

The image shows the interior of a teepee. The walls are made of light-colored, textured fabric, possibly canvas or animal skin, supported by several wooden poles. The floor is covered with a layer of sand or dirt. In the center, there is a circular fire pit constructed from dark stones. Two sleeping mats with dark and light stripes are laid out on the floor, one on each side of the fire pit. The lighting is warm and comes from the fire pit, creating a cozy atmosphere.

**PART ONE**

**Mike and Rainbow**  
**from Dimensional Walking**

**Shapeshifters, Dark Adepts, Portals & Vortexes**

1  
00:00:03,040 --> 00:00:09,680

uh

2  
00:00:09,690 --> 00:00:27,189

[Music]

3  
00:00:27,199 --> 00:00:33,220

off in my time machine

4  
00:00:33,230 --> 00:00:36,709

[Music]

5  
00:00:42,150 --> 00:00:40,150  
blast off on another episode of hero

6  
00:00:44,630 --> 00:00:42,160

paranormal podcast

7  
00:00:48,229 --> 00:00:44,640

broadcasting from the base at la madre

8  
00:00:50,950 --> 00:00:48,239

mountain just south of area 51.

9  
00:00:52,869 --> 00:00:50,960

my name is ryan the original outlaw of

10  
00:00:54,549 --> 00:00:52,879

the airwaves bringing you an epic

11  
00:00:57,670 --> 00:00:54,559

episode today

12  
00:00:59,830 --> 00:00:57,680

on today's podcast we have a couple of

13  
00:01:03,270 --> 00:00:59,840

guests i've been wanting to talk to for

14

00:01:05,189 --> 00:01:03,280

a long time these are people that really

15

00:01:07,109 --> 00:01:05,199

know their stuff they know what they're

16

00:01:10,070 --> 00:01:07,119

talking about they've been there they've

17

00:01:11,190 --> 00:01:10,080

done that they got the t-shirt

18

00:01:13,429 --> 00:01:11,200

we are

19

00:01:16,789 --> 00:01:13,439

really really lucky to have them on

20

00:01:19,749 --> 00:01:16,799

today we have mike wazowski and

21

00:01:21,270 --> 00:01:19,759

rainbow riddali and

22

00:01:23,190 --> 00:01:21,280

rainbow and mike

23

00:01:25,190 --> 00:01:23,200

have been in the paranormal world for

24

00:01:27,990 --> 00:01:25,200

over 40 years

25

00:01:29,510 --> 00:01:28,000

each as experiencers and they've done

26

00:01:33,190 --> 00:01:29,520

extensive work

27

00:01:36,230 --> 00:01:33,200

with sasquatch portals vortexes

28

00:01:37,190 --> 00:01:36,240

and i guess all things paranormal

29

00:01:40,789 --> 00:01:37,200

and

30

00:01:44,230 --> 00:01:40,799

they have an amazing website truth

31

00:01:46,230 --> 00:01:44,240

seeker forum definitely check that out

32

00:01:49,109 --> 00:01:46,240

mike was a founding member and director

33

00:01:53,030 --> 00:01:49,119

of the new mexico ufo

34

00:01:55,270 --> 00:01:53,040

organization and he has 118 original

35

00:01:58,389 --> 00:01:55,280

videos talking about research and

36

00:02:00,709 --> 00:01:58,399

first-hand experience on the subject

37

00:02:03,510 --> 00:02:00,719

now they have a daughter who has also

38

00:02:06,789 --> 00:02:03,520

had a strange

39

00:02:11,430 --> 00:02:06,799

experience uh in tucson arizona with a

40

00:02:14,309 --> 00:02:11,440

shape shifter type entity

41

00:02:16,630 --> 00:02:14,319

i assume this is going to be an

42

00:02:18,710 --> 00:02:16,640

absolutely epic

43

00:02:21,030 --> 00:02:18,720

epic podcast

44

00:02:22,869 --> 00:02:21,040

i can't acknowledge them enough for

45

00:02:25,190 --> 00:02:22,879

coming on with me i've been trying for

46

00:02:26,390 --> 00:02:25,200

some time to get the two of them on

47

00:02:29,030 --> 00:02:26,400

because

48

00:02:33,350 --> 00:02:29,040

it's it's twice the bang for your buck

49

00:02:35,990 --> 00:02:33,360

so to speak they're both just extremely

50

00:02:37,910 --> 00:02:36,000

intelligent knowledgeable researchers

51  
00:02:41,270 --> 00:02:37,920  
who have been doing this for over 40

52  
00:02:44,710 --> 00:02:41,280  
years so many thanks mike and rainbow

53  
00:02:47,670 --> 00:02:44,720  
welcome to the hero paranormal podcast

54  
00:02:50,229 --> 00:02:47,680  
thank you so much thank you ryan it's a

55  
00:02:51,990 --> 00:02:50,239  
pleasure to be with you today and our

56  
00:02:53,589 --> 00:02:52,000  
listeners don't know but we've had quite

57  
00:02:55,509 --> 00:02:53,599  
the uphill battle with technical

58  
00:02:57,350 --> 00:02:55,519  
difficulties but that that's part of the

59  
00:02:59,830 --> 00:02:57,360  
territory when you deal with this stuff

60  
00:03:01,270 --> 00:02:59,840  
it just kind of happens that way yeah

61  
00:03:02,949 --> 00:03:01,280  
yeah we're going to blame it

62  
00:03:04,790 --> 00:03:02,959  
we're going to blame it on the heat i'm

63  
00:03:06,229 --> 00:03:04,800

sorry yeah

64

00:03:09,589 --> 00:03:06,239

and you know

65

00:03:12,070 --> 00:03:09,599

on my end it's a huge huge bonus to have

66

00:03:13,509 --> 00:03:12,080

you both on rainbow i'm so happy that

67

00:03:15,350 --> 00:03:13,519

you're on because

68

00:03:16,869 --> 00:03:15,360

i know that you've both done extensive

69

00:03:19,750 --> 00:03:16,879

work with

70

00:03:22,070 --> 00:03:19,760

portals vortexes sasquatch shape

71

00:03:24,869 --> 00:03:22,080

shifters and you know

72

00:03:26,070 --> 00:03:24,879

you have an amazing website truth seeker

73

00:03:28,390 --> 00:03:26,080

forum

74

00:03:29,830 --> 00:03:28,400

uh that i've mentioned to our listeners

75

00:03:31,990 --> 00:03:29,840

in the introduction

76

00:03:34,630 --> 00:03:32,000

and i've spoke with mike before and it

77

00:03:37,350 --> 00:03:34,640

was absolutely mind-blowing and i really

78

00:03:38,949 --> 00:03:37,360

feel like i'm getting a super bonus and

79

00:03:40,550 --> 00:03:38,959

same with the listeners having you on

80

00:03:42,630 --> 00:03:40,560

here as well so it's a it's a real

81

00:03:44,789 --> 00:03:42,640

pleasure to have you rainbow

82

00:03:47,509 --> 00:03:44,799

oh thank you

83

00:03:50,229 --> 00:03:47,519

so let me ask you this is kind of a a

84

00:03:52,550 --> 00:03:50,239

strange question but uh

85

00:03:55,910 --> 00:03:52,560

it how did you both

86

00:03:58,070 --> 00:03:55,920

get so involved in the paranormal and in

87

00:04:01,190 --> 00:03:58,080

vortexes and basically seeking after

88

00:04:03,830 --> 00:04:01,200

these truths

89

00:04:06,550 --> 00:04:03,840

you want to go first uh yeah sure

90

00:04:08,149 --> 00:04:06,560

ryan mine is a long history i guess is

91

00:04:09,670 --> 00:04:08,159

when i started when i was probably a

92

00:04:10,630 --> 00:04:09,680

teenager

93

00:04:17,670 --> 00:04:10,640

and

94

00:04:20,229 --> 00:04:17,680

you know ufos i guess was probably the

95

00:04:21,909 --> 00:04:20,239

first toe in the water and then i got

96

00:04:25,110 --> 00:04:21,919

into sasquatch i actually was going to

97

00:04:27,350 --> 00:04:25,120

do i was as a high school graduation

98

00:04:29,430 --> 00:04:27,360

trip i was going to go out to seattle

99

00:04:31,350 --> 00:04:29,440

seattle area and then you know go into

100

00:04:32,950 --> 00:04:31,360

the the woods or the wilderness with a

101  
00:04:33,990 --> 00:04:32,960  
good friend of mine but unfortunately my

102  
00:04:36,070 --> 00:04:34,000  
good friend

103  
00:04:38,070 --> 00:04:36,080  
that in a car accident and died just

104  
00:04:39,749 --> 00:04:38,080  
before we left or before we're gonna go

105  
00:04:42,870 --> 00:04:39,759  
but that was a that was a sad thing but

106  
00:04:44,310 --> 00:04:42,880  
it still motivated me to continue

107  
00:04:46,790 --> 00:04:44,320  
uh and

108  
00:04:48,230 --> 00:04:46,800  
i just you know been doing it i guess

109  
00:04:49,990 --> 00:04:48,240  
all my life

110  
00:04:52,710 --> 00:04:50,000  
you know i've been involved from a

111  
00:04:55,270 --> 00:04:52,720  
standpoint uh you know i had the ufo

112  
00:04:59,270 --> 00:04:55,280  
paranormal forum in new mexico

113  
00:05:01,749 --> 00:04:59,280

i helped out with a uh atlanta ufo forum

114

00:05:05,029 --> 00:05:01,759

uh from for several years

115

00:05:07,029 --> 00:05:05,039

and you know i i've been you know had 13

116

00:05:09,590 --> 00:05:07,039

or 14 years now with the true secret

117

00:05:12,710 --> 00:05:09,600

forum and then this last year of course

118

00:05:14,070 --> 00:05:12,720

we we have our our very quite successful

119

00:05:16,550 --> 00:05:14,080

uh uh

120

00:05:19,029 --> 00:05:16,560

video youtube channel uh

121

00:05:21,110 --> 00:05:19,039

uh dimensional walking uh you know a

122

00:05:22,870 --> 00:05:21,120

paranormal journey so

123

00:05:25,590 --> 00:05:22,880

you know i just been doing it a very

124

00:05:28,390 --> 00:05:25,600

long time and and when i did the forum

125

00:05:29,990 --> 00:05:28,400

in albuquerque we would bring in people

126  
00:05:31,990 --> 00:05:30,000  
from all over the united states and some

127  
00:05:34,310 --> 00:05:32,000  
people from other parts of the world

128  
00:05:36,790 --> 00:05:34,320  
and and talk so it was one of the

129  
00:05:39,110 --> 00:05:36,800  
largest forums

130  
00:05:41,430 --> 00:05:39,120  
that there were we would meet right at

131  
00:05:42,390 --> 00:05:41,440  
almost at the gate kirkland air force

132  
00:05:45,749 --> 00:05:42,400  
base

133  
00:05:48,390 --> 00:05:45,759  
so uh you know it was pretty incredible

134  
00:05:50,629 --> 00:05:48,400  
uh because we had actually military etc

135  
00:05:52,629 --> 00:05:50,639  
coming to our our meeting and just

136  
00:05:54,550 --> 00:05:52,639  
sitting in the back just observing so it

137  
00:05:57,110 --> 00:05:54,560  
was really kind of strange it was a

138  
00:05:59,510 --> 00:05:57,120

little bit eerie but it was it was just

139

00:06:01,590 --> 00:05:59,520

added to just the the

140

00:06:03,270 --> 00:06:01,600

amazing stuff that was going on in that

141

00:06:05,990 --> 00:06:03,280

particular area

142

00:06:07,189 --> 00:06:06,000

so anyways i've been involved for a very

143

00:06:09,110 --> 00:06:07,199

long time

144

00:06:10,870 --> 00:06:09,120

doing the research living in atlanta i

145

00:06:12,790 --> 00:06:10,880

did a lot of research up and down the

146

00:06:16,150 --> 00:06:12,800

appalachian mountains with abductees and

147

00:06:18,070 --> 00:06:16,160

contactees probably did about 1500 to

148

00:06:19,189 --> 00:06:18,080

2000 interviews

149

00:06:21,029 --> 00:06:19,199

so

150

00:06:22,790 --> 00:06:21,039

you know i've been i just been doing it

151

00:06:26,230 --> 00:06:22,800

for a very long time and

152

00:06:29,670 --> 00:06:26,240

enjoying doing it so rainbow

153

00:06:30,870 --> 00:06:29,680

um i'm the typical experiercer from

154

00:06:34,950 --> 00:06:30,880

childhood

155

00:06:36,710 --> 00:06:34,960

i had a lot of different um experiences

156

00:06:39,029 --> 00:06:36,720

with the paranormal

157

00:06:41,110 --> 00:06:39,039

and as a matter of fact i used to have

158

00:06:44,309 --> 00:06:41,120

what my parents would call religious

159

00:06:45,909 --> 00:06:44,319

visions and i would uh wake up screaming

160

00:06:48,550 --> 00:06:45,919

or

161

00:06:50,629 --> 00:06:48,560

and my parents were very uh very

162

00:06:53,110 --> 00:06:50,639

catholic and so they always associated

163

00:06:54,629 --> 00:06:53,120

stuff with the paranormal to

164

00:06:55,670 --> 00:06:54,639

you know seeing visions and stuff like

165

00:06:57,189 --> 00:06:55,680

that

166

00:06:59,670 --> 00:06:57,199

and then i had abductions from the time

167

00:07:02,150 --> 00:06:59,680

i was very young

168

00:07:03,510 --> 00:07:02,160

and when i hit 40 and i had experiences

169

00:07:05,909 --> 00:07:03,520

all the way through

170

00:07:08,390 --> 00:07:05,919

i studied to be a mesme in my 20s but

171

00:07:10,629 --> 00:07:08,400

when i hit my 40s is when

172

00:07:14,230 --> 00:07:10,639

something really amazing happened to me

173

00:07:16,790 --> 00:07:14,240

and all my memories came back of

174

00:07:19,350 --> 00:07:16,800

alien experiences things that happened

175

00:07:21,909 --> 00:07:19,360

at los alamos um

176

00:07:24,230 --> 00:07:21,919

in the area around los alamos labs

177

00:07:26,309 --> 00:07:24,240

and then uh you know just being in new

178

00:07:28,550 --> 00:07:26,319

mexico in the land of enchantment you

179

00:07:30,629 --> 00:07:28,560

have all kinds of things happening i

180

00:07:33,110 --> 00:07:30,639

have memory of

181

00:07:35,110 --> 00:07:33,120

working cattle because i was a cowgirl

182

00:07:37,830 --> 00:07:35,120

and actually

183

00:07:39,909 --> 00:07:37,840

we rode up to a ufo i actually touched

184

00:07:42,710 --> 00:07:39,919

it felt it but it didn't the memory

185

00:07:46,230 --> 00:07:42,720

didn't come back to me until i was i hit

186

00:07:48,230 --> 00:07:46,240

40. and so then my

187

00:07:50,869 --> 00:07:48,240

i always had experiences intense

188

00:07:53,270 --> 00:07:50,879

experiences and then once i hit 40 i

189

00:07:56,950 --> 00:07:53,280

realized that the journey had to i had

190

00:07:59,270 --> 00:07:56,960

to just go full throttle on the on my

191

00:08:03,589 --> 00:07:59,280

research and so that's what i ended up

192

00:08:05,909 --> 00:08:03,599

doing and i contacted norio hayakawa who

193

00:08:07,830 --> 00:08:05,919

was a very good friend of michael's and

194

00:08:10,150 --> 00:08:07,840

then i that's how i met michael through

195

00:08:12,869 --> 00:08:10,160

his group in new mexico

196

00:08:15,270 --> 00:08:12,879

and so now here we are it's been almost

197

00:08:17,110 --> 00:08:15,280

10 years where we've been exploring the

198

00:08:19,110 --> 00:08:17,120

paranormal and going further and deeper

199

00:08:22,230 --> 00:08:19,120

into it

200

00:08:24,710 --> 00:08:22,240

that is amazing and you know

201

00:08:28,550 --> 00:08:24,720

i love norio he's great i've had him on

202

00:08:29,749 --> 00:08:28,560

the podcast he is a wealth of knowledge

203

00:08:32,550 --> 00:08:29,759

and

204

00:08:34,709 --> 00:08:32,560

i remember uh mike he mentioned the

205

00:08:35,670 --> 00:08:34,719

exact story that you just mentioned

206

00:08:37,430 --> 00:08:35,680

about

207

00:08:39,990 --> 00:08:37,440

um the

208

00:08:41,589 --> 00:08:40,000

the interesting coincidences at some of

209

00:08:43,829 --> 00:08:41,599

these conferences

210

00:08:46,230 --> 00:08:43,839

let me get into dimensional walking a

211

00:08:49,110 --> 00:08:46,240

bit because that's how i came about

212

00:08:51,190 --> 00:08:49,120

finding you guys it's an amazing youtube

213

00:08:53,750 --> 00:08:51,200

series that you have on youtube

214

00:08:56,150 --> 00:08:53,760

dimensional walking and i really like

215

00:08:58,710 --> 00:08:56,160

the name it really sort of goes with the

216

00:09:00,310 --> 00:08:58,720

whole shape shifter motif and

217

00:09:02,949 --> 00:09:00,320

and how did you come across with that

218

00:09:04,630 --> 00:09:02,959

name and uh what started you on that

219

00:09:06,790 --> 00:09:04,640

that journey because you have all kinds

220

00:09:08,949 --> 00:09:06,800

of portal and vortex videos on there as

221

00:09:13,750 --> 00:09:08,959

well

222

00:09:15,829 --> 00:09:13,760

i was in my early twenties

223

00:09:17,670 --> 00:09:15,839

uh i was married to a medicine man his

224

00:09:18,550 --> 00:09:17,680

name was thunderbow

225

00:09:20,470 --> 00:09:18,560

and

226

00:09:23,350 --> 00:09:20,480

he was working with me

227

00:09:24,389 --> 00:09:23,360

where it we could call it

228

00:09:26,630 --> 00:09:24,399

um

229

00:09:29,269 --> 00:09:26,640

anything that you want it it's

230

00:09:31,269 --> 00:09:29,279

maybe slightly remote viewing some of

231

00:09:33,750 --> 00:09:31,279

it's out of body

232

00:09:36,150 --> 00:09:33,760

it's it's just it's all kinds of

233

00:09:37,990 --> 00:09:36,160

think about the carlos costenada series

234

00:09:39,910 --> 00:09:38,000

the book series we are working in

235

00:09:41,190 --> 00:09:39,920

something in that genre

236

00:09:43,910 --> 00:09:41,200

and so

237

00:09:45,590 --> 00:09:43,920

he coined it dimensional walking because

238

00:09:49,430 --> 00:09:45,600

basically he was training me how to do

239

00:09:51,430 --> 00:09:49,440

it and i was able to do amazing things

240

00:09:53,990 --> 00:09:51,440

in the dream state i mean i i would

241

00:09:55,430 --> 00:09:54,000

leave and and the whole point of the

242

00:09:57,350 --> 00:09:55,440

training was to get me to bring

243

00:10:00,310 --> 00:09:57,360

something back

244

00:10:03,509 --> 00:10:00,320

so because his the whole thing that that

245

00:10:05,430 --> 00:10:03,519

we were trying to do is to show that

246

00:10:07,910 --> 00:10:05,440

we're more than just our body

247

00:10:12,150 --> 00:10:07,920

and one thing that i had told thunderbow

248

00:10:14,310 --> 00:10:12,160

is that i i had the graves who were

249

00:10:16,389 --> 00:10:14,320

with me from the time i was very young

250

00:10:18,710 --> 00:10:16,399

they taught it to me as well they were

251  
00:10:21,509 --> 00:10:18,720  
teaching me how to do things because

252  
00:10:23,430 --> 00:10:21,519  
i remember them taking me

253  
00:10:25,030 --> 00:10:23,440  
and sometimes they wouldn't take you you

254  
00:10:25,910 --> 00:10:25,040  
know out the door they take you through

255  
00:10:27,269 --> 00:10:25,920  
a wall

256  
00:10:29,269 --> 00:10:27,279  
and so that's

257  
00:10:31,350 --> 00:10:29,279  
all a part of this it's a it's a

258  
00:10:33,269 --> 00:10:31,360  
different way of looking at the mind and

259  
00:10:34,069 --> 00:10:33,279  
looking at how

260  
00:10:36,550 --> 00:10:34,079  
we

261  
00:10:39,430 --> 00:10:36,560  
and so

262  
00:10:40,470 --> 00:10:39,440  
i actually had an experience with a

263  
00:10:42,790 --> 00:10:40,480

stone

264

00:10:44,550 --> 00:10:42,800

a couple of years ago

265

00:10:48,630 --> 00:10:44,560

called labradorite

266

00:10:50,870 --> 00:10:48,640

and i actually had a dream of vision um

267

00:10:54,389 --> 00:10:50,880

i'm kind of going fast forward here but

268

00:10:56,870 --> 00:10:54,399

uh i had a dream i was shown this stone

269

00:10:58,949 --> 00:10:56,880

labradorite and i told michael i woke up

270

00:11:00,949 --> 00:10:58,959

i said i got to find the stone i went

271

00:11:04,389 --> 00:11:00,959

and found it and i started sleeping with

272

00:11:07,269 --> 00:11:04,399

it under my pillow which isn't smart

273

00:11:08,630 --> 00:11:07,279

but uh you know something that i was i

274

00:11:09,990 --> 00:11:08,640

was basically

275

00:11:12,630 --> 00:11:10,000

shown to do

276  
00:11:14,550 --> 00:11:12,640  
and then i had an experience where i

277  
00:11:17,269 --> 00:11:14,560  
actually went into another dimension

278  
00:11:19,430 --> 00:11:17,279  
another reality very close to this one

279  
00:11:21,670 --> 00:11:19,440  
and i i couldn't get out of it

280  
00:11:23,350 --> 00:11:21,680  
i was actually in a body

281  
00:11:26,069 --> 00:11:23,360  
looking through the eyes

282  
00:11:28,949 --> 00:11:26,079  
and i could not get out and i was in a

283  
00:11:30,949 --> 00:11:28,959  
house just like this one except it was

284  
00:11:32,230 --> 00:11:30,959  
slightly positioned differently

285  
00:11:34,870 --> 00:11:32,240  
where the stove was where the

286  
00:11:36,310 --> 00:11:34,880  
refrigerator was where back room was

287  
00:11:37,750 --> 00:11:36,320  
there was a little yappy dog we would

288  
00:11:39,910 --> 00:11:37,760

never have a yappy dog i don't mind

289

00:11:41,590 --> 00:11:39,920

yuppie dogs but we wouldn't have one

290

00:11:43,590 --> 00:11:41,600

and there's you know just different

291

00:11:45,670 --> 00:11:43,600

things and and i was married to this man

292

00:11:47,990 --> 00:11:45,680

and i'm like who are you

293

00:11:50,870 --> 00:11:48,000

and he's freaking out because he's like

294

00:11:52,389 --> 00:11:50,880

what what's wrong with you and i went to

295

00:11:54,470 --> 00:11:52,399

bed

296

00:11:57,430 --> 00:11:54,480

in this this other reality very close to

297

00:11:59,350 --> 00:11:57,440

this one trying to wake myself up

298

00:12:02,389 --> 00:11:59,360

finally woke myself up

299

00:12:04,310 --> 00:12:02,399

just sat up in bed freaked out

300

00:12:05,430 --> 00:12:04,320

and i'm thinking oh my god what just

301  
00:12:07,590 --> 00:12:05,440  
happened

302  
00:12:09,670 --> 00:12:07,600  
went use the bathroom came back to bed

303  
00:12:11,190 --> 00:12:09,680  
immediately went back into that same

304  
00:12:12,150 --> 00:12:11,200  
reality again

305  
00:12:15,750 --> 00:12:12,160  
and

306  
00:12:18,150 --> 00:12:15,760  
i knocked stuff over i felt them i felt

307  
00:12:19,750 --> 00:12:18,160  
how solid they were i felt all kinds of

308  
00:12:22,389 --> 00:12:19,760  
stuff and this is the stuff that i used

309  
00:12:23,750 --> 00:12:22,399  
to do in my 20s and what the grades had

310  
00:12:25,990 --> 00:12:23,760  
taught me to do i hadn't done it in

311  
00:12:27,750 --> 00:12:26,000  
years because it's a very scary

312  
00:12:30,870 --> 00:12:27,760  
thing to do if you don't you can't

313  
00:12:33,350 --> 00:12:30,880

control it so anyways i i for the second

314

00:12:34,710 --> 00:12:33,360

time i couldn't get out of that reality

315

00:12:35,670 --> 00:12:34,720

that realm

316

00:12:36,870 --> 00:12:35,680

finally

317

00:12:39,269 --> 00:12:36,880

i just

318

00:12:41,509 --> 00:12:39,279

meditated and wheeled myself out of

319

00:12:43,670 --> 00:12:41,519

there and i felt the tingly feeling of

320

00:12:45,110 --> 00:12:43,680

coming back into your body and i woke

321

00:12:47,509 --> 00:12:45,120

myself up

322

00:12:49,269 --> 00:12:47,519

and realized that i just i could not

323

00:12:51,350 --> 00:12:49,279

have the stone underneath my pillow i

324

00:12:54,069 --> 00:12:51,360

took the stone

325

00:12:55,350 --> 00:12:54,079

moved it and then i was telling michael

326

00:12:57,030 --> 00:12:55,360

all about what had happened to me and

327

00:12:58,470 --> 00:12:57,040

how scared i was because i actually woke

328

00:12:59,750 --> 00:12:58,480

him up

329

00:13:02,150 --> 00:12:59,760

and

330

00:13:04,629 --> 00:13:02,160

that's when we realized that i had done

331

00:13:06,550 --> 00:13:04,639

dimensional walking and because i had

332

00:13:07,590 --> 00:13:06,560

done so much in my 20s and when i was a

333

00:13:10,550 --> 00:13:07,600

kid

334

00:13:13,190 --> 00:13:10,560

and i it this this labradorite stone

335

00:13:15,269 --> 00:13:13,200

just brought it all back to me so now

336

00:13:17,190 --> 00:13:15,279

i'm a little bit more in control of it

337

00:13:18,790 --> 00:13:17,200

but that's why we named our channel

338

00:13:20,870 --> 00:13:18,800

dimensional walking michael said hey

339

00:13:22,389 --> 00:13:20,880

let's just call our channel this

340

00:13:26,069 --> 00:13:22,399

and there you go that's the short end of

341

00:13:31,350 --> 00:13:28,069

sorry that was long but no it was

342

00:13:35,269 --> 00:13:31,360

perfect a perfect elaboration and you

343

00:13:37,910 --> 00:13:35,279

know it's that what's so neat about this

344

00:13:40,949 --> 00:13:37,920

is you know it does seem that there is a

345

00:13:41,750 --> 00:13:40,959

lot of pre-southwestern origin involved

346

00:13:44,629 --> 00:13:41,760

with

347

00:13:46,710 --> 00:13:44,639

a lot of this uh

348

00:13:49,670 --> 00:13:46,720

type of thing whether it be

349

00:13:51,590 --> 00:13:49,680

being able to know where a portal is

350

00:13:52,790 --> 00:13:51,600

which i know you guys are very familiar

351  
00:13:56,949 --> 00:13:52,800  
with this

352  
00:13:59,750 --> 00:13:56,959  
and elements of some of the you know

353  
00:14:01,750 --> 00:13:59,760  
high strangeness whether that be

354  
00:14:04,790 --> 00:14:01,760  
shape shifters

355  
00:14:06,790 --> 00:14:04,800  
frenzy witchcraft all of this stuff does

356  
00:14:09,590 --> 00:14:06,800  
have kind of a pre-southwestern origin

357  
00:14:11,509 --> 00:14:09,600  
and so my my tentative guess you

358  
00:14:13,670 --> 00:14:11,519  
elaborated really well and i'm glad you

359  
00:14:16,629 --> 00:14:13,680  
didn't hesitate um

360  
00:14:18,150 --> 00:14:16,639  
really cool elements and

361  
00:14:20,550 --> 00:14:18,160  
so

362  
00:14:22,389 --> 00:14:20,560  
now that we know more or less how you

363  
00:14:24,230 --> 00:14:22,399

got such a cool name for your youtube

364

00:14:27,990 --> 00:14:24,240

channel can you tell our listeners a

365

00:14:33,269 --> 00:14:28,790

uh

366

00:14:35,590 --> 00:14:33,279

to do is because

367

00:14:37,509 --> 00:14:35,600

i i guess we're we're able to one of the

368

00:14:39,750 --> 00:14:37,519

things i've been doing doing this for

369

00:14:41,910 --> 00:14:39,760

such a very long time and like i i

370

00:14:43,350 --> 00:14:41,920

probably know that you know i've been

371

00:14:46,230 --> 00:14:43,360

doing it since i was a teenager so

372

00:14:48,069 --> 00:14:46,240

that's well over 50 some years okay

373

00:14:50,310 --> 00:14:48,079

and and rainbow's been doing it for over

374

00:14:53,670 --> 00:14:50,320

i didn't want to say you're old

375

00:14:55,509 --> 00:14:53,680

okay so i'm old ryan just so you know if

376

00:14:57,990 --> 00:14:55,519

you didn't know that i'm old

377

00:14:59,509 --> 00:14:58,000

but anyways rainbow is very young and

378

00:15:00,949 --> 00:14:59,519

she's but she's been doing it for 40

379

00:15:03,189 --> 00:15:00,959

years but probably in a different

380

00:15:04,470 --> 00:15:03,199

lifetime also so that gives her that

381

00:15:06,550 --> 00:15:04,480

youngness

382

00:15:08,870 --> 00:15:06,560

but anyways uh

383

00:15:10,550 --> 00:15:08,880

so we have we have we have quite a bit

384

00:15:12,870 --> 00:15:10,560

of experience not only

385

00:15:15,670 --> 00:15:12,880

experience of actually doing it but also

386

00:15:18,310 --> 00:15:15,680

experience of researching it in in the

387

00:15:20,069 --> 00:15:18,320

field in some cases or you know going to

388

00:15:22,310 --> 00:15:20,079

books or libraries or things like that

389

00:15:23,350 --> 00:15:22,320

and getting a lot of a lot of research

390

00:15:25,509 --> 00:15:23,360

from that

391

00:15:26,870 --> 00:15:25,519

but but anyways

392

00:15:28,710 --> 00:15:26,880

it on the

393

00:15:30,710 --> 00:15:28,720

dimensional walking

394

00:15:33,189 --> 00:15:30,720

we if you look at it we probably have

395

00:15:35,829 --> 00:15:33,199

about um i'm maybe off by one or two but

396

00:15:37,910 --> 00:15:35,839

at least 118 videos on there

397

00:15:39,590 --> 00:15:37,920

almost all of those are from our

398

00:15:42,310 --> 00:15:39,600

personal research

399

00:15:44,710 --> 00:15:42,320

or our personal experience

400

00:15:47,269 --> 00:15:44,720

so we try to keep it that way we really

401  
00:15:48,870 --> 00:15:47,279  
typically do not uh have anybody else

402  
00:15:52,550 --> 00:15:48,880  
maybe someday we will but we don't

403  
00:15:53,269 --> 00:15:52,560  
interview anybody uh and you know uh

404  
00:15:56,870 --> 00:15:53,279  
so

405  
00:15:58,870 --> 00:15:56,880  
ufo yeah we won't no no not that we

406  
00:16:01,509 --> 00:15:58,880  
won't but we haven't up to this point so

407  
00:16:03,430 --> 00:16:01,519  
we'll see and we hopefully will yeah but

408  
00:16:05,269 --> 00:16:03,440  
you know we will have the ufos we'll

409  
00:16:08,230 --> 00:16:05,279  
have sasquatch we have all different

410  
00:16:10,710 --> 00:16:08,240  
other cryptids we'll have ghosts uh you

411  
00:16:13,030 --> 00:16:10,720  
know we have giants all kinds of stuff

412  
00:16:14,790 --> 00:16:13,040  
and one of the things we try to do

413  
00:16:16,550 --> 00:16:14,800

is we try to connect the dots from a

414

00:16:17,670 --> 00:16:16,560  
standpoint we like to like to tell

415

00:16:20,150 --> 00:16:17,680  
everybody and

416

00:16:23,030 --> 00:16:20,160  
let everybody realize it's all connected

417

00:16:25,590 --> 00:16:23,040  
the world of paranormal all these little

418

00:16:27,189 --> 00:16:25,600  
you know sub subtitles or sublets or

419

00:16:29,269 --> 00:16:27,199  
whatever you want to call it are all

420

00:16:31,670 --> 00:16:29,279  
together i mean they're all connected by

421

00:16:33,749 --> 00:16:31,680  
a common a common thread

422

00:16:34,550 --> 00:16:33,759  
and and that's what we try to do

423

00:16:36,389 --> 00:16:34,560  
uh

424

00:16:37,990 --> 00:16:36,399  
in some of our videos maybe not all of

425

00:16:39,670 --> 00:16:38,000  
them but some of the videos we try to do

426

00:16:42,069 --> 00:16:39,680

that because we think it's really really

427

00:16:44,069 --> 00:16:42,079

important because once you step into it

428

00:16:45,749 --> 00:16:44,079

your foot into it you're probably gonna

429

00:16:47,829 --> 00:16:45,759

have you probably will have some other

430

00:16:49,509 --> 00:16:47,839

experiences that are unrelated like

431

00:16:51,670 --> 00:16:49,519

maybe if you saw you had a close

432

00:16:53,670 --> 00:16:51,680

encounter with a ufo or something like

433

00:16:55,189 --> 00:16:53,680

that now if you have a close encounter

434

00:16:58,550 --> 00:16:55,199

you've probably gone into a different

435

00:17:00,550 --> 00:16:58,560

realm uh so that way it's very possible

436

00:17:02,310 --> 00:17:00,560

you may suddenly start seeing ghosts or

437

00:17:04,630 --> 00:17:02,320

you you know you may see a cryptic a

438

00:17:07,110 --> 00:17:04,640

sasquatch or something else because it's

439

00:17:09,029 --> 00:17:07,120

so connected it really really is right

440

00:17:12,230 --> 00:17:09,039

did i answer the question for you yeah

441

00:17:14,549 --> 00:17:12,240

absolutely and it's a question

442

00:17:16,789 --> 00:17:14,559

it really you know that i think that's a

443

00:17:18,069 --> 00:17:16,799

huge that you you're nailing it you're

444

00:17:20,150 --> 00:17:18,079

knocking it out of the park because

445

00:17:21,110 --> 00:17:20,160

that's kind of where i was going to go

446

00:17:23,909 --> 00:17:21,120

with this

447

00:17:26,710 --> 00:17:23,919

is how a shift happens a shift takes

448

00:17:29,190 --> 00:17:26,720

place when you view as an observer when

449

00:17:31,990 --> 00:17:29,200

you see one of these things it sort of

450

00:17:34,470 --> 00:17:32,000

opens your mind and your eyes to being

451  
00:17:35,669 --> 00:17:34,480  
able to see more of it have you noticed

452  
00:17:38,070 --> 00:17:35,679  
that yes

453  
00:17:40,390 --> 00:17:38,080  
oh absolutely i think that i i think

454  
00:17:42,950 --> 00:17:40,400  
that we're born to to see it i think we

455  
00:17:45,029 --> 00:17:42,960  
forget that i i don't

456  
00:17:47,510 --> 00:17:45,039  
i look at it a little bit differently

457  
00:17:49,029 --> 00:17:47,520  
than michael um because i've dealt with

458  
00:17:50,789 --> 00:17:49,039  
this

459  
00:17:53,590 --> 00:17:50,799  
since i was a child and i think it has

460  
00:17:56,070 --> 00:17:53,600  
to do with one particular

461  
00:17:58,710 --> 00:17:56,080  
alien that used to be my little

462  
00:18:01,510 --> 00:17:58,720  
companion his name was meek mohan and

463  
00:18:03,669 --> 00:18:01,520

from when i i remember is that meek

464

00:18:04,870 --> 00:18:03,679

mohan basically told me

465

00:18:06,950 --> 00:18:04,880

that

466

00:18:08,310 --> 00:18:06,960

we're just there's just so

467

00:18:10,630 --> 00:18:08,320

the reason why they love children is

468

00:18:12,710 --> 00:18:10,640

because we're just so open to all of it

469

00:18:15,110 --> 00:18:12,720

we're just we're just like right there

470

00:18:17,270 --> 00:18:15,120

and i think that we forget that as we

471

00:18:19,430 --> 00:18:17,280

get older we close off to

472

00:18:21,909 --> 00:18:19,440

these shifts that you that like you were

473

00:18:23,909 --> 00:18:21,919

stating and so i think that

474

00:18:25,590 --> 00:18:23,919

that at a certain point some of us don't

475

00:18:27,750 --> 00:18:25,600

ever close off

476  
00:18:29,270 --> 00:18:27,760  
and it's because there's especially when

477  
00:18:31,350 --> 00:18:29,280  
the paranormal

478  
00:18:33,669 --> 00:18:31,360  
is a part of your life because i think

479  
00:18:35,430 --> 00:18:33,679  
people believe the paranormal and

480  
00:18:38,470 --> 00:18:35,440  
everything that happens to it is outside

481  
00:18:40,630 --> 00:18:38,480  
of us but it's also inside of us too

482  
00:18:42,789 --> 00:18:40,640  
and so the attraction isn't just what's

483  
00:18:44,470 --> 00:18:42,799  
out there it's also discovering what's

484  
00:18:46,150 --> 00:18:44,480  
inside you

485  
00:18:49,029 --> 00:18:46,160  
mm-hmm

486  
00:18:50,230 --> 00:18:49,039  
that that makes perfect sense and

487  
00:18:53,430 --> 00:18:50,240  
you know

488  
00:18:55,110 --> 00:18:53,440

i have taken part in retreats that have

489

00:18:56,470 --> 00:18:55,120

sort of focused you know some of them

490

00:18:58,950 --> 00:18:56,480

are shorter

491

00:19:01,909 --> 00:18:58,960

others can be as long as you know these

492

00:19:04,070 --> 00:19:01,919

five night uh ceremonies

493

00:19:06,710 --> 00:19:04,080

and you know with sweat lodges and medic

494

00:19:10,070 --> 00:19:06,720

ceremonies and you know it does seem

495

00:19:14,230 --> 00:19:10,080

that as time gathers and as time goes on

496

00:19:16,630 --> 00:19:14,240

even the skeptics begin

497

00:19:18,710 --> 00:19:16,640

they begin to

498

00:19:21,590 --> 00:19:18,720

give descriptions of things that can

499

00:19:22,710 --> 00:19:21,600

positively be described as paranormal

500

00:19:24,470 --> 00:19:22,720

and

501  
00:19:26,789 --> 00:19:24,480  
it is i think there's different

502  
00:19:28,950 --> 00:19:26,799  
procedures obviously that people take to

503  
00:19:31,190 --> 00:19:28,960  
do this but i mean the first obvious

504  
00:19:32,870 --> 00:19:31,200  
step is a lot of people just stay home

505  
00:19:35,909 --> 00:19:32,880  
on their couches watching tv and they

506  
00:19:38,070 --> 00:19:35,919  
don't get out there like you guys do

507  
00:19:40,950 --> 00:19:38,080  
it's it's what would you tell listeners

508  
00:19:42,549 --> 00:19:40,960  
is a good way to just kind of start um

509  
00:19:44,630 --> 00:19:42,559  
opening your minds to seeing some of

510  
00:19:47,110 --> 00:19:44,640  
these things

511  
00:19:48,150 --> 00:19:47,120  
well you know for for me basically would

512  
00:19:50,150 --> 00:19:48,160  
be

513  
00:19:52,310 --> 00:19:50,160

one thing is get out in nature you know

514

00:19:53,190 --> 00:19:52,320

just getting out in nature and maybe

515

00:19:55,350 --> 00:19:53,200

sitting

516

00:19:56,789 --> 00:19:55,360

someplace and i always say

517

00:19:58,070 --> 00:19:56,799

find a place

518

00:19:59,270 --> 00:19:58,080

if you're going to go out in nature you

519

00:20:00,470 --> 00:19:59,280

want to have a quiet place you don't

520

00:20:01,830 --> 00:20:00,480

want to have a lot of human beings

521

00:20:03,909 --> 00:20:01,840

around for sure

522

00:20:05,990 --> 00:20:03,919

and then i always say

523

00:20:07,430 --> 00:20:06,000

make sure there's a stream close by

524

00:20:10,870 --> 00:20:07,440

that's really important especially for

525

00:20:13,590 --> 00:20:10,880

cryptids and weep things like that and

526  
00:20:14,710 --> 00:20:13,600  
and go to that same spot a quiet place

527  
00:20:16,789 --> 00:20:14,720  
again

528  
00:20:19,029 --> 00:20:16,799  
sit on the ground with your your feet

529  
00:20:21,270 --> 00:20:19,039  
kind of implanted in the earth and

530  
00:20:23,270 --> 00:20:21,280  
basically just wait and if you're a

531  
00:20:24,549 --> 00:20:23,280  
meditator of course that's that would be

532  
00:20:25,990 --> 00:20:24,559  
another one of the things i always tell

533  
00:20:27,669 --> 00:20:26,000  
you meditation

534  
00:20:28,789 --> 00:20:27,679  
uh is really a good way to make

535  
00:20:30,870 --> 00:20:28,799  
connections

536  
00:20:32,789 --> 00:20:30,880  
with the the other realms in the other

537  
00:20:34,630 --> 00:20:32,799  
worlds but even while you're sitting

538  
00:20:36,470 --> 00:20:34,640

there at the little stream bank

539

00:20:38,310 --> 00:20:36,480

somewheres you want to kind of clear

540

00:20:41,110 --> 00:20:38,320

your mind is absolutely as clear as

541

00:20:43,909 --> 00:20:41,120

possible and ask for commission

542

00:20:44,710 --> 00:20:43,919

of nature and whatever's in the vicinity

543

00:20:47,110 --> 00:20:44,720

to

544

00:20:49,750 --> 00:20:47,120

come in and communicate with you is

545

00:20:51,830 --> 00:20:49,760

sometimes it takes quite a bit of time

546

00:20:54,149 --> 00:20:51,840

you have to be committed to go back

547

00:20:55,029 --> 00:20:54,159

there on a regular basis

548

00:20:55,990 --> 00:20:55,039

and

549

00:20:58,310 --> 00:20:56,000

wait

550

00:20:59,990 --> 00:20:58,320

basically and it they will come

551  
00:21:02,070 --> 00:21:00,000  
i don't know which ones will come but

552  
00:21:04,470 --> 00:21:02,080  
they will come to me that that is

553  
00:21:06,230 --> 00:21:04,480  
probably the number one thing to do i

554  
00:21:08,470 --> 00:21:06,240  
really believe that you meditating at

555  
00:21:10,870 --> 00:21:08,480  
home could also you could also bring

556  
00:21:12,870 --> 00:21:10,880  
some ets or something like that to you

557  
00:21:15,190 --> 00:21:12,880  
again you know rainbow can talk about

558  
00:21:16,710 --> 00:21:15,200  
maybe a little bit of protection that

559  
00:21:18,390 --> 00:21:16,720  
she should always have because open

560  
00:21:20,149 --> 00:21:18,400  
yourself up too much

561  
00:21:22,710 --> 00:21:20,159  
you know like maybe a ouija board type

562  
00:21:25,590 --> 00:21:22,720  
example is really really very dangerous

563  
00:21:27,510 --> 00:21:25,600

well go ahead rainbow why i think that

564

00:21:30,470 --> 00:21:27,520

for me the first step is to be open to

565

00:21:32,149 --> 00:21:30,480

it because a lot of people try to make

566

00:21:33,110 --> 00:21:32,159

it much more difficult than it needs to

567

00:21:36,310 --> 00:21:33,120

be

568

00:21:38,950 --> 00:21:36,320

um personally for me if i'm open to it i

569

00:21:40,470 --> 00:21:38,960

don't have to leave our home

570

00:21:42,310 --> 00:21:40,480

um i don't have to leave the the front

571

00:21:46,149 --> 00:21:42,320

or backyard i can actually have it

572

00:21:47,830 --> 00:21:46,159

happen here i think what's good it's

573

00:21:50,789 --> 00:21:47,840

good for people to get away from

574

00:21:52,950 --> 00:21:50,799

something that is structured

575

00:21:56,149 --> 00:21:52,960

and to get get out like michael was

576

00:21:59,430 --> 00:21:56,159

saying and to be in nature because

577

00:22:01,909 --> 00:21:59,440

once we allow something to connect to us

578

00:22:04,789 --> 00:22:01,919

they will come because

579

00:22:07,350 --> 00:22:04,799

basically we are as far as i'm concerned

580

00:22:09,909 --> 00:22:07,360

a part of the paranormal and as much as

581

00:22:12,789 --> 00:22:09,919

we try to figure out who they are and

582

00:22:15,190 --> 00:22:12,799

whoever they is and it can be sasquatch

583

00:22:16,870 --> 00:22:15,200

it can be dog man it could be a shadow

584

00:22:19,029 --> 00:22:16,880

man it can be

585

00:22:19,990 --> 00:22:19,039

skin walker it can be

586

00:22:24,470 --> 00:22:20,000

your

587

00:22:27,110 --> 00:22:24,480

anything but the one thing they're

588

00:22:28,630 --> 00:22:27,120

they're looking at us as much as we we

589

00:22:30,070 --> 00:22:28,640

are are trying to figure out who they

590

00:22:30,789 --> 00:22:30,080

are they're trying to figure out who we

591

00:22:33,750 --> 00:22:30,799

are

592

00:22:35,110 --> 00:22:33,760

so it's not a one-sided situation here

593

00:22:36,549 --> 00:22:35,120

so i think if you're open to

594

00:22:38,310 --> 00:22:36,559

communication what you have to

595

00:22:39,350 --> 00:22:38,320

understand is there's a responsibility

596

00:22:41,350 --> 00:22:39,360

to that

597

00:22:43,990 --> 00:22:41,360

you can't be kind of

598

00:22:45,990 --> 00:22:44,000

you can't ask for something to contact

599

00:22:47,110 --> 00:22:46,000

you and then go scream and run off when

600

00:22:48,470 --> 00:22:47,120

it does

601  
00:22:49,990 --> 00:22:48,480  
um that and that's what you've seen a

602  
00:22:53,110 --> 00:22:50,000  
lot of the different shows that happen

603  
00:22:55,830 --> 00:22:53,120  
today people go out for the scare factor

604  
00:22:57,909 --> 00:22:55,840  
and they affect the paranormal

605  
00:23:00,549 --> 00:22:57,919  
and the paranormal i think to this day

606  
00:23:02,710 --> 00:23:00,559  
is being affected by how people react to

607  
00:23:05,190 --> 00:23:02,720  
it and it makes it harder

608  
00:23:06,230 --> 00:23:05,200  
in some senses for people like

609  
00:23:07,909 --> 00:23:06,240  
like us

610  
00:23:10,470 --> 00:23:07,919  
when we go out there asking for

611  
00:23:13,510 --> 00:23:10,480  
communication you know just imagine if

612  
00:23:16,310 --> 00:23:13,520  
you go ask for communication and

613  
00:23:18,470 --> 00:23:16,320

um and you go screaming that whatever is

614

00:23:20,870 --> 00:23:18,480

there if it's been dealing with humans

615

00:23:22,549 --> 00:23:20,880

you know like 10 20 whatever research

616

00:23:24,230 --> 00:23:22,559

groups coming out there

617

00:23:25,990 --> 00:23:24,240

it's not going to be very friendly after

618

00:23:28,390 --> 00:23:26,000

that so

619

00:23:30,549 --> 00:23:28,400

how we we have relationships with the

620

00:23:33,270 --> 00:23:30,559

paranormal with whatever's in there

621

00:23:35,510 --> 00:23:33,280

affects everybody and i think people

622

00:23:37,430 --> 00:23:35,520

have to understand that once you're open

623

00:23:40,230 --> 00:23:37,440

to it and you're willing to be open to

624

00:23:43,110 --> 00:23:40,240

it there's a responsibility to it and

625

00:23:45,269 --> 00:23:43,120

then at that point you have to do safety

626  
00:23:47,750 --> 00:23:45,279  
protocols you have to make sure you put

627  
00:23:49,669 --> 00:23:47,760  
down your the line in the sand as far as

628  
00:23:51,350 --> 00:23:49,679  
what you will accept and what you won't

629  
00:23:54,390 --> 00:23:51,360  
a lot of people don't understand they

630  
00:23:57,430 --> 00:23:54,400  
can do that because i truly believe

631  
00:24:00,390 --> 00:23:57,440  
we being born on this planet we have

632  
00:24:03,190 --> 00:24:00,400  
that divine resonance here because we we

633  
00:24:05,909 --> 00:24:03,200  
have the earth's frequency in our bodies

634  
00:24:08,149 --> 00:24:05,919  
so that means that we have our right to

635  
00:24:10,310 --> 00:24:08,159  
be here something else is visiting it's

636  
00:24:12,870 --> 00:24:10,320  
got to ask for permission but i think we

637  
00:24:14,070 --> 00:24:12,880  
can have a good relationship with

638  
00:24:16,390 --> 00:24:14,080

everything

639

00:24:18,070 --> 00:24:16,400

we just have to be smart about it and i

640

00:24:19,990 --> 00:24:18,080

think that there's something negative

641

00:24:22,310 --> 00:24:20,000

out there you want to keep that away but

642

00:24:24,630 --> 00:24:22,320

you have to sense what it is and i think

643

00:24:26,149 --> 00:24:24,640

our empathic abilities that we were

644

00:24:28,070 --> 00:24:26,159

grown up with

645

00:24:30,230 --> 00:24:28,080

that we kind of closed off to just

646

00:24:33,510 --> 00:24:30,240

reopen them again and that's another way

647

00:24:36,310 --> 00:24:33,520

you can actually help protect yourself

648

00:24:38,230 --> 00:24:36,320

rainbow that is awesome and you said the

649

00:24:41,029 --> 00:24:38,240

magic word you uh

650

00:24:43,990 --> 00:24:41,039

you you were just talking about it

651  
00:24:47,110 --> 00:24:44,000  
um the witchery way and where animals

652  
00:24:50,230 --> 00:24:47,120  
and i mean there's a major dividing line

653  
00:24:51,430 --> 00:24:50,240  
between uh you know just being open to

654  
00:24:56,390 --> 00:24:51,440  
these things

655  
00:24:57,669 --> 00:24:56,400  
and um where it is taken by you know

656  
00:25:01,110 --> 00:24:57,679  
let's just say

657  
00:25:03,750 --> 00:25:01,120  
witchery sorcery or wizardry especially

658  
00:25:05,430 --> 00:25:03,760  
in these southwestern areas

659  
00:25:07,750 --> 00:25:05,440  
and um

660  
00:25:09,510 --> 00:25:07,760  
you've had some experiences with these

661  
00:25:11,110 --> 00:25:09,520  
with the witchery way and wear animals

662  
00:25:13,190 --> 00:25:11,120  
and you've seen some sightings of shape

663  
00:25:15,590 --> 00:25:13,200

shifters correct

664

00:25:17,590 --> 00:25:15,600

oh yeah um when i was studying to be a

665

00:25:19,350 --> 00:25:17,600

medicine woman um

666

00:25:20,230 --> 00:25:19,360

i dealt with

667

00:25:21,350 --> 00:25:20,240

uh

668

00:25:23,590 --> 00:25:21,360

two

669

00:25:24,789 --> 00:25:23,600

different types of witches

670

00:25:29,110 --> 00:25:24,799

um and then

671

00:25:32,310 --> 00:25:29,120

after um when i was i was a dancer

672

00:25:34,789 --> 00:25:32,320

and then i actually had a really

673

00:25:35,909 --> 00:25:34,799

negative experience with a persian witch

674

00:25:44,630 --> 00:25:35,919

and

675

00:25:47,750 --> 00:25:44,640

there's a very big difference between

676  
00:25:50,870 --> 00:25:47,760  
to me this to me a shape shifter a

677  
00:25:53,190 --> 00:25:50,880  
skinwalker and a dark shaman or witch

678  
00:25:54,149 --> 00:25:53,200  
so there's i've had experiences with all

679  
00:25:57,269 --> 00:25:54,159  
of them

680  
00:25:59,909 --> 00:25:57,279  
um and and each one showed elements that

681  
00:26:02,390 --> 00:25:59,919  
were a little bit different so i i

682  
00:26:03,909 --> 00:26:02,400  
understood kind of through

683  
00:26:06,710 --> 00:26:03,919  
trial and error

684  
00:26:10,549 --> 00:26:06,720  
how to deal with these types of

685  
00:26:12,789 --> 00:26:10,559  
of this it's a crazy mindset

686  
00:26:16,149 --> 00:26:12,799  
um each one has

687  
00:26:18,149 --> 00:26:16,159  
and very very dangerous there's there's

688  
00:26:20,070 --> 00:26:18,159

don't think that a witch is any less

689

00:26:21,430 --> 00:26:20,080

dangerous than a skinwalker because it's

690

00:26:23,430 --> 00:26:21,440

just not true

691

00:26:26,710 --> 00:26:23,440

so they all have dangerous elements to

692

00:26:28,630 --> 00:26:26,720

them you just have to figure out how to

693

00:26:31,190 --> 00:26:28,640

keep up your protection and just deal

694

00:26:34,470 --> 00:26:31,200

with the situation

695

00:26:37,110 --> 00:26:34,480

yeah and it reminds me of a saying i

696

00:26:38,470 --> 00:26:37,120

heard and it made a lot of sense at the

697

00:26:40,710 --> 00:26:38,480

time and that is

698

00:26:42,710 --> 00:26:40,720

all skin walkers are witches but not all

699

00:26:43,830 --> 00:26:42,720

witches are skin walkers

700

00:26:46,710 --> 00:26:43,840

and

701  
00:26:48,710 --> 00:26:46,720  
you know this um it's it's fascinating

702  
00:26:49,990 --> 00:26:48,720  
to me absolutely fascinating when you

703  
00:26:53,590 --> 00:26:50,000  
study

704  
00:26:55,510 --> 00:26:53,600  
into the all the cultural like where it

705  
00:26:57,430 --> 00:26:55,520  
all came from you know

706  
00:26:59,669 --> 00:26:57,440  
um how it's believed that witchery

707  
00:27:01,590 --> 00:26:59,679  
started under the ground and first man

708  
00:27:02,870 --> 00:27:01,600  
and first woman and coyote these three

709  
00:27:06,070 --> 00:27:02,880  
started it and

710  
00:27:08,390 --> 00:27:06,080  
how after everybody got above ground i

711  
00:27:10,070 --> 00:27:08,400  
guess first woman gave it out and

712  
00:27:11,430 --> 00:27:10,080  
there's a lot of snake worship that's

713  
00:27:12,390 --> 00:27:11,440

involved too

714

00:27:14,710 --> 00:27:12,400

and

715

00:27:17,350 --> 00:27:14,720

there are animals that

716

00:27:19,110 --> 00:27:17,360

traditionally speaking native americans

717

00:27:21,269 --> 00:27:19,120

when they see these animals and if they

718

00:27:23,510 --> 00:27:21,279

look at all out of place

719

00:27:25,430 --> 00:27:23,520

that's a hint to kind of watch your back

720

00:27:28,789 --> 00:27:25,440

isn't it

721

00:27:30,630 --> 00:27:28,799

yes yes it definitely is

722

00:27:32,830 --> 00:27:30,640

i think that

723

00:27:35,430 --> 00:27:32,840

specific

724

00:27:38,149 --> 00:27:35,440

elementals take on

725

00:27:40,470 --> 00:27:38,159

um lemay shape-shift they can take on a

726  
00:27:42,149 --> 00:27:40,480  
form of an animal and i don't think that

727  
00:27:45,029 --> 00:27:42,159  
everything that that

728  
00:27:47,430 --> 00:27:45,039  
people see in the forest is actually

729  
00:27:49,590 --> 00:27:47,440  
that particular animal i don't think

730  
00:27:52,070 --> 00:27:49,600  
that it has to be

731  
00:27:54,149 --> 00:27:52,080  
something that is human

732  
00:27:57,029 --> 00:27:54,159  
that is going to be that animal i think

733  
00:27:59,350 --> 00:27:57,039  
that michael and i understand the forest

734  
00:28:01,430 --> 00:27:59,360  
or anywhere where there's nature that

735  
00:28:04,389 --> 00:28:01,440  
there's elementals out there

736  
00:28:06,149 --> 00:28:04,399  
there's there's the shadowy aspect of

737  
00:28:07,990 --> 00:28:06,159  
the forest where

738  
00:28:09,669 --> 00:28:08,000

these different entities can come out

739

00:28:12,310 --> 00:28:09,679

and actually shape shift

740

00:28:13,830 --> 00:28:12,320

and and they can form into something

741

00:28:16,710 --> 00:28:13,840

that looks bizarre i mean there's people

742

00:28:19,190 --> 00:28:16,720

who said they've seen deer

743

00:28:21,350 --> 00:28:19,200

that actually walk on two legs and i

744

00:28:23,190 --> 00:28:21,360

don't think it's necessarily has to do

745

00:28:24,789 --> 00:28:23,200

with any dark

746

00:28:25,830 --> 00:28:24,799

like scary

747

00:28:31,669 --> 00:28:25,840

um

748

00:28:34,470 --> 00:28:31,679

concept is concerned i think it's

749

00:28:37,510 --> 00:28:34,480

elemental as well i think we we forget

750

00:28:39,510 --> 00:28:37,520

that in the force that the fairy folk

751  
00:28:42,230 --> 00:28:39,520  
the we people all those groups of people

752  
00:28:44,549 --> 00:28:42,240  
you know those those beings live there

753  
00:28:46,389 --> 00:28:44,559  
and so the native americans have

754  
00:28:49,110 --> 00:28:46,399  
totally got this

755  
00:28:50,789 --> 00:28:49,120  
they've never lost the idea that we

756  
00:28:52,470 --> 00:28:50,799  
share the forest

757  
00:28:54,070 --> 00:28:52,480  
and so sometimes we come across

758  
00:28:55,590 --> 00:28:54,080  
something that doesn't look right and

759  
00:28:57,830 --> 00:28:55,600  
everybody's always saying oh it's a

760  
00:29:01,430 --> 00:28:57,840  
demon oh it's negative oh it's scary

761  
00:29:03,269 --> 00:29:01,440  
well it might be an elemental trying to

762  
00:29:05,430 --> 00:29:03,279  
shape shift into something that looks

763  
00:29:07,590 --> 00:29:05,440

familiar to us because we're looking at

764

00:29:09,909 --> 00:29:07,600

a library of what's familiar

765

00:29:12,870 --> 00:29:09,919

and then is trying to get away from us

766

00:29:13,830 --> 00:29:12,880

and i always noticed that when people do

767

00:29:17,909 --> 00:29:13,840

see

768

00:29:20,470 --> 00:29:17,919

animals that are acting strange and

769

00:29:22,310 --> 00:29:20,480

weird they're always thinking of

770

00:29:23,510 --> 00:29:22,320

it being something negative and scary

771

00:29:25,510 --> 00:29:23,520

and bad

772

00:29:28,070 --> 00:29:25,520

but maybe it just might be the

773

00:29:29,990 --> 00:29:28,080

elementals in the forest you know just

774

00:29:32,149 --> 00:29:30,000

doing their thing trying to not be so

775

00:29:34,070 --> 00:29:32,159

scary for us because i think

776

00:29:35,750 --> 00:29:34,080

sometimes if they showed what they

777

00:29:37,990 --> 00:29:35,760

really look like

778

00:29:40,870 --> 00:29:38,000

it could be pretty scary

779

00:29:44,149 --> 00:29:40,880

yes and i i'm really glad that you've

780

00:29:47,590 --> 00:29:44,159

kind of touched on the basic like truths

781

00:29:49,510 --> 00:29:47,600

of a very complex system and it's so

782

00:29:51,590 --> 00:29:49,520

important to get that protection like

783

00:29:54,389 --> 00:29:51,600

mike and yourself were talking about a

784

00:29:57,350 --> 00:29:54,399

lot of people will go out and not have

785

00:29:59,669 --> 00:29:57,360

any kind of let's just call it spiritual

786

00:30:02,549 --> 00:29:59,679

protection whatever that may be

787

00:30:04,470 --> 00:30:02,559

and some of these things are tricksters

788

00:30:05,830 --> 00:30:04,480

and they mimic uh

789

00:30:07,430 --> 00:30:05,840

things that

790

00:30:08,470 --> 00:30:07,440

as you mentioned

791

00:30:10,230 --> 00:30:08,480

and

792

00:30:12,230 --> 00:30:10,240

even though you go out with the idea

793

00:30:14,710 --> 00:30:12,240

that these are friends and they all

794

00:30:17,909 --> 00:30:14,720

should be friends you always have to be

795

00:30:19,909 --> 00:30:17,919

protected and um let's talk about what's

796

00:30:22,070 --> 00:30:19,919

known as the hitchhiker

797

00:30:25,029 --> 00:30:22,080

effect or you know when you bring some

798

00:30:27,190 --> 00:30:25,039

of this bad energy home with you have

799

00:30:29,269 --> 00:30:27,200

you ever had any cases or heard of any

800

00:30:32,149 --> 00:30:29,279

cases of this happening and what could

801  
00:30:34,149 --> 00:30:32,159  
you tell listeners about that

802  
00:30:35,269 --> 00:30:34,159  
let me let me kind of set this one up a

803  
00:30:37,909 --> 00:30:35,279  
little bit and

804  
00:30:40,870 --> 00:30:37,919  
will finish the end of it oh great

805  
00:30:42,950 --> 00:30:40,880  
when we're uh when we lived in utah we i

806  
00:30:46,310 --> 00:30:42,960  
lived in utah twice rainbow lived in it

807  
00:30:48,950 --> 00:30:46,320  
once with me we lived in sandy utah

808  
00:30:51,110 --> 00:30:48,960  
and so we did a lot of exploring we did

809  
00:30:54,070 --> 00:30:51,120  
quite a few videos on our experiences we

810  
00:30:55,430 --> 00:30:54,080  
had in utah because we really

811  
00:30:57,509 --> 00:30:55,440  
really thought utah was pretty

812  
00:30:59,669 --> 00:30:57,519  
incredible as far as the paranormal goes

813  
00:31:01,990 --> 00:30:59,679

and just the sheer beauty of utah is

814

00:31:03,669 --> 00:31:02,000

pretty incredible right so of course we

815

00:31:05,430 --> 00:31:03,679

always were interested in skinwalker

816

00:31:08,870 --> 00:31:05,440

ranch okay

817

00:31:10,870 --> 00:31:08,880

so we did a um

818

00:31:12,870 --> 00:31:10,880

a little expedition a day a kind of a

819

00:31:14,230 --> 00:31:12,880

day trip it was and we didn't live that

820

00:31:15,830 --> 00:31:14,240

far away

821

00:31:17,909 --> 00:31:15,840

ryan as you probably know i don't know

822

00:31:19,350 --> 00:31:17,919

sandy was probably what maybe a couple

823

00:31:20,950 --> 00:31:19,360

hours or so i don't quite remember

824

00:31:23,509 --> 00:31:20,960

exactly how long it took us to get there

825

00:31:26,070 --> 00:31:23,519

but that could probably be correct

826

00:31:27,990 --> 00:31:26,080

anyway so we went to skinwalker ranch

827

00:31:30,230 --> 00:31:28,000

and and of course we we couldn't get

828

00:31:33,269 --> 00:31:30,240

inside of course at that time i'm not

829

00:31:36,950 --> 00:31:33,279

sure who controlled it i think it was

830

00:31:38,789 --> 00:31:36,960

admits was it knits i think uh well no i

831

00:31:41,029 --> 00:31:38,799

think at that point bigelow still owned

832

00:31:43,430 --> 00:31:41,039

it but it it was just before he sold it

833

00:31:45,509 --> 00:31:43,440

to the new owner okay

834

00:31:47,190 --> 00:31:45,519

right right i think this was right this

835

00:31:49,430 --> 00:31:47,200

was um

836

00:31:51,029 --> 00:31:49,440

what year would it have been like seven

837

00:31:53,590 --> 00:31:51,039

years ago six seven years ago i think it

838

00:31:55,509 --> 00:31:53,600

would have been about 2015

839

00:31:58,389 --> 00:31:55,519

yeah something like that maybe 14 ish

840

00:32:00,389 --> 00:31:58,399

yeah but but anyway so we went out there

841

00:32:01,669 --> 00:32:00,399

so we hung out basically at the front

842

00:32:04,070 --> 00:32:01,679

gate which i'm sure you know what i'm

843

00:32:05,669 --> 00:32:04,080

talking about ryan mm-hmm and and it had

844

00:32:07,669 --> 00:32:05,679

you know i had the camera oh there's a

845

00:32:08,789 --> 00:32:07,679

camera camera is everywhere it's right

846

00:32:10,230 --> 00:32:08,799

and they're angled right at you and

847

00:32:12,149 --> 00:32:10,240

they're turning right they're turning

848

00:32:14,149 --> 00:32:12,159

it's uh uh pretty crazy and we're waving

849

00:32:16,549 --> 00:32:14,159

at him and you know doing things nice to

850

00:32:18,549 --> 00:32:16,559

him and as soon as we're standing there

851  
00:32:20,230 --> 00:32:18,559  
and of course we had this really rainbow

852  
00:32:22,310 --> 00:32:20,240  
had this incredible experience and we

853  
00:32:24,549 --> 00:32:22,320  
don't know if it's a tiny little drone

854  
00:32:26,310 --> 00:32:24,559  
that was a dragonfly or what but it was

855  
00:32:27,750 --> 00:32:26,320  
incredible because this drone yeah if

856  
00:32:29,350 --> 00:32:27,760  
they find me

857  
00:32:30,950 --> 00:32:29,360  
yeah it stayed by her and it was like in

858  
00:32:32,789 --> 00:32:30,960  
her face almost like it was trying to

859  
00:32:35,269 --> 00:32:32,799  
communicate with her it was that was

860  
00:32:37,509 --> 00:32:35,279  
just in itself if nothing else happened

861  
00:32:39,509 --> 00:32:37,519  
that would have been quite incredible

862  
00:32:43,029 --> 00:32:39,519  
so the other thing rainbow did being an

863  
00:32:44,950 --> 00:32:43,039

empath as she is she observed the area

864

00:32:47,029 --> 00:32:44,960

and tried it was picky try to pick up

865

00:32:48,710 --> 00:32:47,039

where the vortexes were correct but

866

00:32:50,710 --> 00:32:48,720

don't forget we did protection before we

867

00:32:52,549 --> 00:32:50,720

went yes okay okay this yeah it is

868

00:32:54,549 --> 00:32:52,559

important for the rest of the story to

869

00:32:57,029 --> 00:32:54,559

let you know we did protection we did

870

00:32:59,190 --> 00:32:57,039

sagebrush i'd say sagebrush we saged

871

00:33:01,110 --> 00:32:59,200

ourselves right he did me i did him

872

00:33:02,389 --> 00:33:01,120

right yeah that's sort of important

873

00:33:04,070 --> 00:33:02,399

because we just want to let you know it

874

00:33:06,470 --> 00:33:04,080

doesn't always work so well

875

00:33:07,990 --> 00:33:06,480

so anyways we we got there and we spent

876

00:33:11,830 --> 00:33:08,000

quite a bit of time there a couple hours

877

00:33:14,149 --> 00:33:11,840

at least i think and so we were

878

00:33:16,389 --> 00:33:14,159

absorbing it rainbow got some readings

879

00:33:19,669 --> 00:33:16,399

out there on the property

880

00:33:22,149 --> 00:33:19,679

got information she she really did know

881

00:33:23,190 --> 00:33:22,159

which turned out to be where a vortex

882

00:33:24,870 --> 00:33:23,200

was

883

00:33:26,870 --> 00:33:24,880

uh well

884

00:33:28,870 --> 00:33:26,880

and i i the story becomes a little

885

00:33:30,070 --> 00:33:28,880

longer because i i ended up talking to

886

00:33:32,470 --> 00:33:30,080

uh what what's

887

00:33:34,710 --> 00:33:32,480

you know the guy that owns it now i

888

00:33:36,470 --> 00:33:34,720

cannot communicate with him and and

889

00:33:38,789 --> 00:33:36,480

i guess it was his son that got back to

890

00:33:41,430 --> 00:33:38,799

me and sort of confirmed that wherever

891

00:33:43,990 --> 00:33:41,440

rambo said the vortex was actually could

892

00:33:46,470 --> 00:33:44,000

be the location what they had found out

893

00:33:48,310 --> 00:33:46,480

through the tv series etc so it was

894

00:33:50,470 --> 00:33:48,320

pretty i thought maybe that would open

895

00:33:52,310 --> 00:33:50,480

the door for us to go up there and go on

896

00:33:54,389 --> 00:33:52,320

the property but it really didn't for

897

00:33:56,230 --> 00:33:54,399

whatever the reasons it's fine

898

00:33:58,070 --> 00:33:56,240

but the whole thing about it so so that

899

00:34:00,710 --> 00:33:58,080

was a couple hours we absorbed a week

900

00:34:03,269 --> 00:34:00,720

you know nothing major happened to us at

901  
00:34:05,110 --> 00:34:03,279  
that point but then i was disappointed i

902  
00:34:06,389 --> 00:34:05,120  
will say that well yeah i was expecting

903  
00:34:08,069 --> 00:34:06,399  
i don't know what i was expecting but

904  
00:34:09,990 --> 00:34:08,079  
something more yeah but then we could

905  
00:34:11,669 --> 00:34:10,000  
definitely feel the energy i felt the

906  
00:34:13,909 --> 00:34:11,679  
energy was there so

907  
00:34:15,990 --> 00:34:13,919  
you know uh yeah i thought i thought it

908  
00:34:17,349 --> 00:34:16,000  
was pretty cool so anyway so we go back

909  
00:34:19,030 --> 00:34:17,359  
home right

910  
00:34:20,710 --> 00:34:19,040  
and this is this is where i'm gonna let

911  
00:34:23,109 --> 00:34:20,720  
i'm gonna let rainbow take over because

912  
00:34:25,270 --> 00:34:23,119  
this is more a little bit of her world

913  
00:34:27,829 --> 00:34:25,280

than it was mine so go ahead rainbow so

914

00:34:29,750 --> 00:34:27,839

if you before we um actually

915

00:34:32,629 --> 00:34:29,760

finished the drive home michael pulled

916

00:34:35,349 --> 00:34:32,639

over and we staged each other again

917

00:34:36,950 --> 00:34:35,359

um and and that that was just to make

918

00:34:39,510 --> 00:34:36,960

sure that you know we didn't bring

919

00:34:41,589 --> 00:34:39,520

anything back home with us which is

920

00:34:44,950 --> 00:34:41,599

really funny because

921

00:34:47,589 --> 00:34:44,960

the paranormal isn't you know bound by

922

00:34:49,669 --> 00:34:47,599

you know gates and and fences and you

923

00:34:51,270 --> 00:34:49,679

know it's just you know it's it's going

924

00:34:54,470 --> 00:34:51,280

to be wherever it's going to be

925

00:34:56,790 --> 00:34:54,480

and so we get home michael pulls into

926  
00:34:59,030 --> 00:34:56,800  
the garage and i hear two distinct

927  
00:35:00,829 --> 00:34:59,040  
voices one says

928  
00:35:03,349 --> 00:35:00,839  
hello i am

929  
00:35:06,150 --> 00:35:03,359  
amadeus and the other one says

930  
00:35:08,630 --> 00:35:06,160  
i am antioch and it's very you know very

931  
00:35:10,470 --> 00:35:08,640  
stern and i'm like i'm looking around

932  
00:35:12,470 --> 00:35:10,480  
thinking michael's punching me right

933  
00:35:14,710 --> 00:35:12,480  
michael saying something to me i'm like

934  
00:35:16,230 --> 00:35:14,720  
i said michaels i just heard two voices

935  
00:35:18,069 --> 00:35:16,240  
and he's like and he's not surprised

936  
00:35:19,430 --> 00:35:18,079  
because he at this point he's gotten to

937  
00:35:21,030 --> 00:35:19,440  
know me

938  
00:35:23,750 --> 00:35:21,040

and said something i think something

939

00:35:25,750 --> 00:35:23,760

follows back home and so as you know

940

00:35:27,750 --> 00:35:25,760

ryan that's the one thing that happens

941

00:35:29,190 --> 00:35:27,760

at skinwalker ranch

942

00:35:31,430 --> 00:35:29,200

all these these

943

00:35:33,990 --> 00:35:31,440

people have experiences where these

944

00:35:35,510 --> 00:35:34,000

entities and beings follow you home

945

00:35:37,349 --> 00:35:35,520

so it doesn't matter how much you know

946

00:35:38,390 --> 00:35:37,359

what whatever you try to do if they're

947

00:35:40,150 --> 00:35:38,400

curious about you they're going to

948

00:35:42,390 --> 00:35:40,160

follow you home so

949

00:35:43,750 --> 00:35:42,400

you know i'm like wow i think we were

950

00:35:45,430 --> 00:35:43,760

followed home and that's a little

951  
00:35:46,790 --> 00:35:45,440  
disconcerting in a way because you're

952  
00:35:48,950 --> 00:35:46,800  
thinking yeah you did all this

953  
00:35:51,109 --> 00:35:48,960  
protection and stuff and and i think we

954  
00:35:52,310 --> 00:35:51,119  
you know we we kind of set the boundary

955  
00:35:54,150 --> 00:35:52,320  
there but

956  
00:35:55,670 --> 00:35:54,160  
anyway so

957  
00:35:57,349 --> 00:35:55,680  
i tell mike he's like oh interesting

958  
00:35:59,589 --> 00:35:57,359  
let's just see what happens and so then

959  
00:36:03,270 --> 00:35:59,599  
we started having all this

960  
00:36:07,670 --> 00:36:03,280  
poltergeist activity happening and so

961  
00:36:08,630 --> 00:36:07,680  
amadeus is an er which explains to me

962  
00:36:09,430 --> 00:36:08,640  
um

963  
00:36:13,829 --> 00:36:09,440

who

964

00:36:15,589 --> 00:36:13,839

like the new pronouns now it would it's

965

00:36:19,109 --> 00:36:15,599

a they because

966

00:36:21,750 --> 00:36:19,119

amadeus is a male and a female

967

00:36:24,550 --> 00:36:21,760

and amadeus is a

968

00:36:27,109 --> 00:36:24,560

holds down and is is actually

969

00:36:28,390 --> 00:36:27,119

part of the vortex at skinwalker ranch

970

00:36:29,510 --> 00:36:28,400

and i know people are going to think

971

00:36:32,470 --> 00:36:29,520

it's nuts

972

00:36:34,790 --> 00:36:32,480

but that's what it told me and i saw

973

00:36:37,270 --> 00:36:34,800

amadeus i saw what amadeus looks like

974

00:36:38,630 --> 00:36:37,280

and m days is just beautiful all all

975

00:36:41,589 --> 00:36:38,640

energy

976

00:36:43,990 --> 00:36:41,599

in a form of a human body

977

00:36:45,109 --> 00:36:44,000

now antioch is a gin

978

00:36:47,510 --> 00:36:45,119

and

979

00:36:49,589 --> 00:36:47,520

antioch was the one i was concerned with

980

00:36:51,829 --> 00:36:49,599

because

981

00:36:53,109 --> 00:36:51,839

antioch made it clear he doesn't like

982

00:36:55,750 --> 00:36:53,119

humans but

983

00:36:57,750 --> 00:36:55,760

he they were curious because they knew

984

00:37:00,150 --> 00:36:57,760

that i picked up on stuff and when

985

00:37:01,030 --> 00:37:00,160

you're empathic things no these beings

986

00:37:04,310 --> 00:37:01,040

know

987

00:37:07,030 --> 00:37:04,320

and so i ended up drawing antioch and i

988

00:37:09,190 --> 00:37:07,040

ended up drawing amadeus

989

00:37:11,190 --> 00:37:09,200

and you know i've shown michael kind of

990

00:37:13,750 --> 00:37:11,200

and i did it like a you know

991

00:37:15,270 --> 00:37:13,760

antioch kind of looks a little bit

992

00:37:19,109 --> 00:37:15,280

more he's

993

00:37:20,870 --> 00:37:19,119

more like a like a mad max kind of

994

00:37:23,109 --> 00:37:20,880

character you know because he just has

995

00:37:24,790 --> 00:37:23,119

that that crazy look to him and he looks

996

00:37:26,710 --> 00:37:24,800

like a gin as well

997

00:37:29,270 --> 00:37:26,720

um amadeus just has all this energy

998

00:37:31,270 --> 00:37:29,280

coming from them so that's

999

00:37:33,510 --> 00:37:31,280

so it was pretty cool to see what they

1000

00:37:36,230 --> 00:37:33,520

look like but antioch wanted to talk to

1001  
00:37:38,230 --> 00:37:36,240  
me and i told antioch no i don't want to

1002  
00:37:39,109 --> 00:37:38,240  
talk to i don't like humans you're i'm a

1003  
00:37:41,030 --> 00:37:39,119  
human

1004  
00:37:43,430 --> 00:37:41,040  
and you're probably going to be mean to

1005  
00:37:44,710 --> 00:37:43,440  
me and because i wouldn't talk to

1006  
00:37:46,390 --> 00:37:44,720  
antioch

1007  
00:37:47,829 --> 00:37:46,400  
poltergeist activity started happening

1008  
00:37:48,790 --> 00:37:47,839  
in the house

1009  
00:37:51,270 --> 00:37:48,800  
and so

1010  
00:37:53,510 --> 00:37:51,280  
antioch liked uh the katina dolls that i

1011  
00:37:55,270 --> 00:37:53,520  
have he would turn them around

1012  
00:37:56,630 --> 00:37:55,280  
and then i would turn them back and then

1013  
00:37:57,510 --> 00:37:56,640

you know they would be back the other

1014

00:37:58,630 --> 00:37:57,520

way

1015

00:38:00,390 --> 00:37:58,640

and then

1016

00:38:02,390 --> 00:38:00,400

the picture that i drew of him i put it

1017

00:38:04,630 --> 00:38:02,400

away in a drawer and all of a sudden it

1018

00:38:06,550 --> 00:38:04,640

would be on top of the printer and the

1019

00:38:08,870 --> 00:38:06,560

printer would print itself print out

1020

00:38:10,550 --> 00:38:08,880

another copy of him yeah this this was

1021

00:38:13,190 --> 00:38:10,560

just printing with a copy yeah yeah

1022

00:38:15,190 --> 00:38:13,200

really crazy you know and he does it at

1023

00:38:17,589 --> 00:38:15,200

like 11 30 at night when i'm you know

1024

00:38:19,430 --> 00:38:17,599

downstairs in the dark by myself and you

1025

00:38:21,670 --> 00:38:19,440

know it would scare the bajeebies out of

1026

00:38:23,670 --> 00:38:21,680

me because also my printer would start

1027

00:38:25,750 --> 00:38:23,680

and then there a picture of him would be

1028

00:38:28,230 --> 00:38:25,760

and so i would take the you know the the

1029

00:38:30,069 --> 00:38:28,240

new print of his of the drawing and i

1030

00:38:32,470 --> 00:38:30,079

would just stick them into a file and

1031

00:38:34,150 --> 00:38:32,480

put him in a drawer and he was still his

1032

00:38:35,109 --> 00:38:34,160

pictures would still end up on the

1033

00:38:37,349 --> 00:38:35,119

printer

1034

00:38:38,790 --> 00:38:37,359

and so this one night after he had done

1035

00:38:40,550 --> 00:38:38,800

that to me i'm like well i'm not going

1036

00:38:43,510 --> 00:38:40,560

to talk to you i'm just not going to do

1037

00:38:46,310 --> 00:38:43,520

it so i go michael's already in bed

1038

00:38:48,470 --> 00:38:46,320

i go in i take a shower and i'm thinking

1039

00:38:51,670 --> 00:38:48,480

about this in the shower and so i get

1040

00:38:53,910 --> 00:38:51,680

ready for bed i i just get into the bed

1041

00:38:57,670 --> 00:38:53,920

by my head down and

1042

00:39:00,950 --> 00:38:57,680

antioch had taken the shower caddy

1043

00:39:02,950 --> 00:39:00,960

um totally lifted it off the shower head

1044

00:39:03,829 --> 00:39:02,960

and the shower head is huge so it's one

1045

00:39:05,589 --> 00:39:03,839

of those

1046

00:39:06,870 --> 00:39:05,599

those caddies that has to be lifted up

1047

00:39:09,109 --> 00:39:06,880

and off

1048

00:39:10,390 --> 00:39:09,119

in order for it to fall off i mean it

1049

00:39:12,870 --> 00:39:10,400

just can't do it by itself there's just

1050

00:39:14,710 --> 00:39:12,880

no way and he took it and he threw it

1051  
00:39:15,510 --> 00:39:14,720  
and he threw it everything that was in

1052  
00:39:20,230 --> 00:39:15,520  
the

1053  
00:39:23,270 --> 00:39:20,240  
jumped up everybody woke up

1054  
00:39:25,109 --> 00:39:23,280  
and so i just i had to uh i went into

1055  
00:39:26,790 --> 00:39:25,119  
the shower and i saw what had happened

1056  
00:39:29,030 --> 00:39:26,800  
and i i told michael i said like i'm

1057  
00:39:30,470 --> 00:39:29,040  
going to take care of this tomorrow

1058  
00:39:32,550 --> 00:39:30,480  
i'm going to talk to antioch but i'm

1059  
00:39:34,069 --> 00:39:32,560  
going to you know say

1060  
00:39:36,550 --> 00:39:34,079  
rules down

1061  
00:39:38,870 --> 00:39:36,560  
so michael leaves the next day

1062  
00:39:40,790 --> 00:39:38,880  
and i have a talk with antioch i said

1063  
00:39:43,910 --> 00:39:40,800

antioch you can't just do this i said

1064

00:39:45,910 --> 00:39:43,920

i'll listen to you but once you talk to

1065

00:39:48,950 --> 00:39:45,920

me it's over and done with you have to

1066

00:39:50,630 --> 00:39:48,960

respect what i i tell you because i'm

1067

00:39:52,630 --> 00:39:50,640

not going to keep doing this with you i

1068

00:39:54,630 --> 00:39:52,640

because i have a

1069

00:39:56,870 --> 00:39:54,640

true belief in the archangels and i will

1070

00:39:57,670 --> 00:39:56,880

ask them to protect me so you just need

1071

00:39:58,790 --> 00:39:57,680

to

1072

00:40:00,550 --> 00:39:58,800

be cool

1073

00:40:03,190 --> 00:40:00,560

so antioch gave me all this information

1074

00:40:04,069 --> 00:40:03,200

about what jyn are

1075

00:40:05,990 --> 00:40:04,079

and

1076

00:40:08,470 --> 00:40:06,000

i said great he wanted me to get the

1077

00:40:09,589 --> 00:40:08,480

word out and i said thank you very much

1078

00:40:11,670 --> 00:40:09,599

and

1079

00:40:14,470 --> 00:40:11,680

after he talked to me

1080

00:40:15,990 --> 00:40:14,480

um i i put his his picture away and i

1081

00:40:18,550 --> 00:40:16,000

said this ends it

1082

00:40:20,470 --> 00:40:18,560

we're done and so antioch actually

1083

00:40:22,150 --> 00:40:20,480

respected my wishes i know people are

1084

00:40:25,510 --> 00:40:22,160

going to think that's nuts

1085

00:40:27,589 --> 00:40:25,520

but um you know i'm i'm i don't believe

1086

00:40:28,870 --> 00:40:27,599

that word that

1087

00:40:32,790 --> 00:40:28,880

um

1088

00:40:35,190 --> 00:40:32,800

that once we put our foot down that they

1089

00:40:37,510 --> 00:40:35,200

they will honor what we say um because a

1090

00:40:39,750 --> 00:40:37,520

gin is not a demon and that was the main

1091

00:40:42,470 --> 00:40:39,760

core thing he wanted me to say to people

1092

00:40:45,030 --> 00:40:42,480

um i know in the middle east they

1093

00:40:47,349 --> 00:40:45,040

believe that jin are demons but

1094

00:40:49,190 --> 00:40:47,359

antioch said that they are not

1095

00:40:51,270 --> 00:40:49,200

you can take that for what it's worth

1096

00:40:53,589 --> 00:40:51,280

you know i don't know but anyway those

1097

00:40:55,670 --> 00:40:53,599

are the two entities or beings that came

1098

00:40:58,790 --> 00:40:55,680

to us at the house

1099

00:41:02,309 --> 00:40:58,800

and um that came from walker ranch

1100

00:41:04,150 --> 00:41:02,319

fascinating it's so you know you are not

1101  
00:41:06,550 --> 00:41:04,160  
crazy um

1102  
00:41:10,230 --> 00:41:06,560  
i can tell you that uh

1103  
00:41:13,910 --> 00:41:10,240  
thank you ryan i'm speaking for rainbow

1104  
00:41:15,990 --> 00:41:13,920  
yeah we have a bit of a base camp um

1105  
00:41:19,910 --> 00:41:16,000  
there adjacent

1106  
00:41:21,030 --> 00:41:19,920  
in the area known as space wolf research

1107  
00:41:26,230 --> 00:41:21,040  
and

1108  
00:41:28,950 --> 00:41:26,240  
independently obtained

1109  
00:41:31,109 --> 00:41:28,960  
accounts from different informants

1110  
00:41:33,589 --> 00:41:31,119  
as far as some of the names places

1111  
00:41:36,710 --> 00:41:33,599  
sequence of events that you have just

1112  
00:41:38,870 --> 00:41:36,720  
shared is astonishing

1113  
00:41:41,430 --> 00:41:38,880

there's i mean

1114

00:41:43,750 --> 00:41:41,440

the pattern modalities of

1115

00:41:45,589 --> 00:41:43,760

something following you home trying to

1116

00:41:47,750 --> 00:41:45,599

communicate

1117

00:41:48,870 --> 00:41:47,760

basically kind of throwing a fit because

1118

00:41:51,430 --> 00:41:48,880

they can

1119

00:41:53,510 --> 00:41:51,440

and and you know it sounds like you

1120

00:41:54,790 --> 00:41:53,520

navigated this a lot better than most

1121

00:41:56,630 --> 00:41:54,800

people do

1122

00:41:57,829 --> 00:41:56,640

and it's probably because of your

1123

00:41:58,710 --> 00:41:57,839

knowledge

1124

00:42:01,589 --> 00:41:58,720

that

1125

00:42:05,030 --> 00:42:01,599

each

1126  
00:42:07,109 --> 00:42:05,040  
an extent

1127  
00:42:08,630 --> 00:42:07,119  
and i'm glad that you brought all this

1128  
00:42:11,190 --> 00:42:08,640  
up because

1129  
00:42:13,829 --> 00:42:11,200  
there are people that when they witness

1130  
00:42:16,309 --> 00:42:13,839  
many times many first-time observers uh

1131  
00:42:19,589 --> 00:42:16,319  
witnesses to these events when they

1132  
00:42:22,230 --> 00:42:19,599  
first observe the power of some of these

1133  
00:42:23,750 --> 00:42:22,240  
entities and precognitive sentient

1134  
00:42:27,190 --> 00:42:23,760  
intelligences

1135  
00:42:29,670 --> 00:42:27,200  
they automatically go to either demons

1136  
00:42:31,589 --> 00:42:29,680  
or angels you know they automatically

1137  
00:42:33,750 --> 00:42:31,599  
it's like they go to that

1138  
00:42:35,910 --> 00:42:33,760

that setting it's got to be one or the

1139

00:42:38,230 --> 00:42:35,920

other of the extremes and i'm really

1140

00:42:41,190 --> 00:42:38,240

glad that you brought this up because

1141

00:42:43,910 --> 00:42:41,200

there is a hierarchy of these things

1142

00:42:45,430 --> 00:42:43,920

and a lot of times it's in a gray area

1143

00:42:47,430 --> 00:42:45,440

and um

1144

00:42:49,670 --> 00:42:47,440

you have to remember that you can call

1145

00:42:52,230 --> 00:42:49,680

upon things like archangels to protect

1146

00:42:55,430 --> 00:42:52,240

you and that these things are not all

1147

00:42:57,750 --> 00:42:55,440

powerful and you know yeah they can flex

1148

00:42:59,829 --> 00:42:57,760

their muscles so to speak from a

1149

00:43:01,910 --> 00:42:59,839

from an energetic perspective and i

1150

00:43:05,030 --> 00:43:01,920

agree with you a hundred percent

1151  
00:43:08,630 --> 00:43:05,040  
that they love to engage with

1152  
00:43:10,630 --> 00:43:08,640  
electronics oh my gosh do they ever love

1153  
00:43:12,870 --> 00:43:10,640  
to engage with electronics i love the

1154  
00:43:15,190 --> 00:43:12,880  
story about the printer

1155  
00:43:20,150 --> 00:43:17,829  
yeah they can manifest with those

1156  
00:43:21,990 --> 00:43:20,160  
the printer is a perfect example of how

1157  
00:43:26,950 --> 00:43:22,000  
they can manifest in electronics i think

1158  
00:43:32,390 --> 00:43:29,030  
yeah did you notice that was pretty

1159  
00:43:34,550 --> 00:43:32,400  
exciting and now um i i would love to

1160  
00:43:37,109 --> 00:43:34,560  
see these drawings as well at some point

1161  
00:43:40,390 --> 00:43:37,119  
maybe if we could figure that out but

1162  
00:43:41,430 --> 00:43:40,400  
yeah there's there your references to

1163  
00:43:43,589 --> 00:43:41,440

um

1164

00:43:44,630 --> 00:43:43,599

the insinuations of this possibly being

1165

00:43:46,470 --> 00:43:44,640

a gin

1166

00:43:49,829 --> 00:43:46,480

that that that goes right along the

1167

00:43:51,349 --> 00:43:49,839

lines of um you know what has been

1168

00:43:53,270 --> 00:43:51,359

coined by

1169

00:43:54,790 --> 00:43:53,280

colonel john alexander

1170

00:43:57,910 --> 00:43:54,800

who was there with the department of

1171

00:44:00,069 --> 00:43:57,920

defense in the area and he he could best

1172

00:44:01,910 --> 00:44:00,079

describe it as a pre-cognitive sentient

1173

00:44:04,309 --> 00:44:01,920

intelligence i didn't make that up i'm

1174

00:44:05,829 --> 00:44:04,319

i'm borrowing it from him it's his term

1175

00:44:08,950 --> 00:44:05,839

but it's

1176

00:44:11,190 --> 00:44:08,960

it's a good term because these things

1177

00:44:14,309 --> 00:44:11,200

have abilities that people just don't

1178

00:44:19,349 --> 00:44:16,950

you're right and i i think that

1179

00:44:21,190 --> 00:44:19,359

when something tries to

1180

00:44:23,829 --> 00:44:21,200

communicate with us

1181

00:44:26,069 --> 00:44:23,839

i i think that

1182

00:44:27,430 --> 00:44:26,079

when we when we walk we'll limp to you

1183

00:44:29,510 --> 00:44:27,440

this way when

1184

00:44:31,589 --> 00:44:29,520

when we first walk into a room and we

1185

00:44:33,510 --> 00:44:31,599

see people you know we don't always

1186

00:44:34,790 --> 00:44:33,520

assume the worst i mean we may see

1187

00:44:36,230 --> 00:44:34,800

somebody and we're like going oh well i

1188

00:44:37,670 --> 00:44:36,240

mean i'm not going to walk over that way

1189

00:44:39,190 --> 00:44:37,680

because i'm you know maybe you might get

1190

00:44:41,349 --> 00:44:39,200

a feeling from them but when you walk

1191

00:44:43,270 --> 00:44:41,359

into a room you don't always assume the

1192

00:44:45,990 --> 00:44:43,280

worst with people and i think when

1193

00:44:49,030 --> 00:44:46,000

you're in this field you cannot

1194

00:44:51,670 --> 00:44:49,040

do that either you cannot just go in

1195

00:44:55,190 --> 00:44:51,680

onto a ranch as we all know skinwalker

1196

00:44:56,950 --> 00:44:55,200

ranch and just assume the worst because

1197

00:44:59,349 --> 00:44:56,960

there's as you were stating different

1198

00:45:02,950 --> 00:44:59,359

shades of gray of the paranormal

1199

00:45:05,270 --> 00:45:02,960

and not everything is evil and horrible

1200

00:45:06,150 --> 00:45:05,280

and dark and wants to devour you and eat

1201  
00:45:10,870 --> 00:45:06,160  
you

1202  
00:45:12,550 --> 00:45:10,880  
wants to be left alone or it wants

1203  
00:45:14,470 --> 00:45:12,560  
communication with you

1204  
00:45:17,430 --> 00:45:14,480  
and then the the good the you know the

1205  
00:45:19,910 --> 00:45:17,440  
good aspects of of the ranch the the

1206  
00:45:22,790 --> 00:45:19,920  
interesting parts about that ranch

1207  
00:45:24,390 --> 00:45:22,800  
are the the fact that i think that

1208  
00:45:26,630 --> 00:45:24,400  
and you were talking about it there's

1209  
00:45:29,030 --> 00:45:26,640  
magic that happens on skinwalker ranch

1210  
00:45:32,230 --> 00:45:29,040  
and i think it's been coined and it's

1211  
00:45:35,990 --> 00:45:32,240  
been sold into this this genre of

1212  
00:45:38,950 --> 00:45:36,000  
something that's very scary and i think

1213  
00:45:40,950 --> 00:45:38,960

as a medicine woman for me i want to go

1214

00:45:43,109 --> 00:45:40,960

first hand and see what this magic is

1215

00:45:45,589 --> 00:45:43,119

all about because i think

1216

00:45:48,069 --> 00:45:45,599

that what's happened on skinwalker ranch

1217

00:45:51,910 --> 00:45:48,079

is before the native americans that

1218

00:45:54,470 --> 00:45:51,920

vortex is a natural vortex it's one that

1219

00:45:56,069 --> 00:45:54,480

the aliens have known about for hundreds

1220

00:45:58,630 --> 00:45:56,079

of thousands of years

1221

00:46:01,030 --> 00:45:58,640

i think that they've used it

1222

00:46:03,270 --> 00:46:01,040

for longer than that probably because

1223

00:46:06,710 --> 00:46:03,280

they've known about it probably longer i

1224

00:46:08,710 --> 00:46:06,720

i just think it's it's something that if

1225

00:46:10,870 --> 00:46:08,720

if you're an alien intelligence you're

1226

00:46:14,230 --> 00:46:10,880

going to know where all these portals

1227

00:46:17,109 --> 00:46:14,240

are all over the world skinwalker ranch

1228

00:46:18,309 --> 00:46:17,119

happens to be one of those portals like

1229

00:46:19,349 --> 00:46:18,319

there's seven

1230

00:46:21,510 --> 00:46:19,359

magic

1231

00:46:23,990 --> 00:46:21,520

mountains in on the planet you know the

1232

00:46:26,870 --> 00:46:24,000

taos mountain happens to be one of them

1233

00:46:29,670 --> 00:46:26,880

and i i think that at skinwalker ranch

1234

00:46:31,589 --> 00:46:29,680

that is a bible

1235

00:46:33,430 --> 00:46:31,599

that's a very vital portal because i

1236

00:46:36,069 --> 00:46:33,440

think that's where a lot of major

1237

00:46:38,470 --> 00:46:36,079

traffic goes and comes from and i don't

1238

00:46:39,510 --> 00:46:38,480

think it's just ufos i don't think it's

1239

00:46:40,870 --> 00:46:39,520

just

1240

00:46:43,510 --> 00:46:40,880

unknown

1241

00:46:46,150 --> 00:46:43,520

aerial phenomena i think that entities

1242

00:46:47,910 --> 00:46:46,160

go back and forth through that i think

1243

00:46:49,829 --> 00:46:47,920

that's basically what these portals are

1244

00:46:52,150 --> 00:46:49,839

for to make it a little bit easier i

1245

00:46:54,150 --> 00:46:52,160

think that's why sasquatch is seen

1246

00:46:56,470 --> 00:46:54,160

around there because it's easier for saw

1247

00:46:58,230 --> 00:46:56,480

squash for the portal jumpers because we

1248

00:47:00,230 --> 00:46:58,240

have a a

1249

00:47:01,109 --> 00:47:00,240

sasquatch that has been in contact with

1250

00:47:02,230 --> 00:47:01,119

us

1251  
00:47:04,790 --> 00:47:02,240  
years ago

1252  
00:47:06,950 --> 00:47:04,800  
loki who's a portal jumper

1253  
00:47:08,630 --> 00:47:06,960  
and so i i think i can understand why

1254  
00:47:10,470 --> 00:47:08,640  
these portals are vital to this planet i

1255  
00:47:13,109 --> 00:47:10,480  
think they're the major arteries of the

1256  
00:47:15,270 --> 00:47:13,119  
planet i think they're necessary for the

1257  
00:47:17,750 --> 00:47:15,280  
survival of this planet

1258  
00:47:19,190 --> 00:47:17,760  
yeah let me make a comment because i

1259  
00:47:21,270 --> 00:47:19,200  
ryan as you know i do something called

1260  
00:47:23,430 --> 00:47:21,280  
vortex photography so

1261  
00:47:25,910 --> 00:47:23,440  
uh one one of the things that i've

1262  
00:47:28,870 --> 00:47:25,920  
always learned was there are some

1263  
00:47:30,870 --> 00:47:28,880

vortexes or portals um that are

1264

00:47:32,549 --> 00:47:30,880

permanent i think i think the one at

1265

00:47:34,309 --> 00:47:32,559

skinwalker ranch is definitely a

1266

00:47:37,829 --> 00:47:34,319

permanent one now i've been the other

1267

00:47:39,349 --> 00:47:37,839

ones that move around okay they could be

1268

00:47:41,430 --> 00:47:39,359

there one day they could be there three

1269

00:47:44,870 --> 00:47:41,440

weeks from now but they will actually

1270

00:47:47,349 --> 00:47:44,880

move i've been at another vortex up in

1271

00:47:49,670 --> 00:47:47,359

uh montana well no let me see that i'm

1272

00:47:53,030 --> 00:47:49,680

sorry i went into montana i went back

1273

00:47:54,549 --> 00:47:53,040

into idaho a major vortex there that's

1274

00:47:56,150 --> 00:47:54,559

been there probably for the same amount

1275

00:47:57,510 --> 00:47:56,160

of times and stuff

1276

00:48:00,470 --> 00:47:57,520

stuff would come and go through that

1277

00:48:02,630 --> 00:48:00,480

vortex pretty amazing stuff and you know

1278

00:48:04,790 --> 00:48:02,640

ufos and and all the things rainbow

1279

00:48:07,589 --> 00:48:04,800

mentioned and and one thing i wanted to

1280

00:48:09,670 --> 00:48:07,599

add to ryan is that loki talked to me

1281

00:48:12,470 --> 00:48:09,680

about the traveling ghosts

1282

00:48:14,470 --> 00:48:12,480

and he said there's two i think they're

1283

00:48:18,790 --> 00:48:14,480

two to three i can't remember how many

1284

00:48:22,230 --> 00:48:18,800

um of these portals that are are

1285

00:48:24,230 --> 00:48:22,240

sentient beings and they they travel

1286

00:48:25,910 --> 00:48:24,240

and i actually experienced one of them

1287

00:48:28,870 --> 00:48:25,920

when i was working cattle

1288

00:48:31,109 --> 00:48:28,880

in um the big bend part of texas we

1289

00:48:33,589 --> 00:48:31,119

actually had a stampede happen because

1290

00:48:35,750 --> 00:48:33,599

one of these these portal

1291

00:48:38,630 --> 00:48:35,760

portals and these intelligent portals

1292

00:48:40,790 --> 00:48:38,640

just and it was massive and i'm talking

1293

00:48:44,309 --> 00:48:40,800

i don't know how many while miles long

1294

00:48:45,510 --> 00:48:44,319

but it went over the the mexican stairs

1295

00:48:47,589 --> 00:48:45,520

and they just

1296

00:48:49,750 --> 00:48:47,599

went for it they went nuts they just

1297

00:48:51,030 --> 00:48:49,760

started running and we yeah it was it

1298

00:48:53,589 --> 00:48:51,040

was chaos

1299

00:48:56,150 --> 00:48:53,599

so um and i talked to loki about what

1300

00:48:58,630 --> 00:48:56,160

that was and he said that that they

1301  
00:49:00,150 --> 00:48:58,640  
called the the sasquatch called those

1302  
00:49:02,710 --> 00:49:00,160  
type of portals

1303  
00:49:05,430 --> 00:49:02,720  
the traveling ghosts so

1304  
00:49:06,950 --> 00:49:05,440  
yeah good good interpret i mean that's a

1305  
00:49:09,829 --> 00:49:06,960  
good interpretation and i'm glad you

1306  
00:49:12,470 --> 00:49:09,839  
guys mentioned it being a permanent

1307  
00:49:15,270 --> 00:49:12,480  
fixture and something that is kind of

1308  
00:49:17,349 --> 00:49:15,280  
used as a paranormal highway by a

1309  
00:49:19,349 --> 00:49:17,359  
variety of entities it's not just one

1310  
00:49:20,470 --> 00:49:19,359  
thing and that's the problem

1311  
00:49:23,030 --> 00:49:20,480  
with many

1312  
00:49:24,870 --> 00:49:23,040  
um i guess it's not a closed-minded

1313  
00:49:28,309 --> 00:49:24,880

belief but a lot of times people want

1314

00:49:30,870 --> 00:49:28,319

closure and they want to to put things

1315

00:49:33,430 --> 00:49:30,880

in boxes and say this is because of that

1316

00:49:36,390 --> 00:49:33,440

they're done now move on and when it

1317

00:49:38,470 --> 00:49:36,400

comes to these portals you can't do that

1318

00:49:39,430 --> 00:49:38,480

because you're literally it's it's like

1319

00:49:43,270 --> 00:49:39,440

you're

1320

00:49:47,510 --> 00:49:43,280

watching a main artery of energy

1321

00:49:48,710 --> 00:49:47,520

being utilized and you know it is being

1322

00:49:50,870 --> 00:49:48,720

perfectly

1323

00:49:52,069 --> 00:49:50,880

manifested by a variety of different

1324

00:49:54,950 --> 00:49:52,079

entities

1325

00:49:56,230 --> 00:49:54,960

and um that they use this for various

1326

00:49:59,109 --> 00:49:56,240

reasons and

1327

00:50:01,430 --> 00:49:59,119

it's it's amazing i i remember a story

1328

00:50:03,990 --> 00:50:01,440

that i was told about a gentleman who

1329

00:50:06,710 --> 00:50:04,000

was watching a portal open up

1330

00:50:09,670 --> 00:50:06,720

and as he was watching this portal open

1331

00:50:12,710 --> 00:50:09,680

up he looked to his right and saw what

1332

00:50:15,030 --> 00:50:12,720

appeared to be an alien gray also

1333

00:50:16,150 --> 00:50:15,040

watching the portal open up

1334

00:50:17,910 --> 00:50:16,160

and

1335

00:50:19,510 --> 00:50:17,920

they kind of weren't paying attention to

1336

00:50:21,750 --> 00:50:19,520

each other and that just kind of drives

1337

00:50:23,670 --> 00:50:21,760

the point that there's there's multiple

1338

00:50:25,510 --> 00:50:23,680

things going on and whatever has your

1339

00:50:28,069 --> 00:50:25,520

attention at the moment might not be the

1340

00:50:29,670 --> 00:50:28,079

only thing going on

1341

00:50:32,230 --> 00:50:29,680

right

1342

00:50:35,750 --> 00:50:32,240

that's interesting now

1343

00:50:36,790 --> 00:50:35,760

wow you have had uh some other family

1344

00:50:39,589 --> 00:50:36,800

members

1345

00:50:43,309 --> 00:50:39,599

who themselves have had

1346

00:50:46,309 --> 00:50:43,319

interesting stories and uh

1347

00:50:48,630 --> 00:50:46,319

experiences with

1348

00:50:52,069 --> 00:50:48,640

paranormal uh

1349

00:50:55,430 --> 00:50:52,079

things and i i i want to say was this in

1350

00:50:58,150 --> 00:50:55,440

new mexico was this correct mike

1351

00:51:00,950 --> 00:50:58,160

uh this is in arizona in arizona i

1352

00:51:03,430 --> 00:51:00,960

apologize always when we talk no uh was

1353

00:51:06,630 --> 00:51:03,440

it camera tanya with the skinwalker that

1354

00:51:08,790 --> 00:51:06,640

was kim in arizona okay yeah yeah this

1355

00:51:10,950 --> 00:51:08,800

particular one was in in arizona this is

1356

00:51:11,990 --> 00:51:10,960

with one of my daughters

1357

00:51:14,630 --> 00:51:12,000

so

1358

00:51:16,470 --> 00:51:14,640

here's here's how the story goes uh my

1359

00:51:19,190 --> 00:51:16,480

daughter was with her her boyfriend and

1360

00:51:21,750 --> 00:51:19,200

they were we lived in tucson at the time

1361

00:51:24,230 --> 00:51:21,760

and they were traveling south of tucson

1362

00:51:27,270 --> 00:51:24,240

probably was about 10 or 15 miles

1363

00:51:28,390 --> 00:51:27,280

and they were off on kind of a dirt road

1364

00:51:31,349 --> 00:51:28,400

and

1365

00:51:33,990 --> 00:51:31,359

i guess they pull up to a stop sign

1366

00:51:36,470 --> 00:51:34,000

and my daughter obviously was not she

1367

00:51:39,190 --> 00:51:36,480

was in the passenger seat and she looked

1368

00:51:42,069 --> 00:51:39,200

in her side view mirror could see kind

1369

00:51:44,150 --> 00:51:42,079

of right next to the vehicle but back a

1370

00:51:46,710 --> 00:51:44,160

little ways and she saw what she

1371

00:51:49,109 --> 00:51:46,720

initially perceived as a runner coming

1372

00:51:51,750 --> 00:51:49,119

towards her she couldn't really tell if

1373

00:51:53,190 --> 00:51:51,760

it was a male or female at that time but

1374

00:51:55,190 --> 00:51:53,200

it was it was a runner and she didn't

1375

00:51:57,750 --> 00:51:55,200

really give it much thought

1376

00:51:59,990 --> 00:51:57,760

uh i guess one of the things she sort of

1377

00:52:01,190 --> 00:52:00,000

i think she kind of had in her mind is

1378

00:52:03,910 --> 00:52:01,200

seemed to be

1379

00:52:05,829 --> 00:52:03,920

running quite fast but she said she

1380

00:52:07,670 --> 00:52:05,839

didn't really because when somebody runs

1381

00:52:09,750 --> 00:52:07,680

directly at you or you see somebody

1382

00:52:11,910 --> 00:52:09,760

coming directly at you you can't really

1383

00:52:13,910 --> 00:52:11,920

easily judge the speed of it if you're

1384

00:52:16,470 --> 00:52:13,920

just visually looking at it

1385

00:52:17,910 --> 00:52:16,480

so they're at this stop sign and

1386

00:52:19,349 --> 00:52:17,920

you know that was a lot of stuff from

1387

00:52:21,349 --> 00:52:19,359

just sitting at a stop sign but that's

1388

00:52:23,430 --> 00:52:21,359

sort of what was going through her head

1389

00:52:25,910 --> 00:52:23,440

and so they took they started off from

1390

00:52:28,069 --> 00:52:25,920

the stuffs and this is like a rural area

1391

00:52:30,150 --> 00:52:28,079

just so you know it's a dirt road so

1392

00:52:32,470 --> 00:52:30,160

she's they're driving and they're up to

1393

00:52:34,230 --> 00:52:32,480

about 30 miles an hour

1394

00:52:35,589 --> 00:52:34,240

and my my daughter just looked in the

1395

00:52:37,190 --> 00:52:35,599

mirror

1396

00:52:39,190 --> 00:52:37,200

and this

1397

00:52:41,270 --> 00:52:39,200

whatever it was i guess she thought it

1398

00:52:43,670 --> 00:52:41,280

was a woman i i guess

1399

00:52:45,190 --> 00:52:43,680

was coming was gaining on them at 30

1400

00:52:47,430 --> 00:52:45,200

miles an hour now

1401

00:52:49,990 --> 00:52:47,440

i don't think if i remember quickly and

1402

00:52:51,190 --> 00:52:50,000

i was a sprinter yeah no human can run

1403

00:52:52,790 --> 00:52:51,200

that fast

1404

00:52:55,589 --> 00:52:52,800

that can actually

1405

00:52:56,710 --> 00:52:55,599

uh run at 30 miles an hour

1406

00:52:59,030 --> 00:52:56,720

um

1407

00:53:01,030 --> 00:52:59,040

so anyways this they were going about 30

1408

00:53:01,990 --> 00:53:01,040

and then they got up to 35 and all of a

1409

00:53:04,150 --> 00:53:02,000

sudden

1410

00:53:06,309 --> 00:53:04,160

whatever this was well we're gonna say

1411

00:53:08,069 --> 00:53:06,319

it was a woman at this point was right

1412

00:53:10,710 --> 00:53:08,079

next to them and they're still driving

1413

00:53:13,270 --> 00:53:10,720

at 35 miles an hour okay

1414

00:53:14,390 --> 00:53:13,280

and so this this entity

1415

00:53:16,549 --> 00:53:14,400

at this point we're gonna have to call

1416

00:53:17,670 --> 00:53:16,559

it auntie because it was a human

1417

00:53:22,549 --> 00:53:17,680

was

1418

00:53:24,950 --> 00:53:22,559

at them okay and i believe the window

1419

00:53:26,230 --> 00:53:24,960

was down i think she had the window down

1420

00:53:29,349 --> 00:53:26,240

right

1421

00:53:31,190 --> 00:53:29,359

so she got now now she gets this amazing

1422

00:53:32,390 --> 00:53:31,200

look at this this

1423

00:53:34,870 --> 00:53:32,400

whatever it was

1424

00:53:35,990 --> 00:53:34,880

so it's this truly i believe was his

1425

00:53:38,230 --> 00:53:36,000

skin

1426  
00:53:40,470 --> 00:53:38,240  
had long straggly hair

1427  
00:53:43,109 --> 00:53:40,480  
had kind of a gnarly looking

1428  
00:53:44,549 --> 00:53:43,119  
uh kind of a face or nose

1429  
00:53:47,030 --> 00:53:44,559  
uh

1430  
00:53:48,549 --> 00:53:47,040  
i guess kind of a sea haggy look if you

1431  
00:53:51,589 --> 00:53:48,559  
know what that means

1432  
00:53:53,430 --> 00:53:51,599  
and strange almost black eyes now there

1433  
00:53:55,589 --> 00:53:53,440  
was some she did say there was some

1434  
00:53:56,710 --> 00:53:55,599  
white in it but it was a lot of dark

1435  
00:53:58,950 --> 00:53:56,720  
okay

1436  
00:54:01,589 --> 00:53:58,960  
and it's still looking forward right

1437  
00:54:04,150 --> 00:54:01,599  
but then suddenly like in a blink of an

1438  
00:54:05,349 --> 00:54:04,160

eyelash it is looking at her

1439

00:54:07,990 --> 00:54:05,359

okay

1440

00:54:10,950 --> 00:54:08,000

completely almost wiped my daughter out

1441

00:54:12,870 --> 00:54:10,960

at this time now the driver didn't see

1442

00:54:15,030 --> 00:54:12,880

too much of wellness okay that driver

1443

00:54:16,870 --> 00:54:15,040

was focused although he did look over

1444

00:54:18,630 --> 00:54:16,880

and did see it and then he was super

1445

00:54:20,710 --> 00:54:18,640

focused on where he's going because he

1446

00:54:23,510 --> 00:54:20,720

wanted to get the heck out of there so

1447

00:54:25,670 --> 00:54:23,520

this this kept on running

1448

00:54:27,990 --> 00:54:25,680

this entity which is we're going to call

1449

00:54:29,990 --> 00:54:28,000

a skin marker descent kept on running

1450

00:54:32,230 --> 00:54:30,000

looking inside

1451

00:54:34,309 --> 00:54:32,240

at the at my daughter

1452

00:54:36,950 --> 00:54:34,319

almost incredible because we're talking

1453

00:54:38,870 --> 00:54:36,960

i think they're up to let's say 35 40

1454

00:54:41,190 --> 00:54:38,880

maybe even 45 miles an hour i don't

1455

00:54:43,990 --> 00:54:41,200

remember exactly what the ending the

1456

00:54:46,789 --> 00:54:44,000

ending uh speed what speed was it when

1457

00:54:48,710 --> 00:54:46,799

they ended but she said suddenly

1458

00:54:50,829 --> 00:54:48,720

and this is well i'll tell you another

1459

00:54:53,109 --> 00:54:50,839

story a little bit

1460

00:54:55,510 --> 00:54:53,119

suddenly this

1461

00:54:57,910 --> 00:54:55,520

skin walker just went to the right just

1462

00:54:59,990 --> 00:54:57,920

completely blew to the right and she the

1463

00:55:01,430 --> 00:55:00,000

only thing they can think of it blew to

1464

00:55:04,470 --> 00:55:01,440

the right because they were coming onto

1465

00:55:05,910 --> 00:55:04,480

some residential areas some houses etc

1466

00:55:07,589 --> 00:55:05,920

and i don't think they wanted to get in

1467

00:55:09,990 --> 00:55:07,599

the middle of that at all

1468

00:55:11,670 --> 00:55:10,000

uh so it just blew to the right and you

1469

00:55:13,910 --> 00:55:11,680

know my daughter

1470

00:55:16,470 --> 00:55:13,920

somewhat remembers she told me the story

1471

00:55:18,309 --> 00:55:16,480

when we lived in uh tucson

1472

00:55:20,390 --> 00:55:18,319

and then as time went on and we're

1473

00:55:22,630 --> 00:55:20,400

talking this probably goes back to the

1474

00:55:24,549 --> 00:55:22,640

late 1990s

1475

00:55:26,230 --> 00:55:24,559

her memory fades and it's almost like to

1476

00:55:28,710 --> 00:55:26,240

a certain extent someone remember it she

1477

00:55:30,950 --> 00:55:28,720

doesn't want to remember it yeah um

1478

00:55:32,549 --> 00:55:30,960

she had a then here's here's one that

1479

00:55:33,750 --> 00:55:32,559

connects a little bit more my all my

1480

00:55:35,589 --> 00:55:33,760

daughters have had some pretty

1481

00:55:37,829 --> 00:55:35,599

interesting experiences but one of the

1482

00:55:39,430 --> 00:55:37,839

videos i did was also another experience

1483

00:55:40,710 --> 00:55:39,440

for the same daughter

1484

00:55:41,829 --> 00:55:40,720

and i'm not gonna we're not going to go

1485

00:55:43,430 --> 00:55:41,839

into it because it was a pretty long

1486

00:55:46,309 --> 00:55:43,440

story but she had a very similar

1487

00:55:48,789 --> 00:55:46,319

experience driving through uh i believe

1488

00:55:51,349 --> 00:55:48,799

was wyoming on the interstate

1489

00:55:53,349 --> 00:55:51,359

and uh it was an incredible story where

1490

00:55:54,069 --> 00:55:53,359

she went they went through this fog and

1491

00:55:55,829 --> 00:55:54,079

they

1492

00:55:57,589 --> 00:55:55,839

this being came right in front of them

1493

00:55:59,030 --> 00:55:57,599

and they almost felt that they were

1494

00:56:00,549 --> 00:55:59,040

going to run over it they thought it ran

1495

00:56:01,270 --> 00:56:00,559

over a person but there was no person

1496

00:56:02,390 --> 00:56:01,280

there

1497

00:56:04,470 --> 00:56:02,400

uh so

1498

00:56:06,309 --> 00:56:04,480

again this is a point where throughout

1499

00:56:08,309 --> 00:56:06,319

her life she's had some really

1500

00:56:10,630 --> 00:56:08,319

interesting experiences

1501  
00:56:12,789 --> 00:56:10,640  
uh you know alien type of abduction type

1502  
00:56:14,390 --> 00:56:12,799  
experience etc and then she keeps on

1503  
00:56:15,990 --> 00:56:14,400  
having them

1504  
00:56:18,549 --> 00:56:16,000  
she seems to have gained some kind of

1505  
00:56:20,069 --> 00:56:18,559  
ability from maybe some of those initial

1506  
00:56:22,069 --> 00:56:20,079  
encounters she had

1507  
00:56:24,470 --> 00:56:22,079  
uh and maybe because her mind was open

1508  
00:56:26,549 --> 00:56:24,480  
up enough to see some new some new

1509  
00:56:29,190 --> 00:56:26,559  
things later in her life

1510  
00:56:31,910 --> 00:56:29,200  
so anyway so that was the the skinwalker

1511  
00:56:33,510 --> 00:56:31,920  
story of one of my daughters so the only

1512  
00:56:35,109 --> 00:56:33,520  
thing i wanted to ask you right

1513  
00:56:37,750 --> 00:56:35,119

can we take a little bit of a break and

1514

00:56:39,670 --> 00:56:37,760

maybe start our second uh session here

1515

00:56:41,670 --> 00:56:39,680

in a little bit that's exactly what i

1516

00:56:43,109 --> 00:56:41,680

was gonna say let's wrap this up this

1517

00:56:45,990 --> 00:56:43,119

first segment

1518

00:56:47,430 --> 00:56:46,000

i was you're reading my mind and um i

1519

00:56:49,910 --> 00:56:47,440

just wanted to finish with saying

1520

00:56:52,630 --> 00:56:49,920

rainbow i'm so glad that you mentioned

1521

00:56:54,789 --> 00:56:52,640

uh castaneda and how like the eagles

1522

00:56:56,549 --> 00:56:54,799

gift and like the eagle way man is is

1523

00:56:58,549 --> 00:56:56,559

way stronger than the witchery people i

1524

00:57:00,069 --> 00:56:58,559

think that's a good ending note you know

1525

00:57:01,270 --> 00:57:00,079

that there is good in the world and

1526

00:57:03,270 --> 00:57:01,280

there's

1527

00:57:07,430 --> 00:57:03,280

it's it's easy to go down the slippery

1528

00:57:08,789 --> 00:57:07,440

slope of negativity but um that yeah the

1529

00:57:10,230 --> 00:57:08,799

i think that was really good that you

1530

00:57:13,190 --> 00:57:10,240

mentioned that that's a good way to kind

1531

00:57:14,789 --> 00:57:13,200

of end this first segment and yeah let's

1532

00:57:16,150 --> 00:57:14,799

let's pick up where we left off here

1533

00:57:19,349 --> 00:57:16,160

soon

1534

00:57:22,470 --> 00:57:19,359

man oh man rainbow and mike are some of

1535

00:57:25,430 --> 00:57:22,480

my favorite people to talk to because of

1536

00:57:26,390 --> 00:57:25,440

the amount of experience they have

1537

00:57:28,390 --> 00:57:26,400

the amount

1538

00:57:30,630 --> 00:57:28,400

of

1539

00:57:32,630 --> 00:57:30,640

knowledge and

1540

00:57:34,630 --> 00:57:32,640

working knowledge in the field that they

1541

00:57:36,470 --> 00:57:34,640

have dealing with

1542

00:57:39,030 --> 00:57:36,480

the things that

1543

00:57:40,950 --> 00:57:39,040

go bump in the night

1544

00:57:42,470 --> 00:57:40,960

i think they they they've they've

1545

00:57:44,549 --> 00:57:42,480

definitely

1546

00:57:45,829 --> 00:57:44,559

spent their time out on those ranch

1547

00:57:48,630 --> 00:57:45,839

roads

1548

00:57:50,710 --> 00:57:48,640

in those portal and vortex areas if you

1549

00:57:53,430 --> 00:57:50,720

have a chance please check out their

1550

00:57:56,150 --> 00:57:53,440

youtube channel dimensional walking

1551

00:57:57,990 --> 00:57:56,160

and uh keep in touch with them they

1552

00:58:00,950 --> 00:57:58,000

always have great stuff that they're

1553

00:58:02,950 --> 00:58:00,960

dropping and um mike's

1554

00:58:04,870 --> 00:58:02,960

portal and vortex photography is

1555

00:58:08,710 --> 00:58:04,880

actually quite stunning

1556

00:58:12,470 --> 00:58:08,720

and uh yeah keep an eye out for part two

1557

00:58:14,630 --> 00:58:12,480

of this series with rainbow and mike and

1558

00:58:17,589 --> 00:58:14,640

we are going to talk more

1559

00:58:19,910 --> 00:58:17,599

that's right more about wizardry

1560

00:58:24,230 --> 00:58:19,920

southwestern sorcery

1561

00:58:26,390 --> 00:58:24,240

shape shifters portals ufos vortexes

1562

00:58:29,910 --> 00:58:26,400

and cryptozoology

1563

00:58:32,549 --> 00:58:29,920

part two is patron only so go to patreon

1564

00:58:34,710 --> 00:58:32,559

and look for hero paranormal and you can

1565

00:58:36,789 --> 00:58:34,720

hear part two it's great

1566

00:58:39,430 --> 00:58:36,799

part two will be coming soon and thanks

1567

00:58:42,230 --> 00:58:39,440

for tuning in until next time keep your

1568

00:58:53,600 --> 00:58:42,240

eyes to the skies feet on the ground but

1569

00:58:53,610 --> 00:59:02,789

[Music]

1570

00:59:02,799 --> 00:59:07,970

machine
