

# NPCs, Matrix Theory, and Plato's Cave

**Juan Ayala**

1  
00:00:02,360 --> 00:00:13,669

[Music]

2  
00:00:18,460 --> 00:00:14,870

blast off

3  
00:00:18,470 --> 00:00:26,870

[Music]

4  
00:00:33,110 --> 00:00:30,550  
blast off on another epic episode of

5  
00:00:36,549 --> 00:00:33,120  
hero paranormal podcast the hyper

6  
00:00:39,190 --> 00:00:36,559  
anomalous esoteric research organization

7  
00:00:41,590 --> 00:00:39,200  
podcast coming at you once again

8  
00:00:45,029 --> 00:00:41,600  
broadcasting from the base at la madre

9  
00:00:46,310 --> 00:00:45,039  
mountain just south of area 51 my name

10  
00:00:49,430 --> 00:00:46,320  
is ryan

11  
00:00:52,549 --> 00:00:49,440  
the anomalous ambassador of the airwaves

12  
00:00:54,790 --> 00:00:52,559  
bringing you an epic episode today

13  
00:00:56,229 --> 00:00:54,800

on today's podcast we have the very

14

00:00:59,990 --> 00:00:56,239

dynamic

15

00:01:02,869 --> 00:01:00,000

and well-known podcast host juan ayala

16

00:01:05,189 --> 00:01:02,879

from the juan on juan podcast

17

00:01:07,990 --> 00:01:05,199

juan has been delving into the study of

18

00:01:10,469 --> 00:01:08,000

conspiracy for quite some time

19

00:01:13,190 --> 00:01:10,479

and brings a proverbial toolbox of

20

00:01:16,149 --> 00:01:13,200

treasure to our conversation today

21

00:01:18,710 --> 00:01:16,159

the evolution of podcast researchers has

22

00:01:21,590 --> 00:01:18,720

shown that people like juan ayala

23

00:01:23,350 --> 00:01:21,600

not only consistently philosophize with

24

00:01:24,310 --> 00:01:23,360

the best and brightest minds in the

25

00:01:27,910 --> 00:01:24,320

field

26

00:01:31,429 --> 00:01:27,920

but he has become very well versed in

27

00:01:33,270 --> 00:01:31,439

the symbols secrets and significance of

28

00:01:36,550 --> 00:01:33,280

the esoteric

29

00:01:39,749 --> 00:01:36,560

whether it's aliens bigfoot ufos or the

30

00:01:42,469 --> 00:01:39,759

occult juana yala has continually

31

00:01:44,710 --> 00:01:42,479

stepped beyond the veil of belief

32

00:01:45,830 --> 00:01:44,720

to answer the difficult questions of our

33

00:01:48,389 --> 00:01:45,840

time

34

00:01:51,429 --> 00:01:48,399

the evolution and lateralization of

35

00:01:53,830 --> 00:01:51,439

conspiracy theories becoming reality

36

00:01:57,030 --> 00:01:53,840

have shown us that preparing for the new

37

00:01:59,109 --> 00:01:57,040

realities and existences begin in a

38

00:02:02,469 --> 00:01:59,119

quest for understanding

39

00:02:06,149 --> 00:02:02,479

we have our light bearer of esoteric

40

00:02:09,270 --> 00:02:06,159

questioning a beacon of podcast magic

41

00:02:11,270 --> 00:02:09,280

and unifier of conspiratorial theories

42

00:02:14,470 --> 00:02:11,280

juana yala welcome to the hero

43

00:02:16,150 --> 00:02:14,480

paranormal podcast

44

00:02:18,150 --> 00:02:16,160

yeah what a hell of an intro bro that's

45

00:02:20,390 --> 00:02:18,160

the best intro i've ever had in my life

46

00:02:22,710 --> 00:02:20,400

thanks man well deserved bro well

47

00:02:25,430 --> 00:02:22,720

deserved i've been i've been listening

48

00:02:27,430 --> 00:02:25,440

to a lot of what you've got going on man

49

00:02:29,750 --> 00:02:27,440

and i'm loving it

50

00:02:33,350 --> 00:02:29,760

and i i couldn't think of anybody better

51  
00:02:35,350 --> 00:02:33,360  
to talk to about a lot of the weird

52  
00:02:36,390 --> 00:02:35,360  
things taking place

53  
00:02:38,150 --> 00:02:36,400  
recently

54  
00:02:41,270 --> 00:02:38,160  
i mean it's all over the map we could

55  
00:02:42,550 --> 00:02:41,280  
start just about anywhere have you been

56  
00:02:44,229 --> 00:02:42,560  
i've been doing all right bro i know

57  
00:02:46,710 --> 00:02:44,239  
it's been a minute since we were last

58  
00:02:48,229 --> 00:02:46,720  
since we last talked i know we've been

59  
00:02:49,750 --> 00:02:48,239  
here and again we always exchange a

60  
00:02:52,869 --> 00:02:49,760  
message or two

61  
00:02:55,110 --> 00:02:52,879  
about whatever is if i'm watching a new

62  
00:02:56,390 --> 00:02:55,120  
tv show on skinwalker or whatever i'll

63  
00:02:58,229 --> 00:02:56,400

ask you a question like hey what's up

64

00:03:00,070 --> 00:02:58,239

with this or something but i've been

65

00:03:02,790 --> 00:03:00,080

good man you know how it is that dad

66

00:03:04,390 --> 00:03:02,800

life busy been hitting the books lately

67

00:03:06,869 --> 00:03:04,400

been doing a lot of research

68

00:03:09,670 --> 00:03:06,879

and just really filling up my

69

00:03:11,670 --> 00:03:09,680

my mind palace so just weird trinkets

70

00:03:14,390 --> 00:03:11,680

and and little things here that i love

71

00:03:16,790 --> 00:03:14,400

to bring up on in conversations awesome

72

00:03:19,910 --> 00:03:16,800

man yeah i like that it's it's getting

73

00:03:21,990 --> 00:03:19,920

weird i'll tell you what the uh

74

00:03:25,350 --> 00:03:22,000

gosh i've been i've been delving into

75

00:03:27,110 --> 00:03:25,360

npcs and skull and bones and all these

76

00:03:29,270 --> 00:03:27,120

other strange things that seem to be

77

00:03:31,190 --> 00:03:29,280

taking place politically even though i

78

00:03:32,470 --> 00:03:31,200

try not to be political it's just it's

79

00:03:34,470 --> 00:03:32,480

hard not to

80

00:03:36,229 --> 00:03:34,480

when the playbook seems like it's just

81

00:03:39,270 --> 00:03:36,239

you know just another page out of the

82

00:03:43,830 --> 00:03:42,390

i agree and i think it all goes back

83

00:03:45,990 --> 00:03:43,840

it's always connected to the occult

84

00:03:48,229 --> 00:03:46,000

unfortunately what these guys are doing

85

00:03:51,030 --> 00:03:48,239

and what these people are falling

86

00:03:52,390 --> 00:03:51,040

into right it's the what gustavo bond

87

00:03:53,990 --> 00:03:52,400

calls the

88

00:04:00,309 --> 00:03:54,000

the

89

00:04:01,830 --> 00:04:00,319

i've

90

00:04:04,309 --> 00:04:01,840

it's a topic where i haven't actually

91

00:04:06,630 --> 00:04:04,319

studied but i've learned so much about

92

00:04:09,270 --> 00:04:06,640

the fabric of reality that you can

93

00:04:10,869 --> 00:04:09,280

use it and and i can talk about it with

94

00:04:12,789 --> 00:04:10,879

bits and pieces of different things that

95

00:04:14,789 --> 00:04:12,799

i've talked about and that i know about

96

00:04:16,629 --> 00:04:14,799

and it goes deep bro i mean it really

97

00:04:17,590 --> 00:04:16,639

does the whole npc thing

98

00:04:18,949 --> 00:04:17,600

and

99

00:04:20,469 --> 00:04:18,959

yeah absolutely but it does get

100

00:04:21,349 --> 00:04:20,479

political

101  
00:04:22,790 --> 00:04:21,359  
so

102  
00:04:25,430 --> 00:04:22,800  
if you're offended by that i mean i

103  
00:04:26,710 --> 00:04:25,440  
don't i think both sides are lizards so

104  
00:04:29,110 --> 00:04:26,720  
it doesn't really matter to me you know

105  
00:04:31,590 --> 00:04:29,120  
what i mean but some people live

106  
00:04:33,110 --> 00:04:31,600  
eat breed this type of stuff and it's

107  
00:04:35,510 --> 00:04:33,120  
what they call identity politics right

108  
00:04:37,510 --> 00:04:35,520  
when you identify with a certain party

109  
00:04:39,350 --> 00:04:37,520  
or a certain group i mean that's a cult

110  
00:04:40,469 --> 00:04:39,360  
at the end of the day it's a cult all

111  
00:04:42,629 --> 00:04:40,479  
right it's nothing it's nothing

112  
00:04:44,469 --> 00:04:42,639  
different than a cult so

113  
00:04:45,990 --> 00:04:44,479

if people take offense to it or whatever

114

00:04:47,990 --> 00:04:46,000

i think they're all lizards and they're

115

00:04:49,430 --> 00:04:48,000

all playing you and it's one thing to

116

00:04:51,430 --> 00:04:49,440

know that you're in a game versus to

117

00:04:54,550 --> 00:04:51,440

know to not know you're in a game and

118

00:04:57,030 --> 00:04:54,560

that that i think is the

119

00:04:59,670 --> 00:04:57,040

the answer to this whole thing

120

00:05:01,510 --> 00:04:59,680

yeah man it it does seem a lot like a

121

00:05:04,230 --> 00:05:01,520

video game and

122

00:05:07,670 --> 00:05:04,240

i mean just recent stuff with uh i don't

123

00:05:10,710 --> 00:05:07,680

know if it's cern or what's going on but

124

00:05:14,070 --> 00:05:10,720

facts that i was so sure of or no longer

125

00:05:15,990 --> 00:05:14,080

the facts i was so sure of it's it's uh

126  
00:05:17,670 --> 00:05:16,000  
where do we want to kick this off where

127  
00:05:19,270 --> 00:05:17,680  
do we want to uh

128  
00:05:21,270 --> 00:05:19,280  
take this

129  
00:05:24,310 --> 00:05:21,280  
so i wanted to start with it because the

130  
00:05:25,909 --> 00:05:24,320  
whole thing npcs and i you had hit me up

131  
00:05:27,350 --> 00:05:25,919  
you want to talk about it i think you

132  
00:05:29,430 --> 00:05:27,360  
might have listened to

133  
00:05:30,790 --> 00:05:29,440  
an episode where i mentioned it where i

134  
00:05:32,310 --> 00:05:30,800  
forgot who else i think i was talking to

135  
00:05:33,350 --> 00:05:32,320  
emily moyer or somebody i was talking to

136  
00:05:35,749 --> 00:05:33,360  
somebody

137  
00:05:37,350 --> 00:05:35,759  
and i brought up the idea that there are

138  
00:05:39,110 --> 00:05:37,360

people who

139

00:05:41,029 --> 00:05:39,120

seem like empty vessels but what's

140

00:05:42,230 --> 00:05:41,039

really done it for me what really did it

141

00:05:43,270 --> 00:05:42,240

for me

142

00:05:45,189 --> 00:05:43,280

is

143

00:05:46,950 --> 00:05:45,199

just how we want to know about bigfoot

144

00:05:49,830 --> 00:05:46,960

we want to know about the skinwalker we

145

00:05:51,990 --> 00:05:49,840

want to know about all these cryptids

146

00:05:54,550 --> 00:05:52,000

but we can never get it on camera right

147

00:05:57,189 --> 00:05:54,560

we can never it's always a it's elusive

148

00:06:01,189 --> 00:05:57,199

it always eludes us no matter what we do

149

00:06:03,749 --> 00:06:01,199

and given the social media platforms

150

00:06:05,350 --> 00:06:03,759

given technology given all these things

151  
00:06:07,029 --> 00:06:05,360  
as it expands

152  
00:06:08,950 --> 00:06:07,039  
we have more eyes on the ground there

153  
00:06:10,870 --> 00:06:08,960  
are more trail cams in the woods

154  
00:06:12,469 --> 00:06:10,880  
nowadays than there have ever been since

155  
00:06:13,590 --> 00:06:12,479  
since the beginning of time right this

156  
00:06:15,510 --> 00:06:13,600  
that's how it's going it's going to

157  
00:06:16,790 --> 00:06:15,520  
continue to be that way so at one point

158  
00:06:18,629 --> 00:06:16,800  
in time you're going to catch something

159  
00:06:21,830 --> 00:06:18,639  
weird i've had personal friends who have

160  
00:06:24,070 --> 00:06:21,840  
caught weird things on trail cams okay

161  
00:06:26,070 --> 00:06:24,080  
i've had friends that have caught weird

162  
00:06:28,629 --> 00:06:26,080  
individuals on trail cams and just weird

163  
00:06:30,550 --> 00:06:28,639

looking things if it is a glitch or a

164

00:06:32,469 --> 00:06:30,560

bug or something who knows because

165

00:06:34,070 --> 00:06:32,479

that's the beauty of it right the this

166

00:06:36,790 --> 00:06:34,080

enigmatic thing that pops up you're like

167

00:06:39,749 --> 00:06:36,800

wow that's a bigfoot maybe or maybe it

168

00:06:42,550 --> 00:06:39,759

was a deer walking on two legs who knows

169

00:06:44,309 --> 00:06:42,560

right so what did it for me was i i

170

00:06:46,870 --> 00:06:44,319

think i spoke to you about it where it

171

00:06:48,550 --> 00:06:46,880

was these videos on tick tock of all

172

00:06:52,309 --> 00:06:48,560

platforms right

173

00:06:55,189 --> 00:06:52,319

there are various videos about the skin

174

00:06:56,629 --> 00:06:55,199

walker and sometimes it's like a creepy

175

00:06:58,629 --> 00:06:56,639

pasta type of thing sometimes you'll be

176

00:07:00,550 --> 00:06:58,639

up there on tick tock late at night

177

00:07:02,390 --> 00:07:00,560

you'll have this freaky video pop up and

178

00:07:04,710 --> 00:07:02,400

a lot of the ones that popped up was

179

00:07:07,510 --> 00:07:04,720

uh one in particular this girl was on a

180

00:07:09,270 --> 00:07:07,520

horse a girl or a guy was on a horse and

181

00:07:11,110 --> 00:07:09,280

you know animals have this

182

00:07:13,110 --> 00:07:11,120

sixth sense type of thing and the ant

183

00:07:14,550 --> 00:07:13,120

the horse was freaking out

184

00:07:16,309 --> 00:07:14,560

freaking out like hey i don't want to go

185

00:07:17,510 --> 00:07:16,319

there and it was like creepy music so

186

00:07:19,270 --> 00:07:17,520

i'm like okay that's kind of weird then

187

00:07:21,749 --> 00:07:19,280

they show this other one

188

00:07:24,950 --> 00:07:21,759

where it's a guy screaming

189

00:07:28,870 --> 00:07:24,960

like help me like but the way that the

190

00:07:30,390 --> 00:07:28,880

mannerisms of the of the the guy are

191

00:07:33,430 --> 00:07:30,400

really weird it's

192

00:07:36,309 --> 00:07:33,440

like like an automatic help me you know

193

00:07:38,150 --> 00:07:36,319

like hello sir you know i'm a robot that

194

00:07:39,670 --> 00:07:38,160

type of thing and we know that the skin

195

00:07:42,550 --> 00:07:39,680

walker

196

00:07:44,469 --> 00:07:42,560

does this type of thing it can't emulate

197

00:07:47,749 --> 00:07:44,479

there's something about right the

198

00:07:50,070 --> 00:07:47,759

uncanny valley which with technology

199

00:07:51,749 --> 00:07:50,080

when you see all these shows like the i

200

00:07:53,189 --> 00:07:51,759

always get the name on the love sex and

201  
00:07:54,869 --> 00:07:53,199  
robot show i forgot that i forget the

202  
00:07:57,589 --> 00:07:54,879  
name love death and robot something like

203  
00:08:00,790 --> 00:07:57,599  
that on netflix yeah lizards it's all

204  
00:08:03,510 --> 00:08:00,800  
animated but the animations ryan are so

205  
00:08:04,629 --> 00:08:03,520  
realistic that i have to look

206  
00:08:05,670 --> 00:08:04,639  
to see

207  
00:08:11,189 --> 00:08:05,680  
what

208  
00:08:13,029 --> 00:08:11,199  
mannerism was off about that animation

209  
00:08:15,189 --> 00:08:13,039  
to tell my brain that hey that's an

210  
00:08:17,270 --> 00:08:15,199  
animation that's not a real thing

211  
00:08:19,270 --> 00:08:17,280  
that's how well technology has gone

212  
00:08:21,270 --> 00:08:19,280  
that's what elon musk talks about when

213  
00:08:24,309 --> 00:08:21,280

he says that video games are going to be

214

00:08:26,550 --> 00:08:24,319

indistinguishable from reality here come

215

00:08:28,390 --> 00:08:26,560

10 15 more years

216

00:08:30,869 --> 00:08:28,400

so when i'm watching these animations

217

00:08:33,430 --> 00:08:30,879

and they are spot on it's taking me

218

00:08:34,870 --> 00:08:33,440

minutes to understand

219

00:08:36,550 --> 00:08:34,880

what is happening

220

00:08:38,949 --> 00:08:36,560

like wait a minute is this what this is

221

00:08:41,589 --> 00:08:38,959

supposed to be a fully animated show why

222

00:08:43,190 --> 00:08:41,599

are they showing real footage oh there

223

00:08:45,350 --> 00:08:43,200

it goes that's that that was fake now

224

00:08:47,350 --> 00:08:45,360

now i know it's an animation i've com i

225

00:08:48,949 --> 00:08:47,360

have to confirm it for myself that it's

226

00:08:51,350 --> 00:08:48,959

an animation

227

00:08:53,829 --> 00:08:51,360

and when we get to that point

228

00:08:55,509 --> 00:08:53,839

that says a lot because that's why i

229

00:08:57,990 --> 00:08:55,519

talk about the occult because i want to

230

00:09:00,550 --> 00:08:58,000

be able to understand it and to analyze

231

00:09:02,790 --> 00:09:00,560

it and to spot it when it's going on

232

00:09:04,150 --> 00:09:02,800

right because these people there are

233

00:09:05,509 --> 00:09:04,160

various forms where you can take with

234

00:09:07,430 --> 00:09:05,519

this whole npc thing that's why i love

235

00:09:08,389 --> 00:09:07,440

it so much because

236

00:09:11,269 --> 00:09:08,399

some people

237

00:09:12,070 --> 00:09:11,279

say you can transform into an npc later

238

00:09:14,389 --> 00:09:12,080

on

239

00:09:15,590 --> 00:09:14,399

uh by giving up your soul us

240

00:09:17,990 --> 00:09:15,600

eventually

241

00:09:19,590 --> 00:09:18,000

your soul dissolves right and they take

242

00:09:21,509 --> 00:09:19,600

it away from you by the indoctrination

243

00:09:23,430 --> 00:09:21,519

by the foods that you eat by what you

244

00:09:25,350 --> 00:09:23,440

inject in your body by all these things

245

00:09:28,070 --> 00:09:25,360

that we consume on a daily basis

246

00:09:29,670 --> 00:09:28,080

eventually just become a hollow shell

247

00:09:30,949 --> 00:09:29,680

so back to this tick tock thing where

248

00:09:33,030 --> 00:09:30,959

they're showing

249

00:09:34,870 --> 00:09:33,040

skin walker videos there's been a few

250

00:09:36,630 --> 00:09:34,880

creepy ones of people screaming and i

251

00:09:39,030 --> 00:09:36,640

know foxes sound

252

00:09:41,190 --> 00:09:39,040

like people screaming and in the night

253

00:09:43,110 --> 00:09:41,200

in the woods i've been in the woods when

254

00:09:45,030 --> 00:09:43,120

there's owls around bro they sound like

255

00:09:47,990 --> 00:09:45,040

they're having a conversation they're

256

00:09:50,150 --> 00:09:48,000

having a gibberish conversation like oh

257

00:09:51,910 --> 00:09:50,160

like all this crazy stuff one time i was

258

00:09:52,870 --> 00:09:51,920

in a blind with a buddy of mine i'm like

259

00:09:54,949 --> 00:09:52,880

dude

260

00:09:56,150 --> 00:09:54,959

what in the heck is that he's like nah

261

00:09:58,230 --> 00:09:56,160

dude don't worry about it it's just just

262

00:09:59,990 --> 00:09:58,240

alice just owls are you just not a skin

263

00:10:01,990 --> 00:10:00,000

walker out there bro you know i mean

264

00:10:03,430 --> 00:10:02,000

like we're in the florida swamps i'm

265

00:10:05,269 --> 00:10:03,440

sure there's got to be a skunk game or

266

00:10:07,509 --> 00:10:05,279

something around here so

267

00:10:09,590 --> 00:10:07,519

you know weird things so these things

268

00:10:11,110 --> 00:10:09,600

can be faked but the ones that really

269

00:10:14,310 --> 00:10:11,120

freak me out

270

00:10:17,190 --> 00:10:14,320

on the topic of npcs is when people

271

00:10:20,389 --> 00:10:17,200

they record other people

272

00:10:21,829 --> 00:10:20,399

and their again their mannerisms are off

273

00:10:24,630 --> 00:10:21,839

the way that they talk the way that they

274

00:10:27,030 --> 00:10:24,640

converse the look in their eyes is off

275

00:10:28,230 --> 00:10:27,040

and there is one in particular and again

276

00:10:30,150 --> 00:10:28,240

it can be

277

00:10:31,990 --> 00:10:30,160

regular people just being weirdos who

278

00:10:34,949 --> 00:10:32,000

knows but there was one in particular

279

00:10:37,030 --> 00:10:34,959

was a black guy and it was two cops

280

00:10:38,630 --> 00:10:37,040

and the cops came up to him

281

00:10:40,470 --> 00:10:38,640

and we know the whole thing going on

282

00:10:41,430 --> 00:10:40,480

nowadays we're not to get political but

283

00:10:43,190 --> 00:10:41,440

we're going to get maybe a little

284

00:10:44,630 --> 00:10:43,200

political here

285

00:10:46,069 --> 00:10:44,640

they came up to him and he's asking hey

286

00:10:47,590 --> 00:10:46,079

like what's going on what are you guys

287

00:10:50,150 --> 00:10:47,600

bothering me about and they're like no

288

00:10:51,829 --> 00:10:50,160

you can you can go about your day

289

00:10:53,030 --> 00:10:51,839

he's like dude what are you what are you

290

00:10:54,310 --> 00:10:53,040

guys like are you guys going to ask me

291

00:10:55,750 --> 00:10:54,320

something am i doing something like no

292

00:10:57,190 --> 00:10:55,760

you can you can go about your day and

293

00:10:59,750 --> 00:10:57,200

they're just like standing around like

294

00:11:03,350 --> 00:10:59,760

you know again the whole npc thing comes

295

00:11:05,750 --> 00:11:03,360

i'm a nerd so i play mmorpgs i play

296

00:11:08,069 --> 00:11:05,760

world of warcraft rf online

297

00:11:10,550 --> 00:11:08,079

uh whatever other first person shooters

298

00:11:13,110 --> 00:11:10,560

i play various games throughout the year

299

00:11:15,590 --> 00:11:13,120

so throughout my life so i am

300

00:11:18,389 --> 00:11:15,600

i understand the

301  
00:11:21,269 --> 00:11:18,399  
the universe the the aspects of

302  
00:11:23,030 --> 00:11:21,279  
online role-playing games and an npc is

303  
00:11:24,870 --> 00:11:23,040  
a non-player character for those that

304  
00:11:26,310 --> 00:11:24,880  
aren't familiar who've never played a

305  
00:11:28,470 --> 00:11:26,320  
video against people who don't you know

306  
00:11:30,630 --> 00:11:28,480  
sometimes i i expect you to do the same

307  
00:11:33,350 --> 00:11:30,640  
things i do but an npc is a non-player

308  
00:11:35,350 --> 00:11:33,360  
character it is a character in a game

309  
00:11:38,069 --> 00:11:35,360  
that is controlled by the

310  
00:11:40,230 --> 00:11:38,079  
system itself by the algorithm itself

311  
00:11:42,310 --> 00:11:40,240  
not controlled by the player and usually

312  
00:11:44,069 --> 00:11:42,320  
these these quote-unquote players are

313  
00:11:45,190 --> 00:11:44,079

there for texture they're there to fill

314

00:11:46,949 --> 00:11:45,200

the void

315

00:11:49,910 --> 00:11:46,959

and for the longest time i don't game

316

00:11:51,230 --> 00:11:49,920

anymore but for the longest time

317

00:11:54,550 --> 00:11:51,240

when i would play

318

00:11:56,389 --> 00:11:54,560

non-online games where i was just myself

319

00:11:59,670 --> 00:11:56,399

like solo single player

320

00:12:01,990 --> 00:11:59,680

and these npcs i'd feel lonely bro

321

00:12:04,310 --> 00:12:02,000

in this universe in the universe of the

322

00:12:06,710 --> 00:12:04,320

game i'd be playing it and i feel so

323

00:12:08,389 --> 00:12:06,720

lonely like running around because i

324

00:12:11,110 --> 00:12:08,399

know i'm the only

325

00:12:12,870 --> 00:12:11,120

person in there i'm the only person in

326

00:12:15,670 --> 00:12:12,880

and i'm interacting with

327

00:12:17,269 --> 00:12:15,680

robots with synthetic humanoids whatever

328

00:12:20,310 --> 00:12:17,279

you want to call them so these npcs are

329

00:12:23,110 --> 00:12:20,320

there for texture they're they have

330

00:12:25,190 --> 00:12:23,120

generic dialogues they only they only do

331

00:12:27,509 --> 00:12:25,200

what they're programmed to do and they

332

00:12:28,310 --> 00:12:27,519

only say what they're programmed to say

333

00:12:32,069 --> 00:12:28,320

so

334

00:12:38,790 --> 00:12:33,350

the

335

00:12:41,269 --> 00:12:38,800

came to fruition and

336

00:12:44,150 --> 00:12:41,279

the mpc the wojack the original one from

337

00:12:46,710 --> 00:12:44,160

2009 or 2006

338

00:12:48,310 --> 00:12:46,720

is the the i think the feels guy so it's

339

00:12:51,110 --> 00:12:48,320

like an animated it was made on

340

00:12:53,910 --> 00:12:51,120

microsoft paints like the round-headed

341

00:12:54,949 --> 00:12:53,920

uh almost stoic like face it's a meme if

342

00:12:57,590 --> 00:12:54,959

you see it you know what i'm going to

343

00:13:00,790 --> 00:12:57,600

talk about so wojack meme and they named

344

00:13:03,829 --> 00:13:00,800

this one the npc wojack so it's like a a

345

00:13:05,190 --> 00:13:03,839

spin on that and don't get me started on

346

00:13:07,030 --> 00:13:05,200

memes i think that's i think they're

347

00:13:08,150 --> 00:13:07,040

sigils i think it's magic right but i've

348

00:13:10,389 --> 00:13:08,160

heard of it

349

00:13:12,870 --> 00:13:10,399

referred to memetic occultism where they

350

00:13:15,110 --> 00:13:12,880

use propaganda to speak to people's

351

00:13:16,790 --> 00:13:15,120

souls and this is how you get

352

00:13:18,710 --> 00:13:16,800

what plato was talking about in the

353

00:13:20,949 --> 00:13:18,720

republic where the arts

354

00:13:23,590 --> 00:13:20,959

and sounds and frequencies talk to

355

00:13:24,949 --> 00:13:23,600

people's souls so he wanted to stop that

356

00:13:27,829 --> 00:13:24,959

he wanted to

357

00:13:29,269 --> 00:13:27,839

draw back on that and tone it down have

358

00:13:31,829 --> 00:13:29,279

certain instruments that only played

359

00:13:33,750 --> 00:13:31,839

certain notes and certain frequencies

360

00:13:35,670 --> 00:13:33,760

because he understood that if these

361

00:13:37,590 --> 00:13:35,680

plays and these things

362

00:13:39,430 --> 00:13:37,600

inspired people they would be more

363

00:13:42,230 --> 00:13:39,440

susceptible to breaking out of the

364

00:13:43,990 --> 00:13:42,240

system right breaking out and rebelling

365

00:13:46,870 --> 00:13:44,000

against the authorities

366

00:13:50,069 --> 00:13:46,880

and you have plato who with plato's cave

367

00:13:52,069 --> 00:13:50,079

right the the allegory of

368

00:13:55,110 --> 00:13:52,079

only understanding what's presented to

369

00:13:57,670 --> 00:13:55,120

you and that is your reality that is

370

00:13:59,670 --> 00:13:57,680

what you have the prisoners in the cave

371

00:14:01,670 --> 00:13:59,680

and they're seeing the shadows on the

372

00:14:04,150 --> 00:14:01,680

walls and they interpret that as reality

373

00:14:07,509 --> 00:14:04,160

and this plays a role into the whole npc

374

00:14:09,590 --> 00:14:07,519

thing because you can't have the npc

375

00:14:12,389 --> 00:14:09,600

idea without having the simulation

376

00:14:14,870 --> 00:14:12,399

argument because i think it plays

377

00:14:16,870 --> 00:14:14,880

one in one now

378

00:14:18,870 --> 00:14:16,880

when i was seeing these videos of people

379

00:14:20,629 --> 00:14:18,880

acting weird

380

00:14:22,150 --> 00:14:20,639

for fun you go hey

381

00:14:24,310 --> 00:14:22,160

that's an npc

382

00:14:26,310 --> 00:14:24,320

it's a person with a blank stare not a

383

00:14:29,110 --> 00:14:26,320

thought behind those eyes they're just

384

00:14:31,910 --> 00:14:29,120

here to work they're part of the system

385

00:14:35,269 --> 00:14:31,920

and that's it right

386

00:14:37,750 --> 00:14:35,279

this this wojack meme

387

00:14:41,269 --> 00:14:37,760

got so popular

388

00:14:44,069 --> 00:14:41,279

that even elon musk had tweeted a copy

389

00:14:46,310 --> 00:14:44,079

uh an iteration of the wojack meme you

390

00:14:49,030 --> 00:14:46,320

have donald trump

391

00:14:50,310 --> 00:14:49,040

tweeting an infowars

392

00:14:52,069 --> 00:14:50,320

contest

393

00:14:54,790 --> 00:14:52,079

of this thing as well

394

00:14:57,670 --> 00:14:54,800

and it got so bad to the point where

395

00:14:59,910 --> 00:14:57,680

there were npcs on twitter and twitter

396

00:15:01,430 --> 00:14:59,920

went on a banning screen in 2018 and

397

00:15:03,509 --> 00:15:01,440

even as as

398

00:15:05,509 --> 00:15:03,519

as late as this year

399

00:15:07,350 --> 00:15:05,519

there there was a resurgence of this

400

00:15:08,870 --> 00:15:07,360

meme so

401  
00:15:10,389 --> 00:15:08,880  
it's almost like ceremonial magic it

402  
00:15:12,310 --> 00:15:10,399  
comes in waves right

403  
00:15:14,470 --> 00:15:12,320  
it goes back around for a year or two

404  
00:15:16,629 --> 00:15:14,480  
then comes right back in boom and every

405  
00:15:21,430 --> 00:15:16,639  
time it comes back and it's stronger

406  
00:15:24,150 --> 00:15:21,440  
yeah and stronger and stronger so

407  
00:15:26,069 --> 00:15:24,160  
this meme kept popping up and it's to it

408  
00:15:27,910 --> 00:15:26,079  
represents it's supposed to represent

409  
00:15:30,230 --> 00:15:27,920  
people who do not think for themselves

410  
00:15:32,790 --> 00:15:30,240  
or make their own decisions

411  
00:15:36,069 --> 00:15:32,800  
and it's gone viral throughout the years

412  
00:15:38,310 --> 00:15:36,079  
as recent as 2020 and it led twitter to

413  
00:15:40,389 --> 00:15:38,320

go on a banning twitter because people

414

00:15:42,629 --> 00:15:40,399

are being so triggered saying how are

415

00:15:45,110 --> 00:15:42,639

you going to dehumanize

416

00:15:47,910 --> 00:15:45,120

a large extent of people so when i say

417

00:15:50,550 --> 00:15:47,920

npcs uh when i say reptilian overlords

418

00:15:53,430 --> 00:15:50,560

when i say a lot of things uh ryan i say

419

00:15:55,269 --> 00:15:53,440

it kiddingly right sure as a joke as a

420

00:15:57,030 --> 00:15:55,279

joke right the reptilian over there

421

00:15:58,949 --> 00:15:57,040

trying to our stop our podcast today

422

00:15:59,990 --> 00:15:58,959

with all the glitches and the audio

423

00:16:05,030 --> 00:16:00,000

we're on

424

00:16:06,790 --> 00:16:05,040

right now the other day dude i had

425

00:16:09,110 --> 00:16:06,800

my mic stopped working wouldn't work the

426

00:16:11,509 --> 00:16:09,120

entire live stream as soon as i jumped

427

00:16:13,030 --> 00:16:11,519

off the live stream popped right back up

428

00:16:15,430 --> 00:16:13,040

like nothing had ever happened and i had

429

00:16:16,550 --> 00:16:15,440

done absolutely nothing you couldn't

430

00:16:18,069 --> 00:16:16,560

hear me earlier i sound like i was

431

00:16:19,829 --> 00:16:18,079

underwater

432

00:16:21,749 --> 00:16:19,839

but i sound fine to myself and i can

433

00:16:23,350 --> 00:16:21,759

record myself and all this stuff so

434

00:16:25,749 --> 00:16:23,360

when i say reptilian overs when i say

435

00:16:27,829 --> 00:16:25,759

npcs i sometimes say killing but then

436

00:16:29,509 --> 00:16:27,839

this is why i say a lot of my research

437

00:16:31,189 --> 00:16:29,519

has led me

438

00:16:32,629 --> 00:16:31,199

to kind of confirm

439

00:16:33,509 --> 00:16:32,639

these things

440

00:16:35,509 --> 00:16:33,519

so

441

00:16:37,590 --> 00:16:35,519

the next thing is inner monologues there

442

00:16:40,629 --> 00:16:37,600

was a study done where

443

00:16:42,389 --> 00:16:40,639

75 percent of the of this test group of

444

00:16:45,030 --> 00:16:42,399

college students didn't have an inner

445

00:16:46,470 --> 00:16:45,040

monologue now an inner monologue i have

446

00:16:48,550 --> 00:16:46,480

one

447

00:16:50,389 --> 00:16:48,560

i haven't actually asked anybody that i

448

00:16:52,790 --> 00:16:50,399

know my family i probably have people in

449

00:16:54,790 --> 00:16:52,800

my family who don't have one but this is

450

00:16:56,389 --> 00:16:54,800

another confirmation quote-unquote of a

451  
00:16:59,030 --> 00:16:56,399  
person being an npc

452  
00:17:00,470 --> 00:16:59,040  
one of the telltale signs is their eyes

453  
00:17:02,150 --> 00:17:00,480  
apparently they look soulless if you

454  
00:17:03,590 --> 00:17:02,160  
ever look at a picture of john d

455  
00:17:05,590 --> 00:17:03,600  
rockefeller where he looks like a

456  
00:17:08,309 --> 00:17:05,600  
freaking synthetic humanoid with his

457  
00:17:10,710 --> 00:17:08,319  
face all stretched out soulless that guy

458  
00:17:13,590 --> 00:17:10,720  
either sold his soul or he was some type

459  
00:17:14,710 --> 00:17:13,600  
of huge and like a synthetic human

460  
00:17:16,870 --> 00:17:14,720  
now

461  
00:17:18,150 --> 00:17:16,880  
this study that was done they asked

462  
00:17:20,870 --> 00:17:18,160  
these college students and they found

463  
00:17:23,429 --> 00:17:20,880

that up to 75 percent of people

464

00:17:25,829 --> 00:17:23,439

don't have an inner mob law

465

00:17:28,150 --> 00:17:25,839

they don't narrate their ideas

466

00:17:30,630 --> 00:17:28,160

inside their head with their voice

467

00:17:32,870 --> 00:17:30,640

that's weird right i thought everybody

468

00:17:35,270 --> 00:17:32,880

did i can't imagine not

469

00:17:36,789 --> 00:17:35,280

doing that some people only

470

00:17:39,750 --> 00:17:36,799

can think what they're saying out loud

471

00:17:41,990 --> 00:17:39,760

what they audibly can hear with their

472

00:17:44,310 --> 00:17:42,000

ears and that's some people that's the

473

00:17:45,110 --> 00:17:44,320

way some people operate

474

00:17:46,310 --> 00:17:45,120

now

475

00:17:48,470 --> 00:17:46,320

this have you ever heard of the

476  
00:17:49,909 --> 00:17:48,480  
bicameral mind

477  
00:17:52,070 --> 00:17:49,919  
yes

478  
00:17:53,669 --> 00:17:52,080  
i'm not an expert on it though

479  
00:17:55,430 --> 00:17:53,679  
neither am i i'm not explaining anything

480  
00:17:57,350 --> 00:17:55,440  
i just read about a bunch of weird stuff

481  
00:17:59,029 --> 00:17:57,360  
so we're getting into the nature of

482  
00:18:01,990 --> 00:17:59,039  
consciousness right where we don't know

483  
00:18:04,710 --> 00:18:02,000  
what it is and it's oh it always seems

484  
00:18:06,950 --> 00:18:04,720  
even in alchemy with the homunculus and

485  
00:18:09,830 --> 00:18:06,960  
all these different crazy ideas that

486  
00:18:13,669 --> 00:18:09,840  
that one thing that either alchemists or

487  
00:18:15,830 --> 00:18:13,679  
scientists or whoever tries to reproduce

488  
00:18:17,830 --> 00:18:15,840

some sort of life they always are

489

00:18:20,230 --> 00:18:17,840

missing that one

490

00:18:22,950 --> 00:18:20,240

that one thing right in the show in the

491

00:18:24,470 --> 00:18:22,960

show fullmetal alchemist it was a soul

492

00:18:25,909 --> 00:18:24,480

right they had all the ingredients that

493

00:18:28,070 --> 00:18:25,919

it took to make a human body but they

494

00:18:29,110 --> 00:18:28,080

were missing that one thing that divine

495

00:18:31,350 --> 00:18:29,120

spark

496

00:18:34,310 --> 00:18:31,360

that one thing that makes you human that

497

00:18:36,070 --> 00:18:34,320

we know is hey this is my fulfillment or

498

00:18:37,510 --> 00:18:36,080

whatever it is that one weird thing you

499

00:18:40,549 --> 00:18:37,520

can't put a name on it you can't put an

500

00:18:41,510 --> 00:18:40,559

ingredient or you can't do anything

501  
00:18:42,470 --> 00:18:41,520  
and

502  
00:18:44,710 --> 00:18:42,480  
that's the whole thing with

503  
00:18:46,789 --> 00:18:44,720  
consciousness whereas is consciousness

504  
00:18:49,430 --> 00:18:46,799  
that little

505  
00:18:51,430 --> 00:18:49,440  
voice in the back of your head

506  
00:18:52,789 --> 00:18:51,440  
or you know what is it we don't know

507  
00:18:53,830 --> 00:18:52,799  
that's that's the whole thing we don't

508  
00:18:56,230 --> 00:18:53,840  
know

509  
00:18:58,950 --> 00:18:56,240  
so the bicameral mind is pretty much

510  
00:19:00,789 --> 00:18:58,960  
states that back then people's brains

511  
00:19:02,549 --> 00:19:00,799  
operated differently they operated

512  
00:19:03,830 --> 00:19:02,559  
pretty much how a schizophrenic person's

513  
00:19:06,950 --> 00:19:03,840

brain would work

514

00:19:08,310 --> 00:19:06,960

where they interpreted the the voice in

515

00:19:10,870 --> 00:19:08,320

their head

516

00:19:12,549 --> 00:19:10,880

to their ancestors or

517

00:19:15,110 --> 00:19:12,559

the gods

518

00:19:16,950 --> 00:19:15,120

so there was a voice in people's heads

519

00:19:19,510 --> 00:19:16,960

now if it was actually theirs or not and

520

00:19:20,630 --> 00:19:19,520

this is as recent as 3 000 years and it

521

00:19:25,430 --> 00:19:20,640

was a

522

00:19:27,270 --> 00:19:25,440

that was presented in a book in 1976 by

523

00:19:29,190 --> 00:19:27,280

julian james the origins of

524

00:19:31,029 --> 00:19:29,200

consciousness in the breakdown of the

525

00:19:33,990 --> 00:19:31,039

bicameral mind

526

00:19:35,430 --> 00:19:34,000

he coined the term bicameral mentality

527

00:19:38,070 --> 00:19:35,440

and essentially it states that as recent

528

00:19:39,669 --> 00:19:38,080

as 3000 years our ancestors experienced

529

00:19:42,470 --> 00:19:39,679

the world similar to a schizophrenic

530

00:19:44,870 --> 00:19:42,480

person does they had an inner monologue

531

00:19:46,789 --> 00:19:44,880

which they attributed to being the gods

532

00:19:49,350 --> 00:19:46,799

or their ancestors

533

00:19:52,950 --> 00:19:51,029

we're not ever going to know how it was

534

00:19:54,950 --> 00:19:52,960

back then for these people

535

00:19:57,430 --> 00:19:54,960

we can only speculate

536

00:19:58,549 --> 00:19:57,440

now this is science

537

00:20:01,029 --> 00:19:58,559

they've been studying the inner

538

00:20:02,950 --> 00:20:01,039

monologue since the 1930s

539

00:20:05,029 --> 00:20:02,960

so when this when this study came out i

540

00:20:06,470 --> 00:20:05,039

believe it was in 2020 that some people

541

00:20:09,190 --> 00:20:06,480

didn't have an inner monologue it

542

00:20:10,630 --> 00:20:09,200

sparked this resurgence of this mpc meme

543

00:20:12,630 --> 00:20:10,640

again

544

00:20:14,789 --> 00:20:12,640

on twitter and all these and 4chan and

545

00:20:16,230 --> 00:20:14,799

all these different places

546

00:20:18,630 --> 00:20:16,240

and that was one of the things that they

547

00:20:20,710 --> 00:20:18,640

were using to talk about

548

00:20:22,630 --> 00:20:20,720

to quote-unquote dehumanize a large

549

00:20:24,950 --> 00:20:22,640

population of the people because of in

550

00:20:26,149 --> 00:20:24,960

this test group there was some up to 75

551  
00:20:28,149 --> 00:20:26,159  
percent of people who didn't have an

552  
00:20:29,830 --> 00:20:28,159  
inner monologue there's people out there

553  
00:20:32,310 --> 00:20:29,840  
walking around who aren't thinking about

554  
00:20:33,669 --> 00:20:32,320  
their thoughts as they walk around

555  
00:20:35,990 --> 00:20:33,679  
they're only thinking about what they're

556  
00:20:37,350 --> 00:20:36,000  
saying as they're saying it

557  
00:20:42,950 --> 00:20:37,360  
so

558  
00:20:44,470 --> 00:20:42,960  
self-destructive

559  
00:20:46,070 --> 00:20:44,480  
disrespectful

560  
00:20:48,070 --> 00:20:46,080  
untasteful whatever you want to call

561  
00:20:49,669 --> 00:20:48,080  
them right because they do quote-unquote

562  
00:20:51,270 --> 00:20:49,679  
dehumanize from people because we're

563  
00:20:52,710 --> 00:20:51,280

literally talking about if somebody has

564

00:20:54,470 --> 00:20:52,720

some sort this might be a mental

565

00:20:56,070 --> 00:20:54,480

disorder right where people can't hear

566

00:20:58,230 --> 00:20:56,080

their inner monologue and we're saying

567

00:21:00,630 --> 00:20:58,240

that they're not human i completely

568

00:21:04,870 --> 00:21:00,640

understand that but this is what these

569

00:21:08,149 --> 00:21:06,630

i relate to skinwalker intolerance

570

00:21:11,029 --> 00:21:08,159

because i'm flipping through my notes

571

00:21:13,990 --> 00:21:11,039

here because again they they act like

572

00:21:15,590 --> 00:21:14,000

and they could be some sort of mpc

573

00:21:17,270 --> 00:21:15,600

from emulation

574

00:21:19,430 --> 00:21:17,280

and

575

00:21:22,789 --> 00:21:19,440

one of the things that have you seen the

576  
00:21:25,110 --> 00:21:22,799  
movie free guy yet yeah absolutely with

577  
00:21:27,750 --> 00:21:25,120  
ryan reynolds where he is an npc in that

578  
00:21:29,750 --> 00:21:27,760  
movie and he eventually is able to quote

579  
00:21:32,149 --> 00:21:29,760  
unquote break out of the simulation if

580  
00:21:33,990 --> 00:21:32,159  
you will i break out of the the

581  
00:21:35,430 --> 00:21:34,000  
programming to

582  
00:21:37,909 --> 00:21:35,440  
be able to

583  
00:21:40,549 --> 00:21:37,919  
understand and become sentient

584  
00:21:42,470 --> 00:21:40,559  
we know about the matrix movies we know

585  
00:21:44,070 --> 00:21:42,480  
that as of recently

586  
00:21:45,669 --> 00:21:44,080  
they came out with the newest one and

587  
00:21:48,470 --> 00:21:45,679  
there was at the end of that movie was

588  
00:21:50,230 --> 00:21:48,480

the whole thing they activated

589

00:21:52,230 --> 00:21:50,240

this

590

00:21:53,830 --> 00:21:52,240

the the what do they call the blue pills

591

00:21:55,510 --> 00:21:53,840

they activated the blue pills and what

592

00:21:57,350 --> 00:21:55,520

were they doing they were attacking they

593

00:21:59,190 --> 00:21:57,360

become into these killers they'd be

594

00:22:01,430 --> 00:21:59,200

coming to these these

595

00:22:03,110 --> 00:22:01,440

uh like a hive mind type of thing like a

596

00:22:05,190 --> 00:22:03,120

swarm they came on they started jumping

597

00:22:06,789 --> 00:22:05,200

out the windows and and falling to their

598

00:22:08,470 --> 00:22:06,799

desks and all this stuff this crazy

599

00:22:10,950 --> 00:22:08,480

thing i was like well

600

00:22:13,029 --> 00:22:10,960

those were the people in the simulation

601  
00:22:14,630 --> 00:22:13,039  
those are the people that the system

602  
00:22:16,710 --> 00:22:14,640  
hadn't gotten to

603  
00:22:17,430 --> 00:22:16,720  
that that had gone to

604  
00:22:19,510 --> 00:22:17,440  
so

605  
00:22:21,990 --> 00:22:19,520  
if you and i are out of the system and

606  
00:22:23,430 --> 00:22:22,000  
we and we have inner monologues and we

607  
00:22:26,070 --> 00:22:23,440  
understand that you know our

608  
00:22:27,510 --> 00:22:26,080  
surroundings and we're quote unquote

609  
00:22:28,950 --> 00:22:27,520  
well

610  
00:22:30,950 --> 00:22:28,960  
what's going to happen to the people who

611  
00:22:32,310 --> 00:22:30,960  
who aren't and this movie they died they

612  
00:22:34,870 --> 00:22:32,320  
literally jumped to their deaths in this

613  
00:22:36,710 --> 00:22:34,880

movie the matrix the newest matrix

614

00:22:38,470 --> 00:22:36,720

and i relate this to

615

00:22:40,870 --> 00:22:38,480

i don't know if you've ever read

616

00:22:41,990 --> 00:22:40,880

the crowd by gustav lavonne

617

00:22:46,149 --> 00:22:42,000

where

618

00:22:47,590 --> 00:22:46,159

he is the father of crowd psychology

619

00:22:50,070 --> 00:22:47,600

now

620

00:22:51,830 --> 00:22:50,080

scott was a

621

00:22:53,750 --> 00:22:51,840

psychologist and

622

00:22:56,149 --> 00:22:53,760

a scholar and he was writing about this

623

00:22:58,470 --> 00:22:56,159

in the 1800s

624

00:23:00,149 --> 00:22:58,480

and he talks about how well we've seen

625

00:23:01,510 --> 00:23:00,159

it right this massive stereo when people

626  
00:23:04,549 --> 00:23:01,520  
are in groups

627  
00:23:07,750 --> 00:23:04,559  
it taps into a uh carl jung also talked

628  
00:23:10,310 --> 00:23:07,760  
about it it taps into this primitive

629  
00:23:13,029 --> 00:23:10,320  
aspect of the brain

630  
00:23:17,510 --> 00:23:15,430  
when people get together

631  
00:23:20,630 --> 00:23:17,520  
a group becomes

632  
00:23:23,270 --> 00:23:20,640  
becomes a living organism it becomes

633  
00:23:25,350 --> 00:23:23,280  
as smart as the

634  
00:23:26,470 --> 00:23:25,360  
excuse my language the dumbest person in

635  
00:23:27,270 --> 00:23:26,480  
the group

636  
00:23:29,909 --> 00:23:27,280  
so

637  
00:23:32,789 --> 00:23:29,919  
whatever the lowest intellectual level

638  
00:23:34,830 --> 00:23:32,799

of what of that of any person in there

639

00:23:37,830 --> 00:23:34,840

that's as smart as the group will get

640

00:23:39,029 --> 00:23:37,840

now this is a scholar who is talking

641

00:23:41,190 --> 00:23:39,039

about this and writing about this you

642

00:23:43,269 --> 00:23:41,200

can check it out called the crowd gustav

643

00:23:44,950 --> 00:23:43,279

labani was he was french

644

00:23:46,390 --> 00:23:44,960

he's talking about this aspect of how

645

00:23:49,430 --> 00:23:46,400

people get together

646

00:23:52,870 --> 00:23:49,440

there are various triggers that can

647

00:23:55,590 --> 00:23:52,880

start groups a crowd a whole nation can

648

00:23:56,710 --> 00:23:55,600

be a crowd uh certain movements can be

649

00:23:58,470 --> 00:23:56,720

crowds

650

00:24:00,470 --> 00:23:58,480

a group has to meet a certain criteria

651  
00:24:02,310 --> 00:24:00,480  
to become a crowd now what really

652  
00:24:04,149 --> 00:24:02,320  
strikes me

653  
00:24:06,950 --> 00:24:04,159  
into all this and to tie it all in with

654  
00:24:08,789 --> 00:24:06,960  
the simulation argument

655  
00:24:10,070 --> 00:24:08,799  
is that he there is something that he

656  
00:24:11,590 --> 00:24:10,080  
called

657  
00:24:15,669 --> 00:24:11,600  
the

658  
00:24:21,110 --> 00:24:18,549  
i didn't write it down but uh

659  
00:24:24,549 --> 00:24:21,120  
it was this metaphysical supernatural

660  
00:24:26,310 --> 00:24:24,559  
thing that happens within crowds that

661  
00:24:28,390 --> 00:24:26,320  
takes over people quote unquote and this

662  
00:24:30,870 --> 00:24:28,400  
is this is his words this is

663  
00:24:32,870 --> 00:24:30,880

a an unexplainable phenomenon that

664

00:24:35,029 --> 00:24:32,880

happens within crowds that sort of

665

00:24:38,630 --> 00:24:35,039

possesses people

666

00:24:41,029 --> 00:24:38,640

with a parasite he calls it a parasite

667

00:24:43,990 --> 00:24:41,039

and it makes me think of a virus and

668

00:24:45,830 --> 00:24:44,000

it's in a computer sim and a computer

669

00:24:48,470 --> 00:24:45,840

right because the whole thing it's a

670

00:24:49,990 --> 00:24:48,480

very pythagorean idea that all his

671

00:24:52,149 --> 00:24:50,000

number well all his number then that

672

00:24:53,830 --> 00:24:52,159

would be it would be all code so

673

00:24:55,909 --> 00:24:53,840

essentially reality would be a

674

00:24:57,830 --> 00:24:55,919

simulation it would be all numbers the

675

00:24:59,590 --> 00:24:57,840

matrix wasn't far off

676  
00:25:01,990 --> 00:24:59,600  
saying that we are in you know some

677  
00:25:03,590 --> 00:25:02,000  
people say we're at the computer at cern

678  
00:25:05,909 --> 00:25:03,600  
or at the computer

679  
00:25:07,669 --> 00:25:05,919  
in the middle of of saturn you know the

680  
00:25:09,350 --> 00:25:07,679  
reason that the hexagon is at the top of

681  
00:25:10,549 --> 00:25:09,360  
that is because the frequencies of

682  
00:25:12,710 --> 00:25:10,559  
cymatics

683  
00:25:15,110 --> 00:25:12,720  
right all this stuff there's a wormhole

684  
00:25:17,190 --> 00:25:15,120  
all these things and if you look at the

685  
00:25:19,190 --> 00:25:17,200  
calculations of

686  
00:25:21,110 --> 00:25:19,200  
the possibilities of us being in a

687  
00:25:24,230 --> 00:25:21,120  
simulation

688  
00:25:26,870 --> 00:25:24,240

that is not expected

689

00:25:28,070 --> 00:25:26,880

let me see how i can word this this is

690

00:25:30,070 --> 00:25:28,080

it's not i wouldn't consider it

691

00:25:32,390 --> 00:25:30,080

pseudoscience because it comes down to

692

00:25:34,310 --> 00:25:32,400

probability and possibilities right it's

693

00:25:36,870 --> 00:25:34,320

a different aspect it's

694

00:25:39,590 --> 00:25:36,880

it's mathematics i guess right the the

695

00:25:41,590 --> 00:25:39,600

the probability of this happening is x

696

00:25:43,430 --> 00:25:41,600

it's not a hundred percent but it's

697

00:25:45,430 --> 00:25:43,440

always there it's like

698

00:25:47,669 --> 00:25:45,440

what's the thing that they say the the

699

00:25:48,870 --> 00:25:47,679

the chances of you dying

700

00:25:51,430 --> 00:25:48,880

by

701  
00:25:52,870 --> 00:25:51,440  
name something dumb it's like well it's

702  
00:25:54,390 --> 00:25:52,880  
really low but it's never not a

703  
00:25:57,110 --> 00:25:54,400  
possibility you know what i mean like

704  
00:25:58,950 --> 00:25:57,120  
it's always there the the chances of you

705  
00:26:02,310 --> 00:25:58,960  
tripping on

706  
00:26:03,510 --> 00:26:02,320  
on a free delay right are low they're

707  
00:26:05,430 --> 00:26:03,520  
slim but

708  
00:26:07,510 --> 00:26:05,440  
it's never zero i'm trying to think of a

709  
00:26:08,630 --> 00:26:07,520  
meme but i can't think of one right now

710  
00:26:10,549 --> 00:26:08,640  
but

711  
00:26:12,950 --> 00:26:10,559  
when elon musk came out

712  
00:26:14,789 --> 00:26:12,960  
and stated that there was a i believe he

713  
00:26:16,070 --> 00:26:14,799

said 50 chance that we were in a

714

00:26:17,190 --> 00:26:16,080

simulation

715

00:26:18,870 --> 00:26:17,200

there was an interesting thing that

716

00:26:20,630 --> 00:26:18,880

happened because

717

00:26:22,870 --> 00:26:20,640

bank of america

718

00:26:24,950 --> 00:26:22,880

we're talking about lizards now bank of

719

00:26:26,630 --> 00:26:24,960

america came out

720

00:26:28,549 --> 00:26:26,640

and put out an article

721

00:26:30,390 --> 00:26:28,559

and said we are 30

722

00:26:32,710 --> 00:26:30,400

they confirmed that yes we it does

723

00:26:35,669 --> 00:26:32,720

there's a 30 to 50 chance that we're in

724

00:26:37,669 --> 00:26:35,679

a simulation damn bank of america

725

00:26:40,630 --> 00:26:37,679

came out and said that almost like a hey

726

00:26:42,789 --> 00:26:40,640

hey hey hey everybody relax

727

00:26:45,029 --> 00:26:42,799

it's okay keep paying your lines of

728

00:26:46,549 --> 00:26:45,039

credit keep paying your credit cards

729

00:26:48,710 --> 00:26:46,559

keep borrowing from us we can keep

730

00:26:51,430 --> 00:26:48,720

charging you interest

731

00:26:54,230 --> 00:26:51,440

there's a 30 30 to 50 chance right bro

732

00:26:56,549 --> 00:26:54,240

all right just just keep calm keep calm

733

00:26:58,549 --> 00:26:56,559

don't don't think about it it's cool

734

00:27:01,269 --> 00:26:58,559

it's cool you can look this up bank of

735

00:27:02,230 --> 00:27:01,279

america came out after elon musk had

736

00:27:03,510 --> 00:27:02,240

said it

737

00:27:05,430 --> 00:27:03,520

they came out and they were like hey

738

00:27:06,390 --> 00:27:05,440

whoa whoa whoa yeah it's a 30 to 50

739

00:27:09,110 --> 00:27:06,400

chance

740

00:27:11,590 --> 00:27:09,120

so what does that tell you now

741

00:27:13,510 --> 00:27:11,600

if a person is an mpc

742

00:27:15,269 --> 00:27:13,520

the way i see it is

743

00:27:17,110 --> 00:27:15,279

there needs to be a

744

00:27:19,350 --> 00:27:17,120

a programmer

745

00:27:21,590 --> 00:27:19,360

for that person to be to exist right so

746

00:27:25,029 --> 00:27:21,600

that would hint at a higher power or a

747

00:27:27,350 --> 00:27:25,039

higher entity or a demiurge or something

748

00:27:31,110 --> 00:27:27,360

of that nature that is running the

749

00:27:35,590 --> 00:27:32,630

big can i relate this

750

00:27:36,950 --> 00:27:35,600

good yeah big time

751  
00:27:38,950 --> 00:27:36,960  
you know you know what i mean so it

752  
00:27:40,789 --> 00:27:38,960  
would be like hey if everything is if if

753  
00:27:42,149 --> 00:27:40,799  
it is all number how pythagoras is

754  
00:27:44,549 --> 00:27:42,159  
saying

755  
00:27:46,710 --> 00:27:44,559  
then it would kind of hint at a

756  
00:27:48,070 --> 00:27:46,720  
type of binary code

757  
00:27:49,830 --> 00:27:48,080  
then it would hint out well who's

758  
00:27:52,149 --> 00:27:49,840  
programming that code are we

759  
00:27:54,070 --> 00:27:52,159  
self-creating that reality or is there

760  
00:27:56,710 --> 00:27:54,080  
something or someone

761  
00:27:59,110 --> 00:27:56,720  
or some things behind that some sort of

762  
00:28:01,590 --> 00:27:59,120  
entity gods with a with a little g or a

763  
00:28:03,430 --> 00:28:01,600

god with a big g the monad what is it

764

00:28:05,830 --> 00:28:03,440

you know what i mean what like what is

765

00:28:08,230 --> 00:28:05,840

reality what is consciousness is it

766

00:28:09,430 --> 00:28:08,240

intertwined who knows we don't know we

767

00:28:12,710 --> 00:28:09,440

don't understand these things we don't

768

00:28:15,110 --> 00:28:12,720

understand the observer effect so

769

00:28:16,870 --> 00:28:15,120

when it comes to render to cart in

770

00:28:20,549 --> 00:28:16,880

cartesian philosophy where he talks

771

00:28:22,230 --> 00:28:20,559

about the body and the mind body dualism

772

00:28:23,669 --> 00:28:22,240

body and mind dualism

773

00:28:25,110 --> 00:28:23,679

where he believed that the mind and the

774

00:28:26,630 --> 00:28:25,120

body were two different things i mean

775

00:28:28,389 --> 00:28:26,640

it's in the name

776

00:28:31,830 --> 00:28:28,399

but the one thing that we know in a

777

00:28:35,669 --> 00:28:31,840

descarte for what is it cogito ergo sum

778

00:28:38,230 --> 00:28:35,679

right i think therefore i am

779

00:28:40,230 --> 00:28:38,240

why did descartes say this

780

00:28:41,590 --> 00:28:40,240

well he said this because

781

00:28:44,470 --> 00:28:41,600

that's the only thing he knows to be

782

00:28:46,789 --> 00:28:44,480

true he knows that himself he can think

783

00:28:48,549 --> 00:28:46,799

so therefore i am

784

00:28:49,830 --> 00:28:48,559

true

785

00:28:51,830 --> 00:28:49,840

now

786

00:28:54,630 --> 00:28:51,840

here's where it gets weird because we go

787

00:28:57,269 --> 00:28:54,640

and we were moving into this platonic

788

00:29:00,870 --> 00:28:57,279

gnostic world view where

789

00:29:03,110 --> 00:29:00,880

the demiurge descartes talked about a

790

00:29:05,430 --> 00:29:03,120

evil demon

791

00:29:07,190 --> 00:29:05,440

that is controlling reality

792

00:29:09,669 --> 00:29:07,200

he talked about how

793

00:29:11,350 --> 00:29:09,679

our senses can deceive us when you are

794

00:29:12,470 --> 00:29:11,360

in a i had a

795

00:29:14,789 --> 00:29:12,480

i had a

796

00:29:15,669 --> 00:29:14,799

dream within a dream recently

797

00:29:19,909 --> 00:29:15,679

where

798

00:29:23,669 --> 00:29:22,470

remember myself waking up

799

00:29:25,430 --> 00:29:23,679

and i think we're gonna have to jump

800

00:29:26,870 --> 00:29:25,440

back into another call i'm gonna come up

801  
00:29:28,310 --> 00:29:26,880  
with another

802  
00:29:31,269 --> 00:29:28,320  
link and we're going to jump back into

803  
00:29:32,789 --> 00:29:31,279  
the call so just in case yeah

804  
00:29:34,230 --> 00:29:32,799  
because this is i didn't think that if

805  
00:29:36,310 --> 00:29:34,240  
we weren't recording it would wouldn't

806  
00:29:38,070 --> 00:29:36,320  
count the time but apparently it does

807  
00:29:39,830 --> 00:29:38,080  
so

808  
00:29:41,510 --> 00:29:39,840  
randy carter talked about this demon

809  
00:29:43,590 --> 00:29:41,520  
that is controlling our ideas and our

810  
00:29:45,830 --> 00:29:43,600  
thoughts because our

811  
00:29:47,190 --> 00:29:45,840  
our senses can be tricked we know this

812  
00:29:48,710 --> 00:29:47,200  
you know we can smell things that aren't

813  
00:29:50,630 --> 00:29:48,720

there we can have auditory

814

00:29:53,590 --> 00:29:50,640

hallucinations we can have visual

815

00:29:55,510 --> 00:29:53,600

hallucinations whatever you name it our

816

00:29:58,310 --> 00:29:55,520

senses can be

817

00:29:59,669 --> 00:29:58,320

misled so he talked about an evil demon

818

00:30:02,149 --> 00:29:59,679

that is

819

00:30:05,350 --> 00:30:02,159

at the forefront of this controlling

820

00:30:08,549 --> 00:30:05,360

everything that you're seeing now

821

00:30:11,430 --> 00:30:08,559

this is where it gets weird ryan because

822

00:30:13,590 --> 00:30:11,440

i i am part of your unreality and you're

823

00:30:15,430 --> 00:30:13,600

part of my unreality

824

00:30:16,950 --> 00:30:15,440

i can't confirm that you're thinking you

825

00:30:18,470 --> 00:30:16,960

can't confirm that i'm thinking so

826

00:30:21,110 --> 00:30:18,480

essentially

827

00:30:23,669 --> 00:30:21,120

we're not real to each other if if

828

00:30:26,470 --> 00:30:23,679

the only thing that is real is my

829

00:30:28,389 --> 00:30:26,480

reality i cannot confirm yours or

830

00:30:29,830 --> 00:30:28,399

anybody else's for that fact

831

00:30:31,590 --> 00:30:29,840

every time that we go to sleep when we

832

00:30:33,590 --> 00:30:31,600

wake up we're hoping that we're in the

833

00:30:35,669 --> 00:30:33,600

same body in the same time on in the

834

00:30:37,350 --> 00:30:35,679

same brain and all these things and

835

00:30:39,269 --> 00:30:37,360

everything is linear right and

836

00:30:40,470 --> 00:30:39,279

everything is continuing but do we truly

837

00:30:42,789 --> 00:30:40,480

know it to be

838

00:30:44,389 --> 00:30:42,799

no the other day i had a waking i had a

839

00:30:46,630 --> 00:30:44,399

i guess they call it a waking dream but

840

00:30:49,590 --> 00:30:46,640

i had a dream where i

841

00:30:52,070 --> 00:30:49,600

sat up on the side of my bed bro

842

00:30:53,669 --> 00:30:52,080

i sat i remember sitting up

843

00:30:56,070 --> 00:30:53,679

putting my legs down

844

00:30:58,230 --> 00:30:56,080

normal everyday thing where i set up

845

00:30:59,190 --> 00:30:58,240

i'll take a second to collect myself

846

00:31:00,549 --> 00:30:59,200

right

847

00:31:03,350 --> 00:31:00,559

as you get older everything starts

848

00:31:05,909 --> 00:31:03,360

aching so i'm there

849

00:31:07,750 --> 00:31:05,919

and dude i wake up and i'm like

850

00:31:09,909 --> 00:31:07,760

i'm still laying back i'm still laying

851  
00:31:12,230 --> 00:31:09,919  
down damn

852  
00:31:14,070 --> 00:31:12,240  
and i look and i go

853  
00:31:15,110 --> 00:31:14,080  
i was like i could have swore i just got

854  
00:31:17,990 --> 00:31:15,120  
up though

855  
00:31:21,190 --> 00:31:18,000  
it glitched out yeah i i was like

856  
00:31:23,350 --> 00:31:21,200  
there's no way i just got up

857  
00:31:25,029 --> 00:31:23,360  
i remember myself getting up so i was

858  
00:31:25,830 --> 00:31:25,039  
literally having a dream about getting

859  
00:31:26,890 --> 00:31:25,840  
up

860  
00:31:27,450 --> 00:31:26,900  
in my dream

861  
00:31:29,830 --> 00:31:27,460  
[Music]

862  
00:31:31,110 --> 00:31:29,840  
[Laughter]

863  
00:31:32,870 --> 00:31:31,120

so

864

00:31:35,190 --> 00:31:32,880

who knows if

865

00:31:38,070 --> 00:31:35,200

how the aboriginal people talked about

866

00:31:39,110 --> 00:31:38,080

being in dream time right we are in this

867

00:31:40,149 --> 00:31:39,120

god's

868

00:31:42,230 --> 00:31:40,159

dream

869

00:31:45,350 --> 00:31:42,240

what has h.p lovecraft talked about

870

00:31:47,190 --> 00:31:45,360

being in a a

871

00:31:49,350 --> 00:31:47,200

nick sugar off stream or something one

872

00:31:51,669 --> 00:31:49,360

of his mythos people

873

00:31:53,909 --> 00:31:51,679

uh as this author somebody somebody

874

00:31:55,269 --> 00:31:53,919

somebody's dream

875

00:31:57,110 --> 00:31:55,279

so

876

00:31:58,710 --> 00:31:57,120

when it comes to this you can't talk

877

00:32:00,789 --> 00:31:58,720

about the npc without talking about the

878

00:32:03,590 --> 00:32:00,799

simulation now let's take it a step

879

00:32:04,870 --> 00:32:03,600

further we have the brain of that jar

880

00:32:07,990 --> 00:32:04,880

idea

881

00:32:10,070 --> 00:32:08,000

where we are some brain in a vat jar and

882

00:32:12,630 --> 00:32:10,080

there is a mad now the evil demon in the

883

00:32:15,509 --> 00:32:12,640

demiurge is a mad scientist

884

00:32:17,909 --> 00:32:15,519

who is plugged in

885

00:32:19,669 --> 00:32:17,919

all these electrodes and these wires

886

00:32:21,669 --> 00:32:19,679

almost like what the matrix right

887

00:32:24,230 --> 00:32:21,679

they're all in these ponds they're all

888

00:32:25,269 --> 00:32:24,240

homunculus that are grown for one

889

00:32:27,269 --> 00:32:25,279

purpose

890

00:32:29,110 --> 00:32:27,279

to harvest their energies

891

00:32:30,070 --> 00:32:29,120

their computational power or whatever it

892

00:32:31,909 --> 00:32:30,080

may be

893

00:32:34,310 --> 00:32:31,919

we have that today with organized

894

00:32:36,870 --> 00:32:34,320

religion they're breeding their own

895

00:32:38,870 --> 00:32:36,880

groups of people to harvest energies

896

00:32:41,110 --> 00:32:38,880

they have the this religion has this

897

00:32:43,029 --> 00:32:41,120

group of people this pool of people to

898

00:32:45,029 --> 00:32:43,039

harvest energy from this other religion

899

00:32:46,710 --> 00:32:45,039

has this group of people to harvest

900

00:32:48,789 --> 00:32:46,720

energy from they're harvesting

901  
00:32:51,350 --> 00:32:48,799  
essentially they're doing the same thing

902  
00:32:53,269 --> 00:32:51,360  
and what does david ike say

903  
00:32:54,149 --> 00:32:53,279  
the worst type of prison is the one

904  
00:32:56,230 --> 00:32:54,159  
where

905  
00:32:58,230 --> 00:32:56,240  
you can't touch and feel the bars but

906  
00:33:00,070 --> 00:32:58,240  
you're still in a prison

907  
00:33:01,509 --> 00:33:00,080  
it's all the same thing it's all how you

908  
00:33:07,590 --> 00:33:01,519  
perceive

909  
00:33:09,750 --> 00:33:07,600  
this evil demon demiurge takes

910  
00:33:15,029 --> 00:33:09,760  
a different role he's an evil scientist

911  
00:33:18,310 --> 00:33:16,710  
all right that's a possibility cool we

912  
00:33:20,070 --> 00:33:18,320  
see that in rick and morty yeah we see

913  
00:33:22,470 --> 00:33:20,080

that in different movies right we see we

914

00:33:25,190 --> 00:33:22,480

see this idea everywhere

915

00:33:27,990 --> 00:33:25,200

and then one thing that confirmed the

916

00:33:29,590 --> 00:33:28,000

npc theory that some people are here and

917

00:33:31,350 --> 00:33:29,600

maybe perhaps

918

00:33:33,509 --> 00:33:31,360

anybody listening right now might be an

919

00:33:35,350 --> 00:33:33,519

npc who knows i mean

920

00:33:36,310 --> 00:33:35,360

that's just the that's just the reality

921

00:33:39,110 --> 00:33:36,320

of things you're not ever going to be

922

00:33:42,549 --> 00:33:39,120

able to confirm your existence right

923

00:33:44,310 --> 00:33:42,559

because you can get it to to

924

00:33:46,549 --> 00:33:44,320

confirmation biases and all this stuff

925

00:33:48,230 --> 00:33:46,559

like i am real i am i want to be a real

926  
00:33:50,149 --> 00:33:48,240  
boy right the whole pinocchio thing it's

927  
00:33:52,389 --> 00:33:50,159  
like well for as much as you say it's

928  
00:33:55,990 --> 00:33:52,399  
not going to come true so the one the

929  
00:33:58,710 --> 00:33:56,000  
nail in the coffin for me was bro

930  
00:34:01,909 --> 00:33:58,720  
boltzmann's brain that's what really was

931  
00:34:04,549 --> 00:34:01,919  
the nil in the coffin for me now

932  
00:34:06,470 --> 00:34:04,559  
i do think that the occult

933  
00:34:07,830 --> 00:34:06,480  
is hidden nowadays under these

934  
00:34:09,589 --> 00:34:07,840  
unexplainable

935  
00:34:12,310 --> 00:34:09,599  
sciences

936  
00:34:14,310 --> 00:34:12,320  
quantum physics

937  
00:34:16,230 --> 00:34:14,320  
quantum entanglement

938  
00:34:17,750 --> 00:34:16,240

anything that has quantum in the in

939

00:34:18,829 --> 00:34:17,760

front of it quantum tunneling all these

940

00:34:20,950 --> 00:34:18,839

things that's

941

00:34:23,589 --> 00:34:20,960

magic and the reason that they call it

942

00:34:26,470 --> 00:34:23,599

quantum is so it's out of the grasp of

943

00:34:28,149 --> 00:34:26,480

the layman's mind like oh quantum oh i

944

00:34:30,149 --> 00:34:28,159

can't quantum computing i can't

945

00:34:30,869 --> 00:34:30,159

understand that it's too too far out

946

00:34:32,389 --> 00:34:30,879

there

947

00:34:33,990 --> 00:34:32,399

so when they talk about

948

00:34:35,430 --> 00:34:34,000

thermodynamic

949

00:34:38,790 --> 00:34:35,440

equilibrium

950

00:34:40,710 --> 00:34:38,800

oh what is that well boltzmann's brain

951  
00:34:41,510 --> 00:34:40,720  
is a thought experiment

952  
00:34:44,310 --> 00:34:41,520  
that

953  
00:34:45,829 --> 00:34:44,320  
states what what's on the forearms of

954  
00:34:46,710 --> 00:34:45,839  
baphomet bro

955  
00:34:52,710 --> 00:34:46,720  
was it

956  
00:34:57,829 --> 00:34:55,190  
coagulate and dissolve

957  
00:35:00,630 --> 00:34:57,839  
now

958  
00:35:02,790 --> 00:35:00,640  
according to boltzmann's brain

959  
00:35:04,550 --> 00:35:02,800  
there's a very particular guy you can

960  
00:35:07,190 --> 00:35:04,560  
look this guy up and i stumbled across

961  
00:35:09,589 --> 00:35:07,200  
this doing some philosophical research

962  
00:35:10,870 --> 00:35:09,599  
uh reading into philosophy and

963  
00:35:14,230 --> 00:35:10,880

understanding

964

00:35:16,790 --> 00:35:14,240

uh reality essentially

965

00:35:19,910 --> 00:35:16,800

it states that according to the way that

966

00:35:22,230 --> 00:35:19,920

matter and atoms interact they are

967

00:35:23,510 --> 00:35:22,240

constantly in space in the vacuum of

968

00:35:26,230 --> 00:35:23,520

space right if you want to believe in

969

00:35:28,230 --> 00:35:26,240

space right because we can go there too

970

00:35:30,550 --> 00:35:28,240

they are constantly coagulating and

971

00:35:32,470 --> 00:35:30,560

dissolving right and they're all moving

972

00:35:35,030 --> 00:35:32,480

and coming together and pulling apart

973

00:35:36,470 --> 00:35:35,040

coming together and pulling apart now

974

00:35:38,230 --> 00:35:36,480

cool

975

00:35:40,470 --> 00:35:38,240

but this thing states and there's a

976

00:35:44,069 --> 00:35:40,480

mathematical equation to it and it's

977

00:35:45,190 --> 00:35:44,079

like 10 to the 50th power and then that

978

00:35:47,750 --> 00:35:45,200

to the up

979

00:35:48,790 --> 00:35:47,760

10th power some crazy probability but

980

00:35:50,150 --> 00:35:48,800

it's not

981

00:35:53,510 --> 00:35:50,160

zero

982

00:35:55,589 --> 00:35:53,520

and what this theory or idea or thought

983

00:35:58,790 --> 00:35:55,599

experiment states is that

984

00:36:00,470 --> 00:35:58,800

according to the laws of equilibrium or

985

00:36:01,510 --> 00:36:00,480

thermodynamic equilibrium in the vacuum

986

00:36:03,510 --> 00:36:01,520

of space

987

00:36:06,550 --> 00:36:03,520

essentially

988

00:36:07,829 --> 00:36:06,560

you can have an entire brain

989

00:36:10,310 --> 00:36:07,839

form

990

00:36:13,430 --> 00:36:10,320

in the emptiness space

991

00:36:15,589 --> 00:36:13,440

or every single cell every single atom

992

00:36:17,430 --> 00:36:15,599

every single neuron every single blood

993

00:36:19,750 --> 00:36:17,440

vessel

994

00:36:22,150 --> 00:36:19,760

will come together

995

00:36:24,310 --> 00:36:22,160

and form a full human brain

996

00:36:26,630 --> 00:36:24,320

and be able to come up with one coherent

997

00:36:28,630 --> 00:36:26,640

thought

998

00:36:29,990 --> 00:36:28,640

or the smallest

999

00:36:35,670 --> 00:36:30,000

of a fraction

1000

00:36:38,310 --> 00:36:35,680

and then immediately dissolve back into

1001  
00:36:41,589 --> 00:36:40,069  
all right three two one then i'll edit

1002  
00:36:44,470 --> 00:36:41,599  
this up and i'll send it over to you all

1003  
00:36:47,430 --> 00:36:44,480  
right cool man um yeah this is crazy

1004  
00:36:49,589 --> 00:36:47,440  
because it brings to me uh

1005  
00:36:51,510 --> 00:36:49,599  
it just seems like

1006  
00:36:54,630 --> 00:36:51,520  
if this is a simulation i've been

1007  
00:36:57,109 --> 00:36:54,640  
looking at you know if you if you want

1008  
00:37:00,069 --> 00:36:57,119  
to call it the grand architect or as you

1009  
00:37:01,670 --> 00:37:00,079  
mentioned there is some dynamic figure

1010  
00:37:04,630 --> 00:37:01,680  
or figures

1011  
00:37:07,750 --> 00:37:04,640  
that are in charge of this programming

1012  
00:37:10,710 --> 00:37:07,760  
and i've been looking at you know

1013  
00:37:13,349 --> 00:37:10,720

coming back to genesis 3 22 you know the

1014

00:37:15,430 --> 00:37:13,359

man has now become like one of us

1015

00:37:17,670 --> 00:37:15,440

he must not be allowed to reach out his

1016

00:37:19,589 --> 00:37:17,680

hand and take also from the tree of life

1017

00:37:22,630 --> 00:37:19,599

and eat and live forever

1018

00:37:23,589 --> 00:37:22,640

if this is a simulation that would be it

1019

00:37:25,510 --> 00:37:23,599

and

1020

00:37:28,390 --> 00:37:25,520

you know i've been looking at the word

1021

00:37:30,470 --> 00:37:28,400

e-l you know like uh

1022

00:37:32,950 --> 00:37:30,480

i'm from mesoamerican descent and i

1023

00:37:34,470 --> 00:37:32,960

believe you're hispanic as well and I

1024

00:37:36,950 --> 00:37:34,480

means him

1025

00:37:39,430 --> 00:37:36,960

and in the hebrew bible

1026

00:37:42,470 --> 00:37:39,440

l is a generic word for god that can be

1027

00:37:45,510 --> 00:37:42,480

used for any god including moloch yahweh

1028

00:37:47,510 --> 00:37:45,520

you name it so positive or negative

1029

00:37:51,190 --> 00:37:47,520

but it's really strange when you look at

1030

00:37:53,990 --> 00:37:51,200

language and how l e l is involved with

1031

00:37:56,870 --> 00:37:54,000

all the words whether it be angel

1032

00:38:00,470 --> 00:37:56,880

um elevate elaborate

1033

00:38:03,670 --> 00:38:00,480

uh you know all of the angels also

1034

00:38:05,829 --> 00:38:03,680

their names seem to have el in it

1035

00:38:08,150 --> 00:38:05,839

you have the elohim i mean the list goes

1036

00:38:10,390 --> 00:38:08,160

on and on it just literally blew my mind

1037

00:38:12,790 --> 00:38:10,400

just looking at the language which is

1038

00:38:13,670 --> 00:38:12,800

also sort of like code right

1039

00:38:15,190 --> 00:38:13,680

so

1040

00:38:20,230 --> 00:38:15,200

if you were

1041

00:38:25,430 --> 00:38:20,240

figure out the hack to this what would

1042

00:38:29,349 --> 00:38:26,390

if

1043

00:38:30,790 --> 00:38:29,359

i well like any good virus right it gets

1044

00:38:34,230 --> 00:38:30,800

booted from the system it gets

1045

00:38:37,910 --> 00:38:35,990

has happened even in our community

1046

00:38:39,910 --> 00:38:37,920

people get to write what's the whole

1047

00:38:41,430 --> 00:38:39,920

myth if you fly too close to the sun and

1048

00:38:42,550 --> 00:38:41,440

your wings melt

1049

00:38:44,870 --> 00:38:42,560

and

1050

00:38:46,950 --> 00:38:44,880

once you once you start but looking at

1051

00:38:49,109 --> 00:38:46,960

certain aspects of

1052

00:38:50,390 --> 00:38:49,119

this game right because i do think it is

1053

00:38:51,670 --> 00:38:50,400

a game

1054

00:38:54,550 --> 00:38:51,680

and i wanted to

1055

00:38:55,750 --> 00:38:54,560

wrap up on the boltzmann brain because

1056

00:38:58,710 --> 00:38:55,760

it it

1057

00:39:01,109 --> 00:38:58,720

it goes deep dude and i wanted to wrap

1058

00:39:04,150 --> 00:39:01,119

up on it because

1059

00:39:07,030 --> 00:39:04,160

there's people who talk about

1060

00:39:12,550 --> 00:39:09,430

there by the the by the calculations

1061

00:39:15,109 --> 00:39:12,560

boltman boltzmann's brains should vastly

1062

00:39:16,550 --> 00:39:15,119

outnumber normal human brains

1063

00:39:19,510 --> 00:39:16,560

there are people who say that that

1064

00:39:21,910 --> 00:39:19,520

reality is a boltzmann brain and this is

1065

00:39:24,710 --> 00:39:21,920

all just that one last coherent thought

1066

00:39:26,870 --> 00:39:24,720

that that one brain had before

1067

00:39:29,109 --> 00:39:26,880

dissolving into nothingness

1068

00:39:31,349 --> 00:39:29,119

so there are

1069

00:39:33,270 --> 00:39:31,359

there are people who talk about that

1070

00:39:34,710 --> 00:39:33,280

they're trying to avoid

1071

00:39:37,190 --> 00:39:34,720

uh

1072

00:39:39,109 --> 00:39:37,200

boltzmann's brains right because there

1073

00:39:41,910 --> 00:39:39,119

are this guy says brian greene right

1074

00:39:43,270 --> 00:39:41,920

he's a a theoretical physicist i am

1075

00:39:45,430 --> 00:39:43,280

confident that i am not a boltzmann

1076  
00:39:47,430 --> 00:39:45,440  
brain however we want our theories to

1077  
00:39:49,109 --> 00:39:47,440  
similarly concur that we are not

1078  
00:39:50,230 --> 00:39:49,119  
boltzmann brains

1079  
00:39:52,550 --> 00:39:50,240  
but so

1080  
00:39:54,630 --> 00:39:52,560  
far has proved surprising difficult for

1081  
00:39:57,990 --> 00:39:54,640  
them to do so so they're having a hard

1082  
00:39:59,829 --> 00:39:58,000  
time proving that they're not an npc

1083  
00:40:01,910 --> 00:39:59,839  
because there is no way of proving

1084  
00:40:04,550 --> 00:40:01,920  
consciousness of me being able to prove

1085  
00:40:06,710 --> 00:40:04,560  
to you that i actually am

1086  
00:40:07,430 --> 00:40:06,720  
a real human being whatever real is

1087  
00:40:09,589 --> 00:40:07,440  
right

1088  
00:40:12,150 --> 00:40:09,599

whatever that is so

1089

00:40:14,790 --> 00:40:12,160

i think the consequences of breaking the

1090

00:40:15,829 --> 00:40:14,800

code is how would happen with neil right

1091

00:40:17,910 --> 00:40:15,839

the one

1092

00:40:20,550 --> 00:40:17,920

where he was

1093

00:40:23,030 --> 00:40:20,560

attacked and as essentially killed he

1094

00:40:25,670 --> 00:40:23,040

had to martyr himself

1095

00:40:26,790 --> 00:40:25,680

from the from the game to give himself

1096

00:40:28,390 --> 00:40:26,800

up

1097

00:40:30,790 --> 00:40:28,400

and that's kind of dark when you look at

1098

00:40:32,670 --> 00:40:30,800

it and that's why i said some conspiracy

1099

00:40:34,630 --> 00:40:32,680

theories are

1100

00:40:36,630 --> 00:40:34,640

self-destructive and

1101

00:40:37,829 --> 00:40:36,640

they do sort of

1102

00:40:39,589 --> 00:40:37,839

that's the whole thing where they can

1103

00:40:41,430 --> 00:40:39,599

drive you insane thinking about it over

1104

00:40:44,230 --> 00:40:41,440

and over and over again where

1105

00:40:47,430 --> 00:40:44,240

am i am i real is my entire family is my

1106

00:40:50,230 --> 00:40:47,440

entire existence a boltzmann brain

1107

00:40:51,990 --> 00:40:50,240

am i here just as you know is this just

1108

00:40:54,550 --> 00:40:52,000

that one last coherent thought how they

1109

00:40:56,790 --> 00:40:54,560

say when people have

1110

00:40:58,790 --> 00:40:56,800

uh what is it near death experiences

1111

00:41:00,630 --> 00:40:58,800

when their senses are flooded and they

1112

00:41:02,550 --> 00:41:00,640

have that that light at the end of the

1113

00:41:04,950 --> 00:41:02,560

tone they see everything happening all

1114

00:41:07,109 --> 00:41:04,960

at once is that what this is or we're

1115

00:41:09,109 --> 00:41:07,119

living through it what is time we don't

1116

00:41:11,750 --> 00:41:09,119

know what that is so

1117

00:41:12,950 --> 00:41:11,760

the idea of there being non-player

1118

00:41:16,309 --> 00:41:12,960

characters

1119

00:41:22,230 --> 00:41:19,750

either were born that way

1120

00:41:23,510 --> 00:41:22,240

were uh willingly give up their soul

1121

00:41:24,790 --> 00:41:23,520

their essence

1122

00:41:28,390 --> 00:41:24,800

to

1123

00:41:29,990 --> 00:41:28,400

what does the guy say in the matrix

1124

00:41:31,829 --> 00:41:30,000

ignorance is bliss you know i want to

1125

00:41:34,470 --> 00:41:31,839

come back i want to have a nice cards

1126

00:41:36,309 --> 00:41:34,480

like i know the steak isn't real but

1127

00:41:38,230 --> 00:41:36,319

damn it sure does taste good right and

1128

00:41:40,069 --> 00:41:38,240

ignorance is but it takes about as

1129

00:41:42,230 --> 00:41:40,079

that's how a lot of people are bro a lot

1130

00:41:44,150 --> 00:41:42,240

of people are living this life

1131

00:41:46,870 --> 00:41:44,160

every day me dude i'm one of them too

1132

00:41:48,230 --> 00:41:46,880

right like i'll have these these fights

1133

00:41:50,630 --> 00:41:48,240

with depression every now and again

1134

00:41:52,950 --> 00:41:50,640

where you're at in that hamster wheel

1135

00:41:55,750 --> 00:41:52,960

because when you have kids it stops

1136

00:41:58,630 --> 00:41:55,760

being about you it stops being about

1137

00:42:00,230 --> 00:41:58,640

just ryan no it's about your entire

1138

00:42:02,790 --> 00:42:00,240

family now

1139

00:42:04,790 --> 00:42:02,800

where you have two kids you have to

1140

00:42:08,230 --> 00:42:04,800

watch over them even if they are little

1141

00:42:11,349 --> 00:42:08,240

npcs right who knows who knows

1142

00:42:13,990 --> 00:42:11,359

but this is why i say that these are

1143

00:42:15,910 --> 00:42:14,000

these these movies these

1144

00:42:18,390 --> 00:42:15,920

things that they back to plato these

1145

00:42:19,990 --> 00:42:18,400

movies they're cinema cinema magicians

1146

00:42:22,710 --> 00:42:20,000

is that what i've termed them because

1147

00:42:24,550 --> 00:42:22,720

they're conjuring people's realities and

1148

00:42:27,109 --> 00:42:24,560

they're making there are they are the

1149

00:42:29,430 --> 00:42:27,119

shadows on the walls and some people

1150

00:42:31,829 --> 00:42:29,440

just washed the shadows and when that

1151

00:42:33,030 --> 00:42:31,839

guy that broke away and and ran out of

1152

00:42:34,630 --> 00:42:33,040

the cave and was like hey guys there's

1153

00:42:36,150 --> 00:42:34,640

another world out there

1154

00:42:37,750 --> 00:42:36,160

they turned around and they were

1155

00:42:39,750 --> 00:42:37,760

combative against him like dude you're

1156

00:42:41,430 --> 00:42:39,760

crazy no there's no way that there's

1157

00:42:43,510 --> 00:42:41,440

another world out there sit down and

1158

00:42:44,870 --> 00:42:43,520

enjoy the show and you sit there you go

1159

00:42:46,950 --> 00:42:44,880

you know what

1160

00:42:48,790 --> 00:42:46,960

at the end of the day it's not my job to

1161

00:42:52,710 --> 00:42:48,800

not wake people up who don't want to be

1162

00:42:54,550 --> 00:42:52,720

woken up right i am here to

1163

00:42:56,550 --> 00:42:54,560

have a good conversation learn about

1164

00:42:59,030 --> 00:42:56,560

interesting things and speculate i mean

1165

00:43:01,349 --> 00:42:59,040

i think it's fun it's it's a it's a good

1166

00:43:02,309 --> 00:43:01,359

pastime if you will and i really enjoy

1167

00:43:04,630 --> 00:43:02,319

it so

1168

00:43:07,910 --> 00:43:04,640

here we are talking about npcs and i

1169

00:43:10,309 --> 00:43:07,920

think if you fly too close to the sun

1170

00:43:12,390 --> 00:43:10,319

we'll get burned i agree man and you

1171

00:43:14,790 --> 00:43:12,400

know it reminds me of nikola tesla who's

1172

00:43:16,550 --> 00:43:14,800

considered like the father of radio and

1173

00:43:18,950 --> 00:43:16,560

uh he he

1174

00:43:21,670 --> 00:43:18,960

when asked if he liked radio he said no

1175

00:43:24,390 --> 00:43:21,680

it's just too much of a distraction from

1176

00:43:27,349 --> 00:43:24,400

his own thinking and it you know

1177

00:43:29,270 --> 00:43:27,359

what you brought up about

1178

00:43:31,829 --> 00:43:29,280

just being happy in the game you know

1179

00:43:32,710 --> 00:43:31,839

with that stake or with that car with

1180

00:43:38,069 --> 00:43:32,720

that

1181

00:43:39,829 --> 00:43:38,079

so real in the moment

1182

00:43:42,230 --> 00:43:39,839

it makes you wonder is that why the

1183

00:43:44,710 --> 00:43:42,240

elites or the elites

1184

00:43:46,230 --> 00:43:44,720

um are just so flooded with these

1185

00:43:48,710 --> 00:43:46,240

material

1186

00:43:51,190 --> 00:43:48,720

goodies that they are just distracting

1187

00:43:53,670 --> 00:43:51,200

themselves from the reality and it's

1188

00:43:55,270 --> 00:43:53,680

it's freaky because you know in speaking

1189

00:43:56,550 --> 00:43:55,280

with people that

1190

00:43:59,430 --> 00:43:56,560

when you said people that drive

1191

00:44:01,670 --> 00:43:59,440

themselves crazy um with these types of

1192

00:44:03,349 --> 00:44:01,680

things it reminds me of a researcher i

1193

00:44:06,150 --> 00:44:03,359

respected very much which was tracy

1194

00:44:06,950 --> 00:44:06,160

twyman and it did seem to kind of get to

1195

00:44:08,790 --> 00:44:06,960

her

1196

00:44:10,790 --> 00:44:08,800

and it's you know how is it possible

1197

00:44:13,589 --> 00:44:10,800

that these people would be doing these

1198

00:44:14,470 --> 00:44:13,599

things for these ends as a means to an

1199

00:44:15,510 --> 00:44:14,480

end

1200

00:44:17,349 --> 00:44:15,520

and

1201  
00:44:19,750 --> 00:44:17,359  
if this is the case if they've hacked

1202  
00:44:21,030 --> 00:44:19,760  
the system or if they realize that it

1203  
00:44:22,710 --> 00:44:21,040  
isn't real

1204  
00:44:25,190 --> 00:44:22,720  
then are they really you know

1205  
00:44:27,750 --> 00:44:25,200  
sacrificing somebody at some strange

1206  
00:44:28,630 --> 00:44:27,760  
ritual or are they just unplugging that

1207  
00:44:30,870 --> 00:44:28,640  
machine

1208  
00:44:32,550 --> 00:44:30,880  
which is going to get rebooted again and

1209  
00:44:35,270 --> 00:44:32,560  
that is the argument that i've heard

1210  
00:44:38,069 --> 00:44:35,280  
from a lot of like sra survivors such as

1211  
00:44:40,550 --> 00:44:38,079  
jay parker and others but i can see why

1212  
00:44:42,309 --> 00:44:40,560  
people like tracy and i mean there's

1213  
00:44:46,069 --> 00:44:42,319

i've gone down the rabbit hole i know

1214

00:44:48,470 --> 00:44:46,079

how this chaos and madness can set in

1215

00:44:51,910 --> 00:44:48,480

but yeah there there has to be a point

1216

00:44:54,230 --> 00:44:51,920

where your view is all-encompassing and

1217

00:44:56,550 --> 00:44:54,240

there has to be some form of reality or

1218

00:44:58,390 --> 00:44:56,560

else like you said i mean

1219

00:45:01,270 --> 00:44:58,400

you fly too close to the sun you get

1220

00:45:04,950 --> 00:45:03,030

it goes back to what nietzsche talked

1221

00:45:08,069 --> 00:45:04,960

about where

1222

00:45:10,950 --> 00:45:08,079

a nihilistic life means nothing and i

1223

00:45:12,710 --> 00:45:10,960

think if once you strip everything away

1224

00:45:14,230 --> 00:45:12,720

and you become

1225

00:45:15,430 --> 00:45:14,240

an atheist or whatever and i respect

1226

00:45:17,190 --> 00:45:15,440

everybody's

1227

00:45:20,230 --> 00:45:17,200

religious views i think that's where it

1228

00:45:23,030 --> 00:45:20,240

leads you a meaningless life which i

1229

00:45:24,710 --> 00:45:23,040

think is what they want right that is

1230

00:45:26,309 --> 00:45:24,720

essentially what they want they want you

1231

00:45:28,069 --> 00:45:26,319

to uh

1232

00:45:31,030 --> 00:45:28,079

to just be a cog in the system and just

1233

00:45:33,030 --> 00:45:31,040

be a hamster just running away you know

1234

00:45:35,829 --> 00:45:33,040

running away and and if they are

1235

00:45:37,430 --> 00:45:35,839

essentially sacrificing these people

1236

00:45:38,870 --> 00:45:37,440

to them it's nothing that's why they

1237

00:45:41,190 --> 00:45:38,880

build up all this

1238

00:45:43,030 --> 00:45:41,200

this wealth and

1239

00:45:44,790 --> 00:45:43,040

what i've been getting into lately as

1240

00:45:47,990 --> 00:45:44,800

far as my research

1241

00:45:49,510 --> 00:45:48,000

to bring all this together i think one

1242

00:45:53,030 --> 00:45:49,520

of the important things that we're that

1243

00:45:54,150 --> 00:45:53,040

we are ignoring is the use of

1244

00:45:56,069 --> 00:45:54,160

not only

1245

00:45:57,670 --> 00:45:56,079

you know it can be a simulation and all

1246

00:45:59,430 --> 00:45:57,680

these different things but

1247

00:46:00,470 --> 00:45:59,440

within that simulation there are rules

1248

00:46:01,910 --> 00:46:00,480

and there are programs that they're

1249

00:46:03,430 --> 00:46:01,920

running at the same time and one of the

1250

00:46:04,390 --> 00:46:03,440

things that i've been stumbling across

1251  
00:46:09,829 --> 00:46:04,400  
is

1252  
00:46:12,069 --> 00:46:09,839  
architects are magicians right you're

1253  
00:46:14,230 --> 00:46:12,079  
talking about the great architect of the

1254  
00:46:15,829 --> 00:46:14,240  
universe the great architect of reality

1255  
00:46:17,589 --> 00:46:15,839  
well

1256  
00:46:19,510 --> 00:46:17,599  
back then there were architects who were

1257  
00:46:21,190 --> 00:46:19,520  
pharaohs and magicians all at the same

1258  
00:46:23,750 --> 00:46:21,200  
time and they were literally the

1259  
00:46:24,950 --> 00:46:23,760  
stylists that they used to make these

1260  
00:46:27,349 --> 00:46:24,960  
drawings

1261  
00:46:29,829 --> 00:46:27,359  
they were demiurges of facino talks

1262  
00:46:31,990 --> 00:46:29,839  
about them being demiurges of these

1263  
00:46:34,550 --> 00:46:32,000

buildings in these temples

1264

00:46:35,670 --> 00:46:34,560

and within these temples they would make

1265

00:46:36,630 --> 00:46:35,680

them to

1266

00:46:38,550 --> 00:46:36,640

certain

1267

00:46:40,150 --> 00:46:38,560

principles either pythagorean or

1268

00:46:42,309 --> 00:46:40,160

chaldean or whatever you want to call

1269

00:46:44,230 --> 00:46:42,319

them to a certain numerical value and

1270

00:46:47,510 --> 00:46:44,240

ratio value to where they would

1271

00:46:49,589 --> 00:46:47,520

encapsulate a different

1272

00:46:51,270 --> 00:46:49,599

level of reality within this building

1273

00:46:53,829 --> 00:46:51,280

now

1274

00:46:56,870 --> 00:46:53,839

sarcophagus means corpse eater right

1275

00:46:58,790 --> 00:46:56,880

because etymology is a very

1276

00:47:00,630 --> 00:46:58,800

i think it's at the root of a lot of the

1277

00:47:03,030 --> 00:47:00,640

answers right the way that words are

1278

00:47:05,030 --> 00:47:03,040

because words are spells when you spell

1279

00:47:07,190 --> 00:47:05,040

you're casting a spell

1280

00:47:09,589 --> 00:47:07,200

now this whole idea of these architects

1281

00:47:11,829 --> 00:47:09,599

being magicians

1282

00:47:13,829 --> 00:47:11,839

what i've come to understand is a

1283

00:47:16,550 --> 00:47:13,839

sarcophagus back then right meaning

1284

00:47:18,390 --> 00:47:16,560

corpse eater some certain sarcophagus

1285

00:47:21,109 --> 00:47:18,400

sarcophagi back then

1286

00:47:23,430 --> 00:47:21,119

would consume the body that was in it

1287

00:47:25,589 --> 00:47:23,440

after a certain amount of days the only

1288

00:47:27,829 --> 00:47:25,599

thing that would be left would be

1289

00:47:31,270 --> 00:47:27,839

would be the teeth now

1290

00:47:33,829 --> 00:47:31,280

i relate this to the temples as

1291

00:47:35,750 --> 00:47:33,839

sarcophagus right because we're meant

1292

00:47:37,750 --> 00:47:35,760

we're told to go

1293

00:47:40,069 --> 00:47:37,760

to these buildings right to work every

1294

00:47:42,470 --> 00:47:40,079

single day well what if they're

1295

00:47:44,309 --> 00:47:42,480

not on a physical level like a

1296

00:47:46,069 --> 00:47:44,319

sarcophagus eating away your body but

1297

00:47:49,109 --> 00:47:46,079

what if they're eating away at your soul

1298

00:47:50,150 --> 00:47:49,119

at what makes you a human being what if

1299

00:47:52,309 --> 00:47:50,160

that that's what they're doing with

1300

00:47:54,230 --> 00:47:52,319

these buildings because again it goes

1301  
00:47:57,349 --> 00:47:54,240  
back to the

1302  
00:47:59,829 --> 00:47:57,359  
la linea occulta which is these occulted

1303  
00:48:01,430 --> 00:47:59,839  
lines that the architect draws on his

1304  
00:48:03,190 --> 00:48:01,440  
plans before

1305  
00:48:05,030 --> 00:48:03,200  
the actual drawings of the actual

1306  
00:48:07,030 --> 00:48:05,040  
building we don't know

1307  
00:48:10,870 --> 00:48:07,040  
how or what he put in there or what his

1308  
00:48:13,750 --> 00:48:10,880  
intentions were so it goes back to magic

1309  
00:48:14,790 --> 00:48:13,760  
where the intentions of the architect

1310  
00:48:16,790 --> 00:48:14,800  
are

1311  
00:48:17,829 --> 00:48:16,800  
implemented in these buildings and that

1312  
00:48:19,510 --> 00:48:17,839  
can be

1313  
00:48:21,349 --> 00:48:19,520

any governmental building there's a

1314

00:48:23,510 --> 00:48:21,359

reason why the the pentagon is shaped

1315

00:48:25,589 --> 00:48:23,520

like a freaking pentagon right to the

1316

00:48:27,430 --> 00:48:25,599

law of correspondence to evoke certain

1317

00:48:29,589 --> 00:48:27,440

feelings there's a reason why some

1318

00:48:31,670 --> 00:48:29,599

buildings are the way that they are and

1319

00:48:34,309 --> 00:48:31,680

i think that it goes back down to that

1320

00:48:37,030 --> 00:48:34,319

spiritual level these cathedrals were

1321

00:48:39,190 --> 00:48:37,040

literally warping people's realities

1322

00:48:41,829 --> 00:48:39,200

real time they were having

1323

00:48:43,990 --> 00:48:41,839

visionary experiences and hallucinations

1324

00:48:45,589 --> 00:48:44,000

within these cathedrals and that's the

1325

00:48:47,750 --> 00:48:45,599

way that they were able to capture that

1326  
00:48:49,270 --> 00:48:47,760  
lower class that was uneducated that was

1327  
00:48:50,870 --> 00:48:49,280  
uninitiated

1328  
00:48:52,069 --> 00:48:50,880  
into believing that there was a higher

1329  
00:48:53,670 --> 00:48:52,079  
entity

1330  
00:48:55,750 --> 00:48:53,680  
into believing that they that they were

1331  
00:48:57,589 --> 00:48:55,760  
in touch with something higher so i'm

1332  
00:48:59,109 --> 00:48:57,599  
gonna believe i'm gonna be a part of

1333  
00:49:00,549 --> 00:48:59,119  
this system

1334  
00:49:01,430 --> 00:49:00,559  
because of this experience that i had

1335  
00:49:03,430 --> 00:49:01,440  
why

1336  
00:49:06,230 --> 00:49:03,440  
go back to the cart

1337  
00:49:07,270 --> 00:49:06,240  
i think therefore i am the senses can be

1338  
00:49:08,710 --> 00:49:07,280

tricked

1339

00:49:11,109 --> 00:49:08,720

so

1340

00:49:13,589 --> 00:49:11,119

i wish i had answers for the people

1341

00:49:14,710 --> 00:49:13,599

listening but unfortunately i don't

1342

00:49:16,950 --> 00:49:14,720

but

1343

00:49:19,670 --> 00:49:16,960

i always say if you study enough

1344

00:49:20,390 --> 00:49:19,680

without getting too close to the sun

1345

00:49:22,470 --> 00:49:20,400

you

1346

00:49:25,109 --> 00:49:22,480

will be able to identify

1347

00:49:26,470 --> 00:49:25,119

certain factors and i think one of the

1348

00:49:29,589 --> 00:49:26,480

things that we

1349

00:49:31,109 --> 00:49:29,599

ignore is the way that our homes are

1350

00:49:32,470 --> 00:49:31,119

built there are essentially buildings

1351  
00:49:34,470 --> 00:49:32,480  
and there's a reason why they're doing

1352  
00:49:36,470 --> 00:49:34,480  
cookie-cutter communities

1353  
00:49:38,870 --> 00:49:36,480  
because back then vitruvius even talked

1354  
00:49:41,190 --> 00:49:38,880  
about a certain architect evoked certain

1355  
00:49:43,750 --> 00:49:41,200  
energies certain rooms were meant for

1356  
00:49:45,829 --> 00:49:43,760  
certain things according to their ratios

1357  
00:49:47,910 --> 00:49:45,839  
and have built a certain way could

1358  
00:49:49,750 --> 00:49:47,920  
either make you sick or make you feel a

1359  
00:49:51,109 --> 00:49:49,760  
certain type of way

1360  
00:49:52,950 --> 00:49:51,119  
so

1361  
00:49:55,670 --> 00:49:52,960  
back again to this idea that they are

1362  
00:49:58,630 --> 00:49:55,680  
trying to keep us in this mental prison

1363  
00:50:01,030 --> 00:49:58,640

and even goes down to the very homes and

1364

00:50:02,390 --> 00:50:01,040

buildings that we are sitting in at this

1365

00:50:03,510 --> 00:50:02,400

very moment

1366

00:50:04,950 --> 00:50:03,520

so

1367

00:50:06,549 --> 00:50:04,960

i'll leave you with that ryan i don't i

1368

00:50:08,630 --> 00:50:06,559

don't know what else to say but it can

1369

00:50:11,030 --> 00:50:08,640

get very dark i wish there were there is

1370

00:50:13,190 --> 00:50:11,040

hope at the end of the tunnel if you

1371

00:50:15,430 --> 00:50:13,200

you can be like the one that broke away

1372

00:50:16,710 --> 00:50:15,440

from the shadows and and walked out of

1373

00:50:18,549 --> 00:50:16,720

that cave

1374

00:50:19,750 --> 00:50:18,559

and unfortunately some people it's not

1375

00:50:24,150 --> 00:50:19,760

your job

1376

00:50:26,710 --> 00:50:24,160

to pull them out of the simulation

1377

00:50:28,390 --> 00:50:26,720

because we know if if you pull somebody

1378

00:50:29,589 --> 00:50:28,400

out they they might might die you know

1379

00:50:31,990 --> 00:50:29,599

what i mean like

1380

00:50:34,390 --> 00:50:32,000

not die in a physical sense but maybe a

1381

00:50:36,230 --> 00:50:34,400

spiritual type of thing or whatever it

1382

00:50:38,069 --> 00:50:36,240

may be because this is this is this

1383

00:50:40,230 --> 00:50:38,079

reality is weird bro i don't know what

1384

00:50:41,430 --> 00:50:40,240

else to say man i'm so glad that you

1385

00:50:43,030 --> 00:50:41,440

brought up the homes and the

1386

00:50:45,670 --> 00:50:43,040

architecture because i had something

1387

00:50:47,109 --> 00:50:45,680

happen recently that was very strange

1388

00:50:49,190 --> 00:50:47,119

i was speaking with someone and they

1389

00:50:51,670 --> 00:50:49,200

mentioned that

1390

00:50:53,589 --> 00:50:51,680

it could seem very conspiratorial but

1391

00:50:57,030 --> 00:50:53,599

that the reason that all of these new

1392

00:50:59,910 --> 00:50:57,040

homes have these wide open floor plans

1393

00:51:04,069 --> 00:50:59,920

and they have

1394

00:51:06,710 --> 00:51:04,079

stopped using lead in paint for example

1395

00:51:08,390 --> 00:51:06,720

is because of the technologies that are

1396

00:51:11,270 --> 00:51:08,400

used for surveillance

1397

00:51:13,510 --> 00:51:11,280

they could not penetrate lead paint and

1398

00:51:16,230 --> 00:51:13,520

the less walls that there are inside of

1399

00:51:19,190 --> 00:51:16,240

a home the easier it is to see what's

1400

00:51:21,349 --> 00:51:19,200

going on inside the home at all times

1401  
00:51:23,190 --> 00:51:21,359  
and a lot of this sounds pretty crazy in

1402  
00:51:25,030 --> 00:51:23,200  
the power of conspiracy

1403  
00:51:26,870 --> 00:51:25,040  
but recently

1404  
00:51:30,230 --> 00:51:26,880  
my family talked me into upgrading to

1405  
00:51:32,790 --> 00:51:30,240  
the new iphone 13 the 5g and i had my

1406  
00:51:35,030 --> 00:51:32,800  
issues with that but i did it and i was

1407  
00:51:37,589 --> 00:51:35,040  
up at spacewolf research at the base

1408  
00:51:39,430 --> 00:51:37,599  
camp up there in uh utah

1409  
00:51:41,270 --> 00:51:39,440  
and i had a very strange thing happen

1410  
00:51:43,349 --> 00:51:41,280  
where something knocked this phone out

1411  
00:51:44,710 --> 00:51:43,359  
of my hand into the creek into the river

1412  
00:51:47,030 --> 00:51:44,720  
it was gone

1413  
00:51:49,589 --> 00:51:47,040

and i was without a phone for a week

1414

00:51:52,150 --> 00:51:49,599

fast forward i was feeling really sick

1415

00:51:53,750 --> 00:51:52,160

and to the point of like literally i had

1416

00:51:56,790 --> 00:51:53,760

something that almost looked like monkey

1417

00:52:00,069 --> 00:51:56,800

pox man it sounds super dumb but i had

1418

00:52:02,630 --> 00:52:00,079

some kind of like skin irritation i lost

1419

00:52:06,309 --> 00:52:02,640

my phone for a week it went away i was

1420

00:52:08,150 --> 00:52:06,319

totally fine and uh while i waited for

1421

00:52:10,549 --> 00:52:08,160

you know apple eye care apple care

1422

00:52:12,150 --> 00:52:10,559

whatever it is to send me a new one

1423

00:52:13,510 --> 00:52:12,160

now i'm a little bit more careful with

1424

00:52:16,390 --> 00:52:13,520

the device

1425

00:52:19,190 --> 00:52:16,400

but um something in my daughter's room

1426

00:52:21,589 --> 00:52:19,200

that also kind of went down this

1427

00:52:23,910 --> 00:52:21,599

kind of strange rabbit hole

1428

00:52:24,950 --> 00:52:23,920

is she was having a lot of trouble

1429

00:52:27,750 --> 00:52:24,960

sleeping

1430

00:52:29,829 --> 00:52:27,760

and i went outside and i listened to

1431

00:52:31,750 --> 00:52:29,839

some podcasts and they said to check for

1432

00:52:33,510 --> 00:52:31,760

these smart meters outside your home and

1433

00:52:35,109 --> 00:52:33,520

i live in a fairly new home

1434

00:52:37,349 --> 00:52:35,119

and sure enough right outside of her

1435

00:52:39,829 --> 00:52:37,359

bedroom is this smart meter right on the

1436

00:52:41,589 --> 00:52:39,839

wall that she was her bed was up against

1437

00:52:42,549 --> 00:52:41,599

so i just moved her bed to the opposite

1438

00:52:45,670 --> 00:52:42,559

wall

1439

00:52:47,589 --> 00:52:45,680

and dude sleeps like a baby now so i

1440

00:52:50,150 --> 00:52:47,599

don't know if these you know if it's

1441

00:52:53,430 --> 00:52:50,160

just strange feedback that uh i've i've

1442

00:52:56,870 --> 00:52:53,440

pre-loaded into this into my

1443

00:52:57,829 --> 00:52:56,880

reality but it does seem as if there is

1444

00:53:01,670 --> 00:52:57,839

uh

1445

00:53:04,230 --> 00:53:01,680

architecture and technology merging in a

1446

00:53:06,230 --> 00:53:04,240

way especially with these communities

1447

00:53:08,870 --> 00:53:06,240

that you know every home looks different

1448

00:53:10,309 --> 00:53:08,880

at the different elevations and they

1449

00:53:12,069 --> 00:53:10,319

have like you know

1450

00:53:13,670 --> 00:53:12,079

paint schemes and you can't go outside

1451

00:53:15,349 --> 00:53:13,680

of that with the hoa

1452

00:53:17,670 --> 00:53:15,359

but um

1453

00:53:20,230 --> 00:53:17,680

it's a very strange thing and speaking

1454

00:53:22,470 --> 00:53:20,240

of architecture reminds me of 911

1455

00:53:24,470 --> 00:53:22,480

whatever people think of that and the

1456

00:53:26,390 --> 00:53:24,480

the numerology with that i mean there's

1457

00:53:29,109 --> 00:53:26,400

nine ranks of angels in the spiritual

1458

00:53:32,150 --> 00:53:29,119

hierarchy nine choirs and then you have

1459

00:53:33,109 --> 00:53:32,160

of course I even or you know even with

1460

00:53:34,630 --> 00:53:33,119

god

1461

00:53:35,990 --> 00:53:34,640

and um

1462

00:53:38,470 --> 00:53:36,000

that

1463

00:53:41,109 --> 00:53:38,480

disruption definitely

1464

00:53:45,030 --> 00:53:41,119

seemed to have its function and change

1465

00:53:46,710 --> 00:53:45,040

at least the skyline of new york but uh

1466

00:53:48,470 --> 00:53:46,720

we'll have to get into the architecture

1467

00:53:49,430 --> 00:53:48,480

man because that's that's huge i want to

1468

00:53:51,910 --> 00:53:49,440

get into

1469

00:53:53,990 --> 00:53:51,920

into that and uh some some of the older

1470

00:53:55,030 --> 00:53:54,000

architecture and

1471

00:53:57,109 --> 00:53:55,040

um

1472

00:53:58,710 --> 00:53:57,119

what what your thoughts are of like

1473

00:54:00,470 --> 00:53:58,720

where it came from and if people are

1474

00:54:03,589 --> 00:54:00,480

just reusing it from

1475

00:54:07,990 --> 00:54:06,069

architecture plays a very big role and

1476

00:54:11,190 --> 00:54:08,000

like i said it's it's intertwined with

1477

00:54:11,990 --> 00:54:11,200

magic back then architects were looked

1478

00:54:14,630 --> 00:54:12,000

as

1479

00:54:17,430 --> 00:54:14,640

were looked

1480

00:54:18,710 --> 00:54:17,440

they were attributed to being magicians

1481

00:54:20,710 --> 00:54:18,720

because they

1482

00:54:22,470 --> 00:54:20,720

have to plan for the future so that's

1483

00:54:24,549 --> 00:54:22,480

divination if you're trying to to

1484

00:54:25,750 --> 00:54:24,559

predict the future well in in 100 years

1485

00:54:27,030 --> 00:54:25,760

from now how is this building going to

1486

00:54:28,630 --> 00:54:27,040

hold up or are you trying to look into

1487

00:54:29,829 --> 00:54:28,640

the future 100 years

1488

00:54:31,750 --> 00:54:29,839

essentially that's what you're trying to

1489

00:54:34,470 --> 00:54:31,760

do so they were looked at

1490

00:54:38,390 --> 00:54:34,480

having magical powers and all these

1491

00:54:40,870 --> 00:54:38,400

different things and i think that

1492

00:54:42,710 --> 00:54:40,880

we have lost the meaning of

1493

00:54:45,349 --> 00:54:42,720

these buildings

1494

00:54:46,789 --> 00:54:45,359

we have lost the meaning of architecture

1495

00:54:49,030 --> 00:54:46,799

as as in

1496

00:54:51,030 --> 00:54:49,040

as an occult art i guess if you could

1497

00:54:52,789 --> 00:54:51,040

put it that way and it's more of a whole

1498

00:54:55,589 --> 00:54:52,799

it's more of a job now right it's like

1499

00:54:57,030 --> 00:54:55,599

oh efficiency efficiency efficiency well

1500

00:54:59,270 --> 00:54:57,040

let's create it this certain type of way

1501  
00:55:01,190 --> 00:54:59,280  
why oh just because well why who says we

1502  
00:55:02,470 --> 00:55:01,200  
have to do it well it's more efficient

1503  
00:55:04,470 --> 00:55:02,480  
that way sir

1504  
00:55:06,309 --> 00:55:04,480  
is it though is it or is there something

1505  
00:55:07,270 --> 00:55:06,319  
further behind that like how you're

1506  
00:55:09,589 --> 00:55:07,280  
saying

1507  
00:55:11,750 --> 00:55:09,599  
the the other night i had turned off my

1508  
00:55:14,789 --> 00:55:11,760  
router because i was resetting it

1509  
00:55:15,910 --> 00:55:14,799  
and dude i felt it go off i felt it shut

1510  
00:55:17,349 --> 00:55:15,920  
off

1511  
00:55:19,190 --> 00:55:17,359  
and it freaked me out because i was

1512  
00:55:22,150 --> 00:55:19,200  
sitting i was like

1513  
00:55:23,750 --> 00:55:22,160

i just feel that turn off

1514

00:55:25,109 --> 00:55:23,760

because you're so used to it all the

1515

00:55:27,910 --> 00:55:25,119

time sure

1516

00:55:28,870 --> 00:55:27,920

running in the background 24 7 no matter

1517

00:55:31,430 --> 00:55:28,880

what

1518

00:55:33,270 --> 00:55:31,440

and when i pulled the plug to reset it

1519

00:55:35,750 --> 00:55:33,280

i felt this

1520

00:55:37,990 --> 00:55:35,760

like white noise like just go

1521

00:55:39,990 --> 00:55:38,000

dead i'm like wow that

1522

00:55:40,870 --> 00:55:40,000

feels feels odd

1523

00:55:43,270 --> 00:55:40,880

so

1524

00:55:45,270 --> 00:55:43,280

again everything in our home is tied to

1525

00:55:47,750 --> 00:55:45,280

this signal it's tied to

1526  
00:55:49,190 --> 00:55:47,760  
whatever you know this technology and

1527  
00:55:50,870 --> 00:55:49,200  
that's part of the

1528  
00:55:52,470 --> 00:55:50,880  
transhumanist agenda which we can get

1529  
00:55:53,910 --> 00:55:52,480  
into that later but

1530  
00:55:55,589 --> 00:55:53,920  
i think that's where we're headed to

1531  
00:55:58,630 --> 00:55:55,599  
where what these guys want to do with

1532  
00:55:59,990 --> 00:55:58,640  
neurolink and all these other things

1533  
00:56:02,150 --> 00:56:00,000  
that's where we're headed with the whole

1534  
00:56:03,829 --> 00:56:02,160  
metaverse and that's that's a

1535  
00:56:06,390 --> 00:56:03,839  
conversation for another yeah that's

1536  
00:56:08,789 --> 00:56:06,400  
also a very deep rabbit hole i can't

1537  
00:56:10,150 --> 00:56:08,799  
thank you enough for coming on and yeah

1538  
00:56:14,069 --> 00:56:10,160

i'll have to have you back and we'll

1539

00:56:16,470 --> 00:56:14,079

have to get into uh more specifics on so

1540

00:56:17,270 --> 00:56:16,480

much of this weird stuff taking place

1541

00:56:18,950 --> 00:56:17,280

and

1542

00:56:20,390 --> 00:56:18,960

kind of kind of go into the history of

1543

00:56:22,710 --> 00:56:20,400

architecture and that that sounds

1544

00:56:24,950 --> 00:56:22,720

fascinating um why don't you tell

1545

00:56:27,910 --> 00:56:24,960

listeners where they can get more juan

1546

00:56:29,910 --> 00:56:27,920

on juan podcast and uh

1547

00:56:32,630 --> 00:56:29,920

where they can get a hold of uh all

1548

00:56:35,750 --> 00:56:32,640

things juan

1549

00:56:37,750 --> 00:56:35,760

you can find my

1550

00:56:39,589 --> 00:56:37,760

social media most of my social medias at

1551  
00:56:42,470 --> 00:56:39,599  
the one on one podcast instagram being

1552  
00:56:43,990 --> 00:56:42,480  
my main one youtube tik tok twitter all

1553  
00:56:46,309 --> 00:56:44,000  
that stuff and you can find the podcast

1554  
00:56:47,990 --> 00:56:46,319  
on any major platform

1555  
00:56:51,470 --> 00:56:48,000  
that you listen to your podcast in i do

1556  
00:56:54,069 --> 00:56:51,480  
have a patreon patreon.com podcast

1557  
00:56:56,069 --> 00:56:54,079  
rockfin.com110 podcast and yeah you can

1558  
00:56:57,829 --> 00:56:56,079  
hit me up on there and thanks again for

1559  
00:56:59,670 --> 00:56:57,839  
having me on ryan it's always a great

1560  
00:57:01,589 --> 00:56:59,680  
time when we get together and we have a

1561  
00:57:03,910 --> 00:57:01,599  
lot of interesting things to talk about

1562  
00:57:06,870 --> 00:57:03,920  
and thank you again for having me on

1563  
00:57:09,990 --> 00:57:06,880

dropping bombs like donkey kong juan

1564

00:57:12,549 --> 00:57:10,000

ayala of the juan on juan podcast

1565

00:57:15,109 --> 00:57:12,559

all was a treat any meeting with him any

1566

00:57:16,150 --> 00:57:15,119

conversation any chat whatsoever leads

1567

00:57:18,950 --> 00:57:16,160

to

1568

00:57:21,270 --> 00:57:18,960

a deeper darker understanding of what

1569

00:57:25,109 --> 00:57:21,280

may be technically going on in this

1570

00:57:27,750 --> 00:57:25,119

reality and uh how it merges into the

1571

00:57:29,589 --> 00:57:27,760

unreality i loved the conversation about

1572

00:57:32,230 --> 00:57:29,599

npcs

1573

00:57:34,549 --> 00:57:32,240

briefly discussing just the matrix

1574

00:57:37,670 --> 00:57:34,559

theory in general there's so much more

1575

00:57:40,069 --> 00:57:37,680

of his great information on his podcast

1576

00:57:41,990 --> 00:57:40,079

definitely check it out and subscribe

1577

00:57:44,230 --> 00:57:42,000

and until next time keep your eyes to

1578

00:57:52,350 --> 00:57:44,240

the skies feet on the ground but don't

1579

00:58:01,829 --> 00:57:55,240

[Applause]

1580

00:58:19,270 --> 00:58:04,710

come blast off in my time machine third
