00:02:34,550 --> 00:02:31,680

are we alone in the universe

utah's famous uinta basin in a search

60

00:02:53,830 --> 00:02:51,200

for answers and much more brian welcome

61

00:02:55,670 --> 00:02:53,840

to the hero paranormal podcast

62

00:02:57,589 --> 00:02:55,680

hey ryan thanks for uh that awesome

63

00:03:00,309 --> 00:02:57,599

intro yeah that was great

64

00:03:03,270 --> 00:03:00,319

man i'm so excited to talk to you i know

65

00:03:05,030 --> 00:03:03,280

that uh you just are coming back from

66

00:03:06,869 --> 00:03:05,040

the uintah basin

67

00:03:09,589 --> 00:03:06,879

where should we kick this off at this

68

00:03:12,070 --> 00:03:09,599

isn't your first trip up there is it

69

00:03:14,149 --> 00:03:12,080

no i've been up there i'd say about four

70

00:03:16,390 --> 00:03:14,159

or five trips you know first one was

71

00:03:18,070 --> 00:03:16,400

just kind of casual and

72

00:03:19,589 --> 00:03:18,080

we had some experiences on that trip

73

00:03:20,790 --> 00:03:19,599

that kind of just kept us coming back

74

00:03:24,309 --> 00:03:20,800

there

75

00:03:25,990 --> 00:03:24,319

i have to know more how did that one go

76

00:03:28,149 --> 00:03:26,000

so you know with the

77

00:03:29,990 --> 00:03:28,159

now world famous skinwalker ranch like

78

00:03:32,949 --> 00:03:30,000

anyone else you know our

79

00:03:34,630 --> 00:03:32,959

trip kind of started off with you know

80

00:03:37,030 --> 00:03:34,640

just kind of poking around the area and

81

00:03:39,190 --> 00:03:37,040

with the very respectful trip to the

82

00:03:40,550 --> 00:03:39,200

gates i i must say that first and

83

00:03:42,710 --> 00:03:40,560

foremost

84

00:03:44,390 --> 00:03:42,720

um you always got to be respectful with

85

00:03:45,990 --> 00:03:44,400

the private property and the people who

86

00:03:48,229 --> 00:03:46,000

were working in the area and with

87

00:03:50,390 --> 00:03:48,239

everything they've done so

88

00:03:52,149 --> 00:03:50,400

i want to start with you know

89

00:03:54,070 --> 00:03:52,159

tell people

90

00:03:56,390 --> 00:03:54,080

you know it's a great area but first off

91

00:03:57,990 --> 00:03:56,400

keep it respectful you know these are

92

00:04:01,030 --> 00:03:58,000

private properties and private owners

93

00:04:02,390 --> 00:04:01,040

but anyway so you know

94

00:04:03,589 --> 00:04:02,400

we kind of start off with just you know

95

00:04:05,990 --> 00:04:03,599

the photo op to the gate it was our

96

00:04:07,589 --> 00:04:06,000

first time out there and we just kind of

97

00:04:09,030 --> 00:04:07,599

had the data kill so it's such a

98

00:04:11,509 --> 00:04:09,040

beautiful area

99

00:04:12,949 --> 00:04:11,519

we decided to do some photography around

100

00:04:14,710 --> 00:04:12,959

the area so

101  
00:04:16,229 --> 00:04:14,720  
you know we kind of drove around to some

102  
00:04:19,430 --> 00:04:16,239  
other areas around there and there's

103  
00:04:20,870 --> 00:04:19,440  
this really cool old service road

104  
00:04:21,909 --> 00:04:20,880  
there used to be some old houses down

105  
00:04:24,310 --> 00:04:21,919  
there

106  
00:04:25,430 --> 00:04:24,320  
but um long abandoned so me and my wife

107  
00:04:26,629 --> 00:04:25,440  
just kind of pulled the car over and

108  
00:04:28,550 --> 00:04:26,639  
decided to walk around take some

109  
00:04:30,310 --> 00:04:28,560  
photographs and

110  
00:04:31,830 --> 00:04:30,320  
while we were just kind of you know

111  
00:04:33,670 --> 00:04:31,840  
walking through some of these areas and

112  
00:04:36,469 --> 00:04:33,680  
down this road

113  
00:04:38,390 --> 00:04:36,479

uh i was keeping on my wife and all of a

114

00:04:40,710 --> 00:04:38,400

sudden

115

00:04:42,150 --> 00:04:40,720

a man just appeared out of nowhere

116

00:04:44,710 --> 00:04:42,160

walking down this road and kind of

117

00:04:47,110 --> 00:04:44,720

started following her

118

00:04:49,590 --> 00:04:47,120

and kind of threw me off so

119

00:04:52,070 --> 00:04:49,600

i went to go catch up with her and

120

00:04:53,350 --> 00:04:52,080

you know see who this gentleman was

121

00:04:54,710 --> 00:04:53,360

you know she kind of passed out of my

122

00:04:56,550 --> 00:04:54,720

view and when i caught up with her i

123

00:04:59,030 --> 00:04:56,560

said hey what what did that guy say to

124

00:05:02,230 --> 00:04:59,040

you and she responded

125

00:05:05,350 --> 00:05:02,240

what guy there was nobody there

126

00:05:06,710 --> 00:05:05,360

so that really tripped us out and

127

00:05:07,990 --> 00:05:06,720

while we were kind of hanging out in

128

00:05:10,230 --> 00:05:08,000

this area

129

00:05:13,350 --> 00:05:10,240

we actually started hearing these weird

130

00:05:15,430 --> 00:05:13,360

voices coming from

131

00:05:17,590 --> 00:05:15,440

i couldn't even tell which direction or

132

00:05:18,710 --> 00:05:17,600

whether it was coming from above or yeah

133

00:05:20,710 --> 00:05:18,720

just

134

00:05:22,950 --> 00:05:20,720

kind of heard two people talking and

135

00:05:25,189 --> 00:05:22,960

we're looking around and there's

136

00:05:26,550 --> 00:05:25,199

nobody there and with you being familiar

137

00:05:27,909 --> 00:05:26,560

with the area you know it's pretty much

138

00:05:30,469 --> 00:05:27,919

open

139

00:05:33,350 --> 00:05:30,479

farmlands there's nowhere to hide

140

00:05:34,950 --> 00:05:33,360

um so we're looking around and

141

00:05:36,550 --> 00:05:34,960

kind of like almost all of a sudden as

142

00:05:39,189 --> 00:05:36,560

soon as we acknowledge these voices kind

143

00:05:41,990 --> 00:05:39,199

of just disappeared almost like a vacuum

144

00:05:43,990 --> 00:05:42,000

just sucks the noise out

145

00:05:47,510 --> 00:05:44,000

but uh that left us kind of weirded out

146

00:05:49,430 --> 00:05:47,520

so uh yeah we got out of there and

147

00:05:51,590 --> 00:05:49,440

still trying to figure out what we saw

148

00:05:54,469 --> 00:05:51,600

you know years later

149

00:05:55,909 --> 00:05:54,479

man that is so unusual interesting

150

00:05:59,270 --> 00:05:55,919

because there

151

00:06:01,350 --> 00:05:59,280

that whole area surrounding

152

00:06:03,350 --> 00:06:01,360

bottle hollow reservoir i would say for

153

00:06:05,270 --> 00:06:03,360

about 80 miles and sometimes more

154

00:06:08,390 --> 00:06:05,280

depending on how the bird flies there

155

00:06:10,790 --> 00:06:08,400

just seems to be a very

156

00:06:12,950 --> 00:06:10,800

simple and complex reality of high

157

00:06:14,950 --> 00:06:12,960

strangeness where

158

00:06:17,430 --> 00:06:14,960

you know it's hard to explain there's

159

00:06:20,150 --> 00:06:17,440

much more than explanation it's i mean a

160

00:06:22,629 --> 00:06:20,160

lot of academic sources have referred to

161

00:06:24,629 --> 00:06:22,639

the area as anomalous

162

00:06:26,950 --> 00:06:24,639

and it's been studied as as you

163

00:06:29,990 --> 00:06:26,960

mentioned by a lot of people including

164

00:06:33,029 --> 00:06:30,000

the property that you went and

165

00:06:35,029 --> 00:06:33,039

checked out and that figure it's not

166

00:06:36,390 --> 00:06:35,039

like it was hidden behind a rock or

167

00:06:39,189 --> 00:06:36,400

anything did it

168

00:06:40,950 --> 00:06:39,199

seem odd to you in the way it moved or

169

00:06:42,309 --> 00:06:40,960

did was she aware did she feel like

170

00:06:45,830 --> 00:06:42,319

anything was watching her that just

171

00:06:47,189 --> 00:06:45,840

seemed so typical but yet strange

172

00:06:48,790 --> 00:06:47,199

yeah no those are those are great

173

00:06:50,950 --> 00:06:48,800

questions um

174

00:06:52,629 --> 00:06:50,960

so yeah when i finally caught up with

175

00:06:54,950 --> 00:06:52,639

her she was she was very nervous she

176

00:06:56,710 --> 00:06:54,960

felt uncomfortable which she's a

177

00:06:58,070 --> 00:06:56,720

spitfire she never feels uncomfortable

178

00:06:59,589 --> 00:06:58,080

anywhere

179

00:07:01,110 --> 00:06:59,599

um you know she was one who was running

180

00:07:02,550 --> 00:07:01,120

out in these places and i was like hold

181

00:07:03,830 --> 00:07:02,560

up you know

182

00:07:04,870 --> 00:07:03,840

she got way ahead of me and i was just

183

00:07:07,430 --> 00:07:04,880

kind of checking out some of the cool

184

00:07:08,550 --> 00:07:07,440

terrain but um

185

00:07:10,790 --> 00:07:08,560

so what

186

00:07:13,350 --> 00:07:10,800

freaked me out about it the most is

187

00:07:15,990 --> 00:07:13,360

like i said this was a an old road and

188

00:07:19,350 --> 00:07:16,000

on each side there was a ranch property

189

00:07:21,110 --> 00:07:19,360

and each property was fully

190

00:07:22,629 --> 00:07:21,120

you know barbed wire

191

00:07:24,790 --> 00:07:22,639

fences

192

00:07:26,550 --> 00:07:24,800

there was there was no access to either

193

00:07:28,070 --> 00:07:26,560

property so

194

00:07:30,469 --> 00:07:28,080

that's what

195

00:07:31,909 --> 00:07:30,479

confused me the most is if this guy

196

00:07:32,710 --> 00:07:31,919

appeared where he did he would have had

197

00:07:35,670 --> 00:07:32,720

to

198

00:07:37,189 --> 00:07:35,680

been hidden jump a barbed wire fence

199

00:07:39,430 --> 00:07:37,199

follow her down

200

00:07:42,629 --> 00:07:39,440

a a path without her knowing and this

201  
00:07:45,270 --> 00:07:42,639  
was mid-july so it was crunchy leaves

202  
00:07:48,150 --> 00:07:45,280  
dry grass you could hear every step

203  
00:07:51,510 --> 00:07:48,160  
so for this person to be you know

204  
00:07:53,909 --> 00:07:51,520  
i i judge about you know

205  
00:07:55,830 --> 00:07:53,919  
20 yards behind her

206  
00:07:57,029 --> 00:07:55,840  
without her even hearing or seeing him

207  
00:07:58,550 --> 00:07:57,039  
and to this day she still doesn't

208  
00:08:00,790 --> 00:07:58,560  
believe me

209  
00:08:02,790 --> 00:08:00,800  
but um i could tell you what i mean i

210  
00:08:05,270 --> 00:08:02,800  
could even describe his clothing

211  
00:08:06,790 --> 00:08:05,280  
his demeanor everything it was

212  
00:08:09,029 --> 00:08:06,800  
you know i thought nothing of it i was

213  
00:08:11,350 --> 00:08:09,039

just like oh there's you know i'm gonna

214

00:08:12,469 --> 00:08:11,360

go see what the gentleman has to say

215

00:08:14,390 --> 00:08:12,479

you know

216

00:08:15,510 --> 00:08:14,400

maybe he wants us to leave the area i

217

00:08:17,110 --> 00:08:15,520

don't know

218

00:08:20,070 --> 00:08:17,120

so so i go down there with that

219

00:08:23,029 --> 00:08:20,080

intention and there's nobody there

220

00:08:25,110 --> 00:08:23,039

man that is freaky and

221

00:08:26,950 --> 00:08:25,120

it reminds me of so many stories i've

222

00:08:30,150 --> 00:08:26,960

heard in the area

223

00:08:32,389 --> 00:08:30,160

one in particular was

224

00:08:35,269 --> 00:08:32,399

dave rosenfeld the founder of the utah

225

00:08:37,430 --> 00:08:35,279

ufo hunters was going up just south of

226

00:08:40,630 --> 00:08:37,440

their nine mile canyon

227

00:08:42,389 --> 00:08:40,640

and it was in the winter and he saw

228

00:08:44,870 --> 00:08:42,399

for lack of a better word just someone

229

00:08:47,670 --> 00:08:44,880

walking along the side of the road and

230

00:08:49,590 --> 00:08:47,680

they were not very well clothed for that

231

00:08:51,910 --> 00:08:49,600

time of year and had

232

00:08:54,070 --> 00:08:51,920

a flannel shirt on and they passed him

233

00:08:56,230 --> 00:08:54,080

and then they figured you know maybe we

234

00:08:58,790 --> 00:08:56,240

should turn around and go back and when

235

00:09:00,630 --> 00:08:58,800

they turned around he was gone and you

236

00:09:02,710 --> 00:09:00,640

know this stuff happens it's just it's

237

00:09:04,230 --> 00:09:02,720

hard to explain

238

00:09:06,630 --> 00:09:04,240

yeah no that that's a great story

239

00:09:08,310 --> 00:09:06,640

especially coming from dave because i've

240

00:09:09,990 --> 00:09:08,320

being out there and talking to people

241

00:09:11,670 --> 00:09:10,000

who've had lots of experiences in that

242

00:09:12,870 --> 00:09:11,680

area i'm always

243

00:09:14,389 --> 00:09:12,880

you know mine's kind of weird it doesn't

244

00:09:15,509 --> 00:09:14,399

really fit in any box so i'm always just

245

00:09:17,030 --> 00:09:15,519

like

246

00:09:19,190 --> 00:09:17,040

i'm always asking people have you heard

247

00:09:21,509 --> 00:09:19,200

voices or have you seen people that have

248

00:09:24,230 --> 00:09:21,519

kind of come and gone

249

00:09:26,220 --> 00:09:24,240

it was a very natural situation and then

250

00:09:27,910 --> 00:09:26,230

it wasn't you know

251

00:09:30,230 --> 00:09:27,920

[Music]

252

00:09:33,190 --> 00:09:30,240

and you're in a pretty unique position

253

00:09:34,710 --> 00:09:33,200

uh because of your connection to mufon

254

00:09:37,350 --> 00:09:34,720

you're getting

255

00:09:39,990 --> 00:09:37,360

some of the hottest reports i'm sure on

256

00:09:42,230 --> 00:09:40,000

a regular basis

257

00:09:45,110 --> 00:09:42,240

what have have you come across anything

258

00:09:46,870 --> 00:09:45,120

that has stood out to you or indicated

259

00:09:49,030 --> 00:09:46,880

that uh

260

00:09:51,990 --> 00:09:49,040

you know there may be more to this ufo

261

00:09:54,070 --> 00:09:52,000

mystery than a lot of people are aware

262

00:09:55,750 --> 00:09:54,080

yes and kind of like even my own

263

00:09:57,269 --> 00:09:55,760

experience you know with me working with

264

00:09:59,670 --> 00:09:57,279

mufon of course you know every time i'm

265

00:10:00,949 --> 00:09:59,680

out looking for things like

266

00:10:02,150 --> 00:10:00,959

everyone else my field i'm always

267

00:10:05,110 --> 00:10:02,160

looking up

268

00:10:06,470 --> 00:10:05,120

you know and little did i know

269

00:10:08,070 --> 00:10:06,480

everything's happening around me you

270

00:10:09,350 --> 00:10:08,080

know i'm not busy looking in the sky

271

00:10:11,509 --> 00:10:09,360

when i don't realize that everything

272

00:10:13,350 --> 00:10:11,519

around me is changing

273

00:10:16,470 --> 00:10:13,360

you know

274

00:10:18,230 --> 00:10:16,480

one of the in my opinion one of the

275

00:10:19,509 --> 00:10:18,240

world's biggest hot spots for that kind

276

00:10:22,310 --> 00:10:19,519

of activity

277

00:10:23,829 --> 00:10:22,320

it i definitely believe that

278

00:10:25,269 --> 00:10:23,839

there's more to it

279

00:10:27,350 --> 00:10:25,279

you know with move on we definitely are

280

00:10:30,150 --> 00:10:27,360

focused on you know the scientific study

281

00:10:32,630 --> 00:10:30,160

of ufos what we see in the sky

282

00:10:35,509 --> 00:10:32,640

you know but there are always other

283

00:10:37,030 --> 00:10:35,519

strangeness and things happening around

284

00:10:39,509 --> 00:10:37,040

that as well so that's kind of

285

00:10:41,590 --> 00:10:39,519

undeniable really

286

00:10:44,630 --> 00:10:41,600

yeah and there's been some something

287

00:10:46,470 --> 00:10:44,640

i've noticed recently is

288

00:10:49,910 --> 00:10:46,480

there has been i'm really glad that

289

00:10:52,069 --> 00:10:49,920

starlink has provided a tracker when

290

00:10:55,110 --> 00:10:52,079

uh it's kind of like an app

291

00:10:57,750 --> 00:10:55,120

that shows people when you can and can't

292

00:10:58,790 --> 00:10:57,760

see starlink from particular areas

293

00:11:00,630 --> 00:10:58,800

because

294

00:11:02,790 --> 00:11:00,640

starlink has sort of become the

295

00:11:04,630 --> 00:11:02,800

catch-all oh it must have been starlink

296

00:11:06,150 --> 00:11:04,640

i've seen that so many cases you know

297

00:11:07,829 --> 00:11:06,160

when people see things and they say oh

298

00:11:10,710 --> 00:11:07,839

it must be starlink

299

00:11:12,710 --> 00:11:10,720

and the internal workings of that are so

300

00:11:14,470 --> 00:11:12,720

precise that now they have that app

301  
00:11:16,389 --> 00:11:14,480  
where you can go and check and see if

302  
00:11:18,949 --> 00:11:16,399  
it's visible from that part of the

303  
00:11:21,750 --> 00:11:18,959  
planet at that particular time

304  
00:11:25,350 --> 00:11:21,760  
and the activity charts are super

305  
00:11:29,590 --> 00:11:27,829  
heard anything about any sightings that

306  
00:11:32,310 --> 00:11:29,600  
seem to be like starlink i know there

307  
00:11:33,670 --> 00:11:32,320  
was one in vernal not too long ago but

308  
00:11:36,630 --> 00:11:33,680  
it was not

309  
00:11:38,389 --> 00:11:36,640  
starlink at least according to the

310  
00:11:39,990 --> 00:11:38,399  
activity charts

311  
00:11:42,389 --> 00:11:40,000  
have there been any of those down in

312  
00:11:44,630 --> 00:11:42,399  
your neck of the woods near salt lake

313  
00:11:46,790 --> 00:11:44,640

and you're in syracuse aren't you

314

00:11:48,790 --> 00:11:46,800

yeah i live up north but i also work a

315

00:11:50,389 --> 00:11:48,800

lot in salt lake so i'm kind of all over

316

00:11:52,630 --> 00:11:50,399

the place okay

317

00:11:54,389 --> 00:11:52,640

but um but answer your question yeah

318

00:11:56,150 --> 00:11:54,399

there's um

319

00:11:57,430 --> 00:11:56,160

there definitely is some reports where

320

00:11:58,949 --> 00:11:57,440

you really just want to put it in the

321

00:12:00,550 --> 00:11:58,959

starlink box

322

00:12:04,069 --> 00:12:00,560

but when it comes down to the way the

323

00:12:06,069 --> 00:12:04,079

witnesses describe the movements um

324

00:12:07,670 --> 00:12:06,079

even the color of lights or how they're

325

00:12:10,949 --> 00:12:07,680

spaced there's a lot of things that kind

326

00:12:13,350 --> 00:12:10,959

of will lead me to uh

327

00:12:14,949 --> 00:12:13,360

say it's not a star link but um

328

00:12:16,790 --> 00:12:14,959

but uh

329

00:12:19,590 --> 00:12:16,800

with starlink we i mean

330

00:12:21,350 --> 00:12:19,600

you'd imagine how many reports we get

331

00:12:23,670 --> 00:12:21,360

where people just aren't aware of what

332

00:12:26,069 --> 00:12:23,680

starlink is or what they're seeing as a

333

00:12:27,990 --> 00:12:26,079

matter of fact i saw my first starling

334

00:12:29,190 --> 00:12:28,000

just a few months ago camping and

335

00:12:31,670 --> 00:12:29,200

it was funny we were sitting around a

336

00:12:32,629 --> 00:12:31,680

campfire and my son looks up and says

337

00:12:34,550 --> 00:12:32,639

you know

338

00:12:37,110 --> 00:12:34,560

dad aliens

339

00:12:39,350 --> 00:12:37,120

it was pretty funny and we look up and

340

00:12:40,790 --> 00:12:39,360

you know dude it's just it's quite a

341

00:12:42,550 --> 00:12:40,800

sight to see so someone who doesn't

342

00:12:43,670 --> 00:12:42,560

realize that starlink is definitely

343

00:12:46,069 --> 00:12:43,680

gonna

344

00:12:47,110 --> 00:12:46,079

their head not know what they're seeing

345

00:12:51,829 --> 00:12:47,120

but

346

00:12:53,590 --> 00:12:51,839

where we actually have had to create um

347

00:12:55,110 --> 00:12:53,600

kind of a streamlined process for

348

00:12:55,910 --> 00:12:55,120

investigators

349

00:12:57,030 --> 00:12:55,920

to

350

00:12:59,350 --> 00:12:57,040

you know because we put in a lot of

351

00:13:01,509 --> 00:12:59,360

detail into these reports and even if

352

00:13:03,829 --> 00:13:01,519

it's just something that's identifiable

353

00:13:06,550 --> 00:13:03,839

it's it still takes time for us so

354

00:13:08,470 --> 00:13:06,560

we've had to uh kind of create a

355

00:13:11,190 --> 00:13:08,480

streamlined process for once that we are

356

00:13:13,509 --> 00:13:11,200

sure are star links but

357

00:13:15,030 --> 00:13:13,519

but um yeah ones that even may appear to

358

00:13:16,710 --> 00:13:15,040

be starlink we can't just always rule

359

00:13:18,870 --> 00:13:16,720

that out right off the bat we still have

360

00:13:20,629 --> 00:13:18,880

to do our work and make sure that um

361

00:13:22,310 --> 00:13:20,639

we're not just dismissing

362

00:13:24,949 --> 00:13:22,320

people so quickly

363

00:13:28,470 --> 00:13:24,959

yeah and kind of going along the

364

00:13:30,069 --> 00:13:28,480

starlink path and elon musk it reminds

365

00:13:33,110 --> 00:13:30,079

me you know

366

00:13:36,069 --> 00:13:33,120

there was uh this is an older case 1984

367

00:13:37,509 --> 00:13:36,079

in roosevelt utah that was documented by

368

00:13:39,509 --> 00:13:37,519

junior hicks

369

00:13:41,269 --> 00:13:39,519

and i just came across this case it's

370

00:13:42,870 --> 00:13:41,279

one that i've seen before and it just

371

00:13:45,750 --> 00:13:42,880

freaked me out the other day because i

372

00:13:48,310 --> 00:13:45,760

was looking at the drawings and stuff

373

00:13:50,230 --> 00:13:48,320

that junior hicks gathered from the

374

00:13:52,310 --> 00:13:50,240

witnesses and i won't say their names

375

00:13:53,430 --> 00:13:52,320

but one of them was elon i won't say his

376

00:13:56,790 --> 00:13:53,440

last name

377

00:13:59,509 --> 00:13:56,800

and it was 1984 they saw their tv making

378

00:14:02,710 --> 00:13:59,519

a static sound they turned they went to

379

00:14:04,470 --> 00:14:02,720

like turn off the tv and turn it back on

380

00:14:06,790 --> 00:14:04,480

because sometimes it would uh

381

00:14:10,470 --> 00:14:06,800

you know clear up the technology wasn't

382

00:14:13,430 --> 00:14:10,480

like it is today and sparks emitted and

383

00:14:15,350 --> 00:14:13,440

uh into his hand turning his arm numb

384

00:14:16,790 --> 00:14:15,360

and then they saw for lack of a better

385

00:14:20,069 --> 00:14:16,800

word these

386

00:14:22,389 --> 00:14:20,079

beings and robes that seemed to be

387

00:14:24,629 --> 00:14:22,399

able to witness them

388

00:14:26,470 --> 00:14:24,639

and they moved towards the screen and

389

00:14:28,949 --> 00:14:26,480

took up the screen and they had kind of

390

00:14:31,030 --> 00:14:28,959

snake-lit eyes and and it

391

00:14:33,269 --> 00:14:31,040

anyway it's one of those strange cases

392

00:14:34,550 --> 00:14:33,279

that came out of the uintah basin that

393

00:14:36,150 --> 00:14:34,560

you know it for

394

00:14:37,590 --> 00:14:36,160

they were younger these two that were

395

00:14:40,470 --> 00:14:37,600

watching tv it was about one in the

396

00:14:42,230 --> 00:14:40,480

morning but they could see these figures

397

00:14:44,870 --> 00:14:42,240

talked in talking to each other and

398

00:14:47,030 --> 00:14:44,880

seemingly kind of just talking about

399

00:14:49,030 --> 00:14:47,040

them and uh anyway

400

00:14:50,790 --> 00:14:49,040

there's more to the case but back back

401  
00:14:52,790 --> 00:14:50,800  
to the basin i guess it's kind of

402  
00:14:53,750 --> 00:14:52,800  
strange that uh

403  
00:14:56,069 --> 00:14:53,760  
um

404  
00:14:59,030 --> 00:14:56,079  
the and then they saw what was described

405  
00:15:01,030 --> 00:14:59,040  
as a craft a triangular shaped uh

406  
00:15:02,949 --> 00:15:01,040  
30 foot in diameter craft with blue

407  
00:15:04,230 --> 00:15:02,959  
lights on the bottom and a greenish

408  
00:15:06,470 --> 00:15:04,240  
color

409  
00:15:08,550 --> 00:15:06,480  
now with mufon you guys get these kinds

410  
00:15:10,629 --> 00:15:08,560  
of reports all the time you know where

411  
00:15:12,310 --> 00:15:10,639  
people run outside the house they see an

412  
00:15:14,069 --> 00:15:12,320  
object moving away from the top of the

413  
00:15:16,470 --> 00:15:14,079

house and

414

00:15:19,750 --> 00:15:16,480

at the same time they're trying to kind

415

00:15:22,790 --> 00:15:19,760

of analyze what they saw do you have any

416

00:15:25,590 --> 00:15:22,800

advice for people because i know that

417

00:15:27,269 --> 00:15:25,600

mufon has a lot of programs and educates

418

00:15:28,949 --> 00:15:27,279

people on how to

419

00:15:30,550 --> 00:15:28,959

kind of be in the moment and remember

420

00:15:32,629 --> 00:15:30,560

what it is they're seeing and document

421

00:15:33,910 --> 00:15:32,639

it so that if people do see this stuff

422

00:15:35,590 --> 00:15:33,920

how they can

423

00:15:39,189 --> 00:15:35,600

document it so they don't forget right

424

00:15:41,670 --> 00:15:39,199

away or just forget it all together

425

00:15:43,990 --> 00:15:41,680

um well the first thing i would say is

426  
00:15:45,030 --> 00:15:44,000  
you know which luckily people nowadays

427  
00:15:46,550 --> 00:15:45,040  
and with everything's going on

428  
00:15:48,069 --> 00:15:46,560  
everyone's

429  
00:15:49,509 --> 00:15:48,079  
more willing to come forward and share

430  
00:15:51,269 --> 00:15:49,519  
their stories

431  
00:15:53,110 --> 00:15:51,279  
so that's number one is just speaking

432  
00:15:54,470 --> 00:15:53,120  
out and yes the sooner the better for

433  
00:15:56,150 --> 00:15:54,480  
sure

434  
00:15:58,629 --> 00:15:56,160  
and

435  
00:16:01,030 --> 00:15:58,639  
mufon is also has many other resources

436  
00:16:04,870 --> 00:16:01,040  
with people who have had experiences

437  
00:16:07,030 --> 00:16:04,880  
whether it's abductions or missing time

438  
00:16:09,350 --> 00:16:07,040

like lately over the last few years

439

00:16:10,949 --> 00:16:09,360

mufon's actually hired a lot of people

440

00:16:12,870 --> 00:16:10,959

to come on that

441

00:16:15,509 --> 00:16:12,880

have a lot more expertise on that kind

442

00:16:18,790 --> 00:16:15,519

of stuff than i do

443

00:16:21,189 --> 00:16:18,800

with experiencers and

444

00:16:22,710 --> 00:16:21,199

and pretty much anything that you can

445

00:16:24,710 --> 00:16:22,720

throw out there with your you know

446

00:16:26,710 --> 00:16:24,720

experience no matter how weird it seems

447

00:16:28,710 --> 00:16:26,720

they've they've brought on a lot of good

448

00:16:30,710 --> 00:16:28,720

professionals to kind of help people

449

00:16:33,110 --> 00:16:30,720

with some some of these very traumatic

450

00:16:34,470 --> 00:16:33,120

experiences even

451  
00:16:36,790 --> 00:16:34,480  
so we have different levels of

452  
00:16:38,629 --> 00:16:36,800  
investigators and you know that way we

453  
00:16:40,710 --> 00:16:38,639  
make sure we're getting

454  
00:16:44,470 --> 00:16:40,720  
people to the right place and that have

455  
00:16:47,110 --> 00:16:44,480  
knowledge of what their experience was

456  
00:16:49,350 --> 00:16:47,120  
and you know it's strange because seeing

457  
00:16:52,150 --> 00:16:49,360  
all of these reports on a regular basis

458  
00:16:54,310 --> 00:16:52,160  
like you do it's hard to do without

459  
00:16:57,030 --> 00:16:54,320  
thinking that there exists

460  
00:16:59,350 --> 00:16:57,040  
at least on some level alongside our own

461  
00:17:02,829 --> 00:16:59,360  
existence or tangible world that there

462  
00:17:07,909 --> 00:17:05,990  
another that seems to be interacting on

463  
00:17:10,309 --> 00:17:07,919

every level with our existence kind of a

464

00:17:11,829 --> 00:17:10,319

duality you know a lot of people call it

465

00:17:14,069 --> 00:17:11,839

the phenomenon

466

00:17:17,750 --> 00:17:14,079

but then again it seems like it's super

467

00:17:20,309 --> 00:17:17,760

capable of like masterful deception and

468

00:17:22,150 --> 00:17:20,319

being able to take on different forms

469

00:17:23,990 --> 00:17:22,160

have you

470

00:17:25,590 --> 00:17:24,000

and it's kind of going into the shape

471

00:17:27,909 --> 00:17:25,600

shifting a little bit or the shape

472

00:17:29,350 --> 00:17:27,919

shifter phenomenon what's commonly known

473

00:17:31,430 --> 00:17:29,360

as skin walkers

474

00:17:32,710 --> 00:17:31,440

but have you had any cases come through

475

00:17:34,150 --> 00:17:32,720

where

476  
00:17:38,070 --> 00:17:34,160  
you could attribute it to something

477  
00:17:41,350 --> 00:17:39,270  
um

478  
00:17:43,750 --> 00:17:41,360  
that's kind of harder for me to speak on

479  
00:17:45,669 --> 00:17:43,760  
personally

480  
00:17:47,590 --> 00:17:45,679  
as far as like shape shifters like i say

481  
00:17:49,990 --> 00:17:47,600  
when there's a more of a

482  
00:17:50,789 --> 00:17:50,000  
of a very close encounter

483  
00:17:52,230 --> 00:17:50,799  
um

484  
00:17:55,190 --> 00:17:52,240  
we have a

485  
00:17:56,630 --> 00:17:55,200  
experiencer resource team

486  
00:17:59,350 --> 00:17:56,640  
that we kind of forward onto that kind

487  
00:18:03,190 --> 00:17:59,360  
of deal more with those

488  
00:18:05,590 --> 00:18:03,200

kind of close encounter level five cases

489

00:18:07,909 --> 00:18:05,600

so i i haven't dealt with a lot of those

490

00:18:09,430 --> 00:18:07,919

uh myself but we do have a team that's

491

00:18:12,950 --> 00:18:09,440

capable and ready to kind of take those

492

00:18:14,630 --> 00:18:12,960

reports and and deal with those

493

00:18:16,630 --> 00:18:14,640

because like i said we don't want our

494

00:18:18,710 --> 00:18:16,640

you know standard investigators really

495

00:18:20,950 --> 00:18:18,720

diving into stuff that

496

00:18:21,909 --> 00:18:20,960

you know takes a higher level of people

497

00:18:23,750 --> 00:18:21,919

that have

498

00:18:25,909 --> 00:18:23,760

you know most of the people that work in

499

00:18:27,909 --> 00:18:25,919

mufon in their experience or resource

500

00:18:29,510 --> 00:18:27,919

team they have personal experiences

501  
00:18:31,830 --> 00:18:29,520  
themselves

502  
00:18:33,590 --> 00:18:31,840  
so they are open uh for those and i

503  
00:18:35,110 --> 00:18:33,600  
think ready to take on those kind of

504  
00:18:37,110 --> 00:18:35,120  
reports and

505  
00:18:38,870 --> 00:18:37,120  
you know get a better

506  
00:18:39,830 --> 00:18:38,880  
account of what actually happened to

507  
00:18:41,990 --> 00:18:39,840  
these people and what they're dealing

508  
00:18:45,270 --> 00:18:42,000  
with but as far as shape shifters you

509  
00:18:47,029 --> 00:18:45,280  
know mufon is more focused on you know

510  
00:18:49,350 --> 00:18:47,039  
our motto is you know

511  
00:18:51,990 --> 00:18:49,360  
the scientific study of ufos for you

512  
00:18:54,470 --> 00:18:52,000  
know the benefit of mankind

513  
00:18:56,390 --> 00:18:54,480

so i think they try and focus more on

514

00:18:59,590 --> 00:18:56,400

what they can collect in the actual

515

00:19:03,430 --> 00:19:01,350

absolutely but we do get all sorts of

516

00:19:04,630 --> 00:19:03,440

different cases and people ready to uh

517

00:19:06,549 --> 00:19:04,640

you know

518

00:19:08,070 --> 00:19:06,559

to do the the correct interview with

519

00:19:09,750 --> 00:19:08,080

that so

520

00:19:11,510 --> 00:19:09,760

and you know

521

00:19:13,590 --> 00:19:11,520

given the classified nature too you

522

00:19:15,190 --> 00:19:13,600

don't want people to be worried about

523

00:19:17,190 --> 00:19:15,200

telling you stuff and then you

524

00:19:19,430 --> 00:19:17,200

mentioning it out to the world on a

525

00:19:21,110 --> 00:19:19,440

consistent basis yeah

526

00:19:23,110 --> 00:19:21,120

absolutely and yeah people's

527

00:19:25,350 --> 00:19:23,120

confidentiality is always a top priority

528

00:19:26,950 --> 00:19:25,360

as well so

529

00:19:28,630 --> 00:19:26,960

we're trying to share stories where we

530

00:19:31,590 --> 00:19:28,640

can't you know educate people and

531

00:19:35,029 --> 00:19:31,600

because that's important as well

532

00:19:38,470 --> 00:19:35,039

and i i find it's interesting that

533

00:19:40,630 --> 00:19:38,480

at least in the uintah basin uh

534

00:19:42,870 --> 00:19:40,640

we've dealt with

535

00:19:45,110 --> 00:19:42,880

a lot of groundbreaking and extremely

536

00:19:47,750 --> 00:19:45,120

informative research that's come out

537

00:19:50,950 --> 00:19:47,760

which is kind of legitimizing

538

00:19:54,070 --> 00:19:50,960

research in general to the topic and

539

00:19:56,789 --> 00:19:54,080

you recently came back from a

540

00:19:59,510 --> 00:19:56,799

conference that was

541

00:20:00,950 --> 00:19:59,520

well it's it's described as sort of a

542

00:20:03,830 --> 00:20:00,960

surface level

543

00:20:05,909 --> 00:20:03,840

um way to interact with a lot of the

544

00:20:08,549 --> 00:20:05,919

people that are targeting this type of

545

00:20:12,549 --> 00:20:10,789

how did that absolutely how did that go

546

00:20:14,310 --> 00:20:12,559

what what authors or scientists or

547

00:20:17,510 --> 00:20:14,320

researchers did you get a chance to

548

00:20:20,630 --> 00:20:17,520

interact with or find anything out about

549

00:20:23,590 --> 00:20:20,640

um and yeah and that yeah that was uh

550

00:20:25,190 --> 00:20:23,600

the phenomicon conference and i guess it

551  
00:20:26,150 --> 00:20:25,200  
was in the second year i went last year

552  
00:20:29,510 --> 00:20:26,160  
as well

553  
00:20:33,190 --> 00:20:29,520  
and what was so cool about that is

554  
00:20:34,549 --> 00:20:33,200  
it kind of brings all the different um

555  
00:20:35,909 --> 00:20:34,559  
layers of this and all the different

556  
00:20:37,110 --> 00:20:35,919  
genres of

557  
00:20:42,070 --> 00:20:37,120  
you know

558  
00:20:44,630 --> 00:20:42,080  
they had speakers on ghost hunting um

559  
00:20:46,310 --> 00:20:44,640  
you had you know james keenan and many

560  
00:20:49,190 --> 00:20:46,320  
others they're talking about the cool

561  
00:20:51,909 --> 00:20:49,200  
stuff and you went to basin and the old

562  
00:20:53,270 --> 00:20:51,919  
the treasure hunting lore and all that

563  
00:20:55,990 --> 00:20:53,280

cool you know

564

00:20:58,390 --> 00:20:56,000

aztec gold all that fun stuff and you

565

00:21:00,549 --> 00:20:58,400

also had the bigfoot community there

566

00:21:02,950 --> 00:21:00,559

as well as uh the ufo community was

567

00:21:05,110 --> 00:21:02,960

there as well so it was such a cool

568

00:21:06,870 --> 00:21:05,120

experience to see everyone from all

569

00:21:09,270 --> 00:21:06,880

those different you know genres of the

570

00:21:10,549 --> 00:21:09,280

paranormal come together because often

571

00:21:13,350 --> 00:21:10,559

you know

572

00:21:14,549 --> 00:21:13,360

you'd think everyone would get along but

573

00:21:16,230 --> 00:21:14,559

there's always been kind of some you

574

00:21:17,750 --> 00:21:16,240

know rifts between some of those

575

00:21:19,830 --> 00:21:17,760

different communities so to see them all

576

00:21:21,590 --> 00:21:19,840

to come together was awesome

577

00:21:23,590 --> 00:21:21,600

and yeah everyone was so much fun

578

00:21:25,990 --> 00:21:23,600

everyone was so nice and

579

00:21:28,830 --> 00:21:26,000

um you know even the cast of skinwalker

580

00:21:31,270 --> 00:21:28,840

ranch was there uh expedition bigfoot

581

00:21:33,990 --> 00:21:31,280

and they didn't just speak they made

582

00:21:34,789 --> 00:21:34,000

themselves accessible all weekend

583

00:21:37,029 --> 00:21:34,799

to

584

00:21:38,549 --> 00:21:37,039

interact with with the public

585

00:21:40,470 --> 00:21:38,559

i mean i must have had a dozen

586

00:21:42,310 --> 00:21:40,480

conversations with all the

587

00:21:43,350 --> 00:21:42,320

you know with eric baird and travis

588

00:21:44,630 --> 00:21:43,360

taylor

589

00:21:46,390 --> 00:21:44,640

on their

590

00:21:47,350 --> 00:21:46,400

current research going on at the ranch

591

00:21:52,070 --> 00:21:47,360

and

592

00:21:53,750 --> 00:21:52,080

was there um she's also a medium i went

593

00:21:55,029 --> 00:21:53,760

on a i went on a ghost hunt with her

594

00:21:58,070 --> 00:21:55,039

that was

595

00:22:00,390 --> 00:21:58,080

really eye-opening she's great yeah oh

596

00:22:03,270 --> 00:22:00,400

yeah she's fantastic she did such a good

597

00:22:05,029 --> 00:22:03,280

ghost tour uh it was her and she was

598

00:22:07,750 --> 00:22:05,039

teamed up with uh

599

00:22:09,669 --> 00:22:07,760

cypress paranormal research

600

00:22:11,590 --> 00:22:09,679

and they were fantastic they gave us all

601  
00:22:14,710 --> 00:22:11,600  
the equipment we did a we did a ghost

602  
00:22:17,430 --> 00:22:14,720  
hunt of the vernal hotel there

603  
00:22:18,950 --> 00:22:17,440  
for about two hours lots of evp sessions

604  
00:22:21,110 --> 00:22:18,960  
so

605  
00:22:21,990 --> 00:22:21,120  
yeah it was

606  
00:22:24,470 --> 00:22:22,000  
it was

607  
00:22:26,789 --> 00:22:24,480  
yeah quite an exciting experience for

608  
00:22:28,310 --> 00:22:26,799  
we were there for for all four days so i

609  
00:22:29,909 --> 00:22:28,320  
just got back a couple days ago i'm

610  
00:22:31,909 --> 00:22:29,919  
still tired

611  
00:22:34,310 --> 00:22:31,919  
and that kind of kind of leads me into

612  
00:22:36,070 --> 00:22:34,320  
my next question which is like

613  
00:22:38,310 --> 00:22:36,080

you got a glimpse behind some of the

614

00:22:41,510 --> 00:22:38,320

curtains to this research

615

00:22:44,950 --> 00:22:41,520

and something that has been

616

00:22:47,430 --> 00:22:44,960

highly documented at least in

617

00:22:49,430 --> 00:22:47,440

the paranormal or supernatural

618

00:22:51,669 --> 00:22:49,440

world and also by the defense

619

00:22:54,950 --> 00:22:51,679

intelligence agency which has been

620

00:22:58,149 --> 00:22:54,960

contracted to uh through some experts

621

00:23:00,149 --> 00:22:58,159

in the asap and a-tip program

622

00:23:01,190 --> 00:23:00,159

which concentrated a lot in the uintah

623

00:23:03,350 --> 00:23:01,200

basin

624

00:23:05,750 --> 00:23:03,360

was something documented that they call

625

00:23:08,950 --> 00:23:05,760

the hitch hiker effect which before was

626

00:23:10,470 --> 00:23:08,960

sort of unnamed but it's a phenomena

627

00:23:12,630 --> 00:23:10,480

that

628

00:23:14,390 --> 00:23:12,640

strange things tend to happen to people

629

00:23:15,990 --> 00:23:14,400

after they visit areas of high

630

00:23:17,510 --> 00:23:16,000

strangeness

631

00:23:19,669 --> 00:23:17,520

have you had anything since you've

632

00:23:21,590 --> 00:23:19,679

gotten back i know it's fairly recent

633

00:23:23,190 --> 00:23:21,600

but have you had anything that seems a

634

00:23:24,950 --> 00:23:23,200

little out of place or just kind of like

635

00:23:27,110 --> 00:23:24,960

a little paranormal tap on the shoulder

636

00:23:28,789 --> 00:23:27,120

since you got back

637

00:23:29,990 --> 00:23:28,799

um

638

00:23:31,669 --> 00:23:30,000

actually

639

00:23:34,070 --> 00:23:31,679

funny you asked that it was kind of

640

00:23:36,149 --> 00:23:34,080

funny when i was at the ghost tour

641

00:23:37,750 --> 00:23:36,159

you know i was excited i was suited up

642

00:23:39,830 --> 00:23:37,760

had a bunch of equipment i was ready to

643

00:23:41,029 --> 00:23:39,840

go waiting for something crazy to happen

644

00:23:42,549 --> 00:23:41,039

and

645

00:23:45,669 --> 00:23:42,559

i didn't really have a very personal

646

00:23:48,230 --> 00:23:45,679

experience minus some really cool edps

647

00:23:50,870 --> 00:23:48,240

but it was kind of funny um

648

00:23:53,270 --> 00:23:50,880

we were back at the conference

649

00:23:55,270 --> 00:23:53,280

uh the next morning and i was actually

650

00:23:58,149 --> 00:23:55,280

at april's booth kind of talking about

651  
00:23:59,590 --> 00:23:58,159  
the ghost hunt from the night before

652  
00:24:03,430 --> 00:23:59,600  
and

653  
00:24:07,430 --> 00:24:03,440  
thought it was my wife just messing with

654  
00:24:10,789 --> 00:24:09,430  
so i mean it was i was

655  
00:24:13,269 --> 00:24:10,799  
you know i kind of sat there and sounds

656  
00:24:14,710 --> 00:24:13,279  
for a few seconds like no come on

657  
00:24:16,710 --> 00:24:14,720  
i'm in an imminent building of a

658  
00:24:19,510 --> 00:24:16,720  
thousand people here and now something

659  
00:24:23,110 --> 00:24:19,520  
happens it was so i actually asked april

660  
00:24:24,310 --> 00:24:23,120  
about i said hey this just happened and

661  
00:24:25,510 --> 00:24:24,320  
she's like yeah i've actually had

662  
00:24:28,310 --> 00:24:25,520  
something kind of hanging around my

663  
00:24:29,669 --> 00:24:28,320

boots for the last couple days so

664

00:24:31,190 --> 00:24:29,679

so that was uh

665

00:24:33,269 --> 00:24:31,200

definitely not the hitchhiker effect i

666

00:24:34,630 --> 00:24:33,279

was expecting but

667

00:24:36,070 --> 00:24:34,640

it was uh it was definitely some

668

00:24:37,190 --> 00:24:36,080

strangeness there

669

00:24:39,269 --> 00:24:37,200

yeah

670

00:24:42,070 --> 00:24:39,279

man you've got to be vigilant you never

671

00:24:43,669 --> 00:24:42,080

know that is so interesting uh when the

672

00:24:46,950 --> 00:24:43,679

phenomenon is never when you're

673

00:24:48,710 --> 00:24:46,960

expecting it that's for sure yeah i mean

674

00:24:50,549 --> 00:24:48,720

playing around in front of that many

675

00:24:51,830 --> 00:24:50,559

people i mean messing with your mind

676  
00:24:54,950 --> 00:24:51,840  
because i mean

677  
00:24:57,590 --> 00:24:54,960  
especially in a scenario like that

678  
00:24:59,190 --> 00:24:57,600  
that's that's going to be wilder

679  
00:25:01,830 --> 00:24:59,200  
anybody yeah

680  
00:25:03,669 --> 00:25:01,840  
yeah yeah yeah like i said it's when it

681  
00:25:05,350 --> 00:25:03,679  
comes to these kind of things it's

682  
00:25:08,070 --> 00:25:05,360  
it's never when you want it to happen

683  
00:25:11,830 --> 00:25:09,830  
yeah this is a point where you almost

684  
00:25:12,549 --> 00:25:11,840  
question your own sanity you know oh for

685  
00:25:13,430 --> 00:25:12,559  
sure

686  
00:25:15,190 --> 00:25:13,440  
yes

687  
00:25:17,350 --> 00:25:15,200  
and that happens a lot in the basin and

688  
00:25:19,830 --> 00:25:17,360

that's kind of you know

689

00:25:21,750 --> 00:25:19,840

the tangible world when when you

690

00:25:25,029 --> 00:25:21,760

interact with something that seems to be

691

00:25:26,870 --> 00:25:25,039

just beyond the veil it seems

692

00:25:29,990 --> 00:25:26,880

like it has some kind of a dualistic

693

00:25:32,870 --> 00:25:30,000

nature it can interact with humans

694

00:25:34,470 --> 00:25:32,880

apparently whenever it wants and is

695

00:25:36,710 --> 00:25:34,480

capable of

696

00:25:38,390 --> 00:25:36,720

masterful deception as as you've

697

00:25:39,830 --> 00:25:38,400

mentioned here i mean able to kind of

698

00:25:42,149 --> 00:25:39,840

manipulate

699

00:25:43,830 --> 00:25:42,159

uh human consciousness just to a point

700

00:25:45,990 --> 00:25:43,840

where it baffles whoever it's

701  
00:25:48,789 --> 00:25:46,000  
interacting with and a lot of times it's

702  
00:25:50,390 --> 00:25:48,799  
investigators uh

703  
00:25:52,390 --> 00:25:50,400  
while you were up there kind of just to

704  
00:25:55,029 --> 00:25:52,400  
switch gears a little bit

705  
00:25:58,789 --> 00:25:55,039  
um did you find any intriguing reports

706  
00:26:02,789 --> 00:25:58,799  
uh in the presentations or did you

707  
00:26:03,590 --> 00:26:02,799  
happen to see anything in the skies

708  
00:26:05,990 --> 00:26:03,600  
um

709  
00:26:06,870 --> 00:26:06,000  
not this time around

710  
00:26:08,149 --> 00:26:06,880  
um

711  
00:26:09,350 --> 00:26:08,159  
and of course since there's a conference

712  
00:26:12,070 --> 00:26:09,360  
you know we were

713  
00:26:13,830 --> 00:26:12,080

inside for most of the time

714

00:26:16,549 --> 00:26:13,840

so normally when i go up there i like to

715

00:26:19,029 --> 00:26:16,559

spend a lot more time doing personal you

716

00:26:21,510 --> 00:26:19,039

know research and investigations and and

717

00:26:23,430 --> 00:26:21,520

even just hiking around i mean that area

718

00:26:25,269 --> 00:26:23,440

is just gorgeous and there's so much to

719

00:26:27,110 --> 00:26:25,279

see and do and i was i was really hoping

720

00:26:29,269 --> 00:26:27,120

to make it back to mcconkey ranch but we

721

00:26:32,230 --> 00:26:29,279

just we just have time

722

00:26:35,669 --> 00:26:32,240

but um as far as like anything like that

723

00:26:39,750 --> 00:26:37,430

yeah but um but i mean there was

724

00:26:41,190 --> 00:26:39,760

definitely no shortage of stories going

725

00:26:43,830 --> 00:26:41,200

around

726

00:26:45,269 --> 00:26:43,840

so you in every table i sat at you know

727

00:26:48,230 --> 00:26:45,279

waiting for speakers to come on

728

00:26:50,870 --> 00:26:48,240

everybody had a story up there

729

00:26:52,789 --> 00:26:50,880

and honestly that's kind of what i think

730

00:26:54,310 --> 00:26:52,799

gets us all down this path is we all

731

00:26:55,190 --> 00:26:54,320

have an experience we don't understand

732

00:26:59,029 --> 00:26:55,200

and

733

00:27:01,190 --> 00:26:59,039

us you know

734

00:27:05,190 --> 00:27:01,200

decide to get more involved and

735

00:27:08,870 --> 00:27:07,350

you know kind of go down that path yeah

736

00:27:10,470 --> 00:27:08,880

that's i mean honestly that's how i got

737

00:27:11,750 --> 00:27:10,480

started with mufon is you know for my

738

00:27:15,669 --> 00:27:11,760

own ufo

739

00:27:18,789 --> 00:27:16,950

as far as me seeing anything in the sky

740

00:27:20,870 --> 00:27:18,799

and viral not so much but

741

00:27:23,029 --> 00:27:20,880

and now i have to know what did you see

742

00:27:24,470 --> 00:27:23,039

above your house i'm intrigued

743

00:27:25,990 --> 00:27:24,480

yeah yeah i knew i was going to jump

744

00:27:26,950 --> 00:27:26,000

back and forth there

745

00:27:29,590 --> 00:27:26,960

knew you wouldn't let me get away from

746

00:27:33,029 --> 00:27:30,710

but um

747

00:27:35,830 --> 00:27:33,039

yeah so this was a few years ago

748

00:27:37,430 --> 00:27:35,840

um and we were just getting ready for a

749

00:27:38,950 --> 00:27:37,440

camping trip

750

00:27:40,310 --> 00:27:38,960

you know kind of loading stuff out to

751  
00:27:41,750 --> 00:27:40,320  
our trailer

752  
00:27:47,350 --> 00:27:41,760  
and

753  
00:27:49,190 --> 00:27:47,360  
there's just this big bright

754  
00:27:51,350 --> 00:27:49,200  
orb just kind of there

755  
00:27:52,950 --> 00:27:51,360  
you know i looked at it and

756  
00:27:54,549 --> 00:27:52,960  
you know i'm also kind of skeptical in

757  
00:27:55,669 --> 00:27:54,559  
nature i'm just like okay it's a weather

758  
00:27:57,909 --> 00:27:55,679  
balloon

759  
00:27:59,990 --> 00:27:57,919  
you know it's this big sphere in the sky

760  
00:28:01,669 --> 00:28:00,000  
it's a weather boat so i go back inside

761  
00:28:03,430 --> 00:28:01,679  
the house

762  
00:28:05,350 --> 00:28:03,440  
you know load up more stuff come out

763  
00:28:06,389 --> 00:28:05,360

about 20 minutes later and it's still

764

00:28:09,110 --> 00:28:06,399

there

765

00:28:10,470 --> 00:28:09,120

it was actually kind of windy that day

766

00:28:12,230 --> 00:28:10,480

uh

767

00:28:14,389 --> 00:28:12,240

and then i kind of took notice and i

768

00:28:15,830 --> 00:28:14,399

watched it for a while

769

00:28:17,750 --> 00:28:15,840

and then i it was all i also kind of

770

00:28:19,669 --> 00:28:17,760

picked a point on my roof a point of

771

00:28:21,190 --> 00:28:19,679

reference so i can be like all right

772

00:28:23,029 --> 00:28:21,200

i stood in this i stood in a certain

773

00:28:24,789 --> 00:28:23,039

spot i picked the corner of my roof and

774

00:28:26,230 --> 00:28:24,799

i said all right now i know if it moves

775

00:28:27,830 --> 00:28:26,240

or not i'm gonna kind of get a reference

776

00:28:29,669 --> 00:28:27,840

with this tree

777

00:28:31,510 --> 00:28:29,679

watch it for another 15 minutes nothing

778

00:28:34,070 --> 00:28:31,520

i mean it was

779

00:28:36,070 --> 00:28:34,080

so still it was

780

00:28:38,070 --> 00:28:36,080

just so eerie how anything in this guy

781

00:28:39,830 --> 00:28:38,080

could stay that still regardless of

782

00:28:41,350 --> 00:28:39,840

whether it's a drone balloon or this or

783

00:28:42,950 --> 00:28:41,360

that

784

00:28:44,789 --> 00:28:42,960

so i kind of went and got my family at

785

00:28:45,510 --> 00:28:44,799

that point and said hey come check this

786

00:28:47,029 --> 00:28:45,520

out

787

00:28:48,470 --> 00:28:47,039

we brought the binoculars we got a

788

00:28:51,669 --> 00:28:48,480

better look at it you know through that

789

00:28:54,149 --> 00:28:51,679

and it was it was kind of

790

00:28:55,190 --> 00:28:54,159

lit up and just kind of this ball of

791

00:28:57,430 --> 00:28:55,200

light

792

00:28:59,029 --> 00:28:57,440

and even after about

793

00:29:00,950 --> 00:28:59,039

i'd say we've been watching about 30

794

00:29:03,510 --> 00:29:00,960

minutes at this point

795

00:29:04,870 --> 00:29:03,520

we live up next to hill air force base

796

00:29:07,110 --> 00:29:04,880

all of a sudden

797

00:29:08,549 --> 00:29:07,120

the f-35s from the base you know had

798

00:29:11,669 --> 00:29:08,559

they had definitely noticed it so they

799

00:29:13,830 --> 00:29:11,679

started making passes on it

800

00:29:15,990 --> 00:29:13,840

and i'd say after about three or four

801  
00:29:17,830 --> 00:29:16,000  
passes on this thing

802  
00:29:19,830 --> 00:29:17,840  
you know it was still there and it just

803  
00:29:22,149 --> 00:29:19,840  
kept moving and at which point my wife

804  
00:29:24,310 --> 00:29:22,159  
said we've got to go like we've got a

805  
00:29:25,669 --> 00:29:24,320  
camping trip you know we i'd love to

806  
00:29:27,750 --> 00:29:25,679  
stay here and watch this all day so we

807  
00:29:30,070 --> 00:29:27,760  
finally just left and it

808  
00:29:31,909 --> 00:29:30,080  
never moved

809  
00:29:33,909 --> 00:29:31,919  
i mean i really wanted you know i wanted

810  
00:29:36,070 --> 00:29:33,919  
to stay there all day and see if i could

811  
00:29:38,149 --> 00:29:36,080  
see it come or go or leave or make any

812  
00:29:40,470 --> 00:29:38,159  
sort of movement so i could you know

813  
00:29:43,350 --> 00:29:40,480

make it make a better uh projection as

814

00:29:46,070 --> 00:29:43,360

to what we were looking at but

815

00:29:48,789 --> 00:29:46,080

but um after that i kind of hopped

816

00:29:51,350 --> 00:29:48,799

online and started you know

817

00:29:52,870 --> 00:29:51,360

just doing my research online

818

00:29:55,350 --> 00:29:52,880

and apparently

819

00:29:56,950 --> 00:29:55,360

there was a ton of activity in that area

820

00:30:01,029 --> 00:29:56,960

around the same time there was posts on

821

00:30:02,230 --> 00:30:01,039

ufo uh utah ufo hunters

822

00:30:04,149 --> 00:30:02,240

uh

823

00:30:06,870 --> 00:30:04,159

there was even and this is even before i

824

00:30:08,789 --> 00:30:06,880

joined mufon i i found some mufon cases

825

00:30:10,710 --> 00:30:08,799

all within the same month

826

00:30:12,710 --> 00:30:10,720

when there was just these white orbs all

827

00:30:14,310 --> 00:30:12,720

over the place in northern in northern

828

00:30:16,470 --> 00:30:14,320

utah it was kind of a

829

00:30:19,750 --> 00:30:16,480

little ufo flap there

830

00:30:20,870 --> 00:30:19,760

for about a solid month

831

00:30:22,789 --> 00:30:20,880

so

832

00:30:24,630 --> 00:30:22,799

even after doing that research

833

00:30:26,149 --> 00:30:24,640

that actually kind of is what

834

00:30:28,310 --> 00:30:26,159

doing my own personal research and what

835

00:30:30,389 --> 00:30:28,320

i saw that's what kind of got me

836

00:30:31,669 --> 00:30:30,399

i was poking on mufon's page and i said

837

00:30:33,269 --> 00:30:31,679

you know what i actually would like to

838

00:30:35,190 --> 00:30:33,279

research this more

839

00:30:38,149 --> 00:30:35,200

and that's when i decided to sign up to

840

00:30:41,190 --> 00:30:38,159

become an investigator

841

00:30:43,510 --> 00:30:41,200

man that's great that is so cool

842

00:30:45,430 --> 00:30:43,520

so that was kind of my my sighting in

843

00:30:47,190 --> 00:30:45,440

kind of my history of why i decided to

844

00:30:49,029 --> 00:30:47,200

you know get involved

845

00:30:50,870 --> 00:30:49,039

and you mentioned something super

846

00:30:53,590 --> 00:30:50,880

interesting for listeners that haven't

847

00:30:56,549 --> 00:30:53,600

been there which is mcconkey ranch and

848

00:30:58,310 --> 00:30:56,559

it has some very interesting petroglyphs

849

00:31:00,230 --> 00:30:58,320

that are unique

850

00:31:02,549 --> 00:31:00,240

to anywhere else in the world i mean

851

00:31:04,870 --> 00:31:02,559

there's there are others in utah that

852

00:31:07,909 --> 00:31:04,880

are fascinating such as the guardians at

853

00:31:11,190 --> 00:31:07,919

sago canyon which is south of the ranch

854

00:31:12,149 --> 00:31:11,200

and you know both of these panels

855

00:31:14,269 --> 00:31:12,159

are

856

00:31:16,710 --> 00:31:14,279

very complex i mean

857

00:31:17,710 --> 00:31:16,720

archaeologists have called them barrier

858

00:31:19,750 --> 00:31:17,720

style

859

00:31:20,950 --> 00:31:19,760

anthropomorphs and

860

00:31:23,350 --> 00:31:20,960

academic

861

00:31:26,549 --> 00:31:23,360

experts have referred to them as

862

00:31:28,710 --> 00:31:26,559

ceremonial or ritualistic

863

00:31:31,430 --> 00:31:28,720

but no one's been able to indicate or

864

00:31:34,230 --> 00:31:31,440

even have a clue as far as their actual

865

00:31:36,630 --> 00:31:34,240

meaning and i think it's interesting

866

00:31:38,630 --> 00:31:36,640

because that's kind of where

867

00:31:40,230 --> 00:31:38,640

the uh

868

00:31:42,149 --> 00:31:40,240

you've got to picture yourself coming

869

00:31:44,630 --> 00:31:42,159

across these canyons

870

00:31:47,430 --> 00:31:44,640

back in the day and seeing these panels

871

00:31:48,389 --> 00:31:47,440

it would be obvious that this would you

872

00:31:51,110 --> 00:31:48,399

know

873

00:31:53,830 --> 00:31:51,120

epitomize evil or at least a warning of

874

00:31:55,669 --> 00:31:53,840

some sort to guard the entries or you

875

00:31:57,750 --> 00:31:55,679

know warn passers by that they should

876

00:31:58,870 --> 00:31:57,760

proceed with caution

877

00:32:01,669 --> 00:31:58,880

and

878

00:32:04,310 --> 00:32:01,679

you know it's strange that these areas

879

00:32:06,950 --> 00:32:04,320

are areas of high strangeness

880

00:32:08,789 --> 00:32:06,960

and now in more modern times

881

00:32:12,310 --> 00:32:08,799

you know we have

882

00:32:14,870 --> 00:32:12,320

the government which is this is wild but

883

00:32:17,190 --> 00:32:14,880

kind of going along the same lines

884

00:32:18,230 --> 00:32:17,200

we have the government who is

885

00:32:19,029 --> 00:32:18,240

starting

886

00:32:21,830 --> 00:32:19,039

to

887

00:32:23,750 --> 00:32:21,840

disclose things where in the past

888

00:32:25,830 --> 00:32:23,760

they've really sort of

889

00:32:27,990 --> 00:32:25,840

hidden things you know the united states

890

00:32:29,110 --> 00:32:28,000

government has a long history of hiding

891

00:32:33,590 --> 00:32:29,120

the truth

892

00:32:34,789 --> 00:32:33,600

which is great have you noticed that at

893

00:32:36,389 --> 00:32:34,799

all

894

00:32:38,950 --> 00:32:36,399

oh absolutely

895

00:32:41,110 --> 00:32:38,960

i mean and i think we can all

896

00:32:42,230 --> 00:32:41,120

you know be on the same page that they

897

00:32:43,909 --> 00:32:42,240

clearly know more than what they're

898

00:32:46,389 --> 00:32:43,919

saying but

899

00:32:48,710 --> 00:32:46,399

but uh no it's a great movement and just

900

00:32:50,470 --> 00:32:48,720

you know with them finally admitting

901  
00:32:51,990 --> 00:32:50,480  
that these things are real

902  
00:32:53,750 --> 00:32:52,000  
i mean of course anything they do know

903  
00:32:55,590 --> 00:32:53,760  
is going to be buried in so many private

904  
00:32:57,190 --> 00:32:55,600  
programs that will probably never see

905  
00:32:59,909 --> 00:32:57,200  
the light of day but

906  
00:33:01,830 --> 00:32:59,919  
but no it's it's undeniable and with all

907  
00:33:03,909 --> 00:33:01,840  
the military videos that have come

908  
00:33:06,230 --> 00:33:03,919  
forward and now um

909  
00:33:08,630 --> 00:33:06,240  
the public asking their elected rep you

910  
00:33:10,549 --> 00:33:08,640  
know representatives to

911  
00:33:12,310 --> 00:33:10,559  
get involved and say something it's it's

912  
00:33:14,230 --> 00:33:12,320  
amazing to see these

913  
00:33:15,909 --> 00:33:14,240

you know new programs and bills that

914

00:33:18,630 --> 00:33:15,919

they're actually passing making it

915

00:33:21,269 --> 00:33:18,640

easier for people to um

916

00:33:22,070 --> 00:33:21,279

to come forward and being so open about

917

00:33:23,750 --> 00:33:22,080

it

918

00:33:25,430 --> 00:33:23,760

and and i watched all those briefings

919

00:33:26,230 --> 00:33:25,440

and sorry jumping around a little bit

920

00:33:28,070 --> 00:33:26,240

more

921

00:33:30,870 --> 00:33:28,080

the one part of that briefing that i

922

00:33:32,789 --> 00:33:30,880

found so fascinating is

923

00:33:35,110 --> 00:33:32,799

you know they they come out talking

924

00:33:37,509 --> 00:33:35,120

about how this is everything we know and

925

00:33:39,750 --> 00:33:37,519

we're totally transparent and all this

926  
00:33:41,750 --> 00:33:39,760  
but the second someone mentioned

927  
00:33:44,230 --> 00:33:41,760  
uso or

928  
00:33:45,990 --> 00:33:44,240  
you know submerged object

929  
00:33:48,070 --> 00:33:46,000  
they immediately said

930  
00:33:49,669 --> 00:33:48,080  
that's for the classified meeting

931  
00:33:51,669 --> 00:33:49,679  
that was the one thing i think they gave

932  
00:33:53,509 --> 00:33:51,679  
away that meeting where they were like

933  
00:33:56,070 --> 00:33:53,519  
okay

934  
00:33:58,630 --> 00:33:56,080  
there they know a lot more about the you

935  
00:34:00,149 --> 00:33:58,640  
know the submerged aspect of it

936  
00:34:02,310 --> 00:34:00,159  
you know which

937  
00:34:04,830 --> 00:34:02,320  
those videos been coming out of these

938  
00:34:08,310 --> 00:34:04,840

being trans medium

939

00:34:10,389 --> 00:34:08,320

objects that are you know

940

00:34:12,230 --> 00:34:10,399

even from all those other uh nimitz and

941

00:34:14,389 --> 00:34:12,240

other encounters those were coming and

942

00:34:16,710 --> 00:34:14,399

going from the water

943

00:34:18,389 --> 00:34:16,720

so i'm very interested to see what comes

944

00:34:20,310 --> 00:34:18,399

out on that

945

00:34:22,790 --> 00:34:20,320

because i think that's the one part

946

00:34:24,310 --> 00:34:22,800

they're still holding back of because

947

00:34:25,750 --> 00:34:24,320

we can all make guesses to what's flying

948

00:34:27,430 --> 00:34:25,760

around the sky

949

00:34:29,990 --> 00:34:27,440

no one can guess what's going that fast

950

00:34:33,510 --> 00:34:30,000

underwater

951  
00:34:35,750 --> 00:34:33,520  
man that is such a good point brian

952  
00:34:37,589 --> 00:34:35,760  
because the narrative is avoiding this

953  
00:34:39,349 --> 00:34:37,599  
it's a massive

954  
00:34:43,829 --> 00:34:39,359  
project that they're holding all the

955  
00:34:46,389 --> 00:34:43,839  
data on and you know i know for a fact

956  
00:34:48,230 --> 00:34:46,399  
that many people in the san diego area

957  
00:34:50,950 --> 00:34:48,240  
are seeing things going in and out of

958  
00:34:52,790 --> 00:34:50,960  
the water at rapid speed

959  
00:34:57,109 --> 00:34:52,800  
all around the

960  
00:34:59,589 --> 00:34:57,119  
coronado which is a military base and

961  
00:35:01,750 --> 00:34:59,599  
strangely getting back to the basin

962  
00:35:04,069 --> 00:35:01,760  
recently

963  
00:35:06,230 --> 00:35:04,079

to give listeners a little background uh

964

00:35:08,310 --> 00:35:06,240

the property i own up in the basin

965

00:35:09,589 --> 00:35:08,320

that's a base camp known as space wolf

966

00:35:13,430 --> 00:35:09,599

research

967

00:35:15,190 --> 00:35:13,440

i sold a portion of that property to a

968

00:35:17,190 --> 00:35:15,200

friend of mine and somebody i met

969

00:35:19,349 --> 00:35:17,200

through jeremy corbell he's a researcher

970

00:35:20,470 --> 00:35:19,359

doing consciousness technology studies

971

00:35:24,069 --> 00:35:20,480

up there

972

00:35:25,990 --> 00:35:24,079

and he's named it uh umbra ventus lucis

973

00:35:27,349 --> 00:35:26,000

i believe he was also there at

974

00:35:29,190 --> 00:35:27,359

phenomicon

975

00:35:31,190 --> 00:35:29,200

and he's camping out at the property and

976  
00:35:33,750 --> 00:35:31,200  
has a pond on his portion of the

977  
00:35:36,470 --> 00:35:33,760  
property and he last night

978  
00:35:38,710 --> 00:35:36,480  
called me and said this is very strange

979  
00:35:40,390 --> 00:35:38,720  
but there seems to be machinations or

980  
00:35:42,390 --> 00:35:40,400  
mechanical sounds

981  
00:35:44,310 --> 00:35:42,400  
coming out of the pond it's gurgling

982  
00:35:46,470 --> 00:35:44,320  
it's bubbling is there any kind of

983  
00:35:49,349 --> 00:35:46,480  
machinery that you're aware of ryan like

984  
00:35:51,990 --> 00:35:49,359  
a pump or anything in this body of water

985  
00:35:53,670 --> 00:35:52,000  
and there is none there's zero

986  
00:35:56,710 --> 00:35:53,680  
machinery there

987  
00:36:00,150 --> 00:35:56,720  
and i think that this use

988  
00:36:02,630 --> 00:36:00,160

phenomena is like one of the technical

989

00:36:03,829 --> 00:36:02,640

great and yet disturbing interesting

990

00:36:05,670 --> 00:36:03,839

facts

991

00:36:06,950 --> 00:36:05,680

that's been it's being held super

992

00:36:08,390 --> 00:36:06,960

secretive by the government

993

00:36:11,510 --> 00:36:08,400

investigations

994

00:36:13,750 --> 00:36:11,520

and uh before i sold this portion of the

995

00:36:16,150 --> 00:36:13,760

property to this gentleman

996

00:36:19,030 --> 00:36:16,160

i had cameras all around this pond and

997

00:36:21,589 --> 00:36:19,040

we did in fact catch things going in and

998

00:36:22,870 --> 00:36:21,599

out of the pond kind of stylistically

999

00:36:25,190 --> 00:36:22,880

like uh

1000

00:36:27,190 --> 00:36:25,200

like it was a place to hide it sounds

1001

00:36:29,430 --> 00:36:27,200

super you know

1002

00:36:31,349 --> 00:36:29,440

super strange

1003

00:36:33,510 --> 00:36:31,359

reflecting the fact that water and

1004

00:36:35,270 --> 00:36:33,520

something flying or interacting but i

1005

00:36:37,990 --> 00:36:35,280

think that's a super

1006

00:36:40,870 --> 00:36:38,000

obvious connection that it's hard for

1007

00:36:43,349 --> 00:36:40,880

people to wrap their heads around

1008

00:36:45,589 --> 00:36:43,359

yeah no absolutely i mean you know we've

1009

00:36:47,109 --> 00:36:45,599

been talking about ufos for

1010

00:36:48,950 --> 00:36:47,119

however many years now all of a sudden

1011

00:36:50,870 --> 00:36:48,960

you're saying wait they're

1012

00:36:51,829 --> 00:36:50,880

they're underwater now it's

1013

00:36:53,589 --> 00:36:51,839

you know

1014

00:36:55,589 --> 00:36:53,599

it's kind of hard for people to make

1015

00:36:57,190 --> 00:36:55,599

that jump you know without even thinking

1016

00:36:59,109 --> 00:36:57,200

about it because you've been hearing

1017

00:37:00,470 --> 00:36:59,119

about flying things but

1018

00:37:01,670 --> 00:37:00,480

it's like you say water they're like

1019

00:37:03,030 --> 00:37:01,680

what why

1020

00:37:05,349 --> 00:37:03,040

why would they be underwater i'm like

1021

00:37:07,349 --> 00:37:05,359

well why would they not

1022

00:37:09,270 --> 00:37:07,359

if they're a trans medium object then

1023

00:37:12,069 --> 00:37:09,280

you know space

1024

00:37:13,990 --> 00:37:12,079

water even the earth itself there's been

1025

00:37:17,589 --> 00:37:14,000

plenty of reports of these things flying

1026

00:37:20,829 --> 00:37:19,349

so just kind of just disappearing

1027

00:37:23,829 --> 00:37:20,839

through it like it's

1028

00:37:26,950 --> 00:37:23,839

like it's nothing really

1029

00:37:29,109 --> 00:37:26,960

it's so wild i i recently

1030

00:37:31,589 --> 00:37:29,119

cannot find it for the life of me i'm

1031

00:37:33,670 --> 00:37:31,599

looking now but i recently heard

1032

00:37:36,630 --> 00:37:33,680

something along the lines of i believe

1033

00:37:40,790 --> 00:37:36,640

it was the air force was monitoring an

1034

00:37:42,710 --> 00:37:40,800

area near the mariana trench which i

1035

00:37:43,589 --> 00:37:42,720

i'm gonna i mean it's thousands of feet

1036

00:37:45,750 --> 00:37:43,599

deep

1037

00:37:48,069 --> 00:37:45,760

and it is somewhere where

1038

00:37:49,430 --> 00:37:48,079

things were seen going in and out and

1039

00:37:51,430 --> 00:37:49,440

around

1040

00:37:53,190 --> 00:37:51,440

some of these you know

1041

00:37:54,950 --> 00:37:53,200

warships and that's what's so scary is

1042

00:37:58,150 --> 00:37:54,960

we're talking about

1043

00:38:01,030 --> 00:37:58,160

leading-edge technology with

1044

00:38:02,870 --> 00:38:01,040

you know flair systems that are

1045

00:38:06,150 --> 00:38:02,880

armed and

1046

00:38:09,829 --> 00:38:06,160

i mean functions as just the

1047

00:38:11,190 --> 00:38:09,839

you know the epitome of our

1048

00:38:13,510 --> 00:38:11,200

war machines

1049

00:38:15,190 --> 00:38:13,520

and it seems as if

1050

00:38:16,710 --> 00:38:15,200

at least from all

1051  
00:38:19,349 --> 00:38:16,720  
reports

1052  
00:38:21,589 --> 00:38:19,359  
that the united states

1053  
00:38:24,230 --> 00:38:21,599  
uh department of defense is concerned

1054  
00:38:26,790 --> 00:38:24,240  
because there are things

1055  
00:38:29,030 --> 00:38:26,800  
interacting with these ships in uh

1056  
00:38:31,510 --> 00:38:29,040  
strange manners like they have strange

1057  
00:38:33,990 --> 00:38:31,520  
mannerisms their speed underwater can't

1058  
00:38:37,270 --> 00:38:34,000  
be explained

1059  
00:38:40,069 --> 00:38:37,280  
have you had any uso type reports coming

1060  
00:38:41,829 --> 00:38:40,079  
out of utah because i have heard a lot

1061  
00:38:43,430 --> 00:38:41,839  
of the amber lights there by the great

1062  
00:38:45,270 --> 00:38:43,440  
salt lake but i haven't heard of any

1063  
00:38:47,270 --> 00:38:45,280

going into the water have you heard

1064

00:38:49,589 --> 00:38:47,280

anything like that brian

1065

00:38:51,109 --> 00:38:49,599

um none that none that i'm aware of up

1066

00:38:52,470 --> 00:38:51,119

here and i and i do know which ones

1067

00:38:54,230 --> 00:38:52,480

you're talking about those amber lights

1068

00:38:56,230 --> 00:38:54,240

uh by the grace hall lake

1069

00:38:58,310 --> 00:38:56,240

there was even a really good one uh kind

1070

00:39:00,390 --> 00:38:58,320

of by the salt lake just last year kind

1071

00:39:02,710 --> 00:39:00,400

of the same thing

1072

00:39:04,230 --> 00:39:02,720

but um as far as in utah i haven't heard

1073

00:39:06,150 --> 00:39:04,240

any of those uh

1074

00:39:08,230 --> 00:39:06,160

i haven't heard any of those reports but

1075

00:39:09,670 --> 00:39:08,240

mufon does um

1076

00:39:12,230 --> 00:39:09,680

have

1077

00:39:15,670 --> 00:39:12,240

one expert on actually submerged objects

1078

00:39:17,349 --> 00:39:15,680

and that's uh i i don't want to butcher

1079

00:39:19,510 --> 00:39:17,359

it because that's just kind of so far

1080

00:39:21,589 --> 00:39:19,520

out of my scope of work but

1081

00:39:24,710 --> 00:39:21,599

they but even mufon has looked into that

1082

00:39:27,030 --> 00:39:24,720

i know there have been cases

1083

00:39:29,190 --> 00:39:27,040

yeah the uso thing is huge there's

1084

00:39:32,230 --> 00:39:29,200

there's been historical reports there at

1085

00:39:35,430 --> 00:39:32,240

bottle hollow reservoir of people seeing

1086

00:39:37,430 --> 00:39:35,440

craft going in and out of there as well

1087

00:39:39,589 --> 00:39:37,440

well even just last year again i don't

1088

00:39:40,390 --> 00:39:39,599

want to butcher any story or give people

1089

00:39:42,150 --> 00:39:40,400

any

1090

00:39:43,990 --> 00:39:42,160

wrong information but i believe it was

1091

00:39:46,390 --> 00:39:44,000

just last year

1092

00:39:47,910 --> 00:39:46,400

um one of our submarines collided with

1093

00:39:49,430 --> 00:39:47,920

something

1094

00:39:52,630 --> 00:39:49,440

and they never found out what it was it

1095

00:39:54,390 --> 00:39:52,640

wasn't uh wasn't the bottom and

1096

00:39:56,390 --> 00:39:54,400

it was in the south china sea and they

1097

00:39:57,430 --> 00:39:56,400

don't believe it was any other

1098

00:40:01,030 --> 00:39:57,440

uh

1099

00:40:03,109 --> 00:40:01,040

military of ours or anyone else's

1100

00:40:05,109 --> 00:40:03,119

and the story just kind of stopped there

1101

00:40:07,270 --> 00:40:05,119

there was an actual like collision with

1102

00:40:09,030 --> 00:40:07,280

one of our submarines

1103

00:40:12,870 --> 00:40:09,040

that they were never able to explain or

1104

00:40:17,510 --> 00:40:15,109

it's so crazy because i mean we know

1105

00:40:19,750 --> 00:40:17,520

that the technologies

1106

00:40:21,510 --> 00:40:19,760

of a lot of these

1107

00:40:25,430 --> 00:40:21,520

machines especially when you're talking

1108

00:40:27,990 --> 00:40:25,440

warfare are way up there and

1109

00:40:32,310 --> 00:40:28,000

when they seem to be at their emphasis

1110

00:40:34,550 --> 00:40:32,320

infancy in comparison with some of these

1111

00:40:36,470 --> 00:40:34,560

you know submerged objects flying at

1112

00:40:39,109 --> 00:40:36,480

thousands of miles an hour i mean it

1113

00:40:44,710 --> 00:40:39,119

reminds me a lot of the calvin parker

1114

00:40:48,910 --> 00:40:45,990

i'm not sure i'm remembering the calvin

1115

00:40:51,510 --> 00:40:48,920

parker case that was out of

1116

00:40:52,550 --> 00:40:51,520

pascagoula mississippi if i'm not

1117

00:40:54,630 --> 00:40:52,560

mistaken

1118

00:40:55,990 --> 00:40:54,640

and i've talked to calvin and it's it's

1119

00:40:58,870 --> 00:40:56,000

a very similar

1120

00:41:01,589 --> 00:40:58,880

situation in that they were out uh

1121

00:41:04,270 --> 00:41:01,599

near this body of water in pascagoula

1122

00:41:06,630 --> 00:41:04,280

and they saw these

1123

00:41:08,230 --> 00:41:06,640

bioluminescent craft for lack of a

1124

00:41:11,910 --> 00:41:08,240

better word

1125

00:41:14,069 --> 00:41:11,920

and uh they in fact did

1126

00:41:14,950 --> 00:41:14,079

cruise around underwater

1127

00:41:17,030 --> 00:41:14,960

and

1128

00:41:19,270 --> 00:41:17,040

you know this was uh you know our

1129

00:41:22,069 --> 00:41:19,280

technology as i said i don't want to in

1130

00:41:25,190 --> 00:41:22,079

any way minimize the extent of our

1131

00:41:26,790 --> 00:41:25,200

technology but at the same time

1132

00:41:29,670 --> 00:41:26,800

it's like

1133

00:41:31,670 --> 00:41:29,680

this was in the 70s and

1134

00:41:33,109 --> 00:41:31,680

for for something

1135

00:41:34,390 --> 00:41:33,119

to be that

1136

00:41:36,630 --> 00:41:34,400

impressive

1137

00:41:37,829 --> 00:41:36,640

technologically advanced at that time

1138

00:41:39,670 --> 00:41:37,839

period

1139

00:41:40,950 --> 00:41:39,680

it's just hard for me to wrap my head

1140

00:41:43,990 --> 00:41:40,960

around i don't wanna i don't wanna

1141

00:41:46,550 --> 00:41:44,000

minimize what our government can do

1142

00:41:49,030 --> 00:41:46,560

but it's it just brings me back to kind

1143

00:41:50,710 --> 00:41:49,040

of like the more recent stuff where i in

1144

00:41:53,430 --> 00:41:50,720

my opinion the government is being

1145

00:41:55,190 --> 00:41:53,440

somewhat trans transparent maybe not

1146

00:41:56,790 --> 00:41:55,200

completely maybe not completely but

1147

00:41:58,150 --> 00:41:56,800

they're being somewhat transparent which

1148

00:42:00,470 --> 00:41:58,160

we cannot

1149

00:42:02,390 --> 00:42:00,480

turn a blind eye to in that they're

1150

00:42:04,630 --> 00:42:02,400

actually asserting

1151

00:42:06,630 --> 00:42:04,640

that something is there

1152

00:42:08,710 --> 00:42:06,640

yeah no and that and that's a huge step

1153

00:42:10,470 --> 00:42:08,720

i know some people they want it all they

1154

00:42:11,910 --> 00:42:10,480

want you know

1155

00:42:14,230 --> 00:42:11,920

they're expecting the government to just

1156

00:42:15,270 --> 00:42:14,240

wheel out the you know ufo from roswell

1157

00:42:18,150 --> 00:42:15,280

but

1158

00:42:19,349 --> 00:42:18,160

hey we got people talking about it and

1159

00:42:25,109 --> 00:42:19,359

it's

1160

00:42:26,790 --> 00:42:25,119

real thing

1161

00:42:29,109 --> 00:42:26,800

but now now what they actually have to

1162

00:42:30,470 --> 00:42:29,119

do is fund some of these programs you

1163

00:42:31,910 --> 00:42:30,480

know we had some speakers this weekend

1164

00:42:34,630 --> 00:42:31,920

talking about

1165

00:42:36,230 --> 00:42:34,640

yeah they have a uap task force but

1166

00:42:37,670 --> 00:42:36,240

you know the parts of the government

1167

00:42:40,390 --> 00:42:37,680

that actually pay for it have yet to cut

1168

00:42:42,069 --> 00:42:40,400

any checks so

1169

00:42:44,069 --> 00:42:42,079

so i don't know if they're hopefully

1170

00:42:46,309 --> 00:42:44,079

they're you know making big steps to

1171

00:42:48,470 --> 00:42:46,319

making a priority and not just

1172

00:42:49,349 --> 00:42:48,480

talking about it to you know appease the

1173

00:42:51,510 --> 00:42:49,359

people

1174

00:42:54,390 --> 00:42:51,520

who have seen these videos so but either

1175

00:42:55,829 --> 00:42:54,400

way it is a huge step for you know for

1176

00:42:59,750 --> 00:42:55,839

everyone in the right direction not just

1177

00:43:03,349 --> 00:42:59,760

ufologists but our national security and

1178

00:43:07,109 --> 00:43:03,359

really the people who deserve to know

1179

00:43:09,510 --> 00:43:07,119

yeah and i've been speaking with a guy

1180

00:43:11,829 --> 00:43:09,520

who's extremely busy but he's involved

1181

00:43:14,790 --> 00:43:11,839

with an aerospace corporation that's

1182

00:43:17,510 --> 00:43:14,800

trying to get funding to do some tests

1183

00:43:20,069 --> 00:43:17,520

and we're still awaiting uh

1184

00:43:21,430 --> 00:43:20,079

it's difficult it's kind of a tough uh

1185

00:43:23,750 --> 00:43:21,440

you know

1186

00:43:26,550 --> 00:43:23,760

situation because

1187

00:43:29,750 --> 00:43:26,560

he he has the the lineup of people he's

1188

00:43:33,190 --> 00:43:29,760

got the properties lined up and or the

1189

00:43:34,069 --> 00:43:33,200

the private property lined up here

1190

00:43:35,670 --> 00:43:34,079

to

1191

00:43:39,270 --> 00:43:35,680

analyze it

1192

00:43:40,470 --> 00:43:39,280

but again when it comes to the funding

1193

00:43:42,790 --> 00:43:40,480

you have to

1194

00:43:44,790 --> 00:43:42,800

kind of uh

1195

00:43:47,030 --> 00:43:44,800

you got you kind of have to be careful

1196

00:43:49,750 --> 00:43:47,040

because you they're usually ndas that

1197

00:43:53,349 --> 00:43:49,760

have to be signed you can't you can't

1198

00:43:55,510 --> 00:43:53,359

speak about absolutely everything

1199

00:43:58,309 --> 00:43:55,520

it's as a point of reference it's

1200

00:43:59,910 --> 00:43:58,319

difficult because i think of

1201  
00:44:02,630 --> 00:43:59,920  
much of the research we're discussing

1202  
00:44:04,150 --> 00:44:02,640  
with other properties in the basin

1203  
00:44:06,390 --> 00:44:04,160  
and

1204  
00:44:09,670 --> 00:44:06,400  
they have to be held to kind of some of

1205  
00:44:11,990 --> 00:44:09,680  
the same residual uh

1206  
00:44:13,670 --> 00:44:12,000  
stuff when you're actively researching

1207  
00:44:15,589 --> 00:44:13,680  
something and you have

1208  
00:44:18,710 --> 00:44:15,599  
you have government money or funding

1209  
00:44:21,270 --> 00:44:18,720  
involved which kind of brings me to um

1210  
00:44:22,870 --> 00:44:21,280  
luis elizondo i know he's gotten a

1211  
00:44:24,710 --> 00:44:22,880  
really hard time as you mentioned a lot

1212  
00:44:27,270 --> 00:44:24,720  
of the people

1213  
00:44:29,030 --> 00:44:27,280

involved in ufology give anybody that

1214

00:44:31,589 --> 00:44:29,040

comes forward uh

1215

00:44:32,950 --> 00:44:31,599

a lot of criticism and they question his

1216

00:44:34,550 --> 00:44:32,960

credibility

1217

00:44:36,710 --> 00:44:34,560

uh what are your thoughts of luis

1218

00:44:38,950 --> 00:44:36,720

elizondo

1219

00:44:41,510 --> 00:44:38,960

um my hat's off to him you know for

1220

00:44:44,550 --> 00:44:41,520

someone to come forward

1221

00:44:46,870 --> 00:44:44,560

and you know lay it all out with risk of

1222

00:44:49,430 --> 00:44:46,880

you know destroying his life which

1223

00:44:51,349 --> 00:44:49,440

they've made several attempts to

1224

00:44:52,630 --> 00:44:51,359

you know good good for him and good for

1225

00:44:54,309 --> 00:44:52,640

the pilots that have started to come

1226

00:44:56,309 --> 00:44:54,319

forward um

1227

00:44:57,670 --> 00:44:56,319

especially all the military people

1228

00:45:00,390 --> 00:44:57,680

you know all these people have signed

1229

00:45:02,550 --> 00:45:00,400

all these known disclosures where

1230

00:45:04,150 --> 00:45:02,560

you know they can lose their pensions

1231

00:45:06,390 --> 00:45:04,160

you know you know like you know you

1232

00:45:07,829 --> 00:45:06,400

could be retired from the military and

1233

00:45:09,109 --> 00:45:07,839

come forward

1234

00:45:11,349 --> 00:45:09,119

they can take your pension away you're

1235

00:45:13,510 --> 00:45:11,359

not out yet you know you're not out

1236

00:45:18,470 --> 00:45:13,520

until you die they still

1237

00:45:21,670 --> 00:45:18,480

they still have ways of you know

1238

00:45:24,230 --> 00:45:21,680

of punishing people who come forward

1239

00:45:27,030 --> 00:45:24,240

so no good on him and what he's done i

1240

00:45:28,950 --> 00:45:27,040

mean is absolutely amazing i i think

1241

00:45:30,710 --> 00:45:28,960

it's incredible and i think he actually

1242

00:45:32,870 --> 00:45:30,720

started a lot of these fires which is

1243

00:45:34,550 --> 00:45:32,880

what is bringing

1244

00:45:36,470 --> 00:45:34,560

people forward

1245

00:45:38,550 --> 00:45:36,480

you know not just military but tech

1246

00:45:40,630 --> 00:45:38,560

people you know those are the people we

1247

00:45:41,910 --> 00:45:40,640

need to to feel comfortable to come

1248

00:45:43,270 --> 00:45:41,920

forward

1249

00:45:45,430 --> 00:45:43,280

now i know there is a piece of

1250

00:45:47,430 --> 00:45:45,440

legislation again i'm not going to get

1251

00:45:49,510 --> 00:45:47,440

try and name it or this or that

1252

00:45:51,430 --> 00:45:49,520

because i'll just butcher it but i know

1253

00:45:52,390 --> 00:45:51,440

there is a piece of legislation right

1254

00:45:55,109 --> 00:45:52,400

now

1255

00:45:57,750 --> 00:45:55,119

being kicked around congress that is

1256

00:45:59,589 --> 00:45:57,760

basically protecting people who do come

1257

00:46:01,190 --> 00:45:59,599

forward and who have signed

1258

00:46:03,349 --> 00:46:01,200

non-disclosures

1259

00:46:05,349 --> 00:46:03,359

to where

1260

00:46:07,430 --> 00:46:05,359

i think once a certain contract has

1261

00:46:08,950 --> 00:46:07,440

expired

1262

00:46:11,270 --> 00:46:08,960

you can come forward without

1263

00:46:12,630 --> 00:46:11,280

repercussions i mean clearly some stuff

1264

00:46:14,710 --> 00:46:12,640

if you're active in the military and you

1265

00:46:16,309 --> 00:46:14,720

come forward with a bunch of secrets

1266

00:46:17,510 --> 00:46:16,319

you're gonna get in trouble but some of

1267

00:46:18,470 --> 00:46:17,520

these

1268

00:46:21,190 --> 00:46:18,480

uh

1269

00:46:25,510 --> 00:46:21,200

older you know military folks who have

1270

00:46:30,790 --> 00:46:29,430

50 60 years you know

1271

00:46:32,630 --> 00:46:30,800

those kind of people need to be

1272

00:46:33,990 --> 00:46:32,640

protected

1273

00:46:34,870 --> 00:46:34,000

to be able to come with those stories

1274

00:46:36,230 --> 00:46:34,880

and

1275

00:46:38,230 --> 00:46:36,240

you know

1276

00:46:39,829 --> 00:46:38,240

so i i think that piece of legislation

1277

00:46:40,950 --> 00:46:39,839

again i'm not sure which one it was but

1278

00:46:43,190 --> 00:46:40,960

i know they're working on something

1279

00:46:45,190 --> 00:46:43,200

right now that would make it much easier

1280

00:46:48,069 --> 00:46:45,200

for people to come forward

1281

00:46:50,630 --> 00:46:48,079

hey guys i usually don't pitch anything

1282

00:46:52,710 --> 00:46:50,640

but if you are interested in having a

1283

00:46:54,390 --> 00:46:52,720

killer tan now that fall is coming and

1284

that's s p

y c e

1303

00:47:43,190 --> 00:47:40,079

dash natural bronze

1304

00:47:45,349 --> 00:47:43,200

tan like your life depends on it

1305

00:47:47,829 --> 00:47:45,359

i think that's so cool because yeah i

1306

00:47:51,430 --> 00:47:47,839

think mr elizondo's in a tough spot i

1307

00:47:54,470 --> 00:47:51,440

mean that that dd form 2836 is a very

1308

00:47:56,470 --> 00:47:54,480

serious agreement and people always look

1309

00:47:58,390 --> 00:47:56,480

at him sideways when he takes a moment

1310

00:47:59,349 --> 00:47:58,400

to gather himself before answering a

1311

00:48:02,630 --> 00:47:59,359

question

1312

00:48:03,589 --> 00:48:02,640

but that's got to be tough to navigate

1313

00:48:05,270 --> 00:48:03,599

you know

1314

00:48:07,190 --> 00:48:05,280

especially

1315

00:48:09,510 --> 00:48:07,200

having been involved with an obscure

1316

00:48:10,470 --> 00:48:09,520

pentagram pentagon program at least at

1317

00:48:11,589 --> 00:48:10,480

the time

1318

00:48:14,790 --> 00:48:11,599

and

1319

00:48:16,630 --> 00:48:14,800

it kind of brings me back to

1320

00:48:17,829 --> 00:48:16,640

you know all of the naysayers you know

1321

00:48:20,710 --> 00:48:17,839

we have

1322

00:48:23,270 --> 00:48:20,720

we we now have a branch of the

1323

00:48:25,270 --> 00:48:23,280

government known as space force and you

1324

00:48:26,790 --> 00:48:25,280

know everybody's first inclination was

1325

00:48:29,990 --> 00:48:26,800

to make fun of it

1326

00:48:32,230 --> 00:48:30,000

and it to me it's like this is cool this

1327

00:48:34,870 --> 00:48:32,240

is great any any progress that we're

1328

00:48:35,670 --> 00:48:34,880

making is good progress i'm with you on

1329

00:48:36,950 --> 00:48:35,680

that

1330

00:48:39,670 --> 00:48:36,960

and um

1331

00:48:41,030 --> 00:48:39,680

with luis elizondo i had the opportunity

1332

00:48:43,349 --> 00:48:41,040

of meeting him

1333

00:48:46,549 --> 00:48:43,359

and he seemed like a nice enough guy to

1334

00:48:49,190 --> 00:48:46,559

me and as you know he has had

1335

00:48:50,549 --> 00:48:49,200

for lack of a better word or is fearful

1336

00:48:52,309 --> 00:48:50,559

for attempts

1337

00:48:53,910 --> 00:48:52,319

possibly on his life i know he's been

1338

00:48:56,950 --> 00:48:53,920

seen with uh

1339

00:48:59,190 --> 00:48:56,960

bulletproof vests from time to time

1340

00:49:01,109 --> 00:48:59,200

and oh wow that is a really big

1341

00:49:05,030 --> 00:49:01,119

helicopter flying over me i'm usually

1342

00:49:07,589 --> 00:49:05,040

pretty pretty quiet here um but

1343

00:49:09,190 --> 00:49:07,599

yeah coming back to um hill air force

1344

00:49:11,270 --> 00:49:09,200

base and a lot of the

1345

00:49:14,710 --> 00:49:11,280

cool projects coming out of there i know

1346

00:49:16,710 --> 00:49:14,720

we got a new fleet of uh the warplanes

1347

00:49:19,349 --> 00:49:16,720

out there have you had a chance to see

1348

00:49:22,069 --> 00:49:19,359

any of those in your neck of the woods

1349

00:49:24,549 --> 00:49:22,079

oh yeah i am right in their flight path

1350

00:49:25,750 --> 00:49:24,559

oh man and we love it my wife was uh

1351

00:49:30,069 --> 00:49:25,760

she's

1352

00:49:32,630 --> 00:49:30,079

she actually worked on a lot of those uh

1353

00:49:34,470 --> 00:49:32,640

planes and jets she worked out on uh one

1354

00:49:35,990 --> 00:49:34,480

of the aircraft carriers on the uss

1355

00:49:37,430 --> 00:49:36,000

lincoln for many years working on these

1356

00:49:39,030 --> 00:49:37,440

jets so

1357

00:49:39,829 --> 00:49:39,040

so we love it when they buzz our house

1358

00:49:42,790 --> 00:49:39,839

we

1359

00:49:44,630 --> 00:49:42,800

new gear and

1360

00:49:46,470 --> 00:49:44,640

but yeah they kind of take off from hill

1361

00:49:48,230 --> 00:49:46,480

air force base and they kind of do a big

1362

00:49:50,710 --> 00:49:48,240

loop and to land and we're kind of on

1363

00:49:51,829 --> 00:49:50,720

the western side of that loop

1364

00:49:54,470 --> 00:49:51,839

so

1365

00:49:56,790 --> 00:49:54,480

yeah we got to see all their cool stuff

1366

00:49:58,710 --> 00:49:56,800

especially around the air show

1367

00:50:00,069 --> 00:49:58,720

that is so cool yeah they're

1368

00:50:02,549 --> 00:50:00,079

they're flying in formation and doing

1369

00:50:04,150 --> 00:50:02,559

all sorts of cool stuff but

1370

00:50:05,910 --> 00:50:04,160

yeah i have a buddy that lives out by

1371

00:50:09,349 --> 00:50:05,920

colorado springs and he was telling me

1372

00:50:11,670 --> 00:50:09,359

about them and how how cool they look uh

1373

00:50:12,870 --> 00:50:11,680

they seem to outpace the old ones bar

1374

00:50:14,309 --> 00:50:12,880

none but

1375

00:50:16,150 --> 00:50:14,319

oh yeah

1376

00:50:18,470 --> 00:50:16,160

the other really cool thing about utah's

1377

00:50:20,390 --> 00:50:18,480

we have so much national security much

1378

00:50:22,309 --> 00:50:20,400

like uh hill air force base we have the

1379

00:50:26,630 --> 00:50:22,319

nsa listening center

1380

00:50:28,710 --> 00:50:26,640

we have um a lot of space war fighting

1381

00:50:32,630 --> 00:50:28,720

stuff going on

1382

00:50:34,309 --> 00:50:32,640

and we of course have dugway uh have you

1383

00:50:38,230 --> 00:50:34,319

heard anything interesting or

1384

00:50:40,470 --> 00:50:38,240

interesting sightings out in that area

1385

00:50:41,910 --> 00:50:40,480

absolutely actually

1386

00:50:44,390 --> 00:50:41,920

i would say

1387

00:50:47,990 --> 00:50:44,400

most of my best cases

1388

00:50:50,549 --> 00:50:48,000

all in the state of utah have all been

1389

00:50:52,790 --> 00:50:50,559

in the general vicinity of dugway

1390

00:50:54,870 --> 00:50:52,800

um

1391

00:50:55,990 --> 00:50:54,880

yeah i i had one recently i mean again i

1392

00:50:57,670 --> 00:50:56,000

you know

1393

00:50:59,670 --> 00:50:57,680

protect people's identities and i won't

1394

00:51:01,670 --> 00:50:59,680

get into too much of the details but

1395

00:51:02,630 --> 00:51:01,680

we had um we had a government worker who

1396

00:51:04,790 --> 00:51:02,640

was out

1397

00:51:06,870 --> 00:51:04,800

i mean this one was just a few weeks ago

1398

00:51:08,470 --> 00:51:06,880

who was working out at dugway

1399

00:51:09,670 --> 00:51:08,480

and

1400

00:51:13,030 --> 00:51:09,680

he was just parked on the side of the

1401  
00:51:14,790 --> 00:51:13,040  
road and he had a sighting that was

1402  
00:51:16,950 --> 00:51:14,800  
pretty remarkable it's just a bright

1403  
00:51:18,870 --> 00:51:16,960  
light that actually ended up

1404  
00:51:19,750 --> 00:51:18,880  
splitting into four

1405  
00:51:25,270 --> 00:51:19,760  
and

1406  
00:51:26,710 --> 00:51:25,280  
turned

1407  
00:51:28,390 --> 00:51:26,720  
it was actually four lights but then

1408  
00:51:30,069 --> 00:51:28,400  
once it turned he described a

1409  
00:51:31,829 --> 00:51:30,079  
needle-like craft

1410  
00:51:33,109 --> 00:51:31,839  
that had

1411  
00:51:35,270 --> 00:51:33,119  
four bright lights on it you could

1412  
00:51:37,510 --> 00:51:35,280  
actually see it wasn't just lights he

1413  
00:51:39,349 --> 00:51:37,520

could actually see kind of a structure

1414

00:51:41,349 --> 00:51:39,359

to it

1415

00:51:48,870 --> 00:51:41,359

and

1416

00:51:52,390 --> 00:51:48,880

headed towards this really thin wispy

1417

00:51:53,750 --> 00:51:52,400

cloud that he he described it could not

1418

00:51:55,750 --> 00:51:53,760

hide these lights

1419

00:51:57,430 --> 00:51:55,760

he said it actually went into it and

1420

00:52:00,790 --> 00:51:57,440

disappeared almost like it was going

1421

00:52:03,270 --> 00:52:01,750

but

1422

00:52:05,349 --> 00:52:03,280

and i mean it was it was an amazing

1423

00:52:06,870 --> 00:52:05,359

account and he you know unfortunately he

1424

00:52:08,230 --> 00:52:06,880

didn't get any photos or anything of it

1425

00:52:10,390 --> 00:52:08,240

but

1426  
00:52:12,230 --> 00:52:10,400  
this is a gentleman who was actually

1427  
00:52:13,910 --> 00:52:12,240  
really upset about it

1428  
00:52:15,750 --> 00:52:13,920  
he was he didn't you know he didn't

1429  
00:52:17,190 --> 00:52:15,760  
contact us going oh this is awesome i

1430  
00:52:19,510 --> 00:52:17,200  
saw ufos it's amazing i have to tell

1431  
00:52:21,270 --> 00:52:19,520  
someone he reached out because he was

1432  
00:52:24,950 --> 00:52:21,280  
generally upset

1433  
00:52:26,790 --> 00:52:24,960  
it kind of rattled his whole world view

1434  
00:52:28,870 --> 00:52:26,800  
you know it was to the point where he

1435  
00:52:30,870 --> 00:52:28,880  
didn't know what to do or who to talk to

1436  
00:52:33,349 --> 00:52:30,880  
so we kind of hopped online found mufon

1437  
00:52:34,870 --> 00:52:33,359  
and submitted a report and

1438  
00:52:37,349 --> 00:52:34,880

i've actually talked to him a few times

1439

00:52:39,270 --> 00:52:37,359

over the last couple weeks just because

1440

00:52:41,589 --> 00:52:39,280

he doesn't know who to talk to about

1441

00:52:43,270 --> 00:52:41,599

something like that but

1442

00:52:45,270 --> 00:52:43,280

so that was that was one amazing

1443

00:52:48,630 --> 00:52:45,280

encounter and then

1444

00:52:49,750 --> 00:52:48,640

i i had one even last year where

1445

00:52:51,430 --> 00:52:49,760

some you know

1446

00:52:54,390 --> 00:52:51,440

group of uh soldiers were up just doing

1447

00:52:57,589 --> 00:52:54,400

kind of routine nightly exercises

1448

00:52:59,990 --> 00:52:57,599

and you know same kind of report um just

1449

00:53:01,910 --> 00:53:00,000

a bright light in the sky that was just

1450

00:53:03,589 --> 00:53:01,920

almost blinding

1451

00:53:05,750 --> 00:53:03,599

um i mean it

1452

00:53:06,870 --> 00:53:05,760

they didn't give me any description of

1453

00:53:08,150 --> 00:53:06,880

craft and it wasn't like four or

1454

00:53:10,549 --> 00:53:08,160

anything but it was just a singular

1455

00:53:12,630 --> 00:53:10,559

bright light that just

1456

00:53:13,990 --> 00:53:12,640

lit them up and almost it he said it was

1457

00:53:15,430 --> 00:53:14,000

so bright that it even woke up the

1458

00:53:17,430 --> 00:53:15,440

people that were

1459

00:53:18,950 --> 00:53:17,440

asleep that were resting on this

1460

00:53:19,990 --> 00:53:18,960

exercise

1461

00:53:23,109 --> 00:53:20,000

and

1462

00:53:24,390 --> 00:53:23,119

then when they when he called it in to

1463

00:53:25,430 --> 00:53:24,400

superiors

1464

00:53:27,349 --> 00:53:25,440

they said

1465

00:53:28,950 --> 00:53:27,359

don't move stay there

1466

00:53:32,790 --> 00:53:28,960

we'll come out to you

1467

00:53:35,030 --> 00:53:32,800

and they came out to these people and

1468

00:53:37,430 --> 00:53:35,040

as far as he reported they

1469

00:53:40,549 --> 00:53:37,440

took their clothes washed them down

1470

00:53:43,750 --> 00:53:40,559

and sent them on their way to go through

1471

00:53:45,349 --> 00:53:43,760

you know many more interviews

1472

00:53:47,589 --> 00:53:45,359

so you know

1473

00:53:49,109 --> 00:53:47,599

if it was something you know just a ufo

1474

00:53:51,109 --> 00:53:49,119

or or

1475

00:53:53,510 --> 00:53:51,119

not a ufo i mean if there was something

1476

00:53:55,190 --> 00:53:53,520

that was ours

1477

00:53:57,589 --> 00:53:55,200

why would they be scrubbing these people

1478

00:54:00,069 --> 00:53:57,599

down for radiation or whatever they were

1479

00:54:01,829 --> 00:54:00,079

exposed to but

1480

00:54:04,069 --> 00:54:01,839

so that was that was just another

1481

00:54:05,190 --> 00:54:04,079

account but there's yeah there's i get a

1482

00:54:07,589 --> 00:54:05,200

lot of

1483

00:54:09,829 --> 00:54:07,599

no worries we're all good and you know

1484

00:54:11,829 --> 00:54:09,839

uh before as we wrap up here i want to

1485

00:54:14,150 --> 00:54:11,839

kind of point out something that i find

1486

00:54:17,510 --> 00:54:14,160

really interesting that is

1487

00:54:21,589 --> 00:54:17,520

that a lot of people that are involved

1488

00:54:23,030 --> 00:54:21,599

or interested in uaps and ufo research

1489

00:54:24,950 --> 00:54:23,040

seem to have

1490

00:54:26,870 --> 00:54:24,960

an artistic side you know we have like

1491

00:54:29,190 --> 00:54:26,880

the to the stars um

1492

00:54:30,549 --> 00:54:29,200

academy of arts and sciences you know a

1493

00:54:31,829 --> 00:54:30,559

lot of

1494

00:54:34,549 --> 00:54:31,839

ufo

1495

00:54:36,710 --> 00:54:34,559

researchers seem to be involved with

1496

00:54:39,589 --> 00:54:36,720

musical arts as well as other arts and

1497

00:54:41,990 --> 00:54:39,599

you are also an artist i wanted to get

1498

00:54:43,990 --> 00:54:42,000

into you have such a cool website i

1499

00:54:46,470 --> 00:54:44,000

wanted to kind of tell the listeners

1500

00:54:49,109 --> 00:54:46,480

about your art i'm also oh thank you

1501  
00:54:51,270 --> 00:54:49,119  
blown away by the motorcycle stuff oh my

1502  
00:54:53,670 --> 00:54:51,280  
gosh

1503  
00:54:56,470 --> 00:54:53,680  
oh thanks i appreciate that

1504  
00:54:59,510 --> 00:54:56,480  
so yeah i mean i see the the the photos

1505  
00:55:00,470 --> 00:54:59,520  
here what got you involved with such

1506  
00:55:02,230 --> 00:55:00,480  
cool

1507  
00:55:05,349 --> 00:55:02,240  
arts and how did you integrate these

1508  
00:55:07,190 --> 00:55:05,359  
into your life this is amazing

1509  
00:55:08,470 --> 00:55:07,200  
yeah i mean i've i've always been an

1510  
00:55:10,150 --> 00:55:08,480  
artist and

1511  
00:55:11,589 --> 00:55:10,160  
you know started as a young age but it

1512  
00:55:14,470 --> 00:55:11,599  
was about i've been airbrushing for

1513  
00:55:16,230 --> 00:55:14,480

about 20 or so years

1514

00:55:18,710 --> 00:55:16,240

and just by happenstance when i first

1515

00:55:20,150 --> 00:55:18,720

started doing that i also

1516

00:55:21,670 --> 00:55:20,160

met a gentleman who just opened up a

1517

00:55:24,950 --> 00:55:21,680

motorcycle shop

1518

00:55:26,069 --> 00:55:24,960

customs

1519

00:55:27,990 --> 00:55:26,079

and that's what i do most of my

1520

00:55:29,750 --> 00:55:28,000

motorcycles out of and that's where a

1521

00:55:31,270 --> 00:55:29,760

lot of my work comes from but

1522

00:55:32,950 --> 00:55:31,280

yeah i just kind of started painting

1523

00:55:34,390 --> 00:55:32,960

bikes and i'm sure they looked

1524

00:55:35,349 --> 00:55:34,400

absolutely horrid

1525

00:55:36,710 --> 00:55:35,359

yeah

1526  
00:55:38,069 --> 00:55:36,720  
you know you all got to start somewhere

1527  
00:55:40,710 --> 00:55:38,079  
but

1528  
00:55:44,630 --> 00:55:40,720  
it's been

1529  
00:55:47,109 --> 00:55:44,640  
of cool opportunities to paint

1530  
00:55:50,309 --> 00:55:47,119  
motorcycles cars

1531  
00:55:51,589 --> 00:55:50,319  
even oddball projects you know caskets

1532  
00:55:53,829 --> 00:55:51,599  
even

1533  
00:55:55,750 --> 00:55:53,839  
i saw that that was awesome i thought

1534  
00:55:57,589 --> 00:55:55,760  
that was so awesome

1535  
00:55:59,510 --> 00:55:57,599  
i've even done a prosthetics for the

1536  
00:56:02,549 --> 00:55:59,520  
university of utah so it's it's really

1537  
00:56:04,470 --> 00:56:02,559  
opened me to a lot of

1538  
00:56:06,470 --> 00:56:04,480

very different aspects of places i would

1539

00:56:07,910 --> 00:56:06,480

have never you know gone if it wasn't

1540

00:56:09,349 --> 00:56:07,920

for you know

1541

00:56:11,349 --> 00:56:09,359

that artistic

1542

00:56:13,190 --> 00:56:11,359

you know aspect of things it really

1543

00:56:15,109 --> 00:56:13,200

takes in some interesting directions for

1544

00:56:17,829 --> 00:56:15,119

sure

1545

00:56:20,150 --> 00:56:17,839

man it is great and um let's tell

1546

00:56:22,390 --> 00:56:20,160

listeners where they can check out your

1547

00:56:24,789 --> 00:56:22,400

art you have portraits helmets fine art

1548

00:56:28,069 --> 00:56:24,799

motorcycles i mean you name it and where

1549

00:56:30,470 --> 00:56:28,079

they can buy it or just check it out

1550

00:56:32,190 --> 00:56:30,480

yeah um yeah it's just my my website is

1551

00:56:35,109 --> 00:56:32,200

brian lindley

1552

00:56:36,710 --> 00:56:35,119

arts.com that's brian with an i

1553

00:56:38,069 --> 00:56:36,720

um if you google that it should pop

1554

right up

1555

00:56:42,470 --> 00:56:40,240

but uh yeah i have some fine art on for

1556

00:56:44,870 --> 00:56:42,480

sale on there i used to do a lot of art

1557

00:56:47,190 --> 00:56:44,880

gallery stuff i have mostly focused on

1558

00:56:48,630 --> 00:56:47,200

motorcycles over the last few years but

1559

00:56:51,230 --> 00:56:48,640

yeah that's my website and please check

1560

00:56:52,950 --> 00:56:51,240

out my social media as well uh

1561

00:56:54,789 --> 00:56:52,960

brianlunleyart.com

1562

00:56:56,150 --> 00:56:54,799

on instagram

1563

00:56:59,349 --> 00:56:56,160

and yeah that's where you can find me

1564

00:57:01,910 --> 00:56:59,359

for my art stuff man i'm so happy you

1565

00:57:04,950 --> 00:57:01,920

came on the podcast today and so many

1566

00:57:06,870 --> 00:57:04,960

thanks for uh helping with utah's mutual

1567

00:57:10,069 --> 00:57:06,880

ufo network

1568

00:57:11,750 --> 00:57:10,079

and all all things ufo related and i

1569

00:57:13,349 --> 00:57:11,760

know that the uintah basin holds a

1570

00:57:15,270 --> 00:57:13,359

special place for you and you you

1571

00:57:16,470 --> 00:57:15,280

continue to visit it we'll have to touch

1572

00:57:18,710 --> 00:57:16,480

base again

1573

00:57:21,270 --> 00:57:18,720

and yeah absolutely thanks for coming

1574

00:57:23,349 --> 00:57:21,280

i'd like to thank you and uh

1575

00:57:24,870 --> 00:57:23,359

if i could even just thank some of the

1576

00:57:27,910 --> 00:57:24,880

other groups in the area you know dave

1577

00:57:30,069 --> 00:57:27,920

rosenfeld and utah ufo hunters they've

1578

00:57:31,750 --> 00:57:30,079

they've kept this going long before i

1579

00:57:34,390 --> 00:57:31,760

started doing it so

1580

00:57:36,309 --> 00:57:34,400

major props to those guys and and also

1581

00:57:37,829 --> 00:57:36,319

even with mufon

1582

00:57:39,829 --> 00:57:37,839

you know you could always use more

1583

00:57:41,349 --> 00:57:39,839

people here in utah so if

1584

00:57:43,670 --> 00:57:41,359

anyone listening is actually interested

1585

00:57:45,030 --> 00:57:43,680

in becoming an investigator

1586

00:57:47,510 --> 00:57:45,040

there's plenty of opportunities here in

1587

00:57:49,990 --> 00:57:47,520

utah so if you think it's something for

1588

00:57:51,750 --> 00:57:50,000

you don't be afraid to uh reach out

1589

00:57:53,430 --> 00:57:51,760

through the website and get in contact

1590

00:57:54,630 --> 00:57:53,440

with us

1591

00:57:57,030 --> 00:57:54,640

that's great

1592

00:57:58,870 --> 00:57:57,040

that is awesome and they still offer uh

1593

00:58:00,630 --> 00:57:58,880

training correct you can you can kind of

1594

00:58:02,069 --> 00:58:00,640

level up

1595

00:58:04,630 --> 00:58:02,079

yeah you can just if you just want to

1596

00:58:06,630 --> 00:58:04,640

have access to all of our cases you can

1597

00:58:09,030 --> 00:58:06,640

go on there and just become a member and

1598

00:58:10,470 --> 00:58:09,040

that gives you full access to

1599

00:58:12,230 --> 00:58:10,480

pretty much everything we have if you

1600

00:58:13,750 --> 00:58:12,240

just want to even just see everything

1601  
00:58:14,710 --> 00:58:13,760  
that's out there

1602  
00:58:16,150 --> 00:58:14,720  
so you don't

1603  
00:58:17,670 --> 00:58:16,160  
have to become an investigator but if

1604  
00:58:20,069 --> 00:58:17,680  
that's something you do want to do then

1605  
00:58:22,390 --> 00:58:20,079  
you go through their training and

1606  
00:58:23,829 --> 00:58:22,400  
you get the manual and you it's you know

1607  
00:58:25,030 --> 00:58:23,839  
clearly there's some testing involved

1608  
00:58:27,190 --> 00:58:25,040  
and making sure that you know what

1609  
00:58:29,270 --> 00:58:27,200  
you're doing before you start you know

1610  
00:58:31,190 --> 00:58:29,280  
down this path but yeah it's it's been

1611  
00:58:33,190 --> 00:58:31,200  
an amazing experience and i'm so glad i

1612  
00:58:35,349 --> 00:58:33,200  
did it so

1613  
00:58:36,870 --> 00:58:35,359

thank you so much brian for taking some

1614

00:58:38,870 --> 00:58:36,880

time out of your hectic day i know you

1615

00:58:41,670 --> 00:58:38,880

got a lot going on and it's been an epic

1616

00:58:43,270 --> 00:58:41,680

conversation so much appreciated yeah

1617

00:58:45,109 --> 00:58:43,280

absolutely thank you ryan it's been a

1618

00:58:46,710 --> 00:58:45,119

lot of fun and keep up all the awesome

1619

00:58:48,390 --> 00:58:46,720

again not just a ufo researcher

1628  
00:59:14,470 --> 00:59:11,599  
not just the assistant state director of

1629  
00:59:17,349 --> 00:59:14,480  
utah's mutual ufo network

1630  
00:59:18,950 --> 00:59:17,359

00:59:20,789 --> 00:59:18,960  
investigating

1632  
00:59:21,910 --> 00:59:20,799  
different reports

1633  
00:59:24,150 --> 00:59:21,920  
he's

1634  
00:59:26,390 --> 00:59:24,160  
all too familiar with the unique

1635  
00:59:27,910 --> 00:59:26,400  
attributes of the state of utah and its

1636  
00:59:29,670 --> 00:59:27,920  
hot spots

1637  
00:59:32,230 --> 00:59:29,680  
and he is a

1638  
00:59:35,030 --> 00:59:32,240

big fan of the uintah basin and goes

1639

00:59:35,829 --> 00:59:35,040
