35:41,510 --> 00:35:39,599

uh stuff going on so that's that's

932

00:35:42,390 --> 00:35:41,520

really cool that um

933

00:35:46,150 --> 00:35:42,400

that

934

00:35:48,550 --> 00:35:46,160

me an opportunity to speak with you and

935

00:35:50,069 --> 00:35:48,560

i appreciate that as i said a lot of the

936

00:35:52,870 --> 00:35:50,079

questions i have for you i know you

937

00:35:55,589 --> 00:35:52,880

can't discuss um where do you see

938

00:35:59,510 --> 00:35:55,599

ufology going this year and then maybe

939

00:36:03,109 --> 00:35:59,520

two three years down the road

940

00:36:05,750 --> 00:36:03,119

well there's an effort and disclosure

941

00:36:09,510 --> 00:36:05,760

going on right now and i i'm involved in

942

00:36:13,829 --> 00:36:11,589

congressmen and

943

00:36:16,390 --> 00:36:13,839

in the house side and some senators

944

00:36:18,150 --> 00:36:16,400

on the senate side uh

945

00:36:19,270 --> 00:36:18,160

i i have had

946

00:36:21,589 --> 00:36:19,280

contact with

947

00:36:22,630 --> 00:36:21,599

senator rubio he's quite interested in

948

00:36:25,670 --> 00:36:22,640

the subject

949

00:36:28,550 --> 00:36:25,680

as are others other senators

950

00:36:29,990 --> 00:36:28,560

including uh some from my home state

951  
00:36:32,230 --> 00:36:30,000  
in new mexico

952  
00:36:34,310 --> 00:36:32,240  
uh senator heinrich

953  
00:36:35,910 --> 00:36:34,320  
and there's

954  
00:36:37,750 --> 00:36:35,920  
the problem

955  
00:36:39,109 --> 00:36:37,760  
in the disclosure

956  
00:36:41,589 --> 00:36:39,119  
arena

957  
00:36:43,190 --> 00:36:41,599  
is what i just occurred

958  
00:36:45,589 --> 00:36:43,200  
uh congressman

959  
00:36:47,270 --> 00:36:45,599  
uh having an open hearing

960  
00:36:49,030 --> 00:36:47,280  
bringing in two people within the

961  
00:36:50,790 --> 00:36:49,040  
government

962  
00:36:53,430 --> 00:36:50,800  
who and and they fully admitted they

963  
00:36:55,270 --> 00:36:53,440

were never briefed into everything

964

00:36:57,670 --> 00:36:55,280

they were only briefed into a certain

965

00:36:59,109 --> 00:36:57,680

segment of the subject

966

00:37:01,270 --> 00:36:59,119

they didn't know anything about the

967

00:37:03,109 --> 00:37:01,280

historical aspect

968

00:37:04,310 --> 00:37:03,119

of the ufo program

969

00:37:06,790 --> 00:37:04,320

uh

970

00:37:09,270 --> 00:37:06,800

this there was congressman and asked him

971

00:37:10,390 --> 00:37:09,280

specific questions that they couldn't

972

00:37:11,829 --> 00:37:10,400

answer

973

00:37:15,910 --> 00:37:11,839

now

974

00:37:23,510 --> 00:37:20,230

you have to be able to bring someone in

975

00:37:25,990 --> 00:37:23,520

that is fully briefed into the program

976  
00:37:27,910 --> 00:37:26,000  
government wise

977  
00:37:30,069 --> 00:37:27,920  
and i i know they're not going to be

978  
00:37:32,470 --> 00:37:30,079  
able to talk about everything they're

979  
00:37:35,190 --> 00:37:32,480  
not going to disclose technology

980  
00:37:36,230 --> 00:37:35,200  
sources and methods

981  
00:37:38,550 --> 00:37:36,240  
and things like that they're not going

982  
00:37:40,870 --> 00:37:38,560  
to do that now

983  
00:37:43,190 --> 00:37:40,880  
we saw the open hearing

984  
00:37:44,710 --> 00:37:43,200  
and there was a there's a closed hearing

985  
00:37:47,190 --> 00:37:44,720  
and everybody wanted to know what's

986  
00:37:49,030 --> 00:37:47,200  
going on in the and in the clothes here

987  
00:37:51,589 --> 00:37:49,040  
they're going to talk about

988  
00:37:53,109 --> 00:37:51,599

et's and no they didn't they all they

989

00:37:55,270 --> 00:37:53,119

talked about in the close hearing and

990

00:37:57,109 --> 00:37:55,280

i'm not going to go into details but

991

00:37:59,349 --> 00:37:57,119

they're going to they talked about

992

00:38:01,190 --> 00:37:59,359

sources and methods that the united

993

00:38:04,470 --> 00:38:01,200

states government has

994

00:38:06,470 --> 00:38:04,480

that can detect flying objects there's

995

00:38:07,270 --> 00:38:06,480

certain advanced technologies that we

996

00:38:08,790 --> 00:38:07,280

have

997

00:38:09,990 --> 00:38:08,800

there's advanced technologies and

998

00:38:13,349 --> 00:38:10,000

aircrafts

999

00:38:14,470 --> 00:38:13,359

uh that are classified in the in the uh

1000

00:38:23,030 --> 00:38:14,480

uh

1001  
00:38:25,910 --> 00:38:23,040  
instrument panel and they're classified

1002  
00:38:27,990 --> 00:38:25,920  
the if identification friendfold neutral

1003  
00:38:30,710 --> 00:38:28,000  
system within an aircraft

1004  
00:38:32,310 --> 00:38:30,720  
is is classified and

1005  
00:38:33,670 --> 00:38:32,320  
i don't know if you know what that means

1006  
00:38:36,069 --> 00:38:33,680  
but

1007  
00:38:37,910 --> 00:38:36,079  
iffn is a system that the government

1008  
00:38:39,190 --> 00:38:37,920  
united states government uses to

1009  
00:38:41,030 --> 00:38:39,200  
identify

1010  
00:38:44,390 --> 00:38:41,040  
an identification

1011  
00:38:46,390 --> 00:38:44,400  
whether it's a friend a foe or a neutral

1012  
00:38:48,310 --> 00:38:46,400  
there's certain systems and i'm not

1013  
00:38:50,790 --> 00:38:48,320

going to go into them i know i'm but

1014

00:38:54,390 --> 00:38:50,800

they're classified so

1015

00:38:55,990 --> 00:38:54,400

all our fighter planes uh our bombers

1016

00:38:57,670 --> 00:38:56,000

have this system

1017

00:38:58,470 --> 00:38:57,680

so if we're flying

1018

00:39:03,349 --> 00:38:58,480

uh

1019

00:39:06,310 --> 00:39:03,359

some area and they detect an aircraft on

1020

00:39:08,710 --> 00:39:06,320

radar they immediately can

1021

00:39:11,190 --> 00:39:08,720

in a method used to detect whether that

1022

00:39:14,390 --> 00:39:11,200

plane is another air force plane or a

1023

00:39:17,109 --> 00:39:14,400

u.s navy plane or a marine corps plane

1024

00:39:19,510 --> 00:39:17,119

or a civilian airliner or a

1025

00:39:22,470 --> 00:39:19,520

piper cub

1026

00:39:25,430 --> 00:39:22,480

in comparison to a russian aircraft or a

1027

00:39:27,430 --> 00:39:25,440

chinese aircraft or a swiss aircraft or

1028

00:39:29,510 --> 00:39:27,440

a swedish aircraft which would be

1029

00:39:31,270 --> 00:39:29,520

considered neutral so we have those

1030

00:39:32,069 --> 00:39:31,280

advanced systems

1031

00:39:33,750 --> 00:39:32,079

so

1032

00:39:38,069 --> 00:39:33,760

when a plane is up

1033

00:39:41,270 --> 00:39:38,079

uh say for instance an f1 f1 f18a

1034

00:39:42,950 --> 00:39:41,280

f-18 a navy plane which was discussed in

1035

00:39:44,390 --> 00:39:42,960

the international hearing

1036

00:39:47,030 --> 00:39:44,400

that plane had

1037

00:39:49,750 --> 00:39:47,040

the ability to detect

1038

00:39:53,190 --> 00:39:49,760

whether those objects those those

1039

00:39:55,190 --> 00:39:53,200

pictures or those things that they saw

1040

00:39:56,870 --> 00:39:55,200

was

1041

00:39:59,589 --> 00:39:56,880

faux or neutral

1042

00:40:01,190 --> 00:39:59,599

well they couldn't detect whether it was

1043

00:40:03,270 --> 00:40:01,200

any of those

1044

00:40:05,190 --> 00:40:03,280

so that meant it was something else we

1045

00:40:06,950 --> 00:40:05,200

don't know what it was well

1046

00:40:09,510 --> 00:40:06,960

i think now somebody came out and said

1047

00:40:11,430 --> 00:40:09,520

ah there were drones swarm of drones out

1048

00:40:12,230 --> 00:40:11,440

there that are

1049

00:40:13,829 --> 00:40:12,240

we

1050

00:40:17,109 --> 00:40:13,839

another entity within the government's

1051

00:40:18,870 --> 00:40:17,119

testing and so forth uh so

1052

00:40:20,630 --> 00:40:18,880

those are the things that they're they

1053

00:40:22,950 --> 00:40:20,640

discussed in a closed meeting now they

1054

00:40:25,430 --> 00:40:22,960

probably discussed other things such as

1055

00:40:27,030 --> 00:40:25,440

how the soviets or how the russians or

1056

00:40:28,230 --> 00:40:27,040

how the chinese could be doing the same

1057

00:40:31,030 --> 00:40:28,240

thing

1058

00:40:32,069 --> 00:40:31,040

but i don't know and i had somebody tell

1059

00:40:34,069 --> 00:40:32,079

me this

1060

00:40:37,670 --> 00:40:34,079

somebody was in a closed session

1061

00:40:39,349 --> 00:40:37,680

there was nothing taught no discussions

1062

00:40:41,430 --> 00:40:39,359

occurred regarding

1063

00:40:44,230 --> 00:40:41,440

uh ets or

1064

00:40:45,910 --> 00:40:44,240

or ufos or anything like that so

1065

00:40:47,670 --> 00:40:45,920

that's and i'm sure there's some other

1066

00:40:48,630 --> 00:40:47,680

things that were discussed in the closed

1067

00:40:51,270 --> 00:40:48,640

session

1068

00:40:54,230 --> 00:40:51,280

so um

1069

00:40:55,670 --> 00:40:54,240

the future of of ufology

1070

00:40:58,550 --> 00:40:55,680

has to be what

1071

00:41:00,470 --> 00:40:58,560

you know our government makes it

1072

00:41:03,109 --> 00:41:00,480

now we can put pressure

1073

00:41:05,430 --> 00:41:03,119

by electing officials who are more open

1074

00:41:08,309 --> 00:41:05,440

to the subject now we have a election

1075

00:41:10,550 --> 00:41:08,319

coming up here in 20 in november and

1076

00:41:11,430 --> 00:41:10,560

another one in 2024.

1077

00:41:14,390 --> 00:41:11,440

um

1078

00:41:16,950 --> 00:41:14,400

and i'm not political at all i mean i i

1079

00:41:19,190 --> 00:41:16,960

you know i stay away from that arena

1080

00:41:21,270 --> 00:41:19,200

but there are a lot of people out there

1081

00:41:23,109 --> 00:41:21,280

that have uh

1082

00:41:24,470 --> 00:41:23,119

the experience in this

1083

00:41:26,150 --> 00:41:24,480

in this realm

1084

00:41:29,190 --> 00:41:26,160

of ufos

1085

00:41:31,109 --> 00:41:29,200

and maybe maybe not officially

1086

00:41:33,670 --> 00:41:31,119

but they want the subject out there they

1087

00:41:35,670 --> 00:41:33,680

want to be told the truth

1088

00:41:36,790 --> 00:41:35,680

and so far the government hasn't told us

1089

00:41:40,309 --> 00:41:36,800

the truth

1090

00:41:42,710 --> 00:41:40,319

in order for us to get ufo ufology

1091

00:41:43,750 --> 00:41:42,720

on the same plane with a disclosure

1092

00:41:45,349 --> 00:41:43,760

process

1093

00:41:47,190 --> 00:41:45,359

we have to get

1094

00:41:48,470 --> 00:41:47,200

congressmen

1095

00:41:50,230 --> 00:41:48,480

senators

1096

00:41:52,790 --> 00:41:50,240

uh governors

1097

00:41:56,069 --> 00:41:52,800

and even in people within the the

1098

00:41:58,230 --> 00:41:56,079

executive branch the president and vice

1099

00:42:00,230 --> 00:41:58,240

president open to the subject of

1100

00:42:02,550 --> 00:42:00,240

disclosure and i don't think we have

1101

00:42:03,589 --> 00:42:02,560

that right now so in three years from

1102

00:42:05,670 --> 00:42:03,599

now

1103

00:42:07,190 --> 00:42:05,680

if we're on the same path that we are

1104

00:42:09,750 --> 00:42:07,200

now

1105

00:42:12,309 --> 00:42:09,760

nothing

1106

00:42:13,750 --> 00:42:12,319

the fact that we know

1107

00:42:16,069 --> 00:42:13,760

there's so many people out there know

1108

00:42:18,230 --> 00:42:16,079

the truth especially people like myself

1109

00:42:20,470 --> 00:42:18,240

who have been in the government i mean

1110

00:42:23,109 --> 00:42:20,480

i have

1111

00:42:24,230 --> 00:42:23,119

i'm in a society of retired intelligence

1112

00:42:25,829 --> 00:42:24,240

officers

1113

00:42:26,630 --> 00:42:25,839

we used to have a lot and they're dying

1114

00:42:29,349 --> 00:42:26,640

off

1115

00:42:30,390 --> 00:42:29,359

unfortunately some old-timers that know

1116

00:42:31,829 --> 00:42:30,400

about this

1117

00:42:33,990 --> 00:42:31,839

i've been talking about old-timers i

1118

00:42:36,230 --> 00:42:34,000

mean within the cia

1119

00:42:38,470 --> 00:42:36,240

and within nsa

1120

00:42:40,950 --> 00:42:38,480

uh that could uh blow the top off this

1121

00:42:42,390 --> 00:42:40,960

but nobody wants to listen to them and

1122

00:42:45,109 --> 00:42:42,400

they don't want to jeopardize their

1123

00:42:47,109 --> 00:42:45,119

pension

1124

00:42:48,230 --> 00:42:47,119

those we have to get those people on

1125

00:42:50,790 --> 00:42:48,240

board

1126

00:42:52,309 --> 00:42:50,800

to really come out and sit at a open

1127

00:42:54,710 --> 00:42:52,319

hearing

1128

00:42:56,829 --> 00:42:54,720

and tell them tell congress what they

1129

00:42:59,510 --> 00:42:56,839

did and what they

1130

00:43:00,870 --> 00:42:59,520

know i have a friend right now who works

1131

00:43:02,950 --> 00:43:00,880

for the dia

1132

00:43:06,390 --> 00:43:02,960

he works he's still he's in the d.i.u

1133

00:43:08,309 --> 00:43:06,400

right now defense intelligence agency

1134

00:43:10,790 --> 00:43:08,319

he told me uh when uh i was in

1135

00:43:12,950 --> 00:43:10,800

washington a few weeks ago or some weeks

1136

00:43:15,990 --> 00:43:12,960

ago some months ago excuse me

1137

00:43:19,190 --> 00:43:18,309

i wish they would come to me and ask me

1138

00:43:21,270 --> 00:43:19,200

about

1139

00:43:23,510 --> 00:43:21,280

what the government knows

1140

00:43:25,589 --> 00:43:23,520

he says i got six filing cabinets behind

1141

00:43:26,870 --> 00:43:25,599

me with information that would blow the

1142

00:43:28,950 --> 00:43:26,880

story open

1143

00:43:31,349 --> 00:43:28,960

but they won't let me share that so

1144

00:43:33,670 --> 00:43:31,359

that's just one example of one person

1145

00:43:35,430 --> 00:43:33,680

within one office of dia

1146

00:43:37,589 --> 00:43:35,440

that has the knowledge and has the

1147

00:43:41,990 --> 00:43:37,599

documents to prove it

1148

00:43:44,710 --> 00:43:42,000

there's many within cia uh

1149

00:43:49,109 --> 00:43:44,720

james ramirez just came out uh not long

1150

00:43:52,309 --> 00:43:49,119

ago a retired cia officer who who speaks

1151  
00:43:55,190 --> 00:43:52,319  
about it and what he knows about his job

1152  
00:43:56,069 --> 00:43:55,200  
there's a another man uh not as well

1153  
00:43:57,829 --> 00:43:56,079  
known

1154  
00:44:00,550 --> 00:43:57,839  
uh who was a uh

1155  
00:44:04,230 --> 00:44:02,790  
a national security agency

1156  
00:44:06,550 --> 00:44:04,240  
uh plotter

1157  
00:44:07,430 --> 00:44:06,560  
at a remote radar site

1158  
00:44:08,470 --> 00:44:07,440  
uh

1159  
00:44:10,550 --> 00:44:08,480  
he spent

1160  
00:44:12,550 --> 00:44:10,560  
11 years sitting

1161  
00:44:14,150 --> 00:44:12,560  
in front of a screen watching these

1162  
00:44:16,230 --> 00:44:14,160  
strange objects

1163  
00:44:19,030 --> 00:44:16,240

listen to fighter pilots

1164

00:44:21,589 --> 00:44:19,040

and other uh aircraft and other ground

1165

00:44:23,349 --> 00:44:21,599

controllers talking about these strange

1166

00:44:25,990 --> 00:44:23,359

things that are coming into our

1167

00:44:27,910 --> 00:44:26,000

atmosphere that we can't identify

1168

00:44:31,270 --> 00:44:27,920

and he did this for 11 years back in the

1169

00:44:33,829 --> 00:44:31,280

70s and 80s and

1170

00:44:37,510 --> 00:44:33,839

what were they what were these things uh

1171

00:44:38,870 --> 00:44:37,520

he tracked something that came from um

1172

00:44:39,990 --> 00:44:38,880

from the area

1173

00:44:42,069 --> 00:44:40,000

of the moon

1174

00:44:44,790 --> 00:44:42,079

into our atmosphere

1175

00:44:47,670 --> 00:44:44,800

circle earth and the land take off and

1176

00:44:49,589 --> 00:44:47,680

goes and went right back there now in

1177

00:44:51,670 --> 00:44:49,599

that time period it could not possibly

1178

00:44:53,030 --> 00:44:51,680

have been anything from earth

1179

00:44:54,790 --> 00:44:53,040

where'd it come from

1180

00:44:56,950 --> 00:44:54,800

he told the story of the ufo convention

1181

00:44:58,470 --> 00:44:56,960

people were like scratching that but you

1182

00:44:59,750 --> 00:44:58,480

know that's

1183

00:45:01,589 --> 00:44:59,760

those things

1184

00:45:04,790 --> 00:45:01,599

are real

1185

00:45:07,349 --> 00:45:04,800

we are we've really been a visited

1186

00:45:09,030 --> 00:45:07,359

we've really had contact

1187

00:45:11,750 --> 00:45:09,040

but with the government having

1188

00:45:13,510 --> 00:45:11,760

congressional hearings like they did

1189

00:45:15,510 --> 00:45:13,520

uh where they're very careful what they

1190

00:45:18,470 --> 00:45:15,520

say or how they say it

1191

00:45:20,069 --> 00:45:18,480

the disclosure process or the disclosure

1192

00:45:21,910 --> 00:45:20,079

of the subject's never going to get out

1193

00:45:23,589 --> 00:45:21,920

there

1194

00:45:25,349 --> 00:45:23,599

yeah and it's it's

1195

00:45:28,550 --> 00:45:25,359

so important to

1196

00:45:31,190 --> 00:45:28,560

escape that clamor because people people

1197

00:45:32,790 --> 00:45:31,200

people get so riled up

1198

00:45:33,910 --> 00:45:32,800

and i think when you get past that

1199

00:45:35,670 --> 00:45:33,920

illusion

1200

00:45:38,069 --> 00:45:35,680

there is um

1201

00:45:41,190 --> 00:45:38,079

there there was a well

1202

00:45:43,750 --> 00:45:41,200

not not to mention names but i i spoke i

1203

00:45:46,309 --> 00:45:43,760

i was part of that clamor for a while

1204

00:45:47,990 --> 00:45:46,319

because i just figured oh we should know

1205

00:45:49,829 --> 00:45:48,000

everything there is to know everybody

1206

00:45:51,829 --> 00:45:49,839

regardless of top secret clearance or

1207

00:45:54,870 --> 00:45:51,839

not should just be told everything there

1208

00:45:56,470 --> 00:45:54,880

is to know and that's just not the way

1209

00:45:57,589 --> 00:45:56,480

this works

1210

00:46:01,270 --> 00:45:57,599

um

1211

00:46:04,309 --> 00:46:01,280

i it took an old timer from maryland to

1212

00:46:06,870 --> 00:46:04,319

literally sit me down and explain to me

1213

00:46:07,990 --> 00:46:06,880

that there is a very real darkness in

1214

00:46:11,349 --> 00:46:08,000

this world

1215

00:46:14,470 --> 00:46:11,359

and uh you have to protect the american

1216

00:46:16,870 --> 00:46:14,480

people the citizens of the world from

1217

00:46:19,670 --> 00:46:16,880

some of these dark forces

1218

00:46:21,589 --> 00:46:19,680

and uh when it's when it was pounded

1219

00:46:22,550 --> 00:46:21,599

into me that way

1220

00:46:26,630 --> 00:46:22,560

i i

1221

00:46:28,710 --> 00:46:26,640

became more open-minded in a way to um

1222

00:46:30,630 --> 00:46:28,720

why some of these secrets take a while

1223

00:46:34,309 --> 00:46:30,640

to eventually come out

1224

00:46:37,589 --> 00:46:34,319

and um bringing that up um when hal and

1225

00:46:39,990 --> 00:46:37,599

kit pass on which uh and i'm talking

1226

00:46:42,870 --> 00:46:40,000

eventually this will happen

1227

00:46:47,190 --> 00:46:42,880

um do you believe that um more of these

1228

00:46:51,510 --> 00:46:50,069

well let me say first uh

1229

00:46:54,870 --> 00:46:51,520

people who have never worked for the

1230

00:46:57,510 --> 00:46:54,880

government doesn't doesn't understand

1231

00:46:59,750 --> 00:46:57,520

what a special access program is or what

1232

00:47:00,710 --> 00:46:59,760

what compartmentization is

1233

00:47:02,870 --> 00:47:00,720

um

1234

00:47:05,910 --> 00:47:02,880

i would and for an example i worked at

1235

00:47:08,870 --> 00:47:05,920

area 51 there were four osi agents

1236

00:47:11,109 --> 00:47:08,880

working in an office we had cubicles

1237

00:47:13,990 --> 00:47:11,119

four of us and we had a boss

1238

00:47:16,870 --> 00:47:14,000

and uh he had his own office

1239

00:47:19,030 --> 00:47:16,880

and each one of us worked on

1240

00:47:21,030 --> 00:47:19,040

special access programs

1241

00:47:23,510 --> 00:47:21,040

but i didn't have access

1242

00:47:24,950 --> 00:47:23,520

to what the agent across the hall from

1243

00:47:26,230 --> 00:47:24,960

he had

1244

00:47:27,349 --> 00:47:26,240

or

1245

00:47:28,870 --> 00:47:27,359

from the one

1246

00:47:31,030 --> 00:47:28,880

that sat above him

1247

00:47:32,710 --> 00:47:31,040

uh that's compartmentalization

1248

00:47:35,270 --> 00:47:32,720

we everything is compartmented now

1249

00:47:37,750 --> 00:47:35,280

unless i had some reason

1250

00:47:39,430 --> 00:47:37,760

uh to have access to it i wouldn't have

1251  
00:47:41,589 --> 00:47:39,440  
access to what he was doing and he

1252  
00:47:42,950 --> 00:47:41,599  
wouldn't have access to what i was doing

1253  
00:47:45,510 --> 00:47:42,960  
that's just an example of what

1254  
00:47:47,030 --> 00:47:45,520  
compartmentization is within a special

1255  
00:47:49,510 --> 00:47:47,040  
access program

1256  
00:47:54,710 --> 00:47:51,910  
another thing somebody asks me is there

1257  
00:47:55,829 --> 00:47:54,720  
somebody that knows everything

1258  
00:47:58,390 --> 00:47:55,839  
um

1259  
00:47:59,990 --> 00:47:58,400  
probably not

1260  
00:48:01,990 --> 00:48:00,000  
there are segments

1261  
00:48:03,750 --> 00:48:02,000  
like of a pie

1262  
00:48:04,470 --> 00:48:03,760  
if you take those pieces out and set

1263  
00:48:06,470 --> 00:48:04,480

them

1264

00:48:08,710 --> 00:48:06,480

away from that pie

1265

00:48:10,470 --> 00:48:08,720

there's no way they're going to connect

1266

00:48:11,349 --> 00:48:10,480

now if you put them all back in that pie

1267

00:48:13,190 --> 00:48:11,359

tin

1268

00:48:14,470 --> 00:48:13,200

now they're going to be able to talk and

1269

00:48:16,950 --> 00:48:14,480

and connect

1270

00:48:19,270 --> 00:48:16,960

but the the special access program is

1271

00:48:21,349 --> 00:48:19,280

very careful to keep those pieces of pie

1272

00:48:22,230 --> 00:48:21,359

away from the piping

1273

00:48:23,270 --> 00:48:22,240

so

1274

00:48:25,510 --> 00:48:23,280

uh

1275

00:48:27,750 --> 00:48:25,520

there is a person right now

1276

00:48:29,910 --> 00:48:27,760

is he he's a brigadier general

1277

00:48:31,910 --> 00:48:29,920

in the united states air force

1278

00:48:33,990 --> 00:48:31,920

his last name is abba

1279

00:48:35,190 --> 00:48:34,000

abba

1280

00:48:38,470 --> 00:48:35,200

um

1281

00:48:41,510 --> 00:48:38,480

that uh and and uh anybody that knows

1282

00:48:44,230 --> 00:48:41,520

any arabic knows abba means

1283

00:48:44,950 --> 00:48:44,240

a truth in in arabic anyways that's his

1284

00:48:47,750 --> 00:48:44,960

name

1285

00:48:49,750 --> 00:48:47,760

he is in charge of all the special

1286

00:48:51,829 --> 00:48:49,760

access programs

1287

00:48:54,470 --> 00:48:51,839

but i i dare say he probably doesn't

1288

00:48:56,309 --> 00:48:54,480

know what every program is

1289

00:48:57,510 --> 00:48:56,319

that's just an example

1290

00:49:00,069 --> 00:48:57,520

so

1291

00:49:04,150 --> 00:49:02,390

nobody knows everything

1292

00:49:05,030 --> 00:49:04,160

and so therefore

1293

00:49:07,270 --> 00:49:05,040

uh

1294

00:49:08,950 --> 00:49:07,280

the information the question you ask

1295

00:49:10,870 --> 00:49:08,960

is over the years can some of this

1296

00:49:12,710 --> 00:49:10,880

information get out

1297

00:49:13,990 --> 00:49:12,720

absolutely

1298

00:49:15,430 --> 00:49:14,000

because

1299

00:49:17,829 --> 00:49:15,440

some people don't want to carry it to

1300

00:49:19,589 --> 00:49:17,839

their death beds i sat

1301

00:49:22,230 --> 00:49:19,599

in a room i didn't actually interview

1302

00:49:23,589 --> 00:49:22,240

them i sat in a room

1303

00:49:25,750 --> 00:49:23,599

where a person

1304

00:49:26,950 --> 00:49:25,760

who had a great deal of knowledge about

1305

00:49:28,069 --> 00:49:26,960

this subject

1306

00:49:29,109 --> 00:49:28,079

was dying

1307

00:49:31,430 --> 00:49:29,119

he

1308

00:49:33,030 --> 00:49:31,440

had

1309

00:49:37,190 --> 00:49:33,040

terminal cancer

1310

00:49:39,589 --> 00:49:37,200

uh it was towards the end of his life

1311

00:49:42,069 --> 00:49:39,599

he was able to talk

1312

00:49:45,109 --> 00:49:42,079

it was just before he went into a coma

1313

00:49:47,270 --> 00:49:45,119

and into hospice but there were there

1314

00:49:49,990 --> 00:49:47,280

were three people around over the course

1315

00:49:52,230 --> 00:49:50,000

recording what he was saying

1316

00:49:53,270 --> 00:49:52,240

and he worked for the cia

1317

00:49:54,430 --> 00:49:53,280

and

1318

00:49:57,270 --> 00:49:54,440

i was there uh

1319

00:50:00,069 --> 00:49:57,280

[Music]

1320

00:50:01,589 --> 00:50:00,079

probably uh maybe i should go into how i

1321

00:50:03,910 --> 00:50:01,599

was there but anyways

1322

00:50:06,630 --> 00:50:03,920

i listened to him talk

1323

00:50:09,030 --> 00:50:06,640

and he took he told us his knowledge

1324

00:50:09,750 --> 00:50:09,040

he told those people and they recorded

1325

00:50:11,109 --> 00:50:09,760

it

1326

00:50:13,430 --> 00:50:11,119

and

1327

00:50:15,589 --> 00:50:13,440

the people that were recording this not

1328

00:50:18,069 --> 00:50:15,599

all of them were cleared

1329

00:50:20,790 --> 00:50:18,079

so that is one way

1330

00:50:22,870 --> 00:50:20,800

that information is leaked of course

1331

00:50:24,069 --> 00:50:22,880

the cia officer that's dying the

1332

00:50:27,270 --> 00:50:24,079

executive

1333

00:50:30,549 --> 00:50:27,280

dead now this is some years ago he's not

1334

00:50:33,030 --> 00:50:30,559

he's not alive to explain or confirm

1335

00:50:35,910 --> 00:50:33,040

anything that person said to to

1336

00:50:38,790 --> 00:50:35,920

reporters or to other people

1337

00:50:39,589 --> 00:50:38,800

slowly it leaks now when kit is very i

1338

00:50:42,549 --> 00:50:39,599

mean

1339

00:50:43,589 --> 00:50:42,559

green is is a very very very good friend

1340

00:50:46,069 --> 00:50:43,599

of mine

1341

00:50:47,670 --> 00:50:46,079

uh for a number of reasons

1342

00:50:49,829 --> 00:50:47,680

we worked

1343

00:50:51,750 --> 00:50:49,839

within uh

1344

00:50:54,950 --> 00:50:51,760

we worked on a highly

1345

00:50:57,349 --> 00:50:54,960

classified highly dangerous

1346

00:51:00,150 --> 00:50:57,359

uh counter-espionage operation in europe

1347

00:51:02,870 --> 00:51:00,160

get nine and it was ken and i

1348

00:51:05,430 --> 00:51:02,880

i relied on him he relied on me

1349

00:51:06,829 --> 00:51:05,440

and so uh we developed the friendship

1350

00:51:10,230 --> 00:51:06,839

that was uh

1351  
00:51:11,349 --> 00:51:10,240  
everlasting and as of today i i talk to

1352  
00:51:13,910 --> 00:51:11,359  
him

1353  
00:51:16,790 --> 00:51:13,920  
you know not daily but

1354  
00:51:19,910 --> 00:51:16,800  
anytime i need to i i i call him or we

1355  
00:51:21,190 --> 00:51:19,920  
chat on a signal which is a secure uh

1356  
00:51:22,950 --> 00:51:21,200  
system on

1357  
00:51:25,270 --> 00:51:22,960  
on the internet

1358  
00:51:27,270 --> 00:51:25,280  
um hal is the same way hal is a very

1359  
00:51:30,069 --> 00:51:27,280  
very good friend of mine i don't have as

1360  
00:51:31,670 --> 00:51:30,079  
much contact with hal as i did before

1361  
00:51:33,990 --> 00:51:31,680  
but during the 12 years i worked with

1362  
00:51:36,150 --> 00:51:34,000  
him he worked in darpa on tarp

1363  
00:51:38,069 --> 00:51:36,160

operations i had a security clearance i

1364

00:51:39,910 --> 00:51:38,079

worked on a lot of things that were i

1365

00:51:42,470 --> 00:51:39,920

can't ever talk about

1366

00:51:45,750 --> 00:51:42,480

because it's proprietary or it's highly

1367

00:51:48,549 --> 00:51:45,760

classified does it have to do with ufos

1368

00:51:50,470 --> 00:51:48,559

yes that's about all i can say

1369

00:51:53,270 --> 00:51:50,480

so when they pass away

1370

00:51:55,030 --> 00:51:53,280

i hate to think the time that they do

1371

00:51:56,390 --> 00:51:55,040

i think that there's probably some of

1372

00:51:58,470 --> 00:51:56,400

that information that's going to be

1373

00:52:00,150 --> 00:51:58,480

leaked out

1374

00:52:01,670 --> 00:52:00,160

thanks for answering that that's that's

1375

00:52:03,430 --> 00:52:01,680

a big deal yeah because they are

1376

00:52:06,150 --> 00:52:03,440

brilliant minds as well

1377

00:52:10,230 --> 00:52:06,160

as all the work you've done

1378

00:52:12,230 --> 00:52:10,240

a question that i wanted to ask you is

1379

00:52:15,109 --> 00:52:12,240

lou elizondo there's a shift happening a

1380

00:52:17,270 --> 00:52:15,119

lot going on with the tsa

1381

00:52:20,630 --> 00:52:17,280

what do you believe the real purpose of

1382

00:52:22,950 --> 00:52:20,640

the tsa is and maybe how is lou

1383

00:52:24,630 --> 00:52:22,960

elizondo's role today

1384

00:52:29,670 --> 00:52:24,640

different from your role in the past

1385

00:52:33,510 --> 00:52:29,680

regarding ufo uap related content

1386

00:52:34,790 --> 00:52:33,520

well i know lou i've spoken with lou

1387

00:52:37,990 --> 00:52:34,800

um

1388

00:52:40,230 --> 00:52:38,000

i i have no idea what he did

1389

00:52:42,790 --> 00:52:40,240

i mean there's a lot of conjecture about

1390

00:52:44,309 --> 00:52:42,800

what he did what he was in charge with

1391

00:52:45,990 --> 00:52:44,319

and what he wasn't

1392

00:52:48,150 --> 00:52:46,000

there's a big youtube video now that

1393

00:52:49,589 --> 00:52:48,160

just came out that said you know he

1394

00:52:51,030 --> 00:52:49,599

didn't do what he claimed he'd done i

1395

00:52:54,309 --> 00:52:51,040

don't know i'm not going to get in all

1396

00:52:57,109 --> 00:52:54,319

that uh lou has a lot of knowledge

1397

00:52:59,030 --> 00:52:57,119

about what happened and what uh what he

1398

00:53:02,309 --> 00:52:59,040

did during his time

1399

00:53:05,109 --> 00:53:02,319

he knows a lot of things

1400

00:53:08,309 --> 00:53:05,119

about the subject matter that i know

1401

00:53:09,829 --> 00:53:08,319

um he knows he was briefed into a

1402

00:53:11,829 --> 00:53:09,839

program not the same program i was

1403

00:53:13,829 --> 00:53:11,839

briefed into but he was briefed into a

1404

00:53:14,870 --> 00:53:13,839

program that pertained to the same

1405

00:53:17,270 --> 00:53:14,880

subject

1406

00:53:17,990 --> 00:53:17,280

that i was briefed into

1407

00:53:18,950 --> 00:53:18,000

so

1408

00:53:20,069 --> 00:53:18,960

i think

1409

00:53:21,510 --> 00:53:20,079

uh

1410

00:53:26,549 --> 00:53:21,520

he has a

1411

00:53:27,430 --> 00:53:26,559

they were more involved

1412

00:53:29,109 --> 00:53:27,440

with the

1413

00:53:31,270 --> 00:53:29,119

setting up

1414

00:53:32,390 --> 00:53:31,280

this congressional hearing than than my

1415

00:53:33,270 --> 00:53:32,400

group was

1416

00:53:34,069 --> 00:53:33,280

um

1417

00:53:36,230 --> 00:53:34,079

we

1418

00:53:37,589 --> 00:53:36,240

worked somewhat together but not real

1419

00:53:42,390 --> 00:53:37,599

closely

1420

00:53:45,109 --> 00:53:42,400

aligned to the senate hearings which

1421

00:53:46,230 --> 00:53:45,119

will come up later um

1422

00:53:48,150 --> 00:53:46,240

this year

1423

00:53:50,790 --> 00:53:48,160

than the congressional hearings

1424

00:53:52,069 --> 00:53:50,800

i think we're more involved with that

1425

00:53:53,430 --> 00:53:52,079

and i don't know if it's going to be any

1426

00:53:55,510 --> 00:53:53,440

different i don't know who the

1427

00:53:56,630 --> 00:53:55,520

government's going to put up there but

1428

00:53:58,069 --> 00:53:56,640

but uh

1429

00:54:00,230 --> 00:53:58,079

lou is a uh

1430

00:54:01,510 --> 00:54:00,240

he's a crusader you know

1431

00:54:04,710 --> 00:54:01,520

uh

1432

00:54:07,829 --> 00:54:04,720

everything that that he did outside

1433

00:54:11,589 --> 00:54:07,839

the uh the the ufo a-tip

1434

00:54:13,910 --> 00:54:11,599

um everything he did uh as a as an army

1435

00:54:18,230 --> 00:54:13,920

officer uh one officer

1436

00:54:19,190 --> 00:54:18,240

uh his role in afghanistan and iraq has

1437

00:54:21,030 --> 00:54:19,200

been

1438

00:54:23,430 --> 00:54:21,040

thoroughly vetted and it's

1439

00:54:26,309 --> 00:54:23,440

everything he said is absolutely true i

1440

00:54:27,349 --> 00:54:26,319

thank him uh for the service to the

1441

00:54:29,990 --> 00:54:27,359

country

1442

00:54:32,870 --> 00:54:30,000

uh i i he saw combat

1443

00:54:33,670 --> 00:54:32,880

i certainly never saw combat in my time

1444

00:54:35,589 --> 00:54:33,680

uh

1445

00:54:37,750 --> 00:54:35,599

i mean i was in some

1446

00:54:39,910 --> 00:54:37,760

serious situations but never combat

1447

00:54:43,109 --> 00:54:39,920

anything like that so i thank him for

1448

00:54:45,670 --> 00:54:43,119

his service he's a dedicated person

1449

00:54:47,750 --> 00:54:45,680

um and i but i don't know

1450

00:54:49,910 --> 00:54:47,760

i can't get in his mind i don't know

1451

00:54:52,630 --> 00:54:49,920

what he did what he didn't do i hear

1452

00:54:55,109 --> 00:54:52,640

people bad badmouthing all the time

1453

00:54:56,069 --> 00:54:55,119

i i if i don't know something about

1454

00:54:57,670 --> 00:54:56,079

somebody

1455

00:55:00,390 --> 00:54:57,680

personally i'm not gonna you know

1456

00:55:03,030 --> 00:55:00,400

discuss or align myself with somebody

1457

00:55:03,910 --> 00:55:03,040

that is saying bad things or even good

1458

00:55:06,870 --> 00:55:03,920

things

1459

00:55:08,230 --> 00:55:06,880

so i think lou has an agenda his group

1460

00:55:10,470 --> 00:55:08,240

has an agenda

1461

00:55:11,589 --> 00:55:10,480

i wish him the best of luck in it

1462

00:55:13,670 --> 00:55:11,599

um

1463

00:55:16,069 --> 00:55:13,680

i don't know his real

1464

00:55:17,829 --> 00:55:16,079

uh place within atep

1465

00:55:20,069 --> 00:55:17,839

i mean there's other things

1466

00:55:24,150 --> 00:55:20,079

the advanced uh

1467

00:55:27,349 --> 00:55:24,160

technology area of atip which apparently

1468

00:55:29,990 --> 00:55:27,359

uh was the real reason that atip got

1469

00:55:30,950 --> 00:55:30,000

started i've heard it from an air force

1470

00:55:33,030 --> 00:55:30,960

colonel

1471

00:55:35,510 --> 00:55:33,040

uh who is now in our aligned with our

1472

00:55:36,390 --> 00:55:35,520

group uh who told me

1473

00:55:38,789 --> 00:55:36,400

um

1474

00:55:39,670 --> 00:55:38,799

atip was a cover

1475

00:55:41,990 --> 00:55:39,680

uh

1476

00:55:44,870 --> 00:55:42,000

and and he directed me to something

1477

00:55:46,150 --> 00:55:44,880

uh pertaining to delay senator harry

1478

00:55:48,390 --> 00:55:46,160

reid

1479

00:55:51,190 --> 00:55:48,400

and i wish i could go into that right

1480

00:55:55,430 --> 00:55:53,190

that's going to come up soon and when

1481

00:55:57,990 --> 00:55:55,440

that information comes out

1482

00:55:59,670 --> 00:55:58,000

uh it's going to open it up

1483

00:56:01,270 --> 00:55:59,680

it's going to open the pandora's box

1484

00:56:02,950 --> 00:56:01,280

believe me it's going to open to

1485

00:56:04,870 --> 00:56:02,960

pandora's back

1486

00:56:06,390 --> 00:56:04,880

and it's going to set the story straight

1487

00:56:08,549 --> 00:56:06,400

about at

1488

00:56:11,270 --> 00:56:08,559

these other programs and it's also going

1489

00:56:14,069 --> 00:56:11,280

to bring up another program that has

1490

00:56:16,309 --> 00:56:14,079

never been mentioned yet so uh it's

1491

00:56:17,910 --> 00:56:16,319

going to happen i just i can't talk

1492

00:56:19,829 --> 00:56:17,920

about it now

1493

00:56:22,230 --> 00:56:19,839

because i think it's still classified

1494

00:56:24,630 --> 00:56:22,240

but it's going to happen

1495

00:56:28,309 --> 00:56:24,640

i appreciate you answering that question

1496

00:56:30,630 --> 00:56:28,319

and um another question that is

1497

00:56:32,470 --> 00:56:30,640

a little bit off topic and one that that

1498

00:56:34,950 --> 00:56:32,480

um

1499

00:56:36,789 --> 00:56:34,960

it mesmerizes many in the ufo community

1500

00:56:39,270 --> 00:56:36,799

i know we're wrapping up here

1501  
00:56:41,829 --> 00:56:39,280  
is if charles hall really did see the

1502  
00:56:43,349 --> 00:56:41,839  
tall whites at nellis in the 60s

1503  
00:56:48,150 --> 00:56:43,359  
and whether or not you're able to

1504  
00:56:48,160 --> 00:56:53,670  
i've heard that

1505  
00:57:00,630 --> 00:56:57,510  
i'll say this way there's a special area

1506  
00:57:01,589 --> 00:57:00,640  
and north west of papua's lake it's

1507  
00:57:03,910 --> 00:57:01,599  
called

1508  
00:57:05,349 --> 00:57:03,920  
s2 annex

1509  
00:57:07,190 --> 00:57:05,359  
and of course everybody knows about the

1510  
00:57:09,270 --> 00:57:07,200  
s2 and s4 from

1511  
00:57:11,430 --> 00:57:09,280  
from uh bob lazar

1512  
00:57:14,549 --> 00:57:11,440  
uh we don't have time to go into all

1513  
00:57:17,270 --> 00:57:14,559

that but there's a place and you and you

1514

00:57:20,549 --> 00:57:17,280

can actually google this on a map

1515

00:57:22,549 --> 00:57:20,559

and it shows a facility there

1516

00:57:23,349 --> 00:57:22,559

and uh

1517

00:57:27,190 --> 00:57:23,359

what

1518

00:57:28,870 --> 00:57:27,200

according to

1519

00:57:31,589 --> 00:57:28,880

now i was never briefed into this

1520

00:57:34,710 --> 00:57:31,599

program let me let me preface

1521

00:57:38,150 --> 00:57:34,720

but according to that location

1522

00:57:40,470 --> 00:57:38,160

uh that was where ets that we obtained

1523

00:57:42,789 --> 00:57:40,480

captured or found

1524

00:57:46,069 --> 00:57:42,799

were housed

1525

00:57:48,710 --> 00:57:46,079

and how many ets did we have

1526

00:57:50,230 --> 00:57:48,720

we probably had a good number and again

1527

00:57:51,990 --> 00:57:50,240

there's a whole story behind this i

1528

00:57:54,630 --> 00:57:52,000

don't have time to go into

1529

00:57:55,589 --> 00:57:54,640

but the reason that was remote

1530

00:57:56,630 --> 00:57:55,599

uh

1531

00:57:59,910 --> 00:57:56,640

one of the things that people don't

1532

00:58:01,829 --> 00:57:59,920

realize is if if we had et's coming from

1533

00:58:03,349 --> 00:58:01,839

different star systems they were all

1534

00:58:05,030 --> 00:58:03,359

were biologically different than the

1535

00:58:05,910 --> 00:58:05,040

other so they had they breathed

1536

00:58:08,309 --> 00:58:05,920

different

1537

00:58:10,069 --> 00:58:08,319

atmospheres they had to be cared for

1538

00:58:12,390 --> 00:58:10,079

differently and so that's why they had

1539

00:58:15,589 --> 00:58:12,400

that facility anyways

1540

00:58:21,030 --> 00:58:15,599

um and i can i can email that to you uh

1541

00:58:25,430 --> 00:58:23,750

we i i believe

1542

00:58:26,870 --> 00:58:25,440

hall's uh

1543

00:58:28,630 --> 00:58:26,880

a story

1544

00:58:30,789 --> 00:58:28,640

now i don't know i wouldn't certainly i

1545

00:58:34,870 --> 00:58:30,799

wasn't i was just kid back in the 60s so

1546

00:58:37,109 --> 00:58:34,880

i i can't i can't talk about what he saw

1547

00:58:40,309 --> 00:58:37,119

but i know people that were there during

1548

00:58:42,390 --> 00:58:40,319

the 60s one being gene lakes one being

1549

00:58:46,950 --> 00:58:42,400

paul mcgovern their names are prominent

1550

00:58:49,430 --> 00:58:46,960

within you and with with uh uh area 51

1551

00:58:50,630 --> 00:58:49,440

uh george knapp george norris

1552

00:58:53,910 --> 00:58:50,640

interviewed him

1553

00:58:54,630 --> 00:58:53,920

they were in fact there these guys

1554

00:58:56,789 --> 00:58:54,640

and

1555

00:58:59,109 --> 00:58:56,799

they talk they confirm

1556

00:59:00,470 --> 00:58:59,119

a lot of what law said not everything he

1557

00:59:03,349 --> 00:59:00,480

says

1558

00:59:05,829 --> 00:59:03,359

but a lot of what he said

1559

00:59:07,349 --> 00:59:05,839

the only problem with what paul said and

1560

00:59:09,270 --> 00:59:07,359

what

1561

00:59:11,349 --> 00:59:09,280

mcgovern said

1562

00:59:14,470 --> 00:59:11,359

is that

1563

00:59:17,990 --> 00:59:14,480

the description of the et's

1564

00:59:18,870 --> 00:59:18,000

paul describes them as tall whites

1565

00:59:20,870 --> 00:59:18,880

uh

1566

00:59:23,750 --> 00:59:20,880

palmer government described

1567

00:59:26,390 --> 00:59:23,760

as something different than tall whites

1568

00:59:27,670 --> 00:59:26,400

and that's that's really all i know i

1569

00:59:30,710 --> 00:59:27,680

mean

1570

00:59:34,630 --> 00:59:32,789

it coincides with a lot of information i

1571

00:59:37,030 --> 00:59:34,640

know

1572

00:59:39,990 --> 00:59:37,040

great answer and um you're you're here

1573

00:59:41,670 --> 00:59:40,000

answering uh many questions for me i

1574

00:59:44,710 --> 00:59:41,680

appreciate that

1575

00:59:47,670 --> 00:59:44,720

the other question i have is

1576  
00:59:49,109 --> 00:59:47,680  
sort of a strange one um the the ufology

1577  
00:59:52,710 --> 00:59:49,119  
world seems to have a very short

1578  
00:59:55,109 --> 00:59:52,720  
attention span and you have

1579  
00:59:57,270 --> 00:59:55,119  
you have kind of uh

1580  
00:59:59,430 --> 00:59:57,280  
weathered the storm you've been in this

1581  
01:00:01,750 --> 00:59:59,440  
for a long time

1582  
01:00:03,510 --> 01:00:01,760  
and

1583  
01:00:05,670 --> 01:00:03,520  
my question is

1584  
01:00:06,789 --> 01:00:05,680  
this this is probably crossing the line

1585  
01:00:09,190 --> 01:00:06,799  
a little bit

1586  
01:00:12,950 --> 01:00:10,470  
some things

1587  
01:00:16,230 --> 01:00:12,960  
as far as disclosure what areas of

1588  
01:00:19,030 --> 01:00:16,240

ufology or the et related subject matter

1589

01:00:21,430 --> 01:00:19,040

do you feel are better left secret and

1590

01:00:27,750 --> 01:00:25,270

any technology advanced technologies

1591

01:00:29,589 --> 01:00:27,760

that we obtain from

1592

01:00:31,349 --> 01:00:29,599

extraterrestrials

1593

01:00:32,950 --> 01:00:31,359

flight technologies avionics

1594

01:00:36,470 --> 01:00:32,960

technologies

1595

01:00:39,589 --> 01:00:38,150

anti-matter

1596

01:00:43,190 --> 01:00:39,599

systems

1597

01:00:44,870 --> 01:00:43,200

i think that stuff

1598

01:00:47,829 --> 01:00:44,880

is uh is

1599

01:00:49,910 --> 01:00:47,839

needs to be classified in special access

1600

01:00:51,910 --> 01:00:49,920

programs and stay there

1601  
01:00:54,390 --> 01:00:51,920  
they should never be disclosed

1602  
01:00:56,870 --> 01:00:54,400  
they would jeopardize national security

1603  
01:00:58,870 --> 01:00:56,880  
uh can you imagine if if putin could get

1604  
01:01:00,150 --> 01:00:58,880  
a hold of what we know about this

1605  
01:01:03,510 --> 01:01:00,160  
subject matter

1606  
01:01:04,470 --> 01:01:03,520  
uh or or china or some other enemy north

1607  
01:01:05,589 --> 01:01:04,480  
korea

1608  
01:01:07,990 --> 01:01:05,599  
um

1609  
01:01:10,470 --> 01:01:08,000  
so no that that area

1610  
01:01:12,150 --> 01:01:10,480  
has to be uh left alone

1611  
01:01:13,430 --> 01:01:12,160  
uh but just the mere fact that we've

1612  
01:01:14,710 --> 01:01:13,440  
been visited

1613  
01:01:17,829 --> 01:01:14,720

uh

1614

01:01:18,950 --> 01:01:17,839

that's not a that that's not classified

1615

01:01:20,549 --> 01:01:18,960

i mean there's

1616

01:01:22,870 --> 01:01:20,559

millions and millions of people have had

1617

01:01:25,270 --> 01:01:22,880

contact in one way or another and know

1618

01:01:26,710 --> 01:01:25,280

that that's truthful there's thousands

1619

01:01:30,069 --> 01:01:26,720

of people that work for the government

1620

01:01:32,309 --> 01:01:30,079

and access and knows it's truthful so

1621

01:01:34,230 --> 01:01:32,319

the government keeping that from us is

1622

01:01:36,309 --> 01:01:34,240

ridiculous but

1623

01:01:37,910 --> 01:01:36,319

technology advanced technology things

1624

01:01:40,150 --> 01:01:37,920

like that

1625

01:01:42,230 --> 01:01:40,160

now right now recently somebody

1626  
01:01:44,630 --> 01:01:42,240  
disclosed some things on the internet

1627  
01:01:47,829 --> 01:01:44,640  
which uh about spartan

1628  
01:01:48,630 --> 01:01:47,839  
uh project spartan and project zeus

1629  
01:01:52,870 --> 01:01:48,640  
uh

1630  
01:01:54,630 --> 01:01:52,880  
you know if if that all that information

1631  
01:01:57,750 --> 01:01:54,640  
about technology

1632  
01:01:59,190 --> 01:01:57,760  
uh got out uh

1633  
01:02:01,430 --> 01:01:59,200  
that would jeopardize our national

1634  
01:02:02,710 --> 01:02:01,440  
security so we i wouldn't i wouldn't be

1635  
01:02:03,670 --> 01:02:02,720  
for any of that

1636  
01:02:05,109 --> 01:02:03,680  
yeah

1637  
01:02:07,029 --> 01:02:05,119  
and um

1638  
01:02:09,589 --> 01:02:07,039

it that i think that's such a good point

1639

01:02:12,870 --> 01:02:09,599

you bring up about other countries with

1640

01:02:14,630 --> 01:02:12,880

more authoritarian government systems uh

1641

01:02:17,029 --> 01:02:14,640

coming across this technology and they

1642

01:02:18,710 --> 01:02:17,039

are dangers to the planet in my opinion

1643

01:02:21,670 --> 01:02:18,720

um just because they have an extremely

1644

01:02:24,069 --> 01:02:21,680

flammable type of politics

1645

01:02:25,190 --> 01:02:24,079

which is evident in in

1646

01:02:28,230 --> 01:02:25,200

many ways

1647

01:02:31,029 --> 01:02:28,240

i i think it's amazing that um we are

1648

01:02:33,589 --> 01:02:31,039

blessed enough in this country to have a

1649

01:02:34,950 --> 01:02:33,599

system that yes the capstone seems to

1650

01:02:36,349 --> 01:02:34,960

not be there

1651

01:02:38,549 --> 01:02:36,359

with the um

1652

01:02:40,710 --> 01:02:38,559

compartmentalization of a lot of this

1653

01:02:42,789 --> 01:02:40,720

intelligence but it's a system that has

1654

01:02:45,670 --> 01:02:42,799

been proven to work

1655

01:02:47,109 --> 01:02:45,680

and it's a system that's been proven to

1656

01:02:49,910 --> 01:02:47,119

provide

1657

01:02:52,870 --> 01:02:49,920

protection to not just our country but

1658

01:02:54,870 --> 01:02:52,880

the world and uh the world is a it's a

1659

01:02:56,950 --> 01:02:54,880

broken world and

1660

01:02:58,710 --> 01:02:56,960

you know it seems sometimes that the

1661

01:03:01,589 --> 01:02:58,720

united states is the only light in the

1662

01:03:03,990 --> 01:03:01,599

room so i really appreciate

1663

01:03:05,990 --> 01:03:04,000

your service i really appreciate all of

1664

01:03:07,910 --> 01:03:06,000

the information

1665

01:03:08,789 --> 01:03:07,920

um as far as

1666

01:03:11,910 --> 01:03:08,799

uh

1667

01:03:13,910 --> 01:03:11,920

et mysteries going on that's going to

1668

01:03:15,670 --> 01:03:13,920

lead us to more disclosure i think in

1669

01:03:17,430 --> 01:03:15,680

the long run you you're you're

1670

01:03:19,190 --> 01:03:17,440

definitely taking the high road where

1671

01:03:20,470 --> 01:03:19,200

everything is concerned and i can't

1672

01:03:23,910 --> 01:03:20,480

thank you enough for coming on the

1673

01:03:25,910 --> 01:03:23,920

podcast um rick where can listeners keep

1674

01:03:27,349 --> 01:03:25,920

up with your work as you said you you've

1675

01:03:29,190 --> 01:03:27,359

been doing quite a bit of work that's

1676

01:03:30,950 --> 01:03:29,200

going to be coming out pause due to

1677

01:03:32,870 --> 01:03:30,960

covet where can they keep up with you

1678

01:03:34,230 --> 01:03:32,880

and support your efforts

1679

01:03:36,950 --> 01:03:34,240

uh

1680

01:03:39,510 --> 01:03:36,960

i work for co i work for gaia and i

1681

01:03:41,190 --> 01:03:39,520

suggest that uh

1682

01:03:43,349 --> 01:03:41,200

viewers uh

1683

01:03:46,549 --> 01:03:43,359

sign on the gaia

1684

01:03:49,750 --> 01:03:46,559

and watch my programming on

1685

01:03:51,270 --> 01:03:49,760

cosmic disclosure that's a

1686

01:03:52,470 --> 01:03:51,280

program

1687

01:03:54,549 --> 01:03:52,480

on gaia

1688

01:03:56,950 --> 01:03:54,559

that deals with the paranormal

1689

01:03:59,750 --> 01:03:56,960

extraterrestrials

1690

01:04:01,109 --> 01:03:59,760

i've done probably over 25 episodes with

1691

01:04:02,069 --> 01:04:01,119

emory smith

1692

01:04:04,789 --> 01:04:02,079

they're going to learn a lot from

1693

01:04:07,589 --> 01:04:04,799

listening to my episodes i'm going to do

1694

01:04:10,150 --> 01:04:07,599

a brand new season starts in the fall

1695

01:04:13,029 --> 01:04:10,160

so i'm going to be recording uh some new

1696

01:04:17,109 --> 01:04:13,039

some new things uh pertaining to uh

1697

01:04:20,950 --> 01:04:17,119

my my time within talking about specific

1698

01:04:21,750 --> 01:04:20,960

uh uh operations that i can talk about

1699

01:04:24,950 --> 01:04:21,760

so

1700

01:04:26,789 --> 01:04:24,960

uh my uh i always always welcome people

1701

01:04:30,630 --> 01:04:26,799

to uh email me

1702

01:04:32,950 --> 01:04:30,640

i get probably 200 emails a week

1703

01:04:34,710 --> 01:04:32,960

at rick rick

1704

01:04:36,150 --> 01:04:34,720

doty

1705

01:04:38,630 --> 01:04:36,160

166

1706

01:04:41,349 --> 01:04:38,640

msn.com

1707

01:04:44,390 --> 01:04:41,359

i do get a lot of critic i get a lot of

1708

01:04:46,789 --> 01:04:44,400

trash but as long as it doesn't trash me

1709

01:04:47,829 --> 01:04:46,799

if they ask uh legitimate questions i'll

1710

01:04:50,710 --> 01:04:47,839

answer them

1711

01:04:53,190 --> 01:04:50,720

uh but again and i get quite a few so it

1712

01:04:55,349 --> 01:04:53,200

might take a while to respond but i try

1713

01:04:59,430 --> 01:04:55,359

to respond to everyone even even the

1714

01:05:01,910 --> 01:04:59,440

critics if it's if it's non profanity

1715

01:05:03,990 --> 01:05:01,920

laced and and which i get a lot of those

1716

01:05:05,589 --> 01:05:04,000

two well not so much now

1717

01:05:06,789 --> 01:05:05,599

as i did before

1718

01:05:09,829 --> 01:05:06,799

but uh

1719

01:05:12,630 --> 01:05:09,839

there's going to be uh some uh movies

1720

01:05:14,069 --> 01:05:12,640

coming out doc documentaries coming out

1721

01:05:17,430 --> 01:05:14,079

two docs

1722

01:05:20,309 --> 01:05:17,440

uh and two uh fictional movies

1723

01:05:22,870 --> 01:05:20,319

that we filmed out in nevada we actually

1724

01:05:24,309 --> 01:05:22,880

one of the movies uh and there's a lot

1725

01:05:26,950 --> 01:05:24,319

left to be filmed

1726

01:05:29,270 --> 01:05:26,960

i can't go into great detail on that yet

1727

01:05:30,470 --> 01:05:29,280

uh we actually film on

1728

01:05:33,029 --> 01:05:30,480

uh

1729

01:05:35,349 --> 01:05:33,039

within nellis testing training range

1730

01:05:37,990 --> 01:05:35,359

that we were allowed now we didn't we

1731

01:05:39,109 --> 01:05:38,000

didn't go into area 51. we were a few

1732

01:05:41,589 --> 01:05:39,119

miles in

1733

01:05:44,789 --> 01:05:41,599

uh away from the the contourment area of

1734

01:05:46,789 --> 01:05:44,799

area 51. but we were actually filming on

1735

01:05:50,950 --> 01:05:46,799

uh area 51 we did that for like three

1736

01:05:52,630 --> 01:05:50,960

days uh three and a half days and uh so

1737

01:05:55,109 --> 01:05:52,640

those will be coming out probably next

1738

01:05:57,670 --> 01:05:55,119

year we there's other there's uh we

1739

01:05:58,789 --> 01:05:57,680

gotta finish filming but uh

1740

01:06:01,349 --> 01:05:58,799

um

1741

01:06:04,710 --> 01:06:01,359

that's where you're gonna be seeing me

1742

01:06:06,630 --> 01:06:04,720

uh i'm i'm narrating some of that and uh

1743

01:06:07,750 --> 01:06:06,640

in the fictional movie there's a

1744

01:06:10,390 --> 01:06:07,760

character

1745

01:06:12,710 --> 01:06:10,400

playing me and i'm not i'm not actor

1746

01:06:13,750 --> 01:06:12,720

it's not me but it's going to be a it's

1747

01:06:16,710 --> 01:06:13,760

going to be a

1748

01:06:19,430 --> 01:06:16,720

a good a pretty good actor that plays

1749

01:06:20,870 --> 01:06:19,440

plays me thank you so much rick you

1750

01:06:22,789 --> 01:06:20,880

always seem to be at the center of all

1751

01:06:24,549 --> 01:06:22,799

things and uh something i heard from a

1752

01:06:26,710 --> 01:06:24,559

friend of mine recently

1753

01:06:28,630 --> 01:06:26,720

um is you know if you're in the game

1754

01:06:31,349 --> 01:06:28,640

long enough eventually people are going

1755

01:06:35,109 --> 01:06:31,359

to view you as the villain and what i

1756

01:06:36,470 --> 01:06:35,119

think is most important is that you are

1757

01:06:38,789 --> 01:06:36,480

you know forget the haters you're going

1758

01:06:40,470 --> 01:06:38,799

to get haters but you are definitely

1759

01:06:43,430 --> 01:06:40,480

after truth you're you're sharing

1760

01:06:45,270 --> 01:06:43,440

everything you can and um i i really

1761

01:06:47,750 --> 01:06:45,280

appreciate everything that you've done

1762

01:06:48,630 --> 01:06:47,760

not only for our country but continue to

1763

01:06:49,990 --> 01:06:48,640

do

1764

01:06:51,670 --> 01:06:50,000

thank you so much for coming on the

1765

01:06:53,510 --> 01:06:51,680

podcast today

1766

01:06:56,069 --> 01:06:53,520

brian it's been a pleasure talking to

1767

01:06:59,109 --> 01:06:56,079

you and thanks for those questions

1768

01:07:01,190 --> 01:06:59,119

man oh man i am as happy as can be about

1769

01:07:03,670 --> 01:07:01,200

that podcast

1770

01:07:06,069 --> 01:07:03,680

mr doty is someone i have wanted to talk

1771

01:07:08,710 --> 01:07:06,079

to for a long long time i'd like to

1772

01:07:09,589 --> 01:07:08,720

thank eric for uh kind of bridging that

1773

01:07:12,309 --> 01:07:09,599

gap

1774

01:07:15,990 --> 01:07:12,319

and making that happen

1775

01:07:17,510 --> 01:07:16,000

there is um so much information that has

1776

01:07:19,670 --> 01:07:17,520

to be kept

1777

01:07:24,390 --> 01:07:19,680

tight to the chest when it comes to this

1778

01:07:25,829 --> 01:07:24,400

arena and with the recent situation

1779

01:07:27,750 --> 01:07:25,839

worldwide

1780

01:07:30,069 --> 01:07:27,760

not only from a disclosure standpoint

1781

01:07:33,190 --> 01:07:30,079

but i mean the world is always at the

1782

01:07:35,510 --> 01:07:33,200

brink of war it seems and if power goes

1783

01:07:38,390 --> 01:07:35,520

into the wrong hands it won't be at the

1784

01:07:39,910 --> 01:07:38,400

brink of war it will be in full world

1785

01:07:42,870 --> 01:07:39,920

war

1786

01:07:44,549 --> 01:07:42,880

so you just have to thank those that are

1787

01:07:47,430 --> 01:07:44,559

literally on the firing lines of

1788

01:07:50,470 --> 01:07:47,440

intelligence and they're keeping us from

1789

01:07:51,670 --> 01:07:50,480

that point of destruction

1790

01:07:53,190 --> 01:07:51,680

there is

1791

01:07:55,270 --> 01:07:53,200

a shift happening and i think we're

1792

01:07:57,750 --> 01:07:55,280

noticing that with all of the hearings

1793

01:08:00,069 --> 01:07:57,760

taking place regarding ufo and uap

1794

01:08:02,549 --> 01:08:00,079

phenomena things are moving forward

1795

01:08:05,349 --> 01:08:02,559

let's just not jump the gun

1796

01:08:09,349 --> 01:08:05,359

yeah i had many of my questions answered

1797

01:08:11,750 --> 01:08:09,359

by mr doty not just in forthright

1798

01:08:13,270 --> 01:08:11,760

answers but also if it doesn't take a

1799

01:08:15,510 --> 01:08:13,280

whole lot of reading between the lines

1800

01:08:16,789 --> 01:08:15,520

to get the general idea of what is going

1801

01:08:19,189 --> 01:08:16,799

on

1802

01:08:21,590 --> 01:08:19,199

what a guy i can't can't thank him

1803

01:08:24,149 --> 01:08:21,600

enough for being on and uh until next

1804

01:08:26,149 --> 01:08:24,159

time keep your eyes to the skies feet on

1805

01:08:35,240 --> 01:08:26,159

the ground but don't forget to take a

1806

01:08:50,550 --> 01:08:45,330

[Music]

1807

01:08:56,309 --> 01:08:53,349

blast off glassed off

1808

01:08:58,349 --> 01:08:56,319

come blast off in my time machine third
