

# ILLUMINATI SECRETS

Shane Bales

MY SECRET  
PLAN  
TO RULE  
THE WORLD

1  
00:00:02,159 --> 00:00:10,440  
hey

2  
00:00:37,990 --> 00:00:16,920  
[Music]

3  
00:00:43,750 --> 00:00:41,110  
blast off on an epic episode of the

4  
00:00:45,990 --> 00:00:43,760  
hyper anomalous esoteric research

5  
00:00:48,630 --> 00:00:46,000  
organization podcast

6  
00:00:51,270 --> 00:00:48,640  
hero paranormal broadcasting from the

7  
00:00:54,310 --> 00:00:51,280  
base at la madre mountain just south of

8  
00:00:55,110 --> 00:00:54,320  
area 51 my name is ryan

9  
00:01:01,029 --> 00:00:55,120  
the

10  
00:01:04,710 --> 00:01:01,039  
bringing you an epic episode today

11  
00:01:07,109 --> 00:01:04,720  
on today's episode we have shane bales

12  
00:01:10,070 --> 00:01:07,119  
shane is a speaker author singer and

13  
00:01:12,469 --> 00:01:10,080

songwriter i've been very anxious to

14

00:01:15,109 --> 00:01:12,479

talk to shane because he checks out in

15

00:01:16,070 --> 00:01:15,119

my personal opinion and is the very real

16

00:01:18,710 --> 00:01:16,080

deal

17

00:01:21,350 --> 00:01:18,720

shane comes from a secret society family

18

00:01:23,830 --> 00:01:21,360

and is a former illuminati secret

19

00:01:26,149 --> 00:01:23,840

society member i've done my research

20

00:01:28,469 --> 00:01:26,159

when it comes to shane and he has the

21

00:01:30,950 --> 00:01:28,479

knowledge that can only come from

22

00:01:33,990 --> 00:01:30,960

experience within the mystery schools

23

00:01:37,190 --> 00:01:34,000

he is all too familiar with the symbols

24

00:01:39,910 --> 00:01:37,200

secrets and symbolism of not only what

25

00:01:42,469 --> 00:01:39,920

people call the illuminati but also

26  
00:01:45,510 --> 00:01:42,479  
familiar with their secret programs

27  
00:01:48,069 --> 00:01:45,520  
shane also runs his own podcast and

28  
00:01:51,109 --> 00:01:48,079  
offers classes for those interested in

29  
00:01:53,429 --> 00:01:51,119  
knowing more about how magic and other

30  
00:01:55,749 --> 00:01:53,439  
important philosophies work

31  
00:01:57,990 --> 00:01:55,759  
shane is known as the ruiner

32  
00:01:59,990 --> 00:01:58,000  
he has his own blog and knows the

33  
00:02:01,429 --> 00:02:00,000  
secrets which influence the way the

34  
00:02:04,310 --> 00:02:01,439  
world works

35  
00:02:06,630 --> 00:02:04,320  
this highly secretive network of elite

36  
00:02:07,830 --> 00:02:06,640  
families that have unique bloodline

37  
00:02:10,469 --> 00:02:07,840  
connections

38  
00:02:12,470 --> 00:02:10,479

with legitimate secret societies and

39

00:02:15,190 --> 00:02:12,480  
have been documented throughout history

40

00:02:17,670 --> 00:02:15,200  
as a powerful force of nature no matter

41

00:02:20,309 --> 00:02:17,680  
the political environment at the time

42

00:02:23,030 --> 00:02:20,319  
are very real there are multiple secret

43

00:02:24,949 --> 00:02:23,040  
societies orders and families which fall

44

00:02:27,750 --> 00:02:24,959  
under the umbrella which has been

45

00:02:29,589 --> 00:02:27,760  
popularly called the illuminati

46

00:02:30,790 --> 00:02:29,599  
shane has seen beyond the veil of

47

00:02:32,229 --> 00:02:30,800  
secrecy

48

00:02:35,270 --> 00:02:32,239  
and knows

49

00:02:38,390 --> 00:02:35,280  
who is truly in control of the narrative

50

00:02:40,070 --> 00:02:38,400  
behind the scenes most people are aware

51  
00:02:42,070 --> 00:02:40,080  
of the different cults and or

52  
00:02:45,110 --> 00:02:42,080  
organizations up front such as the

53  
00:02:48,229 --> 00:02:45,120  
freemasons however the larger picture of

54  
00:02:50,790 --> 00:02:48,239  
what is going on is much more vast and

55  
00:02:53,509 --> 00:02:50,800  
hidden than most common people think

56  
00:02:54,550 --> 00:02:53,519  
much is shown on purpose only to hide

57  
00:02:56,869 --> 00:02:54,560  
the truth

58  
00:02:59,270 --> 00:02:56,879  
shane is a teacher of how to tap into

59  
00:03:01,350 --> 00:02:59,280  
the energies of creation

60  
00:03:03,270 --> 00:03:01,360  
and helps people control their own

61  
00:03:06,149 --> 00:03:03,280  
personal power through his vast

62  
00:03:08,149 --> 00:03:06,159  
knowledge and experiences i am so

63  
00:03:10,790 --> 00:03:08,159

excited shane welcome to the hero

64

00:03:14,149 --> 00:03:10,800

paranormal podcast

65

00:03:16,949 --> 00:03:14,159

thank you and uh glad to be here

66

00:03:19,350 --> 00:03:16,959

yeah it's been some time that i've

67

00:03:21,670 --> 00:03:19,360

wanted to talk to you i've

68

00:03:24,470 --> 00:03:21,680

heard some of your podcasts i've looked

69

00:03:26,869 --> 00:03:24,480

at what you do and there are a lot of

70

00:03:29,110 --> 00:03:26,879

people who

71

00:03:31,509 --> 00:03:29,120

let's just say that the term illuminati

72

00:03:34,789 --> 00:03:31,519

has especially in modern times been kind

73

00:03:36,070 --> 00:03:34,799

of uh cast about here and there

74

00:03:37,509 --> 00:03:36,080

and

75

00:03:38,949 --> 00:03:37,519

people are forgetting where it really

76

00:03:40,710 --> 00:03:38,959

comes from so

77

00:03:45,030 --> 00:03:40,720

where do you want to kick off and and

78

00:03:47,350 --> 00:03:45,040

how do we uh delve into this uh enigma

79

00:03:49,030 --> 00:03:47,360

oh i have no idea but uh i guess let's

80

00:03:51,270 --> 00:03:49,040

start there with the name you know that

81

00:03:53,990 --> 00:03:51,280

is not what they call themselves that is

82

00:03:56,229 --> 00:03:54,000

a name that they allow to be popularized

83

00:03:57,750 --> 00:03:56,239

you know kind of by us because again

84

00:03:59,429 --> 00:03:57,760

that's not what we call themselves so

85

00:04:00,869 --> 00:03:59,439

there's no you know documentation

86

00:04:02,869 --> 00:04:00,879

anywhere on the planet that's going to

87

00:04:04,789 --> 00:04:02,879

tell you about the illuminati in the

88

00:04:06,390 --> 00:04:04,799

terms in which we would talk about it

89

00:04:09,910 --> 00:04:06,400

there was like you know the bavarian

90

00:04:11,509 --> 00:04:09,920

illuminati and various other

91

00:04:13,429 --> 00:04:11,519

secret societies and cults along the way

92

00:04:15,030 --> 00:04:13,439

who have used that word

93

00:04:17,430 --> 00:04:15,040

um or some version of it like

94

00:04:19,270 --> 00:04:17,440

illuminatus or something like that but

95

00:04:22,150 --> 00:04:19,280

once again that's not what they call

96

00:04:23,430 --> 00:04:22,160

themselves and um yeah they they enjoy

97

00:04:24,550 --> 00:04:23,440

the fact that

98

00:04:27,030 --> 00:04:24,560

you know we're

99

00:04:29,350 --> 00:04:27,040

on the trail so to speak like we

100

00:04:31,590 --> 00:04:29,360

understand kind of what they are but we

101  
00:04:34,150 --> 00:04:31,600  
don't actually have a word for them

102  
00:04:36,550 --> 00:04:34,160  
which is fine and uh you kind of nailed

103  
00:04:38,870 --> 00:04:36,560  
it in what you described as they are you

104  
00:04:41,510 --> 00:04:38,880  
know kind of linked into all of the

105  
00:04:44,469 --> 00:04:41,520  
different structures that we know

106  
00:04:47,270 --> 00:04:44,479  
from secret societies to religions

107  
00:04:49,670 --> 00:04:47,280  
the military banking systems education

108  
00:04:51,990 --> 00:04:49,680  
systems legal systems pretty much

109  
00:04:53,990 --> 00:04:52,000  
everything and everywhere on the planet

110  
00:04:56,230 --> 00:04:54,000  
all at once it's not just

111  
00:04:57,909 --> 00:04:56,240  
isolated to north america or the uk and

112  
00:04:59,749 --> 00:04:57,919  
north america or just the

113  
00:05:02,230 --> 00:04:59,759

english-speaking countries it's it's

114

00:05:05,189 --> 00:05:02,240

happening everywhere so

115

00:05:08,390 --> 00:05:05,199

um yeah it's been going on for thousands

116

00:05:09,990 --> 00:05:08,400

of years and kind of the

117

00:05:11,830 --> 00:05:10,000

research material we have available to

118

00:05:14,550 --> 00:05:11,840

us really only encapsulates the last

119

00:05:15,909 --> 00:05:14,560

couple hundred of that so uh it makes

120

00:05:17,510 --> 00:05:15,919

sense that we're kind of changing our

121

00:05:19,749 --> 00:05:17,520

own tails in a lot of ways because the

122

00:05:21,749 --> 00:05:19,759

picture is just a lot bigger than we can

123

00:05:24,790 --> 00:05:21,759

we can perceive

124

00:05:27,350 --> 00:05:24,800

it really is and you know this this

125

00:05:31,270 --> 00:05:27,360

knowledge of the ages really has been

126  
00:05:33,670 --> 00:05:31,280  
hidden from the majority uh and you know

127  
00:05:36,710 --> 00:05:33,680  
historically you know we hear

128  
00:05:38,870 --> 00:05:36,720  
many examples such as solomon and his

129  
00:05:41,110 --> 00:05:38,880  
temple we hear about the egyptian

130  
00:05:44,230 --> 00:05:41,120  
mystery schools and

131  
00:05:47,350 --> 00:05:44,240  
as this progresses and has development

132  
00:05:49,469 --> 00:05:47,360  
this developed into modern times

133  
00:05:52,070 --> 00:05:49,479  
it's becoming uh

134  
00:05:53,590 --> 00:05:52,080  
uncontradictable that the truth about

135  
00:05:55,029 --> 00:05:53,600  
the occult

136  
00:05:57,510 --> 00:05:55,039  
is

137  
00:05:59,990 --> 00:05:57,520  
kind of gaining some mainstream traction

138  
00:06:02,629 --> 00:06:00,000

people jokingly you see it in

139

00:06:05,110 --> 00:06:02,639

you see it in comedy skits you see it i

140

00:06:08,070 --> 00:06:05,120

mean heck in taco bell commercials

141

00:06:11,510 --> 00:06:08,080

you're starting to see this truth

142

00:06:14,150 --> 00:06:11,520

that has always been transcribed behind

143

00:06:16,390 --> 00:06:14,160

closed doors and secretively

144

00:06:19,670 --> 00:06:16,400

sort of making appearances

145

00:06:21,670 --> 00:06:19,680

in the mass media and in advertising etc

146

00:06:24,150 --> 00:06:21,680

and you have to wonder is this done on

147

00:06:26,390 --> 00:06:24,160

purpose

148

00:06:27,830 --> 00:06:26,400

it very much is and you know kind of

149

00:06:29,270 --> 00:06:27,840

going back to when the public kind of

150

00:06:31,830 --> 00:06:29,280

became

151  
00:06:33,350 --> 00:06:31,840  
aware of me like i wasn't trying to go

152  
00:06:35,029 --> 00:06:33,360  
public with any stories about the

153  
00:06:36,870 --> 00:06:35,039  
illuminati or anything like that i was

154  
00:06:39,189 --> 00:06:36,880  
talking to a very small audience and

155  
00:06:40,870 --> 00:06:39,199  
that audience grew into you know the

156  
00:06:44,230 --> 00:06:40,880  
alternative community

157  
00:06:46,309 --> 00:06:44,240  
becoming aware of what i was writing

158  
00:06:47,350 --> 00:06:46,319  
but aside from that i mean

159  
00:06:49,510 --> 00:06:47,360  
i said

160  
00:06:52,150 --> 00:06:49,520  
in that that you know the proof would be

161  
00:06:53,990 --> 00:06:52,160  
in the result in that in in all the

162  
00:06:55,749 --> 00:06:54,000  
different topics we speak about all of

163  
00:06:57,670 --> 00:06:55,759

the different theories we have related

164

00:06:59,270 --> 00:06:57,680

to those all the different stories these

165

00:07:00,830 --> 00:06:59,280

people are telling people like myself

166

00:07:03,189 --> 00:07:00,840

are telling

167

00:07:04,710 --> 00:07:03,199

um we would start to see proof of the

168

00:07:06,870 --> 00:07:04,720

result over the next few years and

169

00:07:08,469 --> 00:07:06,880

that's exactly where we are right now um

170

00:07:10,629 --> 00:07:08,479

i actually wrote a blog that's called

171

00:07:12,950 --> 00:07:10,639

the plan which is literally what we've

172

00:07:14,309 --> 00:07:12,960

watched roll out over the last two years

173

00:07:16,469 --> 00:07:14,319

right and

174

00:07:18,629 --> 00:07:16,479

i understand that someone like myself

175

00:07:20,550 --> 00:07:18,639

saying all of these things it's i i

176

00:07:23,189 --> 00:07:20,560

don't have anything i could show you or

177

00:07:25,189 --> 00:07:23,199

hold up in court to prove anything that

178

00:07:27,510 --> 00:07:25,199

i'm saying and so the only proof i can

179

00:07:29,430 --> 00:07:27,520

rely on is you know partially proof in

180

00:07:31,430 --> 00:07:29,440

character and the other part has proven

181

00:07:33,510 --> 00:07:31,440

the result in that you know i could say

182

00:07:35,189 --> 00:07:33,520

things like donald trump is going to be

183

00:07:37,350 --> 00:07:35,199

president before anyone even knew donald

184

00:07:39,749 --> 00:07:37,360

trump was going to run for presidency

185

00:07:41,909 --> 00:07:39,759

and donald trump becomes president or a

186

00:07:42,950 --> 00:07:41,919

little bit later when everyone's you

187

00:07:44,629 --> 00:07:42,960

know saying that he's going to get

188

00:07:46,790 --> 00:07:44,639

reelected me saying no that's not part

189

00:07:48,629 --> 00:07:46,800

of the plan and that's not what happened

190

00:07:50,629 --> 00:07:48,639

and most recently the queen dying i

191

00:07:53,749 --> 00:07:50,639

literally called that almost within a

192

00:07:56,070 --> 00:07:53,759

few hours of it happening so um

193

00:07:58,869 --> 00:07:56,080

that's that's kind of what it is and my

194

00:08:00,550 --> 00:07:58,879

overview that i received from them um

195

00:08:01,990 --> 00:08:00,560

obviously i was being groomed to be a

196

00:08:04,230 --> 00:08:02,000

part of what they're rolling out right

197

00:08:06,710 --> 00:08:04,240

now so it was part of their grooming me

198

00:08:07,749 --> 00:08:06,720

to understand how this was all going to

199

00:08:09,589 --> 00:08:07,759

work and

200

00:08:12,150 --> 00:08:09,599

obviously they can rely on me not having

201  
00:08:14,230 --> 00:08:12,160  
a gigantic audience i'm not on oprah or

202  
00:08:16,150 --> 00:08:14,240  
joe rogan's podcast talking about these

203  
00:08:18,550 --> 00:08:16,160  
things so they don't i'm not a threat

204  
00:08:19,830 --> 00:08:18,560  
but at the same time for uh those who

205  
00:08:21,510 --> 00:08:19,840  
haven't paying attention since the

206  
00:08:24,390 --> 00:08:21,520  
beginning they've kind of been watching

207  
00:08:26,070 --> 00:08:24,400  
my batting average and improve over time

208  
00:08:27,350 --> 00:08:26,080  
and this is why because they they do

209  
00:08:28,790 --> 00:08:27,360  
need to tell us it's part of the

210  
00:08:30,790 --> 00:08:28,800  
magician's trick they need to tell you

211  
00:08:32,469 --> 00:08:30,800  
what they're doing and they've hidden

212  
00:08:34,709 --> 00:08:32,479  
that in fiction so it's not even that

213  
00:08:37,670 --> 00:08:34,719

they've kept the truth from us they've

214

00:08:41,190 --> 00:08:37,680

just made it so muddy and so confusing

215

00:08:42,790 --> 00:08:41,200

that we can't um you know sort the

216

00:08:44,790 --> 00:08:42,800

you keep the baby and throw out the

217

00:08:46,949 --> 00:08:44,800

bathwater so to speak

218

00:08:49,269 --> 00:08:46,959

i'm so glad you mentioned the magician's

219

00:08:51,350 --> 00:08:49,279

trick because it does seem and it

220

00:08:52,949 --> 00:08:51,360

appears that these times are becoming

221

00:08:55,829 --> 00:08:52,959

the follow through

222

00:08:58,389 --> 00:08:55,839

and that there's an overwhelming feeling

223

00:08:59,430 --> 00:08:58,399

that this has kind of been laid out for

224

00:09:01,509 --> 00:08:59,440

us

225

00:09:09,590 --> 00:09:01,519

how

226

00:09:12,470 --> 00:09:09,600

is you know your burning desire and

227

00:09:15,269 --> 00:09:12,480

to to get this message out let's tell

228

00:09:17,670 --> 00:09:15,279

our listeners before we delve too deeply

229

00:09:19,269 --> 00:09:17,680

about your blog uh about what you have

230

00:09:21,509 --> 00:09:19,279

going on and where they can get more

231

00:09:23,269 --> 00:09:21,519

shane bales

232

00:09:25,430 --> 00:09:23,279

well to be honest i don't have a burning

233

00:09:27,590 --> 00:09:25,440

desire to get this out it's um it all

234

00:09:29,910 --> 00:09:27,600

happened kind of the happenstance um

235

00:09:31,350 --> 00:09:29,920

i've you know many people i know in my

236

00:09:33,430 --> 00:09:31,360

direct life have been through these

237

00:09:35,110 --> 00:09:33,440

things and uh they know that i had a

238

00:09:36,710 --> 00:09:35,120

view of it that they didn't

239

00:09:39,190 --> 00:09:36,720

and so once they were kind of fully out

240

00:09:41,350 --> 00:09:39,200

of it and could they started asking me

241

00:09:44,070 --> 00:09:41,360

questions and so um kind of before the

242

00:09:47,110 --> 00:09:44,080

blog i had been writing you know 13 14

243

00:09:48,630 --> 00:09:47,120

emails a day to these people

244

00:09:50,310 --> 00:09:48,640

but they were always on the same topics

245

00:09:52,710 --> 00:09:50,320

and the topics that they wanted to know

246

00:09:54,550 --> 00:09:52,720

about were all the same so one person

247

00:09:56,150 --> 00:09:54,560

within that small group had organized

248

00:09:57,910 --> 00:09:56,160

kind of a list of that and made the

249

00:10:00,230 --> 00:09:57,920

suggestion of me writing almost like a

250

00:10:02,470 --> 00:10:00,240

newsletter and then to make it even

251  
00:10:04,630 --> 00:10:02,480  
easier they they pointed out blogger and

252  
00:10:06,870 --> 00:10:04,640  
that i could just post it on blogger so

253  
00:10:09,590 --> 00:10:06,880  
that's how i had started

254  
00:10:11,350 --> 00:10:09,600  
um at the time um

255  
00:10:13,430 --> 00:10:11,360  
there was another person talking about

256  
00:10:16,230 --> 00:10:13,440  
blue avians and one of my blogs is

257  
00:10:18,230 --> 00:10:16,240  
titled avian so as people were

258  
00:10:21,030 --> 00:10:18,240  
searching blue avians they were finding

259  
00:10:23,030 --> 00:10:21,040  
my blog called aliens and uh i think it

260  
00:10:25,110 --> 00:10:23,040  
was david ike's forum that picked it up

261  
00:10:25,750 --> 00:10:25,120  
first and then project camelot picked it

262  
00:10:26,550 --> 00:10:25,760  
up

263  
00:10:28,230 --> 00:10:26,560

um

264

00:10:29,590 --> 00:10:28,240

various other websites like that had

265

00:10:31,030 --> 00:10:29,600

picked it up from there and so that's

266

00:10:33,269 --> 00:10:31,040

where it kind of started and to be

267

00:10:35,509 --> 00:10:33,279

honest um i really did plan on just

268

00:10:37,590 --> 00:10:35,519

finishing the blog and riding off into

269

00:10:39,190 --> 00:10:37,600

the some sunset so to speak i did make

270

00:10:41,670 --> 00:10:39,200

some adjustments once i realized the

271

00:10:43,990 --> 00:10:41,680

public was reading it to make it you

272

00:10:45,910 --> 00:10:44,000

know at least somewhat understandable

273

00:10:47,350 --> 00:10:45,920

maybe not so much of a spectacle as it

274

00:10:49,590 --> 00:10:47,360

would have ended up being if i hadn't

275

00:10:50,550 --> 00:10:49,600

just continued to the intended audience

276

00:10:52,949 --> 00:10:50,560

but

277

00:10:54,389 --> 00:10:52,959

uh again at the end of all of that um

278

00:10:55,509 --> 00:10:54,399

they became increasingly aware that

279

00:10:57,030 --> 00:10:55,519

there's a lot of people out there

280

00:11:00,310 --> 00:10:57,040

telling stories that are very much like

281

00:11:03,110 --> 00:11:00,320

mine that i believe they're just making

282

00:11:06,470 --> 00:11:03,120

up or at least partially or mostly

283

00:11:08,949 --> 00:11:06,480

making up and i i started to get to know

284

00:11:11,590 --> 00:11:08,959

some people and see the kind of damage

285

00:11:14,389 --> 00:11:11,600

that was being done in that way

286

00:11:16,710 --> 00:11:14,399

so i do have a bit of a desire to now

287

00:11:18,870 --> 00:11:16,720

present an alternative to people where i

288

00:11:20,389 --> 00:11:18,880

can like kind of rearrange your thoughts

289

00:11:22,310 --> 00:11:20,399

on all of these so that it brings it

290

00:11:24,790 --> 00:11:22,320

back down into like logic and reason and

291

00:11:27,190 --> 00:11:24,800

you can see the cause and effect in your

292

00:11:29,269 --> 00:11:27,200

real world as opposed to a lot of this

293

00:11:31,590 --> 00:11:29,279

other stuff that's just happening kind

294

00:11:34,150 --> 00:11:31,600

of in this um

295

00:11:35,829 --> 00:11:34,160

maybe astral or ethereal type

296

00:11:40,230 --> 00:11:35,839

interaction but

297

00:11:41,990 --> 00:11:40,240

anyways uh yeah so now um i had run a

298

00:11:43,430 --> 00:11:42,000

kind of public youtube channel for a

299

00:11:45,190 --> 00:11:43,440

while but

300

00:11:46,550 --> 00:11:45,200

um once again kind of wanted to narrow

301

00:11:48,230 --> 00:11:46,560

the audience

302

00:11:50,550 --> 00:11:48,240

a bit so i put it behind the paywall

303

00:11:52,389 --> 00:11:50,560

which is on patreon so that i can narrow

304

00:11:53,990 --> 00:11:52,399

that audience a bit and just kind of

305

00:11:55,910 --> 00:11:54,000

speak to people who

306

00:11:58,230 --> 00:11:55,920

you know were legitimately there to to

307

00:12:00,069 --> 00:11:58,240

listen not just um you know people who

308

00:12:02,150 --> 00:12:00,079

are there to be angry with me or

309

00:12:04,150 --> 00:12:02,160

whatever whatever that is because i do

310

00:12:06,389 --> 00:12:04,160

say some things that uh upset some

311

00:12:09,190 --> 00:12:06,399

people from time to time

312

00:12:10,710 --> 00:12:09,200

so that's what i do now it's uh shane's

313

00:12:13,829 --> 00:12:10,720

adore

314

00:12:15,590 --> 00:12:13,839

storyteller on patreon

315

00:12:17,590 --> 00:12:15,600

i have a website called the rebels

316

00:12:19,430 --> 00:12:17,600

advocate the the

317

00:12:21,030 --> 00:12:19,440

podcast i do on patreon is called the

318

00:12:22,389 --> 00:12:21,040

rebels advocate

319

00:12:24,790 --> 00:12:22,399

and then through the website i also

320

00:12:26,230 --> 00:12:24,800

teach what i call a magic class which

321

00:12:28,389 --> 00:12:26,240

for you know a layman on the street

322

00:12:30,389 --> 00:12:28,399

could be just you know easily summed up

323

00:12:32,310 --> 00:12:30,399

as a self-help course

324

00:12:33,750 --> 00:12:32,320

but basically um because of the way that

325

00:12:35,509 --> 00:12:33,760

i was brought up i was shown a bunch of

326

00:12:37,829 --> 00:12:35,519

different systems of magic

327

00:12:39,590 --> 00:12:37,839

independently learned some as well and

328

00:12:41,430 --> 00:12:39,600

kind of had some let's call it

329

00:12:43,030 --> 00:12:41,440

pre-incarnational knowledge of the way

330

00:12:45,350 --> 00:12:43,040

magic works

331

00:12:47,110 --> 00:12:45,360

and a good understanding of how we as

332

00:12:48,629 --> 00:12:47,120

humans can do it

333

00:12:50,230 --> 00:12:48,639

and i started to realize that a lot of

334

00:12:52,470 --> 00:12:50,240

the magical systems had what i call

335

00:12:54,310 --> 00:12:52,480

gatekeepers in place where it's not

336

00:12:56,230 --> 00:12:54,320

really the human who's uh producing the

337

00:12:58,470 --> 00:12:56,240

magic they're usually gaining the pure

338

00:13:00,230 --> 00:12:58,480

favor of some type of spirit or allowing

339

00:13:01,350 --> 00:13:00,240

some type of other entity to channel

340

00:13:04,069 --> 00:13:01,360

through them

341

00:13:06,230 --> 00:13:04,079

and i think that that's nonsense because

342

00:13:09,110 --> 00:13:06,240

we this version of human that we are

343

00:13:12,470 --> 00:13:09,120

generates so much um ethereal or cosmic

344

00:13:14,389 --> 00:13:12,480

spiritual energy um just our daily uh

345

00:13:16,389 --> 00:13:14,399

existence that we should never have to

346

00:13:17,509 --> 00:13:16,399

channel it from anything else outside of

347

00:13:20,949 --> 00:13:17,519

ourselves

348

00:13:22,870 --> 00:13:20,959

um so yeah i built a i built a system

349

00:13:25,430 --> 00:13:22,880

that's kind of uh

350

00:13:27,350 --> 00:13:25,440

couples that knowledge with uh you know

351  
00:13:29,990 --> 00:13:27,360  
standard psychology and understanding

352  
00:13:32,550 --> 00:13:30,000  
how the mind works and uh putting that

353  
00:13:34,470 --> 00:13:32,560  
in concert or into a dance with how the

354  
00:13:36,550 --> 00:13:34,480  
metaphysical also works

355  
00:13:39,670 --> 00:13:36,560  
and i call that magic

356  
00:13:42,230 --> 00:13:39,680  
yeah and i'm really glad and

357  
00:13:44,470 --> 00:13:42,240  
that you explain that in layman's terms

358  
00:13:45,990 --> 00:13:44,480  
because many people hear the word magic

359  
00:13:47,509 --> 00:13:46,000  
and they

360  
00:13:49,509 --> 00:13:47,519  
you know they they

361  
00:13:52,470 --> 00:13:49,519  
walk away or brush it off as the thing

362  
00:13:55,430 --> 00:13:52,480  
of legends uh and you know i recently

363  
00:13:58,069 --> 00:13:55,440

read a declassified document from the

364

00:14:00,389 --> 00:13:58,079

cia that perfectly explained magic and

365

00:14:03,509 --> 00:14:00,399

that's exactly how they

366

00:14:05,350 --> 00:14:03,519

called it so you know this is a very

367

00:14:07,590 --> 00:14:05,360

real thing and

368

00:14:09,990 --> 00:14:07,600

there are many groups uh and

369

00:14:11,670 --> 00:14:10,000

institutions that have studied this

370

00:14:14,470 --> 00:14:11,680

for quite some time some some are

371

00:14:16,470 --> 00:14:14,480

governmental and others are you know

372

00:14:18,790 --> 00:14:16,480

more the art of the initiate or the

373

00:14:21,509 --> 00:14:18,800

magus and i'm glad that you mentioned

374

00:14:23,829 --> 00:14:21,519

having the keys because there is a key

375

00:14:25,509 --> 00:14:23,839

to the secret gates and you've been able

376  
00:14:28,310 --> 00:14:25,519  
to see

377  
00:14:31,350 --> 00:14:28,320  
sort of behind this veil of secrecy how

378  
00:14:34,870 --> 00:14:31,360  
did this all start out for you

379  
00:14:37,030 --> 00:14:34,880  
and uh your childhood

380  
00:14:39,269 --> 00:14:37,040  
well um you know

381  
00:14:41,509 --> 00:14:39,279  
100 years ago the bloodlines were super

382  
00:14:42,870 --> 00:14:41,519  
important to them they would kind of you

383  
00:14:45,509 --> 00:14:42,880  
know

384  
00:14:47,590 --> 00:14:45,519  
just kind of select within those but um

385  
00:14:49,269 --> 00:14:47,600  
over time that kind of started to become

386  
00:14:53,030 --> 00:14:49,279  
less important

387  
00:14:55,590 --> 00:14:53,040  
uh however i happens to have a mix of

388  
00:14:59,030 --> 00:14:55,600

two different of their lines technically

389

00:15:00,870 --> 00:14:59,040

three if you include marriages so

390

00:15:03,750 --> 00:15:00,880

what they kind of watch for is is what

391

00:15:05,430 --> 00:15:03,760

they call hypersensory perceptions

392

00:15:07,750 --> 00:15:05,440

children who are displaying psychic

393

00:15:10,949 --> 00:15:07,760

abilities to put it into simple

394

00:15:13,509 --> 00:15:10,959

terms so i was one of those and so

395

00:15:16,230 --> 00:15:13,519

selected for that reason

396

00:15:17,350 --> 00:15:16,240

and then yeah it started when i was four

397

00:15:19,430 --> 00:15:17,360

um

398

00:15:21,189 --> 00:15:19,440

continued all the way through my life i

399

00:15:22,470 --> 00:15:21,199

finally got out of it when i was about

400

00:15:24,710 --> 00:15:22,480

26

401  
00:15:26,470 --> 00:15:24,720  
and um

402  
00:15:28,550 --> 00:15:26,480  
yeah i don't know how deep in any of

403  
00:15:30,470 --> 00:15:28,560  
that you want me to go i've talked about

404  
00:15:32,949 --> 00:15:30,480  
it quite a bit so it's hard for me to

405  
00:15:34,790 --> 00:15:32,959  
know what to say about it other than um

406  
00:15:36,310 --> 00:15:34,800  
yeah what they were grooming me for was

407  
00:15:37,509 --> 00:15:36,320  
what i said so

408  
00:15:39,269 --> 00:15:37,519  
unlike a lot of other people when

409  
00:15:41,110 --> 00:15:39,279  
they're speaking about these things they

410  
00:15:43,430 --> 00:15:41,120  
you know they were part of a cult or

411  
00:15:45,509 --> 00:15:43,440  
they were part of a program or part of a

412  
00:15:48,230 --> 00:15:45,519  
project whereas like part of what my

413  
00:15:50,790 --> 00:15:48,240

grouping was was to see as many as they

414

00:15:52,470 --> 00:15:50,800

could possibly show me so i mean like

415

00:15:54,790 --> 00:15:52,480

i've seen

416

00:15:56,870 --> 00:15:54,800

dozens if not hundreds of different

417

00:15:59,189 --> 00:15:56,880

programs and variations on the same

418

00:16:00,790 --> 00:15:59,199

program and like um even then in

419

00:16:03,110 --> 00:16:00,800

different countries that are running the

420

00:16:05,110 --> 00:16:03,120

same type of experiments

421

00:16:07,670 --> 00:16:05,120

and so basically what what it boils down

422

00:16:08,949 --> 00:16:07,680

to is um

423

00:16:11,509 --> 00:16:08,959

you know they have these programs

424

00:16:12,870 --> 00:16:11,519

projects and cults and

425

00:16:15,749 --> 00:16:12,880

um

426

00:16:17,749 --> 00:16:15,759

it's very compartmentalized and i kind

427

00:16:19,990 --> 00:16:17,759

of got lucky i guess

428

00:16:21,189 --> 00:16:20,000

in a sense in that i didn't fit into any

429

00:16:23,590 --> 00:16:21,199

one of them

430

00:16:25,910 --> 00:16:23,600

and because i think that you know i kind

431

00:16:28,230 --> 00:16:25,920

of from a soul level remember

432

00:16:30,470 --> 00:16:28,240

magic so strongly that i was i was

433

00:16:32,230 --> 00:16:30,480

effective to them for a long time

434

00:16:33,910 --> 00:16:32,240

and to be honest like the game that they

435

00:16:35,590 --> 00:16:33,920

play with us on the inside is they make

436

00:16:37,829 --> 00:16:35,600

you feel special you

437

00:16:39,590 --> 00:16:37,839

are convinced that what you're doing is

438

00:16:41,590 --> 00:16:39,600

for the betterment of humanity you know

439

00:16:43,030 --> 00:16:41,600

um they all kind of hold this view that

440

00:16:44,710 --> 00:16:43,040

they're kind of your shepherd right

441

00:16:46,470 --> 00:16:44,720

they're your parents you don't know any

442

00:16:48,470 --> 00:16:46,480

better if they left you up to your own

443

00:16:50,389 --> 00:16:48,480

devices you just destroy this place and

444

00:16:51,749 --> 00:16:50,399

so they have to do these things in order

445

00:16:53,670 --> 00:16:51,759

to keep you in line

446

00:16:55,590 --> 00:16:53,680

and uh to be honest like even myself i

447

00:16:57,030 --> 00:16:55,600

believed that for a long poorly a long

448

00:16:58,389 --> 00:16:57,040

time when i was a

449

00:17:00,230 --> 00:16:58,399

you know a young child because why

450

00:17:02,470 --> 00:17:00,240

wouldn't i right i get to see all of

451

00:17:04,789 --> 00:17:02,480

this secret stuff right it plays on the

452

00:17:07,510 --> 00:17:04,799

ego in that way i mean when i was like

453

00:17:10,549 --> 00:17:07,520

13 i started to realize like no this is

454

00:17:12,390 --> 00:17:10,559

not good for humanity so um that kind of

455

00:17:13,990 --> 00:17:12,400

started the the process of me wanting to

456

00:17:16,150 --> 00:17:14,000

get out but you don't just get out of

457

00:17:16,949 --> 00:17:16,160

things like that very easily there's a

458

00:17:18,549 --> 00:17:16,959

lot

459

00:17:20,789 --> 00:17:18,559

uh that goes into getting out of

460

00:17:22,789 --> 00:17:20,799

something like that so um

461

00:17:24,949 --> 00:17:22,799

the next thing that they do is what i

462

00:17:25,909 --> 00:17:24,959

call dangling carrots which is um you

463

00:17:27,429 --> 00:17:25,919

know

464

00:17:29,510 --> 00:17:27,439

putting offers in front of you that you

465

00:17:31,350 --> 00:17:29,520

kind of can't refuse allowing you to see

466

00:17:33,110 --> 00:17:31,360

things that they know you want to see

467

00:17:34,870 --> 00:17:33,120

things like that

468

00:17:37,029 --> 00:17:34,880

obviously all meant to manipulate you

469

00:17:39,990 --> 00:17:37,039

and keep you in line with what they want

470

00:17:41,270 --> 00:17:40,000

but that's why they would do it and then

471

00:17:43,990 --> 00:17:41,280

yeah

472

00:17:45,909 --> 00:17:44,000

eventually it just sunk into me that

473

00:17:48,470 --> 00:17:45,919

it was like a do or die like a get out

474

00:17:49,750 --> 00:17:48,480

or let them kill me type thing and uh

475

00:17:51,270 --> 00:17:49,760

when you're willing to go that far

476  
00:17:52,150 --> 00:17:51,280  
there's usually arrangements that can be

477  
00:17:53,669 --> 00:17:52,160  
made

478  
00:17:55,669 --> 00:17:53,679  
i'm not sure if i answered your question

479  
00:17:57,830 --> 00:17:55,679  
but basically what um i do try to do for

480  
00:17:59,350 --> 00:17:57,840  
people is because you mentioned keys i

481  
00:18:01,350 --> 00:17:59,360  
always tell what i do is i provide

482  
00:18:02,950 --> 00:18:01,360  
people with a skeleton key so that they

483  
00:18:04,470 --> 00:18:02,960  
can take all the stuff that's like you

484  
00:18:05,830 --> 00:18:04,480  
know available to them on the internet

485  
00:18:08,870 --> 00:18:05,840  
which to be honest i haven't read a

486  
00:18:09,750 --> 00:18:08,880  
whole lot of and so i just i i only know

487  
00:18:11,669 --> 00:18:09,760  
that

488  
00:18:13,110 --> 00:18:11,679

what's available to you is meant to keep

489

00:18:14,390 --> 00:18:13,120

you in a

490

00:18:15,909 --> 00:18:14,400

chill pacing

491

00:18:17,990 --> 00:18:15,919

state so you never actually get to the

492

00:18:20,390 --> 00:18:18,000

bottom of it and i can kind of take all

493

00:18:23,270 --> 00:18:20,400

the noise out of the equation to help

494

00:18:25,750 --> 00:18:23,280

you hear the actual signal

495

00:18:29,430 --> 00:18:25,760

yeah down that's great that's great

496

00:18:31,350 --> 00:18:29,440

shane and this path of occult initiation

497

00:18:35,430 --> 00:18:31,360

i think you've explained that pretty

498

00:18:39,830 --> 00:18:35,440

well a question i've always had is

499

00:18:45,270 --> 00:18:42,789

cults or sex and

500

00:18:47,270 --> 00:18:45,280

the question i've always had is

501  
00:18:48,870 --> 00:18:47,280  
is it like other things where there are

502  
00:18:51,830 --> 00:18:48,880  
good groups and bad groups and

503  
00:18:54,230 --> 00:18:51,840  
everything in between

504  
00:18:57,270 --> 00:18:54,240  
yeah i mean people have this concept of

505  
00:18:58,870 --> 00:18:57,280  
like white hat as an example

506  
00:19:00,870 --> 00:18:58,880  
so there are some organizations out

507  
00:19:02,390 --> 00:19:00,880  
there who are a little bit more close to

508  
00:19:03,909 --> 00:19:02,400  
maybe my story where they kind of

509  
00:19:06,230 --> 00:19:03,919  
somewhere along the line decided it

510  
00:19:07,750 --> 00:19:06,240  
wasn't for them and kind of wanted out

511  
00:19:10,710 --> 00:19:07,760  
and there are groups that kind of

512  
00:19:11,510 --> 00:19:10,720  
protect those people but i always kind

513  
00:19:13,029 --> 00:19:11,520

of

514

00:19:15,029 --> 00:19:13,039

analogize it like they don't have any

515

00:19:16,870 --> 00:19:15,039

chiefs they can't really do anything to

516

00:19:18,390 --> 00:19:16,880

fight the system all they can really do

517

00:19:21,590 --> 00:19:18,400

is kind of offer a little bit of safe

518

00:19:23,190 --> 00:19:21,600

haven to people within the system

519

00:19:25,990 --> 00:19:23,200

ultimately when i like when i was

520

00:19:27,990 --> 00:19:26,000

talking about like their mindset of um

521

00:19:30,630 --> 00:19:28,000

you know they have to do this because we

522

00:19:32,870 --> 00:19:30,640

would be doomed otherwise the white hats

523

00:19:35,110 --> 00:19:32,880

tend to still have that attitude that

524

00:19:37,029 --> 00:19:35,120

they are doing what is right what

525

00:19:39,110 --> 00:19:37,039

they're doing is what is good the

526

00:19:40,789 --> 00:19:39,120

difference between like dark and white

527

00:19:43,270 --> 00:19:40,799

hat would just be is whether or not the

528

00:19:45,270 --> 00:19:43,280

ends justifies the means they both have

529

00:19:47,430 --> 00:19:45,280

the same ends in mind but you know the

530

00:19:49,350 --> 00:19:47,440

white hats maybe want a softer landing

531

00:19:52,390 --> 00:19:49,360

it's actually you know meta

532

00:19:54,310 --> 00:19:52,400

in metaphor in like the story of annunki

533

00:19:56,630 --> 00:19:54,320

and lil from sumerian texts if you

534

00:19:58,230 --> 00:19:56,640

believe that part of it or even um

535

00:20:00,390 --> 00:19:58,240

like you know some of the arguments

536

00:20:02,789 --> 00:20:00,400

between satan michael and

537

00:20:05,270 --> 00:20:02,799

jehovah in that bible

538

00:20:07,830 --> 00:20:05,280

is still that idea of like one side kind

539

00:20:09,669 --> 00:20:07,840

of being on our side to an extent but

540

00:20:11,110 --> 00:20:09,679

still having control over us and the

541

00:20:13,350 --> 00:20:11,120

other side just being like kind of like

542

00:20:14,870 --> 00:20:13,360

oh i don't care they're all disposable

543

00:20:16,310 --> 00:20:14,880

let them all go

544

00:20:17,029 --> 00:20:16,320

on the other side and so that's kind of

545

00:20:18,310 --> 00:20:17,039

a

546

00:20:21,750 --> 00:20:18,320

the

547

00:20:23,190 --> 00:20:21,760

that

548

00:20:24,950 --> 00:20:23,200

and then yeah everything in between

549

00:20:27,430 --> 00:20:24,960

obviously because these are all

550

00:20:29,350 --> 00:20:27,440

individuals not everybody has the same

551

00:20:32,230 --> 00:20:29,360

exact opinions but

552

00:20:33,990 --> 00:20:32,240

what they do and uh have done

553

00:20:36,789 --> 00:20:34,000

effectively and why they've kind of had

554

00:20:39,270 --> 00:20:36,799

an advantage against us is that they can

555

00:20:40,710 --> 00:20:39,280

all agree to disagree on the semantics

556

00:20:43,270 --> 00:20:40,720

and the dynamics

557

00:20:44,789 --> 00:20:43,280

because they all do have that same end

558

00:20:46,870 --> 00:20:44,799

goal in mind

559

00:20:48,549 --> 00:20:46,880

which if we ever figured out how to do

560

00:20:50,470 --> 00:20:48,559

that on our side we would be way too

561

00:20:52,870 --> 00:20:50,480

powerful for them but we can't seem to

562

00:20:55,270 --> 00:20:52,880

stop fighting amongst ourselves

563

00:20:59,190 --> 00:20:55,280

yeah there's a lot of nitpicking on this

564

00:21:00,950 --> 00:20:59,200

side and it does seem as if

565

00:21:04,070 --> 00:21:00,960

you know these

566

00:21:06,789 --> 00:21:04,080

these legacies really that are devoted

567

00:21:08,390 --> 00:21:06,799

at least in an umbrella term to the same

568

00:21:12,310 --> 00:21:08,400

cause

569

00:21:14,950 --> 00:21:12,320

whether they be cults fraternities um

570

00:21:16,950 --> 00:21:14,960

and you know more of the more commonly

571

00:21:19,430 --> 00:21:16,960

known organizations

572

00:21:21,350 --> 00:21:19,440

it does appear that

573

00:21:23,669 --> 00:21:21,360

they're kind of growing in numbers these

574

00:21:25,590 --> 00:21:23,679

days because people are just trying to

575

00:21:26,390 --> 00:21:25,600

figure stuff out

576

00:21:29,270 --> 00:21:26,400

and

577

00:21:31,350 --> 00:21:29,280

i think it's probably the case that when

578

00:21:33,029 --> 00:21:31,360

people try to initiate into some of

579

00:21:34,870 --> 00:21:33,039

these groups or at least

580

00:21:36,390 --> 00:21:34,880

from what i've heard from others is

581

00:21:38,950 --> 00:21:36,400

they're probably missing some of the

582

00:21:43,110 --> 00:21:38,960

major points that won't be figured out

583

00:21:45,029 --> 00:21:43,120

until much much later on in the process

584

00:21:46,870 --> 00:21:45,039

well that's why i often refer to it as

585

00:21:49,510 --> 00:21:46,880

just muddy water right like the the

586

00:21:51,669 --> 00:21:49,520

truth or like you know a distorted

587

00:21:54,070 --> 00:21:51,679

signal because the truth is out there to

588

00:21:56,149 --> 00:21:54,080

go all balder on it right it's just that

589

00:21:58,630 --> 00:21:56,159

there is so much extra noise piled on

590

00:22:00,630 --> 00:21:58,640

top of it so much stuff that blows it

591

00:22:02,630 --> 00:22:00,640

out of proportion and um you know i like

592

00:22:03,909 --> 00:22:02,640

to point at q and on as a great example

593

00:22:06,950 --> 00:22:03,919

of this which is another thing i

594

00:22:09,350 --> 00:22:06,960

predicted coming um as an example of

595

00:22:11,029 --> 00:22:09,360

taking a bunch of truth that we all like

596

00:22:13,270 --> 00:22:11,039

anybody listening to this i'm sure is

597

00:22:15,590 --> 00:22:13,280

very aware well aware of there's a bunch

598

00:22:18,149 --> 00:22:15,600

of truth in that and then pushing it off

599

00:22:20,470 --> 00:22:18,159

into this crazy bill where allegedly

600

00:22:22,070 --> 00:22:20,480

it's this insider you know dumping all

601  
00:22:24,630 --> 00:22:22,080  
of this knowledge well really all it is

602  
00:22:27,029 --> 00:22:24,640  
is anyone listening to this program um

603  
00:22:28,630 --> 00:22:27,039  
you know amalgamating this knowledge and

604  
00:22:30,470 --> 00:22:28,640  
presenting themselves as a character on

605  
00:22:32,149 --> 00:22:30,480  
the internet um

606  
00:22:34,789 --> 00:22:32,159  
and so what that does is it makes it

607  
00:22:36,070 --> 00:22:34,799  
appear crazy and and i i said that that

608  
00:22:38,870 --> 00:22:36,080  
was coming because they were trying to

609  
00:22:40,789 --> 00:22:38,880  
criminalize conspiracy theories and so

610  
00:22:44,149 --> 00:22:40,799  
that you know proof of the result right

611  
00:22:45,990 --> 00:22:44,159  
there we now have domestic terrorism

612  
00:22:47,990 --> 00:22:46,000  
considered conspiracy theories right or

613  
00:22:50,390 --> 00:22:48,000

conspiracy theories are now considered

614

00:22:52,390 --> 00:22:50,400

to domestic terrorism in the u.s because

615

00:22:56,070 --> 00:22:52,400

of what happened on january 6

616

00:22:57,750 --> 00:22:56,080

all incited by q anon so um yeah that

617

00:22:59,909 --> 00:22:57,760

that's how they've played the game

618

00:23:01,909 --> 00:22:59,919

because basically all the stuff that

619

00:23:04,230 --> 00:23:01,919

they've been doing for the last

620

00:23:06,310 --> 00:23:04,240

several hundred years underground

621

00:23:08,630 --> 00:23:06,320

they're now doing to the general public

622

00:23:10,310 --> 00:23:08,640

like mk ultra has been done to the

623

00:23:12,310 --> 00:23:10,320

general public at this point in time for

624

00:23:13,990 --> 00:23:12,320

like the last hundred years we've been

625

00:23:16,230 --> 00:23:14,000

underneath that even though we only got

626

00:23:18,630 --> 00:23:16,240

disclosure about mk ultra a few years

627

00:23:21,669 --> 00:23:18,640

back we've actually been under it as a

628

00:23:24,950 --> 00:23:21,679

society for you know 50 to 100 years at

629

00:23:27,510 --> 00:23:24,960

least now and the effects are exactly

630

00:23:29,990 --> 00:23:27,520

what they are intended to be which is a

631

00:23:32,149 --> 00:23:30,000

completely brainwashed society full of

632

00:23:34,470 --> 00:23:32,159

like you know all sorts of dissociation

633

00:23:36,549 --> 00:23:34,480

and and uh willingness to believe

634

00:23:37,350 --> 00:23:36,559

nonsense and follow the herd because

635

00:23:38,789 --> 00:23:37,360

they're

636

00:23:40,390 --> 00:23:38,799

basically in so much cognitive

637

00:23:42,310 --> 00:23:40,400

dissonance that they can't think for

638

00:23:44,070 --> 00:23:42,320

themselves which is exactly what that

639

00:23:46,710 --> 00:23:44,080

program was meant to do to people right

640

00:23:48,549 --> 00:23:46,720

so it has worked and you can see like

641

00:23:50,630 --> 00:23:48,559

all that stuff i was kind of

642

00:23:53,830 --> 00:23:50,640

raised around is now just

643

00:23:56,310 --> 00:23:53,840

public and uh yeah

644

00:23:58,870 --> 00:23:56,320

man it is like we are all living in

645

00:24:00,070 --> 00:23:58,880

bondage like slaveries to these

646

00:24:03,350 --> 00:24:00,080

to these

647

00:24:05,190 --> 00:24:03,360

you know cell phones uh social media i

648

00:24:07,430 --> 00:24:05,200

just can't believe a lot of the stuff

649

00:24:08,789 --> 00:24:07,440

that i see in the mainstream media the

650

00:24:10,549 --> 00:24:08,799

way

651  
00:24:12,549 --> 00:24:10,559  
things are you know all the talking

652  
00:24:15,430 --> 00:24:12,559  
heads seem to be saying the same thing

653  
00:24:17,750 --> 00:24:15,440  
and when that happens you know

654  
00:24:20,070 --> 00:24:17,760  
i tend when i hear all the same

655  
00:24:21,830 --> 00:24:20,080  
narrative i get a little scared

656  
00:24:24,470 --> 00:24:21,840  
and um

657  
00:24:26,950 --> 00:24:24,480  
with these occult forces

658  
00:24:30,070 --> 00:24:26,960  
they seem to be able to

659  
00:24:33,430 --> 00:24:30,080  
meet in fairly public places yet hidden

660  
00:24:35,830 --> 00:24:33,440  
or have special uh for lack of a better

661  
00:24:36,870 --> 00:24:35,840  
word back doors into locations a lot of

662  
00:24:39,430 --> 00:24:36,880  
people have

663  
00:24:41,190 --> 00:24:39,440

mentioned theme parks in the past i know

664

00:24:43,590 --> 00:24:41,200

you have as well

665

00:24:47,190 --> 00:24:43,600

everybody knows about the 33 club at

666

00:24:48,789 --> 00:24:47,200

disneyland and the list goes on and on

667

00:24:50,630 --> 00:24:48,799

kind of hiding in plain sight aren't

668

00:24:57,510 --> 00:24:50,640

they

669

00:24:59,510 --> 00:24:57,520

it was kind of funny because uh

670

00:25:02,310 --> 00:24:59,520

i i was kind of behind the scenes with

671

00:25:05,590 --> 00:25:02,320

some researchers before ever going

672

00:25:08,630 --> 00:25:05,600

public by like many years and i can even

673

00:25:12,310 --> 00:25:08,640

remember when alex jones um

674

00:25:16,789 --> 00:25:12,320

snuck into i'm doing air parentheses

675

00:25:20,789 --> 00:25:18,870

took those pictures and let that be

676  
00:25:23,750 --> 00:25:20,799  
known to the public that's their way of

677  
00:25:25,510 --> 00:25:23,760  
normalizing those things too and now

678  
00:25:27,269 --> 00:25:25,520  
when people hear those things they think

679  
00:25:29,190 --> 00:25:27,279  
of those pictures and they think of that

680  
00:25:30,870 --> 00:25:29,200  
situation and they go it's just it's

681  
00:25:33,029 --> 00:25:30,880  
it's silly right it's just a bunch of

682  
00:25:35,669 --> 00:25:33,039  
grown men dressing up and playing doing

683  
00:25:36,950 --> 00:25:35,679  
a play more or less it's d for the world

684  
00:25:38,870 --> 00:25:36,960  
elites

685  
00:25:40,630 --> 00:25:38,880  
and so they can get away with it now

686  
00:25:42,149 --> 00:25:40,640  
right and they can just like put a new

687  
00:25:44,310 --> 00:25:42,159  
name on it like bilderberg right that

688  
00:25:46,549 --> 00:25:44,320

used to be a uh conspiracy theory and

689

00:25:48,149 --> 00:25:46,559

now you can watch it on c-span so that's

690

00:25:50,230 --> 00:25:48,159

that's how they've kind of normalized to

691

00:25:52,310 --> 00:25:50,240

this point and yeah over the years

692

00:25:53,830 --> 00:25:52,320

they've they've been able to rely on

693

00:25:55,669 --> 00:25:53,840

hiding in plain sight because we didn't

694

00:25:57,029 --> 00:25:55,679

have the internet right before the

695

00:25:58,630 --> 00:25:57,039

internet they could they could get away

696

00:25:59,750 --> 00:25:58,640

with just about anything they wanted

697

00:26:02,070 --> 00:25:59,760

they could hold their meetings in

698

00:26:03,909 --> 00:26:02,080

libraries nobody would even bat an eye

699

00:26:06,230 --> 00:26:03,919

but um now that we have the internet

700

00:26:08,070 --> 00:26:06,240

that's a little bit different another

701  
00:26:09,190 --> 00:26:08,080  
type example um

702  
00:26:11,669 --> 00:26:09,200  
i think the weather you were referring

703  
00:26:14,789 --> 00:26:11,679  
to is like a businesses like the

704  
00:26:17,029 --> 00:26:14,799  
having you know the the bank is owned by

705  
00:26:18,789 --> 00:26:17,039  
a member of this organization and so

706  
00:26:20,789 --> 00:26:18,799  
when they walk into the bank and go into

707  
00:26:22,950 --> 00:26:20,799  
a little back room nobody asks any

708  
00:26:24,950 --> 00:26:22,960  
questions but that little back room also

709  
00:26:26,870 --> 00:26:24,960  
has under has access to something

710  
00:26:28,630 --> 00:26:26,880  
underground of that bank that all of the

711  
00:26:30,710 --> 00:26:28,640  
employees in the bank have no idea is

712  
00:26:33,510 --> 00:26:30,720  
even there that's another pretty simple

713  
00:26:36,149 --> 00:26:33,520

one um a fun one that i've pointed out

714

00:26:38,630 --> 00:26:36,159

is the 13th floor of buildings

715

00:26:42,230 --> 00:26:38,640

most buildings do actually have a 13th

716

00:26:44,630 --> 00:26:42,240

floor you just can't access them so um

717

00:26:47,909 --> 00:26:44,640

they just created a super suspicion in

718

00:26:49,750 --> 00:26:47,919

that case and pushed a superstition to

719

00:26:51,590 --> 00:26:49,760

make people believe this narrative that

720

00:26:53,350 --> 00:26:51,600

that's why we don't have 13th floor on

721

00:26:56,310 --> 00:26:53,360

buildings meanwhile they could use the

722

00:26:58,950 --> 00:26:56,320

13th floor for abducting people right

723

00:27:02,310 --> 00:26:58,960

within that building

724

00:27:03,990 --> 00:27:02,320

and things like that so yeah

725

00:27:06,710 --> 00:27:04,000

the problem is the internet has ruined

726

00:27:08,390 --> 00:27:06,720

all their ability to keep secrets but it

727

00:27:11,029 --> 00:27:08,400

you know they also

728

00:27:12,470 --> 00:27:11,039

released the internet knowing that so um

729

00:27:14,390 --> 00:27:12,480

they've

730

00:27:15,350 --> 00:27:14,400

just timed it with their

731

00:27:17,110 --> 00:27:15,360

their

732

00:27:18,710 --> 00:27:17,120

timing of rolling it all out for the

733

00:27:20,630 --> 00:27:18,720

public all the technology they've been

734

00:27:23,029 --> 00:27:20,640

using underground all of the study of

735

00:27:25,350 --> 00:27:23,039

magic that they've done all of that is

736

00:27:27,669 --> 00:27:25,360

now being used against the public on a

737

00:27:30,070 --> 00:27:27,679

daily basis okay well you and i are

738

00:27:31,430 --> 00:27:30,080

talking on devices that you know i first

739

00:27:33,350 --> 00:27:31,440

started seeing when i was like four

740

00:27:34,630 --> 00:27:33,360

years old so um

741

00:27:36,470 --> 00:27:34,640

you know that's

742

00:27:38,230 --> 00:27:36,480

it it's here now everything we've been

743

00:27:40,149 --> 00:27:38,240

talking about it's here now so it's

744

00:27:42,390 --> 00:27:40,159

talking about it can't stop them because

745

00:27:43,510 --> 00:27:42,400

it's already here so

746

00:27:46,390 --> 00:27:43,520

um

747

00:27:48,470 --> 00:27:46,400

allowing us to exaggerate it has just

748

00:27:50,789 --> 00:27:48,480

worked out to their advantage that's

749

00:27:52,470 --> 00:27:50,799

kind of how this information works

750

00:27:54,630 --> 00:27:52,480

and i'm so glad you brought up the

751  
00:27:57,590 --> 00:27:54,640  
devices and how you saw these when you

752  
00:28:00,310 --> 00:27:57,600  
were four years old can you kindly

753  
00:28:02,789 --> 00:28:00,320  
help the listener understand when and

754  
00:28:04,470 --> 00:28:02,799  
where you saw these uh

755  
00:28:05,830 --> 00:28:04,480  
modern

756  
00:28:09,350 --> 00:28:05,840  
devices

757  
00:28:10,630 --> 00:28:09,360  
and just how long ago it really was

758  
00:28:12,549 --> 00:28:10,640  
well it was

759  
00:28:14,149 --> 00:28:12,559  
you know i guess that would be 1984

760  
00:28:15,029 --> 00:28:14,159  
because i was four

761  
00:28:18,789 --> 00:28:15,039  
could have

762  
00:28:21,669 --> 00:28:18,799  
been early 1985

763  
00:28:24,549 --> 00:28:21,679

but um i believe it was still 1984 and

764

00:28:25,830 --> 00:28:24,559

uh yeah i was at a you know a public

765

00:28:27,430 --> 00:28:25,840

park uh

766

00:28:28,710 --> 00:28:27,440

amusement park formerly known as

767

00:28:30,789 --> 00:28:28,720

marineland

768

00:28:32,630 --> 00:28:30,799

and um taken again into one of those

769

00:28:34,870 --> 00:28:32,640

little back rooms that happened to help

770

00:28:36,870 --> 00:28:34,880

an elevator in it which took us to an

771

00:28:38,710 --> 00:28:36,880

underground facility

772

00:28:41,669 --> 00:28:38,720

and um

773

00:28:43,430 --> 00:28:41,679

in order to occupy me as a four-year-old

774

00:28:45,909 --> 00:28:43,440

child while the adults went and talked

775

00:28:48,470 --> 00:28:45,919

they handed me what i now know today as

776

00:28:50,789 --> 00:28:48,480

an ipad but at the time obviously had no

777

00:28:52,950 --> 00:28:50,799

clue what this you know shining piece of

778

00:28:55,350 --> 00:28:52,960

glass but had these cool video games

779

00:28:58,630 --> 00:28:55,360

that i've never heard of on it and

780

00:29:01,029 --> 00:28:58,640

nintendo wasn't even out yet so it was

781

00:29:02,870 --> 00:29:01,039

like uh yeah um

782

00:29:05,669 --> 00:29:02,880

kind of shocking and very memorable

783

00:29:06,789 --> 00:29:05,679

obviously for me but uh yeah like even

784

00:29:08,789 --> 00:29:06,799

um

785

00:29:10,950 --> 00:29:08,799

like say wi-fi technology the stuff that

786

00:29:14,230 --> 00:29:10,960

they just rolled out into the public

787

00:29:15,190 --> 00:29:14,240

with the number five and the letter

788

00:29:17,110 --> 00:29:15,200

uh

789

00:29:19,029 --> 00:29:17,120

like i've been experiencing that type of

790

00:29:21,190 --> 00:29:19,039

technology since i was a little kid so

791

00:29:23,909 --> 00:29:21,200

none of it was new to me i i say it's

792

00:29:25,909 --> 00:29:23,919

about 14 years it's about 14 year gap

793

00:29:28,950 --> 00:29:25,919

between what you know i used to see and

794

00:29:29,990 --> 00:29:28,960

what i've seen come out of the public

795

00:29:32,070 --> 00:29:30,000

yeah

796

00:29:34,070 --> 00:29:32,080

and it really is it's it's so

797

00:29:36,230 --> 00:29:34,080

interesting with the devices because

798

00:29:38,950 --> 00:29:36,240

like you said i mean if you have a 5g

799

00:29:41,590 --> 00:29:38,960

phone you are working faster right in

800

00:29:42,870 --> 00:29:41,600

front of somebody with a 3g phone who

801  
00:29:45,590 --> 00:29:42,880  
doesn't even

802  
00:29:47,430 --> 00:29:45,600  
tap into that wavelength that's right in

803  
00:29:49,510 --> 00:29:47,440  
front of them and

804  
00:29:52,070 --> 00:29:49,520  
not to mention you know the symbolism of

805  
00:29:54,070 --> 00:29:52,080  
the 5 and the g that's definitely

806  
00:29:56,549 --> 00:29:54,080  
interesting and

807  
00:29:58,070 --> 00:29:56,559  
something else that is pretty pretty

808  
00:30:00,310 --> 00:29:58,080  
wild to me

809  
00:30:01,750 --> 00:30:00,320  
and it seems to be a stumbling block for

810  
00:30:04,149 --> 00:30:01,760  
the masses

811  
00:30:06,230 --> 00:30:04,159  
is reincarnation you know the the

812  
00:30:09,669 --> 00:30:06,240  
majority of the masses are taught you

813  
00:30:12,389 --> 00:30:09,679

know yolo and you only live once and

814

00:30:13,669 --> 00:30:12,399

uh they have all these different sayings

815

00:30:15,909 --> 00:30:13,679

you know which

816

00:30:18,549 --> 00:30:15,919

are kind of they kind of function

817

00:30:20,230 --> 00:30:18,559

oppositely and there's a lot of that

818

00:30:22,950 --> 00:30:20,240

uh

819

00:30:25,110 --> 00:30:22,960

you know flipping of the of the theory

820

00:30:26,149 --> 00:30:25,120

but anyway in public

821

00:30:27,190 --> 00:30:26,159

media

822

00:30:28,470 --> 00:30:27,200

you know

823

00:30:31,830 --> 00:30:28,480

but yet

824

00:30:34,870 --> 00:30:31,840

this is something that i've heard is

825

00:30:37,990 --> 00:30:34,880

kind of uh important in the behind the

826

00:30:39,590 --> 00:30:38,000

scenes secret societies and some of the

827

00:30:41,430 --> 00:30:39,600

darker especially

828

00:30:44,310 --> 00:30:41,440

things that are done to people

829

00:30:47,190 --> 00:30:44,320

especially with sra and the like

830

00:30:49,110 --> 00:30:47,200

this uh reincarnation aspect is not a

831

00:30:51,190 --> 00:30:49,120

stumbling block for them and

832

00:30:53,190 --> 00:30:51,200

they they see oh they see it as not a

833

00:30:54,950 --> 00:30:53,200

big deal so what there's a sacrifice

834

00:30:57,029 --> 00:30:54,960

here a sacrifice there they'll be right

835

00:31:00,549 --> 00:30:57,039

back what's the big deal have you

836

00:31:04,549 --> 00:31:00,559

encountered any of uh that theology or

837

00:31:06,070 --> 00:31:04,559

heard that in in your in your travels

838

00:31:08,310 --> 00:31:06,080

well absolutely i mean there's a bunch

839

00:31:11,750 --> 00:31:08,320  
of mixed beliefs even within their

840

00:31:13,909 --> 00:31:11,760  
system about it all but i mean um

841

00:31:15,830 --> 00:31:13,919  
yeah some of it's come out in fiction i

842

00:31:17,430 --> 00:31:15,840  
think it was that [h\_\_h] series called

843

00:31:18,950 --> 00:31:17,440  
sorry for my language i believe it was

844

00:31:21,110 --> 00:31:18,960  
called uh

845

00:31:23,029 --> 00:31:21,120  
nine or the nine

846

00:31:25,350 --> 00:31:23,039  
where they were showing a

847

00:31:26,710 --> 00:31:25,360  
cult that was like kind of

848

00:31:28,549 --> 00:31:26,720  
um

849

00:31:29,830 --> 00:31:28,559  
tracking their own reincarnation and

850

00:31:32,070 --> 00:31:29,840  
kind of keeping themselves almost

851  
00:31:35,190 --> 00:31:32,080  
immortal through that process so that

852  
00:31:37,590 --> 00:31:35,200  
type of thing exists but i guess just

853  
00:31:40,470 --> 00:31:37,600  
generally they understand the dynamics

854  
00:31:43,909 --> 00:31:40,480  
of the soul and that you know when we

855  
00:31:45,269 --> 00:31:43,919  
die the soul goes somewhere and

856  
00:31:49,750 --> 00:31:45,279  
yeah there's been a bunch of different

857  
00:31:51,430 --> 00:31:49,760  
kind of agendas linked to that um

858  
00:31:53,430 --> 00:31:51,440  
things like the cults i mentioned where

859  
00:31:56,710 --> 00:31:53,440  
they would kind of use that as a form of

860  
00:31:58,870 --> 00:31:56,720  
immortality by um you know being able to

861  
00:32:01,509 --> 00:31:58,880  
remember each incarnation kind of

862  
00:32:02,950 --> 00:32:01,519  
concurrently um the way that they showed

863  
00:32:04,630 --> 00:32:02,960

it in that show is very accurate that

864

00:32:06,710 --> 00:32:04,640

they would have like totems basically

865

00:32:09,590 --> 00:32:06,720

that they would pass on from incarnation

866

00:32:11,830 --> 00:32:09,600

to incarnation that would jog the memory

867

00:32:13,830 --> 00:32:11,840

but yeah that is kind of just a reality

868

00:32:15,909 --> 00:32:13,840

for us is that we are not these bodies

869

00:32:17,190 --> 00:32:15,919

right and our souls have had all kinds

870

00:32:18,789 --> 00:32:17,200

of different adventures and we'll

871

00:32:21,750 --> 00:32:18,799

continue to do so

872

00:32:23,430 --> 00:32:21,760

and um that knowledge obviously has been

873

00:32:25,750 --> 00:32:23,440

very well hidden from us and very

874

00:32:27,750 --> 00:32:25,760

deliberately hidden from us so that you

875

00:32:30,470 --> 00:32:27,760

know we would believe in the scarcity of

876

00:32:31,190 --> 00:32:30,480

one one shot at this and uh everything

877

00:32:34,870 --> 00:32:31,200

that

878

00:32:37,350 --> 00:32:34,880

but yeah they

879

00:32:39,990 --> 00:32:37,360

they know otherwise and they have uh

880

00:32:42,630 --> 00:32:40,000

used their knowledge of what

881

00:32:43,590 --> 00:32:42,640

goes on there to their advantage along

882

00:32:45,750 --> 00:32:43,600

the way

883

00:32:48,710 --> 00:32:45,760

um interesting

884

00:32:50,630 --> 00:32:48,720

and i want to kind of get into something

885

00:32:52,310 --> 00:32:50,640

a little bit different which is the

886

00:32:53,509 --> 00:32:52,320

ability of

887

00:32:55,669 --> 00:32:53,519

the banks

888

00:32:59,509 --> 00:32:55,679

because we did mention that and the

889

00:33:02,389 --> 00:32:59,519

system of debt which also comes from

890

00:33:04,549 --> 00:33:02,399

really misunderstanding by the masses of

891

00:33:06,389 --> 00:33:04,559

how the

892

00:33:08,710 --> 00:33:06,399

babylon banksters if you want to call

893

00:33:11,669 --> 00:33:08,720

them that that's been popularized or you

894

00:33:12,470 --> 00:33:11,679

know something the knights templar began

895

00:33:15,269 --> 00:33:12,480

how

896

00:33:17,430 --> 00:33:15,279

without question this has become the

897

00:33:19,110 --> 00:33:17,440

credit system of our time

898

00:33:21,750 --> 00:33:19,120

and how the

899

00:33:23,190 --> 00:33:21,760

the layman so to speak just does not

900

00:33:26,310 --> 00:33:23,200

understand

901  
00:33:28,789 --> 00:33:26,320  
how debts create these dissensions and

902  
00:33:31,590 --> 00:33:28,799  
are really unfair

903  
00:33:34,389 --> 00:33:31,600  
when they're used as a monthly payment

904  
00:33:36,950 --> 00:33:34,399  
device which it seems like everybody is

905  
00:33:40,149 --> 00:33:36,960  
enslaved to

906  
00:33:42,870 --> 00:33:40,159  
well that's that's it right it's the um

907  
00:33:45,669 --> 00:33:42,880  
you know putting a price on everything

908  
00:33:50,630 --> 00:33:47,990  
it determines the value for you

909  
00:33:52,230 --> 00:33:50,640  
and when you are the one who determines

910  
00:33:53,590 --> 00:33:52,240  
the value whether that's you know

911  
00:33:55,190 --> 00:33:53,600  
controlling the food or controlling the

912  
00:33:57,269 --> 00:33:55,200  
money supply i mean we've all heard

913  
00:33:59,830 --> 00:33:57,279

those quotes if you control those things

914

00:34:02,549 --> 00:33:59,840

you control the population right so

915

00:34:04,630 --> 00:34:02,559

that's what it all is is um

916

00:34:06,149 --> 00:34:04,640

you know going all the way back before

917

00:34:08,950 --> 00:34:06,159

they even introduced money they

918

00:34:10,710 --> 00:34:08,960

introduced scarcity and they introduced

919

00:34:12,629 --> 00:34:10,720

control of resources

920

00:34:14,790 --> 00:34:12,639

and then they add money onto that so

921

00:34:18,470 --> 00:34:14,800

it's just different layers of control

922

00:34:20,550 --> 00:34:18,480

and uh yeah i mean that it's it's so

923

00:34:22,950 --> 00:34:20,560

brutally obvious that i've literally

924

00:34:26,389 --> 00:34:22,960

spent zero time paying any attention to

925

00:34:28,470 --> 00:34:26,399

how it works because it's just like it's

926

00:34:30,230 --> 00:34:28,480

well that's quite obviously just a

927

00:34:32,310 --> 00:34:30,240

control mechanism it's the best religion

928

00:34:33,990 --> 00:34:32,320

that they've ever come up with let's put

929

00:34:36,389 --> 00:34:34,000

it that way right like we all believe in

930

00:34:38,869 --> 00:34:36,399

god money and that's exactly what it is

931

00:34:41,109 --> 00:34:38,879

we all believe in god money there is no

932

00:34:43,109 --> 00:34:41,119

god money we made them up there is no

933

00:34:45,669 --> 00:34:43,119

money there is no value to the things

934

00:34:47,909 --> 00:34:45,679

that we value in those ways but we all

935

00:34:49,270 --> 00:34:47,919

believe it just like we would in any

936

00:34:51,750 --> 00:34:49,280

type of deity

937

00:34:53,349 --> 00:34:51,760

and so it is just a another religion

938

00:34:56,149 --> 00:34:53,359

which uh to me they all just work the

939

00:34:58,150 --> 00:34:56,159

same exact way which is

940

00:35:00,230 --> 00:34:58,160

making you look outside of yourself for

941

00:35:02,390 --> 00:35:00,240

something of value or something superior

942

00:35:04,470 --> 00:35:02,400

to the value of yourself

943

00:35:06,069 --> 00:35:04,480

and uh it's successful it's a highly

944

00:35:08,390 --> 00:35:06,079

successful one

945

00:35:10,150 --> 00:35:08,400

totally and it is i love the way you

946

00:35:12,390 --> 00:35:10,160

described that because it really is sort

947

00:35:14,870 --> 00:35:12,400

of the church of what's happening now

948

00:35:17,510 --> 00:35:14,880

and it's a faustian bargain i mean it's

949

00:35:19,829 --> 00:35:17,520

you can have whatever you want now

950

00:35:22,870 --> 00:35:19,839

as long as you promise and indebt

951

00:35:25,750 --> 00:35:22,880

yourself to us to make sure and pay

952

00:35:26,630 --> 00:35:25,760

every time every payday every way every

953

00:35:28,390 --> 00:35:26,640

month

954

00:35:29,270 --> 00:35:28,400

from here until

955

00:35:32,390 --> 00:35:29,280

we

956

00:35:33,270 --> 00:35:32,400

decide you're paid up with our interest

957

00:35:35,349 --> 00:35:33,280

and

958

00:35:38,630 --> 00:35:35,359

it's it's fascinating to me because it's

959

00:35:41,670 --> 00:35:38,640

it's super unfair and i feel like uh the

960

00:35:42,790 --> 00:35:41,680

world has fallen for this big without

961

00:35:43,670 --> 00:35:42,800

question

962

00:35:47,750 --> 00:35:43,680

uh

963

00:35:49,510 --> 00:35:47,760

sort of deal this faustian bargain but

964

00:35:52,710 --> 00:35:49,520

with um

965

00:35:55,750 --> 00:35:52,720

to kind of go back to these mystery

966

00:35:58,230 --> 00:35:55,760

schools and many of the organizations

967

00:36:01,109 --> 00:35:58,240

which largely remain unnamed and fall

968

00:36:02,790 --> 00:36:01,119

under the blanket or the umbrella of the

969

00:36:06,550 --> 00:36:02,800

illuminati

970

00:36:10,390 --> 00:36:06,560

it is within their ranks fairly known

971

00:36:12,870 --> 00:36:10,400

correct i mean i i've heard that

972

00:36:14,950 --> 00:36:12,880

for example uh

973

00:36:17,750 --> 00:36:14,960

certain orders can visit certain other

974

00:36:19,270 --> 00:36:17,760

orders and vice versa and there's a

975

00:36:21,430 --> 00:36:19,280

cordial i think you kind of mentioned

976

00:36:24,470 --> 00:36:21,440

there's sort of this cordial

977

00:36:26,230 --> 00:36:24,480

brotherhood about it

978

00:36:27,190 --> 00:36:26,240

yeah and the other thing would be you

979

00:36:28,870 --> 00:36:27,200

know the

980

00:36:30,870 --> 00:36:28,880

umbrella group that we call the

981

00:36:31,750 --> 00:36:30,880

illuminati would have members in all of

982

00:36:33,510 --> 00:36:31,760

them

983

00:36:34,630 --> 00:36:33,520

right like they would be

984

00:36:42,950 --> 00:36:34,640

they would have

985

00:36:45,589 --> 00:36:42,960

have the education system members

986

00:36:46,950 --> 00:36:45,599

banking you know uh everything all kind

987

00:36:49,109 --> 00:36:46,960

of

988

00:36:51,349 --> 00:36:49,119

like into all those smaller groups too

989

00:36:54,470 --> 00:36:51,359

which keeps the peace right like it's

990

00:36:57,270 --> 00:36:54,480

kind of like the warm tone in each group

991

00:36:59,349 --> 00:36:57,280

to use the lord of the rings analogy

992

00:37:02,870 --> 00:36:59,359

just to kind of keep everything

993

00:37:03,670 --> 00:37:02,880

keep everything going in this direction

994

00:37:06,710 --> 00:37:03,680

yeah

995

00:37:09,349 --> 00:37:06,720

and you know a lot of the

996

00:37:13,589 --> 00:37:09,359

secrets behind initiation

997

00:37:15,190 --> 00:37:13,599

and especially the magic it seems as if

998

00:37:17,829 --> 00:37:15,200

often times

999

00:37:19,670 --> 00:37:17,839

the initiates are

1000

00:37:21,750 --> 00:37:19,680

taking part in these rituals without

1001

00:37:23,109 --> 00:37:21,760

really knowing the end purpose which may

1002

00:37:25,190 --> 00:37:23,119

be

1003

00:37:27,430 --> 00:37:25,200

not only above their pay grade so to

1004

00:37:29,349 --> 00:37:27,440

speak but it might be the thoughts and

1005

00:37:31,910 --> 00:37:29,359

desires of somebody

1006

00:37:34,390 --> 00:37:31,920

above them in that particular pyramid or

1007

00:37:36,390 --> 00:37:34,400

hierarchy of control

1008

00:37:38,630 --> 00:37:36,400

that's the idea of the dangling carrot

1009

00:37:40,150 --> 00:37:38,640

right like even um like it's not

1010

00:37:42,950 --> 00:37:40,160

uncommon for people when they could

1011

00:37:45,030 --> 00:37:42,960

become awake to these things to think of

1012

00:37:47,109 --> 00:37:45,040

the idea of like i might go become a

1013

00:37:49,109 --> 00:37:47,119

freemason maybe i can change the system

1014

00:37:50,870 --> 00:37:49,119

from the inside

1015

00:37:52,630 --> 00:37:50,880

you going into crew masonry they would

1016

00:37:53,990 --> 00:37:52,640

gladly open that door for you and they

1017

00:37:56,230 --> 00:37:54,000

would know that that's your [h\_\_h]

1018

00:37:59,510 --> 00:37:56,240

intention use my language again but they

1019

00:38:02,390 --> 00:37:59,520

would allow you to carry that out until

1020

00:38:03,670 --> 00:38:02,400

until until you owed them something and

1021

00:38:05,349 --> 00:38:03,680

then you're in too deep and you don't

1022

00:38:07,430 --> 00:38:05,359

even notice you've stumbled in that deep

1023

00:38:09,670 --> 00:38:07,440

because you're just constantly chasing

1024

00:38:11,670 --> 00:38:09,680

that next carrot that you think is a

1025

00:38:14,550 --> 00:38:11,680

good thing and then you realize man to

1026

00:38:16,710 --> 00:38:14,560

get that carrot i just stepped on all

1027

00:38:19,190 --> 00:38:16,720

kinds of stuff like you know

1028

00:38:22,069 --> 00:38:19,200

four or five ant colonies i can't repair

1029

00:38:24,630 --> 00:38:22,079

right so um that that's that's how they

1030

00:38:27,270 --> 00:38:24,640

would get people is they rely on like

1031

00:38:29,670 --> 00:38:27,280

everybody loves secrets people like that

1032

00:38:32,390 --> 00:38:29,680

people want to know people want to be

1033

00:38:33,829 --> 00:38:32,400

initiated right that's what it actually

1034

00:38:37,190 --> 00:38:33,839

means

1035

00:38:39,190 --> 00:38:37,200

right so um yeah they rely on that and

1036

00:38:40,790 --> 00:38:39,200

then a lot of the time unfortunately for

1037

00:38:43,589 --> 00:38:40,800

people if they if they kind of get in

1038

00:38:45,030 --> 00:38:43,599

from the outside in that manner you know

1039

00:38:46,790 --> 00:38:45,040

you're in too deep before you even

1040

00:38:49,109 --> 00:38:46,800

realize you're into that's like most

1041

00:38:50,390 --> 00:38:49,119

celebrities as an example

1042

00:38:53,190 --> 00:38:50,400

and then at that point time your whole

1043

00:38:56,150 --> 00:38:53,200

life is wrapped up around it and you

1044

00:38:59,109 --> 00:38:56,160

can't just get out without giving up all

1045

00:39:01,990 --> 00:38:59,119

of that free dopamine you've accrued um

1046

00:39:05,270 --> 00:39:02,000

and and what not over the way so it's

1047

00:39:06,790 --> 00:39:05,280

yeah it's um they rely on

1048

00:39:08,069 --> 00:39:06,800

you know their manufactured version of

1049

00:39:10,870 --> 00:39:08,079

human nature

1050

00:39:12,710 --> 00:39:10,880

to get us to play the game for them

1051  
00:39:14,870 --> 00:39:12,720  
reminds me of the movie devil's advocate

1052  
00:39:17,349 --> 00:39:14,880  
where he says like i just set the stage

1053  
00:39:19,270 --> 00:39:17,359  
you pull your own strings

1054  
00:39:21,349 --> 00:39:19,280  
yes

1055  
00:39:22,710 --> 00:39:21,359  
yeah they put the trap out the rest is

1056  
00:39:24,870 --> 00:39:22,720  
up to us

1057  
00:39:27,030 --> 00:39:24,880  
it's so interesting and

1058  
00:39:28,630 --> 00:39:27,040  
you know there's definitely a purpose in

1059  
00:39:31,349 --> 00:39:28,640  
mind and

1060  
00:39:34,310 --> 00:39:31,359  
i i'm glad that you brought up

1061  
00:39:36,950 --> 00:39:34,320  
uh bob lazar because many

1062  
00:39:39,109 --> 00:39:36,960  
people don't believe the story of bob

1063  
00:39:41,510 --> 00:39:39,119

lazar mainly

1064

00:39:43,829 --> 00:39:41,520

for a few reasons but one of the primary

1065

00:39:47,030 --> 00:39:43,839

reasons is he claimed to have gone to a

1066

00:39:50,230 --> 00:39:47,040

school and claimed to have worked at a

1067

00:39:51,829 --> 00:39:50,240

place where there was no history of this

1068

00:39:52,790 --> 00:39:51,839

later on

1069

00:39:57,349 --> 00:39:52,800

and

1070

00:39:59,510 --> 00:39:57,359

time again about people

1071

00:40:01,430 --> 00:39:59,520

going to particular schools living in

1072

00:40:03,270 --> 00:40:01,440

particular places accomplishing

1073

00:40:05,910 --> 00:40:03,280

particular feats

1074

00:40:09,270 --> 00:40:05,920

and if they don't play by the rules

1075

00:40:11,430 --> 00:40:09,280

these are taken from them

1076

00:40:13,990 --> 00:40:11,440

yeah i was super happy when he went on

1077

00:40:16,790 --> 00:40:14,000

joe rogan recently because i put a lot

1078

00:40:18,870 --> 00:40:16,800

of exposure on you know that part of his

1079

00:40:20,550 --> 00:40:18,880

story which i think you know for someone

1080

00:40:21,910 --> 00:40:20,560

like myself is important for people to

1081

00:40:24,950 --> 00:40:21,920

hear the way that they can kind of just

1082

00:40:26,550 --> 00:40:24,960

completely erase your past right and

1083

00:40:29,109 --> 00:40:26,560

obviously before the internet that was a

1084

00:40:30,470 --> 00:40:29,119

lot easier than it is today but you know

1085

00:40:32,470 --> 00:40:30,480

their ability to like change your

1086

00:40:33,910 --> 00:40:32,480

transcripts right like you change your

1087

00:40:36,630 --> 00:40:33,920

medical records

1088

00:40:37,510 --> 00:40:36,640

change your tax records change all of

1089

00:40:38,550 --> 00:40:37,520

those

1090

00:40:41,190 --> 00:40:38,560

things

1091

00:40:43,109 --> 00:40:41,200

can be really really like

1092

00:40:45,430 --> 00:40:43,119

negatively effective on people's lives

1093

00:40:47,829 --> 00:40:45,440

such as bob luzar's story where it made

1094

00:40:49,349 --> 00:40:47,839

him appear like he was completely lying

1095

00:40:51,430 --> 00:40:49,359

right until

1096

00:40:53,430 --> 00:40:51,440

the evidence did prove that he actually

1097

00:40:56,069 --> 00:40:53,440

did go to those places right he actually

1098

00:40:58,870 --> 00:40:56,079

like there was uh evidence that did come

1099

00:41:00,790 --> 00:40:58,880

up for him to kind of prove that part of

1100

00:41:03,829 --> 00:41:00,800

his story and so then they had to admit

1101  
00:41:05,510 --> 00:41:03,839  
that okay yeah you work here right so um

1102  
00:41:07,190 --> 00:41:05,520  
yeah i was happy about that and i said

1103  
00:41:10,550 --> 00:41:07,200  
but that's an example of what they can

1104  
00:41:13,829 --> 00:41:10,560  
do like even with my own i remember um

1105  
00:41:16,470 --> 00:41:13,839  
doing a background check for uh some dhs

1106  
00:41:19,030 --> 00:41:16,480  
training i was doing and them going so

1107  
00:41:20,710 --> 00:41:19,040  
your transcripts have totally been

1108  
00:41:22,470 --> 00:41:20,720  
monkeyed with that i don't like what do

1109  
00:41:24,150 --> 00:41:22,480  
you mean they're like well this says you

1110  
00:41:26,470 --> 00:41:24,160  
dropped into high school this says you

1111  
00:41:28,390 --> 00:41:26,480  
have a university degree you can't do

1112  
00:41:31,109 --> 00:41:28,400  
both

1113  
00:41:33,510 --> 00:41:31,119

yeah i i understand so um but yeah

1114

00:41:34,950 --> 00:41:33,520

that's uh and thanks too right and like

1115

00:41:37,510 --> 00:41:34,960

when you're dealing with

1116

00:41:39,190 --> 00:41:37,520

zeros and ones in digital land it's very

1117

00:41:40,950 --> 00:41:39,200

easy for them to just go take those

1118

00:41:42,470 --> 00:41:40,960

zeros and ones away

1119

00:41:44,230 --> 00:41:42,480

and uh there's not a lot you can do

1120

00:41:46,309 --> 00:41:44,240

about it

1121

00:41:48,950 --> 00:41:46,319

yes i i

1122

00:41:51,430 --> 00:41:48,960

had a guest uh when i first started my

1123

00:41:52,790 --> 00:41:51,440

podcast this was quite some time ago i

1124

00:41:55,750 --> 00:41:52,800

had a guest

1125

00:41:58,150 --> 00:41:55,760

that was down in australia and he

1126  
00:42:01,109 --> 00:41:58,160  
came on and he was talking about these

1127  
00:42:03,430 --> 00:42:01,119  
dirty banks kind of uh being able to

1128  
00:42:05,670 --> 00:42:03,440  
manipulate documents use your accounts

1129  
00:42:08,870 --> 00:42:05,680  
do all the stuff sounded super

1130  
00:42:11,589 --> 00:42:08,880  
far-fetched and i i got a lot of flack

1131  
00:42:13,430 --> 00:42:11,599  
from people who kind of uh

1132  
00:42:15,430 --> 00:42:13,440  
gave me a hard time about having him on

1133  
00:42:18,230 --> 00:42:15,440  
his name was aaron crawford

1134  
00:42:19,670 --> 00:42:18,240  
and come to find out about a year after

1135  
00:42:21,670 --> 00:42:19,680  
the podcast

1136  
00:42:24,790 --> 00:42:21,680  
sure enough the banks he had mentioned

1137  
00:42:27,109 --> 00:42:24,800  
were in this huge international

1138  
00:42:28,710 --> 00:42:27,119

uh embezzlement scheme where they were

1139

00:42:30,710 --> 00:42:28,720

doing exactly what he said using

1140

00:42:32,230 --> 00:42:30,720

people's accounts to embezzle money

1141

00:42:34,950 --> 00:42:32,240

there was uh

1142

00:42:37,190 --> 00:42:34,960

some very strange child

1143

00:42:38,710 --> 00:42:37,200

rings involved uh

1144

00:42:40,870 --> 00:42:38,720

with uh

1145

00:42:43,190 --> 00:42:40,880

dark adepts that were apparently at the

1146

00:42:45,349 --> 00:42:43,200

top of this and anyway it was all

1147

00:42:46,630 --> 00:42:45,359

eventually swept under the rug as it

1148

00:42:48,150 --> 00:42:46,640

usually is

1149

00:42:51,030 --> 00:42:48,160

but at the end of the day he was

1150

00:42:52,950 --> 00:42:51,040

successful in uh you know pointing that

1151  
00:42:54,950 --> 00:42:52,960  
out like you said before it happened and

1152  
00:42:57,109 --> 00:42:54,960  
a lot of people ignore this and when

1153  
00:42:58,390 --> 00:42:57,119  
when you are able to prove it they

1154  
00:43:01,190 --> 00:42:58,400  
quickly

1155  
00:43:03,349 --> 00:43:01,200  
sweep this stuff under the rug it seems

1156  
00:43:06,069 --> 00:43:03,359  
and they carefully and painstakingly

1157  
00:43:08,950 --> 00:43:06,079  
remove a lot of it from the internet i

1158  
00:43:11,670 --> 00:43:08,960  
did like with bob lazar how they

1159  
00:43:17,349 --> 00:43:11,680  
neglected some of the small things the

1160  
00:43:19,750 --> 00:43:17,359  
simplest and the lightest uh obvious

1161  
00:43:20,630 --> 00:43:19,760  
things that actually kind of saved

1162  
00:43:22,069 --> 00:43:20,640  
face

1163  
00:43:23,589 --> 00:43:22,079

and um

1164

00:43:25,030 --> 00:43:23,599

you know they took care of all the major

1165

00:43:27,430 --> 00:43:25,040

stuff they did the heavy lifting but

1166

00:43:30,470 --> 00:43:27,440

they neglected some of the small things

1167

00:43:31,589 --> 00:43:30,480

that actually validated his story so

1168

00:43:35,190 --> 00:43:31,599

it is

1169

00:43:36,790 --> 00:43:35,200

it seems in business very cold and

1170

00:43:40,069 --> 00:43:36,800

calculating and

1171

00:43:42,390 --> 00:43:40,079

exacting when you don't do as you are

1172

00:43:44,630 --> 00:43:42,400

told especially when

1173

00:43:45,829 --> 00:43:44,640

at the end of the day these highly

1174

00:43:47,430 --> 00:43:45,839

important

1175

00:43:49,990 --> 00:43:47,440

businesses or

1176

00:43:51,589 --> 00:43:50,000

colleges or banks etc

1177

00:43:56,309 --> 00:43:51,599

uh

1178

00:43:58,390 --> 00:43:56,319

their affairs for the day and they can

1179

00:43:59,670 --> 00:43:58,400

manipulate that and we forget that how

1180

00:44:01,750 --> 00:43:59,680

easy it is

1181

00:44:04,630 --> 00:44:01,760

for higher-ups to manipulate things i

1182

00:44:06,630 --> 00:44:04,640

mean that's their job

1183

00:44:08,309 --> 00:44:06,640

well yeah um there's a bunch of

1184

00:44:10,069 --> 00:44:08,319

different tactics that can kind of

1185

00:44:12,069 --> 00:44:10,079

explain a lot of people's questions when

1186

00:44:14,710 --> 00:44:12,079

it comes to like what keeps people doing

1187

00:44:16,390 --> 00:44:14,720

these things um another example i often

1188

00:44:18,390 --> 00:44:16,400

give people is

1189

00:44:19,910 --> 00:44:18,400

you know the threats to me was never

1190

00:44:21,190 --> 00:44:19,920

that they would hurt me

1191

00:44:22,870 --> 00:44:21,200

the threat to me was that they would

1192

00:44:23,990 --> 00:44:22,880

hurt people i cared about

1193

00:44:25,750 --> 00:44:24,000

right so

1194

00:44:27,510 --> 00:44:25,760

um that's kind of another example or

1195

00:44:28,870 --> 00:44:27,520

something that you know these people

1196

00:44:30,950 --> 00:44:28,880

who've been

1197

00:44:32,470 --> 00:44:30,960

especially if you get into it so young

1198

00:44:33,270 --> 00:44:32,480

right you don't

1199

00:44:35,190 --> 00:44:33,280

like

1200

00:44:37,109 --> 00:44:35,200

you don't know better until you're

1201

00:44:38,790 --> 00:44:37,119

exposed to better right so if you're

1202

00:44:40,630 --> 00:44:38,800

never exposed to better than how are you

1203

00:44:41,990 --> 00:44:40,640

ever to know better

1204

00:44:44,550 --> 00:44:42,000

and so that's how they keep a lot of

1205

00:44:46,470 --> 00:44:44,560

people in line and then the ones who you

1206

00:44:48,470 --> 00:44:46,480

know especially at the lower levels i

1207

00:44:51,510 --> 00:44:48,480

guess like just like regular jobs or

1208

00:44:53,109 --> 00:44:51,520

positions in society and stuff that's

1209

00:44:55,510 --> 00:44:53,119

everyone's got something that they care

1210

00:44:57,510 --> 00:44:55,520

about right so there's always um a

1211

00:44:58,550 --> 00:44:57,520

target to

1212

00:45:04,870 --> 00:44:58,560

to

1213

00:45:07,270 --> 00:45:04,880

yeah there's very few people who

1214

00:45:08,950 --> 00:45:07,280

actually are just willing to die for a

1215

00:45:11,270 --> 00:45:08,960

cause and there's very few people who

1216

00:45:13,829 --> 00:45:11,280

are willing to you know make all any and

1217

00:45:17,349 --> 00:45:13,839

all sacrifices for a cause when it

1218

00:45:20,550 --> 00:45:17,359

comes down to it which comes to chef

1219

00:45:22,710 --> 00:45:20,560

yeah and it i i like how you put that

1220

00:45:24,950 --> 00:45:22,720

because a lot of that was seen on

1221

00:45:28,390 --> 00:45:24,960

january 6th i think that

1222

00:45:32,710 --> 00:45:28,400

there are these crucial points in time

1223

00:45:35,270 --> 00:45:32,720

where events seem to be used

1224

00:45:38,069 --> 00:45:35,280

i want to avoid the terms that might you

1225

00:45:39,190 --> 00:45:38,079

know raise red flags um

1226

00:45:41,990 --> 00:45:39,200

but

1227

00:45:43,750 --> 00:45:42,000

it does seem that this as this pro

1228

00:45:47,990 --> 00:45:43,760

progresses and develops and everything

1229

00:45:49,670 --> 00:45:48,000

proceeds in a new world order

1230

00:45:52,150 --> 00:45:49,680

that

1231

00:45:53,910 --> 00:45:52,160

at times these events

1232

00:45:54,630 --> 00:45:53,920

almost seemed

1233

00:45:57,109 --> 00:45:54,640

to

1234

00:46:00,710 --> 00:45:57,119

in my opinion very calculated

1235

00:46:04,230 --> 00:46:00,720

and you know that there is always going

1236

00:46:07,190 --> 00:46:04,240

to be new laws coming afterwards and

1237

00:46:09,030 --> 00:46:07,200

the law part is really what gets my

1238

00:46:10,230 --> 00:46:09,040

attention because in many of the mystery

1239

00:46:13,430 --> 00:46:10,240

schools

1240

00:46:16,470 --> 00:46:13,440

when you look in the occult literature

1241

00:46:18,470 --> 00:46:16,480

it's you know law after law after law

1242

00:46:20,069 --> 00:46:18,480

you know there's the law of compensation

1243

00:46:22,230 --> 00:46:20,079

the law of

1244

00:46:24,550 --> 00:46:22,240

uh silence that

1245

00:46:27,109 --> 00:46:24,560

they always seem to accomplish and put

1246

00:46:28,390 --> 00:46:27,119

into effect or put into action

1247

00:46:30,309 --> 00:46:28,400

these

1248

00:46:31,670 --> 00:46:30,319

laws which will bring

1249

00:46:34,550 --> 00:46:31,680

things about

1250

00:46:37,670 --> 00:46:34,560

which seem to uh draw about the overall

1251  
00:46:42,150 --> 00:46:39,430  
yeah and that's another way in which the

1252  
00:46:45,430 --> 00:46:42,160  
phrase proof is in the results is also

1253  
00:46:47,030 --> 00:46:45,440  
true is um you know we can debate

1254  
00:46:48,630 --> 00:46:47,040  
like say going over the last couple

1255  
00:46:49,990 --> 00:46:48,640  
years we could we could make all kinds

1256  
00:46:51,829 --> 00:46:50,000  
of you know

1257  
00:46:53,910 --> 00:46:51,839  
uh predictions about why they're doing

1258  
00:46:55,510 --> 00:46:53,920  
what they're doing or uh theorize on why

1259  
00:46:57,430 --> 00:46:55,520  
they're doing what they're doing but

1260  
00:46:58,950 --> 00:46:57,440  
again you can tell by the result why

1261  
00:47:00,870 --> 00:46:58,960  
they did what they did

1262  
00:47:03,109 --> 00:47:00,880  
and so the example you gave of like

1263  
00:47:05,270 --> 00:47:03,119

creating these events and then you know

1264

00:47:07,829 --> 00:47:05,280

pro reaction solution also having the

1265

00:47:08,950 --> 00:47:07,839

laws to follow it up

1266

00:47:10,870 --> 00:47:08,960

are

1267

00:47:12,710 --> 00:47:10,880

super important and so similar to you

1268

00:47:13,910 --> 00:47:12,720

know i'll give people a current example

1269

00:47:16,309 --> 00:47:13,920

of how they're doing it and pulling it

1270

00:47:18,630 --> 00:47:16,319

off right underneath people's faces is

1271

00:47:19,910 --> 00:47:18,640

the abortion thing with uh the the roe

1272

00:47:21,270 --> 00:47:19,920

versus way to

1273

00:47:23,270 --> 00:47:21,280

overturned

1274

00:47:24,630 --> 00:47:23,280

now they're using that as an excuse to

1275

00:47:26,950 --> 00:47:24,640

put a whole bunch of new tracking

1276

00:47:28,390 --> 00:47:26,960

devices into into people's cell phones

1277

00:47:30,790 --> 00:47:28,400

and things like that

1278

00:47:32,230 --> 00:47:30,800

so that they can under the guise of you

1279

00:47:34,950 --> 00:47:32,240

know tracking to make sure women aren't

1280

00:47:35,990 --> 00:47:34,960

jumping states to get abortions

1281

00:47:37,910 --> 00:47:36,000

right and

1282

00:47:39,349 --> 00:47:37,920

people people on one side of the world

1283

00:47:41,270 --> 00:47:39,359

are like on board with that yeah of

1284

00:47:42,309 --> 00:47:41,280

course make sure that those ladies

1285

00:47:44,150 --> 00:47:42,319

aren't doing that and then the other

1286

00:47:45,670 --> 00:47:44,160

people are like uh the butt you know but

1287

00:47:47,510 --> 00:47:45,680

nobody's really paying attention to the

1288

00:47:48,950 --> 00:47:47,520

why they're doing this it's got nothing

1289

00:47:50,390 --> 00:47:48,960

to do with abortions they don't care

1290

00:47:52,710 --> 00:47:50,400

that you're killing babies in fact they

1291

00:47:54,630 --> 00:47:52,720

like that right

1292

00:47:56,150 --> 00:47:54,640

what they do care about is that they can

1293

00:47:58,150 --> 00:47:56,160

track where you're going

1294

00:48:01,030 --> 00:47:58,160

and so um kind of what i was saying

1295

00:48:03,349 --> 00:48:01,040

about money being a god and and it being

1296

00:48:05,510 --> 00:48:03,359

religion it has been so far running

1297

00:48:07,030 --> 00:48:05,520

parallel to religions but right now

1298

00:48:09,030 --> 00:48:07,040

we're starting to get into the world

1299

00:48:10,950 --> 00:48:09,040

where they're that parallel those

1300

00:48:12,630 --> 00:48:10,960

parallel tracks are amalgamated into a

1301

00:48:14,230 --> 00:48:12,640

like a monolith track

1302

00:48:17,670 --> 00:48:14,240

where um you know

1303

00:48:20,550 --> 00:48:17,680

money and um morality are essentially

1304

00:48:22,630 --> 00:48:20,560

one which is what social credit is

1305

00:48:24,950 --> 00:48:22,640

right so that's the uh the two religions

1306

00:48:26,950 --> 00:48:24,960

basically joining to become the new one

1307

00:48:28,630 --> 00:48:26,960

world religion which we all heard coming

1308

00:48:30,630 --> 00:48:28,640

right but that's what the social credit

1309

00:48:32,630 --> 00:48:30,640

score ultimately is because it's going

1310

00:48:34,150 --> 00:48:32,640

to be linked to your finance credits but

1311

00:48:35,670 --> 00:48:34,160

essentially what it's doing is making

1312

00:48:37,670 --> 00:48:35,680

sure that you're doing what you're

1313

00:48:40,150 --> 00:48:37,680

supposed to do right and they're made

1314

00:48:44,390 --> 00:48:40,160

basically calling compliance morality

1315

00:48:47,750 --> 00:48:44,400

and um you know good social behavior

1316

00:48:51,510 --> 00:48:47,760

so scary it is so scary and

1317

00:48:53,190 --> 00:48:51,520

you know it is these forces it seems

1318

00:48:54,630 --> 00:48:53,200

that you know when it comes to the

1319

00:48:57,190 --> 00:48:54,640

material

1320

00:48:58,390 --> 00:48:57,200

um or the outer or the interior or the

1321

00:49:00,950 --> 00:48:58,400

spiritual

1322

00:49:03,510 --> 00:49:00,960

there is not really

1323

00:49:07,109 --> 00:49:03,520

i don't know how to exactly put this

1324

00:49:08,870 --> 00:49:07,119

but it seems as if the rules are changed

1325

00:49:10,150 --> 00:49:08,880

for certain individuals and you find

1326

00:49:12,790 --> 00:49:10,160

this

1327

00:49:15,829 --> 00:49:12,800

not only are they pulling for example if

1328

00:49:17,430 --> 00:49:15,839

you do something that is

1329

00:49:19,109 --> 00:49:17,440

not on

1330

00:49:21,990 --> 00:49:19,119

their plan

1331

00:49:24,390 --> 00:49:22,000

and it's an activity that is

1332

00:49:27,549 --> 00:49:24,400

something they are not happy about not

1333

00:49:31,349 --> 00:49:29,190

accreditations

1334

00:49:33,190 --> 00:49:31,359

they can pull jobs so they can pull

1335

00:49:36,230 --> 00:49:33,200

education etc

1336

00:49:38,710 --> 00:49:36,240

however on the opposite

1337

00:49:41,349 --> 00:49:38,720

you know sort of and as above so below

1338

00:49:43,430 --> 00:49:41,359

on the opposite spectrum it seems as if

1339

00:49:45,030 --> 00:49:43,440

certain individuals and i i hate to

1340

00:49:46,390 --> 00:49:45,040

bring up presidents but that seems the

1341

00:49:48,710 --> 00:49:46,400

most obvious

1342

00:49:50,710 --> 00:49:48,720

you know a president goes into office

1343

00:49:52,150 --> 00:49:50,720

with a certain amount of money in the

1344

00:49:55,109 --> 00:49:52,160

bank and then when they come out of

1345

00:49:58,150 --> 00:49:55,119

office there is an exponential

1346

00:50:00,069 --> 00:49:58,160

unbelievable and almost

1347

00:50:02,870 --> 00:50:00,079

impossible

1348

00:50:05,030 --> 00:50:02,880

change in their financial situation and

1349

00:50:07,589 --> 00:50:05,040

it's very hard to distinguish how this

1350

00:50:10,829 --> 00:50:07,599

took place yet it happens presidency

1351

00:50:15,349 --> 00:50:10,839

after presidency so it seems as

1352

00:50:20,230 --> 00:50:17,990

oh absolutely and uh

1353

00:50:21,910 --> 00:50:20,240

yeah i mean that's how they've kept the

1354

00:50:23,430 --> 00:50:21,920

system running all this time that's how

1355

00:50:24,630 --> 00:50:23,440

they've controlled it all this time to

1356

00:50:26,950 --> 00:50:24,640

get to

1357

00:50:28,710 --> 00:50:26,960

where they are today and um

1358

00:50:30,630 --> 00:50:28,720

kind of what's happened

1359

00:50:32,309 --> 00:50:30,640

it was part of my blog actually like i

1360

00:50:33,430 --> 00:50:32,319

talked in the blog about how like we've

1361

00:50:35,030 --> 00:50:33,440

kind of

1362

00:50:36,710 --> 00:50:35,040

gone through a changing of the guards so

1363

00:50:39,030 --> 00:50:36,720

to speak where they've kind of rebranded

1364

00:50:41,349 --> 00:50:39,040

themselves more or less and so in terms

1365

00:50:43,030 --> 00:50:41,359

of my own talks like on my patreon i

1366

00:50:45,270 --> 00:50:43,040

don't call them the illuminati anymore i

1367

00:50:46,870 --> 00:50:45,280

call them the umbrella corporation

1368

00:50:48,309 --> 00:50:46,880

because what we've actually seen is the

1369

00:50:50,870 --> 00:50:48,319

corporations

1370

00:50:53,670 --> 00:50:50,880

have taken over every institution

1371

00:50:57,430 --> 00:50:53,680

they've taken over every pillar of power

1372

00:51:00,150 --> 00:50:57,440

in on earth right now they've basically

1373

00:51:02,230 --> 00:51:00,160

absorbed the the old structure and now

1374

00:51:04,309 --> 00:51:02,240

have one that is all based through their

1375

00:51:05,990 --> 00:51:04,319

corporate ties corporations are

1376

00:51:08,390 --> 00:51:06,000

determining laws corporations are

1377

00:51:12,230 --> 00:51:08,400

determining price points corporations

1378

00:51:13,910 --> 00:51:12,240

are determining everything so um yeah

1379

00:51:19,430 --> 00:51:13,920

it's a

1380

00:51:20,390 --> 00:51:19,440

now with all of that stuff that they

1381

00:51:22,950 --> 00:51:20,400

were

1382

00:51:25,510 --> 00:51:22,960

keeping underground all now just you

1383

00:51:28,309 --> 00:51:25,520

know here and the answer to all of it is

1384

00:51:29,510 --> 00:51:28,319

the reason for all of it again is um you

1385

00:51:31,349 --> 00:51:29,520

know it's

1386

00:51:33,589 --> 00:51:31,359

we're going through a time of evolution

1387

00:51:35,910 --> 00:51:33,599

and they knew that this time was coming

1388

00:51:38,150 --> 00:51:35,920

and so they're trying to steer us during

1389

00:51:40,790 --> 00:51:38,160

this evolution away from what our nature

1390

00:51:42,790 --> 00:51:40,800

is because our nature would disempower

1391

00:51:45,270 --> 00:51:42,800

them right it would give us our power

1392

00:51:47,349 --> 00:51:45,280

back and so they're steering us in their

1393

00:51:49,670 --> 00:51:47,359

way which is transhumanism towards

1394

00:51:51,750 --> 00:51:49,680

technology there's that phrase of

1395

00:51:52,710 --> 00:51:51,760

technology being indistinguishable from

1396

00:51:55,030 --> 00:51:52,720

magic

1397

00:51:57,510 --> 00:51:55,040

right and what that is is like a reverse

1398

00:52:00,069 --> 00:51:57,520

engineered phrase what they mean is

1399

00:52:02,309 --> 00:52:00,079

we're going to basically take magic and

1400

00:52:03,270 --> 00:52:02,319

build technology out of it

1401

00:52:06,069 --> 00:52:03,280

and

1402

00:52:08,390 --> 00:52:06,079

in the process make you forget all about

1403

00:52:12,150 --> 00:52:08,400

the actual magic because magic you have

1404

00:52:14,309 --> 00:52:12,160

power over technology we have power over

1405

00:52:16,710 --> 00:52:14,319

oh so true you know this reminds me of

1406

00:52:19,349 --> 00:52:16,720

something that happened to me just today

1407

00:52:22,150 --> 00:52:19,359

going down to the grocery store earlier

1408

00:52:23,349 --> 00:52:22,160

i pulled into a parking spot next to a

1409

00:52:25,510 --> 00:52:23,359

tesla

1410

00:52:27,829 --> 00:52:25,520

and i i felt like i was a little too

1411

00:52:29,430 --> 00:52:27,839

close to the car so i backed out and i

1412

00:52:31,109 --> 00:52:29,440

pulled a little further away so that

1413

00:52:32,549 --> 00:52:31,119

when the person came out of the grocery

1414

00:52:34,630 --> 00:52:32,559

store they could open their door and get

1415

00:52:35,510 --> 00:52:34,640

in the car easily

1416

00:52:37,589 --> 00:52:35,520

well

1417

00:52:40,150 --> 00:52:37,599

as i came out of the grocery store with

1418

00:52:41,589 --> 00:52:40,160

my basket of goods and i was putting it

1419

00:52:43,349 --> 00:52:41,599

in the car

1420

00:52:45,430 --> 00:52:43,359

the person in the tesla was already in

1421

00:52:47,109 --> 00:52:45,440

the car they had returned at this point

1422

00:52:48,790 --> 00:52:47,119

they backed out and he rolled down his

1423

00:52:51,030 --> 00:52:48,800

window and he said

1424

00:52:51,750 --> 00:52:51,040

you know i wanted to thank you

1425

00:52:54,390 --> 00:52:51,760

for

1426

00:52:56,790 --> 00:52:54,400

earlier when you pulled in

1427

00:52:58,309 --> 00:52:56,800

how you uh backed out and pulled in a

1428

00:52:59,910 --> 00:52:58,319

little further so i could get in and out

1429

00:53:01,349 --> 00:52:59,920

because my ribs hurting and it's hard

1430

00:53:04,790 --> 00:53:01,359

for me to turn

1431

00:53:06,309 --> 00:53:04,800

and i saw on the cameras of the car when

1432

00:53:08,470 --> 00:53:06,319

i got it i checked the cameras of the

1433

00:53:10,069 --> 00:53:08,480

car when i got in and it showed you

1434

00:53:12,549 --> 00:53:10,079

doing that so i just wanted to thank you

1435

00:53:15,589 --> 00:53:12,559

for that and it horrified me shane when

1436

00:53:16,870 --> 00:53:15,599

i realized that these cars are

1437

00:53:22,470 --> 00:53:16,880

constantly

1438

00:53:24,309 --> 00:53:22,480

and he was able to pull up the camera

1439

00:53:26,230 --> 00:53:24,319

footage of me pulling in next to him

1440

00:53:27,109 --> 00:53:26,240

even though he wasn't there

1441

00:53:29,270 --> 00:53:27,119

and

1442

00:53:31,510 --> 00:53:29,280

now this was a positive thing

1443

00:53:33,430 --> 00:53:31,520

but i mean think of the implications it

1444

00:53:34,950 --> 00:53:33,440

just kind of freaked me out how

1445

00:53:36,230 --> 00:53:34,960

technology is

1446

00:53:38,069 --> 00:53:36,240

going into

1447

00:53:39,430 --> 00:53:38,079

everything now and

1448

00:53:43,349 --> 00:53:39,440

quite literally

1449

00:53:45,430 --> 00:53:43,359

seeping into every aspect of our lives

1450

00:53:48,230 --> 00:53:45,440

or quite literally being stuck in our

1451  
00:53:51,829 --> 00:53:50,230  
to avoid any any words i call that thing

1452  
00:53:54,710 --> 00:53:51,839  
the lollipop but the way that they've

1453  
00:53:56,230 --> 00:53:54,720  
given that lollipop it had nothing to do

1454  
00:53:57,430 --> 00:53:56,240  
with what i call the joy which was the

1455  
00:53:59,750 --> 00:53:57,440  
reason they were giving everyone the

1456  
00:54:01,910 --> 00:53:59,760  
lollipop but um it was getting us used

1457  
00:54:04,870 --> 00:54:01,920  
to the technology of those lollipops

1458  
00:54:06,470 --> 00:54:04,880  
because and and when i said that it was

1459  
00:54:08,390 --> 00:54:06,480  
before they started admitting it but

1460  
00:54:09,670 --> 00:54:08,400  
like now it's coming out as like the

1461  
00:54:11,109 --> 00:54:09,680  
technology that they're going to use to

1462  
00:54:12,549 --> 00:54:11,119  
fight cancer and the technology that

1463  
00:54:14,549 --> 00:54:12,559

they're going to use to fight aids and

1464

00:54:15,990 --> 00:54:14,559

the hiv and the technology they're going

1465

00:54:18,309 --> 00:54:16,000

to use for this and that and this and

1466

00:54:20,549 --> 00:54:18,319

that and um

1467

00:54:22,549 --> 00:54:20,559

what i was saying was like you know with

1468

00:54:24,710 --> 00:54:22,559

you know any type of new implant type

1469

00:54:26,069 --> 00:54:24,720

thing our bodies like to reject them

1470

00:54:29,109 --> 00:54:26,079

like even um

1471

00:54:30,790 --> 00:54:29,119

like uh what i call subject piercings

1472

00:54:32,230 --> 00:54:30,800

organ transplants things like that

1473

00:54:33,670 --> 00:54:32,240

there's precautions that need to be

1474

00:54:35,190 --> 00:54:33,680

taken so that your body doesn't straight

1475

00:54:37,430 --> 00:54:35,200

up reject it

1476  
00:54:40,950 --> 00:54:37,440  
and that's also going to be true for any

1477  
00:54:43,750 --> 00:54:40,960  
type of implanted technology or

1478  
00:54:45,990 --> 00:54:43,760  
nano technology or any technology that

1479  
00:54:47,190 --> 00:54:46,000  
incorporates the human biological

1480  
00:54:49,510 --> 00:54:47,200  
technology

1481  
00:54:51,430 --> 00:54:49,520  
which is um you know kind of that is

1482  
00:54:53,030 --> 00:54:51,440  
where this is all leading if you put all

1483  
00:54:54,710 --> 00:54:53,040  
the pieces together that's that's where

1484  
00:54:56,790 --> 00:54:54,720  
this ends up that's why there's an

1485  
00:54:59,109 --> 00:54:56,800  
energy crisis because you can be a

1486  
00:55:00,710 --> 00:54:59,119  
battery that's why this technology is

1487  
00:55:02,549 --> 00:55:00,720  
rolling out the way that it is because

1488  
00:55:03,510 --> 00:55:02,559

it interconnects us in a way that we

1489

00:55:07,349 --> 00:55:03,520

will be

1490

00:55:09,430 --> 00:55:07,359

like you can't have the okay um simpson

1491

00:55:11,190 --> 00:55:09,440

you know chase on tv

1492

00:55:13,589 --> 00:55:11,200

with electric cars that could be shut

1493

00:55:15,670 --> 00:55:13,599

off remotely right now

1494

00:55:16,950 --> 00:55:15,680

you won't have serial killers because

1495

00:55:18,549 --> 00:55:16,960

you know we're going to figure it out

1496

00:55:21,270 --> 00:55:18,559

after their first murder

1497

00:55:22,710 --> 00:55:21,280

you know all of these different things

1498

00:55:24,470 --> 00:55:22,720

are just going to be gone because

1499

00:55:26,390 --> 00:55:24,480

they've got all this technology rolled

1500

00:55:29,589 --> 00:55:26,400

out i was talking about like the pokemon

1501

00:55:31,750 --> 00:55:29,599

go remember remember that gosh yes yeah

1502

00:55:33,510 --> 00:55:31,760

yeah so that was google's way of 3d

1503

00:55:35,670 --> 00:55:33,520

mapping the planet

1504

00:55:38,069 --> 00:55:35,680

and getting us to do with work for them

1505

00:55:39,910 --> 00:55:38,079

here's a bunch of cameras now there's a

1506

00:55:41,430 --> 00:55:39,920

pokemon gym down in this one area that

1507

00:55:43,109 --> 00:55:41,440

we can't see with our satellites would

1508

00:55:45,190 --> 00:55:43,119

you kindly walk down there with your

1509

00:55:46,470 --> 00:55:45,200

phone and record that for us into a 3d

1510

00:55:48,730 --> 00:55:46,480

space so that we can use it for the

1511

00:55:50,789 --> 00:55:48,740

metaverse thank you

1512

00:55:52,309 --> 00:55:50,799

[Laughter]

1513

00:55:53,750 --> 00:55:52,319

genius

1514

00:55:55,829 --> 00:55:53,760

yeah

1515

00:55:58,150 --> 00:55:55,839

and that that's the scary thing we are

1516

00:56:01,109 --> 00:55:58,160

not dealing with uh

1517

00:56:02,390 --> 00:56:01,119

obstinate uh these plans are

1518

00:56:04,710 --> 00:56:02,400

they're they're very

1519

00:56:06,630 --> 00:56:04,720

illuminated you know they're brilliant

1520

00:56:08,870 --> 00:56:06,640

they're um

1521

00:56:10,789 --> 00:56:08,880

they're making us do all the work for

1522

00:56:13,109 --> 00:56:10,799

very minimal pay

1523

00:56:15,109 --> 00:56:13,119

and you know just the joy of killing a

1524

00:56:18,309 --> 00:56:15,119

pokemon you know it's like ridiculous

1525

00:56:20,950 --> 00:56:18,319

but it functions very well and that's

1526

00:56:24,150 --> 00:56:20,960

that is something that i'm always

1527

00:56:27,030 --> 00:56:24,160

blown away by is just how well this

1528

00:56:28,309 --> 00:56:27,040

well-oiled machine works you know these

1529

00:56:30,710 --> 00:56:28,319

these

1530

00:56:32,710 --> 00:56:30,720

larger meetings of

1531

00:56:34,630 --> 00:56:32,720

uh whether it's the uh

1532

00:56:36,789 --> 00:56:34,640

i i won't say names but these large

1533

00:56:40,309 --> 00:56:36,799

organizations

1534

00:56:41,990 --> 00:56:40,319

they just work you know they it seems as

1535

00:56:44,789 --> 00:56:42,000

if they've just about thought of

1536

00:56:47,349 --> 00:56:44,799

everything

1537

00:56:49,349 --> 00:56:47,359

yeah it's um from my perspective it's

1538

00:56:51,109 --> 00:56:49,359

it's actually like

1539

00:56:52,630 --> 00:56:51,119

i didn't don't take this that i agree

1540

00:56:54,630 --> 00:56:52,640

with them in any sort of way but i'm

1541

00:56:57,589 --> 00:56:54,640

very impressed with what they've done

1542

00:56:59,670 --> 00:56:57,599

because it's it's it's impressive it

1543

00:57:01,109 --> 00:56:59,680

took so much work so much planning so

1544

00:57:04,789 --> 00:57:01,119

much to pull off

1545

00:57:06,710 --> 00:57:04,799

and they have done it successfully and

1546

00:57:08,950 --> 00:57:06,720

every day i'm reminded of how successful

1547

00:57:10,390 --> 00:57:08,960

they've been and um

1548

00:57:12,069 --> 00:57:10,400

unfortunately we're all kind of just

1549

00:57:13,349 --> 00:57:12,079

along for the ride and trying to you

1550

00:57:15,190 --> 00:57:13,359

know bring

1551  
00:57:18,069 --> 00:57:15,200  
trying to keep some kind of nature and

1552  
00:57:20,230 --> 00:57:18,079  
true magic in the system or in existence

1553  
00:57:22,789 --> 00:57:20,240  
to uh you know try and remind some of

1554  
00:57:25,349 --> 00:57:22,799  
the cyborgs on the other side

1555  
00:57:27,190 --> 00:57:25,359  
because eventually you know we'll

1556  
00:57:28,870 --> 00:57:27,200  
we'll shake off this and we'll we'll get

1557  
00:57:30,069 --> 00:57:28,880  
ourselves back to balance it's just

1558  
00:57:31,990 --> 00:57:30,079  
really unfortunate that we're going to

1559  
00:57:34,309 --> 00:57:32,000  
have to watch you know humans go this

1560  
00:57:36,950 --> 00:57:34,319  
transhuman route to remember

1561  
00:57:38,870 --> 00:57:36,960  
and i think that epitomizes the evil

1562  
00:57:41,750 --> 00:57:38,880  
aspects of it i could see how this could

1563  
00:57:43,910 --> 00:57:41,760

work for positivity however you know

1564

00:57:46,549 --> 00:57:43,920

there is that saying absolute power

1565

00:57:49,750 --> 00:57:46,559

corrupts absolutely and

1566

00:57:54,150 --> 00:57:49,760

it does seem as if this is working

1567

00:57:55,990 --> 00:57:54,160

infamously absolutely in every way so i

1568

00:57:57,750 --> 00:57:56,000

i just wanted to thank you again shane

1569

00:57:59,829 --> 00:57:57,760

for coming on the podcast let's tell

1570

00:58:02,950 --> 00:57:59,839

listeners one more time where they can

1571

00:58:05,349 --> 00:58:02,960

support you uh listen to you and get

1572

00:58:07,910 --> 00:58:05,359

more shane bales

1573

00:58:10,069 --> 00:58:07,920

well there's a instagram account uh the

1574

00:58:12,309 --> 00:58:10,079

rebels advocate with underscores between

1575

00:58:13,829 --> 00:58:12,319

each word that would probably there you

1576

00:58:17,349 --> 00:58:13,839

can find my link tree but if you know

1577

00:58:19,349 --> 00:58:17,359

the link tree url after the slash

1578

00:58:21,990 --> 00:58:19,359

capital on both s's

1579

00:58:24,069 --> 00:58:22,000

shane underscore sedor that will show

1580

00:58:26,230 --> 00:58:24,079

you all of my links

1581

00:58:28,630 --> 00:58:26,240

on patreon directly at shane underscore

1582

00:58:29,510 --> 00:58:28,640

sedora underscore storyteller

1583

00:58:30,390 --> 00:58:29,520

and

1584

00:58:32,390 --> 00:58:30,400

uh

1585

00:58:33,750 --> 00:58:32,400

yeah that will that will help you find

1586

00:58:35,589 --> 00:58:33,760

everything

1587

00:58:39,109 --> 00:58:35,599

if you want to just email me directly

1588

00:58:40,789 --> 00:58:39,119

shane dot sador 777

1589

00:58:42,870 --> 00:58:40,799

gmail.com

1590

00:58:45,990 --> 00:58:42,880

that's awesome shane and in the last

1591

00:58:48,309 --> 00:58:46,000

couple minutes i just wanted to ask uh

1592

00:58:50,549 --> 00:58:48,319

kind of a question that's sort of sort

1593

00:58:53,109 --> 00:58:50,559

of highly sensitive but the truth in my

1594

00:58:55,589 --> 00:58:53,119

opinion and that's the fact that you

1595

00:58:57,270 --> 00:58:55,599

know a lot of these organizations end up

1596

00:58:59,750 --> 00:58:57,280

with all of the attention you get the

1597

00:59:01,430 --> 00:58:59,760

freemasons who are labeled the bad guys

1598

00:59:04,069 --> 00:59:01,440

for everything or you get skull and

1599

00:59:07,589 --> 00:59:04,079

bones which everybody points to is the

1600

00:59:09,670 --> 00:59:07,599

epitome of evil or you know this goes on

1601  
00:59:10,950 --> 00:59:09,680  
and on but in reality this is a shell

1602  
00:59:14,789 --> 00:59:10,960  
game

1603  
00:59:17,109 --> 00:59:14,799  
or so it seems where names are changed

1604  
00:59:19,990 --> 00:59:17,119  
and the progress continues have you

1605  
00:59:22,150 --> 00:59:20,000  
found that in your experience that

1606  
00:59:23,910 --> 00:59:22,160  
it's very easy to

1607  
00:59:25,589 --> 00:59:23,920  
delegate one as the bad guy and just

1608  
00:59:28,390 --> 00:59:25,599  
move on with the same

1609  
00:59:30,069 --> 00:59:28,400  
organization in a different way

1610  
00:59:31,910 --> 00:59:30,079  
absolutely or just let us believe

1611  
00:59:33,270 --> 00:59:31,920  
whatever we choose to believe because

1612  
00:59:34,710 --> 00:59:33,280  
publicly what do we see out of the

1613  
00:59:35,990 --> 00:59:34,720

freemasons we see a lot of good in

1614

00:59:38,710 --> 00:59:36,000

society

1615

00:59:40,950 --> 00:59:38,720

right so um you know that's that causes

1616

00:59:42,950 --> 00:59:40,960

a kind of

1617

00:59:44,549 --> 00:59:42,960

a disharmony when people go to look at

1618

00:59:46,230 --> 00:59:44,559

it and if we try to tell them oh no

1619

00:59:48,150 --> 00:59:46,240

they're actually doing all these

1620

00:59:52,230 --> 00:59:48,160

nefarious things everyone's like but my

1621

00:59:54,630 --> 00:59:52,240

grandpa was a freemason right so um yeah

1622

00:59:56,710 --> 00:59:54,640

it's the levels to it um that's how they

1623

00:59:58,470 --> 00:59:56,720

do it compartmentalization and then you

1624

01:00:01,109 --> 00:59:58,480

have to you know jump through all the

1625

01:00:02,470 --> 01:00:01,119

correct hoops and uh do all the

1626

01:00:04,230 --> 01:00:02,480

things that they want you to do to

1627

01:00:05,990 --> 01:00:04,240

progress and the lie is different at

1628

01:00:07,990 --> 01:00:06,000

every level so every level they you

1629

01:00:09,349 --> 01:00:08,000

learn a new truth and then you believe

1630

01:00:10,630 --> 01:00:09,359

that's the truth and if you believe

1631

01:00:12,870 --> 01:00:10,640

that's the truth well enough then

1632

01:00:14,150 --> 01:00:12,880

they'll tell you the next new truth and

1633

01:00:15,510 --> 01:00:14,160

if you believe that one then i'll tell

1634

01:00:17,109 --> 01:00:15,520

you the next one until you get all the

1635

01:00:18,870 --> 01:00:17,119

way up there and by that time they know

1636

01:00:19,990 --> 01:00:18,880

you're just ready to play ball so it's

1637

01:00:20,870 --> 01:00:20,000

safe

1638

01:00:23,750 --> 01:00:20,880

man

1639

01:00:25,430 --> 01:00:23,760

so amazing just absolutely

1640

01:00:27,030 --> 01:00:25,440

it's fascinating i could talk about it

1641

01:00:29,430 --> 01:00:27,040

all day can't thank you enough for

1642

01:00:31,030 --> 01:00:29,440

taking time out of your busy day shane

1643

01:00:32,710 --> 01:00:31,040

and i hope to talk to you again man

1644

01:00:34,390 --> 01:00:32,720

thanks so much

1645

01:00:36,309 --> 01:00:34,400

you are welcome it's been fun we'll talk

1646

01:00:38,870 --> 01:00:36,319

again sometime

1647

01:00:40,789 --> 01:00:38,880

well i was blown away

1648

01:00:43,109 --> 01:00:40,799

shane definitely

1649

01:00:45,990 --> 01:00:43,119

did not disappoint

1650

01:00:49,030 --> 01:00:46,000

the secrets which influence

1651

01:00:51,030 --> 01:00:49,040

the way the world works

1652

01:00:53,510 --> 01:00:51,040

are not only highly sensitive but i

1653

01:00:57,349 --> 01:00:53,520

understand why they're highly secretive

1654

01:00:59,589 --> 01:00:57,359

this network of elite families that have

1655

01:01:01,910 --> 01:00:59,599

unique bloodline connections with

1656

01:01:04,470 --> 01:01:01,920

legitimate secret societies not to

1657

01:01:07,510 --> 01:01:04,480

mention corporations

1658

01:01:10,549 --> 01:01:07,520

have truly become the puppet masters of

1659

01:01:12,549 --> 01:01:10,559

the modern era yet this this has always

1660

01:01:14,470 --> 01:01:12,559

kind of been the same hasn't it the same

1661

01:01:16,950 --> 01:01:14,480

environment with the

1662

01:01:19,190 --> 01:01:16,960

total control behind the scenes

1663

01:01:23,190 --> 01:01:19,200

and

1664

01:01:24,390 --> 01:01:23,200

simple

1665

01:01:25,990 --> 01:01:24,400

those who

1666

01:01:29,589 --> 01:01:26,000

are willing to

1667

01:01:32,230 --> 01:01:29,599

sacrifice their freedoms for convenience

1668

01:01:34,309 --> 01:01:32,240

deserve none in the words of benjamin

1669

01:01:35,750 --> 01:01:34,319

franklin i'm probably not saying that

1670

01:01:38,470 --> 01:01:35,760

quote exactly

1671

01:01:40,549 --> 01:01:38,480

as it was originally penned but i

1672

01:01:42,870 --> 01:01:40,559

understand the theme

1673

01:01:45,270 --> 01:01:42,880

most people are aware of the different

1674

01:01:46,630 --> 01:01:45,280

cults and or organizations such as the

1675

01:01:49,270 --> 01:01:46,640

freemasons

1676

01:01:52,069 --> 01:01:49,280

however this larger picture of what is

1677

01:01:53,190 --> 01:01:52,079

going on is much more vast and hidden

1678

01:01:54,710 --> 01:01:53,200

than most

1679

01:01:57,270 --> 01:01:54,720

believe

1680

01:02:00,150 --> 01:01:57,280

much is shown on purpose to hide the

1681

01:02:01,750 --> 01:02:00,160

truth and shane is very knowledgeable of

1682

01:02:04,150 --> 01:02:01,760

this man he

1683

01:02:05,829 --> 01:02:04,160

definitely knows his stuff i'm super

1684

01:02:09,510 --> 01:02:05,839

glad he came on

1685

01:02:11,990 --> 01:02:09,520

support shane support his blog support

1686

01:02:14,150 --> 01:02:12,000

his teachings which are

1687

01:02:15,910 --> 01:02:14,160

helping people control their personal

1688

01:02:17,430 --> 01:02:15,920

power through his vast knowledge and

1689

01:02:20,549 --> 01:02:17,440

experiences

1690

01:02:21,670 --> 01:02:20,559

most importantly do your best at being

1691

01:02:25,430 --> 01:02:21,680

your best

1692

01:02:26,309 --> 01:02:25,440

and uh also support hero paranormal if

1693

01:02:31,109 --> 01:02:26,319

you can

1694

01:02:34,710 --> 01:02:31,119

go to podbean

1695

01:02:36,710 --> 01:02:34,720

we are also at heroparanormal.com

1696

01:02:39,510 --> 01:02:36,720

we appreciate the support it definitely

1697

01:02:41,270 --> 01:02:39,520

helps me be able to make the podcast and

1698

01:02:42,870 --> 01:02:41,280

keep it coming

1699

01:02:45,109 --> 01:02:42,880

keep your eyes on the top of that

1700

01:02:46,630 --> 01:02:45,119

pyramid

1701

01:02:48,630 --> 01:02:46,640

until next time

1702

01:02:51,349 --> 01:02:48,640

keep your eyes to the skies

1703

01:02:57,050 --> 01:02:51,359

feet on the ground but don't forget to

1704

01:03:15,270 --> 01:03:02,960

[Music]

1705

01:03:19,349 --> 01:03:16,470

blast off

1706

01:03:22,230 --> 01:03:19,359

glasses off

1707

01:03:24,750 --> 01:03:22,240

come blast off in my time machine third

1708

01:03:27,590 --> 01:03:24,760

eye feeling like an
