proved to be very eventful we are going

60
00:03:13,270 --> 00:03:11,440

67

00:03:29,670 --> 00:03:27,280

path

68

00:03:31,110 --> 00:03:29,680

that you came on the podcast with me

91

00:04:27,110 --> 00:04:25,600

today i've been wanting to talk to you

92

00:04:29,430 --> 00:04:27,120

for some time

93

00:04:31,430 --> 00:04:29,440

just about you know

94

00:04:33,749 --> 00:04:31,440

everything you do you're involved with

95

00:04:35,350 --> 00:04:33,759

so much you're involved with uh ghost

96

00:04:38,230 --> 00:04:35,360

adventures

97

00:04:39,670 --> 00:04:38,240

you're a hypnotist you've uh

98

00:04:43,590 --> 00:04:39,680

you've done

99

00:04:46,390 --> 00:04:43,600

more ghost hunts than anybody i know

100

00:04:49,830 --> 00:04:46,400

matt you know it's it's pretty amazing

101
00:04:51,830 --> 00:04:49,840
and uh yeah it's so cool um

102
00:04:54,629 --> 00:04:51,840
i'm really glad to have you on i wanted

103
00:04:57,590 --> 00:04:54,639
to ask you how you got into all of this

104
00:04:59,749 --> 00:04:57,600
and and and uh before we go into some

105
00:05:02,070 --> 00:04:59,759
deeper darker details of what we're

106
00:05:04,310 --> 00:05:02,080
chatting about what keeps you uh what

107
00:05:06,310 --> 00:05:04,320
keeps you going

108
00:05:09,270 --> 00:05:06,320
well first of all let me say i really

109
00:05:12,469 --> 00:05:09,280
appreciate the opportunity um to utilize

110
00:05:14,870 --> 00:05:12,479
this platform to to talk and to you know

111
00:05:17,830 --> 00:05:14,880
bring some awareness to to people that

112
00:05:20,469 --> 00:05:17,840
listen and so forth so um i guess the

113
00:05:21,670 --> 00:05:20,479

big question is what got me into all

114

00:05:23,350 --> 00:05:21,680

this

115

00:05:25,909 --> 00:05:23,360

is that kind of where we're going to

116

00:05:28,790 --> 00:05:25,919

start yeah man i mean you you're a

117

00:05:31,350 --> 00:05:28,800

subconscious conjurer you're host of the

118

00:05:33,830 --> 00:05:31,360

paranormal phenomenon perignosis

119

00:05:35,670 --> 00:05:33,840

which has audiences have loved that for

120

00:05:37,749 --> 00:05:35,680

over 20 years you've got a deep

121

00:05:40,870 --> 00:05:37,759

understanding of the mind and the

122

00:05:43,830 --> 00:05:40,880

intrigue and super unique approach

123

00:05:46,550 --> 00:05:43,840

to paranormal research and yeah it's

124

00:05:48,150 --> 00:05:46,560

just what got you into mysticism and

125

00:05:49,830 --> 00:05:48,160

and uh

126
00:05:50,790 --> 00:05:49,840
what started your journey along this

127
00:05:54,710 --> 00:05:50,800
path

128
00:05:56,950 --> 00:05:54,720
well i'll tell you back in 96 i started

129
00:05:57,830 --> 00:05:56,960
a circus sideshow

130
00:06:02,790 --> 00:05:57,840
um

131
00:06:05,110 --> 00:06:02,800
utilizing you know

132
00:06:08,309 --> 00:06:05,120
i wouldn't say death defying feats but

133
00:06:10,309 --> 00:06:08,319
that's certainly what we marketed it as

134
00:06:13,430 --> 00:06:10,319
but

135
00:06:17,430 --> 00:06:15,110
to what i was doing

136
00:06:19,270 --> 00:06:17,440
like walking on glass or swallowing a

137
00:06:21,189 --> 00:06:19,280
sword or eating fire and there's a trick

138
00:06:23,909 --> 00:06:21,199

to everything i mean there's a trick to

139

00:06:25,189 --> 00:06:23,919

even riding a bike or or playing a

140

00:06:27,830 --> 00:06:25,199

guitar i mean there's tricks to

141

00:06:29,510 --> 00:06:27,840

everything but there was no trickery to

142

00:06:31,430 --> 00:06:29,520

the point that it was

143

00:06:33,430 --> 00:06:31,440

magic or

144

00:06:35,510 --> 00:06:33,440

defeating an audience

145

00:06:37,990 --> 00:06:35,520

though it looked like it

146

00:06:41,029 --> 00:06:38,000

a lot of it was conditioning the mind

147

00:06:42,230 --> 00:06:41,039

and through sacrifice and

148

00:06:45,510 --> 00:06:42,240

training

149

00:06:48,629 --> 00:06:45,520

you can you know walk on glass or

150

00:06:50,870 --> 00:06:48,639

walk on coals or some of the stuff that

151
00:06:52,950 --> 00:06:50,880
we were doing in the sideshow industry

152
00:06:54,629 --> 00:06:52,960
and that's when they realized how

153
00:06:56,550 --> 00:06:54,639
powerful

154
00:06:58,230 --> 00:06:56,560
the mind is and how the mind is

155
00:07:00,309 --> 00:06:58,240
connected to

156
00:07:01,189 --> 00:07:00,319
all things

157
00:07:03,029 --> 00:07:01,199
even

158
00:07:04,870 --> 00:07:03,039
in the paranormal really because one

159
00:07:06,950 --> 00:07:04,880
with an open mind

160
00:07:09,189 --> 00:07:06,960
um can experience

161
00:07:11,510 --> 00:07:09,199
everything and anything that they set

162
00:07:14,550 --> 00:07:11,520
their mind to see and so i kind of got

163
00:07:16,550 --> 00:07:14,560

into you know magic and hypnosis and the

164

00:07:18,629 --> 00:07:16,560

sideshow business

165

00:07:21,749 --> 00:07:18,639

back in the day and then as that

166

00:07:25,350 --> 00:07:21,759

expanded i realized

167

00:07:26,950 --> 00:07:25,360

these same principles could be applied

168

00:07:29,909 --> 00:07:26,960

to everything

169

00:07:33,029 --> 00:07:29,919

whether it be the paranormal or or

170

00:07:34,070 --> 00:07:33,039

investigating ghosts or phenomenon

171

00:07:37,029 --> 00:07:34,080

it all

172

00:07:38,870 --> 00:07:37,039

links back to the mind therefore

173

00:07:42,790 --> 00:07:38,880

everybody's going to have a different

174

00:07:44,869 --> 00:07:42,800

experience and take on it so it was my

175

00:07:45,670 --> 00:07:44,879

vision from day one

176
00:07:50,309 --> 00:07:45,680
to

177
00:07:52,550 --> 00:07:50,319
so they could realize

178
00:07:54,390 --> 00:07:52,560
that they too could

179
00:07:57,270 --> 00:07:54,400
do all the same stuff

180
00:08:00,469 --> 00:07:57,280
so i wasn't using it to trick people but

181
00:08:02,070 --> 00:08:00,479
more along the lines of educate people

182
00:08:03,830 --> 00:08:02,080
and i would always

183
00:08:05,909 --> 00:08:03,840
you know everything was up front like if

184
00:08:08,710 --> 00:08:05,919
i was on stage they could come and

185
00:08:10,830 --> 00:08:08,720
examine everything that i did

186
00:08:12,790 --> 00:08:10,840
and i do that to this day in the

187
00:08:14,790 --> 00:08:12,800
paranormal

188
00:08:16,309 --> 00:08:14,800

i allow people to

189

00:08:19,350 --> 00:08:16,319

experience it

190

00:08:21,830 --> 00:08:19,360

as a spectator or

191

00:08:23,270 --> 00:08:21,840

utilize their mind put them into a

192

00:08:26,469 --> 00:08:23,280

subconscious

193

00:08:27,430 --> 00:08:26,479

state of awareness using hypnosis to

194

00:08:29,830 --> 00:08:27,440

open

195

00:08:31,830 --> 00:08:29,840

their third eye and not only use their

196

00:08:34,630 --> 00:08:31,840

five senses that we've been conditioned

197

00:08:36,310 --> 00:08:34,640

as humans to use but go beyond that

198

00:08:37,589 --> 00:08:36,320

tapping into their sixth sense their

199

00:08:40,389 --> 00:08:37,599

third eye

200

00:08:41,350 --> 00:08:40,399

and see for themselves rather than tell

201
00:08:43,430 --> 00:08:41,360
them

202
00:08:46,710 --> 00:08:43,440
or just use the equipment i think our

203
00:08:49,190 --> 00:08:46,720
bodies and our minds become the best

204
00:08:52,389 --> 00:08:49,200
tool to utilize does that make sense

205
00:08:55,670 --> 00:08:52,399
absolutely such a good explanation of

206
00:08:57,990 --> 00:08:55,680
that and you the locations you've gone i

207
00:08:58,790 --> 00:08:58,000
mean there's a laundry list i could go

208
00:09:01,430 --> 00:08:58,800
through

209
00:09:04,070 --> 00:09:01,440
but there's so many caves cross

210
00:09:06,949 --> 00:09:04,080
um all over the utah valley you've been

211
00:09:09,670 --> 00:09:06,959
on ghost adventures and helped them find

212
00:09:10,710 --> 00:09:09,680
locations that are extremely active

213
00:09:13,030 --> 00:09:10,720

and

214

00:09:15,750 --> 00:09:13,040

it's it's pretty cool um

215

00:09:18,389 --> 00:09:15,760

how you bring this to the public through

216

00:09:20,190 --> 00:09:18,399

your show paragnosis can you tell

217

00:09:22,070 --> 00:09:20,200

listeners a bit where they can follow

218

00:09:23,990 --> 00:09:22,080

paranormosis and where they can follow

219

00:09:26,550 --> 00:09:24,000

what you have going on

220

00:09:28,630 --> 00:09:26,560

well anywhere on social media we're just

221

00:09:30,710 --> 00:09:28,640

at paranosis and then you can also go to

222

00:09:32,470 --> 00:09:30,720

our website it's a little outdated we're

223

00:09:35,670 --> 00:09:32,480

in the process of

224

00:09:38,070 --> 00:09:35,680

shifting that over to a higher vibration

225

00:09:40,710 --> 00:09:38,080

um so that's just paranosis.com

226

00:09:42,550 --> 00:09:40,720

and then amazing platforms like like

227

00:09:45,350 --> 00:09:42,560

that you're sharing right now you know

228

00:09:47,509 --> 00:09:45,360

we're we're open to

229

00:09:49,030 --> 00:09:47,519

you know share share on any platform

230

00:09:51,910 --> 00:09:49,040

possible because we're not here to

231

00:09:53,509 --> 00:09:51,920

change anybody's perception beliefs

232

00:09:54,790 --> 00:09:53,519

fundamentals

233

00:09:57,670 --> 00:09:54,800

we're just

234

00:09:59,269 --> 00:09:57,680

allowing them to observe and giving them

235

00:10:01,829 --> 00:09:59,279

an opportunity

236

00:10:04,150 --> 00:10:01,839

to observe we're not trying to make them

237

00:10:07,030 --> 00:10:04,160

believers or skeptics i mean i i

238

00:10:08,310 --> 00:10:07,040

personally believe a skeptic is a very

239

00:10:10,710 --> 00:10:08,320

healthy thing

240

00:10:12,310 --> 00:10:10,720

um and so you either love us or you hate

241

00:10:13,030 --> 00:10:12,320

us there's a lot of people that hate on

242

00:10:13,990 --> 00:10:13,040

us

243

00:10:16,550 --> 00:10:14,000

but

244

00:10:18,710 --> 00:10:16,560

for those people that hate on it

245

00:10:21,030 --> 00:10:18,720

we're we're different than everybody

246

00:10:23,590 --> 00:10:21,040

because we're not trying to prove this

247

00:10:25,910 --> 00:10:23,600

stuff is real or not real we're just

248

00:10:28,550 --> 00:10:25,920

allowing people to come

249

00:10:30,949 --> 00:10:28,560

and observe with this because

250

00:10:33,350 --> 00:10:30,959

every journey as you well know is going

251
00:10:34,630 --> 00:10:33,360
to be different and every location and

252
00:10:37,670 --> 00:10:34,640
every experience is going to be

253
00:10:39,350 --> 00:10:37,680
different for everyone involved even if

254
00:10:41,030 --> 00:10:39,360
they're seeing the same thing

255
00:10:43,110 --> 00:10:41,040
they're going to perceive it through a

256
00:10:45,190 --> 00:10:43,120
whole different filter based on their

257
00:10:47,670 --> 00:10:45,200
beliefs their fundamentals

258
00:10:49,430 --> 00:10:47,680
what they think is real or fake or

259
00:10:51,590 --> 00:10:49,440
happening or not

260
00:10:54,230 --> 00:10:51,600
we just want to

261
00:10:56,230 --> 00:10:54,240
bring this to the masses and allow them

262
00:10:57,030 --> 00:10:56,240
to make their own form their own opinion

263
00:11:03,430 --> 00:10:57,040

of

264

00:11:05,910 --> 00:11:03,440

absolutely unique and i think it's it's

265

00:11:07,350 --> 00:11:05,920

great what you're doing so to kind of uh

266

00:11:09,750 --> 00:11:07,360

go into

267

00:11:12,389 --> 00:11:09,760

and perfectly explain another reason we

268

00:11:14,389 --> 00:11:12,399

are chatting today is something uh i i

269

00:11:16,949 --> 00:11:14,399

found you to be

270

00:11:19,670 --> 00:11:16,959

someone that i wanted to take part in an

271

00:11:22,230 --> 00:11:19,680

investigation in a little base camp

272

00:11:25,030 --> 00:11:22,240

um science project of sorts known as

273

00:11:26,829 --> 00:11:25,040

space wolf research in the uintah basin

274

00:11:29,269 --> 00:11:26,839

of utah

275

00:11:32,630 --> 00:11:29,279

and this is

276

00:11:34,710 --> 00:11:32,640

interesting and unique because this area

277

00:11:37,190 --> 00:11:34,720

has a long history

278

00:11:38,949 --> 00:11:37,200

of native american witchcraft and

279

00:11:41,269 --> 00:11:38,959

related phenomena

280

00:11:43,990 --> 00:11:41,279

and shape shifters and

281

00:11:47,670 --> 00:11:44,000

i wanted to get into how it went for you

282

00:11:50,949 --> 00:11:47,680

when you went up to space wolf research

283

00:11:51,910 --> 00:11:50,959

well let me say

284

00:11:55,110 --> 00:11:51,920

that

285

00:11:56,389 --> 00:11:55,120

location space wolf research

286

00:11:59,190 --> 00:11:56,399

is truly

287

00:12:01,430 --> 00:11:59,200

one of my favorite for several reasons

288

00:12:03,430 --> 00:12:01,440

and this last time

289

00:12:05,190 --> 00:12:03,440

definitely a second to none that i've

290

00:12:07,110 --> 00:12:05,200

ever experienced

291

00:12:09,269 --> 00:12:07,120

for multiple reasons

292

00:12:10,470 --> 00:12:09,279

um i don't know where you want to start

293

00:12:12,790 --> 00:12:10,480

on

294

00:12:14,230 --> 00:12:12,800

that particular topic because there's so

295

00:12:16,790 --> 00:12:14,240

much

296

00:12:21,030 --> 00:12:16,800

yeah for sure um just to give listeners

297

00:12:24,949 --> 00:12:23,030

inexplicable experiences and super

298

00:12:26,550 --> 00:12:24,959

frightening events that took place at

299

00:12:27,670 --> 00:12:26,560

the property

300

00:12:28,550 --> 00:12:27,680

the ranch

301
00:12:31,670 --> 00:12:28,560
the

302
00:12:32,710 --> 00:12:31,680
this base camp is located in uinta

303
00:12:34,389 --> 00:12:32,720
county

304
00:12:37,350 --> 00:12:34,399
it is bordering

305
00:12:40,069 --> 00:12:37,360
what's popularly popularly dubbed as the

306
00:12:42,870 --> 00:12:40,079
utah ufo ranch due to just the whole

307
00:12:45,990 --> 00:12:42,880
area having a long history of odd events

308
00:12:48,629 --> 00:12:46,000
having taken place there ufos

309
00:12:52,870 --> 00:12:48,639
poltergeist activity and of course

310
00:12:53,750 --> 00:12:52,880
mutilated cattle unidentified orbs um

311
00:12:55,030 --> 00:12:53,760
anyway

312
00:12:57,990 --> 00:12:55,040
pretty much

313
00:13:00,629 --> 00:12:58,000

anything you can think of has been seen

314

00:13:03,110 --> 00:13:00,639

by locals in the area and it's difficult

315

00:13:06,790 --> 00:13:03,120

to obtain evidence um consistent with

316

00:13:09,910 --> 00:13:06,800

like scientific publication but it has

317

00:13:11,829 --> 00:13:09,920

been an area of study not only by the us

318

00:13:14,150 --> 00:13:11,839

government but a ton of other

319

00:13:16,230 --> 00:13:14,160

researchers and you guys got some really

320

00:13:18,150 --> 00:13:16,240

great stuff when you went out there and

321

00:13:20,310 --> 00:13:18,160

uh just tell us kind of more or less how

322

00:13:22,069 --> 00:13:20,320

the trip went you drove up and and how

323

00:13:25,750 --> 00:13:22,079

did things go

324

00:13:26,629 --> 00:13:25,760

so we drove up and we did a tick tock

325

00:13:30,389 --> 00:13:26,639

live

326

00:13:32,230 --> 00:13:30,399

we do friday nights and so

327

00:13:35,030 --> 00:13:32,240

we were granted permission

328

00:13:36,470 --> 00:13:35,040

to do so in a respectful manner meaning

329

00:13:38,230 --> 00:13:36,480

we weren't going to bring a lot of

330

00:13:39,750 --> 00:13:38,240

attention to the fact that we were there

331

00:13:41,509 --> 00:13:39,760

so we we

332

00:13:43,670 --> 00:13:41,519

only had it was

333

00:13:46,230 --> 00:13:43,680

four of us and uh

334

00:13:47,350 --> 00:13:46,240

one of those being our security detail

335

00:13:49,670 --> 00:13:47,360

um

336

00:13:51,110 --> 00:13:49,680

and it's interesting because the

337

00:13:53,509 --> 00:13:51,120

main stuff we use when we do a

338

00:13:55,350 --> 00:13:53,519

paranormal investigation

339

00:13:57,590 --> 00:13:55,360

wasn't reacting the way we thought it

340

00:14:00,629 --> 00:13:57,600

would because i think we're dealing with

341

00:14:02,629 --> 00:14:00,639

something a lot more um

342

00:14:04,949 --> 00:14:02,639

it's a different frequency if you will i

343

00:14:07,750 --> 00:14:04,959

i believe there's so many portals so we

344

00:14:11,189 --> 00:14:07,760

went up with the understanding that all

345

00:14:13,189 --> 00:14:11,199

this gear that we utilize in a normal

346

00:14:15,509 --> 00:14:13,199

paranormal investigating when dealing

347

00:14:16,629 --> 00:14:15,519

with ghosts or poltergeists

348

00:14:18,550 --> 00:14:16,639

this would be

349

00:14:20,389 --> 00:14:18,560

you know this would surprise us as

350

00:14:22,790 --> 00:14:20,399

adequate equipment

351
00:14:23,990 --> 00:14:22,800
however none of that was

352
00:14:24,949 --> 00:14:24,000
working

353
00:14:30,389 --> 00:14:24,959
and

354
00:14:32,310 --> 00:14:30,399
the information we got from

355
00:14:35,110 --> 00:14:32,320
you know previous research and stuff in

356
00:14:36,949 --> 00:14:35,120
that area we realized that it was

357
00:14:39,269 --> 00:14:36,959
probably unlikely that we were going to

358
00:14:41,030 --> 00:14:39,279
capture anything using cameras

359
00:14:42,710 --> 00:14:41,040
because a lot of the anomalies were

360
00:14:44,470 --> 00:14:42,720
happened when

361
00:14:47,189 --> 00:14:44,480
we weren't recording

362
00:14:49,590 --> 00:14:47,199
or when we were least expecting it like

363
00:14:52,629 --> 00:14:49,600

you know setting up camp or or something

364

00:14:54,310 --> 00:14:52,639

like that so we literally got on site

365

00:14:56,550 --> 00:14:54,320

five minutes before we were supposed to

366

00:14:58,870 --> 00:14:56,560

go live at 10 o'clock p.m

367

00:15:00,710 --> 00:14:58,880

we we did our normal intro

368

00:15:02,470 --> 00:15:00,720

you know we went on thinking

369

00:15:04,870 --> 00:15:02,480

you know emf and all this stuff was

370

00:15:07,030 --> 00:15:04,880

going to start happening emf was high

371

00:15:09,829 --> 00:15:07,040

for sure no doubt about that but a lot

372

00:15:11,910 --> 00:15:09,839

of our other equipment wasn't reacting

373

00:15:14,069 --> 00:15:11,920

and so we didn't know how to respond to

374

00:15:15,990 --> 00:15:14,079

that so we went up to

375

00:15:17,030 --> 00:15:16,000

the corner of the ranch which which i

376

00:15:17,829 --> 00:15:17,040

believe is

377

00:15:19,110 --> 00:15:17,839

uh

378

00:15:21,509 --> 00:15:19,120

north

379

00:15:23,509 --> 00:15:21,519

east the very corner i think there's a

380

00:15:26,949 --> 00:15:23,519

sign posted that there's

381

00:15:30,470 --> 00:15:26,959

our ufo activity there and this is about

382

00:15:31,910 --> 00:15:30,480

11 15. we heard some arguing going on

383

00:15:34,790 --> 00:15:31,920

down in

384

00:15:38,069 --> 00:15:34,800

a pile of trees i'm sure you're familiar

385

00:15:40,150 --> 00:15:38,079

with the the area um

386

00:15:42,550 --> 00:15:40,160

there's that big gully of trees you

387

00:15:44,870 --> 00:15:42,560

cannot see in it's so thick

388

00:15:46,550 --> 00:15:44,880

we hear arguing so we know there's

389

00:15:48,870 --> 00:15:46,560

people so we tell the viewers that

390

00:15:50,870 --> 00:15:48,880

that's potential contamination

391

00:15:52,470 --> 00:15:50,880

there might be someone on the adjacent

392

00:15:54,550 --> 00:15:52,480

property

393

00:15:57,829 --> 00:15:54,560

but it sounded more aggressive like

394

00:16:00,870 --> 00:15:57,839

arguing and yelling so we went black out

395

00:16:04,629 --> 00:16:00,880

and as soon as we went black out shots

396

00:16:07,269 --> 00:16:04,639

were fired we didn't know what direction

397

00:16:09,430 --> 00:16:07,279

so our first initial thing was you know

398

00:16:11,670 --> 00:16:09,440

get down

399

00:16:13,189 --> 00:16:11,680

i did have the camera light so the

400

00:16:14,710 --> 00:16:13,199

camera light was

401
00:16:16,310 --> 00:16:14,720
potentially

402
00:16:18,870 --> 00:16:16,320
a target

403
00:16:21,509 --> 00:16:18,880
but we're not a hundred percent sure if

404
00:16:25,110 --> 00:16:21,519
someone was firing at us

405
00:16:27,189 --> 00:16:25,120
or firing at something that spooked them

406
00:16:29,590 --> 00:16:27,199
because they were yelling

407
00:16:30,949 --> 00:16:29,600
not particularly us like hey i see you

408
00:16:32,389 --> 00:16:30,959
guys

409
00:16:34,790 --> 00:16:32,399
it was more like

410
00:16:36,470 --> 00:16:34,800
yelling trying to to scare something out

411
00:16:37,590 --> 00:16:36,480
of the tree area

412
00:16:39,509 --> 00:16:37,600
so

413
00:16:41,990 --> 00:16:39,519

we duck for cover we start running

414

00:16:44,870 --> 00:16:42,000

towards there's there's the metal

415

00:16:46,790 --> 00:16:44,880

container on the property

416

00:16:48,230 --> 00:16:46,800

next to the shed

417

00:16:49,670 --> 00:16:48,240

for the viewers that might be a little

418

00:16:50,629 --> 00:16:49,680

hard to understand but we start running

419

00:16:52,230 --> 00:16:50,639

to the

420

00:16:53,590 --> 00:16:52,240

the biggest object that's going to

421

00:16:55,189 --> 00:16:53,600

protect us from

422

00:16:57,670 --> 00:16:55,199

oncoming fire

423

00:16:59,110 --> 00:16:57,680

three more shots were fired at which you

424

00:17:00,790 --> 00:16:59,120

could hear

425

00:17:02,629 --> 00:17:00,800

on the feed

426
00:17:05,829 --> 00:17:02,639
the whizzing of

427
00:17:07,909 --> 00:17:05,839
the bullets um a small caliber probably

428
00:17:09,350 --> 00:17:07,919
22 our security guard

429
00:17:11,909 --> 00:17:09,360
said

430
00:17:12,870 --> 00:17:11,919
once we got up there then

431
00:17:17,029 --> 00:17:12,880
the

432
00:17:18,630 --> 00:17:17,039
motion perimeter lights on

433
00:17:21,270 --> 00:17:18,640
space wolf's

434
00:17:24,150 --> 00:17:21,280
fence line started going off which

435
00:17:26,789 --> 00:17:24,160
indicated probably something within five

436
00:17:29,750 --> 00:17:26,799
or ten feet of the fence line causing

437
00:17:34,549 --> 00:17:29,760
those lights to go on so we knew

438
00:17:36,789 --> 00:17:34,559

whatever or whoever was doing this

439

00:17:37,909 --> 00:17:36,799

was aware of us and

440

00:17:39,590 --> 00:17:37,919

proceeded

441

00:17:41,590 --> 00:17:39,600

you know around the property line never

442

00:17:43,750 --> 00:17:41,600

to enter onto the property line though

443

00:17:45,750 --> 00:17:43,760

we couldn't see because we had blackout

444

00:17:48,310 --> 00:17:45,760

conditions

445

00:17:49,510 --> 00:17:48,320

we never felt once we got behind

446

00:17:52,390 --> 00:17:49,520

that metal

447

00:17:55,110 --> 00:17:52,400

uh container we felt we were pretty safe

448

00:17:57,190 --> 00:17:55,120

at that point so we

449

00:18:02,070 --> 00:17:57,200

stopped the light immediately went into

450

00:18:03,590 --> 00:18:02,080

emergency mode did roll call called you

451
00:18:05,029 --> 00:18:03,600
um

452
00:18:07,029 --> 00:18:05,039
and you know

453
00:18:08,789 --> 00:18:07,039
you took care of that

454
00:18:11,590 --> 00:18:08,799
we appreciate that we did feel safe

455
00:18:12,789 --> 00:18:11,600
enough to stay on site later that night

456
00:18:15,110 --> 00:18:12,799
where

457
00:18:16,870 --> 00:18:15,120
after this all went down

458
00:18:19,270 --> 00:18:16,880
all of our batteries all of our

459
00:18:20,150 --> 00:18:19,280
equipment the vehicle that we drove up

460
00:18:28,310 --> 00:18:20,160
in

461
00:18:32,710 --> 00:18:28,320
we'll just call it the old bigelow ranch

462
00:18:36,870 --> 00:18:34,630
their security

463
00:18:39,190 --> 00:18:36,880

started acting up like so

464

00:18:41,750 --> 00:18:39,200

they're jumping on four wheelers there's

465

00:18:44,310 --> 00:18:41,760

lights going all over so obviously

466

00:18:46,549 --> 00:18:44,320

something triggered

467

00:18:49,110 --> 00:18:46,559

everyone in the area like something was

468

00:18:50,230 --> 00:18:49,120

going on people were aware of it

469

00:18:52,549 --> 00:18:50,240

and

470

00:18:55,350 --> 00:18:52,559

so we felt safe at that point but again

471

00:18:58,710 --> 00:18:55,360

we don't know where we're being fired at

472

00:19:00,630 --> 00:18:58,720

or was somebody firing at something

473

00:19:03,029 --> 00:19:00,640

that spooked him and we just happened to

474

00:19:07,029 --> 00:19:03,039

be in the area right and that's what's

475

00:19:09,190 --> 00:19:07,039

so freaky about this vincent is often

476
00:19:11,350 --> 00:19:09,200
you know this breaking of the rules the

477
00:19:14,150 --> 00:19:11,360
problem is we're dealing with uh the

478
00:19:17,590 --> 00:19:14,160
very the very nature of the area has

479
00:19:20,549 --> 00:19:17,600
a long history of um the trickster or

480
00:19:22,310 --> 00:19:20,559
you know this this being that uses

481
00:19:24,549 --> 00:19:22,320
tricks to uh

482
00:19:27,029 --> 00:19:24,559
scare people and as you said these

483
00:19:28,470 --> 00:19:27,039
people may have had permission to be

484
00:19:29,430 --> 00:19:28,480
there and something spooked them in the

485
00:19:31,909 --> 00:19:29,440
trees

486
00:19:33,830 --> 00:19:31,919
and i've had instances where

487
00:19:35,669 --> 00:19:33,840
uh neighbors to the property have been

488
00:19:37,029 --> 00:19:35,679

spooked by things and shot at it but the

489

00:19:39,990 --> 00:19:37,039

problem is

490

00:19:42,390 --> 00:19:40,000

this is pretty close proximity i have

491

00:19:44,390 --> 00:19:42,400

the actual audio

492

00:19:46,870 --> 00:19:44,400

um of what took place and i would like

493

00:19:48,789 --> 00:19:46,880

to play that and yeah when i

494

00:19:51,750 --> 00:19:48,799

when i received that call man i was

495

00:19:54,390 --> 00:19:51,760

scared for you i did say this uh

496

00:19:55,830 --> 00:19:54,400

coyote prayer that is supposed to help

497

00:19:59,590 --> 00:19:55,840

people when they get witched or if

498

00:20:04,630 --> 00:20:02,710

areas of uh when things are going bad

499

00:20:08,630 --> 00:20:04,640

and that's really interesting that you

500

00:20:10,390 --> 00:20:08,640

say that because after we talked to you

501
00:20:13,029 --> 00:20:10,400
we were thinking okay

502
00:20:15,270 --> 00:20:13,039
get off property let's go get a hotel

503
00:20:19,110 --> 00:20:15,280
down in mike 97

504
00:20:21,110 --> 00:20:19,120
let's get away but there was also

505
00:20:23,510 --> 00:20:21,120
a calmness

506
00:20:25,830 --> 00:20:23,520
and a curiosity that

507
00:20:27,590 --> 00:20:25,840
was provoked so i appreciate that you

508
00:20:29,350 --> 00:20:27,600
said that because

509
00:20:30,630 --> 00:20:29,360
normally

510
00:20:32,549 --> 00:20:30,640
we're trained to just get out of the

511
00:20:34,870 --> 00:20:32,559
area if that's if that's the case but

512
00:20:35,830 --> 00:20:34,880
there was a calmness that came over so i

513
00:20:36,870 --> 00:20:35,840

i

514

00:20:38,470 --> 00:20:36,880

would

515

00:20:41,110 --> 00:20:38,480

attribute that to that prayer that you

516

00:20:44,230 --> 00:20:41,120

said that's really neat yeah you bet man

517

00:20:45,990 --> 00:20:44,240

it was it scared me as well and um let

518

00:20:47,590 --> 00:20:46,000

me play this audio for listeners so they

519

00:20:49,270 --> 00:20:47,600

can hear it i won't do it too loud and

520

00:20:50,950 --> 00:20:49,280

i've tried to remove

521

00:20:54,070 --> 00:20:50,960

any swear words you've got to understand

522

00:20:55,110 --> 00:20:54,080

this was a scary situation oh my gosh

523

00:20:56,950 --> 00:20:55,120

yes

524

00:20:58,710 --> 00:20:56,960

right thank you for doing that so the

525

00:21:01,590 --> 00:20:58,720

whole so what you're saying is the whole

526

00:21:02,470 --> 00:21:01,600

clip is probably going to be beat

527

00:21:05,190 --> 00:21:02,480

no

528

00:21:06,390 --> 00:21:05,200

well and you i i mean i think anyone

529

00:21:10,149 --> 00:21:06,400

would have

530

00:21:12,710 --> 00:21:10,159

were all saying under these

531

00:21:14,870 --> 00:21:12,720

circumstances so i think you exhibited a

532

00:21:17,029 --> 00:21:14,880

great degree of intellect and

533

00:21:18,390 --> 00:21:17,039

anyway i'll play it i don't think any

534

00:21:20,070 --> 00:21:18,400

swear words are going to come through if

535

00:21:22,789 --> 00:21:20,080

they do this is a warning if you don't

536

00:21:42,310 --> 00:21:22,799

like swear words to turn this down here

537

00:21:42,320 --> 00:21:56,810

down there

538

00:21:56,820 --> 00:22:06,549

[Music]

539

00:22:10,230 --> 00:22:07,590

[h__\h]

540

00:22:11,909 --> 00:22:10,240

okay so we can we can definitely i think

541

00:22:13,190 --> 00:22:11,919

that was loud enough that people could

542

00:22:15,590 --> 00:22:13,200

hear

543

00:22:16,549 --> 00:22:15,600

yes that there was something

544

00:22:19,430 --> 00:22:16,559

very

545

00:22:21,830 --> 00:22:19,440

scary taking place and these characters

546

00:22:23,909 --> 00:22:21,840

or these people were intentionally

547

00:22:25,990 --> 00:22:23,919

shooting at something that had either

548

00:22:28,070 --> 00:22:26,000

scared them

549

00:22:29,909 --> 00:22:28,080

how did the conversation go or what you

550

00:22:32,310 --> 00:22:29,919

could hear of these individuals that

551
00:22:34,950 --> 00:22:32,320
were in the trees

552
00:22:36,710 --> 00:22:34,960
at first when bennett heard it she's the

553
00:22:40,390 --> 00:22:36,720
one that initially heard the

554
00:22:41,270 --> 00:22:40,400
conversation that escalated into

555
00:22:43,830 --> 00:22:41,280
what

556
00:22:46,390 --> 00:22:43,840
sounded like someone yelling at someone

557
00:22:49,590 --> 00:22:46,400
or something that's unclear

558
00:22:51,510 --> 00:22:49,600
but they were like we see you we see you

559
00:22:53,909 --> 00:22:51,520
there's no getting out of this

560
00:22:56,149 --> 00:22:53,919
then you hear me react because you could

561
00:22:58,470 --> 00:22:56,159
see lights like spotlights or

562
00:23:00,070 --> 00:22:58,480
flashlights down in the tree line that's

563
00:23:01,029 --> 00:23:00,080

when i said oh my gosh there's lights

564

00:23:03,190 --> 00:23:01,039

down there

565

00:23:05,830 --> 00:23:03,200

i'm going to go to blackout so i turn

566

00:23:08,390 --> 00:23:05,840

off our light rigs so the only light

567

00:23:09,590 --> 00:23:08,400

would be the phone because we were live

568

00:23:11,270 --> 00:23:09,600

um

569

00:23:12,149 --> 00:23:11,280

then i'm like oh my god and then you

570

00:23:18,070 --> 00:23:12,159

hear

571

00:23:20,710 --> 00:23:18,080

then we're like okay

572

00:23:21,669 --> 00:23:20,720

get down get down get down and then

573

00:23:23,669 --> 00:23:21,679

about

574

00:23:26,149 --> 00:23:23,679

five seconds after as we're running

575

00:23:27,669 --> 00:23:26,159

towards the container we'll talk about

576

00:23:29,669 --> 00:23:27,679

the container that's another whole

577

00:23:32,070 --> 00:23:29,679

another topic

578

00:23:34,710 --> 00:23:32,080

but then three more shots were fired so

579

00:23:37,430 --> 00:23:34,720

at that point i'm not 100 sure they were

580

00:23:38,310 --> 00:23:37,440

firing at us because at that point we

581

00:23:40,230 --> 00:23:38,320

were

582

00:23:42,549 --> 00:23:40,240

out of sight because

583

00:23:45,990 --> 00:23:42,559

it kind of goes down for the viewer or

584

00:23:48,789 --> 00:23:46,000

the listeners it it's a pretty steep

585

00:23:51,190 --> 00:23:48,799

um decline down into a valley where the

586

00:23:53,830 --> 00:23:51,200

trees are so if they're shooting up at

587

00:23:56,390 --> 00:23:53,840

us at that point we're out of we're out

588

00:23:58,710 --> 00:23:56,400

of sight for them

589

00:24:00,549 --> 00:23:58,720

but then three more shots are fired and

590

00:24:02,549 --> 00:24:00,559

then you can't hear it on the audio but

591

00:24:05,110 --> 00:24:02,559

they yell i've got more of that where

592

00:24:07,029 --> 00:24:05,120

that comes from and that's when

593

00:24:11,510 --> 00:24:07,039

you know perimeter lights start turning

594

00:24:14,070 --> 00:24:11,520

on in in the property which puzzled me

595

00:24:16,470 --> 00:24:14,080

because the thickness of the trees

596

00:24:18,070 --> 00:24:16,480

down where i'm talking about

597

00:24:19,669 --> 00:24:18,080

you know it's thick you're not just

598

00:24:21,110 --> 00:24:19,679

going to run through those trees i don't

599

00:24:23,510 --> 00:24:21,120

care who you are

600

00:24:25,029 --> 00:24:23,520

unless you're

601
00:24:26,549 --> 00:24:25,039
you know out of this world or your

602
00:24:28,230 --> 00:24:26,559
energy or something

603
00:24:30,390 --> 00:24:28,240
whatever triggered those lights i don't

604
00:24:31,750 --> 00:24:30,400
think they were human because

605
00:24:33,510 --> 00:24:31,760
there's no way they could have got from

606
00:24:36,630 --> 00:24:33,520
where i saw the light the origin of

607
00:24:38,070 --> 00:24:36,640
light at first within seconds to trigger

608
00:24:41,190 --> 00:24:38,080
your perimeter

609
00:24:43,909 --> 00:24:41,200
uh motion lights your security lights

610
00:24:46,149 --> 00:24:43,919
i don't see how anything could have got

611
00:24:48,710 --> 00:24:46,159
from point a to point b to trigger those

612
00:24:50,470 --> 00:24:48,720
lights out right personally

613
00:24:53,190 --> 00:24:50,480

well and these lights are something that

614

00:24:55,430 --> 00:24:53,200

we should also mention i i you know as

615

00:24:57,350 --> 00:24:55,440

you know i've spoken to the best of the

616

00:24:59,430 --> 00:24:57,360

best researchers and other than

617

00:25:01,430 --> 00:24:59,440

anomalies in like sedona and the san

618

00:25:03,269 --> 00:25:01,440

luis valley in colorado

619

00:25:05,269 --> 00:25:03,279

it appears that the uintah basin is in a

620

00:25:06,630 --> 00:25:05,279

class all its own when it comes to giant

621

00:25:08,630 --> 00:25:06,640

ufos

622

00:25:09,430 --> 00:25:08,640

ridge lines and the connection to these

623

00:25:11,430 --> 00:25:09,440

other

624

00:25:13,590 --> 00:25:11,440

quote unquote ghost lights as the native

625

00:25:16,070 --> 00:25:13,600

americans call them that wander through

626
00:25:19,190 --> 00:25:16,080
these waterways and fields what did they

627
00:25:20,549 --> 00:25:19,200
appear to be to you guys

628
00:25:22,789 --> 00:25:20,559
well first

629
00:25:24,630 --> 00:25:22,799
when we saw the lights first when we

630
00:25:26,789 --> 00:25:24,640
heard the argument it

631
00:25:28,390 --> 00:25:26,799
sounded and looked like

632
00:25:29,430 --> 00:25:28,400
someone's confronting

633
00:25:31,990 --> 00:25:29,440
something

634
00:25:33,269 --> 00:25:32,000
they turned on their lights

635
00:25:35,909 --> 00:25:33,279
um

636
00:25:37,510 --> 00:25:35,919
we also then saw the perimeter lights

637
00:25:39,590 --> 00:25:37,520
i'm assuming they're perimeter lights

638
00:25:40,950 --> 00:25:39,600

only because they they gave off that

639

00:25:42,789 --> 00:25:40,960

much light

640

00:25:44,630 --> 00:25:42,799

are they i don't know i you know the

641

00:25:46,870 --> 00:25:44,640

property better than me

642

00:25:49,110 --> 00:25:46,880

um i don't know on the south

643

00:25:51,350 --> 00:25:49,120

ridge of your property if you have

644

00:25:53,190 --> 00:25:51,360

motion light but it was enough

645

00:25:55,190 --> 00:25:53,200

illumination

646

00:25:57,190 --> 00:25:55,200

to and it kind of had almost a blue glow

647

00:25:58,950 --> 00:25:57,200

to it so maybe they weren't motion

648

00:26:01,510 --> 00:25:58,960

lights i'm assuming that

649

00:26:04,070 --> 00:26:01,520

based on previous

650

00:26:05,909 --> 00:26:04,080

experiences with motion lights that's

651

00:26:07,990 --> 00:26:05,919

that's why i didn't go down to verify

652

00:26:09,430 --> 00:26:08,000

that so that's that's i'm going to leave

653

00:26:10,549 --> 00:26:09,440

that open

654

00:26:12,310 --> 00:26:10,559

but

655

00:26:14,710 --> 00:26:12,320

after the fact and this calmed down we

656

00:26:16,710 --> 00:26:14,720

decided not to go live right away

657

00:26:18,710 --> 00:26:16,720

we did see

658

00:26:21,430 --> 00:26:18,720

orb like lights

659

00:26:24,710 --> 00:26:21,440

all throughout the valley

660

00:26:27,269 --> 00:26:24,720

that would look like drone lights other

661

00:26:28,950 --> 00:26:27,279

than they weren't blinking uh your your

662

00:26:30,630 --> 00:26:28,960

traditional flight pattern lights with

663

00:26:32,310 --> 00:26:30,640

the orange and green

664

00:26:34,870 --> 00:26:32,320

they were blue

665

00:26:37,029 --> 00:26:34,880

singular lights and

666

00:26:39,750 --> 00:26:37,039

they tend to move

667

00:26:41,669 --> 00:26:39,760

almost a speed a laser would but

668

00:26:44,149 --> 00:26:41,679

they looked about the size of maybe like

669

00:26:46,870 --> 00:26:44,159

a small

670

00:26:50,149 --> 00:26:46,880

saucer like a plate

671

00:26:53,510 --> 00:26:50,159

so enough enough enough illumination to

672

00:26:54,549 --> 00:26:53,520

illuminate trees or things around it we

673

00:26:56,070 --> 00:26:54,559

saw that

674

00:26:57,750 --> 00:26:56,080

all night long

675

00:27:00,789 --> 00:26:57,760

i don't know the area i don't know what

676

00:27:03,269 --> 00:27:00,799

research is going on in the area but i

677

00:27:04,789 --> 00:27:03,279

can honestly say i've never seen any

678

00:27:07,430 --> 00:27:04,799

being like it

679

00:27:08,390 --> 00:27:07,440

nor did the three guests with me

680

00:27:11,029 --> 00:27:08,400

have ever

681

00:27:13,110 --> 00:27:11,039

been able to to say oh yeah that's this

682

00:27:14,789 --> 00:27:13,120

or that's this um

683

00:27:17,190 --> 00:27:14,799

so now that you mentioned the the native

684

00:27:19,430 --> 00:27:17,200

american the the light the orb the

685

00:27:22,870 --> 00:27:19,440

anomalies of light

686

00:27:24,710 --> 00:27:22,880

um we saw that afterwards

687

00:27:26,789 --> 00:27:24,720

and so it seems like after whatever

688

00:27:28,470 --> 00:27:26,799

happened whatever was awakened or

689

00:27:30,149 --> 00:27:28,480

confronted

690

00:27:33,269 --> 00:27:30,159

that's when

691

00:27:35,269 --> 00:27:33,279

it got real as far as

692

00:27:36,470 --> 00:27:35,279

evidence and documentation on anything

693

00:27:38,470 --> 00:27:36,480

we could

694

00:27:41,110 --> 00:27:38,480

but our equipment was failing that's the

695

00:27:43,110 --> 00:27:41,120

weirdest part so we started documenting

696

00:27:45,750 --> 00:27:43,120

as you would in a journal like a log or

697

00:27:47,510 --> 00:27:45,760

something like that

698

00:27:48,710 --> 00:27:47,520

fascinating

699

00:27:51,350 --> 00:27:48,720

and then

700

00:27:55,029 --> 00:27:51,360

rocks large rocks and i mean it's pretty

701
00:27:56,310 --> 00:27:55,039
rocky up there obviously but large large

702
00:27:57,830 --> 00:27:56,320
rocks

703
00:28:00,149 --> 00:27:57,840
were being

704
00:28:02,230 --> 00:28:00,159
heated in our direction

705
00:28:06,710 --> 00:28:02,240
with accuracy to the point that it would

706
00:28:08,149 --> 00:28:06,720
get within feet of us but never hit us

707
00:28:09,350 --> 00:28:08,159
i don't know if that is that something

708
00:28:11,190 --> 00:28:09,360
that you guys

709
00:28:12,389 --> 00:28:11,200
have ever experienced up there we were

710
00:28:14,870 --> 00:28:12,399
going to ask you

711
00:28:16,870 --> 00:28:14,880
that question as a matter of fact you

712
00:28:18,470 --> 00:28:16,880
know that is a really good question

713
00:28:21,269 --> 00:28:18,480

vincent i

714

00:28:23,510 --> 00:28:21,279

recently had an exploration team go out

715

00:28:25,110 --> 00:28:23,520

there other researchers

716

00:28:26,310 --> 00:28:25,120

um and

717

00:28:27,909 --> 00:28:26,320

there are

718

00:28:29,990 --> 00:28:27,919

or there appear to be i should say

719

00:28:31,830 --> 00:28:30,000

creatures of every shape and size in or

720

00:28:34,549 --> 00:28:31,840

near that territory

721

00:28:35,990 --> 00:28:34,559

and they gathered video footage of some

722

00:28:37,430 --> 00:28:36,000

creatures that seemed to defy

723

00:28:39,269 --> 00:28:37,440

explanation

724

00:28:41,110 --> 00:28:39,279

in one case

725

00:28:43,190 --> 00:28:41,120

three consecutive frames revealed a

726

00:28:45,909 --> 00:28:43,200

creature that looked

727

00:28:47,750 --> 00:28:45,919

almost wolf-like but then

728

00:28:49,909 --> 00:28:47,760

it there's no way of knowing it's

729

00:28:52,389 --> 00:28:49,919

difficult because as you say it was

730

00:28:55,029 --> 00:28:52,399

throwing rocks and typically

731

00:28:57,430 --> 00:28:55,039

wolves wolves don't throw rocks um also

732

00:28:59,750 --> 00:28:57,440

a bigfoot organization known as crater

733

00:29:02,710 --> 00:28:59,760

exploration went out there

734

00:29:04,389 --> 00:29:02,720

and they said yup they had uh thermal

735

00:29:07,029 --> 00:29:04,399

and um

736

00:29:09,669 --> 00:29:07,039

believe that they were on the trail of

737

00:29:12,630 --> 00:29:09,679

sasquatch-like entities

738

00:29:14,549 --> 00:29:12,640

wow it's tough to connect a lot of the

739

00:29:16,149 --> 00:29:14,559

things that happen out there in that

740

00:29:19,029 --> 00:29:16,159

shapeshifter territory to the rest of

741

00:29:21,190 --> 00:29:19,039

the world and not sound crazy but

742

00:29:23,909 --> 00:29:21,200

it it is something that i've learned a

743

00:29:26,310 --> 00:29:23,919

lot that since you know moving

744

00:29:28,870 --> 00:29:26,320

in that area to research the anomalous

745

00:29:31,190 --> 00:29:28,880

activity there kind of goes all over the

746

00:29:32,789 --> 00:29:31,200

map and that freaks me out that you were

747

00:29:33,669 --> 00:29:32,799

having rocks thrown in your direction

748

00:29:35,110 --> 00:29:33,679

and

749

00:29:37,029 --> 00:29:35,120

holy cow

750

00:29:39,110 --> 00:29:37,039

so now this this gets

751

00:29:41,750 --> 00:29:39,120

interesting everybody's seen e.t is the

752

00:29:44,470 --> 00:29:41,760

ball you know comes out of the shed and

753

00:29:47,750 --> 00:29:44,480

then so we thought okay

754

00:29:50,389 --> 00:29:47,760

let's communicate back by

755

00:29:51,990 --> 00:29:50,399

tossing rocks in the same area and it's

756

00:29:54,230 --> 00:29:52,000

weird because

757

00:29:54,950 --> 00:29:54,240

i don't know if it was a game or what

758

00:29:57,190 --> 00:29:54,960

but

759

00:29:59,029 --> 00:29:57,200

one would be thrown we all documented

760

00:30:01,510 --> 00:29:59,039

this we all seen it

761

00:30:03,430 --> 00:30:01,520

um and then we would throw one we'd wait

762

00:30:05,269 --> 00:30:03,440

a minute but then it would be thrown

763

00:30:06,549 --> 00:30:05,279

from a different direction

764

00:30:09,029 --> 00:30:06,559

and

765

00:30:11,909 --> 00:30:09,039

for the listeners that might not know

766

00:30:14,549 --> 00:30:11,919

the lay of the land to get from point

767

00:30:17,190 --> 00:30:14,559

from one point of the property

768

00:30:19,190 --> 00:30:17,200

to the other

769

00:30:21,830 --> 00:30:19,200

you would be able to see for the most

770

00:30:23,190 --> 00:30:21,840

part anyone moving around or anything

771

00:30:25,190 --> 00:30:23,200

moving around

772

00:30:26,549 --> 00:30:25,200

but if it was on one of the adjacent

773

00:30:29,510 --> 00:30:26,559

properties

774

00:30:32,070 --> 00:30:29,520

there's thick trees and brush

775

00:30:34,710 --> 00:30:32,080

and so for someone or something to get

776

00:30:37,909 --> 00:30:34,720

from one spot

777

00:30:40,310 --> 00:30:37,919

we throw a rock and then seconds later

778

00:30:42,389 --> 00:30:40,320

on the other side which would take a

779

00:30:44,870 --> 00:30:42,399

person running

780

00:30:47,269 --> 00:30:44,880

probably a good three minutes to run to

781

00:30:48,149 --> 00:30:47,279

that area and that's if you were on

782

00:30:49,750 --> 00:30:48,159

um

783

00:30:52,070 --> 00:30:49,760

space wolf's property because there's no

784

00:30:53,430 --> 00:30:52,080

trees on the property for the most part

785

00:30:55,430 --> 00:30:53,440

where we were at

786

00:30:58,230 --> 00:30:55,440

um it would take it would take a good

787

00:30:59,110 --> 00:30:58,240

healthy person three minutes to run over

788

00:31:01,669 --> 00:30:59,120

there

789

00:31:04,310 --> 00:31:01,679

and this is seconds later a rock would

790

00:31:06,870 --> 00:31:04,320

be thrown from the other direction and

791

00:31:08,070 --> 00:31:06,880

land in almost the same spot so whatever

792

00:31:09,909 --> 00:31:08,080

it was

793

00:31:12,389 --> 00:31:09,919

was either like a professional baseball

794

00:31:14,310 --> 00:31:12,399

player could throw a rock

795

00:31:16,389 --> 00:31:14,320

with precision

796

00:31:18,549 --> 00:31:16,399

to land within feet of us that not hurt

797

00:31:20,310 --> 00:31:18,559

us or hit us

798

00:31:23,350 --> 00:31:20,320

multiple times throughout the night so

799

00:31:26,710 --> 00:31:23,360

it was really weird the accuracy

800

00:31:29,430 --> 00:31:28,149

i don't even know how to explain it

801
00:31:30,549 --> 00:31:29,440
other than

802
00:31:33,909 --> 00:31:30,559
wow

803
00:31:35,430 --> 00:31:33,919
i'm hooked you know i i need more of

804
00:31:37,029 --> 00:31:35,440
this and i think i reached out to the

805
00:31:39,430 --> 00:31:37,039
other day saying

806
00:31:40,470 --> 00:31:39,440
when when can we go back up with a whole

807
00:31:42,389 --> 00:31:40,480
different

808
00:31:45,029 --> 00:31:42,399
set of intentions on what we're looking

809
00:31:47,909 --> 00:31:45,039
for but then

810
00:31:49,190 --> 00:31:47,919
on a paranormal like you know ghost

811
00:31:51,430 --> 00:31:49,200
energy

812
00:31:54,230 --> 00:31:51,440
then we started hearing and seeing

813
00:31:57,430 --> 00:31:54,240

things that look like myths and

814

00:31:59,590 --> 00:31:57,440

uh shadows within shadows i mean it gets

815

00:32:02,310 --> 00:31:59,600

very dark up there you can clearly see

816

00:32:03,509 --> 00:32:02,320

the stars which was beautiful

817

00:32:06,470 --> 00:32:03,519

but

818

00:32:09,750 --> 00:32:06,480

as black as it gets up there

819

00:32:13,029 --> 00:32:09,760

at night to see black mass moving

820

00:32:15,110 --> 00:32:13,039

through even the darkest of dark

821

00:32:17,590 --> 00:32:15,120

was weird and then you can light it up

822

00:32:18,389 --> 00:32:17,600

and nothing's going to be there

823

00:32:20,710 --> 00:32:18,399

but

824

00:32:22,470 --> 00:32:20,720

when four people see the same thing in

825

00:32:25,029 --> 00:32:22,480

the same area

826
00:32:28,789 --> 00:32:25,039
that gives cred to something's there

827
00:32:31,269 --> 00:32:28,799
obviously you know yeah and it's it's

828
00:32:33,110 --> 00:32:31,279
hard to explain to listeners but you'd

829
00:32:34,310 --> 00:32:33,120
indians have a long history of

830
00:32:37,509 --> 00:32:34,320
witnessing

831
00:32:39,350 --> 00:32:37,519
unusual flying aircraft and creatures in

832
00:32:42,070 --> 00:32:39,360
the surrounding area

833
00:32:44,630 --> 00:32:42,080
um a family that lived in the area was

834
00:32:46,710 --> 00:32:44,640
terrorized by cattle mutilation six foot

835
00:32:48,950 --> 00:32:46,720
tall bulletproof wolves

836
00:32:51,590 --> 00:32:48,960
devious flying balls of bluish light

837
00:32:53,990 --> 00:32:51,600
craft of every shape and size and an

838
00:32:55,669 --> 00:32:54,000

array of bigfoot-like creatures so i've

839

00:32:57,269 --> 00:32:55,679

witnessed these things so i know that

840

00:32:59,830 --> 00:32:57,279

it's not a hoax

841

00:33:01,830 --> 00:32:59,840

right absolutely it's so hard right to

842

00:33:04,230 --> 00:33:01,840

like describe when you're in the middle

843

00:33:07,110 --> 00:33:04,240

of it all a hundred percent and i mean

844

00:33:10,950 --> 00:33:07,120

if it's a hoax it is the world's

845

00:33:13,430 --> 00:33:10,960

grandest hoax ever i don't believe it's

846

00:33:16,070 --> 00:33:13,440

a hoax i've seen it you've seen it i

847

00:33:17,190 --> 00:33:16,080

believe anybody that's you know done any

848

00:33:18,230 --> 00:33:17,200

research

849

00:33:19,750 --> 00:33:18,240

on

850

00:33:21,430 --> 00:33:19,760

your property

851
00:33:24,549 --> 00:33:21,440
knows

852
00:33:25,430 --> 00:33:24,559
something's there and if not something

853
00:33:27,430 --> 00:33:25,440
many

854
00:33:29,269 --> 00:33:27,440
things are there i don't think you can

855
00:33:31,669 --> 00:33:29,279
pinpoint and say it's this or this or

856
00:33:33,509 --> 00:33:31,679
this because it seems like it's all the

857
00:33:36,630 --> 00:33:33,519
anomalies

858
00:33:38,389 --> 00:33:36,640
in one it's it's unbelievable anybody

859
00:33:39,509 --> 00:33:38,399
that's into

860
00:33:41,269 --> 00:33:39,519
phenomena

861
00:33:42,389 --> 00:33:41,279
you know the paranormal

862
00:33:43,669 --> 00:33:42,399
this

863
00:33:46,470 --> 00:33:43,679

location

864

00:33:48,870 --> 00:33:46,480

is by far the most charged i have ever

865

00:33:50,870 --> 00:33:48,880

experienced because you will see and

866

00:33:53,990 --> 00:33:50,880

experience

867

00:33:55,029 --> 00:33:54,000

a plethora it's not just one thing it's

868

00:33:57,190 --> 00:33:55,039

not

869

00:33:58,310 --> 00:33:57,200

it's everything it's everything in one

870

00:34:00,310 --> 00:33:58,320

it's it's

871

00:34:03,110 --> 00:34:00,320

in to anybody that

872

00:34:05,430 --> 00:34:03,120

it's like you said it's hard to just

873

00:34:08,950 --> 00:34:05,440

unless you're there

874

00:34:10,790 --> 00:34:08,960

it's hard to explain it because

875

00:34:11,990 --> 00:34:10,800

it's everything and

876
00:34:14,869 --> 00:34:12,000
anything

877
00:34:16,950 --> 00:34:14,879
and it's all your fears like we every

878
00:34:20,629 --> 00:34:16,960
every one of us experience the same

879
00:34:21,909 --> 00:34:20,639
thing but also very personal

880
00:34:23,750 --> 00:34:21,919
things

881
00:34:26,790 --> 00:34:23,760
because i believe it's intelligent and i

882
00:34:29,430 --> 00:34:26,800
believe it feeds on and knows

883
00:34:31,109 --> 00:34:29,440
who we are what we're thinking

884
00:34:35,669 --> 00:34:31,119
what

885
00:34:37,030 --> 00:34:35,679
to get into our psyche and affect us

886
00:34:39,909 --> 00:34:37,040
because

887
00:34:41,109 --> 00:34:39,919
even bennett when we were striking camp

888
00:34:43,109 --> 00:34:41,119

sunday

889

00:34:45,430 --> 00:34:43,119

in the middle of the day

890

00:34:48,230 --> 00:34:45,440

had stuff happening happened to where

891

00:34:50,069 --> 00:34:48,240

she was yelling out at us thinking that

892

00:34:51,190 --> 00:34:50,079

we were playing a joke and we agreed no

893

00:34:53,030 --> 00:34:51,200

one's going to play any joke we're

894

00:34:55,430 --> 00:34:53,040

taking this very serious

895

00:34:58,550 --> 00:34:55,440

but this is in the middle of the day at

896

00:35:00,150 --> 00:34:58,560

like 11 a.m on sunday

897

00:35:01,510 --> 00:35:00,160

two days after the fact that all that

898

00:35:02,470 --> 00:35:01,520

other stuff happened in the middle of

899

00:35:03,270 --> 00:35:02,480

the day

900

00:35:04,150 --> 00:35:03,280

like

901
00:35:06,390 --> 00:35:04,160
that's

902
00:35:07,829 --> 00:35:06,400
to me

903
00:35:09,589 --> 00:35:07,839
that's amazing

904
00:35:11,510 --> 00:35:09,599
and and that just sparks that much more

905
00:35:12,870 --> 00:35:11,520
curiosity because

906
00:35:14,870 --> 00:35:12,880
i think it's

907
00:35:18,150 --> 00:35:14,880
shape-shifting

908
00:35:20,710 --> 00:35:18,160
into anything and everything that is

909
00:35:22,150 --> 00:35:20,720
unknown that's that's my takeaway from

910
00:35:24,310 --> 00:35:22,160
this is it's

911
00:35:26,150 --> 00:35:24,320
anything and everything and that's

912
00:35:28,710 --> 00:35:26,160
what's so difficult when you encounter a

913
00:35:31,030 --> 00:35:28,720

situation like the one you guys had

914

00:35:33,030 --> 00:35:31,040

because you

915

00:35:34,150 --> 00:35:33,040

there's so much going on at the same

916

00:35:35,670 --> 00:35:34,160

time

917

00:35:37,750 --> 00:35:35,680

yes i mean

918

00:35:39,510 --> 00:35:37,760

you obviously had permission to be there

919

00:35:40,870 --> 00:35:39,520

it's private property that should be

920

00:35:41,910 --> 00:35:40,880

respected

921

00:35:43,910 --> 00:35:41,920

and

922

00:35:45,349 --> 00:35:43,920

the problem is that many people don't

923

00:35:47,589 --> 00:35:45,359

know where it's legal to be and where

924

00:35:49,270 --> 00:35:47,599

it's not and some right you know it's

925

00:35:51,910 --> 00:35:49,280

it's weird

926
00:35:54,069 --> 00:35:51,920
and um there's a lot of speculation

927
00:35:56,470 --> 00:35:54,079
about this and i've seen i've seen

928
00:35:58,230 --> 00:35:56,480
armchair researchers have think they

929
00:36:00,310 --> 00:35:58,240
have nothing to lose go out there and

930
00:36:02,630 --> 00:36:00,320
get arrested i'd ignore that

931
00:36:04,470 --> 00:36:02,640
and at the same time i mean a handful of

932
00:36:06,069 --> 00:36:04,480
kids and a few adults have had charges

933
00:36:08,630 --> 00:36:06,079
pressed against them and gone to jail

934
00:36:10,390 --> 00:36:08,640
sure yeah just for yeah for people

935
00:36:12,630 --> 00:36:10,400
listening it's not a place you just go

936
00:36:16,069 --> 00:36:12,640
out at night and start wandering around

937
00:36:18,150 --> 00:36:16,079
right no no no no no

938
00:36:25,349 --> 00:36:18,160

i mean

939

00:36:27,430 --> 00:36:25,359

cameras everywhere and i know you guys

940

00:36:29,510 --> 00:36:27,440

are looking for you know

941

00:36:32,470 --> 00:36:29,520

those are cameras

942

00:36:35,510 --> 00:36:32,480

aimed at the sky even like i i mean

943

00:36:37,829 --> 00:36:35,520

but yes for anybody listening

944

00:36:40,550 --> 00:36:37,839

do not just go out there even if it's on

945

00:36:40,960 --> 00:36:40,560

a public road and you're driving if you

946

00:36:42,069 --> 00:36:40,970

stop

947

00:36:43,510 --> 00:36:42,079

[Music]

948

00:36:46,310 --> 00:36:43,520

and you could be breaking the law

949

00:36:49,670 --> 00:36:46,320

because of the reservations

950

00:36:50,870 --> 00:36:49,680

and b i just don't think

951
00:36:53,349 --> 00:36:50,880
anyone

952
00:36:56,390 --> 00:36:53,359
that's curious should just go up there

953
00:36:58,870 --> 00:36:56,400
because you're dealing with

954
00:37:01,030 --> 00:36:58,880
everything like when we when we went to

955
00:37:02,550 --> 00:37:01,040
start the car just to

956
00:37:05,030 --> 00:37:02,560
to kind of move it closer to where our

957
00:37:07,190 --> 00:37:05,040
tent was in case there was more fire or

958
00:37:08,870 --> 00:37:07,200
we needed to get out in a hurry

959
00:37:10,150 --> 00:37:08,880
even the car

960
00:37:11,750 --> 00:37:10,160
the truck

961
00:37:14,950 --> 00:37:11,760
wouldn't start

962
00:37:17,030 --> 00:37:14,960
our our life our backup batteries our

963
00:37:22,230 --> 00:37:17,040

cameras

964

00:37:23,030 --> 00:37:22,240

everything was affected which can i talk

965

00:37:25,910 --> 00:37:23,040

about

966

00:37:27,750 --> 00:37:25,920

yeah a container and a little an anomaly

967

00:37:30,230 --> 00:37:27,760

going on that you just recently came

968

00:37:32,230 --> 00:37:30,240

across yeah and by the way that truck

969

00:37:34,390 --> 00:37:32,240

man made me so jealous that red ford

970

00:37:35,829 --> 00:37:34,400

truck you guys had reminded me so much

971

00:37:37,230 --> 00:37:35,839

of my last read

972

00:37:38,550 --> 00:37:37,240

you mentioned that i was like oh

973

00:37:39,990 --> 00:37:38,560

[Laughter]

974

00:37:41,510 --> 00:37:40,000

and i think you actually thought you

975

00:37:43,190 --> 00:37:41,520

went through a portal you said when you

976
00:37:44,950 --> 00:37:43,200
saw that on the camera you're like okay

977
00:37:47,349 --> 00:37:44,960
wait a minute i was like what's my truck

978
00:37:49,910 --> 00:37:47,359
doing out there and

979
00:37:51,670 --> 00:37:49,920
it's it's and just to kind of before we

980
00:37:54,710 --> 00:37:51,680
move forward just for those that are

981
00:37:57,430 --> 00:37:54,720
speculating about spots and all that

982
00:37:59,990 --> 00:37:57,440
you know it is

983
00:38:00,950 --> 00:38:00,000
so difficult but

984
00:38:03,829 --> 00:38:00,960
these

985
00:38:05,910 --> 00:38:03,839
tribal officers most tribal officers are

986
00:38:07,589 --> 00:38:05,920
the nicest people you will ever meet but

987
00:38:09,589 --> 00:38:07,599
don't try to pull attitude with them

988
00:38:11,750 --> 00:38:09,599

they have federally granted authority

989

00:38:12,950 --> 00:38:11,760

that far exceeds that of standard police

990

00:38:14,870 --> 00:38:12,960

officers

991

00:38:17,589 --> 00:38:14,880

and so if you don't have permission to

992

00:38:19,030 --> 00:38:17,599

be on a property and it's not private

993

00:38:21,270 --> 00:38:19,040

property that should be respected

994

00:38:22,790 --> 00:38:21,280

because it's very checkerboarded out

995

00:38:25,349 --> 00:38:22,800

there and

996

00:38:28,630 --> 00:38:25,359

um anyway moving forward

997

00:38:29,510 --> 00:38:28,640

i would say too i mean just just

998

00:38:32,870 --> 00:38:29,520

i mean

999

00:38:33,990 --> 00:38:32,880

a never trespassed period

1000

00:38:35,910 --> 00:38:34,000

but

1001

00:38:37,589 --> 00:38:35,920

the tribal

1002

00:38:40,470 --> 00:38:37,599

people i mean

1003

00:38:41,670 --> 00:38:40,480

respect that that's their land and i

1004

00:38:44,470 --> 00:38:41,680

believe

1005

00:38:46,390 --> 00:38:44,480

respect in all situations first and

1006

00:38:48,550 --> 00:38:46,400

foremost um

1007

00:38:50,390 --> 00:38:48,560

and just don't don't push it like you

1008

00:38:52,710 --> 00:38:50,400

said be respectful

1009

00:38:54,470 --> 00:38:52,720

but like if you're not invited to be

1010

00:38:56,790 --> 00:38:54,480

somewhere out there

1011

00:38:57,910 --> 00:38:56,800

just don't don't don't do it go through

1012

00:38:59,349 --> 00:38:57,920

the proper

1013

00:39:01,910 --> 00:38:59,359

you know channels

1014

00:39:03,990 --> 00:39:01,920

uh like yourself like when when we

1015

00:39:05,910 --> 00:39:04,000

talked and stuff like that but never in

1016

00:39:07,670 --> 00:39:05,920

a million years do i recommend that

1017

00:39:09,030 --> 00:39:07,680

anybody goes

1018

00:39:11,670 --> 00:39:09,040

up there

1019

00:39:13,990 --> 00:39:11,680

first and foremost but anywhere

1020

00:39:16,390 --> 00:39:14,000

be be professional be courteous be

1021

00:39:18,069 --> 00:39:16,400

respectful get permission

1022

00:39:20,310 --> 00:39:18,079

nine times out of ten people will give

1023

00:39:22,150 --> 00:39:20,320

you permission to do things if you ask

1024

00:39:24,710 --> 00:39:22,160

but that's one

1025

00:39:27,109 --> 00:39:24,720

thing i would never test is is never

1026

00:39:30,150 --> 00:39:27,119

mess with you know the native american i

1027

00:39:32,550 --> 00:39:30,160

believe that they are rooted in some

1028

00:39:34,870 --> 00:39:32,560

amazing connections and that would just

1029

00:39:36,310 --> 00:39:34,880

be one thing that like you said just

1030

00:39:37,349 --> 00:39:36,320

don't do it

1031

00:39:39,910 --> 00:39:37,359

you know

1032

00:39:41,910 --> 00:39:39,920

totally vincent and man i need to say

1033

00:39:43,910 --> 00:39:41,920

wearing a bulletproof jacket isn't a bad

1034

00:39:45,510 --> 00:39:43,920

idea either i actually do this because

1035

00:39:47,510 --> 00:39:45,520

i've heard similar things to what you

1036

00:39:49,190 --> 00:39:47,520

guys encountered but

1037

00:39:51,270 --> 00:39:49,200

acting responsibly and sticking to

1038

00:39:53,109 --> 00:39:51,280

places you can legally be as you said

1039

00:39:55,670 --> 00:39:53,119

right and i believe that something that

1040

00:39:59,510 --> 00:39:55,680

needs to be addressed is the main

1041

00:40:02,550 --> 00:39:59,520

concern that there is security personnel

1042

00:40:05,109 --> 00:40:02,560

nearby and oh absolutely um it's

1043

00:40:06,870 --> 00:40:05,119

treacherous terrain and these personnel

1044

00:40:09,109 --> 00:40:06,880

are there for the phenomena itself if

1045

00:40:12,150 --> 00:40:09,119

you respect law enforcement officers

1046

00:40:13,670 --> 00:40:12,160

tribal officers right security personnel

1047

00:40:16,309 --> 00:40:13,680

they'll be on your side on the other

1048

00:40:18,390 --> 00:40:16,319

hand there is kind of

1049

00:40:19,990 --> 00:40:18,400

well those black suburbans i have no

1050

00:40:23,430 --> 00:40:20,000

idea what those are that's a whole other

1051
00:40:26,150 --> 00:40:23,440
story but let's get back to what we were

1052
00:40:28,150 --> 00:40:26,160
discussing with this container i'll

1053
00:40:31,109 --> 00:40:28,160
kind of go into it a little bit

1054
00:40:32,710 --> 00:40:31,119
and you documented this really well

1055
00:40:35,349 --> 00:40:32,720
there was an event that took place on

1056
00:40:37,030 --> 00:40:35,359
the property a while back and we've been

1057
00:40:39,750 --> 00:40:37,040
doing readings on this particular

1058
00:40:40,950 --> 00:40:39,760
storage container an 8700 pound

1059
00:40:44,309 --> 00:40:40,960
container

1060
00:40:46,870 --> 00:40:44,319
and it's magnetized now among other

1061
00:40:48,230 --> 00:40:46,880
strange readings and you encountered

1062
00:40:49,829 --> 00:40:48,240
this yourself when you were out there

1063
00:40:51,589 --> 00:40:49,839

correct

1064

00:40:53,670 --> 00:40:51,599

absolutely

1065

00:40:55,589 --> 00:40:53,680

so you'd kind of told me about that and

1066

00:40:57,589 --> 00:40:55,599

i wanted to see for myself i'm a

1067

00:40:58,870 --> 00:40:57,599

curiosity seeker

1068

00:40:59,990 --> 00:40:58,880

absolutely

1069

00:41:01,030 --> 00:41:00,000

you

1070

00:41:03,190 --> 00:41:01,040

can take

1071

00:41:05,510 --> 00:41:03,200

metal objects

1072

00:41:06,550 --> 00:41:05,520

on a freight container

1073

00:41:09,270 --> 00:41:06,560

and that

1074

00:41:12,230 --> 00:41:09,280

thing is now magnetized

1075

00:41:15,349 --> 00:41:12,240

and as we all know things don't just

1076
00:41:17,270 --> 00:41:15,359
become magnetized i don't care who you

1077
00:41:20,950 --> 00:41:17,280
are or what you believe

1078
00:41:23,349 --> 00:41:20,960
nothing just becomes magnetized unless

1079
00:41:25,829 --> 00:41:23,359
something has caused that

1080
00:41:30,950 --> 00:41:28,870
i saw it for myself i put you know now

1081
00:41:33,510 --> 00:41:30,960
they put anything i could find i brought

1082
00:41:35,829 --> 00:41:33,520
up stuff just to put on there you want

1083
00:41:37,910 --> 00:41:35,839
to know something weird though

1084
00:41:40,470 --> 00:41:37,920
i have a magnet

1085
00:41:41,750 --> 00:41:40,480
i put a magnet to it and the magnet

1086
00:41:43,829 --> 00:41:41,760
would not stick

1087
00:41:46,309 --> 00:41:43,839
but the magnet would stick to any other

1088
00:41:48,630 --> 00:41:46,319

objects that i touched to it

1089

00:41:50,630 --> 00:41:48,640

i don't know if you've ever tried that

1090

00:41:52,390 --> 00:41:50,640

or if that was just that that was like i

1091

00:41:53,829 --> 00:41:52,400

was curious okay like okay i'm gonna

1092

00:41:56,230 --> 00:41:53,839

bring a magnet

1093

00:41:58,470 --> 00:41:56,240

i'm gonna make sure that the items

1094

00:42:01,109 --> 00:41:58,480

aren't magnetized

1095

00:42:04,150 --> 00:42:01,119

and that it actually was

1096

00:42:05,990 --> 00:42:04,160

the storage container and that sob is

1097

00:42:07,510 --> 00:42:06,000

magnetized

1098

00:42:09,990 --> 00:42:07,520

the items aren't

1099

00:42:12,309 --> 00:42:10,000

like you can try to take two nails or

1100

00:42:13,910 --> 00:42:12,319

two pieces of whatever and put them

1101
00:42:16,230 --> 00:42:13,920
together they're not magnetized but you

1102
00:42:17,670 --> 00:42:16,240
touch them with the the

1103
00:42:18,870 --> 00:42:17,680
storage foot

1104
00:42:20,790 --> 00:42:18,880
container

1105
00:42:22,870 --> 00:42:20,800
and they're magnetized but

1106
00:42:25,349 --> 00:42:22,880
like i said the magnet wouldn't stick to

1107
00:42:27,510 --> 00:42:25,359
it dude and that blew my mind

1108
00:42:29,510 --> 00:42:27,520
that for all our sakes that's quite

1109
00:42:31,750 --> 00:42:29,520
intelligent because that adds another

1110
00:42:33,910 --> 00:42:31,760
angle to the theories about the entire

1111
00:42:36,230 --> 00:42:33,920
situation that's what i thought i

1112
00:42:36,950 --> 00:42:36,240
thought okay let's put a magnet on it

1113
00:42:38,870 --> 00:42:36,960

and

1114

00:42:40,630 --> 00:42:38,880

for some reason it rejected the magnet

1115

00:42:42,630 --> 00:42:40,640

okay so you know there's two there's the

1116

00:42:44,790 --> 00:42:42,640

polarity and there's two sides of the

1117

00:42:46,630 --> 00:42:44,800

magnet so that's what i thought so i

1118

00:42:49,670 --> 00:42:46,640

switched the magnet same thing wouldn't

1119

00:42:50,950 --> 00:42:49,680

stick but i would take a nail off it'd

1120

00:42:53,589 --> 00:42:50,960

stick to it

1121

00:42:54,710 --> 00:42:53,599

it would it would hold the nail or the

1122

00:42:56,230 --> 00:42:54,720

screw or

1123

00:42:57,990 --> 00:42:56,240

i guess there was some other pieces of

1124

00:43:00,069 --> 00:42:58,000

metal up there just laying around and

1125

00:43:02,150 --> 00:43:00,079

then i brought tools too to see like

1126

00:43:04,230 --> 00:43:02,160

okay well maybe these items are

1127

00:43:05,510 --> 00:43:04,240

magnetized no anything that's metal

1128

00:43:07,670 --> 00:43:05,520

sticks to that

1129

00:43:09,829 --> 00:43:07,680

but that leads me to the question is the

1130

00:43:13,270 --> 00:43:09,839

magnetism going on

1131

00:43:15,030 --> 00:43:13,280

affecting like our cameras and

1132

00:43:16,710 --> 00:43:15,040

is it affecting your cameras because i

1133

00:43:17,910 --> 00:43:16,720

notice you have cameras all over the

1134

00:43:20,150 --> 00:43:17,920

property

1135

00:43:22,550 --> 00:43:20,160

does it affect your cameras

1136

00:43:24,950 --> 00:43:22,560

it it does at certain times there seem

1137

00:43:26,390 --> 00:43:24,960

to be geological aspects of the area

1138

00:43:29,030 --> 00:43:26,400

that affect

1139

00:43:32,230 --> 00:43:29,040

you know they affect the cameras

1140

00:43:33,910 --> 00:43:32,240

they affect um it's contradictory

1141

00:43:35,510 --> 00:43:33,920

because you'll have witnesses often see

1142

00:43:37,270 --> 00:43:35,520

the same thing at the same time they'll

1143

00:43:39,349 --> 00:43:37,280

ask me to check a camera

1144

00:43:41,510 --> 00:43:39,359

i'll go and check the camera and i will

1145

00:43:42,470 --> 00:43:41,520

either see something different or

1146

00:43:48,790 --> 00:43:42,480

document

1147

00:43:50,069 --> 00:43:48,800

than what they they expected to see on

1148

00:43:53,030 --> 00:43:50,079

the camera

1149

00:43:55,829 --> 00:43:53,040

and um oftentimes with video footage the

1150

00:43:58,309 --> 00:43:55,839

camera will lose what is recorded

1151
00:44:00,470 --> 00:43:58,319
and i mean i've lost hours of footage

1152
00:44:02,470 --> 00:44:00,480
from our cameras which is impossible to

1153
00:44:04,550 --> 00:44:02,480
explain so we just shrug and keep

1154
00:44:08,870 --> 00:44:04,560
recording i mean what else can you do

1155
00:44:10,309 --> 00:44:08,880
it's it's really creepy that this force

1156
00:44:12,790 --> 00:44:10,319
which many

1157
00:44:15,910 --> 00:44:12,800
seem to call an ancient force at hand in

1158
00:44:17,430 --> 00:44:15,920
the area um wow it doesn't like to be

1159
00:44:19,430 --> 00:44:17,440
used as a guinea pig right or

1160
00:44:20,390 --> 00:44:19,440
participated with but it likes to play

1161
00:44:22,390 --> 00:44:20,400
with you

1162
00:44:25,589 --> 00:44:22,400
right see and that's what

1163
00:44:27,829 --> 00:44:25,599

that going back to what you just said

1164

00:44:29,349 --> 00:44:27,839

now that you you'll see something

1165

00:44:30,870 --> 00:44:29,359

different on the camera than the

1166

00:44:32,550 --> 00:44:30,880

spectator saw

1167

00:44:35,030 --> 00:44:32,560

and that's what was going on with us we

1168

00:44:37,190 --> 00:44:35,040

all saw similar things

1169

00:44:38,309 --> 00:44:37,200

but it also almost was

1170

00:44:41,829 --> 00:44:38,319

favoring

1171

00:44:43,349 --> 00:44:41,839

our own personal fear as if it were

1172

00:44:45,750 --> 00:44:43,359

manipulating

1173

00:44:47,990 --> 00:44:45,760

or personally like entertaining

1174

00:44:49,430 --> 00:44:48,000

for that individual

1175

00:44:51,190 --> 00:44:49,440

in a whole different way but we would

1176
00:44:53,190 --> 00:44:51,200
see the same thing but just experience

1177
00:44:55,190 --> 00:44:53,200
or explain it different

1178
00:44:57,109 --> 00:44:55,200
um and

1179
00:44:59,829 --> 00:44:57,119
we never got any of this on camera we

1180
00:45:02,630 --> 00:44:59,839
had night vision cameras we had

1181
00:45:04,630 --> 00:45:02,640
gopros we had we had probably 15

1182
00:45:06,069 --> 00:45:04,640
different styles of cameras okay we're

1183
00:45:07,510 --> 00:45:06,079
going to get something

1184
00:45:10,470 --> 00:45:07,520
we all saw it

1185
00:45:13,910 --> 00:45:10,480
but none of it was captured with camera

1186
00:45:16,150 --> 00:45:13,920
which means to me it's elusive and it's

1187
00:45:17,829 --> 00:45:16,160
intelligent enough to

1188
00:45:18,950 --> 00:45:17,839

like you said it doesn't want to be a

1189

00:45:20,790 --> 00:45:18,960

guinea pig

1190

00:45:23,430 --> 00:45:20,800

but it'll play it'll it'll peak your

1191

00:45:25,510 --> 00:45:23,440

curiosity it'll get in your head it'll

1192

00:45:28,710 --> 00:45:25,520

mess with you

1193

00:45:30,630 --> 00:45:28,720

it'll wet your appetite and then

1194

00:45:32,230 --> 00:45:30,640

it just it

1195

00:45:33,670 --> 00:45:32,240

i don't know i mean it just leaves you

1196

00:45:35,589 --> 00:45:33,680

wanting more

1197

00:45:37,990 --> 00:45:35,599

because i've never experienced anything

1198

00:45:40,710 --> 00:45:38,000

like this like this is

1199

00:45:43,510 --> 00:45:40,720

so beyond anything that i could

1200

00:45:46,069 --> 00:45:43,520

even try to explain so i hope that

1201

00:45:48,470 --> 00:45:46,079

during this this conversation that any

1202

00:45:49,990 --> 00:45:48,480

of this makes sense because i'm still

1203

00:45:52,069 --> 00:45:50,000

trying to wrap my head around what i saw

1204

00:45:53,990 --> 00:45:52,079

and i'm still trying to document it and

1205

00:45:55,109 --> 00:45:54,000

i'm reading my notes and i'm

1206

00:45:57,270 --> 00:45:55,119

it's just

1207

00:45:59,430 --> 00:45:57,280

even to this day

1208

00:46:01,430 --> 00:45:59,440

messing with me and that was you know a

1209

00:46:03,030 --> 00:46:01,440

couple weeks ago and it's still in my

1210

00:46:05,750 --> 00:46:03,040

head i'm still dreaming about it it's

1211

00:46:07,910 --> 00:46:05,760

still affecting me bro 100

1212

00:46:10,150 --> 00:46:07,920

yeah man and i i think you explained

1213

00:46:12,630 --> 00:46:10,160

that so well how it is like a

1214

00:46:15,109 --> 00:46:12,640

mind-induced fear a lot of people

1215

00:46:15,829 --> 00:46:15,119

believe it may be military experiments

1216

00:46:18,390 --> 00:46:15,839

but

1217

00:46:20,790 --> 00:46:18,400

the tr the really tough part is that you

1218

00:46:21,990 --> 00:46:20,800

have all of these cases of

1219

00:46:27,349 --> 00:46:22,000

people

1220

00:46:30,230 --> 00:46:27,359

american and involved in sweat lodges

1221

00:46:33,510 --> 00:46:30,240

for vision quests and

1222

00:46:35,349 --> 00:46:33,520

one particular case i just heard was

1223

00:46:37,589 --> 00:46:35,359

well i mean it's it these are sacred and

1224

00:46:39,349 --> 00:46:37,599

unique ceremonies and after the ceremony

1225

00:46:41,670 --> 00:46:39,359

had been going on a while

1226
00:46:43,510 --> 00:46:41,680
something went horribly wrong a wind

1227
00:46:45,190 --> 00:46:43,520
swirled inside the sweat lodge even

1228
00:46:47,190 --> 00:46:45,200
though the place is sealed up you know

1229
00:46:48,790 --> 00:46:47,200
buttoned up tight

1230
00:46:50,550 --> 00:46:48,800
and um

1231
00:46:53,829 --> 00:46:50,560
the shaman yelled for them to run to a

1232
00:46:55,750 --> 00:46:53,839
larger trailer that was nearby and

1233
00:46:58,069 --> 00:46:55,760
it was believed they were being attacked

1234
00:46:59,030 --> 00:46:58,079
by a shape-shifter a trickster

1235
00:47:01,430 --> 00:46:59,040
wow

1236
00:47:03,990 --> 00:47:01,440
and that's the thing these

1237
00:47:04,950 --> 00:47:04,000
these items don't seem to kind of fill

1238
00:47:08,630 --> 00:47:04,960

in that

1239

00:47:10,630 --> 00:47:08,640

so

1240

00:47:12,150 --> 00:47:10,640

i mean there's multiple things going on

1241

00:47:14,150 --> 00:47:12,160

there has to be and it's it's hard to

1242

00:47:17,670 --> 00:47:14,160

make theories about it

1243

00:47:21,829 --> 00:47:17,680

100 i'm with you 100 i i think it's an

1244

00:47:24,549 --> 00:47:21,839

ancient force and you keep saying like

1245

00:47:26,630 --> 00:47:24,559

prankster because we never felt other

1246

00:47:29,030 --> 00:47:26,640

than the gunfire

1247

00:47:30,870 --> 00:47:29,040

we never felt in danger

1248

00:47:33,349 --> 00:47:30,880

we felt like we were being watched we

1249

00:47:35,270 --> 00:47:33,359

felt like we were being entertained we

1250

00:47:37,430 --> 00:47:35,280

felt like we

1251
00:47:38,710 --> 00:47:37,440
were it's guinea pigs like okay i'm

1252
00:47:41,030 --> 00:47:38,720
going to test their limits are they

1253
00:47:42,230 --> 00:47:41,040
going to run are they going to disappear

1254
00:47:44,069 --> 00:47:42,240
but like when the rocks were being

1255
00:47:45,829 --> 00:47:44,079
thrown when i when i say

1256
00:47:48,549 --> 00:47:45,839
rocks i mean some of them were the size

1257
00:47:51,589 --> 00:47:48,559
of a baseball but there was a couple

1258
00:47:54,230 --> 00:47:51,599
that i'm trying to

1259
00:47:57,510 --> 00:47:54,240
like the size of uh

1260
00:48:00,790 --> 00:47:57,520
i i don't even know like a football

1261
00:48:03,430 --> 00:48:00,800
okay yeah so we're we're we're pretty

1262
00:48:06,470 --> 00:48:03,440
close to like the fire pit and and

1263
00:48:08,790 --> 00:48:06,480

your research like the

1264

00:48:11,430 --> 00:48:08,800

storage facility

1265

00:48:13,990 --> 00:48:11,440

for someone or something to throw a rock

1266

00:48:15,349 --> 00:48:14,000

the size of a football which is weird

1267

00:48:17,109 --> 00:48:15,359

because there's not many on property

1268

00:48:18,870 --> 00:48:17,119

other than around the fire pit most the

1269

00:48:22,790 --> 00:48:18,880

rocks are smaller

1270

00:48:25,910 --> 00:48:22,800

for something to eat that

1271

00:48:29,030 --> 00:48:25,920

from outside of our vision like you know

1272

00:48:30,950 --> 00:48:29,040

our peripheral or where we could see

1273

00:48:32,470 --> 00:48:30,960

that's that's that's kind of big you

1274

00:48:35,829 --> 00:48:32,480

know what i mean

1275

00:48:38,069 --> 00:48:35,839

and for it to hit with precision

1276

00:48:39,829 --> 00:48:38,079

we never really felt threatened we

1277

00:48:41,510 --> 00:48:39,839

almost felt like it was

1278

00:48:42,870 --> 00:48:41,520

taunting us or teasing us or

1279

00:48:44,630 --> 00:48:42,880

entertaining us like i said when the

1280

00:48:46,549 --> 00:48:44,640

rods were being shown it didn't feel

1281

00:48:50,710 --> 00:48:46,559

like it was aggressive like we were we

1282

00:48:52,230 --> 00:48:50,720

were almost being hit it was almost like

1283

00:48:53,750 --> 00:48:52,240

i don't know how to explain it bro like

1284

00:48:55,829 --> 00:48:53,760

when you go up there you look at your

1285

00:48:57,510 --> 00:48:55,839

thing you'll see a pile of rocks that

1286

00:48:59,430 --> 00:48:57,520

are out of place because i guess it

1287

00:49:01,750 --> 00:48:59,440

rained up there the week before

1288

00:49:04,230 --> 00:49:01,760

so everything's pretty settled as far as

1289

00:49:05,990 --> 00:49:04,240

rocks you can see the rocks that

1290

00:49:07,670 --> 00:49:06,000

were around us

1291

00:49:09,270 --> 00:49:07,680

were

1292

00:49:12,549 --> 00:49:09,280

not settled into the ground does that

1293

00:49:14,470 --> 00:49:12,559

make sense yeah yeah so it's recent you

1294

00:49:16,069 --> 00:49:14,480

can tell it's recent and and they all

1295

00:49:17,510 --> 00:49:16,079

land within the same area so is that a

1296

00:49:18,549 --> 00:49:17,520

magnetic pull

1297

00:49:21,030 --> 00:49:18,559

is that

1298

00:49:23,750 --> 00:49:21,040

i don't i don't know bro i've i've got

1299

00:49:25,910 --> 00:49:23,760

to get back up there and i

1300

00:49:28,549 --> 00:49:25,920

i beg you

1301

00:49:30,549 --> 00:49:28,559

it's so interesting i know i have the

1302

00:49:32,630 --> 00:49:30,559

same um

1303

00:49:35,030 --> 00:49:32,640

i have the same basic feeling a lot of

1304

00:49:37,670 --> 00:49:35,040

the time and i wanted to ask you after

1305

00:49:39,750 --> 00:49:37,680

your research did you have any anomalous

1306

00:49:41,190 --> 00:49:39,760

activity by chance follow you home i

1307

00:49:42,950 --> 00:49:41,200

mean you mentioned that the vehicles had

1308

00:49:45,990 --> 00:49:42,960

some trouble with their electronics

1309

00:49:49,030 --> 00:49:46,000

anything else stand out to you

1310

00:49:51,030 --> 00:49:49,040

you know i i will say

1311

00:49:53,510 --> 00:49:51,040

we went through

1312

00:49:55,670 --> 00:49:53,520

uh what i want to call like

1313

00:49:58,309 --> 00:49:55,680

a time shift so we left at a specific

1314

00:50:02,309 --> 00:49:58,319

time because we knew we had to be back

1315

00:50:05,990 --> 00:50:04,470

outside of

1316

00:50:08,870 --> 00:50:06,000

our drive

1317

00:50:11,510 --> 00:50:08,880

that we can't recall

1318

00:50:14,710 --> 00:50:11,520

and we all agreed to it it seems like

1319

00:50:16,470 --> 00:50:14,720

somehow somewhere someway we

1320

00:50:17,430 --> 00:50:16,480

lost an hour

1321

00:50:19,349 --> 00:50:17,440

and

1322

00:50:22,069 --> 00:50:19,359

to validate this

1323

00:50:25,430 --> 00:50:22,079

we drove down we're driving

1324

00:50:28,950 --> 00:50:27,589

all of a sudden we're just above

1325

00:50:30,630 --> 00:50:28,960

strawberry

1326
00:50:32,549 --> 00:50:30,640
reservoir

1327
00:50:34,710 --> 00:50:32,559
and it's pouring

1328
00:50:36,710 --> 00:50:34,720
now all of our equipment's in the back

1329
00:50:38,230 --> 00:50:36,720
of a truck that does not have a shell on

1330
00:50:40,950 --> 00:50:38,240
it and i mean we're talking thousands of

1331
00:50:41,829 --> 00:50:40,960
dollars worth of equipment

1332
00:50:42,710 --> 00:50:41,839
if

1333
00:50:52,309 --> 00:50:42,720
we

1334
00:50:54,790 --> 00:50:52,319
have covered our gear

1335
00:50:57,270 --> 00:50:54,800
when we all came to

1336
00:50:59,349 --> 00:50:57,280
we were in the middle of the rainstorm

1337
00:51:01,670 --> 00:50:59,359
everything was sopping wet

1338
00:51:03,109 --> 00:51:01,680

you would think four grown ass adults

1339

00:51:04,710 --> 00:51:03,119

would say hey

1340

00:51:07,349 --> 00:51:04,720

it's raining

1341

00:51:09,190 --> 00:51:07,359

let's pull a gear in let's go under an

1342

00:51:10,790 --> 00:51:09,200

overpass let's pull over

1343

00:51:12,150 --> 00:51:10,800

and prep for this

1344

00:51:13,510 --> 00:51:12,160

we didn't

1345

00:51:15,510 --> 00:51:13,520

so

1346

00:51:17,270 --> 00:51:15,520

we lost an hour

1347

00:51:21,030 --> 00:51:17,280

whoa

1348

00:51:23,670 --> 00:51:21,040

perfectly explained that is so strange

1349

00:51:25,109 --> 00:51:23,680

and that so i mean our gear we

1350

00:51:27,109 --> 00:51:25,119

some of our gear

1351

00:51:29,109 --> 00:51:27,119

got wet like

1352

00:51:31,990 --> 00:51:29,119

they're in cases granted

1353

00:51:33,910 --> 00:51:32,000

but all of our sleeping gear like

1354

00:51:35,349 --> 00:51:33,920

wouldn't you like okay it's gonna rain

1355

00:51:37,030 --> 00:51:35,359

let's pull over

1356

00:51:38,230 --> 00:51:37,040

let's go to this little gas station

1357

00:51:39,430 --> 00:51:38,240

let's let's

1358

00:51:42,069 --> 00:51:39,440

back off

1359

00:51:44,390 --> 00:51:42,079

um so an hour yeah an hour's gone

1360

00:51:45,910 --> 00:51:44,400

and all of our equipment got wet so that

1361

00:51:47,750 --> 00:51:45,920

to me says

1362

00:51:49,270 --> 00:51:47,760

we lost track of something something

1363

00:51:51,109 --> 00:51:49,280

happened

1364

00:51:52,390 --> 00:51:51,119

that we cannot explain

1365

00:51:53,670 --> 00:51:52,400

and we all

1366

00:51:55,349 --> 00:51:53,680

thought like

1367

00:51:57,510 --> 00:51:55,359

was just a micro burst but then you

1368

00:51:59,349 --> 00:51:57,520

looked around and the storm was massive

1369

00:52:01,349 --> 00:51:59,359

it wasn't like it just

1370

00:52:04,790 --> 00:52:01,359

like popped up and oh there's a little

1371

00:52:07,109 --> 00:52:04,800

rain you know it was like a full-blown

1372

00:52:08,230 --> 00:52:07,119

rainstorm with lightning and everything

1373

00:52:10,630 --> 00:52:08,240

and

1374

00:52:12,069 --> 00:52:10,640

we do not recall

1375

00:52:13,510 --> 00:52:12,079

we we were even going to go down a

1376
00:52:15,430 --> 00:52:13,520
different highway because we came up

1377
00:52:17,349 --> 00:52:15,440
through um

1378
00:52:19,510 --> 00:52:17,359
i can't even remember the town we came

1379
00:52:21,349 --> 00:52:19,520
up a different way so we weren't even

1380
00:52:23,670 --> 00:52:21,359
planning on going down towards

1381
00:52:26,309 --> 00:52:23,680
strawberry but we ended up at strawberry

1382
00:52:30,150 --> 00:52:26,319
an hour's lost equipment wet

1383
00:52:31,670 --> 00:52:30,160
so yes something followed us and or

1384
00:52:33,190 --> 00:52:31,680
we traveled into something that we

1385
00:52:36,150 --> 00:52:33,200
cannot explain

1386
00:52:38,150 --> 00:52:36,160
that is wild man that's gnarly right

1387
00:52:40,870 --> 00:52:38,160
right we're still like

1388
00:52:43,349 --> 00:52:40,880

still trying to like piece together that

1389

00:52:45,030 --> 00:52:43,359

little portion like what happened

1390

00:52:47,510 --> 00:52:45,040

because we got good sleep i mean it

1391

00:52:50,230 --> 00:52:47,520

wasn't like you know

1392

00:52:52,870 --> 00:52:50,240

there was no drugs no alcohol we were we

1393

00:52:54,150 --> 00:52:52,880

were wanting to be so focused when we

1394

00:52:56,549 --> 00:52:54,160

were up there

1395

00:52:58,549 --> 00:52:56,559

that like we made sure we got good sleep

1396

00:52:59,750 --> 00:52:58,559

and so because we wanted to be at our

1397

00:53:01,910 --> 00:52:59,760

sharpest

1398

00:53:03,589 --> 00:53:01,920

and not even doing that not even with

1399

00:53:04,950 --> 00:53:03,599

that preparation

1400

00:53:08,230 --> 00:53:04,960

could

1401

00:53:10,470 --> 00:53:08,240

trick that whatever that is

1402

00:53:12,549 --> 00:53:10,480

and you mentioned uh something i wanted

1403

00:53:14,390 --> 00:53:12,559

to mention is that yes the sensors that

1404

00:53:17,109 --> 00:53:14,400

we have set up around there went off

1405

00:53:19,990 --> 00:53:17,119

repeatedly i assumed it was you guys

1406

00:53:21,190 --> 00:53:20,000

but something i didn't tell you and this

1407

00:53:23,670 --> 00:53:21,200

is uh

1408

00:53:25,910 --> 00:53:23,680

odd is that

1409

00:53:28,230 --> 00:53:25,920

just a few days earlier uh cattle

1410

00:53:30,549 --> 00:53:28,240

mutilation had taken place near this

1411

00:53:34,710 --> 00:53:30,559

particular bend of the road

1412

00:53:36,150 --> 00:53:34,720

and um it was a young calf uh who had

1413

00:53:38,150 --> 00:53:36,160

been drained of blood and slit

1414

00:53:41,430 --> 00:53:38,160

surgically along the belly

1415

00:53:45,030 --> 00:53:41,440

and this this happens a lot so for you

1416

00:53:46,230 --> 00:53:45,040

know there is kind of a dangerous

1417

00:53:47,510 --> 00:53:46,240

angle

1418

00:53:49,109 --> 00:53:47,520

to

1419

00:53:50,870 --> 00:53:49,119

you know those that are just interested

1420

00:53:52,710 --> 00:53:50,880

in jumping out there camping wherever

1421

00:53:53,670 --> 00:53:52,720

doing what no

1422

00:53:55,670 --> 00:53:53,680

yeah

1423

00:53:57,430 --> 00:53:55,680

there's a dangerous angle you know we

1424

00:53:59,270 --> 00:53:57,440

don't know what some of these things

1425

00:54:01,670 --> 00:53:59,280

we're dealing with are and what they

1426
00:54:02,630 --> 00:54:01,680
might eventually lead up to

1427
00:54:04,710 --> 00:54:02,640
and

1428
00:54:06,790 --> 00:54:04,720
there at the base camp

1429
00:54:10,309 --> 00:54:06,800
at spacewolf research

1430
00:54:12,630 --> 00:54:10,319
it a lot like other properties nearby it

1431
00:54:13,430 --> 00:54:12,640
sat abandoned for many years

1432
00:54:14,950 --> 00:54:13,440
and

1433
00:54:17,589 --> 00:54:14,960
during one of those

1434
00:54:20,069 --> 00:54:17,599
times when it was abandoned

1435
00:54:22,470 --> 00:54:20,079
i don't know if you've heard of another

1436
00:54:25,190 --> 00:54:22,480
researcher named april slaughter i know

1437
00:54:28,069 --> 00:54:25,200
of three people who were with her

1438
00:54:30,710 --> 00:54:28,079

who claimed to have had well basically

1439

00:54:32,549 --> 00:54:30,720

all three of them had surgical implants

1440

00:54:34,470 --> 00:54:32,559

put in their nostrils and it was at

1441

00:54:37,670 --> 00:54:34,480

space wolf research

1442

00:54:39,349 --> 00:54:37,680

what the whoa okay hold on for one

1443

00:54:41,510 --> 00:54:39,359

second

1444

00:54:43,990 --> 00:54:41,520

i have

1445

00:54:47,190 --> 00:54:44,000

on my right bicep

1446

00:54:49,829 --> 00:54:47,200

two holes and i i will send this to you

1447

00:54:51,270 --> 00:54:49,839

i thought i got bit by something

1448

00:54:52,470 --> 00:54:51,280

i have two

1449

00:54:53,510 --> 00:54:52,480

holes

1450

00:54:56,069 --> 00:54:53,520

that

1451

00:54:59,430 --> 00:54:56,079

are about the size of bb's in my bicep

1452

00:55:02,069 --> 00:54:59,440

that i did not have prior to going onto

1453

00:55:04,710 --> 00:55:02,079

the property but are here now

1454

00:55:07,589 --> 00:55:04,720

and i can't explain them they're they're

1455

00:55:10,470 --> 00:55:07,599

now scarred but they're you can tell

1456

00:55:12,950 --> 00:55:10,480

they're very rare red so they're new

1457

00:55:15,349 --> 00:55:12,960

a huge i did not know that

1458

00:55:16,309 --> 00:55:15,359

that freaks me the

1459

00:55:19,190 --> 00:55:16,319

whoa

1460

00:55:21,910 --> 00:55:19,200

yeah these i mean i have the medical

1461

00:55:23,430 --> 00:55:21,920

records to back they they are backing up

1462

00:55:25,670 --> 00:55:23,440

their stories

1463

00:55:28,549 --> 00:55:25,680

one particular gentleman

1464

00:55:31,030 --> 00:55:28,559

he actually um

1465

00:55:32,710 --> 00:55:31,040

again they all claim to have had these

1466

00:55:34,710 --> 00:55:32,720

implants in their nostrils and one

1467

00:55:36,309 --> 00:55:34,720

particular gentleman died of brain

1468

00:55:38,870 --> 00:55:36,319

cancer so

1469

00:55:40,789 --> 00:55:38,880

oh my gosh and and that you know i

1470

00:55:42,630 --> 00:55:40,799

didn't find that out to the best of my

1471

00:55:44,630 --> 00:55:42,640

knowledge until after i purchased the

1472

00:55:46,309 --> 00:55:44,640

property i was always intrigued by their

1473

00:55:48,789 --> 00:55:46,319

story i remember

1474

00:55:50,870 --> 00:55:48,799

yeah super spooky kind of came full

1475

00:55:52,950 --> 00:55:50,880

circle and bit me in the butt because i

1476

00:55:55,589 --> 00:55:52,960

didn't know it took place there

1477

00:55:58,230 --> 00:55:55,599

so but that's not uncommon yeah man this

1478

00:56:00,230 --> 00:55:58,240

is very strange that you have i need to

1479

00:56:02,870 --> 00:56:00,240

send you these pictures in and you tell

1480

00:56:05,510 --> 00:56:02,880

me like i can't explain it but now i'll

1481

00:56:07,910 --> 00:56:05,520

tell you what as soon as this calls over

1482

00:56:10,390 --> 00:56:07,920

i'm gonna go get an x-ray because i'm

1483

00:56:12,549 --> 00:56:10,400

curious because it's they're bigger than

1484

00:56:13,430 --> 00:56:12,559

spider bites

1485

00:56:15,349 --> 00:56:13,440

they're

1486

00:56:16,710 --> 00:56:15,359

right next to each it's like i don't

1487

00:56:19,190 --> 00:56:16,720

know i don't know how to explain it but

1488

00:56:20,789 --> 00:56:19,200

now that you're saying that

1489

00:56:25,349 --> 00:56:20,799

what the

1490

00:56:26,870 --> 00:56:25,359

uh that's weird dude yeah man okay now

1491

00:56:28,549 --> 00:56:26,880

as we wrap up i know we're getting

1492

00:56:30,390 --> 00:56:28,559

towards the end here as we wrap up we're

1493

00:56:33,670 --> 00:56:30,400

probably going over a little but

1494

00:56:35,910 --> 00:56:33,680

you mentioned um like a wispy black mist

1495

00:56:38,150 --> 00:56:35,920

during parts of the time

1496

00:56:40,230 --> 00:56:38,160

and there's a special metaphysical

1497

00:56:42,630 --> 00:56:40,240

connection that

1498

00:56:46,390 --> 00:56:42,640

the native american lore has suggested

1499

00:56:47,270 --> 00:56:46,400

for a long time discussing exactly that

1500

00:56:51,589 --> 00:56:47,280

did

1501
00:56:54,069 --> 00:56:51,599
misty and and was it happening at

1502
00:56:56,069 --> 00:56:54,079
strange times

1503
00:56:58,150 --> 00:56:56,079
it was always happening

1504
00:56:59,510 --> 00:56:58,160
before

1505
00:57:01,990 --> 00:56:59,520
rocks

1506
00:57:04,470 --> 00:57:02,000
were happening so let's let's we were up

1507
00:57:06,309 --> 00:57:04,480
until probably four in the morning uh

1508
00:57:07,670 --> 00:57:06,319
that first friday

1509
00:57:09,109 --> 00:57:07,680
um

1510
00:57:11,829 --> 00:57:09,119
they would happen at different parts of

1511
00:57:14,309 --> 00:57:11,839
the property the best way i can explain

1512
00:57:16,950 --> 00:57:14,319
it is it like

1513
00:57:18,710 --> 00:57:16,960

it sounds so weird like

1514

00:57:22,150 --> 00:57:18,720

uh

1515

00:57:23,190 --> 00:57:22,160

kind of like a smoke but black but

1516

00:57:25,430 --> 00:57:23,200

not

1517

00:57:26,870 --> 00:57:25,440

like smoke it almost has like a texture

1518

00:57:29,190 --> 00:57:26,880

that

1519

00:57:31,190 --> 00:57:29,200

uh you know how cotton candy

1520

00:57:33,670 --> 00:57:31,200

is a weird like texture like have you

1521

00:57:37,430 --> 00:57:33,680

ever seen cotton candy being made yes

1522

00:57:38,549 --> 00:57:37,440

and it just blows this weird wispy

1523

00:57:43,270 --> 00:57:38,559

content

1524

00:57:45,910 --> 00:57:43,280

imagine that being black but manifesting

1525

00:57:47,990 --> 00:57:45,920

from the ground into about a four to

1526
00:57:49,990 --> 00:57:48,000
five foot

1527
00:57:53,430 --> 00:57:50,000
uh tall mass

1528
00:57:54,789 --> 00:57:53,440
but then with like whispering into

1529
00:57:56,870 --> 00:57:54,799
nothing

1530
00:57:58,549 --> 00:57:56,880
so it was it it had

1531
00:58:01,109 --> 00:57:58,559
form to it

1532
00:58:02,630 --> 00:58:01,119
it didn't look like smoke so you could

1533
00:58:05,030 --> 00:58:02,640
you could see through it but you could

1534
00:58:06,150 --> 00:58:05,040
tell it was kind of like uh

1535
00:58:07,030 --> 00:58:06,160
i just

1536
00:58:13,829 --> 00:58:07,040
i

1537
00:58:15,990 --> 00:58:13,839
float around and

1538
00:58:18,870 --> 00:58:16,000

manifest and shape like shift into

1539

00:58:21,190 --> 00:58:18,880

different things but then

1540

00:58:23,190 --> 00:58:21,200

just dissipate into nothing at the same

1541

00:58:25,510 --> 00:58:23,200

time man

1542

00:58:26,789 --> 00:58:25,520

it would take a take a form

1543

00:58:28,950 --> 00:58:26,799

enough to where you could see it and

1544

00:58:29,670 --> 00:58:28,960

then as soon as you almost identified it

1545

00:58:32,230 --> 00:58:29,680

and

1546

00:58:34,309 --> 00:58:32,240

acknowledged it it would

1547

00:58:35,910 --> 00:58:34,319

kind of like dissipate into something

1548

00:58:38,150 --> 00:58:35,920

else or go somewhere else and then you'd

1549

00:58:39,270 --> 00:58:38,160

see it in a different part so

1550

00:58:41,510 --> 00:58:39,280

i don't

1551
00:58:43,990 --> 00:58:41,520
know how to explain that i've never seen

1552
00:58:46,150 --> 00:58:44,000
anything like that so forgive my

1553
00:58:47,030 --> 00:58:46,160
my attempt

1554
00:58:50,710 --> 00:58:47,040
but

1555
00:58:53,030 --> 00:58:50,720
i unbelievable like you wouldn't

1556
00:58:53,670 --> 00:58:53,040
you wouldn't believe it unless you saw

1557
00:59:01,109 --> 00:58:53,680
it

1558
00:59:04,069 --> 00:59:01,119
i've ever

1559
00:59:06,150 --> 00:59:04,079
seen or experienced and all of us saw it

1560
00:59:07,349 --> 00:59:06,160
and it's weird because sometimes one

1561
00:59:09,190 --> 00:59:07,359
would see it

1562
00:59:10,470 --> 00:59:09,200
we'd pull our attention

1563
00:59:12,470 --> 00:59:10,480

and then no one else would see it and

1564

00:59:14,309 --> 00:59:12,480

they're like well now it's gone

1565

00:59:16,789 --> 00:59:14,319

so was it

1566

00:59:18,390 --> 00:59:16,799

playing to a particular person at a

1567

00:59:19,589 --> 00:59:18,400

particular time

1568

00:59:21,349 --> 00:59:19,599

but then there was times that we would

1569

00:59:22,230 --> 00:59:21,359

all see it

1570

00:59:23,430 --> 00:59:22,240

wow

1571

00:59:25,990 --> 00:59:23,440

man you know

1572

00:59:27,750 --> 00:59:26,000

do they have a name for that the native

1573

00:59:29,030 --> 00:59:27,760

americans is there a

1574

00:59:31,270 --> 00:59:29,040

name

1575

00:59:35,829 --> 00:59:31,280

well yes and

1576

00:59:38,069 --> 00:59:35,839

it is it goes uh into this this lore of

1577

00:59:39,829 --> 00:59:38,079

the trickster and uh

1578

00:59:42,150 --> 00:59:39,839

practitioners of the witchery way

1579

00:59:44,470 --> 00:59:42,160

becoming these shape-shifting

1580

00:59:46,390 --> 00:59:44,480

witches of the night and but you know

1581

00:59:48,710 --> 00:59:46,400

every culture even the middle eastern

1582

00:59:50,630 --> 00:59:48,720

culture you know describes the gin in a

1583

00:59:52,150 --> 00:59:50,640

very similar way these shape shifters

1584

00:59:54,549 --> 00:59:52,160

that can just kind of manifest from

1585

00:59:57,910 --> 00:59:54,559

nothing and then d manifest

1586

01:00:00,710 --> 00:59:57,920

right and there you go it curiously man

1587

01:00:03,829 --> 01:00:00,720

curiously resembles so many things that

1588

01:00:06,390 --> 01:00:03,839

i i'll have to get into another time

1589

01:00:08,549 --> 01:00:06,400

but okay you've uh man you've you've

1590

01:00:10,870 --> 01:00:08,559

shared such intimate and intriguing

1591

01:00:13,510 --> 01:00:10,880

glimpses into your research

1592

01:00:15,750 --> 01:00:13,520

and uh your own adventures

1593

01:00:17,510 --> 01:00:15,760

let's tell the listeners one more time

1594

01:00:19,270 --> 01:00:17,520

where they can follow paranoises how

1595

01:00:21,270 --> 01:00:19,280

they can follow what you have going on

1596

01:00:24,549 --> 01:00:21,280

and stay in touch with you

1597

01:00:27,030 --> 01:00:24,559

uh i would say just paranosis.com and

1598

01:00:28,950 --> 01:00:27,040

then any social media we're just we're

1599

01:00:31,589 --> 01:00:28,960

paranosis um

1600

01:00:33,910 --> 01:00:31,599

and i wanna i wanna leave on this note

1601
01:00:37,109 --> 01:00:33,920
if we're okay with that

1602
01:00:38,390 --> 01:00:37,119
thank you ryan and thank spacewolf

1603
01:00:41,270 --> 01:00:38,400
research

1604
01:00:43,670 --> 01:00:41,280
uh for allowing this to happen

1605
01:00:46,069 --> 01:00:43,680
um and for anybody listening

1606
01:00:48,789 --> 01:00:46,079
go through the right

1607
01:00:51,270 --> 01:00:48,799
channels if you're ever up there don't

1608
01:00:53,829 --> 01:00:51,280
just take it upon yourself to go

1609
01:00:56,549 --> 01:00:53,839
pull off respect

1610
01:00:58,150 --> 01:00:56,559
people's property and respect the fact

1611
01:01:05,349 --> 01:00:58,160
that

1612
01:01:07,829 --> 01:01:05,359
unexplainable so proceed with caution

1613
01:01:09,990 --> 01:01:07,839

but always get permission and always go

1614

01:01:12,150 --> 01:01:10,000

through the right channels it's worth

1615

01:01:13,829 --> 01:01:12,160

your safety and

1616

01:01:15,510 --> 01:01:13,839

like i said it's we don't know what

1617

01:01:18,230 --> 01:01:15,520

we're dealing with so

1618

01:01:20,710 --> 01:01:18,240

it's for your own good

1619

01:01:21,990 --> 01:01:20,720

don't just go up there and say hey

1620

01:01:26,549 --> 01:01:22,000

here i am

1621

01:01:28,390 --> 01:01:26,559

because you will i i i yeah i'm just

1622

01:01:30,710 --> 01:01:28,400

gonna leave it at that

1623

01:01:32,789 --> 01:01:30,720

just don't do it perfectly explained

1624

01:01:35,030 --> 01:01:32,799

brother and thank you so much for coming

1625

01:01:37,430 --> 01:01:35,040

on you're a master of your craft and i

1626

01:01:38,870 --> 01:01:37,440

always love talking to you and uh can't

1627

01:01:41,190 --> 01:01:38,880

wait to have you back

1628

01:01:43,430 --> 01:01:41,200

talk again sometime again thank you so

1629

01:01:45,750 --> 01:01:43,440

much i appreciate everything

1630

01:01:47,750 --> 01:01:45,760

man oh man what a great conversation

1631

01:01:51,190 --> 01:01:47,760

what a great guy master hypnotist

1632

01:01:53,270 --> 01:01:51,200

paranormal investigator vincent lourdes

1633

01:01:56,069 --> 01:01:53,280

he's still mystifying

1634

01:01:59,190 --> 01:01:56,079

everybody with his research his depth of

1635

01:02:01,190 --> 01:01:59,200

knowledge of the human mind he is a true

1636

01:02:03,510 --> 01:02:01,200

asset to the paranormal community and

1637

01:02:05,910 --> 01:02:03,520

research in general definitely follow

1638

01:02:07,270 --> 01:02:05,920

paragnosis and everything they have

1639

01:02:09,589 --> 01:02:07,280

going on

1640

01:02:12,870 --> 01:02:09,599

and i can't stress enough that many of

1641

01:02:15,990 --> 01:02:12,880

these areas in these liminal spaces have

1642

01:02:17,109 --> 01:02:16,000

a lot going on and there are security

1643

01:02:19,829 --> 01:02:17,119

dangers

1644

01:02:21,910 --> 01:02:19,839

there are uh very real paranormal

1645

01:02:23,349 --> 01:02:21,920

dangers and things that just can't be

1646

01:02:25,190 --> 01:02:23,359

explained

1647

01:02:27,430 --> 01:02:25,200

thank you for listening and if you want
