

Alan Steinfeld

Making Contact

1
00:00:04,480 --> 00:00:08,150
hey

2
00:00:08,160 --> 00:00:28,150
[Music]

3
00:00:28,160 --> 00:00:33,370
machine

4
00:00:39,750 --> 00:00:37,430
[Music]

5
00:00:41,750 --> 00:00:39,760
as you guys know i rarely do self

6
00:00:43,750 --> 00:00:41,760
promotion so i was told to put a little

7
00:00:46,069 --> 00:00:43,760
tidbit in here for those of you who want

8
00:00:47,750 --> 00:00:46,079
more content and a different format go

9
00:00:50,630 --> 00:00:47,760
to patreon

10
00:00:51,389 --> 00:00:50,640
look for hero paranormal i'm there or go

11
00:00:53,910 --> 00:00:51,399
to

12
00:00:56,310 --> 00:00:53,920
heroparanormal.com i'm there

13
00:00:59,750 --> 00:00:56,320

get more out of hero paranormal

14

00:01:01,750 --> 00:00:59,760

blast off on another episode of hero

15

00:01:03,990 --> 00:01:01,760

paranormal podcast

16

00:01:07,109 --> 00:01:04,000

broadcasting from the base at la madre

17

00:01:09,510 --> 00:01:07,119

mountain just south of area 51 my name

18

00:01:11,910 --> 00:01:09,520

is ryan the original outlaw of the

19

00:01:12,950 --> 00:01:11,920

airwaves bringing you an epic episode

20

00:01:15,109 --> 00:01:12,960

today

21

00:01:17,109 --> 00:01:15,119

we have someone who

22

00:01:19,590 --> 00:01:17,119

i've been dying to get on the podcast

23

00:01:22,870 --> 00:01:19,600

for quite some time and the reason i

24

00:01:28,469 --> 00:01:25,429

needful of getting him on the podcast

25

00:01:32,789 --> 00:01:28,479

is he is someone who i had the blessing

26
00:01:35,270 --> 00:01:32,799
of meeting he is someone whose aura is

27
00:01:37,590 --> 00:01:35,280
absolutely stunning and i'm not really a

28
00:01:39,590 --> 00:01:37,600
new agey kind of guy you know i don't

29
00:01:43,510 --> 00:01:39,600
buy into all this

30
00:01:45,590 --> 00:01:43,520
new age stuff as much as others however

31
00:01:48,950 --> 00:01:45,600
a shift happened when i met this

32
00:01:50,149 --> 00:01:48,960
individual and he was a very obvious

33
00:01:52,310 --> 00:01:50,159
master

34
00:01:55,030 --> 00:01:52,320
a very obvious

35
00:01:57,350 --> 00:01:55,040
intellectual who was ascending

36
00:02:00,870 --> 00:01:57,360
the spiritual ladder of life or who has

37
00:02:03,030 --> 00:02:00,880
ascended to a degree that impressed me

38
00:02:05,190 --> 00:02:03,040

we are talking about none other than

39

00:02:09,350 --> 00:02:05,200

alan steinfeld

40

00:02:12,070 --> 00:02:09,360

he is an author uh an expert of many

41

00:02:14,190 --> 00:02:12,080

many things we are going to discuss the

42

00:02:16,390 --> 00:02:14,200

preparing for the new realities of

43

00:02:19,270 --> 00:02:16,400

extraterrestrial existence

44

00:02:22,150 --> 00:02:19,280

his amazing book is worth purchasing i

45

00:02:23,670 --> 00:02:22,160

purchased it and i love it it's making

46

00:02:26,550 --> 00:02:23,680

contact

47

00:02:28,470 --> 00:02:26,560

and what alan is going to delve into is

48

00:02:30,710 --> 00:02:28,480

some pretty deep stuff

49

00:02:32,550 --> 00:02:30,720

he is friends

50

00:02:34,869 --> 00:02:32,560

close friends with all of the leading

51
00:02:37,430 --> 00:02:34,879
minds in the field linda moulton howe

52
00:02:39,910 --> 00:02:37,440
whitley strieber johnny mack daryl anka

53
00:02:42,710 --> 00:02:39,920
nick pope grant cameron

54
00:02:43,670 --> 00:02:42,720
the list goes on and on

55
00:02:47,910 --> 00:02:43,680
and

56
00:02:51,750 --> 00:02:47,920
groundbreaking work with his 30 years of

57
00:02:54,550 --> 00:02:51,760
research and experience he

58
00:02:56,550 --> 00:02:54,560
maintains that they are already here

59
00:02:57,990 --> 00:02:56,560
making contact presents multiple

60
00:03:00,949 --> 00:02:58,000
perspectives

61
00:03:03,589 --> 00:03:00,959
on a fact that can no longer be denied

62
00:03:05,350 --> 00:03:03,599
ufos and their occupants are visiting

63
00:03:07,830 --> 00:03:05,360

our planet the government's

64

00:03:09,830 --> 00:03:07,840

acknowledgment in 2017

65

00:03:12,630 --> 00:03:09,840

still leaves us with unanswered

66

00:03:15,110 --> 00:03:12,640

unanswered questions as to who what and

67

00:03:16,710 --> 00:03:15,120

why but one thing we can't deny is it is

68

00:03:18,630 --> 00:03:16,720

gaining more traction at least in the

69

00:03:20,869 --> 00:03:18,640

mainstream media

70

00:03:23,110 --> 00:03:20,879

and why the shift

71

00:03:25,670 --> 00:03:23,120

reading from his book the question is

72

00:03:26,789 --> 00:03:25,680

why does it seem that making contact or

73

00:03:29,030 --> 00:03:26,799

being in the presence of

74

00:03:32,710 --> 00:03:29,040

extraterrestrial or higher consciousness

75

00:03:34,710 --> 00:03:32,720

beings so severely shifts our awareness

76

00:03:37,990 --> 00:03:34,720

into a dreamlike state

77

00:03:39,750 --> 00:03:38,000

for starters just seeing a ufo can cause

78

00:03:42,710 --> 00:03:39,760

cognitive dissonance

79

00:03:44,789 --> 00:03:42,720

psychological disassociation occurs when

80

00:03:46,630 --> 00:03:44,799

we see an object that is not supposed to

81

00:03:49,350 --> 00:03:46,640

do the things it does

82

00:03:52,309 --> 00:03:49,360

hover in midair with no sound zoom off

83

00:03:55,429 --> 00:03:52,319

at incredible speeds or pop in and out

84

00:03:59,270 --> 00:03:55,439

of space that alone shatters our sense

85

00:04:01,750 --> 00:03:59,280

of what we think is real and actual

86

00:04:03,429 --> 00:04:01,760

this is going to be an epic epic

87

00:04:05,350 --> 00:04:03,439

conversation

88

00:04:07,910 --> 00:04:05,360

alan steinfeld is someone whose

89

00:04:11,990 --> 00:04:07,920

presence in a room just lights up the

90

00:04:15,110 --> 00:04:12,000

room i i i can verify this because

91

00:04:17,509 --> 00:04:15,120

he is somebody who absolutely insists

92

00:04:20,870 --> 00:04:17,519

on enjoying life moment to moment he

93

00:04:21,990 --> 00:04:20,880

insists on getting the word out

94

00:04:23,189 --> 00:04:22,000

and

95

00:04:26,310 --> 00:04:23,199

you know

96

00:04:27,909 --> 00:04:26,320

at least his job for all of us appears

97

00:04:32,070 --> 00:04:27,919

to be

98

00:04:35,070 --> 00:04:32,080

overcoming the cultural norms he is in

99

00:04:37,430 --> 00:04:35,080

fact preparing the new realities of

100

00:04:39,590 --> 00:04:37,440

extraterrestrial existence

101
00:04:41,350 --> 00:04:39,600
alan steinfeld welcome to the hero

102
00:04:43,749 --> 00:04:41,360
paranormal podcast

103
00:04:45,909 --> 00:04:43,759
how you doing today alan

104
00:04:47,510 --> 00:04:45,919
good so great to be here i know we've

105
00:04:50,629 --> 00:04:47,520
been playing this for a while and now

106
00:04:53,030 --> 00:04:50,639
it's happening so thanks ryan it's truly

107
00:04:54,870 --> 00:04:53,040
a blessing and you know i i kind of went

108
00:04:58,310 --> 00:04:54,880
into this um

109
00:05:00,950 --> 00:04:58,320
as as the introduction uh i i i went in

110
00:05:04,070 --> 00:05:00,960
to the fact that i am someone that

111
00:05:05,909 --> 00:05:04,080
usually doesn't feed into this whole uh

112
00:05:08,870 --> 00:05:05,919
i guess new age

113
00:05:11,990 --> 00:05:08,880

um you know belief in ascended masters

114

00:05:14,710 --> 00:05:12,000

people who who really have you know that

115

00:05:16,150 --> 00:05:14,720

something that spark that divinity and i

116

00:05:19,830 --> 00:05:16,160

had the blessing of meeting you in

117

00:05:23,430 --> 00:05:19,840

sedona at a a very unique gathering that

118

00:05:25,749 --> 00:05:23,440

suzanne put on and you have that and i

119

00:05:28,230 --> 00:05:25,759

don't know what to call that but you

120

00:05:31,110 --> 00:05:28,240

have that you you you walk into a room

121

00:05:33,590 --> 00:05:31,120

and the whole room lights up um

122

00:05:36,150 --> 00:05:33,600

you sold me your book and i think that

123

00:05:38,150 --> 00:05:36,160

it really goes into you know how

124

00:05:41,590 --> 00:05:38,160

humanity must wake up to this new

125

00:05:43,990 --> 00:05:41,600

reality what what led you to along this

126
00:05:45,110 --> 00:05:44,000
path and to share such amazing work with

127
00:05:48,150 --> 00:05:45,120
the public

128
00:05:49,189 --> 00:05:48,160
oh thanks ryan for all those kind words

129
00:05:51,909 --> 00:05:49,199
um

130
00:05:53,830 --> 00:05:51,919
i always have to admit i felt different

131
00:05:55,350 --> 00:05:53,840
than the rest of the people around me

132
00:05:57,189 --> 00:05:55,360
from my family

133
00:06:00,070 --> 00:05:57,199
very nice people

134
00:06:01,270 --> 00:06:00,080
honest hard-working people but you know

135
00:06:03,430 --> 00:06:01,280
just

136
00:06:05,670 --> 00:06:03,440
interested in earthly things and i was

137
00:06:07,029 --> 00:06:05,680
always looking up at the stars i was

138
00:06:09,670 --> 00:06:07,039

always looking

139

00:06:11,710 --> 00:06:09,680

out and around and and for new

140

00:06:15,590 --> 00:06:11,720

possibilities and

141

00:06:17,990 --> 00:06:15,600

adventures and travel and

142

00:06:21,029 --> 00:06:18,000

things that excited me i couldn't fit

143

00:06:23,749 --> 00:06:21,039

into the normal everyday

144

00:06:25,110 --> 00:06:23,759

world you know you go to school you get

145

00:06:27,350 --> 00:06:25,120

a job

146

00:06:29,670 --> 00:06:27,360

have a family and all that's great for

147

00:06:31,670 --> 00:06:29,680

people who love that and want to do that

148

00:06:34,230 --> 00:06:31,680

i think that's great because we all have

149

00:06:36,710 --> 00:06:34,240

different experiences here but i always

150

00:06:38,390 --> 00:06:36,720

was interested in something different

151
00:06:41,110 --> 00:06:38,400
now for something completely different

152
00:06:43,830 --> 00:06:41,120
as monty python used to say but um i

153
00:06:46,390 --> 00:06:43,840
always wanted to

154
00:06:47,909 --> 00:06:46,400
kind of look at the mysteries

155
00:06:49,830 --> 00:06:47,919
and and i'm still looking at the

156
00:06:51,670 --> 00:06:49,840
mysteries because they're

157
00:06:52,710 --> 00:06:51,680
they're still um

158
00:06:55,270 --> 00:06:52,720
um

159
00:06:58,230 --> 00:06:55,280
they're still interesting for me because

160
00:07:00,790 --> 00:06:58,240
there is something about existence

161
00:07:02,790 --> 00:07:00,800
that um people don't tell you and maybe

162
00:07:04,390 --> 00:07:02,800
that's the or you're talking about is my

163
00:07:08,710 --> 00:07:04,400

investigations

164

00:07:11,589 --> 00:07:08,720

into the unknown and the unknowables so

165

00:07:15,029 --> 00:07:11,599

that's been my life i guess my curiosity

166

00:07:17,909 --> 00:07:15,039

has led me around the world and

167

00:07:19,430 --> 00:07:17,919

collect a great library of knowledge met

168

00:07:21,909 --> 00:07:19,440

great teachers

169

00:07:24,309 --> 00:07:21,919

done incredible workshops and the key to

170

00:07:26,309 --> 00:07:24,319

it all is experience

171

00:07:27,060 --> 00:07:26,319

it it's only

172

00:07:28,629 --> 00:07:27,070

it's only

173

00:07:30,309 --> 00:07:28,639

[Music]

174

00:07:31,510 --> 00:07:30,319

knowledge until you've had the

175

00:07:34,230 --> 00:07:31,520

experience and when you have the

176

00:07:36,070 --> 00:07:34,240

experience it becomes wisdom so

177

00:07:39,110 --> 00:07:36,080

that's that's what people are looking

178

00:07:40,950 --> 00:07:39,120

for the wisdom of these

179

00:07:42,469 --> 00:07:40,960

new possibilities you can learn

180

00:07:45,510 --> 00:07:42,479

everything you want from teachers and

181

00:07:46,390 --> 00:07:45,520

books but then something happens when

182

00:07:47,909 --> 00:07:46,400

you're

183

00:07:49,270 --> 00:07:47,919

prepared

184

00:07:57,270 --> 00:07:49,280

for

185

00:07:59,670 --> 00:07:57,280

or having an out-of-body experience or

186

00:08:01,909 --> 00:07:59,680

sleeping in a haunted house which i've

187

00:08:04,309 --> 00:08:01,919

done you know it's like there's other

188

00:08:05,270 --> 00:08:04,319

levels of reality here

189

00:08:07,350 --> 00:08:05,280

that

190

00:08:09,270 --> 00:08:07,360

you don't hear about in school or on

191

00:08:10,150 --> 00:08:09,280

television or

192

00:08:11,990 --> 00:08:10,160

um

193

00:08:14,869 --> 00:08:12,000

i don't know sometimes even from friends

194

00:08:16,710 --> 00:08:14,879

you have to experience it and then

195

00:08:18,469 --> 00:08:16,720

find a reference somewhere for your

196

00:08:20,469 --> 00:08:18,479

experience or just talk about it and

197

00:08:21,909 --> 00:08:20,479

that's what i've always done wanted to

198

00:08:24,469 --> 00:08:21,919

talk about

199

00:08:27,189 --> 00:08:24,479

what's happened to me what what i'm

200

00:08:28,550 --> 00:08:27,199

aware of that i think other people could

201
00:08:30,309 --> 00:08:28,560
be aware of and of course we're waking

202
00:08:32,230 --> 00:08:30,319
up into a new time where

203
00:08:34,310 --> 00:08:32,240
more and more people are aware of these

204
00:08:36,790 --> 00:08:34,320
other levels of reality

205
00:08:40,469 --> 00:08:36,800
that is so true there's more and more

206
00:08:43,589 --> 00:08:40,479
and i i recall uh you know

207
00:08:44,790 --> 00:08:43,599
in your book it it really does seem

208
00:08:47,030 --> 00:08:44,800
that

209
00:08:47,750 --> 00:08:47,040
a lot of the youth around the world they

210
00:08:49,590 --> 00:08:47,760
are

211
00:08:51,670 --> 00:08:49,600
becoming more

212
00:08:54,310 --> 00:08:51,680
aware of this you know the world of

213
00:08:56,550 --> 00:08:54,320

materialism and consumerism

214

00:08:58,790 --> 00:08:56,560

are not the callings that people should

215

00:09:00,470 --> 00:08:58,800

be following and your worth should not

216

00:09:02,710 --> 00:09:00,480

be dependent on how much you have in the

217

00:09:04,389 --> 00:09:02,720

bank or what you're able to spend on

218

00:09:06,790 --> 00:09:04,399

some shoes

219

00:09:09,590 --> 00:09:06,800

some nice clothes or some jewelry

220

00:09:11,910 --> 00:09:09,600

and i i really most importantly i think

221

00:09:13,269 --> 00:09:11,920

that you recognize this situation and

222

00:09:14,949 --> 00:09:13,279

you are

223

00:09:17,509 --> 00:09:14,959

really getting the word out to people

224

00:09:21,190 --> 00:09:17,519

but you're doing so in a way that

225

00:09:23,590 --> 00:09:21,200

is is very unique and i i want to uh i

226

00:09:25,670 --> 00:09:23,600

want to thank you for that and i also

227

00:09:27,670 --> 00:09:25,680

want to point out that um something you

228

00:09:30,150 --> 00:09:27,680

you say in the book as well is aliens

229

00:09:31,990 --> 00:09:30,160

make us more human can can you go into

230

00:09:33,430 --> 00:09:32,000

explaining that a little bit for our

231

00:09:35,350 --> 00:09:33,440

listeners

232

00:09:37,750 --> 00:09:35,360

yeah i'm just curious what what i mean

233

00:09:39,670 --> 00:09:37,760

before what what is unique about what

234

00:09:41,590 --> 00:09:39,680

i'm saying i'm just curious your

235

00:09:43,590 --> 00:09:41,600

perspective on that you know my

236

00:09:45,269 --> 00:09:43,600

perspective is that

237

00:09:48,630 --> 00:09:45,279

you you are really

238

00:09:51,509 --> 00:09:48,640

talking about a new reality a shift

239

00:09:54,550 --> 00:09:51,519

and it's it's really an awakening and

240

00:09:57,190 --> 00:09:54,560

that humanity needs to wake up to a new

241

00:09:58,470 --> 00:09:57,200

reality that is that we are not here by

242

00:10:01,590 --> 00:09:58,480

ourselves

243

00:10:03,990 --> 00:10:01,600

and um i love how you so

244

00:10:06,389 --> 00:10:04,000

poignantly put in your book that

245

00:10:08,550 --> 00:10:06,399

witnessing and unidentified aerial

246

00:10:10,470 --> 00:10:08,560

phenomena as they call it now and i

247

00:10:12,550 --> 00:10:10,480

really appreciate that

248

00:10:14,389 --> 00:10:12,560

you explain

249

00:10:16,550 --> 00:10:14,399

you know the difference between a ufo

250

00:10:19,829 --> 00:10:16,560

and a uap and it's not just the

251
00:10:22,630 --> 00:10:19,839
government shift in verbiage but the

252
00:10:27,110 --> 00:10:22,640
fact that it's not just an object in the

253
00:10:29,350 --> 00:10:27,120
sky it really is a phenomena and

254
00:10:31,509 --> 00:10:29,360
you know this this awakens our

255
00:10:33,990 --> 00:10:31,519
consciousness this can

256
00:10:35,590 --> 00:10:34,000
create things within us that were not

257
00:10:38,310 --> 00:10:35,600
present before some of these

258
00:10:40,470 --> 00:10:38,320
visualizations of these cosmic entities

259
00:10:42,550 --> 00:10:40,480
in our ether

260
00:10:44,870 --> 00:10:42,560
right thank you thank you for clarifying

261
00:10:47,269 --> 00:10:44,880
that i appreciate that

262
00:10:51,509 --> 00:10:47,279
you know reflection and

263
00:10:54,470 --> 00:10:51,519

i i tried in the book and in my lectures

264

00:10:56,710 --> 00:10:54,480

i'm trying to say this is

265

00:10:59,030 --> 00:10:56,720

yes not just about objects in the sky

266

00:11:01,030 --> 00:10:59,040

it's not just about visitors from

267

00:11:02,069 --> 00:11:01,040

another planet and it may be those

268

00:11:05,590 --> 00:11:02,079

things

269

00:11:08,230 --> 00:11:05,600

but it is the whole rearrangement of

270

00:11:09,350 --> 00:11:08,240

what we think reality is

271

00:11:11,910 --> 00:11:09,360

so

272

00:11:14,069 --> 00:11:11,920

you know we haven't been taught that

273

00:11:16,310 --> 00:11:14,079

other beings are here and they could

274

00:11:18,630 --> 00:11:16,320

walk through walls they can appear in

275

00:11:20,949 --> 00:11:18,640

your bedroom at night i mean just

276

00:11:23,350 --> 00:11:20,959

imagine you've locked the doors

277

00:11:25,829 --> 00:11:23,360

you're tired you're going to bed maybe

278

00:11:27,750 --> 00:11:25,839

you're alone and suddenly

279

00:11:28,790 --> 00:11:27,760

you know something's at the foot of your

280

00:11:29,829 --> 00:11:28,800

bed

281

00:11:32,870 --> 00:11:29,839

that

282

00:11:35,670 --> 00:11:32,880

is such a wake-up call

283

00:11:38,630 --> 00:11:35,680

that is such a freaky experience that we

284

00:11:41,030 --> 00:11:38,640

have to prepare ourselves for this these

285

00:11:43,750 --> 00:11:41,040

unknown realities because

286

00:11:45,590 --> 00:11:43,760

i don't think they're here to harm us i

287

00:11:48,150 --> 00:11:45,600

think they are living in a different

288

00:11:51,110 --> 00:11:48,160

level of existence and they're not

289

00:11:53,350 --> 00:11:51,120

greater than us they're equal to us

290

00:11:54,790 --> 00:11:53,360

on i would say a soul level

291

00:11:56,550 --> 00:11:54,800

but um

292

00:11:58,550 --> 00:11:56,560

we have to get used to the fact that

293

00:12:01,829 --> 00:11:58,560

reality is not what we've been

294

00:12:04,310 --> 00:12:01,839

conditioned to think it is it's so much

295

00:12:05,110 --> 00:12:04,320

bigger we've been living in a flat land

296

00:12:07,509 --> 00:12:05,120

and

297

00:12:10,150 --> 00:12:07,519

what what it really is what's what's

298

00:12:11,670 --> 00:12:10,160

really going on is multiple dimensions

299

00:12:14,550 --> 00:12:11,680

are overlaid

300

00:12:15,590 --> 00:12:14,560

and it's in our awareness we get flashes

301
00:12:17,750 --> 00:12:15,600
of these

302
00:12:20,629 --> 00:12:17,760
other levels of reality all the time you

303
00:12:22,629 --> 00:12:20,639
get like a psychic vision the other day

304
00:12:24,790 --> 00:12:22,639
i'm traveling a little bit and i just

305
00:12:27,509 --> 00:12:24,800
had this flash on this

306
00:12:29,509 --> 00:12:27,519
bookshelf in my apartment and it's like

307
00:12:31,269 --> 00:12:29,519
i don't know i said why did i

308
00:12:32,870 --> 00:12:31,279
think of that and then

309
00:12:35,110 --> 00:12:32,880
my assistant calls me and said guess

310
00:12:37,269 --> 00:12:35,120
what your bookshelf fell down you know

311
00:12:41,190 --> 00:12:37,279
so it's like i don't know it's just one

312
00:12:44,230 --> 00:12:41,200
example of the mind and this is part of

313
00:12:47,190 --> 00:12:44,240

what expands us in relationship to the

314

00:12:48,389 --> 00:12:47,200

other is is non-local i think our minds

315

00:12:51,829 --> 00:12:48,399

are actually

316

00:12:55,750 --> 00:12:54,389

presence that we're looking for

317

00:12:59,430 --> 00:12:55,760

it's not

318

00:13:01,990 --> 00:12:59,440

an evolution as science says of

319

00:13:04,150 --> 00:13:02,000

primitive apes evolving greater

320

00:13:06,790 --> 00:13:04,160

intelligence i mean yes i'm not denying

321

00:13:07,990 --> 00:13:06,800

evolution but there's another aspect

322

00:13:09,190 --> 00:13:08,000

where we

323

00:13:11,350 --> 00:13:09,200

are

324

00:13:13,509 --> 00:13:11,360

a fractal as

325

00:13:15,030 --> 00:13:13,519

component of the great intelligence

326

00:13:17,110 --> 00:13:15,040

whatever you want to call that great

327

00:13:20,710 --> 00:13:17,120

intelligence and

328

00:13:23,430 --> 00:13:20,720

consciousness is um

329

00:13:25,670 --> 00:13:23,440

kind of splintered out into each one of

330

00:13:27,910 --> 00:13:25,680

us but we're all part

331

00:13:31,190 --> 00:13:27,920

of a unity

332

00:13:33,430 --> 00:13:31,200

of awareness that's one way so that's

333

00:13:35,509 --> 00:13:33,440

been my perspective and when we meet the

334

00:13:37,190 --> 00:13:35,519

others whether they're et's

335

00:13:38,949 --> 00:13:37,200

interdimensional

336

00:13:40,069 --> 00:13:38,959

ascended masters whatever you want to

337

00:13:42,310 --> 00:13:40,079

call them

338

00:13:45,430 --> 00:13:42,320

they are somehow

339

00:13:47,189 --> 00:13:45,440

an aspect of this consciousness and and

340

00:13:49,269 --> 00:13:47,199

like i said they're not

341

00:13:50,949 --> 00:13:49,279

better or greater than us they may be

342

00:13:52,310 --> 00:13:50,959

more intelligent they may be more

343

00:13:54,870 --> 00:13:52,320

involved but

344

00:13:58,389 --> 00:13:54,880

in us is the core

345

00:14:00,790 --> 00:13:58,399

essence that makes us equal to all that

346

00:14:03,030 --> 00:14:00,800

because we are consciousness

347

00:14:05,030 --> 00:14:03,040

does that make sense yeah that makes

348

00:14:07,430 --> 00:14:05,040

great sense and

349

00:14:10,629 --> 00:14:07,440

with with the government coming out now

350

00:14:12,550 --> 00:14:10,639

and the nimitz uh a lot of the amazing

351
00:14:14,710 --> 00:14:12,560
disclosure that is taking place even

352
00:14:17,910 --> 00:14:14,720
though it's drop by drop

353
00:14:20,710 --> 00:14:17,920
i believe that even the mainstream is

354
00:14:24,550 --> 00:14:20,720
noticing that there is more to this

355
00:14:27,030 --> 00:14:24,560
reality than this three-dimensional

356
00:14:29,509 --> 00:14:27,040
reality that most people live in and you

357
00:14:33,189 --> 00:14:29,519
know just that seems to be a tap on the

358
00:14:35,829 --> 00:14:33,199
shoulder from the other side at least in

359
00:14:37,509 --> 00:14:35,839
you know watching broadcasts that talk

360
00:14:40,310 --> 00:14:37,519
about this there's many

361
00:14:41,829 --> 00:14:40,320
mainstream media channels that are now

362
00:14:44,389 --> 00:14:41,839
talking about this

363
00:14:46,550 --> 00:14:44,399

and this is something that you've been

364

00:14:49,430 --> 00:14:46,560

involved with and talking about for a

365

00:14:50,470 --> 00:14:49,440

long time it's been a hard road hasn't

366

00:14:54,470 --> 00:14:50,480

it

367

00:14:57,430 --> 00:14:54,480

mentioned that because tomorrow

368

00:14:59,670 --> 00:14:57,440

june 2nd i'm doing a special broadcast

369

00:15:01,430 --> 00:14:59,680

series with some of the inside

370

00:15:03,670 --> 00:15:01,440

disclosure people

371

00:15:06,710 --> 00:15:03,680

people such as danny sheehan do you know

372

00:15:09,430 --> 00:15:06,720

who danny shannon is okay yeah

373

00:15:11,990 --> 00:15:09,440

he's legal counsel for louise alexander

374

00:15:13,430 --> 00:15:12,000

one of the forerunners of the disclosure

375

00:15:16,629 --> 00:15:13,440

movement

376

00:15:19,110 --> 00:15:16,639

he was also legal counsel for john mack

377

00:15:21,750 --> 00:15:19,120

at harvard when

378

00:15:24,710 --> 00:15:21,760

john john mack said there are people

379

00:15:26,150 --> 00:15:24,720

having abduction experiences and he

380

00:15:28,310 --> 00:15:26,160

wrote a book about it and harvard said

381

00:15:31,430 --> 00:15:28,320

you can't say that and be a professor

382

00:15:34,470 --> 00:15:31,440

here and so danny sheehan defended john

383

00:15:37,269 --> 00:15:34,480

in a free speech sort of in-house

384

00:15:39,910 --> 00:15:37,279

harvard case and won that case

385

00:15:41,430 --> 00:15:39,920

and so he's going to be talking about

386

00:15:44,470 --> 00:15:41,440

danny sheen's going to be talking about

387

00:15:46,470 --> 00:15:44,480

where we are in disclosure with the

388

00:15:50,230 --> 00:15:46,480

government insiders along with steve

389

00:15:53,189 --> 00:15:50,240

bassett who's a washington lobbyist for

390

00:15:54,870 --> 00:15:53,199

the truth about ufo disclosure and

391

00:15:58,069 --> 00:15:54,880

robert salas

392

00:15:59,910 --> 00:15:58,079

who was a captain air force captain who

393

00:16:04,069 --> 00:15:59,920

witnessed a ufo

394

00:16:06,629 --> 00:16:04,079

over a nuclear missile silo in um

395

00:16:08,949 --> 00:16:06,639

in montana that shut off the nuclear

396

00:16:10,389 --> 00:16:08,959

codes and the whole base freaked out and

397

00:16:11,749 --> 00:16:10,399

was reported

398

00:16:13,110 --> 00:16:11,759

and

399

00:16:15,590 --> 00:16:13,120

he's going to be talking about his

400

00:16:17,670 --> 00:16:15,600

experience and that was just

401
00:16:19,509 --> 00:16:17,680
brought up in the recent congressional

402
00:16:21,590 --> 00:16:19,519
hearings by

403
00:16:24,389 --> 00:16:21,600
senator by representative gallagher

404
00:16:25,509 --> 00:16:24,399
asking the uap task force have you heard

405
00:16:28,710 --> 00:16:25,519
about this

406
00:16:31,829 --> 00:16:28,720
uh ufos over nuclear missile silos and

407
00:16:34,310 --> 00:16:31,839
the the task force who's been hired to

408
00:16:36,710 --> 00:16:34,320
investigate this said no we've never

409
00:16:40,150 --> 00:16:36,720
heard of that so i'm going to get robert

410
00:16:41,749 --> 00:16:40,160
salas response to this

411
00:16:44,470 --> 00:16:41,759
kind of denial

412
00:16:46,069 --> 00:16:44,480
of government

413
00:16:48,069 --> 00:16:46,079

what what the government really knows

414

00:16:50,790 --> 00:16:48,079

because it is all coming out so i say

415

00:16:52,230 --> 00:16:50,800

let them deny it as much as they want

416

00:16:55,189 --> 00:16:52,240

and they're kind of

417

00:16:56,870 --> 00:16:55,199

putting themselves in a pigeonholing

418

00:16:57,990 --> 00:16:56,880

themselves because when the evidence

419

00:17:01,189 --> 00:16:58,000

comes out

420

00:17:03,030 --> 00:17:01,199

it'll be seen that it's obvious that

421

00:17:05,510 --> 00:17:03,040

there's been some level

422

00:17:08,309 --> 00:17:05,520

of untruth about what they've been

423

00:17:10,949 --> 00:17:08,319

telling us i mean many levels done so

424

00:17:14,150 --> 00:17:10,959

we're getting close to i would say the

425

00:17:16,870 --> 00:17:14,160

finish line here i mean 75 years

426
00:17:19,110 --> 00:17:16,880
of government denial since roswell

427
00:17:19,909 --> 00:17:19,120
roswell was real i mean i know people

428
00:17:21,510 --> 00:17:19,919
who've

429
00:17:24,069 --> 00:17:21,520
been there

430
00:17:27,110 --> 00:17:24,079
who've had talked about the reverse

431
00:17:29,430 --> 00:17:27,120
engineering of these craft if you read

432
00:17:30,950 --> 00:17:29,440
the day after roswell by colonel corso

433
00:17:33,990 --> 00:17:30,960
he said a lot of the

434
00:17:36,390 --> 00:17:34,000
modern components that have gone into

435
00:17:38,070 --> 00:17:36,400
our computer technology came out of

436
00:17:39,510 --> 00:17:38,080
reverse engineering

437
00:17:41,909 --> 00:17:39,520
these crash

438
00:17:44,630 --> 00:17:41,919

saucers so

439

00:17:47,510 --> 00:17:44,640
the microchip for one and other

440

00:17:49,750 --> 00:17:47,520
other compounds and

441

00:17:52,070 --> 00:17:49,760
kind of

442

00:17:56,549 --> 00:17:52,080
i would say technological developments

443

00:17:57,909 --> 00:17:56,559
so anyway we've been on this kind of

444

00:18:00,789 --> 00:17:57,919
inside

445

00:18:01,990 --> 00:18:00,799
story of how we've been influenced by

446

00:18:06,870 --> 00:18:02,000
these

447

00:18:08,630 --> 00:18:06,880
out the government has never said

448

00:18:10,950 --> 00:18:08,640
yes we're not alone in the universe and

449

00:18:13,590 --> 00:18:10,960
that's the big headline that people like

450

00:18:15,909 --> 00:18:13,600
linda molten howe are worked

451
00:18:16,870 --> 00:18:15,919
waiting for they're working really hard

452
00:18:18,870 --> 00:18:16,880
for

453
00:18:21,029 --> 00:18:18,880
we're not alone in the universe and why

454
00:18:24,950 --> 00:18:21,039
does that have to be such a big secret i

455
00:18:27,590 --> 00:18:24,960
mean i don't get it i don't get why

456
00:18:29,270 --> 00:18:27,600
what's wrong with the a word the alien

457
00:18:31,430 --> 00:18:29,280
word or if they are aliens or

458
00:18:33,669 --> 00:18:31,440
extraterrestrial why

459
00:18:36,549 --> 00:18:33,679
can that not be no i mean that's the

460
00:18:38,870 --> 00:18:36,559
biggest mystery of all this stuff

461
00:18:41,590 --> 00:18:38,880
do you know what i mean why is that not

462
00:18:47,350 --> 00:18:45,029
it's done founding why

463
00:18:48,150 --> 00:18:47,360

we're been kept in the dark

464

00:18:50,230 --> 00:18:48,160

i mean

465

00:18:52,230 --> 00:18:50,240

i don't understand it myself

466

00:18:54,830 --> 00:18:52,240

i mean i have ideas i have theories like

467

00:18:57,110 --> 00:18:54,840

you know it's not so much about the

468

00:18:59,029 --> 00:18:57,120

extraterrestrials it's more about

469

00:19:01,830 --> 00:18:59,039

corporate um

470

00:19:03,430 --> 00:19:01,840

monopolies like obviously these craft

471

00:19:05,430 --> 00:19:03,440

wherever they're from are not filling up

472

00:19:07,270 --> 00:19:05,440

their gas tank to get here and so

473

00:19:08,150 --> 00:19:07,280

whatever technology they have on that

474

00:19:10,070 --> 00:19:08,160

level

475

00:19:11,669 --> 00:19:10,080

i don't think we have access to that yet

476

00:19:13,830 --> 00:19:11,679

but

477

00:19:15,909 --> 00:19:13,840

when that comes out when you can just

478

00:19:18,549 --> 00:19:15,919

have a little box in your house or

479

00:19:21,270 --> 00:19:18,559

apartment you plug all your electrical

480

00:19:23,430 --> 00:19:21,280

needs into and you have it running in

481

00:19:25,350 --> 00:19:23,440

your car i mean just think of how that

482

00:19:26,710 --> 00:19:25,360

will change the world how we'll be able

483

00:19:29,190 --> 00:19:26,720

to

484

00:19:31,590 --> 00:19:29,200

you know cultivate the deserts how will

485

00:19:36,390 --> 00:19:31,600

food production will increase

486

00:19:39,029 --> 00:19:36,400

we won't be enslaved to our energy needs

487

00:19:41,029 --> 00:19:39,039

free energy is something that will free

488

00:19:42,390 --> 00:19:41,039

us from

489

00:19:48,150 --> 00:19:42,400

from

490

00:19:49,350 --> 00:19:48,160

wars enslavement i mean all the things

491

00:19:52,390 --> 00:19:49,360

that have

492

00:19:54,710 --> 00:19:52,400

have run on this economy will need a

493

00:19:55,990 --> 00:19:54,720

whole rearrangement and people have a

494

00:19:57,190 --> 00:19:56,000

chance to

495

00:19:59,430 --> 00:19:57,200

live

496

00:20:01,750 --> 00:19:59,440

for the reason they really incarnated

497

00:20:03,029 --> 00:20:01,760

here you know what that is i'm asking

498

00:20:04,149 --> 00:20:03,039

what you think it is i'm not saying out

499

00:20:06,870 --> 00:20:04,159

of the answer but what do you think

500

00:20:09,190 --> 00:20:06,880

we've incarnated into these bodies for

501
00:20:10,870 --> 00:20:09,200
you know that is such a big question and

502
00:20:13,750 --> 00:20:10,880
one that i

503
00:20:16,230 --> 00:20:13,760
i struggle with a lot and i just don't

504
00:20:18,950 --> 00:20:16,240
know it is it is it just trying to

505
00:20:21,190 --> 00:20:18,960
overcome ourselves and get past

506
00:20:23,669 --> 00:20:21,200
the fact that we are more than this this

507
00:20:26,230 --> 00:20:23,679
meat vessel that we occupy and the

508
00:20:29,830 --> 00:20:26,240
surroundings that we think we see

509
00:20:32,789 --> 00:20:29,840
um i i do think that your point uh about

510
00:20:34,390 --> 00:20:32,799
energy and um in your book you discuss

511
00:20:36,870 --> 00:20:34,400
zero point energy

512
00:20:39,669 --> 00:20:36,880
i think these are very important points

513
00:20:41,190 --> 00:20:39,679

alan and i love a quote in your book if

514

00:20:43,590 --> 00:20:41,200

i may read it

515

00:20:46,149 --> 00:20:43,600

yes please it says

516

00:20:48,870 --> 00:20:46,159

we may say we may say we want to see

517

00:20:52,149 --> 00:20:48,880

them we may even beg them to come but

518

00:20:53,510 --> 00:20:52,159

actual contact is apocalyptic the future

519

00:20:54,470 --> 00:20:53,520

has begun

520

00:20:56,149 --> 00:20:54,480

and

521

00:20:58,710 --> 00:20:56,159

that is so

522

00:21:02,630 --> 00:20:58,720

poetic but so true because as you said

523

00:21:05,110 --> 00:21:02,640

corporate america the reality of

524

00:21:07,990 --> 00:21:05,120

what we see in the stock market and you

525

00:21:11,350 --> 00:21:08,000

know the things we can feel and touch

526
00:21:13,510 --> 00:21:11,360
and that will all disappear when we have

527
00:21:17,110 --> 00:21:13,520
like you said a little box in our home

528
00:21:19,029 --> 00:21:17,120
that has one 100th of the capacity of

529
00:21:21,350 --> 00:21:19,039
these things we are seeing in the sky

530
00:21:23,750 --> 00:21:21,360
that are able to bend space and time and

531
00:21:26,310 --> 00:21:23,760
energize in ways that are beyond our

532
00:21:29,590 --> 00:21:26,320
imagination

533
00:21:32,789 --> 00:21:29,600
exactly i mean apocalyptic is not

534
00:21:34,470 --> 00:21:32,799
a negative thing either it means a total

535
00:21:38,789 --> 00:21:34,480
transformation

536
00:21:42,310 --> 00:21:38,799
it's it's i'll read you the um

537
00:21:48,310 --> 00:21:42,320
it is an ultimate destiny of the world

538
00:21:50,710 --> 00:21:48,320

it's um it's the total change that um

539

00:21:53,190 --> 00:21:50,720

will bring us like i'm saying into this

540

00:21:55,669 --> 00:21:53,200

new reality as you've quoted

541

00:21:59,510 --> 00:21:55,679

that the real reason this is where i was

542

00:22:02,070 --> 00:21:59,520

getting at of of incarnation is not to

543

00:22:03,830 --> 00:22:02,080

be confounded by it but is to do exactly

544

00:22:05,510 --> 00:22:03,840

what you're doing ryan

545

00:22:08,310 --> 00:22:05,520

is creating

546

00:22:10,789 --> 00:22:08,320

we're here to create we're here to add

547

00:22:12,390 --> 00:22:10,799

to the unknown we're here to make known

548

00:22:13,270 --> 00:22:12,400

the unknown

549

00:22:17,029 --> 00:22:13,280

so

550

00:22:20,870 --> 00:22:17,039

all this drama and all this is about

551
00:22:23,110 --> 00:22:20,880
how we going to evolve creation

552
00:22:24,710 --> 00:22:23,120
with like what you're doing now you're

553
00:22:27,029 --> 00:22:24,720
creating

554
00:22:29,669 --> 00:22:27,039
your um

555
00:22:31,270 --> 00:22:29,679
your enjoyment you're asking questions

556
00:22:32,789 --> 00:22:31,280
you're investigating you're expanding

557
00:22:35,510 --> 00:22:32,799
your mind that's

558
00:22:38,390 --> 00:22:35,520
that's a grand purpose for for

559
00:22:41,590 --> 00:22:38,400
being here and that adds to other

560
00:22:44,390 --> 00:22:41,600
people's experience adds to yours ads to

561
00:22:47,909 --> 00:22:44,400
mine and so you're pushing the envelope

562
00:22:50,549 --> 00:22:47,919
of creation by doing just this

563
00:22:53,909 --> 00:22:50,559

and you know alan you

564

00:22:57,029 --> 00:22:53,919

i mean honestly have beautifully dressed

565

00:22:59,990 --> 00:22:57,039

this point in your book it is it is such

566

00:23:02,710 --> 00:23:00,000

a such a wonderful literary literature

567

00:23:05,669 --> 00:23:02,720

literal feat that you've created here

568

00:23:07,669 --> 00:23:05,679

and the world yeah i mean the world

569

00:23:09,430 --> 00:23:07,679

seems to be

570

00:23:10,310 --> 00:23:09,440

kind of a broken place it's getting

571

00:23:13,190 --> 00:23:10,320

better

572

00:23:15,750 --> 00:23:13,200

and it kind of has a darkness about it

573

00:23:16,950 --> 00:23:15,760

and you're in my opinion shining a light

574

00:23:18,950 --> 00:23:16,960

that is you

575

00:23:21,029 --> 00:23:18,960

and and and you're healing the broken

576

00:23:22,950 --> 00:23:21,039

world through this if it's okay i'd like

577

00:23:24,870 --> 00:23:22,960

to read another paragraph out of your

578

00:23:26,230 --> 00:23:24,880

book that's so what can you be can you

579

00:23:27,750 --> 00:23:26,240

before you do that i just want to say

580

00:23:29,750 --> 00:23:27,760

because i didn't finish my point about

581

00:23:30,950 --> 00:23:29,760

that coming up tomorrow yeah please do

582

00:23:33,510 --> 00:23:30,960

that

583

00:23:36,390 --> 00:23:33,520

is the series i'm calling the making

584

00:23:38,630 --> 00:23:36,400

contact series five episodes and you can

585

00:23:40,710 --> 00:23:38,640

go to makingcontextseries.com

586

00:23:42,789 --> 00:23:40,720

tomorrow we have a deep dive disclosure

587

00:23:43,750 --> 00:23:42,799

with danny sheehan steve bassett and

588

00:23:44,870 --> 00:23:43,760

robert

589

00:23:47,669 --> 00:23:44,880

perellis

590

00:23:50,549 --> 00:23:47,679

i know robert salas sorry robert salas

591

00:23:51,870 --> 00:23:50,559

and it goes the next four thursdays in

592

00:23:53,269 --> 00:23:51,880

june

593

00:23:55,830 --> 00:23:53,279

makingcontextseries.com and it's a

594

00:23:57,590 --> 00:23:55,840

really a reflection of the book so yeah

595

00:23:59,430 --> 00:23:57,600

read that quote because and thank you

596

00:24:03,269 --> 00:23:59,440

for saying it's literary because i was a

597

00:24:07,430 --> 00:24:03,279

literature major in college and i read

598

00:24:10,870 --> 00:24:07,440

the great you know the great um

599

00:24:12,789 --> 00:24:10,880

writers of in england of james joyce

600

00:24:14,870 --> 00:24:12,799

shakespeare and they

601
00:24:17,590 --> 00:24:14,880
and they're not just writing something

602
00:24:19,269 --> 00:24:17,600
they're communicating deep messages and

603
00:24:22,070 --> 00:24:19,279
that's what i've tried to do in this

604
00:24:23,990 --> 00:24:22,080
book so yeah and i i loved all the

605
00:24:25,190 --> 00:24:24,000
quotes that i put in there because they

606
00:24:28,230 --> 00:24:25,200
always they

607
00:24:29,830 --> 00:24:28,240
they remind me of my mission so yeah

608
00:24:32,630 --> 00:24:29,840
which is the quote you want to read

609
00:24:34,230 --> 00:24:32,640
there's a couple and i also want before

610
00:24:36,470 --> 00:24:34,240
we forget to

611
00:24:38,789 --> 00:24:36,480
also tell listeners where they can go to

612
00:24:40,870 --> 00:24:38,799
new realities can you explain what what

613
00:24:44,310 --> 00:24:40,880

you're doing there and how they can take

614

00:24:47,750 --> 00:24:44,320

part in in what you're doing

615

00:24:49,830 --> 00:24:47,760

right this new realities um

616

00:24:52,870 --> 00:24:49,840

dot com is a website but i put a lot of

617

00:24:54,149 --> 00:24:52,880

my energy into my youtube channel

618

00:24:56,870 --> 00:24:54,159

so that's

619

00:25:00,630 --> 00:24:56,880

youtube.com new realities where each

620

00:25:01,590 --> 00:25:00,640

week i interview cutting edge guests

621

00:25:03,669 --> 00:25:01,600

about

622

00:25:05,590 --> 00:25:03,679

shifting the paradigm of what's possible

623

00:25:06,710 --> 00:25:05,600

that's why i'm doing this making contact

624

00:25:10,470 --> 00:25:06,720

series

625

00:25:12,789 --> 00:25:10,480

june 2nd the 9th the 16th and the 23rd

626

00:25:15,909 --> 00:25:12,799

throughout june where

627

00:25:18,230 --> 00:25:15,919

i'm going to be talking to people who i

628

00:25:20,310 --> 00:25:18,240

really value for their

629

00:25:23,269 --> 00:25:20,320

cutting edge thinking people like linda

630

00:25:26,390 --> 00:25:23,279

molten howe and whitley strieber two of

631

00:25:29,350 --> 00:25:26,400

the deepest thinkers in this field and

632

00:25:30,789 --> 00:25:29,360

that's what i love about all this so um

633

00:25:33,190 --> 00:25:30,799

yes

634

00:25:35,029 --> 00:25:33,200

beautiful stuff happening and and just

635

00:25:38,710 --> 00:25:35,039

so listeners are aware that is happening

636

00:25:40,789 --> 00:25:38,720

tomorrow so definitely get on that and

637

00:25:43,110 --> 00:25:40,799

um getting back to the book there's so

638

00:25:45,110 --> 00:25:43,120

many quotes and it is an essential

639

00:25:47,990 --> 00:25:45,120

handbook in preparing to embrace the

640

00:25:51,669 --> 00:25:48,000

most exalting moment in human history

641

00:25:54,230 --> 00:25:51,679

contacting the cosmic other um the

642

00:25:55,590 --> 00:25:54,240

the amazing you know just just the way

643

00:25:57,990 --> 00:25:55,600

you put this

644

00:26:00,390 --> 00:25:58,000

and it says in a philosophical sense

645

00:26:02,310 --> 00:26:00,400

extra celestials can be called luminous

646

00:26:04,390 --> 00:26:02,320

non-corporeal beings

647

00:26:06,070 --> 00:26:04,400

in their non-material form they have the

648

00:26:08,310 --> 00:26:06,080

ability to come and go without

649

00:26:10,310 --> 00:26:08,320

technological structures

650

00:26:12,310 --> 00:26:10,320

and that is so true as you said they can

651
00:26:15,750 --> 00:26:12,320
walk through walls they can appear they

652
00:26:19,029 --> 00:26:15,760
can disappear they can do things that

653
00:26:21,029 --> 00:26:19,039
are just mind-blowing and a lot of this

654
00:26:22,950 --> 00:26:21,039
i believe is really feeding into this

655
00:26:26,470 --> 00:26:22,960
consciousness study that is

656
00:26:28,630 --> 00:26:26,480
coming to the forefront of science and

657
00:26:30,149 --> 00:26:28,640
and you're there

658
00:26:32,630 --> 00:26:30,159
right well i have to just also

659
00:26:34,549 --> 00:26:32,640
acknowledge i think you know that

660
00:26:37,269 --> 00:26:34,559
each chapter in this book is written by

661
00:26:38,870 --> 00:26:37,279
a different i would say expert in the

662
00:26:41,029 --> 00:26:38,880
field i think that chapter that you're

663
00:26:43,750 --> 00:26:41,039

reading from is chapter three that's by

664

00:26:45,430 --> 00:26:43,760

doctors j.j and desiree hertog who are

665

00:26:46,789 --> 00:26:45,440

good friends and they've studied this

666

00:26:50,390 --> 00:26:46,799

phenomena

667

00:26:52,149 --> 00:26:50,400

for i don't know last 40 years and

668

00:26:54,149 --> 00:26:52,159

every chapter has a different

669

00:26:55,269 --> 00:26:54,159

perspective and i take this approach

670

00:26:58,310 --> 00:26:55,279

because

671

00:27:00,390 --> 00:26:58,320

no one has the whole story no one really

672

00:27:04,470 --> 00:27:00,400

knows and that includes the government

673

00:27:08,390 --> 00:27:04,480

for sure and even contactees what this

674

00:27:11,029 --> 00:27:08,400

whole thing is about it is so complex

675

00:27:13,029 --> 00:27:11,039

and so multifaceted and like you said

676
00:27:15,590 --> 00:27:13,039
multi-dimensional that

677
00:27:17,909 --> 00:27:15,600
we have to rise to the occasion we have

678
00:27:20,630 --> 00:27:17,919
to really

679
00:27:21,590 --> 00:27:20,640
find a place inside ourselves where we

680
00:27:24,789 --> 00:27:21,600
can

681
00:27:27,590 --> 00:27:24,799
comprehend the incomprehensible where we

682
00:27:30,310 --> 00:27:27,600
can these these beings are yeah

683
00:27:33,190 --> 00:27:30,320
walking through walls not because of

684
00:27:35,909 --> 00:27:33,200
magic but because they understand

685
00:27:37,110 --> 00:27:35,919
a deeper level of physics this is

686
00:27:41,590 --> 00:27:37,120
science

687
00:27:43,110 --> 00:27:41,600
hundred years or thousand years behind

688
00:27:45,510 --> 00:27:43,120

but

689

00:27:47,669 --> 00:27:45,520

we do have the capacity

690

00:27:49,990 --> 00:27:47,679

to understand

691

00:27:51,269 --> 00:27:50,000

what these beings are doing what they're

692

00:27:53,990 --> 00:27:51,279

capable of

693

00:27:55,830 --> 00:27:54,000

because like i said the the basic factor

694

00:27:58,310 --> 00:27:55,840

is consciousness so

695

00:28:01,110 --> 00:27:58,320

we have to just get ourselves out of the

696

00:28:03,590 --> 00:28:01,120

box of

697

00:28:05,190 --> 00:28:03,600

limitation that we put ourselves in and

698

00:28:06,710 --> 00:28:05,200

the programming and the matrix that

699

00:28:08,870 --> 00:28:06,720

we've trapped

700

00:28:09,750 --> 00:28:08,880

our social conditioning

701
00:28:12,230 --> 00:28:09,760
from

702
00:28:14,070 --> 00:28:12,240
and we realize there's so much more to

703
00:28:16,870 --> 00:28:14,080
us as human beings that goes back to

704
00:28:19,510 --> 00:28:16,880
your first point it's an evolution of

705
00:28:21,830 --> 00:28:19,520
our humanity that these

706
00:28:23,110 --> 00:28:21,840
interactions are calling us to wake up

707
00:28:26,230 --> 00:28:23,120
to

708
00:28:29,430 --> 00:28:26,240
you know yeah yeah and in your opinion

709
00:28:32,070 --> 00:28:29,440
alan the the world you know materialism

710
00:28:35,350 --> 00:28:32,080
and consumerism seems to be leading

711
00:28:37,430 --> 00:28:35,360
people on unnecessary quests for money

712
00:28:40,389 --> 00:28:37,440
there's an ideology which seems to

713
00:28:42,710 --> 00:28:40,399

suggest that if you can get rich and if

714

00:28:45,110 --> 00:28:42,720

you try i mean even the music of our

715

00:28:47,350 --> 00:28:45,120

youth states kind of a get rich or die

716

00:28:49,430 --> 00:28:47,360

trying attitude but

717

00:28:52,389 --> 00:28:49,440

the reality is that there's so much more

718

00:28:55,029 --> 00:28:52,399

to life than money how do we

719

00:28:58,389 --> 00:28:55,039

how how do we get this message out in in

720

00:28:59,830 --> 00:28:58,399

a ad like an admiral way that's not

721

00:29:02,789 --> 00:28:59,840

you know

722

00:29:06,070 --> 00:29:02,799

and and don't look at you like you're

723

00:29:07,669 --> 00:29:06,080

just woo woo in the in in the ether and

724

00:29:09,110 --> 00:29:07,679

yeah it's a tough it's a tough thing to

725

00:29:11,430 --> 00:29:09,120

do isn't it

726

00:29:13,350 --> 00:29:11,440

well my friend deepak chopra said i

727

00:29:15,350 --> 00:29:13,360

think he got this quote from barb marley

728

00:29:16,470 --> 00:29:15,360

is some people are so poor all they have

729

00:29:17,750 --> 00:29:16,480

is money

730

00:29:21,909 --> 00:29:17,760

and

731

00:29:23,990 --> 00:29:21,919

i love it i just love that because um

732

00:29:27,350 --> 00:29:24,000

money is what we're programmed

733

00:29:29,669 --> 00:29:27,360

conditioned to do where you know that's

734

00:29:31,269 --> 00:29:29,679

survival and you know even if you have a

735

00:29:33,669 --> 00:29:31,279

lot of money and some people i know

736

00:29:35,590 --> 00:29:33,679

people with millions and

737

00:29:37,909 --> 00:29:35,600

a lot of people without millions but

738

00:29:40,470 --> 00:29:37,919

those people they they are sometimes

739

00:29:42,710 --> 00:29:40,480

trapped i had a friend who was very

740

00:29:44,870 --> 00:29:42,720

wealthy said he had golden handcuffs on

741

00:29:47,830 --> 00:29:44,880

because he couldn't walk away he was

742

00:29:49,110 --> 00:29:47,840

actually upset at me that i was

743

00:29:51,269 --> 00:29:49,120

not

744

00:29:53,029 --> 00:29:51,279

i was living what i wanted to do and he

745

00:29:56,710 --> 00:29:53,039

was trapped in his

746

00:29:58,310 --> 00:29:56,720

you know in his and these like um

747

00:30:00,870 --> 00:29:58,320

um

748

00:30:02,870 --> 00:30:00,880

programs that make people

749

00:30:05,750 --> 00:30:02,880

just think that's all there is to the

750

00:30:07,990 --> 00:30:05,760

world is materiality and then if you get

751

00:30:09,750 --> 00:30:08,000

a chance to just sit in the woods by

752

00:30:13,190 --> 00:30:09,760

yourself and

753

00:30:16,070 --> 00:30:13,200

drop into those spaces and realize that

754

00:30:18,630 --> 00:30:16,080

nature is talking to us that that

755

00:30:20,950 --> 00:30:18,640

it's not just the visible world that's

756

00:30:25,269 --> 00:30:20,960

talking it's the invisible world it's

757

00:30:26,870 --> 00:30:25,279

the it's if you go inward in meditation

758

00:30:29,750 --> 00:30:26,880

if you go into these

759

00:30:31,029 --> 00:30:29,760

internal states these deep states you

760

00:30:33,590 --> 00:30:31,039

realize there's

761

00:30:36,549 --> 00:30:33,600

an infinite source

762

00:30:38,470 --> 00:30:36,559

just as much inside of you as outside of

763

00:30:40,310 --> 00:30:38,480

you and um

764

00:30:42,710 --> 00:30:40,320

that's always been

765

00:30:44,789 --> 00:30:42,720

just astonishing for me how is that

766

00:30:45,669 --> 00:30:44,799

possible how come no one's telling us

767

00:30:48,070 --> 00:30:45,679

that

768

00:30:50,149 --> 00:30:48,080

and of course there's great spiritual

769

00:30:51,830 --> 00:30:50,159

traditions that do talk about that and

770

00:30:54,230 --> 00:30:51,840

there's been some great

771

00:30:56,149 --> 00:30:54,240

channels that have tapped into these

772

00:30:58,149 --> 00:30:56,159

other levels of

773

00:30:59,669 --> 00:30:58,159

awareness and i think we're in a

774

00:31:02,470 --> 00:30:59,679

renaissance

775

00:31:04,710 --> 00:31:02,480

of spiritual knowledge so it's coming

776

00:31:05,830 --> 00:31:04,720

out you know there's a time where you

777

00:31:08,789 --> 00:31:05,840

couldn't

778

00:31:10,230 --> 00:31:08,799

even find a health food store in a major

779

00:31:11,990 --> 00:31:10,240

city now there's

780

00:31:13,669 --> 00:31:12,000

whole foods i mean of course there's

781

00:31:14,389 --> 00:31:13,679

problems with whole foods

782

00:31:17,110 --> 00:31:14,399

like

783

00:31:19,990 --> 00:31:17,120

whole paycheck

784

00:31:23,190 --> 00:31:20,000

there's but now it's there yoga centers

785

00:31:27,029 --> 00:31:23,200

massage acupuncture the things that

786

00:31:29,269 --> 00:31:27,039

um you know maybe 20 years ago were

787

00:31:31,990 --> 00:31:29,279

not common or now

788

00:31:33,830 --> 00:31:32,000

everyday you know ideas like i was

789

00:31:35,029 --> 00:31:33,840

talking to my friend who's a psychic and

790

00:31:37,350 --> 00:31:35,039

i said like

791

00:31:39,430 --> 00:31:37,360

psychics are as important as a dentist

792

00:31:40,230 --> 00:31:39,440

like people say who's your psychic and

793

00:31:41,990 --> 00:31:40,240

um

794

00:31:43,990 --> 00:31:42,000

not that we have to go to psychics but

795

00:31:45,750 --> 00:31:44,000

occasionally it's some somebody with a

796

00:31:48,070 --> 00:31:45,760

good insight can

797

00:31:50,789 --> 00:31:48,080

assist us in

798

00:31:52,870 --> 00:31:50,799

particular arab news and and and it's

799

00:31:56,230 --> 00:31:52,880

real i mean we're all psychic i mean i

800

00:31:58,950 --> 00:31:56,240

teach remote viewing which is proof that

801
00:32:02,310 --> 00:31:58,960
our minds are not local that they're

802
00:32:04,230 --> 00:32:02,320
part like i said before like that is the

803
00:32:06,389 --> 00:32:04,240
extraterrestrial

804
00:32:07,990 --> 00:32:06,399
evidence is that

805
00:32:10,950 --> 00:32:08,000
the consciousness

806
00:32:12,710 --> 00:32:10,960
is not confined to your body

807
00:32:14,389 --> 00:32:12,720
actually that's like another quote from

808
00:32:16,389 --> 00:32:14,399
deepak chopra is

809
00:32:18,789 --> 00:32:16,399
you your consciousness is not in your

810
00:32:20,549 --> 00:32:18,799
body you are unconscious your body's in

811
00:32:22,310 --> 00:32:20,559
consciousness meaning that

812
00:32:23,590 --> 00:32:22,320
the field

813
00:32:24,950 --> 00:32:23,600

is the

814

00:32:26,310 --> 00:32:24,960

um

815

00:32:28,710 --> 00:32:26,320

i would say

816

00:32:31,430 --> 00:32:28,720

the field is the being the field of

817

00:32:32,789 --> 00:32:31,440

awareness is really what

818

00:32:34,950 --> 00:32:32,799

is

819

00:32:37,669 --> 00:32:34,960

the emanation of the human being and the

820

00:32:40,070 --> 00:32:37,679

body is just one aspect of it

821

00:32:42,950 --> 00:32:40,080

does that yeah oh it makes sense yeah it

822

00:32:45,110 --> 00:32:42,960

does it's it's it's so clear the way you

823

00:32:46,549 --> 00:32:45,120

put it and you mentioned deepak chopra

824

00:32:48,389 --> 00:32:46,559

and i have to

825

00:32:50,389 --> 00:32:48,399

i just have to point this out that your

826

00:32:52,710 --> 00:32:50,399

friends list you know they say that you

827

00:32:54,950 --> 00:32:52,720

are who your friends are and your

828

00:32:57,590 --> 00:32:54,960

friends list reads like

829

00:33:00,149 --> 00:32:57,600

you know uh just this ascended

830

00:33:01,990 --> 00:33:00,159

illuminated bunch of awakened souls to

831

00:33:05,190 --> 00:33:02,000

the sunlight of the spirit they're all

832

00:33:06,870 --> 00:33:05,200

people who benefit others just by their

833

00:33:07,990 --> 00:33:06,880

presence and that that goes for you as

834

00:33:09,110 --> 00:33:08,000

well so

835

00:33:14,389 --> 00:33:09,120

that

836

00:33:15,430 --> 00:33:14,399

this book with so many quotes by so many

837

00:33:18,470 --> 00:33:15,440

people with

838

00:33:19,990 --> 00:33:18,480

you know the same gifts that you have of

839

00:33:21,590 --> 00:33:20,000

you know

840

00:33:22,950 --> 00:33:21,600

explaining how

841

00:33:24,950 --> 00:33:22,960

how this is an essential part of

842

00:33:27,669 --> 00:33:24,960

humanity

843

00:33:29,830 --> 00:33:27,679

well i i just i sought those people out

844

00:33:32,389 --> 00:33:29,840

i have to tell you it's not like they

845

00:33:35,509 --> 00:33:32,399

called me up and said oh hey you know i

846

00:33:37,830 --> 00:33:35,519

went to all the conferences i you know

847

00:33:39,190 --> 00:33:37,840

have and had an interview show i still

848

00:33:41,590 --> 00:33:39,200

have it for

849

00:33:44,230 --> 00:33:41,600

25 years on

850

00:33:46,710 --> 00:33:44,240

on manhattan cable um

851

00:33:49,509 --> 00:33:46,720

so it's like it's been i wouldn't say a

852

00:33:51,430 --> 00:33:49,519

job or a career it's been uh

853

00:33:54,310 --> 00:33:51,440

avid interest

854

00:33:57,190 --> 00:33:54,320

to know more and to meet the people who

855

00:33:59,269 --> 00:33:57,200

i could learn from and people like bruce

856

00:34:02,149 --> 00:33:59,279

lipton i mean do you know bruce lipton

857

00:34:03,190 --> 00:34:02,159

you know not personally i wish i did

858

00:34:05,990 --> 00:34:03,200

well

859

00:34:09,669 --> 00:34:06,000

i read an article of his i think it was

860

00:34:11,270 --> 00:34:09,679

in the late 1990s before anyone knew him

861

00:34:13,589 --> 00:34:11,280

it was in this little

862

00:34:15,510 --> 00:34:13,599

spiritual magazine out of washington

863

00:34:17,109 --> 00:34:15,520

state called the golden thread and he

864

00:34:19,430 --> 00:34:17,119

was saying such

865

00:34:21,270 --> 00:34:19,440

fantastic things that i

866

00:34:24,149 --> 00:34:21,280

found them i found them in northern

867

00:34:27,270 --> 00:34:24,159

california i called them up and i said

868

00:34:28,389 --> 00:34:27,280

bruce i want to interview you so i mean

869

00:34:30,230 --> 00:34:28,399

i don't know if it was the first

870

00:34:32,950 --> 00:34:30,240

interview we ever did but

871

00:34:35,270 --> 00:34:32,960

i found him he invited me into his home

872

00:34:39,510 --> 00:34:35,280

me and my girlfriend traveling around

873

00:34:42,069 --> 00:34:39,520

then he spent three hours with us

874

00:34:44,710 --> 00:34:42,079

outlining what he's now been saying i

875

00:34:46,710 --> 00:34:44,720

would say for the last 20 years

876

00:34:49,270 --> 00:34:46,720

publicly but

877

00:34:50,950 --> 00:34:49,280

it's because i don't know maybe i just

878

00:34:52,790 --> 00:34:50,960

have a

879

00:34:54,550 --> 00:34:52,800

a way of tuning into new knowledge or

880

00:34:57,109 --> 00:34:54,560

things that excite me

881

00:34:59,430 --> 00:34:57,119

nassim harmeen is another one like black

882

00:35:02,310 --> 00:34:59,440

hole nested black holes um

883

00:35:05,910 --> 00:35:02,320

who else linda howe linda molten howe a

884

00:35:07,990 --> 00:35:05,920

genius in in the field of ufology really

885

00:35:10,790 --> 00:35:08,000

original thinkers i would say i'm i'm

886

00:35:12,069 --> 00:35:10,800

like a talent scout i'm looking for

887

00:35:15,670 --> 00:35:12,079

people who

888

00:35:17,990 --> 00:35:15,680

are unfolding new realities and i

889

00:35:20,230 --> 00:35:18,000

and i seek him out alex gray do you know

890

00:35:22,790 --> 00:35:20,240

the art of alex gray

891

00:35:25,750 --> 00:35:22,800

yeah he now he uh

892

00:35:29,030 --> 00:35:25,760

if i'm not mistaken is he from new york

893

00:35:30,790 --> 00:35:29,040

is that correct yeah yeah yeah he has a

894

00:35:33,270 --> 00:35:30,800

chapel of sacred mirrors in upstate new

895

00:35:34,870 --> 00:35:33,280

york well when i saw his art

896

00:35:36,950 --> 00:35:34,880

it's like wow

897

00:35:40,069 --> 00:35:36,960

that so i think art's a big part of it

898

00:35:42,390 --> 00:35:40,079

but people presenting the new

899

00:35:45,030 --> 00:35:42,400

the shock of the unknown is a famous art

900

00:35:47,589 --> 00:35:45,040

book so people bring out

901
00:35:49,990 --> 00:35:47,599
something that stimulates as joe

902
00:35:50,870 --> 00:35:50,000
dispensa says who i also

903
00:35:54,230 --> 00:35:50,880
you know

904
00:35:54,890 --> 00:35:54,240
new neural nets of awareness

905
00:35:56,150 --> 00:35:54,900
these new

906
00:35:57,430 --> 00:35:56,160
[Music]

907
00:35:59,670 --> 00:35:57,440
connections

908
00:36:01,270 --> 00:35:59,680
and this is also what the et's are doing

909
00:36:02,630 --> 00:36:01,280
for us when you

910
00:36:06,790 --> 00:36:02,640
meet

911
00:36:08,150 --> 00:36:06,800
a situation or an art form or

912
00:36:10,310 --> 00:36:08,160
a lecture

913
00:36:11,670 --> 00:36:10,320

by someone that is like suddenly

914

00:36:12,550 --> 00:36:11,680

connects

915

00:36:20,470 --> 00:36:12,560

new

916

00:36:21,349 --> 00:36:20,480

we expand we expand to when we connect

917

00:36:23,349 --> 00:36:21,359

these

918

00:36:29,030 --> 00:36:23,359

new

919

00:36:29,750 --> 00:36:29,040

a greater awareness if you don't reject

920

00:36:33,589 --> 00:36:29,760

it

921

00:36:35,589 --> 00:36:33,599

to see

922

00:36:37,750 --> 00:36:35,599

the bigger reality

923

00:36:39,589 --> 00:36:37,760

and and that's what i look for that's

924

00:36:43,990 --> 00:36:39,599

the excitement is

925

00:36:46,950 --> 00:36:44,000

what's going to expand me what unknown

926

00:36:50,069 --> 00:36:46,960

phenomena or concept will i have to

927

00:36:52,470 --> 00:36:50,079

stretch out of my old belief system

928

00:36:54,470 --> 00:36:52,480

because it's so easy to step into like a

929

00:36:56,870 --> 00:36:54,480

world view that says okay

930

00:36:58,230 --> 00:36:56,880

now i know what it's all about but

931

00:37:01,190 --> 00:36:58,240

i'm always

932

00:37:02,069 --> 00:37:01,200

at the edge of that wave that you know

933

00:37:05,510 --> 00:37:02,079

the

934

00:37:07,349 --> 00:37:05,520

looking for

935

00:37:09,349 --> 00:37:07,359

something i don't know

936

00:37:11,349 --> 00:37:09,359

and um you know i don't agree with

937

00:37:13,750 --> 00:37:11,359

everything that comes to miami and some

938

00:37:15,670 --> 00:37:13,760

things people say you know i definitely

939

00:37:18,710 --> 00:37:15,680

i'm not a flat earther people say you

940

00:37:20,550 --> 00:37:18,720

know the earth i said well that's just

941

00:37:23,750 --> 00:37:20,560

i have to say stupid you know there's

942

00:37:25,670 --> 00:37:23,760

people with new ideas or old ideas that

943

00:37:28,150 --> 00:37:25,680

think they're really excited about so i

944

00:37:30,069 --> 00:37:28,160

do have my judgments i do have my

945

00:37:32,310 --> 00:37:30,079

i would say boundaries some people talk

946

00:37:34,710 --> 00:37:32,320

about the secret space program i have

947

00:37:38,150 --> 00:37:34,720

yet to see evidence that we

948

00:37:40,470 --> 00:37:38,160

as a country u.s are out in space

949

00:37:42,390 --> 00:37:40,480

trading with

950

00:37:44,870 --> 00:37:42,400

a galactic community and but there's a

951
00:37:46,870 --> 00:37:44,880
lot of people in the ufo field that

952
00:37:48,870 --> 00:37:46,880
totally believe that

953
00:37:50,550 --> 00:37:48,880
i don't because i haven't seen evidence

954
00:37:52,870 --> 00:37:50,560
of it and then of course some people

955
00:37:55,670 --> 00:37:52,880
don't believe what i believe about alien

956
00:37:57,990 --> 00:37:55,680
abductions and we're being taken and

957
00:38:00,630 --> 00:37:58,000
genetically experimented with well

958
00:38:03,109 --> 00:38:00,640
that's really far out but somehow

959
00:38:04,550 --> 00:38:03,119
i believe that because i've had glimpses

960
00:38:05,510 --> 00:38:04,560
of those experiences

961
00:38:07,670 --> 00:38:05,520
so

962
00:38:12,630 --> 00:38:07,680
you know i'm trying to mix experience

963
00:38:18,870 --> 00:38:16,310

unknown realities with

964

00:38:21,910 --> 00:38:18,880

just my own little combination of what i

965

00:38:24,230 --> 00:38:21,920

think is plausible possible

966

00:38:28,150 --> 00:38:24,240

and also impossible i'm willing to go to

967

00:38:30,710 --> 00:38:28,160

the impossible but i also

968

00:38:32,790 --> 00:38:30,720

am practical in a sense other people

969

00:38:36,230 --> 00:38:32,800

might not think that but in ways like

970

00:38:39,430 --> 00:38:36,240

okay is time travel real well

971

00:38:42,390 --> 00:38:39,440

yeah i think why not einstein has said

972

00:38:44,950 --> 00:38:42,400

so in his formulas you can go back and

973

00:38:47,270 --> 00:38:44,960

forth in time so i'm looking at

974

00:38:49,510 --> 00:38:47,280

everything that was considered science

975

00:38:52,150 --> 00:38:49,520

fiction and now i'm seeing

976
00:38:53,510 --> 00:38:52,160
and this is what the ufo people and the

977
00:38:56,790 --> 00:38:53,520
physicists are saying what we thought

978
00:38:57,750 --> 00:38:56,800
was science fiction is now science-based

979
00:38:59,589 --> 00:38:57,760
and

980
00:39:03,589 --> 00:38:59,599
that quote is from the first article

981
00:39:06,790 --> 00:39:03,599
that came out about the in 2017 about

982
00:39:08,470 --> 00:39:06,800
ufos or uaps or they're now called so

983
00:39:10,870 --> 00:39:08,480
i'm looking at it all

984
00:39:12,870 --> 00:39:10,880
i'm really excited about possibilities i

985
00:39:14,630 --> 00:39:12,880
know the world doesn't look like a great

986
00:39:17,589 --> 00:39:14,640
place but i think

987
00:39:18,710 --> 00:39:17,599
it has amazing potential always has but

988
00:39:22,710 --> 00:39:18,720

we are in

989

00:39:23,990 --> 00:39:22,720

really exciting times in human history

990

00:39:28,870 --> 00:39:24,000

where

991

00:39:31,109 --> 00:39:28,880

unknown is about to be revealed

992

00:39:34,069 --> 00:39:31,119

to human civilization that's going to

993

00:39:36,710 --> 00:39:34,079

change everything it is bigger than a

994

00:39:40,470 --> 00:39:36,720

copernican revolution

995

00:39:43,750 --> 00:39:40,480

it is an awakening of

996

00:39:46,470 --> 00:39:43,760

of who we really are as human beings on

997

00:39:48,790 --> 00:39:46,480

this small little blue dot in the

998

00:39:50,870 --> 00:39:48,800

vastness of space

999

00:39:54,069 --> 00:39:50,880

i love it and you i'm glad that you

1000

00:39:56,710 --> 00:39:54,079

mentioned dispenza i he's someone i

1001
00:39:59,430 --> 00:39:56,720
look up to a lot and if i'm not mistaken

1002
00:40:01,430 --> 00:39:59,440
you two studied together uh for many

1003
00:40:03,670 --> 00:40:01,440
years yeah

1004
00:40:05,990 --> 00:40:03,680
well yeah he was part of the ramp the

1005
00:40:07,190 --> 00:40:06,000
school of enlightenment and rampta i

1006
00:40:09,430 --> 00:40:07,200
mean even though there was a lot of

1007
00:40:10,630 --> 00:40:09,440
controversy around was a great teacher

1008
00:40:11,990 --> 00:40:10,640
for me

1009
00:40:13,910 --> 00:40:12,000
and joe

1010
00:40:17,109 --> 00:40:13,920
and all the people who made what the

1011
00:40:18,950 --> 00:40:17,119
bleep do we know and

1012
00:40:23,190 --> 00:40:18,960
thousands of other people

1013
00:40:25,109 --> 00:40:23,200

that awakened me to this other level of

1014

00:40:27,270 --> 00:40:25,119

reality it's like

1015

00:40:29,910 --> 00:40:27,280

before i met rampa who's a channel being

1016

00:40:32,150 --> 00:40:29,920

through this woman jay-z knight and um

1017

00:40:33,670 --> 00:40:32,160

out of she was out of tacoma now they're

1018

00:40:35,670 --> 00:40:33,680

living

1019

00:40:37,030 --> 00:40:35,680

yeah washington but

1020

00:40:39,349 --> 00:40:37,040

you know i looked at everything from a

1021

00:40:42,230 --> 00:40:39,359

psychological perspective that was my

1022

00:40:45,589 --> 00:40:42,240

orientation in college and then

1023

00:40:48,230 --> 00:40:45,599

someone said do you want to meet this

1024

00:40:51,030 --> 00:40:48,240

this woman who channels this 35 000 year

1025

00:40:53,430 --> 00:40:51,040

old warrior from atlantis now that was

1026
00:40:55,750 --> 00:40:53,440
not in my belief system back in the

1027
00:40:58,150 --> 00:40:55,760
early 80s and i said

1028
00:40:59,349 --> 00:40:58,160
she's either crazy

1029
00:41:02,069 --> 00:40:59,359
she's either

1030
00:41:04,230 --> 00:41:02,079
you know making it up to make a lot of

1031
00:41:07,430 --> 00:41:04,240
money or

1032
00:41:08,710 --> 00:41:07,440
i thought could it really be true could

1033
00:41:10,550 --> 00:41:08,720
this thing

1034
00:41:11,990 --> 00:41:10,560
and i'm not saying it is true i'm just

1035
00:41:14,150 --> 00:41:12,000
saying that

1036
00:41:15,030 --> 00:41:14,160
those were the possibilities and i went

1037
00:41:17,030 --> 00:41:15,040
because

1038
00:41:18,950 --> 00:41:17,040

like i did hear some stuff that from

1039

00:41:20,710 --> 00:41:18,960

some audio tapes that made a lot of

1040

00:41:21,910 --> 00:41:20,720

sense and i thought

1041

00:41:24,069 --> 00:41:21,920

well

1042

00:41:26,230 --> 00:41:24,079

that was interesting i'm going to check

1043

00:41:29,190 --> 00:41:26,240

it out and then

1044

00:41:31,589 --> 00:41:29,200

that really just changed my whole

1045

00:41:34,390 --> 00:41:31,599

perspective on psychology

1046

00:41:36,390 --> 00:41:34,400

and possibilities and open to the fact

1047

00:41:38,710 --> 00:41:36,400

that maybe consciousness is

1048

00:41:39,990 --> 00:41:38,720

multi-dimensional maybe people can

1049

00:41:42,630 --> 00:41:40,000

channel

1050

00:41:44,470 --> 00:41:42,640

other levels of reality so

1051

00:41:46,230 --> 00:41:44,480

that was a big shift for me and that's

1052

00:41:48,230 --> 00:41:46,240

of course where lots of people like joe

1053

00:41:50,470 --> 00:41:48,240

dispenser became part of this school

1054

00:41:54,470 --> 00:41:50,480

because it became a mystery school

1055

00:41:59,030 --> 00:41:56,470

teaching somebody something it's about

1056

00:42:00,710 --> 00:41:59,040

having the experience yourself

1057

00:42:03,190 --> 00:42:00,720

so we'd stay

1058

00:42:05,190 --> 00:42:03,200

blindfolded for three days trying to you

1059

00:42:06,870 --> 00:42:05,200

know

1060

00:42:08,790 --> 00:42:06,880

find these

1061

00:42:11,430 --> 00:42:08,800

things that were planned these cards on

1062

00:42:13,109 --> 00:42:11,440

these fences that were planted with

1063

00:42:15,510 --> 00:42:13,119

something we wanted to create i have to

1064

00:42:17,750 --> 00:42:15,520

say joe was really good at a lot of this

1065

00:42:20,550 --> 00:42:17,760

you know stuff and

1066

00:42:23,670 --> 00:42:20,560

and it's just great to see how he's

1067

00:42:25,589 --> 00:42:23,680

taken those teachings and brought them

1068

00:42:27,190 --> 00:42:25,599

way out to the world

1069

00:42:31,670 --> 00:42:27,200

to

1070

00:42:35,030 --> 00:42:31,680

of people and he's really

1071

00:42:36,230 --> 00:42:35,040

a success so you know my orientation a

1072

00:42:43,190 --> 00:42:36,240

little more

1073

00:42:44,950 --> 00:42:43,200

i guess out there joe is doing a really

1074

00:42:46,470 --> 00:42:44,960

practical thing waking people up to

1075

00:42:50,470 --> 00:42:46,480

their potential

1076
00:42:52,950 --> 00:42:50,480
i'm going into the esoteric and saying

1077
00:42:54,550 --> 00:42:52,960
well yeah it's great you definitely

1078
00:42:56,630 --> 00:42:54,560
create your reality and you have the

1079
00:42:57,430 --> 00:42:56,640
potential to do that

1080
00:42:59,349 --> 00:42:57,440
but

1081
00:43:01,670 --> 00:42:59,359
what can we

1082
00:43:02,790 --> 00:43:01,680
bring into our reality that we don't

1083
00:43:07,030 --> 00:43:02,800
know

1084
00:43:08,870 --> 00:43:07,040
was the whole discussion around the

1085
00:43:10,470 --> 00:43:08,880
secret it's great to create what you

1086
00:43:12,550 --> 00:43:10,480
want but

1087
00:43:13,829 --> 00:43:12,560
how do we bring into our fields of

1088
00:43:16,870 --> 00:43:13,839

awareness

1089

00:43:19,589 --> 00:43:16,880

what we don't even know exists

1090

00:43:22,150 --> 00:43:19,599

that's the challenge i'm looking at so

1091

00:43:24,870 --> 00:43:22,160

that's the new realities yes i want a

1092

00:43:26,390 --> 00:43:24,880

new car a new house those are amazing

1093

00:43:29,670 --> 00:43:26,400

things to create

1094

00:43:31,750 --> 00:43:29,680

you want healing you want all this but

1095

00:43:34,470 --> 00:43:31,760

what's beyond the known

1096

00:43:36,950 --> 00:43:34,480

is what i'm looking for if if you

1097

00:43:39,750 --> 00:43:36,960

understand what i mean yeah yeah and i

1098

00:43:43,589 --> 00:43:39,760

adore the mystery schools i think that

1099

00:43:45,990 --> 00:43:43,599

you know it it's it's amazing what

1100

00:43:47,829 --> 00:43:46,000

what they what they offer and it's it's

1101

00:43:49,990 --> 00:43:47,839

no wonder that many of these

1102

00:43:52,630 --> 00:43:50,000

historically speaking in the past many

1103

00:43:54,950 --> 00:43:52,640

of these secret societies and and and

1104

00:43:57,270 --> 00:43:54,960

mystery schools had to remain

1105

00:43:59,510 --> 00:43:57,280

kind of off the beaten path and out of

1106

00:44:01,910 --> 00:43:59,520

sight of the mainstream because in the

1107

00:44:03,829 --> 00:44:01,920

past there was a lot of darkness and and

1108

00:44:05,750 --> 00:44:03,839

the you know the elites if you want to

1109

00:44:08,309 --> 00:44:05,760

call them that or the people in control

1110

00:44:10,230 --> 00:44:08,319

wanted to maintain control we see that

1111

00:44:10,950 --> 00:44:10,240

still today but i don't think as you

1112

00:44:13,109 --> 00:44:10,960

said

1113

00:44:14,309 --> 00:44:13,119

we're definitely vibrating in a better

1114

00:44:15,910 --> 00:44:14,319

level now

1115

00:44:18,390 --> 00:44:15,920

and um

1116

00:44:20,630 --> 00:44:18,400

but it i adore that you guys do that

1117

00:44:22,470 --> 00:44:20,640

kind of work and i also want to

1118

00:44:25,349 --> 00:44:22,480

appreciate that you don't seem to lose

1119

00:44:27,750 --> 00:44:25,359

your light or your you know for fame and

1120

00:44:28,790 --> 00:44:27,760

fortune there's a lot of people that

1121

00:44:31,910 --> 00:44:28,800

that do

1122

00:44:34,390 --> 00:44:31,920

and um this is something that it's it's

1123

00:44:36,870 --> 00:44:34,400

a phenomenon just just being around you

1124

00:44:40,710 --> 00:44:36,880

as i said before something i want to ask

1125

00:44:43,109 --> 00:44:40,720

you alan is um this this psycho

1126

00:44:45,750 --> 00:44:43,119

spiritual awareness

1127

00:44:49,270 --> 00:44:45,760

and how it relates to you mentioned lou

1128

00:44:51,670 --> 00:44:49,280

elizondo and i've noticed that he you

1129

00:44:53,750 --> 00:44:51,680

know i've had some conversations with

1130

00:44:54,790 --> 00:44:53,760

him and people close to him

1131

00:45:02,950 --> 00:44:54,800

and

1132

00:45:05,990 --> 00:45:02,960

is attacked in this field no matter what

1133

00:45:09,190 --> 00:45:06,000

their belief but um

1134

00:45:11,109 --> 00:45:09,200

why is it that there is so much

1135

00:45:12,630 --> 00:45:11,119

attacking and this is something that you

1136

00:45:13,670 --> 00:45:12,640

do not do but

1137

00:45:15,349 --> 00:45:13,680

um

1138

00:45:17,030 --> 00:45:15,359

you seem a little bit more enlightened

1139

00:45:19,750 --> 00:45:17,040

than that but there does see i mean that

1140

00:45:21,589 --> 00:45:19,760

this guy was really attacked by by

1141

00:45:25,270 --> 00:45:21,599

mainstream ufology

1142

00:45:28,150 --> 00:45:25,280

i know i know it's well

1143

00:45:29,910 --> 00:45:28,160

ufology is like any other field there's

1144

00:45:33,109 --> 00:45:29,920

people who like each other don't like

1145

00:45:35,670 --> 00:45:33,119

this jealousy i mean i would can you

1146

00:45:38,150 --> 00:45:35,680

introduce me to lou actually

1147

00:45:40,790 --> 00:45:38,160

i can do my best absolutely all right

1148

00:45:43,430 --> 00:45:40,800

but you know i like lou alexander i

1149

00:45:47,829 --> 00:45:43,440

think he is really one of the heroes

1150

00:45:51,510 --> 00:45:47,839

that are standing up for truth and

1151

00:45:54,150 --> 00:45:51,520

he's very smart person and he does talk

1152

00:45:55,750 --> 00:45:54,160

around subjects sometimes if you ask him

1153

00:45:58,470 --> 00:45:55,760

a question he will not answer you

1154

00:46:01,670 --> 00:45:58,480

directly because and he planted seeds

1155

00:46:04,390 --> 00:46:01,680

and he's he's he is um leaving

1156

00:46:05,510 --> 00:46:04,400

breadcrumbs as he says

1157

00:46:06,390 --> 00:46:05,520

about

1158

00:46:09,030 --> 00:46:06,400

you know

1159

00:46:10,150 --> 00:46:09,040

what the truth is because maybe he's you

1160

00:46:13,670 --> 00:46:10,160

know

1161

00:46:15,750 --> 00:46:13,680

held him by some nda but um people have

1162

00:46:18,309 --> 00:46:15,760

attacked them and it's unfortunate

1163

00:46:21,030 --> 00:46:18,319

because um

1164

00:46:23,270 --> 00:46:21,040

they their their ego

1165

00:46:25,670 --> 00:46:23,280

like i i guess i don't really want to

1166

00:46:29,030 --> 00:46:25,680

name names because then i get attacked

1167

00:46:32,950 --> 00:46:29,040

but there's people who think that they

1168

00:46:35,349 --> 00:46:32,960

know what's going on in the ufo field

1169

00:46:37,270 --> 00:46:35,359

and they call themselves authorities and

1170

00:46:40,550 --> 00:46:37,280

if someone comes out of

1171

00:46:44,630 --> 00:46:40,560

nowhere like alexander did in 2017 and

1172

00:46:45,510 --> 00:46:44,640

suddenly has more answers than they do

1173

00:46:50,470 --> 00:46:45,520

they

1174

00:46:52,069 --> 00:46:50,480

doesn't matter what field you're in

1175

00:46:54,790 --> 00:46:52,079

people

1176

00:46:57,589 --> 00:46:54,800

you know think they're the top i mean

1177

00:46:58,870 --> 00:46:57,599

that's why this book with making contact

1178

00:47:01,030 --> 00:46:58,880

and the series i'm doing

1179

00:47:02,349 --> 00:47:01,040

makingcontextseries.com

1180

00:47:04,790 --> 00:47:02,359

is a

1181

00:47:07,109 --> 00:47:04,800

multi-perspective approach

1182

00:47:09,430 --> 00:47:07,119

like i'm saying there's not one person

1183

00:47:11,910 --> 00:47:09,440

i've been in this field for maybe 30

1184

00:47:14,790 --> 00:47:11,920

years listening to all the greats

1185

00:47:16,550 --> 00:47:14,800

bud hopkins john mack whitney streber i

1186

00:47:18,069 --> 00:47:16,560

mean i've sat at the feet of these

1187

00:47:20,549 --> 00:47:18,079

people because

1188

00:47:22,309 --> 00:47:20,559

they had more knowledge than i do but no

1189

00:47:25,430 --> 00:47:22,319

not even they

1190

00:47:28,630 --> 00:47:25,440

had the complete understanding of what's

1191

00:47:30,390 --> 00:47:28,640

really going on in the ufo field they

1192

00:47:32,790 --> 00:47:30,400

are looking for answers as much as

1193

00:47:34,870 --> 00:47:32,800

anyone else and this is why there's 12

1194

00:47:37,109 --> 00:47:34,880

different essays in this book

1195

00:47:39,349 --> 00:47:37,119

trying to talk about separate areas of

1196

00:47:41,820 --> 00:47:39,359

truth so

1197

00:47:43,589 --> 00:47:41,830

i wire people attack because they

1198

00:47:46,069 --> 00:47:43,599

[Music]

1199

00:47:48,230 --> 00:47:46,079

are not expanded enough to admit that

1200

00:47:50,790 --> 00:47:48,240

there might be something they don't know

1201
00:47:52,630 --> 00:47:50,800
that's my best answer for why someone

1202
00:47:55,109 --> 00:47:52,640
would attack

1203
00:47:58,390 --> 00:47:55,119
someone like elizondo recently in the

1204
00:48:00,630 --> 00:47:58,400
new york post they they did this whole

1205
00:48:03,589 --> 00:48:00,640
takedown and and they didn't even get

1206
00:48:06,549 --> 00:48:03,599
their facts right so um

1207
00:48:09,270 --> 00:48:06,559
you know he's a little bit um hard to

1208
00:48:12,230 --> 00:48:09,280
pin down elizondo but he

1209
00:48:13,430 --> 00:48:12,240
has pushed this movement

1210
00:48:16,069 --> 00:48:13,440
uh

1211
00:48:18,309 --> 00:48:16,079
forward which is like the movement being

1212
00:48:20,309 --> 00:48:18,319
the government disclosing the fact that

1213
00:48:22,870 --> 00:48:20,319

we're not alone in the universe more

1214

00:48:24,069 --> 00:48:22,880

than anyone in the last i would say 50

1215

00:48:25,430 --> 00:48:24,079

years

1216

00:48:28,230 --> 00:48:25,440

so that's

1217

00:48:30,470 --> 00:48:28,240

i would say it's ego if you're asking me

1218

00:48:32,309 --> 00:48:30,480

simply why do people attack other people

1219

00:48:35,430 --> 00:48:32,319

because their their

1220

00:48:38,470 --> 00:48:35,440

sense of authority is being threatened

1221

00:48:40,309 --> 00:48:38,480

yeah good answer and you know it does it

1222

00:48:42,549 --> 00:48:40,319

does seem that nothing good ever comes

1223

00:48:44,309 --> 00:48:42,559

from these attacks or from ego or from

1224

00:48:45,430 --> 00:48:44,319

fear or anger

1225

00:48:47,190 --> 00:48:45,440

and

1226

00:48:49,750 --> 00:48:47,200

in in

1227

00:48:52,069 --> 00:48:49,760

what i like about lou is he he says

1228

00:48:55,270 --> 00:48:52,079

everything in a very 3d way but he's

1229

00:48:56,470 --> 00:48:55,280

talking about 5d things you know and

1230

00:48:58,549 --> 00:48:56,480

and

1231

00:49:00,309 --> 00:48:58,559

some of it has to be left out not only

1232

00:49:02,230 --> 00:49:00,319

because of the position he held but as

1233

00:49:03,910 --> 00:49:02,240

you mentioned the ndas that i'm sure are

1234

00:49:07,109 --> 00:49:03,920

still in effect

1235

00:49:10,549 --> 00:49:07,119

but he has and people that he is close

1236

00:49:11,829 --> 00:49:10,559

with uh such as tom delong and others at

1237

00:49:14,390 --> 00:49:11,839

ttsa

1238

00:49:17,270 --> 00:49:14,400

i believe that they they have kind of

1239

00:49:18,950 --> 00:49:17,280

looked back on these and and verified

1240

00:49:20,790 --> 00:49:18,960

some of these ancient myths and

1241

00:49:23,109 --> 00:49:20,800

religious beliefs

1242

00:49:28,230 --> 00:49:23,119

and um without saying the answers are

1243

00:49:32,390 --> 00:49:30,470

you know some of the answers are there i

1244

00:49:34,710 --> 00:49:32,400

don't know um

1245

00:49:37,109 --> 00:49:34,720

i think the world is a mystery that

1246

00:49:39,030 --> 00:49:37,119

keeps unfolding and yeah there are

1247

00:49:42,309 --> 00:49:39,040

definitely awakened beings who have

1248

00:49:45,349 --> 00:49:42,319

reached the level of

1249

00:49:47,990 --> 00:49:45,359

truth awareness ascension even i think

1250

00:49:49,710 --> 00:49:48,000

that is definitely a possibility that

1251
00:49:52,710 --> 00:49:49,720

you can

1252
00:49:55,190 --> 00:49:52,720

transform your physical body into a

1253
00:49:57,030 --> 00:49:55,200

light essence when you

1254
00:49:59,670 --> 00:49:57,040

own the human experience which means

1255
00:50:01,430 --> 00:49:59,680

like you missed something raptor used to

1256
00:50:03,910 --> 00:50:01,440

teach because

1257
00:50:05,750 --> 00:50:03,920

he called himself an ascended master and

1258
00:50:07,430 --> 00:50:05,760

i don't know

1259
00:50:08,470 --> 00:50:07,440

what you know about but there's people

1260
00:50:11,109 --> 00:50:08,480

who have

1261
00:50:13,430 --> 00:50:11,119

been able i believe and you read this in

1262
00:50:16,309 --> 00:50:13,440

the ancient egyptian

1263
00:50:19,510 --> 00:50:16,319

work or the tibetan rainbow body or even

1264

00:50:21,190 --> 00:50:19,520

the castaneda worker i've studied that

1265

00:50:23,270 --> 00:50:21,200

you can

1266

00:50:24,549 --> 00:50:23,280

leave this planet with your body i know

1267

00:50:25,510 --> 00:50:24,559

that's a little out there for some

1268

00:50:28,270 --> 00:50:25,520

people

1269

00:50:31,750 --> 00:50:28,280

by turning it into light by igniting the

1270

00:50:32,870 --> 00:50:31,760

biophotonic potentials within the cells

1271

00:50:35,910 --> 00:50:32,880

that will

1272

00:50:38,390 --> 00:50:35,920

transmute your body into a light essence

1273

00:50:41,030 --> 00:50:38,400

now that's just a belief

1274

00:50:43,829 --> 00:50:41,040

that's not my experience yet although

1275

00:50:45,430 --> 00:50:43,839

i've had moments of something like that

1276
00:50:48,470 --> 00:50:45,440
but um

1277
00:50:49,910 --> 00:50:48,480
i think that's our ultimate destiny

1278
00:50:53,589 --> 00:50:49,920
is to

1279
00:50:56,309 --> 00:50:53,599
transform our earth bodies into stars or

1280
00:50:58,470 --> 00:50:56,319
or higher multi-dimensional vehicles

1281
00:51:00,549 --> 00:50:58,480
ultra celestials if you want to call

1282
00:51:01,050 --> 00:51:00,559
that

1283
00:51:02,470 --> 00:51:01,060
so

1284
00:51:04,630 --> 00:51:02,480
[Music]

1285
00:51:07,750 --> 00:51:04,640
when we can do that we get off the wheel

1286
00:51:10,309 --> 00:51:07,760
of incarnation and

1287
00:51:13,030 --> 00:51:10,319
and and uh we awaken so there are great

1288
00:51:15,270 --> 00:51:13,040

beings that are when we're waking up and

1289

00:51:17,510 --> 00:51:15,280

and this is the time of a planetary

1290

00:51:19,670 --> 00:51:17,520

ascension i'm sure you're familiar with

1291

00:51:22,309 --> 00:51:19,680

those terms right yeah and i'm really

1292

00:51:24,470 --> 00:51:22,319

glad that you brought up the light and

1293

00:51:26,870 --> 00:51:24,480

you know there are so many

1294

00:51:29,910 --> 00:51:26,880

catchphrases and buzzwords these days

1295

00:51:31,270 --> 00:51:29,920

yolo you know you only live once and i

1296

00:51:32,870 --> 00:51:31,280

don't think that gives you a right to

1297

00:51:35,270 --> 00:51:32,880

live recklessly

1298

00:51:39,109 --> 00:51:35,280

and destroy the temple in which the

1299

00:51:41,270 --> 00:51:39,119

light dwells and also i want to touch on

1300

00:51:43,750 --> 00:51:41,280

and ask you alan that's not necessarily

1301
00:51:46,309 --> 00:51:43,760
the case you know that we only live once

1302
00:51:49,270 --> 00:51:46,319
there's such a thing as old souls

1303
00:51:51,990 --> 00:51:49,280
well definitely not in my experience i

1304
00:51:53,589 --> 00:51:52,000
mean i don't know how true reincarnation

1305
00:51:54,710 --> 00:51:53,599
is but um

1306
00:51:58,230 --> 00:51:54,720
i believe

1307
00:52:00,549 --> 00:51:58,240
that i mean i have glimpses of other

1308
00:52:02,069 --> 00:52:00,559
lifetimes i mean maybe it's an overlay

1309
00:52:04,549 --> 00:52:02,079
but

1310
00:52:06,710 --> 00:52:04,559
i think the whatever the energy is you

1311
00:52:09,190 --> 00:52:06,720
know energy is not created or destroyed

1312
00:52:14,069 --> 00:52:09,200
so whatever energy is in this

1313
00:52:15,750 --> 00:52:14,079

body has been in other bodies and um

1314

00:52:18,870 --> 00:52:15,760

i don't know why that's so hard to

1315

00:52:21,990 --> 00:52:18,880

believe i mean millions of people have

1316

00:52:23,670 --> 00:52:22,000

had glimpses of other lifetimes i mean

1317

00:52:25,349 --> 00:52:23,680

i've heard even spiritual teachers

1318

00:52:27,030 --> 00:52:25,359

saying well you know

1319

00:52:28,630 --> 00:52:27,040

you're just tuning into the collective

1320

00:52:32,470 --> 00:52:28,640

consciousness but

1321

00:52:34,230 --> 00:52:32,480

i don't know if you're if you if you

1322

00:52:35,750 --> 00:52:34,240

i use this analogy when i'm giving

1323

00:52:37,430 --> 00:52:35,760

lectures you know

1324

00:52:39,910 --> 00:52:37,440

if your cell phone

1325

00:52:42,069 --> 00:52:39,920

breaks it doesn't mean then you stop

1326

00:52:43,030 --> 00:52:42,079

getting the calls the signals you know

1327

00:52:45,750 --> 00:52:43,040

if

1328

00:52:48,549 --> 00:52:45,760

it's like we're receiving your brain and

1329

00:52:51,190 --> 00:52:48,559

your body is receiving the essence of

1330

00:52:53,589 --> 00:52:51,200

who you are from outside of you

1331

00:52:57,030 --> 00:52:53,599

right so you're we're always picking up

1332

00:52:58,309 --> 00:52:57,040

the signal of this soul frequency

1333

00:53:00,870 --> 00:52:58,319

and

1334

00:53:02,870 --> 00:53:00,880

other bodies as well channeling exists

1335

00:53:05,750 --> 00:53:02,880

it's like we've had other bodies that

1336

00:53:07,510 --> 00:53:05,760

picked up the same frequency or uh less

1337

00:53:10,309 --> 00:53:07,520

evolved i think every lifetime's in

1338

00:53:11,829 --> 00:53:10,319

evolution so i've remembered my

1339

00:53:13,910 --> 00:53:11,839

lifetimes or

1340

00:53:16,230 --> 00:53:13,920

maybe they were fantasy projections but

1341

00:53:18,630 --> 00:53:16,240

they seemed very real like you know my

1342

00:53:20,710 --> 00:53:18,640

last lifetime was not a picnic you know

1343

00:53:23,829 --> 00:53:20,720

in the concentration counts of germany

1344

00:53:25,190 --> 00:53:23,839

or austria or wherever that was poland

1345

00:53:28,630 --> 00:53:25,200

and

1346

00:53:30,870 --> 00:53:28,640

um i'm really still affected

1347

00:53:31,750 --> 00:53:30,880

i mean maybe everyone is because they're

1348

00:53:32,870 --> 00:53:31,760

so

1349

00:53:35,030 --> 00:53:32,880

awful

1350

00:53:39,190 --> 00:53:35,040

these pictures but every you know

1351

00:53:42,230 --> 00:53:39,200

pictures or films about that time

1352

00:53:45,270 --> 00:53:42,240

there's something that's just what makes

1353

00:53:48,150 --> 00:53:45,280

me cry actually and what is tears tears

1354

00:53:50,710 --> 00:53:48,160

are your souls speaking tears of joy

1355

00:53:53,750 --> 00:53:50,720

it has tears of sadness like it's like

1356

00:53:58,549 --> 00:53:53,760

that is the language of the soul so it's

1357

00:54:00,470 --> 00:53:58,559

like the soul is eternal and so

1358

00:54:02,470 --> 00:54:00,480

these earth bodies

1359

00:54:04,790 --> 00:54:02,480

can be eternal if you raise the

1360

00:54:07,750 --> 00:54:04,800

frequency and i think that's possible

1361

00:54:10,069 --> 00:54:07,760

but the essence of who you are

1362

00:54:11,990 --> 00:54:10,079

is not in your body so yeah there are

1363

00:54:13,349 --> 00:54:12,000

old souls who have had many many

1364

00:54:16,470 --> 00:54:13,359

lifetimes

1365

00:54:19,190 --> 00:54:16,480

i think we're all the same soul age but

1366

00:54:21,270 --> 00:54:19,200

it's how much experience have you had in

1367

00:54:23,190 --> 00:54:21,280

the incarnate form

1368

00:54:25,270 --> 00:54:23,200

allows the

1369

00:54:26,390 --> 00:54:25,280

soul to gain wisdom

1370

00:54:30,790 --> 00:54:26,400

and

1371

00:54:32,069 --> 00:54:30,800

before own the human experience which

1372

00:54:35,109 --> 00:54:32,079

means you

1373

00:54:36,470 --> 00:54:35,119

are at peace with all things on this

1374

00:54:38,390 --> 00:54:36,480

dimension

1375

00:54:40,150 --> 00:54:38,400

and then i think we graduate to the next

1376

00:54:42,390 --> 00:54:40,160

level but yeah

1377

00:54:45,589 --> 00:54:42,400

i mean and maybe we've lived on other

1378

00:54:48,390 --> 00:54:45,599

planets in other dimensions and i mean i

1379

00:54:49,270 --> 00:54:48,400

am at worlds that were just pure color

1380

00:54:56,150 --> 00:54:49,280

and

1381

00:54:58,309 --> 00:54:56,160

vague experiences but we're so

1382

00:54:59,190 --> 00:54:58,319

conditioned when we come into this world

1383

00:55:02,069 --> 00:54:59,200

to

1384

00:55:04,549 --> 00:55:02,079

forget all that and um

1385

00:55:05,670 --> 00:55:04,559

there's a book by ian stevenson talking

1386

00:55:07,910 --> 00:55:05,680

about

1387

00:55:10,630 --> 00:55:07,920

children remembering their past lives

1388

00:55:13,190 --> 00:55:10,640

and having scars on or

1389

00:55:15,349 --> 00:55:13,200

like marks on their bodies from

1390

00:55:17,510 --> 00:55:15,359

these other lives so

1391

00:55:20,549 --> 00:55:17,520

i believe that's my belief system is

1392

00:55:22,470 --> 00:55:20,559

that we are reincarnated and that's the

1393

00:55:25,349 --> 00:55:22,480

ongoing cycle

1394

00:55:26,710 --> 00:55:25,359

that helps the soul evolve from lifetime

1395

00:55:28,630 --> 00:55:26,720

to lifetime

1396

00:55:30,870 --> 00:55:28,640

one of my favorite books is called the

1397

00:55:32,069 --> 00:55:30,880

red lion have you read that book i have

1398

00:55:35,109 --> 00:55:32,079

not

1399

00:55:37,990 --> 00:55:35,119

maria zappos actually brian scott who

1400

00:55:39,829 --> 00:55:38,000

does a great service on youtube red read

1401
00:55:41,910 --> 00:55:39,839
the whole book but it's about someone

1402
00:55:43,910 --> 00:55:41,920
who remembers this lifetime epileptic

1403
00:55:46,390 --> 00:55:43,920
it's a fiction book but

1404
00:55:49,109 --> 00:55:46,400
it is so well written

1405
00:55:51,430 --> 00:55:49,119
and it's about how maybe in some

1406
00:55:52,230 --> 00:55:51,440
lifetimes we weren't such great people

1407
00:55:54,069 --> 00:55:52,240
but

1408
00:55:56,870 --> 00:55:54,079
because we're

1409
00:56:00,390 --> 00:55:56,880
here to learn and evolve

1410
00:56:01,589 --> 00:56:00,400
and build up our soul nature

1411
00:56:02,390 --> 00:56:01,599
then

1412
00:56:08,870 --> 00:56:02,400
we

1413
00:56:11,670 --> 00:56:08,880

about how to build

1414

00:56:13,430 --> 00:56:11,680

character and quality so

1415

00:56:14,390 --> 00:56:13,440

that's why we're here

1416

00:56:16,470 --> 00:56:14,400

to

1417

00:56:20,470 --> 00:56:16,480

learn evolve

1418

00:56:22,470 --> 00:56:20,480

and build up you know a strength of

1419

00:56:23,950 --> 00:56:22,480

awareness and

1420

00:56:27,430 --> 00:56:23,960

i would say

1421

00:56:29,829 --> 00:56:27,440

substantiability on the soul level

1422

00:56:32,470 --> 00:56:29,839

and meeting the unknown can do that

1423

00:56:35,589 --> 00:56:32,480

meeting these beings or

1424

00:56:37,270 --> 00:56:35,599

having new experiences or

1425

00:56:40,069 --> 00:56:37,280

you know people have all sorts of

1426

00:56:42,549 --> 00:56:40,079

experiences because that's

1427

00:56:44,390 --> 00:56:42,559

that's what they've chosen on some level

1428

00:56:45,990 --> 00:56:44,400

some people say oh yeah why did you

1429

00:56:47,030 --> 00:56:46,000

choose to be a starving child there and

1430

00:56:49,750 --> 00:56:47,040

it's like

1431

00:56:52,630 --> 00:56:49,760

well i don't know why i chose to be like

1432

00:56:55,589 --> 00:56:52,640

in the concentration camps of germany

1433

00:56:56,630 --> 00:56:55,599

last lifetime but it was definitely

1434

00:57:07,030 --> 00:56:56,640

an

1435

00:57:07,910 --> 00:57:07,040

you know

1436

00:57:11,430 --> 00:57:07,920

deep

1437

00:57:12,950 --> 00:57:11,440

essence lies within each of us so

1438

00:57:13,990 --> 00:57:12,960

i don't know if that's an excuse or

1439

00:57:16,710 --> 00:57:14,000

whatever but

1440

00:57:19,430 --> 00:57:16,720

getting back to your question yes we

1441

00:57:21,670 --> 00:57:19,440

have had other in my belief

1442

00:57:24,630 --> 00:57:21,680

worldview there are we've lived many

1443

00:57:28,309 --> 00:57:24,640

many cows it's like each lifetime's like

1444

00:57:30,549 --> 00:57:28,319

a breath you know so thousands of like

1445

00:57:32,069 --> 00:57:30,559

millions maybe from the beginning of

1446

00:57:34,950 --> 00:57:32,079

time

1447

00:57:41,510 --> 00:57:34,960

to this moment

1448

00:57:45,030 --> 00:57:43,589

i like that and you you touched on

1449

00:57:46,710 --> 00:57:45,040

something i really liked what you said

1450

00:57:49,030 --> 00:57:46,720

about the tears you touched on something

1451
00:57:50,470 --> 00:57:49,040
that happened to me today this morning

1452
00:57:52,309 --> 00:57:50,480
which um

1453
00:57:57,349 --> 00:57:52,319
was very interesting it was a beautiful

1454
00:58:00,230 --> 00:57:57,359
morning i was driving and i i just saw a

1455
00:58:02,470 --> 00:58:00,240
a child on a bicycle with a helmet on

1456
00:58:05,349 --> 00:58:02,480
going to school and you know all the

1457
00:58:08,950 --> 00:58:05,359
cars stopped for him to cross the street

1458
00:58:10,710 --> 00:58:08,960
and him waving an acknowledgement and

1459
00:58:13,510 --> 00:58:10,720
you know it kind of brought some tears

1460
00:58:16,549 --> 00:58:13,520
to my eyes just the beauty of life

1461
00:58:19,510 --> 00:58:16,559
and beautiful thank you

1462
00:58:21,670 --> 00:58:19,520
yeah and you know at the time i i you

1463
00:58:24,069 --> 00:58:21,680

know it got me emotional it brought some

1464

00:58:26,309 --> 00:58:24,079

tears to my eyes and i my first reaction

1465

00:58:27,910 --> 00:58:26,319

was like man what's wrong with you but

1466

00:58:30,789 --> 00:58:27,920

as you said maybe that's what's right

1467

00:58:32,150 --> 00:58:30,799

with me and i really absolutely that's

1468

00:58:33,670 --> 00:58:32,160

what's right with you

1469

00:58:35,589 --> 00:58:33,680

i have a friend who

1470

00:58:36,630 --> 00:58:35,599

who cries at everything and it's so

1471

00:58:39,589 --> 00:58:36,640

beautiful

1472

00:58:41,510 --> 00:58:39,599

things and

1473

00:58:44,390 --> 00:58:41,520

that's you on that little bike with that

1474

00:58:47,430 --> 00:58:44,400

helmet that's that's why it touches you

1475

00:58:48,950 --> 00:58:47,440

because that's you that's been you

1476

00:58:52,390 --> 00:58:48,960

that is you

1477

00:58:53,510 --> 00:58:52,400

and that's like the innocence of of us

1478

00:58:55,829 --> 00:58:53,520

you know

1479

00:58:57,990 --> 00:58:55,839

there's a great poem i that you reminds

1480

00:59:01,829 --> 00:58:58,000

me of by e cummings do you know e

1481

00:59:07,190 --> 00:59:03,510

he says

1482

00:59:09,589 --> 00:59:07,200

who are you this little eye

1483

00:59:12,069 --> 00:59:09,599

eight or nine years old staring at the

1484

00:59:13,829 --> 00:59:12,079

window at the gold of some november

1485

00:59:16,390 --> 00:59:13,839

sunset and thinking

1486

00:59:18,549 --> 00:59:16,400

if day has to become night this is a

1487

00:59:20,309 --> 00:59:18,559

beautiful way

1488

00:59:21,109 --> 00:59:20,319

oh that's nice

1489

00:59:25,430 --> 00:59:21,119

and

1490

00:59:27,789 --> 00:59:25,440

of art

1491

00:59:30,069 --> 00:59:27,799

i think that a lot of people are

1492

00:59:31,270 --> 00:59:30,079

broadcasting their gifts in different

1493

00:59:32,390 --> 00:59:31,280

ways

1494

00:59:34,710 --> 00:59:32,400

and

1495

00:59:36,630 --> 00:59:34,720

this is all you know

1496

00:59:38,630 --> 00:59:36,640

it's all part of it isn't it we need

1497

00:59:40,789 --> 00:59:38,640

each other we're all on the same team as

1498

00:59:43,430 --> 00:59:40,799

humans and that's why i hate to see a

1499

00:59:46,150 --> 00:59:43,440

lot of the infighting that takes place

1500

00:59:48,630 --> 00:59:46,160

um there's there's there's times where i

1501
00:59:50,789 --> 00:59:48,640
too i'm judgmental and i'm like ah that

1502
00:59:53,670 --> 00:59:50,799
sounds far-fetched or this sounds

1503
00:59:56,230 --> 00:59:53,680
completely out there and then i remember

1504
00:59:57,990 --> 00:59:56,240
that i also have some pretty far-fetched

1505
00:59:58,829 --> 00:59:58,000
and out-there ideas

1506
01:00:02,470 --> 00:59:58,839
and

1507
01:00:03,990 --> 01:00:02,480
um it is it's something unique that you

1508
01:00:05,910 --> 01:00:04,000
have you have a gift of talking to

1509
01:00:06,870 --> 01:00:05,920
people as if you've known them all your

1510
01:00:07,990 --> 01:00:06,880
life

1511
01:00:09,829 --> 01:00:08,000
and

1512
01:00:13,030 --> 01:00:09,839
i i appreciate that

1513
01:00:15,910 --> 01:00:13,040

i do have some questions as far as

1514

01:00:18,710 --> 01:00:15,920

these hot spots hot spots that you're

1515

01:00:20,789 --> 01:00:18,720

very familiar with hot spots like sedona

1516

01:00:23,109 --> 01:00:20,799

or the uinta basin of utah and there's

1517

01:00:30,710 --> 01:00:23,119

many others what is taking place in

1518

01:00:35,270 --> 01:00:33,109

oh did i lose you

1519

01:00:37,270 --> 01:00:35,280

i think i might have lost you

1520

01:00:38,710 --> 01:00:37,280

oh no i'm here i'm here here okay we

1521

01:00:41,670 --> 01:00:38,720

just repeat that question for a second

1522

01:00:43,750 --> 01:00:41,680

oh yeah sorry um my question is what is

1523

01:00:46,549 --> 01:00:43,760

taking place in

1524

01:00:49,510 --> 01:00:46,559

areas that are considered hot spots of

1525

01:00:50,549 --> 01:00:49,520

paranormal activity or the other realm

1526

01:00:56,069 --> 01:00:50,559

areas

1527

01:00:58,069 --> 01:00:56,079

like sedona or the uinta basin of utah

1528

01:01:00,230 --> 01:00:58,079

where the old bigelow ranch was there's

1529

01:01:01,910 --> 01:01:00,240

there seems to be areas

1530

01:01:03,270 --> 01:01:01,920

uh not only in the united states but

1531

01:01:04,950 --> 01:01:03,280

around the world

1532

01:01:07,750 --> 01:01:04,960

where more

1533

01:01:09,910 --> 01:01:07,760

seems to happen much like in sedona what

1534

01:01:12,069 --> 01:01:09,920

is taking place in these areas in your

1535

01:01:14,150 --> 01:01:12,079

opinion

1536

01:01:16,789 --> 01:01:14,160

well i think there are

1537

01:01:18,789 --> 01:01:16,799

time space for texas that connect us to

1538

01:01:20,150 --> 01:01:18,799

other realms like definitely

1539

01:01:23,030 --> 01:01:20,160

skinwalker

1540

01:01:26,710 --> 01:01:23,040

ranch like you mentioned

1541

01:01:28,789 --> 01:01:26,720

sedona there are places that you know

1542

01:01:31,910 --> 01:01:28,799

we think we understand what's really

1543

01:01:34,710 --> 01:01:31,920

going on here and um

1544

01:01:36,630 --> 01:01:34,720

we don't we don't understand that the

1545

01:01:39,270 --> 01:01:36,640

dimensional doorways that are here i

1546

01:01:43,670 --> 01:01:39,280

mean i think this is what the et's

1547

01:01:48,549 --> 01:01:43,680

use access these other realms to um

1548

01:01:50,150 --> 01:01:48,559

to go in and out of dimensions so um

1549

01:01:52,950 --> 01:01:50,160

i think

1550

01:01:55,829 --> 01:01:52,960

there's so much more is possible and as

1551
01:01:58,309 --> 01:01:55,839
science evolves they'll realize that

1552
01:01:59,510 --> 01:01:58,319
there are wormholes there are natural

1553
01:02:01,109 --> 01:01:59,520
wormholes

1554
01:02:04,390 --> 01:02:01,119
there are natural

1555
01:02:06,710 --> 01:02:04,400
doorways and i think

1556
01:02:08,470 --> 01:02:06,720
some of the great temples even the

1557
01:02:10,789 --> 01:02:08,480
churches of of

1558
01:02:13,829 --> 01:02:10,799
europe were built on top of these

1559
01:02:15,510 --> 01:02:13,839
powerpoint sites and they're

1560
01:02:18,309 --> 01:02:15,520
they're they can be positive they can be

1561
01:02:21,270 --> 01:02:18,319
negative but they're places that um

1562
01:02:23,510 --> 01:02:21,280
um accelerate the higher consciousness

1563
01:02:26,230 --> 01:02:23,520

they like if you're in one of these high

1564

01:02:29,349 --> 01:02:26,240

energy places sometimes

1565

01:02:31,990 --> 01:02:29,359

you get downloads of other

1566

01:02:33,910 --> 01:02:32,000

other levels of reality you get

1567

01:02:35,910 --> 01:02:33,920

downloads of higher consciousness you

1568

01:02:38,549 --> 01:02:35,920

get

1569

01:02:40,630 --> 01:02:38,559

things awaken in the human mind in an

1570

01:02:42,870 --> 01:02:40,640

easier fashion

1571

01:02:45,670 --> 01:02:42,880

because you're in a place of less

1572

01:02:47,109 --> 01:02:45,680

density higher vibrations let's call it

1573

01:02:50,390 --> 01:02:47,119

that

1574

01:02:53,990 --> 01:02:50,400

you know some cities are very dense some

1575

01:02:56,230 --> 01:02:54,000

even places on the planet are dense um

1576

01:02:58,390 --> 01:02:56,240

because of the energetic formations we

1577

01:02:59,270 --> 01:02:58,400

have to understand energy in a whole new

1578

01:03:01,670 --> 01:02:59,280

way

1579

01:03:02,870 --> 01:03:01,680

as part of the landscape of our reality

1580

01:03:03,910 --> 01:03:02,880

so

1581

01:03:05,029 --> 01:03:03,920

that's

1582

01:03:06,150 --> 01:03:05,039

key

1583

01:03:09,029 --> 01:03:06,160

to

1584

01:03:10,390 --> 01:03:09,039

who we are what what we're all about so

1585

01:03:11,829 --> 01:03:10,400

um

1586

01:03:13,670 --> 01:03:11,839

it makes sense

1587

01:03:14,630 --> 01:03:13,680

i love it

1588

01:03:19,750 --> 01:03:14,640

yeah

1589

01:03:24,309 --> 01:03:19,760

and sedona is a place i love it is um

1590

01:03:25,349 --> 01:03:24,319

sedona is a place that seems to awaken

1591

01:03:28,710 --> 01:03:25,359

people

1592

01:03:31,349 --> 01:03:28,720

to these vortexes of consciousness the

1593

01:03:34,630 --> 01:03:31,359

vortexes of reality so

1594

01:03:36,630 --> 01:03:34,640

yes it's really really uh fantastic to

1595

01:03:39,349 --> 01:03:36,640

be in those kinds of places because you

1596

01:03:42,069 --> 01:03:39,359

feel uplifted you feel in intensity and

1597

01:03:43,430 --> 01:03:42,079

you feel a transformation so yes

1598

01:03:45,829 --> 01:03:43,440

yeah and

1599

01:03:48,549 --> 01:03:45,839

something else i appreciate that you say

1600

01:03:51,430 --> 01:03:48,559

which bigelow has said as well

1601

01:03:53,750 --> 01:03:51,440

that they're already here that that

1602

01:03:55,589 --> 01:03:53,760

really makes uh you mention that in the

1603

01:03:56,309 --> 01:03:55,599

book that really makes an impression on

1604

01:03:58,309 --> 01:03:56,319

me

1605

01:04:01,109 --> 01:03:58,319

they're already here we don't have to

1606

01:04:02,710 --> 01:04:01,119

look for them and and um i think that's

1607

01:04:05,190 --> 01:04:02,720

really cool

1608

01:04:08,150 --> 01:04:05,200

before we as we wrap things up let's

1609

01:04:10,829 --> 01:04:08,160

tell listeners again where they can find

1610

01:04:13,670 --> 01:04:10,839

you and what you have coming up

1611

01:04:16,789 --> 01:04:13,680

tomorrow right thanks ryan thanks for

1612

01:04:18,470 --> 01:04:16,799

all your great questions and your um

1613

01:04:19,510 --> 01:04:18,480

your real

1614

01:04:21,349 --> 01:04:19,520

um

1615

01:04:22,950 --> 01:04:21,359

genuine like

1616

01:04:25,670 --> 01:04:22,960

interest in

1617

01:04:28,390 --> 01:04:25,680

and discovering you know

1618

01:04:31,029 --> 01:04:28,400

more parts of the unknown

1619

01:04:33,190 --> 01:04:31,039

that's and that's what i've

1620

01:04:34,470 --> 01:04:33,200

devoted myself to and i appreciate

1621

01:04:35,349 --> 01:04:34,480

meeting people

1622

01:04:36,150 --> 01:04:35,359

um

1623

01:04:41,190 --> 01:04:36,160

that

1624

01:04:42,710 --> 01:04:41,200

people just have their head down towards

1625

01:04:44,230 --> 01:04:42,720

their cell phone and they're not

1626

01:04:47,029 --> 01:04:44,240

interested in

1627

01:04:49,510 --> 01:04:47,039

in what's the bigger picture so

1628

01:04:51,829 --> 01:04:49,520

i'm exploring this in in my book the

1629

01:04:53,990 --> 01:04:51,839

making making contact the new realities

1630

01:04:57,270 --> 01:04:54,000

of extraterrestrial existence you can

1631

01:04:58,870 --> 01:04:57,280

find that on amazon or any barnes noble

1632

01:05:00,230 --> 01:04:58,880

it's pretty much all over the world it's

1633

01:05:04,069 --> 01:05:00,240

been selling well

1634

01:05:05,990 --> 01:05:04,079

and i made a series uh an online series

1635

01:05:07,829 --> 01:05:06,000

based on the book and based on lots of

1636

01:05:10,390 --> 01:05:07,839

the people in the book like linda

1637

01:05:12,630 --> 01:05:10,400

muldenhell whitley strieber nick pope

1638

01:05:15,829 --> 01:05:12,640

grant cameron some of the real

1639

01:05:18,470 --> 01:05:15,839

experts in the field i respect and

1640

01:05:19,870 --> 01:05:18,480

this series is starting tomorrow june

1641

01:05:24,150 --> 01:05:19,880

2nd

1642

01:05:26,789 --> 01:05:24,160

2022 you go to makingcontactseries.com

1643

01:05:31,029 --> 01:05:26,799

and register sign up and it'll be

1644

01:05:32,150 --> 01:05:31,039

the next four weeks four thursdays in in

1645

01:05:35,029 --> 01:05:32,160

june

1646

01:05:38,950 --> 01:05:35,039

uh with danny sheehan and steve bassett

1647

01:05:41,670 --> 01:05:38,960

and robert salas tomorrow and then

1648

01:05:43,750 --> 01:05:41,680

next week i have carolyn corey who's

1649

01:05:45,670 --> 01:05:43,760

talking about her film tear in the sky

1650

01:05:48,230 --> 01:05:45,680

the following week june 16th it's going

1651
01:05:50,870 --> 01:05:48,240
to martin howe with luis strieber

1652
01:05:53,430 --> 01:05:50,880
kamara jones is another ep artist and

1653
01:05:55,430 --> 01:05:53,440
then the following the final week is

1654
01:05:58,069 --> 01:05:55,440
june 23rd which we

1655
01:06:00,390 --> 01:05:58,079
investigate people who are claiming to

1656
01:06:01,829 --> 01:06:00,400
come here from the world starseed so

1657
01:06:03,270 --> 01:06:01,839
they're called so

1658
01:06:06,230 --> 01:06:03,280
that's

1659
01:06:07,670 --> 01:06:06,240
the kind of overview of the series and

1660
01:06:09,829 --> 01:06:07,680
making context so that's where i'm

1661
01:06:11,910 --> 01:06:09,839
really trying to get this word out here

1662
01:06:14,069 --> 01:06:11,920
and i appreciate this interview

1663
01:06:17,430 --> 01:06:14,079

to turn people on to the fact that we're

1664

01:06:20,549 --> 01:06:17,440

not alone and that this amazing

1665

01:06:21,750 --> 01:06:20,559

unfoldment of a new reality is at our

1666

01:06:23,910 --> 01:06:21,760

doorstep

1667

01:06:26,230 --> 01:06:23,920

we're at the threshold of a new

1668

01:06:28,549 --> 01:06:26,240

civilization a new

1669

01:06:30,390 --> 01:06:28,559

a new realm of being for humanity when

1670

01:06:33,829 --> 01:06:30,400

we wake up to the fact that there are

1671

01:06:36,829 --> 01:06:33,839

others here i think it changes us

1672

01:06:39,829 --> 01:06:36,839

biologically technologically

1673

01:06:41,750 --> 01:06:39,839

sociologically you know on all realms of

1674

01:06:44,069 --> 01:06:41,760

our awareness

1675

01:06:46,309 --> 01:06:44,079

we start to unfold into

1676

01:06:47,750 --> 01:06:46,319

a greater possibility and that's what

1677

01:06:48,950 --> 01:06:47,760

i'm looking forward to there's nothing

1678

01:06:50,950 --> 01:06:48,960

to fear

1679

01:06:52,470 --> 01:06:50,960

about the unknown it's something to

1680

01:06:56,230 --> 01:06:52,480

welcome because

1681

01:06:58,309 --> 01:06:56,240

it is our evolution as human beings so

1682

01:07:00,390 --> 01:06:58,319

thank you for the opportunity to share

1683

01:07:01,750 --> 01:07:00,400

all that i appreciate it

1684

01:07:02,789 --> 01:07:01,760

well there you have it ladies and

1685

01:07:06,150 --> 01:07:02,799

gentlemen

1686

01:07:08,549 --> 01:07:06,160

the the man behind making contact the

1687

01:07:11,750 --> 01:07:08,559

epic book preparing for the new

1688

01:07:12,829 --> 01:07:11,760

realities of extraterrestrial existence

1689

01:07:15,190 --> 01:07:12,839

alan

1690

01:07:17,990 --> 01:07:15,200

steinfeld definitely go to

1691

01:07:19,670 --> 01:07:18,000

makingcontactseries.com

1692

01:07:21,990 --> 01:07:19,680

if you are interested in seeing the

1693

01:07:24,710 --> 01:07:22,000

amazing work he's doing tomorrow

1694

01:07:26,870 --> 01:07:24,720

and definitely check out his new

1695

01:07:30,630 --> 01:07:26,880

realities series

1696

01:07:32,390 --> 01:07:30,640

and pick up his book making contact by

1697

01:07:35,270 --> 01:07:32,400

alan steinfeld

1698

01:07:37,430 --> 01:07:35,280

what a guy what a conversation i knew it

1699

01:07:39,910 --> 01:07:37,440

wouldn't disappoint one of the brightest

1700

01:07:43,109 --> 01:07:39,920

minds in my opinion

1701

01:07:44,630 --> 01:07:43,119

on the forefront of the ufo uap

1702

01:07:46,630 --> 01:07:44,640

phenomenon

1703

01:07:49,029 --> 01:07:46,640

until next time keep your eyes to the

1704

01:07:57,450 --> 01:07:49,039

skies feet on the ground but don't

1705

01:08:07,190 --> 01:07:58,240

[Applause]

1706

01:08:23,349 --> 01:08:07,200

[Music]
