

Chris Mathieu

**Supply Chain, Mandela effect,
Cern and Mushrooms**

1
00:00:01,360 --> 00:00:09,810
hey

2
00:00:28,150 --> 00:00:20,890
[Music]

3
00:00:28,160 --> 00:00:33,340
machine

4
00:00:33,350 --> 00:00:36,870
[Music]

5
00:00:42,950 --> 00:00:40,069
blast off on another episode of the

6
00:00:46,950 --> 00:00:42,960
hyper anomalous esoteric research

7
00:00:48,630 --> 00:00:46,960
organization podcast hero paranormal

8
00:00:51,270 --> 00:00:48,640
broadcasting

9
00:00:54,950 --> 00:00:51,280
from the base at la madre mountain just

10
00:00:58,229 --> 00:00:54,960
south of area 51 my name is ryan

11
00:01:01,110 --> 00:00:58,239
the paranormal pontificator of podcasts

12
00:01:02,709 --> 00:01:01,120
bringing you an epic episode today

13
00:01:04,869 --> 00:01:02,719

today we have someone i've wanted to

14

00:01:06,710 --> 00:01:04,879

talk to for a long time he's been on the

15

00:01:09,109 --> 00:01:06,720

podcast before

16

00:01:10,469 --> 00:01:09,119

you may know him from forbidden

17

00:01:12,950 --> 00:01:10,479

knowledge news

18

00:01:15,749 --> 00:01:12,960

we have none other than chris matthew

19

00:01:18,149 --> 00:01:15,759

chief executive officer of forbidden

20

00:01:20,230 --> 00:01:18,159

knowledge news he is

21

00:01:23,429 --> 00:01:20,240

in charge of the talk show the social

22

00:01:24,390 --> 00:01:23,439

media network the production company

23

00:01:26,710 --> 00:01:24,400

and

24

00:01:29,749 --> 00:01:26,720

forbidden knowledge started quite a ways

25

00:01:31,749 --> 00:01:29,759

back and talk about the guy to watch

26
00:01:33,910 --> 00:01:31,759
forbidden knowledge news productions

27
00:01:36,069 --> 00:01:33,920
started as a youtube channel and a

28
00:01:37,670 --> 00:01:36,079
podcast featuring the most extraordinary

29
00:01:40,390 --> 00:01:37,680
guests on the planet

30
00:01:43,749 --> 00:01:40,400
when it comes to my short list

31
00:01:45,030 --> 00:01:43,759
of conspiracy intuitives and those with

32
00:01:47,350 --> 00:01:45,040
their hand

33
00:01:48,550 --> 00:01:47,360
on the pulse of what is taking place in

34
00:01:51,109 --> 00:01:48,560
the world

35
00:01:53,590 --> 00:01:51,119
chris matthews at the top

36
00:01:55,109 --> 00:01:53,600
someone that not only knows the secret

37
00:01:57,429 --> 00:01:55,119
intelligence

38
00:01:58,310 --> 00:01:57,439

and forbidden knowledge most fail to

39

00:02:00,389 --> 00:01:58,320

gather

40

00:02:01,830 --> 00:02:00,399

but a great disseminator of that

41

00:02:03,270 --> 00:02:01,840

information

42

00:02:05,270 --> 00:02:03,280

who

43

00:02:07,990 --> 00:02:05,280

freely shares

44

00:02:09,510 --> 00:02:08,000

all of it with the global community of

45

00:02:12,790 --> 00:02:09,520

his listeners

46

00:02:15,350 --> 00:02:12,800

chris matthew educates the public on how

47

00:02:17,270 --> 00:02:15,360

important it is to research the

48

00:02:18,630 --> 00:02:17,280

information that goes into your

49

00:02:21,110 --> 00:02:18,640

consciousness

50

00:02:23,830 --> 00:02:21,120

an educator of the masses who does a

51
00:02:26,390 --> 00:02:23,840
great job of creating a valuable summary

52
00:02:28,790 --> 00:02:26,400
of information and knowledge

53
00:02:31,270 --> 00:02:28,800
chris has done so much work in

54
00:02:32,150 --> 00:02:31,280
researching the subjects most won't

55
00:02:34,390 --> 00:02:32,160
touch

56
00:02:37,350 --> 00:02:34,400
and has created an educational

57
00:02:40,710 --> 00:02:37,360
masterpiece with his forbidden knowledge

58
00:02:42,710 --> 00:02:40,720
news podcast and beyond classified a

59
00:02:45,430 --> 00:02:42,720
master in the field of knowledge and

60
00:02:47,589 --> 00:02:45,440
information who offers information and

61
00:02:48,790 --> 00:02:47,599
solutions to the problems we face as a

62
00:02:51,270 --> 00:02:48,800
collective

63
00:02:53,190 --> 00:02:51,280

chris has concentrated his focus on

64

00:02:56,869 --> 00:02:53,200

informing the masses

65

00:02:59,750 --> 00:02:56,879

of the often hard to gather information

66

00:03:02,309 --> 00:02:59,760

giving listeners an excellent chance to

67

00:03:05,990 --> 00:03:02,319

understand the choices we have as

68

00:03:07,990 --> 00:03:06,000

citizens of a new reality the podcasting

69

00:03:09,030 --> 00:03:08,000

master himself

70

00:03:12,470 --> 00:03:09,040

and

71

00:03:14,390 --> 00:03:12,480

the main man to forbidden knowledge news

72

00:03:16,790 --> 00:03:14,400

and beyond classified

73

00:03:18,710 --> 00:03:16,800

chris matthew welcome to the hero

74

00:03:19,910 --> 00:03:18,720

paranormal podcast

75

00:03:22,550 --> 00:03:19,920

well thanks for having me man i

76

00:03:25,110 --> 00:03:22,560

appreciate it yeah man uh i really

77

00:03:27,350 --> 00:03:25,120

enjoyed hearing your um

78

00:03:31,110 --> 00:03:27,360

podcast last night i think that was

79

00:03:33,670 --> 00:03:31,120

awesome you had a ton of great info

80

00:03:35,509 --> 00:03:33,680

and you've had a ton of great guests

81

00:03:37,430 --> 00:03:35,519

lately as usual

82

00:03:39,350 --> 00:03:37,440

uh oh thanks man

83

00:03:42,070 --> 00:03:39,360

yeah there's i've got so many questions

84

00:03:44,710 --> 00:03:42,080

but i the reason i wanted to uh get you

85

00:03:46,309 --> 00:03:44,720

on today obviously is to talk about

86

00:03:49,430 --> 00:03:46,319

you know a lot of the things in the

87

00:03:52,630 --> 00:03:49,440

playbook that seem to be

88

00:03:55,670 --> 00:03:52,640

um well out of the same old playbook um

89

00:03:58,550 --> 00:03:55,680

supply chain issues and

90

00:04:00,390 --> 00:03:58,560

all the all these current events that

91

00:04:01,910 --> 00:04:00,400

seem to be planned

92

00:04:05,429 --> 00:04:01,920

have you have you been noticing anything

93

00:04:07,190 --> 00:04:05,439

like that yourself well of course yeah

94

00:04:08,710 --> 00:04:07,200

yeah i can talk forever about it

95

00:04:10,229 --> 00:04:08,720

everything happening right now and its

96

00:04:12,869 --> 00:04:10,239

connections to

97

00:04:17,830 --> 00:04:14,550

you know future possibilities and

98

00:04:19,830 --> 00:04:17,840

disasters and what we you know should be

99

00:04:21,349 --> 00:04:19,840

looking for and things like that so yeah

100

00:04:23,030 --> 00:04:21,359

whatever direction you want to go i'm

101
00:04:24,629 --> 00:04:23,040
good cool

102
00:04:26,790 --> 00:04:24,639
yeah i've been

103
00:04:30,469 --> 00:04:26,800
blown away at

104
00:04:31,990 --> 00:04:30,479
just how obvious some of the stuff is

105
00:04:34,310 --> 00:04:32,000
um

106
00:04:37,350 --> 00:04:34,320
let's start with uh i guess one of the

107
00:04:38,230 --> 00:04:37,360
more blatant things i've noticed is

108
00:04:40,230 --> 00:04:38,240
these

109
00:04:43,350 --> 00:04:40,240
i i suppose they're just called food

110
00:04:45,670 --> 00:04:43,360
production plants that uh we have like

111
00:04:47,189 --> 00:04:45,680
an exponential amount of them that

112
00:04:49,749 --> 00:04:47,199
appear to be

113
00:04:50,790 --> 00:04:49,759

burning to the ground for no reason and

114

00:04:51,590 --> 00:04:50,800

have you

115

00:04:54,469 --> 00:04:51,600

in

116

00:04:57,350 --> 00:04:54,479

you have the opportunity uh due to your

117

00:04:59,189 --> 00:04:57,360

position to talk to a lot of the best

118

00:05:00,150 --> 00:04:59,199

minds in the field

119

00:05:02,870 --> 00:05:00,160

have you

120

00:05:04,950 --> 00:05:02,880

gathered any inkling as to what me may

121

00:05:07,749 --> 00:05:04,960

be taking place or why this uh

122

00:05:10,469 --> 00:05:07,759

exponential burn rate of food production

123

00:05:11,990 --> 00:05:10,479

plants might be might be happening

124

00:05:14,629 --> 00:05:12,000

i don't know are we recording right now

125

00:05:17,430 --> 00:05:14,639

we started yeah yeah oh okay sweet all

126

00:05:19,830 --> 00:05:17,440

right well uh actually you know i i

127

00:05:22,390 --> 00:05:19,840

can't i don't claim to have any of the

128

00:05:25,110 --> 00:05:22,400

answers of what's going on but i have

129

00:05:28,390 --> 00:05:25,120

ideas and i've had plenty of guests on

130

00:05:30,390 --> 00:05:28,400

that have theories and great information

131

00:05:32,310 --> 00:05:30,400

about things that could possibly be

132

00:05:34,870 --> 00:05:32,320

happening in the background and players

133

00:05:36,710 --> 00:05:34,880

involved and whistleblowers

134

00:05:39,990 --> 00:05:36,720

i mean from everything that i've

135

00:05:43,590 --> 00:05:40,000

gathered i think it is first of all to

136

00:05:46,310 --> 00:05:43,600

to cause an illusion of scarcity uh to

137

00:05:48,710 --> 00:05:46,320

cause actual scarcity for those that

138

00:05:51,350 --> 00:05:48,720

really uh think that daddy government is

139

00:05:53,270 --> 00:05:51,360

the only thing the only entity that can

140

00:05:55,590 --> 00:05:53,280

take care of them that will feed them

141

00:05:57,990 --> 00:05:55,600

and clothe them and they have to rely on

142

00:05:59,909 --> 00:05:58,000

corporations to survive and things like

143

00:06:01,909 --> 00:05:59,919

this yeah they're gonna

144

00:06:04,629 --> 00:06:01,919

be having problems with this false

145

00:06:07,029 --> 00:06:04,639

narrative but man i it's definitely

146

00:06:09,029 --> 00:06:07,039

intentional they are they are definitely

147

00:06:11,990 --> 00:06:09,039

blowing up and destroying food plants

148

00:06:16,390 --> 00:06:12,000

and uh they're causing a lot of issues

149

00:06:19,590 --> 00:06:16,400

with supply chain and farmers as well um

150

00:06:24,070 --> 00:06:19,600

they're basically destroying the entire

151

00:06:26,550 --> 00:06:24,080

farm industry um and not only that

152

00:06:28,629 --> 00:06:26,560

killing animals destroying crops uh

153

00:06:30,870 --> 00:06:28,639

killing animals on a large scale and

154

00:06:33,270 --> 00:06:30,880

they've been doing this for a long time

155

00:06:34,950 --> 00:06:33,280

i believe clandestinely

156

00:06:37,909 --> 00:06:34,960

they've been

157

00:06:40,390 --> 00:06:37,919

really affecting and destroying the

158

00:06:42,550 --> 00:06:40,400

farming industry from the inside out

159

00:06:44,070 --> 00:06:42,560

like you know through various methods

160

00:06:46,629 --> 00:06:44,080

and i think honestly this is going to

161

00:06:49,270 --> 00:06:46,639

sound crazy but i think weather control

162

00:06:50,950 --> 00:06:49,280

letter modification has big been one of

163

00:06:54,309 --> 00:06:50,960

the biggest

164

00:06:56,309 --> 00:06:54,319

issues when it comes to the manipulation

165

00:06:57,670 --> 00:06:56,319

of the farming industry and food

166

00:06:59,110 --> 00:06:57,680

industry

167

00:07:00,870 --> 00:06:59,120

and even

168

00:07:02,790 --> 00:07:00,880

in people's uh

169

00:07:08,230 --> 00:07:02,800

geolocation where they where they're

170

00:07:12,870 --> 00:07:10,469

and the conspiracy runs really deep and

171

00:07:15,350 --> 00:07:12,880

and yes it is a conspiracy and there's

172

00:07:18,029 --> 00:07:15,360

probably only a small amount of people

173

00:07:20,070 --> 00:07:18,039

who really know what's going on it's so

174

00:07:22,710 --> 00:07:20,080

compartmentalized most people are just

175

00:07:24,870 --> 00:07:22,720

doing quote unquote their job

176
00:07:26,309 --> 00:07:24,880
doing what they've been told pass down

177
00:07:28,309 --> 00:07:26,319
orders

178
00:07:30,950 --> 00:07:28,319
and that's the way it goes man and we're

179
00:07:32,230 --> 00:07:30,960
just in a large scale psychological

180
00:07:35,510 --> 00:07:32,240
operation

181
00:07:37,350 --> 00:07:35,520
to uh to cause people to to number one

182
00:07:39,830 --> 00:07:37,360
stay in fear so they have to think that

183
00:07:41,589 --> 00:07:39,840
they rely they have to rely on daddy

184
00:07:44,070 --> 00:07:41,599
government and corporations and

185
00:07:45,589 --> 00:07:44,080
everything that we've been relying on

186
00:07:47,430 --> 00:07:45,599
and the medical industry and

187
00:07:48,950 --> 00:07:47,440
pharmaceuticals and things of that

188
00:07:51,510 --> 00:07:48,960

nature because you know you don't want

189

00:07:53,430 --> 00:07:51,520

to get a good a booger sicknesses or

190

00:07:55,430 --> 00:07:53,440

monkey boxes or anything that's been

191

00:07:57,430 --> 00:07:55,440

going on right now so you gotta

192

00:07:59,749 --> 00:07:57,440

definitely have to rely on the medical

193

00:08:02,070 --> 00:07:59,759

industry and pharmaceuticals to keep you

194

00:08:05,749 --> 00:08:02,080

healthy right uh so it's all kind of

195

00:08:08,469 --> 00:08:05,759

this one mismatched uh it's a bunch of

196

00:08:09,670 --> 00:08:08,479

narratives that are mismatched into one

197

00:08:11,589 --> 00:08:09,680

or two

198

00:08:13,670 --> 00:08:11,599

major agendas that are probably

199

00:08:16,550 --> 00:08:13,680

unfolding one of which i think is a

200

00:08:18,629 --> 00:08:16,560

global depopulation agenda

201
00:08:21,350 --> 00:08:18,639
yeah i'm glad that you mentioned the

202
00:08:23,749 --> 00:08:21,360
animal kills because that is something

203
00:08:27,029 --> 00:08:23,759
that i i've been blown away

204
00:08:29,909 --> 00:08:27,039
i was reading about 21 000 fish

205
00:08:31,909 --> 00:08:29,919
that were killed in california and they

206
00:08:35,110 --> 00:08:31,919
claimed that these died from

207
00:08:38,790 --> 00:08:35,120
oops accidental chlorine exposure

208
00:08:40,469 --> 00:08:38,800
yeah and um these statements when people

209
00:08:42,310 --> 00:08:40,479
investigate this

210
00:08:43,990 --> 00:08:42,320
it's like oh yeah we made a mistake the

211
00:08:47,509 --> 00:08:44,000
process failed

212
00:08:48,870 --> 00:08:47,519
and that's that and what everybody is

213
00:08:51,030 --> 00:08:48,880

talking about

214

00:08:53,190 --> 00:08:51,040

is just the coincidences you mentioned

215

00:08:56,150 --> 00:08:53,200

of the timing of this and

216

00:08:59,110 --> 00:08:56,160

how difficult it is to uh kind of kind

217

00:09:02,470 --> 00:08:59,120

of uh get any kind of

218

00:09:04,949 --> 00:09:02,480

plan in case things go offline

219

00:09:06,870 --> 00:09:04,959

oh and i'm totally down with where

220

00:09:08,870 --> 00:09:06,880

you're going with the

221

00:09:11,190 --> 00:09:08,880

agendas because

222

00:09:13,190 --> 00:09:11,200

a lot of the agendas that are spoken

223

00:09:14,949 --> 00:09:13,200

about at many of the clandestine

224

00:09:17,110 --> 00:09:14,959

meetings whether that's

225

00:09:18,790 --> 00:09:17,120

bilderberg group and there's a handful

226

00:09:21,190 --> 00:09:18,800

of others

227

00:09:24,310 --> 00:09:21,200

typically you know

228

00:09:26,150 --> 00:09:24,320

my eyes were opened when i was told hey

229

00:09:28,949 --> 00:09:26,160

man just buy

230

00:09:32,310 --> 00:09:28,959

agenda 21. you know go to go to barnes

231

00:09:34,550 --> 00:09:32,320

and nobles and try to buy agenda 21 it's

232

00:09:37,110 --> 00:09:34,560

open to the public and

233

00:09:40,949 --> 00:09:37,120

i did i went to barnes and nobles and

234

00:09:42,550 --> 00:09:40,959

tried to buy a order an agenda 21

235

00:09:44,070 --> 00:09:42,560

guidebook that tells you everything they

236

00:09:46,550 --> 00:09:44,080

talked about and

237

00:09:48,550 --> 00:09:46,560

you know not only is it strange the

238

00:09:50,470 --> 00:09:48,560

process because everybody wants to know

239

00:09:51,829 --> 00:09:50,480

at least the person at barnes and noble

240

00:09:55,670 --> 00:09:51,839

wanted to know

241

00:09:58,949 --> 00:09:55,680

why do you want this book but

242

00:10:01,750 --> 00:09:58,959

you know what is in that book is and and

243

00:10:03,430 --> 00:10:01,760

many others each year that they meet is

244

00:10:05,910 --> 00:10:03,440

basically some of these agendas that

245

00:10:08,790 --> 00:10:05,920

you've discussed i mean it's it's it's

246

00:10:10,230 --> 00:10:08,800

just hidden in plain sight it seems you

247

00:10:13,430 --> 00:10:10,240

know and

248

00:10:17,030 --> 00:10:13,440

i i just saw the other day that a world

249

00:10:20,870 --> 00:10:17,040

economic forum uh individual

250

00:10:23,829 --> 00:10:20,880

his name escapes me um i believe he was

251
00:10:26,069 --> 00:10:23,839
a uh from from israel

252
00:10:27,350 --> 00:10:26,079
was this particular gentleman

253
00:10:30,829 --> 00:10:27,360
and he

254
00:10:32,389 --> 00:10:30,839
basically said in no uncertain terms

255
00:10:33,990 --> 00:10:32,399
that

256
00:10:36,389 --> 00:10:34,000
75

257
00:10:39,269 --> 00:10:36,399
i believe of the population

258
00:10:40,230 --> 00:10:39,279
or the workforce was just no longer

259
00:10:42,230 --> 00:10:40,240
needed

260
00:10:43,509 --> 00:10:42,240
and you know i i don't know if he

261
00:10:45,190 --> 00:10:43,519
thought that they were in a closed

262
00:10:47,829 --> 00:10:45,200
session and they weren't

263
00:10:51,190 --> 00:10:47,839

but it made the news and you know this

264

00:10:53,110 --> 00:10:51,200

kind of stuff uh yuval noah yeah he said

265

00:10:55,670 --> 00:10:53,120

we just don't we just don't need the

266

00:10:58,710 --> 00:10:55,680

vast majority of the population and he's

267

00:11:00,790 --> 00:10:58,720

a top world economic forum advisor

268

00:11:05,190 --> 00:11:00,800

and he said the vast majority of the

269

00:11:08,630 --> 00:11:05,200

world's 7.5 billion people are uh simply

270

00:11:10,710 --> 00:11:08,640

not needed so he explained that

271

00:11:12,630 --> 00:11:10,720

that their jobs can easily be taken by

272

00:11:14,949 --> 00:11:12,640

artificial intelligence machine learning

273

00:11:17,269 --> 00:11:14,959

and bioengineering i mean

274

00:11:20,790 --> 00:11:17,279

so there i think that this is uh

275

00:11:23,670 --> 00:11:20,800

this is really happening it appears

276

00:11:26,949 --> 00:11:23,680

yes it is uh but

277

00:11:29,750 --> 00:11:26,959

i see a lot of

278

00:11:31,509 --> 00:11:29,760

points where they are failing and i see

279

00:11:33,030 --> 00:11:31,519

a lot of weakness

280

00:11:35,509 --> 00:11:33,040

and mistakes that they've made in the

281

00:11:38,470 --> 00:11:35,519

past couple of years to their detriment

282

00:11:40,150 --> 00:11:38,480

really uh yes they are definitely going

283

00:11:43,110 --> 00:11:40,160

forward with this you know you hear

284

00:11:45,269 --> 00:11:43,120

klaus uh anal schwab and all the

285

00:11:47,670 --> 00:11:45,279

talking all the time about um you know

286

00:11:49,590 --> 00:11:47,680

he wants everybody to own nothing be

287

00:11:51,509 --> 00:11:49,600

happy he's trying to get rid of private

288

00:11:53,509 --> 00:11:51,519

vehicle ownerships and he wants

289

00:11:56,629 --> 00:11:53,519

everybody to stop eating meat and start

290

00:11:58,550 --> 00:11:56,639

eating bugs and just you know ridiculous

291

00:12:01,110 --> 00:11:58,560

things that the world economic forum is

292

00:12:03,590 --> 00:12:01,120

proposing for our future first under the

293

00:12:07,829 --> 00:12:03,600

guise of sustainability

294

00:12:10,310 --> 00:12:07,839

um and i don't think that

295

00:12:12,310 --> 00:12:10,320

fruition because people aren't ready for

296

00:12:13,430 --> 00:12:12,320

this [h__\h] and if they are it's a

297

00:12:19,590 --> 00:12:13,440

small

298

00:12:21,829 --> 00:12:19,600

it's even a forced percentage because i

299

00:12:24,629 --> 00:12:21,839

don't know anybody in my immediate

300

00:12:26,790 --> 00:12:24,639

circle or around me uh

301

00:12:28,949 --> 00:12:26,800

you know much less uh people that i

302

00:12:32,470 --> 00:12:28,959

don't know on the streets that

303

00:12:35,590 --> 00:12:32,480

are really interested in pursuing the

304

00:12:38,550 --> 00:12:35,600

agendas that are coming forward and i

305

00:12:40,629 --> 00:12:38,560

really want to go out and eat bugs i

306

00:12:43,190 --> 00:12:40,639

really want to give up their vehicles

307

00:12:45,750 --> 00:12:43,200

really want to be a part of this new

308

00:12:48,230 --> 00:12:45,760

sustainable transhuman world where you

309

00:12:50,150 --> 00:12:48,240

give up everything you plug yourself

310

00:12:52,069 --> 00:12:50,160

into the metaverse and you let them

311

00:12:54,790 --> 00:12:52,079

siphon all your energy while you're in

312

00:12:56,629 --> 00:12:54,800

some kind of utopian uh video game for

313

00:13:00,150 --> 00:12:56,639

the rest of your life and that's what

314

00:13:01,910 --> 00:13:00,160

they want for for society but

315

00:13:04,230 --> 00:13:01,920

at the same time all this is unfolding

316

00:13:05,910 --> 00:13:04,240

we're having a mass awakening of people

317

00:13:07,750 --> 00:13:05,920

we're having people that are becoming

318

00:13:09,829 --> 00:13:07,760

more interested in spirituality and

319

00:13:12,389 --> 00:13:09,839

consciousness and natural things and

320

00:13:13,509 --> 00:13:12,399

wanting to go back to old natural ways

321

00:13:15,110 --> 00:13:13,519

of living

322

00:13:17,590 --> 00:13:15,120

at the same time that they're trying to

323

00:13:19,430 --> 00:13:17,600

do this and i think that i think

324

00:13:21,670 --> 00:13:19,440

they ultimately knew that this was going

325

00:13:25,269 --> 00:13:21,680

to happen i mean they

326

00:13:28,389 --> 00:13:25,279

they know how cycles work they know how

327

00:13:30,629 --> 00:13:28,399

human consciousness rises and falls over

328

00:13:33,030 --> 00:13:30,639

cycles and i'm sure they knew that this

329

00:13:35,590 --> 00:13:33,040

awakening was going to occur and this is

330

00:13:38,069 --> 00:13:35,600

probably an attempt to either keep it

331

00:13:40,470 --> 00:13:38,079

from happening or prolong their power

332

00:13:42,470 --> 00:13:40,480

that them those they those in control

333

00:13:43,829 --> 00:13:42,480

the

334

00:13:46,629 --> 00:13:43,839

in control

335

00:13:49,990 --> 00:13:46,639

and they want to prolong how long they

336

00:13:51,910 --> 00:13:50,000

have or maybe even attempt to skip over

337

00:13:53,990 --> 00:13:51,920

an entire

338

00:13:57,350 --> 00:13:54,000

era of enlightenment we're heading into

339

00:14:01,269 --> 00:13:59,670

enlightenment spirituality the age of

340

00:14:03,509 --> 00:14:01,279

man and

341

00:14:05,990 --> 00:14:03,519

i don't think they want this era to come

342

00:14:07,910 --> 00:14:06,000

at all i think they want to skip it and

343

00:14:10,230 --> 00:14:07,920

go to um

344

00:14:11,189 --> 00:14:10,240

the the very next dark age

345

00:14:14,230 --> 00:14:11,199

and

346

00:14:17,829 --> 00:14:14,240

they'll do that in by any means possible

347

00:14:20,150 --> 00:14:17,839

by any wars by death by destruction

348

00:14:22,710 --> 00:14:20,160

and even i think they could be capable

349

00:14:24,150 --> 00:14:22,720

for large-scale global resets

350

00:14:25,910 --> 00:14:24,160

uh and and

351

00:14:28,150 --> 00:14:25,920

you know extinction level events

352

00:14:30,069 --> 00:14:28,160

possibly you know i think that they have

353

00:14:32,389 --> 00:14:30,079

a lot of power to do this and they have

354

00:14:35,350 --> 00:14:32,399

a lot of technology as well but the good

355

00:14:37,189 --> 00:14:35,360

thing is we are waking up to it in

356

00:14:39,269 --> 00:14:37,199

drives there's more and more people

357

00:14:41,990 --> 00:14:39,279

coming around and realizing this is

358

00:14:44,470 --> 00:14:42,000

going on they don't want to participate

359

00:14:46,870 --> 00:14:44,480

they want to just live their lives like

360

00:14:50,230 --> 00:14:46,880

they always normally have and not be a

361

00:14:51,590 --> 00:14:50,240

part of the bs and not be a forced slave

362

00:14:54,230 --> 00:14:51,600

in this

363

00:14:56,470 --> 00:14:54,240

dystopian system that's occurring so

364

00:14:59,350 --> 00:14:56,480

that is what i'm hopeful about more and

365

00:15:01,350 --> 00:14:59,360

more people not just not playing it

366

00:15:04,069 --> 00:15:01,360

homie don't play that homie don't play

367

00:15:05,670 --> 00:15:04,079

that man and the

368

00:15:07,030 --> 00:15:05,680

i don't i don't know how you do it but

369

00:15:09,189 --> 00:15:07,040

you're such an

370

00:15:11,430 --> 00:15:09,199

a master of

371

00:15:13,990 --> 00:15:11,440

you know getting past all the censorship

372

00:15:15,670 --> 00:15:14,000

i've been having a lot of oh no

373

00:15:18,230 --> 00:15:15,680

are they getting you too

374

00:15:21,110 --> 00:15:18,240

oh yeah man like uh i'm completely

375

00:15:23,829 --> 00:15:21,120

shadow banned everywhere if facebook

376

00:15:25,910 --> 00:15:23,839

if i post like a picture of myself or a

377

00:15:29,110 --> 00:15:25,920

picture of my dog or something cheesy

378

00:15:30,629 --> 00:15:29,120

i'll get tons of likes but if i post uh

379

00:15:33,350 --> 00:15:30,639

maybe something

380

00:15:35,110 --> 00:15:33,360

that i feel about society going on right

381

00:15:37,189 --> 00:15:35,120

now something controversial something

382

00:15:39,030 --> 00:15:37,199

that most people don't want to hear well

383

00:15:40,389 --> 00:15:39,040

you know most most people that are on

384

00:15:42,470 --> 00:15:40,399

the wrong side of history don't want to

385

00:15:44,710 --> 00:15:42,480

hear but anything that would be

386

00:15:46,550 --> 00:15:44,720

considered going against the narrative

387

00:15:49,189 --> 00:15:46,560

nobody's going to see it

388

00:15:51,269 --> 00:15:49,199

same thing with my well episodes on

389

00:15:53,110 --> 00:15:51,279

youtube nothing that they've completely

390

00:15:54,870 --> 00:15:53,120

shadow banned me i don't even get a

391

00:15:57,749 --> 00:15:54,880

quarter of what i should be getting from

392

00:15:59,990 --> 00:15:57,759

my audience size on youtube uh of course

393

00:16:02,389 --> 00:16:00,000

they've demonetized me i don't show up

394

00:16:04,389 --> 00:16:02,399

in any searches or anything so youtube

395

00:16:05,350 --> 00:16:04,399

completely shadow banned

396

00:16:08,470 --> 00:16:05,360

i

397

00:16:11,189 --> 00:16:08,480

that uh

398

00:16:12,870 --> 00:16:11,199

that podcast platforms haven't been

399

00:16:14,949 --> 00:16:12,880

really censored i think that to an

400

00:16:17,350 --> 00:16:14,959

extent they already are

401
00:16:19,509 --> 00:16:17,360
from a lot of the podcasts that i've

402
00:16:21,350 --> 00:16:19,519
that i speak with and i know a lot of

403
00:16:23,430 --> 00:16:21,360
content creators out there a bigger

404
00:16:25,189 --> 00:16:23,440
podcasts they say that they're kind of

405
00:16:27,030 --> 00:16:25,199
getting capped at a certain amount of

406
00:16:28,710 --> 00:16:27,040
downloads it's very strange you know

407
00:16:30,470 --> 00:16:28,720
they they'd have this trajectory of

408
00:16:32,310 --> 00:16:30,480
growth just like us

409
00:16:34,069 --> 00:16:32,320
and it kind of would just stop at a

410
00:16:36,150 --> 00:16:34,079
certain amount it's like huh you know

411
00:16:39,030 --> 00:16:36,160
it's a decent amount but why does it

412
00:16:41,189 --> 00:16:39,040
just stop there if we have a a trend of

413
00:16:43,189 --> 00:16:41,199

growing and we're still consistent in

414

00:16:45,030 --> 00:16:43,199

doing putting out bad ass content we

415

00:16:46,949 --> 00:16:45,040

should still be growing but that's not

416

00:16:49,189 --> 00:16:46,959

happening i think they're kind of

417

00:16:51,670 --> 00:16:49,199

getting their tentacles in everything

418

00:16:53,670 --> 00:16:51,680

and everywhere and eventually

419

00:16:55,430 --> 00:16:53,680

man i i hate to say this but eventually

420

00:16:57,829 --> 00:16:55,440

i think we're going to be

421

00:17:00,470 --> 00:16:57,839

riding around with uh megaphones in the

422

00:17:02,710 --> 00:17:00,480

back of trucks just yelling about things

423

00:17:04,309 --> 00:17:02,720

that we think are corruption and trying

424

00:17:05,669 --> 00:17:04,319

to get people listen that way man i

425

00:17:06,949 --> 00:17:05,679

think we're we're headed towards that

426

00:17:09,750 --> 00:17:06,959

direction

427

00:17:12,069 --> 00:17:09,760

um i think a big stepping stone for them

428

00:17:14,309 --> 00:17:12,079

to start doing this another one is of

429

00:17:17,750 --> 00:17:14,319

course the alex jones trial

430

00:17:19,350 --> 00:17:17,760

um and you know suing him for however 45

431

00:17:21,829 --> 00:17:19,360

ridiculous million

432

00:17:23,909 --> 00:17:21,839

amounts of dollars and whatever you

433

00:17:26,710 --> 00:17:23,919

think alex jones is probably beside the

434

00:17:30,150 --> 00:17:26,720

point you know he may be even propped up

435

00:17:32,150 --> 00:17:30,160

in certain uh by certain factions he may

436

00:17:34,070 --> 00:17:32,160

be playing both sides i don't know and i

437

00:17:36,470 --> 00:17:34,080

don't claim to know i do know he's had

438

00:17:37,669 --> 00:17:36,480

tons of information that turned out to

439

00:17:39,909 --> 00:17:37,679

be true

440

00:17:41,029 --> 00:17:39,919

and he still spits information that's

441

00:17:44,230 --> 00:17:41,039

true

442

00:17:46,870 --> 00:17:44,240

but what what happened with this is it's

443

00:17:49,190 --> 00:17:46,880

just another stepping stone for them to

444

00:17:51,909 --> 00:17:49,200

attack what they're calling conspiracy

445

00:17:55,029 --> 00:17:51,919

theories and conspiracy information

446

00:17:57,190 --> 00:17:55,039

and they're using their algorithms to

447

00:17:59,510 --> 00:17:57,200

find things and take them down and

448

00:18:01,990 --> 00:17:59,520

cancel they has been i don't know if you

449

00:18:02,789 --> 00:18:02,000

noticed but there's been a major

450

00:18:05,430 --> 00:18:02,799

like

451
00:18:06,549 --> 00:18:05,440
uh cleansing of information from the

452
00:18:08,870 --> 00:18:06,559
internet

453
00:18:11,029 --> 00:18:08,880
things that you cannot find on even like

454
00:18:12,870 --> 00:18:11,039
duckduckgo even private search engines

455
00:18:14,150 --> 00:18:12,880
it's just gone they've been getting rid

456
00:18:15,430 --> 00:18:14,160
of videos they've been getting

457
00:18:17,029 --> 00:18:15,440
information

458
00:18:19,190 --> 00:18:17,039
hell i think they got rid of the georgia

459
00:18:21,990 --> 00:18:19,200
guidestones i think they're getting rid

460
00:18:24,950 --> 00:18:22,000
of anything that could point to

461
00:18:25,990 --> 00:18:24,960
there is a grand conspiracy going on in

462
00:18:27,350 --> 00:18:26,000
our world

463
00:18:28,870 --> 00:18:27,360

and because

464

00:18:31,350 --> 00:18:28,880

most people already know it so they're

465

00:18:33,590 --> 00:18:31,360

trying to scramble to cover their ass to

466

00:18:34,870 --> 00:18:33,600

get rid of everything and censorship

467

00:18:36,470 --> 00:18:34,880

should get just going to keep getting

468

00:18:38,549 --> 00:18:36,480

worse man they're going to try and keep

469

00:18:40,549 --> 00:18:38,559

trying to get rid of all the

470

00:18:43,510 --> 00:18:40,559

alternative voices until they're all

471

00:18:45,029 --> 00:18:43,520

gone um but like i said the hope that i

472

00:18:46,150 --> 00:18:45,039

have and that i talked about a few

473

00:18:48,070 --> 00:18:46,160

minutes ago with everything else

474

00:18:50,230 --> 00:18:48,080

happening i don't know if they'll be

475

00:18:52,230 --> 00:18:50,240

able to fully accomplish it i have hope

476

00:18:53,750 --> 00:18:52,240

that we'll still be yammering on here

477

00:18:55,990 --> 00:18:53,760

next year and the year after and ten

478

00:18:57,590 --> 00:18:56,000

years from now uh you know gosh i hope

479

00:19:00,630 --> 00:18:57,600

so because this is how i make my living

480

00:19:02,950 --> 00:19:00,640

so you know it we live in very critical

481

00:19:05,110 --> 00:19:02,960

times either way it yeah it could

482

00:19:07,590 --> 00:19:05,120

definitely go i'm with you i'm i'm

483

00:19:09,830 --> 00:19:07,600

hopeful but it could definitely go both

484

00:19:12,870 --> 00:19:09,840

ways when you see the powers

485

00:19:15,270 --> 00:19:12,880

that a lot of these censorship companies

486

00:19:16,710 --> 00:19:15,280

have and like you said the internet's

487

00:19:19,110 --> 00:19:16,720

getting cleaned

488

00:19:21,590 --> 00:19:19,120

it's getting there's literally things

489

00:19:22,950 --> 00:19:21,600

that you cannot find anymore

490

00:19:24,470 --> 00:19:22,960

and

491

00:19:26,549 --> 00:19:24,480

that kind of brings me to my next

492

00:19:28,470 --> 00:19:26,559

question which i'm noticing a lot of

493

00:19:31,350 --> 00:19:28,480

lately and maybe it's just that i'm

494

00:19:33,750 --> 00:19:31,360

turning old and i've got kids now and a

495

00:19:35,029 --> 00:19:33,760

few gray hairs but things are not as i

496

00:19:37,270 --> 00:19:35,039

remember them

497

00:19:39,510 --> 00:19:37,280

a lot of things that i was taught as a

498

00:19:41,830 --> 00:19:39,520

kid or remember seeing as a kid or just

499

00:19:43,750 --> 00:19:41,840

different i don't know if it's cern or

500

00:19:45,909 --> 00:19:43,760

where where do you sit with the mandela

501
00:19:47,750 --> 00:19:45,919
effect do you think this is a cern

502
00:19:49,909 --> 00:19:47,760
byproduct or could there be something

503
00:19:52,870 --> 00:19:49,919
else taking place here

504
00:19:55,909 --> 00:19:52,880
honestly man i have no clue what this is

505
00:19:58,230 --> 00:19:55,919
this is interesting though because um it

506
00:20:00,789 --> 00:19:58,240
could easily just be collective

507
00:20:04,230 --> 00:20:00,799
misremembering i doubt it's just that

508
00:20:06,149 --> 00:20:04,240
i lean more towards uh everything we're

509
00:20:07,830 --> 00:20:06,159
viewing now is digital everything we're

510
00:20:09,669 --> 00:20:07,840
viewing is online everything we're

511
00:20:11,990 --> 00:20:09,679
viewing is

512
00:20:14,789 --> 00:20:12,000
able to be highly manipulated we can't

513
00:20:17,669 --> 00:20:14,799

find many of these physical

514

00:20:18,950 --> 00:20:17,679

evidence of like mandela effects much

515

00:20:20,549 --> 00:20:18,960

you know every once in a while maybe

516

00:20:22,390 --> 00:20:20,559

somebody claimed to find an old video of

517

00:20:25,190 --> 00:20:22,400

shazam or something like that

518

00:20:27,190 --> 00:20:25,200

uh but mainly it's things that we see

519

00:20:30,470 --> 00:20:27,200

online and things that we're seeing on

520

00:20:32,630 --> 00:20:30,480

tv and that can be digitally manipulated

521

00:20:35,350 --> 00:20:32,640

and i don't know if it is them those

522

00:20:36,870 --> 00:20:35,360

they just screwing with us and changing

523

00:20:38,950 --> 00:20:36,880

things um

524

00:20:40,630 --> 00:20:38,960

you know i definitely remember that

525

00:20:42,710 --> 00:20:40,640

britney skirt man i

526

00:20:45,190 --> 00:20:42,720

i watched it enough i know what could it

527

00:20:47,830 --> 00:20:45,200

was it was red and plaid and it was a

528

00:20:50,070 --> 00:20:47,840

black skirt so yeah so there's some some

529

00:20:52,470 --> 00:20:50,080

funky things going on uh

530

00:20:55,590 --> 00:20:52,480

are they doing things that to manipulate

531

00:20:57,350 --> 00:20:55,600

uh timelines and reality possibly

532

00:21:00,630 --> 00:20:57,360

from everything that i know about what

533

00:21:04,230 --> 00:21:00,640

they're doing at cern it can't be good

534

00:21:06,310 --> 00:21:04,240

for our quantum reality it can't be good

535

00:21:08,390 --> 00:21:06,320

for um

536

00:21:10,630 --> 00:21:08,400

the the unfolding of what should

537

00:21:12,950 --> 00:21:10,640

naturally be happening although i don't

538

00:21:16,870 --> 00:21:12,960

know if it has that big of an effect

539

00:21:19,350 --> 00:21:16,880

um i do believe in in multiple timelines

540

00:21:21,590 --> 00:21:19,360

i do think that we are experiencing

541

00:21:22,549 --> 00:21:21,600

multiple really realities at the same

542

00:21:26,789 --> 00:21:22,559

time

543

00:21:29,190 --> 00:21:26,799

uh and infinitely possibly i've had uh

544

00:21:31,510 --> 00:21:29,200

quite a few guests actually saying

545

00:21:34,149 --> 00:21:31,520

including one uh you might be familiar

546

00:21:35,909 --> 00:21:34,159

with dr bruce goldberg he says that he

547

00:21:37,430 --> 00:21:35,919

actually was able to switch to a

548

00:21:39,029 --> 00:21:37,440

different version of himself to a

549

00:21:41,750 --> 00:21:39,039

different timeline

550

00:21:43,110 --> 00:21:41,760

through an out of body experience and

551
00:21:44,630 --> 00:21:43,120
that's not the first time i've heard

552
00:21:47,350 --> 00:21:44,640
this i've heard people having out of

553
00:21:50,070 --> 00:21:47,360
body experiences being taken above like

554
00:21:53,029 --> 00:21:50,080
the earth and seeing different options

555
00:21:54,950 --> 00:21:53,039
of what body it'd be there it'd be their

556
00:21:56,789 --> 00:21:54,960
them their but just slightly different

557
00:21:59,029 --> 00:21:56,799
versions of their reality and like

558
00:22:00,390 --> 00:21:59,039
thousands of them and you could choose

559
00:22:02,549 --> 00:22:00,400
every different timeline because

560
00:22:05,669 --> 00:22:02,559
apparently every single decision you

561
00:22:07,430 --> 00:22:05,679
make is going to skew off a different um

562
00:22:09,350 --> 00:22:07,440
a different road or a different timeline

563
00:22:12,470 --> 00:22:09,360

that you could go down it's pretty crazy

564

00:22:14,470 --> 00:22:12,480

man i do believe that that's part of our

565

00:22:16,310 --> 00:22:14,480

multi-dimensional reality

566

00:22:18,630 --> 00:22:16,320

yeah man and i'm with you a hundred

567

00:22:19,990 --> 00:22:18,640

percent on the brittany thing i was a

568

00:22:22,390 --> 00:22:20,000

total nerd

569

00:22:25,190 --> 00:22:22,400

and all through high school and most of

570

00:22:27,830 --> 00:22:25,200

college i always got britney spears

571

00:22:29,590 --> 00:22:27,840

stickers on my skis and when i'd go down

572

00:22:30,470 --> 00:22:29,600

the mountain that's what i was looking

573

00:22:35,430 --> 00:22:30,480

at

574

00:22:36,310 --> 00:22:35,440

care who tells me it wasn't it was red

575

00:22:39,270 --> 00:22:36,320

yeah

576

00:22:41,830 --> 00:22:39,280

and when i saw that it was black my my

577

00:22:43,270 --> 00:22:41,840

jaw dropped and it's not just these

578

00:22:45,750 --> 00:22:43,280

things it's

579

00:22:47,510 --> 00:22:45,760

i i recently was listening to crow

580

00:22:51,029 --> 00:22:47,520

triple seven explaining something that

581

00:22:53,669 --> 00:22:51,039

again made my jaw drop and i you know i

582

00:22:56,710 --> 00:22:53,679

was raised catholic i was an altar boy

583

00:22:58,789 --> 00:22:56,720

and it was you know i remember seeing

584

00:23:00,310 --> 00:22:58,799

posters in my

585

00:23:02,710 --> 00:23:00,320

christian school

586

00:23:03,750 --> 00:23:02,720

of you know the lion laying with the

587

00:23:06,390 --> 00:23:03,760

lamb

588

00:23:07,590 --> 00:23:06,400

oh yeah now it's the lion laying with

589

00:23:10,789 --> 00:23:07,600

the wolf

590

00:23:13,029 --> 00:23:10,799

and it's like no this is and i mean

591

00:23:15,510 --> 00:23:13,039

literally you you can open up your bible

592

00:23:18,470 --> 00:23:15,520

and it's changed in there too so this is

593

00:23:22,149 --> 00:23:18,480

this is like this is more than fiction

594

00:23:24,950 --> 00:23:22,159

and with this cern ritu the rituals that

595

00:23:27,029 --> 00:23:24,960

seem to depict occult rituals right

596

00:23:29,110 --> 00:23:27,039

there on the grounds of cern

597

00:23:31,830 --> 00:23:29,120

i mean people in black cloaks

598

00:23:34,390 --> 00:23:31,840

surrounding a statue of the hindu deity

599

00:23:36,149 --> 00:23:34,400

shiva and apparently stabbing a woman

600

00:23:38,070 --> 00:23:36,159

into human sacrifice and then coming

601
00:23:41,830 --> 00:23:38,080
forward and saying oh no this was just a

602
00:23:44,230 --> 00:23:41,840
mock ritual pay no attention

603
00:23:46,149 --> 00:23:44,240
yeah man you know stuff like that and

604
00:23:48,549 --> 00:23:46,159
what you were saying about how the

605
00:23:50,470 --> 00:23:48,559
actual bibles have changed that is uh

606
00:23:51,990 --> 00:23:50,480
that's that's a doozy man i don't know

607
00:23:54,549 --> 00:23:52,000
how that happens

608
00:23:57,029 --> 00:23:54,559
um unless we are indeed kind of jumping

609
00:23:59,510 --> 00:23:57,039
around timelines and is it caused by

610
00:24:02,789 --> 00:23:59,520
cern do they have the power with this

611
00:24:05,110 --> 00:24:02,799
hydron collider thing that you know to

612
00:24:07,029 --> 00:24:05,120
to actually shift our reality i don't

613
00:24:09,110 --> 00:24:07,039

know but it's possible it's definitely a

614

00:24:13,110 --> 00:24:09,120

big possibility for me i've heard plenty

615

00:24:16,070 --> 00:24:13,120

of terrifying uh stories that supposedly

616

00:24:17,750 --> 00:24:16,080

come out of cern about you know some of

617

00:24:21,590 --> 00:24:17,760

the experiments that they're attempting

618

00:24:23,669 --> 00:24:21,600

people just disappearing uh it's prob

619

00:24:25,350 --> 00:24:23,679

possibly entities that they have

620

00:24:29,510 --> 00:24:25,360

communicated with

621

00:24:31,990 --> 00:24:29,520

uh [h__h] gets crazy man um and you

622

00:24:33,990 --> 00:24:32,000

look at the ai

623

00:24:37,190 --> 00:24:34,000

situation with google

624

00:24:39,350 --> 00:24:37,200

how it was sentient and they were even

625

00:24:40,630 --> 00:24:39,360

uh having you know conversations with

626

00:24:43,590 --> 00:24:40,640

this thing

627

00:24:45,750 --> 00:24:43,600

uh they had they had to shut it down

628

00:24:48,630 --> 00:24:45,760

crazy [h__\h] going on with our technology

629

00:24:50,310 --> 00:24:48,640

man but i think it's all by design um i

630

00:24:52,630 --> 00:24:50,320

don't know if

631

00:24:55,830 --> 00:24:52,640

if ai is what you would consider truly

632

00:24:59,430 --> 00:24:55,840

sentient i don't know how far that goes

633

00:25:02,149 --> 00:24:59,440

uh but i do think that dabbling in these

634

00:25:04,470 --> 00:25:02,159

quantum realms that there are

635

00:25:07,269 --> 00:25:04,480

intelligences that could possibly

636

00:25:11,510 --> 00:25:07,279

interact with our our technology

637

00:25:14,710 --> 00:25:11,520

and uh maybe even have some sort of like

638

00:25:17,350 --> 00:25:14,720

gollum effect into uh

639

00:25:19,430 --> 00:25:17,360

something that we can project this

640

00:25:23,430 --> 00:25:19,440

entity into you know what i mean

641

00:25:24,230 --> 00:25:23,440

totally and it it it really does seem as

642

00:25:27,110 --> 00:25:24,240

if

643

00:25:29,590 --> 00:25:27,120

there's some manipulation on some some

644

00:25:32,789 --> 00:25:29,600

world manipulation on some level no

645

00:25:35,750 --> 00:25:32,799

matter how you look at it it reminds me

646

00:25:37,669 --> 00:25:35,760

of uh kind of kind of going into an area

647

00:25:39,750 --> 00:25:37,679

that i always love to just kind of dip

648

00:25:42,390 --> 00:25:39,760

my finger into which is

649

00:25:44,549 --> 00:25:42,400

the uintah basin and you know the old

650

00:25:46,230 --> 00:25:44,559

bigelow ranch the sherman ranch and all

651
00:25:47,590 --> 00:25:46,240
the weird high strangeness portal

652
00:25:49,350 --> 00:25:47,600
activity there

653
00:25:51,190 --> 00:25:49,360
there was a gentleman named joseph

654
00:25:53,590 --> 00:25:51,200
fermidge who

655
00:25:57,190 --> 00:25:53,600
he worked on some projects with the

656
00:25:58,950 --> 00:25:57,200
current owner of the property and uh i

657
00:26:00,870 --> 00:25:58,960
heard this through grant cameron and

658
00:26:03,830 --> 00:26:00,880
some other folks that were actually

659
00:26:05,909 --> 00:26:03,840
supposedly very in the know at the time

660
00:26:08,070 --> 00:26:05,919
but this gentleman joseph firmage worked

661
00:26:11,830 --> 00:26:08,080
at a laboratory called the lake

662
00:26:14,870 --> 00:26:11,840
uh in in utah and they were working on

663
00:26:15,669 --> 00:26:14,880

some of this very similar to uh well

664

00:26:19,990 --> 00:26:15,679

these

665

00:26:21,909 --> 00:26:20,000

device that could uh

666

00:26:24,390 --> 00:26:21,919

they called it the bouncing box and

667

00:26:26,390 --> 00:26:24,400

there's videos of it online

668

00:26:29,110 --> 00:26:26,400

and you know it's very similar to what

669

00:26:31,990 --> 00:26:29,120

grier depicts you know a box that can

670

00:26:33,830 --> 00:26:32,000

spin with gyroscopes and it it may even

671

00:26:36,390 --> 00:26:33,840

be the same box because

672

00:26:38,070 --> 00:26:36,400

it would create a ton of power and

673

00:26:39,350 --> 00:26:38,080

anyway while they were testing this

674

00:26:41,909 --> 00:26:39,360

thing

675

00:26:44,789 --> 00:26:41,919

many individuals claim that right as

676
00:26:47,269 --> 00:26:44,799
they got to that zero point moment that

677
00:26:49,269 --> 00:26:47,279
entities would kind of manifest in the

678
00:26:51,430 --> 00:26:49,279
corners of this laboratory and again

679
00:26:53,909 --> 00:26:51,440
this is third or fourth person at this

680
00:26:56,230 --> 00:26:53,919
point so i have no legitimate proof of

681
00:26:59,510 --> 00:26:56,240
this but it makes you wonder you know

682
00:27:01,590 --> 00:26:59,520
with things like this collider and other

683
00:27:03,990 --> 00:27:01,600
technologies that are just you know not

684
00:27:06,630 --> 00:27:04,000
exactly the ul listed stuff you and i

685
00:27:08,710 --> 00:27:06,640
grew up hit with you know like

686
00:27:11,430 --> 00:27:08,720
it's not stuff you just plug in the wall

687
00:27:13,190 --> 00:27:11,440
and and and it turns on this is this is

688
00:27:15,110 --> 00:27:13,200

kind of next level and

689

00:27:17,510 --> 00:27:15,120

it really makes you wonder where it's

690

00:27:20,710 --> 00:27:17,520

all headed because if we're all driving

691

00:27:23,269 --> 00:27:20,720

electric cars we're all super reliant on

692

00:27:25,269 --> 00:27:23,279

our wi-fi and our 5g

693

00:27:27,510 --> 00:27:25,279

and everything else when this comes

694

00:27:28,950 --> 00:27:27,520

crashing down when when somebody flips

695

00:27:32,230 --> 00:27:28,960

the switch

696

00:27:33,990 --> 00:27:32,240

what is going to happen i'm talking to

697

00:27:36,310 --> 00:27:34,000

a lot of people that you and i probably

698

00:27:37,750 --> 00:27:36,320

both know uh one of them is tony merkel

699

00:27:39,110 --> 00:27:37,760

in tennessee and i'm seriously

700

00:27:41,110 --> 00:27:39,120

considering going out there and just

701
00:27:44,230 --> 00:27:41,120
kind of seeing the setup he's got yeah i

702
00:27:46,789 --> 00:27:44,240
had tony on last night he's awesome man

703
00:27:49,029 --> 00:27:46,799
and you know he's he's in a he's in a

704
00:27:50,789 --> 00:27:49,039
position with his family where if it all

705
00:27:52,630 --> 00:27:50,799
comes crashing down he's like oh yeah

706
00:27:55,430 --> 00:27:52,640
man my neighbors and i and the people i

707
00:27:57,190 --> 00:27:55,440
know like we're gonna be okay and this

708
00:27:58,950 --> 00:27:57,200
this type of thing

709
00:28:00,630 --> 00:27:58,960
sounds really appealing to me i'm

710
00:28:03,190 --> 00:28:00,640
willing to give up some of the comforts

711
00:28:04,950 --> 00:28:03,200
of life just to have a long-term

712
00:28:07,430 --> 00:28:04,960
realistic you know

713
00:28:09,110 --> 00:28:07,440

possibility of making through that this

714

00:28:11,269 --> 00:28:09,120

amazing reset or whatever they're

715

00:28:13,590 --> 00:28:11,279

calling it this horrible reset is what i

716

00:28:15,590 --> 00:28:13,600

call it but yeah what do you think of

717

00:28:17,269 --> 00:28:15,600

that have you made any plans i know that

718

00:28:18,870 --> 00:28:17,279

you do this the food storage thing if

719

00:28:20,389 --> 00:28:18,880

i'm not mistaken any other plans that

720

00:28:22,870 --> 00:28:20,399

you're making or

721

00:28:26,470 --> 00:28:22,880

working on man uh what i really

722

00:28:27,510 --> 00:28:26,480

ultimately am going to do um yeah i know

723

00:28:30,549 --> 00:28:27,520

you probably know i'm going to be

724

00:28:33,830 --> 00:28:30,559

working on a docu-series i will probably

725

00:28:35,830 --> 00:28:33,840

end up getting a camper or rv and just

726

00:28:38,310 --> 00:28:35,840

end up traveling across the united

727

00:28:41,029 --> 00:28:38,320

states for an undetermined amount of

728

00:28:43,750 --> 00:28:41,039

time and just having it being ongoing

729

00:28:45,430 --> 00:28:43,760

filming and docu-series thing uh and

730

00:28:47,750 --> 00:28:45,440

i've already you know linked up with

731

00:28:49,350 --> 00:28:47,760

plenty of people across the country that

732

00:28:52,230 --> 00:28:49,360

are starting their own sustainable

733

00:28:54,710 --> 00:28:52,240

communities that would be able to link

734

00:28:56,470 --> 00:28:54,720

up with along the way and you know

735

00:28:58,789 --> 00:28:56,480

that's a good time for me to let

736

00:29:00,630 --> 00:28:58,799

everybody know you know if uh if you

737

00:29:01,750 --> 00:29:00,640

would like to help me get the show on

738

00:29:03,750 --> 00:29:01,760

the road

739

00:29:05,510 --> 00:29:03,760

i am planning on leaving in a couple of

740

00:29:07,909 --> 00:29:05,520

months i'll start in texas go down

741

00:29:09,750 --> 00:29:07,919

louisiana and then after that i'm hoping

742

00:29:12,789 --> 00:29:09,760

to hit the east coast

743

00:29:15,510 --> 00:29:12,799

go across the northern united states

744

00:29:19,110 --> 00:29:15,520

back down the west coast and hit some of

745

00:29:21,990 --> 00:29:19,120

the west and then uh midwest after that

746

00:29:24,230 --> 00:29:22,000

uh yeah if as far as the the docu-series

747

00:29:25,350 --> 00:29:24,240

if you if you aren't familiar i'm just

748

00:29:27,909 --> 00:29:25,360

going to be

749

00:29:31,029 --> 00:29:27,919

traveling filming hot spots paranormal

750

00:29:33,950 --> 00:29:31,039

hot spots places of interest histori

751
00:29:37,590 --> 00:29:33,960
historical interest ancient history

752
00:29:42,389 --> 00:29:40,710
any types of metaphysical or spiritual

753
00:29:47,510 --> 00:29:42,399
hot spots

754
00:29:51,110 --> 00:29:47,520
i'd definitely be hitting roswell shasta

755
00:29:53,029 --> 00:29:51,120
dealey plaza for the jfk information

756
00:29:55,430 --> 00:29:53,039
we're going to be hitting places uh in

757
00:29:59,269 --> 00:29:55,440
the northeast

758
00:30:00,630 --> 00:29:59,279
all kinds of wonderful high strange

759
00:30:03,269 --> 00:30:00,640
locations

760
00:30:04,149 --> 00:30:03,279
and we hope to be stopping and talking

761
00:30:06,470 --> 00:30:04,159
with

762
00:30:08,149 --> 00:30:06,480
as many of you along the way as possible

763
00:30:09,269 --> 00:30:08,159

witnesses to paranormal people who have

764

00:30:11,029 --> 00:30:09,279

had

765

00:30:12,950 --> 00:30:11,039

strange things happen to people who know

766

00:30:15,830 --> 00:30:12,960

about bigfoot people know about cryptids

767

00:30:17,750 --> 00:30:15,840

people who had no information about

768

00:30:20,310 --> 00:30:17,760

secret government projects people have

769

00:30:22,149 --> 00:30:20,320

witnessed ufos and

770

00:30:23,830 --> 00:30:22,159

a lot of the guests that i've already

771

00:30:25,669 --> 00:30:23,840

had on over the years some of the

772

00:30:27,830 --> 00:30:25,679

heaviest hitters i'll be going out and

773

00:30:29,269 --> 00:30:27,840

visiting with these guys sitting down

774

00:30:31,990 --> 00:30:29,279

interviewing them

775

00:30:33,990 --> 00:30:32,000

uh and kind of integrating our talks

776

00:30:37,070 --> 00:30:34,000

into the topics that i'll be covering

777

00:30:39,669 --> 00:30:37,080

everything from ufology to spirituality

778

00:30:41,990 --> 00:30:39,679

cryptozoology um

779

00:30:44,630 --> 00:30:42,000

historical conspiracies

780

00:30:47,669 --> 00:30:44,640

modern conspiracies

781

00:30:50,149 --> 00:30:47,679

metaphysical the occult i mean all these

782

00:30:52,389 --> 00:30:50,159

topics that i talk about on my show i'm

783

00:30:53,909 --> 00:30:52,399

going to integrate into this docu-series

784

00:30:55,350 --> 00:30:53,919

and it's just going to be a kind of a

785

00:30:57,990 --> 00:30:55,360

long-term

786

00:31:00,149 --> 00:30:58,000

uh labor of love type thing that i'll be

787

00:31:03,110 --> 00:31:00,159

out on the road doing and kind of living

788

00:31:05,509 --> 00:31:03,120

off the road so that's my my kind of

789

00:31:08,070 --> 00:31:05,519

plans and if it ends up being max mad

790

00:31:10,310 --> 00:31:08,080

max world i'll just like get two machine

791

00:31:12,870 --> 00:31:10,320

gun rudders on the sides and top of that

792

00:31:15,750 --> 00:31:12,880

thing and i'll be ready to go

793

00:31:18,789 --> 00:31:15,760

yeah man i love that idea and i love the

794

00:31:21,509 --> 00:31:18,799

i love the docu-series i can't wait to

795

00:31:24,070 --> 00:31:21,519

see it um i i have heard

796

00:31:26,310 --> 00:31:24,080

the plans and i think it sounds amazing

797

00:31:28,549 --> 00:31:26,320

but it seems like a lot of folks i mean

798

00:31:31,110 --> 00:31:28,559

uh i know greg carlwood is thinking

799

00:31:33,830 --> 00:31:31,120

about moving out of california i just

800

00:31:36,630 --> 00:31:33,840

heard brad olson bought a property in

801
00:31:39,430 --> 00:31:36,640
um yearington nevada and

802
00:31:41,350 --> 00:31:39,440
a lot of folks are you know the rubber

803
00:31:43,110 --> 00:31:41,360
is hitting the road they're they're

804
00:31:44,630 --> 00:31:43,120
walking the t they're walking the walk

805
00:31:46,870 --> 00:31:44,640
and talking the talk

806
00:31:48,789 --> 00:31:46,880
and um let's get into um your

807
00:31:51,190 --> 00:31:48,799
docu-series a little bit and not only

808
00:31:52,950 --> 00:31:51,200
that i want to get into

809
00:31:55,190 --> 00:31:52,960
what brought it about and also you've

810
00:31:58,070 --> 00:31:55,200
been doing a little bit of uh gosh what

811
00:32:00,070 --> 00:31:58,080
do i want to call it dimensional um i

812
00:32:03,190 --> 00:32:00,080
guess you've been getting downloads in a

813
00:32:05,750 --> 00:32:03,200

in a way how would you explain that

814

00:32:07,509 --> 00:32:05,760

ah well where should i start man um i

815

00:32:09,909 --> 00:32:07,519

think this is the last time i was on i

816

00:32:12,549 --> 00:32:09,919

told you about my first uh contact

817

00:32:14,630 --> 00:32:12,559

experience right through meditation okay

818

00:32:17,350 --> 00:32:14,640

well everything that has happened since

819

00:32:20,149 --> 00:32:17,360

then has stemmed from that um you know

820

00:32:23,110 --> 00:32:20,159

from that very experience two years ago

821

00:32:25,110 --> 00:32:23,120

i've been set on

822

00:32:27,669 --> 00:32:25,120

a certain path and i have an

823

00:32:29,669 --> 00:32:27,679

understanding that it was my spirit

824

00:32:32,389 --> 00:32:29,679

guides that i had contact with through

825

00:32:34,630 --> 00:32:32,399

these meditation sessions they gave me

826

00:32:36,950 --> 00:32:34,640

certain things certain tasks that if i

827

00:32:39,509 --> 00:32:36,960

chose to do that would better my life

828

00:32:42,870 --> 00:32:39,519

and i chose to do them and it has better

829

00:32:45,110 --> 00:32:42,880

my life uh tons you know i was uh

830

00:32:47,350 --> 00:32:45,120

you know doing a full-time corporate gig

831

00:32:49,509 --> 00:32:47,360

at this at the time i had these this

832

00:32:51,350 --> 00:32:49,519

experience and the forbidden knowledge

833

00:32:53,509 --> 00:32:51,360

news was just a part-time kind of fun

834

00:32:55,029 --> 00:32:53,519

hobby that i was doing and i was

835

00:32:56,710 --> 00:32:55,039

instructed to quit that job and do

836

00:32:58,470 --> 00:32:56,720

forbidden knowledge news full-time

837

00:33:00,470 --> 00:32:58,480

amongst many other things that i was

838

00:33:03,750 --> 00:33:00,480

instructed to do by these spirit guides

839

00:33:05,029 --> 00:33:03,760

by these wonderful entities that i

840

00:33:06,950 --> 00:33:05,039

have

841

00:33:07,830 --> 00:33:06,960

regular contact with now

842

00:33:09,110 --> 00:33:07,840

um

843

00:33:10,870 --> 00:33:09,120

you know not only that they gave me

844

00:33:14,310 --> 00:33:10,880

instructions on other things to do like

845

00:33:15,830 --> 00:33:14,320

how to um heal from childhood traumas um

846

00:33:17,830 --> 00:33:15,840

things i need to learn about guests i

847

00:33:19,590 --> 00:33:17,840

need to have people i need to talk to

848

00:33:21,509 --> 00:33:19,600

books i need to read

849

00:33:23,669 --> 00:33:21,519

just all kinds of things through these

850

00:33:25,430 --> 00:33:23,679

downloaded information and conversations

851
00:33:27,590 --> 00:33:25,440
uh the psychic conversations i would

852
00:33:31,990 --> 00:33:27,600
have with these entities

853
00:33:34,950 --> 00:33:32,000
um one of the instructions oddly enough

854
00:33:37,669 --> 00:33:34,960
was that i would be able to do a little

855
00:33:39,830 --> 00:33:37,679
bit deeper exploration of myself my

856
00:33:42,549 --> 00:33:39,840
childhood traumas and meet different

857
00:33:44,389 --> 00:33:42,559
types of entities with uh psychedelics

858
00:33:46,710 --> 00:33:44,399
with psilocybin

859
00:33:48,470 --> 00:33:46,720
now at this point i hadn't done

860
00:33:49,350 --> 00:33:48,480
psychedelics in a long time i used to do

861
00:33:51,430 --> 00:33:49,360
them

862
00:33:53,190 --> 00:33:51,440
maybe in my late teen years and 20s

863
00:33:54,950 --> 00:33:53,200

growing up just for like party purposes

864

00:33:56,070 --> 00:33:54,960

or whatever never used it for spiritual

865

00:33:58,149 --> 00:33:56,080

purposes

866

00:33:59,830 --> 00:33:58,159

uh now it would be for a completely

867

00:34:01,110 --> 00:33:59,840

different reason i found it very

868

00:34:02,950 --> 00:34:01,120

interesting that this is one of the

869

00:34:03,750 --> 00:34:02,960

downloads i got

870

00:34:06,870 --> 00:34:03,760

so

871

00:34:08,550 --> 00:34:06,880

after i moved to colorado i start um

872

00:34:10,230 --> 00:34:08,560

i was able to move to colorado within a

873

00:34:13,030 --> 00:34:10,240

couple of months of my first experience

874

00:34:14,869 --> 00:34:13,040

and quit my job i just kind of i took

875

00:34:16,470 --> 00:34:14,879

with what this experience told me to do

876

00:34:18,950 --> 00:34:16,480

at heart and i just kind of ran with it

877

00:34:21,990 --> 00:34:18,960

which i'm so glad i did but once i got

878

00:34:24,790 --> 00:34:22,000

to colorado i started uh my growing my

879

00:34:26,470 --> 00:34:24,800

own psilocybin mushrooms um they were

880

00:34:28,710 --> 00:34:26,480

very potent very

881

00:34:32,310 --> 00:34:28,720

uh high quality

882

00:34:35,270 --> 00:34:32,320

and i proceeded to go on a series of

883

00:34:37,430 --> 00:34:35,280

spirit quest spirit journeys um

884

00:34:39,190 --> 00:34:37,440

i would take pretty large doses

885

00:34:41,589 --> 00:34:39,200

and every time i would end up getting in

886

00:34:43,669 --> 00:34:41,599

touch with my guides and eventually i

887

00:34:46,310 --> 00:34:43,679

got in touch with other types of

888

00:34:49,430 --> 00:34:46,320

entities that were just as

889

00:34:51,109 --> 00:34:49,440

beneficial um just as loving towards me

890

00:34:53,750 --> 00:34:51,119

and they felt like just ancient

891

00:34:55,510 --> 00:34:53,760

ancestors um they appeared

892

00:34:56,869 --> 00:34:55,520

sometimes in etheric form and they

893

00:34:59,030 --> 00:34:56,879

looked they would look what you would

894

00:35:01,349 --> 00:34:59,040

consider a little extraterrestrial

895

00:35:02,870 --> 00:35:01,359

um my spirit guides appear as animal

896

00:35:04,950 --> 00:35:02,880

human hybrids

897

00:35:06,470 --> 00:35:04,960

which is pretty cool

898

00:35:09,349 --> 00:35:06,480

and they

899

00:35:11,589 --> 00:35:09,359

these experiences kind of just kept

900

00:35:14,710 --> 00:35:11,599

ramping up until i'd have what i

901
00:35:17,910 --> 00:35:14,720
considered angelic contact with very

902
00:35:20,950 --> 00:35:17,920
high powered celestial beings very

903
00:35:23,510 --> 00:35:20,960
uh just give you immense feelings of

904
00:35:25,829 --> 00:35:23,520
love and just such

905
00:35:29,270 --> 00:35:25,839
profound information

906
00:35:32,069 --> 00:35:29,280
uh just i've never felt the the presence

907
00:35:33,910 --> 00:35:32,079
of something so powerful as to when i

908
00:35:37,030 --> 00:35:33,920
when i actually make contact with i

909
00:35:38,150 --> 00:35:37,040
consider uh celestial or angelic beings

910
00:35:40,069 --> 00:35:38,160
um

911
00:35:42,310 --> 00:35:40,079
that happened i would in this whole time

912
00:35:44,870 --> 00:35:42,320
i'm getting downloads of what i need to

913
00:35:46,150 --> 00:35:44,880

do and just different things were to to

914

00:35:47,750 --> 00:35:46,160

uh

915

00:35:49,670 --> 00:35:47,760

that i need to pursue

916

00:35:51,750 --> 00:35:49,680

and um

917

00:35:53,910 --> 00:35:51,760

one of those of course was a download to

918

00:35:57,349 --> 00:35:53,920

to do the docu series

919

00:35:59,270 --> 00:35:57,359

and at the same time i had met a girl

920

00:36:02,950 --> 00:35:59,280

that i was with um

921

00:36:04,230 --> 00:36:02,960

she is she was a very uh gifted psychic

922

00:36:05,990 --> 00:36:04,240

medium

923

00:36:08,230 --> 00:36:06,000

and um

924

00:36:10,069 --> 00:36:08,240

we were together for a while and she had

925

00:36:12,790 --> 00:36:10,079

actually helped me with a lot of

926

00:36:14,390 --> 00:36:12,800

childhood traumas and she had never done

927

00:36:16,230 --> 00:36:14,400

psychedelics before and she wanted to

928

00:36:18,470 --> 00:36:16,240

try the mushrooms

929

00:36:20,230 --> 00:36:18,480

um well i'm gonna tell you this story

930

00:36:21,750 --> 00:36:20,240

i'm gonna try and make it as short as i

931

00:36:24,310 --> 00:36:21,760

can because it

932

00:36:26,950 --> 00:36:24,320

it gets a little crazy um

933

00:36:28,790 --> 00:36:26,960

my girlfriend and i were uh well i told

934

00:36:29,910 --> 00:36:28,800

her that i would help her guide her

935

00:36:31,430 --> 00:36:29,920

through uh

936

00:36:33,510 --> 00:36:31,440

an experience

937

00:36:35,030 --> 00:36:33,520

well long story short she takes a [h__\h]

938

00:36:36,870 --> 00:36:35,040

ton because she didn't feel any of it

939

00:36:38,069 --> 00:36:36,880

like she didn't we waited hours and

940

00:36:40,230 --> 00:36:38,079

hours and gave her more and more and

941

00:36:42,390 --> 00:36:40,240

more and more i ended up giving her like

942

00:36:44,470 --> 00:36:42,400

over five grams and she did not feel

943

00:36:46,710 --> 00:36:44,480

anything she claimed she didn't it

944

00:36:49,349 --> 00:36:46,720

didn't seem like she did but other

945

00:36:51,589 --> 00:36:49,359

effects started occurring i was uh under

946

00:36:54,470 --> 00:36:51,599

the influence and i felt a lot you know

947

00:36:55,910 --> 00:36:54,480

i was heavily under the influence i

948

00:36:58,230 --> 00:36:55,920

didn't take quite as much as her but i

949

00:36:59,030 --> 00:36:58,240

was um i was in the spirit realm for

950

00:36:59,990 --> 00:36:59,040

sure

951
00:37:02,470 --> 00:37:00,000

so

952
00:37:04,550 --> 00:37:02,480

not she's not feeling much but we start

953
00:37:06,069 --> 00:37:04,560

to notice that uh

954
00:37:08,630 --> 00:37:06,079

the lighting is like tied to our

955
00:37:11,270 --> 00:37:08,640

conversation the lighting would dim and

956
00:37:12,710 --> 00:37:11,280

go brighter and dimmer as uh tied to our

957
00:37:15,430 --> 00:37:12,720

emotions and the intensity of the

958
00:37:17,430 --> 00:37:15,440

conversation and i'm like am i just

959
00:37:19,030 --> 00:37:17,440

tripping are you seeing this and she you

960
00:37:21,589 --> 00:37:19,040

know confirmed that this was really

961
00:37:24,790 --> 00:37:21,599

happening she was actually able somehow

962
00:37:27,829 --> 00:37:24,800

to control the volume of the music

963
00:37:30,150 --> 00:37:27,839

with her emotions uh she was actually

964

00:37:31,750 --> 00:37:30,160

able to change like the station the

965

00:37:33,510 --> 00:37:31,760

online uh the

966

00:37:36,550 --> 00:37:33,520

spotify station that we're listening to

967

00:37:38,550 --> 00:37:36,560

somehow just by saying it it was pretty

968

00:37:41,430 --> 00:37:38,560

profound how we were like connected to

969

00:37:43,990 --> 00:37:41,440

the electromagnetics and the um

970

00:37:46,230 --> 00:37:44,000

kind and different things in our room

971

00:37:49,670 --> 00:37:46,240

and and the house itself

972

00:37:51,750 --> 00:37:49,680

it's like we were connected to it and

973

00:37:53,589 --> 00:37:51,760

that whole thing was very profound she

974

00:37:56,470 --> 00:37:53,599

didn't feel anything but we started to

975

00:37:58,870 --> 00:37:56,480

like work on my uh issues and childhood

976
00:38:00,470 --> 00:37:58,880
traumas and she was taking me back and

977
00:38:02,230 --> 00:38:00,480
like i said she's a gifted psychic

978
00:38:04,069 --> 00:38:02,240
medium she's done spirit attachment

979
00:38:05,109 --> 00:38:04,079
removals for people she does all kinds

980
00:38:06,630 --> 00:38:05,119
of stuff

981
00:38:09,030 --> 00:38:06,640
and we found that i had a spirit

982
00:38:10,870 --> 00:38:09,040
attachment due to a childhood trauma

983
00:38:13,349 --> 00:38:10,880
worked through it it was a beautiful

984
00:38:15,750 --> 00:38:13,359
thing got rid of the attachment

985
00:38:17,910 --> 00:38:15,760
well this is when i found out that there

986
00:38:19,589 --> 00:38:17,920
are attachments that can be hidden by

987
00:38:21,589 --> 00:38:19,599
other attachments and if you get rid of

988
00:38:23,510 --> 00:38:21,599

their attack the attachment that was

989

00:38:25,670 --> 00:38:23,520

hiding it they don't like that they get

990

00:38:28,230 --> 00:38:25,680

very angry and these are very powerful

991

00:38:30,390 --> 00:38:28,240

entities and this

992

00:38:31,109 --> 00:38:30,400

apparently was one that was attached to

993

00:38:33,589 --> 00:38:31,119

me

994

00:38:36,069 --> 00:38:33,599

so she goes ahead and clears this one

995

00:38:37,990 --> 00:38:36,079

attachment and uh

996

00:38:39,349 --> 00:38:38,000

i thought it was great if i felt so much

997

00:38:41,109 --> 00:38:39,359

better i felt like a weight had been

998

00:38:43,270 --> 00:38:41,119

lifted and then we're just having

999

00:38:44,950 --> 00:38:43,280

conversation after that

1000

00:38:46,310 --> 00:38:44,960

and all of a sudden the conversation it

1001
00:38:47,910 --> 00:38:46,320
just seemed like it got darker and

1002
00:38:50,950 --> 00:38:47,920
darker and what she was saying was

1003
00:38:52,870 --> 00:38:50,960
getting stranger and just weirder and i

1004
00:38:55,589 --> 00:38:52,880
remember this is what i remember saying

1005
00:38:57,670 --> 00:38:55,599
at one point she says yeah wow many

1006
00:38:59,750 --> 00:38:57,680
years ago i crash landed on this planet

1007
00:39:02,230 --> 00:38:59,760
i was trying to find a perfect host to

1008
00:39:04,950 --> 00:39:02,240
attach to so i could nurture and grow

1009
00:39:06,710 --> 00:39:04,960
and it was you and i found you and you

1010
00:39:08,470 --> 00:39:06,720
know i've been with you since then and

1011
00:39:10,630 --> 00:39:08,480
i've helped you grow to the point where

1012
00:39:12,710 --> 00:39:10,640
you're at now and

1013
00:39:14,710 --> 00:39:12,720

she's like now that you know this about

1014

00:39:17,030 --> 00:39:14,720

me do you still love me and all of a

1015

00:39:18,870 --> 00:39:17,040

sudden as she was saying this

1016

00:39:21,349 --> 00:39:18,880

this is my girlfriend i'm looking at her

1017

00:39:23,510 --> 00:39:21,359

she shape-shifts into a reptilian like

1018

00:39:25,750 --> 00:39:23,520

this disgusting terrifying reptilian

1019

00:39:27,030 --> 00:39:25,760

being now i know a lot of people say

1020

00:39:28,790 --> 00:39:27,040

yeah you're on mushrooms of course

1021

00:39:30,710 --> 00:39:28,800

you're gonna see [h__h] like that well no

1022

00:39:33,670 --> 00:39:30,720

not really man um

1023

00:39:36,310 --> 00:39:33,680

people that uh have i've had hundreds

1024

00:39:40,230 --> 00:39:36,320

and hundreds of psychedelic experiences

1025

00:39:44,550 --> 00:39:40,240

uh and i don't i'd never had anything

1026
00:39:45,990 --> 00:39:44,560
quite like this before this my whole um

1027
00:39:48,870 --> 00:39:46,000
it was like i was

1028
00:39:50,870 --> 00:39:48,880
pulled into a different type of reality

1029
00:39:52,710 --> 00:39:50,880
as she shape-shifted everything in my

1030
00:39:55,510 --> 00:39:52,720
house kind of changed it looked like i

1031
00:39:58,710 --> 00:39:55,520
was in a dungeon they had dingy mold on

1032
00:40:01,750 --> 00:39:58,720
the walls they had bars on the windows i

1033
00:40:03,510 --> 00:40:01,760
looked outside and the sky was blood red

1034
00:40:06,230 --> 00:40:03,520
and this now which was one of my

1035
00:40:08,550 --> 00:40:06,240
girlfriend is now a giant reptilian she

1036
00:40:10,390 --> 00:40:08,560
even grew a few feet tall

1037
00:40:12,710 --> 00:40:10,400
giant reptilian in my girlfriend's

1038
00:40:14,790 --> 00:40:12,720

bathrobe chasing me around my house

1039

00:40:16,230 --> 00:40:14,800

asking if i still love it it's all this

1040

00:40:18,790 --> 00:40:16,240

crazy [h__\h]

1041

00:40:21,030 --> 00:40:18,800

so i'm freaking out uh i don't know what

1042

00:40:23,109 --> 00:40:21,040

to do i come to the realization that i

1043

00:40:25,750 --> 00:40:23,119

may be trapped in this what it this

1044

00:40:27,910 --> 00:40:25,760

reptilian entities kind of mind dungeon

1045

00:40:29,910 --> 00:40:27,920

or mind prison and i don't know if i can

1046

00:40:31,829 --> 00:40:29,920

get out of here because it's not it

1047

00:40:34,870 --> 00:40:31,839

wasn't like your normal

1048

00:40:37,670 --> 00:40:34,880

uh we have loops whenever you have

1049

00:40:40,309 --> 00:40:37,680

psychedelic experiences it'll kind of

1050

00:40:42,630 --> 00:40:40,319

come and go in the form of loops it'll

1051
00:40:44,309 --> 00:40:42,640
get really intense and then kind of die

1052
00:40:46,390 --> 00:40:44,319
out and go back to the other way before

1053
00:40:49,030 --> 00:40:46,400
you feel euphoria

1054
00:40:52,309 --> 00:40:49,040
this was not that i was in a state of

1055
00:40:54,550 --> 00:40:52,319
complete just utter fear and my

1056
00:40:56,150 --> 00:40:54,560
surroundings were not shifting and

1057
00:40:58,309 --> 00:40:56,160
melding like they normally do when

1058
00:40:59,829 --> 00:40:58,319
you're in a psychedelic experience it

1059
00:41:02,870 --> 00:40:59,839
was very clear

1060
00:41:04,790 --> 00:41:02,880
i was in a different reality everything

1061
00:41:06,630 --> 00:41:04,800
was very uh

1062
00:41:07,670 --> 00:41:06,640
you know it was very real as real as it

1063
00:41:09,750 --> 00:41:07,680

gets

1064

00:41:12,390 --> 00:41:09,760

i don't know what to do i go and run to

1065

00:41:14,390 --> 00:41:12,400

the shower i turn the shower on and i'm

1066

00:41:15,589 --> 00:41:14,400

just praying in the shower i'm like god

1067

00:41:18,550 --> 00:41:15,599

what happened

1068

00:41:22,470 --> 00:41:18,560

how did i get tre what's going on

1069

00:41:25,349 --> 00:41:22,480

uh it was at that moment that um

1070

00:41:27,510 --> 00:41:25,359

i hear this super loud commanding voice

1071

00:41:28,870 --> 00:41:27,520

in my head and it rattled me to the core

1072

00:41:31,270 --> 00:41:28,880

and it felt like it was coming from

1073

00:41:32,790 --> 00:41:31,280

inside me it said no you're being

1074

00:41:35,349 --> 00:41:32,800

deceived

1075

00:41:37,589 --> 00:41:35,359

and as i heard that voice man i puked up

1076

00:41:40,150 --> 00:41:37,599

some black goo [h__h] that i've never seen

1077

00:41:42,150 --> 00:41:40,160

come out of a human being came out of me

1078

00:41:44,069 --> 00:41:42,160

i don't remember what it tasted like it

1079

00:41:45,910 --> 00:41:44,079

probably wasn't too good but it

1080

00:41:47,349 --> 00:41:45,920

unfortunately went right down the drain

1081

00:41:49,829 --> 00:41:47,359

of course i was in the shower couldn't

1082

00:41:52,230 --> 00:41:49,839

keep any of it but man it was

1083

00:41:53,109 --> 00:41:52,240

it was some thick black as

1084

00:41:55,430 --> 00:41:53,119

night

1085

00:41:57,030 --> 00:41:55,440

just goo stuff and that i puked out as

1086

00:41:58,550 --> 00:41:57,040

this voice said that and at the same

1087

00:42:00,630 --> 00:41:58,560

time i'm puking

1088

00:42:02,470 --> 00:42:00,640

the lights in the bathroom kind of burst

1089

00:42:04,710 --> 00:42:02,480

on so brightly

1090

00:42:07,190 --> 00:42:04,720

and i feel amazing like if the stuff is

1091

00:42:10,069 --> 00:42:07,200

coming out but i feel so great and i

1092

00:42:12,470 --> 00:42:10,079

feel the presence of what i can consid

1093

00:42:14,309 --> 00:42:12,480

what i've come to know as angelic being

1094

00:42:16,470 --> 00:42:14,319

celestial beings

1095

00:42:18,470 --> 00:42:16,480

and you know as i'm getting out of the

1096

00:42:20,710 --> 00:42:18,480

shower the music switches to this

1097

00:42:22,870 --> 00:42:20,720

triumphant classical music sounds like

1098

00:42:25,349 --> 00:42:22,880

cathedral music and

1099

00:42:28,630 --> 00:42:25,359

everything was like so beautiful in that

1100

00:42:32,630 --> 00:42:28,640

moment and i walk outside and like my

1101

00:42:35,750 --> 00:42:32,640

girlfriend is in a meditative position

1102

00:42:37,349 --> 00:42:35,760

and she said i saw everything she

1103

00:42:40,069 --> 00:42:37,359

proceeded to tell me that they had a

1104

00:42:41,349 --> 00:42:40,079

reptilian attachment that took over my

1105

00:42:42,829 --> 00:42:41,359

perception

1106

00:42:44,790 --> 00:42:42,839

and she could see it

1107

00:42:47,430 --> 00:42:44,800

etherically she

1108

00:42:49,750 --> 00:42:47,440

called in her guides and her her angels

1109

00:42:52,790 --> 00:42:49,760

she called in archangel michael and

1110

00:42:55,270 --> 00:42:52,800

gabriel to come help with the situation

1111

00:42:57,030 --> 00:42:55,280

and that's the presence that i felt and

1112

00:42:59,030 --> 00:42:57,040

as soon as she

1113

00:43:01,589 --> 00:42:59,040

what she did is she was able with their

1114

00:43:03,910 --> 00:43:01,599

help to kind of etherically grab this

1115

00:43:05,750 --> 00:43:03,920

reptilian and throw it through a portal

1116

00:43:07,430 --> 00:43:05,760

and get rid of it that's what she said

1117

00:43:09,670 --> 00:43:07,440

that's what she said she was kind of

1118

00:43:11,270 --> 00:43:09,680

doing in her the way she does her thing

1119

00:43:13,750 --> 00:43:11,280

or whatever she does

1120

00:43:17,030 --> 00:43:13,760

and she said as soon as she did that in

1121

00:43:19,270 --> 00:43:17,040

her in her astral form or however she's

1122

00:43:21,510 --> 00:43:19,280

lassoing this reptilian and throwing it

1123

00:43:23,190 --> 00:43:21,520

through a portal as soon as she did that

1124

00:43:25,750 --> 00:43:23,200

that's when she heard me in the bathroom

1125

00:43:27,829 --> 00:43:25,760

puking up the the black stuff it all

1126

00:43:29,589 --> 00:43:27,839

simultaneously happened

1127

00:43:31,510 --> 00:43:29,599

so that was like one of the most

1128

00:43:34,710 --> 00:43:31,520

incredible experience i've ever had

1129

00:43:36,870 --> 00:43:34,720

after that i felt lighter than air i was

1130

00:43:39,030 --> 00:43:36,880

so happy for like you know i still am i

1131

00:43:41,030 --> 00:43:39,040

can sleep better um

1132

00:43:43,190 --> 00:43:41,040

she you know i think that thing was with

1133

00:43:45,349 --> 00:43:43,200

me from for a very long time weighing me

1134

00:43:47,750 --> 00:43:45,359

down in a lot of ways

1135

00:43:49,430 --> 00:43:47,760

and uh she got rid of it so

1136

00:43:50,630 --> 00:43:49,440

you know like some people are going to

1137

00:43:53,030 --> 00:43:50,640

say oh yeah you were just tripping

1138

00:43:54,950 --> 00:43:53,040

hallucinations shit's crazy sometimes

1139

00:43:57,430 --> 00:43:54,960

yeah it is crazy sometimes but it was

1140

00:43:59,990 --> 00:43:57,440

never that crazy for me and i was always

1141

00:44:02,790 --> 00:44:00,000

able to realize that i was

1142

00:44:06,069 --> 00:44:02,800

still in my own reality still just under

1143

00:44:08,309 --> 00:44:06,079

the influence of uh psilocybin and this

1144

00:44:11,190 --> 00:44:08,319

was all going to be over soon that went

1145

00:44:14,470 --> 00:44:11,200

away completely i had the just like this

1146

00:44:16,550 --> 00:44:14,480

knowing that this is not my reality i am

1147

00:44:18,390 --> 00:44:16,560

not supposed to be here and i don't know

1148

00:44:21,190 --> 00:44:18,400

if i can ever leave here

1149

00:44:23,430 --> 00:44:21,200

it was pretty insane man so that was

1150

00:44:25,750 --> 00:44:23,440

that was my journey through kind of

1151

00:44:28,790 --> 00:44:25,760

different dimensions

1152

00:44:31,109 --> 00:44:28,800

man it's engaging i think it's great

1153

00:44:33,829 --> 00:44:31,119

that you're exploring like

1154

00:44:36,630 --> 00:44:33,839

this these physical characteristics

1155

00:44:39,349 --> 00:44:36,640

con your consciousness ability abilities

1156

00:44:41,510 --> 00:44:39,359

dimensional capacities and like a lot of

1157

00:44:43,349 --> 00:44:41,520

people's belief systems

1158

00:44:46,390 --> 00:44:43,359

and agendas don't believe that you can

1159

00:44:47,910 --> 00:44:46,400

get these attachments but i i i believe

1160

00:44:51,190 --> 00:44:47,920

100

1161

00:44:53,750 --> 00:44:51,200

and uh i've seen it happen i've seen

1162

00:44:56,470 --> 00:44:53,760

these these types of things and i mean

1163

00:44:59,430 --> 00:44:56,480

heck going up to you know the uintah

1164

00:45:01,109 --> 00:44:59,440

basin of utah it's very common to come

1165

00:45:03,670 --> 00:45:01,119

home after i've been at spacewolf

1166

00:45:06,069 --> 00:45:03,680

research and you know there's just

1167

00:45:08,870 --> 00:45:06,079

something not right and it takes a while

1168

00:45:10,710 --> 00:45:08,880

to kind of clear that but um i think

1169

00:45:12,550 --> 00:45:10,720

it's great that you're doing that for

1170

00:45:14,870 --> 00:45:12,560

our listeners let's tell them a little

1171

00:45:18,150 --> 00:45:14,880

bit about your docu-series coming up and

1172

00:45:21,030 --> 00:45:18,160

also about your podcasts you have a few

1173

00:45:22,790 --> 00:45:21,040

and where they can uh tap into more

1174

00:45:25,190 --> 00:45:22,800

chris matthew

1175

00:45:27,109 --> 00:45:25,200

for sure man yeah uh

1176

00:45:30,630 --> 00:45:27,119

like i said the docu-series it's gonna

1177

00:45:34,550 --> 00:45:30,640

be a long-term project um we'll probably

1178

00:45:37,589 --> 00:45:34,560

be putting out the first episode maybe

1179

00:45:40,309 --> 00:45:37,599

in about four months or so

1180

00:45:43,670 --> 00:45:40,319

it's going to be an ongoing thing

1181

00:45:46,230 --> 00:45:43,680

if you would like to help in any way you

1182

00:45:47,829 --> 00:45:46,240

can do that you can go to support

1183

00:45:48,829 --> 00:45:47,839

fkfn.com

1184

00:45:51,270 --> 00:45:48,839

that's

1185

00:45:53,190 --> 00:45:51,280

supportfkfn.com you can leave a donation

1186

00:45:54,150 --> 00:45:53,200

if you leave a donation of five dollars

1187

00:45:56,150 --> 00:45:54,160

or more

1188

00:45:58,309 --> 00:45:56,160

you're going to get access to

1189

00:46:01,190 --> 00:45:58,319

corey hughes who is

1190

00:46:02,790 --> 00:46:01,200

an amazing jfk researcher and historian

1191

00:46:05,190 --> 00:46:02,800

he's writing a book right now that will

1192

00:46:07,750 --> 00:46:05,200

be available in october you will get

1193

00:46:10,230 --> 00:46:07,760

access to his secret jfk forum

1194

00:46:12,230 --> 00:46:10,240

a lot of the information that's going

1195

00:46:14,790 --> 00:46:12,240

into his book super secret stuff stuff

1196

00:46:16,069 --> 00:46:14,800

that nobody else has uncovered you

1197

00:46:17,910 --> 00:46:16,079

donate five dollars and where you're

1198

00:46:20,309 --> 00:46:17,920

going to get access to all that in a

1199

00:46:23,589 --> 00:46:20,319

super fun forum that you can talk jfk

1200

00:46:26,309 --> 00:46:23,599

conspiracies all day with some jfk nerds

1201
00:46:29,910 --> 00:46:26,319
uh it's really awesome and it would help

1202
00:46:33,030 --> 00:46:29,920
me to be able to get on the road uh to

1203
00:46:34,710 --> 00:46:33,040
to get started with this docu-series um

1204
00:46:37,750 --> 00:46:34,720
it's like i said to cover all the

1205
00:46:40,710 --> 00:46:37,760
fantastic and wonderful and creepy and

1206
00:46:42,630 --> 00:46:40,720
awesome and amazing topics that i cover

1207
00:46:45,510 --> 00:46:42,640
every day um

1208
00:46:47,750 --> 00:46:45,520
and it's gonna be uh you know

1209
00:46:51,670 --> 00:46:47,760
overall it's going to be a spiritual

1210
00:46:55,109 --> 00:46:51,680
journey for me it's going to be um

1211
00:46:58,710 --> 00:46:55,119
something that i need to really

1212
00:47:02,309 --> 00:46:58,720
i think one of the um

1213
00:47:05,750 --> 00:47:02,319

i guess one of the closing chapters

1214

00:47:07,829 --> 00:47:05,760

for me to really um

1215

00:47:09,670 --> 00:47:07,839

to really get in touch

1216

00:47:11,270 --> 00:47:09,680

with

1217

00:47:12,870 --> 00:47:11,280

my purpose

1218

00:47:15,349 --> 00:47:12,880

where i'm headed what i'm really

1219

00:47:18,069 --> 00:47:15,359

supposed to be doing here and it's just

1220

00:47:20,630 --> 00:47:18,079

gonna be a spiritual journey man i'm you

1221

00:47:22,630 --> 00:47:20,640

know just going out there

1222

00:47:25,030 --> 00:47:22,640

letting the universe take over and

1223

00:47:26,910 --> 00:47:25,040

hopefully things work out for the best

1224

00:47:30,230 --> 00:47:26,920

so yeah if you want to go to support

1225

00:47:32,710 --> 00:47:30,240

fkn.com i'd love that if you help us out

1226

00:47:34,230 --> 00:47:32,720

anything is greatly appreciated also if

1227

00:47:36,309 --> 00:47:34,240

you want to get involved in any other

1228

00:47:37,990 --> 00:47:36,319

way if you want to help with lodging if

1229

00:47:39,750 --> 00:47:38,000

you want to hang out if you want to do

1230

00:47:41,510 --> 00:47:39,760

interviews if you know information if

1231

00:47:44,470 --> 00:47:41,520

you've had paranormal experiences are

1232

00:47:47,510 --> 00:47:44,480

you a whistleblower uh cryptozoology

1233

00:47:49,950 --> 00:47:47,520

experiences uh ufos all that good stuff

1234

00:47:51,510 --> 00:47:49,960

email me forbidden knowledge news

1235

00:47:53,430 --> 00:47:51,520

gmail.com

1236

00:47:55,910 --> 00:47:53,440

and i will get right back with you and

1237

00:47:58,230 --> 00:47:55,920

we'll set something up so i love hearing

1238

00:47:59,910 --> 00:47:58,240

everybody's stories and man thank you so

1239

00:48:02,230 --> 00:47:59,920

much again for having me on this was

1240

00:48:05,990 --> 00:48:02,240

fantastic oh podcast yeah you can find

1241

00:48:09,390 --> 00:48:06,000

podcasts on all podcast platforms um our

1242

00:48:11,030 --> 00:48:09,400

premium content is on rockfin you go to

1243

00:48:13,430 --> 00:48:11,040

rokfin.com

1244

00:48:15,910 --> 00:48:13,440

fknplus to sign up for that you also get

1245

00:48:17,109 --> 00:48:15,920

all the premium content from everyone on

1246

00:48:20,390 --> 00:48:17,119

roxanne

1247

00:48:22,710 --> 00:48:20,400

uh website forbidden knowledge.news and

1248

00:48:24,790 --> 00:48:22,720

i think that's it you get our limited

1249

00:48:27,190 --> 00:48:24,800

content on youtube we post mostly clips

1250

00:48:29,430 --> 00:48:27,200

there uh but that's where you find us

1251

00:48:31,990 --> 00:48:29,440

thank you brother yeah man and you're

1252

00:48:34,390 --> 00:48:32,000

absolutely welcome when you get that uh

1253

00:48:36,069 --> 00:48:34,400

that rv going to

1254

00:48:38,790 --> 00:48:36,079

drop in at the base camp there at

1255

00:48:42,309 --> 00:48:38,800

spacewolf research in the uintah basin

1256

00:48:44,309 --> 00:48:42,319

and you know we have delved into uh

1257

00:48:46,870 --> 00:48:44,319

using some of these technologies these

1258

00:48:49,910 --> 00:48:46,880

consciousness technologies like the god

1259

00:48:52,470 --> 00:48:49,920

helmet and the onja lamp and you know

1260

00:48:54,630 --> 00:48:52,480

many people report seeing

1261

00:48:57,589 --> 00:48:54,640

sort of these i don't know what to call

1262

00:49:00,230 --> 00:48:57,599

them um i think you've mentioned this uh

1263

00:49:03,589 --> 00:49:00,240

sort of like machine elves

1264

00:49:07,510 --> 00:49:03,599

have you had similar experiences to this

1265

00:49:09,990 --> 00:49:07,520

no man um the only entities that i've

1266

00:49:12,390 --> 00:49:10,000

ever had experiences with were first

1267

00:49:14,470 --> 00:49:12,400

through meditation which i've come to

1268

00:49:17,990 --> 00:49:14,480

understand are my spirit guides and

1269

00:49:20,150 --> 00:49:18,000

ancestors and then later through uh

1270

00:49:22,470 --> 00:49:20,160

psilocybin experiences

1271

00:49:25,270 --> 00:49:22,480

i was able to

1272

00:49:26,390 --> 00:49:25,280

have conversations and experiences with

1273

00:49:28,150 --> 00:49:26,400

more

1274

00:49:29,270 --> 00:49:28,160

it seemed like intellectual type

1275

00:49:31,829 --> 00:49:29,280

entities

1276

00:49:33,430 --> 00:49:31,839

that maybe could be considered a more

1277

00:49:36,470 --> 00:49:33,440

extraterrestrial

1278

00:49:38,069 --> 00:49:36,480

less human they didn't feel like they

1279

00:49:43,109 --> 00:49:38,079

were

1280

00:49:45,510 --> 00:49:43,119

give me the same loving feeling although

1281

00:49:47,510 --> 00:49:45,520

it was a very calming feeling

1282

00:49:49,030 --> 00:49:47,520

and they had a great sense of humor

1283

00:49:51,190 --> 00:49:49,040

about things when we would talk i could

1284

00:49:52,549 --> 00:49:51,200

tell it was a completely different group

1285

00:49:54,950 --> 00:49:52,559

of entities

1286

00:49:57,349 --> 00:49:54,960

and ultimately at the very top whenever

1287

00:49:59,270 --> 00:49:57,359

i was in the presence of angelic

1288

00:50:01,510 --> 00:49:59,280

entities it's like

1289

00:50:04,230 --> 00:50:01,520

man i felt like uh you know i felt like

1290

00:50:06,470 --> 00:50:04,240

my insides were gonna be explode with

1291

00:50:08,710 --> 00:50:06,480

love it was crazy it's the most insane

1292

00:50:11,030 --> 00:50:08,720

feeling i've ever felt and i could feel

1293

00:50:13,510 --> 00:50:11,040

just the power coming from them is like

1294

00:50:15,190 --> 00:50:13,520

love and ultimate power it was just the

1295

00:50:16,230 --> 00:50:15,200

most beautiful thing that i could ever

1296

00:50:19,109 --> 00:50:16,240

feel

1297

00:50:20,230 --> 00:50:19,119

yeah man and i think it's great that you

1298

00:50:21,990 --> 00:50:20,240

know

1299

00:50:24,069 --> 00:50:22,000

this has been done for

1300

00:50:26,390 --> 00:50:24,079

you know centuries if not millennia

1301

00:50:28,549 --> 00:50:26,400

where people are able to

1302

00:50:30,630 --> 00:50:28,559

enter the spirit realm and

1303

00:50:32,710 --> 00:50:30,640

you know over half of those who have

1304

00:50:35,030 --> 00:50:32,720

identified as atheists before having

1305

00:50:36,470 --> 00:50:35,040

some of these experiences no longer

1306

00:50:38,870 --> 00:50:36,480

identify it

1307

00:50:42,630 --> 00:50:38,880

afterwards i think that's fascinating

1308

00:50:44,710 --> 00:50:42,640

but yeah this is what shaman and and

1309

00:50:46,390 --> 00:50:44,720

spiritual masters through the millennia

1310

00:50:48,710 --> 00:50:46,400

have used you know whether it's breath

1311

00:50:51,109 --> 00:50:48,720

work or you know getting a little jump

1312

00:50:53,430 --> 00:50:51,119

start with some of these substances

1313

00:50:56,390 --> 00:50:53,440

but this is uh you know it's part of the

1314

00:50:59,910 --> 00:50:56,400

game for those that are uh you know not

1315

00:51:02,390 --> 00:50:59,920

as engaged or or from a more judgmenty

1316

00:51:04,549 --> 00:51:02,400

um position but i think it's great i

1317

00:51:06,790 --> 00:51:04,559

i've got my eyes on your docu-series

1318

00:51:07,829 --> 00:51:06,800

can't wait to see it and i i love

1319

00:51:09,990 --> 00:51:07,839

following

1320

00:51:12,390 --> 00:51:10,000

fkn it's definitely great and beyond

1321

00:51:14,630 --> 00:51:12,400

classified highly recommend all the

1322

00:51:17,349 --> 00:51:14,640

listeners tune in and yeah we have to

1323

00:51:19,510 --> 00:51:17,359

talk again soon man thanks for coming on

1324

00:51:21,750 --> 00:51:19,520

oh yeah man i had a blast i'd love to

1325

00:51:23,030 --> 00:51:21,760

talk again anytime just let me know for

1326

00:51:26,870 --> 00:51:23,040

sure

1327

00:51:29,030 --> 00:51:26,880

man i love talking to chris matthew he

1328

00:51:30,870 --> 00:51:29,040

is always just

1329

00:51:32,230 --> 00:51:30,880

the tip of the spear when it comes to

1330

00:51:35,190 --> 00:51:32,240

information

1331

00:51:38,309 --> 00:51:35,200

whether that be you know our reality or

1332

00:51:39,589 --> 00:51:38,319

the uh manipulation of it by those who

1333

00:51:42,309 --> 00:51:39,599

control

1334

00:51:44,150 --> 00:51:42,319

much of the censorship and you know we

1335

00:51:46,150 --> 00:51:44,160

all kind of have to play by a certain

1336

00:51:48,549 --> 00:51:46,160

set of rules it seems

1337

00:51:51,030 --> 00:51:48,559

those rules are changing in function and

1338

00:51:53,430 --> 00:51:51,040

it's important to keep your pulse

1339

00:51:55,589 --> 00:51:53,440

on how they're changing and what you can

1340

00:51:57,990 --> 00:51:55,599

do to maintain some of the civil

1341

00:52:00,710 --> 00:51:58,000

liberties we all know and love

1342

00:52:01,829 --> 00:52:00,720

definitely tap into forbidden knowledge

1343

00:52:04,790 --> 00:52:01,839

news

1344

00:52:06,390 --> 00:52:04,800

also beyond classified and keep an eye

1345

00:52:08,790 --> 00:52:06,400

out for anything chris matthew this

1346

00:52:11,349 --> 00:52:08,800

docu-series is going to be epic

1347

00:52:13,910 --> 00:52:11,359

i think it's very impressive that so

1348

00:52:15,829 --> 00:52:13,920

many people that i follow and respect

1349

00:52:18,630 --> 00:52:15,839

are making moves

1350

00:52:21,510 --> 00:52:18,640

to make sure that they have

1351
00:52:24,630 --> 00:52:21,520
freedom and that they have

1352
00:52:27,829 --> 00:52:24,640
their own supply chain of food

1353
00:52:30,870 --> 00:52:27,839
if and when this reset happens

1354
00:52:33,829 --> 00:52:30,880
a lot of the writing is on the wall

1355
00:52:34,790 --> 00:52:33,839
and if it is just a

1356
00:52:37,750 --> 00:52:34,800
false

1357
00:52:39,030 --> 00:52:37,760
alarm and people are getting riled up

1358
00:52:41,109 --> 00:52:39,040
for nothing

1359
00:52:43,750 --> 00:52:41,119
the way i see it is what do you really

1360
00:52:45,510 --> 00:52:43,760
have to lose if you

1361
00:52:48,150 --> 00:52:45,520
set up a system

1362
00:52:50,790 --> 00:52:48,160
to take care of yourself and your family

1363
00:52:52,309 --> 00:52:50,800

in the event of a catastrophe you really

1364

00:52:54,309 --> 00:52:52,319

have nothing to lose

1365

00:52:56,710 --> 00:52:54,319

all you're doing is teaching your

1366

00:52:59,190 --> 00:52:56,720

children and those around you

1367

00:53:01,510 --> 00:52:59,200

how to better take care of themselves

1368

00:53:02,230 --> 00:53:01,520

back during the great depression which

1369

00:53:04,390 --> 00:53:02,240

is

1370

00:53:06,470 --> 00:53:04,400

pretty far in the rear view mirror a lot

1371

00:53:09,349 --> 00:53:06,480

of people cannot

1372

00:53:11,589 --> 00:53:09,359

even fathom the reality of what took

1373

00:53:14,630 --> 00:53:11,599

place back then i i remember hearing

1374

00:53:16,549 --> 00:53:14,640

stories from my grandparents about going

1375

00:53:18,710 --> 00:53:16,559

to the banks

1376

00:53:21,270 --> 00:53:18,720

during that time to get their money out

1377

00:53:23,910 --> 00:53:21,280

and the banks were locked the banks were

1378

00:53:26,470 --> 00:53:23,920

closed the money was gone

1379

00:53:28,710 --> 00:53:26,480

and this same sort of thing could happen

1380

00:53:31,030 --> 00:53:28,720

again it's happened in the past and

1381

00:53:34,790 --> 00:53:31,040

sometimes the best way to know what the

1382

00:53:37,109 --> 00:53:34,800

future holds is to be aware of the past

1383

00:53:39,270 --> 00:53:37,119

just imagine going to your grocery store

1384

00:53:42,390 --> 00:53:39,280

to pick up your food and

1385

00:53:44,230 --> 00:53:42,400

the doors are locked the food is gone

1386

00:53:46,549 --> 00:53:44,240

what would you do

1387

00:53:48,309 --> 00:53:46,559

that's a question that's really hard for

1388

00:53:50,470 --> 00:53:48,319

a lot of people such as myself to

1389

00:53:51,829 --> 00:53:50,480

swallow i've become very

1390

00:53:54,950 --> 00:53:51,839

useless

1391

00:53:58,870 --> 00:53:54,960

very reliant on the quote-unquote system

1392

00:54:02,069 --> 00:53:58,880

the machine what we expect to

1393

00:54:04,549 --> 00:54:02,079

get for a few shekels here and there is

1394

00:54:07,910 --> 00:54:04,559

a meal for our families and

1395

00:54:09,670 --> 00:54:07,920

products for our household well

1396

00:54:12,230 --> 00:54:09,680

what if

1397

00:54:14,230 --> 00:54:12,240

that all comes to a grinding halt it

1398

00:54:17,030 --> 00:54:14,240

would be nice to

1399

00:54:19,190 --> 00:54:17,040

have the ability have the skills or at

1400

00:54:21,109 --> 00:54:19,200

least have the intellect to be able to

1401

00:54:24,069 --> 00:54:21,119

care for your family

1402

00:54:26,230 --> 00:54:24,079

in an event such as this and not worry

1403

00:54:28,549 --> 00:54:26,240

about

1404

00:54:31,030 --> 00:54:28,559

where is the next meal coming from

1405

00:54:34,230 --> 00:54:31,040

how am i going to stay warm

1406

00:54:36,230 --> 00:54:34,240

how am i going to protect my family it's

1407

00:54:37,030 --> 00:54:36,240

really about survival

1408

00:54:38,470 --> 00:54:37,040

and

1409

00:54:40,069 --> 00:54:38,480

let's face it if it's

1410

00:54:42,549 --> 00:54:40,079

totally horrible nobody's going to want

1411

00:54:45,829 --> 00:54:42,559

to be here anyway but

1412

00:54:48,710 --> 00:54:45,839

from all implications and

1413

00:54:50,549 --> 00:54:48,720

the extent of my research

1414

00:54:54,150 --> 00:54:50,559

it won't take long for things to get

1415

00:54:55,190 --> 00:54:54,160

pretty bad i mean within about 48 to 72

1416

00:54:57,349 --> 00:54:55,200

hours

1417

00:55:01,430 --> 00:54:57,359

if the grocery stores are closed most

1418

00:55:03,750 --> 00:55:01,440

people are going to lose their minds

1419

00:55:05,510 --> 00:55:03,760

they won't be able to

1420

00:55:08,390 --> 00:55:05,520

tap into that

1421

00:55:10,950 --> 00:55:08,400

source that stream of production that

1422

00:55:13,190 --> 00:55:10,960

they're so used to

1423

00:55:14,630 --> 00:55:13,200

let alone if the power grid goes down

1424

00:55:16,549 --> 00:55:14,640

they won't be able to charge their

1425

00:55:18,630 --> 00:55:16,559

phones they won't be able to scroll tick

1426

00:55:21,430 --> 00:55:18,640

tock for entertainment they won't be

1427

00:55:22,950 --> 00:55:21,440

able to communicate with others in forms

1428

00:55:25,349 --> 00:55:22,960

that they're used to

1429

00:55:28,789 --> 00:55:25,359

so maybe it's a good idea to get an old

1430

00:55:32,390 --> 00:55:28,799

ham radio figure out how to can food

1431

00:55:34,870 --> 00:55:32,400

and uh do simple things just to make

1432

00:55:38,069 --> 00:55:34,880

sure that you can get through that 48 to

1433

00:55:39,670 --> 00:55:38,079

72 hour period if that's all it is

1434

00:55:42,309 --> 00:55:39,680

but it would be a lot better to be

1435

00:55:44,230 --> 00:55:42,319

prepared than to not be prepared what do

1436

00:55:46,309 --> 00:55:44,240

you really have to lose

1437

00:55:48,150 --> 00:55:46,319

the matrix theory thing

1438

00:55:51,430 --> 00:55:48,160

wow that's something that we could just

1439

00:55:53,190 --> 00:55:51,440

go on forever and ever on chris has a

1440

00:55:54,309 --> 00:55:53,200

very

1441

00:55:56,789 --> 00:55:54,319

wide

1442

00:55:58,789 --> 00:55:56,799

knowledge grasp of that and the

1443

00:56:01,430 --> 00:55:58,799

dimensional characteristics to the

1444

00:56:03,190 --> 00:56:01,440

mandela effect and possibly some of the

1445

00:56:04,549 --> 00:56:03,200

strange happenings

1446

00:56:07,589 --> 00:56:04,559

that uh

1447

00:56:09,750 --> 00:56:07,599

seem to be a part of our reality now and

1448

00:56:12,470 --> 00:56:09,760

they didn't used to be a part of the

1449

00:56:14,950 --> 00:56:12,480

reality at least when i was a kid a lot

1450

00:56:17,190 --> 00:56:14,960

of things seemed to be changing

1451

00:56:19,750 --> 00:56:17,200

i swear britney did not have a black

1452

00:56:21,829 --> 00:56:19,760

dress but i i guess uh nobody's ever

1453

00:56:24,549 --> 00:56:21,839

going to believe me on that one

1454

00:56:27,670 --> 00:56:24,559

if you haven't seen that britney spears

1455

00:56:29,670 --> 00:56:27,680

is uh depicted in a fully black dress

1456

00:56:32,150 --> 00:56:29,680

instead of the

1457

00:56:34,549 --> 00:56:32,160

red catholic school girl dress that i

1458

00:56:36,150 --> 00:56:34,559

remember and the stickers that i had on

1459

00:56:40,069 --> 00:56:36,160

my skis when i would go down the

1460

00:56:41,190 --> 00:56:40,079

mountain and look at every run so either

1461

00:56:43,589 --> 00:56:41,200

i'm

1462

00:56:45,510 --> 00:56:43,599

not remembering things correctly

1463

00:56:48,470 --> 00:56:45,520

and a lot of other people aren't either

1464

00:56:50,390 --> 00:56:48,480

or a shift is happening

1465

00:56:52,630 --> 00:56:50,400

until next time keep your eyes to the

1466

00:57:02,170 --> 00:56:52,640

skies feet on the ground but don't

1467

00:57:02,180 --> 00:57:07,790

[Applause]

1468

00:57:22,549 --> 00:57:13,300

[Music]

1469

00:57:22,559 --> 00:57:29,030

off in my time machine third eye
