11  
00:01:04,030 --> 00:01:02,879

who has been in the game of treasure

12  
00:01:06,710 --> 00:01:04,040

hunting

13  
00:01:09,109 --> 00:01:06,720

cryptozoology and everything that is

14

00:01:11,590 --> 00:01:09,119

high strangeness in utah since as long

15

00:01:12,550 --> 00:01:11,600

as i can remember i remember being just

16

00:01:16,710 --> 00:01:12,560

a kid

17

00:01:18,870 --> 00:01:16,720

and being invited to these gatherings

18

00:01:21,270 --> 00:01:18,880

where the brightest the best and the

19

00:01:23,109 --> 00:01:21,280

most intense researchers in the state of

20

00:01:24,830 --> 00:01:23,119

utah were coming together and talking

21

00:01:29,109 --> 00:01:24,840

about spanish gold

22

00:01:31,350 --> 00:01:29,119

artifacts bigfoot ufos and anything that

23

00:01:33,590 --> 00:01:31,360

was strange different or outside of the

24

00:01:35,910 --> 00:01:33,600

cultural norm

25

00:01:38,950 --> 00:01:35,920

but witnessed within the boundaries of

26  
00:01:41,190 --> 00:01:38,960  
the state of utah and sometimes outside

27  
00:01:43,270 --> 00:01:41,200  
the boundaries of the state of utah

28  
00:01:45,990 --> 00:01:43,280  
it is a real pleasure to have mark

29  
00:01:49,109 --> 00:01:46,000  
robinson on the podcast he's

30  
00:01:50,469 --> 00:01:49,119  
as good as a guest as you can guess

31  
00:01:53,429 --> 00:01:50,479  
and uh

32  
00:01:56,950 --> 00:01:53,439  
i'm i'm very excited

33  
00:01:59,270 --> 00:01:56,960  
so without further ado my man mark

34  
00:02:01,510 --> 00:01:59,280  
robinson welcome to the hero paranormal

35  
00:02:03,030 --> 00:02:01,520  
podcast how you doing

36  
00:02:04,870 --> 00:02:03,040  
i'm doing good

37  
00:02:07,749 --> 00:02:04,880  
good good this is going to be a great

38  
00:02:09,990 --> 00:02:07,759

conversation i can't wait to get into it

39

00:02:11,510 --> 00:02:10,000

well i hope i don't disappoint ryan i

40

00:02:14,390 --> 00:02:11,520

mean you know

41

00:02:16,070 --> 00:02:14,400

hardly hardly i was just uh

42

00:02:17,030 --> 00:02:16,080

thinking you know as long as i can

43

00:02:18,949 --> 00:02:17,040

remember

44

00:02:21,510 --> 00:02:18,959

and i've been around this planet a

45

00:02:23,030 --> 00:02:21,520

little while 47 years and as long as i

46

00:02:25,510 --> 00:02:23,040

can remember mark

47

00:02:29,190 --> 00:02:25,520

you've been involved

48

00:02:31,190 --> 00:02:29,200

and uh promoting and getting

49

00:02:33,750 --> 00:02:31,200

a group of guys together and girls

50

00:02:35,910 --> 00:02:33,760

whoever the best and brightest minds

51  
00:02:38,070 --> 00:02:35,920  
within the state of utah and sometimes

52  
00:02:39,270 --> 00:02:38,080  
outside the state of utah

53  
00:02:42,309 --> 00:02:39,280  
discussing

54  
00:02:44,869 --> 00:02:42,319  
treasure hunting spanish gold bigfoot

55  
00:02:46,949 --> 00:02:44,879  
ufos anything high strangeness in the

56  
00:02:48,550 --> 00:02:46,959  
state of utah you've kind of always been

57  
00:02:49,670 --> 00:02:48,560  
there and

58  
00:02:52,150 --> 00:02:49,680  
i've all

59  
00:02:54,070 --> 00:02:52,160  
it's been a while and i've always i

60  
00:02:55,509 --> 00:02:54,080  
remember going out to morgan utah there

61  
00:02:58,070 --> 00:02:55,519  
meeting you the first time and i was

62  
00:02:59,430 --> 00:02:58,080  
blown away you've been in this game a

63  
00:03:02,149 --> 00:02:59,440

long time

64

00:03:04,309 --> 00:03:02,159

and kind of behind the scenes always

65

00:03:07,030 --> 00:03:04,319

getting people together to talk about in

66

00:03:09,589 --> 00:03:07,040

my opinion the most interesting things

67

00:03:11,750 --> 00:03:09,599

happening within the state of utah how

68

00:03:12,470 --> 00:03:11,760

how did you get started along this path

69

00:03:17,190 --> 00:03:12,480

and

70

00:03:19,190 --> 00:03:17,200

because it's a motivator for me

71

00:03:20,790 --> 00:03:19,200

yeah well you know ryan it's the

72

00:03:22,070 --> 00:03:20,800

dangerous thing

73

00:03:24,070 --> 00:03:22,080

uh

74

00:03:26,070 --> 00:03:24,080

some a friend of mine from high school

75

00:03:27,110 --> 00:03:26,080

in college we're best friends with each

76

00:03:29,190 --> 00:03:27,120

other

77

00:03:31,750 --> 00:03:29,200

and then marriage happens and kids

78

00:03:34,070 --> 00:03:31,760

happen we we lost each other for all a

79

00:03:36,309 --> 00:03:34,080

long time i looked up one day and there

80

00:03:38,789 --> 00:03:36,319

he was and he we took off went for a

81

00:03:41,110 --> 00:03:38,799

ride and had seen each other forever

82

00:03:43,430 --> 00:03:41,120

he goes mark you can't eat these books

83

00:03:46,710 --> 00:03:43,440

these books well there was a writer a

84

00:03:49,990 --> 00:03:46,720

local writer in utah he's been

85

00:03:51,430 --> 00:03:50,000

gotten a car wreck in like 1990

86

00:03:53,350 --> 00:03:51,440

something

87

00:03:54,949 --> 00:03:53,360

anyway he wrote a bunch of books and we

88

00:03:56,470 --> 00:03:54,959

just got into these books and they and

89

00:03:57,990 --> 00:03:56,480

they were it was

90

00:03:59,990 --> 00:03:58,000

mostly treasure

91

00:04:02,070 --> 00:04:00,000

in the state of utah i mean i'm

92

00:04:05,350 --> 00:04:02,080

virtually all of it utah

93

00:04:08,309 --> 00:04:05,360

and we just got into it big time

94

00:04:10,070 --> 00:04:08,319

and uh we started going out

95

00:04:11,910 --> 00:04:10,080

and there was just now there was

96

00:04:13,670 --> 00:04:11,920

actually three of us

97

00:04:15,750 --> 00:04:13,680

and one day

98

00:04:18,229 --> 00:04:15,760

i i heard i didn't know anything about

99

00:04:21,030 --> 00:04:18,239

his name was george thompson

100

00:04:22,710 --> 00:04:21,040

and uh i heard he lived in the town that

101  
00:04:26,070 --> 00:04:22,720  
i lived in time

102  
00:04:28,310 --> 00:04:26,080  
and this was like pre-cell phone time

103  
00:04:29,270 --> 00:04:28,320  
few guys had them but mostly nobody so

104  
00:04:31,749 --> 00:04:29,280  
anyway

105  
00:04:34,070 --> 00:04:31,759  
i was out and about and i

106  
00:04:35,909 --> 00:04:34,080  
went and looked went to a phone booth

107  
00:04:38,390 --> 00:04:35,919  
you know and looked it up and there he

108  
00:04:40,710 --> 00:04:38,400  
was i mean there was this number

109  
00:04:42,710 --> 00:04:40,720  
one and he's only a mile away from where

110  
00:04:44,710 --> 00:04:42,720  
i was so i drove over

111  
00:04:46,310 --> 00:04:44,720  
and i thought wonder which house well

112  
00:04:48,950 --> 00:04:46,320  
here's this house with

113  
00:04:51,110 --> 00:04:48,960

mining stuff all over and i went back

114

00:04:53,909 --> 00:04:51,120

and called him you see come on over

115

00:04:55,430 --> 00:04:53,919

so we we was chasing some stuff down his

116

00:04:57,189 --> 00:04:55,440

books were great

117

00:04:58,230 --> 00:04:57,199

and the good stuff he would tell you how

118

00:05:00,070 --> 00:04:58,240

to get there

119

00:05:01,510 --> 00:05:00,080

but you couldn't get there i mean he

120

00:05:03,830 --> 00:05:01,520

didn't want you there but he wanted you

121

00:05:06,230 --> 00:05:03,840

to write you know read his books

122

00:05:09,830 --> 00:05:06,240

so we i went over and we had

123

00:05:12,070 --> 00:05:09,840

it was a butch cassidy

124

00:05:15,270 --> 00:05:12,080

and uh it was out in the middle of

125

00:05:16,870 --> 00:05:15,280

nowhere out in the uh centerfield swell

126

00:05:19,029 --> 00:05:16,880

which is is

127

00:05:21,430 --> 00:05:19,039

a part of the grand canyon it just comes

128

00:05:23,590 --> 00:05:21,440

you know all through utah

129

00:05:27,350 --> 00:05:23,600

and we he went over his and he wasn't

130

00:05:29,029 --> 00:05:27,360

terribly friendly but he was reasonably

131

00:05:30,070 --> 00:05:29,039

friendly and he goes well what are you

132

00:05:31,909 --> 00:05:30,080

looking for and i said well we're

133

00:05:33,510 --> 00:05:31,919

looking for this butch guess he says

134

00:05:35,510 --> 00:05:33,520

where do you think it is and i said well

135

00:05:37,350 --> 00:05:35,520

we think it's right here

136

00:05:38,950 --> 00:05:37,360

and i quote he goes oh good hell you're

137

00:05:40,950 --> 00:05:38,960

100 miles away

138

00:05:43,029 --> 00:05:40,960

and i thought you're kidding we went

139

00:05:44,950 --> 00:05:43,039

exactly anyway he told me how to get

140

00:05:48,070 --> 00:05:44,960

there and he was right on

141

00:05:50,230 --> 00:05:48,080

and we went to this hideout

142

00:05:51,510 --> 00:05:50,240

and i've tried to find it a couple times

143

00:05:53,590 --> 00:05:51,520

since

144

00:05:54,950 --> 00:05:53,600

and the uh the environmentalists are

145

00:05:57,749 --> 00:05:54,960

pretty much

146

00:06:00,550 --> 00:05:57,759

you cannot get get there anymore we

147

00:06:02,309 --> 00:06:00,560

drove right in and had to hike and now

148

00:06:04,309 --> 00:06:02,319

you can't now you've got to go from

149

00:06:06,790 --> 00:06:04,319

another direction and i can't find it

150

00:06:08,950 --> 00:06:06,800

again but cabins and

151

00:06:10,950 --> 00:06:08,960

a couple of old cabins and

152

00:06:12,309 --> 00:06:10,960

and it was and so that's kind of what

153

00:06:14,390 --> 00:06:12,319

started it

154

00:06:16,790 --> 00:06:14,400

really we just kind of got

155

00:06:18,550 --> 00:06:16,800

taken by it it was just kind of a

156

00:06:20,469 --> 00:06:18,560

like you know like you caught a cold or

157

00:06:23,110 --> 00:06:20,479

something you couldn't get rid of but

158

00:06:24,950 --> 00:06:23,120

that's kind of what started it and then

159

00:06:28,309 --> 00:06:24,960

uh you know it

160

00:06:31,350 --> 00:06:28,319

it kind of evolved from there

161

00:06:33,350 --> 00:06:31,360

we met a guy a friend of mine one of the

162

00:06:35,189 --> 00:06:33,360

three of us that would go out

163

00:06:37,749 --> 00:06:35,199

he goes mark and we had

164

00:06:39,749 --> 00:06:37,759

well no we hadn't started we

165

00:06:42,070 --> 00:06:39,759

this guy he they go mark we you got to

166

00:06:43,430 --> 00:06:42,080

meet this guy so i said well let's yeah

167

00:06:46,070 --> 00:06:43,440

let's do it so

168

00:06:48,309 --> 00:06:46,080

we meet up with this guy

169

00:06:49,749 --> 00:06:48,319

unbeknownst to us at the level he was

170

00:06:52,790 --> 00:06:49,759

playing in

171

00:06:55,430 --> 00:06:52,800

i mean indiana jones had nothing on him

172

00:06:57,510 --> 00:06:55,440

and uh

173

00:06:58,710 --> 00:06:57,520

we we went and met at this friend of

174

00:07:00,629 --> 00:06:58,720

mine shop

175

00:07:03,110 --> 00:07:00,639

went upstairs in this little

176

00:07:04,150 --> 00:07:03,120

little room that they would go the plans

177

00:07:05,830 --> 00:07:04,160

in and

178

00:07:08,150 --> 00:07:05,840

and wayne comes in he's got all these

179

00:07:09,589 --> 00:07:08,160

maps under his arms introduced how you

180

00:07:11,350 --> 00:07:09,599

doing good unit

181

00:07:12,950 --> 00:07:11,360

and he goes uh

182

00:07:15,029 --> 00:07:12,960

shut the door

183

00:07:16,469 --> 00:07:15,039

so there was four of us there three of

184

00:07:18,469 --> 00:07:16,479

us meant him

185

00:07:21,350 --> 00:07:18,479

and he was we shut the door and he goes

186

00:07:23,589 --> 00:07:21,360

how dangerous you want to make this

187

00:07:26,070 --> 00:07:23,599

and we looked at each other the two of

188

00:07:27,110 --> 00:07:26,080

my one we looked at each other like are

189

00:07:28,710 --> 00:07:27,120

you kidding

190

00:07:31,350 --> 00:07:28,720

and he wasn't kidding

191

00:07:33,909 --> 00:07:31,360

and he rolls out this map

192

00:07:34,950 --> 00:07:33,919

and it wasn't some old spanish map it

193

00:07:37,350 --> 00:07:34,960

was his

194

00:07:39,990 --> 00:07:37,360

but he had written all over it

195

00:07:42,150 --> 00:07:40,000

and uh he rolls it out and there's

196

00:07:44,629 --> 00:07:42,160

there's chicks there's circles there's

197

00:07:47,510 --> 00:07:44,639

stars there's stuff all over it from the

198

00:07:49,110 --> 00:07:47,520

uintas up here in utah

199

00:07:51,350 --> 00:07:49,120

and uh

200

00:07:53,589 --> 00:07:51,360

you know he wouldn't

201

00:07:55,110 --> 00:07:53,599

necessarily volunteer

202

00:07:56,629 --> 00:07:55,120

anything but he would tell you if you

203

00:07:59,270 --> 00:07:56,639

asked him he would go oh yeah this is

204

00:08:00,950 --> 00:07:59,280

blah blah blah and so i'm going along

205

00:08:03,029 --> 00:08:00,960

and i go uh

206

00:08:05,189 --> 00:08:03,039

well wayne what is this and goes oh

207

00:08:08,309 --> 00:08:05,199

that's the spanish mine we found and see

208

00:08:10,230 --> 00:08:08,319

we were early in the game spanish might

209

00:08:12,790 --> 00:08:10,240

yeah there was nothing in that one

210

00:08:14,390 --> 00:08:12,800

oh okay so we're going along well what

211

00:08:17,189 --> 00:08:14,400

about this and he goes well that was a

212

00:08:19,430 --> 00:08:17,199

cannon we found stuck in the ground

213

00:08:21,670 --> 00:08:19,440

and we go i cannot

214

00:08:23,110 --> 00:08:21,680

and he goes yeah is it still there oh

215

00:08:25,350 --> 00:08:23,120

i'm sure it was we didn't care about it

216

00:08:26,790 --> 00:08:25,360

we wanted the gold and it would just go

217

00:08:29,589 --> 00:08:26,800

through like this

218

00:08:31,029 --> 00:08:29,599

and the guy absolutely

219

00:08:33,670 --> 00:08:31,039

fascinated me

220

00:08:36,149 --> 00:08:33,680

i mean he just did and we got to be real

221

00:08:37,430 --> 00:08:36,159

good friends after

222

00:08:41,350 --> 00:08:37,440

uh

223

00:08:42,870 --> 00:08:41,360

one funny thing we got his number after

224

00:08:44,550 --> 00:08:42,880

you know we met

225

00:08:46,630 --> 00:08:44,560

and i would call him i'm the one that

226

00:08:49,190 --> 00:08:46,640

got really close to him

227

00:08:50,790 --> 00:08:49,200

and we would go over to his house

228

00:08:52,070 --> 00:08:50,800

and i got to tell you something funny

229

00:08:55,110 --> 00:08:52,080

ryan this is

230

00:08:56,949 --> 00:08:55,120

came right out of his mouth uh his wife

231

00:08:58,230 --> 00:08:56,959

would be there he was a contractor i'm a

232

00:08:58,949 --> 00:08:58,240

contractor

233

00:09:00,870 --> 00:08:58,959

so

234

00:09:02,550 --> 00:09:00,880

wayne was fairly easy you know when if

235

00:09:04,150 --> 00:09:02,560

you got the right times you could get

236

00:09:06,470 --> 00:09:04,160

hook up with him

237

00:09:08,389 --> 00:09:06,480

and we would go to his house which

238

00:09:10,470 --> 00:09:08,399

wasn't all that far away just

239

00:09:12,389 --> 00:09:10,480

just down out of kind of a little town

240

00:09:14,870 --> 00:09:12,399

outside of ogden

241

00:09:15,990 --> 00:09:14,880

and his wife hated our

242

00:09:17,990 --> 00:09:16,000

guts

243

00:09:19,670 --> 00:09:18,000

and and i'll tell you why

244

00:09:22,310 --> 00:09:19,680

so we go there meet there with wayne and

245

00:09:25,670 --> 00:09:22,320

wayne get all excited wayne told me once

246

00:09:27,590 --> 00:09:25,680

he would go out and through the winners

247

00:09:29,670 --> 00:09:27,600

uh and they were on horses so they

248

00:09:32,550 --> 00:09:29,680

really could cover a lot of ground

249

00:09:34,630 --> 00:09:32,560

and they knew what they were doing

250

00:09:36,870 --> 00:09:34,640

uh and he said

251  
00:09:39,509 --> 00:09:36,880  
you know i'm going to go any i think he

252  
00:09:40,550 --> 00:09:39,519  
was a shoestring relation to these two

253  
00:09:42,550 --> 00:09:40,560  
other guys

254  
00:09:44,310 --> 00:09:42,560  
and that from what i understand they're

255  
00:09:45,910 --> 00:09:44,320  
crazy buggers but

256  
00:09:48,389 --> 00:09:45,920  
they he said i'm going to go meet up

257  
00:09:50,550 --> 00:09:48,399  
with them and i'll see you uh you know a

258  
00:09:52,230 --> 00:09:50,560  
few days okay be careful you know don't

259  
00:09:55,350 --> 00:09:52,240  
don't kill yourself

260  
00:09:58,310 --> 00:09:55,360  
wayne didn't come back for 10 weeks

261  
00:10:01,030 --> 00:09:58,320  
he was up there for 10 weeks

262  
00:10:03,750 --> 00:10:01,040  
and i said well wayne

263  
00:10:04,949 --> 00:10:03,760

and he said yeah we cut kind of got it

264

00:10:06,710 --> 00:10:04,959

on a roll

265

00:10:09,350 --> 00:10:06,720

i guess when he got home

266

00:10:11,509 --> 00:10:09,360

his wife all but

267

00:10:14,230 --> 00:10:11,519

cut his head off

268

00:10:16,550 --> 00:10:14,240

and i t he never explained he never told

269

00:10:19,509 --> 00:10:16,560

admitted but he told i think this is

270

00:10:21,430 --> 00:10:19,519

what pretty much killed wayne's

271

00:10:25,030 --> 00:10:21,440

prospecting uh

272

00:10:27,430 --> 00:10:25,040

you know endeavors and then we come in

273

00:10:29,750 --> 00:10:27,440

and we get him all pumped up because we

274

00:10:30,949 --> 00:10:29,760

were pumped up and that's why she hated

275

00:10:32,949 --> 00:10:30,959

our guts

276

00:10:34,870 --> 00:10:32,959

but we would come over and he would go

277

00:10:36,790 --> 00:10:34,880

get his maps and stuff

278

00:10:39,110 --> 00:10:36,800

and he'd go over and oh i'm getting so

279

00:10:41,030 --> 00:10:39,120

excited and he would tell us this that

280

00:10:44,069 --> 00:10:41,040

and some of these he got into some

281

00:10:48,310 --> 00:10:44,079

pretty amazing places

282

00:10:50,949 --> 00:10:48,320

and uh uh you know it's kind of funny so

283

00:10:52,310 --> 00:10:50,959

we we never did get to go out with him

284

00:10:55,030 --> 00:10:52,320

but we tried

285

00:10:56,790 --> 00:10:55,040

and you know schedules and stuff

286

00:10:59,030 --> 00:10:56,800

and we all had families and he had

287

00:11:00,710 --> 00:10:59,040

pretty much his family's kind of raised

288

00:11:02,470 --> 00:11:00,720

and gone and

289

00:11:03,910 --> 00:11:02,480

and uh

290

00:11:06,470 --> 00:11:03,920

a friend of mine

291

00:11:08,230 --> 00:11:06,480

this is how the powwow started

292

00:11:10,470 --> 00:11:08,240

i'm a contractor i was building my own

293

00:11:13,670 --> 00:11:10,480

house and there was a guy that came

294

00:11:15,829 --> 00:11:13,680

around and now you've met kids

295

00:11:17,590 --> 00:11:15,839

well kent was the inspector for the

296

00:11:19,670 --> 00:11:17,600

county here in morgan

297

00:11:22,630 --> 00:11:19,680

and he would come and

298

00:11:25,670 --> 00:11:22,640

uh enter you know inspect my house and

299

00:11:27,910 --> 00:11:25,680

then we'd sit in bs for four hours after

300

00:11:30,069 --> 00:11:27,920

because cant can really can really do

301  
00:11:31,910 --> 00:11:30,079  
yes and uh

302  
00:11:33,350 --> 00:11:31,920  
and he i was telling him that wayne oh

303  
00:11:35,110 --> 00:11:33,360  
man i've heard about him i want to meet

304  
00:11:37,190 --> 00:11:35,120  
him i want to meet him so i said well

305  
00:11:40,069 --> 00:11:37,200  
i'll tell you what i'll just uh

306  
00:11:42,310 --> 00:11:40,079  
hook up a little get together and

307  
00:11:44,230 --> 00:11:42,320  
and i did and there was uh four of us

308  
00:11:46,069 --> 00:11:44,240  
wayne me

309  
00:11:47,990 --> 00:11:46,079  
kent and a friend of mine

310  
00:11:48,949 --> 00:11:48,000  
and we just sat there and

311  
00:11:53,910 --> 00:11:48,959  
and

312  
00:11:58,150 --> 00:11:53,920  
here you got a guy that not only had the

313  
00:12:00,470 --> 00:11:58,160

t-shirt but he had done it and

314

00:12:01,829 --> 00:12:00,480

a couple days later i called one of my

315

00:12:03,829 --> 00:12:01,839

friends and i said you know that was

316

00:12:05,990 --> 00:12:03,839

really fun we had to do that some more

317

00:12:09,030 --> 00:12:06,000

and that's what started it as humble as

318

00:12:13,110 --> 00:12:09,040

that is that was four people

319

00:12:15,430 --> 00:12:13,120

counting me and it exploded to

320

00:12:17,350 --> 00:12:15,440

craziness

321

00:12:19,269 --> 00:12:17,360

in a million years thought it would

322

00:12:22,150 --> 00:12:19,279

and that's what's so fascinating about

323

00:12:24,710 --> 00:12:22,160

all this to me is just how humble you

324

00:12:26,870 --> 00:12:24,720

are and how humble this this group of

325

00:12:29,030 --> 00:12:26,880

guys that you have are you guys have

326

00:12:31,990 --> 00:12:29,040

never been in it for money never been in

327

00:12:33,750 --> 00:12:32,000

it for fame no you've never you've never

328

00:12:35,509 --> 00:12:33,760

you know

329

00:12:37,670 --> 00:12:35,519

had it function that way it's just a

330

00:12:39,590 --> 00:12:37,680

group of like-minded individuals and i

331

00:12:40,550 --> 00:12:39,600

was blown away with just

332

00:12:42,629 --> 00:12:40,560

how

333

00:12:45,509 --> 00:12:42,639

inviting you were the first time i mean

334

00:12:48,710 --> 00:12:45,519

this was decades ago and yeah it was a

335

00:12:50,870 --> 00:12:48,720

while a long time ago and you've hit on

336

00:12:52,230 --> 00:12:50,880

so many topics mark that you docked it

337

00:12:54,470 --> 00:12:52,240

right out of the park with the first

338

00:12:56,870 --> 00:12:54,480

question which was amazing

339

00:12:59,750 --> 00:12:56,880

i absolutely love the san rafael swell

340

00:13:02,150 --> 00:12:59,760

if nobody's been there in utah it is one

341

00:13:03,509 --> 00:13:02,160

of the isn't am i right it's just such a

342

00:13:05,910 --> 00:13:03,519

gem

343

00:13:08,310 --> 00:13:05,920

it's unreal and especially if you dive

344

00:13:09,750 --> 00:13:08,320

into the history of what has happened

345

00:13:12,389 --> 00:13:09,760

there

346

00:13:14,069 --> 00:13:12,399

and that's the big thing yeah it goes

347

00:13:16,629 --> 00:13:14,079

back a million years

348

00:13:18,470 --> 00:13:16,639

it's it's it's it's a you're like you

349

00:13:20,470 --> 00:13:18,480

said it's a gym

350

00:13:24,069 --> 00:13:20,480

it is really is

351

00:13:26,230 --> 00:13:24,079

it uh but well let me tell you so what

352

00:13:28,550 --> 00:13:26,240

so what we we started doing this the

353

00:13:30,949 --> 00:13:28,560

powwows we called it the pow wow for no

354

00:13:33,590 --> 00:13:30,959

reason there was three of us you know we

355

00:13:35,030 --> 00:13:33,600

it didn't mean anything and i talked to

356

00:13:36,790 --> 00:13:35,040

guys well i don't like i don't want to

357

00:13:40,150 --> 00:13:36,800

go to a bunch of indian stuff

358

00:13:42,710 --> 00:13:40,160

it's got nothing it's got it doesn't

359

00:13:44,949 --> 00:13:42,720

go anywhere with the indian thing it it

360

00:13:47,670 --> 00:13:44,959

doesn't disrespect it doesn't it doesn't

361

00:13:48,389 --> 00:13:47,680

anything it just it's literally just a

362

00:13:50,150 --> 00:13:48,399

word

363

00:13:51,670 --> 00:13:50,160

that stuck and now it's

364

00:13:53,990 --> 00:13:51,680

in stone

365

00:13:55,350 --> 00:13:54,000

but what happened uh

366

00:13:56,870 --> 00:13:55,360

ryan is

367

00:13:59,509 --> 00:13:56,880

so we started

368

00:14:01,430 --> 00:13:59,519

getting together quite a bit well we

369

00:14:04,310 --> 00:14:01,440

tried to do it twice a year

370

00:14:07,269 --> 00:14:04,320

and and we did that for a long time but

371

00:14:10,470 --> 00:14:07,279

i wouldn't i would call and invite wayne

372

00:14:13,910 --> 00:14:10,480

oh yeah i i but what happened wayne had

373

00:14:15,590 --> 00:14:13,920

started into uh alzheimer's

374

00:14:18,470 --> 00:14:15,600

and uh

375

00:14:20,150 --> 00:14:18,480

i don't know you know people that have

376

00:14:21,910 --> 00:14:20,160

everybody's kind of been hit with that a

377

00:14:23,750 --> 00:14:21,920

little bit i mean

378

00:14:25,269 --> 00:14:23,760

they've known somebody

379

00:14:27,110 --> 00:14:25,279

and he would say yeah and then he would

380

00:14:29,430 --> 00:14:27,120

call me mark and he's gonna go

381

00:14:30,710 --> 00:14:29,440

well here his wife and her name was

382

00:14:32,389 --> 00:14:30,720

bonnie

383

00:14:33,509 --> 00:14:32,399

she would call me because here she hated

384

00:14:35,750 --> 00:14:33,519

my guts

385

00:14:37,990 --> 00:14:35,760

for getting him so excited but now

386

00:14:40,069 --> 00:14:38,000

wayne was homebound and

387

00:14:42,710 --> 00:14:40,079

and she told me she said mark

388

00:14:44,790 --> 00:14:42,720

keep asking him i i said i will

389

00:14:46,710 --> 00:14:44,800

absolutely and i said not only that i

390

00:14:47,670 --> 00:14:46,720

will come pick him up and i'll take him

391

00:14:49,590 --> 00:14:47,680

home because

392

00:14:51,910 --> 00:14:49,600

those people of alzheimer's it kind of

393

00:14:54,389 --> 00:14:51,920

freaks them out to be around

394

00:14:56,790 --> 00:14:54,399

something they're not familiar with

395

00:14:59,670 --> 00:14:56,800

and uh

396

00:15:00,870 --> 00:14:59,680

and this kind of goes in a strange area

397

00:15:03,269 --> 00:15:00,880

so

398

00:15:05,110 --> 00:15:03,279

he he never did come back and bonnie go

399

00:15:07,189 --> 00:15:05,120

please ask i said i will i absolutely

400

00:15:08,710 --> 00:15:07,199

will invite him again so we did we

401  
00:15:11,990 --> 00:15:08,720  
invited him every time

402  
00:15:14,470 --> 00:15:12,000  
well wayne ended up passing away

403  
00:15:16,790 --> 00:15:14,480  
september of 03

404  
00:15:19,430 --> 00:15:16,800  
and the reason i remember that i

405  
00:15:20,949 --> 00:15:19,440  
remember calling my dad and i said dad i

406  
00:15:22,310 --> 00:15:20,959  
had a good friend that passed away oh

407  
00:15:25,910 --> 00:15:22,320  
let's do that

408  
00:15:28,150 --> 00:15:25,920  
so my dad passed away two months later

409  
00:15:30,470 --> 00:15:28,160  
three months item right in there

410  
00:15:31,829 --> 00:15:30,480  
and i would just by chance was going by

411  
00:15:33,829 --> 00:15:31,839  
his house

412  
00:15:36,870 --> 00:15:33,839  
and my dad had only been gone for a few

413  
00:15:38,710 --> 00:15:36,880

days so i was tender i mean you would

414

00:15:40,470 --> 00:15:38,720

look at me sideways and i just couldn't

415

00:15:41,350 --> 00:15:40,480

take it i mean that's about how bad i

416

00:15:43,910 --> 00:15:41,360

was

417

00:15:44,870 --> 00:15:43,920

and i stopped by the house just to tell

418

00:15:47,030 --> 00:15:44,880

them

419

00:15:47,990 --> 00:15:47,040

you know condolences for wayne and stuff

420

00:15:54,069 --> 00:15:48,000

and

421

00:15:56,150 --> 00:15:54,079

i just tell these friends of mine i said

422

00:15:57,670 --> 00:15:56,160

i what i had done i'd stopped by to say

423

00:15:59,030 --> 00:15:57,680

you know

424

00:16:00,150 --> 00:15:59,040

and they said

425

00:16:01,670 --> 00:16:00,160

call him back

426  
00:16:02,790 --> 00:16:01,680  
call her back and ask if we could have

427  
00:16:04,790 --> 00:16:02,800  
the maps

428  
00:16:06,230 --> 00:16:04,800  
i said i can't do that

429  
00:16:09,030 --> 00:16:06,240  
and they kept bugging i said all right

430  
00:16:11,030 --> 00:16:09,040  
i'll try it so i called i told bonnie

431  
00:16:12,790 --> 00:16:11,040  
and i said you know

432  
00:16:16,150 --> 00:16:12,800  
would it be okay if i just kind of

433  
00:16:19,670 --> 00:16:16,160  
copied blaine's maps you know what mark

434  
00:16:23,430 --> 00:16:21,590  
well wow she's give me a week to find

435  
00:16:26,310 --> 00:16:23,440  
him and i said okay yeah

436  
00:16:28,629 --> 00:16:26,320  
a week to the second i called i did i

437  
00:16:30,230 --> 00:16:28,639  
can't find him and so give me another

438  
00:16:32,790 --> 00:16:30,240

week so i gave

439

00:16:34,710 --> 00:16:32,800

i would just just got milked on and on

440

00:16:36,790 --> 00:16:34,720

and i think she was looking

441

00:16:38,629 --> 00:16:36,800

but i'd always when we go to this house

442

00:16:40,069 --> 00:16:38,639

you could hear him go downstairs little

443

00:16:41,430 --> 00:16:40,079

small house

444

00:16:43,189 --> 00:16:41,440

and you could hear him going under the

445

00:16:44,550 --> 00:16:43,199

steps i said bonnie just go down you

446

00:16:46,790 --> 00:16:44,560

know and i told her

447

00:16:48,870 --> 00:16:46,800

well she ended up finding everything

448

00:16:51,110 --> 00:16:48,880

called me and come get him

449

00:16:53,269 --> 00:16:51,120

but she didn't have the dang map

450

00:16:55,189 --> 00:16:53,279

she had a lot of his personal writings a

451  
00:16:56,470 --> 00:16:55,199  
ton of stuff well

452  
00:16:58,949 --> 00:16:56,480  
reasonable

453  
00:17:01,030 --> 00:16:58,959  
and uh she handed them to me

454  
00:17:02,389 --> 00:17:01,040  
and i waited i made copies i said listen

455  
00:17:04,710 --> 00:17:02,399  
this stuff's real important to you now

456  
00:17:07,029 --> 00:17:04,720  
because he's gone and i'm gonna bring it

457  
00:17:09,270 --> 00:17:07,039  
back and she said great that's and so i

458  
00:17:11,270 --> 00:17:09,280  
did i made copies of everything but i

459  
00:17:13,669 --> 00:17:11,280  
didn't get the dang map

460  
00:17:16,230 --> 00:17:13,679  
oh i tell you it just

461  
00:17:17,750 --> 00:17:16,240  
oh oh

462  
00:17:19,829 --> 00:17:17,760  
wayne

463  
00:17:21,750 --> 00:17:19,839

come back and give me that map but i i

464

00:17:22,710 --> 00:17:21,760

never did get it

465

00:17:23,669 --> 00:17:22,720

and you know

466

00:17:25,590 --> 00:17:23,679

this is

467

00:17:26,630 --> 00:17:25,600

i mean it's it's like

468

00:17:28,309 --> 00:17:26,640

gold

469

00:17:30,390 --> 00:17:28,319

falling through your fingertips this

470

00:17:33,669 --> 00:17:30,400

history and the knowledge that these men

471

00:17:36,630 --> 00:17:33,679

have including yourself i find that just

472

00:17:38,789 --> 00:17:36,640

over and over again um you know reading

473

00:17:41,510 --> 00:17:38,799

the writings of gayle rhodes and kerry

474

00:17:43,590 --> 00:17:41,520

ross borden and you know so many others

475

00:17:46,470 --> 00:17:43,600

there's there's so much knowledge of the

476

00:17:48,470 --> 00:17:46,480

state of utah and you know gold in the

477

00:17:50,310 --> 00:17:48,480

land of zion and it's

478

00:17:53,110 --> 00:17:50,320

something that a lot of people just kind

479

00:17:55,669 --> 00:17:53,120

of uh they brush off as as you know old

480

00:17:56,549 --> 00:17:55,679

wives tales and things that aren't real

481

00:17:58,870 --> 00:17:56,559

but

482

00:18:01,510 --> 00:17:58,880

the evidence is there the evidence is

483

00:18:04,150 --> 00:18:01,520

there yeah and a lot of people still

484

00:18:05,750 --> 00:18:04,160

well that's bs there's no spanish here

485

00:18:10,789 --> 00:18:05,760

there's so much

486

00:18:12,549 --> 00:18:10,799

that it's not hard to find i mean you

487

00:18:15,110 --> 00:18:12,559

kind of got to get

488

00:18:18,070 --> 00:18:15,120

focused and centered and and maybe

489

00:18:19,590 --> 00:18:18,080

directive a little bit at first for sure

490

00:18:21,110 --> 00:18:19,600

uh

491

00:18:24,070 --> 00:18:21,120

well let me tell you you want another

492

00:18:24,950 --> 00:18:24,080

story about what i love i love it

493

00:18:27,110 --> 00:18:24,960

so

494

00:18:28,630 --> 00:18:27,120

how did i hear this

495

00:18:30,150 --> 00:18:28,640

it had to have been from well yeah it

496

00:18:31,990 --> 00:18:30,160

was over morning

497

00:18:33,750 --> 00:18:32,000

that when he was still

498

00:18:35,750 --> 00:18:33,760

you know pretty with it he could you

499

00:18:38,789 --> 00:18:35,760

know he could get into it with you and

500

00:18:41,990 --> 00:18:38,799

talk to you before he started losing it

501  
00:18:43,110 --> 00:18:42,000  
there's a place up in it's called uh

502  
00:18:45,430 --> 00:18:43,120  
there was a

503  
00:18:46,390 --> 00:18:45,440  
damn the ice caves have you ever heard

504  
00:18:48,630 --> 00:18:46,400  
of them

505  
00:18:51,029 --> 00:18:48,640  
it's not too far from where it's not too

506  
00:18:52,150 --> 00:18:51,039  
far from duchesne have you heard of them

507  
00:18:54,390 --> 00:18:52,160  
you know

508  
00:18:57,270 --> 00:18:54,400  
i may have heard from them but it wasn't

509  
00:18:59,590 --> 00:18:57,280  
a whole lot so i'm i'm i'm on the edge

510  
00:19:02,230 --> 00:18:59,600  
of my seat

511  
00:19:04,150 --> 00:19:02,240  
well the ice caves now there is a lot of

512  
00:19:06,310 --> 00:19:04,160  
tribal land so you

513  
00:19:09,590 --> 00:19:06,320

but you know there's you just got to

514

00:19:11,110 --> 00:19:09,600

know not to go there i mean hello you

515

00:19:13,590 --> 00:19:11,120

just don't go on that indian land

516

00:19:15,430 --> 00:19:13,600

because boy you can really catch hell uh

517

00:19:16,470 --> 00:19:15,440

yeah that ain't good

518

00:19:19,669 --> 00:19:16,480

but he

519

00:19:22,230 --> 00:19:19,679

these this guy in my case and i was i

520

00:19:24,549 --> 00:19:22,240

was i still am i'm a contractor

521

00:19:26,630 --> 00:19:24,559

and that's going to come involved here

522

00:19:28,230 --> 00:19:26,640

he was telling us that they were him and

523

00:19:30,230 --> 00:19:28,240

us this guy

524

00:19:32,310 --> 00:19:30,240

and the name i thought damn that's an

525

00:19:33,830 --> 00:19:32,320

odd name and the guys that were digging

526

00:19:35,909 --> 00:19:33,840

my holes

527

00:19:37,990 --> 00:19:35,919

that was their name and i'll go into

528

00:19:41,669 --> 00:19:38,000

that but they were messing around in

529

00:19:42,630 --> 00:19:41,679

this by the ice caves this ice cave is a

530

00:19:45,430 --> 00:19:42,640

cave

531

00:19:47,590 --> 00:19:45,440

and say i'm i'm about six one and i have

532

00:19:50,390 --> 00:19:47,600

to bend over to get in it but middle of

533

00:19:52,310 --> 00:19:50,400

summer can be hunted outside and

534

00:19:55,029 --> 00:19:52,320

the spanish would put their meat in

535

00:19:57,510 --> 00:19:55,039

there and stuff stuff like that and it's

536

00:19:59,029 --> 00:19:57,520

it's ice inside there it's it's you

537

00:20:01,110 --> 00:19:59,039

don't have to go in far

538

00:20:04,310 --> 00:20:01,120

why it works that way i have no idea but

539

00:20:06,149 --> 00:20:04,320

it it keeps things cold

540

00:20:09,350 --> 00:20:06,159

it was right by that and there was an

541

00:20:11,350 --> 00:20:09,360

area there with just a ton

542

00:20:13,750 --> 00:20:11,360

ton of uh

543

00:20:15,669 --> 00:20:13,760

uh spanish writing on the trees

544

00:20:17,510 --> 00:20:15,679

and and wayne knew what the heck he was

545

00:20:19,110 --> 00:20:17,520

reading i mean he knew what he was doing

546

00:20:20,870 --> 00:20:19,120

i mean there was a ton

547

00:20:22,070 --> 00:20:20,880

and the sad thing is by the time we got

548

00:20:25,830 --> 00:20:22,080

there ryan

549

00:20:27,750 --> 00:20:25,840

there had been a beetle infant

550

00:20:29,990 --> 00:20:27,760

what's the word the beatles had attacked

551  
00:20:33,510 --> 00:20:30,000  
the trees there and so they clear-cut

552  
00:20:36,549 --> 00:20:33,520  
the whole area that oh five acres maybe

553  
00:20:38,070 --> 00:20:36,559  
and funny just a side note the bank of

554  
00:20:40,230 --> 00:20:38,080  
invernal

555  
00:20:42,630 --> 00:20:40,240  
went up and was cutting some of this

556  
00:20:45,270 --> 00:20:42,640  
spanish tree signs out of these fallen

557  
00:20:47,990 --> 00:20:45,280  
trees and had them in their bank

558  
00:20:48,789 --> 00:20:48,000  
and so anyway wayne and this guy was up

559  
00:20:50,710 --> 00:20:48,799  
there

560  
00:20:52,789 --> 00:20:50,720  
and they were following me

561  
00:20:54,470 --> 00:20:52,799  
well they found some kind of spanish

562  
00:20:58,149 --> 00:20:54,480  
something a

563  
00:20:59,909 --> 00:20:58,159

helmet or something sword i don't know

564

00:21:01,510 --> 00:20:59,919

and so

565

00:21:03,990 --> 00:21:01,520

this guy

566

00:21:05,350 --> 00:21:04,000

he was an excavator his sons are my

567

00:21:08,710 --> 00:21:05,360

excavators

568

00:21:10,549 --> 00:21:08,720

and they took this d9 cat up there

569

00:21:13,190 --> 00:21:10,559

didn't get permission from anybody i'm

570

00:21:14,789 --> 00:21:13,200

telling you if they were if they

571

00:21:16,390 --> 00:21:14,799

both weren't dead

572

00:21:18,310 --> 00:21:16,400

i'm sure they'd be

573

00:21:20,310 --> 00:21:18,320

you know they'd be in trouble they cut

574

00:21:21,669 --> 00:21:20,320

their own road in

575

00:21:22,950 --> 00:21:21,679

and i

576

00:21:24,149 --> 00:21:22,960

it was funny because they named the

577

00:21:26,070 --> 00:21:24,159

guy's name

578

00:21:28,149 --> 00:21:26,080

and i was cutting a hole a couple days

579

00:21:30,470 --> 00:21:28,159

later i went up to these two brothers

580

00:21:32,230 --> 00:21:30,480

and i said hey uh you know you know

581

00:21:34,230 --> 00:21:32,240

listen they looked at me and they go

582

00:21:36,230 --> 00:21:34,240

that's our dad and he was kind of like

583

00:21:38,390 --> 00:21:36,240

why what do you want to and i told him

584

00:21:39,669 --> 00:21:38,400

the guy says i was in high school when

585

00:21:41,909 --> 00:21:39,679

that happened

586

00:21:45,190 --> 00:21:41,919

and i was the one i was with my dad and

587

00:21:47,430 --> 00:21:45,200

i was driving the cat anyway they go up

588

00:21:48,870 --> 00:21:47,440

there and they dig this hole well this

589

00:21:50,470 --> 00:21:48,880

road rather

590

00:21:53,190 --> 00:21:50,480

and wayne told me how to get there he

591

00:21:54,870 --> 00:21:53,200

was right on we went up there

592

00:21:56,830 --> 00:21:54,880

and they

593

00:21:58,549 --> 00:21:56,840

wade had gotten some

594

00:22:00,710 --> 00:21:58,559

dynamite so

595

00:22:01,830 --> 00:22:00,720

whoever knows why or how

596

00:22:04,390 --> 00:22:01,840

and he

597

00:22:07,110 --> 00:22:04,400

this lane the kid was telling me he was

598

00:22:08,230 --> 00:22:07,120

a kid then a high school kid then he

599

00:22:11,270 --> 00:22:08,240

said

600

00:22:13,750 --> 00:22:11,280

wayne went in stuck this dynamite in

601  
00:22:15,830 --> 00:22:13,760  
in a hole whatever they drilled

602  
00:22:17,590 --> 00:22:15,840  
and he comes running out this

603  
00:22:19,510 --> 00:22:17,600  
this middle-aged man come running out

604  
00:22:22,870 --> 00:22:19,520  
there just as fast as he can

605  
00:22:25,909 --> 00:22:22,880  
and and lane said all of a sudden cop

606  
00:22:27,590 --> 00:22:25,919  
and he said the whole mess it just

607  
00:22:29,990 --> 00:22:27,600  
they was chucking rocks the size of

608  
00:22:32,549 --> 00:22:30,000  
bowling balls just mowing trees down

609  
00:22:34,710 --> 00:22:32,559  
no permission they just did it i mean my

610  
00:22:36,630 --> 00:22:34,720  
word if you did that now you'd never get

611  
00:22:38,310 --> 00:22:36,640  
out of jail

612  
00:22:40,630 --> 00:22:38,320  
so as soon as the dust settles they all

613  
00:22:43,029 --> 00:22:40,640

ran in and was looking around and they

614

00:22:45,909 --> 00:22:43,039

worked the area for

615

00:22:46,870 --> 00:22:45,919

a while and they never found any gold at

616

00:22:49,750 --> 00:22:46,880

all

617

00:22:53,669 --> 00:22:49,760

and this is where it gets crazy ryan

618

00:22:55,430 --> 00:22:53,679

so a friend of theirs of wayne's uh a

619

00:22:56,310 --> 00:22:55,440

you know middle-aged man one instant

620

00:22:58,549 --> 00:22:56,320

wait

621

00:23:00,950 --> 00:22:58,559

uh do you care if i take my metal

622

00:23:03,430 --> 00:23:00,960

detector through all these tailings

623

00:23:05,590 --> 00:23:03,440

and he goes no no no you you bet you go

624

00:23:07,190 --> 00:23:05,600

for it so this guy comes gets his metal

625

00:23:08,549 --> 00:23:07,200

detector he's working all these tailings

626

00:23:10,710 --> 00:23:08,559

from

627

00:23:12,789 --> 00:23:10,720

blowing up the dang mountain

628

00:23:15,110 --> 00:23:12,799

and he worked his way around the side

629

00:23:19,029 --> 00:23:15,120

now this is giving it where dried and

630

00:23:20,870 --> 00:23:19,039

i'm i i was so hot on this little part

631

00:23:23,430 --> 00:23:20,880

i'm going to tell you here i went up

632

00:23:26,070 --> 00:23:23,440

there and i couldn't find the damn thing

633

00:23:27,830 --> 00:23:26,080

but he wayne pointed on the map there it

634

00:23:29,590 --> 00:23:27,840

was right there is where he found this

635

00:23:30,950 --> 00:23:29,600

so this metal detecting guy worked his

636

00:23:32,470 --> 00:23:30,960

way around he couldn't find anything

637

00:23:34,070 --> 00:23:32,480

where they were at

638

00:23:35,590 --> 00:23:34,080

and he worked somewhere and it's steep

639

00:23:37,990 --> 00:23:35,600

it's fairly steep

640

00:23:40,149 --> 00:23:38,000

and he comes this is crazy run i'm

641

00:23:41,430 --> 00:23:40,159

telling you this is crazy but i'm just

642

00:23:42,390 --> 00:23:41,440

going to tell you

643

00:23:44,870 --> 00:23:42,400

uh

644

00:23:47,350 --> 00:23:44,880

he finds this yellow dirt

645

00:23:48,950 --> 00:23:47,360

and he thinks that is really weird i

646

00:23:51,590 --> 00:23:48,960

mean there's nowhere else but there's

647

00:23:54,310 --> 00:23:51,600

this yellow dirt

648

00:23:55,269 --> 00:23:54,320

and so he goes that's true

649

00:23:57,110 --> 00:23:55,279

well

650

00:23:59,350 --> 00:23:57,120

this is where it gets weird

651  
00:24:01,590 --> 00:23:59,360  
he digs his yellow dirt out

652  
00:24:03,909 --> 00:24:01,600  
puts it in his pack or something and

653  
00:24:05,750 --> 00:24:03,919  
tells wayne baisia you know and takes it

654  
00:24:07,430 --> 00:24:05,760  
home next day

655  
00:24:08,870 --> 00:24:07,440  
the yellow dirt had went right through

656  
00:24:10,870 --> 00:24:08,880  
his pack

657  
00:24:12,870 --> 00:24:10,880  
i don't know burned a hole through it i

658  
00:24:14,789 --> 00:24:12,880  
don't know but it went through his back

659  
00:24:16,830 --> 00:24:14,799  
so he claims his dirt up

660  
00:24:20,149 --> 00:24:16,840  
and he puts it in like a coffee

661  
00:24:22,789 --> 00:24:20,159  
can a couple days later a day later it

662  
00:24:24,950 --> 00:24:22,799  
had gone right to the coffee can

663  
00:24:26,390 --> 00:24:24,960

so he puts it in a glass bottle

664

00:24:27,830 --> 00:24:26,400

and he takes it down to the university

665

00:24:29,430 --> 00:24:27,840

of utah

666

00:24:31,510 --> 00:24:29,440

and he says you know could you guys

667

00:24:33,110 --> 00:24:31,520

check this out and i don't know what it

668

00:24:34,870 --> 00:24:33,120

is yeah sure

669

00:24:37,110 --> 00:24:34,880

they did it and it went through their

670

00:24:39,590 --> 00:24:37,120

machine screwed up their machine

671

00:24:41,750 --> 00:24:39,600

and he comes back and they go

672

00:24:43,590 --> 00:24:41,760

what uh what is this

673

00:24:45,430 --> 00:24:43,600

you know what you did to us you know and

674

00:24:46,950 --> 00:24:45,440

the guy goes well where did you find he

675

00:24:48,230 --> 00:24:46,960

goes i don't know see you later bye

676

00:24:50,549 --> 00:24:48,240

mm-hmm

677

00:24:52,950 --> 00:24:50,559

and so i was hot to trot i wanted to

678

00:24:55,110 --> 00:24:52,960

find this stuff and i could i would

679

00:24:57,510 --> 00:24:55,120

gladly show somebody but i

680

00:24:59,029 --> 00:24:57,520

i didn't find it i couldn't fight it to

681

00:25:02,230 --> 00:24:59,039

save me

682

00:25:04,710 --> 00:25:02,240

no it's it's always bugged me

683

00:25:06,230 --> 00:25:04,720

it's always bugged me and wayne wasn't a

684

00:25:07,430 --> 00:25:06,240

bser

685

00:25:09,029 --> 00:25:07,440

uh

686

00:25:13,430 --> 00:25:09,039

he just wasn't

687

00:25:15,669 --> 00:25:13,440

but anyway

688

00:25:17,669 --> 00:25:15,679

uh that's what started the whole powwow

689

00:25:20,310 --> 00:25:17,679

thing is old brother wayne

690

00:25:22,230 --> 00:25:20,320

it's like that with these things it is

691

00:25:24,149 --> 00:25:22,240

um the more you get into them the less

692

00:25:26,310 --> 00:25:24,159

you talk is what i've noticed in my own

693

00:25:27,430 --> 00:25:26,320

personal experience the more real it

694

00:25:30,149 --> 00:25:27,440

becomes

695

00:25:31,990 --> 00:25:30,159

the more real you know as you certify it

696

00:25:33,830 --> 00:25:32,000

in your own mind you start to realize

697

00:25:35,830 --> 00:25:33,840

like oh wow we're really playing with

698

00:25:38,390 --> 00:25:35,840

fire no pun intended

699

00:25:40,310 --> 00:25:38,400

and as an example of that i'm glad that

700

00:25:43,669 --> 00:25:40,320

you mentioned not to go on tribal lands

701

00:25:46,149 --> 00:25:43,679

just uh last sunday just a week ago

702

00:25:48,710 --> 00:25:46,159

uh a couple was shot

703

00:25:51,110 --> 00:25:48,720

riding utvs yeah i'm sure you heard

704

00:25:53,510 --> 00:25:51,120

about it up there in duchesne county

705

00:25:55,510 --> 00:25:53,520

and yes i did i mean according to the

706

00:25:57,350 --> 00:25:55,520

news release there was absolutely no

707

00:25:59,510 --> 00:25:57,360

reason they might have just been in the

708

00:26:00,870 --> 00:25:59,520

wrong place at the wrong time and and

709

00:26:03,430 --> 00:26:00,880

they don't want you there and i don't

710

00:26:05,510 --> 00:26:03,440

blame them they've earned that right but

711

00:26:07,990 --> 00:26:05,520

there's many stories

712

00:26:09,110 --> 00:26:08,000

like this where

713

00:26:11,190 --> 00:26:09,120

well

714

00:26:14,870 --> 00:26:11,200

you know a lot of these

715

00:26:17,269 --> 00:26:14,880

mines and caves and possible uh

716

00:26:19,669 --> 00:26:17,279

sanctuaries that may hold the treasure

717

00:26:21,510 --> 00:26:19,679

of various kinds are up in the mountains

718

00:26:22,789 --> 00:26:21,520

of utah and

719

00:26:25,350 --> 00:26:22,799

you know the

720

00:26:26,390 --> 00:26:25,360

speaking with uh carrie ross borin and

721

00:26:28,310 --> 00:26:26,400

others

722

00:26:29,909 --> 00:26:28,320

i've found you know caleb as we

723

00:26:32,390 --> 00:26:29,919

mentioned the rhodes family i mean

724

00:26:34,789 --> 00:26:32,400

there's there's a long and vast history

725

00:26:36,390 --> 00:26:34,799

of the the lost rhodes mines and i say

726

00:26:38,710 --> 00:26:36,400

that with an s at the end of the mines

727

00:26:39,830 --> 00:26:38,720

because it isn't just one is it

728

00:26:45,510 --> 00:26:39,840

no

729

00:26:48,950 --> 00:26:45,520

but i'll tell you that that plays hides

730

00:26:51,909 --> 00:26:48,960

a secret pretty well mm-hmm and speaking

731

00:26:54,070 --> 00:26:51,919

speaking of secrets um something that i

732

00:26:55,269 --> 00:26:54,080

don't want to be a secret is this

733

00:26:57,669 --> 00:26:55,279

amazing

734

00:27:01,269 --> 00:26:57,679

gathering this this group

735

00:27:03,909 --> 00:27:01,279

uh the moon lake gathering and it is

736

00:27:06,310 --> 00:27:03,919

it's something that talk about giving

737

00:27:08,230 --> 00:27:06,320

back to the community that is interested

738

00:27:10,310 --> 00:27:08,240

in these mysteries

739

00:27:12,710 --> 00:27:10,320

you don't charge a thing for it it's

740

00:27:14,549 --> 00:27:12,720

free of charge let's tell listeners

741

00:27:16,630 --> 00:27:14,559

about the moon link gathering where it's

742

00:27:19,669 --> 00:27:16,640

held this year it's coming up real quick

743

00:27:22,470 --> 00:27:19,679

and uh how to get involved

744

00:27:23,750 --> 00:27:22,480

okay let me let's let's just go back one

745

00:27:28,230 --> 00:27:23,760

year

746

00:27:29,350 --> 00:27:28,240

we we'd had the powwow when you came up

747

00:27:31,510 --> 00:27:29,360

and talked

748

00:27:32,630 --> 00:27:31,520

we had it up above my house i live up in

749

00:27:34,549 --> 00:27:32,640

the mountains

750

00:27:36,789 --> 00:27:34,559

in a valley and uh

751  
00:27:37,990 --> 00:27:36,799  
i know the guys that owned this whole

752  
00:27:40,310 --> 00:27:38,000  
mountain range

753  
00:27:42,710 --> 00:27:40,320  
morgan county is like 99

754  
00:27:44,710 --> 00:27:42,720  
private land

755  
00:27:47,350 --> 00:27:44,720  
guys and they go oh yeah sure

756  
00:27:50,230 --> 00:27:47,360  
anyway we we headed up there we got too

757  
00:27:52,070 --> 00:27:50,240  
big we couldn't park everybody and then

758  
00:27:53,750 --> 00:27:52,080  
there was kind of a tiff in the family

759  
00:27:54,549 --> 00:27:53,760  
and i know both sides and i didn't want

760  
00:27:56,789 --> 00:27:54,559  
to

761  
00:27:58,789 --> 00:27:56,799  
so i i really i

762  
00:28:01,029 --> 00:27:58,799  
i have a barn

763  
00:28:03,510 --> 00:28:01,039

and i thought you know what i'm just

764

00:28:05,269 --> 00:28:03,520

gonna get the real hardcore boys the

765

00:28:07,190 --> 00:28:05,279

real purists

766

00:28:10,310 --> 00:28:07,200

and we'll just have it here and i said

767

00:28:13,269 --> 00:28:10,320

i'm just gonna downsize this a lot

768

00:28:15,909 --> 00:28:13,279

and uh we did one and it was okay

769

00:28:18,149 --> 00:28:15,919

it wasn't great it was our it was fun

770

00:28:19,430 --> 00:28:18,159

and uh we used to have a big barbecue at

771

00:28:21,990 --> 00:28:19,440

it too

772

00:28:23,110 --> 00:28:22,000

and so uh

773

00:28:25,269 --> 00:28:23,120

anyway

774

00:28:26,950 --> 00:28:25,279

the moonlight thing came up

775

00:28:29,830 --> 00:28:26,960

and i thought ooh

776

00:28:31,830 --> 00:28:29,840

you know and we we got to be great

777

00:28:33,190 --> 00:28:31,840

friends with the guy that owns the lodge

778

00:28:35,750 --> 00:28:33,200

at moon lake

779

00:28:37,909 --> 00:28:35,760

and he also owns the store and the

780

00:28:40,070 --> 00:28:37,919

little bed and breakfast in mountain

781

00:28:42,870 --> 00:28:40,080

home which is just a little dinky dinky

782

00:28:45,190 --> 00:28:42,880

town before you get to lake so we went

783

00:28:46,149 --> 00:28:45,200

talk to him he goes oh let's do it let's

784

00:28:48,630 --> 00:28:46,159

do it

785

00:28:51,029 --> 00:28:48,640

well you oh i got the big area we can

786

00:28:52,549 --> 00:28:51,039

park you know you can set up chairs and

787

00:28:55,029 --> 00:28:52,559

everything and

788

00:28:56,389 --> 00:28:55,039

and and uh i said

789

00:28:58,389 --> 00:28:56,399

let's do it

790

00:29:00,789 --> 00:28:58,399

well you're going to have a million cars

791

00:29:02,630 --> 00:29:00,799

there nobody's going to walk yet

792

00:29:04,630 --> 00:29:02,640

and they say oh no we they they've been

793

00:29:05,909 --> 00:29:04,640

parking down on the shore of moon lake

794

00:29:08,230 --> 00:29:05,919

forever

795

00:29:09,590 --> 00:29:08,240

and i it's just in my mind i thought i

796

00:29:12,230 --> 00:29:09,600

don't know this is

797

00:29:14,070 --> 00:29:12,240

national park type of thing and state

798

00:29:15,190 --> 00:29:14,080

park or whatever

799

00:29:15,990 --> 00:29:15,200

well

800

00:29:21,269 --> 00:29:16,000

we

801  
00:29:23,990 --> 00:29:21,279  
everything

802  
00:29:26,230 --> 00:29:24,000  
and so this was our first really remote

803  
00:29:27,350 --> 00:29:26,240  
pow-wow

804  
00:29:29,830 --> 00:29:27,360  
about

805  
00:29:31,430 --> 00:29:29,840  
oh five weeks before

806  
00:29:32,950 --> 00:29:31,440  
he calls me he goes

807  
00:29:33,909 --> 00:29:32,960  
i don't know if we can do this i said

808  
00:29:35,830 --> 00:29:33,919  
what

809  
00:29:37,350 --> 00:29:35,840  
because we had terry carter doing videos

810  
00:29:38,549 --> 00:29:37,360  
we had people coming in from all over

811  
00:29:40,310 --> 00:29:38,559  
the country

812  
00:29:41,269 --> 00:29:40,320  
and you don't know this coming i had no

813  
00:29:42,710 --> 00:29:41,279

idea

814

00:29:44,789 --> 00:29:42,720

i knew some

815

00:29:47,430 --> 00:29:44,799

and he goes well he said well i said

816

00:29:49,990 --> 00:29:47,440

what happened well he had a wedding at

817

00:29:53,430 --> 00:29:50,000

the moon lake

818

00:29:55,830 --> 00:29:53,440

at the lodge there and i said okay

819

00:29:57,110 --> 00:29:55,840

and then the uh forest service boys came

820

00:29:59,029 --> 00:29:57,120

down on him

821

00:30:00,070 --> 00:29:59,039

and i said well greg how many people did

822

00:30:01,269 --> 00:30:00,080

you have there

823

00:30:03,110 --> 00:30:01,279

20.

824

00:30:06,230 --> 00:30:03,120

i said they got pissed at you for 20

825

00:30:08,870 --> 00:30:06,240

people i said we might have 500.

826

00:30:11,029 --> 00:30:08,880

and it and it just fell apart in one

827

00:30:12,950 --> 00:30:11,039

second and one second in a phone call

828

00:30:14,389 --> 00:30:12,960

and we were just

829

00:30:15,830 --> 00:30:14,399

what are we going to do we don't even

830

00:30:18,310 --> 00:30:15,840

know who's coming

831

00:30:21,029 --> 00:30:18,320

so one of the ladies that we're going to

832

00:30:22,549 --> 00:30:21,039

was speaking at the powwow

833

00:30:25,029 --> 00:30:22,559

i called her and said we're we're in

834

00:30:28,070 --> 00:30:25,039

deep trouble what was the matter

835

00:30:31,269 --> 00:30:28,080

and she said hey hey just relax

836

00:30:33,110 --> 00:30:31,279

uh give me a day and i said okay but you

837

00:30:34,630 --> 00:30:33,120

you're not getting one minute more

838

00:30:36,149 --> 00:30:34,640

because we've got to do something here

839

00:30:37,990 --> 00:30:36,159

we're going to make some videos saying

840

00:30:39,750 --> 00:30:38,000

it's been postponed

841

00:30:42,230 --> 00:30:39,760

and hopefully

842

00:30:44,149 --> 00:30:42,240

and so she calls me back says uh i got

843

00:30:46,310 --> 00:30:44,159

us altamont park

844

00:30:49,029 --> 00:30:46,320

which is a little dinky town just

845

00:30:51,990 --> 00:30:49,039

outside of the the road up to

846

00:30:53,590 --> 00:30:52,000

moon lake and it's got a big pavilion

847

00:30:56,470 --> 00:30:53,600

and it was

848

00:30:58,710 --> 00:30:56,480

perfect we ran up there saw it we bought

849

00:31:00,470 --> 00:30:58,720

the part you know rented the park

850

00:31:03,750 --> 00:31:00,480

and

851  
00:31:05,830 --> 00:31:03,760  
it was absolutely letter perfect

852  
00:31:06,950 --> 00:31:05,840  
at least you're sitting in grass bring

853  
00:31:08,870 --> 00:31:06,960  
your chair

854  
00:31:10,630 --> 00:31:08,880  
and we had the pavilion

855  
00:31:13,669 --> 00:31:10,640  
and otherwise we're going to be sitting

856  
00:31:16,149 --> 00:31:13,679  
on a sagebrush mountain i mean you know

857  
00:31:18,389 --> 00:31:16,159  
it was kind of sort of cleared out

858  
00:31:19,669 --> 00:31:18,399  
so we went there and it was just almost

859  
00:31:21,509 --> 00:31:19,679  
memorable

860  
00:31:23,350 --> 00:31:21,519  
we had people from

861  
00:31:25,350 --> 00:31:23,360  
i don't know seven or eight states which

862  
00:31:28,070 --> 00:31:25,360  
just blew me away

863  
00:31:30,830 --> 00:31:28,080

so this year uh it's at the altamonte

864

00:31:33,830 --> 00:31:30,840

park we still call it the moonlight

865

00:31:35,590 --> 00:31:33,840

gathering and uh we didn't know if we

866

00:31:37,909 --> 00:31:35,600

should call it the pow wow because

867

00:31:39,750 --> 00:31:37,919

there's a lot of tribal everything up

868

00:31:41,430 --> 00:31:39,760

there we didn't wanna

869

00:31:43,190 --> 00:31:41,440

you know we don't we're not out to make

870

00:31:45,269 --> 00:31:43,200

anybody mad and it was just a name

871

00:31:47,750 --> 00:31:45,279

that's stuck like i said

872

00:31:51,029 --> 00:31:47,760

so it's at altamonte park

873

00:31:52,870 --> 00:31:51,039

which is uh which will be on the 12th

874

00:31:55,430 --> 00:31:52,880

and 13th

875

00:31:57,590 --> 00:31:55,440

and so friday would be the 12th

876

00:31:59,430 --> 00:31:57,600

and i think you're speaking friday night

877

00:32:01,350 --> 00:31:59,440

right or is it saturday

878

00:32:03,509 --> 00:32:01,360

i can't remember which i want to say

879

00:32:05,350 --> 00:32:03,519

it's friday it is friday that's right i

880

00:32:07,750 --> 00:32:05,360

think it is friday uh

881

00:32:08,870 --> 00:32:07,760

and we've got four speakers on each

882

00:32:12,070 --> 00:32:08,880

night

883

00:32:13,590 --> 00:32:12,080

but there's one thing that we we we had

884

00:32:16,310 --> 00:32:13,600

up here in morgan

885

00:32:17,990 --> 00:32:16,320

we had an open mic that just

886

00:32:20,549 --> 00:32:18,000

was amazing

887

00:32:21,909 --> 00:32:20,559

and so we wanted to continue that

888

00:32:24,630 --> 00:32:21,919

and the reason

889

00:32:26,389 --> 00:32:24,640

well i guess there's a lot of reasons

890

00:32:28,070 --> 00:32:26,399

but one of the main reasons is we're in

891

00:32:33,590 --> 00:32:28,080

the basin

892

00:32:38,310 --> 00:32:35,190

that's just the way it is

893

00:32:39,110 --> 00:32:38,320

everybody and it goes from bigfoot

894

00:32:42,870 --> 00:32:39,120

to

895

00:32:45,110 --> 00:32:42,880

those

896

00:32:47,430 --> 00:32:45,120

basin boys and the basin is vernal and

897

00:32:49,669 --> 00:32:47,440

duchenne and that whole area

898

00:32:51,509 --> 00:32:49,679

uh we thought this this open mic is

899

00:32:53,509 --> 00:32:51,519

going to be unreal

900

00:32:55,190 --> 00:32:53,519

well it didn't really work very good

901  
00:32:56,789 --> 00:32:55,200  
last year because we tried to sneak it

902  
00:32:59,190 --> 00:32:56,799  
in between speakers

903  
00:33:01,350 --> 00:32:59,200  
just didn't work we had a handful

904  
00:33:03,350 --> 00:33:01,360  
but so saturday day

905  
00:33:04,710 --> 00:33:03,360  
at say 10 a.m

906  
00:33:06,789 --> 00:33:04,720  
until

907  
00:33:07,909 --> 00:33:06,799  
3 ish

908  
00:33:09,590 --> 00:33:07,919  
whatever

909  
00:33:12,149 --> 00:33:09,600  
we're going to have

910  
00:33:14,070 --> 00:33:12,159  
they've got a covered area there that

911  
00:33:15,350 --> 00:33:14,080  
they have picnic you know

912  
00:33:17,509 --> 00:33:15,360  
probably have the whole town in there

913  
00:33:19,830 --> 00:33:17,519

and have picnics and stuff

914

00:33:22,149 --> 00:33:19,840

picnic tables and everything

915

00:33:23,350 --> 00:33:22,159

and we're going to have an open mic

916

00:33:25,669 --> 00:33:23,360

there

917

00:33:27,830 --> 00:33:25,679

to bring your artifacts and stuff like

918

00:33:29,350 --> 00:33:27,840

that last year there was a lot of guys

919

00:33:31,430 --> 00:33:29,360

showing artifacts

920

00:33:34,950 --> 00:33:31,440

in the parking lot

921

00:33:37,029 --> 00:33:34,960

and uh it was i went there i went

922

00:33:40,070 --> 00:33:37,039

last year on saturday i went there about

923

00:33:43,269 --> 00:33:40,080

three to help put up the mics and

924

00:33:45,430 --> 00:33:43,279

and and i i got sidetracked i

925

00:33:46,230 --> 00:33:45,440

there was some neat stuff going around

926  
00:33:49,990 --> 00:33:46,240  
there

927  
00:33:52,070 --> 00:33:50,000  
so we've set apart saturday day

928  
00:33:55,590 --> 00:33:52,080  
for that and then we'll roll into the

929  
00:33:57,669 --> 00:33:55,600  
speakers at five o'clock saturday night

930  
00:34:00,470 --> 00:33:57,679  
so friday night it's five

931  
00:34:03,509 --> 00:34:00,480  
saturday night at five and saturday

932  
00:34:06,470 --> 00:34:03,519  
basically all during the day

933  
00:34:08,470 --> 00:34:06,480  
man it is going to be great mark and

934  
00:34:12,230 --> 00:34:08,480  
you're right about people

935  
00:34:14,550 --> 00:34:12,240  
locals having information and you know

936  
00:34:17,190 --> 00:34:14,560  
everybody's got a story i remember when

937  
00:34:20,310 --> 00:34:17,200  
i first moved up to the basin

938  
00:34:22,389 --> 00:34:20,320

uh my neighbor across the street her

939

00:34:23,829 --> 00:34:22,399

name um she's since passed her name was

940

00:34:26,629 --> 00:34:23,839

kitty manning

941

00:34:28,950 --> 00:34:26,639

and um she uh

942

00:34:31,909 --> 00:34:28,960

grew up and her family owned the rock

943

00:34:33,190 --> 00:34:31,919

creek ranch up there

944

00:34:36,389 --> 00:34:33,200

yeah you know

945

00:34:38,069 --> 00:34:36,399

and she was telling me stories as a girl

946

00:34:39,109 --> 00:34:38,079

when she was growing up

947

00:34:40,710 --> 00:34:39,119

and

948

00:34:42,790 --> 00:34:40,720

she mentioned that you know they had

949

00:34:45,430 --> 00:34:42,800

these caves on the property and near the

950

00:34:47,190 --> 00:34:45,440

property and how they would hear sounds

951  
00:34:49,510 --> 00:34:47,200  
inside the caves that sounded like

952  
00:34:51,589 --> 00:34:49,520  
voices they would see lights going in

953  
00:34:53,829 --> 00:34:51,599  
and out of the cave at night

954  
00:34:57,430 --> 00:34:53,839  
and i mean this is treasure land there

955  
00:35:00,550 --> 00:34:57,440  
is oh oh i'll say such a rich history

956  
00:35:03,190 --> 00:35:00,560  
bible lab too that's right that's right

957  
00:35:05,430 --> 00:35:03,200  
and you you'd stay away from that stuff

958  
00:35:07,829 --> 00:35:05,440  
yeah and historically the uinta basin in

959  
00:35:10,150 --> 00:35:07,839  
duchesne county have long been home to

960  
00:35:12,069 --> 00:35:10,160  
the native americans and there's

961  
00:35:14,390 --> 00:35:12,079  
evidence of

962  
00:35:16,310 --> 00:35:14,400  
treasure and inhabitants uh that there's

963  
00:35:19,030 --> 00:35:16,320

all kinds of as you've mentioned there's

964

00:35:20,310 --> 00:35:19,040

coke ovens and places where you can melt

965

00:35:22,550 --> 00:35:20,320

down the ore

966

00:35:24,710 --> 00:35:22,560

and heck even on uh some of my

967

00:35:26,630 --> 00:35:24,720

properties there in the duchesne basin

968

00:35:29,109 --> 00:35:26,640

in the duchesne area and in the uinta

969

00:35:32,230 --> 00:35:29,119

basin there near fort duchesne

970

00:35:35,670 --> 00:35:32,240

i have found uh coins that are

971

00:35:37,910 --> 00:35:35,680

back from the 1800s i've found artifacts

972

00:35:39,430 --> 00:35:37,920

that seem to be spanish in nature and

973

00:35:41,510 --> 00:35:39,440

i'll bring some of those

974

00:35:44,390 --> 00:35:41,520

and um i think most recently i was

975

00:35:47,349 --> 00:35:44,400

telling you about a chinese coin

976  
00:35:49,910 --> 00:35:47,359  
that probably uh you know came from uh

977  
00:35:51,829 --> 00:35:49,920  
one of the first uh store owners there

978  
00:35:52,790 --> 00:35:51,839  
in fort duchesne he was he was from

979  
00:35:56,550 --> 00:35:52,800  
china

980  
00:35:59,670 --> 00:35:56,560  
and this i mean this area is

981  
00:36:02,710 --> 00:35:59,680  
certifiably one of the most rich areas

982  
00:36:05,829 --> 00:36:02,720  
of history that you can come across

983  
00:36:07,349 --> 00:36:05,839  
it's amazing and it's beautiful

984  
00:36:09,030 --> 00:36:07,359  
yeah

985  
00:36:10,630 --> 00:36:09,040  
let me i can't i'll give you a good one

986  
00:36:12,710 --> 00:36:10,640  
ryan so

987  
00:36:14,630 --> 00:36:12,720  
the lady that bailed us out last year

988  
00:36:16,310 --> 00:36:14,640

got us the part which is she's lived

989

00:36:19,910 --> 00:36:16,320

there her whole life

990

00:36:21,829 --> 00:36:19,920

and uh patsy uh she was telling me

991

00:36:23,670 --> 00:36:21,839

so she goes to school all through

992

00:36:25,190 --> 00:36:23,680

duchenne you know the duchesne high

993

00:36:27,030 --> 00:36:25,200

school the whole thing

994

00:36:28,150 --> 00:36:27,040

and she when she was a young girl

995

00:36:29,510 --> 00:36:28,160

probably

996

00:36:32,230 --> 00:36:29,520

12-ish

997

00:36:33,670 --> 00:36:32,240

she had a really good friend and her dad

998

00:36:35,589 --> 00:36:33,680

owned the store

999

00:36:37,510 --> 00:36:35,599

there in duchesne

1000

00:36:38,310 --> 00:36:37,520

and so she would come to work for her

1001

00:36:41,109 --> 00:36:38,320

dad

1002

00:36:43,910 --> 00:36:41,119

and so that you know this was probably

1003

00:36:45,990 --> 00:36:43,920

the 60s i'm sure because patsy's just a

1004

00:36:47,030 --> 00:36:46,000

few years younger than me

1005

00:36:48,630 --> 00:36:47,040

so

1006

00:36:50,310 --> 00:36:48,640

60s ish

1007

00:36:53,349 --> 00:36:50,320

and she said she would work the cash

1008

00:36:54,870 --> 00:36:53,359

register and stuff for her dad

1009

00:36:57,109 --> 00:36:54,880

and uh

1010

00:36:58,230 --> 00:36:57,119

let's see how did this work oh yeah so

1011

00:37:00,069 --> 00:36:58,240

uh

1012

00:37:01,510 --> 00:37:00,079

there was an old old indian that would

1013

00:37:03,670 --> 00:37:01,520

come in to buy

1014

00:37:05,670 --> 00:37:03,680

you know his what he needed for the

1015

00:37:07,910 --> 00:37:05,680

month or what whatever

1016

00:37:10,550 --> 00:37:07,920

and she would help him and she this guy

1017

00:37:12,230 --> 00:37:10,560

would give her a gold nugget

1018

00:37:15,030 --> 00:37:12,240

a little gold nugget

1019

00:37:16,790 --> 00:37:15,040

and and and her dad said yeah you just

1020

00:37:17,910 --> 00:37:16,800

when he comes through he just you know

1021

00:37:20,870 --> 00:37:17,920

yes

1022

00:37:22,870 --> 00:37:20,880

so they uh he came back and

1023

00:37:24,470 --> 00:37:22,880

he'd buy all the stuff slide her over a

1024

00:37:26,630 --> 00:37:24,480

little gold nugget

1025

00:37:28,950 --> 00:37:26,640

so one time this last time and she sent

1026  
00:37:30,630 --> 00:37:28,960  
me a picture pepsi sent me a picture of

1027  
00:37:32,230 --> 00:37:30,640  
this coin it wasn't her it was her

1028  
00:37:35,109 --> 00:37:32,240  
girlfriend but you know

1029  
00:37:36,630 --> 00:37:35,119  
so uh this old indian came in bought his

1030  
00:37:38,710 --> 00:37:36,640  
stuff

1031  
00:37:39,910 --> 00:37:38,720  
and and this time he didn't give her a

1032  
00:37:42,550 --> 00:37:39,920  
nugget

1033  
00:37:45,430 --> 00:37:42,560  
he gave her a spanish coin that was like

1034  
00:37:47,670 --> 00:37:45,440  
pristine wow i mean my i'd have to go

1035  
00:37:49,589 --> 00:37:47,680  
dig i'll ryan remind me and i'll show

1036  
00:37:51,349 --> 00:37:49,599  
you the picture i've got to dig it out

1037  
00:37:53,270 --> 00:37:51,359  
it's in my phone and

1038  
00:37:55,990 --> 00:37:53,280

at night it's hard to find stuff in

1039

00:37:58,550 --> 00:37:56,000

there but he slides this spanish coin

1040

00:38:01,109 --> 00:37:58,560

over to this young girl

1041

00:38:03,030 --> 00:38:01,119

and she you know he walks out with his

1042

00:38:05,829 --> 00:38:03,040

beans and rice or whatever

1043

00:38:07,910 --> 00:38:05,839

and she the little girl grabs the coin

1044

00:38:10,230 --> 00:38:07,920

and runs it over to her dad

1045

00:38:12,390 --> 00:38:10,240

dad this is what this uh the old indian

1046

00:38:15,270 --> 00:38:12,400

gaming this time in his her dad which

1047

00:38:16,870 --> 00:38:15,280

was a very nice thing for her dad to do

1048

00:38:18,790 --> 00:38:16,880

he said now listen

1049

00:38:20,710 --> 00:38:18,800

sally whatever her name was

1050

00:38:21,750 --> 00:38:20,720

i want you to keep this forever and

1051

00:38:25,030 --> 00:38:21,760

remember

1052

00:38:27,990 --> 00:38:25,040

the story and how you got it and she has

1053

00:38:30,710 --> 00:38:28,000

she's kept that coin for i don't know 50

1054

00:38:33,589 --> 00:38:30,720

years something like that

1055

00:38:36,150 --> 00:38:33,599

so this this that that that duchenne

1056

00:38:39,430 --> 00:38:36,160

basin fascinates me just absolutely

1057

00:38:41,430 --> 00:38:39,440

knocks me off knocks me off my feet

1058

00:38:43,589 --> 00:38:41,440

and then and you know and i will tell

1059

00:38:45,829 --> 00:38:43,599

you you're welcome to come to this

1060

00:38:47,190 --> 00:38:45,839

i mean you're coming ready to speak but

1061

00:38:49,510 --> 00:38:47,200

uh

1062

00:38:51,910 --> 00:38:49,520

i would tell you honestly

1063

00:38:53,270 --> 00:38:51,920

don't sit on your chair and listen and

1064

00:38:55,829 --> 00:38:53,280

wait for the next guy

1065

00:38:57,589 --> 00:38:55,839

go out and mingle with the people and

1066

00:38:58,870 --> 00:38:57,599

you'll meet

1067

00:39:01,349 --> 00:38:58,880

here here so

1068

00:39:03,430 --> 00:39:01,359

well ryan i don't want to be doing all

1069

00:39:05,910 --> 00:39:03,440

the talking here

1070

00:39:08,069 --> 00:39:05,920

you want another one yeah i love this i

1071

00:39:09,349 --> 00:39:08,079

can't get enough of it

1072

00:39:12,390 --> 00:39:09,359

so where

1073

00:39:14,790 --> 00:39:12,400

uh paxy got us the fairgrounds

1074

00:39:16,550 --> 00:39:14,800

in altamonte and we can park our

1075

00:39:19,190 --> 00:39:16,560

trailers there or whatever

1076

00:39:21,990 --> 00:39:19,200

and i'm telling you it's not nice it is

1077

00:39:23,750 --> 00:39:22,000

not nice but it's flat

1078

00:39:24,550 --> 00:39:23,760

and we will have a couple porta potties

1079

00:39:29,270 --> 00:39:24,560

there

1080

00:39:31,349 --> 00:39:29,280

a couple of guys just over from us just

1081

00:39:34,310 --> 00:39:31,359

minding their business doing their thing

1082

00:39:36,230 --> 00:39:34,320

so i walked over and hey how's it going

1083

00:39:38,870 --> 00:39:36,240

how are you doing oh yeah we're here for

1084

00:39:41,109 --> 00:39:38,880

the pedal okay good to see you

1085

00:39:43,109 --> 00:39:41,119

and i get talking to him

1086

00:39:44,470 --> 00:39:43,119

and they had gone to the pow wow friday

1087

00:39:47,109 --> 00:39:44,480

night

1088

00:39:49,190 --> 00:39:47,119

and they had been mingling and somebody

1089

00:39:49,990 --> 00:39:49,200

told them about

1090

00:40:00,150 --> 00:39:50,000

a

1091

00:40:03,670 --> 00:40:00,160

the bigfoot boys would know

1092

00:40:05,510 --> 00:40:03,680

where they they have an inhabitant place

1093

00:40:07,990 --> 00:40:05,520

where they would stay the bigfoot i

1094

00:40:10,069 --> 00:40:08,000

think they're pretty migratory but they

1095

00:40:13,589 --> 00:40:10,079

bend over trees and make a sort of a

1096

00:40:15,670 --> 00:40:13,599

shelter yeah of sorts yeah like a layer

1097

00:40:17,910 --> 00:40:15,680

well whatever it's called but it was a

1098

00:40:20,390 --> 00:40:17,920

bigfoot thing up in the uintas and some

1099

00:40:22,630 --> 00:40:20,400

guy had told these two guys

1100

00:40:23,430 --> 00:40:22,640

and uh instead of going back saturday

1101

00:40:25,349 --> 00:40:23,440

night

1102

00:40:27,270 --> 00:40:25,359

they took off and went over to the dang

1103

00:40:29,349 --> 00:40:27,280

bigfoot thing i hopefully they'll be

1104

00:40:31,190 --> 00:40:29,359

here this year and i wanted to see if

1105

00:40:33,750 --> 00:40:31,200

they ever found it because

1106

00:40:36,309 --> 00:40:33,760

i thought that was pretty fascinating

1107

00:40:37,750 --> 00:40:36,319

pretty dang interesting and they so they

1108

00:40:40,309 --> 00:40:37,760

didn't make it back

1109

00:40:42,230 --> 00:40:40,319

funny cracks me up

1110

00:40:43,910 --> 00:40:42,240

i probably would have done the same yeah

1111

00:40:45,670 --> 00:40:43,920

you've brought in a big you're hitting

1112

00:40:48,309 --> 00:40:45,680

all the points mark you've brought in a

1113

00:40:49,670 --> 00:40:48,319

big area of high strangeness there in

1114

00:40:52,150 --> 00:40:49,680

the basin that

1115

00:40:54,550 --> 00:40:52,160

has been going on for a long time i

1116

00:40:57,030 --> 00:40:54,560

remember being a fly fishing guide up on

1117

00:40:58,470 --> 00:40:57,040

the green river for about a decade and

1118

00:41:00,550 --> 00:40:58,480

you'd hear these stories of these

1119

00:41:02,470 --> 00:41:00,560

mountain men and they had a lot of

1120

00:41:03,589 --> 00:41:02,480

sightings of these creatures in the

1121

00:41:06,790 --> 00:41:03,599

woods

1122

00:41:08,470 --> 00:41:06,800

and you know i i was a part of the first

1123

00:41:11,589 --> 00:41:08,480

i can't say the name because i had to

1124

00:41:14,390 --> 00:41:11,599

sign an nda but the first big

1125

00:41:16,390 --> 00:41:14,400

real large bigfoot hunting expedition in

1126

00:41:18,390 --> 00:41:16,400

the state of utah by

1127

00:41:19,430 --> 00:41:18,400

really yeah one of the most prominent

1128

00:41:21,190 --> 00:41:19,440

groups

1129

00:41:24,069 --> 00:41:21,200

and i'll tell you it was right there in

1130

00:41:26,069 --> 00:41:24,079

the uintah mountains and things were

1131

00:41:29,030 --> 00:41:26,079

found that's as far as i can go but

1132

00:41:31,670 --> 00:41:29,040

thing very obvious i mean i'm i'm

1133

00:41:34,309 --> 00:41:31,680

convinced i'm a total believer i

1134

00:41:36,390 --> 00:41:34,319

remember being on my horse

1135

00:41:40,630 --> 00:41:36,400

right there in duchesne county

1136

00:41:42,950 --> 00:41:40,640

and i was up on a bluff and i saw what i

1137

00:41:45,109 --> 00:41:42,960

i really honestly believed it was just a

1138

00:41:46,870 --> 00:41:45,119

guy in a big fur coat maybe a crazy

1139

00:41:48,630 --> 00:41:46,880

person or something and

1140

00:41:50,950 --> 00:41:48,640

so i wanted to cruise over and see what

1141

00:41:52,950 --> 00:41:50,960

was going on and we could not this was

1142

00:41:55,190 --> 00:41:52,960

my fastest horse we couldn't catch up

1143

00:41:57,270 --> 00:41:55,200

with the thing it dusted us

1144

00:41:58,750 --> 00:41:57,280

so there's something to all this i mean

1145

00:42:01,109 --> 00:41:58,760

kind of switching gears into the

1146

00:42:03,750 --> 00:42:01,119

cryptozoology there in the you you win a

1147

00:42:05,990 --> 00:42:03,760

basin and utah in general there really

1148

00:42:08,470 --> 00:42:06,000

is a lot of stories and there really is

1149

00:42:10,069 --> 00:42:08,480

something to all of it

1150

00:42:13,430 --> 00:42:10,079

i think so

1151

00:42:15,589 --> 00:42:13,440

uh we spend a lot of time

1152

00:42:17,910 --> 00:42:15,599

we've got to the point where

1153

00:42:20,710 --> 00:42:17,920

if we don't know you and know your story

1154

00:42:22,550 --> 00:42:20,720

we won't you know we we uh

1155

00:42:24,630 --> 00:42:22,560

you're not going to speak at the powwow

1156

00:42:26,630 --> 00:42:24,640

and if we find out you know hear your

1157

00:42:28,710 --> 00:42:26,640

story and you're legit

1158

00:42:32,309 --> 00:42:28,720

then we'll uh you know we'll then we'll

1159

00:42:33,670 --> 00:42:32,319

talk but we had a guy ryan and this

1160

00:42:35,829 --> 00:42:33,680

wasn't in

1161

00:42:38,390 --> 00:42:35,839

this was uh so there's the south slope

1162

00:42:40,710 --> 00:42:38,400

of the uns and the north slope

1163

00:42:42,630 --> 00:42:40,720

and uh all this that we're talking about

1164

00:42:45,270 --> 00:42:42,640

is on the south slope

1165

00:42:47,670 --> 00:42:45,280

and in my opinion the south slopes a lot

1166

00:42:49,349 --> 00:42:47,680

wilder than the north slope

1167

00:42:51,510 --> 00:42:49,359

not that there's not some wild stuff on

1168

00:42:53,349 --> 00:42:51,520

the north slope we went and interviewed

1169

00:42:56,150 --> 00:42:53,359

a guy

1170

00:42:58,470 --> 00:42:56,160

fascinating guy

1171

00:42:59,990 --> 00:42:58,480

they were on the north slope

1172

00:43:01,829 --> 00:43:00,000

so there was on the opposite side of

1173

00:43:02,950 --> 00:43:01,839

where we're all at

1174

00:43:04,309 --> 00:43:02,960

and he

1175

00:43:06,950 --> 00:43:04,319

and his neighbor

1176

00:43:09,349 --> 00:43:06,960

took their sons up to go fishing

1177

00:43:12,069 --> 00:43:09,359

and uh i'll even tell you the

1178

00:43:13,990 --> 00:43:12,079

drainage if you want me to and the lake

1179

00:43:16,870 --> 00:43:14,000

that they were cooperate

1180

00:43:19,109 --> 00:43:16,880

okay that's the name of the drainage and

1181

00:43:19,829 --> 00:43:19,119

kubernetes historically they said that

1182

00:43:27,270 --> 00:43:19,839

the

1183

00:43:29,910 --> 00:43:27,280

been

1184

00:43:31,990 --> 00:43:29,920

a lot of sightings in that area well

1185

00:43:33,190 --> 00:43:32,000

they hiked into the lake there cooperate

1186

00:43:35,430 --> 00:43:33,200

lake

1187

00:43:37,750 --> 00:43:35,440

this was this was years ago he's an

1188

00:43:39,190 --> 00:43:37,760

older man now

1189

00:43:41,430 --> 00:43:39,200

and

1190

00:43:43,589 --> 00:43:41,440

in fact if you want to go to our

1191

00:43:45,910 --> 00:43:43,599

facebook page we've got pictures of some

1192

00:43:47,829 --> 00:43:45,920

of the uh footprints that they pulled

1193

00:43:49,910 --> 00:43:47,839

off oh yeah let's let's tell our

1194

00:43:52,950 --> 00:43:49,920

listeners uh what what the name of the

1195

00:43:55,109 --> 00:43:52,960

facebook page is so they can find it

1196

00:43:56,230 --> 00:43:55,119

it's gathering at moon lake

1197

00:43:59,109 --> 00:43:56,240

and then

1198

00:44:00,790 --> 00:43:59,119

forward slash morgan powwow and they'll

1199

00:44:02,150 --> 00:44:00,800

take you right there go digging through

1200

00:44:04,230 --> 00:44:02,160

there we've we've been putting a lot of

1201

00:44:05,829 --> 00:44:04,240

stuff on there this year

1202

00:44:07,990 --> 00:44:05,839

so they're up there fishing and the

1203

00:44:09,750 --> 00:44:08,000

thing with the wind is if you're people

1204

00:44:10,710 --> 00:44:09,760

that from up here know what i'm talking

1205

00:44:12,550 --> 00:44:10,720

about

1206

00:44:14,710 --> 00:44:12,560

people from out of the you know not from

1207

00:44:17,349 --> 00:44:14,720

the area if you don't like this lake

1208

00:44:18,630 --> 00:44:17,359

there's another lake a half a mile away

1209

00:44:21,030 --> 00:44:18,640

and if you don't like that one there's

1210

00:44:22,470 --> 00:44:21,040

another lake a half a mile away

1211

00:44:24,710 --> 00:44:22,480

that's just the that's the view when

1212

00:44:27,829 --> 00:44:24,720

there's a ton of lakes up there

1213

00:44:30,550 --> 00:44:27,839

so they were fishing the lake there

1214

00:44:34,069 --> 00:44:30,560

and they go and so there was two adults

1215

00:44:36,470 --> 00:44:34,079

and then probably five or six young boys

1216

00:44:38,470 --> 00:44:36,480

that their their boys that were up there

1217

00:44:40,790 --> 00:44:38,480

so they said let's just hike over to

1218

00:44:43,109 --> 00:44:40,800

whatever the lake is next to them

1219

00:44:45,349 --> 00:44:43,119

so they hike out of there they get onto

1220

00:44:48,230 --> 00:44:45,359

a hype a high hill

1221

00:44:51,589 --> 00:44:48,240

this overlooking cooperate

1222

00:44:53,030 --> 00:44:51,599

and uh they looked down there and there

1223

00:44:56,069 --> 00:44:53,040

was a bigfoot

1224

00:44:57,589 --> 00:44:56,079

drinking out of the lake or or whatever

1225

00:44:58,309 --> 00:44:57,599

maybe he was fishing

1226

00:45:01,349 --> 00:44:58,319

but

1227

00:45:03,589 --> 00:45:01,359

they said they got a perfect

1228

00:45:05,030 --> 00:45:03,599

siding hymn and i mean there was no

1229

00:45:07,349 --> 00:45:05,040

question

1230

00:45:09,030 --> 00:45:07,359

and the dang boys they saw they'd sit

1231

00:45:11,750 --> 00:45:09,040

and watch and watch

1232

00:45:14,069 --> 00:45:11,760

and the dane kids which the kid would do

1233

00:45:16,230 --> 00:45:14,079

started screaming yelling the bigfoot

1234

00:45:19,109 --> 00:45:16,240

looks up at him

1235

00:45:21,750 --> 00:45:19,119

and he turns around and starts off into

1236

00:45:23,510 --> 00:45:21,760

it took a while to hit the tree line

1237

00:45:25,670 --> 00:45:23,520

and the two dads go let's go let's go

1238

00:45:27,750 --> 00:45:25,680

down there so they they told the boys

1239

00:45:30,230 --> 00:45:27,760

they said don't you move

1240

00:45:32,630 --> 00:45:30,240

don't you dare move you sit right here

1241

00:45:34,150 --> 00:45:32,640

and i don't you know and so the two men

1242

00:45:37,030 --> 00:45:34,160

went down there

1243

00:45:38,309 --> 00:45:37,040

to chase him like and they so they got

1244

00:45:39,750 --> 00:45:38,319

down and found the footprints and

1245

00:45:41,829 --> 00:45:39,760

everything

1246

00:45:43,109 --> 00:45:41,839

and and they they they followed him for

1247

00:45:44,630 --> 00:45:43,119

a while and they started to look they

1248

00:45:46,790 --> 00:45:44,640

looked at each other they said

1249

00:45:49,030 --> 00:45:46,800

do you really want to catch him

1250

00:45:51,430 --> 00:45:49,040

and the other one says no

1251  
00:45:55,349 --> 00:45:51,440  
so they got the heck out of there

1252  
00:45:56,309 --> 00:45:55,359  
and he's had he went he just got

1253  
00:45:58,309 --> 00:45:56,319  
hooked

1254  
00:45:59,430 --> 00:45:58,319  
on bigfoot after that

1255  
00:46:02,470 --> 00:45:59,440  
and

1256  
00:46:04,150 --> 00:46:02,480  
they went back up there in light snow so

1257  
00:46:05,670 --> 00:46:04,160  
they thought they could find footprints

1258  
00:46:07,430 --> 00:46:05,680  
easier that way

1259  
00:46:09,589 --> 00:46:07,440  
and he was with his boys well the boys

1260  
00:46:11,670 --> 00:46:09,599  
were a lot better shape than he was in

1261  
00:46:14,470 --> 00:46:11,680  
and in the same area this was i don't

1262  
00:46:15,829 --> 00:46:14,480  
know five months later or whatever

1263  
00:46:17,990 --> 00:46:15,839

and uh

1264

00:46:19,109 --> 00:46:18,000

they get up the kids got to the top of

1265

00:46:21,030 --> 00:46:19,119

this

1266

00:46:23,349 --> 00:46:21,040

hill where they were gonna

1267

00:46:25,030 --> 00:46:23,359

take a rest and they saw that it had to

1268

00:46:26,390 --> 00:46:25,040

be the same one

1269

00:46:29,990 --> 00:46:26,400

and they saw him and they start

1270

00:46:31,670 --> 00:46:30,000

screaming well the bigfoot takes off and

1271

00:46:34,309 --> 00:46:31,680

the poor dad

1272

00:46:36,230 --> 00:46:34,319

he by the time he got there it was gone

1273

00:46:38,390 --> 00:46:36,240

it'd be like

1274

00:46:39,990 --> 00:46:38,400

pheasant hunting with a dog that's three

1275

00:46:42,230 --> 00:46:40,000

fields ahead of you

1276

00:46:44,150 --> 00:46:42,240

you're not gonna win there the damn dog

1277

00:46:45,030 --> 00:46:44,160

scares up everything long before you get

1278

00:46:45,829 --> 00:46:45,040

there

1279

00:46:47,829 --> 00:46:45,839

but

1280

00:46:48,710 --> 00:46:47,839

we've invited him and i don't he's kind

1281

00:46:50,950 --> 00:46:48,720

of

1282

00:46:52,069 --> 00:46:50,960

shy he just we haven't been able to get

1283

00:46:52,790 --> 00:46:52,079

him but

1284

00:46:56,630 --> 00:46:52,800

we

1285

00:46:58,069 --> 00:46:56,640

down

1286

00:47:01,589 --> 00:46:58,079

they are real

1287

00:47:02,390 --> 00:47:01,599

real assets in this community because it

1288

00:47:04,790 --> 00:47:02,400

is

1289

00:47:05,670 --> 00:47:04,800

you know there's so many folks that have

1290

00:47:07,510 --> 00:47:05,680

had

1291

00:47:10,069 --> 00:47:07,520

high strangeness occur in the uintah

1292

00:47:13,030 --> 00:47:10,079

basin you get you get ufo reports you

1293

00:47:16,069 --> 00:47:13,040

get portals that open up and close

1294

00:47:17,910 --> 00:47:16,079

the the the utah treasure aspect is

1295

00:47:19,750 --> 00:47:17,920

something that you can legitimately kind

1296

00:47:21,750 --> 00:47:19,760

of a nuts and bolts thing if you get out

1297

00:47:23,430 --> 00:47:21,760

there and dig around and

1298

00:47:24,950 --> 00:47:23,440

use a metal detector it's something that

1299

00:47:26,710 --> 00:47:24,960

you can actually nail down and say

1300

00:47:28,549 --> 00:47:26,720

here's the proof you know showing some

1301  
00:47:30,950 --> 00:47:28,559  
of the artifacts but some of these other

1302  
00:47:32,470 --> 00:47:30,960  
things are so wild that you really have

1303  
00:47:34,069 --> 00:47:32,480  
to get it from the horse's mouth and

1304  
00:47:35,910 --> 00:47:34,079  
hear it from the people who have

1305  
00:47:39,829 --> 00:47:35,920  
experienced it

1306  
00:47:43,990 --> 00:47:39,839  
right that's true we had

1307  
00:47:45,510 --> 00:47:44,000  
we had one that was just i heard it

1308  
00:47:46,790 --> 00:47:45,520  
the guy that told me

1309  
00:47:52,069 --> 00:47:46,800  
they have been

1310  
00:47:54,870 --> 00:47:52,079  
unbelievably lucky and successful about

1311  
00:47:57,030 --> 00:47:54,880  
finding stuff

1312  
00:47:59,190 --> 00:47:57,040  
but they went to uh

1313  
00:48:00,950 --> 00:47:59,200

there's the story on our facebook page

1314

00:48:03,829 --> 00:48:00,960

and a picture of this

1315

00:48:04,950 --> 00:48:03,839

if you want to hear why crazy stuff

1316

00:48:06,470 --> 00:48:04,960

uh

1317

00:48:08,230 --> 00:48:06,480

go to our facebook page and read the

1318

00:48:10,069 --> 00:48:08,240

story you'll go down you'll see it looks

1319

00:48:12,309 --> 00:48:10,079

kind of like a volcano

1320

00:48:14,630 --> 00:48:12,319

and it's right there in the basin

1321

00:48:16,870 --> 00:48:14,640

and read the story it would take too

1322

00:48:18,790 --> 00:48:16,880

long to tell it to you on here

1323

00:48:21,589 --> 00:48:18,800

and that it's only you know it's not a

1324

00:48:24,150 --> 00:48:21,599

long story but

1325

00:48:25,750 --> 00:48:24,160

it just it's a fascinating thing i i

1326  
00:48:27,190 --> 00:48:25,760  
went to lunch with the guy that did it

1327  
00:48:28,870 --> 00:48:27,200  
twice

1328  
00:48:30,150 --> 00:48:28,880  
and i went years a few years ago and

1329  
00:48:32,069 --> 00:48:30,160  
then i went the other day was i wanted

1330  
00:48:35,030 --> 00:48:32,079  
the guy that writes for us

1331  
00:48:36,870 --> 00:48:35,040  
to uh to hear it

1332  
00:48:38,630 --> 00:48:36,880  
because he wanted to do an article and

1333  
00:48:40,630 --> 00:48:38,640  
we put it he did

1334  
00:48:42,390 --> 00:48:40,640  
put it on our facebook page

1335  
00:48:43,910 --> 00:48:42,400  
and i'll tell you what

1336  
00:48:45,750 --> 00:48:43,920  
if you haven't read anything for a while

1337  
00:48:49,270 --> 00:48:45,760  
look at this one because it and with

1338  
00:48:51,270 --> 00:48:49,280

pictures it is amazing

1339

00:48:53,270 --> 00:48:51,280

and the story is actually longer than

1340

00:48:55,109 --> 00:48:53,280

the article but

1341

00:48:57,190 --> 00:48:55,119

pretty good good stuff

1342

00:48:58,950 --> 00:48:57,200

you know it's funny and

1343

00:49:00,549 --> 00:48:58,960

speaking about branching out when we

1344

00:49:02,470 --> 00:49:00,559

first started

1345

00:49:05,349 --> 00:49:02,480

it was spanish gold spanish gold spanish

1346

00:49:07,270 --> 00:49:05,359

gold uh gorgeous blood smash gold and to

1347

00:49:09,670 --> 00:49:07,280

be honest with you we just kind of got

1348

00:49:11,829 --> 00:49:09,680

uh burned out on it

1349

00:49:13,829 --> 00:49:11,839

and uh so we thought you know what would

1350

00:49:16,230 --> 00:49:13,839

be cool it wouldn't be neat to get a

1351  
00:49:18,069 --> 00:49:16,240  
bigfoot guy and that's about as far as

1352  
00:49:20,549 --> 00:49:18,079  
it went and i remember telling a guy

1353  
00:49:23,589 --> 00:49:20,559  
said where are you gonna find a bigfoot

1354  
00:49:25,109 --> 00:49:23,599  
guy i mean that's gotta be pretty rare

1355  
00:49:27,030 --> 00:49:25,119  
not so much

1356  
00:49:28,390 --> 00:49:27,040  
if you if you get out there and get

1357  
00:49:30,870 --> 00:49:28,400  
talking to people

1358  
00:49:33,349 --> 00:49:30,880  
there's a lot of people that have seen

1359  
00:49:35,030 --> 00:49:33,359  
had some pretty dang good uh

1360  
00:49:39,990 --> 00:49:35,040  
sightings

1361  
00:49:42,230 --> 00:49:40,000  
and it's not that hard to find them

1362  
00:49:44,630 --> 00:49:42,240  
we have found a bunch

1363  
00:49:47,030 --> 00:49:44,640

i i've heard a bunch of stories and to

1364

00:49:50,230 --> 00:49:47,040

be honest with you almost all of them i

1365

00:49:52,069 --> 00:49:50,240

find very very legitimate

1366

00:49:54,630 --> 00:49:52,079

they're not the type of they don't go

1367

00:49:56,069 --> 00:49:54,640

looking for you you go looking for them

1368

00:49:58,150 --> 00:49:56,079

so why would they

1369

00:49:59,270 --> 00:49:58,160

spin you some yarn that's just a mile

1370

00:50:01,829 --> 00:49:59,280

long

1371

00:50:03,670 --> 00:50:01,839

it's uh it's they're there i mean i

1372

00:50:05,190 --> 00:50:03,680

haven't seen one

1373

00:50:06,790 --> 00:50:05,200

but uh

1374

00:50:09,190 --> 00:50:06,800

yeah they're there

1375

00:50:11,430 --> 00:50:09,200

oh yeah and it can be that thing that

1376

00:50:13,829 --> 00:50:11,440

kind of connecting that connecting

1377

00:50:15,349 --> 00:50:13,839

thread uh to this weirdness i remember

1378

00:50:17,990 --> 00:50:15,359

when i

1379

00:50:19,829 --> 00:50:18,000

i you know i i get kind of a hard time

1380

00:50:21,349 --> 00:50:19,839

from my wife's family sometime because i

1381

00:50:23,750 --> 00:50:21,359

know i'm into some things that are a

1382

00:50:27,030 --> 00:50:23,760

little bit fringy and i remember

1383

00:50:29,829 --> 00:50:27,040

speaking with my uh father-in-law who uh

1384

00:50:32,069 --> 00:50:29,839

passed but he was a he was a navy seal

1385

00:50:34,630 --> 00:50:32,079

seal team six you know went to vietnam

1386

00:50:36,470 --> 00:50:34,640

very very uh

1387

00:50:38,309 --> 00:50:36,480

real world guy

1388

00:50:41,190 --> 00:50:38,319

and you had to you show him something to

1389

00:50:43,430 --> 00:50:41,200

convince him and i remember one day

1390

00:50:45,750 --> 00:50:43,440

he and my mother-in-law

1391

00:50:47,510 --> 00:50:45,760

pulled me aside and they said ryan when

1392

00:50:49,829 --> 00:50:47,520

it comes to the bigfoot thing you got us

1393

00:50:50,790 --> 00:50:49,839

convinced we were in oregon where they

1394

00:50:52,470 --> 00:50:50,800

lived

1395

00:50:54,710 --> 00:50:52,480

and they said they were just driving

1396

00:50:56,069 --> 00:50:54,720

down the road and it crossed right in

1397

00:50:59,430 --> 00:50:56,079

front of them and they both looked at

1398

00:51:01,270 --> 00:50:59,440

each other and said okay then and this i

1399

00:51:02,870 --> 00:51:01,280

mean this stuff happens and it you don't

1400

00:51:04,390 --> 00:51:02,880

have to be a believer a lot of these

1401

00:51:05,829 --> 00:51:04,400

people with stories

1402

00:51:07,910 --> 00:51:05,839

they're not believers when they see

1403

00:51:10,069 --> 00:51:07,920

these things and you know they only

1404

00:51:12,069 --> 00:51:10,079

become believers after they've seen

1405

00:51:14,630 --> 00:51:12,079

these things

1406

00:51:16,790 --> 00:51:14,640

wow that's a good that's that's cool

1407

00:51:18,549 --> 00:51:16,800

and after that they were they were all

1408

00:51:21,349 --> 00:51:18,559

on board with you yeah yeah i didn't

1409

00:51:23,430 --> 00:51:21,359

seem as weird i guess to them but

1410

00:51:25,270 --> 00:51:23,440

it it's it's amazing i think it's such a

1411

00:51:27,349 --> 00:51:25,280

good group of people that you have and

1412

00:51:28,950 --> 00:51:27,359

and i'm so glad to be confirmed on the

1413

00:51:31,430 --> 00:51:28,960

speakers list because i can't wait to

1414

00:51:33,750 --> 00:51:31,440

share some stuff and i've seen it i mean

1415

00:51:36,549 --> 00:51:33,760

i've seen the utah treasures even if

1416

00:51:38,230 --> 00:51:36,559

those are just coins or spanish stirrups

1417

00:51:40,549 --> 00:51:38,240

that you dig up out of the ground i mean

1418

00:51:43,190 --> 00:51:40,559

this is stuff i've put my hands on and

1419

00:51:44,950 --> 00:51:43,200

seen and you know you can't you can't

1420

00:51:45,910 --> 00:51:44,960

say somebody just went out there with

1421

00:51:49,030 --> 00:51:45,920

these

1422

00:51:50,549 --> 00:51:49,040

stirrups and buried them for fun i mean

1423

00:51:51,349 --> 00:51:50,559

these are things that are hard to come

1424

00:51:52,150 --> 00:51:51,359

by

1425

00:51:54,710 --> 00:51:52,160

and

1426

00:51:56,950 --> 00:51:54,720

that's what's my amazing uh just uh

1427

00:51:58,390 --> 00:51:56,960

another guy i know that i i do he does a

1428

00:52:02,069 --> 00:51:58,400

lot of work for me

1429

00:52:04,630 --> 00:52:02,079

and his his ancestors um have found all

1430

00:52:07,430 --> 00:52:04,640

kinds of things spanish bridals i mean

1431

00:52:09,910 --> 00:52:07,440

you name it it's it's up there

1432

00:52:11,510 --> 00:52:09,920

it's up there so ryan tell me about your

1433

00:52:14,390 --> 00:52:11,520

stirrup because we

1434

00:52:17,109 --> 00:52:14,400

this this guy just speaking uh friday

1435

00:52:20,230 --> 00:52:17,119

night they found a couple stirrups

1436

00:52:22,309 --> 00:52:20,240

and they were amazing they were amazing

1437

00:52:23,589 --> 00:52:22,319

uh are you the ones that you've seen are

1438

00:52:25,270 --> 00:52:23,599

they uh

1439

00:52:27,589 --> 00:52:25,280

they almost look like a shoe that you'd

1440

00:52:29,430 --> 00:52:27,599

slide your foot in that's exactly right

1441

00:52:31,990 --> 00:52:29,440

they're beautiful they look like they're

1442

00:52:33,349 --> 00:52:32,000

uh hammered out of brass they're a lot

1443

00:52:35,510 --> 00:52:33,359

smaller than our feet because the

1444

00:52:36,950 --> 00:52:35,520

spanish had a lot smaller feet that kind

1445

00:52:38,150 --> 00:52:36,960

of blew me away

1446

00:52:41,190 --> 00:52:38,160

they have

1447

00:52:43,430 --> 00:52:41,200

little uh triangles like open triangles

1448

00:52:45,190 --> 00:52:43,440

at the bottom uh cut out of them so that

1449

00:52:47,030 --> 00:52:45,200

if it you know was raining or whatever

1450

00:52:49,270 --> 00:52:47,040

these things would drain out i mean they

1451

00:52:50,790 --> 00:52:49,280

were really ahead of their time as far

1452

00:52:52,230 --> 00:52:50,800

as i mean they would work you could hook

1453

00:52:54,390 --> 00:52:52,240

them up to a horse now and they'd still

1454

00:52:55,349 --> 00:52:54,400

work if you could find one your size

1455

00:52:57,349 --> 00:52:55,359

and

1456

00:52:59,270 --> 00:52:57,359

they were bulletproof they might they

1457

00:53:00,390 --> 00:52:59,280

might be at the powwow oh that'd be

1458

00:53:03,589 --> 00:53:00,400

great

1459

00:53:04,950 --> 00:53:03,599

uh my guy uh he's gonna bring a handful

1460

00:53:06,870 --> 00:53:04,960

of things a

1461

00:53:08,470 --> 00:53:06,880

and i hopefully i don't you know what

1462

00:53:10,150 --> 00:53:08,480

i'm gonna put a bug in his air to bring

1463

00:53:12,230 --> 00:53:10,160

that stirrup because

1464

00:53:14,390 --> 00:53:12,240

that thing is it looks like it was built

1465

00:53:17,030 --> 00:53:14,400

yesterday made yesterday they're that

1466

00:53:19,270 --> 00:53:17,040

good shape yeah they polish right up i

1467

00:53:20,230 --> 00:53:19,280

mean they polish right up unbelievable

1468

00:53:22,549 --> 00:53:20,240

yeah

1469

00:53:24,870 --> 00:53:22,559

i've seen so dang many things i i got to

1470

00:53:26,230 --> 00:53:24,880

tell you right so we had to parallel up

1471

00:53:29,589 --> 00:53:26,240

at the canyon

1472

00:53:31,589 --> 00:53:29,599

where you were at and uh

1473

00:53:35,190 --> 00:53:31,599

this guy brought a bunch of his stuff

1474

00:53:37,030 --> 00:53:35,200

and i was so over the top excited and my

1475

00:53:38,710 --> 00:53:37,040

little girl i had a grandson who's now

1476

00:53:41,589 --> 00:53:38,720

like 21

1477

00:53:43,829 --> 00:53:41,599

and he was about 10 11 years old

1478

00:53:46,390 --> 00:53:43,839

and uh he was sitting right next to me

1479

00:53:48,870 --> 00:53:46,400

we they had picnic tables there

1480

00:53:50,870 --> 00:53:48,880

and scott was okay this was this and

1481

00:53:53,030 --> 00:53:50,880

then he passed a double line and this is

1482

00:53:54,790 --> 00:53:53,040

what this says he passed down the line

1483

00:53:57,270 --> 00:53:54,800

so he was sitting next to me and i

1484

00:53:58,390 --> 00:53:57,280

pretty much i i've seen it before we

1485

00:54:00,230 --> 00:53:58,400

started

1486

00:54:02,390 --> 00:54:00,240

and so i said zach

1487

00:54:05,430 --> 00:54:02,400

this little guy but he was always he

1488

00:54:08,150 --> 00:54:05,440

still is he was he's very uh

1489

00:54:10,150 --> 00:54:08,160

in you know he's attentive he's not just

1490

00:54:11,990 --> 00:54:10,160

out throwing rocks and you know he was

1491

00:54:13,990 --> 00:54:12,000

he's very interested

1492

00:54:16,230 --> 00:54:14,000

and so i said zach i want you to know

1493

00:54:18,390 --> 00:54:16,240

something and he said what grandpa and i

1494

00:54:20,309 --> 00:54:18,400

said listen

1495

00:54:22,150 --> 00:54:20,319

what you're going to see

1496

00:54:24,549 --> 00:54:22,160

most people never get to see their whole

1497

00:54:26,150 --> 00:54:24,559

life and i don't want you to ever forget

1498

00:54:27,910 --> 00:54:26,160

what you're going to see today

1499

00:54:30,230 --> 00:54:27,920

so we're past there was some they're

1500

00:54:32,630 --> 00:54:30,240

called finger bars gold bars

1501  
00:54:33,829 --> 00:54:32,640  
have you seen any of them yet ryan

1502  
00:54:35,750 --> 00:54:33,839  
yeah

1503  
00:54:38,309 --> 00:54:35,760  
and no and you know the reason for the

1504  
00:54:41,430 --> 00:54:38,319  
finger bars because if you're loading

1505  
00:54:43,030 --> 00:54:41,440  
some mule up and you got a 500 pound bar

1506  
00:54:45,190 --> 00:54:43,040  
you're gonna you know so they have these

1507  
00:54:47,430 --> 00:54:45,200  
finger bars they they were about the

1508  
00:54:49,270 --> 00:54:47,440  
voices are about the size of a

1509  
00:54:50,630 --> 00:54:49,280  
butterfinger candy bar

1510  
00:54:51,750 --> 00:54:50,640  
and they don't they don't look a whole

1511  
00:54:53,670 --> 00:54:51,760  
lot different they're a little longer

1512  
00:54:55,990 --> 00:54:53,680  
than that but then that way they could

1513  
00:54:57,829 --> 00:54:56,000

even up the loads real easy

1514

00:55:00,630 --> 00:54:57,839

and so that's one of the reasons that

1515

00:55:02,470 --> 00:55:00,640

they would make these vessels that way

1516

00:55:03,910 --> 00:55:02,480

so we're passing these down

1517

00:55:07,670 --> 00:55:03,920

and i i

1518

00:55:10,150 --> 00:55:07,680

they a little a gold bar i you know gets

1519

00:55:12,309 --> 00:55:10,160

handed to him he looks at your hat

1520

00:55:13,990 --> 00:55:12,319

and i thought zach

1521

00:55:15,589 --> 00:55:14,000

do you know what he just said

1522

00:55:17,270 --> 00:55:15,599

and then there was there was some

1523

00:55:19,990 --> 00:55:17,280

spanish crosses

1524

00:55:21,190 --> 00:55:20,000

and you've heard of the half cross

1525

00:55:22,630 --> 00:55:21,200

i'm sure you've heard of that you've

1526

00:55:23,750 --> 00:55:22,640

seen pictures of it

1527

00:55:25,190 --> 00:55:23,760

well

1528

00:55:27,270 --> 00:55:25,200

that came to him and there's a gold

1529

00:55:29,430 --> 00:55:27,280

nugget embossed in the map

1530

00:55:30,789 --> 00:55:29,440

on the half cross and that goes by and

1531

00:55:32,950 --> 00:55:30,799

he didn't care

1532

00:55:35,990 --> 00:55:32,960

because there was a spanish sword coming

1533

00:55:37,589 --> 00:55:36,000

down hawaii and that's what and and he

1534

00:55:39,829 --> 00:55:37,599

just lit up like a christmas tree with

1535

00:55:42,309 --> 00:55:39,839

the spanish uh sword

1536

00:55:45,510 --> 00:55:42,319

hand him a gold bar yeah hannah's a

1537

00:55:49,109 --> 00:55:45,520

spanish cross with markings on it yeah

1538

00:55:51,190 --> 00:55:49,119

it just it just made me laugh i mean

1539

00:55:52,150 --> 00:55:51,200

i'd never forgotten that it just made me

1540

00:55:56,870 --> 00:55:52,160

laugh

1541

00:56:01,990 --> 00:55:59,109

now he's gonna have some of that stuff

1542

00:56:03,990 --> 00:56:02,000

i don't i know darn well he won't pass

1543

00:56:05,829 --> 00:56:04,000

these around he's going to be he's

1544

00:56:09,430 --> 00:56:05,839

speaking saturday

1545

00:56:11,190 --> 00:56:09,440

uh i uh you will i'm sure i i'm sure i

1546

00:56:14,390 --> 00:56:11,200

don't know for sure what he said he will

1547

00:56:17,510 --> 00:56:14,400

bring some artifacts i don't know

1548

00:56:20,309 --> 00:56:17,520

to what extent you can see him i'm sure

1549

00:56:21,990 --> 00:56:20,319

he was not going to let you uh manhandle

1550

00:56:24,549 --> 00:56:22,000

him and touch him and

1551  
00:56:26,630 --> 00:56:24,559  
you know and that's understandable

1552  
00:56:29,270 --> 00:56:26,640  
don't blame that and some of these

1553  
00:56:30,789 --> 00:56:29,280  
things i mean some of these artifacts i

1554  
00:56:33,109 --> 00:56:30,799  
they predate and this is what's so

1555  
00:56:35,030 --> 00:56:33,119  
amazing we have such a temporary

1556  
00:56:37,109 --> 00:56:35,040  
time on this planet as human beings and

1557  
00:56:41,030 --> 00:56:37,119  
some of these artifacts i've seen

1558  
00:56:42,150 --> 00:56:41,040  
pictures um on that uh gathering at moon

1559  
00:56:44,870 --> 00:56:42,160  
lake

1560  
00:56:47,750 --> 00:56:44,880  
uh facebook page that blow me away i

1561  
00:56:50,950 --> 00:56:47,760  
mean necklaces that look identical to

1562  
00:56:52,870 --> 00:56:50,960  
the dry fort canyon petroglyphs of

1563  
00:56:54,630 --> 00:56:52,880

of the uh

1564

00:56:57,030 --> 00:56:54,640

on the main trail there

1565

00:56:59,430 --> 00:56:57,040

i mean we're talking about stuff that

1566

00:57:01,109 --> 00:56:59,440

there's there's no telling how old some

1567

00:57:03,589 --> 00:57:01,119

of these things are

1568

00:57:05,510 --> 00:57:03,599

yeah i i agree

1569

00:57:06,470 --> 00:57:05,520

i agree

1570

00:57:08,789 --> 00:57:06,480

uh

1571

00:57:10,870 --> 00:57:08,799

you know ryan i'm doing all i'm doing a

1572

00:57:14,230 --> 00:57:10,880

lot of talking here but you want another

1573

00:57:17,190 --> 00:57:14,240

one yes sir i do absolutely mark

1574

00:57:19,750 --> 00:57:17,200

we now this is on the north slope so

1575

00:57:22,309 --> 00:57:19,760

it's the opposite side of where we're at

1576

00:57:24,390 --> 00:57:22,319

uh we had a guy come to our powwow and

1577

00:57:25,430 --> 00:57:24,400

this it was fairly early on there was

1578

00:57:27,589 --> 00:57:25,440

only

1579

00:57:29,589 --> 00:57:27,599

oh a dozen people

1580

00:57:32,150 --> 00:57:29,599

and in fact this guy just passed away

1581

00:57:33,910 --> 00:57:32,160

within the last two months

1582

00:57:38,950 --> 00:57:33,920

he came

1583

00:57:40,390 --> 00:57:38,960

and uh

1584

00:57:42,789 --> 00:57:40,400

because a lot of guys didn't like this

1585

00:57:45,109 --> 00:57:42,799

guy i got along with him okay

1586

00:57:48,069 --> 00:57:45,119

but he was telling us a story

1587

00:57:50,230 --> 00:57:48,079

and my there was one of my you know

1588

00:57:52,309 --> 00:57:50,240

when we first started a lot of my subs

1589

00:57:54,390 --> 00:57:52,319

were coming to the powwow and they still

1590

00:57:56,870 --> 00:57:54,400

do a lot of them and there was a guy

1591

00:57:59,430 --> 00:57:56,880

that came and this guy was like the the

1592

00:58:01,430 --> 00:57:59,440

poster boy for uh the energizer

1593

00:58:03,270 --> 00:58:01,440

energizer bunny

1594

00:58:05,190 --> 00:58:03,280

this guy you could

1595

00:58:07,349 --> 00:58:05,200

he could hike a hundred miles a day he's

1596

00:58:09,109 --> 00:58:07,359

just that kind of guy and he was in the

1597

00:58:10,789 --> 00:58:09,119

search and rescue up and through

1598

00:58:12,390 --> 00:58:10,799

throughout the year as a long for i

1599

00:58:15,430 --> 00:58:12,400

think he still is

1600

00:58:18,230 --> 00:58:15,440

but uh so this uh

1601  
00:58:20,549 --> 00:58:18,240  
this guy was telling us a story

1602  
00:58:21,910 --> 00:58:20,559  
and uh and i'll tell you the story and

1603  
00:58:23,109 --> 00:58:21,920  
then i'll tell you where he just kind of

1604  
00:58:24,950 --> 00:58:23,119  
chirped in

1605  
00:58:26,630 --> 00:58:24,960  
so he there was a

1606  
00:58:28,150 --> 00:58:26,640  
he met this kid

1607  
00:58:31,030 --> 00:58:28,160  
and he would get in at their river

1608  
00:58:33,270 --> 00:58:31,040  
service now you know where that is

1609  
00:58:36,150 --> 00:58:33,280  
it's just above evanston there and this

1610  
00:58:37,349 --> 00:58:36,160  
kid would take guys uh fishing on

1611  
00:58:39,109 --> 00:58:37,359  
horseback

1612  
00:58:40,710 --> 00:58:39,119  
and you know you kind of like what you

1613  
00:58:43,430 --> 00:58:40,720

did kind of uh

1614

00:58:46,309 --> 00:58:43,440

what do you call it uh outfitting or you

1615

00:58:47,829 --> 00:58:46,319

bet or guides or whatever so they got on

1616

00:58:49,190 --> 00:58:47,839

their horses

1617

00:58:51,190 --> 00:58:49,200

and he would take him to this lake and

1618

00:58:53,270 --> 00:58:51,200

then they'd fish and then then he would

1619

00:58:55,190 --> 00:58:53,280

they'd jump under horses and go farther

1620

00:58:56,950 --> 00:58:55,200

in and another lake and another like in

1621

00:58:59,109 --> 00:58:56,960

another lake and so they'd be gone all

1622

00:59:00,470 --> 00:58:59,119

day and then some

1623

00:59:04,390 --> 00:59:00,480

so the kid

1624

00:59:06,230 --> 00:59:04,400

probably 20 18 something like that he

1625

00:59:08,150 --> 00:59:06,240

goes you know what i'm sick of fishing

1626  
00:59:09,670 --> 00:59:08,160  
you guys fish and i'm just gonna go

1627  
00:59:11,109 --> 00:59:09,680  
messaging around

1628  
00:59:13,670 --> 00:59:11,119  
and uh

1629  
00:59:15,670 --> 00:59:13,680  
i'll be back in you know two hours the

1630  
00:59:16,950 --> 00:59:15,680  
kid jumps on his horse

1631  
00:59:20,069 --> 00:59:16,960  
and he goes

1632  
00:59:21,990 --> 00:59:20,079  
and now i didn't understand this and i

1633  
00:59:23,910 --> 00:59:22,000  
was told this the other day well a year

1634  
00:59:26,950 --> 00:59:23,920  
or so ago i didn't realize how this

1635  
00:59:28,870 --> 00:59:26,960  
works the gold vein

1636  
00:59:32,390 --> 00:59:28,880  
like the all the mountains except for

1637  
00:59:34,549 --> 00:59:32,400  
the uintas which go uh east and west all

1638  
00:59:36,870 --> 00:59:34,559

the others go north and south

1639

00:59:39,109 --> 00:59:36,880

in in like the whole country

1640

00:59:40,150 --> 00:59:39,119

and they said that the gold vein will

1641

00:59:42,069 --> 00:59:40,160

start

1642

00:59:43,990 --> 00:59:42,079

and it's like a snake it goes deep and

1643

00:59:45,349 --> 00:59:44,000

then it comes up and it goes deep well

1644

00:59:48,230 --> 00:59:45,359

obviously you're not going to be able to

1645

00:59:49,910 --> 00:59:48,240

get down to those deep ones but as a as

1646

00:59:52,069 --> 00:59:49,920

that vein goes up

1647

00:59:54,630 --> 00:59:52,079

it would get closer to the surface

1648

00:59:57,349 --> 00:59:54,640

and sometimes probably break the surface

1649

01:00:01,589 --> 00:59:57,359

well this kid just by chance

1650

01:00:03,829 --> 01:00:01,599

happened on an open pit spanish mine

1651  
01:00:06,870 --> 01:00:03,839  
and you know it was open

1652  
01:00:09,589 --> 01:00:06,880  
and uh so he was just thinking oh and he

1653  
01:00:11,109 --> 01:00:09,599  
didn't know what it was he had no idea

1654  
01:00:13,190 --> 01:00:11,119  
and

1655  
01:00:14,630 --> 01:00:13,200  
obviously it was very high in the

1656  
01:00:16,549 --> 01:00:14,640  
mountains

1657  
01:00:19,270 --> 01:00:16,559  
and uh matter of fact it's just on the

1658  
01:00:21,030 --> 01:00:19,280  
other side of kubernetes talking about

1659  
01:00:22,870 --> 01:00:21,040  
the bigfoot stuff

1660  
01:00:24,950 --> 01:00:22,880  
and uh

1661  
01:00:26,549 --> 01:00:24,960  
he sees this big old rock he said that's

1662  
01:00:28,630 --> 01:00:26,559  
really kind of cool

1663  
01:00:30,710 --> 01:00:28,640

so he grabs it throws it in his back and

1664

01:00:32,470 --> 01:00:30,720

then he works his way back to the

1665

01:00:34,789 --> 01:00:32,480

fisherman and then they you know

1666

01:00:37,829 --> 01:00:34,799

obviously took off so he has this rock

1667

01:00:40,870 --> 01:00:37,839

didn't think much about it well this guy

1668

01:00:42,630 --> 01:00:40,880

saw heard about the story hit the kid up

1669

01:00:45,589 --> 01:00:42,640

and said uh

1670

01:00:47,750 --> 01:00:45,599

uh can i and the kid said yeah yeah

1671

01:00:49,910 --> 01:00:47,760

there it is look at it can i take this

1672

01:00:51,589 --> 01:00:49,920

and have an essay and then and the kid

1673

01:00:53,109 --> 01:00:51,599

said yeah i don't care just you know

1674

01:00:55,910 --> 01:00:53,119

give it back to me

1675

01:00:57,829 --> 01:00:55,920

so he did and the dang thing was like i

1676

01:00:59,349 --> 01:00:57,839

don't know solid gold but it had a ton

1677

01:01:02,789 --> 01:00:59,359

of gold in it

1678

01:01:04,549 --> 01:01:02,799

and i i a friend and so we're sitting

1679

01:01:06,710 --> 01:01:04,559

here at the pow wow

1680

01:01:08,309 --> 01:01:06,720

and i was looking at this like well he

1681

01:01:10,710 --> 01:01:08,319

was my plumber

1682

01:01:12,309 --> 01:01:10,720

and he was kind of making faces a little

1683

01:01:14,390 --> 01:01:12,319

bit because he was following where this

1684

01:01:15,990 --> 01:01:14,400

guy was taking them but the guy didn't

1685

01:01:17,589 --> 01:01:16,000

think anybody knew where he was at or he

1686

01:01:19,670 --> 01:01:17,599

wouldn't have gone

1687

01:01:21,670 --> 01:01:19,680

there speaking

1688

01:01:23,190 --> 01:01:21,680

because that's just the way he was he

1689

01:01:25,910 --> 01:01:23,200

he'll talk but he doesn't want you to

1690

01:01:28,549 --> 01:01:25,920

know and so jed goes

1691

01:01:30,309 --> 01:01:28,559

well now let's you know i'm making some

1692

01:01:34,069 --> 01:01:30,319

of this is there a dead tree with a big

1693

01:01:35,990 --> 01:01:34,079

rock that looks like and he goes yeah

1694

01:01:38,390 --> 01:01:36,000

and so the guy had figured out that he

1695

01:01:40,309 --> 01:01:38,400

knew right where he was at and he just

1696

01:01:41,910 --> 01:01:40,319

he's i got to go and he walked he walked

1697

01:01:43,190 --> 01:01:41,920

out and drove away

1698

01:01:44,069 --> 01:01:43,200

and we kind of looked at each other and

1699

01:01:45,910 --> 01:01:44,079

we go

1700

01:01:47,670 --> 01:01:45,920

did somebody say something that kind of

1701

01:01:50,630 --> 01:01:47,680

made him mad

1702

01:01:53,589 --> 01:01:50,640

and i get a phone call

1703

01:01:54,710 --> 01:01:53,599

who's that kid and i said well you know

1704

01:01:56,630 --> 01:01:54,720

and he goes

1705

01:01:59,270 --> 01:01:56,640

i i really like to talk to him sometime

1706

01:02:01,910 --> 01:01:59,280

maybe anyway jed told me how to get

1707

01:02:04,150 --> 01:02:01,920

there took the four-wheelers in drove up

1708

01:02:05,349 --> 01:02:04,160

to the lake where the guys were fishing

1709

01:02:07,109 --> 01:02:05,359

hiked over

1710

01:02:09,430 --> 01:02:07,119

and we kept going kept going and we

1711

01:02:12,150 --> 01:02:09,440

couldn't find it so we get home

1712

01:02:13,829 --> 01:02:12,160

and uh i call him i said he said oh

1713

01:02:14,789 --> 01:02:13,839

you're right next week just round the

1714

01:02:17,190 --> 01:02:14,799

bed

1715

01:02:19,029 --> 01:02:17,200

so we said well we'll go again and i

1716

01:02:20,390 --> 01:02:19,039

can't

1717

01:02:23,029 --> 01:02:20,400

i don't know if the forest service

1718

01:02:25,510 --> 01:02:23,039

filled the road in that we rode into

1719

01:02:27,589 --> 01:02:25,520

and re-vegetated it i don't know but i

1720

01:02:30,150 --> 01:02:27,599

can't even get to the damn lake

1721

01:02:31,349 --> 01:02:30,160

and i could scream but

1722

01:02:35,029 --> 01:02:31,359

it's there

1723

01:02:36,710 --> 01:02:35,039

and a lot of things are like that

1724

01:02:38,630 --> 01:02:36,720

they're hard to get to a lot of these

1725

01:02:39,430 --> 01:02:38,640

general areas when you're in search of

1726

01:02:42,069 --> 01:02:39,440

these

1727

01:02:44,470 --> 01:02:42,079

it's it's it's hard to exactly pinpoint

1728

01:02:46,069 --> 01:02:44,480

you know technically where they're at

1729

01:02:49,349 --> 01:02:46,079

and that's why it's so important i mean

1730

01:02:50,230 --> 01:02:49,359

i see these amazing tidbits of knowledge

1731

01:02:52,230 --> 01:02:50,240

unless

1732

01:02:54,549 --> 01:02:52,240

you have gatherings like this one that

1733

01:02:56,870 --> 01:02:54,559

you do at moon lake mark i see these

1734

01:02:58,390 --> 01:02:56,880

tidbits of information and history just

1735

01:03:00,710 --> 01:02:58,400

falling at the wayside and being

1736

01:03:02,470 --> 01:03:00,720

forgotten over time and so it's so

1737

01:03:04,950 --> 01:03:02,480

important to get like-minded people

1738

01:03:05,829 --> 01:03:04,960

together like you do

1739

01:03:07,910 --> 01:03:05,839

well

1740

01:03:11,829 --> 01:03:07,920

you know ryan it's not for our good

1741

01:03:14,870 --> 01:03:11,839

looks or and charm and ability to be us

1742

01:03:16,710 --> 01:03:14,880

it's the content and people love it it's

1743

01:03:18,630 --> 01:03:16,720

nothing to do with us we just happen to

1744

01:03:21,349 --> 01:03:18,640

be there and facilitate it

1745

01:03:22,789 --> 01:03:21,359

uh it's the content and and people love

1746

01:03:28,150 --> 01:03:22,799

it

1747

01:03:30,390 --> 01:03:28,160

that the the

1748

01:03:32,150 --> 01:03:30,400

the breadcrumbs are there caleb rhodes

1749

01:03:34,710 --> 01:03:32,160

said there was i mean that he was aware

1750

01:03:35,589 --> 01:03:34,720

of no less than seven gold mines you

1751

01:03:37,990 --> 01:03:35,599

know

1752

01:03:41,029 --> 01:03:38,000

and i mean this is fascinating to me i

1753

01:03:45,349 --> 01:03:41,039

mean it's not just one

1754

01:03:47,190 --> 01:03:45,359

well don't solder one story ryan is at

1755

01:03:49,990 --> 01:03:47,200

this one

1756

01:03:54,549 --> 01:03:52,230

one of his big minds that he

1757

01:03:57,510 --> 01:03:54,559

and the and the government

1758

01:03:59,670 --> 01:03:57,520

and you know this story as well as i do

1759

01:04:01,270 --> 01:03:59,680

he moved the government moved the

1760

01:04:04,390 --> 01:04:01,280

tribal land over

1761

01:04:05,829 --> 01:04:04,400

it got switched up

1762

01:04:08,470 --> 01:04:05,839

other than the fact that

1763

01:04:11,430 --> 01:04:08,480

it baffles me because

1764

01:04:13,510 --> 01:04:11,440

i had yeah i lost you there for a minute

1765

01:04:15,510 --> 01:04:13,520

oh i lost you there where did i lose you

1766

01:04:17,270 --> 01:04:15,520

at the the government kind of switched

1767

01:04:19,910 --> 01:04:17,280

this area up

1768

01:04:23,349 --> 01:04:19,920

yeah they moved the border lines over

1769

01:04:25,029 --> 01:04:23,359

so caleb rhodes went and uh

1770

01:04:27,430 --> 01:04:25,039

petitioned i don't know if he physically

1771

01:04:28,549 --> 01:04:27,440

went to washington dc

1772

01:04:30,390 --> 01:04:28,559

but

1773

01:04:32,549 --> 01:04:30,400

it's on the congressional record he went

1774

01:04:34,150 --> 01:04:32,559

over he says if you move those lines

1775

01:04:36,789 --> 01:04:34,160

back

1776

01:04:38,789 --> 01:04:36,799

this was probably o5 or something like

1777

01:04:40,870 --> 01:04:38,799

that he said i'll pay off the national

1778

01:04:42,789 --> 01:04:40,880

debt if you'll do that well we're not

1779

01:04:45,510 --> 01:04:42,799

going to do that he said fine see you

1780

01:04:47,990 --> 01:04:45,520

later bye and he said oh where is it he

1781

01:04:50,870 --> 01:04:48,000

goes you're never going to find it

1782

01:04:52,230 --> 01:04:50,880

and i i know you know this story riot

1783

01:04:53,750 --> 01:04:52,240

and uh

1784

01:04:56,470 --> 01:04:53,760

but so

1785

01:04:58,470 --> 01:04:56,480

our our our trustworthy government put

1786

01:05:01,109 --> 01:04:58,480

together oh i've seen pictures of it

1787

01:05:02,870 --> 01:05:01,119

there must been 30 guys on the horseback

1788

01:05:04,789 --> 01:05:02,880

to go up there to find rhodes is mine

1789

01:05:06,630 --> 01:05:04,799

this this mine

1790

01:05:08,390 --> 01:05:06,640

and uh

1791

01:05:10,549 --> 01:05:08,400

they they were up there for like you

1792

01:05:11,670 --> 01:05:10,559

know obviously because of weather they

1793

01:05:14,069 --> 01:05:11,680

were up there

1794

01:05:15,430 --> 01:05:14,079

i don't know one or two seasons and they

1795

01:05:18,390 --> 01:05:15,440

couldn't find it

1796

01:05:20,230 --> 01:05:18,400

so they uh the government moved the

1797

01:05:22,470 --> 01:05:20,240

borderline back

1798

01:05:23,910 --> 01:05:22,480

and caleb died like right at the same

1799

01:05:26,309 --> 01:05:23,920

time so

1800

01:05:29,270 --> 01:05:26,319

isn't that crazy and he was gonna pay

1801  
01:05:30,230 --> 01:05:29,280  
off the national debt and that is on the

1802  
01:05:32,630 --> 01:05:30,240  
record

1803  
01:05:34,470 --> 01:05:32,640  
that's not just oh you know uncle bill

1804  
01:05:37,029 --> 01:05:34,480  
told me that no

1805  
01:05:38,870 --> 01:05:37,039  
that's that's that's some serious stuff

1806  
01:05:41,990 --> 01:05:38,880  
there

1807  
01:05:42,950 --> 01:05:42,000  
you know and caleb he had a lot of a lot

1808  
01:05:46,150 --> 01:05:42,960  
of

1809  
01:05:48,309 --> 01:05:46,160  
secret mining adventures that were

1810  
01:05:51,270 --> 01:05:48,319  
amazing and he had that he had not only

1811  
01:05:53,430 --> 01:05:51,280  
the history the family and the knowledge

1812  
01:05:56,309 --> 01:05:53,440  
but i mean he's a great example of you

1813  
01:05:58,150 --> 01:05:56,319

know just so much intelligence and

1814

01:06:00,870 --> 01:05:58,160

knowledge of the area

1815

01:06:03,910 --> 01:06:00,880

and you know as as these guys pass as we

1816

01:06:05,990 --> 01:06:03,920

all do i mean so much of it is lost and

1817

01:06:09,190 --> 01:06:06,000

it's i don't doubt it for a minute that

1818

01:06:11,270 --> 01:06:09,200

he could have paid off the national debt

1819

01:06:14,150 --> 01:06:11,280

well he didn't get a chance because they

1820

01:06:16,549 --> 01:06:14,160

were messing with him but he would have

1821

01:06:19,750 --> 01:06:16,559

that's amazing that's amazing that must

1822

01:06:23,190 --> 01:06:19,760

be one unbel well it's got to be where

1823

01:06:25,750 --> 01:06:23,200

that that snake that vein hit high

1824

01:06:28,789 --> 01:06:25,760

and they figured out where it was

1825

01:06:30,630 --> 01:06:28,799

you know it it baffles me and i've heard

1826

01:06:32,470 --> 01:06:30,640

just that and the other how did the

1827

01:06:35,190 --> 01:06:32,480

spanish find all this stuff

1828

01:06:35,990 --> 01:06:35,200

i mean and i i've been told they doused

1829

01:06:36,789 --> 01:06:36,000

it

1830

01:06:39,270 --> 01:06:36,799

which

1831

01:06:40,549 --> 01:06:39,280

is baffling to me

1832

01:06:42,069 --> 01:06:40,559

too

1833

01:06:44,470 --> 01:06:42,079

uh

1834

01:06:46,390 --> 01:06:44,480

i it's it's amazing i mean

1835

01:06:48,710 --> 01:06:46,400

but but i will tell you ryan there's a

1836

01:06:49,990 --> 01:06:48,720

lot of minds up there and not all of

1837

01:06:53,349 --> 01:06:50,000

them were good

1838

01:06:55,510 --> 01:06:53,359

uh one and uh you know one and the but

1839

01:06:57,510 --> 01:06:55,520

the ones that they would really

1840

01:07:00,470 --> 01:06:57,520

knock out uh

1841

01:07:02,309 --> 01:07:00,480

they were the real thing but then there

1842

01:07:03,670 --> 01:07:02,319

was a lot of them that were just duds

1843

01:07:05,190 --> 01:07:03,680

yeah so

1844

01:07:06,950 --> 01:07:05,200

you could find a mine and get all

1845

01:07:09,430 --> 01:07:06,960

excited that

1846

01:07:12,549 --> 01:07:09,440

they left it and you know we we just had

1847

01:07:14,789 --> 01:07:12,559

the 24th of july uh pioneer day great

1848

01:07:16,390 --> 01:07:14,799

day for utahns and

1849

01:07:18,789 --> 01:07:16,400

you know for those that that say you

1850

01:07:20,230 --> 01:07:18,799

know this stuff doesn't happen i mean

1851

01:07:22,789 --> 01:07:20,240

you've got to remember that there's a

1852

01:07:24,630 --> 01:07:22,799

statue there at immigration canyon

1853

01:07:26,630 --> 01:07:24,640

who's he there standing with other than

1854

01:07:28,789 --> 01:07:26,640

escalante and dominguez and they were

1855

01:07:29,990 --> 01:07:28,799

out there doing exactly this

1856

01:07:33,589 --> 01:07:30,000

routing

1857

01:07:34,549 --> 01:07:33,599

and mapping routes for spanish gold

1858

01:07:37,589 --> 01:07:34,559

trails

1859

01:07:39,750 --> 01:07:37,599

and it's among other things you know

1860

01:07:41,589 --> 01:07:39,760

this is going to be great and um let's

1861

01:07:43,270 --> 01:07:41,599

let's just touch base one more time on

1862

01:07:44,549 --> 01:07:43,280

the moon lake gathering the gathering of

1863

01:07:47,029 --> 01:07:44,559

moon lake

1864

01:07:49,670 --> 01:07:47,039

what days it is and and how people can

1865

01:07:51,670 --> 01:07:49,680

uh get up there get situated and take

1866

01:07:54,150 --> 01:07:51,680

part in this amazing amazing thing

1867

01:07:57,589 --> 01:07:54,160

that's been set up by you

1868

01:07:58,870 --> 01:07:57,599

well uh it's it's so we kept the name

1869

01:08:00,470 --> 01:07:58,880

moon lake

1870

01:08:02,390 --> 01:08:00,480

because we had started there and we had

1871

01:08:03,589 --> 01:08:02,400

a of all the stupid things we still had

1872

01:08:06,789 --> 01:08:03,599

our posters

1873

01:08:08,230 --> 01:08:06,799

uh but but i uh we've moved it to

1874

01:08:09,510 --> 01:08:08,240

altamonte

1875

01:08:11,510 --> 01:08:09,520

beyond

1876

01:08:15,109 --> 01:08:11,520

uh let's see it's 12th

1877

01:08:16,070 --> 01:08:15,119

and 13th of august 2022

1878

01:08:18,550 --> 01:08:16,080

and

1879

01:08:21,269 --> 01:08:18,560

they will be full days i am here to tell

1880

01:08:22,709 --> 01:08:21,279

you uh friday day

1881

01:08:25,030 --> 01:08:22,719

uh

1882

01:08:26,470 --> 01:08:25,040

so they start at five o'clock and go

1883

01:08:29,510 --> 01:08:26,480

till about 10

1884

01:08:30,950 --> 01:08:29,520

uh on the friday night saturday night

1885

01:08:33,269 --> 01:08:30,960

saturday day

1886

01:08:34,470 --> 01:08:33,279

from 10 o'clock until

1887

01:08:36,149 --> 01:08:34,480

uh

1888

01:08:37,189 --> 01:08:36,159

you know until

1889

01:08:39,749 --> 01:08:37,199

whatever

1890

01:08:40,950 --> 01:08:39,759

three or f well we won't go past three

1891

01:08:42,789 --> 01:08:40,960

because we'll have to get the

1892

01:08:43,910 --> 01:08:42,799

microphones and stuff and all that ready

1893

01:08:45,829 --> 01:08:43,920

over there

1894

01:08:47,590 --> 01:08:45,839

uh we uh

1895

01:08:51,030 --> 01:08:47,600

that will be the open mic

1896

01:08:53,510 --> 01:08:51,040

that'll be a time to uh to see what guys

1897

01:08:55,269 --> 01:08:53,520

will bring stuff uh i

1898

01:08:56,709 --> 01:08:55,279

you know obviously you can't guarantee

1899

01:08:58,709 --> 01:08:56,719

it but i would

1900

01:09:01,590 --> 01:08:58,719

that money on it because i know

1901

01:09:03,510 --> 01:09:01,600

some stuff being you know brought for

1902

01:09:05,430 --> 01:09:03,520

saturday day

1903

01:09:07,110 --> 01:09:05,440

now friday day

1904

01:09:08,550 --> 01:09:07,120

if you got there early

1905

01:09:10,229 --> 01:09:08,560

you could uh

1906

01:09:13,349 --> 01:09:10,239

go up to moon lake

1907

01:09:15,510 --> 01:09:13,359

and dan low as i hate to

1908

01:09:17,110 --> 01:09:15,520

push this button too hard because

1909

01:09:17,829 --> 01:09:17,120

he doesn't want to take a million guys

1910

01:09:20,390 --> 01:09:17,839

but

1911

01:09:23,269 --> 01:09:20,400

that's basically where many think that

1912

01:09:25,030 --> 01:09:23,279

the uh the sacred mine is

1913

01:09:27,430 --> 01:09:25,040

and uh it's

1914

01:09:29,110 --> 01:09:27,440

it got hit by the fire last year

1915

01:09:31,269 --> 01:09:29,120

there was a chicken ladder that burned

1916

01:09:33,590 --> 01:09:31,279

down that just breaks my heart that

1917

01:09:36,309 --> 01:09:33,600

sucker was probably 500 years i don't

1918

01:09:37,590 --> 01:09:36,319

know 300 years old whatever

1919

01:09:41,349 --> 01:09:37,600

and it burned

1920

01:09:44,229 --> 01:09:41,359

and uh the area a lot of the tree signs

1921

01:09:47,349 --> 01:09:44,239

have been burnt down and but he kind of

1922

01:09:48,870 --> 01:09:47,359

takes it it's just on the side it dries

1923

01:09:51,590 --> 01:09:48,880

above the lake

1924

01:09:53,269 --> 01:09:51,600

but uh he took a group last year

1925

01:09:55,510 --> 01:09:53,279

uh there's a lot you know there's a few

1926

01:09:57,910 --> 01:09:55,520

things happening there's gonna be some

1927

01:10:00,630 --> 01:09:57,920

guys doing storytelling

1928

01:10:02,709 --> 01:10:00,640

at the lodge there on friday day

1929

01:10:05,430 --> 01:10:02,719

and then you know just kind of migrate

1930

01:10:07,270 --> 01:10:05,440

over to the park friday night

1931

01:10:11,270 --> 01:10:07,280

and like you know what we ought to talk

1932

01:10:16,790 --> 01:10:12,790

and that's just so everybody knows

1933

01:10:18,870 --> 01:10:16,800

that's altamonte city park gonna talk

1934

01:10:20,630 --> 01:10:18,880

i'm sorry sorry to you cut out there for

1935

01:10:22,790 --> 01:10:20,640

just a minute

1936

01:10:25,510 --> 01:10:22,800

uh dave bullock

1937

01:10:27,270 --> 01:10:25,520

now we met dave last year

1938

01:10:28,310 --> 01:10:27,280

and it's fun because

1939

01:10:31,030 --> 01:10:28,320

uh

1940

01:10:33,270 --> 01:10:31,040

his dad dad and grandpa

1941

01:10:35,270 --> 01:10:33,280

and he was just a young boy

1942

01:10:38,630 --> 01:10:35,280

uh they were out looking for the lost

1943

01:10:40,229 --> 01:10:38,640

roads mine which is really famous mine

1944

01:10:41,430 --> 01:10:40,239

and you talked to dave and he told me he

1945

01:10:43,110 --> 01:10:41,440

said mark

1946

01:10:45,110 --> 01:10:43,120

don't be calling the lost roads mine

1947

01:10:47,430 --> 01:10:45,120

it's not lost anymore

1948

01:10:48,870 --> 01:10:47,440

and i thought wow i kind of i can't wait

1949

01:10:52,149 --> 01:10:48,880

to hear more on that

1950

01:10:55,350 --> 01:10:52,159

and then on the top off friday night

1951

01:10:57,110 --> 01:10:55,360

we have a lady that's coming to speak on

1952

01:11:01,990 --> 01:10:57,120

giants

1953

01:11:02,870 --> 01:11:02,000

the united states

1954

01:11:04,870 --> 01:11:02,880

and

1955

01:11:06,310 --> 01:11:04,880

she is really really fascinating she's

1956

01:11:09,030 --> 01:11:06,320

been doing this a few years i've heard

1957

01:11:12,310 --> 01:11:09,040

it and she is

1958

01:11:14,950 --> 01:11:12,320

amazing she knows her stuff then that

1959

01:11:17,750 --> 01:11:14,960

pushes us into saturday

1960

01:11:19,750 --> 01:11:17,760

uh okay so back on dave bullock he

1961

01:11:22,149 --> 01:11:19,760

he is a professional storyteller and

1962

01:11:24,149 --> 01:11:22,159

he's just he's just funny

1963

01:11:26,550 --> 01:11:24,159

and so friday night i think that his

1964

01:11:28,390 --> 01:11:26,560

plan is to kind of sort of like cowboy

1965

01:11:30,870 --> 01:11:28,400

poetry type of thing

1966

01:11:33,590 --> 01:11:30,880

and then uh saturday day

1967

01:11:35,750 --> 01:11:33,600

i was talking to dave because he's been

1968

01:11:37,270 --> 01:11:35,760

involved with this stuff forever

1969

01:11:39,110 --> 01:11:37,280

and he goes uh

1970

01:11:41,030 --> 01:11:39,120

well tell me about saturday day i said

1971

01:11:43,110 --> 01:11:41,040

well it's open mike and

1972

01:11:44,790 --> 01:11:43,120

ken and i had pictured there'd just be

1973

01:11:46,390 --> 01:11:44,800

groups talking you know over and he goes

1974

01:11:47,990 --> 01:11:46,400

mark mark no

1975

01:11:50,390 --> 01:11:48,000

you can't do it that way and i said well

1976

01:11:52,310 --> 01:11:50,400

what do you mean he said let me emcee it

1977

01:11:55,110 --> 01:11:52,320

and i'll kind of control it and i said

1978

01:11:56,310 --> 01:11:55,120

dave it's all yours bud you go for it so

1979

01:11:57,590 --> 01:11:56,320

he's gonna

1980

01:12:00,310 --> 01:11:57,600

mc

1981

01:12:02,149 --> 01:12:00,320

saturday days open mic

1982

01:12:05,270 --> 01:12:02,159

and then saturday night

1983

01:12:08,709 --> 01:12:05,280

there'll be uh alien dave our buddy dave

1984

01:12:10,550 --> 01:12:08,719

rosenfeld you bet who is amazing and i

1985

01:12:12,950 --> 01:12:10,560

might add about dave

1986

01:12:15,830 --> 01:12:12,960

i didn't know this until

1987

01:12:18,070 --> 01:12:15,840

a year ago that guy is the most amazing

1988

01:12:21,030 --> 01:12:18,080

artist i've ever seen in my life

1989

01:12:23,990 --> 01:12:21,040

ryan he's so talented yeah oh

1990

01:12:25,750 --> 01:12:24,000

i just i told i said dave my kids are

1991

01:12:28,070 --> 01:12:25,760

you you did this

1992

01:12:29,590 --> 01:12:28,080

and he uh yeah he's he's a an

1993

01:12:30,790 --> 01:12:29,600

intelligent

1994

01:12:33,590 --> 01:12:30,800

good guy

1995

01:12:36,310 --> 01:12:33,600

and he's into uh

1996

01:12:37,830 --> 01:12:36,320

paranormal and ufos and stuff like that

1997

01:12:40,070 --> 01:12:37,840

like dave a lot

1998

01:12:43,510 --> 01:12:40,080

okay so we got i'd say dave

1999

01:12:45,830 --> 01:12:43,520

and then we've got uh

2000

01:12:48,229 --> 01:12:45,840

let's see oh dave bullock he's gonna get

2001

01:12:50,390 --> 01:12:48,239

serious saturday night and talk about

2002

01:12:51,910 --> 01:12:50,400

like the rhodes mine and stuff

2003

01:12:53,590 --> 01:12:51,920

amazing guy

2004

01:12:55,669 --> 01:12:53,600

one two

2005

01:12:58,070 --> 01:12:55,679

well who am i missing

2006

01:12:59,669 --> 01:12:58,080

uh oh dan low was going to speak

2007

01:13:00,630 --> 01:12:59,679

dan's a low

2008

01:13:03,669 --> 01:13:00,640

damn

2009

01:13:07,189 --> 01:13:03,679

uh ryan at all he's a historian is that

2010

01:13:12,070 --> 01:13:09,510

treasure hunter but he is

2011

01:13:12,950 --> 01:13:12,080

get mad at me all you want dan that good

2012

01:13:14,950 --> 01:13:12,960

friend

2013

01:13:17,510 --> 01:13:14,960

very very knowledgeable about a lot of

2014

01:13:20,709 --> 01:13:17,520

things and treasure and the history of

2015

01:13:23,110 --> 01:13:20,719

that and then ryan we have

2016

01:13:24,390 --> 01:13:23,120

the mystery speaker oh my gosh this is

2017

01:13:27,350 --> 01:13:24,400

going to be this is going to blow

2018

01:13:30,149 --> 01:13:27,360

everybody's minds blow everybody's minds

2019

01:13:31,750 --> 01:13:30,159

now ryan don't give his name no i i sure

2020

01:13:32,709 --> 01:13:31,760

won't i sure won't

2021

01:13:36,550 --> 01:13:32,719

yeah

2022

01:13:38,149 --> 01:13:36,560

uh i went to lunch with him about five

2023

01:13:39,910 --> 01:13:38,159

weeks ago

2024

01:13:41,270 --> 01:13:39,920

and i'd heard this out in the other

2025

01:13:42,950 --> 01:13:41,280

about him

2026

01:13:44,830 --> 01:13:42,960

and i thought well yeah this you know

2027

01:13:48,229 --> 01:13:44,840

this guy's interesting

2028

01:13:50,229 --> 01:13:48,239

ryan he knocked me off my feet

2029

01:13:51,669 --> 01:13:50,239

i sat there for two hours in the

2030

01:13:54,870 --> 01:13:51,679

restaurant

2031

01:13:57,669 --> 01:13:54,880

and i had my my my my hands holding my

2032

01:14:01,910 --> 01:13:57,679

head up i was taken by him by that much

2033

01:14:04,390 --> 01:14:01,920

he's the real deal yep unbelievable guy

2034

01:14:06,630 --> 01:14:04,400

and and you know we've done some videos

2035

01:14:09,270 --> 01:14:06,640

with terry carter if you want us you

2036

01:14:11,510 --> 01:14:09,280

want to see some one-on-one terry

2037

01:14:13,350 --> 01:14:11,520

carter's uh youtube videos

2038

01:14:15,669 --> 01:14:13,360

uh there's he

2039

01:14:19,590 --> 01:14:15,679

we he does a lot of videos on this all

2040

01:14:22,550 --> 01:14:19,600

this stuff and he's done a lot on uh the

2041

01:14:25,030 --> 01:14:22,560

pow wow so if you want to see some stuff

2042

01:14:27,910 --> 01:14:25,040

go on there because he's got a bunch

2043

01:14:29,830 --> 01:14:27,920

but i don't like what

2044

01:14:33,510 --> 01:14:29,840

give me your turn your two cents worth

2045

01:14:36,070 --> 01:14:33,520

on our mystery speaker oh my gosh i i we

2046

01:14:40,070 --> 01:14:36,080

we could have a podcast just discussing

2047

01:14:41,189 --> 01:14:40,080

him he is i mean he he has so much

2048

01:14:45,910 --> 01:14:41,199

knowledge

2049

01:14:47,270 --> 01:14:45,920

said when i speak with him i'm floored

2050

01:14:49,350 --> 01:14:47,280

and

2051

01:14:51,430 --> 01:14:49,360

terry carter's another one i mean he's

2052

01:14:52,149 --> 01:14:51,440

somebody i plan on having on the podcast

2053

01:14:54,870 --> 01:14:52,159

because

2054

01:14:56,790 --> 01:14:54,880

but i mean this mystery speaker is not

2055

01:14:59,430 --> 01:14:56,800

to be missed he

2056

01:15:03,030 --> 01:14:59,440

if you have any doubts

2057

01:15:05,750 --> 01:15:03,040

about what's going on any questions or

2058

01:15:07,910 --> 01:15:05,760

uh on anything anything i mean if you're

2059

01:15:10,470 --> 01:15:07,920

wondering if this is a real deal this

2060

01:15:13,110 --> 01:15:10,480

mystery speaker is going to knock it out

2061

01:15:14,550 --> 01:15:13,120

of the park for you so definitely don't

2062

01:15:16,950 --> 01:15:14,560

miss this

2063

01:15:19,750 --> 01:15:16,960

i would walk if i had to

2064

01:15:21,270 --> 01:15:19,760

and i'll tell you ryan uh

2065

01:15:22,229 --> 01:15:21,280

maybe i shouldn't be spilling the beans

2066

01:15:25,669 --> 01:15:22,239

so much

2067

01:15:27,990 --> 01:15:25,679

but i'm really not but uh we i talked to

2068

01:15:29,990 --> 01:15:28,000

him and i said you know and here's

2069

01:15:31,430 --> 01:15:30,000

here's the kick in the teeth ryan here

2070

01:15:33,030 --> 01:15:31,440

we're doing this we've been doing it for

2071

01:15:35,270 --> 01:15:33,040

23 years

2072

01:15:37,669 --> 01:15:35,280

and so you know i come to you and i said

2073

01:15:39,189 --> 01:15:37,679

ryan we want you to speak oh by the way

2074

01:15:41,510 --> 01:15:39,199

you're not getting paid and oh by the

2075

01:15:44,229 --> 01:15:41,520

way can you get a place to stay

2076

01:15:47,110 --> 01:15:44,239

i mean if we're not offered a whole lot

2077

01:15:49,110 --> 01:15:47,120

you know and people yes absolutely i

2078

01:15:50,149 --> 01:15:49,120

want to come i want to be part of it and

2079

01:15:52,709 --> 01:15:50,159

i thought

2080

01:15:54,229 --> 01:15:52,719

i kind of felt bad about our mystery

2081

01:15:55,750 --> 01:15:54,239

speaker because i thought

2082

01:15:56,870 --> 01:15:55,760

same thing well you're not going to get

2083

01:15:58,709 --> 01:15:56,880

paid and

2084

01:16:01,030 --> 01:15:58,719

and uh you know you got you have you got

2085

01:16:02,550 --> 01:16:01,040

a place to stay well he's he's like on

2086

01:16:04,070 --> 01:16:02,560

the motor home so

2087

01:16:07,830 --> 01:16:04,080

we're going to stay in the same place

2088

01:16:10,070 --> 01:16:07,840

there and i i'm on my knee thinking that

2089

01:16:12,470 --> 01:16:10,080

you know like before things get rolling

2090

01:16:15,189 --> 01:16:12,480

this is going to be a busy weekend

2091

01:16:17,910 --> 01:16:15,199

just to have some good bs time with him

2092

01:16:20,790 --> 01:16:17,920

one on one or ten on one as long as i'm

2093

01:16:22,390 --> 01:16:20,800

one of the one-on-ones or whatever

2094

01:16:25,030 --> 01:16:22,400

the guy

2095

01:16:29,030 --> 01:16:25,040

absolutely takes me yeah

2096

01:16:31,669 --> 01:16:29,040

well when we were i i i will tell you

2097

01:16:34,229 --> 01:16:31,679

when we were at uh at the lunch

2098

01:16:36,390 --> 01:16:34,239

he was talking about stuff i i had never

2099

01:16:38,790 --> 01:16:36,400

ever ever heard about

2100

01:16:40,390 --> 01:16:38,800

and and we were and i was just

2101

01:16:42,070 --> 01:16:40,400

enthralled by it

2102

01:16:45,910 --> 01:16:42,080

but i told him i said

2103

01:16:47,830 --> 01:16:45,920

i said this is too heavy for our guys

2104

01:16:49,750 --> 01:16:47,840

i and i'm not i'm not saying that our

2105

01:16:52,470 --> 01:16:49,760

guys are dumb it's just this is

2106

01:16:54,709 --> 01:16:52,480

this is too deep we've got to mellow

2107

01:16:56,229 --> 01:16:54,719

this out a little bit because nobody's

2108

01:16:59,350 --> 01:16:56,239

going to follow you

2109

01:17:01,510 --> 01:16:59,360

and uh oh really and i said oh yeah

2110

01:17:04,070 --> 01:17:01,520

this is you know we're treasure hunters

2111

01:17:06,310 --> 01:17:04,080

we're guys looking in the sky

2112

01:17:08,709 --> 01:17:06,320

chasing bigfoot for heaven's sakes

2113

01:17:10,310 --> 01:17:08,719

so he said well we'll go into this

2114

01:17:11,910 --> 01:17:10,320

and i

2115

01:17:14,870 --> 01:17:11,920

when we did the video the other day i

2116

01:17:18,229 --> 01:17:14,880

said terry goes no no no no don't say it

2117

01:17:20,470 --> 01:17:18,239

i we're gonna no and i said okay i won't

2118

01:17:23,669 --> 01:17:20,480

but he's gonna go into something that i

2119

01:17:26,950 --> 01:17:23,679

knew very very very little about

2120

01:17:30,310 --> 01:17:26,960

and i've heard and it is

2121

01:17:32,470 --> 01:17:30,320

it's world shattering really

2122

01:17:34,310 --> 01:17:32,480

yeah he may have to dumb it down for

2123

01:17:36,390 --> 01:17:34,320

guys like me because he has such a

2124

01:17:38,149 --> 01:17:36,400

working knowledge technically of not

2125

01:17:40,310 --> 01:17:38,159

only what's going on but the the

2126  
01:17:42,550 --> 01:17:40,320  
background stuff that's causing it and

2127  
01:17:43,750 --> 01:17:42,560  
it's just it's gonna be amazing i just

2128  
01:17:46,630 --> 01:17:43,760  
can't wait

2129  
01:17:47,910 --> 01:17:46,640  
i would walk if i i would walk up there

2130  
01:17:49,510 --> 01:17:47,920  
to catch him

2131  
01:17:50,870 --> 01:17:49,520  
i mean i've heard all the rest and i

2132  
01:17:52,950 --> 01:17:50,880  
love them all and

2133  
01:17:55,750 --> 01:17:52,960  
and they're all great and they're all

2134  
01:17:57,590 --> 01:17:55,760  
equal to him in their field but this guy

2135  
01:17:59,350 --> 01:17:57,600  
for some reason this guy just knocks me

2136  
01:18:01,270 --> 01:17:59,360  
off my feet

2137  
01:18:03,430 --> 01:18:01,280  
yeah and i'm not over selling that

2138  
01:18:05,990 --> 01:18:03,440

either no not at all i know you aren't

2139

01:18:08,149 --> 01:18:06,000

you really aren't he is uh

2140

01:18:10,149 --> 01:18:08,159

you're i you're preaching to the choir i

2141

01:18:12,470 --> 01:18:10,159

couldn't agree more and he is

2142

01:18:14,790 --> 01:18:12,480

what an amazing person to have as a

2143

01:18:16,229 --> 01:18:14,800

mystery speaker and i think it's great

2144

01:18:17,750 --> 01:18:16,239

that you're keeping him as a mystery

2145

01:18:19,750 --> 01:18:17,760

speaker because

2146

01:18:22,070 --> 01:18:19,760

it is going to pay off in droves when

2147

01:18:25,030 --> 01:18:22,080

when people hear this guy talk it is

2148

01:18:28,470 --> 01:18:25,040

going to drop i mean it's he he's just

2149

01:18:30,550 --> 01:18:28,480

gonna drop knowledge bombs on everyone

2150

01:18:33,189 --> 01:18:30,560

i i hope we i hope we can give him

2151

01:18:35,830 --> 01:18:33,199

enough time how's that mm-hmm

2152

01:18:38,790 --> 01:18:35,840

i uh i could listen to him for five

2153

01:18:40,709 --> 01:18:38,800

hours straight easily easily and like

2154

01:18:43,350 --> 01:18:40,719

like i said i just want to get a

2155

01:18:44,870 --> 01:18:43,360

one-on-one with him or a two-on-one as

2156

01:18:47,830 --> 01:18:44,880

long as he's the one

2157

01:18:50,149 --> 01:18:47,840

and well when we went to lunch i had

2158

01:18:52,470 --> 01:18:50,159

known about his background

2159

01:18:55,430 --> 01:18:52,480

and which fascinated me

2160

01:18:57,590 --> 01:18:55,440

and i i threw a couple quickies at him

2161

01:18:59,910 --> 01:18:57,600

and he just rolled right into it

2162

01:19:01,990 --> 01:18:59,920

and and took it farther than i had you

2163

01:19:03,270 --> 01:19:02,000

know i

2164

01:19:04,870 --> 01:19:03,280

what a guy

2165

01:19:07,990 --> 01:19:04,880

it's going to be a it's going to be a

2166

01:19:10,070 --> 01:19:08,000

great gathering mark and i'm so i'm so

2167

01:19:12,870 --> 01:19:10,080

happy to be a part of it and i think

2168

01:19:14,950 --> 01:19:12,880

it's so just uh noble that you guys have

2169

01:19:17,590 --> 01:19:14,960

been doing this for so long bringing the

2170

01:19:19,030 --> 01:19:17,600

best and brightest minds for free to

2171

01:19:20,149 --> 01:19:19,040

people that are interested in this

2172

01:19:23,189 --> 01:19:20,159

subject

2173

01:19:26,229 --> 01:19:23,199

and again it's altamonte city park

2174

01:19:28,550 --> 01:19:26,239

and uh definitely be there if you can if

2175

01:19:30,709 --> 01:19:28,560

you can carve away time listeners

2176

01:19:31,669 --> 01:19:30,719

definitely be there it's not to be

2177

01:19:32,550 --> 01:19:31,679

missed

2178

01:19:34,790 --> 01:19:32,560

um

2179

01:19:36,790 --> 01:19:34,800

a lot of bang for your buck and and it's

2180

01:19:38,790 --> 01:19:36,800

free there's no buck it's it's just a

2181

01:19:41,030 --> 01:19:38,800

lot of bang

2182

01:19:43,030 --> 01:19:41,040

one thing though to ryan that i have got

2183

01:19:45,590 --> 01:19:43,040

to stress

2184

01:19:48,630 --> 01:19:45,600

we are really hoping that people will

2185

01:19:50,229 --> 01:19:48,640

donate last year we covered everything

2186

01:19:52,870 --> 01:19:50,239

we've got the park we've got porta

2187

01:19:55,110 --> 01:19:52,880

potties uh if you don't want to pay you

2188

01:19:57,350 --> 01:19:55,120

know donate don't but i'm telling you it

2189

01:19:59,990 --> 01:19:57,360

would really really really help us

2190

01:20:01,110 --> 01:20:00,000

because we're into it over a thousand

2191

01:20:03,030 --> 01:20:01,120

bucks

2192

01:20:05,030 --> 01:20:03,040

and this thing could die real quick if

2193

01:20:06,390 --> 01:20:05,040

kent and i are coughing up a ton of

2194

01:20:08,629 --> 01:20:06,400

money but

2195

01:20:10,629 --> 01:20:08,639

uh all in all it's free but i will tell

2196

01:20:13,270 --> 01:20:10,639

you for dang sure

2197

01:20:14,950 --> 01:20:13,280

bring a chair hello bring a chair don't

2198

01:20:17,189 --> 01:20:14,960

come without a chair

2199

01:20:19,590 --> 01:20:17,199

and uh friday night last year got a

2200

01:20:22,629 --> 01:20:19,600

little nippy at night saturday night was

2201  
01:20:25,030 --> 01:20:22,639  
amazing it was just perfect weather so

2202  
01:20:25,990 --> 01:20:25,040  
you would be well advised to bring a

2203  
01:20:27,270 --> 01:20:26,000  
hoodie

2204  
01:20:28,629 --> 01:20:27,280  
and a chair

2205  
01:20:29,510 --> 01:20:28,639  
and but mark

2206  
01:20:31,350 --> 01:20:29,520  
the chair

2207  
01:20:33,669 --> 01:20:31,360  
sorry to interrupt you where do you have

2208  
01:20:35,430 --> 01:20:33,679  
a website or how do you recommend people

2209  
01:20:36,470 --> 01:20:35,440  
donate

2210  
01:20:38,070 --> 01:20:36,480  
well

2211  
01:20:40,149 --> 01:20:38,080  
you know we've talked

2212  
01:20:41,990 --> 01:20:40,159  
we've talked about that and

2213  
01:20:44,229 --> 01:20:42,000

we don't want to get all we're doing is

2214

01:20:47,189 --> 01:20:44,239

covering cops we're not here to make

2215

01:20:48,310 --> 01:20:47,199

money and so they said that you can kind

2216

01:20:51,430 --> 01:20:48,320

of get your

2217

01:20:53,430 --> 01:20:51,440

uh but no a sling if you're doing uh

2218

01:20:57,270 --> 01:20:53,440

over you know so we're just doing it

2219

01:20:59,350 --> 01:20:57,280

there sure we we we have an uh a raffle

2220

01:21:00,709 --> 01:20:59,360

uh i i don't know tickets will be two

2221

01:21:03,189 --> 01:21:00,719

bucks whatever

2222

01:21:05,669 --> 01:21:03,199

we have there was an artist in new york

2223

01:21:07,189 --> 01:21:05,679

that used to be one of our powwow boys

2224

01:21:08,229 --> 01:21:07,199

and we've been trying to get him to move

2225

01:21:10,070 --> 01:21:08,239

back

2226

01:21:11,590 --> 01:21:10,080

i don't know how much time you got left

2227

01:21:13,830 --> 01:21:11,600

how much time we got left we're just

2228

01:21:15,990 --> 01:21:13,840

wrapping up but we we can do let's cover

2229

01:21:17,189 --> 01:21:16,000

it absolutely this is absolutely worth

2230

01:21:20,550 --> 01:21:17,199

covering

2231

01:21:23,830 --> 01:21:20,560

he's he's made a lot of guys make pens

2232

01:21:26,390 --> 01:21:23,840

but he's made pins and he's put uh

2233

01:21:27,669 --> 01:21:26,400

bigfoot on it and i mean it is there's

2234

01:21:30,070 --> 01:21:27,679

it's amazing

2235

01:21:32,550 --> 01:21:30,080

it is just amazing and then we've got

2236

01:21:35,830 --> 01:21:32,560

some guys that have done some iron work

2237

01:21:39,270 --> 01:21:35,840

you know like a a fire starter thing

2238

01:21:41,910 --> 01:21:39,280

and uh kent has got a bunch of uh

2239

01:21:44,149 --> 01:21:41,920

old coins that that will be part of the

2240

01:21:45,510 --> 01:21:44,159

raffle like 50 cent pieces and stuff

2241

01:21:46,470 --> 01:21:45,520

like that

2242

01:21:48,550 --> 01:21:46,480

uh

2243

01:21:50,870 --> 01:21:48,560

but we're hoping the raft

2244

01:21:51,750 --> 01:21:50,880

we're gonna have to be selling popping

2245

01:21:53,350 --> 01:21:51,760

water

2246

01:21:55,830 --> 01:21:53,360

and stuff you know one of the little

2247

01:21:59,350 --> 01:21:55,840

bottles of water we just want to cover

2248

01:22:00,709 --> 01:21:59,360

our our hardcore our hard our hard

2249

01:22:02,550 --> 01:22:00,719

you know line

2250

01:22:05,510 --> 01:22:02,560

and and you know

2251

01:22:07,830 --> 01:22:05,520

that's our play that's all

2252

01:22:09,750 --> 01:22:07,840

magical stuff man magical stuff you're

2253

01:22:11,110 --> 01:22:09,760

he's been doing this for so long he

2271

01:22:50,310 --> 01:22:48,400

cares about the subject matter he just

2272

01:22:51,669 --> 01:22:50,320

wants to pass the baton to younger

2273

01:22:54,870 --> 01:22:51,679

generations

2274

01:22:57,270 --> 01:22:54,880

keep the keep that spark lit

2275

01:23:00,149 --> 01:22:57,280

2276

01:23:02,870 --> 01:23:00,159

about utah history and the magical

2277

01:23:03,669 --> 01:23:02,880

places where this is all taking place

2278

01:23:08,950 --> 01:23:03,679

2279

01:23:11,510 --> 01:23:08,960

magical uintah basin of utah

2280

01:23:13,669 --> 01:23:11,520

all places that cannot be ignored when

2281

01:23:14,790 --> 01:23:13,679

it comes to treasure hunting

2282

01:23:15,990 --> 01:23:14,800

giants

2283

01:23:18,149 --> 01:23:16,000

bigfoot

2284

01:23:22,470 --> 01:23:18,159

magical dirt

2285

01:23:25,350 --> 01:23:22,480

utah gold i mean this is the gathering

2286

01:23:27,030 --> 01:23:25,360

it is the gathering of moon lake forward

2287

01:23:29,669 --> 01:23:27,040

slash

2288

01:23:30,950 --> 01:23:29,679

morgan powwow if you're looking on

2289

01:23:34,870 --> 01:23:30,960

facebook

2290

01:23:37,590 --> 01:23:34,880

and um it is going to take place at

2291

01:23:39,030 --> 01:23:37,600

altamonte city park

2292

01:23:41,189 --> 01:23:39,040

and um

2293

01:23:43,590 --> 01:23:41,199

yeah you definitely need to be there

2294

01:23:44,470 --> 01:23:43,600

2295

01:23:46,310 --> 01:23:44,480

2301  
01:24:03,030 --> 01:24:00,960  
altamonte city park these guys have

2302  
01:24:04,790 --> 01:24:03,040  
covered all the costs

2303  
01:24:07,350 --> 01:24:04,800  
it's 100

2304  
01:24:09,430 --> 01:24:07,360  
free it's not one of these

2305  
01:24:12,229 --> 01:24:09,440  
conventions where they have high ticket

2306  
01:24:14,390 --> 01:24:12,239  
prices and these are actors no these are

2307  
01:24:16,709 --> 01:24:14,400  
people boots on the ground in utah

2308  
01:24:18,709 --> 01:24:16,719  
they've been doing this a long time

2309  
01:24:20,950 --> 01:24:18,719  
and they're not in it for the money they

2310  
01:24:24,310 --> 01:24:20,960  
are just in it to

2311  
01:24:27,350 --> 01:24:24,320  
be speakers confirm what we already know

2312  
01:24:29,270 --> 01:24:27,360  
give more information and it's a great

2313  
01:24:31,669 --> 01:24:29,280

way to make connections with the people

2314

01:24:35,270 --> 01:24:31,679

that are really the backbone of all of

2315

01:24:37,110 --> 01:24:35,280

these interesting interesting topics

2316

01:24:38,149 --> 01:24:37,120

i highly recommend it

2317

01:24:42,550 --> 01:24:38,159

again

2318

01:24:45,430 --> 01:24:42,560

it is august 12th and 13th

2319

01:24:47,590 --> 01:24:45,440

and it is at altamont city park

2320

01:24:49,990 --> 01:24:47,600

in the uintah basin

2321

01:24:51,430 --> 01:24:50,000

in utah

2322

01:24:53,510 --> 01:24:51,440

be there

2323

01:24:55,990 --> 01:24:53,520

until next time keep your eyes to the

2324

01:25:05,930 --> 01:24:56,000

skies feet on the ground and don't

2325

01:25:05,940 --> 01:25:25,110

[Music]

2326

01:25:29,790 --> 01:25:27,830

off in my time machine third eye feeling

2327

01:25:34,180 --> 01:25:29,800

like an
