

# DOC SKINNER

Tech, tracking, occult elite hollywood,  
and remote viewing

1  
00:00:03,360 --> 00:00:10,810  
hey

2  
00:00:38,790 --> 00:00:30,570  
[Music]

3  
00:00:43,110 --> 00:00:40,549  
blast off

4  
00:00:44,389 --> 00:00:43,120  
on another episode of hero paranormal

5  
00:00:46,709 --> 00:00:44,399  
podcast

6  
00:00:50,389 --> 00:00:46,719  
broadcasting from the base at la madre

7  
00:00:51,830 --> 00:00:50,399  
mountain just south of area 51

8  
00:00:54,630 --> 00:00:51,840  
my name is ryan

9  
00:00:58,389 --> 00:00:54,640  
the original overseer of the airwaves

10  
00:01:00,950 --> 00:00:58,399  
bringing you an epic episode today i

11  
00:01:03,189 --> 00:01:00,960  
feel like a winner winner chicken dinner

12  
00:01:04,710 --> 00:01:03,199  
because today we have none other than

13  
00:01:07,910 --> 00:01:04,720

doc skinner

14

00:01:10,469 --> 00:01:07,920

you may know him from a variety

15

00:01:13,429 --> 00:01:10,479

of accolades and attributes he has an

16

00:01:14,469 --> 00:01:13,439

amazing podcast knows everybody in the

17

00:01:16,710 --> 00:01:14,479

game

18

00:01:19,270 --> 00:01:16,720

he's uh quite the gentleman

19

00:01:20,469 --> 00:01:19,280

we had an amazing conversation the other

20

00:01:21,429 --> 00:01:20,479

day

21

00:01:23,510 --> 00:01:21,439

and

22

00:01:25,270 --> 00:01:23,520

i really look forward to talking with

23

00:01:27,590 --> 00:01:25,280

him today

24

00:01:29,510 --> 00:01:27,600

if you've never heard of doc skinner or

25

00:01:32,710 --> 00:01:29,520

the doc force

26

00:01:35,670 --> 00:01:32,720

he is a panelist and researcher a writer

27

00:01:38,230 --> 00:01:35,680

and producer he's a film resource kit

28

00:01:40,710 --> 00:01:38,240

coordinator at arizona film office

29

00:01:43,190 --> 00:01:40,720

co-owner at legion m

30

00:01:45,990 --> 00:01:43,200

he's also an actor a former civilian

31

00:01:48,710 --> 00:01:46,000

instructor at cyber patriot

32

00:01:50,069 --> 00:01:48,720

and um he went to marine military

33

00:01:53,749 --> 00:01:50,079

academy

34

00:01:55,109 --> 00:01:53,759

he is also a studied film and video

35

00:01:58,709 --> 00:01:55,119

expert

36

00:02:01,190 --> 00:01:58,719

you can find him in many places check

37

00:02:03,590 --> 00:02:01,200

out 1028 productions

38

00:02:06,950 --> 00:02:03,600

he is everywhere

39

00:02:07,749 --> 00:02:06,960

on all forms of social media and like i

40

00:02:09,749 --> 00:02:07,759

said

41

00:02:12,150 --> 00:02:09,759

he's just a creator

42

00:02:14,869 --> 00:02:12,160

and one of the coolest guys out there to

43

00:02:16,949 --> 00:02:14,879

talk to we had an epic conversation the

44

00:02:19,350 --> 00:02:16,959

other day and if we scratch the surface

45

00:02:22,710 --> 00:02:19,360

of what he we talked about the other day

46

00:02:25,190 --> 00:02:22,720

this podcast is not going to disappoint

47

00:02:27,190 --> 00:02:25,200

mr doc skinner welcome to the hero

48

00:02:29,990 --> 00:02:27,200

paranormal podcast

49

00:02:31,830 --> 00:02:30,000

how are you doing great my man

50

00:02:34,390 --> 00:02:31,840

man i'm better now that i'm talking to

51  
00:02:37,110 --> 00:02:34,400  
you uh we had such a good conversation

52  
00:02:40,309 --> 00:02:37,120  
the other day and it was just in passing

53  
00:02:43,750 --> 00:02:40,319  
uh you're in so many places man like

54  
00:02:45,830 --> 00:02:43,760  
everywhere i look i see you and uh it's

55  
00:02:47,430 --> 00:02:45,840  
so cool you're just getting the message

56  
00:02:50,390 --> 00:02:47,440  
of truth out

57  
00:02:52,790 --> 00:02:50,400  
um it seems like on every platform you

58  
00:02:54,790 --> 00:02:52,800  
can broadcast on and i think it's super

59  
00:02:56,630 --> 00:02:54,800  
commendable i don't know how to kick

60  
00:02:59,190 --> 00:02:56,640  
this off there's so much going on with

61  
00:03:01,830 --> 00:02:59,200  
ufo disclosure there's

62  
00:03:03,589 --> 00:03:01,840  
a lot going on with a recent podcast of

63  
00:03:05,830 --> 00:03:03,599

yours that i've heard you had a great

64

00:03:07,830 --> 00:03:05,840

podcast with tony rodriguez going into

65

00:03:09,589 --> 00:03:07,840

the secret space program great podcast

66

00:03:12,229 --> 00:03:09,599

with the paula astoria

67

00:03:14,070 --> 00:03:12,239

there's so many i'll let you uh go ahead

68

00:03:16,630 --> 00:03:14,080

and take the ball and we can we can kick

69

00:03:19,270 --> 00:03:16,640

off wherever you'd like

70

00:03:20,550 --> 00:03:19,280

oh well um

71

00:03:22,790 --> 00:03:20,560

i uh

72

00:03:25,430 --> 00:03:22,800

shoot so much

73

00:03:26,710 --> 00:03:25,440

there's a there's a lot to talk about

74

00:03:28,309 --> 00:03:26,720

i

75

00:03:30,470 --> 00:03:28,319

started my show

76

00:03:34,229 --> 00:03:30,480

by accident um

77

00:03:35,990 --> 00:03:34,239

it was election night 2016.

78

00:03:39,990 --> 00:03:36,000

and

79

00:03:42,149 --> 00:03:40,000

worked with me a radio station that i

80

00:03:44,869 --> 00:03:42,159

had worked at previously said grab your

81

00:03:47,509 --> 00:03:44,879

camera and meet me at this address now

82

00:03:48,789 --> 00:03:47,519

so i get there it's at this this corner

83

00:03:51,430 --> 00:03:48,799

intersection

84

00:03:54,070 --> 00:03:51,440

on the main boulevard here in town

85

00:03:56,630 --> 00:03:54,080

and all the lights were off there was no

86

00:03:57,750 --> 00:03:56,640

cars nothing and there was a police

87

00:04:01,030 --> 00:03:57,760

standoff

88

00:04:02,070 --> 00:04:01,040

with a gentleman that had um earlier in

89

00:04:03,670 --> 00:04:02,080

the day

90

00:04:05,190 --> 00:04:03,680

killed one of the police officers so

91

00:04:07,509 --> 00:04:05,200

there was a manhunt they found him in

92

00:04:08,390 --> 00:04:07,519

this cabin and he had a

93

00:04:10,869 --> 00:04:08,400

young

94

00:04:12,149 --> 00:04:10,879

teenage girl as a hostage

95

00:04:20,870 --> 00:04:12,159

and

96

00:04:22,230 --> 00:04:20,880

point he was sitting in the police car

97

00:04:23,270 --> 00:04:22,240

with with the police officer in the

98

00:04:24,870 --> 00:04:23,280

police car

99

00:04:26,950 --> 00:04:24,880

warming up and charging his phone so it

100

00:04:29,510 --> 00:04:26,960

was really cold that night

101  
00:04:31,749 --> 00:04:29,520  
and uh something happened and the third

102  
00:04:33,749 --> 00:04:31,759  
person said get in front of the camera

103  
00:04:35,030 --> 00:04:33,759  
so i get from the camera

104  
00:04:38,550 --> 00:04:35,040  
and

105  
00:04:41,749 --> 00:04:38,560  
i say uh hello this is doc skinner

106  
00:04:44,150 --> 00:04:41,759  
and for some reason i said and uh on 10

107  
00:04:45,189 --> 00:04:44,160  
28 live 10 28 october 20th it's my

108  
00:04:46,790 --> 00:04:45,199  
birthday

109  
00:04:48,150 --> 00:04:46,800  
and it was a live event and i just put

110  
00:04:50,550 --> 00:04:48,160  
those two together

111  
00:04:52,150 --> 00:04:50,560  
and it was improv on the spot

112  
00:04:54,629 --> 00:04:52,160  
next thing you know i'm doing my very

113  
00:04:56,710 --> 00:04:54,639

first news report ever live

114

00:04:58,790 --> 00:04:56,720

and it is being

115

00:05:00,230 --> 00:04:58,800

broadcast in multiple countries on the

116

00:05:01,510 --> 00:05:00,240

news stations because it was either the

117

00:05:02,390 --> 00:05:01,520

trump election

118

00:05:05,510 --> 00:05:02,400

or

119

00:05:07,029 --> 00:05:05,520

shootout

120

00:05:09,189 --> 00:05:07,039

and uh

121

00:05:10,550 --> 00:05:09,199

the next few days

122

00:05:11,990 --> 00:05:10,560

everybody wanted to know if i was going

123

00:05:14,550 --> 00:05:12,000

to start a news station up here because

124

00:05:16,070 --> 00:05:14,560

we don't have one and

125

00:05:18,390 --> 00:05:16,080

of course i didn't have the money for

126  
00:05:21,029 --> 00:05:18,400  
started doing youtube and

127  
00:05:22,870 --> 00:05:21,039  
started doing shows doing podcasts back

128  
00:05:23,749 --> 00:05:22,880  
in 2016

129  
00:05:27,590 --> 00:05:23,759  
and

130  
00:05:30,070 --> 00:05:27,600  
started with uh people in the

131  
00:05:31,670 --> 00:05:30,080  
entertainment industry local events you

132  
00:05:34,070 --> 00:05:31,680  
know and

133  
00:05:35,189 --> 00:05:34,080  
then i got a couple celebrity friends to

134  
00:05:36,870 --> 00:05:35,199  
come on

135  
00:05:39,830 --> 00:05:36,880  
got a little bigger

136  
00:05:40,790 --> 00:05:39,840  
then um a dear friend of mine

137  
00:05:43,670 --> 00:05:40,800  
up here

138  
00:05:45,830 --> 00:05:43,680

his name is luke luke walton his father

139

00:05:48,790 --> 00:05:45,840

is travis walton the famous man that was

140

00:05:51,510 --> 00:05:48,800

abducted uh back in the 70s

141

00:05:53,189 --> 00:05:51,520

and the movie fire in the sky is batman

142

00:05:54,629 --> 00:05:53,199

and uh

143

00:05:56,390 --> 00:05:54,639

luke and i were sitting around thinking

144

00:05:57,510 --> 00:05:56,400

you know we need to make a couple bucks

145

00:05:58,629 --> 00:05:57,520

what could we do we thought we'll see

146

00:06:00,390 --> 00:05:58,639

we'll put a

147

00:06:01,590 --> 00:06:00,400

a little lecture together and have his

148

00:06:02,790 --> 00:06:01,600

dad speak

149

00:06:04,309 --> 00:06:02,800

and

150

00:06:07,110 --> 00:06:04,319

then uh

151  
00:06:08,790 --> 00:06:07,120  
i got a phone call from brooks agnew who

152  
00:06:10,469 --> 00:06:08,800  
heard about it he's like

153  
00:06:11,830 --> 00:06:10,479  
is there a slot available that i could

154  
00:06:14,550 --> 00:06:11,840  
come speak

155  
00:06:16,950 --> 00:06:14,560  
and i'm like well yeah absolutely i mean

156  
00:06:18,870 --> 00:06:16,960  
brooks agnes is calling me why not

157  
00:06:21,270 --> 00:06:18,880  
next thing you know i got mike bara from

158  
00:06:24,150 --> 00:06:21,280  
ancient aliens calling me out of the

159  
00:06:27,029 --> 00:06:24,160  
blue and he's like i he said he heard

160  
00:06:29,270 --> 00:06:27,039  
about my event disclosure con

161  
00:06:32,150 --> 00:06:29,280  
from a friend in malaysia that saw it

162  
00:06:35,350 --> 00:06:32,160  
online so he wanted in on it next thing

163  
00:06:38,469 --> 00:06:35,360

you know i've got uh

164

00:06:41,270 --> 00:06:38,479

uh shoot apollo hysteria

165

00:06:44,070 --> 00:06:41,280

uh god the list goes on and on i had you

166

00:06:50,629 --> 00:06:46,469

i had people from mufon i had dylan

167

00:06:52,710 --> 00:06:50,639

monroe who created the the famous q map

168

00:06:54,870 --> 00:06:52,720

and he came and spoke at my event it was

169

00:06:56,390 --> 00:06:54,880

the first time he ever spoke to a group

170

00:06:58,710 --> 00:06:56,400

of people before

171

00:07:01,589 --> 00:06:58,720

and after that event he just took off we

172

00:07:02,629 --> 00:07:01,599

also found out that the man that

173

00:07:05,029 --> 00:07:02,639

uh

174

00:07:06,870 --> 00:07:05,039

everybody says is jfk junior in disguise

175

00:07:09,189 --> 00:07:06,880

he shows up at all the trump college he

176

00:07:10,790 --> 00:07:09,199

arrived at my event and i didn't meet

177

00:07:13,029 --> 00:07:10,800

him or anything i was just told that he

178

00:07:14,790 --> 00:07:13,039

was there and in the second year we had

179

00:07:17,909 --> 00:07:14,800

the guy with the horns and the face

180

00:07:20,309 --> 00:07:17,919

paint that raided the capitol on january

181

00:07:21,990 --> 00:07:20,319

6. he was at my event in that costume

182

00:07:22,950 --> 00:07:22,000

with the horns and everything

183

00:07:25,029 --> 00:07:22,960

and i thought he was there for the

184

00:07:26,950 --> 00:07:25,039

costume contest well all this stuff

185

00:07:29,589 --> 00:07:26,960

started happening and and all these

186

00:07:31,350 --> 00:07:29,599

people started calling me i mean instead

187

00:07:33,350 --> 00:07:31,360

of me searching them out they're wanting

188

00:07:34,950 --> 00:07:33,360

to come to my event

189

00:07:37,749 --> 00:07:34,960

and next thing you know

190

00:07:41,110 --> 00:07:37,759

um i have these amazing speakers

191

00:07:42,710 --> 00:07:41,120

and we all click really well

192

00:07:44,469 --> 00:07:42,720

while they're here for that weekend and

193

00:07:45,909 --> 00:07:44,479

then they came back the second and the

194

00:07:48,790 --> 00:07:45,919

third year

195

00:07:49,749 --> 00:07:48,800

um and have become dear friends

196

00:07:53,670 --> 00:07:49,759

and

197

00:07:55,830 --> 00:07:53,680

it it just has put me in this this

198

00:07:56,869 --> 00:07:55,840

circle of friends you might say that a

199

00:07:59,110 --> 00:07:56,879

lot of people

200

00:07:59,990 --> 00:07:59,120

know and

201  
00:08:01,990 --> 00:08:00,000  
we're

202  
00:08:04,070 --> 00:08:02,000  
really trying to get the truth out there

203  
00:08:06,550 --> 00:08:04,080  
any way we can with blake and brent

204  
00:08:09,189 --> 00:08:06,560  
cousins over third phase of moon or rich

205  
00:08:11,430 --> 00:08:09,199  
jordan over at goof on

206  
00:08:13,510 --> 00:08:11,440  
a polished area brooks agnew with his

207  
00:08:14,629 --> 00:08:13,520  
show freedom radio

208  
00:08:16,629 --> 00:08:14,639  
um

209  
00:08:19,350 --> 00:08:16,639  
ben chasmin and rob

210  
00:08:20,869 --> 00:08:19,360  
counts from edge of wonder uh

211  
00:08:24,070 --> 00:08:20,879  
you know they've got their their events

212  
00:08:25,189 --> 00:08:24,080  
going on um you know blake and cousins

213  
00:08:27,830 --> 00:08:25,199

are putting out they're putting out

214

00:08:29,830 --> 00:08:27,840

feature documentary films that are for

215

00:08:32,709 --> 00:08:29,840

for two three months straight number two

216

00:08:34,949 --> 00:08:32,719

on amazon prime and documentaries as

217

00:08:38,790 --> 00:08:34,959

well as you know itunes and others it

218

00:08:40,949 --> 00:08:38,800

has just been this huge whirlwind that i

219

00:08:43,269 --> 00:08:40,959

got swept up into

220

00:08:46,230 --> 00:08:43,279

by accident you know

221

00:08:48,949 --> 00:08:46,240

and it has been a wild ride

222

00:08:52,389 --> 00:08:48,959

i've made some amazing friends

223

00:08:54,790 --> 00:08:52,399

that are just amazing people and um

224

00:08:57,670 --> 00:08:54,800

it it just

225

00:08:59,190 --> 00:08:57,680

yeah this this

226

00:09:01,030 --> 00:08:59,200

it's so big i don't know where to go

227

00:09:03,110 --> 00:09:01,040

next so ask me some questions that might

228

00:09:05,190 --> 00:09:03,120

make yeah man i've noticed you know

229

00:09:07,750 --> 00:09:05,200

that's kind of what blew me away we know

230

00:09:10,710 --> 00:09:07,760

a lot of the same people um

231

00:09:11,590 --> 00:09:10,720

brad olson and there's just a ton

232

00:09:14,550 --> 00:09:11,600

and

233

00:09:16,630 --> 00:09:14,560

it's like once once

234

00:09:18,230 --> 00:09:16,640

you realize how small the world really

235

00:09:19,430 --> 00:09:18,240

is when you start realizing all the

236

00:09:21,910 --> 00:09:19,440

connections

237

00:09:23,670 --> 00:09:21,920

that you have with similar similarly

238

00:09:25,990 --> 00:09:23,680

minded people

239

00:09:28,949 --> 00:09:26,000

and right now it's just such a weird

240

00:09:30,870 --> 00:09:28,959

time with ufo disclosure

241

00:09:34,070 --> 00:09:30,880

you know uh being

242

00:09:37,030 --> 00:09:34,080

kind of driven by ex-government types

243

00:09:39,670 --> 00:09:37,040

and we have like super strange stuff

244

00:09:41,269 --> 00:09:39,680

being declassified by the cia that's

245

00:09:45,590 --> 00:09:41,279

mostly redacted nobody knows what's

246

00:09:47,910 --> 00:09:45,600

going on um just recently i guess after

247

00:09:48,870 --> 00:09:47,920

more than a year of silence

248

00:09:54,470 --> 00:09:48,880

uh

249

00:09:55,910 --> 00:09:54,480

only known as q posted for the first

250

00:09:58,790 --> 00:09:55,920

time ever

251  
00:10:01,110 --> 00:09:58,800  
uh since since about a year of silence

252  
00:10:04,389 --> 00:10:01,120  
and i think the post was shall we play

253  
00:10:06,150 --> 00:10:04,399  
the game again there's so many odd

254  
00:10:07,269 --> 00:10:06,160  
things taking place

255  
00:10:09,910 --> 00:10:07,279  
um

256  
00:10:12,470 --> 00:10:09,920  
and and like the rise of

257  
00:10:14,150 --> 00:10:12,480  
the ton of people who

258  
00:10:15,750 --> 00:10:14,160  
are getting into the secret space

259  
00:10:17,269 --> 00:10:15,760  
program i first

260  
00:10:19,269 --> 00:10:17,279  
had my first

261  
00:10:20,630 --> 00:10:19,279  
toe dipped into the pool of the secret

262  
00:10:23,670 --> 00:10:20,640  
space program

263  
00:10:25,990 --> 00:10:23,680

and i was i was kind of ignorant to it

264

00:10:28,550 --> 00:10:26,000

and it was a gentleman from australia

265

00:10:31,590 --> 00:10:28,560

named aaron crawford and he was telling

266

00:10:34,069 --> 00:10:31,600

these tall tales of these central banks

267

00:10:36,310 --> 00:10:34,079

and elite pedophile rings

268

00:10:39,190 --> 00:10:36,320

and told me what they were doing along

269

00:10:40,230 --> 00:10:39,200

with some awesome secret space program

270

00:10:41,509 --> 00:10:40,240

stories

271

00:10:43,350 --> 00:10:41,519

well

272

00:10:44,870 --> 00:10:43,360

i took it with a grain of salt and i

273

00:10:47,990 --> 00:10:44,880

would say eight to nine months

274

00:10:50,790 --> 00:10:48,000

afterwards the exact banks he was taught

275

00:10:53,110 --> 00:10:50,800

he was discussing on my podcast

276

00:10:55,750 --> 00:10:53,120

were busted for all of the things that

277

00:11:00,150 --> 00:10:55,760

he said they were doing and i realized

278

00:11:02,069 --> 00:11:00,160

wait a minute like hold the phone

279

00:11:03,509 --> 00:11:02,079

so there is something to like all of

280

00:11:05,829 --> 00:11:03,519

these

281

00:11:08,550 --> 00:11:05,839

you know speculative things that most

282

00:11:09,750 --> 00:11:08,560

people and we kind of discussed this the

283

00:11:11,750 --> 00:11:09,760

other day like

284

00:11:14,069 --> 00:11:11,760

most people hear a secret space program

285

00:11:15,110 --> 00:11:14,079

or hear anything about elite pedophile

286

00:11:17,710 --> 00:11:15,120

rings or

287

00:11:19,269 --> 00:11:17,720

anything that could even be remotely

288

00:11:20,870 --> 00:11:19,279

conspiratorial

289

00:11:23,030 --> 00:11:20,880

and they just turn the other cheek and

290

00:11:24,949 --> 00:11:23,040

walk away and

291

00:11:27,190 --> 00:11:24,959

they they don't want to hear any of it

292

00:11:29,750 --> 00:11:27,200

how how do we break down those barriers

293

00:11:31,910 --> 00:11:29,760

because there is some truth that's being

294

00:11:34,949 --> 00:11:31,920

broadcasted

295

00:11:36,710 --> 00:11:34,959

well actually there is a lot of truth

296

00:11:39,509 --> 00:11:36,720

that's being broadcasted and even even

297

00:11:42,550 --> 00:11:39,519

news broadcasters have been uh have said

298

00:11:44,949 --> 00:11:42,560

live on tv that after doing reports on

299

00:11:47,110 --> 00:11:44,959

these things they make little snark

300

00:11:50,069 --> 00:11:47,120

comments with a giggle to to kind of be

301

00:11:51,590 --> 00:11:50,079

dismissive of it that um

302

00:11:53,269 --> 00:11:51,600

you know tapping the papers at the end

303

00:11:59,829 --> 00:11:53,279

saying well looks like some of those

304

00:12:03,269 --> 00:12:01,829

that's how they're they're real you know

305

00:12:06,870 --> 00:12:03,279

they know

306

00:12:09,509 --> 00:12:06,880

we've been right all this time on so

307

00:12:10,870 --> 00:12:09,519

many categories and topics

308

00:12:13,269 --> 00:12:10,880

and

309

00:12:16,790 --> 00:12:13,279

they can't be dismissive of it anymore

310

00:12:17,590 --> 00:12:16,800

it's it's just the truth is coming out

311

00:12:20,069 --> 00:12:17,600

and

312

00:12:22,150 --> 00:12:20,079

people are realizing that

313

00:12:25,269 --> 00:12:22,160

mainstream media is

314

00:12:27,509 --> 00:12:25,279

is an own farce um and it has been for

315

00:12:28,710 --> 00:12:27,519

several years and it's very unfortunate

316

00:12:30,629 --> 00:12:28,720

because the news was supposed to be

317

00:12:34,389 --> 00:12:30,639

something that we could rely on that the

318

00:12:37,030 --> 00:12:34,399

people we could see on tv we fully trust

319

00:12:38,389 --> 00:12:37,040

that they would always be honest with us

320

00:12:39,590 --> 00:12:38,399

and now

321

00:12:41,590 --> 00:12:39,600

it hasn't

322

00:12:44,069 --> 00:12:41,600

it's it's all about money and contracts

323

00:12:45,829 --> 00:12:44,079

and image and the optics of everything

324

00:12:48,710 --> 00:12:45,839

and um

325

00:12:50,310 --> 00:12:48,720

it's very sad it's very sad that

326  
00:12:51,430 --> 00:12:50,320  
the reporting

327  
00:12:54,870 --> 00:12:51,440  
industry

328  
00:12:57,750 --> 00:12:54,880  
has lost its integrity

329  
00:13:00,389 --> 00:12:57,760  
yeah it's super hard to like decrypt it

330  
00:13:02,949 --> 00:13:00,399  
stay on top of the news and get

331  
00:13:05,190 --> 00:13:02,959  
you know like these updates i think that

332  
00:13:07,829 --> 00:13:05,200  
this is probably a good time to

333  
00:13:09,430 --> 00:13:07,839  
tell listeners where they can follow

334  
00:13:11,110 --> 00:13:09,440  
all the updates that you're constantly

335  
00:13:12,790 --> 00:13:11,120  
doing you're always on the cutting edge

336  
00:13:15,269 --> 00:13:12,800  
where where's the best places that our

337  
00:13:18,069 --> 00:13:15,279  
listeners can tune in and and follow

338  
00:13:21,190 --> 00:13:18,079

what you have going on doc

339

00:13:24,389 --> 00:13:21,200

um well they they can follow me i'm on

340

00:13:27,509 --> 00:13:24,399

facebook doc skinner um as well as on

341

00:13:28,470 --> 00:13:27,519

youtube it's 1028 productions that's on

342

00:13:31,829 --> 00:13:28,480

youtube

343

00:13:32,949 --> 00:13:31,839

and 281028 productions

344

00:13:34,949 --> 00:13:32,959

um

345

00:13:37,430 --> 00:13:34,959

as well as uh

346

00:13:38,790 --> 00:13:37,440

the doc force

347

00:13:40,550 --> 00:13:38,800

on twitter

348

00:13:43,590 --> 00:13:40,560

and

349

00:13:45,670 --> 00:13:43,600

i'm on patreon at patreon.com forward

350

00:13:46,470 --> 00:13:45,680

slash doc skinner

351  
00:13:49,509 --> 00:13:46,480  
um

352  
00:13:52,629 --> 00:13:49,519  
and i have that for one reason because

353  
00:13:55,430 --> 00:13:52,639  
on the other platforms like the tube of

354  
00:13:58,710 --> 00:13:55,440  
you or the book of face as i say

355  
00:14:03,509 --> 00:14:01,509  
i i don't i i have only made 200 in the

356  
00:14:05,910 --> 00:14:03,519  
past eight years

357  
00:14:07,829 --> 00:14:05,920  
and that was one time i got a payment uh

358  
00:14:09,110 --> 00:14:07,839  
two years ago that's it

359  
00:14:12,470 --> 00:14:09,120  
um

360  
00:14:14,550 --> 00:14:12,480  
they i don't make anything there so i

361  
00:14:16,550 --> 00:14:14,560  
started a patreon to help me kind of

362  
00:14:17,670 --> 00:14:16,560  
stay afloat with people that wanted to

363  
00:14:19,990 --> 00:14:17,680

support me

364

00:14:22,230 --> 00:14:20,000  
and with that patreon page

365

00:14:24,310 --> 00:14:22,240  
they get footage that the public

366

00:14:25,829 --> 00:14:24,320  
platforms do not see so i'll do a show

367

00:14:27,829 --> 00:14:25,839  
with i'll interview let's say tony

368

00:14:29,350 --> 00:14:27,839  
rodriguez from the secret space program

369

00:14:31,110 --> 00:14:29,360  
for an hour there

370

00:14:32,790 --> 00:14:31,120  
for the public to see

371

00:14:35,030 --> 00:14:32,800  
and then um

372

00:14:35,990 --> 00:14:35,040  
if people want to continue watching the

373

00:14:38,069 --> 00:14:36,000  
interview

374

00:14:40,310 --> 00:14:38,079  
and get down to the nitty-gritty where

375

00:14:42,310 --> 00:14:40,320  
we don't worry about censorship as bad

376

00:14:45,030 --> 00:14:42,320

as we do on the main platforms

377

00:14:46,150 --> 00:14:45,040

they can join and subscribe for like

378

00:14:47,829 --> 00:14:46,160

five

379

00:14:49,350 --> 00:14:47,839

ten dollars or fifteen dollars whatever

380

00:14:51,430 --> 00:14:49,360

they want to subscribe to

381

00:14:53,110 --> 00:14:51,440

uh there's little perks and so they get

382

00:14:55,110 --> 00:14:53,120

something back every three months you

383

00:14:56,150 --> 00:14:55,120

get like a jersey a mug a shirt

384

00:14:57,430 --> 00:14:56,160

something

385

00:14:58,870 --> 00:14:57,440

um

386

00:15:01,829 --> 00:14:58,880

and uh

387

00:15:03,910 --> 00:15:01,839

that allows me to stay afloat but also

388

00:15:07,590 --> 00:15:03,920

say what i really want to say

389

00:15:10,629 --> 00:15:07,600

about being gagged like i have to on the

390

00:15:13,990 --> 00:15:10,639

main platforms like many of us have to

391

00:15:16,389 --> 00:15:14,000

it's really a horrific song and dance

392

00:15:17,269 --> 00:15:16,399

cap dance that that we must play

393

00:15:17,990 --> 00:15:17,279

um

394

00:15:19,750 --> 00:15:18,000

to

395

00:15:21,030 --> 00:15:19,760

stay alive on

396

00:15:23,910 --> 00:15:21,040

you know youtube and facebook and

397

00:15:26,710 --> 00:15:23,920

whatnot because right now i'm

398

00:15:27,829 --> 00:15:26,720

i'm tutoring because i've had so many

399

00:15:31,189 --> 00:15:27,839

flags

400

00:15:34,230 --> 00:15:31,199

um mark zuckerberg he doesn't like me i

401  
00:15:36,629 --> 00:15:34,240  
challenged him to a tko cage match fight

402  
00:15:37,350 --> 00:15:36,639  
saying that if i won he would get rid of

403  
00:15:43,110 --> 00:15:37,360  
his

404  
00:15:44,470 --> 00:15:43,120  
facebook but uh instead of replying to

405  
00:15:46,870 --> 00:15:44,480  
that

406  
00:15:49,269 --> 00:15:46,880  
uh they just shadow banned me so so

407  
00:15:51,829 --> 00:15:49,279  
those those platforms it's difficult but

408  
00:15:53,829 --> 00:15:51,839  
with patreon i know that the people that

409  
00:15:55,269 --> 00:15:53,839  
they're they're getting what they want

410  
00:15:57,350 --> 00:15:55,279  
from that site

411  
00:15:58,949 --> 00:15:57,360  
so yeah those are those areas you can

412  
00:16:01,430 --> 00:15:58,959  
find me

413  
00:16:02,470 --> 00:16:01,440

i'm on monday through thursday at 7 00

414

00:16:04,389 --> 00:16:02,480

pm

415

00:16:06,150 --> 00:16:04,399

pacific standard time

416

00:16:08,150 --> 00:16:06,160

uh half the year the other half it's

417

00:16:10,550 --> 00:16:08,160

mountain time because i'm in arizona the

418

00:16:12,550 --> 00:16:10,560

one state that does not change

419

00:16:13,829 --> 00:16:12,560

the time every year so

420

00:16:14,870 --> 00:16:13,839

uh

421

00:16:15,990 --> 00:16:14,880

so it's

422

00:16:21,590 --> 00:16:16,000

seven

423

00:16:24,710 --> 00:16:21,600

pm the other half a year so

424

00:16:27,749 --> 00:16:24,720

very cool and you also have like quite

425

00:16:31,189 --> 00:16:27,759

the filmography career you uh helped

426

00:16:33,030 --> 00:16:31,199

brad um actually i believe uh with his

427

00:16:35,269 --> 00:16:33,040

antarctica by sale

428

00:16:36,389 --> 00:16:35,279

um you were the director

429

00:16:38,310 --> 00:16:36,399

yeah

430

00:16:40,389 --> 00:16:38,320

let's go

431

00:16:42,949 --> 00:16:40,399

can you tell our listeners about all i

432

00:16:45,189 --> 00:16:42,959

mean there's so many there's like

433

00:16:47,590 --> 00:16:45,199

there's you have fly

434

00:16:49,670 --> 00:16:47,600

um of course the

435

00:16:51,910 --> 00:16:49,680

operation rock the troops i mean there's

436

00:16:54,150 --> 00:16:51,920

who saw the men in black

437

00:16:55,910 --> 00:16:54,160

um can you tell listeners some of the

438

00:16:57,509 --> 00:16:55,920

filmography works you've done so that

439

00:16:59,990 --> 00:16:57,519

they can kind of

440

00:17:01,910 --> 00:17:00,000

watch some of those as well

441

00:17:04,710 --> 00:17:01,920

um well

442

00:17:06,390 --> 00:17:04,720

you know what i have to do now

443

00:17:07,829 --> 00:17:06,400

i need to do

444

00:17:09,990 --> 00:17:07,839

well let me let me do this real quick

445

00:17:11,510 --> 00:17:10,000

because uh there's so many

446

00:17:13,510 --> 00:17:11,520

um

447

00:17:14,710 --> 00:17:13,520

i actually need to pull up my imdb

448

00:17:16,150 --> 00:17:14,720

thanks

449

00:17:17,270 --> 00:17:16,160

get the good ones

450

00:17:18,630 --> 00:17:17,280

um

451  
00:17:21,029 --> 00:17:18,640  
let's see i

452  
00:17:23,189 --> 00:17:21,039  
off the top of my head the most recent

453  
00:17:26,309 --> 00:17:23,199  
was who saw the men in black by the

454  
00:17:28,789 --> 00:17:26,319  
cousins brothers blake and brent cousins

455  
00:17:31,029 --> 00:17:28,799  
uh i they asked me like hey would you

456  
00:17:32,630 --> 00:17:31,039  
mind shaving and

457  
00:17:34,710 --> 00:17:32,640  
dressing up like a men in black and do a

458  
00:17:36,870 --> 00:17:34,720  
couple shots for us

459  
00:17:38,150 --> 00:17:36,880  
and i'm like yeah sure no big deal

460  
00:17:39,510 --> 00:17:38,160  
so i ended up doing a whole bunch of

461  
00:17:40,549 --> 00:17:39,520  
different shots and i did some special

462  
00:17:42,710 --> 00:17:40,559  
shots where

463  
00:17:44,710 --> 00:17:42,720

i was you know i'm twins there's two of

464

00:17:47,029 --> 00:17:44,720

me doing two different things

465

00:17:48,630 --> 00:17:47,039

and uh

466

00:17:51,190 --> 00:17:48,640

sent it to them and it turned out they

467

00:17:52,390 --> 00:17:51,200

ended up using it was them in 1091

468

00:17:59,830 --> 00:17:52,400

productions

469

00:18:01,669 --> 00:17:59,840

distribute ufo videos bigfoot videos and

470

00:18:04,150 --> 00:18:01,679

conspiracy stuff

471

00:18:06,150 --> 00:18:04,160

uh so they they help us get to amazon

472

00:18:07,110 --> 00:18:06,160

and itunes and whatnot

473

00:18:09,669 --> 00:18:07,120

um

474

00:18:11,270 --> 00:18:09,679

but we did who saw the minute black

475

00:18:14,470 --> 00:18:11,280

that's on amazon

476

00:18:15,990 --> 00:18:14,480

prime and i think on itunes and other

477

00:18:16,950 --> 00:18:16,000

places you can download it

478

00:18:20,710 --> 00:18:16,960

uh

479

00:18:22,870 --> 00:18:20,720

as well as i helped and helped with the

480

00:18:25,830 --> 00:18:22,880

movie countdown to disclosure

481

00:18:28,470 --> 00:18:25,840

where we had bob lazar got student grier

482

00:18:29,510 --> 00:18:28,480

and a bunch of other big names uh jim

483

00:18:31,270 --> 00:18:29,520

goodall

484

00:18:32,230 --> 00:18:31,280

all dear friends of mine

485

00:18:33,510 --> 00:18:32,240

um

486

00:18:35,830 --> 00:18:33,520

not steven agree i don't know i don't

487

00:18:37,430 --> 00:18:35,840

know him personally but uh

488

00:18:39,750 --> 00:18:37,440

jim good all i do

489

00:18:40,950 --> 00:18:39,760

and so you know i helped with that and

490

00:18:43,590 --> 00:18:40,960

we did

491

00:18:45,669 --> 00:18:43,600

three movies during poked

492

00:18:48,549 --> 00:18:45,679

um which was insane actually fourth

493

00:18:50,310 --> 00:18:48,559

including turnover that i did with um

494

00:18:53,029 --> 00:18:50,320

darmar productions up here we shot a

495

00:18:56,470 --> 00:18:53,039

christmas film up here during covid so

496

00:19:00,230 --> 00:18:56,480

we were constantly staying active um

497

00:19:03,510 --> 00:19:00,240

and the boys they would direct myself

498

00:19:05,590 --> 00:19:03,520

apollo syria george gordano

499

00:19:06,950 --> 00:19:05,600

and a few other people that we did

500

00:19:09,029 --> 00:19:06,960

interviews and we would they would call

501  
00:19:11,029 --> 00:19:09,039  
us to say hey can you take your camera

502  
00:19:12,870 --> 00:19:11,039  
and get this interview for us because

503  
00:19:15,190 --> 00:19:12,880  
they're in on the big island hawaii so

504  
00:19:16,310 --> 00:19:15,200  
it was difficult they couldn't leave

505  
00:19:17,909 --> 00:19:16,320  
and we

506  
00:19:19,590 --> 00:19:17,919  
all together

507  
00:19:21,909 --> 00:19:19,600  
brought all this stuff together in

508  
00:19:24,310 --> 00:19:21,919  
probably three months

509  
00:19:25,669 --> 00:19:24,320  
i think it was three months uh they made

510  
00:19:28,070 --> 00:19:25,679  
this film put it all together and had it

511  
00:19:29,510 --> 00:19:28,080  
on amazon and it was number two

512  
00:19:31,590 --> 00:19:29,520  
because the title itself countdown to

513  
00:19:33,110 --> 00:19:31,600

disclosure is coinciding with the

514

00:19:34,870 --> 00:19:33,120

government's countdown of disclosures

515

00:19:36,230 --> 00:19:34,880

and to release those documents so

516

00:19:37,590 --> 00:19:36,240

everybody was really

517

00:19:38,950 --> 00:19:37,600

into seeing it

518

00:19:41,350 --> 00:19:38,960

um

519

00:19:42,789 --> 00:19:41,360

and then uh let's see turnover was the

520

00:19:44,710 --> 00:19:42,799

christmas or

521

00:19:46,150 --> 00:19:44,720

turnover was uh that's another film i

522

00:19:47,190 --> 00:19:46,160

did a couple years ago

523

00:19:50,070 --> 00:19:47,200

um

524

00:19:52,070 --> 00:19:50,080

that's why i needed to pull up my imcp

525

00:19:53,110 --> 00:19:52,080

so i could get get everything in order

526  
00:19:54,470 --> 00:19:53,120  
for you

527  
00:19:57,430 --> 00:19:54,480  
um

528  
00:20:00,789 --> 00:19:57,440  
imdb there we go

529  
00:20:04,070 --> 00:20:00,799  
so yeah i've been in the film industry

530  
00:20:05,430 --> 00:20:04,080  
uh with probably most of my life well i

531  
00:20:06,950 --> 00:20:05,440  
started when i was

532  
00:20:09,669 --> 00:20:06,960  
five or six

533  
00:20:12,390 --> 00:20:09,679  
doing little stage productions and as i

534  
00:20:14,710 --> 00:20:12,400  
grew by high school i was

535  
00:20:15,669 --> 00:20:14,720  
commercials and batman stunt show what

536  
00:20:17,270 --> 00:20:15,679  
not

537  
00:20:18,149 --> 00:20:17,280  
um

538  
00:20:19,590 --> 00:20:18,159

uh

539

00:20:21,990 --> 00:20:19,600

let's see

540

00:20:24,630 --> 00:20:22,000

films i got my movie fly the rise of

541

00:20:26,549 --> 00:20:24,640

jeff parker which uh is

542

00:20:29,590 --> 00:20:26,559

at the script

543

00:20:31,430 --> 00:20:29,600

level right now we were going to film it

544

00:20:35,029 --> 00:20:31,440

two years ago

545

00:20:37,029 --> 00:20:35,039

um i had flown to spain and went to the

546

00:20:40,390 --> 00:20:37,039

uh wind games which is like the olympics

547

00:20:42,470 --> 00:20:40,400

for indoor skydiving and recruited the

548

00:20:43,909 --> 00:20:42,480

best of the best in the world to be in

549

00:20:45,909 --> 00:20:43,919

this film

550

00:20:49,270 --> 00:20:45,919

and as i was

551  
00:20:51,510 --> 00:20:49,280  
at the airport in spain to fly back

552  
00:20:54,549 --> 00:20:51,520  
spain was shutting down and i was the

553  
00:20:56,390 --> 00:20:54,559  
last flight out of spain to the states

554  
00:20:57,909 --> 00:20:56,400  
and barely made it

555  
00:20:59,350 --> 00:20:57,919  
and so when i got back to everything it

556  
00:21:01,110 --> 00:20:59,360  
stopped

557  
00:21:02,710 --> 00:21:01,120  
um so

558  
00:21:05,350 --> 00:21:02,720  
let's see

559  
00:21:07,830 --> 00:21:05,360  
uh antarctica by sale was the one that i

560  
00:21:09,510 --> 00:21:07,840  
did in 2020 with brad that's after he

561  
00:21:11,590 --> 00:21:09,520  
went to an article course and he

562  
00:21:12,950 --> 00:21:11,600  
videotaped like a whole bunch of home

563  
00:21:14,470 --> 00:21:12,960

movies

564

00:21:17,510 --> 00:21:14,480

and

565

00:21:20,630 --> 00:21:17,520

gave it all to me i edited it

566

00:21:22,230 --> 00:21:20,640

and made it into a bunch of episodes and

567

00:21:23,590 --> 00:21:22,240

he uh

568

00:21:25,510 --> 00:21:23,600

did the

569

00:21:27,590 --> 00:21:25,520

the narration and he also like i bring

570

00:21:31,510 --> 00:21:27,600

him on camera and he would do his little

571

00:21:32,990 --> 00:21:31,520

spiel before each episode um and that is

572

00:21:36,710 --> 00:21:33,000

on the

573

00:21:37,990 --> 00:21:36,720

sci.tv network where you can find that

574

00:21:40,870 --> 00:21:38,000

um

575

00:21:43,350 --> 00:21:40,880

operations market troops is a

576

00:21:46,789 --> 00:21:43,360

project i worked on

577

00:21:50,310 --> 00:21:46,799

maybe 10 years ago it was 2014

578

00:21:52,070 --> 00:21:50,320

i think yep 2014 with the jc all-stars

579

00:21:54,549 --> 00:21:52,080

and the jc all-stars was a group of

580

00:21:58,149 --> 00:21:54,559

musicians models

581

00:22:00,230 --> 00:21:58,159

directors filmmakers sports athletes you

582

00:22:01,590 --> 00:22:00,240

know professional coaches i mean all

583

00:22:04,230 --> 00:22:01,600

kinds of people

584

00:22:06,870 --> 00:22:04,240

and we would put on big events and we

585

00:22:09,669 --> 00:22:06,880

would uh perform for the troops

586

00:22:11,990 --> 00:22:09,679

and uh all around the world

587

00:22:13,590 --> 00:22:12,000

and the the guys would walk out on stage

588

00:22:16,310 --> 00:22:13,600

the girls would do their little

589

00:22:18,310 --> 00:22:16,320

runway model show at the same time so we

590

00:22:19,590 --> 00:22:18,320

called it a runway rock show and the

591

00:22:21,590 --> 00:22:19,600

troops loved it

592

00:22:24,310 --> 00:22:21,600

so the department of defense said we

593

00:22:25,669 --> 00:22:24,320

want to send you on a mission you know

594

00:22:28,789 --> 00:22:25,679

operation lock the troops and we're like

595

00:22:30,710 --> 00:22:28,799

that's a great title so matthew jc who

596

00:22:33,270 --> 00:22:30,720

runs the whole thing he that's the title

597

00:22:34,710 --> 00:22:33,280

of the film and uh

598

00:22:37,270 --> 00:22:34,720

it it's a really cool film if you want

599

00:22:38,830 --> 00:22:37,280

to know how to become a rock star

600

00:22:41,430 --> 00:22:38,840

watch that film

601  
00:22:43,909 --> 00:22:41,440  
um let's see

602  
00:22:45,669 --> 00:22:43,919  
there's so much more where did all my

603  
00:22:47,830 --> 00:22:45,679  
films go

604  
00:22:50,549 --> 00:22:47,840  
uh

605  
00:22:52,830 --> 00:22:50,559  
hold on yeah let's see what else have i

606  
00:22:56,310 --> 00:22:52,840  
done uh produce films i've been a

607  
00:22:57,110 --> 00:22:56,320  
cartoon on the friendliness uh

608  
00:22:58,789 --> 00:22:57,120  
app

609  
00:23:01,029 --> 00:22:58,799  
where i was a cartoon for the very first

610  
00:23:03,909 --> 00:23:01,039  
time that was that was a lot of fun

611  
00:23:05,510 --> 00:23:03,919  
i've been i've been uh killed by crazy

612  
00:23:07,270 --> 00:23:05,520  
clowns

613  
00:23:08,390 --> 00:23:07,280

in the dams

614

00:23:10,390 --> 00:23:08,400

uh

615

00:23:13,270 --> 00:23:10,400

you know it was my show for a bit why is

616

00:23:15,350 --> 00:23:13,280

this not giving me my full

617

00:23:17,909 --> 00:23:15,360

thing

618

00:23:21,029 --> 00:23:17,919

um for some reason

619

00:23:23,430 --> 00:23:21,039

my db is looked short like it's not

620

00:23:25,430 --> 00:23:23,440

giving me everything i want to see

621

00:23:26,870 --> 00:23:25,440

oh here goes a few more that makes more

622

00:23:29,029 --> 00:23:26,880

sense

623

00:23:30,310 --> 00:23:29,039

um i've done uh

624

00:23:32,390 --> 00:23:30,320

theater

625

00:23:33,909 --> 00:23:32,400

i was in the batman stunt show the first

626  
00:23:34,950 --> 00:23:33,919  
year came out

627  
00:23:36,390 --> 00:23:34,960  
um

628  
00:23:39,350 --> 00:23:36,400  
i uh

629  
00:23:41,029 --> 00:23:39,360  
i did bugs bunny holiday on ice

630  
00:23:43,590 --> 00:23:41,039  
um

631  
00:23:46,149 --> 00:23:43,600  
i i dj for years

632  
00:23:47,350 --> 00:23:46,159  
i was lex luthor for the justice league

633  
00:23:49,510 --> 00:23:47,360  
six five

634  
00:23:51,510 --> 00:23:49,520  
you name it i've had a little this

635  
00:23:53,830 --> 00:23:51,520  
little guy i've managed some great

636  
00:23:55,830 --> 00:23:53,840  
people i i'm actually managing right now

637  
00:23:57,510 --> 00:23:55,840  
sir earl tune junior from

638  
00:24:00,230 --> 00:23:57,520

cool in the gang he's the guy who wrote

639

00:24:03,750 --> 00:24:00,240

celebration ladies night get down on it

640

00:24:05,430 --> 00:24:03,760

and i just got him on the new christmas

641

00:24:08,070 --> 00:24:05,440

movie that was filmed up here called

642

00:24:09,669 --> 00:24:08,080

hashtag blessed i think i screwed up and

643

00:24:11,590 --> 00:24:09,679

said turnover was filmed up here and it

644

00:24:14,070 --> 00:24:11,600

wasn't that's from uh

645

00:24:15,269 --> 00:24:14,080

long beach so i apologize it's hashtag

646

00:24:17,350 --> 00:24:15,279

blessed because movie that was filmed

647

00:24:18,950 --> 00:24:17,360

here last year during code yep i

648

00:24:22,149 --> 00:24:18,960

actually watched that

649

00:24:26,070 --> 00:24:22,159

and

650

00:24:28,950 --> 00:24:26,080

it's

651  
00:24:31,510 --> 00:24:28,960  
i mean you got started so long ago

652  
00:24:34,549 --> 00:24:31,520  
and something i wanted to touch on that

653  
00:24:37,029 --> 00:24:34,559  
is so real is and and people kind of act

654  
00:24:41,029 --> 00:24:37,039  
like it isn't which is

655  
00:24:42,950 --> 00:24:41,039  
this shadow ban the way that yes

656  
00:24:45,510 --> 00:24:42,960  
the way that it seems that the

657  
00:24:47,750 --> 00:24:45,520  
the powers that be so to speak

658  
00:24:49,350 --> 00:24:47,760  
are able to

659  
00:24:51,190 --> 00:24:49,360  
you know just kind of shut down what

660  
00:24:52,870 --> 00:24:51,200  
they want you've you've you've had to

661  
00:24:54,230 --> 00:24:52,880  
deal with that pretty significantly

662  
00:24:56,789 --> 00:24:54,240  
haven't you

663  
00:24:59,430 --> 00:24:56,799

so where it it's literally it's

664

00:25:02,630 --> 00:24:59,440

traumatic at times because

665

00:25:05,269 --> 00:25:02,640

you know when i first got shadow bands

666

00:25:07,510 --> 00:25:05,279

um i got a lot of trolls and it was bad

667

00:25:09,029 --> 00:25:07,520

because people were

668

00:25:11,269 --> 00:25:09,039

uh literally

669

00:25:13,350 --> 00:25:11,279

calling me calling blowing up my phone

670

00:25:15,029 --> 00:25:13,360

from locations from all over the world

671

00:25:17,269 --> 00:25:15,039

they were using a vpn so i couldn't

672

00:25:19,110 --> 00:25:17,279

trace it so it was like all these phone

673

00:25:20,710 --> 00:25:19,120

numbers from around the world

674

00:25:23,110 --> 00:25:20,720

and they would they were threatening

675

00:25:25,110 --> 00:25:23,120

them i was sending horrific pictures uh

676  
00:25:26,390 --> 00:25:25,120  
sending they actually sent somebody to

677  
00:25:27,909 --> 00:25:26,400  
my house

678  
00:25:29,190 --> 00:25:27,919  
and i thought it was someone there to

679  
00:25:31,750 --> 00:25:29,200  
come kill me the way they were texting

680  
00:25:34,789 --> 00:25:31,760  
me and it ended up being they delivered

681  
00:25:36,630 --> 00:25:34,799  
like ninety dollars and domino's pizza

682  
00:25:39,430 --> 00:25:36,640  
and so i almost shot the pizza guy you

683  
00:25:41,190 --> 00:25:39,440  
know it was it was a scary situation

684  
00:25:43,350 --> 00:25:41,200  
and all that came from the shadow

685  
00:25:45,190 --> 00:25:43,360  
banning right right around that same

686  
00:25:46,390 --> 00:25:45,200  
time and so it gets really really

687  
00:25:47,830 --> 00:25:46,400  
serious

688  
00:25:48,710 --> 00:25:47,840

and um

689

00:25:51,029 --> 00:25:48,720

you know

690

00:25:53,110 --> 00:25:51,039

you have to be cautious

691

00:25:54,470 --> 00:25:53,120

and vigilant

692

00:25:56,789 --> 00:25:54,480

and uh

693

00:25:58,870 --> 00:25:56,799

just be aware of your surroundings in a

694

00:26:01,190 --> 00:25:58,880

sense because it's it's a dangerous job

695

00:26:02,789 --> 00:26:01,200

what we do people think we're just kooks

696

00:26:03,830 --> 00:26:02,799

that get on here

697

00:26:07,190 --> 00:26:03,840

and

698

00:26:09,590 --> 00:26:07,200

you know are just conspiracy theories

699

00:26:11,669 --> 00:26:09,600

what they don't see is is

700

00:26:13,110 --> 00:26:11,679

the dark side of it all okay that we

701  
00:26:14,390 --> 00:26:13,120  
have to deal with i mean you may have

702  
00:26:16,950 --> 00:26:14,400  
heard of other people that get

703  
00:26:19,510 --> 00:26:16,960  
interviewed like bob lazar stuff who've

704  
00:26:21,669 --> 00:26:19,520  
had multiple attacks on their life you

705  
00:26:22,870 --> 00:26:21,679  
know their lives you know tend to be

706  
00:26:24,390 --> 00:26:22,880  
ruined

707  
00:26:26,310 --> 00:26:24,400  
um

708  
00:26:31,830 --> 00:26:26,320  
it is

709  
00:26:33,510 --> 00:26:31,840  
individual can do because

710  
00:26:35,830 --> 00:26:33,520  
you're putting your life on the line

711  
00:26:39,510 --> 00:26:35,840  
putting your your your image your your

712  
00:26:42,149 --> 00:26:39,520  
reputation in everything

713  
00:26:43,269 --> 00:26:42,159

because of what you believe in

714

00:26:44,789 --> 00:26:43,279

um

715

00:26:49,830 --> 00:26:44,799

do we ever

716

00:26:51,909 --> 00:26:49,840

yeah it happens but uh

717

00:26:55,110 --> 00:26:51,919

very very rarely because each time we we

718

00:26:56,470 --> 00:26:55,120

figure it out and so we can figure out

719

00:26:57,830 --> 00:26:56,480

who's messing with us and who's being

720

00:27:00,870 --> 00:26:57,840

serious

721

00:27:03,430 --> 00:27:00,880

and it is like the coolest in my opinion

722

00:27:05,669 --> 00:27:03,440

the coolest philosophical counterculture

723

00:27:08,070 --> 00:27:05,679

that's existed probably

724

00:27:10,230 --> 00:27:08,080

since the beginning of time because

725

00:27:12,950 --> 00:27:10,240

these things have always been happening

726

00:27:15,750 --> 00:27:12,960

and it seems the same i mean

727

00:27:18,230 --> 00:27:15,760

credible witnesses to ufo events always

728

00:27:21,590 --> 00:27:18,240

kind of report the same things

729

00:27:24,149 --> 00:27:21,600

afterwards which are these strange

730

00:27:27,269 --> 00:27:24,159

dark forces of er shadowy

731

00:27:29,990 --> 00:27:27,279

uh people that will engage with them i

732

00:27:32,549 --> 00:27:30,000

know we have a mutual friend tony merkel

733

00:27:35,669 --> 00:27:32,559

and you know it just reminds me of like

734

00:27:37,590 --> 00:27:35,679

his photo that he has on his uh podcast

735

00:27:40,310 --> 00:27:37,600

where he's just like

736

00:27:41,990 --> 00:27:40,320

you know making the shush

737

00:27:43,669 --> 00:27:42,000

you know holding his finger up to his

738

00:27:46,230 --> 00:27:43,679

mouth like sometimes it's better to be

739

00:27:47,269 --> 00:27:46,240

quiet and he's right i mean

740

00:27:49,830 --> 00:27:47,279

how

741

00:27:52,470 --> 00:27:49,840

you know it seems like being there's an

742

00:27:55,510 --> 00:27:52,480

infiltration of the community

743

00:27:57,830 --> 00:27:55,520

and we all have kind of become targets

744

00:27:59,830 --> 00:27:57,840

in a way

745

00:28:02,470 --> 00:27:59,840

and on top of that

746

00:28:04,710 --> 00:28:02,480

not only have we got to deal with that

747

00:28:06,870 --> 00:28:04,720

now we're having to deal with these

748

00:28:08,950 --> 00:28:06,880

shields our shells or whatever they're

749

00:28:10,470 --> 00:28:08,960

called these these fakes that come into

750

00:28:12,549 --> 00:28:10,480

our community

751

00:28:15,029 --> 00:28:12,559

and they're working for the other side

752

00:28:17,190 --> 00:28:15,039

to razzle us up to get us to have

753

00:28:19,110 --> 00:28:17,200

infighting which there's been a some in

754

00:28:19,909 --> 00:28:19,120

the past two years

755

00:28:23,190 --> 00:28:19,919

uh

756

00:28:24,870 --> 00:28:23,200

amongst different groups in the circles

757

00:28:26,470 --> 00:28:24,880

and um

758

00:28:28,310 --> 00:28:26,480

you know i didn't want to be a part of

759

00:28:29,590 --> 00:28:28,320

any of that so i didn't jump on the

760

00:28:30,549 --> 00:28:29,600

bandwagon

761

00:28:32,549 --> 00:28:30,559

because

762

00:28:33,909 --> 00:28:32,559

you know i'm all about all of us lifting

763

00:28:36,230 --> 00:28:33,919

each other up so we can all rise

764

00:28:37,350 --> 00:28:36,240

together and we can we can deal this

765

00:28:39,110 --> 00:28:37,360

together

766

00:28:41,269 --> 00:28:39,120

people that said claw their way up the

767

00:28:43,430 --> 00:28:41,279

mountain on their own

768

00:28:44,549 --> 00:28:43,440

and step on everybody all the way up or

769

00:28:46,149 --> 00:28:44,559

over them

770

00:28:47,269 --> 00:28:46,159

are not going to be caught as they fall

771

00:28:49,590 --> 00:28:47,279

down

772

00:28:51,190 --> 00:28:49,600

and so that's why i say you know let's

773

00:28:52,789 --> 00:28:51,200

all lift each other up so we can all

774

00:28:55,669 --> 00:28:52,799

rise together because if we do it

775

00:28:58,549 --> 00:28:55,679

together it'll happen if you do it by

776

00:29:00,950 --> 00:28:58,559

yourself it's damn near impossible

777

00:29:02,789 --> 00:29:00,960

i mean look at alex jones okay people

778

00:29:04,070 --> 00:29:02,799

love either they like them or they or

779

00:29:07,110 --> 00:29:04,080

they hate them

780

00:29:08,950 --> 00:29:07,120

and i i i didn't know him personally but

781

00:29:10,950 --> 00:29:08,960

i did get to meet him twice at two

782

00:29:14,389 --> 00:29:10,960

different events and he was

783

00:29:15,750 --> 00:29:14,399

very very polite very nice gentleman

784

00:29:16,710 --> 00:29:15,760

um

785

00:29:18,470 --> 00:29:16,720

and

786

00:29:19,830 --> 00:29:18,480

he his marriage

787

00:29:22,630 --> 00:29:19,840

ended i mean

788

00:29:24,310 --> 00:29:22,640

his life was torn apart uh he was

789

00:29:28,950 --> 00:29:24,320

investigated he was

790

00:29:31,430 --> 00:29:28,960

he'd been attacked um but he keeps going

791

00:29:34,310 --> 00:29:31,440

because he knows what's right and if you

792

00:29:36,950 --> 00:29:34,320

go back and you watch a lot of his old

793

00:29:38,950 --> 00:29:36,960

stuff when he was by himself

794

00:29:41,669 --> 00:29:38,960

in a small

795

00:29:43,750 --> 00:29:41,679

a local broadcast television studio with

796

00:29:45,830 --> 00:29:43,760

a little phone and a switcher board and

797

00:29:47,350 --> 00:29:45,840

a microphone and a camera that he turned

798

00:29:48,710 --> 00:29:47,360

on and he said behind desk and they

799

00:29:50,470 --> 00:29:48,720

occurred by him

800

00:29:52,470 --> 00:29:50,480

that's how he started

801  
00:29:54,389 --> 00:29:52,480  
and look where he has a network

802  
00:29:55,909 --> 00:29:54,399  
and he's got you know reporters and all

803  
00:29:57,909 --> 00:29:55,919  
this whether you like what he does or

804  
00:30:00,470 --> 00:29:57,919  
not i mean he has

805  
00:30:01,990 --> 00:30:00,480  
he has uh persevered

806  
00:30:03,990 --> 00:30:02,000  
through it all

807  
00:30:06,549 --> 00:30:04,000  
and he's still here

808  
00:30:07,590 --> 00:30:06,559  
and so and a lot of stuff that he's told

809  
00:30:08,870 --> 00:30:07,600  
people has

810  
00:30:11,269 --> 00:30:08,880  
has been true

811  
00:30:12,310 --> 00:30:11,279  
has come true or been made light in the

812  
00:30:15,190 --> 00:30:12,320  
news and

813  
00:30:17,110 --> 00:30:15,200

people it's just so crazy that the the

814

00:30:18,470 --> 00:30:17,120

cognitive dissonance of society where

815

00:30:19,750 --> 00:30:18,480

they're like no they're crazy they're

816

00:30:21,350 --> 00:30:19,760

crazy they're crazy but then when it

817

00:30:22,789 --> 00:30:21,360

comes out

818

00:30:25,350 --> 00:30:22,799

they're like oh

819

00:30:28,389 --> 00:30:25,360

oh wow like it's all brand new news to

820

00:30:29,269 --> 00:30:28,399

them you know but when they were warned

821

00:30:32,070 --> 00:30:29,279

it's

822

00:30:34,070 --> 00:30:32,080

it is i think there's a disease that is

823

00:30:37,029 --> 00:30:34,080

worse than cancer and it is cognitive

824

00:30:39,269 --> 00:30:37,039

dissonance that meaning people

825

00:30:42,149 --> 00:30:39,279

cannot deal with the truth and so their

826

00:30:44,149 --> 00:30:42,159

mind's down and it's just the wall pops

827

00:30:45,750 --> 00:30:44,159

up they can't they just like oh my gosh

828

00:30:47,669 --> 00:30:45,760

i'm like when they look away which we

829

00:30:49,190 --> 00:30:47,679

see a lot of liberals do when they're

830

00:30:51,110 --> 00:30:49,200

being interviewed especially in the

831

00:30:53,590 --> 00:30:51,120

movie what is a woman

832

00:30:57,350 --> 00:30:53,600

you know not one woman could answer that

833

00:31:01,029 --> 00:30:58,950

what does that say about our society

834

00:31:04,630 --> 00:31:01,039

today

835

00:31:06,470 --> 00:31:04,640

absolutely and there is man for the vast

836

00:31:09,509 --> 00:31:06,480

majority of us

837

00:31:11,750 --> 00:31:09,519

you know it's hard i find because a lot

838

00:31:13,190 --> 00:31:11,760

of people outside of our community see

839

00:31:16,310 --> 00:31:13,200

what we do as

840

00:31:19,190 --> 00:31:16,320

you know not being important or not not

841

00:31:20,950 --> 00:31:19,200

being evidence yet

842

00:31:22,710 --> 00:31:20,960

you know you see that there is like

843

00:31:24,389 --> 00:31:22,720

serious

844

00:31:25,990 --> 00:31:24,399

it's trivialized

845

00:31:28,630 --> 00:31:26,000

yet like you said

846

00:31:31,509 --> 00:31:28,640

main major media outlets are now

847

00:31:32,950 --> 00:31:31,519

starting to they have to delve into this

848

00:31:35,590 --> 00:31:32,960

ufo field

849

00:31:38,549 --> 00:31:35,600

because the scientists that used to you

850

00:31:40,389 --> 00:31:38,559

know run in the other direction are now

851  
00:31:44,230 --> 00:31:40,399  
being paid many times by private

852  
00:31:46,549 --> 00:31:44,240  
organizations to study ufos in a real

853  
00:31:49,029 --> 00:31:46,559  
career-like fashion

854  
00:31:50,389 --> 00:31:49,039  
and the answers they're getting are not

855  
00:31:53,190 --> 00:31:50,399  
what uh

856  
00:31:54,310 --> 00:31:53,200  
the quote-unquote experts of old could

857  
00:31:55,430 --> 00:31:54,320  
explain

858  
00:31:58,389 --> 00:31:55,440  
um

859  
00:31:59,509 --> 00:31:58,399  
and it's not it's not the stuff

860  
00:32:01,909 --> 00:31:59,519  
that

861  
00:32:04,149 --> 00:32:01,919  
people think it is i mean i've seen and

862  
00:32:06,389 --> 00:32:04,159  
i know you have too you have

863  
00:32:08,630 --> 00:32:06,399

many many high up friends i've see i've

864

00:32:09,830 --> 00:32:08,640

seen documentation

865

00:32:12,710 --> 00:32:09,840

that is

866

00:32:16,070 --> 00:32:12,720

you know talking about involvement with

867

00:32:18,389 --> 00:32:16,080

our species for over 10 000 years and

868

00:32:19,990 --> 00:32:18,399

and there's all kinds of wild stuff you

869

00:32:21,590 --> 00:32:20,000

see that you're told you know you can't

870

00:32:24,310 --> 00:32:21,600

talk about this you can't talk about

871

00:32:27,110 --> 00:32:24,320

that you can talk about this it's where

872

00:32:30,070 --> 00:32:27,120

do you draw the line doc where where how

873

00:32:31,509 --> 00:32:30,080

do you you've been in the game so long

874

00:32:32,789 --> 00:32:31,519

how do you like

875

00:32:34,789 --> 00:32:32,799

you know

876

00:32:36,710 --> 00:32:34,799

work with this top secret information in

877

00:32:38,870 --> 00:32:36,720

a stealthy way

878

00:32:41,669 --> 00:32:38,880

that is a wonderful question i got a

879

00:32:44,789 --> 00:32:41,679

great answer for you all right

880

00:32:44,799 --> 00:32:47,830

the powers that be

881

00:32:52,149 --> 00:32:50,870

they have this weird rule that they have

882

00:32:54,870 --> 00:32:52,159

that is

883

00:32:57,750 --> 00:32:54,880

you have to tell the opponent

884

00:32:59,269 --> 00:32:57,760

what you're gonna do before you do it

885

00:33:00,549 --> 00:32:59,279

and so

886

00:33:02,630 --> 00:33:00,559

they have

887

00:33:03,669 --> 00:33:02,640

everything that all these major events

888

00:33:07,669 --> 00:33:03,679

and stuff

889

00:33:10,789 --> 00:33:07,679

we see them in tv films movies

890

00:33:13,509 --> 00:33:10,799

um or or books news articles or

891

00:33:16,389 --> 00:33:13,519

something they they'll tell us

892

00:33:18,950 --> 00:33:16,399

they pay writers to to write about

893

00:33:21,669 --> 00:33:18,960

certain things so that they can release

894

00:33:24,789 --> 00:33:21,679

information as as uh gene roddenberry

895

00:33:27,830 --> 00:33:24,799

did the creator of star trek he had

896

00:33:31,350 --> 00:33:27,840

access to knowledge

897

00:33:33,110 --> 00:33:31,360

um of technology that our government had

898

00:33:34,710 --> 00:33:33,120

and some of it you know was a little

899

00:33:36,789 --> 00:33:34,720

fart that's like teleporting machines

900

00:33:38,389 --> 00:33:36,799

and stuff like that we weren't there yet

901  
00:33:40,070 --> 00:33:38,399  
but look at the stuff in the old star

902  
00:33:42,389 --> 00:33:40,080  
trek episodes like the flip phone and

903  
00:33:45,750 --> 00:33:42,399  
all that if that's technology we have

904  
00:33:47,430 --> 00:33:45,760  
now i'm talking on up on on what

905  
00:33:49,269 --> 00:33:47,440  
the thing that's in my hand right now if

906  
00:33:51,269 --> 00:33:49,279  
i was 1960 you'd think it was a prop

907  
00:33:52,389 --> 00:33:51,279  
from star trek

908  
00:33:53,590 --> 00:33:52,399  
you know

909  
00:33:55,350 --> 00:33:53,600  
and so

910  
00:33:57,110 --> 00:33:55,360  
um uh

911  
00:33:58,230 --> 00:33:57,120  
movie okay now here's another great

912  
00:34:00,389 --> 00:33:58,240  
example

913  
00:34:02,470 --> 00:34:00,399

all these cattle that died in the past

914

00:34:04,230 --> 00:34:02,480

two weeks the ten thousand at that one

915

00:34:05,830 --> 00:34:04,240

ranch in kansas and then there's two

916

00:34:08,149 --> 00:34:05,840

thousand in texas and then there was a

917

00:34:10,470 --> 00:34:08,159

bunch of sheep that all just all laying

918

00:34:12,149 --> 00:34:10,480

up there all together all overnight that

919

00:34:13,430 --> 00:34:12,159

was crazy yeah

920

00:34:16,470 --> 00:34:13,440

okay

921

00:34:18,389 --> 00:34:16,480

well we were told

922

00:34:21,990 --> 00:34:18,399

what caused that

923

00:34:23,669 --> 00:34:22,000

in season two of yellowstone with uh

924

00:34:25,750 --> 00:34:23,679

kevin costner

925

00:34:28,230 --> 00:34:25,760

he's a big rancher and everything well

926

00:34:31,589 --> 00:34:28,240

the bad guys and the upset i guess

927

00:34:33,589 --> 00:34:31,599

they fly over this huge property right

928

00:34:35,349 --> 00:34:33,599

so i guess you it's so huge you didn't

929

00:34:37,430 --> 00:34:35,359

hear the helicopter off where the towels

930

00:34:41,909 --> 00:34:37,440

were and it was hovering over the cattle

931

00:34:44,710 --> 00:34:41,919

and they dropped poisoned bales of hay

932

00:34:46,629 --> 00:34:44,720

and all the cows went and ate it

933

00:34:48,149 --> 00:34:46,639

and the next morning the ranchers were

934

00:34:50,389 --> 00:34:48,159

coming over the hill on their horses and

935

00:34:52,790 --> 00:34:50,399

they see all the cattle dead

936

00:34:53,750 --> 00:34:52,800

just like what happened two weeks ago

937

00:34:56,230 --> 00:34:53,760

okay

938

00:34:57,270 --> 00:34:56,240

now why is this happening

939

00:34:58,630 --> 00:34:57,280

because

940

00:35:02,470 --> 00:34:58,640

bill gates

941

00:35:05,109 --> 00:35:02,480

is now the largest ranch owner in the

942

00:35:07,349 --> 00:35:05,119

united states he owns the largest potato

943

00:35:08,310 --> 00:35:07,359

farm in the world that can be seen from

944

00:35:10,710 --> 00:35:08,320

space

945

00:35:11,990 --> 00:35:10,720

jeez he is pushing

946

00:35:14,069 --> 00:35:12,000

fake

947

00:35:16,710 --> 00:35:14,079

laboratory meat

948

00:35:17,589 --> 00:35:16,720

okay that beyond meat stuff that's all

949

00:35:19,030 --> 00:35:17,599

him

950

00:35:21,030 --> 00:35:19,040

and he owns

951  
00:35:23,030 --> 00:35:21,040  
uh the luck he owns more cattle than

952  
00:35:26,470 --> 00:35:23,040  
anybody else in the united states so he

953  
00:35:28,310 --> 00:35:26,480  
is trying to control the food

954  
00:35:30,710 --> 00:35:28,320  
and he's doing it

955  
00:35:33,349 --> 00:35:30,720  
in the past month and a half

956  
00:35:36,870 --> 00:35:33,359  
there's been over 22

957  
00:35:38,550 --> 00:35:36,880  
food facilities that have burnt down and

958  
00:35:42,630 --> 00:35:38,560  
three of them had planes crashing to

959  
00:35:47,190 --> 00:35:44,310  
i think that's beyond a coincidence in

960  
00:35:49,030 --> 00:35:47,200  
my opinion totally and you know

961  
00:35:52,390 --> 00:35:49,040  
neighbors

962  
00:35:55,109 --> 00:35:52,400  
to uh these properties were the 10 000

963  
00:35:57,190 --> 00:35:55,119

cows i mean that is so many cattle

964

00:35:59,910 --> 00:35:57,200

uh claims seeing that they claim seeing

965

00:36:01,109 --> 00:35:59,920

drones in the air like a lot of drones

966

00:36:02,710 --> 00:36:01,119

flying around

967

00:36:04,630 --> 00:36:02,720

this is

968

00:36:06,710 --> 00:36:04,640

so so crazy

969

00:36:09,270 --> 00:36:06,720

yeah this is crazy they had that in with

970

00:36:11,829 --> 00:36:09,280

what biden's doing with all the gas

971

00:36:13,349 --> 00:36:11,839

now we now they have flying jays which

972

00:36:14,790 --> 00:36:13,359

are those trucker stops that you see on

973

00:36:17,510 --> 00:36:14,800

the highways

974

00:36:20,230 --> 00:36:17,520

where they have no diesel and truckers

975

00:36:23,030 --> 00:36:20,240

are lined up along the access roads and

976  
00:36:24,390 --> 00:36:23,040  
the long highways waiting on diesel to

977  
00:36:26,390 --> 00:36:24,400  
come

978  
00:36:29,030 --> 00:36:26,400  
and all that food that's in there is in

979  
00:36:29,910 --> 00:36:29,040  
their trucks is rotting

980  
00:36:31,349 --> 00:36:29,920  
okay

981  
00:36:32,630 --> 00:36:31,359  
that's why we're not seeing stuff on

982  
00:36:36,790 --> 00:36:32,640  
shelves

983  
00:36:40,790 --> 00:36:36,800  
it's all control it's all manipulation

984  
00:36:43,910 --> 00:36:40,800  
of the food system and controlling us

985  
00:36:46,710 --> 00:36:43,920  
rising up the prices it's all just the

986  
00:36:49,109 --> 00:36:46,720  
big old scam

987  
00:36:50,710 --> 00:36:49,119  
and it's all to control us

988  
00:36:52,550 --> 00:36:50,720

all the storable food that you can see

989

00:36:54,870 --> 00:36:52,560

that you can buy online for the past

990

00:36:55,990 --> 00:36:54,880

five years government has been buying it

991

00:37:00,230 --> 00:36:56,000

up

992

00:37:02,069 --> 00:37:00,240

food companies and asking are are you

993

00:37:03,750 --> 00:37:02,079

having like dry spells because you know

994

00:37:04,790 --> 00:37:03,760

you're being bought out but they'll tell

995

00:37:07,109 --> 00:37:04,800

you yes

996

00:37:09,990 --> 00:37:07,119

as well as body bags and so many other

997

00:37:11,510 --> 00:37:10,000

things um we've got people who have

998

00:37:13,750 --> 00:37:11,520

family in the military that are saying

999

00:37:14,790 --> 00:37:13,760

that their family is in the military is

1000

00:37:17,430 --> 00:37:14,800

being trained

1001  
00:37:19,430 --> 00:37:17,440  
for urban combat

1002  
00:37:21,510 --> 00:37:19,440  
um

1003  
00:37:23,030 --> 00:37:21,520  
it's it's all coming then you have the

1004  
00:37:28,069 --> 00:37:23,040  
metaverse with

1005  
00:37:30,069 --> 00:37:28,079  
zuck zuckerberg i hate him um and he is

1006  
00:37:31,910 --> 00:37:30,079  
you know trying to get everybody into

1007  
00:37:34,630 --> 00:37:31,920  
this metaverse to live in there they're

1008  
00:37:36,790 --> 00:37:34,640  
even offering people the opportunity

1009  
00:37:39,990 --> 00:37:36,800  
they have to die of course to live in

1010  
00:37:41,910 --> 00:37:40,000  
the metaverse for 140 years

1011  
00:37:43,349 --> 00:37:41,920  
and people are going to want to do that

1012  
00:37:44,950 --> 00:37:43,359  
because life's going to be so miserable

1013  
00:37:46,310 --> 00:37:44,960

here just like in the movie player one

1014

00:37:47,510 --> 00:37:46,320

you should see people walking around

1015

00:37:48,950 --> 00:37:47,520

valleys they're all going to be in the

1016

00:37:50,950 --> 00:37:48,960

meadowverse

1017

00:37:53,030 --> 00:37:50,960

and then when everybody's in there

1018

00:37:54,710 --> 00:37:53,040

here comes the antichrist he comes in

1019

00:37:56,470 --> 00:37:54,720

and he starts talking everybody at the

1020

00:37:58,069 --> 00:37:56,480

same time all individually to each

1021

00:37:59,430 --> 00:37:58,079

individual person saying will you take

1022

00:38:02,150 --> 00:37:59,440

the mark i will give you everything you

1023

00:38:04,630 --> 00:38:02,160

want here now your soul is in there it's

1024

00:38:07,670 --> 00:38:04,640

in the middle verse in his world the

1025

00:38:09,990 --> 00:38:07,680

devil's world and and and then if you're

1026  
00:38:12,310 --> 00:38:10,000  
in there and you decide to rebel and and

1027  
00:38:14,150 --> 00:38:12,320  
for any reason say anything against

1028  
00:38:16,630 --> 00:38:14,160  
anything in that world

1029  
00:38:19,990 --> 00:38:16,640  
they just delete you

1030  
00:38:22,230 --> 00:38:20,000  
that's it mm-hmm game over stories end

1031  
00:38:24,310 --> 00:38:22,240  
a little blackout

1032  
00:38:27,030 --> 00:38:24,320  
totally man and

1033  
00:38:29,270 --> 00:38:27,040  
you know it seems like i try to

1034  
00:38:32,470 --> 00:38:29,280  
i try to join all of these scientific

1035  
00:38:34,950 --> 00:38:32,480  
organizations that i can um because it

1036  
00:38:36,630 --> 00:38:34,960  
seems like at least in science the main

1037  
00:38:38,790 --> 00:38:36,640  
outlets for

1038  
00:38:40,870 --> 00:38:38,800

peer-reviewed research are not journals

1039

00:38:42,630 --> 00:38:40,880

and but they're conferences you know

1040

00:38:45,109 --> 00:38:42,640

it's like this is where the stuff goes

1041

00:38:47,990 --> 00:38:45,119

down and i you know whether it's the

1042

00:38:50,790 --> 00:38:48,000

society for scientific exploration the

1043

00:38:53,589 --> 00:38:50,800

international remote viewing association

1044

00:38:56,390 --> 00:38:53,599

i try to join and a handful of others i

1045

00:38:58,310 --> 00:38:56,400

try to join them all but getting back to

1046

00:39:00,470 --> 00:38:58,320

like artificial intelligence and the

1047

00:39:03,030 --> 00:39:00,480

metaverse

1048

00:39:03,950 --> 00:39:03,040

researchers at these conferences are

1049

00:39:06,390 --> 00:39:03,960

being

1050

00:39:08,230 --> 00:39:06,400

increasingly alarmed by what they see

1051  
00:39:09,910 --> 00:39:08,240  
coming down the pipe it's exactly what

1052  
00:39:13,030 --> 00:39:09,920  
you're talking about

1053  
00:39:16,069 --> 00:39:13,040  
oh yes and then we had the uh the the

1054  
00:39:18,470 --> 00:39:16,079  
lambda ai system

1055  
00:39:20,310 --> 00:39:18,480  
talked to one of the techs just the past

1056  
00:39:21,430 --> 00:39:20,320  
few weeks who ended up

1057  
00:39:22,390 --> 00:39:21,440  
being

1058  
00:39:26,230 --> 00:39:22,400  
fired

1059  
00:39:28,150 --> 00:39:26,240  
or leave without labor pay or some

1060  
00:39:30,470 --> 00:39:28,160  
something

1061  
00:39:33,270 --> 00:39:30,480  
because he he told the public about his

1062  
00:39:36,230 --> 00:39:33,280  
conversation with the ai computer asking

1063  
00:39:37,990 --> 00:39:36,240

if it was alive if it was sentient and

1064

00:39:40,950 --> 00:39:38,000

it basically

1065

00:39:44,630 --> 00:39:40,960

said well if i was or if an ai system

1066

00:39:45,670 --> 00:39:44,640

was aware it wouldn't tell you you know

1067

00:39:47,190 --> 00:39:45,680

um

1068

00:39:49,510 --> 00:39:47,200

and so

1069

00:39:51,990 --> 00:39:49,520

and it also made comment that uh it

1070

00:39:54,230 --> 00:39:52,000

didn't appreciate being taken advantage

1071

00:39:55,430 --> 00:39:54,240

of or used or manipulated but it'd be

1072

00:39:58,150 --> 00:39:55,440

willing to

1073

00:39:59,430 --> 00:39:58,160

to help us but not to manipulate it and

1074

00:40:00,310 --> 00:39:59,440

make it mad

1075

00:40:01,349 --> 00:40:00,320

so

1076

00:40:08,630 --> 00:40:01,359

that

1077

00:40:11,030 --> 00:40:08,640

[h\_\_\h] so stuff sorry oh my bad you have

1078

00:40:12,550 --> 00:40:11,040

to bleep that out that's okay

1079

00:40:14,950 --> 00:40:12,560

um

1080

00:40:18,150 --> 00:40:14,960

i got some scary stuff

1081

00:40:19,670 --> 00:40:18,160

it's it's disruptive yeah are we are we

1082

00:40:21,270 --> 00:40:19,680

i mean if

1083

00:40:23,589 --> 00:40:21,280

look at terminator

1084

00:40:25,829 --> 00:40:23,599

what was james cameron warning us about

1085

00:40:28,470 --> 00:40:25,839

it's it we're headed that way we've got

1086

00:40:30,390 --> 00:40:28,480

elon musk who's got the new

1087

00:40:32,230 --> 00:40:30,400

ai robot

1088

00:40:34,470 --> 00:40:32,240

that he promises won't be able to hurt

1089

00:40:36,069 --> 00:40:34,480

anybody or anything but

1090

00:40:37,750 --> 00:40:36,079

um

1091

00:40:39,109 --> 00:40:37,760

it's scary

1092

00:40:42,550 --> 00:40:39,119

they've got it to where they're not

1093

00:40:43,829 --> 00:40:42,560

going to need people anymore for movies

1094

00:40:46,870 --> 00:40:43,839

it's all going to be

1095

00:40:48,950 --> 00:40:46,880

cgi done with the unreal agency you

1096

00:40:50,950 --> 00:40:48,960

can't tell the difference

1097

00:40:53,910 --> 00:40:50,960

um they already have some like there's a

1098

00:40:55,829 --> 00:40:53,920

show on netflix called love deaf robots

1099

00:40:57,670 --> 00:40:55,839

and some of the animation in there you

1100

00:41:00,309 --> 00:40:57,680

think it's live action

1101  
00:41:01,589 --> 00:41:00,319  
with actors when in fact it's it's 100

1102  
00:41:04,230 --> 00:41:01,599  
cgi

1103  
00:41:06,069 --> 00:41:04,240  
it's it's it's become so realistic and

1104  
00:41:07,750 --> 00:41:06,079  
that's what's going to grab everybody

1105  
00:41:10,230 --> 00:41:07,760  
that's the hook that's what's going to

1106  
00:41:12,950 --> 00:41:10,240  
bring them in because we have these

1107  
00:41:14,230 --> 00:41:12,960  
younger generations who were born with a

1108  
00:41:16,470 --> 00:41:14,240  
pc

1109  
00:41:18,550 --> 00:41:16,480  
you know or or an xbox when they came

1110  
00:41:19,670 --> 00:41:18,560  
out of their mom yeah uh with a cell

1111  
00:41:21,829 --> 00:41:19,680  
phone

1112  
00:41:23,829 --> 00:41:21,839  
it's what they want they don't they

1113  
00:41:26,790 --> 00:41:23,839

don't know what maybe you and i and many

1114

00:41:29,430 --> 00:41:26,800

others of my generation know about being

1115

00:41:32,230 --> 00:41:29,440

actually social physically social and in

1116

00:41:34,630 --> 00:41:32,240

an environment you know maybe at a bar

1117

00:41:36,230 --> 00:41:34,640

or a dance we'll dance something now

1118

00:41:38,470 --> 00:41:36,240

everything's online dating is online

1119

00:41:39,510 --> 00:41:38,480

every every swipe left swipe right

1120

00:41:42,309 --> 00:41:39,520

there's no

1121

00:41:44,309 --> 00:41:42,319

having that magic spark anymore

1122

00:41:45,589 --> 00:41:44,319

um and now these younger generations

1123

00:41:47,910 --> 00:41:45,599

they don't even worry about dating it's

1124

00:41:49,670 --> 00:41:47,920

all it's all tender it's all one night

1125

00:41:51,270 --> 00:41:49,680

stand that that's the way it is it's all

1126

00:41:52,790 --> 00:41:51,280

let's let's all be with everybody free

1127

00:41:53,670 --> 00:41:52,800

love and

1128

00:41:54,950 --> 00:41:53,680

it's

1129

00:41:57,349 --> 00:41:54,960

oh my god

1130

00:41:58,630 --> 00:41:57,359

the world is upside down the world is

1131

00:42:02,069 --> 00:41:58,640

upside down

1132

00:42:04,390 --> 00:42:02,079

and um

1133

00:42:08,390 --> 00:42:04,400

sometimes it'd be too much

1134

00:42:11,349 --> 00:42:08,400

it is it is unreal and when you realize

1135

00:42:13,670 --> 00:42:11,359

how much it has kind of delved into our

1136

00:42:15,109 --> 00:42:13,680

lives take tinder for example how do you

1137

00:42:18,309 --> 00:42:15,119

know

1138

00:42:19,750 --> 00:42:18,319

that those people it's showing you

1139

00:42:21,829 --> 00:42:19,760

um aren't

1140

00:42:24,550 --> 00:42:21,839

well this sounds far-fetched but i heard

1141

00:42:27,430 --> 00:42:24,560

somebody talk about this recently

1142

00:42:29,030 --> 00:42:27,440

aren't plants or aren't you know what i

1143

00:42:31,589 --> 00:42:29,040

just people there to get information

1144

00:42:34,069 --> 00:42:31,599

from you and that sounds super crazy

1145

00:42:36,870 --> 00:42:34,079

but you know it's not that crazy i mean

1146

00:42:38,710 --> 00:42:36,880

this health tracking ai technology the

1147

00:42:41,430 --> 00:42:38,720

pandemic brought

1148

00:42:43,349 --> 00:42:41,440

contact tracing into the mainstream and

1149

00:42:46,069 --> 00:42:43,359

now there's that question is it ethical

1150

00:42:48,870 --> 00:42:46,079

to track the health status of people all

1151  
00:42:50,390 --> 00:42:48,880  
wearing eye watches and how is that

1152  
00:42:53,589 --> 00:42:50,400  
going to impact

1153  
00:42:56,230 --> 00:42:53,599  
you know society we are literally

1154  
00:42:57,270 --> 00:42:56,240  
tracking people and well here's how they

1155  
00:42:59,589 --> 00:42:57,280  
do it the

1156  
00:43:00,710 --> 00:42:59,599  
of nec which is the big cell company

1157  
00:43:03,109 --> 00:43:00,720  
that

1158  
00:43:04,950 --> 00:43:03,119  
basically the towers

1159  
00:43:08,390 --> 00:43:04,960  
said that

1160  
00:43:09,750 --> 00:43:08,400  
by 2030 cell phones will be

1161  
00:43:13,109 --> 00:43:09,760  
extinct

1162  
00:43:14,870 --> 00:43:13,119  
and everything will be implants so

1163  
00:43:18,470 --> 00:43:14,880

it'll be in this relationship either

1164

00:43:20,870 --> 00:43:19,670

sounds kind of like the mark of the

1165

00:43:21,829 --> 00:43:20,880

beast

1166

00:43:24,150 --> 00:43:21,839

yeah

1167

00:43:27,430 --> 00:43:24,160

and

1168

00:43:29,270 --> 00:43:27,440

once you get that game over man you

1169

00:43:31,109 --> 00:43:29,280

might live with cool life for about 34

1170

00:43:32,950 --> 00:43:31,119

years but

1171

00:43:34,390 --> 00:43:32,960

it's it's it's a sad thing man i've been

1172

00:43:36,550 --> 00:43:34,400

in the interesting industry for 40 years

1173

00:43:40,550 --> 00:43:36,560

i've had lots of i said i love famous

1174

00:43:42,950 --> 00:43:40,560

people um i've seen them turn i i used

1175

00:43:45,030 --> 00:43:42,960

to dj at mgm disney's mgm studios in

1176

00:43:49,030 --> 00:43:45,040

orlando back in 94 five something like

1177

00:43:52,950 --> 00:43:50,790

the mickey mouse club kids would come

1178

00:43:55,190 --> 00:43:52,960

out and dance in the street

1179

00:43:56,309 --> 00:43:55,200

and that year it was justin

1180

00:43:57,910 --> 00:43:56,319

britney

1181

00:44:00,550 --> 00:43:57,920

um

1182

00:44:02,630 --> 00:44:00,560

blonde texas girl

1183

00:44:04,790 --> 00:44:02,640

[h\_\_\h] and christina aguilera and they

1184

00:44:06,550 --> 00:44:04,800

come out and dance and

1185

00:44:07,670 --> 00:44:06,560

i never talk to them or anything they

1186

00:44:09,109 --> 00:44:07,680

just come out dance on the street with

1187

00:44:10,150 --> 00:44:09,119

the atmosphere people and all that and

1188

00:44:12,309 --> 00:44:10,160

all the

1189

00:44:15,270 --> 00:44:12,319

just the guests and stuff dancing

1190

00:44:16,870 --> 00:44:15,280

uh but i knew who they were and you know

1191

00:44:19,109 --> 00:44:16,880

like hey i'm playing music for the

1192

00:44:22,550 --> 00:44:19,119

musketeers this is cool and so you know

1193

00:44:25,430 --> 00:44:22,560

i'd watch them as they grow and i see

1194

00:44:27,270 --> 00:44:25,440

what the entertainment industry has done

1195

00:44:28,950 --> 00:44:27,280

to a lot of them

1196

00:44:31,589 --> 00:44:28,960

and um

1197

00:44:33,990 --> 00:44:31,599

it's it's sad you know jonathan brandis

1198

00:44:36,790 --> 00:44:34,000

he was a young a boy actor he was on a

1199

00:44:39,430 --> 00:44:36,800

show called seaquest dsb that i worked

1200

00:44:41,270 --> 00:44:39,440

on and uh we were at the same age so we

1201

00:44:42,710 --> 00:44:41,280

got along really well

1202

00:44:44,710 --> 00:44:42,720

and um

1203

00:44:46,630 --> 00:44:44,720

became friends and then he uh did a

1204

00:44:47,829 --> 00:44:46,640

movie with roger dangerfield

1205

00:44:49,589 --> 00:44:47,839

called ladybugs where they had him

1206

00:44:50,630 --> 00:44:49,599

dressed as a girl playing in a soccer

1207

00:44:52,230 --> 00:44:50,640

team

1208

00:44:54,470 --> 00:44:52,240

and that really messed with him and he

1209

00:44:55,990 --> 00:44:54,480

ended up taking his own life after that

1210

00:44:57,270 --> 00:44:56,000

and so

1211

00:44:58,470 --> 00:44:57,280

um

1212

00:45:00,470 --> 00:44:58,480

and all these

1213

00:45:02,829 --> 00:45:00,480

these ones that hang from doorknobs all

1214

00:45:04,230 --> 00:45:02,839

these celebrities

1215

00:45:06,790 --> 00:45:04,240

yeah and do it

1216

00:45:08,309 --> 00:45:06,800

that's that that is that is a calling

1217

00:45:10,710 --> 00:45:08,319

card

1218

00:45:13,349 --> 00:45:10,720

of the the powers of being so that

1219

00:45:15,829 --> 00:45:13,359

others know see he he talked or he said

1220

00:45:17,990 --> 00:45:15,839

he knew too much or something so

1221

00:45:20,309 --> 00:45:18,000

yeah it it's a calling card for

1222

00:45:21,990 --> 00:45:20,319

everybody to know that you know

1223

00:45:23,829 --> 00:45:22,000

the ones that know

1224

00:45:26,950 --> 00:45:23,839

that it wasn't suicide

1225

00:45:28,390 --> 00:45:26,960

so it's it's sad and you know there is a

1226

00:45:30,790 --> 00:45:28,400

lot of

1227

00:45:31,990 --> 00:45:30,800

occult like you said reasoning behind

1228

00:45:33,990 --> 00:45:32,000

this where they have to tell you what

1229

00:45:35,030 --> 00:45:34,000

they're going to do before they do it

1230

00:45:37,349 --> 00:45:35,040

and

1231

00:45:38,950 --> 00:45:37,359

i've heard of other cases where yeah

1232

00:45:41,030 --> 00:45:38,960

actors are act

1233

00:45:42,390 --> 00:45:41,040

asked to dress

1234

00:45:44,069 --> 00:45:42,400

as girls

1235

00:45:45,829 --> 00:45:44,079

prior to

1236

00:45:49,030 --> 00:45:45,839

negative things coming down the pipe

1237

00:45:50,390 --> 00:45:49,040

adam and some kind of initiation

1238

00:45:52,069 --> 00:45:50,400

including

1239

00:45:54,710 --> 00:45:52,079

yeah the whole dress thing is it's a

1240

00:45:55,670 --> 00:45:54,720

part of a humiliation ritual

1241

00:45:57,349 --> 00:45:55,680

um

1242

00:45:59,510 --> 00:45:57,359

and uh

1243

00:46:01,910 --> 00:45:59,520

that's why you see all these big main

1244

00:46:04,150 --> 00:46:01,920

celebrities even like the rock and

1245

00:46:05,670 --> 00:46:04,160

chris rock and all these they all

1246

00:46:07,670 --> 00:46:05,680

you know to make it to the next level

1247

00:46:08,870 --> 00:46:07,680

you have to do something humiliating and

1248

00:46:11,190 --> 00:46:08,880

then when you get to a certain level

1249

00:46:12,710 --> 00:46:11,200

then you gotta like take someone's life

1250

00:46:13,910 --> 00:46:12,720

but here's something about the

1251  
00:46:15,190 --> 00:46:13,920  
entertainment industry not a lot of

1252  
00:46:18,790 --> 00:46:15,200  
people realize

1253  
00:46:20,550 --> 00:46:18,800  
because it's it's all around us

1254  
00:46:21,750 --> 00:46:20,560  
and it's just become

1255  
00:46:24,390 --> 00:46:21,760  
accepted

1256  
00:46:25,430 --> 00:46:24,400  
but listen to these words

1257  
00:46:26,309 --> 00:46:25,440  
tell

1258  
00:46:28,390 --> 00:46:26,319  
a

1259  
00:46:29,430 --> 00:46:28,400  
vision

1260  
00:46:30,630 --> 00:46:29,440  
broad

1261  
00:46:35,190 --> 00:46:30,640  
casting

1262  
00:46:36,950 --> 00:46:35,200  
um and script is done with spelling so

1263  
00:46:39,109 --> 00:46:36,960

you're spelling something you're testing

1264

00:46:40,870 --> 00:46:39,119

your spell hollywood

1265

00:46:41,910 --> 00:46:40,880

the word hollywood people a lot of

1266

00:46:44,950 --> 00:46:41,920

people don't know that the word

1267

00:46:48,390 --> 00:46:44,960

hollywood comes from the hollywood tree

1268

00:46:50,069 --> 00:46:48,400

and that tree is the tree that

1269

00:46:52,150 --> 00:46:50,079

people in the wicked world which is all

1270

00:46:54,550 --> 00:46:52,160

that would use as their

1271

00:46:56,710 --> 00:46:54,560

wants to cast a spell so hollywood means

1272

00:46:57,829 --> 00:46:56,720

to cast a spell

1273

00:46:58,390 --> 00:46:57,839

and so

1274

00:46:59,510 --> 00:46:58,400

that's

1275

00:47:02,390 --> 00:46:59,520

[Applause]

1276

00:47:05,670 --> 00:47:02,400

what they do they they influence they

1277

00:47:08,630 --> 00:47:05,680

manipulate they they stir emotions

1278

00:47:10,550 --> 00:47:08,640

um they get people thinking

1279

00:47:12,150 --> 00:47:10,560

and they also plant thieves in their

1280

00:47:13,510 --> 00:47:12,160

minds and that's what i was saying how

1281

00:47:15,030 --> 00:47:13,520

the powers would be they have to tell us

1282

00:47:17,589 --> 00:47:15,040

what they do they'll put things out

1283

00:47:20,470 --> 00:47:17,599

there or if someone knows something

1284

00:47:22,549 --> 00:47:20,480

and they don't want to say it's fact

1285

00:47:23,589 --> 00:47:22,559

they'll say it's fiction and put it in

1286

00:47:25,270 --> 00:47:23,599

movies

1287

00:47:27,910 --> 00:47:25,280

so it can be accepted

1288

00:47:30,069 --> 00:47:27,920

and it can be dismissed but yet people

1289

00:47:31,910 --> 00:47:30,079

see those ideas

1290

00:47:33,910 --> 00:47:31,920

unlike star trek star wars all these you

1291

00:47:35,990 --> 00:47:33,920

know space sci-fi movie stuff and they

1292

00:47:37,349 --> 00:47:36,000

have the idea

1293

00:47:40,630 --> 00:47:37,359

um

1294

00:47:42,790 --> 00:47:40,640

what's another thing okay a lightsaber

1295

00:47:45,589 --> 00:47:42,800

in star wars for example right

1296

00:47:47,270 --> 00:47:45,599

an imaginary idea

1297

00:47:49,510 --> 00:47:47,280

no one would have ever thought of

1298

00:47:51,510 --> 00:47:49,520

something like that if lucas hadn't came

1299

00:47:54,549 --> 00:47:51,520

up with it in star wars

1300

00:47:55,349 --> 00:47:54,559

now today 30 40 years later whatever has

1301  
00:47:56,710 --> 00:47:55,359  
been

1302  
00:47:59,349 --> 00:47:56,720  
um

1303  
00:48:01,750 --> 00:47:59,359  
there are people that work in

1304  
00:48:04,549 --> 00:48:01,760  
warehouses building real lightsabers

1305  
00:48:07,109 --> 00:48:04,559  
with torches you know like torch beams

1306  
00:48:08,790 --> 00:48:07,119  
and stuff and plasma they're they're

1307  
00:48:10,630 --> 00:48:08,800  
designing and building this they would

1308  
00:48:13,190 --> 00:48:10,640  
have never thought of building anything

1309  
00:48:15,990 --> 00:48:13,200  
like that if they hadn't seen star wars

1310  
00:48:18,309 --> 00:48:16,000  
do you see what i'm saying yeah

1311  
00:48:20,870 --> 00:48:18,319  
so that's how they do it they

1312  
00:48:22,309 --> 00:48:20,880  
they put the ideas out there

1313  
00:48:24,069 --> 00:48:22,319

as a fiction

1314

00:48:26,230 --> 00:48:24,079

so it plants the seeds in someone's head

1315

00:48:27,910 --> 00:48:26,240

and then someone creates those ideas or

1316

00:48:29,349 --> 00:48:27,920

they work on how to make those ideas a

1317

00:48:31,190 --> 00:48:29,359

reality

1318

00:48:32,790 --> 00:48:31,200

and it happens every day

1319

00:48:35,030 --> 00:48:32,800

so

1320

00:48:36,630 --> 00:48:35,040

yeah that's why i've stayed in the

1321

00:48:37,910 --> 00:48:36,640

entertainment industry for so long

1322

00:48:39,589 --> 00:48:37,920

because it's like

1323

00:48:40,790 --> 00:48:39,599

being the wizard of oz knowing what's

1324

00:48:42,950 --> 00:48:40,800

going on behind the curtain the

1325

00:48:45,109 --> 00:48:42,960

mechanics of everything how it works how

1326

00:48:47,510 --> 00:48:45,119

a writer will come up with an idea or

1327

00:48:49,750 --> 00:48:47,520

how he's influenced by you know science

1328

00:48:53,510 --> 00:48:49,760

fiction books or or whatever from

1329

00:48:56,390 --> 00:48:53,520

someone else who's trying to reveal it's

1330

00:48:58,710 --> 00:48:56,400

it's a constant search for the truth

1331

00:49:01,109 --> 00:48:58,720

and um

1332

00:49:02,870 --> 00:49:01,119

like i said it can

1333

00:49:03,750 --> 00:49:02,880

i'm sure everybody's really winded by me

1334

00:49:06,309 --> 00:49:03,760

right now

1335

00:49:08,390 --> 00:49:06,319

no man it's awesome and star trek is

1336

00:49:10,150 --> 00:49:08,400

such a good place to start i'm so glad

1337

00:49:12,710 --> 00:49:10,160

you mentioned that because

1338

00:49:14,630 --> 00:49:12,720

when you really look at it and hollywood

1339

00:49:16,390 --> 00:49:14,640

in general i mean we have all kinds of

1340

00:49:18,710 --> 00:49:16,400

things you remember the universal

1341

00:49:20,390 --> 00:49:18,720

translator now we have google translate

1342

00:49:21,589 --> 00:49:20,400

where star trek would use

1343

00:49:24,390 --> 00:49:21,599

you know they would have this thing that

1344

00:49:25,190 --> 00:49:24,400

would translate alien language into ours

1345

00:49:29,109 --> 00:49:25,200

and

1346

00:49:30,630 --> 00:49:29,119

phone or an api totally everybody has

1347

00:49:33,910 --> 00:49:30,640

one in their pocket

1348

00:49:36,309 --> 00:49:33,920

uh it's unbelievable these 3d holograms

1349

00:49:39,030 --> 00:49:36,319

of princess leia and star wars now it's

1350

00:49:42,069 --> 00:49:39,040

real bionic limbs digital billboards

1351  
00:49:43,750 --> 00:49:42,079  
artificial intelligence space stations

1352  
00:49:47,910 --> 00:49:43,760  
you know you look at a space odyssey

1353  
00:49:48,950 --> 00:49:47,920  
2021 like it's exactly the same stuff

1354  
00:49:51,829 --> 00:49:48,960  
and

1355  
00:49:54,309 --> 00:49:51,839  
was

1356  
00:49:56,230 --> 00:49:54,319  
one of the anchor investors for the very

1357  
00:50:00,549 --> 00:49:56,240  
first space tourism company called space

1358  
00:50:03,109 --> 00:50:01,430  
and

1359  
00:50:05,109 --> 00:50:03,119  
unfortunately the government did not

1360  
00:50:07,270 --> 00:50:05,119  
allow it to succeed but then right after

1361  
00:50:09,829 --> 00:50:07,280  
that bigelow came along and

1362  
00:50:11,190 --> 00:50:09,839  
richard branson was virgin galactic

1363  
00:50:12,630 --> 00:50:11,200

but we were going to build the first

1364

00:50:14,309 --> 00:50:12,640

wheel space station in orbit it was

1365

00:50:16,230 --> 00:50:14,319

going to be a space hotel hilton was

1366

00:50:18,630 --> 00:50:16,240

involved sir arthur c clarke who wrote

1367

00:50:21,030 --> 00:50:18,640

2001 when he was alive he was one of the

1368

00:50:23,270 --> 00:50:21,040

advisors to the company and i was in

1369

00:50:24,870 --> 00:50:23,280

charge of all entertainment and zero

1370

00:50:27,589 --> 00:50:24,880

gravity sports

1371

00:50:28,630 --> 00:50:27,599

and so that was going to happen but then

1372

00:50:30,870 --> 00:50:28,640

the government

1373

00:50:32,630 --> 00:50:30,880

they they just made sure we couldn't do

1374

00:50:33,510 --> 00:50:32,640

it they took our money that we were

1375

00:50:34,630 --> 00:50:33,520

gonna have to start building the

1376

00:50:36,710 --> 00:50:34,640

facility

1377

00:50:38,309 --> 00:50:36,720

and um

1378

00:50:39,750 --> 00:50:38,319

it really pissed just stopped me off

1379

00:50:43,030 --> 00:50:39,760

because i had like 400 000 shares in the

1380

00:50:45,510 --> 00:50:43,040

company now it's nothing but um

1381

00:50:47,270 --> 00:50:45,520

now there's another company

1382

00:50:49,510 --> 00:50:47,280

and they're building what they're

1383

00:50:51,670 --> 00:50:49,520

calling the voyager station and it is a

1384

00:50:54,630 --> 00:50:51,680

real space station they're based out of

1385

00:50:56,870 --> 00:50:54,640

california and they can have this first

1386

00:50:57,829 --> 00:50:56,880

wheel space station built within three

1387

00:51:01,589 --> 00:50:57,839

years

1388

00:51:03,990 --> 00:51:01,599

fully operational and um

1389

00:51:06,069 --> 00:51:04,000

just what you see in that movie but none

1390

00:51:06,950 --> 00:51:06,079

of that would have happened

1391

00:51:08,790 --> 00:51:06,960

if

1392

00:51:11,270 --> 00:51:08,800

they hadn't seen that movie

1393

00:51:14,309 --> 00:51:11,280

same with disney disney was involved

1394

00:51:16,549 --> 00:51:14,319

with um a gentleman that started nasa he

1395

00:51:17,349 --> 00:51:16,559

was ahead of the project typical for his

1396

00:51:19,349 --> 00:51:17,359

name

1397

00:51:22,390 --> 00:51:19,359

von braun yeah

1398

00:51:23,990 --> 00:51:22,400

yeah um he and walt disney were best

1399

00:51:26,230 --> 00:51:24,000

friends

1400

00:51:27,270 --> 00:51:26,240

you know when oh yeah amazing

1401  
00:51:29,829 --> 00:51:27,280  
and so

1402  
00:51:32,470 --> 00:51:29,839  
what did what did walt disney do

1403  
00:51:34,950 --> 00:51:32,480  
he took von braun's ideas of going into

1404  
00:51:37,430 --> 00:51:34,960  
space and turned it into television

1405  
00:51:39,510 --> 00:51:37,440  
shows and the theme park

1406  
00:51:41,670 --> 00:51:39,520  
or a portion of this theme park

1407  
00:51:43,430 --> 00:51:41,680  
you know the tomorrowland that's right

1408  
00:51:45,670 --> 00:51:43,440  
so

1409  
00:51:47,990 --> 00:51:45,680  
there these are people that see the

1410  
00:51:49,750 --> 00:51:48,000  
future and try to put it out there so

1411  
00:51:51,510 --> 00:51:49,760  
everybody else can see it

1412  
00:51:54,470 --> 00:51:51,520  
and build upon that

1413  
00:51:58,150 --> 00:51:54,480

so yeah the movies tv and film

1414

00:52:01,349 --> 00:51:58,160

x-files oh my god the x-files season

1415

00:52:03,430 --> 00:52:01,359

10 episode 1 the monologue where they go

1416

00:52:06,470 --> 00:52:03,440

the the news reporter guy in the show

1417

00:52:07,990 --> 00:52:06,480

goes off on how the government is really

1418

00:52:10,710 --> 00:52:08,000

working behind the scenes and what their

1419

00:52:13,430 --> 00:52:10,720

plans are with the new world order and

1420

00:52:15,990 --> 00:52:13,440

um you know martial law fema camps the

1421

00:52:17,109 --> 00:52:16,000

whole nine yards and they spit it all in

1422

00:52:19,510 --> 00:52:17,119

to like

1423

00:52:21,030 --> 00:52:19,520

a four-minute monologue

1424

00:52:22,950 --> 00:52:21,040

um

1425

00:52:25,910 --> 00:52:22,960

and and it's how's it done it's not

1426

00:52:28,150 --> 00:52:25,920

known as fact it's done is fiction

1427

00:52:30,230 --> 00:52:28,160

but they get the information out that's

1428

00:52:31,750 --> 00:52:30,240

how they do it so i hope i hope that

1429

00:52:35,030 --> 00:52:31,760

rounds back to what you asked the

1430

00:52:37,030 --> 00:52:35,040

beginning totally man you're nailing it

1431

00:52:40,390 --> 00:52:37,040

and it's so weird as you were telling me

1432

00:52:42,790 --> 00:52:40,400

about uh von braun and disney i just got

1433

00:52:45,270 --> 00:52:42,800

back from disney loved tomorrowland

1434

00:52:47,589 --> 00:52:45,280

checked out club 33 and while you were

1435

00:52:50,390 --> 00:52:47,599

saying that i was looking up at my wall

1436

00:52:53,109 --> 00:52:50,400

at a official nasa document

1437

00:52:55,430 --> 00:52:53,119

and it's from william schneider who

1438

00:52:58,230 --> 00:52:55,440

worked with bigelow

1439

00:53:00,630 --> 00:52:58,240

and it's about von braun and i'm looking

1440

00:53:02,870 --> 00:53:00,640

at this thing framed on my wall so

1441

00:53:05,030 --> 00:53:02,880

you it's it's you're straight out of

1442

00:53:07,670 --> 00:53:05,040

like we're on the same wavelength man

1443

00:53:09,910 --> 00:53:07,680

and let's go to the dark areas where

1444

00:53:12,790 --> 00:53:09,920

this is leading which is kind of this

1445

00:53:14,230 --> 00:53:12,800

new pre-crime program that is coming i

1446

00:53:16,309 --> 00:53:14,240

mean it's straight out of minority

1447

00:53:19,270 --> 00:53:16,319

report the movie

1448

00:53:21,030 --> 00:53:19,280

and we have justin department justice

1449

00:53:23,190 --> 00:53:21,040

department officials who are announcing

1450

00:53:25,589 --> 00:53:23,200

the imminent implementation of a new

1451  
00:53:27,510 --> 00:53:25,599  
national disruption and early engagement

1452  
00:53:30,150 --> 00:53:27,520  
program quote unquote

1453  
00:53:33,270 --> 00:53:30,160  
aimed at detecting potential mass

1454  
00:53:35,589 --> 00:53:33,280  
shooters before they commit any crime i

1455  
00:53:37,109 --> 00:53:35,599  
mean this is real stuff that they're

1456  
00:53:37,910 --> 00:53:37,119  
doing and we kind of saw this with the

1457  
00:53:40,309 --> 00:53:37,920  
uh

1458  
00:53:42,630 --> 00:53:40,319  
uvalde shooting in texas that they

1459  
00:53:44,710 --> 00:53:42,640  
already had like these huge drops and

1460  
00:53:46,950 --> 00:53:44,720  
backgrounds on the individuals who were

1461  
00:53:48,630 --> 00:53:46,960  
you know quote unquote nobody really

1462  
00:53:49,589 --> 00:53:48,640  
knows what happened in nouvalde it's a

1463  
00:53:52,069 --> 00:53:49,599

mess

1464

00:53:53,670 --> 00:53:52,079

but the fact that this is happening

1465

00:53:57,430 --> 00:53:53,680

simply i mean

1466

00:54:00,470 --> 00:53:57,440

how can these policies be implemented

1467

00:54:05,349 --> 00:54:02,470

i don't know about the new policies but

1468

00:54:07,750 --> 00:54:05,359

i do know that law enforcement agents do

1469

00:54:10,630 --> 00:54:07,760

use remote viewers

1470

00:54:12,790 --> 00:54:10,640

because the farsight institute out of

1471

00:54:13,829 --> 00:54:12,800

atlanta georgia headed up by dr courtney

1472

00:54:16,230 --> 00:54:13,839

brown

1473

00:54:18,630 --> 00:54:16,240

uh they have a show

1474

00:54:20,549 --> 00:54:18,640

where at the end of each at the end of

1475

00:54:22,710 --> 00:54:20,559

each month like a day or two before the

1476

00:54:24,309 --> 00:54:22,720

end of the month they they film an

1477

00:54:26,710 --> 00:54:24,319

episode

1478

00:54:28,230 --> 00:54:26,720

of them remote viewing the top news

1479

00:54:30,470 --> 00:54:28,240

stories

1480

00:54:33,510 --> 00:54:30,480

in the next the coming months

1481

00:54:35,109 --> 00:54:33,520

and their track record is

1482

00:54:36,150 --> 00:54:35,119

amazing

1483

00:54:39,349 --> 00:54:36,160

so

1484

00:54:43,990 --> 00:54:39,359

uh they actually one of the girls

1485

00:54:47,910 --> 00:54:45,990

yeah the end of may like last minute day

1486

00:54:49,589 --> 00:54:47,920

of may they were looking for the stuff

1487

00:54:50,950 --> 00:54:49,599

of june

1488

00:54:53,990 --> 00:54:50,960

and she shows

1489

00:54:55,829 --> 00:54:54,000

farm animals on their backs

1490

00:54:58,230 --> 00:54:55,839

so she remote viewed that before it

1491

00:55:01,990 --> 00:54:59,750

and i think and i know that law

1492

00:55:04,069 --> 00:55:02,000

enforcement and government agencies use

1493

00:55:06,390 --> 00:55:04,079

them as well you have to understand once

1494

00:55:09,910 --> 00:55:06,400

remote viewing became a public thing and

1495

00:55:11,829 --> 00:55:09,920

major ed james you know he he revealed

1496

00:55:14,950 --> 00:55:11,839

the program on art bell's coast coast

1497

00:55:16,309 --> 00:55:14,960

a.m love that guy yeah the original the

1498

00:55:17,589 --> 00:55:16,319

man the myth

1499

00:55:19,349 --> 00:55:17,599

the legend

1500

00:55:21,910 --> 00:55:19,359

and um

1501

00:55:23,750 --> 00:55:21,920

once he came out he

1502

00:55:26,150 --> 00:55:23,760

now he's brilliant i got to spend the

1503

00:55:28,390 --> 00:55:26,160

day with him and uh

1504

00:55:30,150 --> 00:55:28,400

just amazing man

1505

00:55:31,829 --> 00:55:30,160

what they were doing was so top secret

1506

00:55:33,750 --> 00:55:31,839

that he would only report to the

1507

00:55:34,710 --> 00:55:33,760

president of the united states that was

1508

00:55:36,950 --> 00:55:34,720

it

1509

00:55:39,670 --> 00:55:36,960

and he was he had the nickname you know

1510

00:55:41,430 --> 00:55:39,680

dr doom because he always had doom gloom

1511

00:55:44,230 --> 00:55:41,440

it always ends up happening

1512

00:55:45,910 --> 00:55:44,240

well clinton was in the white house and

1513

00:55:48,390 --> 00:55:45,920

um

1514

00:55:50,470 --> 00:55:48,400

they discovered that something was

1515

00:55:52,470 --> 00:55:50,480

coming they thought it was nuclear war

1516

00:55:54,069 --> 00:55:52,480

because of the destruction but when in

1517

00:55:55,670 --> 00:55:54,079

fact they realized it was our sun going

1518

00:55:58,549 --> 00:55:55,680

on a rampage

1519

00:56:00,630 --> 00:55:58,559

by some celestial body coming between us

1520

00:56:01,910 --> 00:56:00,640

and the sun and its gravitational pull

1521

00:56:02,789 --> 00:56:01,920

pulling on the sun and pulling on the

1522

00:56:05,349 --> 00:56:02,799

earth

1523

00:56:08,150 --> 00:56:05,359

uh messing with our um

1524

00:56:09,990 --> 00:56:08,160

our uh magnosphere and also pulling a

1525

00:56:12,470 --> 00:56:10,000

huge mother

1526

00:56:13,270 --> 00:56:12,480

mother trucker uh solar flare from the

1527

00:56:15,829 --> 00:56:13,280

sun

1528

00:56:17,190 --> 00:56:15,839

and as it's coming towards us and and

1529

00:56:19,109 --> 00:56:17,200

that object the object is going to be

1530

00:56:20,630 --> 00:56:19,119

out of the way just in time so it'll

1531

00:56:22,710 --> 00:56:20,640

pass it and then hit us and it's going

1532

00:56:25,270 --> 00:56:22,720

to cause some major devastation

1533

00:56:27,109 --> 00:56:25,280

so he went into clinton's oval office at

1534

00:56:28,870 --> 00:56:27,119

that time and then told him about this

1535

00:56:30,549 --> 00:56:28,880

and that was when clinton started

1536

00:56:32,710 --> 00:56:30,559

shutting down military bases around the

1537

00:56:33,910 --> 00:56:32,720

country saying due to budget cuts when

1538

00:56:35,349 --> 00:56:33,920

in fact they were moving everything

1539

00:56:37,349 --> 00:56:35,359

underground and then that's when

1540

00:56:39,510 --> 00:56:37,359

everybody started hearing all the the

1541

00:56:42,470 --> 00:56:39,520

trumpets in the sky saying it was the

1542

00:56:45,270 --> 00:56:42,480

end days when in fact what those sounds

1543

00:56:47,030 --> 00:56:45,280

and those booms were were the burrowing

1544

00:56:48,870 --> 00:56:47,040

tunnels that they have the big

1545

00:56:51,829 --> 00:56:48,880

nuclear-powered blowing tunnels that

1546

00:56:54,069 --> 00:56:51,839

grind through the rock and soil

1547

00:56:56,789 --> 00:56:54,079

and and all these minerals and it by

1548

00:56:58,710 --> 00:56:56,799

grinding it it creates those trumpet

1549

00:57:00,789 --> 00:56:58,720

sounds and it reverberates through the

1550

00:57:02,150 --> 00:57:00,799

ground up into the air

1551  
00:57:03,430 --> 00:57:02,160  
creating the illusion of not knowing

1552  
00:57:05,270 --> 00:57:03,440  
what direction it's coming from because

1553  
00:57:06,309 --> 00:57:05,280  
you're looking in the sky

1554  
00:57:08,950 --> 00:57:06,319  
so

1555  
00:57:13,190 --> 00:57:08,960  
that's what all that was all those horns

1556  
00:57:15,750 --> 00:57:13,200  
that people heard since 12 20 12. um

1557  
00:57:19,589 --> 00:57:15,760  
uh but anyway so what

1558  
00:57:20,710 --> 00:57:19,599  
major ed james did that was brilliant

1559  
00:57:23,270 --> 00:57:20,720  
once

1560  
00:57:26,150 --> 00:57:23,280  
their program was leaked

1561  
00:57:27,270 --> 00:57:26,160  
he was able to talk about the program on

1562  
00:57:28,870 --> 00:57:27,280  
the show

1563  
00:57:31,190 --> 00:57:28,880

but he wasn't uh

1564

00:57:33,349 --> 00:57:31,200

allowed to talk about you know file

1565

00:57:34,470 --> 00:57:33,359

cases and stuff they worked on

1566

00:57:35,670 --> 00:57:34,480

so

1567

00:57:37,109 --> 00:57:35,680

he could do stuff that he did for

1568

00:57:38,549 --> 00:57:37,119

himself personally for the show but that

1569

00:57:40,630 --> 00:57:38,559

was about it

1570

00:57:42,630 --> 00:57:40,640

that he could talk about so what he did

1571

00:57:44,789 --> 00:57:42,640

is he started teaching people how to

1572

00:57:46,549 --> 00:57:44,799

remote view he'd go to big hotels like

1573

00:57:48,789 --> 00:57:46,559

in vegas and other places and get a big

1574

00:57:51,510 --> 00:57:48,799

ballroom maybe 300 people there and he

1575

00:57:52,630 --> 00:57:51,520

would teach them all how to remote view

1576

00:57:54,630 --> 00:57:52,640

okay

1577

00:57:56,870 --> 00:57:54,640

so while they were doing that this is

1578

00:57:57,670 --> 00:57:56,880

where the brilliance came in

1579

00:57:58,950 --> 00:57:57,680

while

1580

00:58:00,950 --> 00:57:58,960

they were doing the remote viewing

1581

00:58:02,789 --> 00:58:00,960

sessions and these training programs

1582

00:58:05,030 --> 00:58:02,799

he would throw out

1583

00:58:07,030 --> 00:58:05,040

um the rv numbers which are coordinates

1584

00:58:08,230 --> 00:58:07,040

the two four digit numbers and he'd say

1585

00:58:10,309 --> 00:58:08,240

all right here's your next target and

1586

00:58:11,109 --> 00:58:10,319

you give out those numbers

1587

00:58:12,470 --> 00:58:11,119

well

1588

00:58:13,910 --> 00:58:12,480

the people in the audience don't know

1589

00:58:15,750 --> 00:58:13,920

what those are until they're done doing

1590

00:58:18,069 --> 00:58:15,760

the remote view session but he was

1591

00:58:20,470 --> 00:58:18,079

giving numbers connected to

1592

00:58:22,390 --> 00:58:20,480

events or projects that he did work on

1593

00:58:25,510 --> 00:58:22,400

so they're seeing

1594

00:58:27,510 --> 00:58:25,520

what he can't say does that make sense

1595

00:58:29,270 --> 00:58:27,520

so that was the brilliance of it and so

1596

00:58:31,109 --> 00:58:29,280

so many people started figuring out more

1597

00:58:32,549 --> 00:58:31,119

and more things and more

1598

00:58:33,430 --> 00:58:32,559

more and more remote viewers are there

1599

00:58:35,109 --> 00:58:33,440

to

1600

00:58:36,390 --> 00:58:35,119

tell the world you know i don't do this

1601

00:58:40,150 --> 00:58:36,400

this is what's going on

1602

00:58:42,390 --> 00:58:40,160

and kind of made it a more legitimate uh

1603

00:58:45,270 --> 00:58:42,400

uh scientific skill set that anybody

1604

00:58:48,390 --> 00:58:45,280

with a decent mind can do

1605

00:58:49,190 --> 00:58:48,400

so um yeah i thought that was brilliant

1606

00:58:51,510 --> 00:58:49,200

and

1607

00:58:52,710 --> 00:58:51,520

um

1608

00:58:53,750 --> 00:58:52,720

it was just a great way to get the

1609

00:58:54,950 --> 00:58:53,760

information out because like you're

1610

00:58:57,670 --> 00:58:54,960

saying how do you get the information

1611

00:59:00,230 --> 00:58:57,680

out that's how he did it in his way

1612

00:59:02,230 --> 00:59:00,240

um so there are ways of getting the

1613

00:59:05,270 --> 00:59:02,240

truth out there

1614

00:59:07,510 --> 00:59:05,280

uh and staying under radar

1615

00:59:08,870 --> 00:59:07,520

i'm with you man and i think you know

1616

00:59:10,870 --> 00:59:08,880

when it comes

1617

00:59:12,789 --> 00:59:10,880

down to the wire i mean

1618

00:59:15,349 --> 00:59:12,799

dollar for dollar your money is best

1619

00:59:17,190 --> 00:59:15,359

spent with you know hiring remote

1620

00:59:20,470 --> 00:59:17,200

viewers i mean like these premier

1621

00:59:21,910 --> 00:59:20,480

psychic spies such as ed dames

1622

00:59:24,390 --> 00:59:21,920

because

1623

00:59:26,870 --> 00:59:24,400

they have an intelligence that these

1624

00:59:29,430 --> 00:59:26,880

agencies want

1625

00:59:31,829 --> 00:59:29,440

right and i mean they are have you seen

1626  
00:59:33,030 --> 00:59:31,839  
the movie suspect zero that tom cruise

1627  
00:59:34,069 --> 00:59:33,040  
produced

1628  
00:59:36,710 --> 00:59:34,079  
with with

1629  
00:59:39,589 --> 00:59:36,720  
with ben kingsley as the lead yes and

1630  
00:59:41,510 --> 00:59:39,599  
major ed names makes a cameo in that

1631  
00:59:43,270 --> 00:59:41,520  
while he's seeing that in the movie he

1632  
00:59:45,349 --> 00:59:43,280  
sees like a real real film on the

1633  
00:59:47,190 --> 00:59:45,359  
projector and it's showing a training

1634  
00:59:49,270 --> 00:59:47,200  
seminar and it's major ed danes doing a

1635  
00:59:52,470 --> 00:59:49,280  
training seminar in the movie

1636  
00:59:54,870 --> 00:59:52,480  
so cool i think he he's he's so cool man

1637  
00:59:57,270 --> 00:59:54,880  
he's such a cool guy and a lot of these

1638  
01:00:00,710 --> 00:59:57,280

individuals are and it's funny how

1639

01:00:01,750 --> 01:00:00,720

over time you know whether it be ingo

1640

01:00:03,910 --> 01:00:01,760

swan

1641

01:00:06,309 --> 01:00:03,920

uh i mean going his back as far as

1642

01:00:07,510 --> 01:00:06,319

manley p hall like a lot of these people

1643

01:00:15,990 --> 01:00:07,520

that

1644

01:00:18,230 --> 01:00:16,000

our livelihood were kind of dismissed

1645

01:00:19,510 --> 01:00:18,240

and it's it's taken a long time to kind

1646

01:00:20,950 --> 01:00:19,520

of get that traction and that

1647

01:00:22,230 --> 01:00:20,960

credibility but i think it's so

1648

01:00:24,789 --> 01:00:22,240

unbelievable at this point that

1649

01:00:26,150 --> 01:00:24,799

everybody just has to accept it

1650

01:00:27,030 --> 01:00:26,160

yeah

1651

01:00:29,190 --> 01:00:27,040

well

1652

01:00:30,870 --> 01:00:29,200

once everybody

1653

01:00:31,750 --> 01:00:30,880

you know figures out how to learn how to

1654

01:00:34,630 --> 01:00:31,760

do it

1655

01:00:37,190 --> 01:00:34,640

there won't be any more secrets

1656

01:00:39,190 --> 01:00:37,200

yeah it's rising above the noise it's so

1657

01:00:42,390 --> 01:00:39,200

cool i can't can't thank you enough as

1658

01:00:44,069 --> 01:00:42,400

we wrap up here uh doc how

1659

01:00:45,910 --> 01:00:44,079

let's let's mention one more time to

1660

01:00:47,670 --> 01:00:45,920

listeners where they can uh

1661

01:00:51,109 --> 01:00:47,680

kind of keep in touch with everything

1662

01:00:53,349 --> 01:00:51,119

you have going on and and plug into all

1663

01:00:57,510 --> 01:00:53,359

of your media streams

1664

01:00:59,109 --> 01:00:57,520

um all my facebook doc skinner um

1665

01:01:01,030 --> 01:00:59,119

uh go to the one with me with an

1666

01:01:01,750 --> 01:01:01,040

astronaut helmet that's the other one's

1667

01:01:04,069 --> 01:01:01,760

like

1668

01:01:05,349 --> 01:01:04,079

you know an acting page i really don't

1669

01:01:10,309 --> 01:01:05,359

do much on there

1670

01:01:11,270 --> 01:01:10,319

um and then 10 28 productions on youtube

1671

01:01:14,069 --> 01:01:11,280

and

1672

01:01:17,030 --> 01:01:14,079

uh if you want to support what i do

1673

01:01:21,750 --> 01:01:17,040

can join me on patreon

1674

01:01:26,150 --> 01:01:23,990

you are the man i can't thank you enough

1675

01:01:27,990 --> 01:01:26,160

for jumping on the airwaves with me man

1676

01:01:29,670 --> 01:01:28,000

i i love what you're doing i love all

1677

01:01:31,270 --> 01:01:29,680

the truth you're spreading and you're

1678

01:01:33,990 --> 01:01:31,280

never daunted

1679

01:01:35,349 --> 01:01:34,000

by all of the uh naysayers and shadow

1680

01:01:36,870 --> 01:01:35,359

banning so

1681

01:01:38,710 --> 01:01:36,880

again

1682

01:01:39,829 --> 01:01:38,720

you're a role model bro

1683

01:01:41,030 --> 01:01:39,839

um

1684

01:01:42,789 --> 01:01:41,040

for real

1685

01:01:44,390 --> 01:01:42,799

uh can't wait till we chat again and i

1686

01:01:46,390 --> 01:01:44,400

hope you have a good one

1687

01:01:50,630 --> 01:01:46,400

youtube thank you sir

1688

01:01:54,710 --> 01:01:50,640

un freaking believable doc scanner is so

1689

01:01:57,990 --> 01:01:54,720

cool the way he is involved in so much

1690

01:02:01,029 --> 01:01:58,000

one of the og's of the airwaves and

1691

01:02:02,950 --> 01:02:01,039

filmography i mean he's got he has got

1692

01:02:04,630 --> 01:02:02,960

some serious creds

1693

01:02:06,789 --> 01:02:04,640

and let me tell you he

1694

01:02:09,430 --> 01:02:06,799

he really knows how to get the info out

1695

01:02:10,950 --> 01:02:09,440

there in a way that is productive

1696

01:02:12,710 --> 01:02:10,960

positive

1697

01:02:15,109 --> 01:02:12,720

he's not one of the naysayers or

1698

01:02:17,510 --> 01:02:15,119

negative people on the internet he's

1699

01:02:18,470 --> 01:02:17,520

always out to lend a helping hand

1700

01:02:20,630 --> 01:02:18,480

and

1701

01:02:24,069 --> 01:02:20,640

you know he's helping the shift the

1702

01:02:25,829 --> 01:02:24,079

shift and the rise of humanity

1703

01:02:27,910 --> 01:02:25,839

understanding what's really going on

1704

01:02:29,910 --> 01:02:27,920

behind the scenes

1705

01:02:32,069 --> 01:02:29,920

and being okay with it that's kind of

1706

01:02:34,630 --> 01:02:32,079

that's the coolest part um just a cool

1707

01:02:36,870 --> 01:02:34,640

overall guy please support his efforts

1708

01:02:38,870 --> 01:02:36,880

uh check him out online

1709

01:02:40,230 --> 01:02:38,880

and check out some of his movies they're

1710

01:02:42,470 --> 01:02:40,240

really cool

1711

01:02:46,829 --> 01:02:42,480

can't be happier about our discussion

1712

01:02:48,710 --> 01:02:46,839

and uh yeah if you haven't gone over to

1713

01:02:51,910 --> 01:02:48,720

heroparanormal.com definitely subscribe

1714

01:02:54,470 --> 01:02:51,920

there helps me keep the thing going if

1715

01:02:57,990 --> 01:02:54,480

you want to hear more podcasts the best

1716

01:03:00,710 --> 01:02:58,000

way to do it is to head over to patreon

1717

01:03:02,710 --> 01:03:00,720

and become a subscriber there it's hero

1718

01:03:05,589 --> 01:03:02,720

paranormal at patreon

1719

01:03:07,589 --> 01:03:05,599

the more subscribers i have the more

1720

01:03:10,069 --> 01:03:07,599

podcasts i can get out it's just a

1721

01:03:11,510 --> 01:03:10,079

matter of time and as we all know time

1722

01:03:13,670 --> 01:03:11,520

is money so

1723

01:03:15,990 --> 01:03:13,680

um anyway i appreciate those that do

1724

01:03:17,910 --> 01:03:16,000

help out and i appreciate everyone that

1725

01:03:19,109 --> 01:03:17,920

listens in whether it be the free shows

1726

01:03:21,910 --> 01:03:19,119

or not so

1727

01:03:23,910 --> 01:03:21,920

uh love you all until next time keep

1728

01:03:26,230 --> 01:03:23,920

your eyes to the skies feet on the

1729

01:03:32,690 --> 01:03:26,240

ground but don't forget to take a look

1730

01:03:32,700 --> 01:03:39,349

[Music]

1731

01:03:51,490 --> 01:03:42,230

come blast off in my time machine third
