come blast

5
00:00:35,190 --> 00:00:38,790
[Music]

6
00:00:45,029 --> 00:00:41,910
blast off on another episode of the

7
00:00:48,950 --> 00:00:45,039
hyper anomalous esoteric research

8
00:00:51,590 --> 00:00:48,960
organization podcast hero paranormal

9
00:00:55,110 --> 00:00:51,600
broadcasting just

10
00:00:57,750 --> 00:00:55,120
south of the utah ufo ranch in the heart

11
00:01:01,270 --> 00:00:57,760
of shape shifter territory my name is

12
00:01:04,310 --> 00:01:01,280
ryan the original outlaw of the airwaves

13
00:01:06,390 --> 00:01:04,320

bringing you an epic episode today we

14

00:01:08,550 --> 00:01:06,400

got somebody who

15

00:01:10,950 --> 00:01:08,560

well he's somebody i could talk to just

16

00:01:13,350 --> 00:01:10,960

about every day because he's not an

17

00:01:16,469 --> 00:01:13,360

armchair researcher he's always in the

18

00:01:17,590 --> 00:01:16,479

field always talking to the who

19

00:01:22,429 --> 00:01:17,600

who's who

20

00:01:24,630 --> 00:01:22,439

of just about every mystery conspiracy

21

00:01:26,950 --> 00:01:24,640

cryptozoological area

22

00:01:28,550 --> 00:01:26,960

the guy really networks and the guy

23

00:01:30,469 --> 00:01:28,560

really gets out there gets his hands

24

00:01:32,149 --> 00:01:30,479

dirty boots on the ground he's never

25

00:01:34,390 --> 00:01:32,159

just hanging out

26

00:01:36,469 --> 00:01:34,400

in fact i think he's on a traveling

27

00:01:38,230 --> 00:01:36,479

adventure as we speak so i really

28

00:01:40,710 --> 00:01:38,240

appreciate him coming on

29

00:01:43,429 --> 00:01:40,720

none other than awakening man

30

00:01:46,789 --> 00:01:43,439

you may also know him as eric the

31

00:01:49,429 --> 00:01:46,799

awakened adventurer he's always on an

32

00:01:50,870 --> 00:01:49,439

adventure always doing research and it's

33

00:01:53,910 --> 00:01:50,880

good research

34

00:01:56,230 --> 00:01:53,920

welcome to the hero paranormal podcast

35

00:01:57,030 --> 00:01:56,240

eric hey buddy i'm excited to be back

36

00:01:58,709 --> 00:01:57,040

we've

37

00:02:01,350 --> 00:01:58,719

you and i both been doing so much

38

00:02:03,429 --> 00:02:01,360

research since we last talked that uh

39

00:02:04,550 --> 00:02:03,439

there's enough information that between

40

00:02:06,310 --> 00:02:04,560

the two of us

41

00:02:08,469 --> 00:02:06,320

and the and the people that we discuss

42

00:02:10,550 --> 00:02:08,479

our our research with that we could fill

43

00:02:13,270 --> 00:02:10,560

like volumes of books with i'm sure i

44

00:02:15,589 --> 00:02:13,280

was thinking the same thing and i was

45

00:02:16,949 --> 00:02:15,599

telling the listeners uh during the

46

00:02:19,430 --> 00:02:16,959

introduction

47

00:02:22,390 --> 00:02:19,440

how you are one of those researchers

48

00:02:24,710 --> 00:02:22,400

that i'm i'm seriously jealous of how

49

00:02:27,350 --> 00:02:24,720

often you're on adventures doing

50

00:02:29,830 --> 00:02:27,360

research doing recon you seem to always

51

00:02:31,350 --> 00:02:29,840

be out in the field you just got done

52

00:02:32,949 --> 00:02:31,360

with uh being out in the field or

53

00:02:36,150 --> 00:02:32,959

actually currently are

54

00:02:37,509 --> 00:02:36,160

and um it's amazing i want to kind of

55

00:02:41,509 --> 00:02:37,519

talk about

56

00:02:44,070 --> 00:02:41,519

this uh recent expedition you had uh and

57

00:02:45,830 --> 00:02:44,080

and what was found out there if what you

58

00:02:49,350 --> 00:02:45,840

can discuss because i know there are

59

00:02:50,630 --> 00:02:49,360

some some ndas involved in government

60

00:02:52,390 --> 00:02:50,640

ties but

61

00:02:54,390 --> 00:02:52,400

let's get into some of that if we can

62

00:02:56,710 --> 00:02:54,400

and also really quickly can you tell

63

00:02:58,790 --> 00:02:56,720

listeners about your own podcast as well

64

00:03:00,710 --> 00:02:58,800

which is fascinating

65

00:03:01,910 --> 00:03:00,720

uh interesting you should bring that up

66

00:03:05,830 --> 00:03:01,920

uh

67

00:03:07,990 --> 00:03:05,840

recently i i i went back onto youtube to

68

00:03:09,830 --> 00:03:08,000

to view my uh you from the youtube

69

00:03:12,229 --> 00:03:09,840

channel that i share with vinnie koshas

70

00:03:14,309 --> 00:03:12,239

to go and review some of the videos that

71

00:03:16,070 --> 00:03:14,319

the interviews that we had done

72

00:03:18,229 --> 00:03:16,080

and the channel was missing and i

73

00:03:20,949 --> 00:03:18,239

thought why why can't i not find this

74

00:03:23,430 --> 00:03:20,959

channel so i contacted vinnie

75

00:03:26,789 --> 00:03:23,440

and i said vinnie uh our youtube channel

76
00:03:29,589 --> 00:03:26,799
altered is is gone what what happened

77
00:03:31,670 --> 00:03:29,599
and she said eric she goes let me tell

78
00:03:33,750 --> 00:03:31,680
you what happened and i could tell that

79
00:03:36,390 --> 00:03:33,760
she didn't want to tell me because

80
00:03:38,789 --> 00:03:36,400
it happened and she didn't tell me maybe

81
00:03:40,630 --> 00:03:38,799
because she thought i would be upset

82
00:03:42,869 --> 00:03:40,640
which i wasn't really upset but i was

83
00:03:44,390 --> 00:03:42,879
very disappointed but anyway she said

84
00:03:46,949 --> 00:03:44,400
that um

85
00:03:48,470 --> 00:03:46,959
she was and she's very tech savvy she

86
00:03:50,869 --> 00:03:48,480
wouldn't have made a mistake but she

87
00:03:53,030 --> 00:03:50,879
said that she was uh downloading these

88
00:03:54,390 --> 00:03:53,040

the shows onto some other format or

89

00:03:55,589 --> 00:03:54,400

whatever

90

00:03:57,509 --> 00:03:55,599

and uh

91

00:03:58,229 --> 00:03:57,519

and then she went to click

92

00:03:59,750 --> 00:03:58,239

to

93

00:04:01,190 --> 00:03:59,760

do whatever you do when you're working

94

00:04:01,910 --> 00:04:01,200

with youtube

95

00:04:03,990 --> 00:04:01,920

and

96

00:04:06,070 --> 00:04:04,000

this everything that she had done was

97

00:04:09,589 --> 00:04:06,080

erased

98

00:04:10,789 --> 00:04:09,599

interview all those those interviews

99

00:04:12,949 --> 00:04:10,799

that we did

100

00:04:15,350 --> 00:04:12,959

were gone and i thought ah do you have

101
00:04:16,229 --> 00:04:15,360
copies of this she says no we don't and

102
00:04:18,789 --> 00:04:16,239
i said

103
00:04:21,030 --> 00:04:18,799
if you contacted youtube can you see if

104
00:04:22,950 --> 00:04:21,040
if we could maybe they've got it in some

105
00:04:24,790 --> 00:04:22,960
archive somewhere and we just

106
00:04:26,629 --> 00:04:24,800
and she says i've been trying to contact

107
00:04:29,909 --> 00:04:26,639
them and they don't respond they don't

108
00:04:31,510 --> 00:04:29,919
even respond to her they just ignore her

109
00:04:34,230 --> 00:04:31,520
so my if i was going to use my

110
00:04:37,670 --> 00:04:34,240
conspiratory uh you know mind here and

111
00:04:39,510 --> 00:04:37,680
think well i think probably if if they

112
00:04:40,550 --> 00:04:39,520
did shut us down like it appears they

113
00:04:42,150 --> 00:04:40,560

did

114

00:04:43,749 --> 00:04:42,160

the that we had the fact that we had

115

00:04:46,230 --> 00:04:43,759

rick doty on there talking about the

116

00:04:48,870 --> 00:04:46,240

human hybrid program that's being that

117

00:04:51,189 --> 00:04:48,880

that we believe or that vinnie believes

118

00:04:53,749 --> 00:04:51,199

was being done out there at groom lake i

119

00:04:55,909 --> 00:04:53,759

mean it's such a wild story but there's

120

00:04:57,430 --> 00:04:55,919

there's some decent uh and high and

121

00:04:58,950 --> 00:04:57,440

quality information that might

122

00:05:00,469 --> 00:04:58,960

substantiate this that's going to come

123

00:05:02,469 --> 00:05:00,479

out in vinnie's book

124

00:05:03,830 --> 00:05:02,479

um they might not they might have just

125

00:05:05,749 --> 00:05:03,840

shut all that down they don't want that

126
00:05:08,070 --> 00:05:05,759
to be talked about i think that dodie

127
00:05:09,590 --> 00:05:08,080
dodie be willing to he talked about it

128
00:05:11,510 --> 00:05:09,600
you know didn't really get into details

129
00:05:12,390 --> 00:05:11,520
didn't really co-sign it completely but

130
00:05:17,189 --> 00:05:12,400
didn't

131
00:05:19,430 --> 00:05:17,199
um somebody must have saw that interview

132
00:05:20,950 --> 00:05:19,440
and decided we we can't have rick doty

133
00:05:22,710 --> 00:05:20,960
and these people out there talking about

134
00:05:24,310 --> 00:05:22,720
this and they just erased it all so we

135
00:05:28,550 --> 00:05:24,320
have no record of it which is really a

136
00:05:30,230 --> 00:05:28,560
drag man i heard that interview and i'll

137
00:05:31,909 --> 00:05:30,240
tell you there were some extremely

138
00:05:35,590 --> 00:05:31,919

volatile uh

139

00:05:38,390 --> 00:05:35,600

dangerous topics covered and you know as

140

00:05:39,110 --> 00:05:38,400

far as awakening man are there any other

141

00:05:41,670 --> 00:05:39,120

uh

142

00:05:43,430 --> 00:05:41,680

spots where you're online where people

143

00:05:45,830 --> 00:05:43,440

can follow you

144

00:05:48,150 --> 00:05:45,840

uh no here's what here's what i

145

00:05:49,670 --> 00:05:48,160

kind of learned oh and maybe you kind of

146

00:05:51,110 --> 00:05:49,680

learned too but you might be able to i'm

147

00:05:52,950 --> 00:05:51,120

sure you can relate to this is in the

148

00:05:54,950 --> 00:05:52,960

beginning like five years ago i was

149

00:05:57,270 --> 00:05:54,960

doing that show with john polk the

150

00:05:59,590 --> 00:05:57,280

quantum hologram matrix

151
00:06:01,749 --> 00:05:59,600
and i was traveling around and and

152
00:06:03,990 --> 00:06:01,759
meeting people like stan friedman and

153
00:06:06,230 --> 00:06:04,000
and uh

154
00:06:07,909 --> 00:06:06,240
what's his name up there uh travis got

155
00:06:09,830 --> 00:06:07,919
us wall let me know the list goes on i

156
00:06:11,830 --> 00:06:09,840
mean anybody that was ever at a

157
00:06:13,510 --> 00:06:11,840
conference that that had information

158
00:06:15,029 --> 00:06:13,520
that i thought was a good information or

159
00:06:17,830 --> 00:06:15,039
important information i was able to meet

160
00:06:19,430 --> 00:06:17,840
an interview on that show and then uh

161
00:06:21,590 --> 00:06:19,440
that's another show that you won't find

162
00:06:23,670 --> 00:06:21,600
the quantum hologram matrix shows

163
00:06:25,909 --> 00:06:23,680

anywhere but those were some of the best

164

00:06:27,670 --> 00:06:25,919

shows because john polk and i we we

165

00:06:29,670 --> 00:06:27,680

didn't have any filter we would just go

166

00:06:30,950 --> 00:06:29,680

on we would ask whatever questions we

167

00:06:32,950 --> 00:06:30,960

wanted to ask we would talk about

168

00:06:36,950 --> 00:06:32,960

whatever we want and this five years ago

169

00:06:38,790 --> 00:06:36,960

before you know the 2017 surge of uh ufo

170

00:06:40,710 --> 00:06:38,800

disclosure came about with the all the

171

00:06:42,710 --> 00:06:40,720

videos and the tic tacs uh we were kind

172

00:06:44,950 --> 00:06:42,720

of under the radar but but then those

173

00:06:46,870 --> 00:06:44,960

shows were have all been deleted

174

00:06:48,550 --> 00:06:46,880

and we can't recover those either those

175

00:06:50,950 --> 00:06:48,560

are all missing all that work that we

176
00:06:53,110 --> 00:06:50,960
did is missing so i kind of decided that

177
00:06:55,990 --> 00:06:53,120
okay i need to kind of just keep a lower

178
00:06:57,909 --> 00:06:56,000
profile because as you may know

179
00:07:00,390 --> 00:06:57,919
if you if you kind of pictures if i put

180
00:07:02,230 --> 00:07:00,400
myself in a high profile position where

181
00:07:04,550 --> 00:07:02,240
i've got a show or a podcast or a

182
00:07:07,430 --> 00:07:04,560
youtube channel or i'm always posting

183
00:07:10,070 --> 00:07:07,440
all my research um

184
00:07:12,070 --> 00:07:10,080
i i could to some degree be targeted i i

185
00:07:13,350 --> 00:07:12,080
believe that not maybe in a violent way

186
00:07:15,270 --> 00:07:13,360
but in a way where they would want to

187
00:07:17,830 --> 00:07:15,280
suppress my information or or try to

188
00:07:19,189 --> 00:07:17,840

debunk me or try to make me look crazy

189

00:07:20,870 --> 00:07:19,199

or silly i've already kind of

190

00:07:22,790 --> 00:07:20,880

experienced that on ufo twitter a little

191

00:07:25,270 --> 00:07:22,800

bit where some of the stuff that i put

192

00:07:27,189 --> 00:07:25,280

out is is too far down the disclosure

193

00:07:28,390 --> 00:07:27,199

road they're not people aren't ready for

194

00:07:30,550 --> 00:07:28,400

some of this information even

195

00:07:32,309 --> 00:07:30,560

information that you've collected uh

196

00:07:33,749 --> 00:07:32,319

i'll be willing to bet that in a few

197

00:07:35,110 --> 00:07:33,759

years some of this information will be

198

00:07:37,029 --> 00:07:35,120

out and you and i will have a beer one

199

00:07:38,870 --> 00:07:37,039

day and we'll say yeah we knew about

200

00:07:40,230 --> 00:07:38,880

that two years ago but we didn't we

201
00:07:42,070 --> 00:07:40,240
didn't want to risk it so we kind of

202
00:07:43,909 --> 00:07:42,080
kept it on the down low right

203
00:07:45,830 --> 00:07:43,919
yeah some of these you got to keep some

204
00:07:46,869 --> 00:07:45,840
of these things on the download because

205
00:07:48,550 --> 00:07:46,879
i mean

206
00:07:51,350 --> 00:07:48,560
shadow banning has been around for a

207
00:07:53,749 --> 00:07:51,360
long time and it's practiced on almost

208
00:07:56,390 --> 00:07:53,759
all websites and social media platforms

209
00:07:59,430 --> 00:07:56,400
to ensure their they claim to ensure

210
00:08:01,510 --> 00:07:59,440
it's a safe space and youtube regularly

211
00:08:04,150 --> 00:08:01,520
makes changes to its algorithms that

212
00:08:06,230 --> 00:08:04,160
automatically block channels

213
00:08:09,110 --> 00:08:06,240

which the

214

00:08:12,550 --> 00:08:09,120

ai determines is violating their

215

00:08:14,230 --> 00:08:12,560

community standards the problem is well

216

00:08:17,189 --> 00:08:14,240

for example i

217

00:08:19,189 --> 00:08:17,199

recently was super excited because i got

218

00:08:20,710 --> 00:08:19,199

an email from youtube saying hey you're

219

00:08:23,029 --> 00:08:20,720

monetized

220

00:08:24,790 --> 00:08:23,039

and i was like oh wow i've never even

221

00:08:26,790 --> 00:08:24,800

you know not in it for the money never

222

00:08:28,710 --> 00:08:26,800

really cared and i know you don't either

223

00:08:31,510 --> 00:08:28,720

but i thought oh hey this is perfectly

224

00:08:33,430 --> 00:08:31,520

cool i clicked on the link i went in and

225

00:08:35,029 --> 00:08:33,440

then it said never mind

226

00:08:38,630 --> 00:08:35,039

um

227

00:08:40,949 --> 00:08:38,640

never mind it said never mind you uh

228

00:08:44,310 --> 00:08:40,959

what was the exact terminology never

229

00:08:46,389 --> 00:08:44,320

mind no super cats for you yeah nothing

230

00:08:48,550 --> 00:08:46,399

exactly like like you have the

231

00:08:51,509 --> 00:08:48,560

listenership but you don't meet the

232

00:08:53,990 --> 00:08:51,519

criteria and i started looking into it

233

00:08:55,430 --> 00:08:54,000

and there is it's just really whack it

234

00:08:56,790 --> 00:08:55,440

just seems like it's a game of

235

00:08:58,630 --> 00:08:56,800

whack-a-mole and

236

00:09:00,550 --> 00:08:58,640

and you never know what's gonna pop up

237

00:09:02,790 --> 00:09:00,560

you never know what they're gonna slam

238

00:09:04,870 --> 00:09:02,800

out of there and not want to be online

239

00:09:07,509 --> 00:09:04,880

sometimes you'll post something it just

240

00:09:09,670 --> 00:09:07,519

won't show up it's really it's really

241

00:09:11,350 --> 00:09:09,680

kind of uh discouraging but you're right

242

00:09:14,389 --> 00:09:11,360

you have to keep a lot of these things

243

00:09:17,430 --> 00:09:14,399

under wraps i know there's some um stuff

244

00:09:20,630 --> 00:09:17,440

on your recent expedition to uh

245

00:09:21,670 --> 00:09:20,640

uh i can i name the place where yeah go

246

00:09:23,910 --> 00:09:21,680

ahead i mean

247

00:09:26,310 --> 00:09:23,920

we asked go for it um i know you you

248

00:09:28,310 --> 00:09:26,320

were up there in upper stoney creek on a

249

00:09:30,550 --> 00:09:28,320

on a bigfoot hunt for lack of a better

250

00:09:32,630 --> 00:09:30,560

word and you ran into some mind-blowing

251

00:09:34,790 --> 00:09:32,640

things can we go into that a bit

252

00:09:37,110 --> 00:09:34,800

absolutely yeah that's a what's

253

00:09:39,590 --> 00:09:37,120

amazing is i live in california

254

00:09:41,430 --> 00:09:39,600

lived here my whole life and um

255

00:09:42,870 --> 00:09:41,440

you know when we were family we traveled

256

00:09:45,030 --> 00:09:42,880

around a little bit i've been to all the

257

00:09:47,269 --> 00:09:45,040

places you know shasta and and uh you

258

00:09:49,110 --> 00:09:47,279

know the other ski resorts and you know

259

00:09:51,190 --> 00:09:49,120

but i've never been to the sky of the

260

00:09:52,870 --> 00:09:51,200

sequoia forest before up there and i

261

00:09:55,430 --> 00:09:52,880

never even knew what was up there what

262

00:09:57,509 --> 00:09:55,440

it looked like and my friend of mine had

263

00:09:59,509 --> 00:09:57,519

he knows i'm into bigfoot and he wanted

264

00:10:01,509 --> 00:09:59,519

me he wanted to go check this out he's

265

00:10:03,430 --> 00:10:01,519

not really a researcher but he knew that

266

00:10:04,949 --> 00:10:03,440

i was into it so he he found this

267

00:10:06,790 --> 00:10:04,959

campsite up there

268

00:10:08,470 --> 00:10:06,800

and he says yeah we need to go up there

269

00:10:09,990 --> 00:10:08,480

he says i think it's i think there might

270

00:10:12,230 --> 00:10:10,000

be some things up there that we might

271

00:10:14,470 --> 00:10:12,240

find interesting so he we went up there

272

00:10:16,550 --> 00:10:14,480

for five days and um

273

00:10:19,430 --> 00:10:16,560

yeah there's some megalithic megalithic

274

00:10:21,190 --> 00:10:19,440

type rock structures up there uh you've

275

00:10:21,990 --> 00:10:21,200

probably seen those before where they

276

00:10:24,069 --> 00:10:22,000

just

277

00:10:26,310 --> 00:10:24,079

where we have rocks kind of fitting with

278

00:10:27,990 --> 00:10:26,320

other rocks that that when you look at

279

00:10:30,150 --> 00:10:28,000

from a certain angle they appear as if

280

00:10:31,509 --> 00:10:30,160

almost like they were carved and at one

281

00:10:33,910 --> 00:10:31,519

point they looked like they might have

282

00:10:35,910 --> 00:10:33,920

been art because of just they might even

283

00:10:37,269 --> 00:10:35,920

look like they're creatures i mean i

284

00:10:39,110 --> 00:10:37,279

have pictures i'll send them to you

285

00:10:40,310 --> 00:10:39,120

maybe if you wanted to post them on your

286

00:10:41,829 --> 00:10:40,320

on your channel or whatever i don't have

287

00:10:43,190 --> 00:10:41,839

a problem with that but what i'm saying

288

00:10:44,550 --> 00:10:43,200

is when you go into the mountains and

289

00:10:47,110 --> 00:10:44,560

you're hiking around and you start

290

00:10:48,470 --> 00:10:47,120

seeing these massive rocks that are in

291

00:10:50,150 --> 00:10:48,480

the middle of the forest and there's no

292

00:10:51,030 --> 00:10:50,160

other rocks around you just you start to

293

00:10:53,030 --> 00:10:51,040

wonder

294

00:10:55,110 --> 00:10:53,040

how did these get here why are they here

295

00:10:56,630 --> 00:10:55,120

and and what was the purpose so your

296

00:10:58,630 --> 00:10:56,640

mind starts to go

297

00:11:00,790 --> 00:10:58,640

and then you know and then you start

298

00:11:02,630 --> 00:11:00,800

hearing stories and you hear you know

299

00:11:03,430 --> 00:11:02,640

hear about sightings and so on and so

300

00:11:05,190 --> 00:11:03,440

forth

301
00:11:06,710 --> 00:11:05,200
and you know and then the bill starts

302
00:11:08,389 --> 00:11:06,720
going off and ding ding ding ding you

303
00:11:09,829 --> 00:11:08,399
know like okay this this could be a hot

304
00:11:11,190 --> 00:11:09,839
spot so uh

305
00:11:12,870 --> 00:11:11,200
anyway i was telling you earlier before

306
00:11:14,310 --> 00:11:12,880
we went on air that i went into this

307
00:11:15,990 --> 00:11:14,320
store that's up there there's a gas

308
00:11:18,230 --> 00:11:16,000
station up there that also sells food

309
00:11:20,150 --> 00:11:18,240
and they have a restaurant

310
00:11:21,590 --> 00:11:20,160
and i'm just kind of looking around for

311
00:11:24,470 --> 00:11:21,600
what they got in the store and i see

312
00:11:25,750 --> 00:11:24,480
this bigfoot hat there and i'm thinking

313
00:11:27,350 --> 00:11:25,760

you know i've been to a lot of places

314

00:11:28,949 --> 00:11:27,360

where they sell bigfoot paraphernalia

315

00:11:30,389 --> 00:11:28,959

and it's usually in areas where people

316

00:11:32,710 --> 00:11:30,399

have claimed to have bigfoot sightings

317

00:11:34,630 --> 00:11:32,720

so i asked the lady at the cash register

318

00:11:36,470 --> 00:11:34,640

i said i noticed you guys got these hats

319

00:11:38,069 --> 00:11:36,480

here i says have you heard of any

320

00:11:40,069 --> 00:11:38,079

stories about bigfoot being sighted up

321

00:11:42,150 --> 00:11:40,079

here and there's two ladies there's

322

00:11:43,509 --> 00:11:42,160

one back there working and the one lady

323

00:11:45,030 --> 00:11:43,519

right away says

324

00:11:46,949 --> 00:11:45,040

uh yeah we've

325

00:11:48,470 --> 00:11:46,959

you know we have had some some stories

326
00:11:50,550 --> 00:11:48,480
and some sightings i says well can you

327
00:11:51,990 --> 00:11:50,560
give me an idea where this is and she

328
00:11:54,790 --> 00:11:52,000
says you need to go to the end of

329
00:11:57,670 --> 00:11:54,800
highway 180 it's kings canyon and also

330
00:11:59,750 --> 00:11:57,680
out in that area about 30 minutes drive

331
00:12:02,470 --> 00:11:59,760
before you get to the end there are some

332
00:12:05,350 --> 00:12:02,480
caves out there that i even knew existed

333
00:12:07,750 --> 00:12:05,360
and you can pay 16 go on a tour and you

334
00:12:08,550 --> 00:12:07,760
could go inside these crystal

335
00:12:10,550 --> 00:12:08,560
uh

336
00:12:12,389 --> 00:12:10,560
crystal granite mountain cave system and

337
00:12:14,550 --> 00:12:12,399
literally i've got pictures you it's

338
00:12:16,230 --> 00:12:14,560

it's like a whole nother world in there

339

00:12:17,829 --> 00:12:16,240

and i'm thinking well you know if if

340

00:12:20,389 --> 00:12:17,839

they found this

341

00:12:22,230 --> 00:12:20,399

and there's these massive mountain caves

342

00:12:24,150 --> 00:12:22,240

all over the place that that have never

343

00:12:25,590 --> 00:12:24,160

been explored because you can't some of

344

00:12:27,750 --> 00:12:25,600

these you can't hike up into they're

345

00:12:30,470 --> 00:12:27,760

just too steep and too far but you

346

00:12:32,629 --> 00:12:30,480

wonder you know if if bigfoot were to

347

00:12:34,150 --> 00:12:32,639

want to hide for example that would be a

348

00:12:36,150 --> 00:12:34,160

perfect place for them to go into the

349

00:12:37,110 --> 00:12:36,160

mountain and just just kind of hang out

350

00:12:41,430 --> 00:12:37,120

down there

351

00:12:43,590 --> 00:12:41,440

trip was like a scouting trip where i

352

00:12:45,829 --> 00:12:43,600

didn't actually do a lot of boots on the

353

00:12:48,389 --> 00:12:45,839

ground field research deep in the forest

354

00:12:50,550 --> 00:12:48,399

but i i found the area where i believe

355

00:12:52,870 --> 00:12:50,560

they could be based on the reports and

356

00:12:54,389 --> 00:12:52,880

the just the general vibe that i got

357

00:12:55,750 --> 00:12:54,399

from the area so we are going to go back

358

00:12:56,790 --> 00:12:55,760

maybe we can get you to come up there

359

00:12:59,030 --> 00:12:56,800

sometime

360

00:13:00,470 --> 00:12:59,040

um and then there's another area um

361

00:13:03,110 --> 00:13:00,480

shaver lake

362

00:13:05,110 --> 00:13:03,120

uh i think the road is 168 if i'm not

363

00:13:06,790 --> 00:13:05,120

mistaken it goes up to shaver lake and

364

00:13:09,030 --> 00:13:06,800

up to clear lodge

365

00:13:10,389 --> 00:13:09,040

and it goes into the sequoia sierra

366

00:13:12,790 --> 00:13:10,399

forest area

367

00:13:13,670 --> 00:13:12,800

and up in that area there's a there's a

368

00:13:15,750 --> 00:13:13,680

uh

369

00:13:17,829 --> 00:13:15,760

a forest

370

00:13:19,509 --> 00:13:17,839

station of course you know federal

371

00:13:20,790 --> 00:13:19,519

forest fighters they're up there they

372

00:13:23,030 --> 00:13:20,800

got their their little hut up there

373

00:13:25,590 --> 00:13:23,040

whatever they stay at

374

00:13:27,030 --> 00:13:25,600

and uh and how i got this information

375

00:13:29,269 --> 00:13:27,040

was the girl the other girl that was

376

00:13:31,430 --> 00:13:29,279

working at the at the cash register

377

00:13:33,350 --> 00:13:31,440

uh i said to her i said well i'm i just

378

00:13:35,670 --> 00:13:33,360

told her i'm a bigfoot researcher i says

379

00:13:37,829 --> 00:13:35,680

that you know do you know your eyes got

380

00:13:39,430 --> 00:13:37,839

kind of big and she says oh my god my

381

00:13:40,310 --> 00:13:39,440

friend just sent me this text two weeks

382

00:13:42,389 --> 00:13:40,320

ago

383

00:13:43,750 --> 00:13:42,399

i and i go can i see it so she shows me

384

00:13:45,910 --> 00:13:43,760

on her phone these pictures of these

385

00:13:48,710 --> 00:13:45,920

footprints and this guy's got a size 13

386

00:13:50,550 --> 00:13:48,720

hue next to this footprint that the foot

387

00:13:52,870 --> 00:13:50,560

itself on the footprint is at least

388

00:13:55,269 --> 00:13:52,880

twice as wide as a normal foot and it

389

00:13:57,269 --> 00:13:55,279

had to be no less than 19 or 20 inches

390

00:13:59,189 --> 00:13:57,279

i'm not exaggerating this put this print

391

00:14:01,670 --> 00:13:59,199

was huge and then there was another

392

00:14:04,470 --> 00:14:01,680

print that looked like a hand print that

393

00:14:06,069 --> 00:14:04,480

was inside the another a separate

394

00:14:09,030 --> 00:14:06,079

footprint where maybe whatever this

395

00:14:11,829 --> 00:14:09,040

thing was it had put its hand partially

396

00:14:13,829 --> 00:14:11,839

inside this the footprint and you could

397

00:14:16,949 --> 00:14:13,839

see this person's hand inside the

398

00:14:18,710 --> 00:14:16,959

handprint and the hand is huge too so

399

00:14:21,030 --> 00:14:18,720

then the guy tells the girl in the text

400

00:14:22,949 --> 00:14:21,040

message i says uh he's sending you all

401
00:14:24,470 --> 00:14:22,959
this information on this text message is

402
00:14:26,230 --> 00:14:24,480
that okay if i take pictures of this

403
00:14:28,629 --> 00:14:26,240
just so i can remember the story so he

404
00:14:30,629 --> 00:14:28,639
was yeah go ahead so i'm taking pictures

405
00:14:32,550 --> 00:14:30,639
with my phone off her phone

406
00:14:33,910 --> 00:14:32,560
of the conversation that she's having

407
00:14:36,629 --> 00:14:33,920
with this guy and i've got i'll send

408
00:14:37,990 --> 00:14:36,639
that to you too where he says uh and i'm

409
00:14:39,189 --> 00:14:38,000
not going to say his name or where this

410
00:14:40,949 --> 00:14:39,199
station is because i don't want to throw

411
00:14:42,470 --> 00:14:40,959
him into the bus but he doesn't work

412
00:14:44,470 --> 00:14:42,480
there anymore and i think this is why he

413
00:14:46,470 --> 00:14:44,480

told her this story but they had they

414

00:14:47,910 --> 00:14:46,480

were approached by some some agency

415

00:14:49,670 --> 00:14:47,920

within the government that works for the

416

00:14:51,829 --> 00:14:49,680

force agency because they had three

417

00:14:53,430 --> 00:14:51,839

encounters up there

418

00:14:55,990 --> 00:14:53,440

and they were told they had to sign an

419

00:14:58,150 --> 00:14:56,000

nda not to discuss it

420

00:15:00,470 --> 00:14:58,160

so this is a story that's not even out

421

00:15:01,509 --> 00:15:00,480

there so i'm hoping to get a hold of

422

00:15:03,269 --> 00:15:01,519

this guy

423

00:15:05,030 --> 00:15:03,279

and have a conversation with him and

424

00:15:06,790 --> 00:15:05,040

maybe he'll even take me to the area

425

00:15:08,949 --> 00:15:06,800

where this is if not

426

00:15:11,110 --> 00:15:08,959

um i'll get an idea where it is and i'll

427

00:15:12,949 --> 00:15:11,120

go up there with one or two guys and

428

00:15:14,470 --> 00:15:12,959

i'll find the area and then just see

429

00:15:16,230 --> 00:15:14,480

what i uh

430

00:15:17,910 --> 00:15:16,240

footprints are really hard to find i

431

00:15:19,110 --> 00:15:17,920

mean but if you could find tree

432

00:15:20,949 --> 00:15:19,120

structures

433

00:15:23,350 --> 00:15:20,959

then you know you struck gold because

434

00:15:25,509 --> 00:15:23,360

when you see four five six trees kind of

435

00:15:28,389 --> 00:15:25,519

woven together like a teepee

436

00:15:29,910 --> 00:15:28,399

that are huge logs like 40 50 60 foot

437

00:15:32,230 --> 00:15:29,920

long maybe around as big as around as

438

00:15:33,829 --> 00:15:32,240

your waist you know pinned up

439

00:15:35,749 --> 00:15:33,839

you know something was going on there

440

00:15:37,910 --> 00:15:35,759

that wasn't made by man and then that to

441

00:15:39,749 --> 00:15:37,920

me is an indication that whether they're

442

00:15:41,670 --> 00:15:39,759

there now they were there before i've

443

00:15:44,550 --> 00:15:41,680

seen these structures in several states

444

00:15:46,150 --> 00:15:44,560

so i get real excited because um

445

00:15:47,749 --> 00:15:46,160

i'm not really afraid of them although

446

00:15:49,590 --> 00:15:47,759

i've been told that there are certain

447

00:15:52,150 --> 00:15:49,600

areas in the united states like for

448

00:15:55,110 --> 00:15:52,160

example arkansas arkansas the the legend

449

00:15:56,949 --> 00:15:55,120

of boggy creek texarkana up there for

450

00:15:58,470 --> 00:15:56,959

whatever reason whether it's bigfoot or

451

00:16:00,470 --> 00:15:58,480

not i don't know but that creature up

452

00:16:01,990 --> 00:16:00,480

there that they call uh the boggy creek

453

00:16:03,430 --> 00:16:02,000

monster which is kind of like their

454

00:16:05,430 --> 00:16:03,440

bigfoot up there

455

00:16:07,430 --> 00:16:05,440

that guy or those people up there are

456

00:16:09,110 --> 00:16:07,440

not as friendly or they're not as

457

00:16:10,790 --> 00:16:09,120

forgiving as some of these other areas

458

00:16:11,910 --> 00:16:10,800

that you might hear about bigfoot

459

00:16:13,990 --> 00:16:11,920

encounters

460

00:16:16,870 --> 00:16:14,000

so uh anyway it's fascinating it's you

461

00:16:20,790 --> 00:16:16,880

know it's a shift away from ufos and uh

462

00:16:22,310 --> 00:16:20,800

skin walkers and uh and aliens

463

00:16:23,910 --> 00:16:22,320

to me it's a little more on the on the

464

00:16:26,230 --> 00:16:23,920

low-key side to me actually doing

465

00:16:28,629 --> 00:16:26,240

bigfoot research is a lot more relaxing

466

00:16:30,790 --> 00:16:28,639

than it is trying to do ufo research i i

467

00:16:33,749 --> 00:16:30,800

kind of find that more entertaining

468

00:16:35,910 --> 00:16:33,759

and you don't get a lot of the

469

00:16:36,949 --> 00:16:35,920

the characters and personalities that

470

00:16:39,189 --> 00:16:36,959

take it

471

00:16:41,990 --> 00:16:39,199

so personally uh

472

00:16:43,829 --> 00:16:42,000

i found and and you know i'm glad that

473

00:16:46,069 --> 00:16:43,839

you mentioned that non-disclosure

474

00:16:47,350 --> 00:16:46,079

agreement with the forest service i've

475

00:16:49,350 --> 00:16:47,360

seen

476

00:16:52,069 --> 00:16:49,360

those usda

477

00:16:53,829 --> 00:16:52,079

forest service uh ndas out of west

478

00:16:57,910 --> 00:16:53,839

virginia and

479

00:16:59,670 --> 00:16:57,920

um it's i understand well no i don't not

480

00:17:01,269 --> 00:16:59,680

really i don't really understand why

481

00:17:02,949 --> 00:17:01,279

they would do that when it's a national

482

00:17:06,710 --> 00:17:02,959

forest but i guess if you're an employee

483

00:17:09,029 --> 00:17:06,720

i get it but there is there's so much

484

00:17:11,189 --> 00:17:09,039

4-1-1 written all over this kind of

485

00:17:12,230 --> 00:17:11,199

stuff because

486

00:17:14,710 --> 00:17:12,240

you know

487

00:17:16,949 --> 00:17:14,720

these sensitive areas

488

00:17:20,630 --> 00:17:16,959

getting conditional access to sensitive

489

00:17:21,510 --> 00:17:20,640

areas with classified information

490

00:17:24,710 --> 00:17:21,520

the

491

00:17:26,710 --> 00:17:24,720

you know

492

00:17:31,110 --> 00:17:26,720

a lot of

493

00:17:33,750 --> 00:17:31,120

behind the scenes where people cannot

494

00:17:35,590 --> 00:17:33,760

gather it and these are technically kind

495

00:17:37,270 --> 00:17:35,600

of public places i mean you would think

496

00:17:38,950 --> 00:17:37,280

the national parks

497

00:17:41,029 --> 00:17:38,960

would be a place where there would not

498

00:17:43,029 --> 00:17:41,039

be much hidden but it's exactly the

499

00:17:43,830 --> 00:17:43,039

opposite

500

00:17:47,270 --> 00:17:43,840

yeah

501
00:17:48,150 --> 00:17:47,280
there's even

502
00:17:50,549 --> 00:17:48,160
uh

503
00:17:52,630 --> 00:17:50,559
back in i think it was 1970 or 68

504
00:17:54,070 --> 00:17:52,640
somewhere in that era the the fbi had

505
00:17:56,630 --> 00:17:54,080
done uh

506
00:17:58,549 --> 00:17:56,640
put out information about bigfoot i mean

507
00:18:00,310 --> 00:17:58,559
if somebody really wanted to try to

508
00:18:02,710 --> 00:18:00,320
figure out if it was real or not there

509
00:18:04,310 --> 00:18:02,720
is information out there that clarifies

510
00:18:05,990 --> 00:18:04,320
that that this is a legitimate

511
00:18:07,830 --> 00:18:06,000
phenomenon that that's not just some

512
00:18:09,750 --> 00:18:07,840
woo-woo story that you know harry and

513
00:18:11,430 --> 00:18:09,760

the hendersons you know it's that

514

00:18:13,510 --> 00:18:11,440

you know to me i i'm excited about

515

00:18:15,110 --> 00:18:13,520

bigfoot because i think i have the

516

00:18:17,909 --> 00:18:15,120

chance for me to potentially have an

517

00:18:20,310 --> 00:18:17,919

encounter or a sighting or an experience

518

00:18:22,789 --> 00:18:20,320

is tenfold compared to if i'm gonna have

519

00:18:25,110 --> 00:18:22,799

a ufo land uh you know out in the desert

520

00:18:27,270 --> 00:18:25,120

or or if an alien's gonna get out and

521

00:18:29,350 --> 00:18:27,280

come over and say hi i don't imagine

522

00:18:31,029 --> 00:18:29,360

that's going to happen but i do imagine

523

00:18:32,710 --> 00:18:31,039

that i could potentially have a bigfoot

524

00:18:34,070 --> 00:18:32,720

experience and that's why i'm out there

525

00:18:35,990 --> 00:18:34,080

doing it because i want to have these

526
00:18:37,830 --> 00:18:36,000
experiences because they're just so

527
00:18:39,510 --> 00:18:37,840
they're just exciting i mean you know

528
00:18:41,350 --> 00:18:39,520
you've got your spot out there at wolf

529
00:18:42,789 --> 00:18:41,360
creek i mean the stuff that you that

530
00:18:44,470 --> 00:18:42,799
we're not going to talk about too much

531
00:18:46,390 --> 00:18:44,480
on the air today but whatever you can

532
00:18:48,150 --> 00:18:46,400
share i'd like to turn the tables

533
00:18:49,350 --> 00:18:48,160
can you talk about some of the things

534
00:18:50,950 --> 00:18:49,360
i'm going to i'm going to be the

535
00:18:52,950 --> 00:18:50,960
questionnaire guy for a second you don't

536
00:18:55,190 --> 00:18:52,960
mind right tell me about your recent

537
00:18:56,549 --> 00:18:55,200
trip out there because the reason why i

538
00:18:59,270 --> 00:18:56,559

want you to talk about it because

539

00:19:01,270 --> 00:18:59,280

recently on twitter spaces there was a

540

00:19:02,630 --> 00:19:01,280

topic was skinwalker ranch and there

541

00:19:04,070 --> 00:19:02,640

were several people on there that are

542

00:19:06,310 --> 00:19:04,080

not boots on the ground researchers

543

00:19:08,230 --> 00:19:06,320

these are armchair armcare youtube

544

00:19:09,990 --> 00:19:08,240

researchers who read a lot of

545

00:19:12,230 --> 00:19:10,000

information but aren't really

546

00:19:13,590 --> 00:19:12,240

interviewing people they're only it

547

00:19:14,870 --> 00:19:13,600

almost appears that

548

00:19:16,870 --> 00:19:14,880

people are looking

549

00:19:19,029 --> 00:19:16,880

for some people looking for a reason not

550

00:19:21,510 --> 00:19:19,039

to believe something so if somebody can

551
00:19:24,230 --> 00:19:21,520
put out some information that might be

552
00:19:26,150 --> 00:19:24,240
partially true partially disinformation

553
00:19:27,990 --> 00:19:26,160
uh that can verify their their belief

554
00:19:30,150 --> 00:19:28,000
system into thinking oh this that

555
00:19:31,990 --> 00:19:30,160
student walker ranch it's it's being

556
00:19:33,590 --> 00:19:32,000
exaggerated that stuff's not really

557
00:19:36,070 --> 00:19:33,600
happening they're just trying to make

558
00:19:37,990 --> 00:19:36,080
money and i'm thinking no no no that's

559
00:19:39,350 --> 00:19:38,000
not what's happening but if you want to

560
00:19:40,710 --> 00:19:39,360
believe that i'm not going to argue with

561
00:19:42,630 --> 00:19:40,720
you because i got better things to do

562
00:19:44,310 --> 00:19:42,640
with my time than to argue with somebody

563
00:19:45,350 --> 00:19:44,320

who's never had an experience before

564

00:19:47,430 --> 00:19:45,360

right

565

00:19:50,950 --> 00:19:47,440

it's it's like

566

00:19:52,470 --> 00:19:50,960

know it's not black or white there's

567

00:19:55,750 --> 00:19:52,480

shades of gray

568

00:19:57,350 --> 00:19:55,760

and i can recent recently uh luckily my

569

00:19:59,430 --> 00:19:57,360

holding agreement with the television

570

00:20:01,029 --> 00:19:59,440

company recently ended so i can speak a

571

00:20:01,830 --> 00:20:01,039

little bit more forthright about this

572

00:20:06,310 --> 00:20:01,840

now

573

00:20:09,029 --> 00:20:06,320

but um yeah uh there is of course the

574

00:20:11,190 --> 00:20:09,039

hollywood aspect that

575

00:20:13,430 --> 00:20:11,200

you've you've got to figure there if

576
00:20:16,230 --> 00:20:13,440
something is happening somewhere let's

577
00:20:18,070 --> 00:20:16,240
say um you're filming ice road truckers

578
00:20:20,710 --> 00:20:18,080
or something along that line

579
00:20:22,549 --> 00:20:20,720
the likelihood of actually catching you

580
00:20:25,590 --> 00:20:22,559
know them going off the road and having

581
00:20:28,950 --> 00:20:25,600
an accident is highly unlikely in fact

582
00:20:32,310 --> 00:20:28,960
uh practically zero so i understand the

583
00:20:33,430 --> 00:20:32,320
hollywood aspect of why

584
00:20:36,630 --> 00:20:33,440
these

585
00:20:38,630 --> 00:20:36,640
production crews have to recreate

586
00:20:40,230 --> 00:20:38,640
certain circumstances

587
00:20:42,710 --> 00:20:40,240
which are

588
00:20:45,669 --> 00:20:42,720

inevitably impossible to actually

589

00:20:48,230 --> 00:20:45,679

document in real time and

590

00:20:49,909 --> 00:20:48,240

um unfortunately when this happens

591

00:20:51,510 --> 00:20:49,919

people perfectly explained it all is a

592

00:20:52,870 --> 00:20:51,520

big huge hoax

593

00:20:55,510 --> 00:20:52,880

so

594

00:20:58,710 --> 00:20:55,520

it doesn't mean that

595

00:21:02,630 --> 00:20:58,720

it's not happening so yes there are

596

00:21:04,630 --> 00:21:02,640

powers in the area uh that are media

597

00:21:07,270 --> 00:21:04,640

related that are definitely making a

598

00:21:09,270 --> 00:21:07,280

killing um making money

599

00:21:10,630 --> 00:21:09,280

doing uh doing things that are

600

00:21:14,149 --> 00:21:10,640

entertainment

601
00:21:17,029 --> 00:21:14,159
the area that are

602
00:21:19,909 --> 00:21:17,039
making money providing entertainment

603
00:21:21,510 --> 00:21:19,919
take that for what it's worth however

604
00:21:22,470 --> 00:21:21,520
there are very

605
00:21:24,470 --> 00:21:22,480
real

606
00:21:26,270 --> 00:21:24,480
and you can take this to the bank

607
00:21:28,070 --> 00:21:26,280
very real

608
00:21:31,669 --> 00:21:28,080
manifestations

609
00:21:32,870 --> 00:21:31,679
of dark adepts trickster persona shape

610
00:21:33,830 --> 00:21:32,880
shifters

611
00:21:36,870 --> 00:21:33,840
and

612
00:21:40,630 --> 00:21:36,880
things such as cryptids elementals

613
00:21:42,950 --> 00:21:40,640

dogmen um whatever you want to call the

614

00:21:45,990 --> 00:21:42,960

trickster that has kind of permeated

615

00:21:48,870 --> 00:21:46,000

this this area it is shapeshifter

616

00:21:51,750 --> 00:21:48,880

territory there are very real and i

617

00:21:53,990 --> 00:21:51,760

cannot i cannot emphasize this enough

618

00:21:56,830 --> 00:21:54,000

very real things taking place which

619

00:21:59,830 --> 00:21:56,840

cannot be explained can you catch it on

620

00:22:02,070 --> 00:21:59,840

camera most of the time you can't i've

621

00:22:02,870 --> 00:22:02,080

tried i've got cameras all over the

622

00:22:04,870 --> 00:22:02,880

place

623

00:22:07,430 --> 00:22:04,880

and when the real you you might catch a

624

00:22:09,350 --> 00:22:07,440

little bit of the hui hit in the fan but

625

00:22:10,390 --> 00:22:09,360

for the real

626

00:22:14,070 --> 00:22:10,400

real

627

00:22:16,070 --> 00:22:14,080

epic just jaw dropping instances it's

628

00:22:17,510 --> 00:22:16,080

usually just out of frame the camera

629

00:22:19,110 --> 00:22:17,520

shuts down

630

00:22:21,350 --> 00:22:19,120

something else takes place there's

631

00:22:23,990 --> 00:22:21,360

technical difficulties there's a power

632

00:22:25,350 --> 00:22:24,000

outage for some reason strata networks

633

00:22:26,470 --> 00:22:25,360

doesn't have the internet running at

634

00:22:29,350 --> 00:22:26,480

that time

635

00:22:32,470 --> 00:22:29,360

the stuff happens when it happens and

636

00:22:33,430 --> 00:22:32,480

there's a that's i mean this is exactly

637

00:22:36,950 --> 00:22:33,440

why

638

00:22:39,750 --> 00:22:36,960

the unusual trickster has this this uh

639

00:22:41,750 --> 00:22:39,760

is appreciated by you know

640

00:22:44,950 --> 00:22:41,760

everyone because this is

641

00:22:46,710 --> 00:22:44,960

they they are patient they wait they

642

00:22:47,750 --> 00:22:46,720

wait for the right moment to do what

643

00:22:53,909 --> 00:22:47,760

they do

644

00:22:56,390 --> 00:22:53,919

it's gonna blow you away so i yes uh to

645

00:22:58,950 --> 00:22:56,400

answer kind of a lame answer but to

646

00:23:01,110 --> 00:22:58,960

answer your ques to answer your question

647

00:23:03,669 --> 00:23:01,120

in a realistic way

648

00:23:05,590 --> 00:23:03,679

it's a very real phenomena in my opinion

649

00:23:08,789 --> 00:23:05,600

it has been for some time we've been

650

00:23:11,270 --> 00:23:08,799

finding things that are not

651
00:23:14,149 --> 00:23:11,280
explicable or we're not there we've

652
00:23:16,950 --> 00:23:14,159
we've covered that property

653
00:23:19,830 --> 00:23:16,960
with uh investigators looking for things

654
00:23:22,149 --> 00:23:19,840
looking for items looking for tokens or

655
00:23:23,990 --> 00:23:22,159
things left behind by some of these

656
00:23:26,390 --> 00:23:24,000
things that are passing through many

657
00:23:29,590 --> 00:23:26,400
times and yet

658
00:23:32,310 --> 00:23:29,600
you'll go through for example with a

659
00:23:34,149 --> 00:23:32,320
metal detector and you'll go through

660
00:23:35,830 --> 00:23:34,159
certain areas quadra them off you know

661
00:23:37,830 --> 00:23:35,840
make sure that kind of in a checkerboard

662
00:23:39,270 --> 00:23:37,840
style you've covered all the bases

663
00:23:42,390 --> 00:23:39,280

you'll find very little you know

664

00:23:44,870 --> 00:23:42,400

remnants of a an rv we had there at the

665

00:23:47,669 --> 00:23:44,880

base camp at spacewolf research that got

666

00:23:50,390 --> 00:23:47,679

vaporized in the middle of the day by a

667

00:23:52,470 --> 00:23:50,400

seeming lightning bolt and you'll you'll

668

00:23:54,310 --> 00:23:52,480

catch little pieces of metal from that

669

00:23:55,669 --> 00:23:54,320

and little little bits of this and that

670

00:23:57,830 --> 00:23:55,679

but

671

00:23:59,190 --> 00:23:57,840

recently we've been walking through for

672

00:24:01,990 --> 00:23:59,200

example

673

00:24:03,590 --> 00:24:02,000

again just doing another run because why

674

00:24:05,990 --> 00:24:03,600

not you know what's the worst that can

675

00:24:09,269 --> 00:24:06,000

happen and we're finding completely

676

00:24:13,350 --> 00:24:09,279

different items we're finding uh

677

00:24:14,390 --> 00:24:13,360

a barrage of old coins from the 1800s

678

00:24:16,710 --> 00:24:14,400

that

679

00:24:19,830 --> 00:24:16,720

in my opinion i could be wrong maybe the

680

00:24:21,430 --> 00:24:19,840

wind kicked the dust off of them or my

681

00:24:23,430 --> 00:24:21,440

metal our metal detectors weren't

682

00:24:26,549 --> 00:24:23,440

working as good the first time

683

00:24:28,710 --> 00:24:26,559

but the amounts of these coins and the

684

00:24:30,070 --> 00:24:28,720

types of coins are absolutely

685

00:24:34,390 --> 00:24:30,080

mind-blowing

686

00:24:36,630 --> 00:24:34,400

and uh yeah the age the time period that

687

00:24:39,750 --> 00:24:36,640

they all seem to fit in

688

00:24:42,310 --> 00:24:39,760

is very odd um

689

00:24:44,230 --> 00:24:42,320

one particular coin was a chinese coin

690

00:24:47,190 --> 00:24:44,240

from the 1800s

691

00:24:50,230 --> 00:24:47,200

that was most likely uh

692

00:24:51,669 --> 00:24:50,240

that of a early businessman there in

693

00:24:52,789 --> 00:24:51,679

fort duchesne

694

00:24:55,510 --> 00:24:52,799

who

695

00:24:58,710 --> 00:24:55,520

was known to have um started the first

696

00:25:00,630 --> 00:24:58,720

mercantile um trading post for lack of a

697

00:25:03,909 --> 00:25:00,640

better word had two

698

00:25:06,149 --> 00:25:03,919

uh you tribal wives um really kind of a

699

00:25:07,110 --> 00:25:06,159

force of nature this guy

700

00:25:12,390 --> 00:25:07,120

and

701
00:25:13,350 --> 00:25:12,400
of this verdant valley that i like to

702
00:25:15,750 --> 00:25:13,360
call

703
00:25:17,669 --> 00:25:15,760
um you know the ufo corridor or

704
00:25:19,430 --> 00:25:17,679
shapeshifter territory

705
00:25:22,310 --> 00:25:19,440
and it's right on the same side of this

706
00:25:23,110 --> 00:25:22,320
base camp known as space wolf research

707
00:25:25,510 --> 00:25:23,120
and

708
00:25:29,190 --> 00:25:25,520
it's it's interesting the things you

709
00:25:30,630 --> 00:25:29,200
find we have found little altars

710
00:25:34,070 --> 00:25:30,640
recently

711
00:25:36,310 --> 00:25:34,080
that appear to be made of skulls wood

712
00:25:38,149 --> 00:25:36,320
and rocks that are placed in such a way

713
00:25:40,710 --> 00:25:38,159

that

714

00:25:41,669 --> 00:25:40,720

man i mean

715

00:25:42,950 --> 00:25:41,679

they're

716

00:25:45,110 --> 00:25:42,960

you're a smart guy and you're very

717

00:25:47,110 --> 00:25:45,120

discerning i really actually

718

00:25:48,950 --> 00:25:47,120

if and i'm you have a beautiful wife and

719

00:25:50,630 --> 00:25:48,960

kids so you're you're family life you're

720

00:25:53,029 --> 00:25:50,640

you're set that's your that's your path

721

00:25:54,470 --> 00:25:53,039

but if you were a single guy dude i'd be

722

00:25:55,750 --> 00:25:54,480

knocking on your door every day dragging

723

00:25:57,190 --> 00:25:55,760

you out there because you'd be the

724

00:25:58,470 --> 00:25:57,200

perfect research partner as far as i'm

725

00:26:00,870 --> 00:25:58,480

concerned

726
00:26:02,710 --> 00:26:00,880
it is it's it's one of those things this

727
00:26:05,750 --> 00:26:02,720
i you know i

728
00:26:07,590 --> 00:26:05,760
and i'm naturally i'm kind of i'm

729
00:26:09,669 --> 00:26:07,600
blessed to have the family life because

730
00:26:13,190 --> 00:26:09,679
if not i would probably be completely

731
00:26:14,710 --> 00:26:13,200
mad i'm already pretty crazy but

732
00:26:15,990 --> 00:26:14,720
you're not as crazy as me though that's

733
00:26:16,740 --> 00:26:16,000
what i like about you though you kind of

734
00:26:18,230 --> 00:26:16,750
keep me grounded

735
00:26:19,909 --> 00:26:18,240
[Laughter]

736
00:26:21,909 --> 00:26:19,919
but it's outrageous as you mentioned

737
00:26:24,310 --> 00:26:21,919
it's outrageous the things happening in

738
00:26:26,710 --> 00:26:24,320

certain parts of the southwest here in

739

00:26:28,470 --> 00:26:26,720

the united states and other places

740

00:26:31,190 --> 00:26:28,480

you know these shapeshifters these

741

00:26:32,870 --> 00:26:31,200

hitchhikers that seem to be mysteriously

742

00:26:33,990 --> 00:26:32,880

attaching themselves actually hold on

743

00:26:36,789 --> 00:26:34,000

let me cut you off you mentioned

744

00:26:38,630 --> 00:26:36,799

hitchhikers so i've heard these stories

745

00:26:40,630 --> 00:26:38,640

and i don't dis and i don't disbelieve

746

00:26:42,149 --> 00:26:40,640

them but have you personally or do you

747

00:26:43,990 --> 00:26:42,159

know anyone personally

748

00:26:46,230 --> 00:26:44,000

not the guys that worked at skinwalker

749

00:26:48,630 --> 00:26:46,240

ranch or that still work there have you

750

00:26:50,789 --> 00:26:48,640

got any kind of evidence or information

751
00:26:53,029 --> 00:26:50,799
that might lead us to believe that that

752
00:26:55,750 --> 00:26:53,039
this that this is real or that it's more

753
00:26:56,870 --> 00:26:55,760
real than people realize 100 percent man

754
00:26:58,310 --> 00:26:56,880
100

755
00:27:01,430 --> 00:26:58,320
there's

756
00:27:04,470 --> 00:27:01,440
it can be attributed to many things and

757
00:27:06,870 --> 00:27:04,480
you know it could be it's very gin like

758
00:27:09,830 --> 00:27:06,880
to not get middle eastern on it but it's

759
00:27:12,950 --> 00:27:09,840
very gin like these invisible forces

760
00:27:14,870 --> 00:27:12,960
these beings which aren't visible to us

761
00:27:17,510 --> 00:27:14,880
but yet they inhabit

762
00:27:20,549 --> 00:27:17,520
this earth and it seems as if they can

763
00:27:22,149 --> 00:27:20,559

cause these um

764

00:27:25,029 --> 00:27:22,159

these attachments these quantum

765

00:27:27,990 --> 00:27:25,039

entanglements in certain areas near

766

00:27:29,909 --> 00:27:28,000

vortexes and portals

767

00:27:32,070 --> 00:27:29,919

and high strangeness they can they can

768

00:27:33,190 --> 00:27:32,080

quantumly entangle themselves with the

769

00:27:35,590 --> 00:27:33,200

observer

770

00:27:38,310 --> 00:27:35,600

and then go home with them for lack of a

771

00:27:39,750 --> 00:27:38,320

better word and manifest

772

00:27:42,230 --> 00:27:39,760

at will

773

00:27:44,630 --> 00:27:42,240

the thing i've noticed the most

774

00:27:47,190 --> 00:27:44,640

is um

775

00:27:49,110 --> 00:27:47,200

children's toys here because i have kids

776
00:27:51,110 --> 00:27:49,120
we've got many children's toys in the

777
00:27:52,149 --> 00:27:51,120
backyard that are electronically

778
00:27:54,310 --> 00:27:52,159
operated

779
00:27:56,310 --> 00:27:54,320
they uh have batteries or you plug them

780
00:27:59,590 --> 00:27:56,320
into the wall little riding scooters

781
00:28:03,269 --> 00:27:59,600
little writing you know silly stuff

782
00:28:06,870 --> 00:28:03,279
sometimes these things will all fire up

783
00:28:08,950 --> 00:28:06,880
and it's enough to just

784
00:28:11,669 --> 00:28:08,960
you just want to shriek with this

785
00:28:13,669 --> 00:28:11,679
mysterious threat that kind of and i

786
00:28:15,350 --> 00:28:13,679
know i i've been in this game long

787
00:28:16,870 --> 00:28:15,360
enough that i know that it's just

788
00:28:19,029 --> 00:28:16,880

wanting attention and it wants

789

00:28:20,310 --> 00:28:19,039

interaction that's the beautiful thing

790

00:28:22,310 --> 00:28:20,320

about the trickster and what i love

791

00:28:24,710 --> 00:28:22,320

about it so much it just it wants to

792

00:28:27,830 --> 00:28:24,720

communicate any way it can

793

00:28:30,630 --> 00:28:27,840

however i've heard very tragic other

794

00:28:32,870 --> 00:28:30,640

circumstances where it manifests in much

795

00:28:35,669 --> 00:28:32,880

darker malevolent ways so i guess i'm

796

00:28:37,909 --> 00:28:35,679

blessed that it's usually quite playful

797

00:28:40,630 --> 00:28:37,919

in my opinion

798

00:28:42,389 --> 00:28:40,640

but it is also if you're not used to it

799

00:28:45,350 --> 00:28:42,399

or ready for it it can definitely freak

800

00:28:47,430 --> 00:28:45,360

you out i recently had my mom

801
00:28:49,029 --> 00:28:47,440
up there at the base camp at spacewolf

802
00:28:49,909 --> 00:28:49,039
research and

803
00:28:52,549 --> 00:28:49,919
she

804
00:28:55,269 --> 00:28:52,559
uh took a backpack

805
00:28:57,269 --> 00:28:55,279
and um

806
00:28:59,190 --> 00:28:57,279
to to put it lightly this thing was

807
00:29:00,789 --> 00:28:59,200
pretty packed with stuff

808
00:29:02,070 --> 00:29:00,799
you know she said i definitely want to

809
00:29:03,669 --> 00:29:02,080
stay out there with you she's a little

810
00:29:05,269 --> 00:29:03,679
older in age i'm like mom i'm not sure

811
00:29:07,510 --> 00:29:05,279
if you want to stay out there and she's

812
00:29:10,549 --> 00:29:07,520
like oh yeah you know i'm used to this

813
00:29:13,350 --> 00:29:10,559

tie this doesn't scare me

814

00:29:16,389 --> 00:29:13,360

and uh we had a couple events out there

815

00:29:20,230 --> 00:29:16,399

that were very inexplicable um very

816

00:29:22,950 --> 00:29:20,240

frightening one event was a

817

00:29:25,510 --> 00:29:22,960

well i'll just tell you what happened i

818

00:29:28,310 --> 00:29:25,520

it was about 1 15 a.m

819

00:29:30,389 --> 00:29:28,320

and i heard outside i heard what sounded

820

00:29:32,870 --> 00:29:30,399

like my car doors opening and closing

821

00:29:34,310 --> 00:29:32,880

which is actually quite common

822

00:29:35,990 --> 00:29:34,320

and that's

823

00:29:37,350 --> 00:29:36,000

i've had this happen before and others

824

00:29:40,549 --> 00:29:37,360

have as well

825

00:29:42,710 --> 00:29:40,559

and i looked up and out and from where

826

00:29:44,870 --> 00:29:42,720

we were sleeping and i saw what appeared

827

00:29:45,830 --> 00:29:44,880

to be two flashlights going around the

828

00:29:47,990 --> 00:29:45,840

car

829

00:29:49,990 --> 00:29:48,000

so i was still kind of waking up i said

830

00:29:51,590 --> 00:29:50,000

mom i'm gonna put my boots on and go out

831

00:29:53,510 --> 00:29:51,600

there i think couple people might be

832

00:29:56,230 --> 00:29:53,520

messing with the rig

833

00:29:57,830 --> 00:29:56,240

i went out the uh

834

00:29:59,510 --> 00:29:57,840

i went out of the sleeping quarters

835

00:30:02,470 --> 00:29:59,520

towards the vehicle

836

00:30:05,590 --> 00:30:02,480

and i was very still very quiet i heard

837

00:30:08,870 --> 00:30:05,600

zero footsteps saw zero lights there was

838

00:30:10,870 --> 00:30:08,880

absolutely no nothing and nobody there

839

00:30:11,750 --> 00:30:10,880

well then i saw

840

00:30:23,590 --> 00:30:11,760

a

841

00:30:26,230 --> 00:30:23,600

ground

842

00:30:27,430 --> 00:30:26,240

it had zero point of origin

843

00:30:29,350 --> 00:30:27,440

um

844

00:30:31,830 --> 00:30:29,360

you could not you could not see where it

845

00:30:33,510 --> 00:30:31,840

was coming from it had an angle to it

846

00:30:35,510 --> 00:30:33,520

which could perfectly be seen but there

847

00:30:38,230 --> 00:30:35,520

was no origin like there was nothing

848

00:30:41,269 --> 00:30:38,240

there it was coming from nowhere

849

00:30:43,350 --> 00:30:41,279

and i even got in the spotlight

850

00:30:46,230 --> 00:30:43,360

this beam of light coming down on the

851

00:30:48,710 --> 00:30:46,240

ground near the campfire ring

852

00:30:51,269 --> 00:30:48,720

and i was trying to cast a shadow onto

853

00:30:53,029 --> 00:30:51,279

the ground and i could not cast a shadow

854

00:30:56,870 --> 00:30:53,039

at this point i'm thinking is this real

855

00:30:58,870 --> 00:30:56,880

light by now my mom had come and she was

856

00:31:00,149 --> 00:30:58,880

witnessing what was taking place and she

857

00:31:01,509 --> 00:31:00,159

yelled my name

858

00:31:03,430 --> 00:31:01,519

and to her it must have looked like i

859

00:31:06,310 --> 00:31:03,440

was being abducted by aliens because

860

00:31:09,909 --> 00:31:06,320

there was a spotlight of this this light

861

00:31:12,389 --> 00:31:09,919

coming out of you know the air i'm in it

862

00:31:14,310 --> 00:31:12,399

near the campfire ring

863

00:31:16,710 --> 00:31:14,320

and i said get over here mom come here

864

00:31:18,870 --> 00:31:16,720

it's totally harmless and she walked

865

00:31:20,070 --> 00:31:18,880

over and came over and she stood in the

866

00:31:22,710 --> 00:31:20,080

light with me

867

00:31:24,630 --> 00:31:22,720

and i showed her how you could not

868

00:31:26,310 --> 00:31:24,640

cast a shadow on it

869

00:31:27,909 --> 00:31:26,320

and then it would go off and then it

870

00:31:28,710 --> 00:31:27,919

would come back on

871

00:31:31,350 --> 00:31:28,720

and

872

00:31:35,110 --> 00:31:31,360

anyway the the function was she she

873

00:31:37,190 --> 00:31:35,120

remains a believer at this point by any

874

00:31:39,830 --> 00:31:37,200

any

875

00:31:41,990 --> 00:31:39,840

measurement and uh

876
00:31:43,830 --> 00:31:42,000
back to the not to get tangential but

877
00:31:44,630 --> 00:31:43,840
back to the backpack she brought on this

878
00:31:47,830 --> 00:31:44,640
trip

879
00:31:49,909 --> 00:31:47,840
when when we got back uh we were in

880
00:31:51,830 --> 00:31:49,919
actually we were down in southern utah

881
00:31:55,190 --> 00:31:51,840
checking something else out

882
00:31:57,269 --> 00:31:55,200
and um she put her backpack up on the

883
00:32:00,070 --> 00:31:57,279
bed of this hotel

884
00:32:02,389 --> 00:32:00,080
and that backpack which was very loaded

885
00:32:05,110 --> 00:32:02,399
with a lot of stuff quite heavy

886
00:32:07,509 --> 00:32:05,120
flew off the bed we both witnessed it it

887
00:32:09,669 --> 00:32:07,519
just flew off the bed

888
00:32:11,350 --> 00:32:09,679

and she looked at me like a rocket you

889

00:32:13,509 --> 00:32:11,360

know and she looked at me and she's like

890

00:32:15,590 --> 00:32:13,519

you're kidding me and i said now you

891

00:32:17,830 --> 00:32:15,600

know this this happens don't freak out

892

00:32:20,549 --> 00:32:17,840

about it it's quite normal

893

00:32:23,190 --> 00:32:20,559

and i i tried to kind of rather nicely

894

00:32:24,630 --> 00:32:23,200

capture the uh idea of the hitchhiker

895

00:32:27,909 --> 00:32:24,640

effect to her so that it didn't scare

896

00:32:31,190 --> 00:32:27,919

her but it it's very real so um to the

897

00:32:34,549 --> 00:32:31,200

naysayers i get it there is a human

898

00:32:36,389 --> 00:32:34,559

aspect that monopolizes monetarily on

899

00:32:38,310 --> 00:32:36,399

some of these things that's you know

900

00:32:40,389 --> 00:32:38,320

given the track record of humanity that

901
00:32:43,350 --> 00:32:40,399
is just the way things work themselves

902
00:32:44,950 --> 00:32:43,360
out but it doesn't mean that it's not

903
00:32:48,389 --> 00:32:44,960
really happening i mean just because

904
00:32:50,710 --> 00:32:48,399
there's a lemonade stand in front of old

905
00:32:52,470 --> 00:32:50,720
faithful the geyser it doesn't mean the

906
00:32:54,389 --> 00:32:52,480
geyser's not real it just means you can

907
00:32:55,669 --> 00:32:54,399
get a glass of lemonade on the way to

908
00:32:56,870 --> 00:32:55,679
see it so

909
00:32:59,190 --> 00:32:56,880
i don't know if that answers your

910
00:33:01,350 --> 00:32:59,200
question no that does that that's uh

911
00:33:02,630 --> 00:33:01,360
that's interesting because um

912
00:33:07,350 --> 00:33:02,640
you know

913
00:33:09,430 --> 00:33:07,360

finding bigfoot searching for bigfoot

914

00:33:11,190 --> 00:33:09,440

going you know of all these shows

915

00:33:12,950 --> 00:33:11,200

uh that they've had and then now they've

916

00:33:14,549 --> 00:33:12,960

got the skinwalker show and they've had

917

00:33:16,389 --> 00:33:14,559

that for a while they've got the blind

918

00:33:17,830 --> 00:33:16,399

frog ranch show and

919

00:33:19,350 --> 00:33:17,840

there's there's like what was it what's

920

00:33:21,350 --> 00:33:19,360

that show where there or those two

921

00:33:23,909 --> 00:33:21,360

brothers are always digging for gold

922

00:33:26,070 --> 00:33:23,919

that's been on for 10 years now what's

923

00:33:27,250 --> 00:33:26,080

oh is this the uh

924

00:33:28,549 --> 00:33:27,260

well there's so many

925

00:33:30,310 --> 00:33:28,559

[Laughter]

926

00:33:32,310 --> 00:33:30,320

there's so many the brother

927

00:33:33,430 --> 00:33:32,320

the brothers i'm trying to two brothers

928

00:33:35,269 --> 00:33:33,440

they're they're out there they've been

929

00:33:37,269 --> 00:33:35,279

digging for something like lost treasure

930

00:33:39,269 --> 00:33:37,279

on this island oak island oh yeah yeah

931

00:33:41,110 --> 00:33:39,279

yeah okay yeah so

932

00:33:43,190 --> 00:33:41,120

so i mean if you if you watch these

933

00:33:45,509 --> 00:33:43,200

shows and you follow the narrative and

934

00:33:47,269 --> 00:33:45,519

then you here's here's my interpretation

935

00:33:49,110 --> 00:33:47,279

of what's happening is uh

936

00:33:51,830 --> 00:33:49,120

the people that are allowed to have

937

00:33:53,750 --> 00:33:51,840

these shows and i say allowed to and i

938

00:33:55,909 --> 00:33:53,760

don't mean that and i mean it you know

939

00:33:58,149 --> 00:33:55,919

what i mean it's like you know you could

940

00:33:59,990 --> 00:33:58,159

have a show for example but unless

941

00:34:02,710 --> 00:34:00,000

you're going to subscribe to the

942

00:34:04,710 --> 00:34:02,720

narrative and the protocol they're not

943

00:34:07,350 --> 00:34:04,720

going to give you the show

944

00:34:08,550 --> 00:34:07,360

so i it's my my impression is that some

945

00:34:10,310 --> 00:34:08,560

of these shows

946

00:34:12,149 --> 00:34:10,320

um they're they're using this

947

00:34:13,829 --> 00:34:12,159

information because they know it's real

948

00:34:15,349 --> 00:34:13,839

but they're kind of down playing it

949

00:34:17,750 --> 00:34:15,359

sugar coating it a little bit kind of

950

00:34:19,030 --> 00:34:17,760

maybe even making it seem not as freaky

951

00:34:20,470 --> 00:34:19,040

as it is but

952

00:34:23,030 --> 00:34:20,480

but the the deal is there it's a

953

00:34:24,790 --> 00:34:23,040

narrative control situation like i i it

954

00:34:26,869 --> 00:34:24,800

seems to me like even the skinwalker

955

00:34:28,470 --> 00:34:26,879

show um and i'm not talking trash about

956

00:34:30,069 --> 00:34:28,480

the skinwalkers though i mean i i don't

957

00:34:31,750 --> 00:34:30,079

really i don't watch it anymore i

958

00:34:33,909 --> 00:34:31,760

watched it in the beginning but i didn't

959

00:34:34,629 --> 00:34:33,919

get a vibe from it that really told me

960

00:34:40,629 --> 00:34:34,639

that

961

00:34:42,470 --> 00:34:40,639

it just it had a kind of a intelligence

962

00:34:44,550 --> 00:34:42,480

vibe to it you know what i said just

963

00:34:46,629 --> 00:34:44,560

this guy and travis now apparently

964

00:34:48,470 --> 00:34:46,639

admitted that he was uh

965

00:34:50,230 --> 00:34:48,480

part of you know

966

00:34:51,909 --> 00:34:50,240

they somehow these guys always get on

967

00:34:54,310 --> 00:34:51,919

these shows that either used to work for

968

00:34:55,750 --> 00:34:54,320

the cia maybe they were contractors or

969

00:34:57,430 --> 00:34:55,760

maybe they didn't work for the cia maybe

970

00:34:59,270 --> 00:34:57,440

they worked for some other agency but

971

00:35:01,270 --> 00:34:59,280

the point is that all the information

972

00:35:03,270 --> 00:35:01,280

that's coming out in these shows is

973

00:35:05,190 --> 00:35:03,280

monitored in my opinion it is carefully

974

00:35:07,430 --> 00:35:05,200

crafted and maybe they

975

00:35:09,430 --> 00:35:07,440

what it appears is happening is things

976
00:35:11,349 --> 00:35:09,440
are happening but they are never able to

977
00:35:13,910 --> 00:35:11,359
capture it on video so they just

978
00:35:15,990 --> 00:35:13,920
recreate it and then they put it on tv

979
00:35:17,829 --> 00:35:16,000
so they let people know that yeah this

980
00:35:19,510 --> 00:35:17,839
happened and then here it is no big deal

981
00:35:21,910 --> 00:35:19,520
don't worry about it and it kind of

982
00:35:23,670 --> 00:35:21,920
satisfies people's curiosity but but

983
00:35:25,270 --> 00:35:23,680
it's all sugar-coated right do you get

984
00:35:28,150 --> 00:35:25,280
that impression too

985
00:35:31,190 --> 00:35:28,160
you have brought up something so big uh

986
00:35:32,150 --> 00:35:31,200
to include in this podcast and that is

987
00:35:34,150 --> 00:35:32,160
um

988
00:35:37,990 --> 00:35:34,160

the important

989

00:35:39,270 --> 00:35:38,000

possibly the most important thing about

990

00:35:41,030 --> 00:35:39,280

these uh

991

00:35:42,109 --> 00:35:41,040

the these

992

00:35:46,069 --> 00:35:42,119

media

993

00:35:48,630 --> 00:35:46,079

organizations um i i'm currently i have

994

00:35:51,109 --> 00:35:48,640

been for some time and i

995

00:35:53,670 --> 00:35:51,119

been approached by

996

00:35:54,630 --> 00:35:53,680

these television conglomerates

997

00:35:56,550 --> 00:35:54,640

and

998

00:35:57,589 --> 00:35:56,560

they

999

00:35:59,990 --> 00:35:57,599

want

1000

00:36:02,069 --> 00:36:00,000

and

1001
00:36:05,589 --> 00:36:02,079
it's it's tough because i play ball a

1002
00:36:07,030 --> 00:36:05,599
little bit back and forth with the uh

1003
00:36:08,550 --> 00:36:07,040
with the holding agreements here and

1004
00:36:09,910 --> 00:36:08,560
there and the

1005
00:36:12,870 --> 00:36:09,920
and um

1006
00:36:14,150 --> 00:36:12,880
for times short time periods ndas and

1007
00:36:16,069 --> 00:36:14,160
you know

1008
00:36:18,230 --> 00:36:16,079
going back and forth with the zoom

1009
00:36:19,349 --> 00:36:18,240
meetings and seeing if there's chemistry

1010
00:36:21,430 --> 00:36:19,359
tests

1011
00:36:24,069 --> 00:36:21,440
uh to see if you get along with other

1012
00:36:26,950 --> 00:36:24,079
people they want to have on the shows

1013
00:36:29,910 --> 00:36:26,960

now the the phenomenal thing is and this

1014

00:36:31,430 --> 00:36:29,920

is why i'm probably a problem

1015

00:36:35,910 --> 00:36:31,440

is

1016

00:36:37,349 --> 00:36:35,920

there's so much real

1017

00:36:41,589 --> 00:36:37,359

real

1018

00:36:42,870 --> 00:36:41,599

decision

1019

00:36:46,310 --> 00:36:42,880

that

1020

00:36:48,710 --> 00:36:46,320

it it's got it's got to be a real tasty

1021

00:36:49,589 --> 00:36:48,720

bait on that hook for me to bite

1022

00:36:52,310 --> 00:36:49,599

and

1023

00:36:53,190 --> 00:36:52,320

um because i don't want to give up the

1024

00:36:55,190 --> 00:36:53,200

reel

1025

00:36:56,950 --> 00:36:55,200

for something that

1026
00:37:00,069 --> 00:36:56,960
is uh

1027
00:37:02,630 --> 00:37:00,079
manufactured it's somewhat yeah a little

1028
00:37:04,710 --> 00:37:02,640
bit uh fully manufactured it's like a

1029
00:37:06,710 --> 00:37:04,720
hybrid story that's got truth and

1030
00:37:08,470 --> 00:37:06,720
manufacturing blended together for the

1031
00:37:11,190 --> 00:37:08,480
television on the audience is what it

1032
00:37:13,109 --> 00:37:11,200
seems like it does i've had some tv

1033
00:37:16,069 --> 00:37:13,119
experience and i know it's a slippery

1034
00:37:19,109 --> 00:37:16,079
slope so the temptation is there

1035
00:37:20,470 --> 00:37:19,119
um i'm i'm always in talks i'm currently

1036
00:37:22,550 --> 00:37:20,480
in talks

1037
00:37:24,470 --> 00:37:22,560
and it is

1038
00:37:29,109 --> 00:37:24,480

i'm not against it

1039

00:37:30,630 --> 00:37:29,119

but i i have to be very true to myself

1040

00:37:32,710 --> 00:37:30,640

because

1041

00:37:35,750 --> 00:37:32,720

it's difficult there are humans are a

1042

00:37:37,349 --> 00:37:35,760

gullible lot and um

1043

00:37:40,790 --> 00:37:37,359

they're always ready to believe

1044

00:37:43,190 --> 00:37:40,800

something and they they

1045

00:37:45,349 --> 00:37:43,200

i understand that we all want to believe

1046

00:37:46,390 --> 00:37:45,359

that our existence here

1047

00:37:50,710 --> 00:37:46,400

is

1048

00:37:52,950 --> 00:37:50,720

that we can't see because then that that

1049

00:37:55,670 --> 00:37:52,960

adds credence to the afterlife or the

1050

00:37:58,630 --> 00:37:55,680

possibility of reincarnation or other

1051
00:38:01,349 --> 00:37:58,640
species and i'm all about that i'm i'm

1052
00:38:03,910 --> 00:38:01,359
with that 100 percent if i could

1053
00:38:05,030 --> 00:38:03,920
somehow legitimately prove that to the

1054
00:38:09,190 --> 00:38:05,040
masses

1055
00:38:10,790 --> 00:38:09,200
in a way that is um structured correctly

1056
00:38:11,510 --> 00:38:10,800
and not

1057
00:38:13,829 --> 00:38:11,520
not

1058
00:38:15,670 --> 00:38:13,839
over inflated or blown out of proportion

1059
00:38:17,990 --> 00:38:15,680
i'd be the first one to sign in blood on

1060
00:38:19,950 --> 00:38:18,000
that document and be like let's do it

1061
00:38:22,870 --> 00:38:19,960
but yeah

1062
00:38:25,750 --> 00:38:22,880
unfortunately there's undoubtedly these

1063
00:38:27,349 --> 00:38:25,760

forces that i mean you've got to

1064

00:38:29,270 --> 00:38:27,359

i think the term

1065

00:38:30,470 --> 00:38:29,280

in hollywood is jumping the shark there

1066

00:38:32,710 --> 00:38:30,480

was a

1067

00:38:34,790 --> 00:38:32,720

there was uh you know

1068

00:38:37,750 --> 00:38:34,800

the uh

1069

00:38:39,829 --> 00:38:37,760

basically there was a tv series

1070

00:38:43,109 --> 00:38:39,839

um oh i cannot remember the name of it

1071

00:38:45,589 --> 00:38:43,119

what's the fonz the fonz was on it

1072

00:38:48,550 --> 00:38:45,599

the happy days and they kept having to

1073

00:38:50,870 --> 00:38:48,560

get you know more and more watchers and

1074

00:38:53,430 --> 00:38:50,880

i think the fawns this particular

1075

00:38:54,630 --> 00:38:53,440

episode the fonz was out

1076
00:38:56,950 --> 00:38:54,640
surfing

1077
00:38:59,990 --> 00:38:56,960
you know with his perfect hair

1078
00:39:01,750 --> 00:39:00,000
and i remember that

1079
00:39:03,829 --> 00:39:01,760
and a shark

1080
00:39:06,230 --> 00:39:03,839
a shark tries to attack him and he jumps

1081
00:39:08,550 --> 00:39:06,240
over the shark and so they call it

1082
00:39:10,390 --> 00:39:08,560
jumping the shark in media

1083
00:39:12,630 --> 00:39:10,400
and that's the problem eventually you're

1084
00:39:15,750 --> 00:39:12,640
gonna have to jump over the shark or do

1085
00:39:18,710 --> 00:39:15,760
something that is that goes against your

1086
00:39:20,870 --> 00:39:18,720
morals in some way shape or form either

1087
00:39:22,950 --> 00:39:20,880
recreating something or making something

1088
00:39:25,670 --> 00:39:22,960

seem a bigger deal than it really is and

1089

00:39:28,550 --> 00:39:25,680

i have i've i've unfortunately i do have

1090

00:39:30,710 --> 00:39:28,560

some issues with that so i do too yeah

1091

00:39:32,390 --> 00:39:30,720

it sucks it sucks i wish i would

1092

00:39:33,670 --> 00:39:32,400

sometimes i wish i was more sheeple in

1093

00:39:35,589 --> 00:39:33,680

nature

1094

00:39:37,750 --> 00:39:35,599

well you know here's the deal they they

1095

00:39:39,910 --> 00:39:37,760

seem to okay here's my opinion this is

1096

00:39:41,430 --> 00:39:39,920

and i i have no evidence i'm not gonna

1097

00:39:42,550 --> 00:39:41,440

if i did have evidence i'm not going to

1098

00:39:45,109 --> 00:39:42,560

provide it but i'm just going to tell

1099

00:39:47,190 --> 00:39:45,119

you my opinion is that these people that

1100

00:39:49,030 --> 00:39:47,200

are able to be a part of these shows

1101

00:39:52,150 --> 00:39:49,040

some of them i believe

1102

00:39:55,990 --> 00:39:53,990

with this right they

1103

00:39:58,069 --> 00:39:56,000

in all likelihood they have had

1104

00:39:59,990 --> 00:39:58,079

conversations with with some el

1105

00:40:02,069 --> 00:40:00,000

intelligence agency and they've been

1106

00:40:03,990 --> 00:40:02,079

approved to do to be a part of these

1107

00:40:05,190 --> 00:40:04,000

shows okay i'll just say that part the

1108

00:40:07,109 --> 00:40:05,200

other part would be

1109

00:40:08,710 --> 00:40:07,119

some of the guys that that might be

1110

00:40:10,710 --> 00:40:08,720

working on the show that are actually

1111

00:40:12,390 --> 00:40:10,720

there on you know being seen in the

1112

00:40:14,630 --> 00:40:12,400

videos like look whether they're

1113

00:40:16,069 --> 00:40:14,640

security or whatever or they're just

1114

00:40:17,990 --> 00:40:16,079

there because they've got a title that

1115

00:40:19,109 --> 00:40:18,000

they were a scientist or a physicist or

1116

00:40:21,510 --> 00:40:19,119

they're a

1117

00:40:23,990 --> 00:40:21,520

bodyguard whatever their title is and

1118

00:40:26,710 --> 00:40:24,000

they they might get you know who knows 5

1119

00:40:27,990 --> 00:40:26,720

000 10 000 15 000 an episode whatever

1120

00:40:29,670 --> 00:40:28,000

the number is

1121

00:40:31,670 --> 00:40:29,680

and to them

1122

00:40:33,510 --> 00:40:31,680

in their in their world

1123

00:40:35,910 --> 00:40:33,520

that's a nice paycheck and they don't

1124

00:40:36,870 --> 00:40:35,920

really have any skin in the game

1125

00:40:38,390 --> 00:40:36,880

and

1126
00:40:40,470 --> 00:40:38,400
they get to be they get to have a little

1127
00:40:42,710 --> 00:40:40,480
popularity you know they get to show up

1128
00:40:44,870 --> 00:40:42,720
at these conferences and you get people

1129
00:40:46,790 --> 00:40:44,880
flocking to them and and so maybe that's

1130
00:40:48,950 --> 00:40:46,800
what maybe there's some ego involved in

1131
00:40:50,470 --> 00:40:48,960
driving them to just go ahead and just

1132
00:40:51,750 --> 00:40:50,480
say you know what i'm not in this for

1133
00:40:53,270 --> 00:40:51,760
the research

1134
00:40:54,710 --> 00:40:53,280
i'm in this because it's it's

1135
00:40:55,589 --> 00:40:54,720
interesting it's fun and i'm getting

1136
00:40:57,589 --> 00:40:55,599
paid

1137
00:40:58,870 --> 00:40:57,599
so you're not getting the full sincere

1138
00:41:00,550 --> 00:40:58,880

genuine

1139

00:41:02,790 --> 00:41:00,560

um impression

1140

00:41:04,829 --> 00:41:02,800

that that really actually exists if you

1141

00:41:09,190 --> 00:41:04,839

were there in person to experience it

1142

00:41:12,550 --> 00:41:09,200

yourself man you just dropped a serious

1143

00:41:14,630 --> 00:41:12,560

this is so true man serious serious

1144

00:41:15,430 --> 00:41:14,640

knowledge bomb because

1145

00:41:17,190 --> 00:41:15,440

yes

1146

00:41:19,030 --> 00:41:17,200

there is always

1147

00:41:21,430 --> 00:41:19,040

something motivating and

1148

00:41:22,550 --> 00:41:21,440

i i don't want to name names but yes

1149

00:41:24,069 --> 00:41:22,560

there are

1150

00:41:26,950 --> 00:41:24,079

a lot of times with this okay for

1151

00:41:30,069 --> 00:41:26,960

example um this recent uh

1152

00:41:32,470 --> 00:41:30,079

whoops or oh just so you know

1153

00:41:34,550 --> 00:41:32,480

the uh nasa scientist

1154

00:41:36,390 --> 00:41:34,560

is this guy and he just happens to be

1155

00:41:40,470 --> 00:41:36,400

doing this for this

1156

00:41:43,829 --> 00:41:40,480

there is even another layer to this

1157

00:41:46,150 --> 00:41:43,839

and and that layer is

1158

00:41:48,470 --> 00:41:46,160

well i guess there's more nasa

1159

00:41:51,270 --> 00:41:48,480

scientists that have been involved in

1160

00:41:53,349 --> 00:41:51,280

the true invisible college

1161

00:41:55,670 --> 00:41:53,359

who are being protected

1162

00:41:58,230 --> 00:41:55,680

by the very fact

1163

00:42:01,190 --> 00:41:58,240

that this name was leaked to kind of

1164

00:42:02,390 --> 00:42:01,200

draw attention as a decoy from them

1165

00:42:03,829 --> 00:42:02,400

and

1166

00:42:05,510 --> 00:42:03,839

so you're absolutely right the

1167

00:42:08,150 --> 00:42:05,520

intelligence community is always

1168

00:42:10,470 --> 00:42:08,160

involved and um

1169

00:42:14,230 --> 00:42:10,480

this particular individual

1170

00:42:17,510 --> 00:42:14,240

i won't name him but he is known as

1171

00:42:20,150 --> 00:42:17,520

in diana pasulka's book american cosmic

1172

00:42:22,069 --> 00:42:20,160

he is known as tyler durden

1173

00:42:25,430 --> 00:42:22,079

i've heard of this guy yeah

1174

00:42:28,390 --> 00:42:26,710

oh boy

1175

00:42:30,309 --> 00:42:28,400

he is the

1176
00:42:31,510 --> 00:42:30,319
he's the real deal he's at the top he's

1177
00:42:33,270 --> 00:42:31,520
at the top of the chain up there

1178
00:42:35,750 --> 00:42:33,280
somewhere on the top of the the food

1179
00:42:38,550 --> 00:42:35,760
chain uh in terms of what's really he

1180
00:42:41,589 --> 00:42:38,560
knows right this guy

1181
00:42:43,910 --> 00:42:41,599
oh dude he he's a co-founder of endius

1182
00:42:46,150 --> 00:42:43,920
incorporated a surgical device company

1183
00:42:47,910 --> 00:42:46,160
specializing in spinal products he

1184
00:42:49,430 --> 00:42:47,920
started his career at nasa where he was

1185
00:42:53,109 --> 00:42:49,440
part of the space shuttle challenger

1186
00:42:54,470 --> 00:42:53,119
investigation he holds 13 patents and is

1187
00:42:56,630 --> 00:42:54,480
a frequent

1188
00:42:59,430 --> 00:42:56,640

lecturer to aspiring entrepreneurs he's

1189

00:43:01,670 --> 00:42:59,440

somebody that i truly admire some people

1190

00:43:03,510 --> 00:43:01,680

are super scared of him because

1191

00:43:06,470 --> 00:43:03,520

he is known to

1192

00:43:09,670 --> 00:43:06,480

document videotape and record every

1193

00:43:11,990 --> 00:43:09,680

conversation it reminds me of you but

1194

00:43:13,670 --> 00:43:12,000

i like that about you and so i don't see

1195

00:43:15,990 --> 00:43:13,680

that as a bad thing i see that as a

1196

00:43:18,309 --> 00:43:16,000

motivating thing but and you know his

1197

00:43:20,470 --> 00:43:18,319

explanation is i do this because i don't

1198

00:43:22,950 --> 00:43:20,480

want to forget anything what if i have a

1199

00:43:24,790 --> 00:43:22,960

super awesome conversation with somebody

1200

00:43:27,910 --> 00:43:24,800

we're investigating something that could

1201
00:43:31,349 --> 00:43:27,920
very well be mind-blowing from a cosmic

1202
00:43:32,390 --> 00:43:31,359
level and i don't want to miss

1203
00:43:35,109 --> 00:43:32,400
a beat

1204
00:43:37,109 --> 00:43:35,119
and that's why yeah i get it agree and

1205
00:43:39,670 --> 00:43:37,119
that's that's exactly why i do it it's

1206
00:43:41,190 --> 00:43:39,680
uh i've got dude i've got she's

1207
00:43:43,109 --> 00:43:41,200
if somebody i don't need i don't need

1208
00:43:45,030 --> 00:43:43,119
the money but i'll say this if somebody

1209
00:43:46,710 --> 00:43:45,040
came to me let's say

1210
00:43:48,230 --> 00:43:46,720
it would take at least

1211
00:43:50,470 --> 00:43:48,240
i don't want this to sound egotistical

1212
00:43:52,790 --> 00:43:50,480
it would take at least 100 grand

1213
00:43:54,390 --> 00:43:52,800

to get me to unload unleash my vault of

1214

00:43:55,589 --> 00:43:54,400

videos and recordings that i got i

1215

00:43:57,349 --> 00:43:55,599

wouldn't even

1216

00:43:58,950 --> 00:43:57,359

consider doing it i mean i've got

1217

00:44:01,109 --> 00:43:58,960

conversations that i had with clifford

1218

00:44:02,710 --> 00:44:01,119

mahouti that have never been played oh

1219

00:44:04,790 --> 00:44:02,720

man i've got information about clifford

1220

00:44:07,109 --> 00:44:04,800

mahouti from his son skip mahouty that i

1221

00:44:09,109 --> 00:44:07,119

recorded after he died at his home

1222

00:44:11,430 --> 00:44:09,119

that uh i'll share with you privately so

1223

00:44:13,190 --> 00:44:11,440

here's what's beautiful about this is uh

1224

00:44:14,550 --> 00:44:13,200

i could hear people like you i trust or

1225

00:44:16,550 --> 00:44:14,560

some other people i trust i'll share

1226

00:44:18,790 --> 00:44:16,560

privately this stuff but but you if i

1227

00:44:20,710 --> 00:44:18,800

put this out there uh on on the public

1228

00:44:22,630 --> 00:44:20,720

forum i'm gonna get attacked i'm gonna

1229

00:44:24,390 --> 00:44:22,640

get uh torn up you know and i don't want

1230

00:44:25,750 --> 00:44:24,400

to put my i get angry about that so i

1231

00:44:27,109 --> 00:44:25,760

just don't even bother sharing a lot of

1232

00:44:29,510 --> 00:44:27,119

the stuff that i have

1233

00:44:31,670 --> 00:44:29,520

because i'm not out to improve impress

1234

00:44:33,109 --> 00:44:31,680

anybody or i'm not trying to make money

1235

00:44:34,069 --> 00:44:33,119

off this i would have to drop a lot of

1236

00:44:36,069 --> 00:44:34,079

cash

1237

00:44:37,990 --> 00:44:36,079

even clifford stones another guy i mean

1238

00:44:39,829 --> 00:44:38,000

i i went to his house out in roswell i

1239

00:44:41,829 --> 00:44:39,839

think it was 2018

1240

00:44:43,910 --> 00:44:41,839

uh uh and and spent the whole day there

1241

00:44:46,870 --> 00:44:43,920

and got to be in his room and and saw

1242

00:44:48,950 --> 00:44:46,880

all his rooms full of files and he

1243

00:44:50,550 --> 00:44:48,960

showed me documents and i said he was

1244

00:44:52,550 --> 00:44:50,560

letting me take pictures of some of the

1245

00:44:54,150 --> 00:44:52,560

documents but then sometimes he would

1246

00:44:55,750 --> 00:44:54,160

every now that he'd bring out a document

1247

00:44:57,670 --> 00:44:55,760

he'd say now i'm going to show this to

1248

00:44:59,910 --> 00:44:57,680

you but you can't take a picture of this

1249

00:45:01,750 --> 00:44:59,920

but you can read it and so i would see

1250

00:45:03,750 --> 00:45:01,760

it and then i would say ah

1251
00:45:05,589 --> 00:45:03,760
so quickly stone isn't crazy he's not

1252
00:45:07,829 --> 00:45:05,599
just some crazy old man making up these

1253
00:45:11,190 --> 00:45:07,839
stories here's i've seen the documents

1254
00:45:13,190 --> 00:45:11,200
i've seen his research i've seen

1255
00:45:14,710 --> 00:45:13,200
so you know you're you just know after a

1256
00:45:16,870 --> 00:45:14,720
while through intuition through your own

1257
00:45:18,710 --> 00:45:16,880
experiences your own research who to

1258
00:45:20,950 --> 00:45:18,720
believe and who who maybe you don't want

1259
00:45:23,109 --> 00:45:20,960
to necessarily put the the approval on

1260
00:45:25,430 --> 00:45:23,119
yet but but yeah you could the puzzle

1261
00:45:26,790 --> 00:45:25,440
pieces can be put together and i feel

1262
00:45:28,390 --> 00:45:26,800
there are people out there that just

1263
00:45:30,470 --> 00:45:28,400

don't have the time or the ability to go

1264

00:45:32,390 --> 00:45:30,480

out and do this research but but yet

1265

00:45:33,750 --> 00:45:32,400

they they kind of stay on that skeptical

1266

00:45:35,990 --> 00:45:33,760

fence and sometimes that could be

1267

00:45:37,750 --> 00:45:36,000

irritating because they might be uh

1268

00:45:39,589 --> 00:45:37,760

you know putting some poo poo on places

1269

00:45:42,069 --> 00:45:39,599

like the skinwalker ranch and some of

1270

00:45:43,829 --> 00:45:42,079

these other places because the narrative

1271

00:45:45,109 --> 00:45:43,839

is being controlled and so they're

1272

00:45:47,349 --> 00:45:45,119

believing that the people that are

1273

00:45:49,190 --> 00:45:47,359

putting out the narrative are are

1274

00:45:50,470 --> 00:45:49,200

telling the truth but then they find out

1275

00:45:52,550 --> 00:45:50,480

that they're maybe they're not telling

1276
00:45:54,950 --> 00:45:52,560
the truth completely so then they try to

1277
00:45:56,870 --> 00:45:54,960
debunk the whole thing and i'm like no

1278
00:45:58,710 --> 00:45:56,880
no no no don't kill the baby out with

1279
00:46:00,870 --> 00:45:58,720
the bad bath water that's not what's

1280
00:46:03,030 --> 00:46:00,880
happening but i can't prove it to them

1281
00:46:04,870 --> 00:46:03,040
so it's just my words i call just words

1282
00:46:06,950 --> 00:46:04,880
in the air they really don't have any

1283
00:46:09,270 --> 00:46:06,960
meaning until somebody gets out there

1284
00:46:11,349 --> 00:46:09,280
and actually sees for themselves what is

1285
00:46:12,710 --> 00:46:11,359
happening and it has an experience if

1286
00:46:14,150 --> 00:46:12,720
people if there's people out there

1287
00:46:15,430 --> 00:46:14,160
trying to act like they're experts on

1288
00:46:17,430 --> 00:46:15,440

this stuff and they've never had an

1289

00:46:18,870 --> 00:46:17,440

experience i don't spend a lot of time

1290

00:46:20,790 --> 00:46:18,880

listening to them i just don't have the

1291

00:46:23,829 --> 00:46:20,800

time for it you know

1292

00:46:26,470 --> 00:46:23,839

that's such a good point because the

1293

00:46:28,550 --> 00:46:26,480

the mind-blowingness of

1294

00:46:30,069 --> 00:46:28,560

these experiences

1295

00:46:31,829 --> 00:46:30,079

is what

1296

00:46:33,990 --> 00:46:31,839

a lot of people are missing you know

1297

00:46:37,670 --> 00:46:34,000

they're following the money trail

1298

00:46:39,910 --> 00:46:37,680

and unfortunately and you know i'm i'm

1299

00:46:42,230 --> 00:46:39,920

guilty of this as well as every other

1300

00:46:44,550 --> 00:46:42,240

human being

1301
00:46:47,109 --> 00:46:44,560
people view the elites or anybody making

1302
00:46:48,950 --> 00:46:47,119
more money than themselves as knowing

1303
00:46:51,670 --> 00:46:48,960
something that they don't and there's an

1304
00:46:53,829 --> 00:46:51,680
instant amount of jealousy and envy that

1305
00:46:56,630 --> 00:46:53,839
arises and it's just a human

1306
00:46:59,670 --> 00:46:56,640
characteristic where were self-centered

1307
00:47:02,309 --> 00:46:59,680
um by our very nature when we had to be

1308
00:47:04,710 --> 00:47:02,319
if you consider you know evolution and

1309
00:47:07,510 --> 00:47:04,720
anthropomorphically how how you know how

1310
00:47:10,390 --> 00:47:07,520
we've evolved over the millennia this is

1311
00:47:11,270 --> 00:47:10,400
a normal human emotion and very

1312
00:47:15,030 --> 00:47:11,280
you know

1313
00:47:16,950 --> 00:47:15,040

the alpha dog in a pack is always envied

1314

00:47:17,829 --> 00:47:16,960

by you know the runts

1315

00:47:20,470 --> 00:47:17,839

and

1316

00:47:22,309 --> 00:47:20,480

you got to remember that it's it these

1317

00:47:24,390 --> 00:47:22,319

are kind of comparing apples to oranges

1318

00:47:26,470 --> 00:47:24,400

though because these are normal human

1319

00:47:29,430 --> 00:47:26,480

emotions but in the greater scheme of

1320

00:47:30,870 --> 00:47:29,440

things it doesn't mean the alpha dog or

1321

00:47:33,270 --> 00:47:30,880

this particular

1322

00:47:35,510 --> 00:47:33,280

person or people or entities or

1323

00:47:38,630 --> 00:47:35,520

companies or media whatever

1324

00:47:40,710 --> 00:47:38,640

these it does not mean that there isn't

1325

00:47:42,390 --> 00:47:40,720

something really going on it just means

1326
00:47:44,230 --> 00:47:42,400
that they have other motivational

1327
00:47:46,230 --> 00:47:44,240
factors which are also included in the

1328
00:47:47,910 --> 00:47:46,240
mix and i think you put that really well

1329
00:47:49,750 --> 00:47:47,920
eric

1330
00:47:51,829 --> 00:47:49,760
right on well hey let's backtrack for a

1331
00:47:53,349 --> 00:47:51,839
second because i want i don't you might

1332
00:47:54,710 --> 00:47:53,359
have told this story on the air before

1333
00:47:56,790 --> 00:47:54,720
hopefully you can tell it again right

1334
00:47:59,109 --> 00:47:56,800
now but when i the first time i actually

1335
00:48:03,109 --> 00:47:59,119
met you in person was at that conference

1336
00:48:05,670 --> 00:48:03,119
in uh in las vegas when uh when uh when

1337
00:48:07,829 --> 00:48:05,680
jeff rennell and brad olsen was there

1338
00:48:09,270 --> 00:48:07,839

and we he called you up i think it was

1339

00:48:11,270 --> 00:48:09,280

and invited you to come out and hang out

1340

00:48:13,510 --> 00:48:11,280

we had we had dinner and a couple beers

1341

00:48:15,030 --> 00:48:13,520

or whatever and you allowed me which i

1342

00:48:16,470 --> 00:48:15,040

thought i thought was super cool you

1343

00:48:18,069 --> 00:48:16,480

started telling stories and i thought oh

1344

00:48:20,230 --> 00:48:18,079

my god this story is amazing can i

1345

00:48:21,829 --> 00:48:20,240

record it and you allow me to record it

1346

00:48:23,750 --> 00:48:21,839

i haven't played that publicly by the

1347

00:48:26,150 --> 00:48:23,760

way i've shown a few little clips of it

1348

00:48:27,670 --> 00:48:26,160

to a few friends but but anyway so the

1349

00:48:29,829 --> 00:48:27,680

story that i would like you to tell

1350

00:48:31,349 --> 00:48:29,839

again and i'll lead you up to it was you

1351
00:48:33,190 --> 00:48:31,359
were out there with another researcher i

1352
00:48:34,950 --> 00:48:33,200
won't mention their name but you know if

1353
00:48:36,549 --> 00:48:34,960
you want to mention it that's up to you

1354
00:48:38,630 --> 00:48:36,559
and you were doing some research and

1355
00:48:40,710 --> 00:48:38,640
you're out on the mesa close to where

1356
00:48:43,030 --> 00:48:40,720
your property is and you were just kind

1357
00:48:44,950 --> 00:48:43,040
of scoping out the the land in the night

1358
00:48:46,710 --> 00:48:44,960
time there and you were looking down

1359
00:48:49,190 --> 00:48:46,720
uh into the area where the skinwalker

1360
00:48:50,390 --> 00:48:49,200
ranch is and you could see people down

1361
00:48:52,309 --> 00:48:50,400
there or at least people with

1362
00:48:54,150 --> 00:48:52,319
flashlights whatever and they were kind

1363
00:48:55,589 --> 00:48:54,160

of walking around doing their their

1364

00:48:56,870 --> 00:48:55,599

surveillance or whatever they're doing

1365

00:48:58,470 --> 00:48:56,880

they're kind of just scoping it out to

1366

00:48:59,430 --> 00:48:58,480

make sure all's good before they go to

1367

00:49:01,030 --> 00:48:59,440

bed

1368

00:49:02,230 --> 00:49:01,040

and i'm gonna i'm gonna say this last

1369

00:49:03,990 --> 00:49:02,240

part and then i'm going to stop and let

1370

00:49:06,309 --> 00:49:04,000

you take the story from there but you

1371

00:49:07,750 --> 00:49:06,319

said that you could see these balls of

1372

00:49:10,390 --> 00:49:07,760

light or whatever they were there was

1373

00:49:12,630 --> 00:49:10,400

some some sort of light object

1374

00:49:14,390 --> 00:49:12,640

manifested behind the heads of these

1375

00:49:16,549 --> 00:49:14,400

guys that were out walking around and

1376
00:49:18,390 --> 00:49:16,559
apparently they didn't even realize

1377
00:49:20,230 --> 00:49:18,400
that this light object was following

1378
00:49:22,549 --> 00:49:20,240
them around as they're kind of doing

1379
00:49:24,390 --> 00:49:22,559
their groundwork and then

1380
00:49:26,150 --> 00:49:24,400
and then what happened after that right

1381
00:49:28,390 --> 00:49:26,160
please tell that story bro that's such a

1382
00:49:30,390 --> 00:49:28,400
great story man you have brought

1383
00:49:32,790 --> 00:49:30,400
something up that uh

1384
00:49:34,630 --> 00:49:32,800
this recently um

1385
00:49:37,349 --> 00:49:34,640
came to light again

1386
00:49:38,870 --> 00:49:37,359
uh at uh there was some camera

1387
00:49:43,030 --> 00:49:38,880
and i'll just go into this really quick

1388
00:49:45,349 --> 00:49:43,040

before going into that uh camera at um

1389

00:49:48,150 --> 00:49:45,359

at space wolf research

1390

00:49:50,950 --> 00:49:48,160

that was pointed in a direction that you

1391

00:49:52,069 --> 00:49:50,960

would think would just catch wildlife

1392

00:49:55,190 --> 00:49:52,079

um

1393

00:49:57,349 --> 00:49:55,200

did exactly that it caught a deer

1394

00:50:00,630 --> 00:49:57,359

walking in front of the camera

1395

00:50:03,270 --> 00:50:00,640

and as you've mentioned there was one of

1396

00:50:05,910 --> 00:50:03,280

these orbs of light

1397

00:50:09,030 --> 00:50:05,920

over the deer right behind it

1398

00:50:10,549 --> 00:50:09,040

and basically following its every move

1399

00:50:12,230 --> 00:50:10,559

now

1400

00:50:14,150 --> 00:50:12,240

i think it's important to point out that

1401
00:50:16,150 --> 00:50:14,160
this is a deer this is something that

1402
00:50:17,349 --> 00:50:16,160
was born

1403
00:50:26,549 --> 00:50:17,359
in

1404
00:50:28,790 --> 00:50:26,559
it can hear a cricket chirp from 20 feet

1405
00:50:29,829 --> 00:50:28,800
away and will take off

1406
00:50:30,710 --> 00:50:29,839
and

1407
00:50:31,990 --> 00:50:30,720
yet

1408
00:50:34,230 --> 00:50:32,000
this

1409
00:50:35,270 --> 00:50:34,240
precognitive sentient

1410
00:50:36,390 --> 00:50:35,280
light

1411
00:50:37,670 --> 00:50:36,400
is

1412
00:50:39,430 --> 00:50:37,680
functioning

1413
00:50:40,630 --> 00:50:39,440

and following

1414

00:50:42,790 --> 00:50:40,640

stalking

1415

00:50:44,950 --> 00:50:42,800

an animal that has lived in these

1416

00:50:46,630 --> 00:50:44,960

surroundings its entire life

1417

00:50:48,710 --> 00:50:46,640

so

1418

00:50:50,150 --> 00:50:48,720

it that kind of fast forwards into the

1419

00:50:53,750 --> 00:50:50,160

story you mentioned

1420

00:50:54,950 --> 00:50:53,760

um and these individuals that were being

1421

00:50:58,710 --> 00:50:54,960

uh

1422

00:51:00,950 --> 00:50:58,720

also i guess sort of followed stocked

1423

00:51:03,270 --> 00:51:00,960

um followed around

1424

00:51:05,750 --> 00:51:03,280

in in these in this area

1425

00:51:07,750 --> 00:51:05,760

these individuals i've come to befriend

1426
00:51:10,470 --> 00:51:07,760
them they're the best of the best

1427
00:51:13,030 --> 00:51:10,480
military they've been there they've seen

1428
00:51:15,109 --> 00:51:13,040
combat they've done that they they

1429
00:51:17,910 --> 00:51:15,119
they're very aware of their surroundings

1430
00:51:20,630 --> 00:51:17,920
they would know if somebody was crouched

1431
00:51:24,630 --> 00:51:20,640
75 yards away in the middle of a dark

1432
00:51:26,230 --> 00:51:24,640
night because they know trust me and

1433
00:51:28,630 --> 00:51:26,240
and yet

1434
00:51:30,230 --> 00:51:28,640
um they were unaware

1435
00:51:32,309 --> 00:51:30,240
that these

1436
00:51:35,030 --> 00:51:32,319
sentient

1437
00:51:37,750 --> 00:51:35,040
transient plasma

1438
00:51:40,630 --> 00:51:37,760

phenomenal light sources are following

1439

00:51:43,589 --> 00:51:40,640

them around doing who knows what and

1440

00:51:44,710 --> 00:51:43,599

that i think that's the key of the story

1441

00:51:47,349 --> 00:51:44,720

is

1442

00:51:49,829 --> 00:51:47,359

what are they doing they were able

1443

00:51:52,870 --> 00:51:49,839

to follow these guys around and for all

1444

00:51:54,870 --> 00:51:52,880

intents and purposes they may have been

1445

00:51:57,829 --> 00:51:54,880

following us around

1446

00:51:59,510 --> 00:51:57,839

and communicating to each other in in

1447

00:52:01,670 --> 00:51:59,520

some sort of way

1448

00:52:04,230 --> 00:52:01,680

they're stalking and roaming these

1449

00:52:07,430 --> 00:52:04,240

badlands with reckless abandon these

1450

00:52:11,349 --> 00:52:08,950

well you said plasma let me cut you off

1451
00:52:13,510 --> 00:52:11,359
real quick yeah you said plasma

1452
00:52:16,150 --> 00:52:13,520
actually that was a a twitter spaces

1453
00:52:17,829 --> 00:52:16,160
conversation that happened last night

1454
00:52:19,750 --> 00:52:17,839
i'll send that link to you on twitter

1455
00:52:21,990 --> 00:52:19,760
but that was a fantastic conversation a

1456
00:52:23,910 --> 00:52:22,000
lot of the informative intelligent

1457
00:52:25,910 --> 00:52:23,920
people were involved but but the plasma

1458
00:52:28,549 --> 00:52:25,920
thing i first heard from jay weidner

1459
00:52:30,630 --> 00:52:28,559
five years ago and i'm i'm pretty sure

1460
00:52:31,430 --> 00:52:30,640
what i saw on happy jack a couple years

1461
00:52:33,910 --> 00:52:31,440
ago

1462
00:52:36,870 --> 00:52:33,920
if i had to put a label on it it wasn't

1463
00:52:39,109 --> 00:52:36,880

a spacecraft it wasn't an orb it looked

1464

00:52:40,710 --> 00:52:39,119

like a giant ball of plasma

1465

00:52:43,030 --> 00:52:40,720

what i would imagine plasma looked like

1466

00:52:46,790 --> 00:52:43,040

because it wasn't like a clear like the

1467

00:52:49,109 --> 00:52:46,800

moon it was the the the round circle was

1468

00:52:51,430 --> 00:52:49,119

undulating and it looked like there was

1469

00:52:53,750 --> 00:52:51,440

energy coming off this thing and it was

1470

00:52:56,470 --> 00:52:53,760

kind of very slightly shape-shifting

1471

00:52:57,990 --> 00:52:56,480

very so slightly where you almost

1472

00:53:01,510 --> 00:52:58,000

you notice it but you almost don't

1473

00:53:02,950 --> 00:53:01,520

notice it so so this plasma thing uh i

1474

00:53:04,710 --> 00:53:02,960

asked the question in the chat room last

1475

00:53:06,870 --> 00:53:04,720

night it says could it be conscious

1476
00:53:08,390 --> 00:53:06,880
could it be sentient and there was a

1477
00:53:09,750 --> 00:53:08,400
scientist guy on there said oh well we

1478
00:53:10,630 --> 00:53:09,760
have no evidence of that and about it

1479
00:53:11,990 --> 00:53:10,640
i'm like of course we don't have

1480
00:53:12,950 --> 00:53:12,000
evidence for it if we did have that

1481
00:53:13,829 --> 00:53:12,960
evidence you wouldn't know about it

1482
00:53:15,829 --> 00:53:13,839
because they're not going to tell you

1483
00:53:17,270 --> 00:53:15,839
i'm being sarcastic but but yeah so

1484
00:53:19,750 --> 00:53:17,280
continue on because i'm really this

1485
00:53:21,349 --> 00:53:19,760
plasma thing i think is the key to a lot

1486
00:53:24,390 --> 00:53:21,359
of this information that that really

1487
00:53:26,309 --> 00:53:24,400
people haven't fully focused on yet man

1488
00:53:28,790 --> 00:53:26,319

really good point because i just

1489

00:53:32,790 --> 00:53:28,800

recently read an article um

1490

00:53:36,390 --> 00:53:32,800

by a guy named e.w holmes jr

1491

00:53:37,910 --> 00:53:36,400

in the space science reviews and this

1492

00:53:40,150 --> 00:53:37,920

this is uh

1493

00:53:41,750 --> 00:53:40,160

this was published some time ago but

1494

00:53:43,910 --> 00:53:41,760

it it it

1495

00:53:46,790 --> 00:53:43,920

this is the strange part transient

1496

00:53:49,030 --> 00:53:46,800

plasma phenomena is and and it's

1497

00:53:52,069 --> 00:53:49,040

relation to inclement weather too we

1498

00:53:54,630 --> 00:53:52,079

need to kind of get into this because

1499

00:53:56,870 --> 00:53:54,640

um plasmas are known to arise when the

1500

00:53:59,270 --> 00:53:56,880

energy levels are high when when a storm

1501
00:54:01,349 --> 00:53:59,280
is manifesting when and it's what's

1502
00:54:03,030 --> 00:54:01,359
really wild about this is coincidentally

1503
00:54:05,190 --> 00:54:03,040
these are all the same times that native

1504
00:54:07,430 --> 00:54:05,200
american cultures warn of these

1505
00:54:10,630 --> 00:54:07,440
trickster phenomenas also

1506
00:54:12,630 --> 00:54:10,640
coming in with the dark winds

1507
00:54:14,309 --> 00:54:12,640
manifesting in it kind of gives me

1508
00:54:16,150 --> 00:54:14,319
chills but manifesting in high

1509
00:54:18,790 --> 00:54:16,160
electrical environments

1510
00:54:20,710 --> 00:54:18,800
for many years for many years ball

1511
00:54:24,710 --> 00:54:20,720
lightning is considered the thing of

1512
00:54:27,510 --> 00:54:24,720
hoax and myth and totally fake and only

1513
00:54:29,430 --> 00:54:27,520

you know within the last decade or so

1514

00:54:31,349 --> 00:54:29,440

has it really been something that the

1515

00:54:33,349 --> 00:54:31,359

window has opened up and scientists can

1516

00:54:34,710 --> 00:54:33,359

get behind it and say this is a very

1517

00:54:37,190 --> 00:54:34,720

real thing

1518

00:54:39,750 --> 00:54:37,200

and they they're they're observing

1519

00:54:42,390 --> 00:54:39,760

this plasma flow and magnetic fields and

1520

00:54:45,670 --> 00:54:42,400

and agreeing that it's real

1521

00:54:47,670 --> 00:54:45,680

so my question like yours is is it

1522

00:54:50,789 --> 00:54:47,680

sentient does it have

1523

00:54:53,430 --> 00:54:50,799

intelligence behind it and i believe it

1524

00:54:56,950 --> 00:54:53,440

does because

1525

00:54:58,390 --> 00:54:56,960

the way these things move

1526
00:55:00,870 --> 00:54:58,400
especially

1527
00:55:03,349 --> 00:55:00,880
you know like like what we caught on

1528
00:55:05,670 --> 00:55:03,359
this camera following a deer

1529
00:55:07,990 --> 00:55:05,680
it is this this

1530
00:55:10,470 --> 00:55:08,000
how is it that a ball of electro

1531
00:55:13,829 --> 00:55:10,480
electric

1532
00:55:15,270 --> 00:55:13,839
energy plasma in in shape and form and

1533
00:55:17,270 --> 00:55:15,280
the way it moves

1534
00:55:20,789 --> 00:55:17,280
very much described

1535
00:55:22,950 --> 00:55:20,799
as uh i love that part of hunt for the

1536
00:55:24,390 --> 00:55:22,960
skinwalker where george knapp and colm

1537
00:55:25,430 --> 00:55:24,400
kelleher

1538
00:55:27,109 --> 00:55:25,440

put

1539

00:55:30,069 --> 00:55:27,119

sherman's words

1540

00:55:32,710 --> 00:55:30,079

on paper of what he described this to

1541

00:55:36,150 --> 00:55:32,720

look like literally a fluid swirling

1542

00:55:39,190 --> 00:55:36,160

inside of a crystal clear ball

1543

00:55:40,870 --> 00:55:39,200

plasma i mean it just comes back to this

1544

00:55:44,150 --> 00:55:40,880

you know this transient plasma

1545

00:55:46,230 --> 00:55:44,160

phenomenon breaking it down just in from

1546

00:55:49,190 --> 00:55:46,240

a research perspective

1547

00:55:51,510 --> 00:55:49,200

what could cause that this this has to

1548

00:55:58,309 --> 00:55:54,910

some kind of energy that has

1549

00:56:02,069 --> 00:55:58,319

coagulated and for lack of a better word

1550

00:56:03,990 --> 00:56:02,079

into a particular region and it's moving

1551
00:56:06,390 --> 00:56:04,000
around intelligently it seems

1552
00:56:08,309 --> 00:56:06,400
intelligently controlled when i

1553
00:56:10,390 --> 00:56:08,319
originally

1554
00:56:12,069 --> 00:56:10,400
was researching all of these badlands

1555
00:56:13,510 --> 00:56:12,079
along shapeshifter territory in the

1556
00:56:18,069 --> 00:56:13,520
uintah basin

1557
00:56:30,950 --> 00:56:19,030
i

1558
00:56:33,270 --> 00:56:30,960
super advanced

1559
00:56:36,069 --> 00:56:33,280
drone of some sort

1560
00:56:38,230 --> 00:56:36,079
but as time passes i'm really starting

1561
00:56:41,670 --> 00:56:38,240
to wonder if this isn't something more

1562
00:56:45,270 --> 00:56:41,680
ancient in nail in in nature

1563
00:56:47,270 --> 00:56:45,280

if it's not something more uh

1564

00:56:48,710 --> 00:56:47,280

more magic in nature from a cosmic

1565

00:56:51,670 --> 00:56:48,720

perspective because

1566

00:56:54,069 --> 00:56:51,680

people have described these ghost lights

1567

00:56:56,309 --> 00:56:54,079

this this

1568

00:56:57,910 --> 00:56:56,319

for for

1569

00:56:59,190 --> 00:56:57,920

hundreds and hundreds of years if not

1570

00:57:00,470 --> 00:56:59,200

millennia

1571

00:57:02,390 --> 00:57:00,480

yeah

1572

00:57:04,789 --> 00:57:02,400

all over the country and then and then

1573

00:57:07,670 --> 00:57:04,799

the world not just i mean we're talking

1574

00:57:09,829 --> 00:57:07,680

about the uh basin but uh and maybe it's

1575

00:57:11,750 --> 00:57:09,839

it might be more condensed in that area

1576
00:57:13,270 --> 00:57:11,760
potentially than other areas but there

1577
00:57:14,870 --> 00:57:13,280
are other areas where these things are

1578
00:57:16,870 --> 00:57:14,880
manifesting

1579
00:57:18,870 --> 00:57:16,880
and i'll real quick side note uh you've

1580
00:57:20,069 --> 00:57:18,880
got a chance to interview ryan bledsoe

1581
00:57:21,349 --> 00:57:20,079
and i don't know if you've got i'm

1582
00:57:23,510 --> 00:57:21,359
guessing you've got a chance to talk to

1583
00:57:25,349 --> 00:57:23,520
chris bledsoe but some of the pictures

1584
00:57:27,030 --> 00:57:25,359
that he showed me on his own phone in

1585
00:57:28,470 --> 00:57:27,040
san francisco about three years ago i

1586
00:57:29,990 --> 00:57:28,480
was talking about this on another show

1587
00:57:31,990 --> 00:57:30,000
last night is uh

1588
00:57:33,349 --> 00:57:32,000

inside these we'll just call them plasma

1589

00:57:35,430 --> 00:57:33,359

balls just for the sake of this

1590

00:57:38,069 --> 00:57:35,440

conversation much better yeah man yeah

1591

00:57:40,870 --> 00:57:38,079

the faces of uh and you might have seen

1592

00:57:43,510 --> 00:57:40,880

these pictures the faces of like a baby

1593

00:57:44,309 --> 00:57:43,520

of a of a dog

1594

00:57:46,789 --> 00:57:44,319

of

1595

00:57:48,069 --> 00:57:46,799

different different uh different beings

1596

00:57:50,390 --> 00:57:48,079

let's just say

1597

00:57:52,230 --> 00:57:50,400

are appearing very clearly i mean it's

1598

00:57:53,349 --> 00:57:52,240

not like it's hard to see it you can see

1599

00:57:54,390 --> 00:57:53,359

them in these

1600

00:57:57,190 --> 00:57:54,400

plasma

1601
00:57:59,430 --> 00:57:57,200
balls or whatever they are so so so that

1602
00:58:02,549 --> 00:57:59,440
to me is evidence and maybe that is the

1603
00:58:04,950 --> 00:58:02,559
reason one of the reasons why why the

1604
00:58:06,390 --> 00:58:04,960
blood shows had every just about every

1605
00:58:07,750 --> 00:58:06,400
intelligence agency send a

1606
00:58:09,829 --> 00:58:07,760
representative over there you know what

1607
00:58:12,230 --> 00:58:09,839
i mean to monitor and to befriend them

1608
00:58:14,230 --> 00:58:12,240
because uh this is very unusual that

1609
00:58:15,990 --> 00:58:14,240
he's got evidence uh now here's the

1610
00:58:17,670 --> 00:58:16,000
other thing that i mentioned and

1611
00:58:19,589 --> 00:58:17,680
we don't have to go deep into this but

1612
00:58:22,470 --> 00:58:19,599
uh i did do some research into

1613
00:58:24,549 --> 00:58:22,480

technology and uh you know darpa is the

1614

00:58:26,230 --> 00:58:24,559

most advanced as far as i know it's got

1615

00:58:27,910 --> 00:58:26,240

some of the most advanced technological

1616

00:58:29,829 --> 00:58:27,920

research that they're doing

1617

00:58:31,670 --> 00:58:29,839

and it's my belief based on some of the

1618

00:58:34,150 --> 00:58:31,680

stuff that i've seen and heard based on

1619

00:58:36,789 --> 00:58:34,160

incredible incredible people

1620

00:58:38,390 --> 00:58:36,799

that they're learning how to mimic

1621

00:58:40,470 --> 00:58:38,400

some of this stuff to where they could

1622

00:58:42,630 --> 00:58:40,480

actually re collect that some people

1623

00:58:44,150 --> 00:58:42,640

like grier speculates about the fake

1624

00:58:46,390 --> 00:58:44,160

alien invasion well

1625

00:58:48,950 --> 00:58:46,400

uh they we do have technology where we

1626
00:58:51,270 --> 00:58:48,960
can manifest things that to most

1627
00:58:53,109 --> 00:58:51,280
observers if not all observers who

1628
00:58:54,549 --> 00:58:53,119
wouldn't know differently would believe

1629
00:58:56,710 --> 00:58:54,559
that what they're seeing

1630
00:58:58,390 --> 00:58:56,720
is more real than what it is i mean in

1631
00:58:59,990 --> 00:58:58,400
other words what you're talking about

1632
00:59:02,069 --> 00:59:00,000
what we're talking about happening out

1633
00:59:03,589 --> 00:59:02,079
there i don't believe the government is

1634
00:59:06,069 --> 00:59:03,599
manifesting those things i think those

1635
00:59:09,270 --> 00:59:06,079
things are real do you agree with me

1636
00:59:12,150 --> 00:59:09,280
yes and the problem is i do agree with

1637
00:59:15,109 --> 00:59:12,160
you the problem is there is

1638
00:59:17,190 --> 00:59:15,119

a lot of data that suggests that the

1639

00:59:20,870 --> 00:59:17,200

military has recreated paranormal

1640

00:59:22,870 --> 00:59:20,880

phenomenon in particular

1641

00:59:24,789 --> 00:59:22,880

areas of warfare

1642

00:59:27,270 --> 00:59:24,799

we were talking and discussing about the

1643

00:59:29,349 --> 00:59:27,280

gin in the middle east and the gin is in

1644

00:59:31,750 --> 00:59:29,359

fact there is a similar cultural

1645

00:59:33,670 --> 00:59:31,760

attribute as there is with the native

1646

00:59:36,870 --> 00:59:33,680

american culture and some of these

1647

00:59:39,910 --> 00:59:36,880

darker entities and it happens in every

1648

00:59:43,430 --> 00:59:39,920

culture every culture fears something

1649

00:59:46,270 --> 00:59:43,440

there's always a boogeyman and the

1650

00:59:48,950 --> 00:59:46,280

military has recreated

1651
00:59:50,390 --> 00:59:48,960
documentedly recreated paranormal

1652
00:59:53,589 --> 00:59:50,400
phenomenon

1653
00:59:55,589 --> 00:59:53,599
um one one very impressive case that

1654
00:59:59,270 --> 00:59:55,599
came across to me

1655
01:00:00,789 --> 00:59:59,280
was in vietnam they uh they would

1656
01:00:03,430 --> 01:00:00,799
recreate

1657
01:00:05,910 --> 01:00:03,440
dead soldiers screaming in the fields as

1658
01:00:09,910 --> 01:00:05,920
if their ghosts were wandering around

1659
01:00:14,069 --> 01:00:09,920
aimlessly to instill fear in the enemy

1660
01:00:17,030 --> 01:00:14,079
and uh it worked this stuff worked so i

1661
01:00:19,030 --> 01:00:17,040
mean this this is i'm not saying i mean

1662
01:00:20,950 --> 01:00:19,040
all's fair in love and war right so i'm

1663
01:00:23,109 --> 01:00:20,960

not saying there's anything against that

1664

01:00:24,870 --> 01:00:23,119

when your life's on the line but at the

1665

01:00:26,470 --> 01:00:24,880

same time

1666

01:00:28,870 --> 01:00:26,480

are these

1667

01:00:31,430 --> 01:00:28,880

tricksters that are stalking people out

1668

01:00:34,950 --> 01:00:31,440

in the badlands of utah

1669

01:00:37,109 --> 01:00:34,960

doing so for other purposes absolutely

1670

01:00:39,109 --> 01:00:37,119

there's there's

1671

01:00:40,789 --> 01:00:39,119

there's so many

1672

01:00:42,789 --> 01:00:40,799

so

1673

01:00:46,470 --> 01:00:42,799

at least you know being in the area

1674

01:00:49,670 --> 01:00:46,480

often uh and speaking with people often

1675

01:00:51,190 --> 01:00:49,680

you find so many cases of

1676
01:00:53,349 --> 01:00:51,200
when you're in

1677
01:00:55,270 --> 01:00:53,359
there and you know you've been there

1678
01:00:56,950 --> 01:00:55,280
when your boots on the ground in the

1679
01:00:58,789 --> 01:00:56,960
area in the moment

1680
01:01:01,430 --> 01:00:58,799
all of a sudden all bets are off and you

1681
01:01:04,630 --> 01:01:01,440
know that you're not the one in control

1682
01:01:05,829 --> 01:01:04,640
it's almost as if the landscape itself

1683
01:01:07,829 --> 01:01:05,839
has

1684
01:01:10,309 --> 01:01:07,839
secrets that it's hiding from you and

1685
01:01:12,390 --> 01:01:10,319
and these manifest in different ways if

1686
01:01:14,069 --> 01:01:12,400
you're there long enough it's not a

1687
01:01:16,470 --> 01:01:14,079
matter of if it's going to happen it's a

1688
01:01:18,470 --> 01:01:16,480

matter of when as many of the bureau of

1689

01:01:20,230 --> 01:01:18,480

indian affairs officers have told me so

1690

01:01:21,829 --> 01:01:20,240

yeah man i mean

1691

01:01:24,230 --> 01:01:21,839

one more thing i want two things i want

1692

01:01:27,030 --> 01:01:24,240

to ask you so that so you know about the

1693

01:01:28,710 --> 01:01:27,040

the what the triangle that what appeared

1694

01:01:30,309 --> 01:01:28,720

to be a massive triangle that that we

1695

01:01:32,870 --> 01:01:30,319

filmed last year when we're out there

1696

01:01:34,950 --> 01:01:32,880

and then later uh when ryan and i excuse

1697

01:01:37,030 --> 01:01:34,960

me that ran uh when jeff and i went and

1698

01:01:39,430 --> 01:01:37,040

you allowed us to stay overnight on your

1699

01:01:41,589 --> 01:01:39,440

property there uh he's you know i'm sure

1700

01:01:43,510 --> 01:01:41,599

you've seen the video that jeff set up

1701
01:01:44,950 --> 01:01:43,520
overnight he was just filming in the sky

1702
01:01:47,670 --> 01:01:44,960
while we were sleeping and then the next

1703
01:01:49,589 --> 01:01:47,680
day or the day after he was reviewing it

1704
01:01:52,150 --> 01:01:49,599
and he also captured what looked like a

1705
01:01:54,630 --> 01:01:52,160
triangle object have you personally seen

1706
01:01:56,309 --> 01:01:54,640
this these triangle objects or film them

1707
01:01:58,069 --> 01:01:56,319
or heard stories about them i'm just

1708
01:02:00,150 --> 01:01:58,079
trying to look for cooper uh

1709
01:02:03,670 --> 01:02:00,160
corroboration to what we've seen

1710
01:02:07,109 --> 01:02:03,680
absolutely in fact very recently this

1711
01:02:08,069 --> 01:02:07,119
brings about something super super wild

1712
01:02:10,870 --> 01:02:08,079
um

1713
01:02:15,190 --> 01:02:10,880

very recently july 22nd

1714

01:02:16,710 --> 01:02:15,200

there was a very strange uh ufo there

1715

01:02:18,309 --> 01:02:16,720

were there were some other things that

1716

01:02:20,549 --> 01:02:18,319

were coming out of hill air force base

1717

01:02:24,069 --> 01:02:20,559

at the time having to do with

1718

01:02:26,630 --> 01:02:24,079

archaeology and there's a whole subset

1719

01:02:28,470 --> 01:02:26,640

of conspiratorial angles to this

1720

01:02:31,029 --> 01:02:28,480

where a particular

1721

01:02:33,750 --> 01:02:31,039

archaeologist a female came out

1722

01:02:36,549 --> 01:02:33,760

and was dropping knowledge bombs about

1723

01:02:40,950 --> 01:02:36,559

something found in the west desert uttr

1724

01:02:44,069 --> 01:02:40,960

dugway aka dugway and um

1725

01:02:46,309 --> 01:02:44,079

about a very well-known uh doctor of

1726

01:02:47,190 --> 01:02:46,319

archaeology who had found something out

1727

01:02:48,710 --> 01:02:47,200

there

1728

01:02:51,510 --> 01:02:48,720

she

1729

01:02:54,549 --> 01:02:51,520

insinuated that it was human in origin

1730

01:02:56,150 --> 01:02:54,559

uh 9 700 to 12 000 years old so going

1731

01:02:58,549 --> 01:02:56,160

way outside of the timeline that is

1732

01:02:59,589 --> 01:02:58,559

currently scientifically accepted for

1733

01:03:01,510 --> 01:02:59,599

humans

1734

01:03:04,950 --> 01:03:01,520

and in addition

1735

01:03:09,750 --> 01:03:04,960

she um kind of insinuated that it may be

1736

01:03:13,829 --> 01:03:11,990

how do i put this biological in nature

1737

01:03:16,309 --> 01:03:13,839

but

1738

01:03:18,950 --> 01:03:16,319

the uh here's the kicker she put posted

1739

01:03:20,789 --> 01:03:18,960

some videos on tick tock um you know how

1740

01:03:22,710 --> 01:03:20,799

tick-tock is it moves very quickly and

1741

01:03:24,230 --> 01:03:22,720

virally and

1742

01:03:26,630 --> 01:03:24,240

there were a lot of people asking a lot

1743

01:03:29,109 --> 01:03:26,640

of questions she immediately

1744

01:03:30,630 --> 01:03:29,119

removed all of her videos from tik-tok

1745

01:03:33,670 --> 01:03:30,640

except for a few

1746

01:03:36,390 --> 01:03:33,680

and then quickly recanted her story

1747

01:03:38,549 --> 01:03:36,400

posted a proof of life video that's how

1748

01:03:41,270 --> 01:03:38,559

far this moved how quickly this moved

1749

01:03:44,230 --> 01:03:41,280

posted a proof of life video

1750

01:03:46,230 --> 01:03:44,240

from in front of her residents

1751
01:03:48,069 --> 01:03:46,240
basically saying hey i'm still alive

1752
01:03:50,789 --> 01:03:48,079
everybody calmed down what i said was

1753
01:03:54,069 --> 01:03:50,799
blown out of proportion and i'm i'm

1754
01:03:57,910 --> 01:03:55,829
kind of in my words

1755
01:04:00,309 --> 01:03:57,920
uh saying what she said that this isn't

1756
01:04:02,710 --> 01:04:00,319
word for word but this is my proof of

1757
01:04:05,029 --> 01:04:02,720
life video i blew things out of a

1758
01:04:08,069 --> 01:04:05,039
proportion please forgive me

1759
01:04:10,870 --> 01:04:08,079
and um just so you guys know i'm not

1760
01:04:13,190 --> 01:04:10,880
into conspiracies or aliens and she kind

1761
01:04:15,349 --> 01:04:13,200
of threw that out there without any

1762
01:04:18,309 --> 01:04:15,359
reason to throw that out there

1763
01:04:20,950 --> 01:04:18,319

and shortly thereafter there was a what

1764

01:04:22,630 --> 01:04:20,960

in my opinion may have been an official

1765

01:04:24,950 --> 01:04:22,640

cover story

1766

01:04:27,589 --> 01:04:24,960

coming out of hill air force base about

1767

01:04:30,950 --> 01:04:27,599

this prominent doctor in archaeology who

1768

01:04:31,990 --> 01:04:30,960

had found some footprints out at uttr at

1769

01:04:33,270 --> 01:04:32,000

dugway

1770

01:04:35,670 --> 01:04:33,280

and

1771

01:04:37,270 --> 01:04:35,680

there's images of the footprints online

1772

01:04:39,029 --> 01:04:37,280

you can go to i'll send you this stuff

1773

01:04:41,349 --> 01:04:39,039

if you need it it's pretty amazing in my

1774

01:04:44,549 --> 01:04:41,359

opinion and yeah i'd like to see that

1775

01:04:46,950 --> 01:04:44,559

yeah the timeline is um almost identical

1776
01:04:50,069 --> 01:04:46,960
to what she had mentioned this 9 700 to

1777
01:04:51,670 --> 01:04:50,079
12 000 year old timeline however what is

1778
01:04:54,230 --> 01:04:51,680
mind-blowing to me

1779
01:04:57,510 --> 01:04:54,240
is one what is this guy doing out in the

1780
01:04:59,829 --> 01:04:57,520
middle of a uh testing range

1781
01:05:02,549 --> 01:04:59,839
without was he looking for these things

1782
01:05:05,349 --> 01:05:02,559
it number two these footprints are not

1783
01:05:06,549 --> 01:05:05,359
in my opinion very uh impressive to say

1784
01:05:08,390 --> 01:05:06,559
the least

1785
01:05:10,630 --> 01:05:08,400
so basically they had

1786
01:05:12,150 --> 01:05:10,640
carbon dated these footprints which is

1787
01:05:13,910 --> 01:05:12,160
if you go into the research of that

1788
01:05:16,230 --> 01:05:13,920

that's also very difficult to do and the

1789

01:05:19,430 --> 01:05:16,240

variables are immense

1790

01:05:21,829 --> 01:05:19,440

exponentially especially as time goes on

1791

01:05:23,910 --> 01:05:21,839

in my opinion and that of others there's

1792

01:05:26,309 --> 01:05:23,920

something more to the story now going

1793

01:05:27,349 --> 01:05:26,319

back to the original uh conversation we

1794

01:05:29,829 --> 01:05:27,359

were having

1795

01:05:31,109 --> 01:05:29,839

in roy utah this is roughly the same

1796

01:05:33,910 --> 01:05:31,119

exact time

1797

01:05:36,549 --> 01:05:33,920

july 22nd there was a very strange

1798

01:05:37,510 --> 01:05:36,559

sighting of a ufo

1799

01:05:39,829 --> 01:05:37,520

that

1800

01:05:41,349 --> 01:05:39,839

was posted in various places on the

1801
01:05:43,910 --> 01:05:41,359
internet

1802
01:05:45,670 --> 01:05:43,920
especially in these utah investigatory

1803
01:05:47,589 --> 01:05:45,680
websites

1804
01:05:49,589 --> 01:05:47,599
and

1805
01:05:51,430 --> 01:05:49,599
july 23rd

1806
01:05:53,670 --> 01:05:51,440
one of the researchers and a close

1807
01:05:55,589 --> 01:05:53,680
friend of mine jeremy mackey up in the

1808
01:05:58,470 --> 01:05:55,599
uintah basin of utah

1809
01:06:01,829 --> 01:05:58,480
filmed the same so the very next day he

1810
01:06:02,950 --> 01:06:01,839
filmed the same without a doubt the same

1811
01:06:05,750 --> 01:06:02,960
ufo

1812
01:06:07,430 --> 01:06:05,760
hovering over the uinta basin of utah

1813
01:06:09,430 --> 01:06:07,440

and

1814

01:06:12,789 --> 01:06:09,440

at spacewolf research right there at the

1815

01:06:16,950 --> 01:06:12,799

base camp our cameras caught glimpses of

1816

01:06:19,029 --> 01:06:16,960

the same ufo so this was in his opinion

1817

01:06:21,349 --> 01:06:19,039

triangular in nature

1818

01:06:22,390 --> 01:06:21,359

very similar to what you filmed

1819

01:06:24,069 --> 01:06:22,400

and

1820

01:06:26,150 --> 01:06:24,079

you know when it comes to triangles

1821

01:06:27,670 --> 01:06:26,160

there's a lot of argument online about

1822

01:06:29,990 --> 01:06:27,680

whether or not these are government or

1823

01:06:33,109 --> 01:06:30,000

not and i you know there's there's the

1824

01:06:35,349 --> 01:06:33,119

tr-3b there's other deltas there's a lot

1825

01:06:37,510 --> 01:06:35,359

of argument online about whether these

1826
01:06:39,910 --> 01:06:37,520
are ours or theirs whether it matters or

1827
01:06:41,430 --> 01:06:39,920
not i don't know but to kind of yeah

1828
01:06:43,829 --> 01:06:41,440
just to kind of stir the pot a little

1829
01:06:44,789 --> 01:06:43,839
bit super recently

1830
01:06:47,829 --> 01:06:44,799
some

1831
01:06:49,829 --> 01:06:47,839
i mean documented footage from not one

1832
01:06:52,069 --> 01:06:49,839
two or three but more sources than you

1833
01:06:53,829 --> 01:06:52,079
can imagine and also some really weird

1834
01:06:55,589 --> 01:06:53,839
inklings coming out of hill air force

1835
01:06:58,069 --> 01:06:55,599
base

1836
01:07:00,549 --> 01:06:58,079
justifying an archaeological find that

1837
01:07:03,990 --> 01:07:00,559
in my opinion was

1838
01:07:05,589 --> 01:07:04,000

far from being as as as big a deal as

1839

01:07:06,710 --> 01:07:05,599

they seemed to you uh let me let me

1840

01:07:08,069 --> 01:07:06,720

interrupt you real quick have you

1841

01:07:10,789 --> 01:07:08,079

personally i'm gonna guess the answer is

1842

01:07:13,190 --> 01:07:10,799

gonna be yes have you done any recon out

1843

01:07:16,470 --> 01:07:13,200

there in the vicinity of hill uh hill

1844

01:07:18,950 --> 01:07:16,480

air force base yet the closest i've done

1845

01:07:21,829 --> 01:07:18,960

is uh just being in layton utah i mean

1846

01:07:24,069 --> 01:07:21,839

it's hard to avoid being in layton utah

1847

01:07:25,910 --> 01:07:24,079

it's kind of a base town

1848

01:07:27,750 --> 01:07:25,920

i've gone up and visited ryan leighton

1849

01:07:29,990 --> 01:07:27,760

one of the very first researchers up

1850

01:07:31,910 --> 01:07:30,000

there in the basin to speak with the

1851
01:07:33,270 --> 01:07:31,920
shermans the um

1852
01:07:36,549 --> 01:07:33,280
terry and gwen

1853
01:07:39,190 --> 01:07:36,559
and they uh to put it bluntly i mean

1854
01:07:41,589 --> 01:07:39,200
hill air force base is a air force town

1855
01:07:43,510 --> 01:07:41,599
i mean that's what makes it click

1856
01:07:45,349 --> 01:07:43,520
and ryan leighton lives right there in

1857
01:07:47,430 --> 01:07:45,359
layton i mean he's he's got a long

1858
01:07:49,430 --> 01:07:47,440
familial history of the town obviously

1859
01:07:50,309 --> 01:07:49,440
with his surname and

1860
01:07:53,349 --> 01:07:50,319
uh

1861
01:07:54,470 --> 01:07:53,359
you know when he first spoke with terry

1862
01:07:56,470 --> 01:07:54,480
sherman

1863
01:07:58,630 --> 01:07:56,480

they're on the property and what he

1864

01:08:00,710 --> 01:07:58,640

called the magical mystery tour which is

1865

01:08:03,190 --> 01:08:00,720

probably one of the most amazing

1866

01:08:04,150 --> 01:08:03,200

conversations when you get him to talk

1867

01:08:05,990 --> 01:08:04,160

about it

1868

01:08:08,470 --> 01:08:06,000

you know here he is boots on the ground

1869

01:08:11,990 --> 01:08:08,480

one of the first guys uh other than the

1870

01:08:14,309 --> 01:08:12,000

owner himself getting walked through the

1871

01:08:16,630 --> 01:08:14,319

steps you know being pointed out the

1872

01:08:18,229 --> 01:08:16,640

areas where certain things happened

1873

01:08:19,510 --> 01:08:18,239

and

1874

01:08:21,349 --> 01:08:19,520

um

1875

01:08:23,269 --> 01:08:21,359

mr sherman was under the impression that

1876
01:08:24,789 --> 01:08:23,279
this was 100

1877
01:08:26,550 --> 01:08:24,799
much like myself when i first came

1878
01:08:30,550 --> 01:08:26,560
across some of this phenomena that this

1879
01:08:33,590 --> 01:08:30,560
was 100 military in nature and origin he

1880
01:08:37,110 --> 01:08:33,600
was sure that he was going to find some

1881
01:08:40,149 --> 01:08:37,120
guy behind some tree with some kind of

1882
01:08:41,749 --> 01:08:40,159
doodad doohickey device or military toy

1883
01:08:44,550 --> 01:08:41,759
of some sort and he was going to beat

1884
01:08:47,349 --> 01:08:44,560
the living crap out of him and

1885
01:08:49,349 --> 01:08:47,359
what he found over time is really the

1886
01:08:51,510 --> 01:08:49,359
more eerie suggestion

1887
01:08:54,390 --> 01:08:51,520
that there's nobody behind any of those

1888
01:08:58,309 --> 01:08:54,400

trees there's uh

1889

01:09:00,390 --> 01:08:58,319

there's more going on is is the military

1890

01:09:02,070 --> 01:09:00,400

involved and interested of course

1891

01:09:05,030 --> 01:09:02,080

they're interested

1892

01:09:08,470 --> 01:09:05,040

um doesn't mean they're to blame

1893

01:09:10,229 --> 01:09:08,480

yeah yeah so let's uh i don't know

1894

01:09:11,669 --> 01:09:10,239

we probably i i could talk to you all

1895

01:09:13,669 --> 01:09:11,679

day but i know you like to try to keep

1896

01:09:15,590 --> 01:09:13,679

it short but yeah man go back to let's

1897

01:09:16,709 --> 01:09:15,600

go back to that story that uh if you

1898

01:09:17,910 --> 01:09:16,719

wouldn't mind

1899

01:09:19,910 --> 01:09:17,920

where you were out there with your

1900

01:09:21,590 --> 01:09:19,920

friend and and then and then you saw

1901
01:09:23,669 --> 01:09:21,600
those lights following those guys around

1902
01:09:25,590 --> 01:09:23,679
and then and then they went into their

1903
01:09:27,110 --> 01:09:25,600
their their barracks or their wherever

1904
01:09:28,149 --> 01:09:27,120
they sleep at night and then all of a

1905
01:09:30,229 --> 01:09:28,159
sudden

1906
01:09:32,149 --> 01:09:30,239
these these light objects i'll call them

1907
01:09:33,349 --> 01:09:32,159
started slowly kind of moving your

1908
01:09:34,789 --> 01:09:33,359
direction

1909
01:09:37,030 --> 01:09:34,799
and then at that and i remember the

1910
01:09:38,309 --> 01:09:37,040
story so well because it's just blazed

1911
01:09:39,990 --> 01:09:38,319
in my brain

1912
01:09:42,550 --> 01:09:40,000
and then you guys were kind of watching

1913
01:09:44,870 --> 01:09:42,560

this and then you got concerned

1914

01:09:46,630 --> 01:09:44,880

and you thought well let's let's move on

1915

01:09:48,630 --> 01:09:46,640

here and then you started kind of moving

1916

01:09:50,789 --> 01:09:48,640

away back towards the area where you're

1917

01:09:52,229 --> 01:09:50,799

located and

1918

01:09:53,990 --> 01:09:52,239

they got to the point where they were

1919

01:09:56,390 --> 01:09:54,000

getting close enough where you felt the

1920

01:09:58,149 --> 01:09:56,400

need to just kind of jump down in this

1921

01:10:01,030 --> 01:09:58,159

ditch could you take the story from

1922

01:10:04,709 --> 01:10:01,040

there if you wouldn't mind yeah first

1923

01:10:10,630 --> 01:10:07,110

come out and say ahead of time

1924

01:10:12,550 --> 01:10:10,640

that um to anybody listening that there

1925

01:10:14,229 --> 01:10:12,560

is a

1926

01:10:18,149 --> 01:10:14,239

the powers that be still maintained

1927

01:10:20,790 --> 01:10:18,159

guards at this area so don't go try to

1928

01:10:22,149 --> 01:10:20,800

visit unannounced

1929

01:10:24,630 --> 01:10:22,159

and

1930

01:10:25,990 --> 01:10:24,640

at this time

1931

01:10:27,510 --> 01:10:26,000

this was a completely different

1932

01:10:29,669 --> 01:10:27,520

ownership

1933

01:10:31,830 --> 01:10:29,679

in effect there were completely

1934

01:10:33,430 --> 01:10:31,840

different affairs taking place and we

1935

01:10:34,310 --> 01:10:33,440

were technically

1936

01:10:35,189 --> 01:10:34,320

um

1937

01:10:37,350 --> 01:10:35,199

not

1938

01:10:38,950 --> 01:10:37,360

on property so let me let me let me go

1939

01:10:40,870 --> 01:10:38,960

ahead and it's just certainly this was

1940

01:10:42,630 --> 01:10:40,880

before brandon fugle took over i'm

1941

01:10:45,669 --> 01:10:42,640

assuming yeah this is integral to the

1942

01:10:48,390 --> 01:10:45,679

story of the sherman um so let's you

1943

01:10:50,470 --> 01:10:48,400

know they're in those in those times

1944

01:10:52,470 --> 01:10:50,480

there were different vantage points that

1945

01:10:55,430 --> 01:10:52,480

could be effectively

1946

01:10:58,149 --> 01:10:55,440

um especially with permission from

1947

01:11:00,709 --> 01:10:58,159

anyway i won't go into it but times were

1948

01:11:02,310 --> 01:11:00,719

different so let's just start there and

1949

01:11:03,270 --> 01:11:02,320

uh

1950

01:11:05,270 --> 01:11:03,280

yes

1951

01:11:07,750 --> 01:11:05,280

um to answer and to go into this

1952

01:11:09,030 --> 01:11:07,760

question really quickly

1953

01:11:10,950 --> 01:11:09,040

um

1954

01:11:13,110 --> 01:11:10,960

we were

1955

01:11:15,270 --> 01:11:13,120

just relying on

1956

01:11:18,149 --> 01:11:15,280

vision and what we were seeing take

1957

01:11:19,189 --> 01:11:18,159

place in this hot spot we were worried

1958

01:11:23,030 --> 01:11:19,199

that

1959

01:11:26,630 --> 01:11:23,040

this otherwise inexplicable

1960

01:11:28,550 --> 01:11:26,640

light that seemed to be able to traverse

1961

01:11:30,709 --> 01:11:28,560

great distances in shorts amounts of

1962

01:11:32,950 --> 01:11:30,719

time especially when it turned itself

1963

01:11:36,229 --> 01:11:32,960

off which is kind of an integral part of

1964

01:11:38,310 --> 01:11:36,239

the story these lights were able to uh

1965

01:11:41,110 --> 01:11:38,320

follow people around at least when you

1966

01:11:44,310 --> 01:11:41,120

were seeing them from a third angle or

1967

01:11:46,470 --> 01:11:44,320

from a third party perspective

1968

01:11:48,229 --> 01:11:46,480

in our opinion it seemed as if these

1969

01:11:49,510 --> 01:11:48,239

lights were very much stalking

1970

01:11:51,270 --> 01:11:49,520

individuals

1971

01:11:55,350 --> 01:11:51,280

right there in the vicinity

1972

01:11:57,910 --> 01:11:55,360

then we noticed that these lights

1973

01:12:00,950 --> 01:11:57,920

to just kind of

1974

01:12:02,149 --> 01:12:00,960

move on these lights came up

1975

01:12:03,910 --> 01:12:02,159

to

1976
01:12:06,390 --> 01:12:03,920
a location

1977
01:12:08,550 --> 01:12:06,400
where we were and when these lights

1978
01:12:11,270 --> 01:12:08,560
would turn off they would cover ground

1979
01:12:14,550 --> 01:12:11,280
very quickly we had different names for

1980
01:12:16,550 --> 01:12:14,560
them at the time spy bees or drones we

1981
01:12:17,910 --> 01:12:16,560
were still unsure if they were military

1982
01:12:21,669 --> 01:12:17,920
or

1983
01:12:23,830 --> 01:12:21,679
actual phenomenon of some type and

1984
01:12:26,390 --> 01:12:23,840
but what we did know is that they didn't

1985
01:12:29,430 --> 01:12:26,400
move like anything we'd ever seen before

1986
01:12:31,590 --> 01:12:29,440
and uh sure enough um

1987
01:12:33,189 --> 01:12:31,600
this particular location myself and

1988
01:12:36,390 --> 01:12:33,199

another researcher

1989

01:12:37,350 --> 01:12:36,400

were in a quote-unquote safe area

1990

01:12:39,110 --> 01:12:37,360

and

1991

01:12:41,270 --> 01:12:39,120

this

1992

01:12:44,110 --> 01:12:41,280

light or lights

1993

01:12:47,270 --> 01:12:44,120

seem to immediately

1994

01:12:49,910 --> 01:12:47,280

unhumanly possible

1995

01:12:52,149 --> 01:12:49,920

from a technological perspective in my

1996

01:12:54,790 --> 01:12:52,159

limited range

1997

01:12:57,189 --> 01:12:54,800

to see us from such a distance

1998

01:13:00,550 --> 01:12:57,199

that they began to

1999

01:13:03,510 --> 01:13:00,560

come in our general direction coming up

2000

01:13:05,149 --> 01:13:03,520

a very rocky

2001
01:13:07,669 --> 01:13:05,159
practically

2002
01:13:09,910 --> 01:13:07,679
unconceivable way

2003
01:13:11,669 --> 01:13:09,920
to where we were located

2004
01:13:13,270 --> 01:13:11,679
and uh

2005
01:13:15,590 --> 01:13:13,280
sure enough we both agreed that they

2006
01:13:17,350 --> 01:13:15,600
were on to us they were coming for us

2007
01:13:21,350 --> 01:13:17,360
what were we going to do

2008
01:13:22,470 --> 01:13:21,360
so we hid down in what we know and call

2009
01:13:24,070 --> 01:13:22,480
the crack

2010
01:13:25,910 --> 01:13:24,080
which is just basically and there's a

2011
01:13:28,149 --> 01:13:25,920
lot of them just basically two big rock

2012
01:13:29,910 --> 01:13:28,159
formations and a small

2013
01:13:31,669 --> 01:13:29,920

area where you can

2014

01:13:33,590 --> 01:13:31,679

get a couple of human bodies between

2015

01:13:35,110 --> 01:13:33,600

these rock formations and sort of try to

2016

01:13:37,350 --> 01:13:35,120

get off the radar

2017

01:13:40,390 --> 01:13:37,360

and we we

2018

01:13:43,510 --> 01:13:40,400

got down in this crack between the rocks

2019

01:13:45,110 --> 01:13:43,520

uh very sandy almost talcum powdery dust

2020

01:13:49,270 --> 01:13:45,120

at the bottom like there is on a lot of

2021

01:13:51,030 --> 01:13:49,280

the um surrounding landscape

2022

01:13:53,669 --> 01:13:51,040

and uh

2023

01:13:56,390 --> 01:13:53,679

you could see the light coming you know

2024

01:13:58,950 --> 01:13:56,400

through the angle of the rock and oh my

2025

01:14:01,430 --> 01:13:58,960

gosh what are we gonna do

2026
01:14:03,510 --> 01:14:01,440
to make a long story

2027
01:14:05,270 --> 01:14:03,520
i remember it it hovered over you and

2028
01:14:07,030 --> 01:14:05,280
and it was very bright

2029
01:14:08,229 --> 01:14:07,040
and if i remember right you said that

2030
01:14:09,270 --> 01:14:08,239
you guys

2031
01:14:11,189 --> 01:14:09,280
just

2032
01:14:12,870 --> 01:14:11,199
whether it was a verbal agreement or not

2033
01:14:14,550 --> 01:14:12,880
you just you just stayed there and

2034
01:14:16,950 --> 01:14:14,560
didn't move you was kind of praying that

2035
01:14:19,990 --> 01:14:16,960
these things would go away correct and

2036
01:14:22,149 --> 01:14:20,000
it did it did exactly that eric it it

2037
01:14:23,830 --> 01:14:22,159
it shined down on us it was very bright

2038
01:14:26,310 --> 01:14:23,840

i remember looking

2039

01:14:28,470 --> 01:14:26,320

at my shadow on the ground and just not

2040

01:14:31,110 --> 01:14:28,480

believing how bright this light was

2041

01:14:33,270 --> 01:14:31,120

especially for something of this size

2042

01:14:34,630 --> 01:14:33,280

i mean they seem very small

2043

01:14:36,229 --> 01:14:34,640

and

2044

01:14:38,950 --> 01:14:36,239

um

2045

01:14:41,110 --> 01:14:38,960

after we were the size of a of a like a

2046

01:14:42,630 --> 01:14:41,120

volleyball or a basketball or bigger or

2047

01:14:44,310 --> 01:14:42,640

smaller how would you how would you

2048

01:14:46,149 --> 01:14:44,320

describe the size we were able to look

2049

01:14:47,590 --> 01:14:46,159

were you able to peek up and look a

2050

01:14:49,750 --> 01:14:47,600

little bit at them or were they so

2051
01:14:51,669 --> 01:14:49,760
bright that they were too blinding this

2052
01:14:52,790 --> 01:14:51,679
is what's fascinating if you could

2053
01:14:54,630 --> 01:14:52,800
picture

2054
01:14:56,630 --> 01:14:54,640
three

2055
01:14:58,310 --> 01:14:56,640
have you seen the movie phantasm where

2056
01:15:01,590 --> 01:14:58,320
there's that

2057
01:15:03,110 --> 01:15:01,600
yeah death ball that chrome ball with a

2058
01:15:05,510 --> 01:15:03,120
blade on it

2059
01:15:08,070 --> 01:15:05,520
if if you could picture three of those

2060
01:15:09,270 --> 01:15:08,080
without the blade in a triangular

2061
01:15:10,630 --> 01:15:09,280
formation

2062
01:15:13,270 --> 01:15:10,640
so three

2063
01:15:15,830 --> 01:15:13,280

silvery reflective balls

2064

01:15:17,830 --> 01:15:15,840

flying in a tran triangular formation

2065

01:15:19,990 --> 01:15:17,840

not connected in any way shape or form

2066

01:15:23,189 --> 01:15:20,000

but keeping formation

2067

01:15:26,310 --> 01:15:23,199

that is exactly what it appeared to be

2068

01:15:28,070 --> 01:15:26,320

and at random it could

2069

01:15:30,229 --> 01:15:28,080

engage or

2070

01:15:31,630 --> 01:15:30,239

light up and power

2071

01:15:33,830 --> 01:15:31,640

in a

2072

01:15:37,270 --> 01:15:33,840

180 degree

2073

01:15:39,430 --> 01:15:37,280

angle so um it could shine forward but

2074

01:15:41,510 --> 01:15:39,440

not backward or whatever it was looking

2075

01:15:43,030 --> 01:15:41,520

quote unquote looking at

2076

01:15:46,790 --> 01:15:43,040

and

2077

01:15:49,430 --> 01:15:46,800

very chrome shiny metallic balls

2078

01:15:51,510 --> 01:15:49,440

flying in a triangular formation

2079

01:15:53,750 --> 01:15:51,520

this was nighttime right but but yet i'm

2080

01:15:56,070 --> 01:15:53,760

gonna guess that you could see them in

2081

01:15:57,750 --> 01:15:56,080

this chrome form was it was the moon out

2082

01:15:59,110 --> 01:15:57,760

i mean you you were out they were so

2083

01:16:00,630 --> 01:15:59,120

close you could actually see these

2084

01:16:02,070 --> 01:16:00,640

things other than when they were lit is

2085

01:16:04,149 --> 01:16:02,080

that what you're saying yeah when they

2086

01:16:06,470 --> 01:16:04,159

got close enough um they didn't have to

2087

01:16:08,630 --> 01:16:06,480

be very far away to seem like they they

2088

01:16:10,310 --> 01:16:08,640

were invisible however when they were

2089

01:16:13,510 --> 01:16:10,320

right next to you and i mean we're

2090

01:16:15,270 --> 01:16:13,520

talking six seven feet away

2091

01:16:17,189 --> 01:16:15,280

you could actually make out there was

2092

01:16:18,830 --> 01:16:17,199

enough of moonlight that you could make

2093

01:16:23,030 --> 01:16:18,840

out that they were

2094

01:16:25,270 --> 01:16:23,040

three chrome or silver balls

2095

01:16:27,669 --> 01:16:25,280

reflecting just enough that you could

2096

01:16:29,350 --> 01:16:27,679

you could make it out not connected not

2097

01:16:31,750 --> 01:16:29,360

connected they were maneuvering

2098

01:16:33,350 --> 01:16:31,760

independent but in formation

2099

01:16:35,270 --> 01:16:33,360

any sound coming from these things

2100

01:16:36,950 --> 01:16:35,280

completely silent

2101
01:16:39,830 --> 01:16:36,960
and uh

2102
01:16:41,430 --> 01:16:39,840
it what's odd is after we were flashed i

2103
01:16:43,350 --> 01:16:41,440
immediately thought are we okay are we

2104
01:16:45,830 --> 01:16:43,360
gonna die of cancer what just happened

2105
01:16:47,590 --> 01:16:45,840
what's going on we were you know

2106
01:16:51,189 --> 01:16:47,600
checking each other out we're fine and

2107
01:16:52,790 --> 01:16:51,199
then we heard a thud in that soft talcum

2108
01:16:55,030 --> 01:16:52,800
powdery like

2109
01:16:57,510 --> 01:16:55,040
desert sand

2110
01:16:59,669 --> 01:16:57,520
just up and over the crack well being

2111
01:17:01,750 --> 01:16:59,679
researchers and investigators by nature

2112
01:17:03,189 --> 01:17:01,760
we obviously were intrigued at this

2113
01:17:04,310 --> 01:17:03,199

point our safety went out the window

2114

01:17:06,870 --> 01:17:04,320

again

2115

01:17:07,990 --> 01:17:06,880

and we peeked up and peered over this

2116

01:17:09,510 --> 01:17:08,000

crack

2117

01:17:12,070 --> 01:17:09,520

to where

2118

01:17:14,550 --> 01:17:12,080

this formation this this light source

2119

01:17:16,390 --> 01:17:14,560

these balls had just landed into the

2120

01:17:19,270 --> 01:17:16,400

desert floor

2121

01:17:20,550 --> 01:17:19,280

and you could still see the talcami

2122

01:17:22,709 --> 01:17:20,560

uh

2123

01:17:23,750 --> 01:17:22,719

dust kind of settling of where it had

2124

01:17:26,149 --> 01:17:23,760

landed

2125

01:17:27,910 --> 01:17:26,159

and we crawled out like hey man we might

2126
01:17:28,870 --> 01:17:27,920
actually be able to box this up and have

2127
01:17:31,910 --> 01:17:28,880
some

2128
01:17:33,830 --> 01:17:31,920
real data and um

2129
01:17:35,669 --> 01:17:33,840
just as that thought was going through

2130
01:17:41,910 --> 01:17:35,679
my mind uh

2131
01:17:45,910 --> 01:17:43,990
kind of a small much like the native

2132
01:17:49,750 --> 01:17:45,920
americans describe

2133
01:17:51,270 --> 01:17:49,760
shapeshifter dark adept uh

2134
01:17:54,470 --> 01:17:51,280
where animal

2135
01:17:57,030 --> 01:17:54,480
sort of entities manifesting

2136
01:17:59,110 --> 01:17:57,040
in these dust devils

2137
01:18:01,189 --> 01:17:59,120
this thing or the way the gin is

2138
01:18:03,030 --> 01:18:01,199

obviously described in the middle east

2139

01:18:05,110 --> 01:18:03,040
as a smokeless fire

2140

01:18:05,910 --> 01:18:05,120
it started swirling

2141

01:18:06,870 --> 01:18:05,920
and

2142

01:18:08,790 --> 01:18:06,880
these

2143

01:18:11,830 --> 01:18:08,800
almost

2144

01:18:14,470 --> 01:18:11,840
invis they were just like gnats or fleas

2145

01:18:15,270 --> 01:18:14,480
or flies or like fruit flies the size of

2146

01:18:17,189 --> 01:18:15,280
them

2147

01:18:19,110 --> 01:18:17,199
um let me interrupt you without this

2148

01:18:22,470 --> 01:18:19,120
point when they're swirling are they

2149

01:18:24,470 --> 01:18:22,480
still soundless totally soundless

2150

01:18:26,790 --> 01:18:24,480
and i remember right they were talking

2151
01:18:28,709 --> 01:18:26,800
these things were less than 20 or 30

2152
01:18:31,430 --> 01:18:28,719
feet away from you is that correct oh my

2153
01:18:33,910 --> 01:18:31,440
gosh man we were

2154
01:18:35,910 --> 01:18:33,920
way less way less than way less than i

2155
01:18:38,070 --> 01:18:35,920
mean like 10 feet maybe or something if

2156
01:18:39,910 --> 01:18:38,080
i remember possibly yeah you're you're

2157
01:18:42,229 --> 01:18:39,920
getting close there yeah right around

2158
01:18:44,630 --> 01:18:42,239
there and this thing i mean close enough

2159
01:18:46,870 --> 01:18:44,640
that we're getting real we got four eyes

2160
01:18:47,669 --> 01:18:46,880
on it we're getting a real good view of

2161
01:18:53,430 --> 01:18:47,679
it

2162
01:18:56,390 --> 01:18:53,440
much like um

2163
01:18:58,149 --> 01:18:56,400

gosh just like a dust devil but you know

2164

01:19:00,390 --> 01:18:58,159

it just seems like it's coming out of

2165

01:19:02,870 --> 01:19:00,400

the ground it's swirling they're the

2166

01:19:04,149 --> 01:19:02,880

size of fruit flies are slightly larger

2167

01:19:07,030 --> 01:19:04,159

possibly

2168

01:19:10,470 --> 01:19:07,040

and almost like nano particles

2169

01:19:13,830 --> 01:19:10,480

swirling like a dark mist like a dark

2170

01:19:17,110 --> 01:19:13,840

mist and then it materializes into a

2171

01:19:20,870 --> 01:19:17,120

canine right before our very eyes

2172

01:19:23,430 --> 01:19:20,880

just as solid a thing as um the desk in

2173

01:19:27,110 --> 01:19:23,440

front of me and we both looked at each

2174

01:19:30,229 --> 01:19:27,120

other like what in the literal f

2175

01:19:31,590 --> 01:19:30,239

and it started walking uh diagonally

2176
01:19:32,950 --> 01:19:31,600
towards us

2177
01:19:36,149 --> 01:19:32,960
and

2178
01:19:37,430 --> 01:19:36,159
we freaked out i mean we both literally

2179
01:19:39,270 --> 01:19:37,440
freaked out

2180
01:19:41,350 --> 01:19:39,280
hung on to each other like we were two

2181
01:19:42,870 --> 01:19:41,360
scared chipmunks in the wind

2182
01:19:46,070 --> 01:19:42,880
and

2183
01:19:48,709 --> 01:19:46,080
it demanifested almost as quickly as it

2184
01:19:50,870 --> 01:19:48,719
manifested it

2185
01:19:52,950 --> 01:19:50,880
deep partic like the particles

2186
01:19:55,750 --> 01:19:52,960
demanifested

2187
01:19:57,430 --> 01:19:55,760
and um it was gone and i mean this thing

2188
01:19:59,350 --> 01:19:57,440

was so close we could have reached out

2189

01:20:03,669 --> 01:19:59,360

and pet it at this point

2190

01:20:05,910 --> 01:20:03,679

we got a very good look at it uh very

2191

01:20:08,629 --> 01:20:05,920

would you say that this uh this creature

2192

01:20:10,709 --> 01:20:08,639

or whatever animal it appeared to be was

2193

01:20:13,270 --> 01:20:10,719

bigger than a standard animal of that

2194

01:20:15,110 --> 01:20:13,280

nature or was it or was it the same size

2195

01:20:17,510 --> 01:20:15,120

as like a wolf or something like that or

2196

01:20:20,229 --> 01:20:17,520

what would you say very wolf-like yeah

2197

01:20:22,070 --> 01:20:20,239

very wolf-like um a large wolf or just a

2198

01:20:24,709 --> 01:20:22,080

regular-sized wolf would you say you

2199

01:20:27,590 --> 01:20:24,719

know i wouldn't put it in now i've we've

2200

01:20:30,390 --> 01:20:27,600

seen bigger wolves than this one

2201
01:20:33,030 --> 01:20:30,400
but it was definitely wolf-like uh we've

2202
01:20:35,590 --> 01:20:33,040
seen those crazy what people talk about

2203
01:20:36,629 --> 01:20:35,600
these crazy elk sized and deer-sized

2204
01:20:38,470 --> 01:20:36,639
wolves

2205
01:20:40,550 --> 01:20:38,480
following the waterways or up on the

2206
01:20:43,669 --> 01:20:40,560
ridges we've seen these

2207
01:20:46,950 --> 01:20:43,679
it was not that big but it was not small

2208
01:20:50,229 --> 01:20:46,960
it was definitely a large and hefty

2209
01:20:52,870 --> 01:20:50,239
canine enough that it could perfectly

2210
01:20:54,790 --> 01:20:52,880
mess us up

2211
01:20:56,629 --> 01:20:54,800
so what happened next so this thing

2212
01:20:58,629 --> 01:20:56,639
dematerializes

2213
01:21:00,310 --> 01:20:58,639

you've got a moment to breathe do you

2214

01:21:02,790 --> 01:21:00,320

have a brief conversation with your

2215

01:21:05,030 --> 01:21:02,800

partner or did the next scene happen

2216

01:21:07,990 --> 01:21:05,040

immediately thereafter no words there

2217

01:21:10,390 --> 01:21:08,000

was no word literally disbelief in what

2218

01:21:11,990 --> 01:21:10,400

we had just seen um

2219

01:21:14,629 --> 01:21:12,000

and uh

2220

01:21:16,870 --> 01:21:14,639

as we started to chatter

2221

01:21:18,070 --> 01:21:16,880

we noticed that from the same general

2222

01:21:23,990 --> 01:21:18,080

direction

2223

01:21:29,350 --> 01:21:26,870

less intimidating a porcupine much

2224

01:21:30,390 --> 01:21:29,360

smaller and this is where things get

2225

01:21:31,350 --> 01:21:30,400

strange

2226
01:21:33,270 --> 01:21:31,360
um

2227
01:21:36,629 --> 01:21:33,280
it was not acting like a typical

2228
01:21:38,550 --> 01:21:36,639
porcupine it was making strange sounds

2229
01:21:39,510 --> 01:21:38,560
it sat up on its

2230
01:21:41,910 --> 01:21:39,520
on its

2231
01:21:43,669 --> 01:21:41,920
butt and it was sitting there and it

2232
01:21:46,149 --> 01:21:43,679
grabbed a rock

2233
01:21:50,229 --> 01:21:46,159
and it was playing with the rock much

2234
01:21:53,590 --> 01:21:50,239
like a um rolling the rock on the ground

2235
01:21:55,750 --> 01:21:53,600
in front of us in a circular nature yeah

2236
01:21:57,830 --> 01:21:55,760
and it

2237
01:22:00,790 --> 01:21:57,840
this is where things get we at this

2238
01:22:03,430 --> 01:22:00,800

point we are literally like are we in a

2239

01:22:05,189 --> 01:22:03,440

time warp or is this even happening it

2240

01:22:06,870 --> 01:22:05,199

just started rolling a rock on the

2241

01:22:09,510 --> 01:22:06,880

ground in a circular nature sitting

2242

01:22:12,149 --> 01:22:09,520

there like a person looking at us like

2243

01:22:14,709 --> 01:22:12,159

just kind of seeing how this particular

2244

01:22:16,950 --> 01:22:14,719

observation was going if this was a

2245

01:22:18,870 --> 01:22:16,960

better way to interact and if we were

2246

01:22:21,669 --> 01:22:18,880

going to freak out about this

2247

01:22:23,830 --> 01:22:21,679

and um that's the way the trickster is i

2248

01:22:26,229 --> 01:22:23,840

don't know for a fact if the second

2249

01:22:27,669 --> 01:22:26,239

animal was just a whacked-out crazy

2250

01:22:32,070 --> 01:22:27,679

porcupine

2251
01:22:33,750 --> 01:22:32,080
that um had lost its mind or like my

2252
01:22:35,430 --> 01:22:33,760
the fellow researcher said what's gonna

2253
01:22:37,430 --> 01:22:35,440
happen is is it gonna light up a

2254
01:22:39,189 --> 01:22:37,440
cigarette and start talking to us it was

2255
01:22:42,070 --> 01:22:39,199
not acting

2256
01:22:43,669 --> 01:22:42,080
normal and um

2257
01:22:46,310 --> 01:22:43,679
but that's the problem when you're in

2258
01:22:47,990 --> 01:22:46,320
these states and in these areas these

2259
01:22:50,709 --> 01:22:48,000
altered areas

2260
01:22:52,950 --> 01:22:50,719
where dark adepts and shape

2261
01:22:55,430 --> 01:22:52,960
where this stalking can occur

2262
01:22:56,310 --> 01:22:55,440
you're literally at the whim of some of

2263
01:22:58,950 --> 01:22:56,320

these

2264

01:23:01,350 --> 01:22:58,960

precognitive sentient intelligences that

2265

01:23:04,550 --> 01:23:01,360

obviously have powers that exceed our

2266

01:23:06,390 --> 01:23:04,560

own so all you can do is watch but

2267

01:23:08,149 --> 01:23:06,400

anyway i don't want to keep going on

2268

01:23:09,750 --> 01:23:08,159

that um

2269

01:23:11,430 --> 01:23:09,760

what there was one what was the final

2270

01:23:13,189 --> 01:23:11,440

part of the story though what didn't it

2271

01:23:15,270 --> 01:23:13,199

then it backed off if i remember right

2272

01:23:17,910 --> 01:23:15,280

but then didn't it re-manifest again

2273

01:23:20,390 --> 01:23:17,920

back into the wolf or something no

2274

01:23:23,910 --> 01:23:20,400

no that was it the um

2275

01:23:25,669 --> 01:23:23,920

yeah the real the real crazy thing was

2276

01:23:28,229 --> 01:23:25,679

just seeing that

2277

01:23:30,950 --> 01:23:28,239

composition of

2278

01:23:32,950 --> 01:23:30,960

almost nanoparticles turn into a solid

2279

01:23:35,750 --> 01:23:32,960

object right before our eyes i mean you

2280

01:23:38,390 --> 01:23:35,760

can't make this stuff up it's not

2281

01:23:40,950 --> 01:23:38,400

no it's just not anything that fits in

2282

01:23:42,550 --> 01:23:40,960

any of the boxes

2283

01:23:44,470 --> 01:23:42,560

and i just want to say this since we're

2284

01:23:46,229 --> 01:23:44,480

live and we're discussing this will be

2285

01:23:47,510 --> 01:23:46,239

is uh you know one of the things that

2286

01:23:50,070 --> 01:23:47,520

i've been doing

2287

01:23:53,270 --> 01:23:50,080

is before i really get into any research

2288

01:23:55,350 --> 01:23:53,280

topic is as i research the researchers

2289

01:23:57,270 --> 01:23:55,360

and it's my opinion not because i like

2290

01:23:59,669 --> 01:23:57,280

you and you're my kind of my friend i'd

2291

01:24:01,510 --> 01:23:59,679

say a new friendship but i don't i don't

2292

01:24:03,910 --> 01:24:01,520

think that you are embellishing or

2293

01:24:06,550 --> 01:24:03,920

making up or exaggerating or trying to

2294

01:24:08,790 --> 01:24:06,560

gain any kind of fame or popularity by

2295

01:24:10,550 --> 01:24:08,800

telling any of this information i i find

2296

01:24:13,350 --> 01:24:10,560

you to be very sincere and genuine and

2297

01:24:14,709 --> 01:24:13,360

very intelligent and you're you're so i

2298

01:24:16,229 --> 01:24:14,719

believe what you're telling me and if

2299

01:24:17,910 --> 01:24:16,239

people are listening they don't believe

2300

01:24:19,669 --> 01:24:17,920

it then they they need to do more

2301
01:24:21,590 --> 01:24:19,679
research and then try to figure out you

2302
01:24:24,229 --> 01:24:21,600
know what's legit and what's not i just

2303
01:24:26,070 --> 01:24:24,239
i get irritated with oh that dot so and

2304
01:24:28,870 --> 01:24:26,080
so said this and that's probably a bunch

2305
01:24:30,149 --> 01:24:28,880
of this it's like shut up just shut up

2306
01:24:32,149 --> 01:24:30,159
and

2307
01:24:33,910 --> 01:24:32,159
you really get a lot more done when you

2308
01:24:36,550 --> 01:24:33,920
don't draw attention to yourself i'll

2309
01:24:38,149 --> 01:24:36,560
throw that out there um i wish that

2310
01:24:41,830 --> 01:24:38,159
wouldn't have happened and i didn't have

2311
01:24:44,629 --> 01:24:41,840
that story but it did happen and um

2312
01:24:46,629 --> 01:24:44,639
there's a hundred stories just like it

2313
01:24:48,550 --> 01:24:46,639

with locals in the area

2314

01:24:50,870 --> 01:24:48,560

and whether or not they come forward

2315

01:24:53,350 --> 01:24:50,880

with it or not really depends on the

2316

01:24:55,350 --> 01:24:53,360

time you catch them the mood they're in

2317

01:24:57,910 --> 01:24:55,360

what were the occurrences taking place

2318

01:25:02,070 --> 01:24:57,920

that evening there are so many stories

2319

01:25:02,950 --> 01:25:02,080

of cryptids um werewolf like animals dog

2320

01:25:05,750 --> 01:25:02,960

men

2321

01:25:09,430 --> 01:25:05,760

and uh for lack of a better word dark

2322

01:25:12,870 --> 01:25:09,440

adepts that i mean the oral tradition

2323

01:25:14,950 --> 01:25:12,880

has spoken of these for 15 generations

2324

01:25:17,030 --> 01:25:14,960

that we're aware of so

2325

01:25:19,270 --> 01:25:17,040

this is something that was there long

2326

01:25:21,669 --> 01:25:19,280

before long before

2327

01:25:24,070 --> 01:25:21,679

you know philo t farnsworth from utah

2328

01:25:26,550 --> 01:25:24,080

invented the television this was

2329

01:25:28,470 --> 01:25:26,560

this was stuff going on long before

2330

01:25:31,030 --> 01:25:28,480

people and that's why

2331

01:25:32,950 --> 01:25:31,040

so many of these traditions

2332

01:25:34,790 --> 01:25:32,960

keep this stuff close to the chest and

2333

01:25:38,390 --> 01:25:34,800

don't discuss them because the minute

2334

01:25:40,310 --> 01:25:38,400

you do discuss them it seems as if

2335

01:25:41,270 --> 01:25:40,320

that person's integrity is put to the

2336

01:25:44,470 --> 01:25:41,280

test

2337

01:25:46,070 --> 01:25:44,480

and people question their sanity and to

2338

01:25:47,669 --> 01:25:46,080

be honest with you

2339

01:25:49,910 --> 01:25:47,679

myself and this other researcher have

2340

01:25:52,390 --> 01:25:49,920

spoken many times

2341

01:25:55,030 --> 01:25:52,400

exactly about that like what did we see

2342

01:25:56,229 --> 01:25:55,040

were we saying what was taking place

2343

01:25:57,990 --> 01:25:56,239

and

2344

01:26:01,110 --> 01:25:58,000

how could we possibly see something like

2345

01:26:03,189 --> 01:26:01,120

that if it wasn't real so

2346

01:26:05,030 --> 01:26:03,199

it is you know it's a story i wish i

2347

01:26:07,030 --> 01:26:05,040

didn't have but it's something i really

2348

01:26:09,510 --> 01:26:07,040

saw and um

2349

01:26:11,030 --> 01:26:09,520

it it's it's just

2350

01:26:13,189 --> 01:26:11,040

like i said

2351
01:26:15,910 --> 01:26:13,199
innumerable other accounts from other

2352
01:26:19,270 --> 01:26:15,920
individuals that have very similar

2353
01:26:20,390 --> 01:26:19,280
stories if not more wild and uh

2354
01:26:22,550 --> 01:26:20,400
yeah man

2355
01:26:25,350 --> 01:26:22,560
lastly as we wrap up here

2356
01:26:27,990 --> 01:26:25,360
what um what's what what's your next

2357
01:26:30,310 --> 01:26:28,000
adventure what are you concentrating on

2358
01:26:32,070 --> 01:26:30,320
more and uh where can people keep up

2359
01:26:34,149 --> 01:26:32,080
with you or get in touch with you or

2360
01:26:35,110 --> 01:26:34,159
even converse with you online

2361
01:26:37,990 --> 01:26:35,120
yeah

2362
01:26:40,149 --> 01:26:38,000
again it's uh eric at awakening man and

2363
01:26:41,990 --> 01:26:40,159

then i've also somebody tagged me

2364

01:26:43,990 --> 01:26:42,000

recently uh duke sullivan from world

2365

01:26:45,510 --> 01:26:44,000

bigfoot radio radio called me the

2366

01:26:47,030 --> 01:26:45,520

adventuring man

2367

01:26:48,790 --> 01:26:47,040

uh so i thought i kind of liked that

2368

01:26:50,390 --> 01:26:48,800

actually because that's really what i am

2369

01:26:53,270 --> 01:26:50,400

so that's kind of a little yeah but

2370

01:26:56,470 --> 01:26:53,280

anyway yeah so my my plan now is to uh

2371

01:26:58,629 --> 01:26:56,480

i'm going back to montana up to the uh

2372

01:27:00,550 --> 01:26:58,639

the site up there in missoula where last

2373

01:27:02,470 --> 01:27:00,560

year i was with uh some bigfoot

2374

01:27:04,390 --> 01:27:02,480

researchers some really uh one of the

2375

01:27:07,430 --> 01:27:04,400

guys that i eventually actually went out

2376
01:27:09,750 --> 01:27:07,440
to falc arkansas william munsford who's

2377
01:27:11,910 --> 01:27:09,760
took me to his research area and i saw

2378
01:27:14,149 --> 01:27:11,920
some things and blew my mind actually

2379
01:27:16,390 --> 01:27:14,159
but saw more tree structures but so yeah

2380
01:27:17,430 --> 01:27:16,400
i'm going back to montana probably next

2381
01:27:18,870 --> 01:27:17,440
weekend

2382
01:27:21,110 --> 01:27:18,880
and we're going to go do some more

2383
01:27:23,110 --> 01:27:21,120
research and back to the areas where we

2384
01:27:24,629 --> 01:27:23,120
saw the three structures and hopefully

2385
01:27:26,390 --> 01:27:24,639
you know how it is you go you go

2386
01:27:29,030 --> 01:27:26,400
somewhere

2387
01:27:30,870 --> 01:27:29,040
you gotta for me i you gotta go in just

2388
01:27:33,030 --> 01:27:30,880

kind of free flowing and not with

2389

01:27:34,950 --> 01:27:33,040

anticipation anticipation

2390

01:27:37,189 --> 01:27:34,960

of anything happening you just you just

2391

01:27:39,189 --> 01:27:37,199

accept that whatever experience that

2392

01:27:41,189 --> 01:27:39,199

you're given that you're grateful for so

2393

01:27:43,030 --> 01:27:41,199

i i don't know i'm hoping i'm really

2394

01:27:45,110 --> 01:27:43,040

hoping eventually

2395

01:27:46,950 --> 01:27:45,120

to have a more of a dire like i tell my

2396

01:27:49,270 --> 01:27:46,960

friends i just want a bigfoot to throw a

2397

01:27:50,790 --> 01:27:49,280

rock at me and if he hits me and it

2398

01:27:53,110 --> 01:27:50,800

doesn't hurt that's fine you know i i

2399

01:27:55,590 --> 01:27:53,120

just want to have a little bit more

2400

01:27:57,189 --> 01:27:55,600

of a i mean i've heard the sounds

2401
01:27:58,709 --> 01:27:57,199
i've seen the trees that were pushed

2402
01:28:00,229 --> 01:27:58,719
over when we were there last time but

2403
01:28:01,990 --> 01:28:00,239
that happened live while we were there

2404
01:28:03,910 --> 01:28:02,000
two giant trees came down in the middle

2405
01:28:06,310 --> 01:28:03,920
of forests uh we've seen the tree

2406
01:28:07,990 --> 01:28:06,320
structures so that was a great uh that

2407
01:28:09,990 --> 01:28:08,000
is what's enticing me to go back this

2408
01:28:11,669 --> 01:28:10,000
year because i'm hoping that maybe

2409
01:28:14,470 --> 01:28:11,679
whatever these things are

2410
01:28:15,990 --> 01:28:14,480
that they would be uh so kind as to kill

2411
01:28:17,990 --> 01:28:16,000
themselves you know i mean that's that's

2412
01:28:20,550 --> 01:28:18,000
a pipe dream but you never know you

2413
01:28:22,390 --> 01:28:20,560

never know so yeah so i so montana then

2414

01:28:25,030 --> 01:28:22,400

on the way back i'm stopping in swan

2415

01:28:27,270 --> 01:28:25,040

valley idaho where i met a man last year

2416

01:28:28,390 --> 01:28:27,280

who has property out there like 10 miles

2417

01:28:29,350 --> 01:28:28,400

of property out in the middle of the

2418

01:28:31,750 --> 01:28:29,360

forest

2419

01:28:33,350 --> 01:28:31,760

uh he says he's i could camp on a site

2420

01:28:35,189 --> 01:28:33,360

he tells me that the bigfoot come

2421

01:28:37,510 --> 01:28:35,199

through his property every year and

2422

01:28:39,750 --> 01:28:37,520

steal all the apples off his apple tree

2423

01:28:43,189 --> 01:28:39,760

he's got an area out there that he hunts

2424

01:28:44,950 --> 01:28:43,199

in where he's seeing piles of bones

2425

01:28:46,950 --> 01:28:44,960

uh that he's going to take me out there

2426
01:28:47,750 --> 01:28:46,960
and show me uh where these gravy knew

2427
01:28:49,750 --> 01:28:47,760
you know

2428
01:28:51,590 --> 01:28:49,760
why would there be piles of bones in the

2429
01:28:54,070 --> 01:28:51,600
middle of the forest i mean what did he

2430
01:28:56,149 --> 01:28:54,080
would humans do that i don't think so so

2431
01:28:57,669 --> 01:28:56,159
yeah and then back to utah i'm going to

2432
01:28:59,510 --> 01:28:57,679
hang out with jeff brunell and we're

2433
01:29:01,669 --> 01:28:59,520
going to go up to the uh

2434
01:29:03,430 --> 01:29:01,679
the forest up there what's that forest

2435
01:29:05,990 --> 01:29:03,440
up there that's about 11 000 feet i

2436
01:29:08,149 --> 01:29:06,000
can't remember the uintas yeah

2437
01:29:10,790 --> 01:29:08,159
yeah we're gonna go up there and maybe

2438
01:29:12,629 --> 01:29:10,800

uh do some camping where we actually

2439

01:29:14,550 --> 01:29:12,639

last year where we were going through

2440

01:29:16,470 --> 01:29:14,560

there by with a guide that says that

2441

01:29:18,229 --> 01:29:16,480

he's having uh

2442

01:29:20,390 --> 01:29:18,239

interactions with these bigfoot up there

2443

01:29:22,310 --> 01:29:20,400

matter of fact but what's again this is

2444

01:29:24,070 --> 01:29:22,320

this is hard to believe but

2445

01:29:25,830 --> 01:29:24,080

in this world that's that's there's so

2446

01:29:27,750 --> 01:29:25,840

many stories that sound crazy but

2447

01:29:29,350 --> 01:29:27,760

sometimes after you have an experience

2448

01:29:30,470 --> 01:29:29,360

or two and you see things you start to

2449

01:29:32,470 --> 01:29:30,480

think well

2450

01:29:34,310 --> 01:29:32,480

maybe there is a possibility that this

2451
01:29:36,310 --> 01:29:34,320
guy's telling the truth but he said that

2452
01:29:37,350 --> 01:29:36,320
he's having interactions with them like

2453
01:29:39,510 --> 01:29:37,360
literal

2454
01:29:41,350 --> 01:29:39,520
habitual you know he's habitating with

2455
01:29:43,270 --> 01:29:41,360
these these beings where they know him

2456
01:29:44,870 --> 01:29:43,280
and he goes up there and he's

2457
01:29:46,550 --> 01:29:44,880
interacting with them and he showed us

2458
01:29:48,709 --> 01:29:46,560
our tree structures and

2459
01:29:51,030 --> 01:29:48,719
and so i don't know you know how legit

2460
01:29:53,030 --> 01:29:51,040
this guy is but so round two it's always

2461
01:29:54,070 --> 01:29:53,040
to me it's always the second time

2462
01:29:55,990 --> 01:29:54,080
through

2463
01:29:57,910 --> 01:29:56,000

uh is as you're a little more prepared

2464

01:29:59,910 --> 01:29:57,920

you kind of know what you're doing more

2465

01:30:01,990 --> 01:29:59,920

so than the first time you're there so

2466

01:30:04,830 --> 01:30:02,000

so yeah that's that's going to be august

2467

01:30:08,229 --> 01:30:04,840

and then we'll see after that september

2468

01:30:11,590 --> 01:30:08,239

october was you know i'm excited i lost

2469

01:30:13,270 --> 01:30:11,600

20 pounds of last summer and i'm i got

2470

01:30:14,550 --> 01:30:13,280

better shape so i'm ready to hike i

2471

01:30:16,390 --> 01:30:14,560

could go two and a half three hours

2472

01:30:17,830 --> 01:30:16,400

hiking in the forest and and not getting

2473

01:30:21,270 --> 01:30:17,840

exhausted and that's kind of what the

2474

01:30:22,950 --> 01:30:21,280

plan is to really get deep in there yeah

2475

01:30:24,790 --> 01:30:22,960

so yeah i'm excited i'll i'll definitely

2476
01:30:25,990 --> 01:30:24,800
be post if anything happens though i'll

2477
01:30:28,470 --> 01:30:26,000
call you and we'll do another show if

2478
01:30:30,229 --> 01:30:28,480
you definitely do and i will also be in

2479
01:30:33,030 --> 01:30:30,239
august in utah i don't know if you can

2480
01:30:34,790 --> 01:30:33,040
make it it's an amazing think tank and a

2481
01:30:37,189 --> 01:30:34,800
gathering oh that's right that's about

2482
01:30:38,790 --> 01:30:37,199
the 17th or the 16th or something uh

2483
01:30:40,629 --> 01:30:38,800
it's it's known as the moon lake

2484
01:30:43,510 --> 01:30:40,639
gathering it's actually at altamonte

2485
01:30:45,510 --> 01:30:43,520
city park and it's august 12th and 13th

2486
01:30:47,990 --> 01:30:45,520
they're going to feature topics

2487
01:30:49,830 --> 01:30:48,000
uh lost gold mines i remember reading

2488
01:30:51,669 --> 01:30:49,840

that i'm and i do want to go and i

2489

01:30:53,590 --> 01:30:51,679

matter of fact i will go so

2490

01:30:55,910 --> 01:30:53,600

my goal will be to spend like a week up

2491

01:30:58,550 --> 01:30:55,920

there in montana then come back down to

2492

01:31:00,470 --> 01:30:58,560

and hang out with jeff at his house and

2493

01:31:01,910 --> 01:31:00,480

i'll plan it in a way where i could be

2494

01:31:04,390 --> 01:31:01,920

at that event that you're talking about

2495

01:31:06,070 --> 01:31:04,400

because that sounds like a real uh

2496

01:31:07,350 --> 01:31:06,080

educational event that's going to go

2497

01:31:08,709 --> 01:31:07,360

down yeah there's going to be great

2498

01:31:10,470 --> 01:31:08,719

people there and there's a mystery

2499

01:31:13,030 --> 01:31:10,480

speaker that you don't want to miss i'll

2500

01:31:15,110 --> 01:31:13,040

send you the info right after we get off

2501
01:31:16,470 --> 01:31:15,120
yeah super yeah i'm excited so yeah

2502
01:31:17,830 --> 01:31:16,480
we'll be seeing each other then in a

2503
01:31:19,110 --> 01:31:17,840
couple two or three weeks i'm looking

2504
01:31:21,669 --> 01:31:19,120
forward to it

2505
01:31:23,350 --> 01:31:21,679
um so yeah super super glad to meet you

2506
01:31:25,590 --> 01:31:23,360
thanks for having me on your show i

2507
01:31:27,910 --> 01:31:25,600
really don't do very many shows but if i

2508
01:31:29,270 --> 01:31:27,920
trust the person like you i'll get on

2509
01:31:31,750 --> 01:31:29,280
there and just tell my stories with no

2510
01:31:33,510 --> 01:31:31,760
fear uh some of these shows you know as

2511
01:31:36,310 --> 01:31:33,520
you know you get on these shows and they

2512
01:31:38,229 --> 01:31:36,320
just want to harass you or or hassle you

2513
01:31:40,229 --> 01:31:38,239

or whatever it's like i don't have time

2514

01:31:41,910 --> 01:31:40,239

for that yeah i mean

2515

01:31:44,470 --> 01:31:41,920

i appreciate just talking to a

2516

01:31:46,709 --> 01:31:44,480

researcher that's the real deal and uh i

2517

01:31:48,870 --> 01:31:46,719

don't know you are so have a great rest

2518

01:31:51,510 --> 01:31:48,880

of your day thanks so much eric okay

2519

01:31:54,149 --> 01:31:51,520

take care buddy bye-bye

2520

01:31:54,950 --> 01:31:54,159

man there you have it eric the awakening

2521

01:31:57,189 --> 01:31:54,960

man

2522

01:31:59,910 --> 01:31:57,199

possibly now going to be the adventuring

2523

01:32:00,870 --> 01:31:59,920

man he's the real deal always in the

2524

01:32:03,910 --> 01:32:00,880

field

2525

01:32:06,229 --> 01:32:03,920

never ever just kicking back and

2526
01:32:08,950 --> 01:32:06,239
listening to what others say he's out

2527
01:32:11,350 --> 01:32:08,960
investigating him himself talking to

2528
01:32:13,030 --> 01:32:11,360
people who are boots on the ground as he

2529
01:32:14,950 --> 01:32:13,040
stands beside them

2530
01:32:18,149 --> 01:32:14,960
if you want to keep up with him

2531
01:32:21,830 --> 01:32:18,159
basically keep an eye out for eric

2532
01:32:23,430 --> 01:32:21,840
awakening man or soon to possibly become

2533
01:32:25,110 --> 01:32:23,440
adventuring man

2534
01:32:27,189 --> 01:32:25,120
you know where he's at you can always

2535
01:32:29,110 --> 01:32:27,199
hopefully hear him here we'll definitely

2536
01:32:32,149 --> 01:32:29,120
try to get him back on the podcast as

2537
01:32:34,950 --> 01:32:32,159
soon as possible or if you are going to

2538
01:32:37,830 --> 01:32:34,960

be able to be in utah in august that's

2539

01:32:39,510 --> 01:32:37,840

this august 12th and 13th it sounds like

2540

01:32:41,750 --> 01:32:39,520

he'll be there as well

2541

01:32:45,030 --> 01:32:41,760

2542

01:32:47,669 --> 01:32:45,040

saturday that would be august 13th we

2557
01:33:23,510 --> 01:33:21,360
