00:01:37,109 --> 00:01:34,960

wrestling podcasts around

27

00:01:40,870 --> 00:01:37,119

jordan is extremely familiar with the

28

00:01:42,230 --> 00:01:40,880

indigenous lore and uenta anuray

29

00:01:44,789 --> 00:01:42,240

reservation

30

00:01:45,830 --> 00:01:44,799

which is located in the uintah basin of

31

00:01:48,630 --> 00:01:45,840

utah

32

00:01:51,510 --> 00:01:48,640

he's conscious of the philosophy of the

33

00:01:52,830 --> 00:01:51,520

trickster and has heard his share of

34

00:01:55,830 --> 00:01:52,840

stories about

35

00:01:58,149 --> 00:01:55,840

skinwalkers and high strangeness

36

00:02:01,109 --> 00:01:58,159

there are dimensions to the secrets of

37

00:02:02,630 --> 00:02:01,119

the uintah basin only local researchers

38

00:02:05,190 --> 00:02:02,640

are aware of

39

00:02:08,389 --> 00:02:05,200

legendary entities have roamed this land

40

00:02:09,270 --> 00:02:08,399

for 15 generations according to the ute

41

00:02:11,750 --> 00:02:09,280

tribe

42

00:02:14,150 --> 00:02:11,760

and the evolution of making contact with

43

00:02:17,110 --> 00:02:14,160

these entities has changed

44

00:02:20,150 --> 00:02:17,120

rocketing us into a new era of

45

00:02:22,710 --> 00:02:20,160

superstitions science mythology and

46

00:02:25,830 --> 00:02:22,720

symbolism we delve deeply into the

47

00:02:28,790 --> 00:02:25,840

secrets of the uintah basin and stalking

48

00:02:30,869 --> 00:02:28,800

the scary stories to tell from the res

49

00:02:32,869 --> 00:02:30,879

jordan lone bear welcome to the hero

50

00:02:35,270 --> 00:02:32,879

paranormal podcast

51
00:02:37,270 --> 00:02:35,280
oh man you uh you made me feel really

52
00:02:39,509 --> 00:02:37,280
good about myself with that intro

53
00:02:42,309 --> 00:02:39,519
thanks man it's well deserved well

54
00:02:45,190 --> 00:02:42,319
deserved i can't wait to get into things

55
00:02:47,110 --> 00:02:45,200
um i love that you are a uinta base and

56
00:02:49,430 --> 00:02:47,120
local because so often we have people

57
00:02:52,309 --> 00:02:49,440
that just you know the weekend warriors

58
00:02:55,350 --> 00:02:52,319
or they'll have an experience or two and

59
00:02:58,869 --> 00:02:55,360
and they'll try to explain it in terms

60
00:03:00,949 --> 00:02:58,879
that they understand but the reality is

61
00:03:02,869 --> 00:03:00,959
uh for those that are not familiar with

62
00:03:04,550 --> 00:03:02,879
the uintah basin i mean when the sun

63
00:03:05,990 --> 00:03:04,560

goes down and actually sometimes when

64

00:03:07,509 --> 00:03:06,000

the sun is up

65

00:03:09,030 --> 00:03:07,519

things are a little strange there or

66

00:03:11,110 --> 00:03:09,040

it's just a little different than other

67

00:03:12,869 --> 00:03:11,120

places aren't they

68

00:03:16,470 --> 00:03:12,879

oh absolutely

69

00:03:17,350 --> 00:03:16,480

i've grown up here my entire life and

70

00:03:19,830 --> 00:03:17,360

it's

71

00:03:20,790 --> 00:03:19,840

been really fun to hear the stories

72

00:03:24,470 --> 00:03:20,800

because

73

00:03:26,390 --> 00:03:24,480

um as kids we were told uh i mean

74

00:03:28,149 --> 00:03:26,400

i'm actually an enrolled member of the

75

00:03:31,830 --> 00:03:28,159

uh ute mountain tribe

76

00:03:33,670 --> 00:03:31,840

and i grew up here and our lore that we

77

00:03:35,589 --> 00:03:33,680

have is tied to a lot of the

78

00:03:36,869 --> 00:03:35,599

supernatural stuff that's around here

79

00:03:38,869 --> 00:03:36,879

and so

80

00:03:41,030 --> 00:03:38,879

hearing all these stories from

81

00:03:43,270 --> 00:03:41,040

uh everybody that's not you know from

82

00:03:44,470 --> 00:03:43,280

here but also from around you know

83

00:03:45,830 --> 00:03:44,480

indian country

84

00:03:47,509 --> 00:03:45,840

the united states and everything has

85

00:03:49,430 --> 00:03:47,519

been really fun

86

00:03:50,550 --> 00:03:49,440

but uh yeah i know i definitely

87

00:03:52,710 --> 00:03:50,560

i definitely got to give you that

88

00:03:54,949 --> 00:03:52,720

because i've seen some stuff i've heard

89

00:03:57,270 --> 00:03:54,959

some stuff even during the daylight out

90

00:03:58,949 --> 00:03:57,280

in this area there's uh there's

91

00:04:01,750 --> 00:03:58,959

something out here

92

00:04:04,630 --> 00:04:01,760

yeah there is a presence like an energy

93

00:04:08,229 --> 00:04:04,640

it's some it's like a shift that happens

94

00:04:10,630 --> 00:04:08,239

when you uh cross into certain areas

95

00:04:12,550 --> 00:04:10,640

and it's hard to explain no to people

96

00:04:14,789 --> 00:04:12,560

that aren't familiar with those like

97

00:04:16,069 --> 00:04:14,799

that dimension of truth that is the you

98

00:04:18,310 --> 00:04:16,079

in a basin

99

00:04:20,390 --> 00:04:18,320

i've spoken with uh

100

00:04:22,710 --> 00:04:20,400

i love talking to the older residents

101

00:04:25,350 --> 00:04:22,720

too and you're right there at the heart

102

00:04:28,230 --> 00:04:25,360

of a lot of what goes down and i've

103

00:04:31,189 --> 00:04:28,240

spoken with a lot of the older residents

104

00:04:32,870 --> 00:04:31,199

and you know they have so many tales

105

00:04:34,230 --> 00:04:32,880

back in the day of like

106

00:04:36,790 --> 00:04:34,240

you know when they when they were

107

00:04:39,030 --> 00:04:36,800

working in the oil fields or

108

00:04:41,110 --> 00:04:39,040

um you know things they would see or

109

00:04:42,870 --> 00:04:41,120

hear

110

00:04:45,990 --> 00:04:42,880

how how did you get

111

00:04:47,749 --> 00:04:46,000

into this awesome podcast that you have

112

00:04:50,150 --> 00:04:47,759

and before we move any further let's

113

00:04:52,390 --> 00:04:50,160

tell our listeners about your podcast

114

00:04:54,830 --> 00:04:52,400

and where they can find uh everything

115

00:04:57,990 --> 00:04:54,840

that you have going on

116

00:05:01,270 --> 00:04:58,000

oh uh well so scary stories to tell from

117

00:05:03,110 --> 00:05:01,280

the res is uh like like he said it's on

118

00:05:05,189 --> 00:05:03,120

uh the anchor app you can also find me

119

00:05:06,550 --> 00:05:05,199

on uh youtube

120

00:05:08,629 --> 00:05:06,560

i have a youtube channel that i've been

121

00:05:10,550 --> 00:05:08,639

doing quite recently

122

00:05:13,909 --> 00:05:10,560

and uh

123

00:05:15,270 --> 00:05:13,919

there's a spotify and google podcast if

124

00:05:16,870 --> 00:05:15,280

i remember right

125

00:05:18,550 --> 00:05:16,880

trying to get all these uh trying to

126

00:05:20,950 --> 00:05:18,560

keep my brain going with all these just

127

00:05:23,270 --> 00:05:20,960

because i've got um other podcasts that

128

00:05:24,790 --> 00:05:23,280

i do uh one that

129

00:05:27,189 --> 00:05:24,800

i've taken a break from which was a

130

00:05:29,670 --> 00:05:27,199

passion project originally was uh my

131

00:05:32,390 --> 00:05:29,680

true crime podcast one missing one

132

00:05:34,469 --> 00:05:32,400

murdered all indigenous which is

133

00:05:36,870 --> 00:05:34,479

basically a true crime podcast that

134

00:05:38,469 --> 00:05:36,880

dedicates itself to true crime involving

135

00:05:41,189 --> 00:05:38,479

indigenous people

136

00:05:42,950 --> 00:05:41,199

uh and i've gone through and

137

00:05:44,950 --> 00:05:42,960

interviewed people you know family

138

00:05:47,510 --> 00:05:44,960

members that of the people that have

139

00:05:49,189 --> 00:05:47,520

gone missing over the years and i've

140

00:05:51,270 --> 00:05:49,199

gotten to sit down and tell their

141

00:05:53,270 --> 00:05:51,280

tell their loved one story and as well

142

00:05:56,469 --> 00:05:53,280

as giving them a chance to come in and

143

00:05:58,629 --> 00:05:56,479

tell us you know how what it's been like

144

00:06:01,270 --> 00:05:58,639

um but i've had to put that one on hold

145

00:06:03,029 --> 00:06:01,280

recently just because of uh some

146

00:06:05,990 --> 00:06:03,039

personal issues it's a podcast that i

147

00:06:07,830 --> 00:06:06,000

really love just because it deserves

148

00:06:09,430 --> 00:06:07,840

there's so much lore into it there's so

149

00:06:11,909 --> 00:06:09,440

much uh

150

00:06:14,790 --> 00:06:11,919

passion and and a lot of emotion that

151
00:06:17,029 --> 00:06:14,800
goes into that which is draining uh both

152
00:06:18,870 --> 00:06:17,039
as a content creator and as a person to

153
00:06:20,950 --> 00:06:18,880
hear these stories but um i'd like to

154
00:06:22,950 --> 00:06:20,960
take a break from that one but make no

155
00:06:25,430 --> 00:06:22,960
mistake it will come back soon

156
00:06:27,590 --> 00:06:25,440
um the last one that i just launched was

157
00:06:29,029 --> 00:06:27,600
a wrestling podcast called talking

158
00:06:31,110 --> 00:06:29,039
kayfabe

159
00:06:32,870 --> 00:06:31,120
that's been a passion a real passion

160
00:06:34,950 --> 00:06:32,880
project of mine because i love

161
00:06:38,469 --> 00:06:34,960
professional wrestling outside of scary

162
00:06:40,710 --> 00:06:38,479
stuff and true crime i i'm a big fan boy

163
00:06:42,950 --> 00:06:40,720

of professional wrestling at heart

164

00:06:44,390 --> 00:06:42,960

and i started that one

165

00:06:46,469 --> 00:06:44,400

just recently

166

00:06:48,390 --> 00:06:46,479

and it's been fun uh i've been

167

00:06:49,909 --> 00:06:48,400

podcasting for the last

168

00:06:51,589 --> 00:06:49,919

gosh i think two and a half years one

169

00:06:53,510 --> 00:06:51,599

missing one murdered was my

170

00:06:55,589 --> 00:06:53,520

uh was my very first project that just

171

00:06:57,670 --> 00:06:55,599

turned two back in april

172

00:06:59,749 --> 00:06:57,680

so but you guys can find all that stuff

173

00:07:01,670 --> 00:06:59,759

on youtube we also have facebook for

174

00:07:02,710 --> 00:07:01,680

every one of them and a quick shout out

175

00:07:04,710 --> 00:07:02,720

to the

176
00:07:06,390 --> 00:07:04,720
three nerds walking to a bar podcast

177
00:07:08,230 --> 00:07:06,400
that i'm part of as well

178
00:07:09,830 --> 00:07:08,240
uh i've i've got a lot of spinning

179
00:07:11,430 --> 00:07:09,840
plates here so

180
00:07:12,870 --> 00:07:11,440
that's awesome

181
00:07:15,350 --> 00:07:12,880
um

182
00:07:17,830 --> 00:07:15,360
man posh passion projects are like that

183
00:07:21,670 --> 00:07:17,840
and i love that title one missing one

184
00:07:23,990 --> 00:07:21,680
murdered what a great title man it is

185
00:07:26,710 --> 00:07:24,000
hard being a content creator and you've

186
00:07:29,909 --> 00:07:26,720
got like you said a lot going on there

187
00:07:32,550 --> 00:07:29,919
are some spooky stories there on the res

188
00:07:34,550 --> 00:07:32,560

how do we want to kick this off um do

189

00:07:36,469 --> 00:07:34,560

you want to uh

190

00:07:38,950 --> 00:07:36,479

gosh i don't know where where do where

191

00:07:40,870 --> 00:07:38,960

do we where do we go from here

192

00:07:42,790 --> 00:07:40,880

well a lot of the way that um scary

193

00:07:46,150 --> 00:07:42,800

stories to tell from the res works is

194

00:07:49,589 --> 00:07:46,160

that i'm always searching it's been a pe

195

00:07:52,469 --> 00:07:49,599

this one also is very passion driven it

196

00:07:54,710 --> 00:07:52,479

but it's also very listener driven i

197

00:07:56,869 --> 00:07:54,720

depend on all my listeners to send me

198

00:08:00,150 --> 00:07:56,879

stories to tell me their stories their

199

00:08:02,550 --> 00:08:00,160

encounters and when that happens

200

00:08:04,790 --> 00:08:02,560

i i'm able to you know if you send them

201
00:08:07,990 --> 00:08:04,800
in you can write them out um you can

202
00:08:10,390 --> 00:08:08,000
also record them audioly i'm on tik tok

203
00:08:12,950 --> 00:08:10,400
a lot i'm always searching for stories

204
00:08:14,710 --> 00:08:12,960
there on those platforms and just like

205
00:08:16,790 --> 00:08:14,720
you know today

206
00:08:18,150 --> 00:08:16,800
i'm able to swap cast and talk to

207
00:08:20,869 --> 00:08:18,160
different people and hear their

208
00:08:22,550 --> 00:08:20,879
experiences from the reservation across

209
00:08:24,230 --> 00:08:22,560
indian country because

210
00:08:25,830 --> 00:08:24,240
even if you're not indigenous even if

211
00:08:27,909 --> 00:08:25,840
you don't live on the reservation you've

212
00:08:29,350 --> 00:08:27,919
definitely driven through one you've had

213
00:08:32,149 --> 00:08:29,360

something happen

214

00:08:34,310 --> 00:08:32,159

and um i guess i can ask you

215

00:08:35,750 --> 00:08:34,320

what has been one of the craziest things

216

00:08:36,949 --> 00:08:35,760

and scariest things that's happened to

217

00:08:38,389 --> 00:08:36,959

you while being in within the

218

00:08:41,750 --> 00:08:38,399

reservation

219

00:08:44,149 --> 00:08:41,760

yeah man um gosh you know

220

00:08:45,910 --> 00:08:44,159

i would say that one of oh i'll just

221

00:08:48,310 --> 00:08:45,920

start with the first thing that really

222

00:08:50,550 --> 00:08:48,320

just got me absolutely

223

00:08:52,150 --> 00:08:50,560

it's almost like

224

00:08:56,070 --> 00:08:52,160

changed my life

225

00:08:58,630 --> 00:08:56,080

and that was back in the late 90s i was

226

00:09:00,790 --> 00:08:58,640

a fly fishing guide um up in dutch john

227

00:09:04,710 --> 00:09:00,800

utah below on the green river below

228

00:09:06,710 --> 00:09:04,720

flaming gorge and injured my foot

229

00:09:08,870 --> 00:09:06,720

with a strange uh

230

00:09:11,110 --> 00:09:08,880

goings-on i'll just go ahead and go into

231

00:09:13,030 --> 00:09:11,120

that i had a buddy that

232

00:09:14,790 --> 00:09:13,040

had found these glow-in-the-dark rocks

233

00:09:16,710 --> 00:09:14,800

there in the uenas

234

00:09:19,509 --> 00:09:16,720

and i went out one night i had a the

235

00:09:21,670 --> 00:09:19,519

bright idea that this would make a great

236

00:09:23,350 --> 00:09:21,680

little rock garden in front of the house

237

00:09:25,190 --> 00:09:23,360

because it glowed

238

00:09:27,269 --> 00:09:25,200

and

239

00:09:29,110 --> 00:09:27,279

i saw a light coming through the trees i

240

00:09:30,949 --> 00:09:29,120

thought oh man maybe i can't do this

241

00:09:33,750 --> 00:09:30,959

maybe it's a forest ranger i dropped one

242

00:09:34,630 --> 00:09:33,760

of the larger rocks and it broke my toe

243

00:09:36,389 --> 00:09:34,640

well

244

00:09:37,990 --> 00:09:36,399

it was not a forest ranger it was a

245

00:09:40,230 --> 00:09:38,000

light in the trees that ended up going

246

00:09:42,070 --> 00:09:40,240

up into the sky but i didn't think you

247

00:09:43,670 --> 00:09:42,080

know too much of it i just thought this

248

00:09:44,550 --> 00:09:43,680

really sucks that i have a broken foot

249

00:09:46,230 --> 00:09:44,560

now

250

00:09:50,070 --> 00:09:46,240

and

251
00:09:52,630 --> 00:09:50,080
i couldn't work i couldn't get the foot

252
00:09:54,790 --> 00:09:52,640
wet so i went looking for

253
00:09:57,110 --> 00:09:54,800
new areas to fish down in the uintah

254
00:09:59,350 --> 00:09:57,120
basin which there are some honey spots

255
00:10:01,670 --> 00:09:59,360
there's some oasises as you know where

256
00:10:02,870 --> 00:10:01,680
like there's some great fishing

257
00:10:04,630 --> 00:10:02,880
yeah

258
00:10:07,509 --> 00:10:04,640
and um

259
00:10:09,829 --> 00:10:07,519
i just happened one of the times uh

260
00:10:11,910 --> 00:10:09,839
during that time period i happened to be

261
00:10:13,829 --> 00:10:11,920
going down a random ranch road at the

262
00:10:15,590 --> 00:10:13,839
time there were no gates no fences

263
00:10:18,310 --> 00:10:15,600

really to speak of

264

00:10:19,590 --> 00:10:18,320

and it was just south of bottle hollow

265

00:10:20,949 --> 00:10:19,600

reservoir

266

00:10:23,910 --> 00:10:20,959

and

267

00:10:25,910 --> 00:10:23,920

yeah i wasn't familiar with the lore or

268

00:10:27,670 --> 00:10:25,920

the stories that came out of that region

269

00:10:30,949 --> 00:10:27,680

and it was kind of off the you know

270

00:10:34,150 --> 00:10:30,959

radar back then nobody knew about it

271

00:10:35,509 --> 00:10:34,160

and i saw what i can only describe

272

00:10:37,990 --> 00:10:35,519

as

273

00:10:39,990 --> 00:10:38,000

someone elderly kind of shuffling

274

00:10:41,509 --> 00:10:40,000

robotically down

275

00:10:43,750 --> 00:10:41,519

the

276

00:10:45,509 --> 00:10:43,760

ridge line down that rocky outcropping

277

00:10:48,310 --> 00:10:45,519

down towards the road

278

00:10:51,110 --> 00:10:48,320

and they had like a native american

279

00:10:53,509 --> 00:10:51,120

blanket um over their head

280

00:10:55,350 --> 00:10:53,519

and as they approached the roadway i

281

00:10:58,630 --> 00:10:55,360

rolled down my window and thought i'd be

282

00:11:00,230 --> 00:10:58,640

the good samaritan and i said hey uh can

283

00:11:01,350 --> 00:11:00,240

i offer you a ride somewhere are you

284

00:11:03,350 --> 00:11:01,360

okay

285

00:11:05,829 --> 00:11:03,360

they said nothing they mumbled a little

286

00:11:07,350 --> 00:11:05,839

bit they climbed into my truck

287

00:11:09,910 --> 00:11:07,360

and within about

288

00:11:12,470 --> 00:11:09,920

just two or three seconds jordan it's

289

00:11:14,710 --> 00:11:12,480

like this thing was just going through

290

00:11:16,870 --> 00:11:14,720

my mind is what it felt like

291

00:11:18,550 --> 00:11:16,880

it felt like it was uh just kind of

292

00:11:20,550 --> 00:11:18,560

flipping through the highs and the lows

293

00:11:21,509 --> 00:11:20,560

of my life emotionally like whatever it

294

00:11:23,509 --> 00:11:21,519

could

295

00:11:25,670 --> 00:11:23,519

get that it enticed it it was like

296

00:11:29,190 --> 00:11:25,680

feeding off like archonically off the

297

00:11:30,949 --> 00:11:29,200

good stuff and the bad stuff and i lost

298

00:11:33,750 --> 00:11:30,959

a little time um

299

00:11:35,509 --> 00:11:33,760

fast forward a few hours later uh i was

300

00:11:37,910 --> 00:11:35,519

surrounded by

301

00:11:39,590 --> 00:11:37,920

um bureau of indian affairs officers

302

00:11:41,430 --> 00:11:39,600

around my truck there

303

00:11:42,710 --> 00:11:41,440

at bottle hollow i was back at the

304

00:11:44,230 --> 00:11:42,720

reservoir

305

00:11:46,710 --> 00:11:44,240

and i was kind of

306

00:11:49,030 --> 00:11:46,720

like hanging out of my truck but my seat

307

00:11:50,870 --> 00:11:49,040

belt was holding me in

308

00:11:51,829 --> 00:11:50,880

and i was sort of catatonic so they woke

309

00:11:53,990 --> 00:11:51,839

me up

310

00:11:55,910 --> 00:11:54,000

and they asked me what had happened and

311

00:11:57,110 --> 00:11:55,920

i came right to and i told i just

312

00:11:59,350 --> 00:11:57,120

figured you know what i'll just be

313

00:12:01,990 --> 00:11:59,360

honest what the heck and i just told

314

00:12:04,150 --> 00:12:02,000

them exactly what i had experienced

315

00:12:07,269 --> 00:12:04,160

and they didn't seem what really spooked

316

00:12:08,629 --> 00:12:07,279

me they didn't seem all that surprised

317

00:12:13,269 --> 00:12:08,639

they

318

00:12:15,190 --> 00:12:13,279

saying this guy got nabbed by the

319

00:12:17,590 --> 00:12:15,200

skinwalker and that's the first time

320

00:12:20,870 --> 00:12:17,600

that i heard that term and it sort of

321

00:12:24,629 --> 00:12:23,590

oh man

322

00:12:26,710 --> 00:12:24,639

that's

323

00:12:29,670 --> 00:12:26,720

really really chilling just because i

324

00:12:31,750 --> 00:12:29,680

did uh my last episode was hearing from

325

00:12:35,269 --> 00:12:31,760

an individual who is uh down from the

326

00:12:37,430 --> 00:12:35,279

four corners area talking about how as a

327

00:12:39,350 --> 00:12:37,440

that i think it was that they were an

328

00:12:41,910 --> 00:12:39,360

officer in that area that they had run

329

00:12:44,150 --> 00:12:41,920

into a man with a blanket

330

00:12:45,910 --> 00:12:44,160

a native man with a blanket and they you

331

00:12:47,190 --> 00:12:45,920

know they were told to just leave him

332

00:12:48,230 --> 00:12:47,200

alone

333

00:12:51,269 --> 00:12:48,240

um

334

00:12:55,829 --> 00:12:53,750

that's extremely interesting because

335

00:12:57,990 --> 00:12:55,839

when it comes to the skinwalker lore you

336

00:12:59,509 --> 00:12:58,000

hear a lot of big dog

337

00:13:01,190 --> 00:12:59,519

you know it was a big dog it looked like

338

00:13:03,269 --> 00:13:01,200

this look at that a lot of the times

339

00:13:05,750 --> 00:13:03,279

when you encounter something to that

340

00:13:07,750 --> 00:13:05,760

effect it seems like they're already

341

00:13:09,269 --> 00:13:07,760

transformed they're already

342

00:13:11,670 --> 00:13:09,279

you know they're already in their

343

00:13:14,150 --> 00:13:11,680

whatever form that they've chosen very

344

00:13:18,310 --> 00:13:14,160

rarely do you ever hear stories at least

345

00:13:20,389 --> 00:13:18,320

in my experience ever hear of hearing

346

00:13:22,069 --> 00:13:20,399

of them before they transition before

347

00:13:23,110 --> 00:13:22,079

they you know before they make that

348

00:13:25,990 --> 00:13:23,120

different

349

00:13:28,150 --> 00:13:26,000

jump so that's really really spooky

350

00:13:29,750 --> 00:13:28,160

to hear that um

351

00:13:32,310 --> 00:13:29,760

i'm very familiar with that area i grew

352

00:13:33,990 --> 00:13:32,320

up there and i used to go i take my kids

353

00:13:35,509 --> 00:13:34,000

fishing they're fishing and swimming in

354

00:13:37,829 --> 00:13:35,519

bottle hollow area

355

00:13:40,069 --> 00:13:37,839

and as teenagers we would go

356

00:13:42,310 --> 00:13:40,079

drive in that area to just go hang out

357

00:13:44,710 --> 00:13:42,320

and we would go overlook the the

358

00:13:47,750 --> 00:13:44,720

reservoir and then the lake and

359

00:13:50,230 --> 00:13:47,760

everything and we would watch these orbs

360

00:13:53,030 --> 00:13:50,240

that would fly around out there

361

00:13:54,790 --> 00:13:53,040

to us they were just lights and we

362

00:13:55,990 --> 00:13:54,800

thought it was really cool

363

00:13:56,949 --> 00:13:56,000

but um

364

00:13:57,910 --> 00:13:56,959

you know

365

00:14:00,949 --> 00:13:57,920

that's

366

00:14:03,990 --> 00:14:00,959

oh that gives me chills

367

00:14:06,230 --> 00:14:04,000

it's it's such an interesting it's a

368

00:14:08,710 --> 00:14:06,240

magical area and

369

00:14:10,790 --> 00:14:08,720

man it is you know the stories that i've

370

00:14:13,829 --> 00:14:10,800

heard from people

371

00:14:16,949 --> 00:14:13,839

working out in the oil fields and

372

00:14:18,310 --> 00:14:16,959

even down nine mile canyon and for a lot

373

00:14:21,750 --> 00:14:18,320

of the listeners that aren't familiar

374

00:14:24,150 --> 00:14:21,760

with the area i mean this area

375

00:14:26,629 --> 00:14:24,160

is thousands and thousands of acres and

376

00:14:28,069 --> 00:14:26,639

for example nine mile canyon

377

00:14:28,829 --> 00:14:28,079

has

378

00:14:33,750 --> 00:14:28,839

the

379

00:14:35,990 --> 00:14:33,760

longest and largest petroglyph uh arrays

380

00:14:38,550 --> 00:14:36,000

of anywhere on the planet and then you

381

00:14:40,710 --> 00:14:38,560

have places uh you know

382

00:14:42,629 --> 00:14:40,720

that are even closer there to the center

383

00:14:45,430 --> 00:14:42,639

of the uintah basin where there's very

384

00:14:47,910 --> 00:14:45,440

different petroglyphs and pictographs

385

00:14:49,350 --> 00:14:47,920

that can't be found hardly anywhere else

386

00:14:51,829 --> 00:14:49,360

i mean i think of

387

00:14:53,990 --> 00:14:51,839

you know dry fort canyon and you name it

388

00:14:56,389 --> 00:14:54,000

all around mightin

389

00:14:59,910 --> 00:14:56,399

up in the uintas there's there's some

390

00:15:02,949 --> 00:14:59,920

very very unique history and cultural

391

00:15:05,430 --> 00:15:02,959

artifacts and you know

392

00:15:07,110 --> 00:15:05,440

wall art that you don't find anywhere

393

00:15:08,870 --> 00:15:07,120

else on the planet i mean it's it's

394

00:15:12,310 --> 00:15:08,880

pretty wild isn't it

395

00:15:15,829 --> 00:15:12,320

it really is i've actually um worked in

396

00:15:18,389 --> 00:15:15,839

the oil field i've worked there for over

397

00:15:20,870 --> 00:15:18,399

10 years now i've not only growing up

398

00:15:23,269 --> 00:15:20,880

here i live i've worked in that area in

399

00:15:24,949 --> 00:15:23,279

the nine mile area there are places out

400

00:15:26,550 --> 00:15:24,959

in the oil field

401
00:15:27,590 --> 00:15:26,560
i won't mention the the company names

402
00:15:30,150 --> 00:15:27,600
because i don't know how that works for

403
00:15:33,189 --> 00:15:30,160
them but um in the oil fields out there

404
00:15:35,590 --> 00:15:33,199
uh just south of the fort shane area

405
00:15:37,910 --> 00:15:35,600
there are places that have been

406
00:15:40,470 --> 00:15:37,920
undiscovered with petroglyphs i know

407
00:15:42,949 --> 00:15:40,480
that as a water hauler in that area

408
00:15:46,710 --> 00:15:42,959
i would consistently find different

409
00:15:48,389 --> 00:15:46,720
rocks that had that were stacked unique

410
00:15:49,590 --> 00:15:48,399
now i'd heard the stories of what

411
00:15:51,430 --> 00:15:49,600
they're for

412
00:15:53,189 --> 00:15:51,440
but i'd have to be reminded because i

413
00:15:55,269 --> 00:15:53,199

know that there's places out there that

414

00:15:57,350 --> 00:15:55,279

just rocks are just randomly stacked in

415

00:15:59,110 --> 00:15:57,360

a really diff in a really weird order

416

00:16:00,790 --> 00:15:59,120

but i was always told that they're

417

00:16:03,030 --> 00:16:00,800

they're there for a reason

418

00:16:03,990 --> 00:16:03,040

but um yeah there's a lot of activity

419

00:16:06,230 --> 00:16:04,000

out there

420

00:16:07,670 --> 00:16:06,240

in the oil field because you know it you

421

00:16:09,829 --> 00:16:07,680

would think that because of all the

422

00:16:10,790 --> 00:16:09,839

machinery and stuff like that that this

423

00:16:13,509 --> 00:16:10,800

the

424

00:16:16,150 --> 00:16:13,519

it seems like it's

425

00:16:18,550 --> 00:16:16,160

sort of fed into the energy that

426

00:16:20,150 --> 00:16:18,560

whatever is out there what what lies out

427

00:16:21,590 --> 00:16:20,160

in that fields

428

00:16:23,670 --> 00:16:21,600

it feeds off of

429

00:16:25,910 --> 00:16:23,680

the the the energy that's coming out of

430

00:16:27,910 --> 00:16:25,920

the ground or and that's being you know

431

00:16:31,509 --> 00:16:27,920

stirred up out there

432

00:16:33,509 --> 00:16:31,519

totally 100 the i was thinking the same

433

00:16:36,710 --> 00:16:33,519

thing because it's such

434

00:16:39,110 --> 00:16:36,720

loud clamor i mean lights

435

00:16:43,110 --> 00:16:39,120

drilling and you know sewing you would

436

00:16:45,269 --> 00:16:43,120

think that anything that was mysterious

437

00:16:46,629 --> 00:16:45,279

would avoid that at all costs

438

00:16:49,350 --> 00:16:46,639

however

439

00:16:51,350 --> 00:16:49,360

it's almost like it's fearless of

440

00:16:53,990 --> 00:16:51,360

anything and

441

00:16:57,509 --> 00:16:54,000

you know i remember talking um

442

00:16:59,990 --> 00:16:57,519

to a gentleman his parents owned

443

00:17:03,910 --> 00:17:00,000

uh one of the stores there in vernal it

444

00:17:05,990 --> 00:17:03,920

was his last name is ashton and he told

445

00:17:08,710 --> 00:17:06,000

me about being out in the oil field he's

446

00:17:11,350 --> 00:17:08,720

older now but this was years ago and he

447

00:17:13,429 --> 00:17:11,360

was driving a truck like you said and he

448

00:17:15,669 --> 00:17:13,439

just kind of was really tired and pulled

449

00:17:18,069 --> 00:17:15,679

over towards the side of the road

450

00:17:19,909 --> 00:17:18,079

and he said it wasn't long before he

451
00:17:21,590 --> 00:17:19,919
heard something walking outside his

452
00:17:24,150 --> 00:17:21,600
truck and then it was pushing on his

453
00:17:26,390 --> 00:17:24,160
truck and these trucks are big and this

454
00:17:29,430 --> 00:17:26,400
truck was moving around

455
00:17:31,190 --> 00:17:29,440
and um you know he was young and is in

456
00:17:33,270 --> 00:17:31,200
his prime but he said he was scared to

457
00:17:34,470 --> 00:17:33,280
death and he started the truck and kept

458
00:17:35,270 --> 00:17:34,480
on moving

459
00:17:39,750 --> 00:17:35,280
it's

460
00:17:42,150 --> 00:17:39,760
yeah and and that's not like that fairly

461
00:17:44,150 --> 00:17:42,160
that's i find that absolutely wild and

462
00:17:46,150 --> 00:17:44,160
he was telling me that's not that unique

463
00:17:47,590 --> 00:17:46,160

of a case like there's a lot of stories

464

00:17:48,630 --> 00:17:47,600

like this

465

00:17:49,510 --> 00:17:48,640

gary

466

00:17:51,430 --> 00:17:49,520

uh

467

00:17:53,909 --> 00:17:51,440

you know it was interesting because when

468

00:17:55,270 --> 00:17:53,919

i first started hauling water my

469

00:17:58,150 --> 00:17:55,280

my older brother

470

00:17:59,270 --> 00:17:58,160

hailed water and for years and uh he's

471

00:18:01,270 --> 00:17:59,280

part of the reason why i got into

472

00:18:02,710 --> 00:18:01,280

hauling water it's uh

473

00:18:04,549 --> 00:18:02,720

it was one of the things that he

474

00:18:06,789 --> 00:18:04,559

explained to me that both him and my

475

00:18:09,430 --> 00:18:06,799

father were they worked out there and

476
00:18:11,110 --> 00:18:09,440
they would tell me that there would be

477
00:18:13,990 --> 00:18:11,120
instances where

478
00:18:16,070 --> 00:18:14,000
you work in the oil field there is no

479
00:18:17,750 --> 00:18:16,080
nine to five clock yeah i mean you're

480
00:18:20,390 --> 00:18:17,760
you're out there until the job's done or

481
00:18:21,909 --> 00:18:20,400
you're out there before the job you know

482
00:18:23,830 --> 00:18:21,919
at all hours of the

483
00:18:25,750 --> 00:18:23,840
hours of the day but there would be

484
00:18:27,190 --> 00:18:25,760
instances where you would be out there

485
00:18:29,430 --> 00:18:27,200
having to load

486
00:18:31,190 --> 00:18:29,440
uh even straight out of the river

487
00:18:33,990 --> 00:18:31,200
and the way the indigenous community

488
00:18:36,470 --> 00:18:34,000

looks at water is that it's life you

489

00:18:39,029 --> 00:18:36,480

know it it feeds life

490

00:18:40,390 --> 00:18:39,039

and that so you would assume that

491

00:18:42,390 --> 00:18:40,400

anything

492

00:18:44,710 --> 00:18:42,400

everything needs water needs that that

493

00:18:47,590 --> 00:18:44,720

energy that life that it gives

494

00:18:49,669 --> 00:18:47,600

uh and with that being said they

495

00:18:51,190 --> 00:18:49,679

you would have to i was told that if you

496

00:18:51,990 --> 00:18:51,200

ever had the load out of the river at

497

00:18:54,710 --> 00:18:52,000

night

498

00:18:56,070 --> 00:18:54,720

uh to stand with a shovel um you're

499

00:18:58,070 --> 00:18:56,080

equipped with a lot of tools and they

500

00:19:00,470 --> 00:18:58,080

were like stand out there with a shovel

501
00:19:02,870 --> 00:19:00,480
and because you never know not just

502
00:19:04,789 --> 00:19:02,880
wildlife not just uh not predator

503
00:19:06,870 --> 00:19:04,799
wildlife but there are things out there

504
00:19:08,870 --> 00:19:06,880
that will stand there either if they'll

505
00:19:09,669 --> 00:19:08,880
either watch you i've heard instances

506
00:19:11,430 --> 00:19:09,679
where

507
00:19:12,789 --> 00:19:11,440
there's been something that gets just

508
00:19:14,789 --> 00:19:12,799
close enough

509
00:19:16,789 --> 00:19:14,799
to seeing you

510
00:19:19,190 --> 00:19:16,799
i personally have an experience with

511
00:19:20,470 --> 00:19:19,200
that as well i i've told that story a

512
00:19:21,750 --> 00:19:20,480
hundred times

513
00:19:24,549 --> 00:19:21,760

on the show

514

00:19:26,230 --> 00:19:24,559

but yeah there's something to be said

515

00:19:28,470 --> 00:19:26,240

about being watched out in the oil field

516

00:19:30,630 --> 00:19:28,480

especially at night there are things out

517

00:19:33,270 --> 00:19:30,640

there that just that tend to watch you

518

00:19:35,830 --> 00:19:33,280

and while you're doing your job

519

00:19:38,390 --> 00:19:35,840

and it seems like people can sense that

520

00:19:39,510 --> 00:19:38,400

watching it's just so creepy

521

00:19:41,110 --> 00:19:39,520

um

522

00:19:43,270 --> 00:19:41,120

there was uh

523

00:19:45,350 --> 00:19:43,280

an interesting story a guy that i used

524

00:19:46,230 --> 00:19:45,360

to fly fish with

525

00:19:50,870 --> 00:19:46,240

he

526

00:19:53,430 --> 00:19:50,880

was like super good shape way better

527

00:19:55,350 --> 00:19:53,440

shape than i was and we'd fly fish and

528

00:19:59,190 --> 00:19:55,360

he would tell me that his

529

00:19:59,990 --> 00:19:59,200

grandfather would go out and

530

00:20:01,750 --> 00:20:00,000

kind of

531

00:20:04,070 --> 00:20:01,760

i don't know commune with these lights

532

00:20:07,029 --> 00:20:04,080

in the sky so more or less

533

00:20:09,350 --> 00:20:07,039

and he would tell his family like one

534

00:20:10,870 --> 00:20:09,360

day you know like they would talk about

535

00:20:12,470 --> 00:20:10,880

oh i don't know when we're going to bury

536

00:20:13,830 --> 00:20:12,480

you like where do you want to be buried

537

00:20:15,270 --> 00:20:13,840

and he said you won't have to worry

538

00:20:17,110 --> 00:20:15,280

about that because

539

00:20:19,110 --> 00:20:17,120

what what will happen is i'll just go

540

00:20:20,789 --> 00:20:19,120

out and one day you know they'll take me

541

00:20:24,950 --> 00:20:20,799

and they all would kind of laugh about

542

00:20:27,750 --> 00:20:24,960

it but one day this guy did go out

543

00:20:29,510 --> 00:20:27,760

they eventually found his car but he was

544

00:20:31,830 --> 00:20:29,520

nowhere to be found he was an older guy

545

00:20:33,270 --> 00:20:31,840

that couldn't you know get that far from

546

00:20:35,029 --> 00:20:33,280

the car

547

00:20:37,270 --> 00:20:35,039

he found nothing else they didn't find

548

00:20:39,110 --> 00:20:37,280

his clothes his wallet no footprints

549

00:20:40,549 --> 00:20:39,120

nothing he was just gone

550

00:20:42,870 --> 00:20:40,559

and

551
00:20:46,230 --> 00:20:42,880
you know it's stories like that that i

552
00:20:50,470 --> 00:20:46,240
mean they freak me out um

553
00:20:51,990 --> 00:20:50,480
another tale and and is right out of dry

554
00:20:53,669 --> 00:20:52,000
fork canyon you've probably have you

555
00:20:55,350 --> 00:20:53,679
heard the one about the witch at dry

556
00:20:56,710 --> 00:20:55,360
fort canyon have you heard that one

557
00:20:58,870 --> 00:20:56,720
jordan

558
00:21:01,430 --> 00:20:58,880
i don't think that i have this one is

559
00:21:04,070 --> 00:21:01,440
super crazy because it kind of brings in

560
00:21:05,510 --> 00:21:04,080
sort of that witchcrafty element

561
00:21:07,510 --> 00:21:05,520
and

562
00:21:09,590 --> 00:21:07,520
you know they have remember the main

563
00:21:11,190 --> 00:21:09,600

there which is uh for listeners it's

564

00:21:14,390 --> 00:21:11,200

sort of a

565

00:21:16,870 --> 00:21:14,400

tribute um to uh

566

00:21:18,789 --> 00:21:16,880

if i'm not mistaken uh soldiers who had

567

00:21:19,750 --> 00:21:18,799

fallen in past wars

568

00:21:22,789 --> 00:21:19,760

and

569

00:21:26,149 --> 00:21:22,799

in particular i want to say it's for the

570

00:21:29,750 --> 00:21:26,159

boat uh during

571

00:21:31,590 --> 00:21:29,760

pearl harbor um that had a bunch of utah

572

00:21:33,669 --> 00:21:31,600

soldiers on it i hope i'm not speaking

573

00:21:35,430 --> 00:21:33,679

out of turn there i think that's correct

574

00:21:38,789 --> 00:21:35,440

and

575

00:21:41,830 --> 00:21:38,799

um to describe this canyon it has really

576
00:21:43,029 --> 00:21:41,840
steep almost vertical cliff faces and

577
00:21:45,830 --> 00:21:43,039
it's

578
00:21:49,590 --> 00:21:45,840
very very large

579
00:21:51,510 --> 00:21:49,600
and the story is a guy

580
00:21:52,630 --> 00:21:51,520
basically law enforcement found a guy

581
00:21:55,190 --> 00:21:52,640
who had jumped off of there and

582
00:21:57,029 --> 00:21:55,200
committed suicide he had neatly folded

583
00:21:58,789 --> 00:21:57,039
his clothes at the top of the cliff and

584
00:22:00,470 --> 00:21:58,799
it takes a long time to hike up and

585
00:22:02,310 --> 00:22:00,480
around to get there

586
00:22:04,470 --> 00:22:02,320
and this was on the west side of the

587
00:22:05,990 --> 00:22:04,480
road if i'm not mistaken and he neatly

588
00:22:07,909 --> 00:22:06,000

folded his clothes

589

00:22:10,710 --> 00:22:07,919

jumped to his death and the police

590

00:22:13,190 --> 00:22:10,720

investigated it they couldn't find any

591

00:22:16,470 --> 00:22:13,200

foul play they moved on

592

00:22:18,710 --> 00:22:16,480

well six months later another guy did

593

00:22:19,510 --> 00:22:18,720

the same thing

594

00:22:21,590 --> 00:22:19,520

they

595

00:22:24,789 --> 00:22:21,600

neatly folded his clothes jumped off the

596

00:22:27,190 --> 00:22:24,799

same area they investigated and the law

597

00:22:28,549 --> 00:22:27,200

enforcement officials found that these

598

00:22:31,190 --> 00:22:28,559

two guys

599

00:22:32,310 --> 00:22:31,200

had the same girlfriend

600

00:22:37,430 --> 00:22:32,320

and

601
00:22:39,430 --> 00:22:37,440
believe also a meth dealer

602
00:22:42,310 --> 00:22:39,440
and some and

603
00:22:45,669 --> 00:22:42,320
they still could not

604
00:22:47,909 --> 00:22:45,679
kind of connect the two because

605
00:22:49,510 --> 00:22:47,919
she was nowhere near these events when

606
00:22:52,549 --> 00:22:49,520
they took place

607
00:22:53,590 --> 00:22:52,559
but you know from an occult perspective

608
00:22:55,909 --> 00:22:53,600
kind of an

609
00:22:58,310 --> 00:22:55,919
esoterically looking at this

610
00:22:59,909 --> 00:22:58,320
it seems like the guys were sort of

611
00:23:02,070 --> 00:22:59,919
under some kind of mind control when

612
00:23:05,430 --> 00:23:02,080
they did this just because of the neatly

613
00:23:07,750 --> 00:23:05,440

folded clothes and the like almost exact

614

00:23:09,350 --> 00:23:07,760

same behavior so that that's kind of a

615

00:23:11,990 --> 00:23:09,360

freaky one but i i don't think they

616

00:23:13,510 --> 00:23:12,000

could do anything because there's no way

617

00:23:15,590 --> 00:23:13,520

to prove

618

00:23:17,909 --> 00:23:15,600

that she had anything to do with it

619

00:23:20,149 --> 00:23:17,919

yeah that seems like a hard uh

620

00:23:21,430 --> 00:23:20,159

a really hard chore to try to connect i

621

00:23:24,149 --> 00:23:21,440

mean the only connection like you said

622

00:23:26,789 --> 00:23:24,159

they had that everybody knows would be

623

00:23:28,789 --> 00:23:26,799

her as an individual but i mean the

624

00:23:31,029 --> 00:23:28,799

like you said if if they're

625

00:23:33,190 --> 00:23:31,039

if it's down to the folding your clothes

626

00:23:35,669 --> 00:23:33,200

hiking is was it the exact same spot

627

00:23:38,070 --> 00:23:35,679

that they had jumped from almost exactly

628

00:23:41,750 --> 00:23:38,080

like within like close enough to make

629

00:23:43,669 --> 00:23:41,760

them very weary of the whole thing

630

00:23:44,870 --> 00:23:43,679

um that's

631

00:23:46,470 --> 00:23:44,880

it

632

00:23:49,110 --> 00:23:46,480

i mean that would be

633

00:23:51,269 --> 00:23:49,120

unless he was led to that exact spot i

634

00:23:54,070 --> 00:23:51,279

mean that yeah there's i'm leaning

635

00:23:56,230 --> 00:23:54,080

towards the the supernatural uh of it

636

00:23:57,909 --> 00:23:56,240

because coincidences

637

00:23:59,350 --> 00:23:57,919

i mean we all know that in true crime

638

00:24:01,750 --> 00:23:59,360

you know there there isn't that many

639

00:24:04,390 --> 00:24:01,760

coincidences

640

00:24:07,510 --> 00:24:04,400

yeah and speaking of true crime you're

641

00:24:08,950 --> 00:24:07,520

one missing and one murdered podcast

642

00:24:12,630 --> 00:24:08,960

um

643

00:24:17,990 --> 00:24:12,640

do you have any tales from that that

644

00:24:23,990 --> 00:24:21,669

it's really a challenge when i go into

645

00:24:26,390 --> 00:24:24,000

the the true crime with indigenous

646

00:24:28,630 --> 00:24:26,400

people because there are a lot of

647

00:24:30,710 --> 00:24:28,640

the the challenges that you deal with

648

00:24:32,710 --> 00:24:30,720

when you're reporting these is you know

649

00:24:36,789 --> 00:24:32,720

lack of information lack of

650

00:24:38,149 --> 00:24:36,799

uh lack of care uh to be frank about it

651
00:24:40,390 --> 00:24:38,159
but um

652
00:24:42,470 --> 00:24:40,400
there have been instances where some of

653
00:24:44,470 --> 00:24:42,480
these cases happened that just don't

654
00:24:46,630 --> 00:24:44,480
seem to make sense there's the the

655
00:24:49,590 --> 00:24:46,640
vanishing there was a case that i've

656
00:24:53,669 --> 00:24:49,600
been investigating for a while that

657
00:24:55,669 --> 00:24:53,679
she was a girl from the navajo nation

658
00:24:57,750 --> 00:24:55,679
and she was

659
00:24:59,350 --> 00:24:57,760
on she she had medication that she took

660
00:25:02,950 --> 00:24:59,360
regularly

661
00:25:04,870 --> 00:25:02,960
and one day she just got up said she was

662
00:25:07,990 --> 00:25:04,880
gonna go meet a friend which she didn't

663
00:25:08,789 --> 00:25:08,000

go meet after the fact and she got into

664

00:25:12,630 --> 00:25:08,799

she

665

00:25:14,230 --> 00:25:12,640

that happens more often than not that

666

00:25:16,870 --> 00:25:14,240

our people just tend to vanish out of

667

00:25:18,470 --> 00:25:16,880

thin air i know that there is a lot of

668

00:25:19,909 --> 00:25:18,480

you know trafficking and human

669

00:25:22,789 --> 00:25:19,919

trafficking things and stuff like that

670

00:25:24,310 --> 00:25:22,799

to which has always been um i've found

671

00:25:26,149 --> 00:25:24,320

that you can't rule it out especially

672

00:25:27,990 --> 00:25:26,159

with this case i think it was in the 70s

673

00:25:30,070 --> 00:25:28,000

i can't recall whether or not i i

674

00:25:31,990 --> 00:25:30,080

covered it or not but there are a lot of

675

00:25:33,350 --> 00:25:32,000

cases out there of

676
00:25:36,310 --> 00:25:33,360
native people

677
00:25:37,750 --> 00:25:36,320
just tending to either disappear or they

678
00:25:40,830 --> 00:25:37,760
or they end up

679
00:25:43,750 --> 00:25:40,840
uh they end up deceased found deceased

680
00:25:44,789 --> 00:25:43,760
for really odd reasons

681
00:25:48,230 --> 00:25:44,799
um

682
00:25:50,310 --> 00:25:48,240
uh

683
00:25:53,590 --> 00:25:50,320
foul play and stuff like that but there

684
00:25:55,110 --> 00:25:53,600
are cases uh as far as i've seen so far

685
00:25:57,669 --> 00:25:55,120
i always keep an open mind about it but

686
00:25:59,750 --> 00:25:57,679
so far there hasn't been anything that

687
00:26:02,390 --> 00:25:59,760
has jumped out at me that

688
00:26:05,590 --> 00:26:02,400

screams paranormal um

689

00:26:09,110 --> 00:26:08,149

it from from the lack of reports from

690

00:26:10,950 --> 00:26:09,120

police

691

00:26:13,830 --> 00:26:10,960

and and reporters and stuff like that

692

00:26:15,190 --> 00:26:13,840

it's it's really limited so i i would i

693

00:26:17,350 --> 00:26:15,200

would

694

00:26:19,990 --> 00:26:17,360

say that it's it's just tough to really

695

00:26:21,110 --> 00:26:20,000

make a clear call you know

696

00:26:22,070 --> 00:26:21,120

totally

697

00:26:25,830 --> 00:26:22,080

um

698

00:26:28,950 --> 00:26:25,840

speaking of the four corners area i had

699

00:26:32,470 --> 00:26:28,960

the opportunity to speak with um navajo

700

00:26:33,750 --> 00:26:32,480

ranger jonathan dover and some of his uh

701
00:26:36,710 --> 00:26:33,760
co-workers

702
00:26:37,830 --> 00:26:36,720
who were great they had some great tales

703
00:26:41,269 --> 00:26:37,840
but

704
00:26:43,190 --> 00:26:41,279
it's amazing the four corners how active

705
00:26:44,390 --> 00:26:43,200
that location is

706
00:26:46,390 --> 00:26:44,400
and how

707
00:26:48,549 --> 00:26:46,400
a lot of times

708
00:26:50,870 --> 00:26:48,559
people know kind of you know where the

709
00:26:53,510 --> 00:26:50,880
red flags are so to speak like who may

710
00:26:54,470 --> 00:26:53,520
or may not be practicing the occult

711
00:26:57,830 --> 00:26:54,480
and

712
00:27:00,870 --> 00:26:57,840
he was tasked with investigating

713
00:27:03,190 --> 00:27:00,880

among his duties some of these stranger

714

00:27:04,630 --> 00:27:03,200

cases because

715

00:27:06,549 --> 00:27:04,640

it is

716

00:27:08,470 --> 00:27:06,559

one of those things where

717

00:27:10,310 --> 00:27:08,480

well let's say for example if i were to

718

00:27:12,630 --> 00:27:10,320

jump on the phone and call and say hey

719

00:27:14,390 --> 00:27:12,640

there's a bigfoot looking in my window

720

00:27:15,900 --> 00:27:14,400

the cops would laugh at me and probably

721

00:27:17,269 --> 00:27:15,910

not come out but

722

00:27:20,230 --> 00:27:17,279

[Music]

723

00:27:22,389 --> 00:27:20,240

you know jonathan was saying that many

724

00:27:23,590 --> 00:27:22,399

times very respected members of the

725

00:27:26,389 --> 00:27:23,600

community

726

00:27:28,549 --> 00:27:26,399

and others would have tales

727

00:27:31,190 --> 00:27:28,559

that in addition to his regular law

728

00:27:34,710 --> 00:27:31,200

enforcement duties would kind of be one

729

00:27:37,110 --> 00:27:34,720

step closer to that fringe and because

730

00:27:38,630 --> 00:27:37,120

he knew them personally and the other

731

00:27:40,549 --> 00:27:38,640

rangers did too

732

00:27:41,350 --> 00:27:40,559

these aren't people that would tend to

733

00:27:44,549 --> 00:27:41,360

lie

734

00:27:46,549 --> 00:27:44,559

they were called out on some very

735

00:27:49,430 --> 00:27:46,559

very strange cases

736

00:27:52,549 --> 00:27:49,440

and in some cases

737

00:27:53,909 --> 00:27:52,559

he had mentioned that they would show up

738

00:27:56,630 --> 00:27:53,919

on-site

739

00:27:58,470 --> 00:27:56,640

investigating some of these oddities and

740

00:28:00,389 --> 00:27:58,480

they would find

741

00:28:01,430 --> 00:28:00,399

for lack of a better word other

742

00:28:03,590 --> 00:28:01,440

government

743

00:28:05,029 --> 00:28:03,600

i should

744

00:28:06,149 --> 00:28:05,039

be careful here

745

00:28:07,750 --> 00:28:06,159

other

746

00:28:10,070 --> 00:28:07,760

research

747

00:28:12,230 --> 00:28:10,080

people with government ties

748

00:28:13,029 --> 00:28:12,240

who were also investigating the same

749

00:28:14,870 --> 00:28:13,039

thing

750

00:28:17,430 --> 00:28:14,880

um which kind of brings me to like the

751
00:28:19,830 --> 00:28:17,440
men in black thing like even though it's

752
00:28:23,269 --> 00:28:19,840
hard to say oh they were men in black

753
00:28:25,110 --> 00:28:23,279
um they they were as close as i've come

754
00:28:26,950 --> 00:28:25,120
to somebody that could be deemed that

755
00:28:28,950 --> 00:28:26,960
without going into like the weird factor

756
00:28:31,110 --> 00:28:28,960
of the men in black but just people that

757
00:28:35,190 --> 00:28:31,120
are usually you know rolling around in

758
00:28:37,190 --> 00:28:35,200
black suburbans have uh

759
00:28:38,549 --> 00:28:37,200
have higher credentials than the average

760
00:28:42,310 --> 00:28:38,559
investigator

761
00:28:44,710 --> 00:28:42,320
and um some of them were even tied to

762
00:28:47,830 --> 00:28:44,720
bigelow aerospace which

763
00:28:50,470 --> 00:28:47,840

also owned some property

764

00:28:53,269 --> 00:28:50,480

in the basin so i just think that's kind

765

00:28:55,350 --> 00:28:53,279

of an interesting tie that um jonathan

766

00:28:57,510 --> 00:28:55,360

had mentioned sometimes they'd get to

767

00:29:00,950 --> 00:28:57,520

these places and they weren't the only

768

00:29:03,669 --> 00:29:00,960

ones interested in what was taking place

769

00:29:07,350 --> 00:29:04,870

absolutely

770

00:29:08,950 --> 00:29:07,360

it's it's really interesting to

771

00:29:11,830 --> 00:29:08,960

to kind of take that subject and tie

772

00:29:14,549 --> 00:29:11,840

back to the true crime thing like

773

00:29:16,950 --> 00:29:14,559

with living in the indigenous community

774

00:29:19,269 --> 00:29:16,960

it's a federal land and we're we're

775

00:29:23,110 --> 00:29:19,279

governed under federal jurisdiction and

776

00:29:26,149 --> 00:29:23,120

so any activity whether it is a crime

777

00:29:28,149 --> 00:29:26,159

murder assaults uh things like that or

778

00:29:30,630 --> 00:29:28,159

weird things stuff like that we we are

779

00:29:33,269 --> 00:29:30,640

very tight we're tied very close to

780

00:29:35,430 --> 00:29:33,279

federal and so it's not too surprising

781

00:29:36,950 --> 00:29:35,440

to hear that federal that you know that

782

00:29:38,870 --> 00:29:36,960

anybody with sort any sort of high

783

00:29:41,430 --> 00:29:38,880

government clearance or anything to that

784

00:29:43,510 --> 00:29:41,440

nature would be present during any of

785

00:29:46,149 --> 00:29:43,520

these sightings and stuff like that

786

00:29:48,070 --> 00:29:46,159

because you know it's it but it really

787

00:29:50,310 --> 00:29:48,080

makes you wonder like who are you know

788

00:29:52,710 --> 00:29:50,320

who are these people you know who

789

00:29:54,149 --> 00:29:52,720

who who's standing there like just do

790

00:29:56,070 --> 00:29:54,159

they have a scanner in their car and

791

00:29:58,310 --> 00:29:56,080

just hanging out or what's going on

792

00:30:01,029 --> 00:29:58,320

that's what i was wondering how did they

793

00:30:02,870 --> 00:30:01,039

happen to hear about this and more

794

00:30:05,110 --> 00:30:02,880

importantly how do they happen to

795

00:30:07,830 --> 00:30:05,120

perfectly show up at the right time

796

00:30:10,310 --> 00:30:07,840

at the right place

797

00:30:13,110 --> 00:30:10,320

it's you know pretty far whether it's

798

00:30:15,430 --> 00:30:13,120

vegas or utah to the four corners and

799

00:30:17,430 --> 00:30:15,440

they would be there on site so they

800

00:30:18,950 --> 00:30:17,440

either bookmarked this through some kind

801
00:30:21,750 --> 00:30:18,960
of like you said

802
00:30:23,669 --> 00:30:21,760
uh scanner or they had a window of

803
00:30:25,990 --> 00:30:23,679
opportunity where they were i don't know

804
00:30:28,070 --> 00:30:26,000
that's it's fascinating

805
00:30:30,389 --> 00:30:28,080
well to talk about that area

806
00:30:33,029 --> 00:30:30,399
um the tribe that i'm enrolled in is

807
00:30:35,669 --> 00:30:33,039
actually a stone's throw away from the

808
00:30:38,070 --> 00:30:35,679
four corners area

809
00:30:40,870 --> 00:30:38,080
i had grown i grew up here within the un

810
00:30:41,830 --> 00:30:40,880
basin but i would frequently go down to

811
00:30:44,549 --> 00:30:41,840
visit

812
00:30:46,070 --> 00:30:44,559
and it's really something because you

813
00:30:48,310 --> 00:30:46,080

hear tales

814

00:30:49,909 --> 00:30:48,320

of and we're told you know not to pick

815

00:30:54,470 --> 00:30:49,919

up hitchhikers on that road i think it

816

00:30:56,310 --> 00:30:54,480

was uh route 666 i think they changed it

817

00:30:58,149 --> 00:30:56,320

but that route runs straight through the

818

00:30:59,110 --> 00:30:58,159

ute mountain youth tribe

819

00:31:01,830 --> 00:30:59,120

and

820

00:31:03,909 --> 00:31:01,840

we have a there's a sign there that says

821

00:31:05,990 --> 00:31:03,919

do not pick up hitchhikers i i might be

822

00:31:08,230 --> 00:31:06,000

i might be out of speaking out of turn

823

00:31:10,070 --> 00:31:08,240

but we were always told as

824

00:31:12,070 --> 00:31:10,080

you know as the members of the community

825

00:31:14,470 --> 00:31:12,080

like don't just don't pick up anybody

826

00:31:15,350 --> 00:31:14,480

you see somebody don't pick them up

827

00:31:17,669 --> 00:31:15,360

um

828

00:31:19,430 --> 00:31:17,679

because you never know it's what they

829

00:31:21,830 --> 00:31:19,440

always used to say you never know what

830

00:31:24,310 --> 00:31:21,840

or who you're picking up and

831

00:31:26,230 --> 00:31:24,320

i've heard horror stories of them

832

00:31:28,870 --> 00:31:26,240

none that i can uh none that i can

833

00:31:31,190 --> 00:31:28,880

recall at the moment but um yeah that

834

00:31:33,830 --> 00:31:31,200

that area is flooded with a lot of

835

00:31:36,230 --> 00:31:33,840

paranormal stuff a lot of unexplained

836

00:31:37,909 --> 00:31:36,240

stuff when it comes to that so i'm and

837

00:31:40,310 --> 00:31:37,919

and i'm pretty sure that the government

838

00:31:43,029 --> 00:31:40,320

or anybody any law enforcement agency

839

00:31:44,710 --> 00:31:43,039

knows this and uh it would it's not too

840

00:31:45,430 --> 00:31:44,720

surprising that they would they might

841

00:31:48,870 --> 00:31:45,440

have

842

00:31:51,750 --> 00:31:48,880

a station somewhere in that area yeah

843

00:31:53,909 --> 00:31:51,760

yeah and that that is a beautiful area

844

00:31:55,830 --> 00:31:53,919

if anybody has not been down there and

845

00:31:58,230 --> 00:31:55,840

seen chimney rock

846

00:32:00,950 --> 00:31:58,240

and a lot of

847

00:32:03,430 --> 00:32:00,960

just all of all of the all of the area

848

00:32:05,669 --> 00:32:03,440

is stunning and even parts uh

849

00:32:07,509 --> 00:32:05,679

even parts of new mexico which are close

850

00:32:08,950 --> 00:32:07,519

close by to the south

851
00:32:10,950 --> 00:32:08,960
um

852
00:32:12,870 --> 00:32:10,960
there's so much fascinating stuff around

853
00:32:14,389 --> 00:32:12,880
there it's just it's just fascinating

854
00:32:16,310 --> 00:32:14,399
man

855
00:32:17,830 --> 00:32:16,320
there's a lot of lore in that area too

856
00:32:21,110 --> 00:32:17,840
there's a lot of

857
00:32:23,029 --> 00:32:21,120
the the if you go uh i think it's north

858
00:32:24,549 --> 00:32:23,039
um my directions might be turned around

859
00:32:25,590 --> 00:32:24,559
a little bit but there's the the mesa

860
00:32:27,990 --> 00:32:25,600
verde

861
00:32:29,750 --> 00:32:28,000
that the the area of the people they

862
00:32:31,990 --> 00:32:29,760
used to live in that mountainside

863
00:32:34,630 --> 00:32:32,000

there's an energy there being there i

864

00:32:37,669 --> 00:32:34,640

used to go there uh as a kid

865

00:32:40,310 --> 00:32:37,679

to just as a museum thing or whatever

866

00:32:41,430 --> 00:32:40,320

but you can feel things you can feel the

867

00:32:43,190 --> 00:32:41,440

energy

868

00:32:45,350 --> 00:32:43,200

for years i didn't know what it was but

869

00:32:47,509 --> 00:32:45,360

you know i thought it was just pride or

870

00:32:50,230 --> 00:32:47,519

you know that you know that connection

871

00:32:52,470 --> 00:32:50,240

to the the earth that way but

872

00:32:54,549 --> 00:32:52,480

there's an energy and residualness that

873

00:32:56,710 --> 00:32:54,559

rests in this land

874

00:32:57,909 --> 00:32:56,720

uh when it comes to

875

00:32:59,350 --> 00:32:57,919

uh

876

00:33:01,110 --> 00:32:59,360

for years

877

00:33:03,909 --> 00:33:01,120

it's laid dormant

878

00:33:05,350 --> 00:33:03,919

and when we as people walk through this

879

00:33:07,909 --> 00:33:05,360

land or they they drive through they

880

00:33:10,149 --> 00:33:07,919

build through it you're disturbing that

881

00:33:11,029 --> 00:33:10,159

and it and it gives that energy to the

882

00:33:13,509 --> 00:33:11,039

land

883

00:33:15,590 --> 00:33:13,519

as indigenous people we talk about how

884

00:33:17,750 --> 00:33:15,600

we give our energy that way you know

885

00:33:19,750 --> 00:33:17,760

when we come from the ground in that you

886

00:33:20,470 --> 00:33:19,760

know we we go back to it

887

00:33:22,789 --> 00:33:20,480

so

888

00:33:24,950 --> 00:33:22,799

who you know who's really to say that

889

00:33:26,870 --> 00:33:24,960

the energy that you're walking on the

890

00:33:27,909 --> 00:33:26,880

energy that you're that is sitting on

891

00:33:29,990 --> 00:33:27,919

right now

892

00:33:31,669 --> 00:33:30,000

that there's energy in that ground in

893

00:33:32,710 --> 00:33:31,679

that rock in that chair that you're

894

00:33:34,310 --> 00:33:32,720

sitting in

895

00:33:36,230 --> 00:33:34,320

so

896

00:33:39,430 --> 00:33:36,240

that was just my take on it

897

00:33:42,549 --> 00:33:39,440

yeah and man mesa verde is something

898

00:33:44,710 --> 00:33:42,559

else that is if that needs to be visited

899

00:33:46,149 --> 00:33:44,720

by anybody exploring

900

00:33:50,149 --> 00:33:46,159

that area

901
00:33:53,269 --> 00:33:50,159
and it reminds me of a story that i got

902
00:33:54,870 --> 00:33:53,279
called out to investigate which is it's

903
00:33:58,470 --> 00:33:54,880
south of there it's i i wish it would

904
00:33:59,990 --> 00:33:58,480
have been mesa verde but it's at the um

905
00:34:03,029 --> 00:34:00,000
choco canyon

906
00:34:05,110 --> 00:34:03,039
and that's in new mexico and the

907
00:34:07,110 --> 00:34:05,120
the story was

908
00:34:09,349 --> 00:34:07,120
that there was

909
00:34:11,750 --> 00:34:09,359
and it's one of these stories again like

910
00:34:14,149 --> 00:34:11,760
you mentioned it's so hard to

911
00:34:15,190 --> 00:34:14,159
track down the individuals related to

912
00:34:17,430 --> 00:34:15,200
this

913
00:34:19,109 --> 00:34:17,440

and figure out exactly what happened

914

00:34:21,190 --> 00:34:19,119

because

915

00:34:22,869 --> 00:34:21,200

it's one of these government type

916

00:34:25,270 --> 00:34:22,879

situations where

917

00:34:27,589 --> 00:34:25,280

an excavation was uh

918

00:34:28,950 --> 00:34:27,599

take had taken place by individuals that

919

00:34:31,589 --> 00:34:28,960

were just there

920

00:34:35,349 --> 00:34:31,599

and they had found for lack of a better

921

00:34:37,750 --> 00:34:35,359

word sort of a sort of a cave going into

922

00:34:39,349 --> 00:34:37,760

into this excavation and

923

00:34:42,310 --> 00:34:39,359

government archaeologists were called

924

00:34:43,909 --> 00:34:42,320

immediately but basically the rough the

925

00:34:46,230 --> 00:34:43,919

rough story was

926
00:34:48,629 --> 00:34:46,240
these locals found this cave

927
00:34:51,109 --> 00:34:48,639
it had you know they they figured out

928
00:34:52,230 --> 00:34:51,119
how to whisk into it get in there and

929
00:34:54,389 --> 00:34:52,240
and

930
00:34:56,389 --> 00:34:54,399
there were things on the walls that were

931
00:34:59,109 --> 00:34:56,399
very museum-ish

932
00:35:00,950 --> 00:34:59,119
and uh various

933
00:35:03,510 --> 00:35:00,960
mentions of

934
00:35:05,910 --> 00:35:03,520
um the wingmakers

935
00:35:07,349 --> 00:35:05,920
is what they described them as

936
00:35:09,270 --> 00:35:07,359
and apparently these government

937
00:35:10,150 --> 00:35:09,280
archaeologists came in

938
00:35:12,230 --> 00:35:10,160

they

939

00:35:13,829 --> 00:35:12,240

shut everything down told the people you

940

00:35:16,069 --> 00:35:13,839

know as you often hear and this is where

941

00:35:17,910 --> 00:35:16,079

it's hard to verify this but they told

942

00:35:19,829 --> 00:35:17,920

them you know don't don't tell anybody

943

00:35:22,790 --> 00:35:19,839

about this this is uh

944

00:35:25,190 --> 00:35:22,800

this is national security and

945

00:35:27,589 --> 00:35:25,200

the american museum of national history

946

00:35:28,790 --> 00:35:27,599

is natural history from new york city

947

00:35:31,430 --> 00:35:28,800

came out

948

00:35:33,030 --> 00:35:31,440

and are residing over this and i believe

949

00:35:35,430 --> 00:35:33,040

some others

950

00:35:38,550 --> 00:35:35,440

but basically

951
00:35:40,230 --> 00:35:38,560
they they saw this as well that this

952
00:35:43,190 --> 00:35:40,240
this was kind of a hall of records of

953
00:35:45,190 --> 00:35:43,200
sorts and they saw these wingmakers um

954
00:35:46,710 --> 00:35:45,200
and so they literally did like a google

955
00:35:48,790 --> 00:35:46,720
search and found

956
00:35:50,390 --> 00:35:48,800
an organization called the wingmakers

957
00:35:51,990 --> 00:35:50,400
and they reached out to them and they

958
00:35:53,510 --> 00:35:52,000
said what is this

959
00:35:54,710 --> 00:35:53,520
and they said i don't know it probably

960
00:35:57,030 --> 00:35:54,720
was us

961
00:35:59,109 --> 00:35:57,040
but because it's a different time period

962
00:36:02,870 --> 00:35:59,119
and dimensionally speaking we can't

963
00:36:05,750 --> 00:36:02,880

speaking to that we can't claim any uh

964

00:36:06,790 --> 00:36:05,760

any any any ties to that

965

00:36:09,829 --> 00:36:06,800

and

966

00:36:12,230 --> 00:36:09,839

again it was like very strange because

967

00:36:14,550 --> 00:36:12,240

it seemed like there was these elite

968

00:36:15,990 --> 00:36:14,560

groups that came in took dominion over

969

00:36:17,910 --> 00:36:16,000

the whole

970

00:36:20,390 --> 00:36:17,920

archaeological area

971

00:36:22,310 --> 00:36:20,400

and if i'm not mistaken the remains were

972

00:36:24,310 --> 00:36:22,320

kind of hauled off and they claimed that

973

00:36:25,349 --> 00:36:24,320

these belong to them or that this was

974

00:36:27,349 --> 00:36:25,359

part of

975

00:36:30,790 --> 00:36:27,359

the conclusion was this was

976

00:36:32,710 --> 00:36:30,800

something really important and

977

00:36:35,190 --> 00:36:32,720

you know you hear these stories but it's

978

00:36:38,230 --> 00:36:35,200

really hard to verify them isn't it it's

979

00:36:42,470 --> 00:36:41,109

that uh leaves me with way more

980

00:36:44,630 --> 00:36:42,480

questions than

981

00:36:46,630 --> 00:36:44,640

than answers it's really interesting

982

00:36:49,190 --> 00:36:46,640

because why would you

983

00:36:50,950 --> 00:36:49,200

why would you as a as a national park

984

00:36:53,990 --> 00:36:50,960

want to know of these things i get

985

00:36:55,670 --> 00:36:54,000

closing it off for preservation to get

986

00:36:57,030 --> 00:36:55,680

you know to verify that what you're

987

00:36:59,430 --> 00:36:57,040

looking at is

988

00:37:01,190 --> 00:36:59,440

you know historically you know important

989

00:37:07,109 --> 00:37:01,200

or if it's graffiti and stuff like that

990

00:37:07,119 --> 00:37:08,870

to to unders

991

00:37:15,030 --> 00:37:12,630

is very sus you know it's very suspect

992

00:37:16,870 --> 00:37:15,040

in my opinion

993

00:37:19,750 --> 00:37:16,880

yeah it's weird there was there was

994

00:37:21,270 --> 00:37:19,760

another story that kind of it reminds me

995

00:37:25,430 --> 00:37:21,280

of that a little bit this one took place

996

00:37:27,750 --> 00:37:25,440

in arizona i actually heard this

997

00:37:29,430 --> 00:37:27,760

through the grapevine that

998

00:37:32,630 --> 00:37:29,440

there was a

999

00:37:35,030 --> 00:37:32,640

archaeological uh

1000

00:37:38,150 --> 00:37:35,040

college students doing a dig

1001
00:37:40,710 --> 00:37:38,160
and they it was a hopi site

1002
00:37:43,349 --> 00:37:40,720
and as they were going

1003
00:37:45,750 --> 00:37:43,359
through they found some things that

1004
00:37:48,069 --> 00:37:45,760
baffled them and among those things were

1005
00:37:51,829 --> 00:37:48,079
like tibetan prayer flags that seemed

1006
00:37:54,150 --> 00:37:51,839
consistent with the era and

1007
00:37:55,910 --> 00:37:54,160
you know it's just one of those like

1008
00:37:57,829 --> 00:37:55,920
they immediately shut it down like

1009
00:37:59,430 --> 00:37:57,839
cordoned it off like wait okay you guys

1010
00:38:01,829 --> 00:37:59,440
are out of here you're done

1011
00:38:04,950 --> 00:38:01,839
and and it's like wait a minute that's

1012
00:38:07,430 --> 00:38:04,960
like a long way geographically

1013
00:38:09,589 --> 00:38:07,440

and there's a lot of amazing history

1014

00:38:10,550 --> 00:38:09,599

with the hopi and

1015

00:38:13,990 --> 00:38:10,560

uh

1016

00:38:16,310 --> 00:38:14,000

they're known for very amazing things

1017

00:38:18,230 --> 00:38:16,320

and so that i thought like you know what

1018

00:38:21,510 --> 00:38:18,240

is what am i missing here like how how

1019

00:38:24,470 --> 00:38:21,520

did they find tibetan prayer flags in a

1020

00:38:27,109 --> 00:38:24,480

you know among hopi artifacts in arizona

1021

00:38:29,430 --> 00:38:27,119

but again one of those stories where you

1022

00:38:30,870 --> 00:38:29,440

know i tried to dig in and it's just so

1023

00:38:33,030 --> 00:38:30,880

hard to get any

1024

00:38:35,349 --> 00:38:33,040

valuable information it's just all word

1025

00:38:37,349 --> 00:38:35,359

of mouth

1026

00:38:38,790 --> 00:38:37,359

that's real that's really interesting

1027

00:38:42,550 --> 00:38:38,800

because uh

1028

00:38:44,470 --> 00:38:42,560

the the i just did an episode uh around

1029

00:38:47,349 --> 00:38:44,480

the the kachina dolls which originated

1030

00:38:49,829 --> 00:38:47,359

in the hopi culture so

1031

00:38:52,550 --> 00:38:49,839

but to find tibetan

1032

00:38:53,910 --> 00:38:52,560

tibetan flags prayer flags

1033

00:38:56,550 --> 00:38:53,920

is very

1034

00:38:57,510 --> 00:38:56,560

very interesting

1035

00:38:59,270 --> 00:38:57,520

um

1036

00:39:01,030 --> 00:38:59,280

it was it's been something that it was a

1037

00:39:02,950 --> 00:39:01,040

passion that like my mom before she

1038

00:39:07,430 --> 00:39:02,960

passed she got really

1039

00:39:10,230 --> 00:39:07,440

uh fixated on learning about where we as

1040

00:39:13,190 --> 00:39:10,240

indigenous people come from and uh i

1041

00:39:14,550 --> 00:39:13,200

know that they talk about pangaea and

1042

00:39:16,230 --> 00:39:14,560

that uh

1043

00:39:19,190 --> 00:39:16,240

the whole pangaea thing

1044

00:39:21,349 --> 00:39:19,200

that we originated for that people of

1045

00:39:23,589 --> 00:39:21,359

our you know the indigenous line or

1046

00:39:25,829 --> 00:39:23,599

bloodline is stretched

1047

00:39:28,150 --> 00:39:25,839

throughout the americas

1048

00:39:29,990 --> 00:39:28,160

and so i i always had a theory that our

1049

00:39:31,990 --> 00:39:30,000

people originated from the south and

1050

00:39:33,750 --> 00:39:32,000

just migrated north

1051
00:39:35,030 --> 00:39:33,760
so but

1052
00:39:38,790 --> 00:39:35,040
but it's really interesting that you

1053
00:39:39,990 --> 00:39:38,800
would find a tibetan flag that like that

1054
00:39:41,750 --> 00:39:40,000
really cool

1055
00:39:43,510 --> 00:39:41,760
i mean cool and but if it's a prayer

1056
00:39:45,430 --> 00:39:43,520
flag i understand because as an

1057
00:39:46,550 --> 00:39:45,440
indigenous person you you know we are

1058
00:39:48,790 --> 00:39:46,560
we're very

1059
00:39:50,870 --> 00:39:48,800
protective of our of our prayers and

1060
00:39:52,310 --> 00:39:50,880
what's sacred what's not and stuff like

1061
00:39:54,870 --> 00:39:52,320
that so

1062
00:39:57,589 --> 00:39:54,880
yeah and i'm i'm with you on your theory

1063
00:39:58,470 --> 00:39:57,599

about the migration north i think yeah

1064

00:40:00,710 --> 00:39:58,480

there's

1065

00:40:02,310 --> 00:40:00,720

i think you're on the right you know

1066

00:40:04,150 --> 00:40:02,320

it's mysterious

1067

00:40:06,309 --> 00:40:04,160

when you um

1068

00:40:07,430 --> 00:40:06,319

looking at civilization and where they

1069

00:40:08,150 --> 00:40:07,440

inhabited

1070

00:40:09,030 --> 00:40:08,160

and

1071

00:40:12,390 --> 00:40:09,040

how

1072

00:40:14,550 --> 00:40:12,400

i'm i'm with you on your on your theory

1073

00:40:17,670 --> 00:40:14,560

and your mom's theory i'm right there

1074

00:40:18,790 --> 00:40:17,680

um another strange case i'm sure you've

1075

00:40:22,550 --> 00:40:18,800

heard of

1076

00:40:24,630 --> 00:40:22,560

is for listeners um

1077

00:40:26,390 --> 00:40:24,640

the grand canyon it's something called

1078

00:40:29,990 --> 00:40:26,400

kincaid's cave

1079

00:40:32,390 --> 00:40:30,000

and i guess back in the early 1900s the

1080

00:40:34,550 --> 00:40:32,400

the phoenix gazette or the local paper

1081

00:40:36,630 --> 00:40:34,560

published an article about

1082

00:40:38,950 --> 00:40:36,640

this guy king cade who basically was

1083

00:40:42,150 --> 00:40:38,960

exploring the grand canyon

1084

00:40:44,470 --> 00:40:42,160

and said he found like these mysterious

1085

00:40:45,829 --> 00:40:44,480

immense caverns

1086

00:40:47,990 --> 00:40:45,839

that had

1087

00:40:50,829 --> 00:40:48,000

all kinds of artifacts some of which

1088

00:40:53,109 --> 00:40:50,839

even well the way he described them were

1089

00:40:55,750 --> 00:40:53,119

egyptian and

1090

00:40:57,829 --> 00:40:55,760

what's strange about this is you know

1091

00:41:00,390 --> 00:40:57,839

i've gone down there and

1092

00:41:02,470 --> 00:41:00,400

done as much

1093

00:41:03,589 --> 00:41:02,480

you know digging into this as you can

1094

00:41:05,109 --> 00:41:03,599

without

1095

00:41:06,390 --> 00:41:05,119

you know drawing a lot of attention to

1096

00:41:07,270 --> 00:41:06,400

oneself

1097

00:41:09,430 --> 00:41:07,280

but

1098

00:41:12,390 --> 00:41:09,440

they have literally

1099

00:41:13,829 --> 00:41:12,400

sort of shut down part of the canyon you

1100

00:41:15,270 --> 00:41:13,839

know and

1101
00:41:17,750 --> 00:41:15,280
and uh

1102
00:41:20,069 --> 00:41:17,760
it seems like it's a legendary place

1103
00:41:21,030 --> 00:41:20,079
nobody can really access where he said

1104
00:41:23,109 --> 00:41:21,040
it was

1105
00:41:25,430 --> 00:41:23,119
there's i think one resort that's like

1106
00:41:27,589 --> 00:41:25,440
super elite that you get flown in with a

1107
00:41:29,750 --> 00:41:27,599
helicopter or something but

1108
00:41:31,349 --> 00:41:29,760
but wow it's it's

1109
00:41:33,510 --> 00:41:31,359
and even that i've heard some strange

1110
00:41:34,390 --> 00:41:33,520
stories about um

1111
00:41:35,910 --> 00:41:34,400
but

1112
00:41:37,030 --> 00:41:35,920
yeah there was a guy

1113
00:41:39,270 --> 00:41:37,040

but anyway

1114

00:41:41,030 --> 00:41:39,280

you can't fly drones in the can grand

1115

00:41:44,230 --> 00:41:41,040

canyon for other reasons

1116

00:41:47,190 --> 00:41:44,240

that are mentioned um you can't find out

1117

00:41:48,710 --> 00:41:47,200

a whole lot about it except that that

1118

00:41:50,550 --> 00:41:48,720

that article

1119

00:41:52,470 --> 00:41:50,560

is still you know you can find that

1120

00:41:54,230 --> 00:41:52,480

online and

1121

00:41:56,069 --> 00:41:54,240

so there was something to it apparently

1122

00:41:58,069 --> 00:41:56,079

the smithsonian came in and it was one

1123

00:41:59,990 --> 00:41:58,079

of these similar strange

1124

00:42:03,270 --> 00:42:00,000

situations where they shut everything

1125

00:42:05,910 --> 00:42:03,280

down and apparently took it for whatever

1126

00:42:07,750 --> 00:42:05,920

reason but hard to hard to

1127

00:42:10,870 --> 00:42:07,760

figure it out i mean we're talking about

1128

00:42:13,270 --> 00:42:10,880

thousands of feet a river at the bottom

1129

00:42:14,950 --> 00:42:13,280

um really difficult to find the mouth of

1130

00:42:18,950 --> 00:42:14,960

a cave that's hidden in such an

1131

00:42:21,430 --> 00:42:20,150

hmm

1132

00:42:23,910 --> 00:42:21,440

that's

1133

00:42:25,910 --> 00:42:23,920

yeah it still

1134

00:42:28,550 --> 00:42:25,920

still begs the question of

1135

00:42:30,390 --> 00:42:28,560

why um yeah

1136

00:42:31,910 --> 00:42:30,400

it's something that uh it you made me

1137

00:42:34,550 --> 00:42:31,920

think about this that

1138

00:42:37,430 --> 00:42:34,560

in the indigenous culture in uh youth

1139

00:42:39,750 --> 00:42:37,440

culture we talk about uh down there in

1140

00:42:42,470 --> 00:42:39,760

the uh in the in that four corners area

1141

00:42:44,630 --> 00:42:42,480

there is what they call the sleeping ute

1142

00:42:47,349 --> 00:42:44,640

um it's it's the mountain that rests

1143

00:42:48,550 --> 00:42:47,359

above the uh the toyoka reservation

1144

00:42:51,349 --> 00:42:48,560

right there

1145

00:42:53,829 --> 00:42:51,359

and i remember my aunt talking about

1146

00:42:54,870 --> 00:42:53,839

giants she was she went off about giants

1147

00:42:56,390 --> 00:42:54,880

one day

1148

00:42:59,270 --> 00:42:56,400

we were on a

1149

00:43:01,990 --> 00:42:59,280

trip to the city where we passed the uh

1150

00:43:03,670 --> 00:43:02,000

uh over in hebrew the uh the tippanogas

1151

00:43:05,109 --> 00:43:03,680

mountain that he wrote

1152

00:43:08,470 --> 00:43:05,119

right there in hebrew

1153

00:43:11,430 --> 00:43:08,480

and she would talk about tippanogas and

1154

00:43:13,270 --> 00:43:11,440

uh the the sleeping you we have legends

1155

00:43:17,910 --> 00:43:13,280

within the indigenous community of

1156

00:43:20,390 --> 00:43:17,920

sleeping giants that that exist but she

1157

00:43:23,109 --> 00:43:20,400

added to it that yes that they exist and

1158

00:43:25,910 --> 00:43:23,119

that their reason for being there was

1159

00:43:28,710 --> 00:43:25,920

that their protectors that these giants

1160

00:43:30,950 --> 00:43:28,720

that these these sleeping giants they

1161

00:43:31,910 --> 00:43:30,960

they're waiting and i asked her so what

1162

00:43:33,270 --> 00:43:31,920

you know what are they waiting for

1163

00:43:34,710 --> 00:43:33,280

auntie

1164

00:43:36,790 --> 00:43:34,720

she said that

1165

00:43:37,829 --> 00:43:36,800

when the time comes in the end of the

1166

00:43:40,230 --> 00:43:37,839

world

1167

00:43:41,270 --> 00:43:40,240

as you know when the when the last days

1168

00:43:43,510 --> 00:43:41,280

come

1169

00:43:45,109 --> 00:43:43,520

that these giants that have been

1170

00:43:47,190 --> 00:43:45,119

sweeping for all these years she said

1171

00:43:49,829 --> 00:43:47,200

that they're gonna wake up they'll wake

1172

00:43:51,430 --> 00:43:49,839

up and they'll protect us they're gonna

1173

00:43:52,950 --> 00:43:51,440

there and there's a reason why we are

1174

00:43:55,270 --> 00:43:52,960

where we are

1175

00:43:56,470 --> 00:43:55,280

because they are going to protect the

1176

00:43:58,069 --> 00:43:56,480

people

1177

00:44:00,790 --> 00:43:58,079

uh i did she used to say the youth

1178

00:44:02,309 --> 00:44:00,800

people um so i would

1179

00:44:04,550 --> 00:44:02,319

that made me think about that because of

1180

00:44:06,870 --> 00:44:04,560

the grand canyon so large

1181

00:44:09,430 --> 00:44:06,880

that i've heard some stories about there

1182

00:44:11,190 --> 00:44:09,440

being resting giants in the grand canyon

1183

00:44:12,150 --> 00:44:11,200

it just made me think about that so

1184

00:44:14,309 --> 00:44:12,160

mm-hmm

1185

00:44:17,190 --> 00:44:14,319

no that's super cool and it's so

1186

00:44:19,109 --> 00:44:17,200

mysterious that these canyons

1187

00:44:21,190 --> 00:44:19,119

you know they they have such rich

1188

00:44:23,510 --> 00:44:21,200

history of giants i'm kind of glad you

1189

00:44:27,670 --> 00:44:23,520

brought that up jordan because

1190

00:44:29,670 --> 00:44:27,680

a lot of these these giant tails are

1191

00:44:31,670 --> 00:44:29,680

pretty widespread

1192

00:44:34,069 --> 00:44:31,680

and you know uh

1193

00:44:36,710 --> 00:44:34,079

i we kind of spoke about the dry fort

1194

00:44:38,630 --> 00:44:36,720

canyon petroglyphs and i mean for people

1195

00:44:41,510 --> 00:44:38,640

that haven't seen these

1196

00:44:42,790 --> 00:44:41,520

they have really big feet they have like

1197

00:44:44,870 --> 00:44:42,800

really

1198

00:44:45,829 --> 00:44:44,880

different characteristics that you don't

1199

00:44:48,390 --> 00:44:45,839

see

1200

00:44:50,390 --> 00:44:48,400

um at a lot of the places and just the

1201
00:44:53,030 --> 00:44:50,400
area in general i mean there's like

1202
00:44:54,630 --> 00:44:53,040
these mysterious sinks that are hard to

1203
00:44:56,230 --> 00:44:54,640
describe to people that aren't familiar

1204
00:44:58,710 --> 00:44:56,240
with the area

1205
00:45:00,470 --> 00:44:58,720
it seems almost like there is

1206
00:45:01,990 --> 00:45:00,480
underground

1207
00:45:02,870 --> 00:45:02,000
caverns

1208
00:45:05,270 --> 00:45:02,880
where

1209
00:45:08,630 --> 00:45:05,280
uh some of these trails you'll just see

1210
00:45:11,109 --> 00:45:08,640
where it it literally stuff will will

1211
00:45:13,349 --> 00:45:11,119
sink like the ground will sink or

1212
00:45:15,510 --> 00:45:13,359
um something that's happened

1213
00:45:17,109 --> 00:45:15,520

right there near randlet mightin and

1214

00:45:20,150 --> 00:45:17,119

fort duchesne

1215

00:45:23,430 --> 00:45:20,160

i own some property there just south of

1216

00:45:25,030 --> 00:45:23,440

the old bigelow ranch on the border and

1217

00:45:27,589 --> 00:45:25,040

sometimes we'll go out there and i'm

1218

00:45:29,270 --> 00:45:27,599

sure you've seen this like the ground

1219

00:45:31,109 --> 00:45:29,280

will just kind of open up and you get

1220

00:45:32,630 --> 00:45:31,119

these little crack well not little

1221

00:45:33,750 --> 00:45:32,640

cracks you get these cracks in the

1222

00:45:36,470 --> 00:45:33,760

ground

1223

00:45:38,150 --> 00:45:36,480

that will go down like 10 20 feet and

1224

00:45:40,790 --> 00:45:38,160

then you'll come back a day or two later

1225

00:45:44,150 --> 00:45:40,800

and they're all closed up

1226

00:45:45,030 --> 00:45:44,160

it's almost as if it opens for a reason

1227

00:45:48,470 --> 00:45:45,040

um

1228

00:45:50,390 --> 00:45:48,480

i actually grew up uh for

1229

00:45:52,790 --> 00:45:50,400

18 years i moved off the reservation

1230

00:45:56,309 --> 00:45:52,800

when i was 18 but i actually grew up

1231

00:45:58,309 --> 00:45:56,319

uh in the randalet area and uh so i'm

1232

00:46:00,150 --> 00:45:58,319

very familiar with the stories that come

1233

00:46:02,790 --> 00:46:00,160

from that area that we used to talk

1234

00:46:05,270 --> 00:46:02,800

about these kids would wander the

1235

00:46:07,109 --> 00:46:05,280

the land we'd wander and do you know

1236

00:46:09,510 --> 00:46:07,119

kids stuff we'd during the winter time

1237

00:46:11,349 --> 00:46:09,520

we'd uh we'd walk the the canals that

1238

00:46:14,870 --> 00:46:11,359

were frozen but you would

1239

00:46:18,150 --> 00:46:14,880

always see interesting things there are

1240

00:46:20,710 --> 00:46:18,160

places out there that are like you said

1241

00:46:21,670 --> 00:46:20,720

like little caverns little caves

1242

00:46:25,030 --> 00:46:21,680

that

1243

00:46:26,790 --> 00:46:25,040

uh tend to just appear for no reason

1244

00:46:29,270 --> 00:46:26,800

and we were always told that you don't

1245

00:46:30,870 --> 00:46:29,280

don't own don't go near them because

1246

00:46:32,870 --> 00:46:30,880

there's something in there

1247

00:46:34,470 --> 00:46:32,880

it was one of those uh things that we

1248

00:46:36,150 --> 00:46:34,480

were never told what was in there but

1249

00:46:38,150 --> 00:46:36,160

that you just don't mess with it you

1250

00:46:40,390 --> 00:46:38,160

don't bother with it

1251

00:46:42,790 --> 00:46:40,400

so yeah but i'm very familiar with that

1252

00:46:45,430 --> 00:46:42,800

with the mysterious holes in the uinta

1253

00:46:47,910 --> 00:46:45,440

basin yeah it's and you know what that's

1254

00:46:49,990 --> 00:46:47,920

good advice is parents because i know my

1255

00:46:51,589 --> 00:46:50,000

wife you know when i've told her some of

1256

00:46:52,710 --> 00:46:51,599

these things she's like we have two

1257

00:46:54,470 --> 00:46:52,720

toddlers

1258

00:46:56,230 --> 00:46:54,480

and my wife is like you're not taking

1259

00:46:57,190 --> 00:46:56,240

them out there until they're bigger

1260

00:47:00,069 --> 00:46:57,200

because

1261

00:47:01,190 --> 00:47:00,079

yeah like i remember one just as just

1262

00:47:03,750 --> 00:47:01,200

recently

1263

00:47:06,390 --> 00:47:03,760

i i got a long poll

1264

00:47:08,950 --> 00:47:06,400

like a post to see just how because it

1265

00:47:11,190 --> 00:47:08,960

wasn't there just a day or two before

1266

00:47:13,109 --> 00:47:11,200

and for for listeners the only way i can

1267

00:47:14,069 --> 00:47:13,119

describe it is it's like a crack in the

1268

00:47:15,109 --> 00:47:14,079

earth

1269

00:47:19,510 --> 00:47:15,119

and

1270

00:47:21,990 --> 00:47:19,520

tell it's more than 10 or 12 feet

1271

00:47:23,829 --> 00:47:22,000

and some are less than that but i i you

1272

00:47:25,910 --> 00:47:23,839

know tried to push down with the pole to

1273

00:47:26,870 --> 00:47:25,920

see how far it went i could not feel the

1274

00:47:27,910 --> 00:47:26,880

bottom

1275

00:47:30,710 --> 00:47:27,920

and

1276

00:47:32,549 --> 00:47:30,720

i dropped a rock down there

1277

00:47:35,270 --> 00:47:32,559

and

1278

00:47:36,230 --> 00:47:35,280

when i heard it it's it's wild that

1279

00:47:38,950 --> 00:47:36,240

something

1280

00:47:40,309 --> 00:47:38,960

would open up that is that deep

1281

00:47:42,549 --> 00:47:40,319

and then

1282

00:47:44,150 --> 00:47:42,559

like like we were talking about you come

1283

00:47:45,750 --> 00:47:44,160

back a day or two later and it's all

1284

00:47:48,870 --> 00:47:45,760

closed up as if it was never there and

1285

00:47:50,390 --> 00:47:48,880

if it rains you can't even find it and

1286

00:47:52,470 --> 00:47:50,400

it's like

1287

00:47:55,030 --> 00:47:52,480

there has to be

1288

00:47:56,829 --> 00:47:55,040

i'm not i'm no scientist but there has

1289

00:48:02,069 --> 00:47:56,839

to be something

1290

00:48:07,670 --> 00:48:04,549

i would say so um we were never

1291

00:48:10,069 --> 00:48:07,680

explained why um

1292

00:48:11,109 --> 00:48:10,079

as a as an indigenous youth like you're

1293

00:48:12,390 --> 00:48:11,119

taught to

1294

00:48:14,390 --> 00:48:12,400

they tell us you know you don't talk

1295

00:48:17,349 --> 00:48:14,400

about these things you know you leave it

1296

00:48:19,750 --> 00:48:17,359

be you you don't bother with it

1297

00:48:21,589 --> 00:48:19,760

um so yeah we were never

1298

00:48:23,589 --> 00:48:21,599

we were never educated as to what these

1299

00:48:24,870 --> 00:48:23,599

holes in the ground were just that uh

1300

00:48:27,349 --> 00:48:24,880

you just you know like you said don't

1301

00:48:28,790 --> 00:48:27,359

bother with them just leave them be

1302

00:48:30,870 --> 00:48:28,800

but of course you know you throw rocks

1303

00:48:33,190 --> 00:48:30,880

and stuff

1304

00:48:34,790 --> 00:48:33,200

i know i probably shouldn't i

1305

00:48:36,950 --> 00:48:34,800

when i did it i actually thought to

1306

00:48:38,870 --> 00:48:36,960

myself is this a bad idea throwing you

1307

00:48:40,470 --> 00:48:38,880

know poking the bear so to speak like

1308

00:48:41,270 --> 00:48:40,480

dropping things in there

1309

00:48:42,069 --> 00:48:41,280

but

1310

00:48:44,390 --> 00:48:42,079

um

1311

00:48:45,190 --> 00:48:44,400

speaking of bears and

1312

00:48:47,589 --> 00:48:45,200

and

1313

00:48:48,710 --> 00:48:47,599

interesting tales from the uinta

1314

00:48:51,670 --> 00:48:48,720

mountains

1315

00:48:53,349 --> 00:48:51,680

uh up there near dutch john utah which

1316

00:48:54,790 --> 00:48:53,359

is just northeast of the state for

1317

00:48:57,030 --> 00:48:54,800

listeners really close to where we're

1318

00:48:57,990 --> 00:48:57,040

talking about but just northeast

1319

00:48:59,589 --> 00:48:58,000

and

1320

00:49:02,230 --> 00:48:59,599

it's right below the

1321

00:49:04,069 --> 00:49:02,240

utah wyoming border the eastern border

1322

00:49:06,630 --> 00:49:04,079

yup exactly

1323

00:49:08,309 --> 00:49:06,640

and there were you know in the 1800s

1324

00:49:09,750 --> 00:49:08,319

there were mountain men

1325

00:49:12,950 --> 00:49:09,760

up there

1326

00:49:15,990 --> 00:49:12,960

and what's you know fur trappers etc

1327

00:49:17,589 --> 00:49:16,000

which blows my mind how these guys could

1328

00:49:18,950 --> 00:49:17,599

you know not only make a living and

1329

00:49:20,950 --> 00:49:18,960

survive

1330

00:49:21,910 --> 00:49:20,960

but you know they were kind of weird

1331

00:49:23,109 --> 00:49:21,920

guys

1332

00:49:24,150 --> 00:49:23,119

and

1333

00:49:26,470 --> 00:49:24,160

uh

1334

00:49:28,390 --> 00:49:26,480

there were many tales

1335

00:49:31,910 --> 00:49:28,400

from these mountain men

1336

00:49:34,390 --> 00:49:31,920

up in the uinta mountains of large

1337

00:49:37,109 --> 00:49:34,400

hairy humanoids for lack of a better

1338

00:49:38,950 --> 00:49:37,119

word have you heard any tales from that

1339

00:49:42,790 --> 00:49:38,960

area

1340

00:49:45,030 --> 00:49:42,800

no um i've heard of me personally

1341

00:49:47,190 --> 00:49:45,040

my friends and i where we uh

1342

00:49:50,710 --> 00:49:47,200

as teenagers we would drive up the the

1343

00:49:53,030 --> 00:49:50,720

uh uh canyon areas um which because it

1344

00:49:54,950 --> 00:49:53,040

lies within the the tribal

1345

00:49:57,670 --> 00:49:54,960

uh reservation and so we would

1346

00:49:59,910 --> 00:49:57,680

constantly drive around up there but um

1347

00:50:01,190 --> 00:49:59,920

as far as i remember i don't remember

1348

00:50:02,710 --> 00:50:01,200

seeing a lot

1349

00:50:03,829 --> 00:50:02,720

um probably because i was doing some

1350

00:50:05,430 --> 00:50:03,839

stuff i probably shouldn't have been

1351
00:50:07,990 --> 00:50:05,440
doing

1352
00:50:11,589 --> 00:50:08,000
but um there were stories of people

1353
00:50:13,910 --> 00:50:11,599
seeing or hearing like loud knocks you

1354
00:50:16,630 --> 00:50:13,920
would hear loud knocks on trees um we

1355
00:50:18,950 --> 00:50:16,640
would constantly follow

1356
00:50:19,910 --> 00:50:18,960
oh sorry sorry we would constantly

1357
00:50:21,109 --> 00:50:19,920
follow

1358
00:50:23,829 --> 00:50:21,119
uh lights

1359
00:50:25,589 --> 00:50:23,839
these these floating orbs uh within the

1360
00:50:27,750 --> 00:50:25,599
within the uintah canyons and you went

1361
00:50:30,390 --> 00:50:27,760
mountains and stuff like that so there

1362
00:50:32,950 --> 00:50:30,400
are so many stories but the only thing

1363
00:50:34,309 --> 00:50:32,960

that i personally have never seen or

1364

00:50:36,069 --> 00:50:34,319

heard anything

1365

00:50:38,549 --> 00:50:36,079

which i'm really bummed out because i'm

1366

00:50:41,270 --> 00:50:38,559

a huge bigfoot fan

1367

00:50:44,470 --> 00:50:41,280

i love hearing stories about bigfoot and

1368

00:50:46,150 --> 00:50:44,480

i haven't heard anything so far i know i

1369

00:50:49,750 --> 00:50:46,160

i know we didn't we just said hairy

1370

00:50:52,710 --> 00:50:49,760

humanoids but um to me you know

1371

00:50:54,470 --> 00:50:52,720

but um yeah i've i i would i haven't

1372

00:50:57,510 --> 00:50:54,480

heard anything from that area

1373

00:51:01,430 --> 00:50:57,520

yeah it's it's it's strange because like

1374

00:51:04,390 --> 00:51:01,440

we we like there is so many

1375

00:51:07,030 --> 00:51:04,400

legends and tales of

1376

00:51:08,309 --> 00:51:07,040

giants in utah i think oh i'm trying to

1377

00:51:09,829 --> 00:51:08,319

think all the names of the different

1378

00:51:11,910 --> 00:51:09,839

caves that people have claimed to have

1379

00:51:13,750 --> 00:51:11,920

found like historic and i mean some of

1380

00:51:15,589 --> 00:51:13,760

these have been verified like there was

1381

00:51:17,430 --> 00:51:15,599

a brewers cave

1382

00:51:20,950 --> 00:51:17,440

and then there's of course the lovelock

1383

00:51:22,630 --> 00:51:20,960

cave in nevada i mean there are cases

1384

00:51:24,069 --> 00:51:22,640

where um

1385

00:51:25,670 --> 00:51:24,079

i guess some have kind of slipped

1386

00:51:27,030 --> 00:51:25,680

through the cracks and gotten to the

1387

00:51:30,069 --> 00:51:27,040

mainstream

1388

00:51:31,190 --> 00:51:30,079

and people have actually found these

1389

00:51:34,150 --> 00:51:31,200

large

1390

00:51:36,549 --> 00:51:34,160

skeletal remains of at least humans that

1391

00:51:39,270 --> 00:51:36,559

are pretty big i mean i don't know

1392

00:51:41,990 --> 00:51:39,280

what the what the line in the sand is

1393

00:51:44,069 --> 00:51:42,000

for calling somebody a giant or not but

1394

00:51:46,790 --> 00:51:44,079

some of these remains are pretty big and

1395

00:51:48,950 --> 00:51:46,800

then if you go into the folklore there's

1396

00:51:50,790 --> 00:51:48,960

like a whole bunch more that happens you

1397

00:51:53,349 --> 00:51:50,800

know tales of

1398

00:51:55,349 --> 00:51:53,359

of giants found in caves and and things

1399

00:51:57,670 --> 00:51:55,359

of that nature so i don't know like you

1400

00:51:59,910 --> 00:51:57,680

said like when i hear hairy humanoid my

1401
00:52:03,990 --> 00:51:59,920
head goes to the same place jordan my

1402
00:52:07,510 --> 00:52:06,069
yeah i i've always been i've been

1403
00:52:09,430 --> 00:52:07,520
actually asking a lot of my listeners

1404
00:52:11,829 --> 00:52:09,440
for bigfoot stories in the tribal uh

1405
00:52:14,710 --> 00:52:11,839
tribal law because the the indigenous

1406
00:52:16,790 --> 00:52:14,720
community when we look at a guy a guy

1407
00:52:18,870 --> 00:52:16,800
we know him personally um

1408
00:52:21,829 --> 00:52:18,880
when we when we talk about bigfoot

1409
00:52:23,589 --> 00:52:21,839
sasquatch yeah he has many it has many

1410
00:52:24,950 --> 00:52:23,599
names but we talk about there are

1411
00:52:26,150 --> 00:52:24,960
different legends and urban legends

1412
00:52:27,910 --> 00:52:26,160
behind bigfoot not to spend too much

1413
00:52:30,230 --> 00:52:27,920

time on it but that the indigenous

1414

00:52:33,030 --> 00:52:30,240

people believe that it's uh that he

1415

00:52:35,670 --> 00:52:33,040

exists as a as a spirit as an entity of

1416

00:52:37,349 --> 00:52:35,680

of the forest i've heard a lot of

1417

00:52:39,990 --> 00:52:37,359

legends and

1418

00:52:42,790 --> 00:52:40,000

descriptions of that within different uh

1419

00:52:46,390 --> 00:52:42,800

different tribal lore that whatever the

1420

00:52:50,069 --> 00:52:46,400

bigfoot is is sort of a a wandering

1421

00:52:52,069 --> 00:52:50,079

spirit so so something like that

1422

00:52:54,630 --> 00:52:52,079

yeah like a real life what that makes

1423

00:52:57,510 --> 00:52:54,640

perfect sense man and

1424

00:53:00,470 --> 00:52:57,520

it's the reason why we as you know in

1425

00:53:02,549 --> 00:53:00,480

this day and age we can't capture him we

1426

00:53:06,309 --> 00:53:02,559

can't see him you know we will catch

1427

00:53:08,950 --> 00:53:06,319

glimpses and that whatever it is is it's

1428

00:53:11,430 --> 00:53:08,960

watching it it can he keeps an eye on

1429

00:53:13,510 --> 00:53:11,440

the forest in that way

1430

00:53:15,589 --> 00:53:13,520

and but yeah it's the reason why we

1431

00:53:17,190 --> 00:53:15,599

can't catch him it's the reason why

1432

00:53:18,790 --> 00:53:17,200

pictures don't come out the right way

1433

00:53:21,190 --> 00:53:18,800

it's the reason why you can only hear

1434

00:53:22,150 --> 00:53:21,200

him you can't see him but you can hear

1435

00:53:23,990 --> 00:53:22,160

him and

1436

00:53:25,829 --> 00:53:24,000

every once in a while if you if you're

1437

00:53:27,510 --> 00:53:25,839

looking well enough

1438

00:53:31,270 --> 00:53:27,520

that you might be able to get a good

1439

00:53:33,990 --> 00:53:31,280

glimpse of of bigfoot sasquatch in that

1440

00:53:35,670 --> 00:53:34,000

way and i wonder if and i've had this

1441

00:53:38,069 --> 00:53:35,680

just the random thought not to derail

1442

00:53:41,190 --> 00:53:38,079

too much but i've always wondered if

1443

00:53:43,349 --> 00:53:41,200

trying to open that third eye

1444

00:53:45,270 --> 00:53:43,359

that we we all hear about i know that

1445

00:53:46,549 --> 00:53:45,280

you you talk a lot about that in in you

1446

00:53:47,829 --> 00:53:46,559

know in this show

1447

00:53:49,589 --> 00:53:47,839

about

1448

00:53:51,990 --> 00:53:49,599

connecting with the spiritual realm in

1449

00:53:55,430 --> 00:53:52,000

that way my wife and i have done that

1450

00:53:56,470 --> 00:53:55,440

um a lot and it's opened our eyes our

1451
00:53:57,750 --> 00:53:56,480
third eye

1452
00:53:59,430 --> 00:53:57,760
to

1453
00:54:01,270 --> 00:53:59,440
different experiences

1454
00:54:03,750 --> 00:54:01,280
both within you know the tribal

1455
00:54:05,270 --> 00:54:03,760
community and and outside of it and it's

1456
00:54:07,829 --> 00:54:05,280
been a journey

1457
00:54:09,589 --> 00:54:07,839
to say the least uh

1458
00:54:13,190 --> 00:54:09,599
to

1459
00:54:15,109 --> 00:54:13,200
advise people that when you do it though

1460
00:54:16,790 --> 00:54:15,119
be be ready you're going to see some

1461
00:54:19,910 --> 00:54:16,800
stuff

1462
00:54:23,030 --> 00:54:19,920
yeah there does seem like there's

1463
00:54:25,990 --> 00:54:23,040

there's something strangely encoded

1464

00:54:28,230 --> 00:54:26,000

in that opening of the pineal gland it

1465

00:54:30,390 --> 00:54:28,240

does seem like it man like it does seem

1466

00:54:31,990 --> 00:54:30,400

like it's an operation that you you're

1467

00:54:33,030 --> 00:54:32,000

you're able to see

1468

00:54:35,190 --> 00:54:33,040

more

1469

00:54:38,230 --> 00:54:35,200

uh when you're open-minded and that that

1470

00:54:40,950 --> 00:54:38,240

takes place i agree 100 percent and as

1471

00:54:43,990 --> 00:54:40,960

we wrap up um let's tell listeners once

1472

00:54:48,150 --> 00:54:44,000

again where they can hear your podcasts

1473

00:54:52,470 --> 00:54:50,390

i know i'm i love these kind of stories

1474

00:54:54,789 --> 00:54:52,480

i love i'm a huge paranormal buff we'll

1475

00:54:56,710 --> 00:54:54,799

have to do this again because i enjoy

1476
00:54:59,270 --> 00:54:56,720
talking about all the scary paranormal

1477
00:55:03,670 --> 00:54:59,280
stuff and uh i've got some ufo stories

1478
00:55:07,670 --> 00:55:06,470
but uh yeah again i run three podcasts

1479
00:55:09,589 --> 00:55:07,680
uh both

1480
00:55:11,990 --> 00:55:09,599
for my paranormal lovers and listeners

1481
00:55:14,710 --> 00:55:12,000
out there it's called scary stories to

1482
00:55:16,230 --> 00:55:14,720
tell from the res uh you can find us

1483
00:55:18,069 --> 00:55:16,240
again on

1484
00:55:21,589 --> 00:55:18,079
anchor spotify

1485
00:55:22,870 --> 00:55:21,599
uh google google google google podcasts

1486
00:55:23,750 --> 00:55:22,880
and youtube
